CONGRATULATIONS!! – Full story October issue

National President's Notes

The Olympic Games.....

What more can be said about the outstanding achievements of our team.

To Deserie, Ann Maree, Russell, John, Michael, Steve, Craig and David, we offer our congratulations on a job well done. To Murray we also offer our congratulations.

To win a medal at the Olympic Games is the dream of every sportsperson world wide, to win gold is purely fanciful to most.

The manner in which Michael, Russell and Deserie presented themselves to the World via the media is to be applauded. There is no doubt there were a number of

reporters who would have loved to make their medal wins very political, but each handled this issue very professionally.

Congratulations to each of you. The ACTA is very proud of you. May each of you benefit greatly from your achievements as I am sure our Association will.

National Gun Laws

At the time of writing this column the final issues surrounding the National Gun law debate is still to be resolved.

Crimping is no longer an issue with John Howard enforcing his own personal opposition, despite an agreement between all State Police Ministers to allow it.

It has been indicated that members of the ACTA will be eligible to obtain a C Category licence and be allowed to keep their semi-automatics for clay shooting only. This in itself is a win for the National Executive and their efforts in drafting the proposal presented to all Police Ministers.

I can only hope there will be no more impositions forced upon us simply because we own firearms and enjoy shooting clay targets.

Brisbane Gun Club

30 Year Anniversary Shoot

On Sunday 30th June 1996 the club celebrated the 30 year Anniversary of its establishment on the Belmont Shooting Complex.

One hundred and four shooters contested the events and in presenting the trophies President Paul Clarkson welcomed the "golden oldies" and visitors who made the shoot such a success. He also thanked the sponsors for their generous support by donating trophies for all events.

Shortage of time only allowed by a brief address by the Patron, David Evans, on the history of the club which dates back to the last century. He referred to a record of it being known in 1916 as the Queensland Gun Club which operated in the Rocklea area, a Brisbane suburb. In the 1930s the Hedley Park Complex was constructed on the edge of the Brisbane Airport. In 1941 this property was resumed by the Commonwealth Government for use by the USA Air Force. After WWII shooting was conducted at Myrtle town, a Brisbane suburb and in 1953 moved to Tingalpa which is close to the present site. In 1954 the club affiliated with the then A.C.P.T.S.A. as the Brisbane Metropolitan Gun Club and in 1956 the name was changed to the Brisbane Gun Club. In 1959 the Brisbane Gun Club flag was designed and has remained unchanged.

On the 26th June 1966 the club was officially opened on the present site by the then Lord Mayor of Brisbane, Mr Clem Jones. The club is grateful to the Queensland Rifle Shooting Association who administer the Belmont Shooting Complex for their continuing support and co-operation extended by them to this club.

It can be said that the day was a great success with the opportunity for the large gathering to socialise and reminisce.

The proceedings were completed by President Paul Clarkson cutting the large thirty year anniversary cake.

Broken Hill Gun Club Inc

1996 Two Day Skeet Championships

by Lost Target

First of all, that is before I get into the skeet shoot results, I must say a fantastic congratulations to Michael Diamond, Russell Mark and Deserie Huddleston for their magnificent results at the Olympics.

Every member of the Broken Hill Gun Club sends their congratulations, you should all be so proud, well done!

The two day skeet shoot attracted 35 shooters overall and was held on Saturday 13 and Sunday 14 July. This number of shooters is really good to see at a skeet shoot, and they all braved the very cold and very windy conditions quite well.

With the SA State Team in attendance, readying themselves for the Nationals, there was going to be some good scores shot.

The first event was the Broken Hill Bottle and Recycling 50t Skeet Doubles Championship. 25 targets on each layout and quite a bit of wind would see only one score in the mid forties. Overall Ross Walsh 46/50. Grade placings A: Bob Dower 51/56; B: James Zammitt 43/50; C: Greg Higgins 41/50; Ladies: Carmel Ford 33/50; Vet: Alan Pearson 39/50; Jnr: Owen Zammitt 36/50.

Event two was the McLauchlan Motors and Engineering 50t Skeet Handicap. This event always brings out the burglars, however they would still have to shoot a few targets to decided who was going to be the best and take the trophy and sash.

1st Paul McLauchlan 80/84, 2nd Brett Howe 79/84, 3rd Owen Zammitt 59/66, 4th John Fleetwood 60/70.

After a great tea the Don Williams Contractors 30t Night State Single Barrel Championship got under way shot under some very trying conditions. These conditions experienced by some competitors, let us know the winning score would have to be very close to a possible.

Overall & B grade Hayden Bevan 28/30, 2nd Bruce Cook 27/30; A grade Ross Walsh 22/25, 2nd A. Schrimmer 21/25; Junior & C grade to Aron Lynott 26/30 with Greg Higgins taking C grade second 24/30. No ladies or veterans competed in this event.

Sunday morning saw the start of one event that every shooter should have been waiting for, the South State Industrial Supplies 100t Skeet Championship. It was still very cold and very windy so to take this event out would need a great deal of concentration. As it turned out this event would decide the Overall High Gun for the weekend.

Overall Ross Walsh 99/100; A: Rick Jones 98/100, 2nd Andy Norm 97/100; B: Paul McLauchlan 106/112, 2nd David Bishop 105/112; C: Aron Lynott 88/100, 2nd John Fleetwood 87/100; Jnr: Aron Lynott 88/100; Ladies: Carmel Ford 73/100; Veteran: Ben Murphy 92/100.

That concluded all the event scores and by now everyone has worked out that Ross Walsh had a very good weekend. Ross took out the Overall High Gun with a great score of 190/200, but was nearly forced to a shoot off, if Rick Jones had broken just one more target.

The Overall High Gun was donated by Silver City 4WD and the Graded High Guns were donated by 06 Shooting Supplies from Kerang, the winners of which were: A grade Rick Jones 189/200; B grade Paul McLauchlan 184/200; C grade John Fleetwood 168/200.

I have mentioned all the major sponsors, but as yet have not thanked the minor sponsors in Shell Memorial Service Station, GEC Electrical Wholesale, Formula Motor Parts and Silver City Drillers.

Once again the Broken Hill Gun Club has put on a fantastic shoot with great sashes, trophies, food, drink and hospitality, so thanks to the above sponsors, visiting shooters and hard working committee.

Watch the CTSN for our up coming September shoot, the Silver City Championships and the Broken Hill Ball Trap Championships.

In Recognition of Services Rendered

Now don't panic this is not an epitaph, just some tripe about a bloke who has done his bit for his chosen sport and its local club. If you don't know this fella then it's London to a brick that one of your acquaintances does. Yes it is Frank James.

He has been around for a bit, since October 1926 actually. He had only just started wearing long pants when he commenced hanging about the gun clubs. He first took over as President of the Kerang Clay Target Club in 1963. We think he was a bit of a slow learner because he has had 33 consecutive goes at the position since.

Frank has stepped aside at this years A.G.M. We congratulate and thank him for his dedication and effort he has given to our club over these past 33 years.

Perhaps the A.C.T.A. can also be thankful for Franks membership. He is the type of bloke who has always put his effort where his mouth is.

A few of his achievements: A.C.T.A. Membership 50 years; Club Coach for many years; North West Zone Coach 14 years; Firearms Instructor/Examiner 3 years; Level 2 Coach; 3 times National Championships Shoot Marshall; Official National Championships Referee 17 times (in the days where you had to apply for the job); First Nationals attended Southport, Qld 1967, only missing 5 Nationals since; Member of Victorian DTL Team 3 Times; Police Teams shooter numerous times and Honorary Member; Winner of numerous State and Zone Championship; Veterans Mackintosh Team Member 1992 & 1993; Veterans Games Gold Medal Double Barrel 1991; Subsequent Veterans Games Silver & Bronze Medals; Field & Game shooter 30 years.

Not a bad list of achievements.

With so many years association there had just got to be plenty of antidotes to relate, especially if you know 'Jamesy'. He has been known to attend shoots by car, truck and motorbike, and on one occasion had to walk home (about 12kms). The truck he arrived in decided midnight was for sleeping not for driving which was typical for a farmers truck in those times. This relates to another story, ask Billy Iles about the time he gave Frank a tow, if you don't believe the story just ask Frank when you catch up with him. Actually Frank tells a pretty good story, although some censoring is required.

Funny accounts abound of events at many, many clubs, more than this scribe knows or has the patience to put to paper. However there is one that we like to tell at the Kerang Gun Club.

One summers night, quite warm, competition is proceeding when a snake appears in the club house. Now who else would do battle with an unwanted guest? Frank to the rescue (with the ladies from the canteen up on the counter) armed with a straw broom. Frank wades into battle to a chorus of "Get him Frank", "Hit him Frank". Now Frank's mate Bob Williams is up 8/8 in a ten target event when this commotion breaks out. He deals with the other two targets and hurries back to find out who Jamesy is "Getting and Hitting". It was a much relieved Bob who found out it was about a four foot brown snake and that the silly old bugger hadn't got into a fight. Anyway we thank Frank for his leadership, his friendship and his company. We would like to honour him further so watch the shoot advertisements as we will probably put on a shoot in his honour.

Our club would also like to recognise and congratulate the efforts of our shooters at the recent Olympic Games in particular great stuff Michael Diamond.

Waratah State Notes

Olympic Gold & Bronze

I'm sure you all watched with excitement as I did when Michael Diamond won Australia's first Gold Medal at the Olympic Games in Atlanta, and Russell Mark then followed up with another Gold Medal. With Deserie Huddleston adding a Bronze Medal to the list, it turned in to the most outstanding performance we have ever seen.

On behalf of the NSW State President and Executive Committee Members, myself and in fact all NSW shooters, I would like to congratulate and thank Michael, Russell and Deserie for their dedication to our sport for so many years. Your rewards are truly deserved.

1996 Commonwealth Night Mixed Targets Championship

Thank you to the clubs who applied for allocation of the above Championship. It has been awarded to Cecil Park CTC and will be conducted later in the year. Watch for the advertisement in the CTSN.

State ISU Representative

As many of you would know, Brant Woodward has returned to New Zealand to live. Whilst the NSW ISU Rep, Brant has done a wonderful job in liaising between the NSWCTA Committee and the ISU shooters. Many thanks Brant for your dedication and interest.

We now have to elect a replacement for Brant to represent issues which affect ISU Shooters in this State. If you are interested in becoming that person, we intend to have an ISU meeting at Illawarra during the State ISU Carnival on the weekend of 7th/8th September. All ISU shooters are encouraged to please come along after the shoot on Saturday.

CTSE Ltd

Our proposal to sell shares and purchase a block of ground for the State Shooting Ground is still rolling along, however slowly.

Come on shooters, for \$500 you can purchase a share in the project which will be located in a central area of the state, in order that it has fair accessibility to all members and clubs in the state.

You will receive in return for your support, financial dividends and membership benefits for the future. For further particulars, please contact the NSWCTA State Office on (063) 614443.

Kenworth CTC

The Kenworth CTC, located at Bedgerabong just west of Forbes, is holding another Charity Shoot on Sunday 29th September. Noel Rodgers conducts these shoots from time to time and they are always described by those attending as "good country shoots". Sashes and trophies will be available for 3 grades and afternoon tea will be available. Starting time is 12.30pm and for further information please contact Noel on (068) 571131.

World Championships

For those NSW shooters interested in attending the World Championships next year, the Nomination Form will be enclosed in the October issue of the CTSN with the opening date for receipt of noms being 1st November. All nominations will only be received by mail, and only after the 1st November.

Bathurst Gun Club

As most now know, Bathurst Trap shoots are now conducted on the first Sunday of the month with the Skeet shoots conducted on the third Sunday.

Sunday 1st September sees the Bathurst club conducting the Central Zone Deauville Doubles Championship which had to be cancelled in June due to very poor conditions. The program commences at 1pm and all are welcome.

Libbie Bunting

Gladstone Clay Target Club Inc

Once again the members of the Gladstone Clay Target Club converged on the hill (after performing an anti-rain dance the night before) to try to get their names up on the Honour Board for the Champion of Champions.

However a host of visitors from Ayres Rock, Bundaberg, Central Burnett, Gemfields, Glenden, Kingaroy, Kyneton, Mungungo, Rockhampton and Terranora Lakes, were not going to let us have it all our own way.

Brian Richardson proved too good for the other 42 shooters, and took out the Champion of Champions with a score of 145/150, good shooting Brian.

Ashley Scarborough, Gladstone's ex-junior took out the Intermediate Champion of Champions scoring 134/150, no more B grade, welcome to A grade Ashley and well done.

The first event the 30t Double Barrel Championship was to see Robbie Rehbein win the event after a shoot off with Brian Richardson, Jim Riggs and John Cahill. That left only 2 positions on the Honour Board to fill. Who should pop up as he usually does to take out the second event being the 30t Points Championship, but Neil Berry scoring 111/114, after shooting off with Brian Richardson. We thank Wilma Berry for looking after the board for us once again. With only one place to fill on the Honour Board, the Gladstone members were feeling left out, however one show-off (Gladstone's own Garry Darr) decided to shoot 30/30 in the 30t Single Barrel Championship with the only possible in that event.

Champion of Champions 1996, sponsored by Alex Campbell & Company. Left to right: A Scarborough (intermediate champion of champions; sponsor Mr Alex Campbell, B. Richardson, champion of champions; G. Darr, SB Champion; N. Berry Points Champion; R. Rehbein, DB champion.

Pedro and his son Brad left with an arm full of trophies to take home to Bundy. John Woodall from Mungungo shot well and wore a gold watch home after a shoot-off with G. Darr in the Double Rise. Kaye Rehbein from Bundy, and John Cuddihy from Rocky made John Cush work hard to win the gold watch after a shoot-off in the B grade Double Rise. Also the blind 'Fox' (alias Rick Hannah), with the crook leg and much back pain managed to go from B grade to A grade with a fine score of 135/150 (imagine what he could have accomplished if he had the aide of a seeing eye dog).

Check the results in the Gladstone column for full details.

Once again the Gladstone members would like to thank all the visitors for coming and making it a very successful shoot. We would also like to thank our sponsor Alex Campbell & Company, as there were some \$1780.00 of trophies and sashes, and he has agreed to sponsor this event next year.

Unfortunately our President Ray Wise and Club Handicapper Peter Hoare were on holidays attending the Darwin Shoot. I believe Peter made a name for himself at the shoot sharing

the Calcutta, more will be heard when he returns we can be assured. Gladstone will be holding a Charity Shoot on 29th September 1996 for Miss Australia entrant Tanya Jackson. Anyone wishing to participate is most welcome. Keep Easter 1997 free for our 3 day shoot as we are hoping to make it a shoot to remember.

To all ISU Shooters, A message from the Shooting Committee

Sincere congratulations to Michael Diamond, Russell Mark, Deserie Huddleston, Ann Maree Roberts and John Maxwell for their fine achievements at the Olympic Games - Australia is very proud to have these shooters invited to shoot at the World Cup Final at Montecatini, Italy in September.

Unfortunately, this coincides with our own National ISU Titles being held in Adelaide so it is the decision of the Shooting Committee that these people will be awarded 10 points for 1st, 9 points for 2nd, 8 points for 3rd for their scores shot in Italy; the same points being awarded to those actually participating at our own National Titles. The Training Team will then be selected from the top 7 scorers with the 3 competitors shooting in Italy added in to make up the squad of 10, and 4 will be selected for the Ladies Double Trap as Deserie and Annmaree will be in Italy as well.

The National Training Squad will be selected as per the National Training Squad criteria. Eliminations will be held at the Frankston Gun Club (October 24th, 25th, 26th, 27th), the Melbourne Gun Club (November 21st, 22nd, 23rd, 24th) and the third elimination will be held at the Brisbane Gun Club's Grand Prix in March 1997, over all the programmed events.

The two eliminations in Victoria will have Trap shot on the first 2 days and Double Trap and ISU Skeet shot on the final 2 days.

The Oceania Teams will be selected from the Nationals and the first 2 eliminations. The following Teams will be selected providing New Zealand enters enough teams to make up the competition:

Trap: Open (2 Teams) A & B; Juniors (2 Teams) A & B; Ladies (1 Team) A.

Double Trap: Open (2 Teams) A & B; Juniors (2 Teams) A & B; Ladies (2 Teams) A & B.

ISU Skeet: Open (2 Teams) A & B; Juniors (1 Team) A (with a B team if enough participants); Ladies Nil.

The World Cup Teams will be selected from the Nationals and best 2 out of 3 eliminations as per the selection criteria.

Due to the fact that the World Championships will be held in November (just after our 1997 Nationals in October) the 1997 World Championships Team will be selected from the 1996 Training Squad.

The following information should also be noted - the Oceania Games will be the first MQS shoot for the year 2000 Olympics and the new MQS percentages for Men and Women's Double Trap are as follows: Men Double Trap 150 Targets - Old MQS 120, New MQS 118; Women Double Trap 120 Targets - Old MQS 90, New MQS 87. MQS for Trap and Skeet remain the same.

Please also note the following: (detail of rules and technical data handed down by the Chairman of the UIT Clay Target Committee, Mr Medhat Wahdan); From the technical meetings in Italy and Germany the following items will be enforced.

1. Shorts no shorter than 15cm above the knee and of a respectable design (not cut off jeans).
2. Advertising to be strictly adhered to including gun advertising i.e. 1 brand only per gun.
3. No guns to be closed, pointed or shouldered outside the designated areas (strictly controlled).
4. For the collecting of cartridges for testing, they will be taken from the identified competitor: A-Trap: As the competitor leaves station 5 on their way back to station 1. B-Skeet: As the competitor completes station 4 and waits to move to station 5.
5. All contact with competitors is to be polite and diplomatic if

at any time they are to be spoken to on any breach or clarification of the rules.

6. Major breaches to be reported to the Chairman of the International Jury before action is taken.

Rule Changes being Enacted

1. For finals, all equal scores will be shot off for the six positions. Count back no longer applies. i.e. 2 x 124's ballot for 1st and 2nd; 3 x 123's shoot off for the last 4 positions. A ballot is held then to decide the order of the squad.
2. Trap - Single Barrel shoot off resulting from Finals will be shot squad system. Defined as shooter 1 on pad 1, shooter 2 on pad 2, shooter 3 on pad 3, etc, etc.
3. Doubles - All individuals in shoot off following Finals will line up behind pad 1. Number 1 shooter is shown a pair, then calls and shoots. Number 1 shooter then unloads and moves to pad 2. Number 2 shooter moves to pad 1, calls and shoots. This carries on until all have completed pad 1, then shooter 1 who has seen a pair form pad 2 calls and shoots. The system is repeated until required results are finalised. Score form each pad still decides those that carry on.
4. Doubles Competition - At the beginning of each squad No 1 shooter will be shown a pair.
5. Skeet - For shoot off following finals only stations 3 4 & 5 will be used. Doubles to be shot from each station. Total targets from each station to decide those that continue to next station.

*For information, it has been confirmed that a new event will be introduced into the U.I.T. This event will be Skeet Doubles and open for both Men and Women. It is possible that the new discipline will be demonstrated at the World Cup Finals in September at Montecatini, Italy. The Doubles described is not similar to targets thrown in American/Standard Skeet.

The A.C.T.A. Executive had approved a 'Code of Conduct' to be implemented for all Australian Clay Target Teams - ISU or DTL. This Code of Conduct has been drawn up after consultation with the Australian Institute of Sport, the Manager of the Australian Track and Field Team and the High Performance Manager of the Australian Shooting Association.

If we expect continued support from the Australian Government, we must expect strict discipline of our Training Squads. This Code of Conduct document will be signed, in conjunction with the National Training Squad Criteria, as a contract with all participating members of the National Training Squad.

"Code of Conduct"

1. All athletes will be totally accountable for their actions at all times and will be held responsible for any breach of the following.
2. Designated responsible personnel to accompany juniors on all internal and external trips where possible.
3. Senior athletes must act as role models to the juniors.
4. All athletes will assemble at appointed meeting times, i.e. travel arrivals, departures, lectures/discussions etc. Disciplinary action will occur if designated times and places are not adhered to.
5. All camp participants, coaches, managers, athletes, will eat and sleep at the designated venue unless given permission to do otherwise, which will only be given in exceptional circumstances.
6. Rooms will be allocated by manager/coach - there will be no swapping.
7. Rooms may be inspected at any time by team or squad officials.
8. Male and female athletes will not enter each others rooms after 11.00pm.
9. Sexual relationships amongst team members will not be

tolerated excepting married couples or long term de facto relationships.

10. Designated clothing or uniforms to be worn at all times and inspected by manager/coach.
11. Absence from or going out from the camp area is not permitted unless the express permission of the manager/coach is given and all instructions for travel both to and from are adhered to.
12. No alcohol to be consumed at any Training Camp. The consumption of alcohol on overseas trips is to be at the official functions only and at the discretion of the manager/coach and only then in a responsible manner. Manager/coaches in breach of this will be dealt with more harshly than an athlete.
13. An 11pm curfew on all camps, trips away, etc.
14. Misconduct taking place at camps or competitions, which is not otherwise covered under this Code of Conduct (for example, drug abuse or damage to/theft of property) will be regarded as a breach of this code.
15. Breaches of this Code of Conduct may be met with suspension, immediate dismissal and/or fines.
16. This Code of Conduct applies to all ACTA selected teams whether overseas or at Training camps/Elimination competitions.

Note: In the Womens and Juniors squads 1-6/1-3, the next shooter with the highest score, i.e. number 7 or number 4, will be the first reserve. If a shooter is unable to take their place, the first reserve will then take that place in the Training Squad.

NATIONAL TRAINING SQUAD - MEN

1. Will be 9 shooters plus 1 reserve.
2. Will be picked from the National I.S.U. Championships over 375 targets.
3. When National Training Squad is known, the shooters who are selected will participate in 3 elimination series of which only 2 will count.
4. The shooters in order of qualification after the elimination will be selected for World Cups.
5. Elimination points will be awarded in order of finishing.

National Championship	375 targets
Elimination No. 1	300 targets
Elimination No. 2	300 targets
Elimination No. 3	300 targets
	1275 targets

POINTS SYSTEMS

1. Points will apply for National I.S.U. Championships and each elimination.

1st	10 points	6th	5 points
2nd	9 points	7th	4 points
3rd	8 points	8th	3 points
4th	7 points	9th	2 points
5th	6 points	10th	1 point

2. The Australian Points Systems will also be used at World Cups giving 10 points to the highest placed Australian shooter, working down to 1 point.

3. After National Titles and eliminations, the top 1-3 shooters will apply for World Cups; 4-6 will apply second; 7-9 will apply third.

4. Shooters that are unable to fill their positions will be replaced by the next highest scorer.

5. The Shooting Committee will have the right at eliminations to adjust the amount of targets to coincide with the State or Territory.

6. The amount of targets at all eliminations will not be less than 300 targets.

7. Double Trap targets will be:

National I.S.U. Championships	150 pair or 300 targets
Elimination No. 1	150 pair or 300 targets
Elimination No. 2	150 pair or 300 targets
Elimination No. 3	150 pair or 300 targets

Only 2 eliminations to count.

PERFORMANCE

After 3 World Cups, the lowest 3 scorers will drop out, leaving a squad of 6 to compete in the remaining World Cups. The 3 top scorers will then be available for selection for World Championships etc. In the year of the Commonwealth Games the top 2 will compete. If the Commonwealth Games are before the World Championships, the 2 top qualifiers from eliminations will be selected.

"Mens" Trap (M.Q.S.) is	89.6% or 112/125
"Junior" Trap (M.Q.S.) is	84.8% or 106/125
"Womens" Trap (M.Q.S.) is	84.8% or 106/125
"Mens" Double Trap (M.Q.S.) is	80.0% or 120/150
"Junior" Double Trap (M.Q.S.) is	75.3% or 113/150
"Womens" Double Trap (M.Q.S.) is	75.0% or 90/120
"Mens" I.S.U. Skeet (M.Q.S.) is	91.2% or 114/125

"Womens" I.S.U. Skeet (M.Q.S.) is	84.8% or 106/125

A shooter not obtaining an M.Q.S. will not be selected for overseas teams.

DOUBLE TRAP

After National Titles and eliminations, the top 1-3 shooters will apply for World Cups; 4-6 will apply second; and 7-9 will apply third.

Shooters not able to fill their positions will be replaced by the next highest scorer. After 4 World Cups have been held, shooters with the highest points will be selected for the World Championships etc.

NOTE: Shooters will only be allowed to attend one World Cup.

TIED SCORES

Any tied scores will be broken by a count-back system.

FUNDING

The funding for all World Cups and Championships will be on a self-funded basis. The A.C.T.A. will endeavour, through the Australian Sports Commission, to apply for support to encourage shooters to maintain high standards.

SHOOTER RESPONSIBILITY

All shooters must abide by U.I.T. eligibility rules and anti-doping regulations.

In the year of the Olympics the order of selection for World Cups will be the highest qualifier other than the Olympic team.

The Olympic Team members will have first priority on World Cups as part of their training for that year.

SHOOTING COMMITTEE

At the discretion of the Shooting committee, it will have the right to alter or amend any of these rules.

It will not have the right to disadvantage any shooter who has qualified according to these rules.

CHAIRMAN, SHOOTING COMMITTEE for and on behalf of the SHOOTING COMMITTEE

Mackintosh International Trophy Match results

The 'Big Mac' has once again taken place, and the Clay Pigeon Shooting Association of Great Britain have advised the results of the Postal Match.

Our Junior Team excelled winning the Match 14 targets clear of their nearest rival in England. We had to settle as the Runner Up in the Open and Ladies competition, although this effort is nothing to be sneezed at.

Congratulations also to the Veterans team for their competition.

Postal Match Team Results

Open: 1st England 5933, 2nd Australia 5903, 3rd Canada 5902, Ireland 5893, Wales 5884, New Zealand 5858, Scotland 5830, Zimbabwe (top 15) 4297.

Ladies: 1st England 1155, 2nd Australia 1149, 3rd Canada 1126, 4th New Zealand 1117.

Juniors: 1st Australia 1173, 2nd England 1159, 3rd New Zealand 1156, Wales 1148, Canada 1128.

Veterans: 1st Canada 1161, 2nd England 1155, 3rd Wales 1153, Australia 1126, New Zealand 1119, Zimbabwe 1106.

South Africa have not taken part in the Mackintosh International as they no longer shoot DTL.

Combined Fighting Fund Shoot

135 shooters attended the combined Fighting Fund shoot held at Nepean / Port Phillip ground on Saturday 27th July.

The shoot was held in perfect weather (normal at this venue) and the ground controllers were instructed to make most of the targets easy. This appeared to confuse a lot of shooters because the shaking of heads and the sarcastic comments from their friends created a lot of fun.

The presentation was well attended and the sashes were presented by Rick Foster V.F.G.A., Glenn Woodhatch A.C.T.A., and Larry Pilkington S.S.A.A.

Ted Drane of the Sporting Shooters had to leave early to attend the Annual General Meeting of the S.S.A.A.

We would like to thank Door World of Mornington for the case of cartridges for Overall and Melbourne Shooters Supplies for the \$75.00 voucher that was sold by auction prior to the presentations. To the remainder of our sponsors thank you.

The sashes (47) were donated by Larry Pilkington, Phil Irons, Bill Curtis, Vince Belilacqua and Peter Kalinowski.

Centway Cycles and Movan Industries also donated to the fund.

The raffle of a case of cartridges, donated by Keysborough Gun Club, was won by Rob Passarin of Westernport Field and Game.

A donation of \$2000.00 was given to the fighting fund by the Victorian Clay Target Association.

The total amount to the fun is in the vicinity of \$4800.00

Queensland Quotes

On behalf of all Queensland shooters, I would like to offer our hearty congratulations to the entire clay target team that went to Atlanta. The Gold Medal wins of Michael and Russell and the Bronze to Deserie will be remembered for many years to come, as will the manner in which all three presented themselves in all the interviews conducted, they are truly great ambassadors for our sport, which has now come of age. Congratulations once again.

The ISU Scene: Dot Trindall has provided the following results from the ISU Elimination in Brisbane on 20 & 21 July. Olympic Trap - OA Greg Newey 118+25; A Kevin Drovandi 117+25; B David Menck 108; C Rod McGregor 100+20. Double Trap - 1st Kevin Drovandi 96/120, 2nd Greg Newey 94/120, 3rd Dot Trindall 90/120.

Greg Newey has advised of a change of date for the Guyra

Elimination - it will now be held on 19th & 20th October, further information from Greg on 076 613533bh.

Coaching: State Coach John Mitchell has advised of a change of date for the South East Zone Coaching Seminar set down for Toowoomba, the new date will be 19th & 20th October.

The Western Zone Seminar will be on 28th & 29th October. Further information on either of these seminars can be obtained from John 07 3393 4935.

Skeet, Skeet, Skeet: A final reminder for all those skeet shooters looking for plenty of targets under warm sunny skies. Western Zone Carnival Roma 7 & 8 September, Central Zone Carnival Rockhampton 14 & 15 September, and Queensland State Skeet Carnival Rockhampton 20, 21 & September.

The full program for the State Skeet Carnival was in the August CTSN, please note that the first days events (Friday) commence at 9am.

Central Zone: A note from Peter Henderson to remind all of the Clermont shoot on 26 & 27 October. Saturday starts at 10am with plenty of targets and good trophies. Further information from Peter on 079 831417 or 015 130110, or Barry on 079 831146.

South East Zone: Brian Guthrie from Toogoolawah sent in some details of their annual shoot, Saturday 7 September with a 10am start. This small club only shoots twice a year and is really looking for support in the form of a good roll up of visitors to this event. The program comprises four events, 100 targets for the day, \$60.00 nominations. Give Brian a call on 074 231468 if you require more details.

Thats all this month, don't forget to send in any information that will add to this monthly addition, every little bit helps.

PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods. With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun, you immediately think to yourself "Perazzi from Yozzi" the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:

MX1	MX3 trap	MX5 sporter	MX8 trap with 28 1/2" and 31 1/2" barrels
MX2	MX3 skeet	MX4 trap	MX8 skeet
M2L	MX3C	MX4C trap, skeet or field	MX8 gold line trap
	MX3C sporter	DB81 special trap	
		SC3 trap and skeet	

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for? Now be positive and buy your "Perazzi from Yozzi" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

Coffs Harbour 7th Annual Golden Snapper Event

Coffs Harbour put on another great golden snapper event with shooters coming from Guyra, Dorrigo, Taree, Kempsey, Grafton, Port Macquarie, Albury and the Gold Coast. Our local weatherman predicted storms and hail for our area, but we managed to trick him and produce a clear, warm and windless day.

Shooting got under way for the first 50 target double barrel event and despite the beautiful conditions and excellent targets, there was only three shooters to return 50/50. John Farrell, Eric Balogh and John Cunningham. The shoot off resulted in John Farrell taking overall on 69/69, Eric Balogh 1st AA 68/69 and John Cunningham taking 1st A grade 51/52.

There seemed to be more interest in the second place trophy for AA grade with Geoff Lancaster and Roger Vidal settling down and using the best part of a case of shells for Geoff to be the eventual victor with 163/163. Noel Rodgers had everything under his command and secured 1st B grade with a fine score of 73/74 over Daryl Pasfield 72/73. C grade was decided by showing a clean pair of heels by our club secretary, Max Dunn on 49/50 and second went to local shooter, Alan Latch 45/50.

After the third round of the 100 target program interest was building as to who could shoot the program clean. John Farrell

When the sun had gone down we welcomed two shooters to the fast lane, namely Peter Ryan and Daryl Pasfield, the latter who has been shooting only 18 months. Congratulations fella's.

It will happen again next year so be sure and be there as everyone had a great day.

Breaks were shot by Geoff Lancaster 315; Roger Vidal 227 and Clem Cunningham 149 over the program. Well done guys.

High Gunners left to right: C grade Max Dunn, B grade Peter Ryan, A grade Peter Smith, AA grade Roger Vidal and Overall High Gun Clem Cunningham.

and John Cunningham were the only two who had shot 75/75. At this point we stopped for lunch where our resident caretaker (alias caterer, cook and drinks co-ordinator) Ken, supplied a welcome lunch of home made soup and main meal. Thanks Ken. Into the last round and who could it be to shoot the 100/100, not John Farrell nor John Cunningham with all the probables now having to settle for a 99/100.

At the end of the second 50 target double barrel event it was the Guyra boys, Roger & Geoff to sort out who was who and after 139/139 Roger took the overall place and Geoff on 138/139, 1st in AA grade, 2nd AA Clem Cunningham 149/149. 1st A grade Peter Smith 90/91; 2nd A grade Brad Hooper 49/50. 1st B grade Peter Ryan 49/50, 2nd B grade Daryl Pasfield 48/50. 1st C grade Max Dunn 47/50, 2nd Alan Latch 42/50.

With the two events settled it was now the final of the 100 targets to see who would be wearing the Golden Snapper (valued at \$850.00) and sashes for overall High Guns. With seven shooters on 99/100 - John Farrell, Peter Smith, Geoff Lancaster, Roger Vidal, Ernie Balogh, Clem Cunningham and Reece Ehlers, Clem Cunningham had the snapper tightly in his grip after shooting a fine 177/178. Roger Vidal had to settle for the AA Grade sash 176/178. Peter Smith A grade 130/132. B grade Peter Ryan 98/100 and C grade Max Dunn 96/100.

Trap Carnival attracts many Shooters

The Narrogin Clay Target Club enjoyed excellent conditions for its 1996 Trap Shooting Carnival held on Saturday July 6 and Sunday July 7.

The carnival attracted fields of 97 shooters on Saturday and 102 on Sunday.

A number of competitors, including several caravanners who camped at the club, arrived on Friday afternoon and availed themselves of the opportunity to practice.

Official practice started at 8am on Saturday, ending at 8.45am.

Club President Peter Cook welcomed all shooters and their families to Narrogin and wished them well in the competitions.

He then introduced club captain Roger Beven who outlined the competitions for the day, the manner in which they would be run and impressed on shooters the need to observe all of the usual safety rules.

The first four squads of competitors in the first event, the Rural Traders Co-operation/BHP/Waratah 25 target DB Championship, were called an the competition started.

Of the 95 shooters in the first event 20 scored the possible 25/25. In the shoot off to decide the eventual winner and grade placings, WA Gun Club Member Peter Strike shot a further 111 targets for a total of 136/136 to win the Sash & Trophy. Grade placings AA Bert Boschetti 107/108; A grade Jim West 135/136; B grade Alan Sexton 63/64; C grade Paul Miragliotta 28/29.

Major trophy winners at the trap carnival were: (l to r) back - Mick Watson, Joe Dizinno, John Rourke; front - Peter Strike and Shane Williams.

Event two, the Wool Agency / Storm Boy Jumpers 50t Point Score Championship was very capably won by John Rourke of Kojonup Gun Club who scored 148 points out of a possible 150 to win the Sash & Trophy. Gary Kelly took AA grade with 153/156, A grade went to Dennis Rollond 152/156, B grade Chad Ferrari 161/168 and C grade to Trevor Booth 129/150.

Event three was the SBS Rural IAMA 25t DB Handicap. Again there were 15 shooters who scored the possible of 25/25, requiring a shoot off to decide the winner and placings to eighth.

WA member Peter Strike shooting from 21 metres, was still in fine form and shot another 15 targets for a total of 40/40 to win the Sash & Trophy from: Terry Fraser 39/40, Eddie

High Gun winners were Gary Kelly (left) for Overall High Gun and Roy Holtfreter for Veterans.

Toomey 38/39, Colin Hinkly 37/38, Gary Kelly 48/49, Michael Boschetti 47/49, Mick Watson 37/39 and Joe Dizinno 36/38.

This completed the competitions for Saturday and it was time to relax and enjoy the company of the visiting shooters from 16 clubs around the State.

On Sunday the weather was fine and overcast but conditions were still good and expected to produce some good scores.

With the start of event four it appeared that the changing light conditions and the light wind were taking a toll, because only 10 shooters scored the possible.

However Mick Watson and Roy Holtfreter showed they could handle the conditions and gave the spectators an exhibition of some very good shooting.

Eventually Mick got the better of Roy to win the Western United Insurance Brokers 25t DB Championship with a score of 83/83. Roy took A grade with 82/83, Pieter Muntz AA grade 53/54, Allan Baker 31/32 won B grade and Jim Sharpe 24/25 won C grade honours.

Event five, the Prestige Business Proprietors Championship of 50 targets Double Barrel produced only four perfect scores of 50/50 - Justin Pirrottina, Neil Suckling, Shane Williams and Mick Watson.

In the shoot off to decide the winner Shane Williams excelled and collected the Sash and Trophy with a score of 58/58.

Grade trophies were AA Justin Pirrottina 57/58, A grade Neil Suckling 53/54, B grade Graeme Wilson 49/50 and C grade Frank Buemi 47/50.

Event six, the Narrogin Cup, sponsored by Yarranabee Merino Stud, produced another 15 possibles of 25/25.

Joe Dizinno of the WA Gun Club had to shoot another 45 targets for a total score of 70/70 to win the Cup and Sash, which was presented to him by sponsors Darrell and Helen Wiese.

Grade placings were: AA David Donning 69/70; A Colin Hinkley 55/56; B Gavin Shim 36/37; C Greg Doak 30/30.

This completed the competition for the carnival and while the final scores for the high gun awards were collated, Club

President Peter Cook welcomed the Mayor of Narrogin Cr Doug Fairclough and Lady Mayoress June Fairclough.

Mayor Fairclough welcomed all visitors on behalf of the town of Narrogin and congratulated Narrogin club on the organisation and running of another successful event.

President Peter then welcomed Brian Kent of Wool Agency Co

and Kim Anderson of SBS Rural IAMI and thanked all of the many sponsors who had contributed to making the carnival such a success.

He also thanked Darrell and Helen Wiese for their sponsorship of the Narrogin Cup and all the work they had done in arranging sponsorship and organising of the carnival.

The coveted High Gun trophy, donated by Winchester Australia, the High Gun Sash and silver badge, donated by John Barnes was won by Gary Kelly of Geraldton, who dropped six points over the whole program to score 294/300.

The Ladies High Gun trophy, donated by Bobby Bates' Narrogin Beauty Clinic, was won by Elaine Forward of Katanning with a total score of 275/300.

Chad Ferrari, a promising junior shooter of Katanning club, won the Junior High Gun trophy, donated by Ross Eckersley with a score of 280/300.

The Veterans High Gun trophy, donated by Lambert Jackson, was won by well known shooter Roy Holtfreter of Northam with a score of 287/300.

QCTA State Coaching Directors Seminar Rockhampton June 22 & 23, 1996

I left Brisbane on Friday 21st June for Rockhampton, a 6.5hr drive north. On the way through Childers I picked up Chris Harrison, SEZ Coach, along with the zone video gear. On arriving at Rockhampton we were accommodated at the 'Regency on Albert St' Motel, where the manager Mr John Cuddihy (trench/trap shooter), mad us very welcome.

Saturday morning at 8.30 I began the Seminar with all attendant coaches. I had decided to kill several birds with one stone at this Seminar by combining the State Coaching Directors Seminar, the Central Zone Seminar, and the live in weekend for the Coaches doing their Level II Course.

I began the day with a talk on gun fit and all of its associated aspects. Using John Cuddihy, who had some minor mounting and stance problems, I got all Coaches involved in this subject. John now has no problems.

Prior to morning tea I spoke on the Volunteer Involvement Program, issuing each Zone Coach a video, posters, a Volunteer Management kit, and several brochures to use within their Zones.

After morning tea I introduced the guest speaker to the assembly, Mr John Duggan from the Qld Softball Association, a very informative speaker who kept us all interested with his wit.

During the lunch break the Level 1 Course kit was explained and given to Adrian Wenban from Caloundra. A very enthusiastic coach to be.

After lunch Rod Woodrow (Western Zone Coach) took the floor. He moved us out of the conference room, out into the adjacent garden, where he had set up a lot of exercise equipment. His talk was on the eyes, and the equipment was for eye exercises. A very eye tiring experience, but very worthwhile.

Allan Pack and Chris Harrison were the next speakers. Both of these Coaches are doing the Level II Course at the moment. Allan Pack, a Solicitor and Chris Harrison a Real Estate Salesman, both gave excellent talks on their chosen subjects.

The final segment of the day was with Peter Field, Central Zone Coach, he conducted a general discussion on gun mounting, where on the trap house to point the gun and gun fit. The discussion then moved on to junior coaching, adult coaching and the future program. Thus the first day was finished and all agreed that it was a learning experience that

won't be forgotten for some time, especially the eye exercise gear of Rod Woodrow.

Sunday morning in excellent weather we all assembled at the Rockhampton C.T.C., where we were met by the Club President Mr Graham Whitfield.

All local people who attended were given sessions at the pattern board, for gun fit purposes, were put on camera, and given intensive training on the tracks. The viewing of several videos, general discussion and an excellent lunch completed the morning. As several of us had a fair distance to travel, most got away soon after lunch.

Overall, a very interesting and learning weekend for us all. We were given excellent accommodation and conference facilities at the motel. My sincere thanks to all who made this weekend the success that it was.

John Mitchell
State Director of Coaching, Queensland.

Dear News
Olympic Shooting

Shooting has been an Olympic event since the first modern Games in 1896 and Australia's recent medal record has been very good. It must seem perverse to most Australians that some guns used in the Olympic shooting events will no longer be available in Australia.

Not many know that it was Sir Alexander Fleming's (1881-1965) expertise as a rifle marksman that led to his acceptance as a postgraduate researcher by the head of the bacteriological laboratory, where he discovered penicillin.

Professor Sir Almroth Wright (1861-1947) head of Fleming's London University laboratory and Baron Pierre de Coubertin (1863-1937), founder of the modern Olympics, were both excellent shots.

In the low crime, neutral nation of Switzerland, the law requires that virtually all sane, able-bodied males between 20 and 42 years have ready access to self loading rifles at all times. There are relatively few murders in Switzerland involving military weapons. The penalties for abuse are severe.

At the outbreak of the Second World War, many new recruits in our military trained with axe handles and broomsticks, owing to the shortage of rifles. If invaded, our formal Defence Force would probably last only a few hours until its imported missiles were spent. Politicians have no natural right to disarm our citizenry.

Australians used to operate on the principle that one was innocent until proven guilty. Nevertheless, the new gun laws will make criminals of most owners of self loading rifles because of the behaviour of a few psychopaths. Meanwhile, the executives of tobacco companies are paid large salaries to kill thousands of Australians each year.

History shows that unarmed prophets do not survive. Prime Minister John Howard claims to trust the intelligence and judgement of the Australian population. The results of a carefully worded National Referendum should at least clarify the current uncertainty and confusion.

Yours sincerely
Jonathan Graham

It's Time for Change

Not much has changed over 40 years

by George Biggs,
ACTA Historian

Recently while browsing through some old 1950's ACTA magazines it becomes obvious that a few things have changed for the better. Noticeably the standard of shooter performance and gun club equipment & ground layout etc, with some small clubs joining up with larger clubs and becoming more efficient.

'Famous Clubs Amalgamate (about 1948)

The Blackburn Club held its eighth Annual Meeting at Scott's Hotel, Melbourne on Tuesday August 24. The meeting was well attended and several important matters were finalised. Chief among these was the approval of amalgamation with the Nobel Clay Target Club. The later club, the mother of all clay pigeon shooting clubs in Australia, has been in recess since the early months of the recent war period.

Its former ground was taken over for housing and efforts to secure another venue proved abortive. The committees of the two clubs, through appointed delegates, then entered into negotiations with the view to joining forces.

The committees of both clubs approached the subject in true sporting spirit, hence any minor details or slight differences of opinion, ironed out with the minimum of delay.

The culmination of negotiations was arrived at during the annual meeting when (Nobel members had already approved) the Blackburn members unanimously agreed to the proposition.

The new name of the club caused a fair amount of discussion. The ultimate decision was to name the new organisation "The Australian Clay Target Club" (incorporating Blackburn and Nobel Clay Target Clubs).

The club will continue to shoot as one entity on the East Burwood three trap shooting ground. Dave Watson did such a good job in his first year as President of the Blackburn club that the combined members would not hear of his retirement from the chair in the new club's first season. He was deeply appreciative of the confidence shown in him.'

However we are, in my view, lacking promotion of our sport - in fact we have never been very good in this department.

My suggestions are the following: How about we switch to point scoring in double barrel shooting, it would lessen the cost of shooting and give us a decision sooner at much less cost. I could never see the wisdom in for instance, shooting a 25 or 50 target championship, going on to 300/400 targets in the shoot off to get a decision whilst the rest of the members sit around bored stiff. While we are on the subject of changing things, let's alter the skeet rule of gun on shoulder. Why not go back to the early days of skeet when the gun was held off the shoulder until after the target is released, as is the rule in International Skeet. Let us present the trap and skeet shooter with a greater challenge. It is a great sport and would add greater interest by shooting more handicap events. This in turn adds more experience and better scores.

Some thought needs to be given to the many meaningless so called championships competed for every week throughout the country.

During April of next year (1997) the ACTA will conduct the World Down the Line Championship on the grounds of the Wagga Gun Club in New South Wales. April 9, 10 & 11 are the three days the Championship will run over shooting 300 targets Double Barrel Point Scoring.

This 300 target event will surely give Australian shooters a first hand experience of how much more efficient point scoring can be. I would personally like to see single barrel shooting eventually, it is what we do at skeet anyway.

Letters to the Editor 1955

The following is a copy of a letter sent to the ACTA Secretary Bill McCullough for magazine publishing by Mr CJ Colledge, then Secretary of the Coburg Gun Club which is now the Metropolitan Gun Club operating at Epping.

Meaningless Championships (1955)

If clay bird shooting is to mean anything in the field of sport, it is incumbent on the Association to exercise careful consideration of the ever increasing number of championships allotted each year.

The situation now appears to have got completely out of hand. Perhaps we have become too complacent in the past, but sooner or later the brake will have to be applied with a degree of force.

In addition to the annual championships conducted by the Association, the amazing total of over 300 "championships" were allotted throughout the Commonwealth in 1955.

When the list was published, it was further pointed out that "any minor championship not allotted or shown in the list may be applied for to the Association secretary during 1955".

Add to this the innumerable club championships and you will see that the title of "Champion" these days loses a great deal of its prestige, and in some cases leads to not a little embarrassment to the conscientious shooter.

Where is it going to end?

No other sport would tolerate such an encumbrance.

I would suggest that the most important title event in clay bird shooting is the Champion of Champions Cup. If it is not, then it should be made so.

As now, it should be conducted solely by the Association and should be made difficult to win. When won, the Champion should be acclaimed far and wide, not merely until the tumult and the shouting dies as pertains today.

It reflects little credit on the sport when it is realised that very few people outside shooters could tell who was the Champion of Champions for 1954, and even some shooters themselves may be a little hazy on that score.

The Champion of Champions Cup should be a single barrel event, the true test of a shooter's ability, and should be in the nature of an elimination test. When the test has been

decided, the winner then has earned the right to challenge the present title holder, and the two should meet at the invitation and as guests of the Association.

The definitions of the words "champion" and "challenge" put the case in a nutshell. A "champion" is "one who fights to defend", while challenge means "a call to a contest".

To my mind no Champion of Champions has ever been specifically invited to defend his title the following year against all comers. Surely that is his right by common courtesy, and he should be invited to "fight to defend" "a call to a contest".

If he cannot accept the challenge, then the title should revert to the challenger.

Other sports lionise their top men, and what is more, insist that they lose their titles only in competition or by default.

A more modified procedure could well be adopted by clubs entrusted with the conduct of Commonwealth and State championships.

The foregoing title events will always attract strong fields, but from that very point the interest progressively lags, until some district championship draw fields, the numerical strength of which reflects very little credit on so fine a sport.

Night championships and clay sparrow championships could be deleted without loss of face. At best they are no more than novelty events and their promotion would be just as enjoyable to shooters without the appellation of the precious word "championship".

Possibly intermediate and/or tyro championships could be arranged, but that is as far as the Association should go. It should then direct that the word "championship" not be used for any other events, with the exception of club championships. This would go a long way in preserving the dignity of the titles.

Club championships are reasonable, but here again they should be subject to strict supervision. Domestic rules lay down that only financial members shall compete in club championships, but there is nothing to prevent a shooter joining a club on the day of the shoot and then taking his place in the field, perhaps never again being seen at that particular club. A member to be eligible should have been financial for at least three months.

The district championship set-up would be laughable if it were not so serious. Some have high sounding titles which mean nothing. They don't even mean that the event is restricted to shooters in the particular district to which the name applies. What possible glory or standing could be attached to the title of, say, "Walk-up Champion of the District of Bandywallop"?

New clubs are being formed and will seek registration with the Association. They, too, in time will doubtless conduct club championships, and it is reasonable to assume that more official championships will be inaugurated to suit their particular districts.

If drastic action is not taken in the near future, every day will be a championship day. Even now some clubs are shooting two championships on the one program in order to get through their commitments.

Let the real championships be the only ones to count. Let the title mean something to the winner. Applaud his victory and let him be honoured for what he is - a champion.'

Coaching Corner

*The following article is presented by
Mr Peter McBride, Level 2 Coach,
West Australian Gun Club.*

STANCE AND GUN HOLD POSITIONS

Our stance, or the positioning of our feet, enables us to swing our guns cleanly and comfortably along the target path while maintaining our balance.

Previously, the rule of thumb was that on each track, the front foot, left or right, as required, pointed generally in the direction of the fifty metre peg, the feet being near to forty-five degrees from each other, the front knee flexed slightly and sixty percent of the weight on the front foot.

The shoulders being forward nearly to that foot and the feet no wider apart than shoulder width.

This stance enables the shooter to swing easily after the hardest target from each track, to absorb recoil without being driven backwards, and at all times maintain balance.

Then, on instructions from the ACTA, and moving more in line with the American ideas, the target angles were narrowed in, and the distance thrown became forty-eight metres.

Consequently, it is no longer so critical to cover the extreme angles and the targets are not moving as fast.

The new idea also takes into consideration the fact that a right hand shooter can usually swing easier to the left than right due to his left arm being extended to the fore and a left hand shooter similarly finds it easier to swing to the right.

Now we stand, assuming we are right handed, not pointing at the fifty metre peg but nearer to the left hand side of the trap house from track one.

From track two, our stance faces nearly to the centre of the trap house, from track three we point to the right hand corner, from track four we point some eight metres right of the trap house, and from five, some ten to fifteen metres to the right. These positions all favour the right hand target slightly, and are those positions used by most of our top shooters. (Reverse for a left hand shooter).

i.e. A simple way to achieve this is to use the clock method on each track:

Right hand shooters - Feet face: Track 1: 12 o'clock to 1.30 o'clock; Tracks 2-5: 1 o'clock to 2.30 o'clock.

Left hand shooters - Feet face: Tracks 1-4: 11 o'clock to 9.30 o'clock; Track 5: 12 o'clock to 10.30 o'clock.

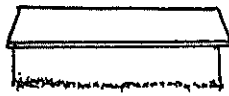

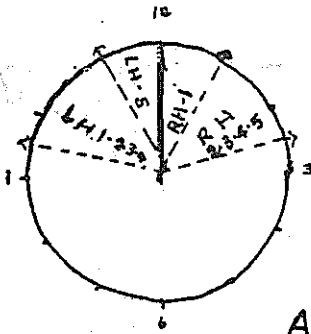

See diagram page 21

Not so much weight is used on the front foot, as not so much body swing is needed as before.

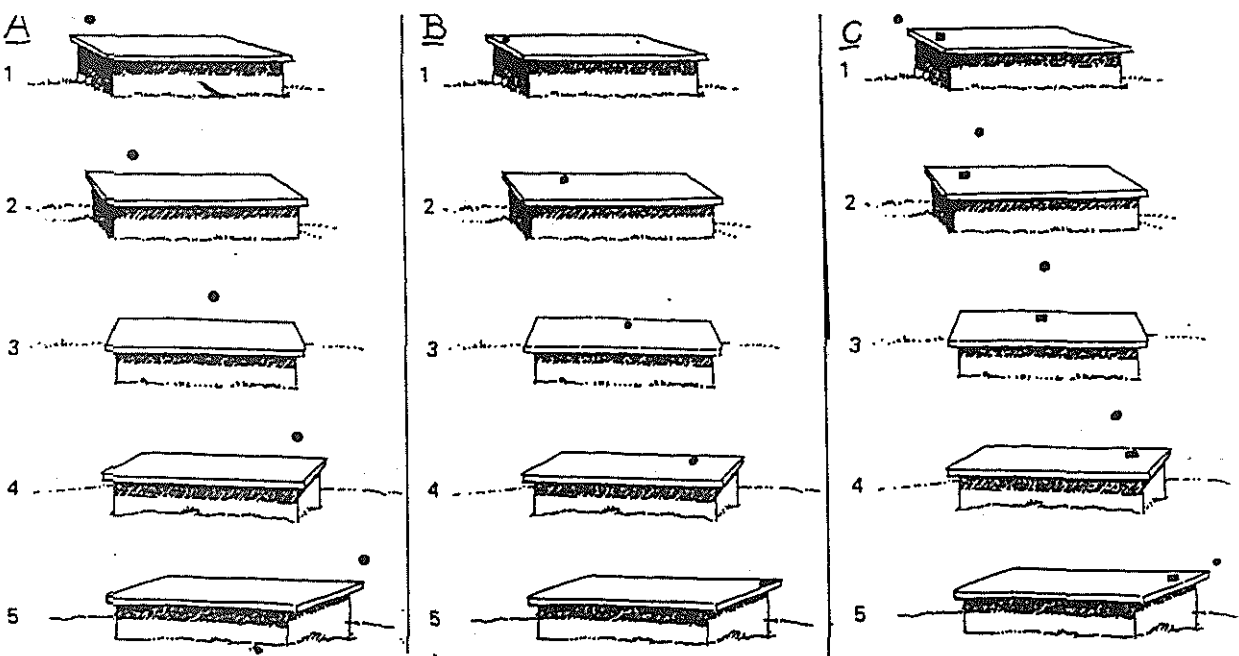

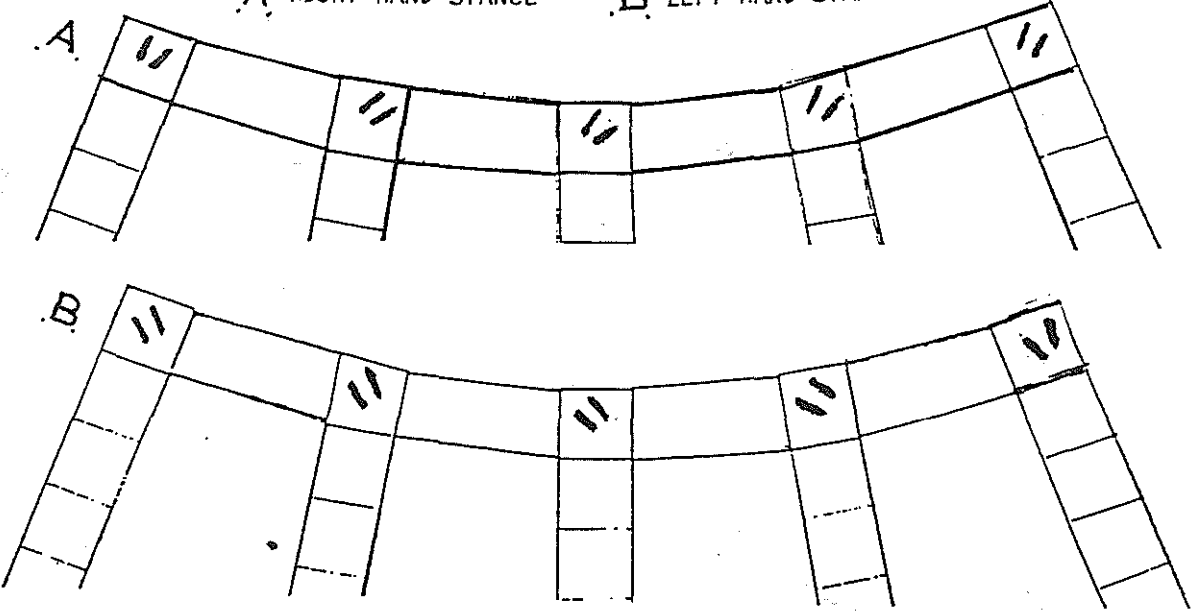

People who have previously shot rifles, tend to adopt a fore and aft stance with the gun mounted out towards the shoulder joint, or with the feet wide apart. Both of these prevent smooth swinging from the hips, the shoulder rolls downwards, and the shot string ends up way behind the target.

HOLD POSITION

The next question: "Where do I hold the gun when looking for the target?"

A. RIGHT HAND STANCE B. LEFT HAND STANCE

A. Normal hold for a two eyed shooter holding "high". Height depends on wind speed and direction.
 B. Normal hold for a one eyed shooter.
 C. Alternate points for "•" high pointing "■" low pointing.
 These are only guides. Each shooter must determine which gives the best view of the emerging target, according to the conditions and personal reflexes.

For beginners the old idea of left front corner, half way to the centre, centre, half way to the right front corner, and right hand front corner and just low enough on the top of the trap house to let your eyes see out over the rib and over the front edge of the trap house is still quite good.

The eyes must not look at the foresight on the barrel or the edge of the trap house, but just over both and projected some distance out with an open field.

With experience and with two eyes it is possible to hold high, ie to have the gun raised above the trap house so that when the target appears above the barrel you do not have the large amount of gun movement needed to catch it. The danger here is, if the barrel is too high, extreme angle targets can fly out beneath your vision. With a strong headwind, where targets are rising quickly, there is an advantage; with following winds keeping the target low,

the advantage is not so good. A one-eyed shooter does better with a lower hold position, having a naturally narrower field of view.

Only the shooter himself can work out which method works best for him/her.

See diagram page 21

A. Normal hold for a two eyed shooter holding 'high'. Height depends on wind speed and direction.

B. Normal hold for a one eyed shooter.

C. Alternate points for 'high pointing', 'low pointing'.

These are only guides. Each shooter must determine which gives the best view of the emerging target, according to the conditions and personal reflexes.
