Weatherby®

Athenia® Orion® Shotguns

Available in 3 stock styles:
(L to R) "Field", "Classic Field"
and "English Field"

From the elegant look of our Athena® series to the proven performance of the Orion®, you'll see why we confidently proclaim that no one offers you better value for your money - better wood, better balance and custom-fit internal parts - to deliver better performance in the field.

■ **Modified Greener cross bolt action** - one of the strongest and most reliable made. The cross bolt lockup actually "shoots in" with use to retain its rigidity and tight fit. Shallower in depth and thinner in profile, our 12 gauge receivers are proportionate to most other 20 gauge guns, generating that sought-after "between the hands" balance for quicker pointing and target acquisition.

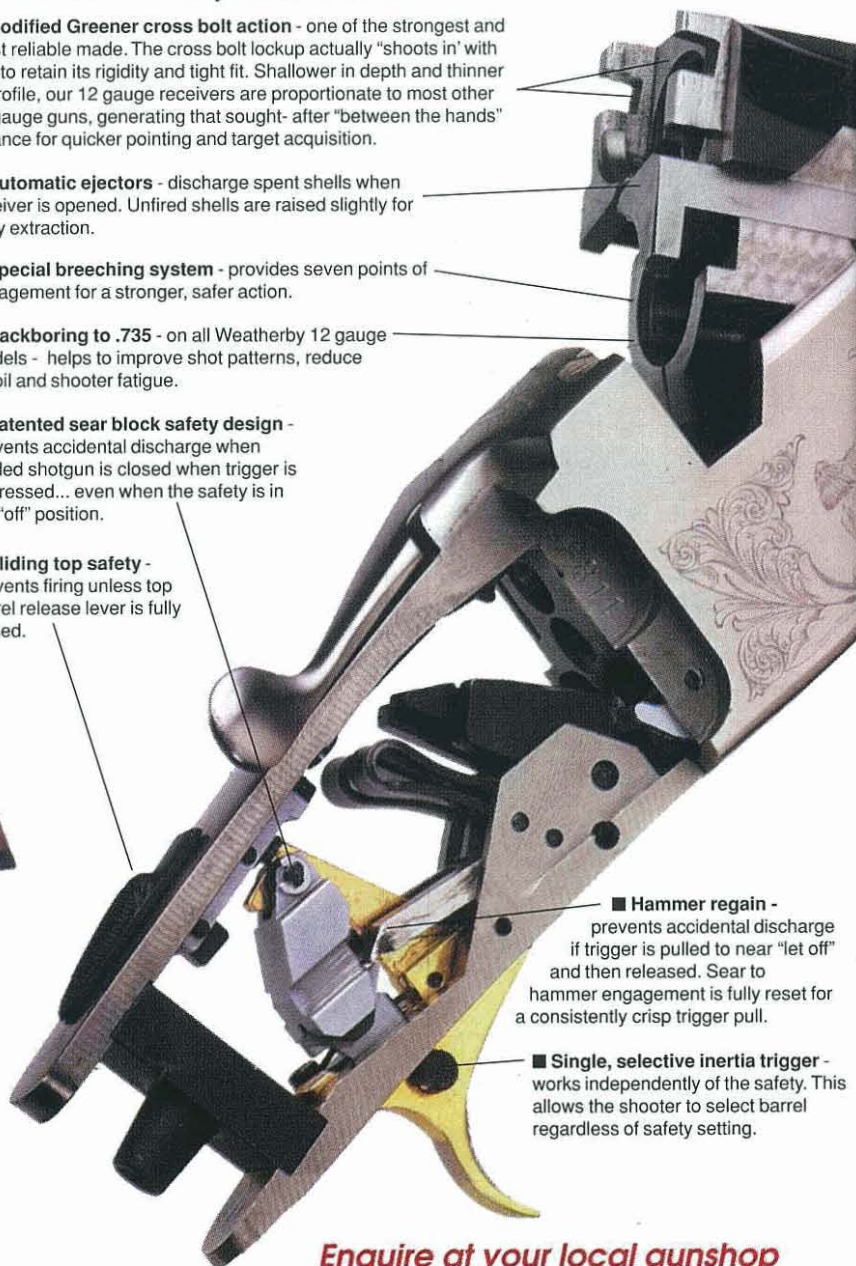

■ **Automatic ejectors** - discharge spent shells when receiver is opened. Unfired shells are raised slightly for easy extraction.

■ **Special breeching system** - provides seven points of engagement for a stronger, safer action.

■ **Backboring to .735** - on all Weatherby 12 gauge models - helps to improve shot patterns, reduce recoil and shooter fatigue.

■ **Patented sear block safety design** - prevents accidental discharge when loaded shotgun is closed when trigger is depressed... even when the safety is in the "off" position.

■ **Sliding top safety** - prevents firing unless top barrel release lever is fully closed.

■ **Hammer regain** - prevents accidental discharge if trigger is pulled to near "let off" and then released. Sear to hammer engagement is fully reset for a consistently crisp trigger pull.

■ **Single, selective inertia trigger** - works independently of the safety. This allows the shooter to select barrel regardless of safety setting.

National President's Notes

Glenn G. Woodhatch

IF IT WAS NOT SO SERIOUS—IT WOULD BE FUNNY.

Eton-Mackay Gun Club is relocating and they are negotiating with the Mackay City Council in the move. I thank their Secretary, Arthur Brookes for supplying me with the following information.

The Council advised the club of some objections which were received for the following reasons:

- (1) Clay Target Shooting does not fall within the definition of "Sport and Recreation" as Council could not "form the opinion that it is a use which is not likely to cause nuisance or annoyance to persons or adversely affect property not associated with the activity" for reasons set out elsewhere in the objection.
- (2) A combination of noise, discharges, smoke, projectiles, the behaviour of gun club patrons to and from the site plus increased traffic from the proposal will constantly disrupt the locality and reduce the amenity of the locality.
- (3) The fumes of gun, oil and powder discharges will carry onto surrounding lands.
- (4) Projectiles will have a detrimental affect on people's health.
- (5) Slow farming traffic will not mix well with gun club traffic.
- (6) Discharging firearms can create a fire hazard. If appropriate safety provisions are not observed there is a likelihood of the entire surrounding area catching alight and burning.
- (7) The discharging of firearms and projectiles may create radar, electrical or radio interference.
- (8) The proposal will create a risk to site contamination. The emissions of noxious fumes, burning powder and gases are identified as substances which are likely to cause a deleterious effect on the environment.

Arthur further informs me he was able to satisfy all their concerns. I wonder if the objector who expressed the above concerns was the one and same who thought "Nitrate" was cheaper than day rate.

CONGRATULATIONS MICHAEL.

Michael DIAMOND is undoubtedly one of the best shotgunners in the World. In the Cairo World Cup during March Michael won the Double Trap Gold in very trying conditions. His effort also contributed to Australia winning the Vella Gold in this event. The other team members were Adam Vella and Brett Hall. Deserie Wakefield-Baynes won a bronze medal in the Trap event. Congratulations all.

INFORMATION PLEASE.

I was recently asked when the ACTA began producing the National Trap Commemorative badge. This is the small shield shaped badge sold at our Trap Nationals. I checked my own collection and the earliest one that I have is 1979. Can anyone verify the year we started producing these badges?

WAGGA WAGGA.

The rumours circulating concerning our move to Wagga Wagga are many and varied. At the time of writing this we are awaiting Wagga Wagga City Council's survey of the site for our National Office. On receipt of the approval from the Council, stage one of our relocation will be the construction of the new National Office. The new office will include a number of

facilities, including a board room and hopefully, a Hall of Fame. The cost of the new building will not be funded from the Legislation Fund as a number would have us believe. The grounds of the Wagga Gun Club are such, that should they be required to conduct a National Championship, it can be done without any modification or expense. The concept of a National Ground itself will be developed over a number of years.

I have stated on a number of occasions that no State will be inconvenienced or financially worse off. West Australia will continue to receive Nationals in rotation.

NATIONAL OFFICE

Congratulations to Leanne Day who on Sunday March 22 1998 married Gerard Harrington. On behalf of all association members we wish Leanne and Gerard a healthy and happy marriage.

As from April 8 Manon Breithecker will be taking maternity leave with the birth of her first child imminent. We hope you have a safe and healthy birth Manon, and that you and Gary will enjoy all that goes with being a parent.

SURVEY OF MEMBERS

As mentioned in last month's magazine a survey of members is being conducted to ascertain a demographic profile of members of our association. It is important that as many members as possible complete the survey and return it to the national office by Wednesday, May 20.

I ask that you complete the survey form today and return it so that our association can use this information to gain sponsorship to the benefit of all members.

IT COULD ONLY HAPPEN IN...

The following comes from the Arkansas Democrat Gazette dated July 25, 1997. I am reproducing it directly as it is in the paper.

TWO LOCAL MEN INJURED IN FREAK TRUCK ACCIDENT.

Two local men were seriously injured when their pick up truck left the road and struck a tree near Cotton Patch on State Highway 38 early Monday morning. Woodruff County Deputy Dovey SNYDER reported the accident shortly after midnight Monday. Thurston POOLE, 33, of Des Arc and Billy Ray WALLIS, 38, of Little Rock are listed in a serious condition at Baptist Medical Centre. The accident occurred as the two men were returning to Des Arc after a frog gigging trip. On an overcast Sunday night, Poole's pick up truck's headlights malfunctioned. The two men concluded that the headlight fuse on the older model truck had burned out. As a replacement fuse was not available, Wallis noticed that the .22 calibre bullet from his pistol fitted perfectly into the fuse box next to the steering wheel column. Upon inserting the bullet, the headlights again began to operate properly and the two men proceeded on east bound toward the White River bridge.

After travelling approximately twenty miles and just before crossing the river, the bullet apparently overheated, discharged and struck Poole in the right testicle. The vehicle swerved sharply to the right exiting the pavement and striking a tree.

Poole suffered only minor cuts and abrasions from the accident, but will require surgery to repair the other wound. Wallis sustained a broken clavicle and was treated and released.

"Thank God we weren't on that bridge when Thurston shot his nuts off or we might both be dead" stated Wallis.

"I've been a trooper for ten years in this part of the world, but this is a first for me. I can't believe that those two would admit how this accident happened," said Snyder.

Upon being notified of the wreck, Lavinia, Poole's wife asked how many frogs the boys had caught and did anyone get them from the truck.

24th Annual Marconi/Winchester 100

Sixty-six shooters lined up at the barrier for this year's event, with 12 shooters registering possibles after the first round.

By the end of the second round, four shooters were on 50/50 (P. Farrugia, G. Rootes, T. Arvanitakis, T. Psarakis) with six others on 49/50.

After the dust cleared at the end of the third round, T. Arvanitakis and P. Farrugia were still going well on 75/75, with four other shooters lurking on 74/75.

T. Arvanitakis held his composure and concentration to finish with the only possible 100/100 to take out this year's event and have his name recorded on the Winchester Perpetual Trophy.

G. Rootes, G. Kable, P. Farrugia and J. Chrysostomou finished on 99/100.

One of the highlights of this year's event was the performance of a junior girl shooter who has only been shooting for a few months.

Miss Sophie Psarakis scored 92/100 to win 2nd in C Grade and both the Junior and Ladies Sashes.

The Marconi 500 Teams event was keenly contested, with three teams in contention at the half-way mark with the Sydney CTC team out in front with 2nd Marconi 238 and Orange on 236. By the end of Round 3 Sydney was still in front on 360, with Orange 359 passing Marconi on 357.

Orange kept their run from behind with a brilliant surge to the finish line with a total score of 483/500, with Sydney runner-up on 479 and Marconi trailing badly to finish on 474.

Our thanks to all visitors for attending and to Winchester for their support this year and also the preceding 23 years.

We wish also to thank Amthed Packaging West P/L for sponsoring the Grade, Junior, Ladies and Veteran sashes.

Above: Left to right: S. Caltabianco, G. Kable, L. Trew, A. Zimmopoulos (A. Del Ben absent). Representing Orange Gun Club with a score of 483/500 were the winning team and hold the Marconi 500 cup for 12 months.

Left: Sophie Psarakis 92/100, 2nd in C grade and winning both the junior and ladies sashes.

Southern Yorke Peninsula Gun Club

On Saturday the 21st March the Southern Yorke Peninsula Gun Club held their Birthday Shoot. In very hot conditions 28 shooters turned out to shoot. Clubs represented were from Bute, Broken Hill, Whyalla, Ungarra, Lower North, Mallala and South Australian Gun Club.

The first event was a 25tgt Skeet A,B,C 1st & 2nd. Trophies were donated by the Warooka Hotel. A Grade 1st James Zammitt 20/25, B Grade 1st Wayne Channing 34/35 after a shoot-off with Kym Firth 33/35. C Grade Warren Murdock after a shoot-off with Joe Colaruotolo 27/31.

The shooters then headed for the scrub for a simulated field shoot. The trophies for this were donated by Vic and Joan Fishers. 1st Kym Firth 17/20, 2nd Warren Murdock 16/20, 3rd Peter Quire 16/20. Second and third were decided after both Warren and Peter tossed a coin as they decided it was too hot to go back for a shoot-off.

Next event was a 10tgt Pointscore EO to be shot to completion, the winner receiving half a case of shells donated by Peter Quire (our patron). We expected this to be a real fight, but only Joe Colaruotolo from Whyalla shot the possible. Well done Joe.

The 50tgt Double Barrel and team shoot was next. Trophies for this event were donated by Murdock Transport from Warooka. Overall and C Grade 1st Daniel Johns 49/50, 2nd Joe Colaruotolo 45/50, A Grade 1st John Byrnes 48/50, 2nd Wayne Channing 50/53 after a shoot-off with Kym Firth 49/53, B Grade 1st Allen Pearson 49/54 after a shoot-off with Bob Thompson 48/54. Winning team was Broken Hill - see you next year boys to defend your trophy.

The next event, the 25tgt Handicap, with trophies donated by the

S.Y.P. Gun Club. 1st Joe Colaruotolo 25/25, 2nd Daniel Johns 24/25, 3rd Allen Pearson 42/44 after a hard-fought shoot-off with Gary Sims 41/44.

After a tasty tea of cold meat and salad, with fruit salad and ice cream to follow, everyone relaxed until it was dark enough for the night shoot, which was a 25tgt Double Barrel, with trophies donated by Rene and Bob Thompson. A Grade 1st Bill Moritz 28/30 after yet another shoot-off, 2nd Peter Quire 27/30, B Grade 1st Bob Thompson 17/25, 2nd Wally Bowman 15/25, C Grade 1st Joe Colaruotolo 23/25, 2nd Daniel Johns 23/25.

Overall High Gun donated by Harris Stores Yorketown was won by Kym Firth 159/175.

After the completion of the last event, Daniel Johns had his percentages worked out and he now goes straight to A Grade, and congratulations for winning your first sash - we don't think it will be your last either.

The Club wishes to thank all who helped in any way - trapping, scoring, refereeing, etc.

I personally would like to thank Audry Edwards, Dos Phillips, Joan Fishers and my granddaughter Kerri for all their help in the canteen, Bob Edwards for cooking the BBQ lunch which was very hot work. Thanks go to my daughter Dianne for so ably taking over the office for me. A special big thank you to the Arbon Brothers for the meat donation. Lastly thanks again to the trophy donors - without them Clubs couldn't keep going.

I hope I haven't missed thanking anyone. Extra big thanks to all of the shooters who travelled so far in the heat to be there on the day. We hope to see you all again next year.

Rene.

Aussie assault on Kiwi Nationals

Some 20 Australian shooters travelled to Christchurch to attend the 1998 New Zealand Nationals, including our

Bill Iles is obviously delighted with his single barrel win. Presenting it is the New Zealand President Alan Mabey.

Glenn Cup Team. The team consisted of Bryan Rafferty, Bill Iles, Ian Merrick, Arthur Turner and Bob Rose. Arriving in Christchurch, most team members who had travelled to the Land of the Long White Cloud previously could not believe how dry the country was and that they were experiencing water restrictions for the first time. On arriving at our motel at 1.00am on the 6th, we found we were indeed booked in on the 6th, but really should have been booked in on the 5th. However, this was of minimum concern as the host had indeed identified the error and had organised another motel for the first night a short distance away.

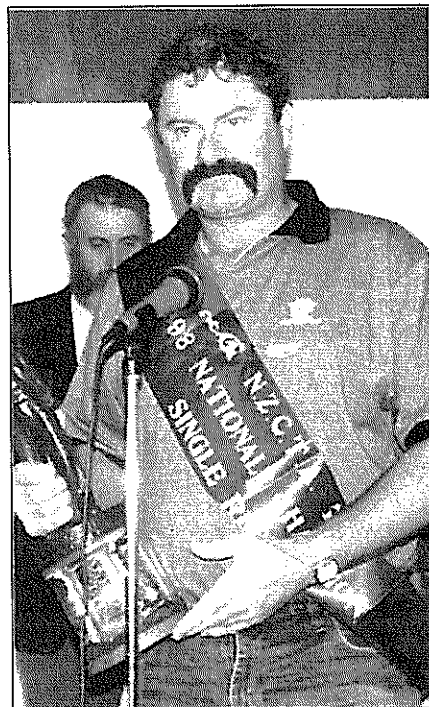

The following day all were up early to move back to our motel for the remainder of our visit. Competition commenced on the 7th with the Ball Trap and Mini Championships.

The first title was to come Australia's way, with Ron Smith taking out Overall in the Ball Trap after a shoot-off. Other Australians to pick up placings were Steve Atkins, 2nd in A and Carmel Carlon 3rd in C. The Mini Championship saw a great shoot-off with Gavin Paton (N.Z.) outlasting Mark McInnes (Aust.).

Day 2 was the official start of the Nationals, and the only two Australians to show out were again Steve Atkins, 3rd in A Grade (after shooting the possible), and Carmel Carlon winning the Ladies. For a while after his good shooting in this event, Steve was contemplating shooting skeet seriously and was heard mentioning things like "Skeet - Sydney 2000", "I wonder who is going to represent Australia in the Commonwealth Games Skeet?". The Grouse

Trophy was also conducted, and with a number of Old Grouse products up for grabs, the competition was fierce. Once again Mark McInnes had to be content with giving up the Overall position and settle for 1st in A. His trophy, however, was suitable to help him put another runner-up position out of mind.

Monday the 9th was the Double Rise event, and Australia's only medal winner in this event was Leanne Smith, who took out the C Grade division. Leanne told me the most satisfying aspect of her win was the fact she recorded a better score than her father. Also conducted on this day was the Jolly Poacher trophy event, and among the placings were Mark McInnes and Arthur Turner, who took out 2nd and 3rd in A Grade respectively.

Steve Atkins responding on winning the double barrel

The winning Australian team, left to right: Glenn Woodhatch, Arthur Turner, Bill Iles, Ian Merrick, Bryan Rafferty and Bob Rose.

Tuesday's N.Z. Triples Championships saw the Overall trophy go to Bill Iles after a very good shoot-off. Bill said his win was no doubt due to the fact Michele was along to see that he kept early nights and was on his best behaviour. Our only other winner in this event was Gordon Forrester, who was happy with 2nd in A Grade.

Wednesday the 11th was the day all were looking forward to, with the running of the Single Rise (Double Barrel). At the end of the day, Steve Atkins was the New Zealand Single Rise Champion, and all thoughts of skeet titles was gone. Wednesday was also the day we had travelled across the Tasman for - The Glenn Cup Teams Match. Prior to the match, our "first timers" were showing very distinct signs of nerves, as well as adversely commenting on the arrival of rain, but once they were on the track, it was down to business and their score of 249/250 left the Kiwis staggering. A great team effort and each member is to be congratulated. This event is now a very sought-after title, and a very important part of our relationship with our nearest international competitors.

The Single Barrel was the title all were seeking on Thursday, and after only three possibles being recorded, a very short shoot-off saw Bill Iles collect his second Silver Fern of the Championships. Other Australians to show out in this event were Ray Mack, 2nd in A Grade, and Tim Catling picking up the Veteran's division. The Winchester Trophy Match was also conducted on this day, and Bryan Rafferty had to be content with 1st in AA after a great shoot-off.

New Zealand and Australian Glenn Cup teams

The last day of competition saw the running of the Pointscore Championship, and with a number in contention for the coveted title of High Gun, a good showing was essential. The Championship was to go New Zealand's way, with our only trophy winner being Tim Catling in the Veteran's section. When all the week's work had been totalled, we saw the High Gun go to Ray Everett of New Zealand. Ray is a regular visitor to Australia and a very capable shooter. AA High Gun went to Steve Atkins, and the Veterans to Tim Catling. Well done Tim and Steve.

A thoroughly successful and enjoyable trip.

Mount Isa Gun Club

Once again the clay target shooters of Mount Isa headed out to Kalkadoon Park for our monthly shoot. We had several members from our club competing in Roma on the weekend but the standard of competition, as always, was high. The day was hot and still but this did not deter the shooters.

They started the day out with a graded 50 target Skeet event. A grade was won by Jim Edmonds with 60/61 and Mick McGill second with 59/61. B grade was taken out by Kevin Streeter with 43/50, second Neil Sinclair with 41/50, closely followed by Bruce Murphy with 40/50. C grade was Ian Harris with 47/50, Ron Power 43/50, Cecile Edmonds 41/50, Nick Kemp and Bob Bentley both with 39/50.

The second event for the day was 25 targets Tower, and the shooters looked to the skies for the targets. B grade was won by Mick McGill with 25/25 followed by Neil Sinclair with 20/25. C grade was taken out by Bruce Murphy with 23/25 followed by Kevin Streeter with 21/25, Nick Kemp, Jim Edmonds, Ian Harris and Ron Power all shot 20/25 and Bob Bentley with 11/25.

We gathered in the clubhouse for the club's AGM just before lunch. The new Committee was elected and we hope they continue the great work of running the club.

After lunch the shooters headed back out into the unchanged conditions on the tracks for the down the line program. The first event after lunch was 50 targets double barrel. A grade was taken out by Bruce Murphy with 145/145 after a lengthy shoot off with Mick McGill with 144/145. It is great to see such fine shooting at our club. Neil Sinclair, Jim Edmonds, Ron Power and Brian Palethorpe all shot 47/50 and Glenys Palethorpe and Bruce Hall shot 46/50. B grade was taken out by Sam Edmonds with 49/50 and C grade by John Whatmore with 43/50.

Last event of the day and this time 15 pair double rise. It was Mick McGill's turn to win A grade with the score of 45/50 against Bruce Murphy with 43/50 in another shoot off. Brian Palethorpe and Bruce Hall both shot 25/30, Jim Edmonds 24/30, Ron Power 23/30 and Neil Sinclair with 21/30. B grade was Sam Edmonds with 21/30 and once again John Whatmore with 14/30 took out C grade.

Roma Clay Target Club hosts Anniversary Shoot

With eight Miroku shotguns as trophies, and sponsored by Fuller Firearms, 179 shooters attended the 2nd Annual Roma Clay Target Club's shoot on the 6th-8th March 1998. The weather conditions were perfect, the grounds immaculate in readiness for some good scores, and we weren't disappointed.

Overall winner Ross Walsh (Mt Isa) 324/325 with club president Robert Nugent and also overall 50t double points 192/192 winner

50T double barrel winner Noel Deeley, Continental 112/112.

Friday 6th with a night event 25tgt DB, 25tgt DB Points, 65 shooters competed and with A. Jones and G. Sckaf both scoring 100/100, the scene was set for the weekend.

Saturday morning before shooting started, a minute's silence was held for Mr. Allan Berry (or A.T.), a foundation member and a great supporter of the Club who passed away last October.

Event 1 - 25tgt DB Cash Sweeps Event saw 44 AA, 16 A, 13 B and 9 C Graders taking the cash.

Event 2 - 50tgt DB Points C'ship, with excellent shooting saw Ross Walsh Mt. Isa OA winner 192/192 from Allan Denton Roma 191/192.

Event 3 - 30tgt DB Miroku Challenge C'ship, once again a mammoth shoot-off with Col Witt Gold Coast 327/327 take the OA from Kevin Jarick Roma 326/327.

With the "best rumps in the west" on the menu Saturday night, many enjoyed a very social evening to the early hours of Sunday morning.

With perfect weather on Sunday morning, shooting commenced at 7.00am with 50tgt DB Cont. C'ship, with Noel Deeley Gemfields 112/112 take OA from Robbie Cusack Mt. Isa 111/112.

Event 5 - 25tgt Single Barrel, and once again hotly contested with Steve Steenstrup Brisbane OA 79/79 from Ross Walsh Mt. Isa 78/79.

Event 6 - 50tgt Miroku Challenge Handicap, with Jeff Nash Grafton taking 1st 97/97.

All shooting over, everyone eagerly waited for the trophies to be presented from the magnificent display donated by many sponsors, major sponsors being Fuller Firearms and Coomber Bros Jewellers. Our sincere thanks go to all sponsors.

High Guns - OA Ross Walsh 324/325, AA Col Witt 322/325, A Bill McKechnie 319/325, B David Mills 316/325, C Anthony Gurski 303/325, Junior Steven Robertson 324/341, Ladies Katrina Cutting 306/325, Veteran George Mariner 294/325.

The Qld. Challenge Shield was won by Roma No 2 team, with K. Denton, O. Nugent, Julian McEwan, A. Anderson and A. Cartright scoring 121/125.

The Kilima Shield is also hotly contested between Roma and Gold Coast and, this time, Gold Coast only took home the wooden spoon. Maybe next year guys. Team members were J. McEwan, A. Pack, D. Cameron, K. Jarick, A. Denton and A. Anderson.

Our sincere thanks go to all the volunteers leading up to this shoot, the kitchen staff donating their time, the trap mechanic "Dick" for his efforts, the trapper boys from the Roma Scouts, the office staff for running such a smoothly-run office, and lastly for the shooters for coming to make it such a successful shoot.

A special mention must be made about "Wally & Harry", our pastry cooks extraordinaires, the delicious and mouth-

watering items to come out of the kitchen was something to be seen, and many will vouch that it all went to the waistline. Thanks guys.

Mr. Lyle Vidler, a past member of Roma Gun Club and now a member of Kingaroy, presented the Club with two commemorative photos of Mackintosh teams in years 1963/1967, four of these members were Roma shooters. These photos will be displayed on the Club walls in conjunction with the 50th reformation of the Club since WWII.

A new ground record was made by Col Witt Gold Coast at the weekend of 495. Congratulations Col on the fine shooting.

Len Kirby

Len Kirby passed away after a long battle with cancer. Len was a life member of the Bundaberg Clay Target Club and had been an active member of the club for many years in the earlier part of the club. He held many positions in the club at this time and was Patron for a few years and until his death was an Honorary Vice President.

He will be sadly missed by those who knew him. Our deepest sympathy to his wife Marge and his family from the Bundaberg Clay Target Club.

Eric Neilsen

Eric passed away this month, Eric had just rejoined the Bundaberg Clay Target Club again last year after a long time absent from the club. Eric was one of the members of the Bundaberg Clay Target Club who was involved in the setting up of the Bundaberg Gun Club in the early 1960's at its present site. Our deepest sympathy to family and friends from the Bundaberg Clay Target Club.

Ray Smith

Passed away 15th November 1997, aged 61 years. Ray joined the Yass Gun Club in August 1952, and remained a member until he was elected to the job of Secretary at the A.G.M. in August 1965. He was then elected to Secretary-Treasurer at the August A.G.M. in 1968, a position that he held up to the time the Gun Club went into limbo in December 1972. Ray kept the minute book and the bank book and cheque book and the account in order until around 1990, when the Gun Club started its revival which happened at the new site when the first shoot was held in February 1997, with 40 shooters attending, including Ray, who held the treasurer's job up to the A.G.M. in September 1997, when he did not seek re-election due to his illness. Ray was well-known and admired by all, not only for his friendly manner, but also for his

expertise with a shotgun. Ray was a true and faithful member of the Yass Gun Club and will be sadly missed by all his shooting mates in the Yass area and surrounding districts.

R. Bayley, President, Yass Gun Club.

Ray Wilson, Wendy Porfiri and Margaret Anderson

It is with much sadness that members of the Sunshine Coast Clay Target Club Inc. announce the passing of three of our friends and Club members, Ray Wilson, Wendy Porfiri and Margaret Anderson.

Ray has been a very valued member of our Club since it was started 27 years ago. He and Pauline have always given financial support in the form of raffles and seafood and their willingness to help the Club in any way over many years. Ray did a lot of shooting and visiting of many Clubs in the last couple of years, making a large circle off friends along the way and inviting many back to his home Club for our big shoots.

Ray was very proud of his first sash for the B Grade High Gun that he won at his home Club in 1993, and has done some very good shooting over the years. Only weeks before his passing, he won the 25 target points c'ship at the Club and won yet another badge to add to his collection. The "Captain", as he was commonly known, will be sadly missed by all.

Our deepest sympathy to Pauline and family.

Wendy, wife of foundation member Quinto, was a very tireless worker for the Club, doing many things that went unnoticed that go on behind the scenes at every shoot. Wendy played a major part in getting things done for the ladies auxiliary over a lot of years.

The updating to our kitchen from our tin shed we used to be in, to the present well-equipped kitchen we have to date, Wendy will be sadly missed by all who knew her, for the beautiful smile and the happy face she always had. She will be greatly missed by all.

Our heartfelt sympathy to Quinto, Lisa and Michael.

Margaret, wife of Andy, our past Secretary/Treasurer and now Treasurer. Both Margaret and Andy were non-shooters, but worked tirelessly for the Club over the past number of years. Margaret will be sadly missed by all her friends and work mates in the kitchen.

Our deepest sympathy to Andy.

Sunshine Coast Clay Target Club.

Maryborough Tid Bits

We have had a couple of days with power cuts and, a strange thing, you don't miss power till you have none, and then you are surprised how many things you use with power. It is much the same with good workers in the Club - you don't miss them till they go. With Eileen and Margaret both leaving about the same time left a hole in the kitchen staff, and out front we miss Chris who is our Shoot Marshall and Coach. Hope things work out that you will be able to get back soon Marg and Chris.

This month Bundaberg and Gympie both shoot 10th May, Bundy 1.00pm, Gympie 10.30am, and Maryborough 24th May 100tgt Double Barrel Continental, 12.00 noon start, 1-2-3 each grade. At Belmont 22nd February 1998 Bradley Petersen took out the OA Points and 1st in A Grade Double Barrel. Good shooting Brad, and you have a good mum to take you to the shoots. Of course, I am talking about my niece.

BUNDABERG 1ST MARCH 1998

A good trip over with a few showers. After nominating I asked Cheryl what's for lunch and it was Cheryl's special, so ordering the same it was fish and chips and salad. Thanks Cheryl. The most distant visitor was Jason Hodgson from Warwick who was visiting his family in the area. Nice to meet you Jason. Call again. Also Neil Berry, Paul Anderson, Harry Walker and yours truly. It was good to see Rhiess Honor joining the Club and having his first ACTA shoot. Welcome Rhiess. Within the past couple of years first was brother Dwayne, then Dad Wayne and now Rhiess. I think the motto would be the family who shoots together keeps a good eye on their ammo. Well lucky Mike Tipman won the Quickly Board Whisky who said he doesn't drink anymore, but then he doesn't drink any less, and the Overall Single Barrel Champion won the meat tray. In the DB CD in AA it was split between Peter Winzen, Phillip Warren, Paul Anderson and Rob Rehbein, and then Rob went on to take Pts, SB, DR & OAHG. Good shooting Rob. In A Grade Les Moore took DB and Pts with John Butters taking the Overall and A Grade Single Barrel C'ship, and Paul Tramacchi the DR. In B Grade Norm Dale took DB and SB with Brian Charteris Pts and Keith Palmer DR, and C Grade spread around with Bruce Walker DB CD, Graham Jensen, Brian Fourro Pts, Spencer Plath SB and Harry Walker DR.

While Harry and I were having our lunch we were joined by a

lovely young lady who told us she had received CTSN and talked about the contents of MTB. As we hadn't received our copy, we were all ears. So I thought ours would arrive Monday - no, Tuesday - no, Wednesday. The dog met the mailman and the bible was here, so no work for the next few hours.

GYMPIE 8TH FEBRUARY 1998

I guess the best news was the arrival of a daughter for Glenda and Chris Post and a sister for Mathew, Ben and Samantha. The shooters were having a guess at the name given. One said Australian Post, one said Express Post, but I found out it was Jenna. Congratulations Glenda and Chris, and Mathew couldn't be out of the news so he shot into B Grade. Good shooting Mathew and he told me he couldn't wait to give Jenna a bottle. That's right Mathew.

I have heard of some excuses to get to a shoot, but this bloke takes the cake. Returning from business in the city on Friday, he treated his wife to lunch at Red Rooster in Gympie and, while eating his lunch, he pushed his wife's handbag under the seat. On arrival home it is noticed handbag is missing, must have left it at Red Rooster. Son on the phone, yes handbag was found and they were told to keep it safe and he would have to come down Sunday, and he said to his wife I am a bit lucky Gympie hold their shoot this Sunday. Visitors to the shoot John O'Reilly (Brisbane), Bill Chain President of Redcliffe, who told me they have 27 new members. Also Greg Brown in company with Greg Nagy being his first trip to Gympie and got into a shoot-off but missed out. Better luck next time Greg, pleased to meet you. Come again. And from Maryborough Club Peter Pagliarino, Vince Dollisson, Harry Walker and yours truly. Also Chad and Barry Power, being Chad's second shoot at Gympie. Keep at it Chad. Lost Bird drew the jackpot but failed to fire, and Joan Albrecht won the raffle without having to pull a trigger. Results in AA - Brian Goddard took the field by winning 25tgt Pts, 50tgt DB, 25tgt Cont and AAGHG. Also in A Grade Bill Chain took all DB Pts, 50tgt DB, Cont and AGHG. In B Grade Bill Edgerton won 25tgt Pts, and Norm Dale 50tgt DB and Cont with BGHG after shoot-offs, and C Grade new shooter Steve Bowes won 50tgt DB while another new shooter Gary Albrecht took Pts, Cont and CGHG. It was good to see Joy and George home from their trip, and George said it was cans that froze up, but it was no trouble to cut around the can and suck a beer ice block. In fact, he does it all the time now, and you can't spill it when you have had too many.

HERITAGE CITY ONE DAY SHOOT 22ND MARCH 1998

There was this shooter that said shooting was everything. He did nothing but shoot so he went to church one night and on the way out he said Father, could you tell me if there is any trap shooting in heaven. So Father replied I will find out for you my son, ask me next time you come. So a couple of weeks later the shooter again says, do you remember me Father. Yes says Father, you are the one asking about clay targets in heaven. The shooter says that's right Father, what did you find out? So Father says, my son, there is good news and bad news, which do you want first? So the shooter says, well give me the good news first. So Father tells him there is 1,000 layouts in heaven, some down-the-line, some skeet, some ISU. In fact, all types of shooting. The shooter says a 1,000 traps Father, and Father says that's right my son. Now, do you want the bad news? Yes Father, the shooter says. Well, my son, the bad news is that you are squadded on Trap Six at 10.30 next Friday.

Thanks to visitors to make our shoot a success. There was Richard Vary from Kyogle, Gary Redmond Brisbane, and Chips McCann and Todd Vidler Kingaroy. Other visitors from

CUZZO'S RAMBLINGS

As I write this, I am in the middle of running the 1998 National Trapshooting Championships in Perth, and what a great shoot it is turning out to be. The president of the host club, Mrs. Christine Alexander, and her tireless band of workers, have presented a magnificent facility. The president of WACTA, Mrs. Elaine Forward, and her organizing committee, have set the tone of the shoot with their excellent attitude. Their commitment to treating the shooters like paying customers has caused this to be the most fun-filled Nationals that I can ever remember. Arthur Turner said to me today "They're throwing great targets and we're having a great time. It's just like going to New Zealand. I haven't won yet and even if I don't, it'll still be a Nationals that I'll remember."

A number of the events have been finalized and lots of new faces have been seen standing up on the box each night. I am not going to spill the beans. You'll have to read the write-up for that, but what I will let out is that no one from the "Legends List" has stood in the middle of the box so far. And I don't think that's such a bad thing either. Sometimes it's good to see some of our "legends" further embellish their reputations. But sometimes it's better for the other shooters to see that everything is possible.

A lot has been said so far about the Trap and Skeet Nationals not being joined together. I believe that the answer to that question is not a simple one. But what is clear to me is that the Skeet Nationals will be in Perth from the 21st to the 26th of October, and that if the Trap Nationals are any indicator of what to expect, then I suggest that anyone who doesn't make the effort to attend will regret it. I especially appeal to all the shooters in the eastern states to make the decision now and start making your travel and accommodation arrangements early. The ACTA had the resolve to listen to the skeet shooters requests to keep the Nationals separate, and act upon it, so now it's "put up or shut up" time. Every keen shooter in the country, and everyone who normally attends the Skeet Nationals, needs to attend the shoot and support our discipline. Anyone requiring assistance with their Skeet Nationals arrangements can phone me A/H on 03 5153 1985.

This Month's Shooting Trivia Question: How many people have won both the National Double Barrel and the National Skeet Championships, who are they, and in what years did they do so?

If you think you know the answer to the question, put it in an envelope and mail it to: Shooting Trivia, PO Box 265 Bairnsdale May 1998

Vic 3875. All correct answers received by noon on 15-05-98 will be put in a barrel and a winner drawn. The winner's name will be published in the July CTSN and he/she shall receive a free nomination to the 1999 National Double Barrel Championship in Roma.

Good luck and good shooting

A little bit from Springsure

Congratulations to Bruce and Zarah Powell on the safe arrival of their baby daughter Tori Ashleigh on March 6. This was the day before our monthly shoot, but the head wetting did not seem to affect Bruce or a couple of his mates. We saw "one sick pig", a very pale Mr Copping and the proud new Dad, along with two healthy ones, line up and shoot possibles in the first event. In the shoot off, the Pig was the first to melt in what was hot enough conditions without feeling the way he was. It was a struggle, but eventually we had winners. I had the pleasure of marking Bruce's card at 100%, 246/246, his first 200 in AA. Great to see as this time last year he was C Grade.

Ray Copping, Peter Mahady and Richard

Woolcock all obtained 75 Break Badges in that first event. In all it was a successful day with Bruce taking out Overall and AA/A, Peter won B grade and new shooter, Ben Kavanagh was C grade winner.

Drew Smith and Ken Perrett went to Roma for the weekend and although they did not bring home car loads of trophies, I think they enjoyed themselves and Ken bought home a card with "A" written in it! They also passed on to me that a certain new Sunshine Coast shooter who has been laughing at everyone being re-graded was caught up with as well! Well shot Dad, Norm must have nearly taught you all he knows.

Lauren Perrett.

"WINCHESTER'S" 101 NOW AVAILABLE WITH 'WINCHOKES'

(Pat Browne)

To be available in mid March, Winchester Geelong have announced the release of the new version of their ever popular 'Winchester 101'.

Aimed particularly at the field shooting and simulated field shooting fraternity, the new gun will only be available in a field shooting version. The gun is a basic 101 but with the extra versatility of the removable choke tubes in both top and bottom barrels. The gun comes with improved cylinder, modified and full choke tubes and a spanner for their removal and installation. The other standard specifications common to all 101's are still there in the form of the single trigger and selective ejectors. The gun is only available with 28" barrels and a ventilated rib is standard. Receiver finish is black chrome.

At press time, no price had been announced but we are led to believe that the price will be around the \$900 mark.

Monarto Clay Target Club's Anniversary Shoot

Temperatures during the week prior to the Club's big shoot of the year had been in the high 30's and, as luck would have it, a cool change blew in and the weather for the weekend was a welcome change - warm/cool with a slight breeze.

Some 54 shooters from eight Clubs and a visitor, Joachim Ferrer all the way from Spain, tried their hand at our targets and the three team shields that were to be shot for over the weekend.

Event 1, a 5tgt DB EO CD saw Ken Strother, Ash Comley, Graham Michell and Dennis Lymn share the money, each having shot a 10/10.

Event 2, the 20tgt J&E Johansen Anniversary Handicap, saw a newcomer to our Club, Trevor Shaddock from "up river" (Barmera) take the honours, shooting a 24/24 over Peter Hendy on 23/24, 2nd Tony Famiglietti on 30/31. This event was shot in conjunction with the South Australian Clay Pigeon Shield team event, where the shooters had to shoot from their handicap marks. A rather distressed Monarto team came in after their squad had finished shooting a score of 89/100. "Well, I think we have lost that one" someone said, for the team had comprised of two shooting from 20m, two from 21m and one from 22m. An anxious wait while the team from International shot (their team consisting of three 16m shooters, one from 18m and a 22m shooter) and, much to our surprise, their team came in 14 targets down, so we ended up keeping the shield for another year. This is the coveted shield that five of our Club members had driven all the way to Ceduna some years ago to shoot for and we don't like to give it up easily. Monarto's team was Graham Michell, Tony Rohrlach, Peter Hendy, Dennis Halikiopoulos and Tony Famiglietti.

Event 3, the 25tgt Toso Investments SB C'ship went this year to Tony Rohrlach, who shot a 24/25.

The last event for the Saturday, the 25tgt Ridley Agriproducts Pty. Ltd. PS C'ship, went to Dennis Lymn with the only score of 75/75. Our second team event, the Shell Shield, was shot for in conjunction with this event and the winning team was again that put forward by Monarto, team members being Graham Michell, Tony Rohrlach, Peter Hendy, Dennis Halikiopoulos and Tony Famiglietti, who shot 117/125 (targets to count on this one).

Sunday's first event, the 30 Mixed Tgt Clem Thomas Memorial C'ship has always been a keenly contested event, a perpetual cup going to the winner, and this year was no exception, the Championship going to Tony Famiglietti with a score of 49/50.

Event 6 for the weekend proved to be a very popular event, with everybody trying for the red sashes on the State Deauville Doubles Championship shot from 22 metres. No pair managed the perfect 20/20, but the title did go to Dino Oliviero/Tony Famiglietti, who shot

28/29 over Peter Hendy/Tony Rohrlach on 27/29. Some rather funny scores came into the office - some so called "better shots" not faring so well while some relative newcomers to the sport shot quite good scores.

The last event, the 25tgt Coca Cola Bottlers PS C'ship went to Jim Finis with the only 75/75 on the scoreboard. This was also the final team event for the weekend, the G&R Michell Team shoot (taken on points) and, this year, some six teams shot for the Cup. International, with a score of 353/375 took the trophy, team members being P. Marconianni, D. Oliviero, J. Richichi, D. Lymn and J. Finis.

The Overall High Gun for the weekend, a beautiful statue of a sea eagle went to a very happy Dennis Lymn with a score of 244/255. The Grade High Guns went to Peter Hendy 238/255 (A Grade), Trevor Shaddock 226/255 (B Grade) and to Kent Ielasi 237/255 (C Grade) who we congratulate on becoming a "B" grader after the last event for the weekend.

Sincere thanks to our sponsors, John and Elaine Johansen, Tony and Sonia Famiglietti of Toso Investments Pty. Ltd., Ridley Agriproducts Pty. Ltd., the Thomas Family, Coca-Cola Bottlers and to Peter and Jackie Hendy.

Many thanks also go to those who helped in any way to make the weekend a success - to those who helped at the work bee the week before the shoot, to the referees, scorers, kitchen workers, store-room cooks, those who trapped, trap maintenance workers (we had a slight hiccup Saturday that was remedied by Sunday due to some behind the scene work) and, most importantly, to the visiting shooters, for without your attendance it would have been a very quiet weekend.

In conclusion, I must report that on the Saturday of our shoot we lost our Club member Fred Bailey after a seven-month battle with cancer. Our Club and all neighbouring Clubs are going to miss Fred - it won't be quite the same without him. Our sympathies to Nancy and the family.

Ruth Michell.

Australian Clay Target Association

Survey of Members

Australian Clay Target Shooters are the best in the world. Two gold medals and a bronze medal at the 1996 Atlanta Olympic Games is strong evidence of that. Numbers of clay target shooters throughout Australia are growing and yet the public profile, and understanding of this great sport is poor. Because of this lack of profile there is significant difficulty in attracting sponsorship funds.

The Australian Clay Target Association have decided to develop a strategy to improve the service it provides its members to ensure the continued growth in membership and public understanding of Clay Target Shooting.

The process of developing a strategy to achieve this most effectively has many steps. One of the very important steps is for the Australian Clay Target Association to understand fully the membership of the ACTA.

We need to know who you are, where you are from and why you enjoy your sport. We need to know where you work, what sort of jobs you work in and other demographic detail which is critically important in discussions with sponsors.

Every sponsor has a particular target market in mind, and the role of the ACTA is to understand which audiences their members are part of, and that makes the targeting of, and attracting of, potential sponsors much more efficient. It also gives the Association a great deal of assistance in understanding those members of the public most likely to be attracted to the sport by looking at those who are already active participants in the sport and understanding why they are attracted to the sport. The Association can serve you better and it can also make the sport more popular, increase its profile, increase the likelihood of long-term success and increase the likelihood of long term funding.

Stage One of this process begins today. We ask every member to read and complete the attached survey and to return it to the Australian Clay Target Association. If it could be returned by 20th May 1998 it would be very much appreciated.

The importance of this information cannot be over-emphasised. It is an entirely anonymous survey, the details are very important in getting a complete overview of the average clay target shooter. The more responses we get, the more accurate this information can be and the more likely we are to be able to use it to attract sponsors to the sport.

Completion of the survey is straightforward and will have a significant impact on the future of your sport. Please support the Association in its endeavours to serve you better.

Junee Shoot

On Sunday 22nd March the Junee Ex-Services Gun Club conducted their Annual Fundraiser Shoot in aid of the Junee Branch Cancer Patients Assistance Society.

With fine, hot weather conditions prevailing on the day, the 16 shooters in attendance made the drink counter and shady spots favourite.

Despite the low attendance, the shooters present presented some good scores to the office after the events were shot to finality.

Results of the day's event were: Event 1 10tgt DB EO - eight possibles were recorded. This was achieved by D. Geddes, T. Barnewall, C. Brandon, D. Caccioppoli, Tom Harris, K. Geltch, R. Wright and W. Hulm. Event 2 Junee Branch C.P.A.S. 100tgt DB C'ship - with no possibles recorded on the event, two shooters with 99/100 shot-off for Overall and AA Grade. The final places were: Overall C. Brandon 167/168, AA Grade R. Wright 166/168, A Grade R. Schubach 94/100, B Grade T. Barnewall 98/100, C Grade C. Metz 87/100. Event 3 25tgt SB C'ship - once again no possibles were recorded. Two shooters with 24/25 shot off for Overall and AA Grade, while two shooters on 23/25 also shot off for B Grade. Final placings were: Overall D. Caccioppoli 28/29, AA Grade K. Geltch 27/29, A Grade G. Burton 22/25, B Grade W. Hulm 25/27, C Grade R. Oakley 19/25. The unplaced B Grade shooter was T. Barnewall.

Three shooters with scores of 132/135, being C. Brandon, D. Caccioppoli and R. Wright then shot off for the High Gun. The eventual winner was D. Caccioppoli with a final score of 148/151.

At the time of preparing this column, shoot proceeds, raffles etc. on the day raised approximately \$550 for the local C.P.A.S. branch. It is down on the 1997 figure raised, but this is reflected in the attendances also being down, but despite this, the shoot will be programmed for the 1999 shoot calendar.

Sydney 2000 Olympic & Paralympic Game Update

The Sydney Organising Committee for the Olympic Games, SOCOG, and Sydney Paralympic Organising Committee, SPOC, have relocated from the Maritime Centre in Kent St, Sydney, to Jones St, Ultimo, from where planning for the Olympic and Paralympic Games continues to take place.

Competition Managers have been appointed for the twenty eight sports on the Olympic Games program, with the majority located at the SOCOG office from where they are already working full time for their respective sports.

SHOOTING

Shooting with 17 medal events, is the fifth largest medal sport on the Sydney 2000 Olympic Games 295 medal program. Athletics 44, Aquatics 40, Gymnastics 18, Cycling 18, Shooting 17, Canoe/Kayak 16, Wrestling 16, Weightlifting 15, Judo 14, Rowing 14, Boxing 12, Sailing 12, Fencing 10, Taekwondo 8, Equestrian 6, Badminton 5, Archery 4, Table Tennis 4, Tennis 4, Volleyball 4, Basketball 2, Football 2, Triathlon 2, Handball 2, Hockey 2, Modern Pentathlon 2, Baseball 1, Softball 1.

Shooting events are scheduled to commence on the second day of the Games, Saturday September 16, with Women's Air Rifle hopefully emulating Barcelona and Atlanta by providing the first medal of the 2000 Sydney Olympic Games. Shooting will continue for the next seven days, concluding on Saturday September 23 with the final of the Men's Skeet shotgun event.

SYDNEY INTERNATIONAL SHOOTING CENTRE

Design development of the SISC under the control of the Olympic Co-ordination Authority has been completed. Tenders for the early works program (earth moving) have been finalised. Earth moving work is scheduled to commence in keeping with the major works program which is due to commence in late April. The construction period for Sydney International Shooting Centre located at Cecil Park, the present home of the Cecil Park Clay Target Club is approximately twelve months.

Range features include; 10m Range: 60 firing positions catering for five Olympic events, Running Target (Men), Air Pistol (Men & Women), Air Rifle (Men & Women).

25m Range: Two events, Rapid Fire Pistol (Men), Sport Pistol (Women), will be held on the 25m range which will consist of eight groups of five targets. The 25m range which will be sectioned in keeping with UIT rules, (sectioned by the use of dividing masonry walls), has been designed in such a way that walk through corridors will be able to be constructed post Games if the need to do so arises.

50m Range: Four events will take place on the 50m range which will have 60 firing positions, Free Pistol (Men), Rifle 3x40 (Men), Sport Rifle 3x20 (Women), Prone Rifle (Men).

Shotgun Ranges: Three shotgun ranges fully equipped with Matarelli Clay Target machines for Trap, Double Trap and Skeet will host the six shotgun events, Trap (Men & Women), Skeet (Men & Women), Double Trap (Men & Women). Following the completion of the Games, the shotgun ranges will provide facilities for DTL and Skeet over a total of eleven grounds.

TARGETRY

Swiss Timing who have been contracted by SOCOG as the official supplier for timing and results for Sydney 2000, will provide the electronic targetry systems for Running Target, Pistol and Rifle. Through an agreement with Sius Ascor whose electronic targets systems were used with success at Atlanta. Matarelli, the Italian manufacturer of clay target machines will again through Swiss Timing, provide the clay target machines and associated electronic equipment for the shotgun events.

SHOOTING SPORT SPECIFIC VOLUNTEERS EXPRESSIONS OF INTEREST

Expressions of interest are invited from suitably qualified persons to assist the competition management in the

conduct of all events on the Olympic and Paralympic program. Through the Australian Shooting Association, ASA affiliate's ACTA, FGFA, NRAA, PA, SSAA, TRA, have been requested to place notices to this effect in their various shooting publications.

If you are interested in being involved in some capacity please read the notice carefully, and if still interested, forward your expression of interest to, The Competition Manager - Shooting, GPO Box 2000, Sydney, NSW by no later than April 30 of this year. While all expressions of interest that are received will be acknowledged, there may be a considerable time delay in this occurring.

COMPETITION STAFF

Through the Australian Shooting Association, each of the ASA affiliates will be shortly requested to place notices in their various shooting publications, advising readers that expressions of interests are being called for staff with strong backgrounds in shooting to assist the Competition Manager with the running of the Olympic and Paralympic shooting competitions.

While the majority of positions will be filled by volunteers, a small number of key paid positions will be available ranging from full time to short term positions for lesser periods of time. Full details of these positions will be provided in a future edition of this publication.

OLYMPIC QUOTAS AS AT 31.01.97

With 410 quotas available for Sydney 2000 at nominated UIT qualifying competitions, athletes from all over the world will be endeavouring to secure a country quota as early as possible. The first quotas for the Sydney Games were contested in Peru at the 1997 World Shotgun Championships, which produced the first three quotas for 2000. Italy by winning two of the three quota positions, Men's Trap and Skeet, has assured starting positions in two of the three men's events. With Russell Mark winning the Double Trap World Championship, Australia has been assured of a start in Men's Double Trap, an event for which Australia, the host nation in 2000 does not receive a host country starting place under the UIT-IOC approved quota procedures for Sydney.

The first of the World Cup quota competitions for 1998 will be the shotgun World Cups in Egypt in March followed by Brunei, May. During May 1998, World Cups will be held for Rifle, Pistol and Running Target in Munich and Milano, and Running Target, in Guatemala. Additional World Cups will take place in July, Shotgun, Lonato, with the last of the 1988 World Cups for Rifle, and Pistol in September in Buenos Aires. Olympic disciplines will

compete for additional quotas at the UIT World Championships in Barcelona in July.

PARALYMPIC GAMES

SOCOG when bidding for the 2000 Olympic Games gave an undertaking to the IOC, that if successful they would also provide the infrastructure for the 10th Paralympic Games. In keeping with this undertaking a separate body, Sydney Paralympic Organising Committee, SPOC, has been formed to organise the Paralympic Games which will take place in Sydney from 18-29 October, 2000.

SOCOG Competition Managers whose sport is included on the Paralympic program, will also be responsible for the Paralympics. Shooting with twelve medal events, 8 Rifle and 4 Pistol, is included in the Paralympic Games along with; Athletics 226 medals, Swimming 195, Cycling 29, Table Tennis 26, Power Lifting 20, Fencing 15, Shooting 12, Equestrian 8, Archery 7, Judo 7, Boccia 5, Tennis 4, Basketball 3, Volleyball 2, Goal Ball 2, Sailing 2, Rugby 1, Football 1.

INTERNATIONAL SHOOTING COMMITTEE FOR THE DISABLED

Mr Dave Baskin, USA, has been appointed Technical Delegate for the Sydney Paralympic Games. ISCD will be conducting the 1998 World Championships at Santander, Spain from 15-30 June, with the championships being a qualifying competition for the 2000 Paralympic Games.
