National President's Notes

Bill Jones

AUSTRALIAN SHOOTING ASSOCIATION ASA

During the ACTA Executive meeting 10-13 July Mr Nick Sullivan, Executive Director of the ASA, gave a lengthy presentation.

The ASA is the body affiliated with international shooting organisations such as the ISSF and therefore is important to all shooting sports in Australia.

The ASA is supported financially by the Sports Commission and is the Government link to all affiliated organisations such as the ACTA.

Previously the ASA Executives Committee was comprised of 2 persons per affiliated sport.

The Sports Commission has commissioned an independent consultant to review the operation of the ASA and therefore recommend changes to the ASA Constitution.

This review now called the Carlson Report has made various unacceptable recommendations to alter the ASA Constitution and therefore the role of each affiliated sport.

Following input from some of the shooting sports, the SSAA and us in particular, pointing out the unacceptable nature of the Draft Constitution, meetings that were to be held in August to authorise the new ASA Constitution have been postponed.

The ASA have now held a meeting with their Constitution lawyer Rigby Cooke to discuss comments and recommendations resulting in several alterations to the document.

As information becomes available I will publish it in the CTSN.

NSW Southern Zone Clay Target Association Trap Carnival

Canberra International Clay Target Club Inc. hosted the NSWCTA Southern Zone Trap Carnival on the 28th /29th June 2003 in not the best conditions one would want to shoot in, cool with some rain involved (it was winter in the Capital!). However, those that braved the weather all had to shoot in the same conditions. Remembering that NSW is in a drought, I think the rain was more important than the targets thrown on the weekend. There's only one more thing I would like to mention about the weather, and that was the possible shot by Garry Rootes in the NSWCTA Southern Zone P/S Championship. Garry shot a possible 150/150(a Skinner) in absolutely pouring rain, now I know Garry is a pretty good shot, but that was an excellent display of concentration.

Shoot's like these don't just happen, there are always many people in the back-ground who sacrifice their time and even their own

shooting to help in organizing and running a shoot like the NSW SZ Trap Carnival. Many thanks must go to Geoff Mills (New President) and Dicky Bennett taking time of work (self employed) to tend to the traps and grounds before the carnival, well-done guys!!

Shoots do not run themselves either, thank's to the office staff; John Kearns; Judy Jordan and Garry Betar. When you have good office staff the shoot runs very smoothly and that is what

**Ben Allan

happened at this shoot. The office staff at all shooting grounds get very little recognition, they may get a thank you from a winner at the presentation but not too many people go to the trouble of saying thank you, you are doing a great job! Maybe next time you visit a gun club, pass on your thanks for the great job they have done on the day, it would be appreciated.

The canteen is the next most important thing at a shoot (to me) and the canteen on the weekend was absolutely superb. Many thanks must go to Terry Forrest and Jennifer Betar for the hours they put in to make all shooters and their families feel like they are at a restaurant, all sorts of food on a plate with a serviette! Someone said that they had 16 steak sandwiches over the weekend, they must have been good!

at our AGM. Jim Allan and Wayne Smith were the ones that were thrown in the deep end but you could tell that the old "Silver Fox" hasn't lost it and understudy "Smithy" looked like he's been there for years, great job guys! (Millsy was in the background overseeing it all, you know how new presidents behave?) I'm sure that I've missed some one so I appologise to you if I have.

Trappers for our guests needed to be organized and the committee of CICTC helped in that area, thanks to John Petriella, James Byrne, Nick Haridemos, John Taylor, James Jonklaas, Tony Petterson for all giving up their time to help when needed.

Many thanks to our sponsor Winchester Australia, for sponsoring the NSWZCTA Junior Classic. All clubs know how hard it is to get sponsors, so it was fantastic to see Winchester help out in this

area. Last but not least, thank you to our NSWZCTA President; Fred Rapley and NSWZCTA Secretary; Mary Rapley for their assistance over the weekend.

Results of this shoot have been published in an earlier edition of CTSN.

Congratulations to all the winners and those who were successful in gaining a spot in a team that will compete at the NSW State Carnival in October.

Special thanks to those shooters who travelled to Canberra and helped to make this shoot successful. I believe that the NSWZCTA Trap Carnival is at Illawarra Gun Club next year.

Cheers and Tight Chokes

QUEENSLAND STATE ISSF CARNIVAL

Wayne Reeves, Overall State Double Trap.

The Queensland State ISSF Carnival was held at the Brisbane Gun Club on 12th & 13th July 2003.

The weather was kind and sunny for the commencement of the Carnival on Saturday morning. Forty shooters nominated for the 125 Olympic Trap Championship. Shooters came from all over Queensland with Brett Dunstan and Brett Symes venturing out of chilly Victoria for the weekend.

The format was varied slightly to allow 100 targets to be shot on Saturday allowing

plenty of time to finish the Trap and the Double Trap on Sunday. After the first round, the top of the table was as follows:

Brett Dunstan	23
Platon Zapantis	23
Wayne Reeves	22
Greg Newey	22
Dot Trindall	22
Robin Loy	22

After round two the leader board altered slightly. The score of the round was Brett Dunstan's 25/25.

Brett Dunstan	23	25	48
Wayne Reeves	22	24	46
Greg Newey	22	22	44
Platon Zapantis	23	20	43
Robin Loy	22	21	43
Dot Trindall	22	20	42
Ivan Litvinov	20	22	42
Ben Rumbel	18	23	41

Round three showed several changes with Ben Rumbel's 25/25 catapulting him into equal third position while Ivan Litvinov's disappointing 16 dropped him out of contention.

Brett Dunstan	23	25	22	70

Dot Trindall	22	20	23	65
Platon Zapantis	23	20	21	64
Ivan Litvinov	20	22	16	58

Round 4 was shot under mixed conditions with cloud combined with glare. Brett Dunstan shot a fine 24/25 to maintain his lead from Wayne Reeves with the consistent Greg Newey clawing his way back to third. Nick Walsh came from nowhere to join the leaders after this round.

Brett Dunstan	23	25	22	24	94
Wayne Reeves	22	24	23	22	91
Greg Newey	22	22	21	24	89
Ben Rumbel	18	23	25	20	86
Platon Zapantis	23	20	21	22	86
Nick Walsh	20	21	23	22	86
Robin Loy	22	21	23	19	85

On Sunday morning the ISSF Trap shooters lined up for a last chance to make the final. Brett Dunstan and Wayne Reeves shot

Dot Trindall (3rd), Wayne Reeves (Overall), Robin Loy (2nd State Double Trap).

24s to maintain first and second positions while Ben Rumbel pulled another 25 from nowhere to jump into third place. Robin Loy had a second poor round to miss the final.

Brett Dunstan	23	25	22	24	24	118
Wayne Reeves	22	24	23	22	24	115
Ben Rumbel	18	23	25	20	25	111

Platon Zapantis	23	20	21	22	22	108
Nick Walsh	20	21	23	22	21	107
Robin Loy	22	21	23	19	18	103

Wayne Reeves shot a fine 24/25 but it was not enough to overtake Brett Dunstan.

The scoreboard after the final read as follows:

Brett Dunstan	23	25	22	24	24	118	23	141
Wayne Reeves	22	24	23	22	24	115	24	139

CONDITIONS OF ENTRY - NATIONAL SKEET CHAMPIONSHIPS

1. In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.

Note: A fee of \$20 may be charged for the issue of any duplicate handicap card.

2. Squads of 5 (or 6 if necessary) to shoot 100 targets per day, in brackets of 50, two visits to the traps, 2nd 50t moving up one trap. eg 1-2, 2-3, 3-4, 4-1, etc.

3. Shooters will be squadded as per ACTA rules and regulations and any interpretation of this will be the responsibility of the Tournament Director.

4. Each shooter is to take enough cartridges to shoot at 50 Targets. Shooters are expected to perform changeovers (between rounds as well as between squads) as quickly as possible, and certainly not exceed the maximum time limit allowed of two minutes. Anyone exceeding that time limit may be penalised.

5. Shooters who fail to appear in time for their squad may be re-squadded later in the event, but re-squadding is not guaranteed, and non-participation is a possibility.

6. Should a shooter being late for his squad not be re-squadded or elect to withdraw from the event, any refund of nominations paid is not guaranteed.

7. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooters signature will be credited with the lowest recorded.

8. Any competitor may be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfill their obligation to do so. Failure to either referee or score may incur a penalty of the loss of one target in the next event. Should a following event not be programmed then the penalty of the loss of one target may be incurred in the event concerned.

9. Shooters will be selected from each day's last round squads to referee and score the first rounds of the following day, being ready to officiate at the advertised starting time. Shooters who fail to fulfil their responsibility may be penalised. While replacement referee and scorers are permissible, any penalty for their failing to officiate shall be made against the officially designated person.

10. Setting and adjusting of traps is the sole responsibility of Shoot Management. Any unauthorised shooter interfering with or attempting to interfere with the trap may be penalised.

11. All disputes must be in writing together with a \$20 deposit, which is refundable subject to the appeal being upheld.

12. All disputes and deposits must be lodged with the Tournament Director who shall arrange a hearing with the appointed jury.

13. Optional purse nominations shall be noted on a separate form from shooting nominations.

14. Optional purse prizes will be available for collection on the following day of each event with the exception of the final day. All payments must be signed for and proof of identification given if requested.

15. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall chose in which team they may be selected. They cannot compete in both Open and Section teams.

16. Any eligible competitor paying nominations is entitled to receive awards in the Open, Womens, Juniors or Veterans section, however overall event winners cannot take any section prize.

Northam and Districts Gun Club

For the first time The Northam and Districts Gun Club held a combined Championship Carnival with The C.M.T. Clay Target Club.

Friday afternoon 8th August was shot at Northam, Saturday 9th at Cunderdin and Sunday 10th at Northam.

The weather over the weekend was fine and sunny although

cold in the mornings and the rain came pouring down just as the shooting finished on the Sunday.

Nobody got wet but it was hard to hear the presentations with the rain on the tin roof. Some of the highlights of the weekend were Mick Howley winning the Northam Town council D/B district Championship with a perfect score of 175/175 and Neil McWhirter winning the 50 D/B Pts Championship with 150/150 and him also taking out the High Gun with 332/335.

Northam Mayor Ray Head presents Mick Howley with the Northam Town Council District Double Barrel sash and trophy.

Geoff Way presenting Neil McWhirter with the Life members Double Barrel points championship sash.

What's On The Agenda?

With Mark McInnes

The rules committee is looking at several proposals for the 2005 season & beyond, the rules committee has now passed these proposals back to the State associations for further debate. We would recommend that all interested people should contact their zone and state associations. The proposals are as follows:

(1) That ear & eye protection be compulsory for all ACTA disciplines for all employees, volunteers & competitors whilst present at the firing point or trap area.

This proposal is necessary so that clubs meet their obligations under the various health and safety acts that exist within Australia.

(2) That we modify our existing refereeing system to include "field referees" to supervise the event referees and that we require all new ACTA members to pass a range safety test prior to affiliation so that they can act as event referees.

This proposal is aimed at ensuring that all shooters can safely act as a referee.

(3) That we modify our rules such that Handicap and Pointscore events are shot multiple targets per lane.

This proposal is aimed at conforming with international trap & DTL rules as well as making the sport more user friendly for handicapped and incapacitated members. It will also help with the use of voice release systems on handicap shooting.

(4) That we add a rule stating that " Handicap cards must be produced upon request by either Club management, zone or state handicappers, rules supervisors, state associations, national executive members or the ACTA. In the event of an investigation by

any listed parties they have the right to retain the handicap card for the period of time necessary to undertake the investigation."

This proposal is aimed at closing a loophole in our rules that could allow cheats to rort our system.

(5) That we adopt a dress code that requires shooters to dress in an appropriate manner with the wearing of singlets and thongs / scuffs to be prohibited.

This proposal is aimed at preventing the degeneration of dress and safety standards within our sport.

(6) That automatic traps be compulsory for Trap & Skeet disciplines from 1st January 2009.

This proposal is aimed at making our clubs safer and reducing the number of accidents occurring.

(7) That we add to our rules an Appeals process for aggrieved shooters.

This proposal is aimed at formalising the process for appeals.

The rules committee presently holds two open meetings per year that any member can attend, they are held at the Trap and Skeet Nationals. The next meeting will be at 6:00pm on Wednesday 12th November to discuss skeet rules & general issues. We will also be having a meeting at 6:00pm on Wednesday 31st March 2004 to discuss trap rules and general issues. These meetings are held in the clubhouse at the National ground and everybody is welcome to attend.

If you require any additional information on these proposals or any other rules matters please call me on 0428 922 956

Q.C.T.A. STATE TRAP CARNIVAL TOOWOOMBA

3rd - 5th MAY 2003

A total of 205 shooters competed in the biggest event on the Queensland clay target-shooting calendar. Competitors came from all over the State plus a raiding party from NSW.

Conditions at the Toowoomba Clay Target Club were testing with the variations due to wind enough to keep the number of possibles shot down. The weather was cool as was to be expected at this time of year.

The shoot was a little late in starting with shooters showing reluctance to squad up early as the sun was perceived to be a problem.

The first event was the Winchester Point Score of 25 Targets. This event is the eye-opener for the carnival and is traditionally sponsored by Winchester Australia.

It turned out to be the Veterans event with Lui Populin (Burdekin) and the sprightly octogenarian Arthur Page doing battle with the far younger Paul Anderson from Maryborough.

Age and experience won through with Lui Populin taking the overall, leaving first in AA to Paul and first in A Grade to Arthur.

Prior to the commencement of event 2, the new QCTA President, Dennis Harwood, made a special presentation.

Doug Smith (Dalby) was made the first life member of the QCTA in recognition of both his fine shooting record over more than three decades and his gentlemanly manner and fine sportsmanship over the same period. Doug received a fine silver QCTA life member's badge, which had been specially commissioned for the day.

Event 2 was the State Double Barrel with 192 shooters lining up and 33 possibles were recorded. By the time bad light stopped play the numbers in the shoot-off had been dramatically reduced. The shoot-off resumed on Saturday morning Mark Warnock of Rockhampton was the new Queensland Double Barrel Champion with 221/221. This was Mark's first State Title and "stoked" was a much-repeated word.

Wayne Reeves of Normanton, our hard working Shoot Marshal took first in AA with 220/221 followed by Arthur Turner (Griffith) 209/210.

A grade went to Kaye Rehbein (Bundaberg) 90/91 from Mick McGill (Mount Isa) 79/80.

B grade was won by Neville Humphreys (Mackay) 49/50 from a skeet shooter Ralph Pincott (Maroochy) 48/50.

C grade went to a new shooter Steve Szabo (Gold Coast) 51/55 from Donna Barletta (Gladstone) 50/55. Two happier shooters than these two could not have been found anywhere after the event.

The Women's Double Barrel went to Kaye Rehbein of Bundaberg

50/50 followed by Veronika Forsythe (Roma) on 49/50.

The Junior Double Barrel went to Matthew Gall (Port Denison) 57/58 from Glen Wyatt (Maryborough) 56/58.

Lui Populin won the Veteran's Double Barrel 50/50 followed by Doug Smith (Dalby) 74/75.

182 shooters contested the State Single Barrel Championship and no possibles were recorded. When the shoot-offs were completed, Arti Del Ben (NSWGC) emerged victorious with 57/58 to take home a silver Queensland Badge as well as the other booty.

Alan Grimshaw (Gemfields) was first in AA with 56/58 and another border hopper Tony Arvanikatis (NSWGC) was second with 71/73.

Cameron Brown, a rapidly improving junior from Kingaroy, won A grade with 48/50 from another Junior, Glen Wyatt on 50/53.

Allan Allenby (Mackay) won B grade with an excellent 50/53 while Ralph Pincott 45/50 took second place.

Steve Szabo continued his form from the previous event to take C grade with 43/50 from Robert Jones (Toowoomba) 44/54. Yes that was a side-by-side Robert was using.

Lil Jarvis (46/50) of Rockhampton won the Women's Single Barrel from Carol Betteridge (45/50).

The Junior Single Barrel Crown went to Cameron Brown 48/50 with Glen Wyatt second on 47/50.

Jeff Nash (46/50) from Canowindra, NSW won the Veteran's title from the birthday boy, Lui Populin 46/53.

Event 4 was the Queensland State Double Rise Championship of 25 pair. The light was failing when a halt was called for the day with 4 squads to complete the event. Among the last squads to finish was Mike Swale (Gold Coast) whose fine 48/50 was good enough to take the title outright.

Following the completion of shooting and shoot-offs early the next day Wes Humphreys (Sunshine Coast) was first in AA followed by Steve Caltabiano (NSWGC) 56/60.

Frank Robinson (Central Burnett) won A grade with 51/60 from Holly Wilson (Roma) 48/60. Several visitors asked why no one clapped Frank until he turned to leave the area. The answer is that Frank who is deaf likes to see the applause.

Mal Smith (Wandoan) won B grade with 48/60 from Ralph Pincott one target behind.

C grade was clearly won by Robert Jones (Toowoomba) on 46/50 who clearly has no problem with the second trigger on his side by side. Warren Howell (Roma) was runner-up on 42/50.

The Women's Double Rise title went to Holly Wilson 41/50 from Julie Allan (Dalby) 40/50. Julie spent the entire weekend slaving in the office and her shooting naturally suffered.

Shannon Paton (Silkwood) 44/50 took the junior title from Cameron Brown 40/40.

Jeff Nash (42/50) won the Veterans from Lui Populin 40/50.

Numbers continued to drop and 171 shooters contested the State Point Score for the last chance to make the State Teams.

Only one possible was recorded and Bill Pavy (Mackay) was the 2003 State Points Score Champion.

Arti Del Ben continued his consistent shooting to take AA grade 161/162 from John Mackenzie (Gemfields) 158/162.

Rick Kennedy (Tambo) was first in A grade with 166/168 from Tim Bonner (Ballandean) 165/168.

B grade went to Allan Allenby (146/150) with the runner-up Kerri-Leigh Busiko (Roma) 145/150.

Steve Szabo continued his winning streak to take C grade with 138/150 and was rewarded with promotion to B grade. Another

octogenarian, Charles Selke (Caboolture) was runner-up with 134/150.

The Women's Point score Title went to Lil Jarvis 146/150 from Kerri-Leigh Busiko 145/150.

The Junior Title went to Cameron Brown (148/150) from Shannon Paton 147/150.

Graham Bickerton (Kingaroy) took the Veteran's crown from Gerry Hermle (Gold Coast) on 142/146.

The State Teams were now decided:

Open Team:

Bill Pavy, Bruce Powell, Cameron Brown, Jim Riggs, Barry Bosworth, John Maxwell, John Mackenzie, Ray Collinson, Mark Warnock, Wes Humphreys, Daryl Stevens, Colin Witt, Lil Jarvis, Ivan Litvinov, Bill Koitka.

After the Postal Team shoot, the State Shoulder to shoulder team for next years Nationals is:

Bruce Powell, Ray Collinson, Bill Pavy, Cameron Brown, Jim Riggs.

Women's Team:

Lil Jarvis, Carol Betteridge, Holly Wilson, Veronika Forsythe, Kaye Rehbein, Kerri-Leigh Busiko.

Women's Shoulder to Shoulder Team:

Lil Jarvis, Carol Betteridge, Holly Wilson.

Junior Team:

Cameron Brown, Matthew Gall, Glen Wyatt, Allan Purkis, Kerri-Leigh Busiko.

Junior Shoulder-to-Shoulder Team:

Cameron Brown, Matthew Gall, Shannon Paton.

Veteran's Team:

Graham Bickerton, Noel Beale, Arthur Page, Gerry Hermle, George Mariner, Dick Osborne.

Veteran Shoulder-to-Shoulder Team:

Noel Beale, Graham Bickerton, Arthur Page.

Ray Collinson won the Queensland Trap Champion shot over the team qualifying events plus the postal team event for the 5th time in the last 6 years with a score of 468/475 after a thrilling shoot off with Bruce Powell (Springsure). Ray will now have his name on the G.R. & M. Porter Perpetual Trophy for the fourth consecutive year.

The last event on the program was the 25 target Handicap and the number of shooters had dwindled to 135. Only one possible was recorded by Mark Warnock to earn him a tidy cash payout. Mark had left the grounds to fly home prior to the completion of the event so he received some good news the next day.

Ivan Litvinov (Gold Coast) 51/52 was second from Jeff Nash 50/52.

Third went to Joe Marshall (Tamworth) 36/38 from Rowan Woodrow (Wandoan) 34/36.

The Overall High Gun went to Arti Del Ben (389/400) and he took a gold Queensland badge back to Sydney as well.

Women's High Gun: Lil Jarvis 367/400

Junior High Gun: Cameron Brown 378/400

Veteran High Gun: Arthur Page 362/400

AA Grade High Gun: Mark Warnock 385/400

A Grade High Gun: Cameron Brown 378/400

B Grade High Gun: Ralph Pincott 360/400

C Grade High Gun: Steve Szabo 349/400

The QCTA wishes to thank the major sponsors, Winchester Australia and all the workers who contributed to the running of the shoot.

Hedland Sporting Shooters

3 DAY SHOOT RESULTS

On the 11th -13th July the Hedland Sporting Shooters held the WACTA State 5 Stand Sporting Clays and the SSAA State 5 Stand Sporting Clays Championships as part of their three-day shoot. This is a SSAA Club but is affiliated with the ACTA and was fortunate to hold both State Titles this year and attracted a large following.

There was a total of 51 competitors entering from as far away as Bunbury, Leonora, Geraldton, Three Springs, Perth, Newman, Karratha, Augusta, Narragin as well as 7 Shooters from Victoria who came over for the championships. Everyone enjoyed fine and hot conditions all weekend as well as the great hospitality put on by the locals.

On Friday the Club held the 100 Tgt WACTA 5 Stand Sporting Clays State Title sponsored by the Walkabout Hotel

The winner of the HOA trophy was Tony Trainer from Perth shooting a fine score of 92/100 although he was ineligible to win the State sash and badge. The Title went to local shooter and Club Captain Paul McGowan who also shot very well with 90/100

Saturday saw another fine day in paradise with 50 shooters competing for the second of the State titles on offer for the weekend this one being the SSAA 5 Stand State Title sponsored by Polar Aviation.

For those of you who don't know how this is shot; a computer releases the targets randomly and you don't know what order the targets will appear. Everybody gets their 3 singles and a pair at each stand with a buzzer sounding before the pair is released. This makes for some very interesting shooting and scores. The traps are set so as to produce all targets in front of the shooters allowing everyone to get a shot at the targets

After a lot of help from sponsor Colin Pruden from Pruden Homes and some shooters in an early squad part of the field was set on Saturday night for the shoot down in the creek.

With a 6.00am start we set the rest of the 10 stands for the Pippengarra Classic. A challenging course was set with rabbits,

battues and super minis. Shooters had two visits to the stands shooting 50 targets each time. The shoot was started with a 'shotgun-start' with all the squads starting on one stand. This made for early finish.

Those shooters that had to been to the shoot before could not believe their eyes when they saw a dinghy in the bottom of the dry creek bed on stand 5 and could not believe that they had to shoot from it as well. Some good scores were shot as well with Rob Sturzacker and Paul McGowan winning the best 50 shot with a 45 each and Bob Dixon

winning the Newman Gun Club most improved second round with 21+34. There was only one shoot off for placings that being for first in A/AA. Most of the other placings in the other grades had only one target separating 1st to 3rd. It was a great shoot and one that a lot of shooters in the state enjoy coming to. One young fellow did shine and that was Matt Annick from Newman Matt's a State Junior Skeet shooter and shot the second best score of the day 85/100

Dear Sir

Firstly I agree with Mr Reibels comment re record books, which also has support from Mr Russell. I find very few books that have more than a page used by year's end. The 1998 book plus the replacement pages that were suggested but never came to being seemed to me to be a sensible and economic idea. If we must for whatever reason retain the existing booklet could we consider extending line spacing to double width? I am sure we long suffering secretaries would appreciate that.

I also support Mr Strike in most of his comments. Never while I have a say will any novice or junior begin at the 15m mark. If we want to discourage new members we could not have any rule to do so more effectively. The ruling plus the reason for its introduction as explained by the Chairman at the Nationals must surely be seen as a minor help to a very limited minority (almost in this case to one individual). When in Rome do as Romans, which ever country you are in you abide by their rules unless you want a heap of trouble. This is Australia, I am an Australian and proud of it and those who don't like our rules are free to go to where the rules suit them.

What has happened to the expectation that persons elected to our various Committees would formulate policies for all members' interest, the good of the sport and for the future of same?

Rules plus the interpretation of same would seem to be most often the reason for comment in these pages. Could I suggest the following? Any proposed changes to rules be printed in the news no later than September each year. That clubs discuss and vote on same, then forward the results of the vote along with their first membership return for the coming year. Inauguration of rules to be dependent on results of the vote. Cumbersome you say but it could work very well if we wanted it to do so. Certainly fewer people would object to a rule if they helped form it.

Lastly I wish to say thanks for this part of our paper. It gives everyone the chance to put their point, irrespective of what that may be. However I feel we fail to write and support a good idea that should be taken further, therefore it remains another good idea, which went nowhere. I did expect some support for my previous letter re a common body for all shooting sports. Unity is strength and power and power in the ballot box is the only power politics understand and the only power we have to keep what is currently ours and hopefully extend same.

The Editor

As a keen young shooter and a member of the Australian Junior Development Squad, I found it very disappointing to hear when the Victorian Trap Carnival was to be on. I, and many other students across the state, compete and try hard all year round with our sites set firmly on the State Carnival. This plays as a highlight on my shooting calendar. This year I have actually been told that my year 12 external Physical Education exam is to be on the 7th of November, the first day of the carnival. My shooting is a very important part of my life, along with my schooling. I believe that I am not alone with this problem, many other young shooters across the state will more than likely not attend, because of the time of year this carnival is dated. As the youth of Australia are

the future of our often looked down upon sport, maybe this event should be placed at a different time of the year. This would allow the young people, like myself in the future are not disappointed as I am.

Dear Sir

At long last the masses are awakening, thanks to Vere for starting the ball rolling, and going by the letters in the August edition of the CTSN there are many out there who want a fair go.

I have heard rumours that for point score and handicap shooting, it will be shot 5 targets per lane then change lanes with the scorer calling out the scores as they change lanes. Give us a break, what a load of rubbish (putting it mildly).

Someone shooting for their first 5 targets on lane 5 then having the pleasure of shooting at their next 5 targets on lane 1 - equality? What equality?

A squad of 6 shooters shooting in the squad system we now enjoy shoots 25 targets quicker than 5 shooters shooting the same 25 targets under the proposed 5 per lane system.

With the 5 per lane system it limits the shooters in each squad to 5, therefore, on a big shoot, the number of squads is increased and each event taking longer and subsequently the last squads shooting in the dark - more equality.

The rules committee needs to take a long hard look at proposed changes and remember that they are in Australia, not America, or elsewhere in the world. We have seen the skeet rules bastardised to conform to America, now taking longer per round due to the changes of station 7 and 8, all because of a handful of shooters that might visit America.

If any shooter wishes to shoot in America or elsewhere in the world then let them conform to the rules that apply to wherever they may be. Don't penalise the grass roots shooter here in Australia because Joe Bloggs wants to shoot overseas.

Could you imagine a shooter from America or elsewhere wanting their local rules changed to Australian rules because he/she was coming down under?

Handicap shooting ... we don't need it!

There is enough competition shooting from 15m to fulfil everybody's needs - AA, A, B, C and if needed, D Grades.

Do away with handicap shooting and you do away with a large majority of the burglars out there who are playing the system.

On any major issue or issues the general membership of the ACTA should be given the chance to voice their opinion via a questionnaire or similarly published in the CTSN, not just have new unworkable and unwanted rules thrust upon them.

The above is my opinion and after reading it I hope you feel moved enough to put pen to paper and write to "Your Say" and voice your concerns and hope that those in a position to do something positive do so, before it is too late.

Dear Sir

I would like to say congratulations to Ken Stevens as winner of the Ray Wilson Memorial Trophy Event. Shot over 2 days 19/20th July 2003. I would also like to say Thank You to all the members of the Sunshine Coast Clay Target Club who for the past 6 years have donated towards a shotgun as the Overall High Gun for this event.

Pauline Wilson.

Dear Sir

So many letters complaining about Handicap, so many known to me who refuse to shoot a Handicap event.

I'm 74. Use heavy prescription glasses. No Handicap wins in 3 1/2 years. I'm so far back I need binoculars to catch them coming out of the trap. I can see young "A" graders standing 4 x 1/2 metres closer to the trap than me and I would like someone to tell me why.

We need 3 things to make Handicap popular:

1. Things have not only got to be seen to be fair. They have to be fair.

2. Now we have to protect those shooters having one really good day from excessive and unnecessary penalty at the hands of one person wallowing in regrade power, without even looking at a score book under rule 2.01(i). In this case I would prefer to see one person's right to do this replaced by a jury system.

3. Also my system at the same time would be able to deal with shooters who prefer a certain grade and are happy to drop an event or two to remain where they prefer.

If we can work out a fair to all percentage grading for common mark shooting, then surely we could come up with a fair to all percentage Handicap distance grading.

A possible way is:

You are given your Handicap based on a full year's average - minus the lowest 20% and it carries Xmas to Xmas. It's that simple. New book - new Handicap. Good for a year.

Finally why write this? Well I'm back at 21 metres despite no wins in Handicap and never will thanks to a double bump [B to AA via rule 2.01(i)], which makes a joke of rule 2.01(m).

You can come back to A grade in time, but stay AA in Handicap forever. Small wonder clubs are pushing for support, as we lose shooters in droves.

Dear Editor

With the continuing debate over the time infringement rule for skeet I would like to make the following comment:

Rule 1.02(e) clearly states "it shall be considered a time infringement if a shooter deliberately delays more than 15 seconds for each for each shot on a station". So therefore if a shooter takes his shooting position on Station 3 is the shooter entitled to take 15 seconds for each shot or 15 seconds to shoot the station? I would suggest that it comes down to how the rule is interpreted. I look forward to further comment.

Rules Supervisor

Dear Sir

I note with interest the demise of "Cuzzo's Ramblings" in the September issue of the CTSN.

What a pity!

All those 'knockers' out there must be pleased with themselves. Whether you liked Cuzzo or not his "Ramblings" sometimes generated debate and any form of debate in our sport must be good.

I say to those people who continually put the article down now is the time for you to put pen to paper and give us your thoughts....That's if you can handle the pressure!!!!

Dear Sir

The State Council of the VCTA has instructed me to write to you regarding recent Rule changes.

At the closed Meeting of Rules Supervisors, and the general Rules Meeting held during the DTL Nationals in Wagga, the Chairperson of the National Rules Sub-Committee, Mark McInness, went to great lengths to explain to all present the procedure put in place for the introduction of any new Rule changes. In simple terms this meant that any changes to Rules, would, after review of proposals by the National Rules Sub-Committee, be returned to State Associations for their perusal and ratification.

This has not happened, eg Rule changes published in September CTSN

Lance Cornell

The President, Committee and members of the Frankston Australia Clay Target Club Inc regret the sudden passing of Lance Cornell, Foundation member and club staff member. We will miss his presence. Condolence to Dorothy and Family.

Mrs. Lee Hogarth.

A well known member of the former South Coast Gun Club in Queensland (now Gold Coast Clay Target Club) passed away in Lismore, NSW, in July this year.

I am indebted to Bob Golden for the following information about Mrs. Hogarth.

Lee Hogarth passed away in Lismore in July. She leaves a husband, Ray and three children, Clare, George, and Andrew and a number of grandchildren. A fourth child, Carol, predeceased her. Lee had a more difficult life than most, as she developed polio just before the birth of her fourth child and required crutches to get about. Later on, a wheelchair was her only means of mobility.

Despite her affliction, she seldom complained and always presented a happy face.

When the South Coast Gun Club moved from the racecourse reserve at Bundall to a new site at Ashmore, her husband, Ray, was involved in construction of the Clubhouse and Lee was secretary there for many years. After that, she and her daughters assisted in the office with Mrs Martin and Mrs Whitney for some time.

During the big shoots held over five days in January of each year, Ray and Lee would put on a party on the Thursday night and invite everyone. They were most enjoyable times as anyone who attended would attest to.

The Hogarth family was very involved in shooting and the South Coast Gun Club in particular, at that time.

Ray Hogarth won the National Double Barrel Championship in Brisbane in 1962.

The "Lee Hogarth Perpetual Silver Cup", a very impressive and prestigious trophy is contested every year at the Gold Coast Clay Target Club's annual August Trap Carnival, over thirty targets, single barrel.

The Committee and members of the Gold Coast Clay Target Club send their sincere condolences to Ray and the Hogarth family.

Correspondence for Ray can be directed through the Gold Coast Clay Target Club.

ANNUAL SKEET CARNIVAL - 2003

GOLD COAST CLAY TARGET CLUB

L - R. Chris Larsen, Ralph Pincott, Tom Harris, Neal Dimmick, President Tony Edgar, Bill Turner, Toby Witt, Valery Litvinov, Rod Nicholson

The carnival was held over the three-day period 18th - 20th July with a "Pre-Carnival" sub-gauge event being held on Friday 18th July.

The sub-gauge event, which was sponsored by shooters including Kel Madsen, Ralph Pincott and Laurie Sceresini, included the four gauges and shooters shot 50 targets with each gauge, 50 at a visit. Fourteen shooters entered the event on a fine, sunny day. Unfortunately while Laurie intended being at the club over the three days, QANTAS had other ideas, which was a great shame.

The first event for the day was the 50t .410 Skeet Challenge with Neal Dimmick taking AA grade with 44/50, Valery Litvinov A grade (45/52) and Ralph Pincott C grade (39/50). Neal and Valery are both from Gold Coast while Ralph is with Maroochy C.T.C.

The next event was the 50t 28g Skeet Challenge. This time Tom Harris from Cooma C.T.C., a regular visitor over the last few years with wife Robyn, took out AA with a very creditable 49/50. Rod Nicholson from Brisbane took A grade with 51/52 and Chris Larsen from Gold Coast shot 44/50 to take out B Grade.

"Tumut" Tom then put in another nice performance with his 20g to shoot another 49/50 to take AA grade in the 50t 20g Skeet Challenge. Bill Turner from Gold Coast shot a perfect 50/50 to take A grade and Ralph Pincott from Maroochy C.T.C. won B grade with 48/50.

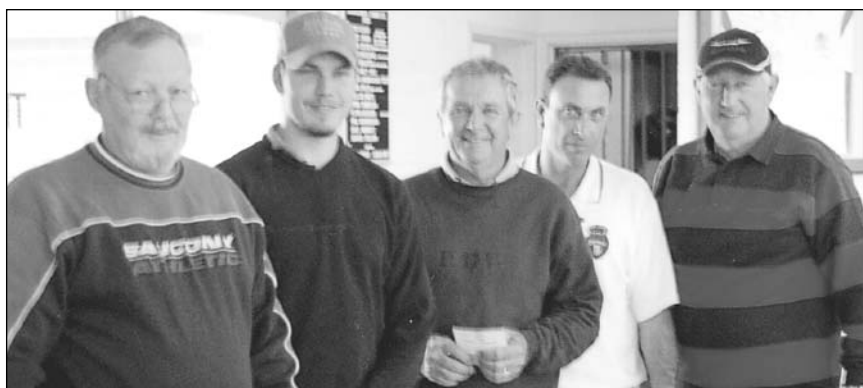

The 50t 12g Skeet Challenge was shot in some challenging light conditions later in the day as, although there were only a small number of shooters, there was a lot of swapping of tubes and loaning of guns as several generous shooters helped out those who did not own all the gauges. A big thank you to those shooters for their generosity. This event saw Tom Harris get his 50/50 and win AA grade while Toby Witt from Maroochy won A grade with 49/50 and Ralph Pincott took B grade with a 46/50.

At the end of the day, Neal Dimmick won the overall high gun prize and sash for the sub-gauge competition with 186/200 showing how consistency shows through.

After Friday's perfect winter day Saturday turned in a lousy performance being overcast, cool and windy. However, your correspondent seems to remember a southern visitor muttering about "soft Queenslanders" who didn't know what cold was. And we don't want to, thank you!

We got under way with a 25t cash divide event to get people warmed up with the following results: AA Max Barton, Toowoomba (25/25), A Toby Witt, Maroochy (25/25), B Doug Makim, Goondiwindi (25/25), C James Broomhead, Gold Coast (25/25). They certainly warmed up!!

Event 2 was a 50t championship skeet event sponsored by Surfers Paradise S.S.A.A. and was shot 50 at a visit. Guy Bedington from Toowoomba cleaned up the overall sash with a 50/50 and Neal Dimmick (Gold Coast) won 1st AA with 48/50. Max Barton Toowoomba (47/50) took out 2nd AA while several shooters shot off for the other grades. Final results after the shoot off were: A Grade, 1st Valery Litvinov Gold Coast

Event 1. L - R. President Tony Edgar, James Broomhead, Doug Makim, Toby Witt, Max Barton.

Event 2. L - R. Roger Hoffman, Rod McGregor, Ralph Pincott, Bob Robinson, Guy Bedington, Neal Dimmick, Bill Turner, Valery Litvinov, Max Barton.

Event 3. L - R George Sckaf, James Broomhead, Rod McGregor, Ralph Pincott, Guy Bedington, Doug Makim, Valery Litvinov, Max Barton, Tom Harris.

Event 4. L - R Rod McGregor, Roger Hoffman, Chris Larsen, Mark Leamon, Valery Litvinov, Toby Witt, Guy Bedington, Neal Dimmick.

Event 5. L - R George Scaf, Roger Hoffman, Rod McGregor, Robert Jones, Valery Litvinov, Toby Witt, Mike Swale, Tom Harris.

High Gun Winners. L - R Neal Dimmick, Carol Tipler, George Scaf, Guy Bedington, Rod McGregor, Ralph Pincott.

Captain Neale Dimmick of Gold Coast reluctantly hands over the Albert Shield to Captain Max Barton of Toowoomba.

(62/62) and 2nd Bill Turner Gold Coast (61/62); B Grade, 1st Bob Robinson Maroochy (48/50) and 2nd Ralph Pincott Maroochy (55/60); C Grade, 1st Rod McGregor Brisbane (54/63) and 2nd Roger Hoffman Toowoomba (53/63).

Event 3 was the L.T.D. Services Skeet Doubles event. L.T.D. Services is Chris and Jackie Langley both of whom have given sterling service to Gold Coast since seeing the light and migrating north. The present skeet captain owes much to Chris for his generous help in taking over the reins and in preparing this carnival.

Guy Bedington with 51/52 pipped George Scaf for overall prize and sash in this event while Tom Harris, Neal Dimmick and Max Barton fought out 1st and 2nd in AA. Tom (59/62) took 1st and Max (58/62) took 2nd AA while other results were as follows: A Grade, 1st George Scaf (50/51) and 2nd Valery Litvinov (46/50); B Grade, 1st Ralph Pincott (46/52) and 2nd Doug Makim (45/52); C Grade, 1st Rod McGregor (45/50) and 2nd James Broomhead (37/50).

Sunday's weather returned to "normal" and while we had some breeze, conditions were good. We again had a little warm up 25t championship skeet, this time with cash prizes. There was no overall prize but 1st and 2nd prizes were awarded. What is it with these events? We had four 25/25's, four 24/25's and seven 23/25's from 28 shooters.

After the shoot-offs the results were: AA Grade, 1st Neal Dimmick (29/29) and 2nd Guy Bedington (27/29); A Grade 1st Toby Witt (29/29) and 2nd Valery Litvinov (28/29); B Grade, 1st Mark Leamon Gold Coast (24/25) and 2nd Chris Larsen (27/28); C Grade, 1st Roger Hoffman (23/25) and 2nd Rod McGregor (22/25).

The final event of the carnival was the 100t Queensland and Pacific Insurance Brokers skeet championship shot in two visits of 50tgs. As with all previous events there was some good competition for the prizes on offer and it was only after more shoot-offs that the following shooters took out the places: Overall prize and sash, Valery Litvinov (109/111); AA Grade, 1st Tom Harris (101/104) and 2nd Mike Swale Gold Coast (100/104); A Grade, 1st George Scaf (108/111) and 2nd Toby Witt (95/101); B Grade, 1st Robert Jones (97/100) and 2nd Tony Edgar (98/105); C Grade, 1st Rod McGregor (87/100) and 2nd Roger Hoffman (76/100).

High Guns for the Carnival were as follows:

Overall, Guy Bedington (244/250); AA Grade, Neal Dimmick (236/250); A Grade, George Scaf (242/250); B Grade, Ralph Pincott (227/250); C Grade Rod McGregor (220/250); Women's, Carol Tipler (212/250) Junior, Alister Broomhead (17/250) and Veterans, Neal Dimmick (236/250).

The Gold Coast club thanks the shooters who supported our carnival; the workers who prepared the club grounds and helped on the day; Jackie Langley for preparing the meals and working in the kitchen during the three days; shoot Marshall Chris Langley; our major sponsors, including Valery Litvinov, for their continued support and Kevin Jackson, our tireless groundsman.

Gold Coast will be hosting the Queensland South East Zone Skeet and the South East Zone ISSF Skeet Carnivals in 2004 and will of course hold the club's annual skeet shoot in July 2004. So watch for details, we look forward to looking after you as visitors to our club.

South East Zone Vic Teams Shoot Update No 4

Foster Victoria is a pleasant Seaside town in the southeast corner of the state. In the heart of summer the town is alive and bustling like a major tourist resort, but in winter, it's Mad Dogs and Shooters that brave the Southern Antarctic winds gusting to 85 KPH with a chill factor of -3.0 Degrees.

All shooters who attended the Shoot on the 9th of August 03 gave thanks it didn't rain, as the conditions were as tough as most had ever experienced. President of Foster Clay Target Geoff Monson and his hard working members had the ground looking great and they were definitely up to date with their maintenance as all traps

Into the shoot off and only 5 targets later it was all over, with Luke Lewis taking out Overall and AA 30/30. 2nd AA P. De Silver. A Grade 1st N Quick, 2nd P Calvi. B Grade 1st L Ogilive, 2nd M Rocco. C Grade 1st J Smeaton, 2nd M Collins.

Overall High Gun, Matt Rocco 58/62, Ladies High Gun, Lauryn Ogilive 47/50, giving Werribee Vic the clean sweep, a top effort seeing this is the first year back for some time.

Winning Team was Werribee Vic 220/250 again and that's the last two shoots in a row the boys and girls from Melbourne's west have shown us Eastern Melbourne mob how it's done look out for the final they said.

The winning Junior Team was the Korumburra team: Rowen Foote & Lorenzo Scribani-Rossi. They came out on top with an impressive win of 83/100, in the conditions on the day the boys performed well with a 6 point clear advantage.

Junior High Guns were A grade Lorenzo Scribani-Rossi 41/50, B grade Matt Rocco 47/50, C grade Ben Elsley35/50

BUNDABERG CLAY TARGET CLUB INC

Bundaberg Clay Target Club Inc held its annual on Sunday 3rd August 2003, with a good roll up of shooters. Shooters traveled from Warwick, Maryborough, Rockhampton, Gladstone, Toogoolawah, Gold Coast, Gympie, Central Burnett, Brisbane, and Sunshine Coast Gun Clubs to make up the numbers along with our local shooters. We also had shooters from Bunbury Western Australia and Griffith New South Wales. It was pleasing to see the shooters turn up in force as we had a change from our normal format of a two-day shoot to a one-day shoot.

Results: Event 1 50 Target "Pedro Petersen" Double Barrel Points Championship. Overall Jim Riggs from Gladstone 147/150, AA Grade 1st Jim Riggs 147/150, 2nd Stafford Smith 147/150, A Grade 1st Malcolm Zipf 144/150, 2nd Ryan Howie 141/150, B Grade 1st Donna Barletta 132/150, 2nd Peter Porfiri 125/150, C Grade 1st Spencer Plath 118/150 2nd Mal Dawson 116/150.

Event 2. 25 Target "Winchester" Single Barrel Championship. Overall Jim Riggs 24/25, AA Grade 1st Jim Riggs 24/25, 2nd Rob Rehbein 23/25, A Grade 1st Ryan Howie 23/25, 2nd Malcolm Zipf 23/25, B Grade 1st John Griffiths (Bunbury) 22/25, 2nd Brian Fourro 20/25, C Grade 1st Mal Dawson 18/25, 2nd Dough Baggaaley 16/25.

A Pedro Petersen Memorial Shield was shot for over the combination of these events and Overall was won by Jim Riggs with a score of 171/175, AA Grade Stafford Smith 196/175, A Grade Malcolm Zipf 167/175, B Grade Donna Barletta 147/175 and C Grade Mal Dawson 134/175.

The last event for the day was a 50 Target "Wide Bay Capricorn Home Loans" Medley Event. Overall was won by Quinto Porfiri 49/50, AA Grade 1st Quinto Porfiri 49/50, 2nd Glen Durre 49/50, A Grade 1st Malcolm Zipf 47/50, 2nd Paul Rehbein 47/50, B Grade 1st Brad Petersen 44/50, 2nd Brain Charteris 43/50, C Grade 1st Mal Dawson 36/50, 2nd Doug Baggaaley 33/50.

High Guns for the shoot: Jim Riggs won AA Grade from Gladstone with a good score of 217/225. A Grade was won by Malcolm Zipf from Maryborough with a good score of 214/225. B Grade was won by a Lady shooter from Gladstone. She is a relatively new shooter who outdid the gentlemen with an excellent score of 186/225 and local shooter Mal Dawson with a good score of 170/225 took out C Grade. The club would like to thank our sponsors for this shoot: Wide Bay Capricorn Home Loans, Winchester (Olin) Aust, Ted Jensen our Patron, Cheryl Petersen & family and Rehbeins Guns.

We thank you for your support. Next shoot for the club will be on Sunday the 7th September with skeet at 9.00am and Trap at 12.00noon. For further information on the club please contact Kaye Rehbein on 4151 3194 or at Rehbeins 35 Targo Street, opposite the News mail.

MEMBERSHIP CHANGES Effective 2004 Shooting Year

At the National Executive Meeting held in July several issues were discussed in relation to the current membership categories. After these discussions it was evident that some categories are being misused necessitating a change in the member categories currently in place. Following are the new membership categories decided on for the 2004 shooting year:

FULL MEMBER:

This level of membership remains unchanged and has been set at \$78.

2ND FAMILY MEMBER:

This level of membership is no longer available.

PARTNER MEMBER:

This level of membership has been introduced to replace the 2nd Family member and is available to the partner of a full member. The cost of this level of membership has been set at \$45.

VETERAN MEMBER:

This level of membership is available to persons who are over the age of 65 years at the time of registration and has been set at \$45.

LONG SERVICE CONCESSION:

This level of membership is available to persons who are over 60 years of age at time of registration with 30 years or more

continuous membership with the ACTA. The cost of this level of membership has been set at \$45.

JUNIOR MEMBER:

This level of membership is available to persons under the age of 18 years at time of registration and has been set at \$23.

CLUB ONLY MEMBER:

Insurance issues have required the Executive to introduce a level of membership that allows shooters to participate without the hassle of clubs obtaining further costly insurance's to protect their interests.

This level of membership has been introduced for persons wishing only to participate at their home club and not in competition. This level of membership is available to new members only and not persons that have been members of the ACTA within the last 5 years. Club Only Members will be afforded full protection under the insurance policies currently held by the ACTA.

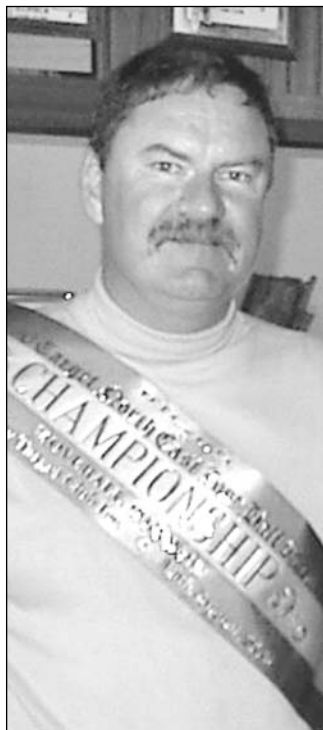

Club Only Members will be issued with a card denoting their status and the cost for this level of membership has been set at \$30.

Members with a Club Only membership can convert to another membership category at any time on payment of the balance in the membership fee.

BALL TRAP SHOT AT ECHUCA

Sunday August 10 at 10am a bitterly cold morning of minus two for the start of the Vic, North East Zone Ball Trap Championship and team selection shoot held at Echuca Clay Target Club.

With the heaviest frost for this year and an icy cold south wind keeping some competitors away, four full squads of skilled shooters still travelled to Echuca to try out their ability at this very difficult discipline, classed by many to be as hard or harder than Olympic Trap.

Overall Ball Trap winner, Steve Atkins.

To the credit of local Echuca district shooters, Echuca Club members took out three out of four top places, the exception being John McVitty from St Arnaud.

The final results of the 50 target Ball Trap Championship were, Overall and AA S Atkins on a 47/50, A Grade was John McVitty on 46/50, B Grade Ian Gebhardt on 44/50, and C Grade junior shooter Ryan Atkins with a 39/50.

Event Two a 40 Mixed Target giving Echuca a chance to use the new Gemini auto traps just installed, and after a very tight shoot-off between Rob Nisbet and Ian Gebhardt for a winner the results were, Overall and AA R Nisbet with a 72/74, A Grade I Gebhardt on a 69/74, B Grade on a score of 53/60 promising future top lady shooter Mellita Northausen. C Grade taken out by another lady shooter Alain Gobbo (Shepparton) with a 47/60.

With the serious competition over, time for some fun and less intense competition. Event Three a 20 target Single Barrel

Overall Mixed Target winner, Robert Nisbert with Ron Traill.

Graded Cash Divide. Two AA shooters sharing cash R Nisbet and T Moroni (Bendigo) on possibles, A Grade cash taken by Ron Traill, B Grade shared by Mellita Northausen and Alex Gobbo on 18, and C Grade collected by Alain Gobbo with a 13/20.

Again a fun event for Event Four: a money pooled, off the fence shoot with an Echuca shooter Leigh Fitzgerald cleaning up the pool by out shooting his opposition.

The North East Zone Ball Trap team is as follows: S Atkins, Craig Hill, R Nisbet, I Gebhardt, C Fitzgerald, emergencies K Bruns and M Northausen.

An excellent shoot over Ron Traill thanked all for their attendance and hoped to see all again at our next shoot.

New record for Guyra's Cool 100

Ben Rumbel, president and John Sleightholme, high gun.

A perfect winter's day greeted the sixty-three shooters competing in the annual Cool 100.

The winter championship consisting of 25 DB-25 PS saw Joe Marshall, Tim Burke and James Poole return possibles. Joe Marshall took the overall sash with 200/200 from James Pool on 199/200.

The Cool 100, a 100tgt DB event returned six possibles, John Sleightholme, Peter Holmes, Paul Tattam, Roger Vidal, Geoff Baxter and Tom Turner.

Ben Rumbel, president, James Gilbert C Grade and junior High gun , James Poole, vice president.

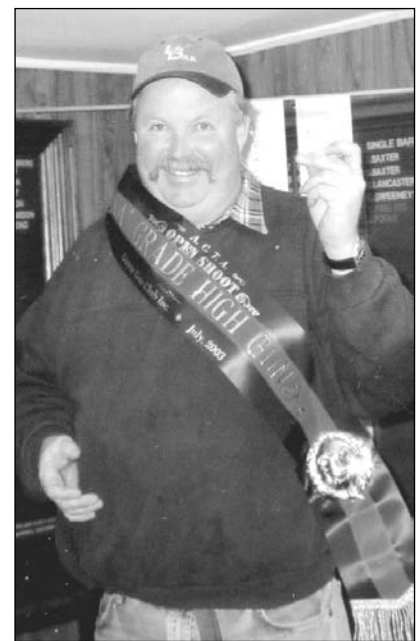

When darkness stopped the shoot off, John, Peter, Roger and Tom remained, with the score at 250/250.

It was decided to split the money and declare these four, joint winners. This score is a new record for this event; exceeding 226/226 set in 1993 by Roger Vidal.

This left four shooters tied for High Gun. John Sleightholme drew the longest straw to take the sash, with Tim Burke collecting AA, Barry Finch A, Warren Lasker B, Robert Hickey C, John Kent Vets, Cindy McBean Ladies and James Gilbert taking Juniors.

From left, Tom Turner, Peter Holmes, Roger Vidal and John Sleightholme.

Tim Burke, AA High Gun.

Psychological Skills for Shooting

by Michael Kruger-Davis

THE DYNAMICS OF DOUBT

In the very first article I wrote for the Clay Target Shooting News: "When I miss; could it be self doubt?" I explored the somewhat basic tenet that performance was attainable when the interference of the mind on the functions of the muscles was reduced. Doubt is the "lack of certainty of the truth or the reliability of something." The problem with doubt is not that it questions your ability to do something that is difficult or even impossible, say for example shooting 750 targets straight or 100 Pointscore targets but it is lack of trust to perform actions required to shoot one target; the one that will appear when you call pull. According to Gallwey in the Inner Game of Golf, self-doubt is a uniquely human quality of negative thinking that needlessly questions ones ability.

To understand self doubt it is necessary to look at how the brain functions. Basically and for the purposes of this discussion, the brain is divided into two halves; the right side and the left side. These different sides play an important role in our ability to shoot, play golf, tennis etc. The right side of the brain is responsible for muscle movement and co-ordination. In shooting this involves seeing the target, identifying it, tracking it, moving the body, holding the gun correctly, pulling the trigger and following through. The right side of the brain does and can continue to do these functions effortlessly and continuously. All that it requires is that the muscles need to be relaxed.

The left side of the brain however, houses our language, analytical and judgmental skills. The left side also believes that our right side is incapable of doing what is necessary and therefore provides it with a barrage of instructions and "coaching tips" so that it can do it properly.

In his book, The Inner Game of Golf, Tim Gallwey identifies these two sides of the brain as ego states and calls them self 1 for the left side and self 2 for the right side of the brain. Gallwey found that when he was involved in a competition he would have to continually listen to a range of self-instructional thoughts. On closer analysis of these thoughts he determined that it was self 1 doing the talking, it thought he knew how to play and was supervising self 2, the one who had to hit the ball or hit the clay target in respect to shooting. Self 1 did not only give self 2 instructions but criticised self 2 for past errors, warned self 2 about probable future ones, and harangued him whenever he made a mistake. These instructions and judgements increase tension, which in turn tightens the muscles; the result is that we are no longer fluid or relaxed and therefore we cannot perform to our potential.

To summarise self 1 - talking thought producing self - is a lousy boss when it comes to control of the body's muscle system. When self 2 - the body itself - is allowed control, the quality of performance, the level of enjoyment and the rate of learning are all improved. Self 2 is the total human organism, the natural entity. Self 1 does not have a physical existence; it is a phenomenon of mental self-interference that can and does interfere with our ability to perform.

For the brain to function closer to its potential the interference needs to be minimised. This means that the basic premise of the inner game is; Performance = self 2 (potential) minus self 1 (interference). The object of the inner game is to limit the interference of self 1 and trust self 2 can perform and achieve.

Doubt is easily confused with anxiety and fear. Whilst doubt and fear are close they are not related. We experience fear when we are faced with real or imagined danger; that is when we are vulnerable to harm. Self doubt relates neither to our vulnerability nor to external danger but to our competence to avoid or deal with the danger. No matter how much pressure is riding on hitting this

target, we do not feel anxiety if we do not first doubt our ability to hit the target. Anxiety increases as our competence decreases and therefore if we can lessen self doubt we can reduce anxiety.

How does doubt manifest itself? The first physical symptom of doubt is weakness. In a shoot off a shooter may feel weakness in his knees, lightheadedness and a general loss of feeling and muscle memory. Faced with these symptoms the shooter may react in two ways; either to give in to it or to resist it. Giving in to the challenge or avoiding it, according to Gallwey, decreases effort reduces motivation and affects attention. The other reaction to self doubt is to resist it by trying harder. What happens here is that trying fails because we increase mistrust of our ability.

The first step to inner game success is to let go of the judgements that question our ability. The second step is to trust self 2's ability and to stop trying. When we give ourselves the instruction to try harder, what we are really doing is tensing and tightening our muscles. In short trying fails. Once we can let go of our judgements and trust in self 2 we can go onto quieten the mind.

QUEENSLAND NORTHERN ZONE NOTES

Normanton was the scene of the Northern Zone ISSF carnival in June. With Normanton so far away from anywhere the numbers were down on regular ISSF carnivals. By all accounts a good time was had by all in attendance as per usual in Wayne's world.

First on the program was the ISSF Trap event with the Overall winner being Wayne Reeves with a score of 133/150. Not bad for someone who did not stop all weekend.

Cairns shooter Jar Smaniotto took out the A grade with 111/125. Richard Brownson from Charters Towers won the B Grade with his score of 105/125. Andrew Carr of Cairns shot 107/125 to take out the C Grade medal.

Diane Reeves is still shooting to her usual good form to take out the Women's event with a score of 105/125. Nimmo Bruce of Cairns took out the Veterans prize.

There were no takers on the ISSF Skeet so the Double Trap started with Jar Smaniotto taking the Overall sash with his score of 169/200. Wayne Reeves' score of 117/150 was good enough for him to take A Grade. Diane Reeves took it to the men and won the B Grade medal with a score of 108/150. Richard Brownson won the C Grade with 95/150.

Nicole Prudams (Davies) won the Women's prize and Nimmo Bruce the Veterans.

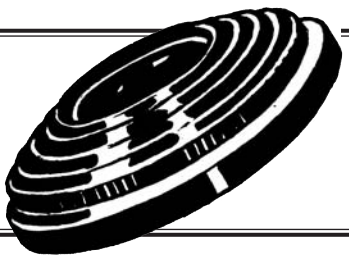

Up coming events in the zone starts with a Coaching Weekend set down for the 18th & 19th October at the Townsville Gun Club with a cost of \$20.00 to cover Graham Boyd's airfares who will be up for the weekend. Graham is a renowned coach and will be eager to work with shooters of all skill levels particularly the A's and AA's who may be a little off target at the moment.

Atherton Gun Club is holding their annual on the weekend of 25th & 26th October and Charters Towers' annual on 1st & 2nd November.

A reminder to shooters that the Northern Zone Trap Carnival is on the weekend of 27th & 28th August. This reminder may be too late if the magazine isn't early but it is a reminder non-the less.

The results of the Zone Skeet will be in next month's magazine.

A Level 2 Coaching Accreditation course was held in WA at the Peel and District Club over the weekend 16 & 17 August. We had 5 Level 1 Coaches attend from as far away as Derby in the North of the State to Kalgoorlie. The course presenters were Level 3 Coach Peter Strike, Level 2 Coach Tim Catling - gun fit and patterning and Gemma Dale from Sports Medicine Australia spoke about Drugs in Sport. The weekend was an outstanding success and the WACTA coaching division would like to sincerely thank all the Presenters for an extremely informative seminar, the members from the Peel Club especially Les, Deb, Jayne and Drago for the wonderful hospitality, magnificent catering and co-operation in allowing WACTA to conduct this long awaited Level 2 Coaching course.

Sue Green WA Coaching Co-Ordinator.

STRESS GETTING THE BETTER OF YOU?

Shoot off tension? Right now, practice breathing deeply and slowly, with authority. You cannot be nervous if your breathing is smooth and relaxed! You have to practice this a bit, and often, at home to get into the mood of it all.

Every trapshooter needs to learn breathing control. Inhale slowly. Make this a habit as you shoulder your gun. Incorporate it into your set-up right away. Take that deep slow breathe and it will give your eyes an extra burst of energy (oxygen) to see the target clearer and quicker!

Don't forget to yawn. When you do this it triggers the brain to calm down and so you will. Try it and you'll see it works.

BERETTA

682 GOLD E TRAP MEMORY SYSTEM

682 GOLD E DOUBLE TRAP

682 GOLD E XTRAP

682 GOLD E SKEET

The Evolution of a Winner

Numerous design refinements and the recent modern restyling render the victorious Beretta 682 Gold E more captivating and its performance even more competitive. Together with the exclusive dual colour finish and modern ellipsis graphic motif with the Beretta "gold" logo, the contrast between the glossy and matte parts ensures an extraordinary beauty to the receiver. Beretta's electroless nickel finish provides added protection against the elements.

All models are available with memory system or standard stock.
