National President's Notes

John H. Byrnes

DTL Nationals

The recently concluded 2002 DTL Nationals held at the National Shooting Ground in Wagga Wagga again appeared to be a positive carnival for most competitors.

Once again the weather was excellent for the duration of the carnival and the quality of targets saw 4 points down shoot off for places in the Australian McIntosh Team.

Congratulations must be offered to the Victorian State Teams as they completed a clean sweep in all categories - a great effort, well done. The carnival saw several shooters win National titles who had not previously been successful at this level. These wins appeared to be popular with the majority of shooters present.

A special mention needs to be made of Sam Clifford who convincingly won the Overall High Gun being only 8 points down for the carnival. His outstanding effort showed that he clearly deserved his High Gun honor.

It would be remiss of me not to acknowledge the efforts of our 2 major sponsors for the carnival. To Beretta Australia and Winchester a special thank you on behalf of all shooters in the Association. Your support was greatly appreciated and we look forward to your future involvement in the Nationals.

Thank you to all who assisted in any capacity with the organisation and running of the 9-day carnival. The success of events like a National Carnival only occurs because of the efforts of these support people.

Apology - Perpetual Trophy

I need to offer an apology to Mr Kable & Mr Smith for inadvertently overlooking the presentation of their Perpetual trophy during the National Point Score event. The failure to invite you to present the trophy was a pure oversight and no offence was meant by these actions.

World Cup - Sydney

At the time of writing these notes I have just returned from the World Cup event in Sydney. Congratulations once again to Michael Diamond who won the World Cup in an exciting 4 way Single Barrel shoot off. Adam Vella won bronze in the same event. All 4 competitors had shot 146/150 at the conclusion of the final a great effort. Once again thank you to the many volunteers who assisted with the running of this event.

Further details will be published in the magazine.

NT State Carnival

The NT State Carnival for Trap and Skeet will be held this month at Alice Springs. This carnival is always popular and well attended, so keep June 7 - 10th free.

N.S.W. STATE SKEET CARNIVAL 2002

With a positive acceptance of the changes implemented at last years State Skeet Carnival where a significant increase in attendance was recorded, the NSWCTA has retained last years program and structure.

The change of date certainly brought much better weather with two magnificent days and the third although not as good, scores were still excellent.

This weekend will be kept for 2002 and the Carnival will be held on Friday 23rd, Saturday 24th and Sunday 25th August at the National Shooting Ground Wagga.

All eight Skeet Layouts have been booked and can be used if required. A practice trap will be available this year as several requests were made last year to have this facility.

Other changes for this year will see the cost to enter the optional purse halved to \$10 overall and \$10 for the grade. Many shooters thought last years cost to be excessive. We were fortunate to have considerable sponsorship last year which allowed organisers to lower the event nominations, this has unfortunately reduced necessitating a slight increase in this years entry. The 50 target events will cost \$25 and the 100 target State Championship \$35. I am sure shooters will agree this still offers good value for money considering shooters have the chance to win a red sash, 65 medals, make State teams and compete for around 15 cases of shells, all for around the same entry charged at the monthly shoot at your local club and more than comparable with other State Carnivals.

The fifteen member team will be selected over the 100 target State Championship on the Saturday, plus the 50 target NSWCTA Championship on the Sunday morning. The shoulder to shoulder team will also use the 50 target Postal Team Competition making a total of 200 targets to select the 2002 team.

The Postal Team Competition for 15 member, plus Ladies, Juniors and Veterans will be shot between the 50 target NSWCTA Championship and the 25 pair State Skeet Doubles on the Sunday.

The High Gun will be over events 2, 3, 4 and 5.

Shooters will also need to note that nominations on both Saturday and Sunday will close at 10.00am sharp.

The NSWCTA hope the slight changes to the program will meet with shooters approval and look forward to increased numbers again this year. The ACTA will control the office and the NSWCTA will supply the tournament Director with Les Aberly and the Shoot Marshall with David Coleman.

A full advertisement will be in next months CTSN or further information can be obtained from Les (0263313791) or David (0269314454).

NATIONAL DEAUVILLE DOUBLES

After the successful running the Commonwealth Deauville Doubles at the 2000 Nationals the Executive of the ACTA have made the decision to include a National Deauville Doubles Championships at the 2002 Nationals. This event will be shot from 24 metres not an event for the faint hearted.

Seventy-one pairs nominated for this event with the excellent combination of Lynne Curtis and Russell Mark being unbeaten on a perfect score of 40/40. Queensland Quotes

Congratulations:

Congratulations to Queensland shooters who performed so well at the recent National Trap Carnival at Wagga. Ray Collinson had an excellent win in the Single Barrel, Ross Walsh was second in the Double Barrel. While Peter Field, in company with Ray and Ross made the McIntosh Team.

New Delegate to ACTA:

Peter Field of Blackwater International Clay Target Club is the new Queensland Delegate to the ACTA, replacing Rick Kennedy of Tambo. Peter has already commenced his duties attending the Wagga Nationals and acting as "Jenny" to the Queensland Team.

Queensland Skeet Contingent:

The first stage of this series was held at Toowoomba on the 23rd & 24th March in conjunction with the South East Zone Skeet Carnival. Attendance was a little lower than anticipated but the competition was fierce.

The next stage is at Roma in the Western Zone on the 18th & 19th May. Remember, there are 5 stages in this series including the compulsory State Carnival with the best 4 out of 5 scores to count.

It's happened at last:

Bill Allan and his wife Julie made history recently at Toowoomba Gun Club when they were not the last persons to leave the grounds. Age must be creeping up on Bill.

2003 Monthly Shoot Programs (Pink Form):

Clubs are required to supply the State Office with their 2003 monthly shoot dates / times no later than 1st July 2002. Remember the sooner you send them in the sooner the 2003 Calendar can be compiled and issued to shooters.

Need a holiday?

Take a couple of weeks off and head to sunny Normanton in July. Try to catch the elusive Barramundi or just laze in the sun and enjoy the famous Northern hospitality. You can even improve your shooting by attending the Normanton Gun Club Practical Coaching Instruction on 6th & 7th July.

Specialised coaching instruction will be given by Graeme Boyd ably assisted by Rick Kennedy and Rodney Woodrow.

The following weekend you can enter the Queensland ISSF Carnival at Normanton and put your newfound knowledge to us.

Alfred (Alf) Coleman
28th July 1918 - 22nd March 2002

The West Australian Gun Club (inc) acknowledges the passing of a fine gentleman and a life member of the club from the old Perth Gun Club (inc). Alf was always a person who gave the most to the club, even when his wife "Girlie" was incapacitated and was caring for her. His love of mechanics ensured that in the early days of shooting, the traps were always in good condition. At 84 years of age he was still an active competitor with having recently taken out a trophy in "C" grade. Alf never had any fancy or expensive firearms, but he thoroughly enjoyed his sport and worked well with what he had. Prior to his passing Alf donated to the club all of his firearms, so that newcomers and Juniors could participate and enjoy his sport. Alf will be sadly missed by all and we know that he is now happy, as he will be with "Girlie".

Queensland Northern Zone Notes

The state carnival was held at Kingaroy last year, a long way from the north, but the Northern Zone managed to hold a majority of the spots in this years Queensland state team for the Nationals at Wagga Wagga in April.

Northern Zone State Team Members: L-R Rod Cusack, Ray Collinson, Barry Bosworth, Carol Betteridge and Matt Gall.

The Queensland Northern Zone is proud to have five shooters from the north in the State teams. Rod Cusack who shoots for the Mt Isa club, Ray Collinson from the Burdekin Gun Club along with Barry Bosworth from Herbert River were all a part of the Open team.

Matt Gall of the Port Denison Gun Club was delighted to be representing the state in the junior division for the second year in a row. The ladies team had Carol Betteridge, also of the Burdekin Gun Club, as a member again.

Last year the state team had six members from the north. This goes to show that there are some talented shooters in the sticks.

The open team shot well at Wagga finishing in second place, which is the best the open team has done for many years.

The biggest news for our zone is that Ray Collinson is now the new National Single Barrel champion after he won at Wagga with a score of 87/87. He had a lot of weight on his shoulders being the outsider but still managed the win. Ross Walsh also did the zone proud by taking out second place overall in the National Double Barrel event after a lengthy shoot off with some fine shots. His final score was 471/472.

**Queenslanders in MacIntosh Team April 2002
L-R Ray Collinson, Ross Walsh, and Peter Field.**

Junior Matt Gall from the Port Denison Gun Club shot very well in the Champion of Champions with a second place in the Junior division with a credible score of 144/150.

Mt Isa held the Northern Zone Trap Carnival on 13th and 14th April. The zone is very large but the members of the Zone believe that all clubs should have their turn at the Zone carnivals. The results will be published in next month's issue of CTSN.

The long weekend in June is a busy one for the north with Mt Isa and Herbert River both holding their Annual Three Day shoots on 8th, 9th and 10th June. Give the clubs a call for more details.

The State ISSF Carnival is also being held in the Northern Zone this year with the Normanton Gun Club holding this carnival on the weekend of 13th and 14th July.

The Zone Skeet Carnival will be held on the weekend of 17th and 18th August also in Mt Isa. There is some good skeet shooters in the north and Mt Isa is a great place to shoot skeet.

It would be great to see visitors from other zones participating at these carnivals to experience the friendly atmosphere of our zone.

Wayne's World was the venue for the Suncorp Metway North Queensland Games held on Easter Saturday. It is believed that all in attendance had a great time at the Normanton Gun Club.

John Brownson was the overall winner of the first event of the day, which was a 50 target Olympic Trap event. John would not be the most experienced ISSF shooter coming from Charters Towers and it was good to see him have a win.

A skeet handicap was next up and John was the winner again in this event.

Event three was a 25 target Point Score and this time the Overall was won by Wayne Reeves with a good score of 119/120. Wayne was also the winner of the final event of the day or should I say night. This event was a 25 target Double Barrel Night event.

The Overall High Gun winner was Wayne with a score of 159/175. Keeping things in the family, Diane Reeves won the Women's High Gun with 157/175. Richard Brownson showed Dad that he too is a good shot, taking out the Junior High Gun with 147/175. Frank Cresswell of Normanton won the Veterans High Gun.

This is a new column that I hope will be a regular in the CTSN. If anyone from the Northern Zone has anything to contribute please call Carol on 4782 2455 or email on rcrb@austarnet.com.au.

BURDEKIN GUN CLUB ANNUAL SHOOT REPORT

An almost perfect day greeted visitors and locals alike to the Burdekin Gun Club Annual Two-day Carnival on the 9th & 10th March. The visitors came from Townsville, Bowen, Charters Towers, Silkwood, Ingham, Mackay, and Sarina to try and give the locals a run for their money. A good attendance ensured that there would be some good scores shot.

After a 10 target eye opener the serious shooting started with event two, the "Arthur Collinson Memorial" 30 target Double Barrel event being contested. Arthur's grandson Ray Collinson was too strong and took out the overall with 82/82. Local Joseph Rossato started his weekend off well with a first in AA Grade with 79/80. Max Nicolaides completed a clean sweep for the Burdekin club when he shot 78/80 to take out second.

Noel Beale of Townsville was the one keeping Ray going but had to settle for first in A Grade with his score of 81/82. Local star Annette Vassalini took out second with 44/45.

Bruno Minuzzo shot the 30/30 to go into the overall shoot off but came away with first in B Grade instead with a good score of 37/38. Silkwood shooter Peter Ward took out second place with his score of 32/34.

Burdekin Gun Club Annual High Gun winners.
Back L-R: Ray Collinson (O/A), Sam Coco (B Grade & Veteran), Joseph Rossato (AA Grade), Joseph Scalia (C Grade),
Front L-R: Matt Gall (Junior), Annette Vassalini (A Grade & Women).

Joseph Scalia has only just joined the club and was already into the prize list when he shot 29/32 to take out the C Grade prize from Vito Patane who is also a new member of the club.

Annette Vassalini's score was too good and gave her the Women's prize as well. Noel Beale also took out the Veteran's prize with his fine display.

Event three was a different one with a 30 target Medley being shot. Overall was taken out by Max Nicolaides, after a shoot off, with a score of 100/100. Ray Collinson was the one to keep Max honest, giving Ray first in AA Grade with 99/100. Burdekin's Glen Rea was so close again but had to settle for second in AA Grade with 98/100.

A Grade was won by Annette Vassalini with 49/50 and Elliott Favale continued the good results by local members when he shot 48/50 for second.

Santo Greco from Silkwood took out the B Grade prize with his

score of 72/75. Local David O'Donnell had to settle for second after a shoot off with Santo with his score of 66/75.

Joseph Scalia showed the way in C Grade again taking out first with 48/50. A very happy local lady shooter in Dee Colls took out second with 46/50.

State Handicap winners, L-R: Robert Caban 1st, Glen Rea 2nd, Mario Emmi 3rd, and Tony Caruso 4th.

The women's section was won again by Annette Vassalini and the veteran's prize was won by Sam Coco with 46/50.

The final event for the day shooting on Saturday was a 25 target Double Barrel Continental. Ray Collinson again took out the overall with his score of 96/96. Joseph Rossato tried his hardest to beat Ray but had to settle for first in AA Grade with 95/96. Wayne Cislowski shot well to take out second with 53/54.

Elliott Favale had moved up to A Grade at the beginning of the day. His shooting during the day showed why he should be there with the only possible 25/25 in A Grade. Greg Maltby had to shoot off before claiming second place with 28/30.

Sam Coco shot off to claim first in B Grade with a score of 44/45 from local Justin Scott who shot 43/45 for second place.

Ross Patane took out first place in C Grade with a fine 21/25. Vito Patane took second place again with a score of 19/25.

Annette Vassalini showed the way again in the women's division taking the prize with a score of 48/50 after a good shoot off. Sam Coco proved too strong for the rest of the veteran's taking first place with 24/25.

When night fell the lights came on and the shooting began again with the Burdekin Night Double Barrel Championship. A good number of possibles were shot and Max Nicolaides proved too strong taking out his second overall with a good score of 82/82. Keeping Max honest was Bowen shooter Bill Gall who had to be content with first in AA Grade with his score of 81/82. Glen Rea went with them for a while but was happy enough with second place on 43/44.

Annette Vassalini's score of 25/26 was enough to give her first place in A Grade again. Keven Stout of Townsville waited around for his shoot off for what seemed like a lifetime but in the end it was worth it with him taking home second place with his score of 42/43.

Sam Coco was too strong for the B Graders taking first place with 24/25. Mario Emmi snuck home after a short shoot off giving him second place with 26/28.

Townsville shooter Brian Parison came down for one event and claimed a prize with his score of 29/31 giving him first place in C Grade. The clubs hard working bar manager Mick Richards had an enjoyable night taking out second with 28/31.

Nigh Double Championship.

Back L-R: Bill Coco (1st AA), Mario Emmi (2nd B), Max Nicolaides (O/A), Mick Richards (2nd C), Brian Parrison (1st C).

Front L-R: Sam Coco (1st B & Veteran), Glen Rea (2nd AA), Annette Vassalini (1st A & Women) and Matt Colls (Junior).

Once again Annette Vassalini's score was enough to give her the women's prize. Matt Colls shot 22/25 to claim the junior prize and Sam Coco continued his winning way taking out the veteran's.

The first event for Sunday morning was a 25 target Point Score. Annette Vassalini proved to good for all in attendance and made the men take notice after she won the shoot off to claim the overall prize with a score of 81/81. Ray Collinson was the one to be beaten by Annette and took first in AA Grade with his score of 80/81. Second place was taken out by Lui Populin with 75/78.

A very happy local, James Ware won the A Grade prize with his good score of 73/75. Noel Beale shot 71/75 to claim second place in A Grade.

The best shoot off was by the B Graders with Silkwood members, Junior Shannon Paton and Veteran Sam Coco both going 10 targets in the shoot off before a winner was decided. The junior, Shannon was the victor with a score of 104/105. Sam was happy to come second to Shannon with his score of 103/105.

Local shooter Alf Gangemi was a shocked winner in C Grade with a good score of 71/75. Vito Patane took out second place again with a score of 64/75.

Once again Annette Vassalini won the women's prize with 75/75. Shannon Patton also won the Junior prize with 74/75 and Sam Coco took out the Veterans with 74/75.

Event seven was next up and was a 25-target Single Barrel event. No possibles were shot but a shoot off was required to determine the winner. Barry Bosworth was the overall winner with 30/31. Wayne Cislowski was first in AA Grade with a score of 29/31. Shoot marshal for the weekend Gian Vassalini shot 26/28 to take out second.

Charters Towers shooter Fred Higgins shot a creditable 23/25 to take first in A Grade. Annette Vassalini continued her winning way with a second place with 23/26.

Shannon Paton continued his good form to take out first in B Grade with 26/28. Peter Ward made it a clean sweep for the Silkwood club taking second place with 25/28.

Matt Colls was very pleased to take out first place in C Grade with 19/26. Alf Gangemi was in the shoot off with Matt and had to settle for second with his score of 20/28.

Annette Vassalini had a fight on her hands for the Women's division on this occasion with Helen Becke taking Annette to 40/44 for her win. Shannon Paton had to shoot off before winning the Junior section with a score of 24/26. Sam Coco took out another Veteran's prize with 22/25.

The final event of the weekend was the very hotly contested 50 target State Double Barrel Handicap event. There were no possibles shot but after the shoot off the overall and first place went to Robert Caban with a score of 80/81 who took home the State Red Sash and a nice wad of cash for his effort. Glen Rea was not going to give it away and shot well but ended with second place with a score of 79/81. Mario Emmi shot the best he has shot for a long time taking out third place with 74/76. Fourth place went to handicap specialist Tony Caruso when he shot 68/70.

Finally the High Guns were tallied and with a close finish Ray Collinson took out the overall with 276/280. Joseph Rossato shot well all weekend

and ended with the AA Grade High Gun prize with 271/280. Annette Vassalini showed the way in A Grade and defeated all the men with a great score of 272/280. Sam Coco's consistency led him to winning the B Grade High Gun with a score of 259/280. New shooter Joseph Scalia was too strong for the C Graders taking out the High Gun with 249/280 and was regraded to A Grade for his effort.

There was no surprise that Annette Vassalini won the Women's High Gun prize. Matt Gall shot 260/280 to take out the Junior High Gun. Sam Coco also took out the Veterans High Gun.

There were some good scores shot and a lot of shooters went home happy with some great prizes that were on offer. Congratulations to all the winners and good luck next time for those who did not go home with a prize.

The club wish to thank their very generous sponsors for the weekend and thank anybody who may have helped in any way to make the shoot a successful one.

CUZZO'S RAMBLINGS

June 2002

Well, that's the Trap Nationals over again for another year. They say time flies when you're having fun, and that must be the case, as it seems like only a couple of days ago, when I was packing up getting ready to go to Wagga. Actually, on the Thursday night prior to leaving, during the course of loading the car, I caught myself humming and smiling and suddenly realised that, like Big Kev, I was excited about going. You'd reckon after about thirty years or so it would wear off, wouldn't you? Especially when, like the majority of you, I am not one of the twenty or thirty people with a realistic chance of winning one of the events.

So, like the bulk of the people, I look forward to going for other reasons. Reasons like getting away from home and work for a week, to a vacation type lifestyle. An environment where you stay in a motel and someone else cleans up after you and makes your bed, and where you eat out all day long and someone else washes the dishes afterwards. And at the Gun Club you get to socialise with good friends that you only see once or twice a year. You also get to see the largest trade display that gets assembled anywhere during the year, and then in the evenings you get to watch the very best shooters our country has to offer, put on a free shooting exhibition for your enjoyment.

Having said that, when you read the Nationals write-up, you'll find that on the last day I validated another great old saying. The one that goes something like: "Even a blind hog finds some acorns". Then again, maybe this was something other than just a twist of luck. Perhaps Poetic Justice and Fate had decided to drop in on Wagga this year. Because as I walked out onto precisely the same field, at exactly the same Gun Club, to shoot off against the same number of people, on exactly the same score as I had done eighteen years before, I could almost hear that haunting music from The Twilight Zone and I suspected that a time-warp was about to turn full circle and finally close.

Anyway, by winning the Double Rise I proved once again that anything is possible, provided you're prepared to get off your butt, go along, put up your money and have a go. Unfortunately, this is a point that is lost on a lot of people. When I hear shooters saying things like: "I'm not going to the Nationals because I'm not good enough", or "I haven't been shooting well lately", or "there are too many good shooters there for me", I often wonder what they could have done, or might have achieved, if they had been prepared to make the effort and go, but now will never know.

Why? Because the Big Guns don't always win. Sometimes a Little Gun will temporarily expand and run off with the prize. Look back through the previous winners lists and you will see what I mean. Nearly everyone agrees that just about anyone can win the Handicap, but what they don't realise, is that it doesn't stop there. Admittedly the Champion of Champions and the Double Barrel are usually won by the Big Guns, due to the difficulty and length of those events, but even that is not set in concrete. Just ask Brett Dunstan, who lost the Double Barrel shoot-off one year to a very happy C grade shooter.

However, the Single Barrel, Pointscore and Double Rise are different matters altogether. All that is sometimes required to win those events is a little luck for about half an hour during qualifying and perhaps just a handful more targets in the shoot-off. So it's theoretically possible for nearly anyone to go from zero to hero in the space of one day. And trust me, that will be one day in your life that

you will not forget, even if you never come "even vaguely close" again. Take for instance the first year I won an event at the Nationals: Melbourne, 1981.

Sure, Trevor Byrne, Jon Whittakers and Ken Lowry won the Double Barrel, Single Barrel and Champion of Champions. But what sort of odds could you have gotten the night before, against me winning the Skeet, or Bennie Scotta shooting nine more targets in the shoot-off to win the Pointscore, or Adrian O'Connell winning the Double Rise outright with 46? Pretty big ones I'm sure. So the next time any of you decide not to go to the Nationals, think about that, because wouldn't it be a terrible shame to have someone else wandering around wearing your Silver Australia Badge.

Anyway, back to this year's Shoot. Reflecting on the week, I am reminded of Jack Nicholson's famous question: "What if this is as good as it gets?" And it could well be! The whole nine days went off almost like clockwork. I hardly heard a grumble all week long about anything at all. To start with, the weather was absolutely brilliant. Eight of the nine days were blue sky, calm and about 20 degrees, and the other was quite a pleasant day that was a little breezy. Even in autumn, which is traditionally the most weather stable period in south eastern Australia, and even in an inland city, far removed from coastal instability, I am still amazed that we can continue to get such great weather for the Nationals.

The attendance was about on par with last year, which surprised me. I was worried that with the constant decline in shooting generally, due to the government and the media hammering us from every conceivable angle, the clash with Easter and the proximity of the World DTL Championships in New Zealand, we may have fallen off by 40 or 50 shooters. But not so! Nearly every event had about the same number of entrants as last year. This could in part have been attributable to the increase in the camping facilities, which I hope will expand again even further before next year. To a lot of people on a limited budget, the difference between less than a hundred dollars for a campsite, and around a thousand dollars for a Motel room, combined with the additional savings associated with the ability to do their own cooking, can mean the difference between being able to afford to go or not.

The targets were absolutely spectacular, both in their quality and their presentation. Fred and Josso had performed some creative and much needed modifications to the mounting systems in the traphouses, during the weeks leading up to the Carnival. This allowed Ludwig's now famous Geminis to be able to function flawlessly all week long, and present "shootable" targets, regardless of wind direction or strength. And this was clearly assisted by Olimpyc, who supplied us with one of the best batches of black targets, regardless of brand, that I have seen for a very long time. Practically no breakage in transit, combined with no buckling, warping or sticking together, and a mixture strength that was almost perfect, meant a constant stream of "smokable" targets and very few perforated pick-ups. Even one pellet skidding across the top of a target was creating puffs of dust and occasionally a discernable piece.

Both major advertised changes to the program format seemed popular and worked well. Many people commented on the practicality of containing the entire program into one working week. And the movement of the Champion of Champions from the last event to the second, meant that not only were the non 15 meter events tidied up before the common mark events started, but this

also eliminated one full trap setting change. Ever since I took over the Shoot Marshalling at the Trap Nationals, I've toyed with the idea of conducting the McIntosh Team Shoot on the afternoon of the Pointscore day, rather than the next morning before the Double Rise. This year we trialled it and I doubt if we'll ever change back.

Not only did it allow us to conduct the Team Shoot while the shooters were "hot to trot", but it provided the double benefit of being able to start the Double Rise earlier and eliminate the time loss of a full trap setting change during the day, as the only full change now required could be done in conjunction with the normal early morning trap setting routine. And as this day has now become the final one, due to the shift of the Champion of Champions event, it also meant a previously unheard of early finish on the last day, allowing all the travellers to get on the road before dark. I'm sure that many people saw this as the icing on the cake of an already great week.

This year also saw the start of a brand new event. The National Deauville Doubles Championship. The "family" Deauville Doubles has been going for over 20 years and is extremely popular with all those people eligible to enter. However, there has been a mounting groundswell over many years to conduct a similar event that is open to all comers. After the 2000 program reshuffle, to accommodate the official opening of our National Office, allowed the Commonwealth Deauville Doubles to be conducted at the Nationals that year, I always thought that it would only be a matter of time before this came to pass.

The family Deauville Doubles has now been moved to the new timeslot of the second day of the pre-Nationals, following the pre-National Double Rise, and the new event has taken its place on National Double Rise day. As most of the qualifying for this event is able to be done while the National Double Rise is being shot, it does not add much extra time to the day, but certainly adds a lot of extra fun and excitement. I put my money on those two old war-horses, Billy Iles and Jon Whittakers. Fortunately I took them as an each-way bet, as although they didn't win, they at least finished on the dais. When the dust finally settled, Lynne Curtis was able to trump Russell Mark's quote of "I'm the best partner saver" by quietly adding "Yes, but I'm the best partner picker".

During the entire week I can only recall two incidents that I would have to describe as lowlights. The first was the oversight (read stuff-up) made by the Shoot Marshall during the Handicap shoot-off, early in the week. For this I can only humbly apologise to those people who were affected by it and promise to try not to ever let it happen again, as although I may not be perfect, I at least try to learn from my mistakes. The second was the fact that a very good party and barbeque on Friday night was terminated early and thus partially spoiled by a lack of any musical entertainment. To the various ladies who brought this to my attention, I can assure you that I will speak with Bill Jones about getting at least a jukebox for next year.

This month's Shooting Trivia Question: When the shoot-off for this year's National Double Barrel Championship got down to one squad, how many of the remaining six shooters had already won this event previously? Mail your answer to Shooting Trivia, P.O. Box 265, Bairnsdale 3875, to arrive by 20-06-2002. The first correct answer drawn shall receive a free entry to next year's National Trap Handicap. The correct answer to April's STQ is: When the Nationals were on State Rotation, Victoria held them at the greatest number of different venues by conducting them at five separate locations: Tottenham, East Burwood, Lilydale, Geelong and Echuca. The first correct answer drawn was submitted by Bill Attwood from Coburg in Victoria who wins a free entry to next year's National Double Rise.

Good Luck and Good Shooting

Dear Sir:

Through your column, I would like to thank the ACTA for the opportunity of shooting for the Australian Women's Team at the 5th World DTL Championships in Christchurch, New Zealand held 17th - 19th March.

A very special thanks must go to Mr Andy Sanders and his team in the Wagga office. What a great job you did organising travel arrangements, accommodation, etc. Thanks Andy. Also a big thanks to Kathie Gault and Carol Zagor who were the other two ladies in this team.

It's a great honour to be able to wear an Australian tracksuit and shooting jacket but its an even bigger thrill to wear them and win a team gold and an individual gold medal as well.

We Aussies certainly held our own against the rest of the world. Well done to all who traveled over to New Zealand on this very successful trip.

High Temperatures for 2 Days DTL Carnival at the West Australian Gun Club (inc)

23rd & 24th February 2002

With all preparations taken care of the West Australian Gun Club (inc) was ready for its 2 day DTL Carnival incorporating Double Barrel, Double Barrel Points, Single Barrel, Handicap and State Mixed Targets. It appeared though that the club had underestimated the force of the "El Nino" effect with temperatures over the weekend hitting the 35 degrees and with it dry searing heat. The favorite over the weekend wasn't just the shooting but the drinks and ice cabinet located at the bar. After opening the layouts for practice, the newly elected President, Murray Alexander, welcomed all to the carnival, and wished everyone good shooting. He then handed over to the Captain and Vice Captain - Ollie McPartland and Tim McBride to outline the day's proceedings including safety requirements and competition etiquette.

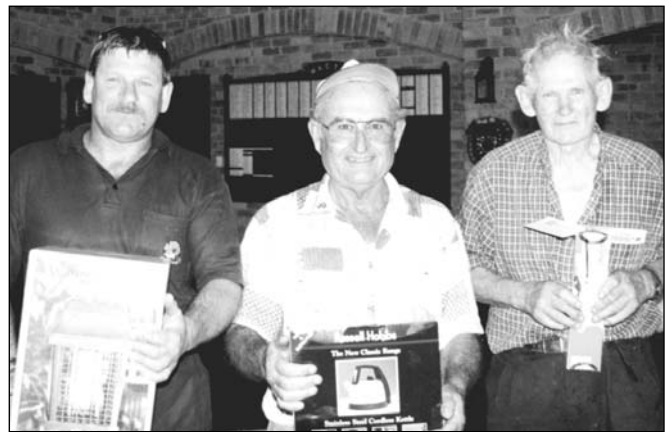

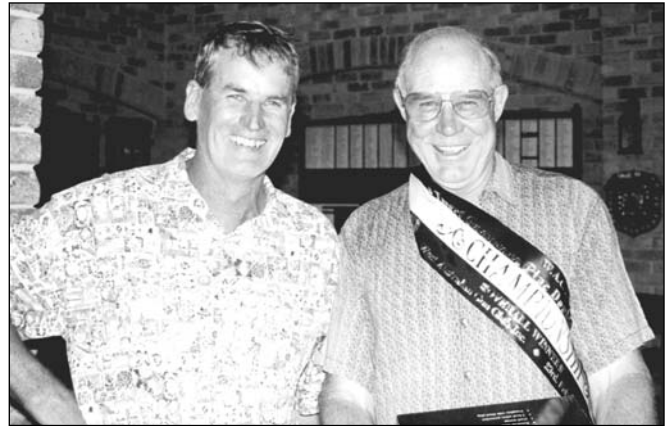

Then the words "let the shooting begin" were heard and event 1: 50t "Whiteman Park" Double Barrel sponsored by WA Building Co was under way. Shooting was intense with three 50's registered and a long shoot off between Murray Alexander (112/113), Shane Williams (125/126) and the winner Glen O'Brien (126/126) started. "A" grade was won by G Quan Sing (50/51), A Pagett (53/54) from O McPartland (52/54) - "B" grade T Hearn (54/57), W Drake-Brockman (53/57), S Rayner (48/50) and "C" grade was equally competitive with G Schweikert (49/54) from J Panara (48/54). It just happened that the sponsor - Chris Joy - took some of his own sponsorship home by being 1st in "C" grade with a 48/50. It appeared that thanks to event 1, shoot off's were going to be the flavour of the weekend which proved very true.

Well the heat was entrenched and the new President was caught out between shoot off rounds cooling himself in front of the fan in the nominations office - perks of being the "boss man". One thinks that there should have been some "test" imposed.

In the main area was a magnificent trophy display (\$2,000 +), which the competitors took time to look at and think about what they would like to win. Meanwhile the next event - 50t "Gnangara Pine" Double Barrel Points Championship commenced, being sponsored by the West Australian Gun Club (inc). Again vying was on in all grades for trophies on offer. The competition of "age and experience" undertook a new meaning with the Veteran Robin Bailey (158/159) taking it out after a shoot off with Gary Kelly

(155/159) and Clem Bertini (148/150). "A" Grade won by E Toomey (147/150), J Rose (146/150) from G Quan Sing (147/153) after a shoot off. S Saunders (145/150) - a skeet shooter, decided in "B" grade to show his prowess by winning from N Travis (140/150) and D Forward (139/150). "C" grade was won by J Panara (139/150) from C Joy (120/150) and our oldest competitor (84 years) and Life member - Alf Coleman (106/156) came 3rd after a shoot off with G Schweikert - our newest member. Congratulations Alf on your well-earned trophy.

Having mastered the art of double barrel over the two events, somebody decided to sneak in 25t Handicap just to liven up the competition. Front marker 11m and one only 25m. Once again shoot off was the order. Eventually Carsten Bager 28/28 won and gave up an extra metre. Trophies were for 1st to 10th place, with a "pick from the table" sponsored by Chris & Murray Alexander. The place winners were 2nd - G Quan Sing 27/28, 3rd - B Gors 26/27, 4th - O McPartland 25/26, 5th - T Blakeney 51/52, 6th - C Joy 50/52, 7th - S Williams 42/46, 8th - D Forward 35/37, 9th - E Toomey 34/36 and 10th - L Bager 32/34. These guys proved that Handicap is an art with the huge shoot off that was undertaken for a result.

As usual with any club, catering is a major consideration and thanks goes to all the guys and gal's who helped in this area throughout the weekend - Angie Saunders, Judith Wells, Kerry Hardey, Debbie Carter, Peta Fullarton, Suzanne Wood, Billy

Foyand Robert Collins. Once afternoon tea was over, presentations began and it was great to see a lot of different faces picking up the trophies. When the trophy presentations finished and a "social" drink was had, the WACTA (inc) AGM started with Sam Forsyth being elected as President and Shane Williams, Vice President. New faces on the committee are Ollie McPartland, Des Neale, Jim West, Neil Dowey, Les Hall and David Fox. Along with them are the old faces of Tom Vodden, Elaine Forward, Christine Alexander, Greg Coverley, John Page, Ken Patterson and Laurie Reynolds. This bought day 1 of the carnival to an end with congratulations going to all winners on the day and to the 2002 WACTA (inc) executive members.

Day 2 dawned and all were hoping the temperatures would be cooler, but alas the weather man informed us we were in for another scorcher, just what you need when you have mixed targets

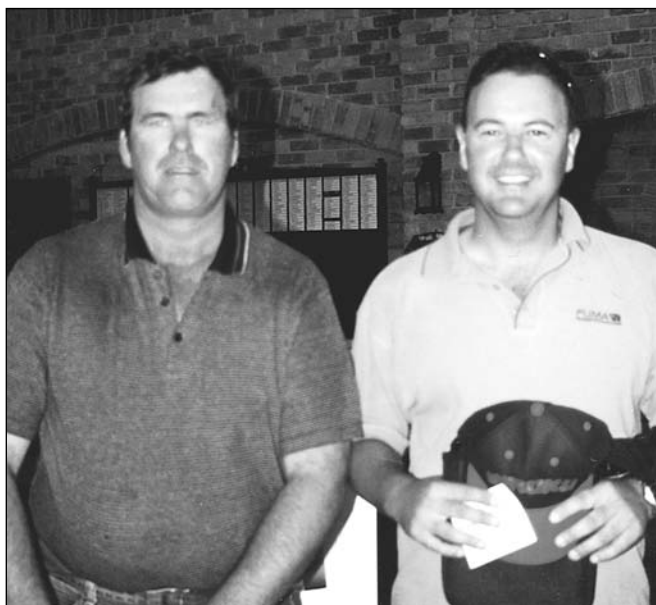

as part of the program and there's \$2,500 + on the trophy table. First for the day was a 10t Single Barrel "Winner takes all" event sponsored by Express Appliances with the prize being a 140 litre bar fridge. 61 competitors vied for the trophy and Charles Mezzatesta was the victor. Thanks goes to Lars and his partner for the sponsorship of this event.

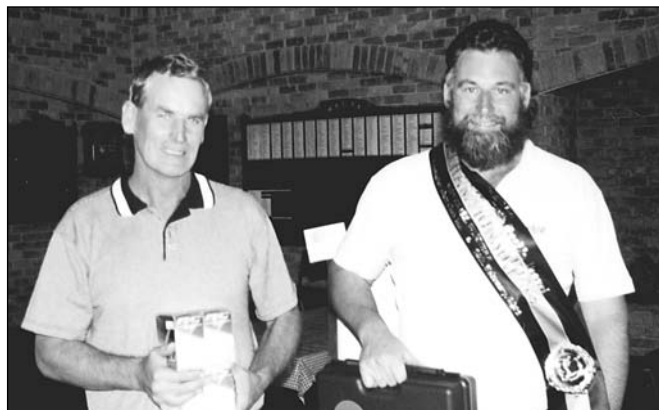

Well the "red sash" event - state mixed targets was now upon us and we thank very much our sponsors Highland Sports / Miroku and their representatives Martin for the magnificent trophies provided. Everyone

commented that the display was the best that had been seen for quite some time and looked forward to taking home the array of gun cases, cold weather gear, cartridge holders and hats. Overall winner Paul Finis with a perfect 60/60. Very well shot Paul. Again shoot offs were involved to decide winners. "AA" grade - R Bailey 73/74, D Fox 85/88, C Bertini 83/88, "A" grade - R Day 69/74, P Fullarton 68/74, B Kuser 64/70, "B" grade - A Pagett 58/60, W Foy 55/60, S Saunders 54/60, "C" grade - K Walsham 49/60, C Joy 47/60, J Panara 43/60. Unplaced Lady was Sharon Rayner.

Finally the "wind down" event came along, but it seemed that there is no such thing for clay target competitors as 8 "AA" and 1 "B" grader registered 50/50 for a further shoot off. End result was 1st "AA" - David Fox (149/149), 2nd - Shane Williams (148/149) and 3rd - Gary Kelly, 1st in "A" grade was P Mules (55/56), J Green (54/56) and G Smith (57/59). Arthur Pagett (50/50), the only "B" grader took out 1st place from L Fisher (48/50) and S Saunders (51/54). Over the weekend, these "C" graders featured consistently

in shoot offs or placings, with C Joy (48/50), J Panara 47/51 and K Walsham 46/51. The final event was sponsored by RC / Beretta Australia and we thank them very much for the sponsorship. All of the shooters recognised the sponsorship with one person donating their trophy of ammunition to the WA Coaching Council for use with Juniors.

After the shooting finished, there were two more presentations to go with first being the High Gun of the Carnival. This acknowledges the very best and most consistent high level performer and was presented by Murray Alexander on behalf of the sponsor - Roy Alexander & Sons, to Gary Kelly of Geraldton with a 337/345. Excellent shooting over the carnival in the dry hot condition. The second was an initiative that was not advertised but in the spirit of the sport and to make it a little more competitive, a "2 person team" competition was introduced over the entire program.

There were some very highly rated combinations but in the end Gary Kelly and Glen O'Brien won out with a 666/690. Their prize was replacement ammunition of 250 shells each. Over the weekend there had been about 80 shooters for the Carnival.

The President acknowledged WAGC (inc)'s new life member - Christine Alexander and handed over to her to present Sporting medallions of behalf of the Western Australian Shooting Association (inc) from the 2001 Sportstar Award Night, which recognises all of Western Australia's ballistic sports highest achievers. Medallions and Certificates were presented to Clem Bertini (Open Division), Clinton Smith (Junior Division) and Tim Catling (Veteran).

Finally, the club would like to thank all the shooters and their families who traveled to WAGC (inc) and made it a very successful carnival for the start of 2002. Congratulations goes to everyone that assisted with the running of the carnival - bar (Debbie & Bev), office (Dino, Terry, Tim & Paul) and scoreboard (Sue & Robin). Thanks especially to the "young trappers" (Barry, Ian, Maldwyn, Andrew, Billy, Jimmy & Neil). Over the weekend, the combination of Corsivia targets and Gemini machinery worked very well which was evident by number of perfect scores and shoot offs. Therefore thanks must go to our intrepid Captain (Ollie McPartland), Vice Captain (Tim McBride) and President for their efforts in keeping everything running smoothly for the best results. Thank you everyone, a job very well done.

Last but by no means least, a very big thank you to all sponsors over the carnival - Highland Sports / Miroku, WA Building Co (Chris Joy), Murray & Christine Alexander, Express Appliances (Lars Bager), RC / Beretta Australia and Roy Alexander & Sons. We ask all of the competitors to support the sponsors who support our sport. To all shooters, we look forward to seeing you back at the club for the ISSF (ISU) carnival 13th & 14th April 2002 followed by the 2 day Skeet Carnival end July. PORT DENISON GUN CLUB ANNUAL 100 TARGET DAY

Sunday 24th March saw a good number of shooters in Bowen for the Port Denison 100 target day. The club's extra efforts at advertising the day were obviously successful with numbers up on previous years.

**Back L-R: Ron Snell (1st B Grade), Mick Mitchell (2nd B Grade), Geoff Dalton (1st A Grade), Ross Walsh (1st AA Grade), Gill Anderson (2nd C Grade).
Front L-R: Ray Collinson (2nd AA Grade), Carol Betteridge (2nd A Grade).**

First up was a 10 target eye-opener and there were plenty of possibles shot despite a strong south easterly wind.

After the first round of 25 targets there were 9 possibles and this was good for Bowen with the wind giving the targets a razzle dazzle. The wind had the targets doing enough tricks to cause a few comments from the shooters that the event had

been changed to continental.

There were 9 possibles in the second round as well and 5 of these had got the first round as well to have 50/50 at the halfway mark.

After a delicious lunch the shooters didn't really want to go back out to the tracks but when they eventually did there were 6 twenty-fives shot. One of the 50's slipped up leaving only four shooters able to shoot the 100.

Round four was a nail biter with 6 shooters shooting the 25 but only 3 of them had the 75/75 before the round started.

Greg Maltby second barreled his last target but that was enough for him to claim the first 100/100. Next in was Ray Collinson and the third shooter was Ross Walsh who also second barreled his last target giving all in his squad near heart failure.

The shoot off began and Greg decided to pay some money to the Paw Paw Club after missing the first target. Ray and Ross shot the first 25 in the shoot off and had to go and reload for another 25. The third 25 proved too much for Ray with one target sneaking away and the shoot off was over after 67 targets.

Ross Walsh was visiting the Port Denison club for the first time and was pleased to go home with a lovely trophy and a case of ammo for first in AA grade.

A Grade saw a shoot off between Geoff Dalton and Carol Betteridge after they both shot 92/100. Geoff was victorious after only 2 more targets.

Ron Snell was the run away winner in B Grade after missing 2 targets in the first round he then went on to shoot 75 straight giving him 98/100 and his trophy and shells. Next best in B Grade was Mick Mitchell with 90/100.

C Grade saw Ramon Totorica too strong for the rest of the field with 85/100 giving him first place. Gill

Anderson was shocked when his name was called for second place with his score of 65/100.

The Port Denison Gun Club wish to thank all who helped out on the weekend and before the shoot began. Thanks also to the sponsor for the weekend.

Newsletter Golden Trout 23_24 March

Well the Club held it's second Golden Trout and with all the hard work put in by the Committee the club grounds were well ready. The two days picked were beautiful the sun gave perfect lighting with no glare and blue sky were a perfect background For some good shooting. The Saturday was well attended with 54 shooters and on the Sunday 60.

The Club house looked like a new penny and decorated nicely and in the corner looked like a retail shop with a wonderful variety of prizes for these we have to thank our Sponsors:

Steve and John Fencing

ACTA was represented by Mrs Lyn Teale who bought us up to speed on current events Lyn and Neville found our on site Facility more than adequate as did other visitors. Within the many welcome visitors to our shoot it was great to see families competing together.

The trappers did a great job keeping up to the shooters. Everyone worked well over the two days, the Shoot Marshall and his 3 helpers - not a easy job. It was heads down in the office, well done!

Terry did a wonderful job organizing the tucker, lots of satisfied customers, with his chilli rolls and roast pork. Terry lost his position as "Beauty in the Kitchen" with his two helpers. The shooters appreciated the home made nibbles with their coffee.

To add to this all the shooters from 16 other clubs as faraway as Albury to the south to Condobolin in the North got into the swing and backed up in there squads which made the whole two days run like a well oiled trap.

Thanks to you Geoff Mills
