## Athenia® Orion® Shotguns

Available in 3 stock styles:  
(L to R), "Field", "Classic Field"  
and "English Field"

From the elegant look of our Athena® series to the proven performance of the Orion®, you'll see why we confidently proclaim that no one offers you better value for your money - better wood, better balance and custom-fit internal parts - to deliver better performance in the field.

■ **Modified Greener cross bolt action** - one of the strongest and most reliable made. The cross bolt lockup actually "shoots in" with use to retain its rigidity and tight fit. Shallower in depth and thinner in profile, our 12 gauge receivers are proportionate to most other 20 gauge guns, generating that sought-after "between the hands" balance for quicker pointing and target acquisition.

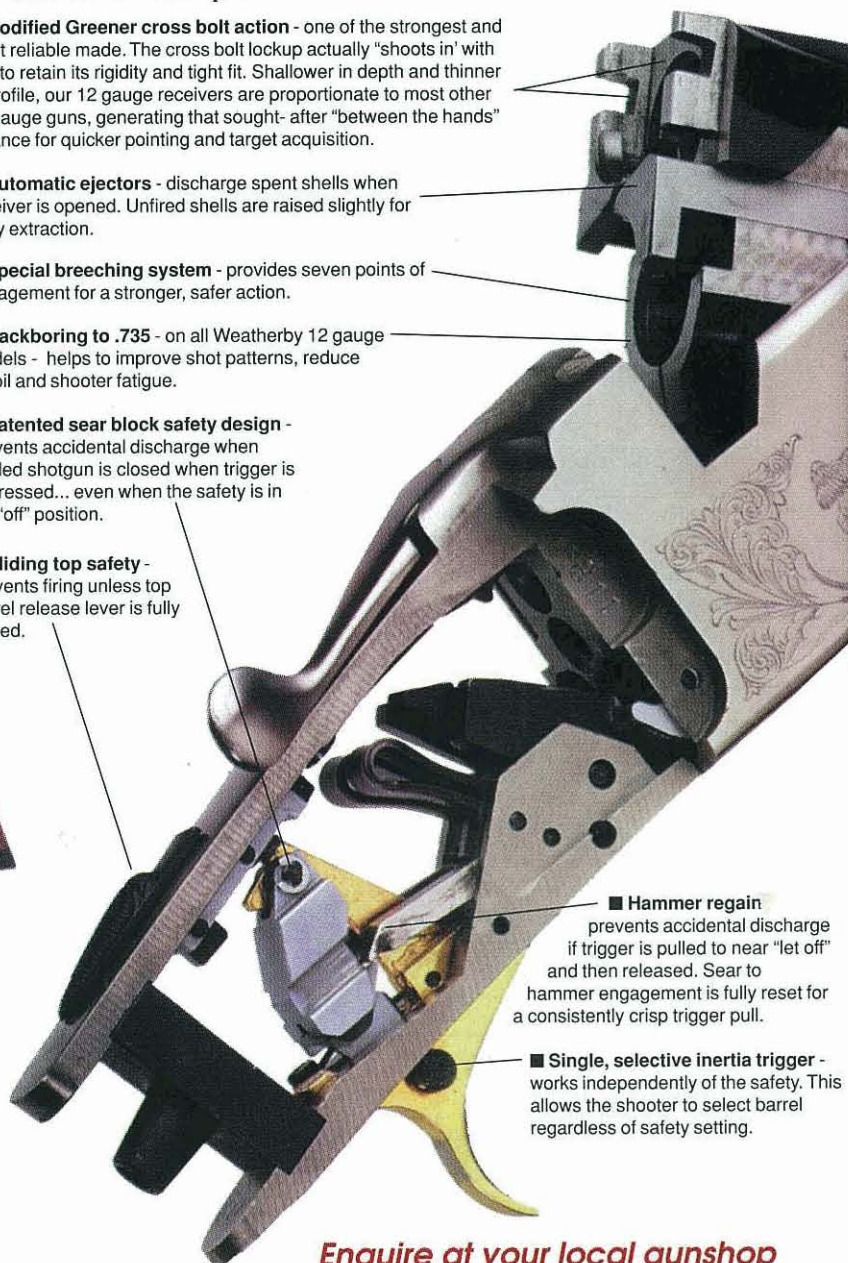

■ **Automatic ejectors** - discharge spent shells when receiver is opened. Unfired shells are raised slightly for easy extraction.

■ **Special breeching system** - provides seven points of engagement for a stronger, safer action.

■ **Backboring to .735** - on all Weatherby 12 gauge models - helps to improve shot patterns, reduce recoil and shooter fatigue.

■ **Patented sear block safety design** - prevents accidental discharge when loaded shotgun is closed when trigger is depressed... even when the safety is in the "off" position.

■ **Sliding top safety** - prevents firing unless top barrel release lever is fully closed.

■ **Hammer regain** - prevents accidental discharge if trigger is pulled to near "let off" and then released. Sear to hammer engagement is fully reset for a consistently crisp trigger pull.

■ **Single, selective inertia trigger** - works independently of the safety. This allows the shooter to select barrel regardless of safety setting.

## National President's Notes

Glenn G. Woodhatch

### **Our Future?**

Having recently returned from the Oceania Games in Adelaide where I was fortunate to have the position of Chef de Mission, I was most pleased with the number of juniors, both female and male, competing. With so many juniors competing our future as far as competitors seems assured, so let us hope Governments can see the shortcomings of claims by the vocal anti firearm groups and that they focus on assisting Australia to be a dominant force in world shooting events, well into the future and post year 2000.

If I were asked where these juniors could lift their image, I would no doubt suggest that they have pride in their appearance and that they focus on the event at hand. To represent your country is the highest honour a sportsperson can achieve, so it should be incidental whether this representation is within Australia or overseas, and at all times one must present their very best image. On reflection I guess this does not only apply to juniors.

### **Telstra Sports Award**

On Friday, February 1997, the cream of sportspersons from around Australia gathered in Melbourne for the 1996 Telstra Sports Awards. This is the most prestigious award on the sporting calendar and the winners were presented with the trophies by the Prime Minister, Mr John Howard.

Clay Target had a special interest in this year's awards as Michael Diamond, from the Goulburn Workers Gun Club, was a finalist in the Male Athlete of the Year award. The other two finalists were Michael Doohan, from motorcycling and Shane Kelly from cycling.

Michael had a very successful year by not missing a final in any of the World Cups in which he competed. This culminated in Michael winning Gold at the Atlanta Olympics and a Silver Medal at the World Cup Final in Italy.

Michael Doohan, won the award, for which we congratulate him, but congratulations also to our Michael upon being recognised as one of the three top Male Athletes in Australia. His nomination was richly deserved.

### **World DTL**

We have reached the maximum number of entries for this event, and by now all should be aware of their acceptance. There are a number of emergencies and no doubt as with any event of this size, there will be cancellations for a number of reasons, so it is feasible a good

number of the reserves will be getting to shoot.

We still require referees to officiate, so if you are named as an emergency and do not get a position, why not still be part of it and volunteer to referee? What is more, we will even pay you.

### **Order of Australia Medal**

It was with a great deal of pride that we heard that Mr Russell Mark and Mr Michael Diamond had received an Order of Australia Medal in the General Division for their services to sport.

On behalf of all shooters, in particular Clay Target members, around Australia, I would like to congratulate both Michael and Russell on this achievement.

Michael and Russell, in winning their Gold Medals in Atlanta, have been great ambassadors for our sport and are worthy recipients of this prestigious award. Congratulations!

### **Public Liability**

Your Executive has been able to negotiate an increase in our Public Liability insurance from 45 million to 410 million. This will cover all clubs and registered shooters. A full summary of the Public Liability coverage is available from the National Office.

## World D.T. L. Championships Veterans

We have been advised by the C.P. S. A in England that the Veterans age has been lowered from 65 to 60.

The original entry forms were printed this way.

Therefore the event at the World D. T. L. Championships for Veterans will be 60 and over as at first day of competition.

If you fall into this category and did not include your date of birth on the entry form, would you please advise the National Office immediately on:

Michael Diamond, 24, from Goulburn, New South Wales, competing in the Olympic Trap discipline has not missed making the final six in a World Cup in which he was competing since 1995. That six World Cups, six finals. This included a win at Seoul, Korea and second at Chiba Japan.

Having qualified for the Olympic Games last year, Michael qualified for the final shooting an Olympic

record of 124/125. With a perfect 25 in the final, Michael broke another Olympic record to take the Gold Medal.

Congratulations, Michael on an outstanding year, and good luck with your new employment at Fuller Firearms Group Pty Ltd and in future events.

Russell Mark, 33 year old real estate valuer with Brian Mark Real Estate of Werribee, Victoria, has also had an outstanding couple of years. In 1994, he became our first World Champion in Double Trap winning the World Championship at Milan, Italy.

Russell followed this up by winning the World Cup final in Munich Germany in 1994.

Russell continued to maintain good form into 1995 and 1996. Winning a Bronze medal at the Atlanta World Cup prior to the Olympics set him on target for the Gold Medal later in the year.

Scoring 141/150 Russell qualified first for the final at the Atlanta Olympics, this was an Olympic record. He then shot 48/50 in the final to take the Gold Medal and set another Olympic record.

Congratulations Russell on the outstanding year, and good luck with future events.

Both Michael and Russell are great ambassadors for our sport and are worthy recipients of this prestigious award.

Russell Mark OAM and Michael Diamond OAM

# Coffs Harbour Clay Target 2 Day Shoot

*Craig Golding (representative from Fuller Firearms), John Farrel (president) and Bill Iles, winner of Miroku Gun (Overall).*

*John Farrel with one of the High Gun winners Roger Vidal.*

The Annual Coffs Harbour Two Day Shoot was held on 4th and 5th January 1997. Ideal weather conditions prevailed. The addition of the awning to the Clubhouse and the fresh coat of paint, together with the lovely expanse of mown green grass made for a perfect setting for shooting.

112 shooters came from Western Australia, Victoria and Queensland and all parts of New South Wales with competition being very keen for every event. At the end of the 4th event on Saturday, Roger Vidal (Guyra) had a perfect score and has shot a 469 break. A few other shooters were only a couple of points behind.

Sunday morning was clear and dewy and as no one had informed the wildlife of daylight saving, the kangaroos were still having their breakfast and looked quite content dotted all over the green grass. A pity to disturb them! Competition started at 8.30am.

By the end of the day, Bill Iles had won the Miroku Challenge, High Gun and Overall.

Our thanks and appreciation must go to all of our sponsors and especially to Fuller Firearms for their support in the Miroku Challenge.

Congratulations also to the caretakers Roley and Lorna and to all Coffs members for the perfect grounds and an excellent shoot.

Congratulations to all winners and hope to see you all next year!

# 1997 City of Sydney Easter Trap Carnival

Sydney and Marconi will combine to run the Saturday & Sunday program at their Clay Target Complex at Heathcote Road, Menai, and Cecil Park will run their traditional Easter Monday shoot at their grounds of Elizabeth Drive, Cecil Park.

The three days will be linked by an Overall High Gun Trophy of a Miroku U/O Shotgun over the three days events. High Gun Trophies will also be awarded to AA, A, B & C grades and Ladies, Juniors and Veterans.

In addition there will be 2x 3 Person Teams Events over the three days. One team will be an Open Team of 3 shooters and the other Team will be made up of 1xAA/A, 1xB, 1xC. This will give the lower grades the chance to compete in a teams event opportunity they rarely get.

We feel that the Easter Period in Sydney is perfect of a three day event. Families with school children who will be on school holidays can take advantage of the limitless entertainment that is available in the City of Sydney. Examples of that entertainment being: The Royal Easter Show especially Easter Tuesday which is Childrens Day, Museums, Theatres, Amusement Parks, Taronga Park Zoo and the Sydney Harbour Cruises by day or night, Beaut Beaches and just feeling the pulse of the City itself which is equal or better than any comparable city of its size in the world. This is a fact that overseas tourists confirm by making Sydney their gateway to Australia from which they proceed to visit the rest of our marvellous and diverse country.

For visiting shooters there is plenty of accommodation available in the Liverpool area which in addition to being central to both shoot locations, is easy to get to by road from any direction, north, south or west.

A list of motels with phone numbers will be included in our shoot advertisement, all are situated on the Old Hume Highway and are close to Liverpool Railway Station where electric trains to the city run every 15 minutes during the day and every 30 minutes at night. Travelling time from Liverpool to the city is approximately 50 minutes.

This three day event is also a good opportunity for NSW country shooters to return the support that the members of our three clubs have given to all the major country shoots year after year.

For any further information please ring any of the phone numbers in our shoot advertisement.

Well here it is March already, this month being the first of our 1 day shoots with a 9am start for the Heritage One Day Shoot on March 23. The day begins with a 5 target Eye Opener, Event 2 Peter Andersen 25t DB, Event 3 Heritage City Championship 25t DB, Event 4 Shelly Beach Caravan Park 25t Pointscore, Event 5 Metway Bank Single Barrel Championship and Event 6 a 25t DB Continental.

We are hoping to have No.3. Trap in order which will help the flow of the shoot go smoother. To help kitchen staff members are requested to bring salad for lunch and something for afternoon tea. Thank You.

GYMPIE 19/1/97

The topic was what President George the Fox got for Christmas, well it was a broken thumb and it goes something like this. The fox was in the trap house fixing the trap when he swore at the trap, the trap hit back and a broken thumb was the result. This would be the first time a fox has been caught in a clay pigeon trap.

Welcome back to shooting Brian Goddard, also new shooters Wayne (Chicko) Laycock and Glenda & Mathew Post. Best of shooting to your all.

Visitors for the day Norm Keech & Barry Power from Sunshine Coast plus Harry and myself. Dave Gardner drew the jackpot but knowing the clubs money position didn't shoot a target, that's what I call a solid club member. Dennis Carew drew the raffle. Shooters to do well were Barry Power AA 25t DB & SB. Glen Durre AA 25t Cont & 10pr DR. Brian Goddard A 25t DB, George Foster A 25t SB & Norm Keech A 25t Cont & 10pr DR. In B grade Paul Proxton took the DB, SB & DR

with Bill Edgerton taking the Cont. C grade Chris took all events, great shooting Chris. Gympie shoot next Sunday 9th March 10.30am start.

Bundaberg shoot 1st March, but their big shoot this year is March 3 4 & 5 being the May holiday weekend, this being their first three day shoot.

MARYBOROUGH 26/1/97

Thanks to the visitors who came from everywhere - from Bundy Keith Palmer, Adam & Tim Gardner, Brad Petersen, Phillip Warren, John Butters, plus Irwin Wynyard and Neil Berry. From Gympie Sylvia & Bill Edgerton, Bill Stolberg, Greg Wright, Glen Durre, Mathew & Chris Post from Narromine, Robert Beck of Warren Gun Club and Ian Piddington of Dubbo Gun Club. Thanks again, I hope I didn't miss anyone. New members Brian Greenhalgh and Vince Dollisson welcome to the club and good shooting. The raffles were a family affair with Peter Shaw winning the wine and his wife Kay the meat raffle, good luck to you both.

Paul Anderson off to a good start this year who went to the Sunshine Coast 2 day shoot the second weekend in January and took the 25t Points Championship and won the Miroku by winning the Miroku Challenge, good shooting Paul. In AA & B grades the following shooters didn't leave much for anyone else, AA grade Paul Anderson 25t DB, Points, 3rd in Handicap and the AA grade High Gun. In B grade Brad Petersen 25t DB, 1st Handicap, OA & B in the Continental Championship, and the B grade High Gun. A grade was spread around with Bill Stolberg the 25t DB, Ian Robertson the Points and High Gun with Andy Wood 25t Cont. C grade Robert Beck 25t DB & Cont C'ships, Ted Turton 25t Points and Chris Post took the C grade High Gun, Chris left before the presentations so this will be a surprise for him.

Good shooting to all, 'til next time see you at the shoots.

# Frankston Australia Clay Target Club Installs Automatic Mattarelli Trench Layout

Frankston Australia Gun Club have recently upgraded their number one Trench Ground and installed a complete set of 15 fully automatic Mattarelli trench traps. This is the first complete set of Mattarelli Traps to be installed in Australia making the facility at Frankston, Victoria's newest and best Trench ground.

An important bonus to local shooters is the fact that these Mattarelli traps are the traps that will be used in Sydney for the 2000 Olympics. Our local Gold Medallist, Russell Mark, has shot over the traps on a number of occasions and has fully endorsed the new layout as world class.

The state of the art Mattarelli traps cater for both Olympic Trap and Double Trap, with the layout being monitored and operated by a fully integrated electronic control panel. The electronic controller automatically allows from one to six shooters to participate in either discipline and at the simple flick of a switch allows for the layout to be changed from Olympic Trap to Double Trap.

A major benefit of this facility is that practice rounds can be easily tailored to suit the individual requirements of shooters. The electronic control box is

simply programmed so that the layout operates as Trap or Double Trap.

Shooters are able to practice Trap or Double Trap on their own as the controller automatically senses the empty stations and releases accordingly, this is also the case when 2, 3, 4 or 5 shooters are shooting.

Following a round of 25 targets per shooter the layout automatically stops and resets.

Shooters can nominate and pay for the number of rounds they wish to shoot and the layout will shut down following completion of their rounds. Broken targets are virtually eliminated with the Mattarelli system, however in the rare event of a broken target should be thrown, the trap is simply reset at the control box by pushing a single button and the target is immediately available once again.

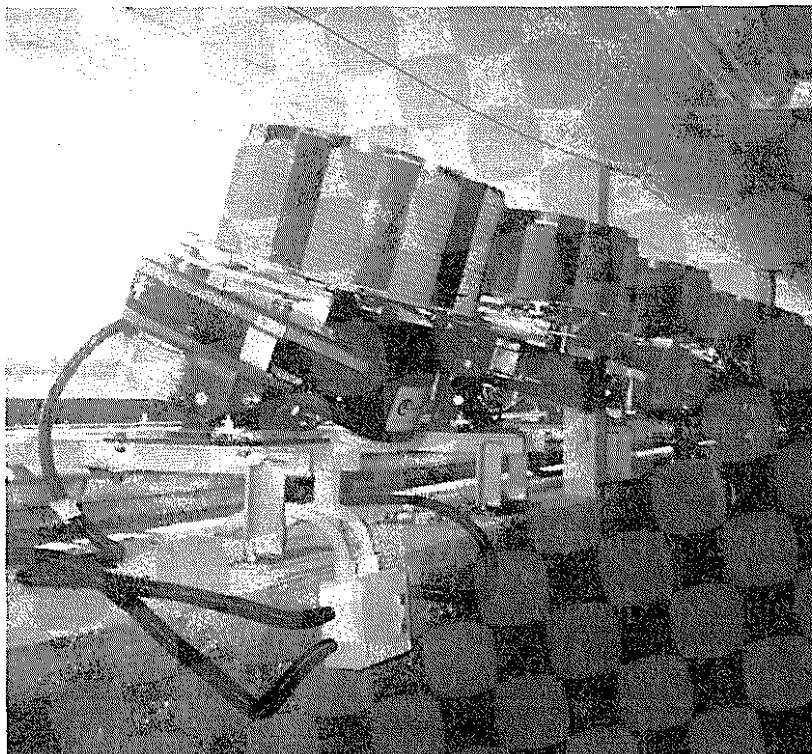

The controller has a built in target

totalisator which displays the total number of targets thrown for any given period of time and a token operated control attachment will soon be added to the facility which will allow shooters to join in practice at any stage whilst other shooters are shooting as it will release 25 targets per token. A built in video scoring interface is also incorporated into the control box so that at a later stage all scoring can be made available on closed circuit television.

Olympic Trap and Double Trap shooters who have recently shot over the new complex have unanimously endorsed the quality of targets and without exception agreed it is a world standard layout. This has been proved by the amount of shooters taking advantage of the automatic practice facilities since it's installation.

With a magazine capacity of 250 targets per machine a total of 125 individual rounds are able to be shot before the hoppers are refilled.

Frankston Gun Club are available for practice every day except Thursday from 9.00am through to 6.00pm. Costs of practice are \$5.00 for DTL, Ball Trap and Skeet and \$6.00 for Trench per round of 25 targets.

Dear Sir

On reading Bev Penney's article "Ian's Record" which appears in the February copy of the magazine I have been prompted to tell you of my long association as a registered shooter and club member.

I am proud to have held a 60 year continuous membership having joined on 17th April 1937. A copy of the receipt shows the some total of Five Shillings, i.e. 2/6d each for club membership and registration fee.

I am in my 87th year and still shoot regularly at Wakehurst Gun Club, Narrabeen. I am also a longstanding member of the New South Wales Gun Club.

I have a copy of the results of some 1937 clay target events which appeared in Melbourne 'Age' and 'Argus' newspapers. At that time I had the pleasure of shooting with some of the State's Top Guns; eg Calrossi, Frank Tubb, Sam Snipe, Fred Burns and others.

Yours faithfully  
Nick Rogley

### STEEL TARGETS USED

Steel targets were used at White City last night for the first time at night shooting in Melbourne. The innovation was a complete success.

Made of light steel alloy and covered with white powder, the targets made the referee's task much easier, and the possibility of an incorrect decision was remote.

H. Waignt, the Elwood shooter, was the victim of an unusual oversight. Having recorded four straight "kills" in the opening event, he was on the mark for the shoot-off when he found that he had omitted to reload and lost his chance of continuing. Results:—

No. 1 (four steel targets).—Possibles by N. Rogley, A. Watkins, "Walarode," and H. Waignt. In the shoot-off ordinary clays were used and the event was divided on the sixth round by Rogley and "Walarode." No. 3 (four steel targets).—Divided Rogley and Waignt, 4-4. No. 3 (similar).—Single-Barrel—Won outright by H. Waignt, 4-4. No. 4 (similar).—Walk-up—Divided Rogley and "Walarode," 4-4.

Pigeon Trapshooting Association (Mr. H. G.

### Melbourne.

Some brilliant shooting was witnessed at Melbourne Gun Club's grounds at Tottenham on Saturday, when a good muster of marksmen took part in an all-starting program. Fine form was shown by the Geelong shooters Buckley, R. Metherall and the rapidly improving Jack Coleman. Great promise was displayed by N. Rogley, formerly of Shepparton, who, with Coleman and Metherall, divided the big pool. Best break of the day was 20 by Metherall, and the next best was 20 by Coleman. Results:—

No. 1 Event: 6-bird.—J. M. Allen, "Outright," 6-6. Metherall, 1, 6-6; "Fred" and N. Rogley, 2, dividing.  
No. 3, 6-bird.—J. M. Allen, 1, 6-6; Buckley and Metherall, 2, dividing with 7-8.  
No. 4, 10-bird Pool, Stars First and Second Round.—N. Rogley, Metherall and Coleman divided 20, second and third money on the 10th round with 9-10.  
No. 5, Pool and Trophy.—"Calrossi," Metherall and Coleman, 1, dividing on the 8th round. Trophy to Coleman on the 10th round. No. 6, Miss Out.—"Fred," 1, on 8th round; J. Hyett, 2, with 7-8. No. 7, Miss Out.—J. M. Allen and Metherall, 1, dividing on seventh round.

Next Saturday a similar programme will be shot for, with opportunities for practice for Coronation day event, the King's trophy, of 25 guineas, at pigeons, £1 nomination, with £1 pool.

and mayor, being returned unopposed.

### CLAY BIRD SHOOT.

*Argus 16-4-37*

### H. Waignt Breaks Record.

Shooting 20 straight at White City clay bird school meeting last night, H. Waignt broke the ground record of "Shoubra," of 19 without intermission. A teams' event was held between sides of four marksmen. A. F. Burns, J. Chisler, Carter and H. Tilburn composed one side, and N. Rogley, H. Waignt, A. Watkins and H. Beer the other. Rogley's team won, with a score of 12 to 8.

The glow of a coke furnace alongside the shooting marks took the raw edge off the cold night. The programme was one of four-  
bird shoots. Results:—

No. 1 Event: Waignt and Rogley, 1, dividing, 3-4 each. No. 2: Waignt and Rogley, 1, dividing, 4-1 each. No. 3: Waignt, 1, outright, 4-4. No. 4: Waignt, Burns and H. Tilburn, 1, dividing on the sixth round.  
No. 5, Teams' Shoot: Rogley (scoring 7), Waignt (4), A. Watkins (3) and H. Beer (3), total 12, won from Burns (2), Chisler (3), Carter (0) and H. Tilburn (2), total 8.  
No. 6: H. Beer, 1, outright, 4 straight. No. 7: Waignt and Burns, 1, dividing, 3-3 each. "On the Fence": Waignt and Rogley, 1, dividing, each 4-4. "On the Fence": Burns and Beer, 1, dividing, 4-4 each.

# Waratah State Notes

## STATE CHAMPIONSHIPS

Taree Wingham is pleased to announce they will be hosting the State Night Mixed Targets Championship at their annual Flying Fox Shoot on 26/27 April.

In March, we have two State Championships, one at Leeton Gun Club on the 15th, being the State Night SB Continental C'ship, whilst the other, State Night DB Continental C'ship is being conducted at Canowindra Gun Club on 29th March. A good eye opener for Wagga!

## MIROKU CHALLENGES

Please remember if your club wishes to conduct a Miroku shoot on an already allocated Open Shoot day - that's fine. But you cannot just 'pick a day' and advertise any shoot which was not included in the Blue Book program, without first contacting the State Office. Beats me why clubs and shooters aren't sick of hearing this over and over because it is sure wearing thin at this end.

## COACHING

Chris Davis, the State Coaching Co-ordinator has notified me that there will be a Level 1 Coaching Accreditation Weekend to be held on 3rd/4th May, in Sydney at either NSW Gun Club or Sydney/Marconi Complex. Anyone interested in attending this course and gaining their Level 1 Accreditation,

please ring Chris on (063) 751446. We need six applicants for the course to proceed.

It is also proposed that a Level 2 Accreditation weekend will be conducted in September providing four Level 1 coaches are interested in progressing to Level 2. Once again, contact Chris for further details.

Left to right: Herb Kennedy (Bombala), Ian Hand (Batemans Bay), Paul Lyons (Queanbeyan), Michael Lyons (Queanbeyan) and Alan Deacon (Bega).

## BEGA TARRAGANDA SHOOT

Once again this year, Bega Gun Club, one of those small friendly country clubs, conducted another Tarraganda 100 target shoot to kick off the New Year. Visitors attended from Canberra, Queanbeyan, Wagga, Broulee, Tumut, Sydney, The Rock, Mendooran, Metford and Batemans Bay.

The Bega Gun Club wishes to gratefully acknowledge the Bega Valley Shire Council who has

supported the club with sponsorship. This enables the club to design a program which will draw members and visitors to both the club and the beautiful Bega Valley.

Paul Lyons from Queanbeyan won the Tarraganda Championship with an overall score of 145/150. Little brother Mike followed up with 1st in AA with 144/150. Many other great scores were shot in all grades which are listed in the results section in the back of the magazine.

## Editor's Mailbox

Dear Sir

Just a short note from the Management of Lyavale Express in the United Kingdom and Express Shotshells Australia to clarify and advise of the correct situation with regard to rumours being spread by our competitors in the market place.

We have had many queries regarding the financial status of 'Express' and we are pleased to advise that contrary to popular rumour the company is alive and well and has just completed its most successful trading year. The U.K. market has expanded by 20% and export sales are only restricted by production capacity from enquiries outside those currently serviced.

1997 is a year for expansion with a new factory being built which includes a one shift production capacity of 250 million shells per year.

I trust this is simple enough for the rumour mongers to understand and we thank them for the interest shown in our financial affairs and quality products.

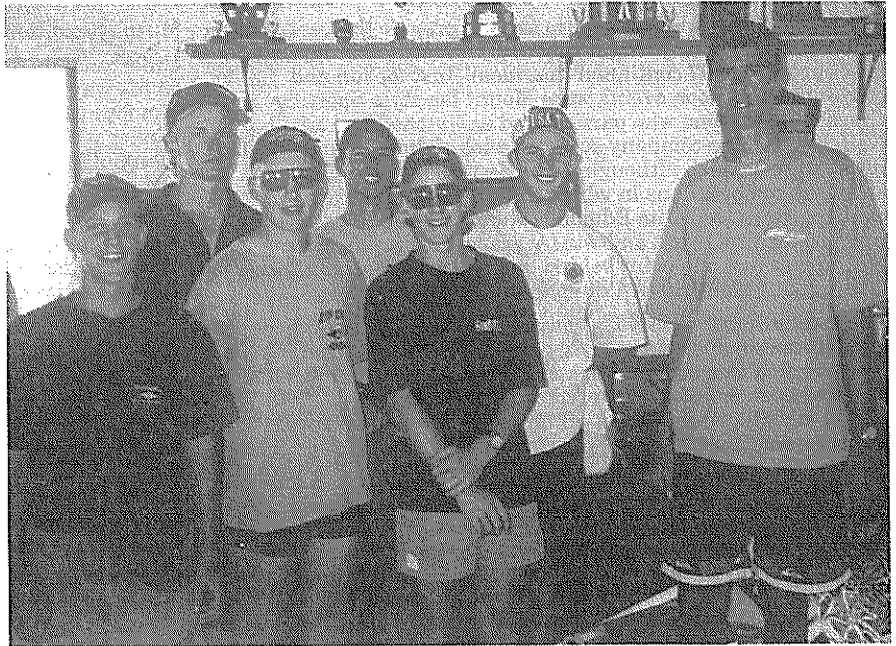

*Yours faithfully*  
John Maxwell

The Committee and members of the Walmer Gun Club are saddened by the sudden passing of two of their Club Members, **Ken Hendry and Angus MacDonald**. They will be sadly missed by all who knew them.

### ***Richard Leslie Shaw (1946-1997)***

The members of Grenfell Gun Club were shocked and saddened by Richard's sudden death on 4th January 1997. He died in a car accident following an afternoon of cray fishing with his family.

Richard's clay target career spanned more than 30 years and he was a very capable AA Grade shooter. He has won many Zone and District Championships. He especially enjoyed Deauville Doubles and team events. He travelled extensively throughout Central and Western N.S.W. and was well known to many Clubs. A large number of shooters travelled to Richard's funeral, showing the high esteem with which he was held.

Richard was a loyal Clubman and supported Grenfell Gun Club in many ways. He had many friends in shooting and introduced several new shooters to our sport. In recent years he became a major sponsor of our Christmas Shoot, providing all the "refreshments" and cooking the BBQ. Richard always made visitors feel most welcome to our Club. Richard had a well-developed sense of humour and helped others whenever possible.

Richard was a devoted family man who enjoyed a lot of shooting and fishing with his children and friends. The winter fox drives and spotlighting nights will never be the same again. Richard's other great love was motor racing. He was a skilled motor mechanic with a reputation and business unequalled in Grenfell.

Over the last 3 years Richard discovered another "love" and often travelled to compete in field and game shooting.

The members of Grenfell Gun Club extend our deepest sympathy to Richard's wife Lynne, their 4 children and 3 grandchildren. We will always remember our very good mate - he was a friend and a fine sportsman.

To honour Richard's memory, Grenfell Gun Club will be holding the Richard Shaw Memorial Shoot every January on our normal shoot day.

# Mount Isa Gun Club Inc

The Mount Isa Gun Club always tries to provide the best entertainment in clay target shooting and last Saturday the first shoot for 1997 continued that ideal. Just for fun and games the afternoon events were Mount Isa style Sporting Clays and everyone who participated or watched had a ball. Neil Sinclair and company sure put a lot of thought and effort into a course which although no single target was difficult to shoot the combinations in which they came made it very challenging indeed. Jim Edmonds showed his style to top score in the first event and win 'A' grade with 22/25. Mick McGill was just one point behind and clinched 'B' grade with late arriving Doug Stone taking out 'C' grade with 19/25.

The second round of sporting clays wasn't any easier and once again Jim Edmonds claimed 'A' grade. This time around however Rod Cusack and Mick McGill tied the 'B' grade score and had to shoot off for the prize with Rod emerging victorious after fifteen shoot off targets while Bruce Murphy put together 20/25 to claim 'C' grade.

While the boys had been out shooting, Doris had been putting in a big effort in the kitchen and the meal she presented to hungry shooters and spectators was once again of the high standard we have come to expect. Thanks Doris.

With supper over and the descent of darkness it was time to get serious in the down the line events, and serious they did get in the first event. Six shooters shot the lot with Alan Lord putting his stamp on 'B' grade. The other five 'A' and 'AA' graders were sent out to shoot off for the 'A' grade trophy. Rob Cusack and Mick McGill dropped by the wayside and at the end of twenty five shoot off targets only Rod Cusack, Bruce

Murphy and Ron Power were sent back out.

Unfortunately for Bruce he missed his fourth target and was on his way back to the clubhouse with Ron Power following him four targets later, which left Rod Cusack the 'A' grade winner with a final score of 54/54. While the 'Big Boys' had been putting on a bit of a show Dave Turner and Dave Stitt had quietly shot off for the C grade with Dave Turner won with 23/29.

Single Barrel was next on the list and although no possibles were shot, Bruce Murphy, Mick McGill and Rob Cusack only dropped one point apiece and shot off for 'A' grade which Mick McGill won with a score of 42/43. In 'B' grade Sam Edmonds and Alan Lord both carded 21/25 and also had to go the extra distance with Alan holding on to win with 46/50. Dave Stitt found his 18/25 sufficient to win 'C' grade and got to watch the others from the comfort of the clubhouse.

The finale of the night was fifteen pairs of Double Rise targets and Sam Edmonds top scored for the event with 28/30 to win 'B' grade. Bruce Murphy shot 27/30 to take out 'A' grade and Dave (Hoppy) Stitt picked up his second 'C' grade of the night with 19/30.

The next competition shoot at the Mount Isa Gun Club will be on Saturday February 8th.

Leeton Clay Target Club lost two of its members in one week. **Milton Weymouth**, a foundation member of the Club, being the Club's 1st Secretary/ Treasurer, passed away 15th January 1997. He was a very active Club member, even though he had shoulder troubles the last 2 years and couldn't shoot - he still helped at working bees and shoots, in any capacity he was able.

**Ted Godfrey** had been a member for many years and owned the "Narrandera Guns and Gear" shop. he passed away on 21st January 1997. Ted also worked hard for his Club, helping with safety awareness courses.

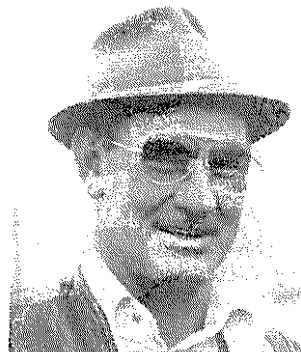

Both will be sadly missed by their Club.

Milton's wife Marion had a slight stroke 22nd January 1997 - we wish her a speedy recovery.

### **R.W. Scott (Ron) 68**

It is with deep regret that we advise of the sudden death of Ronald William Scott, known to many as R.W. or Ron.

Ron was a foundation member of the Callawadda Gun Club in 1969. He planted and watered many trees on the then bare block, trees which now give us lovely shade. Ron was a great clubman and competitor and always good fun to be with at a shoot. Ron was President from 1971-73 and a Life Member of the Club. Ron was always keen

to help newcomers to the sport with his kind and jovial manner. We extend our deepest sympathy to his wife Lil and children Trudy, Phillip, Robert and Kaye.

# New Years Day at Kerang

Funny how things work out isn't it?

About four months back as we put together the program for New Years Day, all present at the meeting agreed - "not a bad program, should draw a crowd, should be a good day, on recent New Year Day crowds around 70-80 and we will do o.k."

As the 9.30am start time for Event 1 ticked up, the queue at the office still stretched back into the car park. Around 125 shooters decided to travel from all points of the compass, from Numurkah, Hay, Benalla, Deniliquin, Melbourne, Echuca, Veneto, Nepean, Morwell, Maryborough, St. Arnaud, Horsham, Mildura, Shepparton, Euroa, Walmer, Moulamein, Cohuna, Griffith, Leeton, Boort, Brisbane, Finley, Frankston, Toolondo, Bendigo, Swan Hill, Tumut, Tarrawarra Qld, and of course, our locals.

The Shoot Marshal started worrying about the finishing time. The Office lost all track of time. Those keeping the traps loaded and operating got into gear. The girls in the canteen got busy with the food supplies. And we were off.

Event 1 the 50t "06" Shooting & Fishing Supplies Pointscore Championship commenced our program and with the only clean sheet, Overall & AA went to A. Gugliemino 150/150. A grade R. Felmingham 158/159, B grade G. McMillan 147/150, C grade A. Ceccatto 141/150.

Event 2 the main drawcard for the day "The Miroku Challenge" 30t Handicap with places to 8th. Kerang Clay Target Club Inc President came out top of the heap with a 63/63. 1st M. Vistarini, 2nd W. Woodward, 3rd P. Watson, 4th T. Robinson, 5th R. Felmingham, 6th F. Burton, 7th G. Harris, 8th G. Cassells.

Event 3 by now it was around the 7pm time and the last event a 30t Presidential Double Barrel Championship sponsored by Sellier & Bellot, still had to be dealt with. The crowd hadn't thinned out much, the canteen staff had been able to cater for all need, and the best of ink used in advertising was about to earn its keep "Finalised under lights if necessary."

The all fluoro targets kept flying and the lights came on. When the last shot sounded the results were: Overall & AA W. Iles 144/144; A J. Dunstan 89/90; B: H. James 60/61; C: G. Brown 50/51.

Overall High Gun a Gun Safe donated by Hy Skor went to A. Gugliemino only one point down on 209/210, great shooting.

Junior High Gun sponsored by Tim Robinson Gunsmithing went to A. Bolwell 205/210.

Ladies High Gun sponsored by Phyllis Epps, Secretary went to C. For 198/210.

Veterans High Gun sponsored by Gillmans Internationale Pty Ltd was won by Merv Whitelaw 214/230.

Full results for the day can be found in the results section.

Club Management would like to thank all shooters who attended and helped make it such a successful day, and a special "thank you" to those who travelled long distances, hope you all had a safe trip home.

To all of our Sponsors for the day a huge thank you for your support.

And last but not least, club members who worked so hard in preparing the facilities and grounds, in the canteen, loading traps, in the office, writing up the scoreboard, cleaning up etc, etc. Thank you one and all.

Keep January 1st, 1998 in mind for another great New Years Day at the Kerang Clay Target Club Inc, hope to see you there!

## "Let your next shotgun be an extension of you"

Since switching to his Kamen, Adam Vella's string of success started immediately. His triumphs include numerous State, National and High gun titles both in Australia and New Zealand and along the way equalling the Australian and New Zealand Olympic trap record with a score of 149/150.

Adam says: "I have never looked back since making the change to Kamen. The idea of having the gun custom built to my specifications appealed to me. That's why I became involved with Kamen shotguns".

Each Kamen is meticulously hand crafted and they have proven so reliable that they are backed by a ten year warranty.

Never has there been such an opportunity to own a gun that is truly meant to be a part of you from its beginning. It will make a difference in your shooting performance now and for years to come.
