Weatherby®

Athenia® Orion® Shotguns

Available in 3 stock styles:
(L to R), "Field", "Classic Field"
and "English Field"

From the elegant look of our Athena® series to the proven performance of the Orion®, you'll see why we confidently proclaim that no one offers you better value for your money - better wood, better balance and custom-fit internal parts - to deliver better performance in the field.

■ **Modified Greener cross bolt action** - one of the strongest and most reliable made. The cross bolt lockup actually "shoots in" with use to retain its rigidity and tight fit. Shallower in depth and thinner in profile, our 12 gauge receivers are proportionate to most other 20 gauge guns, generating that sought-after "between the hands" balance for quicker pointing and target acquisition.

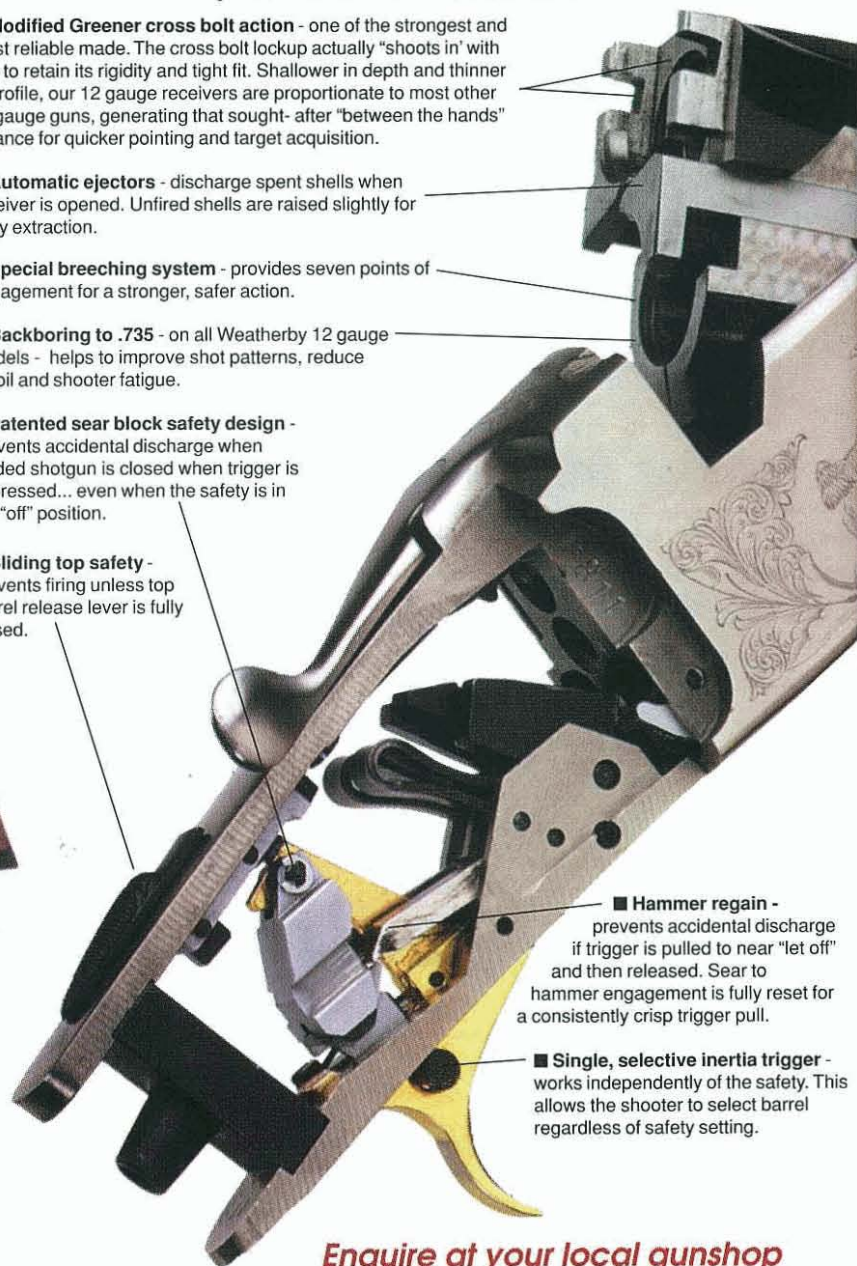

■ **Automatic ejectors** - discharge spent shells when receiver is opened. Unfired shells are raised slightly for easy extraction.

■ **Special breeching system** - provides seven points of engagement for a stronger, safer action.

■ **Backboring to .735** - on all Weatherby 12 gauge models - helps to improve shot patterns, reduce recoil and shooter fatigue.

■ **Patented sear block safety design** - prevents accidental discharge when loaded shotgun is closed when trigger is depressed... even when the safety is in the "off" position.

■ **Sliding top safety** - prevents firing unless top barrel release lever is fully closed.

■ **Hammer regain** - prevents accidental discharge if trigger is pulled to near "let off" and then released. Sear to hammer engagement is fully reset for a consistently crisp trigger pull.

■ **Single, selective inertia trigger** - works independently of the safety. This allows the shooter to select barrel regardless of safety setting.

National President's Notes

Glenn G. Woodhatch

1998 TRAP & SKEET NATIONALS

At the full Executive meeting held in August much discussion took place on the 1998 Trap and Skeet Nationals. After deliberating for some time, the Executive decided to combine the Trap and Skeet Nationals in Perth on a trial basis and that they be held in April.

Since that decision, there has been constant rumours surrounding the reasons for combining the events and the reason the skeet nationals were not reallocated to Cecil Park for a third year. Most of these rumours are incorrect. At this point I feel I must point out, to dispel one rumour, that Mr Alan Maher of SOCOG did NOT say Cecil Park would be unavailable. Cecil Park has been named as the venue for all shooting during the 2000 Olympics and work on construction will commence in January 1998.

Over the past three to four weeks the national office and myself have received in excess of 100 letters complaining of the combining of the two nationals. The vast majority of these letters were form letters signed by persons wishing that the skeet nationals remain a separate event. To those shooters who took time to write their own letters, thank you.

As a result the two nationals will not be combined but conducted as separate events, both in Western Australia. We will advise dates as soon as possible.

APPROVED CLUBS

A requirement of the new National gun laws is that all shooters have a genuine reason for owning a firearm, and in the case of a clay target shooter, be a member of an approved club.

Seems simple. That is if you do not live close to any of the State borders. The term National then goes out the window and is replaced with State.

A number of shooters have contacted me regarding a ridiculous situation that they have found themselves in after having their application for a new licence refused on the grounds that they are not a member of an approved club. The situation arises for example, if you reside in Barham, NSW and you are a member of the Kerang Gun Club in Victoria. The Kerang Gun Club is not an approved club in the eyes of the New South Wales Firearms Registry. It apparently does not matter that travel time to Kerang is only 20 minutes compared with an hour and a half to the nearest New South Wales approved club. The same applies to a person residing in Wodonga and being a member of the Albury Wodonga Club, that is the Albury Wodonga Club is not an approved club for the purpose of a Victorian Shooters licence.

It is hoped there is simple solution to this situation. We are endeavouring to resolve it quickly.

MEMBERSHIP

Our membership continues to grow having now passed the 12,500 mark. Our immediate task is to ensure that we retain this membership in the future as well as continuing to gather new members. One of our biggest challenges in recruiting members is in States where other shotgun organisations are strong and I believe invitations to inter club competitions, combined social functions at our clubs and the like, will bring old members back and let prospective new members see the benefit ACTA membership.

OUTSTANDING WORLD CHAMPIONS

Congratulations to Michael Diamond on winning gold at the World Cup Final in Montecatini, Italy, in the trap event and to Russell Mark on his silver in the double trap.

I am sure that if it was any sport other than shooting these exceptional world champions would be appearing on every television sport programme and on the front page of every national newspaper.

We can only hope that one day these elite sportspersons and our sport will be accepted along the lines of the so called high profile sports.

Michael Diamond - NSW Hall of Champions

It is with great pleasure that I advise of Michael Diamond's nomination, acceptance and induction into the NSW Hall of Champions, located at the State Sports Centre at Homebush Bay.

I attended the official function with Michael on Wednesday 27th August, which saw the NSW Minister for Sport & Recreation, The Hon Gabrielle Harrison, invited as the Official Awards Presenter.

There were a total of eight inductees accepted for the 1997 intake including Ian Craig, OAM from Cricket, Paul Dearing from Hockey, Ken Murray from Surf Lifesaving, Cathy Parkes (nee Turner) from Water Polo, Liane Tooth OAM from Hockey, Wayne Roycroft from Equestrian, Tom Raudonikis OAM from Rugby League as well as Michael.

There were also some of the "Greats" of sport present at the luncheon including Dawn Fraser, Bob Simpson, Allan Davidson and Des Renford to name a few.

Michael was presented with a commemorative plaque by the Minister and a special portfolio detailing Michael's achievements and will now join many other famous NSW sportspersons adorning the walls of the Hall of Champions. Manager of the State Sports Centre, Mr Peter Johnstone as well as the Curator of the Hall of Champions, Ms Marcelle Jacobs have done a wonderful job in presenting the history of Sporting Champions in this State. There are now 269 athletes recognised, representing 43 different sports.

The Centre is open daily for visitors and is well worth the time.

Michael is only the third shooter (first Clay Target shooter) to be accepted into the Hall of Champions, following in the steps of Phillip Adams and James Kirkwood.

Michael and I were very well received by all those present who expressed an interest in knowing more about our Sport. It was a special opportunity to spread the word

Michael Diamond with Marcelle Jacobs, curator of New South Wales Hall of Champions located at State Sports Centre, Homebush Bay

about Clay Target Shooting including our hopes and dreams for the Sport in the future.

Without you Michael, none of this would have been possible. On behalf of all shooters, thank you for your contribution to this sport and congratulations on the recognition by your peers for what we know you are, a true Champion.

WARATAH STATE NOTES

Championship Results

State Night Championships are the flavour of the month with five results for this edition.

Wagga Gun Club hosted the State Night SB Championship on 30th August with 26 shooters in attendance. Chris Brandon from Junee won the event with a 'skinner' shooting the only possible 50/50. Congratulations Chris.

Cecil Park conducted the State Night Skeet Championship on 13th September, also with 26 shooters competing. A local shooter, S. Subonj won the event with a score of 49/50.

Finally, Kempsey CTC hosted the State Night DD Championship with 44 shooters in attendance. Ken McWhirter and Graham Haynes from the Port Macquarie club won this Championship with the only possible 20/20. Well done.

Brewarrina CTC conducted one of their annual open shoots on the weekend of 20th/21st September with two State Continental Championships on offer.

Robbie Thompson from Cobar won the State Night PS Continental Championship 147/150 while Col Betts of Brewarrina won the other title, the State Single Barrel Continental Championship with 48/50. Good shooting.

1997 State Double Trap

Please note in this edition the details of a re run for this event at Marconi GC on 30th November. Unfortunately due to major equipment failure, the event was cancelled on 7th September.

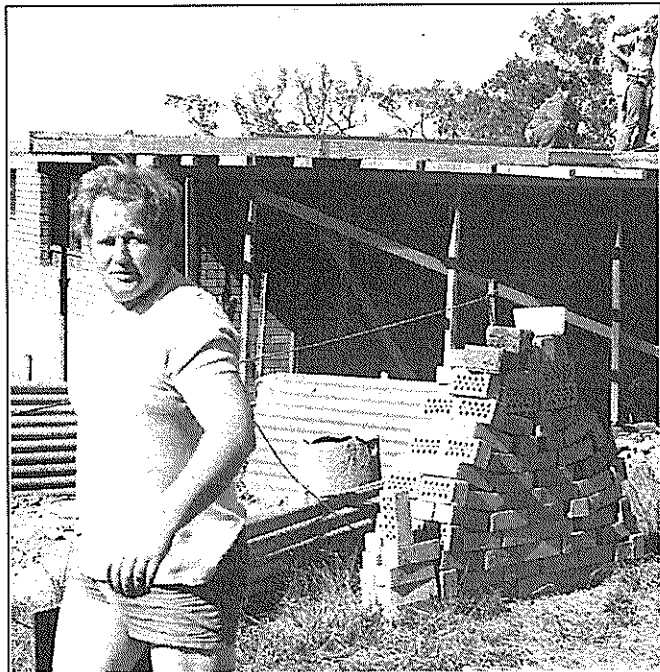

Firearms Legislation

It seems to become more confusing as we go along. I am in contact with the Firearms Registry several times per week so if they are giving your club the run around, let me know. The problem appears to be the staff on the 'Hotline' are public servants who unfortunately, have not been versed in the finer details of guns or shooting. Consequently, everyones interpretation of the rules differs. Hang in there, we are trying to sort it all out!

Libbie Bunting

Executive Profile

Name: Bill Jones
 Date & Place of Birth: Bowral, NSW on 27 June 1941.
 Occupation: Retired Industrial Chemist.
 Resides at: Port Macquarie.
 Home Club: Illawarra & Port Macquarie.
 Club Involvement: 20 years President Illawarra, Life Member.

Illawarra Gun Club 20 years ago

State Involvement: NSWCTA State Treasurer.
 Favourite Club: Any clay target club.
 How did you commence shooting? In the "bush" at Berrima.
 When? 1954.
 Preferred Discipline and Why: DTL followed by Trench because I can't shoot it good enough.

Gun Used: MX8 Perazzi.

Your shooting goals: To keep going as long as possible.

Your funniest story: Illawarra Gun Club drinking the Boorowa Pub dry, with Ray Davies trying to drink John Haug 'under the table'.

Where do you see the ACTA to be in 2005? National Ground with 25,000 members. A full time Coach. Financial support for outstanding shooters in all disciplines.

What other sports have you participated in? Rugby Union, Tennis, Golf and anything else that comes along.

Other interests: Any sport, Family, and a good argument with Bradwell.

When not shooting I like to: Play tennis, swim, golf and have a drink with good friends, including anyone who will put up with me.

Favourite food: Steak, chips, eggs and mushrooms on the BBQ by Dave O'Brien, infact anything by Dave O'Brien and Alan Roe. Together with Ali Ambs 'bush stew'.

Favourite drink: Whisky & coke, Whisky & milk, Whisky & water, Whisky & anything including Whisky. Tony Batt taught me.

Favourite TV show: Any sport and news.

Favourite radio station: None.

People you admire and why? Anyone who achieves their best possible with a little bit more, including Maxwell.

Favourite Sportsperson: Jessica Jones, Melinda Gainsford Taylor, Mike Tyson.

Highest Break: 668 Royal Aero. 402 at Cowra only run second to Turner again.

Any other comments: I hope to be able to continue shooting while my bum points to the grounds and always remember self praise is no recommendation.

If Fred Rapley will continue to drive (as he has for the last 25 years), I will be thus provided Wendy give me my 'pocket money' and permission.

Memo to all ACTA Associations

An early notice for your newsletter, your minutes or direct distribution to you clubs.

South Australia's 1998 regional Masters Games will be held at Mount Gambier on March 13-21, 1998

The Mayor of Mount Gambier (Mr Don McDonnell) and the citizens of our city invite your "35's and overs" to begin planning, now, to join us for the Mount Gambier Gun Club Inc., part of the program plus all the other fun activities which go with Masters Games.

With SA State Government backing (through Sports SA) plus the full support of the City Council and the community we want you to join us for what will be a great time!

With twenty-two sports already registered we expect high entries for our Masters Games events because Mount Gambier and its surrounds are well worth visiting and touring between sporting commitments.

So, get in early, plan your holiday for March '98 now. Full details of the Mount Gambier Gun Club's Masters Games program can be had via club secretary Phillip Green on 08721 5543 or (w) 087365028.

**The Mount Gambier Masters' dates?
 March 13-31, March 1998!!!**

Level 1 Accreditation Course

Rockhampton, Queensland - August 1997

The Queensland Clay Target Association has instigated a system for Coaching Accreditation, whereby all resources are pooled into one major Accreditation weekend. This is enabling the Q.C.T.A. to take greater advantage of Coaching finances and create a larger group undertaking Level 1 Accreditation.

To fulfil this area, the Queensland State Coaching Director programmed a Level 1 Course for the 30th & 31st of August at Rockhampton. Fourteen coaching candidates were nominated for the course and duly assembled in Rockhampton. The idea of one Level 1 Course obviously has its merits as seen by such a large and enthusiastic group.

Attending were candidates from nine clubs including one

Members of the Rockhampton (Qld) Level 1 Accreditation Course.

Level 1 Coach beginning Year 2 of Level 2 and two Level 1 Coaches taking the opportunity to do a refresher course.

Level 1 candidates were: Steven Nixon, Ray Collinson, Carch Betteridge, Kelly Arroita, Glen Rea - Burdekin Club; Alan Love - Eton Mackay Club; Craig McKellar, Rick Kennedy - Tambo Club; Ross Hodgson - Caloundra Club; Rob O'Sullivan, Bill Bryant - Scrubby Creek Club; Ray Brown - Goondiwindi Club; Keith Harrower - Rockhampton Club; Rex Davis - Whitsunday Club.

Level 2 candidate (Year 2) being Karl Nasarenko from the Caboolture club.

Saturday 30th the course began in the conference room of the Regency Motel. Mr John Mitchell, Q.C.T.A. Coaching Director, began with a welcome to all attendees and the Course introduction.

During the morning session, the new Coaches were taken through the theory of Level 1. Role of the Coach was conducted by the NDC, while Karl Nasarenko addressed the Safety and Shooting Etiquette component. Denis McIntosh then introduced the Characteristics of a Shotgun, including Gun Fit. To conclude the AM session, the NDC presented the Basics of Shotgun Shooting.

Following a short lunch, it was back to work and Sports

Psychology. This area was introduced by Mr Graham King, who runs a private practice and is attached to the Australian Military Target detachment. After a short afternoon tea, John Mitchell then presented Goal Setting prior to the last agenda item for the day.

The last item for presentation was introduced by Inspector Michael Crowley of the Queensland Weapons Licensing Branch. Inspector Crowley went into a very indepth explanation of the new laws, including the effects and requirements that pertained to Clay Target shooting. After two hours and many questions, this very informative session, the day concluded at 5.30pm.

Day two began at 8.30am on the Rockhampton Gun Club grounds. The practical session commenced with a physical 'walk through' of a DTL layout. A discussion followed on gun hold positions for D.T.L. (traditional and high hold) as well as stance and vision. The same sequence was then followed through for Skeet.

Members of the Rockhampton Gun Club had been invited to attend the Sunday program and Denis McIntosh provided a practical Gun Fit session for the members and trainee Coaches. This session was to prove extremely popular and rewarding, both to the Club members and assembled Coaches.

To complete the practical component, the fourteen Coaches were divided into three groups to work on a coaching scenario. Each group further divided into Coach group and observer groups with a club member who had a particular problem. After the allocated time, the groups returned from the tracks to the

clubhouse to report their actions and how these actions were viewed.

With the course now concluding, the new Coaches were given assignments and questionnaires, that would be completed during the ensuing twelve months. Each Coach was assigned a Supervising Coach and following a short question and answer period, a Course questionnaire was completed.

At 12.30pm the Course concluded and those with distances to travel, began to depart. Several Coaches, including the NDC, stayed for several more hours to assist any Club members that wanted tuition.

In conclusion, thanks must be give to the Rockhampton Gun Club for use of their facilities, Mr John Cuddihy for the accommodation and conference rooms and the presenters who assisted during the program.

Finally a thank you to the Q.C.T.A. Executive for their support of the Accreditation scheme and Mr John Mitchell, Q.C.T.A. Coaching Director, for an extremely well organised and executed Level 1 Accreditation Course.

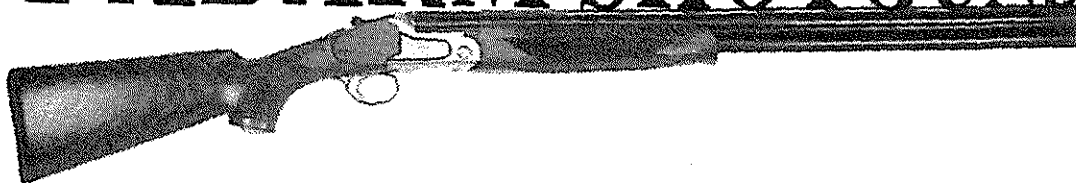

M. Alexander
National Director of Coaching

MADE IN ITALY

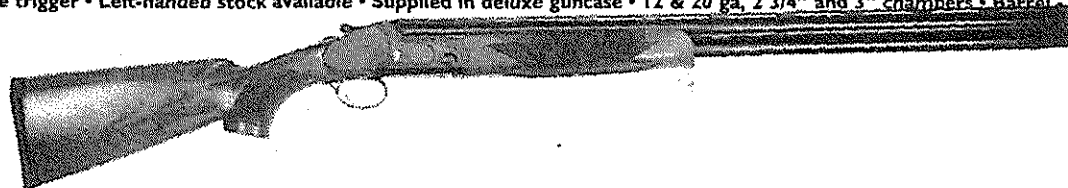

FABARM SHOTGUNS

10
YEAR
WARRANTY

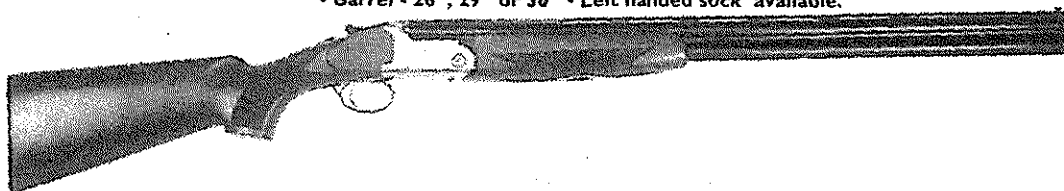

MAX LUXUS available in SPORTING OR TRAP MODELS *Top of the range.*

Features: • Interchangeable chokes • steel shot chokes or in-out choke systems available • High grade walnut stock and forend • Micrometric adjustable trigger • Left-handed stock available • Supplied in deluxe guncase • 12 & 20 ga, 2 3/4" and 3" chambers • Barrel - 28", 30" and 32".

Level 1 Accreditation Course

Darwin, 13 & 14 September 1997

Maintaining the impetus of Coaching Accreditation courses, the Northern Territory Clay Target Association (N.T.C.T.A.) through their State Coach, Mr Greg Chan, programmed into their calendar a Level 1 Course.

Attendees at the Northern Territory Level 1 Accreditation Course

After considerable planning to co-ordinate the wide spread of clubs and coaching candidates in the N.T., as well as the required Sports Specialists, the weekend of September 13 & 14 came together.

The Northern Territory Institute of Sport (N.T.I.S.) had willingly provided the Sports Specialists, Darwin Gun Club the facilities and the N.T.C.T.A. had allocated funds to ensure the Courses success.

Attending were candidates from five clubs. One Level 1 Coach took the opportunity to do a refresher course. Level 1 candidates were: Trudy Williams from Arnhem Gun Club; Angus Blake from Groote Eylandt Gun Club; Barry Harker from Tennant Creek Gun Club; Jim Niland, Tanya Walker, Tony Brown (N.T.C.T.A. & A.C.T.A. Executive Member) from the Alice Springs Gun Club; Rod King, George Hennesy, Bob Dalgleish, Victor Ferteklis from the Darwin Gun Club.

John Doyle was the Level 1 refresher candidate.

Saturday the 13th the course began at the Darwin Gun Club, with typical Darwin weather, hot and enjoyable. Mr Greg Chan, N.T.C.T.A. Coaching Director, began with a welcome to all attendees and the Course Introduction and overview of the weekends proceedings.

Roles of the Coach and Instructional Methods were then presented by the NDC, Mr Murray Alexander, who gave the attending candidates an insight into what is involved in being a Coach and methods by which an individual is able to be coached.

Following morning tea, Mr Ian Shakespeare of the Northern Territory Institute of Sport, presented Program Planning and Goal Setting. Ian then completed the mornings segment with Sports Psychology. These three presentations were extremely informative and very easily understood by the assembled group.

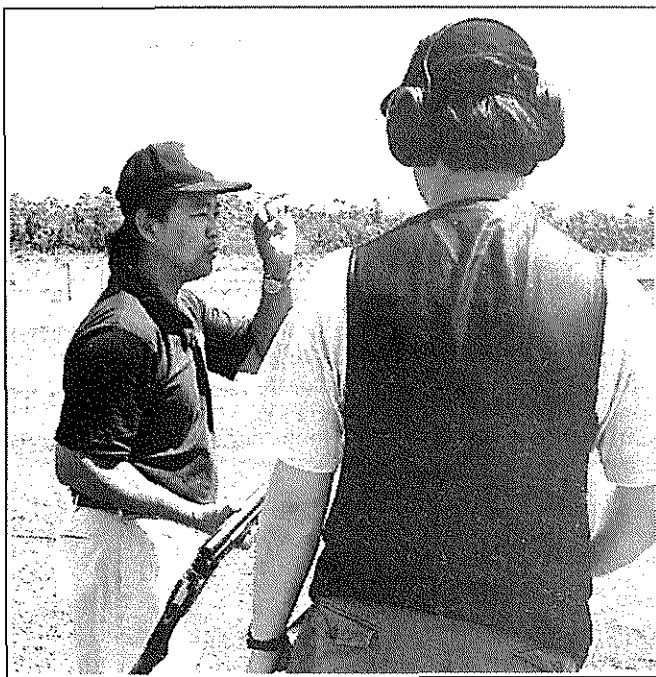

With a short lunch out of the way, Mr Adrian Curry of the N.T.I.S. presented Physical Conditioning and how it relates to the sports person and everyday life. Through the simplicity of the component, the information was readily accepted by the candidates. Completing the day was a further presentation by the NDC, on Characteristic of the Shotgun. Like other Accreditation Courses, the area of Gun Fit was of great interest and discussed at length.

To maintain a forum where the days learning could be discussed further and to enjoy a social evening together, Mr Greg Chan on behalf of the N.T.C.T.A. invited everyone to the Tai Hung Tol restaurant at Parap for a very pleasurable evening.

Day two began at 9.00am in similar warm conditions to Saturday, with Greg Chan presenting the very important segment, Safety & Shooting Etiquette. Once this topic was concluded, both Greg Chan and Murray Alexander joined forces to present the Basics of Shotgun Shooting. This practical session commenced with a physical 'walk through' of a Skeet layout which included gun hold stance and vision. The same sequence was then walked through for DTL, including gun hold positions for DTL, traditional and high hold. Members of the Darwin Gun Club had been invited to attend the Sunday program and were involved in a practical Gun fit session. This gave all the attending Coaches, practical and

Stephen Chin under instruction from Victor Ferteklis while the other coaches listen

Greg Chan illustrating a point to Lance Chin-Quan

valuable insight into individual gun fits.

Attending from the Darwin Gun Club, by invitation to be involved in a practical coaching afternoon were four juniors, two ladies and nine men of varying experiences. Mr Mark Bulluss, N.T.C.T.A. and A.C.T.A. Executive member also

dropped in for a visit to view the proceedings. With a very short lunch break over, practical Coaching conducted by Greg Chan, supported by the NDC, the Darwin Gun Club members and all the new Coaches was instigated. This four hour session again proved to be one of the most valuable experiences a new Coach can have prior to returning to their own club. The attending club members also gained considerable knowledge and assisted improvements to their skills.

At 4.30pm the practical program concluded and all involved individuals reassembled in the club rooms. To conclude the course the new Coaches were given their assignments and questionnaires that would be completed during the ensuing twelve months. Each coach was assigned a Supervising Coach and following a short question and answer period, a required Course questionnaire was completed. At 5.00pm, with all components completed, the successful Level 1 Accreditation Course concluded.

Special thanks must be afforded to Vicki Ferteklis for providing all the refreshments, a great effort considering she was also organising a three year olds birthday party. To the Northern Territory Institute of Sport, who provided at no charge to the Association, two of the most knowledgeable and easily understood Sports Specialists, thank you.

The Northern Territory Clay Target Association must be praised for the support given to it's future Coaches through funding and involvement. Their belief in the future of the sport through their Coaches is very gratifying. This support also extended to the NDC through airfare and part accommodation to ensure the success and credibility of the Course. Finally to Mr Greg Chan, NT State Coach, who programmed and co-ordinated the Accreditation Course, these simple words, thank you for a very professional weekend.

M. Alexander, National Director of Coaching

The Ultimate Gun

Perazzi

The Ultimate Gun

Atlanta Olympics 1996

Perazzi wins Gold, Silver and Bronze. This is the first time in history that the three medals of an Olympic Shooting Discipline have been won with guns of the same make. In addition, the Ladies Double Trap Gold medal was won with a Perazzi. What a prestigious achievement by the MX8, MX10, and MX12 models!

Perazzi shotguns have the most modern technology built into them, giving you the competitive edge required to win at an international level. When you are ready to make the investment in the finest quality gun, think instinctively

"Perazzi from Yozzi", the most favoured name and Perazzi centre in Australia since 1972.

Any models not currently held in stock are available on request (ex-factory) - all orders get my personal attention in order to meet your personal requirements.

EXECUTIVE COMMITTEE MEETING

The Executive Committee of the Australian Clay Target Association recently conducted their annual meeting in Wollongong.

It was decided to meet at this venue in NSW so that the committee was able to meet with Mr Allan Maher, Competitions Manager - Shooting with SOCOG to discuss the Olympic Games in 2000.

The meeting with Mr Maher was very informative and his updates will be continually published in the CTSN.

The Executive Committee made a number of decisions and a summary of these are as follows:

1/Pre Nominations

As from the DTL Nationals in Perth next year pre nominations shall be available at all Nationals. Those participants whom do not pre nominate may do so at the grounds for an additional cost of \$10 per event and shall be squadded after those who have pre nominated.

2/Handicap Cards

A new handicap card will be issued as normal to all registered shooters for 1998 upon receipt of renewal. After this issue renewal will be by way of coloured sticker to be placed on the front of the book. Once a book is full or lost it may be replaced by applying to the ACTA for new book to be issued. This application must be authorised by the Club Secretary/Handicapper.

3/New Rules

As from October 1 1997 the following rule changes shall apply:

a/That Rule 1.04 (d) and 1.05 (h) be altered by removing "All squads will be determined by the office, whose decision shall be final." and inserting "Shooters will be squadded in order of nomination."

b/That we add to rule 4.14 - re self loading and pump action firearms "a maximum of two rounds can be loaded at any one time".

c/That the following be added to 2.01q - "Newly registered ACTA shooters with experience and grade classification in other shotgun codes (ie Field & Game) shall for the first 200 targets shoot at the highest grade attained at that code."

4/Membership Fees

The fees for registered shooters 1998 are as follows:

Adult membership \$55

Second Family \$30

Junior \$15

Veteran 65 and over \$30

5/Insurance

The ACTA has been able to negotiate a very good Public Liability policy for coverage of its members. As from January 1 1998 this will be increased from \$10 million to \$20 million. This has resulted in a small increase in membership fees, but I think most members would agree that this is extremely good coverage.

6/Shoulder to Shoulder Teams

As from the DTL Nationals in 1998 a 3 person shoulder to shoulder team for veterans match shall be conducted. This shall also apply to the Skeet Nationals as well.

7/ATA Membership

The ACTA is to affiliate with the American Trapshooting Association. The ACTA will accordingly be able to conduct ATA events and Australian shooters will be able to obtain an ATA handicap and be able to compete at the Grand American each year.

8/Sub Committees

The following positions/sub committees have been elected for 1997/98:

a/ President

Mr Glenn Woodhatch

b/ Vice President

Mr W (Bill) Jones

c/Management Committee

Queensland - Mr Robert Nugent

New South Wales - Mr Bill Jones

South Australia - Mr Graham Michell

Northern Territory - Mr Mark Bulluss

Tasmania - Mr Allan Kenny

Victoria - Mr Ron Traill

West Australia - Mr Ross Silvester

Ararat Clay Target Club Inc

The above photo shows Jim Shepherd being congratulated by Ararat Clay Target Club President Greg Coburn.

The shooters were greeted by constant rain all day but seven shooters started off the day with possibles in the eye opener. More possibles did not follow in the 75 target Double Barrel. Jim was the only one, and being just one point down in the eye opener he was very unlucky not to take out the Jackpot.

Fine shooting on the day Jim Shepherd.

MEC'S MIGHTY 9000G.

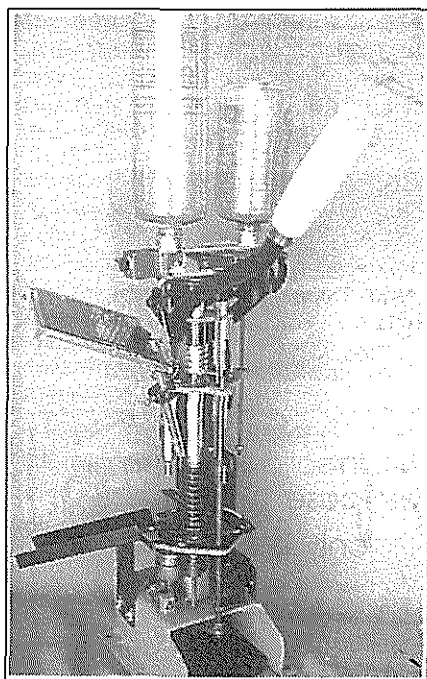

As a user of MEC, (Mayville Engineering Company), shotshell reloading presses for the past 20 years I feel more than qualified to assess the 9000G. My reloading benches are fitted with 5 of MEC's presses including two single stage and three progressive machines. The 9000G is the next press up from the Grabber and features all of that press's features plus an additional auto-indexing and finished shell ejection ramp. It can be used for either steel or lead shot reloading but a make-up kit must be ordered for steel shot and a steel shot charge bar must also be attached - these have a key-hole shaped top that is filled with a rubber compound to prevent the charge bar from jamming. Normally, a lead shot pellet would shear to enable the charge bar to move across and dispense the shot charge. Steel shot is much harder and does not allow this to happen, hence the rubber insert to absorb the shearing force upon steel pellets.

holes to accommodate mounting screws supplied with the press. The respective rubber grommets and brass washers were then placed into the hopper retainers before the hoppers were mounted. At this point the 9000G is ready for action.

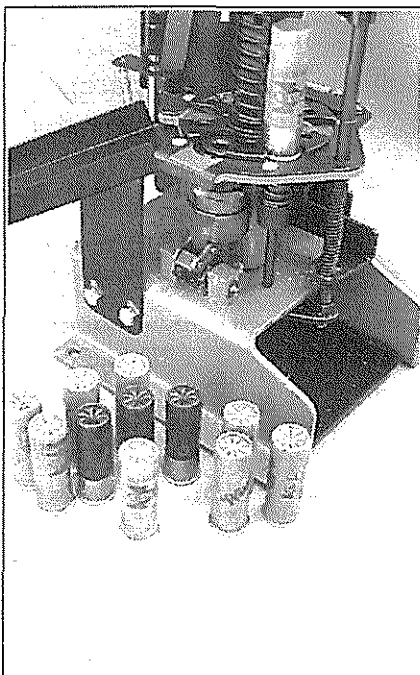

both are correctly marked. A further weight check every 10 loads is also recommended for safe reloading for there can also be a volume discrepancy between powder batches. Remembering the charge bar and powder bush dispense a volume, should the density of the powder or high antimony lead be used the charge weights can be consequently affected. ALWAYS CHECK YOUR POWDER AND SHOT WEIGHTS WITH GOOD QUALITY SCALES.

Like all MEC shotshell reloading presses, the 9000G relies upon powder bush inserts and shot charge bars, of varying weights, to achieve the desired load.

The MEC 9000G is a progressive shotshell reloading press that utilises a gas strut to automatically advance shells through their various stages of completion.

A variety of finished shells of different plastic colour and construction - all with well formed, finished crimps.

The 9000G is certainly the "top-of-the-range" press before the ultimate "HydraMec". A gas charged strut, (similar to those on car bonnet lifters), has been utilised for the advancing of the press stage. Once the press lever has completed its stroke the automatic indexing assembly takes over and advances the stage ready for the next process. I was a little skeptical initially believing access to damaged shells

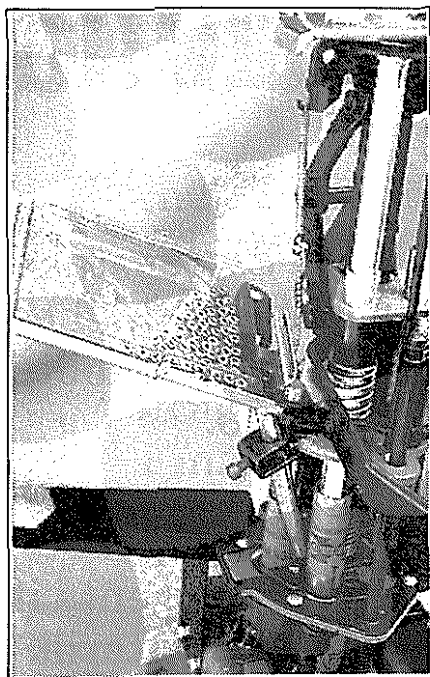

Energy from a gas strut is utilised to advance the "stage" of the press as each shell moves from station to station.

After a good read of the instruction booklet, (this is highly recommended regardless of your previous experience), the press was mounted on a bench and further assembled until ready to go. The mounting of the base was simple and merely required the drilling of four

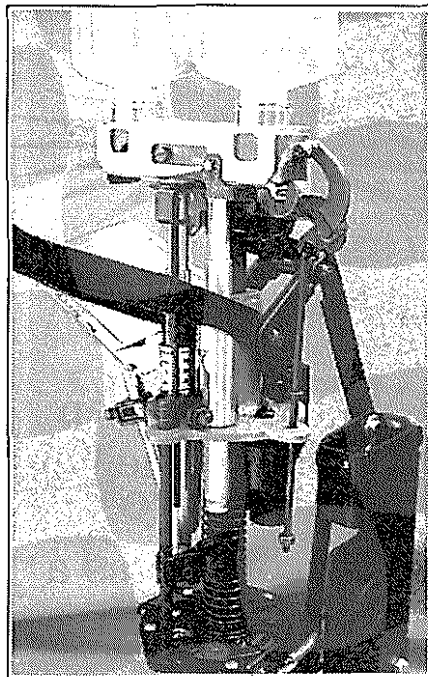

After selecting a load from Winchester's reloading manual, (such reloading manuals are provided free-of-charge), the correct powder bush and shot charge bar were inserted. A weight check of both powder and shot is necessary before reloading to ensure

might be awkward but once familiar with the press it was as easy to operate as my others. In fact I felt at a loss having been used to advancing the

MEC's auto-priming tool holds around 100 primers comfortably and automatically drops a primer as required.

stage of my other presses for the past 20 years! The addition of a finished shell slide is a further time saver for the finished cartridges can now slide

A pivoting arm, coupled to the main loading lever, operates the charge bar that delivers the pre-determined amount of lead shot and powder. The hoppers can be "topped-up" at any time, as required.

into a container. Previously they were removed by hand.

At the first station where de-priming and re-sizing occurs I was impressed to see the "grabber" re-sizing collet now covers long brass, such as Super X. My "Grabbers" fell short on high brass cases and I had to resize these on my "Sizemaster" press. With the 9000G all processes can be undertaken on the one machine. There have been virtually no further changes to the 9000G at any of the stations other than the replacement and fine tuning of existing equipment. Where necessary metal parts have been replaced by hi-tech plastic components. This avoids rusting, which can occur, especially if you live by the sea or in a humid environment. The MEC 9000G maintains all of the famous MEC features, including; an interchangeable charge bar and bush system, automatic cycling mechanism of the charge bar, wad height and wad pressure indicators, interchangeable Spindex crimp starters, automatic primer feed and a stabilising/indexing shell carrier.

A detailed instruction booklet of 20 pages containing over 55 clear and well composed photographs guides unfamiliar owners through each and every stage of reloading. The great photographs and thorough instruction also cover problem solving should difficulties be experienced. MEC offer a complete range of charge bars for shot charges from 7/8 oz. to 1 1/2 oz. and powder bushes that cover most powders on offer in Australia. The famous blued and red painted enamel MEC presses are designed to provide many years of service. I prefer their spring-operated

mechanism to cam-operated presses for with springs there is some latitude for the system to "give" should an operator be "heavy-handed" or unfamiliar. The gas strut operated system was quite strange at first but once familiar with the additional pressure required on the press handle, the regular noise from the charge bar and tinkle of falling shot ensured all was well. The large hopper supplied with the press is designed for powder whilst the small hopper is used for shot. Reversing the uses of the hoppers is inviting disaster for the large hopper filled with lead can be dislodged by the regular movement of the press - a good reason for mounting the press on a secured surface, such as a bench.

In conclusion, I found the MEC 9000G to be a great reloading tool. Crimps at the final stage, pre-adjusted at the factory, were perfect - far better than I have managed to achieve manually. The new features of auto-advancing and indexing are quite simple in design and excellent timesavers, as is the finished shell ejection ramp. The 9000G press can be converted for steel shot, 12 gauge 3" shells and 20 gauge 3" shells with the purchase of respective accessories. At around \$650 the MEC 9000G is a precision shotshell reloading press incorporating innovative and efficient engineering designs. I found it a pleasure to use.

1998 National

What's it all about?

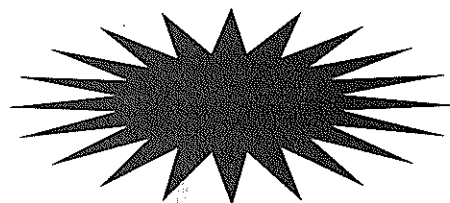

The programme revolves around a National Sweepstakes GRADED pool of money being divided among the highest scoring winners per Grade after a series of 50tgt Pointscore events at any A.C.T.A. affiliated Club.

Which Clubs are eligible?

All Clubs are eligible for an event or a number of events if they so wish. You don't have to apply or meet set criteria. Just programme your 50tgt Pointscore event and away you go. A 25tgt Pointscore Championship can easily be changed into a 50tgt Pointscore Sweepstakes event.

Who can enter?

Any A.C.T.A. registered member.

How does it work?

1. The Club programmes, advertises and conducts a 50tgt Pointscore Sweepstakes event.
2. Competitors choosing to enter the National Sweepstakes pay the \$10 sweepstakes entry fee to the Club Secretary prior to the event.
3. When event concluded, Club Secretary completes a simple form with names, grades and scores of all entrants.
4. Official Entry Form together with cheque covering

Sweepstakes Series

the \$10 per entry posted to the Sweepstakes Administrator.

5. At completion of Round 1 (31st March) graded money pools split between the winners in each of the 4 grade divisions.
6. Finance allocation - 90% returned to pool - 7.5% accumulates in the Mystery Prize Pool and 2.5% administration costs.
7. Mystery Prize Pool - substantial prize offered and will be "drawn from the hat" from the names of all winners throughout the 1998 Sweepstakes Series. This will be worth winning!!!
8. Round 2 - April/May; Round 3 - June/July; Round 4 - August/September; Round 5 - October/November. Mystery prize winner drawn December.

SOUNDS GREAT, DOESN'T IT!!!!

**Compete against shooters all over Australia -
enter as many times as you like!**

WIN CASH PRIZES.

Dale T. Colley Memorial Cup

Roma Clay Target Club held its monthly shoot on September 30. This month's shoot became a special event as the inaugural 100 target Dale T. Colley Memorial Cup was held.

Dale T. Colley was a member of the Roma club and was tragically killed in an aeroplane crash in April 1996.

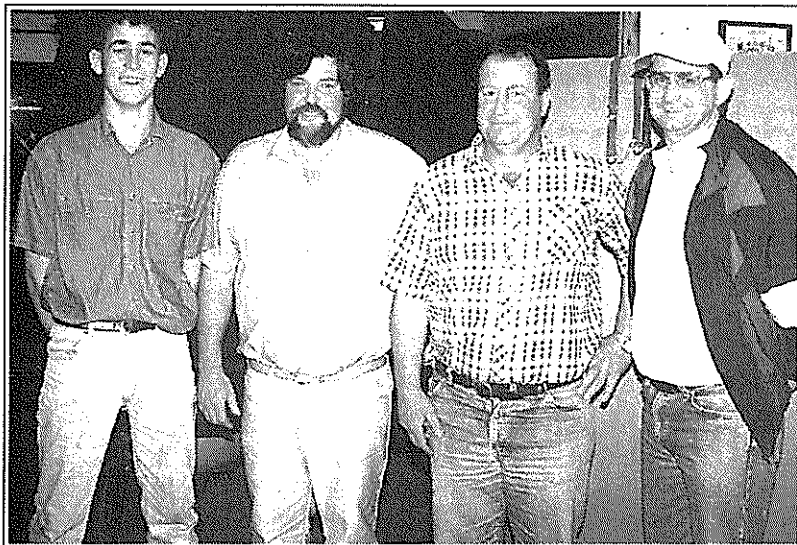

On a warm and sunny day, shooters from Kingaroy, Clermont, Central Burnett, Condamine, Chinchilla, Teelba, Terranora Lakes and Roma arrived to contest the cup.

The afternoon began with a 25 target points cash divide warm up with only one possible being shot. The honours being taken by Club President Robert Nugent.

The second event was the 100 target Dale T. Colley Memorial Cup. Club members and visitors put up a hard fight to have the privilege of being the first to put their name on the club. Four possibles of 100/100 were carded. Then started the shoot-off.

Cliff Reid being presented with the Dale T. Colley Memorial Cup by Brett, Clayton and Seton Colley.

Personal best scores: Angus Anderson 179/180, Cliff Reid 318/318, Jeff Ferrier 317/318, Kevin Jarrick 286/287.

Angus Anderson was the first to fall after missing his 55th target (his personal best of 179/180). Another 100 targets shot and three shooters were still fighting hard. By this time it had started to turn dark and it was decided to take a short break to load white clays and warm up the lights. Back to the layouts and the first to miss was Kevin Jarrick after shooting 261 from 262 and his best break of 286/287. This left only two shooters vying for the cup, Cliff Reid and Jeff Ferrier.

The overall winner was finally decided when Jeff missed his 293rd target, giving him a total of 292/293.

Added to his 25/25 in the first event, his break was 317/318.

Cliff Reid will have the honour of being the first name on the cup with a great score of 293/293. Added to his 25/25 in the points event gives him his best break of 318/318.

Final results in the event were: Overall Cliff Reid 293/293; AA 1st A. Anderson 154/155, 2nd A. Denton 140/141; A grade 1st J. Ferrier 292/293, 2nd K. Jarrick 261/262; B grade 1st G. Linsket 96/100, 2nd L. Schultz 95/101; C grade 1st Brad Cameron 96/100, 2nd R. Jamieson 90/100. Best Junior was Owen Nugent with 95/100.

After the shooting and presentations were completed, a fine roast dinner and sweets was proved for those who stayed on.

1998 NATIONALS

As mentioned in National President, Mr Glenn Woodhatch, presidential notes the dates of next year's Nationals have been amended to:

1998 DTL Nationals — Perth WA

March 26 and 27: pre nationals

March 28 to April 2 — DTL nationals

1998 Skeet Nationals — Perth WA

October 20 and 21 — pre Nationals

October 22 to 25 — Skeet Nationals

Package deals for these events are being arranged and will be advertised in next month's magazine.

Maryborough Tid Bits, Qld

You won't believe this but I am going to tell you just the same. We had arrangements made to go to Bundy on Sunday, but through the week Harry was winding the eight day clock when it didn't click and spun backwards giving Harry's fingers the old one two. So to get rid of the pain he put his fingers under the tap and when he woke up on the floor he had busted his knee which filled with fluid to the size of a football and had to be drained. The motto is, be careful when winding the clock. Lucky a phone call on Saturday from Peter Pags and it was all go again, thanks Peter and have a good holiday.

As Maryborough don't shoot September, welcome to Clinton Osborne who joined Maryborough after the last shoot and had his first ACTA shoot at Bundy. You should be able to get some tips from Grandpop Dick, and when you nominate you stand back and give Grandpop the chance to shout.

On arrival at Bundy I met Jayde, only a couple of weeks old. Jayde is the brand new son of Cherie and Brian Palmer and grandson of Keith. Congratulations Cherie & Brian, and grandad Keith.

BUNDABERG 2 DAY SHOOT AUG 31 & 31.

Kaye sure ordered the correct weather with good conditions and some good scores were shot. In fact I don't remember ever seeing one squad of six all shoot fifty before.

I met up with Bev & Tony Penney from Wangaratta who shot with us last week and then they were off to Kingaroy to shoot there. Hope you enjoyed shooting in the area. Also Jan and Chris McMahon from Westleigh and shoot at Cecil Park Gun Club. Have a nice holiday and all have a safe trip back home. Thanks for coming.

One shooter who won't forget Bundy was Stephen Davison from Sunshine Coast, a C grade shooter shooting the fifty and another fifty to win, and is now B grade, good shooting Stephen. The visitor of the day to take the big one was Quinto Porfiri of the Sunshine Coast who shot off with Neil Berry for Overall High Gun, good shooting Quinto. The whisky and beer raffle donated by Ted

Jessen was won by John Butters and the \$50 raffle won by G. Fett & L. Davison.

Main results saw Stafford Smith take overall in the 50t Alan Powell Ford Points Championship; Neil Berry overall in the 15pr Double Rise Championship; Irwin Wynyard overall in the 25t Winchester Points Championship and S. Davison claim overall in the 50t Bundaberg Toyota Double Barrel Championship.

The Sugar City Handicap saw P. Warren 1st, G. Harriman 2nd and M. Tipman 3rd. The Bundy Rum Teams event was won by Sunshine Coast No.1 consisting of Geoff Fett, Quinto Porfiri, Scott Trafford, Stephen Davison, they all claimed a bottle of rum each.

The High Guns for the shoot were OA Quinto Porfiri; AA grade Neil Berry; A grade Bill Stolberg; B grade K. Vicary; C grade Steve Davison; Ladies Kaye Rehbein; Junior Brad

Petersen and Veterans Keith Palmer.

A good shoot Bundy congratulations. Thanks for the results Kaye.

Cheryl played up Saturday night and had a hang over Sunday, but carried on in the kitchen regardless with her band of helpers. A job well done Cheryl, I am talking about the kitchen, not the hang over.

As my driver was going on holidays the next week, we decided to hit the trail early so he could do some work on his campervan. Before we left we heard some bad news which we put down as a sick joke, but on the road we put the wireless on and heard the news we didn't want to hear. On the last day of August some will remember how well they shot, but the world will remember the day we lost the Queen of Hearts and never to be forgotten.

Bundy next shoot November 2nd - 9.30 Skeet, 1pm Trap.

GYMPIE 14/9:

Wal & The Fox were working in the storeroom shed doing a good job counting the targets and ammo supply on the Saturday before the shoot and along comes a gust of wind and blows the tilter door shut. Worse to come was the slide bolt went into lock position, so Wal and George were locked in the shed. With Joy up in the kitchen she didn't hear the calls for help, but Wal being a crime buster turned his mind to breaking out, so getting his fingers between door and surrounds, he was able to slide the bolt. What a thought having to spend the night with either one and without a stubbie.

Visitors to the shoot G. Harriman, P. Warren, A&T Gardner, A. Daley, A. Thorp, N. Keech, R. Eberchaedt, P. Bannister, D. Vincent, T. Atkins, I. Wynyard, G. Fett, K. Srb, L. Ferris, G. Shorthouse and K. McKee. Norm Keech drew the jackpot with Peter Bannister winning the meat tray, other visitors Harry & myself and we decided to shoot the Deauville Doubles together being selected partners from 18 meters. After the first two events the word was the DD were to be drawn partners with split handicap, so it was a new ball game, and to find out who I drew for a partner. It was a new member having his first shoot with Gympie and first with the ACTA, but has shot a lot of Field & Game, and so I met up with Glen Williams who so far has taken out the C grade Double Barrel & Single Barrel and we arrange which side we shoot and who is to call. We are in No.1 squad and along with Wal Durre & Barry Power we both shoot possibles. After all the squads go through we found No.1 squad was the only pair with clean scores, so Wal & Barry, Glen & myself go out to do battle. After a lengthy shoot off Glen & myself took first giving Glen his third win on his first day. Now down to the Tower and once again Glen shot a perfect score, being 30/30. He shot off with Geoff Fett for Overall, so not a bad start for his first shoot, Glen also took the C grade High Gun. Good shooting Glen.

Other main results were in AA grade where Geoff Fett took the Double Barrel, OA & AA in the Tower while Irwin Wynyard took SB with his new Kemen, but Phillip Warren cleaned up AA High Gun. In A grade Allen Thorp took DB while Colin Campbell cleaned up with the SB, Tower and High Gun. In B grade Tim Gardner SB, Robert Foster Tower and John Pickford DB and HG. New shooter Glen William took DB, SB, DD, Tower and High Gun.

Thanks Gympie for a good weather shoot.

Good shooting to all, 'til next time see you at the shoots.

Bundaberg Gun Club Inc

Bundaberg Gun Club held its Annual Two Day Shooting Carnival on Saturday & Sunday August 31 & 31 in slightly windy weather (a miracle, no rain!).

The shoot was well attended with approximately 45 shooters on Saturday and 54 shooters on Sunday.

In the Alan Powell Ford 50 target Points Championship Stafford Smith from Maryborough took out the Overall with a score of 148/150 points. AA grade was won by Sunshine Coast shooter Quinto Porfori 17/150, Brian Palmer Bundaberg took out A grade with a score of 145/150, Ken Vicary from Central Burnett the B grade with a score of 144/150. C grade was won by Sunshine Coast new shooter Steve Davison with an excellent score of 145/150, Kaye Rehbein the Ladies, Brad Petersen the Juniors and Keith Palmer the Veterans.

In the Wide Bay Capricorn 15pr Double Rise Championship Neil Berry won Overall with a score of 28/30 after a shoot off with Ray Wise from Gladstone club who then took out AA grade. Les Moore won the A grade with a score of 26/30, B grade was won by John Butters from Bundaberg with a score of 21/30 after a shoot off, and Steve Davison won the C grade again with a score of 22/30.

C. McMahan — B Grade 2nd in the Alan Powell Points event

In the Winchester 25 target Double Barrel Championship Irvine Wynyard shot off with Scotty Trafford to take out the Overall with a perfect score of 75/75 point. Scotty won the AA grade, Les Moore the A grade with a score of 73/75, Kaye Rehbein the B grade after a shoot off with Ken Vicary. Kaye shot 71/75 and Steve Davison fared again with C grade scoring 71/75 (Steve won't be in C grade from much longer, much to the delight of the C graders).

The 50 target Bundaberg Toyota Double Barrel event Steve Davison again scored but this time he outlasted all the big guns to take out the Overall. He shot off and had to shoot over 50 targets in the shoot off to win. Ashleigh Scarborough from Gladstone won AA grade with a score of 50/50. Bill Stolberg from Gympie the A grade with a score of 50/50, Ken Vicary B grade 50/50 and one of our local juniors who has only been shooting for a short time took out the C grade. Dwayne Honor shot 45/50. Another junior shooter who has only been shooting for a short time (Bundaberg member) Jarrad Smith won his first trophy in shooting by taking out 2nd in C grade with a score of 44/50, good shooting Jarrad.

Kaye Rehbein the Ladies and 2nd in B grade with a score of 48/50. Brad Petersen the Juniors with a score of 49/50 and Keith Palmer shot 40/50 to take out the Veterans.

The cash event for the shoot, the 25 target Handicap there were five possibles and after a short shoot off local shooter

Phillip Warren was the victor, Graham Harriman who has not shot for probably a year came second, with Mike Tipman third and Dick Osborne fourth.

Shooters Paul Anderson and Kaye Rehbein.

In the Bundaberg Rum Teams Event which is hotly contested for the Sunshine Coast No.1. team won the bottles of Bundaberg Rum with a score of 484/500.

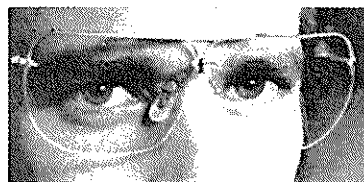

The High Guns for the shoot were won by the following shooters.

The Overall High Gun for the shoot was won by old stalwart Quinto Porfori from Sunshine Coast after a shoot off with Neil Berry. Quinto's score was 338/360. Neil Berry the AA grade with 346/360, Bill Stolberg the A grade with a score of 338/360, B grade to Ken Vicary of Central Burnett with a score of 338/360, Steve Davison the C grade with a score of 338/360, Kaye Rehbein in the Ladies 326/360, Brad Petersen the Juniors 317/360 and Keith Palmer 278/360 Veterans.

I hope all the shooters had a good time and will return next time with a vengeance.

For further information on the club please contact Kaye Rehbein on 513194 or at Rehbeins Guns 35 Targo Street.

Sporting Shooting comes alive in the Pilbara

14 September 1997. A dedicated group of shooters in the remote Pilbara area of Western Australia have organised Sporting Clay shooting in their region. They have been slowly building up an arsenal of equipment and knowledge to make Sporting Clays an important part of their Calendar. The group are members of two Clay Target Clubs that are 450km apart; the shotgun discipline of the Hedland Sporting Shooters and the ACTA affiliated Newman Gun Club.

The result of all their hard work was seen recently at the inaugural Pippingarra Classic. A 100 target event held in a dry creek bed on Pippingarra Station. The creek is approximately 15km north of Port Hedland.

The idea of Sporting Clays in the Pilbara was hatched in 1995. Port Hedland's Discipline Captain (and part time local radio personality) Mr Paul McGowan, has been an avid and hardworking supporter for the project ever since.

On Saturday, Paul was assisted by a regular squad of helpers

Paul McGowan showing his style in the 1997 Pippingarra Classic

and a swag of very friendly itinerant newcomers (nicknamed the Motley Crew), in setting up the layout, finishing just before sunset. We then settled in to camp for the night on a very uneven campsite. I am told it was prepared by an ex Shire Grade Operator. However a friendly bbq, good company and a few cold beers helped alleviate the lumpy sleeping surface.

Sunday arrived. With an expected temperature in the low 30s and the humidity already rising, it looked like being a tough day for the 20 shooters. The creek bed environment was utilised well in the setting of the targets. They were all close to mid range and were 'hittable' with skeet chokes. The difficulty however was increased by utilising the background to create deceptive flight paths, especially the hard to hit quartering rocket. We discovered later someone had mixed these targets and we actually shot some flying rabbits.

At 1pm the final squad finished their last round and the seal was at long last broken off the esky. Everyone helped to dismantle the layout, including two landcruiser drivers who spent thirty minutes getting stuck and unstuck from the soft

In action is Christopher John of Newman first place junior sand in the creek bed, very entertaining for the spectators. The layout was packed up before moving back to the club grounds for the presentation.

The winners for the 1997 Pippingarra Classic were Overall & 1st A grade Paul McGowan, Hedland 92/100, 2nd Richard Ayton, Newman 88/100; B grade 1st Corbin Ellis, Hedland 73/100, 2nd Dan Orr, Hedland 71/100; C grade 1st Gary Ellis, Hedland 65/100, 2nd Jason Gurr, Hedland 64/100; D grade 1st Danny Thurlow, Hedland 54/100, 2nd Tim Murray, Hedland 53/100; Ladies 1st Judy Cook, Newman 53/100, 2nd Deanna Orr, Hedland 49/100; Juniors 1st Christopher John, Newman 68/100, 2nd Tim Fry, Hedland 44/100.

The sponsors for the 1997 Pippingarra Classic were: Enzed Hedland; Simsmetal Hedland; O&W Machinery; The Last Chance Tavern; A&R Services WA; P&L McGowan; Hedland Guns and Knives; B&D Automotive; Progressive Earthmoving.

The Hedland Sporting Shooters would like to thank Cargill Salt for supplying the use of the road grader.

Terry Donpon of Enzed Hedland and daughter Taylor (holding one end of the flag) and Botha of Simsmetal (kneeling far right) with the prizewinners.

Overall the first Pippingarra Classic was a successful Sporting Clays event that will become a part of Hedland's annual calendar. Both Newman and Hedland clubs, although affiliated with different National Bodies, have worked together to promote this growing sport in their area. The hard work put in by these dedicated people can only benefit all shotgun shooters and both clubs would like to see Sporting Clays spread to other towns in their region.

So if you would like to get involved in this sport in the Pilbara region, contact; Paul McGowan Discipline Captain of the Hedland Sporting Shooters on 08 91732204 or Richard Ayton, Sporting Co-ordinator at Newman on 08 91778826.

— Vale —

Eric Commons

It was with great sadness that members of the Bute Gun Club learned of the passing of Eric Commons on 30 August 1997 in the Wallaroo hospital. He was 79 years of age and is survived by his wife Daphne.

Well known throughout all South Australian gun clubs, the "gentleman from Bute" was always willing to lend a hand to all other competitors, particularly those with mechanical gun problems. He knew the workings of a Browning backwards, and in latter years became famous for the many and varied configurations he was able to work both his stock and forend into.

Another lasting recollection is of him climbing the light tower at the annual Birthday shoot to adjust the bank of car lights, many of which burned out as the night went on, it paid to be in an early squad! His arrows on score cards, indicating where you had missed, will also be a fond memory.

Until this year he had been President of the club, a position he had held for the past 31 years. He was also the club's representative to SACTA on May and various committees. Until recently, he competed every weekend possible, mostly travelling to Adelaide. A few cars were worn out in the process (none will forget the white Valiant, the yellow Centura or the green Sigma).

Shortly before his death, the club granted both Eric and Daphne Life Membership as a small recognition of their selfless service over a very long period of time.

Eric will also be missed by members of the Wallaroo Rifle Club, of which he was also a Life Member and Patron. He was also heavily involved in the Masonic Lodge over the years, holding many positions and travelling regularly to meetings all over the mid north and Yorke Peninsula areas of South Australia.

Ever the sportsman, his contribution to the sport of clay target shooting will remain a long time in our memories.

Bill Moritz

Kambalda Gun Club Inc remembers

Clinton Vodden

The Kambalda Clay Target Club held a memorial service at its club grounds on Sunday 21st September 1997 for one of its members. Clinton Vodden aged 26 was accidentally killed on the 4th of September 1997 from a mine cave in at Victor/Long Nickel Mine complex at Kambalda.

Clinton came to Kambalda with his parents in May 1976 when he was five years old and started shooting clay targets at ten years of age. He represented the Junior State Team in 1986.

The Club President Arthur Ward lowered the Australian flag to half mast and a minutes silence was then observed.

Arthur Ward, President KGC Inc.

Editor's Mailbox

The Western Australian Clay Target Association wishes to advise all ACTA shooters, that it was due to the pressure put on this Association from the Skeet shooters on the Eastern Seaboard, that we have been forced to reluctantly change our Date of the Skeet Nationals (A sad day for common sense).

This has been a hard decision for us, and no doubt it will disappoint many shooters who have voiced their approval of the proposed Combined Nationals.

This would have allowed them to visit Perth, shoot both the Nationals, and thus save money and valued Holiday Time. For those we have disappointed, we do apologise, but it was taken out of our hands. Western Australia was looking forward to a combined Nationals.

We wish to invite all those skeet shooters, who wrote to the Executive, to fully support their letters of protest, and be here in Perth, Western Australia in October 1998, to help make the Skeet Nationals a success, as we are sure it would have been had the Nationals been left Combined with the Trap.

Elaine Forward (Mrs)
WACTA State President

Taiwan S.E.A.S.A. Championships

Australia received an invitation to compete in the South East Asian Shooting Association Competition in Taipei from August 23rd to 28th. Five shooters attended, Ann Maree Roberts and Deserie Wakefield - Ladies Double Trap; Clive Barton and Craig Meuleman - Skeet; Ben Kelley - Trap.

All of the shooters are using this as preparation for the World Cup Final in Italy in September, where for the first time we have shooters in every discipline.

Day 1: Arrival into Taipei provided the usual formalities at Customs including retention of Ann Maree and Deserie's guns as the serial numbers on the import form did not match the guns. World was that the guns would not be allowed to enter Taiwan. We removed the stocks and left the guns in Customs and as a worst case would look for a loan of an ASE Gold and attach the stocks.

Day 2: Double Trap Training Day. This is very difficult without guns so I spent most of the day at Customs with the Taiwanese Liaison people trying to get the guns out. Eventually we received the guns at around 2.15pm (being Saturday the Customs finish work at 12.30pm so we had to convince them to assist with the clearance before they left. Not too easy as their boss would not pay them overtime). Now back to the range for training, arrive at 2.40pm with training finished at 3.00pm for the Opening Ceremony. Not a productive day but the weather is good, hot and humid after a typhoon which finished just four days earlier.

Day 3: Double Trap 3 Mens squads and 2 Ladies. At the completion of the 120 targets for the ladies Ann Maree and Deserie were in equal first place on 97/120 with another lady from Indonesia. The next set back came with us not being permitted to enter the final. Australia is not a member of the S.E.A.S.A. and was invited only as a guest.

Following the completion of the days competition Ann Maree and Deserie departed for Australia.

Day 4: Trap and Skeet Training. All went to plan for a change with no incidents except the threat of typhoon "Amber" which is expected to arrive on the second day of the Trap and Skeet competition. Typhoon "Winnie" caused considerable damage and many deaths around Taipei four to five days before our arrival.

Day 5: Trap and Skeet first 75 targets. Targets were difficult on both ranges with the wind from Typhoon

'Amber' and trap problems, the jury instructed the shooters they had to shoot whatever came out regardless of whether it was legal or not.

On the skeet field Clive and Craig both had problems with the irregular targets but managed to finish the day in 2nd and 7th places.

Over at the trap Ben Kelley was in first place after some suicides on the trap range. No 25's were shot on either the trap or skeet range and with the typhoon due to hit on day two, or possibly the next day if our luck holds out, the prospect of a clean round looks unlikely.

Day 6: Skeet scores did not improve and before the final Craig was in 3rd place and Clive 7th.

Ben didn't fare too well with the wind but still managed to finish the competition in 2nd place.

The Taiwanese enjoy a Dinner Party as the group found out after the competition and our plane was due just hours before the typhoon was due to reach Taipei, it had already hit the southern part of the island. This suited me as I can do without first hand knowledge of a typhoon.

I wish the Team for the World Cup Final in Italy the best of luck and trust their Taiwanese experience will be of benefit to them.

J.F. Maxwell
Team Manager

Postscript - Congratulations to John and his Team who competed at the South East Asian Shooting Championships, Taipei.

As funding for this trip was at a minimum and there was no funding for a Coach or Team Manager, and as John was competing in both Trap and Double Trap, with his vast knowledge of competing in overseas Teams, he kindly agreed to take care of the Team at the request of the Shooting Committee. This role of Team Manager he fulfilled as we knew he would.

Upon return from this trip on sending in the above report John failed to record his own achievements, that of leading the Trap competition at the end of the first 125 targets (Australia not being eligible to shoot in the finals). He also ran third overall in the Double Trap competition. A great job John, many thanks.

Graham Michell, Chairman, Shooting Committee.

DARWIN CLAY TARGET CLUB

Annual Shoot July 24th - 27th

From the enquiries we were receiving in the month before the shoot, we were quietly confident that the shoot would be well attended. And so it turned out. Every state was represented, and all was in readiness for four days of terrific competition.

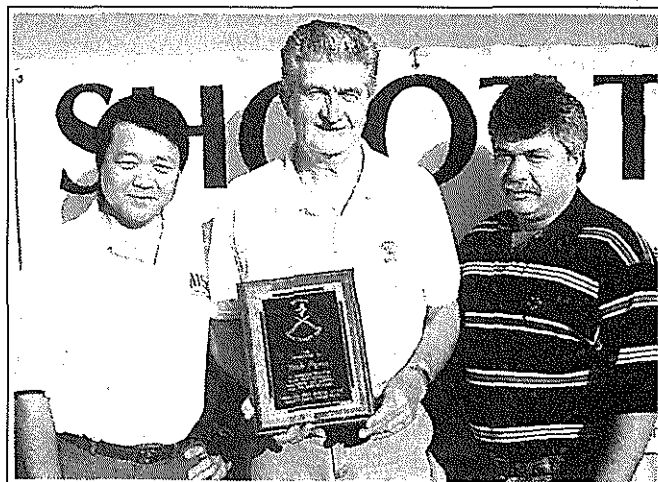

Miroku Challenge winner Brett Dunstan with Fuller Firearms rep Mike Thornton

The first event on the Thursday was a 75t Trench event that saw B grader Peter Hendy take overall honours from some more fancied names.

Faulty Towers 75 Trench: OA & B: P. Hendy 92/100, 2nd S. Forsyth 66/75; A: D. Barnes 68/75, 2nd A. Turner 67/75; C: S. Chambers 64/75, 2nd B. Harker 63/75.

The next event was the Winchester State Night Double Barrel Championship. After a tremendous shoot off that went to points after 100 targets due to an 11pm curfew, Brett Dunstan finally triumphed over Arthur Turner.

Greg Chan, Dick Ayres and Victor Ferteklis with presentation of the plaque.

Winchester State Night DB
Championship: OA & AA: B. Dunstan 150/150 + 6/6points, 2nd A. Turner 150/150 + 5/6points; A: M. Chan 49/50, 2nd L. Jong 48/50; B: L. Sawyer 46/50, 2nd T. Harker 58/64; C: M. Fawcett 48/50, 2nd D. Perri 43/50.

Friday saw the beginning of the High Gun events and first up was the traditional \$300 eye opener. After a great shoot off the result was Victor Ferteklis 114/114 winning Overall in the I.C.

Technologies Pointscore.

Next was the 60

Sam Forsyth — Overall High Gun Winner

1998 NIKE World Masters Games 17th-22nd August 1998

Portland, Oregon, U.S.A.

The A.C.T.A. National Office has entry forms for this event. For those interested, please contact this office and we will forward a copy to you.

Events include:

Mens/Ladies N.S.C.A. Clays
12th-14th August;

Mens/Ladies International Skeet
9th-11th August;

Mens/Ladies Olympic Trap
19th-21st August;

Mens/Ladies Olympic Double Trap
17th-18th August.

All entries are to be sent directly to the 1998 NIKE World Masters Games, 55 SW Yamhill, Portland Oregon 97204-3312, U.S.A.

Closing date is 31st March, 1998.

target mixed event shot off 16m. Again a shoot off was needed to find the winner.

Computer Sales & Leasing Mixed Targets: OA & AA: S. Atkins 122/125, 2nd D. Barnes 120/125; A: M. Watson 120/125, 2nd G. Darr 118/125; B: E. Hudson 93/100, 2nd T. Harker 91/100; C: D. Perri 93/100, 2nd G. Vasanellis 91/100; Veteran: A. Sydenham 95/100; Jnr: O. Zammitt 97/100; Ladies: C. Pollitt 83/100.

The final event of the day was the Double Rise event.

Aboriginal Fine Art 20pr Double Rise: OA & A: J. Marshall 37/40, 2nd M. Watson 34/50; AA: P. Forner 76/90, 2nd B. Evans 73/90; B: R. Spinella 31/40, 2nd N. Ferteklis 27/40; C:

G. Vasanellis 35/50, 2nd D. Perri 34/50; Veteran: A. Sydenham 26/40; Ladies: E. Hudson 25/40; Jnr: O. Zammitt 31/40.

Day three began with the Berrimah Second Hand Supplies 10t Single Barrel where Sam Forsyth with 26/26 was the Overall winner.

Next was the AMP Point Score event won with a fine possible by Arthur Turner.

Phil Grove AMP 30t

Mary Fawcett — *G strings go under your clothes don't they?*

Point Score: OA & AA: A. Turner 90/90, 2nd G. Chan 95/96; A: E. Toomey 89/100, 2nd C. Despotis 88/90; B: E. McClelland 94/99, 2nd R. Spinella 93/99; C: B. Allen 85/90, 2nd M. Thornton 83/90; Veteran: A. Sydenham 87/90; Ladies: C. Pollitt 82/90; Junior: O. Zammitt 84/90.

The final event on Saturday was the Mikes Excavation 50t Double Barrel with OA & AA: A. Turner 192/192, 2nd B. Dunstan 191/192; A: G. Darr 62/62, 2nd H. Higgins 61/62; B: T. Harker 49/50, 2nd J. Baccetti 56/59; C: H. O'Connor 46/50, 2nd B. Allen 45/50; Veteran: A. Sydenham 46/50; Ladies: E. Hudson 45/50; Junior: O. Zammitt 48/50.

A fantastic shoot off between Brett and Arthur with Arthur reversing the result of the State Championship.

Saturday night produced one of the highlights of the shoot, the Calcutta dinner. Dexter Barnes had done a great job selling Calcutta tickets during the day, so much so that the Calcutta pool stood at \$3500, before any shooters had been auctioned. Vicki Ferteklis and Janet Mott, our two hard working canteen ladies put on a terrific dinner, shooters were drawn whilst dinner was being served, and all was in readiness for what we thought could be a record Calcutta.

Our two auctioneers Ted & John who have been doing this job for about ten years, were in great form and the crowd was very receptive. When the dust had settled and the final shooter auctioned, the Calcutta was worth \$9600, a new record. The interest in the Calcutta event was certainly going to put pressure on all shooters.

During the evening a special presentation was made to Dick Ayres, the SA/NT Winchester Manager for his support of the Darwin Club over the 21 years he has been coming to Darwin. This is the first Presentation of its kind by the club and Dick was very honoured to receive the Award, for one of the few times anyone can remember, Dick was speechless.

Sunday and Calcutta Day. Just Formals 10t Handicap started off the day with L. Jong winning Overall with 41/41.

The second event was the Miroku Challenge which carried a Miroku U/O Shotgun as the first prize, kindly sponsored by Fuller Firearms who were represented by Qld/NT/WA Manager Mike Thornton. After a short shoot off Brett Dunstan emerged the winner.

Miroku Challenge 30t Handicap: 1st B. Dunstan 34/34, 2nd K. Selwood 33/34, 3rd R. Ayres 32/33, Veteran K. Cain 28/30, Ladies M. Fawcett 28/30, Junior O. Zammitt 34/35.

The final event for the weekend was the Qantas Calcutta, with an airfare for each grade and \$9600 pool, things were hotting up.

Qantas Calcutta 50t Double Barrel Graded Meterage: OA & A: Mick Watson 92/92, 2nd D. Zammitt 59/60; AA: A. Turner 67/67, 2nd S. Atkins 62/62; B: C. Pollitt 49/52, 2nd J. Baccetti 48/52; C: M. Fawcett 47/50, 2nd G. Vasanellis 46/50; Veteran: H. O'Connor 45/50; Ladies: E. Hudson 46/50; Jnr: O. Zammitt 47/50.

Six shooters shot the possible, returning their buyers \$1600 each, but the moment belonged to Mick Watson who outlasted the other five.

The Overall High Gun was won by Sam Forsyth, who shot very consistently and apart from a 10 target eye opener, never won an event, but still took the High Gun.

Fishing & Outdoor World High Guns: Overall High Gun S. Forsyth 397/410; Veteran R. Spinella 357/410; Ladies T. Harker 359/410; Junior C. Despotis 371/410.

Overall, a great shoot. The club would like to thank all of the sponsors and the shooters who travelled from near and far to make this one of our best ever Annual Shoots. Write the date into your diary for next year, the last weekend in July 1998, Darwin will be the place to be.....

HOW TO SHOOT BETTER SCORES AT TRAP AND SKEET SHOOTING

Two 90-minute videos on Trap and Skeet Shooting will show you how

- * Each 90-minute video will show you in detail what you need to know and do in order to shoot better scores.
- * A 25-minute discussion with the aid of descriptive charts will show you and explain the important finer details and why it is most important to have your gun properly fitted. It will show you how to check for correct gun fit.
- * The videos will show you where and how to hold on the trap house and how to focus for target release. Remember it's not the end of the world if you must close one eye - I'll explain this to you in the video.
- * Remember one thing - if your gun does not fit you correctly and you don't mount and point it correctly, you'll never become a good shot.
- * Video tapes \$30 each plus \$4 postage. Please send money order or cheque, available direct from:

**George Biggs,
4 Hugh Street,
Knoxfield, Vic., 3180
Phone: (03) 9801 2748**

Also available from the A.C.T.A. National Office, phone (03) 9807 7577

** Written and produced by George Biggs in the interest of the Australian clay target shooter; in the interest of better clay target shooting.*

CLASSIFIEDS

Rates and Conditions

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates are as follows:

\$10.00 — 0-60 words

\$20.00 — 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written. Payment must accompany advertisement.

NSW Members and Dealers

The NSW Firearms Regulations 1990, (90.(1)) states the holder of a

licence authorising the possession of a firearm is guilty of an offence if the number of the licence is not state or displayed in each advertisement relating to firearms or firearms parts that is authorised or displayed by the holder.

Eton-Mackay 14-9-97

Fine & very windy (20) - 20T EO: R. Dunn, A. Love, S. Cunial, I. Lochran 20/20, C. Eldridge, D. Coxwell 19/20. 25T PTS: AA/A: D. Coxwell 72/75; B: I. Lochran 68/75; C: R. Woodhouse 71/75. 25T HCP: I. Michealmore 25/25, G. Fawcett, R. Woodhouse 24/25. 25T CONT: AA/A: R. Dunn 25/25; B: S. Cunial 24/25; C: S. Cousen 22/25. The Club held their September shoot in very windy conditions on a Sunday. Most members found the targets hard to break. Some good results were seen on the day, and congratulations to those who shot possibles in the different events throughout the day. Two new members attended for the first time and showed they will no trouble with their new sport. It was also good to see Ernie Sealy back at the traps after a short break due to illness "Well shot Ernie".

**SUPPORTERS OF CLAY TARGET SHOOTING
THROUGHOUT AUSTRALIA**

Join the Winning Team, Go For Gold!

Pure gold winning performance is what you'll come to expect from the new **682 Gold** Beretta trap, skeet and sporting guns.

This new wider range features slimmer low profile actions matched to metallurgically advanced, faster swinging barrels tuned to today's lighter shot charges.

All Beretta **682 Gold** Under & Overs are supplied in a high quality, fitted Italian gun case and sporter models come complete with 5 Mobilchoke® tubes.

Also available wherever quality guns are sold- Beretta ASE Gold (trigger lock), S05 (side lock) & 686 - 687 (box lock) Competition guns.
