## March 2-Day Shoot

### Location Canberra

Near perfect conditions greeted 9 squads of shooters on Saturday and 11 on Sunday for Majura's 2-Day Shoot. Antonia and Audrey did a sterling job on the counter, as always, and the shoot was underway just a few minutes after the scheduled start time.

The first event was the 30T Double Barrel and there were in excess of 15 clean rounds from AA through to B grade. Lance Pinner and Sam Amey were the last 2 shooters standing and Lance got the money after Sam dropped his 198th target. Results through the grades were:

AA 1st Sam Amey 197/198 AA 2nd Ross Liersch 141/142  
A 1st Gavin Crisp 81/81 A 2nd Joe Thaller 35/36  
B 1st Stefan Seckar 52/53 B 2nd Kerry White 36/37  
C 1st Karen Tittlebach 27/30 C 2nd Les Burchell 20/30

Second event was the 50T Points Score – sponsored by Highland Sports. With just 2 clean rounds Sam Amey was off to another shoot off, this time with Andy Christou. Unfortunately for Andy he pulled a second on the first target so Sam got the money. I know Theo

Leonatos won't want me mentioning this but he had travelled from Sydney with 1 goal in mind – to get back into AA grade. And after 2 events he was happy – back in AA after shooting 149/150 in the event. A big thank you to Stewart Leach at Highland Sports for his ongoing and valued support. Other results were:

AA 1st Ross Leirsch 149/150 AA 2nd Tony Burgess 159/162  
A 1st Andy Christou 152/153 A 2nd Theo Leonatos 149/150  
B 1st David Claxton 142/150 B 2nd Karl Griefan 137/150 C 1st Liam Murphy 139/153 C 2nd Gary Betar 136/153

Next on the card was the 30T Handicap, sponsored by Horsley Park Gun Shop. With a new Miroku shotgun up for grabs, all shooters were keen to do well. 5 shooters shot a clean round – Michelle Beecham, Dale Chin, Nick Xenos, Tony Burgess and Veteran Brian Frost. Michelle Beecham was the first to depart, followed by Dale Chin. Nick Xenos had been shooting superbly off 24m but an

Ladies High Gun Champion Tracey Barton with John Petriella

errant right swinger saw him depart and leave it to Tony and Brian to shoot for the new shotgun. Tony dropped the 30th shoot off target and Brian was successful. Thank you to Horsley Park Gun Shop for their valued support.

More shooters turned up for the Sunday events and were again greeted by excellent conditions. First event was the 50T Double Barrel Perazzi Classic.

# NATIONAL PRESIDENT'S NOTES

*Bill Jones*

Well the Trap Nationals are over for another year. Over 400 shooters attended. The National ground looked a lot greener than last year, due in part to the rainfall in the week prior to the start of competition and the hard work by the ground staff.

I would like to thank Andy, Cheryll, Maureen, Rowena and Sue for all their hard work leading up to and during the Nationals.

The Hall of Fame Dinner was held on Wednesday 28th March and the inductees for this year were Joe Raleigh (posthumous), Neil Berry and Barry Kable. The new venue proved to be very successful and a great night was had by all.

The first Junior Development Camp for 2007 was held in the week leading up to the Trap Nationals and all the participants were extremely keen and very interested in what is ahead of them for the year.

# Montana Crawford Charity Shoot

Location northern Victoria

St James Clay Target Club held a Charity shoot on the 10th of March to raise funds for the Montana Crawford Trust Fund. The trust fund has been set up in conjunction with the Tungamah Lions Club to help assist children with major medical problems. Currently the fund is helping out Montana Crawford, who is the 2 year old child of Vickie and Simon, who a week before Christmas was diagnosed with Infantile Neuroaxnal Dystrophy..

OA HG Winner Brett Ford with Montana and Vickie Crawford looking on

There were 59 shooters in attendance, and the Overall High Gun winner of the day was Brett Ford with a score of 108/110. Brett has been away from the sport for the last 2 1/2 years, so it was good to see he hadn't lost any of his abilities in that time.

Ladies HG Leanne Harbor

The Ladies and Junior High Gun winners made it a family affair with Mum Leanne Harbor winning the Ladies High Gun and shooting her first possible and her son Brad won the Junior High gun. The Veteran High Gun was St James Gun Club President Jim Kelly, Novice High Gun was Mick Saunders from Tungamah and the Novice Junior High Gun was Aaron Saunders also from Tungamah.

A Lucky Nomination prize of a gun safe Donated By Lokaway was won by Cosgrove Shooter Rocky Furci.

**Deniliquin Gun Club** was formed in early 1946 with Fred Robertson president and Horace Mathews secretary.

The first shoots were held in the showgrounds.

In 1947 Garry Daly was elected president and the club secured 10 acres of leased land along the cemetery road (now Wirraway Drive). The club functioned at this site until the early 1980s. During this time the club held many State and Commonwealth titles and produced Australian and Commonwealth champions.

In the 1970s cars were given as prizes at shoots and the club functioned with great success. With town development it was forced into recess in 1982.

With an upsurge of interest in clay target shooting in 1983 moves were made to revive the club at a new site on the racecourse reserve.

The new grounds were officially opened in November 1984 and consisted of two layouts, club house and amenities block.

# THE END OF AN ERA

## *Sunshine Coast Clay Target Club*

Location 1hr north of Brisbane

The Sunshine Coast Clay Target Club Inc at Caloundra, Queensland is being shut down in July 2007 by the Caloundra City Council. The club has been on its existing site for 34 years conducting the community sport of Clay Target Shooting, during this time the club has built a modern clay target complex where many Queensland and Australian shooter were proud to compete and bring their families to our City and Sunshine Coast Beaches for there holidays. In July this year the complex will be demolished.

Our club has fallen to the word "Progress" which many politicians use to extract land and dismantle sporting clubs this seems to be acceptable in their world and giving clubs no recourse to defend themselves. Sadly our grounds will be given to another sporting body (A Horse Equestrian Precinct).

Our club members would like to advise our fellow shooters of our circumstances and our efforts to save our club and sport and hope you have a more understanding local council if you experience the same.

### HISTORY OF SUNSHINE COAST CLAY TARGET CLUB INC

The club was originally formed in 1973 and in 1977 the late Mr. Ian Arthur and Mr. Arthur Dean negotiated with the Lands Department a 30 year lease for the club.

A lease was drawn up with the Landsborough Shire Council for thirty years on the 5th July, 1977, under Lease of Reserves, under section 343 of the Queensland Land Act 1962/1975. The lease was originally given to the club by John L Beausang then Chairman of the Landsborough Shire Council

The Reserve for recreation covers an area of 14.76 ha with the entrance facing Pierce Avenue, Bell's Creek (Little Mountain).

The land when the club received it was a contaminated site previously used as a Sanitary Disposal Dump.

The club members filled all the disposal trenches with soil and regrassed the area with couch grass to a standard to be maintained and kept in mowed condition. The club stabilized the trenches in the water course to prevent erosion.

The club is conscious of the environment and has maintained the beautiful stand of Gum and Bloodwood Trees situated in the centre of the lease for future generations and wildlife. The club has always looked after the wild life. Especially the kangaroos and wallabies by supplying water for them in the dry times. The

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. animals became so quiet they would feed on the mowed grass area whilst competition was in progress. Unfortunately the town dogs and development is taking toll on the wildlife.

The Sunshine Coast Clay Target Complex has been built by voluntary labour from the members for the community to enjoy the sport.

The sport allows men, women, Juniors, Veterans and people who are disabled/or in a wheelchair to participate in an Olympic Discipline Sport.

The club encourages juniors in the community to be involved by advertising and having

### OPEN DAYS AND CHARITY DAYS

The clubs aim, namely, to promote and advance the interests, welfare and development of Clay Target Shooting to the community of the Sunshine Coast.

The Clay Target Complex consists of 4 down the Line Traps, one Ball Trap Layout and One Skeet layout.

The club has built a modern club house for its members and their spectators to enjoy the sport and social events. The club also has a secured playground area for the children and a car park area for 100 cars.

The Sunshine Coast Clay Target Club is affiliated with the Australian Clay Target Association and conducts the sport to the Australian Rules and Regulations.

The club conducts Commonwealth, Australia, Queensland, Zone and District Championship Events, and also runs two; 2 day Annual Carnivals during the year for its members and shooters from all over Australia. The Club makes its ground available for the Australian Army for social days, plus many community charity bodies.

The Sunshine Coast Clay Target Club has a good relationship with adjoining land holders. We allow the Corbould Park Race Club to use our grounds for parking for their major events.

Over the past 12 years the club has been trying to negotiate a new lease agreement with council without success. The club has lobbied Federal, State Politicians for assistance; they were all sympathetic to our cause and may be able to assist us in the future, no time frame given.

Our neighboring club, the Caboolture Clay Target Club has offered our club the use of there grounds for our monthly shoots, so our club can retain its identity until we can find new grounds, we thank them immensely.

The Sunshine Coast Clay Target Club will be holding a Three Day Carnival on the 29 - 30th June and 1st July 2007 as a Final Farewell to our Caloundra Grounds, which will be advertised in the CTSN. We ask you to join us to celebrate the good times experienced over the years and the many fine people and shooters who supported our club as a final tribute to our clay target complex.

# Guyra Gun Club Hosts Northern Zone Shoot

Location at the top of the Northern Tablelands in the beautiful New England region, approx half way between Sydney and Brisbane

Oh No!!

Picture the scene. Big event - Northern Zone 50 Target Single Barrel Championship held at Guyra in February. A squad of six AA Graders all from the Guyra club, all good shots. There's an atmosphere of concentration and confidence on the lanes. The event is underway! Jamie Poole puts the gun to his shoulder for his third target. "Puulllll ..... Click !!!" The referee correctly walks to Jamie who has his gun pointing over the trap house. The ref opens it. The cartridge is in the top barrel and only fresh air in the bottom barrel! Jamie's concentration is so intense the shell is dropped in the wrong barrel!

Only two words are spoken, "Lost target!" Where is the camera when I need it!

Jamie's misfortune reminded me of a story my father, Vince Mackson tells. Vince is an 82 year old member of the Guyra club who still has a shot.

Vince lives in Glen Innes on the Northern Tablelands. To the north of Glen Innes is the small town of Deepwater. Driving through today, one can see architectural evidence of busier days of rural prosperity from past years. One particular store in the town occasionally faced the derision of the locals because of the shortage of stock on the shelves.

Some 30 odd years ago Vince was shooting at the old Glen Innes club when the shooter along side him put his gun to his shoulder. "Puulll ..... Click ... Click !" The ref opened the gun - not a cartridge to be seen. The shooter in the squad, who lived on a nearby property and frequented Deepwater often for his retail needs, was heard to remark, "It's just like our local store, there's nothing in it !!"

The Northern Zone Clay Target Championships and Team Selection Shoot were held in conjunction with Guyra Gun Club's February 2007, Open Shoot. The Championships were opened by the Member for the Northern Tablelands, Richard Torbay, MLA. He commented, during his address, that clay target shooting is a sport that is so well supported and so professional. Also, he made the point that it is an Olympic sport to be proud of.

Seventy-five shooters tuned out on Saturday and seventy broke the clays on Sunday. Guyra provided the tricky light that it can and these conditions contributed to keeping scores lower than expected.

Event One was the 25 Target New England Points Score Championship. It was won by Tamworth's Brad Henshall with a score of 84/84. AA Grade was

NZ Open Team John Webster, Brad Henshall, Andrew Skinner, John Sleightholme (absent Roger Vidal)

Andrew Skinner DB & Monty Klinger H/C

Jeff Richardson, Richard Torbay MLA, Dale Ellis.

NZ Ladies' Team, Helen Gay, Cindy McBean, Tanya Marshall

won by one of the North's best female shooters, Helen Gay (83/84) from the Camel Hill club, (west of Denman in the Upper Hunter.) Second in AA Grade was Ray Jenkins (80/81) from the Cobar club. A Grade was won by Ross MacLean (Newcastle Lake Macquarie) with 77/78 and second place went to Matt Duncan (98/99). Guyra's Brian Campion shot 74/75 to win B Grade and the B Grade runner-up was Tania Marshall also from the Guyra club, (70/75). Clinton Harrison won C Grade with a score of 68/75. He beat Graham Armour on 57/75.

The 25 Target Double Barrel Northern Zone Handicap was won by Glen Innes shooter Monty Klinger with a strong 28/28. Second place went to Jamie Poole (Guyra, 27/28). Third was Tim Bourke on 26/27. Bob Aitchinson (25/26) took fourth place and Matt Duncan (38/39) collected the fifth place spoils.

Event Three was the 50 Target Northern Zone Double Barrel Championship in conjunction with the Guyra Super Trap, 2007. Guyra's Andrew Skinner fought off a hot field to win the event with 111/111 from Will Saunders from Quirindi on 110/111 who consequently won AA Grade. Geoff Baxter (Guyra) was second in AA Grade with 105/106. Matt Duncan won A Grade with 69/70 from Tim Bourke (65/66). Mick Wilkins shot 48/50 to win B Grade and Tania Marshall continued her good form to shoot 47/50 and take second in B Grade. Tammy Kelly shot 44/50 to take C Grade from Clinton Harrison on 43/50.

Event Four, contested on Sunday morning, was the 50 Target Northern Zone Single Barrel Championship. Tamworth's John Sleightholme shot a perfect 53/53 to win overall. Kim Nealon (Yamba) won AA Grade on 52/53 and Guyra shooter Geoff Field was second in AA Grade with a score of 49/50. The A Grade victor was Les Kennedy (49/53) from Ross Maclean 48/53. B Grade went to Rick Bannerman (45/51) who defeated Mick Wilkins (44/51) in a brief shoot off. Clinton Harrison continued his strong C Grade form with a 44/50. Charlotte Piper was second on 43/50.

The final event was the 50 Target Northern Zone Points Score Championship. Brad Henshall recorded 150/150 and the only possible in the event to be a deserving Overall winner. Roger Vidal posted 168/171 to win AA Grade from Taree shooter John Webster (167/171). Ross Maclean won A Grade (147/150) and John Clark (145/150) from Glen Innes was second. Joe Marshall took B Grade with 138/150 and Brian Campion shot 141/156 to take second prize. Clinton Harrison (119/150) won C Grade and Tammy Kelly was second with 109/150.

The respective High Guns were: Junior, Will Saunders; Lady, Helen Overton (Brewarrina); Veteran, Geoff Baxter; C Grade, Clinton Harrison; B Grade, Rick Bannerman; A Grade, Ross Maclean; AA Grade, Andrew Skinner; Overall, Brad Henshall.

The Open Northern Zone Team to contest the State Carnival in Wagga Wagga in October is Brad Henshall (Tamworth), John Sleightholme

NZ Juniors' Team Will Saunders and Tyson Kennedy (absent Dean Caldwell)

NZ Veterans' Team Geoff Baxter, Les Kennedy, John Kent.

(Tamworth), Andrew Skinner (Guyra), John Webster (Taree Wingham), Roger Vidal (Guyra).

The Ladies' Team is Cindy McBean (Inverell), Tania Marshall (Guyra) and Helen Gay (Camel Hill).

The Junior team is Will Saunders (Quirindi), Dean Caldwell and Tyson Kennedy (Inverell).

The Veterans' Team is Geoff Baxter (Guyra), John Kent (Inverell) and Les Kennedy (Inverell).

## ROSS HENRY ELVY

31.5.1939 - 16.2.2007

It is with considerable sadness that I wish to advise the passing of Ross Elvy.

Ross would be remembered by many older shooters as a well respected, long standing member of the Royal Aero Club of New South Wales and for many years a representative and NSW Sales Manager of the ICI nee IMI Ammunition Company.

After leaving I.M.I. Ross pursued business interests in the Marine, Automotive, Manufacturing and Rural sectors.

In 2001 a debilitating illness forced the sale of his beloved property "Kurrara" at Hunters Springs in the upper Hunter Valley, confining Ross to his home in Neutral Bay and ultimately to a private nursing home in Mosman. He passed away peacefully in his sleep in the early morning hours.

### Deniliquin Gun Club

Brian grew up as an only child at the sheep station Merungle near Booligal. After completing the Leaving Certificate at Hay Memorial High School he took up a carpentry apprenticeship in Sydney. After 9 months in the city the "call of the bush" was too great and he returned to Merungle and then on to Deniliquin in 1950 to set up as a Station Contractor. In 1953 he married a local girl, Betty Petersen and lived his whole life in the area.

Brian loved working for himself in the outdoors. He had great pride in his work, whether that was the straightness of a fence, the quality of his concrete race or loading ramp, how well his timber rails meshed and so on. The General Manager of Boonoke station was very impressed with the quality of Brian's work giving him the nickname the "Chainsaw Carpenter". Brian also prided himself on being a thinker. Probably his best idea was the fire proof gateways with underground railway iron in response to bad bush fires in the late 1980s. The design meant non movement of the gate posts and bushfire resistance.

Fishing and Camping were some of Brian and Betty's favourite past times, especially in the retirement years. Brian spent a lifetime improving his fishing skills, his freezer rarely without some local Murray cod. One of his pet hates was bragging, so he always kept quiet about any success and anyway, if you found a good fishing spot, why would you tell anyone? But he only ever caught enough

fish for his family and an elderly friend or two over the town. There was no better time in his life, camped on "The Bong", a few springers set, camp fire going, a can of beer and telling stories (snake ones to his granddaughters was his favourite).

Shooting was another favourite pastime for Brian and he was an outstanding shot. During his fox shooting days, he shot 127 in a row with a .17. He was also a very keen duck hunter and shot 11 wood ducks with one shot when he was a teenager.

When duck shooting was outlawed in the mid 1990s, Brian joined the Deniliquin Gun Club and took up Trap Shooting at the age of 65. He more than held his own in the local competitions, winning many grade events before illness prevented him from continuing in 2005. What impressed Brian so much about the "shoots" was the hospitality and warmth shown by the shooting fraternity to himself and Betty. This was not only at clubs that he knew people to start with like Deniliquin and Hay but also at others where he initially knew nobody such as Numurkah, Echuca, Finlay and Moulamein.

# 165 Targets Pre-Nationals at Deniliquin

*Continued from page 4*

Since then a third layout has been established, the club still continues to develop. Two automatic Gemini traps have been installed and a third is soon to be added. Dry conditions around the club will be overcome when a water bore is installed with the assistance of a generous grant.

With the dedication and hard work of Deniliquin's club members, shoots such as the Pre-Nationals day which was held on March 18 continue to attract shooters from far and wide.

In fine conditions shooters competed over four events, firing at a remarkable 165 targets for the day.

First event was a 15 Target Points Score Cash Divide. Winners were - AA: Neil Berry, Rob Colliccoat, Jon Whittakers, Jim Shepherd, Tony Bradshaw; A: J. Becker; B: Jack Colliccoat; C: Steve Milojevic.

Event 2 50 Target Pre-National Points Score: O/A & AA: 1st Terry Walls, 2nd Arthur Turner; A: 1st George Goddard, 2nd Alan Cole; B: 1st Jack Colliccoat, 2nd K. Sicillano. C: 1st Steve Milojevic, 2nd Leanne Harbor.

Event 3 50 Target Pre-National Double Barrel: O/A & AA: 1st Bruce Cook, 2nd Terry Walls; A: 1st J. Decker, 2nd Len Johnson; B: 1st Jack Colliccoat, 2nd Ron Cugley; C: 1st Leanne Harbor, 2nd Steve Milojevic.

Event 4 25 Pr Pre-National Double Rise: O/A & AA: 1st Arthur Turner, 2nd Col MacPherson; A: 1st George Goddard, 2nd Warwick Kelvy; B: 1st Ron Cugley, 2nd Jack Colliccoat. C: 1st Steve Milojevic, 2nd Leanne Harbor.

High Gun for the day was Arthur Turner, 289/295.

# Attwood/Law Open and Junior Annual Cup

## Wangaratta Clay Target Club Inc

Location in Victoria, Australia and lies 235 kilometres north east of the capital city of Melbourne and 647km south of Sydney, New South Wales

The Attwood/Law Open and Junior Annual Cup events were held on Sunday 25 February 2007 at the North Wangaratta Club Grounds of the Wangaratta Clay Target Club in North East Victoria. The cup is one of the most sought after, particularly after the passing of Kevin "Grumpy" Law a few years ago. It was decided that instead of holding a memorial shoot for Kevin, two events would be held. One in honour of Kevin Law and the other in the name of his good mate Bill Attwood. Over the years many big names in skeet shooting have had their names added to the cup, some of these include – David Jackel, Paul Krummins, Graeme Boyd, John Woolley, Gil Farish, Warren Charlton, Trevor Jones, Dennis Savage and Leigh Roberts just to name a few.

This year was no exception, with 28 shooters (this included 2 ladies and 4 juniors), turning up on the day and with visitors from Melbourne, Swan Hill and Mt Beauty as well as quite a few locals, it was turning out to be a good day. Trevor Jones was manning the kitchen so we were being well looked after in the food department.

(L-R) Alex Spurling, Gil Farish

Event 1 was the 50 Target Bill Attwood Skeet Championship and with the only 50 on the board Gil Farish won this outright, with Kudri Demaj shooting 49 to take out 2nd in AA grade. After a brief shoot-off A grade was won by local shooter Phil Smith with 54/56 with Fab Francione from Melbourne taking out 2nd with 53/56. B grade was won outright by Brendon Pearson from Melbourne with a score of 49/50 and 2nd was taken out by Geoff Charleson from Swan Hill with a score of 48/50. Mt Beauty shooter John Sutherland won C grade with a score of 47/50 and local Tony Ruvolo was 2nd with a score of 46/50. Best Junior for this event was Alex Spurling from Melbourne with a score of 45/50.

Event 2 was the 50 Target Kevin Law Memorial Skeet Championship and this time Gil Farish had to shoot-off with David Jackel, but in the end Gil came out victorious with a score of 78/79 and David claimed 2nd with a score of 74/76. A grade again was a shoot-off between Phil Smith and Fab Francione, with Phil winning yet again with a score of 53/55 and Fab the bridesmaid with a score of 52/55. Geoff Charleson came home to win B grade with a score of 48/50 and Brendon Pearson claimed 2nd after a brief shoot-off. One of our most popular Lady skeet shooters from Melbourne Leonie Johnston was the C grade winner after a shoot-off with David Bell from Melbourne.

But at the end of the day it was all about getting your name on the Attwood/Law cup and this years winners were Alex Spurling Junior High Gun Winner with a great score of 92/100 and for the fourth time Gil Farish won the open with a magnificent score of 99/100.

Congratulations to all the winners on the day and to everybody for turning up especially Bill Attwood who travelled up from Melbourne.

# It's Your Call

No. 17

By  
**Bill McCarthy**

Place yourself in the position of this Referee in a shoot off. There are only two shooters remaining trading shot for shot. However, the second shooter was having trouble with malfunctions. In fact, he eventually had three malfunctions. He was warned by the Referee that any further malfunctions would result in a lost target. He elected to take his chances but then experienced his fourth malfunction.

Being the sportsman that he was (and still is), the first shooter said that he did not want to win the event under those circumstances and requested that the Referee allow the shoot off to continue. The Referee allowed the shoot off to continue and it finally ended with no 2 shooter winning the event.

Placed in this position as a Referee, what would you have done?

### IT'S YOUR CALL.

*The correct ruling for the Referee was "Lost Target" end of shoot off.*

*Although this is a true case, history has not perhaps recorded all the facts but as a Referee it is not your prerogative to make this ruling. Nevertheless, it was a fine sporting gesture and thus deserves our further examination. It brings to light so many issues.*

*Firstly, as there were only two shooters left in the shoot off, they chose to continue and there is nothing wrong with that. However, it would seem that the decision to continue would more appropriately have been that of the Management. The Referee has contracted outside the written rule and thus it can be seen as a precedent. The subsequent ratification by the Management in condoning his actions also creates a precedent. Others may well argue this case in the future, albeit that it is extremely unlikely. The difficulty is not so much this scenario but the effect it has on other rules and other rulings.*

*Secondly, we are all aware that shooters are permitted to toss a coin to determine the outcome of an event where all parties agree. However, this incident involved a departure from the rules unilaterally made by a person not empowered so to do.*

*Some smaller clubs would be most reluctant to have long shoot offs where, a rules were broken to allow shooters to continue seemingly until they sated their appetites for free targets. Moreover, there are time constraints which have to be considered where long shoot offs delay the finalisation of programs.*

*Both shooters involved in this incident are two of the finest sportsmen in our shooting fraternity. They are both excellent shots and they are to be applauded for the manner in which they conduct themselves at all times. They are not the issue here. It is merely to highlight the necessity to understand that simple (albeit worthy) gestures may have ramifications which we have not thought of.*

# Riverina Ramblings

## The adventures of a couple of ordinary blokes in the Eastern Riverina

We shot the Cliff Post memorial 100 target Points Score at Wagga on Saturday and that was won by Glen Castellaro, three points down for the 300 and the conditions were that tough good shots were coming in six and seven birds down, I of course, can drop that for 50 targets, let alone 100, but the fact that the birds were actually blowing back over our heads and landing in front of the club house reflects just how tough it was.

Credit where credit is due, Pee Wee convinced the powers at the Downside club to allow a juniors "shoot for free" policy to encourage the Juniors (actually to make it affordable for Mum and Dad) to come and have a shot and Graham Parker reckons that was good value, as he and the young bloke got to shoot at 200 targets for under \$40.00.

Speaking about Pee Wee it grieves me that he has broken through for a grade win, well, so he tells me. Junee on the Sunday. For a change I was on Mower Duty and couldn't attend and the "Industrious One" reckons there was a big turn out and that he got up in the main 100 target event as well as the eye opener. I will have to talk to Bill Hulme and see if it actually happened that way. Rodney Wright, PK and Wayne Storer must have stayed in bed if they let Pee Wee sneak in for a win. Further "the fly" may have been fooled by the boy shooting both days. Heard a whisper that Chris Salafia shot the whole event clean. Never pulled a second in a 160 targets.

Because every weekend I have to listen to the litany of excuses, mainly from MKD and Pee Wee, I would love to hear your best ones, so send them to me and I will compile the list and get it published

for all. My email is [clevitzk@bigpond.net.au](mailto:clevitzk@bigpond.net.au), so spear them in and let's have a look. Pee Wee's Fly is up there, but I reckon his "I didn't do any good at the State Titles because I left my Gun at home"?! will take some beating. Then again MKD's, I just have to "marry the gun" has given me fits of laughter all week. I went out to the Ganmain shoot the week after Wagga and I heard one bloke tell his mate that he missed because the birds were too easy???. Another great country club this one, they don't shoot that regularly but have a look in the blue book and come along as it is one of the best backgrounds with really consistent targets. And once again let's not forget that afternoon tea, I reckon Warracknabeal has real competition here. Thinking about Warracknabeal, I wonder if "Killer" has settled down yet, with the Callawadda Easter shoot coming up I will probably have to venture down to help out El Presidente and the Green Elf, then again, maybe not.

On the Sunday the 4th of March we snuck away and had a lash at the 165 targets on offer at Griffith and was that a top day out. The "Luminous One" made the double barrel shoot off and then proceeded to shoot another 100 odd targets only to "cut over a left hand slider" and blame the trap. When we left after having cleaned all the gear and packed up, had a chat with the boys in the office, the five survivors were still banging away to decide the winner.

I nearly had to walk home as the Pee Wee had decided that his wine stocks were a bit low and when I ventured back to the car, Marcello Cassella and Pee Wee were slinging cases of Yellow Tail in the boot without regard to getting three guns cases, vests, left over Star Teams and the assorted shooting paraphernalia for three blokes home. The Man is always thinking with organs, other than his brain; fair dinkum. That being said Marcello had some wine made from a red grape (Pinot Grigio, I think he said) that produces a white wine (I didn't ask), and we split a bottle at dinner just to try it out. Goes superbly with spaghetti Marinara.

And whilst I am on gun cases, have you ever noticed that the old Beretta silver action case is a thing of simple functionality. It does its job it's small, robust and an unobtrusive blue colour. These Girly things however come in a HUGE great boot chewing, brightly coloured, impact resistant (supposedly) plastic thing that just cries out "YABBY" (All shell no guts).

*Cheers*

*Keep knocking chips off 'em  
Chris Levitzke- Henty.*

## It's Your Call - Bill McCarthy Replies

*I refer to a letter from Mr Hank Theunissen from Coonamble who has written for a further explanation on "It's Your Call" published in the March issue of CTSN. You will recall that this issue dealt with the failure of a shooter to take sufficient cartridges to complete a programmed shoot off event. Hank has asked that "if it was possible to borrow a few cartridges from another shooter in the squad if you were running short?"*

*Firstly, Hank, thank you for the very intelligent inquiry and thank you for taking the time to write to us on this subject. It is letters of this nature that allow us to publicly address concerns of shooters about some of our rules.*

*Well, the answer is Yes. There is nothing in our rules which precludes you from borrowing cartridges from another shooter, provided of course that he agrees with your request. However, you should be mindful of interruption to the squad and the possibility of breaking the concentration of one or more of the squad members. In the interest of equity it would have to be done as quietly and unobtrusively as possible. One would suggest that it certainly not become a habit but it is recognised that these situation may arise from time to time. Naturally, we would all be aware that the Referee is required to ensure that the equity of the competition is not disturbed and may find it necessary to intervene if he considers it necessary.*

*As we understand it, the rule was designed to prevent major disruptions in shoot offs where shooters leave the tracks to get cartridges and thus destroy in some cases the concentration and rhythm of the participating parties.*

# MAJURA PARK

*Continued from page 1*

Fil Petriella from Perazzi Australia turned to up to "keep the shooters honest". With a number of clean rounds spectators sat back and watched the top guns slog it out. After 151 extra targets Brendan Burgess emerged over Fil Petriella. Thanks to Fil Petriella from Perazzi Australia for his continued support and for coming along and joining the shoot. Full results were:

AA 1st Fil Petriella 200/201 AA 2nd Ross Liersch 144/145  
AA 3rd Ian McKenzie 86/87 A 1st Gavin Crisp 114/115  
A 2nd Giulio Serafin 50/51 A 3rd Matthew Harris 58/59  
B 1st Stefan Seckar 52/53 B 2nd Kerry White 51/53  
B 3rd Mark Bush 48/50 C 1st Gary Betar 41/50  
C 2nd Ken Marsden 44/54 C 3rd Simon Daniels 43/54  
Ladies – Wendy Barton and Michelle Beecham 47/50  
Juniors – Tracey Barton 48/50

Second last event on the program was the 30 Mixed Targets sponsored by Fyshwick Firearms. Brendan Burgess had been spotted the day before eyeing off the prizes and saw one he was particularly interested in – overall on this event. However his father Tony and Ross Liersch were also keen to have a say in the outcome. After yet another shootoff Brendan got the prize he wanted with 80/80. Thank you to Bevan at Fyshwick Firearms for his support of the event. Other results:

AA 1st Ross Liersch 79/80 AA 2nd Tony Burgess 55/57  
A 1st Giulio Serafin 56/57 A 2nd Niel Privett 60/62  
B 1st Mark Bush 74/80 B 2nd Matthew Dwyer 73/80  
C 1st Alex Lynch 42/50 C 2nd Gary Betar 40/50

Down to the final event. At this stage the Overall High Guns were looking tight. Tony Burgess was sharing the lead with Ross Liersch for Overall High Gun – both just 3 points down. Tony's 3 points had been a lost Points Score target the day before and I am sure he was wondering if that might come back to haunt him. Son Brendan was just 1 point adrift. 2 points separated 3 shooters in A grade – Dale Chin, Joe Thaller and Brian Frost. It was certainly going to be a 30T Single "Burial" for some shooters. 3 clean rounds saw Tony Burgess, Glenn Barton and Andrew Petriella visit the trap for one last time, with Tony coming out on top and thereby securing Overall High Gun as well. Other results were:

## DENILIQVIN GUN CLUB

Retrieved from the archives of the Deniliquin Gun Club are the following three photos.

Garry Daley (pictured right) was known as the 'Grand Old Man' of the Club. Garry took over the Presidency of the club in 1947 and served in that role for 30 years.

He was given the honour of firing the first shot at the new site in 1984.

Garry had the distinction of representing Australia three times in the MacIntosh teams. His contribution to the sport was significant and was recognised throughout Australia.

The photo below was taken in October 1965 at the second site of the Deniliquin Gun Club which was then located on Cemetery Road, now known as Wirraway Drive.

Pictured below L-R: George Thomas, Don Glover, Newton Thomas, Gary Daly and Kevin Dobson. These shooters were a unique squad of 27-yarders.

Members present at the first meeting held in the new clubrooms. L-R: Mario Cavallero, Neil Greig, Brian Hall, Ron Cugley, Vic Sartore, Val Cugley, Philip Nilsson, Mervyn Daniels and Gerry Reid

# Inaugural Mornington Peninsula 2-DAY GRAND PRIX

Location 1 hour east of Melbourne

On the Victorian Labour Day long weekend of March 10th and 11th Mornington Clay Target Club held its Inaugural Mornington Peninsula 2 Day Grand Prix, one of the few 2 day shoots on the Victorian Calendar in 2007. The grounds were picture perfect two new trap lanes had been put in with a lot of sweat and tears from club members to make it a five trap layout. Many of the states top shooters attended including Team Atkins (Steven, Ryan and Zac), Phil Granger, Arthur Turner (Jr), along with many of the local South East Zone identities Bernie Scanlon and Lynne Curtis just too name a few.

With this many talented shooters together you just know the competition was going to be fierce and we were not disappointed. The conditions were ideal to kick the shoot off on Saturday morning with blue skies and no wind and the clubs break record of 159 set by Peter Mills back in 2003 was starting to look very shaky indeed.

First event for the day was the 30 Tgt Single Barrel after the dust had settled only two shooters had shot it clean and after a very short shoot off between Ashley Bolwell and Phil Granger it was Ashley that came out ahead with 32/32 to take AA and Overall. Grader winners were (A) local identity and gentleman – Billy Woodward 29/31, (B) Les Potoczny 27/30 and (C) Emma Brache 25/31.

In between all this Squad 4 were having some problems with a recalcitrant voice release on trap 4 which saw yours truly and el president with the side cutters and soldering iron out beating it back into submission don't you just love Murphy and big events.

Event 2 was the 30 Tgt D/B Continental and yep as you hear at every good Cont event those low ones are bloody low, after a few on the run mods to jack up a couple of traps. The bay of the mob was settled and 10 shooters had shot it clean. After a bit of a tussle between Arthur Turner (Jr) and Marc Crimmins it was Marc victorious with 97/97 to take Overall and AA with the grade winners being (A) Leon Howell 30/30, (B) Morningtons Denis Commelli 30/30, (C) Darren Corke 29/30. Its worth noting that Simon Gloster shot well to stay with Arthur and Marc to the 69th target of the shoot off and easily

Emma Brache C Grade SB

achieved his 50 Cont break badge and commenting its not every day that you get a chance to have a go with shooters of this calibre.

Yep that Murphy and Squad 4 had struck again and this time they took out their vengeance on our new Trap 5. After much consternation and muttering of "will you get out of my bloody light will yah" by el president it was decided to take trap 5 out of action for the weekend after sheering an indexing pin, don't you just love organising big shoots.

The last event of day one was the 30 Tgt D/B and conditions were still perfect. Some good scores were expected, 15 Shooters had shot the Possible and after the exercise of walking from trap 1 to 4 and back again became too much for some it was a three way battle between Arthur Turner (Jr), Robert Godfrey and Bairnsdale boy Lynne Curtis. Arthur unfortunately dropped out at 171 with Millsies club break record now gone it was up to Lynne and Robert (aka Solo) to see how far they could go. For those of you that come from Victoria, the legendary Russel Mark occasionally does a spot on the ABC radio sports section in the mornings. When asked by one of his fellow commentators does the sledging of competitors go on as much in shooting as cricket his response was something like "who would in there right mind sledge another competitor with a shotgun?" Well I can tell you no one mentioned this to our two combatants as it was being laid on thick and fast between traps and cartridge refills. At this point it looked like the shoot off was going to go on all night and the new lights that we installed for the purpose of long shoot offs were going to get their first real work out. But alas after the 219th target Solo let the 220th off to breed but Curtis was not so forgiving and puffed his 220th and left for the car park to find Peter Mills. Grade winners were (A) Leon Howell 34/35, (B) Anna Shedrina 38/39, (C) Dan Cauchi 29/30.

That evening Billy Woodward and Paddy Drennan cooked up a feast of a free roast dinner for all competitors and helpers. Thanks to the kind sponsorship of Paul Drennan Peninsula Carports and Pergolas and the ladies who worked tirelessly all day in the canteen. A very

Phil Granger OA High Gun

Lynne Curtis DB

special thanks to Michelle, Carly and Kim, some of whom apparently par took in some of Billies sherry and wine for purely medicinal purposes but did not seem that perky and chipper the next day.

Sunday and Day Two dawned with the Create Force boys Stan and Lindsay Sawyer cooking up a magnificent brekkie of bacon and eggs on The Peninsula School's barbeque trailer. Although there was no rain the conditions were typical of what to expect at a Mornington shoot with overcast skies and an increasing south westerly wind off Port Phillip Bay.

Event 4 the 30 Tgt Points Score or single barrel with a twist as it's sometimes known started with some challenging targets ducking and weaving in the breeze. This time it was the great skill of lady shooter Anna Shedrina to be the only competitor to shoot the possible unchallenged and take Overall and B grade. The other grade winners were (AA) geographically confused Tassie shooter Paul Drennan 113/114, (A) Billy Woodward and (C) Dan Cauchi. Lynne Curtis continued clocking up the break record and added another 43 targets to the 220 he shot the previous day to take the clubs new break record to 263, congratulations and well shot Lynne!

Last but not least was Event 5 the 30 Tgt Handicap with a \$1000, \$500 and \$250 up for grabs everyone was keen to have a go and when the last shot was fired, Zak Atkins, Gerard Hose, Les Potoczny and Darren Corke were altogether on 29/30. After some great shooting between Gerard and Darren it was Gerard who prevailed with a superb score on the day of 48/49, Darren Corke 47/49 and Les Potoczny 35/37.

The Bonanza raffle of \$1200 cash for first place was won by no other than el President Graham Beckworth with cheers of rigged echoing from the crowd just make sure Graham that you give our barrel girl Melissa her cut.

What a great two days it was. Yes there was joy, laughter, tears, dummy spits and excuses but all in all we hope everyone had a great time. We could have not done with out the help of our sponsors, Door World, Create Force, Sleepys Mornington, QBA enterprises, Mornington Peninsula Shire, The Peninsula School, Peninsula Pergolas and Carports, The Ranch Motel, Big 4 Caravan Park Frankston, Simon Howd and Joe Louis.

Also what makes a great club is its great members who manned the score boards, filled the traps, helped set-up and pack up. The Club Legends Rob Cale, Garry Pompei, Ian Young, Gary Lay and James

Handicap winners G Hose D Corke L Potoczny

Dick, Brett Humphrey, Lance Cazaley, Lindsay & Stan Sawyer and Bugs we sincerely thank you guys.

You also can't have a great shoot with out a well run office and scoring and in this department Mornington was extremely privileged to have Frank Auditore come down from Sydney with his ShootMaster "Club Shoot" Program, Frank was helped by Mornington members Kathy at the front Counter along with Dean and Damian. We at Mornington highly recommend this program to any club for monthly shoots or big weekends like ours, it makes the whole job a lot easier squadding, placing's and shoot offs are a breeze – Frank can be contacted on 02 97864975(AH).

With the shoot finishing nice and early in the afternoon as planned so people could make there way home without having to rush there was only one last official duty to complete and that was to hand out all the prizes from the events and declare Phil Grainger the Overall High Gun and Miroku Trap Gun Winner for the Inaugural Mornington Peninsula 2 day Grand Prix. Once again thanks to all that helped or participated and hope to see you at Mornington "The Friendly Club" again soon.

# Psychological Skills for Shooting

by Michael Kruger-Davis

## THE ADOLESCENT BRAIN

Part of my role as consultant to the Southern Sports Academy, is to help coaches understand the adolescents that they are coaching, and given the push for junior development within our sport, it seemed timely that shooting coaches also have a better understanding of the adolescent brain.

Before the industrial revolution, there was no real concept of adolescents that we have now. Once children were big enough to work, they worked and once they were ready to have children they had children. So there was no real transition between childhood and adulthood. However in the twentieth century there began a transition stage between puberty and the early twenties; adolescents, these individuals, neither children nor adults, had to grow and develop and make sense of a range of new experiences, as they moved towards adulthood.

Michael Carr-Gregg an Australian Psychologist cites the following recent research findings regarding the adolescent brain:

- Only 17% of brain cells are connected at birth.
- Brain cell connections within the human brain have two major growth spurts –in utero 3-6months and at puberty.
- The brain has more capacity to regrow cells than was once thought.
- As brain fibres become myelinated, (myelin is a fatty substance that insulates the nerve fibres) messages travel hundreds of times faster.
- The brain develops from back to front and connections are only fully formed by the time girls are about 23 and boys 24.

Gender differences in brain development.

- In girls language part develops faster.
- In males, spatial part develops faster.
- Girls can express emotions better because emotion is processed in the same part of the brain that processes language.
- Girls hear 7% better than males.
- Peripheral vision is 65% better in females.
- Colour vision in girls is 3 times better.
- Females are twice as sensitive to touch.
- Females can read body language better.
- The corpus callosum (the thick bundle of nerves that join the two sides of the brain) in females is 30% better developed in girls and both sides of their brains work at the same time so they can multitask.

Hungry brains can't learn.

- Glucose is the main brain food. Adolescents without breakfast perform like 70 year old men, 25% less alert.
- Some of the best foods for adolescent brains are eggs, sardines and anchovies, yoghurt, almonds and blueberries.
- Chewing gum is good for study because it increases oxygen and insulin to brain and therefore increases brain activity by 35%.
- The brain is 78% water. Dehydration can lead to headaches and lack of motivation. We need to sip water every 22 minutes.

Tired brains can't learn.

- Studies have shown 90% of 15 year olds are not getting enough sleep. Most need 8.25-9.25 hours per night.

Helping kids sleep better:-

- Routine, even at weekend. Set the alarm for going to bed as well as getting up.
- Ritual to prepare for bed. Turn lights down one and a half hours before bed.
- Expose eyes to light immediately on waking.
- Sleep in a dark room without digital displays and electronic equipment. (Carr-Gregg would not have a computer in a kid's room in the first three years of high school.)
- Temperature needs to be 18-30degrees.

As soon as young people sleep better their mental health improves.

This research has implications for junior development squads and the importance of nutrition, sleep and hydration.

The normal adolescent has to deal with 11 development tasks as they progress towards becoming an adult.

The adolescent must adjust to a new physical sense of self. During this time both males and females will go through a wide range of changes: larger and stronger bodies, secondary sex characteristics, and a change in shape and appearance, eg, breasts, body hair, etc. It is not unusual for adolescents to appear awkward, gangly and uncoordinated (unco as teenagers refer to it).

The adolescent must adjust to new intellectual abilities. Up until the age of about twelve or thirteen, children think in concrete terms. Concrete thinking relates to being able to understand those things that the child can see or touch. Things that are literal or defined are easy to understand whereas things that are inferred are more difficult. During adolescents, concrete thinking gives way to abstract thinking, where the child moves on from concrete items and on to things that are abstract. Abstract thinking, or formal operations, allows the adolescent to understand concepts such as freedom, liberty, justice, love, etc, things that can be thought of but not touched like concrete things.

The adolescent must adjust to increased cognitive demands at school. As adolescents move to high school the work becomes more abstract and inferential and the individual must adjust to this new way of thinking. Rather than thinking about what is there (concrete items), but thinking about what was (past), or what can be (future).

The adolescent must develop expanded verbal skills. Together with this new type of thinking there is a need for new language to accommodate abstract thoughts.

The adolescent must develop a personal sense of identity. With new body shape, size, language and thinking skills the adolescent must develop a sense of identity that is unique for the individual. This is easier if the adolescent is a member of a particular reference group such as a sporting team, class group, church group, etc.

The adolescent must establish adult vocational goals. Setting goals for the future and developing interests that will lead to future employment are essential for the adolescent. Having a part-time job will help teach skills such as time management, how to get on with supervisors and workmates, how to deal with customers and consumers.

The adolescent must establish emotional and psychological independence from his or her parents. Having teenage children is often a time of turmoil in many households. Differing views on what should be allowed, with respect to staying out, alcohol, driving, drugs, smoking, etc means that adolescents often make decisions

that adults see as risk taking or lacking in self-regulation. Adolescents and adults see things differently, because according to Michael Carr-Gregg, the brain develops from back to front and connections are only fully formed by the time girls are about 23 and boys 24. Therefore, Adolescents use a different part of the brain from adults to read body language and do not necessarily do it well, eg They might read surprise as anger, "she doesn't like me." Don't leave kids to self regulate their behaviour because prefrontal cortex (area for reasoning and judgement) develops last. Experiments have shown that while adolescents will behave with good judgement while monitored by adults, they become much more risk-taking when only in company of peers. This has been evident over the debate with P plate drivers.

Adolescents must develop stable and productive peer relationships. At this time in an adolescent's life the emphasis moves from the parent to their friends. It is at this time that adolescents practise and develop strategies that they will use in future interactions with others. Their peers become their second family and the links between parents and adolescent's breakdown. Recent changes in technology; internet, SMS, mobile phones, MSN, etc have given this latest generation greater opportunities to be closer to each other.

Adolescents must learn to manage his or her sexuality. Most adolescents get their sexual knowledge from the media or their peers. This is not a problem if parents and adolescents are able to openly communicate about issues affecting the adolescent. Issues such as privacy, trust, intimacy, should be talked about when the opportunity arises, for example, during a television episode, so that the adolescent feels able to communicate with future partners about his or her needs. The important message to get across is that the adolescent is in control of their sexuality and that no one has the right to make them feel uncomfortable.

The adolescent must adopt a personal value system. According to Carr-Gregg, parents provide their children with a structured set of rules about what is right or wrong, what is acceptable and unacceptable in their early years. Their parent's values will inevitably come into conflict with their peers and other segments of society on issues such as sex, drugs, etc. To reconcile these differences, the adolescent restructures his/her beliefs into a personal ideology. The pressure to rebel can be overwhelming, making this a time of inner turmoil and it can end up a total reconstruction.

The adolescent must develop increased impulse control and behavioural maturity.

The brain's centre of reasoning and problem solving; the prefrontal cortex, is the last part of the brain to mature, and that the brain is not fully developed until the early twenties. To compensate for the short fall, the adolescent relies heavily on another area of the brain, the amygdala, a more primitive and instinctive part, which creates a tendency to react automatically. Therefore, not having the same ability to as adults to make sound decisions or control impulses, it seems unfair and unhelpful and will lead to disappointment, if their actions are judged from an adult perspective.

Most coaches are adults and therefore it is important that they are aware of recent research and of the developmental changes that occur as children move through adolescence and on to adulthood. Knowing what happens

# Three-Day Shoot at Echuca Labour Day Weekend

**Location: On the Murray River which forms the border between Victoria and New South Wales**

Labour Day weekend and Echuca Clay Target Club hosted three full days of competition shooting. Day one was the ISSF Olympic Trap Grand Prix, and a Hay NSW registered shooter, Clayton Anderson, was unbeatable, collecting the Overall Sash and cash trophy with a 131/150 score in this very difficult discipline, shot under perfect weather conditions for trap shooting.

Day two, Sunday the 11th saw seven squads arrive for the day of ACTA Trap competition, four events were on offer and with the very pleasing number of shooters attending good competition was assured. Once again the weather was on the side of the shooters except for a light westerly breeze pushing some targets low occasionally. A 25 target Points Score Championship was the first event and Club President, Ron Traill saw off his adversary, Jim Shepherd, in a one target shoot off, Ron hit his target, and Jim missed his, giving Ron Overall and AA grade 1st on a 78/78 score, Jim collected 2nd in AA with his 75/78 score. A grade 1st was Ian Gebhardt 75/75, A 2nd was Ward Wende 72/75, B 1st P Tate 64/81, B 2nd B Paspt 63/81, C 1st Lauren Harbor 66/75, and C 2nd was D Hannigan on a score of 59/75.

Event two, was a 25 target Double Barrel Championship, and once again, a Hay NSW shooter, Brian Doyle, was, after a reasonable shoot off, successful in taking out an Overall

Rowan Lendon OA ISSF Double Trap

Clayton Anderson OA winner

Sash and AA grade trophy with a good score of 86/86, 2nd in AA was Simon Gee one down on 85/86, A 1st D Milojevic 25/26, A 2nd Ian Phillips 25/26, B 1st P Tate 29/32, B 2nd B Paspt 28/32, C 1st D Hannigan 22/25, and C 2nd Leigh Calleja on a score of 20/25.

Event three, was a 25 pair Double Rise Championship, and although by this time the wind had picked up a little making pairs a little harder, local member, Anthony (Tony) Bradshaw displayed his ability at this discipline by taking out the Overall Win and AA 1st without the need for a shoot off. With a good score of 44/50, Ron Anderson took AA

2nd on one target less 43/50, A 1st was W Wende 41/50, A 2nd Mark Hannigan 57/80, B 1st Jack Collicoat a Deniliquin Junior shooter on 40/50, B 2nd Laurie Gee 36/50, C 1st D Hannigan 32/50, and C 2nd was Saun Everett 29/50.

The final event was a 25 target Single Barrel graded cash divide, and the results were AA grade, R Anderson 24/25, A grade, W Wende and Ken Bruns, both on 24/25, B grade P Tate 23/25, and C grade was S Everett on a 19/25 score.

Day three, Monday the 12th saw a small contingent of ISSF Double Trap, competitors arrive for the Echuca leg of the Grand Prix, and unfortunately the weather had worsened to a near gale force southerly wind, making this Double Trap event extremely difficult to shoot, and ensuring some very low scores. Rowan Lendon from the Castlemaine Clay Target Club was the eventual Overall Winner, with a score that not too many would brag about, but given the atrocious shooting conditions, really, not a bad score on the day, 98/150 gave Rowan his overall Sash and most likely a desire never to have to compete in these conditions ever again.

A very pleasing three days of competition clay target shooting, with every day running smoothly and finishing at an early time, the only disappointing thing of the whole shoot was the low number of ISSF competitors, hopefully a hiccup that may be cured before another ISSF shoot comes to the country.

# ROUND ONE PREMIER TEAMS EVENT AT MORWELL VCTA SOUTH EAST ZONE

Location in the heart of West Gippsland,  
148 km east of Melbourne

Saturday 17th of February saw 109 shooters attend the first round, with a record 19 teams representing 14 clubs, there were also 4 Junior teams.

For those who don't travel to Morwell all that often there had been a significant land mark turning point change, they had shut down the KFC outlet and painted over the distinctive Red and White paint job. I'm sure I was not the only one to do a full lap of the round about.

The day started clear with a little breeze and warm, but as the cloud cover was burnt off it went well passed warm and by mid way through the last event the gusting wind had increased and added to the challenge.

The Handicap had produced five possibles and after a six target shoot off, Steve Trembath 31/31 was first from Charlie Galea 30/31 and Neil Rundle 28/29 with

Todd Malone 27/28 the Back marker and B Young 23/25 the Junior Front Marker.

# Three-Day Shoot at Echuca

Continued from page 52

## ISSF Olympic Trap Grand Prix

The Echuca leg of the ISSF Trap Grand Prix was shot on Saturday the 10th of March 2007, and although almost all competitors were city based shooters the man to beat turned out to be Hay, NSW registered shooter. Clayton Anderson out shot all others in this difficult discipline, which was a 125 target event with a 25 target Final. Clayton finished the Final round with an accumulated score of 131/150, and that was enough to stand him clear from all other competitors and give him the Overall Sash and prize money.

Owing to the disappointingly small number of ISSF shooters attending this Grand Prix round of Olympic Trap, there was no AA grade or C grade shooters in attendance. Allowing all remaining cash to be shared between the A grade and the B grade competitors. If this trend of non attendance or reluctance of ISSF shooters to travel to country locations continues, it is very easy to see that country clubs will no longer see these shoots as economically viable to conduct. That fact alone would be sadly detrimental to the recruitment of new shooters wishing to follow this ISSF sport to the point of perhaps shooting for Australia some day, further along their career path.

The day could only be described as a perfect day for shooting, not as hot as was predicted, with the gentlest of breezes blowing and a clear blue sky. After thanking the competitors that did travel to Echuca to compete, Ron Traill, the president of the Echuca Clay Target Club, presented Joshua Spicer, from the Melbourne Gun Club with the

A grade 1st cash trophy, Joshua having shot a 109/125 score. B grade winner was a Frankston Australian Gun Club member, Matej Kandus, Matej shot a 103 /132 score to collect his cash.

Owing to the low number of competitors and the smooth running of the Olympic Trap, and the organising of the shooters, the whole event was finalised in one day of competition instead of two, and even finished at the early time of 3.30pm, pleasing all in attendance.

## ROUND ONE PREMIER TEAMS EVENT AT MORWELL

Continued from page 53

Half way in the teams section had Werribee 119 from Korumburra and Traralgon both on 115.

The Double Barrel produced 26 possibles with eight of them making it through the first thirty targets of the shoot off and only two the second thirty. Steve Trembath took Overall and Neil Cook first in A grade, after a very short time in the final squad together.

By this stage the teams event had been won by Werribee 241 (N McDonnell, J Bisevic, S Trembath, N Cooke, A Pasalia) from home team Morwell 236 and Korumburra on 234. The Junior winning team was also Werribee 91 (J Bisevic, D.Cauchil) from Mornington 83.

The High Gun was contested by Colin Quick and Steve Trembath the only two 50/50's with Colin taking the sash. Ladies High Gun was Pam Widdows, Junior High Guns, A grade J Bisevic, B C Bell, C JHeyblom.

# NEZ Tower Shot at Mathoura

Due to the generous donation from Graham Hall, to the Mathoura Gun Club, at the preceding shoot, of \$100-00 prize money for any shooter who nominates and shoots the program clean, there was \$107-00 on offer at the February 07 shoot. But for some reason not one shooter even went close to achieving the goal. The quality of the competitors could not have been the reason, and the weather was ideal although fairly warm and humid, and yet not one shooter even shot a possible in the nights 3 event program.

Peter Akkermans  
OA & A 1st D/B 1st S/B

Harry (snow) O'Connor  
O/A & B 1st PS Tower

Harry O'Connor led the way in event one, a 25 target, Victorian North East Zone, Night Points Score Tower Championship. Harry (snow) dropped just 3 points to collect the Overall Sash and B grade 1st with a 72/75 score, A grade was collected by Deniliquin shooter Tim Maher on a 66/75, and C grade went to another Deni shooter Rob Collicoat on a 70/75 score.

Event Two, a 25 target Double Barrel Championship. And a Bendigo shooter, Peter Akkermans was unbeatable, collecting the Overall Sash and A grade 1st with one target down on 24/25, B grade 1st went to club President, Roger Kerslake, on a 22/25, and C grade 1st was G Golding from Mathoura, on a score of 13/25.

A 15 target Single Barrel event was the last on the night's program and once again Bendigo shooter Peter Akkermans led the way winning 1st place on an 18/20 score after a three way shoot off involving the 3 placegetters. 2nd place was collected on a score of 17/20 by Tim Maher, and 3rd was taken out by Graham Hall on 16/19.

Presentations all over by 11.15pm and although all competitors were at a loss to explain their poor scores, everyone commented that it was an enjoyable night of clay target shooting competition.

A very pleasing sight for the Mathoura committee is the number of junior shooters attending these shoots, which does look good for the future of this popular sport.

## WEST WYALONG CLAY TARGET CLUB

Location right on the crossroads of the Newell and Mid Western Highways, close to the centre of NSW

Local shooter Dozer Collins has been selected in the Central Zone Trench Shooting Team to take part in the New South Wales titles to be held at the National Grounds in Wagga Wagga later in the year.

Fine warm but windy conditions greeted the large contingent of shooters who competed in the MDR (Lindsay) Transport Central Zone 100 Target Trench Carnival at West Wyalong on the Australia Day long weekend.

Top shots from Brewarrina, Sydney, Yass, Newcastle, Parkes and Orange were in attendance including John Finn representative of the New South Wales Clay Target Association and Central Zone President. All were keen to participate as the event was one of the rounds of the International Shooting Sports Federation (ISSF) Grand Prix.

With the large number of shooters and 100 targets to get through slick organisation was required and shoot marshal's Chris Patterson and Mick Kelly kept the squads rotating through the trench layout at a good pace. Trappers Robert and Mitchell Lindsay kept the 15 traps operating at peak efficiency.

It was a full Lindsay day as veteran Doug Lindsay kept the shooters fed with a delicious barbecue.

Spectators witnessed some very accurate shooting and after the 100 targets the six finalists were chosen to shoot 25 single barrel targets to decide the overall winner.

## Central Zone Trench

by Clay Buster

All West Wyalong hopes rested on the broad shoulders of Dozer Collins 81/100 the only local shooter to make the cut.

Other finalists were; Tony Cantali 83/100, Gary Tabain 83/100, Matt Pattmore 85/100, Frank Minici and Andrew Mintzas 86/100.

The ground was hushed with only the crack of gunfire and the occasional blast of the beeper indicating a missed target as the shooters stood shoulder to shoulder to decide a winner.

After 25 targets and following a fine exhibition of shooting Sydney's Frank Minici was declared winner and received the coveted overall sash for the second year in a row.

Andrew Mintzas won A Grade with second in grade going to Yass shooter Matt Pattmore.

B Grade winner was Gary Tabain and second being Dozer Coffins.

C Grade winner was Narromine shooter Dennis Coaker with local shooter Mick Kelly taking second in C Grade.

Veteran winner was John Nash 77/ 100.

John Finn Central Zone President congratulated the West Wyalong Clay Target Club for conducting a well organized and administered shoot and thanked sponsors MDR (Lindsay) Transport. MDR Transport representative Robert Lindsay was on hand to present the handsome sashes to the successful shooters.
