Weatherby®

Athenia® Orion® Shotguns

Available in 3 stock styles:
(L to R), "Field", "Classic Field"
and "English Field"

From the elegant look of our Athena® series to the proven performance of the Orion®, you'll see why we confidently proclaim that no one offers you better value for your money - better wood, better balance and custom-fit internal parts - to deliver better performance in the field.

■ **Modified Greener cross bolt action** - one of the strongest and most reliable made. The cross bolt lockup actually "shoots in" with use to retain its rigidity and tight fit. Shallower in depth and thinner in profile, our 12 gauge receivers are proportionate to most other 20 gauge guns, generating that sought-after "between the hands" balance for quicker pointing and target acquisition.

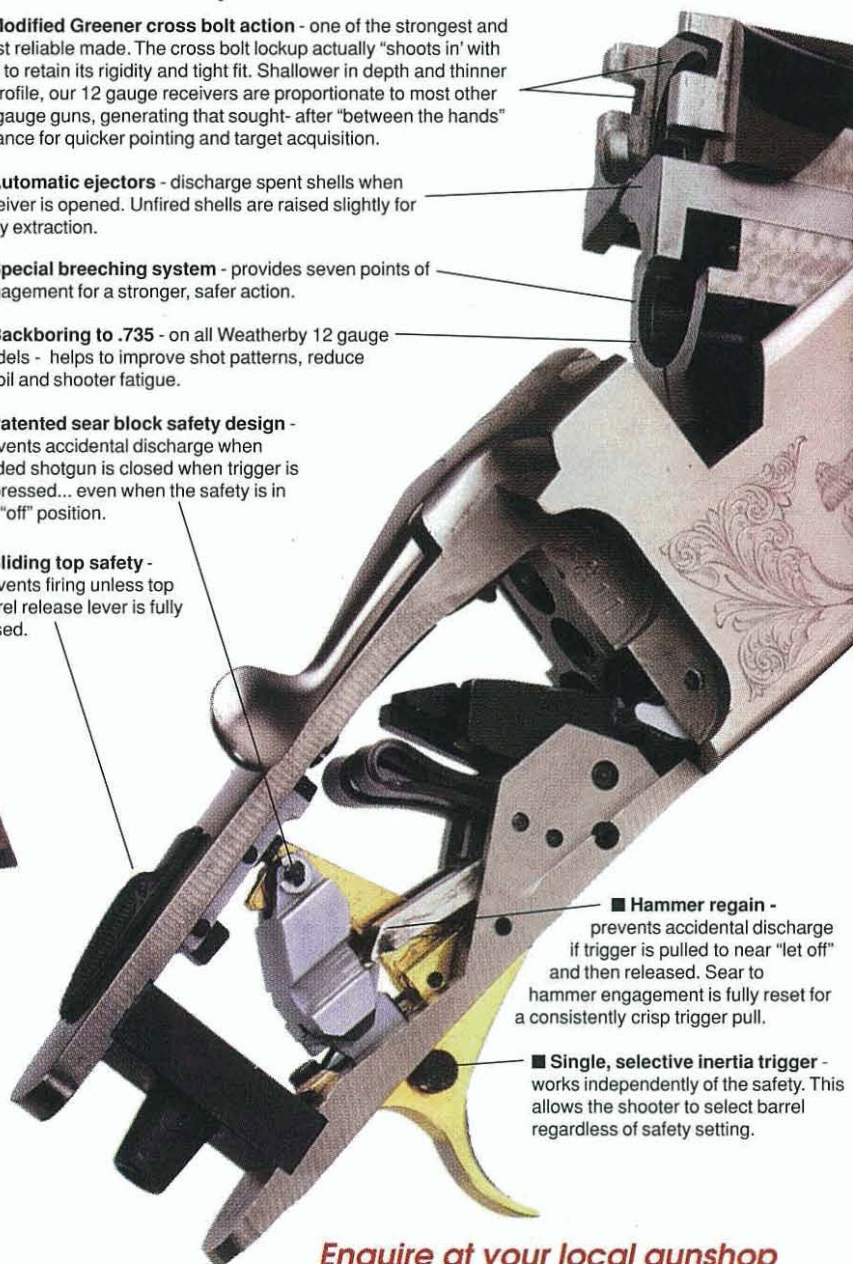

■ **Automatic ejectors** - discharge spent shells when receiver is opened. Unfired shells are raised slightly for easy extraction.

■ **Special breeching system** - provides seven points of engagement for a stronger, safer action.

■ **Backboring to .735** - on all Weatherby 12 gauge models - helps to improve shot patterns, reduce recoil and shooter fatigue.

■ **Patented sear block safety design** - prevents accidental discharge when loaded shotgun is closed when trigger is depressed... even when the safety is in the "off" position.

■ **Sliding top safety** - prevents firing unless top barrel release lever is fully closed.

■ **Hammer regain** - prevents accidental discharge if trigger is pulled to near "let off" and then released. Sear to hammer engagement is fully reset for a consistently crisp trigger pull.

■ **Single, selective inertia trigger** - works independently of the safety. This allows the shooter to select barrel regardless of safety setting.

National President's Notes

Glenn G. Woodhatch

WORLD CUP ACHIEVEMENTS — MY APOLOGIES

In last months President's Notes I mentioned Michael's win and that of the men's team in Cairo. I have been made aware that I failed to mention the efforts of our ladies and for this I apologise. Deserie Wakefield-Baynes won the Bronze medal in the women's trap and our team of Deserie, Lisa Smith and Diane Reeves tied for first in the teams event, but lost out on a countback to take silver. Well done ladies.

WORLD CUP — BRUNEI

It was our ladies who stood out in the World Cup conducted in Brunei. This was the first time a World Cup has been conducted in South East Asia and I have no doubt that it will not be the last. Congratulations to Natasha Lonsdale and Wendy Huen who won gold and silver respectively in the women's skeet, and to Diane Reeves who won silver in the women's trap. A great effort by our girls.

GRAND PRIX — ATLANTA

At the time of writing this I have just been advised that Clive Barton has won gold at the Grand Prix in the skeet in Atlanta. I believe his score was 121 + 25. A great effort Clive. I also believe Lisa Smith has won silver in the women's trap and Nathan McDonnell bronze in the men's trap. Outstanding efforts again from our shooters on the international scene.

NO! YOU DO NOT HAVE TO SHOOT BELONG

I have often been asked if it is necessary to have a shooters licence to become a member of the ACTA. The answer simply is no, you do not have to shoot or have a shooters licence to belong. If you know of someone who has not joined simply because they do not have a shooters licence, please advise them accordingly. If they join and then find out that they would like to shoot and compete, then, they have to get a licence.

RESPONSE TO OUR SURVEY

I wish to thank everyone who responded to our survey. We had a very good return and the information gained will be invaluable in the marketing of our sport. Thank you to everyone who took the time to fill in the questionnaire.

1998 NATIONAL DTL CHAMPIONSHIP PERTH WA

The Australian Clay Target Association in conjunction with the West Australia Clay Target Association was proud to host the 1998 DTL National Championships at Western Australian Gun Club Shooting Complex White-man Park WA on March 28 to April 2.

Opening Ceremony

Two pipers led teams from every State having a team represented for the Opening Ceremony of the 1998 National DTL Championships.

National President, Mr Glenn Woodhatch, welcomed all shooters and friends to Perth and introduced the official party comprising of: Mr Arthur Marshall MLA, Mr Bill Jones, National Vice President ACTA, Mr Allan Mabey, President NZCTA, Mrs Lesley Goudie, President WASA, Mrs Elaine Forward, President WACTA, Mrs Christine Alexander, President, West Australian Gun Club, Mr Allan Maher, Competitions Manager SOCOG and representative from other shooting organisations.

After welcoming speeches from everyone Mr Arthur Marshall was invited to fire the opening shot under the watchful eye of our National Director of Coaching, Mr Murray Alexander and get the Nationals under way.

State Shoulder to Shoulder Teams

This was a very keenly contested event with all States competing.

South Australia, competing in the Open event, were successful with four of their team shooting 25/25 to finish first with 124/125 a total of 360pts. The team Captained by Craig Bentley also included Max Medhurst, Andrew Bornholm, Allan Vilcins and Brian Thomas.

One target separated the next two teams with New South Wales coming second with 124, followed by Victoria on 123.

The New South Wales Ladies team, captained by Kathy Gault shot very well to take the Ladies event with a score of 70/75 for a total of 204 points. Wendy Barton and Rachael Quinn were the other two members of this successful team.

Second placing went to host state Western Australia with 69/75 for 195 points followed by Northern Territory in third place with 66/75 for 192 points.

Western Australia Juniors led by Mathew Kelly, with Gavin Shim and Ben Whitcroft won the Junior Shoulder to Shoulder event with a score of 72/75 with points of 209.

Tasmania 70/75 to finish in second place and Queensland 68/75 was successful in third place.

Mrs June Mabey, wife of New Zealand President, Mr Allan Mabey, and her friends from New Zealand judged the best presented teams and awarded the SACTA Perpetual Trophy to a very well presented Western Australian Team for the second year running.

Grand Australian Handicap

A total of 327 competitors vied for the Gordon Hall Perpetual Trophy, Royal Blue sash and Silver Australia Badge awarded to the winner of the Grand Australian Handicap.

It was appropriate that a West Australian won the first event of the Nationals with Richard Webb, Northam WA being the overall winner with a score of 79/79 of 11m. Mark McInnes, Narrabri, won the silver medal with a score of 78/79 of 20m and another Northam member Ken Dew took home the bronze medal with 64/65 of 19m.

Veteran, R Alvaro, International SA won successful in taking

Ever reliable, Sperry Marshall, Hobart, won the Veterans section with a score of 121/125.

Max Cubic, Collie, shot 146/150 to win AA grade. A score of 144/150 was good enough for Jeff Nash, Grafton, NSW to take out A grade. Helen Gay, Singleton, NSW, won B grade with 119/125 and Adam Moroni, Bendigo, Vic won C grade with 108/125.

Special Awards

Stephen Atkins will be flying across the Tasman to defend his victories at the 1999 New Zealand Nationals after being the ACTA-NZCTA International Competitor. Jointly sponsored by both Associations, Steve received an airfare and accommodation package to New Zealand, Gold Southern Cross Badge and the International Competitor Sash. This is the last time this will be awarded as New Zealand have decided to cancel the arrangement. Their past support is very much appreciated.

We hope our friend Mr Allan Brown from West Australian Gun Club wasn't too

upset by winning the Val & Fred Horton Trophy & Memento. Allan claimed his trophy by being the oldest competitor at the Championships.

Another Trophy and Memento sponsored by Val & Fred Horton is the Veterans Aggregate. Scores tallied from the Mackintosh Qualifying Events gave Sperry Marshall from Hobart a win with 241/250.

All Australian Trap Team 1998 went to the Top 10 scorers using the countback system over the National Program of 475 points.

Congratulations on being named the 1998 Team to Kim Nealon, Arthur Turner, Steve Atkins, Max Medhurst, Fraser Roberts, Lynn Curtis, Bill Iles, David Nielsen, Domingo Diaz and Roger Duthie.

High Guns

Kathy Gault, Canberra International, NSW was presented with the Eley Perpetual Trophy, Royal Blue Sash, ACTA Medal and Trophy for taking the Womens High Gun Award with a score of 441/475.

The Junior High Gun was awarded to Ben Radford of Broken Hill with a terrific score of 451/475. This was Ben's first Nationals and obviously has an outstanding ability at Clay Target Shooting.

Jacob Hoffman of Albury/Wodonga awarded the Sash and Medal for the Sub Junior High Gun with 433/475. Congratulations Jacob.

The well known and respected Veteran in Sperry Marshall had a wonderful National series and topped it off by taking the Veterans High Gun Award of the Cec Herbert Perpetual Trophy, Royal Blue Sash, ACTA Medal and Trophy with 445/475.

Our thanks to RIO Cartridges for supplying shells for the winners of the Ladies, Juniors and Veterans High Gun. It is very much appreciated by this Association and our members. Thanks to Mr Lex Shipp who made the presentations on behalf of RIO Cartridges.

The Overall High Gun winner was Kim Nealon, Majura Park NSW (What a great Nationals that club had!!) with a score of 465/475. Overall High Gun Donor Muriel Porter presented Kim with his array of Awards. Kim had shot superbly over the program. Congratulations Kim upon being named the National DTL High Gunner for the first time.

And so completed another successful National Championship series. With so many people involved in the staging of these Championships the thank you list could go on and on. I would like to thank Elaine Forward and her committee at WACTA and also Christine Alexander and her helpers from WAGC.

I would also like to say, to all who helped, in any large or little way, and to all who sponsored and donated, you know who you are, we know who you are. A Huge Thank You. See you in the Roma Qld in '99.

The Female ID Program

by Nicky Steel

I think my mailman thought I was keen on him. For several weeks I had been waiting expectantly for him to arrive, but all I kept getting were bills and Art Union lottery advertisements and not the envelope I was hoping for. Why? you ask. I'd like, if I may, to take you on a journey.....

promise we would be included in the secondary camp in Canberra, obviously we were up against many others who had already attended programs in the ACT and camps yet to be run. So now you can understand why my mailman we getting suspicious.

One day, hot and glorious as usual, the

tried hard to adopt the suggestions in technique that I had gained from the Brisbane camp in the hope that I would not disgrace myself. All too soon I was flying to the capital.

The Queensland girls arrived in the late evening and were ferried to the AIS as Canberra slept. After lodging our guns in the armoury we headed to the rooms that would be our new homes for the next four and a half days. I must say I was a bit disappointed that I had not spotted any sporting stars as we arrived but I guessed they would be well into dreamland. There was always tomorrow.

The day dawned clear and crisp and we headed for the cafeteria for breakfast. I hadn't slept terribly well as the resident before me had stolen the heater from my room, but I was determined to arrived feigning freshness and athleticism. This act was shot down shortly after entering the cafeteria by elf sized girls from the gymnastics program devouring cereal after having already trained for two hours!

Now, a word of warning about the system of categorising food in the AIS

One fine, hot, glorious Queensland day I was attempting to shoot trench when I was approached by Mr John Mitchell who told me about an impending opportunity to fine tune my basically non existent skills. Several ID Coaching programs were going to be run around the country to identify some up and coming female ISU shooters and he asked if I would be interested in attending. At the affirmative he submitted my name and I attended a weekend of coaching at Belmont in Brisbane.

I was fairly nervous when I arrived but noticed a few familiar faces among those present. The skeeties and trappies had come from as far north as Normanton. The first thing to do was head out for a warm up round so that the coaches could have a look at our techniques. After coming off the layout I was thrilled to hear that basically every facet of my shooting was open to serious improvement. Great! I thought, at last I can find out why these dastardly targets elude me!

Over the two days we shot as much as we could and had lectures on gun fit and the purpose behind the weekend - to provide specialised coaching to ISU ladies around the country and to select a squad to undertake further coaching at the AIS in Canberra. At the end of our weekend we were informed that if the coaches felt we had showed some

Queensland camp

postie arrived and handed me an envelope with a Canberra postmark. I could hardly contain my excitement, (and barely noticed that he seemed to be wearing a lot of cheap aftershave) and opened the envelope to find that I was one of those invited to the AIS.

In the weeks leading up to Canberra I

canteen. You may consume as much as you like but each of the foods available has a rating in accordance with how good it is for you. Green dot foods are an "excellent choice" and are high in carbs (athletic talk for carbohydrates) and low in fat. Orange dot foods are only a "good

Frankston Australia camp

choice" and red dot foods are labelled Stop and Think!

It was then that I realised the shocking fact that I was pretty well, dyed in the wood, Red Dot groupie.

I got over this by rationalising that several green dot foods earned you the

group, and have made a mental note to bring my own green dot stickers if I am ever at the AIS again.

Anyway what were we here for? Out to the range we headed for a very full day of shooting. There were two squads in each discipline and we all managed to get between three and four full rounds

That evening we watched the days shooting on video and had a lecture on visualisation and the role it plays in sport. I must admit to some fairly heavy visualising of an ice cold Fourx during this lecture but that was not to be.

The next day being Sunday meant that the range was only available for the morning. Most of us got two rounds in and attended a great lecture on goal setting given by Claudia Kulla (ASA Mental trainer). We then went back to the AIS, lunched and a few headed for the tourist spots. Unfortunately the War Memorial was undergoing major refurbishing to ready it for Anzac day and so, with only one hour to spend before closing, we visited the science centre. We made the most of that hour tearing around and reliving our childhood. Murray Alexander found a great way to reduce the cost of attending international competitions thanks to some video wizardry and a flying carpet. Thoroughly exhausted and just a bit thirsty my visualising skills from the previous night were finally realised at the Canberra tavern.

On Monday morning, I woke up in Siberia. I don't know where the sun had gone but it was nowhere in the ACT. Undaunted, the fearless Zena Warrior Princesses headed for the range.

As a Queenslander I was not quite pre-

right to the red dot stuff. Perhaps the hardest part was getting the red dot stuff, as you filled your plate with ice cream you could feel the eyes on your back as 75 abnormally fit people watched you in disgust. I managed to overcome this, as did a few others in the

in as well as working on specific targets. Lunch was a 'grab it when you want it', although one unnamed skeetie managed to score more than her fair share of pavlova. We were well and truly ready to head back to the AIS at the end of the day.

pared for what the day would bring. Driving rain and cold wind made the going a little tough, especially as most people had no wet weather gear. Still, inspired by the coaches (who stayed out in the cold longer than anyone) we had a constructive day. The double trap

shooters had joined us from this point and most people had time to thaw out in between rounds. Suffice to say we returned to the AIS and used up most of the available hot water. That evening was a lecture on drug testing in sport and we almost got to have a demonstration by one shooter who had been tested a few weeks earlier in Cairo. It was left to us to use those visualisation skills.

Tuesday was only a half day and the weather was marginally better. Most shooters managed at least two rounds and then it was time to pack up and start heading to the airport. Over the duration of the camp we had shot (well shot at) a total of 4,000 targets.

All in all the camp was a great success and everyone who attended came away with a head full of information. On behalf of the ladies who attended and

indeed the honorary ladies (Ben, Neil and George) I would like to thank everyone who put in many hours to make the whole ID program possible. I personally found the answers to many shooting problems and felt privileged to have attended. I made some new friends and now know more of the ladies involved in ISU shooting around the country.

23rd Annual Faminco Royal Flying Doctor Service Charity Shoot

Presented by Mount Isa Gun Club Inc

We would like to thank our sponsors because without their generous support and help this event would not have been able to continue over the last 23 years. This years sponsors included Faminco P/L, Greyhound Pioneer - travel, Curly Dann Outdoor World, Bell and Moir Mt Isa, Tubemakers Metaland, Byrne Electrics, Mt. Isa Painting Contractors, and Mr Tony McGrady Member for Mt Isa.

The 23rd Annual Charity Shoot was held on Sunday 26th April 1998 with almost 70 novice shooters taking part in the days events. It was another successful fundraising day for the Royal Flying Doctor Service. This day was made so successful because of the endless support from our sponsors, the members of the Mount Isa Gun Club who ran the shoot and provided all equipment and training, the RFDS auxiliary who ran the kitchen and kept our tummies full all day, and last but not most important of all, the novice shooters who came along and participated in having a go at clay target shooting. A big thank you to all those that were involved.

The day started out with our member for Mt Isa Mr Tony McGrady taking aim at the first target for the day. Then it was time for the teams of novice shooters to have a turn. The first event of the day was the Bell and Moir Novice Teams Event. This was a 10 target double barrel points score event.

The overall winning team was 'Hit & Miss' with a score of 106/150. The team members were James Curley, Dave curley, Steve Heyne, Stephen Coates, and Mark Cochrane. The running up team with 103/150 was 'Perrigan', Andy Elliott, John Agostinelli, Ron Whitehead, Stephen Tuppurinen and Scott Stevensen. The best ladies team in this event was 'School of Air 1' with a score of 75/150, Frances Apelt, Liz Moreland, Kaye Kuskopf, Beth Rutherford and Maureen Simpson.

The next event of the day was the Individual Novice Trophy event. This was a 10 target double barrel equal score event

and here we saw several shooters shoot ten or nine of the targets and then have to go out to the nerve racking shoot off. It was made even more nerve racking with everybody cheering the competitors on.

The main placings for this event were 1st Adrian Pope 21/21, 2nd Wayne Francis 20/21, 3rd Chris Ashmore 19/20, best lady being Liz Moreland with 9/10 and best junior Ben Watts 7/10. All the shooters then reformed their teams for the third event for the day which was another teams novice event. This event was also a 10 target double barrel points score. The overall winning team was 'Double Ups' with a score of 103/150. This team was made up of Gary Dank, Joanne Scales, Mark Cadzow, Thomas Belton and Edgar Lanskey. The running up team was 'Hit & Miss' with a score of 93/105, and the best ladies team was again 'School of the Air 1'.

Now it was time to add up all the individual scores of each shooter and see who, out of those who had shot in all three events, had shot the most points for the day. The Greyhound Pioneer Overall High Gun went to Andy Elliott with 67/70. The best lady shooter on the day received the Curly Dann Outdoor World Ladies High Gun and it went to Liz Moreland with 42/75.

The last event of the day was a chance for the club members to shoot some clays in a 25 targets point score vent. A grade went to Rod Cusack 75/75, B grade Dean Cusack 80/84 and C grade Anne Coleman 63/75.

After all the shooter was completed we gathered in the club house for the announcement of the winners and presentation of their prizes. Club President Neil Sinclair and Outback Quest entrant Judy Cooper did the honours.

Thank you once again to everybody for having a go at clay target shooting and making this charity day a success. We hope that everybody had so much fun that they will be back competing in the Royal Flying Doctor Service Appreciation Cup which is on Sunday 31 May 1998.

The management of Armas Kemen Spain together with our Australian distributor Mr John Gilopidis wish to congratulate the following shooters for their achievements during the 1998 National D.T.L. Championships in Perth.

Waratah State Notes

DATE CHANGES

You will note in this edition of the CTSN an advertisement regarding several changes in dates for our States major events. We usually do not move our State Carnivals as we have settled on specific weekends annually for many years. (2nd weekend August for Skeet, 2nd weekend September for ISU, 1st weekend October for Trap & 4th weekend September Grand Prix Final)

Due to the surprising scheduling of the 1998 ISU Nationals from October into September by the SACTA, (more especially considering the Commonwealth Games and World Cup Final the week prior) and in an attempt to accommodate all our shooters, we are forced to move our State ISU Carnival and State Grand Prix Final.

We decided it was impossible to also move the State Trap Carnival as well, even though the ISU Nationals dates also clash with that. Furthermore, due to the ISU Carnival change into August, we needed to also change the dates for the State Skeet Carnival.

Apologies to the NSW Shooters affected by this mess, however as you can see above, not a matter of our responsibility.

1998 ISU GRAND PRIX FINAL

As above, the ISU Nationals actually commence on the weekend of our ISU Grand Prix Final. Please watch this column next month for the date of the re-scheduled NSW ISU Grand Prix Final.

ISU GRAND PRIX SERIES SHOOT

June ISU Grand Prix shoot is at Canberra International on 21st June.

COACHING UPDATE

Mr Chris Davis, NSWCTA Coaching Co-ordinator for the past three years has resigned his position for personal reasons. We wish Chris all the best in his future endeavours and thank him for his service.

Coaching co-ordination for the time being is being conducted by the State Executive Director. We are embarking on new programs and structure of Coaching in this state and welcome suggestions from those interested in Coaching. Please also contact me if you have any queries.

INAUGURAL NSW MASTERS GAMES

The above event is being conducted at Coffs Harbour from July 24th to August 1st. For further information regarding this 9 day sports event as well as Nomination Forms, please contact NSW Masters Games, PO Box 2152, Coffs Harbour NSW 2450, or phone Helen Fielding on (02) 6653 3185. The logo for the event is "Play hard and party in Paradise". Sounds great!

Centenary of shooting for Warren Gun Club

One hundred years ago it was only a white bird. Now, it is a Golden Ibis. Warren Gun Club held their first Gun Shoot on 19th March 1898 and this year, 1998 for the centenary of Warren Gun Club, 180 shooters enjoyed the hospitality and friendship of the club.

It was to say the least, a fantastic weekend. Shooters travelled from far and wide, from all adjoining states including the Australian Capital Territory, to participated in the Lower Macquarie Championships and compete for some \$20,000 in cash and magnificent trophies.

There are many thank you's to be extended, to our wonderful workers, none less than the tireless effort of the lovely ladies who feed us. The bar people, office staff, trappers, blackboard, ref and scorers without whom the shoot would not be such a success. Our sincere thanks to one and all.

The weekend started bright and

shiny and the line up to nominate stretched 200 metres long. The first shot on time at 9am and away we went.

The first event was the cash divide and 40 shooters shared the spoils.

Event two was the First Lower Macquarie Championships. Fraser Roberts outlasted local shooter Arthur Turner to take first place and the green sash.

Event three saw Roger Duthie from Victoria win the Single Barrel and the lovely pendulum wall clock and all from Col Burn who excelled on Sunday.

Event four the Lower Macquarie Double Barrel was very capably won by Kudri Damaj. Kudri won the green sash and the beautiful, if different, book case. It took a bit of juggling to load for the lonely trek home.

Glen Castellaro who really enjoyed his weekend, was runner up.

Sunday morning, bright and early, red eyes and headaches but it saw all of us again on time.

Neville Owen from Albert took the Double Barrel event with a great 135/135 from Peter McDonald.

Neville won a great lounge chair in which to rest as a result of his great win.

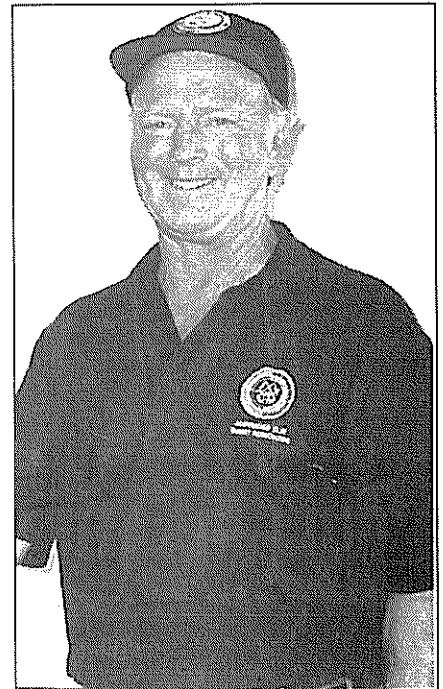

Event six was the Single Barrel Championship and Daryl Hunt came through with a 47/48 to outlast the happy, smiling Rodney Wright. Daryl had to fight Kudri for room in his ruck for the clothes dryer which he collected for his efforts.

Well done, Daryl.

Col Burt cleaned up in event seven, the Pointscore Trophy shooting 123/123 to outlast Steve Caltabianco. Local, Malcolm Stephens who had a great weekend in between helping run the shoot, took out the A grade.

The final event and I was happy to see this start. The shoot had run well until now and this didn't change.

That happy chappie with one wheel, Alf Guglielmino won the Double Rise with the one and only possible 30/30 to win the gun cabinet manufactured by Turners Sales & Services, Dubbo. Roger Duthie and Fraser shot 29s and had to shoot off. Roger got one over Fraser, about the only one for the weekend.

Fraser took out the Overall High Gun with a great result of 303/305 to win the black and white sash, Miroku shotgun and the beautiful Golden Ibis, handcrafted and donated by Peter Keough of Dubbo.

Roger Duthie, last year's winner took AA grade with 302/305.

Malcolm Stephens finished a great weekend taking A grade 293/305.

Scott Moody from Coonamble took B grade with 289/305 and Peter Graham C grade (after a little confusion, sorry chaps, thanks for your good sportsmanship) with 276/305.

All the shooters won their sashes and a Miroku Shotgun, valued around \$1700.

Lovely Karen Kennerson (I don't like short jokes!!) from Sydney won the Ladies with 271/305.

Philip Jackson of Gilgandra took the Juniors and the Gentleman's High Gun went to Preston MacIntosh with 272/305.

Well friends, that wraps up this shoot. Again, many appreciations to our helpers and the couple of sponsors, CTC, Turners Sales & Service - Dubbo and Peter Keough Jewellers, your help is very much appreciated.

As this is our centenary year, more will happen and will be advertised. This is a great accolade for Warren and Clay Target Shooting, so please help us to enjoy this memorable occasion.

1998 DTL Pre Nationals — 26 & 27 March 1998

The West Australian Gun Club (Inc) was looking picture perfect as competitors started arriving for the 1998 DTL Nationals due to start on Saturday 28th March. Considerable effort had been put in by members of W.A.G.C. (Inc) and two (2) lonely members from Katanning Clay Target Club, throughout the previous weeks to ensure that it was the best presented Nationals ground for this prestigious Carnival.

All of the W.A.G.C. Club members who helped out and worked extremely hard, were rewarded with a luxurious breakfast on Sunday 15th March. Thank you very much to all those workers, a job very well done and commented on by all visitors who saw the West Australian Gun Club (Inc) for the first or second time.

The Pre Nationals saw two events conducted with Thursday 26th being a 'Classic' Cash Divide and 94 shooters taking part and getting their eyes focussed on the structures and background which the Nationals would be shot over.

The second event, sponsored by Winchester Australia, was the 'City of Perth' Championship - consisting of 20 Double Barrel, 20 Single Barrel and 20 Double Barrel Points. The Overall Winner was Mr Robert Thompson (NSW) with a 200/200 after a shoot off with Ray Collinson, R. Elliott, R. Cameron and Bill Eagle. The event registered 171 shooters and more were turning up as late as 1.00pm to enter the competition even though nominations had closed at 11am. The West Australian Gun Club (Inc) sincerely thanks and values the sponsorship and support provided by Winchester Australia for this event at the last minute, due to sponsor problem.

Everything was tested over the Pre Nationals and found to be ready for the 'big' event. As the West Australian Gun Club (Inc)

has ten permanent layouts for competition, two extra layouts (11 & 12) were resurrected so that competitors would have maximum benefit from the facilities for both competition and practice as is necessary to be provided at Nationals.

To all visitors, both competitors and their families, Club members and Executive members, thank you for your support and the West Australian Gun Club (Inc) looks forward to the 1998 Skeet Nationals in October and seeing everyone back to enjoy our hospitality and facilities again.

Christine Alexander
President West Australian Gun Club (Inc)

Springsure Gun Club

Over the Easter weekend Richard Woolcock and Shawn Ryan travelled to Mackay to shoot at the North Queensland Games and landed home with so many medals they could hardly carry them! Richard won four gold medals, one silver and one bronze in A grade; Shawn collected a gold, silver and a bronze in AA grade. Well shot blokes and it was great to see our club represented so successfully.

We held our monthly shoot on Easter Sunday and although we did not have a huge roll up, we had a good day with Easter Eggs for trophies. These were won by Bruce Powell AA grade, Ken Perrett took out A grade, Chris Bliss B grade and Fred Peters was the C grade winner.

Police Shoot Gympie 29/3

Phone call Saturday night and I said the shoot started at 9am, so early start and arriving we found we were the only shooters, programmed start we discovered was 10.30. For the first time I saw everybody arrive, visitors being John Butter & Phillip Warren (Bundy), Lyle & Todd Vidler (Kingaroy), Bill McKechnie, Steven Steenstrup in company with Carla Kelly (Brisbane), Greg Manning, Chad & Barry Power, Greg Browne, Norm Keech, Peter Bannister, Kevin Howard (Sunshine Coast), Paul Anderson, also Ralph Kelly and Gympie Mayor Mick Vernados. Welcome to new member to Gympie in Alan Davey, with Peter Henschen, Vince Dollinson, Paul Anderson, Peter Pagliarino and yours truly. Great to see Dave Gardner drop in for a cooler, but didn't shoot, congratulations and best of luck Dave.

After large totals in the shoot, the shoot offs were very quick. The only shooter with a clean score was Kevin Howard OA & AA with 100/100. Second in AA after a short shoot off was Phillip Warren. Greg Browne (now AA) took A grade with Norm Keech second after a shoot off. Todd Vidler took B grade with C grade going to Gary Albright who is now B grade. Great shooting by all.

It was strange at the start of the shoot that Wal said some of his men had to have practice so a squad of police standing at 11 metres called for a target, drew their capicum spray and sent the target down in tears. Well if you believe that I can tell you anything.

Bundaberg President & Patrons Tribute Shoot 5/4

On arrival at Bundy we heard that Ted Turton had a motor accident and was in hospital. Today, being Monday, I rang his wife who informed me that Ted had several broken limbs and wasn't his cheery self. Ted had been a member of Bundy when he shift to Hervey Bay, he rejoined Maryborough as he had been a Maryborough member many years ago.

It was also today that I received the bible and in MTB thanked Ted for the score card box and wished him a happy 40th Anniversary. All members wish you a speedy recovery Ted, hope you are home soon.

Visitors to this shoot were Jim Riggs (Gladstone), Neil Berry & Irvine Wynard, Stafford Smith, Harry Walker and myself from Maryborough, George Linkset and Ken Vicary (Mundubbera) and Frank Robinson (Gayndah) who came in style, guess whose mum has a Rolls. I have seen shooters from that neck of the woods come shooting in planes and had their cattle painted white so they could see them arriving home on dusk, but Frank takes the cake. Of course it is the Robinson connection which keeps the Mark Shelley Memorial Shield sponsored, which is shot at the Central Burnett annual one day Citrus Carnival.

Welcome to new members Brad Allen joining Bundy on the day, and Judd Clarke new shooter.

The day was made up with 50t DB C'ship Doug Knudsen Memorial, 50t Pres & Patrons PS, 15pr Gordon Doblo Mem DR C'ship with the Pedro Petersen Shield shot over the first two events.

It paid Jimmy Riggs to come over from Gladstone as he took the OA DB, OA Points, giving him the Pedro Shield and Overall High Gun.

Gympie 12/4

It seems that Easter Sunday is the day that policemen have a morning in bed, as Vic just caught the first event with a squad of Tipmans and Wal just made the third event, but the sleep in proved to be the go as they all shot very well.

Visitors for the day Dayne Vincent, Brett Brown downgraded to B grade and Norm Keech & Barry Power (Sunshine Coast) with Harry Walker and myself (Maryborough).

The top shooter of the day being Vic Tipman after his sleep in

shot AA DB, 1st in Hcp, this metre being his twenty fourth, only one more to go Vic and you can't get any more, he also took the AA HG. Vic also drew the jackpot but after his big shoot of with his daughter Melissa in the Handicap who took second place, Vic was unable to shoot the first target in the jackpot.

Good shooting to Vic & Melissa and also young Ben, another Tipman, with 24/25 shooting off for third but the walking wore Ben down, good effort though Ben.

Bill Stolberg AA PS, Glen Durre AA DR, In A grade Norm Dale PS, Chris Post DR & Norm Keech DB & A grade HG. In B grade Warren Shelford DB, Brett Brown PS and Paul Sproxton DR & HG. Top C grade shooter was Harry Walker with the PS DR & High Gun, good shooting Harry.

Jim Kinghorn Memorial & Trans Tasman 26/4

Dale Whiting, one of our junior members went to Geelong in the Junior Team to shoot at the Oceania Championships which is Sporting Clays. Dale is also a member of the Fraser Coast Sporting Clays, news is Dale shot well but didn't bring home the bacon, congratulations Dale on giving it your best.

The second event of this program is the 50t PS C'ship and is used as our Postal shoot with Wairau Firth Gun Club in Blenheim NZ. We won it the first year but haven't seen the trophy since.

As I write MBT news arrived that Ted was home and doing well, we will see him on the tracks soon. I went to see him at home and he said he always wanted a sports car, he was sitting there with a broken nose, broken limbs and a split tongue, and said his sedan had been turned into a sports car. While he waited, unable to open his door, they lifted him out over the top of the car and as he looked at the remainder of the car he knew he could never use it again, sedan or sports. Good to see you home, it pays never to lose you sense of humour, keep getting better Ted.

Well with the large turn up being our inter club shoot with Fraser Sporting Clays, it turned into a day/night shoot, but someone forgot the fact we have no lights. Sporting clay shooters Dave, Max, Ron, Leo, Dave, Trevor, Tom, Lee, Ven, Brian and Tom (two) will return in two weeks to decide the winners.

Visitors from Gympie & Bundy - Brian, Irvine, Phillip, Jarrad, Bruce, Spencer, Gino, Jan & John, Brad, Adam & Tim, Kaye & Rob, Mathew & Chris, Emma & Frank, Bill & Lex - thanks to all for coming and sorry about the late finish.

Over at Gladstone Paul Anderson won 1st SB C'ship & AAg HG with some seconds, while Phillip Warren took 1st AA DB, 3rd Hcp and Overall Grand Prix 50t.

Welcome to new member Trevor Cecil, congratulations John Butters winning the whisky quickie board and Peter Shaw the meat tray. With Betty King & Heather in the Kitchen and thanks Holly with the main results being Event 1 25t DB AA to Paul Anderson, A Kaye Rehbein, B Ron Sorati & C grade Jarrad Smith. Event 2 the 50t PS saw Peter Shaw take AA, Tim Gardner A, Andy Wood B grade and Tom Brereton C grade. The Jim Kinghorn Memorial was won by Ron Sorati defeating Bill Stolberg with Rob Rehbein 3rd. Event four was shot in the day and couldn't be shot off, possibles by Rob Rehbein, Bill Stolberg, Chris Post and Norm Dale. Divided in B grade were Frank Robinson, Dick Osborne, Ron Sorati and Wayne Honor; C grade Jarrad Smith, Len Armstrong & Bruce Walker.

High Guns went to Peter Shaw in AA grade, Chris Post A grade, Andy Wood B grade and Tom Brereton C grade.

Well with a late but good shoot over, hopefully every arrived home safely, thanks for coming.

Good shooting to all, 'til next time see you at the shoots.

Flying Fox Carnival 1998

Great weather greeted the 39 shooters at midday on Saturday April 25 for the Club's second Flying Fox Carnival. Whilst the numbers weren't great, a good atmosphere still existed with the travelling shootings enjoying the renowned Taree Wingham hospitality and friendship.

victor, with a fine score of 62/62, from John Sleightholme Tamworth 61/62 AA grade. Paul Thompson, Wingham took A grade 37/38, Steve Wallis of Port Macquarie B grade 28/30 and Todd Humphreys of Newcastle C grade with 30/31.

Event 2 and down to business again for

worth AA grade 40/41. Dean Humphreys Newcastle took A grade 31/32, with local stalwarts Peter Ryan B

High Guns, left to right: Edward Emery (B grade), Todd Humphreys (C grade), John Sleightholme (Overall), Brad Hooper (AA grade), Scott Wallis (A grade).

Event 1, the Gemini Traps Double Barrel Championship, of 30 targets saw the program get away on time with 8 possibles and Ken Neill of Port Macquarie eventually walking away the

the Northern Zone Mixed Targets Championship. Ken Neil, following on from his great form in the first event, cleaned us up again and took the sash and the goodies with a score of 69/74. John Farrell of Coff's Harbour, overcame the new local boy Killer (Steve) Kilfoyle, in a shoot off for first & second in AA grade with Paul Thompson again winning A grade 55/60. Sydney shoot marshal Ed Emery won B grade 65/74 with David Berry, Taree taking out the C grade.

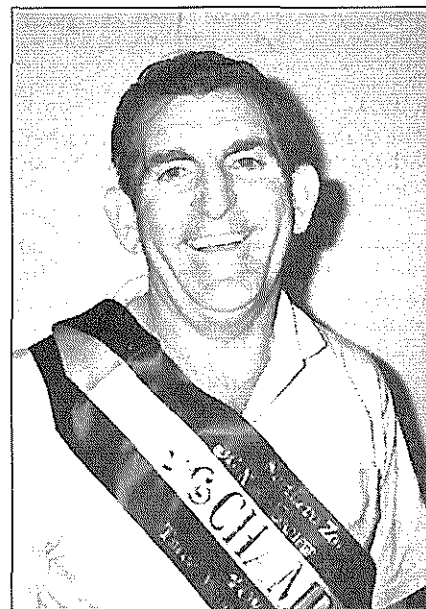

The State Night Mixed Targets Championship, sponsored by Taree Leisure & Camping, followed a great evening meal prepared by Lyn, Roma, Diane & Jan, and with still conditions prevailing all shooters had the opportunity of taking home some great camping gear to put a smile on the kids (grandkids) face. John Sleightholme did just that when he defeated Michael Blenman of Guyra in a shoot off for the red sash with a score of 68/71. Graham Haynes of Kempsey took A grade 54/60, Steve Wallis Port Macquarie B grade on 47/60 and Ian Thompson of Coff's harbour C grade with 45/60.

Sunday morning, fine weather and blue skies greeted the competitors on Day 2 with 37 shooters to contest the 3 Championships for the day.

Event 4, the Olympic Targets Continental Championship of 25 targets, saw Kempsey shooter Brad Hooper win the event 41/41, with Arthur Vine of Tam-

grade 23/25 and Neil Haynes C grade 21/25.

The Anzac Handicap followed and saw young A grader Scott Wallis of Port Mac-

quarie who has only been shooting for just over twelve months win the event 30/30, the sash, two cases of shells and 1 metre. Scott defeated Arthur Vine in the shoot off for first and second places. Third was Brad Hooper 28/29, Bill Jones fourth 27/29 and David Berry fifth 37/39.

The last event for the carnival was the Flying Fox Fifty Championship, 25 targets double barrel and 25 targets pointscore. John Sleightholme again showed his ability by taking the cash and the special flying fox trophy with the great score of 124/124, from Brad Hooper 120/124 who won AA grade. A grade went to Scott Wallis 96/100, B grade to Ed Emery 99/108 and

C grade to David Berry 80/108.

At the end of Day 2, the Overall High Gun aggregate required another shoot off between Sleightholme and Hooper, and saw John take the spoils again with the excellent total score of 361/375. AA grade was taken by Brad Hooper 355/375, Scott Wallis 268/300 cleaned up A grade while Edward Emery 251/300 took B grade honours. C grade to Todd Humphreys 254/300, Junior B. Edwards 248/300, Ladies Geraldine Kilfoyle 227/300 and Veteran Peter Smith 246/300.

The Committee extends our thanks to all hose shooters who travelled and we gratefully acknowledge the support of our sponsors, Gemini Traps, Old Bar Cellars, Taree Leisure & Camping, Waites Tackle & Sports Store, Taree Mitre 10, Olimpyc Targets and artist Ron Hindmarsh.

Also well done and thank you to our ladies in the kitchen and helping members, it was great to see the big smiles on the father and son team of Steve & Scott Wallis at the end of the presentations.

South West Zone Carnival, VCTA

The Noorat Clay Target Club hosted the South West Zone DTL Carnival for 1998 on April 26 with shooters attending from Noorat, Macarthur, Beaufort, Horsham, Geelong, Hamilton, Tyrendarra, Colac, Warrnambool, Maryborough and Werribee-Victorian for a total of 46 shooters attending.

The attendance was disappointing but the day was windy, overcast and raining which I am sure accounted for the non attendance of the faint hearted.

Many thanks to our major sponsors, Bay City Targets, Jetset Travel (Ballarat) and Kevin Wright, stockmaker.

The Noorat ladies committee worked tirelessly all day providing the food and they reported that the cold weather at least whetted the appetites of the shooters.

Tournament Director and Zone President Len Cook, assisted by Shoot Marshall Andre Agterhuis and assistant Shoot Marshall Brian Saloman, finally got the shooters from the clubhouse and noise commenced about 10.30am.

Noorat has now got four traps and the grounds and surround were well prepared by the Noorat club members led by President Beau McLennan and inspired by Secretary Keith Vagg and Trap Mechanic Gary Hayden.

Zone Treasurer Trevor Smith looked after the office and Murray (Ironfinger) Gruar was the Handicapper for the day. Zone Coach Bruce Jennings looked after the public relations. Zone Secretary Jack Matthey couldn't find much to do and someone was heard to say that with Jack's reputation for forgetfulness he probably forgot where to look.

Main results are as follows: 20t SWZ Hcp: 1st A. Evans 20/20, 2nd P. Cleggett Jnr 21/22, 3rd R. Duthie 20/22, BM J. Shepherd 32/36. 25T SWZ DB: OA & AA: R. Duthie 75/75. 25T SWZ PS: OA & AA: Glen Hayden 75/75. 25T

SWZ SB: OA & AA: A. Pollock 27/27. SWZ TEAM: Hamilton 524/580 - A. Pollock, P. Cleggett Snr, R. Duthie, M. Gruar. OA HG: R. Duthie 138/145; LADIES HG: C. Carlon 121/145; JNR HG: G. Wythe 126/145; VET HG: J. Matthey 123/145.

Junior incentive G. Wythe, A. Pounceby, P. Cleggett Jnr.

Special thanks also to Peter McDonald and Colac members for looking after the scoreboard, and Murray Gruars apprentice, Melanie.

Noorat club members and SWZ members are thanked for their tireless efforts on a difficult day (weather wise). I apologise to anyone I have overlooked, but their services were appreciated.

Tasmanian State Trap Championships

The Tasmanian State Trap Championships were held over the long weekend of 24th, 25th & 26th January 1998 at the Tasmanian Gun Club, Evandale.

True to form, the weather could have been quite a bit more favourable, but here in Tassie, we are convinced that the higher powers have other ideas when it comes to major events. For weeks prior to this weekend, believe it or not, the sun would scorch your eyes out, 30 degrees plus for days on end. Even the week prior to the Championships our trap boys were feeling the heat at club level, so we took the initiative to hire more trap boys for the Championships so as fatigue and dehydration was not an option. We need not have bothered. Wind gusts to 90km p.h., freezing cold, raining, you name it, we got it on this weekend. Never the less a very successful weekend was had by the shooters, even though a few grumbles were heard in relation to the scores shot.

Saturday the 24th of January started off reasonably well with the State Double Rise Championship which was sponsored by Gun Sales and Service. Stephen Webb was the Overall Winner with a score of 57/60 after a short shoot off with Stuart Brown. Needless to say Stuart won the AA grade, with Christopher Rockliff winning A grade 45/50, Steven Lowe winning B grade 45/50 and T. Bartle winning C grade 36/50. Ladies winner was Nannette McCallum, Sperry Marshall winning the Veterans and J. Munn the Junior winner.

The next event of the day was the T.C.T.A. Double Barrel Championship. A total of 14 shooters shot the event clean, but Tim Atkins was the Overall Winner with a score of 124/124. He looked ready to settle in for a few hundred, but words from his

own mouth after were "They just couldn't go the pace." That's Tim. Bevan Swan managed to stay the longest with Tim but one just got away, therefore taking out AA grade with a score of 123/124. Andrew Otley took out A grade, the only A grader to shoot them clean, but just couldn't hang on in the shoot off for Overall. E. McClelland won B grade with 57/58 and Andrew Weeding won C grade with 54/57. Once again Nannette McCallum showed us how to win the Ladies again with 57/58, after a shoot off with Christine Galloway who was trying her best to overcome her. The 'Old' Veteran as he is known around the tracks, Sperry Marshall, cleaned up the Veterans and Stephen Coates won the Juniors.

Sunday the 25th of January, well that's a completely different story, as they would say, "it would blow the milk out of your cuppa tea." Now that's an understatement if ever there was one. Gale force winds from the east swept up the whole State, it's a wonder the poor State wasn't blown off course and ended up underneath Western Australia. But never mind, we battled on. The State Double Barrel Championships, sponsored by the Aylett Family, was the first event for Sunday. Tim Atkins put out the challenge again, but the others just couldn't go the pace again. Only three shooters shot the event clean, but only managed to go an additional 15 targets before the weather got the better of them. Rob Christopher was the last to drop out, leaving Tim winning again. But at least Rob won the AA grade, if not the Overall.

Raymond Groves was the A grade winner with 49/50, Stephen Lowe the B grade winner on 48/50 and Kelvin Underlin the C grade winner on 48/50. Three guesses as to who won the Ladies, Nannette McCallum once again with a score of 48/50,

with Sperry winning again the Veterans on 49/50 and Jason Munn winning the Juniors on 47/50.

The second event on Sunday was the State Single Barrel which is sponsored by the Trustee's of the East Coast Gun Club. You have never heard some of the many excuses as to why they missed. The weather was the main excuse, and guess what, you'd be right, it was. Targets were blowing back into the trap houses and broken pieces sometimes landing on the tracks where the shooters were standing. But never the less, we muddled on. Tim Atkins showed the rest of us how to shoot them, once again winning Overall with 45/50. Mick Burling won AA grade on 46/52.

The Juniors in Stephen Coates winning A grade on 44/52, David Glover winning B grade on 43/50 and Andrew Weeding on 32/50, showed the maturer ones amongst us how to do it under tough conditions - 'must be the young eyes' as was heard from the crowd.

Sue Yates won the Ladies on 42/50, the 'Old Veteran' again in Sperry Marshall on 45/50 and Adam Arnol winning the Juniors on 34/50.

The Don Taylor Interclub Team shoot was scheduled for the Sundays competition, but due to the weather, this was postponed until Monday, hoping the weather might improve, well guess what, it didn't. Hobart Gun Club was the victorious Team with a score of 89/100 with team members being John Vanderwal, Nigel Webb, Roy Garwood, Sperry Marshall and Stuart Browning.

The State Points Score Championship which is sponsored by the Trustee's of the Huonville Gun Club was the next event on the program. Allan Ford from the big island won Overall with a score of 147/150, a mighty effort considering the weather. Alex Beer won AA grade on 146/150, Brenton Schild won A grade with a score of 141/150, B grade was won by Percy Tatnell on 136/150 with the Ladies coming to the fore by winning C grade, Sandra Ellis with a score of 116/150.

You guessed it, Nannette McCallum won the Ladies section with a score of 142/150, the 'Old Veteran' again Sperry Marshall on 134/150 and Katrina McLaren won the Junior section with 129/150.

That concluded the Competition events, with the State Team Members for Open, Ladies, Junior and Veterans being named. Due to the unsafe condition in relation to the gale force windy weather, some of the more petite shooters, or less muscly if you're a bloke, were actually being blown off their stance. Action had to be taken to ensure that no mishap occurred, so the Management, along with the shooters, agreed that due to unsafe conditions the competition needed to be suspended and continued as soon as possible in the near future. The Teams Matches continued a week later, but needless to say the weather was not perfect. A little better perhaps, but not as good as we would have liked. However the scores were on the boards, so to say.

David Glover won the Team High Gun for the Junior Postal Shoot, Nannette McCallum won the Ladies Team High Gun, Sperry Marshall the Veterans Team High Gun and the Open Team High Gun was won by Graham Blaskett on 168/171 after a shoot off with Sperry Marshall.

High Guns over the program were won by Stephen Coates - Junior High Gun 292/350; Nannette McCallum - Ladies High Gun 320/350; Sperry Marshall - Veterans High Gun 319/350; Stuart Browning - Overall High Gun 331/350.

Stuart was knocking on the door all weekend, couldn't manage to win an event except for the Double Rise, but came out and showed us all how to be very consistent and persistence paid off for him. Well done Stuart. Just goes to show how the scores add up at the end of competition.

A big thankyou to our many mainland visitors who attended the shoot, sorry about the weather, hopefully next time we will

be able to show you just how hot it gets down here sometimes.

The State Association would like to thank the sponsors for their valued contribution. I would also like to personally thank, first of all John Sturzaker for all his work as Shoot Marshall, Doreen Aylett and Janet Browning for their assistance in the Office and the ladies in the kitchen that fed and watered us - Anne Hanson, Alison Sergeant and Peggy Groves. Thanks to all those people, we wouldn't have managed without you.

Maybe next year when we plan our State Carnival we can place an order with the hierarchy for more acceptable weather. We think down here that it must be the mainland visitors that bring the bad weather with them, only joking.

Tassy Tattler.

Nationals Sweeps

Members would have noticed in the CTSN various information regarding the National Sweeps Competition.

We have completed the first round with some degree of success, the success being that the concept works.

All that we need to achieve now is to substantially increase the level of participation, bearing in mind that over the sweep, if over 1000 shooters participate, the prize pool would amount to over \$10,000.

I have no doubt that once the prize pool is known to shooters, participation will substantially increase therefore your support is critical to the success.

ACTA clubs will benefit by increased attendance especially where shooters have a large prize pool offered.

Entry is simple for both the shooters and the club and any inquiries can be answered by Libbie on the hotline: 02 63614443.

*Yours faithfully
Allan Kenny*

Dear Graeme

I had been told of the wonderful shooting complex at White-man Park, West Australia and after my first visit there for the recent Trap Nationals, I was most impressed with all the facilities, both inside and outside the clubhouse, a truly world standard complex. The capable staff manning all aspect of the running of the shoot, so competent and efficient. My five visits to West Australia for Nationals have always been so enjoyable and have a friendly atmosphere all around.

I am well aware of the first priority for Nationals is excellent shooting grounds and the next is a social atmosphere enjoyed by ladies and visitors which I hope will still continue even if we have a National Ground. On a regular basis I have attended thirty one Nationals and never fired a shot. I have made a decision I will not be attending each year, hoping sometime to see you at shooting complexes around our Australian states. Of course I will keep in touch and value the many friendships Ron, myself and our family formed since beginning our shooting competitions in 1962, in the trap skeet and ISU disciplines. Look forward to seeing you at our Brisbane club sometime.

Good shooting to all.

Muriel Porter

Cuzzo's Ramblings

From 1988 until 1993 I lived the greater part of my life in the U.S. and travelled on the Skeet Shooting "Circuit" making my living as a professional shooter. One of the questions that always comes up in conversation when recounting these times is, "If you shoot on the week-ends, then what do you do to fill in your time for the rest of the week?" To answer that question I usually run through one week in the life of a profession shooter and here it is.

The week starts on Wednesday morning, when you rise at 6.30am to catch a cab at 7.15am, which drops you off at the bus terminal in time to catch the 7.30 bus to the airport. Although I lived in Stamford, Connecticut, the nearest airport to me was LaGuardia Airport in New York City. The bus drops you off at about 8.40am, depending on the traffic, in time to catch the 9.30 flight to Chicago. All airlines in the U.S. use the 'hub' system, where you travel from point A to point B by flying from point A to a hub and then catch a connecting flight to your actual destination. I always flew with United, who I found to be an excellent airline and their major hubs are Denver and Chicago. Thus all your travel around the East Coast, the Mid West and the South, which was most of it, would be via Chicago, and any travel to the West Coast would be via Denver. This put you into Chicago around noon, depending on the weather, and thus your connecting flight would leave between 1.00 and 2.00,

which usually put you at your final destination around 4.00pm. By the time you collect your baggage, hire your rental car and get out of the airport it would be 5.00pm and by the time you get to your hotel, check in, move in and settle in, it is around 6.00pm and time for dinner. After dinner you usually socialise with the other shooters for a while, as they generally all stay at the same hotels, and then off to bed.

On Thursday morning you rise around 7.30am to arrive at the gun club around 9.30am, to check in, pay your entry fees and options (unless your deposit which you sent months ago to reserve your position) and shoot some practice to get used to the local conditions. You may also do some hourly rate shooting lessons with some of the local shooters, who would have arranged this in advance. All this need to be done by 1.00pm when the Doubles event starts. At 1.00pm you normally head off to the local mall, or some similar place, to have lunch and maybe do a little shopping. You return to the club around 4.00pm to shoot on the last flight at 5.00pm. The later Doubles flights are the most desirable, so provided you are well up the pecking order, you shoot on either the 4 or 5pm flight. The shoot off starts at 6.15pm and provided you shot well enough earlier, you go out and try to finish the last five to open your cashier's account. The shoot off is usually over by 7.00pm, whereupon you go off to dinner with whichever party you choose.

On Friday morning, you again rise around 7.30am to arrive at the club around 9.30am as, on the shooting rotation you have selected, you shoot two guns today, the 12 and the 20, at 10.00am and 4.30pm respectively. You finish shooting the 12 at 11.25am and are now free until around 4.15pm, you never have to referee or score as these two jobs are done by one and the same person, the referee or 'puller' as they are commonly known, who are paid employees of the gun club who take their job as seriously as you take yours. Now you go and have some lunch, either at the gun club, or some local haunt frequented by the shooters, and then fill in the rest of the afternoon playing cards or talking with the other shooters or buying nic-nacs from the trade vendors etc. You finish shooting the 20 around 6.00pm and then go and get ready for the 12 gauge shoot off, where hopefully you again add to your cashier's account. Tonight you probably go to a different restaurant with a different group of people and won't worry about getting home too early.

On Saturday morning you probably sleep in until about 9.00 and then go sight seeing around the local area as you only shoot one gun today, the 28, and you don't shoot that until about 3.00pm. You arrive at the club around 2.30 and finish the 28 by 4.20pm whereupon you hurry aback to the clubhouse to take over the place in a card game of someone who shoots at 4.30pm. Around 5.45 pm the card game winds up and you go and check the scoreboard to see how many 100s there are in the 20 and 28 as both these guns will be shot off and won tonight. You go out in the 20 gauge shoot off with 47 other people and proceed to hack away at the first six or seven pairs, wondering what is wrong with your timing and then miss both targets on 4 coming back.

This causes you to leave the field amid a fair amount of friendly ribbing, smiling on the outside, but cussing on the inside, about all of yesterday afternoon's hard work being to no avail and how the option money will barely cover your entry fees. After changing your tubes, you go back and watch someone else win the shoot off and then congratulate the winner and runner up. You then go out and finish second in the 28, but it doesn't matter too much because when it got down to the two of you, you agreed to split the money, and 'All American' ranking points for second are better than none. Following that, you and your partner are called to split a four way tie for two man team, which you win and the cash register ticks over again. Due to finalising two guns, the shoot offs don't finish until 9.15pm under lights, but it doesn't matter as no one is going anywhere

anyway, because the shoot committee is providing free dinner at the club for all comers. Around 2.00am the gun club manager throws the last of you out and you wander off home glad that you're not on the rotation that shoots on the first flight tomorrow.

Sunday morning you wake at 9.45am and wander down to the pancake parlour with the rest of your squad (who you shoot with every weekend) and have some brunch and then get to the club by 12.30pm to shoot at 1.00pm. You are 300 straight at this stage and hoping to break your 400x400 for the year, but you shoot a 98 which puts you out of the money in the 410 but puts you in a three way shoot off for 3rd, 4th & 6th in the High Over All (there were two 399s) which you win and add another \$675 to your account. Within twenty minutes of the last shoot of finishing, the cahier announces that pay outs are ready and you can go and collect your winnings, say your good-byes and return to the hotel, where you have a quiet dinner with your two man team partner and his fiance and get an early night.

Monday morning you rise at 7.00am, check out of the hotel at 8.00am, arrive at the airport at 8.45am, de hire your rental car and catch the shuttle bus to the domestic terminal. You arrive there at 9.15am to check in your luggage and catch the 10.00am flight to Chicago and retrace your steps home. You eventually get there at 10.15pm after several delays on the way caused by bad weather in Chicago, traffic back up keeping you in a holding pattern over La Guardia and a wreck on the Interstate #95 throwing the bus schedules out of whack.

So what does that leave? Tuesday! Good old Tuesday! The busiest day of the week. You rise at 7.00am to unpack your suitcase, do your laundry and repack it again. Then you go to the post office, collect your mail and return home and go through it. After replying to your mail and paying your bills you go via the Post Office on your way to the grocery store, the barber, the dentist, the travel agent and the bank. After all your errands are done you hurry home to make a number of phone calls, during business hours, to order some more shells, order a new chamber for the bottom tube of your 20 gauge tube set and a tighter choke for the top barrel of your 410, and query an entry on your credit card account. After dinner you make several more calls to locate a late payment from a shoot last month, organise another shooter to fill a spot on your squad next week and contact a shoot organiser to change a rotation time at a shoot next month. After that you write several shoot reports for your sponsors and then try to get to bed early as you have to be up at 6.30am.

So there it is! As Wayne Mayes once said to me: "It's a hell of a job Cuzzo, but someone's got to do it."

This month's shooting trivia question: When was the last year that the National Skeet Championship was conducted at the Trap Nationals, what was the venue and which two shooters finished champ and runner-up? If you think you know the answer to the question, put it in an envelope and mail it to: Shooting Trivia, PO Box 165, Bairnsdale Vic 3875. All correct answers received by noon on 15-06-98 will be put in a barrel and a winner drawn. the winner's name will be published in the August CTSN and he/she shall receive a free nomination to the 1998 National Skeet Doubles Championship in Perth.

The trivia question competition is not run by the ACTA. It is organised by the author, whose decision shall be final, and no correspondence will be entered into. If you have either a good trivia question or a subject you would like discussed in this column, please forward it to the author at the above address.

Good Luck and Good Shooting.....

Condobolin Gun Club

from R.W. Thompson

Looking in to the past, we find an article on the Condobolin Gun Club as it appeared in the local newspaper called The Lachlander on Monday 27th May 1940. From what the club can ascertain the shoot was a mixture of clay targets and live birds, however even back then it appeared difficult to get shooters to travel judging by the small field of 10 shooters. I wonder what these shooters would say when they see the double rise scores of today when 4 out of 6 was considered a good score for three pair of double rise back then.

"Jubilee Charity Shoot

Notwithstanding the very hard work expended by members of the Condobolin Gun Club committee in preparation for the clubs program of events listed as a contribution to the Jubilee Charity appeal the attendance of shooters, particularly the locals, was lamentably small.

Weather conditions for shooting were almost ideal, the light, changing occasionally, causing odd competitors "off guard".

Due to the lack of attendance, only one event was decided before the luncheon adjournment and it was noted early that competition was to be very keen. A strong contingent of shooters from Sydney and Peak Hill demonstrating they were "old in the art of shooting."

The opening event at 5 clays was won outright by K. Cross (Sydney) with a full score. Others, E. Cross 3-5, "McKenzy" 4-5, C. Corcoran 3-5, C. Cross 2-5, W. Gavel 3-5.

Event two was a single barrel handicap of 5 clays. It was keenly contested and resulted in a tie between E. Cross (Sydney), T. Lawler, C. Corcoran (Peak Hill) with scores of 4-5. Shooting on for the decider, Cross failed to stop his second release. Lawler and Corcoran both missed the third, this brought forth a great deal of encouraging advice from the spectators, but appeared to 'spur' them on and it was not until the 11th round that Lawler failed to see his opponent score and win.

Event 3 Pigeon sweepstakes (miss-out) from a field of 9, only three in C. Willis, "McKenzy" and W. Gavel were left in at the 4th round and divided.

Event 4 Miss-out at pigeons released from the pit. T. Lawler scored an outright win from a field of 10, on 3rd round.

Event 5, similar conditions, was divided on 3rd round by A. Lewis, "McKenzy" and C. Willis.

Event 6, Jubilee Handicap (15 clays) attracted seven entries and was a much better contest than the scores indicate.

The final event of the day, at 3 pairs (clays) double rise, which was shot in the failing light of dusk was won by C. Cross with the good score of 4 out of six."

In Appreciation

Rupert Henwood

Gretta, Jack, Moira, Craig and Katie wish to thank all friends and fellow shooters for your kind thoughts and support during the sad loss of Rupert.

Cohuna Clay Target Club Inc

If it take the Cohuna Clay Target Club to have a shoot on a Sunday to make it rain then we will have another shoot next week. Some of the shooters may have got wet on Easter Sunday but that certainly didn't dampen their spirits, or make a difference to the good scores that they shot in the first of the Kerang - Cohuna 2 day Easter Shoots.

Cohuna shot on the Sunday with the first event being a 15 target Double Barrel Sweepstakes. Peter Orr, Neil Morrison, Malcolm Absalom, Jarrod Fletcher, Jim Finis, Gordon Fletcher, Ozzie Hayek and Neil Sutherland were the shooters to share in the sweeps money.

The first of the Championship events for the day was sponsored by Ruffell Family Jewellers of Bendigo and Kerang. A few perfect scores in the 25 target Ruffell Family Jewellers Pointscore Championship saw a shoot off to see who was the AA grade and Overall winner. Congratulations to Ray Peatling 81/81 with Ben Radford coming second 80/81. A grade winner was Gary Brown 72/75 with second place going to Ken Bruns 71/75. Bob Fowler 67/75 showed that age is no barrier beating Trent Whyte 69/78 in B grade. C grade winner was Adam Twigg 66/75 with Roddy Lea 64/75 coming second.

The 25 target Orrs Insurance Single Barrel Championship showed who had the most accurate eyes with AA grade and Overall to John Blain 31/31 after a shoot off with Colin Orr 30/31. Gary Brown 24/25 was the winner of A grade again with Brian Beard a close second 23/25. B grade winner was Bill Perry 24/25 with Trent Whyte second 23/25. Barry Ashwin 24/30 was the C grade winner after shooting off with Ken Hall 23/30.

The last event for the day was shot in the rain - lovely, and it seemed to make the shooters concentrate more as the list of possibles shot seemed to be never ending. The 25 target Murray Goulburn Co-op Double Barrel Championship AA grade and Overall winner was Gill Caristo 100/100 after a long shoot off with Mark Vistarini 99/100. Ivan Dower 52/53 was the eventual winner of A grade with Jarrod Fletcher 35/36 coming second. B. Hutson 24/25 was the B grade winner with M Scott coming in second. Adam Twigg 24/25 continued to shoot well to win C grade with Ray Whyte 30/34 coming second.

The Cohuna Clay Target Club was proud to be able to present Overall High Gun Sashes and Trophies to the winning shooters over the days events. Congratulations go to Casey Fletcher for taking out the George Smith Overall Sash shooting 138/140. Not bad shooting with little sleep! A Grade High Gun winner was Gary Brown 133/140 who showed that knee surgery is no problem to the dedicated shooter. B grade High Gun winner was a very proud Bob Fowler 124/140. We do expect you to defend this honour next year Bob. C grade High Gun winner was Adam Twigg 122/140 who shot consistently all day. The Ladies High Gun

winner was Sissy Thompson 111/140. Ben Radford 137/140, who is the National Junior High Gun winner came close to the Overall High Gun and managed to take out the Junior High Gun. George Smith 127/140, with a smile on his face, was the Veteran High Gun winner.

The Kerang-Cohuna 2 day Easter Shoot HYSKOR (Brett Dunstan) High Gun sashes and trophies were presented by Ray Peatling and Mark Vistarini, with Casey Fletcher 261/265 taking out the honour of the Overall 2 day High Gun winning the gun safe donated by Brett Dunstan. Sissy Thompson 210/265 was the Overall Ladies High Gun winner. Ben Radford 259/265 took out the Overall Junior High Gun. George Smith 249/265 was the Overall Veteran High Gun winner and certainly showed that he had a sash and trophy that he valued.

The last, but not the least, was the winner of Rockies Raffle. Again congratulations went to Casey Fletcher who managed to draw his won ticket out of the barrel. Winners are grinners when it is their day isn't it Casey?

George Smith Veteran Overall; Sissy Thompson Ladies Overall; Casey Fletcher Overall High Gun; Gary Brown A grade Overall; Adam Twigg C grade Overall; Bob Fowler B grade Overall; Ben Radford Junior Overall.

A big thank you must go to our sponsors for our Easter shoot in the Ruffell Family Jewellers, Orrs Insurance, Murray Goulburn Co-op, George Smith and Hyskor (Brett Dunstan) Safes for their support. Promotion of your business, the area of Cohuna and the sport of Clay Target Shooting is appreciated by the Cohuna Clay Target Club, the Shooters, their families and supporters.

Don't forget to mark the Easter weekend 1998 as a holiday for the family on the Murray and enjoy the facilities, the weather, the surrounding areas and the competition that this area provides. See you next shoot.

Guyra Gun Club Inc

Outstanding Trap Carnival at Guyra

Allan Jones, AA grade High Gun

The 1998 NSW Northern Zone Trap Carnival conducted at Guyra Gun Club attracted record attendances and despite blustering easterly winds on Saturday and cloudy, showery conditions on Sunday, excellent performances were posted to the scoreboard.

The carnival was formally declared open by Guyra Shire Mayor Stuart St. Clair, who then broke the first target to get the competition under way.

Clubs throughout the Northern Zone were well represented with 118 shooters competing on both days.

Event 1, the Northern Zone Double Barrel Championship, was won by Andrew Futter of Glen Innes 74/74 after a shoot off. Graham Sweeney, Guyra, took AA grade 73/74. A grade went to Chris Lindsay, Newcastle, 68/69; B grade to Noel Rodgers, Coffs Harbour 46/47; and C grade to Tony White of Grafton 27/28.

Event 2, the Northern Zone Single Barrel Championship, went to Michael Blenman of Guyra 30/30

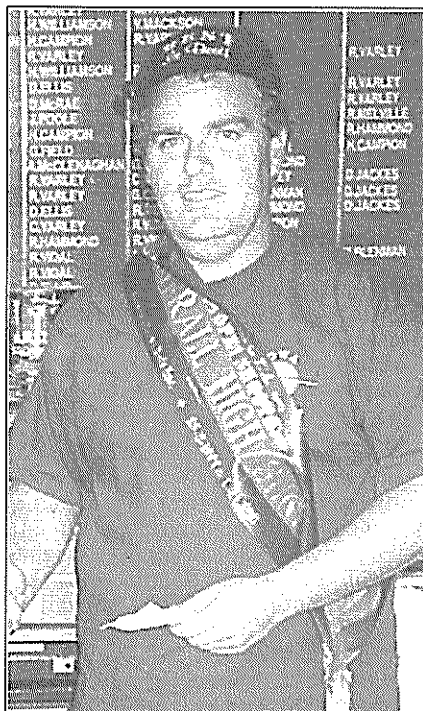

after a shoot off with Peter Holmes, Tamworth, who settled for A grade 29/30. Roger Vidal, Guyra, took AA grade 25/26, Terry Steel of Gunnedah B grade 40/42 and Kevin Harding of Richmond River GC took C grade with 24/25.

Helen Gay, Ladies High Gun.

Chris Lindsay, A grade High Gun.

Ian Merrick, Overall High Gun.

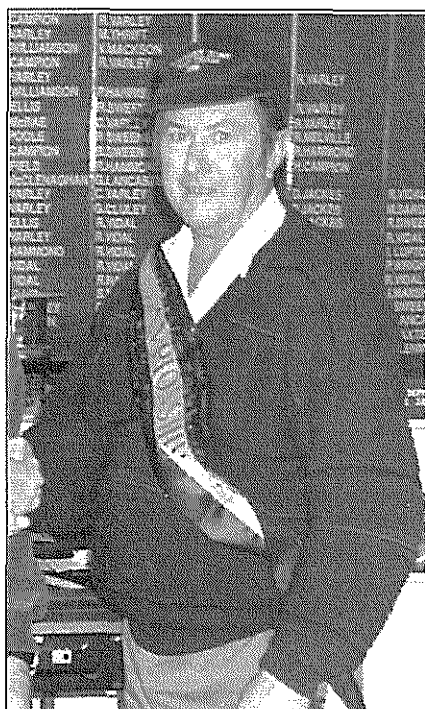

David Harris and Andrew Futter, Northern Zone Double Barrel.

Michael Blenman, Northern Zone Single Barrel.

Event 3, the Guyra Gun Club 50 Target Super Trap, saw a number of possibles posted. After an extended shoot off Roger Vidal, Guyra, 149/149 took Overall from Ian Merrick, Cobar, who shot 148/149 for AA grade. Garry Rommell, Cessnock, A grade 94/95, Roley Palmer B grade 70/71, and C grade again to Kevin Harding 49/50.

John Kent, Northern Zone Point Score.

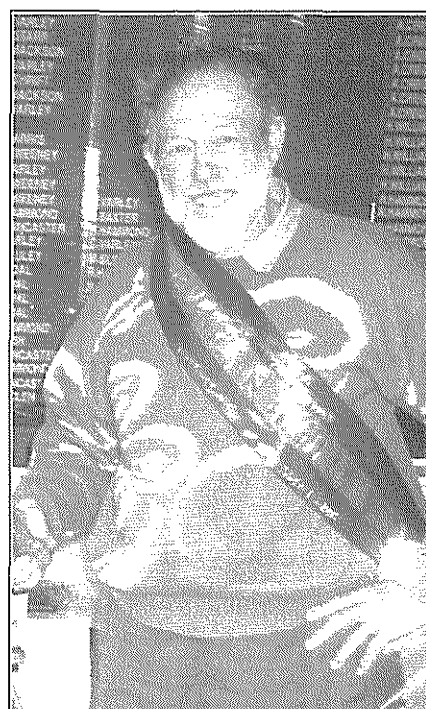

High Gun wide open.

Conditions improved somewhat on Day Two. The blustering wind was gone but an overcast sky made for difficult light, nevertheless scores improved overall.

Event 4, the 35th Anniversary 50 Target Championship, went to Ian Merrick 120/120; AA grade to Peter Fitzalan of Dubbo 117/120; A grade Bud Sweeney of Guyra 99/100; B grade to Steven Wallis of Port Macquarie 99/100 and C grade to Brent Smith of Richmond River 95/100.

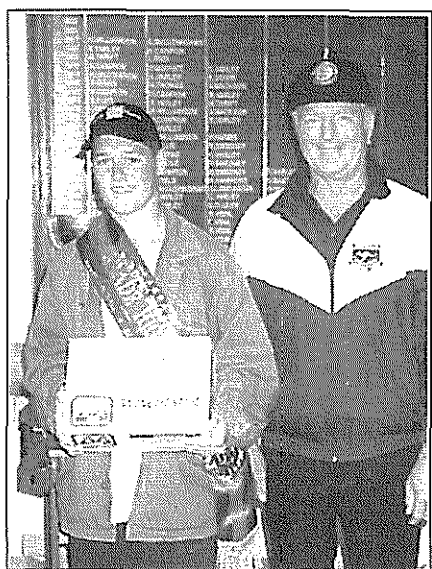

Event 5, the Northern Zone Pointscore Championship, was won by John Kent of Inverell 105/105, after a shoot off. Brad Hooper, Port Macquarie took AA grade 104/105; Veteran George Foster of Newcastle won A grade 74/75; Terry White of Grafton won B grade 85/87 and Paul Mephram of Inverell took C grade 70/75.

Event 6 was the Miroku Challenge Handicap and was shot in showery conditions with the first place going to Bruce Moss of Singleton off 11 metres with 38/38. Second to Roger Vidal of Guyra, the 25 metre backmarker shooting 37/38; third to Colin Burt of Tamworth off 21 metres shooting 33/34; fourth to John Sleightholme of Tamworth, off 20 metres shooting 31/32; fifth placing to Brad Roberts of Coff's Harbour off the 16 metre mark scoring 28/29.

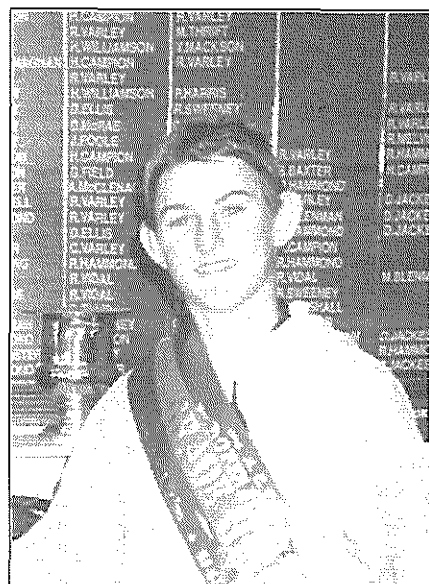

George Foster, Veteran High Gun.

High Guns: At the end of two days of competition Ian Merrick and Allan Jones were tied four points down at 296/300, a shoot off required to determine Overall and AA Grade. Ian outlasted Allan to take Overall 308/312 and the \$1000 purse, Allan taking AA grade with 307/312.

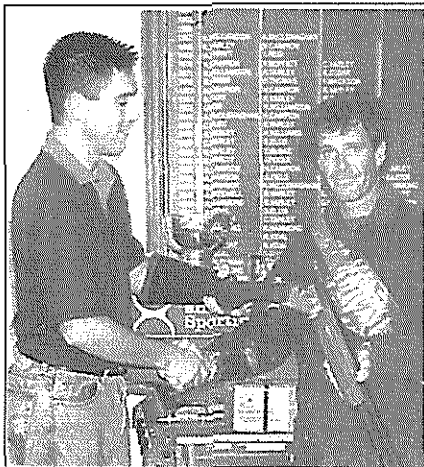

Scott Wallis, B grade High Gun, and Colin Burt.

At the end of Day One fourteen shooters were down only three points or less leaving the Overall

Paul Mephram, Junior High Gun.

Mark Reinbott representing Fullers - Miroku, with Bruce Moss, winner of the Miroku Challenge Handicap.

A grade went to Chris Lindsay 287/300; B grade to Scott Wallis 288/300; and C grade to Paul Mephram 282/300.

The Junior High Guns for the Firearms Safety Awareness Council trophies were: 1st Andrew Miller, Taree Wingham 268/300; 2nd Craig Hayes Tamworth 260/300; 3rd John McBean of Inverell 254/300.

Ladies High Gun went to Helen Gay of Singleton 279/300 and Veterans High Gun to George Foster 281/300.

Teams selections were determined over the results of Events 1 2 & 5.

The final team selections were: Open - M. Blenman, Ross Hibbert, Colin Burt, John Farrell, Geoff Lancaster, Clem Cunningham and John

Sleightholme, Dan Johnston, Peter Holmes, Brad Hooper, Allan Jones and Rex Varley. Reserves being Graham Sweeney, Roger Vidal and Geoff Baxter.

Ladies - Helen Gay, Jennine Gerrard, Christine Frederickson with reserves Tania Marshall and Helen Finch.

Juniors - Scott Wallis, Paul Mephram, Andrew Miller with reserves Craig Hayes and John McBean.

These teams will represent the Zone at the 23rd NSW State Carnival to be conducted at Guyra Gun Club over the Labour Day long weekend in October.

Dennis James Byrne 1934 - 1997

It is with great sadness that we inform our readers of the sudden accidental passing of Dennis Byrne of Michelago, NSW. Dennis was born at Queanbeyan on 14th August 1934. His parents were well known as local farmers who pioneered the Michelago region. Dennis was raised and spent all his life on the land. His interest in the outdoors like so many, developed from his early bush experiences. He was practically raised with a gun in the hand and it was not surprising to later see him develop into a crack marksman. His introduction to clay target shooting came under unusual circumstances. In 1962 fellow townsman, Les Coffey, qualified for the world championships in Cairo in the discipline of pistol shooting. A benefit shoot was organised by Merv Edlington at his property in Tuggeranong. Many came to witness that event and tested their skills for the first time.

Dennis did not travel extensively, but liked to shoot at his home club in Queanbeyan and the Cowra Gun Club. He was a continuous member of the ACTA since 1962. He won in excess of fifty championships but more than likely held a lot more than this figure suggests. He ever only contested one State Carnival, at Cowra but had tremendous success in the few Nationals that he attended. He first qualified as a member of the Mackintosh International Team in 1964 in Adelaide; 1965 in Melbourne and 1972 in Griffith becoming one of the few local club members to have made the national team on three or more occasions.

At the World qualifying championships in Hobart in 1970, Dennis high gunned both days of competition to qualify with fellow clubman Merv Lyons. They both represented Australia in Phoenix, Arizona with Dennis doing particularly well coming 16th overall. This was the first time Australia had ever been represented in the discipline of Trench shooting at the World Championships. At the club level, Dennis was a fierce competitor and a true club champion. If one were to meet him in a shoot off then one knew that they had a huge battle ahead of them. On three consecutive club programs, he shot 250 breaks indicating the calibre of shooter he truly was.

In Griffith in 1972, Dennis became one of only a handful of shooters to qualify into the Mackintosh Team with a perfect 250/250. In the same year he was placed second to Alf James in the National Single Barrel with 120/121 and second to Jim Ellis in the ANZ Point Score Championship.

To those who knew Dennis, he was a great ambassador to the sport. His willingness to help both experienced and novice shoot-

ers endeared him to many. His level of expertise was sought by most club members at some stage, something he offered readily and without hesitation. His wealth of information and knowledge of the sport was invaluable and will be difficult to replace.

With his passing, we have lost a truly great clubman and friend. To his wife Pat and the rest of his family, we extend our heart felt sympathies. We have lost a truly great ambassador.

Kevin Law

Members of the Wangaratta Clay Target Club together with other shooters attending our competition on Saturday 18th April 1998 were sadly deepened to hear that their long time friend and shooting mate had just passed away after a fifteen month battle with cancer.

Kevin will be remembered for his contributions to the development of our club from its humble beginnings in the 'old tin shed'. During Kevin's association with the club he spend an enormous amount of time working at our club, concreting shooting lanes, building skeet houses or putting up fences, Kevin was totally committed to getting the jobs done. In 1979 Kevin was awarded a Life Membership of the club, an award he was justifiable very proud of.

Kevin, who knew all the rules and regulations backwards (and bent them for no one), was Club Secretary for 13 years and was actively involved in the North Eastern Gun Clubs Council during its existence in the early seventies. Kevin thoroughly enjoyed inter club shoots, particularly the friendly rivalry with Bob Buchan, Skip Hanson and other Melbourne Gun Club members. In addition to local and district clubs, Kevin also competed in the Nationals at Brisbane, Adelaide, Perth and Melbourne resulting in him being well known by the shooting fraternity throughout Australia.

In 1980 Kevin played a lead role in building the Club house, his efforts will be long remembered and appreciated during our gatherings in these comfortable surroundings.

The past couple of years Kevin's health has curtailed his shooting, and until recently was able to enjoy a few shots and a good yarn on practice days.

Our deepest sympathy to Kevin's wife Betty and children, Shirley, Alison, Barbara, John and Kristine and families, who also fully supported his involvement in club activities.

Ken Bell

Saturday the eleventh of April, 1998 marks the passing of Kenneth William Bell, a former life member of the Bendigo Clay Target Club (Inc).

Ken suffered a severe heart attack at a club shoot on Saturday April 4, he never regained consciousness and died one week later at the Bendigo Base Hospital.

Ken was born at Bendigo in 1932, one of a family of five brothers and two sisters, he went through early childhood during the Great Depression and really knew what tough times were like. At about fourteen years of age he began work at the North Deborah goldmine in Bendigo. When the mine closed about five years later he was apprenticed to the brick laying trade, he eventually became one of the districts top tradesmen until forced to retire due to ill health about fifteen years ago.

On the ninth of May 1951, he married Jean Brown and the young couple set up house in Eaglehawk where they raised a family of three daughters and three sons.

All his life Ken was an outdoors man. A top bushman, he loved

fishing and shooting which he also successfully combined with gold prospecting. From tin dishing, etc., he graduated to metal detectors and due to his extensive knowledge of this area's bushland, he had considerable success over the years.

Ken joined the Huntly Gun Club at Epsom in 1963 and also became a member of the ACTA and has been an active member ever since. His membership number of 00557 indicates his length of service and membership.

On the move to Woodvale, under the name of the Bendigo Clay Target Club, he was a major participant in the construction of the present club house, traps and other facilities. He was a tireless worker for the club and put in many hours working at our ground. He served as shoot marshal, trap mechanic, groundsman and in any other required capacity. His contribution to our Tuesday practice shoots (Dad's Army) was a major factor in the success of this venture and he will be sorely missed by his older mates.

A lot of Darwin shooters will also remember Ken as a visitor to their club where his elder brother Joe served the Darwin Gun Club for some years as caretaker and member.

An indication of the high regard for Ken was the huge attendance at his funeral service of well over four hundred mourners. In addition to the family and district shooters, there were many very large numbers of Bendigo and District people from all walks of life, attending to mourn the loss of their friend.

Our deepest sympathy is extended to his wife Jeannie (also a life member of the Bendigo CTC), his brothers Joe and Ian, his children Sandra, Steven, Jennifer, Rodney, Sharyn and Kenny and all the members of his extended family.

Robert Henry Kinsey

Born: Peak Hill, NSW - 02 January 1917

Died: Warren, NSW - 14 February 1998

The Warren Clay Target Club lost one of its grand gentlemen of clay target shooting with the passing of Bob Kinsey at Warren district hospital after a long illness.

Bob's final visit to the trap house was late last year just prior to his admission to hospital. A member of the club for the past fifty years, Bob was also a past president and committee man, on many occasions, assisted by his wife Cath, son Sid and Sid's wife Maria.

A great supporter of shooting sports, Bob was the foundation president of the Macquarie Valley Pistol Club, formed in 1968. The Kinsey's love of target shooting saw them visit many clubs both within the state and interstate for clay target and pistol shooting events - Lightning Ridge opal open his favourite. Bob's great love apart from his family, rural interests was firearms, a licensed dealer, Bob traded as Independent Firearms, Nevertire. With his engineering background he was able to fix a great assortment of firearms with his ability to make the necessary parts required.

During the second world war Bob was in active service in Australia, New Zealand and Borneo. After his discharge from the army Bob returned to his beloved bush with his new wife Cath, they had a property called "Wirrimah" at Nevertire and lived there till recent retirement. Then only moving up the road eight kilometres to Nevertire where Bob and Cath had built a new home.

A person who has lived a full and wonderful life, Bob was laid to rest in the nevertire cemetery. Bob is survived by his wife Cath, sons Russell, Sidney, Noel and their wives, eight grandchildren and five great grandchildren.

Bob, a special smile on a special face and in our lives, a special place.

Rest in peace, friend.

HOW TO SHOOT BETTER SCORES AT TRAP AND SKEET SHOOTING

*Two 90-minute videos on Trap and Skeet
Shooting will show you how*

- * Each 90-minute video will show you in detail what you need to know and do in order to shoot better scores.
- * A 25-minute discussion with the aid of descriptive charts will show you and explain the important finer details and why it is most important to have your gun properly fitted. It will show you how to check for correct gun fit.
- * The videos will show you where and how to hold on the trap house and how to focus for target release. Remember it's not the end of the world if you must close one eye - I'll explain this to you in the video.
- * Remember one thing - if your gun does not fit you correctly and you don't mount and point it correctly, you'll never become a good shot.

This Easter tournament would have to go down as one of our best. It was well supported by sponsors for whom we are most grateful and we extend our appreciation for their generosity and support. Visiting shooters arrived from Victoria, NSW and SA and we thank them for their attendance. Our regulars in Strauss, Soppis, Lewis, Napolis, Matsons, Woodwards, Mills, Oakleys, not forgetting veteran Sydenham, all turned up and camped on site, some a week earlier to settle in for the Easter break, some were even still here a week after. It was great having you all and very pleasing to hear the comment, you will return for Easter 1999.

See you where there is shooting and again thanks to all who helped make this Easter such a great success.

Laurie Connors.

1997 ACTA Presidential Medal

The Executive Committee of the Australian Clay Target Association are pleased to announce the awarding of the 1997 Presidential Medal of our Association to Mr Frederick Atkinson of the South Australian Gun Club. The following is an extract of his nomination by South Australian Gun Club.

him being awarded the Imperial Service Medal.

Married, Fred and his wife Joyce have a son and two daughters and also a number of grand children.

Clay Target Involvement

With a life time interest in firearms and shooting Fred took up clay target shooting in 1979 and has been a member of the SAGC and ACTA continuously since that time.

The enthusiasm and dedication Fred demonstrated in his military service and civilian employment has also been very evident in his association with the SAGC, ACTA and clay target shooting.

Notwithstanding his obvious physical impairment Fred has never let this impediment impinge on his capacity to compete in the sport. Still a regular and keen supporter he attends nearly every Club shoot and regularly competes at other regional Clubs and continues to give a good account of himself.

There is also little doubt that Fred has become a great source of inspiration to many shooters who are amazed at his ability to wield a shotgun with one arm when many of them have trouble emulating

that skill with two. Not only encouraging by example, Fred has also over many years made himself available to coach and encourage numerous beginners in the art and skill of breaking the clay target.

If a major physical impairment has done little to diminish Fred's enjoyment of his shooting then neither has it affected his capacity to work for the SAGC, its members and all other shooters who use the facilities of the Club. By any standard Fred's service to the Club must rate as absolutely outstanding and very possibly be unequalled by any other Club member elsewhere.

A member of the Committee of Management over many years he has not only functioned in that capacity but functioned to an extent beyond what one would ever expect of an individual.

It would be true to say that for many years the Club's highly successful Wednesday practice shoots would have been difficult had it not been for Fred's unstinting volunteering of his time and labour. Similarly, he will

Fred Atkinson receiving his Presidential Medal at Nationals Opening Ceremony from National President Glenn Woodhatch and SA Executive member John Byrnes.

"General Background

Mr Atkinson, Fred to his friends and fellow shooters was born in South Australia in 1915. Raised in a small business family he grew up in the hard years of the great depression and like so many of his generation became embroiled in World War 2.

Having volunteered for military service, Fred spent several months participating in the siege of Tobruk as a mortar sergeant. Returning to the South Pacific he saw action fighting the Imperial Japanese forces on the Kakoda Trail in New Guinea. The Military career, though exhibiting bravery and devotion to duty was cut short by a bullet wound that was to cost Fred his left arm from just below the shoulder.

On returning to civilian life Fred entered the Public Service of South Australia and worked as a courier until his retirement. The same kind of dedication to duty that he exhibited in his military service was also to manifest in his civilian occupation and resulted in

invariably be in attendance at Saturday practice sessions to assist in the opening of the facility, operation and loading of the traps as well as "pushing the button" whilst maintaining the scores and offering advice to shooters on how to improve their scores.

On competition days Fred is always first to arrive at the SAGC grounds to open all facilities and prepare for the days activities. During the shoot he is, despite his age, by far one of the most active members of the Club, generally single handedly conducting practice trap, replenishing trap hoppers with targets, removing rubbish and refereeing or scoring every down the line wave. Frequently one of the last to leave he will assist with the clean up and closing of the facility.

Until ill health recently forced Fred to limit his work for the Club his services even extended to coming in the day after a shoot to mop and sanitise the club-house, canteen, and all toilet facilities, mow lawns, cut all edges, rake up and dispose of all used cartridges and perform other housekeeping functions. (He still comes in the day after shoots and at least one other full day each week providing all but mopping and mowing services.)

Even more amazingly, it has been revealed that for several years he also performed similar voluntary cleaning functions for the International Gun Club when it was located at the Angle Vale site.

Such commitments would be physically demanding of anyone much younger than Fred and without his disability, so seen in this context his service is even more remarkable. It is also worth noting that these essential housekeeping activities now have to be performed for the SAGC on a professional basis and at considerable cost.

The foregoing outline of Fred's remarkable service to the SAGC is we believe a record that few have ever equalled in terms of scope for tasks performed, the time span involved and when consideration is given to physical impairment.

This service continues to be rendered notwithstanding the fact that Fred's age and a long standing chronic major illness are now beginning to impinge on his capacity to work although there is no diminution of the spirit and dedication.

In the sport of clay target shooting as in other spheres of endeavour there are those who achieve prominence via competition success while others make a name for themselves as administrators and the like. The Fred Atkinsons' of the sport though they may be less conspicuous, are however, no less important and indeed, if it were not for the efforts of individuals like him the opportunities for the champions to flourish and even the continuance of the sport would be impossible.

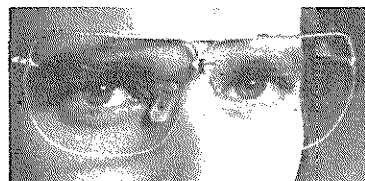

Fred's unassuming manner and willingness to work over such a long period would be remarkable by any measure but when all the circumstances are considered then that effort is all the more exemplary.

Fred's efforts for the SAGC were recognised in 1988 when he was accorded the Clubs most prestigious

award, Honorary Life Membership, but given his on-going remarkable contribution it is an achievement that is an inspiration to all clay target shooters and is surely worthy of the highest commendation. The SAGC Committee of Management (and indeed most clay target shooters of South Australia and a large number of visiting shooters from interstate and overseas) can think of no more worthy a person than Fred Atkinson to receive the Presidential Medal.
