# The Original Nose system

EASY TO INSERT AND CHANGE CARTRIDGE

**TRANSKEI**

Each cartridge releases a natural concentrate which reproduces the scent emitted by wounded baitfish.

One of France's most popular lures, now available in Australia. The Transkei Nose System releases scent from the lure as it moves through the water via a replaceable cartridge. Different sized cartridges are available for fresh or saltwater applications.

## DTL NATIONALS

The 2003 DTL Nationals recently concluded at the National Shooting Grounds in Wagga Wagga once again appeared to be a successful and enjoyable carnival for most competitors.

The weather treated us favorably and the standard of shooting was again of a very high standard. The winners of the National titles this year was spread between some of our experienced, recognised traditional winners and some new faces on the scene. Congratulations to all whom had success.

A special mention needs to go to Socs Pilipaidis who was successful in winning the overall high gun award for the carnival, an outstanding effort.

This year the State teams competition was spread between 4 states and I proudly congratulate the South Australian team on its success in the open section of the competition.

I would like to take this opportunity to again acknowledge our sponsors for the DTL carnival. Beretta Australia, Winchester and HJB (Dexter Barnes) support was greatly appreciated and we look forward to their future involvement at the Nationals.

Thank you to everyone who assisted in any capacity during the organization and running of the DTL Nationals. The success of these carnivals depends greatly on the efforts of these support people.

## NATIONAL SPORTING CLAYS

At the time you receive this magazine we will be about to conduct the National Sporting Clays Championship, May 17th & 18th at the National Grounds in Wagga. We hope this event will be supported by those who shoot this discipline.

## N.T. STATE CARNIVAL

The Northern Territory State Trap and Skeet carnival will be held on June 6th to 9th at the Alice Springs Gun Club. This is a popular carnival and we hope it is again well attended.

# 2003 NATIONAL TRAP CHAMPIONSHIPS

The Australian Clay Target Association National Trap Championships for 2003 were conducted again at the ACTA National Shooting ground in Wagga Wagga NSW with the championships running from Tuesday April 1 to Sunday April 6. With the drought in firm control of the weather warm sunny days greeted the shooters. The new bore at the National Ground had definitely been working overtime as the ground were looking excellent considering the conditions.

Prior to the Opening Ceremony, teams from all states and territory competed for the Australian Clay Target Association Cup presented to the winning state team in Open, Women's, Juniors and Veterans divisions.

South Australia successfully won the Open team event, being represented by Eric Hall, Dino Oliviero, Gavin Height, Kelvyn Prescott and Max Medhurst with a score of 124/366. In equal second place were the teams from Tasmania, Western Australia and Queensland on a score of 123/363.

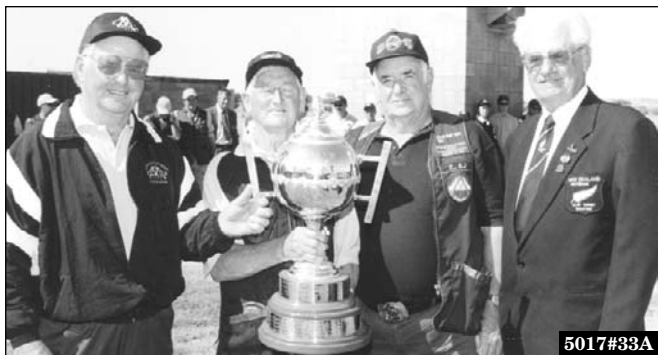

The Ladies from Queensland were successful in winning the Women's Team event. The team lead by Veronika Forsyth with

Leanne Jarvis and Carol Betteridge scored 73/211 with the team from Tasmania coming in second on a points decision with a score of 73/210. Third place was the team from South Australia with a score of 71/202

In the Junior division the team from New South Wales comprising of Joel Pirlo, Glenn Barton and Brendan Burgess were successful on a points decision from the Queensland team (73/212) on a score of 73/214. Third place went to the team from South Australia with a score of 72/211.

The stately gentlemen from Victoria were successful in the Veterans teams event with a score of 75/219. Ron Garth led his team of Sergio Zotti and Bob Lendon to victory over Western Australia 73/217. Third place went to the New South Wales team on a score of 72/208.

Our resident piper, Mr. Bob Scott, then lead all the state teams in the traditional march past the crowd.

## Opening Ceremony

National President, Mr. John Byrnes introduced dignitaries present: Mrs. Kay Hull MP, Member for Riverina; Mr. Darryl Maguire MP, Member for Wagga Wagga; Mr. Kevin Wales, Mayor of Wagga Wagga; Mr. Graham Faulkner, General Manager Wagga Wagga City Council and Mr. Peter Lapwood NZ Executive Representative.

The perpetual trophy for the best presented team, which was judged by our dignitaries present, was awarded this year to the team from Western Australia.

This year two worthy members of our Association were selected to receive the Presidential Medal for their contribution to the sport of clay target shooting. This award is judged by the ACTA Management Committee and the recipients were Mr. Graham Michell and Mr. Glenn Woodhatch. Unfortunately Mr. Michell passed away in 2001 and Mr. Byrnes read a message for Mrs. Ruth Michell accepting the award.

Mr. John Byrnes then presented Mr. Glenn Woodhatch with his award for his contribution to the sport.

Mrs. Kay Hull MP then welcomed all present to the city of Wagga Wagga and declared the event under way. Kay then handed over the duties of firing the first shot to Mr. Daryl Maguire M.P. who under the direction from the Shoot Marshal Mr. Adrian Cousens hit the target with his first attempt. Just to prove this was no fluke he did it again with his second shot to the delight of the crowd gathered.

## 54th Grand Australian Handicap

The first event for the 2003 Nationals attracted three hundred and fifty five competitors including fifteen from New Zealand. At the end of the 50tgs twelve possibles shot off for the Royal Blue Sash, Silver Australia Badge and the Gordon Hall Perpetual Trophy. After the shootoff, which went for a further thirty targets Barry Bennett from the Hobart club was the victor with a score of 80/80.

### 52nd National Double Barrel Championship

As was to be expected numbers had increased to four hundred and seventy nine for this event being the first of the qualifiers for the Mackintosh Team. A total of one hundred and thirty shooters shot the possible producing some twenty-two squads to contest the-shoot off. Conditions were excellent and shooting continued throughout the afternoon until only six remained standing.

The next day shooters were again met with perfect weather conditions for the continuation of the Double Barrel shoot-off. On three hundred and seventy three targets the squad had been reduced to four shooters and to the amazement of all spectators three of the shooters missed their target leaving only Russell Mark to fire and win this event. After a few deep breaths Russell fired and the event was all over. Never before had a finish such as this been witnessed for the Double Barrel.

Russell was presented with the Jock Wilson Perpetual Trophy, Royal Blue Sash and Silver Australia Badge.

With the unprecedented occurrence a further shootoff was needed to determine second and third overall. So off to the tracks again. One hundred and thirty five targets later Roger Duthie claimed second place with a score of 507/508 from Ray Everett on a score of 506/508.

Other placegetters were: AA Grade 1st Kim Nealon, Majura Park, 412/414; 2nd Sam Clifford, Noorat, 319/320; 3rd Stephen Atkins, Echuca, 276/277: A Grade 1st Ron Garth, Frankston, 138/139; 2nd Ashley Hawker, Bordertown, 120/121; 3rd Graham Leech, Gold Coast, 118/119: B Grade 1st Ben Jackel, Wangaratta, 98/99; 2nd Ashley Marshall, Metropolitan, 76/77; 3rd Michael Ward, Mansfield, 65/66: C Grade 1st Danny Rodgers, West Wyalong, 50/50; 2nd Wayne Medwell, Beaufort, 69/71; 3rd Daniel Moroni, Bendigo, 68/71.

#### 11th Junior Australia/New Zealand Trap Championship - Point Score

A very strong field of sixty juniors took part in the Junior

Australia/New Zealand Trap Championship, which was well won, after a shootoff, by Frazer Cocking from the Beaufort club, on a score of 163/165. Mathew Hawker from the Bordertown club took second place with a score of 162/165 with New Zealand shooter Graeme Gilby claiming third place on a score of 151/153.

#### 4th Veteran Australia/New Zealand Trap Championship - Point Score

Thirty-eight veterans competed for the Veterans Australia/New Zealand Trap Championship with a shootoff required to determine

the final winner. At the conclusion of the Jeff Nash from the Canowindra club was declared the winner with a score of 159/162 from Sergio Zotti from the Veneto club in second place on a score of 156/162. Third place was taken by Robin Bailey from the WA Gun club on a score of 146/150.

### Allan Brown Club Teams Match

Competition was again very keen for the Allan Brown Club Teams Match, which attracted twelve teams all looking to be number one.

With a club score of 731/750 the team from the Hay Gun Club again provided to be the best on the ground. Second place went to the team from the Echuca Gun Club with the NSW Gun Club in third place.

### Glenn Cup

This very popular competition against New Zealand saw the Australian Team of Craig Fitzgerald 49, Sox Pilipasidis 49, Chris Brandon 50, Arthur Turner 49 and Geoff Walls 50 successful in winning this event with a total score of 247/250. The New Zealand team of Ray Everett 50, Spencer Larson 46, Rex Everett 48, Keith Livingstone 49 and Murray Havill 48 shot a total score of 241/250. Well done to both teams.

### Mackintosh Teams

Weather conditions were excellent for shooting and as always, competition for a position on the team produced some very competitive shooting. The Open team was decided on five down with the leading qualifiers being Arthur Turner and Peter Kenyon both on 249/250 some great shooting.

Mathew Hawker from the Bordertown club was the best junior qualifier with a score of 246/250.

Team photos were taken and all interest now focused on the Mackintosh Competition. As always at the completion of the matches the scores were sealed as required under the conditions of competition and forwarded to the English Clay Pigeon Shooting Association.

The open team produced some excellent shooting with Tom Turner and Sox Pilipasidis jointly winning the Open High Gun with a score of 299/300.

The women's team was very competitive and produced a score of 294/300 by Kathie Gault from the Majura Park club to win the Women's High Gun. Travis Vaina continued with his form to High Gun the Junior team with a score of 297/300 and Tim Catling from the Katanning club shot a score of 291/300 to High Gun the Veteran's team - a great effort all round.

### 43rd National Double Rise Championship

Last day of the Nationals and three hundred and two shooters nominated to try their luck. At the end of qualifying Mark McInnes

## 2nd Annual Red Gum Tri Club Shoot 2002

After some discussion, it was decided to again, run the "Red Gum" shoot in September and October, to try and dodge the major shoots held at that time of the year. Unlike last year, the weather was a bit kinder to us, with only one day being a bit troublesome.

All three clubs put their best teams up to the task of taking home the trophy. This year we all had a little incentive placed on our agenda. Werribee / Victorian put on a Overall High Gun sash in memory of young Robert Iacovella, who tragically died in a car accident some 5 months earlier.

Like last year, the shoot started out with some great scores locked in and it promised to be a great competition.

*Tony Psaila and Garry Went, two members from the winning team for 2002 hold up the Tri Club "Red Gum Trophy".*

### Shoot results:

Day 1: Date : Sunday 1st Sept.

Venue: Metropolitan.

Weather: Fine, slight breeze and sunny.

Events: 25 DB, 25 SK, 25 BALLTR.

Results: 1st Werribee / Victorian 342 pts

2nd Metropolitan 337/ pts

3rd Veneto/Abruzzo 285 pts.

Day 2: Date: Sunday 8th Sept.

Venue: Werribee/Victorian.

Weather: Overcast and very gusty winds.

Events: 25 DB, 25 TR, 25 TWR PTS.

Results: 1st Werribee / Victorian 500 pts

2nd Veneto / Abruzzo 418 pts

3rd Metropolitan 391 pts

Day 3: Date : Sunday 27th Oct.

Venue: Veneto/Abruzzo

Weather: Fine, overcast.

Events: 25 DB, 25 PTS, 15 PRS DR.

Results: 1st Werribee/Victorian & Veneto/Abruzzo 491 pts

3rd Metropolitan.

*A very proud Tony Psaila (Overall High Gun winner) with M Salvatore, P Iacovella and E Bertollo.*

The RED GUM, TRI CLUB Trophy, again, goes to the boys from Werribee / Victorian clay target club, with a score of 1333 pts. Veneto / Abruzzo clay target shooters, came in 2nd on 1194 pts, and the team from metropolitan clay target club finished 3rd with 728 pts.

The Robert Iacovella Memorial High Gun sash was awarded to Anthony Psaila, scoring 286 pts. Seven points behind and pushing him all the way, was fellow team member Gary Went on 279 pts.

Roberts Father, Pino, was on hand to say a few words and present the sash and trophy to the winners. After presentations, it was good to see everyone go up to Pino and convey their thoughts and best wishes.

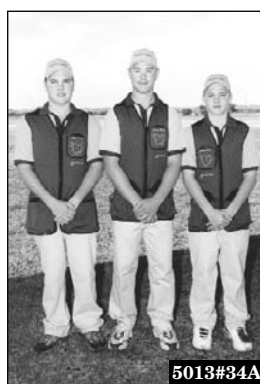

A big thankyou must go out to firstly, Pino Iacovella for coming down and spending the day with us, and secondly the clubs and people involved for putting the time and effort into making this event a great shoot.

**Bring on 2003. A Psaila.**

# WORLD CUP INDIA 2003

March 14th - 21st

**Coch / Manager - Greg Chan**  
**Doctor - Sue Homolka**

**Trap / DT - Russell Mark, Adam Vella, Tom Turner**  
**Skeet - George Barton , Clive Barton, Paul Rahman**

Greg and the DT / Trap team departed the Perth World Cup at 1.45 am on the 14th March for Singapore and were joined there by the team doctor Sue Homolka who flew direct from Melbourne. A 12 hour stopover was made bearable by the generosity of Singaporean shooter Michael Kwa who kindly picked us up from the airport, showed us over their new shooting range, took us to lunch then back to the airport for our final leg to New Delhi. After arriving at 11.00 p.m., clearing customs and an eye opening ride under police escort, we finally arrived at our hotel at 1.00am.

*The Australian team at the hotel.*

One night in that hotel convinced us that finding alternative accommodation was a priority and we were able to check into a hotel 500 metres from the official one.

The first day was unofficial training, followed by D/T training. The range consists of three trap and three separate skeet layouts all equipped with new Mattarelli machines. The background was sparse yellow grass over brown dirt out to around 100m then a ridge of small trees and shrubs. It also boasts the full range of

ISSF rifle and pistol facilities. Firearms and ammunition were stored in an armory and the whole complex was kept under armed military guard 24 / 7.

Double trap training went well with some very high scores recorded despite the fact that the new delayed release rule was only brought into effect this year. There were vast arrays of techniques being utilised to try to master the new rule and it won't take long for the better shooters to work it all out.

*Double trap winners: A. Almaktoom (UAE) 1st, A. Vella (Aus) 2nd and R. Rathore (Ind) 3rd.*

Double Trap competition results

1. Almaktoom UAE 141 + 46 = 187
2. Vella AUS 141 + 45 = 186 (45 47 49)
3. Rathore IND 141 + 44 = 185 + 8
4. Dispigno ITA 141 + 44 = 185 + 7
5. Hu CHN 141 + 42 = 183
6. Wang CHN 141 + 41 = 182
7. Mark AUS 136 (49 43 44)
- 14 turner AUS 131 (41 45 45)

*Three trap and skeet ranges.*

Teams

1. Australia 408
2. Italy 398
3. India 396

All six finalists had shot the same qualifying score of 141, which made for a very exciting final. The lead changed many times until Almaktoom finally emerged the winner of the event and an Olympic quota spot for the UAE.

Congratulations to Adam on winning the silver medal which was his second in this discipline in successive world cups.

The next day was unofficial training for trap and skeet, as it was

**George Barton tries elephant riding.**

an Indian religious festival where the tradition is to throw paint at each other and any vehicles that may be passing. Needless to say we trained in the morning then spent the later afternoon in the hotel and well away from the festivities.

Official training went well with the skeet shooters in particular showing some terrific form. The skeet scores were going to be high as the targets are always in the skyline and there was little wind to dramatically affect them.

#### Skeet competition results

1. Eleuteri ITA 123 + 25 = 148
2. Achilleos CYP 124 + 23 = 147 + 10
3. Wenzel GER 123 + 24 = 147 + 9

4. Harvey GBR 124 + 23 = 147 + 3
5. Nicolaides CYP 122 + 23 = 145
6. Almutairi KUW 122 + 21 = 143
10. C. Barton AUS 24 25 23 25 25 = 122 + 5
22. G. Barton AUS 24 24 24 25 23 = 120
35. P. Rahman AUS 23 25 23 23 24 = 118

#### Teams

1. GBR 366
2. CYP 366
3. CZE 362
4. AUS 360

Clive shot 122 along with 5 others to shoot off for the last two spots in the final. Unfortunately he missed out on a finals berth but performed very well for his 122. The young Italian Eleuteri won the event, but the second happiest person on the range was the

Cypriot Achilleos who took the Olympic quota for his country.

#### Trap competition results

1. Peel GBR 121 + 25
2. Vella AUS 120 + 24 (23 25 24 23 25)
3. Manavjit IND 118 + 23
4. Hernandez ESP 118 + 22
5. Nummel FIN 118 + 21 + 2
6. Slamka SVK 119 + 20 + 1
- 20 Turner AUS 115 (25 22 24 22 22)
- 38 Mark AUS 112 (23 23 22 21 23)

**Mens trap, I. Peel (GBR) 1st, A. Vella (AUS) 2nd and S. Manavjit (IND) 3rd.**

#### Teams

1. IND 348
2. ITA 348
3. AUS 347

A huge effort by Adam to run second, and a third to the team by just one target.

What a run Adam is having, gold at the World Cup Final in Trap in October, gold in Trap and silver in Double Trap at the Perth World Cup in early March, now silver in Trap and silver in Double Trap at the India World Cup. Five events for two gold and three silver! History in the making as no one can recall a shooter winning two medals at one World Cup, let alone achieving this rare feat twice in succession. He is certainly hot at the moment and these latest results has seen his world ranking jump to number one in trap and number two in double trap. With Russell now ranked number three in doubles and Michael five in trap, we now have in effect four shooters in the top five world rankings in two disciplines - an absolutely stunning achievement by our shooters and proves that we really are one of the leading ISSF countries in the world.

A fantastic start to the international season and with Adam and Russell's wins in Perth it now gives us our two olympic trap and one double trap quotas.

### MEDLEY SHOOT

The Canberra medley Shoot was held on the fifth Sunday in April in pleasant autumn weather. Four man teams shot 25 Trench, DTL, Skeet and Sporting Clays giving a possible team score of 400. Eleven teams shot competitively with quite a few shooters shooting targets only to get a feel for the unfamiliar disciplines. Teams were from - Harden (2), Canberra (2), Goulburn, Cooma, Berridale, Yass, Sydney (2) and Greenhaven.

Results were as follows:

1st Cooma 322 points - D. Blewett, M. Corbett, D. McIntyre and B. Warriner.

2nd Sydney 314 points - B. Barrato, J. Bajada, J. Koolbanis and J. Muscat.

3rd Canberra 309 points - N. Haridemos, N. Privett, K. Chiaverini and J. Jasnos.

High Gun Badge - J. Koolbanis (Sydney) 87/100

# MATHOURA SHOOT AT NIGHT

**Mathoura Gun Club on Friday the 28th of March and shooters arrived to compete for the 2 sashes and the cash divide included in the night's three events.**

Scores had to be good as the evening was perfect for shooting with temperature in the low 20s and no wind whatsoever, which was good as the program was a difficult one with two events being continental throws and the last a pointscore event. Losing three points for the loss of only one target makes it extremely hard to shoot a perfect score shooting in the night.

Shooters ranged from Moama, Echuca, Melbourne and Local, they were all pleased with the range of trophies that included cordless drills and furniture fittings.

The evening's events turned out to be a battle between the clubs president Roger Kerslake and his son Ben Kerslake ending with them winning an event each. Roger showing Ben how to shoot by taking out the Overall in the first Event the continental and Ben turning the tables by winning the Point Score event taking out Overall.

Full results on the night were as follows.

Event one. A 10 Target Continental Double Barrel Eye Opener. Five shooters shooting the possible, R Lovell (Melbourne) B Ireland (Mathoura) B Kerslake (Moama) M Roberts (Echuca) R Kerslake.

Event Two. A 25 Target Continental Double Barrel. Overall & 2 Grades Taking Overall & B Grade after a lengthy shoot off was R Kerslake on a score of 46/47, A Grade first was Corad Robb (Echuca) 27/29, C Grade was local shooter H O'Conner with a 25/27.

Event Three. A 25 Target Points Score, Overall and two Grades. Overall and B Grade was Ben Kerslake with a good score of 73/75. A Grade first was taken by Conrad Robb after a short shootoff with M Roberts and a score of 74/78, C Grade was again local shooter H O'Conner (snow) having a good night on 67/75.

Local member Bill Simpson won the raffle. Everyone enjoyed the nights shoot and was thanked by President Roger Kerslake for attending, also thanking the ladies for Catering.

Good Shooting everyone

## CUZZO'S RAMBLINGS

### June 2003

**The strangest thing happened this year during the shoot-off for the National Double Barrel. It had taken about 280 targets to reduce 130 possibles down to one squad. Shortly afterwards Glen Kable indicated he didn't want to play any more and then Sam Clifford decided that a 300-break badge was all he wanted. This left just four protagonists at the next shell break. However four more worthy combatants would be hard to find in the Southern Hemisphere.**

Anyone who reads my column regularly will know that Ray Everett is already a living legend. Kim Nealon had previously won both the National Pointscore and the Overall High-Gun. Roger Duthie is a multiple Silver Australia Badge recipient, a past winner of the National Double Barrel, and a bloke who has proven he can shoot six or seven hundred if he needs to. And last but certainly not least was Russell Mark, whose shooting credentials need no elaboration and whose name is a household word in this country both in and out of the shooting fraternity.

*372 targets and all's well.*

Thus I am sure that most of the many spectators assumed we were in for a great day, that the attrition process would be long and drawn out, and that a large score would be the eventual outcome. And so it seemed for another couple of boxes of shells. But then a visual spectacle occurred, the likes of which may never be seen again (at least not in a major DB shoot-off anyway). These four "Iron Men" reduced themselves to one winner in the space of a single target each.

Ever the consummate analyst, shortly afterwards I wondered what went through each persons mind as this "pantomime" unfolded in front of them. So over the next couple of hours, I chatted with each of them to gain their individual perspectives. Later it dawned upon me that this aspect may be of interest to others, so here is an abridged rendition of those conversations.

Ray Everett told me that prior to "starting the rot" so to speak, he was very happy with the way things were proceeding, having been having a quite mediocre week by his standards. Immediately after missing his own target, he assured me that the first thing that came into his mind was the word "Knickers". This is obviously some type of unique "NewZealandism" that probably

does not bear translating into Australian, lest I fall foul of the censors.

But when Kim Nealon immediately missed alongside him, his next thought was "Goodness me, I still have a chance to get onto the box". However when Roger Duthie then followed suit and shot two holes in the sky, he assured me that he could barely believe how his own personal position has so suddenly, considerably and unexpectedly improved out of sight.

When asked if he ever considered that Russell might also miss, he assured me that the thought never even crossed his mind and that anyone who doubted Russell's ability to shoot under pressure obviously knew nothing about the game and was confusing mental strength with the law of averages. When asked for his overall view of the shoot-off result he assured me that "it is a well documented fact that God loves to show off in front of a crowd!"

Kim Nealon, on the other hand, had a much simpler perspective of the drama that continued to unfold around him. He told me that after Ray missed his target he was extremely confident of a good personal outcome thinking something along the lines of "one down, two to go." He said that he was absolutely convinced that he was going to "hammer" his next target.

However after emptying two perfectly good shells to no avail at a left hand quarterer, he was absolutely stunned and that his first thought was "Far Out or something similar." When Roger then missed in turn beside him, his surprise turned into almost dazed disbelief and as Russell slowly converted his "three set points" into the equivalent of a "12-gauge Wimbledon Title", his mind was struggling to collate the information that his eyes and ears were sending it.

Although not wishing to appear to be making excuses, he said that this feeling of unreality stayed with him for quite a while and probably contributed to his early exit from the ensuing "reshoot-off". When asked for his overview of the proceedings he said (about two hours later) that it still felt sort-of artificial and that it would probably take a while for it to really sink in.

One of the many things I like about Roger Duthie is his similarity to Steve Atkins. What you see is what you get and if you can't handle a straight answer, don't ask the question. When asked for his thoughts after Ray Everett missed, he replied: Beauty! That's one less to worry about. And when Kim missed straight afterwards his initial response was: Now I'm laughing, it's down to just Russell and I and I have to be a real chance for another National Double Barrel.

When asked to elaborate, Roger told me that he had been shooting very well lately, that he was happy with the way he had shot yesterday up until "stumps" and that he was very pleased with the way that he had restarted again this morning and with his form thus far. He also said that although Russell obviously has tremendous talent, his absence from continual DTL shooting was showing in the way he was hitting his targets and the number of seconds he was pulling.

He went on to say that after Ray and Kim both missed he felt calm and confident and there was no doubt in his mind that he would not only hit the next target but that he would also go on to give Russell a good run for his money. After the referee announced the result of Kim's shot, he said that he felt no reason to rush into his own shot and paused momentarily to take a deep breath before continuing. In relation to missing his target, he said that he felt that it lifted both times as he fired, causing him to shoot under it with both barrels.

After the referee announced a less than satisfactory outcome for his marksmanship effort, Roger said that initially he was dumbfounded, but as the sad realisation gradually dawned upon him, his first thought was: what a lot of hard work and effort had just gone down the drain! Then as Russell prepared to shoot, all he could think about was what a "gift" he was about to receive and through gritted teeth he mentally pictured himself handing Russell the Royal Blue Sash on a silver platter. He summed up his overview of the situation in one word. Unbelievable!

My interview with Russell was longer and much more profound than I had expected. Also the frame of reference from which he received his version of the events as they unfolded was completely different to the rest. While everyone else could not believe their eyes, Russell struggled to believe his ears. Being the last shooter and having just shot on lane five, the whole scenario played out as he was walking across to lane one without looking up at the other shooters' targets, which totally deprived him of the visual spectacle that had everyone else's eyes bulging.

Russell told me that by the time he had dismounted his gun, removed the shell from the top barrel and turned around, he heard Ray fire two shots. When the referee did not immediately announce the result he simply assumed that Ray had shot a chip and drowned out the referee with his second shot. When however, after a couple of paces, the referee quietly announced "lost" with almost an audible inflexion of amazement, he felt a wry smile cross his face as if to mentally agree. Yes, it is always surprising when a shooter of Ray's calibre misses at a crucial time. His immediate thought was totally predictable. Well, now it's down to three.

Upon reaching the middle of the field and hearing Kim fire both barrels, he assured me that it definitely came as a surprise when the referee immediately called "lost" in a much more authoritative tone, as the situation now clearly had his undivided attention also. His immediate thought was: This now bears out the prediction I made when we got down to one squad. Roger and myself for the last two. He said he thought this because not only is Roger a great shooter, but also having previously won the event, he would be calmer and more confident than the others.

However when he heard Roger fire two shots and the referee instantly called lost so loudly that it surprised him, a kaleidoscope of things instantly flashed through his mind. The first was that because on the previous occasion in Perth in 1980 he had won the National Double Barrel in very controversial circumstances, he had always hoped not only to win the event again, but also to do it in a very ordinary fashion that would not invoke either discussion or debate. He said he clearly remembers thinking that although the former now seemed almost a fait accompli, the latter part of that ambition was totally shot to pieces.

With a laugh he added that the other thing that suddenly struck him was the significance of the number three. Last time it was three ammunition misfires and now it was three unprecedented consecutive misses. When I asked why he hesitated so long before firing the deciding shot, he confirmed that it was the result of all these abstract thoughts occupying his mind and that he had to intentionally clear it, and concentrate fully on one more shot, in order that he did not make the situation any more memorable than it already was. And as for his first thought after winning, he assured me that it was sorrow for the other three guys, who now had the unenviable task of having to go back out and try to make the best of this fiasco.

During the course of our conversation, Russell had mentioned how emotional his father Brian had become on the previous occasion in 1980, actually begging the relevant people in authority to forgo the Malfunction Rule and allow the shoot-off to continue, so that either his son or Doug Smith could attain a real and moral victory, rather than a hollow technical one. Although Brian once used to be a "fixture" at the Trap Nationals, performing many roles including MC at presentations and chief joke teller, as well as representing Olin-Winchester, he is rarely seen around the circuit these days.

However, as luck or fate would have it, he was on the grounds to

*Unfortunately . . . one target later.*

see his son fulfil his destiny and I could not resist the temptation to also gain his insight into the situation. Unable to hide either his obvious satisfaction with the day's proceedings or his insatiable sense of humour, when asked what he thought after the others had all missed, he said "I thought - In a minute Russell will put a couple of bullets in his gun and then those other three blokes will be in a lot of trouble." And in relation to his overview of the drama, he added with a laugh "I always said Russell was a lucky shooter."

As for my thoughts, I reckon that the only thing missing was for Rod Serling to have walked out onto ground five and announced that none of this was really happening and that it was just an extract from *The Twilight Zone*! On a more serious note I was tickled to death to see Steve Atkins single-handedly resurrecting Newton Thomas's custom of wearing his Silver Australia Badges on McIntosh Day. If I attend next year's shoot, my three will be proudly adorning my jacket. And on a lighter note, I now need to find a new name for Mark (I will win a National Title) McInnes, as his triumph in the Double Rise has pretty much invalidated the old one.

This month's Shooting Trivia Question: Which famous ACTA shooter won the Grand Australian Handicap in his first year of shooting and the National Double Barrel in his second? Mail your answer to Shooting Trivia, P.O. Box 265, Bairnsdale 3875, to arrive by 20-06-2003. The first correct answer drawn shall receive a free entry to next year's National Single Barrel. The correct answer to April's STQ is: Only three Americans have ever won Open Titles at the Trap Nationals. Elgin Gates and Joe Loitz both won the Double Rise (in 1973 and 1980 respectively) and Leo Harrison won the High Gun (also in 1980). The first correct answer drawn was submitted by Ron Russell from Werribee in Victoria, who wins a free entry to next year's Grand Australian Handicap.

# MONARTO -ALEXANDRA CLAY TARGET CLUB INC.

## ANNIVERSARY SHOOT -22nd & 24th MARCH, 2003

*This was to be a very special weekend in more ways than one and Club members had worked hard in readiness for what was to be a memorable shoot.*

The weather for the weekend had been forecast as fine and clear, around 25 degrees C so we had high hopes that we were in for some good weather. Well, we managed the fine but it was mostly cloudy and very chilly with most shooters donning warm jackets to keep out the southerly wind.

Saturday, 22nd March - The first event on the programme, a 10 target D/B E/O C/D saw 10 possible scores.

Event 2 - Gilbert Motors, 25 target Anniversary Handicap went to Peter Quire who shot 32/34 over Jeff Higgins on 31/34 and Peter Kay whose score was 28/29. Peter Quire losing a metre just in time to go off to the Nationals - sorry Peter!

Event 3 - Lower Murray Grit Blasting 25 target S/B Championship went to Club man Robbie Clark, he shot a 39/39. A grade went to Brian August 25/25, B grade to Peter Quire on 21/25 and C grade went to Rocco Spinella 20/25 who was using a new and very special gun.

Event 4 - Monarto-Alexandra 25 target P/S Championship, again went to Robbie Clark who was beginning to look like he was 'on fire' and we were expecting great things from him over the weekend. He shot an 80/81 taking overall and AA grade. A grade went to Brian August 74/75, Peter Harris took B grade with a 67/75 and Rocco Spinella again took out C grade 64/75. Shot in conjunction with this event was the Shell Team event and here Monarto-Alexandra took the trophy with team members Peter Hendy, Robbie Clark, Andrew Mules, Peter Kay and Peter Harris. (I am secretly looking for some members to join our club with a different christian name- we have five by the name of Peter and every time you call one, they all come running!).

This event ended our first day of competition and by now most people were 'freeezing' including me who had dressed according to the "weather man's report" - silly me, it took me about 3 hours to thaw out once I got home.

Sunday dawned and a grey, cloud filled sky greeted those shooters who had come our way. Shooters' spirits however were not dampened and an enthusiastic crowd took to the tracks for the start of the competition.

Event 5 - the Clem Thomas Memorial 30 mixed target Championship saw Jeff Higgins take out AA grade and Overall, he shot a score of 80/80. Frank Caltagirone took out A grade 68/70, John Pope won B grade 48/50 and Rocco Spinella, still on a high from day one, took out C grade with his score of 43/50.

A sumptuous lunch of barbecued steak, sausages, chicken patties and shasliks, baked potatoes, salad and a glass of wine was taken by all in a short break from the shooting.

Event 6 - Monarto-Alexandra 25 target D/B Championship saw A grade shooter Frank Caltagirone take out the championship with his score of 94/94. AA grade went to Dino Oliviero with a 93/94, B grade went to Barry 'Bees' Pobke who shot 62/63 and that man Rocco Spinella did it again, taking out C grade with a 24/25. I think the handicapper will be keeping a close eye on you Rocco.

Prior to the last event on the programme all shooters and visitors gathered outside of the Club house and there, in a moving ceremony, John Byrnes presented me with the Presidential Medal (posthumous) in recognition of my late husband Graham's contribution to the development of clay target shooting. Having been awarded only 11 times in the past 20 years and at no time during the last 3 years, I was honoured to accept the Presiden-

*Ruth Michell with John Byrnes.*

tial Medal on his behalf. I had been asked to go to Wagga Wagga to the DTL Nationals where this medal was to have been presented to me but I instead opted to have it presented in front of family and friends at the Club where Graham was a member, committee man and past President.

Following the medal presentation, event no 7, the inaugural Graham Michell Memorial 25 target P/S Championship was held and this was undoubtedly the one event the shooters had come to win. In the Club house stood a beautiful perpetual trophy, kindly donated by Luca Scribani Rossi and Beretta Australia, made of wood and lead crystal. A small replica would be given to the winner.

One by one the long faces came into the Club house telling me of the target that got away or the second barrel that they had to use and I was beginning to think that no one would get the perfect score.....and then there it was, staring me in the face, and it couldn't have gone to a more appropriate and deserving person, Bob Andrews of the Bordertown Gun Club, the person who had filled the gap left on the A.C.T.A.'s National Executive when

*Ruth Michell with Bob Andrews and Dick Ayres.*

Graham had died. Bob Andrews taking out overall and AA grade with a perfect score of 75/75. Two A graders sitting on 74/75 went head to head in a shoot off, Phil Johncock and Frank Caltagirone and Frank was finally victorious shooting a 104/105. Ian Campbell took out B grade with a 74/75 and Don Schultz, the 83 year old veteran took out C grade shooting a 69/75.

After a very emotional and busy day somehow I had forgotten to add up the team scores held in conjunction with event 7 and I learned at presentation time that there were two teams that had tied for the G. & R. Michell trophy. Who was going out to shoot it off? Instead we decided that as this was a special day both teams would have their names engraved on the trophy and as it was Graham's and my trophy, I OK'd the suggestion. The two teams involved were of course Monarto-Alexandra: P. Hendy, A. Mules, P. Mules, P. Kay and R. Clark 354/375 and SAGC No 2: D. Inge, B. August, K. Prescott, C. Jacobs and D. Halikiopoulos 354/375.

Presentation time was kind of different - lots of laughter, quite a few tears and as Dick Ayres said "Definitely not boring"! After a bit of a debacle the trophies were eventually sorted out and given to their respective owners but if the person who switched the cards on the trophies does it again - there could be a mutiny!

The hi-light of the presentation was the handing out of the Graham Michell Memorial perpetual trophy to Bob Andrews. The magnificent trophy donated by Beretta Australia, was presented by Dick Ayres, Beretta Australia's representative. Dick spoke briefly of Graham's involvement with Luca Scibani Rossi and congratulated Bob on winning the trophy in it's inaugural year. Bob not only gets his name engraved on the overall perpetual but he received a small replica of the perpetual to keep. Grade winners on this event received as an additional trophy, the David Austin rose "Graham Thomas", to plant in their gardens at home in remembrance.

Overall High Gun went to Jeff Higgins on 273/285, A grade High Gun was won by Dennis Halikiopoulos on 267/285, B grade High

Gun went to Ian Campbell on 258/285 and C grade High Gun was won by Rocco Spinella on 238/275. The Veterans High Gun was won by Ian Campbell and Women's High Gun, Lynn Beelitz 250/285.

On behalf of the Club I would like to thank our sponsors - Gilbert Motors (Strathalbyn and Mount Barker), John and Ruth Bretag of Lower Murray Grit Blasters (who would have been present, but owing to the fact that they are a couple of 'petrol heads', they were away in Adelaide watching the Clipsal 500 car race), Peter and Jacki Hendy, Tony Lange, Tony Famiglietti, Peter Shepherd, Michael Adams, Peter X (who shall remain nameless but he will know who he is), the Thomas family and of course my own Michell family. The Club is very grateful for the support that it receives.

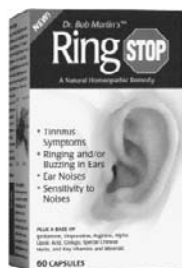

Many thanks to all Club members who had worked feverishly to get the grounds, traps and Club house in tip-top condition for the shoot. To all of those who helped over the weekend to keep the shoot running smoothly a special thank you - Peter Hendy, President and shoot marshal; trappers; referee/scorers; canteen workers for keeping everyone well fed; stand-in handicappers Peter Harris (Saturday) and John Hamer (Sunday - it was good to see you even though you didn't shoot) and thank goodness for State Handicapper, Barry Pobke, who got us out of the tricky situation that confronted us.

I am very grateful to all those who attended this very special weekend at our Club, some 96 shooters in total taking to the tracks over the two days. To Ray and Pat Mack for their support and to Bob and Linda Andrews who celebrated their 40th wedding anniversary with us, my heartfelt thanks for your attendance. It was a very emotional weekend for me, receiving the Presidential Medal and the giving out of the trophies on Graham's memorial event, but I got through it, and I thank everyone for the support shown, from my family as well as from friends. What else can I say?

— Ruth Michell

# AUSTRALIAN VETERANS GAMES WAGGA WAGGA WAGGA GUN CLUB

Old & new friends were made once again when over 100 shooters participated in, the Seventh Australian Veterans Games Wagga Wagga. The games were under way at the Wagga Gun Club from 12th March to the 15th March 2003. With shooters coming from as far away as Queensland & South Australia, the number of entries for the Veterans Games far exceeded the expectations of the organizing committee of this biannual Event.

Mrs Julie Elphick, President of the Australian Veterans Games

Wagga Wagga was due to open the games but for unforeseen circumstances prevented her from opening the games. With the motto of the "Friendly Games" the spirit in which the competition was conducted certainly lived up to the name with most shooters indicating they would be competing at the next Veterans Games Wagga Wagga 2004.

All shooters welcomed the fine and sunny weather condition

during the four days. The concept of only shooting against shooters in the same age group and not being graded was widely accepted by all attending.

The first day saw Malcolm Dyson from Warrnambool take out the

75tgt Australian Games Skeet Championship with 74/75.

The second day saw only 2 shooters shoot the possible in the 50tgt Australian Veterans Games D/B Championship, Ron Garth (61/65) & Darby Munroe (72+). Ron Garth was the winner.

50tgt Australian Veterans Games Single Barrel saw Ron Garth (61/65) and Phillip Headon (45/54) with a score of 49/50. Once again we saw Ron Garth take the title with 64/65.

50tgt Australian Veterans Games P/S Championship saw three shooters post 148/150 once again Ron Garth taking to the tracks to try and take his third title, but for the competition from Don Power (Shoot Marshall) and Noel Nicholson (72+). We watched the hard working shoot marshal take the title with 175/177.

The final day saw the 75tgt Australian Veterans Games Champion of Champions contested with Ron Garth gaining his third title with the only possible shot.

The High Gun Winners in each age group:

45-54: Don Power - Wagga Wagga - 426/450

55-60: Ron Murray - Albury - 422/450

61-65: Ron Garth - Wagga Wagga 437/450

66-71: Charles Peach - Moulamein - 423/450

72+ Age: Reg Phefley - Mount Beauty - 408/450

Ladies: Christine Street - Kerang - 391/450

The Wagga Gun Club also conducted a BBQ tea, this was very well attended with all those attending enjoying the meal and chitchat. Julie Elphick - President of the Australian Veterans Games Wagga Wagga and husband Tony as well as Member for Wagga Wagga Daryl Maguire joined the shooters and families for a good evening.

Mrs Julie Elphick - President of the Australian Veteran Games Wagga Wagga & local councilor was on hand to do the medal pre-

presentations on the Saturday afternoon, which was well attended by the shooters.

Clay Target Australia kindly donated the sashes for the Overall Winners of each Championship plus all High Gun Winners. Thankyou again.

The 5 person team event, namely Mr "G" Event proudly sponsored by Mr. Geoff Reeves ("Mr G" the ice-cream man) this proved to be very popular. Four wives of the shooters were invited to pull names out to decide the teams. One shooter from each age group who shot the whole program was put into a team. This event has become popular with the members of the teams keenly checking how their team was running, Team No 1 lead from day one. Malcolm Dyson, Brian Hutson, Tom Harris, Doug Blewitt & Reg Phefley being successful with a score of 2047/2250.

Ken McPherson, who unfortunately had left before presentations, won the low gun.

The Australian Veteran Games will be held again in March 17-20th 2004 and the Wagga Gun Club is looking forward to conducting the Games again, so shooters put it in your diary.

# MATER DAI CHARITY SHOOT

Monday the 27th of January was a great day for shooting, the weather had become a little cloudy and the temperature was down to 28 degrees compared to 40+ temperatures the 3 days before.

Cecil Park was ready for the Mater Dai Charity Shoot to help raise

*N. Xenos, overall event one with V. Gatt sponsor, Debbie and Christian from the Mater Dai Foundation.*

the money for the disabled children, 70 shooters had nominated for the various events and at 10.00am the first shot was fired by Sue Nichols.

The first event was a 25 Target Continental Double Barrel Championship sponsored by V.G. Auto Paints alias Vince Gatt, Vince is known well around trap shooters for his fine taste in fashion statements.

We came down to 4 possibles, first to miss was Paul Farrugia, then

*Paul Farrugia, overall event two with Z. Okan, sponsor Debbie and Christian from the Mater Dai Foundation.*

Alan Jones (not the racing driver) then our visitor from Orange, Sam Barbagallo, apparently his moustache had blown up in front of his eyes because of the wind and lost sight of the target! So we thought that Nick Xenos was the winner until he missed a dead set sitter then we started again. Sam missed his 4 targets later and Nick smoked his to become overall winner and took home a great photo print of Nigel Mansell and his racing car.

The second event was the POLYTEX INTERNATIONAL & MANSOURS 25 TARGET Double Barrel Championship sponsored by ZAFER OKAN. We started the shoot off with 7 possibles and after 20 targets it was down to 2 shooters. Paul Farrugia and Alan Jones (not the radio announcer). A few targets later Alan missed and Paul had a misfire in his first barrel, we all thought oh-oh, however, he hit the target and he took home the overall sash and a great queen size doona and covers.

The third event was the GAMBARDS point score championship sponsored by Joe Chiappetta and the last chance for shooters to win a trophy, there were no possibles, the best scores were 74 by Vince Gatt, Arty Del-Ben and David Perri. They lined up for the shoot off. Perri second barreled his first target (thanks for coming). Vince second barreled his 5th target and Arty shot his to claim overall and to win a fine water cooler.

The high guns were the next item of interest. C grade high gun was won by J Sarkis who also happened to win C grade in each of the 3 events (where's the hand-icapper?).

B grade high gun was won by G Galea. A grade high gun was won by one of our sponsors, Zafer Okan. AA grade and overall high gun was shared by Paul Farrugia and Arty Del-Ben who generously auctioned off 25 packets of shells and received \$170.00 by Gus Yarak (thankyou very much) to go towards the charity.

The end of the day was near and Cecil Park Clay Target Club ran a great shoot. The free feed prepared by John Garcia and his partner Patricia was much appreciated by all who attended.

Tony Fahri who donated all the meats for the barbecue is to be thanked as well. To everybody who helped make this day a great one the Mater Dai Foundation will benefit to the tune of \$4000.00. Debbie Gates and Christian from the Mater Dai Foundation thanked everybody involved and also explained to us how the donation will be spent. She thanked the Cecil Park Clay target Club and all the people who donated the trophies.

Vince Gatt for event 1

Zafer Okan for event 2

Joe Chappetta for event 3 and graded high guns

Arty Del-Ben for all the sashes

Cecil Park Clay Target Club for overall high gun and use of their facilities.

A great day was had by all. Many thanks to Dave and Barbara McLeod for running the office and also to Nelis for helping out with refilling the traps.

# SPRINGSURE GUN CLUB NEWS

**Finalising our Annual Two Day Shoot on the weekend of 8 & 9 February capped off twelve months of highly successful activities of the Springsure Gun Club. Bruce Powell lead our Club by example for the last three years and stood down at our AGM in December where he handed over the reins to Shawn (Mr. Wobbly) Ryan who has some pretty big shoes to fill. Bruce was awarded Life Membership of our Club for services rendered during his Presidency.**

## **MICHAEL DIAMOND COACHING CLINIC**

On the weekend of 31 August & 1 September our Club hosted a Michael Diamond Coaching Clinic which was hugely successful with a capacity attendance of 35 invited shooters from our Club and surrounding Clubs keen to tune up their skills, and who better to do it with than the best in the business, Michael Diamond.

Those looking for a "silver bullet" to cure their shooting ailments would have been disappointed, as he didn't have any to offer, although Michael was approachable to all who had specific questions or problems with which they needed help. We were each taken through the "basics" which unfortunately most shooters in their quest for success seem to overlook - Correct stance and gun mount and then where to look for the target.

We were then video taped while shooting which disclosed that at least 75% of our shooters lifted their heads while firing. We were then shown how to grip the gun firmly and keep our cheek down to minimise the problem. All participants were then put in front of the siting screen, which again showed up that many shooters guns were not sited in correctly and some never ever. With a few adjustments these shooters were now able to "smoke the targets" and not "just break" them.

A sit down Dinner on the Saturday night attended by 80 guests and interested public, was an enjoyable way for us to chat with Michael Diamond informally. All in all a great weekend and all participants had something useful they had picked up to take home.

**Springsure Gun Club and Bowls Club Charity Shoot / Bowls**  
The vision of a couple of our members came to a successful fruition in November when 60 participated in a afternoon of Clay Target shooting and night of Lawn Bowls.

With a public notice of our intentions to run a Charity Shoot / Bowls in conjunction with the local Bowls Club to benefit the proposed new Springsure Hospital, we were pleasantly surprised when a host of previously unrecognised novice shooters rolled up, together with the Bowlers. Our shoot marshalls and senior members had their hands full introducing 3 squads of novices to the sport providing directions in safety while giving shooting tips.

After drinks and nibbles, all adjourned to the Bowls Club for a BBQ followed by a round of Bowls. The Bowling rink was filled to capacity with 64 bowlers on the rink at the one time. The outcome of the activities was a hell of a good time with \$500 raised by each Club donated to the Hospital, and the findings by and large, that Shooters should stick to shooting and Bowlers to bowling.

## **CHRISTMAS NOVELTY SHOOT**

Our traditional Christmas Novelty Shoot in December surprised us all again with 60 shooters rolling up for an afternoon / night shoot. We were pleased to see many of the novice shooters from the Charity Shoot return and really get their teeth into our Sport. We were also supported by shooters from Gemfields and Callide Dawson. The Hams and Chooks were keenly contested. A storm prevented the Points (night) event from being completed but no one seemed to mind, as that was the first real rain in 6 months. A team shoot between Springsure and Gemfields saw Springsure take out round 1 with the final round shot at the Gemfields Christmas Shoot the next day with Springsure claiming the inaugural Teams Shield. With two novelty days back to back, Springsure now has four signed up new members with a couple more in the wings and I must say that they are shaping up to be very competitive shooters.

## **ANNUAL TWO DAY SHOOT**

Saturday 8 February dawned showery with a cloud hanging over the weekend.

We had just seen torrential rain hit the Rockhampton, Gladstone, Biloela areas with roads cut by flooding, however flood levels dropped enough for some intrepid travelers from the above areas to brave the roads. On the other end of the spectrum, drought still raged locally and in western areas preventing others from attending. Given the weather factor, we were extremely pleased to field our final contingent of 11 squads.

The weather held off to provide very good shooting conditions and our traps behaved themselves with only a few broken clays, resulting in quite a few possible scores. The Bauhinia 100, our premier event for the day was keenly contested with consistency and perseverance being the name of the game. Our new President, Shawn Ryan, shooting a possible 100/100.

Springsure lived up to it's reputation as a provider of an excellent Saturday night meal thanks to the fine cooks associated with our Club, and a provider of a good headache thanks to our convivial hospitality and the predisposition by some our visitors to over imbibe.

Rain during the night cleared to allow our programme to commence. The Ladies Bracelet Points proved once again to be very popular with shooters keen to take a very nice little something home to the little lady who stays at home while he goes off to play. The previously mentioned headaches from the night before played havoc with some shooters scores, but it didn't seem to affect Robbie Caban who shot a perfect 90/90. Ditto in our 30 Target Single Barrel, Shawn Ryan shot 30/30.

By 1pm showers persisted to force our final event to be shot in light rain. The rain failed to dampen Cliff Grimshaws score in the 30 Target Handicap with a possible 30 off 20 metres, and a full squad of 29's for the shoot off.

Presentations resulted in the following shooters sharing the range of wonderful trophies up for grabs. A good spread of shooters also shared in a Cash Divide on each round of our Bauhinia 100 with \$1,800 in cash being returned.

# New South Wales State Skeet Carnival 2003

## *A quick list of changes for 2003.*

1/ A new shield to be shot in conjunction with the 100 target State Championship.

2/ \$1000 cash additional to normal trophies for the State Championship.

3/ Free nominations for sub juniors. Sponsored by NSW Skeet Shooters.

4/ Half price nominations for juniors. Sponsored by NSW Skeet Shooters.

5/ Carnival high gun over full program.

These are the main changes for the 2003 New South Wales Clay Target Association State Skeet Carnival to be held at the National Shooting Ground, Wagga from Friday 22nd to Sunday 24th August. The same basic program with the State 20 gauge and State handicap shot on the Friday each of 50 targets, The 100 target State Championship on the Saturday and concluding with the 50 target NSWCTA Championship and the 25 pair Skeet Doubles on the Sunday.

Great new sponsorship has been offered by Sydney Skeet shooter Colin Sim and includes a new Shield, "The James Miatt Memorial Shield", to be shot in conjunction with the 100 target State Championship. The sponsorship also includes \$1000 cash to be divided \$500 overall, \$100 first each grade and \$100 first junior. This sponsorship is guaranteed for the next three years. Thank you Colin on behalf of the Skeet Shooters of NSW.

Again another first for NSW with Free nominations being

offered to sub juniors this year. It is hoped we can attract an increased number of our younger Skeet Shooters with this new initiative. Also reduced nominations of half price are offered to juniors again reducing the financial strain on parents for our shooters of the future. Both the sub junior and junior reduced nomination has been made available by sponsorship from Skeet Shooters of NSW.

The carnival high gun will be over the entire three day program with the State team selected on the 100 target State Championship and the 50 target NSWCTA Championship. The shoulder to shoulder team will comprise the 150 targets listed above plus the 50 targets of the State Postal Team competition (200 target total).

Shooters attending our State Skeet Carnival have continued to increase over the last three years and the additional sponsorship and reduced nominations are hoped to keep the momentum going to reinforce New South Wales as the leading State for Skeet Shooting in Australia.

The ACTA has imposed an environmental levy on all shooters using the National Ground. A fee of \$1 per day will be charged and a trust fund has been set up to hold this money until future time when a clean up of lead etc. will be needed.

The full program will be advertised in next months CTSN. I look forward to a great three days of Skeet shooting in August.

To the Editor

Dear Sir,

I write in support of the letter of Ken Knuth, which was printed in the April clay target news. This is a wake up call to all people who have any interest in any type of shooting related sports of any kind and one that has been voiced by thinking persons for many years.

As a dealer in firearms for thirty plus years, as well as a participant in full bore, small bore, pistol, shot gun and always involved in field shooting and vermin control I have seen the gradual erosion of the freedom to follow such pursuits and the increase in costs bought about by stupid and ineffective legislation most of which has come about to pacify a vocal minority and leave our law makers in peace. Truth and common sense are not readily discernable in most of the changes forced on us in the last 10 years or so.

As a dealer I made contributions to an association as well as to calls for financial support when requested to fight proposed changes and making steady support when a large wholesaler added a small percentage to every invoice to support a fighting fund.

I eventually refused to make any further contributions to any such funds until such time as all shooting related sports came together under a common banner, sighting the American Rifle Association as my personal example of the way to go.

That letter bought little effective response as witness the present situation (and it will get worse).

Nor for that matter do I expect that this letter will produce any greater effect than my earlier efforts.

Those in charge of or control of the units which make up the shooting sports seem ever reluctant to give up or share the power base they have, while, we, the members, who pay the costs, are content to enjoy our own section of our sport while we are left alone even if our brothers in another section are getting it where the chicken got the axe.

What will be the present outcome for pistol shooters legislation which is currently under review. Nothing good or helpful you may be sure and what have we as clay shooters done to help their cause if anything. If we have been in there helping I have not heard about and if such, was case I should be reading about it in my clay news every month as ought to be the case for any shooting organisation that prints a journal am also sure that any effort of benefit to shooters would be gladly taken up by the Australian Shooters magazine (I am also a member of long standing in this organisation). Their publication has at heart the well being of all aspects of shooting sports

and I believe the greatest circulation of any such paper in this country - therefore - greater publicity and interest. I have no doubt they would give their greatest co-operation that would further our interests.

Thankyou Ken for what I hope is in time for a wake-up call.

To all other sections of firearm related sports, I also say "wake-up" and let us unite to hold shut the stable door to enable us to keep what we have and to regain lost ground to improve the lot of responsible firearms use and ownership.

If we do not join to do so the horse will not only have truly bolted beyond recall, but the powers that be will take away the stable as well.

At nearly eighty years of age I may not have much shooting left but I wish for my son and grandsons that they are able to continue to know the pleasures of such sports, as they now do and I have done since firing my first shot at the age of seven.

Also, with three years of infantry service, including front line service during the Second World War, I can vouch for the advantages of the ability and confidence in firearms training and the use gained in civil life. When the enemy is at the gates it may be too late and there is no future.

**G.W. Burnett**

To the Editor

Dear Sir,

I have just completed assisting at the World Cup in Perth, mainly in Skeet. Conducting Skeet Practice as well as refereeing skeet in the main events.

Having also assisted Adrian and competing in the National Skeet Championships, followed by the Olympic Discipline Nationals at which I was also shooting, as well as assisting. Some aspects of the rules became very apparent that had me write this letter.

Firstly the professionalism of all of those who competed in ISSF Skeet both at National and International level.

Secondly the clarity of the rules, that left no areas of doubt in interpretation.

Thirdly that infringement of the rules carried a warning backed up by a penalty.

There arose at the Skeet Nationals an incident where a shooter was warned for taking more than 15 seconds to prepare to shoot. The referee warned the shooter and on a subsequent infringement declared that he had forfeited a target.

On appeal to the jury this decision was over ruled and the shooter in question continued to shoot and eventually won the event after an extensive shoot off.

I personally timed the shooter and he never took less than 17 seconds and on one occasion 32 seconds to shoot his target (admittedly he was brushing our very friendly flies away on

that occasion) But mostly he took 20 or more seconds on each stand.

The jury was correct in reversing the referees action, because rule 1.02 (e) states "that a shooter shall be warned once in each round with out penalty and the rule should be interpreted in conjunction with rule 4.16 (e) which enables a slow moving squad to be moved to another layout to complete so as to not hold up the competition."

I fail to see the value of a rule where a warning is given, that does not have a consequent penalty to back it up.

Rule 1.02 (d) gives 10 seconds for a trap shooter to call for his or her target after the shooter preceding them has completed firing. One warning then loss of one target if they do not comply.

Having been shooting for 50 years and seen all of the changes to the rules in that time, this incident highlights in my opinion a major inequity to fair competition and I urge the rules supervising committee to redress this rule (1.02 (e) to make it comply with best practice as demonstrated by world standards and give this rule some reason for having the 15 second time limit and bringing it in line with the preceding trap rule.

*Yours Sincerely*  
**Ivan Halbert CMT Gun Club WA**

Dear Sir,

Since I started shooting clay targets as a C11 shooter in January 1980, I have never had to write to this column, mainly because other shooters have beaten me to it, and / or have said better than I could at the time.

However, since the rule changes (effective Jan 1.2003), I feel it necessary to add my weight to the comments made by Ronald W. Fenwick (Nov. 2002) and more recently by Vere Storch (May 2003).

Mr. Fenwick's letter hits the nail right on the head, in particular the sentence quote - You cannot justify a system of handicapping using common mark as your base - unquote.

Vere Storch's was not only truthful & straight to the point, but echoed my feelings on these matters completely. There was one point however where I respectfully agree to disagree with her and that is the old system of handicapping where trophy value was involved. If my memory serves me correctly, this system was changed because of the fact it was open to manipulation by both Clubs and Shooters.

Many Clubs in Australia are no longer putting on Handicap events. The main reason for this is very simple. Club managements / members don't want them and won't shoot them. Why? Because of the book of rules!

In essence, the Rules Committee got it WRONG once more, which comes as no surprise to me or the many other shooters that I come in contact with on a regular, and sometimes irregular basis.

*Yours Faithfully*  
**Ron Russell**

To: The Editor

I refer to an article printed in the May edition of the CTSN. It was written by Adrian Cousens and included in his so-aptly-named monthly column, Cuzzo's Ramblings. Regarding the content of his most recent ramblings, I wish to make the following comment. Well done Adrian! A good and practical article on gun fit. Your ideas, particularly on comb heights and angles are almost identical to the conclusions I have come to after many years of trial and error and experience. I'm sure that those ACTA shooters who heed your stock design advice will, in future, give both of us a much harder time in shoot-offs in each of our chosen disciplines.

*Regards*

## Flying Fox Carnival — April 26 and 27, 2003

Overcast conditions and the threat of rain greeted the competitors for our annual two day Flying Fox Carnival, some of which had travelled from as far afield as Leeton, Dubbo, Illawarra, Warren and Orange.

Event one was a 25 target double barrel cash divide and we'll blame the light, because there were only nine possibles.

Down to business for event two, the club's Single Barrel Cham-

pinship, gratefully sponsored once again by Clay Targets Australia, and won by regular visitor Artie Delben from the New South Wales Gun Club, with a 25/25 skinner, Bill Jones, Illawarra, second in AA grade with 24/25.

Greenwich shooter, Don Johnson won A grade 23/25, Port Macquarie members Brian Crane and John Howell winning B and C grades respectively.

**"The workers" — L-R, Ron Sky, David Berry, Jim Wilberforce, Bill Pine, Ron Marsden and Kerry Miller (B Grade High Gun winner).**

**Artie Delben — Clay Targets Australia Single Barrel Championship winner.**

The premier event of the carnival was to follow, generously sponsored by Harrington Beach Holiday Park, with a seven day family spa villa holiday package up for grabs in the 50 target double barrel championship.

A great effort by Paul Turner of Cessnock, in difficult light conditions, saw him take this great trophy, conqueror after a shoot-off with our club secretary, Daryl Pasfield 74/74. John Sleightholme of Tamworth won AA grade with 54/55, Daryl the A grade 73/74, Denis Pearson, NSW, B grade 55/56 and John Howell C grade 45/50.

Sunday morning, and again overcast with event four a 25 target double barrel cash divide seeing only four possibles, three of which came from the A graders, with plenty of 24s and excuses to boot.

The Shelly Beach Store Anzac Handicap followed, this event having been proudly sponsored by Mick and Nathan McDonnell of Port Macquarie over the last four carnivals, and was won by Paul Turner, off 21 metres with 29/30. Following on from his efforts of Saturday, Paul earned himself a half metre for the victory, under the new handicap rules, defeating Daryl Pickles, Taree-

Wingham, in a shoot-off. Tony Norris, Upper Hunter, was third with 25/28, Brett McKinnon, Port Macquarie fourth with 24/28 and John Sleightholme fifth, 22/26.

The final event on the programme was the Flying Fox Fifty Championship, 25 targets double barrel and 25 targets points score.

Great shooting by Frank Seve of the Upper Hunter Gun Club, saw

**L-R High Gun winners — Tobey Hands (Junior), Bernadette Seve (Ladies) and Kevin Pearce (Veteran).**

**High Guns — L-R Daryl Pasfield (A Grade), Frank Seve (AA Grade), John Sleightholme (Overall) and John Howell (C Grade).**

this 100/100 effort rewarded with the Flying Fox trophy and the cash. Artie Delben took second in AA with 139/140, Daryl Pasfield, A grade 98/100, Kerry Miller, Taree-Wingham, B grade 99/100 and also our local lady, Linda Duck, C grade 79/100. Well done Linda.

At the end of day two, Mr Consistency, John Sleightholme, was the Overall High Gun with 242/250 from Frank Seve AA grade 240/250. A grade was won by Daryl Pasfield 235/250, B grade Kerry Miller 234/250 and C grade John Howell 206/250. Junior High Gun, went to local lad Toby Hands 212/250 and the Veterans to Keven Pearce, Cessnock 227/250. The Ladies to the good sort from Sandy Hollow, Bernadette Seve 221/250.

The Club Committee extends its appreciation to all the shooters who travelled to patronise our carnival and we gratefully acknowledge the support of our sponsors Harrington Beach Holiday Park, Clay Targets Australia, Shelly Beach Store, Gemini Traps and Winchester Australia for the overall high gun trophy.

A big pat on the back to our small band of hard working members for an organised shoot, and to Diane and Jan in the kitchen, thank you for the great food.

Hope to see you all at next year's Flying Fox, which will be held in conjunction with the Northern Zone Carnival, on this same weekend.

## Classifieds

### RATES AND CONDITIONS

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shot-guns or the parts thereof.

Rates (inc GST) are as follows:

\$11.00 — 0-60 words

\$22.00 — 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

- (a) the person is a licensed firearm dealer, or
- (b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

- (a) the licence or permit number of the seller,
- (b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.
