National President's Notes

PROPOSED NEW GUN LAWS

At the time of writing these notes I am unable to come to grips with the proposals put forward by our Federal Government in relation to new gun laws.

They have not addressed the issue surrounding incidents such as happened in Tasmania, but in reality have succumbed to the media.

What they have effectively done at this point is to place all law abiding firearm owners in the category of criminal, and promoted a psychiatric killer to hero in the minds of the minority anti gun radicals who seem to have the attention of the media.

Your National Executive will be fighting all the way, with what money we have in the Legislation Fund, to try and bring some sense to this injustice, and will be fighting to preserve your right to own and use semi automatic and pump action shotguns in our sport, and also the right you have as a citizen of this country to retain and use property you legally obtained and wish to use in hunting, vermin control or target shooting. We have committed no offence to bring these unwarranted restrictions upon us.

As I have stated earlier, the Government has been duped by a very vocal minority who have portrayed all firearm owners as to why the tragedy in Tasmania took place, as with such atrocities in the past. The unfortunate result is that political parties, to win votes, run with the media.

Unfortunately, there now appears to be less votes in supporting firearm owners, than in supporting the greens, the liberationists or any of a multitude of trendy factions within our community. To endeavour to change this, each and every one of us must lobby their local State and Federal Politicians to the fullest, and each politician must then be made to state where their individual support is, and if it is with us, then stand up and be counted.

It is a sad state of affairs when States are discussing legalising drugs on one hand, and then taking away our firearms on the other. There is no doubt if all these impositions are passed, then the next target will be what few firearms we have left. The media love to use the term weapons for our firearms and we must emphasise to all, that we do not use weapons.....but sporting equipment.

Another issue raised in the campaign against the ownership of firearms is that put forward by the Australian Medical Association claiming some 500 plus deaths in Australia each year as a result of shootings. This figure includes suicides, to which end no amount of restriction will stop someone determined to end their own life. It is rather neglectful of the AMA not to mention that in New South Wales alone in 1992/3 some 27,337 people were admitted to hospital as a result of incorrect medical procedures, whilst in the same period 144 persons were firearm related admissions. Makes you wonder how priorities are decided.

1997 WORLD DTL CHAMPIONSHIPS

The preliminary organisation of this event has almost been completed and full details in the form of an entry booklet will be issued shortly.

If you feel you do not wish to compete, but would like to be part of this event, we will be needing a number of official referees. These positions will be paid, and it will be imperative that we have those positions filled well before the event. Now is not too soon to send your name in.

Glenn G. Woodhatch
National President

Duke of Gloucester Cup

One of Australia's oldest and most prestigious Cups was keenly contested at the Frankston Australian Gun Club on Anzac Day, Thursday April 25.

The Cup which originally was donated by the Duke of Gloucester to the Nobel Gun Club, and then later the Australian Gun Club, which later formed the Frankston Australian Gun Club.

The competition consists of 50 targets Double Barrel off 16 metres, and over \$1000 worth of trophies were supplied for the event. Special mention to Ronald McMillan and Carrum Downs Newsagency for their generous sponsorship.

Six possibles were recorded with the eventual Overall Winner being Robert Nisbet 113/113.

Robert Nisbet with The Duke of Gloucester Cup, and the Silver Tea & Coffee Service he received.

1996 National Trap Championships

The Australian Clay Target Association National Trap Championships for 1996 were hosted this year by the Tasmanian Clay target Association and Tasmanian Gun Club. The championships ran from Saturday 6 April to Thursday 11 April and the weather was very cool and windy.

SATURDAY 6 APRIL

Prior to the Opening Ceremony, teams from ALL states and the territory competed for the prized Australian Clay Target Association Cup presented to the State team in Open, Ladies and Juniors division. This was the first time ever that all states were in each division, congratulations.

The Open teams event was successfully won by Victoria, being represented by Russell Mark (Capt) Nathan Cassells, Roger Duthie, Joe Attard and Rob Viney. They only dropped one target to score 124/369 to win narrowly from Western Australia and South Australia both on 124/365.

The Ladies from Tasmania, fielding a team for only the second time, were successful in winning the Ladies Team event, The team lead by Nannette McCallum with Elaine Bennett and Cheryl Arnol dropped just one target to score 74/217. They defeated Victoria 73/216 and Queensland 72/212.

Victoria was also successful in the Junior teams event with a score of 74/219. Craig Henwood lead his team of Marc Crimmins and Luke Cassells to victory over New South Wales with 72/210 and South Australia 71/208.

Again, it was fantastic to see teams from all states and the territory competing and congratulations to all states in turning out

some very well presented teams. They were a credit to clay target shooting.

The perpetual Trophy for the best presented team, which was judged by our

dignitaries present, was won again by South Australia. It must have been the hats from South Aussie Ray Mack that won it for them.

A piper then lead all teams in a march past the crowd, with the rain stopping long enough for the opening ceremony, as National President Mr Glenn Woodhatch introduced dignitaries present: Mr David Galloway, President Tasmanian Gun Club, Mr Allan Kenny President TCTA, The Hon. Warwick Smith MP, Minister for Sport, Federal Member of Bass and Mr Dick Adams Federal Member of Lyons.

It was indeed a great honour to have the Federal Minister for Sport present to open our Championships. He welcomed all competitors and declared the event under way.

Mr Smith and Mr Adams both fired the opening shots, with both hitting targets under the watchful eye of our National Director of Coaching Mr Murray Alexander.

Grand Australian Handicap - 50t

The first event of the nationals attracted a very healthy 340 competitors including 9 of our Kiwi friends. At the end of 50t

twelve possibles, which included four juniors, shot off for the Royal Blue Sash, Silver Australia Badge and the Gordon Hall Perpetual Trophy. Local club member Andrew Otley out stayed Victorian Roger Duthie to win the vent with a score of 85/85.

SUNDAY 7 APRIL

Australian Double Barrel Championship - 50t

1996 Open Mackintosh Team

Winchester Australia proudly sponsored this event, with Mr John Canning General Manager in attendance to present the trophies. The ACTA is most grateful for their support.

The Australian Double Barrel Championship over 50t was very keenly contested. A total of 370 competitors nominated, of which 149 AA Grade, 107 A Grade, 77 B Grade and 37 C Grade. After 50 targets 57 shooters had not missed a target and so began the shootoff for the coveted prize. With darkness setting in the shoot off was to be continued the next day. Territorian Victor Ferteklis, Mark McInnes and Max Medhurst continued to fight it out for the trophy.

After 394 targets Victor Ferteklis was the only person whom had not missed a target. Victor from Darwin Gun Club 394/394 was presented with a shotgun by John Canning General Manager Winchester Australia, the Jock Wilson Perpetual Trophy, Royal Blue Sash and Silver Australia Badge.

Mark McInnes Narrabri NSW 393/394 was overall second and Max Medhurst Mt Gambier SA was overall 3rd with 343/344.

Sperry Marshall Hobart Tas was successful in the veterans with 50/50 being the only veteran to shoot the possible.

Grade Scores were as follows:

Overall High Gun Bill Iles being presented with his memento trophy by donor, Mrs Muriel Porter.

Junior High Gun — Nathan Cassells.

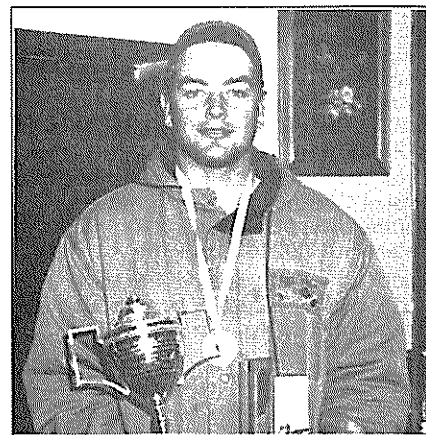

Ladies High Gun — Susan Milroy.

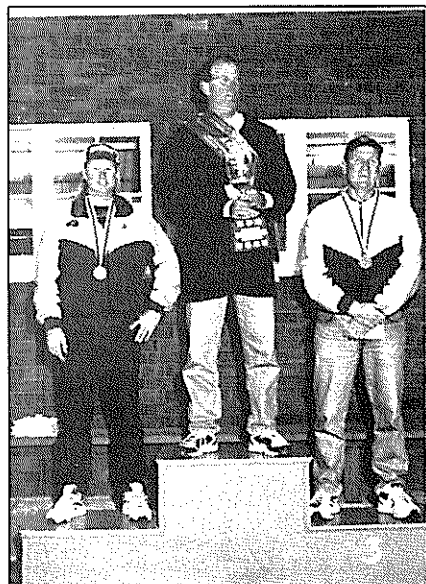

TCTA President Allan Kenny presents the Veterans High Gun to a worthy winner in Sperry Marshall.

Matthew Kelly from Geraldton, WA takes out the Carnival Sub-Junior High Gun.

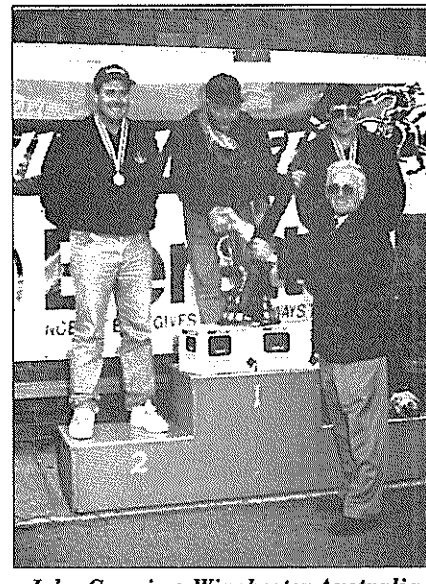

Junior Shane Pinner wins the Everett Attwood Trophy awarded to the highest score over Junior Mackintosh Team Qualifying Events.

Champion of Champions, Robert Christopher flanked by Roger Duthie and Arthur Turner.

Womens Australia/New Zealand Championship - 50t

This event was run in conjunction with the Open Championship and attracted 37 Starters.

This was very keenly contested and Susan Byrnes Lower North SA 149/150 won this event outright. She was successful in winning the Kaye Woods Memorial Trophy, Royal Blue Sash and Silver Australia Badge. Karen Kennerson Sydney NSW 146/150 was successful to take second place with Nannette McCallum Bothwell Tas 175/180 winning a shoot off to take third place.

Junior Australia/New Zealand Championship - 50t

This was also shot in conjunction with the open event with 41 juniors vying for the title.

Craig Henwood Melbourne Vic 149/150 was successful in winning this National title and the Russell Mark Perpetual Trophy, Royal Blue Sash and Silver Australia Badge. Nathan Cassells Maryborough Vic 165/168 came second and Eddie Boulos Sydney NSW 164/168 in third place.

Allan Brown Club Teams Match

This is a popular teams match run in conjunction with the Australia/New Zealand Trap Championship.

The winners were Lower North SA whose team of Ron Smith, Lisa Smith, Craig Bentley, Bruce Byrnes and Sue Byrnes shot 727/750 to take out the title. Cecil Park NSW was second with 726/750 and Echuca Vic 723/750 was third.

Mackintosh Teams

Craig Bentley Lower North SA was the top qualifier in the

Open Mackintosh Team with a score of 248/250. In the Womens team Susan Milroy Alexander Vic and Susan Byrnes Lower North SA both shot 241/250 to be the top qualifiers. Shane Pinner Albury/Wodonga NSW was the top qualifier in the Junior team with 242/250.

Sperry Marshall Hobart Tas 241/250 was the top qualifier in the Veterans team.

The Australian Clay Target Association would like to thank Mr Terry Hills from Guns and Ammo for supplying the ammunition for the Ladies Veterans and Juniors Mackintosh Teams.

WEDNESDAY 10 APRIL

All Mackintosh teams, Open, Womens, Juniors and Veterans shot in drizzly conditions. The scores for the event are sealed and posted to the CPSA in England, to be opened at the banquet which follows the Home Countries International in July, when the results are announced.

Russell Mark Sebastopol Vic was the Open High winner with 300/300 and was presented with the J M Bauman Gold Cup and Silver Australia Badge.

The Womens High Gun winner was Nannette McCallum Bothwell Tas with a score of 293/300. Sperry Marshall Hobart Tas was the Veterans High Gun winner with 288/300.

Two Victorians shared the Junior High gun. They were Nathan Cassells Maryborough and Marc Crimmins Jeparit whom both scored 296/300.

Double Rise Championship - 25pr

This was the first time that this event was shot on the Mackintosh day and proved to be very successful.

281 competitors registered for this event.

In very windy and rainy conditions only one shooter was successful in hitting all fifty targets. Barry Kable Cecil Park NSW shot 50/50 to successfully win the event. He was presented with the J M Tyquin Perpetual Cup, the Royal Blue Sash and Silver Australia Badge. It was very good shooting in very difficult conditions. Steve Atkins Echuca Vic 57/60 was the overall second placing and Jon Whittakers Echuca Vic 55/60 was overall third.

In the Veterans Jack Headon Hay NSW was successful with a score 40/50.

Grade results were:

AA Grade 1st P Forner Top End NT 55/60

2nd G Hayden Noorat Vic 91/100

3rd C Carroll Cerberus Vic 89/100

A Grade 1st M Havill New Zealand 43/50

Hometown boy Andrew Otley takes the first event on home soil, the Grand Australian Handicap.

Danny Galea representing Fuller Firearms congratulates Fred Foon on his Veterans win in the National Single Barrel

50/50 Double Rise by Barry Kable gave him the National Title outright, great shooting!

Amy and Graham Blasket, Deauville Doubles Event Winners.

Australia Badge from Justin Dale Albury NSW 50/60 coming second and Marc Crammins Jeparit Vic 49/60 in third place. Deauville Doubles

The Australian Clay Target Association was very pleased to have BRA Insurance as a sponsor of this event. This was very much appreciated.

This very keenly fought event with Graham and Amy Blasket from Cressy Gun Club winning the event with 27/27. Max and Adrian Medhurst Mount Gambier SA came in second with 26/27 and Nathan and Gary Cassells Maryborough Vic 23/24 taking out third place.

THURSDAY 11 APRIL

Champion of Champions - 75t

The Champion of Champions event 75t was very keenly contested. A total of 281 competitors nominated of which 125 AA Grade, 84 A Grade, 52 B Grade and 20 C Grade. After 75t Robert Christopher Geelong Vic was successful in winning this event outright with a score of 124/125. This was a very good score in very cold conditions. He was presented with the Mackintosh Perpetual Trophy, Royal Blue Sash and Silver Australia badge.

Roger Duthie Hamilton Vic "won the toss" to take out Overall second with 197/200 from Arthur Turner Warren NSW 197/200.

Sperry Marshall Hobart Tas was again successful in the veterans with 118/125.

Grade Scores were as follows:

AA Grade 1st P Forner NT 148/150

2nd D Briggs Barrytown NZ 147/150

3rd A Del Ben Cecil Park NSW 122/150

A Grade 1st R Cugley Deniliquin NSW 144/150

2nd S Milroy Alexandra Vic 141/150

3rd A Lloyd Sydney NSW 166/175

B Grade 1st D Carmody Majura Park NSW 116/125

3rd J Lyons Canberra Int. ACT 145/175

Womens Champions of Champions - 75t

This event was run in conjunction with the Open Championship and attracted 29 Starters.

This was very keenly contested and Susan Milroy Alexandra Vic 120/125 winning the event outright and received a Royal Blue Sash and Silver Australia Badge. Nannette McCallum Bothwell Tas 141/150 was successful in the shoot off to take second place with Leanne Gall Tambo Qld 137/150 taking third place.

Junior Champions of Champions - 75t

This was also shot in conjunction with the open event with 34 juniors vying for the title.

Nathan Cassells Maryborough Vic 121/125 was successful in winning the Championships and a Royal Blue Sash and Silver Australia Badge from Adam Hogarth Terranora Qld 142/150 coming second and Justin Dale Albury/ Wodonga NSW 139/150 in third place.

High Guns

The Val and Fred Horton trophy for the Veteran with the highest aggregate score over the three Mackintosh qualifying events was won by Sperry Marshall Hobart Tas with a score of 241/250.

The Veterans High Gun over the six National Titles was also awarded to Sperry Marshall with a score of 435/475 and for his effort he received the Cec Herbert Perpetual Trophy, Royal Blue Sash and ACTA Medal.

Susan Milroy shot very consistently throughout the week to win the Womens High Gun with a score of 447/475. She was presented with the Eley Perpetual Trophy, a Royal Blue Sash and ACTA Medal.

A sub Junior division was included last year and Matthew Kelly Geraldton WA 466/540 was this years winner.

The Junior High Gun saw a very consistent Nathan Cassells Maryborough Vic win with a score of 452/475.

Bill Iles Melbourne Vic 522/540 took out the Overall High Gun and was presented with a memento of the Ron Porter Remembrance Trophy by Mrs Muriel Porter. Bill also received the J Newton Thomas Trophy, Royal Blue Sash and Gold Australia Badge.

The ACTA/NZCTA International High Gun was won by Bill Iles of the Melbourne Gun Club. For his effort Bill received the Gold Southern Cross Badge, Sash and return airfare to the 1997 New Zealand Nationals.

The oldest competitor award was presented to Jim Miatt of Tasmanian Gun Club Tasmania whom will be 80 years young this year.

Acknowledgments

The Association gratefully acknowledges the support given which has been generously received from:

*Mr John Canning and Mr Gary Matchan and Winchester Australia

*Mr Adrian Fuller and Fuller Firearms Group

*Messrs Gary and Josh Raymond of Raytrade Distributors

*Mr Graeme Brown of Falcon and Flocchi Ammunition

*Mr Peter Fearnside and BRA Insurance

*Mr Terry Hills of Guns and Ammo

*The Australian Sports Commission for continual support and funding of our support.

Our sincere thanks also go to the tireless work put in by the many people who helped to make the 1996 Trap Nationals a success. An excellent job was done by Molly Bryan, Office Manager, and her office staff, in running the office, as well as to Allan Kenny, the Tournament Director, who ensured the smooth running of the tournament. Our thanks also to Shoot Marshall John Murphy and his assistants, Bevin Swan and Tim Atkins, and Handicapper David Dunn. Shane and Cindy Yates did an excellent job in keeping the scoreboards up-to-date, and Rex Meikle as Trappers Foreman.

To those people who also assisted in the office, Janet Browning, Elaine Bennett, Sandra Ellis, Debbie Groves, Doreen Aylett, Christine Galloway, Jan Hoffman, Alison Blaskett, Amy Blaskett, Olivia Blaskett, John Veal, David Galloway, Leanne Atkins, Tina Bennett, Tracey Degan and to those people who assisted throughout the week, your efforts have not gone unappreciated.

1997 National Championships

The New South Wales Clay Target Association will host the 1997 National Championships at Wagga Gun Club from 3rd to 8th April, to be immediately followed by the World Down-The-Line Championships on 9th to 11th April 1997.

John Canning, General Manager Winchester, Australia being presented with Certificate of Appreciation by Glenn Woodhatch

Results of the 1996 National Trap Championships

Evandale, Tasmania

Sub Junior High Gun: Mathew Kelly, WA, 466/540

Veterans High Gun: Sperry Marshall, Tas, 435/475

Veterans Aggregate (3 Titles): Sperry Marshall, Tas, 241/250.

Oldest Competitor: Jim Miatt, Tas, aged 79.

Total Competitors entered into the 1996 National Trap Championships: 383.

Mango Farmer Keeps Miners on their Toes

Visiting Darwin and ex Mount Isan, John Yanko and his lovely wife Libby, ensured an enjoyable day was had by all. Hope your cold gets better Libby!

Pleasant breezy conditions saw twenty shooters in attendance and good competition was guaranteed. To start the day off we had twenty five targets Skeet off handicap. Three squads later saw six shooters come back to the tracks to shoot off.

After the first twenty five shoot off targets four shooters were still in. Bring on the Doubles! This sorted everyone out smartly with Phil Leddick first 51/52, Kevin Streeter second 50/54, and that 'social skeet shooter', Bruce Murphy third 48/54.

The visiting mango farmer showed good form in the second event which was fifty targets fluoro Points. 'A' grade went to John Yanko who pulled only three second barrels. Well shot John. 'B' grade went to Ron Power with 136/150 and 'C' grade to Grant Kirkwood after a short but sweet shoot off with Monty.

The ladies turned on an excellent lunch and for the first time in a while chairs in the clubhouse were a bit scarce. Thanks to Doris, Kerry and all the other ladies who helped.

After lunch it was time to get fairdinkum with everyone trying to keep Yanko at bay in the 30 target Medley. Four 49/50's in one squad looked good only to have local Rod Cusack fix it all with a perfect score. 'A' grade Rod Cusack 50/50, 'B' grade Ron Power (again) 48/50 and 'C' grade Sam Edmonds 46/50.

After winning the fruit & vege tray, Grant Kirkwood's luck looked to be hot when his name came out of the hat to shoot the club jackpot. Five shells only and metreages of 23;22,19,15 and 12. He looked good on 23 and 22 only to come undone on 19. Bad luck Grant.

The final event of the day saw Grant again take out 'C' grade after a shoot off with recent new member Betty Fawcett who kept trying all day.

Bruce Murphy hit his stride with a well shot 50/50 to take 'A' grade, while that Power from the office grabbed 'B' grade yet again with 46/50. Ron has to be way of a couple of suspect 'A' graders who are nearly up for regrading.

Did you hear about good hearted Nev Anderson who lent his gun to a Skeet Shooter months ago and never changed his chokes back, poor bloke! Poor scores more like it.

And what about that Silver Fox (Mick McGill) winning Champion of Champions among other things at the recent Suncorp North Queensland Games held in Atherton.

Don't forget the Major Event happening here in the North West in the near future. Our Annual is on the Queens' Birthday Weekend in June.

Heaps of clays to be shot and heaps of fun to be had in the North West.

Callawadda Stawell Gun Club

The Callawadda Stawell Gun Club have awarded their Club President John Walsh Life Membership to the Club.

John has been very successful in gaining sponsorship for the club over many years.

He is pictured here (right) receiving his Life Membership Badge from Committeeman and Life Member Russell Young.

NSW CLAY TARGET ASSOCIATION INC

Waratah State Notes

Central Zone — Bathurst Gun Club will be the venue for the Central Zone Skeet Carnival on 16th June commencing at 12 midday. The zone is not very strong with skeet shooters usually finding it difficult to make up a Zone Skeet Team. This year they are appealing to any shooters from the Central Zone who shoot skeet to come along and shoot for a position in the Zone Skeet Team to attend the State Skeet Carnival in Wagga on 10th & 11th August. For further information please contact Les Aberley on (063) 313791.

Championship Results — Dubbo Gun Club hosted the State Night SB C'ship on 30th March at the Western Zone Carnival. There were 48 in attendance to contest the event with Ian Merrick from the Cobar Gun Club winning the C'ship with a score of 61/64.

The State Night Pointscore C'ship was conducted at the Port Macquarie GC on 13th April with 32 shooters in attendance. Ken Neill won the event with a score of 138/150.

1997 Blue Book Program — If you are reading this and have not yet sent your club's program to your Zone Secretary, you must do so immediately as the due date is 31st May.

Promotional Shoots — To those clubs who responded to our letters regarding the proposed ACTA round robin Promotional Shoots, many thanks. Unfortunately, it appears the promotional venture is not going ahead and the round robin shoot idea has been squashed. We felt it was a sound proposal and are appreciative of those clubs who supported the concept.

Libbie Bunting

Oceania Games

February 1st-9th, 1997

Adelaide, S.A.

Expressions of Interest

Expressions of interest are invited from suitably qualified persons for the position of Jury Persons for all shooting disciplines as well as shotgun.

Expressions of Interest

Expressions of interest are invited from persons who wish to become international U.I.T. "B" Grade judges or those persons who are wanting to obtain international experience by officiating in the Shotgun Section of the 1997 Oceania Games.

Anyone interested in either of the above, would they please send applications to:

Mr. G. Michell, 11 Illman Avenue,

Murray Bridge, S.A., 5253

Phone enquiries: (085) 311 394

Applications close 17th June 1996.

— Queensland Quotes —

It is indeed on a sad note that the 'Quotes' are opened this month, with the passing of two well known shooters during April. Former State President and National Delegate, Ed Ransom, although I understand he had not been in good health for some time, his death is noted with sadness.

Roma member, Dale Colley, died as the result of an aircraft crash at Charleville - a keen all round shooter, Dale's zest for life and willingness to lend a hand will be greatly missed by his mates at Roma and all shooters who knew him.

Sincere sympathy is extended to Mrs Dulcie Ransom and Family and Mrs Janice Colley and Family from all clay target shooters.

Central Zone — Dysart Club's new President, Peter Field is looking for a good turn out at their annual shoot on July 6 & 7, a call to Peter on 079 581295 and you will be able to get full details of the shoot.

A little further ahead in August, 17th & 18th, the Gemfields will be holding their annual shoot.

Northern Zone — An event for every shooter, that will be Townsville in July, Friday 19th an ISU Elimination, Saturday 20th Open Skeet Program and Sunday 21st Open Trap Program.

Normanton have ISU Eliminations on 27th & 28th July and again on 10th & 11th August.

Another reminder that Burdekin have cancelled their ISU Elimination set down for 10th August.

Cairns also have an elimination, 17th & 18th August.

The Northern Zone Skeet Carnival will be hosted by Townsville on 24th & 25th August.

South East Zone — The South East Zone Skeet Carnival will be

staged on 13th & 14th July at the Gold Coast Club.

Sunshine Coast have their Annual Trap Shoot on 20th & 21st July.

Received a note from the Goondiwindi club, their new secretary is Gary Scudamore and his phone number is 076 711963. Gary also sent in the results of the Commonwealth Continental Championship, the Overall winner was Bill Turner from Goondiwindi.

Western Zone

Skeet shooters please note that the Western Zone Carnival has been moved to 7th & 8th September, still being hosted by Roma, but a new date.

Chinchilla have their annual shoot on 6th & 7th July and Dalby are holding theirs on 24th & 25th August.

17th & 18th August is the weekend of the annual shoot at Moonie.

1997 Programs — With Zones having allocated the 1997 Championships and Carnivals prior to 31st May, Clubs will now be putting together their 1997 shoot programs and including the dates that they will be hosting any allocated Commonwealth, State or Zone Championships. These dates are to be supplied to your Zone Secretary by 30th June. Clubs are asked to have their club shooting program to the State Secretary by 1st August.

Clubs are asked to give plenty of thought to their programs, and in particular, if your club does not shoot on a regular basis, advise the State Office accordingly. It is very difficult when the book is printed and the club does not actually conduct a shoot that has been included.

Jenny Burt, State Secretary QCTA
PO Box 2248, Chermide Centre, 4032.
Phone 07 38628842.

Village Motors & Sunco Motors

HOLDEN, NISSAN, MITSUBISHI, JEEP, HYUNDAI

Shooters, it's the end of the financial year, which means we are having a Stocktake Sale.

If you're in the market for a new or used vehicle, contact us; prices are never going to be as low again this year. We are also having a clearance of demonstrators in all the above makes and models.

Please tell your family and friends on new vehicles we can do a deal from Adelaide to Cairns.

Please contact Allan Newcombe or Terry Carroll on (07) 3284 7344.

Passing of a President

Story by George Biggs, ACTA Historian

Allan (Tup) Pedersen of Drouin passed away March 16 in his 88th year.

Tup was born in Drouin, Victoria. His father was a farmer and his grandfather was a market gardener. Few people could envisage that Tup would enter the motor trade, let alone spend more than 65 years in the industry.

It was about 1948 that Tup decided it was time he commenced to get a little enjoyment from life, and being a country boy his thoughts turned to shooting. At his point in time Clay Target Shooting was becoming the in thing, and Tup liked what he saw.

The early days in East Gippsland in Victoria saw several gun clubs that were formed around the beginning of the century. They were of course live bird clubs.

Around 1925 clay targets were replacing live birds, resulting in most of the live bird clubs changing over to clays.

It was 1948 when Tup decided to take up shooting clay targets. I remember him coming into Hartley Sports Store one afternoon. He told me he was going to take up shooting clays more seriously and wanted to know what kind of gun he should buy. He joined the Moe Gun Club and used an old side by side Hollis Double Barrel Field Gun for a few years, but had recently switched to a Browning Auto.

During the early 1950's the 'Browning' Under and Over gun was beginning to filter through to Australian trap shooters. Tup fell in love with this type of gun and purchased a Model 'C' grade gun which he used for the next forty years. If my memory serves me correctly the going price was around \$200. Over 40 odd years of clay target shooting Tup had won in excess of 200 Championships at both Trap and Skeet.

The Drouin Gun Club was formed in 1950 and officially opened by the then A.C.T.A. President Jock Wilson. The club had a membership of 65.

Tup was elected President with Stan Turner Secretary. The club carried on until 1982 when they disbanded to join up with Morwell Gun Club. Tup served on the ACTA Executive Committee from 1956 to 1977. He was appointed Vice President 1974 and National President 1975 serving 2 years. Tup still attended shoots and enjoyed the friendship of old and new shooters at the age of 88 years.

One of the highlights of Tup's shooting career was a trip to the U.S.A. where he shot in the 'Grand American', an event

that is billed as the biggest shooting tournament in the world. He brought back trophies from several shoots that he attended whilst there in 1975.

During December of 1987 Tup and his wife Enid visited the Australian Masters Games in Launceston, Tasmania where he shot in all the shot gun events. He remarked to me at the time that he and Enid enjoyed themselves so much they had decided to travel to Alice Springs for the Northern Territory Masters Games in October the following year -1988.

Sure enough they did visit Alice Springs and they actually did drive up.

Tup Pedersen being presented with the trophy he won at the National Championships at Adelaide 1993. (See photo opposite).

Tup had attended every National Championship Series for the past 40 years.

Tup was an Honorary Life Registered member of the Australian Clay Target Association.

Tup's greatest love was clay target shooting where he achieved considerable notoriety.

In more recent years he participated in Veterans competition and travelled Australia wide.

His main interest outside his business was his Presbyterian Church. He was a faithful communicant member of the Church and held the post of Treasurer for a period of 46 years. Tup was the architect of many financial arrangements for the Church.

God bless you Tup, you will be missed around the traps.

NEW PRODUCT

Try the new 28g Trap and Skeet cartridge from Express

Product: H.V. Competition

Velocity: 1400 fps muzzle velocity

Shot: 3% antimony 7.5 or 9

Powder: Vectan-Express

Pressure: 550-600 Bars

The combination of low breach pressures and high quality components give this product the edge for low recoil, even patterns and better competition scores.

LOWER NORTH GUN CLUB

The Committee and Members of the Lower North Gun Club from Lower Light, South Australia would like to congratulate the five members of our club who braved the cold and wind of the 1996 Tasmanian Trap Nationals. Four Members - Craig Bentley, Lisa Smith, Sue Byrnes and Bruce Byrnes represented South Australia in the Open, Ladies, and Junior Trap Teams. South Australia turned out to perfection as usual took out the best dressed teams at the Opening Ceremony. The fifth and final member of our club to compete in Tasmania was Ron Smith. What a team, good enough to win the Allan Brown Club Teams Match which was shot for in conjunction with the 35th Australia - New Zealand Trap Championship. Well done team, the Club is extremely proud of your achievement.

Lisa Smith started off our National winning way with a 50/50 in the 47th Grand Australian Handicap, winning the Womens division of the Handicap, one gold medal, just the start.

Lisa also took out third in the 16th Ladies National Double Barrel Championship, a bronze medal.

Lisa also received a bronze medal in the 2nd Ladies National Double Rise Championship. With her medal for the best dressed team member and her Allan Brown Team Match winning medal she totalled 5 National Medals. A good all round National effort.

Mrs Sue Byrnes was again a National Champion, Sue won the Ladies Australia - New Zealand Trap Championship with a 149/150 score shot, one gold medal, one blue sash. A top effort, this was the second time Sue has won this National title, she took this one out in Adelaide at the 1993 Nationals.

Sue had nominated for Open and Ladies at this Nationals as won B grade as well, Lower North was on a high at the presentations

that cold night, we were all there to see Sue receive her sash, and when they announced that the team had won the Allan Brown Club Teams Match the crowd went wild, either at us or with us was a debatable question. As stated at the presentation

The Lower North Winning Team (Ron Smith absent).

we may be not as large as other clubs but boy have we got class shooters. Must have, we won.

Sue also was the equal top qualifier for the 1996 Ladies International Team. Sue was 9 points down after the Double Barrel, Single Barrel and Points Event, and having a great Nationals. Medal tally, Best Dressed team member, Allan Brown Team Member, National Title and B grade winner, Ladies International Team Member.

Craig Bentley received a bronze medal in the 35th Australia - New Zealand Trap Championship shooting 149/150 in the event. Craig was also top qualifier in the 1996 Mackintosh International Open Team with two points down after the three qualifying events. Another top effort from one of Lower Norths Members.

Bruce Byrnes received a medal for Best Dressed team member and a medal for the Club Teams Match.

Ron Smith received his medal for the Club Teams Match.

Alt in all every member of the Lower North Gun Club who competed in this years Nationals came home with a National Medal. Congratulations and well done.

Cohuna Clay Target Club

Each year at Showtime, a 'Challenge' shoot is organised between us and the members of the Showman's Gun Club.

This year the event was held on Wednesday March 14, where 55 shooters and their friends attended our pre-shoot barbecue which was a great success. Thanks to all the ladies who

Caption: Cohuna Gun Club and Showmen Champions of the Pre-Cohuna Show Event: Back row, from left, Junior Champ Casey Fletcher, B Grade Double Barrel Winner Phil Vines, C Grade Double Rise Daniel Heap and B grade Single Barrel Champion Gordon Fletcher. Middle row, from left, runners-up in the A grade Double Barrel Charlie Miller, C grade Double Rise and Single Barrel Champ Mark Bottcher, A grade Single Barrel Winner Malcolm Absalom and runner-up in the A grade Single Barrel Bert Knight.

Front row, left to right, A grade Double Barrel Winner Brian McLeod, Ladies Double Barrel Champ Julie Miller and A grade Double Rise Winner Brett Dunstan.

brought salads and worked in the kitchen, the cooks and anyone who helped at all.

Visitors came from a large area and after a scrumptious meal got down to shooting.

As was our usual practice, three Championships were held along with a novice event.

A very successful night ended with the trophy presentations and a photo session which will be included in a later edition of the 'Outdoor Showmen'. Charlie did not achieve his ambition to get his name on the 100 break board, better luck next year Charlie.

Once again our sincere thanks go to the Showman's Gun Club and the Cohuna Agricultural Show Society who both helped with sponsorship. Their help made the shoot both possible and successful.

Cohuna Gun Club won the Shield for 1996 with 482/550, with the Showmen scoring 477/550.

— Vale —

IAN JOYCE

It is with deep regret we advise the sudden passing of our esteemed member and long-time member of the A.C.T.A., Ian Joyce of Berri, S.A.

We extend our deepest sympathy to family and friends. Sadly missed by members of Barmera Gun Club, S.A.

PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods. With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun, you immediately think to yourself "Perazzi from Yozzi" the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:

MX1
MX2
M2L

MX3 trap
MX3 skeet
MX3C
MX3C sporter

MX5 sporter
MX4 trap
MX4C trap, skeet or field
DB81 special trap
SC3 trap and skeet

MX8 trap with 28 1/2" and 31 1/2" barrels
MX8 skeet
MX8 gold line trap

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for? Now be positive and buy your "Perazzi from Yozzi" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

ALL ABOVE GOODS IN STOCK AND AVAILABLE FOR IMMEDIATE DELIVERY NOW FOR YOUR CONVENIENCE AND SATISFACTION.

Maryborough Tid Bits, Qld

Congratulations to Irwin Wynyard who went over to New Zealand to shoot in their Nationals in Christchurch and was selected as a member of his Nations Mackintosh Team as Irwin still holds NZ citizenship. You can take the boy out of Kiwiland, but you can't take the Kiwi out of the boy. Irwin with Grant Eynon of Tauranga were joint team High Gun Winners scoring 298/300. Good shooting Irwin.

As Irwin's travelling mate Neil Berry didn't shoot well he landed a 12kg atlantic salmon at the mouth of the Waimakariri River. Good fishing Neil.

Bundaberg 31-3-96

Visitors for the day, Keith Harrower from Rockhampton who was working in the area and just happened to have his gun in the boot, good to see you again Keith. Other visitors included Irwin Wynyard with Harry and myself.

The day reminded me of that poem that begins "There was movement at the Station", as that is how it happened in Bundy with Howard Sparke going from C grade to B grade, Kaye Rehbein from A grade back to B grade which was the last event of the day. Kaye let us know she was back by shooting 75/75 points which gave the B graders a shake up. Gino Sergiacomi moved from A grade up to AA but says he was set up, good shooting Gino. Ron Skerry took out the Whisky raffle while Clinton Groves won the meat tray and Lost Bird drew the shot at the jackpot.

By the next shoot at Bundy Barbara & Clinton will be some where on their trip around Australia, hope you have a good trip.

The days event being 100 targets split in 25t DB, 25t Pts, 25t DB, 25t Pts. It was down to a shoot off between Peter Winzen and the winner Rob Rehbein 100/100. Bad luck Peter and good shooting by both men. In AA grade Irwin Wynyard shared Event 2 and won Event 4 leaving Rob Rehbein sharing Event 2 and winning 1 & 3 events and OAHG. In A grade Peter Winzen shared Event 3 and won 1 & 4 events with Gino Sergiacomi taking 2 & 3, and Phillip Warren sharing event 2. In B grade Keith Palmer shared the 1st event with Norm Dale who also took events 2 & 3. Kaye returned to B grade to take event 3. In C grade Harry Walker won event 2, Spencer Plath drew event 4 with Howard Sparke who won events 1 & 3 along with the FM HG. Good shooting Howard.

In the Presidents notes of April, President Glenn would like to hear from those who get their shooters bible late, this month April 2nd was writing up Bundy shoot and my dog told me the mail had arrived which turned out to be the bible. On most months it arrives around this time, sometimes a bit earlier.

Whilst on the CTSN, congratulations to Jenny Burt on being awarded Life Membership of the NSWCTA. It is an honour to receive a Life Membership, well done Jenny.

Gladstone Annual Easter Harbour Festival Shoot.

April 6 & 7 - Glenn Durre after winning the SB C'ship in Maryborough last month, it was the SB C'ship being the only event Wal didn't get into at Gladstone with a shoot off in every event and took A grade in the City of Gladstone Triple C'ship, DB C'ship, Points Championship, Winchester DB C'ship and the A grade High Gun. Wal has another A now being AA. Good shooting Wal, they say every Wal-a-gater gets his day.

Gympie 14/4

Well I would say the highlight of the day would have to be the Life Membership bestowed to Joy and George Foster for the hard work they have done for the club over the past 20 odd years. Congratulations Joy & George and a great thought Gympie. There are people like Joy & George in every club and without these people there would be a lot less clubs.

Visitors for the day Barry Power & Stan Gallagher of Sunshine Coast, with Harry & yours truly. New shooter Rio Ricatti from Millicent now living in Tewantin, welcome Rio and your family to Gympie, hope you enjoy shooting in the area.

Robbie Foster won the meat tray raffle, Lost Bird drew the jackpot but let the fourth bird sail into the blue so that's history, and they had nothing to wrap Sylvia's metre in and had to accept it unwrapped.

Main results being the DB CD A grade Barry Power; B grade George Foster; C grade Paul Spoxton. 25t Handicap after a shoot off between two possibles, Sylvia Edgerton 1st taking home a metre, good shooting Sylvia with Stan Gallagher 2nd, Stan was also 2nd in the DB CD, DR and Tower. Glen Durre 1st A grade DR and 2nd in Tower. Bill Stolberg 2nd in DR & DB CD, 1st in Tower and won the Grade High Gun. George Foster won B grade Tower & HG with Denis Carew C grade winning the Double Rise, Tower and Grade High Gun.

1996 Tassie Trap Nationals

Stafford Smith rang on return and said there was good news and bad news, which did I want first. So I asked for the good news which was Stafford won the lobster raffle and the bad news was Stafford cannot eat lobster, he sat and watched it being eaten by friends and that is about all our local shooters could offer except that the weather was cold.

A man who loved shooting and working toward the betterment of shooting was Edward John Ransom of Murgon, and I was saddened to hear of the passing of Eddie. He gave a lot of time to coaching and refereeing classes and was Past President of QCTA, along with holding many other positions within shooting.

My deepest sympathy to his wife Dulcie and Family. R.I.P.

Maryborough 28/4 Jim Kinghorn Memorial

Well I always said someone up there loves us, it rained all week at the Bay, it was too wet to do the mowing Saturday afternoon, raining still while having our meeting in the morning, but come shooting time a lovely afternoon arrived. On the way home, you guessed it, it was raining.

I was about to welcome Les Sidwell back to shooting then the news that Yvonne and Les are off to work in Bowen. Best of luck to you both and a special thank you for the work you have done to the club.

Late news from Gladstone shoot, Irwin Wynyard 1st and Peter Anderson 2nd in the 30t Points.

Only last copy I remarked about Ike Osborne out of hospital, he was one of our visitors today along with Glen Durre, Dave Gardner, Bill Stolberg of Gympie, with Irwin Wynyard, Brad & Pedro Petersen, Gino Sergiacomi, Keith Palmer, Spencer Plath from Bundy.

Chris Harrison shot the jackpot, Peter Shaw won the plonk and Barbara Holmes, a local nurse, won the meat tray.

Top Gun of the day was Gino Sergiacomi in AA took the 25t DB, Cont & High Gun. In A grade: Andy Wood 25t DB & HG, Chris Harrison 50t Points, Bill Stolberg 25t Cont.

The Jim Kinghorn Handicap was won by Les Sidwell, who also won B grade DB. This gives Les back to back wins of the Jim Kinghorn Trophy. 2nd in the event was Irwin Wynyard, 3rd Peter Shaw. Keith Palmer dominated B grade taking the 50t Points & HG, Dick Osborne B grade 25t Cont. C grade was shared around with Harry Walker taking the DB, Dave Gardner Points, Ian Robinson Cont & Ike Osborne C grade HG.

The fifty target event on this program is the Postal Shoot with Wairau Firth, NZ. Now we shall wait to see who wins.

Good shooting to all, til next time see you at the shoots.

Lost Bird

Editor's Mailbox

Dear President

I wish to refer to the 1oz shot load now being used by shooters, and now enforced by the A.C.T.A.

When the above was first thought up, the general idea seemed to be, that it was desirable for young shooters to use the lighter loads, in order to reduce recoil damage etc to their shoulders and enable shooters of all ages to shoot long breaks, without shoulder damage.

Over a period of time I have checked and made a few tests myself, and the following may be of interest.

It amuses me to see someone take a shell or two from a shooter and weigh the load to check if it is 1oz load.

Let us look at an extreme example. If No 7 trap shot load is used it will be quite different to say a BB Hunting load of weight from the same 1oz bush.

Eg No 7 shot weighs different to No 6 shot. Different brand shot weights vary eg; Azar, Winchester & Tower by Ballantine, some of the main brands used.

Using a 1oz bush from a Pacific loader, you may get variations, eg Azar over 1oz, Ballantine Tower can be under 1oz, Winchester from 1250 new shells rarely weigh the full 1oz, and so it goes on.

Further, some lead has less recoil than others, Azar very high grade hard shot and coated with graphite is very easy to use, compared to other shot.

The most interesting tests that I made concerned powder, in controlling recoil, and this is what it is supposed to be about.

Eg; Vetcom D20, PSB, etc very low recoil fast and clean can be used with 1oz loads of shot, with less recoil than some other powders with 1oz loads.

Heavy powder eg GM3 Winchester and in particular older powders, all will have higher recoil with 1oz loads than the above at 1oz loads.

Medium powder as Mulwex A530N is in between and quite good at the moment.

If recoil was the reason for changing to 1oz loads, I can only say it is a big joke, nothing has been gained by the shooter. The people that have gained are big companies and ammunition manufacturers.

If you are in America, components and shot shells would be half the cost they are in Australia, they have big competition.

In Australia the main one company hands out 5c with one hand, and takes \$1 with the other.

It would make more sense if 1&1/16 oz loads became the maximum load DTL & Skeet with No 6 shot being the max for DTL, anything less the choice of shooter.

Lead is also a rip off in this country, at the moment the lead price is at an all time low due to not being used in paint, petrol and building industries.

Further I am wondering these days if ACTA is quite up with the needs of all its members, rather than a few top shooters.

A concerned shooter in Fred Johns of Orange NSW.

Dear Sir/s

With limitless doubt the use of full fluoro targets at the recent Nationals at the Tasmanian Gun Club spoiled the event for many shooters.

Proof of this lies in three factors: a) Much disquiet among many shooters; b) Rumour of a circulated petition of protest; c) Relatively lower scores as compared to other Nationals.

This club has one of the best backgrounds for clay target shooting in Australia, and you know it. It surpasses Melbourne at which 'blacks' were excellent.

The club has conducted two previous Nationals at which no known complaints about 'blacks' were forthcoming.

Fluros are excellent against trees and background hills, of which the Tasmanian Gun Club has none. Fluros are less easy to see against a blue sky and very poor against clouds. Since you are not able to foretell the weather and were fully aware of the excellent flat background, then "Why did you choose fluros?"

During the Tasmanian State Carnival you were able to assess black target suitability, so "Why did you choose fluros?"

Some two months prior to the Nationals three influential people viewed blacks, fluros and banded with the recommended targets being black, so "Why did you choose fluros?"

Is it true the decision was taken by an Executive 'ring around'?

How many of the Executive who helped make the decision have never been to the ground prior to the 1996 Nationals?

Is it an Executive secret agenda to deny Tasmania the Nationals ever again?

In hindsight many people believe you made an error of judgement, but we know neither an explanation nor an admission will ever emerge.

For the future might I add a little of my own experience and wisdom in suggesting that the ACTA set in place a constructive policy that sees that the host club recommends the target colour, a recommendation the ACTA accepts on every occasion.

**Regards
George Pinner**

Atherton Tableland Gun Club Inc

The Suncorp NQ Games and the Northern Zone Carnival held at the Atherton Tableland Gun Club over Easter saw shooters

from the Burdekin, Atherton, Cairns, Mount Isa, Townsville, Karumba, Sydney, Silkwood, Normanton, Cooktown, Clermont, Caboolture and Glenden competing over the two days. Saturdays competition had 61 shooters on the tracks, with 65 shooters facing up to Sunday's competition.

The weather was not kind and there would not have been a single shooter who did not shoot in the rain at some time over the weekend. The standard of competition was very high with some excellent scores recorded over the weekend. Nearly every event required a shoot

off to finalise placings, with some shooting an extra 100 targets. With the longest shoot off on Sunday in the

Champion of Champions event with Mt Isa shooter Mick McGill 121/121 leading Atherton shooter Brian Hopgood 120/121 to win the overall for that event. Brian may have lost that event by 1 target, but he was the best shooter over the weekend with an overall High Gun score of 222/225 which earned him the Overall Sash, as well he picked up 4 Suncorp Games Gold medals and 1 bronze medal.

Another shooter to do well was junior shooter David Bown of Cairns who earned 4 Gold medals in the junior competition and 1 Gold & 1 Silver in the Open competition. Janis Neven claimed 5 Gold

Three generations of shooters — son Laurie, granddaughter Tania, Charlie Selke and grandsons Lionel and Darren

Taipan Perpetual Ladies Team Postal Competition

1. 25 Targets Double Barrel 15m.
2. To be recorded Point Score. To be used only in case of tied score.
3. Affiliated clubs not having five club registered ACTA lady shooters, may combine with a maximum of two neighbouring clubs. Shooters from neighbouring clubs must be registered and affiliated with the ACTA through that club.
- Each team may nominate one reserve meeting the entry requirements.
4. Match date and team to be nominated to the ACTA prior to October 31 and shot during the months of November and December under the supervision of an official referee.
5. Winning team members to receive a team member badge.
6. Defending Club - Majura Park, NSW
7. Score sheets to be forwarded by Registered Mail.
8. Competition constitutes a minimum of three nominations.

Score sheets to be received by January 3, 1997.

Australian Clay Target Association
PO Box 557, Mount Waverley, Victoria 3149

Club President Allan Poggioli filming Member for Tablelands Tom Gilmore

medals in the ladies competition. Charlie Selke claimed 4 Gold medals in the veteran section as well as a Bronze in the open competition.

Other shooters to do well were J. Suner with 3 Gold & 1

N. Black, B. Hopgood, M. Collins and Atherton Shire Councillor Alan Rockley

Bronze; M. Collins 1 Gold & 3 Silver; A. Poggioli 3 Silver & 2 Bronze; J. Edmonds 2 Gold; N. Bruce 1 Gold & 1 Silver; M. Costa 2 Silver & 1 Bronze; S. Harris 1 Gold & 2 Silver; P. Lennox 1 Gold, 1 Silver & 1 Bronze.

Competition started on Saturday after the official opening at 9am. The first shot of the weekend was fired by the member for the Tablelands Tom Gilmore who declared the Games and Carnival open. The zone team, to comprise the top 6 scoring shooters over the first 3 events was also decided with the following shooters who represented the zone at the State Trap Carnival to be held at Townsville on 4th, 5th & 6th May.

M. Collins 123/125, N. Beale 122/125, R. Howlett 122/125, B. Hopgood 120/125, T. Comerford 120/125, J. Suner 119/125.

The excellent scores shot over the weekend has helped swell the ranks of the top grades with seven shooters moving up a grade, or in the case of 2 shooters 2 grades. The club was very satisfied with the weekend although number were not as high as expected, the shoot was still regarded as being successful. The constant showery weather did not dampen the spirits of the shooters and 45 shooters took to the tracks for the 30 target Atherton Tableland Gun Club Night shoot, the light showers and fine mist made for difficult shooting conditions with only 2 possibles being shot and these by M. Collins & A. Poggioli.

The next big event on the club's calendar is the 26th May when the Northern Zone DB Continental and the Deauville Doubles Day Championships will be held in conjunction with the club's monthly shoot.

Dubbo hosts 1996 Western Zone Carnival

Saturday 30th March dawned overcast but warm to welcome forty-four shooters and visitors to the grounds, which were in excellent condition thanks to the members' working bee the previous weekend.

Full fluoro targets in calm conditions drew shooters' compliments, and praise must be given to the team who spent considerable time setting the White Flyer traps to perfection.

Malcolm Stephens, Rod Carr, Baden Powell, Martin Bourke, John Sleightholme, Pud Burgess, Wayde Hawkins, Peter Ringland, Rob Dale, Bryan Manns, Mark McInnes and Ian Merrick all recorded possibles in the first event, 10T Single Barrel Cash Divide.

The Western Zone 25T Double Barrel Championship followed with some very good scores in all grades, which resulted in shoot-offs to determine the winners. Bryan Manns from Cobar took out the overall with 93/93. Wayde Hawkins with 89/90 led AA Grade, and Peter Fitzalan was second, 80/81. Peter Wyner 50/51 and Martin Bourke 31/32 took the honours in A Grade. Terry Steele from Gunnedah/Boggabri had a great shoot-off to lead B Grade 92/93, with Chris Davis second on 33/34. Steve Grammer started the weekend well with 31/31 in C Grade - Ron Jones second 30/31.

Ian Merrick took the overall sash and trophy in the 25T Western Zone Single Barrel Championship with 60/60 after a shoot-off with Cliff Reid, Ray Jenkins, Peter Fitzalan, Bryan Manns and Mark McInnes. Other leaders were AA Grade - Mark McInnes 39/40, Peter Fitzalan 32/33, A Grade - Bryan Manns 59/60, Cliff Reid 46/47, B Grade - Terry Steele 38/39, Garth Hosking 37/39, C Grade - Ron Jones 23/25 and Steve Grammer 22/25.

The traps were adjusted for the 15 pairs of Zone Double Rise Championship targets and Arthur Turner collected the overall rewards with 48/50. Mark McInnes won AA Grade with 47/50, runner-up was Rob Dale 37/40. A Grade was won well by Baden Powell from Hermitdale Club 44/49, followed by

High Gun Winners (from left): Ian Piddington (c), Terry Steele (B), Martin Bourke (A), Rob Dale (AA) and Overall Arthur Turner with Dubbo President Rod Carr.

Overall winner Arthur Turner, receives congratulations from Dubbo President, Rod Carr.

State coaching co-ordinator, Chris Davis accepts trophy from Dubbo President, Rod Carr.

Luke Kirkby 37/38. Garth Hosking won half a case of cartridges and cash in B Grade with 27/30, Chris Davis was second with 36/40. C Graders Ron Jones and H. Faris scored well with 23/30 and 28/40 respectively.

The Annual General Meeting of the Zone was then held and Joe Marshall from Lightning Ridge was elected President and Zone Handicapper. Vice-Presidents are Luke Kirkby and Peter Wyner, Ken Fuller continues as Secretary/Treasurer with Mark McInnes, Arthur Turner and David Hagarty Zone delegates.

A delightful hot dinner was prepared by our hard working ladies, capably led by the President's wife Sandra Carr. A late shower of rain and a cooler evening did not deter the competitors for the evening's N.S.W. State Night Single Barrel Championship.

This event was won overall by Ian Merrick 61/64 after a shoot-off with Peter Fitzalan who won AA Grade 60/64, Bryan Manns was second with 46/50. A Grade trophies were collected by Cliff Reid 46/50 and Rod Carr 43/50. Terry Steele won B Grade with 43/50 followed by Chris Davis 37/51. Steve Grammer continued his successful run in C Grade with 43/50 and it was good to see a relatively new shooter, Vic Pashkevich from Dubbo, win a place in his first State Championship with 31/50.

Sunday was a perfect clear day with forty-eight shooters in attendance. The 10T Single Barrel Eye-Opener resulted in Cliff Reid, Ray Jenkins, Kevin Walton, Barry Williams, Chris Davis, Rob Dale, Arthur Turner, Bryan Manns, Frank Hedley, Ian Merrick, Joe Marshall, John Manns, Neal Gay, Malcolm Stephens and Martin Bourke sharing in the cash divide with possibles.

The Western Zone Pointscore Championship saw possibles recorded by Terry Steele, Rob Dale, Arthur Turner, Malcolm Stephens and Martin Bourke. Overall was won by Arthur Turner 210/210. Rob Dale took AA Grade with 98/99- second was Barry Williams 97/99. Martin Bourke won A Grade 209/210 after a magnificent shoot-off with the master, and Malcolm Stephens recorded a good break with 188/189. Terry Steele shot well in B Grade to win with 107/108, followed by John Manns 74/75. New shooter Ian Piddington from Dubbo scored an excellent 71/75 to lead C Grade, and Steve Grammer continued to have a great weekend with 75/84.

The seventy-five target Zone Champion of Champions was the last event on the card and John Sleightholme, Garth Hosking, Rob Dale, Arthur Turner and Ian Merrick were all tied on one point down to go into a shoot-off. Arthur Turner came out in front to take overall with 249/250. Ian Merrick 248/250 and John Sleightholme 173/175 were the placegetters in AA Grade, Cliff Reid 172/175 led Rod Carr by only one

Steve Grammer from Narrabri receives one of many trophies from Dubbo President, Rod Carr.

Narrabri's Mark McInnes with Dubbo President, Rod Carr.

Single Barrel Championship winner, Ian Merrick receives congratulations from Dubbo President, Rod Carr.

point in A Grade, Garth Hosking first in B Grade 147/149, Joe Marshall runner-up with 123/125. Ian Piddington led C Grade 119/125 and another trophy for Steve Grammer 113/125.

Ian Piddington enjoyed his first major competition to take out C Grade HG with 267/300. B Grade HG went to Terry Steele 285/300. Martin Bourke certainly earned his reward with A Grade HG 289/300. The great shooter from the show circuit Rob Dale won AA Grade HG 308/314 after a shoot-off with Dubbo's Arthur Turner, who won another place in the record books to take the Zone Overall HG with a great effort and 310/314.

The Zone Trap Team consists of Arthur Turner, Bryan

Manns, Martin Bourke, Ian Merrick, Ray Jenkins (the first five place-getters in the Zone Shoulder-to-Shoulder team), Peter Fitzalan, J. Manns, Mark McInnes, Malcolm Stephens, Baden Powell, Peter Wyner and Ken Fuller.

At presentation, President Rod Carr thanked all the visitors and members who participated and made special mention of our ladies who provided wonderful meals and hospitality over the weekend. Rod also thanked our sponsors:

Dubbo Tool Centre; Ramiens Timber Co. Dubbo; Countrywide Industries Dubbo; Turner Sales & Service Pty. Ltd. Dubbo; Bonnie Pet Foods Dubbo; Dubbo R.S.L.; Winchester Australia.

Mildura Gun Club, Easter Carnival 1996

Sixty four shooters attended Mildura Gun Club's Easter Carnival.

Along with our regulars, there were many new faces enjoying the competition and the club's hospitality.

Weather conditions were favourable for shot gun shooting allowing 116 possibles to be shot over the fourteen event program. This created long shoot offs and high scores to be shot by the eventual winners of the major events.

Our local hot shot Don Molina won the first major event, the Kerang Ibis Trap Gift with 112/112.

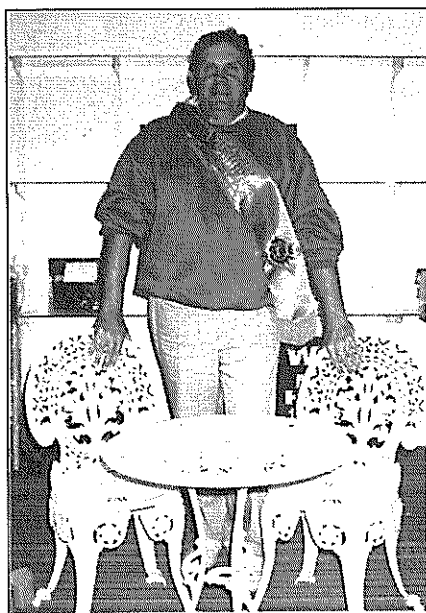

K & S Doherty Double Barrel Championship, Grant Thatcher from Tumut shot 111/111 to win a Honda Lawn Mower as Overall trophy.

Grade winners in the Hesco Engineering Graded Championship were AA Daniel Signorotto 50/50, A Guido Soppi 70/70, B Ilario Dimasi 25/25, C Vince Cavallo 24/25.

Grant Thatcher made it a double taking out Overall in the Air Gas Engineering Double Barrel Championship 195/195. For

Left to right: Bill Woodward and Greg McSwain, two top shots and great ambassadors to our sport display their trophies and sashes on their wins over the Mildura Gun Clubs Easter Carnival. Bill Double Rise Champion and Greg Overall High Gun.

Tuckers Creek Citrus Packers Double Barrel Champion, John Dunstan shot 110/110 to win the garden setting as Overall trophy.

this performance Grant is now the proud owner of a Fridge Mate car fridge.

The Tuckers Creek Citrus Packers Double Barrel Championship was won by a regular visitor to our club, John Dunstan. John shot 110/110 to hold out Bill Woodward in this event.

Bill came back with vengeance in the last event on the program the Mildura One Stop Wholesalers Double Rise Championship and won overall with 43/50.

High Guns over the program were C grade Ray Oakley 181/225, B grade John Dimasi 234/255, A grade John Dunstan 234/255, AA grade Bill Woodward 266/283.

Overall went to our local member Greg McSwain who made his presence felt in all events and put together 269/283 giving him the Overall honours.

The Board and Members of Mildura Gun Club extend to all visiting shooters our appreciation for your attendance and look forward to seeing you all return to our 1997 Easter Carnival.

Proud winner at Mildura Gun Club Easter Carnival, Grant Thatcher from Tumut, collecting his sashes and trophies with wife Liz.

Also to our sponsors we say thanks for your assistance and contribution, which helped make this tournament such a great success.

Full details of events published in shoot results.

Laurie Connors
Secretary/Manager

Beretta's 390ST Super Sporting (Transition Model)

It is quite obvious the popularity of sporting clays has had an enormous impact on shotgun design throughout the world. In keeping with the progressiveness of Beretta, one of the worlds largest gunmakers, a state of the art gas operated semi-auto, the 390ST Super Sporting, has been developed specifically for sporting clay shooting. The model reviewed is the transitional 'Super Sporting' for the top of the range model has a stock with a set of adjustable combs, this is expected to arrive late 1995.

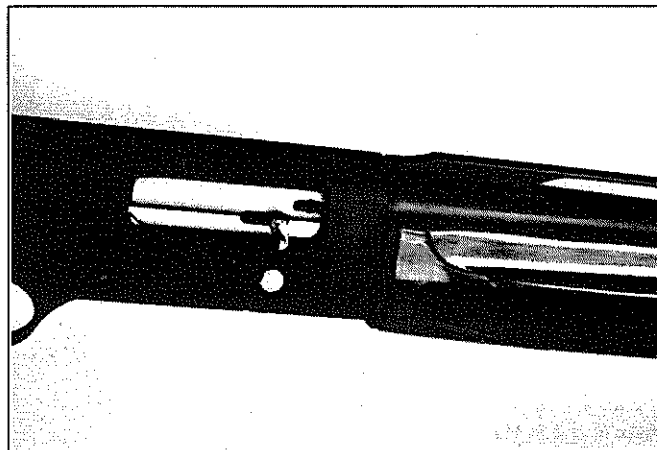

For several years Beretta have made significant sporting clay, 'sporter', double barrel guns so it goes without saying they have more than a fair share of knowledge when it comes to designing a gun. The popularity and dominance of Beretta under and over shotguns in sporting clays, throughout Australia and the world, is testimony to their gun designing ability and success.

A total thoroughbred, the 390ST transitional sporter supplied for review is a great looking gun. Configured for sporting clays it has a magic feel about it and a stock design that places the shooter's eye looking straight down the centre of its barrel. The advanced technology of barrel porting and a lengthened forcing cone have been adopted by Beretta, whose extensive research has proven such innovations to be practical additions rather than cosmetic. The 390ST Super Sporting is a full-on competition semi-auto with many other features that I believe set it far ahead of its competitors.

At a glance

At a glance, the 390ST Super Sporting looks every part the gun it is supposed to be. The stock and metalwork finishes are faultless, presenting a gun that is worthy of the price commanded. The checkering is well placed and functional whilst the woodwork, although plain, is straight grained to the point of practicality. It was pleasing to find a quality recoil pad fitted to the butt of the 390ST Super Sporting despite it being a comfortable gun to shoot. This complemented the gun perfectly. The matt finish on the barrel, the red translucent fore sight, the raised rib and barrel porting presented the gun as a formidable contender for the use at any level of sporting

clay competition. At 48" in overall length and weighing in around 8 pounds it is certainly well suited to the task.

The stepped rib and excellent wood to metal fit make the Super Sport an excellent choice for sporting clays.

The Barrel

Offered in either 28" or 30" configuration, the 28" barrelled version sent for review actually measured 27", so if you are looking for a longer, rather than shorter barrel, my advice would be to opt for the 30" barrelled version. This aside, the barrel of the Super Sporting was well finished in Bruniton, (a Teflon like protective coating), and fitted with a superb stepped rib, essential for the sporting clay shooter. The stepped rib, in my opinion, is an excellent design adaption for a sporting clays gun for it enables the shooter, when coupled to a respective stock height, to keep their head up whilst shooting thereby reducing eye strain and allowing the shooter full sight of the target at all times. Low ribs on competition semi-autos are of little benefit, in my opinion, for they tend to cause fatigue that a competitive shooter can well do without. Having the rib on the Super Sporting raised and also tapered towards the muzzle, from 10mm to 8mm, seems to subconsciously draw a shooter's attention to an alighting clay, a feature realised by Beretta with the design of the Super Sporting. A translucent red barrel sight was fitted to the rib just back from the muzzle to aid with pointing.

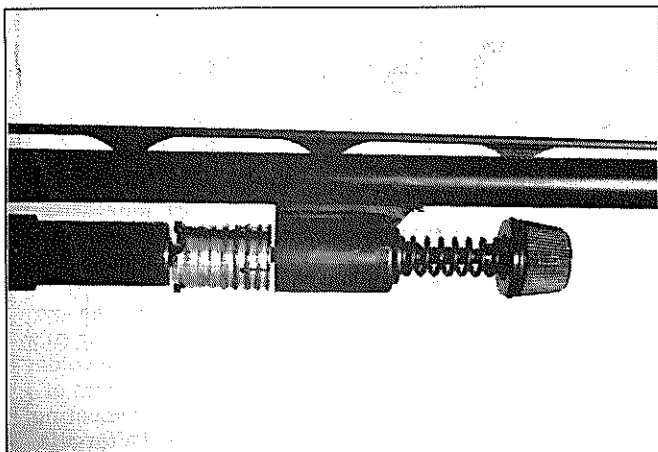

Obviously users of semi-autos, being a single barrel gun, do not have the same option of more than one choke selection, as with under and over shotguns. Thankfully Beretta have provided their proven mobil choke, interchangeable choke system with the gun to provide users with a range of 4 chokes, as desired - for the variations of target size and distance whilst shooting sporting clays can find either, tighter or more open chokes lacking. To assist users with efficient choke tube changes Beretta have provided a new generation wrench - larger in size and shaped like a propeller, to facilitate positive grip and quick changes.

With the forend removed, the gas system is quite basic in design but very effective in reducing recoil

The gas operating system utilised by the Beretta Super Sporting is located within the barrel ring and is quite unique in design. It contains a minimum of working parts, none that need replacing! It is through its simple design that most loads, from 1oz up to 1 oz of shot, can be passed through the mechanism without the need to reverse friction rings or switch across any latches. (Some 'light' 28 gram loads will not cycle in the ported models unless factory modifications are completed). The system involves a heavy spring loaded washer that sits on the front of the barrel ring/gas chamber, covering bleed-off holes in the front of the chamber. This is tensioned to purge excess pressure from the barrel ring/gas chamber that houses the piston. The gas piston, in turn, held in position by the magazine sleeve is connected to the bolt with the bolt under pressure from a recoil spring in the stock. Upon firing, the gases of combustion are harnessed to cycle the action whilst excess gas is purged from the front of the gas chamber and redirected through a vented, steel insert in the front of the forend. A very simple but extremely clever gas operating system. Due to the simplicity of the compensating action shooters can even use a multiple of different loads, at the same time, without needing to make any changes. Such is the purpose of a 'self-compensating' system and Beretta seem to have it perfected.

Another innovative design by Beretta with the Super Sporting is barrel porting. This has long been a contentious issue but Beretta's use of this most efficient system of reducing recoil and muzzle flip appears to confirm its benefits. Noise can be a problem for bystanders although a shooter wearing ear protection would sense little increase in noise level. Personally, I have found muzzle porting to be a great device in reducing recoil and muzzle flip, especially when using heavier loads of 1 3/16 oz. and 1 1/4 oz. Such barrel modifications in a semi-automatic are almost necessary, for semi-autos do not have the weight forward, as does a conventional gun with two barrels, to prevent muzzle flip and tame recoil. Fortunately I had a standard field grade 390ST on hand to compare with the ported Super Sporting. Shot for shot, the barrel porting on the 'Sporter' was certainly beneficial.

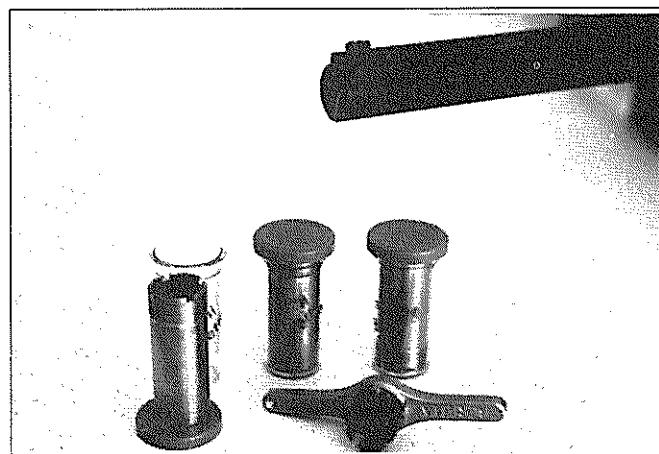

It was interesting to note, as an influence from the American market, the 390ST Super Sporting is provided with a barrel proofed for both 2 3/4" and 3" cartridges. This was common with guns made in America but was rarely seen with European guns, including Beretta, until their popular acceptance in America! This undoubtedly

provides yet another option for shooters to double their sporter as a field gun although shot loads in sporting clay competition is restricted to 1 1/4oz., maximum. Shooters might also be encouraged to pattern their gun with their favourite 2 3/4" loads for cartridges discharged in a longer chamber tend to tighten patters.

The Receiver

Precision machined from a lightweight, high strength, aircraft grade alloy the receiver of the Super Sporting is very functional in design. The top of the receiver and bottom edge around the loading port have been rounded for reduced weight and ease of operation. The rearward, underpart of the receiver has been scalloped to provide clearance and comfort for the shooter's trigger hand. Gone are the days of rigid corners with uncomfortable edges. On the top of the receiver grooves have been machined into a flat, uppermost surface to complement and align with the beginning of the barrel and its stepped rib. This provides an uninterrupted sighting plane for the user. The whole upper surface of the receiver has also been treated with a brushed, matt finish to avoid any distraction or interruption to concentration from glare or reflections. All positive features adopted to enhance shooter comfort and provide the optimal in concentration/performance.

Although only a four shot gun, one in the chamber and three in the magazine, this is not a disadvantage for the sporting clay shooter - where only two cartridges can be loaded at a time. The addition of a magazine cut-off on the left hand side of the receiver is a bonus and obviously an off-shoot from the field model - the basis of all 390ST actions. The trigger mechanism is smooth and crisp, releasing at 4 1/4 to 4 1/2 pounds, with the generously sized trigger guard housing the safety catch forward of the trigger. The gilded trigger is a pleasant cosmetic addition that compliments the overall appearance of the gun.

Beretta have a mobile choke selection for every shooting situation. External, knurled chokes are also available as an accessory upon order

The bolt release button is located on the right hand side of the receiver and operates comfortably without requiring excessive pressure. A trap for those unfamiliar with the operation of Beretta semi-autos is the provision of a carrier locking button, just rearward of the chromed carrier, located beneath the breech. This small button must be depressed before the bolt can be locked rearward to display an empty breech.

Once familiar with its activation it becomes second

nature. In my experience, those unfamiliar with the action of this button have a hellish time trying to keep the bolt open after shooting, (which normally happens when the gun is emptied upon firing). On the occasion when only one of the two shots loaded is fired, and the gun is manually unloaded, the bolt will not remain rearward, exposing the chamber, until the carrier button is depressed. I do not consider it to be a negative feature, it's merely a peculiarity of Beretta semi-autos and part of knowing the gun.

Detaching the trigger plate and its mechanism for cleaning is easily achieved by removing a single pin. The trigger plate is firstly moved forward within the rearward part of the trigger plate then rotated downwards. Replacing the trigger plate after cleaning is just as easily affected by the bolt release button must be released at the same time of its replacement to enable its mechanism, inside the receiver, to clear the carrier. Once mastered this process is quickly affected and with a minimum of effort.

Unloading the magazines of some semi-autos can be a dangerous operation for the inexperienced particularly when the bolt of the action is required to be manually activated to cycle all of the cartridges through the breech to eject them. Fortunately the 390ST action can be emptied from the magazine by simultaneously pressing the bolt release button and depressing the cartridge carrier. This not only enables the gun to be emptied safely, but also quickly.

The Stock and Forend

Shaped from walnut and coated in a clear, resilient high gloss polyester the straight grain of the stock and forend is attractive and practical. The provision of a solid, black recoil pad compliments the stock and offers added comfort whilst shooting, without interfering with gun mounting. (A bevelled upper edge on the recoil pad further enhances gun mounting). The stock and pistol grip is quite full and typical of Beretta guns, pleasantly thick and chunky. This adds balance to the gun whilst providing enough wood to alter the stock height if required. Beretta provide two pre-configured washers that fit between the stock and the rear of the receiver. These can be used to alter both the length of the stock, cast and height of the comb. A plain washer is available upon order for shooters to make their own adjustments, if desired. Several stock options are also available with the Super Sporting, including a monte carlo with three interchangeable combs. Check with your local gun dealer will confirm which options will be available to shooters in Australia.

Checkering, on both the stock and forend, was well executed and finished with a double lined border. With the age of machine checkering upon us the checkering at 20 lines/inch, was exceptionally clean and excellent in coverage, pattern and form. It provided a firm and comfortable grip for both hands whilst shooting. The front of the receiver had a sturdy flange in which to locate and support the forend wood. This is an especially appreciated addition by a devotee of semi-autos for many older models eventually split their forend or expand sideways and become unsteady to grip. Beretta have certainly attended to this fault.

In Competition

This is the section I most enjoy, the practical testing of a review gun. To say the Beretta 390ST was a pleasure to shoot would be an understatement. It functioned perfectly

with a wide selection of ammunition cycling different loads and cases with ease. The perceived recoil was certainly reduced, in fact other shooters who fired the gun commented they had hardly felt any recoil at all. No doubt there is some recoil but the Super Sporting, through its excellent design, contains recoil to a minimum.

Weighing in around 8 pounds (3.7kg), the Super Sporter did not feel its weight, even when loaded with four cartridges. During the competition shooting I found the gun to perform equally as well as my regular semi-auto; it swung well and moved quickly to pick-up targets early. The targets that I hit were destroyed, confirming pattern tests that also yielded good, even patterns. The choke tube spanner was certainly a great improvement over the older version for changes could be affected with a minimum of delay - an important factor when the pressure of shooting is upon you, especially if you have not viewed the targets at the next station and altered your choke to suit, and you are the next competitor to shoot. I found the 27" barrel to be in order for my style of shooting, at least my scores did not reflect any signs of suffering as I changed guns between rounds.

Conclusion

Being a devout semi-automatic user, due to severe back restrictions as a result of two lower back operations, I appreciated the balance, quickness and reduced perceived recoil of the Beretta 390ST. The stepped rib and barrel porting are two great features on a competition gun I believe are essential if shooters are to maintain there concentration, shoot comfortably and avoid fatigue. The Beretta 390ST represents state of the art design in a semi-automatic, gas operated shotgun with many worthwhile features not found on other brands. After grabbing the sporting clays market with their fine under and overs it appears Beretta are seeking the same with their semi-autos. Innovative design and progressive thinking have obviously contributed to the design of the Super Sporting 390ST - it is certainly a gun that I would be proud of owning. At around \$1,700 retail it is not a cheap gun but for the competitive sporting clay shooter, it is not expensive either. The Australian distributor, Winchester (Australia), warrant the gun for 5 years and at the time of preparing this review, you certainly cannot, in my opinion, buy better! Until next time, good luck and safe shooting.

Specification Sheet

Gun: Beretta 390ST Super Sporting

Barrel: Beretta Mobil Chokes, 4 choke tubes - Full, Improved, Modified, Improved Cylinder and a spanner provided. Ported muzzle with a stepped and raised competition rib.

Action: Gas operated, semi-automatic, 4 shot capacity.

Stock: Walnut stock and forend, checkering 20 lines/inch, full pistol grip on stock with a recoil pad fitted.

Length of Pull: 14 1/2"

Drop at Comb: 1 3/8"

Drop at Heel: 2 3/8"

Weight: 8 pounds (3.7kg)

Distributor: Winchester Division, Olin Australia

Warranty: 5 Years

ATTENTION ALL SHOOTERS

In response to the resolutions of the Police Ministers Conference the Executive Committee of the Australian Clay Target Association was convened in Melbourne on 20th May, 1996.

Arising from the meeting the following matters are to be forwarded into a document to go to the Police and Sports Ministers in all states. The Executive has resolved that:

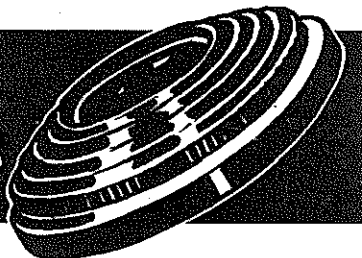

- That the ACTA pursue all issues relative to Clay Target Shooting including the retention of ownership and use of the semi-automatic and pump action Firearms.
- That we engage a professional consultant to assist in preparation of the ACTA Policy Statement.

All costs incurred by these actions will be borne by the Legislative Fund.

It is requested that should any members be approached by any person/s for public statements, comments of information that they contact either of their states ACTA Executive member prior to issuing information.

Members are encouraged to approach/contact their local Federal/State Political members with their concerns.

Winchester as a continuation of sponsoring and fostering Junior shooting sports in Australia, will pay the *JUNIOR nominations for all Junior "Top Gunners" at all National & Annual State Championship Carnivals in D.T.L., Skeet and U.I.T. disciplines.

*Junior as defined by A.C.T.A.

NEW!

ENCOURAGEMENT AWARDS

**Over 7000
Cartridges
to be
WON!**

Every 3 months a "Top Gun" participant from every state will win 250 Winchester shotshells as part of the Winchester encouragement/loyalty award program.

All "Top Gunners" who have not as yet received rewards in the 1996-97 program are eligible to win and prizes are drawn on a state basis randomly by computer.
