Weatherby®

Athenia® Orion® Shotguns

From the elegant look of our Athena® series to the proven performance of the Orion®, you'll see why we confidently proclaim that no one offers you better value for your money - better wood, better balance and custom-fit internal parts - to deliver better performance in the field.

■ **Modified Greener cross bolt action** - one of the strongest and most reliable made. The cross bolt lockup actually "shoots in" with use to retain its rigidity and tight fit. Shallower in depth and thinner in profile, our 12 gauge receivers are proportionate to most other 20 gauge guns, generating that sought-after "between the hands" balance for quicker pointing and target acquisition.

■ **Automatic ejectors** - discharge spent shells when receiver is opened. Unfired shells are raised slightly for easy extraction.

■ **Special breeching system** - provides seven points of engagement for a stronger, safer action.

■ **Backboring to .735** - on all Weatherby 12 gauge models - helps to improve shot patterns, reduce recoil and shooter fatigue.

■ **Patented sear block safety design** - prevents accidental discharge when loaded shotgun is closed when trigger is depressed... even when the safety is in the "off" position.

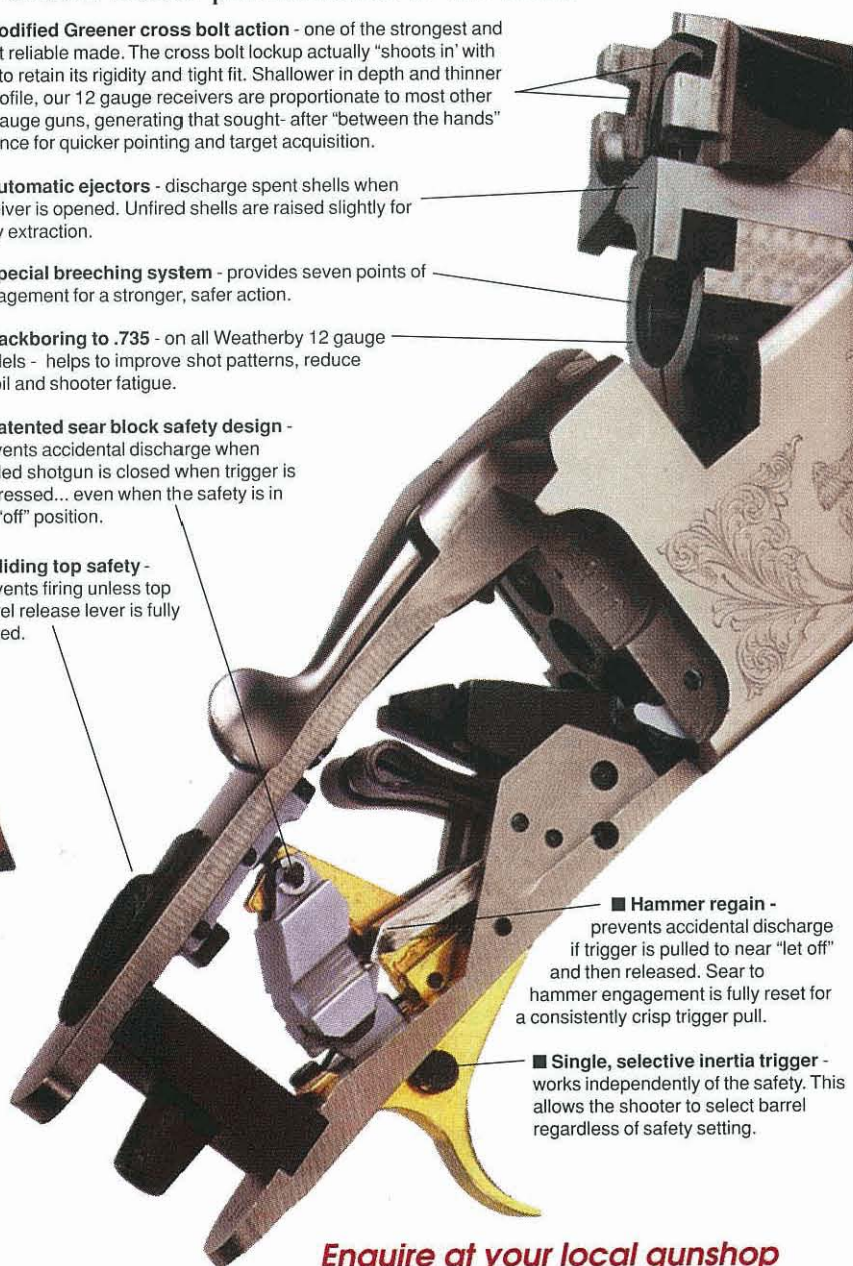

■ **Sliding top safety** - prevents firing unless top barrel release lever is fully closed.

■ **Hammer regain** - prevents accidental discharge if trigger is pulled to near "let off" and then released. Sear to hammer engagement is fully reset for a consistently crisp trigger pull.

■ **Single, selective inertia trigger** - works independently of the safety. This allows the shooter to select barrel regardless of safety setting.

National President's Notes

"Politically Correct?"

Everyday the media is telling us what is "politically correct" and what is not.

It seems any comment that can be conceived to support gun ownership or the shooting sports is definitely in the "not". Even Prince Phillip was labelled with a politically incorrect statement when he remarked that if guns were to be banned in the United Kingdom, they may as well ban cricket bats whilst they were at it.

I am often told by persons involved in politics that the vast majority of our current Australian population is against the private ownership of firearms, however, when I speak to people I meet at work or socially, they all support private ownership of firearms for clay target shooting, and most support ownership for hunting. When I press the politicians or bureaucrats for facts to support their anti-gun stance, I am told it is not "politically correct" to support pro gun issues.

I wonder who brought this "politically correctness" into our everyday life, and why?

I also wonder if the deaths of some 90 Australians in motor vehicle accidents over the Christmas-New Year period gaining the usual scant media outrage is "politically correct"?

Gun Laws

It now appears that Victoria will introduce its new firearms laws in April, New South Wales in July, Tasmania has already introduced theirs, and so on for each individual State. So much for a uniformed approach to the introduction of National Firearm Laws.

Canberra has advised (letter printed in January C.T.S.N.) that as members of the A.C.T.A., we have been allowed access to semi-auto shotguns, should we have a need. I have made inquiries in Victoria as to when the Victorian Firearms Registry will begin issuing authorities to those requiring them and have been politely told "not until the new Act is introduced". This is totally unacceptable to those members requiring access to these types of firearms.

My understanding of the Police Ministers' Conference recommendation was (i) if you owned a semi-auto/pump-action shotgun, and was a member of the A.C.T.A. prior to the 15th November 1996, and (ii) as a new applicant with a physical need, you were entitled to be granted an authority to possess and use. I certainly hope members requiring authorities will not be subjected to unwarranted long periods awaiting their issue. This is appearing as the only downside to our efforts to obtain your right to keep and use semi-auto/pump-action shotguns.

I would suggest all members wishing to obtain an authority write to their respective Firearm Registry requesting the issue of same.

Rule Books

We have decided the best we can serve our members requiring a copy of the rule book, is to print them in a pocket size edition and distribute them to Clubs via State and Zone Secretaries, on a demand basis. Simply this means every member requiring a copy has only to ask his Club Secretary and one will be supplied.

The rule book is at present being prepared for printing and copies should be available in February.

World Championship

We still need referees and scorers for the World Championship. We are offering Clubs and individuals the opportunity to form groups of a minimum of three to act as referees and scorers for the three days of the Championship. The payment is \$750 per group for the three days. It would seem a great pity if the only flaw in the programme was that we had to revert to the format used at our Nationals, that is, take referees and scorers from the preceding squad. Come on, let's make this event truly professional and have some support. Even if your Zone, or for that matter your State wants to take up the offer, let us know.

I recently paid a visit to Wagga and the grounds are looking magnificent, and early congratulations must be extended to Wagga for the huge amount of work they have done to date, and to the members of the organising committee for their very professional planning of all stages of the event so far. It will no doubt be an outstanding event.

Marconi Clay Target Club

1996 Camp Quality Charity Shoot

The Marconi C.T.C. is proud to announce that the 1996 fund raising effort resulted with a total of \$15390.00 handed over to representatives of Camp Quality at our gala shoot on Sunday 3rd November.

Like last year the driving force was Mr Chris Young of C Young Auto Dismantlers who donated the main raffle prize and also the printing of the raffle tickets.

He also organised the sale of most of the raffle tickets to the car wrecking, spare parts, panel beaters, auto paint shop and other associated businesses. The minor raffle prizes were again donated by Domonic Salvaggio of Rainbow Kitchens and Mr Touzil of Reliance Replacement Parts.

The prize money for the \$600 handicap event was increased to \$1000.00 thanks to the generosity of Gary Rootes who put up \$200.00 and the following who each contributed \$100.00 - Gary Kennerson, Angelo Piazza of Simpson Smash Repairs, Peter Abela of Horsley Park Gun Shop, Jim David of Jim David Auto Transmissions, Rallyquip, Vince Gatt of V.G. Auto Parts, Serge Zuffo of Matarelli Traps and Club President Len Crema.

Other sponsors on the day were De Bortoli Wines, Non Ferral Australia and Auto Paints & Eng Suppliers.

On behalf of the Marconi C.T.C., Camp Quality and the children who will benefit we thank all the sponsors and all the people who assisted in selling the raffle tickets and all the clay target shooters who purchased tickets and took part in the day events.

Normally the club members who contribute to the success of a

shoot are not often in the winners circle, but on this occasion Chris Young was certainly a winner, he won the Camp Quality Pointscore Championship 74/75 and the Camp Quality Double Barrel Championship 50/50 and also the Overall High Gun 160/166.

Chris was also presented with a token of appreciation by Camp Quality and also in recognition of his fund raising efforts over the last three years. The Club presented Chris an engraved plaque to end a day which he will remember with great satisfaction for his achievements on and off the shooting tracks.

The \$1000.00 Cash Handicap was won by Les Trew 18/19 who took home \$500.00, 2nd Gary Kennerson 16/17 \$200, 3rd Jim Adamopoulos 15/16 \$100, 4th R. Van Beek 14/15 \$50, 5th B. Evans 13/14 \$50, 6th A. Dannaoui 10/11 \$50.

It is hoped that the combined efforts of the Committee and Club Members and their families and all the members of the A.C.T.A. who contributed to the success of the day will reflect well on our sport of Clay Target Shooting.

1996 ACTA Junior Development Camp

Sunday 1st December saw the beginning of this annual migration of ACTA Elite Juniors to the Australian Institute of Sport, Canberra.

Nineteen Juniors had been selected from the five disciplines involved at National Championship level. Arrivals in Canberra went on most of Sunday the 1st and by 8pm the last junior had arrived and settled into the Hall of Residence.

Attending were: ISU Trap & D/T: Nathan Cassells, Derek Bruce, Craig Henwood, Nathan McDonnell; ISU Skeet: George Barton, Kris Jones, Michael Wenzel, Marc Crimmins, David Work; Double Trap: Natasha Lonsdale, Nessa Jenkins, Susan Milroy; Skeet: Michael Faber, Justin O'Brien, Robbie Marino; DTL: Adam Hogarth, Gavin Shim, Glen Viney, Tony Teboneras.

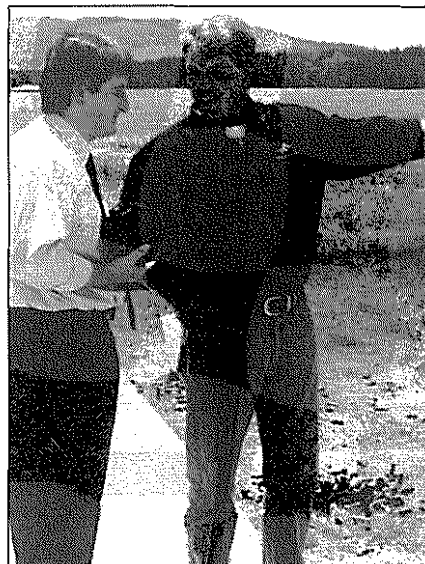

Like everything there was a few surprises as after dividing into groups, they had to decide on a series of foods. Pizza was not eliminated.

Following a lunch break the groups divided again with the second year juniors attending a more in depth Sports Psychology session. Both groups, during the Psychology sessions, were introduced to the use of a diary and received a Clay Target specific version, for training and competition. Outside the first timers took the firearm maintenance to heart and when last seen were seeing who could find the least maintained shotgun to work on.

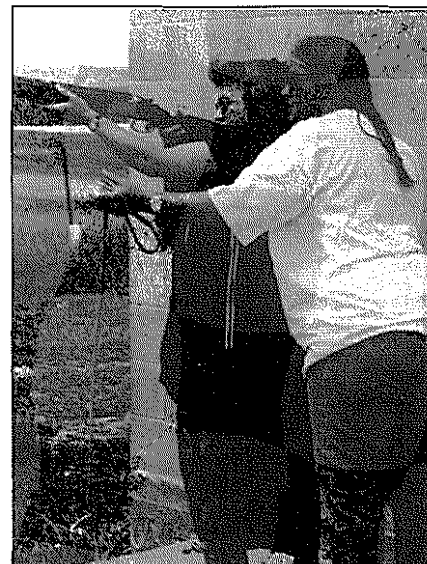

To finalise the afternoon everyone changed into sports gear and undertook several hours of gym work as every exercise related to clay target was explained. During this time warm

Bill Iles discussing with Craig Henwood a technique change.

This year the Coaches invited to attend were two from the Coaches studying to attain Level 3 Accreditation, Mr Chris Davis (NSW) and Mr John Mitchell (Qld). To further assist the Juniors were specialist Coaches Bill Iles, Deserie Wakefield and Russell Mark, all ACTA Accredited Coaches. A lucky break for the ISU Skeet shooters is the decision by Luca Scrabini-Rossi, an Internationally recognised Italian ISU Skeet Coach, to take up residency in Australia. With the assistance of ASA funds we were able to have him attend this camp to assist the rejuvenation of our Junior ISU Skeet Squad.

With a more in depth program established and more defined participation rules in place, the Camp got underway. The itinerary began at 7.00am with warm up exercises and finished at 9.00pm after the last session of the evening.

Monday and day 1, with Chris Davis co-ordinating proceedings, began with the new members of the squad undertaking basic Sports Psychology with the ASA Mental Trainers, Claudia Kulla. The old hands undertook firearm maintenance, something it was found individual shotguns needed plenty of.

Nutrition followed and the entire group was introduced to the vast variety of food that they have a choice of in everyday life.

up exercises were demonstrated and taught so that beginning the following morning a half hour of these techniques would be undertaken.

With dinner out of the way the evening session began with a discussion on ISU and standard discipline rules. After nearly two hours, time was called and the first work day was finalised and it was time to relax and punish the pool tables.

Seven o'clock Tuesday morning everyone, and some are not pretty sights, was assembled in the recreation room to begin the day with warm up exercises. With John Mitchell the days co-ordinator in the lead, a series of stretching was begun. Full marks to Derek Bruce for his sleep walk which he claimed was a serious attempt at visualisation. The day flowed on with Drugs in Sport beginning the lectures, followed by a newly introduced Physiotherapy, self massage. As the day proceeded the ladies attending the camp separated from the group for a discussion on Women in Sport.

During the Women in Sports session the remainder of the group headed for the information centre for an overview of the availability of video and study material available for all sports. Another newly introduced component of this junior camp was a session on Public Speaking, something that past camps have felt would be of great benefit.

With the evening meal over and Bill Iles, Deserie Wakefield and Luca Scrabini-Rossi now in attendance, the group delved into the Ethics in Sport and Codes of Conduct. To complete the day the 1997 Junior Development T-Shirts were handed out to the participants and Coaches.

Wednesday and, following the morning ritual of warm up exercises, the Practical training began at the Canberra International Gun Club. John Taylor and Graham Hatherly who have each year along with the late Frank Petriella, worked tirelessly for this Junior Camp, had everything nearly ready to go. While the ISU Trap, Skeet and ISU Skeet disciplines trained the Biomechanics set up their equipment for the recoil and stance stability testing. Each group took turns to be filmed throughout the middle part of the day. It was during this session that three ladies from the National Sports Program arrived, by invitation, to view our sport and the Camp they had assisted to organise. Sally Mills, Rhonda and Debbie took advantage of the offer and under instruction from Deserie broke a few clays from No.7 Skeet pad. Top effort.

Following a short break, the disciplines changed and Double Trap and DTL began with ISU Skeet continuing. Bill, Deserie and Luca worked through the disciplines ably assisted by John and Chris who assumed an understudy position as part of their continuing Level 3. A long day drew to a close with the departure of Bill and Claudia Kulla, who had been with the squad all day prior to leaving for a Rifle Camp in Adelaide.

The evening session completing day 3 was a view of the raw footage of the recoil and stance stability filming. Although we had the filming angle slightly out of line, the information generated by the film was immensely valuable.

Day 4 started again at 7.00am with warm up exercises followed by an early start to the Gun Club so as to pick up Russell Mark, the specialist Coach for the day at the Airport. Double Trap, Trap and ISU Skeet were the first disciplines undertaken.

During the morning we received a visit from Mr Mark Garrity, David Laylor, Australian Sports Commission as well as Lachlyne McCabe, the Office Manager for AIS Sports Travel. Like the Ladies before, we proudly showed them our sport in training and insisted they have a couple of shots. Mark and David smoked a couple while Lachlyne scared the paint off hers.

Back to training and for the final session the disciplines changed to ISU Trap, Skeet and ISU Skeet. Another long day of practical work drew to a close and after a complete clean of the club area we all headed for the AIS dropping Luca and Russell at the airport. Following dinner everyone assembled for the final evening session this time being on goal setting for 1997. Each of the squad members then presented their goals and the steps they felt they would need to achieve to the assembled group. It was great to listen to our future Elite performers give sensible achievable goals that they believed would lead them to the top.

The final day of the 1996 Junior Development Camp arrived and the morning ritual continued. 7.00am and warm up exercises were undertaken for the last time. As the ISU group were heading off for Illawarra for an elimination at 10am, three cars were packed and headed off. A small group headed for the airport and the remainder were taken on an AIS tour.

Finally the last group departed and the 1996 camp which was voted the "most successful yet" came to a conclusion.

But in concluding there must always be recognition paid to the people and companies that made the Junior Program possible.

Winchester Australia and Mr Gary Matchan who again supplied the ammunition for the Junior Program, their faith is being repaid.

Bay City Clay Targets and Brian Scott for the quality important targets to train with.

The National Sports Program with Sally Mills co-ordinating our program and ensuing we received total support.

The Canberra International Gun Club and members President John Petriella, Jim Ellis, Phyllis Petriella and especially John Taylor and Graham Hatherly.

The President and Executive of the ACTA and those who believe in the reality that Juniors are a sports future.

Last but not the most important for training, the Coaches Luca Scrabini-Rossi, Bill Iles, Deserie Wakefield, Russell Mark, Chris Davis and John Mitchell. These Coaches gave their time, expertise and support in the name of the Category 1 listed sport, Clay Target Shooting.

Australasian-Pacific "Grand Prix" 1997

OLYMPIC TRAP — SKEET — DOUBLE TRAP

Following the success of two Australasian-Pacific "Grand Prix" competitions and the renewed interest in Olympic discipline clay target shooting created by the successes of Michael Diamond, Russell Mark and Deserie Wakefield in Atlanta, the planning for the 1997 Australasian-Pacific "Grand Prix" is well under way with expectations high as to the quality of competition and the number of competitors expected to be in attendance.

As a competition now recognised throughout the clay target shooting world, the Australasian-Pacific "Grand Prix" has created considerable interest following its promotion throughout Europe and the Americas recently.

With the 2000 Olympic Games foremost in the minds of many nations, the opportunity to compete in Australia is very important to many of the world's competitive clay target shooters and many have indicated their interest in competing at the "Grand Prix" competition.

Olympic Games medallists Russell Mark, Deserie Wakefield and Michael Diamond discuss the installation of the new Olympic Trap facility at Brisbane Gun Club with Tom Meadows.

The recent assistance received from the Queensland Government to install a third Olympic Trap facility and upgrade the two existing ranges will establish Brisbane Gun Club as the best equipped Olympic Discipline facility in eastern Australia, and will enable the Club to cater for up to 150 competitors at the 1997 competition.

Having had representatives from 12 nations at previous "Grand Prix" competitions, the prospects for 1997 are again very encouraging. Already nominations have been received from throughout Australia, America, the Pacific region and Asia. Many other inquiries have also been sent in information.

With the 1997 competition offering new format 125 target events in both Olympic Trap and Skeet and a unique 75 target elimination badge match, the standard of events this year will be even better than previously offered.

The competition, which will be held at Brisbane Gun Club between 17th and 23rd March, will again offer Australia's best international competition available to Olympic Discipline shooters.

Starting positions will be limited for all events.

Details of the competition can be obtained from the Organising Committee Secretary on phone/fax (07) 5446 8353.

State Postal Team Results

Scores received reflect competition interest in the Down the Line and Standard Skeet disciplines, with an unfortunate near negligent response to the Olympic disciplines.

New South Wales showed their strength in 1996 by leading the field in the majority of categories, including the Open Trap and Open Skeet Matches. Victoria looks set to pounce with their up and coming Junior Trap Team winning convincingly.

Special mention to the victorious Women Skeeties from Queensland on an outstanding match winning score of 115.

Congratulations to both M. Kelly of Western Australia and Glen Viney of Victoria for scoring the possible 75/75 points in the Junior Trap Match, jointly winning the Newton Thomas Junior Award for 1996.

Match Results:

Open Trap: New South Wales 1482, Queensland 1473, Western Australia 1472, Victoria 1470, Northern Territory 1467, South Australia 1465, Tasmania 1458.

Taipan Shield 1996

Congratulations to the girls from Majura Park on successfully defending their 1995 win in the Taipan Shield Postal Competition.

K. Gault, K. Tittleback, W. Barton, R. Langley and S. Balogh shot the competition in November at the Canberra International Gun Club and scored a 117/125, with four of the girls shooting 24 and adding a 21 for a clear winning score.

Other results being Lower North/SAGC Ladies 114; Cressy Gun Club 109; Cohuna Clay Target Club 100.

Thanks to all teams for your entry and participation, let's see a few more girls get together for 1997 nominations.

Once again, congratulations Majura Park

BOMBALA GUN CLUB

Thirty years on and stronger than ever!

On Saturday 21st December the Bombala Clay Target Club celebrated 30 years of shooting with a tremendous roll-up of shooters. In 1967 the Club was reformed after a number of years and two of those members, Herb Kennedy and Don Badewitz, are the only two original members still shooting with the Club today. Both shooters were made Life Members not long ago in recognition of their untiring efforts for the Club. In 30 years Herb has only missed one Club shoot and last Saturday both he and Don were still among the winners - Don picking up the High Gun as well. In these 30 years we have gone from a "cuppa" out of a thermos, a small tin shed, one layout and a hand operated trap to two layouts, two electric traps (one auto), lights for night shooting and a much larger Club House. Both trap layouts have been redesigned and relaid, the last only just completed and looking a picture for our Christmas Shoot. Our ladies cook up a storm for every shoot and, on Championship Days and the Christmas Shoot, we rename ourselves the Gun & Gourmet Club, serving up a magnificent roast dinner, and with groaning tables for afternoon tea. Have you ever tasted one of Laura's honey rolls, or Dianne's snowballs? Maybe it is Kay's meringues or Wendy's slice that takes your fancy. Whatever you like, you certainly would not leave our Club hungry.

The Annual General Meeting resulted in almost all officers being re-elected - obviously when you are on a good thing you stick to it. Under the leadership of President Kelly

Morgan and the guiding hand of Ossie Benson, the Committee of Don & Nancy Badewitz, Debbie Morgan, Tony Roberts, Norm and Brad Wilton and Herb Kennedy keep things moving and, with all our Club members always ready and willing to help out wherever required, makes our Club one to be envied. Of course, we also have the invaluable assistance of Bev Wilbers on shoot days to keep the office and the squads all running smoothly. A good shoot secretary is worth their weight in gold. Many thanks Bev.

In 1996 our juniors have performed very well at various Clubs throughout the State and under the initiative of Kelly Morgan, funds have been raised through wood drives and catering to assist with travel and nominations for them. We record our appreciation of our sponsors, Toorallie, Prime Pine, Tablelands Sawmills, A. & S. Toms, Top Cafe and Roger Morgan-Bruce. Toorallie Woollen Mills have assisted us with promotion of the Club and Bombala (Platypus Country) with T-Shirts and logos for our shooting jackets.

At our Christmas Shoot there were 45 shooters participating from Numeralla, Bega, Cooma, Bairnsdale, Mallacoota and Bombala. There were shooters in all four Grades AA, A, B, C; there were old shooters, new shooters, lady shooters, our usual roll up of junior shooters and more coming to join their ranks each shoot day. Our Club now has over 30 members and we welcome any new shooters and invite them to contact a Club member if they would like to join our sport.

DRUGS IN SPORT AND THE RETIRING ATHLETE

There comes a time in every athlete's life when the body cannot do what it used to do, or something else, e.g. work or family become more of a priority. For the majority of athletes it simply means notifying the Club that you will no longer be taking the field/track/water etc.

However - for athletes who are still at the elite level of sport and have their name on the National Drug Testing Register, the following procedures are required when retiring:

* You must notify your National Sporting Organisation (N.S.O.) that you intend to retire. It is best if this is in writing.

* It is then up to your sport's national body to notify the Australian Sports Drug Agency (A.S.D.A.) of your retirement. It may be in your best interests to remind the N.S.O. of their responsibility.

* A.S.D.A. will then delete your name from the National Drug Testing Register.

CHANGE OF MIND???

If you are an elite athlete and decide to make a "comeback" at a later stage, you should let your National Sporting Organisation know.

Please note that some sports have special policy conditions on retirement and reinstatement. These conditions may involve drug testing prior to re-selection into Australian Teams. It is best if you contact your National Sporting Organisation to find out what conditions apply in your sport if you are unsure. For further information on this issue or Drugs in Sport issues, contact the Australian Sports Drug Agency (A.S.D.A.).

Victorian State Trap Carnival 1996

The picturesque well prepared Grounds of the Geelong Clay Target Club made a fine setting for the 1996 V.C.T.A. Trap Carnival.

Two hundred and seventeen shooters competed over the three days of the Carnival, enjoying mixed Victorian spring weather.

Victorian Double Rise and Pointscore winner Russell Mark

Event 1 - Victorian State Handicap

There were 12 possibles after the 50 targets, ranging in handicap from 11 to 22 metres. After a further 20 targets, we were down to four shooters, Steve Atkins, Bill Iles, Mick Brady & Jerome Shale. Mick Brady dropped target 74, Jerome Shale his 82nd, leaving Steve and Bill to fight it out.

Finally Steve missed at 113, Bill shot his and took the Red Sash & Silver Victoria Badge. Local girl Linda Ristevski finished fifth and also took the Women's section, Steven Parks the Juniors, and Jack Matthey prevailed in a shoot off with Fred Foon to win the Veterans.

Event 2 - Victorian Double Rise Championship

Not unexpectedly, Olympic Double Trap Champion Russell Mark won the Double Rise Championship outright, with a very polished 49/50. In a shoot off for the minor placings, Bill Eagle outclassed Roger Duthie to take Overall Second by a target with 85/90.

In AA grade First went to Mark Crevatin 56/60 from Lynne Curtis second, and Ron Glenn third.

Junior Luke Cassells topped the A graders after a shoot off with 74/80, from Ian Perks and Peter Mills.

The outright winner in B grade was Graeme Willett 46/50, second Geoff Strauss and third Ken Kay. Junior Stephen Parks led the C graders 45/50, from Grant McConachy and Simon Weatherald.

Tasmanian visitor Nanette McCallum topped the Womens section with 46/50, Geoff Strauss the Veterans on 44/50 and Luke Cassells the Juniors 47/50.

Event 3 - Victorian Single Barrel Championship

In a new departure for the State Trap Carnival, it was decided to program the Single Barrel Championship before the Double Barrel, to alleviate the problems experienced in previous years, with long Double Barrel shoot offs delaying the start of the Single Barrel.

The breeze was blowing on the Saturday morning making the targets difficult. At the end of the 50 we had four possibles, AA graders Andrew Evans, Garry Kelly and Stephen Atkins, and B grader Nessa Jenkins. Nessa was first to falter dropping her second target in the shoot off, leaving the other three to battle it out for the Overall honours. Steve Atkins again showed his prowess taking the Red Sash and Silver Victoria Badge with a very good 67/67. Second overall was Gary Kelly all the way from Geraldton WA, and third Andrew Evans.

Bill Eagle featured again taking AA grade first on 58/59, from Alan Jones with Robert Nisbet third.

A grade first went to Ozzie Hayek 49/51, second Ian Perks and third Sergio Zotti.

Nessa Jenkins with her excellent 50/50 took B grade from Tighe Hunter and Gaye Shale.

Junior Grant McConachy beat the C graders with 56/62, second Darren Brockwell, third Simon Weatherald.

Nessa Jenkins was top Woman 50/50, Veteran first Max Anderson 46/50, and Junior first Ashley Bolwell 46/50.

Event 4 - Victorian Double Barrel Championship

After 50 targets, thirty eight possibles lined up to fight out the State Double Barrel Championship. The wind was troublesome, being a tailwind it making the targets dip suddenly. At 100 targets 10 shooters remained, by the 150 mark just four AA graders were left. Jon Whittakers, Mark Crevatin, Trevor Smith and from NSW Mark McInnes. Just when it seemed likely that the shoot off would continue on the Sunday morning with three shooters still shooting, both Trevor Smith and Mark McInnes missed their 180th target, leaving Jon Whittakers with the Championship Sash and Silver Victoria Badge. Trevor then shot his 181st target, Mark missed, and the Overall placings had been decided.

AA grade first went to Mark Crevatin 150/151, second David Neilsen, third Jeff Tonna.

A grade was won by Daryl Hunt 104/105, second Sergio Zotti, third Brett Ford.

In B grade Mick Brady took the honours with 49/50, second was Ron Rankin, third Linda Ristevski.

Topping C grade was Junior Stephen Parks 50/50, second Grant McConachy, third Rebecca Attard. Linda Ristevski took the Womens Medal 50/50, Max Anderson the Veterans 49/51 and Stephen Parks the Juniors 71/72.

Event 5 - Victorian Pointscore Championship

Last chance to make the State Teams, two 149's were the best after the 50 targets, Russell Mark and Robert Durbridge. The shoot off went just three targets with Russell Mark taking his second Red Sash and Silver Australia Badge, after winning the Double Rise Championship on Friday. Third overall was Wayne Parks 148/150.

Hard working Trap Mechanic Len Cook beat the AA graders with 150/153, second John Mollica and third Robert Godfrey.

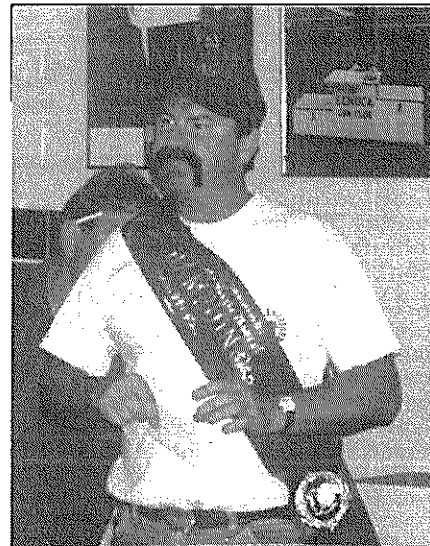

In A grade Ozzie Hayek was successful with his 146/150,

Overall High Gun Roger Duthie

**Victorian Single Barrel Champion 1996,

second Murray Gruar, third Ron Cugley.

B grade first went to Tasmanian visitor Lester McCallum 143/150, second Phil Marsden, third Peter McGaw.

Local girl Natasha Lonsdale beat the C graders with 138/150, second Sharlene Bertalli, third Grant McConachy.

The Women's Medal went to Nanette McCallum 145/150, Veterans Fred Foon 129/150 and Juniors Ashley Bolwell 144/150.

Bendigo to the Bush

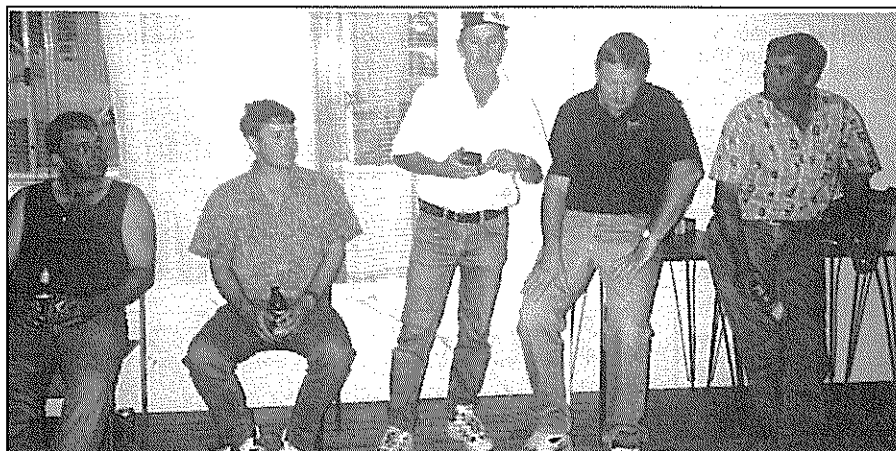

Moulamein Clay Target Club hosted an almost record attendance of competitors at a shoot on Sunday 27 November. Shooters from Boort, Cohuna, Echuca, Hay, Barham, Castlemaine, Piangil, Swan Hill and Kerang and this was topped by a bus load of participants from Bendigo.

Local numbers were down somewhat, but probably the highlight of a most successful competition was an extended shoot off in the final event, between a very well known performer in Jamie Elliot and Moulamein's Robert Weaver. A 25 target "A.G. Airwork" sponsored graded Double Barrel Championship resulted in some fifteen possibles necessitating a shoot off to determine the Overall and Grade winner. The last two shooters

Veteran Tom McDonnell with Norm Lipple runner up.

The Classic 25 target A.G. Airwork Double Barrel Championship was some excellent scores, possibly helped by the perfect weather conditions. AA was won as described above by Robert Weaver 128/128 from Jamie Elliot 127/128. A grade was won by Paul Pearce 30/30 with G. Elliot runner up 29/30. B grade was taken out by young Jarrod Fletcher 25/25, and after a shoot off with G. Veith, Alan Byrnes took second with 31/32. C grade was won by Mick Domaille on 31/32 from Norm Lipple 30/32. D grade winners trophy was awarded to Helene Neill who put in an improved performance.

In making the presentations for "Langtry's Licensed Supermarket: due to the unavoidable absence of the

standing were Elliot and Weaver. Betting was even among the crowd with some favouring Jamie Elliot who attends many competitions more than Moulamein's Robert Weaver. However on the 128th target Jamie Elliot missed, Weaver broke his and gained the winning place in AA grade plus the "High Gun" award for the day.

The first event of the day was a five target Pointscore sweepstake resulting in 18 possibles.

"Langtry's Licensed Supermarket" sponsored a 25 target graded Pointscore event where only one possible by L. Knight of Bendigo resulted and runner up was Robert Weaver on 74/75, in AA grade. A grade was won by I. Perks 76/78 and second was Frank Headon 73/78. Greg Veith won B grade on 86/90 and B. Taylor was second on 77/90. C grade was won by Mick Domaille of Hay with Tom McDonnell second.

*Helené Neil
Trophy winner for D Grade*

25 targets shot Single Barrel for A B & C grades was won for A grade by Robert Weaver on 50/51 with Glen Brown from Kerang second on 48/51. B grade was taken out by Jarrod Fletcher, a Cohuna junior, from B. Taylor of Bendigo. C grade honours to

proprietor, Mr Horst Schack, President Charles Peach thanked the sponsors and all who assisted during the day. The principal of A.G. Airwork, Mr Lindsay Seehusen was also unable to attend, being out of the country on a business trip. It was therefore appropriate that resident A.G. Airwork representative and well known agricultural pilot Mr Rob Boschen was available to make the presentations.

In conclusion, President Charles Peach expressed appreciation of the generosity of the day's two sponsors and again thanked all who had assisted during an intensive day's competition.

Tambo Gun Club Christmas Shoot

On Saturday 7th December the clouds hung low and the ground was saturated, so the disappointing decision of postponement was made for the Christmas Shoot. On the morning of the newly set day, Sunday 22nd December, the weather was clear and sunny and all exhaled a sigh of relief.

In total there was an attendance of 38 shooters, with travellers from Clermont, Springsure, Scrubby Creek, Blackall, Darr River and Charleville. We would like to sincerely thank everyone who attended our shoot and made it a real success, something that is not easy to achieve when a function has been postponed.

There are three annual awards given out to members at the Christmas shoot each year.

Most improved went to Peter Hannay for his speedy climb through the Grades. From C Grade beginner in mid-February to AA grade in mid-May.

Most consistent went to Janne Gear.

Largest investment/least return when to Craig McKellar, he now has the trifecta. Craig has been awarded one of each of the other two awards in the past two years. This is a fun award given to the member who has spent the most money on travel, accommodation, nominations, ammo, maybe even a new gun and has won the least amount of trophies for their efforts.

Full results of the Christmas shoot can be found in the Queensland section in the back of the magazine.

"Ian's Record"

1997 sees Wangaratta Club member Ian Reith achieve a milestone few of us ever dream of - 50 years continual Club and A.C.T.A. membership.

In 1947, when Ian became a registered member, side by side shotguns were the in thing and live bird shooting with bookies operating on the track were a regular sight.

Since that time Ian has seen a lot of changes, both in attitude to trap shooting and standard of dress. At that time it was custom to wear suits, collars and ties to competition - never the shorts and T-shirts of today.

Over the years Ian has been a great worker and a terrific ambassador for our Club. He served on the Committee for many years, and was later awarded Club Life Membership.

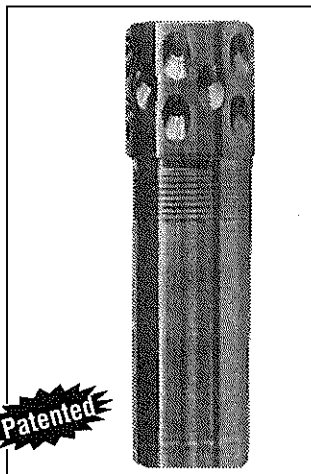

Ian, a modest man with a great sense of humour, really enjoys a quiet drink and to talk about the good old shooting days with his mates after a hard day at a shoot.

Congratulations Ian on your 50 years, and those at our Club who have enjoyed listening to your stories and hearing your laughter, hope to do so for many years to come.

Queensland Quotes

Following a couple of months break, it is now time to crank up the workings and get the wheels in motion for more "Quotes" for 1997.

I.S.U. Scene

Please note that I.S.U. Rules Supervisor and Referee Examiner, David Menck, has had a change of phone contact - ALL HOURS now being (07) 5446 8353 phone/fax or mobile 018 713 834.

With the Australasian Pacific Grand Prix set down for March at the Brisbane Clay Target Club, plans are well in hand for yet another great event. Nomination numbers are rolling in - again, with great support from overseas countries. Further inquiries can be directed to David Menck, Organising Committee Secretary.

Great to see some new faces within the ranks of Queensland Junior I.S.U. shooters - couple of new ones in the Skeet which is a plus. Derek Bruce continues to post great scores and will be heading off to the Oceania Games in the Junior "A" Team for Olympic Trap and Double Trap.

A reminder of the Junior Coaching Seminar being conducted at the Brisbane Clay Target Club in May will cater for I.S.U. Skeet, Olympic Trap and Double Trap - and, don't forget - a Junior in I.S.U. is 21 years and under. Those interested in attending must notify the State Office prior to 7th March.

Central Zone

The Zone Trap Carnival and Annual General Meeting is being held at the Gladstone Clay Target Club on 22nd and 23rd February.

A couple of State Championships also coming up - Rockhampton have the State Day Double Barrel Cont. on 2nd March and they also host the State Day Double Rise Tower on 6th April.

On a lighter note - or is it - whilst reading the Sunday Mail after Christmas I noticed a little story about some rather unusual antics that took place at Tambo on Christmas Eve - thinking to myself - Tambo is a fairly small place - I wonder if this event that made the Sunday Mail involved any shooters from out there.....

It goes like this in the newspaper - "It was Christmas Eve and three revellers wandering happily home after the Tambo pub had closed, thought it would be a bit of a lark to dance the macarena together on the lid of a backyard septic tank. Until they discovered rather rudely that septic tanks have a load limit far short of a stomping threesome....." Oh no...

However, a fax arrived - giving the correct account and also letting me know that the one that was really IN IT was none other than Craig McKellar.

The fax account goes like this - "...luckily for the Tambo Gun Club member involved, his long legs vaulted him out of the most unusual choice of swimming pool, after only a brief interval of having to hold his breath!! Looking on the bright side, the fertiliser content of his dunking might help "fatten" him up".

The real story is, Craig McKellar and two local girls were using the top of a septic tank for a seat at a party. One of the girls went to get up, next thing you know the lid caved in. Apparently the girls literally climbed on Craig to get out, he was actually totally submersed in "IT". He will probably never hear the end of it from all of the locals and since it is a one in a million, my informant thinks all the people they shoot with should know as well. The lengths some people go to to get their name in the Sunday Paper!!!

Northern Zone

A nice note from Atherton Tablelands Secretary, John Suner. Great to hear that the Club continues to attract new members and that their monthly shoots are also drawing a good average attendance. The Committee were very pleased with their annual shoot in October and are looking towards bigger and better in 1997.

The first State Championship to roll around in the North will be the State Night Double Barrel Cont. at Burdekin on 8th March.

Enjoyed a very quick trip to Cairns at the end of November for the State I.S.U. Carnival - very kindly accommodated by the Bruce family. The Club certainly put a lot of effort into getting the Olympic Team - with the exception of Russell Mark and Michael Diamond who had prior commitments - to attend the shoot. Great to see old friends, Grahame and Ann Wyatt - who had travelled down from Normanton. All in all - a great weekend.

South-East Zone

A reminder that the Terranora Lakes Club is in recess whilst the new owners of the Country Club undertake a re-building program.

Toowoomba have moved their annual trap shoot back to February 8th & 9th.

The Caboolture Clay Target Club are hosting the 1997 State Sporting Clays Championships on 26th & 27th April. Hope to be able to give a bit more information on that program next month.

A reminder also that the Bundaberg Annual Shoot is being staged on 3rd and 4th May for 1997, thus allowing the State Trap Carnival at Roma to be held on their weekend, 26th, 27th & 28th September.

Western Zone

The first State Council Meeting for the new year is being held on Friday 31st January at the Kingaroy Club. The Club has their Annual Shoot on 1st & 2nd February and are hosting a Miroku Challenge.

The whips are cracking at Roma to have all ready for their opening shoot on the new grounds - 1st & 2nd March. Miroku Challenge events also on this weekend.

Wandoan have their annual shoot set down for 15th & 16th March - further information from Simon Mulligan (076) 273 408.

A Reminder

John Zeuschner

It is with deep regret that we advise of the death of our former President, John Zeuschner.

During the eleven years (1974-1984) John served on the Committee, he held the positions of President, Vice-President and Treasurer. After years of commitment to the positions he held, encouragement of Junior shooting and generally hard work around the Club, John was awarded a Life Membership to the Club in 1983.

Shooters from local Clubs during this period of time will remember John for the organised way in which he lead the Club whilst he was President in 1982-83.

We extend our deepest sympathy to his wife Marlene and family.

Bev Penney,
Wangaratta Clay Target Club.

Terence Vernon Roberts (T.V.)

11-1-1915 - 17-11-1996

The President and Members of Southern Gun Club were saddened by the passing of one of the founding members of this Club.

Whilst an active member of Alexandra G.C. he always made a point of being affiliated with neighbouring Clubs and it was the very rare occasion that he missed attending a shoot. His words of wisdom were gratefully accepted and acted on.

He was one of the members of the Club who assisted with the purchase and installation of the White Flyer Traps and he was awarded Life Membership of our Club.

His jovial nature made him a friend of all Club members and visitors both young and old. Any shooter having problems would find assistance from T.V. forthcoming without a request being made.

To his daughter Jenny, stepsons Bill (dec.), Bob and their families, the President and Members extend their condolences.

A.C. Thiselton,
Secretary Southern Gun Club.

Jim McLeish

The Maryborough & District Gun Club (Vic) regrets to advise of the sudden and untimely passing of Jim McLeish on Thursday, November 14, 1996 at age 50.

Jim was a hard working, respected and valued member of our Club serving for many years as shoot marshal. His presence will be sadly missed by both members and visitors alike.

We extend our sympathy to his wife Heather and son Andrew.
