DT10 TRIDENT, S682 GOLD E BORN TO WIN

DT10 TRIDENT SUPERPROFESSIONALS

Traditional cross bolt locking system.

Drop out trigger (spare trigger available on request).

Characteristics, dimensions, weight, balance, point of impact ... Everything in the new competition over & under Beretta DT10 Trident, has been studied, with the maximum professionalism, to satisfy the technical requirements of the target discipline that it has been designed for.

Manufactured with the utmost care, the DT10 Trident shotguns are unbeatable in performance, safety and ergonomics. They are extremely reliable, long lasting, handsome and functional. Some models feature standard or, on request, an adjustable Memory System stock.

S682 GOLD E EVOLUTION ACTUALLYREVOLUTION

After years and years of success on the Clay Target Shooting scene around the world, the Beretta S682 Gold E competition shotgun is the focus of modern restyling and several project refinements that gives this shotgun an even more appealing look and competitive performance.

Like the DT10 Trident, the S682 Gold E also features details that make the difference: the barrels with the new internal profile Optima-Bore®, the progressive thin chokes Optima-Choke® and the adjustable Memory System stock.

New external chokes Optima-Choke®

Memory System adjustable stock with "carbon reinforced" support.

Suede shooting vest.

National President's Notes

John H Byrnes

OLYMPIC GAMES

I believe the Olympic Games were an outstanding success from 3 differing perspectives:

1. Successful shooters
2. Great support personnel
3. Excellent publicity for our sport.

1. Successful shooters

Congratulations obviously go to Michael Diamond on defending his Gold medal and to Russell Mark on winning a Silver medal. Tash Lonsdale's efforts in the Ladies skeet final also needs recognition.

I was impressed with all our competitors in the clay target disciplines. They all were worthy representatives of our sport and we should be proud of their efforts.

Congratulations well done.

2. Support personnel

A great many of our members were involved in supporting roles during the Olympics. From Coaches, Referees, Organisers and Volunteers it was evident that there was a great team effort to enable the shooting programme to run extremely efficiently. It is a credit to all involved in whatever capacity that this was achieved, well done.

3. Excellent publicity

To see shooting gaining such good positive publicity was fantastic. The telecast of 3 finals Nationally has to have been great for the sport. To have seen the crowd support at the venue was almost unbelievable. Many of these people were not shooters but they still enjoyed themselves greatly and learned a lot about our sport.

Now may be a great time for clubs to try and cash in on this publicity and attempt to attract new members.

NSW STATE CARNIVAL

I have just returned from the NSW State Carnival at Wagga. It was pleasing to see approx. 250 competitors taking part in these events. The carnival appeared to be well organised and ran smoothly over the 3 days. It is a pity that the weather could not have been a little kinder to the organisers on the Sunday. Congratulations to all successful participants, a full report will appear in the next CTSN.

WAGGA GROUNDS DEVELOPMENT

The development of the Wagga grounds continues. A new toilet and shower facility is now available and has improved the facilities considerably. The development of a covered area at the back of the clubhouse for a food area was also appreciated by competitors at the NSW Carnival.

A large workshop and clay target storage area is also under construction. This facility will be obviously of immense value in storing targets during National Championships and in maintenance work.

UP COMING EVENTS

National Skeet Championships - Wagga

The National Skeet titles are only approx. 3 weeks away. I hope to see many of you at these Championships.

Victorian Trap Carnival

On the week prior to the Skeet the Victorian Association will be conducting its State Trap carnival at Echuca. It will be interesting to see if they can attract as many competitors as the recent NSW Championships.

Why not combine both, shoot at Echuca on Nov 10th to 12th and then move to Wagga and attend the Skeet Nationals which commence immediately after the Victorian Championships.

John Byrnes

Tamworth Clay Target Club

The weekend of September 2-3, was the Tamworth club's annual 2 day Open Trap Carnival, the weather on Saturday was wet and windy but Sunday was fine and clear.

On Saturday a short remembrance service was held and No 1 Skeet Layout was renamed the Colin Burt layout in memory of Col Burt who passed away recently, a plaque mounted on sandstone stands at the entrance to the layout.

The club would like to mention the members who in their own time have made the carnival a success, namely Kevin Weatherall who installed and serviced the traps, Graham and Rae Richardson who prepared the grounds, Peter and Sandra Holmes who ran the office, Secretary Lach Cameron who put in many hours of preparation, President John Sleightholme who was able to co-ordinate everything. Melissa Sleightholme, who bought, transported and arranged the trophies in the display, the ladies in the kitchen who had meals and snacks available all day. Doug Mulligan and his trapper boys, it was a remarkable effort from so few.

Some sixty shooters contested the events and the results are listed in the results section.

Eley Newton Thomas Award

Nominations for the 2000 Eley Newton Thomas Award are now being received.

The award is for an outstanding person, who has done the most to promote the sport of Clay Target Shooting, during the Year.

Nominations: To be forwarded to reach the ACTA through an affiliated Club or State Association, and must be received by March 31st, 2001.

Judging Panel: The ACTA Management Committee. Any decision on nominations received is the responsibility of the judging panel, whose decision shall be final.

Recipients from Inception:

- 1982 Mrs B Grice (QLD)
- 1983 Mr M Alexander (WA)
- 1984 Mr R Dean (QLD)
- 1985 not awarded
- 1986 Mr SE Rooke (NSW)
- 1987/88 not awarded
- 1989 Mr M Fisher USA
- 1991/98 not awarded

Northern Territory Carnival

Alice Springs

Shooters from across Australia met at Alice Springs for the 2000 Northern Territory State Carnival.

With Skeet the first event up for grabs, with the eye opener only having one possible, that of local shooter Jim Niland.

The Paul Weis Memorial 50 target Skeet Championship was won by Bob Dalglish after a shoot off with Bronte Evans.

Bob was on a role also taking out the Skeet Doubles with a score of 44/50.

Bronte Evans took out the 50 target Skeet Championship with a score of 49/50.

High Gun went to Bronte Evans 162/175.

The next event was the DTL with four shooters starting the day off with possibles in the Eye Opener. Anthony Brown from Darwin,

Pictured left to right: R. Day (Points State Title); R. King (Postal Team); "Stumple" Lowery (Handicap); A. Robinson (Single Barrel State Title); A. Brown (Double Barrel State Title); B. Evans (Carnival High Gun).

A. Robinson, left and Rod King.

was very busy in the office, but still able to come in with the only perfect score in the Double Barrel Championship.

The only shooter from the rock, Rod LeStrange came in with the perfect 10/10 in the Single Barrel Eye Opener.

Local shooter Andrew Robinson came good with a win in the Single Barrel State Championship.

The next event was the Point Score Eye Opener with four shooters shooting the perfect 30/30.

Visiting shooter from Kalgoorlie, R Day had a good win in the Points State Title with a fine 147/150.

The last day at the carnival saw the Handicap events underway with five shooters shooting the possible 10/10.

Another event had finished with only one possible on the board, that of "Stumpy" Lavery from Frankston (Vic).

Last but not least was the Double Rise with Bronte Evans having a good win with a score of 47/50.

Thanks to everyone who helped to make the carnival a success.

Two gentleman of the Territory, Bob Dalglish, left and Jim Bltoss.

Financial Support

Tamworth Olympic Team Member, Clive Barton received some much appreciated financial support in the weeks prior to the Olympic Games.

The NSWCTA Northern Zone very generously provided \$1,500 to help off set the huge costs incurred over the years.

This, along with support from his home Club, Tamworth and the North-West Hunting Club - Tamworth Branch - was a huge boost to the ISSF Skeet Shooter.

Pictured from left, zone president Peter Holmes, Col Barton and zone secretary Leah Humphries.

The Zone cheque was presented during the Annual Shoot at the Tamworth Club and was accepted, in his absence by Clive's father Col.

Sunshine Coast Clay Target Club

On 17th September, the Sunshine Coast Clay Target Club (SCCTC) held their monthly Shoot. 30 keen shooters participated in excellent shooting conditions for the Sunshine Coast. We had one shooter from Ballandean, plus the usual contingents from Gympie and Caboolture.

Event one was 25 targets point score. Wes Humphreys shot extremely well to record the only possible in this event in taking out the AA grade. He was closely followed by Ian Mohr (Caboolture) who pulled one second barrel and Quinto Porfiri who pulled two seconds. Scott Trafford's new gun appears to be agreeing with him as he took out the A grade. It was also good to see two of the club veterans have still got it with Bill Dunne taking out the B grade and Bill Wilcocks taking out the C grade.

Event two, 50 targets double barrel, was put on hold for half an hour. This was to allow shooters time to watch Michael Diamond complete his final round in taking out the Gold medal in the single trap at the Olympic Games. With this inspiration, two shooters proceeded to record possibles Wal Durre from Gympie and local shooter Pygmy McAndrew. With local support, Pygmy was able to defeat Wal after a short shoot off. A short shoot off was also required to sort out the A grade. Scott Trafford defeated Craig Morris for the A grade. The B grade shoot off provided the best shooting for the day. Local junior, Liam Murray and Caboolture shooter, Ian Hedger, needed an extra 42 targets to decide the winner. Well shot Ian.

Event three was the championship event for the day. This was

25 targets single barrel. Craig Morris was cruising to a possible but dropped his last target. His score of 24 was still good enough to win the overall title. A short shoot off between Gympie shooter, Bill Stolberg, and local Wayne Murray was needed to give Wayne the A grade title. Once again the B grade shooters provide some excellent shooting in their shoot off. 3 shooters started in the shoot off, Liam Murray, Jim Davison and Dan Vincent. A further dozen targets were required before Dan could claim the B grade title.

There were no shoot offs required to decide the highguns but in each grade, there were a number of shooters one point behind indicating tight shooting all day. The overall winner was Wes Humphreys closely followed by Quinto Porfiri who took out the AA grade. A grade winner, Scott Trafford's shooting with his new gun will have him back in AA grade in no time. Good to see junior shooter Liam Murray is back to near his best in taking the B grade highgun. It was a profitable trip from Ballandean for Allan Mills in taking out the C grade highgun.

 B Liam Murray 137/150
 C Allan Mills 111/150 (Ballandean)

A couple changes were introduced to the shoot calendar for the remainder of the year. Over the summer months, the night competitions will continue as normal but at the end of the 3 or 4-month period, each grade will be awarded a highgun prize based on the shooters totals posted at these night shoots. To find out more, please get along to the club for more details and support your club. A gentle reminder to some of our club members, it is a requirement of your shooters licence to attend a minimum number of competitions a year.

Also the Christmas shoot programmed for the 17th December will involve 4 events across both trap and skeet disciplines. The day will require all shooters, from both disciplines, to shoot 25 skeet, 25 ball trap, 25 DTL, and 15 pair double rise. Shooters please note, the start time for the day will be 9 AM not 10 AM as advertised.

The next major shoot for the SCCTC will be our annual January Super Shoot to be held over the weekend of the 13th & 14th January 2001.

QUEENSLAND STATE SKEET CARNIVAL

On the day that Michael Diamond won the Olympic Trap at the Sydney International Shooting Centre - claiming back to back gold medals- Margaret Denton, the joke telling granny from Roma had everyone looking up the record books - when she claimed that Qld. State Skeet Championship - outright with 98/100 then followed up by winning the Overall High Gun by one target from Neal Dimmick.

All this from someone who was unsure if she would actually make the trek to Townsville for this years Carnival !! Congratulations Margaret.

Some readers may think they have read something about Townsville and State Carnivals already this year - in fact all three - Trap, ISSF and Skeet have been hosted in Townsville this year - a huge undertaking on their part.

The Townsville Committee under the leadership of Tom Comerford must be congratulated on the presentation of their facilities, hospitality and friendship extended to all at each of the Carnivals.

In all, 64 shooters attended this years Carnival - 11 up on the previous year at Rockhampton - a very pleasing result for the State Association considering the distance and location of Townsville - in the far north of the State.

Northern Zone President and State Councillor, Wayne Reeves assisted by fellow Councillors, Mick McGill, Ray Collinson and Peter Field - saw to the smooth running of the event. The Office was expertly attended to by Carol Betteridge and Cherie Reeves - a great team.

A brief look at the results (full report is the shoot report section) -

State Doubles Champion - Mick McGill (Mt. Isa) 52/54, State Handicap winner - Anthony Hanna (Charters Towers) 104/110, State Skeet Champion - Margaret Denton (Roma) 98/100, Pacific Coast Championship - Ray Collinson (Burdekin) 99/100

State Open Team - Margaret Denton, Max Barton, Neal Dimmick, Kel Madsen, Mick McGill, Peter Field, Laurie Chelepy, Geoff Archer, Ray Porter, Guy Bedington, Christ-

Maryborough Tid Bits

The CTSN (the Bible) arrived Tue 29th August before I had time to start my next months column. So what's better than starting with the bible comments, I notice congratulations to go to Quinto over at Sunshine Coast for taking out the Ray Wilson Memorial being a Miroku. Your mate Ray would be delighted you won it Quinto, also congratulations to Kaye and Dennis getting into the high guns.

A friend rang and said I didn't know you knew Prince Charles, so I said I didn't know him personally. And he said in MTB you said you got the bible and letters from Prince Charles. It just happens that the mail was from Prince Charles Hospital. Sorry about that.

There was the shooter travelling to a nearby shoot when he saw a police car in the rear vision mirror. So he put down the foot and sped off, going from 100 to 115 to 125 and at 150 the police got the best of him and pulled him over and the policeman said, "Do you know what speed you were doing?" and the driver said "I sure do". So the policeman said "why did you speed off when you saw me?". "Well" said the shooter, "A policeman ran off with my wife last week and I was afraid it was him and was bringing my wife back!"

KINGAROY 3RD SEPT KEN MILLS TOYOTA DAY

Thanks to Ken Mills for the excellent trophies for the 100T day. With 40 shooters from Dalby, Gympie, Central Burnett and locals. A shoot off for overall between Bill Allen (Dalby), Doug Smith (Dalby) and Gary Darling (Central Burnett) resulted with overall and AA going to Bill Allen, 2nd AA Doug Smith and 3rd Gary Brown. In A grade 1st Gary Darling, 2nd Brian Goddard (Gympie), 3rd Russell McGill. In B grade 1st Neale Tessmann, 2nd Dick Rackmann, 3rd Cameron Brown and C grade 1st Mal Rankin, 2nd Tom Brereton (Gympie), 3rd Jonathon McDonald.

There some top scores posted on the day with OA Bill Allen 117/117. Good shooting Bill.

Also Doug Smith 109/110, Gary Brown 99/100, Gary Darlington 115/116, Brian Goddard 103/105, which put Brian up to AA. Must have that gun working now Brian, and Russell McGill 102/105 also to go in grades from C to B was Tom Brereton (where were you Chippis?)

Thanks Max for results and list of shooters who pop up in other clubs. Thanks and see you around the traps Max. Next shoot Nov 5th DB PTS DR -

The fellow in charge at the pearly gates was told to knock a few back as it was getting too crowded up there. So when he had news that there were three blokes on the way up he got a few questions ready. So meeting the three he said "To enter you have to answer a question and you can go in". So St Peter said to the first fellow, "In 1912 a famous ship collided with an iceberg and sank. What was the name of the ship?". And the first fellow said it was the Titanic, so St Peter said "Go in and make yourself at home". Then he said to the 2nd fellow, "In 1912 the Titanic hit an iceberg and sank. How many went down with the ship?" The reply was 1,128. "That is right," said St Peter, "In you go make yourself at home". So on to the 3rd bloke and St Peter said, "Ok, tell me this, there was this boat the Titanic which hit an iceberg and sank in 1912 with the loss of 1,128 lives. To enter the pearly gates and live in heaven all you have to do to enter is name the 1,128 who lost their lives.

BUNDABERG 2 DAY SHOOT 2ND & 3RD SEPT

Event 6 25T Sugar City Handicap

1st Peter McAndrew, 2nd Peter Winzen, 3rd Bill Hannenber, 4th John Butters.

In the teams event "Got one" with all Rehbeins and one outsider, it was Kaye, Rob, Paul Rehbein and Graham Whitfield who came home 1st and 2nd was "Terona A-Team", Irvine Wynyard, Phillip Warren, Keith Jarick and Brian Fourro. You got them over the line Graham?

High Guns for the 2 Day.

Overall Rob Rehbein, AA grade Paul Rehbein, A grade Bradley Petersen, B grade Kaye Rehbein, C grade Keith Palmer. Ladies Kaye Rehbein, Junior Allan Purkis, Veteran Bill Francis and this sounds a bit suss. Both raffles Rum & Scotch and Rum & Liqueur were both won by Kaye Rehbein. Sponsors to be thanked are Winchester Australia, Allen Powell Ford, Bundaberg Toyota, Wide Bay Capricorn, Rehbein Guns, Janice & John Butters, Ted Jensen, J & R McCracken. Next shoot Nov 5th.

Thanks for well wishes by Harry from Peter Winzen, Graham Whitfield and Keith Mackay.

There was this fellow who had most of his stock taken. The policeman who investigated the robbery was surprised at how the proprietor of the stolen goods was taking the robbery so good. So he said to him, "You seem to be taking this robbery very well, considering how much was stolen." The proprietor said, "Well it could have been worse. You see I am having a sale and everything is marked down half price".

It was great to see one of our best shooters be selected to play on Channel 7's Millionaire quiz show on Sep 6th. Congratulations Russell keep up the good job of being one of our ambassadors. A most important job.

GYMPIE 10-9-00

Visitors being Kevin Howard (Sunshine Coast), Vince Dollisson and my driver Harry Walker (Maryborough) and one surprise visitor was ex-shooter to Gympie who had a lot of shoot offs with some years back. It was good to see Dave again and meet his wife Gina and No 1 son Casimero known as CD and No 2 son Taylor. Nice to see you again Dave and best of luck. Thanks for calling in.

Gympie changed their method of Jackpot being entry in with nomination and shot off middle lane, first to draw the new way of Jackpot was Tony Clark, who let it get a little bit bigger. Better

luck next time Tony. The Whisky Quick Board draw was won by Wal and Meat Tray Raffle was the hard working kitchen lady Yvonne.

In results of shoot it was Glen Durre and Brian Goddard, going head to head after 65 shoot off Wal got the start with DB and SB. Then Brian took over AA to take 1st and metre in handicap 1st Cont and AAGHG. In A grade the return of Bill Stolberg from his northern trip took DB and Cont. While Gary Carew took out Lex Stolberg, Cont and Mathew Post DB SB and BGHG. Good shooting Mathew. While C grade was a battle between Glenda Post and Harry Walker shooting off for most events. It was Glenda in Cont after a long shoot off and Harry took DB, SB, 2nd Handicap and CGHG.

With us shooting 1st October instead of last of September I will wrap this up and get it off to Karen. Shoots for November are the Kingaroy and Bundaberg 5th November, also Caboolture 2 Day 4th & 5th Nov.

Gympie 12th DB, Cont, H/Cap, DR. Also Mungungo 12th Nov 1 Day. Our shoot (Maryborough) 26th Nov 12 noon DB, SB, PTS, DR with Brisbane Trap Grand Prix 25th & 26th Nov. Take your pick, plenty of shooting.

Thanks to Harry one of his prizes was a meat tray, which we received most of so I was able to have pork chop for tea and sausages today. Thanks Harry, keeping winning meat trays. And thanks to Gympie kitchen ladies Yvonne and Marge.

Good shooting to all till next time, see you at the shoots.

Lost Bird

Shootin' Shorts

Rumour has it, that there is fierce competition going on between two clubs in Qld for the best catering award. One from way out West may have had to concede recently, after the coastal club went as far as having chef's to present and deliver the "El Supreme" FREE dinner at their annual. Stay tuned... The Western Club still has the better web page though!!!

The Award for the best dressed Committee men must go to those from the Illawarra Club. Those nice maroon jackets would look more at home in Qld don't you think.

Now this one comes from a very reliable source..... Newish shooter heads off on a 3 hour trip to Gun Club - passing many others on the way. On arrival - Ball Trap - what's that? Gives it a go - shoots 16/25, next up Double Barrel - that's more his style - 16/25. Then Single Barrel not the best - 16/25 again. At the end of the day - a mate gives him a red hot tip - Horse 7 Race 9 (16 again!) - why not - off to place the bet - you guessed it - 16-1!!!!

Originally he was to carry the Olympic Torch in Armidale, but a couple of changes saw Terry Rumbel do the honours in Guyra. Congratulations.

An expert is a man who has made all the mistakes, which can be made, in a very narrow field.

From the "Did you know" Karoly Takacs was a member of the Hungarian world champion pistol team in 1938. While serving in the army, a grenade exploded shattering his right (shooting) hand. But he learnt to shoot left handed and in 1948, aged 38, won Olympic Gold.

People's minds are like parachutes. To function properly they must first be open.

Also from the "Did you know" in the Olympic handbook - shooting is the safest of all Olympic sports; no-one has ever been injured while competing in a Games event.

How about this one - After Joanne Brown's home run gave Australia a shock 2-1 win over the US at Atlanta, the report was featured on the front page of the New York Times. Kieren Perkins's 1500m swim that day was buried in their swimming wrap.

A well known baker has been shooting very well of late - won a very appropriate trophy at a coastal shoot - a bread maker. For those left wondering - the red hot tip at 16-1 - well it came last.....

BONANZA FOR MOULAMEIN

Moulamein Clay Target Club's recent day/night competition held on Saturday, September 23, proved to be a bonanza with an attendance of 61 shooters plus many supporters. This was the largest attendance of participants to attend the clay target club in its 22 years of existence.

Competitors travelled from Barham, Bendigo, Broken Hill, Castlemaine, Echuca, Kerang, Lake Boga, Mellool, Robinvale, Shepparton and Swan Hill.

An outstanding feature of the attendance was the relatively high proportion of Junior shooters, both male and female, a good omen for the future of clay target competition.

In perfect weather conditions, with good scores, all pitched in to assist in every way and the happy atmosphere was that of a "Mini Olympics".

A 60 target Medley, of 20 targets Double Barrel, 20 Single Barrel and 20 shot as Points Score brought creditable scores over all grades.

In AA grade, Malcolm Absalom, 129/130 was just ahead of Craig Weaver 128/130. Third in AA grade was Norm Bromley on 98/100. Gordon Fletcher won A grade on 98/100 and runner up was M Ford 96/100. Ian Phillips was third, 95/100.

An outstanding effort by Nola Blake in B grade saw her win on 97/100. R Langridge and R Whyte on 94/100 shot off for third in B grade and victory went to Langridge on 104/110. C grade winner on his return to clay targets was Dean Butterworth, on 98/100. Second in C grade was B Follett on 89/100 and third place went to Joe Costa, 86/100. This event was sponsored by Molin's Country-wide Petroleum.

25 Targets, a Single Barrel championship, sponsored by Geoff and Jenny Manuel, resulted in only one "possible", that of Craig Weaver. Runner up was Malcolm Absalom, 23/25. C Peach, Noel Blake and Chris Langridge on 22/25, shot off for third and Noel Blake was the victor, 30/33. Ian Phillips won A grade with 23/25 while K Newman, J Lendon and P Costa shot off for second and third. Lendon was successful on 23/26 and third was Newman on 25/29 from Costa on 24/29.

B grade saw Mrs Nola Blake again display good form by scoring 24/25 to win. Second was Geoff Manuel, 23/25. Bob McGillivray and R Whyte shot off for third and Whyte scored a win on 23/26. C grader Brett Follett and Joe Costa on 22/25 shot off, Follett winning 26/27 to Costa on 25/27. Third, Paul Bird, 20/25.

The afternoon competition was topped off by a delicious barbecue and dessert prior to the night component of Continental contests.

Five targets, Continental, as a sweepstake resulted in 19 "possibles".

Junior girl, Amanda Taylor, of Barham, achieved 5/5 in this difficult event.

25 targets, Double Barrel, Continental in four grades to three places, saw 25/25 achieved by Gary Harris and Craig Weaver. A shoot off for the "Overall" sash saw a win by Harris, 33/34 from Weaver 32/34. AA grade was clearly won by Craig Weaver, 25/25 from Charles Peach on 24/25. Malcolm Absalom and Chris Langridge on 23/25 contested third place with victory going to Absalom on 38/41. A grade winner was Gary Harris, 25/25 while Neil Morrison, Bill Perry and Peter Costa, all on 24/25 vied for second place. The win went to Morrison on 34/35 from Costa on 33/35. Terry Archer, 26/27 won B grade from Lindsay Swinnerton, 25/27 and third was Ray Whyte 23/26 from Brendan Blake.

C grader Brett Follett won on 24/25 from junior girl Amanda Taylor, 23/25 and third in C grade was Joe Costa, 19/25.

At the presentations, President Charles Peach thanked the audi-

ence for the wonderful assistance so willingly given by visitors and local members throughout the day and night. Appreciation was also extended to the sponsors, the office and catering staff. For the first time in the club's history, both green grocery raffles were won by one person, Mrs N Morrison and Mrs Nola Blake won the main raffle worth \$52.00.

Mrs Blake also won the Ladies Trophy for the day, Bill Perry the Veteran's trophy and Junior trophies went to junior girl Kylie Stott and the junior boy, Brendan Blake.

Moulamein's next competition is to be held on Sunday, October 22 when three championships will form the main events. The day's competition will incorporate a special section for junior shooters.

Charles Waterhouse Memorial Shoot

NSW Gun Club Ltd

The final of the hotly contested Charles Waterhouse Memorial Shoot was conducted at NSW Gun Club on the 9th August 2000.

From left Denise Waterhouse, Steve Caltabiano and Alex Comino (president).

This shoot is sponsored by Denise Waterhouse, Charles widow and family. They kindly donate the trophies for this event yearly. This year there were TV sets for overall and 1st in each grade and Electric Grills for runner up in each grade. The final was 30 targets double barrel and only qualified shooters were eligible to compete 3 shoot attendance out of 8 required. The winner overall was Steve Caltabiano with the only possible.

The results are as follows:

O/All Steve Caltabiano 50-30
AA 1st Hank Theunissen 29+3
AA 2nd Tony Cantali 29+2
A 1st John Norris 29+2
A 2nd Rod Van Beek 29+1
B 1st Paul Kouroupis 28+5
B 2nd Ben Squire 28+4
C 1st Terry Burgess 23
C 2nd Jay Ray 21

It was a great night and the trophies were presented by Denise. All the competitors were grateful for her continuous support and it was wonderful that she could be present on the night to do the honours. On behalf of the NSW Gun Club board and members, thank you very much the Waterhouse family and we look forward to another bigger and better Memorial Shoot next year.

MOUNT ISA GUN CLUB

September 2000 Shoot

On the 9th and 10th of September, the Mt Isa Gun Club held its monthly competition. Saturday afternoon saw the 50 targets Skeet Handicap shot. Seven shooters shot their handicap to participate in the shoot-off. Cecile Edmonds (88-93) gained first place, Ray Burrows (81-93) took second place and Michael Coleman (73-84) gained third place.

On Sunday morning shooters contested the Copper City Skeet Championship, shot over 50 targets. Overall was won by Mick McGill (48-50) also taking out A grade. B grade was won by Rod Cusack (47-50), C grade by Cecil Edmonds (45-50).

The Gus Burchler Remembrance Trophy was contested over both 50 target skeet events. Mick McGill won the trophy (97-100).

25 targets point score tower was the next event of the day. Peter Rose shot a convincing 66-75 to win A grade. Mick McGill continued his form to win B grade (50-75), while Ray Burrows (43-75) took out C grade.

The down the line program commenced with 25 targets double barrel equal score. Greg Matthews shot a flawless 25-25 to win A grade. Ross Ohlsen (23-25) dominated B grade. Joe Sebastiani Jnr (16-25) took out C grade.

Event five was 50 targets single barrel. Bruce Hall (57-62) defeated Mick McGill (56-62) in a shoot-off for A grade. Jamie Cameron (38-50) won B grade. Joe Sebastiani Jnr once again dominated C grade shooting (34-50).

The last event of the day was 10 pair double rise. Shooting (16-20) saw Bruce Murphy win A grade. B and C grade was a family affair. Joe Sebastiani Snr (9-20) won B grade while Joe Sebastiani Jnr (12-20) won C grade.

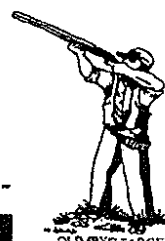

Mick McGill winner of the Copper City Skeet Championship and the Gus Burchler Remembrance Trophy. Mick won the Gus Burchler Remembrance Trophy with a score of 97/100.

Trap Rule Change Proposals

The following is a summary of the Trap rule changes proposed by the ACTA rules Committee to be implemented in January 2002. These changes have been developed through a consultation process with each of the State associations and through meetings with interested trapshooters at the last two National Trap Championships.

The aim of the amended rules is to improve our Trap Handicapping and Grading systems as well as to more closely align our rules with Trap rules used internationally.

(1) Target Setting Changes:

Distance (Singles) = 46 metres +/- 2 metres (50 yards)
Distance (Doubles) = 40 metres +/- 2 metres (44 yards)

Angles (Singles) - Event Settings = up to 22 degrees left and right of centre

Angles (Singles) - Shootoff Settings = up to 35 degrees left and right of centre

Angles (Doubles) - 22 degrees left and right of centre +/- 5 degrees

Height (Singles & Doubles) = 3 metres +/- 0.15 metres @ 10 metres

(2) Handicap Rule Changes:

(a) Minimum Handicap = 15 metres

(b) Maximum Handicap = 25 metres

(c) New shooters to commence from 15 metres

(d) Members of other Clay Target Associations to commence from:
AA - 22 metres, A - 20 metres, B - 18 metres, C - 16 metres

(e) Handicap Increases - High Scores:

Shooters	Increase - metres			
	1st	2nd	3rd	4th
15 - 24	1/2			
25 - 124	1	1/2		
125 - 249	1	1	1/2	
250 - 499	1 1/2	1	1/2	
500+	2	1 1/2	1	1/2

(f) Handicap Increases - Percentage:

Handicap Percentages - to include all Handicap event scores and to be calculated from the shooters accumulated handicap score.

Handicap accumulated scores are to be recommended every 100 targets and when a change in handicap takes place.

Percentage	Increase - metres
96	1/2
97	1
98	1
99	1
100	1 1/2

Any score of 50/50 will earn 1/2 metre provided it does not earn at least that much under the other increase rules.

Please note that with 1/2 metre penalties no backward movement is necessary until the shooter has penalties totalling 1 metre increments.

(g) Handicap Decreases - Percentage:

A reduction in handicap of 1 metre is awarded if the shooters handicap percentage is less than 87 % for 5 consecutive groups of 100 targets.

No shooter will be reduced more than 1 metre in any year.

(3) 15 Metre Rule Changes:

(a) Separate 15 metre and Double Rise Grades.

(b) 15 Metre Percentages - to include all 15 metre event scores and to be calculated from the shooters accumulated 15 metre score. (Continental scores are not recorded.)

The shooters accumulated 15 metre score and 15 metre percentage are to be ongoing for the entire year.

Low scores are not to be included in the accumulated 15 metre score. That is, scores that are more than 8% below the shooters 15 metre percentage.

Grades:	AA	97% & over
	A	94% & over
	B	87% & over
	C	under 87%

A reduction in grade is awarded if the shooters 15 metre percentage is less than their grade percentage for more than 500 targets.

(4) Double Rise Rule Changes:

Double Rise Percentages - to include all Double Rise event scores and to be calculated from the shooters accumulated Double Rise Score.

The shooters accumulated Double Rise score and Double Rise percentage is to be ongoing for the entire year.

Low scores are not to be included in the accumulated score. That is, scores that are more than 8% below the shooters Double Rise percentage.

Grades:	AA	90% & over
	A	85% & over
	B	78% & over
	C	Under 78%

A reduction in grade is awarded if the shooters Double Rise percentage is less than their grade percentage for more than 500 targets.

Waratah State Notes Inter-Club Shoot

During the year Coonamble, Mendooran, Warren and Narromine Clubs have held Inter-Club shoots. These events have been very enjoyable. On Saturday 23rd September teams came from Warren & Mendooran to complete the Narromine round. Events were shot in warm, fine and clear conditions.

The points for each team on this day were Warren 572, Mendooran 474 and Narromine 584, with Narromine taking out the day and Mendooran winning the Inter-Club teams competition for 2000. Congratulations to Mendooran.

New shooters have expressed interest in joining our Club after their visit to the shooting at the Olympic Games.

Narromine Clay Target Club Dinner was held at the Stockman Motor Inn on Saturday night. Members of the original Narromine Clay Pigeon Club were invited to join current members and bring along their favourite trophies. Jim Jones, Max Pay and Keith McLachlan told great stories and exhibited sashes from 1950's. Max said he enjoyed shooting at Young club as it had a very good background. Current members showed a fine collection of badges, prizes, photos and articles to remind us of interesting competitions and adventures getting to and from events.

CUZZO'S RAMBLINGS NOVEMBER 2000

The 1999 Skeet Nationals was a great shoot. Why do I think so? Because I saw a lot of smiling faces during the week and I think that most people went home happy. And if that's not the definition of a great shoot, then I don't know what is. Now winning will definitely make most people happy. Actually, I've never seen a winner go home really unhappy yet. But if you're going to rely on that to do it for you, then I wish you luck, but don't hold your breath, because the odds are heavily stacked against you.

The simple arithmetic is that this year about 150 shooters will compete at the Skeet Nationals, but there are only a handful of events to win, so in order for everyone to go home happy, the other 140 odd people will need to at least have had a good time. And last year I think they did. Why? Well, a number of reasons actually. For a start it was the first Skeet Nationals held at the new National Shooting Ground and I think that most of the people noticed the improvements that have been made already, and realized that from now on, every time they come back, the place will be bigger and better. That's the main advantage of having a National Ground. It's a sort of catch 22 situation in reverse. Because you are going to use it so often, it's worth pouring money into, and because you do use it so often, it generates the money to pour back in.

Another reason was the program. It was a good one. Seven full days of Skeet shooting and an extra National Title event to contest. The National 20 Gauge Skeet Championship was held last year for the first time and I think it went off very well. Considering the fact that it was new and different, and for the first time required special equipment to compete in it, I thought it got off to a great start. It certainly led to at least two of the States conducting a 20 Gauge Title event at their State Skeet Carnival this year, and I'm sure that more will follow. I'm not usually one for making rash statements, but I will be very surprised if the 30% of the field

that entered the event last year, does not increase to at least 50% this year.

Another new thing we tried last year, that turned out to be a roaring success, was the staging of extra novelty events, after the completion of the programmed events, on the days that we finished early. We had two different ones actually. The first was a lucky number shoot-off, which we borrowed from the World Skeet Shoot. How it works is, at the end of the day, we draw a number from one to ten out of a hat, and everyone who shot a score ending in that number, goes out and shoots off for a prize. It's a lot of fun and it's a no-lose situation. There's no extra entry fee, you get into a shoot-off, and if you win, it's a bonus. So if we draw a four and you shot 94, or 84, or even 74, you're automatically in a sort of second chance draw for free. Good eh?

The other one was a world first. Why? Because we only just invented it. Actually invented might not be exactly technically correct. Stole might be closer, because we pinched the basic idea from Trapshooting. About the only Trapshooting event I know of that combines all the attributes more usually associated with Skeet shooting, such as team participation, fun-filled and socially oriented, is Deauville Doubles. So we simply took that event and adapted it to Skeet shooting. Instead of listing two teams per squad and shooting them off the two outside pairs of lanes, we shot off stations three and five, listed five teams per squad, and lined them up indian file behind the two stations, sort of like a Trap Deauville Doubles shoot-off. The first day we shot a trial event and the second day we conducted the First (unofficial) National Skeet Deauville Doubles Championship. To say that the event was popular would have to be the understatement of the week.

Another reason the shoot ran so smoothly was because we negotiated with Canterbury Voice Release in New Zealand to supply us

with a full set of demonstration Skeet Phono-pull units, to be used for the first time at a Skeet Nationals. Then we wired those up so that they would plug into the button cord points, in order that the two release systems would be quickly and easily interchangeable. And then we made either system optional at the shooters' choice. That way we had the best of both worlds. Those people who liked the phono-pulls were able to use them. However, those people who didn't like them, or were apprehensive about them, or were unfamiliar with them, were able to continue to make the choice to stay with the traditional method, until such time as they felt comfortable to change over. The fact that a voice release unit was also available to try on the practice field, was probably the main reason why the phono usage over the week exceeded 95%.

This is probably an opportune point to stop and appeal to any and all Skeet shooters who, at this time, are either not coming to the Nationals or are still considering it. Why? Because if you miss this year's shoot, you will live to regret it. Just because last year's shoot was so good, doesn't mean we are going to rest on our laurels. During the year we applied ourselves to eliminating one of the last remaining major problems at the Nationals. Shooting into the sun during the unavoidable late qualifying on Thursday afternoon. The solution was to start a day earlier and run a 50 target National Handicap after the shoulder to shoulder Team Shoot and the Opening Ceremony. I think it is a perfect solution. Not only will this definitely allow us to finish qualifying before the sun is able to create a situation of inequity, but now we also have another Major Event up for grabs.

All of last year's new innovations that were popular and/or successful will be retained. Canterbury Voice Release have kindly agreed to demonstrate their equipment again this year. The second (unofficial) National Skeet Deauville Doubles will be held on Monday afternoon, immediately following the National 20 Gauge, and lucky number shoot-offs will be held every night of the week that we finish early enough to hold them. Allow that thought to influence you, when you are deciding what time to come out to the club, and whether or not you will squad up in the first wave.

Another new novelty event is planned for this year. It will be held on Tuesday afternoon, immediately following the Pre-National Skeet Championship. It will be called a Skeet Doubles Handicap Shoot-out. It will be sort of like having a shoot-off, without having an event first. Everyone who enters will be squaded up and sent out to participate in an event that will look like a Skeet Doubles Shoot-off, but everyone will be allocated a certain number of targets start, just like a Skeet Handicap Shoot-off. Your handicap start will be determined by your grade. AA will get one, A will get three, B will get five and C will get seven. Payouts will be the same as the Deauville Doubles. 50% of the entry fee will be split 70/30 between Champion and Runner-up.

Everyone loves to shoot off and Shoot-off experience is as desirable as it is hard to come by. For that reason we are borrowing another idea from the World Skeet Shoot this year. A daily breakdown of the Two-Person Open Team Shoot. In the past we have run all of our Team Shoots over the whole program only. That system will continue for all other teams, but the Two Person Open Team will be conducted on a daily basis and shot off each day, if there are any ties. A portion of the entry fee will still be paid back to the overall winners at the end of the week, but the rest will be divided up and paid out on a daily basis.

At this year's Trap Nationals, they officially opened the new National Office and then had a Shooters Party afterwards. The party was so popular that I think it is now going to be held on an annual basis. I reckon it's a great idea and I see no reason why we shouldn't have one at the Skeet Nationals. The details are yet to be finalized, but I'm sure that we'll get one off the ground somehow. It is scheduled for Friday evening, so keep that night free.

And while we're on the subject of scheduling, don't plan to go home early on Thursday or Saturday evenings either. Thursday night is the Annual General Meeting of the Skeet Shooters Association, and I'd like as many people as possible to come along and set the direction of the Association for the coming year. You have to be a member to vote, but anyone is welcome to come along and every-

one will be given an opportunity to speak. On Saturday night, two sub-committees of the ACTA, the Rules Committee and the Championships Committee, have called an open meeting with the shooters to answer questions and receive some input from the competitors perspective.

The Rules Committee has had open meetings at the last two Trap Nationals, but this is the first time it has happened at the Skeet Nationals and I believe that this is the first open meeting conducted by the Championships Committee. I wholeheartedly congratulate the ACTA for this type of action, and I implore each and every one of you to come along and support this progressive initiative. If you are looking to have some say in the future running of the Skeet Nationals, then this is too good an opportunity to miss. And if you want our NSSA rules alignment brought in for 2001, then I suggest you come along and say so.

One last thing before I go. My application for the position of Shoot Marshall has once again been accepted and I wish to reiterate what my aims and objectives are. First, it's to make sure the shoot runs smoothly and on time. Second, it's to provide equity. That's a fancy way of saying that everyone will get a fair go and no one will get shafted. And third is to make sure that everyone has a great time. So if you have any sort of a problem at all during the week, please make sure you at least give me a chance to try and help you with it.

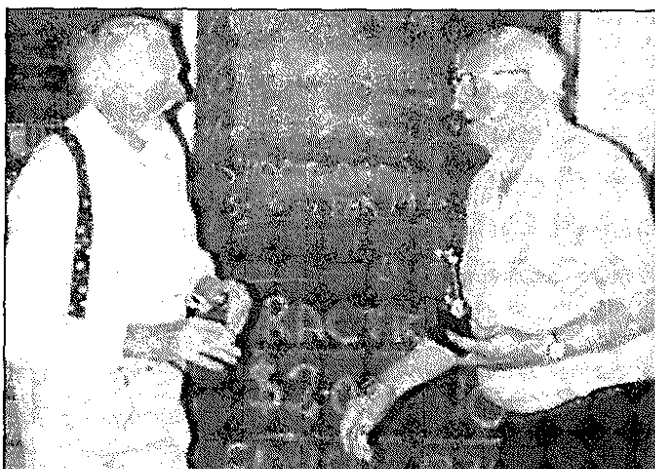

This month's Shooting Trivia Question: How many people have won the High-Gun at the Skeet Nationals and also been National ISU Skeet Champion? Mail your answer to Shooting Trivia, P.O. Box 265, Bairnsdale 3875, to arrive by 10-11-00 or phone me by the 14th. The first correct answer drawn shall receive a free entry to this year's brand new National Skeet Handicap, to be conducted on Wednesday November 15th. The correct answer to July's STQ was: The only multiple winner of both the National Skeet and the National Skeet Doubles Championships in Australia is Brian Thomson, who won the Doubles in 1992 and 1994, and the Skeet in 1993 and 1996. The first correct answer drawn was submitted by David O'Sullivan from Seaford in Victoria, who receives a free entry to this year's National Skeet Doubles Championship. Congratulations David. If anyone has a good trivia question or an interesting subject for discussion in this column, please forward it to me at the above address.

Good luck at the Nationals.....Adrian Cousens (0418-516395)

Dear Sir,

I understand that changes to the ACTA constitution are being considered and I wish to put forward some ideas and I encourage other members to do likewise, the more suggestions that are debated the individual members can then feel to be part of the process instead of being on the outside in the cold.

I believe that the disharmony and several incidents where legal proceedings have been considered by members of the association against administrators is the beginning of unrest which could continue unless changes occur.

I also believe that it is time for all administrators of our sport to step back, reflect, listen and remind themselves that their job is to represent all members of our sport and not just vested interests.

In my opinion there should be a clearly defined role for state and zone councils with the national body at the top with the last word on all matters including a mediation process to allow parties to any dispute to all be heard.

Another change could be the election of the president by a postal ballot of all members thereby giving the president independence and impartially and by having the confidence of the majority of members need not be influenced or owe allegiance to any organised groups within our organisation.

Michael Diamond back to back Olympic Gold, Congratulations Michael, and Silver to Russell Mark, also Congratulations. And they just said on TV that it's our first Silver, so you still got a first Russell. Australia Congratulates Richard Faulds taking the Gold from Russell.

Thanks to Michael and Russell. You have done more for clay targets in the few days you shot, and again to both Congratulations.

*Good shooting to all.

Congratulations!

As the sole Australian member of the Shotgun Jury at the recent Olympic Games, I wish to offer my personal congratulations and the congratulations of my fellow international members, to all concerned in the conducting of the shotgun events at Cecil Park during the Olympic Games.

Firstly to Alan Maher and his staff - Gina Di Lullo, Robbie Smith, Spencer Tweedie and Michelle Fletcher, congratulations. The time and effort you all put in over such a long period certainly paid off. To the National Technical Officials and sport specific volunteers around the shotgun complex, you did a magnificent job. The praise from so many people from all over the world confirmed that this was the best shooting competition ever conducted at an Olympic Games.

Finally, to all the volunteers who made so many people from so many parts of the world welcome. Well done, you can justifiably be proud of your efforts and what you did.

To all concerned - take a bow. You did Australia proud!

Dear Sir,

Reference the article October CTSN by Mr Graham Michell, Chairman of the Shooting Committee.

Having waded through this so called explanation my reply can only be that the writer has taken liberties with the truth.

The whole truth about the 1996-2000 period should be told, not just Mr Michell's flowery version.

Too often individuals have been hesitant to speak out freely because he is Chairman of the Shooting Committee, Selector, Team Manager and now Chairman of Judges Committee.

The situation of the debacle at the Commonwealth Shooting Championships (New Zealand 1999) and other major events are still very clear in mine, and others, memories.

We have lost many potential representatives because of these situations and his personal opinion.

M Alexander

National Director of Coaching 1992-1998

World Cup/Championship Manager & Coach 1993-1998

Olympic Clay Target Team Coach 1996.

Dear Sir,

I am at the moment more than a little angry. Having received the October CTSN magazine, I thumbed through it to see if Graham's letter of reply had been printed.

Yes, there it was, so I sat down to read it.

I was horrified at the number of spelling and printing errors that jumped out of the article at me (having done proof reading earlier in my career, it was not hard to find them - some 30 in total and I find this completely unacceptable). Words had been left out making sentences lack sense and one sentence had been rearranged, altering the meaning of the point that Graham had been trying to make.

Graham had originally dictated the letter to me, I had printed it out on the computer, proof read it for mistakes, Graham then checked it, I re-read it one more time and then I sent it off to the ACTA office for inclusion in the magazine.

I found the biggest insult was printed at the end of the letter - just who is Graham Mitchell anyway?

All that I do know is that Graham Michell is one of the most dedicated and hard working members of the ACTA's National Executive - just ask me, I know, I am married to him.

Ruth Michell.

Editor - I apologise for any embarrassment that may have been caused by our regrettable typing mistakes.

John Robert Dunstan

6-11-1940 to 27-9-2000

It is with deep regret that the Kerang Clay Target Club informs fellow shooters of the passing of John Dunstan after a short illness.

John was a respected and popular member and a stalwart supporter of our club for many years. He first joined in the 1970's and was responsible for a lot of "behind the scenes" input into the structural building of the club, be it donating steel, use of his factory and equipment to help build the tower, trap house, extensions to club rooms, etc. He was also a regular sponsor of our major shoots.

In later years, business and other community commitments prevented him from competing regularly in a sport he loved, but whenever possible he attended our shoots, even if it was only for a short time to catch up with his shooting mates. He will be sadly missed by all.

Our deepest sympathy is extended to his wife Heather, daughter Fiona and son Brett and their families.

Doc Middleton Shoot

Brisbane Gun Club Skeet Shoot — 3 September 2000

The skeet shooters at Brisbane Gun Club were chatting over a libation or two recently, under the photo of the late Doc Middleton which hangs in the club house, and someone mentioned the fact that there was, in fact, a Doc Middleton trophy which had not been contested for some time. It was decided that it was time to resurrect the trophy thereby honouring the gentleman and adding interest to our monthly shoot.

For those who do not know of Doc, he was a member of the club who was both a gentleman and a skilful skeet shooter. Doc enjoyed both the affection and respect of his fellow shooters and was well known for his traditional approach to dress; he always wore a tie when shooting.

Doc was also known for the extensive modifications he would make to his gun stocks and one example of his craft is mounted, with a photo of the gentleman, in a frame and hangs in the club house.

Another claim to fame is that he delivered the writer of this article into the world at 11:45pm on the 2 August 1942, while the writer's late father was extending a welcome to some uninvited guests at Milne Bay, New Guinea. Doc took very good care of Mum and she remembers him with affection. She also remembers that he was very well respected and was very much in demand in his speciality.

So, the skeeties decided to hold the contest for the trophy during the first event in the September shoot and that shooters should wear ties in his memory.

Twenty shooters turned up for the shoot and while many remembered to wear ties, looking very smart, some of us had forgotten the requirement. Apologies, Doc.

It was very nice to welcome Chris and Jackie Langley from the Gold Coast Club for the shoot, Chris sporting a large new gun.

The Doc Middleton trophy event was shot as a handicap event over two rounds of 25 targets and was won after a tight shoot-off by Kel Madsen with an excellent 80/80 score line. Bill Hennessy took second with 74/80 while Kwan Lien managed third with 64/74 event though his beloved side by side had to be discarded with trigger problems in favour of a more traditional under and

over. (What was that about wasting thousands on "fancy under and overs" when an inexpensive side by side will do the job just as well?) Kwan entertained us for the afternoon by shooting his targets so late that they were almost out of bounds.

At the presentation Kel accepted the Doc Middleton trophy very graciously, remarking that he was very proud to have his name on it and remembering how he shot beside Doc in times past. Congratulations Kel.

Event two was a sweepstakes event and was shot as a 30 target novelty event, with both singles and doubles on stations three, four and five.

AA grade pool was shared by Chris Langley, George Sckaf and Kel Madsen who all shot 29/30. Nice shooting fellers, especially in a novelty event. A grade was taken out by Carol Tipler with 29/30 also. Carol has returned from an exhausting eight week round the world trip and is regaining her excellent form. B grade was shared by Col Wheatley and Paul Symonov with 27/30 while Jackie Langley, who was shooting only as a father's day treat for Chris, took C Grade with 26/30. Well done Jackie!

The final event for the day was a 50 target graded event. AA grade was won after another shoot-off by George Sckaf with 66/68. Vaughan McInnes won A grade with 49/50, B grade by Col Wheatley, 47/50, and C grade by Jackie Langley with 44/50.

There was some excellent shooting during the afternoon but, most of all, there was a lot of fun had by all shooters. Congratulations must go to Don McPate for his tireless efforts in making our skeet shoots so enjoyable.

Thanks also go to Rita and Tony Kidman for the wonderful efforts in the kitchen. An excellent lunch certainly added to the day.

Remember everyone, Brisbane Gun Club holds its monthly skeet shoot on the first Sunday of each month, starting at 9:30am. The usual programme is 125 targets over three events with prizes on each event.

8. Handicap Scores

For the purpose of calculating the shoot-off for the National Skeet Handicap, shooter's handicap allowances will be added to their "off the gun" scores. For all other purposes, such as Team Scores, Team Selections, High Guns etc, "off the gun" scores will be used.

Shooting For A Cause

For the months of June, July & August not only were all shooters shooting to win they were shooting for a cause — cancer.

Shooters from Morwell Clay Target club, Tambo Valley Gun club, Wonthaggi Gun Club, Foster Gun Club, Traralgon Clay Target Club, Korumburra Gun Club & Bairnsdale Gun Club were all united in the commitment and dedication of Alan Brown and Linda Ristevski.

Morwell Clay Target Club is in a picturesque setting of hills and blue gums in the heart of the Latrobe Valley. August 19th was the big day. Linda Ristevski and Alan Brown were special guests to the Club, invited to draw the winning prizes, 1st prize, a tailor made jacket by Linda Ristevski, was won by Bernie Stokes of the Morwell Clay Target Club. 2nd prize a Clove Design Polo Shirt donated by Linda, won by Mick Higgins of Bairnsdale Gun Club & 3rd prize also donated by Linda was won by Bairnsdale Gun Club, 4 Clover Design Hats & Hand Towels.

A great day was had by all at the Morwell Clay Target Club with the amount of \$1,460.00 raised for the Peter MacCallum Anticancer Council Research. Morwell Clay Target Club would like to thank publicly the aforementioned clubs, Linda Ristevski and Alan Brown.

With the success of Alan Brown and Linda Ristevski's commitment, Morwell Clay Target Club will have this event annually. A group of small country gun clubs with great big hearts - all shooting for fun, all shooting to win, all shooting for a cause Cancer.

Yours in the sport,

Brisbane Exhibition Carnival

Seventy shooters attended the Carnival, visitors from New South Wales, Victoria and was supported by many Queenslanders.

The Committee of the Brisbane Gun Club wishes to thank the sponsors for their generous sponsorship.

The visitors and many others helped to make this shoot one of the best; the friendly nature of all concerned was appreciated.

Special thanks to the Office staff, the ladies in the kitchen, Shoot Marshall and to those who refereed and scored.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

(a) the person is a licensed firearm dealer, or

(b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

(a) the licence or permit number of the seller,

(b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts and maximum fine of \$5,500.

Rizzini®

Rizzini's continuous investments have transformed into an important industrial reality. Rizzini has never given up those traditions which have made it famous all over the world.

Carefully chosen and specially heat treated materials, as well as precise computer controlled production processes, assure efficiency, reliability and longevity.

Rizzini actions are crafted from solid mono blocks of alloy steel (Cr Ni Mo) and all guns are tested at 1370 bar (20139 psi) at the International Bench of Proof. After this they are once again tested in-house to check their mechanics and firing trim.
