## SEASONS GREETINGS

On behalf of the ACTA executive and office staff I would like to wish all members a Merry Christmas and the compliments of the season. We hope 2001 will be a prosperous year for all and that you enjoy your shooting.

## CHRISTMAS SHOOTS

Most clubs that I have visited go to a great effort to ensure that their Christmas shoots are enjoyable and to capture the spirit of the season. I encourage all members to join in, support your local clubs and enjoy the social atmosphere.

## WORLD CUP FINALS

I am happy to be able to report that the success of our shooters on the International scene continues. Michael Diamond and Deserie Wakefield Baynes have both won medals at the World Cup finals in Cyprus, which is the most prestigious event on the shooting calendar in ISSF shooting.

Michael Diamond won Gold in the World Cup final for Trap, then followed up with a Silver medal in the Double Trap. Deserie won Silver in the Women's trap event after losing the shoot off for the Gold medal.

These are fantastic results and our congratulations go to

Michael and Deserie for their efforts. These results and our Olympic successes show that Australian shooting is truly at a World class standard.

## ISSF NATIONALS IN BRISBANE

At the time of printing this months CTSN the ISSF Nationals were under way in Brisbane. A special thank you to the Brisbane Gun Club for their efforts with the grounds preparation and support. The QCTA has assisted by organising the office and Dexter Barnes is to be thanked for his efforts as Shoot Marshall.

A report of all winners at the ISSF Nationals and World Cup Final will be included in the next CTSN.

## PROMOTIONAL DAY

Michael Diamond and Russell Mark have been involved in a promotional day at the ISSF Nationals. The Brisbane Gun Club and ACTA organised a day in which Michael and Russell spent time talking to local school students and demonstrating their skills. This was followed up by a corporate and sponsor session for a number of invited guests. I thank Michael and Russell for donating their time to this venture and to the Brisbane Gun Club for their organisation.

## 2001 REGISTRATIONS

A brief reminder to all shooters that your 2001 registrations are now due.

The staff at the National Office of the Australian Calay Target Association, Andrew, Rebecca, Daniel, Kathryn and Dave would like to wish all readers and their families a happy and safe Christmas and new year.

We take this opportunity to inform you that the National Office shall be closed for a short break over the Christmas period. The office shall close Friday, December 15, re-opening Tuesday, January 2, 2001.

*Merry Christmas  
and a  
Happy New Year*

# Shooting Report XXVII Olympic Games Sydney 2000

After four years of commitment and training by athletes and over four years of planning by SOCOG, the XXVII Olympic Games are now over. A total of 411 athletes from 103 nations took part in the shooting competition which was described by the ISSF Secretary General, ISSF Technical Delegates and International Technical Officials as "the best Olympic shooting competition the sport has ever had".

What wonderful praise to receive for all of those involved in the years of planning. To then have the IOC President Juan Antonio Samaranch describe the Sydney 2000 Olympic Games as "the best ever" was the icing on the cake.

Credit of course for the success of the Olympic Games in particular the shooting competition, is shared by the many hundreds of people who gave of their very best to make the Games such a success. Australia has never before called upon volunteers in the numbers that were needed for the Olympic Games. The number of people from all walks of life who volunteered their services is testimony to their desire to see Australia produce the best Games ever, which they did. Congratulations to all who assisted with the success of the Games. The contribution which you have made will go down in the history of shooting as one of sports finest achievements.

# 2000 Victorian ISSF Grand Prix Series

The series, held on a monthly basis from May through September, involved 5 host clubs, Werribee -Victoria, Mildura, Frankston Australian, Melbourne and Echuca.

Some 70 competitors shot the Olympic Trap, including 11 juniors and 6 women and Double Trap 44 competitors including 7 juniors and 3 women. Visitors came from South Australia, NSW, Queensland and from Overseas, the New Zealand Olympic Team and USA.

Adam Vella — AA grade high gun olympic trap with sponsors Brett and Luca

The Grand Prix started slowly at Werribee in May with a total of 29 competitors, followed by Mildura over the Queens Birthday long weekend in June, a long weekend in Mildura is always enjoyable and an added bonus when one can shoot as well. Visitors from

South Australia and one New Zealander swelled the number of local entries as well as visitors from around the state, to 38 in the trap event and 24 in the double trap.

A wild and woolly weekend, weather-wise, in July saw Frankston Australian host the third Grand Prix of the series and again a good rollup of competitors. 34 nominations were received for the trap event and 19 for the double trap. Melbourne Gun Club was the next host club in August and again numbers were consistent with 38 trap nominations and 18 double trap.

Echuca on the first weekend in September, saw numbers down to 24 trap and 11 double trap entries, perhaps with good reasons, as the Sunday was Father's Day and due to the Olympic Games, the AFL Grand Final was rescheduled in Melbourne to the Saturday.

The object of the Grand Prix Series in Victoria is to promote the Olympic Disciplines, to encourage junior competitors, and aspiring Michael Diamonds and Russell Marks to make the National Training Squad, and not forgetting the competitors who just love shooting the Olympic Disciplines.

Selection of the State teams also comes from the series, with the three best scores plus the State Title qualifying for the State Shoulder to Shoulder teams.

There was a High Gun for the series, the qualification being the best score over the 5 competitions. The Olympic Trap High Gun, AA grade was won by Adam Vella, A grade by Joseph Ruffo, B grade by Frank Ruffo, and C grade by Wes Asmar. Frank Ruffo also won the Junior High Gun and Joanne Kerr the Women's High Gun.

Presentation of the Olympic Trap High Gun, generously sponsored by Elite Shooting Supplies and Beretta Australia, were made by Brett Dunstan and Luca Scribani Rossi and a great array of trophies they were. A big thank you is extended to Brett Dunstan and Luca Scribani Rossi for their support of the series.

The Double Trap High Gun, AA grade was won by Russell Mark, A grade by Brett Dunstan, B grade by Daniel White and C grade by Claire Watts. Daniel White also won the Junior High Gun and Claire Watts the Women's High Gun.

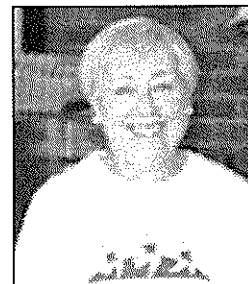

The Double Trap High Guns generously sponsored by the 5 host clubs, Werribee-Victorian, Mildura, Frankston Australian, Melbourne and Echuca, were presented by Frankston Australian President Paul Calvi. And a big thank you to the clubs for their generosity, without them the series could not be.

And lastly to all the shooters who came and supported the Grand Prix Series, thank you and see you again in 2001.

# 2000 WACTA STATE SKEET & TRAP CARNIVAL

The Western Australian Clay Target Association 3-day Carnival was held over the long weekend of 30th September - 2nd October, 2000 on the grounds of The West Australian Gun Club at White-man Park. Looking almost pristine in presentation, the park like outlook was a sight to behold. Months of preparation and good management had certainly paid off.

Weather wise for the first day of Skeet there were a few showers however these dissipated as the day passed.

At about 8.15 a.m. practice was called off so the WACTA President Mr Glenn O'Brien and the Tournament Director Mr Murray Alexander could address the shooters with the normal pre-shoot welcomes and information.

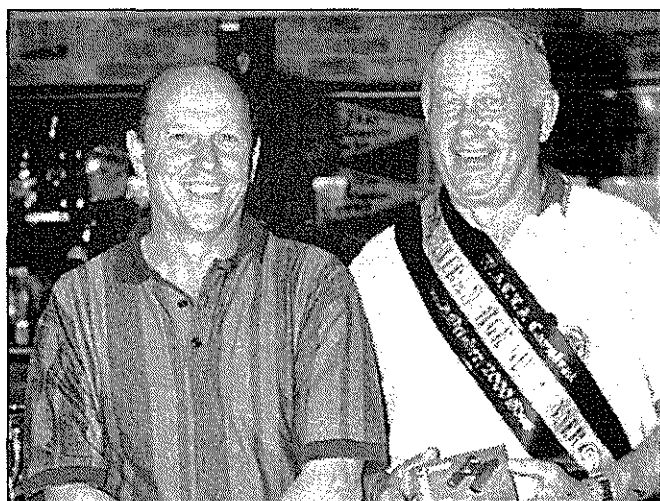

*Geoff Faulkes, overall high gun*

Event 1 was the Skeet Zone Teams shoot of 25 targets contested by 1 team each from 6 zones. This event was won with a very fine score of 124/125 by the South West Zone being represented by Max Weston, Sam Forsyth, Peter Vosper, Peter Fost and Phil House. Well done.

Event 2 50 target WACTA Skeet Championship had 92 shooters on the board. Like clockwork this event progressed well with everyone fulfilling their duties as referees and scorers with the usual crowd around the scoreboards watching with interest as the scores were being chalked up. The scores were good with 3 possibles posted, Clive Shepherd, Clem Bertini and Geoff Faulkes. Ten shooters were on a 49. After the usual shoot offs

were over Clem Bertini of WAGC stood alone on 64/64 to take overall, with a good start to what was to become an exceptional day for Clem. Other places as follows - 1st AA Marco Ponta (WAGC) 63/64, 1st A Clive Shepherd (WAGC) 63/64, 1st B David

*Tim Catling, veterans high gun with WACTA president Glenn O'Brien.*

Fox 61/63 (Collie), 1st C Max Cubic (Collie) 49/51. 2nd AA Peter Vosper (Edgehill) 62/64, 2nd A Geoff Faulkes (Albany) 56/57, 2nd B Peter Fost (Edgehill) 55/57 and 2nd C Brian Stewart (Bunbury) 48/51.

Event 3, the coveted 50 target State Skeet Championship sponsored by Pahth Communications got underway early afternoon

with 95 shooters. Again, as the scores trickled in it was evident that the cut off for the top 15 scores for the State Team selection was to be very high with prediction of 6 to 7 down from the 100 at the beginning of the day a little off the mark. Once the scores were all in, 95 was to be the cut off, with Tim Catling, John King and Max Weston shooting off for 15th place. Once again final positions had to be decided and 4 shooters John Rossi, Clem Bertini, Peter

*Travis Black, junior high gun winner with sponsor David Fox.*

Vosper and Geoff Faulkes with the 50/50 lined up to decide the places. After 1 1/2 rounds 2 shooters remained, Clem Bertini and Geoff Faulkes, with Geoff succumbing on station 1. Clem was still clean and won the overall with 104/104. Other results were 1st AA Peter Vosper 56/57, 1st A Geoff Faulkes 101/102, 1st B David Fox 48/50, 1st C Neil Tarves 48/50. 2nd AA John Rossi, 2nd A Sam

*David Fox, overall winner of event 8 state single barrel with Roy Holtfreter and Glenn O'Brien.*

Forsyth 88/89, 2nd B Rod Young 55/58, 2nd C Ric Vivante 57/61, 3rd AA Robin Bailey, 3rd A Tim Catling, 3rd B Ted Rose, 3rd C Andrew Vandeleur 56/61. Best unplaced lady was Linda Weston with 45/50, best unplaced junior Jennie Jannings 42/50, and best unplaced veteran Clive Shepherd with 46/50. The best junior over events 2 and 3 was Jennie Jannings with 89/100 winning her the Scotty Gibson Memorial Perpetual Trophy, kindly donated by Nancy Gibson. Thank you Nancy.

After shooting at a further 25 targets to decide the places for the Ladies, Juniors, and Veterans, the teams were as follows:

Ladies: Linda Weston, Jennie Jannings, Denise Pope with reserves Christine Alexander and Beryl Marney. Jennie Jannings

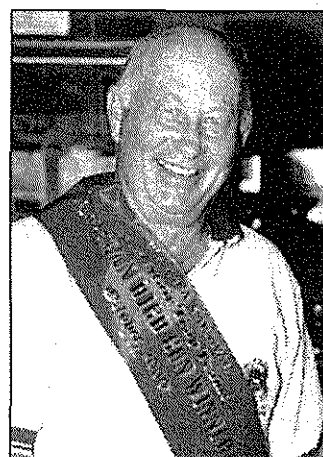

**Junior trap team high gun,  
Travis Black.**

**Denise Pope, ladies high gun  
winner.**

**Michael Howley, open trap team  
high gun**

**Tim Catling, veterans trap team  
high gun**

with a score of 25/27 was the team High Gun.

Juniors: Jennie Jannings, Matthew Anick and Travis Black with Matthew Anick team High Gun on 23/25.

Veterans: Clive Shepherd, Tim Catling, and Frank Ward with reserves Tony Yozzi, Frank Bombara and Roy Holtfreter, the team High Gun was Clive Shepherd with 25/25.

The Open Team after shooting at a further 50 targets were as follows: Clem Bertini, Geoff Faulkes, Peter Vosper, Sam Forsyth and Robin Bailey with as reserves - David Fox, Marco Ponta, John Rossi, Clive Shepherd, Max Pedri, John Page, Phil House, Max Cubic, Tim Catling and Mike Voke. Clem Bertini again triumphed after a shoot off for team High Gun with Peter Vosper and Sam Forsyth on a score of 85/85.

This brought to an end the days shooting with some excellent results no doubt helped by the new Gemini skeet machines. Clem never missed a target all day and clocked up a very creditable 253/253, his biggest break. All that was left was presentations and while the office staff were doing the usual paperwork and prize allocating in the office, a butt of beef was being carved up and dished out as a complimentary meal prior to presentations. The timing was perfect and certainly a nice touch to a tough and enjoyable day.

The presentations were well attended with the President of WACTA Mr Glenn O'Brien thanking the appropriate people and presenting prize money and team badges to the successful shooters.

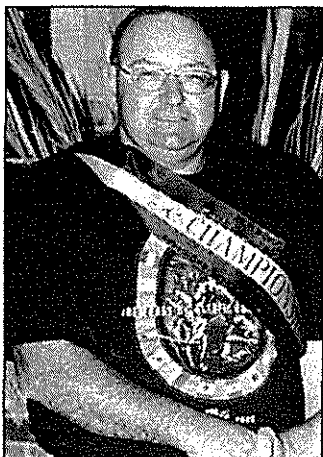

Day 2 - Sunday 1st October. Perfect weather, clear skies, warm with only the hint of a breeze. Conditions ideal for good scores. Again, the usual formalities with Glenn O'Brien and Murray Alexander getting things underway.

Event 5 was the Zone Trap Teams event, again with the 6 Zone Teams, some with shooters from the Skeet Zone teams. Good to see shooters excelling in both disciplines. The event was won with a perfect score of 125/125 by the Great Southern zone represented by Geoff Faulkes, Jim West, Greg Holly, Rob Balloch and Tim Bower. Looking at the honour board which started in 1985 this is a first time win for the Zone and a first time perfect score. Well done.

Event 6 WACTA Champion of Champions event was now underway with 118 names on the board. Things were ticking along nicely though with the odd squad leaving the layout and forgetting to stay to referee and score, the bane of all Shoot Marshalls, wasting time and creating unnecessary leg work trying to track down the wayward individuals. With voca phones it is actually a pleasure to referee, not worrying about giving a dud pull and inevitable scowl from the caller.

Machinery was performing well and none of the usual "men with spanners and hammers" was evident. Families were enjoying the sunshine and lawns.

The scoreboard area was the center of attention, shooters searching the boards for any possibles. Several 99's were up from the first 2 waves with just the scores from the last wave of 7 squads to come in. One score in red from Geoff Faulkes took out Overall with 100/100 with other places after some quite lengthy shoot offs as follows: 1st AA Sam Forsyth 171/175, 1st A William Lau 145/150, 1st B Arthur Pagett 121/125, 1st C Noel McCaskie 111/125, 2nd AA Rob Balloch 169/175, 2nd A Mike Daden 144/150, 2nd B John Bigg 115/125, 2nd C Steve Miller 108/125, 3rd AA Neill McWhirter 148/150, 3rd A Wesley Muntz 98/100, 3rd B Dino Fracaro 119/125, 3rd C Terry Marsden 106/125.

**Clem Bertini, overall winner of  
event 2.**

**Stacey Mathieson, ladies trap team  
high gun**

**John page, oveall winner of  
event 9 state DB pointscore**

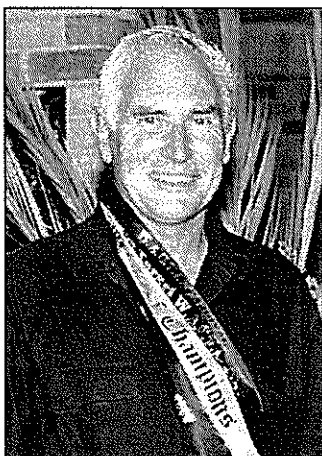

**Travis Black, WA state junior  
double barrel champion**

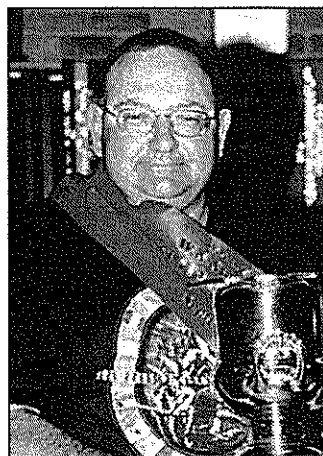

**Sam Forsyth, overall winner  
event 7, 50 state double barrel**

**Jennie Jannings, winner of Scotty  
Gibson Memorial Perpetual trophy**

**Geoff Faulkes, overall winner of  
event 6**

**Clem Bertini, open skeet team  
high gun**

Event 7 Sponsored by Pine Hauliers was the State Double Barrel Championship, the favourite event of most shooters and the most sought after for an overall win. Still perfect conditions prevailed as the score board reflected with a total of 20 possibles from 126 shooters. Shoot offs were to take place as a run of 5 targets over all 7 layouts until 1 squad remained to finish the shoot off in front of the club house. Unfortunately several shooters departed very early on. Eventually it was down to 2 very accomplished and respected shooters in Murray Alexander and Sam Forsyth. As always there can only be 1 winner, with Sam taking the title with 148/148 after Murray let a target slip away. Still an excellent result from Murray, with the job of Tournament Director to contend with.

Other places after several shoot offs were: 1st AA Murray Alexander 147/148, 1st A Phil House 113/114, 1st B Cole Thompson 57/58, 1st C Gerald Vandeleur 48/50. 2nd AA Mick Howley 104/105, 2nd A Robin Bailey 81/82, 2nd B Allan Bennett 75/76, 2nd C Colin Sheer 51/54, 3rd AA David Fox 96/97, 3rd A Lex Shipp 72/73, 3rd B Vince Marney 74/76, 3rd C Allison Muntz 50/54. Best unplaced lady Stacey Mathieson 48/55, best unplaced veteran Tim Catling 95/96, best unplaced junior Travis Black 48/50. The WA State Junior Champion was sponsored by Roy Alexander (himself) with a magnificent Perpetual trophy and 3 other trophies were won by Travis Black in 1st place with 48/50, 2nd Wesley Muntz 47/50 and 3rd Charles Holly on 46/50. Well done.

Monday 2nd October a carbon copy of the previous day weather wise. The days first event, Event 8, the State Single Barrel Championship sponsored by Neil Dowe and Shane Williams with the Roy Holtfreter Perpetual Trophy got off to a good start right on time. On the board were 114 names, 12 fewer than Sunday, a little

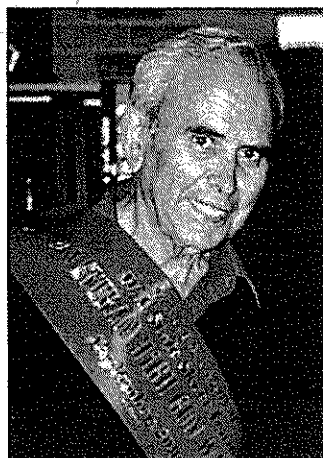

disappointing, however the shooters who were there, were having a good time and were eagerly waiting for the magnificent morning and afternoon tea organised by the host club WAGC. Scores were coming in but so far no "red". As time progressed it was obvious that 49's would be shooting off for the title. Just 5 shooters, Jim West, Brent Humphrey, David Fox, Sam Forsyth and Gary Kelly were in the running.

It wasn't long before David and Gary were the only ones left. Two full rounds and the fifth target of the third round was Gary's downfall giving David Fox the title on 105/106. Gary Kelly was the 1st place in AA on 104/106 with William Lau 1st in A 60/62, 1st B Arthur Pagett 48/50, 1st C Noel McCaskie 45/50. 2nd AA Jim West 75/77, 2nd A Phil House 59/62, 2nd B Roy Holtfreter 56/59, 2nd C Gerald Vandeleur 45/54, 3rd AA Sam Forsyth 56/58, 3rd A Lex Shipp 53/56, 3rd B David Walker 55/59 and 3rd C Allison Muntz 44/54.

Best unplaced lady was Stacey Mathieson with 39/50, best unplaced veteran Tim Catling 48/50 and the best unplaced junior was Sam West with 43/50.

The last event for the day was Event 9, the 50 target State Double Barrel Points Score Championship also sponsored by Shane Williams and Neil Dowe. This was the last chance for some to pick up a place in the top 15. A good score here usually does the trick, the trick being not to miss a target and lose the 3 points that goes with it. A couple of well placed second barrels always saves the day.

Squads were getting on with the job at hand. Score boards were being updated efficiently and quickly once the office had double checked the squad sheets. By the end of the event 2 shooters, John Page of Geraldton and Mick Howley of Kambalda had the only

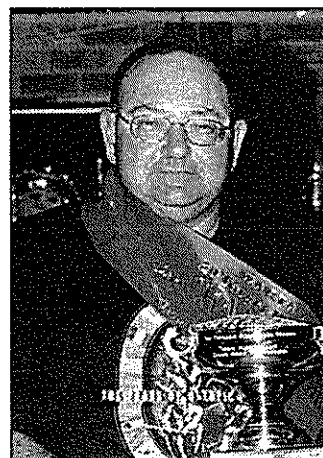

**Clive Shepherd, veteran skeet  
team high gun**

**Matthew Anick, junior skeet junior  
team high gun**

**Jennie Jannings, ladies skeet team  
high gun**

**Clem Bertini, overall winner of  
event 3**

possibles. Shoot off time for Overall and on the 2nd target Mick connected with a second barrel leaving John with his first State Title win. Well done John, first of many we suspect. Other places for the event were: 1st AA Mick Howley 155/156, 1st A Glenn O'Brien 168/171, 1st B Colin Pruden 157/159, 1st C John Panara 139/150, 2nd AA Geoff Faulkes 149/150, 2nd A David Knight 167/171, 2nd B Arthur Pagett 156/159, 2nd C Gerald Vandeleur 138/150, 3rd AA Neill McWhirter 148/150, 3rd A Lex Shipp 149/153, 3rd B Roy Holtfreter 147/150, 3rd C Sue Bailey 136/150. In fact Sue shot a personal best in targets this event with a 47/50. Well done Sue, watch out Robin!

Best unplaced lady was Allison Muntz with 148/171, best unplaced Junior Travis Black on 141/153 and best unplaced veteran Tim Catling on 146/150.

It was now time for the top 15 open team members to shoot at a final 50 targets points score to confirm the 5 man shoulder to shoulder team for the 2001 Nationals and the top 6 ladies juniors and veterans to shoot a final 25 points score for their respective 3 person shoulder to shoulder teams. Also in each category a team high gun was to be selected over this event.

Once all the scores were in, a shoot off was required to decide the open team high gun between Mick Howley and David Fox both on 148/150. As shoot-offs go, this one had a twist. Mick used a second barrel on his 7th target. One could only imagine his thoughts as Foxy called for his target. Would you believe it, the dreaded boom boom — "LOST".

By now all the names in order of qualification were written up as follows. - Mick Howley team high gun 168/171, David Fox, Geoff Faulkes, Jim West, Sam Forsyth as the 5 man team with as reserves Tim Catling, Arthur Pagett, Neill McWhirter, David Knight, Phil House, John Page, Andrew Vandeleur, Lex Shipp, Shane Williams and Brent Humphrey.

The ladies trap team over events 7, 8, 9 and the last 25 points score were Stacey Mathieson as team high gun, Allison Muntz, Sue Bailey as the 3 team members with as reserves Denise Pope and Beryl Marney

Juniors team was Travis Black as team high gun, Malachai Humphrey, Sam West as the 3 team members, with Nathan Koch, Simon Lau and Charles Holly as reserves.

Veterans team was Tim Catling as team high gun, Roy Holtfreter, Gerald Vandeleur as the 3 team members with Ivan Halbert and Merv Neve as reserves.

This brought to a close the shooting and all that remained now was presentations once all the winners envelopes and trophies were sorted out. A most hectic time for the office. After a short break all was ready for the presentations of the Trap events, teams etc. Glenn O'Brien, State President, assisted by Suzanne Wood, State Secretary called up all place winners followed by the High Guns over the 3 days of Ladies, Denise Pope of Geraldton with 363/450, Juniors, Travis Black of Katanning with 394/450, Veterans, Tim Catling of Katanning with 438/450 and the Overall High Gun, Geoff Faulkes of Albany with 445/450.

The Western Australian Clay Target Association would like to thank all those people who assisted in any way to make this one of the most memorable and successful carnivals. Special thanks to the President of W.A. Gun Club John King, wife Norma and his committee, Murray and Christine Alexander, Mick and his trapper boys, sponsors, office staff, Tom Vodden and Gary Kelly updating score books.

Congratulations to the State team members, the W.A.C.T.A. committee wishes you every success in Wagga Wagga.

Until the next carnival - good shooting.

# MARYBOROUGH TID BITS QLD

www.mctc.org.au

Merry Christmas and Happy New Year to all. Hope 2000 was a great year for you. Well it was a golden year for Michael, a silver year for Russell, and didn't Natasha give it a hell of a shake. Better luck next time Natasha.

The great winner was clay targets, as you would have seen with most sports. If our teams didn't win it didn't get on Tele, such was the case with clays with Michael, we were lucky to get the last event of full 25 targets, with Russell we saw also last event of 25 pair plus the shoot off and also with Natasha we had the full showing of the last event, this would have been the most clay target shooting I have ever seen on TV in my life. So if this brought new members out of the wood work join them up and hang on to them, as new shooters are far and few between. Congratulations to all.

Happy Birthday Harry. The last time Harry opened a bottle of sparkling spumante the cork caught Harry on the forehead. So watch it Harry or you won't get past 84.

How times have changed, I heard on TV where Virgin Blue wouldn't let another business use the word virgin and the other day I took my dog to the vet and just in talking I said my dog is still a virgin, and not finishing what I was going to say he said 'Don't mention that word here or we are in big trouble.' So being careful not to say it again I called my dog and said 'Come on Blue' and he said 'Don't mention that word here'. So I said I didn't say that word I only called my dog, and once again before I could call its name he said that word also. So now my dog is Chloe.

When people did you a good turn you would take five bob from your pocket and say have a drink on me. But now with drink driving, etc, you carry around a box of tea bags and give them a tea bag and say have a cuppa on me.

## BUNDABERG 24-9-00

Welcome to shooting Mario Coco, who was giving clay targets a test run and could join for the next year. Hope you enjoy shooting with Bundy Mario.

Visitors for the day were Frank Robinson (Central Burnett), Phillip Warren, Bruce Walker and Harry Walker (Maryborough). The day being 50T DB, 50T Pts. Badge 100T & OA DB and Pts. In skeet Brian Fourro, B grade and Frank Robinson C grade.

Handicap 1st Brian Fourro, 2nd shared Richard Merrick and Rob Rehbein.

Trap 50T DB

AA 1st Rob Rehbein, 2nd Stafford Smith

A 1st Brad Petersen, 2nd Frank Robinson

B 1st Brian Fourro, 2nd Kaye Rehbein

C 1st Doug Baggeley, 2nd Keith Palmer

50T Pts

AA 1st Stafford Smith, 2nd Rob Rehbein

A 1st Frank Robinson, 2nd Brad Petersen

B 1st Brian Fourro, 2nd Kaye Rehbein

C 1st Keith Palmer, 2nd Doug Baggeley

The badge for total targets: Rob Rehbein, the OA for DB and Pts Brian Fourro. Good shooting by both. Larry Bray drew the jackpot but failed to shoot it. Better luck next time Larry. While the raffle was won by John Butters, who also won it last shoot. You raffle better than you shoot John.

Bundaberg shoot 3rd December Christmas Shoot. 1pm start after AGM 11am.

There was this fellow who was in court for catching and eating a platypus so the judge said 'I believe you make it a habit of eating our protected wildlife', the accused then said, 'No Your Honor. This was the first time.' 'Okay', said the Judge, 'but before handing down your fine tell me what does Platypus taste like?' 'Well Your Honor it tastes a bit between Koala, Dolphin and Turtle'.

## MARYBOROUGH MASTERS GAMES AND HERITAGE CITY ONE DAY 1-10-00

They said there was a couple of working bees to get ready for the big shoot but I went up 10 minutes before shooting started and the grass was cut, the trap houses full of targets, the traps were

checked and ready there were front pages of QLD papers of our Olympic shooters around the walls and everything was perfect. So why have working bees? Just joking, congratulations to those who put in a lot of time and effort to pull off a great shoot. We also had a couple of loan tents appreciated for cover areas. Thanks again. Next there were a lot of visitors. We had Vince Vaina and son Travis from the Gold Coast, and for coming so far we let them both win a bottle of whisky each. Next these two always come to the Masters and have to give up their own shoot to be with us, Gary Schneider and Chipps McCann. Chipps loves those gold medals. Sorry Shirley couldn't make it. Thanks for the beauty products for raffle Shirley. Also Irvine Wynyard TLGC, Kevin Jarick ex-Roma now around Bundy. Jason Hodgson ex-Warick now Maryborough area with Lee Taylor and Brian Franks. Sporting clays then the shooters who come in force, Bradley Petersen, Spencer Plath, Gino Sergiacomi, Jarrad Smith, Ryan Howie, Janice & John Butters. Bundaberg Robert Webb, Dennis & Gary Carew, Bill & Lex Stolberg, Brian Goddard, Glen Durre, Gypmie. And outnumbering others, a couple of squads from the Sunshine Coast, being Wayne Murray, Scott Trafford, Jim Davison, Pygmie McAndrew, who is going back to the UK for a working holiday. Have a good trip Pygmie. Peter Bannister, Bill Dunne, Quinto Porfiri, Brett Brown and my good mate who has the same birth mark on his chest, Norm Keech and last the new President of Sunshine Coast Don Porters, (Best of luck with that lot Don), who took over from Steve Davison. Thanks for a job well done Steve. Best of luck.

In the kitchen, Heather, Kerri and Kay. Thanks for a job well done. In the office, Vince and Holly. Holly thought it was the first of April (April Fools Day), as Holly got Wayne Murray and Quinto Porfiri to shoot off for second in DR and when Quinto won Holly found Glen Durre had stamped his name on that trophy. Thanks for being good sports Quinto and Wayne. Don't forget to pay for the targets.

And this is where we went into slow motion our President Paul has been watching the presentation of gold at the Olympics and insisted that we sing the national anthem when presenting the gold. Thank goodness there was only fourteen gold and the gold was Pygmie McAndrew, who said he was going to the UK on his motorbike. I've got news for you Pygmie you don't go that way anymore. Then Scott Trafford, by the way how do you have a holiday working, Tony McRae, Quinto Porfiri, Don Porters, Ryan Howie, Lee Taylor, Neil Berry, Bill Stolberg, Chipps McCann, Janice Butters, Dick Osborne, Bill Dunne and Darrell King.

Silver: Kevin Jarick, Brett Brown, Robert Webb, Paul Anderson, Wayne Murray, Allan Joblin, Phillip Warren, Andy Wood, Jim Davison, Dennis Carew, Lex Stolberg, Harry Walker.

Bronze: Graham Noffke, Vince Vaina, Brian Goddard, John Butters, Gino Sergiacomi, Brian Fourro, Ron Sorati & Spencer Plath. This is like two shoots in one, working out medals, grades, ages and Heritage City also. Congratulations on a great job Holly. You get paid nothing now, so we are going to double it to double nothing, Thanks Holly.

## HERITAGE CITY ONE DAY

Event 1: 25T D/B C/D: AA grade Paul Anderson, Irvine Wynyard, Brian Goddard, Quinto Porfiri, Glen Durre.

A grade Wayne Murray

B grade Jim Davison

C grade Lee Taylor, Darrel King.

Event 2: 50T D/B C/Ship & Masters

O/A Neil Berry (with the only possible)

AA grade 1st Quinto Porfiri, 2nd Jason Hodgson

A grade 1st Scott Trafford, 2nd Don Porters

B grade 1st Ryan Howie, 2nd Jarrad Smith

High Guns for the Shoot.

O/A Irvine Wynyard, AA Neil Berry, A Don Porters, B Brian Fourro, C Darrell King. Lady Janice Butters, Veteran Dick Osborne, Junior Travis Vaina.

And thanks to our sponsors:

Carswell & Co, Kent St Medical Centre, Winchester Australia, Maryborough Nissan, Tarrant Ford, Luxtons Pharmacy. Thanks to Dennis who cooked our steak and to any I missed, Thank you. 1st Quicky board Whisky, Vince Vaina, 2nd Quicky board Whisky, Travis Vaina. Travis said he would clean his gun with it. The beauty products (donated by Shirley I think) won by Elaine Trafford and lucky Lee Taylor took off the ammo raffle. And Dale Thorogood was having a good look at shooting and could join. Hope to see you with us Dale. Thanks to the workers for another good shoot. And Don told me down at the Sunshine Coast they were having some trouble at night so at 11pm curfew was put on the street and a mate and his self were given first patrol and was given instructions that anyone found on the street after 11pm, to ask no questions just shoot. So off they went and at 10.30pm they saw a gang of fellows. So Don's mate started shooting and Don said 'what are you doing mate its only 10.30pm' and his mate said 'I know where those blokes live and there is no way they can be home by 11 o'clock!'

Don said to me is it right when they do open heart surgery they use an electric saw up the chest. I said I didn't have this dimple in my chin before the operation.

Christmas Shoot 17th December

2nd October The Day the Bible came.

Vince Vaina had his and was reading it at the shoot, I got mine Monday 2nd, and Trevor Cecil got his on the 3rd. Must be the best looking first. Looking at the photos of the State ISSF carnival I see Cheri Reeves and doing well at shooting. The last MTB wrote of Cherie was at Sunshine Coast Supershoot 12-1-91, which read "the Reeves comprise of Diane, Wayne and daughter Cherie, who had just turned old enough to have her first shot over the traps". Boy does time fly when you are having fun. Keep breaking clays Cherie.

#### KINGAROY 1ST OCT

Arriving at Gympie I meet up with Max and received Kingaroy results for the Sunday before, with two shooters off to Maryborough Masters chasing gold and some to Scrubby Creek. There were still four squads and one for a good shoot with visitors from Sunshine Coast, Dalby, Toowoomba and Victoria.

The first event 25T Points, which Todd Vidler, A grade, took off with a perfect score in B grade Dick Rackemann did the same and was regraded to A grade.

With C grade Dave Kuchtin.

Event 2 25T S/B A grade Neil Sinclair (SSC) B grade Brian Guthrie (Toogoolawah) and once again C grade Dave Kuchtin. Last event was 25T Continental, with shoot off with Robert Horn and the tiger Graham Bickerton. It was Todd Vidler to make a come back and take A grade with Les Wines (Warrnambool), B grade and once again Dave Kuchtin C grade. With Todd Vidler High Gun for the shoot.

Kingaroy Shoot - Christmas Shoot 3rd December.

Thanks again Max. Nice to see you and have a good Christmas. Good shooting Todd.

#### GYMPIE ONE DAY SHOOT - 9TH OCT

Taken by surprise the number of shooters to turn up was great and being top shooters made it a long day with shoot offs. Congratulations to the Gympie boys who had the task of putting through the shoot offs. Also congratulations to Wal who has been feeding a male possum and made a home for it in the target shed. Well that male possum had a baby the day of the shoot. You sure know your possums Wal. Good on you Grand Dad. And they say we disturb the wildlife, I think the boot is on the other foot for about 4pm with the shoot in full flight, about eighteen kangaroos started eating in the target area where the targets were falling but the kangaroos knew we were all crook shots and kept on eating.

Thanks to the ladies in the kitchen, too many to name as there was some I didn't know. Good job and good food.

Well just too many shooters to name the visitors, but there were shooters from Brisbane, Gold Coast, Caboolture, Townsville, Cloncurry, Kingaroy, Bundaberg, Central Burnett, Sunshine Coast and Maryborough. A total of 66 shooters, and the winners are:

Event 1. 25T D/B

AA grade 1st Greg Manning, 2nd Vic Tipman

A grade 1st Bill Stolberg, 2nd Dennis Carew

B grade 1st Silvia Edgerton, 2nd Ian Hedger

C grade 1st Jared Brown, 2nd Ben Tipman

Event 2. 50T D/B Championship

O/A Greg Manning

AA grade 1st Wes Humphreys, 2nd Gary Brown

A grade 1st Gary Schneider, 2nd Steve Davison

B grade 1st Jim Davison, 2nd Ian Hedger

C grade 1st Glenda Post, 2nd Ben Tipman

Event 3. 25T D/B Handicap

1st Peter McAndrew, 2nd Gary Darlington, 3rd Greg Manning, 4th Pat Burke.

Event 4. 25T D/B Points

AA grade 1st Vic Tipman, 2nd Ross Pennisi

AHG Dennis Carey

BHG Jim Davison

CHG Glenda Post

Ladies also Glenda Post

JHG Travis Vaina

VHG again Dennis Carew

A team shoot, which is held every year between Caboolture and Gympie was won by Caboolture. The shooters being Karl Nasarenko, Pat Burke, Brad Garrick, Ian Hedger, Marivic Manalon, Anthony Stegman and Robert Webb (who is known as the wombat) took off the case of ammo raffle. Yes I did shoot and won a pair of towels in the quicky board raffle, not shooting. Christmas shoot Gympie 10th December. Program 25T D/B, 30T MED, 25T CONT & 25T H/C.

#### MARYBOROUGH OCT 22ND

Visitors to the shoot being Janice & John Butters, and Ivan Taylor Bundaberg. Glenda & Chris Post Gympie, Irvine Wynyard TLGC. The raffle king John Butters won the rum quicky raffle and shot the jackpot I thought you could only raffle but you can shoot also John. And Harry Walker won the meat tray, as Harry gets meals on wheels I exchange the meat tray for two cooked pork sausages. Sounds like a good deal to me. Thanks Harry. A big welcome to Jeff Challacombe (junior), a new member to our club. Hope you enjoy shooting Jeff. Best of luck.

In the office Holly and kitchen Kay and Betty. Thanks to all, good to see Brian Greenhalgh back at the shoot welcome Brian. In AA Irvine Wynyard took the SB while Phillip Warren cleaned up D/B C/D, D/B Pts, Cont and AAHG. Good shooting Phil. local Bowling Club

which is the sponsor of

the 50 target Double

Barrel Championship,

Glen Castellaro, overall high gun winner.

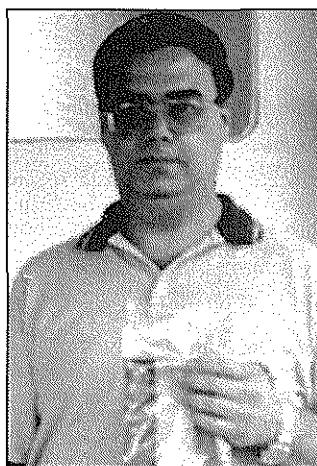

Tony Barton, winner of the 50T double barrel championship

the major event for the weekend which is held on Sunday.

A delightful baked meal was served by the clubs restaurant staff and during this a raffle was drawn with the major prize of a swag (donated by B-& J O'Donnell Bushwakka Swags) won by Don Turner of Downside.

After the meal the Calcutta got under way and with some spirited encouragement from the auctioneers (Robert Stubbs and Daniel Roddy) the sales were soon finalised and a total of \$2000.00 raised to split up to the buyers of the grade winners in Sundays 50 T Tumut Bowling Club Double Barrel Championship.

When this raffle was drawn the President of the Bowling Club Jim Schroder presented the clubs sponsorship cheque to the gun club president Wayne Thatcher.

Paul Farrugia, second event winner.

Neil Haydon, event 7 winner.

Sunday - another great day presented itself and shooting got underway at 9:00 am after our usual Sunday morning breakfast run of bacon and egg rolls and plenty of coffee for some.

The 50T Tumut Bowling Club Double Barrel event was keenly contested with 12 possibles being recorded. Tony Barton was the eventual winner scoring 121/121 from Glen Castellaro.

Once again our thanks go to the sponsors of these events, the organisers, the office staff, the ladies in the kitchen and the shooters from near and far who made the weekend a great success. The shoot will be on again next year so don't forget Tumut, October Two Day Shoot.

Next shoot will be held on the 12th November.

## VCTA State School Championships

Most of those involved thought that it was about to be a very wet day to contest the final of the school persons championships at Bendigo Clay Target club on Monday 11th September, but the venue did not see a drop for the full competition.

64 students who had qualified at their respective zone championships in either individual or teams sections, nominated to contest in those same sections against their zone peers.

This promotion of young talent is sponsored by Winchester, who have developed and backed the championships to the show piece of the future of our sport. Their representative for the day and the previously held zone championships was Sox Pilipasidis. The administration of the VCTA and the Zones, not to mention the 800 plus students who have competed to get to this the next level, owe a great deal of thanks and on behalf I thank Sox and the Winchester company he represents for all the efforts put in during his first year in the junior promotional series.

## FOSTER GUN CLUB INC

Not many clubs have an active member aged 88 years; we at the Foster Gun Club have Geoff Mowat continuing to enjoy breaking targets at that age. Our club decided in appreciation of Geoff's long membership and the great support he had given our club, to recognise his long service by providing the "Geoff Mowat Perpetual Shield" to be shot annually in conjunction with the 20 Pair South Gippsland DR C/Ship, with the names of the O/A and A, B, C grade winners to engraved on the shield.

This event was shot on October 14th, the inaugural winners were O/A Bruce Webb, A grade Fred Foon, B grade Reg Jennings and C grade Danny Jones.

Thanks to Geoff for your support we hope to have many more years of competitive shooting with you.

Reg Jennings

# Gympie Clay Target Club 'Gympie Gold' One Day Shoot

Club president Brian Goddard, left, with overall high gun winner Vic Tipman.

Bill Stolberg, left, with overall winner of the 50T double barrel Stolbergs Plumbing championships Greg Manning.

Veteran high gun for the day Dennis Carew with his wife Dorothy.

Sixty six shooters from all over Queensland took to the traps recently to contest the events hosted by the Gympie Clay Target Club for it's 'Gympie Gold' one day shoot. This shoot is normally held over two days but this year it was decided to hold the shoot over one day with great success. Gympie turned on a fabulous day with little wind making conditions excellent for a great days shooting.

During the course of the day, a team shoot was held between Gympie and the Caboolture team members. Congratulations to Karl, Marivic and their team members on winning this years trophies. Also many thanks to Karl and Marivic for running the office and getting those books up to date.

Many possibles were shot during the day with the shoot offs being hotly contested by competing shooters. The final results of the day are as follows:

Event 1 - 25T Double Barrel - Albrechts Refrigeration  
AA Grade - 1st G Manning 130/130, 2nd V Tipman 129/130  
A Grade - 1st B Stolberg 47/47, 2nd D Carew 46/47

B Grade - 1st S Edgerton 25/25, 2nd I Hedger 42/43  
C Grade - 1st J Brown 25/25, 2nd B Tipman 26/29  
Event 2 - 50T Double Barrel Stolbergs Plumbing Championship  
Overall G Manning 105/105  
AA Grade - 1st W Humphreys 104/105, 2nd G Brown 94/95  
A Grade - 1st G Schneider 66/67, 2nd S Davison 55/56  
B Grade - 1st J Davison 49/50, 2nd I Hedger 85/87  
C Grade - 1st G Post 47/50, 2nd B Tipman 45/50  
Event 3 - 25T Handicap  
1st P McAndrew 55/56  
2nd G Darlington 55/56  
3rd G Manning 28/29  
4th P Burke 39/41  
Event 4 - 25T Points - Ken Mills Toyota  
AA Grade - 1st V Tipman 75/75, 2nd R Pennisi 95/96  
A Grade - 1st D Carew 104/105, 2nd W Burke 103/105  
B Grade - 1st J Davison 74/75, 2nd M Behm 73/75  
C Grade - 1st G Post 69/75, 2nd B Tipman 65/69

High Guns for the day were:  
Overall - Vic Tipman 173/175  
AA Grade - Greg Manning 172/175  
A Grade - Dennis Carew 170/175  
B Grade - Jim Davison 168/175  
C Grade - Glenda Post 158/175  
Junior High Gun - Travis Vaina 168/175  
Ladies High Gun - Glenda Post 158/175  
Veteran High Gun - Dennis Carew 170/175

A tremendous days shooting was had with the sun set before the last targets were shot. The turn out of 66 shooters, some with families in tow was a real bonus to the club and many will be returning next year to contest their events.

Congratulations to President Brian Goddard and this team of tireless workers for a fantastic day.

Dear Sir,

Since the Port Arthur tragedy and the subsequent imposition of harsh gun laws, the shooting sports have been restricted and even vilified to the point where club memberships are down and there is very little recruitment into these sports.

Shooting sports administrations had an excellent opportunity after our shooting success at Atlanta to negate some of the adverse publicity but failed to capitalize on that opportunity. Now we again have excelled in some areas of shooting and even Mr Howard saw fit to watch the trap shooting and to personally congratulate Michael Diamond.

We should use the euphoria created by these Games to promote our shooting sports. So come on shooting sports administrators jump on the band wagon and use this opportunity to promote shooting and hopefully encourage new shooters and club membership.

Yours

Geoff Clarke

Dear Editor,

I have read with interest a couple of shoot result / stories in the last couple of editions of the ACTA Shooters News about Mr Bill Attwood presenting Opal gemstones to Mrs Karen Cousens and Mrs Robin Faber at recent State shoots which are incorrectly being described as being donated by himself.

These gemstones were donated by Mr Bob Lisle who is the president of the Lightning Ridge Gun Club Inc, for whom no recognition is given whatsoever. This is an open invitation to Mr Attwood to attend our club at some time and we will let him experience the hard labour that goes into mining the precious stone firsthand.

## Turn Targets to DUST with "EASYHIT" Fibre optic bead!

EASYHIT bead is a high intensity fibre-optic bead like nothing else on the market; the intensity gives the shooter the ability to aim with their indirect vision. Improving your shotgun shooting by a much clearer image of the bead-target relationship. Good shooting principles demand complete attention to the moving target, with the EasyHit bead you can focus with both eyes open clearly on the target and the small glowing dot will give a strong image of correct lead.

When shouldering the gun and sighting, a very small laser dot is clearly visible. If I moved my head the dot dissolved. This makes the EasyHit sight unique as a training tool to keep one's head down on the stock and to keep it lined up with the rib. It does this because the forward-end of the sight is imbedded within an enclosed tube. An excellent feature, this tube will eliminate cross firing by your other eye. A must for new shooters and keeps concentration levels high during competitions for more experienced shooters. A truly helpful sight for all clay target shooting. Built of the best fibre optic material available, strong aluminium housing, easy mounting stick on adhesive. No damage to your shotgun. No adjustment necessary, maintains normal sight height. Comes in two models three sizes two colours - fits most shotguns on the market.

EASY HIT will improve your shooting.

## Clarrie Riches

It is with deep regret that the Wangaratta Clay Target Club advises the death of Clarrie Riches.

Clarrie had a long and popular shooting career which saw he and his wife Jean become well known throughout the shooting fraternity of northern Victoria and southern NSW.

From the time of becoming a member of our Club Clarrie was an active member who willingly attended all our working bees at which time he contributed much of the maintenance work required around the grounds.

Clarrie served ten years on our committee, four of which as Senior Vice President, before relinquishing the position in 1999 due to the state of his health. Even if he did not feel well enough to compete he continued to arrive at the club in time to assist with loading and setting traps on competition days. Clarrie was a quite man who gave a great deal of thought to his responsibilities as a committee member. In 1998 Clarrie was awarded a Life Membership in recognition of his contribution as a committee member and worker.

Members of the Wangaratta Clay Target Club offer their deepest sympathy to Jean and family in their time of sadness.

## Reville John Taylor

Reville (Rev) passed away on Tuesday 17th October at the age of 43 years.

Rev had only been a clay shooter for about five years, having previously been a fine rifle shot. He quickly rose up through the grades to become one of the top shots in the district and was a tough competitor.

Rev is survived by his wife Helen and three children, Troy, Sue and Robert.

# Waratah State Notes

I am pleased to introduce Gary Bryant, the General Manager of the NSW Firearms Safety Awareness Council and Executive Officer of the NSW Shooting Association. He is a former Army Officer who saw active service in South Vietnam as a platoon commander, in Malaysia as a Company Commander and in the Middle East as an Advisor.

This series of articles is designed to highlight some of the major areas in the firearms debate where he believes over-zealous bureaucrats have far exceeded the intentions of the National Firearms Agreement of 1996 to place unreasonable pressure on the sport of shooting and the lawful use of firearms. Unless these pressures are redressed it is unlikely the sport will grow.

Gary welcomes your opinion and feedback. You can reach him on 02 94863077 or Fax on 02 94863497 or email at nswfsac@nsw-shooting.com.au

## DOWNRANGE

You know the feeling. Wake up on Saturday morning. Day off...what's on the schedule? Bit of shopping for the wife's birthday next Thursday...mow the lawn...ferry the kids around their sports and nothing else until church tomorrow. There is definitely something missing in my weekend routine. It needs a bit of zip. I wrestled with the question until an idea emerged from my distant past. My dad was a rifle shooter. I remembered when he used to take me over to the range on occasions when I was a small boy. I guess other things got in the way and I never actually followed through with the sport myself. That's it! Decision made. I'm going to take up rifle shooting. I'm not really sure where to start particularly with all this confusion over gun laws, and so on, but I guess the best place would be at the Woodville rifle range. I'll head over there tomorrow.

My name is Jim and it is Saturday, 6 June 2000.

So for me began one of life's big adventures. Little did I know that what lay in store for me as I ventured to fulfil that competitive spirit in my soul that had lain dormant for so long.

Sunday, 7 June was a regular day. Woodville Range was fairly easy to find. It was marked on the street directory and probably had been since WW2. I must admit I hadn't been out this way for ages and I was amazed at all the residential development. Nonetheless, the range was where it was supposed to be, no sign up, except there was a big lock on the front gate and not a person in sight. I really should have called first but then I didn't think it would be necessary on the weekend.

I got out of the car and was considering my options when a bloke walking his dog came along. I said, "Giddy mate, you wouldn't happen to know what time the range opens would you?" He looked at me as if I was an alien or something and said, "they don't shoot on Sundays.... they make enough bloody noise on Wednesday and Saturday afternoons", and off he went.

I had a slight feeling of uneasiness in the bottom of my stomach. This was not a good start but I was determined and I didn't like the look of his poodle anyway. At least I now knew when to come back.

Saturday, 13 June, was an all right day, just. Rain threatening but I was still determined to get this off the ground. Undeterred, I set off for Woodville hoping that my poodle-loving friend of the previous week was correct when he said the range was open on Saturdays. There just didn't appear to be any way to confirm the set-up. I'd searched through the Yellow Pages and found nothing on shooting. It was almost as if the sport had gone underground.

Anyway my fears were soon put to rest. The range gate was open and there was a red flag flying just beside the entrance. The place was a bit run down. There was a dirt track with potholes each the size of a

politician's super account heading to what appeared to be the clubhouse. It had seen better days; could certainly do with a bit of an upgrade.

I'm normally a fairly confident person in these things but I don't mind telling you that this was starting to look a bit daunting. I bowed into the clubhouse and, thankfully, there were a couple of guys there who looked like they knew what it was all about. I introduced myself and told them that if things went well it was likely that they were looking at the next 'Michael Diamond'. I said, "The only problem is that I'm starting from scratch and it may be some time before I'm a household name in shooting". They agreed.

"Mate, we've got some vacancies in the club and you're welcome to apply but it's going to be a while before you get to fire any rounds downrange. The first thing you need to do is get a licence".

I said, "That's okay, but what about a bit of a shoot today".

They laughed, "No way, you don't get to use one of these until you're licensed and that could take a couple of months".

"A couple of months, surely not", I thought.

I was lucky, I guess. One of the guys at the club, Rod, was the Club Captain and also a Firearm Safety Awareness Officer. He explained that under the new gun laws it was no longer possible to join a club and learn to shoot even under their expert supervision unless you were licensed or you had a permit from the government. Apparently there was some concern that I might have been a bank robber or something. He didn't recommend the permit option because you could only apply for it once in a lifetime and if it turned out that I didn't like this type of shooting there was no way I could ever try out another discipline. The best option for me was to apply for membership, get licensed and take it from there. It is a bit of a risk but at least I had options left if this didn't work out.

"Fair enough, where do I start?" I said.

"This is the Handbook on Firearms Safety Awareness produced by the NSW Firearm Safety Awareness Council. Study this and we'll test you on it next week", said Rod. "Take this membership form as well and, by the way, pick up a licence application from your local police station during the week."

So ended the second week of my new adventure. Still no closer to firing a few shots downrange and with an armful of papers I headed off to launch myself into the paper war.

During the next week I squared away the safety manual and visited a couple of police stations in the great quest to secure a licence application form. The first station I tried said they didn't hold them anymore and didn't know where to get them. The next station had a few copies and was happy to hand them over.

Saturday, 20 June, was another good day. I knew I wasn't going to fire any rounds today but at least; I was further advanced on my big adventure. I knew I was full bottle on safety with firearms.

Rod and the boys were there and after we'd finished the safety test; which, for the record, I passed with 100%, we sat down to complete the licence application. I must admit I thought I'd had a fair bit of experience with forms over the years but this one was a ripper. Genuine reasons, special needs, categories, certified copies (of what I had no idea), registration schedules and on and on... I don't mind telling you I was lost and if Rod hadn't been there to assist then I would still be filling it out. We fixed up the club membership side and eventually I had a completed application package. Rod explained that after the package was received at the Firearms Registry there would be a 28-day cooling off period during which they would carry out police checks, etc, and, hopefully, the licence would be issued soon after.

It is Monday, 5 August, some six weeks since I sent the application to the Registry and about nine weeks since that fateful Saturday morning when I searched my inner self to find a pastime that would brighten my weekends. I checked the mail and was relieved to find a notice to attend the local RTA office and pick up the licence. Next Saturday is going to be the big day. I hope it doesn't rain.

Please forgive the cheap theatre. I know Wilbur Smith has little to fear from my dramatic story telling but I thought this little playlet was a useful vehicle to highlight a dilemma facing the sport of shooting daily. There are many issues involved in this scenario and I won't try to address all of them in this article. I will focus on one of the fundamental issues facing the sport today; getting new members into the sport.

Some of you will say that the legislation facing shooters in NSW is their problem. Indeed it is, but I am equally sure that if an unreasonably stringent regime of regulation that far exceeds the intention of the National Firearms Agreement of 1996 is able to persist in a populous State such as NSW then there will eventually be ramifications for the rest of the Commonwealth.

The process facing our friend, Jim, took about three months from the time he decided to take up shooting until he fired any rounds downrange. There was little information available to help him get started. He got the run-around from various bureaucracies and if it wasn't for a few sympathetic club members who knew the ropes do we really think he would have persisted in his big adventure. Unlikely, most probably he would have done what a lot of prospective shooters do in these circumstances- take up golf or fishing.

Perhaps the greatest disincentive facing him is that at no time did he really know whether or not he was going to enjoy the sport. How many people do you know would be prepared to submit themselves to three months of bureaucracy, expense and effort when all may be in vain? I am sure there is very few compared to the number of people who phone our offices each week inquiring about the sport. We give them all the information and contacts they need to get into a club and yet we know that only a small percentage follow through to eventually fire rounds downrange and enjoy the wonderful camaraderie that exists within the shooting fraternity.

Why is this so? The answer is enormously complex and no single remedy will resolve the issue.

The point is how did we allow our honourable sport of shooting to fall into such a fractured state.

To a large degree many of us stood on the sidelines, sometimes shouting, sometimes swearing under our breath but sidelined, nevertheless, while politicians and bureaucrats legislated our sport into a semi-comatose state.

This is the first in a series of articles where I hope to highlight some of the major pressure areas on the sport and suggest what we might do to resolve them. I fully accept that the cap will not always fit and that some States are marginally better off than others. Generally, however, the sport is under pressure and many of these pressures can be easily alleviated by applying equity and commonsense.

For example, what could have made Jim's entry into the sport a good deal easier than was his experience?

The first thing is that the club at Woodville range could have been more visible to newcomers than it was. I will deal with profile later in another article.

Secondly, once Jim had found his way to the club it should have been fully prepared to receive him as a potential new member (the club, of course, always has the right to reject applications). This includes having a comprehensive supply of forms on hand and the expertise and willingness to talk him through the process. This is something clubs and their committees can do now. Many clubs have mastered this process and before you know it good applicants are shooting downrange in the minimum of time.

Another factor that is crucial to gaining new members is a club having the authority to hold regular Open Days.

Open Days allow a club to regularly advertise and attract new participants into shooting, to demonstrate the processes, to show the outcomes, to sample the products and to gain new members. If an individual likes the experience then new participants to the sport can be won on the spot. Problem solved.

In the case of shooting the long-standing policy has been that new participants were able to attend an approved club and with appropriate safety training and supervision fire off a few rounds to get a feel for the sport. If the experience appealed then the individual could confidently move through the licensing process knowing that the time, effort and expense were not wasted. There has never been a suggestion that the individual would be allowed to remove a firearm or ammunition from the range or shoot without direct supervision. Where then is the danger to public safety in this policy?

I constantly find new applicants who have always wanted to try the sport but have never had the opportunity. Once they try it they are hooked. The NSW Shooting Association exhibits widely throughout the State using a laser-training device attached to a firearm as a medium to attract people to the sport. The response to this experience

is very positive for most newcomers. At the very least it identifies those who have absolutely no hand-eye coordination and whom should be advised at an early age to save their parents the needless cost of tennis lesson, etc, and take up chess.

The current regulation in NSW is that a Commissioners Permit is required for an Open Day and all persons who will attend the Open Day must be pre-listed and police-checked before the permit is approved which is, of course, before the Open Day is held. Apparently the inference is that there could be unsavoury characters showing up to the Open Day and using firearms. I ask you, "How many bank robbers do you know of have rolled up to a shooting club Open Day?"

Needless to say there are relatively few Open Days conducted by NSW shooting clubs. Not because those participating do not wish to have their names run through the check. It is simply because it is virtually impossible for a club to identify attendees before the activity is held.

The solution is simple. Revert to the previous policy where clubs were able to hold regular Open Days and invite potential members to shoot under close supervision. Those who wish to continue in the sport can be assisted through the membership and licence application process. There is absolutely nothing lost with those who decide not to continue in the sport.

There is an argument offered by the gun control lobby that people might use this policy to shoot while avoiding the licensing process. I can find no merit in this argument since there is no possibility that an unlicensed individual could remove a firearm or ammunition from the

range. What then is the benefit to the individual? In any event if this is a concern then place a limit on the number of Open Days that an individual may attend.

It appears that the NSW bureaucracy may have seen some degree of rigidity in the current policy on Open Days and is considering deleting the requirement for clubs to pre-list attendees. The problem is that they have also recommended that clubs only be permitted to hold an Open Day once per year and that minors be denied the ability to attend Open Days.

Sorry, Doctor, do you mind if I continue with the disease, the cure is killing me. How are we expected to grow the sport if minors are denied access? Similarly, where is the justification in limiting police-approved shooting clubs to one event per year?

My view is that if a club is given a licence to participate in the sport then the club is entitled to fairly and reasonably maintain its level of participation. The minimum standard in respect of Open Days is that a club should have the authority to nominate when an event is to be held, that minors be allowed attendance, and all participants receive adequate safety instruction and supervision when on the range. I have no difficulty in maintaining a list of attendees for future reference.

Indeed, it is my belief that clubs should be able to nominate, say, the third Saturday of each month as Open Days. Jim's three-month odyssey could then have been resolved very quickly at their next Open Day when he and other interested participants could have fired a few rounds downrange.

## CUZZO'S RAMBLINGS DECEMBER 2000

As I am writing this, I have just returned from a very enjoyable trip to the United States, acting in the role of Team Manager/Coach of the Australian Junior Shooting Team to the World Skeet Shooting Championships in San Antonio, Texas. There are a multitude of different reasons why I enjoyed the trip as much as I did, not the least of which was catching up with numerous old friends after several years of absence from the States.

However, there are three much more fundamental reasons why I was able to derive enjoyment from what I initially perceived to be a potentially daunting venture. The first is the fact that the three boys, who qualified for the team and traveled with me, behaved impeccably at all times and represented both their country and our Association in a manner that made me very proud of them. In doing so, they certainly eliminated any stress that the acceptance of responsibility for three diverse fifteen year old boys, for eighteen days, may have entailed under less favourable circumstances.

For that point alone I must take this opportunity to thank the three boys involved, and at the same time take my hat off to each of the three sets of parents, whose upbringing of their respective offspring certainly passed a most difficult test with flying colours. The second reason was because each of the boys displayed tremendous character strength when confronted with an unfamiliar and sometimes adverse environment. Rules variations and procedural differences are always a problem for first time Australian competitors at the World Championships, but the major stumbling block for most people is nearly always the difference in regulated target speed between the two countries.

Although each of the boys handled and adjusted to these adversities differently, due to their differences in experience level and shooting styles, the one underlying and identical characteristic, was their determination to press on regardless, and do their best on each and every occasion, irrespective of the difficulties encountered and/or of their individual performance levels at that particular time. This is one of the fundamental requirements of all athletes who have what it takes to go on to become great champions, and thus it brought a lump to my throat to watch one of the boys totally applying himself to breaking his last target of that day, which then gave him a score which was low enough to have brought a lesser individual to tears, and caused him to have given up long before.

In a similar vein from an application viewpoint, but at the opposite end of the scale in terms of performance, I was equally in awe of one of the other boys during the first day of the 12 Gauge qualifying. I shot

particularly well myself that day, breaking all 125 targets and staying in the shoot-off that evening long enough to avoid embarrassing myself. However, to watch a 15 year old boy stand up there and match me target for target all day long, and then remain out on the shoot-off field breaking doubles at 3, 4 & 5, long after I had been relegated to the parking lot, was a truly inspiring spectacle.

Actually, this month's article was not meant to be a shooting report of this particular team trip, but rather a generic overview of the planning practicalities of shooting overseas in general and in the United States in particular, with an emphasis on tips and advice on making such a trip as trouble free as possible, which leads me into the third reason why I enjoyed this particular trip so much. The fact that it ran very smoothly almost from start to finish, and that the few small glitches that arose were quickly and easily overcome. Luck will always play a significant part in any venture such as this, but lots of forward planning, combined with the benefit of extensive prior experience, will always stand you in good stead.

Before I start on that, I think I will digress for a minute and explain how I eventually came to be in the "hot seat" in the first place. As I came into the picture relatively late, I am not totally sure how the whole process evolved, but it appears that about a year ago the ACTA decided to get stuck into some serious junior development, along the lines of the National ISSF Training Squad. With this in mind they selected a group of juniors and began conducting training camps at the National Shooting Ground, with the eventual goal of sending some of these kids overseas to gain international experience.

I believe the original intention was representation at the New Zealand Nationals, but somehow or other, that concept blossomed into sending a Trap Team to the Grand American Trapshoot, and a Skeet Team to the World Skeet Shoot in Texas. Billy Iles got the original guernsey for the Trap Squad, and eventually took that Team to Vandalia. Col Burt started out managing the Skeet Squad, not only because he was an extremely experienced shooter, a great coach, and had a wonderful way with people in general and kids in particular, but also because he was temporarily residing at the National Shooting Ground, whilst building it for us. Thus his appointment also made good practical sense.

Unfortunately Col sadly passed away not long afterwards, and left an enormous gap in many other areas, apart from the Junior Development Squad. Kevin Perkins was then appointed in Col's place to look after the Skeet kids, and again I thought this was a very astute decision. Not only is Kevin also a very accomplished shooter with excel-

lent coaching credentials, but he lives not far from Wagga, has excelled in several different disciplines of shooting, and enjoys the benefit of practical experience, having previously represented his country at the World Skeet Championships in 1984. However, for personal reasons, Kevin later had to withdraw from the squad, and that's where I entered the picture.

One evening after dinner, a couple of months ago, I was sitting out in my garage watching a video tape of the previous week-end's motor racing, while reloading the shells that my wife had shot off in practice that afternoon. This is a pretty normal situation for me, because I love to watch all forms of motor racing almost as much as my wife loves to shoot at clay targets. Anyway, this particular evening, my phone rang and it was Graham Michell, who is the chairman of the ACTA's Shooting Committee. Now Graham's call didn't really come as any surprise. Several months prior to that I had bumped into him at the S.A State Skeet Championships and he had mentioned the ACTA's intention to send a Junior Team to the World Skeet Shoot, upon which I offered to give him any advice or assistance that he could use.

Resulting from that, we had enjoyed several lengthy phone conversations regarding my experiences with NSSA shooting, and I thought that this would simply be another of those. Thus I was somewhat surprised when he informed me of Kevin's resignation and asked me if I would reconsider the fairly serious decision that I had made several years before, to retire from NSSA shooting and never attend the World Shoot again. After listening to his proposal, my mind still said no, but my heart said maybe. I then requested a week to think about it, during which I had in-depth discussions with all three of the boys and their parents, and to be truthful, the deciding factor was probably their enthusiasm for my participation, even after I spelt out my intended disciplinary strategy for errant youths. And the rest, as they say in the classics, is history.

Now let's get back to looking at some practical advice for shooters intending to compete in America. The Trapshooting there is conducted pretty much the same way as we do it here, in that you can simply roll up on the day and enter the events and wait your turn to shoot. This is probably due to the fact that the number of intending participants has not yet outgrown the ability of the venues to accommodate them. However, this is not the case with NSSA Skeet shooting, where demand has long since exceeded supply. To guarantee your participation at any of the major events, it is imperative to pre-nominate well in advance, and to pay a holding deposit on your position.

Thus, after accepting the position with the junior squad, one of the first things I did was to phone NSSA to confirm our squadding, only to find out that the Shoot was already full with nearly 200 people on the waiting list. Fortunately, the lady who handles the squadding is a past workmate and a personal friend, and after listening to my explanation of our dilemma, she assured me with a nod and a wink that she could not envisage the Australian Team travelling half way around the world, only to find themselves unable to shoot.

Airline selection is another area where potential problems can be avoided. My experience has shown that using one carrier to cross the Pacific, and then transferring to a different one for internal domestic flights, regardless of any advertised affiliations, is a sure-fire recipe for disaster. Connection changes due to flight delays, and lost baggage are just two of many times when dealing with only one carrier is eminently preferable.

I have tried most of the major carriers at various times and now travel exclusively with United Airlines. Their "better airline" policy triumphed once again on our recent trip, after one of our guns failed to arrive with us in San Antonio. A short meeting with the baggage supervisor was all that was required to have the missing item traced, located, arrive on the midnight flight and be hand delivered to the security guard at our apartment complex, in the wee small hours, by a United employee on his way home from work.

While on the subject of lost baggage, I would strongly recommend that when travelling overseas with guns, you either pack them in plain generic containers, or if you must use one of those fancy aluminium gun-cases, disguise and protect it by covering it with a padded canvas carry bag. On our trip we had four guns, in two aluminium guncases and two canvas bags. The canvas bags always arrived with us, and never gathered so much as a dirty mark. Whereas the two guncases almost always required a search and rescue mission to locate them,

and both eventually got scratched, gouged and structurally damaged, due to the fact that their obvious nature always guaranteed them "special attention".

Hire cars are another trap for the unwary. Always try to use one of the smaller "off airport" companies, as not only are their rates generally lower, but you avoid the added airport taxes. And always charge them on a "Gold" Credit Card, as these can save you the extremely expensive insurance option. Also avoid motels, and opt instead for serviced apartments. These are generally bigger, better, cheaper and often have generous fringe benefits, such as refrigerators, airport transfer buses, free buffet breakfasts, and sometimes even complimentary evening happy hours.

This month's Shooting Trivia Question: What is the highest score ever shot to win the Grand Australian Handicap? Mail your answer to Shooting Trivia, P.O. Box 265, Bairnsdale 3875, to arrive by 25-12-2000. The first correct answer drawn shall receive a free entry to next year's Grand Australian Handicap. The correct answer to October's STQ was: Five pairs of brothers have each won ACTA National Titles. They are Ron and Jack Headon, Paul and Michael Lyons, Geoff and Russell Mark, Paul and Sperry Marshall and John and Ray Porter. The first correct answer drawn was submitted by Roger Duthie from Mooralla in Victoria, who wins a free entry to next year's National Single Barrel Championship.

# Victorian State ISSF Championships

Hosted by Frankston Australian Clay Target Club over the weekend of October 6, 7 & 8, with competitors from state wide and NSW.

Friday was Double Trap day and number of competitors were disappointing with 15 shooters competing for the State Title and a place in the 3 person open State Team, Junior Team and Women's Team.

*Victorian State Shoulder to Shoulder Olympic Trap team, left to right: Nathan Cassells, Adam Vella and Brett Dunstan.*

The lack of numbers did not stop a good competition and Craig Henwood of Melbourne Gun Club with a score of 179/203 took home the Red Sash and State Badge. Adam Vella was 2nd overall with 132/150, and 3rd overall Nathan Cassells with 131/150.

AA grade 1st went to Steve Haberman 139/150, A grade 1st Mathew Howden 119/150, 2nd Brett Dunstan 118/150. B grade 1st Jarrod Fletcher 117/150, 2nd Dustin Barry 110/150 and 3rd Sam

*Adam Vella, Victorian State Olympic Trap champion with Paul Calvi, president Frankston Australian Clay Target Club*

*Craig Henwood, Victorian State Double Trap Champion*

Price 108/150. C grade 1st Kevin Wilde 82/150. Junior 1st Jarrod Fletcher, 2nd Dustin Barry and 3rd Sam Price. With Nessa Jenkins 103/150 Best Woman.

The States Team for Double Trap are:

Open - Craig Henwood, Phil Down and Brett Dunstan

Junior - Jarrod Fletcher, Sam Price and Dustin Barry

Women's - No team due to lack of qualifying scores shot

Saturday was the first 75 targets of the State Olympic Trap Championships and the State ISSF Skeet Championships and Sunday the final 50 targets and finals. Seven squads of trap shooters nominated and after a tight shoot off and then a miss and out Adam Vella took home the State Title with a 119/125 + final of 24 + miss and out single barrel of 3, from Brett Dunstan with 118/125 + final 25 + miss out single barrel 2 to finish 2nd overall. Nathan Cassells with a 112/125 took 3rd overall. AA grade 1st went to John Gilopidis 105/125. A grade 1st Jeff Tonna 109/125 + 2, 2nd Andrew

Brady 109/125 + 1 and Frank Minici 109/125. B grade 1st Dustin Barry 109/125, 2nd Rocky Speranze 108/125 and 3rd Frank Ruffo with 106/125. C grade 1st Gordon Fletcher 92/125, 2nd Darren White 85/125, and 3rd Kevin Wilde 77/125. Juniors 1st Andrew Brady 109/125, 2nd Dustin Barry 109/125, 3rd Steve Calleja 107/125. Women 1st Joanne Kerr 79/100 with Rebecca Attard 2nd, 75/100.

A human interest story to the three C grade winners, three Dads who just came to do the driving. Gordon Fletcher, father of Jarrod, Darren White, father of Daniel, and Kevin Wilde, father of Nessa Jenkins. Well done Dads.

The State Teams for Olympic Trap are:

Open - Adam Vella, Brett Dunstan and Nathan Cassells

Junior - Steve Calleja, Frank Ruffo and Joseph Ruffo

Women's - Joanne Kerr, Rebecca Attard and Nessa Jenkins.

The ISSF Skeet had 16 competitors with a delighted Luca Scribani Rossi winning the Red Sash and State Badge with a 145/150, from David Cunningham 2nd Overall 136/150 and 3rd Overall Barti Brighanti 135/150.

AA Grade winner was Michael Inguanti 134/150, A Grade 1st Paul Rahman 108/125, 2nd Neil Rundle 108/125 and 3rd Peter Angelatos 105/125. B Grade Adrian Calvi 101/125 and C Grade Wes Thompson 89/125. Junior Paul Rahman 108/125. Women Natalia Rahman 93/100.

State Team for ISSF Skeet are:

Open - Luca Scribani Rossi, David Cunningham, Michael Inguanti.

Junior - Paul Rahman, Adrian Calvi, Robbie Marino.

Women's - No team as insufficient competitors.

Postal Teams: Olympic Trap - A Vella 50, P Grainger 48, B Dunstan 47, J Tonna 46.

Olympic Trap Juniors - D Barry 46, T Knight 45, S Calleja 42. Olympic Trap Women - J Kerr 40, R Attard 37, N Jenkins 35.

Double Trap: C Henwood 46, A Vella 43, N Cassells 43, B Dunstan 43.

Double Trap Juniors - J Fletcher 42, D Barry 40, S Price 33.

ISSF Skeet - L Scribani Rossi 48, M Inguanti 45, R Salpietro 44, D Cunningham 43.

ISSF Skeet Juniors - P Rahman 43, A Calvi 40, R Marino 38.

Presentations were made by the president of Frankston Australian Clay Target Club, Paul Calvi, on behalf of the VCTA and congratulations are due to the club for a good 3 days of competition. Thanks to all who contributed to making these Championships a success.

# RULE CHANGES

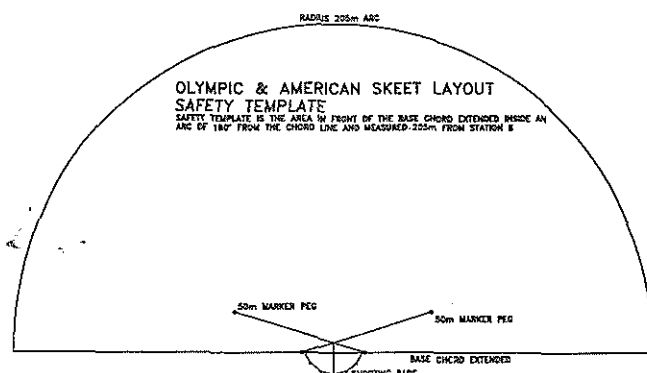

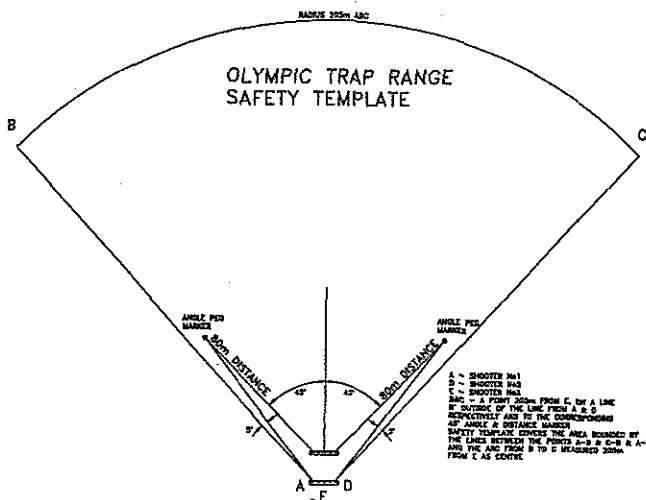

At its June, meeting the ACTA Executive approved a new minimum safety template for all ACTA Clay Target ranges within Australia. These changes are effective immediately. Due to the change in safety angles, all diagrams in the current rulebook are to be removed and replaced with the following new diagrams:

## DTL LAYOUT SAFETY TEMPLATE

MARCH 2000 SCALE 1:1414  
ENLARGE A4-A3 FOR A SCALE 1:1000

- A - SHOOTER No1 25m MARK
  - B - SHOOTER No5 25m MARK
  - C - 50m TARGET ANGLE & DISTANCE PEG
  - D&E - 205m FROM SHOOTERS 1 & 5 ON AN 11m MARK, ON A LINE EXTENDED THROUGH THE 50m ANGLE & DISTANCE PEG ON THE OPPOSITE SIDE OF THE CENTRE LINE
- SAFETY TEMPLATE COVERS AN AREA BOUNDED BY THE LINES BETWEEN POINTS A-D & B-E AND THE ARCS D-E & A-B

Also the following errors should be corrected to avoid any misunderstanding of the safety distances:

Rule 4.05(b)

Reads: ".....45 degrees left and right....."

Should read: ".....35 degrees left and right....."

Rule 4.06

Reads: ".....an angle of 25 degrees at the trap....."

Should read: ".....an angle of 15 degrees at the trap....."

State Associations and Clubs are reminded that these templates are only the minimum required by the ACTA and State approving bodies should be contacted to ascertain your state requirements

## MOUNT ISA GUN CLUB

### REPORT - 17/10/00

Mount Isa Gun Club member, Mick McGill, competed recently at the State Skeet Carnival held in Townsville. McGill shot against 55 other shooters and emerged as the State Doubles Champion, shooting 48/50 to claim the title. His final score was 52/54 after a shoot-off for overall.

Mick McGill also gained a place in the state shoulder to shoulder Open Team. He will now travel to represent Queensland at the National Titles in Wagga Wagga in November.

Adding to McGill's prestigious medal haul was his recent performance at the Northern Zone Trap Carnival, held in the Burdekin. Seventy-eight shooters attended the shoot. McGill gained first place in 'A' Grade for three events. These events being double rise, double barrel and points score. These achievements put him in the position to win the 'A' grade high gun. In addition to this long line of victories McGill also gained a position in the six-man Northern Zone Trap Squad.

On Sunday the 15th of October, the Mount Isa Gun Club held its monthly competition. The first event of the day was 25 targets skeet graded. Mick McGill continued his form to win 'A' Grade (22-25). Ray Burrows enjoyed his recent move to 'B' Grade, winning (24-25) and Cecile Edmonds won 'C' Grade (24-25).

Fifty targets ball trap was event two, and once again Mick McGill dominated 'A' Grade (43-50). Ron Power 'B' Grade (36-50). Joe Sebastiani Jnr won 'C' Grade (37-50).

The trap programme commenced with 25 targets double barrel. 'A' grade was decided with a shoot-off, Greg Matthews (35-35) defeated Mick McGill (34-35). Joe Sebastiani Snr (29-32) defeated Peter Bosel (28-32) in a shoot-off to take 'B' Grade. Paul Pozzoli won 'C' Grade outright with (23-25).

In the 25 targets points score event, Mick McGill (90-93) defeated Dave Stitt (89-93) and Peter Rose (83-87) in a shoot-off to win 'A' Grade. Peter Bosel (60-75) won 'B' Grade outright, while Paul Pozzoli once again won 'C' Grade (64-75).

The October shoot concluded with 25 targets Single Barrel. Bruce Murphy (23-25) won 'A' grade. Joe Sebastiani Snr (21-25) won 'B' Grade, while Paul Pozzoli showed everyone how it was done, shooting an impressive (25-25).

# QCTA Northern Zone Trap Carnival — Burdekin Gun Club

This years Northern Zone Trap Carnival was held at the Burdekin Gun Club on the weekend of the 7th & 8th October. An outstanding attendance of seventy-eight shooters competed for the cash and trophies on offer. All but one Northern Zone club was represented as well as Whitsunday, Top End and Canberra International. Sponsors for the weekend included RC Cartridges who generously provided the grade high guns and a local care dealership, Burdekin Nissan, who provided Women, Junior and Veteran trophies in the various championships.

A mix up with the advertising start time saw a slightly delayed start on the Saturday morning. The first event was the Double Barrel and in a strong gusty wind, thirteen shooters managed to get a piece off all twenty-five targets. Amazingly every grade and every section was represented in the shoot off. A further ninety-two targets saw Charters Towers club secretary and legendary Northern Zone Skeet shooter Geoff Archer taking the sash and cash for overall and AA grade. Port Denison visitor Mick Blain had kept him honest and took second in AA. Another renowned Northern Zone Skeet shooter in the shape of Mt Isa member Mick McGill began his raid on most of the A grade cash while local member Lawrence Falco had the only possible in B grade and veterans. Another Mt Isa member, Joe Sebastiani Jnr was the only possible in C grade and juniors. Diane Reeves of Normanton won the first of the women's events also with a possible.

The second event was the Pointscore and the increasing wind blew away the chances of several contenders for the zone team. Cairns visitor, Derek Bruce, and our New South Wales visitor Noel Mills managed to score possibles. After a short shoot off Derek had overall and AA grade while Noel had easily seen off the remainder of the B graders and veterans. Mick McGill took A grade with 73/75 and local member Troy Dennis took C grade with 71/75. Port Denison member Matt Gall was too good in the juniors with 66/75

while Annette Vassalini began a string of wins in the women's section.

The Single Barrel saw the final chance for Northern Shooters to secure a place in the zone team. The pressure was obviously too much as nobody managed a possible. One AA grader and three A graders lined up for the overall shoot off with 24/25. Five targets later and Zone President Wayne Reeves had won overall and AA grade. Port Denison continued to take their share of the spoils when Geoff Dalton took A grade and local club treasurer Peter Colls won the shoot off for B grade. Brad Farry who has only got a few months of experience won C grade with 23/25. The sections saw the same winners as the previous event with Annette Vassalini taking the women's, Matt Gall the juniors and Noel Mills the veterans.

The zone teams were then finalised with Wayne Reeves taking the final place in the open team in the only shoot off required. The open team was Mick McGill, Derek Bruce, Max Nicolaides, Steve Nixon, Geoff Archer and Wayne Reeves. The women's team was the same as the next years State Shoulder to Shoulder team, right down to the same qualifying order with Annette Vassalini, Carol Betteridge and Diane Reeves. Matt Gall, Dean Reeves and Joe Sebastiani Jnr. made up the junior team and Lawrence Falco, Snowy List and Warren Smith the veterans.

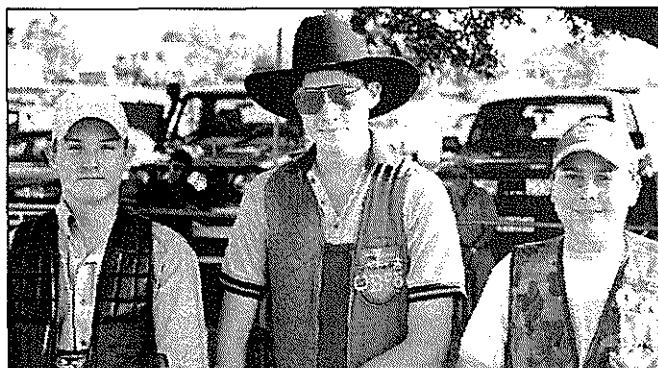

With time fast running out the zone Handicap began and with a bit of pushing all squads got through in reasonable light. It must have been reasonable as Derek Bruce shot a possible in the last wave off 24 metres. It was decided to hold the shoot off until 8.30 am on Sunday morning. Obviously the nights rest did not help any of the four shooters in the shoot off. First target saw Derek fall by the wayside and the second target saw two more bit the dust. The third target decided second and third. Brad Farry picked up the

majority of the money from Ingham visitor Maria Bosworth and Steve Nixon third.

The marathon event of the carnival was next up. The Champion of Champions which consists of 25 targets DB, 25 targets SB and 25 targets PS, was shot in one visit and for those that had to ref and score it meant nearly two hours on the layouts. Nobody was good enough to get them all and Ray Collinson won overall and AA grade with the only 124/125. Matt Iwanki who is currently based in Charters Tower took A grade with 123/125. Burdekin member Neil Sheather, who had won B grade in this event in Cloncurry last year, repeated the effort after shooting off with Graham Facer. Annette Vassalini decided to do it the hard way in this event missing four targets in the double barrel and then shooting fifty single barrel to finish with 121/125 and the women's section. Matt Gall and Noel Mills again took out the juniors and veterans sections.

The final event on the program was the Zone Double Rise and Mick Blain finally broke through to take overall and AA grade with a score of 29/30. Mick McGill again took A grade with 26/30 and local member Dee Colls who is making a habit of winning double rise events took out B grade with 23/30. A score of 21/30 was good enough for new member Elliott Favale to take his second

C grade double rise prize in two months. Diane Reeves shot an excellent 26/30 to take the women's, while Matt Gall won the junior and Warren Smith from Charters Towers the veterans.

Finally the High Guns were tallied up and overall and AA grade went to Burdekin member Max Nicolaides with 291/305. Max had one of those carnivals where he just couldn't quite break through any of the events but shot consistently enough to take the overall high gun. Mick McGill with 290/305 took a grade, Neil Sheather took B grade with 276/305 and Graham Facer kept plugging away to take C grade with 253/305. The junior saw Matt Gall triumph with 264/305 and Noel Mills took out the veterans on his 70th birthday. The women's saw the only shoot off with two rounds required before Annette Vassalini won the sash from Diane Reeves.

One oddity which occurred, saw the two Northern Zone members who made the Macintosh team this year and the State Shoulder to Shoulder team for next year both missed out on the zone team. Must be a higher level of competition in the zone.

After a long weekend the zone president Wayne Reeves thanked all of the people who had helped to make the carnival a success and invited all the shooters to next years carnival in Charters Towers in June.

## INTER SERVICE TRAP SHOOTING 2000

For many years this event has been blessed with good weather but with the spell of three days of non stop rain, the shooting lanes of the HMAS Cerberus Gun Club were a wash and the well presented venue had to have a trench dug through it to let the water escape.

Practice for team selection was due to start at 0830 but the first shot was not fired until 1000 when the rain eased.

After a pleasant Barbie lunch, the event was a five target Double Barrel eye opener, contested by one representative, from each service per squad, RAAF, Army then Navy was the drawn sequence for all six team members for the whole event.

The Inter Service trophy is contested over thirty target Double Barrel with a possible 180 points per team.

Each shooter shoots at ten targets per visit for the three visits.

After the first round RAAF 46 Army 51 Navy 51, indicating that Navy who had won for the last two years and looked the favorites was not a sure thing. In the second round RAAF lifted with 56 to Army 52 and Navy 53, leaving the three teams separated by only two targets 102, 103, 104 respectively.

The final round saw RAAF shot a 54 Army 54, and Navy 56 which gave the Dark Blue the advantage by three.

Final scores RAAF 156 Army 157, Navy 160.

A great close competition under very trying circumstances.

Army High Gun - Chas Caldwell 47/48

The invitation handicap was won by Graham Shaw, Army 16/16, from Dave Toohey RAAF 15/16.

# Sponsors Visit to Geraldton Crayfish Carnival

I recently had the pleasure of visiting Geraldton Clay Target Club for their Annual Crayfish Carnival over the weekend of September 15th, 16th & 17th.

My employer Twin Disc in conjunction with Energy Power and Westrac sponsored the WA State ATA Single Barrel Title, which was one of the events contested over the weekend. There were 120 shooters and the program contained 310 targets shot over two and a half days, plus practice each morning.

The best-run weekend program I have ever participated in. I plan to be there again next year and recommend this weekend to all shooters to include in their travel plans when visiting the West. This weekend event will be the week before the WA Trap Carnival. So keep an eye open in the CTSN.

Saturday evening included the Opening of the New Clubhouse and facilities by their Federal MHR The Hon Wilson Tuckey. Wilson was very pleased to have been invited to the opening and presented the Club with a bronze Plaque to commemorate the event. What an excellent facility they now have and the Ladies committee looking after the catering provided exceptional meals on each day. Crayfish salad was just one of the choices available from their

excellent menu. Their afternoon teas on Saturday and Sunday are the same as what has made Country Hospitality famous throughout Australia. An excellent spread and Well Done Geraldton ladies.

Breakfast was available each morning from 7.00 until 8.00 with Chef's Bert, Laurie and Vince in command. Well-done guys. Practice started at 7.30 until 8.15 and shooting scheduled for 8.30 started several minutes earlier on both days.

I also had the pleasure of catching up with Roy Holtfreter (P.P. ACTA) whom I hadn't seen since the 1981 Nationals in Griffith. Roy went on to win the Veterans in most events. Well done Roy. A great weekend and excellent Western Australian hospitality all round. They know how to enjoy themselves in the West and I was happy to participate. Special thanks to Bert and Michael Boschetti and Denise and John Pope. Twin Disc will be sponsoring again next year.

## Sunshine Coast Clay Target Club

On the 15th October, the Sunshine Coast Clay Target Club (SCCTC) held their monthly Shoot. 30 keen shooters participated in excellent shooting conditions for the Sunshine Coast. We had one shooter from Townsville, plus the usual contingents from Brisbane, Gympie and Caboolture.

The first event for the day was a 25 target double barrel sweepstakes event. 6 possibles were recorded including one in B grade. Due to his fine possible in this event, the club handicapper was proud to welcome Scott Trafford back into the AA grade fold. This was also the start of a good day for new shooters Robyn Newsham in winning the C grade and Tim Jones with a third.

Event two was a 25 target handicap event. Good shooting from Wayne Murray in recording the only possible (and another metre). A shoot off between 5 shooters recording 24 was required for the minor placing's. Terry Crowson followed his form in the event to again drop his first target. He was closely followed by office boy Craig Morris. The eventual second place winner was Daryl Stevens from Phil Grove in third.

The championship event for the day was on the last event, 50 targets continental. Two possibles were registered from Kev Howard and Daryl Stevens. The ensuing shoot off produced some of the best shooting seen on the coast for a while. Considering the wind had picked up in the afternoon, these two shooters continued on for a further 61 targets before Kev Howard dropped a target. (The handicapper is looking closely at asking Kev to join him back in AA grade.) Another excellent shoot off was required to decide second in A grade. A further 27 targets were required before Phil Grove defeated Brett Brown. It appears this event was put on for the Murray clan as father Wayne won the AA grade and son Liam defeated Bill Weedon in a short shoot off to decide the B grade.

The overall and A grade highgun's required a shoot off to decide the winners. It is worth mentioning both Wayne Murray and Daryl Stevens (Brisbane) only dropped one target for the day. Unfortunately for Wayne it was his last target in the last event for the day. After a short shoot off, Wayne took out the overall highgun. The A grade highgun was decided after Brett Brown, Steve Davison and Phil Grove also went through the motions of a shoot off. Phil Grove was declared the winner after a short shoot off. Bill Weedon, a visitor from Townsville, won the B grade highgun. It was also great to see Robyn Newsham take out the C grade highgun especially after shooting the last 25 targets in the continental clean. It would appear the pressure of the club presi-

dency has gotten to Don Portors, as he was not in any placing's for the day. Hopefully this is not a sign of things to come.

A couple changes were introduced to the shoot calendar for the remainder of the year. Over the summer months, the night competitions will continue as normal but at the end of the 3 or 4-month period, each grade will be awarded a highgun prize based on the shooters totals posted at these night shoots. To find out more, please get along to the club for more details and support your club. A gentle reminder to some of our club members, it is a requirement of your shooters licence to attend a minimum number of competitions a year.

Also the Christmas shoot programmed for the 17th December will involve 4 events across both trap and skeet disciplines. The day will require all shooters, from both disciplines, to shoot 25 skeet, 25 ball trap, 25 DTL, and 15 pair double rise. Shooters please note, the start time for the day will be 9 AM not 10 AM as advertised.
