World Symposium on Lead in Ammunition.

The W.F.S.A. (World Forum on Shooting Sports) will be holding the first symposium in Rome, 9th to 10th September, 2004.

I believe our biggest single issue in "Lead".

This symposium will discuss various issues such as lead in ammunition, Risk associated with lead ammunition, Environmental Chemistry, Risk Management, Emerging Technologies, Range Design.

It is important that your association is pro-active on the lead issue and to this end Andy and myself will be attending this important conference.

A comprehensive report will be compiled for all our member clubs.

Applications are sought from

JUNIORS

wishing to be part of the **2005 Trap & Skeet Junior Development Squad**

Applications will be received, at the ACTA Office no later than close of business 31 October 2004, by way of a one-page resume stating experience, interested discipline, and current grade.

Applicants are required to have a minimum grade of 'B'.

Limited positions are available and successful applicants will be notified by mail. All training camps will be conducted at the National Shooting Ground, Wagga Wagga.

Interested Juniors should apply to:

6th World DTL Championships, Bywell

*Junior Team-Gold: Veteran Team-Gold:
Open Team-Bronze: Overall-Bronze
Junior-Gold & Silver: Veteran-Bronze.*

The Bywell Shooting Ground, Northumberland, was the location for the 6th World DTL Championships held 15th to 17th July. The official team of 14 and several individual Australian shooters made the very long journey to England to participate in this event.

In the week before the Worlds, some of the Australian team attended the British Open where a makeshift open team took on some of the teams that would be at the Worlds. This team did extremely well in taking the gold medal with a score of 1457/1500 39 points ahead of their nearest rival.

Ladies Team - Kathie Gault, Iona McJames, Holly Wilson

The World DTL championships consists of a 250 target qualifying round, followed by a 50 target final for the top 10% of competitors in each section. The event is scored as a pointscore event and is shot five per lane (Mackintosh style). The team event is shot in conjunction with the first 200 targets of competition. There are sections for Overall, AA, A, B and C grades as well as Ladies, Juniors and Veteran sections. Entries at the 6th World DTL championships totaled 503 shooters in all.

Veterans Team - John Murphy, Jeff Nash, Peter Fitzalan

World DTL Team

Open Team - Ross Walsh, Stephen Guest, Ken McBean, Ray Collinson, Roger Duthie

Ray Collinson — Third overall

Junior Team - Glenn Wyatt, Matthew Hawker, Brendan Burgess

Three worried dads - Phil Wyatt, Brian Hawker, Tony Burgess

Call for applications for Range Officials & Sport Specific Volunteers for:

- 2005 Commonwealth Shooting Federation Championships
- Melbourne 2006 Commonwealth Games

The 2005 Commonwealth Shooting Federation Championships (CSFC) will be held in Melbourne in March 2005, and the Melbourne 2006 Commonwealth Games (M2006) will be held in Melbourne in March 2006. This is the official call for applications for Range Officials and Sport Specific Volunteers (SSV's) for the aforementioned events.

The venues that will be used for these events are:

Clay Target Shooting - Melbourne Gun Club, Lilydale
Small Bore Rifle and Pistol Shooting - Melbourne International Shooting Club, Port Melbourne
Full Bore Shooting - Wellsford Rifle Range, Bendigo

The following table lists the events to be conducted:

| Clay Target | Men | Women |
|--------------------------|------|-------|
| Skeet | ✓ | ✓ |
| Trap | ✓ | ✓ |
| Double Trap | ✓ | ✓ |
| Pistol | Men | Women |
| 10m Air Pistol | ✓ | ✓ |
| 25m Centre Fire Pistol | ✓ | |
| 25m Rapid Fire Pistol | ✓ | |
| 25m Sport Pistol | | ✓ |
| 25m Standard Pistol Open | Open | |
| 50m Free Pistol | ✓ | |
| Small Bore | Men | Women |
| 10m Air Rifle | ✓ | ✓ |
| 50m Sport Rifle (3 X 20) | | ✓ |
| 50m Free Rifle (3 X 40) | ✓ | |
| 50m Free Rifle - Prone | ✓ | ✓ |
| Ful Bore | Men | Women |
| 7.62mm Open | Open | |

Ideally those Range Officials and SSV's who are selected and consequently work at the CSFC in 2005 will be the same as those who work at M2006, and individuals who apply and are available for both periods, will be looked upon favourably.

EVENT DATES:

2005 Commonwealth Shooting Federation Championships

- 9 to 20 March 2005

Melbourne 2006 Commonwealth Games Corporation

- 15 to 26 March 2006

Please include the following information in your application:

- Name, address, phone, fax, email
- How you would like to be contacted
- Your availability for the CSFC and M2006
- Qualifications and expiry date if applicable (Range Officials only)
- Previous officiating/ volunteer experience
- The position you are applying for (if known)
- Other positions you would like to apply for should your application for the above position by unsuccessful

Walshy in training.

There were 10 individual countries represented and some 44 teams overall sections took part in the contest. Organization was first class with each shooter not shooting over the same layout twice and at a different time slot each day. All were aware of the time they would be required to shoot the event, this being posted on the day prior. All referees and scorers were paid officials and did not shoot, this added to the smooth running of the event.

First day of the World's competition saw our team members start shooting at midday and experiencing some considerable variance in light conditions, but at the end of the day they were all within reach of the leaders. Ray Collinson finished the day with one of only six perfect 300/300.

On day two the teams commenced shooting at the 3pm timeslot with clear blue skies and the light conditions were far better than the previous day. This would complete the first 200 targets of competition thereby deciding the team events. Our teams performed well, when all results were in for the day, we had won two Gold and one Bronze medal.

Team members were:

Open: Roger Duthie, Ray Collinson, Ken McBean, Stephen Guest and Ross Walsh - Bronze

Junior: Brendan Burgess, Glenn Wyatt and Matthew Hawker - Gold

Veteran: Peter Fitzalan, Jeff Nash and John Murphy - Gold

Ladies: Holly Wilson, Iona McJames and Kathie Gault - 6th place

Day three saw the completion of the competition and the individual events. Brendan Burgess took Gold and Glenn Wyatt took Silver in the Junior Section, Ray Collinson 3rd place overall and the Bronze medal, Peter Fitzalan took 3rd and Bronze in the Veteran Section. A very successful World Down The Line.

The only other highlight of the championships apart from our teams' excellent performance was the establishment of a new World DTL record. This was set by Hendi Hume from Northern Ireland who shot a perfect 900/900, very entertaining to watch.

The 7th World DTL Championships are scheduled to be held in Australia at the National Shooting Ground Wagga Wagga 7th to the 9th April 2006. Entries are now being taken for this event and are available by contacting the national office on (02) 6931 0122. Entry forms are also available and can be downloaded from the associations web site at www.claytarget.com.au. Entries will be taken on a first come first served basis.

QCTA ISSF CARNIVAL, TOWNSVILLE

10th & 11th JULY 2004

Townsville Gun Club hosted the QCTA ISSF Carnival on 10th & 11th July 2004.

The Olympic Trap event was expected to have some high scores as historically good scores are shot on this layout.

40 shooters contested the event. These included last years winner, Brett Dunstan (on another lightning raid from his Victorian stronghold), Tom Turner, the ever reliable Greg Newey, and the up-and coming Ivan Litvinov.

George Barton - Winner Qld ISSF Skeet with W. Reeves

Top score in the first round was 24 shot by Brett Dunstan, Ivan Litvinov, Greg Newey and the quiet achiever Shawn Ryan. The second round saw possibles recorded by Brett Dunstan and Greg Newey with Ivan Litvinov and Jar Smaniotto posting 24s to stay in contention.

Tom Turner - Winner Qld State Double Trap with Wayne Reeves.

003 Qld. Open Olympic Trap Team - L-R : Ivan Litvinov, Greg Newey, Jar

After the third round Brett Dunstan led the field on 74 followed by Ivan on 71, Greg on 69 and Jar still in touch with 68.

The fourth round was shot on Sunday morning. Jar Smaniotto shot a 24 to get away to a good start followed by Brett and Ivan on 23. Greg Newey had a slow start with an uncharacteristic 21.

The fifth and deciding round saw Greg recover and with Shawn Ryan both carded 25s, followed by Ivan on 23 and Brett and Jar on 22s.

The final added to the scores as follows:

Brett Dunstan 118 + 25 143 First
Ivan Litvinov 117 + 23 140 Second
Greg Newey 115 + 22 137 Third
Jar Smaniotto 114 + 22 136
Shawn Ryan 112 + 23 135
Tom Turner 111 + 25 136

Brett Dunstan cleaned up the Trap Title for the second year in a row. He couldn't stay for the presentations and was seen boarding a plane wearing his sash and silver Queensland badge and a huge grin.

Grade placings were as follows:

1st AA Jar Smaniotto 114/125
2nd AA Tom Turner 111/125
1st A Wayne Reeves 110/125
2nd A Michelle Beecham 110/125

The 50-year History of Cherry Tree Pool Field Championship at Katanning, Western Australia

The Katanning Clay Target Club was formed in 1930 and held its first open weekend shoot in November 1951.

The shooting was held on the Saturday and Monday and to entertain the visitors on the Sunday, a picnic was held on the property of Con and Amelia Kowald and family at Cherry Tree Pool. This pool on the river is named after the Quongdong tree or native cherry tree. We have been enjoying the kind hospitality of the Kowald family ever since.

In 1952 the picnic included a little shooting, with a simulated "crawl-up" event, as in duck shooting. This event was won by

Neville Beeck 5/6. Neville is now a Life Member of the Katanning Clay Target Club.

In 1953 another picnic and more fun events. Tom Blakely and Newton Thomas shot off, with the added handicap of either a balloon tied to the muzzle of the gun or a piece of cardboard slipped over the end of the barrels- Tom won.

Then 1954 saw the "Wild West D/D" with each competitor sitting on one of the petrol drum horses to shoot at the 5 pairs of D/D. Roy Holtfreter and Laurie Solomon won this fun event.

Because of the very light-hearted atmosphere that had developed, safety was becoming a problem and member Ernest Clog, later a Life Member of the club, suggested a properly organized Championship to be held. This is the Championship that the Katanning Clay Target Club is celebrating in its 50th Anniversary this year.

Then came 1957 and a very important thing happened for Australian shooting. The Commonwealth D/B Championship was conducted in Katanning and visitors came from Queensland, N.S.W, Victoria and South Australia and they were exposed to simulated field shooting for the first time. They enjoyed the event so much that on returning to their home clubs, they spread the word about this new type of event and how much fun it was. Then on a trip East, Geraldton shooter Dick Burton described the event to Vic Ether of Boggabri and Vic contacted the Katanning Club for our set of rules etc, and started the "Gum Tree Championship".

In 1961 Doug Hemmingway, the newly elected President of the recently formed Field and Game Association of Victoria attended Cherry Tree with a few of his committee and took away our rules and ideas. Field Shooting in Australia was now well and truly on the map.

The Katanning Clay Target Club is very proud of the fact that all Field or Sporting Shooting in

the Southern Hemisphere started at Cherry Tree.

On this 50th Anniversary, we at Katanning would like to recognize the many helpers that we have had, namely the many clubs of WA who lent us traps in the old days and helped with advice and suggestions on layout improvement.

Doug Cumming of I.C.I./Eley in W.A. was very helpful and it was he who suggested a badge, which was designed by Neville Beeck in the shape of a cherry tree. This badge was first presented in 1969 and backdated to the beginning, including the three picnic shoots. Roy Holtfreter of Northam is the only shooter with one of each.

This field championship is very simple. No gimmicks, every target very shootable, and a gun down position, the same as I.S.U. Skeet or a shooter in the bush-level with the waist. The only rule change over the years has been that now gun faults are allowed, as per ACTA rules. Before gun faults were allowed, many fine feats of gun handling were seen. There is no finer sight than to see a shooter clear an Auto shotgun of a malfunction and still shoot the target.

any shooter who has won the event 3 times or more. The club members are :-

Newton Thomas, Dinny Holtfreter, Tim Catling, Bevan Nicholls, and Max Cubic.

Only two shooters outside WA have won the Championship, they are Newton Thomas (Vic) and Tom Harris (NSW).

Many funny things have happened over the years, much fun has been had and the Club thanks all past and present members who have worked so hard to develop this event and to keep it going so well all this time.

Finally on our 50th Anniversary, we invite anyone who has ever attended Cherry Tree to return and help us celebrate a milestone in Australian shooting history.

If you have never been to this great event, this year would be the right time, so how about we see you there on the 6th & 7th November 2004.

By - Have gun will travel.

Dave Coleman coaches Wagga Wagga school students

Over the past two to three years Dave Coleman has been coaching up to 50 school students from the Wagga Wagga non-Government schools each term. He and his willing helpers have had an enthusiastic band of students select a clay target shooting introductory course as part of their sports curriculum on their allocated sports day.

Dave has undertaken the necessary permit arrangements through the Wagga Wagga Gun Club and the New South Wales Firearms Registry solely, and has had many students attend.

First up has been Firearm Safety, then an approach to skeet and DTL shooting, over a nine-week period of two hours per day, every week.

Pictured is one of the students, Letitia Mulholland, who undertook this course and has since joined the WWGC and taken up the sport on a serious note.

Letitia has already won several grade prizes, after only four months training.

BUNDABERG CLAY TARGET CLUB INC ONE-DAY SHOOTING CARNIVAL

Bundaberg Clay Target Club Inc. held its annual one-day Shooting Carnival, on Sunday the 1st August 2004, in perfect conditions.

With nearly 60 shooters attending from Gladstone, Maryborough, Toogoolawah, Central Burnett, Rockhampton, Teelba, Kingaroy, Sunshine Coast, Wangaratta, Callide Dawson, Brisbane, Mount Isa, Burdekin, Guyra and Castlemaine. A good roll up of local shooters also attended. It was very pleasing to see the shooters turn up in force and the scores over the events were top class.

In the first event - the Wide Bay Australia Home Loans 50T D/B Championship - the scores were excellent. With 57 shooters for the event, 16 shooters shot the possible 50/50, with 13 shooting 49/50 and seven shooting 48/50. Even others, down to a C Grade shooter, shot 42/50. These types of statistics are rarely done over these shoots. Graham Harriman from Bundaberg Toyota (one of our major sponsors for the shoot) had to shoot 188/188 to take out the Overall for this event.

Coming second in AA grade, with an excellent score of 166/166 was Glen Wyatt from Maryborough. Glenn has just returned from the World Cup in England, where he shot really well, to bring home an individual Silver medal. He was also a member of the three person junior team to bring home gold.

In the second event - the Winchester 25T S/B Championship, four possibles were attained and overall was won by Garry Wright from Gladstone, with to 67/67.

The third event for the day was the 50T Pedro Petersen Memorial

Paul Rehbein (Wide Bay Home Loans representative) with overall winner Graham Harriman.

Medley. (25T D/B Points and 25 T D/B 18mts) In this event, seven possibles, 100/100 were shot with another shoot off taking place. Sunshine Coast shooter, Scotty Trafford, had to shoot another 100/100 to take out the Overall. The Bundaberg Toyota High Guns

FULL PROGRAMME IN THE NOVEMBER AND DECEMBER ISSUES

Overall winner of Winchester (Olin) Australia S/B championship, Gary Wright.

AA grade high gun winner Glen Wyatt.

Overall winner Scotty Trafford with Cheryl Petersen.

Pedro Petersen Shield, overall Graham Harriman and David Nicolson with Cheryl Petersen.

Bundaberg Toyota high gun winners, back left: A grade Graham Harriman, AA grade Glen Wyatt and President Rob Rehbein. Front: A grade Graham Harriman, C grade Ray Burrows.

C grade high gun winner, Ray Burrows with Greg Mitchell and Rob Rehbein.

B grade high gun winner Carlo Barletta with Greg Mitchell and Rob Rehbein.

**A grade high gun winner,
Graham Harriman.**

for the shoot were hotly contested, with four AA Grades having to shoot off with scores of 174/175. Junior, Glen Wyatt outlasted the other shooters; he was fortunate that he had good eyes, as the shoot off went into the dark. Graham Harriman who started out A Grade for the first event, is now in AA Grade after his excellent shooting won the A Grade High Gun. Graham shot a perfect score for the shoot with 175/175; this is very rarely achieved in any major shoot. B Grade High Gun was won by Gladstone Shooter, Carlo Barletta with a good score of 170/175 and C Grade High Gun was won by local shooter, Ray Burrows with a good score of 159/175.

The Club has done a lot of work on the traps over the past few months and they threw top-notch targets, as the results show. We would like to thank two people in particular for their efforts - Tim Gardner and Rob Rehbein. The Club thanks you.

Cheryl Petersen won the shoot raffle. Our Patron - Ted Jensen donated the rum. Club member - Ken Vicary, donated the ham, which was won by Greg Mathews from Mount Isa. Both prizes are now living down this way.

Thank you to these people for their donations. The Bundaberg Clay Target Club Inc. would also like to thank all the sponsors for their support - Wide Bay Australia Home Loans, Bundaberg Toyota, Winchester (Olin) Australia, Cheryl Petersen, Ted Jensen and Ken Vicary. Once again, another successful shoot for the club.

NSW Coaching Day

Saturday 14th August saw the coaches and coaching candidates attend a seminar held by the State Coaching Co-ordinator at the Wagga Wagga G.C clubhouse to coincide with the club's planned open day.

Joshua Dacey 12 year old, from Wagga, who enjoyed the day and is enthusiastic to obtain his permit so, he can take up the sport. Josh is under the guidance of Fred Rapley & Peter Kenyon

A young woman from Gundagai trying her hand at the open day.

L to R Don Sullivan [Hay], Fred Rapley [Illawarra], Graeme Boyd [Albury], Bob Blake [Downside] Dave Coleman [State Director] Andy Sanders [EO, ACTA], Fred Schetmzer [Leeton], Les Abberly [Bathurst], Charlie Strike [WWGC]

The morning session was taken up with theory and coaching principals and the afternoon session had a hands on practical demonstration with over 200 people attending the W.W.C.G. open day.

All coaches etc. had their hands full, with coaching being undertaken in the 4 different main aspects of our sport. These were DTL, Skeet, Ball Trap and Sporting Clays.

The weather was appalling, with strong gusty freezing cold winds and rain. Even these conditions did not deter the eager participants.

The ages ranged from 12 year old juniors right through to people who would easily enter into veterans events. Our own State secretary even lined up on the skeet range and showed her true capabilities.

Psychological Skills for Shooting

by Michael Kruger-Davis

Getting over ourselves

Helping shooters or golfers improve their performance can be exciting. In theory the task is simple; learn to do what you need to do, trust that you can do it and just do it. However it doesn't matter how simple a theory is, putting it into practice is always going to be difficult. The reason for the difficulty is because we are humans and instead of just doing what we have to, we think too much about it and develop a range of problems that get in our way.

We all have self-defeating thoughts and behaviours that undermine our successes. These behaviours and thoughts produce only doubt and stop our muscles from moving fluidly and effortlessly; instead they tense the muscles up and restrict our movements and ability.

So what are the "things" that get in the way of us performing well, improving and having fun and success?

Fear is a mental response to a perceived danger or threat. It's a primitive response that allows us to fight or flee from a threat. The fight/flight response was necessary when as cavemen we wandered the jungle and had the threat of sabre-toothed tigers lurking behind every bush. We had to develop a system that allowed us to either stay and fight or get the hell out of there. The threats have now gone but as modern man we have retained the fight/flight response when the majority of our fears are not life threatening at

all. Whilst the threat to life and limb may no longer exist, there is a psychological threat to self-esteem and ego.

Anger is a powerful emotion that we have to learn to control or it will control us. Anger can come from several sources; it may be born out of frustration and expectations or it may come from feelings that we have lost something, as in grief.

Anxiety is usually described as a generalised feeling of uncertainty or dread; a sense that something bad is going to happen. For the clay target shooter this usually means missing a target. When we become anxious we tense up, doubt our ability, get scared and fail.

Self-consciousness refers to our belief that we are being watched and examined. We become afraid that we will look bad or we will embarrass ourselves. These shooters focus on their self-image of how they look instead of focusing on the target at hand. You can't perform well if you are afraid of embarrassing yourself because firstly, you will tense up and be less fluid. Secondly, you will doubt your ability, and thirdly, you will stay in your comfort zone and deny yourself the opportunity of winning because you will be afraid to take risks.

Perfectionism. Perfectionists are never satisfied with their own performance. Nobody is perfect and to believe you are or that everything in your life should be perfect is an irrational way of thinking. This irrational belief will lead to critical and condemning thoughts when things are not perfect.

Stubbornness. If you are unwilling to learn or unwilling to change then you limit your opportunity to try new things and the result will be you will fail more than you succeed. The problem with sport, and clay target shooting specifically, you must learn to fail because it is impossible to win all the time.

Lack of motivation limits the shooter because you will deprive yourself of the drive needed to become the best you can. Motivation is not only about winning and being the best; it is a necessary part of just competing and turning up for the next competition.

Competitiveness. We are all competitive; some more than others. We become discouraged due to negative experiences from our past; this is learned helplessness and it can be debilitating if we believe that the situation we are in is hopeless.

Distractions. We all lead complicated and conflicting lifestyles; work, health, finance, relationships, etc all get in the way of us focusing and concentrating on the job at hand.

Persistence. Remaining optimistic during adverse times is difficult but high achievers are resilient, that is they are able to bounce back after problems and deal with the job at hand and not dwell on the recent failure. Probably the best example of this is Lance Armstrong the six times winner of the Tour de France who overcame cancer several years ago.

Whether your goal is to win, achieve your best or just participate and have fun, the above list of problems are within us all and the difference between those who win and those who lose is our ability to control these problems.

2005 GLENN TROPHY REPRESENTATIVE TEAM

The Executive of the ACTA has approved for a representative team to contest the **Glenn Trophy in 2005.**

The team will be selected at the 2004 Skeet Nationals with the five shooters having the highest combined scores from the following events:

- * **National Skeet Handicap (50 tgt)**
- * **All States Skeet Championship (100 tgt)**
- * **Commonwealth Skeet Championship (100 tgt)**
- * **National Skeet Championship (100 tgt)**

Shoot-offs will be used to determine placings.

This team is partial funded, extent of funding is to be determined. Selections will also be subject to approval.

Dear Sir,

My name is Ian Ainsley, cpsa no. 22334.

I was an official at the World Trap Championships in Bywell, England on 15/17 July 2004.

I shot for the England DTL team from 1984 to 1989 and until recently, have been one of the English senior referees at the home international event.

I am contacting you to express my admiration to the shooting standard of all levels of teams, both junior and senior, that your association recently sent to the World Trap Championship.

I had the honor to shoot with four Australian shooters on Sunday the 18th of July at East Yorkshire Gun Club at the discipline ball trap.

It was a pleasure to shoot with these individuals.

Well done!

I. Ainsley.

Sir,

With the increasing popularity of hunting and competitions offshore it might be interesting for shooters contemplating such a trip to know what's involved on the paperwork side as I recently experienced.

This is most relevant taking your semi auto shotgun

For my Beretta u/o a B709 A form was necessary which is obtained from Customs by applying through the Firearms Registry. It took about 10 days.

However, for the Remington semi auto application has to be made to the Attorney- Generals Dept. A number of items must be supplied before a certificate is issued. This includes proof that there is a physical need to own this gun and "a doctors certificate is not enough". It doesn't matter that you already have a cat C license and permit. I was able to get a letter from ACTA Referee Examiner certifying a physical need.

Would you believe though, the Minister has to personally sign the Certificate. You then need an Export Permit from the Dept of Defence. More forms and proof. But it's not over yet. You now need to apply to Customs for an Export Entry for all your guns. All this took 6 weeks. This is just for Australia. You also have to sort through the regulations for the country that you're visiting. Thankfully I started early.

What was curious is on departure no official was particularly interested until I asked him or her. They just said, "got your paperwork?" and didn't bother to look at it. On the way in, Customs freaked, as the only Officer who knew what to do was at tea so they took photo copies of the docs and had a quick look in the gun case and said "through ya go".

**Happy Holidays
John Peake 54055**

Sir,

On the first weekend in August, I had the pleasure of attending the Cowra Gold Cup with a group of mates and what a good weekend it was.

This letter is to congratulate Cowra on the way the weekend was organised and run. It was really good to see members and their families contributing in all areas, from the fantastic catering (especially the Sunday morning breakfast) to trappers and office staff. It all went well and made for good competition. It was also a relaxing time to catch up with friends.

On that note, I had a chance to talk to Pud Burgess, about the up coming Coaching Clinic at Majura Park in November. Pud told me that he is still interested in coaching juniors in his area, but is rarely asked for input by clubs. So here is a great opportunity for those of you with juniors. If you would like them to be coached by one of the best, give him a ring.

Once again, WELL DONE COWRA. SEE YOU NEXT YEAR.

MASTERS CUP - CZECH REPUBLIC

July 15 - 20 2004

Coach - Greg Chan
Trap - Suzy Balogh, Stacy Roiall
Double Trap - Susie Trindall, Suzy Balogh
Skeet - Lauryn Mark

The two Susie's, Stacy and Greg departed Sydney via Singapore, Frankfurt and Prague and a short drive to Ceske Budejove to meet up with Lauryn who had left a few days earlier. Ceske Budejove is best known as the birthplace of Budweiser and Pilsner beer and where beer is actually cheaper than an equivalent bottle of spring water or soft drink.

Czech Masters Cup Australian team from left: Lauryn Mark, Suzy Balogh, Greg Chan, Susie Trindall, Stacey Roiall.

The town is steeped in history with many of the buildings dating back before the 1500's. Our hotel was the Bohemia, a very quaint old building that has been converted into comfortable accommodation.

The shooting range consists of two separate trap and skeet fields all equipped with La Porte machines and targets. This is what prompted us to send the ladies team to the Czech Republic as it is

Womens Double Trap, Suzy Balogh, silver and Suzie Trindall, bronze.

the same as what will be used at the Olympics in Athens and the fact that there would be a few Women Olympians competing.

Ladies Trap

1. Kiermayer S Ger 70 + 23 = 93
2. Beckman C Ger 68 + 24 = 92
3. Roiall S Aus 68 + 20 = 88 (23 22 23)
4. Balogh S Aus 57 (21 19 17)

Stacey shot well to finish in third place, however was disappointed with her final. Suzy struggled with her timing and was never really able to come to grips with the conditions.

Ladies Skeet

1. Mark L Aus 71 + 24 = 95 (24 24 23)
2. Brinker C Ger 67 + 22 = 89
3. Lepomaki Fin 65 + 23 = 88

Lauryn shot extremely well against a field that included four Olympians from Europe. Her 71 plus 24 in the final shows that she is peaking at the right time and will be ready to give it a big shake in Athens.

Ladies Double Trap

1. Kiermayer S Ger 115
2. Balogh S Aus 113 (37 38 38)
3. Trindall S Aus 108 (39 32 37)

The scores in the ladies double trap were very low and left them all with some hard work to do with the Olympics only three weeks away.

The day after the tournament we drove back to Prague to catch the flight to Frankfurt, Singapore then on to Darwin to meet up with the men's team for the final training camp just prior to Athens.

Womens Trap, Stacey Roiall, bronze.

Womens Skeet — Lauryn Mark, gold.

NARROMINE 100

Narromine Clay Target Club held it's 3rd Annual Narromine 100 on 26th June. We welcomed 41 shooters to our club for the 100 Target Double Barrel Handicap Event. Unfortunately the weather was not up to our usual standard, with the day hampered by cold drizzly rain. Several possibles were scored on the day, and all seemed to enjoy it despite the weather.

Narromine Club enjoys a lot of support, so a warm lunch was available and well received, thanks to the ladies. Thank you to our major sponsors, Wal Rae, Craftsman Homes, Edo's Automotive and Narromine Beaufairs.

School Persons Championships 2004

The venue was Frankston Australian Gun Club in Carrum Downs on the 5th August. At the programmed start time it was wet and very very cold. The wind had an effect on the targets making the challenge even greater.

Thirty-three schools represented by 153 students shooting in four groups: Senior Boys, Senior Girls, Junior Boys and Junior Girls, as well as a team section, which uses the individual scores of four members from a school, twenty-seven teams nominated.

The first half produced five tens, Tim Lawless, Matt Stokes, Ryan

Senior Boys

Fratantaro, Frank Finken, & Jared Passalin. The second half was shot with out rain and those with tens were, Adam Cummins, Rodney Mitchell, Christian Boyle and the overall winner from The Grange in Werribee, Junior, Ryan Fratanaro with the only clean 20/20.

Senior Boy. 1st Rodney Mitchell 19/20 Werribee S.C.

2nd Lucas Loft 22/24 Mackillop G.

3rd Christian Boyle 21/24 Gippsland G.

Senior Girls 1st Courtney Wyeth 24/30 Lavalla C.

2nd Kim Speechly 5/20 Gippsland G.
Winning team Lavalla College Traralgon

Adam Cummins, Matt Stokes, Courtney Wyeth & Frank Albanese all placed shooters are now invited to the School State Final at Bendigo on Monday 6th September, where all four Zones will be represented.

We wish all students the very best for this upcoming memorable experience.

The participation and help from the following is very much appreciated by the students and those who conduct the shoot. The V.C.T.A. the South East Zone Council and the shooters that they represent, The Frankston Australian Gun Club for the use of the venue and their very generous donation of all the targets. Winchester Olin for their support in enabling the whole State's involvement a possibility.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$11.00 — 0-60 words

\$22.00 — 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

(a) the person is a licensed firearm dealer, or

(b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

(a) the licence or permit number of the seller,

(b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.

NEPEAN SHOOT — JULY 23, 2004

Event -- 50 target night simulated.

I'm not going to give a detailed report as to this evening's event, but more a detailed list of how to dress for a Peninsula night event.

I'm not going to give you the usual dribble of who shot what, and how Quickie shot a 3/25 just to give a little comfort to Millsie. I'm

does it keep us dry from the elements, it doubles as tear protection when we miss those "easy" targets. Many a tear was shed that night, just ask Quickie.

2. Quality gloves. Not only to keep our little fingies warm, but to pat our fellow shooters on the back with a soft and compassionate "bugger you missed"

Night grade winners with president Pete.

not going to mention that Fozzie didn't shoot at all because of a little precipitation and how it might upset his recent hair revamp. I'm not going to mention how Dick couldn't see the targets even after shooting AA skeet for so many years. I'm not going to mention how Keith took the dollars from Hecta once again, but like I said I'm going to give you a list of apparel to wear to one of these shoots.

1. Quality wet weather gear. Yes it did rain (again) but, not only

Quality footwear as worn by AA Keith

3. Quality eyewear. Essential for the night shooter, particularly in rainy conditions. Most commonly used excuse for missing targets "damn! I swore I saw 8 targets, but must have picked the wrong one"

4. A quality beanie. Not only to keep ones scone warm and cozy, but can be used as a pull down over ones face when entering the club house so your mates don't recognise you and hang it on you for missing those once again "easy" targets.

5. Quality ear muffs. Doubling as ear warmers and, what I'm sure the designers originally intended to stop your mates once again hanging it on you.

6. Quality camouflage. This is also essential, as you all know that if you are shooting in the field you don't want your prey to see you before you take that prize shot. Likewise with fluoro targets, you need quality camouflage because you just don't know, it might see you before you see it and disappear forever (we all know how emotionally sensitive fluoro targets can get!)

7. Quality footwear. A good pair of hobnailed boots to: 1. Keep your tootsies worm and cozy and 2. Kick yourself after missing yet another target. Or as an alternative a quality pair of wellies as exhibited by one of our fine AA resident fashion statements (good choice of contrasting colours Keithie!)

Enough of the dribble here's the results:

AA 1st J Mcwilliam 40/50

2nd Keith Caldecott 35/50

A 1st T Hammond 33/50

2nd Disco Dave 32/50

B 1st M Dalia 33/50

2nd M Venturini 30/50

C 1st R Dalia 33/50

2nd L Johnson

See you at the next shoot.

SWAN HILL CLASSIC

SUNDAY AUGUST 15TH

After an enormous amount of work by many club members and outside helpers Sunday dawned with a frost heralding a good day. Apart from the previous Thursday every other day had been less than ideal for shooting, especially with the ever-present wind. Sunday turned out to be very good with many a shooter sporting a red glow from the sunshine.

Seventy-one shooters turned up to compete in the inaugural Swan Hill Classic. Shooters travelled from the following clubs: Echuca, Moulamein, Kerang, Mildura, Cohuna, HMAS Cerebus, Frankston/Australia, Numurkah/Shepparton, St. Arnaud, Central Wimmera, Bordertown, Hopetoun, Patchewollock, Bendigo and Walmer. The event turned out to be such a success that the club with the assistance of its sponsors will make it an annual event.

Over 100 people were in attendance to see some good displays of shooting and enjoy good country hospitality. At the end of the presentations of cash and sashes two long serving club members, Nola Mills and Lindsay Swinnerton were presented with Life Membership and were quite speechless. The Swan Hill Clay Target Club would like thank its major sponsors: ARTHUR GRAHAM & ASSOCIATES AMP, CUTRI PACKAGING, PICKERING TRANSPORT GROUP and SWAN HILL CHEMICALS and everyone else who made this historic day possible.

IMPORTANT NOTICE TO ALL CLUBS Photos for CTSN

For best results photographs should be supplied as originals to be scanned by the typesetter.

Digital photos are always taken at a low resolution of 72 dpi., while printing requires photos to be a higher resolution of 300 dpi. In order to achieve this, all digital photos should be supplied as large as possible.

Photos should not be embedded in Word documents or Publisher files (except to indicate placement of photos), photos need to be supplied as separate attachments.

Photos that are out of focus, too light or dark with bad definition, or those supplied in too small a size and considered not suitable for reproduction will not be used in this publication.
