National President's Notes

Bill Jones

As I reported in the Oct issue the Australian Shooters Association (ASA) is undergoing constitutional reform. The first draft copy was unacceptable to your Executive.

The final draft has been received and to a large extent takes care of our concern. Some issues are still under discussion.

NSWCTA Championship

Recently held at the National Ground with some 200 competitors in attendance. Highlight was no doubt Wendy Barton's 50/50 Single Barrel to take Overall, being the first lady shooter to achieve this difficult feat.

NSW Hall of Fame

The formal induction of Glen Castellaro and Jack Headon into the NSWCTA Hall of Fame was also conducted. Congratulations to both shooters.

Terry Rumbell

Long term ACTA Member and former Olympic and Commonwealth Games representative, Terry Rumbell was recently inducted into the Taree region Hall of Fame. Some 200 people attended to join with Terry and his family for the function. The ACTA offers its congratulations to Terry and wishes him good luck for the future.

Merry Christmas

The Staff at the National Office of the Australian Clay Target Association, Andrew, Mandy, Tina, Cheryll & Dave would like to wish all readers & their families a happy, safe Christmas & New Year.

We take this opportunity to inform you that the National Office will be CLOSED for a short break over the Christmas period. The office will close at 3pm Friday, 19 December, re-opening on Monday, 5 January 2004.

Merry Christmas & Happy New Year

Sunday night a different competitive atmosphere came over the ground, with the footy grand final. The night was well attending at the Wagga Club House, it started with nibbles & happy hour (made possible with the shooters passing the hat around). Followed by a barbecue, prepared & served with the assistance of volunteers. And the main event, the game was shown on a big screen television organised by NSWCTA for the enjoyment of all in attendance. Even though not everyone was pleased with the final footy score, everyone agreed that the night was a huge success.

Glen Kable was the Overall & Men's winner with a score of 243/243. Glen Castellaro was AA grade winner 242/243. World Championships 2003

Cyprus Sept 9 - 16

Coaches: Greg Chan, Luca Scribani Rossi

Team Administrator: Ray Andrews

Massage Therapist: Darien Roach

Trap: Michael Diamond, Adam Vella, Russell Mark

Women's Trap: Susie Balogh, Nessa Jenkins

D / Trap: Russell Mark, Adam Vella, Steve Haberman

Women's D / Trap: Susie Trindall, Dot Trindall

Skeet: Paul Rahman, Neil Rundle, George Barton

Women's Skeet: Lauryn Olgilvie, Natalia Rahman

Junior Trap: Andrew Miller, Joshua Lawrence, David Cross

Women's Junior Trap: Simone Tigani, Emma Eagles

Junior D / Trap: Dustin Barry, Michael Vanderguilik, David Cross

Junior Skeet: Webley Hirt

The team which had competed at the Lonato world cup the previous week arrived in Cyprus on the 8th Sept whilst the rest of the team including the juniors departed Australia that same day to arrive on the 9th. The team from Oz also had to run the gauntlet of transiting through London and from recent past experiences we were not confident of receiving all the bags. As luck would have it all their guns arrived but not all the bags.

Our hotel was the Beau Rivage in Larnaka about 45 minutes by bus from the shooting range. The Cyprus range is a terrific complex comprising a club house on a hill with separate administrative building, and four separate trap and skeet fields below the club house. The only criticism of the facilities was the lack of shade for

the competitors. With a record 670 competitors across the three disciplines the organisers changed the program three times to try to accommodate the huge entries and whilst there was a lack of information and communication the tournament went reasonably smoothly.

The trap and skeet men's competition was to be held over three days (50, 25, 50) and the women's over two (50, 25).

The opening ceremony was held in the capital Nicosia on the night of official training, which happened to be the night before the first competition day. Consequently all trap and skeet shooters were banned from attending, as a late night was not the best thing prior to competing. Team officials and junior double trap shooters made up the delegation.

Women's Trap

1. Chiuyko UKR 71 + 21 = 92 + 4
2. Pelosi ITA 69 + 23 = 92 + 3
3. Stefecekova SVK 68 + 24 = 92 + 2

6. Leon ESP 68 + 19 = 87
7. Jenkins AUS 64 (24, 21, 19)

Susie's 5th place was a great effort although she was disappointed with her final. The wind came up on the first day of competition and dust was creating problems for everyone. Susie and Nessa drew the last squads of the day and were forced to shoot their second rounds very late in the afternoon with the sun setting and shadows out across the ranges making the conditions very difficult.

Some unbelievable shooting from the top three shooters under some very hot, windy conditions. A three way tie after the final on 148 was extraordinary and made for one of the most exciting shoot offs seen anywhere.

Michael got stronger the further it went Russell shot consistently and one bad round ended Adam's hope of making the final. The team results show we were only 4 targets from a medal.

Teams: 1. USA 418, 2. AUS 410, 3. ITA 409

A fantastic effort by Russell to win the silver. This was one of the best double trap finals ever seen. Low score in the final was 45 and the top three trading shot for shot to all end up with 48's. Eller went in one up and came out with the same lead. Russell did everything possible to wear him down, but to his credit he handled the pressure superbly. Adam's 50 in his third round was a big effort as was Russell's 49 in his last.

The team took out the silver and proved once again that we are among the top double trap nations in the world.

Apart from Simone our juniors generally did not perform to expectations and while there are some who can be satisfied with their effort, there are others who should be questioning their commitment and learning from the professionalism and attitude of junior competitors from other countries.

The trap and skeet team again transited through London on the return to Oz and as per normal arrived to find their guns missing.

It came as no surprise that when the main team came home also through London, that bags and guns were also missing. Six groups through London, five lost their guns. Is someone trying to tell us something?

Seriously, it is becoming increasingly difficult to travel the world with firearms since September 11, and it is a fact we have to learn to deal with.

The World Championships was the last opportunity for many countries to win Olympic quota spots for Athens 2004 and the intensity was very evident.

Thanks must go to Darien, Ray and Luca for their valuable contribution to what was a successful though tiring World Championships.

With Australia having a record six shooters qualified for this years World Cup Final, we have had a tremendous year so far. The Oceania Championships in November is our final opportunity to win Olympic quotas and that will end a very long international calendar for 2003

World Cup Lonato

Sept 2 - 7, 2003

Coach - Greg Chan

Massage Therapist - Darien Roach

Trap - Adam Vella, Michael Diamond, Russell Mark

Double Trap - Russell Mark, Adam Vella, Steve Haberman

Skeet - Paul Rahman, Neil Rundle, George Barton

Womens Skeet - Laurnyn Ogilvie

Adam and Steve headed over to Lonato a few days before the rest of the team so Adam could shoot in the Beretta Gold Cup prior to the World Cup. He won the first event of that tournament and showed that he was maintaining his recent good form.

The rest of the team departed Australia on the 31st August for

hours. To cut a long story short, the bags arrived but not the guns, and as they had to be cleared individually by customs, we were required to come back to the airport the next day, again. We finally reached our hotel, the Benaco around 19.30, totally exhausted and faced with the reality that we had to do it all again tomorrow.

Day two in Italy. On the bus again at 09.00, arrive at airport at 11.00, find that guns have arrived overnight, but no one can locate keys to customs safe. 12.30 keys are found, but it is now time for customs and police to go to lunch. 14.00 things start to happen again, and finally we clear guns and arrive back at hotel around 17.00. A whole day lost, including valuable training time. So as to keep in with the rest of the team, Adam and Steve also lost their guns on the same route 5 days earlier.

Day three was official training. On arrival at the range the first thing we noticed was that 90 metres out from the traps they have erected a massive mound 27 metres high and running the full length of the 10 trap and skeet ranges. It is fully covered in green shade cloth and coupled with the grass out to the mound makes this one of the most impressive ranges anywhere in the world. The fluoro targets were just brilliant to see on that background. Everyone thought the scores would be really high, but there was a factor they hadn't counted on, the targets. They were as hard as rock and just as hard to break. Some were picked up with as many as 6 holes in them without breaking.

4th / 5th Sept Trap & Skeet Competition

Trap

2. Vella AUS 118 + 24 = 142 + 12 (23, 24, 24, 23, 24)

10. Mark AUS 115 (25, 20, 23, 23, 24)

Teams: 1. AUS 350, 2. ITA 347, GBR 344

Adam picked up yet another silver in world cup competitions to add to his impressive tally this year and Michael made his second final at his only two competitions for the year. Russell also had a top ten placing which gave us the teams' event over arch rivals Italy.

Teams: 1. NOR 359, 2. CZE 353, 3. GER 352, 6. AUS 348

A respectable effort from Neil to be two targets out of the final. The lower overall scores in both the trap and skeet was certainly obvious, and the hardness of the targets was borne out by the fact that the scores in the finals were higher when flash targets of a different compound were used. The eventual skeet winner Duarte from Colombia switched to using 7.5's instead of the usual 9.5's after the first round to try to hit the targets harder.

Lonato via Singapore and London. A one and a half-hour delay in Singapore meant our connection in London would be tight and this turned out to be the case. We made the flight but our bags and guns didn't. After arriving in Lonato at 10.45am, we chased our bags for hours, only to be told that they may be on the next flight at 16.30 but there was no guarantee. As it was a two-hour trip from the airport to Lonato it was decided that we would wait for that flight to see if the bags arrived. After thirty-two hours of travelling the last thing you want to do is hang around an airport for another six

Almaktoom of the United Arab Emirates won his second world cup of the year and again the scores reflected the hardness of the targets. Our double trap shooters did not perform to their usual high standards and were eager to get to Cyprus to get some extra training and regain confidence prior to the Worlds.

The day after the tournament ended we boarded a Cyprus Air flight for the three and a half hour trip from Milpensa direct to Cyprus.

This event had given us the opportunity for the men's teams to get over the jet lag effect of crossing the world and also some valuable competition leading up to the World Championships in the following days.

Simone's Trip to the World Championships in Cyprus

by Simone Tigani

On Monday the 8th of September I left Melbourne Airport to begin my journey to the World Championships held in Cyprus, where I would be competing in 75t ISSF Junior Womens Trap. The journey began with several long plane fights but to my relief, about 33 hours later, we landed in Larnaca, Cyprus.

The heat hit me instantly, as I found myself drinking more than 6litres of water daily.

We had early mornings the next few days, as we were straight into our training. I had two rounds of practice the first day and one round of training on the official practice day. I was fairly consistent with my training rounds, however I knew I needed to improve.

With comforting words from my father, who was back home, and fellow team members, my confidence began to grow and I knew that I could progress.

Another early morning, on the day of the competition, but surprisingly I was very calm and relaxed, thanks to my room mate Emma Eagles.

When I arrived at the Nicosia Gun Club, I prepared myself for my event including receiving a massage from the team masseur, D Roach. I tried to stay relaxed, yet focused on the objective that I set out to achieve. I was focused on my targets and not worrying about what the end result could be. As the conditions were very warm, I had to make sure that I continue to keep myself hydrated. As I prepared myself to shoot my first 25 targets of the trap event, I began to feel anxious. Greg Chan, the Australian Coach, was great as he provided me with some encouragement, moments prior to entering the layout. On the first day of competition, we had to shoot two rounds of 25t trap. Very pleased with myself, I shot two rounds of 22.

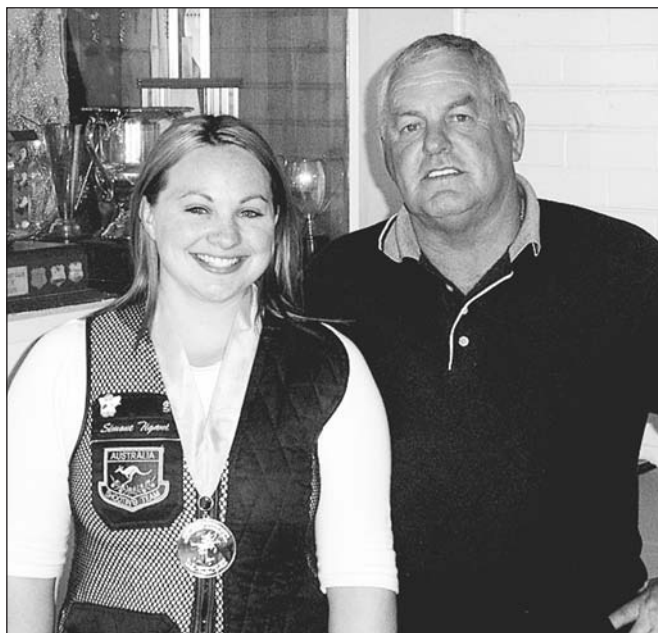

On day two of the competition, we were required to shoot only one round of 25t trap. Feeling anxious again and knowing how hard I worked the day before to shoot, I began to prepare myself. Once again, I received encouragement from Greg Chan and other team members, moments prior to entering the trap layout. I felt relaxed and just tried to stay focused. As I fired my last shot scoring another 22, I felt a sense of relief. I turned around I noticed several team members had been watching me shoot. I was embraced with hugs and kisses for my effort.

Finally the scores for the other junior women were placed on the scoreboard. Extremely pleased with my efforts, I placed second, winning my first international Silver medal at a World Championship.

I would like to thank my parents and family for their encouragement and funding for the trip. Especially Dad, for his support, funding and coaching over the many years of my shooting. Basically, without my father, I would not be shooting.

I'd also like to thank Russell Mark for his coaching and support over the many months. He has provided me with new knowledge of shooting and friendship. To my friends around the clubs, I'd like to thank you for your support and also thank you for believing in me.

I'd also like to give a huge thank you to everyone who sponsored me on my trip to the World Championships in Cyprus. Thanks to: Cliff Milroy, Simon Downie, Metropolitan Clay Target Club, The South East Zone, Pam Cook, Laurie Allum, P.Stowe and of course everyone who purchased raffle tickets off me.

Victor John Bussell (Vic)

The Committee and members of Wangaratta Clay Target Club regret the passing of Vic Bussell. Vic was a member of the Wangaratta Clay Target Club (Wangaratta Gun Club) for 45 years but due to ill health, Vic had been unable to shoot for the last 10 years.

Vic had won many district and state Championships in his shooting career and in 1967 at Euroa Gun Club, Vic and Alf James both broke the Victorian Clay Target record with a score of 348.

Farewell Old Mate.

23rd Australasian Police/Services Clay Target Championships

18-21 September 2003

The 23rd Australasian Police and Services Clay Target Championships were held at the National Shooting grounds, Wagga Wagga between 18-21 September 2003. This is an annual shoot and it was the first time it was held at Wagga Wagga. It was a 400-target event including skeet and trap events.

Over the four days shooters experienced nearly every weather condition, from almost sub zero temperatures with driving winds and rain showers bordering on sleet mixed in with bright sunny patches. With the weather being unkind the standard of shooting suffered on the first couple of days (particularly in the Single Barrel event).

The championships consist of competitions for serving and retired Police from all states and territories of Australia, New Zealand and other Pacific nations. Also serving and past members of Ambulance, Fire Brigades, Corrective Services, Armed Services and Law Enforcement Agencies in these countries.

There is also a Civilian competition run in conjunction with this shoot with identical Sashes, medals and trophies.

Inspector Tom Murphy from the Wagga Wagga Police officially opened the shoot with a short opening address and a shotgun start (100% by Tom, one out of one).

The shoot ran smoothly for four days with Don Power the Shoot

Marshall keeping shooters on the ball. Congratulations Don and all the members of the Wagga Gun Club for their efforts. I would also like to thank the members of the New South Wales Police Clay Target Club for pitching in and helping, particularly Craig Bishop for running the office. Also all the shooters who assisted with refereeing, scoring and loading of traps.

I would like to thank the following sponsors for the excellent trophies, which made this shoot one of the best supported, I have seen for sometime:

Wagga Boat and Sport (50 Target Skeet Handicap) The Bridge Tavern, Wagga Wagga (50 Target Skeet Championship) Winchester (50 Target D/B)

Beretta (50 Target S/B) Express Shells (50 Target P/S) Police Credit Union and Earmold (50 Target HCP) Extec (60 Target C of C) Wheelcoffee, - William Farrer hotel A & L Guns, Elks Hunting and Fishing, Nioa Trading, Power Ammo and Tourism Wagga Wagga.

The 24th Australasian Police/Services Clay Target Championships will be held at Gold Coast Gun Club on 24-27 June 2004. All shooters are welcome, particularly serving and ex-members of Police and Services. See Shoot Results for full details.

2003 WACTA STATE CARNIVAL

The 2003 WACTA State Carnival was held from Saturday 27th - Monday 29th of September, over the long weekend of the Queen's Birthday. The Carnival ran smoothly thanks to the efforts of the organisers and helpers. As in previous years the attendance was good with 99 competitors for the Skeet competition on the Saturday and 135 for the DTL events over Sunday and Monday. The weather on Saturday was perfect with still conditions, clear skies and about 25°, however Sunday and Monday were a different story. Sunday was extremely windy and overcast and Monday was windy, overcast with periods of heavy rain, credit to the competitors who battled the poor conditions.

Murray Alexander again was the Tournament Director and did an excellent job of ensuring that the carnival ran well and that any hiccups were quickly remedied thanks Murray. Shane Williams the WACTA State President was the Shoot Marshall for the weekend. Shane added to the weekend with his special touch of humour.

The final presentations for the weekend were for the High Gun Awards over the weekend.

Elaine presented the Elaine Forward Perpetual Trophy to the Ladies High Gun, the winner was Jenny House with a score of 335/450. Jenny's prize was sponsored by WACTA.

For the 2nd year the Veterans High Gun winner was Tim Catling with a score of 411/450. Winchester sponsored Tim's prize.

The Junior High Gun Winner was Sam West with a score of 412/450. David Fox and Rio Cartridges sponsored Sam's prize.

The Overall winner for the Carnival was Geoff Faulkes with a score of 433/450. This was not a bad effort for someone who had sold his gun and decided to retire from shooting only 2 weeks earlier. Geoff used his old choked skeet gun to shoot the trap - Champion of Champions, DB, SB and borrowed a trap gun from

Rick Vivante for the Pts Score event. I guess that means Geoff is not retiring now and rumour has it that a new gun is on order. Well-done Geoff, persistence paid off. He received cash with a bottle of red wine and chocolates.

The WACTA Sports Star Award, presented annually, was won by Robin Bailey from the West Australian Gun Club. This award was based on performance from 1st October 2002 to 31st August 2003. Congratulations Robin.

As with all competitions there are many helpers and people behind the scenes that makes the event a success and this year was no exception. We cannot forget the handicappers - Tom Vodden, Neil Dowe, Don Forward, Sue Green and Les Hall. We mustn't forget the trappers, scorers, referees, Julia O'Brien, Elaine Forward and Suzanne Faulkes in the Office. The Great Southern Zone moved targets and the South West Zone organised the practice Traps. Bruce Maley was the scoreboard attendant and again left us marvelling at his efficiency and skill, which helped the office staff greatly. Christine Alexander, Debbie and Jed Carter and all other helpers in the

kitchen who worked tirelessly to provide excellent breakfasts, lunches and afternoon teas. To all others who were of assistance over the weekend and the very important competitors, thank you as you are also an integral and vital part of the weekend.

Coleambally Clay Target Club Inc

On Saturday 13th September, a very windy day, competitors from Narrandera, Leeton, Finley and Coleambally came to contest the NSW Firearms Safety Awareness Council 30 target Double Barrel Event.

Side by Side Classic, from left: Daryl Fraser (A Grade), Ian Evans (B Grade), Clint Shields (AA grade) and Gary Wilson (C Grade).

The shoot began with 6 possibles shot. This was a great effort as the wind was sending clays all over the place. The 6 were Clint Shields, Glen Evans, Steven Guest, Scott Shields, Gary Tabain and John Blain. The shoot off began with the numbers soon dropping to two, Clint Shields and Steven Guest, with Steven Guest being the eventual winner with 158/158. Clint finished with a score of 157/158. A Grade was won by Peter Ledwidge 29/30, B Grade Scott Shields 30/30, C Grade Garry Wilson 28/30.

The Coleambally Clay Target Club would like to thank the NSW Firearms Safety Awareness Council for their sponsorship, because without their help small clubs like ours would not be able to survive.

The second event of the day was the 30 target Side by Side Classic sponsored by Gary Tabain. As this was the first time this event was shot the competitors were allowed to have a practice run. Well you should have seen the weapons that were used; some of them should have been in museums. There were Purdey's, Gogswell & Harrison's, Hollaway & Norton, Midland, Arm & Navy, Webley & Scott and Greener. The eventual winner was an Army & Navy used

by Clint Shields with a score of 29/30. A grade was won by Daryl Fraser 27/30, B Grade Ian Evans 28/30, C Grade Garry Wilson 28/30. A big thank you to Garry Tabain for his sponsorship.

Overall High Gun, sponsored by NSW Firearms Safety Awareness Council, was Clint Shields, AA Grade. Barry Wild won the raffle.

President Kevin Shields thanked the sponsor's and all who attended and asked them to stay for a sausage sizzle and wished those travelling a safe trip home.

From all reports that have come in most shooters said that they would be back to try again. They had such a good time using their side by sides they are already asking when the next shoot was going to be.

LIGHTNING RIDGE GUN CLUB INC.

FORCED CANCELLATION OF AUGUST SHOOT

After a glorious day in the Northwest of NSW on Friday 22nd of August (temp around 24°C) a crack of thunder at 3:30am on Saturday morning and the heavens opened and gave our district farmers some much needed follow up rains.

By 09.30am some places had recorded 40mm of rain and the Gun Club was awash as the photo depicts. Secretary Jean's phone ran hot all morning with shooters wanting to know the situation. At

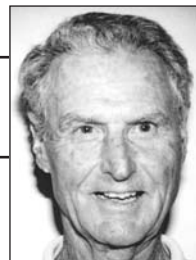

11.30am it was decided to abandon the days competition and schedule another shoot at a later date.

The car parking area was a quagmire and walking was turned into slipping which would have been hazardous to our senior members and not the best when carrying a firearm. A member from Hebel (QLD), Richard Phipps had just had a hip replacement op and this was to be his first shoot after, and had to go home disappointed without firing a shot.

Merry Christmas and Happy New Year To all - Hope you have a good Christmas and are enjoying good shooting, win or no win.

I don't think I have seen our club so well supported by visitors and members who really enjoy their shooting. We have just finished another school class and hope we get a few to stick, as the one who joined the club from last year is now a good shot and is A Grade. Good shooting Glenn. Hope you go to AA soon!

Thanks to the visitors who turned up to our Masters Games shoot. We were expecting more but were happy with the support we got. The distant visitors were Bill McKechnie (Brisbane), Chook Fowles and Steve Steenstrup (I think also Brisbane) and Laney bought Phil out for the day. Very nice of you, Laney. Glad to see you come. Of course we had a few of our regular visitors - Frank, Bill, Garry, Dennis, Ryan, Brian, Ken. Hope I caught up with all - if I missed any, sorry. It was good to see Yvonne and John back at the club

between his globe tripping with the Irish team. Welcome back Yvonne and John.

In the 50 target Points Championship the top shooter was Frank Robinson and with Wilma away Neil Berry was able to put his mind on shooting and blew away the handicap. Good shooting Frank and Neil. Ryan Howie went home before the raffle was drawn so has a shirt to pick up next time. Second in the raffle was Glenn Wyatt. Thanks to John Maxwell for bringing back the shirts from Europe.

The top shooter for the day, being High Gun Overall, was that up and coming shooter John Maxwell. AA Grade Paul Anderson, A Grade Glenn Wyatt, B Grade Kevin Ross and C Grade Mike Stevenson. Junior High Gun went to Glenn Wyatt and Veteran Neil Berry. Thank you all for coming.

I was at the club the other day and there was a couple who said they had been married sixty years. You really have to take your hat off to couples who can boast of sixty years together and still love each other. I have seven years to catch them up. Here's hoping. I find my age is catching up with me and slowing things down. It now takes me two hours to watch Sixty Minutes.

Our Christmas Shoot is December 21st and is a lot of fun starting at 10am.

See you in the New Year. Good shooting to all. Till next time, see you at the shoots.

Whats on the Agenda?

With Mark McInnes

At the National Executive meeting in July 2003 it was decided to establish an ACTA Hall of Fame to preserve and promote the history of our sport and to honour our champions.

It has been decided that the ACTA Hall of Fame will have Trap, Skeet & ISSF sections and that we will commence its operations in April 2004.

It has been agreed in principle that we should construct a ACTA Hall of Fame building on our National grounds to house our memorabilia.

We plan to have our inaugural induction dinner on Thursday 1st April at the Wagga RSL Club. The first inductees for the Trap section of the ACTA Hall of Fame will be:

Fred Burns - Victoria

Newton Thomas - Victoria

Jack Blake - Tasmania

Warren Charlton - NSW

Doug Smith - Queensland

We would like to see as many of our older members as possible at this event to join with Jack, Warren & Doug as well as the families of Fred and Newton in celebrating these awards.

If you require any further information please call me on 0428 922 956 or Cheryl at the ACTA on 02 6931 0122.

I read with both interest and dismay your proposed rule changes in "What's On The Agenda" in the October magazine.

The first impression I get is that your committee are inferring that we are participating in a dangerous sport and that it is, in fact, becoming more dangerous and requires a raft of changes to meet the so called obligations of the various ??? Health and Safety Acts.

I believe and have always believed that our sport is one of the safest and that our records will stand up to any scrutiny.

The basic rules of safety have served us well - far beyond my 20 odd years as a member and I am against change for change's sake.

The proposed rule to make ear and eye protection compulsory for "down the line" shooters and everyone else who sets foot on a shooting area is another "stand over" tactic. Blind Freddy can see that targets being thrown away from shooters pose no risk what so ever, except where clubs shoot out over the ocean where winds can bring targets back. I am sure that these shooters are quite capable of taking care in these conditions where they exist.

Would it be possible for a delegation from the ACTA to front those people who are accusing us of violating Health and Safety regulations and challenge them to prove these allegations?

It would be far better to "clear the air" than to sit back and let us be railroaded by politically motivated anti gun activist groups with an agenda to discredit gun clubs.

I fully endorse Mike Swale's comments in the October issue of CTSN - Well done Mike.

TOWNSVILLE

19th, 20th, & 21st SEPTEMBER 2003

Townsville was the venue for the 2003 Queensland State Skeet Carnival and a total of 56 shooters from 13 Queensland Clubs gathered to contest the titles.

The Townsville grounds were as usual well presented although quite dry with the smoke from nearby bushfires evident.

Laurie Sceresini, open high gun winner.

Friday 19th September saw the inaugural 20 gauge Queensland Skeet Championship contested. 34 shooters took part but only one managed a possible. Laurie Sceresini (Toowoomba) shot the only possible and won the first sash and silver Queensland badge of the weekend.

Kel Madsen (Gold Coast) with 53/54 was first in AA from fellow Gold Coast member Neal Dimmick on 52/54. Neal also took the Veteran section.

The occasional skeet shooter, Ray Collinson (Burdekin) 53/54 won A grade from Vere Storch (Tallawalla) 52/54. Vere also took the Women's section.

Pat Dury (Townsville) 49/50 was first in B Grade from fellow club member, Errol Reeves 47/50.

First in C grade went to Keven Stout (Townsville) 47/54 from

John Brownson (Charters Towers) 46/54.

Richard Brownson (Charters Towers) won the Junior section with a fine 48/50.

Numbers swelled to 43 for the second event of the day, the Queensland Skeet Doubles Championship. The deceptive background and subtle changes in light took their toll of everyone except Laurie Sceresini who won his second sash and silver Queensland badge of the day with a brilliant 50/50.

Neal Dimmick doubled up for first in AA and the veteran's section with 46/50 while Kel Madsen had to settle for second in AA with 43/50.

Ray Collinson 46/50 was again victorious in A grade from Toby Witt (Maroochy) 45/50.

Bevan Reibel (Tallawalla) 45/50 was first in B grade from Errol Reeves 50/56. First in C grade and the Junior section went to Nick Brownson (Charters Towers) 47/52 from Jamie Cameron (Mount Isa) 46/52.

Saturday 20th September saw even more difficult conditions with gusting winds adding to the target flight. 56 shooters lined up to contest the State Skeet Championship.

Laurie Sceresini shot a pair of 49's for a total of 98/100, ensuring yet another trip to the podium to collect his third sash and Queensland silver badge for the weekend.

"Double Dipper" Dimmick won first in AA and the Veteran section with 97/100 from Tony Long (Brisbane) on 95/100.

Rod Nicholson (Brisbane) 97/100 was first in AA, edging out Ray Collinson 96/100.

Pat Dury continued his fine form to win B grade with 97/101 from the B grade perennial bridesmaid Errol Reeves on 96/101.

Vere Storch continued her domination of the Women's section with a fine 95/100.

Following a request from the elder statesman of skeet shooters, the Vice President of the QCTA, Wayne Reeves, looked remarkably dapper in his maroon jacket with clean-shaven visage during the presentations.

The 2003 Queensland Open Skeet Team, consisting of the top 15 shooters from Event 3 was:

L. Sceresini 98/100, R. Nicholson 97/100, N. Dimmick 97/100, P. Dury 96/100, E. Reeves 96/100, R. Collinson 96/100, V. Storch 95/100, N. Sinclair 95/100, B. Linton 95/100, T. Long 95/100, J. The final event was the State Skeet Handicap which was won by Michael Norris (NSW Gun Club) but now a Townsville resident with 81/91 to take home the sash and the silver Queensland badge and a healthy cash bonus. Nick Brownson 82/91 continued his cash collection for second while Pio Bonato (Townsville) 80/89 was third.

After presentations a social evening was held with a delicious roast tea. The next day the weather looked promising, but alas it was not to be! The wind seemed windier and it was colder than the day before. There were 45 shooters competing with keen enthusiasm. The day started with a 10 tgt Cash Divide Eye Opener with 10 shooters all shooting 10/10. The main event of the day was the 50tgt Anniversary Double Barrel Championship. Each grade winner of this event won a \$100 voucher from Fisher Firearms. Second place getters received a \$40 voucher. This was won by Peter Hendy who was the only

one to shoot 50/50 (not only was he not going to shoot this event but he also had some stitches taken out of his back!!). Tony Lock took A grade with 78/79 after a shoot off with Rhys Fischer B grade was won by Ian Dunbar with 49/50 and Peter Hampel 2nd with 44/50. Veteran Jim Ough won C grade with 40/50 and new shooter Mark Batten came 2nd with 38/50. The last event for the day was the 30tgt Candy Canvas Pointscore Championship. There were 6 teams competing. Tony Lock won the High Gun for the day with 137/140, which was fine shooting, given the conditions of the day. High guns over the 2 days were won by Tony Lock Overall & A grade 268/283, earning him a case of Winchester cartridges. AA grade was won by Jim Cornwell 251/265, B grade was won by Laurie Sharam with 232/262, C grade Ron Batson 202/265, they all received a half case of cartridges. Canberra International Clay Target Club

Medley Team Shoot

Canberra International held its second Medley shoot for the year in August on the last day of spring. A forecast of high winds and rain deterred the travellers a little with only thirty two shooters participating. Fortunately the rain held off until after the shoot but the wind at times made the targets difficult.

The Cooma "Mountain Men", Steve McIntyre, Doug Blewitt, Mark

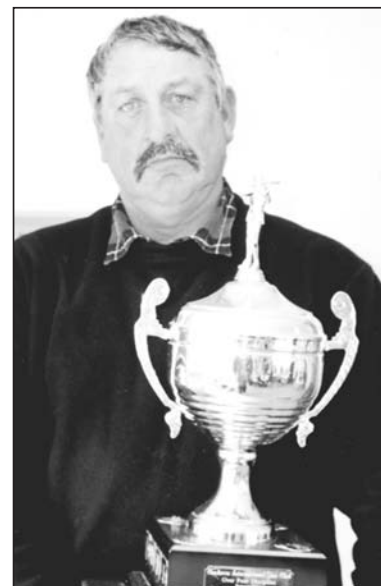

Corbett and Bill Warriner once again showed their all round shooting skill coming first with 342/400.

Second was a local team "Heinz Followers", John Jasnok, Willow Cameron, Nick Haridemos and Hienz Klink with 317/400. High Gun went to Willow Cameron 93/100, which was an exceptional score considering the conditions. Our thanks go to Bevan Brown of Fyshwick Firearms for his generous sponsorship of Winchester Cartridges.

Sunday 12th October 2003 saw six squads of shooters arrive at Echuca Clay Target Club for the monthly competition shoot Frank Bradley included, little knowing that the club committee had a presentation plaque on hand to celebrate Frank achieving 50 years continuous membership.

Mid shoot and all shooters were asked inside the clubhouse to witness the presentation. Club President Ron Traill thanked Frank for such a good effort and commented that target shooting is common in his family with his children also enjoying the sport and wife Heather being a very helpful worker in the ladies kitchen. Ron also thanked Frank for the time he held the position of Secretary Treasurer in the mid 60s. Presentation over and time to continue the competition with Event 1 being a 25 target Ball Trap, Event 2 a 25 target Single Barrel and finally a 25 target Double Barrel.

Psychological Skills for Shooting

by Michael Kruger-Davis

During the NSW State Carnival, I, like a lot of other shooters took the opportunity to browse through the trade tents to look at and even buy something that might help my shooting. Shooting accessories are an essential part of getting in the correct mindset for sport, your favourite hat, glasses, earmuffs or plugs, etc. As I was looking around the Earmold Australia tent I noticed that Ray Mack also sold books. Ray Mack will be well known to most readers as an importer and distributor of quality products and he was only too happy to give me a copy of what he described as a "great book" to review for this article. The book is **Mental Training for the Shotgun Sports** by Michael J. Keynes.

The book which was published 1996 is a collection of articles written for Shotgun Sports Magazine which is an American Publication. The book comprises of 49 articles or chapters and covers an extensive range of topics. Some of these topics are similar to those that I have covered in past articles in the CTSN such as Relaxation, Visualisation, Imagery, fear, Concentration, Goal setting and self worth. These are generic subjects in sports psychology and basic tenets are applicable to most sports and especially clay target shooting.

There are however a couple of features of the book that are worthwhile noting as very good for the Australian shooter, especially the Australian shooter who plans to travel to the USA to compete. Firstly, this book gives a good overview of shooting in the States and describes some things that would be foreign to non-American competitors. Secondly, there are articles on subjects that are often missed in sport psychology texts and things that we miss in Australia because the depth and breadth of our competition is not as great as that in USA. Some of the more interesting chapters from my point of view were chapters on developing a training plan, time management, keeping a shooting diary. Thirdly there are articles that go beyond shooting and look at aspects that are important for all sport but are usually ignored; nutrition and fitness.

Over the next couple of months I'll examine the book more fully but for now I want to explore the article of nutrition because it's something that I'm often asked about and not being an expert in this field I take what the good Dr Michael Keynes suggests as sound information for the time being. In the chapter Eating to win Keynes looks at the subject of nutrition and the relationship between performance and nutrition, citing his research from the US Department of Defence.

Keynes looks at basic nutrition and the ideal foods. Without going into complex medical reasons, Keynes looks at basic nutrition as getting energy from the foods we eat. He examines carbohydrates because their primary use is to give the body energy; simple carbohydrates are called sugars (glucose) and complex carbohydrates (starches) are linked together, simple carbohydrates are such things as breads and pasta. Sugars, in the form of soft drinks, lollies, chocolates, etc do not need to be broken down by the body so can be readily absorbed into the blood stream. This has the effect of raising our blood sugar level and giving us a high. The problem is that the effects of this high are short lived and we can become tired as the sugar is used up and we crave more; this has a yo-yo effect on our blood sugar levels. Sugars in the forms of starches are not rapidly absorbed but have to be broken down instead and will provide us with a slower release of energy over a longer period of time and does not

have the yo-yo effect on our blood sugar levels. Keynes also talks about the use of high carbohydrate meals as a way of promoting relaxation. This effect, called post-prandial dip, is often used by sports people some hours before their match as it allows them to relax as the food is being processed but gives them the energy they need hours later when competing. Finally Keynes talks about how we can use nutrition to reduce the effects of jet lag called the Argonne Diet. High carbohydrate meals promote relaxation while high protein meals are stimulating. If you are travelling east you should eat lightly the day before you travel and then eat a high carbohydrate meal for dinner on departure. This will help you sleep on the plane. Near arrival you should eat a high protein meal that will stimulate you and keep you awake during the day. I would like to again thank Ray Mack of Earmold Australia for donating the book, Ray's ad often appears in the CTSN if readers are interested. I would like give one reader the opportunity to win this book. If you would like to go into the draw for the book write to me, Michael Kruger-Davis, PO Box 576 Narrandera, 2700 before 15th January, 2004 and put your name, address and "book prize" on the back of the envelope. I will send the book to the first name drawn out.

Tumut Clay Target Club

On 11 & 12 October, Tumut Clay Target Club conducted their annual two day shoot. Sunny warm weather prevailed throughout which saw sixty shooters contest events 1 & 2 on Saturday. After a shoot off, President Grant Thatcher came away with the sash in the Bournes\ Mitre 10 Double Barrel Championship.

Rodney Wright (June), overall winner Stumpe Lowery points score championship with president Grant Thatcher (Tumut), overall winner Bournes/Mitre 10 double barrel championship.

Rodney Wright of June collected honours after another shoot off in the Stumpe Lowery Pointscore Championship. Approximately 70 shooters, friends & family members enjoyed the Social evening & Calcutta at the Tumut Bowling Club (Major Sponsor).

More sunshine Sunday morning & an early start was made with the Premier event, & 66 shooters lined up for the Tumut Bowling Club Double Barrel Championship. 6 possibles were recorded & after a fairly lengthy shoot off, Glenn Sinclair of Cowra was

victorious with his fellow club member, Tony O'Leary runner-up. A grade winner, A.C.T.A. Executive Director, Andy Sanders, got the sash & overall goodies in the Logmax Australia Single Barrel Championship. Very few possibles were shot despite the perfect weather & good targets being thrown. Paul Turner of Cessnock shot well all weekend but missed out on top honours in the first four events, however he shot the only 25\25 in the Castrol Australia Handicap & top scored for the Overall High Gun as well (236/240). Shooters attended from Wagga, Cowra, Gunning\Dalton, Majura. The Ladies from Batlow Brownies catered for the needs of all in the canteen & a wonderful job they did. With kind assistance from Andy & Don, Margaret & Max handled the office duties magnificently considering the fact that this was their first two day & that they are so new to the duties of secretary & treasurer. Much appreciated where their efforts. Special mention for two trapper boys who performed flawlessly. Thanks to the members who had the grounds looking wonderful & the equipment working up to scratch & all who helped make the weekend so enjoyable & successful. It is hoped that everybody enjoyed & will return for 2004. Thank you for your company visitors & a very special thanks to all Sponsors. See results column for full results.

MAJOR HANDICAP SHOT AT ECHUCA

Echuca Clay Target Club hosted a Major Handicap event midweek in September. It was Wednesday the 24th of September and five squads arrived at Echuca to contest for the cash and trophies on offer for the three events to be shot on the day. Echuca has been very active in promoting handicap shooting as a popular discipline offering as large as possible cash returns to the shooters that numbers will allow. Unfortunately wild blustery winds with a fair amount of cloud cover kept numbers down, although shooters did come from a wide area. Midweek shoots do test a lot of shooters

pleasure to see the Handicap won by a junior shooter from Shepparton. Results for the day were as follows.

Event one a 20 target points score, Overall and AA with the only possible was G Fletcher (Bendigo) 60/60, A grade S Collins (Hamilton) 59/60, B grade E Haidy (Hay) 57/60 and C grade B McCraw (Cohuna) 50/60. Overall collected a sash and all winners picking up cartridges as trophies.

Event two the 30 target Handicap and after a short shoot off Master Alex Gobbo on a score of 38/39 picked up the overall sash and a nice \$150-00 in cash. 2nd place went to Gordon Fletcher with a 37/39 score taking home \$ 75-00, 3rd place Steve Landsborough of Bendigo on 38/40 picking up \$40-00, and 4th to local shooter Craig Cameron collecting \$25-00 for his endeavour.

Event three a 20 target double barrel and there were six possibles to shoot it out for Overall, after 44 more targets shot we had a winner in local Craig Fitzgerald on 64/64 taking out Overall and AA grade, only one target down taking A Grade was another local, promising lady shooter Melitta Northausen with a 63/64 score. B grade won by Alex Gobbo continuing his good day with a score of 23/24, C grade was Craig Cameron also having a good day winning his shoot off on 29/30. Again the trophies were cartridges which seemed to be very popular with shooters.

Presentations over the shoot finished at 3-45pm allowing travellers' ample time.

ability to attend, and the club may have to re-think on continuing on these days. Posted as an 11 o'clock start, committee organisation was excellent and the shoot started near enough to time, ensuring an early finish for travellers.

With targets being moved around sharply in the wind possibles were not too common but a few shooters showed the way. It was a

Maryborough Queensland Coaches Students

For the second year Maryborough State High School Grade 10 students chose clay target shooting as their external sports activity for the winter/spring term, encouraged by teacher and club member, John Poulter. Maryborough Clay Target Club members were happy to provide the facilities, equipment, coaching and manpower.

Twenty-two enthusiastic youngsters took part in the ten week course on Thursday afternoons. With only a little over an hour each week it required careful organisation to make sure every minute counted. The first week was devoted to lectures on safety and firearm familiarisation, with just enough time to give each student a shot. The need for correct footwear, eye and hearing protection was stressed.

Time only permitted ten targets per student and in the following weeks they progressed according to ability, from straight-away targets on lane 3, to straight-away targets from lanes 2 and 4, then across the lanes and finally oscillating targets. During the early weeks the voice releases were not used to enable conversation between student and coach. The students did not carry ammunition and each coach handed a shell to his student when it was his turn to shoot. Each week the students were re-graded and re-squadded and particular attention given to those who were having problems.

On the last day on September 18th parents and families were invited for the final competition. The deputy headmaster attended to present certificates of appreciation from the school to the club members who had given their time. The club provided a trophy for the highest score over the course, and first, second and third in the competition. The students who completed the course also received a certificate to say they had completed an introductory course in firearm safety and clay target shooting.

The 10 target event was shot in squad formation across the lanes, using the CVRs. The clear winner with 7/10 was Noel Thompson, with a shoot-off for 2nd and 3rd between Nat Martin, Carl Gianarakis and Edwin Paulin, all on 6/10. The youngsters kept their composure in the excitement of the shoot-off with Edwin Paulin gaining 2nd place and Nat Martin 3rd. The winner of the course High Gun was Matt Lofts.

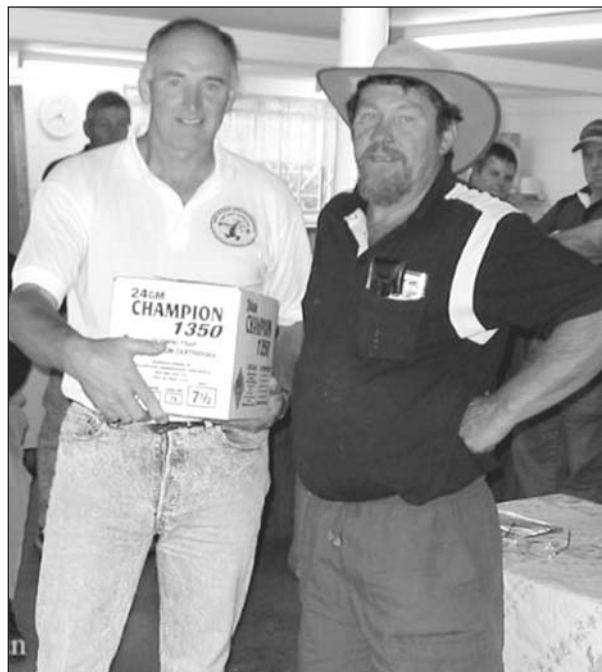

Club members were impressed with the good manners and co-operative attitude of the students and hope to see some of them back at the club one day. Last year the club gained a junior member, Glenn Wyatt, who rapidly shot his way to AA Grade and is presently a member of the Queensland Junior Team. New junior members will not be gained each year, but anything we can do to familiarise people with our sport is well worth the time and effort, particularly in the case of juniors who are the future of clay target shooting.

Club management is grateful to the members who gave their time to coach the students.

GOLD CITY SHOOT

The Gold City annual shoot at Gympie on 12/10/2003. John Maxwell put on a fine display of DTL Trap shooting taking out the Overall High gun with a perfect score of 160/160.

Tennant Creek Annual 2 Day Shoot

The clubhouse was done up to the nine's thanks to Palms displayed by No Worries Nursery. Friday night was a hot, wet and humid night, despite the weather we still had 15 shooters turn up for practice. Saturday morning shooters started arriving from everywhere. We had representatives from Darwin, Top End, Alice Springs, Tennant Creek, Katherine, Cloncurry, Karumba and Victoria to arrive at a total of 41 shooters. The first event TC Auto Spares/Centre Service Station 25 Target Double Barrel was called at 9.00 to start an exciting competition. Shooters didn't let us down, with the first event going to a 105 target shoot off from an initial 25 target Double Barrel event. The event was eventually won by Bill Harris from Alice Springs with a score of 130/130.

The second event of the day Total Sports 'N' Fitness 30 Target Mix - first ten targets Double Barrel, second ten targets Single Barrel and third ten targets Point Score (if you hit target with first barrel you score 3 points with your second barrel 2 points). Overall winner was P O'Grady from Darwin with a perfect score of 50/50.

Barkly Hardware & Gas/T&J Mobile Mechanical Repairs 25 target Continental was the third event for the day and shooting continued to be very impressive and high scores shot. A Brown from Darwin won in a shoot off with Tarmo Koivumaki with a score of 29/29.

Tarmo won A Grade with a score of 28/29.

Our major sponsor Dexter Barnes Electrical was given event four 25 target Single Barrel. Great to see shooting standards continued throughout the day. R Cusack from Cloncurry took out the event with a perfect score of 25/25. B Harker and J Malloy were in a shoot off for first in AA - Barry lost the shoot off but came second in AA. It was great to see a Junior take out C Grade - 11 year old Tom Evans from Alice Springs with a fantastic score of 21/25 leaving a few of the other grade shooters a little embarrassed - well done Tom.

The dinner Saturday night was enjoyed by shooters and sponsors - great to see the sponsors out there supporting their events.

Sunday morning started with the Team from Cloncurry taking out

Bill Harris receiving his Award.

Barry Harker - AA, Tarmo Koivumaki - A, Greg Allen & Baden Lloyd - B and Rachel Cramp - C Grade.

Overall winner for this event was S Morris from Alice Springs in a shoot off with G Allen and D Grant with a blitzing score of 28/28. Greg took out the B Grade prize with a score of 27/28.

Major Sponsor Barkly Crane Hire held the 25 target Handicap Event. This event was shot from a minimum of 15 metres and maximum of 25 metres. K Shaw was standing at 18 metres and took out the event. J Niland was standing at 17 metres for second and S Morris was standing at 21 metres for third.

High guns for the weekend were taken out by R Cusack, Cloncurry - Overall High Gun with a score of 165/175, S Morris, Alice Springs - AA Grade, 163/175, K Shaw, Victoria - B Grade, 161/175, R Schoenauner, Darwin - C Grade, 144/175 and T Laker, Darwin - Ladies, 156/175. For A Grade High Gun there was a fight right to the end. A shoot off was held between B Harris, Alice Springs, D Searl, Darwin and our very own T Koivumaki. B Harris came out overall victor with a final score of 193/205. To T Koivumaki and D Searl no need to worry about B Harris next year as he moved up to AA (so long as you don't move up a grade).

We would like to thank the very generous local sponsors for supporting this 2 Day Event - they were: Dexter Barnes Electrical, Barkly Crane Hire, Peter Kittle Motor Company, Total Sports 'N' Fitness, Centre Serv Station, TC Auto Spares, Barkly Hardware & Gas, T & J Mobile Mechanical Repairs, Barkly Agencies and Bridgestone. Also we would like to thank other businesses that have helped in providing services for the weekend, Barkly Plumbing for the water and the stove, Tennant Creek Town Council for slashing the grass, No Worries Nursery for the Palms and Lavery Plumbing for the spit. A very big thank you to the Trapper Boys who ensured there were always Clays there to be shot.

A great weekend was had by all and the Tennant Creek Gun Club would like to thank everyone for their support over the weekend and hope to see you all again next year!!

CLAY TARGET SHOOTING COACHING CLINIC

WARWICK 11/10/03

Warwick Clay Target Club was the setting for the Coaching Clinic set down for the 11/10/03. The day was organised by Warwick Club, the South East Zone and the Queensland Clay Target Association with help from funding provide by Sport & Recreation Queensland.

Warwick grounds' looked a picture with the new tiered layouts and wheelchair access tracks showing just how much work has been done at the club in recent times.

Twenty-six shooters attended. They included Juniors (6), veterans (3), and shooters from all grades including AA.

Coaches included the State Coaching Coordinator (Colin Witt), the Zone Coach (Neal Dimmick - Level 2), John Mack, Tony Edgar, Dennis Harwood, Jim Edmonds (all Level 1). All except two of the coaches came from the Gold Coast Club.

The principal speaker for the day was Michael Lloyd (Sports Psychologist) who spoke on Visualisation and other techniques to help the mental side of the sport. This section of the program attracted great interest, particularly from the higher-grade shooters and the question time was extended to accommodate this interest.

Other speakers discussed topics such as the need for consistency in all aspects of shooting if improvement was to result.

The lectures covered approximately 30 percent of the program with the remainder of the time spent on the shooting tracks in one on one coaching of individual shooters.

Video analysis was used to show a shooters style and he was then asked to comment on his own style and any shortcomings he could

Robin Loy (President Warwick Club) with Dennis Harwood (QCTA President), Warwick Juniors and Coaching staff.

identify before the coach commented and advised any style changes.

The extended program went for a full 8 hours including a short lunch break.

At the end of the day all shooters had demonstrated improved scores on the shooting tracks and all agreed that the day had been a success.

The QCTA wishes to express its appreciation to the Warwick Clay Target Club, the visiting coaches, and Sport & Recreation Queensland for their input into a successful event.
