FROM THE EXECUTIVE OFFICER

I have pleasure in submitting the following notes to this issue of the Shooting News to brief all Members on the current position at the National Office.

Having competed in various aspects of the Clay Target Sports for the past 30 years or so, I know that recent events will be discussed by our Members at shoots and in car parks around the Country, and I therefore take this opportunity to advise you on exactly what is happening.

As reported elsewhere in this edition, Andy Sanders resigned from the Executive Officer's position on April 11th.

Following discussion with some members of the National Executive, I submitted an offer to undertake this role until the Executive can recruit a new permanent Executive Officer. That is anticipated to take perhaps 1 to 3 months.

My submission to the National Executive outlined my background in Mining, Engineering and Construction having run Australian & International Companies at Regional Manager, General Manager and Managing Director level. As I now live in Wagga, my proposal did not involve any accommodation or on-costs to the ACTA to work out of the National Office.

This is a paid position and my proposal to the National Executive was to take this on at less cost to the ACTA than has previously applied. That has been agreed, and while I will be taking time to give attention to my other business interests, the rate/hour that has been agreed means that the cost to the organisation will be limited solely to productive time on ACTA business.

At the time of writing I have been in this seat for a little over 1 day and the deadline for the Magazine is upon us so here are a few early and perhaps preliminary thoughts.

The Staff at the National Office continue to work well and efficiently to service all members and to handle the day-to-day activities of the Association.

I know that I have been, and you would surely be, surprised to see the number of items that arrive here each day, and the number of phone calls that we receive from Members, which need action from the team at the National Office and I am sure that most of you will appreciate that for the size of membership that we have there is a very substantial range of accounting & administrative matters which relate to, or are generated by, our Members, our Clubs, our State Associations, our international affiliates and the various aspect of the Trade who service our Sport.

Activities here also include the actioning of further improvements to the National Grounds. Somewhat related to this last item is an undertaking that I have given to the National Executive to investigate ways by which the 2008 DTL Nationals can be enhanced to offer an improved atmosphere and a better all-round experience for all Members, for all Trade Exhibitors and for all other participants. I have undertaken to report on this to the National Executive by mid-June 2007 so if you wish to offer an opinion on how the 2008 DTL Nationals can be improved will you please email me on info@claytarget.com.au, (or fax to the Office fax number), please make sure that you include a heading of "2008 DTL NATIONALS", please ensure that your suggestions are positive & future based, keep them reasonably brief and succinct, and please bear in mind that cost is sure to be a critical issue to the Association.

Twenty-nine possibilities were shot, and the graded results were as follows: - AA Grade: - C Smith, B McMillan, R Dunn, L Brandt, T Jarvis, G McPherson, G Nuske, M Smith, A Grimshaw, B Zimpel, R Collinson, B Powell 25/25. Psychological Skills for Shooting

by Michael Kruger-Davis

LEAVE THE TARGETS AT THE GUN CLUB

As I was leaving the National Ground at the conclusion of the Nationals, I started to ponder over what had happened in the past week.

Firstly, I like many others, attended the largest trap shooting event held in Australia. And, I like many others, did not perform either up to my ability or my expectations.

Secondly, I had to remind myself that there is more to me than the scores that were written on the score board.

Thirdly, what happened that was positive: that made the experience worthwhile.

The Nationals are an interesting event. All the high ranking competitors in our sport are there. And these shooters, as well as the rest of us, are competing in the hope of achieving some desired result. The result, it must be remembered, can only be achieved by a handful out of several hundred. Shooting well requires us to be in control of our muscles and to be able to concentrate on the target that we have just called for. Being in control means being in that comfortable state that is somewhere between aroused-anxious and relaxed-complacent. Being in the right mental state, helps to keep our muscles fluid, rather than tensing up and becoming too stiff. When we try too hard, or concentrate too much on the outcome rather than the process, we run the risk of losing control. Being in control of our expectations is also an important aspect of control. If we have realistic expectations of what we want to achieve, that are related to the process, we can reduce the fear of failure. Fear, as I have written about previously, will limit our ability because it produces self doubt; self doubt and any internal judgements we make about our performance also causes our bodies to tense up and stops our ability to shoot in a relaxed and fluid manner. The problem with the Nationals is that we are all trying too hard, that coupled with fear of failing, rationalizing the costs of attending, and focusing on the product or outcome means that very few of us focus on the process. Part of the process for most might just be getting experience at a very high level, anxiety-producing competition. Most of us need to look back and ask; what were the personal best performances that I put in over the week. For me it was getting a personal best score in the handicap, especially given I was using a new gun.

Secondly, we need to ask does it matter? I have said several times that you are more than just the number that appears on the score board. Patrick Cohn from Peaksports asks: Does your success or

failure in sports on a given day determine how you feel about yourself after you go back to your home or hotel room?

How you think about yourself shouldn't be dependent upon whether you win or lose at the gun club. If you perform well then there is a need to share this with those around you, but poor performances should be viewed just as that a poor performance; there is no need to beat yourself up about it.

Leave the targets at the gun club; by all means evaluate your performance and if you feel there is something you can improve on, then work on it. But those errors or just bad shots are better forgotten.

Finally, part of the enjoyment of the Nationals is all the extra positive things that just happen that make the experience worthwhile. Psychologists call these unintended outcomes. As regular readers will be aware, Jim Shepherd, Bryan Rafferty and myself started a tradition a few years back by sitting down at the end of one day and drinking a bottle of single malt scotch whisky. This year, like last year, some guests were invited to share the taste.

This year Bryan Rafferty bought along a bottle of Ardbeg and a book about Single Malt Scotch so we could not only enjoy the taste but the description: Sometimes you have to wonder about the people who describe wine, food or whisky; really, ".... Like the purring of a finely tuned engine", was one line in the book. In my opinion, the words fell short. The whisky was excellent and the company made the afternoon special. Ray Mack was heard to say that he would "search the world" for a bottle for next year; Ray, just go to Scotland! Allan Kenny is going to search Tasmania; Allan, I'm not sure what the Whisky is like from Tasmania, but I'll be happy to share some more of those venison sausages!

Meeting old friends, making new ones, talking about: guns, shooting, politics, the weather, just about everything, is what makes the Nationals a personal success regardless of how well we shoot. And, there is always 2008!

Thank you to those readers who made an effort to introduce themselves, and thank you again for the feedback. I look forward to catching up again next year.

MARK EDWARD POLLOCK

October 7th, 1962 – March 3, 2007

Mark Pollock was well known to many in the clay target fraternity as manager of the family gun dealers business at Ballarat, trading as R.F. Scott & Co.

He was born in Rochester, the eldest son of Ray and Margaret Pollock, followed by Kylie, Steven and Johanna.

From an early age Mark had a fascination of firearms and as he entered his teen years his parents, Ray and Margaret Pollock purchased R.F.Scott and Co. from the Butler brothers. The business was long established and Mark took every opportunity to spend time at the shop assisting his parents Friday nights and Saturday mornings, whilst working full-time at a local knitting mill. He attended Sebastopol Technical School where he met his much loved future wife, Ann. The two were later married and I had the privilege of taking their wedding photos and sharing a rare insight into two people's life who were very much in love. Later followed Amy and then Samantha, having tired of surrogate German Shorthaired Pointers and the family unit was established.

I began firearm's safety classes with Mark over twenty five years ago whilst he was also the President of the Sebastopol Gun Club, at Ballarat. His love and commitment to shooting took on yet another dimension. He was skilled enough to have made the McIntosh Team one year and maintained an interest in clay target shooting until his girls took up their guns. As a devoted father he spent much of his time mentoring them to great heights – eldest daughter Amy achieved second in the State with school boy/girl competition. Their love for Mark continued and wife, Ann, became involved and the 'family that shot together, remained together' in a very loving and close-knit manner. The girls extended their interest to hunting and before long family trips away to the Gold Coast became regular hunting trips to Queensland or South Australia in the pursuit of feral pigs or deer. Amy has a top twenty fallow deer head to her credit. A keen duck and quail hunter Mark also spent some great days hunting with his Father before Ray tragically passed away six years ago after a heart attack in the shop. Mark maintained this interest with both of his daughters. Ann then stepped in to assist in the shop, giving her support to her family.

Mark was well respected for his shooting and coaching ability. He was often abrupt with people as they wandered off with their own ideas of shooting. They were soon converts of his excellent advice.

The girls will miss their father, a loving dad who gave them every opportunity in life with shooting, hunting and many other activities. He referred to their early teenage years as 'hormone hell' but he was a great and highly respected friend of many, offering sound, professional advice to his clientele and friends.

At 44 his life was tragically taken as a result of a massive heart attack as he passed away in Ann's arms. His death occurred 28 years to the day from when he and Ann began keeping company. I feel sure Mark and his father, Ray, are enjoying sharing many hunting escapades together. He will be sadly missed by those he has left behind. Rest in Peace my very dear friend and thank-you for your great bequest on behalf of the many shooters whom had the great pleasure of knowing and sharing with you.

REX GORDON LEHMAN

28th March 2007 – 58 Years Young

It is with very sad regret that we announce the sudden death of our shooting mate and member of the Warren Gun Club Rex Lehman.

Rex was known far and wide through out the shooting world, a great shot a very competitive shooter and very well respected mate.

Rex and his Soul mate Jenny have been members of the Warren Club for the past six years or so and have taken the clubs name all around the traps. Rex originally joined the Goodooga Gun Club when he first took up Clay shooting. He was also a member of the Lightning Ridge club for some years before joining Warren.

One of Rex's shooting highlights was shooting 400 targets straight at Inverell three years ago. Something he was very proud of and congratulated for. Rex has won many championships and events around the countryside including single events and Deauville double events. Rex and Jenny won the Western Zone night DD's at Hermidale two years ago just to rub the salt into many a good shot's wounds.

Rex will certainly be missed but never forgotten. Our love and thoughts are with Jenny and Rex's family. You have left a great Legacy in Jenny, lets hope she continues with shooting and continues to remind us all of your memory.

Adios Amigo, catch up with you one day in the last shoot off.

Easter Shoot at Echuca

Location on the Murray River which forms the border between Victoria and New South Wales

Normally most shooters have demands other than clay target shooting on their calendar at Easter time, so the committee at Echuca Clay Target Club were pleased to have five squads of competitor's line up on Easter Sunday. A mixed bag of events was on offer for the day. A day that turned out to be perfect, weatherwise, for the shoot. The main event was first, being a 50 target Skeet

Championship, and a B grade, Swan Hill shooter, Geoff Charleson, after a short shoot off reigned supreme, Geoff shot a 58/63 score to collect his Overall Winners Sash and trophy. Well shot Geoff, and a thank you, for Swan Hill shooters for travelling so far.

Three other events were a Points Score, a Handicap and a Single Barrel all with cash as trophies, the Handicap being the other main event with three places on offer and three shooters shooting the possible of 20/20. Ray Peatling a member of Boort Clay Target Club shot off a back mark of 24 metres out shot locals Ian Phillips and Peter Sing to collect 1st Place on a score of 23/23, Ian took out 2nd place on 29/30, and Peter 3rd with a 28/30 score.

Full results for the shoot were, Event 1, the 50 target Skeet, Overall Winner Geoff Chaleson 58/63, A grade Craig Scott 46/50, B grade Peter Sing 47/54, C grade Peter Akkermans 57/63. Event 2, a 20 target Points Score, AA grade Ray Peatling, A grade James Peatling, B grade Kevin Yates, C grade Sean Everett. Event 3, a 20 target Handicap, 1st, R Peatling 23/23, 2nd, I Phillips 29/30, 3rd, P Sing 28/30. Event 4, a 20 target Single Barrel, AA grade 1st Steve Atkins, A 1st J Peatling, B 1st P Sing, C 1st L Mimmo also a Swan Hill member.

Thanks to good help from the competitors in refereeing and scoring, the shoot ran very smoothly, and all events and the presentations were all over by the early time of 4.30pm. With a good variety of food and drink on offer from the ladies committee, perfect shooting weather, and good grounds to shoot over, every one in attendance was pleased with the days competition, and Echuca President, Ron Traill thanked them all for attending the Echuca Easter shoot.

Good Friday tradition continues at Callawadda

Callawadda-Stawell Gun Club held its sixty-second consecutive Good Friday shoot at Easter. In past war years it was the Stawell club that managed the Easter shoot and many veterans can recall the old days with the manual five trap competition. Since amalgamation with the Callawadda club the shoot is now an annual event in the village 26 kilometres north of Stawell.

This year sixty-four shooters nominated to try and take some of the excellent array of sponsored prizes. The sky was free of cloud but the southerly wind made it tricky for shooters to record the much sought after "red ink".

President Colin Dunn with Roger Lehmann, High Gun, O/A P/S. 2nd AA S/B, 2nd AA D/B

The first event was a 25 Target Points Score Championship sponsored Stawell Autopro. Birchip's Roger Lehmann, Maryborough's Craig Watts and Tyrendarra's Geoff Mc Lean were the only shooters with 75/75. Mc Lean pulled a second early. Watts pulled one on his twenty-third target giving Lehmann "overall" honours. Ararat's Gary Hargreaves took out A grade. Local veterans Leon Gibson and Laurie Hemley claimed B and C grades.

Ashley Bolwell, O/A S/B and D/B

Graham Menhennet, 2nd A Gr S/B

The wind was still a concern when the field went out in the Stawell Paint Centre Single Barrel Championship. Two possibles were posted – the sponge-maker from Birchip Roger Lehmann and Horsham's Ashley Bolwell. The shoot off went six targets before Bolwell claimed his first win of the day. Geelong shooter and Ararat member Bill Harris won A grade. Murray Wythe from "down south" took B grade with a creditable 24/25 and newly registered St. Arnaud shooter David Lanyon won C grade with 23/25.

By the time we got to the Wimmera Outdoors Double Barrel Championship the wind had abated. Fifteen possibles decorated the scoreboard – seven in AA, six in A and 2 in B grade. After a run of ten targets across each of the three layouts the field had been whittled down to five AA shooters. Only two made it to one hundred – that talented fellow from Birchip and the big left-hander from Horsham Ash. Bolwell. Roger left target number 113 to "breed" while Ashley wasn't thinking about conservation. He took out his second overall sash for the afternoon. "Kelly" green had been chosen to acknowledge the event's sponsor.

Scott Wythe outlasted Peter Mitchell to win A grade. Junior Andrew Smith from Boocar, near Camperdown, shot his first 50 break to win B grade and youngster Kurt Watts from Maryborough survived a shoot off to win C grade. Prizes in this event also went to the best unplaced junior – Trent Orval [from Warracknabeal], the best unplaced lady – Kerrie Wythe and the best unplaced veteran – Ron Hounsell.

The J & A Fencing High Gun for the day was thoroughly deserved by Roger Lehmann. He was “clean” over the entire program! Andrew Smith won the junior High Gun award while Leon Gibson won the “vets”.

The shoot was over by 4.30pm thanks to the efforts of a hard working group of club members and a reliable set of traps.

We thank our sponsors for the day – Stawell Autopro, Stawell Paint Centre, Wimmera Outdoors and J & A Fencing. The quality of the prizes on offer was worth travelling long distances to win.

Guyra Two-day Trench Shoot

Location at the top of the Northern Tablelands in the beautiful New England region, approx half way between Sydney and Brisbane

It may not be the biggest or most extravagantly sponsored two day trench shoot in New South Wales, but one thing is for certain, those who attend have a great time and certainly enjoy the weekend!

A lot of shooters are long term attendants and there a lot of truthful stories and fellowship on Saturday night!

Guyra held it's annual trench shoot on 9th and 10th March and attracted a quality field of 30 odd shooters from Newcastle, Sydney, Brisbane, Warwick, Warren, Brewarina, Glen Innes and locally from Guyra. the grounds and facilities were immaculately prepared and after some recent good rain the countryside was a picture.

Guyra trench layout boasts one of the best backgrounds in Australia and although only established in the early 1980's, it has seen some very creditable scores shot there. After completing a recent repairs and maintenance program, the equipment performed up to expectation allowing to put through a lot of targets in a day.

Guyra is also very fortunate to have a past Olympic, Commonwealth and World Championship shooter, Terry Rumbel as a member and mentor and Terry's quiet and friendly advice is of a great benefit to many shooters.

In fact The Old Master blew the cobwebs out of his Browning and won "The Great New England Sparrow Shoot" in tricky conditions! (25 fluro sparrows off the trench traps, if you fancy yourself, try this event!)

Besides the Championship event of 150 targets plus final, the club put on a very popular "Sparrow" event. One well known Newcastle shooter was heard to say "Where did it go?" In fact after the shoot unbroken sparrows were picked up out 200 metres from the traps! The degree of difficulty was high and this is where The old master, Terry come to the fore!

In the championship event, the wind and flat light conditions made shooting a good score on Saturday very challenging with only one

25. Sunday brought perfect conditions and an improvement in scores.

It's Your Call

No. 18

By
Bill McCarthy

There is often confusion about the entitlement of a shooter to see a target and when the Referee can implement that entitlement. Our rules are very specific in this area but are sometimes misconstrued by shooters. Let's look at this example.

As the Referee of a squad a shooter walks away from lane 5 to lane 1, stands on his mark with his gun broken and calls for a target. He has not made a request to see a target.

IT'S YOUR CALL:

If you rule "Lost target" you will be quite correct.

Firstly, under GRTS 5 (b) and (c) and Rule 1.02(b) clearly state the circumstances under which a Referee is required to show a target. The Referee "may" at his discretion grant a shooter the opportunity of "seeing" a target upon request. On no account though should a shooter take it upon himself simply to call for a target to view it. Even if he ask the Referee if he can see a target, the Referee could, and in most cases should refuse unless there are extenuating circumstances which have not fallen within the Rules.

The situation described above is merely an example of one type of incident of this nature. It does not matter where a shooter is standing or whether it is from lane 1, 3 or 5 etc. A shooter is not allowed to call to a target with his gun down or otherwise unless he has the permission of the referee. This applies to each occasion when a target is viewed.

The opportunity afforded by the use of electronically released targets has given rise to incidents of this nature. However, shooters are warned that the consequences of this action may well be prejudicial to their event score.

Dear Sir

Just to set the record straight.

On the 11 April three National Executive members entered my office and informed me that the full executive of the association had met, by teleconference, and by a unanimous decision I was to be given the opportunity to resign or my employment would be terminated. I have since found out that this was not the case and in fact no formal vote was taken.

The reason given was that my continued employment was not in the best interest of the ACTA or in fact in the best interest of the Executive Officer! I'm not sure what this means and none of the executive I have spoken with since can elaborate.

I wish to point out that my employment agreement with the association clearly had an employment grievance policy whereby either party could inform the other and have the grievance dealt with at a

Management meeting within 14 days. This of course was not adhered to and it would appear that any employment agreement with this association is not worth the paper that it's printed on.

This may sound like sour grapes but I was not given the opportunity to defend myself nor hear the extent of the allegations therefore it is hard for me to achieve closure. I now feel betrayed by the Executive as I classed some of the members as long term friends and close working colleagues.

On legal advice, under duress and with no options available I took the avenue to resign, bow out quietly and end nine years of passionate dedication to a job that was challenging and personally rewarding. Yes, I upset some people along the way, and I apologise for that, but I had a job to do with little or no direction from the National Executive.

To the ACTA office staff I would like to thank you all for your dedication, loyalty and professionalism towards the running of this association. You are the best team I have ever had the pleasure of working with.

To the numerous shooting acquaintances I have met over the years I wish you all well with your shooting and perhaps we will meet again in the future.

24TH ANNIVERSARY SHOOT

Monarto-Alexandra - 17th & 18th March 2007

Location 45 minutes (70 kms) from South Australia's capital city, Adelaide and is the gateway to the picturesque Murraylands region

What a fabulous weekend! Friday saw the usuals' coming with their caravans to camp on the grounds and by Saturday morning the place was abuzz with activity. Sixty-two shooters had come from far a field (WA, Port Lincoln, Mallala, Waikerie, Mount Gambier, Millicent, Bordertown, Adelaide, Kingston, Parrakie and Victor Harbor) to join with the locals in the competition and we couldn't have been happier. An early surprise on Saturday was meeting Victorian, Simon Gloster, on

his way through to the World Police and Fire Games being held in Adelaide. He had chosen to have some practice at our Club on his way through as competition for the Games was only starting in Adelaide on Monday 19th.

The weather was forecast as fine and mild with a temperature of 26°C – and it turned out to be a beautiful day.

The first event, a 10 target Eye Opener C/D saw the following shooters take a share of the money. P. Kay, J. Fidock, S. Gloster, R. Clark, J. Byrnes, R. Schubert, N. West, P. Hampel, R. Batson, J. Forbes, S. Byrnes, H. Whitehead, S. Fenwick, W. May and N. Rolins.

Event 2, saw the very happy Veteran shooter, Harold Whitehead (Whyalla) who shoots from his 17-metre mark, win the 25 target Monarto Anniversary Handicap. Harold's score was 35/38. Second place went to Noel West (Southern) who shot a 34/38 from 21 metres and third placing went to Jonathon Fidock (Southern) whose score was 35/37 from 21 metres.

AA Grade shooter Dino Oliviero (International) with his score of 33/33 took out event 3, the 25 target Lower Murray Grit Blasting Championship, proudly sponsored by John and Ruth Bretag. John Byrnes (Lower North) took out A Grade with his score of 24/25, Ron Batson (Bordertown) won B Grade with a 23/25 and veteran Wally May (Lake Albert) took out C Grade with his score of 21/25.

The final event for Saturday, the 25 target Monarto Points Score Championship was won by "home grown" shooter Peter Kay (Monarto – Alexandra). Peter, the only person to shoot the possible won overall and AA grade with his score of 75/75. Rodney Schubert (Southern) took out A Grade with his 74/75, John Mitchell (Monarto –

Alexandra) won B Grade with a 66/75 and C Grade was taken out by Deb Hopton (Southern) still smiling since her 3 gold medal win at our recent Regional Masters Games competition. Deb shot a 57/75. Shot in conjunction with this event was the Shell Shield Team event. Monarto – Alexandra team of Peter Hendy, Rob Clark, Peter Kay, Peter Hampel and Tim Dunn took the honours shooting a 117/125.

Competition was over by 3.30pm so those who wished stayed on and shot a few rounds of practice double rise. Saturday evening saw those who camped on the grounds share a BBQ.

Sunday morning dawned with an overcast sky, which was to persist all day, making for dull conditions. The day itself proved to be less than dull for surprise, surprise, here we found ourselves welcoming even more of the World Police and Fire Games participants. Rico ve ri Luca, Fabrizio Evangelisti, Giancarlo Boccaccio and Alessandro Lince (from Italy) and Luther Cutts (Wisconsin, Canada) joined in the competition. "Did you see their guns?" was the comment I kept hearing all day – many of the shooters eyes almost popping out of their heads when viewing the visitor's guns. This was indeed a real treat! It proved to be a very multi-cultural day for we also had a small group of Japanese exchange students on the grounds and they very happily tried their hand at clay target shooting on the practice trap.

Event 5, the Monarto 30 Mixed target Championship saw yet another local boy Rob Clark (Monarto – Alexandra) take out Overall and AA Grade with his perfect score of 50/50. A Grade went to Brian August (South Australian GC) on 49/50, Tim Dunn (Monarto – Alexandra) took out B Grade with another 49/50 and C Grade went to smiling Deb Hopton (Southern) who shot a 43/50.

Peter Kay winner of Points Score C/S

Harold Whitehead takes out the Anniversary Handicap

Ruth Michell presents winning team with trophy. L - R. R. Clark, P. Hendy, P. Kay, T. Dunn, P. Hampel

Event 6, the Peter & Jackie Hendy 25 target Double Barrel Championship saw Rob Clark take out his second championship for the day. Rob won Overall and AA with his fine score of 81/81 after a shoot off with Alessandro Lince (visiting World Games competitor from Italy). Rodney Schubert (Southern) took out A Grade with his score of 75/76, Kevin Hobbs (Monarto - Alexandra) won B Grade with a 25/25 and Neil Rolins (Monarto - Alexandra) took out C Grade with his 22/25.

The final event on the program was the Graham Michell Memorial 25 target Points Score Championship. Winner this year was Donald Beelitz (Wilkawatt) after a shoot off with B. Piteo (International) - they both shot perfect scores and Donald was determined, after 5 years of trying to win this event, to take out the honours. He did, shooting a score of 78/78. Donald, wife Lynn, Graham and I had toured the two islands of New Zealand back in 1985 and we all shot the Nationals in Hamilton, so being a long time friend, Donald was most pleased to win this prestigious event. A Grade winner was Peter Hendy, (another fellow tourer of New Zealand with Graham and I, and shooter of Nationals at Hamilton in 2001), Peter shot a 74/75. B Grade went to up and coming junior shooter Clint Mason (Lake Albert) who shot an impressive 99/105. Neil Rolins took C Grade with his score of 56/75. Ladies trophy went to Sue Byrnes on 65/75 and the Veteran trophy went to Max Leaford on 66/75. Shot in conjunction with this event is the Graham and Ruth Michell Team trophy and the Monarto - Alexandra team of Peter Hendy, Rob Clark, Peter Kay, Peter Hampel and Tim Dunn won with a score of 352/375. Teams from Southern, International and a special team made up of the World Police and Fire Games participants added interest to the event.

All events were completed just after 5pm but after the full two days of competition we found we had two Monarto - Alexandra shooters vying for the title of High Gun winner. Rob Clark and Peter Kay were both

on 261/275 and after an 18 target shoot off we finally had a winner - Peter Kay.

High Gun recipients are as follows:

JUNIOR HIGH GUN Clint Mason 245/275, LADIES HIGH GUN Sue Byrnes 227/275, VETERAN HIGH GUN Max Leaford 232/275, C Grade HIGH GUN Deb Hopton 210/275, B Grade HIGH GUN Clint Mason 245/275, A Grade HIGH GUN Rodney Schubert 260/275, OVERALL HIGH GUN Peter Kay 291/305.

The Clubhouse was near to bursting point with everyone, including our overseas visitors, joining in for the all important presentation time. The great spirit shown amongst the shooters was evident and they will no doubt have great memories of this particular shoot.

Thank you to the following: Our sponsors on the day, John and Ruth Bretag, Peter and Jackie Hendy and Ruth Michell and family - Sharon, Darren, Patrick, Thomas and Matthew. The Committee and Club members for making sure the traps and grounds etc. were ready for the big weekend. To Peter Shepherd for keeping an eye on the traps. Thanks to Jackie, Helen, Ann, Jan and Ruth B for their tremendous job in the canteen and to Ruth B again for her raffle ticket selling ability - she could "almost" draw

blood out of a stone! Thanks to Club President, Peter Hendy and Rob Clark for keeping the shoot rolling smoothly. Thanks in particular to Peter Kay, Peter Hampel, Ian and Deb Hopton, Noel West, Simon Gloster and Harold Whitehead who jumped in all weekend to help out with refereeing and scoring without being asked - and all others who helped in this area - your help was invaluable. Thanks to Peter Harris, my handicapping offside, for keeping me sane with his witty comments. Special thanks again to Noel West, Ian Hopton and Darren Grigg (all taking photographs) for your photos at presentation time and special photos with our visitors from overseas. Lastly a big thank you to all the visitors from far and wide who came and made this one very special weekend.

It seemed the Club was the gathering place for the "walking wounded" over the weekend so lets hope all those hips and knees are mended the next time we meet - Lynn Beelitz, Barry Pobke, Brian August, John Bretag and Di Harrison.

This really turned out to be a very special weekend! Thanks for your company.

Riverina Ramblings

The adventures of a couple of ordinary blokes in the Eastern Riverina

I heard a rumor the other day about a bloke who was up at Tumult for their two day shoot and after the first days shooting decided to go to the pub for a meal, have a beer, maybe two, indeed, bleed off the stress of competition.

Having won the Calcutta, (must have had some inside info) several hours later it is alleged, said shooter was serenading the ladies of this fine village in an impersonation of the wandering Ballard. I would have thought a shooter of his standing, not to mention age should know better. Shame on you P _ W _ , Shame. The only good news was that he didn't throw up before the first event on the Sunday, nor did the police decide to press charges.

It's funny thing pressure. Pee Wee has been shooting like a champion, has even won a few club events but off he goes to the Vets all full of confidence. I of course sit in my office trying to keep the wheels of industry rolling and the phone rings about half past four. "Big, how you going" says Pee Wee "Not bad" says I "but how did you go" in the champion of champions. "Got the double barrel no worries" says the Illustrious one, "Great, good" says I, "But ah ah ah, then the wheels fell off and I dropped five in the single barrel" He says really fast. "Bulls _ t" says I thinking he is pulling my leg, "Yeah then I pulled about five seconds in the points" I could tell by the voice that he wasn't joking and even I was short of a cutting and sarcastic comment. Then came the excuse, Yep. "It was pretty windy and I reckon that I have over trained and didn't taper enough" @\$%????!!!! Strike Me down if that's not what he said. I reckon he has been watching the swimmers on telly too much. Yep things were back to normal.

Narranderra, that's pressure for me. I swore black and blue that after my last visit, never again would I venture forth to this most unhappy of hunting grounds for me. On my last effort there I shot a 30/50 and certain so called mates have been giving it to me ever since. I had an alternative to that humbling experience I had envisaged an alternative sojourn. Cadge a ride down to the Culcairn oval to watch the Henty 1st 11 play the second day of the grand final against the old foe, partake of a few cold malt shakes, wander back victorious to the club for long night of celebration and merriment.

Like all good plans I have, the Child bride actually had quite a different day mapped out, I think it went something like this. Wash (er) car, then pack both the Golden child and Herself off to the heated pool at Wagga for a leisurely few laps whilst I got to keep a wary eye on her handbag. After everyone has dried off, re-applied the war paint and dried and/or replatted their hair, then I could spend a thrilling balance of the day wandering around shops in the mall. We won't actually buy anything, just look, pick up, smell and then put it down again before moving on to the next handbag shop.

It will come as no surprise then, that when Pee Wee knocked on the door he caught me at a weak moment. So it was off to Naranderra for another hiding. Well at least I wasn't surprised. Sammy Papsaderio had to shoot the last twenty five straight to get me, but he did, the rotten old sod. The SC3 overcame the 682 and it was more tears.

You may be wondering what bought all this on. When We were driving home, Pee Wee says "I don't know why we do this, it's nuts, you can shoot three hundred straight one day and can't put a ten together a week later". "Yeah, that exactly why we do it" says I.

Cheers Chris

South Australian State ISSF Trap Carnival

State Trap Finals Top 6

As the weekend started, with a clear sky and a slight Breeze we thought we were in luck as the trap got under way.

With Craig Bentley and Steven Baynes both starting the round with 25, the competition had a high standard, Ross Walsh and Tony Cantali only one point behind after round one. At the end of the first 100 Tony Cantali was leading by only 3 points. I dare say Tony "Boom-Boom" Cantali would have had a stressful night knowing that there were four shooters all within striking distance, with only 25 to go.

Day 2 got underway with light winds but stiff competition. Steven Baynes posted another 25 but it wasn't enough to put him in the lead with Tony Cantali finishing on 117/125 to put him no.1 into the final, Steven Baynes on 115/125 Craig Bentley 114/125 Elio Mariniello 111/125 Ross Walsh 110/125 and Eric Parletta 109/125. The final Conditions changed considerably with the SE wind becoming quite strong, which made it tough for a single barrel final.

The final results

Overall Champ Tony Cantali 135/150

AA Craig Bentley 114/125 2nd Ross Walsh 110/125

A Steven Baynes 115/125 2nd Elio Mariniello 111/125

B Vince Bone 106/125 2nd Bill Wilksch 103/125

C Allan Vilcins 98/125 2nd Bradley Wilksch 82/125

Top Junior Bryon Bone 96/125 2nd Ben Baker 88/125

State Trap boys had all the luck by the time double trap got underway the wind was moving the targets like spitting out the window doing 100 miles per hour let the fun begin. Round one was very adventurous and we know why "Boom Boom" Cantali shoots Trap, with Ross working on his mind Tony found it difficult in the conditions but Steven Baynes shone through with a round of 41 to start, with the closest to him being 4 behind.

Round 2 The wind is picking up but the scores aren't at the end of the second round Ross Walsh was using his trusty A grade Browning a tried and tested firearm in these conditions.

Round 3 and program C did prove to test all competitors Craig Bentley's consistency showed with scores of 37 38 39 putting him no.1 into the final. As program C is also the finals round scores still stayed low but again with Craig posting a 38 taking out the overall Double Trap Championship.

Overall Champ Craig Bentley 151/200

AA Steven Baynes 107/150 2nd Dexter Barnes 91/150

A Rowan Lendon 105/150 2nd Deserie Baynes 103/150

B Eric Parletta 100/150 2nd Pino Marmorale 96/150

C Antonio Cantali 86/150 2nd Elio Mariniello 81/150
