# NATIONAL PRESIDENT'S NOTES

*John Mack*

*At this years World ISSF Championships held in Cyprus during September Australia won another quota position for the Beijing Olympic games. Dual Olympic gold medallist Michael Diamond won with an outstanding 25/25 in the final and in doing so set a championship final record. When you consider that the final round is shot single barrel it makes it an even more remarkable achievement. In the junior double trap section Nicholas Kirley excelled placing 4th, a full report with all the results are detailed in this issue.*

*Our chairperson of coaching David Coleman has certainly been kept busy lately, spending ten days touring New Zealand to assist with level 1 coaching seminars, a letter received from their president Trevor Manson expressed how much David's visit was appreciated by all involved. David also attended the Todd Bender skeet clinic held at Frankston Gun Club in September and was very impressed with Todd's coaching methods, bearing in mind that David is heavily involved at club level teaching school students, at zone and state level coaching and with our junior development camps at Wagga. The time and enthusiasm David devotes to coaching never ceases to amaze me.*

*I haven't checked with our historian Mark McInnes but the attendance at the Griffith two day shoot would have to be a record for a club shoot. With over 300 shooters and by all reports enjoyed by all, that is what I would like to hear when you next attend a National Championship wherever they are held!*

# WORLD RECORD FOR MICHAEL DIAMOND AT ISSF WORLD CHAMPIONSHIPS

*NICOSIA – CYPRUS, 1–10 SEPTEMBER 2007*

Michael Diamond set a new World Record of  $123 + 25 = 148/150$  in the Men Trap Event at these World Championships. Michael Diamond, winner of two Olympic Gold Medals and now four World Championships, along with numerous World Cup Medals, also earned for Australia a quota place for the Beijing Olympic Games 2008.

The Final was recorded by the ISSF Media as an extraordinary success that left the audience breathless. The audience may have been breathless during the final but certainly was not when Michael won. Not only did the Australian Team scream and jump for joy but certainly the majority of spectators who had just watched a fantastic display of shooting. Becoming World Champion for Michael was great, as this was his 20th year competing Internationally. What an outstanding career as a sportsman and of course there will be more to come.

The Champion - ships took place at the very well known Nicosia Olympic Shooting Range, 10km from Nicosia the capital of Cyprus. The Range is equipped with NASTA machines from Finland and operated by phono pull systems from Progetti Italy. The skeet layouts operated with normal push button release system. Orange clay targets (Nasta-Finland) were used during the competition with flash orange clay targets used in the finals. Visually it is a great range to shoot, with the new green shade cloth on the mound in the background

of the trap layouts. From the trap layouts you look across pasture of grass and lucerne towards the covered mound.

The majority of the Team arrived together but unfortunately for Simone Tigani her gun did not arrive on that day or for a number of stressful days to come. Also missing was Michael's luggage. Adam was very kind in offering Michael some of his brand name clothes but unbelievably Michael refused to wear Adam's shirts. Different tastes I guess.

I did a report a few years ago on the World Cup in Perth and wrote about the heat and how hot it was. "Hottest I'd ever been" I think I wrote. Well it's still the hottest but Cyprus wasn't far behind. We had one shooter who was affected by the heat one practice day that required medical attention. It was extremely hot over Double Trap training day and hotter still for the event with the hottest wind in the afternoon.

## FROM THE NATIONAL EXECUTIVE OFFICER

Thank you to all of you who have welcomed me on board as the new National Executive Officer of ACTA. I look forward to the rewards and challenges of the position and to working with President John Mack, the Board and National Executive.

For those of you who would like to know a little more about me I have a strong background as a CEO in association and not for profit management, as well as fundraising and major event management, political experience as a senior staff member and advisor to a former Federal Minister and Shadow Minister. I've also worked as a tournament and sponsorship organiser for a professional sporting organisation. And, for any of you who've been involved in benchrest shooting for quite a while, who think my name is a bit familiar. Yes, that was me, so I do have some shooting credentials too!

In my first weeks in the job I've been lucky enough to attend the Queensland Skeet Championships in Townsville, where I met shooters from all over Queensland and places even further a field. I've been impressed by the commitment of ACTA volunteers to the Junior Coaching Camp currently taking place at the national grounds. The development of young talent is critical to the future of the sport and ACTA itself. I'm also looking forward to meeting more members over the next few days at the NSW Trap Carnival, being held here in Wagga Wagga.

At the national HQ our job is to deliver greater value to you, the members. I hope to meet as many of you as I can in the coming months and to hear what you love about your Association, as well as what you think can be done to improve your experience as an ACTA member. I'd like to know why you joined, and more importantly why you stay.

I will be working hard to assist the Board in long range planning to best position ACTA to advance its mission by meeting the current and future needs, wants and expectations of members. This will be a challenging, but fulfilling process.

Finally, to grow whether it be at a national, state or local level we all need to promote our sport and association. I'd like to mention ACTA member Simon Mulligan from the Cattleman's Rest Motel in Charters Towers who, when I was checking into his motel recently, noticed my new address was in Wagga Wagga. Simon without hesitation (and without knowing me and what my new role was!) recommended that I take up the great sport of Clay Target Shooting and visit the national grounds based in my new home town! Simon, thanks for promoting clay target shooting to a stranger. In turn I look forward to you and your son Sam visiting us in Wagga Wagga – along with many more ACTA members for the 2008 Nationals!

# 307 COMPETE AT GRIFFITH

Location 570km west of Sydney  
in the centre of the  
Murrumbidgee Irrigation Area

The 9th Annual two day Casella Golden Wine Open Shoot was conducted on the 1st and 2nd of September. The weather conditions over the two days were perfect for the event, being clear, mild and with no wind. On Saturday morning the committee was greeted with a huge crowd - some 307 nominations by 10.30am and the realization that the shoot had just got significantly bigger than expected. Quick phone calls were made to the food caterers to ensure that the now traditional pasta and seafood dinner would be adequate enough to feed approximately 500 shooters, partners and sponsors. There was a quick ceremony to induct 4 new life members, being John, Joe and Marcello Casella, as well as the evergreen John Evans, with all the official business out of the way, it was down to business with Event 1 - the 30 target Points Score, sponsored by Commins Stainless Manufacturing and Fred Cole Retrivation. After the 52 squad sheets were handed into the totally stressed out but smoothly functioning office, 307 shooters had produced only 18 possibles. The overall event winner, after shootoffs, was Chris Langridge (189/189) from Peter Mills (188/189). 2nd AA grade was Jamie Elliott (177/180). 1st in A grade was Donald Morris (90/90), 2nd Michelle Parkes (95/96), 1st in B grade was Vic

Marcello Casella, John Casella, Griffith Mayor Dino Zappacosta, Joe Casella, John Evans received life membership of the Griffith Gun Club at the opening of the 9th Casella Golden Wine Shoot

Tomasoni (89/90), 2nd Justin Elkington (88/90), 1st in C grade was Bradley Irvin (87/90), 2nd Stephen Russo (86/90), Veterans Fred Foon (89/90), ladies Diarne Doyle (95/96) and juniors Tracy Barton (89/93).

By 12.00 o'clock on day 1 with the first event not yet completed, a hasty committee & advisor's meeting was held - this resulted in the next two events being reduced to 25 target events, so that we could hopefully conclude Saturday qualifying in daylight conditions!

Event 2 The Horsley Park Gun Shop 25 target S/B, got under way with 307 shooters producing 23 possibles. The overall winner and defending his crown from the previous year was Ross Liersch with a 65/65 1 in AA grade Colin Dunn 65/66, 2nd David Crane 64/66, 1st A grade Casey Fletcher 47/48, 2nd

Joe Fedele 40/41, 1st B grade Michael Rhodes 28/28, 2nd Brooke McMillian 27/28, 1st C grade Leigh Stokes 27/28, 2nd Rhys Viney 25/28, veterans Tony mumbles Alvaro 37/38, ladies Vivenne Moore 24/25 and juniors Mathew Stokes 46/47.

Event 3 the 25 target Beretta Australia Double Barrel event was commenced at about 3pm and completed qualifying with the sun still up just! With the 8 Coates Hire light towers fired into action the 104 possibles were sent out to solve the puzzle, by 10pm only 1 remained. While all the action on traps 3,4,5 was taking place in front of the marquee all the smart people where hooking into 100 doz oysters, 70 kg prawns, lots of chooks, a couple of steers and a very large veggie garden, all being washed down with copious amounts of Casella wine. It was observed on regular occasions half empty bottles being carried to campsites caravans

Other winners where 1st AA grade Marc Crimmins 187/188 [maybe next year Marc after your 3rd last year], 2nd Arthur Turner 186/188, 1st A grade Casey Fletcher 169/169, 2nd James Hipwell 96/97, 1st B grade Darren Gill 70/70, 2nd Bruce Papst 50/50, 1st C grade Rhys Viney 27/28, 2nd Domenic Bonello 36/37, veterans Peter Fitzalan 70/71, ladies Michelle Parkes 30/30 and juniors Jakup Bisevic 123/124.

Sunday Day 2 shooting commenced at 8.30am sharp, special thanks to those members who made themselves available to clean up, load the trap houses, set the traps and generally get everything back in order. 303 shooters contesting event 4 produced only 13 possibles in the 25 target Mialls Gun shop

Handicap event, winner of the F3 Blazer was Nick Kalogerakis 45/45 with Leigh Stokes 2nd, Chris Reginto 3rd, Craig Fitzgerald 4th and Angelo Paonne 5th.

The 5th event being the 30 target medley off 18 metres which was sponsored by Ecom Technologies was contested by 297 shooters, 13 possibles fronted for the shootoffs with the overall winner being Jamie Elliott who shot 75/75, the other winners where 1st AA grade Rodney Wright 74/75, 2nd Brian Doyle 98/100, 1st A grade Thomas Callaghan 50/50 2nd Angelo Paonne 74/75, 1st B grade Vic Tomasoni 50/50, 2nd Richard Cottle 48/50, 1st C grade Carol Stokes 48/50, 2nd Rhys Viney 47/48 while veterans was Peter Fitzalan 48/50 ladies Vivienne Moore 70/75 and juniors Aaron Turner 74/75.

The last event being the 20 pair double rise Miroku Challenge sponsored by Highland Sports saw 275 shooters contest the event that ultimately decided the overalls and graded High Guns as well as the event itself. Three shooters managed to shoot 39/40, after a short shoot off A grade shooter Darren Wells was the winner of a Miroku grade 3 gun with a score of 49/50. The other event winners were AA grade Nathan Cassells 58/60, 2nd Rodney Wright 57/60, 1st A grade Glen Evans [not for much longer] 45/50 2nd Casey Fletcher 44/50, 1st B grade Adam Piddinton

32/40 2nd Ricky Mannix 40/50, 1st C grade Danny Boardmann 35/40 2nd Leigh Stokes 32/40, veterans Peter Fitzalan 36/40, ladies Michelle Parkes 33/40 and junior was Joshua Player 36/40. Overall High Gun winner was Rodney Wright with a final score of 251/255 and yet still didn't win a gun!! Settling instead for the \$3000.00. [Go and buy one] (Loved the speech as politically incorrect as it was !!!!) Other High Gun winners AA grade Glen Castellaro 250/255, A grade Casey Fletcher 242/255, B grade Vic Tomasoni 231/255, C grade Danny Boardman 224/255, veterans Peter Fitzalan 241/255, ladies Michelle Parkes 236/255 and junior was Joshua Player 240/255.

The Griffith Gun Club would like to thank those 314 shooters who attended and represented all parts of Australia and who fully supported the clubs decision to reduce some events. The prize pool of \$49600.00 retail value was well received and only made possible by the fantastic sponsors and suppliers with particular thanks to the Casella family, special thanks to Sue Pim who again marshalled the shooters to perfection, Alf Gugliemino for keeping the Canterbury traps churning out the targets, Bob Huddleston our office manager, and that highly recommended computer programme of Frank Auditore which makes a club shoot of this size run oh so smoothly. Thanks also to Jo Player and Rowena Spiranac who helped in the office as well, also to John Evans our long serving clubman who ensured that everyone's books were up to date.

The committee looks forward to the 10th Annual Shoot with planning already happening to ensure that the next one will be just as good.

## Russell Mark Honoured by ISSF

Russell with ISSF President Olegario Vazquez Rana and IOC President Jacques Rogge

Recently the International Shooting Sport Federation (ISSF) celebrated the centennial anniversary of the foundation of the federation.

Dignitaries from all over the world gathered in Munich to attend the historic occasion of the first 100 years of the ISSF.

The anniversary was also an opportunity to celebrate some the legends of our sport, the athletes who have contributed to the history of the ISSF. Thirteen shooters were chosen (from the ISSF disciplines rifle, pistol and shotgun) as the all time champions of the shooting sport.

Russell Mark for his Olympics medals, world championships and world cup victories was chosen amongst this very exclusive group who have been recognised as the "best of the best" in the history of the sport.

This achievement is even more remarkable when one considers that in some of the Olympic disciplines no stand out athlete was chosen at all.

In the shotgun disciplines those inducted were,

Men's Double Trap – Russell Mark (Australia)

Men's Trap – Luciano Giovanetti (Italy)

Women's Double Trap – Kimberly Rhode (USA)

Women's Trap – Susan Nattrass (Canada)

Australia can truly be proud of Russell's achievements, his contribution as an ambassador for the sport both in Australia and around the globe and this highest possible recognition from the ISSF, the sport's world governing body.

# ON TARGET AT TAMWORTH

**Location: Halfway between Sydney and Brisbane**

The Tamworth Clay Target Club held the 30th Annual Two Day Trap Carnival last weekend 1st and 2nd September. Weather conditions were perfect for some 70 shooters who attended from Gunnedah, Brewarrina, Brisbane, Camel Hill (Sandy Hollow), Cessnock, Cobar, Glen Innes, Guyra, Illawarra, Inverell, Kempsey, Moree, Narrabri, Newcastle, Orange, Port Macquarie, Singleton, Taree and a good attendance of local members.

A fine display of trophies were up for competition, thanks to several club members, especially Melissa Sleightholme, for the unenviable task of selecting, purchasing, displaying and allocating them.

This range of trophies would not have been possible without support of the sponsors: New England Door Services – Armidale, Ken Brady's Bob Jane T-Mart, Safari World – Armidale, Diesel Care, Tamworth Firearms, Auto-Motion Pty Ltd.

The feature event on the Saturday was the Safari World 50 target Double Barrel Championship. The shoot-off went for 110 targets with Cessnock's Paul Turner taking Overall with 160/160 with Tamworth's John Sleightholme a target behind with 159 to take AA Grade.

On Saturday night a great meal was enjoyed by a good number of shooters and their families and friends who remained at the club. The meal of lamb, chicken (Sponsored by Baiada Poultry) and vegetables was delicious and was cooked in camp ovens on Black Wattle firewood by Tamworth member Keith Moses, his family and Steve Norman and served by Sandra Holmes and the Ladies Committee.

Sunday was another perfect day weatherwise and the feature event was the Tamworth Firearms 50 target handicap. The overall winner was Charlie Saunders with a "skinner" – 50/50 and second was Charlies' son Will with a 49/51.

A pleasing aspect of the shoot was the debut of Georgia Sleightholme, daughter of John and Melissa Sleightholme of Tamworth Firearms who was placed second in C Grade in the two graded events.

A surprise was also in store for John Sleightholme who was presented with Life Membership of the Tamworth Clay Target Club for his contribution to the club and the sport of clay target shooting.

The committee was pleased with the shoot, a good attendance,

*John Sleightholme (R) with President Peter Holmes*

smooth running, trouble free traps great food catering by Sandra Holmes and the Ladies Committee all contributed to an enjoyable and successful shoot.

The club grounds were in great condition after the recent rain and well prepared by Caretaker Lee Clissold and club stalwart Rod Taylor also spent much of his time in preparing the facilities for the shoot.

# WORLD RECORD FOR MICHAEL DIAMOND

*Continued from page 2*

Lendon shooting in his first. Rowan shot consistently to finish in 12th position, which was a good result. Well done.

Nicholas Kirley is our most successful and promising Junior. He is a very serious and dedicated shooter. Although just missing out on a medal again this year, I know Nick will continue to succeed and will be eligible for Juniors World Championships in 2009. That's if his not in the Open Team, as he certainly has potential.

There is no Final for Juniors and the results are decided on the event results. If there are any tied scores in the top 6 positions a shoot-off is held. Nick along with two others shot-off for 4th, with Nick being successful.

The Women Skeet event was held over one day and this was the first day of competition for Junior men Skeet and Day 1 for Men Trap.

A young Cypriot, Chapeshis won the Junior Skeet event with a score of 121+9 with 2nd place going to Svensson of Sweden 121+8. Anthony Sottosanti of Australia shot 21 19 23 23 22=108 to finish in 45th place.

Breaking News – Simone finally has her gun. She always has a great smile but nothing like she had on this day. I don't know if it was because her gun arrived or seeing her Mum, Dad and Steph.

Suzy became sick the night before Day 2 of the Men Trap event and was still no better the next morning. It was decided to take her to hospital as I had taken Todd a few nights before and received very prompt attention for his condition and he was well looked after. Todd was thankfully better to compete in his Trap event. Suzy was admitted.

What an exciting day awaited Day 2 of Men Trap and I kept in contact with Suzy to see how she was going and to give her updates on the shooting. I had a lot of exciting news to tell her.

Congratulations Michael it was wonderful to watch. The Little Ones sang "Go Mickey" to celebrate and the Aussie girls were good sports and bought Philip Murphy from Ireland (2nd place) a nice big strawberry milkshake. I'm sure they didn't mean to have the straws tied in knots. He thought it was great anyway.

I think Michael winning made Suzy more determined to get out of hospital as she was remembering being in hospital and not being able to compete in her event at a previous World Cup. Against Doctors advice she came back to the Hotel that night and shot one round of Official Practice the next day. We were concerned for all the shooters hydration levels as the weather was still very hot.

Earlier in the week the wind would come up in the afternoon but each day it started earlier and became stronger and stronger. These were big days as we had Men Skeet Event happening along with Women and Junior Men Trap as well as Junior Women Trap.

## JUNIOR WOMEN TRAP RESULTS

Laetisha Scanlan and Melanie Kirley represented us in the Junior Women Trap event. It was along wait for their event at their very first World Championships. It was not only along wait for them but also for a lot of anxious people back home. They have learnt so much from this experience and I'm sure will represent again in the future. 1st place went to J Rossi of Italy who equalled the highest qualifier in the Women event with a 67. Melanie Kirley shot 19 20 15 = 54 to be in 16th position. Laetisha Scanlan finished in 21st position with scores of 14 13 20 = 47.

This was an incredible result from Suzy who was still quite ill and in pain competing, and whilst shooting the final. To finish 4th at her last World Cup and win the Quota for Australia and then come out and finish 4th at the World Championships when not well, but in her favourite windy condition, was an amazing feat. I could say Suzy that took guts but you were trying not to think about them. Suzy returned to the hospital for treatment immediately after this event. Stacy looked like shooting off for the final at one stage but unfortunately missed out.

## JUNIOR MEN TRAP RESULTS

I think these guys did well. Two in the top 10 and one gaining himself an MQS score. This was Matts and Daniels 2nd World Championship and they had not long returned from the UNI Games in Bangkok so have gained quite a bit of experience that I know they will take into the Senior Ranks. For Brendan this was his third World Championships and he shot well and I know he will strive for even greater success in the future.

I would like to take this opportunity in congratulating Adam Vella on a great year of shooting and earning the Number 1 ranking for Trap in the World.

2007 celebrated 100 years of the ISSF. Thirteen shooters were given the Honour of being named All Time Champions and Russell Mark was one of those named. This was a huge honour and I, along with your fellow Team mates would sincerely like to congratulate you Russell on this most prestigious award. Congratulations also for competing internationally for 21 years. You have certainly had a great shooting career which I hope continues.

I think it was a successful World Championships, of course some other Quota places would have been good and some were disappointed in their results, but others came away happy.

Thanks everyone for your effort and team spirit. To shooters and support staff of Valeriy (Head Coach), Nick Sullivan (Team Leader) and Darien Roach (Massage Therapist) thanks for your help and friendship.

Your are the Referee of a squad wherein a shooter mounts his gun to his shoulder and accidentally pulls the trigger. His immediate reaction is to say "oh ... or something else. The accidental discharge has occurred before any call or sound has come from the shooter. He then fires at the target with his second barrel and breaks it.

## IT'S YOUR CALL

If you have said "One" you would be quite correct.

*Although the shooter has not called for the target, he has indicated his acceptance of it for his second barrel only by firing at it. He has also placed himself in the position of having to abide by the result if he had missed with the second barrel. Had the shooter not fired the second barrel then he would have been entitled to have his target restored because the accidental discharge of the first barrel has caused the premature release of the target which in effect had not been fired at.*

*Now let's look at this incident in a Points Score event. The same scenario. What do you rule?*

*Yes you rule "One" again. He gets his three points, but if he missed it with his second barrel it would of course be scored as "Lost".*

*In Points Score events a shooter normally can only score "One" on the discharge of a second barrel at a target if there was no discharge of the primer or powder in the first barrel and he had elected to use the second barrel for the target where this was possible. However, in this case the first shot was nullified because of the special circumstances which surrounded the discharge of the first barrel. Therefore he is entitled to score the maximum points available for the target.*

# ATTENTION CLUBS & SHOOTERS HANDICAP CARD

## 2.01 COMMON MARK AND HANDICAP SHOOTING

- (i) A shooter must shoot a minimum of three (3) consecutive groups of 200 targets, ie 600 targets, at a lower grade percentage to be down graded. He can only be down-graded one grade. All scores after the last grading must be carried forward onto a new record card. Once attaining A grade a shooter cannot be regraded to C grade and once attaining AA grade a shooter cannot be regraded to B grade. Other than in the authority vested in Rule 2.4(g).
- (h) It shall be the responsibility of a designated club official to enter individual event scores and progressively mark the shooter's card with his 15 metre results. After each 200 targets regrade the shooter if necessary. Any bad scores entered on the Double Barrel column will be wiped off and transposed for any good scores from the other events column (of equal target amounts if possible) ie Continental and Single Barrel. If the 200 targets fall during an event or shootoff, regrading will not take place until the completion of that event. All targets to the end of that event and shoot-off targets are to be used in calculation of percentage.

### Process of percentage calculation

- (i) Once 200 or more targets have been shot at and recorded, the percentage shall be calculated. This shall be known as the 200 target percentage.  
(example  $215 / 225 = 95.6\%$ )
- (ii) This 200 target percentage figure shall be recorded in the percentage column above the ruled off line.
- (iii) This 200 target percentage shall be added to the previously recorded grading percentage and halved. This shall determine and be known as the grading percentage. This is the percentage that shall be used for determining the shooters grade.

(example previous grading percentage 97.2 – 200 target percentage 95.6 –  $(97.2 + 95.6)$  divided by 2 = new grading percentage 96.4).

- (iv) This grading percentage shall be recorded in the percentage column below the ruled off line.

## 2.04 ADJUSTMENTS

- (a) Club Management and Secretaries are instructed that after any event the Management must immediately re-handicap each and every shooter who for any of the reasons prescribed in the ACTA Handicapping Formula qualified for any movement of his handicap. Such adjustments are to strictly conform with the handicapping formula. No shooter is to be permitted to compete in another event should he refuse to accept his new mark.
- (b) If some clerical error appears on a shooters handicap card, it is the shooter's responsibility to have the mistake corrected and to shoot off the correct handicap mark.
- (c) Errors and/or amendments may be corrected by the Club Secretary, a member of the Executive Committee of the ACTA, Rule Supervisors or the State Handicapper.
- (d) Correction to errors and amendments must be ruled out and signed with the correction or amendment clearly visible. Correction fluid or the likes of are not permitted to be used.
- (e) It is the shooters responsibility to ensure that all handicap and common mark scores have been entered correctly, and progressively totalled.
- (f) Club managements are informed that a Handicap Return must accompany EVERY result sheet forwarded to the ACTA office within FOURTEEN DAYS of each shoot being held.

# TWO DAYS AT NEWCASTLE LAKE MACQUARIE

Location 1hr north of Sydney

Excellent weather welcomed the 9 squads of keen shooters assembled at the clubhouse who were waiting for their squad sheets and begin what was to become a very enjoyable two days. Graeme Hayes, Frank Searles, John Puller and their team had set a challenging but "shootable" 50 target layout.

Lost & lost was the last call I heard on the Saturday afternoon of the two day Novelty Field shoot at Newcastle. Kevin Raymond may have missed his last two targets but he had a couple of very good excuses, old ones but good ones all the same. He was the office girl, the shoot marshal and the one to beat. The main excuse was the rabbits were really slow, if you didn't shoot them early they stopped and fell over right in front of you, and Kevin hesitated just long enough for the first of the report pair to stop (and shot where it would have been if it kept moving) and didn't recover from the miss and did exactly the same on the report target. He did end the day with a very credible score of 93/100 but not good enough to take out the Toronto RSL memorial trophy which went to Andrew Garvie on 94.

Kevin came good on Sunday with another 93 to take the Mick Smith Cup and the two day High Gun (they did speed the rabbits up for Sunday). Gary Sweeney came from the shadows to take AA grade with 182/200 Fred & Rod Mcloy won A & B respectfully with newcomer to the sport of clay busting Matt Macord taking home the C grade sash and a move to B grade (all with a borrowed gun, thanks Wayne).

At this point I will take the opportunity to warn shooters of the McCloy entourage, Grandad Fred has passed on some very healthy shooting genes to his family I can assure all clay target shooters you will be hearing about this family for many years to come. Russell, Fred's grandson, has recently been selected as a reserve for the SSAA state 5 stand team and Teagan (Fred's granddaughter) who is just 13 years old has taken delivery of a new gun, which she cleaned up with, at a recent DTL event.

Sunday bought another beautiful day in the glorious Hunter Valley and 15 squads to vie for the fantastic sponsorship of express cartridges and medallions donated by Howard & Michael Smith. This I suspect would be the last sponsored event from Mick Smiths Sports Store as you all will be aware, by the time this is printed, the shop will be a shoe or clothes store or some other shop there are hundreds of in Sydney. Newcastle Lake Macquarie Clay Target Club (NLMCTC)

wishes Mrs Smith and the boys all the best in their futures. NLMCTC assures all competitors it will continue the Mick Smith Cup tradition on the Sunday of our two day Novelty Field event.

This weekend has also traditionally been our charity event and Greg Piper our local state member took a cheque for \$550.00 to give to the Southlakes Womens Refuge, Greg was very thankful for our contribution and has indicated he will support us in our development plans.

Congratulations to all the winners (see results section for a full list) and we look forward to seeing you at our next event

## The Australian Clay Target Association Inc Coaching Council

would like to advise that  
all paperwork regarding coaching  
is to be forwarded to the  
National Office.

Please do not forward paperwork  
direct to the  
Australian Sports Commission.

The ACTA is now working  
with the AISL  
and the ASC to provide a better  
coaching system for all concerned.

# Quail with Mushrooms, Olives and Bacon Lardoons

Combine the talents of Gold Coast businessman Vince Vaina and chef Steve Szabo and you bring together a culinary delight.

Vince is the proprietor of Top Cut Foods, supplier of quality meat to restaurants, airlines and to the hospitality industry. Vince employs over 400 staff and has branches in Adelaide, Melbourne, Sydney and the Gold Coast.

Chef Steve is Executive Chef at Palazzo Versace. Born in Wales, Steve fine tuned his skills in some of London's finest restaurants before coming to Melbourne Australia, first to the Grand Hyatt and then to Jimmy Watson's in Carlton before moving to the Gold Coast and Australia's 6 star hotel Palazzo Versace.

Vince and Steve are both keen clay target shooters and also enjoy hunting. They have just returned from a shooting trip to Argentina. Both of their sons, Travis and Leigh, are avid clay target shooters.

This month Steve and Vince bring to you the first in a series of recipes for you to try.

**Bon appetite.**

*4 quail drawn and plucked  
1 teaspoon olive oil  
80g unsalted butter  
1 onion finely chopped  
1 shallot finely chopped  
1 carrot small diced  
100g good bacon cut in 1/4 inch strips  
1 tsp chopped French tarragon  
4 fresh sage leaves chopped  
2 bay leaves  
500ml chicken stock  
250g sliced field mushrooms  
200g sliced button mushrooms  
2 garlic cloves sliced  
100g black olives pitted  
100g green olives pitted  
Salt and pepper*

Season the cavity of the quails with salt and pepper, and sprinkle half the herbs inside, rub butter in cavity.

Heat the olive oil and half the butter in a pan.

Add the quail and lightly brown all over to seal in all the juices, then remove from pan and add onion, shallot, carrot, bacon, mushrooms and olives and with the rest of the herbs, add the chicken stock and simmer for about 15 mins over a low heat. Return the quail to the pan cover and cook gently in oven at 180 deg for 30 mins or until they are tender, remove the birds from the pan onto a serving dish add the rest of the butter to the pan and simmer for 2 mins then pour over the cooking liquor.

Serve with some nice crusty bread and some new boiled potatoes.

Winners of E.Z. D/B Championship (l) Bob Andrews (AA grade), Joe Densley (C grade), John Byrne (overall), Mark Booker (A grade)

The overall 2 days High Guns were won by Max Medhurst AA grade 261/265, A grade Max Leaford 246/265, B grade Michael Raper 238/265, C grade Chris Windham 228/265, ladies Lisa Hawker 244/265, veterans Bob Andrews 255/265, juniors Ben lock 242/265.

Many thanks to our supporters and sponsors for the weekend,

Winning team Wilkawatt: (l) Don Beelitz, Lynn Beelitz, Tony Lock, Tim Steer, Ben Lock

namely, Winchester, Millicent Gun Club, Bob & Linda Andrews, Max Medhurst, Fisher Firearms & Candy Canvas.

A big thank you to the club members who helped make the weekend run smoothly, Michael Raper as shoot marshal on Saturday and Kevin Pfeiffer on Sunday, both these boys have not been members for very long and at times I think they found this job a bit daunting but they coped and did a good job. Rundy and his helpers in the kitchen did an extremely good job in keeping everyone fed and happy. Ivan once again kept the traps running smoothly with no hiccups along the way. Last but not least a big thank you to everyone who turned up to make the weekend a success. Your sportsmanship and friendliness shows what this sport is all about and hope it continues in the future.

# Psychological Skills for Shooting

by Michael Kruger-Davis

When I took on the role of Consulting Sports Psychologist with the Southern Sports Academy, the Executive Director was worried that the title 'Sports Psychologist' would scare off some of the young athletes and the title was changed to 'Mental Skills Coach'. The reason for the change of name was because there are several myths surrounding 'sports psychology' and it was believed that mental skills coaching were a more positive description and didn't imply that there was a problem to begin with.

So what are the myths? According to Patrick Cohn of Peaksports.com the main myths regarding sports psychology are;

MYTH #1: Mental training or sports psychology is only beneficial if you are trying to break loose of a slump.

MYTH #2: Working with a sports psychology expert is a last resort and to be used when everything else fails.

MYTH #3: Something must be wrong with an athlete if he/she must work with a mental coach or sports psychology expert.

The problem is that the term psychology implies that there is a problem and that something must be wrong. When we reframe 'sports psychology' with 'mental skills training' we can move away from the 'disease model' and argue that we are teaching skills and thinking to develop mental toughness.

Mental toughness is defined as the set of behaviours and beliefs about yourself, your work, your sport, and how you interact. There are seven characteristics of mental toughness.

1. **Competitive.** Being competitive and being in the competition are what counts. Whilst it's good to win, the process of being competitive means that if others want to win then they have to work hard at it.
2. **Confident.** Being confident means that you see yourself as the favourite every time you walk out onto the tracks. This doesn't mean that you see yourself winning overall, but it may mean you see yourself winning your grade or section.  
Being confident means that you never fall victim to self-defeating thoughts; to be confident you need a 'can do' attitude and a belief that you can handle anything that comes along.
3. **Control.** To be a successful athlete you need to be able to control your emotions and behaviour; that is, focus on what you can control and don't allow the things that are beyond your control affect you. To be mentally tough you need to be able to maintain

poise, concentration and emotional pressure under the greatest of pressures and challenging situations.

4. **Committed.** Mentally tough athletes focus their time and energy on their goals and dreams. Have a vision and set realistic goals to achieve your vision. Be self-directed and motivated towards both the process and the outcomes of your goals and dreams.
5. **Composure.** To be mentally tough you need to be able to stay focused and deal with adversity. Missing a target isn't the worst thing that can ever happen. But if you dwell on it and get angry with yourself then you are changing the focus of your attention and you will miss again and again.
6. **Courage.** Mentally tough athletes need to take risks. Peak performers only win because they're prepared to lose. If you stay with your comfort level you may never get to experience what happens when you are truly "in the zone."
7. **Consistency.** Mentally tough athletes possess an inner strength. They often play their best when they are feeling their worst.

These seven skills are required if we are to get into the zone. Getting in the zone is not magical or mystical, but instead it is a mindset. Being totally focused in the present, have high levels of self-confidence, and a calm, composed state of mind and letting go of your fears and judgements – you are closer to being in the zone.

The power to get into the zone lies within the mind of every athlete but you will need to dispel the above myths and focus on the truths about mental skills training and sports psychology.

According to Cohn, here are the real truths about sports psychology:

TRUTH #1: Mental game coaching helps athletes, like you apply mental game strategies so that you can consistently perform up to your full potential--free from the mental obstacles that hold you back.

TRUTH #2: Mental game coaching helps athletes develop the mental toughness skills needed to enter the zone faster and stay there longer.

TRUTH #3: You will learn to help yourself think smarter and more confidently in competition for absolute competition-crushing performances.

Mental coaching is that simple. It has to be simple to apply the principles to your game and get real results. By using mental skills such as goal setting, relaxation, behavioural rehearsal, visualization, etc, athletes can become and remain mentally tough. The secret is to stay focused in the present; the here and now, be confident in your ability and your equipment, be composed in the field of competition and let go of your fears and judgements. But most of all you need to have fun and enjoy the experience.

# Riverina Ramblings

**The adventures of a couple of ordinary blokes in the Eastern Riverina**

Charlie Strike sent me an email, Barellan are running a Junior "come and try day" at their shoot and you will be needed, so attend. This is more in the Pee Wee's line than mine, so I pop around looking for the Pee Wee, "What do you mean you can't help" says I. "You're on the Zone coaching committee as well" is my next sally. "Yeah but I want to go fishing in Queensland and have a shot at Townsville and Charters Towers" Pee Wee mumbles, whilst kicking clods around.

We all need a brother like Pee Wee's, that way we can take off in the sure knowledge that someone else will bear the responsibility to keep the home fires burning and make a quid for you whilst you are otherwise engaged. Fair dinkum he sails under a lucky star.

Anyway, El Presidento (in waiting) was available to help, so off we trotted to Barellan and a half dozen Juniors and a couple not so junior shooters, which was equally good, were keen for a shot.

Charlie Strike had loaded up a couple of hundred light crackers and he provided these for the Juniors to shoot. He had also organised the ACTA booklets and bits and pieces for the Juniors. He didn't expect to be thanked, just did it for the kids and I reckon that is worth a few marks in the good book. Good on ya Charlie.

By the end of the day the clays were broken, the kids were happy and hopefully a little wiser and safer in their gun handling. In fact they were a wonderful group and some future stars are in the making.

My old mate Sammy Papsaderio didn't show up, Angelo reckons that he is scared. Probably waiting to get me at a weak moment at Narrandera. He's cunning I will have you know, it's probably where Pee Wee learnt.

Roger Lehman would have been in sponge heaven up here. This was the afternoon tea to end them all. Unbelievable. Great country people, lots of Mums and Dads and really good targets to shoot.

El Presidento who is not one to make broad and sweeping statements (unlike some I could name), but takes a more measured approach. He said on the way home, "Good day that". That it was, we will be going back, that for sure.

*Cheers*

# RATS ROUTES

By Stephen Atkins

After this year's Nationals I was fairly disillusioned at where our National Carnival was heading. As we all know there have been some major changes since then, hopefully all for the better.

I am really looking forward to next year's Nationals. Some of the changes I believe will be taking place include – after shoot entertainment which may include a band, spit roast or BBQ so people can sit back enjoy a few beers together and unwind in a relaxed atmosphere.

We hope to have in place an area for small kids to go and play. If the kids are happy, mum will be happy (maybe).

Also the Double Barrel, Single Barrel, Points Score and Double Rise Championships will all be 100 targets. This will give those shooters who haven't qualified for a shoot off under the old 50 target system a decent days shooting and hopefully keep people at the grounds longer and stay around for after shoot stuff.

All prize money will be guaranteed and listed prior to the event being conducted.

One major reason I would encourage all shooters to attend next year's Nationals is you will have the rare opportunity to be coached by the one and only Leo Harrison III on Australian soil.

For those of you who are unaware who Leo Harrison is I will run a few of his achievements past you. These statistics are five year old so they will actually be better than what is listed.

1,454 straight singles (16 yard)  
830 straight Double Rise  
10 time Grand American High Overall Champion  
5 time Grand American High AA Champion  
3 times Grand American Doubles Champion  
32 times All American Team  
18 – 100 straights off the 27 yard line Single Barrel  
160 – 200 straight singles  
106 – 100 straight doubles

Not too shabby hey?

I am the first to admit I don't know Leo well but the few times I have spoken to him I have found him to be very approachable, willing to pass on tips to help your shooting. Quietly spoken and very humble.

One example I can tell you first hand of how helpful the big bloke is, a great friend of mine – Basil Turner was at the Grand with me and although he was shooting very well and had just been placed fourth overall in the clay target Championship of America. He asked Leo how he could improve his Handicap shooting. Leo gave Basil and I a one simple tip. The next event Basil punches the first 80 straight off 27 yards!

His experience will not only be a benefit to the shooters in the lower grades and Juniors but to guys like myself who might be able to gain that half of a percent which may just give you the edge over the top shots.

For those people who don't know what Leo looks like you may have an image of a rough, wild big bruiser from Missouri. The only two facts of the last statement are big and Missouri. You wouldn't pick him to have been the most successful shooter in ATA history but let me tell you when he mounts that Beretta DT 10 which he makes it look like a slug gun he turns into a punisher of the highest order!

I am also sure most of the best shots in our country will look forward to competing against Leo. Yes he probably will win the High Gun, Double Rise and maybe some others as well, but I think of the other

improbable outcome. One of us beats him. Can you imagine what a buzz that would be? You could do a bit of crowing then! One thing I don't even think Leo can win is the Mackintosh team High Gun.

Throughout my career I have won some notable events but if the big names aren't there you don't normally hold it in too high a regard. Enough of me talking about Leo. Do yourself a favour and come and check him out.

While I'm raving about other people I feel I should mention Geoff Kidd. I first met Geoff about 15 years ago and found him to be a real nice bloke and a fairly handy shot as well although I think he treated shooting as a way of relaxing rather than trying to become world champion. He has been and still is a very successful businessman in his own right. He doesn't talk shit or sit on the fence. He says it as it is whether people like it or not. Some would ask why he would want to take over as Executive Officer until we employed a new one for the vacant position. I can assure you it is not the money, I hate to think how much financially this has cost him (but he is not whinging). There is only one reason he has done it and that is the love for the sport. He is a very good listener, astute and follows everything through to the letter.

I can only speak for myself but I think we as a group should be very grateful for the time and effort he has put in to try and get our sport back to where it should be. Thanks a lot Geoff!!

To shooter who might be thinking about attending next year who are in A, B or C grade and think they won't win anything you must remember you are only competing against other of similar ability so there should be no reason why if you get it together that you can't get a grab. None of the top shooters I know started in AA grade but a lot of them won C and B grade events at National Championships. Most of us have had to do our apprenticeship!!!

In closing if anyone would like me to write on a shooting related topic let me know.

# SIDE BY SIDE CHAMPIONSHIP

## West Wyalong Clay Target Club

Location right on the crossroads of the Newell and Mid Western Highways, close to the centre of NSW

It was an historic day at the West Wyalong Clay Target Club as shooters converged on the grounds to take part in the Doug Lindsay Side by Side Championship.

Last year there was a good attendance but this year there was an even larger group of shooters as the event continues to grow in prestige.

There were many fine old shotguns in use and a shooter from Dubbo was there with a Churchill shotgun reputedly worth \$30,000.

It does not matter how much your gun is worth, if you do not point it in the right direction so local shooters had been getting in much needed practice prior to the event.

Unfortunately local shooters did not figure prominently in the results during the day which began with 50 targets Sporting Clay 5 Stand. It was during this event that a country squire made his appearance at the shoot. While he may have looked the part, his shooting was not a highlight of the day.

Forbes shooter, Laurie Redfern won AA grade while Dubbo shooters David Coaker and John Sidoti won A and B grades respectively. The only local to feature in the winners list all day was Chris Heffer who won C Grade.

Following a delightful barbecue lunch the afternoon Championship program got underway with a 10 Target Eye Opener. Wayne Ambrose and Allan Schirmer were two of only four shooters who were able to score the perfect 10/10.

Conditions were ideal with a touch of spring in the air as the first squads were called for the 75 Target Doug Lindsay Side by Side Championship.

After some great shooting the Overall winner was John Sidoti 74/75. Charlie Strike from Wagga Wagga won AA grade 73/75, A grade was won by David Coaker 68/75 and Laurie Redfern was the B grade winner.

RIGHT: The Country Squire

The High Gun for the day was jointly won by John Sidoti and Charlie Strike with 196/210.

Doug Lindsay, who sponsored the day was on hand to present the handsome bronze and white sashes to each of the winners.

Club President Graham Fairman in his closing remarks thanked the ladies and Warren Brettschneider who helped out in the kitchen and made sure everyone was catered for during the day.

Everyone agreed that this had been one of the best shoots of the year and it is sure to be even bigger and better in the future.

# SHOOTING AT ECHUCA

Location on the Murray River which forms the border between Victoria and New South Wales

## ECHUCA COLLEGE SHOOT

Echuca Clay Target Club was host to a total of 64 student visits from Echuca College, Crofton street campus over an eight day period in August 07. On two Tuesday's, year nine and year ten, boys and girls, travelled to the club to be taught correct and safe use and handling of shotguns, and given the chance to test their hand eye co-ordination in shooting at a total of twenty targets over their two visits. Shooting a mix of Skeet and Trap targets, single barrel only, some of the total scores were fairly impressive.

Jason Brady O/A and best boy Y10

In schoolteacher Petra Ogden's group of year tens, top shooter, and best boy scorer was a Torrumbarry lad, Jason Brady, with a very good score of 17/20, dropping his three lost targets in his first round and hitting all ten in his second, well shot Jason. Best girl shooter in the year ten group was Echuca lass, Kacey Heywood, improving from a five target score firstly to a seven target score secondly, giving her a total 12/20 score, again, well shot Kacey. Trent Starkey from Mathoura came close to the best with a 15/20, and Ross Picone from Echuca one target further down on 14/20. A mention too of Adam Bennett, although only attending one clinic, shot a 9/10.

Schoolteacher David Pearson was in charge of the year nine students, and although most of these boys and girls had never seen a shotgun, let alone held and fired at targets with one, most ended up with very reasonable scores over the two visits. The initial worries these beginners have are a fear of recoil, but soon appreciate that with the heavy shotguns, and very light cartridges used for these clinics, there is almost no recoil at all, and as soon as that realisation comes through the targets begin to break. Top shot and best boy shooter in this group was an Echuca lad, Charles Oldham, shooting an excellent 13/20, not far from that score was best girl shooter, a Bunnaloo resident, Kirsten Pocklington improving by one in her second round to finish on an 11/20 score. Two Echuca lasses were next, Zara Pearson and Alexandra Kennaugh, both on a score of 7/20.

The fact that all the students attending these clinics improved on the second visit shows that they certainly listened to their coaches, and must be commended for their good behaviour. Also, a thank you from the Echuca Clay Target Club committee and members, to the Echuca College, and to the teachers, David and Petra, for taking an interest in the sport of Clay Target Shooting.

## IRONMAN SHOOT

Six squads of shooters arrived at Echuca Clay Target Club on Sunday the 9th of September to do battle for honours in the 60 target Ironman Championship, and Rob Collicoat, a Deniliquin member who has been having a battle with a new gun, altering it this way then that, certainly demonstrated to all competitors that he has been successful, as he outshot all contenders to collect Overall and A grade on a score of 58/60, needing no shoot off to win the very difficult event. Only two targets down in this very mixed target Championship on a day that had just enough wind to move some targets around was certainly good control. Well shot Rob.

Rob Collicoat O/A winner  
Ironman Championship

Steve Atkins O/A winner  
Continental Championship

Club President Ron Traill came in 2nd in A grade after a short shoot off ending up on a score of 66/74, AA grade 1st was Steve Atkins with a 57/60, AA 2nd Bill Forrest 55/60, B grade 1st was a new Echuca member, Chris Thompson, on a 50/60, B 2nd Alan Johns with a 47/60, C 1st was Rhys Viney 44/60, C 2nd Doug Faulkner 43/60.

Event two was a 30 target Continental Double Barrel Championship, and two Echuca members saw of all others, Steve Atkins and Geoff Ervin, both had their eye in, continuing on until Geoff finally missed his 91st target allowing Steve to collect Overall and AA 1st on a score of 91/91, Russell Felmingham picking up AA 2nd with a 51/52 score, A grade 1st G Ervin 90/91, A 2nd Ron Traill 53/54, B 1st was once again, new member, C Thompson, having a day out with an excellent 29/30 score. B 2nd was Steven Scott on 28/30, C grade 1st was Rhys Viney, also having a good day out, with a 26/30, and C 2nd was Doug Faulkner on a score of 23/30.

Most of the scores shot on the day were very good, considering that both events were difficult disciplines, the weather probably helped the scores, with clear mild conditions and a slight breeze that was barely enough to complain about. An extremely popular Ironman Championship over for another year.

## "ACTA COACHING PROGRAM CROSSES THE DITCH"

**NZCTA President, Trevor Manson expresses his appreciation and enthusiasm in the following letter**

Recently we had one of your members, Dave Coleman come over to New Zealand to run a series of coaching clinics.

For his efforts I would, on behalf of all the participants, extend a huge vote of thanks to Dave for his efforts. His professionalism and passion for coaching within our chosen sport is second to none. Everyone who attended not only got something out of it to pass on but also benefited themselves.

I first met Dave 3 years ago when I attended an Australian executive meeting where I took part in a group discussion during a coaching workshop. It became very obvious that Dave was passionate about coaching and was intent on putting a coaching package together. Over the next couple of years Dave proceeded

to put a programme together and invited us to be a part of it. This was discussed when I was over at the Worlds and with further communications the job was done.

We all enjoyed Dave's company when he was here and I feel that apart from the 10-degree frosts and black ice on the roads he found the company here pretty good too.

We, the NZCTA, greatly appreciate the offer from the ACTA of being included in the programme and look forward to further involvement. We particularly appreciate Dave's knowledge and enthusiasm.

I would like to take this opportunity to congratulate John Mack on his promotion to the position of President of the ACTA and Carrie Elton for her appointment as Chief Executive of the association. I wish you both all the best for the future.

Colin Betts Overall HG Casey Light

(Brewarrina) with 33/40, and best veteran was Rex Whitten (Tamworth) with 33/40.

Before the night event the shooters and their families enjoyed dinner of Unc's Famous Roasts and the delectable and delicious dishes in true western and Brewarrina style.

Event 4 was the 20 Pair Deauville Doubles Barwon and District Continental Championship. Hard working Cliff Overton paired with his daughter Helen to be the only pair to score the possible of 20/20 and claim overall. Three pairs finished on 19/20 and after a short shoot off the combination of Ben Haig (Cunnamulla) and Leigh Knight (Bendigo) claimed second with a score of 21/23.

Sash Winners

Sunday morning dawned to another beautiful day with competition commencing with Event 5, which was the 30T Points Score Barwon and District Continental Championship, only two possibles where shot and after a quick shoot off Helen Overton (Brewarrina) claimed the overall and AA Grade with a score of 96/96, Ben Haig (Cunnamulla) won 2nd with 92/93. Ross Morris (Cobar) won A Grade 95/96 with Dick Tulloh (Cobar) being 2nd with 87/90, B Grade was won by Ken Fisher (Coonamble) with 83/90 over Noel Cooper (Brewarrina) with 85/93. Stephanie Mills (Cunnamulla) won C Grade with 84/90 with Glenn Codrington (Warren) getting 2nd with 80/90. Best Lady was Helen Overton (Brewarrina) and Veteran was Eddie Mills (Cunnamulla) with 82/90

# Richmond River Gun Club's SUPER SUNDAY

Location 776km's north of Sydney between the  
rainforest and the sea

Well talk about the luck of the Irish, Club management decided to do something adventurous for our August Monthly shoot. They decided to take the gamble and come up with a program that would encourage shooters to participate at all levels. Let's try to have a level playing field for the lower grades to compete with the AA graders for a shot at the High Gun money. We will give the A, B, & C graders a Handicap to go towards the High Gun score. So that's how SUPER SUNDAY came about.

It rained all week with localised flooding the week prior to the shoot. It bucketed down on the Saturday. I think it would be putting it mildly to say that the club management were very concerned at the prospect that they have committed the Club to \$1700 worth of Prize money and the event was more than likely to be a flop due to the weather.

Alas Sunday came with blue skies and sunshine. Shooters were arriving from near and far and management were all smiles. 46 shooters had nominated and President Mike welcomed them all and explained how the event would be run and shooting got under way.

The first half of the event a 50tgt Double Barrel was keenly contested with a lot of red up on the Board. This took us into lunch and

a welcome break to enjoy a BBQ and fresh salad ably prepared by Mark and his crew. Then it was onto the 2nd half of the event a 50tgt Points Score.

At the sharp end of the competition and after lots of milling around the score board it was found that Peter Brown a AA shooter had shot 197/200 and that Peter Drew a B grade shooter had shot 190/200 plus his 7 point Handicap meant that there had to be a shoot off for the Overall High Gun. The shoot off after shooting at 5 tgts of each event was won by Peter Brown. This was an excellent result, and a very encouraging outcome for the committee. The formula that was applied worked, it may need a little tweaking, but had the B Grader ended up with one more point off the Barrel he would have taken out the High Gun.

The result in the Grades were AA J Rapisada, W Hawkins. A T Schneider A Pirlo. B D Hogan M Westbury. C D Neal B Marjoram.

After such a good result and the excellent support of shooters on the day by way of some positive feedback, the executive committee will be looking forward to a bigger and better SUPER SUNDAY for our August 2008 shoot.

Congratulations to the club and the executive for their forward thinking, and the consideration to the level playing field across the grades, and the winner is clay target shooting!

Remember travel safe, but travel.

*Regards Clay Moor*

# 32nd Annual Golden Clay Shoot COBAR CLAY TARGET CLUB

17th, 18th and 19th August 2007

Location in the centre of New South Wales at the  
crossroads of the Barrier Highway and the Kidman Way

Even though we have had little rain in the last twelve months the Committee and members of Cobar Clay Target Club again had the ground and club looking great for our big weekend. The addition of another automatic Canterbury Trap, some improvement to the grounds and kitchen had us ready for another great weekend of shooting.

Steve Atkins OA HG & Darran Wells Linatex

We had received some tremendous support from sponsors especially our Gold sponsors Coates Hire who again provided the excellent lighting, as well as some extra chairs, tables and a generator (just in case), Lokaway Safes for the great safes used as trophies in the Double Barrel, Milperra Marketing-Express who again provided great support for the Marfeesh Handicap and Linatex who again sponsored our overall High Gun and provided caps for all competitors. Our Silver sponsors were, Cobar Bowling and Golf Club, Cook and Black Automotive, Corsivia Clay Targets, G&L Jones - One Steel, Beretta Australia, CSA Cobar, Casella Wines and GC Livestock and Property. We also received support from Budget Car Rentals, Burgess Supa IGA, Cross Roads Motel, Empire Hotel, The Hawkins Family, The Taylor Family and Ray Jenkins.

Practice was available from 2pm Friday afternoon and plenty of visitors and locals took the opportunity to have a practice before competition began.

6.30pm Friday evening and shooting commenced with 128 shooters contesting the 30 Target Far Western District Cobar Bowling and Golf Club Night Point Score Championship. Chris Salafia was the overall winner with the only possible 90/90. After a shoot off for the places in 1st AA Grade Michael Manley 140/141, A Grade Daryl Fraser 89/90, B Grade Steve O'Brien 83/90 and C Grade Shannon Brown 89/96.

Saturday was a good shooting day, nice and sunny with just a little breeze. 182 shooters nominated Saturday for the 3rd event the 30 target Far Western District Beretta Australia Point Score Championship. There were 6 possibles shot. Stewart Crain won the shoot off with a score of 183/183, Brett McAllister 1st AA Grade 180/183, and Steve Atkins 2nd AA Grade 149/150. Event 4 was the 45 target Cobar Motor Inn Medley. 3 possibles were shot and Glen Castellaro was the winner with 147/150, Tony Barton 1st in AA Grade with 146/150. Event 5 was the 30 target Far Western District Lokaway Safes Double Barrel. 46 possibles were shot and, after a shoot off completed under lights, Steve Atkins was the overall winner with a score of 178/178, 1st in AA Grade Robert Viney 177/178.

While the Double Barrel Shoot off continued the rest of us enjoyed happy hour. This was followed by an excellent meal with wine supplied by Casella Wines and the Calcutta. Our auctioneer did a marvellous job and the Calcutta ended up being worth just over \$13,000.

Sunday morning was again a fine day and the breakfast cooked by the kitchen staff again proved popular with shooters. First up on Sunday was event 6, the 30 target Far Western District Coates Hire Single Barrel Championship and 186 shooters were nominated. There were 13 possibles and after the shoot off Steve Atkins was the overall winner with a score of 60/60, Glenn Barton won 1st place in AA Grade with 59/60. Event 7 was the 30 target Mafeesh Milperra Marketing Handicap. This was also the event that the Calcutta was run on. Only 4 possibles were shot Brian Frost from 20.5m, Jake Harbison 15m, Marcello Casella 24m and James Vardanega 24.5m. After the shoot off Marcello Casella was the overall winner with a score of 45/45, Brian Frost 2nd 44/45, James Vardanega 3rd 42/45

Bryan Mann President & Helen Overton Ladies HG

and Jake Harbison 4th 30/31. Over 20 shooters had shot 29/30 and shot off for 5th place, Glen Harvey eventually taking 5th place with a score of 72/73. The last event on the program was the 15 pair Far Western District Cook and Black Double Rise Championship. Steve Atkins was the overall winner with a score of 39/40, and winning his third championship for the weekend. 1st in AA Grade was Peter Fitzalan 38/40.

Joshua Player enjoyed success in the NSW Junior Masters winning all four titles. The five person team's event was won by the Echuca team led by Steve Atkins.

The Women's High Gun was won by Helen Overton 265/285, Veterans Peter Fitzalan 269/285, Junior Joshua Player 265/285, C Brenton Kelly 249/285, B Grade Greg Burgess, A Grade Scott Wythe 268/285, AA Grade Tom Turner Jnr 278/285 and overall Steve Atkins 281/285. A great weekend for Steve, three Championships and overall High Gun.

Following presentations a BBQ tea was provided for sponsors, club members and those shooters who were leaving the long drive home until Monday.

At the presentations, the Club's President, Bryan Manns, expressed the appreciation of the club to all their sponsors. Bryan also thanked all 190 shooters for attending our 32nd Annual Golden Clay, as we know we are a long way from anywhere.

The Committee and members hope everyone had a safe trip home and we look forward to seeing everyone next year for our 33rd Annual Golden Clay shoot.

# Inaugural Driven Grouse Shoot

## TOOWOOMBA CLAY TARGET CLUB INC

SUNDAY 26TH AUGUST 2007

Location: At the junction of major highways from Brisbane, Sydney, Melbourne and Darwin and is just 90 minutes drive from the state's capital, Brisbane

Following a week or two of rain and drizzle, not enough to fill dams, just enough to make the black soil sticky and weeds green, a team of three hardy souls proceeded to the club on the Saturday to get everything setup. I'd add a timely reminder here that shoots don't just happen there is a lot of behind the scenes work and planning that people put into them. A big thank you, in particular, to Graham Smith and Viv Nolan for all their efforts and moral support in the months previous, and on the day, culminating in a very successful shoot. Sunday morning the sun was glorious we couldn't have asked for a better day to go shooting, only a slight breeze most unusual for Toowoomba. Attendance was strong for our first ever Driven Grouse shoot, a total of 38 shooters were in the draw for the two person teams. A special thanks to our sponsors as this was "a first" not been done in Queensland before and it was more than generous of The Open Range to get behind the idea and give their support. (<http://www.theopenrange.com.au/>)

Information about how we run the driven grouse shoot is available on our website <http://toowoombaclays.info>. A basic explanation,

The trophies

incoming targets of different speeds and angles, Side by Side guns only, two person teams, targets are thrown two, three or four at a time, no calling for targets much like a flush. The first time I saw four targets rise up and head towards me I thought, well a lot are going to be missed. As it turned out most shooters got into the swing and scores were generally very good. Also on our website is a video of a team shooting a complete 30 target sequence. I made it as small as possible and should be playable on most computers. (Download it, then play it, is the best idea).

Results were Overall 1st Max Barton/Thomas Grice 86/90, 2nd Rob Jones/ Peter Luhrs 89/100, 3rd Shane/Meagher/Matthew Rolph-Smith 88/100, 4th Trevor Gill/ Dale Beddington 73/100, 5th Graham Smith/ Bernard Bishop 89/100, 6th Paul Lunin/Dave Armstrong 88/100.

Shooters came from many clubs, Caboolture, Toowoomba, Condamine, Fortitude Valley, Mudgee, Inglewood, Brisbane, Maleny, Barcaldine, Roma, Swansea Heads, Glen Innes, Ipswich and Warwick.

Some changes are being made to make the shoot even more successful next year. All subject to approval of course.

The shoot was proudly sponsored by The Open Range

*Great shooting everyone.  
Roger Hoffmann*

L to R: Peter Luhrs (The Open Range), Thomas Grice and Max Barton (Overall winners) and Dave Armstrong (The Open Range)

# TODD BENDER SKEET CLINICS

## SEPTEMBER, 2007

I wish to thank the ACTA and Glenn Walker for organising the Todd Bender Skeet Clinics which I was privileged to attend at Cecil Park CTC, NSW on 14th September, 2007. To have convinced the Best Skeet Coach in the World to make the long trip to Australia was certainly a coup for the ACTA and Glenn. I am sure it was a task that for many years was in the deepest part of the "too hard basket" and it is a credit to Glenn that he picked it up and never let go till he convinced Todd to come down under.

For those that missed out on the Clinics I like to relate my experiences and hopefully encourage them not to miss out next year.

When my place in the coaching clinic was confirmed and a list of the attendees circulated I felt a bit uneasy. You see I only got into skeet about 2 years ago, keen as mustard, scores improved then things went haywire and went south at a rate of knots. My rationale for attending was, "Hell, it's a lot cheaper than going to the USA to attend". On the list were the "BIG NAMES" in Skeet. Heck the backbone of Skeet in NSW. I was feeling like a fish outta water. No backing out now, the money was paid.

The Clinic starts at 9:00am sharp with us filling in our contact details and writing down what we would like to achieve in the day's clinic. Mine was simple, I can't shoot targets at 2,3,4,5 & 6 plus I don't see the targets well. Hey I left out stations 1,7 & 8 OK -what more do you want? Todd then proceeded to check the gun fit and eye dominance. My standard Miroku Mk 10 Sporter fit me "perfect" he said. I was right handed right eye dominant - good too. We can't shoot till

10:00am so Todd runs us through the proposed programme for the day. There were 3 others in my squad whom I had never met before but they all had these space age black PFS "Star Wars" stocks - not only was my shooting ability under the gun but so was my equipment!!! Talk about pressure!!!

Todd gets us to shoot an ordinary round to gauge how we shoot. I shoot a 21, what a relief, just about my best score. Todd does not say much at this stage, and then he gets us to shoot individual targets again customised for what issues he thinks the shooter has.

When it comes to my turn he takes me to station 3 to shoot the low house. I miss, he gets me to shoot it again and I miss it again. He throws the controller into the spent shell basket, all in jest and says, "I gotta find out!" With that he goes to his kit bag and comes back, tells me to point the shotgun at him (after showing him that it's empty). He says, "You're going to want to point that gun at me at the end of the day!" with a big grin. With that he sticks a bit of sticky tape on my glasses. "Now shoot it again, John". I blow the target to bits and he asks me "How'd that look?" Wow, I was so amazed I think I said something stupid like, "Hey I can see, I can actually see!" Then Todd looks at me with that wicked grin, "You're going to owe me more money today!" In 2 years of shooting no one had picked up that I was flying blind. That on certain targets my left eye was lying to me. With that \$500 piece of scotch tape I could see the leads amazingly clearly.

### KEITH ALEXANDER ILSLEY

16/8/1925 to 6/8/2007

Formerly a dedicated clay target shooter, Keith Ilsley passed away at Kerang on 6 August 2007. During WWII, Keith enlisted in the RAAF on 18/8/1943 and served in Australia and New Guinea and was discharged on 16/5/1946. He joined the Coburg Gun Club in 1950 and when transferred in his work for Sigma he joined the Hamilton Gun club in 1962 and was a member until 1976. A Life Member of the Hamilton Gun Club, he was also Secretary for 10 years.

Keith shot Handicap from 20 yards and among Championships he won were the Single Barrel at Warrnambool in 1972, Deauville Doubles at Tyrendarra, Victorian State Championship, Hamilton District Championship 1968 and many trophies at clubs around the district such as 12 National Championships. Keith worked with Sigma for 43 years and moved to Noble Park from Hamilton on transfer. He then attended many shoots around Melbourne, Geelong and the Metropolitan area. He joined the RSL in 1946 and was member until 2007 and was later President at Kerang for a time. He also joined the Legacy movement in Hamilton in 1963 and was Chairman at Hamilton and Kerang. Retiring to Kerang in 1984 Keith continued his dedicated work with Legacy. From boyhood he enjoyed shooting and fishing as his father had been involved in both pursuits. In retirement, Keith continued to enjoy fishing and shooting and also loved to travel. However over the past couple of years, ill health prevented his enjoyment of those pursuits although he maintained an interest in the sports. Deepest sympathy to wife Joan, son Doug and daughters Lynn and Lorraine.

*Todd showing John some skills*

We had a chat and I admitted to him that I was so frustrated with Skeet shooting that I took up Sporting & 5 Stand. Turns out another member of our squad, a lady had eye issues as well. Turns out she had tried to tape the left eye but hated it so much she took it off in less than a day. Todd put tape on her glasses again but such is the confidence that you feel with him that I think he has convinced her to stay with the tape for a good while. That is what Bender is like. The depth of his knowledge about Skeet is unchallenged. His diagnosis is precise and his remedy powerful but expressed in such simple ways that we can implement.

# TODD BENDER SKEET CLINICS

*Continued from page 59*

*The Squad on the day*

Those who have seen the Bender DVD's know he is very big on good form for the shot and having precise hold points and he makes sure we know what they are for all stations. "It's irresponsible to have a bad hold point" is one of his sayings.

One guy in the squad had form which was judged "perfect" and coming from Todd that was high praise indeed. So with him Todd worked on doubles and the "eye shift" and shooting doubles on station 4. Also the mental aspects of the game and how he had been working with Lanny Basham the Olympic shooting champion. Also technical stuff like 32 inch barrels vs. 30 inch etc. There is not much this guy doesn't know.

The last guy in our squad was a very pronounced upper body shooter who wanted to be a lower body shooter but couldn't get it to work before. I watched in utter amazement as he transformed this guy into a smooth (emphasis added) lower body shooter before half the day was over.

Needless to say all of us in that squad were thrilled with the results of Todd's coaching clinic and what improvements he had made to our Skeet game.

What all know Todd is a great shooter and a great coach. What you will not know till you get a chance to meet him is that he is a real down to earth guy, very unpretentious about his achievements and abilities, and one heck of a funny guy. He's a "funny bas---d" another shooter related to me. Believe me you will be entertained as well as coached.

It didn't matter that I was a beginner and others were at a more expert level, he gives 110% effort to EACH of his students. Whilst we each took a break for lunch when we could Todd was still on the field coaching, not even a mini thunderstorm stopped the clinic. I took shelter Todd just put on a rain jacket and kept teaching. You may not realise it but this guy works so hard to make sure that his students gets the best result out of the clinic. You also get a Lifetime Warranty! He encourages us to keep in touch and to email him with any issues, questions we may have, for as long as we like.

The day ended around 5:30 after we completed another round of skeet, had a debrief and took some group photos.

A welcome surprise was the ACTA's sponsorship of the first 200 targets for each shooter. I am sure that this investment will be rewarded in the future with greater participation in skeet and more targets broken. Thank you ACTA.

Rumour has it that these clinics may be on again next year. If so, I highly recommend that you get in early and book a spot. You will not regret it. Best investment you will make for your Skeet shooting.

Thanks to Vince and the Crew at Cecil Park CTC for the use of your facilities. The targets were setup perfectly and the field was groomed picture perfect.

Thanks to my son Gregory, who gave up his free day to video his Dad. Thanks son.

Thanks to my fellow Bender Graduates, Jeff, Linda and John. You guys were great to share this experience with.

Thanks to my eternal mate Derek Wyllie from Newcastle LM CTC for getting me into skeet. You've cost me a fortune!

Thanks Todd, you led this blind man to see.

Sincere thanks to the ACTA and Glenn for bringing the Todd Bender Clinics to Australia. I am sure I convey these thanks not just on my own behalf but on behalf of all the participants of the Todd Bender Skeet Clinic 2007 in Brisbane, Sydney and Melbourne.

Those of you that have only shot DTL come on over and ask to join in a round. I have not met a skeet shooter yet that would not gladly take the time to introduce a newcomer to this great sport.

My name is John Tan and I started shooting Skeet on 14th September, 2007. I'm not a Skeet Shooter yet but hope to be soon!

# Guyra to Goondiwindi

## Location:

**Guyra: At the top of the Northern Tablelands in the beautiful New England region, approx half way between Sydney and Brisbane**

**Goondiwindi: On the Queensland-New South Wales border, 362 kms from Brisbane**

Goondiwindi Gun Club experienced an invasion from Guyra, NSW Gun Club at their annual 2 day shoot.

Sixteen Guyra members traveled to Goondiwindi to take part in the annual 2 day shoot.

A part of the program each year is the Hiscox Shield which is competed at Goondiwindi in memory of past highly respected Guyra member and mate, Ben Hiscox.

Guyra put up 3 five man teams and the Guyra team of Kevin Bourke, Andrew Skinner, Joe Marshall, Dale Ellis and Jamie Poole attacked this event in a positive mood and won with a convincing 146/150. The shield has been competed for over the past three years and the same Guyra team has won it twice in two years.

The atmosphere at Goondiwindi was great (as usual) and special thanks go to President Gary and his dedicated team who really did a fantastic job and this is confirmed every year by the attendance of 84 shooters, and this is great considering the very ordinary seasonal conditions. Some Guyra shooters have attended every annual shoot at Goondiwindi for the past ten and in one case eleven years.

The Guyra members at Goondiwindi this year aged from fourteen to seventy three, and are made up of anything from rogues to millionaires, but all get along very well!!!!

Speaking collectively, in one voice similar to Douglas MacCarthur, Guyra members say I shall return.

ABOVE: Sixteen members from Guyra traveled to Goondiwindi QLD for 2 day shoot. They will be back in 2008

BELOW: Guyra winning team for Hiscox Shield: (top l-r) Joe Marshall, Kevin Bourke, (middle l-r) Jamie Poole, Andrew Skinner, (front) Dale Ellis. Team Score 246/250

# ECHUCA YEAR NINE HOT SHOTS

Over a two week period 108 year nine students from Echuca College, college drive campus, visited Echuca Clay Target Club to experience the sport of clay target shooting. From September the 11th to the 20th 2007, members of the club made themselves available to assist in coaching clinics to help the girls and boys try to improve their hand eye co-ordination, and gun handling skills, so as to achieve at least some broken targets on their score card.

Due to the good behaviour of the students in paying attention to their coaches some very good scores were listed, with Stewart McKenner of Echuca, taking High Gun and 1st in the boys section with an excellent score of 16 out of twenty targets, well shot Stewart! The shooting was done in two visits, a week apart, of ten targets shot at in single barrel discipline. Unfortunately some students missed their second attendance due to an excursion on at the same time, and several of these students had listed good scores with their first ten targets.

Stewart McKenner  
High Gun & boys 1st

the girls section was Ashleigh Pearse with a 10/20 score, girls 2nd place was achieved by Holly Minogue with 8/20, 3rd place was Rebecca Boal on an 7/20 score, and 4th place in the girls was Tiha Bish with a score of 6 out of twenty. With most of these participants having never held a shotgun before, these scores should be a very satisfying result.

Thanks must go to the Echuca College for giving the students the chance to see what clay target shooting is all about, and for the girls

The very heavy shotguns and the fear of recoil, affects most new shooters, particularly the girls, and some have trouble holding the gun up long enough to aim properly, but most adapted very quickly, especially after realising that recoil is not an issue, to the extent that the coaches recorded a 90% success rate on scores. It is always pleasing to the coaches to see the excitement displayed by the students on hitting their first target.

Full results are as follows, 2nd in the boys was Jarad Rosenow with 15/20, 3rd was Jamie Riedell 13/20, with numerous others on a 12/20 score. First in

Holly Minogue girls 2nd

Rebecca Boal girls 3rd

and boys to be able to test themselves out in this very pleasing and safe sport, and also to the teachers who were involved, and to the members of the Mathoura Gun Club who assisted in coaching.

## CHANGES TO ACTA MEMBERSHIP CATEGORIES

The newly developed Membership Growth and Services National Sub-committee, whilst in the process of surveying a sample of clubs to follow up members who did not continue their membership for this year, became aware some members were not rejoining because they were not so much interested in competition shooting, but more interested in mid-week shooting. They also expressed a desire to remain members of the ACTA and of course their own club.

This preference was also confirmed by the ACTA office staff from the interaction with members over recent times. It did not come as any surprise based on the changing age profile of our membership. After consideration of these factors, some time line issues and a perusal of membership categories in other countries, ATA (US) and the CPSA (UK) a vote was taken by the National Management Board to change the existing Club Only category and create a New Start membership.

A brief overview of these two categories is explained below for your information, it is most important that members understand that this is the commencement of an ongoing review of our membership categories to best reflect the needs of our membership, your comments during 2008 will provide the ACTA with important feedback for future consideration.

# VCTA SOUTH EAST ZONE TEAMS EVENT

## Round 4

*C Henwood DB Overall*

*D Cauchi High Gun*

*H'cap L-R J Mollica 2nd J Spicer 1st P Mills B-M*

On a nice day at Frankston Australian Clay Target Club round four of the Premier Teams event was contested over five traps, with 114 shooters in for the contest.

The good shooting conditions on this 26th day of August produced six possibles in the first event the Handicap and all got off the mark in the shoot off, however Josh Spicer 31/31 was the only one to get to the sixth target, John Mollica 36/37 was second and Craig Bell 35/36 third. Back Marker went to Peter Mills 28/29.

The team section after this event saw Melbourne 116 from Nepean 115 and Mornington 114. The Werribee junior team had dropped one target and had the lead over Mornington and Cerberus on 47/50.

The fine conditions continued and event two the Double Barrel produced thirty possibles, this was down to six shooters after fifty shoot off targets. Craig Henwood was the last man standing on 143/143 achieving the Overall from Neil Rundle first in AA and Hecta Crawford second in AA.

## Toronto RSL and the Mick Smith Cup

### NEWCASTLE LAKE MACQUARIE CTC

Fifty-six shooters were welcomed to Newcastle Lake Macquarie CTC Saturday morning to compete for the Toronto RSL Cup. As is the standard set by Frank, Graeme and a great bunch of willing workers, the competitors were treated to a great variety of challenging and exciting targets. Shooting got under way and some top scores kept rolling in right across the grades. Such is the effort the guys go to set up the layout so that all levels of shooter are catered for.

In the top grade Kevin Raymond, Greg Condran, Gary Sweeny and Andrew Garvie set the early pace, excitingly the lead changing between these men at every round change. Andrew finished on 94/100, winning the Toronto RSL Cup in the last round of the day over Kevin by a single target. Greg Condran a further target back after the last round went on to win the shoot off for 3rd place.

Fred McCloy, of the 'McCloy' shooting family shot a superb 90/100 to win A grade just ahead of local club man Graeme Hayes who finished the day shooting a 25/25, Bob Clifton proving yet again that you can never be too young to shot clay targets tied with Graeme on 89/100.

B grade was hotly contested with some very good scores right across the grade. The eventual winner Rod McCloy shooting 83/100 came home strongly in the last 2 rounds to pip a very consist performer in Paul Elbourne (82/100) at the post. Nello Korlevic, shooting really well posted a very respectable 80/100 to take 3rd place.

A very happy Brad Douglas was the worthy recipient of the C grade trophy shooting a good score of 75/100. Tegan McCloy (Jnr) and John Archibald shared the spoils of 2nd and 3rd with a 73/100, both shooting their best scores 21/25 in the last round.

Sunday morning a strong field of 82 competitors lined up for the MICK SMITH CUP. Showing once again the high regard that Mick Smith was held in by shooters from around the region.

## SOUTH EAST ZONE TEAMS

*Continued from page 63*

In the teams section Melbournes highest score in the first event, followed by a clean round by all five members in the double shut the gate on any challenge to Ron Williams John Mollica, Craig Henwood, Frank Santoro and Paul Haslam. The Melbourne team moved into series second position, six targets of the leaders Werribee. The junior section was also a win for the half way leaders, with Werribee team members Danial Gauchi and Jacob Bisevic notching up another 49/50 a total of 98/100 a five target win over series leaders Mornington, who have the series tied up already.

Danial had a very good day being one of the three to shoot the card and winning the High Gun shoot off. He also collected first in B grade and the junior B grade High Gun. Team mate Jacob collected the junior A grade High Gun. C grade was won by Brent Young who also won the junior front marker in the Handicap.

Ladies High Gun was Julie McAlaster. Double Barrel: Overall C.Henwood 143/143, AA N Rundle 142/143 A Crawford 132/133, A L Scrabini-Rossi 69/70 I Jewel 67/68, B D Gauchi 38/39 C Chant 30/31, C V Incani 49/50 J Iaria 24/25.

*Toronto RSL Winner Andrew Garvie presented by Kev Raymond*

In AA grade Kevin Raymond shooting 48/50 set the early pace. Greg Condran, Gary Sweeny and Bob Clifton kept the pressure up all day but as many have found out in the short time Kev has been shooting clays he is very hard to beat when his shooting eyes are on. Today was one of those days. Kev shooting 93/100 being the O/A winner of the Mick Smith Cup. Gary finished at the top of AA grade with a 91/100 (including a great second round 25/25). Greg went on to win the shoot off for 2nd with a 101/111 against Jamie Hayes shooting 99/111.

A grade was an all day battle between two fine gentlemen of the sport. Fred McCloy and Bob Clifton put on a great show, shooting some very respectable scores. Bob being the eventual winner with a fine 90/100. Just one shot back on 89/100, Fred, held off a strong finishing Doug Brenton who shot a respectable 88/100 to take 3rd place

Harry Kassianou shot the top score of 86/100 to take first place in B grade from Rod McCloy. Rod trying to keep up the family standard shot a solid 84/100. Bill Gault shooting a consistent 82/100 claimed 3rd place.

The C grade prize was claimed by Howard Smith who shot a very nice 82/100, 2nd went to Warren Dickinson with a 73/100 and 3rd to Ralph Ali who finished on 72/100

#### TWO-DAY HIGH GUNS

O/A Kevin Raymond 186/200, A/A Grade Gary Sweeny 182/200, A Grade Fred McCloy 179/200, B Grade Rod McCloy 167/200, C Grade Matt Mascord 147/200.

The committee would like to thank the generous support that the Mick Smith Gun Shop has given us over the years and thank Michael and Howard Smith for their attendance and we wish them well in their new endeavours.

Thankyou to the tireless band of workers both inside and out of the clubhouse for the way the targets and club grounds are presented for the competitors, visitors and their families. Thanks as always to our kitchen staff for keeping us all well fed and watered through the weekend. Hope all whom attended had a great weekend and hope to see you all next year.
