MATTARELLI
AUTOMATIC FIXED TRAP
**FOR OLYMPIC TRENCH/UNIVERSAL TRENCH/SKEET/
SPORTING/DOUBLE TRAP**

IT IS MANUFACTURED WHETHER RIGHT AND LEFT

Whoever had to carry out the task of setting traps for Olympic or Universal Trench events according to the tables of the Clay target Rule Book, will have certainly been in trouble to get high targets on the right if the traps throw clockwise or high targets on the left when the traps throw opposite. As for the low target, compared to the centre of the shooting station, it gets out rather to the right in the former case, much to the left in the latter one.

**WE HAVE OVERCOME THESE INCONVENIENCES BY
MANUFACTURING TRAPS THAT LAUNCH IN BOTH DIRECTIONS.**

ELECTRIC MOTOR 0.5 HP Singlephase

INTERCHANGEABLE MAGAZINE

It contains over 250 targets for Trap and over 700 targets for Skeet and Sporting.

FREE WHEEL

It is used to retrieve the power exceeding in the launch. The power left over, recharges the spring.

DIRECTIONAL ANGLE INDICATOR HEIGHT AND RANGE INDICATORS

These devices allow quickly to set traps according to the tables in the Clay Target Rule Book, without throwing any trial target. This novelty is determinant whenever the shooting range is oriented in the air or in a false level.

FLAT SPRING

It gently pushes the throwing arm commencing with a minimal thrust which increase as the throwing cycle proceeds, resulting in the ability to throw targets up to 100mtr. without cracking.

PARABOLIC TARGET PLATE

It rises to the magazine loader to receive the target very gently, then it returns in position for throwing. Its parabolic shape rectifies any drifting or deviation caused by windage effect on the target.

AUTOMATIC MULTIPOSITIONAL TRAP
FOR AMERICAN TRAP, A.B.T. AND TRAINING

MAIN FEATURES:

This trap is equipped with three gear motors having different ratios and is suitable for various uses:

- in a fixed position for shooting schools
- with variable angle 22 1/2° R/L and fixed elevation for American Trap
- Horizontal/Vertical with a variable height from 1.5mtr. to 3.5mtr. measured at 10mtr. and angle 45° R/L

Singlephase electric motors.

Voltage according to the client's request, including 24V and 12V D.C.

Magazine: over 460 targets. Refilling is very fast.

On the basement, a connector is set for the connection of the different control and release systems which can be manual, radio or by phono-pulls.

UNFORESEEABLE TARGET TRAJECTORY

GUN LAWS - THE CONTINUING SAGA

As I write these notes most States have confirmed that clay target shooters will be allowed to keep at least one semi automatic for competition. It is apparent that it will be some time before the changes become law in all states, and there is no doubt there will be differences between states.

On reading the proposed legislation it is very apparent the general aim is to eventually ban the private ownership of firearms.

I have received a number of complaints that the ACTA did not spend a great deal of our legislation fund in this fight. It is my very strong belief that the money we spent achieved the only positive result by any shooting organisation, and that to spend the remaining balance of our fund would not have achieved any better result. I firmly believe the money will be needed in the very near future (possibly immediately following the Olympic Games in Sydney) to fight a major move to disarm the community.

To the armchair experts who are currently backstabbing the Executive members of the Association around the clubs and claiming we did nothing, let's have your positive ideas and we will act upon them. If you can offer no more than criticism, please look in the mirror before you speak, and I guess this applies to many issues.

WORLD DTL CHAMPIONSHIPS

Only limited places remain for this event. The response has been great as far as competitors go, but we are still looking for officials, trappers and scorers. The event now is

less than six months away and the organisers are eager to have everything in place. If you are considering acting in any of the positions, please let us know.

NEW MERCHANDISE

Stuck for that Christmas present? Why not give Gina a call at the National Office and purchase something from our new range of merchandise. We have very attractive glasses with our logo in gold, as well as t-shirts, polo shirts and chambray shirts featuring our new shooter logo.

CHRISTMAS MESSAGE

What a year 1996 has been. It has been a year of immense highs and unprecedented lows.

The outstanding efforts of our shooters in all disciplines have put Australia right at the top internationally. On the other side of the coin all firearm owners are being subjected to the most restrictive laws ever as a result of Port Arthur.

I can only hope everyone is aware of the pressures that are being placed, not only on private firearm ownership, but on the continuance of shooting as a sport. Your State and National Executive are working extremely hard to ensure that shooting remains a recognised sport along with athletics, swimming, cricket, football and all the other so called socially accepted pastimes.

My thanks go to the ACTA Executive members who have contributed enormously to your sport in the past twelve months.

My thanks also go to our sponsors who have ensured the success of many areas of our services, not only trophies at our shooting carnivals.

To Graeme, Leanne, Gina and Manon we thank them for their assistance and input to our Association. Special thanks also to Murray and each of the State Coaching Coordinators for their contribution to our sport.

Finally, from Jan and myself, thank you to everyone who has helped the Association in any way and we wish every member and their families a very happy Christmas and a very enjoyable 1997.

Mount Isa Gun Club

The second Saturday in October traditionally sees the start of day/night competition at the Mount Isa Gun Club, and Saturday 12th October 1996 heralded that tradition with the first day/night shoot of the summer season.

Skeet was the first discipline on the agenda, this time twenty five targets off handicap which saw Neil Sinclair and Gary Brown called back to fight out first and second place with Gary being successful. The old stalwart, Mick McGill, also had to do battle with David Stitt to hold on to third place and wasted no time in vanquishing his less experienced opponent.

With everyone primed and ready it was time to tackle the Ball Trap. Despite some teething problems with the equipment three full squads of shooters shot at fifty Ball Trap targets with Gary Brown being the most successful 'A' grader on a final score of 43/50. Ron Power held on to B grade with 37/50 and David Stitt showed the way in C grade with a well shot 41/50.

While the 'Clay Busters' had been out bursting clays, Doris and her assistants had been keeping busy in the kitchen and it was with heartfelt thanks that everyone settled down to the evening meal.

With the onset of full darkness it was once more into the fray with the twenty five target Double Barrel. Rod Cusack was determined to make 'A' grade and proceeded to shoot the lot only to find himself in a shoot off with Bruce Murphy. However Rod's determination held and he was the victor with a final score of 28/28. Ron Power and Tony Noble just couldn't crack the lot but 24 apiece was good enough to earn them B and C grade respectively.

The Mount Isa Gun Club Night Points badge event was next up and Gary Brown put his stamp on A grade with 74/81 after defeating Rob Cusack in the shoot off. Ron Power couldn't keep up the standard of shooting he had shown in the previous event but still managed to hold on and win B grade with 63/75 while Glen Petersens 69/75 earned him C grade and also put on notice his intentions to move up the grades in the near future.

Handicap was the finale of the night and three determined shooters, Greg Mifsud, Glen Petersen and Ron Power carded 24/25 and were called back to do battle for the honours. Five targets later Ron had won the handicap, and earned himself a move back to eighteen metres, with Glen Petersen claiming

second place from Greg Mifsud who had to be content with third.

Overall a very good start to the summer clay target shooting program at the Mount Isa Gun Club which continues to shoot with fierce and friendly competition.

International Two Day Anniversary Shoot

The International Gun Club held its annual two day Anniversary Shoot on October 19th & 20th at the State Shooting Park, Virginia.

The weather for the weekend was every thing a shooter wants. We were even able to turn the wind off as our photo shows at 1pm. Saturday there were 56 shooters and 68 Sunday, they came from any areas, eg; Victoria, Riverland, Broken Hill and locally, which the club thanks them all.

The first event on Saturday was the Gun Rack Skeet Championship (50t) with Ron Smith the Overall winner on 50/50. This event is also shot as a Team Shield and Lower Light were the winners with 224/250. Veteran R. Pitt.

Event two Fisher Firearms Single Barrel Championship saw Anthony Panazzolo claim Overall with 26/26. Well done Anthony.

Event three the Rem Motor Body Repairs 30 Mixed Targets and a win to Dino Oliviero 59/60.

Event four Topmix Double Barrel Championship of 25 targets, Overall Phil Mules 47/47. Phil received free noms for Sunday. This event is also shot in conjunction with the Young Gun Shield. Team winners International 117/125.

Saturday High Gun donated by P. Dipinto was won by Ron Smith 148/150.

The evening was a great success, the dinner provided by the canteen ladies was delicious, they are to be congratulated as it was equal to any dinner any where. The rest was bright joyous evening with music, singing,

dancing and a jolly good time had by all.

Sunday was to be another good day of shooting, some 33 possibles in the last two events.

Event six Comit Farm Trench Championship (50t) with Overall S. Baynes 70/75 who hopped on his bike and rode off into the yonders. Steve also won the Mercurio Cup. Well done Steve. This event is also shot in conjunction with the Annette & Jim Finis Team Shield and was won by International 135/150.

Event seven International Handicap with 1st to D. Halikiopoulos 32/33. This was shot for the Clay Target Pigeon Shield and won by Monarto 93/100. This shield had been missing for some years I believe, and Graham Michell got wind of it and found it, so it was fitting for his team to win it and get it back in circulation again.

Event eight LaVera & Angus Creek Products Double Barrel Championship with another

Overall win to Dino Oliviero 145/146. There was quite a dual between two brothers in B grade, but Mark had to be bridesmaid again. Don't worry too much mark, Anthony is heading towards A grade.

Event nine Kontopoulos Double Barrel Championship 25 targets Overall F. Agostino 135/135. This shot in conjunction with the Colin Sparron Memorial Shield with Lower Light the victors 123/125.

ADRIAN COUSENS - WORLD 12g SKEET CHAMPION

Adrian Cousens, Melbourne Gun Club Member, was the winner of the 12 gauge World Skeet Championships in San Antonio, Texas on October 9 1996.

Adrian had no intention of competing at the event and vying for the title. He was persuaded to attend to honour his American two-man team partner John Jensen, who was to be inducted into the National Skeet Shooters' Association Hall of Fame.

The event was shot over two days in which 1,050 competitors participated.

You shoot five rounds consecutively each day. This takes approx 1hr 40m to shoot 125 targets per day. Nearly all countries that shoot American Skeet were represented at the event.

A total of 21 competitors shot the whole 250t, to go into the shoot off which included our Bairnsdale born and bred shooter.

The shoot off (at full fluoro orange targets) began at 8pm in the evening and was shot under lights on the one field. White targets were not used as they were too bright under the lights.

In the shoot off Adrian just kept breaking them until there was only he and the referee left.

"I couldn't believe I'd won it. For me, it overcame the one great disappointment of my career, after being runner-up three times in the 12g section and retiring, thinking this was it. To turn around and win was wonderful."

Apart from winning the 12 gauge event Adrian continued to have a very good carnival coming fourth overall in the champion of champions.

Adrian was the first person ever to originate outside the North American continent to win at the World Skeet Championships. This was in 1992.

In addition to the 12g he had previously been runner up In the doubles and 28g and a fourth in the 20g twice.

In 1992 Adrian won the very prestigious High overall ring with a score of 550/550. He was also only the fourth person to 650/650 to take the High All round and receive the very beautiful NSSA watch.

The 650t is made up as follows:

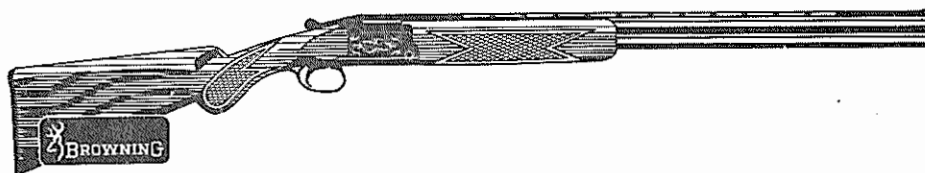

- Doubles Championships - 100t
- 12g Championships - 250t
- 20g Championships- 100t
- 28g Championships- 100t
- 410 Championships - 100t

Adrian has also won two US Open National Championships, one Canadian

National Championship as well as four Australian National Skeet titles.

Adrian has not restricted his wins just to the 12g. In 1990 he won at the World Skeet Championships the high overall (399t) and won the 20g event.

Congratulations Adrian on your fantastic efforts.

Mildura Gun Club

Deserie's Olympic Bronze Medal excites Mildura

Firstly congratulations to our shooting team on their performance at the Atlanta Olympics, with special congratulations to Michael, Russell and Deserie for their medal wins. With 1996 being a problem year for gun owners the Atlanta Olympic results for Australia in the shooting department relieved a little pressure

Deserie Wakefield with left, 1956 Bronze medallist Kevin Hogarth and right, Mildura Rural City Commissioner Hugh Delahunty at a civic reception given in Deserie's honor prior to her leaving Australia for the Atlanta Olympics.

from the adverse publicity we were receiving.

Mildura has produced some top sports persons over the years, but it has been forty years since we were the recipients of any Olympic medals. A local lad, Keith Hogarth won a bronze medal in Boxing in the welter weight division at the 1956 Melbourne Olympics.

'Mini' bus load of shooters who travelled to Boort Gun Club for NW Zone titles. Back row, left to right: coach Laurie Connors, Alan Millington, Michael Mammone, Calum Reid, Calum Cook, Brad Duscher, Dean Martin, Thereasa Dimasi and coach driver Larry Dimasi. Front row, left to right: Rick Kelly, Greg Fleming, Mark Loomes, Ben Garraway, Mark Duscher, Scott Carson and Nicholas Jetto.

Whether it has been Deserie's Bronze Medal win or the publicity given the gun legislation, or both, Mildura Gun Club is running on a high at the moment, with increased membership and general shooting interest and activity on the up at the club.

A junior coaching and training program sponsored by North Star Motors Mildura (Gordon and Lorraine Colman Proprietors) saw fifteen junior shooters from the club enter the North West Zone State Schoolboy/girl eliminations at Boort Gun Club.

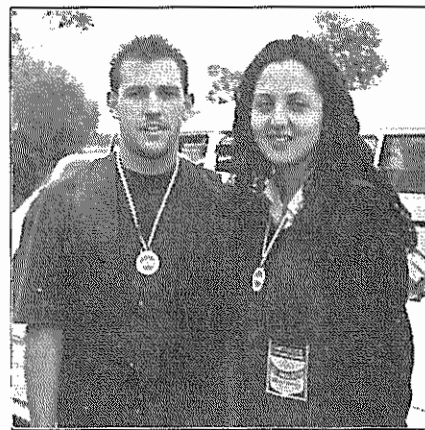

Michael Mammone and Theresa Dimasi made it into the senior finals with Ben Garraway being eliminated in the Junior section in a shoot off. Theresa was the only one successful and went on to win the Victorian Senior Girls State Title in the final held at Bendigo Gun Club.

As well as our Junior coaching program, some thirty pupils have been involved in a four week firearm education course being conducted by the club. This activity has proved very popular and is already being programmed with several local schools for 1997.

Not all will become shooters but at least they will grow up with an understanding of firearms and their use in our society. This may help eliminate some of the problems we are experiencing today, when it becomes their time to make responsible decisions, particularly in firearms legislation.

As this will be published in December CTSN, I take this opportunity on behalf of the Board of Mildura Gun Club to wish our members and those who have visited and supported us through 1996 all the best for the festive season and we look forward to your continued patronage for 1997.

Olympic Discipline Nationals

Adelaide 21st to 29th September '96

The State Shooting Park at Virginia saw the South Australian Clay Target Association play host to the 1996 Olympic Discipline Nationals.

Graham Michell, S.A.C.T.A. President, National Executive and Tournament Director officially welcomed all those present and wished them well with their shooting for the coming week before handing over to Ron Smith, Shoot Marshall, who explained the shoot procedure.

The number of competitors for the program was very pleasing: 30 competitors for the I.S.U. Skeet which included 8 Juniors and 1 New Zealander, 96 competitors for the Trap which included 8 Ladies, 14 Juniors and 8 New Zealanders, and 72 competitors for the Double Trap which included 16 Ladies, 10 Juniors and 4 New Zealanders.

Need a little protection? Graham Michell, S.A.C.T.A. President, National Executive and Tournament Director receiving some assistance at presentation time from Andy Norman, S.A.C.T.A. Councillor.

Apart from the minor hiccups of trap breakdowns, the biggest problem that we faced was the weather. The spring weather we had experienced the week before seemed to vanish and it was 'back to winter' - cold, gale force windy days, rain and even some hail with the temperature hovering around 15

degrees. This left the Northern Territorians and Queenslanders rugging up in up to three layers of clothing, while the New Zealanders said they felt right at home and even commented that they had 'brought the weather with them'. Rain soaked score sheets (even after using the plastic covers) were being dried either in the canteen's pie warmer or with the hair dryer (found in the cupboard at the Gun Club, evidently having been bought at some time as a trophy).

A big thank you to those workers who gave of their time, without pay, to work at the Nationals; Ron Smith Shoot Marshall (full time), John Byrnes assistant Shoot Marshall (part time), Graham Michell Tournament Director, Ruth Michell Score Board and Handicapper and to the ladies who worked in the canteen, namely Yvonne, Pam, Margaret (Dot's mum) and all the others.

Congratulations to all those who have made the Australian Training Teams in all sections and with the abundance of talent coming through our Junior ranks at the present time I believe we are in for a very rosy future. The best of luck to you all at the eliminations coming up.

Thanks to the shooters in general for their patience and co-operation through what were some very tiring times, mostly beyond our control. Thanks to all the trophy and sash donors, thanks for the friendship shown by the Trindalls (including Dot's mum Margaret who somehow ended up working in the canteen) and the Lawrences who camped along with us at the State Shooting Park. Thanks to Lee Bentley for taking on the role of chief photographer and lastly thanks to Greg Newey for the kind words and 'hug' given at a very trying moment, it was much appreciated.

I am writing to thank all Australian elite athletes, coaches and sporting administrators for participating in the Australian Sports Drug Agency (ASDA) 'Cheating Campaign'.

The 'Cheating Campaign' which was co-launched by Federal Minister for Sport, Territories and Local Government Mr Warwick Smith, ASDA Boardmember Sharon Buchanan, Australian elite athletes Kieren Perkins, Susie O'Neill and Rebecca Joyce, has reinforced the message identified by the overwhelming majority of Australian elite athletes that the use of banned drugs in sport is cheating.

Over 900 of Australia's elite sports men and women, coaches and sporting administrators agreed to be involved in the promotion of the 'cheating message'. By involving so many people in the campaign we have successfully demonstrated that the Australian sporting community is united in fighting deliberate use of banned drugs in sport.

Major highlights of the campaign included:

- * The release of the 1995 Annual Athlete questionnaire which highlighted the supportive views of athletes for ASDA's drug testing and education activities that deter athletes from using performance enhancing drugs.

- * A media conference held at a Melbourne pharmacy where Australian Olympic swimmer Nicole Stevenson warned Australian elite athletes about the dangers of inadvertent doping and the importance of checking medications. Also, Australian

Olympic high jumper Tim Forsyth conducted numerous telephone interviews promoting awareness of the inadvertent doping problem within Australian sport.

- * The distribution of more than 900 'Beat the Cheats' t-shirts, 1600 posters, 2900 stickers and 1100 badges promoting the cheating message to sporting organisations and individuals.

The success of the 'cheating campaign' would not have been possible without the overwhelming support that you have given to a number of national activities that were undertaken by ASDA in the lead up to the Atlanta Olympics.

VCTA SOUTH EAST ZONE CARNIVAL

At the Frankston Australian Clay Target Club on Sunday 13th October, it was fine and overcast and thankfully not wet. 88 shooters representing 13 teams shot in the final of the Premier Teams Event, which covered the first two events, the Double Barrel and the Handicap.

A good year for the series winner, Morwell, left to right: B. Stokes, L. Lewis, B. Lewis, J. Attard, B. Webb.

The home ground must have had an advantage for the combination of Graham Ash, Mark Bravin, Charlie Galea, Rob Williams and Adam Vella 238/250.

The Double Barrel was won overall by Adam Vella 92/92 from Bernie Stokes 91/92.

In the Handicap Bernie got one back from Adam 38/38 and 37/38 respectively with Mitch Foon third. Joe Attard was the back marker and Steven Parks won the junior front marker.

The Single Barrel was won Overall by Adam Vella 42/43 from Mitch Foon 41/43. With the standard of competition, it was a bit of a surprise that there were no possibles, but any number of 24s.

Three of the Zone's heavies, left to right: Bob Buchan (zone president), Vince Mollica (zone vice president) and Graham Ash, all share a joke

The final event of the program was the Points, and this was shot under the best conditions of the day and the highest level of the art of point score shooting. The Overall winner was Bernie Stokes, 159/159 from Graham Ash 156/159.

The Junior High Gun for Band C grades were Tye Hunter and Tony Gauchi respectively.

The Junior Team on the day was Veneto with 90/100 and this just continued the winning way of Tim Signorotto and Tony Gauchi who also took out the series Team Shield.

The Carnival High Guns were B. Stokes 149/150, Junior T. Hunter 131/150, Ladies K. Clarke 135/150, Veterans F. Foon 142/150.

The series Team Winner was Morwell 1189 from Wonthaggi 1179 and Melbourne 1176.

Individual High Gun for the series: Double Barrel Bruce Webb 125/125; Handicap Joe Attard 124/125; Overall Bernie Stokes 246/250.

This year's series was again a great success and the Carnival topped off a very closely contested 1996.

QCTA State Skeet Carnival

September 20, 21 and 22 had all roads heading to Rockhampton for the 1996 Queensland State Skeet Carnival. Weather conditions proved to be a mixed bag, from crisp sunny mornings, to a snap electrical storm and driving rain that lasted about an hour, to gale force winds, however we pressed on - hardy bunch, shooters!

The first event on the program for Friday was the 50 target Rockhampton Championship and 66 shooters were out to ensure defending champion, Max Barton, got a run for his

grade went to Garry Darr 95/100 from Peter Field 93/100, Eddy Bates was the C grade winner with 93/100 from Peter Henderson 92/100. The womens section was won by Toni Dierke 92/100, 'BJ' Withers recorded 90/100 to take the Juniors and Bill Scott collected the veterans with 94/100.

money. At the end of the 50 target, Jim Edmonds and Max Barton were the only two possibles recorded, and after the shoot off, Max Barton claimed victory with 61/61.

Juggling the job of shoot marshal did not stop Laurie Chelepy from taking out the AA grade with 78/80, from Margaret Denton on 77/80. A grade went to Jim Edmonds 60/61 from Arthur Dierke 48/50. A 48/50 from Neil Berry ensured him of B grade from John Wilkinson on 48/51. Bundaberg junior, Bradley Petersen took out C grade with 52/58 from Michael Beak 51/58. The Womens section was won by Toni Dierke with 47/51, Clint Wilkinson won the Juniors with 42/50 and the Veterans was jointly won by Bill Scott and Bill Turner.

The ever popular 50 target State Handicap was the next event, and for the first time this year carried a Silver Qld Badge and State Sash. Last years winner 'BJ' Withers was on hand to keep the remaining 65 shooters on their toes, and eight of them recorded a possible 50/50. The shoot off had a marathon number getting underway. Third placing went to Bradley Petersen who went into the shoot off on +5 (101/112), 2nd place went to Dave Dundon 117/118 - a great effort as he went in on zero. The 1996 winner was Jim Edmonds 118/120 after starting on +2.

Saturday morning, down to the business of the 100 target State Championship and 75 shooters braved the dramatic weather change. The event was finished on two traps due to a power failure, but everyone got in their 100 targets and five of them recorded 99/100.

The Overall winner and State Champion for 1996 was defending Champion Laurie Chelepy 163/164. 1st AA grade Glenn Clark 162/164, Dave Dundon took 2nd in AA grade with 138/140. Gold Coast shooter, David Young was the A grade winner on 104/108, from Arthur Dierke on 103/108. B

For the first time this year a Junior Encouragement Award was presented, the inaugural winner being Bradley Petersen from Bundaberg. Next year this trophy will be awarded at both the State Skeet and State Trap Carnivals.

Another carnival has been run and won, and thanks must go to the Rockhampton club, their Ladies in the kitchen and their members who worked hard to have everything ready, but the elements certainly had other ideas. Again, thanks to the Roma members who sold the raffle tickets at yet another Carnival.

Toowoomba Clay Target Club is the venue for the 1997 Carnival on 19th, 20th & 21st of September.

NSW 1996 STATE TRAP CARNIVAL

The long weekend in October once again saw NSW Trap Shooters heading for their State Carnival, this year venturing very far afield to Cobar in western NSW. The Gun Club members were very pleased to see us, as were the townspeople generally, with the hotels, motels and caravan parks "just comfortably full".

The weather was a bit touch and go at times but settled down eventually. There were 189 shooters in attendance.

The Annual General Meeting was conducted on the Friday night, as is tradition, at the Gun Club with only 40 in attendance. This is poor, considering this Association now has over 3000 members.

Queanbeyan was third with 69/70. He was followed by Bill Jones 4th, Steve Osborne 5th, Clem Cunningham 6th and Tony Redondo 7th.

The State Double Rise followed during a 'wild storm' which thankfully passed quickly with Arthur Turner from Warren club winning with a 'Skinner' on 49/50.

Congratulations Arthur. AA grade was won by Chris Brandon, A grade by Tony Barton, B grade by Merv Lyons and C grade by Trevor Harbor. Wendy Barton won the Womens section, Bill Palmer Junior section, Adam Healey Sub Junior and Merv Lyons Veterans.

The State Double Barrel Championship is a very sought after prize, and was generously sponsored again for us this year by Winchester. Many thanks to the State Manager, Frank Smith, for his continued assistance. The event commenced on Sunday morning with over 50 shooters scoring the possible 50/50. The long shoot off then commenced which was finalised the following morning prior to the finalising of the Single Barrel event which was also shot on Sunday afternoon.

The overall winner of the State Double Barrel Championship was well known Victorian shooter Roger Duthie (who had also travelled a great distance to our shoot) with a score of 425/425 from 1st AA grade placegetter Tony Wright 424/425. Ray

Kearns from Bega won the A grade 121/122, Simon Dickson B grade 50/50 and Bill Palmer C grade 72/73. Andrew Miller won Sub Juniors and John Rue the Veterans.

The Womens DB Championship (Lola Charles Memorial Trophy) was won this year by a good friend of Lola's, Lyn Blake shooting 59/60. Lyn was very pleased and proud to win the event and well done Lyn. Karen Kennerson was second and Kathie Gault third.

The Junior DB Championship was won by Chad Vernon with 50/50 from Bill Palmer and Andrew Miller. Congratulations.

Both the Womens and Juniors Double Barrel Championships were again kindly sponsored by the NSW Firearms Safety Awareness Council, which is very ably run by Paul Andrews. Many thanks to the Council for your continued support.

The State Single Barrel Championship was won for 1996 by Coffs Harbour shooter John Farrell with a score of

New South Wales State Open Trap team

The shoot got underway on Saturday morning with the newly introduced Zone Shoulder to Shoulder Teams event for the first time, being shot for the Mark McInnes Trophy. The friendly rivalry between the teams was wonderful to see, and the event proved to be quite popular. The Northern Zone Team of Alan Jones, Roger Vidal, Mike Height, John Kent and R. McKay won the event with a fabulous score of 125/125 (373/375), and weren't they proud to do so. Just ask Zone President John Kent!

The State Handicap was the next cab off the rank with a new Firearms business located in Canberra, taking up the sponsorship for this event. Fyshwick Firearms - located at Unit 3, 51-55 Kembla St, Fyshwick, is owned and operated by clay target shooters Tony Barton and Chris Milligan. We are very grateful for their sponsorship. Many thanks also to Doug Jordan also from Canberra, whose business RJB Gunsmithing sponsored this event for several years.

The overall winner of the State Handicap this year was our State Vice President, Mark McInnes from Narrabri with a score of 74/74, Well done Mark. Tony Wright from Junee was second with 73/74 and Michael Lyons from

Arthur Turner, State Double Rise Champion and Overall High Gun winner being congratulated by Bill Jones.

65/65. Well done. Garry Tabain (A grade) was runner up with Peter Griffiths taking AA grade, James Mann B grade and Trevor Harbour C grade.

Janeene Kidd won the Womens section, Craig Hayes the Junior and Alex Peters the Sub Juniors with Rex Percival taking the Veterans.

The final event, the State Point Score Championship, was sponsored again this year (and for that many previous years we have forgotten how many) by Peter and Joan Abela from Horsley Park Gun Shop. Many thanks for your

New South Wales State Junior team

continued support, and its good to see you looking so well Peter.

Steve Guest from Leeton won this years event with a score of 188/189, congratulations Steve. Peter Fitzalan won AA grade, Frank Headon A grade, Merv Lyons B grade and Bill Palmer C grade (again??) Leonie Peters won the Womens section, Scott Schmetzer the Juniors, Alex Peters

the Sub Junior and Merv Lyons the Veterans.

With the three main events finalised, the State Teams were announced (after shoot offs for places with 4 points down), that is great shooting. The Open State Team for 1996 is Steve Guest, John Farrell, Robbie Thompson, John Kent, Peter Fitzalan, Fred Schmetzer, Ray Kearns, Michael Lyons, Alf Gugliemino, Ian Merrick, Arthur Turner, Frank Headon, Ken Fuller, Alan Drogemuller and Kim Nealon. The Shoulder to Shoulder Team consists of Fred Schmetzer, Peter Fitzalan, Arthur Turner, Robbie Thompson and Ray Kearns. Arthur Turner won the State Team High Gun with 150/150 after a shoot off with Peter Fitzalan and Fred Schmetzer.

The State Womens Team is Kathie Gault, Leonie Peters, Glennis Lawrence, Karen Kennerson, Loz Lloyd and Lyn Blake, with the Shoulder to Shoulder Team being Glennis Lawrence, Kathie Gault and Loz Lloyd. Glennis Lawrence won the Womens Team High Gun 74/75.

The State Junior Team is Scott Schmetzer, Bill Palmer, John Cunningham Jnr, Luke Kearns, Sam Nardi and Alex Peters with the Shoulder to Shoulder Team being Scott Schmetzer, Bill Palmer and John Cunningham Jnr. Bill Palmer won the Junior Team High Gun 73/75. Congratulations to you all.

The Open Zone Teams Match, shot over the Pointscore event, was also hotly contested and was won by the Western Zone team of Arthur Turner, Brian Manns, Martin Bourke, Ian Merrick, Ray Jenkins, Peter Fitzalan, James Manns, Mark McInnes, Ken Fuller, Mal Stevens, Button Powell and Peter Wyner. C grade High Gun was won by Bill Palmer from Darnick with a score of 319/350, B grade High Gun by Merv Lyons with 329/350, A grade by Frank Headon from Hay with 335/350 and AA grade by Steve Guest from Leeton with 342/350. The Overall High Gun was won with a great score

New South Wales State Women's team

by Arthur Turner with 346/350. Congratulations to all the winners.

In closing I would like to thank the Cobar Gun Club President, Frosty Singleton and Secretary Brenda Ringland, as well as all their club members and helpers for their hospitality and service over the weekend. The shoot ran very smoothly with very few breakdowns.

Thank you also to the shooters for supporting the shoot, despite the distance to travel. Many thanks to the State Executive members who assisted with the shoot, especially John Lawrence and Joe Caltabiano who worked as the Shoot Marshalls. This is a thankless and tiring job. Also thanks to Mark McInnes and Tom Turner Snr on the practice trap, Jeff Nash and Dave Haggarty on Handicapping, Dave Harris on the scoreboard and all other Executive who helped as 'Jack of all Trades'. My special thanks to Barbara Nash who volunteered for long hours in the office, and also to Geraldine Kilfoyle for her assistance.

We look forward to seeing you all again next year at Sydney Marconi.

Dear Sir

May we, members of the Kerang Clay Target Club Inc., take some space to congratulate Mr George Biggs on his article in the September issue of the CTSN on the number of meaningless Championships and the amount of Double Barrel shooting taking place.

We, as a small country club, are finding it increasingly difficult to operate in a society hostile to shooting sport and tightening finances.

We have always striven to give the shooter value for money - rightly or wrongly, by running two Championships at most programs. We don't know why, but the winner of the last one couldn't tell you what was written on the Sash. Probably because after being presented with the sash by the Club President, the recipient ripped it off as quick as he could, if indeed he put it on at all, and then jams the same into his pocket.

This coupled with grading presents a sizeable expense at trophy time: 4 Sashes, 4 x 1st trophies and 4 x 2nd trophies. If you don't give the above, and I guess there are other clubs with similar problems, it is only the bad news that spreads - "only give ribbons", or "noms to high" or "lousy trophies", if not all three, at "such and such" club.

With other sports it is a season's work to be rewarded, not twice a day or possibly three or four times each weekend if the shooter is prepared to travel a bit.

Why don't shooters and those in high places look to introducing something new for club shoots?

Perhaps each club could run day, and if available night, categories of each double barrel, single barrel, pointscore, double rise and deauville doubles events (just an example), giving a total of ten Championships per club per year, and give another name or just plain old 'Common Mark' for club events.

With a formula similar to the above there is still a lot of Championship shooting available, and with a bit of common sense, perhaps we could do away with the 'saturation of Championships' of the present time and get back to what it is supposed to be anyway - SPORT.

Congratulations George for bringing this problem out in the open. Kerang Clay Target Club Incorporated agrees with you.

Australia's First Olympic Gold Medal Winner

*by George Biggs,
ACTA Historian*

Yes he was a Shooter

His name: Donald Mackintosh and the year was 1900 at the Paris Olympic Games.

Well before those of us who are shooting today were born, Donald Mackintosh was making a name for Australia on European Shooting Grounds and at the leading grounds and at the leading Gun Clubs of England in the 1890s.

The Untold Story of Aussie Gold
The Medal Winner who Wasn't

A piece of our sports history has been discovered and recognised after 87 years. Most Australians will know of

Betty Cuthbert, Murray Rose, Marjorie Jackson, Dawn Fraser, Herb Elliot and other Olympic Winners of past years. But what about Donald Mackintosh?

In the year 1900 Australia sent three male competitors to the Paris Games. One of them was Donald Mackintosh, at that time classed as one of the best shots in the world. In Paris he won gold medals for game and live bird shooting but, because he was not recognised by the Australian Olympic Federation, Australia did not officially credit him with the honour.

Mackintosh's achievement, in fact, went unrecognised for 87 years, then Brisbane couple Professor Max and Dr Reet Howell, researching a book on Australian gold medal winners, came across his case.

They found an official 1936 A.O.F. history of Australia's participation in the Olympics did not include Mackintosh as a competitor in the 1900 Olympic Games. But other sources including Alexander Weyand's the Olympic Pageant and John Grombach's Olympic Cavalcade of Sport did include the shooter as a gold medal winner.

The Howells decided to clear up the matter and set about obtaining Mackintosh's recognition by the International Olympic Committee.

Their efforts were rewarded when, on September 14, 1987, I.O.C. Secretary General Francoise Zweifel sent a letter to the authors confirming Mackintosh's medals.

The mystery of Donald Mackintosh's medals is one of the highlights of Howell's new book - Aussie Gold: The story of Australia at the Olympics.

Some of "Donald's" more conspicuous wins on the continent and in England and at home are as follows:

1890 First in Melbourne Gun Club \$2000 Handicap shooting 33 birds straight from 33 yards handicap.

Melbourne Gun Club \$100 Challenge

Cup, won 3 times.

London Gun Club \$200 Challenge Cup, 3 times in succession

Paris Gun Club \$200 Challenge Cup, 3 times in succession

Grand Prize of Italy Florence, \$1600

Grand Prize Aix Les Bains, \$1600

Championship of Belgium Ostende, \$400

Grand Prize Monte Carlo, \$2000

Championship of London Gun Club, \$300

Grand Prize of Milan Italy \$1600

Grand Prize of Madrid Italy \$1600

Grand Prize of Monte Carlo \$2000

Donald Mackintosh first visited England in 1896 where he spent a year returning again in 1900 to spend the next nine years "Donald" worthily represented Australia in European and British shooting circles, gaining much prominence as a successful competitor in the most important shooting events in the old world.

Donald Mackintosh's shooting feats at the 1900 Paris Games were only recently recognised by the International Shooting Committee.

The Melton Historical Society has commissioned Creswick Monumental Works to restore Mr Mackintosh's grave and hopes to unveil a commemorative plaque in honour of the great sportsman later this year.

The Society's Secretary, Ms Gail Chambers has written to the Australian Olympic Committee to ask if they can use the Olympic Rings on the Commemorative Plaque.

Donald Mackintosh was born September 22, 1866 and died September 8, 1951. He was inducted into the Australian Sports Hall of Fame in 1987.

Note: A more indepth story on Donald Mackintosh is told in the ACTA History Book, available at the A.C.T.A. Office. Price \$20.00

Gladstone Clay Target Club Inc

The Gladstone Clay Target Club Inc. held a charity shoot on Sunday 29th September 1996; for the local Miss Australia entrant Tanya Jackson, with almost \$2500.00 profit raised to benefit the Queensland Spastic Welfare League.

Gladstone Club members have been active in running many charity shoots in the past, as the Club sees them as a way of lifting the profile of clay target shooting in the community, and also as a way of gaining new members, while achieving something of worthwhile value for a nominated charity.

Despite the fact that the date chosen inadvertently clashed with the Bundaberg 2 day shoot and also the Rugby League Grand Final, and also coincided with the start of the best storm rains in the area for a long time, the day was an outstanding success both in the terms of funds raised and the in the level of enjoyment by the participants.

Charity Queen Entrant Tanya Jackson and Gladstone Clay Target Club President Ray Wise

The 20 teams of novice shooters entered by local businesses and organisations was a tribute to the efforts of Club Members in not only promoting the event widely, but also in holding regular practice shoots for new shooters interested in our sport.

The benefit of the many practice sessions held was evident in the smooth and incident free running the of the events, and in the many good scores achieved by the novice shooters. Scores of 7, 8 and 9 out of 10 for 15 metres single barrel shooting were common in very difficult conditions.

Many of the teams turned out in their sponsors uniform with the Army teams in full battle dress. The Reef City Ford team won the prize for the best dressed team, but the 42nd RQR teams attracted most interest with their display of military hardware and were a feature of the day.

After the two rounds of competition, the 42nd RQR "Cobras" team with 69 targets narrowly defeated the Gladstone Fire Brigade "Hot Shots" team by just one target with the J & P Auto Electric's "QF" team just behind in third place.

B. Hulls of the "Hot Shots" and C. Cush of the 42nd RQR "Cobras" tied for the overall lead with 17/20 with B. Hulls winning the shoot off. Five novice shooters finished on 16/20 with B. Young of the

42nd RQR "Strikers" team winning the shoot off for third place.

The Ladies overall trophy was won by D. Johnson by just one target from P. Barker with H. Wells in third place.

The supporters of Miss Australia entrant, Tanya Jackson, provided excellent meals throughout the day and ran many raffles which contributed to the great results achieved, as also did the many generous donations of prizes and materials from many local businesses.

The ACTA members shot a single barrel event which was won by T. Cragg, J. Cush and P. Hoare who all shot the possible in wet and windy conditions.

The shoot off for the second ACTA event, double barrel continental was conducted over increasing meterages in an effort to effect a quick result, but the event was not finally decided until several rounds off 25 metres which was remarkable shooting under the conditions.

A grade was won by Ayres Rock visitor, Col Havers with 32/32 and B grade won by Erica Hudson with 28/28 and C grade by Sean Leach with 21/23.

It was a long and tiring day for the club members but all were well satisfied with the excellent atmosphere, the great success of the day, the lifting of the profile of clay target shooting locally and, particularly, with the six new members achieved as a result of the members efforts.

An excellent day, a great result, and the promise of more to come.

THE AUSTRALIAN FIREARMS BUYBACK

The Birth of a Gun Club — Woods Point, Victoria

Recently I had a call from Don Woods, owner of the Woods Point Hotel and one of our founding members, to tell me about the loss of one of our members and an interesting tale of the birth of the Woods Point Gun Club.

"In the late 1960s in Woods Point no one used shotguns apart from the occasional foray into the countryside for duck opening. The ducks were pretty safe. Shooting a duck was rare as none of us knew much about the art of shotgunning.

"One night in the bar of the Woods Point Pub, Bob Legg a local miner and identity, Ron Wales from Warburton who was working in the area, and myself, were enjoying a beer and discussing our frustration at not being able to regularly get a bag of ducks, in fact even hitting them was generally greeted with great surprise. Ron suggested that we get a clay target hand thrower for some practice as duck opening was approaching, so the next day I rang Ron Martyn of Melbourne Firearms to see if he could help us.

"Ron landed at Woods Point the next weekend with a crude looking trap bolted to an FJ Holden wheel, (not on the car at the time). Ron and I went to the old Slaughter Yards, which are just past the present location of the Gun Club, and set this contraption up. We went through a couple of packets of ammo each and managed to hit one or two targets and found the experience quite enjoyable. The following Monday, Bob Legg, Ron Wales and myself were having a few beers, (again), and discussing the merits of practicing with the clay target thrower. Because of our lack of shotgunning ability we decided that the idea of holding regular clay target shoots would improve our skills and gets us out of the pub occasionally. Ron Wales produced a \$10 note, slapped it onto the bar and said, 'I would like to be the first financial member of the club.'

"That was back in 1970 and as you can see from that small beginning we built a successful clay target club that today still thrives even though it is one of the most remote gun clubs in the country. I am constantly amazed and pleased when I see the standard of shooters that have come from our club and always enjoy the friendliness and hospitality that our club is renowned for. Incidentally, until Ron Wales went to live in Warburton just after the Second World War, no one there bothered to go duck shooting.

Ron introduced the sport into this part of Victoria. Ron and I spent many enjoyable duck shooting trips together and I am pleased that he was the catalyst that got our great gun club off the ground."

On the 14th September, 1996, Ron Wales died in Warburton Hospital, a few days short of his 69th birthday. His service at Warburton was one of the largest ever held in the area as he was a well known local identity and respected by all. Ron has the honour of being the first member of the Woods Point Gun Club, a distinction that no other shooter can ever hold. The following eulogy from his service sums up the way he lived his life.

"Ron, a man's man, a battler, a beaut bloke who loved his wife and family, boxing, shooting, bowls and footy.

He was proud to serve his country.

His motto was 'United we stand, divided we fall'.

A great mate who will be missed."

The committee and members of the Woods Point Gun Club mourn the loss of our founding member and offer our sincere condolences to his family.
