National President's Notes

Glenn G. Woodhatch

ROMA NATIONALS

Congratulations must go to Robert Nugent and his team on running arguably the most enjoyable Trap Nationals to date. The fun of the dog jumping and shearing contest, along with the first class Country & Western music and the Pro Am shoot will be long talked about by anyone who attended. Well done Roma.

RUSSELL DOES IT AGAIN!

Russell Mark has added another World Cup trap title to his name. Shooting in Lima, Peru. Russell shot a score of 146/150 to take out the title. He then teamed with Glen Kable and Nathan Cassells to win the silver medal in the teams event. In the Double Trap Russell, Nathan and Adam Vella won the silver medal also in the team event.

WAGGA WAGGA UPDATE

It is hoped that by the time you read this column, we will have commenced the construction of the new office. Our only holdup to date has been official red tape within the Wagga Wagga Council but this has now been sorted out. We hope that by the Skeet Nationals later in the year, our office will be well and truly open for business.

WORLD DTL/GRAND AMERICAN

Time is almost up if you are still undecided as to whether you will make either one, or both, these once in a lifetime shooting trips. If you wish to shoot in the World DTL the CPSA have set aside some 120 places for International shooters. Entry forms, information and Application for Firearms Permit can be found on the CPSA's web site on the internet. Travel information and bookings can be made with Don ALLCHURCH of Tourplanners Australia on 08 8556 2533.

RULES

Many shooters come to me with complaints about current Rules, in particular, the Handicap. A number of years ago the National Executive put forward that there would not be a rule change for a specific period – in fact 5 years. The immediate response from all was that this was a great idea. However, in a very short period of time there were many requests for changes to a number of the Rules. I guess it is human nature to want this, so the Rules committee then continued to make changes as they were requested. The committee continues to assess and make change where they believe it necessary, hoping it will lead to more enjoyable and competitive competition to the satisfaction of most. When considering the changes, one fact continues to come out – the change requested in most cases has been tried before and was found not to work.

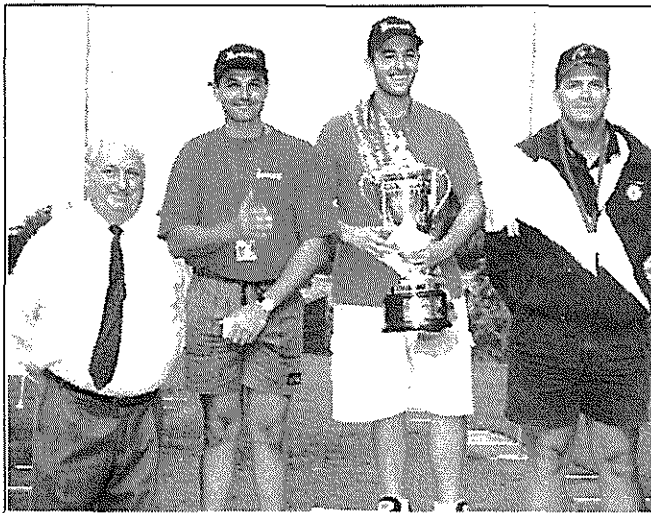

Despite this we are continually criticised for specific rules and asked to fix this one or do something about that one. I have no problem with this – all I ask is if you want to criticise, at least give us the solution at the same time so all shooters can benefit.

World Class Performances at Australasian-Pacific "Grand Prix"

Brisbane Gun Club 20th - 27th February

Australia's premier Olympic Discipline shooting Competition, the Australasian-Pacific 'Grand Prix', which was conducted at Brisbane Gun Club between 20th and 27th February, attracted over 170 shooters from throughout Australia and from 10 overseas countries.

Amongst the overseas contingents was one of the strongest teams ever to come to Australia from the United States and comprised a team from the U.S. Shooting Team and also a very strong team from the U.S. Army Marksmanship Unit at Fort Benning in Georgia, who confirmed the belief that the Brisbane "Grand Prix" competition is amongst the best competitions currently available anywhere in the World.

Overall placings Kemen Australian Open — winner Ben Kelley, 2nd Michael Diamond, 3rd Dominic Grazioli with Tom Meadows (pres BGC)

Competitors from the U.K., Japan, Austria, Czech Republic, Lebanon, France, Spain, New Zealand and USA came to Brisbane to help make the 99 "Grand Prix" the most successful yet conducted in its 5 year history.

In addition to the 99 competition attracting so many class competitors, this year the event took on a new look with the conducting of a new format Australian Open event in Trap, Skeet and Double Trap and also the worlds first ever conducting of a 'skins' event in all three disciplines.

Added support from Kemen Australia, Rio Oceania, Olympic Targets, Winchester, Borhaghi Cartridges and Carlton United Breweries also ensured that the competition would be the success that everyone has come to expect of it since first being conducted in 1995. By arrangement with Rio Oceania, each Grade and Section Winner throughout the entire competition would be presented with a case of 500 Rio Cartridges in each Championship. In all 60 cases of cartridges were to be presented during the Grand Prix.

Olympic Trap High Gujns — Brian Mark (veteran), Deserie Baynes (women), Ben Kelley (Overall), Rocky Manno (Junior), Dominic Grazioli (International) with Tom Meadows and David Menck (BGC).

With 3 days of Double Trap, offering 450 targets, and 5 days of Olympic Trap and ISSF Skeet providing 425 Targets each, the competition was considered by all in attendance, especially those visiting from overseas to be an extremely good competition and worthy of making the effort to attend.

With the attendance of the strong US teams, the class of the field included shooters who have won competitions at every possible level including Olympic Games, World Championships, World Cup Finals, World Cups, Commonwealth Games and anything else worth mentioning. This must surely be a record for a competition in Australia easily out doing the standard of competitors attending World Championships in 1991 and the World Cup in

Brisbane in 1997. The scene is now certainly set for Australia to be seen as amongst the Worlds best venues in the lead up to the Olympic Games in Sydney next year.

In preparation for the competition, the Brisbane Gun Club and Organising Committee for the "Grand Prix" spent many weekends preparing the grounds and presenting the facilities to a standard considered suitable for any competition anywhere in the World. The three Olympic trap and Double Trap facilities operated throughout the week long competition with only a few minor hiccups, while the two skeet layouts also performed well with minor interruptions. Full credits must go to all who made the effort to get everything prepared for the competition. Special mention must be made to the continued efforts of Club President Tom Meadows, Organising Committee Secretary Janine Kettels,

Tony Houselander, Tony Kidman, Len Norman, Col Boyd, Greg Newey, Terry Morony, Craig Smith, Dot Trindall, Carol Ogden, Ross Tipler and the many others who did so much, not only before the competition, but also during the event. Without the assistance of so many individuals, the Australasian-Pacific "Grand Prix" would not enjoy the outstanding success that it does today and to be rated as Australia's most important international Olympic Discipline clay target shooting competition.

After unofficial practice was offered for a few days, the competition got under way on Saturday 20th February with the first ever conducting of a clay target "SKINS" event. Designed by the "Grand Prix" Organising Committee to offer a lead in to all major events in conjunction with a Badge Match, the "SKINS" was extremely well received by all who competed and will no doubt eventually establish itself as a popular event in clay target shooting circles.

Around 40 shooters competed in the "SKINS" event which comprised the normal 3 rounds of 50 targets. The first round saw current World Record Holder Richard Faulds of England take the money in the Open section of the first round, while Rocky Manno of SA International took the Intermediate Section. Richard Faulds again took the honors in round two with Steven Robertson taking the intermediate. Richards prize-money for the first two rounds - \$760. Round three went to Adam Vella of Frankston while Rocky Manno again took the money in the Intermediate giving him \$240 for the event. In all, \$1500 was paid out to shooters in the event - good money for a few hour work (or enjoyment).

150 Target Double Trap "Skins" Badge Match: O/A: A Vella (Frankston) 128/150; AA: R Faulds (UK) 125/150; A: J Tonna (Werribee) 109/150; B: S Robertson (Silkwood) 104/150; C: R Seiko (Japan) 95/150; LAD: A Roberts (Melbourne) 120/150; JNR: R Manno (S.A) 110/150; VET: H Strauss (Austria) 99/150; INTERNATIONAL: D Grazioli (USA) 124/150.

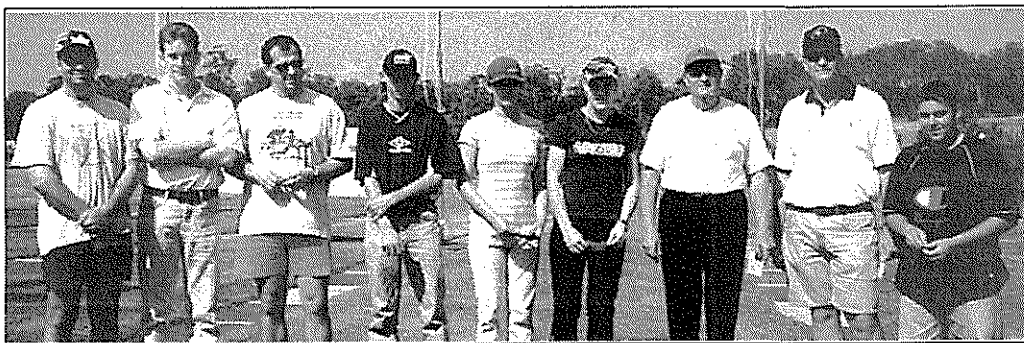

Day two saw the conducting of the first major competition, the Australasian-Pacific "Grand Prix" in Double Trap. The scene was now set for two days of extremely tough competition with this event and the inaugural Kemen Australian Open in Double Trap, also over 150 targets.

After the first round, Atlanta Olympic Gold Medallist Russell Mark had made his intention clear. Russell carded a good 47/50 to set the pace with current World Champion Michael Diamond and Kevin Gill of England both on 44/50 along with Steve Haberman the 1995 World Champion. Richard Faulds of England started badly on 39/50 and would always find it hard to recover from there, however a 46/50 in round two saw him make up two targets on Russell. Michael Diamond added a handy 45/50 while Adam Vella shot 44 to add to his first round 43 and put him amongst the leaders.

After the completion of round 3, Russell Mark went in to the final first on 138/150 followed by Diamond 135, Faulds 133, Vella 132 and Craig Tilley and Deserie Baynes both on 126. Deserie was again proving her qualities as a Double Trap competitor by making the Open final and by being the top qualifier in the women's section.

150 Target Double Trap Australasian-Pacific "Grand Prix": O/A: R Mark (Werribee) 185/200, 2nd R Faulds (England) 180/200, 3rd M Diamond (NSW) 178/200; AA: A Vella (Frankston) 132/150; A: J Tonna (Werribee) 124/150; B: S Robertson (Silkwood) 116/150; C: R Seiko (Japan) 87/150; Women: D Barnes (Port Augusta) 137/160; Junior: V Shaw (New Zealand) 163/200; Veteran H Strauss (Austria) 108/150.

At the completion of the "Grand Prix" the proceedings turned a little 'lighter' for the conducting of the charity team event, conducted in aid of Brisbane's St Andrews Hospital.

Double Trap Badge Match winners — Adam Vella, Richard Faulds (UK), Rudolf Strnad (Czech Rep), Steven Robertson, Riko Seiko (Japan), Ann Marie Roberts, Heinrich Strauss (Austria), Dominic Grazioli (US), Rocky Manno.

Three teams of shooters each representing Perazzi, Kemen and Beretta would compete with the team having the highest combined score after 50 targets being the victor. The losers would make a donation to the hospital along with the Brisbane Gun Club and the Organising Committee.

The three teams:- Beretta: R Mark, and N Cassels, Perazzi: M Diamond and S Haberman, Kemen: R Faulds and A Vella.

After the completion of a very entertaining round of Double Trap, the Kemen Team of R Faulds and A Vella emerged victorious from what was undoubtedly one of the best squads of double trap shooters ever to assemble together anywhere in the world. On behalf of the shooters and those present, John Gilopidis representing Kemen Australia presented Elizabeth Ainsworth-Virtue of St Andrews Hospital with a cheque of \$1500 the proceeds of the afternoons proceedings.

The final Double Trap event would see the first ever conducting of the Kemen Australian Open Event, again over 150 targets. Kemen, through its Australian Distributor, generously offered to award a high quality Kemen Shotgun to any competitor breaking

the World Record of 193/200 in this event. Chances were, that this may be achieved with the field including the current World Record holders, Richard Faulds 193/200 and Michael Diamond 147/150, Russell Mark the current Olympic Champion, Steve Haberman 1995 World Champion, Junior World Champion Nathan Cassells plus World Cup winners Dominic Grazioli, Kevin Gill, Adam Vella and many other highly credentialled members of the American and Australian Teams.

As with the previous event, finals would be conducted in this event for open, women and junior competitors.

Again, Russell Mark started brilliantly shooting 48/50 to take the early lead over Richard Faulds and David Alcoriza (US) both on 47/50 with Rudolf Strnad (Czech Republic) and Ann Marie Roberts both recording 46/50. In the Junior ranks, Suzie Trindall of Showman's was setting the pace from Craig Livingstone of New Zealand and Rocky Manno of International SA, both on 40/50, while Heinrich Strauss from Austria, Brian Mark of Werribee, our old 'mate' Art Goodman from New Jersey and locals Cam McClymont and Col Boyd were doing battle in the Veteran section. The Women's section was also seeing a great battle with Theresa Dewitt and Loetta Dement of the US Army Marksmanship Unit both shooting well enough to have the early break on the Olympic Bronze Medallist Deserie Baynes.

Russells form didn't falter - he recorded 48 and 49 in his 2nd and 3rd rounds to go into the final in first spot on 145/150. Englishman Kevin Gill (136/150) and Richard Faulds (135) along with David Alcoriza (US) on 135, Adam Vella (134) and Tom Turner of Cessnock (131) made up the top 6.

50 targets later, after the final, Russell had equaled the world record 193/200 and failed by one target to take home a new Kemen Shotgun. Richard Faulds made a late run with 49/50 to take 2nd

Tonna, Deserie Baynes all had 49s.

125 target Olympic Trap Australasian-Pacific "Grand Prix": O/A: R Mark (Werribee) 147/150, 2nd A Vella (Frankston) 145/150, 3rd B Kelley (NSWGC) 145/150; AA: M Herman (USA) 120/125; A: G Kable (Cecil Park) 120/125; B: J Ruffo (Werribee) 114/125; C: A Calvi (Frankston) 104/125; LAD: D Baynes (Pt Augusta) 141/150; JNR: J Ruffo (Werribee) 139/150; Vet: B mark (Werribee) 101/125.

The ISSF Skeet competition of the Australasian-Pacific "Grand Prix" was also the scene for some great performances. Americans Todd Graves, Joe Buffa, Shawn Duloher and Scott Schroeder along with Ken Okuzumi of Japan all recorded 24/25 in the first round to share the early lead, Grave going on with it to finish day one in the lead on 73/75, ahead of Buffa and Duloher both on 71/75. Australian hopefuls Clive Barton (68), David Cunningham (65) and George Barton (64) all had plenty of work to do on day two. Natasha

Lonsdale was continuing to shoot well, leading the women on 68/75, to be well ahead of Natalia Rahman of Frankston on 64 and Lauryn Ogilvie of the US on 61. Top juniors for the day were Robbie Marino (Melbourne) on 65 and Jason Maxwell (Illawarra) on 64.

After a further 50 targets on day two, Todd Graves had first spot into the final on 122/125, one target ahead of team member Joe Buffa with Shawn Duloher and Clive Barton one further back on 118/125. Clive had to get there the hard way shooting a perfect 50/50 on day two. Scott Schroeder (US) and Goran Rahman (Frankston) made up six for the final, which saw Graves, Buffa and Duloher all record perfect 25s while Clive Barton carded 24 for a daily score of 74/75, Schroeder and Rahman both had 23s.

125 target ISSF Skeet Australasian-Pacific "Grand Prix": O/A: J Graves (USA) 147/150, 2nd J Buffa (USA) 144/150, 3rd S Duloher (USA) 143/150; AA: C Barton (Tamworth) 118/125; A: G Rahman (Frankston) 113/125; B: N Lonsdale (Geelong) 113/125; C: N Hyland (Atherton) 90/125; LAD: N Lonsdale (Geelong) 133/150; JNR: R Marino (Melbourne) 133/150.

With the Australasian-Pacific "Grand Prix" competitions all completed, it was now time for the conducting of the inaugural 200 Target Kemen Australian Open competitions in both Olympic Trap and Skeet. Kemen (Spain) was represented by Mr Arcadio Sarriugarte who was on hand to present the magnificent cups donated by Kemen to the winners in all three disciplines. Mr Bruce Burns of Rio Oceania was also on hand for the presentation of Rio Cartridges, while Bob Dupuy and Wayne Pilkington represented Win-

placing while David Alcorzia's 45 in the final saw him get bronze.

150 Target Double Trap Kemen Australian Open.

O/A: R Mark (Werribee) 193/200 EWR; 2nd R Faulds (England) 184/200; 3rd D Alcoriza (US) 180/200; AA: K Gill (England) 136/150; A: R Strnad (Czech Rep) 129/150; B: C Livingstone (NZ) 125/150; LAD: T Dewitt (USA) 133/160; JNR: C Livingston (NZ) 162/150; VET: B Mark (Werribee) 101/150.

After 3 heavy days of Double Trap, the scene was now set for the Olympic Trap and ISSF Skeet specialists to do their stuff. Nearly 100 shooters would do battle in the trap and around 40 shooters in the Skeet. Both disciplines were set to produce some great competition with the likes of Mark, Diamond, Kelley, Vella and others set to be pushed hard by the international visitors such as Kevin Gill (UK), Dominic Grazioli, Michael Herman, David Alcoriza (US) and Des Coe (NZ). The skeeties were also sure to find it 'tough-going', but whatever the outcome, the competition was sure to be of great benefit to the likes of David Cunningham, Clive and George Barton, Craig Meulman and others. The US Team of James (Todd) Graves, Shawn Duloher, Joe Buffa and Scott Schroeder have recorded wins in many of the Worlds major competitions. Todd Graves is probably the only shooter to have ever won World Cups in all three disciplines - Trap, Skeet and Double Trap.

The first two days of the Trap and Skeet would see the conducting of the Australasian-Pacific "Grand Prix" over 125 targets + final. The Trap competition which was sure to be keenly contested started well with Russell Mark continuing on where he had left off in the Double Trap carding a perfect 25/25 along with Ben Kelley (NSWGC), Craig Henwood (Melbourne), Kevin Gill (England) and Wayne Pilkington (Werribee). No less than 15 other shooters were one target behind on 24/25. Diane Reeves (Normanton) and Deserie Baynes (Pt Augusta) lead the women's section with 23's, while Rocky Manno had the early lead in the Junior division and Art Goodman (USA) on 21/25 was one ahead of Brian Mark in the Veterans Section.

At the end of the first day, Tom Turner of Cessnock had grabbed the lead with a near perfect 74/75, followed by Russell Mark, Ben Kelley and Glen Kable all on 73. Deserie Baynes was on 68/75 to be one ahead of Lisa Smith, with Suzanne Balogh on 65 and Dianne Reeves on 64/75 in the women's section, while Joseph Ruffo of Werribee lead the Juniors on 67/75 ahead of Rocky Manno on 66/75. Brian Mark had an early 3 target break on Art Goodman in the Veterans division.

The final two rounds of the Australasian-Pacific "Grand Prix" in Olympic Trap and Tom Turner added another 25/25 to go through the 100 mark on 99/100, but unfortunately faulted in the last round with a 21 and just made the final in last spot on 120/125. Russell Mark scored 50/50 for the day to finish on 123/125, Ben Kelley finished with 49/50 for 122, while Michael Herman (49/50), Adam Vella (49/50) and Glenn Kable (47/50) along with Tom Turner made up the six. Other great scores for the day included 50/50 for Kevin Perkins (Illawarra), while Michael Diamond, Jeff

chester, Kevin Tunny was there for Olympic Targets and George Scaf of Bornaghi Cartridges was also in attendance. The Organising Committee are truly appreciative of the support by all sponsors and look forward to their assistance at next years "Grand Prix".

For the first time in many years, Australia was set for the conducting of a major competition in Olympic Trap and Skeet over 200 targets. The Kemen Australian Open events in both trap and skeet would be conducted over 2 days with 100 targets each day and finals to be conducted for the top six competitors in the open, women and junior sections.

In the Trap event, the competition was expected to be very fierce with many shooters out to impress. The ACTA National Training Squads in all disciplines were in attendance for the entire competition and all were keen to record good performances to enhance their prospects for National Team selection for the forthcoming World Cups and World Championships.

After 100 targets on the first day, Ben Kelley was out in front on 98/100, followed closely by Theresa Dewitt of the US Army on 97, Dominic Grazioli 96, Michael Diamond, Russell Mark, David Alcoriza and Brett Dunstan all on 95. Following up in the women's section, Deserie Baynes was on 90 while Suzie Balogh was in third spot on 87/100. Craig Livingston of New Zealand was the overnight leader in the Junior division while Brian Mark was again the early leader in the section for the mature aged gentleman.

With plenty to be done with 100 targets to go, many of the top competitors had their work cut-out. Michael Diamond showed his ability after starting with a 23 to put the next 75 together for a 98/100 on day 2 and a final score of 193/200. Ben Kelley recorded 95 to also finish on 193, while Dominic Grazioli 191, Glen Kable 189 and Adam Vella 188 made their way into the final without complication. Kevin Gill (188) had to survive a shoot off with Theresa Dewitt, Brett Dunstan and Daniel De Pietro to take the last spot in the top six. Theresa Dewitt was top placegetter in the

Women's section ahead of Deserie Baynes while Suzanne Balogh took 3rd spot. Brian Mark again outclassed the Veterans, finishing ahead of Cam McClymont and Col Boyd, while Rocky Manno continued his good form during the week to take the Junior honors ahead of Craig Livingstone of New Zealand and Michael Faber of Narrabri.

Kemen Australian Open Double Trap — Russell Mark, Richard Faulds (UK) and David Alcoriza (US).

200 Target Olympic Trap Kemen Australian Open: O/A: B Kelley (NSW) 218/225, 2nd M Diamond (NSW) 218/225, 3rd D Grazioli (USA) 214; AA: A Vella (Frankston) 189/200; A: G Kable (Cecil Park) 189/200; B: R Manno (SA) 181/200; C: F Dewitt (USA) 213/225; JNR: R Manno (SA) 202/225; VET: B Mark (Werribee) 165/200.

In the Kemen Australian Open Skeet event, the Americans were again going to be the ones to beat. Todd Graves was really in fine form and continuing on from his victory in the "Grand Prix", Todd recorded 99/100 for the first days competition to be in equal first spot with fellow team member Shawn Duloherly also on 99. David Cunningham had a better day finishing on 95/100, Joe Buffa and Scott Schroeder were in equal forth spot after the first 100 on 93 while Craig Meuleman was on 92/100, Lauryn Ogilvie from America was on 91, Lee Bowditch from England was on 90 and Clive Barton had plenty to do again finishing on 89/100.

After a further 100 targets, Todd Graves was not about to falter. He recorded another 99/100 to finish with a brilliant 198/200, 2 targets ahead of Shawn Duloherly on 196 while Joe Buffa was third into the final on 191/200, three targets ahead of Scott Schroeder who had a 190/200 over the two days. Clive Barton lifted his game shooting a good 98/100 on day two to take fifth spot in the final one target ahead of Lee Bowditch of England.

So, the top six for the final - 4 Americans, 1 Australian and 1 Englishman, and the scores were good again. Todd Graves could only manage a 24 to take the overall honors while Duloherly, Buffa, Schroeder and Barton all carded clean 25s to finish the competition. Lee Bowditch hung in to finish with (209/225).

THE ACTA IS PROUDLY SUPPORTED BY AUSTRALIAN SPORTS COMMISSION

Following the completion of the presentations and awards on Friday afternoon, the Organising Committee hosted a complimentary function at the club for all shooters and friends. The function was conducted with the assistance of Carlton and United Breweries and as a result of the success of this function it will be an on going part of the "Grand Prix" in future years.

Saturday - 27th February, the last day of the 1999 Australasian-Pacific "Grand Prix" competition and the day many were waiting for - the conducting of the first ever "SKINS" competition in Olympic trap and Skeet. It is believed that this was to be the first ever "SKINS" competition ever conducted anywhere in the world in Olympic Trap and Skeet clay target shooting.

In trap, approximately 60 shooters had nominated for the event while around 25 competitors had waited around for the skeet. Unfortunately, because the Organising Committee were forced to run the "SKINS" last because of travel arrangements made for the Japanese contingent, the Trap and Skeet "SKINS" were last on the program but because of the success of the "SKINS" it will be rescheduled for next years event.

With 'good dollars' up for grabs in both disciplines, the scene was set for an enjoyable day where someone was going to make money.

Trap "Skins" - Round 1 of the Trap event and it wasn't until the last shooter in the final squad (squad 10) had finished that the result was known. Kevin Gill of England, the last shooter of the round recorded the only 25/25 to take the first round skin in the Open section, pocketing almost \$500. The Intermediate skin of \$300 was shared 21/25 by Katz Futakami (Japan), Masami Kawai (Japan) and Joseph Ruffo (Werribee).

Round 2 and another \$500 + \$300 up for grabs. This time, 3 x 24's shared the \$500 in the Open section - Steve Baynes, Nathan McDonnell and Kevin Gill again. The Intermediate section dollars all went to Jeri Herbrecher, a C Grade shooter from Czech Republic who shot 21/25.

The 3rd round saw a great result for the field when 4 shooters in the Open division all recorded 24/25 and again it was left to Kevin Gill the last shooter of the round to force the jackpot, the Intermediate section was shared by Osamu Inui (Japan) and Joseph Ruffo (Werribee) both on 22/25.

Round 4 and the Open section "Skin" had jackpoted to \$1000. Again, there were no 25s. It was left to Rudolf Strnad, Ben Kelley, Kevin Perkins and Kevin Gill again to record 24/25 and share the jackpot taking \$250 each. The Intermediate section was won outright by Japanese visitor Isamu Inui on 23/25.

100 Target Olympic Trap "Skins" Badge Match: O/A: K Gill (England) 97/100; AA: B Kelley (NSW) 95/100; A: N McDonnell (Pt Macquarie) 94/100; B: B Attard (Morwell) 88/100; C: R McNamara (Redcliffe) 76/100; LAD: D Baynes (Pt Augusta) 90/100; JNR: J Ruffo (Werribee) 84/100; VET: A Goodman (USA) 57/75.

Skeet "Skins" - The Skeet Skins also had the making of a good competition, although the general feeling was that 25s would be needed to get any of the money in the open section. Round 1 saw Joe Buffa of the USA shoot the only clean 25 to take the money in the Open section while Brenton Willey of Albury/Wodonga carded 23/35 to win the money in the Intermediate section.

The second round saw a surprise with no 25s shot in the Open section - Todd Graves and Shawn Duloherly both recorded 24s to share the money while Tony Kidman shot 21/25 to take the money in the Intermediate section.

Round 3 and Shawn Duloherly of the US and George Barton both carded 25s to share the proceeds of the Open division. Brenton Willey again took the money in the Intermediate section.

The final round and the old team of Todd Graves and Shawn Duloherly were at it again both shooting clean 25s to take the prize money. Again Tony Kidman took the booty in the Intermediate section.

100 Target ISSF Skeet "Skins" Badge Match: O/A: S Duloherly (USA) 98/100; AA: J Graves (USA); A: L Bowditch (England) 88/100; B: B Willey (Albury) 89/100; C: C Reeves (Normanton) 71/100; LAD: S Balogh (Canberra) 45/100.

The 1999 Australasian-Pacific "Grand Prix" competition has been rated by all concerned as the most successful ever. It had taken the Organising Committee 5 years of hard work to get to the point that it is today and as always we welcome input from all concerned. Over the years there has been plenty of constructive criticism and we have always listened to everyone's ideas in an effort to improve the competition. As always we welcome constructive assistance from everyone.

The Organising Committee would once again like to offer sincere thanks to those companies and individuals who supported the "Grand Prix" and hope that assistance and support will be forthcoming again in 2000. The Organising Committee of Brisbane Gun Club would again like to thank all shooters who have supported the Australasian-Pacific "Grand Prix" again in 1999 and sincerely hope that we will see you again in Brisbane in 2000, when it is expected that the "Grand Prix" will be even more successful than in past years.

1999 2 DAY OPEN TRAP SHOOT REPORT

From left Libby Vidal, Steve Steenstrup and Roger Vidal.

Ian Merick

Warren Clark

Poor light and miserable weather conditions combined to depress overall average scores, nevertheless some good performances were posted.

Strong fields of 86 competitors Saturday, and 92 on Sunday were most pleasing, and included visiting shooters from Darwin, Brisbane, Cobar, Narrabri, Warren, Goondiwindi, Gunnedah, Narromine, Yamba, Coffs Harbour, Grafton, Port Macquarie, Tamworth and the Hunter Valley as well as Glenn Innes and Inverell.

The two most consistent shooters were Ian Merrick (Cobar) and Arthur Turner (Warren), who tied 5 points down over the two days on 275/280 for the Overall High Gun Prize of

Ben Bloxome

Glen Anderson

\$1000. In a gesture of good sportsmanship they agreed to decide the winner on a coin toss and the call fell in Ian's favor for overall high gun and the purse, Arthur settled for AA Grade High Gun.

Veterans high gun was won by Les Kennedy (Inverell) 261/280.

Ladies High Gun went to Cindy McBean (Inverell) 247/280 who also took B Grade in the New England Single Barrel and Double Barrel, as well as taking 1st in the Handicap.

C Grade High Gun was taken by Glen Anderson (Inverell) who also won 2nd C Grade New England Double Barrel and 50 target Supertrap as well as 1st C Grade 50 target Masters Championship and 1st C Grade New England Single Barrel Championship.

B Grade High Gun was won by Michael Hicker (Guyra), A Grade High Gun by Tony Schaefer (Cessnock). Tony also took 2nd A Grade - 30 target Medley, 50 target Super Trap & 50 target Masters Championship, as well as 1st A Grade New England Single Barrel Championship.

Notable performances by other Juniors were Ben Bloxome (Glen Innes), 2nd C grade 30 Target Medley 43/50 and Ben Rumbel (Guyra) 2nd C Grade - New England Single Barrel 20/25.

Cohuna Clay Target Club inc.

The weather was overcast but the rain held off until the end of shooting at the Cohuna Clay Target Club on Easter Sunday. The Easter spirit was in the air with plenty of Easter Eggs, plenty of kids and plenty of good shooting.

Thank you to Mark and Lisa and Ruffell Family Jewellers for your generous sponsorship for the days events. Your ability with a shot gun may need some attention but your skill and precision with your fine jewellery is outstanding.

The first event for the day was the 25 target Ruffell Family Jewellers Double Barrel Championship. 24 shooters shot the possible 25 targets with a long shoot off needed to decide the overall winner and the winners and place getters for the top 3 grades. Congratulations to Ray Paetling 220/220 for being AA grade and Overall winner with Mark Vistarini 219/220 in second place. The A grade winner was Bob Rigney 100/101 with Ken Bruns 74/75 second. George Smith 56/57 was the B Grade winner with Merv McKnight 35/36 in second place. Pam Fletcher 24/25 won C grade with an excellent score with Joanne Dean 27/29 coming second.

The 25 target Single Barrel Championship saw another group of "25" shooters shooting off to decide AA and A grades. Greg Hipwell 116/116 and Robert Godfrey 115/116 were the top place getters in AA after an excellent display of accurate shooting. Ken Bruns 97/98 was the A grade winner with David Dean 25/26 second. Another shoot-off and Roddy Lea 25/27 became the B grade winner with J Dunn 24/27 in second place. C grade was won by Ann Paetling 27/28 who was in fine style for this event with Peter Orr 24/25 coming a close second.

The tension was mounting as several shooters were still in the running for the Overall High Gun Trophy with perfect scores. The

25 target Points score Championship didn't seem to make the shoot secretaries job easier with 11 possibles being shot. Back to the lay outs to decide winners with Brian Walden 237/237 taking out AA grade and overall with mark Vistarini 121/122 second. David Dean 236/237 was the A Grade winner with Rob Rigney 82/83 in second place. B grade was won by Carmel Ford 96/99 with George Smith 95/99 second. Belinda Reyne was the C Grade winner with Hardy McClure second with 68/75.

All the events showed a good mix of Ladies, Juniors and Vets in the shoot offs and the results. A quick look in the shoot book shows that all grades were evenly contested with the scores showing excellent shooting in all these events. In the three championships shot, only one target was the difference between AA and C Grade winners. good shooting.

To decide the overall High Gun for the day it was back to the traps with Mark Vistarini, Steve Reyne and Robert Godfrey sharing the Club shooters pool for their perfect day and using more shells to decide the High Guns honors. Congratulations to Robert Godfrey for becoming the Cohuna Clay Target Club Easter High Gun Champion for 1999. We hope to see you on Easter Sunday in 2000 to defend your title. A Grade High Gun was won by Bob Rigney, B Grade High Gun by Jim Absalom and C Grade High Gun by Brenda Reyne. The ladies High Gun was won by Carmel Ford, The Junior High Gun by Jarrod Fletcher and the Vets High Gun by George Smith. The encouragement award for the day went to Elleasha Brown.

Rockies Raffle winners were Mark Vistarini, Wendy Fletcher and Pam Fletcher.

If you need a ring or gold chain for a special occasion then see Ruffell Family Jewellers in Bendigo or Kerang for the perfect gift. Mark and Lisa will also make jewellery to your specific requirements. Thankyou for your sponsorship and participation in our Club.

Don't forget to come to Cohuna for good targets, good competition and excellent facilities.

See you next shoot.

Wendy Fletcher, Secretary.

Mount Isa Gun Club Inc.

Sunday 14th Commencing at 9.00 am.

Sunday March 14 saw the Mount Isa Gun Club hold its monthly shoot. The conditions were very bright and hot for the shooters.

The first event of the day was the 50 target Skeet. A grade was won by Angelo Bertoni with 47/50, B Grade went to Ian Harris with 46/50, and C Grade to Ron Power with 46/50.

Event Two was 25 Targets Tower. A Grade went to Angelo Bertoni with 22/25, B Grade Mick McGill with 47/50 and C Grade had to be decided by a shoot off after Ron Power and Jim Edmonds both shot 21/25. Power emerged the winner with 28/32.

Event Three was 50 Targets Double Barrel. Ross Walsh, Ted Matthews, Dave Stitt, John Yanko and Rod Maxwell all shot a perfect score of 50/50, so it was out to the tracks for a shoot off. Walsh eventually won with 118/118. Looks like Ross is in fine form for the Nationals in Roma, at the end of the month.

Jim Edmonds won B Grade with 46/50 and C Grade went to Bruce Goeldner 45/50.

The Fourth Event of the day was 15 Pairs Double Rise. Ross Walsh and Rod Maxwell had again shot the same score of 25/30. Walsh was the winner again with 34/40. B Grade was won by Jim Edmonds with 25/30 and C Grade by Bruce Goeldner with 16/30.

Good Luck to all the Shooters from the area that are travelling to Roma for the Nationals.

Peel & District is on the Map!

Peel & District Gun Club (Inc) has been a very small operation since March 1982 with one layout for trap and skeet. The "Club House" consisted of a sink and fridge surrounded by a three sided galvanized tin shed.

Arthur Marshal, MLA, secretary to Minister for sport and recreation presents the cheque to Peel & District Club President Ken Holman.

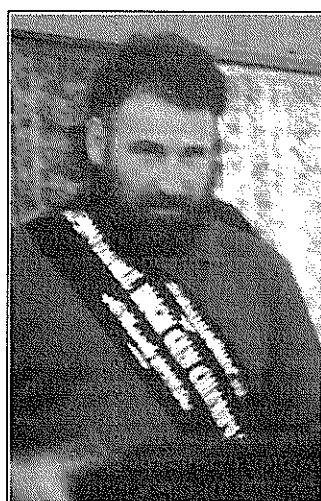

Noel Nancarrow, President of Murray Shire at the official opening of grounds. From left to right: Les Hall, vice president of club; Noel Nancarrow, Jim Lithgow, committee member; Ken Holman, club president; Arthur Marshall, MLA and Peter Black, Murray Shire Council.

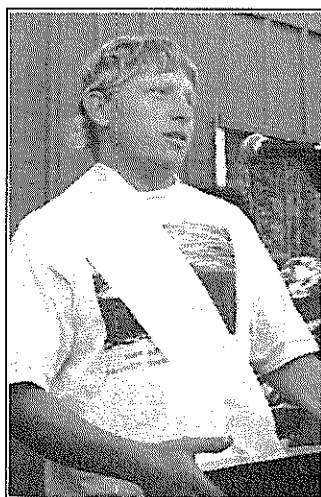

No one noticed the constant noise of the generator chugging along in the background to provide power till it coughed and sputtered. Then people would run from every direction to fill up the fuel tank before it stalled and shooting was held up while it was restarted.

This has all changed! Thanks to a grant from the Ministry of Sport & Recreation and the local Murray Shire, loyal members and volunteers working hard on numerous working bee's, and the dogged determination of our Club President, Mr Ken Holman. We now have a wonderful Club House, complete with kitchen and office, three trap layouts and two skeet. The grounds have changed from scrub to lawn, complete with irrigation and silent power - heaven!

The ground was officially opened by the Murray Shire President Noel Nancarrow and Secretary to the Ministry of Sport, Arthur Marshall MLA was in attendance. This was followed by a display shoot using "colour

bomb" targets for a great visual effect.

Our first carnival was held that weekend, (almost seventeen years from the date of Incorporation) with over 70 shooters from 10 clubs throughout Western Australia competing for the 100 D/B Len Nangle Shield and the State Deauville Doubles.

Peel Club member Greg Walker took the honors in the Len Nangle Memorial Shield with 99/100. AA & O/A: G Walker 99/100, 2nd D Fox 98/100; A: V Heard 97/100, 2nd M Kosovich 96/100; B: K Schinzig 93/100, 2nd T Booth 92/100; C: R Erceg 92/100, 2nd N Atkins 89/100.

A successful day ended with a complimentary barbecue.

The State Deauville Doubles was hard work for all competitors due to overcast conditions and the wind played havoc with the targets.

The results from Deauville Doubles were as follows: 1st D Conning & R Conning 18/20 and 2nd G Parsons & G Smith 20/23.

The results of Single Barrel were AA: 1st D Fox 25/25, 2nd R Vivante 24/25; A: B Humphreys 24/25, 2nd D Skey 25/27; B: 1st J Turner 22/25, 2nd G Smith 21/25 and C: 1st Lisa Hall 19/25, 2nd K Taylor 15/25.

Results from 25T Pointscore were: AA: 1st M Tucker 73/75, 2nd G Kelly 78/81; A: 1st M Kelly 77/81, 2nd P Bowles 76/81; B: 1st G Smith 68/75, 2nd M Brown 59/75 and C Grade 1st G Evans 59/75, 2nd H Smith 54/75.

Peel & Districts members would like to thank all who attended for making our first carnival such a success and look forward to seeing you all again next year.

Vision and Clay Target Shooting

*Karen Moir, Sports Optometrist. Accredited Level 2 Sports Optometrist
President, Sports Optometry Australia.*

Clay target shooting irrespective of the particular discipline is a sport involving the detection of a target the alignment of the gun on the target, then pulling the trigger.

This process involves binocular vision and depth perception task to locate the target in space, then monocular alignment and aiming, followed by a visual message to physically pull the trigger.

The visual process involved in clay target shooting.

- Sharpness of Vision in right and left eye at a distance, this needs to be the maximum sharpness that you can attain, often better than 20/20 vision.
- Peripheral vision to detect the location of the target, the speed of peripheral awareness can also be measured to determine how quickly you locate a target.
- Binocular alignment of the two eyes and the two retinal images, this is used to judge depth, and to determine the exact location of the target.
- Accommodative functions of both eyes to move the focus to the correct distance of the target.
- Contrast sensitivity to determine the target image against confusing backgrounds, or when overcast and dull.
- Monocular acuity of the dominant eye when aiming at the target. The aiming process is actually a pointing process.
- Because shooting requires fast responses many times over, both the speed of recognition and the speed of the response are very important. The task is also endurance as these processes need to be completed many times for a whole event.

What do you and your eyes do when you shoot.

You stand in position, with eyes relaxed. You then mount the gun and hold still. You visualise the target, focus both eyes ahead of the trap house. You then widen your focus and "soft focus" so that you take in all peripheral locations that the target may appear in. You hold your blink and stand visually alert.

You are then prepared to call for the target, quickly you call "pull" with your eyes wide open, and your vision out wide to "spot" the target in your peripheral vision.

This task requires many visual skills sharp vision, wide and fast peripheral vision, good binocular alignment, fast focus control, accurate eye movement skills, good depth perception, good contrast sensitivity.

The next task is to move the gun in relation to the target and to draw your focus in, so as to "hard focus" right on the position of the target.

This task requires very sharp central vision right and left eye, good visual concentration, good depth perception, fast focus

changes, good visual memory and good binocular control.

You then have decided that the target is directly aligned with you eye and barrel and you pull the trigger.

This is a monocular task and the dominant eye is the one you should be aligning with on the shooting side of the body. The sharpness of this eye is very important, and your ability to point with this eye with the gun in position determines your ability to then break the target. This also requires hand eye coordination and spatial localisation to know where the barrel is in reference to your eye and the target.

You then follow through and dismount the gun.

Golden Ibis Shoot

Warren 13th & 14th March 1999

Been there, done that, will be back to say the least. Numbers down a little on last year, however 144 happy little souls took the tracks daily. In general the shoot ran smoothly but the normal trap problems that face every club did occur. However shooters took this in

possibles. Shoot off followed and Bryan Manns from Cobar taking honors with a fine 105/105. For his efforts Bryan won the deep freeze which I'm sure he will put to good use.

Event three the Single Barrel Trophy with 8 possibles. That little fellow Tubby Blazley again showed the way and was very worried he had won another Victa. Not to be and Tubby walked away with a gun safe. (Bloody need one of them mate). Well done Tubby.

Event four and last for the day the Lower Macquaries Double Barrel Championship. Thirty nine top shoots took the tracks for the shoot off. A couple of P.B recorded and we continued on until tea. Then the lights with 5 remaining. The shoot off did not contribute to the late night had by many (reports of 5am finishes) was over inside 25 targets. Ian Merrick the winner with a great 155 straight. Ian seems to always get a win at Warren and this year took home the mower (a much relieved Tubby) green sash and again a chance to win back his nominations next year by back to backing this win.

Night followed and as stated went into the wee hours.

However bleary eyed and all we were underway again on time thanks to the great

The champions at the Lower Macquarie Championships — (back) Glen Harvey, Glen Castellaro, David Reed and (front) Bob Lisle, Preston McIntosh, Arthur Turner, Cathy Gault and Philip Jackson.

good faith with some excellent shooting and scores recorded, especially by the juniors who showed some old farts (GK) how its done.

Event 1 being a cash divide and allowing shooters to shake the cobwebs got underway on time at 9am, These were 36 possibles to start the day.

Event two the Lower Macquarie Point Score Championship with 7

work of Shoot Marshall John Coaker. The Double Barrel Trophy saw 38 to take the shoot off. Even Glen Castellaro who's eyes were literally bleeding shot the 25 J W Smith another who seems to get victory at Warren out lasted all to win. Jim also won the big gun safe (he has more guns than Tubby).

Onto the sixth event the Single Barrel Championship. 7 possibles, including Glen again with bleeding eyes. Peter Graham from Bathurst the eventual winner taking the green sash and clothes dryer for his efforts. Peter came to Warren last year as a C Grade

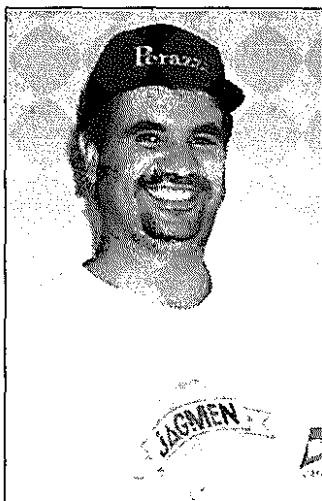

President Kevin Walton and Brian Manns (Cobar) Lower Macquarie Pointscore Champion.

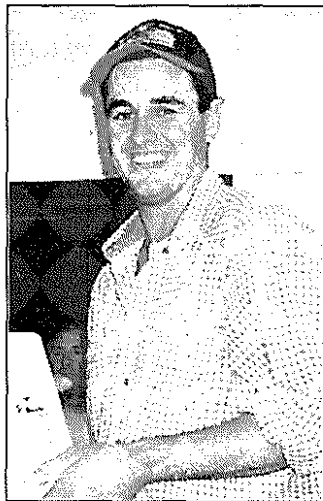

however the handicapper was hot on his tail and now has him in AA. Congratulations Pete.

Pete was closely followed by Steve Caltabiano from Orange. Steve commented his second has him closer at last.

For the first time we had the Presidential Point Score Trophy. At last president Kev dug deep and gave a few bob other than slaving his guts out to get the Club ready.

Steve Caltabiano (Orange) AA Grade winner of the Single Barrel Lower Macquarie Championship.

Chuck Boyd (Warren) second in AA Grade.

The weekend was getting longer as only 2 possibles. Blood eyed Glen and our nice mate Wayde Hawkins. Glen Castellaro out lasted Wayde to take the lovely tartan sash, Microwave and even smile (first time today) for the camera.

Down to the last and one to sort the shooters from the pack in High Guns.

The Double Rise Championship and two with a heap of 27's hot on their tail. Rob Brodin President of neighboring Tottenham and local club member Arthur Turner shoot off with Arthur the winner

of the 48cm colour T.V. green sash. Rob Fiest in AA. Pressy. Kevin even took second in A Grade. Well done Kevin and many thanks. Here's looking at your next 10 years as president.

The highlight being the five guns and the Golden Ibis beautifully handcrafted by Peter Keough in Dubbo topped off a great weekend.

Arthur Turner with a great score of 300/305 took overall. Closely followed by Glen Castellaro (more late nights needed Custard) on 299/305 took AA. A very happy Daryl Reed A Grade on 295/305, Glen Harvey taking B Grade with a fine 292/305 and Bob Lisle from Lightning Ridge topped off a great weekend to win C Grade 275/305.

Kathy Gault also had a great tussle with Karren and Therese to win the ladies, Natures gentleman Preston McIntosh the veterans. Just turned 70 and also caught by the handicapper now in AA. Great effort Preston. It's shooters like you and the very nice Dominic Bonello who make our weekend and the hard work getting ready worth while.

Phillip Jackson took the juniors again and topped off a good weekend winning the swag.

To all who helped, the ladies in the kitchen, great effort, bar staff, Libby and Priscilla, Therese and Kay Office and backboard, trappers, referees and scorers, the little band who prepared the grounds and to all who took part in the week end many thanks.

A very special thanks to Bob Thompson of Condo, home and handyman (Retravision) Condobolin for the great deal on the Trophies. I'm sure all agree they were terrific again.

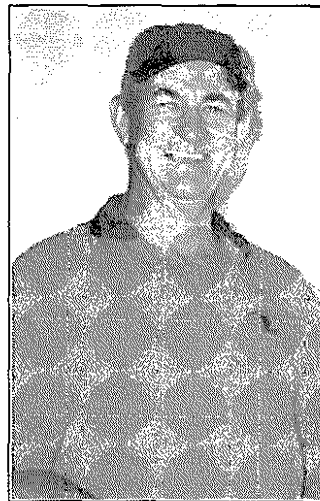

It will be on again next year. Five guns for High Guns. Showers and toilets completed and I will arrange breaky on Sunday to help quell the previous night.

Great weekend, great shooting, great friendship, safe keeping till next year.

JUST BLOODY GREAT!

C Grade High Gun winner Bob Lisle (Lightning Ridge) and shoot marshal John Coaker.

Ken Fisher (Warren) B Grade winner.

Maryborough Tid Bits

There were these two fellow going home from the Pub and took a short cut along the railway line. They were a bit under the weather. In fact they were more than that, they were soused. Well going along the railway line one fellow said, I am sick of going up these steps, are they ever going to finish?. The other fellow said "I don't mind the steps but why did they put the hand rails so low! (Think about it).

This lady had a heart attack and her spirit went straight to heaven and the Lord said "I don't want you up here just yet, you have another thirty or forty years yet, so slip back down before they miss you." The Doctor said, "I thought you had gone, but you seem one hundred percent now". So the lady said can I go home and the Doctor said I would like to keep an eye on you for a few days yet. So the lady knowing she had thirty or forty years said Doctor while you are keeping an eye on me could you do some improvements?. So the Doctor said what do you want done?. So the lady said I would like a face lift, my lips filled out, my nose straightened, my boobs lifted and that spare tyre around my belly taken off. So rubbing his hands together he said "sure this can be done". So after a week the lady was very pleased and left the hospital, as she was leaving she was hit by a truck and died. When she got to heaven she said, Lord you said I had thirty or forty years left and here I am again, and the Lord said please forgive me, I didn't recognise you.

28-2-99 MARYBOROUGH HERITAGE CITY SHOOT (IN THE RAIN)

Well it did rain, but there was this fellow born on the land of the big white cloud and he is used to rain, then there was this lad from the bush and they have droughts for years and he didn't know what rain was. So both shot like troopers in the rain.

Thanks to Helen Armstrong, Kay Bulfin & Heather in the kitchen, Holly in the office and thanks to our shoot Marshall's in the rain. We had the return of Allen and Troy Harris who last shot with us in 1998. Welcome back. Also new members Chris Baldwin, Kilkivan in company with Stephen Corbett from South Africa who will be living in Kilkivan and shooting with us. A shoot wouldn't be a shoot without visitors. We thank them for turning up on such a wet day. Thank you all. Emma, Carl & Frank Robinson, Ken Vicary Central Burnett, Sylvia & Bill Edgerton, Lex Stolberg, Glen Durre, Gary Albrecht Gympie, Jeff Fett and Greg Manning Sunshine Coast, Allan Olsen Emerald, Brad Peterson, Bruce Walker, Spencer Plath, Brian Fourro, Jarrad Smith Bundy, Todd & Lyle Vidler, Chipps McCann, Gary Schneider, Rob Crawford Kingaroy, Gary Redmond, Phillip Warren & Craig Smith Brisbane and Irvine Wynyard, TLGC. Hope that I got the lot.

Well back to the fellow from the land of the long white cloud & the lad from the bush who relished the wet conditions and took most events. As follows in AA grade, Glen Durre D/B CD, T Golding D/B CD, Jeff Fett D/B CD, Stafford Smith D/B CD & 1st in Peter Henderson PTS. Irwin Wynyard the fellow from the land of the long white cloud D/B CD, Heritage City D/B C/S, O/A Metway S/B C/S, O/A D/B CONT & AA HG. Good shooting Irvine. With Gary Redmond D/B CONT & Paul Anderson O/A in Heritage City D/B C/S & AA in Metway Bank S/B C/S. In A Grade Greg Manning D/B CD and A Grade HG. Norm Dale D/B CD & Vet HG. Brad Peterson Heritage City

C/S, Gary Schneider, Peter Anderson D/B PTS & B Grade HG. Phillip Warren Metway Bank S/B C/S & Stephen Corbett D/B CONT. Then the lad from the bush Frank Robinson D/B CD & O/A, Peter Anderson D/B PTS & O/A HG also good shooting Frank. In B Grade Andy Wood D/B CD, Vince Dollison D/B CD & Heritage City D/B C/S. Fred McCann (Chips) D/B CD. Gary Albrecht D/B CD & Dick Osborne D/B CONT. In C Grade Trevor Cecil the only C Grade shooter to shoot the D/B CD and has retired on the cash, but took him to B Grade. Nice shooting Trevor.

Emma Robinson shot the C Grade Heritage City C/S, took the ladies in same event & won O/A Ladies High Gun. Spencer Plath won Peter Anderson D/B PTS while Carl Robinson won the Metway Bank S/B C/S, took Junior in Heritage City D/B C/S & O/A Junior High Gun. Ron Sorhti took Veteran in the Heritage City D/B C/S Event while new member Chris Baldwin won C grade D/B CONT. Again without taking an event Allen Joblin knocked over C Grade High Gun and thanks for cooking the steaks Allen.

Being fine for the last two events spirits lifted and shoot finished on a good note.

Now if you are feeling a bit up and down our May shoot will suit you as it is 100T D/B Continental 1-2-3 each Grade and Frank those four targets you dropped for the day are being dried and you can pick them up next shoot.

On Tuesday 2nd March we had good TV coverage even when announcing what sport was coming they had Clay Target in back ground. We are getting spoilt. Next day 3rd, the bible arrived and contents said MTB Page 7, so turning to page 7 found it was GIO Sponsorship, but there on Page 52 was MTB. My ratings must of slipped.

Ted Turton rang and told me he is off to Brisbane for more treatment but can now hold his gun and gave me a tip he has just bought a new gun before his accident and it didn't fit the best, but now after the smash it fits OK. So if your gun doesn't fit don't fix the gun, go out and have a smash. Best of luck in Brisbane Ted with your treatment.

BUNDABERG 21-2-99 MID MONTH SHOOT.

Thanks Kaye for results. Results of shoot in AA Grade, Stafford Smith PTS, Peter Winzen 15PR D/R, while Rob Rehbein took D/B CD, OA & AA S/B C/S & OA HG. In A Grade Judd Clarke took PTS, Tim Gardner S/B C/S, Gino Sergiacomi, Brad Peterson & Frank Robinson shared D/B CD & Frank took 15 PR D/R. In B Grade Jarrad Smith won 15PR D/R & Brian Fourro cleaned up D/B CD, PTS S/B. Good shooting Brain. In C Grade Doug Baggeley won S/B C/S while Bill Hanenberg also cleaned up with D/B CD, PTS & 15PR D/R. Bundy Shoot 9th May Skeet 9am, Trap 12.00pm PTS, D/B C/S, Graded HCP & CONT.

GYMPIE 14-3-99

Thanks Wal for the results. Glad you didn't get the big A this time. Visitors from Bundaberg, Maryborough, Sunshine Coast, Munduberra. One Shooter who was pleased he went was Allen Joblin (Mary) who drew the jackpot and shot it being \$169 better off. Good shooting Allen. In AA Grade Phill Grove took D/B & S/B while Glen Durre took P/S, D/R & AA HG. Back to your old self Wal. In A Grade Bill Stolberg D/B, Kevin Howard D/R & Frank Robinson PTS, S/B & A Grade HG. In B Grade Jarrad Smith D/B, Bill Edgerton PTS and back in B Grade George Foster PTS, D/R & B Grade HG. While C Grade went, Sylvia Edgerton PTS & S/B, while Allen Joblin took D/B, D/R and C Grade HG. Some good shooting on the day but Wal says it is the easy targets, best in Aust?

Well, May is a busy month for Gympie. On May 9th, 9am start they hold the Gold City One Day which you can win a "Rizini" on HCP. Then on May 30th, 10.30 start they hold the Police Gun Club Shoot, a big month shooting for Gympie.

MARYBOROUGH 28-3-99

With our President and top shooters at the Nationals we had a perfect day, which should have been our one day shoot, but altered it to work in with Nationals. But still had a good turn up and good shoot thanks to our visitors. Pat Burke Caboolture who shot with us about three years ago good to see your wife and yourself Pat, also Brian Guthrie Togoolawah, thanks for coming with regulars Chris and Matthew Post & Lex & Bill Stolberg Gympie, Gino Sergiacomi, Spencer Plath & Jarrad Smith Bundy also thanks for coming. We also had Ian Roberts and Paul Holder of Tiara & District Sports Club. Pleased to meet you. A late welcome to Lee Taylor who joined our Club

this year. A big thanks to Allen Joblin who hosted our first club BBQ for members to get to know one another. With twenty nine it was a great night. Thanks to our kitchen ladies Kaye, Molly & Heather and Holly in the office. Trevor Cecil took off the quickie board scotch & Bill Stolberg shot the jackpot \$100, good shooting Darrell. Results of the shoot. We didn't shoot AA because of lack of AA shooters, so shot ABC. In A Grade Pat Burke & Norm Dale shared the D/B. Peter Shaw took OA & A in S/B C/S. Gino Sergiacomi the H'Cap and Ian Robertson D/R & A Grade HG. In B grade Chris Post S/B C/S, Andy Wood 2nd HC while Jarrad Smith won D/B, D/R & B Grade HG. In C grade our new member Lee Taylor D/B, Darrell King S/B, C/S while Allen Joblin stole 3rd H/Cap D/R & C Grade HG.

Don't forget we shoot 23rd May 100T CONT.

Good shooting to all till next time see you at the shoots.

SYDNEY 2000 - YOUR INVITATION TO OLYMPIC SHOOTING

One of the proudest moments of any sports person's career is winning an Olympic gold medal. At the 1996 Olympic Games in Atlanta, two Australian clay target shooters, Michael Diamond and Russell Mark, experienced this moment. Both regard their experience as unforgettable.

Dual Olympian Michael Diamond remembers the thrill of winning Australia's first gold medal at Atlanta, in the Trap event.

"I always regard competing at the Olympic Games as an honour and a privilege" said Diamond. "Being part of the team at Barcelona and Atlanta, winning gold at the latter, showed me that all those long hours of practice are really worth it. I wouldn't trade the thrill of competing and winning at such an elite level for anything."

Triple Olympian Russell Mark, who won Australia's second gold medal of the Games in Double Trap, recalls how he felt just as the gold medal was placed around his neck after his triumph at Atlanta.

"I looked back into the crowd and saw an Australian flag waving defiantly in the breeze. It made me proud to be an Aussie and proud to have achieved so much for our country. I'd love to do the same again in Sydney in front of a home crowd. That would be the best result ever for me."

If you agree that the thought of seeing more Australians achieve medal success at the Sydney 2000 Olympic Games is something to get excited about, here's your chance to turn thought into deed. Tickets for all Olympic sporting events go on sale to the public on 30 May this year. However as a shooting fan, you have the chance to be first to purchase one of a limited number of Shooting Sports Passes.

A Shooting Sports Pass entitles the holder to entry at the Sydney International Shooting Centre on each of the eight days of competition for \$480. This is priced at a premium on the combined face value of the individual tickets, but you are guaranteed a ticket for every day of the competition. What an opportunity to share the Olympic spirit and support an event that has been a feature since the first Modern Olympic Games in Athens in 1896!

The shooting competition will be held over eight days from 16 September to 23 September at Sydney International Shooting Centre, Cecil Park, in Sydney's West. There are a total of 17 different shooting events on the Olympic program, Pistol 5, Clay Target 6, Rifle 5 and Running Target 1. Two events are held on each of seven days with three events on the other day. The one ticketed session each day will allow you to wander between the different events at will.

Sydney International Shooting Centre, a truly magnificent shooting venue, will host the first medal event of the Sydney Games. Women's Air Rifle, the first event on the Olympic

shooting program, provides the first gold medal opportunity on 16 September.

Interested in witnessing Olympic shooting history in Australia? If so the next step is easy. Just call the SOCOG Sports Pass: Shooting telephone line on (02) 9297 4040 to have a Shooting Sports Pass order form sent out to you. But don't delay! This 'early bird' offer closes on 30 May.

John Graham Langridge (Graham)

It is with deep sorrow we advise the passing of Graham, a member of the former Harcourt Gun Club and one of the Founding Members and Life Member of the Castlemaine Gun Club.

If it wasn't for this mans love of his shooting, his family and their support, we would not have the Club and facilities we have and enjoy today and the things to do list that goes with it.

He gave so much to all of us.

Thank you

Sympathy to Grahams family.

MONARTO - ALEXANDRA CLAY TARGET CLUB INC.

ANNIVERSARY SHOOT - 20TH & 21ST MARCH 1999

Members of the now 'officially' combined clubs of Monarto and Alexandra kept their fingers crossed, hoping for a reasonable turnout of shooters following the clashing of dates with Barmera Gun Club who were hosting part of the Riverland Masters Games.

Well our numbers were not great, but enthusiasm and rivalry shown among those present helped to make the weekend a great success. We had a scattering of visitors from Kalagadoo, Meningie, Strathalbyn, Goolwa and Adelaide as well as those closer to home - those Clubs represented being Mount Gambier, Lake Albert, Southern, S.A.G.C., International and of course our own club members.

The weather for Saturday was fine and warm and competition got under way with a 10 target Double Barrel Eye Opener. 10 of the competitors took a share in the Cash Divide - P Hendy, G Height, K Ielasi, H Laxton, A Rohrlach, A Famigietti, L Sharram, J Higgins, F Atkinson and A Friebel.

Proud winners of the Live Bird Shield, Southern Gun Club. Left to right: J. Higgins, R. Schubert, K. Ielasi, A Friebel and D. Hamann.

Event 2 was a 20 target Handicap and this was shot in conjunction with the Live Bird Shield (won by our Club members following a trip to Ceduna some years ago) and I believe there was some kind of skulduggery on the part of the Southern Gun Club who swooped in, shot like troopers, and whisked away our shield after having lulled our own Club members into a 'false sense of security' by 'letting' us win their Legacy Shield just a week ago. Overall winner of the Handicap was J Higgins who shot 30/30 over R Schubert on 29/30 with L Sharram taking third after quite a shoot off, on 58/60. Members of the Southern Gun Club team were R Schubert, J Higgins, D Hamann, K Ielasi and A Friebel - they shot an excellent score of 96/100.

Event 3, the Toso Investment 25 Target Single Barrel Championship was won by new Junior shooter A Friebel - a 'C' Grader, but I bet he won't be there long. Adam shot the only possible of 25/25 - well done - a happy boy winning his first sash.

Event 4, the last event for Saturday's competition saw new

Club President, P Hendy take honours after shooting the only perfect score of 75/75. This event was shot in conjunction with the Shell Team shoot and I hate to say it, but the team from 'that Club', away to the south of us, did it again and for the second time that day, took away one of our treasured team trophies. Team members again were R Schubert, J Higgins, D Hamann, K Ielasi and A Friebel - this time shooting a score of 120/125. We aren't really mad, on the contrary, it sometimes pays to get beaten - it spurs us on to do better next time.

Fingers crossed again, this time hoping that the rain that had fallen fairly steadily all night would cease before competition was to start.

Following what was described by our lodger for the night, as a 'truckies breakfast', we set off once more for the Gun Club and found some new faces had come to join us for the day - all attired in their wet weather gear.

Event 5, the 30 mixed target Clem Thomas Memorial Championships saw most of those competing, shooting in the rain and the only perfect score posted was that of our overnight guest, P Hendy - he shot a 50/50. My 'almost birthday buddy' Fred Atkinson came to the club house shaking his head, "I can't believe what I have just done". "Shot the lot?", I said, "No", said Fred, "I hit 9/10 in the double barrel, 9/10 in the single barrel and missed 7 clean birds in the point score". My heart sank for him because he had shot 72/75 the previous afternoon and that's not bad shooting for an 84 year old veteran. I am happy to say he redeemed himself in the very

next event by shooting a 22/25 - he felt happier and so did I.

Event 6, a 25 target double barrel Club Championship saw some great shooting. With 6 possibles shot, the 6 shooters went out to do battle - the rain having cleared away and just leaving a rather dark threatening sky. G Height of Mount Gambier took out the event shooting 96/96 over P Hendy on 95/96.

Event 7 and the last event on the program, the 25 target G & R Michell Point Score Championship (also the last team shoot for the weekend) saw P Hendy again take the honors by shooting the only 75/75. Hooray, we did it at last, we finally got to keep one of our team

Peter hendy, Club President, winner of the Overall High Gun.

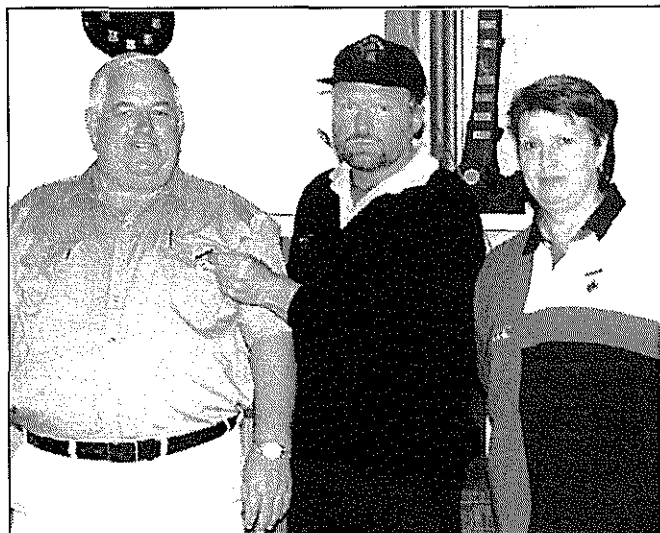

trophies - the G & R Michell Team trophy. The 'wheels had fallen off' Southern's shooters and thankfully our 'old reliables' Monarto No 1 team, won the trophy with a score of 348/375 (points to count). Team members were G Michell, P Hendy, T Rohrlach, T Famiglietto and P Harris. Great stuff fellas!

Adam Friebel, overall winner of the Toso Investments Single Barrel Championship with sponsors, Tony and Sonia Famiglietti.

.....and so it was all over again, bar the shouting, till next year. Peter Hendy our 'brand new' Club President seems to be relishing in his new job for it certainly did not distract him from his shooting over the two days, taking out the Overall High Gun with a brilliant score of 276/280 - and this involved his 20 metre handicap shooting as well. Good on you Pete!

Our other High Gun winners were equally proud at receiving

Graham and Ruth Michell receiving Life Membership badges from Club President, Peter Hendy.

their sashes/trophies: A Grade: R Schubert 271/280; B Grade: M Clark 243/280; C Grade: P Harris 240/250; Veteran: D Humphrey 230/250.

Many thanks to our sponsors John & Elaine Johansen, Toso Investments Pty Ltd (alias Tony & Sonia Famiglietti), the Thomas Family, Peter & Jackie Hendy (sorry for mis-spelling

your name on the sashes - Jackie with an 'ie' and not just 'i') and I guess to Graham and yours truly - little clubs like ours can not survive without help.

Thank you also to those who helped in any way over the weekend, referees, scorers, to Peter (1), Peter (2) and Tony prior mowing the grounds and cleaning up, Ivan for trap maintenance, to Jackie (with an 'ie'), Tony and Ethne (I hope I have got this one right) for your help in trap filling and canteen work on Saturday, to Annette for canteen duties on Sunday, to Graham in the office, to Lawrie (for those delicious 'devilled almonds') and to Phil and 'Tiger' not only for the leeks and onions but also for your company while I cooked the bar-becue.

Lastly I must say that on behalf of Graham and myself, we were honored to have Life Membership badges bestowed upon us at presentation time in recognition for work done for the Club over the past 14+ years, and if you haven't worked it out yet, we have done it because we 'wanted to', not because we have 'had to'. Therein lies the difference! I rest my case.

In closing I would just like to say that I hope to see you all back again next year - and just a message for you guys down there at Southern, don't forget about the 'elbow grease' when it comes to polishing up that trophy!

William Robert McEntyre

8/5/1869 to 6/2/1934

My Grandfather was born in Adelong, NSW in 1872 and later moved to "Oura House", Oura NSW where he farmed.

In 1894 at the age of 22 he married Alice Maud Wilson, also from Adelong. They had nine children and after being burnt out at Oura they moved to Eurongilly in 1914.

W.R. McEntyre shot at the Wagga Wagga Gun Club from 1899 and was the winner of the first Sparrow Shoot that was held at the Club in that year. He was also the winner of another major Sparrow Match on 3rd July, 1901 and was presented with a silver cup by Harry Robinson Esq.

His four boys also shot at the Club, each being given a gun at 21 years of age.

The guns included Hollis and Cashmores.

Many nights were spent trapping sparrows and starlings out of the hedges for the practice days with a hand made bird release trap.

I still have this trap and two of the guns.

SHOOTING SKEET DOUBLES

by Robyn Faber (Level 3 Coach, NSW)

Are you a skeet shooter who doesn't like shooting doubles? Do you avoid the event, treat it as only for top shooters? Don't like to attending shoots where it is part of the Over High Gun?

Maybe it's because you've never learnt to shoot it. Well, start now!

Skeet doubles is ideally a 50 target event consisting of a pair of targets thrown from Stations 1 to 7 then 6 to 2 in reverse for the first half (making 24 targets total) then in the second half stations 1 to 7 and 6 to 1 in reverse (making 26 targets total).

If your Club wishes to shoot 25 targets instead of 50, then you shoot a single high bird off Station 2 at the end of the first half to make 25 targets.

If you are a regular skeet shooter then you should be reasonably confident with paris on Stations 1 and 2 and 6 and 7.

So only 3, 4 and 5 will present a new challenge.

The basic principle for all stations is to stand on the station so that you are ideally placed to shoot the second target comfortably.

This will mean that on Station 3 you may stand so that your stomach roughly faces the crossing point rather than the low house opening (for a right handed shooter) or halfway between the high house and the crossing point for a left handed shooter. On this station you always shoot the high bird first.

On Station 4 on the first occasion of each round you shoot the high bird first, so stand with your stomach facing roughly halfway between the crossing point and the low house for a right handed shooter and about two thirds the way from the high house to the crossing point for a left handed shooter. On your return visit to this station you will be required to shoot the low bird first so for a right handed shooter stand facing to the right hand side of the low house or slightly to the right hand side of the crossing point for a left handed shooter.

Station 5 requires you to shoot the low bird first so for a right handed shooter, face the low house opening and for a left handed shooter face slightly to the left of the crossing point.

Experiment with these positions until you can comfortably shoot your second target of each pair. Refer Figure 2.

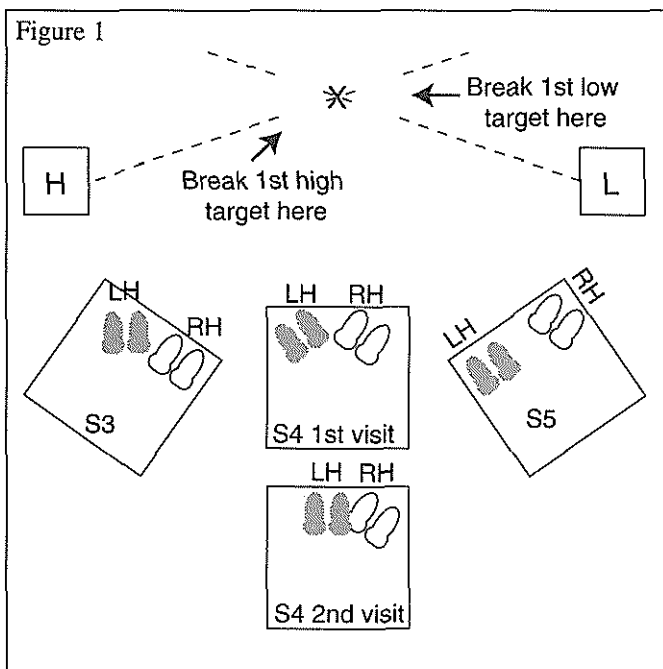

Your gun hold positions should be exactly the same as you would hold for the single target corresponding to the first target of each pair. That is, on Station 3 choose your normal High 3 hold point; first visit to Station 4 choose your normal High 4 hold point; Station 4 second visit choose your normal Low 4 hold point, and Station 5 choose your normal Low 5 hold point.

If you shoot 'sustained lead', hold as you would for 'sustained lead', if you shoot 'swing through', hold as you would for 'swing through'. The second target *only* will be shot by the 'swing through' method.

When you shoot these pairs, DO NOT THINK ABOUT THE SECOND TARGET: shoot your first target, swinging fast enough to shoot it just before the crossing point (Refer Figure 1). SEE THE TARGET BREAK, then look over your gun for the second target, swing through the target and shoot the bottom leading edge of the target, REMEMBERING TO KEEP YOUR GUN MOVING.

On Station 4, you will need to see some daylight between

Figure 1

your barrel and the target when you pull the trigger. Experiment with your own sight picture.

MOST SHOOTERS OVERLEAD THE SECOND TARGET, forgetting that their gun is travelling much faster than the target because they are coming from behind it. It is also easy to shoot over the target by stabbing instead of swinging smoothly.

You have plenty of time to shoot the second target. See it clearly before you swing to shoot it. With practice you will find your own rhythm and the feet positions and break points that work for YOU. Don't give it up as too difficult ... it has an added bonus when used as a training tool:

Because you should always shoot the first bird normally, and it is therefore important to concentrate on always breaking your first bird in any pair, skeet doubles will improve your individual skeet shots.

If you are having a problem with a particular target in your normal skeet rounds, have a round of doubles: you will be surprised how your swing and rhythm will improve.

The only individual targets you do NOT get to shoot as a first target in doubles are Low 2 and Low 3 and High 5 and High 6 (and of course both High and Low 8).

Skeet doubles are fun because you move from Station to Station much faster in a squad. You also get a second chance at the same pair in each round and you will find that most shooters improve their score on the return half of each round because of this. And you don't get time to think about how to shoot the second bird because it all happens in one sequence. And because it does take a little more skill, a good round will do wonders for your confidence.

So next time your club shoots skeet, try some doubles. It's easier than you think!

CUZZO'S RAMBLINGS MAY 1999

It was supposed to have been the worst Trap Nationals ever! Held in a sleepy little outback town in the middle of nowhere, with insufficient accommodation, inadequate infrastructure, nothing to do and nowhere to go. Well, about the only thing that Roma's detractors actually got right was the fact that the Trap Nationals were held there. The township of Roma and the Roma Gun Club pretty much decimated the rest of the story from whoa to go.

If you had rushed in and out very quickly in the middle of the day and only given it a cursory glance, you could have been forgiven for mistaking it for just another Nationals. But if you hesitated, even for a moment, it was obvious that this was something different - something special. Most of the usual problems encountered at Nationals were conspicuous by their absence and most of the wish-list items were blatant realities.

Like the absence of either mud or dust. Just a nice sealed road leading into an enormous sealed, marked out parking lot that looked like it had been stolen from a Westfield Shopping Center. Like the absence of flies. I don't know where they hang out in Queensland in March, but they're not at Roma. Like the wonderful kitchen area at the eastern end of the clubhouse, which you later find out is only for morning and afternoon teas, lunch and snacks. The real dining area is out the back of the clubhouse, under an enormous awning with a concrete floor, which is fitted out with proper tables (that didn't rock) and comfortable chairs, and where they serve both breakfast and dinner that would shame many restaurants.

Like the thirteen traps in a straight line on level ground with identical perfect backgrounds and identical machines throwing identical targets. Twelve of these were for competition and one was a spare to be used for breakdowns - it never got used. Like the three extra traps at the self-contained practice ground, which adjoined the main thirteen and which ran from daylight until dark and you rarely ever had to wait to shoot. Like the separate registration building for nominations and squadding which had so many windows that you rarely ever had to stand in line. Like the efficient office staff whose boss had put a sign up on the wall reminding them that shooters are 'paying customers'.

Like the neatly laid out vendor's sites directly behind the layouts, where you could sit around and drink and talk and watch the shooting. Like the large well-equipped workshop for the trap mechanics and the gunsmith. Like the fact that most of the ladies tours got cancelled due to lack of interest. You couldn't have levered them away from the club with a crowbar. They just seemed happy to sit around on the veranda eating and drinking and chatting and playing games (jigsaw puzzles seemed to be the favorite) and watching the shooting and generally just soaking up the wonderful atmosphere.

Like the fact that if you weren't out shooting and you had become blasé with the practice traps, but you still had the urge to burn gunpowder, you simply walked across the road and shot ZZs or five stand sporting to your heart's content. And all of this was within about 70 or 80 yards of the main clubhouse. And the list just goes on and on and on! But this was only in the middle of the days. In the mornings and the evenings, you would have wondered where the hell you really were! The whole place could have easily been mistaken for a country fair, or a carnival or even a music festival. Anything but a gun club!

I knew something was way out of whack the very first morning. Whenever I run a Major Shoot, I like to get out to the Club each morning very early. Maybe an hour before anyone else. This gives me time to fuel up the golf cart, and look around the traps, and check things over, and generally plan out my day before anything else starts to happen. The shooting was programmed to start at 8.30am, so the night before I arranged with the trap mechanic to meet me there at 7 o'clock. This would give us an hour to set the traps before about 8.00am when I usually start to get busy. So I set

the alarm in time to arrive at the club by 6.00am. As I drove in the gate expecting to be greeted by the usual blissful solitude, my first thought was I've got confused by the daylight saving time conversion, I've wound my watch the wrong way, it's 8.00am not 6.00am and I'm in more do-dos than a Werribee duck.

What made me think this? Lots of cars already in the parking lot, numerous people wandering around going about their business, the smell of bacon and eggs cooking and the sight of twenty or so people sitting around under the awning eating breakfast. I recognized one of the diners as my boss, the Tournament Director. So, on the way over from the car park to the dining area, my mind was racing to try to come up with some sort of plausible story to cover this major faux pas. However when he greeted me with a smile and suggested I join him for breakfast and made no mention of the time, I figured I would stay calm and just ad lib for a while on the assumption that maybe Shoot Marshalls clock on later up here. It was only when I noticed that his watch and mine were synchronized that the penny finally dropped. Cuzzo, you're in outback Queensland now and things are done differently here! I later learnt that the cleaners start at 4.00am, the cooks clock on at 5.00am and the workers start rocking in around 5.30. So much for my idea of an early start!

And if I thought the mornings were different, I was just as unprepared for the evenings. After the shooting is over, nobody goes home! Or if they do, it is only to shower and change and come back, because this is when the real fun starts. Every evening there was some sort of new and different entertainment. Some of it sounded almost as good as it was. Like the Pro-am Tournament and the pop-rock band and the country and western singers. But some of it I wasn't too sure about. Like how much fun can a dog jumping calcutta, or a sheep shearing competition be? Wrong!! These country people really know how to have fun. I was fascinated to see the winning dog jump nearly eight feet to get into the back of the ute, and they tell me he was still well within his limits. And as for the sheep shearing competition, which incidentally was won by a friend of mine from W.A. by the name of Brent Humphries, I have never laughed so much in all my life as when the great 'Rat' Atkins and his mate Brian Wallden, were trying to shear in the douville doubles match.

The local band 'Vision' was great, as were the C&W singers, the Walmsley Brothers and it's no wonder they won awards at Tamworth recently. But my favorite was 'Mr Buckshot', Neil Duddy. He was billed as a C&W singer but actually was extremely versatile and sang just about every great song ever recorded. Greg Hipwell and Lynne Curtis obviously enjoyed him too, as I saw them dancing together at one stage of the evening. Neil must have had nearly as much fun as the shooters because he came back for free on the last afternoon to entertain us some more and participate in the closing ceremonies. The Art Union (raffle) was a great financial success for the club, which helped them offset their enormous investment, and when the car was drawn on Tuesday night, it fittingly went to one of the local ladies.

I don't know who eventually won the Indian Arm Wrestling Competition but I did see two junior shooters put on a great show, which finished in a tie. I wonder how heavy their guns felt the next day? I did see the completion of the greasy pig run and the final result was definitely Pig - 1, Kids - 0. The closest anyone came was the biggest kid of all - the president's wife Donna, who was running a distant second when the pig finally disappeared over the horizon. At another time I saw nearly \$6000 raised for the Royal Flying Doctor Service, which was a great effort and a truly worthwhile cause.

And speaking of the RFDS, I got to shoot in the Pro-Am with the lovely lady from that organization. And although we were presented with the wooden spoon prize, I thought she shot well and if she could have only picked me up a couple more times, I reckon we could have been a big threat. The eventual winners of the event

were Kevin Jarrick and George Skaf who outlasted several other possibles in the shoot-off. However, my most vivid memory of the Pro-am was when we finished shooting and turned to leave the field. By this stage it was getting fairly late as the event had been conducted under lights and we were the last squad. The sight that greeted us was literally hundreds of people clapping and whistling and cheering and having a great time. The clubhouse was full, the verandah was full and the entire lawn area in front of the clubhouse was covered with families and people on picnic blankets and the like. It looked like a scene from a night AFL grand final.

Accommodation? Turned out to be another non-event. No one that rang Robert Nugent failed to gain their preferred lodgings. Lots of people camped on the grounds where adequate facilities were provided at a minimal cost. Of the people who stayed at caravan parks, hotels and motels, I never heard a single complaint. I stayed at the Starlight Motel on the main drag and was treated like royalty, which from what I heard was about par for the course. So much for the town being unable to cater for the increased demand during the shoot. Targets? First Nationals I've ever been to where the targets were so good that they also just became another non-event. My congratulations to the ACTA for their wisdom in target determination and to Mr Kevin Tunney of Olimpyc for both a magnificent batch of targets and his continuous co-operation and assistance to the gun club. Shoot-offs? I was preparing for ten or a dozen people in the Double Barrel. There were 49!! I still cannot believe that almost one person in every eight shot the whole 100 that day. The weather? God must have been watching the three years of blood, sweat and toil that went into getting the place ready. He gave them eight beautiful days in a row.

I've been going to the Nationals now for some twenty odd years and I can honestly say that I have never seen anything like the spectacle and the entire package that the Roma Gun Club presented over the eight days of competition. I have always been one of the staunchest advocates of a National Shooting Ground and I will always continue to be. One month soon I will devote this column to my reasons behind that conviction. However, the show that Roma put on has caused me to review and revamp an idea that I had recently been chewing over. I don't think there is any other solution to the Western Australian situation than to still hold the Trap Nationals there every six years. In conjunction with that I now think that the ideal rotation would be to hold the Shoot at the NSG four years out of every six and to make every third year an away year, going alternately to Perth and Roma once every six years. This would still afford us the main advantages of the NSG without unduly disadvantaging the only two groups of people who are truly remote from Wagga's central location. Additionally it would allow the injection of a fresh perspective occasionally.

The only other area of major significance, in my opinion, to emerge from these Nationals was the Phono-pulls used during them. I consider this subject to be of such great importance, that rather than give them a passing mention this month, I intend to devote most if not all of next month's article to this important subject and it's obviously far reaching implications.

Now to change the subject. Further to my article last month, and following long discussions with both the National President and Vice-President, as well as most of the other National Executive members who were in attendance at Roma, the Wagga Gun Club has been invited to run this year's Skeet Pre-Nationals. They have also been authorized to conduct the first National 20 Gauge Skeet Championship in conjunction with their program. To say that I am pleased with this outcome would be a mastery of understatement, and I implore all those people interested in Small Gauge shooting to get behind this event and support it. The 20 Gauge Championship will be a 100-target event conducted on the Monday preceding the Pre-nationals. This now offers the dedicated skeet shooters seven consecutive full days of competition, and I offer this information as early as possible, so that the maximum amount of time is available to incorporate it in the travel arrangements of those interested people.

This Month's Shooting Trivia Question: Who was the first Australian Skeet shooter to record a 300 break? Mail your answer to: Shooting Trivia, P.O. Box 265, Bairnsdale 3875, to arrive by 25-05-99. A winner will be drawn from the correct answers, whose name will be published in the July CTSN and who shall receive a free entry to the 1999 National Skeet Doubles Championship in Wagga in November. The correct answer to March's STQ was: 1994 was the last year in which three Open National Trap Championships were successfully defended. Billy Iles defended both the Single Barrel and the Overall High Gun and Jason Jolly defended his Point Score title. The first correct answer drawn and thus the winner of a free entry to the National Pointscore this year was Craig Bloxsome of Glen Innes. If you have an interesting Trivia Question for me to publish, or an interesting subject you would like discussed in this column, please forward it to me at the above address.

Good Luck and Good Shooting.Adrian Cousens.

WANGARATTA CLAY TARGET CLUB Attwood/Law 1999

Wangaratta Clay Target Club held the annual Attwood/Law Senior & junior Cups on 21 February at our grounds at North Wangaratta, which incorporated the Kevin Law Memorial Skeet Championships. With a fine and warm day expected, the two fifty target Skeet events got under way on time, so we could get through the large number of shooters expected. Unfortunately, it was not to be, with a disappointing turn up, however, it didn't dampen the spirits of the 20 shooters who made the trip to Wangaratta.

This Attwood/Law was a reminder of the passing of a long time Wangaratta Club Life Members, Kevin "Grumpy" Law. Kevin, together with Bill Attwood, had the insight in 1978 to put on a High Gun, to be held twice a year. This was to attract shooters, as well as give the Club a prestigious trophy for them to aim for. This later changed to once a year, due to falling numbers in Skeet shooting. Up until 1989, there was only the one High Gun Cup, open to all shooters. In Bill Attwoods usual way, he and Kevin donated the "Attwood/Law" Cup for Juniors. As all shooters know, Bill is never backwards in giving to the advancement of junior shooting.

The first fifty target Championship was sponsored by Bill Attwood, long time friend of Kevin and Bob Barron, who was Kevin's good fishing and shooting mate for many years. The second fifty was sponsored by the committee of Wangaratta, who had known Kevin for many years. Some of the names on the "Attwood/Law" Cup that some of the shooters will know or remember, are David Jackel, Paul Krummins, Graeme Boyd, John Woolley, Gil Farish and Warren Charlton, to name but a few.

One interesting fact is that the "Attwood/Law" has only ever been won once, in February 1997, with a possible 100/100, and that was Wangaratta President, David Jackel, who has won the Cup more times than anyone else.

This year was no exception, with 98's shooting off for the High Gun. Three 98's were on board at the end of the day. The shoot-off started well, all away from 1, but High 2 is

sometimes hard to get past. Two dropped out on High 2, and this year the "Attwood/Law" High Gun winner was Leigh Roberts from Bendigo. The junior High Gun was taken by David Jackel Jnr from Wangarata, one could say a chip off the old block".

One pleasing part of the day was that Kevin's wife Betty, and daughter, were there to make presentations, which seemed fitting.

As usual, the day was a great success, and a great time was had by all who made the effort to compete on this "Attwood/Law" Cup day, since its instigation 21 years ago.
