Queensland Skeet Carnival at Tallawalla

15th - 18th September 2006

**Location: 836 km from Brisbane and
190 km from Rockhampton**

A perfectly sunny Friday afternoon saw 40 shooters turn out for the 50 Target State Handicap, the first event of the State Skeet Carnival at Tallawalla.

Laurie Selke Overall 50T Handicap Event

Errol Reeves shot the only possible of the event but was unseated for first place in the shoot off by Nigel Hughes who shot well under pressure, going in on wood. Results for the event: 1st Nigel Hughes 83/85, 2nd Errol Reeves 84/87, 3rd Frank Cooper 77/87.

Another squad was added to the competition on Saturday morning with 45 shooters arriving for the 100 Target Queensland State Skeet Championship. The vaguest afternoon breeze ensured that no possibles were shot, but Lorraine Hughes from Caboolture did the next best thing coming in with 99/100 to take out the trophy. Craig O'Neill, Mike Swale and Laurie Chelepy fought it out in AA grade, close behind on 98 apiece. Other shoot offs included Bevan Reibel and John Eckel in A grade, both shooting a healthy 96/100, with Pat Dury and Greg Mitchell shooting for second place in B grade. Final results for the Championship were: Overall Lorraine Hughes 99/100, 1st AA Craig O'Neill 136/138, 2nd AA Laurie Chelepy 135/138, 1st A Bevan Reibel 100/104, 2nd A John Eckel 99/104, 1st B James Laws 93/100, 2nd B Greg Mitchell 93/104, 1st C Brett Graving 87/100, 2nd C Frank Cooper 96/111. Vere Storch won the Ladies with 97/100 and Mick McGill took the Veterans also with 97/100.

A beautiful clear Sunday and three shooters came in with possibles in the hotly contested 50 Target Pacific Coast Championship. John King from Pioneer Clay Target Club proved too good for close rivals Craig O'Neill and Errol Reeves. Another shoot off for the Ladies trophy saw Lorraine Hughes inch past

Malcolm Bell 50T QCTA CZ Tallawalla Skeet Championship

to beat Vere Storch, both ladies dropping targets on station 5 to keep the competition going. Mick McGill also got the better of Mike Swale in their shoot off for second in AA. Nigel Hughes and Wayne Reeves dropped the same target in their shoot off for second in A grade, then went on to shoot an entire round before Wayne came unstuck on the same station. Results for this event were: Overall John King 69/69, 1st AA Craig O'Neill 68/69, 2nd AA Mick McGill 63/64, 1st A Errol Reeves 59/60, 2nd A Nigel Hughes 87/89, 1st B Pat Dury 48/50, 2nd B Henry Haythorpe 47/50, 1st C Paul Maloney 45/50, 2nd C Don Berrie 44/50. Ladies Lorraine Hughes 61/63, Veterans Neal Dimmick 48/50.

The 50 Target State Skeet Doubles Championship kept shooters on their toes with no possibles shot for the event. Craig O'Neill from Brisbane let only one get away though, coming in with an impressive 49/50. Mike Swale gave way to Laurie Chelepy in a shoot off for AA grade, while Glen Reeves snuck past Pat Dury in a shoot off for second in B. Brett Graving from Callide Dawson club showed his talent for this event by shooting a 43/50, then taking out Paul Maloney in a shoot off to win C grade - not bad for a first time doubles shooter! Multitaskers State President Wayne Reeves and Tallawalla Club President Bevan Reibel

proved that you can run a shoot and shoot well, both taking first in their grades outright. The end results were: Overall Craig O'Neill 49/50, 1st AA Laurie Chelepy 51/54, 2nd AA Mike Swale 50/54, 1st A Wayne Reeves 47/50 2nd A Vere Storch 46/50, 1st B Bevan Reibel 47/50, 2nd B Glen Reeves 45/54, 1st C Brett Graving 46/53, 2nd C Paul Maloney 45/53. Ladies Vere Storch 46/50, Veterans Neal Dimmick 46/50.

The top 15 shooters making the Open Postal Team were: Craig O'Neill 197/200, Mike Swale 197/200, Lorraine Hughes 195/200, Mick McGill, 195/200, Vere Storch 190/200, Laurie Chelepy 195/200, Wayne Reeves 192/200, John King 190/200, Errol Reeves 190/200, John Eckel 191/200, Harry Bader 191/200, Tim Dodds 187/200, Bevan Reibel 189/200, Glenn Walker 185/200 & Nigel Hughes 187/200.

The top 6 Ladies Postal Team were: Lorraine Hughes 170/175, Vere Storch 169/175, Debbie Young 159/175, Paulette Walker 149/175, Tracey Ashton 144/175 and Cherie Ryan 131/175. The Veterans postal team: Mick McGill 169/175, Max Barton 159/175 and Malcolm Main 125/175. A little disappointing to note that Queensland are again without a Junior Skeet Team this year, in fact not a single Junior attended the competition. This would be a great opportunity to introduce those up and coming young shooters to skeet, with the possibility of making the team and representing our state at the nationals.

Congratulations to all shooters selected for the Shoulder to Shoulder Queensland Teams. The final 5-person shoulder to shoulder open

team consists of Craig O'Neill, Mike Swale, Lorraine Hughes, Mick McGill and Laurie Chelepy. The 3-Ladies Shoulder to Shoulder Team: Lorraine Hughes, Debbie Young and Paulette Walker. The 3-man Veterans Shoulder to Shoulder Team: Mick McGill, Max Barton and Malcolm Main. Well done to Paulette and Malcolm for their first inclusion to the State Teams.

Team High Gun sashes went to Mike Swale for the Open Team with 62/62, Vere Storch for the Ladies Team with 24/25 and Mick McGill for the Veterans Team with 23/25. The Zone Skeet Team competition was won by the Northern Zone with a total score of 142/150. Northern Zone Team members were M. McGill 25/25, G. Archer 25/25, E. Reeves 23/25, J. Cameron 23/25, B. Bosworth 23/25 and W. Reeves 23/25.

The Overall High Gun winner and recipient of the 9ct gold Queensland badge, perpetual trophy, sash and cash award went to Craig O'Neill with an impressive score of 245/250 for the weekend. Craig was also the 2006 Queensland Skeet Champion with 205/208. Lorraine Hughes won the Ladies High Gun with an enviable 238/250. Fortunately the Hughes' travelled by road to avoid excess baggage with their swag of trophies. The Veterans High Gun was won by everybody's favourite Mick McGill, also with 238/250. The Grade High Guns were awarded to Mike Swale in AA grade with 242/250, Wayne Reeves in A grade with 239/250, James Laws in B grade with 224/250 and Paul Maloney in C grade with 217/250. Well done shooters, the Grade High Gun winners received state medals and shells donated by Winchester Australia.

A great time was had during the weekend at Tallawalla and thanks go to the Tallawalla Club for their hospitality and the huge effort they put in to making the weekend a success. Jim Storch is the resident trap magician

and Vere and Bevan made running the office and clubhouse a breeze. Vere also assisted many shooters with accommodation bookings, not to mention some great home cooking. Thank you to the sponsors and other helpers who do such a great job getting behind these shoots, also to Don, Wayne and Rick who kept things rolling smoothly. A quick nod too to the off-layout efforts: Rick Kennedy for the best brekkies in the Central Zone; Nigel Hughes for keeping the office staff hydrated; Neal Dimmick, Chris Larsen and John Eckel for carrying trophies and other paraphernalia to and from the grounds; Mike for his high-pressure raffle ticket sales and to Tracey for entertaining us all with her creative origami. I recommend a visit to the Tallawalla club anytime where you'll definitely be made to feel welcome.

Olympic Double Trap at Echuca

Location on the Murray River which forms the border between Victoria and New South Wales

October the 8th at Echuca Clay Target Club would have to be the worst day for wind that shooters have endured in a very long time. A strong south wind that became colder as the day wore on made top scores almost an impossible task. A tough event, Double Trap, at any time, but throw in the terrible weather and the inbuilt release delay, and it was a supreme test for the seven squads of competitors trying for a win on the day.

Steve Atkins OA & AA Olympic Double Trap

Echuca member Steve Atkins stood out from the crowd to take out Overall & AA grade in this Double Trap event, dropping only nine targets out of fifty and a full five targets ahead of another Echuca member Rob Viney, who shot the next best score of 36/50 to collect 2nd in AA grade. A grade was another all Echuca win, with Geoff Viney 1st on 33/50, and Joanne Kerr 2nd on 30/50, both local members, B grade 1st was Brad Harbor 27/50, and B 2nd Ian Phillips 25/50, C 1st D Watts 31/50, and C 2nd, Club president Ron Traill on a 28/50 score.

Event Two, was a 25 target Handicap, and first place without the need of a shoot off was a relatively new shooter, Kyle Bateman, coming up through the ranks, one down on a 24/25 score, 2nd place was collected by Alan Cole one more down on 23/25, 3rd Ron Russell and 4th was a local, Leigh Fitzgerald.

Kyle Bateman 1st Handicap

Geoff Viney OA & A 1st Double Barrel

Event Three, was a 25 target Double Barrel Championship, and after a 20 target shoot off, another local, Geoff Viney collected Overall & A grade 1st on a clean score of 45/45. A grade 2nd Steve Traill 28/29, AA 1st M Harbor 44/45, AA 2nd Rob Viney 41/42, B grade 1st Ron Russell 34/35, B 2nd Brad Harbor 24/25, C grade 1st was Glen Calleja 23/25, and C 2nd Simon Boyd 22/25.

An enjoyable afternoon of Clay Target shooting, only marred by the unpredictable trajectory of the targets in the gale force head wind, but certainly, eased by the smooth running of the shoot, the early finish time of 4.30pm, and the variety of food and drink supplied by the ladies committee.

Excellent attendance at 25th Crayfish Carnival

GERALDTON CLAY TARGET CLUB

Location 450kms North of Perth

With the arrival of caravans a week before the start of the 25th Crayfish Carnival we knew this was going to be a big shoot.

Warrick Simpson from Professional Investment Services & O'all winner Sox Pilipasidis

Shooters came from as far as Pt Hedland and Tom Price in the north and as far south as Esperance. Again, a great number of shooters came from the East. These boys from across the border just keep on coming year after year and always bring a few new faces with them.

A record number of 172 shooters nominated for the Friday afternoon competition and numbers increased to 188 for the Saturday and Sunday shoots. We had to ensure all the events were run smoothly and effectively throughout the weekend. "Thank you" to club members and visitors who helped to achieve this.

At the completion of shoot offs for Event 6 everyone settled in for the Calcutta Auction. Once the freshly cooked prawns were served the auction began, Nic Bailye our auctioneer again generously donated his time to the club. Due to the eager participation from everyone who stayed and took part it wasn't long before we had amassed another great total that was sure to make for a very interesting finish to the last event the following afternoon.

During the day's competition there was a collection tin going around for anyone who wanted to donate money for the removal of David Fox's beard as it was for a good cause. The money raised was a grand total of \$2227, which was donated to Juvenile Diabetes. After the auction was completed Bert had the honor of striking the first blow with the clippers, Emma Johnston gave the shave the finishing touch and there was Foxy, beardless for the first time in about 20 years.

Like Saturday morning, Sunday started off with the traditional breakfast cooked by Bert and his great team of helpers. They did an excellent job once again.

Event 9, was the 25 tgt Double Barrel Crayfish Handicap sponsored by Professional Fishermen Club Members. Crayfish valued in excess of \$5000 were the prizes for this event so shooters who enjoy crayfish had the incentive to try hard for their share of the booty. A junior who had only been shooting for a couple of months and had not previously shot a possible won the event. Not only did he shoot the possible but also held his nerve while having to walk back and forward in the shoot off. A great win, well done Louis. Interestingly as Louis has an allergy to seafood there was some brisk marketing of his prize carried out after presentations were completed.

1st Louis Chittleborough, 2nd Grant Spencer, 3rd Matt Shipp, 4th Bruce Starling, 5th Vince O'Brien, 6th Gerald Vandeleur, 7th Mick Watson, 8th Karl Green, 9th Alan Sexton, 10th Mark Yozzi. Ladies Cath Bickley, Juniors Braiden Harris, Veterans split Ray McDonald/Robin Bailey.

With the formalities completed the tables were put back so everyone could get ready for another of the Club's great dinners. The boys cooking the BBQ did another great job with the meat and swordfish, well done boys. The ladies excelled themselves again with the salads. Our ladies do such a fine job all weekend serving and preparing food that is equal to any restaurant around, thanks girls.

Thanks must go to Maxine Stuart for the great effort in buying and organizing all the prizes for the weekend. A special thank you must go to Ted Dickinson for his generously donated time taking photos over the weekend, especially at the presentations on the completion of the crayfish carnival. Also I must give a huge thank you to the visitors who helped out over the weekend. They were the first people to offer their help when needed. To our sponsor's a huge thanks, without them we would not be able to hold such a great 3 day crayfish carnival with excellent cash and prizes. Again the \$4000 cash jackpot did not go off, next year maybe.

Prior to the presentations the Club President called upon life member, Jack Hartley to present a Life Membership Badge to Eddie Toomey on behalf of the Geraldton Clay Target Club, well done Eddie. With the presentations and speeches completed it was time to wrap up another great Crayfish Carnival. Hopefully, there will be plenty more to come.

Thanks very much to the people who travelled from afar. You are what make the Crayfish Carnival so successful. I hope you all had such a great time that you will spread the word so everyone will come next year and experience our great Crayfish Carnival. So until next year good shooting and safe travelling.

The lotto syndicate purchased \$1260 worth of lotto and won \$1901. I then reinvested it and we won \$342 of which we had no winners so we will have to try again next year. We must be getting closer because that is the first collect we have ever had.

Psychological Skills for Shooting

by Michael Kruger-Davis

SETTING GOALS FOR 2007

I am often asked how I come up with the subjects for these articles, and my response is that the subject matter is not hard because there are heaps of things that happen around the traps I visit so finding material is not difficult. It also helps when people contact me by phone or mail and ask me about specific problems they may be having.

This month's article was an easy choice, because as you read this you will be getting prepared for 2007 and you should setting your goals for what you want to achieve next year. There were three other reasons why I chose this topic. Firstly, I have a good friend in Adelaide who will be returning to shooting from an injury and operation and I want to help set out a plan for her to use. Secondly, I have been asked, as part of my role as consultant psychologist with the Southern Sports Academy to present workshops to the Hockey, Netball, Basketball and Tennis squads, in December, on goal setting and preparing for the 2007 season. Finally, for my own benefit because I bought a new gun and I need to re-visit these fundamentals so as to improve my own performance.

In everything we do as part of our lives; sport, career, finance, relationships, health, education, etc we will achieve more and possibly achieve better results if we have set goals for ourselves. Firstly, the goals give us a target to work towards and gives us a reward that can be realized when we have achieved our goals. Secondly, they provide a vehicle from which we can plan the course of action we need to take. By this I mean that if our goals are being met we can move on to the next goal, or we can revise the goal or break it down into smaller steps if we are unable to achieve the results we desire. Thirdly, our goals give us an outcome to measure our performance/learning against.

Using our goals to evaluate our coaching program is a necessary part of making sure we are moving forward.

There are eight basic rules for goal setting:

1. You must like your goals. Your goal must be something you want to achieve.
2. Your goals must bring to life some aspect of your vision. This is vital; Businesses and government departments have vision statements and they are usually on display when you walk in the foyer of the company. It is an expression of what the organization wants to achieve and it is displayed so the consumers can see what the company is striving to achieve. Athletes also need to have a vision to work towards.
3. There needs to be a connection between this goal and other goals. Goals need to work together to achieve the vision. Goals that are unconnected do not provide continuity or consistency and may not be working towards the common good; your vision.
4. Your goal should express your potential. Your goal, which is focused towards your vision, should express what you are able to achieve. You should be striving for a personal best or improvement on what you can already do.
5. Your goals need to be unique, innovative and creative so that life is just more than hard work. This is really important for sport. Because you are doing something to improve a leisure activity, keeping it different from what we perceive as work will keep us focused.
6. The goal should help you gain recognition. Goals are designed to improve and maximize your potential, so meeting your goals and achieving personal best performances, should help you get noticed by others, selectors, coaches, etc.
7. You must be committed to make it happen. Commitment is necessary for achievement. Some goals may be met by chance error or by accident but usually they require effort and commitment.

8. It must be fun. If you are having fun you'll learn and achieve better results and the task will not just seem like work.

Goal setting is easy: take four pieces of paper and on top of the first page write Lifetime. Now under subject headings such as sport, education, health, finance, career, relationships, etc write down three things you want to have achieved throughout your life. Where do want to be when you retire from your career or sport. Be as ambitious as you want, they are your goals. When you have written these goals turn over the page and do not look at it again.

On the next piece of paper write Five year. Under the same headings write down where you want to be, what you want to have achieved in five years. When you have done this turn over the page and do not look at it again.

On the next piece of paper write This year. Under the same headings write down where you want to be, what you want to have achieved at the end of this next year. When you have done this turn over the page and do not look at it again.

On the next piece of paper write monthly. Under the same headings write down what you are doing now. When you have done this turn over the page and do not look at it again.

Leave your goals for twenty four hours and then review them and put them into some priority. When reviewing them it is important to make sure that there is a link; that is, is what you are doing this month, helping you achieve what you want to achieve this year. Is what you are doing this year helping you achieve what you want to achieve in five years and is what you are doing to achieve your five year goals going to help you achieve your lifetime goals. Remember you can do this exercise as often as you want, because your circumstances may change and there may be a need to review your goals regularly.

Shooters started arriving about 9.00 and Noms began immediately. After a bit of practice shooting commenced at 10.15 with 5 & 1/2 squads nominated. Competition was fierce right from the first shot fired and was hot all day with leaders changing in all grades as the day went on. Some early leaders fell by the wayside with the last round of 25 tgt Pts sorting the men from the boys.

After the final round, there were clear winners in all grades except AA which saw Ray Turner, Kevin Harding and Ted Schneider equal on 142. Kevin was the one to drop out with Ray and Ted staying for the fight. Ray eventually being the winner (167). B grade was close with Wolf Reichmann (119) winner by 1 tgt over Chris McDowell (118). C was a comfortable win to Ben Marjoram (125) over Frank Petsch (116) Vets Roy Warren (135) over Russ Wesslink (133) Only one nomination in Juniors & Ladies saw Shane Westbury take Juniors (109) & Shana Reichmann the Ladies (56) having only shot 3 rounds due to injury.

As Ken Gibbon was famous for his second barrel shots a special prize was awarded to Phil Consalvo, for the longest & lowest second shot of the day.

Tyagarah C.T.C wishes to sincerely thank Richmond River C.T.C for the use of their grounds and the assistance given by their members to us to help the day go smoothly. Much appreciated thanks also to the various family members of Tyagarah who gave their time to run the kitchen, sell raffle tickets & fill the gaps where needed. Without these people these days could not be run so successfully.

Boxing Day 2 Day Shoot Cash Formula

Graded Cash Formula

- Purse \$12.00 x No of Competitors for Evt 1 and Evt 5
To Cash formula for each grade

Eg: 144 Competitors x \$12.00 = \$1728.00
O/A Recieves 20% Cash Pool = \$345.00

Remaining Cash Pool \$1383.00 ÷ No of Competitors

Eg: \$1383.00 ÷ 144 Competitors = \$9.60 per Competitor
in each grade

O/A - \$345.00

AA - 45 x \$9.60 = \$432.00 1st 60% = \$259.50

2nd 40% = \$172.50

A - 40 x \$9.60 = \$384.00 1st 60% = \$230.50

Dear Your Say

I enjoy reading the differing opinions on the comparison of nomination fees versus trophies/cash prizes, but the last letter sent in by Adrian Lloyd (October 2006) really got my hackles up, so here and now I decided to have my say as well.

Let's deal with the promotion of Clay Target shooting first.

What a way to present OUR sport, quote "AA Winner has to work a bit harder than the C Grader". One could take the meaning that the C Graders don't sweat the big time trying to win or improve their grade. Mate, I have been to shoots where in some events only the C Graders had a shoot off. I know from experience, being a C Grader at the time.

I have to admit it has taken me some 18 years of being a member, (enjoying the sport, being disappointed even though I tried, gave up for a while, made some sincere friendships along the way) to finally crack into B Grade and now I have to try a lot harder if I want to win in my new grade. So I figure I work every bit as hard as an AA shooter.

Perhaps it might be advisable to mix with the lower grade shooters and source their feedback before you make bold statements that may just make the lower grades feel like we are a necessary evil to the future benefit of the sport and to subsidise AA Shooters' trophies.

As for the perspective of "get back what you put in" - I agree with the Graded Cash Divide basis. If one tosses the figures Adrian quoted, I don't quite figure how C grade has a pool value of \$27.90 per shooter and the other grades have \$20.40 per shooter thus having a pool value of \$565.80 (versus \$550.80)

All things being equal, if the each shooter has the same value of \$20.00 (example only) and the number of shooters are reversed i.e. AA 2, B 3, etc using Adrian's example then the C Graders have a fair chance of winning a decent prize pool, simply because of the number of shooters, not because of their skill base.

And yes I have heard all the arguments about the prize pools. I would like to add another perspective and you tell me how fair this one is in your opinion.

I am a Lady Shooter. Yes, we do get reduced noms in most shoots. But how about the Ladies High Gun?? I have won an odd one or two, but only because there were no AA Lady Shooters. Why don't I just give a donation to the AA Lady Shooter if one shows up at a shoot? But hey, I can work hard, pay my noms, have a go and see if I can shoot better and maybe just one day.

I could take this discussion even further to the point of being ridiculous, from a lower grade shooters perspective - when nominations for a shoot are calculated by the Club the cost of the Overall High Gun, (usually of considerable value) is obviously incorporated. Why should the lower grades (who know they have Buckleys' chance of winning an Overall High Gun) subsidize the

A and AA shooters for that trophy? (Unless there is a silver fox in the camp).

It is nice to go to a club where the value of the trophies is secondary to the actual satisfaction of winning an event. Strange how the profile of shooters is very different compared to those shoots that have expensive trophies.

However I must say, all this debate does not reflect on material trophies presented those shooters winning in their grades. I have yet to attend a shoot where lower grade winners are given a trophy of lesser value than the higher grades and hope I never see that scenario change.

It's all about money and sportsmanship and "Ne'er the twain shall meet".

Still, that's like paying Registration Fees and starting another hot debate about what we are really paying for - fiddlers of the rules?

That's Clay Target Shooting - You win some, You loose some.

Dear Your Say

After having discussion with many shooters that attended Wagga National ground, since Mattarelli traps were installed, I am convinced that they are not being adjusted in a way that gives a shooter consistent regulation targets. The problem is that because the traps are fixed at different levels they cannot be accurately set at 10 metres. They should be set at 18 metres so that they become more accurate. At the moment they vary from left to right in height and could also be varying in speed. Our rules say that targets can be set at 18 metres so it is not a problem to change. I request that this problem be attended to immediately as scores have suffered, and shooter numbers have been reduced. You may not agree with that comment, however, I can assure you that this is happening.

Due to my interest and participation in our great sport of clay target and I am disappointed that this problem has been with us for almost a year and has not been addressed.

S.O.S (Save Our Sport)

I am writing in support of Dustin Clay's "In the Trenches" article in the November magazine.

This new Australian International Shooting Limited (AISL) selection criteria will do nothing but turn any new ISSF shooters away from our sport. To receive any funding to compete overseas for 2007 you must have performed in 2005 & 2006 plus shoot an unrealistic qualifying score at either the National Titles, Australia Cup or the NSW & Victorian State Titles.

The qualifying scores are as follow. Men's Trap and Skeet 121/125, Ladies Skeet 70/75, Ladies Trap 69/75 & Men's Double Trap 140/150.

At the past SIX National Titles the 121/125 in Men's Trap has only ever been achieved by 3 shooters. Adam Vella has done it once from 15 events competed in, Michael Diamond twice from 9 events and Jeff Tonna twice from 17 events. Remember Adam and Michael have both been ranked #1 in the world during this time, yet have only shot 121 or higher 3 times out of a possible 26 events between them respectively. Ladies Trap score has only been achieved twice in 6 years, once by Deserie Baynes and once by Susie Trindall. In Men's Double Trap the only shooter to have shot 140 is Russell Mark who has done it 3 times from 17 events.

The above clearly shows how unrealistic the qualifying scores are. To shoot a high score in ISSF is one thing, to be told you must shoot a high score is another thing altogether. Setting higher qualifying scores to make the team is not the magical answer to improving our shooters and is not good for the future of our sport!!!

The number of ISSF shooters in this country aged 21-27 who consistently compete at ISSF events you could count on one hand. Isn't this the age group we want to encourage shooting our disciplines, as they should be the next contenders to come through the ranks and be pushing for selection in Olympics, World Champs and Commonwealth Games teams?

We have had so many juniors come through that as soon as they turn 21 give the sport up. Why??? Because for a number of years now the AISL (ASA as it was back then) have only been interested in the top 3-4 competitors in each discipline, anyone else they didn't want to know about. Next year they have finally put in place a Youth Group Development team aged between 21-25, but have set the qualifying score higher than last years OPEN qualifying score PRICELESS. It gets worse the poor juniors (under 21 years) have not been told their qualifying score yet for next year, they will be told AFTER they have shot.

I know of at least a squad of shooters who would regularly feature in finals at National Titles have cashed in their airfares to the Australia Cup in Canberra and some even for the National Titles in Brisbane. I believe this will become a common theme at our big ISSF events. It is inevitable numbers will drop off at ACTA run ISSF events such as State and National titles because of the AISL's stupidity. Again I ask how can this be good for our sport???

Our sports main object is about breaking targets, whoever breaks the most wins. Let's go back to first past the post, whoever breaks the most targets makes the team. The same people will still make the team but it gives everyone an equal chance and that's all we are asking. If a new shooter makes the team then good, they deserve their spot. It has worked for years in DTL for the Macintosh and State teams and you never hear any arguments as it is simple, if you missed out on the team you didn't hit enough targets!!! Events such as swimming and running are selected in this fashion, why should shooting be any different??

The following excerpt of quotes was taken from an ISSF newsletter "24 Grams" that was recently published in New Zealand, who up until recently had an unrealistic selection criteria similar to ours that almost destroyed ISSF shooting in New Zealand. "Australia produced more consistent international competitors and had more depth when they had a very open selection policy that encouraged more people to have a go. When Russell, Michael & Adam retire, Australia is going to become an easy beat. Let's hope someone over there wakes up quick."

Let's hope indeed!!!

Dear Your Say,

Reading the article "In The Trenches" finally people are seeing what we had foreseen and brought up at the 2006 Nationals. Something really needs to be done and soon. Our sport has really gone backwards since the death of Graeme Michell. While Graeme was in charge we had results. He always sent full teams to all world cups, gave everybody chances and got results. The officials will tell us now that there is no funding to do that, but Graeme always came up with extra funding through hard work. All our top shots came through the ranks while Graeme was alive, why did we have to change a proven system. I totally agree with Dustin Clay that we have gone backwards. We were also

told that we were going to elect our own shooter representative, so that we can have input in our sport, this hasn't happened. As with the officials not being present at our important shoots, according to Dustin Clay, we skeet shooters haven't seen them for years, except at presentations. ACTA should listen to their members, if our sport is to survive and prosper. I am sick of the goal posts always being moved around, not knowing whether you made the team or not. Always seems to be moved to suit a couple of shooters. These shooters should not be protected, if they are good enough, they will stay there, if not, we will have better shooters coming up as Dustin Clay says, are you FAIR DINKUM?

Dear Your Say

I have waited patiently for anyone (especially an administrator of our sport) to respond to my challenge in the March Journal asking the question 'how can a competitor who finishes in 2nd place in their grade to the O/All winner (the champion) in a graded event can claim first in that grade' answer, dead silence.

I am pleased to read that there are other members who are also concerned and have expressed their opinions. The more debate there is could lead to change occurring. Thank you Arian Lloyd for agreeing with me that the only equitable way of distributing prize money funded out of nominations is for each grade to have their own prize pool.

'Bottom Line' - Any other donated trophies be awarded at the discretion of the sponsor as an addition to their grade prize.

End of story.

Riverina Ramblings

**The adventures of a couple
of ordinary blokes in
the Eastern Riverina**

Part 1

It is Saturday arvo, AFL/NRL Grand Final weekend, which just so happens to coincide with NSWCTA State Title shoot at Wagga Wagga and the phone is ringing. "Giddy" say I, it's the Yard Boy. "Where are you, thought you were coming up after work to shoot some practice for tomorrow" "Sorry mate, knocked off too late and then watched the footy, bloody good game" says I.

Pee Wee who was staying at his outlaws in Wagga, had shot Champions on Friday, the Double barrel and Single barrel on Saturday, and apparently hadn't done much good for the following, it was either (a) too windy, (b) the birds were low, (c) high, (d) uneven, (e) the bloke next to me kept missing, (f) there was a fly on my barrel, or all of the above. Yep I reckon that I have heard 'em all and I have invented a few new ones all of my own. Anyway back to the story at hand.

The Illustrious one goes "get up here by 9.00 am, we'll meet at trap 1 and shoot some practice before we squad up." "Yep, righto" says I. So I arrive about 9.05am and here it is pacing back and forth just champing at the bit to blast a few. "Come on mate, fire up, get the gun and lets get into a few" is Pee Wee's opening line. To borrow a phrase from the Crocodile Hunter "Crikey", the Pee Wee is pumped" I am thinking as I greet Gary Burton and Darryl Hunt whilst doing as I am told, getting a vest on, some Star Teams out of the shell safe before grabbing the mighty Silver Action out it's box.

Pee Wee has got the vest on, has a pocket full of \$180.00/case B&P crackers (for practice mind you), has polished the new prescription lenses and then opened the boot to find that the exotic lady is still out at the outlaws, no gun, no fun as they say. Nearly died laughing. Pee Wee jumps in the Commode and tares out the gate heading to the outlaws to retrieve the mistress.

Gary and I strolled out after we stopped laughing, shot a few practice targets and had a chat, another laugh and general catch up with mates not seen for a while, what a wonderful sport this is. Anyway about an hour passes and the points are well underway and we have not seen the Pee Wee and we are yet to squad up. The decision is taken, we will squad up including Pee Wee so Michael Elms, Gary Burton, myself with the Anointed ones card squad and ask if we can squad late to give Pee Wee as much time as possible and finally as we are getting ready to go out as squad 38, it arrives sans gun. "@\$%\$#@ no one is home, they have gone shopping, I can't break in F@#\$" you could imagine.

Gary working on his old Scouts theory, has his old 682 in the boot as well as his current shooting iron, a Perazzi, in a gesture I am sure I would never make, gives Pee Wee the Perazzi and the adjustable comb spanner and decides to shoot his old 682 himself. This was a selfless act and when Gary stands before the maker and Saint Peter is weighing the virtue against the sins this boy has got a gold plated "go straight in son". I mean this is the State Carnival; the second biggest shoot on the NSW calendar after the Nats and Gary Burton a competitive AA shooter gives up his gun to another bloke. We couldn't change squads, couldn't share the gun, we were out of time, and out of ideas.

It was a grand carnival, some damn good shooting, great company, but I am sure others will cover the details.

Got to be honest, I am still chuckling to myself. Good on ya Pee Wee, you are a legend. Good on you Gary Burton, sportsmanship like yours deserves to be written in stone.

***Cheers, keep knock'en chips off 'em
Chris Levitzke***

Part 2

Pee Wee says, "yeah mate, ahh, don't reckon I can go, I ahh, ahh, have got business in Canberra and Melbourne and wont get back in time for a shot". "Here we go again" I am thinking, "fair enough" says I. Off I trot to Wagga to smack a few birds and listen to some more tall stories from the Brethren. Get home and the child bride chirps up and says "I was talking to Jan Whitlock at the supermarket this morning and she was really happy that Pee Wee was staying home this weekend to help in the garden" and why can't you stay home and do a bit round the yard. "MMMMM great" I think. Better nip this in the bud straight away. "Talking to your Dad and apparently He and Col Dunn went to Warracknabeal for a shot today, did all right apparently". 15 all, on that exchange. Crickey, with mates like Pee Wee who needs enemies. Reckon I should call him "Yard Boy" from now on but more on the anointed one later.

Whilst up at Wagga for the monthly Downside club shoot I had the privilege of having a trap shooter of vast experience shooting off lane 5 beside me. Many would know Wilson Ronald and those who don't, just look up "gentleman" in the Oxford dictionary and there he will be staring out at you. Wilson has probably the original Keman trap gun imported into the country. He has shot it for many years and it crapped it's self the other day so over he trots and pulls out his Keman sporter to complete the days shooting with and it was the "Italian Thunderbolt" for me, yep love at first sight.

I have no idea what it cost, and Wilson being a gentleman, well, he doesn't kiss and tell. A lot would be my guess and money well spent. I have never shot anything like it. Even Pee Wee doesn't own a gun like this bit of kit and he's as partial to exotic firearms as I am to good single malt whiskey. DAMN it's a nice gun, just built for shooting double rise.

Michael Kruger Davis renowned skeet shooter and current C grade State title holder and I took a run down to see the Master stock maker, Kevin Wright. MKD has invested in a new Peman or Kerazzi or some such thing and not anyone but his wife and children care (it was their money after all) the only problem was that he couldn't shoot anything with it. So it was necessary to make a run down to Ballarat for a tweak. I thought that I might as well take the 682 down for a run on the assumption that at worst it couldn't make me shoot any worse.

What an eye opener for me. I have been shooting for around 18 months and go from Rooster to Feather duster continually, will shoot AA scores for a couple of shoots then shoot appallingly, that bad on occasion I despair and it's only the thought that if I give it away, I will have to join the "Yard Boy" in the backyard that makes me continue. I have, however worked out that a bad day on the range with the Brethren is better than knocking up raised flower beds for Rosie the Cavalier King Charles to dig up.

Wrighty said to the pair of us "put the gun up" which we did and Wrighty just re-oils a stock he is working on and tells us some stories of years past when he was working in the good 'ole USA and then he said to me, "you have trouble with straight away and gentle right quartering birds, right". I was gob smacked, thinking how could he have known that from looking at me hold and mount the gun for a couple of minutes. Anyway a bit of a grind and a new pad, I go

home and win the Handicap the following weekend. MKD got the High Gun at Albury before going on to his preferred Skeet events. So I have come to the crashing realization that the gun has to really fit and that near enough just won't cut it in this sport, everybody else probably already knew this, pity my coach didn't. Yep the "Yard Boy" has a bit to answer for. Oh yeah, it probably helps if the person doing the fitting knows what he/she is doing.

Wrighty made a point that I thought was really interesting from a DTL point of view. He said forget stance and weight distribution from front foot to back, he said that will sort it self out. He said coaches need to get the basics of how you hold a gun correctly and that the gun needs to fit in the first place. He reckons we get involved in too many things which distracts us from shooting clay birds; that after all is what we are there for. Wrighty said you can only concentrate on a couple of things at a time. I don't doubt that he is correct in this.

The "Yard Boy" went to Griffith for the weekend to try his hand at the annual Casella Wines two day shoot and came back saying that it was one of the best shoots that he has ever been to and that he had a great time. Shot OK, in Pee Wee language that probably means if it flew, he shot it and then choked in the shoot off.

Reckons that the prawns and Oysters were a treat and were worth the cost of the subs alone. Now anyone who has like me sat around and watched Pee Wee eat prawns knows that it is very important to keep your hands away from his mouth as the loss of a digit is a real risk. For him to say that he thought that it was good value must mean that there were buckets of Tiger prawns on offer.

It's Your Call

No. 12

By
Bill McCarthy

You are refereeing a squad where a predictable and possibly normal number of targets are thrown broken. You naturally rule "No Target" in each instance and proceed with the shoot.

A squad member calls for a target which is released broken. You call No Target.

The shooter then calls for another target but has not put his gun to his shoulder or made any attempt to prepare to shoot at the target. A legal target is released. He obviously has called for the target just to "have a look at one".

What do you rule?

IT'S YOUR CALL

If you ruled "Lost Target" you would be quite correct. Sounds a bit tough doesn't it.

Under Rule GRTS 5 (b) (vi) a shooter is not entitled to see a target unless he has received two broken targets in a row. This shooter has received only one broken target has ignored the Referee and taken it upon himself to view a target that he is not entitled to view. This seems to be a frequent occurrence with our voice release systems and there have been instances of shooters calling for 3 and even 4 targets without reference to the Referee. If the shooter had been particularly concerned about the targets he could have asked the Referee if he could see another. Whether the Referee would grant his request is another matter. In view of the requirements of GRTS 5 (b) (vi) it does not give the Referee a choice in the matter unless other extraneous conditions are obvious. Therefore, in any case, the shooter is not entitled to take it upon himself and call for a target without the authority of the Referee. However, good refereeing practice would dictate that the Referee warn the shooter that the next incidence of this nature will be called a "Lost Target". He would also ensure that the squad was fully aware that provisions of GRTS 5 (b) (vi) would be applied henceforth.

GRTS 5 sets out quite clearly when and where targets are to be shown by Referees. Most shooters are very familiar with the common ones. It seems that lack of knowledge of the section on broken targets can cause this misunderstanding.

We have had instances where shooters have claimed that they were refusing the targets under GRTS 17. However where a shooter has not closed his gun or mounted it to his shoulder he is certainly not in a position to claim a refusal under GRTS 17.

The rules regarding entitlements to be shown a target are quite specific. It is up to all shooters to familiarise themselves with these rules to avoid unnecessary conflict and embarrassment.

Narromine Clay Target Club held the fifth Robert Handsaker Narromine 100 on 23rd September at the club grounds in Macquarie View Rd.

Matt Rae & Joshua Player Overall 1st

The 100 Target D/B Handicap was held over four Quarters. A field of 56 attended, with visitors travelling from the many surrounding clubs, but some from as far as Moree & Camel Hill. Competition started at 9.00am

Stuart Boydell Namoi Cotton & Josh Newbigging 2nd quarter

Frank Seve & Simon Richards 3rd & 4th Quarter

with a little too much breeze making targets difficult. The 1st Quarter was won by Bradley Niven, with Josh Player coming second. The wind then seemed to settle and more were able to score the possible. Local Junior Josh Newbigging claimed the 2nd Quarter from Ian Piddington. 3rd Quarter was won by Frank Seve, Tony Norris 2nd. The final Quarter was hotly contested with 7 shooting off, Luke Kirkby was the winner with Peter Fitzalan following.

Overall winners were 1st Joshua Player 124/129, 2nd Michael Heywood 123/129, 3rd Peter Fitzalan 97/103, 4th Terry Brind 114/120, 5th Robert Fulwood Hosking 113/120 & 6th Errol Tucker 109/117.

Special thanks must go to our sponsors on the day as without them we would not have been able to offer the \$1,000 for Overall 1st and other prize money: Robert Handsaker Ford (Narromine), NM Owen Pty Ltd (Albert), Chesterfield Australia (Dubbo & Warren), Inland Petroleum, Namoi Cotton, Frank Cross Tyres, Rebel Ag (Trangie), Orana Aviation (Narromine), Incitec Pivot, Narromine Auto Electrical and Air Conditioning, Narromine AGA & Peppercorn Motor Inn (Narromine).

It was good to see the

working bee on the Friday so well attended to prepare the club for the shoot, thank you to all those members. To the ladies who provided and served food throughout the day lead by Dot Rae & Sue Heywood, your efforts were very much appreciated.

Thank you also to Anna Newbigging & Susie Rae for helping with the office work on the day. Without the tireless work of all, the day would not have run so smoothly.

Hope to see you again at our next Shoot.

Cobar Clay Target Club, 18th, 19th and 20th August 2006

Located in the centre of New South Wales at the crossroads of the Barrier Highway and the Kidman Way

The Committee and members of Cobar Clay Target Club again had the ground and club looking great for our big weekend.

We had received some tremendous support from sponsors especially our Gold sponsors Coates Hire who again provided the excellent lighting, as well as some extra chairs, tables and a generator (just in case), Lockaway Safes for the great safes used as trophies in the Double Barrel and Linatex who again sponsored our overall High Gun. Our Silver sponsors were Milperra Marketing-Express, Caltex Energy, Cobar Bowling and Golf Club, Cook and Black Automotive, Cobar Blue Team, Corsivia Clay Targets, G&L Jones - One Steel and Sundowner Motel Cobar. We also received support from Budget Car Rentals, Burgess Supa IGA, Casella Wines, Cross Roads Motel, CSA Mine Cobar, Doumani Bros Retravision, Empire Hotel, The Hawkins Family, Hiway Motel, Sullivans Mining and Hardware and the Shooting Zone.

Practice was available from 2pm Friday afternoon and plenty of visitors and locals took the opportunity to have a practice before competition began.

6.30pm Friday evening and shooting commenced with 110 shooters contesting the 30 Target Far Western District Cobar Bowling and Golf Club Night Points Score Championship. While the Double Barrel Shoot off continued the rest of us enjoyed happy hour. This was followed by an excellent meal and wine supplied by Cassella Wines and the Calcutta. Our auctioneer did a marvellous job and the Calcutta ended up being worth just over \$10,000.

Sunday morning was again a fine day and the breakfast cooked by the kitchen staff again proved popular with shooters. First up on Sunday was event 6, the 30 target Far Western District Coates Hire Single Barrel Championship and 180 shooters were nominated. At the presentations, the Club's President, Bryan Manns, expressed the appreciation of the club to all their sponsors. Bryan also thanked all 180 shooters for attending our 31st Annual Golden Clay.

The Committee and members hope everyone had a safe trip home and we look forward to seeing everyone next year for our 32nd Annual Golden Clay shoot. The Committee has also taken on some of the suggestions from our survey results and while topless barmaids are not going to happen we are planning on upgrading our camping facilities.

Wangaratta Clay Target Club held their annual 2-Day Trap Shoot on the weekend of October 21 & 22, 2006. Although the numbers were down on last year, all had a good time; the weather was especially kind apart from the stiff breeze on Saturday. The Vine Hotel supplied members and visitors with an excellent BBQ meal on Saturday Night and the use of the beer garden. The free bacon and egg breakfast on Sunday morning was also well received.

Saturday saw 11 possibles for the 1st event which was the 20 Target Graded Cash Divide Double Barrel event.

MICK SMITH CUP

Location: 1hr north of Sydney

Fine weather, great targets and a healthy roll up of shooters travelled to Newcastle Lake Macquarie CTC to contest the Mick Smith Cup.

The Mick Smith Cup is a highly prized trophy at the club (first shot for back in 1994) and was again held in conjunction with our 2/day Novelty Field Competition 26th & 27th August 2006.

Last years winner Daniel Baskerfield was back to defend his title and he proved extremely hard to beat. He started the day with a 23/25, then a 50/50 and finished with a 24/25. Daniel, shot 97/100 and was the Overall winner of the Cup, great shooting and a pleasure to watch by all.

Craig Brown never one to give up shot extremely well also and finished the day on 94/100 (including rounds of 24/25 & 25/25) and took out the AA grade prize.

Local hotshot Kevin Raymond put in a top performance to claim 2nd in AA with a very respectable 90/100. Andrew Garvie, a long time supporter at Newcastle dropped a few too many "easy" targets in the top grade to challenge the leaders but was a worthy winner of the 3rd place trophy shooting 88/100.

The A grade winner is a young man who's name is starting to appear regularly in the winners circle, Russell McCloy, a relative newcomer to the sport, who is still able to shoot as a Junior, shot a superb score of 95/100 just 2 shots behind the overall winner. This boy can shoot, keep your eye out for him next time he visits your club. Doug Brenton and Graeme Hayes tied for 2nd on 86/100 and after a toss of the coin Doug was declared the winner. After a couple of days setting up and packing up Haysey could shoot no more.

A big thank you to the team of workers who set up a great course, which gave all levels of shooter a real chance of hitting targets that were both challenging and interesting.

Rod McCloy, (young Russell's dad) shot a solid score of 78/100 to win B grade.

Nello Korlevic

Russell McCloy

Ted Wright working hard in a shoot off just managed to hold Amanda Condran at bay for 2nd place. The C grade prize went to Nello Korlevic. Nello shot his best score of the day in his last round just beating Terry Donnelly by a single target for first place. Neil Bates came in third.

Veterans are a hotly contested grade with some top scores still being shot by the elder gentlemen of the sport. Bob Clifton 88/100, Roy Johnson 79/100 & John Diamond 77/100 were the winners. The Junior placing's were 1st Sam Sweeny 87/100, Tegan McCloy 2nd (yes another in the McCloy shooting family) and 3rd Ben Hayes. These kids are shooting really well.

It's worth noting the support the club gives to all Juniors with a

substantial reduction in nominations at all events, so bring them along, we would love to see them.

The club would like to thank our very generous sponsor Michael and Howard Smith from Mick Smith's Gun Shop for the great trophy's and medallions provided for the shoot. Your sponsorship is highly valued.

Saturday saw the running of the Toronto RSL Cup, and competitors were treated to a top layout of targets and fine weather.

The competition got under way and as the scores started to come in Craig Brown and Greg Condran took an early lead. Greg held top form all day shooting a fine 95/100 to take the Overall prize and the RSL Trophy. After the shoot off, Craig Brown was able to just edge out Kevin Raymond for 2nd AA grade with a combined score of 103/111. Watching those guys' shooting was a real pleasure. They just seem to have so much time, smashing targets seemingly at will. Great stuff. Bob Clifton, shooting as well as ever on 901/100, lifted the A grade trophy just ahead of up and coming Junior Russell McCloy. Russell shot a solid score of 86/100. Doug Rose took out 3rd after a shoot off. B grade winners were Rod McCloy 86/100. Great to see Rod, (father of Russell & another Junior shooter in daughter Teegan) win a few cartridges. I'm not sure who will get to fire them off as Rod travels around the countryside with the kids in toe. Those kids love to shoot. 2nd place went to Rod Ward on 81/100, and Amanda Condran, taking 3rd. Nello Korlevio on his first trip to Newcastle took out C grade adding to his list of trophies for the weekend. Troy Suann shot well to finish in 2nd and Wildon Starkey placed 3rd after a shoot off.

The scores for the 2 day High Guns were excellent testament to the fantastic targets presented. Overall winner on an excellent score Craig Brown 186/200. AA grade went to Kevin Raymond 193/211 after a memorable shoot with Greg Condran. Young Russell McCloy proved too good in A grade winning with a score of 181/200. Rod McCloy 162/200 took home the B grade trophy adding to the 'McCloy' trophy haul for the weekend (lucky you brought the trailer Rod). Nello Korlevic enjoyed his weekend taking home the C grade trophy, leaving the 'old' master Bob Clifton on a great score of 178/200 winning the Veterans prize.

The committee thanks all the club members for their support in putting on this event. To our great supporter and sponsor Mick Smith's Gun Shop thank you very much, and to all the shooters who travelled to and support our club thanks for coming and we look forward to seeing you again.

DENI SHOOTER WINS AT MATHOURA

Deniliquin member Bruce Cook led the four squads of shooters in the main two events at Mathoura Gun Club's September Shoot.

Bruce Cook with President Roger Kerslake

With the weather doing all it could to make clay target shooting difficult, Bruce managed to record a clean score of 25/25 in the Continental event, giving him an outright Overall & A grade win, in an event where the wild windy conditions were pushing the low targets to the ground within fifteen metres of the trap house. Bruce also picked up first place in the last event, a 15 target Points Score, with only three points down, and that may seem a poor score to have a win, but not in the terrible, windy weather this shoot was held in.

Echuca member Warrick Kelvy was the only competitor able to hit ten out of ten Single Barrel targets in the first event, with another Echuca member, Ian Phillips one down on 9/10 and they both picked up some cash for their effort. In event two, the 25 target Double Barrel Continental, B grade was collected by local member Harry O'Connor on 21/25, and C grade was a Euroa shooter, R Johnson, on a very creditable 20/25 score. Second place in event three, the 15 target Points Score, after a short shoot off, was another Euroa member Lourie Fitzpatrick, on a score of 44/48, and third was Deniliquin member Tim Maher on a 41/48 score. Tim who is a frequent shooter at Mathoura, has been performing well of late, and has just now been upgraded to A grade, "congratulations" Tim.

Despite the poor shooting conditions, all the shooters enjoyed the night's competition, and the Mathoura club's committee thanked them all for attending the shoot on such a bad, windy night.

High Roller Event puts Tassie on the map

Location: 19 kms from Launceston

The Tasmanian Clay Target association's annual State Trap Carnival has grown in attendance over the last few years to well over 150 competitors with over 60 interstate competitors attending each year to make up the numbers provide welcome competition and increasing overall shooting scores. In 2005 the TCTA felt that the carnival had reached an outstanding attendance we needed to enhance the media value for the carnival.

We had achieved excellent newspaper coverage from the Examiner, who featured a two page colour photo display of clay target shooters attending the previous year's state carnival. However, to increase our media coverage we decided to develop an event with a higher dollar value for competitors and also provide an exciting final shoot off of high media value. It was decided to make the event a 100 Targets Points Score off the gun (no grades) with 5 places, with the final shoot consisting of 25 target Points Score. Whilst initially we advertised a \$1000 entry fee, we were prepared to accommodate the majority view of the entrants. After a meeting with interested shooters it was

agreed to make the entry fee \$250 to encourage more competitors to nominate. All the prize money was returned to the shooters as the targets were kindly sponsored by Bruce Burns from Corsivia. The event was a huge attraction with enormous interest for shooters and other visitors to the ground. Geoff Faulkes led from the outset, becoming the eventual winner after shooting the 25 target final shoot off without dropping a point, winning with a score of 373/375.

Overall the High Roller event was an outstanding success with Geoff Faulkes (373/375) accepting a first prize of \$1750. Nicky Brown took second place with 372/375 and Sox Philapidos, third with 371/375.

As the inaugural winner, Geoff has kindly offered to donate a silver belt buckle as an ongoing trophy. The TCTA extends it thanks to Bruce Burns and Geoff Faulkes for their support for this event. So remember it is on again January 25th 2007 at the Tasmanian Gun Club Evandale. For further details phone Alan Styles, astyles@tassie.net.au.

Southern Gun Club Wild Turkey Shoot

Location: 91 km south of Adelaide

Sunday 24th September saw 42 shooters turn up on a cool and windy day to shoot for the honour of Head Turkey. This was the fourth time this event has been shot at Southern Gun Club.

This event is a huge tradition in America, and remembers the time in history when wild turkeys were shot in September in America's Wild West with side by side shot guns.

Orlando Wyndham sponsored this event with over \$2000 worth of Wild Turkey products. Winners of each grade, the 1st in Ladies, Vets and Juniors, go into a shoot off for the title of "Head Turkey".

Luke Higgins who is only 16 years old and a very good shot proved he could share a gun with his father and sister, still pull it all together, and win thrilling the crowd on the way.

Stand out performances came from Dwayne Schubert who is 14 years old and a AA grade shooter won second in AA. Rod

Schubert won first in A and Tom Ward who is 18, won first in C grade. This is a thrilling event, much anticipated by members and visitors and the numbers who come to shoot this event is rising each year.

Winners of the Morry Jaeger Shield was a 5 man team from Southern Gun Club and Monarto who both scored 118/125, Rod Schubert, Jeff Higgins, Luke Higgins, Phil Baxter and Denis Fidock from Southern and from Monarto Rob Clark, Kym Church Rocca Spinella, Tim Nunn and Dino Oliveero.

The John Stuart Reilly Memorial High Gun Trophy went to Dino Oliviero.

Another wonderful day was had by all at Southern Gun Club, with 42 shooters and just as many visitors. The weather was cold and windy but the atmosphere fantastic. We would like to thank Orlando Wyndham for their wonderful support and to Peter Dunn for organising the event.

There were some outstanding efforts. The team from Southern and Monarto gave an excellent performance to win the fifth shoot for Morry Jaeger's perpetual shield.
