National President's Notes

Bill Jones

Financial support New South Wales Clay Target Association

I am pleased to report correspondence for the NSWCTA noting a decision recently taken.

The New South Wales Clay Target Association will purchase and donate to the ACTA National Ground yet another Gemini Trap. This follows the decision by the VCTA and Wagga Club to do likewise.

The ACTA Grounds Committee are grateful for this support in their endeavour to construct a premier shooting facility.

Australian Shooting Association

Constitutional reform for the ASA continues to cause problems. Mr Peter Sharpe Sports Consultant with the Australian Sports Commission has now requested input from the various sports shooting affiliations. Our association is seeking a face to face meeting with Mr Sharpe to explain our position.

The team for the Sydney World Cup was made up of the Olympic nominees, Olympic reserves, development squad members and Juniors where applicable.

Having just completed the Olympic selection trials on the same

range in January and February, returning for a third time in seven weeks was always going to be a difficult task for the team. The selection events were such a mentally draining affair that having a major event so soon after would prove to be a real challenge. There were many new faces in this team due to the ASA policy of bleeding newer shooters in the Olympic year and giving the new look development squad and some juniors the opportunity to gain invaluable international experience and exposure to World Cup pressure.

The first event was the men's trap and the added pressure of the media covering the Nathan Cassells / Michael Diamond shoot off took its toll on the shooters.

MEN'S TRAP

1. Tuzan TUR 120 + 24 = 144

Michael and Nathan tied for ninth place so their battle for the second Olympic spot will continue to the Cairo and Athens World Cups in April. Adam had two sub standard rounds that cost him dearly but he will bounce back better than ever.

Stacey Roiall – winner of the Women's Trap.

What a great effort from Stacey, first world cup and a gold medal! Her 70 in qualifying put her one target ahead going into the final, but it was her 24 in the final under extremely adverse conditions that saw her win by four targets and stamp her as one to watch in the future. It was Stacey's potential and her commitment to a training and competition schedule that lead to her inclusion in the Development squad and gave her this opportunity to compete here. She has a bright future if she can maintain focus and commitment.

The bad news in this event was the withdrawal of Suzy Balogh from the competition as she was warming up for the first round. She damaged a disc in her back, but is undergoing treatment at the AIS in Canberra and should be back in full training in a few weeks.

MEN'S DOUBLE TRAP

1. Rathore IND 141 + 46 = 187
2. Di Spigno ITA 136 + 43 = 179

14. Mark AUS 128 (45, 41, 42)
- MQS Trembath C. AUS 132 (46, 44, 42)
- MQS Barry D. AUS 117 (36, 42, 39)

Men's Double Trap: 1st Rathore – India, 2nd Di Spigno – Italy, 3rd Steve Haberman – Australia

A good result for us to have two shooters in the final. Tom making his first double trap final and Steve finished with the bronze medal. Steve was pretty disappointed with his final and rued an opportunity lost to snatch the silver and qualify higher for the world cup final later in the year. A solid start to their preparation for our two Olympic double trap shooters. Also a good effort from development squad member Craig Trembath whose 132 would have put him into a shoot off for the final, in his first ever world cup.

WOMEN'S DOUBLE TRAP

1. Antikainen FIN 102 + 31 = 133 + 2
2. Trindall S. AUS 99 + 34 = 133 + 1 (33, 30, 36)
3. Inoue JPN 101 + 30 = 131
4. Ding CHN 101 + 29 = 130
5. Innocenti ITA 99 + 30 = 129
6. Swanton RSA 97 + 27 = 124
14. Shale AUS 92 (30, 33, 29)
15. Balogh AUS 90 (30, 30, 30)
- MQS Psarakis S. AUS 94 (30, 33, 31)
- MQS Tigani S. AUS 74 (25, 23, 26)

One ordinary round prevented Susie from winning this event, though she did extremely well to recover and make the final, then shoot by far the best in the final to shoot off for the gold medal. Her preparation for the Olympics is also on track and should see her very competitive in August.

**Women's Double Trap: 1st Antikanien – Finland,
2nd Susie Trindall – Australia, 3rd Inoue – Spain.**

The skeet scores were very high as we have come to expect these days and George and Clive showed how competitive they are and ended up in a 6-way shoot off for the last spot in the final. As luck would have it they ended up the last two standing and went head to head with the younger Barton prevailing. The Development squad's Webly Hirt also showed he has the potential to go on to bigger things with an encouraging 119 in his first open world cup.

Lauryn shot well in the shoot off after the final to move up from sixth to fourth place. Her mental game has improved since her silver at the world cup final last year and come August should be ready to give her best for her adopted country.

This world cup saw Australians in the final in five of the six events. This shows the depth in our shooting ranks is increasing, as it did not include men's trap, which is traditionally our strongest event. The opportunity for some newer shooters to gain experience was invaluable and will stand them in good stead when they get the chance again.

We should have three or possibly four shooters qualify for the world cup final from this event and are on track to have a record number of qualifiers.

The Olympic Team has a hectic training and competition schedule between now and August and I am sure all Australians wish them well in their quest for Olympic medals.

The Editor,

I was surprised to read the comment of John Singleton in the March 2004 Shooting News, so I dug out my February issue to have another look at the page 30 picture. This looks like a scene you could see at any DTL shoot anywhere in the world.

The shooter in question would be standing on lane 1, even though the picture doesn't include her feet. There are shooters standing on lanes 2, 3 and 4, with two people standing on lane 5 and another person standing between lanes 4 and 5. The gent in the white shirt and dark trousers is some distance beyond the trap layout in the picture. It is difficult to see from a low perspective but I'll bet pounds to peanuts that everyone is on or behind the metreage of the shooter on lane 1. You would need an aerial photo to see if anyone was in front of another.

ALL NSW CLAY TARGET SHOOTERS

AN IMPORTANT MESSAGE FROM NSWCTA & NSW FIREARMS REGISTRY

Please take a look at your firearms licence

Does your licence have SPORT/TARGET SHOOTING (T/S) OR CLAY TARGET SHOOTING (C/T) as a genuine reason on your licence?

Genuine reasons are shown on the rear of the licence. For licences with the word "multiple" written on front only, licence holders should peruse their paper copy of licence 'conditions and authority' or contact the Firearms Registry to check.

IF YOU DON'T HAVE T/S OR C/T ON YOUR LICENCE IT'S AS EASY AS 1-2-3 TO ADD

1. Ring the Firearms Registry on 1300 362 562 and dial Option 1.
2. Relevant paperwork will be provided to you, please complete and attach evidence of your current club membership and return to the Firearms Registry.
3. You will then receive a photo-licence advice to attend a RTA Office, pay the fee of \$40 and receive your replacement photo licence.

If a club member is shooting at an approved range without either sport/target shooting or clay target shooting genuine reasons (eg. Primary Producer only), they may be convicted under Section 7 (2) (a) of Firearms Act 1996 and revocation of your firearms licence for a period of 10 years applies. We want to avoid this at all costs!

Members who do not have sport/target shooting or clay target shooting as a genuine reason are not authorised to shoot in approved NSW Clay Target Club events.

By not being licenced correctly & shooting at a Club you also put the club approval and/or the range approval at risk.

The Clubs Unit of the NSW Firearms Registry has and is continuing to conduct random audits to validate member's genuine reasons for holding a firearms licence.

It is the individual shooters responsibility to ensure they are licenced correctly, to help you get it right, please call the Firearms Registry 1300 362 562 and dial Option 1, NSW Clay Target Association 02 69319980 or contact your Club.

2004 Q. C. T. A. Central Zone Trap Carnival

Barcaldine 28th & 29th February

Barcaldine Clay Target Club hosted the Annual Central Zone Trap Carnival on the fourth weekend in February. This year's turn out was a great improvement on last year, with the weather being a little more "traveller friendly". 14 Central Zone clubs were represented, and visitors from 5 other Queensland clubs helped to bring the total number of shooters up to 66.

Whilst the weather was warm there was plenty of refreshments available, provided by the host club's hard-working members, and the Committee of the local kindergarten. The shoot ran smoothly, thanks to all of the willing helpers and the co-operation of the shooters. There were some very impressive scores posted throughout the programme. Congratulations to all of the winners, and the Zone Teams. We were able to have a Ladies Team this year, as well as the Open Team. We wish our representatives the best of luck at the State Trap Carnival in Townsville in May.

Right: Overall Highgun Winner Bruce Powell, Springsure.

President of the Host Club, Barcaldine*

Echuca Clay Target Shoot

February 29

Four full squads arrived at Echuca Clay Target Club for this February 29 Leap Year Shoot, the main events being a 75 target Olympic Trap, followed by 50 target skeet.

Weather was fine and 28 but a fairly brisk south wind gave shooters some wild targets to aim at, especially any high birds. With three rounds of 25 targets to shoot in the trench, shooters and trappers were kept busy, but everything ran smooth and the final result was achieved without a shoot-off.

Overall and C Grade was taken out by local shooter Ian Phillips on a very good score of 64/75, A Grade another Echuca member Craig Fitzgerald on 62/75, and B Grade Club President Ron Traill with a 58/75.

Event Two was 50 target Skeet shot over two layouts. After a very short shoot-off Overall and A Grade was taken out by Craig Scott with a 54/58, B Grade 1st on a score of 45/50 was Andrew Jacotine, and C Grade 1st Ron Traill with a score of 46/50.

Event Three was a 20 Target Pointscore, and even with 4 grades on offer the event was decided without the need for a shoot-off. Shooting the only possible Leigh Fitzgerald on 60/60 took out AA Grade, A Grade 1st Peter Gobbo on 58/60, B Grade 1st Greg Norris 56/60, C Grade 1st Alain Gobbo 52/60

Although there were numerous visiting shooters almost all placings were collected by Echuca registered shooters making the club very proud of its member's abilities.

Shooting ended at 7pm and all who attended said they had enjoyed this once in four Year competition.

Murray Roberts.

Ian Phillips – Overall winner, 75 target Olympic Trap event.

Mathoura – February Night Shoot

A perfect night for competition clay target shooting with the temperature on 22 and no wind at all, with shooters arriving to see what scores they can achieve out of the 3 Events on offer for the evenings competition.

Shooters arrived from Coleambally, Melbourne, Echuca, Moama and local, although local shooters were down in numbers as the Mathoura Fishing Classic was on for the weekend, and with the big prizes on offer they decided fishing was the thing.

Event One was a ten target Double Barrel and five shooters managed to shoot all ten. P Ledwidge, G Bradley, P Kerr, M Roberts, and R Nisbet all on 10/10 sharing the CD

Event Two, A 25 Target Victorian North

East Zone Night Points Score, and at the end of the event all placings were sorted without a shoot-off needed. Overall and A Grade on a score of 74/75 was Murray Roberts, taking the Sash and Trophies, B Grade first was Trevor Berryman on 68/75, C Grade Eric Lucic on 42/75

Event Three, a 15 Target Single Barrel and shoot-offs were needed for all 3 placings. Final results were, First Ben Kerslake on a 17/18, Second Place Rob Nisbet on 16/18, and Third, Trevor Berryman with a score of 18/20.

A very enjoyable evening was had by all, and because numbers were down on usual attendance, an early end to the shoot allowing for an easy drive home for everyone.

Overall Pointscore winner, Murray Roberts.

South East Zone Vic Premier Teams Event ROUND ONE 2004

On the 21st of February under an overcast sky with the rain threatening all day but thankfully not arriving, the first round of this years S.E. Zone Premier Teams event got under way at Morwell, with 95 shooters in attendance.

The targets must have been pretty good, as there were 12 possibles in the Handicap and 36 possibles in the Double Barrel. The Handicap was the first event and was won by Wayne Parks

Stacey Elsley Ladies High Gun and Ben Elsley C Grade High Gun.

Wayne Parks – Handicap winner.

Neil Rundle – Double Barrel winner.

52/52 from Peter Mills 51/52 and Ron Williams 40/41. Steve Parks took out the Back Marker with 39/40 and Ben Elsley the Junior Front Marker 23/25.

The Double Barrel was won AA and O/A by Lynn Curtis 186/186 from Steve Russel 185/185, who had shot to that point before he had to leave for work. Lynn had to shoot a couple by him self to pass the 185 mark and take overall. A grade went to Adrian Calvi 149/150 and Geoff Monson 142/143. B grade to Ken Shaw 92/93 and Brian Barlow 69/70. C grade to Ben Elsley 24/25 and Chris Findlay 35/37.

The closing light had been a factor in the reduction of numbers in the Double Barrel shoot off and now with a squad of High Gun possible 50/50's ready to shoot, there was less light. With some very good shooting in the end it was Peter Mills and Neil Rundle doing battle in the after, sun set light, with Neil winning, taking his score to 110/110.

The Ladies H/G went to Stacey Elsley 46/50. Junior A grade H/G Todd Malone 78/82. B grade H/G Matt Stokes 49/50. C grade H/G Ben Elsley 47/50

The winning Team was Cerberus 1. 242/250 (C. Carrol, J. Rowe, P. Mills, A. Crawford, & L. Howell) from Cerberus 2. 241/250 and third was Nepean 240/250. Eighteen points are all that separates first and last.

The Junior team was Morwell 91/100 (Matt Stokes & Brooke McMillan)

Three targets are all that separates the junior teams.

A well-run, very busy day.

Cerberus Team – C. Carrol, J. Rowe, P. Mills, A. Crawford and L. Howell.

S.A.C.T.A. 2004 DTL STATE CARNIVAL

This year's carnival was held over the 3 day period from Friday 30th January through to Sunday, 1st February. Weather over the carnival was pretty consistent in the fact that it was fine, cool and overcast with a stiff breeze. Resident club International, had the grounds at the State Shooting Park in tip-top condition for the carnival.

Shooters numbers were up on those of previous years for the Friday competition and it looked as though we were in for a hectic weekend. Twenty five shooters had come from interstate and competition began with the 50 target STATE HANDICAP. Ray Mack took first place by shooting a 53/54. Vince Bone came second with 52/54, third place went to Gavin Height on 51/53, fourth place went to Glen Hayden on 51/53 and fifth placing went to Robert Clark on 50/53.

The Women's trophy went to Lisa Hawker on 48/50, the Veteran trophy was won by Spiros Halikiopoulos 49/51 and the Junior trophy went to Matthew Hawker 49/50. Held in conjunction with the event is the Club Team of the Year (the winning Club taking the carved map of Australia back home to their club). As keeper of the team scores as they came in I was very hopeful that my home club (Monarto-Alexandra) would take the trophy. We had been leading all of the way out of the 9 club's contesting this trophy, and when the final squad scores came in I was saddened to see that Bordertown came out on top - winning by just 1 target. Maybe next year!

The RAY AND PAT MACK TROPHY (a mixed target event for those having won a STATE championship in the past 12 months) was then shot for. This year the winner of this prestigious award was Don Beelitz with a score of 37/40. The beautiful trophy was much admired in the Club house prior to the event - thanks to Pat Mack for bringing it back from the United States all in one piece.

Presentation time was followed by the State Association's free barbecue tea. The usual barbecue fare, together with salads, and the glasses of red/white wine was enjoyed by many. Thanks to all those involved in the preparing and cooking of this feast and thanks also to the wine donors - your efforts were much appreciated by all those who stayed and enjoyed themselves.

To the happy band of revellers who camped on the grounds - it was a fun night out !! The still night air was later broken only by the sounds of gentle snoring from those who had talked late into the night. Keep me a place for next year.

Sunday dawned, crisp and clear, and following a breakfast of cereal, juice, bacon, eggs, toast and coffee by most of those in the camp, everyone was ready for this last day of competition.

First up was event 6, the 50 target STATE SINGLE BARREL CHAMPIONSHIP (sponsored by Beretta Australia and George Kontopoulos). Gary Hayden won Overall and AA grade with his score of 60/61 over Robert (Bob) Andrews on 58/60. Steve Edmonds shooting a 59/61 won A grade over Don Beelitz on 51/54. B grade saw Lynn Beelitz take the honours with a 51/55 over John Pope on 50/55. C grade was won by Alexander Dunn on 45/50 over John Ellis on 43/52. The Women's trophy went to Brooke Miller who shot 45/50, the Veteran trophy went to Spiros Halikiopoulos on 49/53 and the Junior trophy was won by Dallas Aunger on 52/57.

At this point in time the office work becomes chaotic. The top 15 Open shooters scores must be tallied, the top 6 Women, the top 6 Juniors and the top 6 Veterans. Meanwhile the State Handicapper has all the while been keeping up with scores in shoot cards - shoot offs etc having to be entered so that everyone shoots in their rightful grade. Progressive scores are kept throughout the carnival on the top shooters and this has to be updated as each new score comes in - it is not an easy task and I say, "Hats off to those working at these jobs"!

Then came the all important 50 target CARNIVAL POINTSCORE (sponsored by Fisher Firearms). Here the first 25 targets are counted for the Women, Junior and Veteran postal team scores, for the Open, it is the full 50 targets. Overall and AA grade went to Wayne Hawker who shot 161/165. Second in AA grade went to Max Medhurst on 160/165. Don Beelitz on 148/150 took out A grade over Allan Jones on 145/150. Scott Sparron 154/163 won B grade over Peter Hampel on

Open Shoulder to Shoulder Team – Peter Fabris, Steve Thompson, Craig Bentley, Andrew Mules and Max Medhurst.

Open Zone Team – Winners, Central Zone.
Robert Clark, Andrew Mules, Kelvyn Prescott, Dennis Halikiopoulos and Peter Hendy.

**State Pointsore winner,

Thanks to the State Association for the barbecue and provision of free caps to all those who shot the full competition, thanks to the trophy donors and to all those who helped in anyway to make the carnival a success. Thanks to Bob and Linda Andrews for again providing the State Silver badges. Many thanks to Ray and Pat Mack for again taking charge of the raffles drawn each afternoon - once again an outstanding effort. Thanks to all those who have generously donated goods to those raffles - too many to print but you know who you are. Thanks to those working behind the scenes, trappers, cooks, canteen workers, groundsmen, etc. etc. Thanks to those State Councillors seen helping to keep the carnival running smoothly and thanks to the shooters for joining in the competition. Last but not least, a big thank you to my fellow workers in the office, John Hamer who does an outstanding job as State secretary/treasurer and to Barry Poble, State handicapper - a job well done boys! I just have fun catching up with everyone.

MONARTO-ALEXANDRA CLAY TARGET CLUB

50TH ANNIVERSARY SHOOT

16th November 2003

Even though it has been some years now since the clubs of Monarto and Alexandra merged, the club has still tried to uphold the old Alexandra's traditional birthday shoot and this was no exception - in fact this was their 50th so it was something very special.

The Alexandra Gun Club had their inaugural shoot way back in 1953 under the guidance of Jack Woodrow. Ian Campbell (Jack Woodrow's great nephew) was a manufacturing jeweller at that time and he made the now famous Woodrow Shield which is one of the oldest continuously shot for shields in this State's competition. This was just one of the three shields being shot for on the 50th Anniversary shoot.

Many of the old members and friends of the old Alexandra Club helped on this occasion not only in the way of sponsorship for

trophies, but some of them like Ian Campbell, Jim Forbes, Dick Ayres and Don Schultz were actual competitors at that inaugural shoot. Their attendance here some 50 years later was a testament of their belief in the old club.

54 shooters contested the programme which was held under windy but fine and cool conditions. Many old friends came to partake in the festivities and created a party atmosphere in the clubrooms.

The first event on the programme was for the 25 target BILL QUINN SKEET TEAM SHIELD. Overall was taken out by Colin Jacobs (S.A.G.C.) who shot a 38/39. AA grade went to John Pope 33/37 with Lynton Schubert taking second place on 32/37. A grade was won by Robert Maywald 33/34 over Ray Kimber on 27/29. B grade went to Peter Hendy on 36/37 over Peter Kay on 30/33 and C grade was taken out by Phil Johncock on 22/25 over Lynn Beelitz on 28/33. Veteran trophy went to Ray Kimber

The Shield went to the 3-man team put up by S.A.G.C. with shooters Ray Kimber, Peter Quire and Colin Jacobs - their score was 71/75.

The 50 target Double Barrel on the IAN & PHILLIP CAMPBELL TEAM SHIELD saw Tony Lock (Wilkawatt) take out overall with his score of 77/78. AA grade trophies went to Darren Inge 64/65 over Don Beelitz on 60/61. A grade was taken out by Spiros Halikiopoulos on 76/77 over John Hawker on 61/62. B grade went to Brian August who shot 47/50 over Peter Quire on 47/50 and C grade went to Scott Bormann with his 44/50 over Wally May on 43/50. Veterans trophy went to Peter Quire.

The Campbell Shield was won by the team from S.A.G.C. The team comprised of Kelyvn Prescott, Darren Inge, Dennis Halikiopoulos, Brian August and John Pope on 238/250.

Event 3, the 25 target Double Barrel WOODROW SHIELD event was won over all by an amazed Dick Ayres (Lake Albert) shooting a score of 27/27. AA grade was taken by Andrew Mules 25/25 over John Johansen on 28/29. A grade was won by Spiros Halikiopoulos on 40/41 over Robert Maywald on 39/41. B grader Ian Dunbar shot a 25/26 and second place went to Ian Campbell on 24/26. Don Schultz took out C grade with his score of 22/25 over Scott Bormann on 24/29. Ian Campbell took the Veteran's trophy.

The actual Woodrow Shield was won by the Monarto-Alexandra team of Peter Hendy, Robert Clark, Peter Kay, Andrew Mules and Ian Campbell. Their score was 117/125. Ian Campbell has now been a member of winning teams and has his name engraved (on the

shield he made) in the 1960's, 1970's, 1980's, 1990's and now in the 2000's. Quite a feat.

The next event was the 25 target Single Barrel DON FLEETWOOD MEMORIAL. Overall here went to Dennis Halikiopoulos (S.A.G.C.) who shot a 26/27. AA grade went to Andrew Mules who shot 26/28 over Robert Clark on 25/28. A grade was won by Lynton Schubert on 24/25 beating Robert Crane into second place on 23/26. Brian August took out B grade on 21/25 over Lynn Beelitz on 21/26 and C grade was won by Rocco Spinella who shot 21/25 over Wally May on 17/25. The Veteran trophy went to Rocco Spinella.

Dick Ayres, overall winner of the Woodrow Shield event.

The Overall High Gun went to Robert Maywald (Barmera) with his score of 115/125.

In memory of his father, Jimmy Forbes, 'young Jim' presented the C grade High Gun winner, Scott Bormann with the perpetual Jim Forbes trophy. 'Young Jim' was in fact the youngest competitor to shoot at the inaugural Alexandra Gun Club shoot 50 years ago.

The day was a great success. Many of the old Alexandra 'faces' turned out for this special occasion and many of those contributed to the trophies that were given. Heinz Straub was there taking photographs and a jovial crowd reminisced in the club house until it was time to go home.

Many thanks to all those who gave to make this day possible. The sponsors and trophy donors, club members who prepared the grounds, helpers on the day ie., referees, scorers, cooks (a sumptuous lunch was prepared and enjoyed by all of those present), canteen workers - etc. etc. etc.

It was great to see the 54 shooters come to compete on this special occasion.

WEST AUSTRALIAN GUN CLUB (INC) PREMIER ISSF FLORA & FAUNA CARNIVAL

Well after much planning and having utilised the ISSF area of the Gun Club for major events in 2003, it was time to host the Annual ISSF Flora & Fauna Carnival at the West Australian Gun Club (Inc) over the weekend of 13th & 14th March. Once again the competition was included, as part of the State Teams Elimination series to ensure that good representation was present from the stalwart ISSF shooters. This year with a new Captain at the helm (Dave Carroll), there was a sharp learning curve in store for him and by Sunday, it was looking like it second nature to him through the support of those that had been in ISSF a while. The weather stayed fine, contrary to the possible showers predicted and competition started on Saturday with a mixture of Double Trap and Trap. Competitors came from all over Western Australia for the shoot and it was great to see the many new faces at the ISSF Carnival.

Saturday 13th March with the first event of 75pr Double Trap "Redgum Cup" sponsored by Kambo's Retravision, saw 24 people participate with 2 ladies for the first time in our ISSF Carnival. Experience came to the fore with Phil Melvin (114/150) winning from Pino Mezzatesta (111/150) and Bret Kuser (108/150). The competition was fiercely contested in the "B" and "C" grades with "B" Grade taken out by Jed Carter (104/150) and equal 1st in "C" Grade with Tim Blakeney & Sam West vying with a 102/150. This was Tim's first time and Sam is our Junior of the sport. Results were good to see and this event was included as part of the State Team Elimination series.

Second event for the afternoon was the 50t ISSF Trap Blackboy Zone Championship sponsored by Swan Districts Real Estate (club member - Charles Mezzatesta). A 59 year old decided that after having just finished at the ISSF Nationals, SEA Games in Jakarta and then the Sydney World Cup he would put all that mental practice into place and took out the event with a very credible score. Murray Alexander (49/50) won from Pino Mezzatesta (45/50) and Michael Pereira (44/50). On the other end of the scale, our Junior - Sam West (42/50) showed no mercy and took out "B" Grade from the new Captain - Dave Carroll (41/50). A traveller from Esperance / Geraldton (John Dohnt 44/50) started his weekend well with taking out "C" Grade from the "all rounder" Kim Abbott (40/50).

Sunday came and with it, an influx of people bolstering the squads to 7 (40 people) plus 9 attending for the Skeet. The 50t Sheoak ISSF Trap District Championship started the day with a single barrel shoot off to decide the Overall winner between Murray Alexander & David Fox both on 47/50, with David being the winner. 2nd "A" went to Ken Selwood (45/50) from the NT. Shane Williams (44/50) took out "B" grade from Ray Hawke (42/50) and John Dohnt (45/50) once again won "C" grade, after a shoot off, from newcomer - Paul Kuhne (45/50). The event was sponsored by Swan Districts Real Estate.

Beretta Australia sponsored the second event for the day which saw Anthony Snooke (49/50) & Murray Alexander (49/50) shoot off for the Overall winner of the 50t ISSF Trap "Banksia Classic" with Murray being the victor. 2nd in "A" was Neil McWhirter (46/50) and Sam West (45/50) won "B" grade from John Rose (43/50). "C" grade saw Paul Kuhne (40/50) step up a notch to win from Eddie Toomey (38/50) of Geraldton.

Excellent shooting over the weekend by Murray Alexander (145/150) helped him win the ISSF Trap Carnival High Gun trophy donated by Dave Williams

Away from the Trap, the "Skeeties" were indulging in their own competition with the Winchester sponsored Western Rosella District Championship. Overall was Clem Bertini (44/50) from "A" grade - Marco Ponta (42/50), "B" grade - Greg Schweikert (43/50) and "C" grade - Chris Alexander (39/50). The "Paperbark Cup" saw similar results with Clem (43/50), Marco (41/50), Greg 39/50 and Kim Abbott taking out "C" grade with a 40/50 and this event was sponsored by Roy Alexander & Sons.

At presentation of the trophies, a special presentation of the 2003 WAGC "Club Person" Award was presented to a very hard working and thoughtful person - Mr Neil Beeson, for everything that he has done for the Club over the year 2003. Congratulations Neil on a well deserved Award. Thanks must go to our Sponsors and every person that assisted to make the Carnival successful, including Chris, Michelle, Mark & Tom Carroll, Terry Hearn, Chris Brown, Murray Alexander, Phil Melvin, Norm Atkins, Gary Lord and Lindsay Hemley. On behalf of the ISSF Captain - Dave Carroll, thank you.

Psychological Skills for Shooting

by Michael Kruger-Davis

Evaluate your performance.

Now that the Nationals are over, maybe it is time to evaluate your performance. If you didn't win the overall high gun or a national title it may be easy to assume that you didn't shoot well and the whole exercise of going to the nationals was a failure. But was it a failure? The first question to ask yourself was did you meet the goals that you had set yourself. Were they unrealistic or achievable? More importantly did you achieve a personal best score. Some times it easy to look at our achievements and think we failed, whereas in fact we have improved or achieved beyond our expectations.

In 2000 I shot a possible in the National Single Barrel Championship; after I missed the target in the shoot off, I was patted on the back by an older, far more experienced shooter who said, "Bad luck son". I accepted his kind wishes but I was elated because I had just achieved several personal bests: 50 single barrel targets straight, 1st in AA grade, and the opportunity to have practise at such a high anxiety provoking level and this was only my second ever nationals.

I often ask new shooters or B or C grade shooters if they are going to the nationals or the state carnivals and I am often surprised to hear them say no. Years ago Jack Headon, from Hay asked me if I was going to the Nationals and I said I was undecided and anyway I probably wouldn't do any good. But his reply has stuck with me; he said "Yes but going will make you a better club shot when you come back." The nationals have the ability to help shooters lift their bar. Because they give you the opportunity to practise the one skill that you cannot get at the practise range and that is to shoot under pressure. At the nationals or a state carnival you have to deal with anxiety of competition at a far greater level than any club competition. So when you get back to a club shoot you have had practise at dealing with greater amounts of anxiety. This will help when you are next lining up for a shoot off.

So now look again at how you did at the Nationals; where you shot personal bests, what events you felt were easy and what events you thought were hard and start planning your goals for next year based on how you went this year and what you want to achieve next year. Revisit your journal, if you keep one, and start to look at what you need to do to improve on your past or even best performance.

On a lighter note, if you pick up any theoretical sports psychology text book there will always be a chapter on retiring from elite sport. Subjects discussed often include when and how to retire, what to do with the reduction of pressure and the increase in time, how to deal with the change in the way others perceive you and how to maintain your self esteem, especially if you are known primarily because of your sport.

The purpose here is not to explore those issues relating to retiring from sport but to draw your attention to an article that appeared in the Daily Telegraph late last month:

Send off for hubby a blast

LONDON: An English widow had her gun loving husband's ashes loaded into shotgun cartridges for use by his friends in the last shoot of the season. Joanna Booth asked a cartridge company to mix the ashes of her husband James, 50, with

traditional shot. A total of 275 12-bore cartridges were produced from the mix and were blessed by a minister before being used to bag 70 pheasants, 23 partridges, seven ducks and a fox.

The mind boggles. What an ingenious way to deal with the ashes. She probably saw herself as a widow to the reloader, so this was just a logical progression. From an environmental point of view it has lots of good features: valuable land is not being taken up by being buried, the amount of lead is being reduced because the ashes were taking up room in the shell and one more fox bites the dust. But why stop there. The ashes could have been used in clay targets; this would make a memorial shoot far more significant.

I do not wish to offend any readers by making light of death but I find human nature fascinating and life shouldn't always be so serious.
