# 8th Casella Golden Wine Shoot

## GRIFFITH GUN CLUB

Griffith Gun Club hosted the Casella Golden Wine Shoot on the 2nd & 3rd September with over \$55000.00 given back to the shooters over the weekend, the biggest ever offered. The exceptional weather conditions rewarded the 240 Shooters and families that made their way to Griffith to compete in an exciting and fun-filled weekend. Saturday's weather was glorious, and the scores were there to reflect.

High Gun winner, Arthur Turner, with James Vardanega and Marcello Casella

The official opening was conducted by John Casella, Managing Director of Casella wines, John Dalbroi, Mayor of Griffith, Michael Diamond and Russell Mark our famous Olympians. They all shot some flash targets to entertain the crowd at hand.

**Event 1 The Commins and Fred Cole Point Score Championship** was finally split between Steve Atkins and Roger Duthie after they shot 120 targets single barrel without failing, an excellent effort.

**Event 2 was the Horsley Park Single barrel Championship** which was won by Ross Liersch with 80/80 after another great shoot off with Brian Manns.

The Beretta Double Barrel Shoot off was held on Saturday evening under lights, and were by far the best lights and targets seen anywhere in Australia. Over 400 Shooters family, friends and sponsors were treated to a wonderful smorgasbord meal complete with succulent seafood and yellow tail wine provided throughout the evening while the shoot off was being conducted.

By 12.00 am and 300 targets later we stopped the shoot off and asked Ross Liersch, Phil Granger and Mark Crimmins to return in the

morning. By 9.30 am Sunday morning we had a result and possibly a new club record of 530 targets with Ross Liersch, winning his second event for the weekend over Phil Granger with his new Miroku.

Another impressive result with Canterbury traps, Olympic targets and a club that knows how to set and throw a good target.

The first event on Sunday was the Mialls Gun shop/Blaser brilley handicap challenge. John Mialls is a new sponsor for the Griffith gun club and we thank him for his huge offerings. Overall winner, Scott Wythe was given a Blaser F3 trap gun, 2nd was Leigh Fitzgerald, brother to what's his name legend, Bundy, carnage, crikey whatever, 3rd Tom Holt, 4th Arthur Turner and 5th Brian Bolwell.

**Event 2 the Australian Winemakers Medley Cham-**

**pionship.** Overall winner was the deer hunter from Batlow, Dave Caccioppoli, 1st AA Nathan McDonald, 2nd AA Bill Isles, 1st A Wayne Smith, 2nd Gulio Serafin

Event 3 Sponsored by Highland Sports, Miroku and Eley Ammunition was 20pr double rise Championship

I would like to thank Stuart for his support to make this event possible with the great trophies.

Overall winner with the only 39/40 was Jamie Elliot, winning the Miroku Grade 3 trap gun, 1st AA Phillip Headon, 2nd Sox, 1st A Geoff Viney, 2nd Glen Viney.

Shooting was very competitive and some excellent results were achieved.

The Casella Wines Overall High Gun winner was Arthur Turner, now \$3000 richer.

AA Grade -Tom Holt

A Grade -Wayne Smith

B Grade -Scott Shields

C Grade-Stuart Martin

Marcello Casella presented the sash and cash to Joshua Player for winning the Junior O/A High Gun.

Samantha Peck from Sydney took out the Women's O/A High Gun Title with Peter Fitzalan from Dubbo winning the Veteran's Title.

## MEMBERSHIP 2006

I am please to report our membership registration period up to August 2006 has reached a six-year high. We now have 12,100 members including 975 Juniors.

This can only be achieved by the efforts of countless Volunteers to all of whom I say thanks and please find the strength to keep going.

## FINANCIAL ASSISTANCE

A submission for financial assistance from the NSW Dept of Sport & Rec has recently been lodged. The assistance is sought for walkways and seating together with safety fencing for our National Ground. If successful this assistance will lesson the burden on our finances. My personal thanks to John Mack and Andrew Sanders for their efforts.

## 8th Casella Golden Wine Shoot

Continued from page 1

Points Score winner, Steve Atkins

Now a shoot of this caliber and success could not happen without dedicated, committed and hard working people.

Our shoot marshal, the ever so popular Sue Pim who ran the national and world titles this year, what an amazing woman and thank you. Vince Gatt for organizing and paying Sue to come and run our shoot, thank you. As president of Griffith and you as president of Cecil Park, I wish you all the success and any help you require now or in the future. A big thank you. for your kind sponsorship and help. Frank Auditore with his new computerized program and help all weekend made our office a dream and helped our marvelous office staff of Bob Huddleston, John Evans, Louise Machul and Karen Hanlon. John Bergamin and Hay Gun Club for allowing us to use their traps, a big thank you and Coleambally Gun Club for the phonos, also thank you.

Our committee was overwhelmed with the support and thanked everyone concerned for making the weekend successful.

We would also like to take this opportunity to thank the Casella Family, Filippo, Maria, John, Joe, Marcello.

This family allows me free time while I work for them to organize the shoot with assistance from internal staff to collect sponsorship, write letters, conduct maintenance and basically give me all the support I need to ensure we run the best shoot in Australia.

The Casella Family have contributed over

Handicap winner, Scott Wythe

Double Barrel winner, Ross Liersch with Greg Coleman

\$100,000 in sponsorship to the Australian shooting circuit in the last 12 months, I cannot thank the Casella family enough for what you have done for us locally, let alone Nationally.

A big thank you and congratulations to my committee and their families who worked tirelessly over 6 months to have 8 full layouts and lights for this major event. The grounds and facilities looked superb.

To all the sponsors that gave us money, prizes or goods, thank you.

Last, but not least, thank you to you, the

shooter. Without your support, what would this shoot really be? The friends that were made this weekend, good times and the competition were just the best.

Griffith Gun Club is looking to conduct 250 Pair Double Rise, 250 targets Handicap and 250 targets point score Challenge over 2 days. Please call me if you are interested in the ultimate clay target challenge.

**Regards,  
James Vardanega,  
President  
Griffith Gun Club**

# AISL Junior Development Training Camp Australian Olympic Youth Festival Selection

## Melbourne, September 14 - 17, 2006

### AYOF ATHLETES

SA Ben Baker, Luke Higgins. QLD Kelly Coogan, Kristin Williams.

NT Jason Carney, Tom Hamilton, Ben Kittle, Tom Evans.

NSW Ronald Lawrence, Tim Bourke, Matthew Maloney, Brendan Burgess, Milad.

Nasr. WA Michael McDonald, Christopher Giles, Darren McMichan.

VIC Nik Kirley, Rodney Mitchell, Catherine Skinner, Laetisha Scanlan, Anthony Rullo, Tim Wilson, Tom Hall, Mitchell Onley. TAS Isaac Tasker, Joshua White.

ACTA Development Squad Michael Harbor, Leith Campbell, Brad Harbor, Michelle Parks, Kathy Langridge.

AISL Athletes Daniel Allam, Rowan Lendon, Tom Holt, Nicholas Papadatos, Brent Cooper, Anthony Sottasanti.

Coaches: Greg Chan, Adam Vella, Russell Mark, Craig Trembath, Valeriy Timokhin.

Assistants: Peter Quire, John Doyle, Lindsay White, Bernie Drew.

Camp Cordinator Gleniss Lawrence, AISL Corordinator Rachel Sache, Catering Mandy Kirley, Anne Skinner, Sports Science Nick Sanders (AISL) Bianca Share (VIS)

Presenters Peter Spence (VIS), Sean Richardson (VIS) Lisa Sutherland (VIS)

Competition Officials Vince Mollica, John Mollica, Ian Urch, Peter Wray, Jean Wray. Volunteers Pat Coogan, Kevin Bourke.

The camp had a dual role, the first was to introduce juniors from all over the country to a structured training camp regime with all the resources of the AISL made available and the second was to hold a selection match for those eligible to compete for a spot on the Australian Youth Olympic Festival team. The AYOF tournament will be held in January 2007 at the Sydney Olympic Shooting Range.

With 37 athletes involved from every state and territory the logistics from, arrival and departure, meals and general coaching were always going to prove challenging. Thus on the Thursday it proved to be so. With athletes arriving all day through till 7:45pm Gleniss spent eight hours at the airport to ensure that each group was met on arrival and that the under age athletes had no problems with clearing their firearms from the airlines.

The camp was held at the Frankston Clay Target Club who very generously made their range and club house available for the duration of the event. All meals were served at the club including breakfast which solved the problem of how to feed 37 hungry kids in a motel type situation on a small budget. Mandy Kirley assisted by Anne Skinner came to the rescue and did an absolutely wonderful job of keeping up the food to what seemed like a bottomless pit.

Day one started with an opening motivational talk by Peter Spence the VIS Programs Manager. Then followed a sports science presentation by Nick Sanders who gave an overview of the resources and facilities available and the benefits of them and the distribution of training manuals.

The athletes were then divided into two groups, one of which went to a session on psychology with VIS sports psychologist Sean Richards. Sean's presentation included mental skills and preparation and the often asked question of motivation and concentration.

The other group went with VIS sports scientist Bianca Share who put them through a warm up and physical preparation session. The importance of warm up and stretching to get the heart rate up before each round was stressed as a vital part of a shooters pre competition routine.

Practical shooting and coaching with video being utilised was next on the agenda with Greg and Adam taking the trap, Russell the double trap and Valeriy the skeet.

## REDCLIFFE CITY CLAY TARGET CLUB

Location 35 minutes north of Brisbane

We had good weather and 18 shooters for the 100 target Championships with visitors from Brisbane, Caboolture, Gold Coast, Maryborough, Sunshine Coast, and Warwick.

The club used a handicap system to help the lower grade shooter where AA has no targets added to there score A grade added one target B grade added three targets and C grade added four targets.

As you can see from the results the handicap system worked ok.

Bill McKechnie our only AA shooter had his work cut out with no added targets to his score so he took up the challenge and shot 22-23-21-20 not enough for a place but thank you for the effort Bill.

Event one Allan Mills (A), Dan Johnson (A), Bill Slegtenhorst (C), and Seb Ricca (C) shared first place.

Event two Bill Slegtenhorst (C) Allan Mills (A) shared first place.

Event three Jennine Gerrard (B) our only lady entrant won first place with Dan Johnson (A) Bill Slegtenhorst (C) and Seb Ricca (C) taking out second place.

Event four Bob McNamara (B) and Bill McLennan (A) shared first place.

Now to the man that stayed cool all day Dan Johnson with scores of 23-22-24-23 without handicap blew them away with a total of 92/100 as pictured with event winners.

# Victorian Schoolperson Championships Final

The final of the Victorian Schoolperson Championships were held at the Bendigo Clay Target Club on Monday the 4th September in very good conditions.

Overall winner, Tom Holt

Students contesting the final were the winners of each of the four Victorian Zones' elimination series. This year some 750 students took part in the event, which is jointly sponsored by Winchester and the VCTA. There are four individual sections, plus a team event. The individual divisions consist of junior girl, junior boy, senior girl and senior boy. The final is to decide the State Champions and is shot over 30 targets single barrel.

The overall winner for this year is Tom Holt from Colac College who recorded an outstanding 30/30.

In the Senior Girls section, Lauren Duthie (Hamilton) with 27/30 was the winner. Michelle Parks (Wonthaggi) and Amy Pollock (Ballarat) had to go to a shoot off to decide 2nd and 3rd. All shoot offs must be over 5 targets, and in this section Amy took second on 31/35 and Michelle 3rd – 30/35.

Senior Girls, Michelle Parks, Amy Pollock, Lauren Duthie

Senior Boys, Steve McQuinn, Michael Harbor, Mathew Stokes

Junior Girls, Megan Wallis, Britney Sinclair, April Thompson, Anthony Post - Winchester

Winning team from Colac - Kurt Jamieson, Rhys Hirth, Sarah Holt, Tom Holt

Junior Boys, Todd Coobs, Kurt Jamieson, Kyle Bateman

Michael Harbor (Numurkah) and Mathew Stokes (Traralgon) both recorded 28/30 in the qualifying round, with Rhys Hendrickson (Maryborough) and Steve McQuinn (Cobden) on 26. After the necessary shoot off, the title was Mathew's with 32/35. Michael second on 32/35 and Steve was 3rd with 36/40.

A shoot off was also needed to determine 3rd placing in the Junior Girls' between April Thompson (Echuca), Sharnie Paterson (Sale) and Lisa Marke (Shepparton). April shot a 19/35 to fill the position. The winner of this section was Megan Wallis (Kaniva) on 18/30 and second was Britney Sinclair (Terang) with 17/30.

The Junior Boys was also to follow in the same vein as the Junior Girls with 3 shooters tying for 3rd placing. Trent Orval (Warracknabeal), Kyle Bateman (Bendigo) and Alex Everitt (Deniliquin) each had recorded 24/30, but after the shoot off Kyle on 29/35 had 3rd place. The winner of this section was Todd Coobs (Kerang) with an excellent 27/30 and second was Kurt Jamieson (Colac) on 25/30.

The last division decided was the Team Championship and Colac College came out on top with 101/120. Team members were Tom Holt, Sarah Holt, Kurt Jamieson and Rhys Hirth.

At the conclusion of the shooting Victoria's State President, Ron Traill - ably assisted by Anthony Post of Winchester present mementos to all winners and place getters. The VCTA then invited all Section Winners to participate in the Victorian State Trap Carnival to be held in November.

A great days event showcasing Victoria's up and coming shooters. It is hoped that this event continues to increase in number. The VCTA wishes to thank Winchester, Bendigo Clay Target Club and everyone who put up their hand on the day to set up the ground, work in the office or to officiate as referees/scoreers.

## College Year Nines on Target

Echuca Clay Target Club was host to four groups of Year 9 Echuca College students in September 2006, there to observe and partake in the sport of Clay Target Shooting. Their visits were spread over four days and involved a total of 58 individual students of both girls and boys. Thanks to the Committee members who through their commitment to the sport generously gave their time to coach and help. The students ended up with some of the sports best shots to teach them the finer points of the art of clay target shooting.

After being welcomed by the members and being thanked for considering this sport as an activity in their sports curriculum, the students were all given an additional safety talk on firearm use and handling. This sport is considered amongst the safest in the world, and all members have this in mind when coaching new shooters.

Next, faced with the task of trying to shoot 10 targets Single Barrel, some students were wary of the so-called "kick" from the 12 gauge shotguns, but soon realised with the quality of the firearms used, and the very light cartridges employed, that, the "kick" was a non happening thing. The main difficulty for most especially the lightest framed students was holding the heavy guns in the aiming position. All that aside almost to a student everyone managed to score at least

one target shot and there were numerous 9's and 8's and 7's scored of which pleased the coaches tremendously, and certainly pleased the students more.

Once again the members of the Echuca Clay Target Club wish to convey their thanks to the Echuca College and the teachers involved, for giving the students, who conducted themselves in a fine manner, the opportunity to embrace this sport and get to know what it is all about. As all members know that unless future generations get involved, and some actually continue on, this like any other sport, will wane. Certainly at this time the opposite is the trend, with large numbers of competitors attending State carnivals, and high numbers of students attending the School persons preliminary finals.

Jessica Orchard aims up

**Murray Roberts**

## 2006 ISSF Wrap-up

Well to say that it was disappointing World Champs for 2006 is an understatement. I am positive all our competitors gave it their best, one bronze medal from Emma Eagles in the Junior Ladies Trap was awesome for her, but overall just not good enough for Australian Shooting. Especially considering the results we are used to getting! 2006 NO SENIOR MEDALS FROM A WORLD CUP or WORLD CHAMPIONSHIP. It's been quite a few years since this has happened, so something we are doing is WRONG.

### WHAT ARE WE DOING WRONG?

This is the eternal question, because the rest of the World is leaving us for dead. Other World Teams are pulling away, and have depth in their team. China has 6 or 7 shooters tucked away that could win World Cups. Russia is dominating; the USA has an abundance of depth, India, the UK and of course Italy.

We seem to be relying on the same faces to get results, this has worked in the past, but now we are falling behind everyone else, and we just don't have the depth in shooters coming through. Are we spending money in areas that we shouldn't be? Team Masseur, Sports Science, is it necessary? Is it making our shooters shoot better? I admit it has helped with hydration and diet etc, but ultimately the name of the game is to shoot at, and break targets, not stare at shot strings to highlight where we missed or to wear an ice vest or urinate in a bottle to be told we are dehydrated. Our shooters need training camps throughout the year, competing against each other, making all of us hungry to win. We need "SKILLED" coaches to teach our shooters the correct way to shoot and fix problems that our competitors may have. If that means seeking an overseas coach then maybe that's where we should be looking, just like Australian Soccer did, and look at the results they got. And one skeet coach doesn't count.

Shooters are constantly being told that we need results/medals in order to secure funding for the future; this is putting undue pressure on our shooters. Pressure to achieve Travelling Scores, rather than winning at an elite level, and when the target score is met we are breeding a mentality that the job is done, we can relax. We are told that the bulk of the funding is now being spent on the top 2 or 3 in each discipline, and not on the development of the shooters coming up. The new policy is about to reward approximately 5 shotgun shooters over 3 disciplines for really what can be said is a mediocre year. As always we know that to get to the top you need to train and shoot at your own expense. So why do you need the development funding when you get to the top? Surely we have it back to front, shouldn't we be spending money on the development of the up and comers? Internationally other countries are leaving us in their wake!

## Attention all Clubs

The closing date for  
February CTSN  
will be 15th December  
2006.

It's funny when you look at the New Selection Policy and see that you needed to shoot well Overseas this year & 2005 to make it into NEXT YEARS High Performance Squad, yet the AISL neglected to send any team to the Cairo World Cup this year!! So an opportunity missed for some competitors!! Doesn't Australia need QUOTA places for the Olympic games?? As I understand it we have only won one place for Beijing that coming from Adam Vella's win at the Rome World Cup in 2005, so wouldn't it make perfect sense to send a full team to Cairo to try and win a Quota? Or send our next tier of shooter for some valuable experience? Obviously not, I must be strange! If I hear that there was no money from the Sports Commission, AISL or wherever, I then want to know what the AISL are doing about seeking alternative funding? What are they doing about gaining sponsorship, we can't keep relying on one source of funding, I would have thought this was blatantly obvious. But everything seems to be TOP SECRET with them, why communicate with the shooters, what would we know? Maybe an open forum is required at the 2007 National Titles in Brisbane, where every shooter can have their say constructively, and let the AISL know what they really think.

Australian ISSF needs a massive overhaul, starting with a Selection Criteria Set for the AISL Administration. We as competitors are constantly told we must reach a certain standard, but what standard does the AISL board have to meet?? We have a particular Western Australian AISL Board Member that has absolutely nothing to do with any ISSF shooting, haven't seen him at a State Title let alone a National Title? A matter of fact I wouldn't know this guy even if I fell over him. So the question begs, why the hell is he part of the decision making process with regards to the future of our sport, especially when he has absolutely NO IDEA what is going on at grass roots level or even National/State level. Oh and by the way, this is the same guy that was in charge of coaching at ACTA level, which has been left behind in a shambles...

### ARE YOU FAIRDINKUM??

AISL Selection Policy!!!

*Until next issue, straight shooting....*

## MOULAMEIN CELEBRATES ANNIVERSARY

Located 70km north-east of Swan Hill

Moulamein hosted the 28th anniversary of its foundation on Sunday, 27 August 2006. The August competition was labelled the "Anniversary" shoot and although numbers were down a bit, the day was most enjoyable. Locals and visitors alike assisted with the running of the shoot, shooting conditions were almost perfect and there were stacks of trophies. Following the presentation of sashes and trophies by President Charles Peach, shooters, visitors and supporters were invited to partake of refreshments and snacks, celebrating the anniversary. The "Umpteenth Anniversary Cake" (a tradition), was baked and iced by Mrs Anne Lippie. Co-founder of the Moulamein Clay Target Club, Norm Lippie was invited to cut the cake, which he did. Norm indicated that the second member of the founding team, Robert Weaver, was a solid supporter of the Club in former years but unfortunately Robert has left the sport after a very successful time as a competitor. However, after 28 years, the Moulamein Clay Target Club is alive and well. According to the local car sticker. "Moulamein, the centre of Australia, to the right and down a bit." The Club has two hopper fed DTL traps and a third hopper trap in the Tower shooting facility. Moulamein is known as a very friendly Club and shooters are most welcome.

# Local Whyalla Clay Target Shooter Beats a World Class Field

Located on the western shores of the upper Spencer Gulf in South Australia

Last weekend Whyalla held its annual two day birthday shoot with shooters coming from Corowa and Broken Hill in NSW, Adelaide, Pt Augusta, Pt Lincoln and International visitors from South Korea. A number of these visitors are of world class standing in the clay target fraternity, eg Ross Walsh and Craig Bentley who would be Australasia's leading Down the Line shooters and have many Australian and international credits to their names.

Local Whyalla shooter, Lachlan Sinclair had a very successful weekend beating stiff competition and winning many major events and was the Overall Shot winner for the two day event at the Whyalla Clay Target Birthday Shoot.

There was a field of 29 shooters for the weekend events. The weather Saturday morning was cloudy but fine with a forecast of 18 degrees for the day, then onto Sunday with cloudy weather, cold with a small amount of rain drizzle but not enough to affect the shooters.

Saturday morning started off at 10.00am with 50 targets of Skeet and a 75 target State Champion of Champions.

Due to lack of light the day finished at approximately 5.00pm with a shoot-off scheduled for Sunday morning

Saturday evening we hosted a dinner for all shooters and families at the clubhouse. We would like to thank all the club members and families who put time and effort into the catering of meals. The evening was very enjoyable and a great time was had by all.

Sunday morning began with the shoot off for the previous days 75 target Champion of Champions at 08.30am. The shoot off between Whyalla's Steven Quirke and Tumby Bay's Grant Bollen saw Steve beat Grant 131/150 - 130/150.

Sundays events were 50 target Ball Trap, 50 target Double Barrel Championship and finished with a 25 target Down the Line Handicap event for the day.

With all the events finished by 4.00pm Sunday afternoon, the presentation of all the winners commenced. The high calibre of awards would not have been possible without the support of many local and inter-

state companies' who generously donated prizes. A personal thank you to all of these sponsors will be placed in the Whyalla news in the weeks to come.

Many thanks also go to all the club members who have spent their time putting in a large amount of work and renovations to the club house and grounds.

The weekend results are as follows:

50 Skeet A Grade 1st A & Overall R Walsh 49/50 2nd S Neoh 48/50. B Grade 1st W Channing 48/50 2nd K Schaedler 46/50. C Grade 1st S Dell'Oste 44/50 2nd D Skinner 38/50.

75 Target State Champion of Champions 1st AA & Overall L Sinclair 118/125 2nd C Bentley 113/125. A Grade 1st S Quirke 131/150 2nd G Bollen 130/150. B Grade 1st K Schaedler 93/125 2nd S Rosetti 93/125. C Grade 1st D Skinner 86/125 2nd A Durdin 84/125.

50 Target Ball Trap A Grade 1st C Bentley 48/52 2nd R Walsh 47/52. B Grade 1st & Overall L Sinclair 47/50 2nd S Edmonds 49/55. C Grade 1st L Walsh 41/50, 2nd B Bone 41/52.

50 Target Double Barrel Championship 1st AA & Overall R Walsh 50/50 2nd L Sinclair 69/71. A Grade 1st M Starr 49/50 2nd L Walsh 47/50. B Grade 1st K Schaedler 47/50 2nd I Watkins 43/50. C Grade 1st D Skinner 41/50 2nd A Durdin 41/50.

25 Handicap 1st V Bone 26/27 2nd K Schaedler 25/27 3rd L Sinclair 23/25

Overall Winners O/A L Sinclair 279/300 AA R Walsh 269/300 A M Starr 257/300 B K Schaedler 249/300 C D Skinner 223/300 Veterans G Bollen 242/300 Junior D Bone 179/250

# NSWCTA ISSF CARNIVAL

## 1-3 September 2006

Friday dawned bright and clear, a perfect first day of spring and perfect shooting conditions for the Double Trap day of the NSW State Carnival. All the gossip revolved around the "travelling" qualification scores and funding criteria just released by AISL, hopefully some clarification and explanation will be released soon. With this in mind it was a little surprising that with 27 shooters we were only down by a few on last year - and that with no ladies as this is no longer a world cup or Olympic event for them. With the good weather and great targets supplied by Cecil Park Gun Club some great scores were shot, Tom Turner and Russell Mark just missing the elusive 140. Tom went on to win

the final from Russell and Craig Tilley. Although not mandatory we always try to run a Junior Final (just for the experience) and this turned into a thriller with Matt Rocco pipping Ronald Lawrence in a shoot off after they both finished on 122+43.

Saturday was another perfect day for shooting and the trap and skeet qualifying rounds got away right on time. With all the discussion still on the travelling score (121/125 Trap & 122/125 Skeet) and how many shooters would NOT compete it was gratifying to see 79 trap shooters and 17 skeet shooters squadded, 21 more than last year including about a dozen Kiwi's! The day progressed smoothly with all competitors taking their turn to ref & score and backing up on time so that we would have 4 rounds

Tom Turner Mens Double Trap

## Barellan Clay Target Club Open Day

**Barellan Clay Target Club conducted their annual Open Day on Sunday 10th of September 06 at 10.30am in fine and sunny conditions. The club was able to obtain an Open Day Permit from the NSW Firearms Registry to enable unlicensed shooters the opportunity to come along and try the sport of Clay Target Shooting.**

Location 51km south of Weethalle and 578km west of Sydney

Coach Fred Schmetzer demonstrates correct gun mounting at Barellan Clay Target Club Open Day to participants

Mr Fred Schmetzer, who has coached with Gold Olympic medallist Michael Diamond, travelled from Yanco to instruct on safe gun handling and coaching of shooting clay targets. Eleven people participated in the session, ranging in age from twelve years old upwards, from around the Barellan area as well as Griffith.

It was pleasing to see 4 female participants and 4 Juniors along with the parents joining in for a shot.

A break at about 12.30pm was taken for a barbecue lunch and many took the opportunity to ask the coach questions.

Five of the above shooters stayed for the afternoon shoot and all thoroughly enjoyed themselves, with some good scores being posted. The club provided an encouragement trophy for newcomers to the sport and Rodney Irvin shot 12/20 to take this award.

The Barellan Clay Target Club would like to sincerely thank Fred for his tremendous contribution and to those people who donated cartridges or trophies or helped out in any way to make this a very successful day. Our ladies committee was again popular with the barbecue and later with afternoon tea. (Some shooters say they only come for the afternoon tea!!)

completed by 3pm. With the good conditions and keen competition the scoreboard attendants had to use the red chalk every round although the Skeet shooters struggled a little with the new Bio targets.

The only real excitement was as the last squads shot the last rounds a 4 foot black snake decided to come up from the paddock to see what all the excitement was about. The snake realised it was out gunned and took up residence under the dividing wall, but the distraction was enough to make Wes Asmar drop 1 target for a 24 - bad luck Wes. After the shooters had packed up it was time to set a new program on the traps, thanks to Craig and Matt for helping again, and Craig I'm almost sure I don't think the snake went in the trap house.

With the leader board crowded at the top the shooting began again on Sunday morning with a few clouds scudding over and a threat of rain, although the rain never came conditions today were more difficult and variable than Saturday. Good shooting and some luck with the conditions again saw the red chalk used at least once in every round of qualifying, a total of thirteen possibles over the weekend a testament to the quality of competitors and the targets.

With time getting on and the weather closing in it was decided to run all the finals simultaneously. In the Men's Trap it was Ross Walsh (185) just in front of a couple of the youngsters in Todd Malone and Marcel Tigani (both 183) and internationals Jarrod Mumford (NZ) and Nidal Asmar (LIB) both on 180 with Danny DiPietro. In the Ladies Suzy Balogh (174) carried a handy lead over Emma Eagles (167), Stefanie Tigani and Michelle Beecham (159), Shelley Barber (158) and Simone Tigani (156) completing the family trifecta. Again we ran a final for the Juniors, though the clear leader and eventual winner Todd Malone (183) was competing in the Men's final. The other competitors, Jeremy Hill (177), Deane Harden (176), Matt Rocco (171), Brendan Burgess (169), and Michael White (165) took to the traps to experience the pressure of the single barrel round.

The weather deteriorated quickly with strong winds whipping up as the finals began. An exceptional score of 22 in the conditions allowed Marcel Tigani to pinch the title from Ross, 20 for Todd Malone consolidated the Junior title and Suzy cruised to the Ladies Red Sash.

Down at the Skeet ranges George Barton (184) carried what was to be an unbeatable lead over brother Clive (178) into the final - both posting an impressive 23 in the money round - followed by Barty Brighenti (166), Goran Rahman (162), Greg Sweikert (160) and Angelo Santangelo (153). I believe that

makes 10 years in a row the Tamworth Boys have secured the State Title.

We ran a combined Ladies/Junior final for the Skeet, with Zita Detori confirming her qualifying form by comfortably taking the ladies section while Anthony Sottosanti took the Juniors title.

With all shooting completed it was only left to do presentations, special thanks to Beretta Australia for providing fine trophies for our Overall winners. It was especially nice to be able to present the perpetual Trap trophy (made and donated by Col Burt) after several years missing. Congratulations to Ronald Lawrence, Tim Bourke, Mathew Maloney, Milad Nasr and Brendan Burgess who earned the right to represent NSW at the upcoming Youth Olympics training and selection camp - Good Luck! - and good luck to those selected to represent NSW at the Nationals in Brisbane in Jan 08. The Zone ISSF Trap teams event was won by Southern from Northern and Central.

Full results in result section of CTSN.

Thanks to Vince and his team at Cecil Park the ground presentation was nothing short of spectacular, thanks to all the shooters, especially the strong contingents from New Zealand and Victoria and thanks to Helen.n Gay for running the office smoothly all weekend.

# WELSH CORGI IN TRENCH UPSET

Cairns Target Shooting Club hosted the Queensland State ISSF Championships on the 7th to the 9th of July. Our southern visitors got a taste of what the gorgeous tropical north has to offer in the way of weather - much warmer than home and not a hint of rain.

This year the Double Trap was held on the Friday afternoon so as not to interfere with the Trap event. 21 competitors contested this event with Russell Mark taking out the Championship, red sash and silver Queensland badge with a score of 175/200, Craig Trembath second 170/200 and Deserie Baynes third 146/200. AA went to Dexter Barnes 113/150 and 2nd in AA to Wayne Reeves 98/150. The A Grade winner was Ross Walsh 111/150, and 2nd was Ross Cannon 99/150. B Grade went to Shawn Ryan 92/150, with 2nd going to Barry Bosworth 88/150. C Grade went to Milad Nasr 89/150, and 2nd in C was Greg Goopy 81/150. The Junior and Women's section winners were Milad Nasr and Deserie Baynes.

A record breaking 58 shooters turned out for the Trap event on Saturday morning. While it was absolutely wonderful to see so many people supporting the Cairns club and patronising the QCTA, the large amount of shooters, 150 targets and one trench posed a logistical issue. A decision had to be made on how to best deal with the problem. The field shot 100 targets, and the top 24 shooters shot another round. From this the top six was selected to shoot a Final, these being Adam Vella, Dexter Barnes, Nathan McDonnell, Deserie Baynes, Russell Mark and Ross Walsh.

"The Welsh Corgi" from Broken Hill, Cowra Gun Club member Ross Walsh led into the Final fresh from a win the previous weekend at the Northern Zone ISSF Championships in Normanton. In a blistering display of skill this part-time Trench shooter started the event with two clean rounds of 25, and thus the bar was set. A near perfect 24 in the Single Barrel Final was more than enough to maintain the lead and claim the silk and the coveted silver Queensland badge with a final score of 120/125 + 24. We're lucky he's not serious about this discipline!

Russell Mark finished second with 116/125 + 23, and Adam Vella third, 114/125 + 21. AA Grade went to "The Japanese War Dragon" Jar Smaniotto 113/125, A to Deserie Baynes 115/125 and 2nd in A Grade to Nathan McDonnell 114/125 + 4. The B Grade winner was Matej Kandus 105/125, with 2nd going to Peter Neubecker 104/125. C Grade went to Andrew Cassella 78/100 and 2nd in C to Randolph Rossi 72/100. Deserie Baynes took out the Women's section and Daniel Allam the Junior section with 106/150.

Meanwhile, the five Skeet shooters had no difficulty getting through their 150 targets. Newlywed Cherie Ryan was victorious in this event with a score of 131/150 + 20. Like Ross, Cherie took out the Northern Zone and Queensland double, having won the Skeet the weekend before. Lauryn Mark was second with 123/150 +22, and Skeet

stalwart Tony Kidman from Brisbane was third with 124/150 + 17. Fellow long-time Brisbane shooter Mark Kempnich won C Grade (and moved up to B) with 110/150, and local Cairns shooter Steve McDowall was second with 83/150.

Postal Teams from the weekend were as follows.

Open Double Trap - Barry Bosworth, Ross Cannon, Wayne Reeves, Shawn Ryan, Rob McNamara and Robbie Caban.

Open Trap - Jar Smaniotto, Greg Newey, Shawn Ryan, Peter Neubecker, Wayne Reeves and Derek Bruce.

Women's Trap - Jennine Gerrard, Diane Reeves, Tania Burke and Kelly Coogan.

Open Skeet - Cherie Ryan, Tony Kidman, Mark Kempnich and Steve McDowall.

Thanks and commendation must go to the Cairns club, and the volunteer kitchen, bar and office staff for all of their efforts in preparing for and running a great shoot. Thank you to Steve McDowall for looking after the Skeet for the weekend and Thanks to the couple of Trap shooters who went down and pressed the button or scored for the Skeet shooters throughout the weekend. Your assistance is much appreciated.

Special mention must be made of Jar Smaniotto. It was his dedication and numerous trips down south that encouraged such a large crowd to attend these Championships. For future reference, don't be put off by the large number of shooters and reduction of targets. Next year these Championships will be held in Brisbane on 7th and 8th of July - we will use two layouts and a third if need be, so don't be afraid to bring a few friends! A few more Skeet shooters wouldn't hurt either. Hope to see you there.

*Miss Skeeta*

## Position Vacant

Applications are now open for the position of Chief Range Officer for the 2007 Olympic Discipline Nationals to be held at the Brisbane Gun Club, Brisbane QLD 6 to 14 January 2007 inclusive.

# Inverell's Two Day Open Shoot

**Located 489km South West of  
Brisbane and 675km North West  
of Sydney**

Inverell RSM Clay Target Club held its 2 day open shoot on the 19th & 20th of August. The weather was perfect, sunny with not a cloud in sight making for an excellent 2 days of shooting. 11 squads readied themselves for the competition to try and win the solid Silver Clay for the 2 days. Shooters of all ages like Lance Kent 84 years young and young Will Saunders 14 years (the hats must be a fashion statement) came to mix it with the shooters from Camel Hill, Singleton, Moree, Glen Innes, Guyra, Tamworth, Brewarrina, Lismore, Yamba, Grafton, Wangaratta, Ballandean, Newcastle and the local contingent. Saturday saw them vying for prizes and cash trophies.

Starting with the 30 Mixed Target Championship sponsored by Inverell Retravision. O/A was won by Rod Moody (Yamba) 109/110, AA 1st Clyde Mitchell 106/110, 2nd Geoff Baxter 100/110. A 1st Matt Duncan 69/70, 2nd Will Saunders 67/70. B 1st Wulf Reichler 63/70 2nd Rex Wilson 62/70. C 1st Lance Kent 41/50 2nd Andrew Uphill 40/50.

The next event was the 25T P/S Championship event with local Holden dealers F Gaukroger & Sons sponsoring

the O/A with a magnificent Holden Jacket going to the Red Team. Rod Moody 102/102 (Yamba) was too good taking O/A and the Jacket away with him. I don't think Rod has the jacket his daughter would have relieved him of it because the colour didn't suit his eyes. Well that's how we see it anyway. AA 1st Dean Caldwell 101/102, 2nd Brad Henshall 134/135. A 1st Terry Rogers 87/90 2nd Tyson Kennedy 84/90. B 1st Wulf Reichler 72/75 2nd Rex Wilson 69/75 C 1st Andrew Uphill 58/75 2nd Thomas Costanzo 60/78.

The final event for Saturday was the Macintyre D/B Championship proudly sponsored by club member John Kent with a TV & DVD Player up for O/A prize. The shooters lined up for the shoot off with the persistent Brad Henshall 96/96 (Wangaratta) collecting the O/A over Graham Gosling 95/96 (Newcastle) for 1st AA grade. 2nd Stuart Boydell 81/82 A 1st Matt Colley 61/62, 2nd Matt Duncan 53/54. B 1st Terry Johnstone 49/50, 2nd Rex Wilson 46/50. C 1st Thomas Costanzo 45/50, 2nd Andrew Uphill 44/50.

An excellent Sunday morning dawned with the shooters arriving for the day's competition. The first event was the 50T D/B Grand Classic with the High Gun sponsored by Beaurepairs of Inverell with a set of tyres. After a good shoot off and excellent shooting from young Dean Caldwell (Grafton) with a 125/125 he collected O/A, AA 1st Brad Henshall 124/125, 2nd Dale Ellis 112/113. A 1st Will Saunders 63/64, 2nd Matt Duncan 59/59. B 1st Terry Johnstone 51/52 2nd

John Clarke 50/52. C 1st Will Fenwicke 44/50, 2nd Thomas Costanzo 43/52.

With everyone fired up and ready to go we started the 25T S/B Championship with the local John Deere dealer McBean & Son Sponsoring the O/A and adding in some trophies with the cash for the grade prizes. After a short shoot off Brian Kniepp (Moree) collected O/A with a 41/41. AA 1st John Kent 40/41 2nd Rod Moody. A 1st Will Saunders, 2nd Matt Colley 24/25. B 1st John Clarke 23/26 2nd Wulf Reichler 22/26. 1st C Thomas Costanzo 22/25, 2nd Hayden Johnson 18/25.

The last event was the 25t Handicap with local gun shop owner Athol Mitchell sponsoring 1st with half case of ammo. Everyone wanted this one with cash up for grabs. With some excellent shooting in the shoot off young Will Saunders (Tamworth) triumphed over all with a 48/48 to take 1st from Rod Moody 47/48, 3rd Dale Ellis, 4th Matt Colley, 5th Rex Wilson.

The only thing to do was to organise the shoot off for Overall High Gun between the ever consistent two Rod Moody & Brad Henshall. Rod won the battle to take the Silver Clay O/A High Gun with a 331/335 with Brad taking AA Grade High Gun 329/335. A Grade High Gun Will Saunders 265/275, B Grade High Gun Rex Wilson 253/275, C Grade High Gun Thomas Costanzo 224/275 (I wonder where George was), Junior High Gun Dean Caldwell 267/275, Ladies High Gun Cindy McBean 251/275, Veterans High Gun Geoff Baxter 266/275.

The club would like to thank all the competitors and their families for turning up making this another enjoyable shoot. To the trophy hunters Cindy and Les thanks for an excellent job. The ladies in the kitchen thanks for keeping the food up and to the local members and their wives for supplying the magnificent salads and cakes for lunches and afternoon teas. To the sponsors of the club thank you all, without your support we would find it hard to put on such good trophies. The people in the office Glen, Les, Kelvin thank you. Glen had all the results on the computer which was the first time he used it and went off without a hitch an excellent result thanks Glen. The members who put the hours in before and at the shoot weekend getting the traps and grounds ready. John Kent who made a new trap house over the ball trap so we had all four traps close to the club. Cindy for doing the trophies up and the hand made cards a big thank you for your work, which made the weekend a great success.

Lance Kent and Will Saunders

**Ken McBean**

# ***SAFETY AWARENESS***

***To all ACTA members of our club or any  
other club shooting on  
Cecil Park Clay Target Club grounds.***

The board would like you as a shooter or spectator at any time on club premises witness any unsafe practice, to address the shooter that is committing the unsafe practice in a non threatening manner immediately, and then report the person in question to the office or a director on the ground.

The club has many layouts, and Directors can not cover them all at one time.  
Your assistance is needed to provide safety awareness on the club grounds  
It is our responsibility as Clay Target Shooters to help towards our safety practice in clay target shooting.

Thankyou for your support

President - Vince Gatt  
and Board Members

# VALE

TONY MILEO

5.7.1927 - 19.5.2006

He is deeply missed by the Veneto/Abruzzo shooters. Tony was dedicated and always willing to give his time to our club.

He was our official photographer at every shoot and social gathering, ensuring every prize, ribbon or cup presented was recorded on film.

He was a gentleman, polite and appreciative of all the efforts put in by club members and helpers, always ready with a thank you at the end of each shoot.

He enjoyed his sport tremendously and rarely missed a shoot date. Our condolences to his family. He will be fondly remembered by all our members.

*E Bertollo & M Sallatore*

BERT RUBIOLO

6.5.1916 - 14.8.2006

The Burdekin Clay Target Club was recently saddened by the news of the passing of one of its oldest members, Bert Rubiolo. Bert first joined the club in 1949 when it was reformed after the war and he was so enthusiastic that he joined his infant son up as a member as well. He still occasionally came out for a shot well into the 1990's. He also contributed time and resources over many years to help in the development of the club. He served on the management committee for many years and in later years was the clubs patron generously donating the trophies for a patrons trophy event each Christmas, a role his son Peter has taken on in recent years due to Bert's failing health.

Bert enjoyed his field shooting and was a founding member of the Lisgar and Kielor Valley Clubs which were field shooting clubs based on two large cattle properties.

The club offers its condolences to his family wife Joan, son Peter, daughter Lorraine and her husband John and grandson Brian.

# RANGER SERIOUS STYLE XLW SHOOTING GLASSES

With RANGER XLW, our exciting new shooting glass combining RANDOLPH performance with an edgy new look, they'll notice more than your performance. They'll notice your style. Something we like to call Serious Style for serious shooters.

*Serious Style is just one of our new performance criteria.*

Other 'Serious' standard features include:

- Adjustable bridge with offset pad arms to prevent fogging
- High-strength metal alloy construction
- CMT de-centered lenses (a Randolph exclusive)
- Interchangeable 2.5 mm polycarbonate lenses (available with 6 additional tints):
  - \* #44 Brown – Light reducing. Good all around for shooting orange targets on bright glaring days with open background
  - \* #45 Orange – Excellent for orange clay targets. Dull cloudy days, dusk or dawn. Enhances the orange of the target
  - \* #46 Vermillion – For green backgrounds. Highlights orange, dampens green. Good for those who see orange poorly, or with red-green color deficiency
  - \* #48 Pale Yellow – Brightens in low light condition, dusk or dawn. Very light color tint allows indoor, outdoor, flat light or night use
  - \* #51 Deep Purple – A lens for very bright sunlight. Provides great contrast of orange targets against a deep blue sky. Excellent for glare reduction
  - \* #52 Medium Yellow – Maximum enhancement of orange clay targets in low light conditions
- Over molded bayonet temple tips for improved retention, also available in traditional cable temples

Plus, our premium finishes and custom hard case provide protection and quality for years to come.

**Frame with 3 pair tinted lenses \$360**  
**CMT lenses extra \$155 pair**

# LADIES COACHING DAY

## Newcastle/Lake Macquarie Clay Target Club

**Location: 1hr north of Sydney**

There's a time to laugh and a time to cry - there are times we shoot badly and there's a time to ask why. Saturday 12th August at Newcastle Lake Macquarie Clay Target Club (NLMCTC) was the day to ask all these questions that needed to be answered! Yes this was a coaching session for the Ladies, hosted by Olympian Tom Turner Jnr.

No, I (the author) am not a lady, but as a visitor for the day, invited along by good friend and Vice President of the club Jason Jenkins, I chose to sit in on most of the info sessions. As I am not big on the shotgun discipline I wanted to see what all the fuss was about!

Tom first got everyone together and spoke about what was needed to shoot better and shoot competitively - being comfortable, concentration, where to look, where to aim etc. Then one by one he checked each person's line of sight over their gun barrel and discussed what (if needed) could assist. We can all tend to slip into bad habits, and these needed to be addressed.

Then it was out to the range where each and every one was given the opportunity to fire off a number of rounds under the careful eye of Tom. From lane to lane with clays exiting the bunker in a number of directions their skills and ability were being exposed. Bit by bit Tom got to see and know where improvements could be made and it became evident that some things had to be changed so they could improve their skills.

It was already obvious to me I would not be competitive against them!

When I saw young 12 year old Rebecca shoulder her gun for the first time I thought for sure we would be picking her up off the ground. How wrong I was - this young lady has a lot of potential and with the correct guidance and, in time with practice she will be a force to be reckoned with, time is her greatest asset.

With the help of Tom's wife Sarah, videoing each and every shot, they then returned to the clubhouse to analyse their efforts and see where they were going wrong. Here they could look at their stance, their combination of gun / shoulder / cheek set up, and as some found out, what not to do. One bad habit noticed was pulling the head away from the line of sight over the barrel, to see if the clay had been hit, therefore reducing your ability and time to resight for a comfortable, clean second shot.

It was in this talk session that Tom spoke about the ability to anticipate what was going to happen, using peripheral vision, reflexes and focus.

By now he had a good understanding of what everyone was doing, so it was back out to the range to change a few things.

After this session and a short talk it was time for lunch. A barbecue lunch provided by the club was a welcome break and a chance to chat amongst each other and compare notes.

A 25 shot round was run through after lunch with all the women getting a chance to put their new found skills to work, then finally, a friendly shoot off with Renae coming out on top. Well done Renae - a few less unbroken clays to pick up at the end of the day.

Well done to all the ladies, as by the end of the day a number of them were following through and shattering chips with their second shots!

To sum up for the day Tom spoke to the ladies individually about each one's efforts throughout the day and their improvements. Finally he encouraged them to continue with the changes they had made which produced good results, and said with practice and using everything they had learnt, these ladies grades are sure to improve.

Finally, from all of our club members we would like to congratulate Tom Turner in competing in this years World Cup. Tom was the only Australian competitor to qualify for the finals, an outstanding result from a genuine competitor.

*Michael Haggard*

# Ironman Shooting Contest at Echuca

September the 10th saw six squads of shooters arrive at Echuca Clay Target Club to battle for the Ironman Championship honours in the annual 60-target event. There were 10 targets each of Double Barrel, Single Barrel, Handicap, Ball Trap, Double Rise and Skeet, all shot with the same gun and chokes. Hard enough for most competitors then throw in a cold, gusty, windy day for good measure and you have a competition that only the best performers in their respective grades have any chance to achieve wins or places.

To demonstrate the quality of Echuca shooters, there were only two competitors on a top score of 56/60 to shoot off for Overall Ironman. They were both local members, Steve Traill and Leigh Fitzgerald, and after one round of two targets of each discipline Steve was one point ahead giving him Overall and A grade on 70/76. Leigh collected AA grade on 69/70. A grade 2nd was Geoff Viney 54/60, B 1st was Bradley Harbor on 62/76, B 2nd Peter Sing on 60/76, and a delighted visitor, Bert Knight, first in C grade on a 41/60 score.

Event 2 was a 30 target Double Barrel Continental Championship. Local, Steve Atkins did battle with visiting Leigh Knight for Overall honours, with Steve holding out on a 48/48 score to collect Overall and AA grade, and Leigh took 2nd on a 47/48 score. A grade 1st was S Traill 42/43, A 2nd Steve Harbor 41/43, B 1st Echuca club secretary, Peter Sing on a 30/32 score, B 2nd Ricky Mannix 29/32, C grade 1st was a new shooter, Sean Everett, on a respectable 27/37 score.

An encouragement award for another new shooter went to Rick Shellie.

Finally at 4.30pm this popular event was over for another year and presentations all done giving everyone an early trip home after being thanked for their attendance.

**Murray Roberts**

Overall Ironman Steve Traill

Steve Atkins OA Continental

Peter Sing B grade

C grade Continental Sean Everett

## PRECISION FIT STOCKS... Expect to win !!!!!

*Very serious tools for serious shooters who demand precise stock fit and unsurpassed felt recoil reduction. Your passport to a new world of shooting!*

Precision Fit Stocks give unsurpassed felt recoil reduction. Precision Fit Standard Stocks have been developed to make shooting an even greater pleasure. These devices are designed to provide you with very serious shooting tools. They enable you to get a precise gun fit and a level of felt recoil reduction unsurpassed by any devices currently on the market.

### Features, adjustability and specifications:

- Length of pull from 13" to 16"
- Comb adjustment to suit your face structure
- Comb height & lateral adjustment
- Comb rotation & angularity adjustment
- Comb cast & tilt adjustment
- Comb can be moved forward or back
- Stock may be weighted to suit
- Nickel plated aircraft aluminum
- 17-4 stainless steel heat treated
- Adjustable butt plate
- Side to side adjustment
- Cast on - cast off adjustment
- Up-down heel and toe adjustment
- Kick EEZ Recoil Pad
- Grip and comb are composite materials. Paintable for a custom look

**NOTE: Your existing stock does NOT have to be modified. You are provided with an entire stock; complete with grip, comb, butt pad and mechanical mechanism.**

# AISL Junior Development Training Camp

*Continued from page 5*

After or before each squad had shot their first round, their guns were accurately measured and recorded by Greg and any glaring problems rectified as best possible considering the limited gunsmithing facilities available at the club. Recommendations were made to individuals regarding alterations for consideration upon returning home.

Gun fit is a vital part of clay shooting that is often misunderstood and wrongly measured.

Each shooter was then sent to have their guns patterned and interpreted so that they had an understanding of where the guns was shooting, how this affected the sight picture and how this all impacted on the end result.

Practical coaching, video review, and physical preparation continued through the remainder of the day until 5:30pm.

Dinner was held at the club with Mandy putting on the most amazing spread for 50 odd people.

After dinner a motivational video of the Athens Olympics was presented followed by a talk by Adam on his experiences from junior to Olympic, Commonwealth Games and World Cup medallist.

We called it a night at around 9:00pm.

Day two began with Nick's presentation of the hydration results taken from samples provide by the shooters and the benefits of being fully hydrated, the impacts of dehydration and the strategies employed to combat the problem.

Darien gave a talk on using massage therapy on a regular basis and the direct benefits it provides to shooters. He then made himself available to all the shooters to have a massage during the day.

After a group warm up and stretching session it was out onto the walks for shooting and coaching, with Craig Trembath providing the benefit of his experience to the double trap shooters this time.

After lunch Lisa Sutherland from the VIS nutrition department gave a lecture on the importance of diet, how it impacted on performance and discussed some of the products that should be included in a healthy diet.

The rest of the day was taken up with shooting and coaching and video review.

Days end saw a cool down and relaxation session with Nick followed by another of Mandy's fantastic dinners.

Evening session then included a video presentation of the Commonwealth Games followed by an impromptu talk by Daniel Allam, 2006 junior world championship team member and 2005 AYOF team member. Daniel gave the group an overview of what to expect if they were to follow the same pathway that he had taken to reach this point in his career.

Day three was competition day. After a warm up and stretching session lead by Brendan Burgess and Nik Kirley those eligible for selection to the AYOF team went head to head for the two spots available in each of the disciplines.

AYOF Team (under 19 years) Men's Trap Brendan Burgess (ACT), Anthony Rullo (VIC) Men's Double Trap Nik Kirley (VIC), Rodney Mitchell (VIC) Men's Skeet Mathew Malony (NSW) Jason Carney (NT) Women's Trap Catherine Skinner (VIC), Laetisha Scanlan (VIC).

Congratulations to those who have qualified for this event. I am sure they will all represent Australia with pride.

The day and camp ended with a debrief and general discussion on the preceding days events.

So ended a very exhausting training camp attended by a very enthusiastic group of young shooters who all aspire to represent their country in the future.

We have given them an insight as to the way, whether or not they have the will is to be seen.

If these juniors take away one positive from this camp to enhance their shooting then it has all been worth while and they may well be on the road to improved performances.

Some of the adults in attendance were also undergoing their NCAS level 1 coaching course and this camp will be credited as part of the requirements.

Coach education is on the AISL agenda and hopefully these coaches will be able to take away some of the things they have learnt to further their knowledge and pass it on to their shooters.

My thanks must go out to the many people who assisted with this huge camp. Without them this camp would not have been possible let alone run so well and smoothly.

*Greg Chan*

# YOUTH NATIONAL CHAMPIONSHIPS

30TH NOVEMBER-4TH DECEMBER 2006

ALL EVENTS WILL BE SPLIT  
INTO THE FOLLOWING AGE  
GROUPS:

12yrs-16yrs

ENTRIES CLOSE 1ST NOVEMBER 2006

# What a weekend!

## GOLD COAST TARGET CLUB

Location 1hr below Brisbane

The Gold Coast Target Club really turned it on for their two-day Trap Carnival on the 19th & 20th of August.

Shooters came from Dorrigo, Illawarra, Newcastle, Orange, Tumut, Yamba, Yass, Castlemaine, Maryborough (Vic), Mornington, Werribee, Wonthaggi, Brisbane, Dalby, Gympie, Caboolture, Maryborough (Qld), Redcliffe, Roma, Scrubby Creek, Sunshine Coast, Toogoolawah, Toowoomba, Warwick, Surat, Geraldton, Cressy and Hobart clubs.

Andrew Thatcher 50T Continental Points

Thanks to all the visitors who helped make it a successful carnival. 54 competitors turned up on Friday night to try for the Queensland State Night Single Barrel title sponsored by Winchester Australia.

A complimentary gourmet BBQ dinner, cooked and served by executive chefs, was supplied prior to the competition for competitors and families, sponsors, visitors and friends.

Friday night was a typical Gold Coast night, 15 degrees and still conditions, and the competition was going to be tough judging by the names on the scoreboard. Excellent shots including locals like Mike Swale, Col Witt, George

Sckaf, Paul Moore and John Maxwell and interstaters Bernie Scanlon, Matt Patmore, and Neil Cracknell headed the list. However, surprisingly the event was won by none other than popular Gold Coast President, Vince Vaina, with the only possible 50/50. Congratulations Vince on a well deserved win in very exalted company. (He hasn't stopped talking about it!)

Grade places in the event were: AA 1st Mike Swale 48/50 2nd Col Witt 46/50; A 1st Jeff Lowndes 47/50 2nd Rio Ricatti 47/51; B 1st Greg Smith 44/50 2nd Paul Strange 50/58; C 1st Sam Nucifora 44/50 2nd Ken Tomkins 43/50.

A total of 96 shooters shot the weekend. Saturday started sharp at 9am and the weather was perfect, clear and 24 degrees. 16 squads were on the board before we knew it and the Committee was very pleased.

The first event was a 30T Champion of Champions shot off 18 metres and sponsored by Tony and Brenda Carroll of Brenton Beef, producers of the best beef in SE Queensland. Scott Moore of Brisbane was victorious with a score of 74/75. The rest of the placing were as follows:

AA 1st Daryl Stevens 99/100 2nd Tim Blakeney 95/100; A 1st Peter Smith 70/75 2nd Shane Weeden 49/50; B 1st Peter Rado 67/75 2nd Kevin Seeney 66/76; C 1st Sam Nucifora 47/50 2nd Ken Tomkins 88/100.

The second event was a 30T Handicap and sponsored by Framgram Tools, known world wide as suppliers of the best tradesman's tools. With no red ink on the board, Col Witt and Scott Moore shot off on 29/30. Col was the eventual winner with 59/60. Col shot this Handicap event off 25 metres - a true champion indeed! It was great to see another Gold Coaster, Rob Harwood finish in 3rd place with 55/57. Rob, the principal of Melbourne Prestige cars locally, was a major sponsor of the carnival. John Maxwell from Maryborough Gun Club was the fourth with 45/47.

The third event, the prestigious Bauman 50 Target DB Championship was again sponsored by Stratco Queensland, suppliers of sturdily built sheds, carports etc. The Shoot Marshall had made a decision to continue the shoot-off under lights if need be, but before day turned into night it was all over. The overall winner was Paul Drennan from Cressy Gun Club with a brilliant score of 161/161 and it was inspiring to see Scott Moore of Toogoolawah Gun Club shoot 160/161 to just miss out.

Place getters were as follows: AA 1st Kevin Thompson 156/157 2nd Col Witt 94/95; A 1st Scott Moore 160/161 2nd Keith Simpson 84/85; B 1st Bob Perry 62/63 2nd Franco Innocenti 61/63; C 1st Ken Tomkins 49/50 2nd Sam Nucifora 56/60.

That brings us to the Saturday nights festivities. What a night of live music, dancing and seafood delights. The food was tantalising as usual and specially selected by the master himself, Vince Vaina and prepared by his team of executive chefs.

Rob Harwood and Brian Fairweather featured in the band and belted out some classic hits like "Brown Eyed Girl" and "House of the Rising Sun", just to name a couple. Two other band members had played with the Shadows and backed Lulu in the seventies and eighties, so the sound was great. Kevin Thompson and John Maxwell were

Vince Vaina Overall QLD State Night 50 tgt Single Barrel and Col Witt

constantly on the dance floor with their young wives. Boy, they can dance!

Jeff Lowndes, the nomadic masseur, was prompted to tell some of his wonderful jokes and stories and had the audience in fits of laughter. They particularly liked his "ducks caller" routine. The special raffle was drawn Saturday night and with over \$5,000 in prizes to be won, it proved to be very popular. Special thanks to Palazzo Versace and executive chef Steve Szabo for arranging the major prize of a weekend in a condominium at Palazzo Versace. The night ended on a favoured song "He'll Have to Go", with noone in particular in mind.

We moved on to Sunday the final day and anyone who chose to breakfast at the club, was treated to an excellent meal again presented by the talented chefs.

The day started with a 30 target Points Score event sponsored by George Scaf of G & N Gun Supplies. George is known far and wide and has a heart of gold when it's time to support the sport. Kevin Thompson of Newcastle finally proved too strong for Col Witt in the shoot off. Kevin, on lane 2, pulled a second on his 45th target and Col, on lane 4, with great confidence and careful focus on the job ahead, called "pull" in his aggressive style and yep, you guessed it, bang - bang, lost target! Who'd have thought that would happen? Congratulations Kevin on the win.

Other place getters were: AA 1st Colin Witt 132/135 2nd Daryl Stevens 92/93; A 1st Jeff Lowndes 102/105 2nd Bill McKechnie 89/90; B 1st Bob Perry 102/105 2nd Stan Kurkiewicz 101/105; C 1st Fred Borgstrom 88/90 2nd Sam Nucifora 83/90.

Event 2 on Sunday was a 30 target Single Barrel event sponsored by the new Go Camping Store at Nerang. See Phil Sorby for all your camping and fishing gear. Geoff Tarrant of Hobart Gun Club was the overall winner shooting 40/40, beating the master of single barrel shooting, Robin Loy of Warwick. Other place getters were as follows: AA 1st Robin Loy 39/40 2nd Robert Nugent 37/38; A 1st Paul Moore 37/38 2nd Bill McKechnie 31/32; B 1st Paul McDonald 28/30 2nd Ken Tomkins 27/30; C 1st Mark Houtzager 24/30 2nd Sam Nucifora 23/30.

The final event on the program was a 50 target Continental Points Score, sponsored by Vince Vaina of Top Cut Foods, formally known as Tender Plus. Vince claims he has the best meat products in the world. Just ask anyone who has won a meat hamper! The event was won outright by Andy Thatcher of Gold Coast with a well put together 148/150. Andy is a fine shot and great supporter of the Gold Coast Club.

Other place getters were as follows. AA 1st Kevin Thompson 150/153 2nd Paul Drennan 149/153; A 1st Shane Weeden 147/150 2nd Michael Weier 146/150; B 1st Paul McDonald 143/150 2nd Donald Cameron 142/150; C 1st Curtis Smith 135/150 2nd Sam Nucifora 130/150

# It's Your Call

No. 11

By  
**Bill McCarthy**

As referees we are frequently called upon to adjudicate situations where a shooter fails to fire at a perfectly normal (legal) target on either the first or second barrel. The instructions for the procedure the referee is to adopt is set out in GRTS 14. Among other things, it requires the referee to visually check the safety catch is not in the on position and also check that the action is closed. The referee will then ask the shooter to test fire the gun once only.

You as the referee have had this situation arise. The shooter then fires the gun, which discharges the cartridge. You quite correctly rule "lost target" (Rule 1.10).

However the shooter concerned indicates that he has "frozen on the trigger" and claims a "no target".

## IT'S YOUR CALL

*If you rule "lost target" you are quite correct. Freezing on the trigger does not constitute entitlement to a shooter receiving another target.*

*It is interesting to note that despite the fact that a referee cannot call a 'no target' to deny a shooter from shooting at any target, there are in fact 13 occasions where "no target" can be called. These occasions are clearly listed in Rule 1.07. Freezing on the trigger is not one of those. Moreover it is also not covered in the Refusal Rule.*

## INSURANCE INFO

Dear Sir

Can a member of the Sporting Shooter's Assoc shoot in a club competition? I ask this in view of the fact that a Sporting Shooter's have their own insurance policy for members.

I was asked this question by a Sporting Shooter who had been refused permission to shoot in a club competition.

**David**  
**Redcliffe City Clay Target Club**

David

Here is an excerpt from the Rulebook regarding this matter.

4.14 (f) All competitors must be registered through an affiliated club with the ACTA before taking part in competition. Unregistered competitors are not permitted to compete at any time.

However in Sporting Clays the ACTA has reciprocal rights with Field & Game and SSAA for competition Sporting Clays only.

# Psychological Skills for Shooting

by Michael Kruger-Davis

## FORE-END

In last month's article, I looked at how the mind can force the fore-end hand to interfere with our shooting, by trying to make "adjustments" after we have pulled the trigger. This is an example of our minds 'fearing that we will miss' and tries to help out. Because we doubt our ability to hit the target we subconsciously let our mind tell our muscles how they should behave. This can effect both our trigger finger and the hand on the fore-end.

The Moment of Inertia (or MOI), of a shotgun, according to Chris Batha, is the combination of its component parts and the distribution of its weight through its length. Chris Batha is a senior coach with the CPSA in England. Put simply, MOI means the balance of the shotgun. According to Batha, the correct MOI or balance point for a shotgun is on or very slightly in front of the hinge pin. With the MOI in this position, the gun's weight is evenly distributed between the hands and correct and precise control can be maintained. Having the MOI in the correct place allows the adjustment of the fore-end grip on the gun to better match certain target presentations. Batha argues that the core skill of consistent shooting is to match the muzzle speed with the speed of the target. The right hand can help here because it can be used to control muzzle speed through the extension of the fore-end grip.

It is logical to accept that the closer the hand is to the action the faster the gun will swing and the further the hand extends towards the muzzle the slower and steadier the swing will be. The fore-end hand also influences how much swing the body is capable of. With the fore-end hand fully extended, there is a limit to how far the gun can be swung, especially for right hand swinging targets.

So if the MOI is correct and the trigger hand is gripping the gun correctly, then the gun can be driven by the shooters body and not just their arms. This has the advantage of integrating head, body and arms so that the gun becomes an extension of the shooters eyes and hands. It also helps reduce fatigue, which is essential for long marathon type shoot offs.

A recent article on freezing on the trigger generated considerable discussion. I had telephone calls and letters from readers who wished to either thank me for the article or take issue with what I had written. So working on the principle, 'that if you walk on thin ice, you may as well dance', I'm going to revisit flinching and freezing on the trigger. The following information comes from the American magazine *Trap & Field* and was the article by Phil Kiner in October and November, 2003. Kiner argues that flinching/freezing occurs because premature discharge causes us to miss the target. To explain what he means it is necessary to look at the whole shot-firing process. Firstly, you mount the gun and address the trap, getting ready, similar to addressing the ball in golf. Secondly, as you call for the target and the target is released, you start tracking the target with your eye/hand/gun. Now you should have a proper visual picture. Next, the brain sends a message to the brain to pull the trigger and when the message is relayed to the finger it pulls the trigger. Fourthly, in a split second the mechanical process occurs in the gun and whilst the barrels are still moving the shot leaves the barrels. The gun should continue moving because we have locked on to the target. With triggers that are very light, the gun goes off somewhat faster than normal. This shortens the follow through.

This is a complex case of precision timing and when done correctly the target is smoked. When this is repeated and repeated your brain works out exactly what it needs to do to smoke the targets. Kiner argues that when you change the trigger weight or the lock time, you change the amount of actual follow through and instead of smoking the targets you are just chipping targets or missing them completely. This sets up a conflict between your eyes, your brain and your trigger finger. Your brain knows what it needs to do to smoke the target and it's not working like normal. Because we like to have things perfect we will change things and you will start to pull the trigger, but because of the confusion and the need for perfection your brain tells you to stop because it is not perfect; this means you start to pull the trigger and then stop.

Kiner offers a solution. Because the gun is going off faster than normal there is a need to slow the process down somewhat. This requires heavier trigger pressures. What this does is prevent the gun going off unexpectedly or prematurely. The brain then realizes that it has to make a concerted and be decisive in actually pulling the trigger. Now it is important to realize that if you have light triggers and things are OK then leave them alone until or if becomes a problem.

# Victorian North West Zone Winchester School Persons Shoot

On Thursday the 17th of August the annual Winchester School Persons Shoot for the North West Zone of Victoria was held at Swan Hill Clay Target Club.

Overall winner, James Peatling from Cohuna with Anthony Post, Winchester

128 students from 15 schools across the zone battled out the 20 target Single Barrel event. Officials from the zone, parents and teachers were in attendance.

The weather was kind and as usual the students were prompt and the squads flowed through quickly.

At the conclusion of shooting John McVitty thanked the students for their participation and the support provided by parents and teachers. He also thanked the Swan Hill CTC for a well-run shoot.

Senior Girls

Winning team from Swan Hill College - Dylan Hart, Andrew Cowland, Jarrad Hare, Robert Main

Junior Girls

Senior Boys - Dylan Hart Swan Hill College 3rd, Rhys Hendricksen High View College Maryborough 1st and Michael Greer Kerang Technical College 2nd

## Veterinarians day at Wagga

The Rural Lands Protection Board held their annual Veterinarians day at Wagga.

Located midway between Sydney and Melbourne home of the National Ground.

Wagga recently and on their free afternoon some of the Vets were keen enough to try clay target shooting as suggested by a Vet who is also a clay target shooter Mr Richard Hernando of Walgett. Unfortunately, Richard was unable to attend at the last minute.

They were given instructions on range safety, DTL and Skeet and were very keen to get into breaking some clays. All the Vets held A-B & C class licences but most had never shot a moving target before and had only used a firearm to dispatch animals, feral or injured, as rifling the shotgun was prominent.

After some instructions from Roger Patterson they were soon breaking clays, with Allison [the smallest of the bunch] very successful and proud, leading the way. Now they have an understanding of our sport and are keen to attend Open Days at the various venues when they return to their own districts throughout NSW. Their spokesman, Mr Tony Morton, offered their thanks to the ACTA and trainers for the use of the facilities and time.

**Charlie Strike**

Mr. Tony Morton 3rd from Left, Mr Roger Patterson 3rd from Right

# YOUR SAY

**Fax: 02 6931 0125**

**Email: [membership@claytarget.com.au](mailto:membership@claytarget.com.au)**

Writers must state their membership number, full name and address. Where possible, letters should be typed. The ACTA reserves the right to edit any letter for brevity. The ACTA does not necessarily endorse the opinion of our correspondents.

Dear Your Say

I am writing this letter to the ACTA as well as putting it in the Clay Target Shooting News.

I ask the question "What constitutes receiving a Green and Gold Australian Shooting Jacket?"

I competed in the National DTL Championships at Wagga Wagga in 2006 and made the Australian Ladies C Team. The Australian Teams then competed at the World DTL Championships in Wagga Wagga in 2006 and the Australian Ladies C Team shot well enough to achieve the Silver Medal behind England with the Gold.

I always assumed that if you made an Australian Team, you would receive a Green and Gold Australian Shooting Jacket. Apparently this is not the case.

I have recently found out that the only team that will be receiving a Green and Gold Shooting Jacket will be the Open C Team as they achieved a gold medal at the World's.

So, I ask again, what do you have to do to be able to achieve the Australian Green and Gold Jacket.

It should be stated clearly who would receive a jacket.

If not all Australian Teams are able to be given jackets, then maybe a ruling should be that all Australian A Teams will receive a Green and Gold Jacket, but the other Teams be given the opportunity to purchase their earned Green and Gold Jacket.

As this was a once in a life time opportunity for me to compete at this level, I am very disappointed to represent and achieve a silver medal for Australia, and yet not qualify to received a Green and Gold Jacket.

**Annette Vassalini  
Member No. 54267**

To all at the Australian Clay Target Association.

When I arrived home on the evening of Sept 1st, and found my letter containing my 50 breaks badge in the post box, I was delighted, not just because you had taken the trouble to send it to me, but, it also reminded me of the brilliant time I had at the shoot and also the fantastic time I had in your massive country for over a month.

It may only be 5 months but it seems a long time ago.

May I take this opportunity to wish the Australian Clay Target Association every success in the future, and to all the staff and workers involved in the running of the Worlds, a big thank you for a well organised event.

Should any of you ever decide to visit Northern Ireland and I can help or assist in anyway, don't hesitate to contact me.

***Yours in clay shooting,  
Raymond***

Dear Your Say

I refer to Adrian Lloyd's letter (October 2006 ). It is disappointing when AA grade shooters forget that C and B graders are the future of our sport. If we talk about equality, then every shooter should have equal opportunity to compete for the same amount of cash or trophy. Essentially this requires handicapping. Does any one remember

handicap events when a C grade shooter on 11 metres could compete directly against AA grade shooters and win. The prize pools were larger too! That is how I came to enjoy our sport and remain to become an AA grade shooter with a DTL handicap of 24.5 m.

Under current DTL rules, with narrow angles and slower targets, we see an over abundance of common mark shooting, resulting in long shoot off between AA and / or A graders. They are boring for other shooters and add additional cost pressures, especially for small clubs. Why would a newcomer want to remain in our sport under such circumstances? How about a bit of variety for targets and results or should I take up field and game with my 5 boys.

***Phillip Luck  
Member 49450***

Dear Your Say

I refer to Adrian Lloyd's letter in Oct06 CTSN

I fully support the Grand Cash Divide method as detailed by Adrian. It's introduction into Clubs across Australia cannot come soon enough!

If Clubs continue to operate in the same manner (like water, taking the easy way out), and are not prepared to trial this method of shooting, then they have only themselves to blame for a lack of major incentive for shooters to improve their grades, resulting in a lot of shooters remaining in their grades because there is no reward for going up a grade.

Perhaps Michael Kruger-Davis would like to submit an article on why shooters lack incentive to improve themselves, while it is still possible for them to do so.

***Ron Russell  
Member 20085***

Dear Your Say,

I recently attended the World Championships in Croatia this July, and I feel that many thanks are owed that often don't get a mention. As a Junior, my trip was self-funded, so a huge thank you to the ACTA, NSWCTA, and SZCTA for providing kind donations.

*L - R Greg, Gleniss, Darren Et Nick*

Illawarra Gun Club, always supportive of Juniors also provided sponsorship and Cecil Park were generous in holding a great raffle for me. There are so many individuals to thank especially at my local gun club The Forest, who made many kind donations and offered so much support. I can't thank you all enough. At a team level, Greg Chan, Gleniss Lawrence, Nick Sanders and Darrien Roach are all just amazing; these guys never stop working! I don't know how they do it, but they are there for every single one of us. Thank you! And of course, thanks to all the Mums and Dads who get dragged across the countryside to watch and support their kids shoot. Lastly, I must thank those responsible for giving me the opportunity to continue competing at an international level, Junior Development is the future of our sport and I hope to see many Juniors benefit from it in I.S.S.F. shooting.

***Yours sincerely  
Emma Eagles

# CLASSIFIEDS

## RATES AND CONDITIONS

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$11.00 – 0-60 words

\$22.00 – 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

(a) the person is a licensed firearm dealer, or

(b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

(a) the licence or permit number of the seller,

(b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.

**Wanted:** "For Private Collection" Old Paper shot shells and 2 piece packets. Powder tins. Gun Shop Catalogues. Australian Clay Pigeon Shooting News before 1960. Shooting memorabilia. Will pay good money. Pay top money for two piece Packets. Ph Mick Ward on 03 5775 1652. Shooters Licence No. 437 647-40B.

**For Sale:** Beretta stock 682 trap 3 combs and 3 recoil pads. Very little use in excellent condition \$300 Beretta stock 682 left hand brand new \$200 Lice No 53037630A. Phone Alan 03 5941 1595.

**For Sale:** Baretta DT 10 Trap Gun, 32 inch tapered rib. Excellent condition. Serial No AF4050B. \$7,900 ono. Phone 0407 171 558 or 07 4667 3179. Shooters Lic. No.10115000-02

## CLUB NEWS

**KERANG** At the Annual General meeting held 13/09/2006 the following were elected: President Frank James; Vice President Chris Barker; Secretary/Treasurer Phyllis Epps; Assistant Karl Kesper; Handicapper Darren Pay; Ordinary members: Michael Schmidt & Darren Pay; Committee all present at AGM.

**YASS** The Annual General Meeting was held on Sunday 17/09/2006 and the following were elected: President Mathew Gerstenberg; Vice Presidents Ray Bayley & John Pateman; Secretary Paul Watchorn; Assistant Secretary Trina Watchorn; Delegate Paul Watchorn; Treasurer Narelle Pateman; Handicapper Mat Gerstenberg; Captain Mat Gerstenberg; Shoot Marshall Paul Watchorn; Publicity Officers Ray bayley & Chris Nyveld.

## Guns Galore at Sydney CTC Anniversary Shoot

As most would be aware Sydney Clay Target Club has it's 2 Day Anniversary shoot coming up on the 28th and 29th of October. Apart from the usual Model 10 Grade 1 Trap Guns, which will be awarded for the winners of Grade High Guns, Handicap and lucky door prize it is exciting to see two new shotguns added to the program.

The first shotgun, which we have added, is the Zoli Kronos U/O Trap Gun. This beautifully presented gun comes cased and features the Boss Style Action, removable triggers, high-grade stock and fore-end and fixed chokes. This smooth shooting gun usually retails for about \$5500 but will be offered to the winner of the Double Barrel event.

The second shotgun that we have added this year is the Miroku Model 10, Grade 6 U/O Trap Gun. This beautiful gun comes with high grade French walnut stock and fore-end, uniquely styled 24 carat gold Japanese engraving on the side plates, three Briley chokes, and a high quality Aluminium gun case. This gun usually retails for around \$6000 but will rewarded to the winner of the overall High Gun.

From all reports last years shoot had great targets and great scores shot and everyone enjoyed themselves. This year we are hoping to provide the same high quality targets and prizes with the edition of a Calcutta on Saturday night to be run by Glen Castellaro. Come and join in the fun, as you don't want to miss this one.

*Good Shooting  
Chett Auditore*

## Leigh Knight cleans up at Mathoura

Located 768km south-west of Sydney in the Riverina Region of NSW

Four full squads turned up at Mathoura on Friday night the 25th of August for the monthly clay target shoot. A better night for a shooting competition would be hard to achieve with calm mild conditions, good lights, and a good program on offer for the evening's shoot. Visiting shooter Leigh Knight led the way scoring the only possible in the 25 target Double Barrel main event, and after a one target shoot off in the 15 target Points Score with local member Tim Maher, collected first in that event as well.

Event 1 was a 10 target Double Barrel cash divide and two shooters ended up with the cash, both hitting 10/10. They were newcomer Steven Barry and local, Harry (snow) O'Connor. Event 2 was a 25 target Double Barrel Championship, with Leigh Knight taking out the Overall & A Grade sash and trophy. Snow O'Connor picked up B Grade with only one target down on 24/25, and after a six target shoot off between Shane Howe and Andrew Broadhead both local members, Shane ended up collecting C Grade with a 26/31 score.

Event 3, was a 15 target Points Score, and Leigh Knight was again 1st on a 47/48 score, T Maher on 46/48 picked up 2nd place, and Deniliquin shooter Jack Collicoat took out 3rd place with a 42/45 score. All shooters enjoyed a good night of competition, and were ready to travel home by an early 11.00pm.

# Dysart Gun Club Annual Carnival

Location 3hrs north west of Rockhampton in the Bowen Basin Coalfields

Saturday July 1st dawned a beautiful day, with perfect weather, no wind and the club grounds were looking terrific. Shooting conditions were perfect all day with the only thing lacking being the shooters. The trophy table was very impressive gaining admiring comments from all. 25 great shooters came to our shoot and most of the travellers camped at our newly cleared camping grounds right next to the clubrooms. Practice was held on Friday from 3pm ending with a delicious dinner. Saturday saw some excellent shooting and great meals amid a friendly atmosphere.

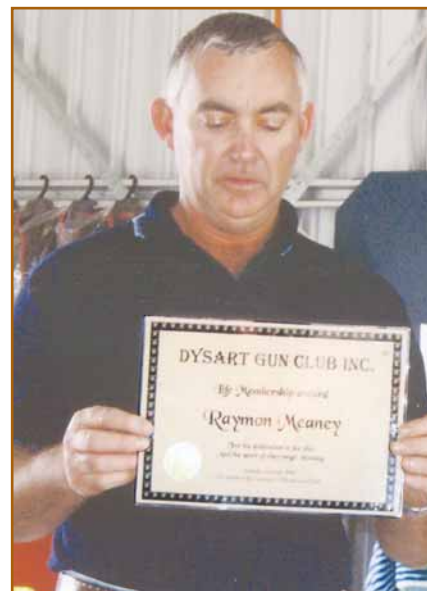

Pioneer Gun Club was well represented with 7 shooters travelling and camping. Other shooters came from Yeppoon, Emerald and Gladstone with our local club members working very hard to prepare for the week end and keep the weekend running smoothly. The set program ended early so this was a good time for some fun. All the non-shooting ladies, Juniors and beginners present were teamed with a shooter and proceeded to shoot at 20 pair Deauville Doubles with the winners sharing the cash divide. Everyone enjoyed the event and a lot of laughs were shared as the non-shooters tried hard to impress. Saturday ended with a scrumptious 3-course meal prepared by the ladies. Sunday was another perfect day and produced some good results. The shoot ended early and all travellers left in plenty of time to get home safely.

Before the presentations started a 'Life Membership' was awarded to Club Secretary

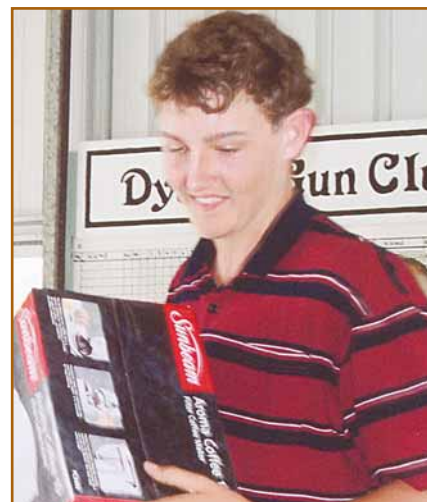

Ray Meaney for his dedication and commitment to rebuilding the Dysart Gun Club, volunteering his time and equipment to complete the job and have it ready to open in Feb 05.

Club President Eddie Bates presented the trophies and it was a pleasure to see one of our new Juniors Klay Parkinson win a 'C' grade event, his first win at a big shoot. Bryan McMillan won the Overall High Gun.

The Queensland Govt Gambling Community Benefit Fund has provided \$23,444.00 to the Dysart Gun Club to build a new trap layout including earthworks, trap house, lanes, electricity and the purchase of a new Gemini Trap and Voice Activated pull system. Since reopening the club, after a forced closure of 6 years, the Dysart club has been committed to improving and upgrading its facilities. By Feb 07 the club will have 3 DTL layouts and a Tower. With 2 Gemini and 2 Burton traps and 3 voice release systems. This will allow the Club to provide good targets enabling local members along with visitors to practice and compete on high standard equipment. A shaded play area is also being provided for members and visitors children. The new clubhouse provides a relaxing and friendly place for families to gather and enjoy their shooting. Bad language and behaviour is discouraged to encourage families to attend. It is hoped this policy will encourage some ladies to take up shooting. The Dysart Gun Club Inc. can be found on the Saraji Rd, 10km north of town and monthly shoots are held on the 1st Sunday of each month, starting at 10am

Ray Meaney, Life Membership

Klay Parkinson, C Grade

Scott Meaney

High Guns L. Rodden B Grade, B. Conning AA Grade, B. McMillan O/A, A. Gorlick C Grade, P. Bollan A Grade

# LOST!

## Annoying isn't it?

You have seen the chip, other shooters have seen it, but the referee hasn't. However, it happens and it's a distraction or sometimes even worse - an argument you don't want to have.

If this has happened to you, chances are you weren't shooting at White Flyer targets. Why?

1. White Flyer doesn't skimp on expensive binding ingredients. Our binding is designed to be strong enough to throw reliably, yet break decisively when hit.
2. White Flyer has led the market in the development of target breaking serrations<sup>(1)</sup> that ensure targets break, rather than chip.

The bottom line is, that as the world's largest producer of clay targets, we back ourselves with the world's largest R & D budget to ensure that what you hit, looks hit.

This investment in research and development has also resulted in White Flyer being chosen for the World's largest Trap, Skeet and Sporting events and in the development of biodegradable targets with benefits for shooter safety and club environments.

<sup>(1)</sup> Cross section of clay target serrations

### COMPARISON TABLE

	Corsivia	White Flyer
Made from petroleum pitch <sup>(2)</sup>	No	Yes
Breaking serrations to eliminate small chips	No	Yes
Available in biodegradable environmentally friendly compound	No	Yes
Available in banded (Orange Dome - Black Rim)	No	Yes
Worlds largest manufacturer (Over 1 Billion targets a year)	No	Yes

<sup>(2)</sup> The manufacture or use of targets manufactured from "coal tar pitch" has been banned or restricted in the USA and some European countries due to research showing cancer risk from handling and dust inhalation.
