## National President's Notes

### NEW GUN LAWS

One of the most difficult things one has to do in life is at times to try and foresee the future. At the time of writing these notes, no firm decisions have been made in relation to the introduction of proposed new gun laws. There are plenty of rumours and speculation re the proposed buy back of semi-automatic and pump-action shotguns, but nothing concrete. It is also rumoured that members of recognised shooting bodies will be able to retain their semi-autos and pumps providing magazines are modified to hold only two rounds.

I have had a number of our members contact me regarding other firearms they own, such as .22 rifles. Unfortunately, as a shotgun specific sport, we can only successfully negotiate on shotgun matters. It may seem narrow and selfish, but sadly it is the truth.

It has also been stated that we have not been seen to be actively engaged in defending our members' rights. I can assure all that all Executive members have attended many meetings and rallies, and have been to the forefront. To get onto National television, and into National news, we would have had to have made some outlandish statement or threat. When approaches were made to the media to put our points across we were told: "We are not talking about you people, you seem to be doing things right".

Mention has also been made of our legislation fund. The amount being held could have been spent on 3 or 4

television commercials, or on 6 or 7 paper advertisements, and would have all been gone without achieving anything. Instead, we prepared a professional submission to be presented to as many politicians as possible, and at the time of writing this, is being taken notice of. It will also be used to assist in legal representation should shooting bodies mount any challenges in courts, and it will be channelled to any area the National Executive feels will have the most positive result in defending our sport. We would be extremely negligent if it was shown that it was wasted without any real chance of achieving a positive result. Let's hope when you read this, we have been wise in our decisions, and we can get on with out shooting.

### NATIONAL PROMOTION DAY

The National Executive has decided to postpone the National Promotion Day after approaches from a number of States. It was felt the media would be very harsh in criticism of such an event, and that some sections of the community would actively try and discredit our motives.

The feeling is that a promotion should be run at the Christmas shoots for best results. We have had a considerable amount of handout material produced and this will be distributed as soon as a day is decided upon.

### WORLD DOWN-THE-LINE CHAMPIONSHIPS

Full details of the event, entry fees and opening date for entries will be released soon. Interest is considerably high and it is hoped there will be no harsh restrictions on overseas competitors bringing firearms into Australia

### NEW LOGO?

Some feel it is time we changed our logo, and perhaps our recognised colours of green and gold. Any ideas? We would welcome your thoughts on this, and perhaps a rough sketch of any ideas you may have. Or perhaps you are happy the way things are? Whatever you feel, let us know.

# AUSTRALIAN VETERANS GAMES

## Wagga Gun Club Inc

Old and new friendships were made once again when over 100 shooters participated in, the Fourth Veterans games Wagga Wagga. The games were under way at the Wagga Gun Club from 13th March to the 16th March 1996. With shooters coming from as far away as Karumba & Mount Isa, Queensland, the number of entries for the Veterans Games far exceeded the expectations of the organising committee of this biannual event.

The attendance numbers at the opening ceremony were very pleasing with Mr Milton Breust, President of the Australian Veteran Games, Wagga Wagga, being invited to open the competition and fire the opening shot. With the motto of the 'Friendly Games' the spirit in which the competition was conducted certainly lived up to the name with most shooters indicating that they would be competing at the next Veterans Games Wagga Wagga.

*1996 Australian Veterans Games High Gun Winners — Back: Gary Rootes 45-54 years; Tom Harris 55-60 years; Front: Barney Rooke 66-71 years; Eric Vincent 61-65 years; Faye Burton — Ladies; Clarry Cunningham 72+*

The fine and sunny weather condition and the lack of any wind except for Saturday when the rain came belting down for part of the morning. Some great scores during the Games were reflected in the fine scores that were posted by many shooters. The concept of only shooting against shooters in the same age group and not being graded was widely accepted by all shooters attending.

We had husband & wife Tim (73) and Fred (84) Reade who were both competing in the 72+ age group. Plus there was father & son combination Clarry Senior (72) & Clarry Jnr Cunningham and brothers Kevin & Henry Constable and cousin Alan.

The first day saw Steve Balogh from Queanbeyan take out the 75t Australian Veterans Games Skeet Championship with 74/75.

The second day saw 14 shooters shoot the possible in the 50t Australian Veterans Games D/B Championship, Gary Rootes & Robert Smith were set to stay there for a long time unfortunately Robert dropped his 302nd target.

50t Australian Veterans Games Single Barrel saw Geoff Moore and Gary Rootes with a score of 49/50. Both shooters ventured out to the tracks and Gary missed his first target so all Geoff had to do was hit the target, but he too missed his first target, eventually Geoff took the title with 61/63.

Once again Gary Rootes proved dominate in the games taking the 50t Australian Veterans Games P/S Championship after a shoot off.

Being the bridesmaid in the Double Barrel event Robert Smith was successful in taking the 75t Australian Veterans Games

Champion of Champions with a score of 121/125.

The High Gun Winner in each age group were: 45-54 Age: Gary Rootes, Sydney 431/450; 55-60 Age: Tom Harris, Tumut 432/450; 61-65 Age: Eric Vincent, Wagga Wagga 421/450; 66-71 Age: Barney Rooke, Wagga Wagga 427/450; 72+ Age: Clarry Cunningham, Tottenham 408/450; Ladies: Faye Burton, Kerang 403/450.

The Wagga Gun Club also conducted a BBQ tea, this was very well attended with all those attending enjoying the meal and chit chat. Scott Levi and family (one of our local radio announcers) enjoyed the night catching up on many tales (stories), he was amazed by one lady who told him about a certain coach telling her when shooting Skeet to point her belly button to where the target is and the fish tales from a visitor from Queensland.

Mr John Francis local councillor was on hand to do the medal presentations on the Saturday afternoon which was well attended by the shooters.

*1996 Australian Veterans Games Championship Winners: L-R — Steve Balogh - Skeet; Robert Smith - Champion of Champions; Gary Rootes - Double Barrel & Point Score; Geoff Moore - Single Barrel*

Winchester kindly donated the sashes for the Overall Winners of each Championship plus all High Gun Winners. Thank you again.

The 5 person team event, namely Mr 'G' Event proudly sponsored by Mr Geoff Reeves (Mr G the ice cream man) this proved to be very popular. Joan Scott, Anne Hicks & Phyllis were invited to pull the names out to decide the teams. One shooter from each age group who shot the whole program was put into a team. This was keenly contested with several teams in the running until the final day which saw the team of John Bainbridge, Barry Kable, Gerry Hermle, Barney Rooke & Jack Hughes being successfully with a score of 2058/2250.

The low gun was won by a shooter who had only taken the sport up a short time ago and promised that, at the next Games he would be up with the winners. All the best and hope your scores keep improving Peter Schremmer.

The Australian Veteran Games will be held again in March 1998 and the Wagga Gun Club are looking forward to conducting the Games again, so shooters put it in your diary.

Coach's Comments by Chris Davis

With proposed changes to our gun laws and ownership we expect there could be an influx of people wishing to join our clay target clubs.

In respect to this I request each and every club in NSW currently without a qualified club coach give serious thought to ensuring they address the issue by approaching club members and nominating at least one person per club to become a Level 1 Coach.

It is vitally important that nay and all new shooters be coached correctly, not just for their benefit but for the benefit of all clubs and shooters so that our excellent safety standards can be maintained. For more information regarding Level 1 Coaching Accreditation please contact Mr Chris Davis. NSWCTA Coaching Co-ordinator of 53 Bullinda St, Dunnedoo NSW 2844. Phone 063 751446.

Dear Glenn,

In response to calling for articles of interest in your column of the ACTA News, I forward to you two charts for publication:

1. The International Lead Shot Size Chart; and
2. The Number of Pellets in Different Charges of Lead Shot.

Both charts were compiled by Sergeant Paul McFawn (AFP Ballistics) as part of a research paper whilst he was undergoing forensic ballistics training. They have previously been published in the Association of Firearms and Tool Mark Examiners (AFTE) Journal and been assessed by both peers and supervisors. To our knowledge, the charts provided a world-wide "first" and, consequently, were acclaimed by firearms and ammunition examiners to assist in the day-to-day practice of forensic ballistics.

They may be of interest to shotgunners generally and those interested in re-loading. Paul gives his permission for you to publish the charts, if you see fit.

Further to your call of interest, perhaps a question to be asked that will stimulate some research and replies:

"What do the letter designations in "Letter Size Shot" represent?"

Some learned persons in overseas ammunition factories suggest, e.g. that L.G. = large grapeshot; S.G. = small grapeshot; others suggest that S.S.G. = small swan grapeshot and others are just guessing, particularly when it gets down to A.A.A. size and B.B.'s. The invitation to reply has been extended to many people, some have replied but are unable to quote and validate with reliable references.

Perhaps it is time we opened the question to readers of the ACTA News - the designations are listed on the charts - it might be interesting!

Yours sincerely,

**Ian Prior, Director, Firearms and Ballistics,  
Australian Federal Police.**

The Executive Committee of the Australian Clay Target Association recently met and it was agreed that a submission be prepared for distribution to Parliamentarians.

Bound copies of this document have been distributed to all States for presentation to their State Parliamentarians.

This submission is now being printed in this magazine for the information of all members, keeping them, as well as other interested parties, informed of the ACTA's position.

Should you have any queries on the submission please contact your ACTA Executive member in your State or the National Office.

## 1. CLAY TARGET SHOOTING

The sport of clay target shooting originated in 19th Century Europe and North America. Clay targets, and machines that throw these targets to simulate the flight of a bird, were developed around the turn of the century. The sport was introduced into Australia in 1924, although it has been shot in Australia using 'Glass Balls' since the 1880s.

Clay target shooting is a family sport open to all ages, with members ranging from school age to competitors in their eighties.

## 2. THE AUSTRALIAN CLAY TARGET ASSOCIATION INC.

The Australian Clay Target Association Inc. (ACTA) is the peak body for the legitimate Australian sport of clay target shooting. As such, it is responsible for drawing up the rules and regulations governing the sport in Australia.

ACTA is the peak body of affiliated State and Territory bodies. There are some 300 affiliated clay target clubs and approximately 8000 registered clay target shooters throughout Australia. ACTA affiliated clay target clubs around Australia regularly hold practices and official competitions for their members. Every shooter must be registered with ACTA before entering into competitive shooting.

New ACTA members are instructed in all aspects of shotgun shooting, including gun safety and etiquette. Professional coaches, accredited through an Australian Coaching Council approved Accreditation Scheme, are available across Australia to lift the standard of shooters' skills and safety practices.

ACTA is also responsible for the selection of Australian shotgun shooters for International clay target competition events including

- the Olympic Games
- the Commonwealth Games
- the Oceania Games
- World Championships
- World Cups.

ACTA is affiliated with

- the Australian Olympic Committee
- the Australian Commonwealth Games Association
- the Oceania Shooting Federation
- the Confederation of Australian Sport.

ACTA is supported by the Australian Sports Commission. ACTA's patron is The Right Honourable Malcolm Fraser, A.C., C.H.

ACTA is also affiliated with the Australian Shooting Association (ASA), which is affiliated with the International Shooting Union (ISU) as well as other International Shooting organisations.

## 3. ACTA'S INTERNATIONAL ACHIEVEMENTS

- ACTA competitors have achieved outstanding results in International competitions in recent years.
- To achieve these results our athletes have borne a considerable personal cost.
- Australia currently ranks among the top three countries in clay target shooting in the World.
- Since 1994, ACTA has achieved three World Championships and one equal World Record.

Details of recent International achievements for Australian clay target shoots are listed in Appendix A.

## 4. ACTA'S POSITION

- ACTA is an independent sporting body and has no links with any Australian shooting bodies apart from ASA.
- ACTA's members use only competition-style firearms for competition sports.
- ACTA's clubs pride themselves on their exemplary safety record.
- ACTA's members are law-abiding citizens.

ACTA supports in principle moves for uniform and practical gun laws to make Australia a safer place to live. ACTA does not support or condone the statements being made by certain extremists purporting to represent the gun lobby and therefore shooters generally.

## 5. ISSUES OF CONCERN TO ACTA

ACTA wishes to raise the following concerns in response to the resolutions of the Australasian Police Ministers Council Special Firearms Meeting.

### 5.1 Discrimination against Juniors, Handicapped, Veterans and Ladies

For competition target shooting in Australia, the proposed Category A double barrel over and under shotgun is the most popular competition firearm.

Junior, Handicapped and Veteran shooters, and some Ladies, experience difficulty with the recoil of double barrel shotguns. Accordingly, ACTA permits these shooters to use the proposed Category C semi-automatic and pump action shotguns with a magazine capacity no greater than five rounds. They are, however, restricted to loading no more than two shots in competition shoots.

**The new categorisation means that Australian Junior, Handicapped, Veteran and Ladies shooters could be prevented from competing effectively in target shooting.**

ACTA safety regulations allow no more than two shells to be loaded at any one time in semi-automatic or pump action

shotguns. The various clay target disciplines permit only one or in some cases two shots per target. ACTA would be agreeable to limiting the magazines of semi-automatic and pump action shotguns so as to restrict the number of rounds able to be inserted.

Semi-automatic and pump action shotguns with a magazine capacity no greater than five rounds could safely be reclassified from Category C to Category A, if the A classification was restricted to registered shooters in competition target sports only. **This would also result in significant savings in the buy back proposal.**

It should also be noted that many international clay target teams use semi-automatic firearms. The new categorisation will effectively prevent these teams from competing within Australia.

**ACTA urges that semi-automatic and pump action shotguns with a magazine capacity no greater than five rounds be reclassified to Category A for certain groups of registered shooters in competition target sports.**

## **5.2 Shooting under supervision for non-licensed shooters**

ACTA's current policies allow prospective new members who are not yet licensed shooters to attend strictly supervised 'trial shoots'. The supervisors are suitably qualified and accredited persons.

ACTA's policies also permit juniors under the age of 18 to shoot under strict supervision in accordance with current State requirements.

**ACTA wishes to receive reassurance that under the new regulations it will be able to continue its carefully controlled and supervised shooting activities for non-licensed shooters.**

## **5.3 Restrictions on quantities of ammunition**

The sport of clay target shooting requires the use of large amounts of ammunition. While only one or two shots per target are permitted, shooting procedures in the various target sport disciplines involve 25 to 100 targets per round. ACTA limits the size of the shot in the cartridges to no greater than 6.

- Competitors in clay target competitions may use 500 to 600 cartridges per day.
- Shooters in training for National, Commonwealth, Olympic, World Championship, World Cup and Oceania Games events may use up to 200 cartridges per day in their training programs.

The new restrictions on quantities of ammunition will

- restrict the training programs of competition shooters
- place our international competitors under a grave handicap
- severely jeopardise Australia's world standing in target shooting sports.

**ACTA urges that no restrictions be placed on ammunition quantities for people in recognised target shooting sports.**

## **5.4 National competitions**

The new regulations refer only to participants in shooting sports recognised in the charters of such major sporting events as the Commonwealth Games, Olympic Games, Oceania Games, World Championships and World Cup.

The new regulations give no recognition to participants in shooting sports in Australian National Competitions approved by the National Body (ACTA).

No allowance is made for existing or future Australian National shooting sports which are not currently recognised by the charters of the above international events.

**ACTA urges that the terms be extended to include participants in shooting sports approved by the National Body as National Competitions.**

## **5.5 Club membership**

ACTA believes that all shooters should belong to an association that controls the field of interest in which they participate.

ACTA is concerned that the new regulations requiring registered shooters to have valid membership of an approved club may lead to a rush of membership applications from people who are not genuine competition shooters, but who are joining simply to fulfil a legal requirement for becoming registered shooters.

**ACTA advises that, in order to minimise this risk, it would recommend that its members attend at least four competition shoots per year, and would cancel the membership of any person who did not comply with this minimum requirement.**

## **5.6 Safety Training**

ACTA has had a well-developed, Australia-wide Coaching Scheme since the mid-1970s.

- The first and foremost consideration in the Coaching Scheme is Safety Training.
- The Coaching Scheme is set up with a National Director of Coaching through State Coaching Directors to Zone Coaches down to Club Coaches.
- The Coaching Scheme operates through ACTA's affiliated clubs throughout Australia.
- The course is comprehensive and standardised across Australia.
- The course instructors are accredited by the Australian Coaching Council through ACTA.
- The course is designed to bring members to the required standard, with a focus on firearms law, firearms safety and firearms competency.
- The course is outlined in a Firearms Safety Code which emphasises safety and storage issues.
- The content of the course and the skills of the instructors are monitored on a continuing basis by the Australian Coaching Council and ACTA.
- There is also a strong focus on assessing the suitability of the person for membership of ACTA.

ACTA is very proud of its long-established nation-wide coaching infrastructure.

ACTA notes the Police Ministers Council resolution that all jurisdictions are to require the completion of an accredited course in safety training for firearms for all first time licence applicants.

**ACTA advises that in view of its long expertise in this area, it is prepared to consider approaches from Police Ministers or any of their colleagues for advice and/or assistance regarding compulsory safety training for first-time licence applicants.**

### ATTENTION ALL CLUBS

#### Trial of New Zealand Standard Targets

We are hoping as many clubs as possible will trial for us, and give us their opinion of the New Zealand Target setting, in the next six months. We believe this is a more consistent target, (particularly in windy and adverse weather). It is also very difficult to drive this target, a complaint that is made continually to this Committee. This would be the main difference. This target will be considered a legal target, therefore will go on the cards.

*(taken from the NZ Rule book)*

"For standard target shooting, the throwing elevation above the level of the shooting stations at 22.86m forward of the trap will be 4.9 metres (plus or minus 0.5m), and a properly released target, will carry 48 metres (plus or minus 5m) if measured over level ground in calm weather conditions."

ACTA settings shall apply apart from the above.

Please NOTE. A STANDARD TARGET is one thrown 48 metres in still air, with the angles set as a STRAIGHTAWAY TARGET from lanes 1 and 5.

## Editor's Mailbox

Dear Editor and ACTA Executive Committee

I am proud to be a member of my gun club, which is tucked away in a small corner of the north west of Western Australia.

I was honoured recently to attend and participate in the Pre-National and National DTL Championships which was hosted in Evandale, near Launceston, in Tasmania. It was my first shoot at a blue ribbon event.

It saddens me that I did not take home with me good tidings to my club. I am almost sorry I saved and spent a great deal of time and money to attend our prestigious event of the Clay Target Shooting Nationals.

I am also disappointed with the organisers and more so, the ACTA Executive fraternity.

Just a few questions that annoyingly puzzle me:

Why was the opening of the Pre-Nationals not officially acknowledged?

Why did we have to pay handsomely for a cup of tea or coffee? (It was incidentally, acceptable for the ACTA Executives to sip tea and scones at the expense of others.)

Why did the shooters have to bear the winter elements with no shelter?

Is it such a bad thing, that a little something was given back to the shooter for the common cause?

More than selfish I think.

In a nut shell, you will not convince me that the national premium shoot of the year is the "one shoot not to miss", because next year, I must just "give it a miss". This is unless you can convince me otherwise.

Pull your socks up ACTA, "and save our sport".

I do however comment that the top class shooting was most professional and an absolute awe to speculate.

*Yours most sincerely  
Alan McHattie*

# San Diego Training Camp and Atlanta World Cup

*Wolf Creek No. 2 layout during dedication and opening ceremony*

**On Friday the 12th April, the ASA Team under Manager, Mr Ray Andrews, and involving Clay Target, Pistol, Small Bore and Running Target, departed from Australia bound for USA.**

After a 13 hour flight, the two groups, one from Melbourne and the other from Sydney, joined up in Los Angeles. A four hour bus ride later, we arrived at our hotel outside of San Diego for the Training Camp section of the trip. Joining us at the hotel was

John Maxwell and Fillipo Petriella, who had flown in after competing at the Peru World Cup.

With a day or so to relax before training began, most took in the sights around us and in San Diego, some 20 miles away. Here the

dreaded 'no ammo demon' appeared. However, this time it was only held up in LA with red tape and after many phone calls to Ansett International, Ray Andrews and myself drove to LA and retrieved it.

Training for the Clay Target was at Mira Mar Gun Club, right next to an American Airforce base. Richard Davies and his club members worked overtime to assist us to shoot as much as time and ammunition as would permit. Saying thanks to these people after a small ACTA presentation didn't seem enough.

Wednesday morning, bright and early at 5.15am, we travelled to San Diego where we boarded a flight for Atlanta via Denver. On

arrival at Atlanta, 3 mini buses were procured and after several trips, we were checked into our Motel - 'Days Inn Airport West'. Were we in for a culture shock! The motel, although only 15 minutes by expressway from the Wolfe Creek Shooting Complex, was in the wrong part of town and lay directly beside the Atlanta Airport flight path. At Atlanta, a plane takes off every 43 seconds. After discussing our situation and checking the official Hotels, we decided to adjust and make the most of it.

As Thursday, Friday and Saturday were unofficial training days, the Clay Target section departed each day at 8.00am to gain as much range time as possible. Greg Chan, who had arrived with Anne Maree, Dot, Glenys and Adam from Peru whilst we were in San Diego, split the workload to give everyone as much support as needed.

The Wolfe Creek Olympic Complex lies next to the 25 year old Wolfe Creek Gun Club, which consists of 30 American Trap and Skeet Ranges. As this new complex is being prepared for the Olympics, the ranges were 90% completed and the infrastructure about 25% completed. The machinery used in the 3 layouts is the all new Matterelli, with the No1 machine in each bank being the revolutionary left arm thrower. This trap was to test the 'trappies' as we trained and adapted to them. The 'skeeties' also had some adapting as the Matterellis throw an extremely quick, but precise clay over the first 20 metres.

Sunday 21st, 9 days after leaving Australia, the official training for Olympic Trap was held, followed by the Dedication of the new grounds and the Official Opening of the Atlanta World Cup. Our flag bearer for the Opening ceremony was Steve Haberman, our current World Double Trap Champion.

Day One of the competition began at 8.30am and by the end of the day, we had some happy and not so happy people.

Michael Diamond 73/75, Russell Mark 70/75, Fillipo Petriella 64/75, John Maxwell 71/75 and Adam Vella 71/75.

Day Two started with intermittent rain and by the end of the 5th round the scores stood at - Michael 122, Russell 118, Fillipo 110, John 118 and Adam 120. Michael made the Final in 5th place following a 24 moved to Equal 2nd with four other finalists. Then disaster struck as Michael called for his target in the 'single barrel sudden death shoot off for 2nd and 3rd', no shot was fired. The Referee walked over and took the gun, looked then called lost. Somehow during the time it took to reorganise the shoot off, Michael had flicked his safety catch on. It was possibly the hardest time Michael will ever have to endure, but to his credit he stood by the scorer, head up and

watched the others complete the shoot off. Eventually after another shoot off, Michael came in 4th.

1st G. Zhao China 147. 2nd V. Slamka Slovenia 146. 3rd V. Zhang China 146. 4th M. Diamond Australia 146.

Wednesday was Double Trap training for both the Men and Women. The Officials seeing the excessively wide angle No7 machine was throwing, altered the left arm trap to a right arm trap, thereby eliminating this new problem.

Thursday and Day One of the Double Trap saw our Ladies in action. At the close of competition the results were, Gleniss Lawrence 93/120, Ann Maree Roberts 89/120, Deserie Huddleston 84/120 and Dot Trindall 84/120.

1st R. Murtoniemi Finland 107+40=147. 2nd T. Dewitt USA 104+39=143. 3rd K. Rhodes USA 107+35=142.

Friday and it was the Men's turn with the resulting scores. Russell Mark 139/150, Craig Tilley 130/150, Steve Haberman 128/150, Adam Vella 130/150 and Brett Hall 115/150. Russell's 139 placed him in 5th position and like Michael before him, a Medal chance. As the last shot was fired, Russell had carded a 47/50 and climbed into 3rd outright.

1st J. Oppio USA 142+47=189. 2nd L. Bade USA 141+47=188. 3rd R. Mark Australia 139+47=186.

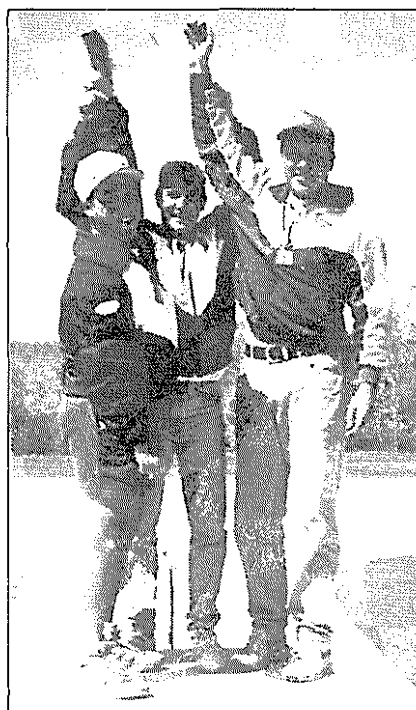

Finally the 'skeeties' who had waited 7 days, were able to take to the tracks for official training, whilst this took place, the trap and double trap people departed for Australia.

Day One of the skeet saw windy conditions but David and Craig started well. However at the close of Day 1, both were not entirely happy with Craig Meuleman on 68/75 and David Cunningham on 66/75.

Day Two saw David card a 48 to finish on 114/125 and Craig a 43 to finish on 111/125.

Gratefully the Training Camp and World Competition came to an end although some of the performances were lower than expected, there was valuable information and decisions arrived at.

Those Olympians travelling back to Atlanta in July will be better prepared for the humidity, constant aircraft noise and the very different pace of life. The now agreed to arrival times of the disciplines will also benefit everyone, by spending less time waiting for competition days to arrive. This will help maintain focus on the task before them.

# World Cup — Lima, Peru

9th - 17th April, 1996

The ASA (Australian Shooting Association) team to contest the Peru World Cup consisted of:

**Trap:** John Maxwell, Fillipo Petriella, Adam Vella; **Double Trap:** Adam Vella; **Ladies Double Trap:** Ann Marie Roberts, Gleniss Lawrence, Dot Trindall; **Coach/Manager:** Greg Chan.

ACTA Training Squad members to join us in Peru were:  
Trap/Double Trap: Phil Melvin; Skeet: Nick Jackson, Clem Bertini.

The ASA team met at Sydney Airport on the 5th April for a 12 noon departure for Peru via San Francisco and Miami. Twelve hours after take off we landed in San Francisco only to find Adam's gun was missing. After reporting to the United Airlines baggage claim we were told that they didn't have a clue where the gun was, but to check again in Lima, not a comforting thought. As we had six hours to kill we decided to visit Fishermans Wharf for lunch and do a bit of shopping. Back to the airport for a 2pm departure to Miami. Left Miami at 12 midnight, finally arriving in Lima at 5.30am, some 34 hours after leaving Sydney.

Our hotel was the La Hacienda, a very clean comfortable hotel in the tourist area called Miaflores. After catching up

Phil Melvin had flown in on the 7th to shoot in the trap event. Tuesday 9th was official practice day and the opening ceremony, complete with traditional dancing, step horses and many speeches.

Trap Day 1: Not a good start. The official bus was late in picking us up and we had to rush to get ready for early squads.

John: 24,23,25=72; Fillipo: 23,23,23=69; Adam: 23,23,24=70; Phil: 24,20,22=66.

Two skeet shooters Nick and Clem joined us at this time, and John and Fillipo departed Lima for San Diego.

12 April Double Trap practice: some shooters were experiencing problems with phono pulls and targets appeared to be set rather loosely.

13 April Double Trap competition: Adam 43,41,45=129 (12th); Phil 44,40,38=122 (17th & MQS).

Unfortunately the ASA team had to leave Peru the night before the skeet started, to join the rest of the team in San Diego before transferring to Atlanta for the World Cup.

Skeet Results: 1st G. Pietro Ita 145+10; 2nd T. Alfredo Cuba 145+9; 3rd N. Anto Cyp 145+3; 4th P. Servando Cuba 142+3; 5th G. Juan Peru 141; 6th A. Sala Kuw 141.

Nick Jackson: 22,22,22,23,23=112; Clem Bertini: 23,20,24,22,21=110.

Congratulations to John Maxwell on his Silver in the trap, the trap shooters for their Team Silver, the Ladies Team Silver and to Gleniss, Dot, Ann Maree and Phil on shooting their MQS.

All members of the team were tremendous ambassadors for their country and sport and I am proud to have been associated with them.

I would also like to thank the ASA and the ACTA for the opportunity to do this trip.

## **Robe Gun Club**

1975 - 1996

Eastern Zone of the South Australian Clay Target Association advises the closure of the Robe Gun Club, May 1996.

We are saddened to see Robe go. We will remember and treasure those great times shared in the little clubhouse, the wonderful spread at afternoon tea, the splendid trophies at presentation time, the fare and fellowship that followed the days shooting and above all else, the happy and smiling faces that were always there at the Robe Gun Club.

Whilst the road and gate to the Robe Gun Club has now closed, the pathway to the memories will forever remain open.

# Queensland Quotes

18th Annual General Meeting: Townsville Gun Club hosted the Queensland State Trap Carnival from 4th to 6th May (see full report this issue) and the Annual General Meeting was also held during the Carnival. State President, Tom Meadows was re-elected for another term, and is joined by Robert Nugent (Western Zone), Noel Beale (Northern Zone) and Peter Henderson (Central Zone) making up the Management Committee.

Tall Tales or True??

Pizza Delivery

Anyone from the Central Zone who recognises these two lovelies, hesitate before one sends them on a Pizza Delivery run.

Despatched from the Townsville Gun Club for nourishment while husbands and others slaved at the State Council meeting, a long and enduring wait was to eventuate. The pickup was the relatively easy part, but then the rot set in from there on.

Due to some factors (hair colour and perm solutions have been mooted) a major turn was missed. Pity that it was the first one and the most important one. The gift of the gab was blamed as the sole cause by the driver. Sometime later a Pizza Hut appeared, but only problem being that it was not the one that they had left. (there are only two in Townsville and many k's apart at that). However, help was at hand, as there was a map and at least one was able to interpret the town plan. At first the river appeared to be in the wrong place according to the interpretation but all was well in the end, as the roads were navigated. Meanwhile irate husband of the permed one is in great fear of the worst as it had drizzled rain. Mobile phones are a great invention, that is if one turns it on first. This is when one sees just how irate husbands can get when contact can't be made and wife is slow to deliver.

Pizza was duly delivered, lukewarm and rather late. Pity was that the meeting ran for a little longer than expected and a microwave was required to make the meal a success. Still, as Tambo and Blackwater do not have traffic lights, one can be a little sympathetic. (like hell we are!)

New Date For State Trap Carnival: A topic that has been discussed at length, had surveys taken over many years and discussed at length again, has now had a decision made. The 1997 Qld State Trap Carnival will be hosted by the Roma Clay Target Club on Friday 29th, Saturday 30th and Sunday 31st August. This is for a trial period, and the May long weekend is to be left open at this stage.

The Management Committee settled on this date, due to there being five weekends in that month, the climate at that time of year, and because of the heavy schedule of shoots in the last portion of the year.

As mentioned, it is for a trial period, so it is hoped that the Carnival will receive the support that it has done in the past.

Central Zone: Laurie Chelepy has resigned as a Councillor for the Central Zone and his place has been filled by Brett Becker from Blackwater. Brett's address is PO Box 402, Blackwater 4717, phone (079) 825191, fax (079) 827675.

The Gemfields Gun Club have their annual shoot on the 17th and 18th August, commencing at 9.00am each day, more details from Alan Grimshaw (079) 821255.

Two new clubs have been granted affiliation in the Central Zone, Ilfracombe Clay Target Club and Whitsunday Clay Target Club.

Northern Zone: Two new Councillors have also come on for the Northern Zone, Tom Comerford combines his duties as Zone Coach and now Councillor, and he will be joined by Silvano Zorzetto from Tully.

The Townsville Gun Club are hosting the Northern Zone Skeet Carnival on 24th and 25th August.

The Qld State Sporting Clays Championships will also be hosted by Townsville on 28th & 29th September, more information from Tom Comerford phone (077) 732815.

Cairns are hosting an ISU Elimination on 17th & 18th August, Nimmo Bruce can provide more details, phone 070 511600bh.

# Monarto Clay Target Club

What a pain! The Nationals had only just finished in Tasmania and a good percentage of our normal would-be attenders (even our own club members) were still 'tripping around the Apple Isle' as it was school holidays. Also coinciding with our weekend the Field & Game shooters held a 2 day carnival at Renmark and to cut a long story short....we were the ones who missed out. Next year dates will be checked carefully to make sure this does not happen again, but to those 40 shooters who did make it to our Anniversary Shoot, thanks for your patronage, and yes, we still had a great shoot!

The weather was very kind with two days of warm 24 degree days, slightly overcast at times with a slight breeze, almost perfect in fact.

Tony Rohrlach shooting 32/32 took out the first event for the weekend, the standard 25t Double Barrel Championship.

*Andy Norman, proud winner of the Coca Cola Point Score Championship at Monarto Clay Target Club Anniversary Shoot*

The Pizza Supremo 25t Single Barrel Championship was taken out by Rank Agostino who shot 30/30 and the final event for the first day, the Ridley Agriproducts Pty Ltd 25t Point Score Championship was won by Donald Beelitz who shot 74/75. Shot in conjunction with this event is the Shell Shield Team Shoot, taken out by the Monarto Team of Peter Hendy, Phil O'Connell, Tony Rohrlach, Tony Famiglietti and Spiros Halikiopoulos with a score of 117/125.

Phil O'Connell, chief chef in the store room, did his own

version of 'Kentucky Fried' to accompany the hot vegies, and apple crumble and cream completed the evening meal.

Day 2 saw Frank Agostino take out the Clem Thomas Memorial 30 Mixed Tgt Championship with a 75/75 score.

Mark Panazzolo shooting 28/30 (16 metres) took out the J & E Johansen 25t Anniversary Handicap from Frank Agostino who

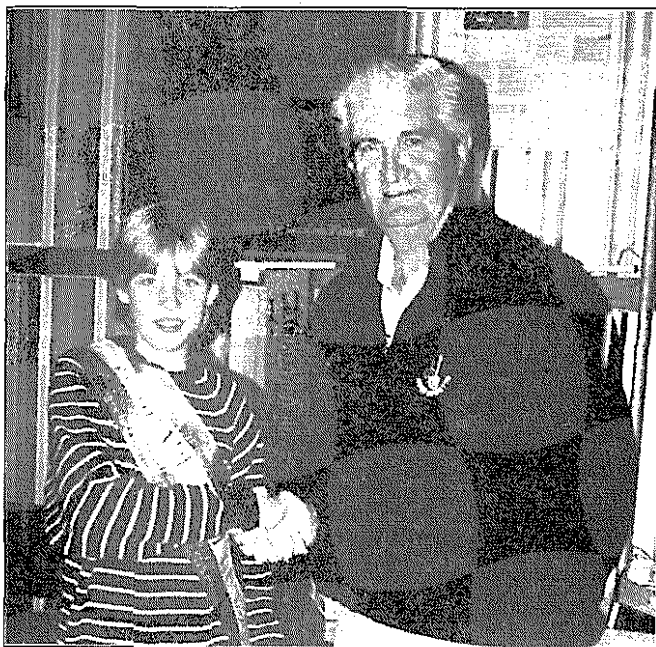

shot 27/30 (20 metres) and Phil O'Connell with 26/30 (23 metres).

The last event on the program, the Coca Cola Bottlers 25t Point Score Championship was won by Andy Norman (who had arrived at 8.30am for an 11 o'clock start), with a perfect 75/75. The G & R Michell Team Shoot shot in conjunction with this event this time went to the Monarto Team of Peter Hendy, Phil O'Connell, Tony Famiglietti, Tony Rohrlach and Graham Michell with a score of 347/275.

Overall High Gun went to Tony Rohrlach who shot 261/275. Frank Agostino at the start of the last event, was some 5 points in front of Tony and we all believed he was a sure bet for the High Gun but he had a disaster in the last event and went down to

*Frank Agostino being warmly congratulated by Tony Famiglietti representing Pizza Supremo, for winning the Single Barrel Championship. Monarto Anniversary Shoot*

*C Grade High Gun winner Becky Simmons being congratulated by "Mr Winchester" Dick Ayres*

Tony by just 1 point, he's probably still kicking himself.

Spiros Halikiopoulos (249/275) took out the A Grade High Gun, Roger Simmons (251/275) won the B grade High Gun and in C grade, winning her very first sash, 12 year old Becky Simmons (Roger's daughter) took the High Gun with a score of 199/275. Keith Mules took out the Veterans High Gun with 235/275.

Many thanks to the Work Bee enthusiasts from the week prior to the shoot, Graham, Phil, Ivan and Tony (shovelling quarry dust), Tony F. and 'yours truly' madly pushing lawn mowers and Tony R. for trap repairs and to Peer H. for last minute grass mowing mid week, a quick jolt back to the real world after 'swanning' his way around Tasmania at the Nationals. Thanks to you all.

Many thanks to our major sponsors, The Standard, Pizza Supremo, first time sponsors Ridley Agriproducts Pty Ltd, the Thomas Family, John & Elaine Johansen, Coca Cola Bottlers, Winchester Australia and Peter & Jacki Hendy for the Overall and Grade High Gun Sashes.

Thanks also to those who helped in any way over the weekend, referees, scorers, cooks, canteen workers, office workers, etc etc and to that 'high profile' member at our shoot who almost got away without paying for his lunch... 'Gotcha'.

# S.A.C.T.A. Skeet Carnival

May 4th and 5th

*Phil Casey, winner of the 100 target State Skeet Title, at the SACTA Skeet Carnival*

*Andy Norman, wins the titled of Festival City Skeet Champion, SACTA Skeet Carnival*

*Bobby Dower, 50 target Adelaide Skeet Doubles Champion at the SACTA Skeet Carnival*

The S.A.C.T.A. Skeet Carnival as usual was a successful event on the South Australian shooting calendar.

Competitors for the weekend could not believe their luck for the weather on both days was absolutely perfect, (not our

usual Skeet Carnival weather), bright, warm sunny days with just the hint of a breeze.

The Skeet enthusiasts, with the Broken-Hill-ites down in full force, took up the challenge in the first event for the weekend, the 50t City of Adelaide Skeet Doubles Championship and this was narrowly won by Bobby Dower shooting 56/58 over Colin Jacobs 55/58.

Event 2 the 50t Festival City Skeet Championship was taken out by Andy Norman with a perfect 50/50.

Saturday night saw the usual campers on the grounds talking well into the 'wee small hours' and the clear crisp night saw the port bottles emerge to help take the chill out of the air.

Sunday saw Phil Casey as the overall winner of the 100t South Australian Skeet Championship with a score of 121/122. This was very pleasing to see as this meant that all three Championships had been taken out by different shooters, showing the depth of talent that we have in our State.

The 15 shooters to make the State Open Teams were A. Norman, P. Casey, R. Kimber, J. Pope, R. Dower, R. Walsh, D. Bishop, F. Guyatt, C. Jacobs, L. Charles, H. Nunn, L. Schubert, W. Channing, G. Yoannidis and D. Burton. Following the Postal Team shoot the final 5 to make the Shoulder to Shoulder Team to represent our State at the National Titles at Cecil Park later in the year are Andy Norman, Bobby Dower, Ray Kimber, John Pope and Ross Walsh. Good shooting at the Nationals fellas!

Welcome back to Adelaide, after a stint in Darwin, the Pope family, John and David both avid skeet shooters, with father John making the State Team and son David the Junior Team. Darwin's loss is our gain.

Our other Juniors to keep your eyes on are Owen Zammitt and Aaron Lynott, just two of that dedicated band of skeeties who make the trek each Carnival from Broken Hill, with Ben Murphy always keen to show off the Juniors they produce up at 'the Hill'.

Overall High Gun this year went to Phil Casey, much

## Cloncurry Gun Club

**It has been many years since the old Cloncurry Gun Club ceased to operate, but thanks to the dedication and hard work of Gary Brown, Graham and Desiree Lake, Jim Molloy and countless others, Clay Target Shooting is back on the sports agenda in Cloncurry.**

The inaugural shoot of the new Cloncurry Gun Club was held on the weekend of May 18th and 19th. Brisbane based shooter Ken Stevens conducted a coaching clinic on Saturday afternoon which was followed by the official opening of the Club and a welcoming barbecue that night.

Sunday morning saw the commencement of the first competition shoot in Cloncurry for many years with a large contingent of Mount Isa shooters in attendance. E.A. Lemon & Co. were the proud sponsors of the opening event of 25 targets double barrel. Ken Stevens proved he could shoot well as coach by finally winning A grade from a very determined Rod Maxwell who held out for 18 shoot off targets before succumbing. Mount Isa's Neil Sinclair claimed B grade with a fine score of 25/25. This was to be Neil's last B grade win for some time as he was upgraded to A grade at the completion of the event. Another Mount Isa shooter, Grant Kirkwood put his stamp on C grade with a score of 25/25.

The Cloncurry Gun Club single barrel was next to be contested and once again Ken Stevens claimed A grade after a shoot off which went to 21 targets. Ron Power held out to win B grade with 25/27 and Myrtle Anderson took home the C grade trophy with 23/25.

Gary and Pam Newby's Cloncurry Auto Repair, the local Repco Auto Repair Centre, proudly sponsored the 25 target handicap event which saw a few surprises. Gordon Wilkie, who was having his first clay target shoot after a layoff of several years held out to win the event from Dean Cusack and Jim Molloy, who's third place was very creditable as he has only just started competing in Clay Target Shooting.

The finale of the day, The Brodie Hardware 25 target Continental, like the previous events required a shoot off to determine the final placings. Mick McGill finally won A grade with 50/50, while Ron Power managed to hold out a hard charging Dean Cusack to win B grade with a final score of 44/45. Gordon Wilkie showed his gentlemanly ways by dropping a target in the shoot off and Myrtle Anderson, never a lady to let a chance go by capitalised on it. The final C grade scores were Myrtle Anderson the winner on 27/29 with Gordon Wilkie the runner up on 26/29.

The only trophies left to be decided were the Partington 4WD High Guns, and in an unorthodox shoot off in fading light Brian Palethorpe emerged as the A grade High Gun. Ron Power was the winner of the B grade High Gun with Myrtle Anderson deservedly winning the C grade High Gun.

The Cloncurry Gun Club would like to thank all our sponsors and helpers for a great effort and remind shooters that competition will be held on the fourth Sunday of each month.

# Northern Zone Carnival

Taree Wingham April 27 & 28.

**Well it has come and it has gone, but those that did attend can testify to a great weekends competition. Hot weather conditions greeted the 69 competitors on the Saturday, who had travelled from as far afield as Canberra to contest the program.**

The first event, 25t DB CD saw 16 possibles from the AA shooters, 5 possibles from the A graders and only one possible from B grade which gave Ray Abrahams a great start and a free weekend.

In event two, the Northern Zone DB C'ship, poor light prevented the continuation of the shoot off, which had to resume early the next morning and saw a confident Mike Height 153/153 of Newcastle-Lake Macquarie club hold out AA shooters Ken Neill 152/153 and John Sleightholme 129/130 to win the title, well done Mike.

The grade results were: A: Peter Smith 66/67, M. Burke 50/51; B: J. Barker 49/50, C. Boggiss 43/44; C: W. Thurlow 24/25, G. Brown.

*From left G. Brown, R. Marsden, C. McGlashen, D. Pasfield, Junior High Gun Andrew Miller*

7pm Saturday night saw the first squad commence the State Night DB C'ship and by 10pm only 4 shooters had achieved the 50/50 result. With the curfew approaching and a long shoot off probable, to everyones surprise and the secretaries relief it was all over in six targets.

The 1996 State Night DB Championship was claimed by John Sleightholme 56/56; AA Roger Vidal 55/56, John Farrell 50/51; A: B. Hodges 54/55, C. Cunningham 53/55; B: D. Pickles 52/53, G. Marriot 51/53; C: G. Brown 45/50, M. Connock 43/50.

Sunday began with a very cool change and difficult conditions to decide the Northern Zone SB Championship. This title was taken out by the much travelled Garry Kennerson of Sydney Gun Club with a brilliant 34/34. AA was won by John Farrell 33/34 over Ron Marsden 42/43. M. Bourke took A grade with 25/25 followed by Bob Hooper 26/27. B grade to B. Aitchison 23/25, R. Abrahams 35/38 and C grade again to G. Brown 22/25 followed by M. Connock 20/25.

*State night Double Barrel winner John Sleightholme and president Keith McCloy*

Despite the conditions Alan Jones took out the Northern Zone Point Score Championship with 96/96 to relegate G. Lancaster 95/96 to AA grade winner with D. Hinchelwood 86/87 second.

A grade C. Cunningham 74/75 beat his mentor J. Cunningham 73/75. B grade S. Peters 74/75, D. Norris 72/75; C grade C. McGlashen 67/75, G. Brown 72/81.

The Inaugural Flying Fox Fifty (25db & 25ps) was the final event of the carnival and again it took great shooting to win.

Overall winner was John Farrell 120/120; AA Clem Cunningham 119/120 from Nathan McDonnell 99/100; A grade was won by Craig Boggis 138/140 after being regraded, from A. Vine 137/140. B grade B. Aitchison 97/100 defeating D. Pasfield 94/100; C grade was taken out by that new bloke again Gary Brown 88/100 from Alan Carlyle.

High Guns: Overall Geoff Lancaster 297/300; AA: Rodger Vidal 297/300; A: Clem Cunningham 294/300; B: Craig Boggis 287/300; C: Andrew Miller 271/300; Ladies Yvonne Forsyth 230/300; Vet: Doug James 270/300; Jnr: John Cunningham Jnr 277/300.

The Committee of Taree Wingham would like to thank all those that travel and help make our zone carnivals the major events on our state calendar. Many thanks to the sponsors that help make it possible: The NSW Firearms Safety Awareness Council, Olimpyc Targets, Express Cartridges, Old Bar Cellars, Ron Hindmarsh Artist.

# South East Gun Club

The South East Gun Club had two days of perfect weather on Saturday and Sunday for their annual two day carnival.

Forty eight shooters travelled from as far as Melbourne and Adelaide to compete for over \$4,000.00 in prizes and cash over six events.

Some of the outstanding performances were Marc Crimmins winning the Junior High Gun and the Overall High Gun with 236/240 defeating Max Medhurst who shot 235/240.

Gene Frost winning the major event, the 'Bob Schleter Memorial' with 71/71, Roger Duthie was second with 70/71.

Then we saw Stan Henderson, well over 60 years of age and a 'B' grade shooter up until event five shoot 150/150 to take the sash from David Flavel. This gave Stan his 150 break badge and a visit to A grade. Stan shot 171 before he missed a target and had plenty to say at presentation time about how good the targets were.

*Left to Right: club president Alan Walters, David Flavel, Terry Gilcrist and Stan Henderson*

He was very consistent throughout the two days and with three wins and two wins in Veteran class, was able to take home the Veterans High Gun, 'Great Stuff Stan'.

Then in the last event we saw R. Hounsell and G. Durbridge shoot 90/90 each in the Points Score Championship to let everyone know they had not lost concentration near the end of two days. R. Hounsell eventually the winner with 102/102.

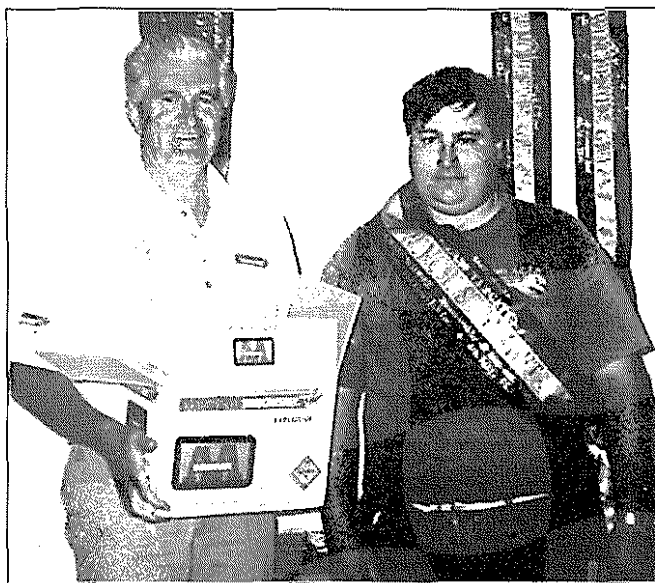

David Flavel and Glen Bergroth both came in with 89/90, while Roger Gilcrist a new shooter easily won 'C' grade with a great 84/90.

Veteran shooter Ron Burton had a great two days in C grade and took home four firsts, one second and one Veterans prize. Ron's wife and Bruce would have to help him carry them home. Ron is now B grade.

# Queensland State Trap Carnival

Townsville - 4th, 5th & 6th May

While the south-east and central west of the state was receiving up to 27 inches of rain in six days, the Townsville region was fine and sunny, with a temperature of around 28 each day.

Once again Tom Comerford and his Committee had the grounds and facilities prepared to top condition, having received light rain some 10 days before everything was green and fresh.

The campers started to arrive mid Friday, and by dark there were camp sites set up in various locations around the grounds. The ladies of the kitchen again kept the wonderful food rolling out, Tony and his helpers in the refreshment corner kept the coldies flowing.

*1996 Qld State Trap Carnival Overall High Gun winner  
Brian Hopgood*

On Saturday morning prior to the Official Opening being performed by Mark Stoneman, M.L.A., Member for Burdekin, State President Tom Meadows welcomed everyone, and asked for a minutes silence as a mark of respect to Eddie Ransom, former State President, the victims of the Port Arthur shooting and all our shooting friends who had passed away during the last 12 months.

Events got underway with the 25 target Winchester Point Score, generously sponsored by Winchester Australia, and from 129 shooters 4 possibles were recorded. The defending Champion was Doug Smith. The Overall winner was Ray Collinson from Burdekin with a score of 207/207, from Ross McPherson (Tambo) 206/207 taking 1st AA grade. Western Australian visitor Bert Boschetti was 2nd in AA with 89/90. Gold Coast member; John Mack took out A grade with 83/85, from Brian Richardson (Gemfields) 80/85. Young Bradley Petersen (Bundaberg) was 1st in B grade on 76/81, from Alan McPherson (Scrubby Creek) 73/81. The Townsville crew cleaned up C grade, Len Carty 87/96 from Errol Reeves 84/96 2nd. The womens section was won by Janne Gear (Tambo) 73/75, David Bowen from Cairns with the Junior winner with 73/75 and Lyle Vidler (Kingaroy) returned 72/75 to take out the Veteran section.

The 50 Target State Double Barrel Championship was next up and 130 shooters returned 13 possibles, defending Champion being Ken Stevens. This event was also sponsored

by Winchester Australia and carried the O.W.Smith Perpetual Trophy and Winchester Perpetual Trophy. The Overall winner, and a very popular one at that, was Mike Collins from Atherton Tablelands on 202/202, he was pushed along by Alan Denton (Charleville) 201/202 who was 1st in AA grade. The Tournaments shoot marshal Ray Collinson, somehow managed to work and shoot, taking out 2nd in AA grade with 157/158. Pat Burke from Bundaberg recorded 50/50 to take home the award for 1st A, 2nd A went to Leanne Gall from Tambo on 70/71. Another from Bundaberg, Bradley Petersen was the winner of B grade with 50/50, from Peter Hannay of Tambo on 76/78. Young Clint Wilkinson, also from Atherton Tablelands was the winner in C grade with 46/50, from Darryl Storch (Tallawalla) 48/53.

The 7th Womens State Double Barrel, Junior Double Barrel and Veterans Double Barrel were all shot in conjunction with the main event. Carol Betteridge, as well as looking after the score board, took o' the Womens with 93/94 from Janne Gear 92/94. Adam Hogarth from Terranora Lakes was the Junior winner with 88/89, from his club mate Jaye Short. The Veteran winner was Barry Nasser (Clermont) 48/50 from Joe Brunskill (Townsville) 47/50.

Sunday morning, again a wonderful sunny day and shooting commenced with the 50 target State Point Score

Championship, sponsored again this year by Tom and Thel Meadows of Meadows Transport, and from the 133 shooters 4 possibles were returned, the defending Champion was Bryce Fett. The Overall winner was Bill Iles from Melbourne with a great score of 303/303, from Ross McPherson (Tambo) 302/303 giving him 1st in AA grade. 2nd in AA grade was taken out by Dennis McIntosh (Clermont) 150/150. Caboolture member Karl Nasarenko was the A grade winner with 150/150, from Terry Morony (WACTC) 153/156. Steve McDowell (Normanton) won B grade with 144/150 from Bradley Petersen 143/150. Gemfields Justin Richardson won C grade with 142/156 from Glenn Reeves of Townsville 139/156.

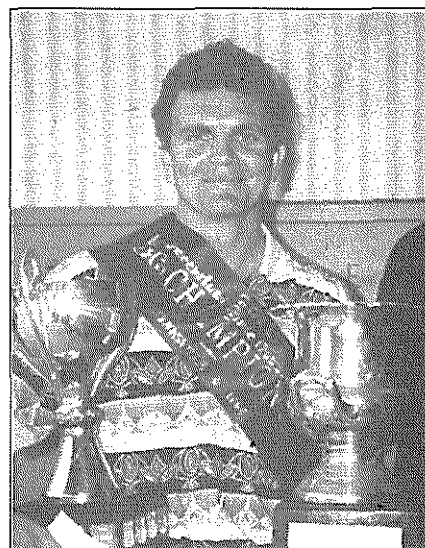

As with the Double Barrel, the 7th State Womens, Junior and Veterans Point Score Championships were run in conjunction.

**1996 Qld Trap Champion Allan Pack**

**Allan Denton, State Hep winner**

**Glenn McHenry, State DR Champion**

The Womens winner was Janne Gear (Tambo) 146/150, from Vere Storch (Tallawalla) 145/150. The Terranora Lakes boys - Adam Hogarth 147/150, and Jaye Short 141/150 were again on the dais and the Veterans was won by Ian Hedger from Caboolture with 140/150 from Barry Nasser 139/150.

While some of the traps were being set for the Double Rise, the Zone Shoulder to Shoulder Teams Match was conducted - 6 person teams - 5 scores to count - shooting 25 targets double barrel score points. The winning team for 1996 was from the South East Zone and comprised Karl Nasarenko, Ken Stevens, Gary Redmond, Ian Mohr, George Hogarth and Peter Freeleagus. These guys didn't have it all their own way, the Central Zone team also recorded the same score, but with points used to determine the result this fiercely contested event went to the South East Zone, well done. There was mention of sabotage and complaints that some teams were not all dressed correctly in the Zone jackets, however the result is now recorded and I am sure certain members from the South East will remind everyone who happen to forget just what that result was!

George Sckaf was the defending Champion of the State Double Rise Championship and of the 119 shooters, 4 returned 46/50. This event was sponsored by Olimpyc Targets and carried the Olimpyc Targets Perpetual Trophy and Richard Dean Remembrance Trophy. The overall winner for 1996 was Glenn McHenry from the Geelong Club with 56/60, from Derek Bruce (Cairns) 55/56 and 2nd in AA grade went to Peter Freeleagus 54/60. The Atherton campers had recovered from having the 'banner' disappear, allowing Maurie Costa to put 45/50 together and take A grade from Terry Morony 44/50. In B grade Clint Wilkinson's pocket money continued to grow with his 41/50 giving him 1st from Wayne Benson (Townsville) 40/50. In the C grade section Justin Richardson was the winner with 35/50 from Steven Mohr of Caboolture on 34/50.

The Womens State Double Rise was won by Janne Gear 41/50 from her Tambo counterpart, Leanne Gall on 38/50. Robert Mack from Gold Coast won the Junior section with 42/50 from Adam Hogarth on 38/50. The veteran section went to Barry Nasser (Clermont) with 40/50, from Lyle Vidler (Kingaroy) 34/50.

Monday morning and with only the Single Barrel to go before the State Teams were finalised, a few shooters were not looking too happy at the prospects.

The 50 target State Single Barrel Championship was again

sponsored by Private Health Services. From the 126 shooters, 2 recorded 49/50, Bill Iles and Rex Davis (Clermont) and they got down to business well and truly, the eventual winner being Bill Iles 94/95, Rex taking 1st in AA 93/95 from Ray Collinson 73/75. In A grade Noel Benson from Townsville was 1st with 49/51, from James Gall (Tambo) 48/51. Steve McDowell from Normanton was the winner in B grade with 47/50 from Peter Hannay (Tambo) 45/50. Peter Luppi was the winner in C grade with 43/50 from Glen Reeves 42/50.

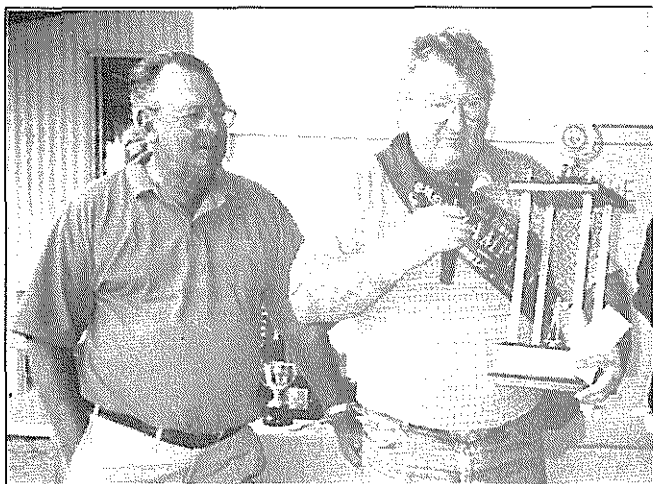

The Womens State Single Barrel was won by Vere Storch 45/50, from Janne Gear 44/50. Clint Wilkinson took out the Juniors with 47/50 from David Bowen 45/50. A score of 46/50 saw Barry Nasser win the Veterans from Ian Hedge on 42/50.

**Tom Meadows (QCTA) and Bill Iles, State SB Champion**

The qualifying events out of the way, the State Teams gathered for the photo session before shooting their team event. The Open Team comprised Brian Hopgood (Atherton T'lands), Dennis McIntosh (Clermont), Danny Casagrande (Rockhampton), Allan Pack (Roma), John Wilkinson (Atherton T'lands), Gary Redmond (Terranora Lakes), Rex Davis (Clermont), Robert Nugent (Roma), Karl Nasarenko

(Caboolture), Ros McPherson (Tambo), Allan Denton (Charleville), Neil Berry (Terranora Lakes), Ken Stevens (Brisbane), Gary Wessell (Herbert River) and Peter Field (Dysart). Following in the team event, the Shoulder to Shoulder Team for the Wagga Trap Nationals in April 1997 is: Allan Pack, Brian Hopgood, Danny Casagrande, Rex Davis and Allan Denton.

The Womens State Team comprised Janne Gear (Tambo), Vere Storch (Tallawalla), Leanne Gall (Tambo), Glenys Palethrope (Mount Isa), Carol Betteridge (Burdekin) and Cecile Edmonds (Mount Isa). Following the team event, the Womens Shoulder to Shoulder Team is: Vere Storch, Janne Gear and Leanne Gall.

**Left to Right: Bob Dupuy (Winchester), Mike Collins — State DB Champion, Tom Meadows (QCTA)**

The Junior State Team for 1996 is Adam Hogarth (Terranora Lakes), Jaye Short (Terranora Lakes), Bradley Petersen (Bundaberg), Clint Wilkinson (Atherton T'lands), Justin Richardson (Gemfields) and Robert Mack (Gold Coast). Following the team event, the Junior Shoulder to Shoulder Team is: Adam Hogarth, Jaye Short and Robert Mack.

A shoot off was required to determine the Open Team High Gun, the winner being Allan Denton 188/189. The Women also needed to shoot off to determine a winner of their teams High Gun, that going to Glenys Palethorpe 99/102. Robert

Mack took out the Junior Team High Gun with 73/75.

The Queensland Trap Champion for 1996 is Allan Pack from the Roma Club with 394/400.

The final event for the Carnival was the 25 target Handicap and some 114 shooters recorded 16 possibles. The defending winner was Ken Stevens. This year Allan Denton was the winner with 69/69, from Alan Poggioli (Atherton T'lands) 68/69, 3rd place was taken out by Glenn McHenry 39/40, from Peter Henderson (Clermont) and 5th placing to Noel Beale (Townsville) 50/51.

With all events finalised, the High Gun winners were as follows: Overall Brian Hopgood (Atherton T'lands) 391/400; Womens Janne Gear (Tambo) 353/400; Junior Adam Hogarth (Terranora Lakes) 370/400; Veteran Barry Nasser (Clermont) 358/400.

The two person teams conducted over the entire program was won by Rex Davis and Dennis McIntosh 760/800.

So it was all over for another year, those heading south were a little worried that it may have been washed into the ocean by the time they got back.

Having been spoken about for a long time, and coming up again at the AGM, the decision has been made to move the

1997 State Trap Carnival (for a trial) away from the May long weekend, with the May weekend to remain open. The 1997 Carnival will be hosted by the Roma Gun Club on Friday 29th, Saturday 30th and Sunday 31st August. QCTA are working towards a shoot to be conducted over the May weekend. All clubs have been advised of the reasons for selecting this date and it is hoped that the Carnival will continue to receive the support that it has in the past.

To those people who worked so hard to make this years Carnival the success it was, the Townsville Committee and Members, Ladies and Bar Staff, Ray Collinson - Shoot Marshall, Carol Betteridge (Scoreboard), my helpers in the office Jim Edmonds and Daphne Leeds, The Members from Roma who sold the raffle tickets, you have not seen raffle tickets sold until you see them in action, Doug Seawright for the donation of a case of ammunition for the raffle, Bob Dupuy for taking the 'Office' boxes to Townsville, John Mack for taking the Perpetual Trophies and bringing them back to Brisbane, our valued sponsors - Winchester Australia, Olympic Targes, Meadows Transport, Private Health Services and finally to you the shooters, without you we would not have a shoot.

See you all in Roma in 1997

# Singleton journeys to Brewarrina

**A ten hour bus trip to compete may not seem like every shooters idea of a great weekend. For fifteen Singleton Clay Target Club members though the trip was no burden.**

Departure time was 6.30am Friday with the destination Brewarrina, for their annual two day shoot on April 27 & 28.

After collecting a few strays in Jerry's Plains and Scone, the first stop was Gunnedah's Vickery Colliery picket line to say hello and provide support to some work colleagues and relations involved in the long running dispute.

**Single teams winners in the 20T PS handicap shield — 213/240. Back — Paul Turner, Lionel Finlay, Bruce Smith. Front — Ian Mitchell, Bernie Mackson**

Lunch was planned at the hot springs near Burren Junction. After a very warm dip, we settled into a meal of chicken and salads served delightfully by Uncle Killer! A junior member asked one senior member why the water from the bore was so hot. Rather than a geological explanation, one wag suggested that there was a very large barbecue plate under the floor of the concrete pool.

After dodging cotton trucks on the dirt between Walgett and Brewarrina we arrived at about 5.15pm. The hospitable Brewarrina club members had our camping facilities erected, the barbie primed and a liquid refreshment or two in readiness.

Saturdays shooting by the Singleton lads was a little off the pace. Perhaps it was the concentrated effort of 6 hours of Euchre on the bus by four of the boys, or maybe it was the 'mind taxing' joke telling competition that helped us fill in the time for an hour or so on Friday afternoon.

Sunday saw some better shooting and over the two days we were able to add to the bus luggage with a few trophies.

Paddy Stevens took out the 25t DB for C grade with 23/25. Ian Mitchell secured th B grade 50t DB with a score of 47/50.

Greg Turnbull took out the Junior High Gun and took the C grade trophy for the challenging 50t Night PS Championship off 20 metres. Greg scored 104/150. His score of 56/60 was good enough to take 4th place in Sundays 20t PS Handicap.

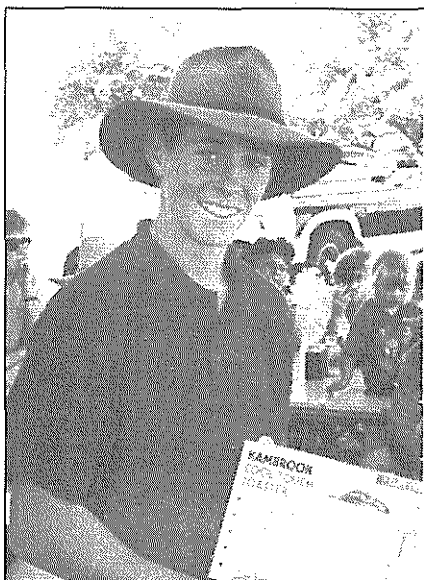

C grader Steve Marriott had a strangle hold on the 25t DB event when he shot the possible. Steve also collected a nice prize when he shot 57/60 and took second place in the 20t PS Handicap.

Cessnock ring in Paul Turner was also in the money in the 20t PS when he secured 5th place.

Singletons other claim to fame was a win in the Teams Shield in the 20t PS Handicap with a score of 213/240, team members were Bruce Smith, Lionel Finlay, Ian Mitchell, Paul Turner and Bernie Mackson.

One final prize worth mentioning was that of Steve "Gallipoli Bed" Tonkiss who was awarded a lovely little trophy in recognition of his enjoyment of the weekend.

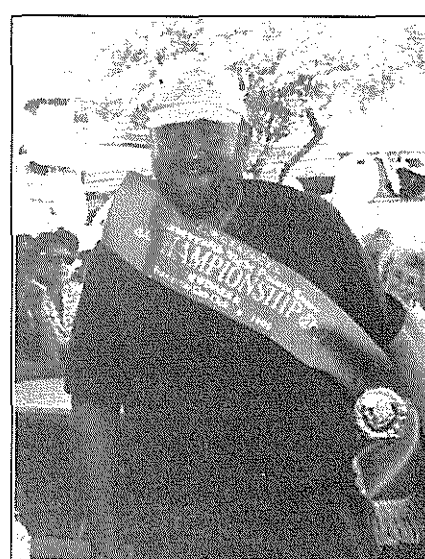

Anyone who has been away with sporting colleagues will

know that occasionally a story or two are worth mentioning. The following are a couple from the weekend that deserve another telling.

Saturday morning saw the touring party up, showered and breakfasted by 8.00am (when camping, early rising is assured!). With a 10am start a few blokes were looking around for something to do. Two gentlemen found their way into the bar and began washing glasses and generally tidying up.

Another Singleton member approached them, when asked did he want a beer he replied in the negative but said that he was just admiring their diligence.

The two 'washer-upers' looked blankly at each other. One of them looked around for the dishwashing liquid that he presumed was brand named 'Diligence'. His mate then called out, "Hey, what the hell does diligence mean?"

There were plenty of cable ties on the bus. Cable ties are those ingenious little devices of long thin plastic, that when looped through the eyelet and pulled tight, cannot be undone, except by cutting. They were very handy for securing the tarp over the trailer etc.

*J. Lawrence and K. Hatch*

*Col Betts*

*Singleton Raiders!!*

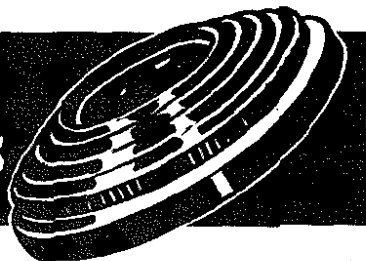

On Sunday afternoon, one shooter returned to his tent to collect his vest, gun, glasses etc. The sight in the tent showed cable ties that had been used very liberally. Towels were tied together, boots tied to bags, handles of gun cases were secured to various objects. The shooter in question went into a mild state of panic because he was about to go out to compete and cable tied to the barrel of his gun was one of this things. One of his mates came to the rescue with a pocket knife.

Momentarily, he thought he would have to face the crowd at the bar in search of a pocket knife and put up with endless derision for the rest of the weekend, as all and sundry reminded him of the whereabouts of his stray thong.

So for Neal, Mort, Steve, Mac, Reg, Frog, Chalkie, Killer, Barry, Steve, Stumpy, Tank, Lionel, the very diligent Cag, and Bernie, the excursion to Brewarrina was very successful and enjoyable. We look forward to venturing forth in the future.

*Bernie Mackson.*
