National President's Notes

Glenn G. Woodhatch

NATIONAL OFFICE:

As you read these notes we will have occupied our new National Office. As we settle in to our new building please be patient as with all things new, there will no doubt be a few minor teething problems. The office will be officially opened during our 2000 Trap Nationals giving every member the chance of attending the opening of their own building. The proposed date is Tuesday the 11th April.

OVERLOOKED AGAIN.

Recently on television a programme was screened applauding Australia's sportmen and women and showing the many world championships and titles Australians had won during 1999. Surprise, surprise - not one mention of the outstanding results of shooting achieved for the year.

As we win titles we contact all media outlets with the news of our win and infrequently we feature a single column article on page 54 of the sports section. Every now and again there is a good feature article on one of our shooters, but let a small controversial issue arrive, and the writers/editors really want to sensationalise it. Any solution to getting favourable media coverage for shooting would be eagerly accepted by all shooting bodies.

TRUE STORY?

Speaking recently to John OSBORNE, the long time Manager of the Welsh Shooting Team, he detailed the following story to me which he states is true.

At a large shoot in Ireland last year all traps were set for height with the height poles. One particular trap had a considerably shorter pole than the others due to a fire hydrant being situated exactly where the height was taken from. The shoot was well underway when a number of competitors stated that they were dissatisfied with what appeared to be low targets on another trap.

The height stick was called for and the targets consistently passed through the middle. The shoot continued for some time before it was brought to the attention of officials, that possibly height sticks had been mixed up. They stated that this was not possible as they had received no complaints about high targets on the layout with the fire hydrant.

It was then requested that the height stick be measured. The shoot marshal and one of his assistants walked out onto the ground, and whilst one held the height pole up, the other climbed onto his mates shoulder and with the aid of a tape measured the height.

They then walked back to the shooters, where one shooter innocently enquired "Why didn't you just lay the stick on the ground and measure it?"

Without a moment's hesitation the shoot marshal replied, "It's the height you wanted, not the bloody length. There is nothing wrong with it."

2000 MEMBERSHIP REGISTRATIONS.

The year 2000 membership affiliation fees are now due and payable. It is requested that these be forwarded to the National Office as soon as possible so as to avoid any delay in the issuing of your new cards during the time of our moving into our new office. It is hoped that any delay will be minimal and it is also beneficial to the Association to have fees paid early.

1999

After many weeks of hard work following the torrential rain that was experienced for the NSWCTA State Carnival in October the National Shooting Ground was now ready for its first Nationals hosted by the ACTA. And what a picture it looked, with all 8 layouts now fully equipped with Gemini Skeet traps, the new skeet phono-pull system by Canterbury Voice Release in operation, the scene was set for all to have a tremendous week of shooting.

A light shower the night prior to the first day caused a slight heart flutter. However, Mother Nature was kind enough to supply the shooters with a sultry overcast day with a stiff cool breeze in the afternoon thus providing some interesting targets.

The first three days of shooting were taken up with the Pre-Nationals, this year run by the Wagga Gun Club. The first event of the pre-nationals was the National 20g Skeet Championship, introduced by the ACTA this year for the first time. This event is a memorial to John Withers who sadly completed his career early in 1999. The trophy for the John Withers Memorial was kindly donated by his good friends, Karen & Adrian Cousens, and his home club of Terranora Lakes.

A field of 42 shooters hotly contested this event with the overall winner being Adrian Cousens with the only perfect score of 100/100. What a fitting tribute to a close friend and good mate.

National 20g Winner Adrian Cousens with Andy Sanders and Kevin Wales, Mayor of Wagga Wagga/

Second and third place was a two way tussle between Laurie Sceresini and Laurie Chelepy with the final placing's being Laurie Sceresini 107/108 and Laurie Chelepy 106/108.

Other placegetters: AA Grade 1st Mick McGill 98/100, 2nd Glenn Clarke 97/100; A Grade 1st Don McBeath 98/100, 2nd after a shootoff Rod Williams 101/104; B Grade 1st Michael Rooke 96/100, 2nd Helen Sanders 95/100; C Grade 1st Cecil Edmonds 84/100, 2nd Dave Britland 81/100; Lady Karen Cousens 97/100 Junior Simon Darr 67/100 Veteran Ray Smith 93/100.

Our thanks to the following for the generous sponsorship: Mr. George Sckaf - Bornaghi Ammunition, Earmold Sydney and Bathurst Woodturning. It is hoped that numbers for this event will increase as interest increases for this smaller gauge event.

Two days later and what a change, the rain had gone and the sky was blue what a day to be Skeet shooting. Mrs. Kay Hull the Federal Member for Riverina was invited too officially open the Nationals. She did so with the assistance of the Shoot Marshall, Mr. Adrian Cousens and smoked the clay with her opening shot.

STATE TEAMS MATCH

Open: All seven states were represented at this years Nationals with the eventual winners being South Australia. The team of Harvey Nunn, Robin Freebairn, Adam Goodall, Reg Coomes and Les Charles shot a score 240/250 to win by three targets from Victoria and Queensland, Western Australia 235/250, New South

The dignitaries in attendance were called upon to adjudicate on the best-presented team. Our thanks go to Margaret and Allen Denton who had kindly donated a perpetual trophy for this competition and this year the winners were the team from Queensland.

ALL STATES SKEET CHAMPIONSHIP

The first event for the carnival saw 138 competitors vying for the overall sash and trophy. The eventual winner for this event was Geoff Faulkes, WAGC, 106/106 from Ray Everett, Canterbury NZ, 110/111, with Scott Wright, Wakehurst, taking out third place with a score of 109/111. Bathurst member Glenn Moorby won the Junior section with a score of 93/100. In the Ladies section Margaret Denton from Roma won with a score of 94/100 and the Veterans section was won by Reg Clarke from Cecil Park with an excellent score of 97/100.

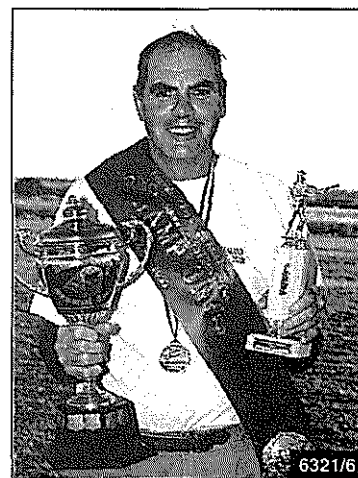

Other placegetters were AA Grade 1st Dave Dundon, Brisbane, 128/129 2nd Laurie Chelepy, Rockhampton, 148/151 3rd Mick McGill, My Isa, 147/151: A Grade 1st Phil Crute, Top End, 104/106 2nd Garry Darr, Gladstone, 106/106 3rd David Jackel, Wangaratta, 98/101: B Grade 1st Jim Parsell, Frankston Australian, 96/100 2nd Reg Petts, Albury, 99/105 3rd Rowan Kilmartin, Gladstone, 98/105: C Grade 1st Jason Hewlett, Wakehurst, 90/100 2nd

Ladies: This year saw a turnaround from last year with the team from Victoria winning with a score of 72/75 from the Queensland team 69/75.

Juniors: Three teams competed for the juniors with the team from New South Wales being the winners with a score of 70/75, Victoria 66/75 and Queensland 58/75.

Veterans: The New South Wales team of Reg Clarke, Barney Rooke and Hugh Fairfield-Smith won this event with a score of 70/75 from Victoria who shot 68/75.

Terry Duck, Port Macquarie, 88/100 3rd Phillip Craig, Wagga, 86/100.

COMMONWEALTH SKEET CHAMPIONSHIP

Day two the sun was out but the breeze had come up dropping the temperature by quite a few degrees. Our hearts went out to the guys from the Northern Territory who were walking around with their skin a pale shade of blue and begging for the fire to be lit.

Today saw 154 competitors lining up for their chance to take home the rewards for this event. However, the breeze resulted in some challenging targets and the final winner for this event was John Cameron, Kopuku NZ, with the only 100/100. After a shootoff for

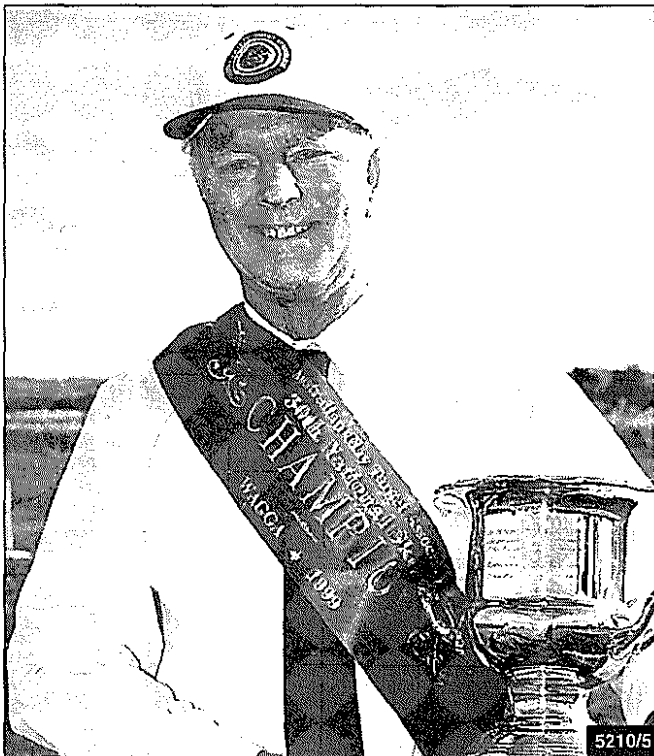

All State Skeet Championship overall winners.

second and third place Geoff Faulkes, WAGC, was the winner with a score of 123/124 from Leigh Roberts, Bendigo, 122/124.

Some fine shooting in the sections saw Carol Ogden, Brisbane, take out the Ladies with a score of 98/100, whilst Joshua Daly, Wakehurst was successful in the Juniors with a score of 96/100. Reg Clarke, Cecil Park, again showed that age is no challenge in shooting by taking out the veterans with a score of 98/100.

Other placegetters were AA Grade 1st Bill Iles, Metropolitan, 117/119 2nd Pedro DaSilva, Frankston Australian, 107/109 3rd Laurie Sceresini, NSWGC, 133/135: A Grade 1st David Jackel, Wangaratta, 137/139 2nd Tom Harris, Tumut, 106/108 3rd Simon Hewitt, Frankston Australian, 102/104: B Grade 1st Joshua Daly, Wakehurst, 106/110 2nd Robin Freebairn, Port Augusta, 105/110 3rd Toni Dierke, Toowoomba, 100/105: C Grade 1st Terry Duck, Port Macquarie, 94/100 2nd Kym Chiaverni, Goulburn, 94/105 3rd Anthony Gray, Morwell, 93/105.

National Skeet Winner Col Burt.

NATIONAL SKEET CHAMPIONSHIPS

Today was a better day, the sun was out, the wind had backed off a little, and the boys from NT were a better colour. A fine day for shooting.

150 keen competitors took to the layouts seeking National glory. After the dust had settled only two shooters remained on a perfect 100/100, the golden Col Burt and the up and coming Julian Lucchitti. Out onto the field the two competitors went for what the crowd thought was to be a long tussle but much to everybody's surprise eight targets later it was all over with Col Burt, Tamworth, the 1999 National Skeet Champion with a score of 108/108. Second place going to Julian Lucchitti, Cecil Park, with a score of 107/108 and Geoff Faulkes, WAGC, in third place with a score of 137/138.

Again the section winners displayed some fine shooting with Margaret Denton, Roma, taking out the Ladies with a score of 98/100. Joshua Daly, Wakehurst won the Junior section, with a score of 98/100 and the Sub Junior section was taken out by David O'Sullivan, Frankston Australian, with a score of 97/100. Our thanks to Doug Moorby for his kind sponsorship of the Sub Junior section. Reg Clarke, Cecil Park, again won the Veterans section with a fine score of 98/100

Other placegetters were AA Grade 1st Gerry Petruska, Bairnsdale, 136/138 2nd Scott Wright, Wakehurst, 134/136 3rd Dave Dundon, Brisbane, 132/134: A Grade 1st John Woolley, Auckland Metro NZ, 111/113 2nd Tom Harris, Tumut, 103/109 3rd Jim Parsell, Frankston Australian, 99/101: B Grade 1st Joshua Daly, Wakehurst, 98/100 2nd David O'Sullivan, Frankston Australian, 97/100 3rd Mike Kimmond, Kopuku NZ, 161/166: C Grade 1st John Walsh, Claremont, 95/100 2nd Ben Coleman, Frankston Australian, 94/100 3rd Peter Fraser, Cecil Park, 93/100.

NATIONAL SKEET DOUBLES

The final event for the Nationals and the day was overcast and light showers were predicted. A few less shooters (115) took to the fields today to contest this event with the final outright winner being Leigh Roberts, Bendigo, with a score of 98/100. Second place was Neal Dimmick, Brisbane, with a score of 99/102 from third place winner Julian Lucchitti, Cecil Park, 98/102.

Carmel Carlon, Geelong, turned in a fine performance to win the Ladies section with a score of 91/100, and the Juniors section was won by David O'Sullivan, Frankston Australian, also with a score of 91/100. After a shoot off the Veterans section was won by local club Vice President Barney Rooke with a score of 96/104.

Other placegetters were AA Grade 1st Mal Briggs, Melbourne, 103/106 2nd Adrian Cousens, Bairnsdale, 102/106 3rd Peter Vosper, Edgehill, 104/110: A Grade 1st Ernie Boccanfuso, Wakehurst, 97/104 2nd Shane O'Brien, Eastern Goldfields, 96/104 3rd Bernie Smith, Burnie, 92/100: B Grade 1st David O'Sullivan, Frankston Australian, 93/102 2nd Carmel Carlon, Geelong, 92/102 3rd Andrew Chuck, Albury, 89/100: C Grade 1st Rowan Venables, Cooma, 83/100 2nd Jason Hewlett, Wakehurst, 79/102 3rd Peter Cameron, Bendigo, 78/102.

National Skeet Doubles winner Leigh Roberts.

5 MAN CLUB TEAMS

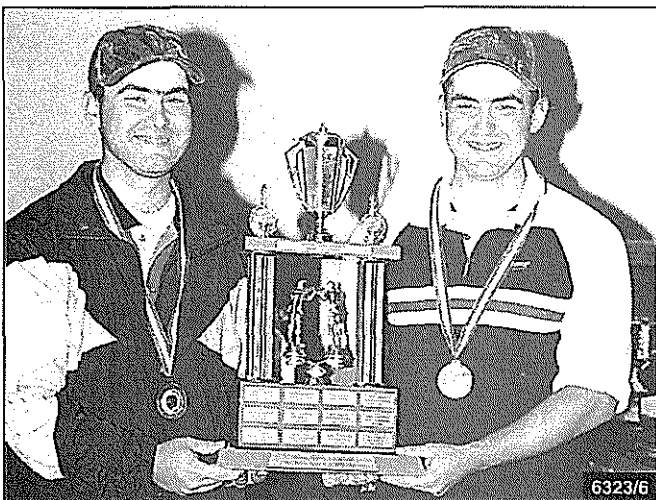

Five teams contested this event with the team of Carol Ogden, Neal Dimmick, Dave Dundon, Nick Aird and Christian Naudin from the Brisbane club running out the final winners with a score of 1885/2000.

Five Man Club Team winners.

2 MAN TEAMS

22 teams with two teams being tied after the final event contested the two-man teams' event. After a shoot off the final winners were Adrian and Julian Lucchitti with a score of 797/820.

Adrian and Julian Lucchitti, Two Man Teams winners.

2 LADY TEAMS

Only four teams contested this event with the team of Toni Dierke and Carol Ogden being the final winners with a score of 559/600.

Junior High Gun: Joshua Daly, Wakehurst, shot 368/400 to take out the Junior High Gun and receive the W.Attwood perpetual trophy. Our thanks to Bill Attwood for presenting this trophy and his continued support of Junior shooters.

Women's High Gun: After a shoot off this award was won by Karen Cousens, Bairnsdale, with a score of 374/410.

Veterans High Gun: After a very successful carnival Reg Clarke, Cecil Park, completed the carnival by winning the Veterans High Gun with a score of 385/400.

Overall High Gun: Exactly one year after being married Leigh Roberts, Bendigo, received the Cec Herbert Perpetual trophy for the overall High Gun with a score of 393/400. Heck of an anniversary present. Last year's winner, Ray Everett, presented Leigh with the trophy.

Firstly my thanks must go to Dave our groundsman for the preparation of the grounds and to Karen and Deborah in the shoot office. This was the first Nationals conducted fully by the ACTA and the first time that Karen and Deborah had worked in a shoot office. Their performance at this level and under National conditions should be commended.

We look forward to seeing all competitors at the 2000 Skeet Nationals.

Gympie Clay Target Club "Gympie Gold Classic" Two Day Shoot

The Gympie Clay Target Club hosted its annual "Gympie Gold Classic" Two Day Shoot on October 9th and 10th. The weather conditions were perfect for "breaking the clay" over the two days with 70 shooters making the shoot a memorable one.

It was decided to shoot the events "the American way", a first for Gympie. This certainly sped up the shooting process and was a great success.

Competition was fierce during the two days with 89 possible scores being shot. Most events were eventually won by shoot-offs. The trophies were tremendous with two Rizzini Shotguns to be won by the winners of two graded Handicap events.

A Hungi Saturday night and a complimentary cooked breakfast Sunday morning went down very well with the shooters who will no doubt remember the good time they had in Gympie during this shoot.

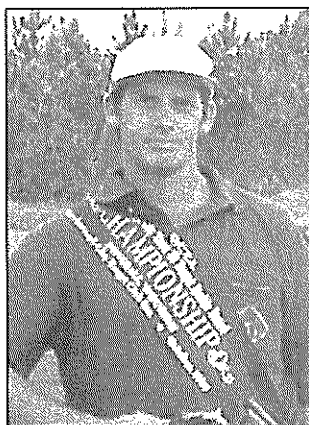

Norm Dale (Lost Bird) and Harry Walker of Maryborough.

The results are as follows:

Event 1. 25T Double Barrel Sweepstakes.

AA Grade: V Tipman, S Davidson, G Redmond, G Fett, K Nasarenko, G Sckaf, N Berry, J Farrell 25/25. WARATAH STATE NOTES

YASS CTC

The Yass Clay target Club held its Annual General Meeting on the 16th November 1999 and the Committee was elected as follows: President - Ray Bayley, Vice Presidents - Matt Gerstenberg and Paul Watchorn, Secretary - Roy Ellis, Treasurer - Rob Pollack, Committee Members - Pat Reynolds, Greg Moorby, Steve Chown, John Pateman and Roy Wales.

We would also like to take this opportunity to advise all concerned shooters that as of and including January 2000, the Yass Clay Target Clubs registered shoots will be held on the second Saturday of each month, not the third Sunday of each month as has been the case previously. The Club is also expecting to be operating from its new premises at "Newgrove", Yass from February, 2000 or sooner if possible.

Entry will be via designated rest area situated at the intersection of Yass Valley Way and the Hume Highway, Sydney side of Yass. If you have any problems please do not hesitate to call a representative on 02 6226 1441 the day before your intended travels in order to initially gain directions to new site.

CHAMPIONSHIP RESULT

The State Night P/S C'Ship was conducted by Dubbo GC on the 6th November with 37 shooters attending. Ian Merrick a member of Cobar GC won the event with a score of 167/168.

NEW SOUTH WALES SOUTHERN ZONE CLAY TARGET ASSOCIATION.

The New South Wales Southern Zone Clay Target Association coaching day held at Majura Park Gun Club on Saturday 6th November 1999 proved to be a great success with approximately twenty five junior and lady shooters attending. There were shooters representing approximately half of the clubs with in the zone.

The day started out with an introduction on the basics of clay target shooting by Fred Schmetzer followed by a very informative video.

After the introduction it was on to the real thing. The participants were broken into three groups which allowed Fred Schmetzer, with the assistance of Kim Nealon and Fred Rapley, to check gun fit, stance and other finer points before shooting at any targets.

The Zone provided targets and cartridges for all participants and a delicious lunch was prepared by Peter Simons and his wife.

The coaching, though successful, would have benefited by having more time and as a result the follow up clinic being planned by the Zone for early 2000 will be held over 2 days.

Thanks to Majura Park Gun Club for providing the venue and thanks to Fred Schmetzer and all the other people who assisted on the day.

MAJURA PARK

On the 6th of November Glenn Field, Daniel Arroyo and Michael Montelone who are Junior Members of Illawarra Gun Club participated in the Coaching Day at Majura Park.

Majura Park s/zone junior development squad, Skeet.

S/Zone junior/ladies development squad, Majura Park.

On this day we learnt many handy skills which will improve our shooting such as: To lead the clay on a swinger

To see the picture as a whole when you pull the trigger

That it is easier to shoot with both eyes open.

To slow down after the clay leaves the trap.

Relax more and don't get so nervous.

Not to worry what other people think when you shoot.

The three of us would like to thank Fred Rapley and the Illawarra Gun Club for providing the shells and a great weekend. Also we would like to thank Majura park Gun Club for their hospitality and kindness. It is sometimes expensive for parents of the juniors to pay for coaching days.

We hope there are more of these coaching days in the future, as it will help promote the sport and hopefully bring in more Juniors.

Thankyou.

MARYBOROUGH TID BITS

Happy New Year to everyone. Hope you are still on your feet after Christmas. Have a good year.

It is the 25th October. The day after our shoot and it is a beautiful day, better than yesterday. But, we shouldn't complain. At the shoot Barry Power asked if I had the Bible as he had his Friday 22nd, but I hadn't received it. But today here it is and a few comments on the contents.

Our President is concerned about our lead and Harry gave me a cutting from the paper this morning which said America has a lead free 5.56 bullet for the M16 that is called the "Green Ammunition". Instead of lead, the bullets core is tungsten tin or a tungsten-nylon mix, which is more effective and has less barrel erosion. So we might be OK Glenn. Not beat yet!

On page 21 John Byrnes put a new 'No Grades System' up for comment. I have just given up doing the cards because I was unable to get the cards done, in the time grading for the next event. It wasn't fair for a shooter to come off and think he has done all right in one grade and then you tell him he has come up to a new grade. So I think the idea of a percent over 600 would be a handicappers biggest nightmare. For people who haven't carried out this job it is a full time job at a big shoot. If you also shoot and get into a few shoot offs, then there is degrading, regarding and now up or down in handicap with less than 80% and more than 95%. So the handicap has to be looked at every 200 and percented.

I am quite happy with the rules as is and will give them a good try before changing. The only shooter who is laughing is the new AA Shooter with a handicap of 16 metre, whilst most AA Shooters stay on the 20 metres or more. (This is only my thoughts on this subject - not the Maryborough Club).

Shooting should be to enjoy yourself and no one should be tied

down to see over rules. Most of the rules are changed to catch one or two shooters. If I had my way to do the cards it would be like golf and as you came off in a squad another member of the squad would mark your card and you would mark off another members card and go around the squad changing different cards every event, or something to this effect. On reaching 200 it would be handed into the office for grading. Well you could go on all day couldn't you.

This is the year of the naughts for me. It is the year of , one 2 and three 000 (2000). Years on earth one 7 and one 0 (70). Wonderful years of marriage one 5 and one 0 (50). Which takes me back to my honeymoon. My wife said don't tell anyone we are just married and on our honeymoon make out that we have been married for a long time. So I said OK. You pick up the two big suit cases and I will carry the coats.

Bundaberg 7-11-99

At Brisbane Grand Prix 30th & 31st, young Bradley Petersen had a 4th in Single Barrel and in the Grand Prix Medley won Overall Sash and Rizzini Shotgun. Good shooting Brad for one so young. Not so young, but young at heart Phillip Warren took Overall in Event 2 50T DB. Back to Bundy they forecasted storms and were right. Just after event 3, the skies opened up with about 5 to shoot, our squad started to get very wet shooting 24 Single Barrel in wind and rain. I found that Tim Gardner and myself would have to shoot off. As the prize was cash and it was still raining we let the shoot off go and split the cash. Thanks Tim.

Visitors were Michael Wiseman, Ilfracombe Club near Longreach Qld, Harold Whitehead, Whyalla Club SA, Bruce Wenban of Coffs Harbour Club NSW and also Jim Plath of Rockhampton Sporting Clays. Thanks for coming. I hope you enjoyed your shoot. Come

ATTENTION

Due to the relocation of the National Office, the ACTA will be closed from the 10th to 14th January 1999 We will re-open at our new address in Copland St on Monday 17th January 1999.

We apologise for any inconvenience this may cause.

*Andrew Sanders
Executive Officer*

again. Also from Maryborough Stafford Smith, Harry Walker and yours truly. Meeting up with new shooter from Bundy Stuart Turner. Welcome to Clay Targets, I hope you enjoy yourself. Stafford Smith drew & shot the Jackpot. Good shooting Stafford. As we left before the raffles were drawn, I can't tell you the winners. In AA Grade Stafford Smith shared in DB CD and Single Barrel with Rob Rehbein who shared in DB & SB and took Overall & AA PTS C/S and Mixed Targets and OAHG. With a few A Grade shooters Bruce Wenban took the field DB CD, PTS C/S, SB & mixed. Good shooting Bruce.

In B grade John Butters DB CD sharing with Tim Gardner then Tim shared in SB then took medley. Norm Dale shared SB and took DB PTS C/S and C grade Reece Jensen DB CD, PTS C/S. Stuart Turner took SB & Keith Palmer Mixed targets.

With no 2000 Program I hope I have this correct. Bundaberg shoot President & Patrons Day on 30th January, 9am Start. Fifth

Sunday in January. Then shoot 2nd Sunday 13th February. Check before you go.

Gympie 14th Nov.

Well it was Harry's turn to spend the night going to the toilet and tossing his heart up. So a phone call from a sick and sorry Harry and Gympie is off. Waiting all week to hear from Wal, but no word so there is no results of Gympie. Once again with 2000 Program, going by years gone by Sunshine Coast take Gympie's Day and they have their Annual 2 Day Supershoot, which would be 8th and 9th January and Gympie taking Sunshine Coast Day 16th January for their first shoot of the year. Once again check before going.

There will be no Maryborough results as we shoot 28th November and CTSN closes 30th November, although CTSN says closing 31st, but with no 31st, taking no risks MTB is being sent off early to catch closing date.

Maryborough Shoot Sunday 23rd January, meeting 10.30am, Shoot 12 noon. Also no 2000 Program, the shoot could be DB CD, PTS, HCP, CONT.

So the New Year starts with a bang. Sunshine Coast Supershoot 8th & 9th, Gympie 16th, Maryborough 23rd and Bundaberg One Day 30th. Then to top it off Kingaroy have their usual 2 Day 5th & 6th February. A I haven't any programs yet check all of these before going.

Just looking at a list of shooter names I keep so I can recall Christian names when the time comes to write it, and it is surprising the number of starters we have had in our 3 Clubs and have given up shooting for some reason. Could we have paid them more attention, tried to make them better shooters or found out if they have a problem? So if you have just started and not doing so good, ask your coach or someone in the Club for help. They will be happy to see you on the right track, so you can become a good and happy shooter.

It is the dawn of a new millennium so best of Luck and hope you can see most of it as you can.

Good shooting to all, til next time. See you at the shoots.

Lost Bird.

Ground Naming Competition

In the July edition of the CTSN the National president, Mr. Glenn Woodhatch, announced a competition for the naming of the new National Ground.

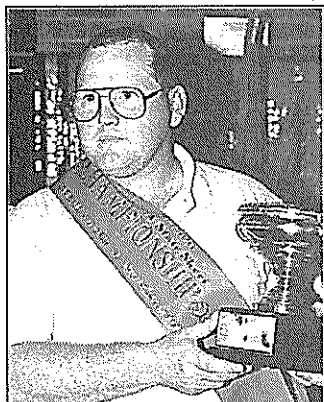

After due consideration of all entries by the Executive Committee the final name has been selected.

In future the ground will be called the ACTA National Ground.

Mr. Roger Ehlers from Bomaderry NSW submitted the winning entry and wins for himself \$100 of ACTA merchandise. Congratulations Roger.

Our thanks and commiseration's to all non winning entries.

1999 Western Australia State Skeet and Trap Carnival

"Terry Gets Life"

Terry Pigram was awarded a Life Membership in recognition for his service and support to the club, at the Wangaratta Clay Target Club's Annual General meeting in November.

Terry joined the Club in 1989 as a very inexperienced Junior member. In the ten years that Terry has served on the Committee he has developed into a highly regarded Committee Member and Ambassador for the Club.

Terry has always been conscientious in his involvement with the Club, giving careful consideration to every aspect of Club activities. Terry has also held the position of Vice President for five years during this time.

Terry has successfully represented this Club at National and State Carnivals, both as a junior and Open competitor, achieving a high level of success.

Throughout this time Terry has displayed true sportsmanship both on and off the tracks.

Congratulations Terry on your well deserved award.

Dear Sir,

I recently attended the National Skeet Championships and would like to hereby voice an opinion on a couple of matters.

Firstly I would like to make it clear that I have the utmost respect for Adrian Cousens, but I feel that as Shoot Marshall he let a few shooters down over the Championships in the way that the shoot-offs were conducted.

In one shoot-off there were around nine competitors shooting on the same field, my rule book states no more than six to a squad. The officiating representative from the ACTA (Andy Sanders) also seemed to turn a blind eye to the aforementioned squadding situation.

Another let down in the shoot-offs was that competitors were intimidated or embarrassed to shoot-off for an event that they qualified in regular skeet to shoot-off in doubles on stations 3,4 & 5, which in my opinion is a different discipline.

After speaking with some of the competitors involved in the shoot-offs, it is my belief that they agreed to shoot doubles so that they would not seem to be complaining.

There is no way that up and comers can shoot long breaks in skeet if the above prevails. Also no current break record can be broken. Is this what we are about in the name of saving some targets?

I say we pay to shoot regular skeet, then we shoot-off likewise. This is also the opinion of many others that I have spoken with. I hope that they too will voice their opinions.

Regards
Ben Buhagiar

Dear Sir

In this day and age where communication and information technology are growing so fast it is hard to believe that we still have the dreaded old "Shooters Card".

Not only are these cards very time consuming and cumbersome to complete they are open to unauthorized changes.

What we need is a system that has a central data base, located at Wagga Wagga, for every shooter that is registered with the ACTA. To gain access to the data base and the shooters details, each shooter is issued with a plastic card i.e. similar to the card you use to access you bank a/c with. Shooting scores are entered via a remote terminal at the club where the shoot is being held.

There is no need to send out new books as the card should be useable as long as the shooter remains registered with the ACTA or until it becomes damaged. This system may incur a large initial cost to start with but there may be an overall saving in the long run. It may even enable shooters to compete against each other at different shoots.

The length of what you can go to is endless and limited only by budget.

However the system we have at present is outdated and requires change.

Regards
Warren Clark.

Dear Sir

I do not pretend to understand the intricacies of the Handicapping system, however I must agree with Karl Nasarenko (who does understand) that we have problems.

He maintains that higher grade shooters are disadvantaged. I suggest that lower grades are badly done by with 'A' Grade shooters on 11 or 12 metre marks. I thought the idea of handicapping was to even out the competition, placing mugs like me (C-14) up the front with the experts (AA and A grades) down the back. Apparently I am confused.

I am further confused when I read on Page 18 of the October Edition of CTSN under the heading 'Rule Clarification' that 'A' Grade and 'AA' Grade shooters cannot have a handicap of less than 16m.

Phillip Dunn

Dear Editor,

It was with shock I have been advised that the age for Veterans for competition shooting will be lowered to 60 years as from the year 2000. I have been informed that this was done to be in line with other Countries and for selecting Veteran Teams for overseas competition and if this the case, why can't we just use the age of 60 for the purpose of those teams and leave 65 for our Australian competition.

This would be a simple matter for the office to do as these teams are picked at the National Championships.

I believe this change to be a detrimental step, which would leave all the older Veterans in a non-competitive section against shooters of 65 years. A good example would be the 1999 National Skeet. The O/A High Gun winner would be in the Veterans Class for the Year 2000.

I have spoken to dozens of shooters of all ages at the '99 Skeet Nationals' and received unanimous agreement that the age should be left at 65.

I urge all shooters who agree to write to the ACTA now.

Psychological Skills for Shooting: Relaxation

Being the start of a new year, it may be opportune time to look back at last year and see if the goals we set were met. If they were, then where do you go from here; what goals need to be set for this year that will help you accomplish your five year or life time plan. If this years goals were not met then now is the time to evaluate: are the goals appropriate, achievable and worthwhile. A review of the goal setting article in the October magazine may be a necessary exercise. Ask yourself, how will what I aim to achieve this month or this year help me achieve my life time goals.

As I write this article, I am recovering from a serious attack of Ross River Fever which caused my withdrawal from the State Carnival and other shoots that I had been planning to attend. As a result, it is timely to examine the skill of relaxation together with goals setting: as these, according to Winter & Martin (1988) are essential techniques required to assist athletes deal with stressors including injuries.

When dealing with injuries it may be necessary to set realistic and achievable goals for the rehabilitation program. This is important because it puts you in control of your progress rather than you feeling overwhelmed by the injury or worse still identifying with injury or condition.

In the December article, I concluded with the Nideffer centering technique as a way of improving concentration and staying in the here and now. This technique when learnt and generalised to a variety of situations can provide you with a quick and effective technique for calming both the body and the mind. Centering is a relaxation and concentration skill that can be used by athletes, reducing their arousal level and assisting their focus of attention on the task at hand.

Syer & Connolly (1984) sees relaxation as temporary and deliberate withdrawal from activity, which if correctly timed, allows you to recharge and make full use of your physical, mental and emotional energy. Relaxation is characterised by an absence of activity and tension: a period of stillness when you let go of sense of need. Relaxation and its opposite, tension should be viewed as positions on the same continuum.

Relaxation.....Tension
(non-arousal).....(arousal).....(over arousal)

Each athlete must find the position in the continuum that is right for them. Different sports have different arousal requirements; archery requires calm whereas weightlifting may require the individual to be worked-up, rifle shooting will need calm as opposed to trap or skeet shooting which requires a mild level of arousal and tension.

Relaxation training is a skill and probably the most widely used application of psychology in sport. Winter & Martin (1988) suggest that there are four areas in which athletes can benefit from relaxation techniques. These are: stress management, physiological benefits, self regulation and relaxation as the basis for mental rehearsal.

Stressors, that are likely to affect shooters are the demand or desire to "get up" for the game, injuries, relationship problems and problems related to retirement or adjusting to life without sport. Some stress management techniques such as drugs, alcohol, over eating, etc will provide short term release of the symptoms but will not provide a solution or will have serious long term affects. Physiological benefits from relaxation are a decrease in the consumption of oxygen, rate of perspiration, heart rate and metabolism. Relaxation training helps the athlete increase body awareness and provides techniques for controlling over arousal before and during competitions. Finally, relaxation techniques can help quieten the mind and make it less susceptible to distractions.

Syer & Connolly (1984) see learning to relax for athletes will vary from individual to individuals and from occasion to occasion.

Learn to relax and withdraw completely.

(a) to acquire a point of reference, a recognition of your own zero arousal level

(b) to increase awareness of your own physical, mental and emotional resources and how best to use them.

(c) to gain a detached impression of your environment.

(d) to simply experience a positive pleasurable and beneficial state of being that allows regeneration of body mind and emotions.

Learn to relax momentarily

(a) to reduce over-arousal to a manageable and productive level, during and immediately before competition.

(b) to become aware of your kinesthetic sense.

(c) return to your point of balance.

If you train yourself to relax momentarily and to withdraw at appropriate moments before or during competition, you will find your awareness and speed of reaction to be greatly increased when you focus in your performance again.

There are numerous self-help books that describe or outline relaxation techniques. The technique that you choose for yourself must be something you enjoy and feel comfortable with. The following are some examples of relaxation techniques that shooters may find useful.

1. Progressive muscle relaxation (Winter & Martin, 1988) This approach was developed in the 1930's and involves learning relaxation by systematic tensing and then relaxing various muscle groups within the body. The theory behind the tensing of the muscles is that an overexaggeration leads to a more pronounced relaxation of these muscles and this helps the individual to more easily recognise the feeling of relaxation in a particular muscle group.

2. Scripted relaxation techniques. These techniques involve listening to or reading a script that has been designed to focus awareness on particular parts of your body.

MENTAL SKILLS TRAINING WORKSHOP

The purpose of this workshop is to teach specific exercises of visualisation, concentration, relaxation, goal setting and mental rehearsal. The workshop will have a practical focus and participants will receive a comprehensive booklet of activities to practice and use.

When: 7.00pm Thursday 6th April (during the pre-nationals)

Where: to be announced

Cost: \$45.00/participant. (\$35 for juniors or second family members)

3. Visualisation and/or imagery are often used in conjunction with relaxation. Syer & Connolly (1984) use an example where the athlete imagines themselves in a shed filled with a beautiful, coloured liquid and that there are taps on their fingers and toes and that as the liquid in draining relaxation suggestions are given. Gallwey (1979) gets the golfer to imagine he is floating upon a lake and as the water calms so does he. The use of scripts in relaxation provides a visual focus in our effort to withdraw from our world.

4. Hypnosis and self-hypnosis also provide effective means of relaxing and dealing with stress, injuries and lapses in concentration. Nideffer (1992) sees self hypnosis as a technique that allows you to become more totally immersed in your feelings and thoughts because there is a greater breakdown in the normal shifting of attention from an external to an internal focus.

Specific scripts and details of the above relaxation techniques can be obtained by contacting me at the address below. Next months

article will take relaxation one step further when I examine the mental training skill: visualisation.

Dubbo holds successful 3rd Annual Macquarie Masters

Sixty members and visitors attended the 1999 Masters Open which included the State Night Points Score Championship conducted on Saturday 6th November. The weather conditions were extremely wet to start with, however as the evening proceeded the rain cleared allowing the first event of twenty-five double barrel cash divide targets to get under way. Craig Ward, Daniel Seve, Terry Brind, Brian Greenaway, Lee Cowell, Bob Machul, Ben Squire and Roger Squire recorded possibles.

MacQuarie Masters Handicap winners, left to right: Charlie Strike, Alan McMahon, Charlie Cudmore, Peter Kenyon.

Following a BBQ Tea, the lights were turned on and the weather, although very wet underfoot, cleared into an almost perfect night with dark sky and no wind. The State Night Points Score Championship of fifty targets was won overall by Ian Merrick 167/168

Warren Club President, Kevin Walton, sharing a lighter moment with Dubbo President Errol Tucker and Vice-President Denis Coaker.

after a shoot-off with Charlie Strike who took the A Grade trophy with 166/168. AA grade went to Arthur Turner 146/150 from Peter Fitzalan 142/150. Bob Machul from Cobar was second in A Grade with 146/150. John Wild from Warren collected B Grade with 142/150 from Terry Brind (Upper Hunter) 140/150 whilst C Grade went to Ben Squire 134/150 from Wakehurst from Daniel Seve 133/150 (Upper Hunter).

Sunday's conditions were much improved with clear sky, sunshine and very little wind. Twenty-five double barrel cash divide targets started the day with possibles from John Wild, Lee Cowell, Terry Ramien, Roger Squire, Tony Morris, Ken Fuller, Frank Seve, Arthur Turner, Ian Merrick, Bob Beck, Peter Kenyon, Ed Dobrowski, Malcolm Stephens, Wayne Sharp, Denis Coaker, Mike Heywood and Garvin Denniss.

The Macquarie Masters D/B Championship resulted in several possibles, and in the final run home, Arthur Turner was tied with Warren Club President Kevin Walton who let his 143rd target escape leaving the overall honours to Arthur 143/143. Second in AA Grade was Peter Fitzalan 37/38. A Grade was won by Tony Norris 85/86 from Dubbo's Peter Kenyon 52/53. Warren Secretary Mick Shields collected the trophy for B Grade with 55/56, second placing going to Lee Cowell 35/36. Ben Squire led C grade with 24/25. A recent newcomer to the sport, junior Daniel Seve from Sandy Hollow tied with Rick Fitzalan (Tottenham) for the second place in C grade. After a lengthy stay at the traps, both shooters showed remarkable form with Rick eventually taking second place with brilliant scores of 125/128 and 124/128 respectively.

The fine weather continued throughout the afternoon with Arthur Turner winning Overall in the Macquarie Classic Points Score with 78/78. other results were - AA grade Wayne Sharpe 83/84 and Kevin Walton 82/84. A Grade Brian Greenaway 75/78, Peter Kenyon 92/93. B grade Garvin Denniss from Goolma 73/75, Charlie Cudmore (Tamworth) 87/90. Junior Daniel Seve won C grade with 74/75 from Rick Fitzalan 71/75.

The main event of the weekend was the Macquarie Masters Handicap of twenty-five double barrel targets. Fifteen tied scores required a shoot-off and the eventual first five placegetters to share the cash prize money were Charlie Strike (Coonamble) 104/104 from 17 metres, Alan McMahon (Wellington) 103/104, Charlie Cudmore 62/63, Peter Kenyon 61/62 and Terry Brind 50/51.

Arthur Turner, Wayne Sharp and Peter Kenyon were tied for Overall H/G with only one point down for the day. The shoot-off was won by Arthur Turner 194/195 from Peter Kenyon 193/195.

A Vision

I see a sport, a sport of kings,
And working men alike.
But destined for extinction,
Because we cannot get it right.

There's those that chase the trophies,
And those that cheat their cards,
Others they're complaining,
They've never worked so hard.

I see at clubs, the workers,
The ones that pull their weight,
But as usual there's others
Who always get there late.

The Zones are there to represent,
What's best for one and all,
But they usually only think about,
Themselves and those next door.

The States they vote as they see fit,
But often it seems strange,
They vote not on the issues,
But what they can arrange.

There's the National Body
A dinosaur for sure,
It's all head and great big feet,
With no heart at all no more.

Government departments,
Some treat us with contempt.
One lot they give us money,
Want it back if it isn't spent.

The firearms laws, they cost a lot,
With paperwork and tests,
Even though statistics show,
They haven't been for the best.

Media hype it treats us well,
When medals are at the fore,
It's all about selling papers,
Don't ask you'll get no more.

I'm sure it doesn't have to be,
The way it always appears,
Perhaps with a little vision,
We could fix most of our fears.

The sport for kings and working men,
I'm sure it can suit all,
All we surely need to do,
Is unite before we fall.

The cheats and card sharks,
Few they be, yet like the squeaky wheel,
Seems to me, that trophies,
Is what gives them their zeal.

The workers at your club they be,
The lifeblood of the sport,
Every day more thanks they need,
And more of the members support.

The Zones could be the melting pot,
For new and brave ideas,
Try things in your zone today,
Then pass on to your peers.

The States they need to spend more time,
On law and tenure matters,
Talk to the respective departments,
Before they leave our sport in tatters.

The dinosaur it needs much help,
A matter of evolution,
Surely it could change its ways,
And help with the solution.

The Weapons Act, the EPA,
And all our other foes,
Let's not forget how they arrived,
And where our votes should go.

The media is hard to fix,
But relations could advance,
Let's get them involved in our sport,
Don't leave it all to chance.

And one last thing would help a lot,
If all officials at the helm,
Were all to shoot more often,
Instead of prancing around the realm.

Interservice Trap Shooting 1999

The services for many years has conducted a clay target competition annually with the venue rotating through Point Cook, Pucapunyal and Cerberus. In recent times Cerberus is the only location available and this year on a cool but clear Wednesday afternoon the 99 event was conducted.

RAAF and Navy had full teams but the Army was a little depleted because of defence commitments a little further North. However after a morning of practice and

Under the watchful eye of old RAAF stalwart Alan Chandler acting as Referee and with the voice release units to make life a little easier, the comp got under way, with a five target eye opener then three groups of ten targets per shooter.

By the half way mark of the group it was obvious that the only pressure was to be who would win the High Gun, this was to be Navy's Jim Gaunt with the only clear score of 35/35. Jim took the Interservice which

final team selection the three complete teams were ready.

A break for a pleasant barby lunch and the competition started at 1300.

One shooter from each service shoots as a squad, there are six in a team, so six squads of three shooters.

was presented by the Commanding Officer H.M.A.S. Cerberus and the Navy High Gun presented by Mrs Gwen Blackwell. This sash was normally presented by that Navy legend Reg Blackwell, who we unfortunately lost earlier in the year, we do miss you mate.

The RAAF High Gun was won by Sgt Dave Toohey 33/35 and the army Sash also donated by Tim and Fred Reide was won by Sgt Chase Caldwell 32/35.

The Interservice event was won by Alan Chandler 15/15 from Chase Caldwell 36/37 and Chris Carroll 35/37.

There were many service sports cancelled because of Defence commitments, hopefully next year the area will be more stable.

CUZZO'S RAMBLINGS JANUARY 2000

Well the new millennium is now upon us and I hope that as you read this, the remote control for your TV still works and your car engine still starts and that the end of the world is not at hand. I'm going out shortly to see if the triggers on my gun still work and if so whether it's when I pull them or when I release them. Provided they're operating OK, Karen, Rod and I are off to Albury for their Two Day Skeet Shoot on the 22nd and 23rd and then on to Toowoomba for their Two Day Skeet Shoot the following week-end. We hope to see many of you at one or other of those venues.

The Skeet Nationals are over for another year and what a great week it was. The Pre-Nationals were "too much fun", particularly the 20 gauge event on Monday, which was well attended and greatly enjoyed. Thanks again to the many sponsors. George Sckaf of G & N Gun Supplies, Doug Moorby of Bathurst Woodturning, Peter and Joanne Vella of Earmould Sydney and John Guberina of G-Brothers Mercedes Benz. Thanks also to David Coleman, without whose help and support all week, I would not have survived.

Time was of the essence on Wednesday night, as we had to finalize the High Guns and then clean up and stock-take in readiness to hand over to the ACTA. However finishing early on Monday and Tuesday allowed us the luxury of inventing and playing a new skeet game: Skeet Deauville Doubles. The rules are simple. Substitute station 3 for lanes 1 and 2, and station 5 for lanes 4 and 5. Then line up "Indian file" and shoot in turn on each station, which allows more than two teams per squad on a layout, perhaps as many as half a dozen. After that it's pretty much the same as Trap Deauville Doubles. We found that 20 pairs made for a good event but we scored by target rather than by pair.

Shoot-offs were conducted by qualifying rules for a while and then to single barrel and finally by moving to station 4 where each team member had to have one foot on the station. Grading and handicapping was covered by allowing a maximum of only one AA shooter per team. It turned out to be a very popular event with everyone out on the verandah each night watching the shoot-offs. The only disappointment was sustained by the famous Queensland shooting team of Chelepy and Darr, who were relegated to the runner-up spot on both evenings by some old grey haired bloke and an unidentified lady shooting a 20 gauge. Better luck next year boys!

And speaking of the famous Laurie Chelepy, check out the accompanying photo. During the Pre-Nationals I re-encountered an old problem with the low house window on field number five. Somehow or other, when the house was being built, the window opening was put in half a brick too low. The nett result of which is that when the wind blows from the west, the low target can't be elevated high enough. Laurie saw me puzzling over this dilemma and said "stand back and I'll show you how we fix these problems in North Queensland". Ten minutes later I could have set a good

target in a westerly cyclone. Ingenious little chaps, these banana benders!

I am very pleased to report that CVRIL's new skeet phono-pulls were a resounding success. As advertised in the CTSN, shooting over their voice release equipment was optional and shooters had the choice each morning, when squadding up, of nominating to shoot on either a squad with phonos, or a squad that used the conventional button release. Over the course of the week I only saw a button cord rolled out on two occasions. If you do the arithmetic on that, you will come up with a usage rate well in excess of 99%. It's obvious that phonos are now here to stay in skeet as well as in trap.

The only problem we had all week was the late finish on Thursday, the first day of the Nationals. Even starting at 7.45am, by the time we photograph all the state teams and then conduct the shoulder to shoulder team shoot in up to four different divisions, and then conduct the opening ceremony, it is almost impossible to get the day's event underway before 11 o'clock. This inevitably leads to finishing the qualifying late and finalizing the shoot-offs even later.

Darkness is not the issue, courtesy of daylight saving, however looking into the sun becomes a problem on stations 1 and 8 anytime after about 4.00pm. Provided you finish the qualifying prior to this time, as we were easily able to do on every other day, it's not a major problem. With everyone concerned shooting at the same time you can simply restructure the shoot-off procedure to avoid these stations, such as doubles at 3 4 & 5 or any other equitable format that both the competitors and shoot management are able to agree upon.

However when qualifying is not completed by 4.00pm, such solutions are not available and then unfortunately a situation of serious inequity is unavoidable. I had a first hand experience of this on the Thursday when my squad was one of the last to shoot and we were on the field right at the height of the problem. Although Billy and I were able to draw upon our vast experience and "trick shoot" the targets, it was very nerve wracking and our success was attributable almost as much to good luck as it was to good management.

Unfortunately many of the lower grade shooters were not able to adapt to the unfamiliar and difficult conditions quite as well and I know that many of their scores suffered accordingly. My wife was an excellent illustration. She had shot particularly well in the first bracket and told me she was very confident of continuing that form in the afternoon. However, hitting only one out of six high ones in the second bracket put a bit of a damper on that plan and took most of the fun out of her day.

That evening I discussed the problem at great length with Andy Sanders, who was both the Tournament Director and the Office Manager and we have committed ourselves to finding a solution before next year. Both the Shoulder to Shoulder Team Shoot and the Opening Ceremony are fundamentally important parts of the Carnival and neither can be eliminated. However there must be some way that the Program can be restructured to incorporate all the current features whilst solving the above problem. If you have any ideas along this line, please contact either Andy or myself to discuss them. We would be most appreciative of any fresh input.

As I mentioned in my November column, the Australian Skeet Shooters Association has been in recess for several years. This is a great pity because I'm sure such an entity could do much good work in the areas of advising the ACTA on skeet related matters and of promoting skeet shooting in general. With that in mind we held a meeting during the Nationals to discuss the resurrection of the Association. The meeting was open to all and sundry and included current life members, past annual members and numerous interested visitors. After lengthy discussion regarding the history and past activities of the Association, as well as its potential future activities, a motion was resoundingly passed to curtail the recess. Glenn Woodhatch had been invited to be the guest speaker, but as he had other commitments, his apology was tendered. Andy Sanders kindly filled in and assured everyone that he saw no reason why the two bodies could not work in harmony.

An election of office bearers for the year 2000 was then held. The

result of which was that I am the president for the coming year and the other office-bearers are as follows. Senior Vice President: Max Barton. Junior Vice President: Glenn Clarke. Secretary: Jenny Burt. Assistant Secretary/Treasurer: Karen Cousens. Following this a number of general business items were discussed at length and eventually a number of motions were passed to direct the activities of the committee during the year. These included the establishment of a web site to promote skeet shooting, and investigating the possibility of running a demonstration shoot to trial pre-squadding and scheduled flight rotations.

Another major item on the agenda, which created plenty of discussion and was passed unanimously, was the need to work out the best way to align our skeet rules with NSSA rules and to assist and advise the ACTA in the implementation thereof. This task is not as easy as it might seem. Although we need to remove any practical dissimilarities between our local rules and the world standard, there are a number of technical items in the NSSA rule-book which would be either impractical or undesirable if legislated into Skeet in Australia at this time. I can see a lot of midnight oil being burnt before we get the balance on that one just right.

Membership fees and finances were discussed and although the association unfortunately lost most of its funds in the Pyramid collapse, it was decided to validate all existing \$100 life memberships and set the annual fees for next year at \$5. All previous life members are requested to contact the treasurer to reaffirm their details by writing to 36 Moroney St Bairnsdale or by phoning 0351-531079. Any prospective new members are invited to apply using the same contact methods.

Continuing on from my article on clay target hardness last month, I spoke to Kevin Tunney at Olimpyc Targets last week and he tells me that they have taken the matter of more reliable breakability even further than originally planned. Not only have they been experimenting with composition changes, but they have also redesigned the shape to incorporate a thinner more fragile dome along with built-in fracture lines. He tells me that the combination of these changes should return us to the point where one or two pellets will consistently break the target and any sort of good hit will smoke it up. I am waiting with bated breath for a test batch to arrive and will keep you posted on the results.

This Month's Shooting Trivia Question: Name the shooter who has won the greatest number of silver and/or gold Australia badges in open competition in trap and/or skeet shooting in this country? Mail your answer to Shooting Trivia, P.O. Box 265, Bairnsdale 3875, to arrive by 25-01-99. The first correct answer drawn shall receive a free entry to this year's National Single Barrel Championship. The correct answer to November's STQ was: Robert Stack was the famous TV actor, who starred in the extremely popular early 1960s gangster series titled "The Untouchables", and was also the 1936 World 20 Gauge Skeet Champion. The first correct answer drawn was submitted by Ron Russell from Werribee in Victoria, who wins a free entry to the National Handicap at Wagga in April. Congratulations Ron. If anyone has a good trivia question or an interesting subject for discussion in this column, please forward it to me at the above address.

Clay Target Shooting under the Jacarandas

The carpet of purple flowers were still covering the roads of Grafton. The Jacaranda trees at the Grafton Clay Target were out in full bloom and looking majestic when Sunday 14 November dawned to a perfect day. It was obvious that something significant was about to transpire for this was the Grafton Clay Target Club's day for their Jacaranda Open Classic.

Visitors as they began to arrive were greeted with the grounds and Club House in superb order thanks to the immense work by Club members. They were totally impressed by the perfect shooting conditions. Club Members tried to have them believe that Grafton had no other type of weather but this, however there were a few visitors who were quick to remind them of their July Open weather so the discussion of the weather was quickly put on the backburner.

Shooting commenced on time with a 25 target Double Barrel Cash Divide and as the scores came in it was obvious that with these conditions there were going to be plenty of possibles during the day.

Results are elsewhere but suffice to say here that Open High Gun for the day was taken out by Geoff Lancaster (Guyra) with a creditable 147/150. Veteran High Gun was won by Noel Campion (Glen Innes) 144/150 and Ladies High Gun by S Richmann (Lismore) with a score of 91/150.

Towards late afternoon (coincidentally just as afternoon tea was being served) there was a buzz around the shooters as some more visitors arrived. These welcome guests were part of the 1999 Grafton Jacaranda Party all of whom had never seen the 'breaking of the clays'. They were in time to witness shoot offs of the final event and were awe inspired at the accuracy of these shooters. Their personal interest of a sport which they had never seen was shown in the astute questions asked and an inspection of the layouts and basics of Clay Target Shooting.

To the delight of prize winners, the real reason for the attendance of this Jacaranda Party, was soon disclosed as they handed out the winners' trophies with a perfect smile and the obligatory kiss - to leave a lasting impression for that trip home.

Grafton at Jacaranda time is exquisite.

SUNSHINE COAST CLAY TARGET CLUB

Last Sunday, the 21st November, the Sunshine Coast Clay Target Club (SCCTC) held their monthly Shoot. 30 keen shooters participated in overcast & windy conditions. Prior to the commencement of shooting for the day, the club President, Steve Davison, requested the members present to stand for a minutes silence in remembrance of Ike Osborne who past away recently.

The main event for the day was the 25 Targets Medley Champion of Champions. If the winner of this event had won a club Championship throughout the year, a bonus case of shells was on offer. The event consisted of 5 targets Double Barrel, 5 Targets Points Score, 5 Targets Single Barrel and 5 pair Double Rise. Four shooters contested the shoot off with Wes Humphries being the eventual winner.

It is good to see Don Portors is back in form in winning the A grade High Gun. Recently a number of his closest competitors have progressed into AA grade thus allowing him an easier task in winning in A Grade.

Event 1: 25 Targets Double Barrel Sweepstakes.

AA Grade: Q Porifi, B Power, P McAndrew 25/25. A Grade: S Trafford, W Murray, T Crowson 25/25. B Grade: 1st B Goddard 25/25, 2nd J Davison, C Post 23/25. A Grade: 1st J Marshall 23/25, 2nd G Post.

Event 2: 25 Target Points.

Overall: B Goddard 94/96. AA Grade: S Davison 93/96. A grade: D Portors 95/99. B Grade: T Burke 72/75. C Grade: J Marshall 71/75.

Event 3: 25 Targets Handicap.

1st G Manning 25/25, 2nd D Portors 30/32 and 3rd Q Porifi 29/32.

Event 4: 25 Target Medley Champion of Champions.

Overall W Humphries 46/49. AA Grade: 1st B Power 45/49, 2nd P McAndrew 32/35. A Grade T Crowson 32/35, 2nd B Brown 31/35. B Grade M Post 28/35, 2nd T Burke 27/35. C Grade 1st J Marshall 28/35, 2nd G Post 23/35.

High Guns: Overall Quinto Porifi 152/160. AA Grade: Steve Davison 148/160. A Grade: Don Portors 148/160. B Grade: Brian Goddard 144/160. C Grade Mick Marshall 143/160.

DOWN-UNDER LEADS THE WORLD AGAIN

Having seen amazing changes in sports as diverse as cycling and yatching, from the advent of new materials and hi-technology, is it little wonder that Trap and Skeet shooting shouldn't one day catch up?

And that it should be a small company from a small country down-under doesn't come as too much of a surprise either.

Australian's and New Zealander's have always been recognised as pretty individualistic and handy with the old number 8 wire, but this time, its electronics and software that have spawned the new range of products out of Canterbury Voice Release based in Christchurch, New Zealand.

As has already been noted in this magazine, Graham Callander spent many years developing his voice-activation unit for Trap shooting along scientific rules and with no influence from what had already been tried and failed to deliver. This time, he got it right and the resulting Trap units have been used in major com-

petitions in NZ, Australia, USA and at the 1999 World Champs in Wales, UK. This equipment is now heralded as the most significant single product ever to enter this sport as it so cleanly eliminates many of the problems associated with running a truly fair competition. Its user-friendliness is assured as even the most junior or inexperienced person can set it up correctly and operate it.

However, Graham has now gone beyond the Trap unit and produced a range of products to suit those competitors who enjoy Skeet, Olympic Skeet and Ball Trap. Each unit operates under the same principles of simplicity, high performance and ease of operation that the Trap unit set the standard with and yet are still cost effective.

So, along with providing some of the best shots in the world, its tremendous to see our down-under companies competing and beating the best that the rest of the world can offer.

VCTA South East Zone Carnival 1999

Conducted at the Melbourne Gun Club on Saturday 23rd October. The day drew 105 shooters to contest the four events to do battle for the final round of the Premier Teams Event. The Melbourne grounds looked a picture and the club is to be congratulated on that point.

Melbourne team: B. Humphries, Scott Barry, Craig Barry, Wayne Barry and P. Haslam.

With Wonthaggi and Morwell running the Office and Cerberus with the help of Jock as shoot Marshall's and score board, the shoot was under way at 10-40.

The first event the Double Barrel was also the first part of the teams section. This was won Overall and AA by E Allison 64/64 from A Brady 49/50. Andrew also won the Juniors.

The Handicap was won by S Malone 31/31 from L Curtis 30/31, 3rd was S Tigani 27/28. Back Marker was A Brady and Front Marker B Signorotto. Lyn was the only non junior to win anything in the Handicap and was also the only 50/50 for the teams section.

Melbourne number three team won the day. Cerberus won the series, but not before a strong challenge from Morwell cut the lead to only 4 points for the year. The winning junior team on the day and the year was Morwell.

The series Overall and the Handicap High Gun was won by B Hunter, and the Double Barrel by B Lewis, who also took the series Junior High Gun.

Event three the Single Barrel AA and Overall L Curtis

Junior team for series and day, Andrew Brady and Beau Lewis.

33/34, from C Carrol 32/34. Linda Risteuski continued to shine in the Ladies with her second win.

Lyn Curtis, single barrel winner carnival High Gun.

Event four the Points Score was won Overall by A grader W Forrest 114/114 from thirteen year old Stacey Elsley a first year shooter who won C grade and the Ladies.

The Carnival High Gun was Lyn Curtis 144/150, the Junior was Andrew Brady 140/150 and the Ladies was Stacey Elsley 132/150.

The windy conditions as always played there part, but the shoot ran smoothly and every one had a good day. Thanks to all workers, it was a successful Carnival.

"Champs at Wang"

Wangaratta Clay Target Members and Visiting Shooters were treated to a display of very high standards of shooting when conducting the final shoot off for the Junior and Open Champion of Champions at their November Competition. Both Groups were required to shoot at two targets of each discipline conducted throughout the year.

Open finalists were - Bruce Henshall, Brett Ford, Brad Henshall, Daryl Hunt, Kudri Demaj and Terry Walls.

At the completion of the first round Brett Ford had scores 35/36 and was declared the winner over Brad Henshall.

Brett, who won the event in 1992, was still celebrating the fact that he had won a place in the Victorian 5 man Team the week before at the State Carnival.

The Junior Champion of Champions finalists were - Angus Ferguson, David Jackel, Kade Hillier, Terry Walls, Leigh Barry, Steven Boag and Tim Knight.

Tim Knight was victorious with a score of 20/20 over Steven Boag who scored 19/20.

Congratulations to all finalists, but particularly to Brett and Tim.

Australian-Pacific "Grand Prix" 2000

After 5 years during which it has become established as the premier International Olympic Discipline clay target shooting competition in Australia, the 2000 Australasian-Pacific "Grand Prix" is set to break all the records it has already set when the competition is again conducted at Brisbane Gun Club between 11th and 18th March this year.

During the 5 years the "Grand Prix" has been conducted, the competition has attracted shooters from no less than 20 nations including New Zealand, New Caledonia, Japan, Hong Kong, Thailand, Singapore, Malaysia, England, Northern Ireland, Czech Republic, Canada, United States of America and many more.

The list of world class shooters who have attended the "Grand Prix" is extensive. Not only have our own Olympic and World Champions been attendees, but also many other shooters with credentials as World Record holders and World Cup winners have been competitors at the "Grand Prix". Only last year, a 6-person charity competition organised to support Brisbane's St Andrews Hospital included no less than 2 Olympic Champions, 3 former World Champions and a World Cup winner. Probably one of the best squads of Double Trap shooters ever to be on the tracks together.

The quality of shooter in attendance from overseas at the "Grand Prix" has not been limited to the trap and double trap events. In 1999, Todd Graves from the U.S., along with fellow team members, gave an awesome display of skeet shooting, which was 'as good as it gets'. Although recognised as a specialist skeet shooter, Todd Graves is the only shooter ever to win World Cup events in all three events - trap, skeet and double trap. For many of our own less proficient shooters the chance to shoot along side shooters of Todd's quality is a once in a lifetime opportunity and one that can only be had the Brisbane competition.

While many of competitors to visit from overseas have been amongst the world's best, many have been amongst the ranks of 'everyday' club shooters. Many B and C Grade competitors have shot at the "Grand Prix" and taken home grade medals which have been the most important award they have ever received.

The objective of the Australasian-Pacific "Grand Prix" has always been to offer all shooters the opportunity to compete together regardless of their level of proficiency. This objective has always been foremost in the minds of the organising committee and the 2000 "Grand Prix" will be no different. In spite of the anticipated influx of international visitors, the organisers have already received many nominations from shooters who are not members of national teams, but who want to compete at the "Grand Prix" because of the atmosphere and opportunity to compete with many of the world's best shooters.

The 2000 "Grand Prix" will be held approximately 1-month later than normal to allow shooters from overseas to compete in Brisbane prior to attending the World Cup competition at the new Olympic site at Cecil Park, in Sydney.

Already, nominations and expressions of interest for the 2000 Australasian-Pacific "Grand Prix" have been received from throughout Australia and from New Zealand, United States of America, Canada, Sweden, Czech Republic, Japan, Singapore, Malaysia, England and more.

As usual, all events at the "Grand Prix" will be graded and have sections for open, women, junior and veteran competitors. Three events will be conducted in each of the Olympic Trap, Skeet and Double Trap disciplines. The very successful 'Skins Badge Match' will be conducted as the lead in event before the "Grand Prix" which will be followed by the Kemen Australian Open events.

Competitors wishing to enter the Australasian-Pacific "Grand Prix" competitions should register their early nomination as starting positions for the 2000 tournament will certainly be restricted. Entries are strictly by mail and close with the organising committee on 29th February.

Further details can be obtained by contacting Janine Kettels, Secretary Australasian-Pacific "Grand Prix" Organising Committee - phone (07) 3870.8442 or fax (07) 5446.8353.

Details of the "Grand Prix" can be seen at - www.rheology.uq.edu/grandprix.

Cohuna Clay Target Club Shoot

Anniversary Shoot held Friday 8th November 1999

A Warm evening with signs of rain and a free BBQ Tea greeted 38 shooters on Friday night for the Cohuna Clay Targets Anniversary Shoot. Sponsors for the Anniversary Shoot were D & C North Earth-movers.

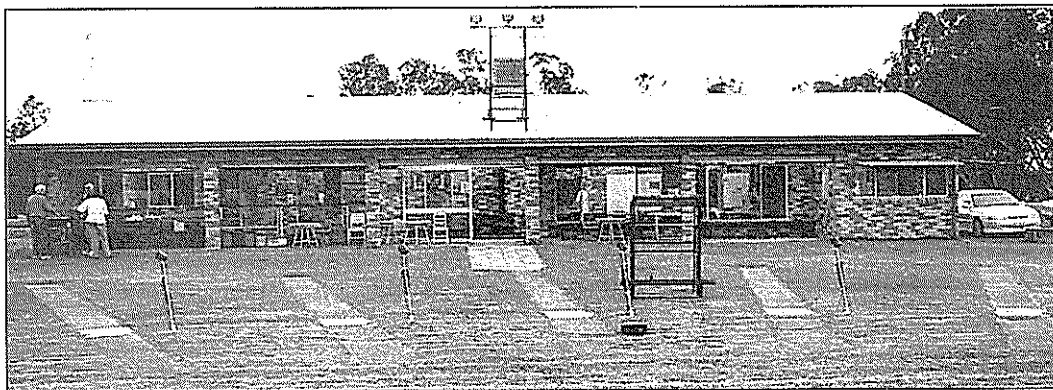

Several Shoot-offs throughout the evening added to the atmosphere of who was going to win Overall Highgun. The first event, 25 Target Pointscore was won by Tim Robinson in AA and Overall with a shoot off for 2nd by Malcolm Absalom, Ray Peatling, Mark Vistarini and Ken Bruns. Neil Sutherland won A Grade with 72/75 and Allan Fletcher 2nd with a 71/75. B Grade was won by Ian Phillips 66/75 and Keith Perry 2nd with 64/65. C grade was won by two Ladies Pam Fletcher and Christine Street 61/75.

Grade was won by Keith Perry 23/25 and Rod Lea 2nd 21/25. C Grade was won by Christine Street with 22/25 with three juniors shooting off for 2nd. James Donehue, Elleasha Brown and Aaron Sutherland provided a little anxious entertainment with James winning 2nd with 20/26.

The third event the 25 Target Double Barrel Championship saw junior C Grade shooter James Donehue shoot a possible of 25 leaving James and AA Grade Mark Vistarini also with 25, to shoot off for Overall. Junior James beat Mark and won off for 2nd in C Grade however, Aaron shot better 24/27. AA was won by Mark Vistarini 40/41 and 2nd Ken Bruns. A Grade was won by Neil Sutherland 24/25 with Junior Adam Moroni winning 2nd after yet another shoot off. Ian

From Left: Keith Perry, Tim Knight, Christine Street, Mark Vistarini, James Donehue, Tim Robinson, Alan Fletcher and Pam Fletcher.

There were three shoot off's in Grades AA,A and C in the evenings 2nd event the 25 target Single Barrel. Mark Vistarini, Ken Bruns and Malcolm Absalom shot for 1st and 2nd place with both Mark and Malcolm missing there 3rd target Ken Bruns took out 1st while another 10 targets put Mark in 2nd place. Allan Fletcher won A Grade and Overall clear leaving Neil Sutherland and Gary Brown to shoot off for 2nd, Neill took 2nd easily with Gary missing his first target. B

Phillips won B Grade 24/25 and Keith Perry 2nd with 27/31 after a shoot off with Shard and Charlie Bowman.

Overall High Gun for evening Mark Vistarini with 122/125, a great effort. George Smith kindly donated and presented the tartan sash. Veterans Overall was won by Keith Perry 108/125, Christine Street won Ladies Overall with 100/125 and Tim Knight from Bendigo won Junior Overall with 106/125.

Winners and visitors remarked on the consistency of the new phono pulls and congratulated the club on its grounds, clubrooms and sponsors. The phonos will prove to be a real asset for the Clubs major 2 day shoot in April 2000. Further supportive comments from visiting shooters on the Cohuna Clay Target Clubs dedication and encouragement of Junior and Lady Shooters was a delight to hear.

Cherry Tree Pool Field Championships and the Elusive Winchester Gun

When the Katanning Clay Target Club held its first Open Championship Weekend in 1951, the visitors were entertained on the Sunday at a picnic on the property of Mr & Mrs Con Kowland at Cherry Tree Pool. The field shoot is still held there annually under the hospitality of Mr & Mrs Greg Kowland (Con's son).

The Picnic shoots were held in 1952, 53 and 54 and the Championship was started in 1955 at the suggestion of Mr Ernest Clegg, later a Life Member of the Club.

The Cherry Tree Pool Field Championship is the "Father" of all the field events now held in Australia. By 1960 the event was popular and had captured the imagination of shooters from all parts of Australia, that Mr Graham Bailey, owner of a Gun Store in Perth offered a Browning Auto Shotgun as the prize for the possible shot at the event.

This arrangement continued until 1975, when Mr Bailey and Winchester Australia jointly sponsored the gun for the possible. When Mr Bailey ceased business, the Winchester Company continued the sponsoring. The sponsored gun changed from a Browning Auto to a magnificent Winchester Presentation Skeet Gun, which has been on offer every year since, and this year 1999, was won by Mr Peter Muntz, who achieved the elusive possible.

Over the years, 45 of them, so many fine field shots have tried, but failed to shoot a possible. The layout has never been easy, particularly years ago, and has seen many changes. The first Championship in 1955 consisted of 24 targets and had progressed to the present layout of 70 targets from 10 stations, shot in two rounds of 35 targets.

Newton Thomas, who did much to publicize this event in the early years, coined the phrase "The 3 times winners Club" and the club consists at the present of Danny Holtfreter, (3) J Newton Thomas (3), Tim Catling (8), Bevan (Tex) Nicholls (3) and Max Cubic (5), and of all of these Tex Nicholls has come the closest to the possible with 55/56 shot in 1977. Several 1/2 possibles have been recorded, but until this year no-one has been able to put them all together. Peter Muntz, however has now done just that and in fine style, surviving the long wait between rounds, which is some 4 hours, and shooting through the layout the second time to record this historic score.

It has taken a long time to happen, but now it has, it will happen again and probably not so long for the next time. A little of the mystic has gone from Cherry Tree, but we all congratulate Peter on his fine effort, it was one hell of a score of 70/70.

Listed below for, are previous winners and their scores.

Results of Cherry Tree Championships 1999

For the first time in Cherry Tree Pool Field Championship history a perfect score was achieved. From the field of 137 shooters Mr Peter Muntz of the Bussleton Gun Club shot two rounds with a score of 70 out of a possible 70. In second place was Craig Ellis 67, and Mike Daden 66 came third. For his efforts Mr Muntz won a trophy with its own history.

When Winchester designed and crafted a 12 gauge Skeet Gun original to be given as the trophy for a possible shoot (perfect score) they never imagined it would take 25 years to be presented. The intricately carved gun adorned with golden ducks has been returning to Cherry Tree Pool each year only to make the return journey, this year it was a one way trip. Worth approximately \$2,000 on completion it is currently valued at \$7,000. Katanning Clay Target Club president Mr Don Forward said "The gun may be 25 years old but it is still brand new, and has never been fired".

The Clegg Memorial went to Mike Voke 67, runnerup Ted Rose 64 and third Mike Mitchell 63. Ladies Jennie Jannings 58, Christine Alexander 47, Beryl Marney 43. Juniors Kent Holland 61, Matthew Kelly 59, Sam West 53. Veterans Roy Holtfreter 62, Tim Catling 59. Grade winners AA: Neil Yates, A: Max Cubic 64, B: Dave Witham 64, C: Greg King 59, morning winner Neil Walker 33/35, and Laurie Hull 34/35 afternoon winner.

Saturday saw the Primaries Classic won by Graeme Bowden 25/25, AA: 1st Neil McWhirter, 2nd Peter Muntz, A: 1st Graeme Bowden, 2nd David Lonning, B: 1st Pas Carbone, 2nd Roy Holtfreter. C: 1st Greg Bowden, 2nd Charles Holly.

Novartis Classic Overall Winner Peter Muntz. AA: 1st Neil McWhirter, Tim Catling, Jim West. A: 1st Gary Quan-Sing, David Sobik, Greg Martin. B: 1st Ollie McPartland, Paul Kuhne, Roy Holtfreter. C: 1st Greg Bowden, Mike Voke, Finn Staniforth-Smith, Ladies: Lisa Hall, Juniors: Matthew Kelly and Veterans: Ken Foster.

Sherwells Classic Overall Winner: David Conning. AA: 1st Neil McWhirter, Tim Catling. A: 1st David Conning, Gary Quan-Sing. B: 1st Ray Wendt, Ollie McPartland, C: 1st Colin Scher, Greg Bowden.

High Guns went to Open: Neil McWhirter 171/175, Junior: Mathew Kelly 160/175, Ladies: Lisa Hall 121/158 and Veteran: Tim Catling 169/175.

This photo shows three generations from the one family competing the same day at the same shoot.

Although this may not be so rare with male competitors, it is surely uncommon with female shooters.

Pictured centre: the late Lola Charles, left, her daughter Leonie Dennis and right, her granddaughter Katie Dennis (now McMullen).

Lola and Leonie commenced shooting in the early 1970s and Katie in the 1980s.

Shooting Update

... from the Competition Manager

Good news for shooting. The Sydney International Shooting Centre was officially opened by the NSW Minister for the Olympics, the Hon Michael Knight MP, on 30th October 1999.

Atlanta Gold medalists, Michael Diamond and Russell Mark who together with Glenn Kable are the current World Champion Trap Team were invited to provide a demonstration of trap shooting for the Minister and invited guests who were very complimentary with their comments on the shooting centre.

The Oceania Championships concluding 16 November is the first competition at the Olympic & Paralympic shooting venue. Information from the Oceania Organising Committee is that the total number of athletes competing, both able bodied and disabled, is the largest ever at an Oceania Championships. We were pleased to have the opportunity to meet with many of our Volunteers for 2000 during this event.

- * The Sius Ascor electronic targetry system has been installed on the 10m, 25m and 50m Qualification ranges.
- * The dedicated Finals Range has been fitted out with targets and electronic scoreboard.
- * Spectators will be able to view the pistol rifle and running target events without the need to leave the building.
- * Clay Target includes three layouts complete with Mattarelli traps, phonopulls, and electronic scoreboards.
- * The World Cup, Olympic Games & Paralympic Games shooting centre which is an outstanding venue will remain as a legacy for shooting.

TECHNOLOGY

Shooting Technology roles are shortly to be addressed

- Olympic and Paralympic Games roles will be announced shortly after the conclusion of the ISSF World Cup.

Functional Area Positions at SISC

We will shortly be advising applicants for whom roles have not been identified within sport that positions may be available at Sydney International Shooting Centre, in areas such as Spectator Services if they wish for us to forward their application details to these Functional Areas.

It is very encouraging to know that there are so many people willing to give their time and expertise - often at considerable personal expense - to help deliver the shooting competition at the ISSF World Cup, Olympic and Paralympic Games. Regrettably we were unable to provide a World Cup role for every person who applied.

Technology

It takes a large effort to make the Olympic Games a success. Part of our success will be through the use of technology. Apart from the 15000 telephone lines, 12000 radios, 6000 PC's and 11000 televisions that will be required, there is one piece of technology that is absolutely vital to shooting - Electronic Targets and Results Systems.

The use of electronic targetry makes shooting the most technologically advanced and complex of all the sports in the Olympic Games. This is a great plus for our sport because we can present our results to the world, via TV, Internet and the INFO 2000 system, faster than any other sport.

Having the technology is one thing - but we need people to operate it. This is where we will be relying heavily on technology volunteers, as they will be an integral part of the success of the Games.

Technology volunteers who are yet to be identified will be working in areas such as Results Compilation, Results Print Distribution, IT Help Desk, Venue Technology Operations plus various other areas.

It will be an exhausting and rewarding experience, working as part of a professional and energetic team and taking part in the worlds most important sporting event, The Olympic Games.

Spectator Services

Who are we and what do we do?

Spectator Services mission is to be proactive and friendly hosts to spectators by providing information and assistance to encourage a safe and enjoyable Olympic and Paralympic Games's experience.

We will be relying on the commitment and enthusiasm of volunteers to succeed in this enormous task. We will have one of the largest volunteer teams at the Olympic and Paralympic Games with more than one hundred people working at the SISC, and nearly ten thousand across the whole of the Olympic Games.

The function that these volunteers will perform will range from managing pedestrian flows, ticket taking, ushering and spectator marshalling to provide information through information booths. They will also be responsible for maintaining all of the accreditation zones at the venue through access monitoring.

Spectator Services will be the people who will be standing at the operations gates, directing athletes and officials to the right places back of house and will be the people to approach for information about transport, break areas and location of other operational area within the venue. You will also see them in the stands directing the crowd and controlling excessive noise.

Volunteer Games time training

Volunteers will be required to attend training to ensure they have the necessary skills and information to handle their roles effectively. Depending on the role, training will consist of a minimum of three half day sessions. Volunteers will be prepared for their role through the following three part training courses.

ORIENTATION TRAINING - covers the spirit of the Olympic and Paralympic Games, customer service, codes of conduct and expectations of volunteers.

VENUE TRAINING - covers the layout, functions performed and policies and procedures including health, safety and emergency procedures for the venue. This occurs just prior to the commencement of competition.

JOB-SPECIFIC TRAINING - covers specific duties and procedures for each role. This will occur both prior to and during the Games. Training will be conducted in the interstate cities of Melbourne, Adelaide, Brisbane and Canberra. More information will follow as soon as Games time roles have been announced.

PARALYMPIC NEWS...

ISCD Report...

The Oceania Shooting Championships was the last Qualifying competition for the October 2000 Paralympic Games. 40 countries will shortly be invited by the International Shooting Committee for the Disabled to send 150 athletes to the Paralympic Games in October 2000.

October 18 this year was the one year countdown to the Opening Ceremony of the Sydney 2000 Paralympic Games.

The Seven Network has announced that it will be the official Australian Broadcaster of the Sydney 2000 Paralympic Games. Seven will broadcast 13 hours of the Games on free-to-air television as well as another 13 hours on its pay TV channel, C7. This marks the first time the Paralympic Games have been on free to air commercial television. ABC had the domestic rights for the last two Paralympic Games.

Paralympic tickets went on sale October 18, 1999. For more information check out our website:<http://www.sydney.paralympic.org>

Did you know...

Australia will be the fourth country to host a Paralympic Torch Relay, just as Australia was the fourth country to host a Torch Relay for the Olympic Games at the 1956 Melbourne Olympic Games. The Paralympic Flame will be created in a traditional fire lighting ceremony at the forecourt of Parliament House, Canberra by members of the Ngunnawal community, the original inhabitants of the Canberra area.

Paralympic Volunteers

If you would like to volunteer for the Paralympics and have not yet expressed interest to do so, please contact Gina Di Lullo (02) 92973765 as soon as possible.

The language at SOCOG...

What does it mean.....

Being involved with SOCOG, you will often hear different words, phrases and terms being used to describe varying facets that make up the Olympic competition. Acronyms, codes and phrases are used generically for all sports within SOCOG and have become common language. To help you gain an understanding and to assist in the pre training for all Test Event and Games Time Staff here are just a few particular to us to get started.

Acronym & Meaning

SOCOG	Sydney Organising Committee for the Olympic Games.
SPOC	Sydney Paralympic Organising Committee.
ISSF	International Shooting Sport Federation - the governing organisation and control for the Olympic sport of shooting.
ISCD	International Shooting Committee for the Disabled - the governing organisation and control for the Paralympic sport of shooting.
SISC	Sydney International Shooting Centre - the official Olympic Games and Paralympic Game's venue.

BoH

Back of House - the areas within a venue that are not accessible to spectators, where all operational and "behind the scenes" activities occur, including competition offices, Olympic Family lounges, athletes, officials and staff designated areas.

In brief...

More events for women

Sydney 2000 Olympic Games is bigger than Atlanta and any previous Olympic Games in terms of more women's events and number of days of competition.

There are 118 women's events in the Sydney 2000 Olympic Games compared to 97 in Atlanta, this is an increase of 21 events for women including the Sydney 2000 event of Women's Skeet and Trap events.

Women now compete in all but three sports on the Olympic program - boxing, baseball and wrestling - but at the same time exclusively compete in softball, and the disciplines of rhythmic gymnastics and synchronised swimming.

How can I book travel to and accommodation in Sydney for the Olympic Games?

SOCOG recommends that you do not book travel and accommodation until you receive confirmation that you have secured tickets. However, Ansett has an Olympic Hotline 131355. Ansett will take registrations of interest and booking requirement details and will get back to callers within one week with a special Olympic Booking reference number.
