Gemfields hosts 2006 QCTA State Trap Carnival

Gemfields Clay Target Club - located 35kms west of Emerald, which is 2 1/2 hours inland of Rockhampton

The weather was a balmy 28c and it was fine with a bit of a breeze, early winter in Central Queensland - what a ripper!! Competitors had commenced to arrive by the Friday morning, "tent-city" was developing by the hour, practice was on and there was an air of anticipation on Friday afternoon of 'what would be'.

Paul Anderson, Maryborough winner D/B Championship

Qantaslink/Sunstate Airlines had not transacted so many guns for quite some time as a considerable number of competitors utilised the easy arrival and departure method from Emerald, forgoing many hours behind the wheel for a comfortable look over the sunburnt plains of Central Queensland.

On Friday the QCTA executive conducted a Councillors meeting and Friday night saw the AGM well attended at the Anakie Hall. There was a change of guard at this meeting as Dennis Harwood was replaced by Wayne Reeves as President and three of the four management positions were occupied with "new blood." Congratulations to Barry

Bosworth, John Mack and Don Berrie, with this new team we trust our association will be in good hands for another term.

The QCTA wish to recognise and thank all the sponsors of the 2006 carnival (See their names after each result grouping) An Encouragement Award was presented to a worthy competitor in every event and thanks go to G&N Guns and George Scaff as the sponsor of all these trophies. Thanks also go to Clay Targets Australia for their donation of 2000 clay targets for the carnival. And if you picked up a very neat A5 brochure advertising the 2006 Titles at Gemfields you too would like to thank Emerald Shire Council for their support in the preparation of this brochure. And finally Engel Fridges Queensland for their assistance with the raffle prizes.

Emerald had prepared six competition layouts and a practice layout for the carnival. It became quite obvious however that the practice layout and all available hours of daylight would be required to complete the events and shoot offs. It looked like another attendance record was about to tumble for the third year in a row.

Two hundred and forty nine shooters lined up for Event 1 a 25t Points Score event won last year by Ray Collinson, and sixteen shooters recorded a possible. Following a short opening shoot-off of only 20 single barrel targets Kev Jarick of the Gold Coast waited for the remaining squads to catch up to him at the back of trap 2. It wasn't necessary as the last contender (John Farrell from Guyra) pulled a second on No 20 and Kevin was the Overall winner with a score of 135/135.

NATIONAL PRESIDENT'S NOTES

Bill Jones

The Junior Development Camp for July was recently held at our National Ground.

Michelle Parks and Laetisha Scanlan together with Michael Harbor all showing good form.

My thanks to Wayne Parks and Garth Hosking who assisted the camp staff. Russell and Lauryn were both competing at the QLD ISSF Championships and were unable to attend this camp. The offer of help from Bill Iles was appreciated.

The Skeet facilities at the National Ground are nearing completion. Now is the time for all skeet shooters to consider their attendance at the Skeet Nationals in November. I am confident you will be pleasantly surprised with the standard of the "fields".

Saturday evening the host club prepared a meal for all those who required sustenance and the bar provided various coloured fluids for those who were "a little dry" after the first day's competition. Following the shoot off on Sunday morning, Event 3 the 50t State S/B Championship commenced a little late with a record 253 competitors, and at the end of it all there were only 4 possibles and that included one very happy lady. After a short shoot off history was created when Viv Moore from a new QCTA club at Surat won the right to place her name after Ray Collinson's (the 2005 winner) and Frank Musemici of Ballandean had to be content with his part in the creation of history.

Sydney CTC Night Owl 2006

Capital City NSW

Well, we are now half way through the Night Owl Series for 2006 and with only four of the nine championships to go things are really starting to heat up for the \$1000 cash!

To date we have shot the Double Barrel, Single Barrel, Points Score, Mixed Targets and Double Barrel Continental.

We have had numerous winners and it is good to see that out of the sixty odd shooters who have attended so far there is quite a mixture of grades contending for the lead.

The top 10 after the first five rounds are:

1) Tony A - 11pts; 2) John Kladis - 10pts; 3) Les Trew - 10pts; 4) Okan Kerem - 10pts; 5) Toohey Kerem - 10pts; 6) Andrew Andrews - 9pts; 7) Dino Barros - 8pts; 8) M Saad - 8pts; 9) Gary Georgiou - 7pts; 10) Manwell Gomes 7pts

It's good to see that in the top ten we have a great mixture of grades represented. The next shoot is due for mid October and the last shoot is in December. To make it interesting we made the last shoot Single Barrel Continental and this shoot is worth double points. The beauty of this is that it leaves the competition wide open for a mudrunner to come in at the last shoot and snatch the \$1000.

Good shooting to all!
Chett Auditore

2006 QCTA State Trap Carnival

Continued from page 3

The Zone Shoulder to Shoulder Teams events were contested and the Open trophy was presented to the South East Zone. The Western Zone won the Ladies and the South East Zone won the Juniors (both teams have won for 2 years running) and the Veterans was claimed by the South East Zone. Well done to all the winning teams.

2006 saw another perfect score and as the only possible in Event 4 the State Double Rise Championship it authorised Daryl Stevens of Brisbane to join the 2005 titleholder Joe Rossato as recent "skinners" in this event. Wes Humphreys from the Sunshine Coast is wondering what's going on...2 years in a row he has shot 49/50 and both times couldn't get into a shoot off. They were the best of 251 competitors.

1st AA Wes Humphreys (Sunshine Coast) 49/50 2nd AA Don Portors (Sunshine Coast) 57/60. 1st A Bevan Reibel (Tallawalla) 46/50 2nd A Tony Coco (Mackay/Sarina) 55/60. 1st B Jason Williams (Cooktown) 46/50 2nd B Warren Howell (Roma) 52/60. 1st C George Oats (Mackay/Sarina) 40/50 2nd C John Fordyce (Pioneer) 37/50. Ladies Veronika Forsythe (Roma) 49/60, Juniors Anthony Nugent (Roma) 45/50, Veterans Robbie Dunn (Pioneer) 47/50 Encouragement Award: Matthew Allen (Dalby). Event Sponsor: Queensland Gun Exchange

A bit of rain and some real clouds arrived on the Monday morning, nevertheless it wasn't going to dampen the enthusiasm or assist with a few tingling nerves as the final event for the State team selection was ready to start. Event 5 the 50t State Points Score Championship saw 9 capable shooters line up to claim Ray Collinson's 2005 title. Bill Pavy from Pioneer broke out into a smile, as he was able to withstand the pressure to take the overall from Grant McPherson.

1st AA Grant McPherson (Rockhampton) 180/183 2nd AA Bryan McMillan (Pioneer) 164/165. 1st A Carlo Barletta (Gladstone) 150/150 2nd A Tony Coco (Mackay/Sarina) 151/153. 1st B Juha Havela (Maryborough) 147/150 2nd B Laurie Rodden (Pioneer) 146/150. 1st C Donna Nugent (Roma) 137/150 2nd C Chris Adams (Barcaldine) 136/150. Ladies Lil Brandt (Rockhampton) 157/159, Juniors Michael Swale (Jun) (Gold Coast) 147/150, Veterans Mick McGill Mount Isa 150/150. Encouragement Award: Clay Walters (Goondiwindi). Event Sponsor: B&P Shotshells

As the points shoot off finished eyes turned to the inaugural Paw Paw Team Shield supported by the McPherson family in memory of Madam Paw Paw. The team had to have representatives from each grade and it was shot in conjunction with the points event. Nomination monies were donated to the Paw Paw club. The inaugural winners were: Gary Wright, Kevin Mott, Grant McPherson, Graham Rudd, Carlo Barletta and Colin Wright.

Team qualification followed and it was obvious you were going to have to have a pretty good score to be considered for any team let alone the 15-person State Trap Team. It was not cut and dried and those on 5 points down had to shoot-off for the final positions in the open team.

The following people were presented with their 2006 Open State Team badges:

Irwin Wynyard Frank Musemici Don Portors Steve Szabo Kevin Jarick Ray Collinson Daryl Stevens Lil Brandt Bryan McMillan Bruce Powell Bill Pavy Robbie Dunn David Stitt Colin Witt Chris Lee

State Ladies Team 2006: Lil Brandt, Holly Wilson, Veronika Forsythe, Julie Allen, Lynne Thompson and Kristin Williams

State Juniors Team 2006: Matthew Waugh, Sam Waugh, Anthony (Ant) Nugent, Clay Walters, Michael Swale Jun, and Allan Bredden.

State Veterans Team 2006: Mick McGill, Robbie Dunn, Mike Collins, Neil Berry, Graham Rudd and Noel Beale.

After their qualifying scores were added in the Queensland Open Team for Wagga Wagga in 2007 is: Ray Collinson, Bruce Powell, Kevin Jarick, Daryl Stevens and Robbie Dunn. The Open Team High Gun resulted in another tied score of 150/150 and Ray Collinson and Bruce Powell will share a space on the R.A. Dean Perpetual trophy.

The other State Teams at Wagga Wagga in 2007 will be well represented by:

Ladies: Lil Brandt Holly Wilson Lynne Thompson. *Juniors:* Juniors: Matthew Waugh Clay Walters Anthony Nugent. *Veterans:* Robbie Dunn, Mike Collins, Mick McGill (the Skeet Shooter)

Ladies Team High Gun went to Lynne Thompson on 75/75, the Juniors Team High Gun winners were Matthew Waugh and Clay Walters who tied on 75/75 and Mike Collins took the Veterans Team High Gun with a 74/75.

The record books continue to be updated annually as the Queensland Trap Champion is recognised. This team member is the person with the highest aggregate in their qualifying score and the team score and their name is recorded on the Ron and Muriel Porter Perpetual Trophy. Again the engraver will not be troubled with the spelling or the layout as Ray Collinson goes on again to make it seven in a row. This is a great achievement and well done Ray with a 445/450.

Two Gold Coasters, Kevin Jarick and Colin Witt came up trumps to scribe their names on the Two Man Team Cup for 2006.

The High Guns are all that's left to present and a consistent performance from Daryl Stevens won the Overall High Gun with a creditable 371/375. The 2006 carnival saw Daryl as an excited but humble winner who displayed exceptional commitment and was not troubled with recent gun problems.

The grade High Guns were next up and the recipients were: AA Grade Colin Witt (Gold Coast) 368/375; A Grade Don Portors (Sunshine Coast) 367/375; B Grade Laurie Rodden (Pioneer) 355/375; C Grade John Fordyce (Pioneer) 315/375.

Overall and Grade High Gun Sponsors: Beretta Australia. The Ladies High Gun winner is Lil Brandt of Rockhampton with a score of 355/375. The Juniors High Gun winner is the emerging Roma member Anthony Nugent on 352/375.

The Veterans High Gun winner never makes it easy in any competition congratulations to Robbie Dunn from Pioneer on 365/375. It is interesting to note Pioneer was the most successful club at the carnival claiming 10 placing's plus an encouragement award.

Section High Gun Sponsors: Bruce Powell - Central Park Helicopters, Don Berrie - Livestock Data Link, Rick Kennedy - Rick's Tyre Centre

Congratulations to Gemfields, the host club, and to George and his team, an all round good effort. I hope everyone takes some positive learning away from this carnival so that 2007 will be bigger and better and we keep re-drafting the record books.

See you all next year. Good Shooting

Two-day simulated field and game SINGLETON CLAY TARGET CLUB

Located 2 1/2 hours North of Sydney

Singleton Clay Target Club's annual two day simulated field and game shoot was staged on the long weekend of June 10th and 11th. All weather forecasters predicted lots of much needed rain with strong wind over the 2 days. However 86 shooters attended, as this was to be a special occasion.

The main event for the weekend was the "Tom Turner Memorial Redbank Creek Championship". The late Tom Turner was a much respected shooter from Cessnock Club who rarely missed a Singleton shoot and won this event, last year just prior to his untimely passing a few days later.

This was contested for on Saturday. Sunday's main event was scheduled as 100 target "Cable Handling Services Championship".

"Cable Handling Services Pty Ltd" owned by the Ridgway family manufactures and markets equipment for handling the large electrical cables used in mining. They very generously sponsored the full weekend's trophies and cash prizes.

Saturday morning saw a large number of campers under canvas and caravans and the grounds had a carnival atmosphere.

Shooters attended from faraway places as Dubbo, Mudgee, Caloundra, Tamworth and Hunter Valley clubs.

Tom Turner's family was represented by sons, Olympian Tom Turner and Paul Turner.

Just before starting time the rains came and continued intermittently all day. The results were: 50 Target Cash Trophy; AA 1st K Cameron 48/50, equal 2nd C Brown and T Turner 46/50; A 1st P Kay 45/50, 2nd P Turner 43/50; B 1st K Wicks 40/50, equal 2nd T Wright and C Barton 39/50; C 1st T Ziliotto 37/50, equal 2nd J Mullins and S Mueller 34/50.

75 Target Tom Turner Memorial Redbank Creek Championship: AA 1st K Cameron 70/75, 2nd C Brown 65/75; A 1st K Raymond 66/75, 2nd P Kay 62/75; B 1st T Wright 66/75, 2nd J Jenkins 61/75; C 1st J Mullins 55/75, equal 2nd F Ziliotto and N Korlevic 54/75.

All winners were presented with beautiful sashes and prizes.

Keith Cameron of Quirindi was the outright winner and was presented with a beautiful shield donated by the Turner family and to be contested annually.

Sunday dawned similar to Saturday with very dark

Tom Turner Memorial - Tom Turner Jr, Keith Cameron, Paul Turner

clouds and a very cold wind. Unfortunately this took a toll on our numbers as only 56 shooters braved the elements.

Heavy rain was falling as shooting commenced, however by mid morning it eased off and the rest of the day remained dry.

The results were: Event 1 25 Target C/T: AA 1st C Brown 25/25, 2nd F Searles 23/25; A: 1st K Raymond 22/25, equal 2nd R Lannigan, M McCallam, P Kay, A Cullis 21/25; Event 2: 100 Target "Cable Handling Services Championship": AA 1st C Brown 95/100, 2nd F Searles 93/100; A 1st P Kay 93/100, 2nd D Baskerville 91/100; B 1st C Hayes 84/100, 2nd B Hall 84/100; C 1st J Mullins 76/100, 2nd G Bloink 74/100

Overall grades winners over the two days 250 targets were: AA K Cameron 230/250,

A P Kay 221/250, B J Hayes 200/250, C J Mullins 186/250, Ladies J Nichols 191/250, Veteran N Nichols 174/250, Jnr Shane Thrift 169/250, Overall High Gun C Brown 231/250

All winners were presented with sashes and prizes by Joe Ridgway, the Principal of Cable Handling Services Pty Ltd, to whom we extend a big thank you.

In conclusion a big thank you must be extended to our office staff of Ann Cragg, Geoff Williams & Anne Finlay who did a great job with nomination enquiries, scoring etc, to the Jerry's Plains Hall Committee who catered with fine food over the full weekend including Saturday night and to all the volunteers who gave their time setting up, maintaining and finally packing up the traps and equipment.

In the competition layout three stands are named after wild ducks:- Teal, Black and Wood, a total of 50 targets. Andrew Garvie donated a nice wall hanging of game birds of the world which was won by K. Cameron 46/50. Also a thank you to Horsley Park Gun Shop who supported with ammunition for prizes.

Outstanding Attendance at Dubbo Gun Club's Annual Open Championship

The club grounds were extremely dry and bare due to many months lack of rain, however the roll up of members and visitors to Dubbo's annual two day open Golden Fox Championships were extremely satisfying with one hundred and one shooters competing for prize money and trophies in excess of \$10,000.

Nick Xenos from NSW Gun Club wins overall in the 30T Handicap

Jason Owens collects 1st place in C Grade Single Barrel championship

Many shooters travelled long distances with visitors from as far afield as Griffith, Millicent SA, ACT, Wangaratta, Lightning Ridge, Shepparton and St Helens Tas. Sydney and Metropolitan clubs were well represented and we had excellent support from Cobar, Warren, Narromine and other clubs throughout the State.

Fifteen double barrel eye opener targets started each day's program with a cash divide available in all grades. The number of possible scores in all grades was indicative of the level of results to follow over the weekend.

Kyle Walton receives his first Championship sash and trophy for 1st in B Grade in the Double Rise event

Matt Salem from Sydney Gun Club receives Sub Junior Overall sash and trophy

The first Championship event of twenty-five single barrel sponsored by Doug Moorby of Whitewood Warehouse, Bathurst was won overall by Clive Foster (West Wyalong) with 35/35. Other winners were 1st AA Grade Steve Guest (Leeton) 34/35, 2nd AA Grade Peter Fitzalan (Dubbo) 33/34, 1st A Grade Mick Bajada (Cecil Park) 27/28, 2nd A Grade Steve Goode (Gunnedah) 35/36, 1st B Grade Rod Ferguson (Cobar) 29/30, 2nd B Grade Cameron Ferguson (Narromine) 33/34, 1st C Grade Jason Owen (Warren) 23/25, 2nd C Grade Josh Newbigging (Narromine) 29/33.

Ramien's Timber Company, Dubbo sponsored the thirty target Medley Championship from 18 meters with the overall result going to Dave Caccioppoli from Tumut with 74/75. Other results were 1st AA Grade Terry Wells (Tumut) 74/75, 2nd AA Grade Clive Foster (West Wyalong) 73/75, 1st A Grade Darren Saunders (Yarrowonga) 73/75, 2nd A Grade Ziad Alameddine (Sydney) 71/75, 1st B Grade Peter Jones (Dubbo) 67/75, 2nd B Grade Geoff Peacock (Benalla) 64/75, 1st C Grade Josh Newbigging (Narromine) 41/50, 2nd C Grade Brenton Kelly (Coomamble) 40/50.

The final event for day one was the Robertson's Tyre Service, Dubbo twenty-five target double barrel Championship with 31 possibles requiring a shoot-off for the overall trophy. Six squads settled down and by sunset, only seven shooters remained in the contest. Two sets of generator powered flood-lights kindly supplied by National Hire, the Cat Rentals, Dubbo together with the club's towers provided nearly 50,000 watts of brilliant lighting giving daylight conditions enabling a result. James Verdanega from Griffith collected overall with 134/134 from Steve Guest (Leeton) who won 1st in AA Grade with 133/134. Other results 2nd AA Grade John Gemmill (Yarrowonga) 91/92, 1st A Grade Tas Touvas (Dubbo) 82/83, 2nd A Grade Geoff Walla (Yarrowonga) 51/52, 1st B Grade Peter Jones (Dubbo) 53/54, 2nd B Grade Gary Porter (Gunnedah) 37/38, 1st C Grade Les Cunningham (Goolma) 25/25, 2nd C Grade Josh Newbigging (Narromine) 27/30.

Sunday's conditions were perfect with clear skies and warm sunshine. The overall winner of Chris Cookson's Dubbo Tool Centre's twenty-five target Points Score Championship was Ben Allen from Canberra International with 114/114 from Dubbo's Dave Hammond who won 1st AA Grade with 113/114. Charlie Sherry (Sydney) collected 2nd in AA Grade with 104/105. Other scores 1st A Grade Garth Hosking (Dubbo) 83/84, 2nd A Grade Terry Ramien (Dubbo) 110/111, 1st B Grade Cameron Ferguson (Narromine) 74/75, 2nd B Grade James Richardson (Boorowa) 97/99, 1st C Grade Les Cunningham (Goolma) 72/75, 2nd C Grade Stuart Green (Gunnedah) 66/75.

G.R. & R. T. Hosking Transport Dubbo provided sponsorship for the thirty target double barrel Handicap Championship with fifteen cases of cartridges to be divided between the first five places.

Sponsor Garth himself a contender scoring a possible with three others. Placings went to Nick Xenos (NSW Gun Club) first with 42/42, Garth Hosking second 41/42, Peter Fitzalan 38/39, Peter Jones 36/37, fifth place was Darren Saunders 49/50.

Frank Cross Tyres, Dubbo provided sponsorship for the final Championship of the weekend, fifteen pairs of double-rise targets which was won overall by Clive Foster 38/40. Mark McInnes (Narrabri) collected first in AA Grade 47/50 from Peter Fitzalan in second place 46/50, First in A Grade went to Garth Hosking 27/30 with Tony Salem (Sydney) second on 44/50, B Grade went to Kyle Walton (Dubbo) posting a score of 44/50, posting his first ever championship sash with a proud "Gramps" watching on. Sydney club visitor Matt Salem was placed second with 43/50. Jason Owen from Warren won C Grade with 30/40 from Dubbo's Geoff Luck 27/40.

Club President, Errol Tucker with Dubbo's Golden Fox Overall High Gun winner James Vardanega

At presentation, Dubbo Club President Errol Tucker thanked the many members and travellers who provide excellent friendly competition over the weekend as well as the sponsors without whom the high standards of trophies would not have been possible. These include Hilton Warman Hardware Dubbo, The "Good Guys" Dubbo, Outwest Pumps and Irrigation Dubbo, Royan Truck & Trailer Dubbo, Horsley Park Gun Shop Sydney, King's Hall Jewellers Dubbo, Peter & Judy Fitzalan Dubbo, Swane's Truck Centre Dubbo.

He then presented awards to, Veterans Peter Fitzalan (Dubbo) 255/265, Sub-Junior Matt Salem (Sydney) 236/265, Junior Josh Player (Orange) 242/265, Ladies Louise Johnstone (Cowra) 180/265, C Grade Les Cunningham (Goolma) 232/265, B Grade Cameron Ferguson (Narromine) 247/265, A Grade Darren Saunders (Yarrawonga) 255/265.

Two of the State's top shooters - Clive Foster from West Wyalong and James Vardanega from Griffith were tied for Overall High Gun and after a shoot-off requiring two targets from each of the weekend's event. Vardanega dropped only one point to take overall with an outstanding 299/309.

The Overall award was a solid gold and ruby fox medallion expertly hand crafted by Craig Carolan of King's Hall Jewellers, Dubbo. Foster finished only two points behind on 297/309 to take the AA Grade High Gun.

President Errol also paid tribute to the members and helpers who spent many hours preparing the layouts, manning the office, keeping an eye on the traps and the countless other chores that made the weekend a success.

BELLE BERETTA - Doing it Better!

By John McDougall

A shot of the various models of Beretta firearms on display at the Beretta Australia Head office, in Dandenong, Victoria.

Greg Chan, Executive Director of Beretta Australia, proudly presents a selection of Beretta competition trap and trench shotguns that can be ordered through Beretta Australia dealers across Australia.

A close-up of the receivers of the SO, (side lock), series of Beretta shotguns including the magnificent Beretta SO 9 with its hidden action pins.

When Beretta Australia opened on the 1st March, 2000 the way in which firearms in Australia were sold, specifically shotguns, was to forever change. This was the dream of former Italian great, Luca Scribani-Rossi, an accomplished skeet shooter, World Champion team member, World Cup champion in skeet, as well as repeatedly Italian and European skeet champion. In 1984 he won Olympic bronze in skeet! And so Australia's 'Mr Beretta' was a very accomplished competition shooter as well as former coach to the Australian Olympic team. Could Scribani-Rossi change the way Beretta arms were sold and could he set out to establish an industry standard which placed Beretta Australia as market leaders? Over the past six years, I believe so!

To assist with maintaining Beretta Australia's front line position, they secured the services of Northern Territorian, Greg Chan to advise on the company's expansion and direction. After 30 years in the firearms trade Chan has established himself too, very respectfully

as an accomplished ACTA shooter and international clay target coach. Appreciating the calibre of the men at the top it is then easy to imagine the high standards they set for themselves and others around them as part of the Beretta Australia team.

Towards their commitment to shooting in Australia, Beretta Australia import a host of sporting arms from the manufacturing plant in Brescia, Italy, suited to every imaginable clay target shooting discipline; trap, skeet, trench and sporting. To this end a magnificent range of Beretta shotguns, from the basic model 686 to the high-end SO5/SO6 range are available here in Australia with an exclusive aftermarket service offered to all new purchasers whereby minor adjustments, for fitting purposes, are undertaken free-of-charge. Left-handed stocks and individual gun fitting are examples of this service. This is typical of the type of service that one

It's Your Call

By
Bill McCarthy

In a previous article we discussed the situation where a shooter failed to load a cartridge in either barrel in a double rise event. The result of that action was that a "No Target" was allowable on the second barrel to establish the outcome of the second target only.

With this in mind lets us look at a situation in points scoring: You are the referee in a point score event. A shooter calls for a target and fails to shoot. You go through the normal procedure where you ask the shooter to test fire the gun once only. As it is an inertia trigger mechanism, the gun does not fire. The gun is opened and you find that he has failed to load a cartridge in the first barrel but has loaded a cartridge in the second barrel.

IT'S YOUR CALL

If you ruled "Lost Target" you would be quite correct.

Rule 1.10(b) is quite clear in its direction about an unloaded gun, safety catch problem, etc. So any thought of scoring with the second barrel is out of the question. Any attempt to rationalise the ruling by using the example of the double rise situation is irrelevant, as the event described is a single target event. There is no second target scoring opportunity as there is in double rise.

Confusion sometimes arises in Points events where a baulk is claimed on the second barrel. That is where a shooter has missed the target with his first barrel and has an allowable baulk for his second barrel. In this case, target restoration is given to determine a second barrel result. The maximum the shooter can score here is "Two"

Overall, our rulebook is well written and specific. It caters for most situations that we encounter from day to day. To add further expansions to individual rules may not be in the best interest of us or the size of the rulebook. Nevertheless, we can rest assured that our Rules committee is constantly and conscientiously looking at ways in which our sport can be equitably and safely conducted. Its involvement in bringing these rule interpretations to all concerned through this medium is appreciated.

Great importance is attached to establishing a national standard of interpretation on our rules and I am grateful for the assistance of our Rules Chairman and his committee for their ongoing advice and encouragement with this project.

A high quality Beretta SO model with its inletted stock ready to be prepared for the discerning shooter who appreciates the quality, balance and performance of premium-grade, custom-made sporting arms.

available for the hunter. They are priced around the \$2,700 mark and offer an excellent entrance price for any of the clay target disciplines. Of particular interest during my visit to Beretta Australia was the 686 E Trap with its raised competition rib, so that you can see the target at all times. This was also available with the stock memory system, an adjustable system that enables the shooter to set the stock comb at the precise height and cast-off to suit. Barrel length is 30" with skeet and sporting versions available in 28" or 30" interchangeable or fixed chokes.

Next in the range is the 687 series which offers 5 different models in field and sporting configuration through to the EELL range which comes with extensive engraving on side plates, magnificent walnut stock wood and an adjustable trigger.

The 682 models follow the 687 with a special 682 model made specifically for the Australian trap market. It is

the 682 Gold E with solid ribs to compensate for any lost weight with the Optima barrel preparation, (over-boring process). This is available in barrel length of 32". All 682 models are fitted with a three-position trigger foot and a fully adjustable stock 'memory system' is also available as an option. As this is really the middle level entry for a Beretta competition shotgun the timber work is of a higher grade and the Optima choke tube and barrel systems are available as options. These ensure increased pattern performance with a minimal impact upon competition shotgun weight distribution. Starting at around \$4,000 for the 682 Gold E trap the option of free-of-charge stock adjustment from the in-house gunsmith is also made available. This is mainly for stock adjustment; pitch, stock dimension and fitting but other customised requirements can additionally be considered or may simply involve expert setting of the stock memory system.

Moving into the "Premium Grade" guns and leaving the box lock 686, 687 & 682 guns behind, Beretta has an extensive range of DT 10 Trident detachable trigger lock competition guns. The DT 10L is engraved whilst the DT 10 EEL features the addition of engraved side plates. This is the beginning of the 'Premium Grade' of shotguns with each gun hand assembled, checkering hand-finished and each stock and fore-end hand oiled for

would find in Europe but there has never been such a commitment by an Australian gun distributor to undertake such modifications. There is also the facility for making custom stocks and to this end, a full-time gunsmith/stock maker is employed by Beretta Australia to ensure their customers are 100% satisfied and that in no way, (as I have a snigger whilst putting this presentation together), no shooter can ever blame their gun for missing targets. Beretta Australia is a complete shotgunning service facility; from gun purchase, through fitting, through customising, coaching advice and they additionally sell a range of Beretta accessories to suit, including clothing. (These cannot be bought directly from the distribution point in Dandenong but need to be ordered through Beretta dealers). Beretta Australia, based in Dandenong, does not deal directly with the public for they have a total commitment to their dealer network.

Beretta Australia is also the importer and distributor of the world renowned and highly regarded RC shotgun ammunition

The basic competition model Beretta in an under and over configuration is the 686. This model, as with other higher grade models, is available in trap, skeet and sporting with field grades also

superior finish. As well as the trap model it is available in a skeet or sporting version with the 'optima bore' system of over-boring credited with improved shot patterning, reduced perceived recoil and shot velocity optimisation. There are special chokes also designed for Optima models, both, fully internal or Extended Optima chokes - as preferred. The DT 10 Trident moves away from the conical locking lugs that lock the box lock range of guns and utilises a proven "Boss" system whereby a cross-bolt locks barrel extensions in place. The adjustable stock with memory system is also available. The gun is available in either a very deep blued colour approaching black or Beretta's special grey "electroless" nickel finish. A variety of rib types and barrel lengths are also available to order.

One of the limited edition Beretta 682 shotguns available throughout the world-wide network of Beretta distributors.

When one would believe that you could not extend your manufacturing base any further, Beretta then offer their absolute "Premium" grade models. These are the side-lock models where the firing mechanism is attached to side plates on the receiver side plates.

The SO 5, SO 6 and SO 9, (with its hidden pins and locking bolt), are the best grade shotguns that Beretta make. They are also available with detachable side locks and their prices begin around the \$30,000 mark for the basic trap model. There is also the option of an inletted stock blank so that a stock can be custom built by the in-house master craftsman to 'exact fit' for the purchasers. I suppose for \$30,000 this is to be expected! Other accessories available include the Optima barrel boring, extended Optima chokes (sporting model), fixed/internal choke tubes and barrel lengths from 26" to 32" depending on the discipline. The engraving on the SO 6 & 9 models is a "work of art" with the highest grade stock woods

available for a price that is available on application. Beretta Australia had several SO models on display and for the clay target shooter who desires a work of art with his premium grade shotgun, this is option for someone who sees money as no object! Purchasers can be rest assured they will get excellent value for their money and the utmost of attention from Beretta Australia in their endeavours to have the SO model purchased fitted perfectly to the owner with an excellent after sales back-up.

In fact Beretta Australia are renowned for their service to customers, whether you have bought a new, recent model Beretta or are wanting your second hand Beretta adjusted to your requirements. It is a primary concern of Beretta Australia that all Beretta owners in Australia are 100% happy with their shot-

gun. An ideal upheld by Scribani-Rossi that has maintained Beretta Australia as a market leader for several years and with many of Australia's top shooters happily and successfully shooting Beretta shotguns at the highest levels of competition.

I believe I am safe in saying that Luca Scribani-Rossi, along with a very capable support staff have taken shotgun distribution in Australia to a new, high level of marketing and sales support that none other presently offers in Australia. Their commitment to sponsorship must also be acknowledged for without the great support Beretta put back into shooting through sponsorship, several of the shotgunning associations in Australia would be struggling to otherwise attract the impetus and support that Beretta Australia have provided. Through a major sponsorship package Beretta Australia is now the major sponsor of the Australian Clay Target Association.

They are also the importer and distributor of world renown Mattarelli clay target machines which are now installed at the ACTA national shooting ground at Wagga Wagga.

Finally, I believe I am unequivocal when I say, Luca Scribani-Rossi has achieved his vision for Beretta Australia and taken distribution, sales, service and marketing up onto another level never before attained by any competitive firearm importer.

To that end, I congratulate the Beretta Australia team for their contribution to all shooting, especially competition clay target disciplines in Australia, and compliment them on their recent move into the New Zealand marketplace where I feel certain they will have similar success. Well done and an extended thanks from all Australian Beretta users!

Psychological Skills for Shooting

by Michael Kruger-Davis

VISUALISATION AND THE BLACK BOX TECHNIQUE

Some of this article will be familiar to those who have been following these articles since the beginning. The information about visualisation appeared in an article in 2000, however I have added a visualisation technique that was specifically designed for a shooter: for those readers needing help with dealing with distractions, the Black Box Technique may be the answer.

Visualisation or mental imaging is a skill that can be used to improve performance. Visualisation, according to Syer and Connolly (1984) is the process of watching yourself, as if on a screen, in your mind's eye. Whilst you watch yourself you consciously evoke and guide daydreams, in which you appear, towards a specific end.

A number of terms are often used interchangeably with visualisation. These include mental imagery, mental rehearsal, ideomotor training, and visual motor behavioural rehearsal. Mental imaging includes auditory and kinaesthetic (feeling) components as well as visual components; therefore, if you visualise yourself moving, you may see, hear and feel yourself moving. Visualisation is the most commonly used term and for the purposes of this article I will stay with it.

Visualisation is a tool that can be used to limit self-doubt because it incorporates the language that the body understands: pictures. Muscles and the nerves that are needed to move muscles, do not understand language, therefore when we tell them what to do they tighten up because they do not understand our instruction. If however, we show them a mental picture of what is needed, it is clearer and in a form that they can use. If you had to learn golf, trap shooting or waltz, from the verbal instructions, most people would end up confused and unable to do what was expected. However, when we show the learner, what to do and better still when the task is broken up into small steps, learning is easier, understandable and more fun.

The learning process is accelerated when we visualise what we have to. The brain cannot distinguish what is real and what is imagined so if we wish to practise a skill, then doing it over and over in our mind will reinforce what we have learned and accelerate the generalisation process of the skill. It must also be noted that the same goes for visualising faults and mistakes, so it is important that the correct skill is being visualised.

Visualisation also affects physical functioning if you visualise a physical action, state or process and your emotional functioning can be affected if you visualise an emotional state or process. Research in the 1930s demonstrated that when a person imagined tensing and relaxing a muscle group, he could influence that muscle group without doing any actual tensing or relaxing.

Visualisation can be different for different situations and Syer and Connolly draw a distinction between two classes of visualisation: Problem-solving and mental rehearsal. Problem solving involves using visualisation to aid concentration, reduce anxiety and physical tension or to suggest possible courses of action. Mental rehearsal is the process of imagining yourself performing a specific movement of skill. For the trap or skeet shooter, mentally rehearsing the shot they are about to perform will quieten the mind because it has just seen the target break and therefore lets the body shoot the target without interfering with a lot of useless verbal instructions.

BLACK BOX TECHNIQUE

This technique was designed for Barbara Lynch in 1979 before she won the European 15 Trench Title. Barbara Lynch sought out Connolly and Syer to develop a way that would help her deal with

distractions during a competition. Barbara found that using this technique she was able to give each of her distractions an image and then put them in the black box. Images that she put into the black box included other shooters kicking shells, having shells ejected in her direction, trap malfunctions, etc.

Having identified your concerns and distractions, sit quietly, close your eyes, take a deep breath and allow yourself to settle heavily into your chair as you breathe out slowly.

Imagine yourself sitting at a desk in front of a window. Look out and notice what you see, what the weather is like, what movements there may be. Then look down at the desk and notice a blank sheet of paper and a pen. Pick up the pen and write down a complete list of those concerns and distractions that you identified. As you write, see the shape of your handwriting on the page, hear the point of the pen slide over the paper, feel the weight of your upper body on your arm. If you find it easier, you can draw a picture to represent the distractions or your distracted mood. When you have finished put down the pen, fold up the paper and turn around. You see a box behind you, somewhere within reach. It may be on a shelf or on the floor. Notice how large it is, what colour it is, whether it is in the light or in the shadow. Open the lid. Then put the folded paper inside the box, close the lid and turn around, settling back into your chair and once more looking out the window.

Having done this you can open your eyes, ready to interact with those around you.

However, it is important that once your session or match is over, you close your eyes again and go back to the imaginary desk, turn around, open the box, get out and unfold the paper and look to see what you wrote or drew. Sometimes it will no longer be of interest, that's fine, but if you promised to give the object attention then you should now keep that promise.

I have found this technique useful in a variety of settings in my practise for helping children deal with bullies, manage exams, deal with issues affecting their lives (grief, etc). This technique puts you in control and reduces anxiety because the problems can now be dealt with.

28th Central Victorian Grand Prix

Maryborough Gun Club

On June 24, Maryborough Gun Club ran the 28th Central Victorian Grand Prix with shooters from thirty-three clubs attending.

Bruce Burns, Rio Oceania, major sponsor with Darren Watts, Maryborough President and Ashley Bolwell, overall winner of 25 tgt Points Score Championship and High Gun

Arthur Turner, AA grade winner of Graham Jacka Single Barrel

State Handicapper, Ray Peatling, overall winner of the Central Victorian Grand Prix accepting his trophy of \$1000

The day commenced with the Graham Jacka 25 Target Graded Single Barrel event. AA grade shooter, Arthur Turner (Echuca), won with a score of 43/43 from Ashley Bolwell (Central Wimmera) 42/43. Promising junior shooter, Rhys Hendrickson from Maryborough, took out A grade with 35/36 from Geoff Palmer (Colbinabbin) 34/36. B grade was won by Nathan Hargreaves (Ararat) with 26/28 from Bradley Da Fonte (Maryborough) 25/28. Lady shooter, Anna Shedrina (Werribee) won C grade with 22/254 from Trevor Harbor (Cosgrove) 22/26.

The main event of the day was the Central Victorian Grand Prix 25 Target Double Barrel. A total of 29 shooters had a perfect score and after the shoot-off, Ray Peatling (Boort) was the last man standing with a score of 143/143.

Winner of AA was Simon Gloster (Loddon District Police Trap Club) 142/143 from Stephen Atkins (Echuca) 142/143 and Russell Mark (Werribee) 139/140. Anthony Rullo (Swan Hill)

won A Grade with 77/78 from Gary Hargreaves (Ararat) 47/48 and Bradley Harbor (Numurkah-Shepparton) 32/33. Another of Maryborough's juniors, Bradley Da Fonte took out B grade with 25/26 from Donna Bauer (Walmer) 59/60 and Kathy Langridge (Castlemaine) 58/60. Nick Primbas (Metropolitan) was first in C grade with 25/26 and again the other two places went to

Three of Maryborough's promising juniors, Bradley Da Fonte, Single Barrel second in B Grade and Grand Prix B Grade first; Rhys Hendrickson, Single Barrel first in A Grade and Points Score A Grade second; Nathan Durbridge, Points Score B Grade second

the ladies - Ann Peatling (Boort) second with 24/26 and Anna Shedrina third with 23/26.

Final event for the day was a 25 Target Points Score Graded Championship. AA grade shooter, Ashley Bolwell won the overall sash with 132/132 from Ray Peatling 116/117. Alan Cole (Numurkah-Shepparton), A grade, with a score of 87/90 from Rhys Hendrickson 75/75. B grade Nathan Hargreaves with 129/132 from another of Maryborough's juniors, Nathan Durbridge 70/75. Trevor Harbor

was successful in C grade with 71/75 from another member of the Peatling family, this time Gerard, with 60/75.

Ashley Bolwell topped off the day by winning the High Gun with perfect scores for the three events and to make it a perfect day, he took home the club's jackpot.

The club also ran a fundraiser with the prize being a wheelbarrow carrying ten slabs of beer. The happy winner was Craig Henwood.

The club thanked its many sponsors for their support and once again declared the day a success.

QLD ISSF State Titles: 7-9 July

I had the pleasure of flying up to Cairns for the State titles. What a beautiful club, the layout was great and the shoot was run fantastic. I think the amount of entries into the event took the QCTA by surprise as there were quite a few Victorians up for the shoot, and about 10 squads in total which made it tough going on one layout. The Trap event had to be reduced from 150 to 100 targets, and a cut of 4 squads to continue for the last 25 targets prior to the final. Well done to overall winner Ross Walsh who showed up the more regular Trap shooters with a score of 144/150. Congratulations also to overall Double Trap winner Russell Mark and overall Skeet winner Cherie Ryan (ex Reeves).

NSW ISSF State Carnival - September 1st- 3rd at Cecil Park World Championships

The World Championships this year are in Zagreb, Croatia from the end of July to the start of August. Wish the whole team good luck and a swag of medals.

National Titles

For everyone that hasn't heard, the ISSF National Titles will be held in Brisbane from January 6th-14th 2007. So start to plan for flights accommodation, etc etc As far as I know, the confirmed dates are on the ACTA web site. To the AISL, any chance of getting the selection criteria for Australian teams up on the web site so the shooters can train and plan the second half of this year and be ready for 2007? (Hopefully a review of the current points system, and a change to targets broken over the 5 selection events!!) Just my wishful thinking....

Australia Cups in October

To all budding Australian Representatives, there will be an opportunity to earn travelling scores at the Australia Cup 2 at the Canberra International Clay Target Club from the 12th-15th October. This is another chance to earn the coveted travelling score prior to the Nationals. Nominations close 6th October. All enquiries should be directed to Suzy Balogh at suzybaloghshooting@hotmail.com.

Are You Fairdinkum??

A group of Melbourne boys that headed up to Cairns for the QLD ISSF State Titles won both Seafood raffles one on the Saturday and one on the Sunday. Thanks for that Jar, we really enjoyed them.....

I hear mumblings that the European ISSF shooters are a little annoyed with the current lack of prize money etc for winning World Cups and World Championships, and are looking to run a true WORLD CHAMPIONSHIP open to every shooter in the world. Where the majority of the entry fees are returned to the winners. Don't everyone rush out and book tickets, at this stage it is just talk, and nothing is planned before Beijing Olympics, but certainly stay tuned, as it could be very exciting for ISSF shooters.

VCTA STATE TRAP CARNIVAL

To enable the Victorian State Trap Carnival to run more efficiently pre-nominations will apply for 2006. A discount of \$10.00 will be given per event to all pre-nomination entries.

Please note that squadding will still take place on the day of competition. Competitors nominating on the day may find themselves shooting late in the day and left without the choice of selective squadding.

NOMINATIONS WILL BE REFUNDED TO ANY SHOOTER WHO CANNOT ATTEND.
An office/ handling fee of \$5 will be deducted.

VALE

GEORGE STEELE

10th October 1947 - 20th April 2006

It is with great sadness that the Bordertown Gun Club advises fellow shooters of the passing of George Steele.

George was born on 10th October, 1947 in Mt Gambier and passed away in Melbourne on 20th April, 2006 at the age of 58. He is survived by his wife Rhonda and children Phillip, Trudy, Adrian, Susan and their families.

It was in 1976 that George took up shooting. He went on to win in excess of twenty State titles, was a member of the State Trap team, State Skeet team and the Australian team. George also took on the Presidency of the Mt Gambier Gun Club, was a foundation member and President of the S.E. Gun Club, of which he is a life member, and was on the committee of the Millicent Gun Club. He was also a past member of the SACTA State Executive and the ACTA Executive.

After leaving Millicent, George joined the Bordertown Gun Club.

George gained the respect of shooters for his drive, foresight and promotion of the sport. He will be sadly missed by everyone who worked and shot with him at club and State level.

Bordertown Gun Club

KEITH CORNWELL

15th March 1928 - 18th May 2006

The Wilkawatt Gun Club is sad to report the passing of long standing member Keith Cornwell.

Keith was a foundation member, past president, vice president, treasurer for 13 years, patron for 19 years, club delegate 5 years and public officer 19 years.

Keith was always a willing helper and participant when anything was needed to be done around the club.

The social side, after a shoot, was particularly enjoyed by Keith when he would always have an open bottle of red on the table.

Keith died peacefully at the Mary Potter Hospice after a short battle with cancer on the 18th of May.

Rest easy Keith, you will be remembered.

The club wishes to extend their deepest condolences to Jim and his family

RAYMOND LESLIE WILKINSON

16 August 1931-13 May 2006

Ray was a dedicated and hard working member of the Kerang Clay Target Club Inc. His input into our club will be sadly missed by all.

He served three separate terms as Secretary and was made a Life Member of the club.

Although he didn't travel to other clubs, in later years he attended is home club regularly. He was always ready for a yarn and was popular with club members and visiting shooters with his stories and dry wit. He will be sadly missed by all who knew him.

The club extends sympathy to his sons, Ian and Garry and their families.

ROCKHAMPTON CLAY TARGET CLUB ANNUAL TWO DAY SHOOT

Located on the Tropic of Capricorn

One hundred and nineteen shooters, including some 'grey nomads' from interstate, travelled to Rockhampton for the Annual Two Day Shoot on the Queens Birthday long weekend in June. The committee had been busy over the past few months finishing off the installation of a fourth traphouse and layout and renewing two others. The weekend was going to shape up fairly well however on Saturday grey skies and rain were met. This did not deter any shooters but the annual Rockhampton Cup was awash at the local Jockey Club. The rainy conditions were welcomed by most but it did create its share of nightmares on the Sunday morning, more about that later.

Winner Single Barrel C'Ship

The generous support from our sponsors saw trophies to the value of \$10,000 and a \$2,000 handicap purse. As every Club would know sponsorship is the key to staging a successful event and special thanks goes to the following sponsors: - Cambridge Hotel Motel, Hastings Deering, Lacey's TJM 4x4 Megastore, Campco's Great Outdoors Centre, Thomas and Coffey, Grange Contracting, Rural Press and Clay Targets Australia. When in Central Queensland please support our sponsors.

The Victoria Park Gymnastics & Trampoline Club looked after the daytime catering this year and their services were much appreciated. I can assure you there were no gripes about the quality of their refreshments.

Event One was the 30 Target Lacey's TJM Medley Capricornia Championship and the Overall Winner was Greg Nuske from the Wandoan Clay Target Club with a score of 75/75.

Other results were as follows 1st AA Grade Robbie Caban 99/100 2nd AA Grade: Leam Bunker 98/100. 1st A Grade Peter Purkis 72/75 2nd A Grade Robbie Cross 49/50. 1st B Grade Alan Love 71/75 2nd B Grade Jim Wiseman 65/75. 1st C Grade Russell Gordon 46/50 2nd C Grade Bill DeBoer 68/75.

Event Two was the 30 Target Campco Single Barrel Capricornia Championship and the Overall Winner was Rex Kirk from the Spring-sure Clay Target Club with a score of 43/43.

Bruce Powell
Overall Winner Continental C'Ship

Alan Grimshaw
Overall Winner Points Championship

Other results were as follows 1st AA Grade Darryl Stevens 42/43 2nd AA Grade Lil Brandt 41/42. 1st A Grade Greg Nuske 30/30 2nd A Grade Gian Vassalini 29/30. 1st B Grade Newton Wiseman 28/30 2nd B Grade John Fordyce 33/36. 1st C Grade Darryl Easterman 25/30 2nd C Grade Bill DeBoer 25/31.

ROCKHAMPTON CLAY TARGET CLUB

Continued from page 65

Event Three was the 30 Target Thomas and Coffey Double Barrel Capricornia Championship and the Overall Winner was Ray Maroske with a score of 129/129.

Other results were as follows 1st AA Grade Malcolm Bell 128/129 2nd AA Grade Bruce Powell 114/115. 1st A Grade Graham Rudd 40/41 2nd A Grade Greg Nuske 31/32. 1st B Grade Michael Richards 60/61 2nd B Grade Clarke Peadon 54/55. 1st C Grade William Weaver 30/30 2nd C Grade Wendy Bell 28/30.

Saturday night dinner was provided by the Cambridge Hotel Motel and during the evening the heavens opened with over 75mm of rain falling on the grounds, overnight the place became awash.

Sunday morning dawned under grey skies once again and an inspection of the new layouts found the trap houses full of water, with the phonos and traps submerged. It was all hands on deck, however the shoot got away on time with one trap operating and pumps being used to pump the other traphouses out. One spare trap in and two layouts were operational. Lil gave up her hairdryer and the electricians went to work on the other traps in between shooting the events. By the time the sixth event came around all four layouts were operating back to normal.

Event Four was the 30 Target Hastings Deering DB Continental Capricornia Championship and the Overall Winner was Bruce Powell from the Springsure Clay Target Club with a score of 70/70.

Other results were as follows 1st AA Grade Grant McPherson 69/70 2nd AA Grade Robbie Caban 48/49. 1st A Grade Ray Wise 46/47 2nd A Grade Brett Graving 45/47. 1st B Grade Ian Mylrea 30/31 2nd B Grade Ian Brown 29/31. 1st C Grade Trevor Gordon 30/35 2nd C Grade Tim Larkin 29/35.

Event Five was the 30 Target Grange Contracting Points Score Capricornia Championship and the Overall Winner was Alan Grimshaw of the Gemfields Clay Target Club with a score of 90/90.

Other results were as follows 1st AA Grade Bruce Powell 128/129 2nd AA Grade Ryan Olive 125/129. 1st A Grade Brett Graving 98/99 2nd A Grade Greg Nuske 97/99. 1st B Grade Newton Wiseman 91/93 2nd B Grade John Doyle 90/93. 1st C Grade Russell Gordon 77/90 2nd C Grade Irene Cross 83/102.

The Capricornia Team Challenge was held in conjunction with the Points Score event and was sponsored by Rural Press (North Queensland Register). The winning team with a score of 514/540 was Bruce Powell, Lil Brandt, Gian Vassalini, Annette Vassalini, Greg Nuske and Darryl Stevens.

Event Six was the 30 Target DB Cambridge Hotel Motel \$2,000 Cash Handicap and the winner was Simon Struss of the Callide Dawson Clay Target Club with a score of 53/53. Second place went to Ray Wise 52/53, third place was Rodney Woodrow 32/33, fourth place Bruce Murphy 32/33 and fifth place Laurie Doonar 31/33.

The Highgun winners were Overall High Gun Greg Nuske 253/260, AA High Gun Robbie Caban 250/260, A High Gun Peter Purkis 245/260, B High Gun Newton Wiseman 242/260 C High Gun Russell Gordon 217/260, Ladies High Gun Lil Brandt 243/260, Veteran High Gun Graham Rudd 242/260, Junior High Gun Newton Wiseman 242/260

With the shoot over for another year (and some drainage earthworks in the pipeline), the committee appreciated the help from the shooters to get the program through.

The rain may have dampened the ground but it certainly didn't deter those who came to shoot for the weekend. Last but not least thank you to the travelling shooters, without your support the shoot would not have been the success it was. Be sure to put this event on your agenda for next year.

Riverina Ramblings

**The adventures of a couple
of ordinary blokes in
the Eastern Riverina**

The anointed one and I went to Wagga, on the weekend past, to fire off a few of these new RIO crackers that Pee Wee reckons are the go with the demise of our black crackers. I could hear the muttering as we crossed the park, "look he's back", "is that Pee Wee", "do you reckon he's lost weight". I even thought that I saw a hint of a tear in Tommy Harris's eye as he pumped Pee Wee's hand like a long lost friend, (of course it may have just been the angle of the sun or a bit of dust).

It's probably a bit early to call, but he's actually shot three weekends in a row so who knows the prodigal may have returned to the fold. Going all right to the boy.

I think he made the Single Barrel shoot off before he choked and fell away from the other shooters, I always tell him that it's hard to concentrate when you always have a potential gun malfunction in the back of your mind. Tell you who shot well and that was Peter Munro, Wagga club secretary and good bloke to boot. I have put in a picture of him shaking Peter Kenyon's hand after knocking the big bloke off in the Double Barrel. We don't see the PK rolled that often so it was worth taking a photo.

The following weekend was our Zone shoot and Pee Wee in an incredible blunder, decided that we should put a bit back and as such volunteered us to shoot marshal this shoot. We had about 95 odd shooters and the day was a beauty. With the exception of the Double Barrel no really big scores were shot and the Double Barrel was won by Marcello Cassella who attended, representing Cassella wines, a company who continue to be ongoing sponsors of many DTL events and their support is fantastic and appreciated by all. Marcello's S06 got the job done.

A bloke who shoots an X Trap went all right as well. Before coming to the Zone shoot, Darryl Hunt had shot Benalla on the Saturday, Tumut on the Sunday and then the Zone shoot on the Monday and up to the Double Barrel at the zone hadn't dropped a target for the weekend. I just dream about shooting that well.

"Callawaddas Pride" Brian Joy and wife Noeline are making their way up North for the annual migration and decided to drop in to nurse the grand daughter and for Brian to abuse and lecture the long suffering son in law about the standards expected for the daughter. I took the opportunity to distract him from this unjustified diatribe and in an adroit move (if I say so myself), suggested we should venture forth and slip away to Yass for a shot on Sunday, worked wonders, he immediately couldn't care if the daughter lived in a communal humpy. Nana smiled as she was about to get the Grand Daughter all to herself and Pee Wee, well Pee Wee is just keen to get a few shots away.

What a great little club, easy to find on the Hume Highway, they shoot over a gully and the targets sit up pretty well. It was a lovely calm sunny day but I think "challenging" is the word that would spring to mind if the wind got up. Hot chicken rolls and gravy, scones and cream, it definitely gets a couple of gold stars in my copybook.

As I write this the Father in Law is spending a couple of months on Winter retreat, the Wife has packed the golden child and joined them with my credit card in hand whilst the school holidays are on and Pee Wee is sitting on Swains Reef a 100kms off Gladstone drinking Rum cans and telling tall stories. I, however dash out every morning into sub zero frosts trying to do my bit for Australia's GDP. How is this fair I ask ? I am going for a shot.

Peter Kenyon congratulating Peter Munro on his Double Barrel win

Went down to Albury for that shot, No Pee Wee of course, he was still fishing. He was pretty determined to get me to go, but I already know what regurgitated Rum and Coke looks like and decided I am far better off on Terra Firma. Anyway it arrives home with tall tales of daring do, and the ones that got away and the ones that the sharks grabbed which were even bigger you can all use your imagination. I said, "where's the photos", "what photo's" with a vacant look, goes He. "What night do you want Merryn and I around for the barby then" say I. (I am also pretty keen to get amongst the Pipers Brook from his visit to Tassie). "Ohh, I just like catching them, gave most of the fillets away" say He. Mmmm I can smell something fishy alright and it's not the Rock Cod sizzling on the Barby.

*Cheers
Keep knocking chip off 'em

What is the AISL High Performance Program and what does it mean for shooting?

Much has been said about the High Performance Program and indeed the question is oft asked, "how does it benefit the sport overall?" In the first instance it is necessary to understand the Program is geared toward the elite level of the sport, which is the top ten or fifteen athletes, across the Olympic disciplines, we have who are capable of being among the best in the world. As a sport we all benefit from the results achieved internationally and, in particular, those of our Olympians and Commonwealth Games athletes.

Australian International Shooting Limited (AISL) is the body charged with the task of winning medals and is funded by the Australian Sports Commission. In turn AISL works with its member bodies to develop the High Performance Program through the High Performance Program Management Committee which is made up of representatives from the member bodies, the national coaches, the high performance manager and a representative from the Sports Commission.

The current focus is on achieving medals in Beijing 2008, New Delhi in 2010 and London 2012; to this end those top athletes will be supported via a new program to be announced following the end of the 49th ISSF World Championships in Zagreb.

The program is, unashamedly, not about promoting the top scoring Australians but rather those Australians who are able to achieve medal results internationally. To date qualifying scores have been set at an achievable standard, that required just a little stretch to reach, in order to attract more shooters to the squad level; however the funds available cannot hope to provide adequate support for the numbers able to achieve these scores and so those who are truly seeking "elite status" will need to be capable of higher scores. The program is about success at the highest level and not about just featuring on a ranking list.

Our program employs four full time coaches and a full time sports scientist to assist the athletes in achieving their goals. On the sports science front our athletes also have access to sports psychologists, sports nutrition, masseur and physiotherapists along with medical support. The program also assists with travel, training, daily allowances whilst overseas, ammunition and target costs.

The flow down effect from these program areas is that the knowledge gained can be disseminated to all coaches, with the result that clubs,

state and national federations need not fund research on such items enabling them to fund more on coaching and athlete development.

The funding also provides the opportunity for AISL to develop programs such as:

- the Level One generic courses in both coaching and officiating,
- policies which have been drawn up by legal resources and approved by the member bodies and,
- also conduct major competitions.

This reduces the need for member bodies and clubs to spend money and time in such areas, allowing them to allocate their funds and resources to development of the next generation of shooters.

Some athletes may also be eligible for a direct support grant (which is a means-tested grant) as a contribution towards sporting and living costs. This money is not unencumbered though; recipients will need to agree to a plan for their own development in the run up to Beijing, the demands of which are rigorous unlike previous similar grants. This funding is to assist the athletes to have more quality training time; it is not simply additional income. Whilst the recent Commonwealth Games saw Medal performances it should be noted that we failed to improve on 2002 when we gathered 30 medals. In 2006 we managed only 23.

The following table shows the results.

		<i>% of Prediction</i>	<i>% of total</i>
Clay 7	4G; 2S; 1B	50%	30%
Pistol 11	4G; 4S; 3B	92%	48%
Fullbore 3	1G; 1S; 1B	150%	13%
SB-Rifle 2	1S; 1B	100%	9%

A medal at the Olympics means our sport will be in the public eye and the more successful we are, the more likely we are to grow the sport. Recently there has been criticism of the program, those running the program, the score levels required to achieve a berth on an Australian Team, etc and I am sure this criticism is likely to continue. However, like in any endeavour the criticism is generated by some who fail to reach the scores. To this end I would encourage all, not to concentrate on the qualifying score but rather look at the score that is required to win a medal overseas and then put a plan in place to win that medal and work at the technique required. "Let your scores do the talking."

A "tool" that has been developed to assist in making decisions at selection meetings is a graph of those shooters seeking selection which shows their form achieved overseas dating back to 1996, including Oceania, and provides an output showing the likelihood of a competitor achieving a "finals" placing at a major event; this provides valuable assistance to the selection panel in making impartial and informed decisions.

This is invaluable in determining whether a competitor who may consistently shoot the qualifying score in Australia but is unable to achieve under pressure at the major events should be sent, bearing in mind our stated goal is to medal. Conversely, the same tool serves to highlight problems such as just described and may enable us to assist an athlete in overcoming those areas of concern.

Interestingly the top male and female clay target shooters have a 70% (male) and a 42% (female) chance of making the finals whilst in the pistol program there are two in the 70% region (female). In the rifle program steps have been taken to re-establish the positioning gained in the lead up to 2000. Of course all of this is irrelevant if a competitor does not first achieve a qualifying score. Interestingly in some other sports (non professional and less supported than ours) you need to be capable of world record performances to qualify and, yes, some of those who don't make the mark complain about the system being unfair.

IMPORTANT NOTICE

TO ALL CLUBS

Photos for CTSN

For best results photographs should be supplied as originals to be scanned by the typesetter.

Digital photos are always taken at a low resolution of 72 dpi., while printing requires photos to be a higher resolution of 300 dpi. In order to achieve this, all digital photos should be supplied as large as possible.

Photos should not be embedded in Word documents or Publisher files (except to indicate placement of photos), photos need to be supplied as separate attachments.

Photos that are out of focus, too light or dark with bad definition, or those supplied in too small a size and considered not suitable for reproduction will not be used in this publication.

It should also be pointed out that the role of the National High Performance Coach is not that of an individual coach, rather someone who develops and coordinates a program. Each competitor should be working with a coach either at the club or state level to 'hone' their skills. Here again clubs and states should be spending monies to support a coach; this need not be large sums but at least cover the incidentals such as petrol, phone etc. Those coaches would then work in with the National HP Coach to ensure the success of their athletes, whether that is at national or international level. This is not to say that the National HP Coach does not or will not provide individual attention, but it is impossible to be everywhere; many sports are centric to a training centre and athletes need to weigh up the pros and cons of moving to that centre.

Details of the new plan will be made available on the web site www.auss shooting.org in August.

With less than 740 days to go to the Olympic Games and just over 760 to the Paralympics, preparation is already well under way; have you set your goals?

Dear Your Say

In ref to Michael Diamond's letter in the August CTSN regarding a Commonwealth Games photo in the June CTSN.

I wish to set the record straight.

The photo was not an official team photo but a casual, spur of the moment snap shot of team members who chose to attend and march in the opening ceremony. It was taken by another discipline shooter, on a team member's camera whilst they were waiting for the bus to take them to the opening ceremony.

Trust this clarifies the situation.

***Yours Sincerely,
Greg Chan
Member No 10887***

Dear Your Say,

I refer to Michael Diamonds say in the August edition. In viewing the original photo in question, I was left somehow perplexed by his absence. Although disappointed, "There must be a reason" I said to myself and most of all, I was annoyed at the various interpretations other people would have.

Now, in my opinion, an official Australian team photo, so perpetrated, should include ALL its members, regardless of their status. Is this an isolated occurrence or not? What about the damage this could do to the spirit of upcoming, Junior and/or potential future team members in this context, not discounting the public in general. The future of this sport dictates cooperation and harmony at all levels.

Whilst I can understand Michael's frustration, I trust there is a sustainable explanation and, therefore, the team management shall be compelled to reply.

West Australian Gun Club DTL Carnival

The West Australian Gun Club (Inc), Perth WA, held its 2 Day DTL Carnival over the weekend 20th and 21st May 2006, with two major Commonwealth and State Titles up for grabs. These being the Commonwealth Night Double Rise Championship and the WACTA (Inc) State Handicap Championship.

The weather over the weekend was great and the "trappies" had plenty of targets to shoot at with the competition starting at 9:00am and finishing at 9:00pm Saturday night then backing up the next morning at 9:00am to finish at 4:30pm. So all in all, after 205 targets on Saturday and 110 targets on Sunday being a total of 315 targets, the shooters left with many trophies, but were satisfied and tired. The High Gun's of the Carnival were run over every event other than the 10T Continental Points, the first event on Sunday morning.

At this point, the Club acknowledges the support of its valued sponsors who once again made the Carnival an excellent event. Over the two days there were 80+ competitors each day who were eager for the sponsored trophies. To our sponsors Highland Sports (State Handicap), Rio-Oceania (Commonwealth Night Double Rise), City of Perth Double Barrel Championship (Beretta Australia), Double Barrel Points Zone Championship (Joondalup Retravisio), Express Appliances (Carsten Bager), Claremont Firearms (Bob Boyd), Premium Sales & Distribution (Wayne Kuser) and the High Guns' donated by Ray Hawke, Mike Welts and Christine Alexander. Thank you everybody for this tremendous support of the Club and clay target shooting in general.

On Saturday we kicked off with 25t Single Barrel just to get everybody tuned into seeing the target and the heart racing. Big Murray Tucker (38/39) from Busselton won the event with (AA) G Kelly 29/31, G Faulkes 25/27, T Hearn 33/35; (A) A Sexton 26/28, J Gilbert 24/26, T Marsden 28/30; (B) M Siford 24/25, Roxanne Smith 23/25, L Oliviri 22/25 and finally (C) C Wiese 22/25, D Waters 20/25 and T Craigie 21/28. This was to be the start of the Busselton contingent enjoying a good weekend and cleaning up with many trophies.

Next we followed it up with 50t Double Barrel Points Zone Championship (Joondalup Retravisio) whereby Jim West (149/150) was the Overall winner from (AA) T Hearn 157/159, J Hamilton 156/159, B Kuser 150/153; (A) J Rose 147/150, J Dyas 145/150, T Marsden 147/153; (B) C Wiese 144/150, M Siford 140/150, L Oliviri 135/150 and once again, (C) I Burgess 149/168 (his first shoot off) from D Waters 148/168 and J Panara 126/150.

After the adrenalin was pumped, the competitors got down to the serious shooting of the 50t City of Perth Double Barrel Championship sponsored by Beretta Australia. Roy Meagher 60/60 won the security gun bag from (AA) M Tucker 141/143, C Bager 140/143; (A) T Marsden 59/60, N Welts 50/51, J Gilbert 50/51; (B) S Tizzzone 55/56, C Wiese 61/62, I Burgess 60/62; (C) T Craigie 47/50, D Waters 42/50 and J Panara 41/50.

Then late in the afternoon as a "taste tempter" for the Commonwealth Double Rise, a 15pr Double Rise District Championship, sponsored by Premium Sales & Distribution, was conducted and Paul Finis (33/37) showed (AA) M Tucker 32/37, D Fox 34/40, D Vandeleur 33/40; (A) G Prowse 36/50, C Fitzgerald 39/50, B Boschetti 24/30; (B) S Murray 24/30, C Wiese 38/50, R Smith 22/30; (C) D Norrish 18/30, D Waters 17/30 and J Panara 11/30.

At this point presentations were done and the BBQ was ready, with salads in place preparing for the onslaught of night shooting with the 50t ACTA

Commonwealth Double Rise, proudly sponsored by Rio-Oceania Pty Ltd. Robin Bailey (43/50), who previously during the day noted that "he was too old to win this title with his eyes and being night" won the event from M Tucker, D Vandelluer, K Green 47/60; (A) G Prowse 36/50, J Dyas 36/50, N Welts 35/50; (B) C Wiese 38/50, P Iley 34/50, I Burgess 33/50; (C) J Panara 31/50, D Coleman 27/50, D Waters 24/50 and the Ladies W Cole 34/50 and Veterans J Panara 31/50.

Well Day 2 (Sunday) broke and another beautiful day at the West Australian Gun Club (Inc), the grounds looked perfect with the targets throwing well. Congratulations for the targets must go to Ollie and his merry band of helpers (Ken, Doug, Brett and everyone else that helped set up each day). Nominations for the day were strictly controlled by the office boys (Mike, Frank, Dino and Terry) with Bruce doing the scoreboard and Robin the High Gun Board.

First off the mark was a "10t Winner Takes All" over Continental Points and sponsored by Express Appliances. Every one thought that big Muz Tucker was going to continue his winning streak, but unfortunately David Fox (48/48) broke it from (AA) K Green 38/39; (A) J Rose 45/48; (B) P Iley 28/30 and (C) D Waters 39/42. This was the start of David Fox's (37/37) run with trophies, as he then went on to win the 25t Continental

Classic from (AA) R Meagher 36/37, T Morris 67/68, L Bager 66/68; (A) G Prowse 51/62, B Boschetti 50/52, C Fitzgerald 28/30; (B) P Boylson 25/26, J Boyes 26/28, P Rey 25/28; (C) L Hall 26/32, D Waters 25/32 and J Panara 25/30.

Now that we had everyone primed once again Premium Sales Et Distribution sponsored the 25t Double Barrel with Gary Kelly (114/114) won after a marathon shoot off from (AA) B Kuser 113/114, D Fox 95/95, T Morris 78/79; (A) G Prowse 87/87, B Boschetti 40/41, R Boyd 34/35; (B) P Boylson 24/25, B Benjamin 32/33, C Wiese 32/33, (C) J Panara 26/26, T Craig 25/26 and D Waters 23/25.

With the competitors having had their fill of the minor competitions, the major event of the day was at hand with the 50t WACTA (Inc) State Handicap proudly sponsored by Highland Sports, distributors of Miroku firearms, Ridgeway products and Buffalo River Security Gun cabinets. Overall Winner Geoff Faulkes (50/50) took home a Buffalo River Silver 6 gun cabinet from D Turner 61/63, 3rd L Fischer 60/63, 4th R Offer 51/54, 5th R Smith 50/53, 6th J Gilbert 63/66, 7th S Murray 62/66, 8th T Marsden 58/64. Veteran R Bailey 46/50, Junior B Hall 41/50 and Ladies L Hall 41/50.

The High Guns for the Carnival were Overall David Fox 405/435, Ladies Wendy Cole 362/435 and Veteran Robin Bailey

At the end of the Carnival after all the presentations had been completed, the happiest group of travellers were from the Busselton/Augusta area due to the number of trophies that they were taking back with them, I think that it was even mentioned that Muz Tucker would have to get out and walk in order to get all the trophies to fit in the car. I thank each and every one of our guests who travelled from all over the State and made it a very successful carnival with a fantastic atmosphere. To all of the people who helped over the weekend, especially Danny in sourcing the Club's new golf buggy, the trappers, office staff, competitions operations people but most of all the ladies in the kitchen and the bar staff. Thank you from the West Australian Gun Club (Inc) to everyone and most importantly our Sponsors for making the long Carnival the best ever, over most recent of years.

SURAT Clay Target Club

Queensland's Newest Club to Hold its Opening Shoot

Surat Clay Target Club Inc is one of the newest clay target clubs in Queensland and will be hosting its opening shoot in October 2006.

After plenty of busy and lengthy working bee's at the beginning of 2006 with volunteer support from many members of the Surat and district community the Surat Clay Target Club finally became an approved shooting range through the Weapons Licensing Branch on 24 March 2006.

It was certainly a very exciting day when the members were able to step out onto the new concrete layouts and take their first shot at the Surat Clay Target Club. However, clay target shooting is not new to the Surat area with an original club being formed in the early 1950's but was dissolved around 40 years ago. The new club is hoping to gather photos from the old club days and make a display of these alongside photos of the new club facilities and membership at the Opening Shoot. Mr. George Ferrier Snr was the last president of the original Surat Gun Club and still resides in Surat.

Surat has a current membership of around 40 people who meet every 4th Sunday of each month at 11 am and our monthly

shoots usually have around 20 to 25 participating shooters from Surat and the surround district.

Our opening Shoot will be held on 7 and 8 October 2006, commencing at 9.30 am on Saturday and 8.30 on Sunday. Full catering and entertainment for the weekend (see advertisement QLD section). Surat is located between Roma and St. George on the Canarvon Highway, with the Shooting grounds located at the Racecourse Reserve 5 km from town on the Surat Developmental Road.

682 GOLD E

The Beretta 682 Gold E Series Raises Level of Competition Over & Unders

Numerous design refinements and the recent modern restyling render the victorious Beretta 682 Gold E more captivating and its performance even more competitive. The Beretta 682 Gold E series of competition over / unders includes such features as a select walnut stock International style, with rubber recoil pad and beavertail fore-end. Flat top rib has white front sight. Gold, non-selective single trigger and an adjustable stock with a memory system is also available. Along with creating one of the most functional competition over/unders, the low profile receiver, modern ellipsis receiver engraving and unique checkering pattern make the 682 Gold E one of the most elegant 12-gauge over/unders available. With the 682 Gold E, the adjustable trigger ensures proper gun fit for the shooter's hand and shooting style. A newly designed ABS hardcase, featuring the exclusive double handle, is included. 682 Gold E Series include Trap, Double Trap, Skeet, X Trap and Sporting. Beretta 682 Gold E, 32" features Optima-Bore® / Optima-Choke® currently available. All models are available with memory system adjustable stock or standard stock.
