# National President's Notes

John H. Byrnes

## D.T.L. NATIONALS

The recently held DTL Nationals at Wagga appears to have been a very successful carnival. I would like to formally thank each and every person who assisted in any way with the planning, organising and running of the carnival.

In general the responses I have heard is that every one enjoyed themselves, the weather was excellent and the targets good. The scores shot and the quality of thrown targets appeared to be a lot better than last year.

The fact that 136 possibles were shot in the Double Barrel event, 15 in the Single Barrel event and similar in the Points Score event clearly indicates that many were shooting very well. Even a 50/50 and several 49/50s were shot in the Double Rise event.

To gain selection in the McIntosh team showed 22 places filled by shooters 3 points or less down which was fantastic shooting. 3 competitors from 24 at 4 down filled the last 3 places. I believe this is probably the highest qualifying scores ever for the team.

## SPONSORS EVENING

The Friday evening BBQ and Presentations of the Champion of Champions, Double Barrel and Single Barrel events was well supported. A special thank you once again to our major sponsors Beretta Australia, Miroku (Highland Sports) and Browning (Winchester Aust.) The support of these 3 companies was greatly appreciated by those in attendance and we look forward to their future involvement in our Nationals.

## CONGRATULATIONS

I would like to personally congratulate Bill Eagle on winning the overall High Gun award at the DTL Nationals. To shoot so well for the week and drop so few targets was a fantastic effort, well done Bill. I also congratulate all individual winners over the carnival and to those selected to represent Australia at the World Championship and Oceanic titles.

The full details and all results will appear in the magazine.

## STATE CARNIVALS

The Northern Territory State Carnival will be conducted on June 8th to 11th at the Darwin Gun Club. I am sure they will make a special effort to welcome any Southerners who make the effort to attend.

# 2001 National

The Australian Clay Target Association was proud to again host the 2001 National Trap Championships at the National Shooting Ground in Wagga Wagga. Many hours of hard work had been done by the ground staff resulting in the grounds being presented in excellent condition.

## OPENING CEREMONY

At great expense to the management glorious warm sunny autumn weather greeted shooters from across the country and New Zealand for the first day of the Nationals.

National President, Mr. John Byrnes, welcomed all shooters and friends to the National Grounds in Wagga Wagga with the official party consisting of: Mr. Kevin Wales, Mayor Wagga Wagga, Mr. Russell Mark OAM, Mr. Keith Livingstone NZCTA and Mr. Bill Jones, National Vice President.

It was with great pleasure that the National President, Mr. John Byrnes, presented the following recipients of the Australian Sports Medal with their awards for services to Clay Target Shooting: Mr. Reg Clarke, Mr. John Kent, Mr. Bill Jones, Mr. John Maxwell, Mr. John Murphy and Mr. Pud Burgess.

Mr. John Byrnes also had the pleasure of bestowing life membership of the Association to Mr. Glenn Woodhatch and Mr. Ross Silvester for their contribution to the sport.

## STATE SHOULDER TO SHOULDER TEAMS

A very keenly contested event with all States competing vying for the winning badges.

New South Wales, competing in the Open event, were successful with all of their team shooting 25/25 to finish first with 125/125. The team captained by Glen Sinclair also included Glen Castellaro, Robbie Thompson, Gary Rootes and Arthur Turner.

Points had to be used to separate the next two teams with Victoria coming second with 123/366, followed by Western Australia on a score of 123/361

# Trap Championships

A team of top women shooters from Queensland led by Annette Vassalini, with Carol Betteridge and Diane Reeves won the Women's Shoulder to Shoulder event with a score of 70/75 with points being used to determine first place. Queensland shot 207 points with the Tasmanian team shooting 70/75 (201 points) to finish in second place and Victoria was successful in third place with 69/203.

3300-22

The Queensland Junior team made it a quinella winning the event with a score of 73/75. Captained by Travis Vaina, the team included Heath Cauley and Mathew Gall to win the event. Once again points had to be used to determine the next two placings with Victoria placing second with 72/209 followed by South Australia on 72/207.

3300-23

Four Veterans teams competed for their shoulder to shoulder badges with the Western Australian team of Tim Catling, Gerald Vandeleur and Ivan Halbert shooting 72/75 (209 points) to nar-

3305-12

rowly take the event from South Australia who shot 72/75 (208 points). New South Wales placed third with a score of 71/75.

Members of the Official party judged the best presented teams and awarded the SACTA Perpetual Trophy to a very well presented Queensland Team.

## 52ND GRAND AUSTRALIAN HANDICAP

A total of 379 competitors took to the tracks to compete for the Gordon Hall Perpetual Trophy, Royal Blue Sash and Silver Australia Badge to be awarded to the winner of the Grand Australian Handicap.

At the conclusion of the 50tgts twenty-one possibles remained including four Juniors. After a further forty-nine targets only three competitors remained.

## Shoalhaven Clay Target Club

Peter Schrieber was the best shooter taking out the two day overall.

The Shoalhaven Clay Target Club held its two-day Novelty Field shoot last weekend. On a fine Saturday afternoon it was the 50 target Shoalhaven Gift with 27 shooters competing. Greg Banyer was the only the only shooter to shoot a clean round but that was not enough to stop Peter Schrieber from taking out the event.

The results were: AA 1st Peter Schrieber 47 (Nowra), 2nd Greg Banyer 45 (Nowra) A 1st Reg McGufficke 44 (Cooma), after a shoot off with Nowra's Laurie Cook 44, 2nd B 1st Phillip Gordon 40 (Nowra) after a shoot off with club mate Geoff Gibson 40, 2nd C 1st Ron Hatcher (Nowra) who had his eye in for the day with a fine 41 over Paul Bone (Nowra) second 37 after a shoot off with Brian Battle (Nowra)

Saturday night a thirty target point score shoot was held and many thanks go to Ben and Fran Denton's Tea Pot Inn Automotives for sponsoring a great shoot.

Sunday was the Misty Mountain 100 target event and the day started out fine but conditions deteriorated as the day went on. It didn't deter 33 shooters from turning out to be faced by some daunting targets set by the code captain. As on Saturday Peter Schrieber mastered the course and shot a clean round to finish with an impressive 92.

The results for the day were: Overall Peter Schrieber 92 (Nowra) A 1st Reg McGufficke 85 (Cooma), 2nd Wayne Higginbotham 83 (Nowra), 3rd Laurie Cook 82 (Nowra) B 1st Frank Camboso 82 (Illawarra), 2nd Phillip Gordon 80 (Nowra), 3rd Peter Wood 74 (Nowra) C 1st Dom Cardillo (Illawarra), 2nd Paul Bone 72 (Nowra), 3rd Dave Stalling 61 (Illawarra junior) Junior shooter for Sunday, which was also sponsored by Ben Denton, was Nowra's Michael Baker.

The Shoalhaven Clay Target Club would like to thank the St George Basin Bush Fire Brigade for running the kitchen and trapping, Ben and Fran Denton and all the people who helped set up and pull the course down after a successful weekend. Well done and congratulations to all winners.

# Maryborough Tid Bits

www.mctc.org.au

It was Wednesday 7 March I was making crackers and listening to the ABC when they said Michael Diamond just flew into Roma for a charity shoot for flying doctors. They did not say if he came by plane or just flew in. You say Michael cannot fly, well I knew a bloke that could walk on water. Keep up the PR you are doing a good job Michael.

Well this month last year I had to have my by-pass and was given a fifty-year warranty so I have used one year already. Sorry but you have to put up with another forty-nine years.

I was shooting on lane one with a stiff breeze coming over my right shoulder when I put up my gun and called for a target. On seeing a target, I blew a hole in it, when the bloke on lane five sang out "the wind blew my wig off my head and you blow it to bits". I said, "no I only put a hole in it".

We were at a shoot and sat to have smoke, at the same table there was a couple we knew and the lady said to us "for three days I have been asking my husband to go to the bank and tell them I have had my credit card stolen and cancel it and he doesn't move". So thinking myself as a good mediation man I said to the husband "why don't you go down to the bank and cancel that credit card and keep the peace, why don't you do it?" Well said the husband "I didn't bother to cancel it because they are spending far less than my wife".

I do not know if shooters like a few jokes or if they don't like my jokes as I am getting a few given to me, thanks fellows.

One of the stories in the March copy was on badges. Now I am not talking about Silver Australian Badge. What my story is about is the Club, State, Commonwealth championships and the High Gun badges. When I started shooting the wearing of badges was the norm of the day and I remember several shooters who wore jackets with many badges, when I first saw all these badges I thought they were club badges but getting to know these fellows and looking at these badges which all were won with sweat and skill I was always amazed how many some shooters had, as the front of their jackets were two and some times three badges wide the length of their jacket so that was a lot of badges.

But at the time I didn't realise that most shooters ceased wearing badges, all around the one time, and I still don't know why, maybe there was a new brand of shooter who won badges but didn't wear them, around that time the trophy was a car and you couldn't put a car on your jacket, so wearing badges ceased to carry on. I remember one top shooter who didn't wear a jacket he just filled his trouser pickets full of ammo looked a bit strange but he could shoot so he had nowhere to pin his badges. So I do not really know why this habit died but you do not see shooters wearing many badges today.

Maggie rang Paddy who was in hiding and Paddy said "I told you not to ring me and I don't want the police to find me". And Maggie said, "All I want to know is when do we plant our potatoes is it now?" So Paddy said "no not now and do not ring me unless it is urgent". So some time went by and Maggie rings Paddy again and says "Paddy I started to dig the garden for the potatoes and all I dug up was guns, guns, guns, what going on with all these guns?" So Paddy said, "I told you not to ring me unless it was urgent so do not call me again don't worry about the guns". A few weeks passed and Maggie rings Paddy again and says "Love I had to ring you the Police have been and dug up all the backyard and took all your guns what are you going to do about it?" And Paddy says "I can't do a damn thing about it, but now is the right time to plant your potatoes".

I did not know this but some years ago an Irishman in his spare time built a bridge over the Nullarbor Plains but they made him pull it down as there was too many Aussies wasting their time fishing off it.

## HERITAGE CITY ONE DAY SHOOT 25-3-01

On the Saturday before our shoot the 24th we had the pleasure of being coached by the SE Zone Coaching team of Chris Harrison, Karl Nasaranko, Colin Rohlf of Caboolture, Michael Dahl of Balandean who were happy with the turn up and results of their work, thanks fellas. With the coaching squad staying on for the Sunday shoot other shooters being Bill Nioa who bought Jim O'Reilly, Jeff Marshall, Richard Francic, and under his own steam was Dan (the tobacco man) Moffit and Tom Meadows, Gary Redmond (Brisbane) Spencer Plath, Gino Sergiacomi, Ian Taylor, Brian Fourro, Ryan Howie (Bundaberg) Beth Zillman, Ron Smith, Frank Robinson (Central Burnett) Hidie and Gary Schneider (Kingaroy) Tracie Wise and dad Ray (Gladstone) Irvine Wynward (TLGC) the coaching team and Tania and Pat Burke (Caboolture) Lex Stolberg (Gympie). Also on the Saturday were Dennis Harwood and Merv Hass sorry I missed you Merv. The coaching team told me they were holding a clinic in Toowoomba 9th June (Check on that). While staying here, they stayed at the Spanish Motel Maryborough who promised to be a sponsor for our Zone Carnival in October 2002. So, use the Spanish Motel.

A big thanks to Brian Greenhalch, who smoked a case of fish for the shoot, good work Brian. Good to see our new member Glenn McNeill enjoying his shooting at his home club best of luck and good shooting Glenn. The Quicky Board Raffle won by Ian Robertson (Spud) and the big raffle Bundy bound 1st Spencer Plath 2nd Gino Sergiacomi.

Another new shooter Jeff Challacombe with two shoots under his belt flew from C grade to AA grade but still had a great day, good shooting Jeff.

A big thanks to our workers of the club for the traps, grounds and tents up for shade, thanks fellas

Thanks to our workers for another good shoot.

I overheard Gary Redmond being asked if he ever had to blow in the bag at the booze bus and he said "No I have never been pulled up to blow in the bag, but there has been a few times I have blown in the petrol tank to get us home". Nice to meet up with you again Gary, keep well mate.

Well it took me a few days to work out but it is as plain as the nose on your face. All this coaching stuff it is a cover up to get everyone off guard, while we are changing our foot work, putting up your elbow, put your head on the gun and still missing targets these coaches taking off the trophies. I will say Chris being a past member behaved himself and did not raid the trophies. But Michael he took a slice of the cash then big Karl grabs the sash for Single Barrel CS but the bloke to take the cake was Colin B Grade 1st DB CS. 1st DB PTS 1st SB CS BGHG and VHG. Were you having a cup of tea when the continental was on Col, sorry you missed that one. Thanks again for your time coaching at our club, nice blokes.

The South East Zone also had their SE Zone meeting at our club on the Saturday and for 2002. Gave us the SE Zone Double Barrel Continental Championship to be held with our Master Game, Heritage City One-Day shoot 6th October 2002. So write it down and practice continental. Also the SE Zone Carnival will be held at our club in Maryborough, October 26th and 27th October 2002. A busy month for Maryborough. Come and practice over our trap you are most welcome

I heard a couple talking at smoko and he said to his wife "the coach said if I improve my sex life it will help my shooting, so I am off to the doctor tomorrow to get on that Viagra it might do the trick". So the wife said, "if you are going to the doctor I will come down too". And the husband said "what do you want to come to the doctor for you are as fit as a fiddle". And the wife said "well you are getting a bit rusty so I had better come down and get a tetanus injection". Don't you meet the funniest people?

### 30-3-01 THE DAY THE BIBLE CAME

Looking at closing dates for CTSN looks like 20th of month is here to stay so our Maryborough shoot will be first in MTB but one month later.

Congratulations to John Byrnes on completion of first year of office hope you have many.

Also congratulations to the Foster Gun Club for their work with young school people teaching them safety with firearms, and the art of breaking clay targets. Hope the end result is members of Foster.

I had a long wait for my wife while she was shopping lucky I had my trusty bible with me and running out of stories looked at break badges. Did you realise that 57 out of 85 badges were won away in fact one was marked unknown, that shooter must have had a heck of a good day.

Lucky in MTB I had a note on Kingaroy for 31st March and 1st April and I received my copy the day before, 30th March. But Trevor Cecil had his a few days before and talking to Trevor outside his Real Estate office he told me he was off to Kingaroy for the weekend and do you know how he earns his money, he puts photos in his window of houses, and puts big prices on them, but this the best, he sells them like hot cakes.

Have a good day Trev.

### BUNDABERG 1-4-01

Arriving at Bundy Tony started to tell me a cock and bull story about our club having to shift and then I remember it was April Fools Day so I was lucky not to swallow that one. But Tony won the meat tray raffle and that is dinkidi. Visitors to the shoot were Jarrad Smith, Glen McNeil, Tony McRae, Harry Walker and yours truly.

In the kitchen were Sandra, Edie, Cheryl and Cheryl's daughter Michelle. Thanks ladies. And John Butters waited four years to

draw the jackpot and then blew it by missing his first target at 11 metres. Better luck in four years John. We also had Spencers Grandson from Sporting Clays shooting with us Jim Plath. Hope you enjoyed shooting with us Jim.

The program 100 target DB after Skeet.

### GYMPIE 8-4-01 GOLD CITY ONE DAY SHOOT

Going down the highway it looked like rain but we go the day through with only a change of shirt. The first visitor I caught up with was Legion Shooter Bill Stevens who had his grandson Bradley teaching him the finer details of clay targets. With a family of shooters, Bradley should be right for ammo. Hope you enjoy target shooting Bradley. With a big squad from Sunshine Coast was Laney Groves who brought J32 husband Phill, there was the teacher and pupil Greg Browne and Doug Young, Liam and Wayne Murray, Kevin Howard, Brett Brown, Greg Manning, Scott Trafford, from Kingaroy was Todd Vidler, Col Gurski and Allen Thorpe, Central Burnett shooters Frank Robinson and Gary Darlington, Brian Fourro of Bundy and having his third shoot was Kevin Knight, Brisbane hope you enjoyed the shoot Kevin enjoy your shooting from Caboolture was Pat Burke and Bill Weedon also Warren Daniels now living at Widgee was Roma, Welcome to area Warren and Maryborough shooters of Dick Osborne, Allen Joblin, Neil Berry, Warren Burke, Vince Dollisson, Harry Walker and yours truly.

In the kitchen was Amanda, Averille and Betty thanks ladies. Good job with our usual girl! Marg in hospital spitting up gall stones get better soon Marg. The Quicky board was won by Stuart Dawson and 1/2 case ammo. Raffle none other than Greg Browne.

Neil Berry fresh back from NZ took some minor prizes and gave him VHG. Good going in NZ Neil.

# South East Zone Skeet and Trench Competition

The Queensland SE Zone shoot for skeet and Olympic Trap (Trench) was held at the Brisbane Gun Club on the weekend of 3rd and 4th March 2001. There was some confusion over whether it would be a one-day or two-day shoot. To keep faith with all shooters no matter what they were led to believe, the club held 50 targets doubles club shoot for skeet and a 50 target shoot for trench starting at 12 noon on the Saturday. A full programme for both disciplines was held on Sunday.

## Trench

Our Vice President, Tony Houselander, acted as shoot marshal for the Trench and marshalled 10 shooters from Brisbane, Caboolture, Redcliffe, Toowoomba and Warwick.

I have watched a fair bit of this stuff over the last eighteen months or so having worked a two grand prix, a world cup and the Olympics and I can say that they do pretty well to hit those orange things. I'm going to try it one day, but not just yet, thank you. Maybe after I try some DTL!

Anyway, to the results. A grade was taken out by Dan Johnson (Warwick) with a score of 110 + 22, B grade Janine Gerrand (Warwick) with 99 + 22 and C grade was won by Michael Bryan (Warwick) with 96 + 20. Looks as though Greg Newey's trench programme is working!

Congratulations to all shooters and thank you for competing.

## Skeet

The shoot marshal and office boy for the weekend was "The Mad Scot" your friend and our Treasurer, Don McPate. After several comments from several shooters the club is considering (a) teaching Don to speak more slowly and (b) employing an interpreter. Don, on the other hand, claims that everyone else should (a) learn to listen more quickly and (b) appreciate a dialect older than our country. My opinion? Well he's bigger than I am!

23 shooters turned up for some practice and the doubles shoot on the Saturday. The day was overcast with gusty winds but cooler than it had been recently so comfort levels were quite good. Shooters competing were registered at Gold Coast CTC, Goondiwindi CTC, Gladstone CTC, Mt Isa Gun Club, Rockhampton CTC, Sunshine Coast CTC, Toowoomba CTC and, of course the home team.

*Group under tree: Andrew Ferry, Laurie Chelepy and Michael Chelepy watch proceedings on layout two.*

Shooters shot event one for the weekend, the 50 targets doubles (cash divide) in lots of 24 and 26 on different grounds and the cash was shared among: AA grade Laurie Chelepy from Rockhampton with 46/50, A grade Jim Edmonds from Mt Isa with 44/50, B grade (not for much longer), Vaughan McInnes from Brisbane with 46/50 and C grade Erica Hudson from Toowoomba with 38/50.

Sunday dawned cloudy and coolish (considering the recent weather) and got better as the day progressed. 31 shooters registered for the Zone competition which comprised of a 50 target South East Zone Handicap (trophies) and a 50 target South East

Zone Graded Championship (trophies) with sash and prize for overall high gun. Both events were shot over three layouts. Texas CTC was added to the roll of clubs represented.

*On station one: Andrew Ferry under the watchful eye of Laurie Chelepy.*

The handicap event got underway and the scores started rolling in. It was strange but the best scores seemed to come in from the layout that everyone loved to hate. The same thing happened during the recent Australasian Grand Prix. Yours truly shot better on this layout. Admittedly not very well, but still better.

*Ian Carne (Brisbane) shows his stuff.*

Anyway, when all of the scores were in and totaled nine shooters qualified for the shoot off, Kris Dowie BGC, Don Rush BGC, Bill Turner Goodiwindi, Vaughan McInnes BGC, Jim Edmonds Mt Isa, Garry Darr Toowoomba, Simon Darr Toowoomba and Alan Carne BGC. Garry, Alan and Jim made it around to station 6 when Jim dropped the high target in the doubles. Garry and Alan fought it out to station 8 with Alan (B3) using his one target to keep up with Garry who shot the 25. The intrepid two loaded up for the second 25 and all went well on station one. Garry shot station two and then it was all over as Alan dropped the high single.

The deserving winner was Garry Darr from Toowoomba (81/83), second was the fighting Alan Carne from BGC (69/75) with the personable Bill Turner from Goondiwindi (63/68) coming a creditable third.

After that everyone needed lunch which was provided by the hard working committee and our range officer, Ross Tipler. The spit-roasted beef was beautiful, cooked but moist and sweet with salads to back it up. See what you missed out on? At least Sam didn't, did you Sam!

The championship event then got under way with the cloud clearing but spots of rain making a very short appearance. At least I thought they were spots of rain, although we have some big magpies and a few galahs (the feathered ones) around.

The end result of this event was: AA grade, Laurie Chelepy from Rockhampton (49/50), A grade, Garry Darr from Toowoomba (49/50), B grade, Don Rush BGC with (48/50) (and the handicapper has a close eye on him) with C grade going to a junior, Simon Darr from Toowoomba with a very creditable 44/50.

Laurie and Chris Langley from Gold Coast CTC shot off for the high gun with the honours going to Laurie. Congratulations Laurie.

For those of you who have been sucked in by the "Information Age" this article appears on our web site <http://www.fordwreckers.com.au/brisbanegunclub> with colour photos.

**Postal Team: Back Row: Keld Madsen (Gold Coast), Christian Naudin (Sunshine Coast), Garry Darr (Toowoomba), Vaughan McInnes (Brisbane), Chris Langley (Gold Coast) and Don Rush (Brisbane). Middle Row: Toni Dierke (Toowoomba), Carol Tipler (Brisbane), Eric Hudson (Toowoomba). Front Row: Andrew Ferry (Sunshine Coast), Michael Kilmartin (Toowoomba) and Simon Darr (Toowoomba).**

After a shoot off the six who made the South East Zone Open Postal Team were Chris Langley, Garry Darr, Keld Madsen (Gold Coast), Don Rush, Vaughan McInnes and Christian Naudin (Sunshine Coast CTC).

Three women then shot in the South East Zone Women's Postal Team: Toni Dierke (Toowoomba), Carol Tipler (BGC), and Erica Hudson (Toowoomba).

Michael Kilmartin (Toowoomba), Simon Darr (Toowoomba) and

June 2001

Andrew Ferry (Sunshine Coast) formed the South East Zone Congratulations to all members of the postal teams.

**Brisbane Gun Club President Tony Kidman presents Garry Darr with his sash.**

Thanks go to the visiting shooters and the home team for attending and having fun. Thanks also to the new BGC committee who "did it hard" early in their term and to the committee and the range officer who had to back up immediately after the eight day Grand Prix shoot which was held on the 17th to 24th February and the monthly DTL / Trench shoot on 25th February.

#### New Committee

A new committee was elected at the Annual General Meeting of the Brisbane Gun Club held in January 2001.

The executive of the new committee which is taking over a club with increasing membership is President Tony Kidman, Vice President Tony Houselander, Treasurer Don McPate and Secretary Don Rush. All correspondence should be addressed to our Secretary at Brisbane Gun Club, PO Box 330, Carina Q 4152.

The new president would like to thank the previous committee for the work it has done for the club and acknowledges and thanks Tom Meadows for the years of hard work he and his wife Thelma have put into the club. Tom has carried out the duties of president, treasurer and secretary, surely a very large task for one man. Thanks Tom, from all at the club and may you continue to enjoy shooting with more time on the traps rather than behind them. Tom will now act as club delegate to the QCTA.

Another stalwart of the club has chosen to retire. Mary Evans who has put many years of hard work into the club by running the club kitchen during the trap shoots and other events has decided it was time to retire. As a parting gift Mary closed her "Kitchen Account" and presented the club with a cheque for \$3,093.13.

The President and the committee, and the entire club, would like to take this opportunity to say "Thank you, Mary, for a mighty effort".

Dave Evans has retired from the committee but will continue on as our Patron.

#### New Shoot Format

Tony Houselander who is Trench Captain and temporary DTL Captain is trialling a new format for our club shoot. The trench club shoot is held in conjunction with DTL on the same day, the last Sunday of the month, and we shoot 120 targets. The programme is 25 tgt points score (trophy), 25 tgts single barrel (trophy) and 75 tgt trench (optional graded sweeps). Shooters can use 1 oz (28gm) loads and ported barrels for the trench event in club shoots.

## WHITEMAN PARK FLORA & FAUNA ISSF CARNIVAL West Australian Gun Club (Inc)

The West Australian Gun Club once again held WA's premier ISSF Carnival over the weekend of the 31st March and 1st April 2001. This competition and the Events are named after all the Flora and Fauna found at the gun club. Conditions over the weekend were absolutely superb and the targets stood out like a "burning comet" against the sky.

International representation was present throughout the Carnival especially in the ISSF Trap and Double Trap area with Dave Williams (ex New Zealand), Neil McWhirter (ex Scotland), Lars Bager (ex Sweden) and home grown talent - Phil Melvin (Australian representative). The ISSF Skeet had its International homegrown talent in Clem Bertini (Australian representative). With all this talent and some unknown new shooters from the south of the state (Busselton), the weekend would prove to be an interesting duel between Phil Melvin and Neil McWhirter (ISSF Trap) and Clem Bertini and Marco Ponta (ISSF Skeet).

Competitor numbers were down on Saturday but picked up on the Sunday. Unfortunately though, the ISSF Skeet numbers were down through the entire carnival. Maybe it's the fact that ISSF Skeet is a hard discipline as opposed to the standard skeet and everyone prefers to take the "soft option" rather than challenging themselves. This very point was much talked about over the weekend by the competitors present in all three disciplines. In DTL and standard skeet you can hit "25's" or perfect scores every-time you venture onto the layout, but ISSF is much more challenging because of the need to be in total control in order to hit a perfect score. This achievement gives you a greater joy, as was shown by Steve Lee when he shot his first "25" / perfect score on Saturday in ISSF Skeet. Maybe one day here in the West, the "elite" shooters of DTL and standard Skeet will give the true disciplines (the Olympic ones) a go and understand what dedication is about, for little trophies on offer.

Talking of trophies, there were sponsored events from members within the Club and from businesses outside of the club, but in main the Club sponsored the Carnival. Thankyou to Power Tools and Machinery for sponsorship of the ISSF Double Trap Redgum Cup won by Phil Melvin 112/150. Thanks must go to a stalwart sponsor company - Roy Alexander (himself) and Sons for their continued sponsorship of the ISSF Trap and the Banksia Classic, won by Neil McWhirter 45/51 after a four way shoot off and the ISSF Skeet Paperbark Cup won admirably by Marco Ponta 45/50. Christine and Murray Alexander sponsored both the ISSF Trap and ISSF Skeet High Guns, won by Neil McWhirter (132/150) and Marco Ponta (172/200) consecutively in conjunction with Dave Williams who presented the Dave and Devy Williams ISSF Trap High Gun Perpetual Trophy to Neil McWhirter.

Some new faces from Busselton turned up on the weekend to try this strange shooting after having spent 40 minutes plus on the phone being coached as to the intricacies of shooting ISSF Trap / Double Trap & Skeet. Talk about long distance coaching, but the rewards were worth it. Both Murray Tucker and Paul Fullarton walked away from the weekend with trophies, a better understanding and enthusiasm to come back and continue with this challenging sport. Congratulations to both for the effort in trying this difficult sport.

Over the Saturday and Sunday, were the State Qualification rounds for all three disciplines for selection of the State Representative Travelling Team for the 2001 ISSF Nationals.

Finally, thanks must go to ISSF Captain - Lindsay Hemley and Vice Captain Norm Atkins for their organisation and administration of the Carnival and an excellent weekend. Thanks to Marco Ponta for looking after the Skeet and Alan Sexton for his tireless work, in assisting everywhere. To all others that helped throughout the weekend, thankyou for making it the great success for the fifth year and this includes Christine Alexander for having turned her hand to becoming the mechanic's assistant on the Speith skeet machinery.

# Australian Disabled Nationals

## Cecil Park Gun Club

Cecil Park Gun Club was the venue for the Second Australian Disabled National Championships.

After 12 months of long distance phone calls from Dom Bonello (Sydney) and myself (Brisbane) and various shooters around Australia, Friday 30th March finally arrived. Dom Bonello was my counterpart in Sydney gaining various sponsors for our shoot, and what a great job he did. All nominations were sponsored, he obtained a gun case, shooters jacket, Grade High Gun Sashes, Perpetual Shield and cases of ammunition. It was great to see the number of competitors up on last year.

*C. Tanner receiving overall high gun shield from Yvonne Hill.*

Squads were listed and a few words from myself spoken thanking everyone for making the effort to come, and we were into it.

The first event was 25 target Double Barrel sponsored by Dan Moffatt of Valley Cut Price Tobacconists, Brisbane and Horsley Park Gun Shop. The results were: -

AA Grade - 1st T Bernar 37/37, 2nd C Tanner 36/37, 3rd R Langridge 22/25  
A Grade - 1st R Kennedy 24/25, 2nd E Miles 23/24

*Grade high guns, left to right: A. R. Kennedy, AA C. Tanner and overall high; front left: C P. Consalvo and B C. Groves.*

B Grade - 1st N Fleming 29/30, 2nd D Bonello 28/30, 3rd C Groves 25/28  
C Grade - 1st P Davis 20/25, 2nd P Consalvo 18/25, 3rd J Hewitt 12/25

The second event was 25 target Points sponsored by Winchester Australia and Handital NSW (Inc). The results were: -

AA Grade - 1st A Langridge 70/75, 2nd C Tanner 67/75, 3rd T Bernar 63/75

A Grade - 1st R Kennedy 66/75, 2nd E Miles 63/75

B Grade - 1st B Groves 72/75, 2nd D Bonello 69/75, 3rd N Fleming 62/75

C Grade - 1st P Consalvo 62/75, 2nd P Davis 43/75, 3rd J Hewitt 39/75

The next event was 25 target Single Barrel and Tony Bernar a wheelchair shooter shot the only possible. Sponsors for that event were Stevens and Sons Firearms, Carina, Brisbane and Safari FireArms, Belmore, Sydney. The results were: -

AA Grade - 1st T Bernar 25/25, 2nd C Tanner 24/27, 3rd R Langridge 23/27

A Grade - 1st R Kennedy 23/25, 2nd E Miles 21/25

B Grade - 1st N Fleming 21/25, 2nd C Groves 23/28, 3rd D Bonello 22/28

C Grade - 1st P Davis 17/25, 2nd P Consalvo 16/25, 3rd J Hewitt 11/25

*T. Bernar, handicap winner receiving jacket from David McLeod.*

Event 4 was 25 target Handicap. Sponsored by Cecil Park Gun Club and Info Research Services and Shooting Accessories. Due to a lengthy shoot - off between T Bernar and R Langridge, daylight was fast disappearing and curfew time of 5.00 pm almost upon us. Finally we had a winner for the prized shooting jacket one minute before curfew.

1st T Bernar 44/46, 2nd R Langridge 43/46, 3rd E Miles 29/32, 4th C Tanner 25/26, 5th I Crisp 24/26

The first day was over and Dom and myself felt relieved. Sue Fleming gave a huge sigh of relief, after all Sue did all the scoring, helping put squads together, sorting out shoot - offs and keeping our score board up to date. Thanks a lot Sue; we couldn't have done it without you.

It was plain to see everyone was after the Grade High Gun Sashes as all scores were within 6 points.

At this stage, all would like to thank Michael Diamond. Michael was shooting Olympic Trap whilst we were shooting down the line, and naturally during their breaks all disabled shooters would go over and watch Michael shoot. Michael was then kind enough to spend time with our shooters and have photos taken with them. It looked like a press gallery with cameras going off everywhere. Once again, thanks a lot Michael it meant a lot to all of us.

Day two of our Nationals arrived and 100 target ISSF Trap was the order of the day. No dispensations were allowed, we all shot the programme Michael had shot the day before. After the first round of 25 targets had been completed, shooters were scratching their heads. I had just watched the meanest targets I have ever seen.

*Left to right, J. Richardson, P. Consalvo (hidden) T. Bernar, P. Davis, C. Groves.*

Over the 100 targets, most shooters were able to pick up speed and register some half decent scores, as some shooters had not shot this event before.

The event was sponsored by Dexter Barnes and Karen Berry. The results were: -

1st C Tanner 83/100, 2nd T Bernar 76/100, 3rd R Kennedy 72/100, 4th R Langridge 67/100 and 5th N Fleming 66/100

All shooters' scores were totaled for Grade High Guns and everyone was watching the scoreboard. High Gun sashes were sponsored by Gary & Karen Kennerson of E.S.S. Alarms and Locksmiths.

Grade High Guns were: -

AA - C Tanner 223/250

A - R Kennedy 207/250

B - C Groves 195/250

C - P Consalvo 168/250

Overall High Gun went to C Tanner.

With the help of Mr David McLeod and Yvonne Hill, all presentations were completed. It was time for the free raffle for the shooters. A magnificent Gun Case donated by Info Research Services and Shooting Accessories who also donated the shooter's jacket for the Handicap prize. The number finally came out and Paddy Davis from Mackay was the winner. Paddy and his wife could not believe it. The smile on his dial was something to see.

I would now like to thank all our sponsors, because without them

we would not and could not have been able to hold our Nationals. All shooters thank you as well.

Last but not least, Dom Bonello for his outstanding effort in obtaining so much sponsorship; it was truly an amazing effort. Well done mate.

That's it for another year, our number have grown since 2000 with 3 new first year shooters. Just remember to convince other disabled shooters to join in providing they come under the guidelines of the Para Olympic Regulations. If you are not sure ring Col Tanner on (07) 3325 3422.

Thank you all

# CUZZO'S RAMBLINGS JUNE 2001

Well, that's the Trap Nationals over for another year, and I for one enjoyed them immensely. Now that's not to say that I don't usually enjoy the Trap Nationals, because I do, but this year I enjoyed them even more. One of the main reasons for that is because this year I was less pig-headed than usual. Being a typical Virgo, I do not delegate authority well, and thus in my capacity as Shoot Marshall, I generally try to run the shoot alone and do everything myself.

As an outspoken critic of others for failing to apply common sense when required, this is clearly a double standard on my part. And it provides the fundamental reason why the Nationals have never run as smoothly as I know they could. By attempting to "play God", I inevitably wear myself to a frazzle, lose the plot from time to time, and occasionally even lose my cool, which reflects badly on my personal professionalism and on the ACTA in general.

This year I turned over a new leaf, accepted some constructive criticism on confusing my ambitions with my capabilities, and agreed to the appointment of not just one, but two extra people to help me. And to add a little irony and intrigue to the situation, the two people selected to assist me were Ron Traill and Gary Cassells, who are the two Victorian delegates to the ACTA. Several informed people suggested to me, with tongue in cheek, that this was a rather strange collaboration, considering my historic inability to establish any sort of working relationship with the VCTA.

On that general situation I do not intend to pass any comment, as I am hopeful of one day obtaining a solution to it. However, in regard to this specific case, I'm happy to be very outspoken. Both Ron and Gary did a great job all week and helped me no end. They both worked tirelessly and unselfishly all day every day, and took the stress right out of my work. I got to eat lunch every day, I got to socialize more with the people, and this year I even got to screw some tighter chokes into "Godzilla" (the old Miroku) and have a shot each day.

These days I can't even find the time to shoot much Skeet, let alone any Trap, so although I barely created a ripple on the winner's pond, I was tickled to death to finish, on a couple of the days, as a "good also-ran". Obviously this also added to my enjoyment of the week, and for that, as well as countless other things, I am pleased to extend my personal thanks to both Ron and Gary for their vast assistance. If I get the job again next year, and have any say in my assistants, you two will be on the top of the list.

Enough of my problems. I guess there were numerous "big-news" items over the Nationals, but in my opinion, three stood out. The weather, the target presentation and the scores. I drove over to Wagga on the Friday prior to the Pre-Nationals, and drove home on the Monday afterwards. Of the eleven days that I was there, eight of them could only be described as absolutely glorious - blue sky, no wind and pleasant temperatures.

The other three were still "good solid sevens" on a scale of one to ten. During one day of the Pre-Nationals, it came over cloudy late in the day and threatened to rain, but didn't. On the Pointscore day, the wind came up a bit for a while in the morning, but then settled down and turned nice again. And on the Double Rise day, the wind blew steadily from the back of the traps. Although that was a bit of a shame, because if ever there is a day you don't need any wind, it's double rise day, at least the wind stayed constant all day, so it was the same for everyone.

Such a fabulous run of good weather, in my opinion, is a testament to two things. The first is the wisdom of establishing a fixed date for the Trap Nationals and of having that date fall in the middle of autumn, which is one of the most stable weather times of the year. And the second is the wisdom of establishing a National

Ground in an inland city, which is large enough to have all the required infrastructure, but is far enough removed from the coast, to be insulated against the more radical weather variations that plague coastal areas.

The target presentation this year could only be described as spectacular, and must surely, once and for all, destroy the unfounded myth that there is something wrong with the targets that a Gemini Trap throws. I have given that myth a "more than adequate" airing on a couple of previous occasions, and so far no-one has ever been able to come up with even a shred of conclusive evidence that Gemini Traps don't throw as good, if not better, targets than any of the other machines currently available on the market.

We have had a Gemini Trap in our primary layout at my local Gun Club for several years and we could not be happier with it. It works away flawlessly and reliably, with a minimum amount of maintenance or attention. It hardly ever breaks a target, even when we re-throw pick-ups through it, and we shoot good scores and good breaks over it. And to further prove a point, we have a self-loading White Flyer in our second layout, and a long-term survey recently showed a higher strike rate over the Gemini.

Unfortunately, I think we have recently fallen into the bad habit of convicting the Trap, at the first sign of trouble, on circumstantial evidence, without even investigating several other much more likely suspects. Such as bad weather, bad target composition, bad target presentation, and even sometimes just plain bad shooting.

I still believe that unsuitable target composition and/or specification, has been the root of most of our recent problems. Kevin Tunney from Olimpyc Targets (now Clay Targets Australia P/L) later openly admitted to having inadvertently produced a batch of very hard targets a while ago, apparently as a result of a specification mistake by his lime supplier.

However, he assured me that this oversight not only resulted in much closer monitoring of target composition and quality control, but also directed him down the path of producing a wider range of different targets, specifically designed for the various disciplines. I think he's on the right track there, because I still believe that targets produced for ISSF shooting are unsuitable for Trap and Skeet. Anyway, target hardness is not the current issue. Target presentation at the Nationals is.

Here's a sweeping statement. I think the target presentation at this year's Nationals was superior to any previous Nationals. Why? Astute planning and quality control! Mark McInnes, who is chairman of the ACTA Rules Committee, has been working for some time on changes to our Trap rules, which are designed to provide us with better and more consistent target presentation.

Every morning during the Nationals, Mark arrived early and personally supervised the setting of the targets, along the guidelines of the various target presentation issues he is seeking to refine and standardize in the Rulebook. The nett result of all this was a whole week of good consistent shootable targets and lots of happy shooters. Please take the time to examine the various issues that Mark is seeking to improve, and hopefully support him in that difficult endeavor.

The only "fly in the ointment" of an otherwise exceptional target week, was the double rise. For reasons associated with the weather, as detailed above, and due to some physical and practical problems, the double rise targets were not as good as everyone would have liked. However, at the end of the day, most people agreed that they were as good as they could have been under the circumstances, and they at least they were consistent and equitable for everyone. Several improvements, including upgrading the

*"the final four prepare to finalise the National Double Barrel"*

antiquated trap mounting system, should alleviate these problems for next year, which is another advantage of having a National Ground.

The third major talking point of this year's Nationals was the quality of the scores that were shot. I guess a number of different issues provide the reasons for this, and a combination of the two discussed above, good weather and good targets, certainly played a big part in it. Anyway, the bottom line is that there were more possibles shot, and more people involved in shoot-offs this year, than any other year that I can remember, maybe even any other year ever.

The Double Barrel shoot-off comprised no less than 23 squads of six shooters each. This adds up to almost 140 people, and from a field of just under 500, this is almost 30% of the participants. On most years, by the time the shoot-off has reached 200, it is usually down to one squad. This year, at 200, there were still three squads shooting.

I don't remember three squads of possibles, in either the Single Barrel or the Pointscore, in any previous year. This year both of those events had three squads in the shoot-off. Most years neither of these shoot-offs goes another 50 targets. This year the winner of both of these shoot-offs had to shoot in excess of 100 targets single barrel for the day.

Both the National Double Rise Championship and the Macintosh High Gun required perfect scores to win them this year. And although there were no possibles shot in the Champion of Champions, a full squad of 124s shot off for the event, which put a big smile on Steve Atkins, because he won the event last year with the only 124.

And talking of smiles, Glen Hayden had a pretty big one on him, when he won the Handicap off 22 meters. However he did not get to smile on the first day. In keeping with the rest of the week, there were three squads of possibles in the shoot-off, which wasn't finished by the time it got dark. Glen had to come back the next morning and eventually shoot over 100 to win.

Actually, the Double Rise was probably the best indicator of the lot. There have been plenty of years when this event has been won with 47 or 48, and considering the wind that prevailed and the previously mentioned target setting problems, such a score would probably have been a good bet for this year. However, not only was there a 50 shot, but also there were three 49s and a full squad of

48s to shoot off for the minor places.

The answer to April's STQ is: Three people have had to shoot over 600 targets to win the National Double Barrel. They are Warren Charlton who shot 620 in 1974, Roger Duthie who shot 634 in 1994, and Michael Diamond who had to shoot 749 the following year in 1995. The first correct answer drawn was submitted by Bill Attwood from Coburg in Victoria, who wins a free entry to next year's National Double Barrel. Now, several people have commented that April's question was not hard enough and thus not interesting enough. So for June I intend to rectify that by re-examining the same situation from a different and more difficult aspect. How many people have shot over

600 targets in the National Double Barrel shoot-off, but have never won the event? Mail your answer to: Shooting Trivia, PO Box 265, Bairnsdale 3875, to arrive by 20-06-2001. The first correct answer drawn shall receive a free entry to next year's National Double Barrel Championship. If you have a good trivia question or an interesting subject you would like addressed in this column, I would enjoy hearing from you

I read with interest yet another "pearl of wisdom" contained with Cuzzo's Ramblings - April 2001 - regarding ISSF rules and "Australian Trench".

I would respectfully point out to Adrian - that the minute the ACTA introduced grade awards into the ISSF discipline - they did in fact unilaterally change the ISSF rules and now shoot "Australian"!!!

*Jenny Burt, Tamworth*

Dear Sir,

I read, "Downrange" in the December CTSN, where it took 3 months before an applicant was allowed to fire his first shot on a rifle range in NSW. The article was initially humorous but ends on the serious note of how do we promote a sport that is an Olympic discipline? I note the Olympic Games 2000 had 12 shooting events and I believe the Paralympics Games also have 12 events.

Born and lived in Australia for the first 26 years, and under a healthy environment of club and parental guidance, I had become a keen shooter. I migrated to Denmark 16 years ago and decided to take up pistol shooting, as it was one discipline I have never tried before.

Denmark, like most western countries, has been through a political firearms process. The few that use firearms illegally brand the legal users of firearms as "not wanted or necessary". This is an easy area for politician to score votes from the non-shooting public. Most of Denmark's competition shooting associations are under the umbrella of the Danish Sports (athletics) Federation (Danmarks Idræts-Forbund). This puts shooting, correctly so, on par with football, swimming, gymnastics, etc. If this logic is not correct, then shooting should be removed from the Olympics.

More common sports, like football, are typically more appealing to youngsters but the Danish Sports Federation does offer interested persons, young or old, easy, well-supervised and in-expensive access to shooting.

Examples: My daughter started shooting smallbore when she was 9 years old. Club membership is about \$50/year. The club owns has a number of guns that the members can use free of charge. Ammunition (.22) is not expensive. Open days are held even for schools, allowing 12-13 year old students to "come and have try." Not everybody has a passion for football or softball!

If you want to buy a gun, you need a police permit. The club committee must first give certain guarantees on the applicant's integrity to the police. A minimum of 2 years active club membership is needed before the gun can be stored at home and this is done under a long list of sensible conditions. There is no cost involved.

The rules are different for shotguns, as the hunter is not under supervision. You must do a course, which costs \$350 and then buy a permit to hunt, which costs \$120/year.

Denmark also gets its fair share of short-sighted law change suggestions but the Danish Sports Federation has managed to maintain a reasonable balance.

The general Australian public should be shown the pleasure, responsibility and commitment dedicated to shooting by the enthusiast. If not, the shooting enthusiast will be stifled by the sensation media and bandwagon politicians.

*Anthony Facchin*

PS. The first Danish Olympic 2000 medal was for Men's 50m Rifle

Prone. The initial Danish reaction was "Gosh, are we good at shooting?" It was a positive boost to shooting in Denmark.

Another interesting note is that "Paintball" clubs, which are potentially good money makers, are not part of the Danish Sports Federation, the reason being the gun is pointed towards persons. Fair enough!

Dear Sir

As an ACTA Member and the President of another shotgun discipline (Field and Game), I would like to voice my disappointment at the antics of some of the major players in the sport of clay target shooting, and shooting in general.

Our club recently had to order another shipment of clay targets from our usual supplier and to our amazement the price of clays had risen from \$72 per thousand to \$98 per thousand. "You've gotta be jokin".

Naturally, that increase has to be passed on to Mr Shooter immediately through higher noms, and with a days shooting now costing in the vicinity of \$100 per shoot (\$50 noms, \$30 shells, \$20 fuel, sandwich, drink, raffle ticket etc) it is easy to see why shooters are staying away from the sport in droves.

One only has to look at the result pages of the ACTA shooting news to see how country clubs are struggling to attract numbers, and as for getting your kids (hopefully, the next generation of shooters) into the sport it really has become financially impossible for Mr Joe Average. And just on average, I read somewhere that the average annual wage in Sydney was \$70 000. Well out here in the bush that sort of money equates to about three years wages, if you're lucky enough to have a job, and any increase in shoot day costs will only succeed in driving more people out of the sport.

So I urge the likes of clay target and cartridge manufacturers, along with shotgun makers, to bite the bullet, cut profit margins, and put the once great sport of shotgun shooting back within the reach of normal, everyday Australians. Failing this, one doesn't

Dear Editor,

Just a quick note to congratulate the ACTA on a great Nationals. I thought that everything ran very smoothly. The weather was terrific, the targets were sitting up waiting to be hit and I did not hear the usual moaning and complaining. Adrian did his usual fantastic and the food stalls and the BBQ were great. Top effort to all.

**Bob Rose**

Thanking all for your good wishes sent by card during the 2001 trap nationals. It was greatly appreciated.

**Muriel Porter**

I don't have time to write long letters so I will keep it brief.

It makes perfect sense to align our skeet discipline with the NSSA. There is nothing wrong or unsafe with the NSSA rules. Over 20,000 American and Canadian skeet shooters shoot registered skeet targets under the NSSA system and probably 10 times that number shoot skeet socially and may or may not be members of the NSSA. The United States is a far more litigious country than Australia and if there were safety problems with the rules they would have been exposed decades ago. The people who run the NSSA do take safety very seriously. It is even mandatory to have ear and eye protection, unlike Australia where it seems to be optional.

I am flabbergasted that there is hesitation in some quarters to

reinstating the NSSA rules. If shooters want to invent a new discipline that in some ways might resemble skeet, well and good. I hope you enjoy it, but don't call it skeet. The NSSA may sue you for misrepresenting their sport.

**Laurie Sceresini**

Dear Sir,

A considerable number of ACTA members from this area (some of whose signatures appear hereunder) are totally dissatisfied with the "new" Skeet rules.

Without going into lengthy and unnecessary arguments regarding the non-existent "advantages" of new rules, we find them awkward, time wasting and definitely no improvement in safety. These conclusions follow numerous practice and competition rounds using the new rules.

Therefore we would appreciate the Rules Committee taking speedy action to review these rule changes with a view to reverting to the Australian Skeet Rules existing prior to 1 January 2001.

### **Graeme Jamieson James**

Graeme James, a member of the Moulamein Clay Target Club, passed away at the Kerang Hospital on Saturday 24 March. He had been experiencing heart problems for some time but battled on courageously.

Graeme James went to school in Sydney and at an early age joined the Merchant Navy as a cadet in training. In this vocation he visited many ports all over the world and achieved his Master's Certificate. It is understood that he was a ship's Third Officer when he left the service.

Gaining more education, he felt a call to the Roman Catholic Church and was posted to work on the island of Bouganville in the Solomon Group, in the late 70's. After some considerable time he returned to Sydney where he was able to undertake further religious study and qualified as a Priest (Reverend Father James).

He returned to Bouganville for several years in the 80's, in charge of plantations and sawmills and the delivery of supplies to other islands in the Solomons.

Returning to Australia he was stationed at a number of inland Parishes, including Balranald, Barham, Deniliquin and Hillston.

Probably at this stage in Graeme's life he qualified as a light aircraft pilot.

During his second stint in Barham, he developed a love for the area which included Moulamein and Wakool as well as the Barham area.

A man's man, Graeme enjoyed hunting, clay target shooting, golf and craft work.

He had a great sense of humour and made many friends. His craft skills included leatherwork, welding, carpentry, re-loading and wood turning.

He took part in many clay target competitions at Boort, Cohuna, Kerang, Moulamein and Swan Hill and won his share of trophies in his grade.

With failing health, Graeme virtually retired from full time Church work and settled into a house in Barham but still undertook occasional Mass services to assist Parishioners with whom he was very popular, including the children.

A well attended funeral service was held in Barham on Tuesday 27 March 2001 followed by interment in the Barham Lawn Cemetery. Thank you Graeme for your good fellowship.

# *Psychological Skills for Shooting; Motivation*

The current debate about handicapping and system rorting needs to be put into perspective if we are able to come up with a simple and workable system. Clay target shooters like to consider ourselves as sportspeople and more importantly we like to think that we act in a sportspersonlike manner both on and off the tracks. If this is the case then why is there a problem? Why shouldn't we all just shoot, try our hardest and be satisfied with our results.

Part of the answer lies with the motivation behind why we or anyone participates in sport. There are three main theories underlying motivation in sport; Achievement goal theory, Attribution theory and Need Achievement theory. For the purpose of discussion here I will be concentrating on Achievement goal theory. Achievement goal theory suggests that two major goal perspectives operate in an achievement context such as sport: a task orientation and an ego orientation.

Put simply, a task orientation implies that one participates in an activity for its own intrinsic properties. The enjoyment of the game, the way we feel when we smoke the target, or catch a great wave, or sink a tricky putt. There is a great inner sense of satisfaction when we do well or when we have achieved a personal best. Ego orientation (or outcome goal orientation) on the other hand has participants striving to demonstrate superior ability compared to everyone else or avoiding the demonstration of incompetence. The need for some athletes and coaches to use performance enhancing drugs would also fit into this area as athletes want to be the best at all costs or at least do not want to look poor compared to others. To this end, cheating is a justifiable means.

Both orientations are present in all of us; and the goal to achieve is what drives us to attend the next shoot. For the clay target shooter, task orientation occurs when we shoot a possible, or shoot a personal best, overtake our previous longest break or just absolutely smoke a target. The break badges section of the CTSN is a perfect example of this. Task orientation is what drives us to practise, visualise, concentrate and do any of the numerous physical and mental skills that enable us to perform well. Ego orientation occurs when we focus on comparing our performance on the personal standards of others.

Standing in front of the score board looking at the scores and feeling good because I shot better than so and so, is a perfect example of ego orientation. So too is the feeling we get when the sash is put over our head or when we shake everyone's hand on the way back to the club house.

Ego orientation, however can get in the way of sportspersonship dimensions of "respect for social conventions", "respect for rules and officials", "respect for one's full commitment" and "respect and concern for the opponent". These dimensions determine whether or not we are good sports.

So how does achievement goal theory impact on the current debate about rules and handicapping. Firstly, with respect to trap settings. Why is there a need to standardise trap settings? All clubs are different: the direction they shoot, the background, prevailing winds, colour and make of targets and traps, the list of variables goes on and on. It may be necessary to agree on a trap angle, height and distance setting but will it stop there? Will clubs be asked to use one make of target, one colour or one make of trap? Will traps have to be redirected so we are all shooting in the same direction. These ideas seem ridiculous. How could Mt Bogong CTC and Hay Gun Club, for example, ever offer the same thing. I have shot at both clubs and I couldn't tell what angles the targets were thrown at or even what distance: the backgrounds, the changing light conditions, winds, etc make it impossible for these clubs to provide uniformity of competition. (Both are great clubs to shoot at). We can never achieve true target consistency so we should be happy that we can participate in our sport (task orientation) and not impose impossible changes to satisfy the ego orientation of those who wish to win all the time and not be prepared to fail because of some local variable beyond their control. For me, I find it a greater challenge if I can go to a new club and shoot well on a different ground, with a different background, conditions and different competitors.

Secondly, with respect to the handicapping system, again it is ego orientation that gets in the way. Some shooters are not happy with shooting well from 21, 22, 23, 24, and 25 metres because it means that their performance may look poor or weak when compared with others on the score board, or that by giving others a few metres they might do themselves out of the high gun or some other trophy. It is ego orientation that gets in the way and gives shooters the two options that appear to be problem with rorting; too easy to avoid outward movement and too easy to come back.

I believe that handicap shooting is necessary and essential if new and lower grade shooters are to be given equal opportunity. I do not believe that a handicap system exists or can exist that will not be manipulated by some shooters to gain advantage over others. If a new system is to be developed then it needs to have one major component: it should be simple. It is not the system that will cause the problem. It will be shooters who, because of ego orientated motivation will want to win at all costs and at the expense of their competitors.

# Southern Gun Club Legacy Shoot

*18 March 2001*

Event One 25T DB HC

1st A Mules 38/38 2nd R Clark 37/38 3rd P Baxter 34/35

Event Two 25T LEGACY TROPHY DB A B C 1st & 2nd shot in conjunction with Legacy Perpetual Teams Shield. Teams of five minimum of four shooters from one club.

A: R Schubert 122/122, A Mules 121/122

B: G Durbridge 25/25, W Reilly 30/32

C: R Clark 24/26, D Humberstone 23/26

The Legacy Shield, won for the first time last year by Southern, was lost this year to an excellent team from Wilkawatt in the Mallee. D Beelitz, T Lock, P Rundle, J Cornwell and L Schubert shot an outstanding 122/125 beating the Southern team 120/125. Lake Albert from Meningie shot 120/125. Other teams represented were South Australian Gun Club 109/125, Monarto 112/125, and the second and third Southern Team 108/125 and 94/125.

Event Three 25T 36th Legacy SB Championship A B C 1st & 2nd

A: Jeff Higgins 25/25 P Rundle 24/25

B: L Beelitz 25/25 P Baxter 31/32

C: Mark Jaeger 22/28 R Clark 21/28

Overall unregistered shooter: Shaun Conlon 59/75

Overall lady shooter: Jessica Higgins 57/75

Southern Gun Club High Gun Sash: Andrew Mules 73/75

This was a truly remarkable day. The last time we had 51 shooters at the club was in the 1940's. The team of Legacy workers put on a wonderful BBQ and ran a very successful raffle.

The prizes they provided for the day were keenly shot for, and much appreciated. There were many highlights of the day, but the shoot out in the second event made thrilling watching as Rodney Schubert and Andrew Mules went through to 121 until Andrew missed his clay, Rodney shot the next clay and won 122/122 a truly remarkable show of skill and determination.

Shooters had come from as far away as the SouthEast, the Mallee and Mid North to be part of the 36th Annual Legacy Shoot. Profits from the day go to Legacy so they can continue their valuable work.

The Legacy Perpetual Shield which was held for many years by the team from Monarto, then won last year by Southern, has now been lost to Wilkawatt from the Mallee.

It was wonderful to see four lady shooters shoot so well and compete in the team's shoot alongside the men. It was also good to see Roger Hinge a long time member, who has been ill back scoring etc, a few more months and he will be back shoulder to shoulder with the Southern crew, welcome back Roger.

On April 21st Peter Quire, the Olympic coach will be coming to Southern Gun Club to coach any shooter who wishes to take up this opportunity, especially novice shooters. Please telephone Helen Higgins to register your interest.

# ROMA ANNUAL TRAP

Perfect late summer conditions greeted shooters from throughout Queensland and New South Wales to Annual Roma Trap Shoot.

The facilities continue to be improved, with the completion of a childrens play ground the latest and very appreciated addition.

The weekend kicked off on Friday with the afternoon/night Medley classic - Peter Fitzalan claimed the AA Grade cash with 99/100 and hot on his heels were Geoff Bryant and Col Witt on 98/100. In A Grade, Local Cliff Reid returned 98/100 from Joe Collins (Silkwood) and Gary Schneider on 97/100. Young Scott McDowall showed his form with 97/100 to claim the B Grade money from R. Campbell, David Hannah and Veronika Forsythe. The C Grade money earners were Brett Symes, Domenica Mari and Liane Robertson.

Saturday morning - again perfect for the first event - 50 target Double Barrel Championship sponsored by Peter and Wendy Taylor of Taylors Parts in Roma.

The overall winner, from Kingaroy, Todd Vidler with 101/101, from Vince Vaina (Gold Coast) 100/100 and taking AA Grade. Another Gold Coast visitor, Col Witt was 2nd in AA with 98/99. Roma's Kenrick Denton was the A Grade winner on 62/62 from Greg Kocho (Condamine) 61/62. A fine 50/50 from Scott McDowall saw him walk away with A Grade from John Guinea on 48/50 and in C Grade, Brett Symes came out ahead on 48/50 from Murray Thompson 45/50. The Junior Encouragement Award went to Kerrie-Leigh Busiko.

The next event on the program was the 25 target single barrel championship sponsored by Suncorp Metway. The overall winner being Alan Pack (Roma) 34/34, from Daryl Stevens and second on AA went to Kevin Jarick. Ather-ton's Maurie Costa took out A Grade with 25/25 from Ross Gundry (Condamine). B Grade winner was "Pom" Walker (Roma) 23/25 from Ken Perrett. The C Grade winner being Jim Schaefer 22/25 from Domenica Mari (Gold Coast) 20/25. The Junior Encouragement Award went to Travis Vaina.

South West Pumps and Solar were the sponsors of the 50 Target Continental Championship. The Overall winner with 61/61, Col Witt. AA Grade went to Daryl Stevens 60/61 from Adrew Faulkner 58/60. Roma's John Cormack took the A Grade trophy with 50/50 from Frank Robinson (Central-Burnett) 55/56. The B Grade award was won by Jim Wilson 52/53 from Paul Moore on 49/50. Jim Schaefer added to his trophy collection when he returned 49/50 to win C Grade from Liane Robertson (Silkwood) 49/54. The Junior Encouragement Award went to Andrew Smits from the Gold Coast.

Saturday evening provided plenty of great food, hospitality and musical entertainment to the enjoyment of the large crowd.

Sunday morning kicked off with the 25 target handicap - this event was sponsored by Southern Cross Ford. The handicapper had a field day when this event was finished in 5th place, Brett Symes (12m) 48/49, 4th place Andrew Smits (14m), 68/69, 3rd place David Wicks (16m) 73/74, 2nd place John Guinea (11m) 93/94, and the winner was David Hannah (11m) 94/94.

Castlemaine Perkins sponsored the next event - 50 target Point Score Championship and Warren's Peter Fitzalan put together 149/150 to claim the overall award. AA Grade went to Jim Hunter 148/150 from Bruce Powell (Springure) 162/165. Rick Kennedy (Tambo) took out A Grade on 148/153 from Kenrick Denton 147/153. The Handicapper put cards aside and returned 140/150 to win B Grade from Jim Wilson 135/150. The C Grade award went to Rex Kird 130/150 from Austin Donaldson. The Junior Encouragement award went to Bradley Stevens.

The final event for the weekend sponsored by Busiko

Coast were victorious in this one - Travis Vaina, Vince Vaina, Mark Joass, John Mack and Col Witt - the only problem for them - the trophy remains at the Roma Club - so they will just have to have the pictures as proof.

Congratulations to all the teams - it is a great contest and creates much interest.

With all events completed, the High Gun awards became clear. Again this year generously sponsored by David and Emma Hannah from Coomber Bros. Jewellers of Roma. C Grade High Gun - Brett Symes 290, B Grade High Gun - Scott McDowall 298, A Grade High Gun - Mark Ticehurst 308, AA Grade High Gun - Bruce Powell 314, Womens High Gun - Veronika Forsythe 278, Veteran High Gun - Graham Bickerton 303, Junior High Gun - Kenrick Denton 304 and the Overall High Gun for the program, Daryl Stevens 318. Congratulations to all winner - now the proud owners of a magnificent watch each.

Special mention must go to the contingent from the Gold Coast Club - over 20 of their members made the trip to Roma to support their shoot - a great effort that did not go un-noticed.

To the sponsors, sincere appreciation for the continued support allowing the club to provide an exceptional trophy table. To all the people involved with putting the shoot on and seeing that it ran - trap mechanic, shoot marshall, kitchen, bar and office staff - people were fed to capacity - hospitality was forthcoming and all in all - everyone enjoyed themselves to the full.

To the visiting shooters and our own members - it is not a shoot without shooters - Roma thanks you all for your support and attendance.

So, if you haven't been, and are looking for a shoot to attend the first weekend on March - think about heading off to Roma - you are assured of a great weekend.

***Roma C.T.C. Inc.***

Transport - 15 pair Double Rise Championship. The Overall winner from Cunnamulla, Mark Ticehurst 44/50 from Col Witt 43/50 and taking 1st in AA Grade. 2nd AA Grade went to Bruce Powell 25/30. The weekends shoot marshall and event sponsors, Terry Busiko took out A Grade with 25/30 from Q.C.T.A. State President Bill Allan 34/40. B Grade went to Mal Smith 24/30 from Veronika Forsythe 23/30. Harry Donaldson was awarded C Grade with 22/30 from Rex Kirk 30/50. The Junior Encouragement award for this event went to Matthew Busiko.

The long standing inter club rivalry between Gold Coast and Roma continued with the battle for the Kilima Shield on this occasion being won by the strong Roma Combination of Alan Pack, Allan Denton, Andrew Faulkner, Cliff Reid, Kenrick Denton and David Hannah. The Gold Coast were last seen trying the make a quick get away.....

The Queensland Challenge Shield (reported in the last edition) continues to be a hard fought out contest and is open to any 5 person team representing one club. The Gold

# Michael Diamond Visit to Western and Central Queensland

Michael arrived in Roma on the afternoon of Wednesday March 7, 2001, for a series of visits to local schools and organisations. Michael's itinerary was very tight and busy.

He began by visiting the Roma Town Council Offices to meet the CEO, Russell Hood, and to conduct a radio interview for Brisbane ABC radio station 612 4QR. Later that evening he was the guest of honour and guest speaker at a special dinner at the Roma Gun Club, where he was welcomed to the district by Mayor Bruce Garvie. The dinner was attended by around 80 people including Disabled Olympic Gold Medallist, Darren Thrupp.

Early on Thursday morning we left Roma to drive to Springsure, 300 km North of Roma, where Michael addressed children from the local state and Catholic schools. From Springsure we went to Emerald where Michael spoke to 2 schools and gave 2 radio interviews.

From Emerald we moved to Blackwater for another speaking engagement at the local high school, and then it was back to Emerald for 2 guest appearances for local sponsors. That evening Michael was the guest of honour at a small dinner for local Clay Target Club office bearers and sponsors.

Friday morning we were on the road again back to Roma. At Roma we completed 3 more school visits to the Roma Catholic school, Roma Middle school and the Roma Senior school, and 3 visits to local businesses. That evening Michael was guest speaker at an Engineers conference in the civic centre, after which he made a guest appearance at the opening of a new tavern in Roma.

On Saturday Michael did a radio interview first thing after which he attended the Roma Gun Club charity shoot in aid of the Royal Flying Doctor Service. This was an all day commitment with Michael talking with many of the 150 people who participated. A large crowd of general public also took the opportunity to meet Michael.

Sunday was a rest day.

On Monday it was back on the road again to the town of Dalby where Michael visited the local Christian school, Catholic school and High school. In between these visits Michael attended a civic reception where he was welcomed to Dalby by the Mayor. He also conducted several interviews with representatives from local TV, radio and print media.

After a quick lunch with the President of the QCTA and the President of Dalby Clay Target Club, we drove to Brisbane where Michael caught a flight back home to Sydney.

While this tour was very tiring (we covered more than 1800 kilometres in the few days of the tour), it was most worthwhile.

The response from the children in the schools was outstanding. They listened avidly to what Michael had to say

and there were always more questions than time allowed. Without exception, the children enthusiastically sought Michael's autograph, and many were photographed with him. The Teachers too were very positive about Michael's visit and they often were keener than the children to get Michael's autograph.

In his talks Michael spoke about how he got into the sport of clay target shooting, and how he had to stay focused on his goals. He urged the school children to stay focused on their dreams, to be prepared to make sacrifices to achieve their goals and listen to the advice of others particularly their parents and teachers. He also talked about the importance of firearm safety and handling firearms in general.

ACTA History books were given to schools for their libraries and to sponsors and clubs that participated. The UNISERVE posters were terrific quality and were used in both pre tour advertising and later as thank you gestures to sponsors. They acquired extra value once signed by Michael.

Overall the tour was an outstanding success due, in no small part, to Michael's humble approach, professional conduct and easy to get on with attitude. He is truly a wonderful ambassador for our sport and his country. In the few days of the tour Michael did more to promote our sport than any other publicity campaign that I have seen.

He was not afraid to take up issues with the media who were all too ready to criticise and put him and the sport down. Comments like "What is going on when we have all these shootings in schools in America, yet we allow Michael Diamond to be in our schools", were voiced on the ABC during the tour. Michael was a true diplomat and fielded those issues very competently. As he said blaming people like him for shooting deaths is like blaming Peter Brock for road fatalities.

This tour owes its success to Michael. He was very well received everywhere we went, with the children and general public welcoming him most warmly. Everyone was grateful for Michael making the time to visit the small remote towns and schools.

Apart from the time on the road, the only down side occurred in a couple of schools that were not organised properly and had not prepared for Michael's visit. At one school for example, after waiting 10 minutes for the teacher concerned to be found, we were directed to the school hall which was locked and had no chairs set up for the meeting. On the way to the hall the teacher was asking kids if they were going to attend!

To avoid incidents like this a briefing kit, including how to introduce Michael and suitable questions to ask him, needs to be prepared and given to the schools prior to his visit. Included in this kit should be contact details for the local clay target club.

The full colour sheet describing Michael's Olympic achieve-

ments, with a colour photograph of him was excellent. One copy was given to each child and many got Michael to autograph their copy. Similarly the brochure promoting clay target shooting was well received. It is a pity it still has the old Melbourne ACTA telephone numbers.

Michael's visit is an excellent opportunity for local clay target clubs to promote the sport and their club. To this end guidelines need to be prepared that include strategies for clubs to capitalise on Michael's visit. These guidelines would assist clubs to conduct activities to promote, and introduce more people to the sport and themselves in general. Whether it be suggestions on how to conduct a charity shoot, or a free "come and try day" with sausage sizzle, or how schools can include clay target shooting as one of the sports offered to students, local clubs need some guidelines on how to make the most of what is a very positive and most effective promotion for clay target shooting.

Promoting clay target shooting in the present political climate is not easy. However, using Michael in a tour like that described above was most successful and should be duplicated throughout every state and territory. I urge the ACTA and state clay target associations to get together to capitalise on Michael's outstanding achievements and employ him, or pay him a retainer, to conduct similar tours throughout Australia.

Drew Maywald.

Special thanks must go to the following sponsors and I suggest that a letter should be forthcoming from the ACTA. If they were forwarded to me I can have them all addressed. Drew Maywald deserves special thanks for doing the miles with Michael.

The tour cost in excess of \$11,000.00 which was raised as follows :

Sponsors -	Emerald	1000.00
Sponsors -	Dalby	1000.00
	ACTA	3000.00
	QCTA	1000.00
	WZQCTA	500.00
	Engineer Confer.	2000.00
	Bal - Roma CTC.	2804.89
	Total :	11304.89

RCTC capitalised on the visit by hosting both a dinner and a Charity shoot. Attendance at the dinner being 80 (\$50.00 head) and at the Charity Shoot 148 shooters, raising \$2500.00 for the RFDS.

Having witnessed the effect Michael has on the non-shooting public, it seems to us that the ACTA really needs to consider employing him on a retainer for promotional purposes.

I am sure that other shooting organisations would contribute heavily to this type of proposal if asked.

# Michael Diamond Tours Dalby

**Students and teachers from the Dalby Schools had the opportunity to listen and meet Michael Diamond on the 12 March 2001. This was the last stop on a weeklong tour encompassing schools in the Roma, Springsure, Emerald, Blackwater and Dalby areas. It is not often when Dalby gets the opportunity to host a sportsman of this calibre. It was great to see the level of support in the way of sponsorship from the Dalby businesses and service clubs that made the tour possible. The day could be classed as anything else but very successful.**

The itinerary started at 9.00am. At the Dalby Christian School where we were greeted at the front gate by the principal. After the initial greetings were over Michael was introduced to approximately 100 students and staff where he spoke and had a question and answer session for about 30 minutes. After that, the students had the opportunity to have autographs and photos with Michael as the Olympic gold medal was passed around for the students to view. This session lasted about 20 minutes then we left for commitments at St Mary's College.

At 10.00 am we arrived at St Mary's College and again we were greeted by the deputy principal who in turn introduced Michael to approximately 250 students and staff. During the introduction a resume of Michael's career achievements were described to the

**Dalby Mayor Warwick Giesec with Michael Diamond**

audience. The students listened with interest as Michael spoke of the importance of values, determination and dedication whether it is in business or sport to achieve success. Michael also stressed the importance of families and what you can learn by listening to your elders. After speaking and answering questions for about 30 minutes students were again invited up for photo and autograph opportunities and viewing of the gold medal.

We left St Mary's just before 11.00am for a civic reception at the town council chambers hosted by the Mayor Mr Warwick Giesel. Also invited were the sponsors who made the day possible and the major sponsors of the local gun club. Warwick welcomed both Michael and Drew Maywald to town and presented them both with a gift from the community. Reporters from WIN TV and both the local newspapers attended and interviewed Michael. The coverage that the media gave was very good with exposure on the TV news as well as in both papers. The civic reception was a very informal affair that was thoroughly enjoyed by all that attended.

**Paul Spago—Dalby Gun Club President with Michael Diamond and Maree Spago**

The Dalby State High School was next on the agenda where about 300 students were assembled to listen to Michael speak. Again some autographs were signed and several of the Dalby Gun Clubs junior shooters had the opportunity to meet Michael. His encouraging words and interest in their shooting made this a very memorable day for them.

It was gratifying to hear from the students and teachers how much they enjoyed Michael's visit and what they got out of his motivational speech. They came away thinking that through hard work and determination anything was possible. Another bonus from the day was introducing the sport to the schools and getting the opportunity to place the sport of clay target shooting on their sporting curriculum. Over lunch Michael commented how he enjoyed coming out into the country and speaking with the students.

In conclusion we feel that these promotional tours are very bene-

ficial and would like to thank all those people that helped make it possible. The exposure that this tour has given our sport through the local area has been exceptional and can only help promote our sport in the future.

**Bill Allan**

# Cobuna Clay Target Club Inc

Cobuna Clay Target Club held it's annual 2 day Easter Classic on Saturday 14th and Sunday 15th of April in absolutely perfect weather conditions. The Commonwealth 50 target Night Single Barrel title, was included in the weekends program on the Saturday night, this event was shot in cool clear conditions. this year was the largest prize pool ever staged by the Cohuna club, and we had a very successful Easter Classic. We had shooters from as far away as King Island, border Town Sa, Mornington and Corowa NSW, as well as a lot of places in between, with 66 shooters on Saturday, 48 shooters Saturday evening and 56 shooters on the Sunday. The staff in the kitchen were kept busy as usual and they also catered for 70 people for the Roast Dinner on Saturday night.

**Ray Peatling, Club President with Club Vice President Gary Brown**

The targets must have been good, as we had a lot of possibles shot throughout the program, consisting of 25 target Double Barrel, Single Barrel, Pointscore, Continental Double Barrel, Continental Pointscore Championships and last of all another 25 target Double Barrel Championship with a few long shoot offs resulting. With the longest shoot off going to 229 targets between Terry Walls from Yarrawonga and Mark Vistarini from Barham, with another going to 172 targets between Robert Andrews from Border Town and Ray Peatling of Cohuna. Ray Peatling took out the 2 day High Gun Prize, the full results should also appear in this issue.

At the presentations, all of the visiting shooters praised the condition of the club house, grounds and traps and said they would be back next year along with a few of their friends. the office staff also had a bit of praise thrown their way, the shoot ran so smoothly. GA Smith the Groundsman was also praised for the condition of the grounds. Last of all the secretary would like to say a BIG thankyou to all those who helped in the office, Robyn, Scott and Neil, those who refereed, scored, loaded the traps and who helped keep the shoot running smoothly, also Travis and others in

## QLD. AT THE TRAP NATIONALS:

Congratulations to the Queensland Women and Junior State Teams at the recent Trap Nationals - the Women - Annette Vassalini, Carol Betteridge and Diane Reeves just edged out the strong Tasmanian trio and the Junior - Travis Vaina, Heath Cauley and Matthew Gall also finished in first place.

To the Open and Veteran Teams - a great effort from all in the Team event.

The loudest cheer of all goes to the entire team on FINALLY being awarded the Best Presented Teams Trophy - what a win - and a very special and personal thank you to Carol Betteridge for her generous "thank you award". Very classy photo of the entire team on the Q.C.T.A. Web Site - [www.claytargetqld.org.au](http://www.claytargetqld.org.au)

## SOME MORE DATE CHANGES:

The Gold Coast Club has been granted approval to move their Annual 2 Day Skeet shoot from August TO 14th & 15th July. The Club has also moved their Annual 2 Day Trap from 25th/26th August TO 18th/19th August.

Brisbane Gun Club Executive have reverted back to a 2 Day Annual Trap - 11th/12th August - and not five (5) days as previously submitted to the Q.C.T.A. Program Book.

## 2001 Q.C.T.A. JUNIOR DEVELOPMENT PROGRAM:

Again this year, Q.C.T.A. will be conducting two (2) Junior Development weekend - the first one confirmed will be at Townsville on 20th and 21st October. The second venue and date will be confirmed in the next issue.

The weekend will attract a gun fit specialist and coaching delivery personnel experienced in Trap, Skeet and the Olympic Disciplines.

As previously, the TOWNSVILLE weekend is open to any ACTA affiliated junior shooters - upto the year you turn 21 - as there will be both standard and olympic discipline catered for.

Further information and to register your intention to attend the Townsville venue contact the Northern Zone Coaching Co-ordinator - Wayne Reeves 07 - 4745 1342 AH.

## OVERSEAS SKEET CONTINGENT:

The grapevine tells us that the Qld. Overseas Skeet Contingent won the Challenge Trophy against New Zealand at their Nationals in March - but sadly at the time of writing this report - a report and/or photographs have not filtered through. Hopefully, by the next issue - something will be at hand to report on.

## SOME STATE CHAMPIONSHIPS:

Caboolture will host the State Day Point Score Continental on 3rd June.

Mount Isa has the State Ball Trap on 11th June

Sunshine Coast will conduct the State Night Double Barrel at their Winter Annual on 15th July.

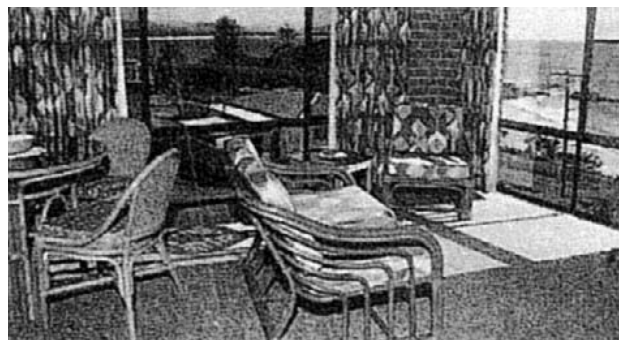

## THOUGHT FOR THE MONTH:

## SPECIAL NOTICE

CPCTC wishes to inform you of change of date for the  
ISSF competitions. As of June 2001 the ISSF  
competitions advertised for the 3rd Sunday in the month  
will now be held on the 2nd Sunday of the month.

We have taken this step in consultation so that we do not  
clash with any other ISSF competitions.
