# Australia's No. 1

## Automatic Double Rise / Single / Continental -Trap

- Designed and Manufactured in Australia
- Over 300 units in operation throughout Australia since 1996
- Specifically designed for ACTA competition ( not an imported compromise)
- Record scores achieved at the 2004 National at Wagga Wagga
- Changes from singles to doubles with the flick of a switch
- Patent curved throwing arm , throws the narrowest legal double rise of any single arm trap
- in the world (angle between pairs)
- Manufactured to the highest quality standards with full warranty

### D.T.L. Automatic Double Rise / Single / Continental (all in one)

- Special Arm imparts more spin on standard targets at standard distance
- Double / Single target selection by means of switch
- 360 Target Hopper Capacity (standard)
- Unpredictable Target Trajectory
- Truly Random Target angle distribution
- State of the Art Controller and solid state Relays ( no moving parts)
- Arm powered by tapered leaf spring & one way bearing
- Cocking Cycle (2.5 sec.)
- Each motor controlled separately ( 3 total ) 240 vac or 110 vac
- All components powder coated or Zinc plated

**\$7,325**  
plus GST

**\$8,500**  
plus GST  
PER PAIR

### Skeet / Sporting & Olympic Trap

- Skeet complete with ISSF control timer ( random 0 – 3 sec.)
- Unique Pivot arrangement, allows arm pivot to remain in the same position irrespective of vertical & horizontal angles
- Precise graduation for vertical & horizontal angle setting
- Hopper capacity (standard) Skeet 250 each, Trap 200 each

### Controllers & Accessories

- Gemini 2000 Olympic trap controller featuring 16 digit readout, fully automatic score keeping & time delay(double trap)

### Gemini 2000 DTL Voice Activated Release System

- Response Time 0.1 – 0.2 sec, (100 – 200 mil/sec.)
- Complete stand alone System
- Fully automatic, 5 microphone system
- No adjustment required
- Available in 240 vac /110 vac or 12vdc
- Suitable for all makes of traps
- Available without stands at reduced cost
- Semi automatic Skeet system made to order

**\$1,045**  
plus GST

# NSW Clay Target Association 2005 State Trap Carnival

The National Shooting Ground at Wagga Wagga was again the venue for the NSW State Trap carnival conducted as usual on the long weekend in October.

Attendance was excellent with 264 competitors being the maximum for one of the championships. In the Double Barrel 82 competitors shot the possible equal to last years! 8 in the Handicap, 13 Single Barrel and 21 in the Pointscore.

Single Barrel winner Robert Thompson

## NSWCTA Champion Of Champions - 50t sponsored by RIO Corsivia

Shooting commenced on Friday with the first event, the 2005 State Champion of Champions sponsored by RIO Corsivia being won by Sox Pilipasidis with a score of 199/200. There were 207 competitors. 2nd C Pat Green; 1st C Jess Munro; 2nd B Lynne Blake; 1st B Andy Sanders; 2nd A Karl Wiczorek; 1st A Robert Machul; 2nd AA Craig Bentley; 1st AA Glen Hayden; 1st W Helen Overton; 1st J Glen Barton; 1st S/J Ben Norris; 1st V John Kent

Friday night saw the introduction of a change in format, with the Zone Teams

Double Barrel winner Sam Amey, Paul Watchorn NSWCTA Executive, Lynne Teal NSWCTA President

being presented, photos taken and a light supper served, all reports have been positive.

## Zone Shoulder to Shoulder Teams Match

Men: Western Zone Cliff Overton; Wayne Hawkins; Robert Thompson; Paul Tattam; Brian Manns

Women: Northern Zone Tanya Marshall; Helen Gay; Bernie Seve

Juniors: Central Zone Ronald Lawrence; Robert Hunt; Jake Johnstone

Veterans: Western Zone Kevin Heywood; Frank O'Neill; Peter Fitzalan

## NSWCTA Single Barrel Championship - 50t sponsored by Gambarms VIP Cartridges

O/A Robert Thompson; 2nd C Trina Watchorn; 1st C Margaret Coddington; 2nd B Lauren Duthie; 1st B Charles Saunders; 2nd A Robert Dunn; 1st A Don Power; 2nd AA Tony O'Leary; 1st AA Stephen Guest; 1st W Helen Overton; 1st J Brendan Burgess; 1st S/J Ben Norris; 1st V Robert Dunn

## NSWCTA Double Barrel Championship - 50t sponsored by Winchester

O/A Sam Amey; 2nd C Jacob Allen; 1st C William Saunders; 2nd B Ross Norris; 1st B Mal Tilley; 2nd A Tony Alvaro; 1st A Don Power; 2nd AA Sam Clifford; 1st AA Clive Foster; 1st W Glenniss Lawrence;

Overall winner Champion of Champions Sox Pilipasidis

1st J Matthew Waugh; 1st S/J William Saunders; 1st V Jeff Nash

## NSWCTA Pointscore Championship -

50t sponsored by Horsley Park & Mirage O/A Sam Clifford; 2nd C Pat Green; 1st C Robert Fulwood-Hosking; 2nd B Laetisha Scanlan; 1st B Doug Harris; 2nd A Ziad Alameddine; 1st A Ben Norris; 2nd AA Brad Henshall; 1st AA Sox Pilipasidis; 1st W Helen Overton; 1st J Glen Barton; 1st S/J Ben Norris; 1st V Stafford Smith

## NSWCTA Handicap - 50t sponsored by GRH Transport

1st John Laspina; 2nd Brian Doyle; 3rd Stephen Guest; 4th Bryan Manns; 5th Mark Rogers

Sunday night saw the continuation of the traditional Barbecue dinner provided by the NSWCTA followed by nibbles and the Footy Grand Final on the Big Screen TV. Special thanks to Lyn Blake, Sandra Haley, Nev Teale, Jack Allen, Bill Jones, Garth Hosking & Robert, and the Executives who got the crowd fed.

## NSWCTA Double Rise Championship - 25pr sponsored by Singleton RetroVision

Overall Winner Sam Amey 68/70; 2nd C Jacob Allen; 1st C Robert Fulwood-Hosking; 2nd B Tom Brandon; 1st B Laetisha Scanlan; 2nd A Brett McKinnon; 1st A Robert Dunn; 2nd AA Chris Brandon; 1st AA Ross

Handicap winner John Laspina with Garth Hosking, GRH Transport

Overall winner Pointscore Sam Clifford with Lynne Teal, NSWCTA President and Daryl Pasfield NSWCTA Executive

Sam Amey Overall winner Double Rise with Neal Gay, Singleton RetroVision

# NATIONAL PRESIDENT'S NOTES

*Bill Jones*

The NSWCTA State Championship was held recently at the National Ground. Excellent scores were recorded. 82 possibles from a field of 264 in the Double Barrel or 31%. Sam Amey going on to 397 to take the event. Generally speaking the new traps performed well. Some fine tuning may be necessary before next Year's Nationals and World DTL.

David Coleman & I attended the first follow on ISSF Junior camp for those selected from our DTL Development squad September 24th & 25th. Melbourne Gun Club provided the venue(thanks Bob), with Greg Chan, Grahame Boyd & Adam Vella in charge of coaching & the Victorian Institute of Sport supporting with lectures on Hydration, Nutrition & Mental Strategy, world class information for all of us to follow. The junior shooters adapted well & recorded some credible scores.

I am pleased to report thanks to the effort of Greg Chan & the support of the ASA, now called Australian International Shooting Ltd(AISL), these camps will become a permanent feature of the Junior Calendar.

The "Pathway for Juniors" is now in place all that is needed is solid effort.

# Toronto RSL Cup & Mick Smith Cup

The Toronto RSL Memorial Mick Smith Cup was held at NLMCTC over the weekend of 27th and 28th AUGUST 2005.

*Toronto Rsl Cup Kev Raymond, Frank Searles(winner), Ross McLean*

Saturdays, competition started in fine conditions and the competitors were treated to another great layout set up by Graeme Hayes, Frank Searles and their willing gang of workers. These guys do a great job on the novelty field shoots and this is greatly appreciated by all the shooters whom attended. The early rounds in the Toronto RSL Memorial were hotly contested with Doug Rose and Frank Searles setting the pace with solid rounds, Dan Baskerville, Bob Clifton one target behind. Working hard in the grades Alan Bauer managed to fend off Russell McLoy. Russell, a junior shot his best round last almost over coming a six-target deficit to Alan to be beaten by one target in B grade. Back at the pointy end of the field Frank eventually took line honours on 88/100 with Dan Baskerville 2nd and Michael Ling topping off a consistent day to finish on 87/100 winning A grade. Wayne Taylor shooting a solid 60/100 to take out C grade.

Sunday morning saw the running of the Mick Smith Cup. This cup is always a prized trophy and this year with Micks passing held even more significance. The shoot got under way and we were honoured to have Micks sons Michael and Howard amongst the field. Searles'y and Dan Baskerville jumped straight out of the blocks with 24's to set the pace early. Greg Robinson's perfect 25 in the second round keeping him in touch with the leaders. Surprisingly Greg's 25 was the only one of the day but a even spread of scores through the grades stood testimony to the well thought out layout the competition was held over.

*Graham Gosling, Leone Fitness (fire brigade)*

Warren Hayes pulled one out of the bag winning B grade shooting a personal best score 23/25 The smile on Wazza's face said it all, well done mate.

Len Lilley, shooting 4 rounds of 22 took the A grade trophy, fortunately for Len he didn't miss the same targets in each round.

Dan Baskerville proved to good at the end of the day with a top score of 93/100, 4 shots clear of the field. The winners were presented with their trophies kindly donated by our great sponsor Mick Smith Gun Shop, for which the club is most grateful for their support.

*Dan Baskerville(Mick Smith Cup winner), Ross McLean*

The committee and members of NLMCTC would like to thank all shooters and their families who travelled to our club for their support and we look forward to seeing you again.

This year the Awaba Volunteer Bush Fire Brigade was the charity the club supported over this weekend. The fire brigade looked after us wonderfully well in the kitchen and all profits for the weekend were given to them, as well the shooters contributed over \$800 to this worthwhile course. They were very pleased to have received this support from the shooters who attended. Well-done guy's, girls.

***The Staff at the National Office of the Australian Clay Target Association, Andrew, Cheryll, Diane, Maureen, Mandy & Dave would like to wish all readers & their families a happy, safe Christmas & New Year.***

***We take this opportunity to inform you that the National Office will be CLOSED for a short break over the Christmas period. The office will close at 3pm Friday, 16 December, re-opening on Tuesday, 3 January 2006.***

***Merry Christmas & Happy New Year***

# Echuca Shoots Trench

October 9th at Echuca Clay Target Club seven full squads of shooters arrive to test themselves in the 50 target Trench event included in the three events on for the day. A clear fine day with a few gusts of wind made competition comfortable for the shooters, and although there were some of the best shooters on hand, with the targets really going the full 85 meters or better no one was able to post a full score in the Trench event.

Craig Fitzgerald being congratulated by President Ron Traill for OA & A Trench

Local member Craig Fitzgerald shot brilliantly to score an impressive 46/50 to collect Overall & A grade honours, second in A was J Elliot 49/54, 1st in B grade was club President Ron Traill on 40/50, 2nd in B Ian Phillips 37/50, C grade 1st was Rod Flower 40/50, & C 2nd was Steve Traill on 36/50.

The first event on the program was a 25 target Single Barrel, and Overall & C grade went to relatively new shooter Warrick Kelvy having a good day out, on a very good score of 29/31, C 2nd went to D Faulkner, AA 1st was G Elliott 28/31, AA 2nd J Elliot 26/28, A grade 1st S Traill 26/29, A 2nd W Wende 25/29, B 1st B Harbor 23/28, and B 2nd was Michael Harbor on 22/28.

The final event was a 25 target Double Barrel, of which the Overall was finally decided shooting off on the 18-meter mark, with Jamie Elliot lasting out to collect Overall & AA grade with an 69/69 score, AA 2nd was R Flower 68/69, A 1st S Traill 46/47, A 2nd Allen Patten 41/42, B grade 1st M Harbor 24/25, B 2nd P Sing 21/25, C grade 1st W Kelvy 23/25, & C 2nd E Mitchell with a 23/27 score.

Echuca Committee was pleased with the excellent attendance and surprised that local members shot so well after all the hours of work being done at the club preparing for the November Victorian State Carnival.

**Murray Roberts.**

Warrick Kelvy OA and C SB

Jamie Elliot OA & AA double barrel

Thank you to our sponsors whose support gives more back to the shooters. Thank you to all the shooters that attended the carnival and especially to those who assisted in any way towards making the carnival a success. We look forward to seeing you all again next year at Wagga.

# Riverina Ramblings

**The adventures of a couple of ordinary blokes in the Eastern Riverina**

Like many before me and I sincerely hope many after me I have been severely bitten by the DTL bug quite recently.

My father in law, Brian Joy is likewise heavily addicted and has been for a long time. Brian, familiar to many of you, is the President of the Callawadda-Stawell club and is to blame.

Being married to the daughter of a trap shooter has a great side benefit in that it would appear to be completely natural for her man to get up on Sunday morning have a squiz at the Blue book grab the 682 and head off to a shoot. Previously firing up the Bandit and going off to a Biekie Rally somewhere didn't exactly thrill the pants off her.

So it was on the 25th of September (after having mowed the green stuff) (after all even the daughters of trap shooter's are still female) with my good mate Peter Whitlock (Pee Wee) we decided to tackle the Junee Club which was having a Pre -State 100 target Double Barrel.

There wasn't a huge role up but there where people from as far a field as Dubbo and a friendlier group of people I am yet to meet. Top organisation, a great effort from the Ladies with what I confess was one of the best afternoon teas I have yet experienced.

The day was warm with a moderate breeze from the West blowing straight over our backs flattening the birds a bit and carrying the threat of rain

I knew PeeWee and I where in trouble when Wayne Storer and Peter Kenyon pulled in. These blokes have been great mentors to me in my shooting infancy and they can shoot a bit.

Peter Kenyon

As it turned out Peter Kenyon put together a 161 target score including the eye opener and shoot off without pulling a second for the day. In anyone's book that is shooting the sh\_t out of them. Fair Dinkum P.K you need to leave a few breeders.

Pee Wee shot 160 before dropping a bird so he had a good day and of course if he got himself a Beretta instead of that girls gun he may have been able to push P.K a bit harder.

I was lucky to get the B grade with a scratchy 95/100 (P.K needs to watch me to see how to pull a second) so I was pretty chuffed as a couple of months ago Pee Wee said he hadn't seen

a worse shooter of straight away targets in his life. Always a great to get a professional opinion.

It was back to earth last weekend at the NSW State Carnival but that's a story for another time. Junee shoots the 4th Sunday of the Month, get along and see if you can knock P.K off, I reckon we will have to invite Clive Foster down for the weekend as he seems to be going alright.

*Cheers, keep knocking chips off 'em*

*Chris Levitzke*

# Randolf Ranger SHOOTING GLASSES

Offering the best in safety and target enhancement.

With a total compliment of colours, these 2.5mm thick shatterproof polycarbonate interchangeable lenses provide outstanding optical clarity, absorb 100% UV rays and offer maximum protection from debris and other hazards.

- Lightweight, High-tech Alloy Frames

- Two Frame Sizes: 66mm and 68mm

- **Ranger Frame** – Two Colours: Matt Black & Gold

- **XL Ranger Frame** (Adjustable Nose Bridge) – Two Colours: Matt Chrome & Black

Glasses are available as a set with 3 lenses or as a full set with 12 lenses.

Recommended for low light conditions:

**CLEAR, PALE YELLOW, YELLOW, MEDIUM YELLOW.**

Recommended for average light conditions:

**SUNSET ORANGE, ORANGE, VERMILLION, LIGHT PURPLE.**

Recommended for intense light conditions:

**DEEP PURPLE, BROWN, RANGER BRONZE, GREY.**

## NOW Randolph introduce ColorMag™ Technology

CHANGING THE WAY SHOOTERS SEE ORANGE.

This revolutionary cutting edge technology intensifies orange targets against any colour background.

**ColorMag™** Technology amplifies the energy available in the orange region of the light spectrum and increases the contrast between the background and the target. **ColorMag™** automatically adjusts to changing light conditions and can deliver up to 250% more orange light than a standard lens of comparable overall transmission.

Exclusively available from:

**EARMOLD AUSTRALIA**

5/1 Quality Court, Wynn Vale, South Australia 5127

# NSWCTA ISSF CARNIVAL REVIEW

Friday 2nd September dawned bright and sunny at Cecil Park for this years state carnival, however as the 10am start time approached so did the cloud cover. Patchy light conditions coupled with the brown background (thanks to the drought in NSW) made shooting very difficult for the 30 competitors lined up for the Double Trap. Tom Turner led the way into the final however Geoff Lancaster was able to overcome his lead to take a narrow victory and the red sash. Loz Lloyd took the Ladies and Myles Brown-Cole, one of our Kiwi visitors took the Junior Sash. (see photo) The Northern Zone Mens Team of G Lancaster, D White and K Bourke was victorious over the Western Zone Team. Full results and Teams available on [www.nswcta.org](http://www.nswcta.org)

*ISSF Double Trap Sash winners*

*ISSF Trap Sash Winners*

Saturday saw similar cloudy conditions greet 64 Trap and 11 Skeet competitors, including 5 Kiwi's who took advantage of the Victorian and NSW carnivals being consecutive weekends to make a great shooting holiday. A cool breeze added to the poor light and background conditions made for some of the toughest shooting conditions many had encountered (little did we know that Sunday would see drizzling rain added to our woes) making for a disappointing score board for most and an interesting leader board.

Sunday and we were away early to make up time to enable Finals to be shot (although not programmed they were requested by an overwhelming majority). Remarkably the only possible in trap was shot in the first round today, fantastic shooting by Nic Azmar. As is usually the case with ISSF disciplines, the cream rose to the top with Jeff Tonna going into the final with 2 targets in hand from Michael Diamond and several other regulars. Michael shot a great final (22 in very difficult conditions) to take the victory from Jeff. Meanwhile down at the Skeet range it was the usual family squabble with Clive Barton just staying ahead of George to take another State Title. Full results and Teams available on [www.nswcta.org](http://www.nswcta.org)

It was great to see the numbers increasing at this carnival again this year including many of our elite shooters and interstate and overseas visitors.

Much of the increase in numbers must be due to the fantastic sponsorship given by Beretta Australia and the Safety Awareness Council, it was greatly appreciated by all the shooters. Many thanks also to Dave McLeod and his team at Cecil Park for hosting this event.

## Townsville Gun Club

It was a great day for all who attended the shoot on Sunday 18/09/05. A big interest was shown by all local and visiting competitors in the new addition of 'The Tower Shoot' to Townsville's already established features, which proved to be an event in which most competitors nominated and enjoyed immensely. No doubt, this will become another one of Townsville's many attractions to the club for present and future members and visitors.

A special mention should be given to all of our junior competitors who are growing in numbers, and are showing a great deal of promise due to the benefit of the collaborative and generous coaching experience proved by the 'more experienced' shooters to guide them in their aspirations in their chosen sport. Especially impressive were the talents demonstrated by M Carty shooting 25/25 in the 25T DB and R Haddow, taking out the overall point score competition for the day with a score of 72/75. Both boys are 15 and 16 respectively and are showing real promise in their chosen sport. Well done Boys!

We look forward to you all attending the future competitions coming to Townsville and encourage all those interested to come along for a great day out not only to participate in the events of the day, but also to enjoy the hospitality that the Townsville Club has to offer, not to mention the great morning teas and lunches prepared by the dedicated 'ladies in the kitchen' at each event. We hope to see you soon,

Full results are in the Shoot result section.

# 30TH ANNUAL GOLDEN CLAY SHOOT COBAR CLAY TARGET CLUB

## 19TH, 20TH AND 21ST AUGUST 2005

The Committee and members of Cobar Clay Target Club had spent a lot of time preparing for their 30th Annual Golden Clay Shoot. The grounds and club looked great and there was even some green grass around.

Overall winner of Far Western District Pointscore Championship Chris Salafia

We had received some tremendous support from sponsors especially our major sponsors Coates Hire who provided the excellent lighting, which is still the talk of Cobar, KML who supplied the complimentary shooters towels, Milperra Marketing Express who sponsored the Handicap and Linatex who sponsored the overall Highgun. Our event sponsors where: Bushwakka Swags, Cobar Bowling and Golf Club, Cobar Blue Team, Cook and Black Automotive, Corsivia Clays, Endeavor Mines, Gambarms, Patties Pies and Sundowner Motor Inns Pty Ltd. We also received support from Arthur & Leanne Turner, ATMR, Cassella Wines, Beretta Australia, Burgess Supa IGA, Chippy's Transport, Cross Roads Motel, Doumani Bros Retravision, Everyday Mine Services, Empire Hotel, The Hawkins Family, Hiway Motel and Symes Shooting Supplies.

Practice was available from 2pm Friday afternoon and plenty of visitors and locals took the opportunity to have a practice before competition began.

6.30pm Friday evening and shooting commenced with 130 shooters contesting the 30 target Far Western District Gambarms Night Point Score Championship. The additional lights provided by Coates Hire made the targets look easy, and Brendan

Overall winner Far Western District Cook and Black Double Rise Championship, Glen Harvey

Overall winner Far Western District Cobar Bowling and Golf Club Double Barrel Championship, Stephen Guest

Overall winner Marfeesh Milperra Marketing Handicap, Damien Harbison with Craig Tilley (Milperra Marketing)

Ladies Highgun winner, Kerri Wythe

Barry Yates, C Grade Highgun winner, with Jo Cain representing Coates

Peter Ford, B Grade Highgun winner, with Cobar CTC President Bryan Manns

AA Grade Highgun winner, Glen Hayden being congratulated by Bryan Manns, Cobar CTC President

Burgess put an early possible on the board. Rain and wind hampered the latter squads and at the end Brendan Burgess had the only possible on the board and won overall. Byran Manns won 1st in AA Grade with 113/114, Phil Grainger 112/114.

By Saturday morning the rain had gone, the sun was shining and there was a little breeze, pretty good shooting conditions. 183 shooters nominated Saturday for the 3rd event the 30 target Far Western District Sundowner Motor Inn Pointscore Championship. There was 8 possibles shot. Chris Salafia won the shootoff with a score of 293/294, Glen Hayden 1st AA Grade 292/294 and Stephen Guest 2nd AA grade 224/225. Event 4 was the 45 target Endeavor Mine Medley. 7 possibles were shot and Nathan McDonald was the winner with 175/175, Chet Auditore and David Caccioppoli spilt 1st and 2nd AA Grade both with 224/225. Event 5 was the 30 target Far Western District Cobar Bowling and Golf Club Double Barrel. 58 possibles were shot. The shoot off continued under lights and Stephen Guest was the eventual winner with 192/192 with Arty Del-Ben 1st AA Grade 191/192.

While the Double Barrel Shoot off continued the rest of us enjoyed happy hour. This was followed by an excellent meal and wine supplied by Casella Wines and the calcutta. Our auctioneer did a marvellous job and the calcutta ended up being worth just under \$10,000.

Sunday morning was again a fine day and the breakfast cooked by the kitchen staff again proved popular with shooters. First up on Sunday was event 6 30 target Far Western District Patties Pies Single Barrel Championship and 190 shooters were nominated. There were 15 possibles and after the shoot off Glen Harvey was overall winner with a score of 73/74, Wayde Hawkins won 1st in AA Grade. Event 7 was

the 30 target Marfeesh Milperra Marketing Handicap. This was also the event that the calcutta was run on. 21 possibles were shot and after an entertaining shoot off local shooter Damien Harbison was the winner with a score of 71/71, 2nd was Simon Gee 70/71, equal third Gary Kilmartin and Aaron Turner 67/67, and fifth Brendan Burgess 62/63. The last event on the program was the 15 pair Far Western District Cook and Black Double Rise Championship. Glen Harvey shot the only possible to win his 2nd Championship for the weekend.

Brendan Burgess had again enjoyed success in the NSW Junior Masters winning all four titles. The five person teams event was won by the Noorat Bombers, Glen Hayden, Phil Grainger, Sam Clifford, Gary Hayden and Arty Del-Ben.

The womens Highgun was won by Kerri Wythe 257/285, Veterans Peter Fitzalan 270/285, Junior Brendan Burgess 276/285,

Chris Salafia, Overall Highgun and 30th Golden Clay winner

AA Grade Highgun winner, Glen Harvey

C Grade Barry Yates 259/285, B Grade Peter Ford 262/285, A Grade Glen Harvey 278/285, AA Grade Glen Hayden 281/285 and Overall Chris Salafia 282/285.

Following presentations a BBQ tea was provided for sponsors, club members and those shooters who were leaving the long drive home until Monday.

At the presentations, the Club's President, Bryan Manns, expressed the appreciation of the club to all their sponsors. Byran also thanked all 190 shooters (a new record) for attending our 30th Annual Golden Clay.

The Committee and members hope everyone had a safe trip home and we look forward to seeing everyone next year for our 31st Annual Golden Clay shoot.

See Shoot Results for full programme results.

# Psychological Skills for Shooting

by Michael Kruger-Davis

## WITH WINNING IN MIND

I would like to claim credit for the title of this article, but I can't. It is actually the title of a book by Lanny Basham, President of an international consulting firm on Mental Management and former World champion and Olympic Gold medallist shooter. At the recent NSWCTA trap carnival I was shown some of the latest material on mental skills available by Ray Mack of Earmold Australia. Ray kindly gave me a copy of *With Winning in Mind* to review.

I now have a substantial library of sport psychology texts and it is hard to pick up a new one and think that there will be some new material that will hold my attention or make me think of things differently. But this book does. It's not all new and it's not all rocket science but it is written with an easy to read style and mixes anecdotes with theory to make the process real for the reader.

The book is written in four sections: Firstly; What is Mental Management? In this section Basham explores Performance. Secondly: Building the Conscious Cycle, next; Building the Subconscious Cycle, and finally: Building the Self-Image Cycle.

Looking at the first section of the book, Basham introduces the reader to what his mental management system is and why he believes that it is important. He believes that the basic tenet of Mental Management is "the process of maximising the probability of having consistent mental performance, under pressure, on demand". Basham provides a series of anecdotes from his own sporting career and recalls that when he won the Olympics the actual performance seemed easy because he was able to balance three mental components: the Conscious mind, the Subconscious mind and the Self-image. The process of developing a mental management system focuses on integrating these components, developing each to its full potential and keeping a careful balance between them.

Basham gives a very good definition of what he means by each component: The conscious mind is the source of your thoughts and mental pictures. It controls all of the senses: seeing, hearing, smelling, tasting and touching. When you think about something or picture it, it is the conscious mind that holds the images in your mind. The Subconscious mind is the source of your skills and power to perform. Most things we do we do subconsciously, we develop them through repetition, learning and the tasks become automatic. It also houses all your past experiences, good and bad. Finally, the self-image makes you act like you. This is the total of all your habits and

your beliefs and attitudes. In here, which is still part of the subconscious, there are also the judgements, good and bad our present and past experiences. When trying to explain the difference between the conscious and subconscious you need to picture a glass of beer. A good beer has a frothy head that's about half an inch and the rest is the beer. If we imagine the froth as our conscious mind and the beer as our subconscious mind then we will begin to see why the subconscious is so powerful. It is much bigger and holds greater influence over our decision making because it is where our beliefs, attitudes and judgements are stored.

Basham believes that there are ten principles of mental management that work for all people all the time and are applicable for sport performance, business success and personal development. The Principles of Mental Management are listed below:

1. Your mind can only concentrate on one thing at a time. If you are picturing something positive in your mind, it is impossible, at the same time, to picture something negative. And if you have a negative thought, you cannot, at the same time, think positively.
2. What you say is not important. What you cause yourself or others to picture is crucial.
3. The subconscious mind is the source of all mental power.
4. The subconscious mind moves you to do whatever the conscious mind is picturing.
5. Self-image and performance are always equal. To change your performance you must first change your self-image.
6. You can replace the self-image you have with the self-image you want, thereby permanently changing performance.
7. When the Conscious, Subconscious, and self-image are all balanced and working together, good performance is easy.
8. The principle of Reinforcement. The more we think about, talk about, and write about something happening, we improve the probability of that thing happening.
9. The Self-image cannot tell the difference between what actually happens and what is vividly imagined.
10. We value things in direct proportion to the price we pay for them.

What I found interesting in reading *With Winning in Mind* is that most of these principles have been explored or dealt with in some way in previous articles that have appeared in the CTSN. As I stated earlier, most of what is in his book is not new but he does incorporate the basics of sports psychology and puts them in an easy to read and easy to apply format. This is a relatively good resource and can form the basis of an individual mental management program if some of the athletes' underlying beliefs, attitudes and thoughts are understood first.

Next month I will continue and complete the review of this book. In the mean time, and without making this sound too much like an advertisement, the book and the other Mental Management System resources: DVD's, and CD's are available through Earmold Australia. I am often asked about articles from previous editions, so I have put together all the articles that I have written for the CTSN, (and some that have not yet been submitted) on CD. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy please send cheque or money order to me at the address below.

### A Joint Statement by the Brisbane Gun Club and Tania Burke

As most ACTA members would be aware there has been a dispute between the Brisbane Gun Club and Tania Burke.

The parties regret that the matter has proceeded this far but are happy to advise that the matter has been amicably resolved. The Brisbane Gun Club welcomes Tania back to the Club.

# APPROVED RULE CHANGES

*Shooters are reminded that the National Executive at its June meeting approved the following rule changes effective 1 January 2006:*

## RULE 1.23(b)

Delete in full and replace with:-

(b) Grades shall be: AA 93% and over; A 82% and under 93%; B 70% and under 82%; C under 70%.

## RULE 2.01(e)

Delete in full and replace with:-

(e) "Grades shall be: AA 97% and over; A 94% and under 97%; B 87% and under 94%; C under 87%."

## RULE 2.01(i)

Delete "...at a time."

## RULE 2.01(m)

Delete in full and replace with:-

(m) A shooter must not shoot in a grade higher than his best performance. Once having attained a grade he cannot elect to remain in a higher grade when due for regrading.

## RULE 2.01

Add new paragraph (r) at end -

(r) Upgrading of shooters is limited to one grade at a time.

## RULE 2.03

Renumber sub-paragraph (b) to (c)

## RULE 2.03(a)

Delete "No shooter will reduce more than one (1) metre in any year. Any forward movement is optional."

## RULE 2.03(a)

Delete "may" and replace with "will"

## RULE 2.03(b)

Add new paragraph (b) -

(b) When downgrading occurs (e.g. A to B) a shooter's handicap will return to the minimum meterage for that grade, providing no earned meterage above the minimum has applied under the handicapping formula.

## RULE 3.01(b)

Delete "50 targets"

## RULE 3.22(k)

Delete in full and replace with:-

(k) At the completion of qualification in a Double Barrel event club management have the right to decide on the method for finalisation of the event.

## RULE 3.24(b)

Delete in full and replace with:-

(b) The High Gun for a shoot shall be over the advertised program comprising a minimum of two events. High gun shootoff procedures can be determined by club management.

## RULE 3.28(a)i

Delete "100 targets or 125 targets" and replace with "any number of targets"

## RULE 3.28(a)ii

Delete "125 targets" and replace with "any number of targets"

## RULE 3.29(a)iv

Delete in full.

## RULE 3.31(d)

Delete in full and replace with:-

(d) Grades shall be: AA 93% and over; A 82% and under 93%; B 70% and under 82%; C under 70%.

As the world leader in voice activated trap release systems, Canterbury has launched two brand new products:

**DTL WIRELESS:** Bolts onto standard microphones. New technology has improved performance and lowered service issues. Simple installation. Makes handicap events a breeze. Upgrade Kit: AU\$1695 + GST

### MINI-AUTO SPORTER:

Got a spare trap? This controller runs 4 traps on a DTL/Skeet layout to give you a simple Sporting field. Operates automatically over CVR microphones giving 25 targets per round, 3 singles & 1 pair each station.

Controller: AU\$1095 + GST  
Contact: Canterbury Voice Release Intl Ltd,  
E-mail: bruce@cvr.co.nz  
TEL: 0011 643 356 0327  
FAX: 0011 643 356 0328

Proving themselves the best in the business:

**TRAPMASTER singles/doubles -**  
holds 600 targets - perfect target presentation.  
**CONTINENTAL OPTION AVAILABLE**

**CRUSADER single -** as used in the 2002 World DTL  
Champs - low base or compact - full windage  
adjustment - easy to install and operate.

**DTL, ISSE, CONTINENTAL, BALL TRAP & SKEET  
OPTIONS**

*All with remote safety, unreadable interrupt, sleep mode, target and cycle counter.*

# 2005 New South Wales Skeet Carnival

In a field of 50 competitors, the State 20 gauge Championship was won by Gil Farish shooting 87/87 who was presented with the G Brothers trophy. AA grade was won by Ron Nicholson 86/87, and A grade by Mauro Conti 56/58, B Grade by Paul Talone 47/50, C Grade by John Eckel 54/58. Womens by Nancy Badewitz 35/50, Veterans by John Guberina 48/50, Junior winner for 2nd year in a row Thomas Dent 47/50, Sub Junior Mathew Maloney 41/50.

State Skeet Handicap results Jess Sheather emerged to collect the red sash & the Coleman/Aberley perpetual shield introduced last year. Doug Moorby, Nick Williams Ntinou Lougas and Alf Najjar filled the placings. Total competitors for the event 68, up from last years numbers.

State Skeet Championship this year contested by 78 shooters, also up on last years numbers. The James Norman Memorial Shield introduced 2002, sponsorship by Colin Sim. \$500 prize money went to the overall winner and \$100 to each grade plus \$100 to the Junior winner. The State Skeet Championship was won by Ian Stewart 103/104. AA grade was won by Tony Vallelonga, A grade by Frank Marcellino, who won B Grade last year, well done Frank, B grade by Stephen Newcombe, C grade by Ntinou Lougas, Women's by Nancy Badewitz, Veterans by John Cunningham, Juniors by Thomas Dent who won the Sub Junior last year and sub juniors by Mathew Maloney.

The final two events on the Sunday commenced with the 50 target

NSWCTA Championship. Adrian Lucchitti again claimed the winners sash for this event 104/104. AA grade was won by Gil Farish, A grade was won by Denis Savage, Peter McWilliam won B grade and Brendan Walsh claimed C grade trophy. Veteran by Les Aberley, Womens by Carina Cavallaro, Juniors by Thomas Dent and Sub Junior by Mathew Maloney.

The Hawkeye Shield Zone Teams match was won by Riverina Zone, Dennis Savage, Reg Petts and David Coleman score of 145/150. 2 Man Team Event won by Adrian Lucchitti and Julian Lucchitti 383/400. The 3 Person Club team event was won by NSW Gun Club 438/450, Scott Wright, Thomas Dent and Tony Vallelonga.

The final event was the Rooke Family Trophy, State Skeet Doubles Championship contested over 25 pair of targets. Craig O'Neil finished the winner shooting a possible 50/50. Adrian Lucchitti won AA grade, Paul Talone A grade, Stephan Newcombe B grade and John Eckel C grade. Veterans Alf Najjar, Womens Carina Cavallaro, Junior Thomas Dent, Sub Junior Mathew Maloney.

The High Gun for the weekend was won by Craig O'Neil with a top score of 321/330 Clarke/ Wright High Gun Trophy was presented, Open Team High Gun was taken out by Adrian Lucchitti 197/200.

The much sort after State Shoulder to Shoulder Team places going to Adrian Lucchitti, Ian Stewart, Tony Vallelonga, Thomas Dent, and Peter Vella. Veterans Team John Guberina, John Cunningham, Reg Petts. Womens Carina Cavallaro, Nancy Badewitz & Melinda Nivala.

Once again, thank you to our sponsors Colin Sim, Wagga Gun Club, RIO Corsiva (sponsors of our cartridge trophies.

## \$1,000 Prize Pool

The ACTA is happy to announce the following incentive for the 2006 National ISSF Skeet Championships:

- For each perfect round in the ISSF Skeet Championships (ie 25/25) the respective shooter will be awarded one (1) share in the prize pool.
  - \* The round must be a competition round, either qualification or final
  - \* The round score is the competition score, after all protests and penalties.
- The prize pool will be divided equally by the number of shares at the end of competition.
  - \* If no shares are awarded, the prize pool jackpots to the next National ISSF Skeet Championships.

Competition is open equally for Men and Women  
for shares in the prize pool.

# NORTH WEST ZONE

## SCHOOL STUDENTS SHOOT

The North West Zone School Students shoot was held at the Jeparit Gun Club on 17th of August and was sponsored by Winchester & North West Zone. The day was fine and sunny but windy, which was making the conditions tricky for shooting single barrel.

Students from 20 schools/colleges attended with a total of 149 students competing for the individual and team trophies. The shooting commenced at approximately 10.00am with some of the students having travelled long distances to attend the shoot, so we could finish the program in good time. Most of the students should have arrived home in good time apart from a bus load of Swan Hill shooters. The club had three layouts in operation with the students

*Anthony Post with Section Winners*

having two visits to the traps. The zone would like to thank the committee members and club members for refereeing, and scoring with the assistance of parents and the teachers. Anthony Broad and Rhys Hendricksen with scores of 18/20 lined up to shoot off for the overall sash with Anthony winning after three rounds.

Winchester rep, Anthony Post presented the overall winners sash to Anthony with a score of 30/35 from the Boort Secondary College, and the winning team was McKillop Secondary College with a score of 62/80.

See Victorian shoot results section for full results.

*Doug Harris.Sec/Treas.*

*Overall Winner, Anthony Broad*

*Winning team, McKillop Secondary College*

## *Ocean Gem Resort Apartments*

Situated in one of the most beautiful and scenic areas on the NSW North Coast.

Only minutes from the Jetty Harbour, the pristine Coffs Coast, beaches and the popular Jetty Strip, this is definitely a holiday to relax and enjoy.

Dear Your Say

RE: D/Barrel & Long Shoot-offs

I have been asked to correspond with you to consider an idea or two for D/B events and long shoot-offs.

Firstly, I agree in part with Merve McNight Oct issue, where shooting 200-300 at small clubs is ludicrous to win a 25 tgt event. It's a waste of time and money all round and let's face it, it becomes more of a marathon than proof of best shooter winning.

To reduce the long shoot-offs committee option to revert to P/S after 100, is not popular. In some circles, as they say it is D/B not P/S which I think most shooters would agree with, however, the cost is always borne by the Club. If we wish to retain our unique competition of D/B shooting it is time for serious compromise. We could widen the angles to what they were and increase the distance, like it was??

OR shoot all D/B off 18 metres which has been suggested, OR my humble idea, if you want to shoot large breaks shooter pays for their targets in shoot-off, eg, shoot 50 pay \$7.50. I suggest this idea as long shoot-offs are a financial nightmare for all clubs large or small. We have all seen shooters in long shoot-offs have to buy more or borrow shells to continue, so why not pay for targets??

Just because it has been like that does not mean it can not change. LIKE THEY SAY, USER PAYS, clubs would be able to provide better prizes and facilities if we help.

**Colin Dunn**  
**Member No 33448.**

Dear Your Say,

I would just like to quickly comment on two things, the first thing being the Double Barrel debate. I believe that going to Pointscore is not the way to go in all situations. I agree that the smaller country clubs may use pointscore to cut the time and cost of double barrel shoot offs at a club shoot which may only have a few shooters in hand, but at National, State, and Zone level it is not right.

Double Barrel is not a precision shooting event like pointscore and single barrel, it's an endurance event which requires lengthy bouts of concentration, fitness and stamina. Going to points after a hundred shoot off targets changes completely what double barrel is all about.

Lets look at it from another angle. Its Ok for those who have been in the sport for years and had ample opportunity to shoot a decent break but what about the guys coming into the sport now. There are a lot of new people coming into the sport who want to have the opportunity to shoot a two, three even six hundred but can't do it because of the fact that other people are whinging that it takes too long, or it costs extra money in targets. If takes too long start it earlier, if it costs too much put a couple of dollars extra on the double barrel nomination, run it under lights if you have to, there are other ways.

Believe it or not there are a lot of people who enjoy double barrel, I mean isn't this usually the event that has the highest amount of

nominations at any state or national carnival? There are a lot of people who will travel miles and pay good money to be given the opportunity to shoot a decent double barrel so let's not dismiss it so easily. Hopefully we can put our heads together and come up with a way of successfully continuing the tradition of this wonderful event.

Concluding this letter I just want to congratulate Cobar Gun club on the running of their Annual Gold Clay shoot. This year was the first year I attended this shoot and apart from feeling the affects of a big night Saturday night, I had an absolute ball. Any one who hasn't been there before, get yourself up there. The targets are great, the hospitality and friendship is fantastic and the shoot is very well run.

Guys well done, I will be back there and I'll be bringing a few people with me!

**Chett Auditore**  
**Member No. 51789**

Dear Your Say

I would like to make some comments on the issue of ported guns and, I expect open up a heated debate about these nuisance firearms.

At the last two trap shoots I have attended, I have been squadded with shooters using these awful things, one on each side of me. The noise and subsequent concussion blast coming from these guns had, by the end of the day, left me feeling as though I had just gone ten rounds with Mike Tyson as well as giving me a raging headache.

The problem is particularly bad in DTL, as the angle of the porting seem to match the angle of the lanes and leaves us with no where to go. For me the pressure wave blast can be felt through my face and on my chest and I can actually feel the buffeting on my ear muffs. The problem is less pronounced in Skeet as the shooter can move away and out of the range of the pressure wave blast.

In this litigious society we now live in, it is only a matter of time before the Lawyers become involved and the ACTA finds itself defending the indefensible.

There is a solution to this in the short term, and that is where possible Clubs squad the users of there offensive devices together, that way they can all beat each other up with their noise and blast waves without causing discomfort to the wider membership. As most clubs I now visit use nomination form to collect shooter information it should be no trouble to add an addition box (PORTED GUN Yes/No), Club officials can then, to the best of their ability, squad these shooters together. The long term solution is to ban there devices altogether.

Let the debate rage.

**Richard Rackermann**  
**Member 11610**

Dear Your Say

Congratulations to the Committee & Helpers, plus the ladies in the canteen at the Annual Wangaratta 2 day shoot I shot ok. But no chocolate's.

Now I would like to touch on the \$10 levy it is not so much the amount after all my sum's say it only equates to 83.3 cents per month or 20.8 cents per week. It's not a lot of money. But why hasn't it been explained more fully where the money is going and why. Audits should be done and sent to the Zone Presidents & Clubs. Also what are the consequences for shooters or the clubs if they don't comply. " Please Explain".

I believe that there are over 13,000 ACTA members but only get 2 to 5 letters per mag. Come on shooters get organised put pen to paper write some stories & jokes and send them in.

That said I would like to wish shooters & families a VERY HAPPY XMAS AND A GREAT "06".

PS How would you know when your pen run's out of invisible ink?

**Merve McKnight**  
**Member 32133**

Dear Your Say

Gary Jenkins letter in the November 2005 CTSN highlights the frustration that many of our members share, that our current grading and percentage rules provide a means and a temptation for many to manipulate the system.

Debate is certainly intensifying with regard to the grading system of our sport and the ease in which shooters can remain a grade of their choice.

Clay target shooters are by and large conservative in nature and resist change, however I believe this is one area of common unrest and one area unitedly we seek the ACTA to address.

After much consultation with many of my peers in the sport, I believe the current grading and percentage rules for all disciplines, except sporting, administered by the ACTA, should be repealed and replaced with a running percentage system.

Under this proposal, each shooter would have a current percentage rather than a grade, which is adjusted under current rule arrangements.

For example, Shooter A is 97.5%, shooter B 92.1% Shooter C 86.9% and so on.

At Club level, given the number of competitors, the Club Management would decide on the number of divisions to be contested. For example, 15 shooters nominate, Management decides to split the field into 3 divisions, endeavouring to have even numbers in each division. Division 1 would have 5 shooters, and

depending upon their current percentage, this may be from 98.3% to 96.5%. Division 2, the next 5 shooters, which may be 96.4% to 91.7%, and division 3 the remaining 5 shooters, their running percentages being 89% to 81.5%.

The Club Management will decide the number of divisions and therefore the percentage range on the day of competition. A competitor therefore does not know what division he/she may be in, be it at the top of one division or possibly the bottom of another, until the conclusion of the first event. This would therefore negate the current rule routing and require a competitor to perform at their best ability at all times.

Under this proposal, it allows for an even distribution of cash divide dividends and trophy value across the divisions, where currently a C grade beating say 2 others in his grade receives the same trophy as an A grader beating, say 20 others in his grade.

At larger Club shoots, Zone, State and National Carnivals, 4 divisions would exist, with even distribution of competitors between the 4 divisions.

Gone will be the shooters prior knowledge that he/she will be the big fish in A, B or C grade because of performance manipulation.

Other advantages of this system would be no longer tying grades to handicap mark, the ability to use our current record book, Club Management will have a greater control over their own procedures given small numbers may be in attendance, and cheating targets will become irrelevant.

Please consider this proposal and I invite your thoughts and feedback through your Zone and State Associations to the ACTA.

# Western Zone Continental Carnival

## Brewarrina Clay Target Club

The Brewarrina Clay Target Club held its annual two day Continental shoot incorporating the Western Zone Continental Carnival over the weekend of 17th and 18th September 2005 with a record 60 competitors attending from Cunnamulla, Bendigo, Narromine, Warren, Orange, Moree, Werribee, Broken Hill, Hermidale, Coonamble, Bega, Cobar, and Lake Macquarie.

Sash winners

R Thompson Overall High Gun

(Warren) getting 2nd with 29/33. Best Lady was H Overton (Brewarrina) with 29/30, best Junior was J Newbigging with 27/30 and Veteran's was shared between Wally Ramsay (Cunnamulla) and Jim Manns (Cobar) with 25/30.

Event 3 was the 15Pr Double Rise Western Zone Continental Championship,

Leigh Knight (Bendigo) emerged the overall winner after the shoot off, with a score of 55/60 over Colin Betts (Brewarrina) with a score of 54/60, first in A grade was Button Powell (Hermidale) 25/30, 2nd in A grade was Gary Jones (Cobar) 33/40, B Grade was won by D Boydell (Moree) 23/30 and 2nd went to Paul Marett (Brewarrina) 30/40. T Polack won C Grade with 22/30 with Jenny Smith (Warren) getting 2nd with 20/30. Best Lady was D Boydell (Moree) with 23/30, best Junior was J Newbigging with 19/30 and best Veteran was Wally Rae (Narromine) with 21/30.

Event 4 was the 20pr Deauville Doubles Western Zone Continental

Championship. Bryan Manns and Robert Thompson (Cobar) were the only pair to finish on a score of 20/20. Colin Betts and Noel Cooper (Brewarrina) emerged in 2nd place after a shoot off with a score of 19/21.

Sunday competition commenced with event 5, which was the 20T Double Barrel Continental Cash Divide and 13 shooters split the money.

Event 6 was the 30T Mixed Targets Western Zone Continental Championship, Colin Betts (Brewarrina) shot the possible and won Overall and AA with a score of 50/50, Cliff Overton (Brewarrina) and Robert Thompson (Cobar) split 2nd with 68/70. David Miller (Cobar) won A grade 98/100 with Jim Manns (Cobar) being 2nd with 96/100, B Grade was won by Peter Van Beuzekom (Brewarrina) with 47/50 over Noel Cooper (Brewarrina) with 56/60. J Newbigging won C Grade with 44/50 with Jenny Smith (Warren) getting 2nd with 43/50. Best Lady was H Overton (Brewarrina) with 53/60, best Junior was J Newbigging with 44/50 and Veteran was Jim Manns (Cobar) with 48/50.

Event 7 was the 30T Pointscore Western Zone Continental Championship, Bryan Manns (Cobar) emerged the winner after the shoot off, with a score of 146/147, with Robert Thompson (Cobar) finishing 2nd with 145/147. First in A grade results was Button Powell (Hermidale) 97/99, 2nd in A grade was Gary Jones (Cobar) 96/99, B Grade was won by Noel Cooper (Brewarrina) 86/90 and 2nd went to Rex Morris (Cobar) 85/90. Jenny Smith (Warren) won C Grade with 78/90 with Nancy Kilmartin (Hermidale) getting 2nd with 77/90. Best Lady was Wendy Wellan (Broken Hill) with 86/90, best Junior was J Newbigging with 70/90 and Veteran was Jim Manns (Cobar) with 82/90.

Last event was the 30T Single Barrel Western Zone Continental Championship, with local shooter Colin Betts winning Overall and AA grade with the score of 50/50, 2nd was Robert Thompson (Cobar) with a score of 49/50. A Grade was won by Wendy Wellan (Broken Hill) with 43/44 beating David Miller (Cobar) with 39/42. D Wells (Cobar) won B Grade with 34/38 and Eddie Mills (Cunnamulla) scored 2nd with 39/44. Tony Polack (Cobar) won C grade with 27/30 and J Blewitt (Lake Macquarie) getting 2nd with 26/30. Best Lady was Wendy Wellan (Broken Hill) with 30/30, best Junior was J Newbigging with 22/30 and Veteran was Jim Manns (Cobar) with 27/30.

Overall High Gun was won by Robert Thompson (Cobar) with a score of 262/270, A Grade was Button Powell (Hermidale) with 255/270, B Grade was D Wells with 236/270, C Grade was Tony Polack with 226/270, Ladies was Wendy Wellan (Broken Hill) with 244/270, Junior was J Newbigging with 236/270 and Veteran was Jim Manns (Cobar) with 236/370.

The Club thanks the sponsors, all the ladies for the superb meals and all the members who assisted and the travelling shooters to make this a very successful shoot.

Colin Betts Single Barrel OA

# Frankston-Australian Clay Target Club Combined DTL and Skeet Shoot

**Sunday 25th September**

With the ground looking immaculate, the sun shining and a temperature of 19 degrees, it had to be a good day, and it was.

First Event 15 target points. 5 shot the possible: P Mills, S Zotti, D Barnes, T Bisevic and C Drendel. Second Event Frankston-Australian Challenge. This event comprises 30 target double barrel, 30 target points, 30 target single barrel and pays \$1500 cash to the shooter

## Ararat shooter wins at Lilydale

Ararat shooter Marc Crimmins won the State A grade Olympic Double Trap championship at Lilydale and is now in contention for Commonwealth Games' selection.

After taking some time away from shooting this year, local shooter Marc Crimmins in one step closer to realising his dream of competing in the Melbourne Commonwealth Games next year after winning the Victorian State A grade Olympic Double Trap championship at Lilydale.

Crimmins held out a strong field which included Olympians Russell Mark, Adam Vella and Tom Turner. Under pressure, Crimmins shot 46 out of 50 in the final to claim the title.

The win earned Crimmins a place in the Victorian squad and will no doubt make an impression on selectors for the Commonwealth Games' team.

Crimmins decided to take a break from shooting in May and his return has produced some fine shooting.

"I've come back in terrific form," said Crimmins.

"I have finished strongly in every comp I've entered over the last few weeks."

Crimmins is a part of Australia's Commonwealth Games' training squad which currently features the nation's top ten shotgunners.

Crimmins will shoot off in an elimination process against fellow squad members next week and in October to decide two positions on the Australian team for next year's Commonwealth Games.

Despite having some stiff competition to contend with, Crimmins is sure he can put forward a strong performance in the team eliminations.

His confidence has progressively grown since returning to shooting and with form on his side Crimmins is keen to give his best shot at making the Australian team for the Melbourne Commonwealth Games.

Crimmins had pursued coaching up-and-coming shooters this season but has put it on hold for now to focus on his own shooting.

"It has given me the opportunity to concentrate purely on my own performance and reaching my goals," he said.

Marc Crimmins

who shoots the perfect score. Peter Mills has been knocking on the door recently, being 1 or 2 points off the mark, but last shoot claimed 'this is mine' and followed up with a perfect exhibition. I must point out that the prize for this shoot was originally \$500 but nobody shot it cleanly, so it went up to \$1000 and still sat there, so it went up to \$1500 we reckon we are still in front at the moment.

The Scores: AA: 1st P Drennan 145/150, 2nd E Ellison 154/170. A: 1st S Zotti 146/150, 2nd C Widdows 154/170. B: 1st C Findlay 136/150, 2nd G Speary 132/150. C: 1st L Potoczny 138/150 2nd Z Potoczny 123/150.

Third Event Mialls Gun Shop Briley 100 Skeet Handicap

John Mialls, good friend and supporter of the Club provided a set of 20 Briley tubes for the winner. Club member, Peter Watkins donated \$500 to provide 2nd, 3rd and 4th prizes, with the Club making up 5th, the ladies and junior prizes

The scores: 1st M Marino 122/128, 2nd C Hanson 117/123, 3rd G Farish 107/108, 4th D Parsell 102/108, 5th B Attwood, 1st Ladies L Watson, 1st Junior A Sottosanto.

The afternoon concluded with a welcome BBQ provided by Club member, Andrew Hall. Sincere thanks to the sponsors and donors, the officials and volunteers, for the successful and smooth operation of the shoot, and also most importantly to the shooters for their support

## NSWCTA ISSF Grand Prix

The NSW ISSF Carnival on the first weekend of September was also the final round of the first NSWCTA ISSF Grand Prix series. With a total of eleven clubs and almost one hundred and fifty shooters participating it was a truly state wide event. Although the Double Trap - Bryan Manns, Cobar and Skeet - Clive Barton, Tamworth - results were fairly cut & dried, the Trap went down to the wire with the first 100 targets of the State Titles determining the winners as follows: -

Overall Tony Cantali 299/325

1st A Fil Petriella 284/325

1st B John Coaker 248/325

1st C Michael McNabb 194/325

Many thanks to all those who participated, and special thanks to the host clubs and their workers who make the event possible. After discussion with many of the participants it was agreed that for 2006 the registration fee would increase to \$10 (once for the year) and a fee of \$5 for each event (all participants). When registering please give a contact phone number and email address so that you can be kept up to date with dates/changes etc. Also with the website now up and running results will be posted on the website - [www.nswcta.org](http://www.nswcta.org)

# Victorian State Continental Pointscore Championship

On Saturday 24th September the Euroa Clay target Club conducted the Victorian State Continental Pointscore Championship.

Shooting conditions were far from perfect with plenty of cloud cover making some of the targets quite hard to spot as they disappeared into the hill in the background. Another distraction was the AFL Grand Final being telecast in the clubrooms with it appearing that the Eagles might have a win. The Swans made their winning move after we had all packed up.

However it was the Club President, Rob Barns who emerged with the winning score of 144/150 for Overall and AA grade. John King managed 139/150 for A grade, Don Collihole potted 130/150 for B grade and a new member of the Euroa Club, and Brad Kubeil scored 120/150 in C grade to win his first sash.

The supporting event was the "Eurack" D/B Championship, which is an event sponsored by one of the local Bull Farmers. However it was

a wheat farmer, one Jim Kelly from St James who took home the Sash. He scored 34/34 for B grade and Overall from the local Bull Farmer who dropped an absolute sitter and retired hurt. AA grade went to the RACV man, Tony Rohrlach on 30/31 with the club treasurer John King taking A grade on 33/34 and C grade to visiting shooter David Pearce from Rutherglen whom scored 24/28.

Rob Barns took out the High Gun on 176/185.

Rob Barns on his way to victory. State Continental P/Score Championship

**John King**

**Postal Entry Form:** Post with cheque (in NZ\$) to: **NZCTA, PO BOX 5355 Christchurch, NZ.**

A confirmation of squad number for day one will be returned. Please indicate if you wish to enter a full squad.

# 15th Maryborough Masters Games

The 15th Annual Maryborough Masters Games were conducted over the first and second weekends of October 2005. Maryborough, Queensland that is. The Masters Games this year had 26 separate sports represented. Six local shooting clubs conducted events for the Masters. They were, Smallbore Rifle, Fullbore Rifle, Pistol, Rimfire Rifle, Skeet and DTL. That is, 23% of events contested were shooting sports. Maryborough Clay Target Club Inc. have taken part every year since the Masters Games inception. We conduct a 50 target Pointscore event run in conjunction with our monthly shoot. Gold, Silver and Bronze medals are awarded in three age groups, 35 to 49, 50 to 64 and 65 plus. 41 shooters attended on the day and enjoyed fine, warm conditions. We would encourage every Club to become involved in any Masters or similar multi-sport events conducted in your region, it all helps to promote the legitimate ownership and use of firearms and the enjoyment of our chosen sport.

The Maryborough Masters Games is generously sponsored by the Maryborough City Council, Carriers Arms Hotel-Motel, Maryborough Chronicle, and Bob Jane T-Marts.

The Maryborough Clay Target Club Inc. would also like to thank our valued local sponsors, Carswell and Co Solicitors, Maryborough Nissan, and Tarrants Ford. Special thanks to Casella Wines of Griffith NSW and Horsley Park Gun Shop both of whom not only sponsor the Masters games, but also assist with generous support throughout the year. I enclose a photo of the 15th Annual Maryborough Masters Games Medal winners.

**Bill McCarthy**

## POSITION VACANT

*Applications are invited from  
qualified*

## TRAP REFEREES

for

## 20 REFEREE POSITIONS

at the  
**7th World DTL  
Championships**

**7th to 9th April 2006**

*These are paid positions*

Interested persons should apply to:

**Executive Officer  
PO Box 466,  
Wagga Wagga,  
NSW 2650**

You are refereeing a shooter who has had three malfunctions in the one event. These malfunctions have been for various reasons and you caution the shooter that the next malfunction is a lost target. The shooter accepts your timely warning and decides to shoot on.

The next shot is a double discharge.

Now we all now that a simultaneous discharge is a "No Target". However, we also area ware that a simultaneous or near simultaneous discharge is a "Malfunction".

### IT'S YOUR CALL.

*Our way of thinking indicates that the purpose of a double discharge being a "No Target" is one of equity so that both barrels are not discharged as one shot at the target simultaneously or near simultaneously. Hence, the "No Target" ruling. The reason behind the malfunction connotation is that clearly the gun is faulty. It is obvious that the shooter has been warned and it is now a matter of absolute fact that there has been a forth malfunction and a "Lost Target" is the result.*

*The claim of "No target" in this case is invalid.*

*However, as an addendum to that scenario, it is clear if the simultaneous discharge occurs where no other malfunctions have been recorded for that event (in the first 100 targets). The shooter would have "No Target" entitlement for three targets.*

If you have any questions regarding rules or situations where you were unsure please write to the ACTA. I look forward to hearing from you.

# Festival of Sporting Clay Shooting

TVDA will be the 2006 hosts for  
**A 10 day Festival not to be missed nothing but the best**

At the  
Pub Charity sponsored TVDA Range, Morrison Road  
Paeroa, North Island, NZ

# **FIREARMS REGULATIONS IN NSW - LICENCE CHECKS**

Due to the conditions in the NSW Firearms (General) Regulations 1997, all entrants in ACTA run competitions held in NSW MUST present their shooters licence to be able to participate. If the entrant does NOT present their shooters licence, they CANNOT participate. This regulation applies to ALL persons shooting or in the possession of a firearm at a NSW range or on club premises.

In addition to participants producing their shooters licence for inspection, NSW licence holders must satisfy Target Shooting as a genuine reason. For example, if your licence states Primary Production or Recreational Hunting only, you cannot participate in clay target shooting events.

In regards to interstate competitors the NSW Firearms branch has advised that interstate shooters must produce a valid shooters licence or permit to participate whilst on a NSW range.

Shooters are also reminded that Statutory Declarations and photocopies will not be accepted. If you have physically lost your licence or your licence has been stolen and you are in the process of obtaining a replacement then a letter from the firearms branch in your state stating the circumstances will be accepted.

## **Remember NO LICENCE - NO SHOOT**

Officials will only allow participation in events run by the ACTA on the production of a valid shooters licence or documentation as indicated above. Failure to comply with these requirements will place the range approval in jeopardy.

ACTA highly recommends all shooters have their licence in their possession at all times whilst carrying or using their firearms.

# Australian International Shooting Ltd ISSF Junior Development Squad Training Camp Melbourne, September 2006

**Coaches:** Greg Chan, Graham Boyd, Valeriy Timokhin, Adam Vella.  
**Coordinators:** Gleniss Lawrence, Mandy Kirley  
**Sports Science (VIS):** Nick Sanders, Nicole Thomas  
**Massage Therapy:** Darien Roach  
**Guests:** Bill Jones (President ACTA), David Coleman (Chairman, ACTA Coaching Committee)

**Squad:** Brendan Burgess, Todd Malone, Nick Kirley, Ronald Lawrence, Lisa Cameron, Blair Signorotto, Matt Rocco, James Bolding, Melita Northausen, Emma Eagles, Kate Cassar, Vivian Eagles, Adin Richardson, Ben Kittle, Sam West, Catherine Skinner, Kathy Langridge, Aaron Turner, Aaron Hawdon, Anthony Rullo, Ben Jackel, Aaron Gallagher, Tom Holt, Murray Roberts.

The squad assembled at the Lilydale Motor Inn on Friday the 23rd having arrived by car or plane depending on home locations. Being the AFL grand final weekend, flights in and out of Melbourne were difficult to find so arrival times were scattered across many hours. The determination award went to Ben Kittle who with absolutely no flights available out of Alice Springs, had his Dad drive him to Melbourne for the two days. That's dedication!

The aim of the squad and camp was to introduce some of the ACTA's best young DTL shooters to Olympic shooting as well as broaden the knowledge of the squad members who had previously competed in these disciplines.

This would be accomplished by way of technical coaching and sports science-related lectures spread throughout the weekend.

The ISSF junior athlete pathway was detailed and explained as per the diagram below.

The pinnacle of a junior ISSF shooter's career is to make a team to compete at a World Championship. To achieve this they must attend the Olympic Discipline National Championships, win selection points

to gain entry to the Australia Cup, then finish in the top three of their discipline having achieved a travel score to qualify for the team.

To gain selection to the ISSF Junior squad, shooters can qualify via the Nationals / Aus Cup series, the ACTA Junior Development programs or be selected by the AISL's High Performance Committee. Preference is given to those who have shown interest in ISSF previously.

The linking of the ACTA's Junior Development program with the AISL's ISSF junior program has been a fantastic innovation as it now gives DTL shooters a clear pathway to go on to the Olympic events as juniors as the age limit is higher at 21. It also gives the AISL a much broader base of juniors to work with which is ideal, as we know that most good Australian ISSF shooters have had a solid background in DTL prior to switching to the Olympic events.

**Technical Coaching** - every shooter had their gun accurately measured and recorded. Each gun was pattern tested to establish pattern height and alignment, vital in Olympic trap where the targets vary from 1.5m to 3.5m and travelling at nearly 100km per hour. Alterations were made where possible but most importantly, each shooter knew where their gun shot, not just where they thought or had been told it shot.

**Practical coaching** of all three disciplines was given by very experienced coaches and changes and tips offered.

**Video** - each shooter was video taped during practical sessions and the footage reviewed during breaks. This is a great tool to use, as often shooters will not understand some of the problems until they see themselves on the screen. This footage is kept on file for future reference to ascertain if there have been any changes over a period of time. Each shooter will also receive a copy of the footage of their shooting.

**Strength and Conditioning** - a warm up program was introduced for all to participate in prior to competing. This also included a segment on stretching. The need to raise the heart rate prior to competing is a vital pre match strategy that all the shooters were encouraged to utilise to enhance performance.

**Hydration** - urine samples were tested to ascertain the level of hydration of each shooter. The importance of hydration was

**THE ACTA EXECUTIVE RESERVES THE RIGHT  
TO ALTER THE PROGRAMME**

explained along with the effects on performance of competing in a dehydrated state. Testing can establish exactly how dehydrated a person is and how much fluid is required to rehydrate, however the best scenario is to not let oneself reach that point and strategies were put in place to combat that situation occurring.

Travel - tips on how to overcome the effects of long plane flights were discussed. Dehydration on planes is a major issue, which can be exacerbated by excessive consumption of alcohol and coffee. Stretching and exercise on the flights was emphasised as well as the need to stay awake the day of arrival no matter how tired, until after dinner that night to reduce the effect of jet lag.

Nutrition - a nutritionist gave a talk on the need to not only eat a healthy diet on a daily basis, but to have a plan in place when travelling. This included taking some food from home, particularly to countries where the food is likely to be totally different or of questionable health standard. Many a trip has been spoiled by a dose of the runs that may have been avoidable with a little planning.

Sports Psychology - common issues that arise in shooting include competition nerves, self-confidence, motivation, pressure, focus and obstacles. Over the weekend these issues were all addressed at various times and advice and tips from our sports psychologist and coaches were presented. The athletes were given mental skill's strategies to help maintain focus involving breathing exercises, thought stopping processes and the use of cue words to assist in maintaining focus.

Training Diaries - each athlete was given a training diary that had a record of all the camp presentations, a stock measuring record and training camp debrief. This will be used to record future sessions and as a pocket-sized reference diary to remind them of strategies put in place.

Saturday night after a barbecue dinner a presentation entitled the "Road to the Olympics " with video and photographic use was made to the athletes to motivate them to want to strive for the pinnacle of all shooting - the Olympic Games.

The expectation is that many of these juniors will take a greater interest in the Olympic disciplines, try for selection in the junior world championship teams and go on to represent Australia at senior level some time in the future.

My thanks to all the people who contributed to the camp and especially the AISL and ACTA whose new found spirit of cooperation has ensured the future of ISSF shooting in Australia can move forward with a new generation of enthusiastic juniors.

*Greg Chan*

## CLUB NEWS

**Cecil Park**

The Annual General Meeting was held and the following were elected as Office Bearers; President Vince Gatt, Senior Vice President: Ben Buhagiar, Junior Vice President: George Chahine, Secretary: Daniel Forster, Treasurer: David Stewart.

**Swan Hill**

The Annual General Meeting was held and the following were elected as Office Bearers; President: Stephen Bates, Vice President: Gary Cowland, Secretary: David Price, Treasurer Peter Hutchinson.

# Central Zone Trap Carníval

## Grenfell Gun Club

The NSW Central Zone Trap Carnival was held at Grenfell Gun Club on Sunday 14th August 2005. Sixty-nine Shooters were in attendance from Clubs through out NSW. Clubs represented were Cowra, Canowindra, Bathurst, Boorowa, Orange, West Wyalong, Condobolin, Leeton, Majura Park, Grenfell, Narromine, Tottenham and Parkes.

Interesting results as all three Championships were won by Juniors.

1st Event 50 Target Central Zone Pointscore. The Overall winner was Brendan Burgess from the Majura Park Gun Club with a score of 146/150 + 30/30 in shoot-off. AA Grade 1st was C Salafila 2nd G

Sinclair, A Grade was won by G Spencer with A Thompson taking 2nd place, the winner of B Grade was R Johnston, 2nd B Johnstone, C Grade 1st J Player, 2nd B Nevin. Connie Barbagello won the Ladies, with R Lawrence being 1st in the Juniors and 1st in Veterans was J Nash.

2nd Event 25 Target Central Zone Single Barrel. Joshua Player who is just 13 years of age from the Orange Clay Target Club became the youngest shooter ever to win this event. Joshua shot 32/33 to win Overall. 1st in AA was W Sharpe, 2nd S Guest, A grade 1st was D Hunt with M Campbell taking 2nd, B Grade winner was R Beck, 2nd J Johnstone, C Grade 1st B Hodge, 2nd J Hill. 1st in Ladies was Kay Hunt, Juniors 1st B Burgess and Veterans 1st B Boyd.

3rd Event 25 Target Central Zone Double Barrel. Brendan

Burgess was once again successful as the overall winner of this event. Brendan shot 40/40 to take out the overall. JW Smith took 1st in AA Grade with C Salafila being 2nd, A Grade 1st A Collins, 2nd A Thompson, 1st in B Grade was J Johnstone, 2nd R Johnston, the winner of C Grade was B Hodge with B Nevin being 2nd. 1st in the Ladies was Connie Barbagello, Juniors 1st R Lawrence, M pound was 1st in the Veterans.

The Overall High Gun was also won by Brendan Burgess 193/200.

At the end of the day the Zone Team was announced with the following successful.

5 Man Team Grant Spencer, David Hunt, Adam Thompson, JW Smith & M Mitton.

Womens Team Connie Barbagello, Kay Hunt & Samantha Hunt. Junior Team Ronald Lawrence, Robert Hunt & Jake Johnstone.

John Finn Central Zone President thanked the Grenfell Gun Club for hosting this event and congratulated them on their presentation of their ground and thanked their small but hard working Committee and Members for the great BBQ that ran all day and having the Traps full which made for a successful shoot. A job well done Grenfell.

# NEW SOUTH WALES GUN CLUB

## 17th & 18th September 2005

Springtime time again and that can only mean one thing, Charity Shoot time at New South Wales Gun Club. Saturday dawned sunny but very windy which was going to make life difficult for the 95 shooters who turned up from all over NSW along with some from Victoria and Queensland. The first event got underway at 10am sharp thanks to Rex our shoot marshal who had also filled up on the lovely breakfast cooked up by the local bush fire brigade with all the food donated by member Bill Ageras, thanks guys for a wonderful job well done.

The Bill Van Beek D/B Cship was won by Glen Barton 57/57 his name will be immortalised forever on the lovely perpetual trophy donated by Bill, 1st in AA was S Amey, 1st in A was B Frost on 39/40, 1st in B was C Eleftherous on 41/43. 1st in C was P Savell. on 24/25. The second event was sponsored by club president Theo Stamoulis and Associates, the 30 tgts D/B produced 10 possible at 85 we had a winner in N Xenos, 1st in AA was well known skeet champ J Guberina, 1st in A grade was visitor P Jackson on 68/69, 1st in B grade was G Dowling on 37/38 with G Lidgard taking 1st in C grade. By now the shooters were trying to work out whether to speed up or slow down with the winds getting stronger by the minute, Arty Del-Ben made the right choice when he won the Allam Homes D/B C/ship on 54/54, 1st in AA was J Vardanega who was heard saying that the batteries on his G.P.S attached to his Kemen had gone flat (good one stik), 1st in A grade went to mumbles Alvaro well done Tony, 1st in B grade was Bill Van Beek on 29/30 with G Lidgard again 1st in C

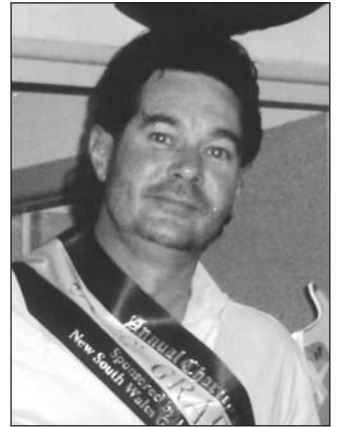

Arty Del-Ben, Overall Double Barrel with Rex Northcott

Shacky, Hoshky and John Newton, winners 3-Man Team

J. Adams, B Grade Highgun

N. Guy, C Grade Highgun

A. Shacklock, A Grade Highgun

B. Grebbert, Intermediate Highgun

David Spence, Overall Handicap

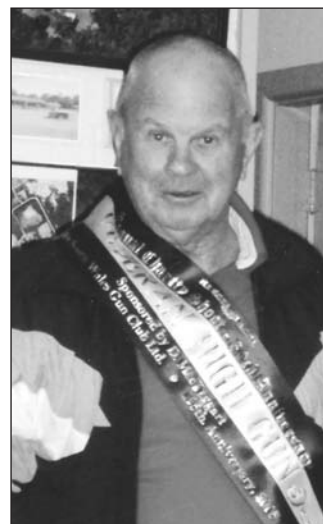

*Overall Highgun, Arty Del-Ben with Theo Stamoulis*

*Ladies Highgun, Loz Lloyd*

*Veterans Highgun, J. Nash*

grade on 23/25. Event 4 was the 30 tgt S/B C/ship sponsored by Yellowtail Wines and DelBena Facades, after a lot of targets had landed we had 3 shooters on 29/30. G Hapeshi survived the shoot off and won the event with 34/35, 1st in A Grade was P Etherton on 29/31 1st in B grade was J Norris with 27/30 and I Parkin won C Grade with 22/30.

With the days events over it was time to relax and rack our brains about the targets missed in the wind, there were some very poor excuses and there were lots of funny ones as well, after a complimentary feed enjoyed by many and a few ales to wash it down it was time to hit the sack and hope the target fairy would answer our wishes tomorrow.

Sunday dawned sunny with light winds much to the relief of the shooters, more bacon and eggs and it was down to business the Mick Smith 25 tgt Handicap saw 3 possibles and 6 targets later that mad Kiwi Dave Spence had worn the opposition to a pulp so he said, tell ya he is the only bloke I know who takes 2 hours to watch 60 Minutes, we heard your wife Bahhhhhbra. was excited as well, 2nd went to local shooter Costa and 3rd went to A Shacklock, 4th was C Sherry with 5th place going to C Michael. The 50 tgt Horsley Park D/B C/Ship was next with the winner getting his name on the Honor Board as this event is also the club C/ship, after the dust had settled Arty Del-Ben was victorious on 127/127, 1st in AA was J Crompton 126/127, 1st in A Grade was visitor C Strike on 80/81 1st in B grade was C Michael 53/54, and 1st in C Grade went to N Guy on 47/50.

Last event was the Safari Firearms 25 tgt P/S C/Ship, with the high guns still in play the pressure was on, 9 possibles took to the tracks and after 17 tgts Arty Del-Ben had won the event, 1st in AA was G Rootes on 125/126. 2nd in AA grade went to Queensland visitor Paul

*James Vardanega, Theo Stamoulis, George Hapeshi, Overall Yellowtail Single Barrel and Arty Del-Ben*

Moore, Thanks Paul and Sharyn and also to Leah Costanzo who made the pilgrimage to our shoot once again it was lovely having you guys here, A Grade was won by C Plessas 116/117, B Grade winner was J Adams 78/81 with N Guy taking out C Grade on 73/75.

Now to the High Guns and as the scores were written up we discovered that the following shooters had won Veterans J Nash 242/260, Ladies L Lloyd 236/260,

Juniors G Barton 242/260, C Grade N Guy 232/260, B Grade J Adams 233/260, A Grade A Shacklock 249/260, A Grade G Hapeshi 249/260, Intermediate B Grebbert 234/260, O/A High Gun Arty Del-Ben 252/260

Well that's it for another year, to all the people involved in making this shoot a success we thank you, to our sponsors we are most grateful for your support, the beneficiary of this charity shoot was The Sir David Martin Foundation which received a nice amount to help people in need to Vittoria Coffee for donating a Cappuccino machine for the weekend which was manned by Paul Santarossa, Most of all we thank the shooters for their ongoing patronage and look forward to bigger and better in 2006

**Sue Nichols**

*Glen Barton, Overall Double Barrel*

*Luscious Leah, Popular Paul, Sexy Sharyn, Queensland Visitors*

# BEAUFORT 50TH ANNIVERSARY

Beaufort Gun Club Members at the 50 Year Anniversary day. L-R Chris Byrne, Len Cook, John Kerr, Barry Dowsing, Leon Cocking (President), John Kelly, Wayne Harris, Al Roberts, Dave Long, Wayne Medwell

Overall winner, Colin MacPherson

Former Vice President, Bob Aldrich

The Beaufort Gun Club Inc conducted their 50th anniversary on the 10th September 2005. Competition consisted of DTL, Continental, Pairs, Ball Trap and Rabbit. Noted identities and life members Lindsay McGregor & Bill Carnes addressed the club and many recounted many a tale. Thank you to the sponsors Fishery Chick Wendouree, Tanya Daniels, The Good Guys Ballarat and several club members. A coffee mug was received by all competitors featuring the 50 years. Thank you to John Kelly for his sponsorship.

Sponsor John Kerr with 1st B Grade, Kevin Trotter 79/85

3rd Overall, Bryan Rafferty with Sponsor Chris Byrne

Life member Bill Carnes entertaining and reiterating the memories

# TUMUT OPEN DAY

*Club Secretary Max Reltze describing Trap Houses, clay Pigeons and battered birds*

Sunday, 16th October was our chosen date. We started registering prospective shooters at 9:30am. After registration, candidates were invited to grab a "cuppa" but most chose to gaze in awe at a couple of our Club members who were putting on a bit of a show (It's surprising how often you miss when your trying to show off!!)

Next followed a talk about the live pigeon origin of our sport, which was carried out in front of the trap house. Those still left after a graphic description of trap boys clubbing poor wounded birds to death were submitted to a safety lecture by Charlie Strike, Riverina Zone Coach, who was good enough to travel from Wagga to lend a hand.

By this time our Office Staff had placed the 24 candidates into squads ready to give some clays a fright.

The first squad fronted up and a Club member was allocated to each candidate to lend a gun and feed ammo to the shooter one at a time (we reckoned we would have Buckley's of persuading the Firearm Registry to let us run an Open Day in '06 if someone's backside got peppered with number eight pellets!!) Charlie Strike moved around providing specialist help wherever needed. Two traps were used. Each

squad shot five targets on the first trap then moved on to the second trap for another five shots. Targets were set straight up for the first ten shots then straight up but Continental for the next ten targets. We then fully oscillated the traps and the survivors shot on until we ran out of ammunition.

When all had had their fill of gunpowder and loud noise we had lunch (sausage sandwiches, fried onion and coleslaw) and shooters were issued with a certificate showing their break record (we decided not to include the number of shots fired, not wanting to discourage prospective members!!) Just before the shooting started, while registration was in progress, a kid about the size of the average Chihuahua, and dressed in a very flimsy T shirt came up to me with a question,

*12 year old Jordan Field sporting Coen McKenzie's Jacket and gun*

"Excuse me, do these guns kick much?" I took him up to the Line and told him to watch the shoulder of a Club shooter who happened to be showing off at the time. He nodded and walked away. I reckoned he would last about 5 rounds. Next thing I know he had been adopted by our Trap Boy, Coen McKenzie (who has recently started shooting and whose name is starting to appear more and more in the monthly Shoot Reports.) The kid was wearing Coen's shooting jacket and toting Coen's gun that looked like a cannon in his hands. Every time he discharged the gun it nearly put him on his backside, but he just kept on stepping up for another shot. He fired about 50 rounds during the day breaking 31 clays!! (Watch out Michael Diamond!!)

Many thanks are due to our many helpers. A day like this doesn't happen by itself special thanks to Liz & Grant Thatcher for donating lunch (and Liz for cooking it, and for her tireless help everywhere else) also Tom Harris for ground preparation and his kind donation of 300 shells, our Club members who each donated 50 shells, their guns, expertise and time. Special thanks to Charlie Strike for his expertise. Poor Charlie gave 75 of his own shells away before he discovered the Club supply. (Sorry, Charlie, but thanks for the donation!!).

All in all, a very enjoyable and successful day which we will run again in '06 if the Firarm Registry Deity permit.

*Well known local shooter, Tom Harris telling his student that he'll break it this time if he holds his mouth right.*

# In the Trenches

By: Dustin Clay. Email: damfat@hotmail.com

**DECEMBER - 2005**

Thanks to all the concerned readers who contacted me to find out if I was ok and if I still intended to write a column. The answer is yes, I do intend to continue writing, maybe not every month as work is picking up & just don't have as much time. As you can all appreciate, I had some time away with the family & managed to have a 7 week break away from shooting to get the mind right before the Nationals campaign in January. Enough about me, the Olympic Discipline Nationals in January, some IMPORTANT news for shooters competing there, you must have your shooters licences on you at all times, or you will not be able to compete. This comes straight from the ACTA. Also, a special note for all NSW competitors, your licence MUST state that the purpose of having your shooters licence must be for target/competition shooting or you may find yourself heading home and not able to shoot.

While writing this column, the Commonwealth Games Selections are going on. The teams are going to look like this:

Men's Trap  
Adam Vella  
Michael Diamond

Women's Trap  
Deserie Baynes  
Suzy Balogh

Men's Double Trap  
Russell Mark  
Craig Trembath

Women's Double Trap  
Susan Trindall  
Suzy Balogh

Men's Skeet  
Clive Barton  
George Barton

Women's Skeet  
Natalia Rahman  
Laurny Mark

Our Men's trap team will be a formidable combination for the games and should start as favourites for Gold medals. Even if this event included the rest of the world, Adam & Michael would be hard to toss. The Women's trap team includes current Olympic Gold Medallist Suzy Balogh & Deserie Baynes, you would have to say we are looking good here too, two very tough competitors. While I was out at the selections, nosing around, I was told that this is the first time the Barton Brothers have actually made a team together. I wish them all the best and would be great to see them win medals. Our successful women's skeet team from Manchester is back together, and hope to see back to back Gold for them as well. Men's Double trap will see the return of Russell Mark and new comer to the team Craig Trembath. Over the selections these 2 shooters won 2 of the 4 events each, with Craig just getting the points over Adam for the last Doubles Spot. The women's Double Trap has Susan Trindall & Suzy Balogh; they are a very strong team and should do well also.

Once again the Melbourne Gun Club range looked an absolute picture over the Commonwealth Games Selections. The manicured grounds really do look sensational and is a credit to the club and their facilities. Congratulations to Bob Buchan and his team.

AUSTRALIA CUP dates are 27th January to the 3rd February 2006 and have been posted on the ASA web site.

Are You Fairdinkum??

Informed sources have told me that a certain official that was a big part of the running of the Commonwealth Shooting Championships in March of this year has been moved sideways to make room for Dexter Barnes. Congratulations to Dexter, the man in charge for the shotgun shooting at the Commonwealth Games in 2006. Dexter is not new to running big events as he was also responsible for the running of shotgun at the Sydney 2000 Olympics. I wish him & his team all the best for an incident free competition.

Once again my informed source has told me that referees were offered a chance to do some actual refereeing over the eliminations, and only 2 attended. So some culling may soon take place for those who didn't show.

Ladies National Squad of Iran, Maham Gun Club, Tehran, I-r Sharrisa, Nala, Murray Alexander (Coach), Masoumeh, Elham, Sepidah

**02 69319980.**

**Shooter Profile: Nidal Asmar**

Alias: The Lebo

Age: 34

Started Shooting: 1997

Firearm of choice: Beretta DT10

Favourite Ammo: Mirage Grand Italia's

Highest ISSF Trap Score: 146/150

Favourite O/S club: Athens, Greece

Favourite OZ club: Werribee Gun Club

Best O/S result: 9th Perth World Cup

Claim to Fame: Making Lebanon's Olympic Team

Funniest shooting moment: Watching Rocky Pisanelli needing to hit his last target for a win, but instead shot the trap house.

As mentioned in the September 'In the Trenches' Murray Alexander is coaching in Iran and was kind enough to forward a photo of the Iranian Women's Trap Team.

**Until next issue, straight shooting.....**

# Two-day Trap Carnival Port Macquarie Clay Target Club

The Fathers Day weekend highlighted the Port Macquarie Clay Target Club's second two-day trap carnival.

*Nathan McDonnell Overall High Gun with President Tony Cramp*

Saturday saw a perfect day for the shoot while Sunday provided many with much-needed rain - but made shooting conditions a bit to be desired.

Competitors came from throughout the state including Lightning Ridge, Coonamble and Gunnedah.

Five championships were held over the weekend with Saturday hosting the Harvey Norman 100T Double Barrel event. Sunday consisted of the SJ & CM Wallis Plumbers 25T Pointscore, The Orchid Pot Company 25T Single Barrel, HF Hand Constructors 25T Handicap and the Port Batteries 15 pair Double Rise.

*R John Howell sponsor & Ken McWhirter Overall winner Single Barrel*

The Harvey Norman 100T Double Barrel Championship was won by Brad Hooper with the only clean score of 100/100. AA was decided after a shoot-off between Nathan McDonnell and visitor Mike Height - Nathan narrowly beating Mike. Gary Brown took A grade from Brett McKinnon while Ken Saunders won the brief shoot off with Yvonne Height for B grade. Visitor Jennifer Smith held on to C grade over local Tony Lipscombe.

The 51cm television for first place in grade made competition close, with the runner up claiming a 34cm TV. Husband and wife duo Mike and Yvonne Height both managed seconds in grade - so two 34cm TV's - although they were later seen trying to do a swap for one large one.

First up on Sunday was the SJ & CM Wallis Plumbers 25T Pointscore, which was cleanly taken by Nathan McDonnell with 75/75. Mike Height won AA grade with Brad Hooper second. Visitors Rod Haug and Rod Riley shot-off for A grade with Haug the victor. Local Mick Wilkins took B grade with Ken Saunders second while Jennifer Smith won C grade over Steve Hooper.

The 25T Single Barrel Championship, sponsored by the Orchid Pot Company, was won outright by local Ken McWhirter with a clean 25/25. Nathan McDonnell secured AA grade while second was decided after a shoot-off between Mike Height and Hank MacInnes - with Height the winner. Rod Riley won A grade with Gary Brown second. Dick Piper narrowly won B grade over Ken Saunders with Tony Lipscombe taking C grade over Jennifer Smith.

The HF Hand Constructors Handicap was the most hotly contested event with shoot-offs for all five places. Competing for the first three places were Dick Piper, Mick Wilkins and Brad Hooper who all shot the 25 targets clean. With Brad off 22m and Dick and Mick at 17m, Brad was the first to drop one, gaining him third, closely followed by Mick with second leaving Dick the winner.

Fourth and fifth was between Cathy Riley, Nathan McDonnell and John Howell, all one down entering the shoot-off. John was the first to bow out with Cathy and Nathan shooting another 20 targets before Cathy was finally defeated.

The last event for the weekend was the Port Batteries 15 pair double rise. Overall was decided following a shoot-off between locals Brett McKinnon and Ken McWhirter who both shot 29/30 with Brett taking the win only two targets down. Visitor Rex Lehman took AA grade while Nathan McDonnell and Brad Hooper shot-off for second - Nathan the victor. A grade was won by Ken McWhirter with Rod Haug second. Mick

*R Brett McKinnon representing HF Hand & Dick Piper winner of the Handicap.*

*Steve Hooper winner C grade Pointscore on with sponsor Steve Wallis*

Wilkins captured B grade over Tony Cramp with local newcomer Steve Bailey won C grade. Second in C was decided after a three way shoot off between Stan Stevens, Steve Hooper and Jennifer Smith, with the female shooter victorious.

Overall High Gun went to Nathan McDonnell, Brad Hooper taking AA Grade with Ken McWhirter winning A grade. Mick Wilkins snared B grade with Jennifer Smith prevailing in C grade.

Also up for grabs over the weekend was the chance to beat the longest break of 93 targets straight. Brad Hooper managed 105 - 100 on Saturday and 5 on Sunday. His record was short lived with Nathan managing 109 over the two days.

Thanks goes to all the sponsors and shooters who helped make the weekend a success.

# Newman Gun Club

## 35th Annual 2 Day Camper's Carnival

The Newman Gun Club hosted its 35th Annual 2 Day Camper's Carnival on Saturday 1st and Sunday 2nd of October. Newman is located about 1200km north of Perth in the North West of WA. The club was established in 1970, just one year after mining of Iron Ore commenced at the nearby Mt Whaleback pit, and has 38 members.

The competition commenced at 8:30am Saturday and was shot using two layouts. Conditions were generally ideal although warm and windy in the afternoon. The maximum temperature was 35C on Saturday and 37C on Sunday with winds gusting to 65 kph at times

Attendance was excellent with 51 shooters attending from Nickol Bay, Tom Price, Geraldton, Port Hedland, Rockhampton Qld, Leonora, Collie, Peel and Districts, Northam Districts, Bunbury, Colbinabbin Vic and Newman.

Shooters enjoyed the recently upgraded club facilities with new trap machines operated by voice activated equipment. There was over \$5000 in trophies to be won thanks to the support of our sponsors.

### Overall Winners

Overall High Gun sponsored by NRW Civil and Mining Contractors was won by Matt Shipp, with 238 points from a possible 245. The High Gun was closely contested with only 8 points separating the top 5 shooters. Ladies High Gun sponsored by Pat and Tony Stingel was won by Shelly Barber from Yeppoon Qld with 201/245.

Veterans High Gun sponsored by Gary and Faye Cornell was won by John Griffiths with 223/245. Junior High Gun sponsored by BGC

Contracting was won by Marnee McGinnis with 192/245.

The warm up for competition started on Friday night with the 10 target Crazy Quail novelty event. Thanks to Len Brown who always devises some unusual targets.

### Day One - Saturday October 1st

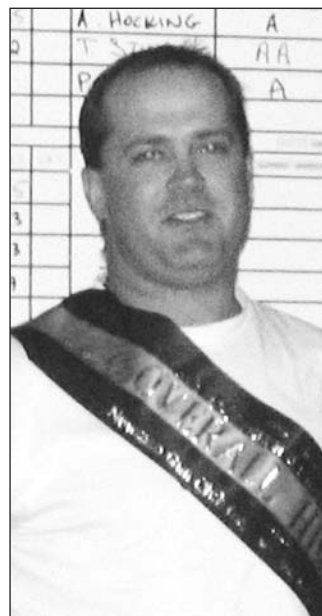

The first event of the day was the 10 target D/B eye opener cash divide to possibles. 14 shooters managed 10/10 in this event

Event 2 was the 25 target D/B Whaleback District Championship sponsored by Pilbara 4WD. Overall winner Paul McGowan after a shoot off with a score of 107/107

AA 1st N. Johnson 70/71 2nd M. Boschetti 55/56

A 1st P. Kuhne 103/104 2nd T. Marsden 68/69

B 1st T. Castelli 106/107 2nd A.

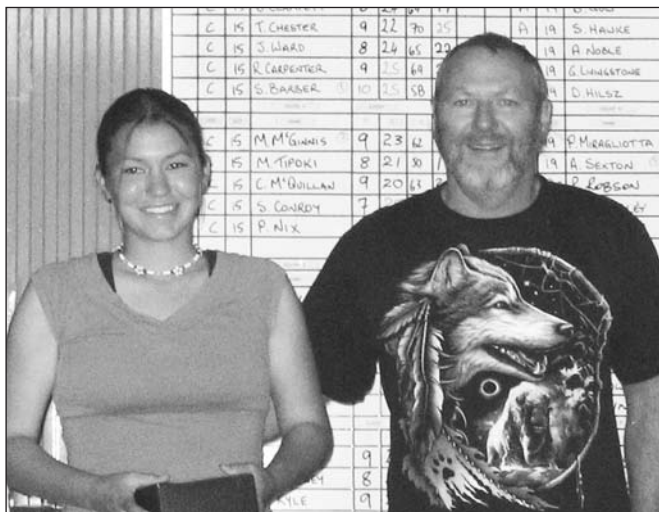

*Overall High Gun and Mixed Target Commonwealth Title Winner, Matt Shipp*

*Some of the crowd and Campers at the competition*

Junior High Gun Winner, Marnee McGinnis with Tony Stingel

Veterans High Gun winner, John Griffiths with Gary and Faye Cornell

Sexton 57/58

C 1st P. Nix 24/25 2nd S. Barber 28/30

Next was the much anticipated Mixed Targets Commonwealth Title sponsored by Plati Nominees Pty Ltd which was won by Matt Shipp with 68/70

AA 1st A. Hocking 67/70 2nd J. Chandler 78/84

A 1st J. Dyas 65/70 2nd B. Pickard 79/84

B 1st A. Sexton 64/70 2nd J. Griffiths 63/70

C 1st D. Withers 75/84 2nd S. Conroy 72/84

The last event for the day was the 25 target S/B Ironman Championship sponsored by BHP Billiton.

Overall winner Mike Boschetti with 92/92

AA 1st L. Brown 91/92 2nd J. Chandler 34/35

A 1st J. Dyas 40/41 2nd T. Stingel 28/29

B 1st A. Noble 29/30 2nd A. Sexton 30/31

C 1st R. Carpenter 24/25 2nd B. Clappett 28/30

Day two - Sunday October 2nd

Again the day started with a 10 target D/B eye opener with 20 shooters managing possibles in ideal conditions.

Second event was the 25 target D/B Hangover Handicap Calcutta sponsored by Hon Jon Ford MLC

1st - Len Brown 66/66

2nd - Allan Sexton 65/66

3rd - Sean Conroy 60/61

Next event was the 25 target Pointscore Newman District Championship sponsored by NRW Civil and Mining Contractors

Overall Jim Chandler 152/153

AA 1st M. Boschetti 151/153 2nd P. McGowan 143/146

A 1st T. Marsden 73/75 2nd J. Dyas 78/81

B 1st J. Kyle 83/87 2nd S. Chandler 82/87

C 1st T. Chester 70/75 2nd S. Conroy 87/96

The last event for the weekend was the 25 target D/B Continental sponsored by Newman Engineering and Newman Tyre and Batteries.

Overall winner Mike Boschetti. 32/32

AA 1st J. Chandler 25/26 2nd G. Jackson 30/31

A 1st P. Robson 29/31 2nd A. Cahill 28/31

B 1st S. Chandler 24/25 2nd J. Griffiths 26/28

C 1st T. Chester 31/32 2nd D. Withers 24/25

The weekend was an outstanding success thanks to the members and committee of the Newman Gun Club.

Special thanks to Tony Stingel, Len Brown, Bill Gow, Gabby Kirk, Steve Hawke, Owen Bolger, Steve Mahoney, Gary Cornell, Steve McGinnis and all the volunteers on the day, Pat Stingel, Faye Cornell, Fiona Bodycoat, Dianne Castelli, Deanne Cummings, Nola McGinnis, Roxy Donnelly, Terri George and Michelle Zadow.

Thanks to all the sponsors that made the 35th Annual Camper's Carnival a success. NRW Civil and Mining Contractors, Plati Nominees Pty Ltd (M. Watson), BHP Billiton, BGC Contracting, Newman Tyre and Batteries, Newman Engineering, Hon Jon Ford MLC, Toll Ipec, Newman Home Hardware, Wheely's, Newman Retravision, Northwest Districts Rifle Assoc, Hon John Bowler MLA.

Matt Shipp, Sean Conroy and Kim Miragliotta

Ricky Carpenter, Alan Sexton and Colin George, winners of the Crazy Quail novelty event.

# Coaching Clinic at Busselton Clay Target Club

A Coaching Clinic utilising the resources of WACTA was conducted at Busselton Clay Target Club on Sunday 9 October. The Clinic was presented by one of Australia's top AA grade shooters, WA State representative and WACTA Coaching Director David Fox. Over 30 members, seniors and juniors, turned out for what resulted in a very informative and enjoyable day.

David commenced the Clinic with a briefing in the clubhouse on the technicalities of clay target shooting and followed up with a question and answer segment before moving onto the layouts for practical instruction. All facets of trap shooting was covered from foot position, gun mount, gun hold points, breathing, vision, through to calling for and (hopefully) breaking the target. Emphasis on gun fit was extremely beneficial to one and all, especially new shooters and juniors of which David applied particular attention. The day wrapped up with a de-briefing in the clubhouse. The overall consensus of the members was that the Coaching Clinic was without a doubt a resounding success and yes, even the self-proclaimed experts can and possibly did learn something!

*Father and Son team, Greg (Snr) and Josh (Jnr) Fleay*

*Brian Higgs under instruction from David Fox*

*Below: Coaching Clinic recipients with Coach David Fox*

*Gavin 'Diamond' Prowse and Dean 'Tin' Armstrong*

## CLASSIFIEDS

### RATES AND CONDITIONS

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$11.00 – 0-60 words

\$22.00 – 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

(a) the person is a licensed firearm dealer, or

(b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

(a) the licence or permit number of the seller,

(b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.

### Wanted: "For Private Collection"

Old Paper shot shells and 2 piece packets. Powder tins. Gun Shop Catalogues. Australian Clay Pigeon Shooting News before 1960. Shooting memorabilia. Will pay good money. Pay top money for two piece Packets. Ph Mick Ward on 03 5775 1652. Shooters Licence No. 437 647-40B.

Wanted to Buy: Perazzi "SCO" Trap or Sporting gun. Must be in excellent condition. Contact Nick 0438 550 630 or 03 5855 2511. Shooters Licence No 493 041 40B.

# Tough Competition at Mathoura

Mathoura Gun Club hosted three events for the September shoot and the main competition for the night was a 25 target Night Single Barrel Continental, discipline, which is about as difficult as it gets.

Although there was some very capable shooters amongst the four full squads on the night no one was able to post a clean score, Deniliquin entry Rob Collicoat gave it a fair nudge posting a 23/25 score to collect the Overall Sash and A Grade trophy, after a one target shoot off for first in B Grade local member Bill Simpson collected that trophy on a 20/26 score, and after a bit longer shoot off local member Warrick Kelvy took out C Grade on a 29/33 score.

Weather was very good with clear mild conditions, and with just a gentle wind to keep the mossies away; it was only the tough discipline that kept scores low for the night's competition. The eye opener for the main event was a 10 target double barrel continental, and four shooters hitting all ten were three locals in, H O'Conner, W Kelvy, W Simpson, and Echuca member Craig Scott all

collecting a cash prize.

Final event for the night was a 15 Target Pointscore, and only one shooter was able to show how it's done, Rob Collicoat, really in form posting a 45/45 score to collect first place, two shooters on one point down battled it out for second & third places, local member George Bradley, and Danny Forster all the way from Cecil Park club, George succeeded in taking out second place and Danny third, scores were 107/108, and 106/108 respectively. A good night's competition, and also with the shoot running very smooth, an early finish, giving travelers a respectable home time.

**Murray Roberts**

Rob Collicoat Overall & A Grade also first in Pointscore

## Milestone for Carol Tipler

During the Queensland State Titles Carol Tipler (formerly Ogden) achieved a significant milestone in woman's skeet shooting.

During the 2003 Titles, which were held in Rockhampton, our then State Secretary spoke to Carol noting that she was close to this milestone then. However, she missed out by one.

Carol Tipler

The achievement?

Carol made the State Open Team 15, the State Women's Team 6 and the State Veteran's Team 6. This was done against fierce competition in all categories.

Carol has been shooting for 30 plus years and has won not a few titles but she claims that this achievement is up there with the best.

The amazing thing is that because of her husband John's fight with cancer this year she had not been able to prepare for the shoot properly. In fact John will tell you that their changed lifestyle since they married in 2000 has interfered severely with Carol's shooting and he accepts all the blame. (As an obedient husband should).

He has also introduced Carol to croquet and they now share their time between the two sports including practice, club days and tournaments; that is when they are not attending specialists or doctors. Unfortunately John's continuing chemotherapy will possibly affect their participation in their sports for the next 4 6 months.

Despite all this Carol shot extremely well and missed out on the Overall Women's High Gun for the Titles by four targets to an on fire Margaret Denton.

It is to be hoped that as Carol, who to her great distress had been in a shooting slump for some time, will get back to her old self sooner than later. We think that this effort shows that she is on the way.

Gold Coast Clay Target Club acknowledges the achievement of its member, Carol, and her wonderful service to the discipline of skeet over 30 plus years.

## Americana Brazil

### 5th-14th August 2005

The Team of Michael Diamond Tom Turner and Craig Henwood left the morning of 41 August with Gleniss Lawrence flying with Argentinean Airlines all the way to Brazil. This was great as the chances of losing firearms and luggage is reduced considerably. Itchy and Scratchy (George and Clive Barton) were to travel 2 days after us but being locked away all their lives and now finally out amongst the people they got the Chicken Pox. Yes, they are a little old for this childhood illness but the Barton Boys couldn't travel. Now I only had three men to look after instead of three men and two little boys. All firearms and luggage arrived, just some personal effects missing. On arrival at Sao Paulo Airport we travelled by bus for two hours arriving at our accommodation at Campenas in the evening. An early night was had as Tom had official Double Trap Practice the next morning. The bus ride to the shooting range took about 30 minutes. The Range had changed from previous years with a lot of the trees taken down out the front of the layouts. Perfect weather conditions.

Craig Henwood, Tom Turner, Michael Diamond and Gleniss Lawrence

#### Double Trap

1. Mossin V RUS 141+47=188+14
2. Steven W GBR 140+48=188+13
3. Dahlby H SWE 139+47=186+2
4. Richmond J USA 140+46=186+1
5. Eller W USA 138+45=183
6. Alafasi H KUW 135+47=182
9. Turner T AUS 133(45 44 44)

An exciting Double Trap Final with some very good scores.

Another early night and of course awake very early. I asked Craig and Tom what they did when they woke so early. In unison they replied "Oh we have bets on what colour the girls will have on at the Shooting Range". The Shooting Range has all the usual things like traps, layouts, firearms, ammo, but never have I seen so many young women being paraded around and yes in a different tight-fitting

colour get-up everyday. They were very helpful when Craig had a little splinter in his finger. Tom and I couldn't see the splinter but Craig was sure there was one there and those young lovely eyes could see it and helped him out.

#### Trap Men

1. Alipov A RUS 123+23=146
2. Wallace M USA 122+22=144+3
3. Grazidi D USA 122+22=144+2
4. Gurkin P RUS 125+19=144+0
5. Gach J CZE 122+21=143
6. Diamond M AUS 124+16=140
28. Turner T AUS 114
35. Henwood C AUS 110

An amazing final. Very hard to watch. Gurkin from Russia shot a perfect score of 125 in the event and Michael a 124. To watch these shooters in the final shoot way below their competition scores was terrible. I DO NOT LIKE THIS NEW RULE OF SINGLE BARREL FINALS. The ISSF need to look very seriously at this new rule. It is a completely different event. Imagine telling freestyle swimmers that yes they can swim the heats with both arms but in the final you can only use one arm. Good for television? No. It's a joke. It makes it two different competitions. Some people believe it will be OK once shooters get used to it and train for the new rule. I don't like it. It is and can be very degrading and how is that good for our sport.

Of course we had no one shooting skeet, they had the Chicken Pox but the amazing young 16 year old from USA Vincent Hancock won this World Cup as well. The weather for the whole World Cup was perfect. We all arrived home safely and with all our gear, even Tommy.

*Gleniss Lawrence*

## One Hundred Target Medley Championship at Mackay

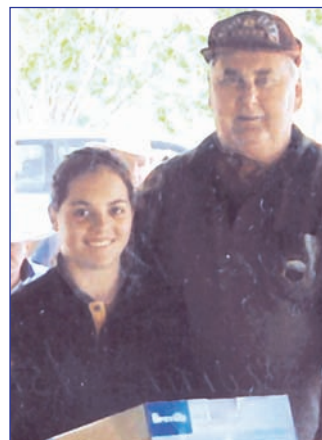

The Mackay-Sarina club held their Annual Shoot in perfect shooting conditions on Sunday 11/09/05.

Twenty eight members and visitors shot off for the 100 Target Medley Championship, each grade was hotly contested. Young C Grade shooter, from Cairns club, Kelly Coogan shot well and will be a future star in the making. Well done Kelly.

The club would like to thank all those who helped make the day so enjoyable.

See QLD shoot results section for full results.

*AJ Love*
