# Griffith Gun Club 7th Casella Golden Wine Shoot

Griffith Gun Club held the Casella Golden Wine Shoot on the 3rd & 4th September with over \$42,000 in prizes, the most ever offered. This popular event experienced a mixture of weather conditions, with 260 Shooters and their families making their way to Griffith to compete in an exciting and fun-filled weekend. Saturday's weather was overcast, however the rain held off until late afternoon.

The Double Barrel shoot off was held on Saturday evening under lights and were made increasingly difficult by the cold wind and rain; however the festivities of the evening made up for the inclement weather. Over 350 competitors, families and sponsors were treated to a wonderful smorgasbord meal complete with succulent seafood and yellow tail wine provided for the evening.

Day 2 saw the sun shine and it turned out to be a splendid day. Shooting was very competitive and some excellent results were achieved.

Gunning Dalton Member, Tony Barton was the O/A High Gun winner. His score of 310/332 was 2 clear of AA Winner Sox Pilipasidis. Tony was presented with a sash and cheque for \$3,000 by major sponsor, John Casella from Casella Wines.

Major Sponsor Brett Dunston from Lokaway Australia presented the High Gun trophies to: AA Grade - S Pilipasidis-Abruzzo-308/332, A Grade -N Xenos-NSW GC-251/280, B Grade -R Cugley - Deniliquin-244/280, C Grade-A Mercuri-Marconi-240/280.

John Casella stood in for W J Deutch to present Tom Holt from Colac with the sash

# NATIONAL PRESIDENT'S NOTES

*Bill Jones*

Several Members have expressed concern about the formation of the Australian Target Shooters Club. The Sydney based club was introduced with Television and print exposure in August this year.

I understand that financial backing comes from the NSW Firearm Safety and Training Council Ltd.

I attended a briefing, held in my area. It appears the principle aim of the club is to introduce new persons into the sport of shooting and assist them to obtain a shooter's licence.

This being the case I don't see this new club as any threat to our Association and it may even assist with new members.

Sox Pilipasidis winner of the AA Grade High Gun and the Double Rise with Brett Dunstan

The first event on Day 1 saw Tony Barton run away with the Commins S/Steel & Ian McGeogh sponsored 30T Pointscore Championship. Roger Duthie from Hamilton and Brian Doyle from Hay pushed him along but eventually Tony's score of 168 let him take home the Home Theatre System.

Other winners for the 30T Pointscore were: AA Winner B Doyle-Hay-206/207, R/up R Duthie-Hamilton-205/207, A Winner M Sandy-Bairnsdale-100/102, R/up R Fitzalan-Tottenham-97/102. B Winner G Angove-Hermidale-89/90, R/up B Pickette-Coonamble-87/90. C Winner J Collicoat-Deniliquin-97/102, R/up A Mercuri-Marconi-96/102. Women Winner W Barton-Gunning Dalton-86/90, Junior Winner A Rullo-Swan Hill-89/90, Veterans Winner B Smith-Bega-88/93

Event 2 Sponsored by Fred Cole Retravisson was won by John Maxwell from Maryborough QLD. He won the Fred Cole Retravisson O/A 30T S/B Championship with a score of 54/54. AA Winner E Allison-Wonthaggi-47/48, R/up C Foster-West Wyalong-46/47. A Winner W Smith-Bega-30/30, R/up A Grassi-Wangaratta-39/40. B Winner D Early-Tasmanian GC-30/31, R/up S Dillon Nepean CTCI-29/31. C Winner P Lindberg-Echuca-26/30, R/up A Mancini-Griffith-28/33. Women Winner W Barton-Gunning Dalton-31/33, Junior Winner G Barton-Gunning Dalton-30/30, Veterans Winner R Walker-Euroa-39/42.

Last event for Saturday was the Beretta sponsored 30T D/B Championship. This was fiercely fought out between Craig Fitzgerald from Echuca and Vince Gatt from Cecil Park CT Club. Vince finally succumbed and Craig won the title with 152/152, R/up R Thompson-Cobar-143/144. A Winner L

Howell-HMAS Cerberus-95/96, R/up R Collicoat-Deniliquin-91/92. B Winner M Carey-Shoalhaven-38/39, R/up S Carey-Shoalhaven-37/39. C Winner S Martin-Werribee-36/37, R/up B Irvin-Barellan-29/30. Women Winner W Wellam-BrokenHill-43/44, Junior Winner T Holt-Colac-94/95, Veterans Winner P Fitzalan-Dubbo-52/53.

#### Day 2 Winners

Lauren Duthie from Hamilton won the Horsley Park Gun Shop 30T Handicap. She took home the Miroku Grade 3 Trap Gun with a score of 57/57. This was closely contested by Riverina locals. Steve Cunial from Griffith was 2nd with 56/57, Alf Guglielmino, Griffith, was 3rd with 50/51, Michael Manley from Narrandera 4th with 40/41 and Ian Frantantaro from Werribee, VIC 5th with 35/36.

John Maxwell went from strength to strength. Hopefully he had enough room to take the GPS back to Maryborough QLD along with the TV he won on Saturday. He won the 5th event, the Laurie and Julie Lewis Sponsored 30T Medley D/B, S/B Pointscore Championship. His score of 100/100 saw him shoot clear of all other competitors.

AA Winner J Elliot-Walmer-148/150, R/up L Curtis-Bairnsdale-147/150. A Winner G McDonald-Griffith-96/100, R/up J Bisevic-Werribee-74/75. B Winner R Cugley-Deniliquin-47/50, R/up L Duthie-Hamilton-46/50. C Winner A Mercuri-Marconi-46/50, R/up J Camilleri-Cecil Park-43/50. Women Winner A Holt-Colac-68/75, Junior Winner T Holt-Colac-50/50, Veteran Winner P Fitzalan-Dubbo-47/50.

The Final event on the program was won by Sox Pilipasidis from Abruzzo CT Club. His score of 47/50 saw him take home a 40L

Waeco Fridge for the Barbeque's Galore 20pr D/R Championship 15m. AA Winner D Hunt-Wangaratta-46/50, R/up N Rundle-Korumburra-47/50. A Winner Andy Vaccaro 47/60, R/up Robert Machul 34/40. B Winner G Angove-Hermidale-31/40, R/up M Elmes-Narrandera-45/60. C Winner A Mercuri-Marconi-29/40, R/up W Kelvy-Echuca-33/50. Women Winner W Barton-Gunning Dalton-36/40, Junior Winner B Burgess-Majura-36/40, Veteran Winner S Collins-Bairnsdale-32/40.

Organisers were overwhelmed with the support and thanked everyone concerned for making the weekend successful. Competitors all agreed that this shoot is certain to be marked on their calendars for next year.

We would also like to take this opportunity to thank Casella Wines, Filippo, Maria, John, Joe, Marcello and their families for all of their support.

A big thank you to the committee and their families who worked tirelessly over 3 months to have 8 full layouts and lights for this major event. Well done & lets look forward to the 500 Pair Double Rise Challenge soon.

Griffith Gun Club would like to thank the major sponsors of the Casella Golden Wine Open Shoot: A & G Engineering P/L, ATP Distributors, Amcor, Australian Quality Vines, Australian Winemakers, Barbeques Galore, Bayside South Australia, Beretta Australia, Booths Transport, Casella Wines, Chandler Macleod Group, Clear Image, Commins Stainless Manufacturing, Commodity Traders, Costa Enterprises P/L, Del-Ben Facades, Detuch WJ & Sons, Dom's Motors, Eacom, Elders VP, Elks Hunting & Fishing, Enomec Agencies, Ever-Redi Press P/L, Fred Cole Retravisson, Gordon Bros Industries P/L, Gori Australia, Graywood Tower P/L, Griffith City Council, Griffith Motor Inn, Horsley Park Gun Shop, Kidman Wayside Inn, L & J Concrete, Labelcraft P/L, Laurie & Julie Lewis, Lakeside Packaging, Leo Franco Motors, Liftek, Lockaway Safes, M & M Haulage Services, Mackenzie & Vardanega, McCartheys, Ian McGeoch /Kemen Guns, Midstate Video Productions, Mono Pumps Aust P/L, Moore C & A Refrigeration, Nukorc Ltd, Oz Jobs, Patrick Portlink, Quiprite Pty Ltd, Redox Chemicals Ltd, Riverina Nursery P/L, Romeo G & A Fert Co, Roy Spagnolo & Assoc, Salena Estate, Scholle Industries, Scott A.E.S. & Co P/L, Spartan Global, Spectrum Dist, Stephenson J & N, Suber Le Fort Group, Sumar Produce (Brighenti), Swift & Co, Thermo Wrap Aust P/L, Victorian Alps Wine Co P/L, Visy Board, Westfalia Separator Aust P/L, Young GA & JG P/L.

# Dysart Gun Club

2nd & 3rd July 2005

Seven years since holding a Two Day shoot and we did it.

What a beauty it was. Many of our members have not been to a two day shoot before let alone help run one. As always the unexpected happens. Friday President has flu and lost his voice, Vice President has the flu and feels horrible, lost 1 kitchen staff and one trap loader and handy man, with child admitted to hospital, and to top it off the hot water element in men's toilet blew. Saturday morning hot water fixed but lost one more kitchen staff, maybe to nervous, maybe ate or DRANK something bad definitely not looking or feeling good. With Fifty shooters in attendance (most camping on the grounds) and 115 targets programmed for Saturday and only two traps things had to be kept moving and they were. Even with one trap being replaced during the Continental. We finished just before dark except for one shootoff for three A grade shooters who thought they would shoot better in the morning rather than under lights, (they didn't know how sweet Dysart rum was). 8.30am Sunday and ten shots later and they were still not sure about the light.

75 targets for Sunday. Shooting and presentations finished and on the way home by 3pm, (except for our wonderful staff, who cleaned up). The targets were good, the food was excellent (especially the prawns and strawberries) and the trophies were terrific and as all you travelers know if you have 5 or 6 hours driving to get home there is nothing like getting away in good time on Sunday. Thank you to all those who attended and those who helped.

## RULE CLARIFICATION

Several shooters have contacted the ACTA in regards to changes to rule 2.01(m) which as of the 1 January 2006 will state:

*A shooter must not shoot in a grade higher than his best performance. Once having attained a grade he cannot elect to remain in a higher grade when due for regrading.*

This has caused some confusion when read in conjunction with rule 2.01(i) as this rule states:

*A shooter must shoot a minimum of three (3) consecutive groups of 200 targets, ie 600 targets, at a lower grade percentage to be down graded. He can only be downgraded one grade. All scores after the last grading must be carried forward onto a new record card. Once attaining A grade a shooter cannot be regraded to C grade and once attaining AA grade a shooter cannot be regraded to B grade. Other than in the authority vested in Rule 2.4(g).*

Shooters are advised that Rule 2.01(i) takes precedence over Rule 2.01(m) and accordingly any shooter that has achieved A grade cannot be graded to C grade and any shooter that has achieved AA grade cannot be graded to B grade.

Shooters that feel they are over-handicapped should make contact with their Club Management, Rules Supervisor, State or Zone Handicappers or a member of the ACTA Executive Committee to have their grade re-assessed.

# Gold Coast Clay Target Club August Carnival 2005

## *Southern Tourists flock to the Coast*

Now there is a headline that you would expect to read in your tourist magazine or the travel columns of the local newspapers, but no it is true and appropriate for the CTSN describing the 2005 August Carnival at the Gold Coast.

*Vince Vaina presenting Bernie Scanlon with overall in the Bauman Cup*

*President Vince & a helper with the smorgasbord*

No fewer than 22 clubs were represented from every eastern state & our Tassie buddies were here as well. Victoria chose a great weekend to send the biggest contingent of representatives from any other state. The boys from the south & "Laetisha" piloted their bus to & from, they came, saw & many conquered during the weekend. Meanwhile their wives & partners apparently left a fair percentage of southern wealth on the coast, one way or another and I think they should collectively receive a Tourist Award.

No that is not a "terrorist" award that Queenslanders often bestow upon our southern visitors, there's no parochial attitudes here. The author is not even going near the fact the weather is so much better up here - they came because they enjoy shooting, the beach, the Casino, the shopping & Gold Coast hospitality!! Thanks heaps for your support and kind words, we are happy to have hosted 15 active Victorian supporters of clay target shooting.

The weekend kicked off early as the Queensland State Night Points Championship was conducted on Friday evening following a

complimentary BBQ dinner hosted by the club. The weather was fine there was some grass & no wind, unlike last year, and almost 50 competitors turned up to "do business." George Sckaf was the defending champion but alas he was not to feature in the spotlight. After a short three-way shoot-off, that roving Maryborough Clay Target Club (the Queensland one) member John Maxwell claimed the sash & trophy with an impressive 155/156. Alan Vacy-Lyle's support for this event ensured John & all the other winners were "tooled-up"

1st AA Mike Swale Gold Coast 154/156 2nd AA Colin Witt Gold Coast 151/153  
1st A Neil Cracknell Maryborough (V) 145/150 2nd A Sam Cannizzaro Redcliffe 142/150  
1st B Laetisha Scanlan Wonthaggi 135/150 2nd B Paul Strange Warwick 134/150  
1st C Lance Witzerman Hobart 125/150 2nd C Robert Harwood Gold Coast 123/150

Although we hosted 95 shooters over the week-end our Saturday commenced with numbers a little down, as 69 shooters came up to the mark to commence with a 10 target cash divide Eye Opener. Sixteen possibles shared in the booty over the four grades. The squads went straight on to shoot their first round of the Gold Coast 100 target D/B Championship & Bauman Cup and you could tell the attitudes had changed & the attention levels were up.

Matty Patmore from Yass returned to defend his crown and did figure in the results, but there was one AA grader in Colin Witt & two A graders in Bernie Scanlon & David Devine who were "tooling up" to decide the overall winner. Yours truly lasted a bit longer this year but I left it up to the A graders to show us how. Bernie Scanlon from Wonthaggi beat the local boy in David Devine with a score of 113/113.

1st AA Colin Witt Gold Coast 103/104 2nd AA Matt Patmore Yass 123/124  
1st A David Devine Gold Coast 112/113 2nd A Charlie Galea Frankston Aust 100/101  
1st B Daniel Galea Frankston Aust 103/107 2nd B John McLennan Brisbane 102/107  
1st C Wolf Becker Gold Coast 91/100 2nd C Lance Witzerman Hobart 88/100

Footnote: I should learn to concentrate harder in shoot offs, but it should be better in 2006 when the AA grade percentage is back to 97%, 'cos there will be less A graders picking on the AA's.

Competition finished early and we contested an extra event for those who needed more shooting & the committee & the workers prepared

*President & Secretary meet a new member (now does that stock look like sausages)*

Bernie and Laetisha Scanlon very happy with their individual High Guns

the clubrooms for a sumptuous smorgasbord dinner. The chef's were there in their "top hats," there was a small ice sculpture and the seafood supplied from Palazzo Versace looked very alluring. The clubroom was full of shooters & partners who enjoyed the TenderPlus Extravaganza & Gold Coast evening entertainment organised again this year by president Vince Vaina and his capable band of helpers. It was apparent that the prawns & oysters under the ice-sculpture were very popular as they disappeared at a great rate.

It's still amazing just what the balloon blower was capable of, this year a larger than life "balloon shooter" appeared adjacent to the trophy table sporting the High Gun sash to stake his "cred."

There was comment that a butcher crafted the woodwork on the shotgun as it looked pretty much like a bunch of sausages??

The DJ set up after tea and kept the music flowing albeit broken by the enjoyable drawing of the annual Gold Coast raffle. Twenty prizes were camouflaged in helium balloons and following the random draw the lucky winner had to pick & burst a balloon to claim their prize. Would you believe the major prize of two nights at Palazzo Versace & a food package survived until the last balloon!!!! Not one person went early and the ladies & little kids enjoyed the balloon bursting for absent winners.

Sunday dawned, as just another great day; a beautiful breakfast in the clubhouse and a smattering of headache pills especially amongst the campers appeared the order of the day. The early morning working bee had resurrected the club facilities and it was looking a picture.

Eighty-two shooters stepped up to the plate to contest the George Scaf Points Championship and the incumbent (Shaun Ryan from Springsure) was not there to see Dexter Barnes from Frankston Australia break 47 targets S/B to record a winning score of 141/141. Others to share in the electrical booty sponsored by George Scaf were:

1st M David "Nicho" Nicholson Maryborough 138/141 2nd AA John Rowe HMAS Cerberus 107/108  
1st A Andy Thatcher Gold Coast 128/129 2nd A Keith Simpson Toowoomba 127/129  
1st B Daniel Galea Frankston Aust 86/90 2nd B Arthur Page Gold Coast 127/132  
1st C Richard Davies Brisbane 82/90 2nd C John Hugo Illawarra 80/90

The Pacific Coast Single Barrel Championship & Lee Hogath Cup was the next challenging event to be contested & John Maxwell & David Cooper tied on 30/30 and had just started to settle into a tidy shoot-off when David let one slip. John with a 49/49 was happy to put his name on the silver trophy next to Arthur Turner the 2004 winner. John Fisher of Modern Floor Coverings sponsored the trophies for the victors in this event.

1st AA Dexter Barnes Frankston Aust 30/31 2nd AA Matty Patmore Yass 29/31  
1st A David Cooper Hobart 48/49 2nd A Peter Smith Dorriggo 32/34  
1st B John McLennan Brisbane 29/30 2nd B Innocenti Franco Gold Coast 29/32  
1st C Erich Kratzer Gold Coast 26/30 2nd C Eric Roessler Gold Coast 28/34

By the commencement of the TenderPlus Continental Points Championship it was apparent a bit of a breeze had arrived & the high

gun contenders were fairly close. The event in itself almost ensured no possibles were going to be registered on the scoreboard. Colin Witt and Tom Harris recorded the best attempts and after a "patchy" shoot-off Colin got to sub tend his name under Shaun Ryan's from 2004 with a score of 155/159. I must admit the TenderPlus sponsorship (a huge esky full of meat) ensured an interesting evening stacking, balancing and storing all those wonderful goodies in the fridge & freezer.

Others to partake in the TenderPlus treats included:

1st AA Tom Harris Tumut 152/159 2nd AA Robert Nugent Roma 146/150  
1st A Shane Weeden Gold Coast 145/150 2nd A Paul Calvi Frankston Aust 144/150  
1st B Daniel Galea Frankston Aust 159/165 2nd B Arthur Page Gold Coast 156/165  
1st C Bruce Sanderson Frankston Aust 132/150 2nd C Eric Roessler Gold Coast 131/150

As we all know the High Guns are never decided 'till the last shot is fired however this year, not another shot was required to decide all the placing's. A jubilant victor was very obvious by the smile on his face as he recognised a very special desire to include his name on his Mum & Dad's cup, YES the Agnes & Bill Witt crystal trophy was won by Colin Witt with a score of 374/380. The Gaggia Coffee maker donated by Gael & Colin Witt was donated back to the club for use on another day. This was a fairy tail finish & I must admit I was 'quite touched' & a bit choked up during the presentations as this capped off a "great weekend!!"

The grade High Gun Winners were:

1st AA Dexter Barnes Frankston Australia 370/380  
1st A Bernie Scanlon Wonthaggi 366/380  
1st B Daniel Galea Frankston Australia 361/380  
1st C Sam Nucifora Redcliffe 319/380

Thanks very much to Terry Morony from Stratco for his support with these trophies. The other high gun winners were:

Ladies High Gun Laetisha Scanlan Wonthaggi Gun Club 334/380

Veterans High Gun Tom Harris Tumut Clay Target Club 362/380

Juniors High Gun Leigh Szabo Gold Coast Clay Target Club 324/380

The club recognises Steve Laffey & Dr Arthur Page for their ongoing support for these high gun trophies.

It is always spoken and is very true, without sponsorship most clubs could not afford to dress a trophy table, to all those who assisted with the trophy table thank-you sincerely from the entire club & we encourage all members to support those in business who support the club. Thanks again to:

George Scaf of G & N Guns; Vincent Vaina of TenderPlus; Phil Sorby of Neranq Disposals; John Mack of Southport Hydraulics; & Terry Morony of Stratco; as well as Alan Vacy-Lyle; Steve Laffey; Dr Arthur Page & Gael & Colin Witt.

This year we ran the whole carnival from a laptop loaded with the latest Clay 2000 shooting program, Shane Weeden & his lovely wife Lori, both newcomers to the office, were competent and capable workers ably supported by Debbie Young. Our secretary Kev had some time off but had to go into the office from time to time to find the sharpener & get his gun for the next event. He is now also a capable host at the bar, a role he said he could get used to!! Thanks to all.

Yet again - another great carnival, congratulations to the victors, the travellers and to all the other competitors whose names did not make it to this report, your efforts in attending are the reason we all had a good time.

Colin Witt won the Agnes & Bill Witt overall High Gun Trophy at GCCTC

## Annual One Day Shoot

Bundaberg Clay Target Club Inc held its Annual one-day Shooting Carnival on Sunday the 7 August 2005 in perfect conditions. Cool in morning with slight winds. With 60 shooters attending from Gladstone, Maryborough, Central Burnett, Rockhampton, St James Gun Club in Victoria, Sunshine Coast, Callide Dawson, Brisbane, Warwick, Mackay/Sarina, Gympie and a good roll up of our local shooters. It was very pleasing to see the shooters turn up in force.

DB CS OA Winner John Maxwell & President Rob Rehbein

Greg Mitchell (Winchester Rep) B Grade High Gun Jim Kelly (St James)

The scores over the events were top class. In the first event, the BUNDABERG TOYOTA 50T D/B Championship, the scores were excellent. With fifty-eight shooters shooting the event there were eight shooters who shot the possible 50/50, thirteen shot 49/50 and nine shooters shot 48/50, nine shooters shooting 47/50 and with only two shooters below the 40/50. These types of statistics done over these shoots are excellent. John Maxwell from Maryborough had to shoot to 157/157 to take out the Overall for this event with Greg Mathews second in AA Grade with an excellent score of 157/157 after reverting to points to decide the event. In the second event the WINCHESTER 25T S/B Championship three possibles and thirteen 24/25 were shot, with the overall for the event won by Malcolm Zipf from Maryborough shooting to 38/38 to win. Third event for the day was the 50T PEDRO PETERSEN Memorial Medley (25T D/B points 15 mts and 25T D/B points 18mts) in this event, no possibles were shot, with only two 149/149 shot. Maryborough shooter John Maxwell won the overall after a shoot off with Sunshine Coast shooter Scotty Trafford taking out the AA Grade.

The WINCHESTER "OLIN" AUST & WIDE BAY AUSTRALIA HOME LOANS Grade High guns for the shoot were hotly contested for. AA Grade High Gun was won by John Maxwell with an excellent score over the shoot 223/225. A Grade was won by local shooter Paul Rehbein, who shoots maybe twice a year, with a good score of 217/225. B Grade high gun was won by St James Gun Club (Victoria) shooter Jim Kelly with a good score of 209/225 and C Grade High gun was won by Lady Shooter Tracie Wise with a good score of 207/225. The LEANNE RUDD CPA "Your Total Business Solutions" Veterans High Gun saw sixteen Veterans contesting the events to be taken out by Leanne's Father In Law Graham Rudd with a excellent score of 216/225. The ladies high gun was won by Lynne McGreggor with a score of 209/225 and Junior High Gun by Luke Wyatt from Maryborough with a score of 206/225. Five Ladies and three Juniors contested the Ladies and Juniors REHBEINS GUNS High Guns.

The Club has done a lot of work on the traps over the past few months and threw top notch targets as the results showed and we

SB CS OA Winner Malcolm Zipf

A Grade High Gun Winner Paul Rehbein

Veteran High Gun Graham Rudd & Leanne Rudd (CPA "Your Total business Solutions")

AA High Gun Winner John Maxwell, Paul Rehbein (Wide Bay Home Loans Rep) & President Rob Rehbein

would like to thank some people in particular for their efforts Tim Gardner, Rob Rehbein and new apprentice Frank Agius. Also thanks to Frank and Val Agius for the cleaning up of the Club house. The Club thanks you. The Raffle for the shoot was won by Bill Solberg the Rum which was donated by our Patron Ted Jensen and the case of Cartridges donated by Varane P/L and Rehbeins Guns was won by Brian Charteris. Thank you to these people for their donations.

The Bundaberg Clay Target Club Inc would also like to thank the sponsors for their support, Wide Bay Australia Home Loans, Bundaberg Toyota, Winchester (Olin) Australia, Leanne Rudd CPA "Your Total Business Solutions", Rehbeins Guns, Varane P/L, Cheryl Petersen, and Ted Jensen, we thank you for your generosity in supporting the club thus allowing us to hold another successful shoot, Thank You.

# Psychological Skills for Shooting

by Michael Kruger-Davis

## FOCUSING ON THE RIGHT THING AT THE RIGHT TIME

At a shoot recently, a lapse of concentration cost me a target, the event and the High Gun. On the way home I thought how can concentration vary so much throughout an event or during an afternoon. So I decided to go back to the books and examine how concentration works. The following has been taken from a paper written by Jeffrey Bond, Sport Psychologist with the Australian Institute of Sport (Sport Psychology Department). The paper is called CONCENTRATION; Focusing on the Right Thing at the Right Time.

Bond states that concentration is a term often used by coaches and athletes but appears to be little understood. Bond continues by explaining that Nideffer (a renowned US Sports Psychologist) has developed an applied theory of concentration, which should be considered by all athletes and coaches. To understand this theory it is necessary to realise that for each of us an optimal level of arousal will coincide with efficient use of attentional capacities; this is referred to as our ideal performing state (IPS). At this IPS, we efficiently match the attentional demands of the situation with use of appropriate type of concentration. When we are not at our ideal performing state it is because the types of attentional focus becomes inefficient and mismatched with the situational demands. Nideffer believes that we all have an individual concentration style, which means that we have characteristic ways of using our attentional capabilities. Nideffer describes concentration as being either broad or narrow. An analogy here is like a torch with a variable beam: broad type of concentration is when the beam is broad and wide and narrow type, is when the beam is focused on a small point. Bond continues by saying that Nideffer also sees influences on concentration as either external or internal. We can now measure our concentration style in each of these types of concentration:

1. **Broad - External:** awareness of everything that is going on around - seeing, hearing, feeling. Necessary for good court/field vision. Probably more critical in team sports than individual
2. **Narrow - External:** ability to concentrate in a focused way, to focus on the one thing, to narrow onto the relevant aspects of a task. Very useful in target skills and as a way of blocking distractions.
3. **Broad - Internal:** need to analyse, organise and plan. The ability to mix it with what is going on and draw some logical conclusions. Being able to deal with a large number of ideas at the one time.
4. **Narrow - Internal:** ability to focus on a single thought or idea and stay with it. Needed to enhance awareness of aspects of body reactions to stress (tight muscles, too high heart rate, etc) Usually indicates extreme dedication and capacity to follow instructions, to stick to a performance plan.

The above concentration styles sound great if things are working well and we are able to maintain the efficient focus of attention. But when we make mistakes our concentration style look like this:

1. **Broad - External:** these individuals are too busy reading and reacting to the environment to think.
2. **Narrow - External:** too narrow field of vision or hearing. The athlete does not see all the things necessary to make a good performance, or narrows onto the wrong thing and persists with this approach (wearing blinkers).
3. **Broad - Internal:** mistakes occur because the athlete becomes caught inside his head at a time when his focus of attention should be elsewhere. These athletes over analyse and out think themselves.
4. **Narrow - Internal:** locking onto this focus may result in the athlete becoming distracted by internal bodily processes, or locked into an approach or thought that they may become inflexible. This mistake is choking.

As well as these errors that occur because the athlete has either mismatched his concentration focus with the demands of the situation, or is unable to produce the correct focus, other sorts of errors occur because the athlete becomes overloaded or confused. Internal overloads occur when there is just too much going on in the head of the athlete. Too many coaching points, too many negative comments, etc. Internal overload takes our focus away from the target and positions it back in our head. Unfortunately the target isn't in our head; it's in the air, flying quickly away. External overload is where there is too much noise (from the coach, crowd, team mates, opposition, etc.), or too much movement around (from competitors, spectators, etc), or just too many complex things to watch and /or listen to. How do we deal with these overloads: have a good and clear performance plan. The plan can help refocus your attention back to where it needs to be.

So how can we train our concentration to improve our weak areas?

Athletes need to develop self regulation skills: arousal control skills, attention control training, thought control techniques and performance planning. These skills need to be developed and practised out of competition so they can be easily used during competition. Internal overload can be assisted by doing those simple things that can refocus the shooter. Focusing on your breathing, thought stopping, humming and specific awareness focus can all be used to bring the shooters attention back to the here and now. For external overload shooters may need to be able to visualise a different scenario, used guided imagery, hypnosis, etc to assist them to ignore or at least see little relevance in the external factors involved.

So whilst it is easy to say: "I just wasn't concentrating", the solution is not so easy. Use the above to work out what your concentration style might be and determine whether it is the internal or external factors that affect you the most. Remember that these factors can change from day to day, club to club or even event to event.

### Mervyn George Champney

The Kingaroy Clay Club Incorporated of Queensland advise the shooting fraternity of the passing of our Patron and Life Member Merv Champney, after a long battle with Motor Neuron Disease.

Merv served as President of the Kingaroy Club for 18 years, 1962-63, 1966-67, and 1970-86. His Passion for clay target shooting allowed him to represent his Club, Zone and State in his chosen sport. He shot for Queensland in 1963 & 1968, and represented Australia at the national titles in 1960,

Merv was a tireless worker for the club in it's formative years, and when diagnosed with motor neuron disease, he was given a life expectancy of 5 years. With guts and determination, he beat these odds and survived 17 years. This more or less sums up the strength of the late Mervyn George Champney.

Our condolences are extended to his family.

## **Tasmanian Clay Target Association Annual ISSF Carnival**

The Tasmanian Clay Target Association Inc held its annual ISSF carnival at Hobart Gun Club on the weekend of the 27/28th August 2005 -Conditions were good with little or no wind, but what wind there was, was very cold, both very nice clear days.

Saturday's event, the ISSF Double Trap Championship and Team Selection, saw a contingent of 21 shooters compete, four mainland shooters were in attendance as well, scores were not impressive as the event is rarely shot in Tasmania.

Overall Winner was Nicky Brown with 121/150.

A Grade Winner was S French with 125/156

B Grade Winner was John Foster with 71/100

C Grade winner was Tim Bryan with 69/100

The state team selected was Chris Rockliff, Nicky Brown, Graham Blaskett, Paul Drennan, Stewart French and John Foster.

The team high gun was won by Chris Rockliff with a score of 43/50

Sunday's event was a 125 Target ISSF Trench Championship which was contested by 21 shooters, scores here were considerably better

Overall was won by Graham Blasket with 118/125 and a final 21/25 to make a total of 139/150, a very good score considering how infrequently ISSF is shot in Tasmania. A Grade being won by Tony Cantali from Cecil Park with 111/125 and a final 21/25 to make a total of 132/150

B grade was won by John Foster with 106/125

C grade went to Bruce Barker with 96/125

The local shooters are keen to push ahead with more ISSF shooting in Tasmania and a good nucleus of keen supporters is growing in the north of the state.

Mount Isa Gun Club hosted the North West Queensland Zone (NWQ) Clay Target DTL (Down the Line) Championships on the weekend of 10 and 11 September 2005 at its Kalkadoon Park (Showgrounds) Complex. Over 26 shooters from the local area, Karumba, Normanton, Cloncurry, Northern Territory (Tennant Creek), and N.S.W. participated in the weekend's events.

5 events were conducted over the two days commencing shortly after 1.30pm on Saturday afternoon.

The weather conditions at the start of the shoot on Saturday were quite windy and overcast for shooters after the rain that had fallen earlier that day so shooting became a challenge. Weather conditions improved on Sunday making it a pleasant shooting day and an early finish. Some shoot offs were required to determine the ultimate victors of the events.

Sashes and other prizes were on offer to the Winners of the events.

# VCTA South East Zone Teams Event Round Four at Werribee

Winning Team L-R, R. Williams, J. Petonato, C. Drenndell, C. Galea, L. Mirabella

What a day, the wind was very very strong and coming over the shoulder. Instead of gusts there was a constant wind with less intense small breaks. This allowed the targets to attain the accepted height, but most of the time if they made it to the fence they went through and not over. One shooter was credited with the "benefit of the doubt" for four targets that might have also been broken by the wires (three) and a poster (one).

Event one was the Handicap and there was only one possible and nine twenty fours. The possible was Zone President Lynne Curtis from 25 metres an extra ordinary effort considering the conditions. The minor places went to Ian Frantantaro 41/43 and Mike Hutchins 40/43 with the back marker Todd Malone 28/30.

Frankston Australian's team lead the way at half time, with 113, from Traralgon 109 and

Wonthaggi Nepean & Cerberus #1 all on 108, hoping they were not out of the running yet.

The Double Barrel produced seven possibles with Russell Mark Over All from Tony Psala first in AA. Only three of the place getters were NOT Werribee shooters, so the home ground advantage really came into play.

Over All R. Mark 52/52, AA T. Psala 51/52 M. Green 34/35, A I. Frantantaro 48/49 S. Roiall 25/26, B J. Pettinato 24/25 N. Cooke 35/37, C C. Lloyd 19/26 R. Clemm 18/26.

High Gun: I. Frantantaro 49/50 Ladies High Gun: S. Roiall 47/50

Junior High Guns: 'A' J. Bisevic 46/50 'B' M. Parks 42/50 'C' S. Lineman 37/50.

In the teams section the Werribee #1 came in with the best D/B score of 119 followed by Werribee #2 with 118. However it was the consistent performance of the boys from

Frankston with a 113 to add to the H/C score of 112 giving them the 225-winning total. Team members R. Williams, J. Petonato, C. Galea, C. Drenndell and L. Mirabella.

Werribee still lead the ladder with 914 from Frankston Australian 911 and only the final to go.

Werribee Junior team 83/100 (R. Frantantaro and R. Mitchell) won on the day, from Traralgon 78/100 and are in the position that they can not be beaten for the season.

# 30th Annual Shoot Darwin Clay Target Club

The 30th Annual Shoot of the Darwin Clay Target Club was held over the weekend of 22 - 24 July 2005. Because of dwindling numbers in previous years the club committee decided to change the format of the program. The shoot was wound back from the traditional four-day affair to a three-day carnival and a 100 Double Barrel was introduced on the Sunday featuring cash prizes only. Clubs are forced to try different strategies to attract shooters, which is becoming increasingly difficult with the increased costs of travel. As Darwin is on the end of line, so to speak, we find travel costs to be a major issue.

*WA visitor Steve Horo C Grade Skeet winner*

*John Doyle Overall Skeet winner*

However the shoot was a success with a reasonable attendance. The weather was OK except for the clouds that came over on Friday night increasing the humidity for Saturday and Sunday. Of course once the shoot was over the weather on Monday was perfect with our usual beaut SE winds and cool mornings! Nevertheless our southern visitors assured us that it was a pleasant change from the cold and frosty conditions over most of southern Australia at the time. The grounds looked great due mainly to the efforts of club caretaker Rob Madden with assistance from visitors Jack Glanville and Snowy O'Connor. Dave Searl also did a great job of lopping the palm trees.

The Hon Delia Lawrie, the Northern Territory Minister for Sports and Recreation, officially opened the shoot and then fired the first shot of the competition. Darwin Clay Target Club has been the recipient of generous grants over the years from the Northern Territory Government and the ongoing support as demonstrated by the current Minister opening the shoot was well appreciated by all present.

The first event was a 50 A skeet event which was shot on Friday morning. This shoot was billed as a memorial to former well-known Darwin shooter Bob Dalgleish who passed away during the Darwin annual shoot two years ago. Five squads worth of shooters competed for great prizes donated by Barbeques Galore. Local shooter John Doyle (JD) took out overall and first in A grade with 48/50. That evergreen shooter from WA, Robin Bailey came in second in A grade and local shooters David Searl and Greg Bateson battled it out for B Grade with David coming in first with 61/64. Steve Horro came home in the C Grade with Steve Green second.

Then we moved onto the DTL with the first of three 10-target eye opener events with \$400 cash prizes. Victorian shooters Steve Chambers and Phillip Mules shared the \$400 donated by National Jet Systems at the end of a relatively short shoot off after 10 Pointscore. The final event on Friday was a 60 mixed target sponsored by Winchester Australia. Peter Holmes cleaned up taking out both overall and AA grade after a shoot off with Brad Webb. Club secretary Greg Bateson took out A grade with 97/100 with another local shooter Rodney King second with 94/100. First and second places in B Grade were taken out by local shooters Kevin Thomas and Matt Dillon respectively both of whom have only recently been elevated to the grade. Promising, local junior Tom Hamilton won C

*Linda O'Grady C grade winner in Calcutta*

*Club Vice President Vincent Mollica  
won the Calcutta*

grade with Rachel Fox right on his hammer. It was Rachel's first annual shoot and as she also worked hard in the office for the whole shoot it wasn't a bad effort.

Winchester and The Gunsmith Shop together brought along a display tent with a wide range of goodies including the latest Winchester and Browning shotguns, various rifles, cleaning gear, knives and much more. It was a great display and one that the club was very pleased to have on the grounds. Thanks to both, Winchester representative, Greg

Mitchell and to the proprietors of The Gun Smith Shop, Clive and Patricia Grisdale a great effort. Also thanks to Tex O'Brien of Tex Gun Supplies who set up another display of goodies inside the clubhouse. Despite also running a major display at the Royal Darwin Show Tex still managed to get to the club. Traders' displays such as these really add value and interest to a shooting event. We hope that next year's displays will be even bigger and better.

Saturday dawned a little cloudy and not typical Darwin dry season weather. Campers at the grounds claimed that it had rained the previous night but locals questioned whether they had been confused by a low flying fruit bat. I make no further comment other than the weather bureau did say that there had been a small amount of rain a most unseasonable event in July. Unfortunately clouds meant an increase in humidity that taxed a few of our visitors. The locals thought it was cold. Anyway shooting kicked off a bit before 9am with the Frontier Carpets and Vinyl sponsored 10 single barrel eye opener. Peter Holmes picked up the \$400 with 22/22.

The 30th Darwin Annual Shoot Anniversary 100 Double Barrel was listed in this year's program as an experiment. Nine squads fought it out for the substantial cash prizes of \$400 first and \$200 second each grade with overall taking both the grade and a further \$400. While the Club put up most of the prize money, Cerbus Ceramics partly sponsored the main shoot and Essington School sponsored the \$300 junior trophy. The shoot offs didn't take as long as we thought they might, with club secretary Greg Bateson taking out overall and A grade with 127/127 after a shoot off with club treasurer David Howe who thus took out AA grade with 126/127. It was great to see that these two blokes still managed to shoot well after working so hard in the office. Peter Mills took out second in AA after a shoot off with 128/129: another good effort. The husband and wife team of Martin and Robyn Sandy featured with Martin taking out second in A and Robyn the ladies trophy.

On Saturday night the Calcutta dinner was held on the lawns in front of the clubhouse under the stars. Fortunately the unseasonable clouds had cleared away and the dinner was a great event. Many thanks to Ric Schoenauer and his mum Christine for a great effort in organising the dinner. Ric you just get better every year! Also thanks to those that lent their BBQs and who helped in so many ways particularly Linda O'Grady who not only worked behind the bar and helped with the tucker but also sold Calcutta tickets. Past Darwin President Ted Easton undertook the auction with assistance from Darwin shooter John Williams (John you are a man of many surprises!). The pool reached over \$3300, which wasn't bad considering the numbers.

Shooting commenced on the final day with the T&M Concretors sponsored 10 Pointscore eye opener. The shoot off quickly reduced to four shooters who elected to share the \$400: Geoff Monson, Peter Holmes, Rodney King and Steve Chambers. The club appreciated this gesture, as we all know the costs to small clubs of long shoot offs.

We then moved onto the Fishing and Outdoor World sponsored 25 Single Barrel. F&OW had donated the very desirable trophies of Shimano fishing reels for all grades. Gunsmith Tim Robertson who not so long ago arrived in Darwin was the only shooter to shoot the possible so took out overall and AA unchallenged. Peter Mills took second AA after a short shoot off with 28/29. Steve Chambers won A grade outright with 24/25 and local Rodney King had to shoot off for second. Despite his eyes hanging out on stalks from his efforts at the dinner the previous night, Ric Schoenauer still managed to win B grade after a short shoot off from fellow local Kevin Thomas.

*OA High Gun winner Peter Holmes being congratulated by Dick Ayres and Club President Robert Fox*

And then the big one: 50 double barrel Calcutta, sponsored by V&A Building Contractors and Aboriginal Fine Arts. The event was shot, as usual, as a graded handicap with AA off 18, A 17, B 16 and C 15. Four shooters brought home the money for their buyers by shooting the possible: Phil Scott, Peter Mills, Vincent Mollica Jnr and David Searl. David thought he had dropped his second last target but I reckon he owes us a beer for spotting the chip on the second barrel! Darwin Vice President Vincent Mollica, who because of work commitments was unfortunately not able to shoot the whole program, stormed on to win the event outright with 55/55. Someone said that Vince's habit of shooting his second barrel was only stirring up the dust left by his first shot! Peter Mills took second AA, David Searl won A outright and local Dwayne Devanny took second with 49/50. Robyn Sandy won B grade after a shoot off from Kevin Thomas and the C graders showed great spirit with Linda O'Grady winning the grade with 50/53 from another local Kirren McMahon 49/53.

And so that was the 30th Darwin Annual Shoot, on balance a great weekend. As usual lessons have been learnt and with a bit of luck we should be able to build on this modest success for next year. Peter Holmes took out the overall high gun for the shoot capping off a great weekend for him. All high gun trophies were donated by Beretta Australia. A big thanks to the committee who worked so well together, to our sponsors and particularly to our visitors who ultimately made the shoot a success.

# VCTA South East Zone School Persons Championship 2005

L to R Chris Carrol, Anthony Post, Brendon Pump

Senior Girls I to R Michelle Parks, Catherine Skinner, Brooke McMillan

Junior Boys L to R Leith Campbell, Rohan Gathercole, Ryan Frantantaro

The venue was Frankston Australian Clay Target Club on a day which had been predicted to be cold and wet, unfortunately they had got it right as the first wave of shooters hit the tracks just after 10 am it was really wet windy and cold.

140 students contested the twenty target Single Barrel event in the four sections of Senior Boys, Senior Girls, Junior Boys and Junior Girls, the Senior section were fifteen or over on the day of the shoot.

Bruce Sanderson and Barry Webley had loaded and set the traps in the early unpleasant conditions and continued to do a great job for the rest of the day.

The first wave of four squads produced one 10 and four 9's in the wettest conditions of the day. Dale Eams (Elizabeth Murdock S.C.) Rohan Gathercole (Traralgon S.C.) Brenton Pump (Lavalla Catholic S.C.) and Brooke McMillan (Gippsland Grammar) were all clean at the lunch break.

The armory custodian John Wood and his helpers were back in action as the second half got under way just after 12 noon.

There were two 10's in the final section, Leith Campbell (Leongatha S.C.) and Ryan Frantantaro (The Grange) being the only ones able to hold it together.

On completion of the event there were two shooters with a score of 19 Brendon Pump from Lavalla Catholic College and Ryan Frantantaro

from The Grange P12 College. Brendon won the shoot off winning Over All and Ryan took First in Junior Boys, a fine effort from both shooters.

Over All Brendon Pump 23/24 Lavalla C.C.  
Senior Boys Robert Eldes 19/22 Billanook S.C.  
Lucas Loft 18/22 Gippsland G

Rohan Gathercole 18/21 Traralgon S.C.  
Junior Girls Kim Speachly 7/20 Gippsland G  
Gracie Cartwright 6/20 Sale C

The winning Team was Gippsland Grammar 59/80 represented by:- Brendon Bermingham, Lachlan McMahon, Brooke McMillan and Christian Boyle

Many thanks go to Winchester Australia represented by Anthony Post on the day for the ongoing support of this State wide event. To the Frankston Australian Club and its President Paul Calvi for the use of the venue and the very generous donation of all the targets used on the day. To my side kick in the office Hecta and all the many helpers with out who an event of this size can not be run. Again, thank you all on behalf of the Zone the Students and myself.

# Darnick Annual Mid-year Shoot

Despite very wet road conditions leading to Darnick, we again enjoyed a terrific roll up of 54 shooters at our annual mid-year shoot. The first event which was held on Friday night under lights was a 25tgt Twilight event, off 15m, cash divide, sponsored by new sponsors "Gates Goats". D Nicholls & G Conally who shot 25/25 in this event took home the prize money. Following this event a Barbeque tea was enjoyed by all those camping on the grounds. A very strong cold wind, threatening clouds and 10pts of rain added to the atmosphere.

*Landmark Shield Winners*

The wet weather did not deter many more shooters arriving early the next morning for a day's shooting at Darnick. The 2nd event on the program sponsored by Griffin Pest management was 10 tgts off 15m cash divide. Resulting in 15 shooters collecting \$8.00, D Lemmich, C Langridge, D Simmons, J Lemmich, D Nicholls, N Romeo, T Hicks, D Hotchin, C Panico, M Mammone, C Barmes, G Connaly, S Langridge & W Wellam.

*Guess the weight of the pig*

Graded High Gun winners over events 3,4,5,& 6 were as follows, AA M Mammone 102/105, A J Gemmill 101/105, B J Lemmich, 102/105, C T Palmer 97/105, The Junior High Gun was won by N Romeo a new visitor to Darnick, with a score of 94/105. The Darnick Gun Club Members High Gun was won by Ben Palmer 99/105. This trophy was sponsored by long time campers at the "Outback Hilton" who travel from Numurkah Gun Club and surrounding area. Thanks for your support, fellas!

The Local ladies again did a wonderful job in the kitchen keeping every one well fed throughout the entire weekend, thank you for your support and time too.

John Johnson Jnr, supplied a pig for the "guess the weight" which always attracts a lot of interest and raises money for the club. Ben Palmer was once again lucky enough to guess the correct weight of the pig and take it home.

Thank you again to "Spog" (Neil Box) for doing an outstanding job of preparing a full roast dinner which was enjoyed on Saturday night along with live entertainment.

Many thanks to all those visitors who keep supporting our shoots at Darnick and to all the locals who make it possible.

# Gemfields Clay Target Club

held their annual two day shoot 20 & 21 August. Shooters started to arrive Friday morning to set up camp for the weekend and get a bit of practice in followed by a BBQ dinner and some after dinner drinks and socialising.

Saturday morning weather was fine and sunny, competition started at 9am. The first event was 20 target Double Barrel eye opener. Altogether there was 30 possibles shot out of 103 shooters a great start for the weekend. The next event was 50 target Double Barrel championship sponsored by Alan & Karen Grimshaw Shawn Ryan taking out the honours with a great score of

210/210 beating Cameron Brown 209/210. Event 3 the 25 target Gem special Pointscore which was proudly sponsored by Jim & Jenny Elliott from Coolamon Mining. Overall winner Bill Pavy with a score of 135/135 just in front of Garry Wright 134/135. Event 4 25 Target Double Barrel Continental Championship proudly sponsored by John & Sandra McKenzie of Tango Alpha overall winner Sir Paul Moore with a score of 77/77 beating

*President George Goss and Secretary Alan Grimshaw at presentations*

*L-R: Bill Pavy, Ryan Olive, Robbie Dunn, Shawn Ryan (overall winner), Katrina Cutting, Gary Taylor and Geoff Moore*

Jim Riggs 76/77. After the completion of the days events Brian Muirson, Lil Brandt and Alan Grimshaw started organising the Calcutta which was completed after a fantastic 3 course meal organised by Karen Grimshaw and her lovely daughters and the cooks were Peter & Narelle Comino.

Thanks to all the people who helped organise the meal. After the evening meal the Calcutta was held with the help of Auctioneer Michael Maguire auctioning off all the shooters. On completion of the Calcutta the Jukebox was fired up (much to the disgust of some campers). Barney had a great time with the microphone and ended up with a very sore throat on Sunday morning.

*Handicap Challenge - L-R: Garry Wright, Ty Mayne, Andrea Jones, Robbie Dunn and Max Thomas*

8.30am on Sunday Morning weather was overcast and windy the competition got under way again with Gemfields 25 Target Pointscore Championship, sponsored by George & Irene Cross overall winner was Joe Rossato 96/96 beating Leon Dodd in conjunction with this event the Charles & Ruth Edwards & Ken Cross Memorial team challenge overall winning team consisting of Leon Dodd, Craig Freeman, Barry Nassar, Graham Gibbs, Bill Pavy and the ring in from the Gemfields Clay Target Club George Hogarth with a score of 361/375. Event 6 was the 25 Target Single Barrel Championship sponsored by Robert Cross & Candy Brennan the overall winner being Darryl Grant from Cloncurry with a score of 33/33 beating Mark Warnock 58/59. Event 7 30 Target Gemfields Double Barrel Handicap Challenge the overall winner was the illustrious treasurer of the Gemfields Clay

Target Club Andrea Jones with a fabulous score of 36/36 beating Max Thomas from Ilfracombe 46/47. On the completion of events the presentations were held. The overall High Gun of the weekend was Shaw Ryan with a great score of 293/300 beating Geoff Moore in a shoot off.

The committee would like to thank all the sponsors for the weekend for their generous support, Trap boys & girls from the Emerald Agricultural College for their tireless efforts, Karen Grimshaw and her daughters for doing a fabulous job in the kitchen and all the club members and visiting members from other clubs for their help in running a very successful two day carnival. Great shooting.

Full results can be found in the Shoot Results section.

Your Say,

As a ex-pistol shooter where every score counted and you could never go back in grades I'm amazed at how DTL shooters tell me how they drop clays to stay in their grade, or are trying to drop a few to go back a grade, or tell me to drop a few clays because I'm going up through the grades too quick, I now realize this is accepted as part of DTL shooting. Why do they do it? Because they can, because the rules say they can, because the rules SUCK!

The changes to the handicap percentages that are to apply from Jan 06 will achieve absolutely NOTHING, as we have seen, changing percentages up or down only moves everyone up or down a grade. The other factor is this ridiculous rule of not counting ALL scores (S/B, D/B, P/S & Cont) against your 200 thus making it easy for some shooters to stay in their grades for eternity. If I wanted to stay in a particular grade e.g. "B" grade, I only have to shoot D/B and P/S and there would be no other higher score in column 2 to swap with the lowest in column 1, this would allow me to become a professional "B" grader.

The only other option would be to use the Lewis system, no grades, therefore no cheating, whoops sorry, that word is a no, no isn't it "professional"

The other factor is that by dropping the distance thrown from 50m to 46m and 45deg to 22deg either side of centre, the ACTA has made DTL too easy to shoot, which in turn has bought in these high shoot offs that members are complaining about. Maybe the ACTA should look at going back to 50m which will only speed up the clays slightly and change to 33deg either side of center. You can't have a situation where you are making the event too easy and then only counting half of the disciplines shot towards your grading, regardless of whether you shoot D/B Cont S/B or P/S, 25 clays is 25 clays and should count as such.

Well I'm off to drop a few clays and play the game to stay in MY grade and become a professional until the ACTA come up with decent rules.

Dear Your Say,

I write to thank all the many shooters who came and supported me at my husband's funeral both members for over 50 years. My letter is to thank one shooter in particular, who took the time to notify the "shooting news", thank you to Vince Mollica, a wonderful friend to Fred & I, and to all who came thank you.

## FIREARMS REGULATIONS IN NSW – LICENCE CHECKS

Due to new conditions of the NSW Firearms (General) Regulations 1997, all entrants in ACTA run competitions held in NSW MUST present their shooters licence to be able to participate. If the entrant does NOT present their shooters licence, they CANNOT participate. This regulation applies to ALL persons shooting or in the possession of a firearm at a NSW range or on club premises.

In addition to participants producing their shooters licence for inspection, the licence must satisfy clay target shooting as a genuine reason, known as Target Shooting. For example, if your licence states Primary Production or Recreational Hunting only, you cannot participate in clay target shooting events.

Officials will only allow participation in events run by the ACTA on the production of a valid shooters licence.

*ACTA highly recommends all shooters carry their shooters licence at all times when carrying or using firearms.*

# Echuca Shooters Collect the Trophys

An Ironman contest was the main event at the Echuca Clay Target Club's September shoot and it proved to be popular with six squads arriving to do battle for the honour. 60 targets of mixed disciplines on a very cold and windy day mixed with rain showers tested all who competed, virtually putting a clean 60 score out of reach for all. To increase the difficulty of the event it included 10 targets of Skeet shot with the same trap shotgun and same chokes. Echuca shooter Steve Traill kept his mind on the task and ended up with a very respectable 54/60 score to take out the Overall Sash and 1st in A Grade.

After a shoot off lasting only four targets Echuca member Craig Scott collected the Overall Sash and Trophy in the second event being a 30 target Continental Double Barrel, also taking out 1st in A Grade on a score of 34/34. Craig has been shooting well of late also winning Overall and A Grade in the Mixed Target event in the August competition.

The shoot ran very smooth and finished up at an early time pleasing everyone, especially those that had a distance to travel. Full results are as follows.

Steve Traill OA & A grade Ironman

Craig Scott OA and A Continental winner and OA and A Mixed Targets winner

Event One, A 60 target Ironman Championship, OA & A S Traill 54/60, 2nd in A Ron Traill 50/60, AA 1st Rod Flower 53/60, 2nd in AA Andrew Holt 49/60, B 1st Trevor Berryman 45/60, B 2nd Barry Rogers 44/60, C 1st Warrick Kelvy 48/60, C grade

2nd was Peter Lindberg on 44/60.

Event Two, A 30 target Continental Double Barrel Championship, OA & A Grade C Scott 34/34, A 2nd R Traill 33/34, AA 1st A Holt 28/30, AA 2nd R Flower 27/30, B 1st B

Rogers 28/31, B 2nd P Sing 32/36, C 1st D McCasney 27/30, and C grade 2nd was W Kelvy a relatively new shooter improving rapidly, with a 31/36.

# Barellan Clay Target Club Open Day

*David watching closely as Richie Lees takes aim*

Barellan Clay Target Club conducted their annual Open Day on Sunday 11th of September 2005 at 10.30am. in cloudy conditions after overnight welcome rain. The club was able to obtain an Open Day Permit from the NSW Firearms Registry to enable unlicensed shooters the opportunity to come along and try the sport of Clay Target Shooting.

Mr. David Coleman, NSW State coach, travelled from Wagga Wagga to instruct on safe gun handling and coaching on shooting clay targets. 21 people participated in the session, of which 16 were "first timers" and came from all around our area including Coolamon, Ariah Park, Griffith, Leeton, Ardlethan as well as Barellan.

It was pleasing to see 4 female participants and 7 juniors, which Barellan has strongly encouraged over the years.

A break at about 12.30pm was taken for a barbeque lunch and many took the opportunity to ask the coach many questions.

13 of the above shooters stayed for the afternoon shoot and all thoroughly enjoyed themselves, with some good scores being posted. The club provided an encouragement trophy for newcomers to the sport and Daryl Male shot 15/20, not bad for only coming to look!

The Barellan Clay Target Club would like to sincerely thank David for his tremendous contribution, to Charlie Strike and Allan Mulholland who helped advertise the Open day and to those people who donated cartridges or trophies or helped out in any way to make this a very successful day. Our ladies committee were again popular with the barbeque or later with afternoon tea. (Some shooters say they only come for the afternoon tea!!)

We look forward to seeing some of these novices come and join in with our monthly shoots as they have indicated they will. If we gain some new members that will be tremendous but if we succeed in only showing people safe gun handling procedures then the day was very worthwhile.

# Victorian North East Zone Skeet

The Victorian North East Zone Skeet shoot was held at Wangaratta Clay Target Club on Sunday September 18, 2005. There was a good turn up of shooters in all the minor grades but with only two AA Graders there were not many contenders to take out trophies in this section.

Dennis Savage from Albury/Wodonga won the NE Zone Singles after a short shoot off with Gil Farish from Wangaratta. This gave Dennis the Overall Sash and A Grade with Reg Petts (Albury/Wodonga) winning second. Gill Farish gained first and David Jackel won second in AA Grade. Phil Smith (Wangaratta) won B Grade and Marion Marino (Melbourne) gained second after a shoot off with Daryl Hunt (Wangaratta). Tim Donald (Wangaratta) won his first sash by taking out C Grade with Brian Reid (Wangaratta) gaining second.

The NE Zone Doubles was won by Gil Farish with a score of 49/50 and David Jackel taking second with a score of 48/50. Dennis Savage won A Grade with Gavin Barry (Wangaratta) taking second after a shoot off with another Wangaratta Junior shooter, Ben Jackel. Daryl Hunt shot an impressive 48/50 to win B Grade and one of our regular visitors Keith Fisher taking second. Brian Reid took out C Grade with Allan Green (Albury/Wodonga) winning second.

Gavin Barry won the Junior High Gun for the day with a score of 94/100.

# Narrabri Clay Target Club Annual Open Shoot

## 15th, 16th, 17th July 2005

The Narrabri Clay Target Club held its annual open shoot on 15th, 16th, 17th July 2005 with just over 50 shooters attending from Sydney, Cessnock, Singleton, Gunnedah, Moree, Warren, Cobar, Tamworth, Coonabarabran, Guyra, Lightning Ridge & Wollongong.

It was a bit cool with a Southerly breeze blowing most of the time with intermittent cloud cover that made the banded clays harder to see. Next year we are going to change to full fluro clays after talking to most of the shooters who seemed to like them best.

The advertised Friday night Deauville Doubles was put off until Saturday night due lack of numbers, so we had a bit of practice instead.

L to R Narrabri shooters Rod Johns, Brian Holcombe & Frank Atkinson

The first event on Saturday was 30 tgt Mixed targets with 5 possibles shot. Peter Fitzalan, Dubbo took out overall with 100/100, after a shoot off with AA grade winner Clyde Mitchell, Moree 98/100 with Allen Jones, Cessnock 55/56 taking out 2nd AA Grade. A grade went to Graeme Wilson, Tamworth with 64/65 with Brian Kniepp, Moree coming 2nd with 63/65. B grade was won by Charlie Saunders, Tamworth 49/50 with the old fella Henry Constable (now of Gunnedah) 2nd on 47/50 and C grade went to Jenny Smith from Lightning Ridge with 45/50 from Tony Polack, Cobar on 44/50.

The next event was 30 tgt Single Barrel saw Peter Holledge, Gunnedah winning overall with 29/30. Local Mark McInnes took out AA grade 29/31 after a shoot off with Peter Fitzalan, Dubbo 28/31 giving him 2nd. A grade saw Helen Gay from Singleton winning with 27/30 from Graeme Wilson, Tamworth 36/40. B grade went to Charlie Saunders, Tamworth 31/37 from Cath Riley Gunnedah 30/37. C grade was won by junior shooter Wil Saunders, Tamworth 27/34 with Gazza Porter, Gunnedah 26/34 (good shooting Wil).

The main event for Saturday was 50 tgt Double Barrel with surprising only one possible shot by the dark horse from Warren Malcolm Stephens with 50/50 which gave him a skinner to give him the Overall sash. Also we would like to thank the trappers, Rod and Eslyn Johns and ladies who worked tirelessly in the kitchen

Mathoura Gun Club was host to four full squads of shooters for their Friday night August clay target shoot. For a winter's night attendance, a very good roll-up, and a perfect night for shooting with mild conditions and not a breath of wind in sight.

With three double barrel events on for the night all competitors were keen to put in good scores, and the results were positive with plenty of possibles on the board.

Shooters came from a wide area for the competition including, Hay, Deniliquin Bamawm, Echuca, Moama, with all travellers pleased that the shoot ran very smooth and was all over including presentations by the early time of 11pm.

Event one was a ten target Double Barrel cash divide and six shooters shared the spoils being, B Kerslake, E McCullough, M Roberts, R Kerslake, W Kelvy and G Higgins. The night turned out to be a battle between father and son with Roger Kerslake and son Ben collecting all the major prizes.

Event Two, a 25 target Double Barrel and Roger Kerslake picked up the Overall Sash and B grade trophy without being contested as he was the only shooter to shoot all 25 targets clean, several shooters on one down fought it out for A grade, with E McCullough from Hay, taking it out on a score of 53/54, C grade went to Deniliquin Junior, Jack Collicoat on a very respectable 24/25.

Event Three, a 15 target Double Barrel with three places on offer and after a very short shoot off Ben Kerslake collected first place on a score of 19/19, 2nd was picked up by W Kelvy one down on 18/19, and third was local shooter Trevor Berryman, dropping out earlier on a 16/17 score. Club President Roger Kerslake thanked all who attended especially those that were keen enough to travel in the night.

# THE SPORT OF CLAY TARGET SHOOTING

The following is an excerpt from  
*The ACTA History and Records 1936 - 1992*  
Written by George Biggs

This book is available from the ACTA free of charge (except for postage and handling).

## THE BEGINNING

Australia's history of trapshooting involvement goes back somewhere in the 1890's. We have evidence of gun clubs operating in New South Wales, Tasmania, and Victoria as early as 1867 they were of course live bird shooting clubs.

It was a follow on from the sport of shooting in England where live pigeon shooting first became fashionable in England and on the Continent around 1850 and even earlier. We have reports that as far back as 1810 live pigeon shooting was gaining favour in some parts of the Continent.

W.W. Greener in his book "The Gun and its Development", published in England in 1900, briefly traces the origin of trap shooting. He writes that the origin can be traced back to the ancient pastime of Popinjay shooting, a game practiced by the ancient Greeks and the expert bowmen of medieval times. The Popinjay was a stuffed parrot or fowl placed upon the top of a pole, and used as a target. In some instances a live bird was used, a certain amount of liberty being given to it by a length of cord to secure it to the pole. The Toxophilite Society during the last century held frequent meetings for Popinjay shooting. The last recorded took place near Highgate in September 1792.

About the year 1856 live pigeon shooting was patronised by Lord Huntingfield, the Earl of Stamford and other noblemen and suddenly became fashionable. Since that time clubs were formed and grounds were reserved for this sport wherever the Anglo-Saxon race are found. The first fashionable resort for pigeon shooting near London was the 'Old Hats', a public house on the Uxbridge Road; it obtained its name from the pigeons used for shooting being placed in holes, covered with old hats which were the primitive pigeon traps used.

About the year 1879 a new type of trap shooting came into being; it was to be known as Glass Ball Shooting. Ira Payne and Captain Bogardas made this type of shooting fashionable in America. In England catapults were used to spring the balls, but in America spring traps were invented; these traps could be set to throw balls in any direction and at any height. At first the balls were of coloured glass, and filled with feathers so that there could be no dispute when they were broken. A special set of rules was drawn up covering the competition of glass ball shooting.

Australia's first registered clay target club, the Nobel Clay Bird Club, first came into being through the efforts of a small band of enthusiastic clay target shooters who in 1926 decided that they would prefer to shoot clay birds rather than live birds. So after seven months of fun shooting in a quarry at the back of I.C.I., a factory in West Footscray, a Melbourne suburb, it was decided that a club should be formed.

In the years between 1927 and 1936 numerous clay bird clubs were formed. They were affiliated with what was known as the Gun Clubs Association of Victoria. This was a live bird shooting body with headquarters at the original Melbourne Gun Club at Tottenham.

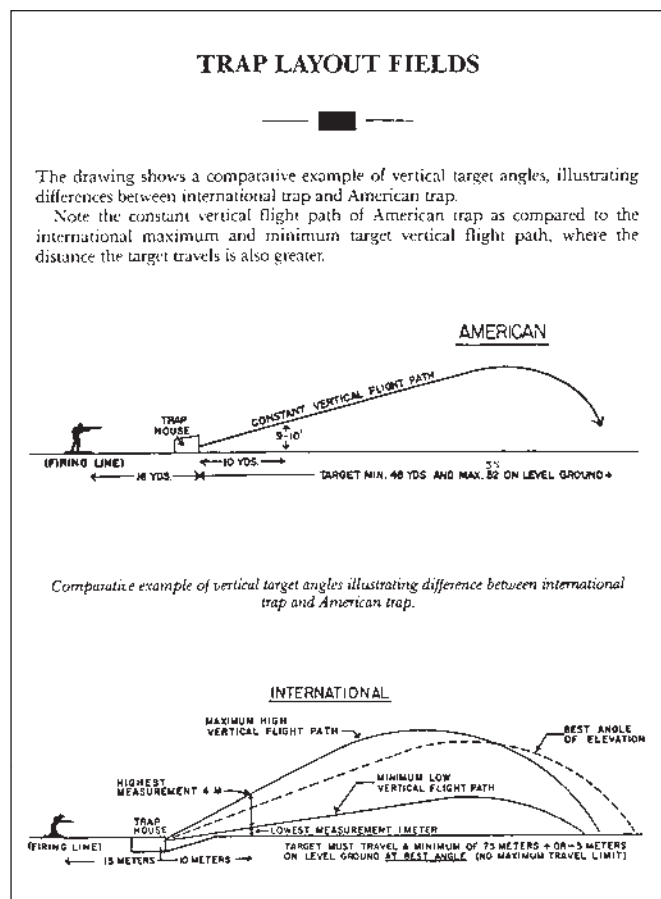

Although our early days of clay target shooting were centred in Melbourne in the 1920's, it was not long after that other parts of Australia followed on. Queensland was quick to join in with Townsville in 1920, St. George in 1937 and Cunnamulla 1938.

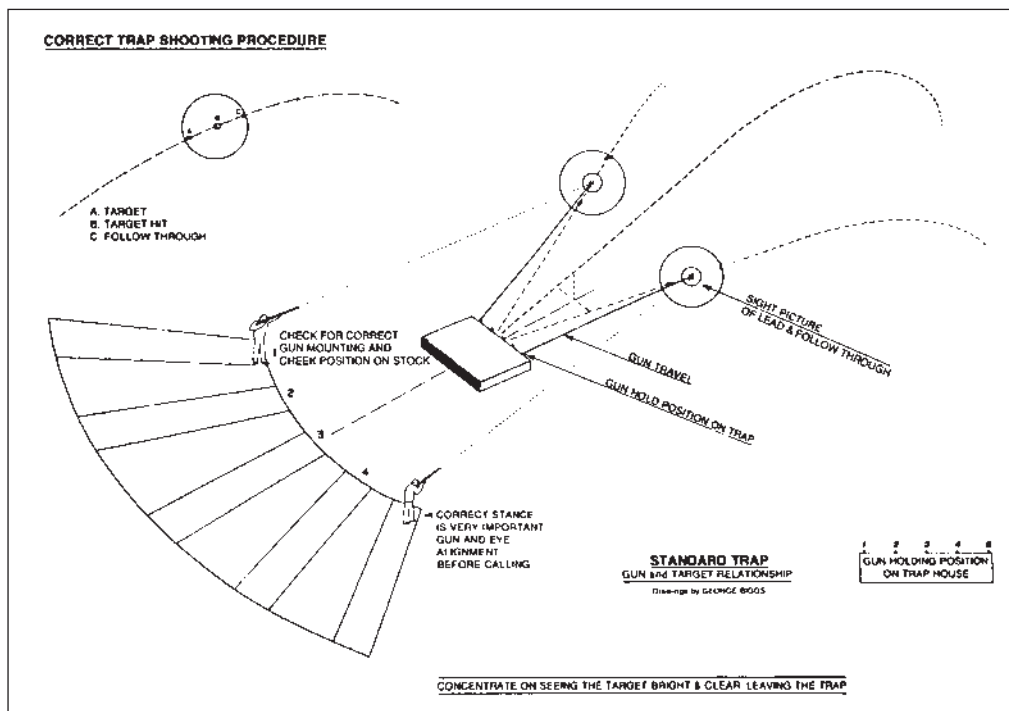

1936 was the year when Australia really began to shoot clay targets in an organised manner. Up to this time the Live Bird Association controlled clay target shooting and for obvious reasons it was apparent that we had to control our own type of trap shooting. At this time an association was formed to control the sport, it was known as the Australian Clay Pigeon Trap Shooting Association (ACPTSA), formed in 1936.

The outbreak of World War II in September 1939 brought to a halt the growth of clay target shooting in Australia. However, four or five clubs did hang on and managed to shoot at intervals throughout the most part of the war whenever it became possible to obtain targets or shells, which was not often.

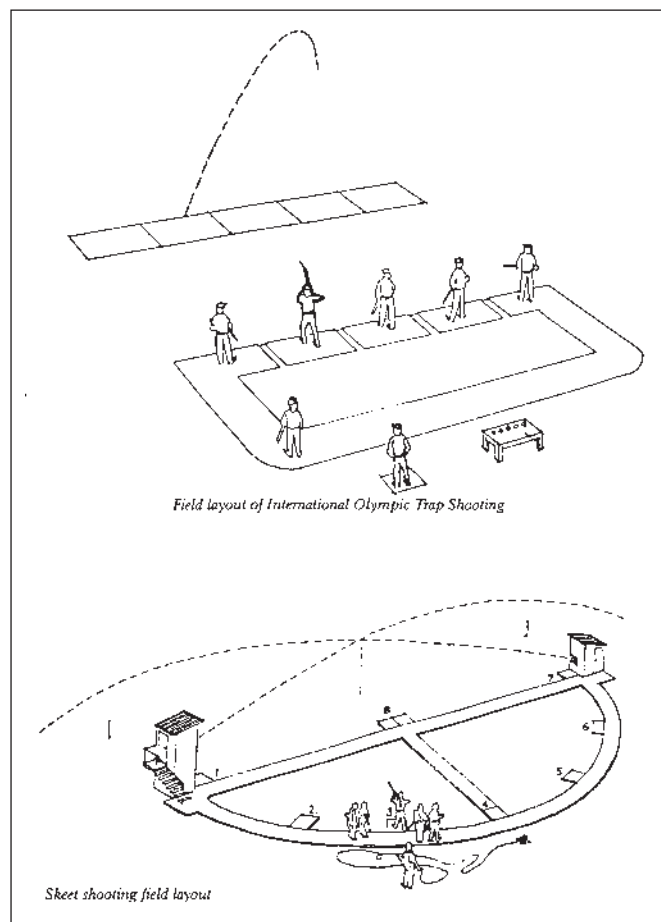

Clay targets and cartridges continued to be a big problem for several years after the war. It was getting on to 1950 before I.C.I. were able to produce the Australian made target and ammunition. Prior to this clays came from England, and our shells, mostly Winchester and Remington came from the U.S.A.

The Melbourne Olympic Games in 1956 was an excellent boost to Australian clay target shooting. We fielded a two-man team in

International trench shooting for the first time in our history. Standard trap and skeet were still the most popular disciplines of shooting, and by this time there were approximately 280 clubs affiliated with the ACPTSA.

Later in 1973 when the Melbourne Gun Club staged the World Moving Target Championships did the Australian shooter gain the opportunity to become International. It then became apparent that International Trap and Skeet Shooting was here to stay.

### The Disciplines

Trap shooting is a sport where a shotgun is used to shoot inanimate targets. A clay target is made of limestone and pitch it is shaped like an inverted saucer about 10cm in diameter and 2.5cm in height. It is brittle enough to be broken by pellets from the cartridge fired upon it.

A machine known as a trap, hence the name 'trap shooting' throws the target. This trap causes the target to rotate as it skims through the air in a horizontal position. It travels to a distance of a minimum of 45 metres,

maximum 55 metres. It leaves the trap, velocity wise, about 80 kilometres per hour. A 12 gauge shotgun fires a shell containing 28 grams of shot which spreads out as it travels towards the target. The target is usually hit when it has travelled around 30-35 metres from the gun, depending on how quick the shooter is.

Most targets are shot at from 15 metres behind the trap house, the main exception 'handicap' shooting where shooters are handicapped by metreage marks ranging from the 11 metre mark to a maximum of 25 metres. The shooters proceed through five lanes (tracks) behind the traphouse when in competition.

Skeet shooting originated in America in 1920. Its name is derived from the English spelling of the Scandinavian word for shoot. In the very beginning it was designed to provide a kind of substitute for live bird and game shooting, however it went much further than that to become a popular clay target shooting game.

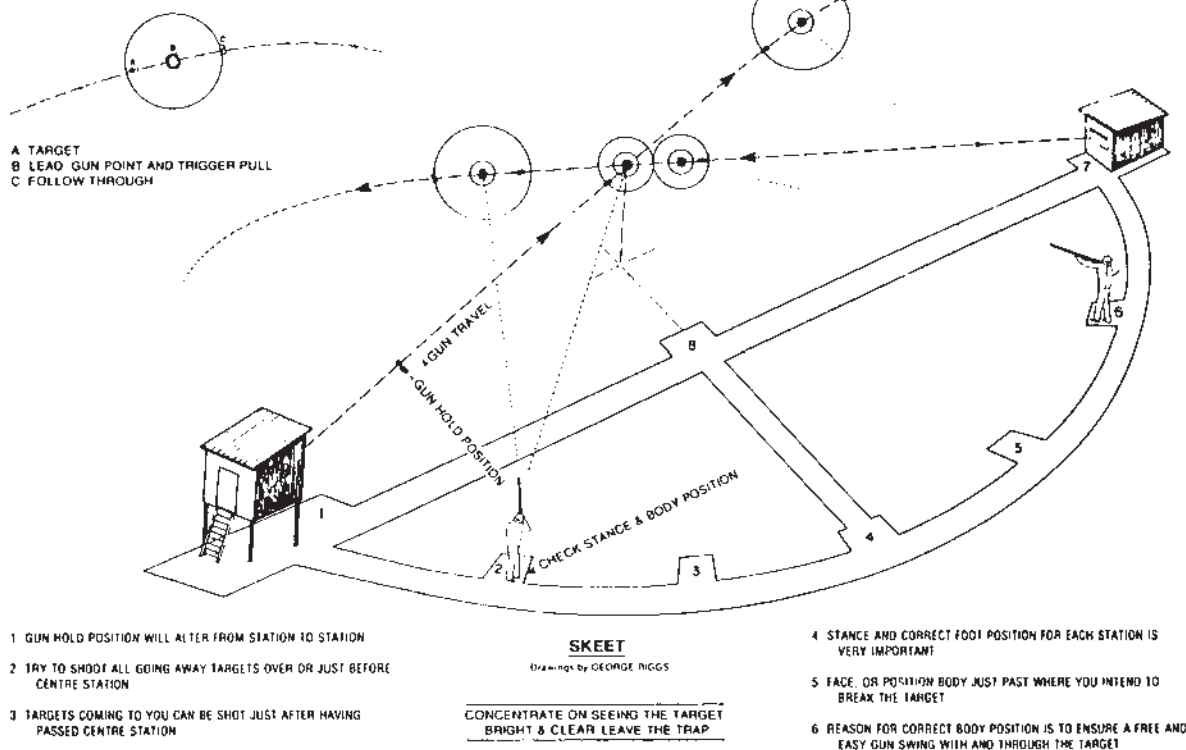

A round of standard skeet consists of 25 targets. The targets fly the same direction path. The field layout consists of a high house, a low house and eight shooting stations. At each station the shooter fires a target from the high house then one from the low house. Doubles are then shot from stations 1 2 6 & 7. This takes up 24 cartridges. The 24th shot is a repeat of his first miss, in the event the shooter breaks all his first 24 targets he then shoot his 25th from station 8 low. Only one shot at each target may be fired.

### International Disciplines

Known also, as the Olympic Disciplines of Trap (Trench) and Skeet (ISU) are competitions of 125 targets plus a 25 target final for the top six placegetters. The maximum shot load for both is 24 grams with a maximum pellet diameter of 2.5mm.

International Skeet uses the same field layout as Standard Skeet, with a different procedure of shooting from stations. The low gun position is used until the target appears this means that the gun holding position, prior to calling for the target, has the stock of the gun touching one's hip below the elbow. A variable target release system is used and the target is thrown up to 66 metres as against 50 metres for standard skeet. A three-second time delay, or part of, on the target release after the shooters call is another hazard for the shooter to contend with.

# **CORRECT SKEET SHOOTING PROCEDURE**

International Trap shooting has the trap house roof on the same level as the shooting stations and contains fixed type trap machines. The traps are fixed in groups of three in front of each shooting station. The centre trap of each group is adjusted to throw targets within an area 15° right or left of its centre line. The left trap throws within an area straight forward to 45° to the right and the right trap throws within an area opposite that of the left trap.

Elevations are individually adjusted so that at 10 metres from the trap the target has a minimum elevation of 102cm above the trap house roof to a maximum of 4 metres. Shooting stations are laid out on a straight line six metres to the rear of the centres of the machines. The release of targets is controlled by an electronic sensor so the shooter does not know which of the three traps immediately in front of him will release the target. Two shots may be fired at each target to score.

## **South West Zone/VCTA School Student Championship**

Amid screaming winter sunshine 237 students representing twenty three Schools/Colleges within the Zone competed at Noorat Clay Target Club in Western Victoria with two competitors achieving the possible 20/20.

The number of competitors was encouraging to the clay target sports and to the future.

A thank you to SW Zone members and the executive, Noorat Clay Target Club, Koroit Joinery Works, School staff and Winchester Ammunition Australia.

# WILKAWATT GUN CLUB ANNIVERSARY SHOOT

*by Hot Shot*

All roads led to Wilkawatt for the 29th Anniversary shoot of the Wilkawatt Gun Club, which was held on Saturday the 10th and Sunday the 11th of September. Visitors travelled from Kangaroo Island, Bordertown, Barmera, Southeast, Meningie, Adelaide and Victoria. On Saturday 32 shooters competed in overcast and breezy conditions.

50tgt Commonwealth C/ship winners (l-r) Peter Hendy (O/All & AA grade), Ben Lock (C grade), Mark Booker (B Grade), Lynn Beelitz (A grade)

The first event on Saturday was the 10tgt Continental Graded Cash Divide with P Fabris, R Andrews, D Beelitz, T Booker, P Johncock, L Beelitz, T Marshall, M Booker, S Byrnes & B Lock all shooting 10/10.

50tgt Commonwealth Continental Championship saw good scores come in with Peter Hendy winning the overall & AA grade with 80/80 from Bob Andrews 79/80. A grade was won by Lynn Beelitz with 50/50, shooting her first 50 in continental. 2nd was Jim Cornwell 56/57. B grade winner was Mark Booker 48/50 and Lisa Hawker 2nd 47/50. Ben Lock won C grade with 47/50, and Kevin Pfeiffer was 2nd with 44/50.

High Gun winners day 1 Lynn Beelitz (Overall) and Lisa Hawker (Ladies)

50tgt Anniversary D/B winners (l-r) Jim Cornwell (A grade) Ivan Pfeiffer (C grade), Mark Booker (B grade), Don Beelitz (O/All & AA grade)

Winners of the 50tgt Booker Family Mixed C/ship (l-r), Ben Lock (C grade), Lisa Hawker (B grade), Lynn Beelitz (A grade), Wayne Hawker (O/All & AA grade)

Next was the 50tgt Booker Family Mixed Championship, which brought in some more good scores until the double rise. The overall & AA grade was won by Wayne Hawker with 68/70, with Don Beelitz 2nd with 65/70. A grade was won by Lynn Beelitz with 64/70 and 2nd was Frank Albanese with 62/70. Lisa Hawker won B grade with 67/70 and Mark Booker 2nd with 62/70. C grade was won by Ben Lock with 59/70 and Mark Batten 2nd with 55/70.

The Open High Gun for the first day was won by an ecstatic Lynn Beelitz with 124/130. This was her first Open High Gun from the club. Ladies was won by Lisa Hawker 123/130 and Veterans was Phil Johncock 112/130.

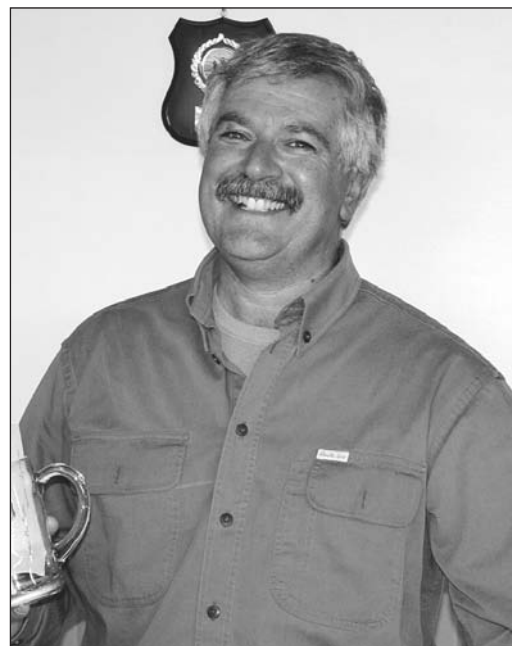

After presentations a delicious Webber tea and sweets concluded the day.

The weather on Sunday was a typical winters day with rain, hail wind and very cold. Although the conditions were not ideal, there were still some good scores coming in. Again 32 shooters competed.

The day started off with a 10tgt Double Barrel Graded Cash Divide with A Lock, P Fabris, R Andrews, K Strother,

Winning team Wilkawatt No1 (l-r) Don Beelitz, Jim Cornwell, Lynn Beelitz, Tony Lock, Peter Rundle

Day 2 High Gun winner Dino Oliviero

Day 2 High Gun winners (l-r) Ben Lock (C grade) Tony Lock (O/All & AA grade) Cliff Mayberry (Veterans) Mark Booker (B grade), Lynn Beelitz (A grade)

Winners of the Candy Canvas 30tgt P/S C/ship (l-r) Trevor Wohlfeil (C grade), Mark Booker (B grade), Keith Appenkamp (A grade) Tony Lock (O/All & AA grade)

L Beelitz B Lock all shooting 10/10. The 50tgt Anniversary Double Barrel Championship saw shooters shooting the first half in the rain and the second in the wind, but the overall and AA grade winner was Don Beelitz with 54/54 from Peter Fabris 53/54. A grade was won by Jim Cornwell 49/50 with Lynn Beelitz 2nd 47/50, B grade Mark Booker 52/57, with Cliff Mayberry 2nd 51/57, Ivan Pfeiffer won C grade with 44/50 and Trevor Wohlfeil was 2nd with 43/50.

By the next event the wind had picked up and I'm sure it was coming from the South Pole. The 30tgt Candy Canvas Pointscore Championship overall and AA grade winner was Tony Lock with 88/90, Dino Oliviero was 2nd with 87/90. A grade was won by Keith Appenkamp with 82/90 and Daridyn Hayward 2nd with 79/90. Mark Booker won B grade with 82/90 and Eddy Smith 2nd with 77/90. Trevor Wohlfeil won C grade with 74/96 and Ben Lock 2nd with 73/90. This event was shot in conjunction with the Killick & Whelan Team Shield which was won by the Wilkawatt no1 team which comprised of Don Beelitz, Lynn Beelitz, Jim Cornwell, Tony Lock and Peter Rundle.

After a shoot off, day 2 Open High Gun was won by Dino Oliviero with 165/170 and the Veterans was won by Cliff Mayberry with 126/150.

The Overall High Gun for the 2 days was won by Tony Lock who received a case of Winchester cartridges, A grade winner was Lynn Beelitz, B grade Mark Booker C grade Ben Lock who all received a half case of cartridges. Cliff Mayberry won the Veterans High Gun.

Those who stayed after the presentations all enjoyed a relaxing BBQ.

Thanks must go to all the club members who put in for the weekend, namely Rudy in the Kitchen, Ivan who kept the traps running smoothly, Lynn in the office, and all the referees and scorers. A big thank you to our supporters who contributed to the success of the weekend. They were Fisher Firearms, the Booker Family, Candy Canvas, and Bob and Linda Andrews.

# Cessnock Clay Target Club

A large field of 89 shooters toughed it out at Cessnock Clay Target Clubs L.J. Hooker one day Open Shoot on Sunday the 24th of July. Overcast skies and a slight breeze produced tricky conditions for the competitors who travelled from all over the state to compete in the championships.

Event 1 was a 25tgt D/B championship. Thirteen possibles were carded and Leo Pezzano from Cecil Park handled the difficult conditions with ease to win a short double barrel shoot off with a score of 78/78. David White (Cessnock) took 1st in AA with 77/78 and Alan Jones (Cessnock) took 2nd in AA with 74/75. Col Barton from Tamworth claimed A grade with 38/39 and Nick Tougelis 2nd with 37/38. Dominic Calino grabbed B grade on 31/33 from G Balderston 30/33. C grade saw another shoot off with Rick Bannerman getting around Junior Brett Main 27/28 26/28.

Event 2 was the NSW Firearm Safety and Training Council Handicap. First prize for this event was a new Bruno 22 Calibre Rifle and many shooters were keen to see this prize take pride of place in there gun safe. However only two shooters returned possibles, Neal Annersley from Newcastle Lake Macquarie and Ken Saunders and they shot it out for the major prize. Neal prevailed in another short shoot off 29/29 from Ken on 28/29. The Major prize decided the 24 club then slugged it out for the minor placing's. Dominic Carlino was the best of the rest claiming 3rd with 41/42 from David White 4th with 40/42 and Jeff Nash 39/41.

Last event for the day was a 50 target mixed 25DB/25PS championship. Vince Gatt and Mick Bajada both from Cecil Park made the scorers find the red pen, and shot it off in quickly fading light with Vince prevailing 112/112 Mick took A grade with 109/112. N Papadatos and Theo Lionatis shot off for AA grade with Nick

winning on 117/120 and Theo 2nd on 115/120. A Grade was won by club president Craig Main, and his son cleaned up C grade with 91/100 from 2nd placed Rick Bannerman.

Overall High Gun for the Weekend was a very popular Mick Bajada from Cecil Park. With a 147/150 which was a very good score shot under some tough conditions. Peter Fitzalan from Dubbo claimed the Veterans, and Helen Gay from Camel Hill won the Ladies from a strong field. Nick Papadatos won the Junior High Gun with some very competitive shooting. Brett Main and Rick Bannerman shot off for the C Grade High Gun in the dark. Competition between the two couldn't have been any tighter all day, with Rick eventually pulling a second on the last target in the dark to hand Brett the win. Who was quiet pleased with claiming his first sash.

Cessnock Gun club would like to thank the many shooters who travelled great distances to attend this shoot and make it the success that it is. As we all know clubs and our sport in general flourish because of the keenness of all that travel to attend shoots and put the time in to run them. Whether it is their favourite Open shoot or their next favourite, with out this support all clubs would not enjoy the success they do.

It is sad that this will be the last July Open shoot that Cessnock will host for the foreseeable future. But it is a decision that will hopefully produce a bigger and better event with next year seeing Cessnock host the Northern Zone Carnival on the 27/28 May 2006. Regardless of what zone you're from we hope to see you there. We plan on making it a shoot not to miss, as it has been over 20 year since Cessnock last hosted a Zone Carnival. We are keen to make it every bit as good as our November 2 day Open shoot which is shaping up to be bigger and better than ever. Hope to see you at them both.

# Leeton Clay Target Club Open Day

## 31st July 2005

Ideal conditions greeted the 25 people who ventured to the LTCTC range at Merungle Hill Leeton on 31/07/05. What a contrast from 3 months ago when red dirt was the background to shoot the black clays. Now we had a lovely green pasture and brilliant red fluoro targets.

The proceedings got under way at 0930 with a safety talk and introduction to the coaches, Fred Schmetzer, Bob Blake, Charlie Strike and the Shoot Marshalls, Noel McDermott and Gary Tabain.

After preliminary Gun fit exercises and discussions the novices, whom all except three were school age, got down to the business of busting clays. Most took to it like ducks to water and were soon breaking 4 out of 5 clays single barrel.

Then followed a sausage sizzle and they devoured the best part of 6KGs of snags (hungry work, breaking clays) cooked by club president Noel and Gary Wilson. Whilst eating, all took the opportunity to read up on the booklet, 'An Introduction to Clay Target Shooting' provided by the ACTA to whom we owe thanks.

Also to be thanked are the hard working Ass. Sec. Julie and her daughter who enrolled and name tagged all visitors, Barbara who kept the food and drinks up and the club members and coaches who assisted me on the day.

Lastly the day would not of been the success it was without the members of the public who came out to try their hand at our sport and the club gained some additional members who joined up straight away.

# High Dome just got easier to Miss!

WHITE  FLYER.

When White Flyer first came out with the high dome targets they changed the industry.

Shooters and clubs were drawn to their excellent visual profile, low levels of accidental breakage and great shooting satisfaction – but so too were the imitators.

Now White Flyer have once again gone one better by producing a biodegradable high dome target without sacrificing performance.

Not only are conventional targets made from coal tar pitch, hazardous to handle, they also leave unsightly shards and form a toxic layer over the top of the ground. **Our targets are easy to miss because they break down completely and safely into the ground itself.**

The reason for this is more practical than saving mother earth. It's about having better looking club grounds now and maintaining the value of your site for the future. **Ultimately it's a choice that protects your club and the sport you love.**

**WOW!**  
**BIODEGRADABLE**  
**FOR 1/2 ¢ MORE!**

White Flyer is the largest clay target manufacturer in the world and make over a **billion** targets a year. They are also the preferred supplier to The Grand American Trap Shoot where 5 million targets are thrown with an accidental breakage rate of only **.5%**

## "BERETTA SHOOTING SYSTEM" GLASSES.

The Beretta Shooting System is designed to fit different shooting styles as well as the unique differences of the face. These aircraft aluminium frames use high quality Ophthalmic components: Spring hinges, adjustable nasal bridge, temple tips and nose pad. The cases come with 3 lenses and can hold up to 5 with one set in the frame. The moulded, foam lined case includes a pair of side shields, micro fleece cleaning cloth and small screwdriver. OC31-31
