## Salient points Executive Meeting May 2006

### Financial

Results from the World DTL and National Trap Championships indicate a substantial surplus has been achieved.

The \$80,000 over budget spent on the National Grounds to prepare for these events has been recovered together with a further sizeable amount.

My thanks to our major sponsors whose help has enabled these figures to be produced.

### National Ground

Construction of the 9 Skeet fields will proceed in time for both the NSWCTA and ACTA Skeet Championships.

Safety fencing, seating, pathways and shade areas are all scheduled for March 2007 together with permanent lighting on 3 layouts.

### National Junior Development Squad

Peter Signorotto, who is a foundation member of the Development Squad staff from 2000 - 2006 has been appointed to an overseas post.

I congratulate Peter on his appointment and thank him on behalf of all Juniors for his contribution.

Peter is a gentleman and a credit to our Association. To Peter and family I say good luck from Andy, John, Alan, Frank, Russell, Lauryn, Office Staff & Bill.

# Three-Day Circuit Shoot

## Kerang, Moulamein & Swan Hill Clay Target Clubs

Queens Birthday weekend saw a new venture for our three clubs. It was decided last year to hold a circuit shoot in our area. The weather was very cold and cloudy but all three clubs were pleased with the attendances. The majority of shooters competed for the Overall, Junior and Veteran High Guns over the three days (unfortunately no Lady shooters competed). A number of shooters attended only one or two days of the three due to prior commitments all agreed that the concept of this shoot, in this area was very welcome.

Thank you to the shooters who attended, to make this circuit shoot successful, most especially those who travelled long distances, from Wagga Wagga, Morwell, Frankston, Wonthaggi, Sebastopol, Echuca, Boort, Castlemaine, Jeparit and two travelling from South Australia.

### Day 1 Kerang 10/06/2006 8 Squads

Event 1 was the 30 Tgt NW Zone Medley Championship with the Overall & AA grade winner being Arthur Turner (Echuca) 29/30 with Don Power (Wagga Wagga) second 38/40, A grade winner was South Australian Max Leaford 28/30 second was Neil Rowley (Morwell) 35/40, B Grade was won by Anthony Broad (Boort) 28/30 and second was Bill Perry (Moulamein) 27/30, C grade was won by Ian Davis (Sebastopol) 27/30 with Bruno Rullo second 25/30.

Event 2 was the Kerang District Double Barrel Championship the Overall and AA grade winner was Don Power (Wagga Wagga) with 52/52 and second place in AA went to Arthur Turner (Echuca) 51/52, A grade winner was Jim Absalom (Swan Hill) 47/50 with Max Leaford (SA) second, Murray Gough (Swan Hill) was the B grade winner with Gary McMillan (Morwell) finishing second with 45/50, C grade was won by Bruno Rullo (Swan Hill) 45/50 with Jim Borg (Swan Hill) 41/50 in second place.

### Day 2 Moulamein 11/06/2006 9 Squads

Event 1 was 50 Tgt Double Barrel Championship, sponsored by Elders VP Barham. Overall and AA winner was Peter Mills 50/52 with Wayne Upton second 49/52, Murray Gough 45/50 was the winner of A grade with Chris Wilkinson second 53/59, Anthony Broad 47/50 won B grade second was Joe Borg 46/50 and Ian Davis won C grade with junior Charles Broad 41/52 second.

Event 2 25 Tgt Continental Double Barrel Championship, was made difficult by a strong wind. Overall and AA grade winner Daniel Galea 50/50 with Michael Reed 34/35 second in AA grade, Chris Wilkinson 49/50 won A grade with veteran Max Leaford second 23/25, winner of B grade was Greg McMillan 27/32 and second place went to Bob Lendon 26/32, Charles Broad 20/25 won C grade from Mark McPherson 20/25.

### Day 3 Swan Hill 12/06/2006

The final day of our circuit shoot and the event for this day was 75 Tgt Champion of Champions Championship. Ashley Bowden won Overall and AA grade with 122/125, Gary Went was second in AA with 119/125, A grade winner was George Goddard 121/125 with visitor Ron Hounsell 118/125 second, Alan Byrne 117/125 took out B grade with Merv Whitelaw 109/125 second, C grade was won by Bruno Rullo 114/125, Lou Mimmo 106/125 finished second.

Shooters and visitors were well catered for at each of the venues, thank you to all concerned, also to all who helped out on the three days in any way, please

accept our heartfelt thanks,

We hope you enjoyed the program and hopefully you will join us again next year, together with some of your mates, all will be made most welcome.

*Phyllis Epps*

*High Guns over 3 days: Don Power (Overall High Gun), Max Leaford (Veteran High Gun), Charles Broad (Junior High Gun)*

# Tallawalla Two Day

## MAY 27TH AND 28TH

One of our better role ups for quite some time saw over 40 shooters involved in some very keen competition over the two days. Our thanks to the shooters from Roma, Cloncurry, Gladstone, Gen Fields, Rockhampton, Callide Dawson, Springsure, Barcardine and Claremont that took the time and helped to stage a top weekend of shooting. In all six events were contested with the main event, the Coal Fields 100 being the last with some very good scores being recorded.

Overall winner with 99/100 was Wayne Satler from the Roma club. AA grade went to dedicated skeet shooter Cherie Reeves with a 98/100. A grade went to Peter Brant with a 98/100. Karl Srb, the time honoured Vet from Claremont took out the B grade while Brett Stephens was the C grade winner.

High Guns were another close affair with local shooter Mark Fergus taking the Overall. The Vet High Gun went to Cliff Grimshaw from the Barcardine club. Ladies High Gun went to the ever smiling Donna Barletta from Gladstone while the Junior High Gun went to Zac Grimshaw of the Gem Fields club. Congrats to all.

As usual nothing with the gear in the days prior to the event, but come play day the inevitable happens. You guessed it a trap plays up. Apart from that a good time was had by all.

Like all clubs we couldn't continue without the support of our sponsors. I would like to thank Blackwater Sports Store for their continued support. Ray Wise for his kind donation of shells for prizes as well as Nathan Reibel and Kim Cherio for their support with prizes. The kitchen was well taken care of by the good folk from the Rotary with assistance from local chef and his wife John and Stacey Ormsby. Thanks also to the Gladstone club for the loan of the phono's for the weekend.

The club has two more major events on the calendar for this year with the CQ Zone Skeet titles in July and the Qld State Skeet titles in September. The July zone titles are an ideal opportunity for skeet shooters to come and get the "feel" of the place prior to the State Titles. The club is also undergoing a face lift for the State Titles and could not be done in time if it were not for the efforts of club stalwart Jim Storch and his band of helpers. Last I heard, Jims wife was having his mail redirected to the club because he spends so much of his time there.

OA High Gun Mark Fergus

Vet High Gun Cliff Grimshaw.

The club has camping, meals and hot shower facilities and will cater for all meals during the Zone and State Titles. For shooters intending to travel to the State Skeet Titles and don't wish to camp please ensure you book your accommodation early.

If you want any further info please contact Bevan Reibel on 0407 139 217 or Vere Storch on 07 4986 1009.

## Training Camp June 3 - 4, 2006

**Team:** Brendan Burgess, Daniel Allam, Matt Rocco, Nik Kirley, Michael White, Blair Signorotto, Catherine Skinner, Emma Eagles

**Coaches:** Greg Chan, Adam Vella, Russell Mark

**Team Administrator:** Gleniss Lawrence

**Camp Coordinator:** Mandy Kirley

**Sports Science:** Nick Sanders (AISL), Bianca Share (VIS), Sean Richardson (VIS)

**Massage Therapy:** Darien Roach

The interstate members of the team flew into Melbourne on the Friday evening while the Victorians arrived at the camp accommodation at around the same time.

Frankston Australia Clay Target Club played host to the camp and made available two ISSF layouts to ensure that both trap and double trap shooters were able to receive adequate time on the range.

The camp opened with each athlete being presented with their training and competition diary. This diary is kept as a record of all activity undertaken in relation to their shooting in the lead up to the World Championships in Zagreb in July.

VIS sports psychologist Sean Richardson then opened the camp by presenting a session on mental preparation and skills and how to put them into competition situations.

Massage therapy was introduced by Darien and all athletes were encouraged to try it over the duration of the camp to experience the benefits it offers.

Next came a gun and stock measuring segment utilising a professional measuring machine. With measurements recorded, each gun was then patterned to ascertain pattern height and alignment. If any problems were encountered, the stock was adjusted where possible or recommendations made to have it rectified.

The first practical shooting session was then undertaken with Greg and Adam providing coaching and assistance. The sports scientists recorded the session on video which was then replayed to the athletes to point out any recommendations or alterations that could be made to their technique.

After lunch came the presentation on physical preparation by VIS sports scientist Bianca Share. All athletes were taken through a warm up and stretching routine that they will be expected to do before each round they shoot whether it be training or competition. Extensive VIS heart rate monitoring of some of our top ISSF shooters has proven that heart rate needs to be moderately high but more importantly under control for shooters to maximise performance.

Another practical session with Russell arriving to assist with the double trap was conducted, again with video recording of all shooters.

At the conclusion of the first day the team and support personnel went back to the motel for a barbecue dinner prepared by Mandy followed by a motivational video presentation of the Commonwealth Games and a team meeting to discuss the upcoming World Championships.

This also included a presentation by the AISL sports scientist Nick Sanders on the importance of hydration and travel strategies to cope with the long flights. Results of the urine samples taken earlier in the day to test hydration were revealed with many of the athletes showing signs of dehydration even though it had only reached 18deg during the day.

Day two after their warm up session general nutrition and strategies for nutrition while travelling overseas was the topic for presentation and discussion.

This was followed by another shooting and coaching session with video feedback presented once again.

After lunch a competition for both trap and double trap was held to see if the shooters could put into practice what they had learnt.

At the conclusion of the competition a camp debrief and review was conducted. Again team expectations were emphasised and discussed. The team is charged with the responsibility of emailing in their weekly training and competition diaries with incentives being implemented for those who comply.

These camps are not only about practical shooting and coaching but also educating the athletes that there are ways to improve performance through sports science and all related services that just may add that one target that may mean a medal or not.

To those who just wish to participate I wish you well but don't expect to achieve much if you don't put much in. Attitude and commitment is everything in sport for those who wish to reach great heights.

My thanks go to all those who assisted in making this again a very well organised and run camp.

*Greg Chan*

# NSW NORTHERN ZONE DTL TRAP CARNIVAL

## Cessnock Clay Target Club

May 27th and 28th saw 114 shooters attend the first Northern Zone Trap Carnival at Cessnock since 1983. This was the first shoot that the club was able to introduce its much needed fifth layout to handle the increasing number of travelling shooters attracted to the Cessnock Club for two day clay target carnivals.

Numbers at recent major carnivals had forced recent events to be concluded under lights. To avoid this circumstance and better cater for the visiting shooter the club installed a fifth layout, which proved to be a great asset to the club. With the 114 shooters being able to enjoy the trophy presentation and depart for home before sundown on Sunday afternoon. Shooters were attracted to this carnival to gain team selection to shoot at the state shoulder to shoulder teams match held at the state carnival at Wagga Wagga in October. Teams were to be decided on aggregate score across events 1,2 and 4 with the winning shooters offered Shoulder to Shoulder team places.

The Carnival got away to a quick start with youth beating experience when junior Dean Caldwell from Grafton won the overall Northern Zone Championship for 2006 with a score of 50/50 +125/125 in a shoot off from Cessnock's Paul O'Neil with 50/50 +124/125, the event was sponsored by Tamworth Firearms and Highland Sports, with all winners receiving top quality Eley First trap shells as Trophies

Final Event placings were: Overall Winner Dean Caldwell 50/50 +125/125 Grafton. A Grade 1st Ken McBean 50/50 Inverell. AA Grade 2nd Ros Mclean 50/50 Newcastle, A 1st Paul O'Neil 50/50 +124/125 Cessnock, A 2nd Craig Main 50/50 Cessnock, B 1st Will Saunders 50/50 Tamworth, B 2nd Chris Gooch 49/50 Tamworth, C 1st Robert Clark 49/50 Cessnock, C 2nd Patrick Barry 47/50 Singleton.

Saturday afternoon saw the competitors back to the lanes to decide the Northern Zone Single Barrel Championship. Sponsored by Nightingales wines and with top quality local wines on offer as

OA High Gun Peter Fitzalan

Veteran High Gun Keith Morgan

AA Grade High Gun Ken McBean

A Grade High Gun Mick Bajada

Single Barrel winner Peter Holmes

Points Score winner John Sleightholme

B Grade High Gun Kevin Raymond

Ladies High Gun winner Helen Overton

C Grade High Gun Robert Clark

Handicap winner Roy Lambert

Sash winners

Junior High Gun & OA Double Barrel winner Dean Caldwell

trophies the experienced shooters returned to the winners circle, with Peter Holmes from Tamworth being the only shooter to bother scorers red pen with the only possible for the event. Much to the disappointment of the multitude of shooters 1 target down left to shoot off for the minor placings. Ross Hibert eventually prevailed for AA grade win from John Sleightholm. All winners in this event were presented with Hunter Valley wine packages comprised of Nighthales wines, and Ports.

Final event placings were as follows: Overall: Peter Holmes 50/50 Tamworth. A 1st Ross Hibert 49/50, AA 2nd John Sleightholm 49/50 Tamworth, A 1st Monte Klinger 49/50 Glen Innes, A 2nd John Clark 49/50 Glen Innes, B 1st Yvonne Height 47/50 Newcastle, B 2nd Kevin

Raymond 47/50 Newcastle, C 1st Vicky Norris 44/50 Camel Hill, C 2nd Robert Clark 43/50 Cessnock

Sunday Morning saw the shooters take to their respective Handicap Meterages and decide the Northern Zone Championship Handicap. Here again only one Shooter bothered the red pen with a possible 50/50 from a handicap of 19 meters was Cessnock's Club's own Roy Lambert. Roy with a new Henry Riffle and scope package sponsored By Tamworth Firearms and Highland Sports already wrapped up was able to sit back and watch the 49's and 48's sort out the minor placings. John Sleightholm from joint sponsor Tamworth Firearms

# ECHUCA CLAY TARGET CLUB

## Targets hard to hit at Echuca

Echuca Clay Target Club experienced one of its worst weather days for years at the June shoot. Gale force southerly winds and bitterly cold temperature seemed likely to keep most shooters away, but eventually, five full squads did turn up to test themselves not only at their sporting prowess, but at their ability to contend with the awful weather conditions.

Full scores were only going to be a dream in these conditions but scores in most cases were probably very good under the circumstances, targets were literally going anywhere and the only successful shooters were the quick. Echuca members can be proud of their results, as there were numerous visiting competitors but the local shooters took out all overall prizes.

Craig Fitzgerald OA & AA in two events

Glenn Viney 1st in Handicap

The main event was a 50 Target Victorian State Single Barrel Mini Championship. The targets were only half the normal size, and under the terrible conditions, Craig Fitzgerald hit 47 of the 50 targets so there was no need for a shoot-off to collect the Overall Sash. AA grade trophy went to another Echuca member Steve Atkins who took out 2nd in AA grade on a creditable 45/50 score.

The first event of the day was a 25 target Ball Trap Championship, and again Craig Fitzgerald showed his superb talent, by taking out the Overall & AA grade trophies on an unmatched 24/25 score, with Steve Atkins once more trailing him, collecting 2nd in AA on a score of 23/25.

Second event on the day was a 25 Target Handicap, and after a very short three target shoot off, Echuca member, Glen Viney shooting off 19 meters collected the first place trophy, and a half-meter backwards movement, on a score of 27/28, Alan Cole from Numurkah collected 2nd place on 26/28, and third was taken out by another local Geoff Viney on a 28/30 score.

Full results are as follows. Ball Trap, A 1st Terry Walls 21/26, A 2nd Conrad Robb 20/26, B 1st Len Downie 22/25, B 2nd Ron Traill 24/29, C 1st Geoff Strauss 19/25, C 2nd Ryan Atkins 18/25. State Mini, A 1st Glen Viney 44/55, A 2nd Alan Cole 43/55, B 1st Alan Patten 35/50, B 2nd Geoff Viney 33/50, C 1st Phillip McDonough 34/50, and C grade 2nd was Peter Waldhauser on 28/50.

Although conditions really were trying they would have been worse

if the rain that was predicted had arrived, as such the shoot ran smoothly, and the 30 odd shooters that braved the weather were on their way home by 4-30pm, ending what turned out to be an enjoyable day of tough competition.

## Echuca College on target

Echuca Clay Target Club was host to 16 year nine students from Echuca College, accompanied by two teachers on Tuesday, June 6 2006. The purpose of the visit was to give the students some coaching in the sport of clay target shooting. More than half had never held or fired a shotgun, before this day so they were squadded up as beginners and learners.

Learners were taken to the Trap layout to improve on their existing skills, and the beginners were split into two squads and shown to the Skeet layouts, which on the number seven pad gives them the highest chance of hitting a target. Aimed primarily at giving them the maximum encouragement.

The teachers, Georgie Colclough & Karl Stenning decided to join in and test their skills and this gave encouragement to the students, ending up with reasonable scores for almost all shooters. Always at shooting clinics, there are some who take a bit longer to adapt to the strict hand eye co-ordination needed to successfully start hitting targets regularly, and as there is only time for limited coaching in one visit, and only ten targets to shoot at, more visits are necessary to get all students confident.

Top gun for the clinic  
Harley Richardson

Teacher Karl Stenning 2nd

Harley Richardson was the top gun for the day, shooting nine of his ten Skeet targets thrown, an excellent score for a beginner, with Karl Stenning on Skeet coming equal second with Adam Schwarz on Trap, both hitting seven of their ten targets. Georgie Colclough coming in third with six Skeet targets shot, proving gender has no impact on performance in clay target shooting.

Echuca Clay Target Club President, Ron Traill, and the committee members who attended, wish to thank Echuca College for taking an interest in the sport, and in particular the attitude and respect shown by the student during the clinic.

presented Roy with the rifle package. 1st Roy Lambert 50/50 Cessnock, 2nd Frank Seve 49/50 Camel Hill, 3rd. Keith Morgan 49/50 Cessnock, 4th Tony Norris 49/50 Camel Hill, 5th Kosta Zimaras 48/50 Sydney

The last event for the weekend and for Zone Team Selection was the Northern Zone Point score Championship. The second of the Precision Shooting events of the weekend was toughly contested with Westons own Alan Jones and Rob Machul from Cobar posting 149/150 and they could have been forgiven for thinking they would get to decided the event in a shoot off before John Sleightholm from Tamworth, who had obviously been watching how fellow Tamworth shooter Peter had won the Single barrel and Roy the Handicap decided the best way to win an event and save wasting ammo in shoot offs was to shoot one more than everyone else in the event and let the rest of the competitors argue over second place. So as there were already 149's on the score board it had to be a perfect round, and it was 150/150. To take the tally of events won overall by the only possible to 3 out of 4 for the weekend. The winners in this event were presented with Palsonic portable DVD players sponsored by Singleton Retravisison. Overall Winner John Sleightholm 150/150 Tamworth, 1st AA Rob Machul 149/150 Cobar, 2nd AA Alan Jones 149/150 Weston, 1st A Rainer Ahmeling 148/150 Sydney, 2nd A Micheal Bajada 147/150 Sydney, 1st B Kevin Raymond 146/150 Newcastle, 2nd B Nathan Wilkinson 144/150 Newcastle, 1st C Pat Barry 142/150 Singleton, 2nd C Ross Roughan 142/150 Scone.

Overall High Guns were awarded for the whole program with Dubbo's Peter Fitzalan showing how consistency pays off winning the Overall High Gun for the weekend on 293/300 from Ken McBean on 291/300. High Gun winners were presented with Top quality wrist watches presented by Paul O'Neil and sponsored by O'Neils Jewelry Cessnock. Grade High Guns Overall High Gun Peter Fitzalan 293 Dubbo, AA Grade High Gun Ken McBean 291 Inverell, A Grade High Gun Micheal Bajada 286 Sydney

B Grade High Gun Kevin Raymond 284 Newcastle, C Grade High Gun Robert Clark 279 Cessnock, Ladies Helen Overton 276 Brewarrina, Juniors Dean Caldwell 288 Grafton

Veteran Keith Morgan 281 Cessnock.

The Cessnock Club would like to thank the Sponsors, Nightingale Wines, Tamworth Firearms, Highland Sports, The CAT Rental Store and Peter O'Neil Jewelers Cessnock for the invaluable support they provided to the club.

Complete team selections in order of qualification were:

Open Mens Team: John Sleightholme Tamworth, Peter Holmes Tamworth, Henry Phillips Cessnock, Stephen Kilfoyle, Michael Height Newcastle.

Ladies Yvonne Height, Vicky Norris, Helen Gay.

Juniors Dean Caldwell Grafton, Will Saunders Tamworth, Chris Gooch Tamworth.

# Psychological Skills for Shooting

by Michael Kruger-Davis

## MENTAL PRACTISE FORMULA

I have been approached by several readers regarding putting together a “mental skills training program” for them. Whilst for most of us this is an individual thing, specific to our sport there are several common features that we should all know.

So what are the basics of a developing a mental skills training program.

Firstly, set goals. This principle is not surprising. What is the point of training and working hard if you have no idea of where you want to go or how to get there? Goal setting is an essential part of any mental skills training program and any sports psychology textbook has the basics of how to set goals.

Secondly, use a verbal or visual cue. Those readers who have been to any of my workshops will be aware of the importance of using verbal and visual cues. Verbal cues are important in reinforcing our beliefs and abilities. Positive affirmations can assist us when the going gets tough, and can help us redirect our thoughts when we need to. For the shooter visual cues can be very important in narrowing your focus and heightening your level of concentration. I use the visual cue of the gun closing and the top leaver coming across as an indicator that I need to focus on the target that will soon emerge.

Thirdly, focus on the positive. Positive thoughts are necessary to achieve in sport. However there is a big difference between positive thinking and wishful thinking. Focusing on the positive is necessary to eliminate self-doubt. Self-doubt occurs when we believe we cannot do something; shoot this target, shoot a possible, win a championship, etc, and armed with this belief we end up sabotaging our own effort and fail. To eliminate self doubt we need to trust in our own ability.

The next principle is to build in relaxation time. Without relaxation you can end up overtrained. This will lead to not being focused, bored, complacent, unmotivated and tired. Relaxation allows you to focus on your breathing, lowering your heart and respiration rate, blood pressure and gives you time to either focus on your thoughts or to let your thoughts go. Relaxation allows you to recuperate both mental and physically.

Finding the right tension level is the next basic principle. There is an optimum level somewhere between being fully relaxed and hypervigilant. The right level will depend on the individual and the sport. For shooting there is a difference between when we are actually shooting and the time each shot. Between shots is the time when we need to focus on our breathing and where possible relax. Our arousal level needs to arise as we prepare to shoot and as we shoot we should be fully focused on the target and the task at hand. Then after the shot we can relax again.

The sixth principle is to take a look at your opponents. Each of us has strengths and weaknesses and we should remember that those we are competing against also have strengths and weaknesses. We shouldn't give up just because we see a “good shot” drive into the car park. We all have bad days and this could be his. We should visualise ourselves competing, visualise the others shooting and visualise yourself shooting every target and winning.

The next principle probably means more in golf than in shooting but it does have some relevance. Study the course. Be aware of all the good points about this venue and all the possible distractions; trees, power poles, wind, etc.

Visualise proper moves. This is the next principle. Each sport has specific moves and it is important to visualise yourself performing the moves necessary to shoot the targets. Visualise the swing, the sight picture, the firing, recoil, the target breaking and importantly your follow through. Visualise yourself doing it all perfectly.

Imaging coping with extremes. When you are visualising don't just focus on fair-weather situations. Visualise the rain, the wind, the distractions of fellow competitors coughing, spitting shells in your direction, etc. Imagine and visualise what it will feel like to pick up the gun after shooting 100 targets, 200, 300, 400, and so on.

The next principle is to break out the video camera. Videos can be very useful in showing you what you do well and what you need to work on. Another use can be as a visualisation tool. Video tape yourself in competition, especially if you shoot all the qualifying targets. Use this tape as a pre-visualisation technique. This will work much better if it can be combined with relaxing in a tub of warm, salty water such as a floatation tank.

Next it is important to see yourself winning. Build a mental picture of yourself shooting all the targets and winning the event.

If you focus on the process and stay in the present you are more able to maintain cool under pressure. Using verbal and visual cues and focusing on your breathing you are more able to remain cool and calm when it is most needed. The other important point here is practise. If you need to practise to revise and improve your technique then this is OK, but what most of us need is to practise being under pressure and this can only come from entering competitions.

The next principle is not easy but it is essential to make your emotions work for you. Emotional responses can derail good performances very quickly. Be mindful of what will trigger certain responses for you and limit thinking about these during competitions.

The last two principles are, develop your own rituals and develop pre-event rituals. Rituals have the ability to help you focus and redirect your attention when needed. Pre-event routines can be used to narrow the focus and concentrate your attention to the task at hand.

These fifteen principles are the basic tenets of most mental skills training programs, but it must be remembered that any program should be individualised for the sport and the athlete and supervised by a qualified coach or sports psychologist if maximum gain is to be made.

# 42nd Tally-Ho Cup at Gunnedah

The grounds of Boggabri-Gunnedah Gun Club were looking fantastic and was filled to overflowing on the weekend of 13th and 14th May, with shooters from far and wide keen to contest the 42nd Annual Tally-Ho cup program. Great weather greeted 43 competitors from Moree, Tamworth, Camel Hill and Brewarrina as they lined up for the Steve Staughton Memorial.

Ken Close

won by A Lyne 48/50 from S Goode. C grade saw M Northey with 44/50 win from Rod Coombes 43/50.

The wonderful ladies in the kitchen tried to nobble the shooters with a huge lunch, and they managed to break the concentration of more than one shooter when the home made desserts were rolled out.

The afternoon program consisted of the 50t Stan McMaster Memorial, with 25tDB and 25t PS. Three AA grade shooters made it through lunch to post a possible score of 100/100. Cliff Overton, Helen Overton and John Sleightholme went to a shoot off, with Sleightholme holding on after 20 targets to win overall and Cliff Overton was 1st in AA from Helen Overton. A grade was won by C. Saunders 98/100 from B Williams. B grade saw Matt Duncan from

Steve Staughton was a long time patriarch of the club and it was great to see Steve's son Bill competing keenly watched by his mother, Jo. Bill and Jo make the trip to Gunnedah every year to support this event with prizes and their great sense of humour. This event was a medley with 25t DB and 25t SB, this is one trophy local shooters are keen to win and Ken Close gave it everything he had to post a final score of 49/50, beating his more fancied opponents by one shot in an impressive display of cool concentration. AA grade was won by A. Norris 48/50 from R Freestone. B Williams posted 48/50 to win A grade from R Riley. B grade was

Cliff and Helen

Tamworth shoot 97/100 to finally make the winner's podium, finishing in front of A Lyne. C grade produced the dark horse of the weekend with Ian Leven showing he remembers how it should be done by posting 93/100 to win from Dom Frasca.

Sunday morning saw even more shooters pack into the grounds and 56 shooters lined up for the 25t Liverpool Plains Handicap Championship. Peter Holmes from Tamworth was the eventual winner after a lengthy shoot off from D. White, A McManus filled 3rd, M McCahon 4th and G Porter 5th.

Yet again the meal break of pumpkin soup, roast beef and camp oven vegies was designed to slow the top shooters down before the Tally-Ho Cup Team's event was contested. Daniel Wicks who is an Australian Champion whip cracker gave a display of co-ordination by riding a unicycle and cracking 2 stockwhips.

The Tally-Ho Cup first originated at the Tally- Ho polo grounds south of Gunnedah as an entertainment for those local people who didn't play polo but wanted a day out with friends.

Eleven teams lined up for the premier event a 50t Points Score from 18m. The Tamworth side went in hot favourites as John Sleightholme hadn't dared to eat any lunch until after this event, yes it was a long wait. A combined side from Moree and Brewarrina snuck under the radar to post an impressive score of 679 to down the Tamworth team with 669. Gary Carlyon posted the best individual score.

Overall High Gun for the weekend was Cliff Overton from Brewarrina on 313. Other High Gun winners were, AA John Sleightholme, 311, A Grade C Saunders, 294, B Grade A Lyne, 302, C grade R Coombes, 291, Veterans K Lyne, 284, Ladies H Overton, 308, Juniors W Saunders, 282.

A great weekend was enjoyed by all the shooters as a result of a lot of hard work by the members of the club and some great sponsors. Boggabri- Gunnedah Gun Club would like to thank their sponsors, Highland sports through Tamworth Firearms, G.I. Steel, Renovators Warehouse and Eagle Boys Pizzas. Without their support such a successful weekend could not be held. I recommend everyone put this shoot in your diary for next year as the food alone is enough reason to make the journey to Gunnedah.

# **YEAR NINE STUDENTS TEST THEIR SHOOTING SKILLS AT ECHUCA CLAY TARGET CLUB**

Echuca College year nine students travelled out to Echuca Clay Target Club to test their skill once again at clay target shooting.

*Billy Warren 9/10 top gun*

Tuesday the 13th June 2006 was a clear sunny day with virtually no breeze at all, a little cool, but a perfect day to see if their skills had improved on this second visit. Twenty-two boy students and 1 lady teacher were all keener to collect a good score, knowing now that recoil was not an issue, and all that was required was concentration on their hand eye co-ordination skills.

Almost all did improve on the previous visit with Billy Warren - taking out Top Gun on an impressive 9/10 score, and Jacob Campbell and Axel Childs only one more down on 8/10, also numerous sevens and sixes and considering they were allocated only single barrel shooting the scores were very reasonable.

Most of the students were taken to the DTL Trap layouts to shoot their ten targets, with some new arrivals, and those who were struggling to hit targets last week, taken to the Skeet layout to test their skills.

Virtually all students were very keen to do well, and it was pleasing to the coaches to see them do just that.

To see the shooters improve does please the members coaching, showing that the students are really listening to what they are saying.

Once again Echuca Clay Target Club does thank the Echuca College for taking an interest in the sport, and thank all who was involved for their co-operation.

# EASTER SHOOT AT NEPEAN

Sunday morning, the day after our shoot. As tradition dictates, the Easter bunny arrives at our house in the wee hours of the morning and hides Easter eggs in the garden for the kiddies to search for when they wake up. As parents we know the Easter bunny doesn't exist (well some anyway). The night before, just after we've tucked the kiddies into bed, we get the carrots from the fridge and gnaw on them leaving deposits on the ground as evidence showing the kiddies the Easter bunny has been at our house. The Easter bunny that comes to our place is particularly lucky, he like me is partial to a Bundy or two and we leave a bottle out side only to discover the damn things empty in the morning!

Sunday morning, 6.00am, leader of opposition wakes kids "LOOK Georgia", nearly 16, "The Easter bunny's been!" "Mum! Have you been spitting carrots in the back garden again? I bet dads still in bed with a hang over and an empty bottle of Bundy on the out door table!". Not deterred, cook goes to Matt's room "Matt, The Easter bunny's been!" "Mother, I'm 18, unlike you I don't believe in the Easter bunny, let alone the fairies which you believe inhabit our garden!".

The day before, shoot day, Nepean.

Driving to the club I thought being Easter and all, it would be nice to stop and buy Easter eggs for the shooters that turn up at our club today. Whilst driving to Safeway a visual did enter my mind, imagine receiving a thank you kiss from the likes of Pete, Dick, Chris, Hecta, Brian and others. At this point I stopped the car, walked up to the closest brick wall, pounded my head against it repeatedly and muttered the words "YOU IDIOT"

The shoot. Being Easter, not many were expected, 20 in all showed with the weather being rather blustery and showery. Of the 20 shooters that showed 7 were from out of town. When I say out of town I mean out of town, 5 from Queensland in fact. They arrived at the gun club and headed straight for the canteen, they would have headed straight for the open fire except they saw who was gathered around it. I walked up to our new guests and introduced myself

and dragged them to the fire and introduced them to our locals, big mistake! Their minds now corrupted by us southerners they shot below what their card read!

Today's event was a 100-target Medley 25 DB, 25 Pts, 25 Cont and 25 Ball Trap.

AA saw Chris Carrol victorious over Keith Caldecott (remember him, he used to shoot DTL, who won the dollars on the day Keithie?), third was Brian Barlow, yes Hecta was there, not up to his usual standard though. A was won by Dead eye Dick, me second and Peter Brant from Rockhampton Gun Club third. B grade was a Nepean sweep with Frank Ibbott first, Robbie Jones second and Andrew Holloway third. C grade was once again hotly contested, Russell Clay (Frankston) fought off a hotly contested battle with Russell Clay who also fought off Russell Clay to come first. The scores, 142/150, 140/150, 132/150, 137/150, 136/150, 129/150, 126/150, 123/150, 120/150 and 122/150. You work em out!

Time being on our side we held a novelty event. 16-target Cont step back finishing on 26.

Seeing I didn't end up in the money I'm not going to write about it! See you at the next shoot N.B.

The following two scenarios relate to situations which are not uncommon in Double Rise events.

You are the referee of a Double Rise event where a shooter calls for a pair of targets the first target he fires at is an illegal target (not a broken one) and misses it. The other target in the pair is quite legal and he declines to shoot at it. A delicate situation has now arisen.

He claims he has refused the target under Rule GRTS17. You are convinced that the second target is legal. There seems to be a small conflict in the rules.

What do you rule in this case?

## IT'S YOUR CALL.

*If you ruled "Lost" and "Lost" you would be quite correct under Rule 1.09(g) which states that if a shooter shoots at an illegal first target and the second target is legal, he must also shoot at the second target. Hence, he missed with the first barrel and has declined to shoot at the second target, which he seems compelled to do under Rule 1.09(g). By shooting at the first target he is deemed to have accepted the pair.*

*Naturally some doubt may have been in your mind about your decision, but in the absence of any cogent evidence of a reason for a refusal of the second target Rule 1.09(g) should stand. Obviously, an allowable baulk would alter the situation but the rule is quite clear on what procedure to follow.*

*Now if the reverse applies, he is not compelled to shoot at an illegal second target irrespective of whether the first target was illegal or legal even if he had shot at the first target.*

*If you have any questions regarding rules or situations where you were unsure please write to the ACTA. I look forward to hearing from you.*

*I am grateful to the assistance of our Rules Chairman and his committee for their ongoing advice and encouragement with this project.*

## INSURANCE INFO

Dear Sir

I am the newly appointed Secretary of the Callide Dawson Clay Target Club Inc at Biloela in Central Queensland. I have been making myself familiar with the 2006 Club secretary handbook and have noted on page 13 comments re public liability insurance.

I note that the cover does not extend to a shooting member who is not an ACTA member. This is understood, however, this has raised the query in my mind re novices we might attract both on an occasional basis and our regular "come and try" days where we might have numerous unregistered and unlicensed "shooters" shooting. We ensure they have completed the necessary paperwork, visitors book etc. they are fully supervised however the issue of insurance for these persons is a query I now have. These people are not Club or ACTA members, but could be construed as "Authorised Visitors"

Would you be able to provide or direct me toward some good sound advice on this matter.

*Kind regards  
Mal  
Secretary*

Mal,

The answer to your question is as follows:

The Australian Clay Target Association Inc provides various insurance covers including Liability Insurance to Member Clubs and Members that protects:

The Executive Committees, State Associations and Executives, District Associations and Executives, Member Clubs and Executives, Members, Range Staff, Voluntary Workers and Authorised Visitors for all sums which the insured shall become legally liable to pay as compensation [including claims costs and expenses] as a result of Personal Injury or Property Damage caused by an Occurrence in connection with the Association/Clubs activities.

A visitor can be a novice, a licensed non club member or a person from another association, these people are covered by the policy as authorised visitors. The policy does not cover licensed shooters [non members under the control of the club] who have visited the club more than 4 times in any one year because of a warranty within the policy that states: Warranted that Club Rules & Guidelines must be adhered to. The associations rule that a person must join the club after 4 visits in anyone year would breach this warranty.

I trust this has answered your question without being to complicated.

# Swan Hill Clay Target Club

## Ian Ray RetraVision Championship

On the 27th of May the Swan Hill Clay Target Club hosted a 125-target tournament sponsored by Ian Ray RetraVision Swan Hill. This generous sponsorship saw shooters vying for some excellent electrical goods including DVD players and televisions up for grabs.

The two events on the program comprised a 25 target Points Score Championship followed by a 100 target Championship that was made up of 50 targets Points Score and 50 targets double barrel.

The weather was magnificent for this time of the year, sunny and bright all day long.

Shooters from the district were well represented including our own World Champion Anthony Rullo, as well as visitors from Castlemaine, Echuca, Kerang and Victor Harbour.

### Results

#### Event 1

Dear Your Say

Referring to the photo on page 60 of the Commonwealth Games Team in the June edition, can anyone spot Michael Diamond?

As long as I have been shooting, I have always been included in a official photo, I was not notified of this taking place. What makes this more frustrating, is the fact that I was in Melbourne at the time.

Even though I was not staying in the village does not exclude the fact that all it would've taken was a simple phone call from the Team Coach, being Greg Chan, and I would've made myself available for this photo.

I don't expect the team to revolve around me, but being a long term ambassador of this sport and a dual Olympic, World and Commonwealth Champion, a little bit of common courtesy does not go astray.

I would like to know your opinion as a multiple clay target discipline shooter.

Dear Your Say,

I write as a Bendigo CTC safety officer to bring to the attention of all shooters of a seemingly convenient habit and potentially fatal accident that could happen as a result.

I was alerted to a young shooter unable to close his gun because the cartridge would not go into the chamber far enough. To cure the problem he was thumping the shell with his hand to force it in. My immediate thought was that a reloader had not resized the shell, but it eventuated that the shooter was in the habit of keeping a few loose coins in his gun case so that he always had coins for practice. Inevitably a \$2 coin ended up in the chamber and was blocking the cartridge. Luckily the gun would not close and a fatality did not happen. Had the forcing cones been lengthened, the coin would not have been detected and we can't afford to lose shooters like that.

So I urge shooters to try a \$2 coin in a gun and after you remove it, you should feel sick enough in the stomach to remember it for the rest of your life, and warn your mates of the danger as well. Coins in a gun case are an accident waiting to happen. Safety is everyone's responsibility and we all have a duty of care.

Dear Andrew

On behalf of Ronald McDonald House Wagga Wagga incorporating 93.1 StarFM

Kids Kottage, thank you for your generous donation from the auction in association with the 7th World Down the Line Championships and National Championships. We were absolutely delighted to receive the cheque and I assure you, your donation will assist the House in so many ways.

We are now in our second year of operation and since our opening we have welcomed many Riverina and South West Slopes families as our guests while their children receive medical treatment in Wagga Wagga.

Ronald McDonald House Wagga Wagga relies on the support of the community and businesses and your generosity will assist in providing a home away from home in close proximity to Wagga Wagga Hospitals and medical facilities for the many Riverina and South West Slopes families with sick and injured children.

This will enable families to stay together and support each other through difficult times.

Thank you all so much

**Yours Sincerely  
Deborah A Braines  
House Manager**

# Casella Wines Riverina Zone NSWCTA Trap Carnival

Several years ago the Riverina Zone adopted the National Ground as the "zone ground" and has been conducting the Zone Trap Carnival there since 2001. This years Zone Carnival was held on Monday of the June long weekend, and whilst the day started out cold and frosty it turned out to be a beautiful day for shooting. The major sponsors of the carnival are Casella Wines, The Lawson Motor Inn, Elks Hunting and Fishing in Albury and Power Ammo in Wagga.

The first event was the Casella Wines 25T Handicap. The overall winner with the only possible 25/25 was Daryl Hunt from Wangaratta. Daryl also won this event in 2005. Second place was M Harbor from Numurkah-Shepparton with a score of 38/40, with Tony Penny also from Wangaratta coming third with a score of 37/39. Fourth place went to Wendy Barton, from Gunning-Dalton with a score of 36/38 and Ronald Lawrence, from Canowindra, came fifth with 34/36. The Hudson Shield was shot in conjunction with the Handicap event and the winning team was from Griffith: J. Vardanega, S. Cunial, M. Whitlock, M. Casella, P. Woodland with a score of 107/125. A case of GB shells was donated by Elks Hunting & Fishing of Albury as the trophy.

The second event was the Casella Wines 25 Target Single Barrel. Daryl Hunt showed he was in fine form winning this event with a score of 65/65. First in AA grade was Glen Evans, from Coleambally on 64/65 with Tony Barton from Gunning-Dalton coming second with 62/63. A grade when to Numurkah shooters M. Harbor taking first on 35/36 with S. Harbor getting second place with 34/36. B Grade was won by Coleambally shooter, Darren Gill, on 25/27, with fellow Coleambally shooter W. Brain on 24/27 taking second. C Grade was won by Cameron Guihot from Canowindra on 28/32, with Paul Woodland from Griffith being placed second with 24/28. In the sections Women's winner was Wendy Barton on 24/25, M. Harbor took the Junior section with 35/36 and the Veteran winner was Noel McDermott from Leeton with 24/25.

The third event was the Casella Wines 25 Target Points Score. Daryl Hunt showed continued form by shooting a possible but the eventual winner was Chris Salafia from Leeton with 180/180. First in AA grade was Noel McDermott, from Leeton on 179/180 with third Leeton Shooter, Gary Tabain taking second in AA grade with 122/123. A grade when to Numurkah shooter S. Harbor taking first on 83/84 with Allan Collins from West Wyalong getting second with 80/84. James Peatling won B Grade from Boort, on 288/90, with Coleambally shooter David Brain on 85/90 taking second. Relatively new shooter, Jaiden Parker from Albury put in an excellent performance to take C Grade with 70/75. Cameron Guihot from Canowindra on 66/75 took second place. In the sections Women's winner was Tracey Barton on 74/75, Tracey also took the junior section. The Veteran winner was Noel McDermott from Leeton with 179/180. The Johnny Cox Memorial Shield was shot in conjunction with the Points Score Championship. The winning team was from Leeton and comprised C. Salafia, N. McDermott, S. Guest, G. Tabain and M. Manley, with a score of 368/375.

The final event was the Casella Wines 50T Double Barrel Championship. Major sponsor of the carnival, Marcello Casella was the overall winner of the Casella Wines Double barrel championship with a score of 241/241. Runner up and AA grade winner was Ross Liersch from Albury on 240/241, with second place going to Chris Salafia on 192/193. First in A grade was Buddy Morris from Hay with 192/193 and second was Gleniss Lawrence from Canowindra on 62/63. James Peatling again took out first in B grade on 54/56 from Lesley Wojtowycz from Corowa on 53/56. C grade was won by Cameron Guihot with 46/50 and Jaiden Parker coming second on 45/50. In the sections the Women's section was won by Gleniss Lawrence with Ronald Lawrence taking out the Junior section. Tom Harris won the Veterans section.

With the events concluded it now was necessary to determine who made the Riverina Zone team. Getting into the Riverina Zone team is not easy and this year was no exception: three points down and you were out of the cut. The open team is Glen Evans on 149/150, Gary Tabain on 149/150, Michael Charlton on 148/150, Chris Salafia on 148/150 and Marcello Casella on 148/150. The junior team will be Tom Brandon (137/150), Jaiden Parker (134/150) and Will Brain (132/150). The women's team will be Lesley Wojtowycz (139/150), Janenne Kidd (130/150) and Lyn Blake (129/150). The Veterans team will be Noel McDermott (147/150), Eric McCullough (140/150) and Don Geddes (138/150).

The High Guns for the program were; Open High Gun Daryl Hunt from Wangaratta, with a score of 174/175, who took the sash, cash and two nights accommodation at Wagga's only 5 Star Motel, kindly donated by Geoff and Janenne Kidd from the Lawson Motor Inn. The Women's High Gun was Wendy Barton (169/175) from Gunning-Dalton. The Junior High Gun was Ronald Lawrence (169/175) from Canowindra and the Veterans High Gun was the ever-popular ambassador for shooting, Tom Harris (168/175) from Tumut.

The organisers would like to thank the sponsors, Carole Hall who worked tirelessly in the office, Charlie Strike the Zone Handicapper, Peter Whitlock and Chris Levitzke as shoot marshals, Bob Blake as tournament director and Downside Gun Club for catering and every one who helped out refereeing and scoring when asked.

## Riverina Zone Junior Classic

The Riverina Zone Junior Classic is conducted each year in conjunction with the Riverina Zone NSWCTA Trap Carnival. This year it was held at the National Ground, Wagga on Monday 12th June. As in past years, nominations for Junior shooters entering the Junior Classic and the Trap Carnival are free. Even though, the opportunity to shoot 125 targets at the National Grounds only drew 14 Juniors this year. Those who did attend came from Albury-Wodonga, Illawarra, Canowindra, Orange, Gunning-Dalton, Numurkah-Shepparton, Coleambally, Downside, Boort and Juneec.

The results of the Junior Classic are as follows; The Under 15 age group was won by Alex Vassilimis from Illawarra with a score of 162/175 who took home a sash and half a case of GB shells. Second place in this age division was Jaiden Parker, an up and coming young shooter from Albury Wodonga, with a score of 158/175. In the Under 16 age group, Ronald Lawrence from Canowindra took home the sash and the GB shells, with James Peatling coming second with a score of 178/187. In the Under 17 age group, Cameron Guihot, from Canowindra, with a score of 154/175 took the sash and the GB shells. There were no contestants in the Under 18 division.

One of the features of the Junior Classic was the sportsmanship displayed by the young shooters and the patience and support from their parents. All of the place getters had considerable distances to travel home but all stayed for the presentation even though this would mean a later night for all. This gesture was appreciated by the Zone committee.

As the world leader in voice activated trap release systems, Canterbury has launched two brand new products:

# Riverina Ramblings

**The adventures of a couple of ordinary blokes in the Eastern Riverina**

I met an Irishman called Tom, who was part of the Irish DTL team at the World Championships, a lovely bear of a man in his senior years with a wonderful snowy beard and smiling eyes. Tom shoots a high grade DT10 and being rotund of girth would plonk the barrels on the concrete as he fished around trying to find a shell. Then he would drop the shell a couple of inches from the little hole as it was a bit of a reach and on occasion they would miss or bounce out and Tom would just kick them into the grass as picking them up was possibly beyond him. When it was Tom's turn to shoot he would snap the Beretta shut and call "pool" in that delightful Irish lilt and then smoke it. I wandered down and picked up the live shells and gave them back to Tom and had a chat. I have often heard it said about the smiling eyes of Ireland. Well this gentleman had the most smiley, brilliant blue eyes and if Pee Wee and I can get to Ireland for the next Worlds I am going to look Tom up and find out if he is as partial to the Smokey wonders of the Bushmill single malt as I.

However enough of the future.

Moving on to the illustrious one, Pee Wee, eased one of the high strung exotic ladies out of the safe, dusted her off, and decided that as he is a Zone Rep he should actually attend the zone meeting. Good fortune smiled as the meeting coincided with the Tumut shoot so he decided to actually participate in his chosen sport. Could have knocked me down with a feather. Anyway, although I had decided that only an idiot would persist shooting as badly as I do and that it was even more stupid to put up with the crap weather, given Pee Wee's sudden epiphany, I felt an effort was required. Glad I did.

Pee Wee who is always looking for that competitive edge has been hunting around for some new crackers and after talking to all the Europeans at the Worlds decided that he needed something fast, as such he turns up with these B&P crackers which cost nearly \$200.00 a case. I fired off a box and am still aching from the pounding. Crunched up the birds no problems just reckon they might be a bit hard on the man and machine. Pee Wee of course was that excited not to be gardening that he didn't notice the recoil. In fact he was that excited to be shooting that he was jumping the queue and shooting out of turn, luckily it didn't cost Shane a bird as he would put his gun up only to see the bird take off on Pee Wee's call. I always thought he was quick getting a shot away but this was a bit much.

What a glorious day, with what must be one of the most spectacular mountain backdrops in Australia, shirtsleeves were the order of the day, calm, bright light, great target presentation from the Gemini's and some good scores shot, as they should be.

Trina Watchorn beat me in the shoot off for the B grade Double Barrel and then again in the Continental and did I cop some stick from my fellow competitors after all the crap I give Pee Wee regarding his temperamental girlie things for letting her beat me. I can tell you now that if I had to loose then there is no one I would rather be beaten by, damn she shot well and 98/100 in B grade was fantastic shooting. I reckon she would have been second only behind Tommy Harris for the HG. Well done.

Quite obviously the weather has been vexing me, but what is it with Wagga? It's either 40 in the water bag, blowing a gale, or here's a new twist, lovely winter sunshine interspersed with absolutely torrential rain and sleet, I jest you not there was sleet on the barrels of the guns when we were shooting the points two weeks ago. Did I mention it was cold, it was that cold that I had a couple of lumps in my throat? Tony Penny who many would know shot particularly well. Peter Kenyon still took the High Gun and if I were Don Power I would shout PK a new "Power Ammo" cap as the old Orange one is looking a bit worse for wear, or maybe it's just the shape of PK's head.

Talking about being vexed, I now have to apologise. Michael Kruger Davis took me to task for my last article as he reckons it wasn't him who put the power out at the Worlds the second time. He owned up to the first one however. Crikey the Pistol shooters will be glad to know whom to blame. These guys are all conspiracy theorists and who can blame them. If you reckon the gun laws that we live with are inane, try owning and storing handguns in NSW apparently.

**Cheers**  
**Keep knocking chip off 'em**

# Dick Toshack Memorial and Mick Sinclair Memorial at Cowra Gun Club

Cowra Gun Club held their May shoot in sunny and breezy weather and saw 39 shooters in attendance for the day events and 32 shooters stayed for the night event which was shot in cool conditions.

Dick Toshack Memorial Champion of Champions event shot at 40 targets (10DB, 10SB, 10PS & 10 Handicap) was won by Tony Wright 60/60. Michael Mitton was first in AA grade with Luke Kirkby second, in A grade Guilio Serafin won from Allan Collins while the B grade was won by Michael Kelly from Brad Niven and in C grade the winner was James Considine with Malcolm Drury second.

The next event, the Mick Sinclair Memorial Handicap shot over 23 targets was won by John Finn 25/25 + 6/6 from Guilerio Srafin and Luke Kirkby.

A graded 25 target Points Score Cash Divide was the next event and in AA grade 3 shooters shot the possible 75/75 - Luke Kirkby, John Finn, Tony Wright while in A grade Peter Mould was the only possible with Greg Oliver shooting 74/75 and Guilerio Serafin and Warren Schaeffer shot 73/75. In B grade Michael Kelly shot 75/75 from Matthew Seears and Darryl Martin on 74/75 and John Considine was the winner in C grade.

This completed the afternoon program and after a hot evening meal the night program commenced.

The night event was the NSW State Night Points Score Championship shot over 50 targets and was won by Don Power 149/150. The AA grade winner was Joe Caltabiano from Rodney Wright, A grade was taken out by Gilerio Serafin from Jake Johnstone, while Don Geddes was the winner in B grade from Brad Niven and John Considine won C grade.

The High Gun winner was Michael Mitton with a score of 302/310.

## Pairs Shot at Mathoura

Twenty pair of Deauville Doubles was the main event on Friday night the 23rd of June at Mathoura, and even though the welcome rain had turned into fairly wild thunderstorms, three full squads of shooters braved the elements to compete.

*Warwick Kelvy & Murray Roberts Overall first Deauville Doubles*

As it turned out the storms circled around, but at Mathoura Gun Club it was mild and rain free for the entire shoot, a black sky and well lit white targets with no wind was as good as any shooter could ask for.

Chosen partners for the main event was the order of the day, and Warwick Kelvy chose Murray Roberts to partner him and they both led the field to take out Overall first on a score of 17/20. That score was good considering the pairs of targets were very irregular making it very difficult for the competitors. Also during the shoot Murray thought it was time to swap over positions, and was off his mark and unloaded when Warwick called for their fifth pair, Murray reloaded and attempted to claim his target but to no avail.

Harry O'Connor and Graham Hall shot off for 2nd place against Bruce Cook and Tim Maher, but Harry and Graham proved too strong taking out 2nd on a score of 22/26. A very popular event particularly shot under lights and every shooter's opinion was Deauville Doubles was a fun discipline to shoot.

Event one was a 10 target Double Barrel Cash Divide, and three shooters shot all 10 targets, B Cook, H O'Connor, and T Maher, all collected some cash.

Event three was a 20 target Points Score, and Warwick Kelvy was undefeated on a 57/60 score, taking out Overall first, Tim Maher one point further down collected 2nd with a 56/60 score, and third place was taken out by M Roberts on a 54/60.

The entire shoot ran smoothly, and the competition and presentations were all over by the reasonable time of 10.30pm.
