## ISSF NATIONALS - BRISBANE

The ISSF Nationals will be shot at the Brisbane Gun Club at the end of the month. It is hoped that many of you will be attending these events which commence on October 28th and run for 9 days. The program has been well publicised in previous clay target magazines. A special thank you to those individuals and companies that have donated sashes and trophies for these events. The Qld Association has taken on the responsibility for running these championships; we appreciate their efforts in this regard.

## STATE CARNIVALS

Over the next few weeks several State Carnivals will also be conducted around Australia. These carnivals are usually very well run shoots and I encourage all shooters to support their State Associations by attending these events. The sad part is that some carnivals are being shot on the same weekends. I would strongly encourage the State Associations to negotiate with each other and attempt to programme these events to avoid such clashes. Some shooters do travel around and would like to attend the carnivals in each state. Cooperation is essential for the well being of our sport and our shooters.

## JUNIOR SKEET TEAM

Congratulations to Brett Miall, David O'Sullivan and Joshua Daly on being selected in the junior skeet team to travel to the USA. These shooters will take part in the World Skeet Championships held in San Antonio, Texas. Team coach Mr Adrian Cousins who has proven experiences and success in this envi-

ronment will be able to assist them. I am sure that these juniors will benefit greatly from the experience.

## FIREARMS LEGISLATION

The issue of the Firearms Legislation and National Gun Laws continues to be a festering sore for all of us. Recently major changes have been announced in regards to the importation and availability of handguns and the laws on how gun shops sell these weapons. On a more positive note a recent report commissioned by Amanda Vanstone, Minister of Justice and Customs highlighted the fact that legitimate, licensed firearms owners and registered guns are involved in only a small percentage of incidents involving firearms. The report concluded that legal firearm owners are not causing the problems and that they should not be further penalised for the actions of people in possession of illegal firearms. One of the main methods of illegal acquisition of firearms by individuals is through theft from gun dealers and licensed owners. Given that thefts from licensed firearms owners serve as one source of firearms for illicit traffickers, it is important that firearms owners comply and store their firearms according to set regulations. This in effect may contribute to the reduction of opportunistic theft rendering securely stored firearms less accessible. As legal firearms users we need to demonstrate that we are responsible in our actions and give no opportunity for us to be further penalised for participating in our chosen sport.

# Shepparton Clay Target Club

Dear Fellow Shooters,

On behalf of the Shepparton Clay Target Club Inc (Goulburn Valley Clay Target Club Inc.) I would like to take this opportunity to inform all shooters of the activities happening within the club at the present time. Due to Changes in the fallout restriction guidelines we are being forced to re-locate our current facilities from River Rd Kialla. We have accepted an offer from the Shepparton Field & Game Inc to re-locate to their newly purchased land adjoining their current grounds on Crawford Rd Dhurringile.

With a joint management committee in place it is expected that we would be able to operate hand-in hand with the F&G for the benefit of all shooting sports in the Goulburn Valley. We expect to start construction in the near future on initial 4 DTL layouts (with provision for Ball-trap), 2 Skeet & a Tower with more to come at a later date.

As if that wasn't enough to deal with on Tuesday July 4th 2000 our clubhouse, office & kitchen were totally destroyed by fire. The building was insured but it is of little benefit seeing the decrease in the value of our land (which we need to sell in order to finance the re-location) outweighs the insured amount. The search is now on to recover memorabilia, if anyone has any photos of past members or competitions, we would like to hear from you, as everything was lost.

The Shepparton Clay Target Club Inc is still fully operational and is still shooting on the first Sunday of each month. We have been

assisted by numerous local businesses in being able to shoot, one of those being the Shepparton division of COATES HIRE. So if you need to hire anything, support those who support your sport.

It's a very exciting time in the Shepparton Clay Target Club and we look forward to the challenges ahead of us. If anyone would like to contact me for any reason you can do so by the following means,

Email: stix0001@hotmail.com

Or Mobile Ph: 0419 135597

# QLD STATE ISSF CARNIVAL

The Townsville Gun Club hosted this years event — and for all those suffering from the southern cold — the 28 degrees plus for a few days was certainly a very welcome respite.

Townsville welcomed visitors from throughout the State, Victoria as well as some of the New Zealand Olympic Team members and Ann Marie Roberts, Lisa Smith and Natasha Lonsdale from the Australian Olympic Team.

This was also the first Carnival at which the State Representative Teams were selected. The Representative Team from 1999 being the last ones selected over the elimination series. State Council were very pleased with the result — Qld. will be represented in Olympic Trap, Double Trap, Skeet, and Womens Double Trap at

the Nationals Championships being held in Brisbane.

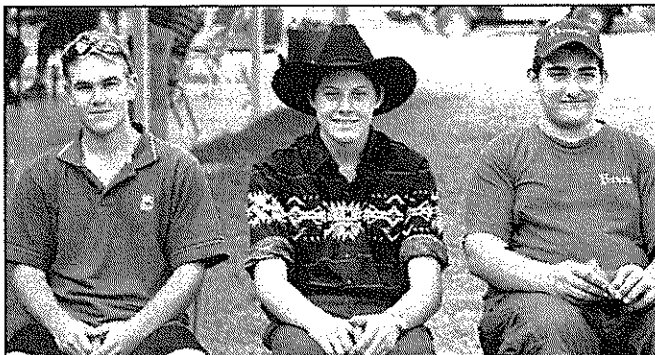

The Defending Champion in the State Olympic Trap was Brett Dunstan — and he defended his title — with a score of 142/150 — claim successive Qld Titles. 2nd overall went to Brian Wistrand (NZ) 141/150 and 3rd overall was Ross Walsh (Mt. Isa) 140/150. Brant Woodward (NZ) claimed 1st in AA Grade. Brisbane's Fernando Cilli was the winner in A Grade with 117/126 from Ray Collinson (Burdekin) 116/126 and 3rd was Jar Smaniotto (Ather-

ton) 115/125. Teresa Borrell (NZ) won B Grade with 104/125 from Noel Beale (Townsville) 101/125 and 3rd was Jim Laws (Townsville) 99/125. Port Denison's Greg Maltby returned 106 to win the C Grade medal from Kevin Moss (Mr. Isa) 92/126 and 3rd was Terry Davis (Warwick) 91/126.

The Womens section was won by Lisa Smith (Lower North) 67/75 from Diane Reeves (Normanton) 65/75 and 3rd was Teresa Borrell (NZ) 60/75. Silkwood's David Bowen notched 104/125 to win the Junior Medal from Michael Cilli (Brisbane) 93/125 and 3rd Dean Reeves (Normanton) 80/125.

**Junior State Double Trap team, left to right: Dean Reeves, Michael Cilli and David Bowen.**

Although Skeet numbers on totalled 8 shooters — the competition was fierce. Brisbane's Keld Madsen was the defending Champion — but another Brisbane shooter, Tony Kidman claimed the 2000 Title with 132/150, from Natasha Lonsdale

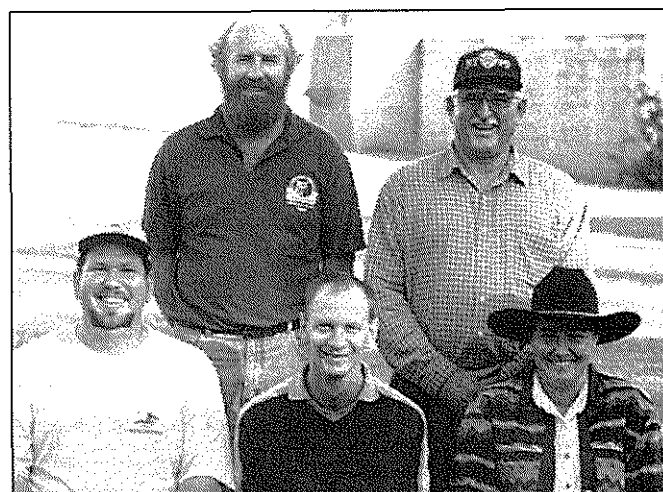

**State Double Trap Championship, back left to right: 1st B: Robin Loy, 3rd B: Mick McGill. Front, left to right: 2nd C Terry Davis, 1st C Kevin Moss and 3rd C: Dean Reeves.**

(Werribee) 126/150 and 3rd overall was Mark Kempnich (Brisbane) 122/150. The A Grade winner was Cherie Reeves (Normanton) 92/125, Mick McGill claimed B Grade with 85/125 from Errol Reeves (Townsville) 81/125. In C Grade Glen Reeves was the winner with 85/125 from Pat Dury (Trowsville) 62/125.

The Womens section went to Natasha Lonsdale with 64/75 from Cherie Reeves 53/75.

The Defending champion for the Sate Double Trap was Tony Dinattali — the winner this year was Ross Walsh from Mt. Isa with 170/200, 2nd overall was Ann Maree Roberts (Werribee) 169/200 and 3rd overall went to Brett Dunstan (Frankston) 168/200. Normanton's Wayne Reeves won AA Grade with 123/150, from Derek Bruce 122/150 and 3rd was Brant Woodward (NZ) 114/150. The A Grade medal was won by Jar Smaniotto with 123/150, from Diane Reeves 121/150 and 3rd was Bruce Hall (Mt. Isa) 110/150. Warwick's Robin Loy returned 111/150 to win B Grade from Barry Bosworth (Herbert River) 100/150 and 3rd place went to Mick McGill 97/150.

**Open State ISSF Skeet, front left to right: Tony Kidman, Mark Kempnich, Cherie Reeves. Back left to right: Glen Reeves and Mick McGill.**

Kevin Moss put together 82/150 to win C Grade from Terry Davis (Warwick) 78/150 and Dean Reeves with 76/150.

Ann Maree Roberts was the winner of the womens division with 102/120, from Diane Reeves 99/120 and 3rd was Cherie Reeves 84/120. Brisbane's Michael Cilli won the Junior section with 92/150 from David Bowen 85/150 and Dean Reeves 76/150.

The State Postal Team — Open Olympic Trap comprises Ray Collinson, Jar Smaniotto, Ross Walsh, Derek Bruce, Fernando Cilli and Diane Reeves. The Junior Postal Team is made up of David Bowen, Dean Reeves and Michael Cilli.

**State ISSF Skeet, left to right: Tony Kidman O/A, Natasha Lonsdale 2nd O/A and Mark Kempnich 3rd O/A.**

The Open ISSF Skeet Postal Team is Tony Kidman, Mark Kempnich, Cherie Reeves, Glenn Reeves, Mick McGill and Errol Reeves.

Double Trap Postal Team — Open is Jar Smaniotto, Wayne Reeves, Derek Bruce, Ross Walsh, Diane Reeves and Bruce Hall. The Womens postal team is Diane Reeves, Cherie Reeves and Maria Bosworth — while the Junior Postal Team is Michael Cilli, David Bowen and Dean Reeves.

The Representative Teams for the National Championship in Brisbane are; Open Olympic Trap — Ross Walsh, Fernando Cilli and 1st reserve Jar Smaniotto. Open ISSF Skeet — Tony Kidman, Mark Kempnich and 1st reserve Glenn Reeves. Open Double

Trap — Ross Walsh, Jar Smaniotto and Wayne Reeves. Womens Double Trap — Diane Reeves, Cherie Reeve and Maria Bosworth.

Unfortunately, due to school commitments David Bowen was unable to take his place in the Junior Olympic Trap and Double Trap Representative Teams — and as there were only 3 juniors at the Carnival there were no reserves to call upon. Even so, 4 representative team is the best result for many years.

Thanks once again to the Townsville Club for their hospitality and great facilities — also to State Councillors Wayne Reeves and Ray Collinson for their part as range officers and State President's 'Deputy'. The Office was expertly looked after by Carol Betteridge and her helpers — thanks to them also. To you, the shooters the QCTA also thanks you for your attendance and for making the Carnival a happy, smooth run and enjoyable event. Next year it is back to the Brisbane Club on 7th and 8th July.

## CONDITIONS OF ENTRY - NATIONAL SKEET CHAMPIONSHIPS

1. In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.

Note: A fee of \$20 may be charged for the issue of any duplicate handicap card.

2. Squads of 5 (or 6 if necessary) to shoot 100 targets per day, in brackets of 50, two visits to the traps, 2nd 50t moving up one trap. eg 1-2, 2-3, 3-4, 4-1, etc.

3. Shooters will be squadded as per ACTA rules and regulations and any interpretation of this will be the responsibility of the Tournament Director.

4. Each shooter is to take enough cartridges to shoot at 50 Targets. Shooters are expected to perform changeovers (between rounds as well as between squads) as quickly as possible, and certainly not exceed the maximum time limit allowed of two minutes. Anyone exceeding that time limit may be penalised.

5. Shooters who fail to appear in time for their squad may be resquaded later in the event, but resquading is not guaranteed, and non-participation is a possibility.

6. Should a shooter being late for his squad not be resquaded or elect to withdraw from the event, any refund of nominations paid is not guaranteed.

7. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooters signature will be credited with the lowest recorded.

8. Any competitor may be called upon to referee and/or score throughout the period of competition. The persons designated to referee and score must fulfill their obligation to do so. Failure to either referee or score may incur a penalty of the loss of one target in the next event. Should a following event not be programmed then the penalty of the loss of one target may be incurred in the event concerned.

9. Shooters will be selected from each day's last round squads to referee and score the first rounds of the following day, being ready to officiate at the advertised starting time. Shooters who fail to fulfil their responsibility may be penalised. While replacement referee and scorers are permissible, any penalty for their failing to officiate shall be made against the officially designated person.

10. Setting and adjusting of traps is the sole responsibility of Shoot

Management. Any unauthorised shooter interfering with or attempting to interfere with the trap may be penalised.

# 2000 NSW State Carnival

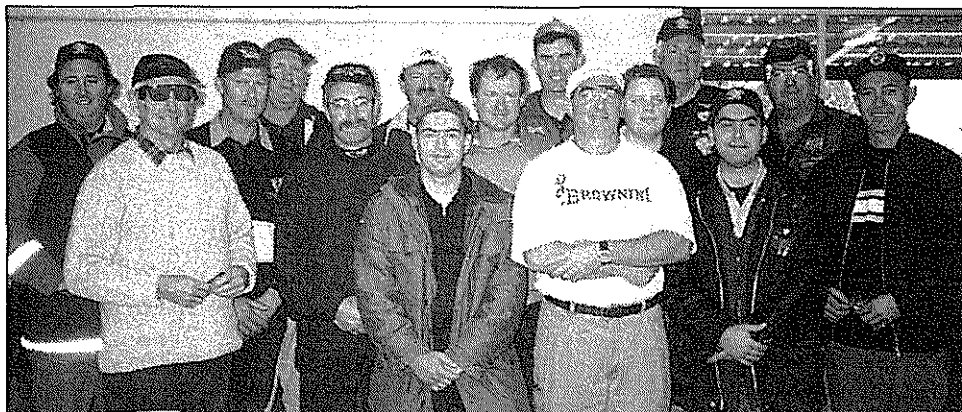

The 2000 NSW State Skeet Carnival was conducted at the ACTA National Ground Wagga on the second weekend in August. The weather started out quite sunny but was very cool and "crisp". Unfortunately it deteriorated to freezing cold rain and wind by the Sunday, which I'm sure was not appreciated by anyone. how nice it was, for the first time, to have a heated, warm events office to "hang out in".

This year for the first time we incorporated the inaugural State 20G Skeet C'ship and the inaugural State Skeet handicap into the program, which unfortunately, didn't seem to attract any extra shooters. These events were conducted on the Friday of the Carnival.

The State 20G Skeet C'ship was won by Adrian Cousins of

with none. The eventual winner was Trent Haines from the Wakehurst Club in Sydney with the runner up Adrian Cousins. Sim Nee Noah, our very friendly regular visitor from SA won 3rd place, Kip Pritchard 4th place and Robyn Faber 5th place. Well done to you all.

Saturday morning we commenced the 100T NSW State Skeet C'ship, an event well sought after by many skeet shooters from both interstate and locals. Wakehurst Gun Club vice President and stalwart, Scott Wright, won the C'ship with the only possible 100/100. Well done Scott. Neal Dimmick, our only Qld visitor this year won AA grade, Victorian Junior Brett Miall won A grade (with 99/100). Sim Hee Noah won B grade and Ron Satara C grade. Karen Cousins won the Women's section, Brett Miall the Junior and Bill Attwood the Veterans.

*New South Wales State Skeet Team*

The 20th NSWCTA Skeet C'ship was this year won by another Bairnsdale GC member, Ben Dudenais with a score of 75/75, after a shoot off with Adrian Cousins, whose score had a familiar ring. Julian Lucchitti, Jason Hewlitt and Ron Satara were the respective grade winners, with Robyn Faber from Cecil Park winning the women's section, David O'Sullivan the junior section and Reg Clarke the veterans section.

The State Skeet Doubles was also won by Ben Dudenais with a score of 58/58 with the grade winners including Adrian and Julian Lucchitti, Trent Haines, Robyn Faber, Peter Holmes and Nancy Badowitz. Congratulations.

Bairnsdale in Victoria with the only possible 50/50. Peter Vella won A grade. Julian Lucchitti B grade and Helen Sanders B grade.

The State Skeet Handicap was an interesting event with some people commencing the shoot off with 7 target start, and some

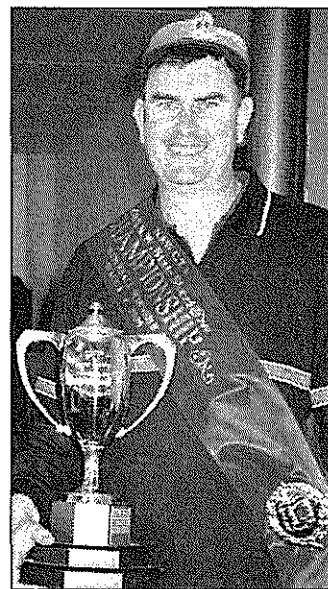

*Overall High Gun Winner Ben Dudenais with Les Abberley.*

The 2000 State Skeet Team comprises Scott Wright, Mark Newman, Tony Vallelonga, Peter Vella, Joshua Daly, Ian Stewart, Trent Haines, Julian Lucchitti, Laurie Sceresini, Adrian Lucchitti, Reg Clarke, Doug Moorby, John Guberina, Frank Marcellino and Noel Watchorn.

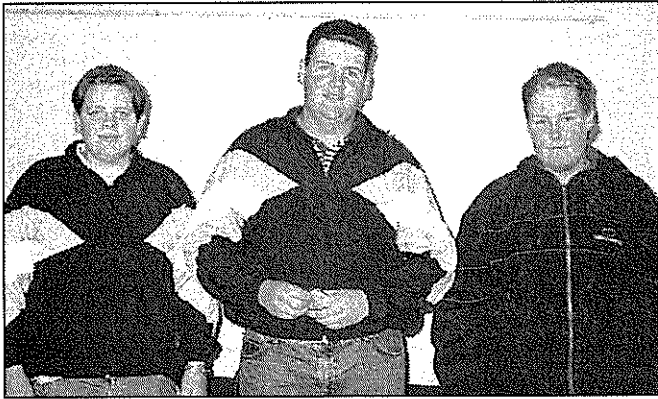

After the Team Shoot scores, the Shoulder to Shoulder Team for the 2000 Skeet Nationals is Scott Wright, Peter Vella, Ian Stewart, Trent Haines and Mark Newman. Well done guys and great shooting. The State Team High Gun was won by Scott Wright 148/150. The Junior Team is Joshua Daly, Glenn Moorby and Dion Latch with the Women's Team Robyn Faber, Helen Sanders and Nancy Badowitz. Well done and good luck to you all in Wagga in November.

The 2 member team for this year, also a very sought after prize, was won by Scott Wright and Trent Haines with a great score of 294/300. Congratulations. The 3 member club team, the beautiful trophies being sponsored by Wakehurst Gun Club for the past 12 years, thank you Wakehurst., was won by ..... Yes you guessed it, Wakehurst Gun Club, team of Scott Wright, Trent Haines and Joshua Daly 439/450.

The High Guns are always well sought after with the C grade

*Two man team Scott Wright and Trent Haines.*

going to Nancy Badowitz, B grade Sim Hee Noah (hope to see you again next year Sim) A grade to Julian Lucchitti and AA grade to Adrian Cousens. The Veterans was won by Bill Attwood, also another visitor and generous donator of an opal for the Women's High Gun, which was won by Robyn Faber. Jeremy Daly generously sponsored the Junior High Gun which was won by Brett Miall. Thank you to these sponsors. Doug Moorby, another keen sponsor of Junior Trophies, also generously sponsored the Juniors trophies for the weekend. Thank you Doug.

The overall High Gun was won this year by Ben Dudenas from Victoria with a terrific score of 246/250. Congratulations Ben.

Many thanks must go to David Coleman, the Shoot Marshall, Les Aberley the Tournament Director and also Ken Fuller (Handicap-

per) and Fred Rapley and Dave Joslyn, the general helpers. Your assistance made a very smoothly run Carnival. The only disappointing factor was the attendance. One must ask "Where are the Skeet Shooters?" Please come out of the woodwork and support your own sport!

The Hawkeye Shield, is NSWCTA's oldest trophy, 25 years this year and is the Zone Skeet Team Trophy. It was great to see 4 Zone represented this year, with the Riverina Zone sadly missing. The Zone Team photographs are included opposite. This year, for the first time, the winners of the Hawkeye Shield was the Central Zone Team of Ian Stewart, Peter Vella and Reg Clarke with a score of 147/150. Congratulations Central Zone.

### **William Edward Shields**

**22/3/1923 - 25/7/2000**

It is with deep regret that the Coleambally Clay Target Club advises the death of Bill Shields.

Bill had a life long shooting career starting at the Mildura Gun Club Vic in the 1950's. Bill grew grapes and citrus in the Sunraisia district at Sunny Cliffe. He moved to Coleambally in the Riverina in 1962 and grew rice. He was a foundation member of the Coleambally Clay Target Club. Bill rarely missed a Club shoot and was always there to offer help where needed, he would help new shooters with advice and congratulate the winners, more than often he was one of them. Bill was awarded life membership of the Coleambally Clay Target Club in 1992. The club cannot remember when Bill wasn't treasurer and his wife Dulcie wasn't there to help in the canteen. It was his second home.

His passion for Clay Target shooting has passed through two family generations. His illness has not allowed him to see the greatest reward of any Grandpop Clay Target shooter, his Grandson Clint Shields shot at the Oceania Games 1999 Sydney in the Australian Junior Team, and since his death Clint had been selected by the ACTA to compete with five other Juniors at the Grand National in the USA, where he is at present.

The members of the Coleambally CTC offer their deepest sympathy to his wife Dulcie and family in this time of sadness.

### **Robert Stockton**

Robert Stockton tragically taken in a road accident aged 64. Happy go lucky, a hard worker of our club. Wife Wendy ran our canteen. Our regards to all the family, it is a sad loss to them and to the Leeton Clay Target Club.

### **Doug Lucas**

Doug Lucas passed away on 5th August 2000, he was age 77 years. Leeton Clay Target Club

### **Victor George Frey**

**Born 1923 - Died 21st August 2000**

Vic Frey was a familiar face around the CPCTC grounds, and he especially like to get onto the skeet ground on a Wednesday. His competitive spirit was still vital even though he was not in good health. Vic was a bit of a "Dark Horse", in that you could never take his ability with shooting lightly. When it came to competition he was up with the rest.

He was a good club member and a straight shooter, if he had something that needed to be said, he would say it and supported the club and the members.

He is survived by his wife Jean, who is not in good health and we offer our sympathies at this time.

Dave McLeod for CPCTC.

### **Ray Melville**

**14 January 1919 - 25 July 2000**

I am sorry to hear that Ray has gone and my condolences go out to his family.

Ray had been an inspiration in what he had achieved and anyone that had read his book would agree that he was a true Aussie battler that made it.

My thanks goes out, belatedly, for his assistance in helping me piece together the history of Newcastle/Lake Macquarie etc (see nlmctc web site) and tracking down key people that were no longer local. I am especially indebted to him for allowing me to use his rare movie camera footage, on the club's web site, of the pre Melbourne Olympic trials for trap and to my knowledge this is the only vision of Australia's participation in Olympic trap for this period as the layouts were dismantled after the Olympics.

Included was also footage of the old Newcastle club and this can never be replaced.

Goodbye old mate,

Your work still lives on and is an important part of our sports history.

Dear Sir,

Last weekend I participated in a "novelty" Skeet shoot which was staged at the Cecil Park complex.

The target speed and the shooting format was the same as that shot in the USA.

Just about every shooter that participated enjoyed the event immensely and the comments unequivocally were that the faster (55 metre) targets were better to shoot at and resulted in better scores by everyone.

It is time we too in Australia brought our target speed up to the 55 metre mark and then we can truly say we are participating in a shooting discipline that conforms to an International Standard.

# NATIONAL TRAINING SQUAD SELECTION CRITERIA

The National Training Squad will be selected as follows:

## OPEN (TRAP, SKEET AND DOUBLE TRAP)

The top eight highest scores will automatically be selected, leaving two\* positions to be selected by the Australian Clay Target Association's Shooting Committee.

The two wild card positions may not necessarily be filled.

## WOMEN (TRAP, SKEET AND DOUBLE TRAP)

The top five highest scores will automatically be selected, leaving one\* position at the selectors discretion.

All these positions will be subject to the quality of scores.

\* Those positions (at the selector's discretion) are being allowed in case of emergencies, i.e. illness, accidents, etc., or by exceptional performances.

## NATIONAL TRAINING SQUAD

Olympic Trap men	1 - 8	+2
Olympic Trap Women	1 - 5	+1
Double Trap Men 1 - 8	+2	
Double Trap Women	1 - 5	+1
ISSF Skeet Men 1 - 8	+2	
ISSF Skeet Women	1 - 5	+1

Note: In the Women's squad 1 - 5, the next shooter with the highest score, i.e. number 6 will be the first reserve. If a shooter is unable to take their place, the first reserve will then take that place in the Training Squad.

## NATIONAL TRAINING SQUAD - MEN/WOMEN

1. Will be eight shooters plus two wild cards for the Men (if applicable) OR five shooters plus one wild card for the Women (if Applicable)

2. Will be picked from the National ISSF Championships over programmed targets.

3. When National Training Squad is known, the shooters who are selected will participate in one elimination event - the Australia Cup (January, 2001), where the shooter with the lowest Points from the Nationals and Elimination 1 will drop out, leaving nine in the Men's squad OR five in the Women's squad.

4. The shooters in order of qualification after the elimination will be selected for World Cups, providing they have achieved shooting the travelling scores set down by the Shooting Committee.

5. Elimination points will be awarded in order of finishing from the:

National Championship	Programmed No. of targets
Elimination 1 (Australia Cup)	Programmed No. of targets
Elimination 2 (Australia Cup Final)	Programmed No. of targets
and World Cup events	Programmed No. of targets

## POINTS SYSTEM

1. Points will apply for national ISSF Championships and each elimination.

1st	10 points	5th	6 points
2nd	9 points	6th	5 points
3rd	8 points	7th	4 points
4th	7 points	8th	3 points

2. Points will be allocated to the competitors for Trap, Skeet and Double Trap, who go to the World Cups. The highest placed Australian in each discipline will receive 15 points for first for the men, then 12 points for second place, 10 for third, then 8, 6, 5, 4, 3 and 2. The six (Men) and five (Women) with the highest points after the Nationals, Elimination 1 and the World Cups, will make the Squad invited to participate at the Australia Cup Final, from which the World Championship Team will be selected.

3. At the completion of the Australia Cup in January, 2001, the competitors will select the World Cup that they would like to attend. The highest point scorer in each discipline will have first choice of the World Cups (as a reward for their efforts). Each shooter (in accordance with their points total) will then be asked for their preferences until all have had a choice.

4. After the World Cups and the Australian Cup Final are all completed, the three highest Point scorers in all disciplines, will be selected for the World Championships.

5. Shooters who are unable to fill their positions will be replaced by the next highest scorer.

6. The Shooting Committee will have the right at eliminations to adjust the amount of targets to coincide with the State or Territory.

## PERFORMANCE

Open: After three World Cups, the lowest three scores will drop out, leaving a squad of six to compete in the Australia Cup Final. The three highest point scorers who are chosen to compete at the World Championships will attend the last World Cup, which is usually held 'back to back' with the World Championships. In the year of the Commonwealth Games, the top two will compete. If the Commonwealth games are before the World Championships the two highest point scores will be selected.

Women: After the Nationals and one elimination, the lowest point scorer will drop out, leaving five shooters in each discipline. We will then send

that five to the first World Cup for Women's events. The highest three point scorers from the eliminations will shoot in the first three positions. The lowest two will shoot in MQS positions. Points will be allocated after the first 75 targets in Trap and Skeet and after 120 targets in Double Trap. The five shooters will then compete at the Australia Cup Final and the three highest point scorers will be selected for the last World Cup's Women's events and the World Championships.

A shooter must attain these travelling scores before they are sanctioned to attend international events.

## TRAVELLING SCORES

Men's Trap	118/125	Junior Double Trap	120/150
Junior Trap	114/125	Women's Double Trap	93/120
Women's Trap	67/75	Men's ISSF Skeet	117/125
Men's Double Trap	130/150	Junior ISSF Skeet	110/125
		Women's ISSF Skeet	65/75

## TIED SCORES

1. Any tied scores at eliminations will be broken by the ISSF shoot off system - miss and out.

2. If at the end of elimination's/World Cups there are any ties for placings, the positions will be determined by the ISSF shoot off system - miss and out.

## JUNIOR (TRAP, SKEET AND DOUBLE TRAP)

Juniors will be selected to form a Training Squad in ISSF shooting disciplines and this will be known as the Elite Junior Squad. The States will nominate the Juniors whom they feel meet the criteria. The Shooting Committee may also select Juniors who come to their attention as outstanding competitors or are showing immense improvement. This training squad will attend the Australia Cup in January as their first camp. Their scores will be noted, as will their behaviour and compatibility with other team members, their willingness to listen and to learn.

They will then attend the Australia Cup Final (which will be held in the middle of the year). At this event a team will be chosen to compete at the ISSF World Championships, in all disciplines. The team will be chosen on the scores posted at this event only, including the finals. 1st, 2nd and 3rd. No competitor will be selected for international competition if he/she has not shot the travelling score nominated by the Shooting Committee for each of the particular disciplines at the Australian Clay Target Association's ISSF National titles, the Australia Cup and the Australia Cup Final.

The Australian Clay Target Association will endeavour to have funding available to help competitors chosen, but some personal funding may be necessary. The availability to fill these positions must be made as the team is named, at the end of the Australian Cup Final. The amount of funding will be announced as soon as possible for the Junior squad and we would ask all parents or guardians, to inform the Australian Clay Target Association if their Junior/Juniors will be able to attend the World Championships. The year 2001 event will be held in Cairo, Egypt.

## CRITERIA FOR SELECTING JUNIORS FOR ISSF ELITE JUNIOR SQUAD

1. Shooters showing potential and interest for ISSF events, and who are posting reasonable scores or have shown a vast improvement every time they have competed.

2. Preferably in the 13 year to 17 year age bracket.

3. Those who are willing to mix readily with other Juniors and whose social behaviour is acceptable i.e. behaviour and manners.

4. Are willing pupils who are not afraid to try new techniques/methods suggested by the coaches.

5. Have strong parent/guardian support and financial backing.

6. Juniors in the age bracket of 17 to 19 years will be considered if they show exceptional talent - thus making their transition into the Open section easier.

## FUNDING

The funding for all World Cups and World Championships will be on a funded basis. The Australian Clay Target Association will endeavour, through the Australian Sports Commission, to apply for support to encourage shooters to maintain high standards, but some self-funding may be necessary depending on the funding allocated by the government.

## SHOOTER RESPONSIBILITY

All shooters must abide by the ISSF eligibility rules and anti-doping regulations. The Olympic Team members will have first priority on World Cups as part of their training for the year leading up to the Olympics. This will be clearly made known in the year of the Olympics.

## SHOOTING COMMITTEE

At the discretion of the Shooting Committee, it will have the right to alter or amend any of these rules.

It will not have the right to disadvantage any shooter who has qualified according to these Rules.

The Australian Clay Target Association's Shooting Committee shall submit the selected names to the Australian Shooting Association who shall have the final decision on team selections for international events.

# NSWCTA JUNIOR DEVELOPMENT CAMP

Newcastle-Lake Macquarie  
Clay Target Club, June 2000

The weather could not have been more perfect on 24 and 25 June for the coaching weekend organised by NSWCTA.

Twelve young shooters ranging in age from 13 up to 17 assembled at the Newcastle-Lake Macquarie Clay Target Club with a view to improving their shooting capabilities. Coaches for the weekend were Level 2 coach Pud Burgess and Level 3 coach Robyn Faber. Some of the young shooters were accompanied by one or both parents and some of these tagged on to the training sessions with good results.

Accommodation as at the NSW Sport and Recreation Ground at Myuna Bay in a brand new 8 bedroom lodge with extensive recreation room, large kitchen and room for 36.

Some of the attendees had only a few month's experience whilst the remainder had been competing on average for 2 years. On the evening before coaching commenced, each shooter was invited to write down some personal short and long term goals for their shooting and identify aspects of their performance which they wished to address.

Program consisted of a general discussion on factors which can affect the performance generally, including nutrition, hydration, fitness and flexibility, vision and the importance of routine. This was followed by gun patterning, which identified some gun fit and gun mount problems, and discussions and demonstration of stance and basic techniques.

After lunch prepared by Sue Lindsay and her helpers from the Club, the group divided into two squads according to grade designation for some practice at personally analysing individual shots and then shooting 25 targets DTL with some analysis of identified problems. During this session each shooter's individual 'routine' was recorded. Following individual advice on technique to each shooter, the squads tackled a further 25 targets shot DTL, pointscore, before returning to the clubhouse to discuss skills awareness and complete a personal assessment of their abilities in many aspects of their shooting. During the shooting phase one shooter shot his first 25 break. A very happy young man!

Having all partaken of a BBQ tea cooked by some of the parents, watched the Australia/Argentina rugby test and worked off some energy playing mini soccer with a tennis ball, each participant sat down individually with either Pud or Robyn and developed a personal plan for their shooting taking into account their goals, their observed routines and their skills awareness assessments.

Next morning we all discussed techniques for improving performance, how to concentrate and how to use visualisation in training. Competition routine, planning and shooting routines were all included. Then back to the traps. Everyone concentrated on perfecting their individual routine and working on particular problems identified the day before. The 25 break shooter of Saturday proceeded to make it a 50 break! (actually for the whole 100 targets he made a 70 break so the mental hurdle of getting the first 25 is well and truly over). Another, known as the 'dustman' for his love of really breaking the targets, recorded a 25 break with a Personal best pointscore of 69 in C grade! Then another recorded a 75/75 in B grade, also a personal best. Another raw beginner shot 13 single barrels in a row. Overall each shooter achieved some personal best and it will not be long before most are looking at regades if they stick to their plans. One who had reached AA grade just prior to the camp is settling into a good routine and looks set to become a very consistent competitor.

Following a short revision of the training in the club house, each shooter received a certificate of participation and had lunch prior to departure. There were some keen shooters who stayed to shoot some trench and skeet and applied some of their new techniques to these disciplines with good results.

Thanks go to the NSWCTA, coaches Pud Burgess and Robyn Faber, Newcastle-Lake Macquarie Gun Club, mums and dads for transport and assistance and to the participants who were a credit to their sport. A great bunch of kids and a real depth of talent. It will be interesting to see how they develop.

# 2000 Masters Games

Venue: Coffs Harbour Clay Target Club

Date: 15th & 16th July 2000

Weather: Good one day, perfect the next

This was the second NSW Masters Games to be hosted by the Coffs Harbour City Council. It has seen a doubling in numbers participating, in most sports including Clay Target Shooting. Approximately 2500 competitors were in Coffs Harbour in magnificent weather conditions.

Friday Night (14th July 2000) saw the official opening and march past at Coffs Harbour Showground, which was attended by 3,000 people. The Honorable Minister of Sport, John Watkins MP where he pledged funding for the next NSW Masters Games in 2 years time, conducted the opening.

40 competitors in the DTL events and 16 in the Skeet events. Competitors were from Queensland, Victoria, ACT and Western NSW. Queensland's Bill Hennessy was the oldest competitor. Special thanks goes to everybody who travelled and made the competition such a success.

Medals were awarded for 1st place - Gold, 2nd place - Silver, 3rd place - Bronze in grade as well as in age groups.

# Maryborough Tid Bits Qld

www.mctc.org.au

Don't forget Maryborough Masters Games in conjunction with Heritage City one day, its October 9am start come along and make our day. Not knowing what to write about next, the dog told me we had visitors, it was Pam and Tom Coldwell from Albury having a shooting holiday, shooting at Dalby, Roma and this weekend the Zone 2 day shoot at Central Burnett and on way back Warwick. Pam and Tom have been shooting this area for several years and have shot with us in past years but didn't work out this year, maybe next year. Thanks for dropping in Pam and Tom have a good trip and good shooting best of luck at the zone shoot.

An accountant worked for a billionaire for fifty years and most likely made the billionaire what he is today. So one day, the billionaire said to the accountant "Joe, as you will be retiring soon, what sort of sport do you play? I will get you something for when you give up work."

So Joe said, "I have never had time for sport. I have been too busy at work all that time but I thought I might get some clubs and play golf." The billionaire said "Leave it to me Joe, I will get some clubs. How many clubs in a set?" and Joe replied "I don't really know but about fourteen in a set I guess."

So a fair time went by and no set of golf clubs so Joe thought he has most likely forget about it so went back to his work.

After about six months Joe was called into the billionaire's office and the billionaire said "I am sorry I have been so long getting a set of clubs for you Joe but I have at last got a full set of clubs, but sorry to say I could only get ten clubs with hotels, but the other four clubs have nice club houses."

## 26-7-00 THE DAY THE BIBLE CAME

The bible arrived so I read the most important parts then took it across to Pam and Tom as they were staying in a unit across the road. I thought as they were away from home might like to catch up on local news as it would be a few weeks before they get home. Nothing much to comment on in the CTSN this time except on page 28 on Olympic Profiles. Our girls sure are better looking than our blokes.

In the CTSN March copy Glenn stated at our National office they were looking for material for display. Not knowing what type of material was required I have given Pam and Tom (as they go to Wagga) a 1967 High Gun mug which I won at Kingaroy but those days was "South Burnett Gun Club" and is now "Kingaroy Clay Target Club". But first I think it was Kingaroy Gun Club. So being a mug stamped with a bygone club name may have historical interest if not Tom put it with yours. This was done so quickly I didn't have time to polish it or clean it I just thought it was a good way to get it to Wagga, cheap! And reading Whitsunday news if it is the same Whitty as the Whitty I know he should learn clean English so we can print it, he had a lot of fun but only put holes in targets, that right Graham. But they did call the Whitty Sundays after Whitty, that's for sure?

Monday after zone shoot a phone call from Pam at Caloundra on way back and Tome 1st in DB/CD, 2nd P/S, then got the boot from B to A grade. Pam and Tom would like to thank Jill and Ken for making them welcome at Mundubbera. Best of luck at Warwick Pam and Tom have a safe trip home. See you next year.

Two blokes who enjoyed life and a few wet ones, found they had a few too many and were staggering home not knowing where they were or what time it was. So one feller said to the other "What time is it?" and his mate said "Dunno, but I have my trumpet here." His mate said you can't tell the time with a trumpet, "Is that so?" said the bloke with the trumpet. So he put the trumpet to his lips and gave it a mighty blast, with this lights lit up the street and windows opened and from a window an irate voice called, "Stop that racket, don't you know its half past two in the morning!" "See I told you, you could tell time with a trumpet".

## BUNDABERG 6-8-00

Harry picked me up and off to Bundy, still not shooting but a day out. Visitors at shoot Phillip Warren, Graham Noffke, Harry Walker and Neil Berry all from Maryborough (where were you Wilma?).

Adam Gardner drew and shot the jackpot while John Butters won the raffle. In cloudy cool windy conditions to shoot results = In Skeet off gun B Kaye Rehbein and Brad Petersen. C John Butters. Championship OA and B Bradley Peterson C John Butters

Trap - In AA grade Graham Noffke OA and AA 50t DB CS Rob Rehbein 2nd DB CS with Neil Berry Pts, Cont and OAHG Neil also

took OAHG at the zone the week before. Good shooting Neil. In A grade Bradley Peterson PTS, Phillip Warren 2nd DB CS and Gino Sergiacomi DB CS and Cont. In B grade Bradley Allen, PTS and Cont Shane Streeter DB CS with Kaye Rehbein 2nd DB CS. In C grade Harry Walker took 2nd 50 DB CS while Adam Gardner rapped up the rest PTS, 1st DB CS and Cont. Good shooting Adam.

Bundy doesn't shoot October and net shoot 5th November. DB PTS C/S SB and mixed. Seeing Adam was loaded with cash from three wins and jackpot he said he was going to give it to his dad Tim, to pay back some of what he owes him. Good thinking Adam. Anyway it was something like that. They say talk is cheap till you talk to a lawyer.

Wee a phone call away from Albury and Pam and Tom are home safe and sound, no luck at Warwick had a good shoot. See you net year.

## GYMPIE 13-8-00

With fine conditions and a cool breeze and good turn up president Brian got the shoot going, he was lucky to be with us, as earlier that week he was falling trees and one caught him by surprise and was a bit sore and sorry but shot well.

Shooting visitors, Dane Vincent, Norm Keech, Brett Brown, Peter Bannister, Kevin Howard (Sunshine Coast), Allen Joblin, Vince Dollinson, Harry Walker, Guilio Sartore and Peter Pagliarino (Maryborough). Dennis Carey drew the jackpot and didn't shoot it and is now A grade, good shooting Dennis.

Lucky Glenda Post won the quickie board fruit raffle and the meat tray raffle (a bit rough). And the shoot went like this in AA grade Glen Durre DB, PTS, SB, AA G HG. Good shooting Wal. In A grade Vince Dollisson DB and 3rd H/cap who survived a good shoot off with Gary Carew, Norm Keech, Brian Goddard to take DB, good shooting Vince. Chris Post SB and Brian Goddard PTS and AGHG. In B grade Sylvia Edgerton DB with Dayn Vincent, PTS, SB BGHG. C grade was Steve Bowes DB and PTS, Glenda Post SB and CGHG. With Dennis Carew getting the metre and 1st H/C with Allen Joblin 2nd H/C. Gypmie is only holding a one day shoot this year 8th October 9am start. Program 25t DB, 50t DB C/S, 25t H/C and 25t DB PTS you have to be in it to win it. It was good to attend the shoot and say hello to all shooters at the shoot. I would like to thank Harry for taking me down to Prince Charles Hospital on 18-8-00 for a check up with my surgeon who gave me a good report and a fifty year guarantee, and then I was set back on me heels, when he said no shooting till they tell me, could be twelve months, that will be tough, but on the same highway several hours later there were three killed in a smash. So at least we were home in one piece. Arriving home there was a letter and photos in the mailbox from Pam and Tom which they took while they were up here. Thanks again Pam and Tom.

## MARYBOROUGH 27-8-00

Well what a great day to watch and do some scoring with thirty shooters with visitors from Bundaberg being Brian Fourro, John Butters and Gino Sergiacomi. From Gypmie Glen Durre, Tony Clark, Lex Stolberg and Brian Goddard. From T.L.G.C. Irvine Wynyard, Frazer Coast sporting shooters Tom Szekeres and distant shooters Bev and Tony Penney from Wangaratta Vic on shooting holiday who have shot at Goondiwindi, Gemfields, Maryborough and next week Kingaroy. Have a good trip Bev and Tony also Margo Peressini, Atherton Tablelands, thanks for coming. It was the first time Tony Clarke has shot with us and nice to meet Avril his wife who has been kept out of sight till today. Glad you came Tony and nice to meet Avril, come again. Well in the kitchen was Shirley Warren, Pam Dollisson, joined in the rush by Kerri Jobliz thanks all, Lovely smoko. Peter Pagliarino drew the jackpot but said he let it grow for next time. Brian Goddard won the Quickie Whisky raffle and Betty King won the meat tray. Paul Anderson now back in AA but while in A grade went to Brisbane 2 day exhibition shoot and took DB, SB and OA, AHG. Good shooting Paul. Results of shoot AA grade Irvine Wynyard and Ian Robinson DB CD share. Paul Anderson DB CD DB, Pts, SB AGHG with Glen Durre DB CD share, DR and AAGHG. # CUZZO'S RAMBLINGS

## OCTOBER 2000

My periodical references to NSSA's refereeing system generate numerous enquiries as to how that structure operates. Fundamentally, it's quite different to ours. The first thing you notice is that there are no scorers. That's because the referees are not voluntary labour. They are paid trained professionals who perform all three functions of pulling, adjudicating and scoring. They are readily distinguishable from the shooters by their uniforms, which are plain white, collared T-shirts, which have "referee" printed in bold black lettering across the back. Actually, the basis of their whole system works almost in reverse to ours.

In Australia, refereeing is nearly always a by-product of being a shooter. However, that is not the case in America, where most referees don't shoot, and if they do, it is generally a by-product of being a referee. Over there, refereeing is almost a totally separate activity to shooting. Most people get into refereeing as a second job, which you can do on the weekends to generate extra income. They are usually paid around \$100 per day in cash (so it's tax-free) and at the larger shoots, where complimentary meals are generally provided for the shooters, the referees are always included too. And at the Major Shoots, where the most experienced referees are sought, and may sometimes travel almost as far as the shooters, accommodation is also often included in their remuneration package.

Examining the system from the top down, NSSA appoints a National Chief Referee. This is a permanent position and generally continues until that person retires or resigns for some reason. Adequate notice is usually given in either of these cases, and a carefully groomed understudy is then the next appointee. The Chief Referee's responsibilities are quite vast. His duties at the World Shoot are similar to, but more extensive than, those of our Shoot Marshall. They include the advance recruiting, sorting and appointing of all the required referees. During the Shoot he supervises all the on-field activities, including referees rosters, score-sheet movement and the arbitration of rules decisions. He also arranges, collates and supervises all shoot-offs.

Outside the World Shoot, he devises the referee's test each year, handles all the necessary paperwork and maintains the referees register. Towards the end of each shooting year, he screens candidates for the Master Referees Awards. These awards are very prestigious, are presented at the World Shoot, and only about 20 referees qualify each year. To be considered for selection, you need to fulfil fairly extensive criteria. First you need to have an unblemished record for the year, combined with several written references from designated people. Then you need to have pulled a minimum of 25,000 registered targets during the year, and finally you need to have pulled at the World Shoot for at least three of the past five years.

Directly under the NSSA Chief Referee are the Chief Referees of each of the nine Zones that the membership is divided up into. The order of States and Zones in the US is in reverse to the system we use in Australia. Instead of each State being divided up into Zones, the country is divided up into seven Zones, each of which contains about seven States. Zone 8 is all the various military forces and Zone 9 is all other countries. Thus Australia is in Zone 9, but as the bulk of Zone 9 members reside in Canada, that's where the zone is administered. The Zone Chief Referees are responsible for all the referees in their Zone, and for organising and running all the field activities at the Zone Shoots, which are always held on the second week-end in August each year.

Next in the chain of command are each of the State Chief Referees, who are appointed by their various State Associations. They are responsible for all the referees in their respective State, and for the field operations at their State Shoot. One step down from them are the Chief Referees of each of the registered Clubs. They are appointed by the Club's Committees and are responsible for all the referees in their Club, and for all the field organisation during competition shoots at their Club.

Working from the bottom up, if you wish to enter the world of professional refereeing, you generally start out by approaching the

Chief Referee of your local Club. He will give you some basic training and then put you to work as a "paid unskilled labourer" pulling on practice fields. When you and he feel that you have reached the required level of expertise, he will put you through the standard referee's test, which involves both written and practical exams. If you pass these, he signs your application form and forwards it, with your fee, to the State Chief Referee for approval, after which it goes to NSSA.

They send you back a referee's licence, which is a little card about as big as a credit card, and a round cloth patch for your shirt, which reads "registered referee" and the year. Incidentally, your accreditation is only good for one year. If you wish to continue refereeing, you have to take the new written test each November, for the upcoming year, as NSSA's year runs from November 01 to October 30. Once you have your licence, your progress is then only limited by your enthusiasm. Many referees just work around their local area, whereas others aspire to greater heights.

Those who have their sights set on working at the World Shoot some day, or becoming a Master Referee, will phone the Chief Referees of all the surrounding Clubs and inform them that they are accredited, looking for work and willing to travel. After that it's a waiting game. Like most things, it's a little hard to break into when you're new, but provided you do a good job, once you get established and known, you can probably get work somewhere, just about every week-end of the shooting season, which runs from April through October. And if you're still keen, during the winter you can probably find work pulling practice on hourly rates around the local clubs.

Actually, although the money is probably what got most of the top referees started, it's not what eventually keeps them in the game. It becomes a mixture of the social aspect and the camaraderie and the fun of travelling and the desire to excel at what you do, and to earn the respect of your peers and the other "players" in the whole shooting game. Rather than being a means to an end, it becomes an end in itself. It becomes a separate hobby or pastime that you just happen to do at the same time and place that the other people shoot. I know a lot of referees who are keener than many of the shooters. I have shot at a Major Shoot one weekend, travelled hundreds of miles across several States to another one the following week-end, and found half the same referees.

And they are a very tightly knit community. They go to great lengths to assist and co-operate with one another, and they usually don't allow egos to cloud their thinking. You'll often see State Chief Referees working on the fields pulling targets in neighbouring States, when there is a big Shoot on there. And be very careful that you don't blame your bad shooting on the referees or abuse them unjustly. Otherwise you could end up with your name in the black book of half the referees in the country. Having said that, they will also sweat blood for you if you do the right thing by them. And another thing; they love to pull 100s just as much as you love to shoot them. Although they will never give you anything you don't deserve, they and their peers will rate the success of their day by how many 100s they pulled, so you never have to wonder how hard they are trying to do a good job.

Skeet shooters usually travel around in groups of five because that's a squad. However, referees usually travel around in groups of three, because that's a "field crew". Obviously a referee can't stand out on a field and work nine hours straight, without a drink or a meal or a rest, so all the fields are divided up into pairs, with three referees assigned to each pair. How they work those fields is entirely up to them, and provided they stay within the generally accepted guidelines, the Chief Referee will not normally interfere with any system they devise, provided it works.

Sometimes they will work 200 on and 100 off, but that's rather unusual and fairly hard work, particularly on hot days. The usual roster is 100 on and 50 off. Under that system, first thing in the morning, one referee starts out pulling 100, another starts out pulling 50, and the other starts out on a break. At 9.45 the third one takes over from the second, at 10.30 the second one takes over from the first, and that pattern rolls on through the day. Thus, when you go out to shoot, you have a 50% chance of either getting one referee for the whole 100 or changing referees at 50. However, you generally won't know which pulling roster you're on, until you've shot 50, and see if they change.

Most shooters prefer to work with the one referee for the whole 100, because after a couple of stations they usually settle into "synch" with you. But you don't have any control over this, and just have to take your chances. Occasionally, if your whole squad is trying very hard and shooting well, a "split" referee may give up his break for you. Always remember to thank him afterwards, because this is the highest compliment a referee can pay you. And by doing so he confines himself to pulling 250 straight and working almost four hours without a break, because their roster system cannot accommodate reshuffling.

Also shooters and referees don't usually mix socially. Perhaps this is partially a class barrier, but it is also a reflection of the fact that they are simply two different groups of people, doing two different jobs, who just happen to be doing them in the same place, at the same time. Initially, I did not recognise this distinction. And for a variety of reasons, not the least of which was the fact that referee's card games are a lot easier to break into than those of the shooters, I became an exception to that general rule, almost to the point of becoming an enigma within the system.

During the six years between 1988 and 1993, I pulled over 100,000

targets, but never accepted any payment for it. However, what I do have to show for it, are a pair of Master Referees certificates that hang in pride of place on my memorabilia wall, right alongside my 400x400 badges, my All American Team patches and three World Championship awards. And along the way I gained a lot of extra friends, shared in a lot of great times and accumulated a bunch of great refereeing stories, but that's another tale for another day.

This month's Shooting Trivia Question: How many brothers have each won ACTA National Titles? Mail your answer to Shooting Trivia, P.O. Box 265, Bairnsdale 3875, to arrive by 25-10-00. The first correct answer drawn shall receive a free entry to next year's National Single Barrel Championship. The correct answer to August's STQ was: If you listed all the overall winners at the Trap Nationals since 1936 in alphabetical order, the last person on the list would be that absolutely wonderful stockmaker from Ballarat, Mr Kevin Wright, who won the Grand Australian Handicap in 1992. The first correct answer drawn was submitted by Doug Harris from Horsham in Victoria, who wins a free entry to next year's National Double Barrel Championship.

## Sunshine Coast Clay Target Club

Last Sunday, the 20th August, the Sunshine Coast Clay Target Club (SCCTC) held their monthly Shoot. 30 keen shooters participated in blustery conditions with the light continually changing due to cloud cover. We had one shooter from Cressy, in Tasmania, plus the usual contingents from Gympie and Caboolture.

Event 1 (50 Targets Medley) saw no possibles registered, due to the changing conditions throughout the morning. Two shooters shot extremely well in only pulling two second barrels during the points score. Well done to John Murphy (AA grade) and Neil Sinclair (A grade). Liam Murray also shot well to take out the B Grade with a 96/100.

Event 2 (25 Targets Graded Handicap - AA off 20, A of 18, B of 16, C of 14) saw the best shooting on the day. Three possibles were recorded in this event, one from each of the top three grades. AA grade shooter, Pygmy McAndrew, lasted 10 extra targets before dropping out to claim third. This left Phil Grove (A grade) and Liam Murray (B grade) to go a further three targets for the winner to be decided. The eventual winner being junior shooter, Liam Murray.

In event 3 (15 Pair Double Rise Championship) saw some excellent shooting from Phil Grove and Wes Humphreys. Considering the shooting conditions, both posted remarkable scores with 28 and 27 respectively. Phil won the Overall championship and Wes took out the AA grade title. A shoot off was required to decide the A grade title after three shooters had recorded 24. After an extra five pairs, Wayne Murray was successful in defeating Terry Crowson and Ken Ashton.

Phil Grove took out the Overall High Gun for the weekend. He may have some pressure from home in the future as his wife Larny is looking at taking up shooting. One point behind was AA grader winner, John Murphy from Cressy in Tasmania. John must have a very understanding wife to allow him to go shooting whilst they are on their honeymoon. Not far behind were Neil Sinclair and Liam Murray in taking out the A grade and B grade. It was a day out for junior shooter, Liam, as he had a win in every event on the day. The club handicapper is looking at his card very closely.

EVENT 1: 50 Targets Medley  
AA Grade John Murphy 98/100  
A Grade Neil Sinclair 98/100  
B Grade Liam Murray 96/100  
C Grade Mick Marshall 78/100

EVENT 2:  
50 Targets Graded Handicap  
First Liam Murray 38/38  
Second Phil Grove 37/38  
Third Pygmy McAndrew 34/35  
EVENT 3: 15 Pair Double Rise  
Championship  
Overall Phil Grove 28/30

AA Grade Wes Humphreys 27/30  
A Grade Wayne Murray 33/40  
B Grade Liam Murray 22/30  
C Grade Mick Marshall 15/30

HIGH GUNS  
Over All Phil Grove 147/155  
AA Grade John Murphy 146/155  
(Cressy, Tasmania)  
A Grade Neil Sinclair 143/155  
B Grade Liam Murray 143/155  
C Grade Mick Marshall 117/155

The next major shoot for the SCCTC will be our annual January Super Shoot to be held over the weekend of the 13th & 14th January 2001.

## Mount Isa Gun Club August Shoot Results

On Sunday the 20th August the Mount Isa Gun Club held its monthly competition. The performance of the shoot came from Bruce Hall who is beginning to master his new Perazzi shotgun. He celebrated by winning three of the four events he contested.

The first event of the day was 25 targets Skeet off handicap. Six of the eight competitors shot to their handicap and entered the shootoff. Jim Edmonds shot 48/49 to take first place. John Whatmore took out second place shooting 44/49. Third place was won by Cecile Edmonds shooting 38/43.

The next event was 25 targets ball trap. Bruce Hall shot an unbeatable 24/25 to win A grade from the slightly off form Ross Walsh with 23/25. Ron Power shot 19/25 to dominate B grade. C grade was won by Joe Sebastiani Jnr 22/25.

Event three was 25 targets Skeet graded. Ross Walsh shot a perfect 25/25 using his trap gun to win A grade. Kevin Streeter could not carry on his earlier form, but still managed to capture B grade 21/25. Cecile Edmonds dominated C grade with an excellent 24/25.

Roderick Cusack was drawn to shoot for the jackpot over 5 targets single barrel from drawn meterage. He missed the fourth target from 20m so the jackpot increases once more.

The trap programme began with 50 targets double barrel. Ross Walsh gave a flawless display to win A grade with the only 50/50. Ross Ohlsen on one of his infrequent visits to the club won B grade with 49/50. C grade was won by Nick Kemp 44/50.

Event five (25 targets points score) saw Bruce Hall continue his form to win A grade 67/75. Ross Ohlsen once again took B grade 87/93, after a shoot off with Jim Edmonds 84/93. Nick Kemp was once again too strong for C grade, winning 44/50.

The final event of the day was 25 targets single barrel. Bruce Hall once again won A grade 23/25. Joe Sebastiani Snr celebrated his return to shooting with a 21/25 to easily take B grade. Nick Kemp gave no one a chance at C grade shooting a 22/25.

Thank you to all who made salads and sweets and other goodies, helped in any way at all during the day to make this the successful day it was. A special "Thank you" to Steve in the office and Jeannie and Karen in the canteen - a job well done and very much appreciated.

# School Championships — South East Zone VCTA

**Overall winner Scott Malone**

At a very well presented Frankston Australian Clay Target Club on Thursday 3rd August this years championships commenced at a little after 10am, the sky was clear and the forecast good, the breeze and peer pressure would be the major variables for the day.

There were 151 shooters nominated from 27 schools, this was a little less than last year. The event shot single barrel with a slighter and 13 to count in the first round and this provided no possibles, however three one downs, Julian Tigani, Scott Malone and Todd Malone. Julian and Todd both being

juniors. (Under 15 years on the day).

After a short lunch break the second round commenced with four possibles, twelve being scored by Blair Signorotto, Emily Signorotto, Danny Wales and Steven Parks.

O/A Scott Malone 30/32 Traralgon S/C

## SPRINGSURE GUN CLUB

August 13th was President's Day at Springsure and it was great to see such a good roll up of club members to support Bruce. The weather was warm and sunny and Bruce and Zarah supplied impressive trophies for the 100 target event. Shooting got underway with Points and saw Ray Copping with the only possible, although there were a fair few not far behind him. The Mountain Man Mug was shot as part of the overall by still had it's own trophy. Two squads went into the shoot off and Paul Maguire ran out the eventual winner.

After a delicious lunch we had the Single Barrel and with most shooting very well, it was looking like a close finish in all grades. Paul Maguire, Shawn Ryan and Grant Barton were all 121 for AA. Alex Dallas and Ray Copping had only one separating them in A grade. Cliff Grimshaw had a two shot lead in B grade and Ken Copping and Dan Priddle were keeping each other honest in the very big C grade competition.

The last twenty-five were Double Barrel off 18mt. This managed to sort most of the winners out except Overall. Grant and Paul battled it out for a good while with Paul coming out the winner. Grant then took AA, with Shawn second. A grade winner was Ray Copping just ahead of Alex Dallas. Our only visiting shooter, Cliff Grimshaw took B grade honours ahead of Drew Smith. Ken Copping was the C grade champion and must be congratulated on his shooting, having made the B grade in quite a short time. Dan Priddle is shooting well also and took second.

A big thanks to Bruce and Zarah for the day and also to everyone for turning up to make it so enjoyable. Our club is welcoming new members all the time and we appreciate any visitors making the trip to shoot with us on the second Sunday of every month at 10am.

Congratulations to our members who have been travelling and shooting so well. Grant Barton shot skeet extremely well at the Gemfields and Shawn Ryan did not let us down at Dalby. Good luck to the crew heading to Scrubby.

# School Championships — South West Zone VCTA

Report of South West Zone School Student Clay Target Championship, conducted at Noorat Clay Target Club on 23rd August 2000. This shoot is part of the Winchester sponsored Victorian School Students Championship.

The major sponsors were Winchester, City Watchmakers of Geelong, Noorat Clay Target Club and South West Zone.

**Winning team, Colac College. Owen Ivernaee, P. Hitchings, C. Leary and A. Holt.**

The Noorat grounds with four layouts were in excellent order, as a result of a working bee by club members and as usual Harry Vaughan from Hamilton kept the students aware of the program during the day.

**Kerri Wythe, fist senior girl from Hawkesdale College**

assisted by Wife, Wendy, Shoot Marshall Len Cook, Office Manager Trevor Smith, Winchester Rep. (from South Australia) Tim Steer and Harry Vaughan (it is said that Harry could be a ventriloquist because of his ability to throw his voice so far) conducted the presentations and the results were as follows.

20 target school students championship:

Overall Winner: Brad Crow (junior boy) 28/30 Warrnambool College

Excellence Awards: B Crow, S East, C Leary, J McAllister, B Alston, M Cameron, J Walsh, S Wythe, O Ivermee, P Cleggett, S Geddes.

1st Snr Boy: S Geddes 27/30 Western Heights Geelong West

2nd Snr Boy: M Cameron 22/25 Monivae (Hamilton)

3rd Snr Boy: J Walsh 26/30 Hamilton College

1st Jnr Boy S Wythe 22/25 Hawkesdale High

The weather although forecast to be wet and cold turned out to be fine and very good, resulting some good and close contests.

One of the excellent results achieved during the day was the scores of the Wythe family from Macarthur (Hawkesdale High). Scott won the junior boy; his sisters, Kerrie the senior girl and Jillian the junior girl; well done and a not unexpected achievement considering the Wythe family's participation in and support on the shooting sport over a long period of time. Shoot Marshall, Len Cook started the contest at 10 am and with the help of Noorat club members and zone delegates and teachers kept the contest going until the finish at approx. 3 pm a very good achievement considering there were 213 students participating on the day.

Zone President, Murray Gruar,

**Overall winners: B. Crow, S. Wythe, M. Cameron, J. Wythe, K. Wythe, J. McAllister and H. Crawford.**

2nd Jnr Boy: B Alston 21/25 Geelong College

3rd Jnr Boy: J McAllister 17/20 Monivae

1st Snr Girl: K Wythe 15/20 Hawkesdale High

2nd Snr Girl: M Gruar 14/20 Brauer College (Warrnambool)

The day could only be described as an outstanding success, and we cannot let the report be finalized without mentioning the excellent job done by SW Zone treasurer and delegate, Trevor Smith, whose job in the office is the key to our successful running of the shoot once again.

We would like to thank again our sponsors; the ladies of the Noorat club for the job well done in the catering department and all those people who assisted in any way; names too numerous to mention and if I tried I would forget some.

Dear Sir,

I write this letter in reply to those sent in by Tom Turner and Barty Brighenti which I found printed in the September, 2000 CTSN magazine.

on behalf of the Shooting Committee and the ACTA I would like to take this opportunity to explain to everyone just what had been happening with the Team selection process for ISSF shooting, for the training squads and the Final Teams.

My involvement here is that I have been the Chairman of the Shooting Committee since 1994, the ACTA delegate to the Australian Shooting Association (referred to late in this letter as the ASA), Team Manager since 1995 and an Olympic selector since 1997.

prior to 1994 the selection procedure was indeed a very haphazard process, where Teams were picked from National Titles on a 'first past the post basis', which meant that not always the most consistent or top Australian shooters picked for the Teams. I have seen both Michael and Russell have an 'off day' with their shooting yet they are consistently in the top 2 to 3 shooters in the world. I have also seen a shooter 'win' major events at the National titles and not even be considered for a position on the team as he did not have 'overseas experience'. How are you supposed to get this without being included in a team is ludicrous!

Our Committee in 1994 wanted to rectify the selection process, to make it as fair as possible for all competitors, whether they were experienced or inexperienced, for those who could shoot 'consistent' scores over a period of different competitions.

At the 1994 ISSF National Titles in Melbourne we called a meeting with all interested shooters so we could talk over selection procedures and asked what the shooters wanted the ACTA to do. This meeting was well attended and produced many ideas. At the conclusion of that meeting I asked all in attendance to go away, think about what we had spoken of and put pen to paper and send me what they saw as the fairest form of team selection. I received 7 replies to this, mostly from the better performed shooters with 'international experience'. Of course there were 7 different systems put forward but there were similar threads in all, but the most noticeable was the amount of targets deemed necessary to select the Teams over, and certainly did not include 'first past the post' Nationals.

Given that we had a responsibility to the Australian Government (whose funds were used for these Teams) and to the ACTA to field the best possible teams at International events, the Shooting Committee then looked at some of the Selection Policies used by leading shooting nations around the world and coupling the best ideas from these with the 7 replies received and what the Australian Sports Commission (later referred to as the ASC) and the ACTA required, we formulated a Selection Criteria policy in 1995 using a Point System giving the shooters points on a scale of 10 to 1 from the National Titles (10 points for 1st down to 1 point for 10th place), these continuing to add up over the following 3 elimination events (combined with Training Camps) plus the international events the shooters attended.

When making up this Selection policy, we the Committee, wanted to give every shooter selected in the Training squad an opportunity to prove themselves at international level at World Cups held overseas and both Tom and Barty were funded to go to these on different occasions, giving them the same opportunities as the others. We had to put a very strong case to the government as to our reasons for wanting the whole of the training squad to benefit from the overseas experience, for they seemed only too happy to see all the funding go to the proven 4 to 5 shooters only. This would have been great for that 'chosen few', it would have been the easy way out for all of the administration in running the training camps and sending that 'chosen few' team away, but it would have been detrimental to all those other clay target shooters who deserved the right to shoot for Australia as well. We believe we have done the right thing for Australian shooting by taking the hard road and giving everyone a fair chance.

The selection criteria at that time we thought was excellent but after

12 months we found it contained a number of flaws which had to be changed as the ASA was by then heavily involved they insisted that the changes be made.

To those not familiar with the ASA and the role of this body, I shall endeavor to explain it as best I can. The ASA is the only body that the ASC (a Federal government department), the Australian Olympic Committee (later to be referred to as the AOC) and all overseas shooting organisations will recognize and deal with as the official governing body of shooting in Australia.

Prior to 1996, all government grants were given directly to the ACTA but in 1995 the ASC through the Federal government instigated a huge review of the allocation of funds for all sports, and these were now to be directed through the National bodies such as the ASA for shooting. We then had to come up with a 4 year Development and Training Programme for shooting leading up to the 2000 Olympics. The ASA employed a High Performance Manager (later referred to as the HPM), Bill Murray, whose job it was, together with the affiliate's representatives, to set up a programme that would have to be approved by the ASC. This proved to be a huge task and caused many a headache and it had to be changed many times as different problems arose. Just the story of this programme would fill the whole of the CTSN but to cut it short I believe Bill Murray had done an excellent job for Australian shooting in general. He seemed able to get more and more funding each year out of the government than that which was to be allocated and he was there for me when problems required fixing.

With the huge success of Michael, Russell, Deserie and John (Maxwell) at the 1996 Olympic Games and the many successes our shooters have had since then, the Federal government had been very generous to the clay target shooters, giving us enough funding to be able to send "full teams" to World Cups and the World Championships since 1996.

With the advent of the ASA having full control of all the funding (from 1996), the selection policies of all International ISSF Teams to be approved by the ASA as the governing body, and here again the changes had to be made to the Selection Criteria in both 1996 and 1997 to cover the different areas that they believed necessary. I, and my committee, fought very hard to keep most of our selection criteria in tact but we had to give in on occasions to the requests put forward by the ASA and the Australian Institute of Sports programme.

In 1997, with the aid of Murray Alexander (National Coaching Director), the Shooting Committee dedicated this year's allocation of funding go to the up and coming Juniors as well as the elite shooters and we took Juniors to international events in both Germany and Brunei, for experience.

1998 saw the employment of the internationally renowned shooter, Luca Scribani Rossi, as the Clay Target Coach for Olympic Disciplines. Luca was employed by the ASA on behalf of the ASC to set up an Olympic training programme to be based on Canberra. This programme was fully funded by the government and was named the Olympic Athlete Programme (to be referred to later as the OAP). Luca and the HPM had full control of the training but I was also given an equal voice with the proceedings, as the ACTA's representative.

Luca and the OAP Board wanted changes made to the selection criteria and as they were paying for everything, along with their vast experience, we negotiated some minor changes to the satisfaction of everyone. These changes were made prior to the 1998 National ISSF titles.

In January 1999, the selection criteria policy was sent by the ASA to the OAP Board and the AOC as members of this 1999 Training Team were now making up part of the Olympic Shadow Team. Bearing in mind that the ASA is responsible for all Olympic shooting disciplines, and that this was the year leading up to the Sydney Olympics, all ISSF selection criteria policies had to be passed on to the AOC, and from January through to June 1999, these policies were scrutinized by the lawyers.

In June 1999, we received word that some modification and wording needed to be made. This was done and sent back. In August 1999 we were again told that more word changes needed to be made. In the meantime the ACTA had printed the selection criteria in the CTSN for the 1999 ISSF National Titles and I had organised for copies of the criteria to be printed (now for a 3rd time), and set in a booklet form, ready to be handed to all members making the Training Team at the National Titles.

In October the OAP Board decided that the scores shot in the Women's Skeet event at the World Championships were unacceptable for the picking of an Olympic Shadow Team, and they requested that the Shadow Team be selected from the National Titles, the Oceania Championships and the Commonwealth Shooting Federation Championships. Here again was another change being made to the selection criteria - something completely out of the ACTA's hands.

Just 2 hours prior to me giving out the latest printed selection criteria at the National titles, I had an urgent telephone from the ACTA office

saying that the AOC's lawyers wanted notification of some of the wording in the policy and I was 'not to hand them out'. This was caused by the advent of a 'Sports Tribunal' where people could appeal against not selection. We had since had a number of appeals, not only in shot gun, which has ultimately cost the ASA tens of thousands of dollars and where the ACTA has had to pick up a 1/5th share of the costs and this ultimately comes out of every shooters pocket.

The final selection of the Olympic Shadow Team and the Olympic Team was made under strict conditions laid down by the AOC, the OAP and the ASA. The ultimate criteria for this was to select the best possible team for the Olympics. In my opinion, the future of all shooting in Australia rests on the success of our Olympic shooters and the Team that has been selected is, I believe, the best there is at this very moment - their world ranking certainly proves this.

As you can see from this version of happenings over the past years, I have sympathy for both Tom and Barty's predicaments but I don't believe that given what they should both know by now, having been members of those teams, that they have any right to condemn / criticise the ACTA as a lot of these problems were caused through outside influences over which we had no control.

Tom, you also mention in your letter your 'shooting jacket' disappointment - if you had approached me, the ACTA's representative instead of Luca, who is employed by the ASA I could have told you the situation regarding shooting jackets. Basically the policy is that you provide your own jacket at your own expense, for there are far too many shooters representing Australia in Team situations these days whether they be at World Cups, Oceania Championships, Commonwealth Shooting Federation Championships, DTL World Championships etc. etc. and the cost is far too great to expect the ACTA provide each and everyone with a jacket. The new blue shooting jackets worn by those who represented Australia at the 1996 Olympics were provided out of OAP funds and these will continue to be issued only to our elite shooters i.e. Olympians and World Championship senior Team members. These are to replace the green Australian jackets which seem to be worn by everyone and seen in all sorts of places. If you take note these blue jackets have an Australian Coat of Arms on the pocket and only Olympians or people who have been granted special permission, are legally able to wear them.

I also believe that both Tom and Barty have written letters into the ACTA office claiming they should have been funded for both the Oceania Championships (Sydney, 1999) and the Commonwealth Shooting Federation Championships (New Zealand, 1999) as they believe they were part of the Australian Team. There has never been any funding from the ASC for either of these events and there is never enough funding in the ISSF National's levy to fully fund these Teams but the ACTA has for some years, been paying for such things as nominations at these events. Everyone wishing to compete at these events know that they must fund themselves - it is that simple - it is the competitor's choice as to whether they compete or not.

I would now like to take time to answer a few queries that have come to my attention regarding officials and coaches etc. on the ISSF scene.

I will start with myself being selected as Team Manager. In late 1996 when the OAP board was formed and the 4 year Development Programme was initiated, one of the directives put the ASA by the OAP Board (and part of their overall plan) was to have a pool of 4 Team Managers, to manage the Teams throughout the 4 year terms, till the end of the year 2000. These Managers were to manage multi-discipline Teams (shotgun, pistol, rifle etc), and ultimately one of those 4 would be chosen as the Olympic Team Manager for the Sydney Olympics. These same Managers were to accompany all Teams where the HPM or coaches required assistance or where the ASA needed a Team Manager in attendance. The reason behind this was that the OAP Board and the ASC did not believe they should be funding different Coaches or different Managers to each event 'just for the experience'. I was honoured to be one of those 4 selected and I believe it was also an honour for the ACTA to have one of its members so selected. These 4 Managers were all on a 'volunteer' basis and all that was paid on our behalf was our airfares and accommodations and we received a \$20 (Australian) a day meal allowance (this was changed in June of 1999 to \$40 Australian) - all other expense we have personally had to meet. If anyone has a formula for living overseas on \$20 to \$40 a day please let me know!

These positions mean a lot of hard work because it starts with working out an itinerary, flight bookings, relaying results through to Australia on a daily basis, right through to making final written reports to all involved bodies (ASA, ACTA, etc) on our return home. I have found these trips most enjoyable and an invaluable learning experience which I hope I can have put back into the sport, and being with the elite shooters and seeing what they have to put up with, their highs and their lows, I have felt privileged to be part of the Team. Luca Scribani Rossi - Head Clay Target Coach. Luca was fully employed and paid by the ASA. His valuable experience and respect world wide and his tough but lovable nature with all, has been one of the greatest hi-lights

of the whole shooting programme. There have been some people that have 'run him down' - these people are ill informed about him and/or jealous or don't know much about shooting on the international scene. No one is perfect but what Luca has done for the Australian shooters, especially the things that not many people know about, like supplying of stocks, guns, expert advice, all without hesitation and then organising cartridges for us throughout the world (never been done before) I can only hope that he continues with his help to the Australian shooters when his contract expires after the Olympics. Luca, on behalf of all of the shooters and the staff, I say a big Thank You for everything, especially your friendship.

Greg Chan - Assistant Coach. Greg has been the Assistant Coach since 1996 and he, like me, was appointed by the OAP Board and the ASA and he again has done this on a volunteer basis, the same conditions as mine regarding our overseas trips - airfares, accommodation, etc. The ASC and the AOC arranged for a poll to be taken by the shooters after the 1996 Olympic Games, their opinions on the Coaches and Officials in charge of their care. Greg was voted unanimously for his helpfulness and understanding by the Clay Target contingent and this was why he was appointed to this position. Those who know Greg know him to be a dedicated Coach and a good person to have around.

Sue Homolka - Team Doctor. After the 1996 Olympics with the OAP Programme in place, Bill Murray and I, along with Claudia Kulla (Mental Training Coach), believed that we needed a Team doctor to look after our Team's health and to attend events like Training Camps and World Championships (where funding was available). Once news of this impending position became known one of our clay target shooters put Sue's name forward and after she attended a Training Camp at the Oceania Championships in 1997, she was appointed by the ASA as 'Team Doctor' where she then accompanied the Teams (Clay target, Pistol, Rifle) to the Training Camps and World Championships (where she actually saved two lives in Peru). She has always been on hand and has assisted me at Junior Training Camps especially helping/talking to the Junior women. Sue has also gone away under the same conditions as that of Greg and I (airfares, accommodation, etc) except that she has been paid a small retainer for being away from her private practice. Sue's happy nature has been a joy to all, ever willing to help where needed, I certainly hope the ACTA retains her for further Teams.

Darrien Roach - Team Masseur. Darrien is a Sport's Masseur who has also been with the Team since 1997. His name was likewise, put forward by one of our elite shooters. Darrien has accompanied our Team on many occasions and is regarded as one of the best in his business by shooters around the world and this can be verified by other country's shooters who look for his services whilst we are away. He has fulfilled his obligations to the Australian Team and will work 24 hours a day if needed. He is an integral part of our Team structure and a very likable person. Darrien has worked under the same conditions as the rest of us (airfares, accommodation etc) but he too receives a retainer for being away from his practice.

I believe that the many results our men and women shooters have achieved, both as individuals and in Team events at the achievements of our up and coming Juniors since 1995, have paced Australia as one of the top 3 clay target shooting nations in the world, proving that our Selection and Training programmes can't be that far off being right.

I would also like to inform you, the ACTA members that the Federal government is now giving all funding directly back to the ACTA for elite ISSF shooting - this is a considerable amount of money and something that I, on behalf of the Shooting Committee, have been fighting for, for some years, and we are now completely in charge of our own destiny.

Our Selection Criteria policy will be used to select international Teams and Training Squads and this Selection will not be touched by the ASA. Once the Teams are given to the ASA it is entirely up to the ASA as to whether they accept or reject the Teams and this is a far better procedure than trying to have the ASA and ACTA's policy written up in the one document. The ASA should then just rubber-stamp the ACTA's selection and this same procedure will be used by all of the disciplines i.e. Pistol, rifle etc.

The Selection Criteria policy will be advertised in the CTSN and with Team Agreements, be handed out to the Training Team selected at the National titles. If any further information is required by anyone, I am available and willing to help/talk where ever possible. My phone/fax is available on page 1 of the CTSN magazine.

Thankyou for your patience in regarding this rather lengthy but I feel, necessary reply,

*Regards*

# Western Zone QCTA — 23rd Annual Trap Carnival

Approximately 56 shooters came from near and far to attend the 23rd Annual Western Zone Trap Carnival, the first to be held at the Central Burnett Clay Target Club on 29th & 30th July 2000.

Shooters came from Albury-Wodonga, Bundaberg, Burdekin, Central Burnett, Condamine, Cunnamulla, Dalby, Ilfracombe, Kingaroy, Maryborough, Mungungo, Roma, Scrubby Creek and Wandoan Clubs.

QCTA Administrator, Jenny Burt of Tamworth, State and Western Zone President Bill Allan of Dalby, as well as delegates from the Western Zone and other Zones in the State arrived on Friday for a QCTA meeting that day.

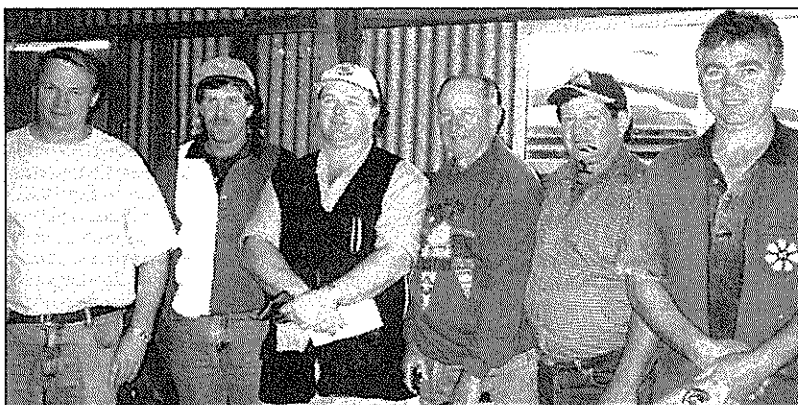

Western Zone President Bill Allan congratulated the Central Burnett Clay Target Club on the grounds and facilities provided and said all shooters and their families had enjoyed a great weekend of good targets, great food and hospitality.

The Annual General Meeting of the Western Zone was held on Saturday afternoon following the day of shooting. Ross Gundry was elected as President of the Western Zone. Retiring President Bill Allan gave a President's Report thanking the Western Zone Committee members and shooters for their support. Western Zone Training and Safety Officer, Rodney Woodrow gave a report on Coaching for 99/2000. Rodney had some very good coaching tips for male shooters. Lady shooters stay tuned for what he comes up with in coaching tips for you.

Overall winner in the Western Zone 25T Double Barrel Championship was

Western Zone winners from left, Alan Pack, Neil Berry, Robert Nugent, Geoff Moore, Allan Denton, Todd Vidler, Jim Hunter and PJ Forner.

Western Zone team 2000 from left: Alan Pack, Brett Pile, Robert Nugent, Allan Denton, Greg Kocho and PJ Forner.

Robert Nugent (Roma).

Overall winner in the Western Zone 25T Single Barrel Championship was Allan Denton (Roma).

Overall winner in the Central Burnett 50T Continental Championship was Todd Vidler (Kingaroy).

Overall winner in the Western Zone 25T Points Championship was Alan Pack (Roma).

Overall winner in the Western Zone Central Burnett Double Barrel Championship was PJ Forner (Kingaroy).

Overall winner in the Western Zone 15PR Double Rise Championship was Jim Hunter (Scrubby Creek).

Western Zone Team 2000: Allan Denton (Roma), Greg Kocho (Condamine), Alan Pack (Roma), Brett Pile (Condamine), Robert Nugent (Roma), PJ Forner (Kingaroy).

Western Zone Champion 2000: Alan Pack (Roma).

Western Zone Ladies Team 2000: Beth Zillman (Central Burnett), Veronika Forsythe (Roma), Julie Allan (Dalby).

High Gun: Neil Barry (Maryborough).

Intermediate High Gun: Geoff Moore (Condamine)

Ladies High Gun: Veronika Forsythe (Roma).

Junior High Gun: Matthew Busiko (Roma)

Veterans High Gun: Dick Osborne (Maryborough).

Shooting was excellent and the Western Zone Team should be hard to beat in the Postal Team Shoot with the winners to be announced at the State Titles in Kingaroy in 2001.

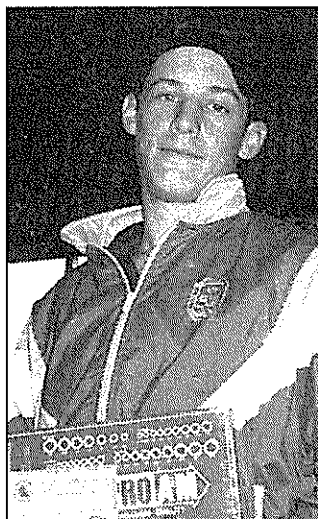

The Western Zone Raffle donated by Roma Clay Target Club was won by Jill Vicary from Mundubbera.

Thank you to everyone who attended.

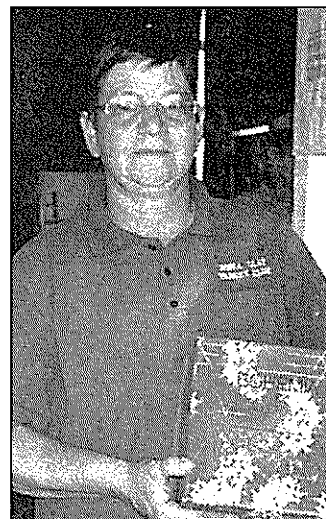

The next 24th Annual Western Zone Carnival will be held at the Cunnamulla Clay Target Club in July 2001.

QCTA president Bill Allan congratulating Rob Nugent on his win.

Junior High Gun Matthew Busiko

Ladies High Gun Veronika Forsythe.

# Qld Northern Zone Skeet Carnival

On the weekend of 5th and 6th of August the Northern Zone Clay Target Association members headed to Charters Towers for their annual Skeet Carnival.

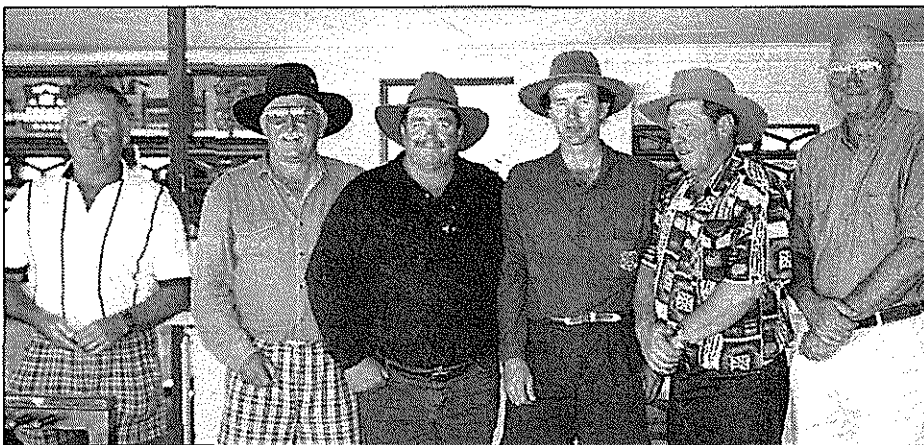

Good numbers were in attendance with 36 shooters showing up to see if they could take home some of the cash.

*Qld Northern Zone Skeet Carnival High Gun winners, left to right: D. Reeves (junior), C. Edmonds (women), N. Beal (B grade), M. Morris (C grade), G. Archer (A grade), M. McGill (AA grade).*

The first event for the weekend was the 25 target Skeet Handicap event with nearly 3 squads of shooters going out in the shoot off after the event was completed. The eventual winner was former New Zealand shooter M Morris, who is a new member of the Atherton Clay Target club, with a score of 84/85. Doug Killick of Charters Towers shot 81/85 for his second placing. Mt Isa competitor, Ross Walsh shot 61/63 to take out third.

Event two was an event that is not shot that much in the north, being the 50 targets Northern Zone Doubles Championship.

*Qld Northern Zone Open Skeet team, left to right: M. Morris, M. McGill, R. Walsh, E. Reeves, G. Archer and J. Edmonds.*

Overall and A grade was taken out by Ross Walsh with 46/50. Mick McGill of Mt Isa was placed first in AA grade with 45/50 from Ray Collinson of the Burdekin Gun Club with 42/50. Second in A grade went to local champ Geoff Archer with 45/50. Richard Bell of Charters Towers showed the way in C grade after a shoot off with Dean Reeves of Normanton. Richard's score was 44/54 and Dean's 43/54.

The premier event of the carnival was event three. The 100 target Northern Zone Skeet Championship was shot over two days with the eventual Overall and A grade winner being Geoff Archer with a brilliant 100/100. Mick McGill showed the way in AA grade again taking first with 97/100 from Ray Collinson. Jim Edmonds,

another Mt Isa shooter, took second in A grade with his score of 98/102 after he shot off with Ross Walsh. Townsville visitor, Errol Reeves shot 94/100 to take first place in B grade from Doug Killick on 93/100. Cecile Edmonds showed dad that she too could shoot skeet and claimed second in C grade with 89/100.

After the 100 target event the Northern Zone Skeet Team was picked and had to go and shoot a score for the postal competition. The Open Team consisted of Geoff Archer, Mick McGill, Jim Edmonds, Ross Walsh, M Morris and Errol Reeves. The Ladies Team saw Cecile Edmonds, Carol Betteridge and Diane Reeves of Normanton shooting for their postal team.

Finally the carnival was coming to an end and the last event was the 50 target Carnival Championship. Ray Collinson showed the way this time with an Overall and AA grade win with his score of 58/58 after shooting off with AA grade second place shooter Geoff Archer. The rivalry between Mt Isa shooters continued right to the end with Jim Edmonds and Ross Walsh shooting 48/50 in the event then the shoot off began with Jim borrowing Mick's 20 gauge so Ross could borrow Jim's gun. Jim was the eventual winner

with a score of 85/87 from Ross's 84/87. Noel Beale of Townsville shot 48/50 to take first from Ant Hanna of Charters Towers who had to shoot off with John Walsh of Clermont. They both shot 47/50 in the event and it only took one target to decide the winner. Carol Betteridge from the Burdekin club finally found form to take first in C grade with 50/56 after her shoot off with Dean Reeves, second, and Justin Facer. The two juniors shot well in this event to be in the shoot off for C grade.

There were High Guns also paid after all the shooting was completed. The best shooter for the weekend was Geoff Archer whose score of 220/225 saw him take out Overall and A grade. AA grade's best was Mick McGill with his score of 214/225. Noel Beale was the most consistent over the weekend in B grade with his score of 205/225. M Morris also shot 205/225 to take out C grade High Gun but this was his last C grade prize as he is now in A grade.

In the Women's High Gun, Cecile Edmond romped home with 189/225 to receive her first ever silk. Dean Reeves showed the way for the juniors and shot a creditable 187/225.

Jim Laws and Pat Dury teamed up for the team event for the entire weekend and they shot 440/450 and thought that would be good enough to win but to the surprise of two other Townsville shooters, Errol and Glen Reeves they tied Jim and Pat and the money was split four ways.

A great weekend was had by all and the Northern Zone committee wishes to thank the members of the Charters Towers Gun Club for all their work in running such a good carnival.

The next big event for the zone will be the Northern Zone Trap Carnival to held at the Burdekin Gun Club on the weekend of 7th and 8th October. There will be plenty of cash up for grabs and a good time guaranteed. We hope to see many shooters participating to make the weekend another successful one.

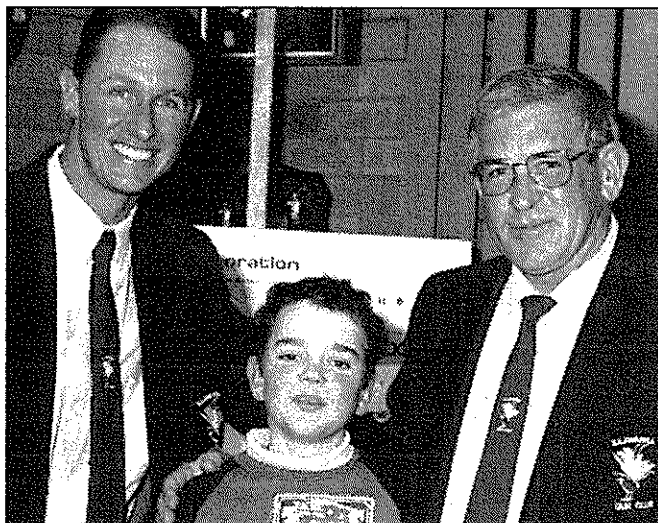

*Carol Betteridge*

# Illawarra Cash & Sash 2000

Illawarra Gun Club held their annual 2 day anniversary shoot on the June long weekend and with fine weather as normal, shooters had to right on target to be in the money. The roll up of shooters came from as far as New Zealand, Western Australia and most other states throughout Australia to have a crack at the \$18,600 cash that was up for grabs.

Saturday 10/6/2000 saw 132 shooters line up for Event 1, 25 tgt D/b Cash Divide and with 39 possibles posted, winning was not going to be easy.

Event 2, 25 tgt Illawarra Pointscore Championship was next on the program and Michael Diamond showed everyone how good he is by winning the overall with a fine score of 135/135, while Tony Schafer was close behind on 134/135.

*Brad Webb, Ben Baaner and Fred Rapley. We haven't got a gun small enough for Ben to shoot with but it doesn't deter him from being a keen worker at the club.*

Grade results - AA 1st D McMillan 114/117  
2nd A Cantali 98/99  
A 1st W Cameron 86/87  
2nd K Chiaverini 83/87  
B 1st M Harris 74/75  
2nd J Norris 73/75  
C 1st J Maxwell 74/75  
2nd B Veronese 75/78

It was great to see Linda Ristevski (Clover Designs) shoot a great score 73/75 to take out the Ladies Trophy, Andrew Miller (Taree GC) winning the Juniors 73/75 and new Sydney Veteran Mal Tilley winning the Veterans in fine style posting 71/75.

The main event for the day, Event 2, 50 tgt Illawarra Double Barrel C/Ship. With big money up for everyone throughout this event, this is where talent shines. Olympic Trap shooters M Diamond (132/1332) O/A 1st, K Perkins (131/132) O/A 2nd, and D Nielsen (124/125) AA 1st. Showing us that trench practice pays off, all taking home a nice bundle of cash.

Grade results - AA 1st D Nielsen 124/125  
2nd G Castellero 115/116  
A 1st L Diamond 93/94  
2nd P Mules 61/62  
B 1st D Arroyo 67/68  
2nd T Pasfield 66/68  
C 1st J Maxwell 49/50  
2nd G Field 46/50

Sophie Psarakis showed the ladies how to shoot in this event winning with 49/50, while again Mr Miller from Taree wasn't going home with an empty pocket, winning the juniors (50/50) and P Muscat shot a perfect 50/50 to take the veterans trophy.

All those people that stayed after the shoot enjoyed a complimentary dinner and had a few quite ones to end a long days shooting. Sunday arrived with some light cloud and light wind, to start the day 140 shooters turned out for event 4 on the program, 25tgt D/B Cash Divide.

With conditions not so favorable only 15 possibles were scored, and a substantial amount of cash went to those people.

Event 5, 25tgt Single Barrel C/Ship next on the next program showed that J Camilleri was going to be the one to beat (34/34) while D Nielsen (33/34) tried to stay with him taking 2nd O/A.

Grade results - AA 1st B Rose 28/29

2nd A Jones 27/28  
A 1st K Chiaverini 25/25  
2nd T Lionatos 24/25  
B 1st D Arroyo 23/25  
2nd T Pasfield 25/28  
C 1st M Monteleone 22/25  
2nd J Mitchell 27/32

The lucky lady to win this event was K Kennerson with a score of 23/25, the junior A Miller (23/25) and Mal Tilley (26/29) again winning the Veteran.

The main event for the weekend was next.

Event 6, Illawarra Open 50 tgt Double Barrel C/Ship

By this time of the afternoon the weather wasn't good so shoot offs were going to be short, although with the classy shooting by the usual few, who was to know the winners. Well Glen Hayden from Victoria showed us that he not only wins just about everything in Victoria, but he was going to win this one, shooting a score of 141/141 to take 1st O/A "Cash & Sash". Long distance traveler D Briggs kept him there posting a 140/141 to take 2nd O/A and a quite substantial amount of cash also.

Ladies S Psarakis 235/250  
Junior A Miller 235/250  
Veteran M Havill 238/250

Well that's it folks for another year, we hope you all had a great few days, a special thankyou to all those people that worked flat out all week leading up to and on the shoot day especially young Ben Baaner and Bruce Dopper who are always there to lend a hand. Thanks to Fred and his committee and the wonderful ladies who slave in the office, without you the shoot would not go on, and mostly the shooters that came and put their money on the line to have a crack at our Year 2000 "Cash & Sash" Anniversary Shoot.

*See ya next year.*

*Thanks again*

*Brad Webb, Vice President*

*Linda Ristevski, winner of the Ladies Trophy.*

# 18th Cowra Gold Cup Shoot — Held 5th & 6th August 2000

The Cowra Gun Club's 18th Annual Gold Cup Shoot was conducted in sunny cool weather on Saturday and Sunday 5th & 6th August.

Our central location allows us to draw shooters for a wide area of the state, and we were fortunate to have visitors from all points of the compass.

*Overall High Guns from left, junior high gun — Matthew Blazley; ladies high gun — Karen Berry, high gun — Ross Hibert and veteran high gun — Noel Nicholson.*

Shooters attended from many areas; from Sydney to Cobarr, Quirindi to Bowral, Leeton to Dubbo, Wyalong to Cobram (vic), and all points in between.

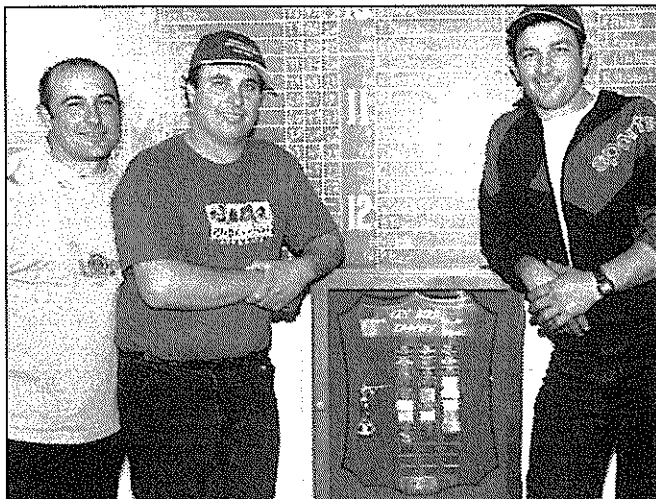

There were 101 competitors on the Saturday, and 94 faced the traps for the Gold Cup itself on the Sunday. As always, many visitors complemented the Club on the welcome and the venue, as well as the overall high standard in the conduct of the shoot.

*Overall grade high guns from left, AA Arthur Burgess; A John Gemmell; C Howard MacKinder and B Don Power.*

*Winner of the Cowra Gun Club Gold Cup Wayde Hawkins from Kurrajong with club president Glenn Sinclair and secretary Joy Dwight.*

*Winners for the second time of the Len Bird Shield from left, Tony Manciero, Joseph Camilleri and Joe Camilleri from Sydney.*

We are very proud of our reputation which members work hard to preserve. As proof of our endeavors, there are several shooters from Sydney who have attended 16 consecutive Gold Cup Shoots at Cowra.

Wayde Hawkins from Kurrajong was this year's winner of the Gold Cup. Wayde shot 100/100 +55/55 after eliminating five others who also scored the possible 100/100. Last to go was Ross Hibbert from Wilberforce who later went on to win the overall High Gun for the shoot with a score of 273/275.

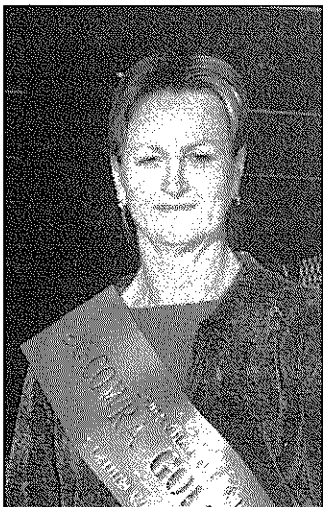

*Winners of the two major events, left: Gold cup winner Wayde Hawkins from Kurrajong and Central Tablelands Double Barrel winner Rodney Wright from Junee.*

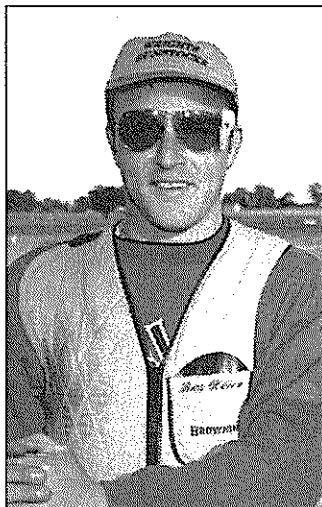

Other High Guns for the shoot were: - Ladies - Karen Berry of Sydney; Junior - Matthew Blazley of Cowra; Veteran - Noel Nicholson of Crookwell; AA - Arthur Burgess of Cobarr; A - John Gemmell of Cobram; B - Don Power of Sydney; and C - Howard MacKinder.

The major event on the Saturday was the Central Tablelands Double Barrel Open which was taken out by Rodney Wright from Junee with a score of 50/50 + 122/122. The runner up and AA grade winner was Club President Glenn Sinclair.

Also held on the Saturday was our usual Handicap Trophy event. Five shot the possible 25 targets, and the winner after the shoot off was Wayde Hawkins. Tony Barton from Bowning was 2nd with Ross Hibbert 3rd.

**Winner of Gold Cup Ladies Sash,  
Karen Berry**

**Runner up of Cowra Gold Cup,  
Ross Hibbert.**

Held in conjunction with this event was the Len Bird Shield. It is competed for by teams of 3 whose score are added together to find a winner.

For the 2nd year in a row, the winning team was Raymond Manciero, Joe Camilleri and Joseph Camilleri all from Sydney. They plan to return next year and win it again.

Apart from our local committee, office staff and kitchen helpers, the shooters themselves contribute greatly to the success of the weekend by referring/scoring and helping out if necessary.

For example, winner of two previous Gold Cups, electrician Garry Rootes, helped out when our only glitch occurred, and then went on to complete a score of 100/100 in the Gold Cup. Thanks Garry!

**"All hands on deck" in the kitchen, from left: Lisa Hammond, Carol Cameron, Nev Clark (behind), Kevin Cameron, Jane Hammond and Joyce Sinclair.**

After the conclusion of Saturday's programme, a happy group of 30 or so gathered together for the evening meal at a local Bistro, all contributing to the friendly atmosphere that prevailed.

However, without a doubt, our sponsors played a major part in our success. This year they were: Cowra Services Club Ltd; Cowra Bowling Club; Norman C Bellamy Pty Ltd; Oliver and Davison; Cowra Tyre and Brake; Cowra Concrete Products; Kibblers Pty Ltd; Lachlan Steel Fabrications; Bushman Boots and All; Cowra Olympic Horsefloats and Trailers; Martins Betta Electrical; KFC™ Cowra; Horsley Park Gun Shop; Earmold Aust.; Stuart Gillman International Pty Ltd; The Land Newspaper. Also the Aalana Motor Inn; The Country Gardens Motel; The Alabaster Motel; Countryman Motor Inn and Restaurant, and the Cowra Motor Inn.

Don't forget to book accommodation early for next year's Gold Cup.

**See you there.  
Gwen Clark, Cowra Gun Club**
