National President's Notes

John H. Byrnes

LAURIE CONNORS

It is with great sadness that I report that I have just heard that Laurie Connors passed away on Friday 23rd November. Laurie had been an active shooter and administrator of our sport for decades. He held a variety of influential positions in our sport and was National President in the early 1980's. I am sure that shooters all over Australia are saddened by this news. Our thoughts go out to his family and the Mildura Clay Target Club, which was such a huge part of Laurie's life.

SKEET NATIONALS

I have recently returned from the Skeet Nationals shot at Wagga Wagga. The numbers attending were down slightly from the previous year, but the standard of shooting certainly was not. The overall High Gun was won by Adrian Lucchitti who beat his older brother by one target, a fantastic effort. Congratulations to the South Australian skeet team who won the state team award. It would be remiss of me not to mention that 2 New Zealand shooters who also tasted success, well done Ray Everitt and Neil Thompson. Those in attendance appeared to enjoy the carnival and congratulations goes to all that were successful. A full report appears in the magazine.

OCEANIC GAMES

A large number of shooters have also recently returned from Hamilton, New Zealand after representing Australia at the Oceanic Titles. Congratulations to the following successful teams.

Men's DTL
Women's DTL
Junior DTL
Women's Skeet
Men's ISSF Trap
Junior ISSF Trap

Individual Gold Medals were won by:
Donna Follet – Women's DTL
Travis Vaina – Junior DTL
Wendy Wellam – Women's Skeet
Russell Mark – ISSF Trap

2002 ISSF NATIONALS – CECIL PARK JANUARY 12-20

By the time you receive this edition of the magazine the ISSF Nationals at Cecil Park will be only about 3 weeks away. We hope the change to the holiday period will prove popular and that they are well supported. The Olympic range is a great venue to shoot at and we encourage you to come along and have a go. This National will be over the full traditional programme, including State teams and will include the National Training Squad selection.

STATE CARNIVALS

The Tasmanian Clay Target Association will be holding their State DTL on the 25th to 27th January. This usually is a well-attended and popular carnival. The following weekend February 1st –3rd will see the South Australian DTL carnival also held. I am sure that those who follow these carnivals will enjoy both events.

WORLD CUP FINAL

As most of you realise the World Cup Final is due to be held at Qatar was postponed for 3 months because of the volatile international crisis. This event is now due to be held January 25th to February 1st. We wish those Australians who have been invited and who choose to attend every success at the prestigious event.

2002 REGISTRATIONS

The majority of shooters have already renewed their registration for 2002. If you have not the cost is \$68 for full membership and \$38.50 for second family member and veterans. Junior registration costs are \$16.50. Please arrange for this payment via your club secretary so that you maintain continuous membership.

2001 WACTA

The Western Australian Clay Target Association 3-day Carnival was held over the long weekend of 29th September - 1st October, 2001 on the grounds of The West Australian Gun Club at Whiteman Park. Preparation of the grounds was of the usual high standard including the slashing of the background.

Weather for the first day of Skeet was nothing short of a disaster with gale force winds and heavy rain and storms throughout the competition for the day, with obvious reflections on scores.

The WACTA President Mr Glenn O'Brien and for the second year running, the Tournament Director Mr Murray Alexander addressed the shooters with the normal pre-shoot welcomes and information.

Event 1, was the Skeet Zone Teams shoot of 25 targets contested by 1 team each from 6 zones. This event was won with a score of 120/125 by the Metro Zone being represented by Clem Bertini, Marco Ponta, Nino Amato, Peter Vospa and Frank Shim. A very good result considering the weather conditions. The South West Zone scored a very close 119/125, Great Southern Zone 107/125 and the Northern Zone 97/125.

Event 2, 50 target WACTA Skeet Championship had 78 shooters squadded. This event progressed well with everyone fulfilling their duties as referees and scorers with the usual crowd around the scoreboards watching with interest as the scores were being chalked up. No possibles were posted, the best scores were Vince Marney, Clem Bertini and Geoff Day on 48/50. After the shoot off, Clem Bertini of WAGC won overall as he had done in the previous year. Other places as follows - 1st AA Phil House 51/54, 1st A Mick Howley 46/50, 1st B Vince Marney 57/60, 1st C Gary Kelly 46/54. 2nd AA Marco Ponta 50/54, 2nd A Paul McGowan 59/64, 2nd B Geoff Day 52/55 and 2nd C Tim Steer 42/51.

Mick Howley, overall high gun winner.

Event 3, the 50 target State Skeet Championship sponsored by John Page Office Solutions commenced early afternoon with 79 shooters. As the scores came in it was evident that the weather was still causing problems. One possible from Mike Voke clenched overall for this event, Mike watched the shoot off, an enviable position to be in. Other places after shoot offs as follows: 1st AA Peter Vosper 59/60, 1st A Mick Howley 48/50, 1st B Stephen Saunders 52/54, 1st C Vince Oliveri, 2nd AA Nino Amato 58/60, 2nd A Jon Dyas 47/50, 2nd B Anthony Davies 52/55, 2nd C Gary Kelly 44/50, 3rd AA Phil House 57/59, 3rd A Dave Williams, 3rd B Eddie Toomey 51/55 and 3rd C Tim Steer 46/54. Best unplaced Lady Denise Pope 38/50, best unplaced Junior Matthew Anick 47/50 and best unplaced Veteran Robin Bailey with 47/50.

The highest scoring Junior over events 2 and 3 was Matthew Anick with 92/100 winning him the Scotty Gibson Memorial Perpetual Trophy, kindly donated by Nancy Gibson and presented by Tim Catling. Thank you Nancy.

The 5 man skeet club match over the 100 targets was won by

STATE SKEET & TRAP CARNIVAL

Darren McMichean, junior high gun winner.

W.A.G.C. comprising of Clem Bertini, Marco Ponta, Craig Ellis, Max Pedri and John King with a combined score of 460/500.

After shooting at a further 25 targets the placings for the Ladies, Juniors and Veterans teams were decided as follows:

Ladies: Christine Alexander, Denise Pope and Jenny House with reserves Elaine Forward and Beryl Marney. Christine Alexander with a score of 22/25 was the team High Gun.

Juniors: Matthew Anick, Darren McMichan and Nick Wells with reserve Mitchell Hardy. Matthew Anick again team High Gun on 23/25.

Veterans: Robin Bailey, Frank Ward and Tim Catling, with reserve Tony Yozzi, the team High Gun was Robin Bailey on 23/25.

The Open Team after shooting at a further 50 targets is as follows: Clem Bertini, Phil House, Mike Voke, Max Pedri, Mick Howley, with reserves - Nino Amato, Marco Ponta, Geoff Day, Stephen Saunders, Vince Marney, Matthew Anick, Jim Chandler, Robin Bailey, John King and Greg Martin. Team High Gun was Max Pedri with 49/50.

This brought to an end the days shooting, the office staff preparing the usual paperwork and prize allocations, all that was left was presentations.

The presentations were well attended with the Vice President of WACTA Mr Sam Forsyth thanking the appropriate people and presenting prize money and team badges to the successful shooters.

A barbeque had been planned for the evening but was cancelled due to the poor weather.

Day 2 - Sunday 30th September. Better weather, overcast skies, cool with quite a breeze. Again, the usual formalities with Murray Alexander starting the days proceedings.

Event 4, was the Zone Trap Teams event, again 6 Zone Teams competed, some with shooters from the Skeet Zone teams. The event was won with a near perfect score of 124/125 by the Metro

Zone represented by Ollie McPartland, Paul Finis, Robin Bailey, Lars Bager and Carsten Bager. Well done.

Event 5, WACTA Champion of Champions event was now underway with 118 names on the board.

The scoreboard area was the center of attention, shooters searching the boards for any possibles. One 98 was up from the first wave from Pieter Muntz. It was a long wait but Greg Jackson from Geraldton dropped in a 99 from the last wave to take overall. Other places after the shoot offs as follows: 1st AA David Fox 126/130, 1st A John Rourke 171/175, 1st B Paul Baker 97/100, 1st C Vince Oliveri 97/100, 2nd AA Pieter Muntz 125/130, 2nd A Trevor Chaplin 169/175, 2nd B Clinton Smith 93/100, 2nd C Stephen Saunders 85/100, 3rd AA Robbie Balloch 97/100, 3rd A Trevor Booth 119/125, 3rd B Doug Berry 92/100, and 3rd C Chris Smith 96/125.

Gary Kelly, overall winner of the state single barrel championship.

Best unplaced positions were, Ladies - Sharon Rayner 90/100, Juniors - Sam West and Veterans - Robin Bailey 91/100.

Event 6, Sponsored by Shane Williams Autos was the State Double Barrel Championship, the favourite event for most shooters and the most sought after for an overall win. 13 possibles were on the board by the end of the event. Shoot offs were to take place as a run of 5 targets over all 7 layouts until 1 squad remained to finish the shoot off in front of the clubhouse. Unfortunately several shooters departed very early on. Eventually it was down to 2 shooters, Tim Steer and David Fox. As always there can only be 1 winner, with Tim taking the title on 160/160.

Places after shoot offs were as follows: 1st AA David Fox 159/160, 1st A Ken Selwood 69/70, 1st B Clinton Smith 49/50, 1st C Laurie Amazzini 49/56, 2nd AA Clinton Rayner 121/122, 2ndA Phil House 65/66, 2nd B Matt Biddulph 57/59, 2nd C Stephen Saunders 48/56, 3rd AA Dennis Lymn 92/93, 3rd A Greg Holly 51/52, 3rd B Frank Shim 56/59, 3rd C John Panara 46/56.

Tim Steer, overall winner of the state double barrel championship.

Trevor Morris, overall winner state double barrel points score championship.

Greg Jackson, overall winner of the WACTA champion of champions event.

Best unplaced Lady Elaine Forward 47/50, best unplaced Veteran Tim Catling 47/50 and best unplaced Junior Sam West 49/51. The WA State Junior Champion was sponsored by Roy Alexander (himself) with a magnificent Perpetual Trophy won by Clinton Smith with 49/50, 2nd place was won by Sam West with 57/59, and in 3rd place was Matt Biddulph on 56/59, the 2nd and 3rd place winners also received a trophy. Well done.

Monday 1st October the days first event, Event 7, State Single Barrel Championship sponsored by Greg Coverley from Pine Hauliers with the Roy Holtfreter Perpetual Trophy was off to a good start right on time. On the board were 109 names, and as time progressed it was obvious that 49's would be shooting off for the title. Just 4 shooters, David Fox, Murray Alexander Dennis Lymn and Gary Kelly were in the running. It took just 10 targets for Gary to take the title from David with 59/60. Ironically last year David succeeded in winning the title from Gary.

David Fox was 1st place in AA on 58/60 with Steve Miller 1st in A 56/59, 1st B Don Forward, 1st C Stephen Saunders 44/50, 2nd AA Dennis Lymn 59/61, 2nd A Trevor Morris 55/59, 2nd B Bill Foy 48/54, 2nd C Joe Yozzi 43/50, 3rd AA Murray Alexander 58/61, 3rd A Jeff Green 53/57, 3rd B Maurie Urquhart 46/52 and 3rd C Joe Pintaudi 38/50.

Best unplaced Lady was Denise Pope with 38/50, best unplaced Veteran Tim Catling 44/50 and the best unplaced Junior was Sam West with 42/50.

The last event for the day was Event 8, the 50 target State Double Barrel Points Score Championship with the Roy Alexander Perpetual Trophy. This was the last chance for some to achieve a place in the top 15.

Squads were getting on with the job at hand. Score boards were being updated efficiently and quickly once the office had double checked the squad sheets. By the end of the event 1 shooter, Trevor Morris of W.A.G.C. had the only 150/150 for the event. Other places for the event were: 1st AA Carsten Bager 149/150, 1st A Paul Baker 175/177, 1st B Clinton Smith 143/150, 1st C Joe Pintaudi 131/150, 2nd AA Jim Chandler 162/165, 2nd A Arthur Pagett 172/177, 2nd B Stuart Johnston 140/150, 2nd C Terry O'Brien 129/150, 3rd AA Tim Steer 159/165, 3rd A Eddie Toomey 154/159, 3rd B Gil Naylor 139/150, 3rd C Stephen Saunders 140/162. The 5 man Trap Club Match over the 50 DB, 50 SB and 50 DB Pts was won by the team from W.A.G.C. comprising Paul Finis, Lars

Clinton Smith, juniors trap team high gun.

Bager, Carsten Bager, Robin Bailey and Ollie McPartland with a score of 1180/1250.

Best unplaced Lady was Denise Pope 130/150, best unplaced Junior Andrew Beckett 137/150 and best unplaced Veteran Robin Bailey on 142/150.

It was now time for the top 15 open team members to shoot at a final 50 targets points score to confirm the 5 man Shoulder to Shoulder Team for the 2002 Nationals. The top 6 Ladies, Juniors and Veterans were to shoot a final 25 targets points score for their respective 3 person Shoulder to Shoulder Teams. Also in each category a Team High Gun was to be selected over this event.

Once all the scores were in, a shoot off was required to decide the open team high gun between Gary Kelly and David Fox. It was Gary's day, winning the Team High Gun, including the Doug Cummings Memorial Trophy.

By now all the names in order of qualification were written up as follows. - Gary Kelly - Team High Gun 188/189, David Fox, Sam Forsyth, Carsten Bager, Trevor Morris were selected as the 5 man team Shoulder to Shoulder Team, with reserves Arthur Pagett, Mike Daden, Eddie Toomey, Shane Williams, Mick Howley, Clinton Rayner, Paul Finis, Trevor Chaplin, Lars Bager, and Jim Chandler.

The Ladies Shoulder to Shoulder Trap Team selected over events 6, 7, 8 plus the last 25 points score is Elaine Forward, Paula Price and Sharon Rayner with reserves Denise Pope, Christine Alexander as Team High Gun on 62/75 and Beryl Marney.

Matthew Anick, winner of the Scotty Gibson memorial trophy.

The Junior Shoulder to Shoulder Trap Team is Clinton Smith as Team High Gun on 83/84, Sam West, and Matt Biddulph, with reserves Malachai Humphrey, Andrew Beckett and Darren McMichan.

The Veterans Shoulder to Shoulder Trap Team was Tim Catling as Team High Gun on 74/75, Robin Bailey, Gil Naylor, with reserves Tony Yozzi, Tom Birt and Joe Yozzi.

This brought to a close the shooting and all that remained now was presentations, as soon as the winners envelopes and trophies were sorted. A most hectic time for the office. After a short break all was ready for the presentations of the Trap events, teams and overall High Guns. Mr Glenn O'Brien, the State President,

AA grade developed into a lengthy shoot - off with Stuart Lowery (Tumut) winning 1st place with 143/144 from Paul Farrugia (Cecil Park) 2nd 140/144.

The High Gun on events 1 -3 was won by Paul Farrugia 137/138.

Saturday night a dinner and shooter Calcutta auction was held at the Tumut Bowling Club. After a very fine meal the auction of shooters got under way. Very spirited bidding from some quarters brought the overall pool split to \$530.00 to the buyer of the winner of each grade on the Tumut Bowling Club Double Barrel Championship held on Sunday.

Sunday shooting commenced at 9.00 am in overcast and raining conditions eventually clearing.

The feature event 50T Tumut Bowling Club Double Barrel Championship saw 11 possibles scored and another long shoot - off with Charlie Sherry (Sydney) winning Overall from Glenn Sinclair (Cowra) with a score of 145/145.

With the weather clearing the Scandinavian Logging Single Barrel Championship had six shooters scoring 24/25. A short shoot - off had Stumpe Lowery (Tumut) the winner scoring 33/34 from Tony Barton 32/34.

The final event was the 20T Castrol Double Barrel Handicap event and five shooters scored the possible to shoot - off for four placings. The winners was Don Power (Wagga) 36/36 from Arty Del-Ben 35/36.

The \$1000.00 for the shooter recording the possible score over the weekend was safe after Saturdays events and Arty Del-Ben was the winner of the Overall High Gun with the very good score of 226/230.

To the ladies in the kitchen an extra special thank you for a great job well done over the whole weekend. All present appreciated your work and the breakfast menu for Sunday was appreciated by many. Thank you also to our shoot marshal and others who kept the squads moving and enabled an early finish to both days to allow our visiting supporters an early trip home.

To our sponsors we also say thank you for your support, which helped to make the weekend a great success with a very good array of trophies.

8th Australian Masters Games Newcastle Lake Macquarie Clay Target Club

The Newcastle Lake Macquarie Clay Target Club hosted the Clay target section of the 8th Australian Masters Games from the 5th - 14th October. With 600 targets and three disciplines the foundation had been set for a fabulous six days of competition and even bad weather would not dampen the enthusiasm.

by 9 am the breeze started to gust and continental shooting became very challenging with two of the trap houses needing a repaint. Everyone accepted the conditions and the events continued under the Masters Games banner of "SERIOUS FUN".

Thankfully Monday was a rest day, Chris Lindsay had to keep his dog inside his camper the wind was blowing that hard, he didn't want to have his dog blown off it's chain.

Tuesday saw the wind die a bit, luckily there was no wind at 5.30 am so the traps were set in calm conditions. We all know skeeties can be a bit fickle about target trajectories and again the breeze conditions did make the targets play up but the shooters soldiered on.

COACHING ACCREDITATION

At the full Executive meeting in July 2001 a decision was made that a moratorium be run for a period of six months on coaching. The following exceptions are being offered during this period:

- 1) All coaches that have let their accreditation expire will be re-accredited on application.
- 2) Level one coaches who feel that they meet the requirements for Level 2 can apply through their respective State Associations for accreditation to Level 2. State Associations will then forward their applications and recommendations to the ACTA Coaching Council for approval.
- 3) Shooters who feel that they meet the requirements for Level 1 accreditation can apply to their respective State Associations. State Association will then forward their applications and recommendations to the ACTA Coaching Council for approval.

This moratorium will run for a period of six months starting on 1 October 2001 and concluding on 31 March 2002. Questions on the moratorium can be directed to the Chairman Coaching Council, Mr. Gary Cassells, on 03 5461 4435.

Wednesday and the wind returned, if targets were allowed to fly past the centre post the high house target ducked and the low house target jumped making skeet shooting a real challenge. Despite the wind there were some very respectable scores with a few 48's and Tom Harris with a couple of fine 49's. It was great to meet and watch Alf Najar, at 82 years of age he certainly gained some attention, not only from other shooters but also the local media. Alf had a couple of telephone interviews and thankfully for Newcastle Lake Macquarie Clay Target Club and shooting in general Alf's great nature and the way he presents himself I am sure led to a great half page photo on the sport section of the local rag. A combined shooting sports dinner was held at the club on Wednesday with a total of 75 adults and 5 children enjoying a catered spit roast dinner.

Thursday was another rest day with many of the visitors taking the chance to catch up with relatives and friends in the area and also to take in some of the fantastic attraction Newcastle and the Hunter Valley have to offer. Thursday was also an opportunity for us to finish setting up the field layout. Thanks to Frank Searles and his crew for a very interesting and challenging field. The members who were at the club Thursday would also like to thank Frank for his fly and bait casting lessons (it was our day off).

50 target skeet and 70+ age bracket, from left: Kevon Moxey bronze (Narara), Alf NNajar gold (Mosman) and George Foster silver (Newcastle).

Friday dawned fine and sunny (no wind at all) and the field shooters who struggled with down the line and then learnt to shoot skeet came to the fore. It was great to see people competing in events they had not shot before and we even had some new members who had never shot in a competition improving their score at every round. Congratulations to John Nichols from Mudgee for a fine display of field shooting. Saturday another perfect day and the targets changed slightly to give some variation, saw John Nichols again lead the way trying to lift the standard of a very average squad.

Congratulations to all the winners especially Tom Harris from Tumut, who shot the highest score of 527 targets over the six days, well done Tom. A big thanks to all those who entered the masters games and made a success of the event. 11,000 competitors competed in 62 sports across Newcastle and the Hunter Region, a great atmosphere was felt right across the Hunter and anyone who was not a part of the games will not miss out next time.

Finally I would like to thank all those who assisted in running our events, Sue, Shirley, Marree, Lynn and Lorraine in the kitchen; all those who helped set up, loaded targets, clean the bathroom and generally clean up. Thank you to Peter Petherbride and his builders for completing the new amenities and kitchen on time and we look forward to the office and storeroom being done in the near future.

MARYBOROUGH TID BITS

www.mctc.org.au

A happy New Year to all, hope you had a great Christmas and had fun opening all those presents and hope you didn't double up and get two guns.

Now I want you to put two shoots in your diary now in 2002. First 6th October Master Games in conjunction with Heritage City one day shoot which will include the South East Zone D/B Continental Championship. Then 26th & 27th October we hold the South East Zone Carnival run by the South East management committee. This shoot will be the first two day shoot Maryborough has held that I know of since I joined the club. So don't say you weren't told soon enough. I will publish the program of both when I receive them. We have a couple of plovers who nest behind the trap houses they dodge pellets for one day, I don't know what they will think of a two day.

Monday 22 Oct

Received a letter from CTSN who pointed out that MTB was mostly the same as club shooting results in the shoot results section and could I use email to send in my column.

I think my used by date has arrived, so I am pulling the pin and will have time to smell the roses.

I would like to thank the staff at the CTSN for decoding my letters, a good job for thirteen years. Also a big thanks to secretaries of near by clubs who have sent results rain, hail or sunshine, and the folks who sent in clean and dirty jokes some never cleaned up.

It's been a long road from leaving school half way in 6th grade in 1944 to take a job someone left to join the war. But I think the best days were breaking clays I would hate to pay for them all now. Writing MTB was good fun; we had a lot of laughs along the way.

Thursday 25.10.01 The Day the Bible Came

In the National Presidents Notes he talks of overseas trips, it is a shame that in the future we won't be able to shoot in some of the places we shot in the past.

Congratulations to Michael and winning teams at Lonato World Cup and thanks to team manager John. Once again "Your Say" is out of my comment.

Also congratulations to Adam and the trap team at the World Cup Brazil 2001 in the safe hands of Greg Chan.

And on page 20 at the Gold Coast Annual, by God you are a handsome fella Wes and a good shot. Good shooting Wes.

Regardless of one "Your Say" I think CTSN was still a good read and well presented. Good job CTSN.

Maryborough 28.10.01

Well in the kitchen were Pam, Betty and Kay. Thanks ladies we all love our ladies in the kitchen. Our visitor consisted of Brian Fourro, Ryan Howie, Spencer Plath (Bundy), Glen Durre, Lex & Bill Stolberg (Gympie), Tania Burke (Caboolture) also we had Yvonne & John Maxwell shooting with us. John is going to do some coaching while here and John also donated a shirt from the ISSF World Cup Lonato Italy, which was raffled, thank you John. It was won by Brian Fourro and the Quicky Board raffle was won by Lex Stolberg. Good luck to both. Thanks to our visitors which put us six squads for the day.

In AA grade Tony Bradshaw shared DBCD and SB. John Maxwell share DBCD and overall and AA DBPTS C/S, Glen Durre Cont and AAGHG. In A grade Ryan Howie, Bill Stolberg, Warren Burke shared DBCD with Vince Dollinson who then took out the DBPTS C/S. Norm Dale SB, Cont and AGHG. In B grade Lex Stolberg and Dick Osbourne shared DBCD while Brian Fourro DBPTS C/S and Dick Osbourne BGHG. In C grade Trevor Cecil took out DBCD by himself and shot himself in the foot and went to B grade. Good shooting Trevor who still took out CGHG with Spencer Plath taking out DBPTS C/S SB and Cont. Maryborough Shoot 27th January program not drawn up yet, it could be DB, CD, PTS, H/C and Cont C/S. I said it could be the same as 2001.

Bundaberg 4-11-01

When we arrived it was Sandra in the kitchen then Kaye. Thanks

ladies. Maryborough visitors to the shoot Jim Robinson, Glen McNeil, Tony McRae, Harry Walker and yours truly with new member Judd Clarke. Welcome to the club Judd, nice to meet you.

Brian Charters drew the jackpot but let it jackpot, better luck next time Brian. And Lucky John Park won the raffle, I don't know what the prize was, could have been a car or something.

Peter and myself both shooting 24 in the single barrel decided not to have a shoot off as we most likely would have cost the club four or five hundred targets. So we settled for a split in the cash. Good thinking Peter.

So in the next event the mixed Les and Gino was to shoot and again to save five or six hundred clays they split the cash. Chickens!!!!

So in AA grade Rob Rehbein took DBCD, PTS, SB, Mixed and OAHG. In A grade Kaye Rehbein, Gino Sergiacomi, Peter Winzen shared DB CD. Kaye then took points C/S and A grade while Norm Dale and Peter Winzen shared SB and Gino Sergiacomi and Les Moore shared mixed. In B grade John Park won DBCD and SB, Brian Fourro, PTS, Tim Gardener mixed. In C grade Brian Charters is DBCD, PTS, Tony McRae SB and Mixed.

Bundaberg Shoot 6th January

Check for time and program.

At the shoot I had the pleasure of telling shooters at the bar it was my fifty first wedding anniversary. Well it saved them carrying the drinks and it reminded me of last year when I asked the boss for the day off. And he said "You have just had your holidays and that is the busy day". And then he said "Alright have the day off for

All items in this newsletter will be over by the time MTB is published. However our Christmas party is at the home of our Captain Allen Joblin. Thank you Kerri and Allen, also while John Maxwell is up in the area we are holding eight coaching and practice sessions of which the first showed great interest and enjoyed by all. John wants to get them so good he will be able to select the Australian Team from Maryborough. Thanks John and we hold our AGM 25th Nov. So our club is busy in November.

Gympie 11-11-01

Well Brett Brown was one of the visitors at the shoot and greeting him with my gun on my shoulder somehow Bret was able to slip on my safety catch and as I went to have my eye opener nearly pulled my trigger off the gun. Thanks Bret and Bret was in the company of Norm Keech, Peter Bannister, Laney and Phil Grove. All Sunshine Coast, also Gary Darlington, Central Burnett with Vince Dollisson, Harry Walker, Norm Dale from Maryborough, Brian Fourro from Bundaberg and Chris Harrison from Caboolture, who told me at Caboolture they made Charlie Selke a honorary Life Member of their club for a life time of work. Congratulations Charlie. Well our kitchen ladies for the day was Averille, Fay and Yvonne, thanks ladies.

Glen Durre excelled himself at the Caboolture two day by taking out AA in Martin Gough Points and the South East Zone Single Barrel Continental plus overall high gun. Good shooting Wal.

Young Ted Adkins won the raffle and lucky Norm Keech won the Quicky Board which was a boat or something. And then in the office was Marg who did a good job, thanks Marg you will have the job for life.

GYMPIE Clay Target Club

The Gympie Clay Target Club held their yearly one-day shoot to coincide with the Gympie Gold Rush Festival on 14 October 2001. A good attendance of 56 shooters contested for the four events on the day. Visitors came from Caboolture, Sunshine Coast, Maryborough, Kingaroy, Central Burnett, Bundaberg and Brisbane. The day began fine and sunny, but a lovely storm cloud let loose its load of rain, must to everyone's delight. We all need the rain, so no one complained.

CUZZO'S RAMBLINGS JANUARY 2002

Last month I wrote an article that contained travel advice specifically relevant to shooting trips. By the time I finished the first draft, I was way over the word-count the editor allows me each month for my column, because he believes there is definitely a limit to the amount of "Cuzzo's Crap", as someone so eloquently described it recently, that any one edition of the magazine can handle. However, I just hate to cut a long story short, so here is another instalment of that draft.

ACCOMMODATION

When most of us first start going away on shooting trips and need to arrange accommodation, the first and only option we generally consider is Motels. For short duration trips these are still probably the best choice, but for more extended periods, there are other options which can not only be more cost effective, but also sometimes more practical and convenient as well. In Australia I believe the best alternative is Holiday Apartments. With these you basically get a furnished house for not much more than a Motel room and by the time you split that four or five ways between a group of friends, rather than in half for a Motel room, the savings are obvious. Then you benefit even further by having all the amenities that a house offers over a Motel room, such as a kitchen, lounge room, laundry, garage and maybe even a backyard for parties and barbeques.

When traveling to America, Hotels and/or Motels are again the best alternative for short stays and the only major difference you will notice between them and their Australian counterparts is the lack of even a small bar fridge in the rooms. For reasons I can't figure out, fridges have never become standard equipment in even up-market American Hotels and Motels. The rooms are equipped with small plastic ice buckets and on each floor/block, as well as the lobby, they have large ice block making machines, from which you fill your ice bucket. I never did come to grips with this very "quaint" idea of trotting around the place with your little bucket in hand, looking for the ice machine and I think that the American Motel Owners Association should hold their annual convention in Australia one year, where they might just have their horizons expanded.

However, when in the US, for any stays longer than one or two days, try a concept they are renowned for that is a halfway between a Hotel and a Motel, called a Serviced Apartment Complex. These specialise in medium term occupancies, which is just exactly what you want on a shooting trip. And when you combine this with their eagerness to offer weekly rates, they are definitely a much more cost-effective option than either of the more conventional alternatives. You'll find that the rooms are generally very nice, at least on par with a Hotel or up-market Motel, yet offer the additional advantage of looking like an apartment ie full kitchen, large refrigerator, dining table etc. Other amenities usually include a Pool, Laundry, Security Service and Airport Shuttle Bus. Combined with all this, they also often provide a free buffet breakfast each morning in the dining room and sometimes even a free light dinner on weekday evenings.

OPERATIONAL DIFFERENCES

Whenever you attend a Shoot outside Australia, always obtain both a program and a rulebook and read them carefully before shooting, to prevent being caught out by "home rules" and/or other oddities. Back in the days when I was a half-handly Trap shooter, I once turned a pair of targets in the New Zealand National Double Rise into sooty black smudges in the sky, only to be duly and loudly scored "lost and lost" by a very officious little referee, whose belligerent attitude I shall never forget. Upon questioning this very surprising adjudication, said referee, who appeared to have a set against everyone and everything Australian, took great delight in informing me that it was because I had failed to advise him that I intended to shoot the left target first on lane number four.

After a protracted discussion it emerged that the New Zealand

Rule Book did in fact contain this obscure provision. It had apparently been invented to ensure that if the referee could not see which target the competitor intended to shoot at first and was looking at the other target and the competitor dislodged only a small piece from the first target, he would not be deprived of the score. However, this character was intent on taking creativity to a whole new level with his interpretation of this rule, and no amount of pleading on my behalf by the other shooters and numerous spectators was going to deprive him of his prized Australian scalp. When they called me to shoot off for the Overall National High Gun a few days later, the memory of that pair of targets was still indelibly etched in my mind.

Now maybe I'm thick, but I could never quite follow the thought process behind taking a rule that was clearly designed to enhance equity and technically reinterpreting it to effectively provide moral and material inequity. At such times, the only thing I'm sure of is that the Marquis of Queensberry would not have been impressed. Anyway, it was eventually the culmination of several such "memorable" experiences to both myself and others, over a long period of time, that resulted in my decision to take on the role of Shoot Marshall at our major tournaments. For the true sportsman, a sound but fair beating should be a character building exercise, but a good shafting will always be a bitter experience.

However, rules differences and interpretations are not the only pitfalls. Often it can simply be unexpected procedural differences. On another occasion I saw an overseas competitor, who had broken a "possible" early in the day at the World Skeet Shoot, appear at the Shoot-off registration table punctually at 5.30pm that evening, only to find out that he had already been scratched as a no-show. He was unaware that the rules required him to report to the stadium field within 30 minutes of the end of his flight time to shoot the first round of the shoot off with all the other people who had shot possibles on that flight. As I watched him mentally calculate the "cost" of this minor technical oversight, I would say that devastated would be an understatement in describing his reaction.

NSSA REFEREES

At the World Skeet Shoot you never have to referee or score as paid professional referees are used. They take their job very seriously. They usually act very low key and will generally speak very politely to you, if at all, probably referring to you as "sir". Do not misinterpret this as subservience. They are in charge of the field and what they say goes. They are also a very tight knit group. If you upset one of them, you may alienate yourself with all of them, as even the president of NSSA once found out to his detriment. After having to get members of the National Executive to pull for him for the rest of the week, I don't think he ever "cussed" at another referee.

Go out of your way to introduce yourself to them each time before you shoot. Make a little small-talk and be respectful and polite. It will not get you anything for free, but will make sure that they do not misinterpret or misunderstand you and get offside with you. Remember, they do not have a refusal rule in the US, so if you call for a target and the referee releases it, you would be well advised to shoot at it if you think that you can hit it, as otherwise, the next one you get may be your option. If you are unsure about anything, don't try to bluff your way through it. Instead, feel free to ask the referee for assistance and advice. They will be happy to help if they can. Also, you only need to take 100 shells for the event as there are no "sighters" and he (or she) will give you a "proof shell" if you get a broken target or the like.

AMERICAN SKEET AMMUNITION

Three main brands are available at the World Skeet Shoot. They are Winchester, Remington and Federal. There is not a lot of difference in them from a performance standpoint and they all cost pretty much the same. Although 1 1/8 ounce loads are legal in the 12 gauge events, I recommend that you use the Winchester High Velocity 1oz load, as it is very similar to the shells we use here and

will do a very good job. I used it to win the 12 Gauge World Championship in 1996. In the three smaller guns, I believe that Remington probably makes a marginally better shell than the other two and thus would recommend that you use them, except if you wish to sell the empty hulls, or bring them home for reloading, and then you would need to use Winchester. Also beware of cheap hunting loads made by the big three and sold through the larger department stores like Kmart, Wal-Mart etc. They are loaded with substandard components and light loads of soft shot. They're OK for practice, provided you use a tight choke, but they are probably not worth the effort. Do not even think about using them in competition.

TIPPING & GRATUITIES

The service industries in the US operate differently to the way they work here. Wages are very low and overtime and penalty rates are almost non-existent. The whole system works on a "user pays" basis that assures the consumer of good service. The big trick for foreign visitors is to work out which are the "service people" who need tipping, and which are the "non-service people" who will be surprised and maybe even offended if you offer them a tip. As a starting point, always tip waitresses in restaurants, bell-boys at hotels and baggage handlers at airports (but not the check-in staff). If in doubt, ask someone. You'll get the hang of it after a while. The going rate is 10-15% of the bill or a minimum of \$1.00. Do not attempt to tip anyone on the grounds of the World Shoot, especially the referees, however giving out any Australian trinkets will go over well with just about anyone at any time, so take a few pins, badges, hats etc with you.

MANNERS & BEHAVIOUR

Contrary to the rumours that circulate in Australia, American people in general tend to be very polite and courteous in their speech, actions, behaviour and their driving. Try to emulate this as firstly it makes for good international relations, secondly it will get you a lot further and thirdly they tend to be intolerant of people who are not equally as gracious as themselves. Refer to all male persons as "sir" and to all female persons as "mam" and use "thank you" a lot. Drive like a little old lady and don't be surprised when people stop to let you in rather than cutting you off when you are driving.

This month's Shooting Trivia Question: What is the highest score ever shot to win a Trap Handicap event in Australia? Mail your answer to Shooting Trivia, P.O. Box 265, Bairnsdale 3875, to arrive by 20-01-2002. The first correct answer drawn shall receive a free entry to this year's National Trap Handicap. The correct answer to November's STQ is: The first person to shoot a 200 Skeet break in Australia was George Biggs, who broke a five year drought in the record by shooting 215 against the great Johnnie Summers at the Melbourne Gun Club in 1976. The first correct answer drawn was submitted by Glenn Clarke of Berwick in Victoria, who wins a free entry to this year's National Skeet Doubles Championship

2002 Australian Pacific Grand Prix

It is my great pleasure to announce that the Australian Pacific Grand with a new format of 225 targets of Olympic Trap and Skeet over three days from Friday 8th to Sunday 10th March, this years Grand Prix has continued on from previous years and has attracted interest from local and international competitors.

Once again our 'Top Gun' friends from Japan have expressed an interest in attending. My advice to all local shooters is to get your deposit in and secure your place in the 2002 Grand Prix.

This year the 225 target format comprises of the 100 target "Skins" event on Friday which gives shooters the opportunity to compete in one of the richest cash prize pools on offer in Australia, and the 125 target plus final Australian Pacific Grand Prix over the Saturday and Sunday.

The Grand Prix is one of Australia's premier ISSF events, which in the past has seen some of the worlds top shooters compete in the event. The event has given the 'not so great' shooters the chance to shoot beside the worlds best. With a high gun over the two events this years Grand Prix offers plenty for all shooters of all levels. So come and join us in Brisbane in March for a great long weekend of ISSF shooting.

Dear Editor;

Firstly congratulations on publishing B Peters letter and I too had to reply.

Mr Peters why don't you tell us what you really think! Don't you think that a mature adult would perhaps try to offer positive suggestions on how to improve the ACTA magazine and maybe even do something to make a stand and get on a committee instead of ridiculing and damming everything that the ACTA magazine represents to the many shooters. You really offended me not only because you insulted the many volunteers who send in articles you also insulted the ACTA staff. I am a committee person who is involved in this sport, plus as an advertiser who pays to advertise in this magazine and I personally try really hard to be positive by offering suggestions and pitching in to help when required but as a committee person we can only do so much to make changes to this magazine and web site.

Did it occur to you to ring ACTA and speak with the friendly helpful staff and ask why the web site or email didn't work or what happened with the printing. I did and got the right info. If the book is as bad as you say I was surprised you noticed any problem! Why do you bother getting it sent to you, surely ACTA could take a few dollars off you membership so you don't have to torture yourself if it is as bad as you say! We all would love to have a glossy monthly magazine and maybe that might happen, perhaps you could take on the role and do a costing for us and report back. I will gladly type it up for you to present to the ACTA Executive. I challenge you!

I also will support it if it is cost effective then maybe you might win some respect back. Did it ever occur to you just how people who work hard for their clubs, and a lot are volunteers, would feel about your comments. I love getting the magazine to see photos of shooters sent in by the dedicated club members who write these stories in their own time. Mr Peters there are other ways to get your point across but the next time try not to insult so many people.

S Green

Dear Editor;

As I enter the "Open" section of DTL competition, graduating from the Junior ranks when I turn 18 in January 2002, I realise I have developed a real passion for the sport of Clay Target Shooting. I think this is because I have received such a great amount of encouragement since taking up the sport, at the age of 11, firstly from my parents and then from a lot of wonderful people I have met around the traps along the way.

I would like to acknowledge and offer my thanks for the fantastic help and support I have received from people such as Mal, Craig and Carol Tilley from Express Shotshells at Milperra Marketing. Their generosity and encouragement have been invaluable to me.

Also, I would like to thank the ACTA, Andrew Sanders, Bill Iles and all the people who help (often behind the scenes and without recognition) with the Junior Development Camps, which are run twice a year by the ACTA. The coaching we juniors are offered at these camps have been of major value to me, and I know to all the other junior shooters who attend the camps.

I feel very fortunate to have been given some of the many opportunities this great sport has to offer, from travelling far and wide and seeing a lot of places I probably would not have seen, to

making a great many friends and acquaintances. As I step in into the "Open" arena, I hope I can one day offer encouragement and inspiration to the juniors coming up through the ranks, as I have received, and participate in the positive promotion of our sport.

*Yours in shooting,
Andrew Miller*

Dear Editor;

I would like to thank the ACTA for the opportunity that they gave me to represent Australia at the World Skeet Shoot in San Antonio USA. A big thank you must go to Adrian Cousens for all the time he put in to organising the trip.

Shooters here in Australia do not realise just how much Adrian is held in high esteem in the USA. I would like to thank Neal Dimmick for all his help and the people he introduced to me while over there.

To Scott Wright our manager, a job well done, organising our shoot times, bus driving and keeping us on time. I would recommend Scott as manager for any future away team.

I would like to add my thoughts to the new skeet rules, all the hype about the way they shoot in the USA we changed our rules to align with NSSA. However, this is not the case on station 7 you can load two shells to shoot single. Also on station 8 you can load two shells to shoot your 24th and 25th targets on low house.

What a saving it would be to clubs if we adopted their way of shooting! No eye opener, no refusal off targets, all shoot offs conducted doubles 3-4-5 and last of all no wasting of time between rounds.

Once again thank you all for a wonderful opportunity to represent my country.

Bruce Jennings

The South West Zone of the VCTA regretfully informs the clay target shooting fraternity of the passing of BRUCE JENNINGS on the 13 October 2001, aged 67 years. Bruce was a past ACTA member (3618) and a devoted coach to all, especially to juniors. He was a winner of numerous championships and a hard working club and zone member. Bruce lived his life in the Warrnambool area and will be sadly missed.

Charles Albert Linaker

Born: London, May 1920
Died: Bunbury, August 2001

Five sisters made a special trip to Thailand last year on a pilgrimage of respect for the thousands of men who worked on the Burma Railway. Though many men did not survive that wartime ordeal in Hell Fire Pass and other locations, their father, Charles Linaker, was among those who did.

At his suggestion, his daughter "enlisted" for the 2000 Quiet Lion Tour - named in honour of the army officer and surgeon, Sir Edward "Weary" Dunlop. They attended the Anzac Day service at Kanchanburi war cemetery, and trekked for another dawn service at Hell Fire Pass. It was a long walk, but one they took on cheerfully, realising the comparatively easy conditions they enjoyed.

"Dad had gone on the 1998 Quiet Lion Tour but was not well enough to come up with us last year," says his second daughter, Robin Brookes. "But we met other families, and saw broken bamboo and other reminders of what the men had gone through. We were known as Charlie's Angels."

Mr Linaker did the Hell Fire Trek in 1998, accompanied by several fellow prisoners who wanted to see where they had trod, hungry and maltreated, more than half a century ago.

If Charlie the soldier was tough enough to endure that wartime ordeal, it was possibly because his childhood was far from pampered. Arriving in Australia at the age of four, he and his parents Charles and Lilian, and younger brothers Jeff and Albert, lived at Northcliffe, scatching a living alongside other English families lured by the promise of land and a place in the sun.

He later lived in Margaret River and Kellerberrin, and at the outbreak of World War II joined the army. He served first in the Middle East, and then in Java, where his unit was among many overrun by the Japanese.

From Changi prison in Singapore, the next step was the Thai jungles and Hell Fire Pass. Charlie survived not only that, but also a spell working in coalmines in Japan. Realising that the dropping of the atomic bombs on Hiroshima and Nagasaki almost certainly saved his life, he weighed less than 35 kg when his captors surrendered and peace was restored.

Charlie and his wife Jenny settled in Bunbury, when he became the town's first plumbing apprentice after the war, working with builder Jack Best.

In 1968 Charlie was a founding member of the Bunbury Rifle and Skeet club, which later became the Bunbury Skeet Club, then the Bunbury Clay Target Club.

During the years since 1968, Charlie was a keen duck and clay target shooter. He will always be remembered by his fellow shooting mates as a dag in the duck swamp, and on duck shooting expeditions was always the life of the party. Charlie was also a very competent clay target shooter plus a great club contributor and loved his skeet.

In 1984, Charlie was awarded the third life membership of the club in recognition of his efforts and dedication over the years.

He also was a member of the very exclusive and famous 21 member "Billy Goats Club" in Bunbury, membership of which was nominated only by the peers of all shooters in the Bunbury region. As a sub-contract plumber Charlie was well respected by his working mates and the Bunbury community, for his amusing sense of humour and willingness to assist friends in need. Even with his many war injuries, Charlie never complained but was always first to volunteer in the rebuilding of the club and facilities. Charlie will be sadly missed by all his shooting mates.

The Linakers raised five daughters in the southern suburb of Carey Park, a tranquil contrast to the terrain where he had once struggled to keep morale. Charlie spent his working life as a plumber, declining to dwell on the rigours of captivity, preferring to recall the moments of humour that had maintained spirits.

Mrs Linaker died six years ago.

Charlie stayed in touch with several army mates, and was among the keenest contenders when the 1998 Quiet Lion Tour was on the cards.

His most positive gesture, however, came this year. When the Federal Government awarded him and others \$25,000 as compensation for their years of captivity, he gave most of it to Princess Margaret Hospital and the Royal Flying Doctor Service. Turning 81, he said, he hardly needed money. The hospital, and the pilots who flew young people to Perth for treatment, could surely use it.

Charlie Linaker is survived by his daughters Beverly King, Robin Brookes, Julie Russell, and twins Dawn Radvilas and Diane Sedgewick, 11 grandchildren and two great-grandchildren.

Aged 62 years

It is with deep sadness and regret that the Frankston Australian Clay Target Club mourns the passing of one of its Life & Foundation members Bob McGillivray. Although Bob moved to Lake Boga. Frankston Australian Clay Target Club was always his club and made as many visits as possible. Southern Zone Coaching Clinic

The Southern Zone held a successful coaching clinic at Illawarra Gun Club on the weekend of Saturday & Sunday 10th & 11th November 2001.

Fred Schmetzer & Kevin Perkins coached approximately 20 participants each day in both trap & skeet. Both juniors & ladies participated from Zone clubs including The Forest, NSW, Illawarra, Shoalhaven, Goulburn, Majura Park, Bega & Bombala.

The weather was fine & mild & the two day clinic was such a success that the Southern Zone coaching program for 2002 will hold three more clinics, the first in February, then the following two planned for June & November.

Cartridges & targets were provided, & also lunch for the participants and their immediate family. Everyone was happy and satisfied with the weekend and the participants gained valuable knowledge from our experienced coaches.

The Purple Clays

Grafton is renowned for its Jacaranda trees and its Jacaranda Festival in October/November each year. So again the Grafton Clay Target Club staged its yearly Jacaranda Open Classic to coincide with the aftermath of the festival.

As with much of the coastal area, Grafton was suffering a very bitter springtime drought after the severe March floods. It was hard to believe that the drought affected grass around the grounds had been thoroughly inundated with floodwater that had completely covered the Clubhouse by some two feet earlier in the year.

Again Coff's Harbour CTC and Grafton CTC had organised a joint Clay Target weekend spectacular which included a draw for a coloured Television for those who participated in the full program at both Clubs.

2001 Grafton Jacaranda Queen Robyn Thompson and Bud Sweeney, winner of the High Gun and 30 target Jacaranda Mixed Classic at the 2001 Grafton Jacaranda Open Classic.

The Jacaranda trees at the Club awoke to our Jacaranda Open day with a forecast of showers and thunderstorms but locals knew that the purple trees were in for a calm, hot and humid November day. The prediction of thunderstorms could likely prove correct.

At 9.30am the 38 shooters from a wide area including Newcastle, the Tablelands and local coastal clubs were ready to start but there was a pensive moment as silence was called for to recollect that this was Remembrance Day.

First event, the 25 target Double Barrel, and no less than a quarter of the field came in with a perfect score. Obviously the targets were good and this set the trend for the rest of the day.

The Jacaranda Mixed Classic of 10 D/B, 10 S/B and 10 P/S was keenly shot and it took a shoot off to determine Bud Sweeney as the overall winner with a perfect 75/75. Shoot offs were needed in almost every grade to settle the winners and placegetters.

A look towards the South showed the deep clouds of that predicted

looming thunderstorm. It was all hands now to keep the show rolling. The clouds gathered ominously as we began the 50 target Jacaranda Double Barrel Championship. The rolling clouds seem to inspire the shooters to even greater heights and then as if by witchcraft the thunderstorm moved around behind the clays to provide an even better background for the targets with even keener shooting and more possibles.

Again shoot offs were required to determine the winners and eventually Clem Cunningham from the mountain club of Dorriggo tenaciously took the Overall Sash with an excellent 102/102.

But the day wasn't entirely finished as we needed a High Gun winner. Bud Sweeney and Michael Hickey had shot consistently all day and were both sitting with a perfect score. After an excellent shoot off Bud Sweeney was acclaimed High Gun winner with the faultless score for the day of 135/135. Records showed that it has been a long time since we achieved a perfect High Gun score at a Grafton Jacaranda Open shoot.

Jacaranda Queen Robyn Thompson and Clem Cunningham, winner of the 50 target Jacaranda Double Barrel Championship at the 2001 Grafton Jacaranda Open Classic.

During all this drama some of the onlookers had witnessed the arrival of our newly crowned Jacaranda Queen Robyn and her Entourage together with a representative of the Commonwealth Bank who had kindly sponsored our day.

The Jacaranda Party were delighted to assist in distributing the trophies but it seemed even more obvious that all present at the shoot were ecstatic to have the Jacaranda Party with them as they were charmed by their manner and graciousness.

The day ended and as the goodbyes were said, some already wanted to know their squading for next year.

Oh yes .. and who won the Telly ... Michael Hickey still went home a very happy winner.

Aha .. shooting under the Jacas is delightful.

HERBERT RIVER GUN CLUB Annual 100 target Day

Sunday 30th September saw shooters arriving at the Herbert River Gun Club in Ingham for the annual Sunstate Fuel Cane-fields 100.

The numbers were down but the competition was hot. A ten target eye opener was shot first to give the competitors a good look at the targets to come.

After the first round of competition it was clear the shooters were in for the long haul with a number of possibles shot.

Round two saw a few fall away but there were still a few shooters who could shoot the possible. By the end of round three the numbers there was only one. At the end of the competition there were no possibles.

Ingham shooter Barry Bosworth missed a target in the final round to take out the overall title with a 99/100.

Noel Benson of Townsville and Ian Turner of Charters Towers both shot 98/100 and after the shoot off was complete it was Noel Benson with the AA Grade prize.

A Grade saw Carol Betteridge of the Burdekin club shoot 95/100 to win convincingly.

Pat Dury of Townsville was the most consistent of the B Graders to take out first place and Maria Bosworth of Ingham was back on the tracks for the first time in a while and won the C Grade prize.

The Herbert River Gun Club wish to thank Sunstate Fuel for there generous support of this annual event. Thanks also to all the shooters who traveled to make the day what it was.

Albany Clay Target Club

Members of the Albany Clay Target Club recently held the Merv Lubcke memorial shoot. Overall winner was David Holland with a good score of 89/100. The weather was extremely unfavourable with howling winds and driving rain, the sort of weather that Lubcke would not take his Beretta gun into.

A grade winner was Laurie Hull, who came down from the Katanning Clay Target Club for the day. His score was 83/100. David Holland also took out B Grade. C Grade was won by David Levingston with a score of 73/100.

Holland won a shield that remembers Merv Lubcke and the event will go on for many years.

Lubcke, who was life member of the club, was a keen skeet shooter so the event to remember Lubcke by is the 100-target skeet. He was a founding member of the club and was active in all aspects of the running of the club. Lubcke even let the club shoot on his property while the current grounds were being prepared. He is missed by all members and will never be forgotten.

Clermont Clay Target Club 2-Day Shoot Review

The Clermont Clay Target Club held its Annual 2-Day shoot on 27th & 28th October, with shooters from far (Mt Isa) and wide (Roma & Tambo). As Murphy's law would have it, on the Friday the Clermont district received the first rainfall for three months and this may have deterred many shooters from other regions. The practice shoot was held on the Friday afternoon with a few keen shooters starting a little after one o'clock. With heavy rain on Friday evening the night shoot was cancelled.

Saturday morning brought a great change in the weather and with a hearty breakfast at the club, the 54 shooters were ready to start. Event 1 was a cash divide, with 10 possibles, conditions could not have been better for the shooters. Event 2 was a 30 target Continental with Jim Riggs from the Rockhampton club winning the event with a score of 149/149. The trend continued in the third event, a 50 target double barrel, with 9 possibles, and Bruce Powell from Springsure club taking out the event after a lengthy shoot off (230/230). Saturday evening country hospitality was extended, with a camp oven dinner provided at the club, that was enjoyed by all.

On Sunday, event 4 a 30 target Medley sorted out the field with

Left to right: Veronica Forsythe (Ladies), Ross Jamieson (B grade), Shaun Ryan (AA grade), Bruce Powell (Overall), Kathy Condon (C grade), Chris Neilsen (Veteran, Sarina)

only five possibles shoot. Duncan Ferguson from the Barcardine club won with a score of 87/87. Event 5 was a 30 target points event, with Shaun Ryan from the Springsure club winning with a score of 123/123. The big event was the handicap, with 9 possibles, many were in the chase, however, with Bruce Powell's eye in not many could keep up (61/61).

Altogether 39 shooters came from Adelaide, Bordertown, Lake Albert as well as locals.

The next event was 25 tgt Graded Point Score in which only one possible was shot by Don Beelitz

in AA. 2nd was Tim Steer with 73/75. A grade was won by P Rundle 74/75, 2nd L Schubert 71/75. B grade D Hayward 74/75, 2nd G Durbridge 73/75, C grade C Pocock 64/75, 2nd M Whelan 61/75. High Gun winner for the day was D Beelitz 125/125.

During presentations of the trophies a lot of reminiscing, stories and laughter took place. Memorabilia and old photos were displayed around the room for everyone to see and remember.

Many thanks to our sponsors - Perks Seedgrading - on the day. Sporting clubs can't survive without their sponsors and it is appreciated greatly.

The club house and grounds looked in tip top condition, thanks to all the helpers at the working bees and on the day. The day was well catered for, thanks to the Kemps. No one went home hungry, that's for sure.

Lynn Beelitz kept the office running smoothly with past secretary Val lending a hand a couple of times. This brought back a lot of memories for her. Val was secretary of the club for 12 years.

I hope a lot of the past members come back, they certainly showed that they enjoyed their day at the gun club.

Bendigo shooter smashes Castle- maine Club record

Bendigo clay target shooter Terry Boucher has smashed the Castlemaine Gun Club record by more than 60 targets.

Interservice Trap Shooting 2001

The services for many years have conducted a clay target competition annually with the venue rotating through Point Cook Pucapunyal and Cerberus. In recent times Cerberus is the only location available and this year on a cool Wednesday

afternoon in October, the 01 event was conducted.

After a morning of practice and final team selection the three complete teams were ready. A break for a pleasant Barby lunch and the competition started at 1330.

One shooter from each service shoots as a squad, there are six in a team, so six squads of three shooters.

Under the watchful eyes of old RAAF stalwart Alan Chandler acting as the referee and with the voice release units to make life a little easier, the comp got under way, with a five target eye opener, then three groups of ten targets per shooter.

The overall high gun and Navy high gun were donated and presented by Mrs Gwen Blackwell to Chris Carrol with a score of 49/50. The Army high gun was won by Sgt Chase Caldwell 48/50. And the RAAF high gun went to Noel Cleal 34/35. The Interservice Shield was won by RAAF 158/180, Navy 150, Army 142.

The invitation event was won by Daryl Bye, 16/16 from Hecta Crawford 15/16.

Victorian North West Zone Carnival

Queensland Northern Zone Clay Target — Shooting Coaching Weekend

The Townsville Gun Club was the location for the Coaching Weekend for clay target shooters sponsored by Sport and Recreation Queensland, Queensland Clay Target Assoc. and Northern Zone Clay Target Assoc. Saturday saw a number of interested shooters come along to hear how they could improve their scores.

Coaching specialist Graham Boyd made the trip from Albury in southern New South Wales for the weekend to assist shooters in their quest for better scores.

Starting the weekend was local coach Arthur Kenna who delivered a good session on visualization. Arthur explained how rehearsing targets in your mind before getting to the grounds can help cope with the intense stresses of competition.

Next up was Gary Dumaresq to teach the shooters a little about breathing correctly whilst competing to control the nerves and not hyperventilate or hypo ventilate. Most of those in attendance did not know how important this is to shooting.

Guest speaker Graham Boyd was next up with an interesting talk of his experience of how when he was a new shooter nobody would pass on information to assist him improve. However it is very different now with people being more than happy to assist everyone improve their scores. Graham had many good tips to help everyone. The most important thing is to be systematic in your approach to each target whether it be practice at the local club or national championship.

After lunch Andrew Larson set up to speak about eyes and how to see the targets. Andrew explained how your eyes work and

how various eye exercises can help maintain good vision. Finding eye dominance was also demonstrated and how this can be corrected and that using both eyes was very important as depth perception is a critical part of judging moving targets.

The afternoon was mostly a hands on exercise with all shooters heading to the tracks to put into practice what they had learnt. First up were the junior shooters with Graham giving them ten targets to see how they shot before giving any advice on any problems they may have. The senior shooters then had a shot with the juniors watching and Graham pointing out any little hiccups they may have had to the juniors so that they could understand what he meant when he pointed it out to them. After twenty five targets the juniors were back on the tracks along with some of the new seniors to get as many tips as they could from Graham.

Everyone was more than happy with the day and on Sunday everyone had a chance to put into practice all that was learnt. There were some major improvements by the juniors and the new shooters.

The shooters and Northern Zone Clay Target Assoc. wish to thank Graham Boyd, QCTA and Sport and Recreation Queensland who sponsored the weekend. The Queensland Government is working to get more Queenslanders active through sport and recreation. It was good to see the number of competitors taking advantage of these coaching weekends but it would be great to see more in attendance next year.

St Arnaud Gun Club Incorporated

OFFICIAL CLUB HOUSE OPENING

St Arnaud Gun club Inc held its official clubhouse opening on Sunday 28th October 2001 in perfect weather conditions. Present at the opening was VCTA State President Mr Vince Mollica and the Mayor of the Northern Grampians Shire Council, Mr Colin Hall to officially open the new clubhouse at St Arnaud Gun club.

Mr Stephen Reyne started the official proceedings at 11.00 am with a brief history.

St Arnaud Gun club was successfully initiated at a meeting held at Mr H Higginbothams Hairdressing Salon, on Wednesday July 26th 1899. Mr G Myles was appointed secretary. The club shooting grounds were situated at Edgars Paddock, Ballarat Road, St Arnaud. RK Macey Steel Manufacturers are now on the site.

The opening match was held on Wednesday August 9th 1899, and was a three bird, (Sparrow) event, scored three points for a first barrel and two points for a second barrel kill. Mr F Bray shooting off 15 yards scored the only possible out of nine points. Mr H Langshaw, shooting off 21 yards scored eight points. The prize money was one pound, one shilling (\$2.10).

L to R VCTA NWZ Vice President Mr John McVitty, State President Mr Vince Mollica, Club President Mr Stephen Reyne, Mayor NGSC Mr Colin Hall, Councilor's Mrs Karen Douglas, Mr Bary Kearnan & Mr Bryan Small.

In April 1953, the club purchased the land situated at crown allotment 13 and 14, Parish of Darkbourne, from Mr Kelly, (Where the present club stands). The shooting grounds were set up for live bird shooting and also for the new discipline of clay target shooting. The clay target thrower was an ICI Automatic Angle Trap (Snipe), and was cocked and released manually, and so we call, "Pull" for the puller to release the trap.

In 1984 the club installed two shooting grounds, complete with original Burton Traps. The club is now equipped with two of the latest type Burton Traps with Hopper Fed Continental Traps, and release by Canterbury Voice Release Equipment. The club also has a Ball Trap Layout.

The St Arnaud Gun Club Inc applied for and received a government grant of dollar for dollar to replace the clubrooms. The clubrooms building commenced in December 1998.

The club would like to thank Mr Vince Mollica in attending the opening. After the official opening was the Northern Grampians Shire Council Wimmera Games which commenced at 1.00pm.
