GRAND AMERICAN/WORLD DTL

As it stands at the moment, the World DTL event is to be held in Wales at the end of July 1999. This is approximately one week after the British Home International and one week prior to the Grand American. If this turns out to be case, then it should present an excellent opportunity for trap shooters to partake in a once in a life trap shooting experience.

Time is running out to confirm and organise this planned trip, but it should be well worth the wait, despite the current value of the Australian dollar. Hopefully by the time of the trip it will have recovered somewhat. It is hoped full details can be printed in the next CTSN.

CLUB MEMBERSHIP ONLY

It has been the practice of some clubs to accept membership to their clubs without these "members" becoming "registered shooters" of the ACTA. I would ask the committees of these clubs to ask themselves who benefits from this practice. There can only be one answer — and that is the individual being granted this membership, certainly not the club, or the State or National bodies. It has certainly become more evident since the changes to our gun laws and the onus being placed on gun owners to supply a genuine reason for firearm ownership. If a licence holder is granted a licence for the purpose of clay target shooting, then he must show he is a genuine clay target shooter.

I would suggest that if he does not wish to take part in the registered competition, then he does not have the "genuine reason of clay target shooting". This being the case, the person MUST register with the ACTA.

I have no doubt that some people will argue that they are entitled to shoot birds only or to take part in practice only. If this is the case, then we must ask if the club would exist without it being "an approved club" by State Law. The answer is no . . . clubs are approved only on the proof of its members being registered with an approved shooting body such as the ACTA.

We are only able to negotiate our low insurance premiums on the number of registered members we have, therefore the more members of our Association, the more we can achieve for them.

I am not aware of any other sporting/shooting organisation allowing this practice to exist. There are many more reasons for clubs to discontinue this practice, and I have no doubt I will be "hailed over the coals" by some in regards to this, but please, we are here for our shooters and we can only achieve results if everyone stands up and is counted. I ask all members to point out the benefits of being a "registered shooter".

SHOOTERS AND SHOOTING

I am indebted to a close friend and keen shooter in Herb Prior of Canberra for the following. It seems that despite progress, little changes in the human nature.

It is an excerpt from a book, *Shooting* (Moore and Marsh) published in 1887. Lord Walsingham writes of his observations of sportsmen and offers this advice:

"Shooting affords much assistance to a study of human nature. The different characteristics of individual sportsmen are strongly marked by their demeanour under various circumstances. We find among them several types. The most distinct of these are the habitually fortunate men. There are those who, wherever they are placed, whether by lot or by selection, seem to others to get the best of the shooting — so much so, that they are jokingly credited with some mysterious power of attracting game. There are those who on the contrary, are certain to complain that they have been most unlucky. They will call attention to the fact that others have had more shooting than themselves, and wonder how it so consistently happens that they never get the best of luck. A parallel line of contrast may be drawn between those that are satisfied and content wherever they are placed, and those who, if left to their own choice, would prefer to take any other place than their own . . . In shooting as in other occupations, the rule that good luck follows good management is almost invariable. The score does not depend solely upon the number of opportunities, but on what use has been made of them".

Still relevant after 111 years . . . thanks Herb.

ACTA LOSES ICON

The clay world was saddened on the 14th August to learn of the death of our historian, George Biggs. George passed away after suffering a heart attack following an operation. George is going to be missed by all who came into contact with him in our sport. George's knowledge of shooting, the history of the sport and of its governing body was immense. He commenced his association with clay target shooting in 1945 and remained involved until his passing.

In 1994 George published his book *"Australian Clay Target Association . . . History and Records - 1936-1992"*. This publication is often referred to by shooters to settle all sorts of disputes over "who won what and where . . ." George also wrote the book *Trap and Skeet Shooting*.

George served an unprecedented 25 years on the National Executive. He is also one of the elite few to win National Titles in both Trap and Skeet. In later years he devoted his involvement to coaching and many can thank George for their better than average ability.

Elsewhere in this magazine there is an obituary to this unique man.

Lonato World Cup, Italy

July 10 - 16, 1998

The Australian Clay Target team to contest both the Lonato World Cup and Barcelona World Championships consisted of:

Double Trap: R. Mark, M. Diamond, A. Vella; Trap: R. Mark, M. Diamond, B. Kelley; Skeet: J. Summers, C. Barton, G. Barton; Ladies Double Trap: A.M. Roberts; Ladies Trap: D. Reeves, L. Smith, S. Balogh; Jnr Trap & Jnr Double Trap: N. Cassells, M. Crimmins, C. Henwood; Manager: W. Murray; Coaches: L. Scribani Rossi, G. Chan; Mental Training Coach: C. Kulla; Doctor: S. Homolka; Masseur: D. Roach.

Lonato World Cup '98 Trap L-r: A. Pupov (Rus) 3rd, M. Diamond (Aus) 1st, D. Burnett (Ire) 2nd.

The total number of shooters including pistol, rifle and running target was 38. The other disciplines went on to other competitions in Germany and were to meet up with us in Spain for the World Championships.

The team arrived in Desenzano late in the afternoon on the 10th. The Hotel Desenzano was situated 8km from the Lonato Shooting Range and was very comfortable and within walking distance of restaurants and supermarkets.

The next day was official practice for double trap and it was a very jet lagged bunch of shooters who arrived at the range that morning. The Lonato range consists of nine trap and skeet fields and a background of green grass and trees on a bank out at about 120m. The bank is covered with a green mesh to give an even background and to catch the lead shot.

Most of the shooters did not shoot practice very well due to tiredness but felt that with a good nights rest, things would improve the next day. That afternoon we attended the official opening ceremony followed by a very early night.

Barcelona World Championships 1998

17 - 29 July, 1998

The same team which contested the Lonato World Cup also competed in the World Championship. The 16th was spent travelling between Lonato and Barcelona, registering firearms and settling into our accommodation, which was the local university campus. The accommodation was very basic but reasonably comfortable, except for the fact that the temperatures were around 35-38 degrees during the day and the rooms had no air-conditioning or even fans. It was also very noisy and getting a good nights sleep was going to prove difficult.

Barcelona World Championship '98 Winner Double Trap Michael Diamond (Aus).

17th July was Double Trap practice. The range was the '92 Olympic venue consisting of rifle, pistol and shotgun ranges, all of which would be in use for this full World Championship. The rifle and pistol teams had begun arriving before us and had already started their various practice and competition schedules. The range had 3 superimposed trap and skeet layouts with a green grass background out to around 120m then uphill to a brown grass backdrop. The targets looked near perfect and everyone put in good practice sessions. It was obvious that this would be a high scoring tournament and this certainly would prove true.

Day 1 Double Trap: Ann Maree 37,35, Craig 40, 49, Marc 44, 39, Nathan 34, 39, Adam 44, 47, Michael 50, 49, Russell 47, 50.

Michael a 50 to be leading on 99, Russell also a 50 to be in third place on 97, Richard Faulds (GBR) on 98 was second. An unbelievable days shooting.

Day 2 Double Trap: Ann Maree shot off for a place in the final

and just missed out but still managed to finish 7th overall with her best ever score of 107.

Barcelona World Championship '98 Double Trap Team 1st Place with Coaches, l-r: R. Mark, G. Chan, M. Diamond, L. Scribini-Rossi, A. Vella.

1. D. Gielisio (Ita) 109+35=144, 2nd K. Rhode (USA) 110+31=141+5, 3rd C. Gentry (USA) 107+34=141+4, 4th H. Ding (Chn) 108+32=140, 5th E. Gao (Chn) 107+32=139, 6th R. Murtoniemi (Fin) 107+31=138, 7th A.M. Roberts (Aus) 107.

Michael added a 48 to his 99 to set a new world record (before Final) of 147, the old record being 145. The crowd was full expecting the world record of 192 to be broken with Richard Faulds (GBR) on 145 and Russell on 142. Michael missed his first pair then one of the second pair. To his credit he showed why he is one of the best shooters in the world today to hold it together to finish with a 45 and equal the final world record. Meanwhile our current Olympic and World Double Trap Champion Russell was on fire in the final to post a great 48 to pass Faulds and take 2nd place. 1 & 2 at the Worlds, it doesn't get any better than that!

1. M. Diamond (Aus) 147+45=192, 2nd R. Mark (Aus) 142+48=190, 3rd R. Faulds (GBR) 145+44=189, 4th L. Marini (Ita) 141+45=186, 5th S. Pinero (Esp) 141+42=183, 6th F. Al Dehani (Kuw) 141+41=182, 16th A. Vella (Aus) 136.

Naturally with 1st & 2nd in the individual standings and Adam's creditable 136 Australia won the teams event by seven targets!

The Junior results were Craig 8th 132, Marc 11th 126 and Nathan 14th 125.

The 19th July was Trap practice and with 200+ competitors the start time was re-scheduled to 8.00am which meant very difficult light conditions for the early squads.

July 20th & 21st where the Ladies Trap was held over two days with the Men shooting over three.

1. S. Pulisa (Fin) 70+24=94, 2nd S. Kier Mayer (Ger) 70+21=91+, 3rd H. Guo (Chn) 70+21=91+, 4th E. Gao (Chn) 70+21=91+, 5th L. Chen (Chn) 70+21=91+, 6th C. Gentry (USA) 70+20=90. 16th S. Balogh (Aus) 66, 23rd D. Reeves (Aus) 65, 24th L. Smith (Aus) 65.

An unusual final in that all finalists went in locked on 70.

July 23rd Mens Trap: After the 1st two days of Trap competition Lance Bade of the USA was clean on 100/100, with Giovanni Pellicio (Ita) on 99/100 and the stage was set for a thrilling final

Barcelona World Championship '98 Double Trap l-r: Russell Mark (Aus) 2nd, Michael Diamond (Aus) 1st, Richard Faulds (GBR) 3rd.

which went right down to the wire.

1. G. Pelliolo (Ita) 124+25=149+7, 2nd L. Bade (USA) 125+24=149+6, 3rd M. Venturini (Ita) 122+24=146, 4th S. Lubomirov (Rus) 120+24=144, 5th C. Vicard (Fra) 121+22=143+6, 6th L. Pereira (Por) 12+22=143+5. 15th M. Diamond (Aus) 118, 26th B. Kelley (Aus) 117, 36th R. Mark (Aus) 116.

Bade shot 125/125, Pelliolo 124/125 and both finished on 149. After the shoot off Pelliolo came out on top, but what a great exhibition of trap shooting.

Junior trap results: Craig 15th 111, Nathan 27th 107, Marc 35th 104.

1. D. Igaly (Hun) 72+24=96+2, 2nd S. Zhang (Chn) 72+24=96, 3rd A. Stranovska (Svk) 71+24=95+2, 4th S. Diomina (Rus) 71+24=95+1, 5th Z. Meftakhetdiovaa (Aze) 71+23=94, 6th H. Lioa (Chn) 71+22=93, 16th N. Lonsdale (Aus) 64.

Junior Mens Skeet saw Kris 22nd with 108 and Neil 28th with 106.

Mens Skeet: On day 2 of the Skeet, George Barton was equal 2nd after three rounds with 74/75 trailing the Czech Malek 75/75. His fourth round of 21 was to prove very costly as he closed out with a 25 to finish on 119 and a very creditable 18th, our highest skeet placing at a World Championship. Very well done George.

1. A. Al Rashidi (Kuwait) 123+25=148, 2nd N. Teopliy (Rus) 123+24=147, 3rd T. Graves (USA) 121+25=146+10, 4th J. Henrich (Ger) 121+25=146+9, 5th P. Malek (Cze) 122+24=146+3, 6th J. Sychra (Fin) 122+22=144, 18th G. Barton (Aus) 119, 48th J. Summers (Aus) 117, 49th C. Barton (Aus) 116.

The 47th World Championships in Barcelona had come to an end with Australia again providing a World Champion in Michael Diamond, the second place in Russell Mark and the Gold Medal Team in Double Trap. Since 1994 Australia has won every Double Trap World Championship: '94 R. Mark, '95 S. Haberman, '96 (Olympics) R. Mark, '97 R. Mark, '98 M. Diamond; a record unequalled and one to be very proud of. The 1998 team represented Australia with pride and reinforced that Australia is now one of the top clay target nations in the World.

1998 Old State ISU Carnival

The Normanton Club and its small but dedicated band of workers ensured that the State ISU Carnival would be a success. Although located in the far north of the State the club boasts the required facilities and was recommended by their Zone to host the event.

Conditions are always perfect in Normanton, or so I

third place was Ross Walsh of Mount Isa 108.

Townsville visitor, Jim Laws was successful in B grade with 90, from Diane Catelan (Cairns) 79 and Mick McGill (Mount Isa) 74, not bad for a skeet shooter Mick!

In C grade, Steve Robertson claimed 1st on 89, from Chris Elsley (Normanton) 82 and 3rd went to Nicky Steel (Brisbane) 76.

Diane Catelan (Cairns) 79, from Nicky Steel (Brisbane) 76 and Carol Betteridge (Burdekin) 68 won the Womens section. Junior winner was David Bowen (Cairns) 112 from Steve Robertson (Silkwood) 89.

The ISU Skeet attracted 8 shooters, some may say that is not very many, however considering the location of the Carnival, it is indeed a pleasing result. Defending champion was Clive Barton (Tamworth). The 1998 Champion is Tony Kidman from Brisbane with 126. Another Brisbane shooter in Janine Kettels was 1st in B grade with 101 from Ross Walsh 98 and Mick McGill (Mount Isa) 85.

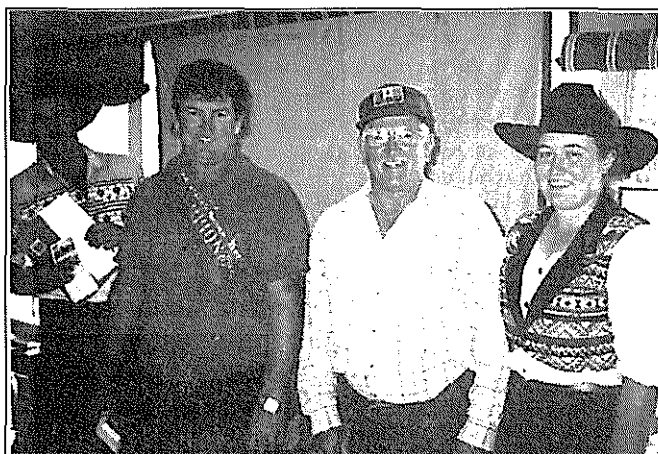

Atherton lady, Nicole Hyland was the winner in C grade with 91 from Cherie Reeves (Normanton) 89 and Dexter Barnes (FACG) 85.

First place in the Women's section went to Janine Kettels with 101, from Nicole Hyland 91 and Cherie Reeves 89. Unfortunately there were no juniors this year.

The State Double Trap was the final event and the defending champion was Steve Haberman. Illawarra

keep getting told, so it was perfect for the Carnival.

The Olympic Trap Championship attracted 21 shooters, including the defending champion in John Maxwell from Illawarra. The overall winner for 1998 was Burdekin shooter Ray Collinson 135. John Maxwell claimed 1st in AA grade with 107. Promising junior from Cairns, David Bowen, was the winner of A grade with 112 from Dexter Barnes of Frankston Australian 111 and filling

shooter John Maxwell recorded 164 to take the 1998 title. 1st in AA grade went to Wayne Reeves 114, from Jar Smaniotto (Cairns) 110 and Dexter Barnes 107. In A grade Ross Walsh returned 105, from Ray Collinson 101 and David Bowen 100. Silkwood Junior Steve Robertson was first in B grade with 107 from Chris Elsley 97 and Mick McGill 83. Nimmo Bruce from Cairns was the winner in C grade with 80 from Jim Laws (71) and Frank Nunan (Atherton) 59.

Cherie Reeves managed to drag herself from the Office long enough to record 77 to win the Womens section from Diane Catelan 60. Steve Robertson returned 107 to win the Junior section from David Bowen 100.

Also selected over the weekend were the QCTA State Postal Teams for 1998, not to be confused with the Representative Teams. selected over the elimination series conducted throughout the previous 12 months. The Open Olympic Trap Team comprises David Bowen, Ray Collinson, Jar Smaniotto, Ross Walsh, Wayne Reeves and Bob Simpson.

The Womens Olympic Trap Team is Carol Betteridge (Burdekin), Diane Catelan (Cairns) and Nicky Steel (Brisbane).

The Open ISU Skeet Team is made up of Tony Kidman of Brisbane, Janine Kettels, Ross Walsh, Cherie Reeves, Mick McGill and Jar Smaniotto. The Womens Team is Janine Kettels, Cherie Reeves and Nicole Hyland.

Double Trap Open Team is David

Bowen, Bob Simpson, Ross Walsh, Steve Robertson, Chris Elsley and Ray Collinson. The Junior Team comprises David Bowen, Cherie Reeves and Steve Robertson.

It is certainly good to see Juniors Steve Robertson and David Bowen earning places in the Open Teams, likewise, Janine Kettels and Cherie Reeves in the Skeet.

If memory serves me correctly, in 1997 Mick McGill was a member of the State Open Trap & State Open Skeet Teams, now he has a spot in the State Open ISU Skeet Team, congratulations Mick!!

Next year the Carnival will be hosted by the Brisbane Gun Club the second weekend in July, so we hope to see a good attendance.

Thanks must go to the Normanton Committee, the helpers in the Office, Carol Betteridge, Jim Edmonds and Cherie Reeves and the shooters who made the trip to support the Carnival.

Clay Busting Loses Longtime Contributor

The death of George Biggs on Friday 14th August 1998 came as a shock to all who knew him. Although aged 88 years, George seemed to be indestructible, and his passing leaves a big gap in clay target shooting's 'old guard'!

George's contribution to the sport will no doubt be chronicled elsewhere. However, it is his 'hidden' efforts on which I will focus.

My first contact with George was in the early sixties when I was working for ICIANZ and George was a manager with Hartley's Sports Store in Flinders Street, Melbourne. Our relationship strengthened over a period, and we became close friends during the planning and conduct of the 1973 World Shooting Championships at Melbourne Gun Club.

When my appointment as National Secretary of the ACTA was announced in September 1976, one of the first people to offer support was George Biggs. His extensive knowledge of the sport's history and rules proved invaluable, and he was always available for advice.

A little later, when a decision was made to establish a national coaching scheme and an old colleague of mine, Newton Thomas, was appointed National Director of Coaching, George was again conspicuous in his efforts to contribute, ultimately being appointed to the official coaching team as Victorian Director of Coaching.

Another project in which I was intimately involved was the schoolboy/schoolgirl training scheme and George was very prominent in its emergence, not only as a community safety program, but also providing a new personal challenge to students.

He continued to play a major role in the development and promotion of the sport of clay busting right to the end.

My personal loss is of a very loyal and close friend, one to whom I owe a great deal.

Maybe, just maybe, we will soon see an angels' shooting team appear on the scene!

1998 NSW State Skeet Carnival

Overall High Gun winner and winner NSWCTA Skeet Championship, Adrian Cousens with A. Sanders (state president).

There was a time during the week prior to the Carnival when we wondered if we could even get to Tamworth, (with flood water all around and many roads closed), let alone run a 2 day Carnival! However, luck prevailed and we were fortunate to have 2 beautiful days on 1st & 2nd August on which to shoot the NSW 1998 Skeet Carnival.

There were 77 shooters in attendance on the first day for the 18th NSWCTA Skeet Championship, conducted over 100 targets.

Adrian Cousens from Traralgon in Victoria

was the only possible for this event winning overall 100/100. Dave Dundon and Max Barton, both from Queensland took 1st & 2nd in AA grade respectively, with Marg Denton winning the womens section with 96/100 and Nick Ozinga from Wakehurst, winning

Juniors with 98/100, great shooting Nick. Glenn Moorby from Bathurst won Sub Junior and Reg Clarke the Veterans.

Wakehurst Shield Winners — Tamworth CTC team.

Day 2 saw 73 shooters vying for the NSW State Skeet Championship and cash trophies, with Adrian Cousens and good friend Col Burt both shooting the 100/100 possible. After a short shoot off Col emerged the winner with Adrian having to settle for 1st in AA grade. Margaret Denton again won the womens section, Nick Ozinga the Juniors section with 94/100, Glenn Moorby the Sub Junior section with 83/100 and Reg Clarke the Veterans with 97/100.

SKEET NATIONALS

INTERNATIONAL TEAM SELECTION GLENN TROPHY TEAM

The Glenn Trophy Team to compete against New Zealand at the Skeet Nationals will be selected from the top 5 scores over the 300 targets of the All States Skeet Championship 100t, Commonwealth Skeet Championship 100t and the National Skeet Championship 100t.

The event will be conducted on the morning of Sunday 25 October 1998 prior to the National Doubles competition.

OCEANIC GAMES

The teams to represent Australia at these Games in NSW next year will be selected the same as the Glenn Trophy Team except there will be six competitors (Three in "A" team and three in "B" team) funding arrangements to be advised. This will alter should the 1999 Skeet Nationals be held prior to the Oceania Games at which the team will then be selected.

The 5 member Wakehurst Shield Club Team was won by the Tamworth CTC Team of Col Burt, Rod Prior, Lach Cameron, Dave Michie and Rod Taylor. This was the final year of the Wakehurst Shield Perpetual Trophy, generously donated and supported for 10 years by the Wakehurst Clay Target Club. Our thanks go to the Wakehurst Club for their continued support of Skeet shooting. The Shield has been returned to the Wakehurst Club for display in their clubhouse.

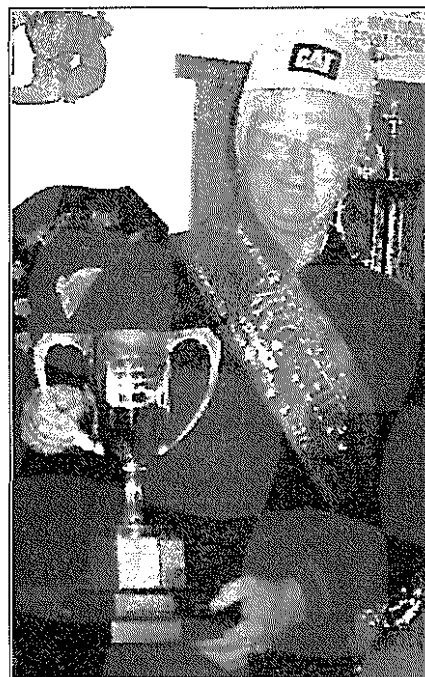

The NSW Zone Teams event, the Hawkeye Shield, was won again by the Southern Zone (after an unfortunate incident with team entries) with Naseem Malouf, Noel Watchorn, Tony Vallelonga, Laurie Sceresini, Mark Newman and John Guberina shooting a combined total of 577/600. Congratulations. Commiserations to Northern Zone Team.

I would like to also thank Mr Doug Moorby of Bathurst Woodturning for his donation of Juniors and Sub Juniors trophies for the Carnival again this year. Much appreciated.

A special thank you must go to all those who contributed towards making this Carnival a very warm and successful event, Adrian Cousens and his 'assistant' Max Barton, the Tamworth Ladies Committee for the delicious food supplied throughout the weekend, the Tamworth CTC Committee and members for their hospitality, presentation and use of their shooting facility as well

Junior trophy winner

Victorian South East Zone School Championships

At a well presented Frankston Australian Clay Target Club on Thursday 6th August this years Zone Championships commenced at a little after 10.30am in a slowly lifting fog, no wind, and when the sun broke through the conditions were almost as good as they get.

South East Zone winning team Gippsland Grammar: S. Joy, W. Drew, M. Warren and A. McCormack.

There were 137 shooters nominated from 29 schools providing 25 teams, the numbers up on last year.

The event shot as two visits of 10 targets, shot single barrel, produced from the first round, six clear scores, the second round produced four clear ten's with only Marcel Tigani, a junior (under 15 years on the day), putting the two clear rounds together for an outright overall win.

All placegetters in the four divisions, boy/girl/senior/junior, as well as the four members of the winning team, this year Gippsland Grammar, qualify to go to the final at Bendigo later in the year.

Each of the four Victorian Zone Championships is organised by the Victorian Clay Target Association and the major sponsor Winchester, a division of Olin.

There is a minimal cost for ammunition and targets at zone level but the State final is completely sponsored by Winchester and the V.C.T.A.

ter and the V.C.T.A.

This provides an opportunity for the cream of the crop to compete at State level and with out the vision of Mr Rod Laidlaw and the backing of his company this outstanding event would not exist.

On behalf of the students and the administrators on the day I would like to thank Rod, Winchester, Frankston/Australian, the V.C.T.A and everyone who helped on the day to

V.C.T.A. S.W.Z.

The South West Zone School Students shoot for 1998 which was held at Noorat Clay Target Club on 26th August and sponsored by Winchester, V.C.T.A., South West Zone of V.C.T.A., Bay City Clay Targets and City Watchmakers Geelong.

The day started well with the Noorat club grounds and surrounds in excellent order thanks to the efforts of the Noorat club committee.

This year a new sponsor, Geelong's City Watchmakers provided five wrist watches which were presented to the Overall Winner and the Winner of each of the Senior & Junior sections.

Students from 18 schools/colleges attended giving us an overall total of 174 students competing. The day was fine and sunny; ideal for target shooting and at ten am, Master of Ceremonies - Harry Vaughan, called the students to compete. Zone President Len Cook, acting as Shoot Marshall took charge and shooting commenced over the four grounds which comprise the Noorat Gun Club, most of the refereeing was done by S.W. Zone volunteers assisted by attending teachers.

The days results are as follows:

O/A & 1998 S.W.Z. School Student Champion: Tom Austin of Hamilton College 19/20.

1st Senior Boy M. Cameron of Monivae 18/20, 2nd R. Rundell of Bainbridge 17/20, 3rd S. Clifford Colac High 19/24.

1st Senior Girl F. Clutterbuck of Monivae 17/20, 2nd R. Holt of Colac College 15/20, 3rd M. Schurman of Monivae 14/20.

1st Junior Boy P. Cleggett of Bainbridge 18/20, 2nd N. Cox of Bainbridge 17/20, 3rd O. Ivermee of Colac College 17/22.

1st Junior Girl J. Wythe Macarthur Primary 15/20, 2nd G. Bush from Geelong High and 3rd M. Gruar of Brauer College.

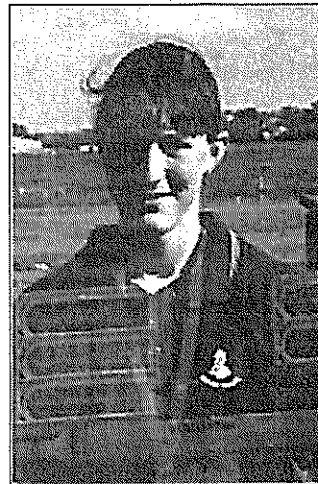

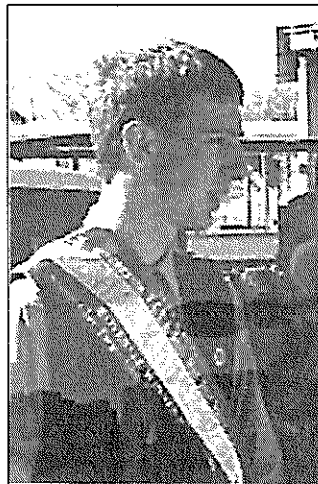

Team Shoot Winner Bainbridge College scoring 63/80 with team members being S. Rundell, R. Rundell, P. Cleggett and S. East.

The year 'Winchester' introduced a new dimension by providing certificates for the top ten scores at the zone shoot and winners in the top '10' were: T. Austin 19/20, M. Cameron 19/20, P. Cleggett 18/20, R. Rundell 17/20, N. Cox 17/20, F. Clutterbuck 17/20, B. Hillam 16/20, S. Clifford 16/20, T. Gardiner 16/20, R. Holt 21/27.

The South West Zone extends sincere thanks to all and anyone who helped in any way to make this day the success that it was; the attendance was a little up on last year and hopefully as people get more familiar with the new firearm regulations the attendances will increase.

A special thanks to the ladies of the Noorat club committee who supplied the food and sweets and did such a good job of dispensing them.

Unfortunately the other photos were spoiled.

Overall winner Tom Austin and 3rd place Junior Girl Melissa Gruar.

1998 NSW State ISU Carnival

Olympic Trap championship winners

The State ISU Carnival was the second of our State Carnivals for the year and it appears that wet conditions are the flavour of the month this year in NSW, either leading up to or during our Carnivals. We were fortunate to kick off on the 14th August with beau-

tiful weather but conditions deteriorated badly by the end of the weekend.

This was the first year we had included the State Double Trap as part of the ISU Carnival, shooting the event on the Friday, but there mustn't be many Double Trap shooters out there as we only had ten shooters compete for the title.

Craig Tilley was the winner of the 1998 State Double Trap Championship with a score of 126+44. Well done Craig. Nathan McDonnell from Port Macquarie was runner up with 114+38 with Tas Psarakis from Sydney winning B grade 99+30 and Rocky Manno, a junior visitor from South Australia winning C grade 92+28. Gleniss Lawrence won the Womens Double Trap Title (which is shot over 160 targets not 200 as in the mens event) with a score of 87+27. Congratulations Gleniss.

The 3 person Mens Double Trap Team for the ISU Nationals in Adelaide is Craig Tilley, Nathan McDonnell and Mick Blenman.

There were 35 shooters from all areas of NSW in attendance (along with a couple of Victorians) for the State Olympic Trap Championship with well known Canberra shooter Filippo Petriella winning the event after a very close finish with 106+25. Well done Filippo. Glenn Kable from Cecil Park won AA grade with 106+23, Nathan McDonnell won A grade with 106+20, Daniel Power from Crookwell won B grade 102/125 and Rocky Manno from SA won C grade with 88/125.

The Womens Olympic Trap section was won by Susie Balogh from

We wished all these shooters the very best as they headed for Kuala Lumpur for the Commonwealth Games.

Once again our thanks go to the Illawarra Gun Club President, Fred Rapley, their Committee and members, for their hospitality and use of their fine facilities. The Illawarra Gun Club is always willing to assist the Association with the offer of their facilities for training camps and we are very grateful for their continued support.

Maryborough Tid Bits, Qld

The only news I picked up from Moonie Western Zone shoot was Brad Petersen took A grade DR & Junior High Gun while Neil Berry won DB C'ship. I got this local news from the grapevine so it is correct, thanks Cheryl.

Harry still with the flu so Peter took me over to Bundy, thanks Peter. With the windy conditions we had nothing to boast about on the way home and myself not able to hold A grade scores over the last 600 I now retire to B grade again.

I put the video on the footy while shooting and arriving home thought I would catch up on the footy, when I came to the first advertisement I pressed fast forward and just at that moment my dog walked past and she ran around and around the room going crazy. Not knowing what was wrong with her I pressed the stop button and she stopped running, I am still thinking what would have happened if I pressed eject.

They tell me in Bundy don't suck those new sex pills or you end up with a stiff neck.

BUNDABERG 2/8: Most distant visitor being Brad Little of Moree, welcome Brad hope you enjoyed your shoot while up paying a visit to your folks. Other visitors being Frank Robinson Central Burnett, Peter Pagliarino, Stafford Smith & yours truly of Maryborough. Ivan Taylor drew the jackpot but I don't think he shot it as he was shooting it as we left. Spencer Plath won the meat raffle. The day was windy and even the best of shooters were at a loss. Bundy had a top coach the week before and the chalk marks of feet stance were still on the tracks. No.1. layout was alright, but No.2 layout set out for left handers was hard to follow, I nearly broke a leg to place my feet and swing around.

As Peter had three lovely girls to get home to, as two are not home very often we left as we were finished so I had to ask Kaye to forward the results, thanks Kaye.

As I said it was windy and with only one possible for the day in Phillip Warren who took AA points with Rob Rehbein taking OA & AA 50t C'ship & SB giving Rob Overall High Gun. In A grade Kaye Rehbein took the field, Points, 50t C'ship and SB, great shooting Kaye. B grade was spread around with Keith Palmer Points, Brian Charteris 50t DB C'ship and visitor Brad Little taking the SB. C grade was also divided with Jan Butters Points, Graham Jenson 50t DB C'ship and Jarrad Smith SB. We still have Jan & John Butters in Bundy as their appointment in Victoria didn't materialise. Hope you have success soon John, and Brad still at hockey.

6/8 and the 'bible' arrived a little late this month. Pleased to see Fred Foon still knocking those Veterans off over at Broken Hill, good shooting Fred and he & his mates shot well to take the McKean Team Shield, hope to see you in this neck of the woods again one day.

I thought I was up to date with news but Frank Robinson popped it over me by being nominated disabled shooter of the year, congratulations for being nominated, but more so on being able to compete on the level you do for the amount of time you have been shooting. Keep at it Frank.

GYMPIE 9/8/98: Chad Power asked his dad how could he get off 11 metres as he thought he was too close, so dad said he had to win the handicap and he would get a metre back. But you know these young fellows, they won't listen to their dad, so Chad shot 50 straight only using one double barrel went on winning and went to B grade 16 metres, so Chad shot his first 50 break and got 5 metres with it. Good shooting Chad, I said from day one he was an up and coming shooter, but next time listen to you dad Chad, good shooting for six months.

Visitors for the day Barry Power and Norm Keech Sunshine

Coast, Allen Joblin, Vince Dollisson, Harry Walker and myself from Maryborough. Garry Carew drew the jackpot and went halfway, better luck next time Garry. Bill Edgerton won't have to live on love this week as he eats again by winning the meat tray kindly donated by Goddards. Chris Post now back to A grade before the ink dried on his scorecard. Thanks to Sharon & Joy in the kitchen.

Talking about the new books don't forget to look after them as you continue with the same until it is full, keep them in a folder or envelope. I notice all I handle are still in good order.

Main results of the day in AA grade Glen Durre DB Cont, Brian Goddard SB & AA HG. In A grade Bill Edgerton SB with Barry Power DB, Cont and A gr HG; B grade Mathew Post DB, Dennis Carew SB, Gary Albrecht Cont; C grade Tony Clarke DB, Steve Bowes SB, Allen Joblin Cont & Harry Walker C grade HG. In the Handicap after a good shoot off with both missing a target very early Brian let Warren back in and ended up Warren Shelford 1st, Brian Goddard 2nd and Gary Carew 3rd plus B grade High Gun. The day was about 24 degrees with no wind and not a cloud in the sky, what a great day for shooters, you wouldn't be dead for quids. Met up with Norm Keech who informed me ill health didn't let him get to Darwin, bad luck Norm, there is always next year.

MARYBOROUGH 23/8: Ted Turton still making headway and has his plaster off hoping to be back soon, it will be good to see you back Ted. At the Brisbane Exhibition 2 day shoot locals to do well were Irvine Wynyard taking OA in DB Exhibition Championship and Paul Anderson AA in same event. Paul also took OA in Valley Discount Tobacconists DB Championship, good shooting by both. Glad to see Dave Nielsen back shooting, welcome back Dave. Thanks to the kitchen ladies Heather & Kay Bulfin, also thanks to those making the grounds look so good and to Andy fixing No.3 trap, thanks again Andy. A big thanks to Holly in the office who won the meat tray, good shooting Holly.

Visitors from Gympie in Mathew & Chris Post and Bill & Lex Stolberg. Lex drew the jackpot but missed out and with only two left on the quicky board Lex took it and won the bottle of Vat 69. From Bundaberg Adam & Tim Gardner, Brian Fourro, Bruce Walker & Irvine Wynyard T.L.G.C., thank for coming.

Results being in AA Paul Anderson thought he was still in Brisbane and took the DB & Points, but then was put to rest by Irvine Wynyard and Stafford Smith who split the SB, then Irvine split with Ian Robertson in the DR and Irvine took off the AA grade High Gun. Good shooting Irvine.

Chris Post in A grade took the DR to stop Bill Stolberg taking the lot as Bill took the DB, Points, SB & A grade High Gun, another great shoot Bill.

In B grade Vince Dollisson was in everything with the shoot off even down to the High Gun but took the DR, Andy with a clean score took the SB, and after the shoot offs Norm Dale took the DB, Points and B grade High Gun. Then to C grade with mostly new shooters who are shooting and working well in the club with Len Armstrong DB, Allen Joblin Points, Jim Bulfin SB and Darrell King DR with young Adam Gardner C grade High Gun. Good shooting to Adam and congratulations to the above new shooters.

Hope this copy arrives in time to remind you that 4th October Masters Games commence with a 9am start.

Good shooting to all, 'til next time see you at the shoots.

Lost Bird.

Cessnock Clay Target Club

Cessnock Clay Target Club held its July two day shoot on the 25th & 26th July. With rain for three days leading up to the weekend local club members were optimistic for a good weekend.

Saturday morning appeared clean and for a little while it looked as if the weather had cleared. But it was not to be. Shooting was to commence at 9.00am and that's when the weather turned as well.

C. Main (left) and Tom Turner (right) congratulate Overall High Gun winner M. Bajada.

The first event being a 25 target DB CD with A. Raisbeck, R. Jenness, T. Schafer, C. Sherry, A. Jones, A. Vernon and P. Fitzalan all shooting possible's and sharing the cash. By event 2, the clouds had closed in and there was a slight breeze, but this did

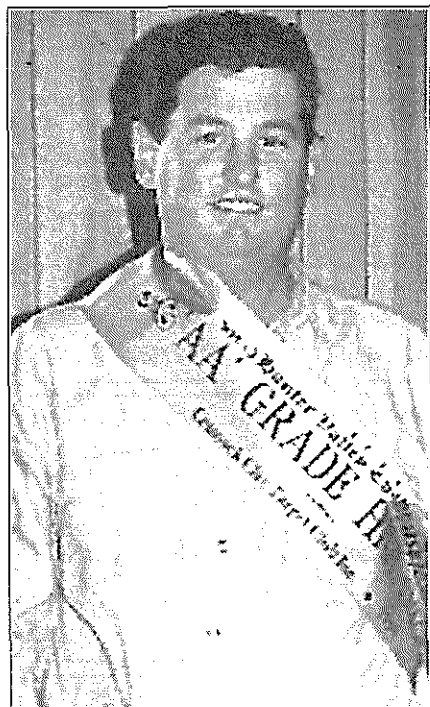

not stop P. Farrugia winning the 30 target Hunter Valley DB Championship. With T. Turner taking AA grade and K. Thomson second. A grade was won by Tony A and A. Jones second; B grade was won by D. Perri and T. Cragg took second place; C grade honours to A. Jackson over R. Seaburn in second place.

A 25 target SB Championship was event 3 with D. Humphries taking honours with the only possible. AA grade went to D. McMillan followed by C. Sherry. A grade went to G. Pringle followed by P. (Jacko) Jackson. C grade went to S. Hopwood, followed by R. Seaburn.

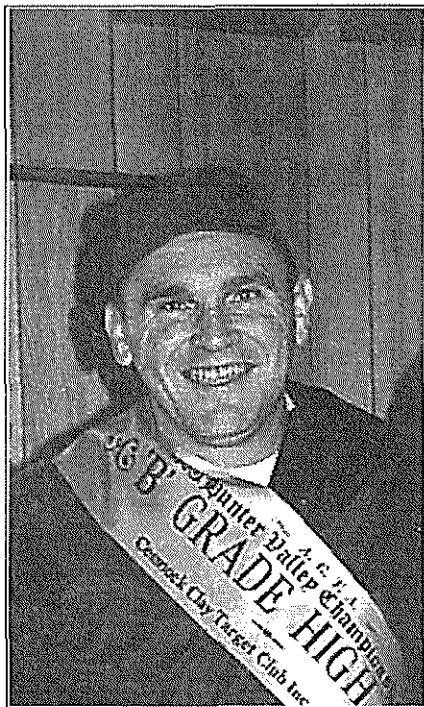

Event 4 saw a 30 target DB Continental Championship contested with K. Thompson winning Overall, AA grade T. Turner followed by T.J. Turner. A grade was won by B. Samuels, fol-

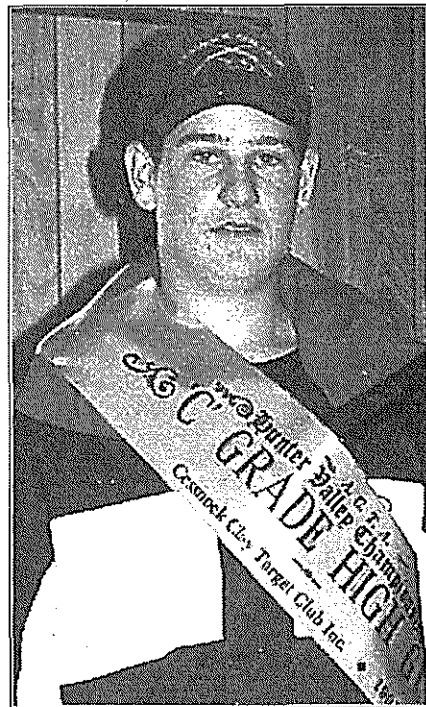

A Grade High Gun winner T. Schafer.

AA Grade High Gun winner J. Sleightholme.

C Grade High Gun winner A. Jackson.

lowed by P. Farrugia. B grade was won by P. (Jacko) Jackson, second was C. Lewis. C grade was won by M. Ferguson followed by R. Seaburn again runner up. That saw the end of competition for day one with everybody returning to the club house to escape the weather and enjoy a lovely meal prepared by the ladies in the kitchen.

Day 2

With the weather certainly no better at the start of the day, only to get worse as the day went on making competing certainly challenging.

First up on Day 2 was event 5, 25 target Hunter Valley Handicap. Adrian Jackson, a local junior member eventually won this event, followed by P. Fitzalan, W. Ingles, M. Bajada and J. Sleightholme.

Event 6 saw a 30 mixed target Championship contested with C. Lindsay taking overall, with an exciting shoot off between our club President T. Turner and Vice President P. Bartlett for AA with Tom eventually winning out. A grade was won by M. Bajada, with M. McPhee second. B grade was won by K. Pearce, with John T. second. C grade was won by A. Jackson with N. Seaburn second.

The last event of the weekend was a 30 target Point Score Championship, Overall

going to K. Pearce. AA was won by J. Sleightholme, followed by Chris Lindsay. A grade was won by T. Schafer, followed by M. Bajada. B grade was won by T. Cragg, followed by P. (Jacko) Jackson. C grade was won by D. Vernon, followed by R. Seaburn.

That saw the end of the competition with only the High Guns to be sorted out. Congratulations to M. Bajada for taking out Overall High Gun with AA grade going to J. Sleightholme. A grade was won by T. Schafer. B grade was won by Jacko and C grade by A. Jackson.

Veteran High Gun winner G. Foster.

Ladies High Gun winner R. Seaburn.

Ladies High Gun was won by R. Seaburn and Veterans High Gun by G. Foster.

Even though the weather tried its hardest to make life uncomfortable for competitors, I believe everybody enjoyed themselves and hope to see them again in November. As with all shoots, many thanks must go to the club members, the ladies in the kitchen and the sponsors: Fighting Fit Ammunition Supplies, Coalfields Gas & Engineering Supplies, and Singleton Retravision for all making this two day shoot possible.

UIT GRAND PRIX AT ECHUCA

The Echuca Clay Target Club hosted the UIT Grand Prix series on the 22nd and 23rd of August. Among the shooters were Adam Vella, Deserie Wakefield Baynes, Nathan Cassells, Steve Atkins and John Gilopidis.

The Echuca grounds have never looked better. The club having been recently re-tiled inside, looks the best it ever has while outside the grass is green and starting to grow quite well over the new Olympic layout.

Over the two days of shooting, the traps worked perfectly. With five squads of shooters the Trench ran smoothly, allowing them to shoot the whole 125 targets in the one day. The final was shot at 9am on Sunday.

The Double Trap followed on straight after the Trench final. Things ran smoothly once again and the double trap was over by about 2pm.

During the speeches at the presentations, shooters commented on how well everything ran. The trappers did an outstanding job and were rewarded with an extra bonus, kindly donated by Frank Vella.

The gentlemen in the office kept the day running smoothly with squads backing up ready to shoot.

Thank you to all who helped in anyway to make the weekend a success.

The Olympic Trap was shot on Saturday in blustery and windy conditions, the results being: Overall Adam Vella; AA grade John

Gilopidis, 2nd Brett Dunstan; A grade Nathan Cassells, 2nd Jeff Tonna; B grade Nick Asmar, 2nd Joanne Kerr; C grade Steve Calleja, 2nd Brian Wallden.

Sunday saw the Olympic Double Trap shot in fine and sunny conditions, the results were: Overall Phillip Downs; AA grade Adam Vella, 2nd Steve Atkins; A grade Steve Baynes, 2nd Jeff Tonna; B grade Tony Dinatale, 2nd Brian Wallden; C grade Steve Calleja, 2nd Rayce Burgess.

CUZZO'S RAMBLINGS - OCTOBER 1998

Last month's column on the workings of a Major Shoot in America has created a great deal of interest and generated a number of questions on such matters as professional refereeing, selective squadding, the National Major Shoot Calendar and how the money payouts are distributed. Over the next few months I will attempt to address each of these issues individually. This month I will start with selective squadding, not only because I consider it to be an extremely important issue, but also because I believe that we currently stand at the crossroads with it in Australia.

Many years ago, when I first started shooting, I learnt that at grass roots level you can pretty much arrange your squad any way you please, which has all sorts of advantages and conveniences. However, when I began to attend State shoots and the Nationals, I found that this all changes. Suddenly squadding was under the total jurisdiction of the hierarchy and was definitely not done to conform with shooter convenience. Not knowing any better, I just presumed that this was the way that it was, and although disliking it, simply learned to live with it. However, on my first trip to the New Zealand Nationals, I found that a lady at the squadding window, taking five tickets in any order you want, is a much better plan. Almost all Australian shooters that attend the NZ Nationals shoot well and have a great time and I believe that their selective squadding policy is one of the main reasons for this.

Upon returning to Australia, I spent the next several years making a determined effort to get this procedure adopted here. All to no avail! Every time I got the idea off the ground, a small minority of people would sow the seed of doubt that some people might use this avenue to cheat, and down it would crash again. After losing the vote on these grounds at several consecutive AGMs, I became so frustrated and disappointed that I stopped attending the AGM altogether. Most New Zealanders who shoot in Australia have adjusted to our squadding system, but I know it is an issue with them, because it came up rather pointedly one year at their Nationals. A bunch of Aussies were sitting around taking the mickey out of the Kiwis, as they often tend to do. After several sheep jokes, which caused us great amusement and them to smile politely, one of the Kiwis asked us "what have you got, if you have five Aussies shooting together?" We had no idea, but when the answer was "obviously someone cheating", all the Kiwis roared laughing and we were left with egg on our faces and a serious dent in our National ego. Afterwards, I spoke seriously to several of them about the matter and asked their thoughts. The general consensus was that, in their opinion, it probably stemmed from a mind-set that reflected our convict origins. Now there is some food for thought!

Anyway, I went on to bigger and better things and tried to forget about it. But unfortunately, after shooting extensively in the U.S. and Canada and speaking with people from all over the world, I found that we are the only country with a hang up over selective squadding. The fact that it stems partly from a lack of faith in our shooters' basic honesty and integrity is not only a disappointment to me, but also a major embarrassment at times. After several difficult attempts to explain our national stand on squadding to overseas shooters, I learnt to avoid the issue at all costs. My frustration increased the longer I competed overseas as the multiple benefits of selective squadding continued to become apparent.

There are numerous advantages for the shooters, including many diverse areas of convenience and the ability to consistently shoot higher scores - which is the result of operating in a stable environment, rather than of cheating. There are numerous advantages for shoot organizers including simpler and earlier squadding and time savings both during squad change-overs and the total time taken for a squad to shoot. With selective squadding you never find four shooters standing around waiting to start with no idea who or where the fifth shooter might be and when five people shoot together regularly they soon develop a rhythm and take less time. There are numerous advantages for the sport itself in general, not the least of which is greater participation at individual shoots. If only one or two members of a regular squad want to go to a particular shoot, they will spend a lot of time trying to talk the rest of the squad into going as well. If that fails then they usually try to talk several other friends into going so they can make up a squad, before eventually going it alone as we all normally do at present in Australia.

I would like to see selective squadding introduced for all the above reasons and another two more pages full if space permitted me to ramble on forever, but I also have to admit that I have a vested interest in the concept. In my position of National Shoot Marshall it would make my life so much easier. A selected squad always has a spokesperson/organizer who can usually make decisions on behalf of the squad or at least arrange to get a voted decision very quickly. When this helps me the most is if I have a trap break down and need a squad to shoot on another trap to catch up. A quick chat with the spokesperson is usually all I need. Also, it helps at the end of each event when I often need to move a couple of squads around onto different traps to save time by getting all the squads to finish nearly together. If it is a random squad, I need to track down each and every shooter and advise them accordingly, which is very time consuming especially if I don't know a couple of them. However, if it is a selected squad, I simply find any one of them, tell him to advise the rest, and then I can get on with more important things.

Also, selected squads usually make all my referee and scorer problems just go away. Firstly, I never arrive at a field to find five shooters and no workers, because they have all just wandered off either deliberately or absent-mindedly

forgetting to work out who is going to do it. That system works okay with strangers, but it's pretty hard to pull off with your mates. Secondly, even when the refereeing roster works great, and the shooters are also backing up well, I still get frustratingly long delays between squads while shooters walk to the far end of the car-park and back to lock their guns away, as now required by law. With a selected squad, when you finish shooting, you just hand your gun to one of your mates, pick up the button, and away you go. (He also brings you a drink back later, or even relieves you between rounds) Thirdly, the refereeing roster becomes unnecessary because they work it out internally to give you a better result than a roster ever could. After a selected squad, you hardly ever get an inexperienced referee and a veteran scoring, who should be sitting down resting. The capable members of the squad usually accept this responsibility gracefully as part of the selective squadding package.

Anyway let's bring ourselves up to date. So there I was in Wagga last year, working at the Trap Nationals. Imagine my surprise on Sunday morning when I was told that, at the AGM the previous evening, a motion was passed from the floor that shooters will be squadded in the order that they nominate. Now I don't claim to be Albert Einstein, but it only took me about two seconds to figure out that we now had selective squadding in Australia albeit via the back door. If five of you wish to shoot together in a particular order, you simply get together and line up at the squadding window in that order. What if there are already two shooters listed on the squad sheet when your first shooter gets to the window? What stops you standing aside and allowing three other people through? End of story. So what happened? For the rest of the week those people who wished to shoot together did so. Those people who wished to squad randomly did so. Everybody had a great time and I did not hear a single allegation of cheating or any other complaint for that matter.

In the eighteen months since then, we have had a Skeet Nationals, another Trap Nationals and many State shoots. I have competed in, or worked at, most of these and so far have not seen a single hitch with the selective squadding system. As a matter of fact, I believe we are now on an unprecedented run of three consecutive Nationals without a single protest hearing and harmony between competitors and administrators seems to be at an all time high. Actually, at several recent shoots, I believe that queue-hopping theatrics have been deemed unnecessarily childish, and squadding has simply been done as required, which was the original intent. So where is that fabled cheating flag that flew so ignominiously over us for so long? It's in tatters in the trash where it always belonged and the people who had been flying it need to hang their heads in shame.

So if the problem is solved and selective squadding is now a fait accompli, why am I even raising the issue? Well, we've run into a hitch. The problem is that, due to achieving the objective in a de facto form via the back door, it's unforeseen and undesirable by-products are going to cause it to self-destruct. The round about rule that now allows selective squadding to be achieved at the top end of our sport is hampering the selective squadding that has always existed at grass roots level. Imagine the average gun club secretary, with no idea of ACTA politics, receiving a rule change advice stating that, in future all shooters must be squadded in the order that they nominate. Without knowing the background it appears absurd, intrusive, illogical and totally inappropriate.

But rules are rules and so next Saturday, when Billy Bloggs arrives at the gun club bright and early, with mum and the kids who are all set to shoot, he hits a brick wall. As usual, he hands one cheque and five nomination forms over the counter and says, "I'll be the second shooter in the second squad, mum will shoot third and Mary will shoot fourth beside her mum. Uncle Mick and Jimmy Jones will be here shortly to fill the first and fifth spots. Put little Billy in the third squad because he hates to shoot with his sister and put young Fred in squad four because he is going to use my gun". Imagine the look on his face when he is told that, due to the new rule change, they will have to be the first five shooters in the first squad. Instant disaster, lots of unhappy campers, the day's shooting ruined and several strongly worded letters of complaint to the National Office on Monday from the shooters as well as the administrators.

Let's examine some of the reasons that have been advanced against selective squadding. Cheating has always been the main argument put up by the opposition, but with a year and a half of hindsight it now seems to have had about as much substance as fairfloss. Another time-honored favorite is: They don't do it in ISU. To this I say: They don't do it in tidlywinks or sabre tossing either. And forgive me for daring to malign the sacred cow, but I defy anyone to read the ISU rulebook and then try to convince me that the guy who wrote it actually intended the participants to have any fun at all while doing it. Another good one that was once used to shoot me down went something like: Little Johnny Smith, who is a brand new C grade shooter, goes along to his first Nationals and by the random method gets to shoot along side Billy Iles in the National Double Barrel. Imagine the thrill this would give him and who are we to deprive him of that chance.

What a crock of horse manure! If Billy Iles is prepared to spend all year honing up his skills in an attempt to win another National Double Barrel title, who are we to deprive him of a stable neutral environment to show his true ability. Who are we to squad him with four total strangers who may tip his level playing field upside down? The first shooter may arrive ten minutes late and rock his mental preparation. The shooter on his left may decide to fidget just as Bill calls and the

shooter on his right may decide to have an argument with the referee after about ten targets. Is this giving him a fair go and providing him with equity, or is this the infamous "tall poppy" system where instead of trying to rise to his level, we try to drag him down. And let's not forget little Johnny Smith. In reality, he was probably so distracted and intimidated by having to shoot beside the great man that he wasn't able to achieve his own potential. Wouldn't we be better to allow both of these competitors to compete in the most distraction free and unstressed environment possible.

So where does this leave us? Between a rock and a hard place. We obviously can't leave the rule unchanged, but if we water "will" down to "may", then the original intent is lost and we're headed for confrontation and ill-will again. What is the answer? Rescind the rule totally. Replace it with a rule that says "Shooters will be allowed to arrange their own squads and shoot management will make every effort to accommodate this, whenever possible". Remember, this is not a new and untried and radical concept. The rest of the world has had it since the year dot. I believe the hour is at hand to take the bull by the horns, shake of our "convict origin mind set", as our Tasman neighbors so appropriately put it, and get with the times.

This month's Shooting Trivia Question: How many people have won the National Double Rise outright with a perfect score? Mail your answer to: Shooting Trivia, P.O. Box 265, Bairnsdale, 3875 to arrive by 25-10-98. A winner will be drawn from the correct answers, whose name will be published in the December CTSN, and who will receive a free entry to the National Double Rise Championship in Roma next March. The correct answer to August's STQ was Ken Lowry, who won National Skeet titles in 1973, 76 & 78. The winner of a free entry to the National Skeet Championship in Perth later this month is Peter Vella of Blacktown in NSW. Congratulations Peter. This competition is not run by the ACTA but by the author whose decision will be final and no correspondence will be entered into. If you have an interesting trivia question or a subject you would like discussed in this column, please forward it to the author at the above address.

Good luck and Good Shooting.....Adrian Cousens.

Newcastle-Lake Macquarie Clay Target Club

Hazel Morton being presented with her gifts and certificate in being the patron of Newcastle-Lake Macquarie Clay Target Club in August. The club honoured Hazel at 82 years of age in being its first lady member in 1956 and being instrumental in the club's formation in 1947.

John Younger and fellow Victorians feeling at home on the scaled back (due to rain, rain and more rain) novelty field layout due to postponement of the charity shoot until October 10/11. The good news for John, he won the High Gun — a brand new shotgun. The good news for other competitors is that he will be representing Australia along with Newcastle member Peter Wells in the US whilst the October event is run, another shotgun to be won!

Cowra Gun Club - Gold Cup Shoot

We were indeed lucky with the weather for Cowra Gun Club's annual Gold Cup Shoot held August 1st & 2nd. It was the first completely dry weekend for some time, and those competing - 75 on Saturday and 85 on Sunday, were appreciative of the good conditions.

Cowra in general.

Our numbers were down a little this year, as the floods affected the Western shooters and the Southern Zone Carnival at Illawarra clashed with us, but as is usual at Cowra, the club received many compliments on the shooting facility itself, the organisation, the catering and on

was Cowra member Glenn Sinclair who missed his 188th target to leave Steve victorious.

The Cowra club is particularly proud of Glenn's effort, as while working hard alongside other committee members to run the shoot, he shot with excellence to win the High Gun for the weekend with a score of 274/275. He did not miss a target in competition, and a second barrel in the point score event robbed him of a perfect score.

Winner of Cowra Gold Cup, Steve Caltabiano of Sydney with Sash, Cup and miniature Gold Cup keepsake.

Glenn won the 50 target Central Tablelands Double Barrel Classic after 15 possibles battled it out in a shoot off. Chris Salafia of Leeton finally giving way when he dropped his 217th target.

Saturday's Handicap Trophy event was won by Glen McAllister of Orange after seven shot the possible 25/25.

The Len Bird 3 Man Team event run in conjunction with the Handicap was won by Charlie Sherry, Paul Farrugia and Mike Bajada all of Sydney.

Other Gold Cup event winners were Junior: Murray McAllister of Orange; Ladies: Wendy Barton of Bowning; Veteran:

Evidently the 'good' conditions assisted 'good' shooters to produce 'good' scores, and over the two days, nine shooters applied for fifteen break badges ranging from breaks of 50 to 300 straight.

We are very grateful to the shooters who come to visit us year after year and also to the sponsors who continue their support. These were Aalana Motel, Cowra Concrete Products, Cowra Tyre and Brake Centre, Pro Trap Shooting Supplies, Kibbers Mitre 10, Martins Electrical (Betta), Milperra Marketing / Bay City Targets and Wayne Lynch from Royce's Cake Shop.

Ian Harris managed to take out first place with 64/68 followed by Kevin Streeter with 61/68 and then Jim Edmonds took third with 57/60.

The second event was a 25 target Skeet, Jim Edmonds took out A grade with 23/25, Neil Sinclair taking B grade with 21/25 and C grade was won by Ian Harris with 20/25.

After lunch the down the line program started. Event 3 was 50 targets off Handicap. First place went to Sam Edmonds with 49/50 and then a shoot off was required to determine 2nd and 3rd positions. Peter Bosel was drawn to shoot for the club jackpot. The metres that were drawn for him to shoot from were 20m, 11m, 18m, 16m, and 15m. This distance for the first target was just a bit too far, better luck next time Peter.

Because of the doubtful weather leading up to the shoot additional shelter was sought and freely donated by Peter Stewart Ford and Ken Farrell.

Club members had put in many hours preparing for the event and the success of the shoot was the reward.

Level 1 Accreditation Course

Mt. Gambier, S.A. 31st July - 2nd August

After accepting an invitation from Mr Phil Mules, S.A.C.T.A. Coaching Director, to attend a Level 1 Accreditation Course in Mount Gambier plans were put in place.

Arriving in Adelaide Friday morning I was met by Phil and after picking up a vehicle we headed for Mount Gambier. To show me a little of his state Phil had me head to Mount Gambier via the Coorong. A pleasant drive for anyone having never seen this region, had us at our destination some 4 & 1/2 hours later.

By request and to fit in with shoot dates in the zone we had programmed the course to begin Friday evening and finish mid morning on Sunday. This then allowed those involved to travel to the South East Gun Club's shoot.

At 7.00pm with a great fire warming the Mt. Gambier club rooms, the program of Accreditation began.

In attendance were member from: Mt. Gambier Gun Club: Terry Gilcrist, Phil Green, Gavin Height, Max Medhurst, Rodney Gilcrist; Bordertown Gun Club: Robert Andrews, Bruce Carter, Ken Richards; Millicent Gun Club: Peter Winsor, Steve Chambers; South East Gun Club: Alan Walters, Ken Burton.

First part of the program was the Course explanation which included the Level 1 kit and its contents. As past Level 1 Coaches know this kit contains manuals and books put together and funded by the ACTA Coaching Council to assist a new Coach begin.

Phil Mules then presented the many facets of the Role of a Coach, explaining that practical skills are one thing, being able to get message across, another. Sports Psychology followed with the main theme being how it effects and can be used by Club competitors in our sport. At 9.30pm the evening concluded with a short question period.

Sharp at 9.00am the next morning with the fire still warming

us we began with Physical Conditioning for the Clay Target Shooter being discussed. A collective sigh of relief when intense physical training and no McDonalds weren't the basis of the presentation. To change pace Safety and Shooter Etiquette was presented by Phil Green. Although Phil was himself undertaking Level 1 Accreditation, he as an Accredited Firearms Instructor for Firearm Licensing in South Australia was extremely conversant with safety. No one was disappointed and Phil presented this vital area of our Sport professionally.

After a short break, Characteristics of Shotguns was introduced and considerable time was spent explaining each area and the basis of Gun Fit. As with other programs, the Basics of Shotgun Shooting followed before the practical track work began.

Out onto the D.T.L. layout additional Basics of gun hold, both over and traditional, were discussed as well as stance and vision. Several club members had volunteered to

attend so that the new Coaches could see, discuss and evaluate different styles for faults and work on ways to assist in improving the shooter. From a new Junior to a very experienced shooter the Coaches looked, listened and under direction worked out solutions to different trouble areas. At 5.15pm the day ended with Skeet being programmed for Sunday morning.

It seemed the next morning was even colder when we took to the layouts again to discuss the basics. One area that a good deal of attention was hold outs with stance and the physical point that the individual clearly saw the target and was able to react in co-ordination with the target. A few surprised looks were witnessed with a simple test of reaction versus vision was tried.

At 10.30am a halt was called so that the course conclusion could be held as well as a question period. The bitterly cold conditions had nothing to do with the race to the fire. During this final session the assignments were reconfirmed as well as a supervising Coach being assigned. Then, following a question period, the drive back to Adelaide began.

To me the course had again unearthed a quantity of talented Coaches, some being top competitors, but all dedicated to helping others and aiding the sport to prosper. During the duration of the course it was also good to see Trevor Reschke (Level 2) and Guy Yoannides (Level 1 and ex ACTA Coaching Committee member) drop in to say hello and view the course.

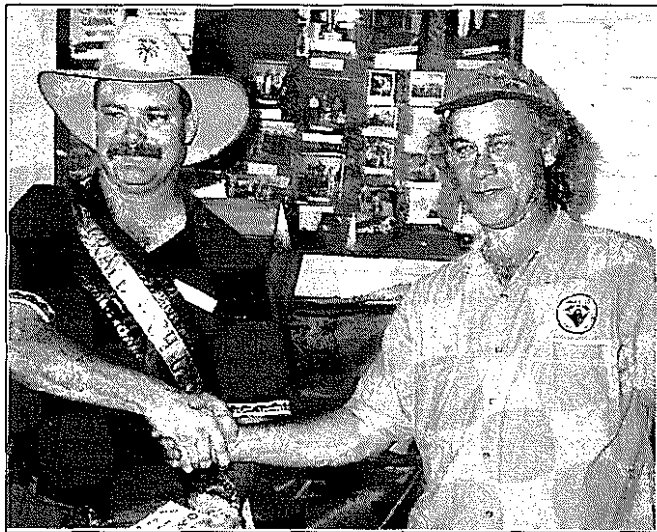

No event can be conducted without preplanning and Phil Mules, SACTA Coaching Director did a first class job. To Max Medhurst, Phil Green and the ladies of the Mt. Gambier Gun Club, my appreciation for your support of this Coaching Accreditation program.

— GEMFIELDS GUN CLUB —

The grounds were the greenest they had ever been and the targets were enjoyed and welcomed by everyone. Rain was threatening but the weather held out for our annual 2 day shoot on the 16th & 17th of August. Thankfully people came from near and afar and for that we were very grateful. We had visitors from Atherton Tablelands, Tambo, Rockhampton, Clermont, Springsure, South Australia, Tasmania, Ilfracombe, Whitsunday, Mackay, Cloncurry, Darr River and the Gemfields members put in some good scores.

Overall High Gun winner Gary Brown 312/315 with President Alan Grimshaw.

One of the most impressive results was that the Gemfields won the team event for the first time since 1983. Alan Grimshaw, Brian Richardson, John McKenzie, Peter Comino and George Cross scored a 361 from 375. Rockhampton came runner up with 358 and Ilfracombe was so close behind with 357.

President Alan Grimshaw

Springsure Gun Club

The August shoot was well attended with a couple of travelling blokes who were a long way from home, namely Peter Fabis from South Australian and Ashley Mayeke from Mundubbera, who took home the C grade High Gun.

Richard Woolcock continues to shoot exceptionally well and has taken out the Overall at every Club shoot since returning to AA. He also won AA High Gun recently at Barcaldine 2 day. Bruce Powell was AA shooter for the day, with Paul Maguire shooting well to win A grade and Ray Copping took B grade.

This month's Mountain Man Mug saw a shoot off between Bill Nixon and Paul Maguire. Not taking anything away from Porky, but I think everyone was very pleased to see Bill win.

Six Springsure shooters attended Gemfields Two Day this month and came home with a few trophies between them. Dallas Powell shot very well to be just a couple short from C grade.

As I have been mentioning over the last few months, November 7th in Springsure will see the running of the Peter Maguire Memorial and The President's Trophy. The Maguire Memorial will be run as a Medley over three events, those being 25 target Minis, 25 target Single Barrel and 25 targets Double Barrel, there will be trophies for Overall and 1st & 2nd in each grade.

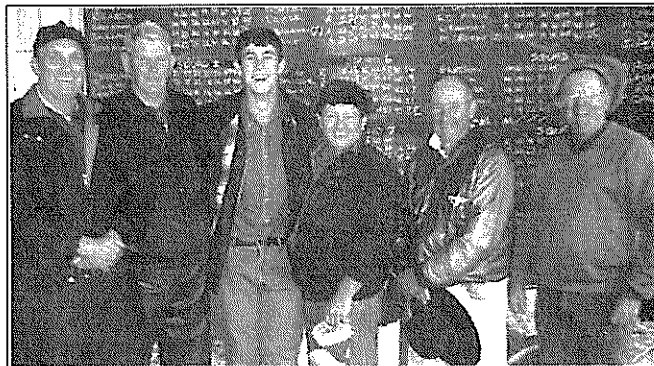

Our Mountain Man Mug will be the second event on the program.

The President's Trophy will be 50 target Night Points Continental. We hope to see shooters from near and far for what we promise will be a great day out. Shooting will commence at 10am. If anyone has any queries please give me a call on 0749 841256.

KENNETH SYDNEY BURTON ("NUGGET")

BORN 23-09-39, DIED 10-10-93, AGED 54

Ken (Nugget) was born in Boort (Vic.) and lived his entire life on the farming property he and his father shared - farmed then eventually bought when Nugget was 14 years old. Although playing football in his younger days, after being introduced to shooting in 1970 it became his love. "Why waste a good Saturday going to footy when you could go to a shoot somewhere?" he'd often say.

He was a true ambassador to the sport, encouraging all he met to take up the sport. He helped numerous juniors along the way and encouraged Clubs to support junior events, saying "The kids of today are our shooters of tomorrow". No distance was too far to travel, as long as there was a good programme on.

He chased Double Rise and Handicap events all over Australia. If you can remember "Nugget" coming to your Club, I'd say it was either to shoot Double Rise or he'd fix your traps while he was there.

His Kerang Ibis Traps machine became popular Australia-wide for their simplicity, affordability to all Clubs, and the knowledge that if you had a problem, "Nugget" would fix it, without question.

After his death the business was sold and, I'm pleased to say, the new owners David and Julie Pay are keeping up "Nugget's" service side of that business, as well as continuing to make good traps.

The Boort Clay Target Club decided to honour "Nugget" after his sudden death (a massive heart attack) and put on a Memorial Shoot in "Nugget's" name. The event to be 60 pair of Double Rise. To those of you who knew him you can imagine him saying "That's right, put on a bloody good Double Rise event when you know I can't be there to shoot it".

Nugget was also a great believer in that Memorial Shoots go on for too long, and eventually the shooters say "Who's he?" when a Memorial Shoot is mentioned. So it was decided that Nugget's Memorial Shoot would only run for five years. The fifth and final year is to be a Grand Final.

The event 60 pair Double Rise is open to all. At the end of the event the Overall winner will then take his/her place alongside the four previous winners for the Grand Final shoot-off. That winner then keeps the Perpetual Cup and gets another Trophy as well.

So shooters, this is your last chance to honour a great man, a man who never refused to help out any Club who asked for help. Who was a friend to all. A shooter of considerable ability. The man I loved and admired, my husband.

So please come along and give "Nugget" his final send-off, and make this day a true memorial to him.

*Regards to all.
Hope to see you at "Nugget's" shoot.
Faye Burton*
