National President's Notes

CHANGE TO NATIONAL EXECUTIVE

The South Australian Clay Target Association has notified us that Guy Yoannidis has resigned his position on the National Executive, and that he has been replaced by John Byrnes.

We thank Guy for his input and hard work whilst a member of the Executive, and we welcome John and look forward to working with him.

THE GUN LAWS!!

Once again we are unable to report any further on the current position re National Gun Laws, or the situation with members of the A.C.T.A.

It certainly makes you wonder how, when in a matter of days, a Government is able to prepare and present a vast change to the existing firearm laws, and then in a period of six months that follow, they are unable to present the most basic of decisions re these changes to the laws.

Negotiations are still continuing for A.C.T.A. members to retain their semi-automatic shotguns. South Australia is the only State to have enacted their legislation with

exemptions being granted to A. C. T. A. members. As the amnesty does not conclude in most States until September 1997, semi-auto shotguns, although they cannot be used at this moment, can be retained until this date.

SCHOOL STUDENT CLAY TARGET COMPETITIONS

Victoria has just completed another very successful year in school shooting, and due to the proposed laws banning the use of self-loading/pump-action shotguns, plus our success in Atlanta, this year's events attracted national television coverage.

When the programmes were aired, they included comments from the so-called experts against shooting and firearm ownership. These narrow-minded, self-important critics were not necessary; however, I believe the media coverage did us no harm at all, and the programmes came across in our favour.

If given the opportunity, I urge all Clubs and/or members to use the media to promote our sport. All I ask is that prior to making any comments to the media, make yourself conversant with the policies of the Association.

ENTRY FORMS WORLD D.T.L.

The entry forms are now available and some were distributed with the October C.T.S.N. The mailing house is rectifying the problem of some members not receiving the forms in that they are forwarding the forms direct. If you have not received your entry form, please contact the National Office and one will be forwarded to you.

A reminder is also made re our requests for referees and scorers for the event. If you can help, please contact the Office or Libbie Bunting on (063) 614 443.

1996 Southern Zone Trap Carnival

Marconi Clay Target Club was host to the 1996 Zone Carnival on August 24&25 with 80 plus shooters in attendance in near perfect weather. All the elements required for good competition.

The major highlight of the weekend was the attendance of the Atlanta Gold Medallist Michael Diamond with his family and friends. Michael began his shooting career at the age of eight and did a lot of his early shooting under the guidance of his father Con, on our clay target complex which is shared with Sydney Clay Target Club.

In the early eighties Michael represented Marconi CTC in teams events in Adelaide against International GC and Veneto GC in Melbourne.

Our club is proud of his gold medal and also of his success in representing Australia in International competition.

Other highlights were: Wheelchair shooter Tony Bernar winning the Southern Zone Single Barrel Championship with a score of 30/30.

Kim Nealon (Majura Park) winning the Southern Zone Double Barrel Championship 86/86, also 1st in the Cash Handicap event with a score of 65/65 winning the \$640 cash prize. In addition Kim also took out the Overall High Gun with a score of 286/295.

Club Member A. Hiripis won the Zone Pointscore Championship with 93/93. The Marconi Southern District Double Rise was won by C. Sherry 18/20.

The Marconi Southern District Point Score was won by M. Diamond 153/153.

The Marconi Southern District Double Barrel was won by M. Diamond 196/196.

Farrugia. with Reserves G. Kable, I. Petrina, D. Foster, K. Bosanko. The Ladies Team is L. Lloyd, K. Gault and K. Kennerson.

As usual the club core of workers ensured that both days ran smoothly. Thanks to the visitors from near and far, and we trust you will all support our Camp Quality Charity Shoot on Sunday 3rd November.

Mount Isa Gun Club Inc

The Annual Copper City Skeet Championships is the highlight of the year for the North West's dedicated Skeet shooters and last Sunday was no exception to the rule as the Mount Isa Gun Club hosted the 1996 Copper City Skeet Championships.

With three full squads of dedicated "Skeeties" raring to go the competition was always going to be fierce and so it was. Three shooters, Doug Stone, Phil Leddick and Jim Edmonds all carded handicap possibles and faced the shoot off which saw victory going to Doug with Phil and Jim having to settle for the minor placings.

With the Skeet handicap out of the way it was time to focus on the big one 'The Copper City Championship' and focus is just what Jim Edmonds did in shooting a fine 47/50 which earned him the title of Copper City Skeet Champion 1996 as well as the A grade trophy. Doug Stone finished just one point behind to win his last B grade Skeet title as his efforts earned him a promotion to A grade. Gordon Wilkie, a total newcomer to the sport of "Skeet", he in fact shot skeet for the first time on Sunday, proved he could be a force to be reckoned with in years to come by winning C grade with a well shot 43/50.

Many years ago one of the founders of the Mount Isa Gun Club and the man responsible for getting "Skeet Shooting" going in the North West was a gentleman named Gus Buerchler. Sadly Gus passed away quite a few years ago and in his honour every year the Mount Isa Gun Club presents the "Gus Buerchler Remembrance Trophy" to the shooter who top scores over both the major skeet rounds of the Carnival. Doug Stone was the proud recipient this year with a fine score of 94/100.

While many people would have had enough by this stage, clay target shooters a breed apart and they duly lined up for the Down the Line program which kicked off with a ten target "Eye Opener" event. The first major event of the afternoon was fifty targets of pointscore and Ron Power showed that using a brand new shotgun for the first time could be an advantage as he shot all fifty targets only incurring three penalty points for needing the second shot to finish with 147/150. This earned him the B grade and was the highest score shot in the event. Gary Brown and Rob Cusack both scored 144/150 and were sent out to fight out A grade with Rob Cusack emerging the victor with a final score of 159/165. Gordon Wilkie shot very well for a C grader (some say too well) and his 136/150 put his name on the C grade trophy.

Twenty five targets of Single Barrel shooting usually sorts out the men from the boys but not this time. Ted Matthews gave the "Vision Enhancing Devices" a quick polish and went out and shot the lot, as did Brian Palethorpe and Rob Cusack, but it was Ted who held them at bay and claimed A grade with a final score of 33/33. Sam Edmonds was determined to put his name on B grade and got off to a good start with 24/25, only to have Dean Cusack put in a zero to hero performance to equal score with him. Unfortunately for Dean his reversal to form didn't last as he missed the second target in the shoot off leaving Sam Edmonds to enjoy his second ever B grade badge.

The finale of the day's shooting was to be fifteen pair of Double Rise targets and Brian Palethorpe made sure A grade was his with 28/30. Michael Mc Phail, who travelled from Townsville to compete on the weekend, thought his luck had changed when he carded 24/30 only to discover that so had Sam Edmonds and Dean Cusack which made B grade a three way fight. The 'pep talk' that Dean gave himself after his dismal performance in the fifty target event must have worked as his return to form stayed with him as he won the B grade trophy with 35/42, and Glen Petersen, who had only

joined the club that morning, found his name on the C grade trophy which was earned as he shot 23/30.

The finale of the day was the drawing of the Mount Isa Gun Club Raffle, and it was with bated breath that everyone waited as Bruce Murphy conducted the draw and announced the winning numbers. Ticket number 0291 was the lucky one and an incredulous Gillian Holdsworth could hardly believe her ears when Club Secretary Ron Power rang to tell her that she had won prizes to the value of \$2,500.00. Michael McPhail, whose luck just hadn't been in all day, was equally stunned when his ticket, number 1723, was announced as the winner of the second prize of goods to the value of \$500.00.

The Mount Isa Gun Club wishes to thank all the people who supported the Club through the purchase of raffle tickets and also Michael Coleman who put in a sterling effort to make the raffle a success. Also our heartfelt thanks to Doris and Ted who did an excellent job of satisfying the need for food and refreshments. Thank you all!

Copper City Skeet Champion 1996, Jim Edmonds (left), and winner of the 1996 Gus Buerchler Remembrance Trophy, Doug Stone, congratulate each other on their respective victories.

Maryborough Tid Bits, Qld

Happy 100 birthday to Maryborough Tid Bits. In the years I have been writing MTB only two have gone astray or not printed, this was early in the life of MTB.

I would like to thank Graeme and the girls who staff CTSN and give me good coverage, also thanks to other clubs who make a copy of the shoot for me, and forward it on when I do not attend.

Also thanks to my drivers who take me to the shoots as I couldn't afford to travel and shoot. Harry being my number 1 driver, thanks Harry and Peter.

Around 1987 I had a lot of illness and found I had to have some interest to help me survive, so I started to write MTB, so thanks to shooting which provided the news, jokes and just rot which fill MTB, I have many readers and it is great when they tell me they enjoyed a certain story. Some of our top shooters who travel to distant clubs are asked who is this Lost Bird fellow, is he young, old or senile with a sense of humour. So on MTB's 100 birthday I am enclosing a photo of one of the shirts I wear which will tell everyone what Lost Bird is like. The sketch on the shirt is my daughters interpretation of Lost Bird and the

photo taken by Wilma Berry at Gympie.

I only have Bundy and Gympie club news this month as we shoot our one day in October and Bundys 2 day is too late in the month for publication, so next month is a big one with Bundys 2 day and our Masters Games and Gympie Gold Classic. I hope I am over the flu soon to get back to some shooting.

Shooter brought home new retriever dog and first night it barked all night keeping his neighbour awake. So the next afternoon the neighbour was tying the dog in his backyard when the owner of the dog called out what are you doing with my dog. The neighbour replied he can bark in my yard tonight and see how you like being kept awake all night.

Bundaberg 1/9 - Still not fit enough so thanks Harry for bringing back the results. Winning visitors were Irwin Wynyard, Darrel King and Harry with Darrel winning the quickie board bottle of plonk, Travis the meat tray and Mike Tipman the jackpot.

With C grade the only grade to spread around the wins with Harry Walker Points, Tim Gardner DB, Spencer Plath Cont and Darrel King DR & FM HG.

B grade Keith Palmer took out the DB with Kay Rehbein taking the Points, Cont & DR. Trevor Petersen rang all A grade shooters and told them the shoot was off and being the only A grader won all events. In AA grade Irwin Wynyard shared with Rob Rehbein in the Points CD and Rob then took out the rest of the program including the Overall High Gun. Good shooting Rob.

Bundy next shoot 3rd November.

Writing this Monday morning 2nd September my dog told me the bible had arrived and on opening I was disappointed MTB wasn't included (Ed's note: material arrived a week after closing date). Stories in that copy included Mitchell & Fred Foon & John Park from Coffs Harbour at Bundy, Jim Graham from St. George and Greg Wrights family from Glen Innes at Gympie and Gympies Charity Day which raised \$500 for Blue Nurses.

Sorry MTB didn't arrive in time for publication, I will make sure I give more time in future. So the 100 birthday won't be until December copy.

Good shooting to all, til next time see you at the shoots.

1996 Crayfish Carnival

The Geraldton Gun Club's Annual Crayfish Carnival on July 27 & 28 attracted a big field of 120 on Saturday and 122 on Sunday. Shooters from New Zealand, Victoria and all over the State also helped the Club to celebrate its 50th Anniversary in fine style.

The first event was 25 Cash Divide which saw a number of 25s shot, which considering the weather and the background was an excellent result.

The second event was the prestigious Inshore Electronics 50 D/B Championship which was won by David Fox with 73/73, with Geoff Faulkes first in AA with 72/73, Ivan Halbert first in A with 53/54, Chad Ferrari first in B grade with a fine 54/55 and Barry Kirkup first in C grade with 48/50. Paul Miragliotta took the Juniors with 49/50 and Dom D'Ovidio took the veterans with 48/50.

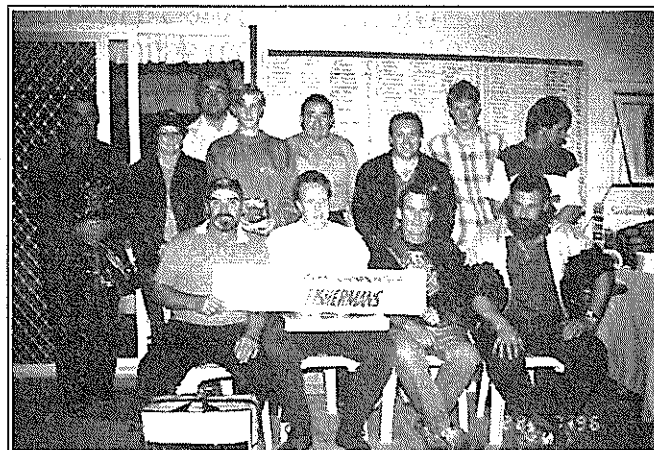

The third event was 25 D/B P/S Championship which was won by the visiting New Zealander in Russell McGowan with a fine 96/96.

50 D/B Inshore Electronics Championship. Standing left to right: B. Kirkup, J. Gentle, P. Miragliotta, C. Ferrari, A. McHattie and Joe Bombara, Managing Director of Inshore Electronics. Seated from left to right: G. Faulkes, D. Fox, S. Williams and I. Halbert.

First in AA was Bert Boschetti with 90/93 and Daryl Skey getting first in A grade with 93/96, Jim Chandler took B grade with 91/93 and Mark Tucker took C with 71/75.

The final event for Saturday saw Tim McBride take the highly coveted lighting plant in the 10 P/S Pages Special.

50 D/B Anniversary Championship. Standing left to right: E. Daw, C. Ireland, I. Goodenough, C. Ferrari, R. Holtfreter, B. Kirkup, G. Newbold and J. Chandler, admiring the prizes after a good weekend! Seated left to right: B. Morris, P. Ryland, G. Kelly & D. Fox

The best score on the Saturday program went to Geraldton's own Jim Chandler with 202/205.

Once the day's shooting was completed, the Club held its first Calcutta Auction, with shooters being brought from \$5 to over \$400, it was a highly successful evening.

Sunday started with 25 Single Barrel District Championship with Kalgoorlie's Shane O'Brien winning with 58/58, Peter Strike took first in AA with 57/58, David Walker 25/26 in A grade, Dom D'Ovidio took B grade with 27/28 and Barry Kirkup 23/25 in C grade.

The next event was the 50 D/B Anniversary Championship which was won by Gary Kelly with 203/203 followed by David Fox with 202/203 to take AA, Brian Morris took A grade with 87/88 and Jim Chandler took B grade with 80/81, and once again Barry Kirkup won C grade with 47/48.

The three man team on this event was taken by the "Collie Boys" David Fox, Max Cubic and John Coverley with 149/150.

Shane Williams had a good weekend picking up \$100 in the Crayfish Poker Stakes by shooting five 25s in the nominated events.

The next event was the Calcutta Airfare to the 1997 Trap Nationals taken out by Geoff Faulkes after a long battle, with the runner up Paul Ryland and in third place Jeff Gardner.

The traditional Crayfish Handicap unfortunately had to be abandoned due to the length of the shoot offs in the Calcutta, so the club drew the crayfish from the shooters nominated for the event.

The Overall High Gun Winner was Gary Kelly with 261/265, Ray McDonald took the Veterans High Gun with 249/65, Gun Morris took the Juniors with 243 and Elaine Forward took the Ladies with 237.

A good time was had by all in an action packed weekend. Thank you to all shooters, sponsors and helpers in supporting the Club Celebrate its 50th Anniversary.

Winchester/VCTA State School Students Clay Target Championship Final

This year's zone eliminations and state final could only be described as a huge success. There is no doubt that despite the negative publicity our sport has received since the Port Arthur tragedy our success at the Olympics has helped turn this around, and Russell Mark's and Michael Diamond's Gold medal, and Deserie Wakefield's bronze has helped stir enormous interest in our sport amongst the young. It is now up to all of us to capitalise on this increased awareness and interest in clay target shooting.

742 school students competed in this year's zone eliminations, a record number. This event now rivals the ACTA Nationals in terms of total competitors. From the 4 zone eliminations 63 students qualified to compete in the final at Bendigo on the 6th of September.

ACTA President Glenn Woodhatch with Overall Winner Shane Dunn, Deserie Wakefield and Rod Laidlaw from Winchester.

Students attending the final competed in fine conditions, the final is conducted over 30 targets single barrel.

This year's final and zone eliminations attracted considerable interest from the media, no doubt because of the changing gun laws and Australia's success at the Olympics. Both the 7.30 Report and A Current Affair ran stories and while these reports could not be described as totally positive, they were at least more balanced than we have come to expect from the media. The students all coped well with the extra pressure and are to be commended for the way they presented themselves.

The results from this year's final are O/All State Champion

Shane Dunn from Cobram Secondary College. Shane shot an excellent score of 29/32 to win in a shot off from Rhys Sanders from Bainbridge College Hamilton

Other winners on the day are as follows.

1st Senior Boy	Rhys Sanders 28/32 (Bainbridge College Hamilton)
2nd Senior Boy	Shaun Kirley 26/30 (Mansfield Secondary College)
3rd Senior Boy	Luke McLennan 33/38 (Derrinallum College)
1st Senior Girl	Theresa Dimasi 25/30 (St Josephs College Mildura)
2nd Senior Girl	Nessa Jenkins 24/31 (Ararat Secondary College)
3rd Senior Girl	Julie Couper 23/31 (Leongatha Secondary College)
1st Junior Boy	Daniel Rankin 26/31 (Numurkah Secondary College)
2nd Junior Boy	Jarrold Fletcher 25/31 (Cohuna Secondary College)
3rd Junior Boy	Cale Pearce 23/30 (Korumburra Secondary College)
1st Junior Girl	Rebecca Holt 21/30 (Colac Technical School)
2nd Junior Girl	Melanie Thompson 20/30 (Echuca Secondary College)
3rd Junior Girl	Kristy Kerr 19/32 (St Josephs College Echuca)
Winning Team	Cohuna Secondary College

Casey Fletcher, Ian Trevena, Jarrold Fletcher, Adam Peatling — Team score: 94/120

A special thanks to all those people who helped run the zone eliminations. Thanks to those who gave up the time from work to referee, score and work in the office. Most of us can not imagine how hard it is to squad up over 200 students and get the shoot started at 10.00 am. Also thanks to Russell Mark and Deserie who gave up their valuable time to come to these events. I can tell you that it really made the students day to see Olympians at their event and I am sure both Russell and Deserie have inspired many junior competitors to try and emulate their performance in the sport. And last but not least, thanks to Winchester Aust P/L who provide the ammunition and clay targets to run these events (and have done so for the past 6 years). Without their assistance this event would really struggle and would not attract the ever increasing numbers.

N.S.W. Level 1 Accreditation Seminar

Dubbo Gun Club — 14th & 15th September 1996

Since accepting the State Coaching Co-Ordinator's duties following the retirement of Fred Schmetzer, Chris Davis has gone about his tasks in a quiet but positive way.

To maintain the Coaching momentum in New South Wales, Chris planned a Level 1 Accreditation course to be held in Dubbo, thereby enabling accessibility for many prospective Club Coaches. So it was that ten coaching candidates and selected Level 2 and 3 Coaching presenters assembled on Saturday morning, 14th September.

The attendees: Lou Herne Goulburn; Paul Croker Goulburn; Neil Skelly Crockwell; Ken Fuller Dubbo; Rod Carr Dubbo; Robert Neaf Mendooran; David Coleman Wagga Wagga; Martin Croker Fullerton; Ian Piddington Narremine; Mike Height Swansea; Chris Davis Level 2 State Co-Ordinator; Robyn Faber Level 2; Fred Schmetzer Level 3; Murray Alexander Level 3 National Director of Coaching.

Beginning at 9.00am, Chris began with the introduction and explanation of Level 1 and so started what is traditionally a long day for the Coaching Candidates.

From this start we flowed into the Role of the Coach, presented by Fred Schmetzer. Fred took everybody into the everyday life of Coaching and the knowledge and situations that would be encountered. There was no area left untouched or question unanswered as the Coach's tasks were dissected and discussed.

With the lunch break over, Robyn Faber took over and presented the next session on Program Planning and Goal Setting. Robyn's presentation, like Fred before, had been well researched and was extremely easy to listen to and understand. This simple fact was not lost on the Coaches as they interacted easily with the programs being discussed.

The New South Wales Level 1 Coaching candidates including presenters

A short break late afternoon led into the final segment for the day, that supposedly mysterious subject "Sports Psychology". Having been so involved with the previous subject, the coaches easily entered into the discussion as everybody explored the now not so mysterious subject of How and Why. This led into the training and abilities of competitors to manage the mind and have control over that which is controllable.

By the time this session was over the hour was late, so Chris called a halt and briefed everybody on the 9.00am start the next morning.

Sunday morning everybody was on deck on time and Chris began with Safety and Shooting Etiquette. This subject, although generally known by all Clay Target competitors, is now assuming a much more vital part of Coaching. As our new laws are pushed onto us, so must we adjust and become more aware of firearms, their safe handling and storage. Firearm Safety leads into Shooting Etiquette and again Coaches have a very defined responsibility to ensure the right techniques and knowledge of how the "on track" individuals responsibilities must be undertaken.

With the next subject being the "Characteristics of Shotguns", Chris carried straight on to clearly explain the many different and sometimes overlooked parts that make up a competition shotgun and how they interact with its owner.

The discussion on shotguns had led into the next subject of the "Basics of Shotgun Shooting". Fred unrolled his charts and, with practiced ease, walked everybody through the basics and into how they are and how they can be used. It seemed as though time would escape us, so after a short break for lunch, the final two sessions were presented.

Communication was the first, followed by the "I'll begin next week", Physical Conditioning. Each subject was discussed on how the individual can interact with others and how our lives away from the Sport need to be considered when making changes.

Finally the majority of the classroom work was over and the Coaches broke up into groups to undertake the practical session. This involved a coaching scenario with several of each group being coaches and the rest being observers. After 30 minutes of the set task, everyone retired back to the Club rooms to discuss the results and listen to how others viewed and heard the coaches at work.

Chris took over for the final segment, describing the following 12 months and the programming of supervising Coaches for the new candidates. Assignments from the Beginning Coaching work book were set and the weekend was wound up.

To me it had been extremely well-conducted Coaching Accreditation weekend, with high quality presenters assisting Chris extend the coaching numbers.

Thanks must be given to Dubbo Gun Club for use of their facilities, and especially to Chris Davis, the N.S.W.C.T.A. Coaching Co-Ordinator for a top effort.

National Director of Coaching*

Junior Development Work at Mount Gambier

South Australian State Coach, Phil Mules, has made two recent visits to Mount Gambier assisting local coaches with the development of junior shooters that have come through the Club's Annual Secondary Schools Gun Safety and Handling Programs.

Every year around September/October, the Mount Gambier Club plays host to as many as 80 students, Years 10, 11 & 12, giving instruction on gun safety issues and practical handling related exercises which ultimately culminates in a 10-target shoot at the end of the day.

Several follow-up sessions are provided for interested students and all participants are invited to the Club's Christmas Shoot for the Annual Schools Special Shoot. At this stage it is common that only 10-15 students will remain in the program.

The free program for students concludes with a day in March/April. From this point on they are charged a nominal fee to cover costs. Participant numbers are usually down to 0-5 by this stage and represent those with a real interest in clay target shooting.

Encouragement and special trophies are provided at all Club shoots for these junior shooters, whether A.C.T.A. registered or not. The program concludes in the middle part of the school year with a visit or two from State Coaching staff. At this year's final day, State Coach Phil Mules put in several hours with a class of six participants.

With the increased difficulty faced over the past couple of years in getting the program to students, the Club is taking a different tact in 1996, with a 90-minute presentation to each local school. The presentation will focus heavily on gun safety and related issues. Students may then elect to continue the program outside normal school hours.

The Club successfully retains on average one student each year to its membership list. Should you desire information on any aspect of this program, especially the difficulties faced, please call Club Secretary Phil Green on (087) 215 543.

Record??

At the inter-district team shoot held on 28th September at Mount Gambier between South East of South Australia and Wimmera and Western Districts of Victoria, the older shooters were simply shot out by the juniors.

In the 25 target Double Barrel Championship, 64 nominations were taken and all the major places filled by junior shooters. Overall & 1st AA Grade - Anthony Bolwell (Wimmera), 1st A Grade - Luke Muldoon (Western Districts), 1st B Grade - Adrian Medhurst & 1st C Grade - Hugh Cameron (both of South East of South Australia).

Well done lads, we understand it to be a record for the Mount Gambier Gun Club. Incidentally, the Club's been operating since 1872, that's right, 124 years.

Secretary/Treasurer.*

Maryborough & District Gun Club

announce

"Harold Cracknell Memorial"

In recognition of the great service provided to the Club and the esteem in which he was held by the members, the Maryborough Gun Club has decided to create the "Harold Cracknell Memorial" shoot.

We believe this will be a fitting tribute to our late member who so tragically passed away earlier this year.

The event will be inaugurated in November 1996 and will be in the form of a 25m Double Barrel Graded Championship event.

The date of this shoot will be Saturday 23rd November commencing at 1.00pm.

All enquiries should be directed to the Club Secretary, Greg Rowe, on (054) 641 011 (A/H).

Life Membership

Life Membership was awarded to Ian Whytcross at the Barellan Clay Target Club's monthly shoot on Sunday the 8th September.

Ian and family moved from Boort, Victoria in April 1966, where he was an active member of the Boort Gun Club, to his farm at Barellan. After settling in he became involved with the Barellan club.

He has been involved with the purchase and maintenance of the various traps over the past 30 years. Whether it was a working bee to cement the shooting lanes, move or paint the clubhouse or purchase and modify the generator before the power was connected, Ian was there. Whether it was refereeing, scoring or attending Club, Zone or State meetings, Ian was always willing to give to his sport.

Over the years he has helped many, many shooters get started or sort out technique problems and at present is pointing his 13 year old grandson in the right direction.

Ian is known and respected throughout the shooting fraternity and he always does his best to make visitors welcome and feel part of the club.

Ian, who, to use his words "is on the wrong side of 80", is still able to post very respectable scores and show the "young blokes" how it's done.

At the shoot on Sunday to honour Ian at the presentation of Life Membership were sons, Randall & Ken, and grandson Stuart along with other family, friends, shooters and well wishers.

FRED PULLEN

It is with deep regret that we advise the sudden death of a valued friend, Committee Member and Shoot Marshall of Caboolture Gun Club, Fred Pullen. Although Fred was a relative newcomer to our Club, he created a lasting impression with his have-a-go attitude, whether it was setting up the sporting layout or organising squads in D.T.L. He will be sadly missed by his fellow shooters.

Our deepest sympathy is extended to his wife Gwen and family.

World Cup Final Montecatini, Italy

— 25-30 September 1996 —

The competitive year of 1996 has been a long and eventful one, for the Olympians and their reserves. Starting at a training camp at the Brisbane Grand Prix in March through the World Cups of Peru, Atlanta, Lonato and Suhl to the Blue Ribbon of all events, the 1996 Atlanta Olympic Games.

The Australian contingent, left to right: Murray Alexander, John Maxwell, Deserie Huddleston, Michael Diamond, Ann Maree Roberts, Russell Mark and David Menck

Now 5 of our Olympians had qualified for the World Cup Finals being held for the first time away from Munich at Montecatini, Italy.

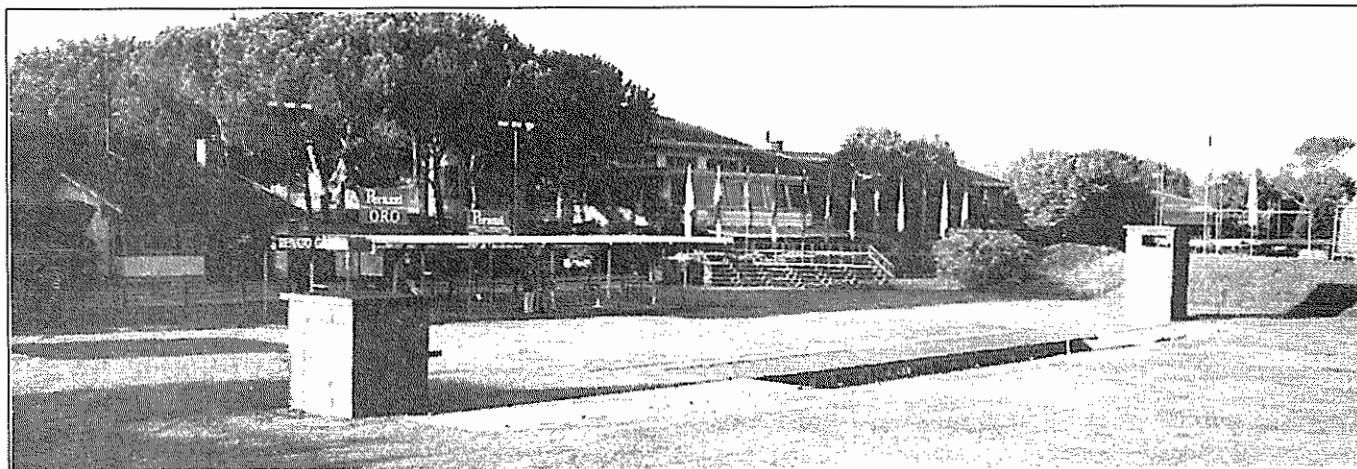

With the tremendous support of the Australian Sports Commission funding had been provided for all invited participants and myself as Team Coach/Manager.

Michael Diamond - Trap; John Maxwell - Trap; Russell Mark - Mens Double Trap; Deserie Huddleston - Womens Double Trap; Ann Maree Roberts - Womens Double Trap.

At various times during the 25th September we all arrived at Pisa after transfer down to Montecatini, some 50km away. With the Leaning Tower of Pisa visible we settled back as our 20plus hours of travel came to an end.

The Italian Federation had taken it upon themselves to cover the participants accommodation and meals and as usual the organisation was first class. On arrival at our hotel the Francia and Quirinale we were joined by David Menck, who had been accepted as a Jury member for these finals.

As this was the World Cup Final

View of the Montecatini Club facilities "Finals" layout

only twelve competitors were involved for each discipline, therefore only one day of practice was allowed before the competition began.

First event up was Double Trap for men followed in squad rotation by the Double Trap Womens. Competition was hard and furious and at the end of the qualifying rounds Russell had not enjoyed any success as lack of practice and fitness training paid him back. The Ladies had fared better with Ann Maree qualifying in fourth place with a 103/120 and Deserie just out of the six with a high nineties score.

At the end of the Womens final Ann Maree had slipped to sixth position having only managed a 31/40 in the last bracket.

The Womens Double Trap final results were: 1st Deborah Gelisio of Italy 145/160, 2nd Susanne Kismayer Germany 140/160, 3rd Cynthia Meyer Canada 136/160.

Mens Double Trap Results: 1st Albana Pera Italy 178/200, 2nd Claudio Franzoni Italy 177/200, 3rd Rod Boil Canada 175/200.

The following day and at the same time as the National Cup event began so did the Trap and Skeet for the finalists. As with

the Double Trap the two disciplines rotated on the tracks thereby allowing each competitor time to rest before shooting their next round.

At the end of the first day Michael was on a 72/75 and John on a 71/75 both several targets behind the leader Pelliello of Italy on 74/75.

The final day of competition began in spring time conditions, as had each day, and the results brought no surprises to the field. Michael had recorded a 49/50 as had Pelliello and John with a 45/50 finished in seventh position.

Michael began in position 5, second qualifier and stalked Giovanni Pelliello through this final of the World Cup Trap Final. But it was not to avail as Pelliello posted a perfect 25/25 while Michael saw a 24/25.

Result of the Trap Final: 1st Giovanni Pelliello Italy 148/150, 2nd Michael Diamond Australia 145/150, 3rd Joshua Lakatos USA 143/150.

Results of the Skeet Final: 1st Ennio Falco, Italy 147/150, 2nd Andrea Bennelli Italy 145/150, 3rd Miroslav Rzepkowski Pol 145/150.

So ended another World Cup Final possible with not the results each of our Team had hoped for. Yet it had been a long eventful year and the mental and physical stress on each had gone way past that which each can normally be expected to perform at. But coupled together with the experience of the Olympics and the continual round of engagements each has had to undertake, the results were the best they could achieve and each of our competitors can hold his or her head up high.

To the Australian Sports Commission, the A.C.T.A., and Winchester, the five finalists did Australia proud.

Don't miss Moulamein

Moulamein - Clay target shooters in other states except Victoria, will say "Where the hell is Moulamein?" However, this tiny South West Riverina town, claimed to be the oldest in the Riverina, has been well known to Victorian fishermen and duck shooters over at least six decades.

Well, Moulamein Clay Target Club Inc, began life as a registered club in 1978, under the auspices of Norm Lipple and Robert Weaver, helped by enthusiasts such as Peter Redfearn, Ken Beet, John McCraith, Chris Gorey, L. Richards, Neil Slessor and one or two others. A weak Outers trap was first used but the club graduated to Snipe lever trap, known to (much) older shooters. The venue was changed three times, the last move being to the present ranges on the Moulamein Centenary Reserve, three kilometres from Moulamein on the Barham Road. The move to a proper traphouse and an early Ken Burton trap in late 1979 heralded a new era for the fledgling club, believed to be the first permanent gun club in the district. This small organisation prospered and after several years, a second range was built and equipped with an upgraded Burton manual trap. Eventually, the club received a matching grant from the NSW Department of Sport, Recreation and Racing and purchased a Burton self loading trap (holds more than five) which proved to be a great asset.

Night shooting lights were provided at the No.1 range and a new phase of target shooting emerged, particularly in the hot months of January and February.

Over the years, Juniors have won State titles in both NSW and Victoria and senior shooters have made their mark in several states.

Faced with declining attendances, the club took the initiative to prove a majority of graded championships, with sashes and ribbons, together with reasonable trophies. This project was immeasurably assisted by the sterling work of our President of some years, Charles Peach, known in some circles as "Sir Charles". Blessed with more front than Myers, Charles has successfully bluffed, persuaded and coerced many local traders into each sponsoring a clay target competition each year. These firms have responded in a magnificent fashion, which, in turn has attracted top line competitors and dramatically increased attendances. Each sponsor has an attractive name plaque on display within the Clubhouse.

Whilst having donated funds to local charities in the past, perhaps the finest effort was a "Charity Shoot" held on 30 June, 1996. With an attendance of 43 shooters and many spectators, teams were formed by members of local sporting bodies competing for the honour of the highest score. The Visitors book was fully utilised and the supervision of safety was both close and constant. A barbecue lunch was provided and at the end of the day, a very happy crowd left the ground with the knowledge that a substantial donation would be available to a local organisation. Moulamein Clay Target Club Inc was pleased to present the local swimming pool committee with a cheque for \$400 - not bad for a town of perhaps 250 residents.

Recently, a second set of night shooting lights was commissioned on No.2 range and a day night shoot was held on Saturday September 28, 1996.

Some 44 competitors, from Castlemaine, Barham, Cohuna, Kerang, Deniliquin, Hay, Stony Crossing, Swan Hill, Tooleybuc, Patchewollock, Boundary Bend and Moulamein, took part in two graded Championships and a Sweepstake. What was probably only the third time in 18 years, rain set in from 12.30pm to 10pm, accompanied by a

strong breeze from 90 degrees left which further challenged shooters. In accordance with the strongest clay target shooting tradition, shooters, referees and scorers carried on with the program, office workers Doreen Weaver and Phyllis Epps doing sterling work with damp score sheets.

The first event, following practice, comprised a 60 target Medley of 20 targets Double Barrel, Single Barrel and Point Score, for a total of 100 points. This was sponsored by A & V. Upton, of Wakool Village, the Uptons are hay making contractors.

In AA grade Ray Peatling 97/100 took the honours, closely followed by Ronnie Glenn on 96/100. Ex Moulamein resident Kevin Geppert on 95/100 won A grade with J. Lowe 91/100 runner up. Rising B grade junior David Glenn from Deniliquin shot extremely well to win on 96/100. Second in B grade was Cohuna stalwart Bill Perry on a creditable 94/100. In C grade, M. Stuchbee was the winner on 92/100 followed by G. Passelque 90/100.

Following a barbecue tea, with fruit salad dessert, the night section of the competition commenced, still in rain with a strengthening wind. A five target Point score sweepstake saw 15/15 scored by David Mark, David Glenn and Neil Whelan to take the money. A 25 target graded Point Score Championship, sponsored by Paul and Helen Pearce of "06 Shooting Supplies" followed.

Cohuna's Ray Peatling 72/75 won AA grade, second was Craig Weaver of Moulamein with 70/75. Charles Peach took A grade with 81/89 with David Mark runner up on 80/89. Barham's Allan Street won B grade on 65/75 with Moulamein's Colin Hare second on 62/75. M. Stuchbee, 59/75 won C grade and runner up was Mick Domaille, Hay on 58/75, all shot in shocking conditions.

One feature of the day/night competition, in most adverse circumstances, was the excellent shooting and demeanour of Junior shooters David Glenn, Robert Kemp and small, courageous Nicholas Mark.

The Open High Gun award was won by Ray Peatling on 181/190 whilst the Ladies High Gun was won by Christine Geppert on 144/190. The well known Frank James of Kerang, a bulwark of clay target shooting, took out the Veterans award on 154/190. Frank had also helped with the preparation of the Moulamein ranges for the competition. Straight shooting David Glenn won the award for Junior High Gun on the good score of 171/190.

All in all, in spite of discouraging weather, a most successful meet was achieved. Following the presentation by President Charles Peach and Mrs Helen Pearce, various speakers thanked the canteen staff and all who had assisted with refereeing and scoring. The green grocery raffles were won by Mrs Richardson and Mrs Chris Street.

In a footnote, Moulamein is most grateful to Mrs Chris Geppert who has been successful in including Moulamein's shoot program in the V.C.T.A. Shoot book.
