Weatherby®

Athenia® Orion® Shotguns

Available in 3 stock styles:
(L to R), "Field", "Classic Field"
and "English Field"

From the elegant look of our Athena® series to the proven performance of the Orion®, you'll see why we confidently proclaim that no one offers you better value for your money - better wood, better balance and custom-fit internal parts - to deliver better performance in the field.

■ **Modified Greener cross bolt action** - one of the strongest and most reliable made. The cross bolt lockup actually "shoots in" with use to retain its rigidity and tight fit. Shallower in depth and thinner in profile, our 12 gauge receivers are proportionate to most other 20 gauge guns, generating that sought-after "between the hands" balance for quicker pointing and target acquisition.

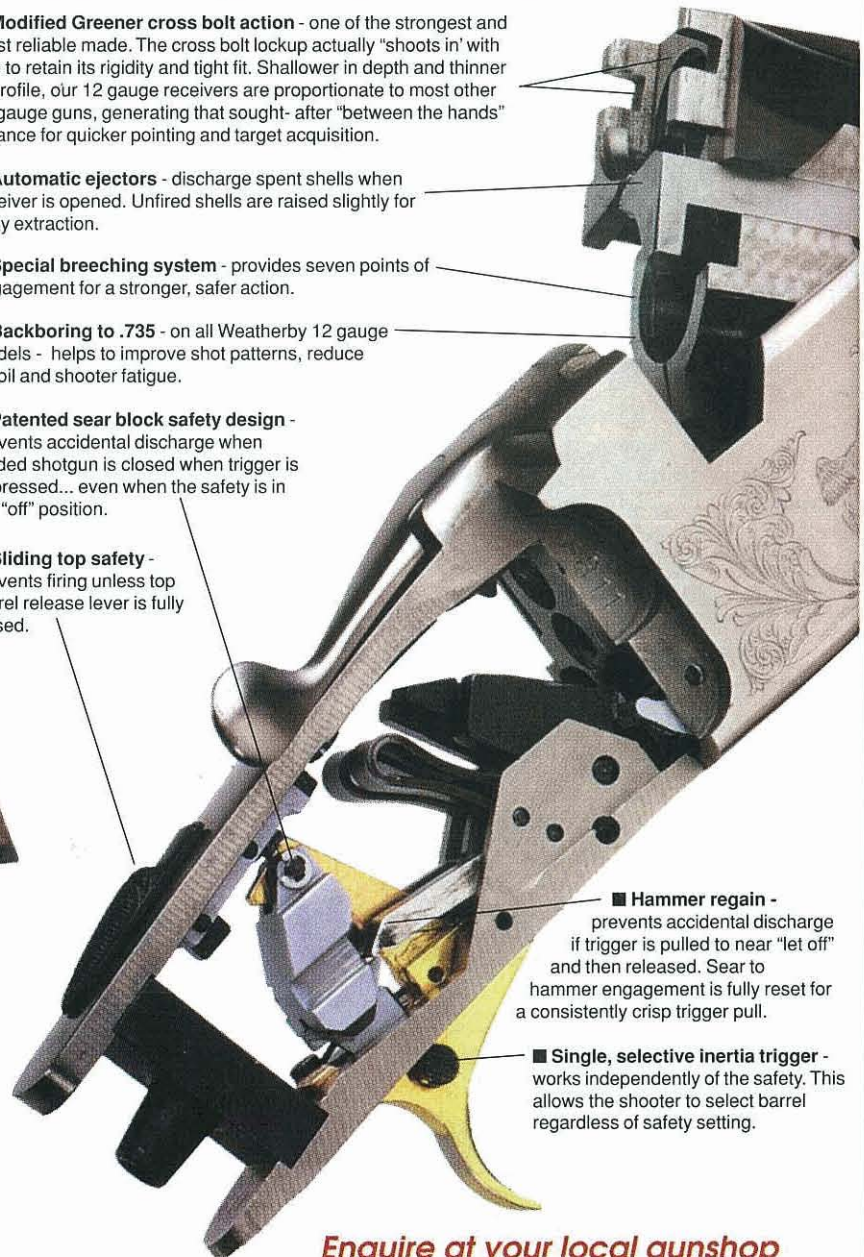

■ **Automatic ejectors** - discharge spent shells when receiver is opened. Unfired shells are raised slightly for easy extraction.

■ **Special breeching system** - provides seven points of engagement for a stronger, safer action.

■ **Backboring to .735** - on all Weatherby 12 gauge models - helps to improve shot patterns, reduce recoil and shooter fatigue.

■ **Patented sear block safety design** - prevents accidental discharge when loaded shotgun is closed when trigger is depressed... even when the safety is in the "off" position.

■ **Sliding top safety** - prevents firing unless top barrel release lever is fully closed.

■ **Hammer regain** - prevents accidental discharge if trigger is pulled to near "let off" and then released. Sear to hammer engagement is fully reset for a consistently crisp trigger pull.

■ **Single, selective inertia trigger** - works independently of the safety. This allows the shooter to select barrel regardless of safety setting.

National President's Notes

Glenn G. Woodhatch

BILL ILES, WORLD CHAMPION

When one of our top shooters wins a major event in Australia we tend to take it for granted, and such was the case when Bill won the World DTL Championship in Wagga. It is only when you get the time to reflect on the event, do you realise the significance of his score and just what he achieved.

His score of 899/900 is the new record for the event, and even though it is only the third time this World Championship has been conducted, I believe it will be a long time before his score is bettered, or for that matter equalled. Add to this the fact he was runner up in Wales in 1994 it certainly supports the opinion of many, that Bill is the World's best when it comes to DTL.

1999 'GRAND AMERICAN'

1999 will see the 100th 'Grand American' and I have been asked by a number of shooters if there will be an organised trip for the occasion. I mentioned it some months ago and as a result only two persons took the time to let me know they would be interested in attending. To establish the feasibility of the trip I require all persons interested to get in touch with me and I will then make an approach to a tour operator. To organise such a trip it is necessary to start planning as early as possible, so even if you are only considering, please let me know and we can then say yes or no.

GOLD, AGAIN AND AGAIN

It certainly is one of the more pleasant issues to be able to congratulate our shooters on winning events overseas and in particular major events such as World Cups.

Congratulations to Ben Kelley and Adam Vella on their recent World Cup wins. Adam's feat in winning both a Trap and a Double Trap title in the one year is outstanding. To both of you, congratulations from all shooters and members of the ACTA. The one major disappointment in these accomplishments is the lack of reporting by our media. It would be fair to say if it was any other sport than shooting, their wins would not only be on the back page, they would cover the front one as well.

10,000 AND STILL GOING STRONG

As at the time of writing these notes, our membership has grown to 10,400 and is still growing. It is hoped that as a result of our Promotion Day, the numbers will increase yet again. All clubs must make these new shooters welcome and encourage them to be regular 'attendees'.

The signs are certainly there that club membership may be a requisite for firearm ownership in the very near future and this no doubt has some bearing on an increase in membership. I would like to think that the achievements of our shooters has also had a positive impact.

World Cup - Seoul, Korea

May 8 - 14, 1997

The World Cup in Seoul was a 'full' World Cup, contesting all UIT Olympic disciplines. Consequently our team included pistol and rifle shooters, as well as clay target competitors.

Adam Vella, gold medallist in the Double Trap

Ben Kelley, gold medallist Trap

Deserie Wakefield, bronze Ladies Double Trap

The Clay Target Team comprised: - Trap: John Maxwell, Ben Kelley, David Nielsen; Double Trap: Adam Vella, Russell Mark, John Maxwell; Ladies Double Trap: Deserie Wakefield, Ann Maree Roberts, Dot Trindall.

The Coach Greg Chan, Manager Yvonne Hill and Masseur Darien Roach.

The trap team met at Sydney Airport for our 9.45 pm flight direct to Seoul on Monday May 6. David Nielsen had been forced to leave his ammo behind in Melbourne and Ben's ammo had been detected in his case by x-ray. Whilst the plane was boarded and ready for departure Ben and John had to repack their bags to satisfy Korean Airlines that the ammunition was secure. Having held up the aircraft, we finally departed half an hour late.

Our arrival at Seoul the next morning was met with very wet and windy conditions which thankfully cleared over the next few days. We spent the first day settling into our hotel, the Dong Seoul and buying bottled water and fruit for our stay.

As there was no official practice on our first full day, we elected to relax and go shooting at the electronics market and Itaewon, the local tourist shopping area.

The 8th was official practice day and we noted the targets were travelling 80 plus metres and adjustments would be

needed. After three rounds of practice everyone was reasonably happy and we attended the official Opening Ceremony at 4pm. The full double trap team had arrived that morning and everyone had a quiet night in anticipation of the first day of competition.

Trap Day 1: Ben 71, David 63, John 65. Ben was in equal 1st place.

Trap Day 2: Ben 47, David 41, John 49. Ben in equal 1st on 118 with John into the Final after a shoot off.

Trap Final: 1st Ben Kelley (Aus) 23.24.24.24.23 = 118 + 25 = 143+2

2nd Josh Lakatos (USA) 25.23.23.23.23 = 118 + 25 = 143+1

3rd Lance Bade (USA) 24.22.24.24.24 = 118 + 23 = 141

4th Jean Michel Lucas (Fra) 24.22.23.24.21 = 114 + 24 = 138

5th Wung Yew Lee (Sing) 22.25.23.24.23 = 117 + 19 = 136+5

6th John Maxwell (Aus) 18.24.23.24.25 = 114 + 22 = 136+4

16th David Nielsen (Aus) 19.22.22.18.23 = 104

Ben had won his first World Cup, in his first final, John came 6th and David 16th.

The three trap guys went out to celebrate Ben's win whilst the double trap team prepared for their event the next day.

Adam Vella, with John Maxwell and Russell Mark

Ben Kelley, with Adam Vella and Russell Mark

Mens Double Trap Final:

1st Adam Vella (Aus) 47.48.48 = 143 + 46 = 189

2nd Ugo Procaccia (Ita) 44.47.48 = 139 + 47 = 186

3rd Charles Redding (USA) 47.46.45 = 138 + 44 = 182

4th Mirco Cenci (Ita) 43.47.44 = 134 + 47 = 181

5th Claudio Franzoni (Ita) 42.47.45 = 134 + 44 = 178

6th Yves Tronc (Fra) 42.48.46 = 136 + 41 = 177

7th Russell Mark (Aus) 43.46.43 = 132

14th John Maxwell (Aus) 41.44.42 = 127

Adam won the Double Trap Gold to add to his Trap Gold in Italy the month before. It had the experts trying to remember if anyone had won consecutive World Cups, let alone in two different disciplines. Russell finished a creditable 7th and John a 14th spot.

Ladies Double Trap Final:

1st Kim Rhode (USA) 36.34.34 = 104 + 36 = 140

2nd Hye Kyoung Son (Kor) 34.35.31 = 100 + 36 = 136

3rd Deserie Wakefield (Aus) 31.35.36 = 102 + 33 = 135

4th Elizabeth Schad (USA) 30.35.33 = 98 + 36 = 134

From left to right: Hye Kyoung Son (2nd), Korea; Kim Rhode (1st) USA; Deserie Wakefield (3rd) Australia

5th Deena Mendicino (USA) 32.35.34 = 101 + 32 = 133

6th Ah Ra Choi (Kor) 32.32.34 = 98 + 33 = 131

8th Ann Maree Roberts (Aus) 32.32.29 = 93

13th Dot Trindall (Aus) 24.26.31 = 81

Deserie Bronze, Ann Maree 8th and Dot 13th. What an unbelievable couple of days!

Three events - 2 Gold and 1 Bronze. Lots of celebrations that night, with a well earned day off to follow.

Monday was spent shooting and relaxing and Tuesday packing and preparing for the trip home. After we had checked our guns and bags into the airline and the plane was boarding we were asked to go down to the ground level where our guns had been taken off the plane. In the pouring rain we had to open our bags and check serial numbers yet again, then put our bags back into the jumbo ourselves, travelling with

firearms is such fun.

For the first time our team had a masseur with the team. Darien Roach had attended the Oceania Games in Adelaide, so he had an idea of what to expect from shooters and having

worked with Russell for some time he also had the experience needed for our sport. The pistol and rifle members also used his services but it was the shotgun shooters who utilised him the most. Darien worked all day at the range in his makeshift parlour, then back at the hotel until 10-11pm. His contribution was invaluable and appreciated by all the team and proved that a masseur could be a valuable asset to any travelling team. Many thanks Darien.

Our team manager Yvonne Hill did an excellent job of organising all aspects of the trip and though her background is in rifle, she fitted in well with the different disciplines.

Congratulations to Adam, Ben and Deserie for their medals, and the rest of the team for the manner in which they conducted themselves and represented their country and Association.

My thanks to the ASA and ACTA for the opportunity to be associated with this team. With all the success over the past few years, the Atlanta Olympics, and all the 1997 World Cups, Australia must now rank in the top one or two shotgun nations in the world - and there's a lot more to come.

Tour Achievements:

Trap: Ben Kelly 1st, John Maxwell 6th.

Double Trap: Adam Vella 1st, Russell Mark 7th

Ladies Double Trap: Deserie Wakefield 3rd, Ann Maree Roberts 8th.

International Junior Competition and Training Camp, Suhl, Germany

– Wednesday 30th April –

After many months of planning, the last 2-3 weeks prior to our departure were filled with last minute organisations, making sure that everything was in readiness for our trip and finally the day had arrived.

I was very honoured to be selected as the Team Manager by the Olympic Athlete Program Committee to manage a combined

buses which were to be our means of transport for the next 13 days (VW diesel, not much power), and this all took about two hours.

The combined Australian team in Suhl, Germany

The weather here was much cooler and our little convoy, led by Claudia in her rented car, headed to Suhl via the autobahn. Suhl was approximately 300km away and driving on the wrong side of the road, with everyone doing 130km per hour, was a bit of an experience.

The countryside was all very impressive compared to our flat wide open spaces. We saw dozens of deer-hides in the pastures that were cropped and everything was nice and green.

Suhl is a very spread out old town, situated on the southwest edge of the Thuringian Forest at the foot of the Domberg mountain with its more than one hundred year old Bismark Tower. With 56,000 inhabitants, Suhl is the centre of South Thuringia. From ancient times the history of the town and the traditions of its people have been closely related with the trade of gunmaking.

We finally arrived at the Shooting Sport Complex at Suhl which caters for all disciplines in shooting. It was opened to hold

team of Pistol, Rifle, Running Target and Clay Target Juniors to the Suhl Shooting Complex, Germany. I was accompanied and well assisted by Tricia Van Nus (Rifle Coach), Vladimir Galiabovitch (Pistol Coach) and our own Murray Alexander and we met up with Claudia Kulla (Mental Training Coach) in Germany.

The Clay Target Team consisted of Nathan Cassells, Nathan McDonnell, Craig Henwood and Derek Bruce (Trap and Double Trap), George Barton and Kris Jones (Skeet) and Lisa Smith, Susan Milroy and Natasha Lonsdale (Ladies Double Trap).

We all met up at the Sydney Airport from our various States and boarded without any problems Thai Airways at 3.20pm, who were flying us to Frankfurt via Bangkok.

The first part of our flight to Bangkok (8 1/2 hours) was filled mostly by watching movies as hardly any of us could sleep through the excitement of the forthcoming training camp and competition and for many of them it was their first long trip by air. We were all seated together as a group and it was a comfortable journey.

We then had a two hour stop over in a very uncomfortable transit lounge at the Bangkok Airport followed by another 11 hour flight, this time not so comfortable as the plane was full, getting us to Frankfurt at 7.20am Thursday morning, most of the team having managed a few hours sleep.

Thursday 1st May

We were met at the gate by Claudia who was of great assistance with the language, getting us through Customs with our luggage and guns and then collecting our two mini-

the 1971 European Championships and the 1986 World Championships. It has a reputation as a first class competition site and training ground and we had arrived to try it out.

We were met by the Manager of the complex and we were then served lunch, a very large meal of a fricassee of meat and mashed potatoes. Everybody was more tired than hungry and after lunch we were allocated our rooms, each flat/apartment had two bedrooms, a lounge area and a shower, toilet, etc. with a TV, table & chairs, clean and comfortable. Now we were able to unpack, shower and most of us had a few hours of sleep before dinner.

Dinner gave us our first taste of a 'German' sandwich. A cold meat pattie as the filling between the bread, a cool drink and a muesli bar - something different!

We also held a Team Meeting to plan the coming days of training and to draw lots for daily Captains of the morning exercise program.

Friday 2nd May

Everyone up early for the 7am jog and physical training of stretches etc., under the guidance of Derek Bruce. Breakfast at 8am consisted of boiled eggs (reminiscent of my trip to India

The Australian Clay Target Team

earlier this year), cereal, assorted cold sliced meats of salami, metwurst etc., and rye bread.

We then all went off up to the shooting ranges to organise clays, cartridges, traps and to get used to the shooting grounds, they were totally enclosed by large pine trees which produces really loud echoes when shots are fired. It was the first time many of our shooters would have a green tree background to shoot into, we were pleased to be having our camp prior to the Junior Competition which was still some six days away.

Near the clay target range there was an office, a restaurant and numerous cabins for shooting teams to stay, all very picturesque and well set out amongst the pine trees.

The only down side of the whole experience was that we had to use Laporte clays which are as hard in Europe as they are in Australia. It was most frustrating to see them hit, move about, but not break, even when hitting the ground and we also found that some of the cartridges that we had ordered had not yet arrived.

The machines used at the clay target range are fully automatic Laporte machines which throw a very nice target and they are operated by a token which alleviates any extra use in clays, a good idea when clubs are trying to keep an eye on costs.

We only had a small training program after sorting everything out and then went as a group down into Suhl for some shopping and sightseeing.

Lunch again, a hot meal - turkey in gravy with rice etc., and the evening meal - sandwiches. We decided it would be better to swap the meals - sandwiches at lunch and a hot dinner at night.

Team meeting held to explain the training planned for Saturday, some boredom already evident so extra activities have been planned as night only falls around 9pm.

Saturday 3rd May

7am start with a walk and jog and stretching for 30 minutes.

George Barton - Team leader for the day. Spirits seemed 'up' today. Lisa Smith suffering from a head cold, 1st customer to our famous First Aid Kit. Breakfast at 8am and then off to the shooting range, about 500m from our accommodation.

Trained all day until 4pm, with everyone trying to come to terms with the noise (echoes from the pines) and just getting the feel of the surroundings. Everyone was very tired at the end of practice but we had to have an early dinner (a large group were coming in for a party) so we decided to go down to Suhl for the evening.

There we found an indoor go-kart track to give the team a special treat. We (Murray, Claudia and I) left them to have some fun and set off to find the winter sports game not far away up in the mountains, that has an Olympic bob-sled run, ski jumps, etc. We found it and much to our surprise the bob-sled was open. The run was made of concrete and was 1 1/2 kilometres in length, with four people per sled. What a thrill for the team to

Nathan and Derek taking 1st and 2nd placing in the Junior Men's Trap

have a go in this, the only way to check it out to make sure it was safe was for Murray and I to have a turn in it first!

I challenged Murray to have a 'go' with me, it took quite a lot of

Junior Women's Double Trap winners — Susan, Lisa and Natasha.

talking but we 'donned' crash helmets, got into the sled with a 'professional' who was to steer for us and 60 seconds later we were at the bottom of the run. What a ride that was, 75kph. They said that the professionals do the ride in about 41 seconds, now that would be hair-raising. We decided there and then to take the Team up on Monday afternoon to let them all have a turn on the bob-sled ride. We also found the ski-jumps, but they were too high, just looking over the edge to take photographs was awesome enough.

Back to the team at the go-kart track where Murray had a race against them, of course they all tried to spin him out, then back to the camp to bed. Team morale is good.

Sunday 4th May

Following the daily routine of exercises and breakfast we set off to see a 'castle' about 80k from Suhl. Shooting is not allowed on Sunday mornings so it had been pre-arranged for us to take the castle tour.

Two hours later we were at the bottom of the hill/mountain where we had to leave our mini-buses. Four deutschmark per person later saw us catching other mini-buses up the side of the hill and then drop everyone about 1/2k from the base of a cliff on top of which sits the castle. Then everyone had to walk up the rest of the way on a 40 degree incline, the last 200m at 45 degree incline. Murray, Claudia and the Team left me about half way up (old cartilage problem in my left knee forcing me to take my time), but I did make it to the top. A further 11 deutschmark each to take the tour inside the castle (all in German), and seeing that the group had already gone in I walked around the outside, took some photographs (fabulous scenery), and started back down the steps. Around halfway saw a lady playing a flute and a fellow on cello (should have been a poet instead), they were playing classical music to people having a rest either on the way up or down, it was a lovely setting and people stopped and gave them coins.

Finally the rest of the gang finished their tour (not really impressed) and it was back down to the mini-buses.

It was here that Claudia and I had to head back to Frankfurt with one mini-bus and the car to pick up the other juniors from Pistol, Rifle and Running Target who were flying in on Monday morning. Murray in the meantime taking our team back to Suhl for a light training session in the afternoon.

On the way back to Frankfurt I saw my first traffic jam, there on the autobahn, 2 and 3 lanes of traffic at a standstill and it was 20k long, thank goodness it was on the other side of the road. 4pm when we got back to Frankfurt.

We found a little place to stay about 3k from the airport and had our evening meal in a little pub on the banks of a river where cargo boats were going to and fro, the type you see in photographs with little gardens and cars on top of them.

If the rest of the team were as tired as I was from all that climbing up and down the steps back at the castle they probably fell into bed as I did, it was a 5.30am start the next morning for us though as we had to pick up the incoming Team from the airport. I think that the exercise done by everyone on the castle tour would have been equal to all the morning routines we did daily for our entire stay. It had been a gruelling day.

Monday 5th May

Away at 5.30am to the airport where we picked up the Rifle and Pistol juniors and it was 9.30am when we finally finished getting them through Customs etc. We now had another 14 in our group and with the 12 already in Suhl, our group now became a party of 26.

Cold, raining miserable weather and it took 4 1/2 hours to get back to Suhl, pouring with rain all the way.

Once back at Suhl I settled the new Juniors into the accommodation and then showed them around and at dinner time explained what was expected of them and the rules that we had. Everyone had to stand up and introduce themselves to the rest of the group and tell a little of what discipline they were with, where they lived etc., and this was helpful to everyone.

Tuesday 6th May

Weather, raining and cold. Claudia and I had meetings to attend in the morning and later (after all disciplines had a light training session) we went into Suhl to 'McDonalds' for lunch and then to the Merkel Gun Factory and we had an interesting tour where we saw guns and rifles being made. Then it was off to the bob-sled run where we had already arranged rides for all of the juniors but when we got up there it was raining and considered too dangerous and slippery, so it was back to camp for everybody.

Wednesday 7th May

Woke up to 'snow' this morning, not heavy but lovely. The entire Team had snow fights while doing their morning exercises. Official training from 9am until 12.30pm as the German Minister for Sport is flying in by helicopter to inspect the Shooting Complex so I have arranged for the entire team to don their tracksuits and welcome him.

The weather is bitterly cold, all practice is going well, have checked out all the different ranges and everything is OK. We had team photographs taken whilst all in their tracksuits while we were waiting for the Sports Minister to arrive. His arrival was quite exciting for he was flown in by a very large Police helicopter. Some of the team actually got a look inside the helicopter and the girls 'sat' in the Minister's seat, they thought it was great.

Competition gets under way tomorrow for some of the Juniors so an early night is planned.

Thursday 8th May

Competition for Double Trap (Junior Men and Women) and Running Target (Rifle) beginning at 9am and programmed until 2pm with training for the others not competing.

Disappointing to now learn that there are no other Junior Women Double Trap Shooters, just our 3, so at the conclusion of their competition it was 1st to Susan Milroy shooting 95/120, 2nd to Lisa Smith with 88/120 and 3rd placing to Natasha Lonsdale on 80/120. Both Susan and Lisa shooting an MQS.

The Junior Men however had a good competition. Germany taking 1st placing, 2nd to Nathan Cassells on 166/200, just 1 target behind the German lad, and 3rd placing to Craig Henwood who shot a 164/200. Derek Bruce again just one target behind Craig to take 4th with a score of 163/200.

The two running target juniors did not shoot up to their best coming in 21st & 24th placings, but as it is their first competition I thought they did well under the circumstances.

Training still going well for those not competing.

A glaring error as I see it, the weather is freezing and all of our shooters are 'under dressed' and by putting all of those extra layers of clothing on, they are only 'binding themselves up' and they are unable to move freely. Thermal underwear?? A short Coaches meeting and off to bed.

Friday 9th May

Competition for all disciplines today with Trap and Skeet programmed from 9am until 5pm, while the other disciplines are scattered throughout the day.

Another bitterly cold day, with rain and again a light snow fall in the clay target range.

Nathan Cassells, Derek Bruce and Nathan McDonnell are competing in the Junior Men's Trap and Craig Henwood is competing in the Open section for a Senior Cup. At the end of the day Nathan Cassells is a clear leader on 73/75 with Derek Bruce 8 points behind him with Nathan McDonnell having an extremely bad day shooting 57/75. Craig Henwood has also shot well in the Open section.

The Skeet boys, George and Kris are having a really hard time with all of their heavy clothing, being unable to swing freely George has shot a 65/75 and Kris a 59/75.

The other disciplines placings for the day are as follows: Running Target Mixed: Brenton Pollard 33rd, Andrew Bingham 35th; Air Rifle Jnr Men: Sam Wieland equal 26th; Standard Rifle Jnr Women: Susan McCready 39th; Free Pistol Jnr Men: Adrian Berthelsen 13th, Dean Walters 15th, Chris Shentall 26th; Air Pistol Jnr Women: Annmarie Forder 2nd, Kelly Rodgers 19th, Sally Taylor 25th.

It was very pleasing to see Annmarie Forder taking the Silver medal for the Air Pistol competition. Germany taking Gold with a score of 476.7, Annmarie taking Silver with her score of 476.2 and Poland taking Bronze with a 474.5. A great effort.

At presentation time when Annmarie received her medal the combined Australian team let everyone know that we were present with the "Aussie, Aussie, Aussie, Oi, Oi, Oi" chant. Up to that time the competitors had only clapped when shooters had received their medals but after the Aussies chant all of the other countries let forth with their cheers as well and this added some humour to the occasion.

With most of the shooters having finals the following day everyone went to bed early.

Saturday 10th May

Everyone up early, eager to get to their competition and finals, the weather again being extremely cold with rain.

At the end of the Clay Target competition we had Nathan Cassells and Derek Bruce in the Final of the Trap, Nathan a clear leader by 7 points over Derek and 8 points over a German lad, not a bad lead to go into the final with. Nathan then shot a 24 in the Final to give him 144/150, Derek shot a 22 giving him a 135/150 taking second place, the German lad shot a 20 giving him a 132/150. The Czech Republic took 4th, 5th and 6th placings in the Final.

It was pleasing that all available Pistol & Rifle Aussie Juniors

came up to watch the Trap Final and to give our shooters their support, with Nathan gaining for himself a couple of female admirers.

The Skeet boys did not fare as well with George coming in 9th place on a 108/125 and Kris being placed 19th after shooting a score of 98/125. The winning Czech shooter posting a score of 140/150.

The other discipline finals for the day were: Air Pistol Jnr Men: Adrian Berthelsen 13th, Dean Walters equal 15th, Chris Shentall equal 25th; Free Rifle Jnr Men: Sam Wieland 11th; Sport Pistol Jnr Women: Sally Taylor 8th (in the Final), Kelly Rodgers 18th; Air Rifle Jnr Men: Susan McCready 39th, Shellan Valentine equal 40th; Free Rifle Jnr Men: Brett Stephenson equal 25th.

Junior Men's Double Trap — Germany 1st, Nathan 2nd and Craig 3rd

Prior to the presentation time the German Black Powder Club again gave us a demonstration with their black powder pistols and cannon. Plenty of noise and plenty of smoke.

As had happened the previous day when Annmarie had received her medal, when Nathan and Derek were presented with their Gold and Silver medals for Trap the Aussie team again let out their chant and this really got the crowd going with all the countries waiting for their turn, trying to outdo each other, this was really great.

A disco and evening meal was organised at the Holiday Inn in Suhl for all competitors and officials starting time 7pm. As this was the Clay Target Teams last night, with two of the Pistol shooters coming home with us, and we were to have a very early start, I had to impose an 11pm curfew.

To allow the Team to have a good time at the disco, the Coaches, Claudia and I decided that we would have a quiet dinner by ourselves and come back at 11pm to pick up the Team.

We dined at a 400 year old Inn that Murray had been to on a previous trip and the hospitality and food was great. We got back to the disco to find the team having a great time, there was plenty of food and plenty of noise and it was a pity to drag them away but we were looking at only getting 4-5 hours of sleep before starting on our long journey home.

Sunday 11th May

Up at 5am and 5.45am saw us bidding farewell to Tricia and Claudia and with the two buses filled to bursting point we headed for Frankfurt arriving there at 9.30am to meet up with Bill Murray arriving with the Senior Team of Pistol and Rifle. We handed over our buses to Bill and his party with them setting off for Suhl around 10am. We then waited for the Thai Airways booking office to open around midday.

By the time that we booked and had all of our guns etc., passed through Customs we still had a couple of hours to spare to buy things in the duty free shops and everyone was glad finally to be seated on the plane for an 11 hour flight back to Bangkok. Once again the plane was not full and our seating arrangements were good and any empty seats were quickly taken up. After dinner everyone settled down to a good nights sleep.

Monday 12th May

Arrived in Bangkok around 7.30am. We booked into the hotel that Thai Airways had arranged for us at the airport. I then

arranged for 3 taxis to take us all into Bangkok to go sightseeing/shopping and this was about an hours drive from the airport. As the taxis were only hired for three hours this only allowed us about an hour of shopping time but this turned out well as everyone got most of the things that they were after during that limited time.

We then headed back to the hotel, paid a toll to get onto the freeway and we were back in only half the time. Once back we had a light snack, showers and some sleep before our 7pm departure. The weather here was opposite to what we had experienced in Germany, quite warm and we were all glad to get into our air-conditioned rooms after the stench back at the market place.

Once again the flight out of Bangkok to Sydney was not full and we were all able to get empty seats enabling us to stretch out. After more food and drinks we settled down to watch some movies and then tried to snatch a couple of hours sleep but again everyone was excited as they were all looking forward to getting home.

Members of the Aussie team checking out the helicopter

Tuesday 13th May

Our arrival in Sydney and Customs clearance all went smoothly, once again without any hassles. With all the bookwork, permits etc., in order and everyone dressed in their Aussie tracksuits it certainly makes going through Customs much easier. It was then farewell time to the group as we headed for our respective domestic airline departure lounges. Our trip was over.

I believe everyone had an exciting trip, we all learnt a great deal and everyone will benefit greatly from their experience and it was particularly pleasing to hear the comments from the two Pistol shooters who accompanied us back home. They said that the time spent with the Clay Target shooters on this trip was the best time that they have ever had compared to any previous trips they have made (in or out of Australia). This made me feel good.

In my opinion all of the Juniors from all of the disciplines on this trip were great ambassadors for Australia as were the Coaches and the future of Australian shooting is in great shape.

I would like to take this opportunity to thank the Olympic Athlete Program Committee, the Australian Shooting Association, and the Australian Clay Target Association of the honour of being chosen as Team Manager for this trip.

It was rewarding to see our successes and the eagerness with which the competitors are perusing their chosen sport and if we continue to get the great support from the Australian Sports Commission and the respective disciplines and their Coaches, Australians will be held in high esteem for their shooting abilities.

I wish all the Junior the successes that they deserve.

Junior Development Coaching

Bill Iles with DTL Juniors

On the May Day long week-end the Brisbane Clay Target Club played host to an ambitious and successful Junior Development Coaching Program.

Olympic Gold Medallist Russell Mark took charge of the ISU Double Trap and Olympic Trap while newly crowned World DTL Champion Bill Iles handled the DTL with his usual flair.

Colin Burt had his group of Skeet & ISU Skeet shooters going through their paces on the skeet layouts.

With access to the knowledge of these three Coaches all who were in attendance would have gained greatly from this weekend.

On behalf of the Junior Development Officers and all involved in the weekend of coaching, a special thank you is extended to Russell, Bill and Colin.

Also a thank you to all the 'behind the scene' workers who made this an enjoyable experience for the juniors and helpers as well.

Maryborough TID BITS

Hervey Bay was putting in a new roundabout which they had a lot of trouble with and took about six months to finalise. Every time Harry & I arrived home after a day out shooting there would be a different detour. On this night it was all closed off and I said to Harry follow that arrow and then another arrow and after that we found ourselves in the Red Rooster drive-in. We had to wait for the car ahead to be served and then we drove straight past the girl at the serving window and she looked at us as though we were a couple of old nuts. Now the roundabout is finished we often have a laugh when we talk about the night we drove through Red Rooster.

BUNDABERG 4/5: Bundaberg hold their two day shoot this year on the fifth weekend in August being the 30th & 31st.

Visitors for this shoot were Neil Berry, Harry & myself. Gino Sergiacomi won the meat tray raffle being the only win Gino had as he was like most of us and just didn't click. Kaye Rehbein won the whisky raffle, drew and shot the jackpot and accepted a metre for shooting the 1st place in the handicap. Good shooting Kaye. With the top shooters all trying to beat each other they forgot about junior shooter Brad Petersen who slipped through the ranks to take the OA & A grade in the 25t DB Championship, also A grade in the Points, Double Rise and 2nd in the handicap, top shooting Brad. Rob Rehbein in AA took off the Points, Double Barrel & Double Rise. In B grade John Butter cleaned up all events and Doug Baggle in C grade took the Points, Double Barrel and came third in the handicap. Barry Fisher claimed the Double Rise. With Brad cleaning up in all events he also took the Overall High Gun, for his first High Gun win, go Brad.

Dick Snow now shoots at Bundy, a past member of Hawkesbury, welcome Dick. Bundy shoot next July 6 1pm start.

GYMPIE 11/5 100T DB: Thanks Wal for sending the results. When two clubs shoot on the same day it is a bit like the fellow who pulled up in a small town and asked a bloke in the street

which was the best cafe. The fellow replied there are two cafes and which ever one you go to you wish you had gone to the other.

We didn't do any good in Bundy, but now in the results from Gympie I see in my grade Bill shot 95, so would have been better to stay at home.

In Gympie the meat tray for the raffle is donated by a member, in this case it was donated by Marg & Glen Durre, and was won by Marg Durre. Sounds OK to me. If you see George Foster walking sideways, well he won the mud crabs donated by Denis Carew. Paul Sproxton drew the jackpot but only shot eight leaving the ninth sail into the blue. On the day Geoff Fett shot the only possible, good shooting Geoff. Main results being AA Geoff Fett, 2nd Brian Goddard; A Glen Durre, 2nd Colin Campbell; B Bill Edgerton, 2nd Denis Carew; C Robert Foster, 2nd Mathew Post.

With extra time available the club put on a 25t Continental event off 17m with joint winners Glen Durre and Bill Stolberg.

Gympie next shoot Sunday 13th 10.30 start....Patrons Day.

MARYBOROUGH SESQUICENTENNIAL SHOOT 100T CONT: With no meeting before the shoot as our President & Vice President went over to Old Koreelah to try their luck with sporting clays, it was good to stay in bed a little longer. Another bonus you could tell jokes about the President & Vice President without them overhearing, I will tell you how they went next copy.

Well somebody up there loves us as it was raining Friday, showers Saturday, and Sunday couldn't have been better. A great turn up with thanks to visitors Bill & Lex Stolberg, Bill Edgerton, Glenda, Mathew & Chris Post, George Foster & Glen Durre with Kaye & Rob Rehbein, Gino Sergiacomi, Phillip Warren, Spencer Plath, Bradley Petersen, Tim Gardner, John Butters, Ken Vickery, George Linsket and the jackpot shooter Neil Berry, good shooting Neil.

Returned State Championships for 1998

The Riverina Zone has returned the State Night Deauville Doubles as well as the State Night Mixed Targets for 1998.

If your club is interested in being allocated one of these Championships, please forward your letter of application to the State Office by the 20th July 1997.

Trap Nationals/World DTL Statistics

For those of you who may be interested in a little light hearted 'Trivia' we have put together some extra information and statistics for your entertainment as follows:

* With almost 400,000 targets being used, at a weight of 105gms/target, the total weight of targets used was 42 tonnes. This of course means that 42 tonnes were manhandled into the traphouses by the workers!!!

* Approximately 520,000 shotshells were used with 28gms of lead in each one means 14.56 tonne of lead was used.

* 520,000 shotshells equals 1040 cases at an average of \$120 per case would have cost the Shooters \$125,000.

* If all these cartridges were laid end to end they would reach for 208kms.

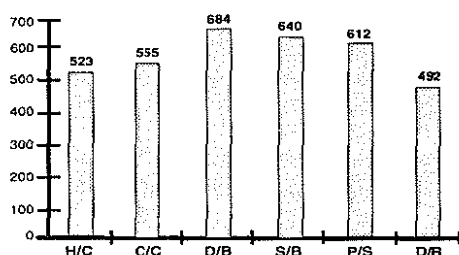

* In the National Double Barrel Championship, 4281 targets per hour were shot or 71 per minute or 1.19 per second.

* We drank 2,400 cans of Coke, 1,000 Diet Coke - 1700 bottles of water as well as other mixed drinks.

* We also consumed 294 litres milk, 6,000 packets of sugar, 2,500 tea bags and 10 kilograms of coffee.

We set new Nationals Records for number of competitors for the Champion of Champions, Pointscore Championship, Double Rise Championship and Deauville Doubles event.

Level 1 Coaching Accreditation Course

On the 3rd & 4th May 1997 I travelled to New South Wales Gun Club to conduct a Level 1 Coaching Accreditation Course. The participants for this course were Bill Payne and Setnak Arslanian of NSW Gun Club, Dan Lagden and Ken Johns of the Wakehurst GC, Doug Moorby from Bathurst GC and Tony Roberts from the Bombala club.

I also had the services of Fred Schmetzer Level 3 and Alan Lucas who is to be re-accredited as a Level 1 Coach.

Saturday morning started out fine and sunny with myself doing the registration of candidates and the course introduction and overview.

After a quick cuppa, Fred then took them on a journey through the Role of the Coach and Instructional Methods which also drifted into Communication Skills. We then had a well earned break for lunch.

Alan Lucas took over after lunch and covered the topics of Program Planning and Goal Setting which was well received and an important part of our coaching aims. After another cuppa I then launched into the sometimes mystical world of Sports Psychology which lasted for two hours. This completed Day 1.

Sunday the 4th was another fine day which got underway again with Alan leading us on Safety and Shooters Etiquette. Fred then took over with Characteristics of a Shotgun which concluded with the Basics of Shotgun Shooting. Due to other commitments Fred and his good wife Cath then headed for home. After lunch I resumed with Physical Conditioning which is often overlooked in our sport but is very important to it if you wish to reach the top.

After a great BBQ lunch compliments of Alan we started the last topic for the weekend, Communication Skills which was followed by a course discussion. At the end of this I then set five assignments for the candidates to complete. After the usual yarns and farewells we all headed for home.

I would like to thank the NSW GC for their great hospitality over the weekend and for the use of their facilities. Also a special thanks to Fred Schmetzer whose knowledge and involvement makes by job so much easier. Finally I wish to thank Alan Lucas for helping organise and run this course which I believe was enjoyed by all who attended.

HOW TO SHOOT BETTER SCORES AT TRAP AND SKEET SHOOTING

Two 90-minute videos on Trap and Skeet Shooting will show you how

- * Each 90-minute video will show you in detail what you need to know and do in order to shoot better scores.
- * A 25-minute discussion with the aid of descriptive charts will show you and explain the important finer details and why it is most important to have your gun properly fitted. It will show you how to check for correct gun fit.
- * The videos will show you where and how to hold on the trap house and how to focus for target release. Remember it's not the end of the world if you must close one eye - I'll explain this to you in the video.
- * Remember one thing - if your gun does not fit you correctly and you don't mount and point it correctly, you'll never become a good shot.
- * Video tapes \$30 each plus \$3 postage. Please send money order or cheque, available direct from:

INTERNATIONAL TRAP TEAMS MATCH

With the presence of our International competitors, this

event was conducted with keen competition. With the criteria being a minimum of three

International competing countries, I cannot recall the last time this competition was shot.

The Australian team comprised the top five scorers in the Australia New Zealand Trap Championship who won the event quite convincingly with a 249/250 - Max Cubic 50; Arthur Turner 50; Bob Rose 49; Robert Thompson 50; Brett Humphrey 50.

New Zealand and Wales equalled second place 245/250.

DOUBLE RISE CHAMPIONSHIP

Probably the hardest event on the program and a record attendance of 490 levied well for a great Championship. Competition was always going to be tight with the number of

competitors, and shoot offs were required to decide nearly all of the winners and placegetters.

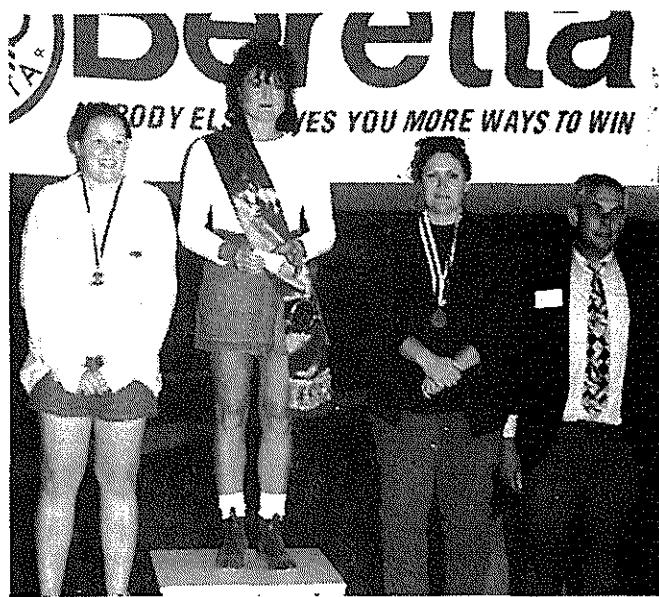

The title went to Darren Gorst from New Zealand 67/70 ousting that keen campaigner in Graham Blaskett from Tassie 66/70. Darren was presented by Event Sponsor Winchester's Dick Ayres with his new Shotgun, the JM Tyquin Perpetual Cup, Silver Australian Badge, Royal Blue Sash.

John Whittakers a great Double Rise shooter claimed 3rd Overall with 76/80.

Another New Zealander in Murray Haville shot 74/80 to win AA grade. Joe Marshall from Lightning Ridge, NSW, had to shoot a few to win A grade with a creditable 83/90 from Michael Goss (Tassie) 80/90. Gavin Shim stamped B grade convincingly with a 48/50. Deni' shooter James Peterson 38/50 shot one better than Marco Peressini from Atherton Qld 37/50 to decide C grade honours.

Cheryl Arnol from Cressy Tasmania collected the Royal Blue Sash and Silver Australia Badge for a great win in the Womens Double Rise Championship with 71/80 beating Lisa Smith 54/60 and Deserie third 45/50.

Gavin Shim not only won B grade but claimed the Junior Title with a wonderful 48/50 from Luke McLennan 46/50 and third Luke Cassells 44/50.

DEAUVILLE DOUBLES EVENT

Thank you to Raytrade for sponsoring this family event which grows and grows with popularity and interest each year. This year 55 team vied for the Tri-colour sash and donated trophies.

The father and daughter combination of Peter & Joanne Kerr from Echuca Victoria 35/35 defeated a tough combination in father and son Robert & Justin Dale (Albury, NSW) in a shoot off 34/35.

Western Australians father Gary & son Matthew Kelly took third placing with 32/33.

SPECIAL AWARDS

Once again Bill Iles will be flying across the Tasman to defend his victories at the 1998 New Zealand Nationals after being the ACTA-NZCTA International Competitor. Jointly sponsored by both Associations, Bill received an airfare and accommodation package to New Zealand, Gold Southern Cross Badge and the International Competitor Sash.

We hope our friend Ted McRae from Timaru, New Zealand wasn't too upset by winning the Val & Fred Horton Trophy & Memento. Ted claimed his trophy by being the oldest competitor at the Championships.

Another Trophy and Memento sponsored by Val & Fred Horton is the Veterans Aggregate. Scores tallied from the Mackintosh Qualifying Events gave Noel Nicholson from Crookwell a win with 243/250.

All Australian Trap Team 1997 went to the Top 10 scorers using the countback system over the National Program of 475 points.

Congratulations on being named the 1997 Team to Domingo Diaz, Bill Iles, Bill Eagle, Ian Merrick, Ron Smith, Ray Collinson, Brad Webb, James Smith, Roger Duthie, Stephen Guest.

HIGH GUNS

The 1997 National DTL Championships attracted an overall attendance of 773 competitors. 328 of them were of AA grade, 238 A graders, 140 B graders and 67 C graders.

Deserie Wakefield was presented with the Eley Perpetual Trophy, Royal Blue Sash, ACTA Medal and Trophy for taking the Womens High Gun Award. Deserie also claimed a new Australian Womens Trap Record Break of 286. Congratulations to a true Champion.

The Junior High Gun was awarded to Luke Cassells of Maryborough Victoria with a terrific score of 452/475. Looks very much like Luke will be following the success of his brother Nathan in the years to come. Luke has an outstanding ability at Clay Target Shooting.

Clint Shields of Coleambally was awarded the Sash and Medal for the Sub Junior High Gun. Congratulations Clint.

The well known and respected Veteran in Sperry Marshall had a wonderful National series and topped it off by taking the Veterans High Gun Award of the Cec Herbert Perpetual Trophy, Royal Blue Sash, ACTA Medal and Trophy.

The Overall High Gun was not to be so easily decided as the other High Guns. Domingo Diaz and Bill Iles contested by shoot off for the Award with Bill victorious on 528/540.

Overall High Gun Sponsor Fuller Firearms Group via David Fuller and Overall High Gun Donor Muriel Porter presented Bill with his array of Awards. Bill had shot superbly over the program, but was obviously just warming up for the World DTL Championship. Congratulations Bill Iles on once again being named the National DTL High Gunner. Special thanks to the Fuller Firearms Group for their sponsorship of this prestigious Award.

And so completed another successful National Championship series. With so many people involved in the staging of these Championships the thank you list could go on and on. I shall just say, to all who helped, in any large or little way, and to all who sponsored and donated, you know who you are, we know who you are. A Huge Thank You. See you in the West in '98.

Editor's Mailbox

Dear Editor

I would be grateful if you could publish this in your 'Letters to the Editor' column.

My name is Sue-Ellen Lovett, I was a member of the Australian Paralympic team last year, when the world's best ever Paralympic Games in Sydney, in October 2000, just after the Olympic Games.

Preparing and winning takes time and money, and we need to start early. So in September this year, I am riding my horse Mudgee from Melbourne to Sydney to raise money for the Paralympic Games.

My guide dog, Eccles will come on the ride too. I never go anywhere without him. He even came to the Paralympic Games in Atlanta with me. I will of course also have a sighted guide with me.

I need Eccles because I am now almost totally blind. I have an inherited disorder known as retinitis pigmentosa, commonly known as tunnel vision.

Would your readers share in my vision of Australia hosting the best ever Paralympic Games by giving an early donation to my fundraising ride from Melbourne to Sydney?

The route we're taking is 1,455 kilometres long. Just two cents a kilometre would be a tax-deductible gift of \$29.10. If you could manage twenty cents, it would raise \$291.00.

The Federal and NSW Governments have contributed more than 40 per cent of the cost of the Games. There will also be income from ticket sales and sponsorships but we need your support too. Your readers gifts will help stage the Games and prepare the athletes.

Donations can be sent to Sydney 2000 Paralympic Games, Locked Bag 2000, Annandale NSW 2038. Or, you could fax through a donation to 02 9519 8341. All donations should be made payable to the Paralympic Games. For further information please call on 02 9519 3486.

*Yours sincerely

a commemorative port with monies raised going to a local charity. NSW made sure that they did not leave the State with Illawarra Gun Club and the NSWCTA buying a bottle each.

Shooting for the event began at 8am sharp, with the squads of five shooting five per lane. After the first 100 targets Arthur Turner, Bob Rose, George Ball (Wales), Bob Christopher, Max Medhurst, Gary Rootes, Lex Shipp, Lisa Smith and Tony Wright were that only shooters with a perfect 300.

In the next 100 targets Bill Iles, Ian Merrick, J Cooksley (England) and Scott Henshall were successful in attaining the 300 points.

With 50 targets to go the competition was fierce to make the final with only

the top 10% going through.

There were twenty four competitors who shot the final 50 targets and gained maximum points of 150.

A further fifty targets were shot in the final with sixteen of the final 45 earning maximum points.

After the final finished we saw one shooter ahead of the rest. Mr Bill Iles from Melbourne Gun Club was the new World DTL Champion. Bill shot exceptionally well, pulling only one second barrel, to finish with a score of 899/900.

A further shoot off was require to separate second and third. Ian Merrick, Cobarr Gun Club was successful with 1010/1014 and Stephen Atkins, Echuca Gun Club coming in third with 1009/1014.

The new Ladies World Champion was Ms Deserie Wakefield Melbourne Gun Club who finished with an excellent score of 890/900. Deserie was one point ahead of second place Lisa-Ann Smith, Lower North SA, who had a score of 889/900. Kathie Gault, Narrandera Gun Club, took home the bronze medal with 871/900.

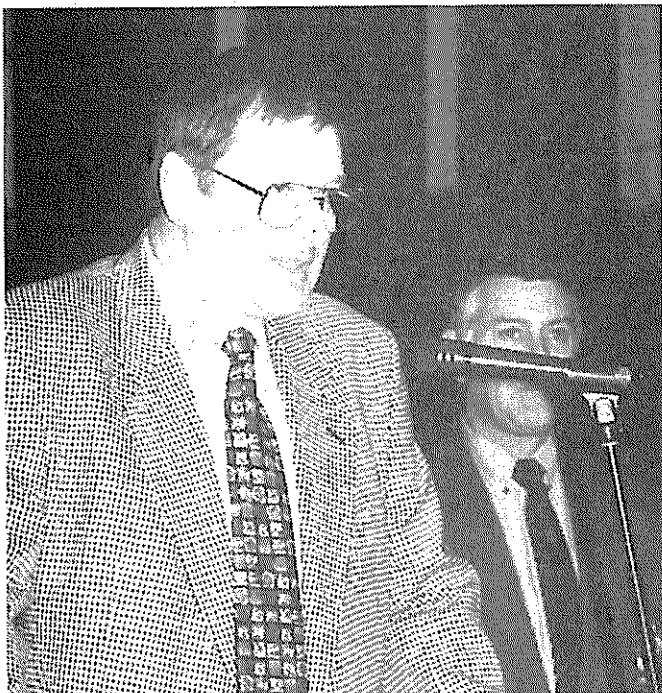

Luke McLennan, Noorat Gun Club, won the Junior World Championship with a score of 889/900. After a shoot off Shane Dunn, Numurkah Gun Club finished second with 955/975 and Phillip Smith, Deniliquin Gun Club, 953/975 going home with the bronze medal.

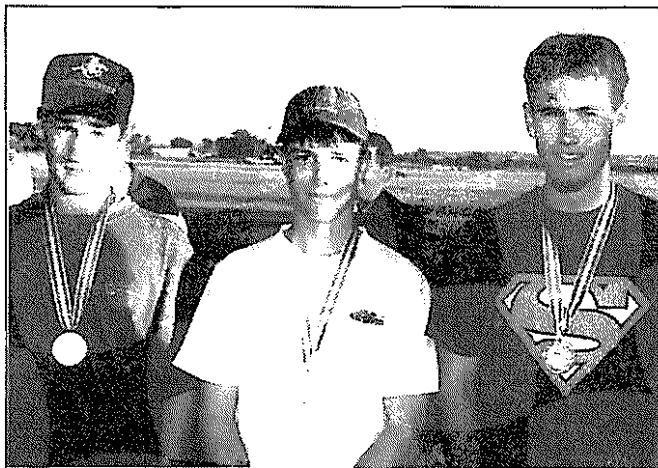

Mr Murray Havill, one of our New Zealand friends, won the Veterans World Championship. Murray shot 892/900 to win from Jeff Nash, Grafton Gun Club, 887/900 who took home the silver medal and Tony Whiting, England team manager, was the Bronze medal winner with 885/900.

In the grades AA was won by Jon Whitakers with a score of 1023/1107. Peter Field took out A grade with 805/825. Faye Burton 708/750 won B grade in what she announced as being her last event in shooting. Well done Faye and thankyou for your support of Clay Target shooting over the years.

Aljos Ambs shot 659/750 to be the C grade winner.

All results were published in the June CTSN.

The Australian Clay Target Association would like to thank the many people who contributed to the success of this World event. We would especially like to thank Mr Andy Sanders, NSWCTA President, Mrs Libbie Bunting and her staff in the office, Mr Bill Jones and Mr Adrian Cousens, shoot marshall extraordinaire, Wagga Gun Club for presenting the grounds in such very good condition.

SPRINGSURE GUN CLUB

On the 10th & 11th May, Springsure Gun Club held its annual two day shoot. This was a Miroku Challenge shoot and a gamble for our members as we are only a small club in a town of approximately 600 people and situated on the Central Highlands in Queensland. We had 71 shooters attend over the weekend, travelling from Brisbane in the south to Atherton in the north.

The Miroku Challenge event saw eight shooters shooting off for the first place with the eventual winner being Craig McKellar from Tambo. Springsure had four shooters in this shoot-off with Shaun Ryan being the last to drop out to secure second place and two and a half cases of shotgun shells which were also supplied by Fuller Firearms as trophies for the event. Shot shells were given for 2nd to 5th places on this event with Ray Wise from Gladstone taking third place, Anthony Comino Gemfields club fourth and Cliff Dahler Mungungo club fifth. Three other shooters who shot the 25 targets but received nothing for their efforts were Dick Burns, Springsure, Paul Maguire, Springsure and Keith Tyson,

Springsure. A total of 69 shooters contested this event.

The weekend began on Saturday with the Bauhinia 100 event which is a 100 target event shot from common mark. The eventual winner of that event was Alan Denton after a shoot off with Trevor Meaney. These two shooters shot the 100 targets and went on to shoot another 50 in the shoot off before a result was obtained. Trevor Meaney was the AA grade winner with Rick Kennedy taking A grade, Leon Dodd B grade and Ken Perrett C grade.

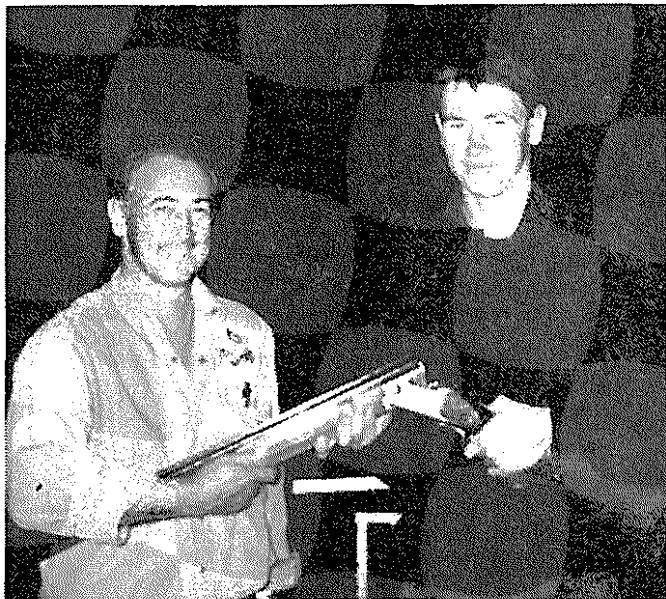

The trophies for the points event were beautifully hand crafted silver bracelets donated and made by our club member Ross Rolfe. These were very fitting trophies as it was Mothers Day.

Former club member and now a member of Atherton, Brian Hopgood donated hand crafted wooden bowls and mirror for a raffle. These were also Brian's own handiwork and proved very popular with those present. Thank you Brian for your generosity. The quickie board was also popular thanks to our visitors from the Sunshine Coast who brought us up some prawns.

On Saturday night, the club provided a smorgasbord of hot dishes for dinner which was enjoyed by all before the auctioning of the Calcutta. The ladies in the kitchen also provided a variety of home made pies for lunches and these sold out on both days. Saturday morning was quite windy with a very high chill factor as Springsure had recorded the coldest temperature for the state, two degrees for that morning. Fires lit around the clubhouse on Saturday night helped to keep everyone warm on the outside while the barmen worked hard to keep the inner fires burning. Sunday proved to be a perfect day with almost no wind and the temperature remaining warm all day.

Our thanks also goes to our other sponsors for the weekend, Lanes Land Development of Springsure, Pacific Seeds, Bruce and Zara Powell of Action Helicopters, Winchester and Orion Ag/Holden. A big thanks also goes to our own club members who donated their time to build our third trap as well as donating towards the trophies themselves and also to their wives and mothers who donated food and their time to prepare it. Without all this help we would not have been able to host such a successful and enjoyable weekend.

Full results of the shoot can be found in the result section.

Allan McIntosh

The Goondiwindi Gun Club lost its Patron and first & only Life Member with the passing of Allan McIntosh earlier this year. Allan and wife Betty were keen shooters, Allan winning many events and high guns in the region over his shooting career. Allan was a foundation member in the fifties and President for a number of terms, his wife Betty the Secretary come Shoot Marshall and general organiser at many shoots.

The club however went into recession in the seventies, Allan taking it upon himself to make the lease payments from his own pocket, such was his love of the sport.

It was because of his efforts that we still shoot on the same ground and indebted to him and wife Betty. Last year the club bestowed Life Membership on Allan McIntosh in appreciation of his efforts. Rest in Peace.

Ian Greenland, President.

Ernest Ian Whytcross

12/12/13 - 4/5/97

The members of the Barellan Clay Target Club were saddened by the sudden loss of Ian Whytcross, one of their most dedicated members.

Ian had been involved with clay target shooting since its introduction to Australia and was heavily involved with the Boort Clay Target Club (Victoria) in the late 1950s to mid 1960. He was the President when they moved from the showground to their present site where they shoot over the lake.

Ironically he was to shoot there on the day of his death with his son Randall.

Ian and family moved to Barellan (NSW) in 1966 and soon became actively involved with the Barellan Clay Target Club. He was always willing to give back, in so many ways, to his loved sport, far more than he took from it, helping many, many shooters get started or just sorting out technique problems. Whether it was attending working bees, meetings or refereeing and scoring or fixing or adjusting the traps Ian was there. He was well known and respected throughout the shooting fraternity and always did his best to make visitors welcome and feel part of our club.

Ian instigated the formation of The Riverina Gun Club's Council in July 1972 being the President in those early years. The Council was renamed in 1982 as the Riverina Zone which now forms part of the NSWCTA.

Barellan Clay Target Club recognised Ian's tremendous contribution to shooting by awarding him Life Membership on the 8th of September 1996.

He will be sadly missed around the traps and we would like to extend our deepest sympathy to all his family.

George Parker

Older members of the Brisbane Gun Club were saddened by the death of George at Apollo Bay, Victoria on the 15th May.

He shot at the former club grounds at Tingalpa and then at the club's present site at Belmont where he made a significant contribution to its establishment.

For many years he resided at Burwah on the Sunshine Coast then Mudgeeraba on the Gold Coast where he worked for Keith and Ian Bamberry, well known members of the Gold Coast club, and finally at Apollo Bay in Victoria.

An expert axeman and logger, George won many wood chipping championships and for several years held the world treefelling title. For a number of years he had the contract to supply the woodchopping logs for competition at the Brisbane Royal Show.

His arrival at the club frequently resulted in a supply of delicious pineapples to the ladies kitchen. There was always the unexpected when he would gather a group of ladies on the club house verandah and then from a bag would tip out a large carpet snake. Loud screams followed.

One of the pleasures in attending a country shoot was to be in his presence around a camp fire listening to his hilarious bush stories.

Always a fine sportsman and gentleman it is sad to see people such as George passing on.

Brisbane Gun Club

Frederick Richard (Fred) Grey, aged 86 years

It is with sincere regret that the members of the South Australian Gun Club advise the passing of respected and long standing member, Fred Grey, on 26th April, after a short and sudden major illness.

A devoted family man, Fred's other great passion in life was shooting, where he designed many firearms in his position of Chief Design Engineer for Sporting Arms Corporation (Sportco, later Omark), and enjoyed much success as a competitive clay target shooting at many clubs throughout Australia. He like nothing more than to be discussing shooting form or firearm design and performance.

In recent years he spent the Adelaide winters in Queensland with his family, and his legendary little lime green Mazda 808 station wagon chalked up incredible mileage, most of it achieved at great pace, the recently installed 1500 motor enhancing this capacity.

The eulogy at his funeral referred pointedly to the fact that the recent changes to Firearm Laws were responsible for a significant decline in his health. Fred was absolutely devastated at the prospect of having to relinquish beloved firearms that he had designed and had been such a major part of his life.

A pillar of society, another innocent victim of Port Arthur.

We extend our deepest sympathy to all members of Fred's family, his presence on 'the tracks' will be sadly missed by all clay target shooters at many clubs around Australia, none more so than the 'Skeeties' at SAGC.

Broken Hill West Darling Championships

Fuller's Rep Michael Diamond with Miroku Challenge winner Ben Radford

Atlanta's Gold Medallist, Michael Diamond shines at the Broken Hill Gun Club's West Darling Championship held on the 10th and 11th of May 1997 with an unofficial break of '1077'.

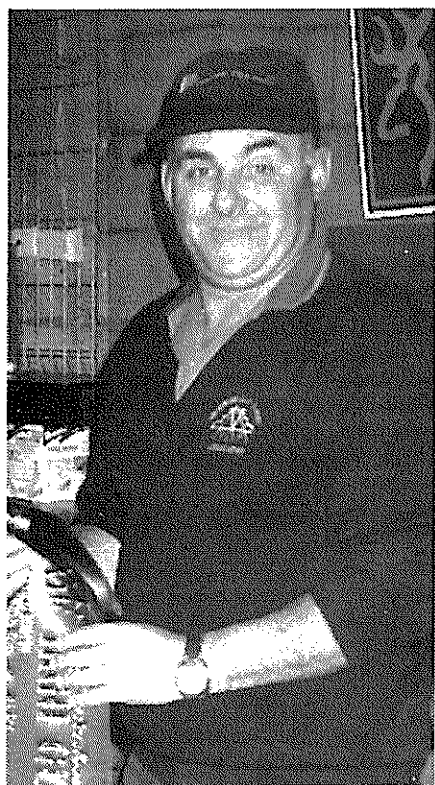

Nearly 100 shooters braved the cold conditions which at times showed in the scores, however, looking at Michael's fine show of shooting you would never have known. The club's last long break of 733 was held by W. Iles.

The first event was the Fullers Miroku Challenge, 20 target Handicap. Only five shooters managed to shoot the lot. One was a local junior in Ben Radford, who has only been shooting for nine months. Ben took out first place with a score of 44/44, enabling him to become the owner of his own trap gun. Second was W. Channing 43/44, 3rd M. Carter 32/33, 4th J. Rice 26/27 and 5th S. Haberman 23/24.

The second event was the Broken Hill Community Credit Union Double Barrel Gift. 25 targets with 27 possibles. This event saw the start of a fine display of shooting. As you can guess Overall went to M. Diamond 293/293, 2nd AA S. Haberman 292/293, 3rd AA W. Iles 205/206. 1st in A grade went to C. Lawrie 59/59, 2nd P. Garraway 46/47 and D. Lemmich 45/47 took third place. B grade honours to R. Hastwell 73/73, 2nd T. Bond 32/33, 3rd A. Bornholm 25/26.

C grade was won by M. Bornholm 28/28 ousting A. Lynott 27/28 with B. Radford 22/25 third. Ladies R. Attard 24/25, Veterans C. Keith 32/32, Junior A. Glenn 21/25 and Sub Junior B. Garraway 25/25.

Event three was another 25 target Boral Gas Double

Barrel Championship. 21 shooters shot the possible. However, due to the lateness of the day and the length of the shoot offs, the event was carried over until Sunday with three shooters left. Once again Overall went to M. Diamond 277/277 defeating N. Marinis 276/277. A grade was won by G. Gemmill 63/64 from P. McLauchlan 41/42. B grade to T. Bond 71/71 defeating R. Attard 68/69, with A. Lynott 26/26 winning C grade over D. Gooding 25/26. Ladies to T. Gray 23/25, Veterans J. Ellis, Junior B. Radford 23/25 and Sub Junior S. Parkes 23/25.

Sunday started with the Australian Inland Energy Members Memorial Pointscore. Only three shooters managed a perfect 75 points with many on 74 points. Overall and B grade went to W. Channing with 81/81, 2nd B grade W. Hartney 73/75. AA grade was won by J. Attard 80/81, 2nd J. Jolly 77/78. A grade to A. Cole 95/96, 2nd D. Lemmich 94/96. C grade to B. Radford 67/75, 2nd M. Carter 70/81. Ladies trophy to R. Attard 69/75, Veterans A. Krautz 69/75, Junior A. Lynott 61/75 and Sub Junior S. Parkes 66/75.

Next came the Silver City Betta Electrical Double Barrel Gift of 25 targets. Due to slightly better conditions the scores were a little higher with 29 possibles. However, once a gain it came down to only a few, namely M. Diamond, M. Crevatin and W. Iles, who continued to shoot until the conditions became too unbearable (at around 6.00pm).

Yet again Michael Diamond ending up finishing Overall with 441/441, 2nd AA M. Crevatin 440/441, 3rd W. Iles 434/435. 1st in A grade went to J. Gemmill 39/39, 2nd J. Zammitt 36/37, 3rd C. Orr 26/27. B grade to P. Carroll 47/47, 2nd W. Hartney 44/45, 3rd G. McMillan 39/40. C grade to B. Radford 34/35, 2nd M. Bornholm 33/35 and 3rd J. Judd 26/28.

Ladies trophy to T. Gray 24/25, Veterans W. Daley 25/25, Junior A. Glenn 20/25 and Sub Junior B. Garraway 25/25.

The last event was the 25 target Winchester/Myras Sportstore Single Barrel Championship. This time only four shooters were good enough to shoot the lot. Overall went to S. Haberman with 54/54, 2nd AA W. Iles 53/54. A grade to J. Spain 24/25, 2nd G. Daly 28/29. B grade A. Bornholm 24/25, 2nd K. Elliot 23/25. C grade to B. Radford 22/25, 2nd C. Judd 21/25. Ladies R. The McKean Team Shield was won by the 'Pussy Team' of G. Young, B. Cook, C. Lawrie, B. Radford and J. Spain 88/100. The Willyama Team Shield was won by 'Thommo's Team' of G. Reed, Steve Thompson, Sissy Thompson, B. August and J. Zammitt 358/375.

We would also like to thank all of the sponsors, and those that helped to make it yet another successful shoot.

WONTHAGI

Family Benefit — Good Response

Clay target shooters have responded generously to a benefit for a South Gippsland family whose 39-year-old wife and mother has died.

Carmon Wyckelsma died at her home at Milford, near Foster, after a long tussle with cancer.

She is survived by husband Robert and two children, aged 6 and 9.

Robert is a machine mechanic at a cloth labels factory at Leongatha. He is also a member of the Wonthaggi Gun Club, which has turned its 5th July shoot into a benefit day.

Top shot Bill Iles of Hurstbridge was first to respond by donating a blender he won at nearby Korumburra Gun Club in the State Night Points event.

The B Grade winner in the same event, Ray Pearson of Leongatha, followed with the battery charger he won.

Other competitors have since provided sufficient trophies to pay first to fifth in four Grades, plus prizes for the Milford farmers who are not A.C.T.A. members but who want to be part of the appeal.

The event is a 100 target Double Barrel. Nomination is \$30, and it will start at noon.

1997 Norfolk Island Clay Target Championships

Sunday 2nd — Friday 7th February 1997

Situated at Anson Bay at the Northern end of Norfolk Island in the South Pacific, lies the Norfolk Island Clay Target grounds and for the last 17 years has proved to be a testing ground for clay target shooters from Australia, New Zealand and Norfolk Island.

The Norfolk Island Clay Target Association has been most fortunate in that it has been supported generously by local sponsors and the past years by many clay target shooters from Australia and New Zealand. In the early days of the club, traps were donated and many hours were given by very experienced shooters in providing tuition to our own shooters. The Norfolk Island Clay has now 15 members and most take the week off work to provide assistance with the running of this annual event.

The NICTA wishes to congratulate and sincerely thank those visiting shooters who give their time to help us run this shoot.

The weeks events started at an informal function on the Sunday with an Island Style Fish Fry to welcome the visiting shooters and their families to the island. It was an opportunity for the local members to meet with old acquaintances and meet new friends prior to the competition.

In particular it was good to see those friends of many years who have been making this annual event something of their own, Chris Davenport and Barry Casey of Australia, Rex Innes, Jim Marshall, Arnie Rogers, Karl Andrews, Phil Morrison, Don Carter, Brian Webber of New Zealand. A very special welcome for those who travelled from South Australia in Charles Abela, from the far north in Townsville Glenn Reeves, and from Western Australia Shane O'Brien.

It was a little disappointing to see many of our regular visitors not with us again this year and so the final

As in previous years the NICTA has provided a suitable shotgun as a raffle which is available only to those who are competing in the weeks events. This year the gun was a Browning B425 Trap Gun and on the presentation evening when the raffle was drawn the winner was Bob Clifton (Aus) who carried off his new prize.

In winding up the evenings function the President of the NICTA, Basil Vercoe, thanked all those who had attended this years championships, it had been a very happy and enjoyable shoot and hoped to see as many of them again for the 18th International Championships which will

be held from the 8-13th February 1998.

THANKS BRIAN

Due to his employment situation, our club coach in Brian North has regrettably tendered his resignation.

During the past eight years Brian has committed himself to coaching our juniors and new members, spending many of his Saturday morning and RDO's out on the tracks demonstrating the techniques of clay target shooting and 'sorting them out'.

Local school students have benefited in particular, whether it be for organised coaching sessions or on a one to one basis, Brian has done his utmost to convey his knowledge to others. Brian has also accompanied students to numerous district school competitions, either as coach and guardian for many a nervous first time young competitor.

Brian, on behalf of the committee and members of our club, together with the many shooters you have assisted in any way over these years, a big thank you.

Well known committee member Daryl Hunt was unanimously elected to replace Brian in this very important position.

Shooting Update Sydney 2000

During the period between now and September 2000 the Australian Shooting Association will be provided with regular quarterly updates on SOCOG's progress in relation to a successful shooting program for the Sydney Olympic Games.

These updates will ensure that shooters and shooting throughout Australia is kept informed of what progress is being made on as many aspects of planning and preparations as possible for what will be without doubt the greatest shooting competition ever held in Australia.

Quarterly Update

This being the first of my planned quarterly updates is for the quarter ending 30 March. The next update will be forwarded to the Australian Shooting Association for distribution to affiliates on or around 30 June of this year.

Sport Technical Advisory Committee

Each of the Olympic sports will be forming a Sport Technical Advisory Committee, to advise the respective Competition Manager's on technical matters relevant to their respective sport. A seven member Shooting Technical Advisory Committee has been formed to provide advice on matters related to shooting's involvement with the Olympic Games in 2000.

The Australian Shooting Association has appointed Tibor Gonczol as its Technical Representative to the advisory committee. Tibor has a wealth of experience in shooting having attended five Olympics either as a competitor or official, ten World Championships, and numerous UIT World Cups and Continental Championships.

Three other persons well qualified and well known in their respective disciplines have been invited to join the committee,

Aado Maranik - Smallbore and Running Target Technical Representative

Robert Smith - Shotgun Technical Representative

Russell Mark - Athletes Representative

Each has accepted the invitation to join the advisory committee, with Tibor Gonczol in addition to his appointment as ASA Technical Representative, also acting as Pistol Representative.

Two other persons will be added to the committee at a later date. One to be appointed by the controlling body in NSW for the Olympic shooting disciplines, as soon as advice is received from the Australian Shooting Association as to which of the two claimant bodies they recognise, NSW Shooting Association or NSW Shooting

Sports Council. The other will be invited by myself as Competition Manager to join the committee as SOCOG's representative.

The advisory committee met for the first occasion in Melbourne on February 24th, addressing a number of matters placed before them in a manner which left no doubt as to their capacity to fulfil their respective roles, and their willingness to play a major part in shootings planning and overall preparation for what will be an exciting time in September 2000.

Olympic Shooting Venue

At the time of writing no announcement had been made as to the location of the Olympic shooting facility. Holsworthy the original site, has been identified as a possible second airport servicing Sydney, so there is some doubt over the venue.

OCA, the Olympic Co-ordination Authority responsible for procuring a site and building the shooting facility, had identified a possible alternate site at Cecil Park, home of the Cecil Park Clay Target Club, approximately 30 minutes from the Olympic Village at Homebush.

The advisory committee has viewed preliminary drawings and also visited the site in company with OCA consultants. All were more than pleased with the undoubted potential of the Cecil Park site and also the preliminary drawings. Tests currently underway to ascertain the suitability of the site will more than likely determine its acceptability for the Olympic Shooting Complex.

While an announcement by the Minister of a confirmed location for the shooting facility is imminent, no actual decision can be taken until such time as the UIT and IOC approve a change from Holsworthy, the site contained in the original Olympic bid.

SOCOG

SOCOG Competition Managers have met as a body on four occasions. These meetings have been extremely informative, with each clearly demonstrating the overall advanced state of SOCOG's preparedness at what could mistakenly be construed to be an early stage of planning.

Having witnessed first hand the commitment of the SOCOG staff to the success of the Games, there is no doubt in my mind that the Games in 2000 will be an outstanding success. Notwithstanding there is a lot of work to do before this eventuates with shooting having the opportunity to play its part to its greatest capacity.

Western Zone Skeet Carnival - Roma

Many hardy shooters braved less than ideal conditions to compete in the State's Western Zone Skeet Carnival held in Roma on the 17th & 18th May, 1997.

Shooters came from Gladstone, Toowoomba, Tallawalla, Goondiwindi, Brisbane, Gold Coast, Ipswich, Dalby, Surat and Condamine to compete. The drawcard being a new Miroku shotgun donated by Fuller Firearms.

The first event of the weekend was the Western Zone Skeet Championship held over 50 targets. Overall was taken out by Dave Dundon with the only possible shot for the event 50/50. AA grade winner with 63/64 was Max Barton from Toowoomba. A grade was taken out by Robert Nugent with 49/50, B grade by Robert Rosenberger 48/50 and C grade by Andrew Faulkner with 44/50.

The second event for Saturday was the 100 target "Roma Open Skeet Championship" with some excellent scores being carded.

Guy Beddington was the overall winner with 100/100. First in AA grade was Margaret Denton with 99/100, with husband Alan Denton coming a close second with 98/100. Kevin Tunney from 'Olimpyc Targets' took out first in A grade with

a creditable 98/100 and second place was won by Jim Storch with 95/100.

Julian McEwan was successful in winning B grade scoring 94/100. Second place was decided after a shoot off, with R. Brook scoring 102/111. C grade was won by Dick Loughnan, and Erica Hudson from Gladstone took second place.

Roma Clay Target Club is noted for its hospitality and good food. Saturday night was no exception with the 'Biggest T-Bones in the West' being served for the evening meal.

Sunday dawned with again the same weather conditions as Saturday, overcast and cold. However, the first event of the day was the one all had come to win, the 50 target 'Miroku Challenge'. Contested under handicap rules the competition was very keen.

After the completion of the 50 targets, eight shooters were still in contention. Two squads went out to shoot off with some fierce competition being displayed. Winner of the 'Miroku' after two rounds, was local identity Robert Rosenberger.

R. Steenstrup was runner up, with Nick Aird taking third place, fourth place was won by Jim Storch and Justin Barton rounded out the five.

The last event for the weekend was the 25pr 'Retreat' Skeet Doubles. Overall winner was Justin Barton with 56/56. AA was won by Max Barton 51/52, A grade by G. Darr from Gladstone with 55/6, B grade by R. Brook 46/52 and C grade was won by Bill Allen from Dalby 45/50.

Margaret Denton congratulating Justin Barton, event 4-25 pair "Retreat" doubles

With the competition over, it was into the warmth of the clubhouse for the presentation of trophies. On presentation of the Miroku shotgun, 'Berger' as he is affectionately known, was quoted as saying he had had a 'tickled pink day'. He had, he said, been of two minds whether to even compete.

The High Gun trophies were then awarded with Guy Beddington, using 'Sellier & Bellot' shells for the entire carnival, taking out overall with a score of 247/252.

The graded high gun prizes were awarded as follows: AA: Margaret Denton 246/252; A grade was a draw between Kevin Tunney and Justin Barton with 235/250; B grade Robert Rosenberger with 228/250; C grade Erica Hudson 173/250.

Roma Clay Target Club extends their sincere thanks to all sponsors, and those who donated prizes, including a special thanks to 'Fuller Firearms' for the donation of the 'Miroku' Shotgun.

The Western Zone Skeet Team was decided with the team comprising of Margaret Denton 196/200, Alan Denton 195/200, Robert Nugent 188/200, Robert Rosenberger 186/200, Julian McEwan 184/200, Owen Nugent 183/200, Reserves Cliff Reid and Alan Pack.
