# South East Zone QCTA Carnival

## Redcliffe CTC - October 28 & 29 2006

Redcliffe Clay Target Club hosted the SEZ QCTA Trap Carnival on the weekend of the 28th & 29th October. 72 shooters squadded up for the 2 days of competition, in the heat (BLOODY HOT!!!) and humidity, with gusty, swirling winds. Our hats go off to those who braved the conditions.

The first event for the weekend was the 50t SEZ QCTA Double Barrel Championship. With very few possibles recorded the shoot off was won by Wes Humphries 85/85 of Sunshine Coast. (Wes is the one time partner-in-crime of a Victorian "Rat", but we will not hold that against him!) AA grade 1st went to Paul (Doc Paul) Anderson and 2nd to Craig Morris. Congrats to Doc Paul who was feeling poorly and struggling with health issues. We wish you all the very best and a speedy recovery!

A Grade 1st was won by local boy Sammy Cannizaro, and 2nd went to the newly elected SEZ President, (Popular) Paul A Moore.

Sam Cleaver C Grade High Gun

Tom Meadows presents the Meadows Transport Shield to the Maryborough Club

Trevor Cecil, the Hervey Bay Travel King won B Grade and Jamie Burton took out 2nd C Grade 1st was won by another Redcliffe boy, Sam Nucifora and Sam Cleaver was 2nd. Beth Ekblad won the Ladies, with Sam Lynch taking Juniors and ex New South Welshmen Peter Smith taking out Veterans.

50t Single Barrel South East Zone QCTA Championship was the second event on the program of the SEZ Heartbreak Saturday. With no possibles on the board, Don Portors of the Sunshine Coast won the event with the only 49/50 well done Don "I love a girl with breast implants" Portors. Col Witt won AA Grade, and Glenn Wyatt secured 2nd. Greg Matthews took out 1st in A Grade, and Robert Walters was 2nd. B Grade went to Dennis Harwood and second was collected by Tony Firth. Junior shooter Sam Cleaver won C Grade and Beth Ekblad was 2nd. Juniors went to Clay Walters (all the way from St George), Ladies was won by Georgia Costanzo (she thinks she beat her dad!), and Ian Hedger secured Veterans.

Sunday proved not quite as "bloody" hot. The first event for Sunday was the 50t SEZ

QCTA Championship. Ken Stevens (Revhead) won the event outright with 147/150. AA grade 1st went to Doc Paul Anderson and 2nd to John McLennan. A grade 1st went to Scott Trafford (does anyone know if he found that SCO he misplaced?) and Gordon Watson took out 2nd. Dennis Harwood won B grade, and Paul Strange was 2nd. Sam Cleaver was on the winning dais again taking C Grade 1st, and Tomas Auger was 2nd. "Superman" Sam Lynch won the Juniors, Veterans went to Bill Weedon, and Luscious Leah Costanzo ("Lush" to her friends) was the Ladies winner.

The Meadows Transport Shield shot in conjunction with the Points Score was won by the Maryborough Clay Target Club Team.

The final event of the weekend was the 25 pr Double Rise. Wes Humphries won the event outright with 42/50, AA Grade 1st was won by Kevin Jarrick, and George Costanzo collected 2nd. Tony Gurski won A Grade and "Beautiful" Brett Brown was 2nd. B grade went to Paul Strange and evergreen

# NATIONAL PRESIDENT'S NOTES

Bill Jones

Now that we are moving into 2007 I take the time to reflect on 2006.

2006 was indeed a very successful year for our Association. The Nationals and World Championships were an outstanding success and will allow a modest surplus to be recorded.

The positive comments from our overseas guests were very welcome. They certainly enjoyed the exchange rate.

The townsfolk of Wagga are still talking about it and indeed the Mayor is very pleased.

To all those who assisted I say thanks particularly the referees for the World Championships who spent long hours at the score tables.

I also say thanks to our army of volunteers who week after week run our shooting clubs. These people are the backbone of our Association and I look forward to your help in 2007.

The National Ground was able to cope with the record number of shooters however there is a good deal of work yet to be done.

Whilst the shooters continue to support the ground your Association will return to the shooters upgraded facilities.

# South East Zone Carnival

## hosted by Melbourne Gun Club

**Location Melbourne**

The Zone Carnival was attended by 127 shooters and even with an early start and a lot of planning, with large efforts by many people on the day it still fell short of finishing in day light. The venue, Melbourne Gun Club was very well presented and set up for this day and the Zone wishes to thank President Bob Buchan and his hard working Committee for all their efforts in making the Club look so good.

*C Galea Series HC, OA High Gun and HC on the day*

*Franc Finken, Series and Carnival Junior HG*

The first event was the Handicap and this was won in fine style with 49/49 by the Camel driver from Frankston Australian, Charlie (can you take my picture now) Galea, second was Steve Trembath 48/49 and third was Colin (I'm really not under graded or handicapped) Quick 47/48.

The first two events of the Carnival are the final leg of the Premier Teams Event for the year and at the half way point ladder leaders Cerberus where five points down with Werribee down only one point. In the Junior Teams, ladder leader Korumburra where down 7 points with Cerberus down only one. There was a great deal of interest in the score board!!

Next was the Double Barrel and after fifty targets in the shoot off and with thirteen left in the race and already running behind the planned time frame, Points became the game, the thirteen became one squad

*Series Winning Team Cerberus*

*John Rowe Carnival HG, A Grade DB, SB, 2nd Pts, Series Team, Jacket Team*

*OA Double Barrel Chris Carrol*

*Cerberus Jnr Team L-R James Heyblom Craig Bell*

after the first ten targets, there were three left when the last twenty five got under way, I was hoping for a Cerberus one two, but Simon Howd pulled a second and was off, ten targets later Bill Forester pulled a second leaving yours truly with a very big smile, 75 D/B then 64 targets Points, a nice little run. (Just snuck them in)

John Rowe in a welcome change of form, put 91/92 together to win A grade.

N.Kotlarewski with 41/42 collected the B grade prize and Anthony Spencer-Fletcher shot three straight in the shoot off to win C grade with 26/28.

The teams section was a very close thing with both Nepean who had won the Traralgon round and Cerberus on the top of the ladder with out a win, only three points apart. Werribee won the day with the team of Steve Trembath, Nathan McDonnell, Neil Cooper, David Nielsen & Bruce Ferguson 243/250, from Cerberus by one point - giving the series to the Cerberus #1 team of Chris Carrol, Hecta Crawford, John Rowe, Peter Mills, Leon Howell and Simon Howd.

We have not finished with teams yet, the Cerberus Juniors Craig Bell and James Heyblom won the day and shot so well they over took

Series DB High Gun Damien Hutchins

ladder leaders Korumburra to take the series, a great result for two young men who have developed such a long way in the last year, very well done to them both.

Craig also won the B grade High Gun over the first two events.

The five teams events were won by Mornington Round 1. Wonthaggi Round 2. Werribee Round 3. Nepean Round 4. and Werribee the Final.

The Series Double Barrel High Gun went to Damien Hutchins 124/125, this is a great performance looking at the competition involved and the weather conditions at some of the rounds. The

Handicap and Overall was again this year taken out by Charlie Galea. (Do I have to polish the trophy again!!) The Junior High Gun was Franc Finken after a very consistent year.

Single Barrel and the story keeps on going, eight possibles with only three going past the first ten in the shoot off. Phil Granger 46/46 took the O/A with Malcome Green 1st in AA. John Rowe 25/26 the best of the A Graders, Craig McDougall 24/25 with B grade and Wally Diston 22/26 the C Grade section. Michelle Parks took the Ladies and Franc Finken the Juniors.

Points Score and by the shoot off the sun had long gone, set! Seven possibles from this, only four managed to get past the first ten targets with Phil Granger's night vision out lasting Roby Godfrey on the sixteenth shoot off target. A grade was won by Brian (I can't see them any more) Barlow 81/84 from the days hottest A grader John Rowe 75/78. B grade was Lindsay Guscott 68/75 and Bruce Ferguson took

Pam Widdows Ladies HG

Phill Granger OA, SB & Points

C with 68/75. Michelle Parks the Ladies and Franc Finken Juniors.

The major prize of the day "Carnival High" who else John Rowe. (A GRADE!?). Ladies Pam Widdows and Junior Franc Finken. The Zone Shoulder to Shoulder (Beretta Jacket) Team 2006 John Rowe, Lynne Curtis, Hecta Crawford, Ron Williams & Daniel Galea. John's second. Lynne's second. Hecta's third, and the first for Ron and Daniel. Reserves: Bill Woodward & Peter Hills.

It really was a great day.

The Zone wishes to recognize and thank our many sponsors, the Major sponsor Beretta Australia & RC Cartridges, also the Big Garage Bairnsdale Lynne Curtis, Lock Away Safes Brett Dunstan, Rob Godfrey, David Nielson, John Mollica & Steve Pelligrino, Peter Mills & John Rowe, Security Assessment Services Hayden Stafford.

# QUEENSLAND STATE SPORTING

**Location at the junction of major highways from Brisbane, Sydney, Melbourne and Darwin and is just 90 minutes drive from the state's capital, Brisbane**

The Queensland State Sporting carnival was held at the Toowoomba Clay Target Club on the 25th & 26th November 2006. Mother Nature provided ideal shooting weather for the seven squads that turned up, every competitor hopeful of selection to the Queensland three man shoulder to shoulder squad to compete at Wagga Wagga next year.

*Sponsor Andrew Gardner B Grade Saturday with Max Barton*

Beautiful weather if a touch warm, but we can't complain, it was a lot warmer just a little west of here. TCTC presented a well thought out program of sporting clays with quite a large element of difficulty. There was only five possibles shot over the entire weekend with each shooter receiving a memento of the occasion. Jim Johnson shot two possibles with Mike Swale, Scott O'Brien and Max Barton all shooting one possible.

*Paul Lunin 2nd 100t 5 Stand & 2nd B Grade 100t Sunday*

*Daniel Lillis 1st C Grade Sunday & 1st C Grade 5 Stand Sporting*

*Sash & Silver Badge to Noel Lillis*

*Steve Blake A Grade 100t Sunday*

Day 1. 100 Targets Darling Downs Sporting Clays Championship incorporated the first 50 of the 100 target five stand championship. Results: AA: 1st Noel Lillis 94/100; 2nd Jim Johnson 91/100; 3rd Val Litvinov 90/100. Day 2. Was a slightly warmer day than yesterday and with a few more shooters. The 100 targets Charlton Sporting Clays Championship, which included the second 50 of the 100 target 5 stand, was run and competition was stiff. There were quite a few shooters vying for team selection. AA: 1st Jim Johnson, 94/100; 2nd Mike Swale 91/100. A: 1st Steve Blake 83/100; 2nd Viv Nolan 76/100. The 100 target five stand competition run over the two days saw the Queensland Silver Badge and Red Sash go to Noel Lillis with 92/100 after a fine shoot off with Jim Johnson also on 92/100. Noel shot a very good 24/25 to win the shoot off from Jim who shot a 22/25.

The state team was selected from the top three shooters in the 100 targets five stand shot over the two days. The team consists of Jim Johnson 92/100; Noel Lillis 92/100 and Graham Smith 90/100. Congratulations to the team and best wishes at the National Titles.

The High Gun for the weekend was won by Jim Johnson with 186/200. Veterans was won by Tony Edgar, Junior by Daniel Lillis and Ladies by Betty Fawcett.

A big thank you goes to all our sponsors for their donation of trophies. As usual a good feed was provided by our very capable upstairs maid, Margaret Denton. (Most of you will know her from Roma Gun Club). To the workers who helped set up the layout, thank you all, many hands make light work.

The office was managed capably on Saturday with the help from the new State Administrator, Debbie Young and on Sunday by the downstairs maid, Betty Fawcett.

The clubs next major shoot is the annual two day Skeet Carnival to be held on the 24th & 25th February 2007. Visit our website [www.toowoombaclays.info](http://www.toowoombaclays.info) for up-to-date information.

# 2006 WA Clay Target Association STATE SKEET & TRAP CARNIVAL

## Location Perth

Hot on the heels of the very successful and popular Geraldton Crayfish Carnival the West Australian State Skeet and Trap Carnival was held over the long weekend of the Queen's Birthday from Saturday 30th September to the 2nd October 2006. It was also the AFL Grand final and there was a lot of stirring coming from the opposing teams who were working in the office. Attendances were excellent with 193 shooters participating over the carnival. The weather conditions on the Saturday were fine with a strong, gusty "challenging" wind for the Skeet shooters whilst the conditions for the Trap carnival improved for the remainder of the weekend.

The Whiteman Park International Shooting Complex grounds were again presented in their usual high standard and sincere thanks goes to all the members from the WA Gun Club who assisted in so many ways volunteered their services before, during and at the completion of the carnival to make sure everything ran smoothly.

There are so many people behind the scenes to thank. This year WACTA wanted to try a few new ideas by having trades stalls, money raffle, afternoon teas and the serving of breakfasts each day. In order to make these ideas a success we really needed the support from the WA members and their wonderful families. The support which came from the families throughout all the clubs around the State was exceptional and thank you seems such an inadequate word to express just how grateful the organisers appreciated all the help we received over the 3 days. Special thanks to Lisa Vroylk for organizing the afternoon teas and all the

Ladies who helped out.

The amount of food that was kindly donated was tremendous and thanks to everyone who contributed in any way. The State Association is very grateful to Joe Pintaudi, Gary Quansing and Tim Catling for their very generous donations towards the costs of providing afternoon teas and breakfasts each day.

Special thanks to all our breakfast cooks each morning and especially Wayne Kuser, Ken Green, Ivan Halbert, Shane Williams and anyone else who lent a hand. The boys from Peel did a great job cooking breakfast on the Sunday and we hope to have them all back again next year. Most of us were at the grounds from 6am and breakfast was served till 8.30am each day. We look forward to continuing this tradition next year.

We are very fortunate at our State Carnival we have such wonderful friendly office staff, thanks to Lorraine and Neill Dowey who helped Sue and Suzanne during the carnival. Thank you to all those shooters for

David Fox Carnival Overall High Gun winner

their kind words of support especially throughout the Grand Final it is always a lot of fun working in the office.

Doug Berry from the West Australian Gun Club kindly agreed to be the Tournament Director once again and we certainly appreciated him taking on the role. To all those shooters who helped referee, score and assisted Doug behind the scenes proved invaluable in the smooth running of the event. Bruce Maley came out of retirement and did a marvellous job making sure the scoreboards were up to date. Thanks to those helpers who also assisted Bruce with the scoreboards.

Sponsors are an integral part of our organisation and the State Association is extremely grateful for all the support received from our generous sponsors for the State Carnival. We ask all shooters and their families to please support wherever possible our sponsors who give so much back to our sport.

WACTA would like to sincerely thank the following sponsors:

The John Page Family – Denise Page; Wesfarmers Federation Insurance; Pine

Hauliers – Greg Coverley; Roy Alexander (himself) & Sons; Olin Winchester Australia – Cartridges; David Fox; Rio Cartridges; Carlo Romeo Jewellers; Promowest – Les Hall, RC Cartridges / Beretta Australia; King River Gallery & Framers Albany– Geoff & Suzanne Faulkes. Shane Williams Autos, Premium Sales & Distribution – Wayne Kuser

In addition, the Department of Sport and Recreation should be thanked for their ongoing financial support and also their encour-

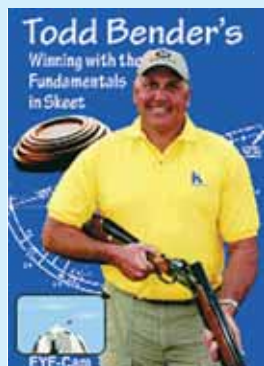

agement for us to strive to continually improve and promote our sport.

Now the winners can receive their accolades.

In addition, the use of the innovative "EYE-CAM" allows the viewer an inside look at what Todd sees. As the camera operates independently of the gun, you will see detail Todd's hold points and break points in relation to the field, along with where to look for each individual target, and an accurate depiction of the necessary leads.

"Winning with the Fundamentals in Skeet" focuses on regular skeet and proper fundamentals, "Bender under Lights" is a detailed analysis of doubles at station 3,4 and 5, and competition shooting. # Two days shooting at Mt Gambier Gun Club

**Location Midway between Melbourne and Adelaide in the South East of South Australia**

The Mount Gambier Gun Club held its monthly shoot on Saturday and hosted the South East Zone Carnival on Sunday, with both days featuring excellent shooting conditions.

All shooters in their grades were very competitive as could be seen by the top scores.

Competitors came from the Upper and Lower South East and Western District of Victoria, due to the shoot-off for Champion of Champions on Sunday.

The Bill Hetherington Memorial Double Barrel Championship was hotly contested, with John Hawker taking out the overall coveted trophy.

The Corsiva Clays 20 pair Deauville Doubles was won by Bob Andrews and John Hawker, who just beat Max Medhurst and Gavin Height by one target.

Medhurst again showed his consistent marksmanship, taking out the

# 2006 Yorkshire Trophy

**Location Sydney**

**T**he queue for nominations stretched right across the clubhouse. Carolyn in the office was almost swamped; such was the size of the field for the 2006 Yorkshire Trophy final at NSW Gun Club. Held this year on 26th November, the competitor's demonstrated quality as well as quantity with all grades keenly fought. The sun saw fit to shine on us all day, a rare break from grey and cold days in the latter part of November in Sydney.

Three former holders of the trophy competed in the field of over 60 shooters, but despite some excellent shooting, they ended up winning grade prizes as young Daniel Baskerville turned in an almost flawless performance to take the trophy for the first time with 95/100. I had the pleasure of following Daniel into the shooting cage all day, and watching his relaxed, but focused actions certainly taught me a thing or

two I am sure his example gained me a few extra targets during the day. Still only 21, we expect Daniel to get his name on the trophy a few more times yet.

It was gratifying, as course designer, to receive so many compliments regarding the target presentations, and I must thank the team of Col Harris, Col Milner, Terry Dawson, John Diamond and the ever tireless Roy Johnson who helped set up the day before. Thanks also to the off course team of Carolyn in the office, Don behind the bar and of course Theo, our President, who presided over the BBQ with his usual aplomb.

Our heartfelt thanks must also go to Bob Ellison, whose family provided the magnificent silver trophy and who continues to generously sponsor the final shoot each year – Good On Ya Bob!!

The success of this event is a clear indication of the increasing popularity of Sporting shooting in Australia, and we were very glad to see so many regular DTL and Skeet shooters competing. Indeed some of them also won prizes a special mention

here for Andrew Shacklock who shot himself into B grade after winning C with 78/100. This was a real achievement as Andrew used an old side by side throughout the competition.

A list of all the winners follows, and I look forward to welcoming them, and many others, back next year for another magnificent day's sporting shooting. Come and have a go you never know, you might just enjoy yourself; I know over 60 shooters who had a ball last November

# Christmas Shoot at Mathoura

A slightly smaller gathering of shooters than last years big attendance at Mathoura Gun Club, but a good roll up never the less, most, eager to claim the main event, the 25 target Double Barrel which also includes the Sash for Overall Club Champion for 2006. Three other 10 target events were on offer for the night with hams and puddings for trophies.

With two additional lights just installed, target visibility was excellent, and the committee expected good scores as a result, and they were not disappointed. Shooting conditions were good except for the smoke from surrounding fires, some shooters from Euroa and areas east of there were not in attendance, and fire danger was probably the reason for that.

Event 1 was a 10 target Double Barrel with three shooters hitting all 10, Murray Roberts, and Rob & Jack Collicoat. Murray saw both off on the 22nd target picking up 1st place with 2nd going to Jack on 21/22 and 3rd to Rob on a 19/20 score.

Event 2, a 10 target Single Barrel and not one full score, four shooters on 9/10 to shoot off, Ron Cugley, Barry Rogers, Rob Collicoat, and Tim Maher. Only Tim able to shoot his first target giving him 1st place on 10/11, and 2nd went to Rob on a 14/16, and 3rd to Ron on a 13/16 score. At this time everyone sat down to a very nice evening meal prepared by Jenny Kerslake, Margaret O'Connor, & Dot Roberts, thank you ladies, well done.

Rob Collicoat OA & A Double Barrel and Club Champion for 2006

Event 3, a 10 target Points Score, and only one shooter able to post all 30 points, Murray Roberts collecting 1st place with his 30/30 score, 2nd place to George Bradley one point down on 29/30, and Tim Maher after a three target shoot off with Ron Cugley collected 3rd with a 36/39 score.

Event 4, was a 25 target Double Barrel, and only two shooters able to shoot all 25 targets, Rob Collicoat and Murray Roberts. The shoot off started well, but Murray let his fourth target escape, giving Rob A grade 1st Overall, and as Rob is a member of Mathoura Gun Club he

also collected the Club Champion Sash, for 2006, well shot Rob on your 29/29 score. B grade 1st was Rob's son, Jack, losing just one target and ending with a 24/25 score, C grade 1st was Andrew Broadhead on a very respectable 21/25 score. A 21/25 is a very good score for a C grade shooter, shooting under lights, which is a different proposition altogether from normal daylight shooting, well shot Andrew.

The shoot including the meal progressed very smoothly, resulting in even the presentations being finished by the respectable time of 11.15pm, with all in attendance declaring that it had been a very enjoyable shoot.

# ANNUAL DINNER AT KINGARROY CLAY TARGET CLUB

**Location at the junction of the D'Aguilar and Bunya  
Highways approximately 209 kilometres  
north-west of Brisbane**

On Saturday night the 19th of August 2006, members of the Kingaroy Clay Target Club held their annual dinner after approximately 40 years since their last. The annual dinner was organised to acknowledge a number of persons including sponsors, club person, and club champion of the year and also awarded two club greats with Life Membership to the club.

Mr. Peter McDonald and Mr. Graham Bickerton were both awarded life membership after both men have performed honourable and meritorious service to the history proud Kingaroy club.

McDonald joined the club in 1975 and during this time was club president and vice president. He was also selected in the Western Zone Team (Queensland). On the night McDonald was also recognised as club champion of the club, making for a very special evening for the proud member. McDonald is instrumental in Junior development and coaching of new members and it was evident by the support shown during the evening that it was a much deserved award.

Bickerton joined the club in 1979 and during that time was Secretary and also President of the club, Western Zone Delegate and State Counsellor. Bickerton also shone with selection in Western Zone Teams and has shot for both the Open and Veteran State Teams. Bickerton is also a strong supporter of Junior development and was again a very popular recipient of the award.

Col Gurski was awarded the Club Person of the Year, for the tireless effort he puts into the club as a trap mechanic and Shoot Marshall. This award was voted by his peers and Col is the inaugural winner of the award.

Mr. Rob Horn proudly presented McDonald, the first recipient of the Sel Horn Memorial Club Champion. Rob the son of Sel Horn - proudly explained to the members that Sel was an original member from 1952 and never missed a monthly shoot in over 35 years of membership to the club. Sel Horn is also one of only six life members to the club.

Mr. Max Behm was also awarded an appreciation award for his dedicated service to the club after finishing up as Club Secretary after approximately ten years in the job. Behm explained that it was his love of the sport which made it very easy to complete the requirements of the many jobs he performs.

The evening also thanked the many sponsors of the club. Club President Mr. Gary Brown said that the club sponsors have ensured that Clay Target shooting remains strong in the South Burnett. He thanked sponsors for supporting the club, for supporting it's pursuit of Juniors and Junior development and urged members to continue seeking new members. He also thanked all prize recipients especially congratulating Mr. Graham Bickerton and Mr. Peter McDonald stating that they are worthy Life Members of the Kingaroy Clay Target Club, and thanked them for their contribution to the club.

The following poem was read to the guest and award recipients on the night.

## OUR HERO'S

The Kingaroy Clay Target Club is blessed with many characters  
Each one of them a special part of a fantastic Club,  
Then someone said that two of them stood out from the other blokes  
We could see that he was serious and wasn't making jokes,  
So we put it to a meeting where we all could have our say

Unanimous for life their membership we'll pay.

Now Bicky is a Veteran and with all the things he's won  
You'd think he would have learnt by now just how this sport is done,  
I've heard him tell the High School kids even me, when I begun  
That if you want to hit that thing you must put your head down on

your gun.

He puts his bloomin' cannon up and waves it all around  
And then calls "pull" while looking out, underneath and all around.

I watched him doing this for years and wondered, is it sound?

And usually there's only little pieces hit the ground.

Now Peter's made of different stuff, he's taught himself the skills,

You can see he's feeding family with every clay he kills.

And if you see him shoot one day, handicap or down the line,

I'd advise you all to use earmuffs or your hearing will decline.

These blokes have been companions, like hunting in a pack,

And everywhere they ever went, they were always welcomed back.

I hope they shoot for years to come with great ability,

In that their scores come in, in front of everyone but me.

Well these blokes can be the reason I stay down at the Club,

Well ninety nine percent of it, the other one's the grub.

We listen to their stories and we can see the great support,

From the sophisticated women that both of them have caught.

We're really looking forward to put their names up on the board,

And if we put up photos too, then they'd really know they'd scored.

This makes me so excited, I want everybody told,

In fact I'll move a motion that their names go up in GOLD!

# Two Days at Gemfields

**Location 35kms west of Emerald  
which is 2-1/2 hours inland of  
Rockhampton**

August 19th and 20th saw one hundred and eight shooters take to the traps for the Gemfields Gun Club Annual Two Day shoot. These shooters came from all over Queensland and even a couple from beyond the borders. The weather was typical of Central Queensland, beautiful one day and perfect the next. We had lovely warm days and cool, but not cold, nights.

Saturday night saw auctioneer Michael Maguire auction off the shooters in the Calcutta after a sumptuous 3 course meal prepared lovingly by my wife Karen and her band of helpers – Janine Vale, Michelle Mitchell, Natalie Commino Anne Self and Breeanna Wright. What a great job they did! The roast was cooked to perfection as usual by Peter Comino.

A very special thanks to Lil Brandt, Cameron Brown and Jarrod Lees for their help in the office. What would we do without them? Thanks must also go to those who helped with breakfast both mornings – Rick Kennedy, Tom Jarvis and Ross McPherson.

As you all know Sponsors play a major part in our sport and we must give a huge thank you to Goodyear Australia, TJM Australia, Coolamon Mining – Jim & Jenny Elliott, John & Sandra McKenzie, Robert Cross and Candy Brennan, and George & Irene Cross. Together they donated over \$ 10,000 worth of prizes and trophies. Well done guys.

Sanders who also made themselves available for one on one discussions throughout the weekend.

Nick Sullivan the AISL High Performance Program Manager also addressed all the athletes to explain and demonstrate the program direction and the pathway from Junior / Youth to Olympian.

All in all a very good tournament to kick start the AISL Youth Development Program.

Thanks must go to Gleniss Lawrence who again acted in a jury/ tournament director role and kept the whole event together and running smoothly. Thanks also to Cecil Park Gun Club and in particular the President Vince Gatt who gave so generously of his time and effort. And to Frank Minici who along with Gleniss set the traps at 7:00 am every day to ensure all ISSF procedure was maintained.

Finally thank you to the Australian Sports Commission who have endorsed this Youth Development policy and provided the funding to make it a reality. As we all know the youth of today are the future of the sport and AISL is now targeting this group in the hope that they will carry on the legacy of our current Olympians.

# Monarto - Alexandra Clay Target Club's 53RD BIRTHDAY SHOOT

**Location 45 minutes (70 kms) from South Australia's capital city, Adelaide and is the gateway to the picturesque Murraylands region**

The long awaited "big weekend" had finally arrived. The Club was celebrating the old Alexandra Gun Club's 53rd Birthday Shoot on Saturday and we were holding the inaugural memorial shoot in memory of fellow Club member Andrew Mules who had passed away suddenly late last year only in his mid 30's.

Friday saw the caravanning campers start to arrive and the Club gained the name of the "Monarto Caravan Park" by the time all 10 vans had arrived and 2 lots of campers.

The weather forecast for the weekend was for hot days around 33°C with a cool change supposedly coming in on Sunday evening. Saturday's weather was exactly that - hot but calm.

Shooters from all over the State as well as Victoria and Tasmania made the trek to our Club and 63 shooters lined up for the competition on Saturday and 89 turned out on Sunday. Twenty-four veterans,

7 women, 6 juniors and 2 open wheelchair shooters were amongst the competitors.

Event 1 for the day was the 25 target Skeet Bill Quinn Shield and grade winners were Tim O'Connor (A), Bill Wilksch (B) and Tim Steer (C). There was a tie for the Bill Quinn Shield between Monarto - Alexandra and the Mount Gambier Gun Club.

Event 2, a 25 target D/B, was shot in conjunction with the Ian & Phillip Campbell Team Shield and the Overall winner in AA grade, after a shoot off, was Ron Smith (Lower North) who shot a 150/150. Jonathon Fidock (Southern) came in 2nd place in AA shooting a 149/150. Other winners were Darren Beyer (A), Kevin Burzacott (B), Ian Hopton (C), Cheryl Arnol (Women) and Kevin Burzacott (Veteran). The Campbell Shield was won by the team from Southern - J. Fidock, N. West, K. Hobbs, I. Hopton and K. Polst 123/125.

The famous Woodrow Shield was being shot for on event 3 - a 25 target D/B. Wayne Hawker (Jeparit) took out AA grade and Overall with a score of 85/85. Lisa Hawker (Bordertown) took out A grade, Brett Duncan (Lower North) won B grade and Deb Hopton (Southern) wearing a huge smile, took out C grade. Lisa Hawker took out the Women's trophy and Metro Martini the Veterans. The Woodrow Shield, one of the oldest continually shot for shields in the State, was won yet again by the team from Monarto - Alexandra. P. Hendy, R. Clark, P. Kay, P. Hampel and T. Dunn shot a 117/125 to retain the shield in the Club.

The last event on the program for Saturday was the 25 target S/B Don Fleetwood Memorial. The beautiful silver duck perpetual trophy this year was won by Wayne Hawker after a shoot off with Ron Smith. Wayne's score was a 29/30. Other winners were Rodney Schubert (A), Kevin Polst (B) and Neil Rolins (C).

High Gun for the day went to Ron Smith on 97/100

The evening meal of BBQ chicken and salads followed by sweets was enjoyed by those who stayed, some still revelling in the Club house into the wee small hours of Sunday morning.

Sunday dawned another clear, hot day with a promise of a change in the weather late in the day. It did, and we found not only wind gusts, which sent the shade umbrellas rolling down the grounds, but thunder, lightning and just a dash of rain, all played a major part in the scores that came in on the day. 35°C until the cool change came in mid afternoon and dropped the temperature by

about 8°C which made things much more bearable.

Our major event was the Andrew Mules Memorial 100 mixed target (25 D/B, 25 S/B, 25 P/S and 25 H/cap).

Competition was off to a flying start at 8.30 am.

Overall winner of this prestigious event was none other than the very determined Wayne Hawker (Jeparit). Considering he shot his handicap from 21 metres made his score of a 146/150 brilliant under the circumstances. Wayne dropped 1 target in the D/B, 1 target in the S/B, pulled 2 second barrels in the P/S and shot his H/cap clean.

However, just 1 target behind Wayne was the equally brilliant young 15-year-old shooter, Daniel Albanese (Barmera) who is in the midst of a "purple patch". Daniel shot his D/B clean, he dropped 3 targets in the S/B, pulled one second barrel in the P/S and dropped one target in the H/cap (off 17 metres) giving him a score of 145/150. Daniel also gets his first 50-target break badge – well done Daniel!

Wayne Hawker was presented with his high powered rifle, American belt buckle and ? case cartridges plus the perpetual trophy by Phil Mules, father of the late Andrew.

AA grade was taken out by another Junior shooter. Luke Higgins (Southern) shot a 153/162, second place went to Tim Steer (Wilkawatt) on 152/162 and third placing went to both Ron Smith (Lower North) and Adrian Steel (Bordertown) who shot a 140/150.

A grade went to Lynton Schubert (Wilkawatt) 199/207 after a shoot off with Gavin Height (Mount Gambier) on 197/207. Third placing went to Lisa Hawker (Bordertown) on 141/150.

B grade was won by Daniel Albanese (Barmera) 145/150, second place to Gerald Hopgood (Mallala) on 136/150 and third placing went to Barry Arnott (SAGC) on 135/150.

C grade was taken out by Peter Dunn (Southern) on 125/150, second place Neil Rolins (Monarto – Alex) on 120/150 and Wally May (Lake Albert) took third on 119/150.

Women's trophies went to Lisa Hawker (Bordertown) 141/150, Lynn Beelitz (Wilkawatt) 127/150 and Cheryl Arnol (Tasmania).

Veteran Barry Arnott was most surprised to find out he had taken out the Veteran trophy with his 135/150 over Kevin Polst on 133/150 and Peter Marcoionni on 133/150 (not available for a shoot off with Kevin as he had left the grounds prior to the end of the event).

As both Juniors, Luke Higgins and Daniel Albanese, had won their grades it was Frazer Baker who took out the Junior trophy with a

Office staff Ruth Michell, Peter Harris and Ruth Bretag

score of 132/150. Second place went to Dwayne Schubert on 130/150 and third place went to Brett Duncan on 122/150. Young Thomas Mules, the late Andrew's son, also competed in the competition and came in 4th place shooting a 101/150.

The Club 5 Man Team was won by Southern. Team members were Rodney Schubert, Dwayne Schubert, Jeff Higgins, Luke Higgins and Alexander Dunn, they shot a score of 673/750.

The giant raffle, an esky full of alcohol, was won by Glenn Arnol who now had to pay excess baggage in getting it home to Tasmania!

What a day and weekend! Thanks to Kelynn Prescott, our State Patron, for his kind words when speaking of Andrew and the Mules family at presentation time.

Thanks to all of our trophy donors over the 2 days of shooting – Rio Oceania Pty. Ltd., the Forbes Family, Ian Campbell, Kevin Burzacott, Rob Clark, and to the Mules family for arranging donors in Winchester Australia, Nioa Trading, Fisher Firearms, Adelaide Gun Shop, Phil Johncock, Cheryl and Glenn Arnol, John Holder and lastly to Peter Dunn for the raffle items.

Many thanks to our own Committee and Club members who had worked tirelessly in getting the grounds and Club house in tip top condition. Thanks to Peter Quire for standing in as our Shoot Marshall – what a sterling effort – but the distance from Trap 1 to Trap 4 started to take a toll on him in the heat and he required some assistance not only from the jelly-bean bowl but also from Peter Kay (Club member) who had younger legs than Peter's. Thanks to Peter Shepherd and Ivan Hein for their assistance with the "hiccups with the traps". Thanks to Jacki, Helen, Ann, Jan, Lorna and Les for their work in the kitchen keeping the multitude fed and the dishes washed – what a job you all did! Thanks to my off siders

Peter Harris (handicapper) and Ruth Bretag (raffle ticket seller and score board assistant) for their help in the office. Thanks to Noel West and Ian Campbell for taking photos (Noel then emailing the photos through to me and later forwarding them on to the appropriate newspapers etc for me once I had written my reports), Club Pres., Peter Hendy (back problem but still soldiered on) and Vice-Pres., Rob Clark for keeping the shoot rolling and to anyone who helped over the two days. Thanks also to the Mules family for attending in such numbers – it was good to have you all there on this very special occasion. If I have forgotten anyone it is purely unintentional. On behalf of my fellow Club members I warmly welcome those new members who have recently seen fit to join what I consider, but maybe I am biased, the best Club in South Australia. Welcome, and thanks for your help as well over the weekend.

A very special thank you to all of the shooters, wives and children who came along to our Club to make it a very special weekend – we couldn't have done it without you.

A special thank you to my old friend Eddie Smith (retired Kangaroo Island crayfisherman) – now minding a B & B, who brought me something that is now residing in my deep-freeze till Christmas lunch.

I won't be forgetting our evening meal in a hurry (after everyone had left the Club) when we polished off what we would normally call "the dregs". Reminiscing over the weekend's activities we had a lot of laughs and I must confess I didn't make it home till after midnight – what a weekend!

Our next big event is the 12th SPORT SA South Australian Masters Games being held in March 2007. Check out the website: [www.2007regionalmasters.com.au](http://www.2007regionalmasters.com.au) for more information. I hope to see you there.

# AISL TEAM SELECTION POLICY

## Effective September 1, 2006

AISL may select athletes to compete for ISSF World Cups, World Championship and other international competitions in accord with the following criteria. It is not a prerequisite to be a member of the AISL High Performance Program for selection to the above Teams; however, many of the benefits provided to members of the program are not applicable to non members.

- 1) To be eligible for consideration for selection into a team an athlete must be Performance Qualified (PQ) by score or High Performance Program standards and:
  - a) be a member of the relevant AISL Member body as defined by the constitution cl. 4.3
  - b) and be ranked in the top three (3) on the points table which is derived from the score ranking obtained from the events listed below. The score does not include the "Finals" score.

AISL Australia Cup 1 – 4	AISL Australia Cup Final
ISSF World Cups	ISSF World Cup Finals
The AISL Member Bodies National Championship Event (Clay see Notes Page 2)	OSF Regional Championship
Commonwealth Games	CSF Championship
Olympic Games	World Championship
AISL National Youth Championships	Approved Junior International Competitions

- c) And other suitable events as determined by the HPPMC and published within reasonable lead times.
  - d) A list of open international events will be published as they come to hand for those athletes wishing to gain or further their international experience. ***Performance Qualification Scores may only be attained at events identified as National Championships where there are more than 40 athletes in the event in which Performance Qualification is being sought and where the event is known to be at least equal to the Member body's Australian National Championship in standard.***
- 2) Performance Qualified Athletes will be ranked in each discipline by points, from the scores shot at the published events.
- 3) Vacant spots in a team may be filled by Performance Qualified athletes
- 4) The Selection Panel ("Panel") will select those athletes whom it considers in its sole discretion will have the best chance(s) of success at the relevant events.
- 5) Other scores from the competitions listed may also be taken into consideration by the "Panel" when considering athletes for selection to a team.
- 6) Where there is more than the required number of athletes, the "Panel" may also consider the athlete's international performance history.
- 7) Where two athletes' points or international performances are tied then preference will be given to the one whose score trend is on the up.
- 8) The "Panel" may also consider identified athletes who meet the criteria of developmental (see; AISL Youth Group Program), who have;
  - a) attained high scores regularly, but who are not performance qualified.
  - b) failed to reach the top three
- 9) Any Junior Team (i.e. athletes not older than 20 years as per ISSF rule 3.3.6) will be selected from those who are performance qualified. A Junior Team may be selected by a decision of a Panel if the qualifying scores are not achieved.

- 10) Funding of selected athletes for travel is set out in the AISL Team Travel Funding Policy
- 11) The Panel will comprise the;
  - a) Three AISL National Coaches
  - b) AISL Member Body Representative
  - c) High Performance Manager
- 12) Where there are additional places available, such as MQS only positions, those who meet the above team selection criteria (pg1) and are next in line may be offered the opportunity to enter on a self funded basis.
- 13) Self funded members will be required to sign and abide by the Team Agreement.
- 14) The above program is dependent on availability of funds and subject to change.

### Note:

- That for Clay Target the 2006 Victoria and NSW State ISSF Titles will be Performance Qualification shoots as will the three events at the Olympic Discipline Nationals in January 2007 only. The program will then revert back to those competitions published on page 1 of this document.
- Performance Qualification to be valid for one year from the date of achievement.
- Performance Qualification does not mean a shooter will travel.
- Performance Qualification will be reviewed following the Olympic Games.
- All travel subject to funding availability
- ***This selection criteria does not apply to nomination to either the Commonwealth Games and the Olympic Games nor the Oceania or Commonwealth Shooting Federation Championships where separate policies will be issued.***

### POINTS TABLE

Achieving the PQS earns 100 points

Then every point over the PQS earns 10 additional points

i.e. PQS+1, +10

PQS+2, +20 and so on

e.g. a shooter attends 4 competitions and shoots PQS at 1st one he earns 100 points, then at second he shoots 2 points higher he earns 120 points, at the third he does not shoot a PQS he earns 0 points at the 4th he shoots 1 point over the PQS he earns 110 points giving him a points ranking of 330.

### APPEALS PROCESS

Where a competitor reasonably considers in all the circumstances that his/her non selection or non nomination to a team has occurred because the Panel has failed to follow these Criteria, the appeal procedure is detailed in the document entitled Appeals Process; a copy of which may be downloaded from the website [www.auss shooting.org](http://www.auss shooting.org) or by request from the office.

# Life Memberships Awarded at Euroa Clay Target Club

**Location Less than two hours north of Melbourne along the Hume Highway**

At the club's monthly competition shoot on Saturday 25th November, the Club President, Rob Barns presented life membership awards to three long serving club members, Keith McKendrick, Rob Stackhouse and John King.

Keith has been a member of the club since the early sixties and has served on the club management committee most of that time including a stint as treasurer. However it is his dedication as club coach and time spent with students training firearms safety courses that he is most remembered for and he is currently the Firearms Licensing tester for the Euroa district, a post he has also held for many years.

Rob Stackhouse also began clay target shooting in the mid sixties and has held the post of club secretary for over ten years. However it is his passion for painting club buildings and fixtures that is one of his most important contributions to the club. If it stands still

for five minutes, Rob slaps paint on it. It was also Rob's vision of skeet shooting at Euroa that enabled the club to finally provide this type of competition for shooters for the last three years.

John King began his shooting in the mid seventies and has served as Club President for three years and Club Treasurer for most of the balance of those years. He is the man who controls the club's spending and can be found hiding in the office on shoot days fiddling with squad sheets and handicap cards.

President Rob Barns who presented these awards is himself a long standing Life Member of the club.

*L to R Keith McKendrick, Rob Stackhouse & John King awarded Life Memberships of the Euroa Clay Target Club by President and Life member, Rob Barns*

## 2006 WCTA STATE SKEET & TRAP CARNIVAL

*Continued from page 58*

The Ladies, Juniors and Veterans shot at a further 25 targets to obtain the qualifying order of the State Teams as follows: Ladies State Team: Jessica Price, Paula Price, Amanda House, Wendy Cole, Leonie Noble and Roxanna Smith. Jessica Price with a score of 74/75 was awarded the Michelle Alexander Perpetual Trophy for the Ladies State Team High Gun.

Junior State Team: Christopher Vodden, Royce Normington, Darren McMichan, Chris Giles, Jessica Price and Amanda House. Christopher Vodden finally completed his junior years by being awarded with the WA Coaching Council Perpetual Trophy for the Junior State Trap Team High Gun with a score of 75/75. Darren McMichan has held this honour for 4 successive years. Both Chris Vodden and Darren McMichan have been great competitors and will not be eligible to complete at the DTL Nationals in 2007. We wish both these young men a very successful future in the Open sections for DTL and ISSF.

Veteran State Team: Tim Catling, Eddie Toomey Robin Bailey, Ivan Halbert, Roger Bevan and Laurie Reynolds. Ivan Halbert

with a score of 72/75 was the Veteran State Team High Gun.

It was worth noting that while some shooters made there very first State team our young Tim Catling had just received his 63rd State Team Badge. Congratulations Tim on another wonderful achievement and it is worth mentioning today that Tim still holds the National Championship Title in Points Score with a record 459/459 set in 1968 after a long shoot off with Newton Thomas.

Congratulations to all the winners and competitors who made the Skeet and DTL State Teams, good luck at your respective National Titles.

The WACTA Sports Star Award was presented to Phil House for his excellent performance over the last 12 months.

### Junior Postal Competition

A Junior Postal Team and Junior Postal High Gun competition has been running for the past 12 months. The Department of Sport and Recreation, Pine Hauliers and WACTA jointly sponsor this event. All juniors performed very well with the winners being: The Junior Postal High Gun competition was won by Amanda House, 2nd Darren McMichan. Amanda received the Pine Hauliers Perpetual Trophy. The Junior Postal 25 Single Barrel Teams Event was won by Denmark Agriculture School with a score of 58/75. The team members were; Andrew Shurad, Warren

Bennett and Brent Kidd. The runner up team was Katanning Club.

The final presentations were for the High Gun Awards over the weekend. The Elaine Forward Perpetual Trophy for the Ladies High Gun was presented to Amanda House with a score of 393/450. A King River Gallery & Framers - Albany sponsored prize (Geoff & Suzanne Faulkes). For an amazing 5th year the Veterans High Gun winner was Tim Catling with a score of 424/450. This prize was sponsored by Promowest (Les and Debbie Hall). Junior High Gun Winner was sponsored by David Fox and the winner was Christopher Vodden with a score of 423/450. Overall High Gun winner of the WA State Carnival was won by David Fox with a score of 435/450.

As with all competitions there are so many helpers and people behind the scenes that make the event a success and this year was no exception. We cannot forget the State Handicapper, Les Hall and those who assisted him. Also, not forgetting the trappers, scorers, referees, Neil & Lorraine Dowe, Sue Green and Suzanne Faulkes in the Office. To all others who were of assistance over the weekend and last but not least, the very important YOU the competitors who make working in the office so enjoyable, thank you as you are also an integral and vital part of the weekend. Looking forward to a bigger and better 2007 State Carnival. The Carnival will be here before you know it!

## OCTOBER MEDLEY SHOOT

Canberra International Clay Target Club's Medley shoot was held on the fifth Sunday in October. Despite two previous windy days, an overnight frost suggested a pleasant Sunday - we were not disappointed: 19 degrees with light and variable winds. About forty shooters sorted themselves into four man teams with everyone shooting 100 targets - 25 each discipline - Trench, Skeet, DTL and Simulated Field. Visitors came from Goulburn, Comma plus a large contingent from Bermagui Field and Game.

## *Skeet Clinic*

One of the best skeet shooters and coaches the art of skeet has ever seen is coming to Australia in 2007.

650straightskeet.com is taking expressions of interest for planned clinics instructed by Mr Todd Bender to be conducted September 2007.

With several confirmed numbers for Brisbane already, a minimum of 8 shooters per Capital City are required to confirm Sydney and Melbourne visits. At \$530 dollars for a full day clinic (max 4 per day), this is a marvellous investment in obtaining invaluable knowledge from experience that spans over 25yrs and dozens of world titles to his name.

For information regarding this once in a lifetime experience call Glenn 0411 402 010, email [glenn@650straightskeet.com.au](mailto:glenn@650straightskeet.com.au) or Mr Dave Coleman on 0417 929 131

# SYDNEY CLAY TARGET CLUB ANNIVERSARY SHOOT 2006

The big weekend had arrived and so to did the strong and cold south westerly winds. It seems no matter when we hold this shoot we seem to get the wind or the rain and sometimes both. Nevertheless 205 shooters graced the traps under some very tough conditions to compete for the \$43,000 in prizes.

*Overall High Gun Greg Coleman, Tony Abela, Stewart Leach & Chett Auditore*

The first event on Saturday was the 30t Peter Abela Memorial P/S Championship which was sponsored by Horsley Park Gun Shop. With only a handful of possibles it was the sharp shooting of Neville Owen with a 102/102 to beat the seasoned Glen Castellaro 101/102. The grades were taken out by Robert Clark 91/93 (A Grade), Jim Tsolakki 84/90 (B Grade), Adam Piddington 85/90 (C Grade).

*Kostaz Simaras Handicap, Stewart Leach*

The second event was the 25t Single Barrel Championship sponsored by Peter Vlandis and ESS Locksmiths. After a lengthy shoot off in windy conditions Bob Rose of Illawarra shot 68/68 to hold off Phil Grainger from Victoria 67/68. Grade winners Ziad Alameddine 24/25 (A Grade), John Soulis 23/25 (B Grade), Vincenzo Belcastro 23/26 (C Grade)

The last event for Saturday was the 50t Double Barrel sponsored by Safari Firearms and Victory Cartridges. With only a few squads of possibles in and the wind really howling by this time the scores were very impressive. The Zoli U/O shotgun was eventually won by Fil Petriella with a score of 116/116, holding off Tony Barton with a 115/116. The grade winners were Wayne Smith 50/50 (A Grade), Tracey Barton 53/54 (B Grade), Tong Shang 48/50 (C Grade). The Ladies was won by Wendy Barton 48/51, Junior – Joshua player 56/57 and Veteran was Frank Bradwell 48/50.

At the completion of the day and with the draw for the Calcutta complete all the shooters and their families enjoyed a beautiful selection of spit roast lamb and salads which was put on by Sydney CTC. The auctioning for the Calcutta began at 7:00pm and by 9:30pm Glen Castellaro had managed to sell 200 plus shooters (yes even Tony Chryss got sold) with a prize pool totalling \$12,400. A big thanks go to Glen Castellaro and his wife and kids for helping us run this. Also a big thankyou to Ben and Louise Machul for organising the collection of money and providing us with a computer program to work out who owed what.

Sunday morning arrived and so to did the cold windy weather from Saturday. With over \$12,000 in the prize pool and a Miroku U/O shotgun up for grabs the Highland Sport Handicap was hotly contested and there was much interest, even from those who had missed targets already. With only five possibles being shot, there were already murmurs of a split from the owning syndicates for the Calcutta. This did not happen and after just 14 targets local

*Bob Rose Single Barrel, Tas Psarakis*

shooter Kostaz Zimaras 39/39 had won the Miroku U/O shotgun as well as about \$7500 for his syndicate. Coming in a close second was Greg Coleman who shot a 38/39, 3rd was Peter Fitzalan with 32/33, 4th Angelo Salmon 30/31 and 5th was Michael Scarfone 26/27. Interesting to note that the same syndicate owned 1st and 3rd place netting around \$8500 - not bad for a weekends shooting. The were also Ladies, Veterans and Junior prizes added to this event and they were Wendy Barton 24/25 (Ladies), James Johnson 30/31 (Junior) and Abdul Chahrouk 45/46 (Veterans). Well shot to all these people.

The second event for Sunday was the 45t Ch/Ch sponsored by Highland Sports. In tough conditions Rodney Wright was the only one good enough to shoot the possible. His score of 75/75 took over-all with Greg Coleman 123/125 (AA Grade), Paul Farrugia 73/75 (A Grade), Mohammed Kheir 92/100 (B Grade) and Vincenzo Belcastro 72/75 (C Grade).

The third event of the day and the last event of the weekend was the 15pr Double Rise Championship sponsored by HomeCare Carpet and Vinyl. Two possibles were recorded in this event and after a quick shoot off one of our regular shooters Adrian Lloyd had shot 39/40 to outlast Greg Coleman 38/40 (AA Grade). The other winners were Charlie Andrew 28/30 (A Grade), Daniel Ribiero 27/30 (B Grade) and Michael Scarfone 28/30 (C Grade).

The High Guns for the weekend were decided without any need for any shoot offs, which meant we could get straight into the presentation. The Ladies, Veterans and Junior High Guns all collected \$500 each and they were as follows:

Ladies - Wendy Barton 270/295, Veterans - Peter Fitzalan 276/295, Juniors - split Joshua Player & Andrew Petriella 269/295.

Grade High Guns all took home a Miroku Model 10 Trap Gun and they were as follows: C Grade - Vincenzo Belcastro 260/295, B Grade - Brian Smith 258/295, A Grade - Gary Georgiou 276/295, AA Grade - split Bryan Manns & Rodney Wright 281/295.

The stand out shooter for the weekend was also the Overall High Gun winner which was Greg Coleman with 289/295. Greg shot well all weekend and received a Miroku Grade 6 U/O shotgun valued at around \$6000. Well done Greg. The were two other prizes handed out at the presentation and they were: Lucky Door Prize (Miroku Model 10 Trap Gun) - Leanne Salem

The encouragement award was one by Tony Chryss who held off strong opposition from Tas Psarakis and Tony Salem. Tony won a beautiful pink sash (his first) and is strong favourite to defend his title next year!

In concluding this article I would like to thank Stewart Leach and

# Psychological Skills for Shooting

by Michael Kruger-Davis

## THE MIND AND THE MATTER

For the past few months (and for an unknown amount of time in the future) I have been thrust into a new role in life: that of carer for my mother who is suffering from lung cancer. Even though I have worked for many years with children and adults dealing with grief and loss, I did not realize the impact that it would have on me personally. I didn't realize that some days would be bad and others would be worse, some would be happy and others vacant, in that I would not feel much at all.

Part of caring for mum, has involved not going to work some days. On one day whilst waiting for visiting hours at the hospital, I was sitting at a coffee shop and having just picked up the mail was sitting and going through the collections of bills, junk mail and Christmas cards. In amongst the mail was letter and invitation from Dr John McDonald from Albury to the launching of his new book; *The Mind and the Matter: A Guide to Meditation in Cancer*.

John is a specialist physician from Albury who I met several years ago at Albury-Wodonga Clay Target Club. John used to attend most shoots and enjoyed the sport as well as the companionship. Following a stroke a couple of years ago, he gave up shooting for bowls and in the time convalescing, wrote this book.

Psychologists understand the importance of the mind and the value of relaxation, visualization, guided imagery and meditation, but (and at the risk of offending readers who happen to be medical practitioners) this is not usually what I have found to be the case with GP's and specialists, so it was exciting to read that John was advocating that meditation should be used as a companion therapy to the treatment being offered.

John's book, *The Mind and the Matter; A Guide to Meditation in Cancer*, is the quintessential self-help book, because it is written to allow the reader to understand the problem but at the same time teaching them what to do and suggesting ways to avoid the problem coming back. The book is divided into three parts. Part one: Meditation and Visualization. Part two: The Nature of Cancer, and Part Three: Changing your Lifestyle.

Part one begins by defining what meditation is and even going through the very fundamental steps of setting up the process: the room, whether you are sitting or lying, your clothes, your hair, your chair and your posture. This section may appear very basic but it helps the reader get set up without any ambiguity or misunderstanding. The next part deals with relaxation and again, John walks and talks the reader through some basic muscle relaxation and breathing techniques. Calming the mind is the next part and the final portion of Part one deals with learning how to visualize and the steps involved with achieving the best results: stimulating the sense, using a mentor, seeing the cancer, seeing your defenses working and using positive affirmations and visualization to boost your immune system.

As a psychologist, I have had some very successful results with clients using visualization to relieve and stop migraine headaches, improve sporting performance and stop smoking. The human mind cannot tell the difference between what is real and what is imagined – so if you imagine the treatment is working or that you will perform well in sport, etc then you can perform better or the treatment will work faster and more effectively. I am also aware of research that uses visualization in the treatment of cancer where the cancer is seen as a swarm of mice and the chemotherapy is visualized as a large tomcat that is stalking and killing all the mice. In conjunction with the chemotherapy the visualization has led to higher remission rates than just the chemotherapy alone. This technique also works for children; the children are shown the old computer game pac man

where the little mouth goes through a series of tunnels and gobbles up things. The children are taught to visualize the chemotherapy as "pac men" and the things that he is gobbling up are the cancer cells.

Part two of the book deals with the nature of cancer and this section provides the reader with an easy to read, and more importantly easily understood, description of what is cancer, how it is treated and what the effects of cancer might be. Even though I have been caring for my mother, I have been reluctant to do any research on cancer. This is probably a classic example of denial, but my rationale is that I wasn't sure if I could trust what I was reading to be accurate. So I was relieved to be able to read the information in this section knowing that it was written by an experienced and qualified practitioner; I then had the courage to explore other areas such as the Cancer Council of NSW website.

Part three of this book deals with changing your lifestyle. Firstly looking at what, how, why and who, should change. John then explores good habits such as diet, rules for eating, activity and the need to look after your own mental well-being. There is a delightful section in here about being selfish especially for those in the remission phase or those who are cured. I would suggest that the same advice should be given to carers as well. Next, John examines the bad habits which are no surprise; stress, smoking and lack of fitness. Finally, John finishes with looking at the long-term aims and setting the goals for the future.

The first time I read the book I thought the sections were in the wrong order but then I realised, that by dealing with the therapeutic technique first, readers would have them in their subconscious whilst they dealt with the rest of the information. To do it in any other order may have lead the reader to focus on the disease and stop before getting to the positive and necessary information about how to meditate and visualise, so that these techniques can be used as a treatment option along with the other therapies.

I know I originally said the book was divided into three parts; but there is a fourth section, which has a note from the author, acknowledgement of books which have impressed him and a very useful glossary of terms. *The Mind and the Matter* is a very easy to read book that has a wealth of information, as well as easy to follow processes that teaches the reader what they need to know about meditation and visualisation. I have already found the book useful because I know more about cancer and hopefully by following the directions in part three I might even be able to avoid it myself in the future.

For further information regarding this book, readers can go to [www.mcdpress.com.au](http://www.mcdpress.com.au) or to order a copy you will need to contact Dr John McDonald PO Box 57 Albury NSW 2640. The book sells in Albury and Wodonga bookshops for \$25.00 or \$27.00 if ordered by post.

# XMAS NOVELTY SHOOT AT GLADSTONE

**Location 550 kilometres north of Brisbane, and resides on Queensland's Central Coast**

Gladstone Clay Target Club hosted its Annual Xmas Novelty shoot on the 10th December.

Twenty-seven shooters and visitors, including members of the Capricornia Field and Game Association enjoyed a fun day of non-competitive shooting, comprising 5 novelty events.

These events are great fun for our regular shooters, and especially for visitors and novices as an introduction to clay target shooting.

A strong southeasterly wind made the targets behave very erratically at times, making for some laughs from the gallery and some unprintable comments from the shooters.

The Gladstone Clay Target Club would like to thank the Queensland Government's Gambling Community Benefit Fund for the provision of funds totaling \$8,999 to assist in the purchase of a new Gemini Trap for our Tower layout. This new fully automatic trap has allowed us to dispense with the old manually operated system, therefore enabling us to host more tower events.

# It's Your Call

No. 14

By  
**Bill McCarthy**

As referees "qualified" or not we are often placed in unenviable and indeed unpleasant situations whilst doing our duty out on the tracks. We are all conscious, of situations which occur from time to time where we, as contemporaries of those we are judging, have to implement rules which may be distasteful to our brother competitors. Indeed, there is a very small minority of shooters who consider some rules to be minor or "pinpricking". It becomes increasingly difficult for us to apply these rules where some of our more temperamental shooters take offence. However, these rules have been well thought out and investigated thoroughly over many years by very experienced and knowledgeable shooters. They are there for our safety and our competitive equity

Let's face it not one of us likes to be placed in this position of embarrassment to the extent where we ignore the implementation of the rules to avoid conflict.

By far the most common situation (but OF THE MOST IMPORTANT) is in the area of safety. This is an area in which we should not make compromises. We as referees have a vicarious liability and responsibility to our fellow shooters, our sport, and to our public status in the community in regards to the retention of our firearms privileges and licences. Hence any accident, however small will bring us unfavourably to the notice of a multiplicity of government and

non government organisations, the media and the general public. Moreover, we must be aware of our vulnerability in a situation where we failed as a person in charge, to ensure we have complied with the simple precautionary safety rules laid down by our Association.

Our most common exposure is at the start of each event where we as Referees are required under GRTS 1 to have shooters check their barrels to ensure there are no obstructions in them. So many referees seem reluctant to implement this rule. The reasons are doubtless many and varied but the referee who fails to apply this rule may be in some difficulty in the event of an accident. Your Rules Committee has put this rule there for this purpose.

So, as the Referee of a squad at the start of an event you ask the shooters to check their barrels to ensure they are not obstructed. One shooter has already placed cartridges in his gun: he doesn't remove them and says "I checked my barrels before I came on the tracks".

If you started the event you would be quite correct. There is nothing contained in our rules that requires us not to proceed. Once having warned the shooters we appear to have shifted the responsibility back to the shooter concerned. Current firearms' rules state that firearms safety is the responsibility of everyone at the Shoot and not specifically the Referee/Range Officer/Shoot Marshal etc. There is however, a very clear responsibility on behalf of the Referee to make sure guns are unloaded at the appearance of a red flag at the trap house and when someone is going forward of the firing marks and tracks. In these cases the rule is specific in its requirement of the Referee. The Referee is also required to instruct shooters to "unload their guns and check their scores" at the end of each visit to a trap. It is absolutely unnecessary for you to accept a responsibility for someone else's indiscretions or accidents. Your Association has done its best to give you the facilities to monitor and regulate safety issues to prevent potentially dangerous incidents from occurring. By bringing GRTS 1 to the attention of shooters you are creating the first step in safety awareness.

It is incumbent on all shooters to know this rule and abide by it. It is there for our protection both in the sense of our own liability and safety and the safety of our contemporaries. We should not take offence when asked by a Referee to perform this task.

## Riverina Ramblings

**The adventures of a couple of ordinary blokes in the Eastern Riverina**

It's been a busy time, Pee Wee has been to Asia on pleasure (business, I think he said) which is a nice way to spend one's time and I have no idea what he was doing; the bride is really suspicious and thinks he is setting up a drug importation syndicate or some such thing. I have been over the Tasman poking around so there has not been to many cracker popping recently. We're about to fix that.

Rang up El Presentito and got onto the boss (Noelene) and she was telling me how the mighty Callawadda club has just fitted their new Canterbury trap and that El Presentito is pretty damn happy with himself. He has been giving Noely chapter and verse on how difficult it has been to change the trap house into a rear access trap. Yep I could just imagine how hard he has been working (drinking) with all his cronies out at the club house everyday with an excuse for being out there. I reckon the conversation would go something like this. "We had better shoot another

round just to make sure Brian", "Good idea, Col, I turned the temperature down on the ladies cake fridge so the Crownies are probably half an hour away from optimum anyway". Yeah the boys would be busting themselves putting in the big yards for the greater good; wish I was there.

Whilst the Yard Boy was in Korea he managed to get to a club for a shot, they haven't discovered DTL yet and only shoot ISSF Skeet and Trench so Pee Wee decides to have a round and for a mere \$75.00 USD you too can get a couple of packets of RC's and 25 targets to have a go at. The "Yard Boy" doesn't whinge about the cost of his chosen sport that often so that must have been steep. Apparently no one could speak English so I wouldn't be surprised if they were asking for 75 won (10,000 won is = to about \$15.00AU) and he's probably been stitched up. Anyway he shot a 19 and won a live rooster, there was a bit of muttering from the locals about this ringer coming over and cleaning up. I know how they feel.

We were supposed to go and have a shot with Spud and Leslie at Corowa a couple of weeks ago but we had Mea's, 21st birthday party (Pee Wee's daughter) on Saturday night. It was pretty funny actually as little Mea is making her speech, she thanks her Mum and Nana, her uncle and cousins and a special thanks to Kim the elder sister for all the effort to make it a special night and finally as an after thought she goes, "thanks Dad, but he didn't do much". Don't know if it was the beer but I thought that was hilarious. What I do know is our plan to go to Corowa was set aside due to a beer Virus.

The Mt Bogong Christmas shoot, what a ripper. I can here people all across the nation going where is Mt Bogong. It is situated in the foothills of the Victorian High Country just outside Mt Beauty at a little place called Tawonga. Nine squads subbed up at this most beautiful of gun clubs. The club is situated on the side of a valley with the trap layout in

# BARCALDINE HOSTS CHARITY DAY

**Located In Central Western  
Queensland**

Over 60 registered and novice shooters turned out on Saturday 11th November at Barcaldine Clay Target Club.

It was a great opportunity for potential shooters to have a go at the sport. The teams' competition, consisting 5 target eye opener and 10 target Single Barrel, resulted in a shoot off and a lucky draw decided the allocation of prizes. Each shooter received a souvenir key ring and watches for the lucky winning team were all kindly donated by Sportsmania Emerald.

Plenty of members showed up from neighbouring clubs, Blackall and Ilfracombe to lend a hand with supervision and encouragement of shooters. The event was a fundraiser in support of Naomi Burey of Ilfracombe, and entrant in the Spirit of Queensland Awards for the Royal Flying Doctor Service.

A BBQ lunch was followed by some Christmas novelty events. The motivation to bag a ham or chook ensured keen and friendly competition. Free drinks clays scattered through the targets added to the spirit of the occasion.

This was an enjoyable and successful day for both the RFDS and the Barcaldine CTC. Many thanks to everybody involved for their enthusiasm and generosity.

Barcaldine have their Annual Two Day Shoot on 24th and 25th March, 2007.

front of the club house, but substantially lower, on a finger of land which juts out over the valley so the birds just seem to go into space.

A single layout meant that the shoot marshal had to keep it rocking but who cared it was a Christmas shoot, novelty events such as walk back and 16 m D/B, a superb sheltered shady location, a beautiful early summers day in the high country and a great group of people.

There were families and kids running everywhere, Col Elkington of the Albury gun shop fame was knocking up BBQ marinated chicken wings and handing out Crownies to drink once the guns had fallen quiet. I keep saying it, but there's an awful lot to be said for the smaller country clubs. Things seem to happen at a pace more suited to enjoying and experienc-

ing rather than just competition. For example where else can you sit in a deck chair under the shade of an English Oak with something cold to hand and actively heckle the shooters during shoot offs. The chant of "Go Pee Wee cha cha cha" will long live in my memory. Of course the "Yard Boy" choked and then had the tenacity to blame Ray Oakley, Spud and myself for putting him off, as if.

Darryl Hunt turns up with these new grey cased Winchester Crackers, American Sporting clay 1 oz load and do they get the job done from 25 meters let me tell you. Pee Wee was green with envy as they hit even harder than the \$180.00/ case B&P thingies that he uses. Did I mention they kick, they have got more kick than Angelo Stephani's home made Grappa and you could launch the space shuttle with this gear. I have got to get some, just to plague the Yard Boy.

## PETER McGUIRE

### Grafton Clay Target Club

It is with sadness that Grafton Clay Target Club informs readers of the death of Peter McGuire who was one of its most respected and cherished members of the Grafton Clay Target Club.

Peter was first and foremost a family man but he had also been an integral part of the Grafton Clay Target Club for over 30 years.

He held many critical committee positions within the Club and was its President for 16 years. He spent literally hundreds of hours of his time at the Club keeping the surrounds neat and tidy by mowing and maintaining the grounds and completing many of those odd jobs that always seem to accumulate around a Club. He was the familiar face who ran the Office on shoot days.

His tireless work was recognised when he was made a Life Member of the Club in 2005.

Peter was a crack shot too. In his formidable years he travelled extensively around NSW and Southern Queensland winning many prestigious events and literally had a room full of sashes and medals as testimony to his shooting proficiency. He was also a great advocate in encouraging junior shooters.

Perhaps the greatest accolade that could be said about Peter is to quote from the song which he himself had requested be played at his funeral "So long . . . it's been good to know yuh"

## ARTHUR NORMAN ROWE

### 1919 - 2006

### Gold Coast Clay Target Club

The youngest of eleven children Arch grew up mainly in the Proserpine area of Queensland, cutting cane and getting involved in road cycling, football and later archery. He joined the Army at the start of WWII and served mainly in New Guinea and Bougainville.

A very quiet man, Arch did not talk much about his war experiences but I believe his prowess with a bow and arrow was made known to the enemy. During this time he "acquired" two personally inscribed Japanese flags, one of which was returned to Japan through the Japanese Embassy some 40 years after the war. Always a keen photographer Arch was granted permission by the Army to set up a makeshift studio in the jungle where he produced numerous images of wartime experiences around him.

About 1960 Arch took up clay target shooting at Bathurst NSW where he later became club president. He was a member of Australia Macintosh Team in 1962.

While at Bathurst he formed the Bathurst Archery Club and was their President and Club Champion for four years.

Arch and his wife Alice moved to Yamba on the NSW north coast where he found a location and formed the Yamba Clay Target Club and became its President until moving back to several locations in Queensland, enjoying prawning and reef fishing and finally settling with Alice in Mackay.

Arch was a member of the ACTA Executive Committee from 1970 to 1980 and devoted much of his efforts to referee training, rules improvements, safety on the shooting ground and to upholding gentlemanly conduct within our sport. He was the ACTA's honorary ambassador to clubs in New Guinea where he did much to promote the sport.

Arch was granted Life Registration with the ACTA in 1980.

Another good mate lost.

## JOHN TIPLER Gold Coast Clay Target Club

It is with deep regret I advise the passing of well known and respected Gold Coast Club member, John Tipler, on the 21st of October 2006.

John fought an intermittent battle with cancer in recent years and had been unwell for a time.

Sincere condolences go to Johns' wife Carol (nee Ogden), also a well known Gold Coast member and national Skeet identity, and to the Tipler family.

It was shooting that brought John and Carol together and following their marriage in 2000, they travelled extensively to Skeet shoots all around the country.

They volunteered as shooting officials for the 2000 Sydney Olympic Games and enjoyed the great experience of that international event together.

John served his Club as a Committeeman and Skeet Captain, and will be long remembered for his mild manner, his attention to detail, his immaculate attire and generally well-concealed wicked sense of humour.

His memorial service and cremation was well attended by fellow Club members and members of the Queensland Skeet shooting fraternity.

# A Hot Xmas Shoot at Echuca

Echuca Clay Target Club held their 2006 Christmas shoot on Sunday the 10th of December, in heat of 41 degrees, with a blustery wind added to also make shooting targets extremely difficult. The main event was a "Champion of Champions", a 25 mixed target event of which only a competitor that had won a championship at Echuca throughout the year could accept the Champions Sash.

Steve Atkins, Champion of Champions

With a total of 35 points on offer in the event, only one shooter was able to finish with a full score, Echuca member, Rob Viney, on a score of 35/35. Unfortunately Rob could not accept the Sash, as he had not won a Championship throughout the year, and to rub salt in the wound, Rob did the same thing in 2005. Steve Atkins was the shooter awarded the "Champion of Champions" sash on his score of 33/35, Rob collected 1st in AA grade, AA 2nd was Leigh Fitzgerald 34/35, AA 3rd Arthur Turner 33/35, A 1st Peter Gobbo 34/35, A 2nd Ian Gebhardt 31/35, A 3rd Murray

Roberts 31/35, B 1st Peter Sing 33/35, B 2nd Steve Lindberg 32/35, B 3rd Brett McMinn 31/35, C 1st Glen Calleja 33/35, C 2nd Paul Nester 28/35, & C 3rd George Calleja 27/35.

Also on offer were 3 10 target events, the first being a walk back, starting on the 11 metre mark and moving back to the 20 metre mark, with the shoot off then continuing from there to the 25 metre mark. AA 1st was Rob Colliccoat, AA 2nd R Viney, AA 3rd A Turner, A 1st Ray McKenzie, A 2nd Ron Traill, & A 3rd Craig Scott, B 1st Howard Hawking, B 2nd Jack Colliccoat, B 3rd Rob Vesty, C 1st Glen Calleja, C 2nd Rob McMinn, C 3rd P Nester. At this stage all in attendance enjoyed an afternoon tea supplied by the clubs ladies committee, with a variety of food and drink to satisfy everyone at the shoot, especially the scones with jam and cream.

Event 3, was a Graded Handicap with AA 1st going to Russell Felmingham, AA 2nd Ian Holshier, AA 3rd L Fitzgerald, A 1st Ken Bruns, A 2nd I Gebhardt, A 3rd R Traill, B 1st H Hawking, B 2nd F Gobbo, B 3rd B McMinn, C 1st P Nester, C 2nd Rheese Eeles, and C 3rd Glen Calleja.

Event 4, an Auto & Driven, with 1 target out of the trap, and on report, 1 out of the low Skeet house. 1st in AA was Geoff Viney, AA 2nd Craig Fitzgerald, AA 3rd I Holshier, A 1st Ken Bruns, A 2nd Glen Viney, A 3rd R Traill, B 1st F Gobbo, B 2nd Allan Johns, B 3rd B McMinn, C 1st Rob McMinn, C 2nd P Nester, C 3rd R Eeles.

With a good attendance of 53 shooters, most with their families along as well, everyone was pleased that the shoot went very smoothly, and with presentations of hams, puddings, cakes, and chickens, all done by 6.00pm, everyone sat down to a full meal, once again supplied by the Echuca Ladies Committee. Very much appreciated Dot & Heather and all your helpers, well done!

# JACARANDA OPEN CLASSIC 2006

Grafton on the beautiful North Coast of New South Wales is renowned for its Jacaranda Festival around November each year. The Grafton Clay Target Club again held its one day Jacaranda Open Classic on Sunday 12 November 2006 whilst the purple trees were still holding their magic colour. This year there was a worrying aspect to this day of shooting with many parts of the eastern states having their worst drought. Grafton however and the North Coast of NSW was experiencing an unexpected excellent season with rain on each of the ten days running up to the Classic.

*2006 Jacaranda Queen Leigh Pritchard sashes the overall winner of the Jacaranda Mixed Classic Robert Clarke from the Cessnock Club*

So it was with much relief that the Jacaranda Open Classic morning dawned with a forecast of a perfect dry hot and humid day.

A large field of 8 squads were underway right on time and when the first event of a 25 target Double Barrel Cash Divide was completed no less than a quarter of the field had a red score on the board. It was obviously going to be a spirited day of shooting.

The second event was the 30 target Jacaranda Mixed Classic of Double Single and Points Score. When all was completed the day was running so smoothly there was time to sit down and have a delightful lunch prepared by our wonderful canteen staff whilst the office staff worked out the shoot offs.

Five competitors came in with the perfect score and were determined to knuckle down and win the Overall. Eventually after a final tussle with local shooter John Black, Cessnock shooter Robert Clarke took out the Jacaranda Mixed Classic Championship Sash. Rumour has it that Robert enjoys shooting at Grafton so much that he might even move here.

As the day temperature rose so did the humidity but it was now

time for the prestigious main event of the 50 target Jacaranda Double Barrel Championship. Competition was really intense. At the end of shooting five competitors had shot the possible and were ready for the shoot off. Strangely the shoot off did not go as long as many had predicted and finally regular Dorriggo visiting shooter Clem Cunningham was the eventual winner taking home the Overall Sash.

By this time the 2006 Jacaranda Senior and Junior Party had arrived and were to witness a rarity. Seldom would we have four competitors missing only one point for the day but incredibly this had occurred so again a shoot off was required to determine the Overall High Gun. Steve Kelly from the Yamba Clay Target Club showed his prowess and took the High Gun trophy with a score of 154/155.

It was now time to witness the poise and glamour of the Jacaranda Party as they introduced themselves and then went about distributing the prizes. Our visitors are always impressed with the charm of both our Junior and Senior girls and thoroughly enjoy their annual visit to our Club. Today was going to be a little more special as the 2006 Jacaranda Queen revealed that she had a special affinity to clay target shooting as she was a niece of the high profile Inverell Club President.

The Jacaranda Open Classic is rather unique as Coffs Harbour and Grafton Clubs run a combined shoot over the two days of the weekend. For those who shoot the whole program at both Clubs there is an opportunity to win a special prize which this year was a Hitachi Cordless Drill. The final task for our Jacaranda Queen was to draw out the winner and staunch supporter Michael Hickey from the Glen Innes Club happily went home to replace a worn out drill on his farm.

# NEZ Title at Mathoura

Located 768 km south-west of Sydney in the Riverina  
Region of NSW

A Victorian North East Zone title was enough to attract three full squads of shooters to Mathoura Gun Club on Friday night the 24th of November. Seventeen shooters vied for the Overall Sash & Trophy in the 25 Target Night Single Barrel Championship. Two competitors were able to hit 24 of the 25 targets, both being local members, George Bradley and Roger Kerslake. They lined up for a shoot off which only lasted three more targets, Roger dropped his 28th which gave George the Overall & A grade win on a 27/28 score. Roger took out B grade 1st on 26/28, and Rob Johnson from Euroa collected C grade 1st on a score of 19/25.

The weather could not have been better for the shoot with no wind at all and the temperature was cool without being cold, also the mozzies must have been on holiday as there was none at the shoot at all. Five competitors managed to hit 10 out of 10 in the 10 Target Double Barrel Cash Divide. Deniliquin shooters collected the bulk of the cash in event 1: Alex & Mark Everitt, & Tim Maher, all Deniliquin members, and Laurie Fitzpatrick (Euroa), & R Kerslake (Mathoura).

George Bradley overall and A grade SB

Alex Everitt 1st DB tower

Two separate shoot offs were required to get three places in the final event. It was a 15 Target Double Barrel Night Tower competition. Alex Everitt & Roger Kerslake were both clean on a 15/15 score, and both shot for 1st or 2nd with Roger tripping up again, giving first place to Alex. Alex is a Junior shooter with a lot of promise, and he finished with a 21/21 score, and Roger took out 2nd place on a score of 20/21. Also there were three shooters vying for 3rd all on a target down, Harry O'Connor (Mathoura), Laurie Fitzpatrick & Murray Roberts (Echuca). Another shoot off which only lasted three targets with Harry seeing off all others and collecting 3rd on a 17/18 score. Well-shot Snow!

Presentations were all over by 10.45pm giving travellers an early start for home after being thanked for their attendance by club President, Roger Kerslake.

## CROFTON STREET STUDENTS ON TARGET

Echuca College, Crofton Street Campus, year nine Students, having attended a shooting clinic on the 28th of November, arrived at the Echuca Clay Target Club's ground on Tuesday the 5th of December 06 for their second visit to experience the sport of clay target shooting. With three squads in total, and all eager to improve on their score of the previous week, the boys seemed to be even more attentive to the coach's advice. Two squads of students were allocated to Down The Line Traps, and for those that had struggled for scores previously, they were placed on Skeet lay-out seven which is the easier of that discipline.

Daniel Ferrier winner

Brendan Smith 2nd place

With another ten targets to be shot at Single Barrel on this day, all students ended up with at least some targets hit out of the total of twenty on offer. The winning score of 16/20 was shot by Moama's, Daniel Ferrier, which is a very good result from a learner shooter, second place was another student from Moama, Brendan Smith, only one target less, being a respectable 15/20, and Jarad Hudson taking out third place with a good score of 14/20.

Some boys shot well one visit then not the other but all when asked were adamant that they had enjoyed the experience, even Teacher, Karl Stenning, who had shot well at an earlier visit in the year failed to hit the few targets he was offered this time, but still maintained it was a very pleasing sport. The hand, eye, co-ordination required to succeed in this sport does take some time to acquire, and for these students to achieve the results they have so far speaks well for their good behaviour, and the attention they have paid to the members who have provided the coaching.

Once again the members of the Echuca Clay Target Club wish to thank the Echuca College and the teacher's for taking an active interest in the sport of clay target shooting.
