# National President's Notes

John H Byrnes

It is with great pleasure that I take up the role of President for the Australian Clay Target Association. I look forward to representing and meeting as many shooters as I can around the traps.

As President I will strive to: -

- Work for the well being of the Clay Target shooters across Australia.
- Support the executive committee to work as a team for the benefit of the sport.
- Improve communication amongst all sections of the sport.
- Encourage a greater participation by the members.
- Promote the successes of our sport.

## GLENN WOODHATCH

I am sure you would join with me in thanking Mr Glenn Woodhatch for all his work as President for the last 8 years. Many significant changes have occurred in this time, the most notable being the building of our own office at Wagga and the establishment of the National Shooting Ground.

Glenn will, I imagine enjoy his shooting and time to do some of the things that he has wanted to do for years. Thank you Glenn for your efforts.

## A.C.T.A. SUB COMMITTEES

The ACTA operates several sub committees to effectively focus on important aspects of our work as an association. At the recent executive meeting new Chairpersons were elected to some of these bodies.

The Chairpersons for 2000 - 2001 are:

Finance Mr W Jones  
Shooting Mr G Michell  
Rules Mr M McInnes  
Promotion & Development Mr M Bulluss  
Coaching Mr G Cassells  
National Championships Mr R Traill  
Wagga Complex Mr J Byrnes

If as a member you have an issue relating to any of these committees, please contact the Chairpersons and discuss it with them.

I would like to thank those members of the executive who have

taken up the role of Chairpersons. A full list of Committee members is printed in this edition of the journal.

## New Executive Member

We welcome Mr John Holder who has taken up the vacant position as SA executive member. John has shot for approx. 30 years and has competed overseas on several occasions. I am sure his vast experience will be a very useful addition to our executive committee.

## LIFE MEMBERSHIP

### MR GLENN WOODHATCH & MR ROSS SILVESTER

At the recent Executive Meeting 2 of our members were honoured with the awarding of life membership to the ACTA. To Glenn & Ross thank you for your many years of service to the association. Congratulations on behalf of all members.

## OLYMPIC TEAM

As you read this column our Olympic team will be in the final stages of preparation for the games. I would like to add my congratulations to each member of the team. You have succeeded in the elimination and survived the protests lodged re selection. It is now time to work for the day and we hope you thoroughly enjoy the experience of representing all of Australia's clay target shooters at the Olympic Games. If we are able to win medals, it will be a wonderful bonus for our sport once again. Good luck & good shooting.

## OVERSEAS TEAMS

At the recent meeting it was recommended that we work towards increasing the opportunities for DTL, Skeet & Juniors to travel overseas in Australian teams. As a result a team of 4 boys and 2 girls chosen from the junior development camps will go to the Grand American tournament this year with Mr W Iles as coach.

At the Skeet Nationals in November we will also select a team who will go to the World Skeet Championships in San Antonio in 2001.

At the DTL Nationals in 2001 we will be selecting the team to attend the World Trap Championships in New Zealand in early 2002. More information will be published in the near future about our various teams and selection criteria.

# Top Scores at Dubbo Golden Fox & W.Z. Trap Carnival

After a week of cold and bitter conditions, the weatherman smiled kindly upon Dubbo's Annual Golden Fox Two-Day Open, which this year incorporated the Western Zone NSWCTA Trap Championships.

Saturday dawned fine & clear to greet 84 shooters from every Zone in the State, who commenced the competition with 10T points Score C/D. The quality of the targets and promising good scoring rates for the weekend then became evident with over half the field in every grade breaking all targets.

Dubbo's Countrywide Industries sponsored the 25T D/B Zone Championship, which resulted in 35 possibles in all grades. Fol-

won AA Grade with 62/63. Second place went to Gary Rootes 53/54; Charlie Strike (Lightning Ridge) won A Grade with 28/29 from Illawarra's Rod Haug on 25/26. Michael Bajada (Cecil Park) took home the B Grade trophy with 25/27 with second place going to Steve Thompson (Broken Hill) 24/27. Alan McMahon (L.Ridge) won C Grade with 22/25 from Lady Shooter and Broken Hill visitor Marcelle Garnaut 20/25.

The final event for day one was the Zone Medley Championship of 10T D/B, 10T S/B & 10T P/S from 18m. Arthur Turner led the field with 120/120 to take the overall trophy followed by Ian Merrick first in AA Grade with 119/120 and Gary Rootes 84/85. A Grade went to Junior Luke Roberts from Coleambally with 84/85 with Brian Greenaway (Dubbo) second on 49/50. Daryl Duguid (The Forest) collected his trophy with 49/50 to take first in B Grade and after a shoot off, Luke Kenyon having a great day won second place with 66/75 after being regraded upwards. Marcelle Garnaut won first place in C Grade with 38/50 from Alan McMahon 37/50.

**Grade High Gun winners, left to right Dubbo Gun Club WZ Championships, AA grade Glen Castellaro, A grade Arthur Vine, Overall Ian Merrick, B grade Bob Lisle and C grade Luke Kenyon.**

lowing a lengthy shoot off, National Champion Glen Castellaro (Griffith) took the Overall with 240/240 from Gary Rootes (Cecil Park) 239/240. Bob Lisle from Lightning Ridge collected the B Grade trophy with 44/48 from regular Echuca visitor, Ken McPherson who scored 41/42. Ross Newbigging (Narromine) won C Grade with 32/33 from relatively new Dubbo shooter and also doing well, Luke Kenyon on 24/25.

Glen Castellaro continued his winning form to collect the Overall in Robertson's Tyre Service, Dubbo Western Zone Single Barrel Championship with 63/63 from Clive Foster (West Wyalong) who

Sunday morning started overcast and cold, but with no wind and the weather cleared as the day progressed. Again, the high standard was maintained with fifty competitors breaking all the targets in the 10T Points Score E/O C/D.

Dubbo Tool Center's 25T P/S Zone Championship saw Cessnock member Tony Schafer take the lead to win Overall with 96/96 from well known Cobar identity and AA Graded Pud Burgess on 93/96. Second place in AA grade went to Tony Arvanitakis (Sydney) with 89/90. The handicapper will be watching Arthur Vine (Tamworth) closely as his name appears more frequently in the winners' lists. Ian Bjorksten (Narromine) scored well in B Grade with 87/90 to win from Ross Hill (Dubbo) on 84/90. Ross Newbigging collected his second trophy for the weekend in C Grade with 65/70 and Marcelle Garnaut also picked up another trophy on 63/75.

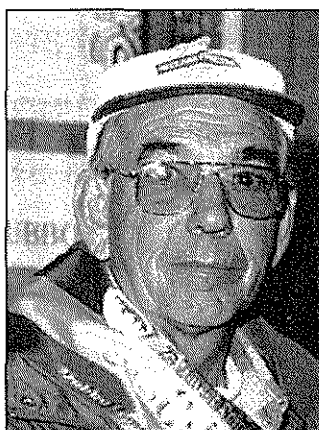

The twenty-five target Double Barrel Zone Handicap challenge resulted in possibles from Ben Squire, Clayton McLaughlan, Clare Kesby, Roger Squire, Tony Norris, Paul Farrugia, Luke Roberts, Gary Rootes, Ken McPherson, Tony Schafer, Arthur Turner, Ian Merrick, Dave Miller and Scot Sciberras. Dave Miller was placed second with 92/93, Tony Schafer third 91/92, Arthur Turner fourth 58/59; Roger Squire fifth 54/55 and sixth place went to Ben Squire 49/50.

The final item for the weekend was the Frank Cross Tyres Dubbo Double Rise Zone Championship of fifteen pairs with overall winner being Junior Clint Shields from Coleambally with an excellent score of 39/40 after shooting off with Bryan Manns from Cobar following a tie in the event.

Bryan led AA Grade with 38/40 with Arthur Turner 48/50 in second place. Another Coleambally member Glen Evans won A Grade with 28/30 from Arthur Vine 27/30. Michael Bajada collected another first in B Grade with 34/40 and Clare Kesby from Brewarrina taking second place with 32/40. C graders Alan McMahon and Dubbo's Tony McNaught tied for second both with 21/30.

At presentation, Club president Errol Tucker paid tribute to Judy Fitzalan who capably led the catering team of wonderful ladies running the kitchen and bar, Ross Tinghe and apprentice chef and Junior Matt Freeth who tended the BBQ and The First Dubbo Venturers who manned the traps. Secretary of neighbouring club Mendooran, Ron Naef passed up the opportunity to compete and worked tirelessly in the office, as did Cheryl McLaughlan from Narromine who kept the scoreboard up to date.

Without the support of these people, all the attending shooters and all our sponsors which included Hilton Warman Hardware Dubbo, Carrington Firearms Dubbo, Peter Kay Gunsmith Dubbo, Mac Irrigation Dubbo, Olympyc Targets and John Kent and Stewart Gillman Internationale Pty Ltd, the weekend would not have been the success it was.

Sissy Thompson from Broken Hill won the Ladies H/G 243/290, Clint Shields took home the Junior H/G with 278/290, Kevin Heywood after being persuaded he is now (but only just) a Veteran won the H/G award with 274/290. C Grade H/G went to Luke Kenyon 256/290, B Grade H/G winner was Bob Lisle with 261/290 and Arthur Vine is one to watch earning the A Grade H/G 279/290. Ian Merrick, Glen Castellaro and Gary Rootes were all even on 283/290 and after the shoot-off, Glen was awarded the AA Grade H/G with 418/431 only one point behind Overall H/G winner Ian Merrick 419/430.

The Five Man Zone Shoulder to Shoulder Team consists of Ian Merrick, Rob Thompson, Pud Burgess, Charlie Strike and Ian Piddington. The remainder of the team and reserves includes Bryan Manns, Mike Heywood, Arthur Turner, Errol Tucker, Ray Jenkins, Dave Miller, Bob Machul, Rob Brodin, Kevin Heywood, Peter Fitzalan, Rick Fitzalan, Ian Bjorksten, Wade Hawkins, John Hayes and Peter Kenyon.

The President and Committee hopes that all our members and visitors enjoyed the weekend and looks forward to seeing you all again at the "Fox 2001".

# Maryborough Tib Bits QLD [www.mctc.org.au](http://www.mctc.org.au)

I feel like the phantom reporter I am not seen at shoots, but get all the news thanks Kaye, Max, Wal & Holly and second in charge Harry.

Well I had my angiography 29-5-00 and found a couple of skinny arteries. You wouldn't think they could cause so much trouble. Worst luck they are too thin for angioplasty so I have to go for surgery at a date to be fixed. It is a bit like waiting for a shoot, the difference is you are the target not the shooter. When you finish your angiography, they apply continuous pressure to your groin to close off where they put in the dye. After four hours on your back, they get you to walk around a bit, keeping pressure on your groin. So you see these blokes walking around holding their groin. I said to the sister everybody up in Hervey Bay must have had an angiography as they are all walking like that up there. I made a mistake and told the surgeon I was from Hervey Bay and as Hervey Bay is the round about city of Australia, having a round about on every crossing, he said he would give me a round about instead of a bypass.

When I was admitted to my ward, there was this old fellow sitting up in bed and with oxygen pipes in his nose, wires coming from a big machine going beep, beep, beep, looked a bit, and sounded a bit like a poker machine. He had a plastic tube going to a bottle on the floor, must have been valuable stuff as they used to measure it and make him drink more water. He had one of those beds that changed positions by a control and he said to me, my bed is changing all the time, it is up and down. So I went over and found he was lying on his control. So I laid down to have a rest when the old fellows visitors came, it was more like a CWA Ladies Guild meeting you know when you get a lot of people and they are all taking at once.

I heard one lady say to the other, my husband is a big angel, and the other one said, your lucky, mine is still alive.

Another one said, my Bill is running around with another woman and it all makes me sick. I am upset and I am so sick I can't sleep, can't eat, and I am losing weight. It is just falling off me. One of the other women said, why don't you get rid of him, tell him to go? So the first lady said, I will tell him to go, as soon as I get down to eight stone, I will give him the flick.

## 28-5-00 MARYBOROUGH

Jim Kinghorn Memorial: Thanks to visitors to our shoot - Phil Groves (Sunshine Coast), Glenn Durre (Gympie), A Thorpe, Col Gurski (Kingaroy), Gino Sergiacomi, Brian Fourro, Spencer Plath, Jan & John Butters (Bundy), Vic Hyde (Rockhampton), Frank Robinson (Central Burnett), Vic Sartore (Deniliquin). Thanks for coming, sorry I missed our visitors, as I like to get Christian names and like to meet distant and local visitors.

Lucky Tony McRae drew the jackpot, but being a good bloke let it grow for some one else, better luck next time Tony. Tony did pick up the bottle of scotch on the Quicky Board and Guilio Sartore won the meat tray raffle. Thanks Holly.

Event 1: 25T D/B CD: AA Grade Neil Berry, A Grade Ron Sorati, B Grade Guilio Sartore, C Grade Spencer Plath. Event 2: 50T Pts: This event is also our Trans-Tasman event with Wairau Firth Gun Club, and the news is the trophy is on its way back.

## 2-6-00

Phone call from Prince Charles and the bypass is 19th June, at least we can plan, so rap this up when I receive news from Max,

Kaye & Wal. By the way, don't tell everybody, as I don't want everyone to know.

Its World War Two and the sergeant said to his new men, tonight on patrol I would like you to capture a few enemy blokes. I will give any man who brings some back, five bob each. So in the early hours of the morning, the troop return and they have a half a dozen blokes, so the Serg pays them up and says: you only brought in privates this morning, we want some NCO's so we can get some information. So tonight, we get some NCO's. Right!

So out they go and the Serg said, the Aussies are on our right, so keep clear of them. So the next morning just on day light the pommy sergeant said how did you go. If you have NCO's I will pay ten bob a head. So the squad leader said, well Serg we have four colonels, twenty captains, four brigadiers, and two generals.

The sergeant said well done boys, well done, how did you get so many. So the patrol leader said, easy Serg, we got off course and run into those Aussies, and they have them over there, a quid a dozen.

## 30-5-00 THE DAY THE BIBLE ARRIVED.

In the Nationals, I see Bill Francis who I don't know, but his two mates Barry Nasser and Bill Stevens, I do know. Congratulations in the vet's team, and Adam Healey (Gladstone) winning the Perazzi MX5. Good shooting Adam.

Also in the Sunshine Coast, I see Robyn Newsham joined the club and took all C Grade events D/B SS, SB, D/R & CGHG. But I think Pygmy must have made a mistake with Robins scores in SB - only 6/25. In our Club we give 10 Pts for beauty. Welcome to shooting Robin, welcome at Maryborough as you shot with us before joining. So will see you up here again. Where were you Dick, I suppose you would be upset leaving your card at Kingaroy.

## 4-6-00 KINGAROY (PATRONS DAY).

Thanks Max for the results. Welcome to visitors Lindsay Watts from Darr River Club and Bill Allan Dalby Club. Well the old tiger Graham Bickerton got his teeth into this event and after 102/102 shook off Gary Schneider, Gary Brown, Bill Allen & Col Gurski to take A Grade, with Neale Tessman B Grade & Dave Kuchtin C Grade all possibles. Event 2: Pts. It was still Graham Bickerton A Grade, Lindsay Watts B Grade and Dave Kuchtin C Grade. Event 3: Cont: Buy this time the tiger was having a rest and Gary Brown outshot Bill Allen & Peter McDonald to take A Grade with Dick Rackemann B Grade and C Grade once again Dave Kuchtin. Good shooting Dave (where were you chippis). Kingaroy Shoot 6th August DB, Cont. D/R. Noms \$20. Nothing would be cheaper and I don't know who got the Patron. Thanks again Max.

## 4-6-00 BUNDABERG.

Visitors I know of Darrel King, Trevor Cecil, Neil Berry and Harry Walker who wished he had stayed home, as he got in infection in his foot and was like a football. So off to the doctor Monday. Also Ken Vicary, Gary Darlington & Frank Robinson of Central Burnett and unknown to me J Dohnt. Welcome to all. Thanks for coming. In Skeet Brian Fourro too good and took, off gun and Championship, Overall and B Grade with Kaye Rehbein C Grade in both events in Trap. In AA Grade Paul Rehbein Med, CD & DB. Stafford Smith MED, CD, R Dale (sorry another unknown to me) MED, CD. Rob Rehbein DB (Shooting 100 with son Paul to decide the shots out value the prize and call it square). Also graded H/Cap & DR Championship and OAHG. In A Grade Gary Darlington MED, CD & GHG. Frank Robinson DB & Young Ken Vickary DR (well he was young when I met him 34 years ago). In B Grade Kaye Rehbein MED CD, the visitor J Dohnt took DB, GHG & DR. Good shooting and in C Grade Spencer Plath MED, CD, Janice Butter DB, Adam Gardiner GHG and Malcolm Dawson DR.

Bundaberg shoot August 6th DB, 50 DB C/Ship & Cont. Thanks Kaye for results. I didn't mention R Dale in the visitors, but was in the results, so welcome.

I suppose a doctor joke would be fitting. There was this fellow who had a operation on his hands. So he said to the doctor, will I be

able to play the piano after this doc, and the doctor said - I am a doctor not a music teacher.

Just looking at the bible & see Gympie results at end, Harry Walker took CGHG, but in results is H Imaiker. I wish people would tell me when they change their names. That right Wal!

While waiting Gympie results Annual shoots in area Gold Coast 19th & 20th Aug. Dalby 26 & 27th August. I think the memory I will always have of Dalby was arriving at the Grounds with Sel Horn before the locals and they had a lot of rain the night before and their trap houses were steel, and they were floating out of the ground. It is funny now, but wasn't funny that day. Don't forget Toogoolawah 27th Aug, Brisbane 12th & 13th Aug.

In the near future, we are going to run out of Double UU's - Dots - Coms - Slashes - Au's etc, as we are using so many on the web. So to the young fellows, put some in the tinshed and when a shortage comes you will make a million.

#### 11-6-00 GYMPIE

Well you don't have to shoot to win prizes as Harry dropped in on his way back and as he had won a chicken tray, and fruit tray, plus ammo we landed chicken and most of the fruit tray. Thanks Harry, but no ammo.

With Wal over seeing his Uncle Sam in the USA, it was Tony Clark doing the honours, thanks Tony. Visitors Harry Walker (Maryborough), Frank Robinson (Gayndah), Phill Groves, Craig Morris and Brett Brown with a brand new Browning all from Sunshine Coast.

I don't know how you are going to tell Wal that a trap blew up, just let him read it in MTB.

An AA Grade Phil Groves took all DB, Pts, Cont., D/R & AAGHG. A Grade Brett Brown took DB, Pts & OA & A Grade High Gun (that new gun must be a beauty Brett). Brian Goddard Cont. & Frank Robinson DR. In B Grade Dennis Carew DB Cont., while Lex Stolberg took Pts DR & BGHG. C Grade Tony Clark Pts & Cont. Harry Walker DB, DR & CGHG.

Thanks for the news Tony. Gympie shoot 13th August DB, SB, Pts & HCP.

Have a good holiday Wal. Bring back a trap.

As I won't be able to wait for Maryborough shoot, we shoot August 27th DB CD, Pts, SB & DR.

Good luck with the flame Ted.

Good shooting to all, till next time.

*See you at the shoots  
Lost Bird.*

## Sunshine Coast Clay Target Club

On the 18th June, the Sunshine Coast Clay Target Club (SCCTC) held their monthly Shoot. 30 keen shooters participated in very good shooting conditions with no wind to speak of, but there was the occasional rain shower. We had one shooter from Shepparton, in Victoria, plus the usual contingents from Gympie and Caboolture.

Event 1 (25 targets double barrel continental sweepstakes) saw 3 possibles registered, one each of the top three grades. Robyn Newsham, our new ladies shooter, also recorded an excellent 24/25 in this event.

Event 2 (50 targets double barrel championship) saw some of the best shooting seen at the club in many a long year. Three possibles were recorded in this event, thus requiring a shoot off. Karl Nasarenko (Caboolture) dropped out early to leave SCCTC club stalwarts Wes Humphreys and Quinto Porfiri to fight out for the club double barrel championship. After breaking a couple of times to reload, Quinto emerged as the new club double barrel champion with a break of 134/134.

In event 3 (25 targets handicap), resulted in 5 shooters shooting 24/25. From the ensuing shoot off, Allan Mills returned victorious from junior shooter, Liam Murray. The shoot off required 14 targets to decide the winner. Allan is no longer an 11 metre shooter after his win. Third was won by Pygmy McAndrew who last only four targets into the shoot off.

Event 4 (15 pair double rise) broke the heart of a couple shooters leading in their respective high guns. Wes and Quinto were neck and neck through the event, as this would decide the high gun. Wes won the event as well as the Overall high gun. The competition for the winner in A grade was hotly contested between the Brown's. Some excellent shooting ensued with Brett Brown being defeated by Greg Browne. These two shooters then joined Don Portors back on the walks to decide the A Grade high gun. After a short shoot off, Brett Brown walked away with the win.

# Rockhampton Clay Target Club Annual Shoot

The Annual Shoot was held over the 10th and the 11th June. The first day was notable since it was the first time in quite a few years that the sun did not shine on us. Shooters competed in chilly and wet conditions and most were well wrapped up against the weather. On Sunday, it was clear and the sun made an appearance.

In all, 76 Trap shooters from all over Central Queensland, and a few others, turned up to compete over six events. The following were the winners over the weekend:

Event 1: 25T Cash Divide: AA Grade - R Rehbein 25/25; A Grade - A Powell & C Grimshaw 25/25; B Grade - G Chapman 24/25; C Grade - S Waugh 25/25. There are usually more names on the board in this event, but the falling rain made it difficult for many.

Event 2: 50T DB Capricornia Championship: Overall Winner - R McPherson 78/78; AA Grade 1st - A Grimshaw 77/78, 2nd - M Warnock 51/52; A Grade 1st - G Whitfield 50/50, 2nd - A Comino 63/64; B Grade 1st - S Cunial 48/50, 2nd - K Perrett 47/50; C Grade 1st - A Allenby 42/45, 2nd - R Clive 43/47.

Congratulations to the various raffle winners and to Andre Badawi who won the Nominations Returned Raffle. Thanks to all who helped in any way and we in the Beef Capital look forward to seeing you next year for the 2001 Annual Shoot - if not sooner.

# BRISBANE GUN CLUB

## Two Day Skeet Shoot — 3rd and 4th June 2000

The club's two-day skeet shoot was held at the Brisbane Gun Club grounds at Belmont in glorious weather. For the two days we had cloudless blue skies and this must surely have helped to produce what was a very enjoyable shoot with some very impressive scores.

The programme for the weekend included four 50-target events. Day one the club trophy championship event followed by the Olympic Target handicap money event. The second event also carried the Winchester three-man team trophy.

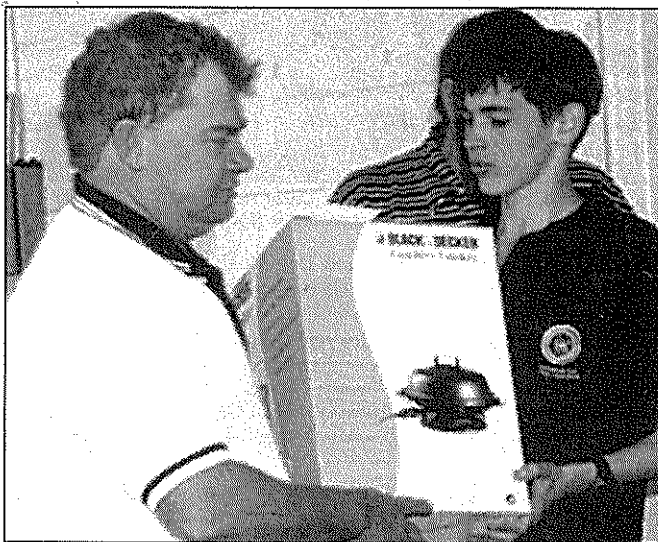

37 shooters nominated for the events including visitors from Cecil Park, Gold Coast, Sunshine Coast and Toowoomba.

Event One produced some excellent scores with Dave Dundon con-

tinuing his form from New Zealand by registering 50 along with Ray Porter. After the shoot off Dave collected the overall prize with a 55/55. Ray took out AA Grade with 54/55 and Guy Beddington (Toowoomba) took second with 74/75. Other results were, A Grade: George Petrov (Cecil Park) 1st with 57/59 and Kel Madsen (Brisbane) 2nd with 56/59; B Grade, Rowan Kilmartin

George Scaf from Gold Coast Shooters Supplies presents Dave Dundon with his open High Gun trophy.

Vice president Ray Porter presents Junior High Gun trophy to Michael Kilmartin.

Event Two produced some more red spots on the score board with both Dave Dundon and Guy Beddington registering 50's. After the shoot off for the Money event Dave Dundon took out first (112/112), Kwan Lien 2nd (105/112), Alan Carne 3rd (101/108) and Bob Whinstanley 4th (44/55). All place getters were from Brisbane Gun Club.

### NSW ISSF Grand Prix

Please Note - the 2000 Grand Prix Series Final will now be conducted at NSWGC on 14th October not as previously advertised on 7th October.

### Championship Results

The 2000 Commonwealth DB Continental C'ship was contested at Taree Wingham CTC and won by Nathan McDonnell with a score of 52/53. Congratulations Nathan.

The 2000 State Night SB Championship was won this year at Cowra Gun Club by Paul Lyons, with a score of 57/61. Well done Paul.

The Winchester Team event was shot off between two teams, with Carol Tipler's team of herself with Pat Plumridge and John Tipler taking the spoils on station three from Col Wheatley, Bob Robinson and Bob Winstanley. We might mention here that Carol (formerly Carol Ogden) married John Tipler last May and thereby gained Queensland citizenship.

Day three dawned bright and beautiful with 34 shooters nominating for the Stevens and Sons Trophy event and the Valley Cut Price Cigarettes Trophy Event.

Once again the competition was tight with four shooters vying for overall winner: Dave Dundon, George Petrov, Ray Porter and Ross Tipler all of whom sported red spots on the score board. George dropped a target on station three followed by Ross on station six. Dave and Ray completed the first round and commenced the second round when Ray dropped low two in the doubles. To this stage of the weekend Dave had not dropped a target.

The end result of all this was: Dave overall winner with 83/83; AA Grade - Ray 1st (82/83), Ross 2nd (65/66); A grade, George Petrov 1st (58/59) and Kel Madsen 2nd (49/50); B Grade, Rowan Kilmartin (T'wba) 1st (47/50) and Alan Carne 2nd (43/50) while Pat Plumridge (52/59) took 1st in C grade from John Tipler on 51/59.

Event Four produced a very good effort from Toowoomba B grade shooter Rowan Kilmartin who registered a big red 50 on the board along side his fellow Toowoomba shooter Max Barton. Not only did he put in a 50, he went on to win overall with an 82/82 from Max (81/82). Well done Rowan.

The final score board for this event showed Rowan as overall winner (82/82) with Max 1st (81/82) in AA grade and George Scaf 2nd (57/58); George Petrov 1st (49/50) in A grade with Carol Tipler 2nd (47/50); Bob Whinstanley 1st (50/54) in B grade with Mark Kempnick 2nd (46/51) and Michael Kilmartin (Toowoomba) 1st (48/54) in C grade with Bob Dupuy (47/54) 2nd.

At the end of all of this the statistics showed that Dave Dundon took out overall high gun. Veterans went to Col Wheatley, Ladies to Carol Tipler, and Junior High Gun to Michael Kilmartin. Dave shot 199/200 for his high gun and also shot a 265 break during the weekend.

Others to shoot 100 plus were Max Barton, Ray Porter and Rowan Kilmartin. Congratulations go especially to Rowan for his first 100 plus break and to Dave for a very impressive break. (Whose favourite target is high four?)

The whole shoot went very smoothly because of the efforts of a number of people. Suzanne Porter and Adele Chapman and Adele's daughter worked in the kitchen. Adele came down from Sunshine Coast to help on the Saturday even though husband Barry could not make the trip. It's this sort of gesture which will help our sport grow and prosper. Thank you to the Chapmans and thank you Suzanne for everything. Also to Mrs Whinstanley for providing cakes for those who are not on diets (like your scribe and his spouse who are getting ready for a trip to the US and UK where they are expecting hospitable tables).

Don McPate managed the office and the squadding in his uniquely Scottish style and helped the whole thing to run smoothly. At various stages Tony Kidman, Dave Dundon and Carol Tipler helped out. Thank you all.

Tony Houselander, Pat Plumridge, Alan Carne and Dave Dundon all helped at some stage with fixing, setting and loading the traps while Ross Tipler and various people prepared the layouts and grounds so that Brisbane Gun Club could be proud to welcome their guests.

A very big thank you to our sponsors - in alphabetical order - Gold Coast Shooters Supplies (George Scaf), Dan Moffitt of Valley Cut Price Cigarettes, Olympyc Targets, Stevens and Sons Firearms, Kevin Tunney and Winchester Australia (Bob Dupuy). Brisbane Gun Club appreciates the continuing support of their sponsors which allowed them to present an impressive trophy table.

A final thank you to the shooters, from Brisbane Gun Club, Cecil Park, Gold Coast, Sunshine Coast and Toowoomba for shooting in a great spirit and for making our two day skeet shoot a wonderful event in 2000.

Dear Sir,

I would like to write a few lines of encouragement to all our older shooters. Especially to those who say "I'm getting too old for this game I'll have to give up shooting."

At our tower shoot on the 20th May, one of our members, Phill Fergeus, who is 85 years of age, shot a 50 break and was only 1 target off 75.

This was a great achievement, congratulations Phill. Keep up the good shooting we are all proud of you.

## Shooting for a Cause

Many of us have been touched by tragedy - we allow time to heal all wounds yet leave a legacy that can be learned from.

Cancer is a tragedy and for every tragedy there is a legacy - Research. Life long commitment from some cause close to their heart.

In Clay Target Shooting we have that someone who has a cause in Alan Brown (Morwell Clay Target Club) with the unending support of Linda Ristevski (Clover Designs). Each year Morwell Clay Target Club hold an Anti-Cancer memorial shoot, this year it was May 20th. Alan sponsored the actual event and organised a raffle with all proceeds to the Anti-Cancer Council. Here Linda Ristevski steps in - her generosity and support extends to donation 1st prize - Tailor made shooting jacket, 2nd prize - Polo shirt, 3rd prize - Cap & towel. It has been decided to extend the selling of raffle tickets until August 19th - with tickets being sold in most states of Australia and New Zealand so far.

The Morwell Clay Target Club are looking forward to a successful shoot on the 19th August with Alan and Linda drawing the raffle and take this opportunity through the ACTA magazine to acknowledge and extend our heartfelt thanks to Linda and Alan for their courageous commitment to this worthy cause.

Clay Target Shooting is a great sport with everyone involved - men, women, veteran and juniors all shooting to win, all shooting for fun and now all shooting for a cause.

Yours in the sport,  
Carol Malone

# YAMBA CLAY TARGET CLUB

On the Saturday the 10th and Sunday the 11th of June Yamba Clay Target Club held its 26th Annual Queens Birthday Shoot. As for our Silver Anniversary shoot last year the event was well attended. Unfortunately the good weather of previous years deserted us with a vengeance. Saturday was cold, windy, overcast and dull with little to recommend it. Compared to Sunday it was good. Add in bouts of rain ranging from drizzle to torrential and the day could only be described as terrible.

A 25 Target Graded Cash Divide was used as an eye opener on Saturday morning for the 48 shooters in attendance. In all there were 20 possibles shot so the divvies were down a bit. One instance of note was the veterans veteran Ken Gibbon of Tyagarah coming off the track with a smile all over his face - he had just shot his first

*Ben Bloxome came down from the mountains of Glen Innes to be our Junior High Gun Winner and is being presented with his trophy by The Hon. Member for Page Ian Causley.*

possible in quite a while and was tickled pink. Congratulations Ken.

The second event on the programme was the Eastern States Pointscore Championship of 50 targets. Under trying conditions no shooter shot the possible, but six shot 149/150 including one who pulled a second barrel on the last target - enough said. Our own Rod Moody was the eventual Overall winner with 221/222 and well shot. First in AA Grade was Warwick's Dan Johnson with 293/295 outlasting Graham Wilson of Tamworth with 292/295. The A Grade winner and a regular visitor to this shoot was Neil Nugent of Lismore on 149/150 putting our president Matt Moloney into second. Another president, Peter McGuire of Grafton, won the B Grade trophy ahead of Cobar secretary Louise Machul with a score of 144/153. Our own secretary Helen Graney came second to Taree-Wingham's Bill Pine, another regular, who shot 141/150. This event also saw the start of a remarkable break that continued over the two days, more about that later.

The next event was the 25 Target Big River Graded Double Barrel and was won by one of the mountain men, Geoff Baxter of Guyra with a score of 156/156. By the time this event finished it was deemed too dark to hold the shoot off and it was shot the next day and was eventually decided on pointscore. Rod Moody was the AA Grade winner with 156/156 from Yamba's Gary Harrison. Neil

Nugent continued his good form on the day and took out A Grade beating Dorrigos Peter Smith with a score of 67/67. Mick Smith of Yamba, not of gun shop fame, took out B Grade with 33/33 while once again Louise Machul being the bridesmaid - although this will change. Ken Gibbon cracked it again when he won C Grade from our old fella Ray Colson with 24/25.

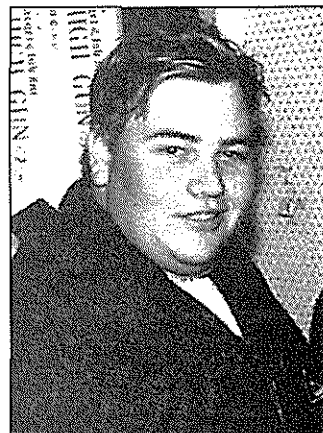

All in all Saturday was a good days shooting under poor conditions that we hoped would get better. Murphy was an optimist and Hughie was in a playful mood.

Sunday dawned cold, wet, windy and woeful to greet fifty five grown men and women and one junior who probably would have stayed at home if his dad would have let him. Doesn't say much for dad and all his mates does it?

Once again we started with a 25 Target Graded Double Barrel Cash Divide and again 20 shooters divvied up.

Event five was the 50 Target Eastern States Double Barrel Championship. Again by the time we had finished this event time was getting short and the shoot off was delayed until after the last event. By the time the shoot off started our newly installed lights were sorely needed, these were duly turned on and the night section of our shoot commenced. Geoff Baxter of Guyra won the overall with a score of 156/156 from young Ben Machul of Cobar. On the way to this score Geoff achieved a break of 359/359 in atrocious conditions, cold rain, wind and under lights. Our president Matt Moloney commented that the only thing he never had was sunlight, but then again coming from Guyra he probably thought it was a nice mild day. Ben Machul won the AA grade with a score of 109/109 from Rod Moody. Ben also won his 150 Break Badge during his shoot off with Geoff, he should remember it with pride, for he will shoot higher scores easily after Sunday.

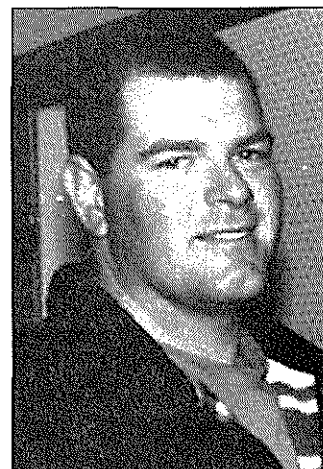

Another mountain man Les Kennedy from Inverell made his annual trek to Yamba and won the A Grade shooting 99/100 from Ernie Balogh of Lismore. Louise Machul became the bride in this event winning both B Grade and a 50 Break Badge for her efforts. Our treasurer Tony

**Eastern States Pointscore Champion and Overall High Gun, Rod Moody of Yamba**

**Rus Wesslink from Grafton took out the B grade High Gun but the 25/25 he shot in the single barrel was the high point for him over the weekend.**

White came second in grade with 64/66. Bill Pine once again took out C Grade from Ray Colson with a score of 48/50.

The sixth and final event was the 25 Target Palmers Island Single Barrel Championship with the overall winner being Geoff Baxter with 29/29 with Grafton B Grader Rus Wesslink providing the opposition. Once again this shoot off was held under lights in the rain, they must grow a lot of carrots up Guyra way. First in AA Grade was Ben Machul still going strong with 24/25 from John

**Geoff Baxter from Guyra. Geoff won three of the four championships on offer over the weekend and achieved a break of 359/359 for the best shooting seen here for some time.**

**The Old Man of the mountain Les Kennedy from Inverell came down and took home the Veterans High Gun with a well shot 287/300**

Farrell of Guyra. Jennine Gerrard of Warwick won the A Grade with a score of 25/25 from Les Kennedy. B Grade was won by the ambling ambo Rus Wesslink with a possible that he was very pleased about and with good reason. Runner up in B Grade was Brendon Colson of Yamba. C Grade winner was B. Jackson with 21/25 from Ray Colson.

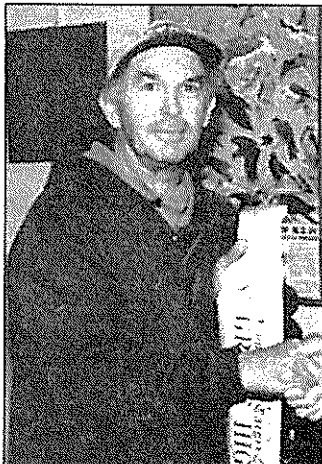

Once again the Hon. Member for Page Ian Causley volunteered his valuable time to make the presentation of awards and trophies. Because of the high quality of the shooting the presentations run rather late and to Mr. Causley and our visitors we extend our apologies. The club would also like to thank its office and kitchen volunteers, many of whom are not club members, for their time and invaluable effort.

Now to the High Guns over the weekend. The kid whose father kept him out in the cold and wet won the Junior High Gun with a score of 248/300. Congratulations to Ben Bloxsome of Glen Innes. Veterans High Gun went to Les Kennedy of Inverell who shot very well all weekend to score 287/300, bad luck Gator. Louise Machul of Cobar may have been the bridesmaid for a couple of events but she won the Ladies High Gun and kept all the presents, well shot Louise 283/300.

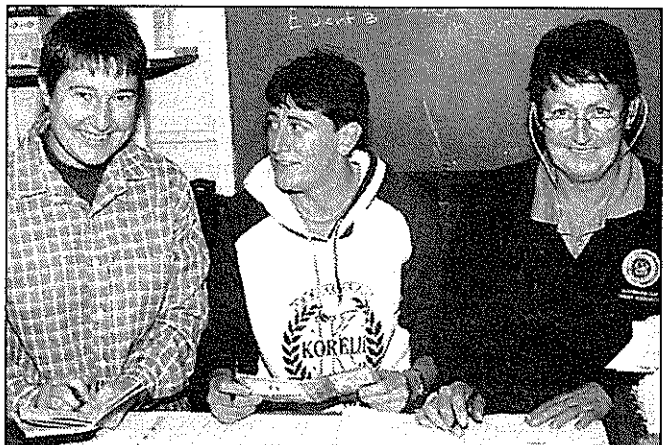

The C Grade High Gun went to Taree-Wingham's bill Pine with a score of 272/300. Our treasurer Tony White took home the B Grade Sash with a well-compiled 289/300. Neil Nugent took home the A Grade trophy as well as a new grade, he more than held his own against AA all weekend and scored 295/300. Dan Johnson from Warwick took out AA Grade with a score of 302/306. The Overall High Gun for the weekend was Yamba's Rod Moody with a magnificent score of 297/300. Congratulations Rod and all the other winners, our sincere thanks to all who attended under very trying circumstances and hope to see you all again next year.

**The Ladies High Gun was won by Louise Machul the secretary of the Cobar club who now with her family is a regular visitor and winner at the shoot.**

**A grade High Gun Neil Nugent from Lismore**

**The only time we saw all three smiling at the same time all weekend was for this photo. Our harassed office staff Pam Moloney, Kim Ekersley and Helen Graney.**

**George Eagles**  
22.7.1937 - 18.5.2000

It is with regret that the Horsham Gun Club informs you of the tragic passing of Noel George Eagles, who was accidentally shot while out duck shooting.

George was a down to earth character who loved the outdoor life and spent his time fishing and hunting. His weekends were taken up shooting clay targets. He commenced clay target shooting in March 1978 and the first event he competed in was a fifty target handicap, using an automatic. He missed his first target but then shot the next forty nine.

Our deepest sympathy to his wife Winnie and family.

## **Norm Jackson**

It is with much sadness that the Newcastle/Lake Macquarie Clay Target Club informs you of the passing of Norman Harold Jackson.

He passed away on May 15th 2000 aged 57 years.

Eleven members of the former Wyong Clay Target Club were among the very large number present at his funeral service.

Norm served on the Club's committee, and was Treasurer and club coach for many years, won many championships, including a Bronze Medal at the 1975 National Championships in Tasmania.

Our deepest sympathy is extended to Marlene and her family in their time of sadness.

## **A Tribute to the late Cliff Sinclair**

On 1st June, 2000, the death took place of well known Cowra Gun Club personality, cliff, or as he was better known, Mick Sinclair.

Cliff was a long time member of the club, and was made a Life Member in recognition of his wonderful contribution in so many ways over so many years. It has been family involvement; his wife Joyce has always been a great support on the catering side, and his son Glenn, of whom cliff was justly proud, is currently Club President.

Cliff was an excellent shot, and greatly enjoyed the camaraderie to be found on the tracks both at Cowra and other clubs. In recent years he has served both a Club Coach and Central Zone Coach, as well as cheerfully carrying out the duties involved in being Safety Awareness Officer.

He was renowned for his humour, and always had a joke to tell.

A funeral service was held at St Raphael's Church, Cowra on Tuesday 6th June. The large crowd in attendance, and the length of the Guard of Honour composed of his shooting friends from all points of the compass, was a measure of the regard in which he was held, both in his family and in the community.

*We'll miss you "Mick".*

## **Douglas George Goodwin**

**Born 20 Jan 1921 - Died 31 May 2000**

Doug Goodwin was a familiar face around the shooting scene for a long time frequenting both the SSAA ranges to shoot full bore with his mate Joe Allotta and also at his clay target club at Cecil Park.

Doug was project director for the club and was a prime mover in obtaining the new grounds for our use. He was also committed to working towards the Olympic Games that will be held here later this year, and his contribution both in time, ideas and energy was greatly appreciated by all.

During the 2nd World War Doug served in a commando unit and on discharge, went back into the building industry.

He will be missed around the shooting scene by his friends and associates for his frank manner and patience and his willingness to "pitch in" and help.

He is survived by his wife of 58 yrs Rae, and daughter Marge and grand children, to whom we offer our deepest sympathies.

# WHITSUNDAY CLAY TARGET CLUB INC.

Mays 100T GOLD SOVEREIGN event at the Whitsunday Clay Target Club was once again shot in extremely windy conditions, making it a real challenge to shoot a perfect score.

After the first round of 25, it was obvious there were going to be no possibles for the 100 Targets.

One shooter from Rockhampton summarised the situation up perfectly, but owing to censorship laws, I can't quote Whitty on it!!!

*Ian Lochran (president) with Rev Taylor (OA and AA winner.)*

*Ian lochlan and Aaron Hall (C grade winner).*

One good thing about shooting in these conditions is that the winner is always in doubt until the final round. Though it is difficult for me to fathom why the scores were so low, even allowing for the 30-40 knot wind as the targets were not jumping about too much.

I don't want to buy into the 'target or trap' argument but it was very noticeable in the pickups, the amount of clays with quite a few holes in them, and it was very hard to understand why they weren't broken.

Winner of Overall (donated by Blacks Real Estate) was Rev Taylor who also won AA Grade outright with a score of 93/100. Second in AA Grade was Leon Dodd after a shoot off with Rob Dunn.

A Grade was won outright by Bill Pavy 92/100 and 2nd T Coco after a shoot off with G Maltby. G Dalton and A Love vied for B Grade with 1st going to Geoff Dalton. C Grade didn't need a shoot off with Aaron Hall taking the honours and Buz DeThomasis coming second.

This award is presented to the most improved Junior who has shot at the Narromine Club on three previous meets. The Club thanks Peter George and Staff at Carrington Firearms for their interest in our Junior Members.

The events were varied on Saturday and Event No. 5 was a special test of marksmanship. The targets leave the trap-house together and on different planes at each release. Prizes were awarded to High Gun best scores in each grade. High Guns are scored over event 2,3,4 & 5. Winners will be dining in style. The Narromine Clay Target Club thank the Stockman for their interest and sponsorship.

On the 22nd July the club will host sponsors for the year and neighbouring clubs to their "Christmas in July" shoot. Every competitor will take home a prize. Visitors welcome to attend this and every month at our club.

## CUZZO'S RAMBLINGS AUGUST 2000

As some of you may be aware, I am currently writing a book on Skeet Shooting. Actually it's more of a technical manual than a book, as it does not contain any of my personal memoirs, but is solely focussed on how to shoot. Maybe that will change before it's finished. I started writing it back in 1993 while I was employed by NSSA in San Antonio as National Chief Instructor. Part of my duties there included starting up a standardised commercial coaching program, and accrediting instructors at various levels into that program. The eventual aim was to have at least one accredited instructor at every NSSA registered gun club in the world. In order to standardise a coaching program, you first have to devise a standardised method of shooting. I spent several months in the evolution of that concept, and eventually produced a series of course notes, from which to teach that method.

The book started out as an offshoot of those notes, and ended up as a much more comprehensive and detailed expansion of them, which covers the total range of areas relevant to Skeet Shooting. During that year I got the book just over half way through, but sadly have not been able to find the time since, to progress very much further with it. These days it resides permanently in my "to do" basket, and I tinker with it occasionally on rainy days. I must make a concerted effort in the near future to try to complete it. The book is divided up into 26 chapters, hence they are designated alphabetically rather than numerically. For want of a better name the book is currently titled "NSSA Skeet Shooting from A to Z".

The final chapter is titled "The Mental Aspects of Shooting" and it is from this area that I intend to elaborate this month. The reason for this is because during the private lessons I give and the shooting schools that I do, almost 50% of all the questions that are put to me relate to this critical facet of the sport. The Mental chapter itself, is divided up into six sections which are titled Concentration, Visualisation, Determination, Motivation, Familiarisation and Confidence. These sections in turn are broken up into numerous sub-sections. One of the sub-sections expanded upon in Motivation is simply titled Goals. I believe that the establishment and attainment of suitable goals is probably one of the most powerful tools available to competition oriented shooters, and for that reason I have decided to make it the focus of this month's article.

Let's back track to Motivation in general for just a minute. Motivation is one of the key weapons in the armoury of all great shooters. With adequate motivation, even mediocre shooters can sometimes put in extraordinary performances. Likewise, without suitable motivation, even the very best shooters will often achieve only mediocre performances. My first National Skeet Championship win is probably the best example I know of, to illustrate the first half of that point. Prior to the 1981 Nationals there were about half a dozen people in the top echelon of Skeet shooting in this country. That list included Ian Hale, John Summers, Graham Boyd, Ken Lowry and so on. However, the man who stood out over all of them at that time was an English gentleman who had relocated to New Zealand and was in the middle of an extended visit to Australia. One Lawrence "John" Woolley esquire, fondly known as "the long pom".

John's dominance of the sport at that time was so great that the day prior to the big event I negotiated a \$20 wager on him with Ray "Rocky" Melville. Ray was actually a very fine shooter in his own right and went on to win the National Skeet Championship the following year. Anyway the gist of the wager was that I backed Woolley at even money against the whole field, and although I didn't think it was "money for jam", I still thought it was a pretty good bet. And my confidence in John's ability was certainly borne out the next day when he shot what was the highest losing score ever recorded, at that time, to finish runner-up. During the seventh round of the event, when Ken Lowry, Bill Attwood and Steve Balough had all progressively fallen by the wayside, leaving

just the great man and myself remaining, I briefly balanced the \$20 against a Silver Australia Badge, but only very, very briefly. Needless to say, there was quite a deal of theatrical frivolity involved when I had to present Ray with the \$20 during presentations that evening.

The point of that story is the power of motivation. As I said, I firmly believed that "even money" was not all that far off the mark for John Woolley's chances, and was sure that five or six other people in the top echelon could have easily attracted single figure odds to start. Whereas, realistically speaking, you could have probably gotten money on me at 100 to 1. However, although I lacked the ability and the experience of all of the "big names" in the field, I was able to make up for that and overcome them with a "superhuman dose" of motivation.

Motivation is broken down into two forms. The first is that which is derived from positive stimulation, and the second is that which is negatively generated. An illustration of the former would be if I offered you a \$10,000 cash bonus for a win and an example of the latter would be if I threatened to bend your gun over your head if you lost. Now don't get me wrong, negatively derived motivation can be just as powerful as its counterpart, and fear in its various forms can be, and often is, the driving force behind great feats. Anger, bitterness and resentment can also be powerful motivators, as I know myself only too well. I used them to great effect in the mid eighties after I felt that I was "robbed" of not only the National Double Rise, but also of going down in history as being the first person ever to win that event with a perfect score.

Afterwards, a lot of people advised me to resort to litigation in order to try to get justice. However, I have always maintained that a court of law is not the place to decide sporting events, and as I drove out the gate on the last night, General Macarthur's famous quote echoed in my mind. "I shall return". The following year in Perth, even though I was shooting well, I was so pumped up I clean missed the first pair. The next year in Echuca, although I won the Pre-National Double Rise, my excess enthusiasm again thwarted me. So it was a much smarter and calmer shooter that walked out on a windy day the following year in Brisbane and absolutely drilled 49 to win the event outright by two targets. However, I do not recommend that you attempt to use anger or fear or any of the other negative stimulants as your primary motivation plan. You will find that it is far easier and much better to focus on deriving your motivation from more positive means. Of all of them, I firmly believe that setting and striving for goals is undoubtedly the best method available to you.

For best results your goals need to be moderated with realism and flexibility. Any goal that struggles with reality and/or is locked to an inflexible time frame, is a recipe for disaster and will probably cause you an amount of mental anguish and stress that far outweighs any benefit that you may derive from it. A good example of this would be a goal such as "I will win the National Championship this year". Unless you can walk on water, I would suggest that this was far too big an ask, and I would certainly pass if it was offered to me. Having said that, I need to add that any goal can be realistic if it is made flexible enough. If you are a B class shooter, and shooting is just one of several pastimes that you enjoy, then I do not see any room for a National Championship on your wish list. However, even if you are currently struggling in C class, provided you are dedicated enough, I would suggest that a goal such as "I will leave no stone unturned in my attempts to win the National Championship before I die" would be an excellent motivational tool to have in your repertoire.

Stockbrokers are always advising their clients to have a "balanced portfolio" and I believe that is also good advice for goal setting. That balance should be between relatively easy short-term goals and the more complicated long term ones. Good short-term goals are such things as raising your percentages in your handicap book or increasing your personal long run break. At the other end of the spectrum, good long-term goals would be winning a State High Gun and increasing the National Long Run Record.

When I first started to shoot clay targets I suffered from a total

lack of natural shooting ability and precious little skill with hand/eye co-ordination activities in general. Although initially this seemed to be a major disadvantage, in hindsight it probably was a blessing in disguise, because it forced me to learn to shoot technically correctly. However, although I didn't realise it at the time, or even understand the concept, I was able to offset this to some degree with a natural gift of enormous mental control. I had a tremendous ability to concentrate and focus right from day one, and visualisation came as naturally to me as breathing. I could always break a couple more targets in a competition than I could in practice, and I was totally confident that sheer determination to succeed would see me overcome all obstacles, and I derived more than ample motivation through a full spectrum of goals.

During my first round of Skeet ever, I broke 3 out of 25. Immediately I set a goal to break five and so on. I clearly remember struggling for months to break 13x25, and my elation when I finally achieved it, because I had actually hit more than I'd missed. Other early goals included trying to become the best Skeet shooter in my club and then the local area and then the whole State. However, right from very early on it was clearly obvious to me that the "be all and end all" of Skeet shooting in this country was becoming National Champion, and I got my heart firmly and totally set on achieving just that. I used to dream constantly about hanging that Royal Blue Sash on my wall and pinning that Silver Australia Badge on my jacket. And that was the problem that John and the others had on that fateful day in 1981. The desire to achieve my ultimate goal so-absolutely obsessed me, that it motivated me way beyond my ability.

However another lesson was about to be learnt. For quite some time after that, my shooting performances were very mediocre and I didn't know why. I still enjoyed it, but I just couldn't seem to win or even shoot very well any more. Several months later it suddenly occurred to me what the problem was. Lack of motivation caused by an absence of goals! Something I had never encountered before. That big carrot that had always dangled in front of me and guided me was gone and I had lost my way. Immediately that I perceived the problem I decided that not only would I fix it, but I would eliminate it once and for all. I would draw up a new list of goals that was virtually unattainable and would therefore last me for the rest of my life.

I looked through the winners list for the National Skeet Championship and found that only Ken Lowry was a multiple winner and that he had not two but three wins. Immediately I got my heart set on four. And I noticed that Ken had never successfully defended it, so I decided that two successive wins would also be required. I then checked on the State title winners and found that no one person had ever won in more than two different States. Never being one to do things in small measures, I decided that only a full set of all six states and both territories would suffice. George Biggs held the National Long Run Record at that time with 215. As no one appeared twice on that list, I decided that not only did I need the record, but also I needed to break it twice just to prove a point.

Then I decided the list needed some international flavour. I'd been attending the New Zealand Nationals for some time and knew that although one New Zealander had won the Australian Skeet Championship and that two Australians had won the New Zealand title, no one person had ever won both. That had to be a worthy addition to the list and just to make it interesting, I figured that holding them concurrently would also be required. And before leaving the land of the long white cloud, I looked at their National Long Run Record and decided that I wanted it too. There, that should do it. This was October of 1981 and that should stop me running out of motivation for the rest of my life.

And it worked too. Immediately, the old me returned. The following month I went to the Victorian Skeet Carnival where I won three of the five events. The next week, at the NSW Carnival, I won the State title and broke the state Long Run Record and never looked back. So what's the moral here? Well the bottom line is the absolute power of motivation through goals. Why? Because within six years I had wiped that slate clean and seriously considered retiring from competition shooting for the first time. However,

shortly after that, Wayne Mayes rang up one day and offered to help me take on the world, and the rest is history. But that's another story for another day.

This month's Shooting Trivia Question. If you listed all the overall winners at the Trap Nationals since 1936 in alphabetical order, who would be the last person on the list? Mail your answer to Shooting Trivia, P.O. Box 265, Bairnsdale 3875, to arrive by 25 August 2000. The first correct answer drawn shall receive a free entry to next year's National Double Barrel Championship. The correct answer to June's STQ was: The only person to have ever

won the Grand Australian Handicap more than once is Russell Mark, who won the event in 1993 and 1995. The first correct answer drawn was submitted by Michael Kruger-Davis from Naranderra in NSW, who wins a free entry to next year's Grand Australian Handicap. Congratulations Michael. If anyone has a good trivia question or an interesting subject for discussion in this column, please forward it to me at the above address.

## Anniversary Shoot 18th & 19th March, 2000

Friday's weather, 40 degrees C with hot northerly winds that felt as if they had been blown from a furnace. In these conditions I struggled to get the last minute shopping done for the club and my biggest fear was - just who would come to our shoot if this weather continued.....

I need not have worried for on arriving at the Club I found many friendly faces already there. Shooters from the Clubs of Mallala, Lower North, International, SAGC, Southern Barmera, Lake Albert, Millicent and Mount Gambier were there, all keen and eager to get on with the competition. 39 shooters in total. Thankfully a change in the weather had come in over night and conditions were fine and warm, with the temperature around 26 degrees C.

The first event for the weekend was a 10 target Double Barrel Cash Divide with 5 'possibles' being shot in AA grade, 7 in A grade, 2 in B grade and 1 in C grade.

Event 2, a 20 target Anniversary Handicap, sponsored by The Old Bush Inn was won by Trevor Shaddock (Barmera), who shot 37/37 from his 19 metre mark. John Higgins (Southern) came second and Leanne Smith (Lower North) took third place.

Event 3, Toso Investments Pty Ltd 25 target Single Barrel, was won by Dino Oliviero (International) with his perfect 25/25.

Event 4, the final event for the day was one sponsored by the Willunga Hotel and it was a 25 target Pointscore. Much to everyone's surprise and delight, one of our Club's most ardent workers (if some one is to go 'down the hole' it will be Pete), Pete Harris - C Grader won the event outright with a score of 74/75. "I was shooting for the Team" Peter said when he came, with his face beaming, into the office following the event. The event was held in conjunction with the Shell

Shield Team Shoot and Peter was in the Monarto No 1 Team and he had not only won the event outright but he had shot the best score over fellow Team shooters, all in higher Grades than Peter. Well done! It was a pity that we had lost the Shield to the Lower North Gun Club after Peters heroic effort. Lower North Team members were as follows: Ron Smith, Leanne Smith, John Byrnes, Sue Byrnes and John Ellis (a ring in from Mallala). They shot 116/125, targets counting.

A small band of us had a sausage on the barbecue, salad and some bread and butter for our tea and then some went home to bed whilst others camped on the Club grounds.

Up early on Sunday morning and whilst eating breakfast the phone rang. "Help", said the President, "we have got no power out here at the Club"! The panic buttons were being pressed. "That's why we keep a generator in the store room", Graham replied to the frantic caller, "set it up and we can at least use that trap until the power comes back on". A quick call to ETSA revealed a major power failure in the Brinkley, Murray Bridge, Monarto area and they were unable to estimate a time when it would be restored. By the time we got out to the club we found that 2 generators had been hooked up and the practice was well under way.

Some one in their wisdom, in the past, had seen fit to install some gas cylinders at the Club and although unable to use the pie warmer, electric urn etc, I was able to boil water in a large kettle on top of the gas stove for cups of tea and coffee, start to warm the pies/pasties etc in the oven, cook some sausages on the gas barbecue and generally keep everyone happy until the power was restored about two hours later. I am sure we were not the first Club to cope with a predicament and I am sure we will not be the last. In fact I never once heard one grizzle/complaint all day from any of the shooter who numbered 49 on this second day of competition, so I think we coped well under the circumstances.

The first event for Sunday was the 30 mixed target Clem Thomas Memorial Championship and this was won by Dennis Lynn (International) who shot the only possible of 50/50. Dennis was the proud recipient of the perpetual trophy on this prestigious event.

Event number 5 for the weekend, the Monarto-Alexandra 25 target Double Barrel Championship was won in fine style by Garth Parham (Lake Albert) who shot a 78/78.

The last event for the weekend was our event, the Graham & Ruth Michell 25 target Point Score Championship (shot in conjunction with the Michell Team Shoot - points to count). Once again, I am happy to say, Dino Oliviero (International) was the overall winner having shot another 74/75, but unhappy to add that the Team Shoot was lost to the International Gun Club. Team Members Dino Oliviero, Dennis Lynn, Frank Caltigirone, Kevin Polst and Brenton Deacon - their score being 349/375.

Presentation time followed and it was pleasing to see the Club house full of shooters for this important function. The following received their sashes/trophies for their efforts over the weekend:

Overall & A Grade High Gun - Rodney Schubert 266/275 (Southern)

AA Grade High Gun - Gavin Height 265/275 (Mount Gambier)

B Grade High Gun - Robert Maywald (Barmera)

C grade High Gun - Peter Harris 243/275 (Monarto)

Women's High Gun - Leanne Smith (Lower North)

Junior High Gun - Leanne Smith (Lower North)

Veterans High Gun - Kevin Polst (International)

Thanks once again to our sponsors, some old, Toso Investments (an event), Graham & Ruth Michell (an Event), Peter & Jackie Hendy (High Gun Sashes): some new, The Old Bush Inn (an event) and the Willunga Hotel (an event), for without their help we would be lost. Thanks to those who helped in any way over the weekend, refereeing, scoring, trapping, office and canteen helpers and to those who helped in the before the event work like mowing of the grounds, washing Club House windows etc etc etc., but most of all a big thank you to those shooters who came to our Club for the competition, making this weekend a great success. Last but not least, if that off ramp from the freeway to Monarto is not finished by next year I will get out there and finish it myself!

Happy shooting and I hope to see you next year.

*Ruth Michell.*

Well known Skeet shooter from Mount Isa cleaned up at Qld. Northern Zone Ball Trap C'ship - well done Mick.

Who was the Qld State Councilor who worked in the Office at the State Carnival - got on the road early for the 8 hr + drive home - but 1 hr down the track - remembered his wallet was still at the Glen Club. Not happy!!

Tamworth's Barton brothers better known for their ISSF Skeet abilities - both announced their engagements on the same weekend - not aware that the other was planning the same. Congratulations all round.

Some Try To

Some Have Tried

Some Will Try

Some Are Just Trying!!

Imagine this - well known Qld Councilor seen enjoying an evening meal round the camp fire, working out mind puzzles and drinking tea.

There are pictures to prove it!!

Olympic Torch Relay through Mount Isa saw Jim Edmonds doing the honours.

Well done, Jim.

Best wishes on your pending retirement.

Who was the newly appointed National Executive Member who lost his keys - car and others - only to find them in the sugar caddy in his motel room the next day. Ah the stress!!

Some Guyra members are on the "sick list" Mick Blenman had a disagreement with a back hoe - and came off second best with severe damage to his trigger hand.

Roger Vidal is sporting a broken ankle.

Speedy recovery to both.

Qld State Sporting Clays was won by Peter Field - who has attributed his win to the 5 star accommodation and restaurant he stayed at. Beckers B & B.

Well known Hotel Hosts and long time supporters of clay target events - Graham & Anne Wyatt unfortunately were left with the clothes they stood in and their car, when the Royal Hotel in Mareeba burnt down only days after the Childers Backpackers tragedy.

You can see it now - 9 hour drive to State Trap Carnival - open the gun case - oops - skeet gun not all that handy for a trap carnival. Some unkind fellow club members constantly refer to old age!!

Great to see a report and photographs in a recent Aust. Womens Weekly covering Olympic representatives from the "bush" depicting Deserie Wakefield-Baynes looking very relaxed under a huge gum tree.

Any truth in the rumour that the ACTA Executive Officer has become very handy in the local darts competition.

An elite shooter made the trip to Tamworth recently, for a Telstra promotion. Unfortunately it was the coldest May day on record and our southern visitor thought he was at the Snowy Mountains and not Tamworth.

Which well known Gold Coast shooter took the easy way to the State Trap Carnival - Ansett. Leaving some fellow club members to drive his van up - with ammo stocks and orders - some 15 hours one way!!!

A friends parents get email account - so she is waiting to receive their first message.

It arrives:

Hello stop, we are well stop, rained yesterday stop, write soon stop.

Who said telegrams were gone!!

From the papers:

No, please don't call me a cab.

Customs officials were trying to help Sheikh Ahmed Al-Maktoum fill out the restricted goods permit required to take his shotgun home to the United Arab Emirates after he finished 38th in the Olympic test event at the Sydney International Shooting Centre at Cecil Park.

Al-Maktoum, a prominent member of the Dubai Royal Family, could not provide his flight number home.

"No number, no airline, my plane", he told the officer who then wanted his jet registration number. "I don't know", said Al-Maktoum, "I have five, I just phone for one to pick me up".

One of his family's Boeing 747SP aircraft duly arrived and took the shooter home.

Safe Squad

Security should not be a problem for the US Olympic Shooting Team. In 14 Olympic Test Events in Atlanta, soldiers from Fort Benning in Georgia were running first or second and the US Team is assured of a strong military presence in Sydney.

## Notice To All Club & ACTA Members

As you are aware the CPCTC is the venue for the Olympic Games 2000, as a result the club has had to shut its doors for what is called an exclusive period while the games are run.

However Shooting will start again on the 7th of November and will follow the program in the "Blue Book". There will be a number of special shoots such as the Boxing Day Shoot and the Easter Shoot that will be advertised through the CTSN.

The New Year 2001 will see the club operate on a 7 day a week basis, where you will be able to ring the club, book in for your round/s then come at the appropriate time, shoot and go home.

The normal competitions will be as per the "Blue Book".

Dave McLeod  
President CPCTC &  
SISC venue manager.
