NATIONAL PRESIDENT'S NOTES

John Mack

I am pleased to write to you for the first time as President of the Association, but before going any further I would like to pay tribute to the exemplary service that Bill Jones has given to our organization over many years.

Due to personal matters, Bill submitted his resignation at the meeting of the National Executive in Wagga early June, and while Bill's loss will be impossible to replace I will do my best to progress all aspects of the Association to the benefit of all members.

We have a new Board structure in place that will add to the governance and decision making processes and you will see elsewhere in this issue about decisions taken in many other areas.

I look forward to working with you all to progress our Shotgun sports.

John Mack

FROM THE EXECUTIVE OFFICER

It has been a very interesting month since my last column and I am pleased to advise the following update.

At the time of writing we are one week away from the annual meeting of the National Executive and with the change of Executive Officer it has taken a fair effort by all in the Office to prepare.

This note is written in advance and will go to print before the National Executive Meetings, however I took the decision to hold the CTSN back by a few days so that we can include a last minute addition of a couple of pages of information to brief you all on any key or interesting decisions taken at those meetings.

I also now advise that the letter published in "Your Say" of the June CTSN was not approved by the National Executive and contains sections which are not factually correct.

Following publication of Mr. Sanders' letter I report:

- I am advised and assured that the decision of the National Executive on this matter was unanimous.
- I am further advised that the previous Executive Officer had been formally spoken to and/or counseled by members of the National Executive on previous occasions with regard to aspects of his position and the discussions on April 11th were a culmination of those actions.

For your information we reprint here a copy of the Press Release that was issued by our Association soon after Mr. Sanders' resignation:

Following discussions by the ACTA Executive Committee, the ACTA Executive Officer, Mr Andrew Sanders, tendered his resignation on the 11 April 2007 to take effect immediately. This was accepted by the Committee.

Mr Geoff Kidd, well known to most shooters, offered to undertake the position on an interim basis pending permanent recruitment action. Mr Kidd has a wide background in national and international shooting as well as extensive corporate management experience. The Committee has gratefully accepted Mr Kidd's offer and he will take up the position as soon as possible. Mr Alan Vilcins, Executive Member from South Australia, will provide support and assistance to Mr Kidd on as needed basis. Mr Vilcins

an experienced shooter is professionally qualified in Tourism Management and Event Management as well as having relevant experience in managing the recent Police, Fire and emergency Services Games in Adelaide. (For those who may not be aware these are the third largest sporting events in the world.) President Bill Jones stated that the ACTA is very fortunate having available at such short notice the services of these two eminently qualified people.

Recruitment action for the permanent replacement of the Executive Officer will be undertaken following the outcomes of the ACTA strategic planning initiative currently in progress. This process will be finalised at the next Executive Meeting.

I am also pleased to report that the National Sporting Clays Championship was run at the National Grounds over the weekend of May 19/20. It was a very enjoyable weekend and it is a credit to John Younger of Bacchus Marsh who shot a fantastic 99/100 on Saturday and followed that up with a 92/100 to win the National Title with 191/200. A full report on this Event will be in the August CTSN, but I would like to record the ACTA's appreciation to Wagga Gun Club who ran this Event on our behalf, to David Coleman who was responsible for the creation of the various targets and to all of the workers from Wagga Gun Club who made this terrific event possible.

At that Event we undertook an initial attempt to include "live" reports (well, almost live) on our Website and a brief write-up was added to the website 3 or 4 times during each day, with photos and results being posted within hours or minutes of being taken. It is our intention to build on this so that members will be able to check out & monitor all National Championships as they are running. You will also see that we have added a "Recent News" section to keep members advised on relevant matters, and we are hopeful of having a State based and National Shoot calendar on the website some time soon.

You will also see in this issue an article relating to a problem that has arisen recently due to members being coached on the DTL tracks during competitions. I commend that article to all members.

Regards to all Members, Geoff Kidd

EXECUTIVE OFFICER'S REPORT OF SOME KEY DECISIONS TAKEN AT THE RECENT MEETING OF THE NATIONAL EXECUTIVE MAY 30TH – JUNE 3RD

I have pleasure in providing the following Report on some key issues on which the National Executive met over the past 4 days.

This is not exhaustive or complete and more will be advised in the next issue of CTSN or progressively thereafter, as this is being typed with the closing date for this print run just hours away.

I have been a member of the ACTA for around 30 years and had no idea of the quantity of work required by the National Executive over these 4 days, which commenced last Wednesday evening (May 30th) with a 4 - 5 hour review of the 2007 Trap Nationals and initial consideration of key issues to make the 2008 Trap Nationals a fresh, enjoyable and prestigious Event. The aim of that meeting was to review what happened in 2007 and to put in place the necessary changes to again make the Nationals the highlight of the Trapshooter's year. More on that below.

Thursday May 31st was spent in an all-day review of the structure of the ACTA under the guidance of a very experienced facilitator

and expert in sports administration. That meeting identified many of the strengths and weaknesses of the present organisation and the National Executive made changes to address those issues during its full meeting on June 2nd & 3rd, as further outlined in this Report.

The day before the full National Executive Meeting is spent with meetings of all Subcommittees, of which there are 9:

- Finance
- Coaching
- Shooting
- National Championships
- Membership Growth & Services
- National Ground Complex
- Rules
- Hall of Fame
- Management

Most of these meet for 2 – 3 hours on that day to examine all key issues of their aspect of the Sport & to formulate recommendations for presentation at the National Executive Meeting, held the next day.

The National Executive Meeting spanned the 2 days of June 2nd & 3rd, involving what I estimate to be approx. 15 hours of detailed discussion, resolution & decision making on key items, and what follows are some of the issues, however before progressing further I need to report that Bill Jones has stood down as our President due to personal matters and that is reported in John Mack's section on the 1st page. Bill's dedication to the ACTA was greatly appreciated by all members of the Executive and his service to the sport through various positions on the National Executive deserves praise and appreciation by all members.

As a result of Bill's standing down, John Mack from Queensland was elected to the position of President and John presided over all further sections of this meeting of the National Executive.

I am pleased to report that the ACTA has received a grant of \$35,000 that will be used to develop and foster our Junior Development Program as part of the AISL ISSF Talent Development Pathway. This will result in a policy being developed by the ACTA for the National Junior Development Squad and the National Youth Development Squad.

The ACTA is developing a coaching system for the development of a state based coaching program. Individual coaches for a state based program are to be sourced and all states will have the opportunity to run a level one coaches course.

For future Skeet development, the ACTA is developing a Skeet coaching program for the benefit of all interested members.

As limited funding is now available, the ACTA is providing support and logistics to establish state based ISSF programs.

We will also investigate developing a competition between Australia and New Zealand for ISSF shooters along the lines of the Glenn Cup guidelines, and to be contested at the ISSF National Championships.

The 2008 Trap Nationals will be conducted March 31st – April 6th 2008 at the national grounds.

Complete details of the program will be included in next months CTSN, however I am pleased to advise members that March 31st will involve a new & rejuvenated Opening Ceremony followed by the 50 target Grand Australian Handicap. April 1st – 5th inclusive will then each be 100 target events to be shot in 2 visits, with April 6th to include the usual Teams Shooting and the resolution of High Guns etc.

Entries for the 2008 Trap Nationals will be limited to 500 competitors in each Event to ensure that time constraints can be met and Pre-Nomination and Pre-Squadding will be necessary to make this a more manageable & better experience for competitors and all of the workers at the Nationals.

The Executive is well aware of the need to contain costs for our members for all of these Events and costs will be advised further as soon as detailed budgeting is completed for the Carnival.

In addition to these changes, we will soon provide you with details of a complete social calendar for the 2008 Trap Nationals, including entertainment or functions at the Grounds on most evenings.

The Executive are presently working on the National Ground facilities and are upgrading those to ensure the ground is current with all health and safety issues and are of a high competition standard. National ground upgrades that are being explored include: Seating and shade for competitors, a dedicated trade display area, a drainage upgrade, the lighting of layouts and improved weed control. As with all facility upgrades there is a cost involved and the Executive are attempting to facilitate those upgrades as economically as possible.

Members of the association have been consulted as to the improvement of the grounds and championships and the recommendations of those members have been included in forward planning for the association.

The 2008 and 2009 National Championships have been forward planned to assist members to plan their attendance and the next CTSN will include those dates once all have been endorsed at all levels. These dates will also appear on our website immediately they are fully approved and locked in.

A website upgrade has been implemented and the Executive is looking at ways of minimising office tasks & costs. One initiative is to electronically update the website by member clubs with their shoot information along with upgrading the communication strategies of the ACTA with all of its members.

The Sporting Clays National Championship and the Skeet National Championship will run successively in 2008, and it is hoped that this will allow additional members to compete in each and add to the overall enjoyment through that week. More details on this will be included in upcoming issues of the CTSN and on our website.

As a result of the deliberations of the National Executive, and in order to provide improved governance of our operations, the Executive has moved to implement a structure that is being followed successfully by many other sports. That involves the formation of a Board to provide closer supervision of our day to day operations and to meet more often to review, identify or action any improvements that can be made or to provide policy direction for the advancement of the sport.

That has been voted on and the structure of the ACTA has been progressed to now include a formalised structure of a Board of Management. This Board includes the President and 5 members of the National Executive, and is charged with the responsibility to take the Association forward. It is anticipated that the Board will meet 6 times per year in person or by phone or video conferencing and this meeting schedule will also allow all key sub-committee initiatives to be actioned more rapidly.

A number of rules clarifications and simplifications were adopted at the National Executive meeting. These Rule alterations have passed through a rigorous process of review in each of the States and should go a long way to address anomalies or points of argument in several areas. Again, details will be explained further in future issues of CTSN.

The National Executive has also adopted a policy of much tighter budgeting and expenditure approval in all areas and I am presently concentrating on the preparation of detailed budgets for all of the 2008 National Championships. I am pleased to report that this tight budgeting process was undertaken for the recent Sporting Clays Nationals and we were able to complete that Nationals and the budget was met. A great result for a successful and enjoyable Nationals.

The National Executive, through the Board will also be concentrating on improving membership retention and servicing over future months via several initiatives that should benefit all Clubs and States.

The recruiting of a new Executive Officer is now under way and following these meetings of the National Executive, a detailed review of all areas of our operations will be commenced. This will start by tendering many areas which are key costs, with the new Executive Officer to complete this review once on board.

I hope that the above is of interest to all members and as advised, more details will be provided as soon as possible.

Regards to you all

Geoff Kidd

Victorian State Sporting Clays at Maryborough

Location 4 kms east of Maryborough off Pyrenees Hwy
in Central Victoria

Fifty-two competitors came from far and wide to take part
in the 100 Target State Sporting Clay Championship.

President Darren Watts congratulates Leigh Roberts, Overall winner

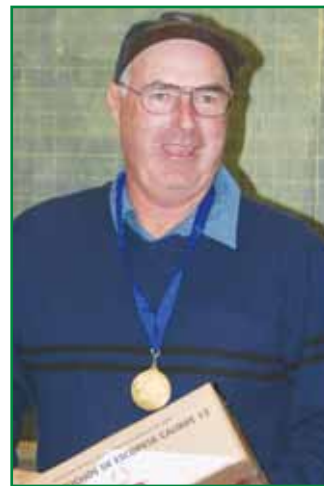

Leigh Roberts was the overall winner for this event. Leigh won a sash, State badge and cartridges. Leigh's score, 94/100. Shane O'Brien won AA Grade, 85/100 from Scott McIntyre, 83/100. A Grade was won by Peter Cleggett, 86/100 from Tim Hughes, 84/100. Craig Jennings won B Grade, 81/100 with Neville Foot second, 79/100. C Grade went to Peter Kennedy, 77/100 from Brenton Lester, 69/100. Jennifer Dew took out the Ladies prize, 63/100. The Junior shooter's prize went to Bradley Da Fonte, 68/100, and the Veteran's was won by Murray Sutherland, 67/100.

The three shooters who will represent Victoria in the National Final for Sporting Clays are Leigh Roberts, Peter Cleggett and Craig McNeil. This event will take place at the National Ground at Wagga.

Maryborough would like to thank GB Corsivia for their sponsorship and Geelong Sporting Clays for their assistance with traps.

Shane O'Brien, AA Grade

Peter Cleggett, A Grade

Craig Jennings, B Grade

Peter Kennedy, C Grade

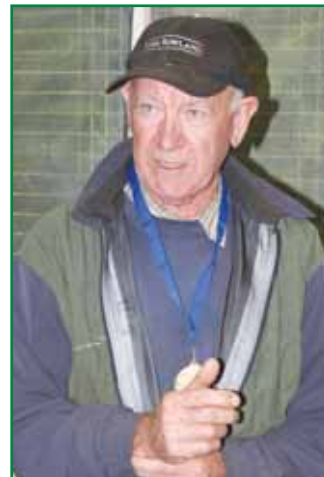

Neville Foot, 2nd B Grade

Bradley Da Fonte, Junior

Jennifer Dew, Ladies

Murray Sutherland, Veteran

CABOOLTURE SKEET

Location 45 minutes north of Brisbane's CBD

A warm and gusty Easter Sunday greeted the 30 shooters as they arrived at Caboolture Clay Target club for the second ever John Reynolds Skeet Carnival .

Six squads lined up for the first event, the 25 target cash divide and the gusty conditions made it all too easy to misread the targets and several shaking heads and muttered curses bore testament to just how easy it was to miss under these conditions and while most shooters were waking up to the reality that this was going to be no walk in the park it was Dave Dundon who knuckled down immediately and worked hard for each and every target to shoot the first 25 of the day and the only one of the event.

The second event was the 50 target championship and with lessons learnt from the first round it was a very careful and respectful group of shooters who got down to some serious shooting but again it was Dave Dundon who continued his recent excellent form to shoot the only possible in the event. He didn't have it easy with a hungry pack of A, B and C graders snapping at his heels throughout meant he couldn't relax for a moment but concentration and confidence paid off and enabled him to walk away with the winners prize.

Lunchtime came around and it was a credit to the spirit of the club that they were able to muster such competent, helpful (and unpaid) assistance with the catering and running of the days events.

The afternoon saw the squads drop down from 6 down to 5 with the departure of the clubs veterans who, having shot their two rounds called it a day and opted out of the final two events, the first of which was the popular 25 target handicap event which with so many C graders participating meant that it would have been a brave or foolish gambler who could have predicted the winner.

With the wind still gusting around the ground every shooter was forced to look really hard for each and every target. The end of the first round saw a much reduced group of shooters assembling for the shoot off but with a good mixture of grades and experience it was a nervous and uncertain squad of 8 who lined up on stand one for the shoot-off.

A combination of nerves and unpredictable targets left just 4 shooters fetching another box of shells for the next round. Into the third round now and experience under pressure helped Craig O'Neill to be the last man standing with a 61/61 closely followed by a very pleased Steve Dykstra who had pushed all the way to the finish line with a cleanly shot 55/60.

The final event of the day was the 25 target doubles and with the light beginning to fail and some rain threatening it was sure to make for an interesting finish, even the local Kangaroo population appeared out of the tree-line to sit watch the outcome.

It all conspired to be too much with nobody shooting the possible leaving Craig O'Neill and Dave Dundon vying for first place but in the end it was Craig who took it with 23/25 beating Dave by just one target.

Overall High Gun for the day was won by Dave Dundon with 121/125 who took away a sash, a trophy, some shells and a big grin and the day was deemed a success by all.

"This is the second year that this event has been held and it is very encouraging to have such a large number of shooters turning up especially considering it is Easter Sunday.

"Everyone seems to have had a good day and there have been plenty of laughs, some great prizes and even some good shooting - perhaps next year we will make this a two day event and firmly establish it as one of skeet's major shoots," said Skeet Captain Nigel Hughes.

50 Target Championship

AA Grade 1st Dave Dundon 50/50, AA Grade 2nd Nigel Hughes 48/50
A Grade 1st William Turner 48/50, A Grade 2nd Kel Madsen 47/50, B Grade 1st Frank Cooper 48/50, B Grade 2nd Tracey Ashton 44/50, C Grade 1st Ian Clisdell 45/50, C Grade 2nd Paulette Walker 44/50.

25 Target Handicap

1st Craig O'Neill 61/61, 2nd Steve Dykstra 55/60, 3rd Roy Shelvey 54/57, 4th Bob Hamson 36/40.

25 Target Doubles

AA Grade 1st Craig O'Neill 23/25, AA Grade 2nd Dave Dundon 22/25, A Grade 1st Allan Mills 24/25, A Grade = 2nd Kel Madsen 23/25, A Grade = 2nd Lorraine Hughes 23/25, B Grade 1st Tracey Ashton 21/25, B Grade 2nd John Reynolds 20/25, C Grade 1st Bob Hamson 20/25, C Grade 2nd Bob Robinson 19/25.

High Guns

Overall Dave Dundon 121/125, AA Grade Nigel Hughes 116/125, A Grade Kel Madsen 115/125, B Grade Frank Cooper 109/125, C Grade Paulette Walker 104/125, Ladies Lorraine Hughes 117/125, Veterans William Turner 116/125, Juniors Sam Dykstra 62/125.

Tamworth Clay Target Club 29th Annual Skeet Carnival

Location Located halfway between Sydney and Brisbane

Tamworth Clay Target Club held its 29th Annual and Northern Zone Skeet carnival in fine but hot conditions over the week-end 16-17-18- March 2007.

The shoot began with a good roll up of six squads for the cash divide events on Friday - 50 targets of skeet doubles and 50 targets of 20 gauge skeet .

Attendance of 43 shooters was down somewhat on previous years.

The first event on Saturday - the 50 target Tamworth Firearms Skeet Championship - after a shoot-off was won by Dave Dundon from the Gold Coast club with 94/94 from Craig O'Neill from Brisbane club on 93/94.

The Weatherall Engineering 50 target Skeet Handicap resulted in a win for Rene Kuehn from Cecil Park club with 115/116 from Rod Nicholson from Newcastle-Lake Macquarie club on 113/116.

The first event on Sunday was the GCM Lighting and Electrical Northern Zone Skeet Championship with Dave Dundon winning the championship with 91/91 again from Craig O'Neill on 90/91.

The final event for the week-end was a 50 target BCE Transport Skeet Championship which saw a re-arrangement of the overall high gun contenders. Dave Dundon was one target down from Saturday going into the last event and Craig O'Neill was clean. At the end of the day, Craig dropped two targets to give Dave the Overall and Geoffrey Walters Memorial High Gun with 199/200.

Nick Aird from Gold Coast club was the winner of the final event with 60/60 from Dave Dundon on 58/59.

The Geoffrey Walters Memorial High Gun is presented each year to the overall High Gun winner in memory of Geoff Walters who was a club stalwart until his untimely death in 1992. Pauline Walters commissioned the memorial trophy in 1993 and it has been awarded to several skeet shooters who competed with and against Geoff in his skeet shooting career - including Dave Dundon who is a multiple winner of the trophy.

Special thanks must go to all those who helped make the shoot a success - especially Matt Wilson and Nigel Reeves who worked tirelessly to keep the traps running and filled up. The Ladies Committee provided great meals and afternoon teas. Caretaker Lee Clissold had the grounds in top order after the recent rain and the office staff kept the admin side of things in hand.

Sponsors for the carnival were: Tamworth Firearms, Weatherall Engineering, GCM Lighting and Electrical and BCE Transport. Without these sponsors it would be impossible to run a successful shoot and for their generous support the club is most grateful.

Central Zone Continental Championship WEST WYALONG CLAY TARGET CLUB

Location: Right on the crossroads of the Newell and Mid Western Highways, close to the centre of NSW

A very successful day was the only conclusion that could be reached following West Wyalong Clay target Club's Central Zone Continental Championship shoot held recently.

Despite very windy conditions there was a good roll up of shooters who were keen to get their hands on one of the handsome blue and gold championship sashes.

The first Central Zone Continental Championship to be contested was the 50 target Double Barrel event. Local shooter, Clive Foster, shooting the only possible on the day was the overall winner with 50/50.

Mick Mitton from Grenfell won AA grade 56/58, Dozer Collins 48/50 was the A grade winner and Mitch Ridley, newly promoted to B grade won with 38/50. Mitchell Brown 41/50 was the C grade winner. Jeff Nash from Orange was the Veteran Champion with 46/50.

Although there were no possibles in the Central Zone Single Barrel Continental Championship the Grenfell shooters were making their trip worthwhile when Warren Schaffer with a score of 47/50 walked off with the overall championship sash.

Jeff Nash, who was absolutely crunching the targets all day, won AA grade 47/51. Les Irvine of Barellan cleaned up in A grade 44/50. There were no B grade shooters in the event but Andrew Forsyth 41/50 won C grade while Bert Boyd was the Veteran winner 39/50.

Again there were no perfect scores in the Central Zone Continental Points Score Championship but Geoff Nash continued his good form to take out the overall winners sash with a score of 143/150. Mick Mitton was the AA grade winner 141/150. There were no B grade shooters again but Andrew Forsyth demonstrated his consistency by winning C grade 120/150. Bert Boyd proved he was the top Veteran 120/150.

Jeff Nash deservedly received the High Gun Medallion with his score of 235/250 for the day a fine effort considering the conditions.

During the presentations, Club President, Graham Fairman thanked the shooters for their attendance and also the club volunteers who always work hard to make West Wyalong Clay Target Club shoots well organized and enjoyable.

THE ETIQUETTE AND RULES THAT APPLY TO COACHING ON THE LANES DURING DTL COMPETITION

We are in receipt of a letter from a shooter who expressed deep concern at the practice of allowing a coach to stand on the lanes with his protégé during a Championship event. The dispute has been taken very seriously by the Rules Committee and clarification of the action required by Management and Referees is of paramount importance.

The shooter concerned observed that the shooter on the lane next to him had a coach in attendance. He (the shooter) was disturbed by the presence of the coach and sought to have him removed by the Referee. Subsequent events created what perhaps can be termed as an unfortunate incident as nobody knew the correct ruling.

While no specific and direct rule exists on this subject, the situation is covered in a variety of ways in a variety of rules which cover etiquette, equity and commonsense. It applies to any formal programmed event in a normal shoot.

Firstly the presence of a coach most certainly can disturb the squad. If we look at rule 1.02(l) "Only those people directly associated with the competition will be on the tracks whilst the shoot is in progress". While the coach may well argue that he was directly associated with the shoot, he does not qualify as a competitor, Referee or Scorer. He is not to be there.

Secondly Rule 1.02(m) precludes a shooter discussing bets while on the tracks. Here again, talking on the tracks is poor etiquette and disruptive. Similarly, we require shooter to remain at the track until the last competitor has shot. This also is to prevent distraction and disruption. Also we can look at Rule 1.02(k) which allows a shooter to shoot at pieces of his own target provided the equity of the competition is not disturbed.

Thirdly there is little doubt that some shooters can and will claim a baulk under Rule 1.11. This sort of incident does in most cases constitute a baulk and he Referee should be aware of his obligations in this regard. In any case, the mere claiming of a number of baulks is further disruption to the squad. Equity is of paramount importance, and while it may not affect some shooters it can and does affect others.

If we look at GRTS 12 it requires the Referee to speak to a shooter immediately if safety has been breached. It also gives him the right to speak to a shooter where etiquette is involved after the squad has finished. However, it says also that it depends on the circumstances. We believe that in the type of circumstances portrayed, the Referee should take action and speak to the shooter concerned immediately if he considers that disruptions are occurring. Here again, we see evidence that Referees (and Scorers) have to be mindful of distractions of a squad.

GRTS15 states that the Referee should be mindful of the "Rule" regarding squad members disturbing the competitor shooting. Yes! "Guidelines for Referees, Trap & Skeet" are in fact formal rules and are to be treated as such. The opening paragraph of GRTS says: Any reference to these "rules" etc. They are in fact "Procedural Rules" for Referees and carry the authority of our Association.

So there we have it! We certainly understand that in some cases some shooters would like to have a coach with them, but the reason for not having a coach with them, but the reason for not having a coach on the lanes are very cogent ones. Equity of competition, sportsmanship and plain commonsense must prevail. Our sport requires a very high degree of concentration and competitors are to be given every courtesy and assistance in this regard.

Hall of Fame Dinner 2007

The Hall of Fame dinner was held in a new venue this year which was more conducive to audience viewing pleasure. The food was pretty good too! Thank you to Casella Wines for once again supplying the wine for the evening.

The dinner took place at the Capital Night Club in Wagga on Wednesday 28th March.

Again we had a large crowd of 250 guests this year. It is very encouraging to see the tickets for the dinner still being a sought after thing. The girls from the National Office donned their good gear and acted as hostesses during the evening. Sue, Rowena, Maureen and Cheryl showed the guests to their seats and helped sort out those last minute table changes (no you can't have 11 people on a table for 10). Executive Members, shooters, inductees and their family and friends travelled from all over Australia to share in the presentation of awards and induction of the Hall of Fame Members. The inductees arrived at 6.30pm for their official photographs for the Hall of Fame. The other guests gathered for pre dinner drinks from 7.00pm. As usual the standard of dress was high. I still find it hard to recognise some of the shooters in their "steppin' our gear". The formal part of the night started at 7.30pm with Allan Kenny, Executive Member, welcoming everyone and introducing the MC for the evening Russell Mark. Russell gave us an outline of the proceedings and invited Mr Bill Jones, National President up to the stage to give his opening speech.

After the entrée Russell invited Allan Kenny back to the stage to present the first of the night's awards. These were Masters Awards recognised in the form of a Plaque, which was awarded to Barry Kable & Robert Mules. Mr John Byrnes accepted the award on behalf of Robert Mules as he was unable to attend due to illness. We wish him a speedy recovery. Barry and Robert were recognised for their achievement of a break of 100 break at 25 metres. This is the first year any Masters Awards have been presented. Future awards will include different break achievements.

Next up was the Doug Smith Medal and once again we were fortunate enough to have Doug Smith on hand to present the medal himself. The finalists were:

Craig Fitzgerald, Glen Hayden, Russell Mark, Neill McWhirter, Ross Walsh

Once again we had the 'big screen' presentation of photos of the finalists and later the Hall of Fame inductees as well.

And the winner of the Doug Smith Medal was – Craig Fitzgerald!

Craig was extremely happy to accept the award and thanked all the people who had supported him with his shooting. It is worth mentioning that the interest in this Medal has increased over the last 3 years which is simply fantastic.

Russell then invited Arthur Turner to the stage to assist in the Hall of Fame interviews. Russell read through the achievements of each inductee as they were called up. The first inductee was presented posthumously and his brother was presented with a Certificate of Induction in honour of the occasion. The inductee was Mr Jo Raleigh.

JO RALEIGH Club: Clara Creek / Charleville

2 National Titles: 1956 Aus Double Barrel, 1957 Aus Single Barrel; Other: 5 Macintosh Teams.

Mr John Raleigh and his son were there to represent Jo and John spoke with Arthur about Jo's shooting career and of how proud the family was about the induction.

The next inductions were made the after dessert. The inductees were presented with a Hall of Fame Jacket, a Gold Australia Hall of Fame Badge along with their Certificate of Inductions.

Russell introduced Mr Neil Berry as the next inductee. Neil had travelled with his wife from Bundaberg, Qld for the occasion. This in itself caused some consternation as Neil and his wife were travelling

Bill Jones with John Byrnes

for 5 weeks before arriving in Wagga. We had quite a few calls from QCTA members trying to track Neil down to offer him a position in the QLD team. Although there were a number of reported sightings of Neil and his wife along the way I don't think an answer was had until they arrived on the National Grounds.

Neil's achievements were read and it was obvious that he had enjoyed a very notable career in shooting.

NEIL BERRY Club: Maryborough Clay Target Club

6 National Titles: 1974 Aus Handicap, 1977 Aus Team High Gun, 1978 Aus High Gun, 1981 NZ Double Rise, 1985 NZ Double Rise, 1991 NZ Double Rise, 1 National Runner Up; 1983 Aus High Gun; Other: 10 State Titles; 10 Macintosh Teams.

Mr Barry Kable was up next and it turned out he had some pretty funny stories to tell. Arthur interviewed Barry and they talked about different times when they had been shooting together. Barry's wife and family were very proud to be there for Barry's induction.

BARRY KABLE Club: Royal Aero / Cecil Park

5 National Titles: 1975 NZ Double Barrel, 1976 Aus Double Barrel, 1976 Aus High Gun, 1977 NZ Single Barrel; 1996 Aus Double Rise; National Runner Up: 1975 Aus Double Barrel, 1976 Aus Double Rise, 1982 Aus Double Barrel, 1992 Aus Champion of Champions; Other: 6 State Titles; 12 Macintosh Teams; Grand Slam; Masters Award.

This evening we had another award to present and Russell invited Bill Jones back to the stage to do the presentation. A Registered Life Shooter Membership was awarded to Mr John Byrnes. John is a previous past President of the ACTA and a worthy recipient of this award.

There is always a lot of work prior to these events which most people don't get to see but we do appreciate Russell and Arthur's time and help. Once again Russell did an excellent job of being the MC and kept the whole evening running along smoothly. Thank you Russell your help is always appreciated. Thank you Arthur Turner for your assistance during the evening. Thank you to Mark McInnes for his record keeping which enables us to select our inductees. Lastly I would like to thank my co-workers at the National Office for all their help prior to and on the evening. They helped me keep my sense of humour and some sense of sanity. Thanks Sue, Rowena and Maureen.

Cheryll Kenyon

Proving themselves the best in the business:
TRAPMASTER singles/doubles -
 holds 600 targets - perfect target presentation.
CONTINENTAL OPTION AVAILABLE

CRUSADER single - as used in the 2002 World DTL
 Champs - low base or compact - full windage
 adjustment - easy to install and operate.

DTL, ISSE, CONTINENTAL, BALL TRAP & SKEET OPTIONS

All with remote safety, unreadable interrupt, sleep mode, target and cycle counter.

WIRELESS - Canterbury has now developed full wireless systems for DTL and Skeet. No more cables over your field; eliminate maintenance issues of sockets & cables; full use in handicap events; ease of set up/take down – lots of benefits with this new technology.

DTL - can function as solo microphone practice unit, 5 station DTL or Ball Trap – just change one setting

SKEET - purpose designed unit that will require no learning to use – simply press one button when the shooter takes up position on the plate and leave the system alone. In full use at NZ Skeet Nationals 2007.

The adventures of a couple of ordinary blokes in the Eastern Riverina

Bob Blake came out with us (I think he wanted to keep an eye on Pee Wee) and just to show that with a little age; wisdom follows, he stayed in the club house drinking coffee and munching cakes whilst the rest of us got a good old soaking. Had a top day with Bob as it's

Cheers, keep “Knock’n chips off ’em”.

Chris Levitzke

Jack Colliccoat Overall Winner Handicap

Pre shoot, and once again some juniors lined up for some coaching, and this time it was pretty tough for them as the club faces east and that was where the driving rain was coming from, but even though they had to wear rain coats and hats, they tried

Event Three, a 15 target Double Barrel, and after a short shoot off, once again young Jack Colliccoat led the way, taking 1st place on a score of 22/23, George Bradley 2nd with a 21/23, and Tim Maher getting another spot, taking out 3rd place on a score of 15/17. The shoot and presentations all over by 10.45pm and although most everyone was wet and dishevelled, nobody was complaining about the conditions, as this was the first shoot, shot, in heavy rain, for a very long time.

Annual Easter 2-Day Trap Carnival at Gladstone

Location 50 kilometres north of Brisbane, and resides on
Queensland's Central Coast

Gladstone Clay Target Club hosted its Annual 2 Day Trap Carnival on the 7th and 8th April 2007.

Sixty-six shooters in total gathered to compete for the gallery of prizes and cash totalling over \$6000. Many thanks to our generous sponsors for making this possible.

Overall High Gun Winner Clayton Cusack with President Garry Wright

Junior High Gun Winner Andrew Clarke

Julie Allan receives a special award

Shooters travelled from all areas of Queensland and from northern NSW, representing the following clubs: Rockhampton, Dalby, Gladstone, Sunshine Coast, Callide Dawson, Roma, Barcaldine, Townsville, Maryborough, Condamine, Tallawalla, Gemfields, Bundaberg, Tambo, Blackall, Surat, Gympie, Pioneer, Toowoomba, Central Burnett & Hermdale NSW.

Conditions were difficult for some, with a stiff breeze each morning,

Corry Wright gives our hard working office ladies (and competitors) Karlene Kelly and Donna Barletta a token of appreciation

Annual Easter 2-Day Trap Carnival at Gladstone

Continued from page 12

increasing during the afternoon, making some of our targets very challenging.

Shooting was very competitive across all grades, making for some excellent scores under the prevailing conditions.

Our main event for the weekend was Event 3, the Ray Sharp Memorial Trophy. This years winner was Gladstone's Peter Wood, and one of Ray's sons, Glen, was on hand to present the annual trophy.

High Gun Winners were Overall Clayton Cusack 253/280 (Condamine) AA Mark Warnock 250/280 (Rockhampton) A Peter Wood 244/280 (Gladstone) B Carlo Barletta 236/280 (Gladstone) C Marlene Jarvis 213/280 (Tambo) Ladies Lil Brandt 247/280 (Rockhampton) Juniors Andrew Clarke 227/280 (Callide Dawson) Veterans Graham Rudd 236/280 (Bundaberg)

Full details of the scores for the 2 days will be found in the results section.

A special thanks to Sue Wright and her band of helpers in the kitchen. Sue presented the most delicious meals over the weekend, making sure that no one went hungry. Also thanks to Brett Kelly for managing the Bar whilst wrestling with the new cash register.

Ladies High Gun Winner Lil Brandt with sponsor Ray Wise

Australian Police Trap and Skeet Team World Police and Fire Games *Adelaide, March 2007*

The Australian Police Trap and Skeet teams competed at the World Police and Fire Games held in Adelaide from 16 March to 24 March 2007.

The trap team consisted of Simon Gloster (C), Alan Vilcins, Rick Mathers, Chris Penno and Nathan Vale.

The first event on Tuesday 20 March was 50 pair double rise and this event was conducted in appalling weather with heavy rain during the morning drenching some squads. The Australian team managed to get the Bronze Medal.

The second event on Tuesday was the 100 target S/B from 16 yards (15m). The rain had eased and the shooting picked up and again the Australian team got the Bronze Medal.

The third event on Tuesday was the 100 target S/B from 24 yards (22m), yes that's right, 300 targets in one day. The Aussie team improved their placing and got the Silver Medal for this event.

On Wednesday 21 March the Skeet events commenced. The Australian team consisted of Simon Gloster (C), Rick Mathers, Allan Vilcins, Nathan Vale and Andy Norman. The skeet singles were held and the weather was very good with only a slight breeze coming in now and then, which I am led to believe is rare at the Virginia grounds. Again the Australian Team held there own for the best part of the comp getting the Silver medal.

On Thursday 22 March the second skeet event was held, the skeet pairs. Again the weather was good to the shooters and some good shooting was done by several teams. The Aussie Team finally broke through and snatched the Gold medal.

On Friday 23 March the sporting clays was held at Monarto Field & Game range about 1 hours south west of Adelaide. Sixty-plus shooters turned out in conditions that better suited wind surfing. The Aussie team this time was Allan Vilcins (C), Simon Gloster, Rick Mathers, Chris Penno and Nathan Vale. Unfortunately the ranges set did not look after the mainly trap and skeet shooters and the average score was nothing to brag about. The Australian team missed out on a medal but overall the team did very well picking up 2 bronze, 2 silver and 1 gold for the Clay Target events.

ON JULY 20, 2007**

March Shoot at Mathoura

Location 768 km south-west of Sydney in the Riverina Region of NSW

Three events on the card at Mathoura Gun Club for Friday the 23rd of March, and the promise of rain was forecast as well. Rain aside, which, unfortunately did not arrive, the wind gusts were really severe, and were certainly going to affect the scores for the night's competition.

With targets ducking and weaving in the wind, eight out of ten was the best score anyone could shoot in the first event, a ten target, Single Barrel Cash Divide, and Roger Kerslake, Harry O'Connor and Murray Roberts made it a Mathoura Club trio to collect the cash winnings.

A 25 target Single Barrel Night Tower was the next event and once again windy conditions stopped anyone from scoring a clean round, and after a very short shoot-off of two targets, Club president, Roger Kerslake, took out the Overall sash and B grade 1st trophy with a 25/27, Deniliquin shooter Bruce Cook taking A Grade 1st on a 24/27, and Club secretary Brian Winter picking up C grade 1st on a 13/25 score.

The final event for the evening was a 15 target Double Barrel with three places on offer, and once again three Mathoura Gun Club members taking out all places. George Bradley the only shooter to put in a clean score of 15/15 collected first place trophy, Murray Roberts taking out 2nd place on a 14/16

after a one target shoot-off with Roger Kerslake who collected 3rd place with a 13/16 score.

Due to some interest locally in the sport of Clay Target Shooting the shoot was started early to fit in some practice and coaching, which turned out to be the best time for shooting before the wind started up in force. The township of Mathoura has been expanding in population of late and the club is keen to attract new local shooters, or residents who may not be shooters to try out the sport and even become involved with the committee at a later date.

Apart from the windy conditions and the dust raised with it, the shoot ran very smoothly and presentations were all over by 10.30pm, giving travellers an easy run home at a respectable time.

Roger Kerslake OA SB Tower

Murray Roberts

KEMPSEY CLAY TARGET CLUB

Location Situated right in the heart of the Mid North Coast of NSW

The day looked a little overcast and rain looked possible but the wind dropped and the weather stayed fine for both the afternoon and evening shoot. A small but competitive field of 24 shooters from a number of visiting clubs as well as our members started with the 25 Target Double Barrel 15m Cash Prize event. Ten shooters in AA and A grade managed a clean round of 25 targets and many of the other shooters were not far behind.

As usual we broke the events up with the excellent afternoon tea organised by the regular ladies catering to their high standard. Not

too many shooters were seen abstaining from all the delicacies on offer during our break, Robyn Baker, Kerry Powick and Meg Gosling made certain of that. Thanks ladies.

The second event was the 75 Target Champion of Champions. It was shot over three groups of 25. First was 25 Target Double Barrel then 25 Target Single Barrel then 25 Target Points Score. Michael Flanagan AA was first with 148/150 and added to his 25/25 in the first event took out the overall for the day shoot. Daryl Pasfield AA was not far behind with 145/150 and his 25/25 in the previous event.

While the sun was setting and darkness was starting to take full effect our catering team set to preparing a great BBQ. Glen Baker put out his fresh oysters in lime juice and the seafood lovers didn't leave a morsel. The BBQ was excellent to and the shooters were well fed before venturing back out for the night shoot.

Event three was a 10 Target Double Barrel Cash Prize where Michael Flanagan AA and Graham Gosling AA shoot 10/10. K. Saunders (A), A. Baker (A), J. Gosling (B) and L. Langer (B) all shot 9/10 to take a share of the cash.

The final event was the 50 Target Point Score 15m Night Club Championship which was shot in one go with a minute to restock shells. Graham Gosling AA 142/150 seemed to be very adept at hitting the targets cleanly in the night sky and he was rewarded with the High Gun with a total of 299/310. Michael Flanagan, Bill Neil and A. Baker were other shooters who were close behind Graham but it wasn't their night.

It was a great but tiring day and night shooting and we are looking forward to our next shoot on Saturday 19th May 2007 at 1pm. In between many of us plan to compete in shoots at neighbouring clubs. See you round the traps.

Ted Baker (President), Michael Flanagan and Daryl Pasfield

Lesley Langer, Publicity Officer

Psychological Skills for Shooting

by Michael Kruger-Davis

MENTAL SKILLS PROGRAM

Psychological skills for sport include such things as goal setting, motivation, attention, concentration, visualisation, behavioural rehearsal, arousal control and relaxation. These have all been topics of these articles over the past few years and whilst are interesting topics in their own right, they need to be incorporated into a program so that individual athletes can get the most out of each component and improve their performance. It is important to remember that a mental skills training program is not a "one size fits all". Because of individual differences in people, our approach to sport, the motivation behind why we do things and the latent skills that some athletes possess without knowing, we need to look at mental skills training from an individual point of view and develop an individualised program that will best suit your own needs.

So what are the basic characteristics of a mental skills training program?

The first requirement is to do a quick skills audit. For any sport there are three areas that need to be addressed if we are to perform well. These areas include; physical skills, technical skills and mental skills. Physical skills include those areas such as strength, stamina, hydration, fatigue, muscle movement, etc, and for our sport such things as gun hold and stance. Technical skills include things such as gun fit, knowing how to see the sight picture, lead, follow through, etc. A skills audit involves looking at what you are already doing; listing the things that are being done well and then examining what need to be improved upon.

The second requirement is to set some goals. These will come directly from the skills audit: These goals are not performance goals such as improving your percentage or grade but what you need to do to improve your mental skills, and in particular which mental skills you require more help with.

Once having identified the skills you need support with, it is now a matter of developing goals to improve those skills. For the purpose of this article I will take each skill in turn and using an example, look at a strategy that might help. It is important to remember that the following is an example and not a definitive program.

If goal setting is a problem, then it may be necessary to do the goal setting exercise and write down what you want to achieve over your lifetime and then five years, then yearly. It will be then necessary to look at what you are doing each month to determine if you are actually working towards your goals. Remember it is also important to evaluate your performance and modify your goals if necessary.

For motivation, it may be necessary to distinguish the process of what you are doing from the product. If you are goal-orientated then you may run the risk of always focusing on the future and because shooting is a here and now sport you may tend to perform poorly. If you can be task-orientated then you are able to remain focused in the present and you will more likely succeed.

If you focus on the process (of shooting the targets) the product (shooting the possible) will look after itself.

Remaining focused in the present takes some practise, especially for those shooters who have busy lives and who may find themselves thing about work, family, etc. The best way to stay focused in the present is to pay attention to your breathing. Breathing is the one thing that humans have to do in the present; thinking on the other hand can jump from the past, present and future. One of the best ways to focus on your breathing is to practise the strategy when you are not in competition; those annoying times when you have to wait in a queue at the post office or bank. Rather than get angry, these places are perfect to practice your breathing so it will become more natural out on the tracks.

Concentration is a more difficult concept to practise, but there are ways. Sit quietly and try to focus on a single thought. You will be surprised how quickly your thoughts drift off to other things. What most people do not understand is that what you need to practise is not how to actually concentrate on a single thought, but how to get your thoughts back to that thought once your mind has drifted. It is the same for shooting, if you miss what is important is being able to get your mind back on track so that you do not miss again.

Relaxation is the easiest strategy to practise. Just sit in a comfortable chair or lay down, focus on your breathing and let go. Don't worry about your thoughts, just breathe and relax.

Using Visualisation to deal with distractions that may come into your head whilst shooting; the Black Box technique is a simple to learn and an effective strategy. But visualisation can be very helpful in reducing anxiety because you can use the image to tell your brain that you have shot the target and thereby reduce the need to give yourself self-talk that will cause you to tense up and become anxious.

The above are just a sample of the strategies and components that should be included in a mental skills training program. The goal of the program is to help you, as the athlete, become more focused, confident and composed whilst you are competing.

I have put together all the articles that I have written for the CTSN on CD as word files. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy please send cheque or money order to me at the address below.

MAGAZINE GUNS POSITION FOR SAFETY FOR TRAP
 You are the Referee of a squad wherein a shooter is using a "magazine gun" ie a Semi Auto Pump, or a Bolt Action. You have your attention directed to the manner in which the shooter is handling his firearm, especially in relation to the manner in which he unloads and carries the gun.

Some squad members have pointed out to you some of their concerns and a little are uncertain of the correct procedure. Much advice is forthcoming from all and sundry. You are asked to adjudicate on a number of issues regarding the use of this type of firearm.

IT'S YOUR CALL

If you stopped the event temporarily and satisfied the concerns of other shooters you would be quite correct. You have done this in the interest of both equity and safety.

You explain that in all cases, we should firstly understand that Rule 1.01(b) requires that "All guns carried on or about the shooting grounds must be held in a position of safety, with the breech open at all times". In addition Rule 1.01(f) tells us when it is permissible to load any firearm. That Rule also says that the cartridges must be removed from any magazine gun when moving between lanes 1 to 5.

The problem arises in TRAP shooting when a shooter with a magazine gun finishes his shot on lane 5 and is required to unload and proceed back to lane 1.

Clearly, it is difficult for a Referee to determine the safety condition of a magazine gun. Hence it is important that special provisions for the use and carriage are adhered to:

Therefore: After completing his shot/shots on lane 5, a shooter with a magazine gun is to:

1. Ensure he removes his cartridge or cartridges from his gun before turning from the firing point.

2 It is preferred that his gun muzzle be pointed vertically while moving from lane 5 to 1 irrespective of whether he has permission to pass either in front or behind the officiating referee. The gun must not tilt in the direction of the officiating Referee, scorer or other shooters and be held securely with the mechanism fully open. His finger or finger must not be close to or on the trigger mechanism. He must not load or attempt to load his gun until standing on his firing mark at lane 1.

Although this matter has not specifically catered for in our

formal rules, recent Government rules for firearms safety indicate a very strong preference for the carriage of a firearm of this category in this manner,

The matter of shells being ejected from the firearm in question is just one of those things that occur in our sport. The shooter is entitled to use his firearm and should not be penalized for it. He may as a courtesy pick up his spent cartridges after the event and put them in the receptacle provided.

I am grateful for the assistance and advice given to me by the Chairman of Rules and his committee in these matters.

Dear Bill

Bill, I have been a member, excepting for an enforced break, for thirty seven years and, like most, really do find your column welcome and useful. Please keep it up.

In the May issue of 'CTSN' you expressed concern that as "the referee has contracted outside the written rule" has he created a "precedent" and by going along with his decision, the management committee has done likewise.

With respect this would not be my view.

A very good and safe definition of precedent would be "a case which serves as an authority for legal principle embodied in its decision". (Osborne)

The material which is drawn on must itself be part of the law. A precedent cannot flow from an illegal act or a decision which was itself legally flawed.

Hope this might help

Jim Robertson
Member No 60663

Dear Jim

I refer to the letter from Jim Robertson regarding our choice of words to demonstrate a scenario in "It's Your Call May 2007". Thank you Jim for taking the time to write and for your general and pleasing comments.

Your legal opinion is quite correct and doubtless would be very useful in a court of law. However, the every day use of precedent as defined in the Collins Dictionary says, among other things, that: a precedent is "an example or instance used to justify later similar occurrences." That is precisely the reason for its use in a simple rules situation. Obviously, we do not want it argued that if "that shooter can do it and get away with it, then so can I."

I bow to your legal knowledge. However, I believe it important we stick to the purpose of this column and discuss rules rather than semantics. We do not want to set a "precedent" in this regard.

CLUB NEWS

Gladstone held their AGM 16th May and the following were elected: President – Peter Purkis, Vice President – Ray Wise, Secretary – Brian Morrissey, Treasurer – Karlene Kelly, Club Delegate – Carlo Barletta, Club Captain – Ray Wise.

Country Victoria Ladies 100tgt D/B Championship

Location Ninety minutes south east of Melbourne

Perfect weather saw Wonthaggi host the Inaugural Country Victoria 100tgt Double Barrel Championship on Sunday the 18th of March. 50 Competitors including 10 women competed for cash and prizes, donated by Security Assessment Services and Associates and Nepean Communications.

Keith Calder, Bob Drinsdale, Chris Wilkinson, Chris Murphy and Joe Vella all posted 50/50 in the double barrel to be the leaders at the half way mark. Seven people shot a 49 and were in hot pursuit. The points would surely sort out the winners.

One of the 49's, Steven Parks shot a creditable 148/150 to finish 3 points down on 197/200 and took out overall. A fine effort indeed! Another 49, Norman Court, shot 147/150 and secured 2nd place in AA on 196/200. A grade saw Michelle Parks and Craig McDougall finish on 191/200 to tie. An office error awarded Michelle as the winner but this will be finalised at the next shot. The office bearer responsible for the mistake is happy to resign from her duties for this terrible mistake, her apologies to Craig!!!!.

Denis Comelli finished on 181/200 one point clear of John Buchanan to take out B Grade. The last target lost by John cost him grade sash and an extra \$50.

New to the shooting scene were Mark Bolzon and Damien McLeod who clenched C grade with a score of 171/200 and 166/200 respectively. Fine shooting by competitors in all grades.

In conjunction with the 200 Pts championship the ladies targets were also scored as double barrel, giving them a possible of 100 for the "Country Victorian Ladies 100tgt Double Barrel Championship". Sponsors were Security Assessment and Associates, Nepean Communications, Frankston Australia Clay Target Club, B. Boss Wheels, Kings Park Pastoral Company, W. K. & J. M. Parks Plumbers, Kathy and Barry McLeod and Cathy and Geoff Monson.

After the dust had settled Michelle Parks on 98/100 secured 1st overall. Together with an appropriate pink sash Michelle collected

Open winners. L To R, Mark Bolzon(C), Denis Comelli (B), Steve Parks AA and Overall, Michelle Parks (A), Norman Court 2nd AA

\$250 cash and Royal Albert Crystal. Hotly pursuing Michelle was Rebecca Madyson on 94/100. Rebecca took home \$150 cash and Royal Albert Crystal. A fine 93/100 gave Cheryl Arnol, president of the AISL, a \$100 cash and crystal to make her trip with Dianne McGrath from Tasmania worthwhile. Cheryl in her speech gave credit to Wonthaggi for hosting an event especially for women and was adamant she would return next year to once again enjoy a great days shooting. Even though Cheryl was a member of the wining Taipan Postal Women's Team who beat Wonthaggi by one target late last year, she managed to slip away unscathed.

Iona McJames and Julie McAlister rounded off fourth and fifth with Nutrimetics products as prizes. All in all a very successful day out for the Ladies.

We greatly appreciate our generous sponsors and hope that they will help us out again next year along with many others to make next year's event bigger and better for the women.

Womens Winners, L to R. Rebecca Madyson, Michelle Parks, Julie McAlister, Cheryl Arnol and Iona McJames

Michelle Parks, Country Victorian Double Barrel Champion 98/100

Mount Gambier Gun Club

Location: Midway between Melbourne and Adelaide in the South East of South Australia

SE SA Team winners l-r back John Hawker, Peter Winsor, Ken Atkin, Frank Kentish, Adrian Steele, Darren Beyer, Gavin Height, Brian Spring, Max Medhurst. L-r front Malcolm Whitehead, Hayden, Megan, Peter Fabris, Bob Andrews, Trevor Reschke

The Mount Gambier Gun Club held its monthly competition on Saturday 14/04/07 in top shooting conditions.

First event was the Winchester 30tgt Team Shoot, which consisted of shooters from South East South Australia, Western District of Victoria and Wimmera Victoria. 15 shooters from each area completed in teams. The South East South Australia team was victorious with a score of 291/300, followed by Western District Victoria and Wimmera Victoria teams.

The Overall High Gun of the team event was local Max Medhurst after a shoot off against 6 other competitors obtaining a great score of 84/84.

The Mount Gambier Eye Clinic 30tgt Double Barrel Championship competition saw some top scores with AA Bob Andrews (Bordertown) shooting an impressive 58/58 and local Gavin Height A grade, after a shoot off with 97/99.

The Scott Mobil 30tgt Points Score Championship was vigorously contested and the AA shooters having a lengthy shoot off with Roger Lehman a perfect score 186/186 just beating David Flavel 185/186. Local A grade shooter Hayden Megaw scored an impressive 89/90 just beating local rival Andrew Hoare 87/90.

Competition all day was exceptionally high with 65 shooters all vying for winning placemats.

The SE Autotrader High Gun was taken out by Roger Lehman with an excellent score of 130/130.

Max Medhurst

ISSF WORLD CUP CHANGWON

KOREA - APRIL 2007

Gleniss, Michael, Darian, Adam at shooting range

The Shooting Range is situated only minutes from the city of Changwon with a mountain as the backdrop. The Range has three combined ranges of Trap Double Trap and Skeet which are controlled by Matarelli. The machines are equipped with Matarelli and La Porte for Trap and with Matarelli for Double Trap and Skeet. Matarelli orange clay targets were used.

Trap Team of Adam Vella, Michael Diamond, Suzy Balogh, Stacy Roiall and Simone Tigani, along with Darren Roach (massage therapist) and myself stayed overnight in Sydney to leave on early flight the next day. Elaine Forward also travelled with us as she was officiating as a Jury Member at this World Cup.

Tom Turner and Russell Mark as the Double Trap Team (along with Adam) would do the same in a few days. Following after them were the Skeet Team of George Barton, Clive Barton, Paul Rahman, Natalia Rahman and Valeriy T.

We flew to Seoul where the firearms were checked through customs before flying onto Busan Airport where we were met and bused to Changwon, arriving at our Hotel at 10.30pm.

There was no Official Transport the next day so we went by taxi to the Range for unofficial practice.

The next day was Official Trap Practice of 2 rounds only. I attended the Technical Meeting where I was told the Program had been changed for the Trap and Skeet events. The Men would shoot 50 targets on Day 1, 25 targets Day 2 and 50 targets and Final on Day 3. The Women would shoot 25 targets Day 1 and 50 targets and Final on Day 2.

On Day 1 of the Trap Competition the day

was fine, calm and approx 18C. Adam shot well on Day 1 with a 25 and 24. The others well below their best, Michael 20 and 22, Suzy 19, Stacy 18 and Simone 18.

Day 2 Trap - COLD WET WINDY 4C with wind chill factor of 0C. Information on the weather suggests the springtime weather in Changwon is temperature of low 9C high 21C. They can suggest what they like but the temperature I'm sure never reached a high of 21C and most definitely hit 0C on Day 2 of Trap event. After we had suffered these conditions 2 years ago at this same venue we did go better prepared. Thermal tops and bottoms, along with beanies were worn. I was going to take my gum boots and should have but they had disappeared in the drought.

You hear about shooters freezing on the trigger well I think that's what happened to Adams fingers. They were freezing and he shot 21. We all forgot gloves. Michael 23, Suzy 22 and 19, Stacy 20 and 22, Simone 19 and 20.

WOMEN TRAP RESULTS

1 Nakayama Yukie JPN 71 17 88, 2 Kiermayer Susanne GER 68 17 85, 3 Cogdell Corey USA 66 18 84, 4 Chen Li CHN 67 15 82+3, 5 Perilli Arianna ITA 66 16 82+2, 6 Iannotti Giulia ITA 66 12 78, 24 Roiall Stacy AUS 60, 27 Balogh Suzy AUS 60, 33 Tigani Simone AUS 57.

Day 3 was a much better day. Adam shot a 22 and 24, Michael 23 and 24.

MENS TRAP RESULTS

1 Varga Erik SVK 121 21 142, 2 Fernandez Alberto ESP 117+10 24 141+2, 3 Sandhu Zoravar (Zee) IND

121 20 141+1, 4 Serrano Jesus ESP 121 20 141+0, 5 Meqlad Naser KUW 118 22 140+3, 6 Pelliello Giovanni ITA 118 22 140+2, 14 Vella Adam AUS 116, 30 Diamond Michael AUS 112.

The girls and Michael head home on Double Trap day, hoping I'm sure for a much better result next time.

The Double Trap event is held over just 1 Day and it was a beautiful bright sunny day. Russell was the only Australian Shooter to put any decent score on the board. Tom and Adam did not perform well. Russell made and shot an exciting final, unlucky not to come home with a medal. We need a quota guys.

DOUBLE TRAP RESULT

1 Eller Walton USA 48 49 45 142 45 187, 2 Dahlby Hakan SWE 49 44 47 140 44 184+1, 3 Keever Bill USA 47 46 46 139 45 184+0, 4 Mark Russell AUS 48 45 45 138 45 183, 5 Wang Nan CHN 44 47 47 138 41 179+4, 6 Mosin Vasily RUS 47 47 45 139 40 179+3, 39 Turner Tom AUS 40 40 41 121, 43 Vella Adam AUS 40 41 36 117.

The Double Trap Team and I head for home as the Skeet event starts. As I was not present when the skeet event was shot, I will not make any comments and will just give you the results.

WOMEN SKEET RESULTS

1 Wei Ning CHN 25 23 23 71 25 96, 2 Brinker Christine GER 23 24 23 70 25 95+4, 3 Zhang (Barnes) Shan CHN 24 24 24 72 23 95+3, 4 Bartekova Danko SVK 24 21 25 70 23 93, 5 Girardet-Allard Ver FRA 24 21 24 69+2 23 92, 6 Neal Brandie USA 21 23 25 69+2 22 91, 15 Rahman Natalia AUS 20 21 24 65.

MEN SKEET RESULTS

1 Shomin Valeriy RUS 25 25 24 23 24 = 121 + 25 = 146+2, 2 Nicolaidis Antonis CYP 24 25 24 24 25 = 122 + 24 = 146+1, 3 Sychra Jan CZE 25 25 23 23 24 = 120 + 25 = 145+2, 4 Almutairi Zaid KUW 23 23 25 25 24 = 120 + 25 = 145+1, 5 Barton Clive AUS 24 24 24 24 24 = 120 + 23 = 143, 6 Andreou Antonis CYP 23 25 25 24 23 = 120 + 21 = 141, 23 Barton George AUS 23 24 23 24 23 = 117, 45 Rahman Paul AUS 24 22 21 23 23 = 113.

Well done Clive for making the Final. Hoping for better results from everyone at the next World Cup.

Gleniss Lawrence

Double Trap Team Tom, Adam and Russell

Toowoomba Clay Target Club Inc

ACTA and SSAA Affiliated P.O. Box 2068
Toowoomba QLD 4350

Proudly presents

Inaugural Heritage shoot 26th August 2007.

**Driven Grouse (3 x 30 targets),
Side by Side Shotguns only,
Two person team event**
Teams will be drawn on the day.
9:30 am first shot.

*Nominations only \$35 includes lunch,
1st, 2nd, 3rd, 4th, 5th, and 6th.*

Normal sporting ACTA rules apply for safety and ammunition. No eye openers will be offered, shooters will be shown a target from each trap (more than you'd get shooting real grouse). Each team of two will shoot at 30 targets thrown two, three or four at a time. Much like a flush shooters will not call for targets more details will be provided on the day.

The club reserves the right to change the program without notice.

Camping hot showers on the grounds.

Keith Simpson (Pres)
Phone 0412 418 970 – 07 4634 4000
Roger Hoffmann 0408 122 459

2007 Australasian-Pacific "Grand Prix"

Brisbane Gun Club - February, 2007

For the 13th year since it's inception in 1995, The Australasian-Pacific "Grand Prix" competition was held during February at Brisbane Gun Club. This was the second major Olympic Discipline competition held at the club in little over a month, the OD Nationals having been held in Brisbane in mid-January. The management and members deserve a very special mention in regards to the conducting of two competitions of this magnitude in such a short time. To hold a nationals competition is a great effort for a club, but to line up again just a few weeks later and do it again deserves special praise for all involved.

Retaining it's original objective of being a truly international competition where Australian shooters can compete at home against shooters from other countries, the event once again lived up to this objective by allowing both local and interstate competitors that opportunity. This year we again welcomed the members of the Winchester sponsored Japan Top Gun Club together with shooters from throughout Queensland, New South Wales and Victoria and a special guest who came from Scotland for the competition.

This year, a total of over 80 competitors gathered for the revised competition program which this year was held over four days. The first two days of competition saw the re-introduction of the 200 target Kemen sponsored Australian Open with the preliminary Australian 'Skins' competition held in conjunction. The 150 target Australasian-Pacific "Grand Prix" events in both Olympic Trap and ISSF Skeet were then conducted over two days on Saturday and Sunday.

Thursday, the first day of competition, saw the local and interstate shooters get a head start on their Japanese rivals who arrived mid way through the day when the first 100 targets of the Australian Open competition was being conducted. In typical fashion, the Japanese contingent of around 40 competitors, were straight off the bus and into the practice. Before long they were lined up for the re-introduction to warm weather and the Australian targets and the two spare Olympic Trap ranges were really running hot.

The first 100 targets of the Australian Open competitions saw quite a few good performances being recorded in both the Olympic Trap and Skeet events. Day 1 in the trap concluded with two times Olympic Gold medallist Michael Diamond showing his class by leading the field with a very handy score of 97/100. In the skeet event, local shooters dominated the small field with Kel Madsen leading the way after 100 targets of that competition.

Day 2 of the competition saw the opportunity for all shooters to recoup some of their nominations in the skins event, while those who were competing in the Australian Open events were also looking to record a good result on day 2 of the event. The number of shooters in the field was doubled on Friday when the Japanese visitors and a few others entered for the 'Skins' Badge Match over 100 targets. The Badge Match was held in conjunction with the 200 target Kemen Australian Open making it a two-in-one event.

As always, the spoils available in the Skins competition saw for some very closely contested rivalry. In both the AA/A group and the B/C group, the skins payable of each round was around \$200 per round (more than twice the nomination fee for the event). Everybody was watching the scoreboard closely during each of the four rounds.

At the end of the day, the spoils were spread around reasonably well. In the AA/A group, skins wins were recorded by Frank Minici, Kevin Perkins (2), Michael Diamond (3), Akihiro Aoyama, Dan Johnson and Reno Cangiano. The B/C group also saw a good sharing of the prize money with Scott Dobeli, Masamichi Komatsu (2) and Fernando Cilli (2) all receiving a few dollars to make the weekend more enjoyable.

The 100 target Badge match event held in conjunction with the 'Skins' competition also saw the spoils shared around - AA Grade 1st Michael Diamond (Camel Hill), 2nd Akihiro Aoyama (Japan), 3rd Jiro Nakayama (Japan); A Grade 1st Frank Minici (Cecil Park), 2nd Kevin Perkins (Illawarra), 3rd Greg Newey & Dan Johnson (Warwick); B Grade 1st

Fernando Cilli (Brisbane), 2nd Scott Dobeli (Brisbane), 3rd Masamichi Komatsu (Japan); C Grade 1st Rod Millar (Cairns), 2nd Takashi Kato (Japan), 3rd Shinobu Nakamura (Japan).

At the conclusion of the 200 targets, the six finalists for the Australian Open Olympic Trap competition were determined. They were Michael Diamond (190/200), Frank Minici (173/200), Greg Newey (173/200), Dan Johnson (173/200), Kevin Perkins (171/200) and Fernando Cilli (165/200).

Overall results for the 200 target Kemen Australian Open Olympic Trap Championship - O/A 1st Michael Diamond (190/200+19), 2nd Frank Minici (173/200+21), 3rd Greg Newey (173/200+19); A Grade 1st Dan Johnson (173/200), 2nd Kevin Perkins (171/200), 3rd Andrew Mintzas (157/200); B Grade 1st Fernando Cilli (165/200), 2nd Scott Dobeli (156/200), 3rd Rod Millar (150/200); C Grade 1st Clinton Hope (137/200), 2nd Andrew Casella (132/200), 3rd Frank Petsch (122/200); Lady 1st Jennine Gerrard (142/200)

In the 200 target Kemen Australian Open ISSF Skeet Championship, the results were - O/A 1st Kel Madsen, B Grade Justin Ehrenreich and C Grade Mark Kempnich.

Skins in the skeet competition went to Michio Imaizumi (Japan), Hiroshi Ishimaki (Japan), Justin Ehrenreich (Brisbane) and Mark Kempnich (Brisbane).

Saturday morning and a few more weekend shooters arrived. In all, 12 squads of Olympic Trap shooters made up the field in the "Grand Prix" competition with shooters coming from as far away as Melbourne, Cairns, Sydney, Illawarra, Glen Innes and Newcastle plus the many local shooters and regulars from neighbouring clubs including Redcliffe, Warwick, Gold Coast and others. At the other end of the shooting range, a lesser field of 2 squads faced the starter in the ISSF Skeet event. The large contingent of Japanese shooters made up about half the overall field which made it very enjoyable for all in attendance.

As Brisbane had been subject to quite a few showery days during the week it appeared that the weekend's conditions would not be much different. While the early squads got away to a good start, even though the normal early light conditions made it a little tricky to catch a few of the left hand targets, it soon became obvious that everyone in the field would be affected at some time by the rain showers. The luxury, however, of having 3 Olympic Trap ranges always allows for a brief stoppage to be enjoyed while any heavy showers are around.

After the completion of the first day's proceedings in the Olympic Trap "Grand Prix", Michael Diamond was again leading the field on 93/100 followed by Cairns shooter Jar Smaniotto and former "Grand Prix" Champion Kevin Perkins of Illawarra, both on 89/100. With only 50 targets to be completed on day 2 of the competition, many shooters were still in contention for a position in the final. 2006 "Grand Prix" Champion, Frank Minici, was up amongst the contenders on 88/100 as were Dan Johnson from Warwick on 87/100 and Japanese shooter Akihiro Aoyama on 86/100.

Day 2 of the "Grand Prix" and again it appeared as though we would be experiencing showery conditions during the course of the day. The day's scores were up-and-down as expected with Michael Diamond continuing to lead the field towards the final, registering 24/25 and 22/25 to be first in on 139/150. Jar Smaniotto (135) was next into the final followed by Kevin Perkins (134), Frank Minici (133) and then a 3 way tie between Dan Johnson, Shawn Ryan and Akihiro Aoyama all on 128/150, necessitating a 3 way shoot-off to determine the last 2 positions. Aoyama was the unlucky one leaving Dan Johnson and Shawn Ryan to fill the 5th and 6th positions.

The final was of course a single barrel affair with the 10 second 'delay' light being used on station one. Again Michael Diamond demonstrated his class and experience by taking the overall spoils and winning his first Australasian-Pacific "Grand Prix" title for a number of years.

Results of the Australasian-Pacific "Grand Prix" Olympic Trap event - O/A 1st Michael Diamond, 2nd Jar Smaniotto, 3rd Frank Minici; AA 1st Akihiro Aoyama, 2nd Jiro Nakayama, 3rd Akira Iseki; A 1st Kevin Perkins, 2nd Shawn Ryan, 3rd Dan Johnson; B 1st Masamichi Komatsu, 2nd Scott

Michael Diamond Kemen Australian Open Olympic Trap Champion 2007 & Grand Prix Champion

Ladies Olympic Trap High Gun Jennine Gerrard

Ben Mitchell receives Jnr High Gun Trophy from his father Greg Mitchell of Winchester

Dobeli, 3rd Takao Serikawa; C 1st Shinichi Sakamoto, 2nd Noboru Kakehi, 3rd Minoru Mamada; Women 1st Jennine Gerrard, 2nd Shinobu Nakauma, 3rd Chizuro Ono; Junior 1st Ben Mitchell

The Overall High Gun in the Olympic Trap events went to Michael Diamond. The Ladies High Gun was Jennine Gerrard, Junior Ben Mitchell and the International High Gun award went to George Wood of Scotland.

The ISSF Skeet event was also hotly contested and although only two squads competed in the event, the competition was good and another hotly contested final was witnessed.

After the completion of the 150 targets, the final was made up of 2 shooters from Australia and 4 shooters from Japan – a real international affair. Top qualifier on 122/150 was Michio Imizumi, followed by Cherie Ryan on 115/150, Kazuki Kono 114/150, Kel Madsen 107/150, Isamu Sato 99/150 and Hiroshi Ishimaki 95/150.

Following a good final which saw the lead challenged, the first placed finalist Michio Imazumi held on to his lead to take the championship spoils for the 2007 Australasian-Pacific "Grand Prix".

O/A 1st Michio Imazumi (Japan) 139/175; 2nd Kazuki Kono (Japan) 137/175; 3rd Cherie Ryan (Normanton) 135/175; A Kel Madsen (Gold Coast) 107/150; B Justin Ehrenreich (Brisbane) 93/150; C 1st Isamu Sato (Japan) 99/150; 2nd Hiroshi Ishmaki (Japan) 95/150; 3rd Mark Kempnich (Brisbane) 94/150

Thanks to so many of our local and interstate supporters and the continued presence of the Japan Top Gun Club shooters sponsored by Winchester, the Australasian-Pacific "Grand Prix" competition was again a great success and once again proved a great opportunity for our local and interstate shooters to compete with shooters from Japan and elsewhere.

Following the success of the revised format program, the Australasian-Pacific "Grand Prix" competition will again be held over 4 days in 2008. It will again be made up of one 200 target event (encompassing the 100 target 'Skins' event) plus the 150 target Australasian-Pacific "Grand Prix". Both events will again include a final.

It is anticipated that the Australasian-Pacific "Grand Prix" competition may be held a few weeks later in 2008 to allow shooters to recover from the O.D. Nationals competition which is rumoured to be scheduled to be held in Perth, Western Australia, in early January, 2008.

Again, the Organising Committee of the Brisbane Gun Club would like to thank Wayne Pilkington and Greg Mitchell of Winchester for their continued sponsorship and support of the Australasian-Pacific "Grand Prix" and also Greg Newey and the distributors of Kemen ammunition for their support of the Kemen Australian Open events. A special vote of thanks must also be recorded to the many members of Brisbane Gun Club and elsewhere who helped make the "Grand Prix" competition the success it has been over so many years.

Kel Madsen Australian Open Skeet Champion

Alice Springs Gun Club

Located off the Ross Hwy., 7 kilometres south of Alice Springs

The Alice Springs Gun Club developed their present site in the late 1960's and includes two trap layouts using Canterbury traps which were installed two years ago, two Skeet layouts and one 5-Stand Sporting Clay layout.

- 1 President Tony Brown with Marlene Niland, Overall winner in the 50 Target Double Barrel
- 2 Steve Morris, 1st AA Gr Double Barrel
- 3 Rui Desoosa, 1st B Gr 50 Target Points Score
- 4 Marlene Niland and Secretary Tania Evans
- 5 High Gun winners: C Gr Andy Neumann, AA Gr Tony Brown, B Gr Rui Desoosa, A Gr Tom Evans
- 6 New member Andy Neumann travelled 3 hours

The club has 35 members including three up and coming juniors.

Alice Springs hosts the Northern Territory Masters Games every second year which attracts up to 75 shooters and is a successful and fun-filled time for all shooters in attendance.

Northern Territory State titles are held every alternate year over the June long weekend.

Visitors are made extremely welcome and anyone travelling with caravans are looked after with sites available for them.

The magnificent MacDonnell Ranges form a backdrop to the club as you can in this photograph taken at the May shoot.

GEORGE AGOSTINO 26.09.1936 - 09.04.2007

It is with considerable sadness that we wish to advise the passing of George Agostino.

George would be remembered by many shooters, as a well respected long standing member of Cecil Park CTC.

We wish Joe Agostino & his family condolences & commiserations.

GOD HAS HIM IN HIS KEEP-
WE HAVE HIM IN OUR HEARTS-

CLASSIFIEDS

RATES AND CONDITIONS

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$11.00 - 0-60 words

\$22.00 - 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

(a) the person is a licensed firearm dealer, or
(b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

(a) the licence or permit number of the seller,

(b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.

CARMEL MARY CARLON 28.9.1938 - 25.3.2007

Carmel Carlon was my mother. During her lifetime she was a member of three gun clubs, the Metropolitan, Point Cook and when Point Cook closed she joined the Geelong Clay Target Club.

Mum enjoyed her shooting which she started at the young age of 40 and was a good competitor. She enjoyed the challenge, giving the younger ones a run for their money and especially enjoyed the socialization.

Carmel retired from the workforce about 16 years ago to travel - mainly to gun clubs around Australia and New Zealand.

She was enjoying her retirement working as a volunteer for the Sunshine Hospital Auxiliary but unfortunately a higher authority wanted her to work for "Him" or "Her" and she passed away suddenly, having suffered a stroke on March 13.

She was Dads wife, my mother. She will be missed by many members of the Geelong Clay Target Club, members of the ACTA, friends and volunteers she had worked with and especially her family.

Throughout her career as a shooter she was proud to hold, among many other titles the National Womens Titles;

- 1986 Single Barrel;
- 1988 Grand Australian Handicap;
- 1994 National Double Barrel; and
- 1994 National Skeet Doubles.

She will be sadly missed "around the traps" by many people. Her sparkle, enthusiasm and determination are legendary among women and men shooters alike.

Contributed by Sandra Carlon

KEN "BLUEY" MAUREY 14.11.1945 - 27.08.2006

It is with great sadness that the Wangaratta Clay Target Club advises fellow shooters of the passing of Kenneth Francis Maurey (Bluey). He joined the Wangaratta Gun Club in 1951 at the age of 16 and was a member for 55 years. He became a Life Member in 1973. Bluey was a hard working, dedicated member and committee man over many years until he became ill. He loved his clay target shooting and represented Victoria on several occasions and won a number of State Titles and two Commonwealth Titles. Bluey was a much feared competitor and quite often would win every event on the program

His other great love was hunting, especially ducks and he attended his first Duck Opening at the age of 14 and never missed an opening. Even after becoming ill he still enjoyed shooting ducks 3 or 4 times a week in his last season. He was also an expert bushman with an extensive knowledge of flora and fauna and when he was younger he would often camp out to trap rabbits to pay for his shooting.

He is survived by his wife of 45 years Margaret and four of his five children. Bluey will be greatly missed around the clubs of the Riverina and NE Victoria. We will miss his quick wit, sense of humour and many lengthy debates on a wide range of subjects. May he rest in peace.

TRADE PRACTICES ACT

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. The A.C.T.A. reserves the right to refuse any advertisement without stating the reason.

RATS ROUTES

By Stephen Atkins

It has been brought to my attention that I owe an apology after my recent article regarding the floggings I have had in shooting.

No I haven't forgotten the day Barry, (Hall of Fame Kable) shot the best 50/50 I have ever seen shot at Evandale in the National Double Rise Championship.

It was the best because of the conditions, the wind was gusty and pouring down!

There was two reasons I never mentioned "Bazz", the first was he shot 50/50 and Jon Whittakers and I shot 47/50 which was the next best, therefore he won outright and never beat me in a shoot off.

The second reason was if I mentioned all the shooters who had punished me (and you know who you are) it would have taken up the next three issues of the shooters news, not much point! So there you go Bazz, I hope this helps you sleep better at night....

Speaking of the Nationals, congratulations to all the winners, it was sensational that an old diabetic midget with a maxillary denture, who follows Collingwood with his one good eye could actually win the Double Barrel Championship, a fair handicap. I should mention he told me at Mornington after winning the Double Barrel that he thought he would be very dangerous and would be surprised if he ever missed another target off 15 meters with two pills in the gun.

It was good to see some new faces get a "Silver Aussie" also, Tim Winderlich, Chris Vodden, (Tom would have been very proud), Brad Webb and the Castlemaine killer Chris Langridge, sorry Arthur, maybe fifth time lucky.

Young Glen Barton's win in the Single Barrel was a huge effort in trying conditions and a very popular win. He was always going to win a national it was just a matter of when Don't be surprised if he ends up in double figures in National titles in years to come. Glen should get most of the accolades for his win but some should go to his mum and dad, (Wendy & Tony). Tony is a winner of the National Points Score championship, whilst Wendy has won just about everything worth winning including overall State Championships. I remember very well the N.S.W. state Double Barrel a couple of years ago it had got down to one squad at about 300 Wendy was still going strong to memory she finally missed at 425, she goes alright. Old Tony doesn't look like he's got the old "mojo" happening to me, but mix that DNA from both parents and you have got the ideal ingredient for a champion. All the kids are good shoots and good people.

Another notable victory was "TLC" (Glen Castellaro) in the High Gun, third time he has taken home the Gold Aussie! Off the top of my head only two other shooters have achieved this remarkable feat... Tom Turner three times also and William Iles six times. It is even more remarkable when you think Glen give the game away for twenty years when he was just starting to really hit his straps.

The team High Gun was no surprise when I heard the Albino ferret from Cavendish "Dooth" had won it once again. His record

in team events is right up there with the best of them. In Victorian State team shoots he has made the five man shoulder to shoulder team nine times and I'm fairly sure he has won the team High Gun five times, That say's it all!

Without going into too much detail it looks like our Nationals are at the crossroads, the whole joint was flat and very little atmosphere, the numbers were disappointing. I have always been a firm believer that the Nationals should be held at our National Ground, mainly because geographically it is where most shooters can get to easily and without too much expense.

I thought I would never say this, I look forward to Roma in 2009 provided the old crow who was in charge of the caravan park I stayed in last time is either deceased or I will be staying elsewhere. The only thing she was missing was a broom.

Until next time Steve Atkins

Dear Your Say

We attended the Country Victorian Ladies 100 Target Double Barrel championship conducted by the Wonthaggi Gun Club on the 18th March 2007. Ten ladies contested the event in what proved to be fierce by very friendly competition.

The club is considering running the event again in 2008 and is hoping it will be bigger and better. Our best advice to all lady shooters whether you live in Victoria or not is mark the date in your diary. It will prove to be one of the most enjoyable shoots you will ever attend.

Thanks Wonthaggi for putting on a wonderful event! The hospitality was great, the sponsorship extremely generous and the trophies were magnificent.

We also had the pleasure of shooting at Morwell on the same weekend. Thanks to everyone there for making us feel so welcome

Golden Ibis/Lower Macquarie Championships

Location situated on the banks of the Macquarie River and located on the Oxley Highway 120kms north west of Dubbo central NSW

It was the weekend, 10th & 11th March, that saw 95 shooters venture to Warren Gun Club, to contest for the coveted trophy, the "Golden Ibis". After some welcomed rain early in the week, the grounds managed a mild green and conditions fined up to offer great weather for the weekend's shooting.

There was the homely breeze of the Warren club, that kept scores down a little, and with a new event the "President's Trophy" a Points Score event shot of 18m, a possible was required to decide the Ibis. There were around 8 shooters within a point going into event 8, but only one had the legs to get there.

Winning back to back Ibis's with an impressive 314/325 targets for the weekend, Glen Castellaro took the title from the other avenging shooter's. Well done Glen!!

The Championships, shot over two days started slow, with not too many possibles or shoot offs – it made for a quick job in the office which was welcomed due to a shortage of helpers available for the weekend. Another friendly addition in the office was the use of Frank Auditore's shooting program, which made life so much easier. So many thanks to Frank!

Event one for the weekend, the eye opener event, was the 25T Double Barrel Cash Divide. 25 shooters managed to walk away with some cash for this event.

Event two – the 25T Points Score Championship was won by Donald Morris in a shoot off with Rob Thompson. A great score of 93/93 was needed to win the prize of a bar fridge. Rob walked away with 92/93 targets saw his efforts take out first place in AA Grade. 2nd place in AA Grade was won by Daryl Pasfield 83/84. Other Grade winners were A – Richard Fitzalan 81/84, with second to Button Powell 76/78. Local Narramine lad Adam Piddington took out B Grade with 74/75, with the runner up in B Grade being Stefan Seckar 73/75. C Grade winner was John Rae 70/75 and young and upcoming shooter Sam Millard took out

Hank McInnes - 25T SB Championship Winner

Bruce Cosgrove - Handicap Trophy

2nd in C Grade with 67/75. The Veteran winner of the event was Peter Fitzalan with 74/75. The Lady and Junior winners, were Warren club shooters Jen Smith 71/78 and Jason Owen 72/75 respectively.

Event Three was the 25T Single Barrel Trophy. The trophy for the event was a chest freezer. This event was decided in a shoot off, with Gary Bartlett being the victor with 35/35 targets. Daryl Pasfield collected a 2nd prize by winning AA Grade with 34/35. Our sporting goods man of the hour, Brad Webb, took out 2nd in AA grade with 29/30. The A grade winner on the day was Richard Fitzalan with 31/32, his 2nd prize for the weekend, with second going to Darryl Reed, shooting 30/32. B grade winner was Stephen Hooper with 24/26 with second place to Bruce Mitchell with 23/26. Warren shooter's closed out C Grade with Nigel Clark taking 1st place on 21/25, and Don Williamson winning 2nd place in a shoot-off with 21/26.

A multiple hour shoot off was the decision maker required to determine the winner of the Premier Event of the weekends shooting, Event Four, the 25T Double Barrel Championship. There were several possibles shot in the event, so a shoot off was mandatory. Fading light brought an end to the fantastic break of 322/322 targets – which we think is a record at Warren – The victor was Glen Barton. A shot away and overall AA grade winner went to Glen Castellaro with 321/322. The fantastic prize of a washing machine was the victor's prize, which he probably needed after shooting for hours. Local young shooter Kyle Walton held on in the shoot off for quite some time, and took out 2nd in AA grade with 117/118 – Gramps was proud! A graders had it a little easier, with

High Gun Winners 2007

49/50 winning a Juicer for Richard Hunt. Sid Kinsey our Warren club recruitment officer, shot 42/43 to take 2nd in A grade. Our local Lady shooter, Jen Smith won B Grade with 33/34 – enough to seal the Lady's trophy also. And Tas Touvras came home with 2nd, shooting 25/26 targets. Nigel Clark was dominating C grade, winning his 2nd title with 24/25, and Andrew Uphill finished 2nd with 23/26. The Veteran winner of the event was again Peter Fitzalan, shooting 100/101 and Jason Owen again won the Junior title with 24/25.

Dinner was enjoyed by many of the shooters and their families following the shoot off, with soaking beverages wetting the dry and dusty palates of those who stayed to enjoy the Warren hospitality. A late Saturday was endured by many, offering some sobering thoughts and sore heads 8am Sunday morning. Many aspirin was required for the ailing heads for competition in the second day's events.

Some early Sunday morning shuffling of squads saw some stronger competition and a fight to the finale from the top end.

Event Five was the Mixed Target Trophy and after blitzing the field the night before, Glen Barton remained strong and in control to take out the AA grade win with 74/75. National president Bill Jones, was a close 2nd shooting 73/75. A grade winner was Gary Blattman with 96/100 with a previous winner Darryl Reed taking out second with 95/100. Anthony Pollack was the winner for B Grade shooting 48/50, with second to Adam Piddington 47/50. C grade had a new Warren winner with Tom Wild being victor on 41/50 with Don Williamson bringing home second with 37/50.

Event Six and the last Championship event was the 25T Single Barrel Championship. The prize of a clothes dryer was well contested, with the eventual winner being Hank McInnes with 30/30. AA grade was won by Daryl Pasfield with 29/30, with Roger Duthie (a previous multiple Ibis Winner) taking 2nd with 48/49. An old and greatly missed Warren shooter and larrikin, Scott Smith took out A grade with a perfect 25/25. Dubbo shooter Peter Jones managed 2nd in a shoot off with 31/32. In B grade 29/30 won the title for Warren shooter John Wild and Grant Pritchard took out 2nd place after 29/31 targets. C grade again dominated by Warren members, saw Bob Glasson take line honours with 21/25 and Tom Wild again showing his face with a second, 21/28. Bill Jones got to the podium again, to offer thanks to the Warren club, after taking out the Veteran title for the event with 24/25. Ladies winner was Clare Kesby shooting 23/25 and Junior winner who dominated over the weekend, was Jason Owen shooting 19/25.

Event seven, the 25T Handicap Trophy went to the shoot off, with only 5 shooter's making the cut. With 5 trophies on offer there was no pressure for the eventual winner's, as everyone was going to get a prize. First place winner, who did an impressive job to hold her cool in a field of testosterone, was Warren shooter Jen Smith. She took the \$300 cash and a brand new Warren Club Shirt after shooting 49/49. 2nd place winner was Anthony Pollack with 48/49. 3rd, 4th and 5th was dominated by all Warren shooter's, Jason Owen, Sid Kinsey and Bruce Cosgrove, shooting 43/44 – 34/35 – 25/26 respectively.

The last event for the weekend, which decided all the eventual High Gun winners, was the new event of the program, the 25T Points Score President's Trophy shot off 18m. There was little discussion really about the removal of the Double Rise, it seems that either event did the damage to decide the eventual winners for the weekend. With the only possible in the event and nerves of steel Glen Castellaro sealed the deal of back to back Ibis wins, and also the LCD TV – the President's Trophy. The AA grade winner and runner up in the Ibis, by one shot – was the other Glen – Glen Barton shooting 74/75. 2nd in AA grade was John Webster with 72/75 and other score below this were the other 8 or so shooter's who were contesting for the Ibis. A grade was won with 74/75 by Darryl Reed with second place going to James Manns on 69/75. Stephen Hooper was victorious in B grade with 69/75, and again Jen Smith won a prize with competitive shooting of 66/75. Tom

Glen Barton – DB Championship

President Bill Jones

Wild managed to take C grade with 63/75, with Don Williamson biting at the heels on 62/75.

The new event saw the end of the program, and the computer was thrown into overdrive to calculate the most important results.

The prestigious awards for the weekend are awarded to the most consistent shooter in each grade. The Overall Graded High Guns won a fantastic 4 burner BBQ with rotisserie and stainless steel cabinet, with the Golden Ibis winner, also receiving the coveted Golden Ibis trophy – one ounce of solid gold. The Veteran, Ladies and Junior winners received music systems.

The prizes were awarded as follows:

Overall High Gun & Golden Ibis Winner: Glen Castellaro 314/325
 AA Grade High Gun: Glen Barton 313/325
 A Grade High Gun: Darryl Reed 306/325
 B Grade High Gun: Jason Owen 291/325
 C Grade High Gun: Tom Wild 268/325
 Junior High Gun: Jason Owen 291/325
 Veteran High Gun: Peter Fitzalan 312/325
 Ladies High Gun: Jen Smith 284/325

Overall the shoot went off without too many glitches. Attendance this year was lower than anticipated but the club will continue to host the event and offer the usual great prizes. For all that attended, we had a great weekend of shooting, with fine weather and great hospitality.

There was a raffle that was drawn on the day, with the very successful Junior shooter, Jason Owen also winning the raffle of a swag, which was donated by Hopley Tarps.

Special mention must go to all the organizers and helpers over the weekend, as it would not be possible without your assistance. Also to our sponsors, who dig deep every year, your support makes our shoot possible.

Macquarie Toyota – Shell Distributors, Robey & Hutchinson Engineering, National Australia Bank, GE, J & N Wrigley, Cossy's Transport, The Warren Bottleshop, Ern Webbs Sport store, Elders Insurance – Dubbo, Warren District & United Services Club, Chesterfields Warren, Warren Motor Inn, NSW Firearms Safety Awareness Council, Hopley Tarps, Frank Cross Tyres, Neville Owen Three Rivers Machinery, Western Farm Machinery, Macquarie Valley Motor Inn, Riverside Store, Warren Supa IGA, 5 Star Supermarket.

For the continued support of our club we thank you. We welcome everyone to Warren again for 2008 the 2nd weekend in March.

"If everyone brings a mate – It'll be great!"

ORANGE CLAY TARGET CLUB

Location: Orange in the NSW Central Tablelands is 'The Hub' of the Central West

The Orange Clay Target Club held its Annual Premier event on the last weekend of February. Although the ongoing drought had taken the golf club look from the grounds the six trap layout was as tidy and presentable as a large contingent of members could make it. The very large new awning which was completed the day before competition

was heralded by visitors and members alike as a wonderful addition to the club's already excellent facilities. With two spare traps and full set of voice release ready to be deployed in case of a break down, four full time trappers continually loading, the shoot marshal in his golf cart fully charged, the outside organization was complete.

The office for the first time was completely on computer, using Frank Auditore's system which was found to be flawless. Frank was in attendance "just in case" but the system

was easy to use and understand and contributed to shoot off and running times always being ahead of schedule.

The club has now moved to using the system full time at all its shoots. The club would like to thank Frank Auditore for his patience, time and help. Such a small investment for a huge return.

SHOOTERS SHOP

Australia's largest online shooting accessories shop
www.sportsshootersshop.com.au

There is no doubt this is the future for all clubs small and large. The secretary's job is the most onerous position in the club and moving to Frank's system is a huge step forward to simplify the task.

Friday and the caravans started rolling in. After practice a BBQ was held for all those present. With a 9.00am start on Saturday the car park filled early and 136 shooters crowded the window to nominate.

Shooters from all over NSW plus a contingent from the Geraldton Club in W.A. The first event was the West Orange Motors Volkswagon 25T P/S which Bryan Manns won 213/213 after a lengthy shoot off with P Fitzalan who won AA 212/213. A grade won by P Boland 101/102, Paul Deland won B grade 75/75 and Carl Petersens took out C grade.

Event two was the Suncorp 25T S/B Malcolm Stephens took out O/All with a good 60/60 from Gary Rootes 59/60 who won AA, A grade was won by well known WA shooter Bert Boschitti 41/42 and B grade won by Rob Campbell 33/34, C grade was won by Carl Petersens.

The final event for the day was the Beretta Australia 50T D/B. Beretta representative Greg Coleman, as a previous winner, was keen to repeat last year's effort. However, the final showdown was between Fil Petriella and well known Cowra shooter John Finn. The rule that the D/B must be shot to completion on the Saturday has in the past meant that the darkness was the ultimate decider of this event, but as we made an early start we finished in daylight with Fil Petriella making a lovely break 422/422 and John Finn taking AA 421/422. Warwick Simpson won A grade 114/115. Paul Deland won B grade 60/61 and Stuart Nash won C grade 46/50. Veterans was won by Newcastle shooter Gary Bartlett 128/129. Samantha Peck won ladies 86/87 and Zac Johnstone won juniors 49/50.

By day's end everyone was looking for a cool drink, while Julie Sharp and her team of super helpers prepared a wonderful free of charge evening meal for all shooters and their families.

Sunday brought similar clear warm weather and similar number of shooters. The first event was the Orange Plasterboard 75T CH/CH and Charlie Sherry got a skinner 125/125. Charlie of course was very happy with this but it was the sweep that kept him smiling all day. AA was won by N Wells 199/200 and A went to Malcolm Stephens 123/125. B grade won by Clare Kesby 145/150 and Carl Petersens again won C grade.

Getting down to the pointy end of the High Guns and the crowd around the score board increased and so did the music level.

Last event was the Country Comfort Motel 15PR D/Rise and the pressure for some shooters was really building. Joe Camilleri shot 38/40 for O/All and Beretta's Greg Coleman won AA with 47/50. M Stephens won A grade 37/40, M Salem won B grade 24/30 and C grade was won by Nick Brooking 22/30.

Presentation time and the over all winner of Golden Cartridge and High Gun for the weekend was Joe Camilleri with a great score of 305/305. Joe's acceptance with pride and emotion shows just what it means to win a Golden Cartridge against such top company. Charlie Sherry won AA H/gun and A grade was won by Malcolm Stephens. B grade H/Gun was won by Michael Coles from Bathurst with a well shot 282/305. Carl Petersens won C grade H/Gun, Veterans High Gun Gary Rootes, Ladies High Gun Samantha Peck and Junior High Gun Andrew Petriella.

Presentation over the raffle was drawn by Joe Camilleri and John Finn was immediately surrounded by all his friends as they found he had won the four litre bottle of Johnny Walker Scotch. Travelers got away to an early start and members started tidying up.

The club thanks all our generous sponsors. The shoot Marshal, John Lawrence, who always does a great job quietly and efficiently. Last but not least all members who helped in the kitchen and office.

Full shoot results in the results section of the magazine.

FUNDING TO BUILD BETTER CLUBS

2007/08 Sport Leadership Grants for Women

Grant opportunity for women at club level to undertake education and training to enhance the resources and services offered by their sporting club.

The Australian Government through the Australian Sports Commission and the Australian Government Office for Women invite you to apply for the 2007/08 Sport Leadership Grants for Women.

One aim of the grants program is to provide women with an opportunity to further their education and training in areas of sport leadership which can benefit the growth and development of their sporting club.

The 2007/08 Sport Leadership Grants for Women offers grants in five key categories:

- Women in general sport leadership
- High Performance coaching and officiating
- Women in disability sport
- Indigenous women
- Women from culturally and linguistically diverse backgrounds

Each category includes the following project areas:

- Coaching
- Officiating
- Management (including administration)
- Governance (board and committees)

Examples include:

Individuals

- Microsoft Excel training to co-ordinate competition draws
- Level 1 coaching certificate
- Attend "Developing & Managing Effective Volunteer programs"
- Website development course

Organisations

- Undertake management/administration courses or governance workshops to develop the skills of volunteer committee members
- To recruit, train and accredit junior and senior female players as umpires and coaches.
- To advance the clubs level 1 female coaches to level 2 accreditation
- Providing level 1 coaching course for women who have expressed interest in taking on coaching or assisting coaching roles
- Media education course for women

The Program provides successful applicants with a one-off grant of up to \$5,000 for individuals and up to \$10,000 for incorporated organisations.

Applications for the grants close on Friday 29 June 2007.

For grant application forms and guidelines please go to:

<http://www.ausport.gov.au/women/grants.asp>

(Examples of previous grant recipients are also available)

AISL High Performance Program

What is the AISL High Performance Program and what does it mean for shooting?

Much has been said about the High Performance Program and indeed the question is oft asked, "how does it benefit the sport overall?" In the first instance it is necessary to understand the Program is geared toward the elite level of the sport, which is the top ten or fifteen athletes, across the Olympic disciplines, we have who are capable of being among the best in the world. As a sport we all benefit from the results achieved internationally and, in particular, those of our Olympians and Commonwealth Games athletes.

Australian International Shooting Limited (AISL) is the body charged with the task of winning medals and is funded by the Australian Sports Commission. In turn AISL works with its member bodies to develop the High Performance Program through the High Performance Program Management Committee which is made up of representatives from the member bodies, the national coaches, the high performance manager and a representative from the Sports Commission.

The current focus is on achieving medals in Beijing 2008, New Delhi in 2010 and London 2012; to this end those top athletes will be supported via a new program to be announced following the end of the 49th ISSF World Championships in Zagreb.

The program is, unashamedly, not about promoting the top scoring Australians but rather those Australians who are able to achieve medal results internationally. To date qualifying scores have been set at an achievable standard, that required just a little stretch to reach, in order to attract more shooters to the squad level; however the funds available cannot hope to provide adequate support for the numbers able to achieve these scores and so those who are truly seeking "elite status" will need to be capable of higher scores. The program is about success at the highest level and not about just featuring on a ranking list.

Our program employs four full time coaches and a full time sports scientist to assist the athletes in achieving their goals. On the sports science front our athletes also have access to sports psychologists, sports nutrition, masseur and physiotherapists along with medical support. The program also assists with travel, training, daily allowances whilst overseas, ammunition and target costs.

The flow down effect from these program areas is that the knowledge gained can be disseminated to all coaches, with the result that clubs, state and national federations need not fund research on such items enabling them to fund more on coaching and athlete development.

The funding also provides the opportunity for AISL to develop programs such as:

- the Level One generic courses in both coaching and officiating,
- policies which have been drawn up by legal resources and approved by the member bodies and,
- also conduct major competitions.

This reduces the need for member bodies and clubs to spend money and time in such areas, allowing them to allocate their funds and resources to development of the next generation of shooters.

Some athletes may also be eligible for a direct support grant (which is a means-tested grant) as a contribution towards sporting and living costs. This money is not unencumbered though; recipients will need to agree to a plan for their own development in the run up to Beijing, the demands of which are rigorous unlike previous similar grants. This funding is to assist the athletes to have more quality training time; it is not simply additional income. Whilst the recent Commonwealth Games saw Medal performances it should be noted that we failed to improve on 2002 when we gathered 30 medals. In 2006 we managed only 23.

The following table shows the results.

			% of Prediction	% of total
Clay	7	4G; 2S; 1B	50%	30%
Pistol	11	4G; 4S; 3B	92%	48%
Fullbore	3	1G; 1S; 1B	150%	13%
SB-Rifle	2	1S; 1B	100%	9%

A medal at the Olympics means our sport will be in the public eye and the more successful we are, the more likely we are to grow the sport. Recently there has been criticism of the program, those running the program, the score levels required to achieve a berth on an Australian Team, etc and I am sure this criticism is likely to continue. However, like in any endeavour the criticism is generated by some who fail to reach the scores. To this end I would encourage all, not to concentrate on the qualifying score but rather look at the score that is required to win a medal overseas and then put a plan in place to win that medal and work at the technique required. "Let your scores do the talking."

A 'tool' that has been developed to assist in making decisions at selection meetings is a graph of those shooters seeking selection which shows their form achieved overseas dating back to 1996, including Oceania, and provides an output showing the likelihood of a competitor achieving a 'finals' placing at a major event; this provides valuable assistance to the selection panel in making impartial and informed decisions.

This is invaluable in determining whether a competitor who may consistently shoot the qualifying score in Australia but is unable to achieve under pressure at the major events should be sent, bearing in mind our stated goal is to medal. Conversely, the same tool serves to highlight problems such as just described and may enable us to assist an athlete in overcoming those areas of concern.

Interestingly the top male and female clay target shooters have a 70% (male) and a 42% (female) chance of making the finals whilst in the pistol program there are two in the 70% region (female). In the rifle program steps have been taken to re-establish the positioning gained in the lead up to 2000. Of course all of this is irrelevant if a competitor does not first achieve a qualifying score. Interestingly in some other sports (non professional and less supported than ours) you need to be capable of world record performances to qualify and, yes, some of those who don't make the mark complain about the system being unfair.

It should also be pointed out that the role of the National High Performance Coach is not that of an individual coach, rather someone who develops and coordinates a program. Each competitor should be working with a coach either at the club or state level to 'hone' their skills. Here again clubs and states should be spending monies to support a coach; this need not be large sums but at least cover the incidentals such as petrol, phone etc. Those coaches would then work in with the National HP Coach to ensure the success of their athletes, whether that is at national or international level. This is not to say that the National HP Coach does not or will not provide individual attention, but it is impossible to be everywhere; many sports are centric to a training centre and athletes need to weigh up the pros and cons of moving to that centre.

Details of the new plan will be made available on the web site www.auss shooting.org in August.

With less than 740 days to go to the Olympic Games and just over 760 to the Paralympics, preparation is already well under way; have you set your goals?

TWO DAYS AT BARCY

As the Mt Isa boys eased out of their ute after an eight hour drive, followed by others from Pioneer, Roma, Karumba, Rocky, Gladstone, Dysart, Gemfields, Cooktown, Ifracombe, Springsure, Blackall, Gold Coast, Tambo, Normanton and Scrubby Creek, the mood was being set for an enjoyable weekend.

Barcaldine is situated almost in the dead centre of Queensland which means sheep, cattle, sweat stained shirts and yes, you guessed it....mutton chops. At the rate they disappeared at brekky we were beginning to suspect some had stashed the odd chop or two in their pockets for a quick bite between events.

By 9am on day 1, 70 shooters had nominated for the first 4 events over 3 traps. While the reliability of the old hand fed western machine on Trap 2 was a worry to Paul our trap mechanic, targets threw smoothly and with little hold-up for most of the 35' cleared-skied weekend. A recent storm had taken off the club house roof and fried the electrics of No. 2's normal machine. Thanks Paul for your efforts to keep the clays flying from No. 2.

Smokos, lunches and dinner were catered by the local kindergarten group. Their friendliness and good tucker kept us all in peak performance.

*Mrs Alicia Hill congratulates Bryan McMillan
Overall O.G.Hill Memorial SB Championship*

High Gun winners AA Brett Williams, C Barry Machin, O/A David Stitt, sponsor C Grimshaw, B Bob Cox

*Alice River Team Competition winners Jamie Cameron, Brett Williams, David Stitt, Dave Turner, Robbie Cusack
and Mark Warnock*

On day 2 problems emerged for the three ladies handling the books for the weekend. A scorer and notable shooter from Pioneer club (Mackay) came to them complaining of no lead in his pencil. Quick thinking and a sharp knife from the belt of one of the western ladies addressed the gentleman's problem while by-standers had a chuckle.

Shoot-offs were brief and enjoyed by fellow competitors and on lookers. Bob and Barbara Cox turned heads as they shot off in the 50t DB event. Great to see the travelling Rocky couple out there shooting so brilliantly. If there was an award for effort, it would go to Gordon and Jenie Fawckner who travelled approx 600 km from Roma, nursed their four very young children for most of the weekend, and on top of it all bagged the Ladies and A grade High Guns. Cool under pressure that Roma mob.

The Barcy Club wishes to express their gratitude to all for their sponsorship and good cheer over the two days. Special thanks to those travelling considerable distances to attend.

Sponsors for the weekend were: Avard Transport, Elders, Smith Bros, Kensington Brahmans, Alicia & Penny Hill, Centwest Engineering, Kim & Kate Williams, Old Farts of the club, Cliff Grimshaw, Sportsmania, Barcaldine Downs, Wilkie Rural Services.

Full results in Qld result section of this edition.

Thank you for the support.

Andrew Adams

WAGIN SALTBUSSH CARNIVAL

Location in the heart of the Great Southern
228kms south east of Perth

The weekend of the 9-11th of February once again saw the running of the two and a half day Wagin Saltbush carnival. This shoot has seen a good following develop in the last few years to the point that it is one of the not to be missed carnivals on the calendar. To some outsiders this must seem a bit silly considering the fact that the Wagin clay target club is situated on a salt flat on the outskirts of the rural town of Wagin, although I'm sure people must enjoy getting a bit of dirt between the toes and working up a sweat, or it could stem from the fact that clay target shooters love shooting good targets and enjoying themselves which is easily done at the Wagin shoot. This year Wagin had 4 blue layouts operating with Canterbury traps. Thanks to all who helped get this extra layout in before the shoot.

Friday's shooting begins after lunch, giving the travellers time to setup camp and gather their thoughts. As usually it was a 50 target DB event, this year renamed the Chiropractor starter, and was attended by approximately 70 shooters. Scores were down on most saltbush weekends although this takes nothing away from newer shooter Jarrad Baker who won the event with the only perfect 50/50. The shoot-off for AA grade turned out to be longer than the event with Neil McWhirter 119/120 eventually beating Shane O'Brien of Perth 118/120. A grade was 1st Chris Fitzgerald 64/65 2nd John Bainbridge 63/65, B grade 1st Pas Carbone 59/60 2nd Graham Chittleborough and C grade 1st Matt Cook 46/50 2nd Ken Bracknell 45/50

Chris Vodden Junior High Gun

Chiropractors Starter Jarrad Baker

Saturday started as overcast but gradually cleared although there was a persistent stiff breeze blowing from varying directions which made shooting difficult at times. The day's starter was 25 points score cash divide which was followed by the Australian Rural Chemicals 15t DB Past Members trophy, which pays first in each grade. The Overall winner was N McWhirter with 45/45, AA grade Luke Fisher, A grade Vince O'Brien, B grade Josh Fleay and C grade Graham Garner.

The next event was the Armani Real Estate Group 25DB pts "Koonac Cup", in which the winner received a gold Koonac brooch, perpetual cup and 1st in their respective grade. The event was won by Mat Iwankiw, 75/75. Other results are as follows:

1st	2nd	3rd
AA Mat Iwankiw	Neil McWhirter	Lars Bager
A Martin Perry	Alan Sexton	Sam West
B Barry Cassin	G Chittleborough	L Chittleborough
C Joe Leka	Frank Ward	Jamie Mackeam

The final days event was the 50 target DB Dohnbouillet Special. This is sponsored by local club members Jim and Sam West. This event was won after a shoot-off by David Knight. Other results are as follows:

1st	2nd	3rd
AA Neil Dowey	Gavin Prowse	Davis Fox
A Sam West	Vaughn Heard	Paul Baker
B John Barnes	Jim Sharpe	M Waite
C M Evans	I Armstrong	Denise Page

Sunday began with weather much the same as the day before although it cleared near the end of the day. The Sunday event, The Phil Becker Memorial 100 (25db, 25pts, 25sb and 25 cont.) targets medley has

Deb Norrish Ladies High Gun

Roley Palmer Memorial Bush Shoot

Location 5 hour drive from Sydney and about 5 hour drive from Brisbane

The 5th of May saw the annual Roley Palmer 100 Target Bush Shoot for the Coffs Harbour Clay Target Club and with perfect weather and around 30 shooters it was set to be an exciting day.

Firstly a huge thank you to the Coffs Harbour Clay Target Club sponsors, Yellow Tail Wines and Kachel's Meats, without our sponsors the day would not have been such a success.

C Grade Winner- Wayne Heagney

The second round of shooting saw a perfect score from Ray White who completed the round with a 25/25 and round four of shooting also saw a perfect score of 25 by Glen Anderson. Congratulations to both.

Results for the Roley Palmer Memorial Bush Shoot were, 1st AA Grade- Glen Anderson, 2nd AA Grade- Ray White, 1st A Grade Garry Kachel, 2nd A Grade- Matt Brown, 1st B Grade- Peter Lawler, 2nd B Grade- David Mulhearn, 1st C Grade- Wayne Heagney, and 2nd C Grade- David Saunders. Overall High Gun was awarded to Glen Anderson with a score of 95/100.

Congratulations to all who com-

Above: Presenter Frank Maione, with Overall High Gun Glen Anderson, and Coffs Harbour Clay Target Club President Bob Aitchison

Right: A Grade Winner- Garry Kachel

peted and thank you to all of the shooters who attended from far and wide, another big thank you also goes to Coffs Harbour Clay Target Club's sponsors, Yellow Tail Wines and Kachel's Meats.

WAGIN SALTBUSSH CARNIVAL

Continued from page 70

become some what of a tradition since it was change from 100 DB a number of years ago and this year was generously helped with sponsorship by CLAREMONT FIREARMS. This has enabled a variety of shooters to have a chance to win a prize other than only those who can shoot 100 straight. The event was won by Neil McWhirter with a very good score of 149/150. Other results are as follows:

1st	2nd	3rd
AA Garry Kelly	Chris Vodden	Lars Bager
A Danny Vrolyk	Vince O'Brien	Neil Suckling
B Greg Smith	Stuart Murray	Josh Fleay
C P House	M Evans	Denise Page

Ladies: Sheree Vodden Junior: L Chittleborough Veteran: John Ablett

HIGH GUN AWARDS

Ladies High Gun	Veterans High Gun	Junior High Gun
Deb Norrish	Tim Catling	Chris Vodden

GRADE HIGH GUNS

AA Lars Bager, A Neil Suckling, B John Ablett, C M Evans. Overall High Gun Neill McWhirter

Thanks to our generous sponsors especially Danny Vrolyk, Australian Rural Chemicals, Armani Real Estate Group, Dohnbouillet Multi-purpose Merinos, Beretta Australia, Claremont Firearms, The Witch Group of Ladies, Premium Sales and the Business people of Wagin.

Special thanks should go to the Witch group of ladies who raised a substantial amount toward breast cancer research and in the future hope to also raise money towards prostate cancer research.

Thanks to the ladies for all the excellent food. We look forward to a great shoot next year with plenty of good targets, good food, icy cold beer and good fellowship.

Taipan Perpetual Ladies Team Postal Competition

Nominations are now open for this event, and nomination forms are available from the National Office.

The following conditions of entry apply:

1. 25 Target Double Barrel 15 metres.
2. To be recorded Points Score (used only in case of a tied score).
3. Teams to consist of five (5) Women club members registered with the ACTA.
4. Affiliated clubs not having five (5) women shooters may combine with a maximum of two (2) women from a neighbouring club. Shooters from the neighbouring club must be registered and affiliated with the ACTA through that club.
5. Each team may nominate one reserve meeting the entry requirements.
6. Nominations to be received at the ACTA office, on a completed competition nomination form, prior to October 31, 2007.
7. Competition to be conducted during the month of November or December under the supervision of an official referee.
8. Winning team members to receive a team member badge.
9. Defending Club: SPRING BAY CLAY TARGET CLUB.
10. Competition constitutes a minimum of three team nominations.
11. Competition result sheet and score sheets to be forwarded by Registered Mail and received no later than Close of Business January 10 2008.

Australian Clay Target Association Inc.
P.O. Box 466, Wagga Wagga NSW 2650

Richmond River Gun Club

Location 776km's north of Sydney between the rainforest and the sea

Well our two day shoot held on the 28th & 29th April was a real bottler, despite the Rain causing some shooters to done wet weather gear it was very pleasing to cater for 10 squads on the Saturday and 11 on the Sunday. This is a very good result for the club considering our location on the Northern Eastern extremities of the State.

Shooters travelled from throughout the state and also from across the border, clubs like Warwick, Ballandean and the Gold Coast were all present and I know that they were well represented in the trophy line up. I have it on good authority that a certain member from a tablelands Club received a very firm invitation (written on blue Paper) that made it difficult not to attend, no names mentioned but it was good to catch up with Noel and Mike who also took home some of the trophies that were on offer well done. Possibly the person who should by drinks all round is Vince Vaina from the Gold Coast club. The reporter from the local paper took photos on the day and guess who's picture was printed in the local paper. A very good Shot (no pun intended)

Sunday was a fine and sunny day and all shooters enjoyed the keen competition. Both Mark Formagin and Ernie Belogh made the most of the free Targets in the shoot off for the Overall in the 50 Tgt Double Barrel Championship. Shooting over 200 targets before Mark missed his target which meant that Ernie had to shoot his to win ,BUT (he must have felt like giving Mark a sporting Chance) and dropped his target, this gave Mark the opportunity to go on to win the Overall for this event , well shot.

Competition for both days was very close with plenty of RED on the Score board.

Congratulations must go to the Constanzo Family from Ballandean Club, George taking out the High Gun over both days, and Leah (founder of SHOOTERS WITH HOOTERS) took home the great trophy for the Lady's. Young Georgia shot well to take home the trophy for B grade in event 3 the 50 target D/B followed with a close 2nd by her younger brother Tom well done. The success of the day was made possible not only by all the shooters who travelled from near and far, but largely by President Mike Sullivan and all the club members. They worked tirelessly weeks before the event and on the day itself, filling Traps and other jobs necessary to make the shoot as successful as it turned out to be.

I believe in the old sayings, there is one that goes something like, "the way to a man's heart is through his stomach". Well the women in the canteen were not out to win any hearts they certainly kept everyone happy and contented with the appetising lunch and fresh scones and home cooking over both days, well done to all who assisted in the catering department,

It would be very remiss of me not to mention the office staff Kim and all her helpers worked tirelessly over both days keeping track of all events and score sheets , and ensuring that books were kept up to date a job well done .

In conclusion a big congratulation must go to the Life members who were recognised for their tireless effort in the formative years of the Richmond River Gun Club. Those present on the day were presented with an engraved glass as a small memento of their work and also an honour Board was erected in the club with their names in recognition for their efforts. Open days are a lot of work but a means for clubs to make a little money for club improvements. To all shooters out there make an effort to support your Club and at least travel to another one throughout the year. This will ensure that Clubs remain viable and you will make new friends whilst enjoying the sport we love.

Regards Clay Moor

Victorian State Title Won at Echuca

Peter Sing was the proud Overall Winner of a "Victorian State Night Double Rise Championship" at the Echuca Clay Target Club's May 2007 shoot. Peter who is the club's secretary treasurer had two wins for the night, one was to be raised from B grade to A grade on the night, and then to outshoot some very good shooters to win the State Title without the need for a shoot off in this very difficult of night disciplines, a 25 pair Double Rise Championship, well shot Peter!

A very pleasing roll-up of six full squads arrived on a cold Friday night to vie for wins and places in the three event program, the shoot started on time, and it was a credit to the office staff, for keeping the shoot running smoothly, and finishing all competition by the early time of 10.30pm.

It was a good sign for the sport of "clay target shooting" as well, to see not only ladies and juniors bothering to attend a night competition, but quite a few new shooters trying their hand at the sport as well. All new to the sport, shooters, are always very welcome at the Echuca Club, and will certainly be helped to learn the sport by a number of very competent coaches.

Event One, a 5 pair double rise Eye Opener Graded Cash Divide, and sharing the cash payouts were AA grade Ian Phillips and Geoff Viney both on 9/10, A grade Pat Callandro on 9/10 and Warrick Kely and J Absalom both on 8/10, B grade Rob Vesty 9/10 and P Sing 8/10, C grade Rhys Viney 7/10 and Cliff Warden 6/10.

Event Two, the main event a 25 Pair State Night Double Rise Championship, P Sing Overall and A grade winner on 38/50, A grade 2nd W Kely 43/60, AA 1st S Traill 37/50, AA 2nd Ron Traill 43/60, B 1st R Vesty 35/50, B 2nd Glen Calleja 34/50, C 1st a junior member Rhys Viney on a very creditable 30/50 score, C 2nd lady shooter, Emma Cox on a score of 27/50.

Event Three, a Victorian North East Zone Night Double Barrel Championship, a 25 target event, and after a reasonably short shoot off Steve Traill outstayed all others to collect Overall and AA grade 1st with a clean score of 40/40, 2nd in AA was Geoff Viney with a 24/25, A 1st was W Kely 39/40, A 2nd Glen Viney 28/29, B 1st Steve Lindberg 31/35, B 2nd G Calleja 30/35, C 1st L Watts 22/25, and C 2nd was C Pridmore on a score of 21/25.

With Dot Roberts supplying a good range of hot and cold food and drink, and the TV on the football, so shooters could catch up on the scores in between competition, everyone in attendance enjoyed the night of shooting. Club President, Ron Traill, thanking everyone for travelling to the shoot on a cold May night.

Peter Sing Overall & A first State D/R

Steve Traill Overall & AA D/B

Rhys Viney, Junior & Echuca Member C grade 1st State D/R
