LOST!

Annoying isn't it?

You have seen the chip, other shooters have seen it, but the referee hasn't. However, it happens and it's a distraction or sometimes even worse - an argument you don't want to have.

If this has happened to you, chances are you weren't shooting at White Flyer targets. Why?

1. White Flyer doesn't skimp on expensive binding ingredients. Our binding is designed to be strong enough to throw reliably, yet break decisively when hit.
2. White Flyer has led the market in the development of target breaking serrations⁽¹⁾ that ensure targets break, rather than chip.

The bottom line is, that as the world's largest producer of clay targets, we back ourselves with the world's largest R & D budget to ensure that what you hit, looks hit.

This investment in research and development has also resulted in White Flyer being chosen for the World's largest Trap, Skeet and Sporting events and in the development of biodegradable targets with benefits for shooter safety and club environments.

NATIONAL PRESIDENT'S NOTES

John Mack

Once again, it is that time of year again when your membership registration renewal is due. Importantly this year your executive has put in place several new categories, these have been put into place primarily to capture existing members who for what ever reason would have chosen not to renew their membership, now they will have a choice rather than leave our association. Membership figures throughout the year will be monitored to see if this proves successful.

Also starting in 2008 your handicap book will be replaced only when it is either full or lost, instead a new label to be affixed to your handicap card will be sent in the mail to you. In addition, this will provide a financial saving to your association as the majority of our members will take several years to fill their book; another benefit will be to club secretaries in not having to transpose the carried forward score into everyone's book.

Feedback either positive or critical to your executive will be helpful on how both of these changes affect your club.

What a great atmosphere at the recent NSW Trap Championships, which were conducted at the National Grounds at Wagga Wagga. Several changes were implemented most importantly NSW dry hired the grounds and ran their own championships. President Neil Gay and his NSW executive did a fantastic job controlling every aspect, the conditions were hard with strong winds, and attendance was up with just under 300 nominations. Comments received by the competitors were positive and I believe we are on track to having enjoyable championships once again on the National Grounds.

The Beretta Girl Action Day held at Melbourne Gun Club was a huge success with over 450 women trying our sport most for the first time, and "hopefully" we will see some of the participants join our association.

On behalf of the executive committee, executive officer and national office staff I would like to wish you and your families and a merry Christmas and a happy and prosperous new year.

FROM THE NATIONAL EXECUTIVE OFFICER

Congratulations to the NSWCTA for a very successful Trap Carnival at the National Grounds. With nearly 300 shooters, plus their families, the event gave me a wonderful opportunity to see how the grounds work in the lead up to the Nationals next March. There was a great atmosphere and an opportunity for me to meet up with more ACTA members.

One of the key tasks to be completed when I came on board was the renewal of the ACTA insurances due at the end of September. Thanks to Geoff Kidd for getting the process well under way

Insurance is one of the single biggest expenditure items for the ACTA to ensure that its members, incorporated clubs, committees, visitors and volunteers are appropriately covered for activities that come within the ACTA's mission and charter.

In the lead up to renewing insurances in 2007, the ACTA sought tenders from a variety of insurance brokers in an effort to ensure the best coverage, services and premiums for its members. As a result of the competitive process the insurance broker appointed for 2007/2008 is AON – one of the world's leading providers of risk management services, insurance and reinsurance broking, financial planning and employee benefit and risk solutions.

The competitive process led to a substantial reduction in premium costs from all the tenderers, and has resulted in excellent coverage for the members of ACTA in their clay target shooting endeavours.

However, members should note that the recent extension to the policy by ACTA's previous insurer, for coverage while hunting, is currently NOT part of the insurance effective from 30 September while a review of the risk and premiums for this component is properly undertaken.

In the process of receiving submissions, advice was given that the risks associated with claims arising from activities outside of a controlled shooting range environment could have the potential to impact significantly on future premiums, which would in turn impact on all our members. This is something that the ACTA Board must view seriously.

Many members are covered for their hunting activities through membership of another organisation, such as SSAA, and some members do not hunt at all, but under the previous extension all were paying for the premium cost.

Following a proper risk assessment a decision can be made as to whether the benefit to members is greater than the risk, and whether a premium that reflects the real number of ACTA members who would like this additional coverage can be achieved. Information will be posted on the website for your information.

Why aren't there more women shooters?

I promise I won't get on the feminist bandwagon, but as a woman one of the questions I've been asking myself over the past weeks is why is it that the ratio of male to female is so out of balance in Clay Target Shooting compared with Australia's population.

Are women staying away because of misinformation – about the sport, about firearms, and about safety? How have other sports, once the dominion of men, gone about attracting women?

Do women see shooting as a male domain? Certainly, in the past that has been true, just like golf and tennis. And, if you visit just about any gun club and look around there is still a predominance of men.

Many women shooters become involved because their partners bring them along to the range. So, are women faint-hearted about becoming involved in the sport unless their husbands or boyfriends are already participating?

So far I've found there doesn't seem to be any male prejudice against women in clay target shooting, there is no resistance to their participation from the men – and men and women can compete as equals. So why the low participation rate?

I think one problem is that we do too much preaching to the converted and not enough promoting to people who are not yet involved in the shooting sports. We have to find new ways to engage people and get our messages out in ways that reach each target group – women, young people, the communities we live in, and to overcome the misperceptions about our sport.

Congratulations to Beretta for thinking outside the square with their extraordinarily successful event – the Beretta Girl Action Day held at the Melbourne Gun Club on Sunday 14th October. There were more than 850 visitors on the day. 350 women tried clay target shooting for the first time with lots of support from their families – children and grandparents – and of course the husbands and boyfriends (holding all the handbags). Beretta provided a comfortable, enjoyable and non-threatening environment to introduce the women to shooting. And, if you give a woman the right introduction, she's likely to love the sport!

Russell and Lauryn Mark worked tirelessly alongside Greg Chan and the Beretta team. Adam Vella and Suzy Balogh were fine Ambassadors for the sport, and were the all-female instructors. Fashion parades and a celebrity shoot out with some of our most famous women athletes provided great entertainment. See a full story and pictures of all the Girl Action in next month's magazine.

If you have any suggestions about how we can grow our sport and association, I'd love to hear from you.

Finally, planning is underway for Trap Nationals next March – it will be an event not to be missed. We'll have lots more information in the next magazine!

I wish you all well over the Festive Season

GRADING CARD

HOW TO CALCULATE THE NEW RUNNING PERCENTAGE

Below is an extract from the 2008 Secretary's Handbook which sets out the way percentages will be calculated from January 1 2008.

It is important for club secretaries, handicappers and members to be aware of these changes and how to apply the new running percentage.

As new cards will not be issued for the 2008 year you will be required to attach the new 2008 label supplied on re-registration to your 2007 grading card.

We suggest that you start a new page in your grading card for the 2008 year. This is indicated in the sample below.

NSW State Trap Carnival

The Geoff Kable Memorial State 3 Man Team Shoot Trophy was introduced this year. This has been contributed by Arty Del Ben & Rod Van Beek. Geoff started shooting in the 60's and with his brother Barry of Hall of Fame legend proceeded to demolish most of the competition around Sydney and in NSW. In 1967 Geoff And Barry won the Metro Deauville Doubles in Sydney with a score of 133/133. Geoff won the first ever South Pacific Double Barrel Championship with a score of 107/107. He won the New Zealand Sparrows And Double Rise on the same day in 1972 a feat which has not been achieved since. In 1975 he won the NSWGC Champion Of Champions thus stopping the great Warren Charlton from performing a hat trick of wins. He won numerous State and Commonwealth titles before he stopped shooting in 1980. He will always be remembered as a good bloke and a wheeler and dealer, He used to win events with one gun and there was always someone who wanted to buy the gun off him so he obliged of course then had to get another gun for the next shoot. This happened numerous times only to re-instate that he was a natural talent in the sport. He also had the second thumb hole stock in Australia behind Warren Charlton. Unfortunately Geoff passed away in 1999, he was a very nice and respected man in the shooting circles and has been sadly missed by family and friends. Thus the introduction of this trophy by his wife Margaret will keep his memory with us for a while longer.

The 2007 NSW State Handicap sponsored by GRH Transport Garth & Rosie Hosking. This year the winner was Robert Fulwood-Hosking on 19 Metres from Goolma with 69/69. An extremely proud & memorial moment for father (sponsor) and son (winner). Tim Wunderlich on 21 metres 69/70 from NSWGC was runner up, third place went to Craig Ceely 21 metres 68/70, fourth place Leanne Salem 17 metres 65/66 and fifth place Rhys Viney 17 metres 54/55. Congratulations to all these winners.

PRE STATE CARNIVAL SHOOT AT ECHUCA

A roll up of nine squads of competitors for the October shoot at the Echuca Clay Target Club was very pleasing for the Echuca club's committee. Most committee members have donated so much of their time and effort at the ground recently, to make them attractive for the upcoming Victorian State Carnival held in November. Recent expansion of the clubhouse, and additional other improvements, has certainly tested the endurance of all members, who have helped, and to see a good attendance just prior to the carnival was very pleasing to all.

For the fifty plus shooters who made the trip for this pre Carnival shoot Echuca turned on an almost perfect day weather wise, with clear sunny skies, almost no wind, and a temperature of 22 degrees, and with excellent food catering for the ladies, no shooter could ask for more.

Event one, a 25 target Points Score Championship was won by a Cohuna member, Casey Fletcher, his being the only clean score of 75/75 giving him the Overall winner's sash and 1st in A grade. The second event was a 25 target Single Barrel Championship, and Peter Ackermans a Bendigo member collected the Overall sash and first in AA grade with a 29/29 after surviving a four target shoot off. Event three, a 25 Double Barrel Championship, which on a good weather day, and with so many good shooters on hand, was always going to have a large number of full scores to shoot off, Peter Calandro, a Numurkah/Shepparton member, survived all contenders to collect the Overall sash and 1st in A grade on a score of 136/136. The last event was a 20 pair Double Rise Championship and Daryl Hunt, a Wangaratta member, dropping only one target, collected the Overall sash and 1st in AA grade with an excellent 39/40 score.

A long day, starting at 10.00am and finishing at 5.45pm with a lot of tired shooters at the end. Everyone in attendance declared it a very enjoyable day, with President of Echuca, Ron Traill, thanking all competitors for attending.

60 Years of Marriage

The RSL club in Moama on Friday 12th October 07 was the venue for friends of Harry (Snow) and Margaret O'Connor to spend the evening together, to celebrate the O'Connor's 60 years of marriage.

Still as inseparable and loving as when they first met. Snow and Marg live in Mathoura and are very active still in any activity in their home town. Snow, a founder and a committee member, and a very keen target shooter at the Mathoura Gun Club Inc, still has the ability to beat younger competitors at the sport, even though he is now 81 years young.

A very enjoyable evening for Snow and Marg and all their friends, and surely the O'Connors would have to be an inspiration to anyone contemplating the merging together of a couple in marriage.

26TH ANNUAL CRAYFISH CARNIVAL

Geraldton Clay Target Club, 21st, 22nd and 23rd September

Justin Pirrottina and Canterbury representative Geoff Faulkes

After weeks of organising and preparation and the addition of a new 7th layout, which made Geraldton Clay Target Club the biggest single user of Canterbury Traps in Australia. We also had wireless voice release systems on all layouts.

Once again shooters from the whole of Western Australia attended, as well as great numbers from the Eastern States and also this year we even had shooters from New Zealand.

A weather report on Thursday let us know that we were going to be in for some great weather over the weekend.

Friday's 1st event got under way right on 12 o'clock with once again great numbers nominating for a Friday event. Event 1 25tgt Points Score sponsored by Bailey's Marine Fuels. The overall winner was a first time traveler to Geraldton from over east and this was Neil Rundle with a score of 99/99. 1st AA Carsten Bager, 2nd AA Gary Kelly, 1st A Terry Shine, 2nd A Dean

Willcocks, 1st B Colin Gilbert, 2nd B Brenton Gilbert, 1st C Gerard Maginess, 2nd C Amanda Stokoe, Veterans Peter Iley, Ladies Leah Costanza, Juniors Lewis Chittleborough.

Warrick and his company PIS are major sponsors of our club and as we know sponsors are hard to find and with out them we wouldn't have the great trophies to give out at our big shoots. Thanks very much Warrick and PIS.

Once again it was that old champ from Perth Lars Bager who showed us that steely resolve of his to take out the event, well done Lars. 1st AA Neil Rundle, 2nd AA Geoff Faulkes, 3rd AA Gary Kelly, 1st A Mark Yozzi, 2nd A Neil Dowey, 3rd A Triston Moffatt, 1st B Rod Bailey, 2nd B Chas Genovese, 3rd B Michael Simunovich

O/A High gun winner Gary Kelly and Steve Sayers from Beretta Australia

Event 4 winner Danny Partridge with sponsors the Liberal agricultural team

Event 6 50 Target Double Barrel. Sponsored by Taylor Marine
We knew with the number of possibles that were on the board after all the squads had finished that we might be in for a long shoot off. As the shoot off got under way it gradually thinned out to one squad and the lights started kicking in. Most people started buying the tubs of prawns and eating them as they watched the great shooting in the shoot off. Melbourne shooter Neil Rundle out lasted Albany shooter Geoff Faulkes with a score of 166/166. Neil had a great weekend with 3 wins and a couple of places, for his first visit over to Geraldton, hopefully he will be back next year. 1st AA Geoff Faulkes, 2nd AA Terry Thurkle, 3rd AA Sox Pilipasidis, 1st A Nigel Millington, 2nd A Troy Braun, 3rd A Amaro Da Luz, 1st B Adrian Pradera, 2nd B Martin Padbury, 3rd B Geoffery Day, 1st C Amanda Stokoe, 2nd C Tom Birt, 3rd C Brendan Ryan, Veterans Robin Bailey, Ladies Sandra Cables, Juniors Royce Normington.

With the shoot off for event 6 finishing under lights, the Calcutta Auction started a little bit later than normal. With the prawns going down well and Bert and his band of chefs starting up the BBQs for the wonderful fillet steak sandwiches the auction was kicked off by our auctioneer Nick Bailey. With the pool starting off at about \$7000 and some great shots about we thought we might be in for a record amount by the end of the auction.

Nick did a great job of getting through the 180 odd shooters in good time and I think everyone had a great time and a few laughs.

Event 5 winner Lars Bager and Justin Pirrottina

Great blue skies, no wind and plenty of sunshine greeted us on Sunday. In addition there were a few sore heads and tired shooters after a great Saturday night.

26TH ANNUAL CRAYFISH CARNIVAL

Continued from page 13

Event 7 15 Target Points Score from 16 meters. Sponsored by Geraldton Business Houses. Once again we had \$250.00 for the winner in each grade AA, A, B, C, the winners were AA Neil Rundle, A Neil Dowey, B Tyson Armstrong, C Steven Keith.

Event 8 25 Target Single Barrel. Sponsored by Twin Disc. Rick Finch from Twin Disc has been one of the longest sponsors of the Crayfish Carnival and as a club we are forever grateful for companies like Rick's for their long-term support of the club.

Local shooter John Dohnt proved too good for everyone with a great score of 40/40. It is great to see our local guys taking it up to all the visitors, as every one knows a win in Geraldton is not easy. 1st AA Neil Pratt, 2nd AA Tim Steer, 3rd AA Keith Calder, 1st A Ray McDonald, 2nd A Neil Dowey, 3rd A Rodney Smith, 1st B Michael Simunovich, 2nd B Peter Stuart, 3rd B Chris Brown, 1st C Ashlee Chester, 2nd C Tom Birt, 3rd C Duane Deegenars, Veterans Robin Bailey, Ladies Sandra Cables, Juniors Tyson Armstrong.

Event 9 30 Target Crayfish Handicap. Sponsored by the clubs Crayfishing Members

After another great shoot off with a near record number of possibles, it was the great Sox Pilipasidis that triumphed over local shooter Martin Padbury. Sox has been coming over to our shoot for some time now and normally by event 9 he has already won a swag of things so he left it a little late this year but finally all the beer and pizzas paid off and he took home the crays. Sox was a new sponsor for our club this year so we had to be a little bit nice to him. 2nd Martin Padbury, 3rd Dale Nowland, 4th Leah Costanzo, 5th Amaro Da Luz, 6th Neil Johnson, 7th Tim Fry, 8th Jim Chandler, 9th Ken Green, 10th Nigel Millington, Veterans James Lithgow, Ladies Denise Page, Juniors Kingsley Smith.

Event 10 30 Target Double Barrel Calcutta. Over All sponsored by Bert Boschetti and Eddie Toomey, Grades sponsored by Professional Investment Services, Ladies sponsored by Latitude Pearls

David Fox went into the event trying to be the first person to win the Calcutta back to back and with Bert buying him the night before the pressure was on, and with \$9347.50 up for grabs for the owner of the winner. All shooters were bound to be a bit nervous. Also there was \$5608.50 and \$3739.00 on offer for 2nd and 3rd place getters respectively. David being the true CHAMP that he is didn't disappoint, all be it with a few shaky moments along the way. Twice during the shoot off David and Trevor Morris missed their same target. They definitely weren't thinking of the club so we could get presentations under way nice and early. So with David taking the \$1000.00 winners prize and a share of the Calcutta there was smiles all around for him and Bert and the other syndicates that picked up 2nd and 3rd in the Calcutta. 1st AA Trevor Morris, 2nd AA Lars Bager, 3rd AA Joe Gilbert, 1st A Kevin Holden, 2nd A Terry Shine, 3rd A Neil Dowey 1st B Chas Genovese, 2nd B Tyson Armstrong, 3rd B Wayne Bailey, 1st C Daniel Debattista, 2nd C Leonie Noble, 3rd C Amanda Stoke, Veterans Robin Bailey, Ladies Denise Page, Juniors Brenton Gilbert

When the presentations began the chefs down the back got the BBQ cranking for the excellent range of steak, chops, sausages and swordfish. Great cooking guys.

To begin the presentations this year we had a new encouragement award to present. John Clarke and Graham Jolly sponsored the award. They have committed their sponsorship of this event for at least the next 5 years, so once again thanks again John and Graham. There will be the major shield that will be left in the clubhouse and the top 3 juniors receiving a smaller shield to keep.

Peter and Gail Lemmon sponsored the graded high gun sashes and

Sox from Rio Ammunition and White Flyer Targets sponsored the prizes.

AA David Fox 311/320, A Neil Dowey 306/320, B Rodney Smith 300/320, C Tom Birt 284/320. Geraldton Cranes and Haulage sponsored veterans High Gun, the winner was Eddie Toomey. Jack and Laurel Hartley sponsored Ladies High Gun, the winner was Sandra Cables. Winchester Australia, Tim Steer sponsored Junior High Gun, the winner was Tyson Armstrong..

The overall High Gun was won this year by Geraldton shooter Gary Kelly. As well as the sash and badge which was sponsored by Reliance Petroleum Gary also took home a brand new Silver Pidgeon S Trap Gun worth \$2500.00, which was sponsored by Professional Investment Services and Beretta Australia thanks to both Warrick Simpson and Steve Sayers for their support of our Carnival.

A special presentation was made to Nita Bombara for her tireless work over the whole year preparing afternoon teas every shoot day as well during our 2 ? day Carnivals over the last god knows how many years.

For all the people who put money into the Lotto Syndicate we won \$907.00 so I reinvested the next week and I am sorry to say that we had no luck. Hopefully we will have better luck next year.

With all the formalities over for another year everyone tucked into the great food on offer with the swordfish once again proving to be in great demand. Followed by Nita's famous powder puffs for sweets.

I must also take this opportunity to thank all the Ladies for the great job they did over the Carnival keeping the competitors and their families very well fed. Our Ladies do a wonderful job.

To the members that took the time in the weeks leading up to the Carnival to do all they could to make the weekend the success that it was and everyone that went out of their way to help out over the three days, in addition to all the visitors who couldn't help out enough whether it was extra scoring or helping in the bar or just any time they saw us under the pump, a very special big thanks to you all.

To Ray our secretary/treasurer, always doing way more than is expected of him. To all the office staff that also did a wonderful job especially Julia who always makes herself available for the weekend. To Frank and Glenda for coming over and showing us and running their computer program from all accounts it ran extremely well whilst easing the workload in the office.

To all the handicappers and their new apprentice Sue Kelly thank you

A special thank you to all our Sponsors who have given generously again this year. As we all know without this support our big Shoots wouldn't be the same.

Professional Investment Services, Baileys Marine Fuels, Boss Transport, Bert Boschetti, Beretta Australia, City of Geraldton, Club Members, Dait Craypots, Energy Power Systems Australia, Fleet Hydraulics, Geraldton Pistol Club, Geraldton Prime Lamb Company, Geraldton Industrial Supplies, Geraldton Marine Electronics, Geraldton Business Houses, Geraldton Fisherman's Co-op, House in Geraldton, Geraldton Cranes & Haulage, Horrie and Steves Slipways, Latitude Fisheries, Latitude Pearls, Peter & Gail Lemmon, Liberal Agricultural Team (Bruce Donaldson, Anthony Fels, Brian Ellis), Max Marine, Margaret Rowe, National Hire, One Steel, Pages Auto Electrical, Radar Holdings, Raboank, Reliance Petroleum, Shoreline Outdoor World, Taylor Marine, Eddie Toomey, Twin Disc, Veriola Ltd, Westrac, Winchester Australia, John Clarke, Graham Jolly.

Lastly to all the shooters that traveled to compete or just enjoy the weekend, whether it be from around the corner or the other side of Australia we thank you very much for making our weekend the success that it was, and hopefully we can make it bigger and better next year for you all.

So till next year safe travelling and good shooting, from the Geraldton Clay Target Club.

Psychological Skills for Shooting

by Michael Kruger-Davis

COMPOSURE

Last month I wrote about the myths that get in the way of athletes developing appropriate mental skills programs in an effort to remain mentally tough. One of the features of mental toughness that I touched on was "composure".

What is composure? Patrick Cohn of Peak Performance Sports, argues that composure in athletes includes the following elements.

1. The ability to think calmly and rationally when under stress.
2. The ability to react calmly and rationally to errors during competition.
3. The ability to rise to the challenge with confidence when called upon or as needed.
4. The ability to identify and quickly extinguish mental barriers that undermine composure and cheat you from peak performance.
5. The ability to believe that there is no better person to win than you.

So, to develop these elements, what internal characteristics do we need to possess? We need to be calm, patient and poised. We need to have a relaxed but confident disposition, and we need to be able to give ourselves positive self talk and reassuring affirmations. We also need to be able to stay focused on the present, enjoy the performance or process, have a desire to compete and perform well, be a consistent performer, play to win and be a strong finisher.

Well, if these are the elements for composure, and we know what the internal characteristics are, then why can't we be winners all the time. The short answer is; because we are human. Being human means we think too much about what we are doing or why we are doing it. The long answer is that there are several roadblocks that get in our way.

Cohn believes that the following things can get in the way to us being composed?

- a. Perfectionism. It is an irrational belief to think that you can be perfect or that your world should be perfect. Being human, means that we make mistakes, misread the situation or make faulty assumptions that get in the way of our achieving our best.
- b. Worry too much about what others think. If we judge our performance by what we think others believe, then we will always fall short.
- c. Irrational beliefs. The following irrational beliefs are unhealthy and will stifle your effort and limit your potential. "I must be perfect all the time".
"I'm only as good as the quality of my performance", "Others are watching and judging me", "I think past events dictate how I perform in the present", "I label myself with ineffective names", "I must either succeed or fail: there is no middle ground, such as achieving a personal best."

Believing that you must be the one who wins, that your world will only be perfect if you're on top, that people will only like and admire you if you are the champion; beliefs such as these will prevent you from having the necessary level of composure to win consistently.

- d. Fear of failure. This is the main fear that confronts any athlete and can be extended to "fear of losing the match", "fear of being embarrassed by a poor score or performance", "fear of letting others down", "fear of not performing to one's potential", "fear of not meeting the expectations of others", "fear of not achieving anything for all the hard work involved", "fear of negative social evaluation" and "fear of not gaining approval".
- e. Self-doubt. This is probably the most important aspect of poor performance. It is probably what cause us to miss targets more than anything else. Self-doubt come from a number of causes but what it does is to allow our muscles to tighten and tense up. This stops us from being able to move in a fluid and easy manner and as a result we can't execute the swing and follow through as we would like and we miss. The same thing happens to golfers but instead of missing, they miss-hit the ball.
- f. Comfort zones. This means that when you are playing with a lead you play safe. This prevents you from taking necessary risks to maintain or even widen your lead. Trying to play safe will lead to you tensing up and starting to doubt your ability.
- g. Dwelling on errors. Because you focus on past mistakes, you are not able to stay in the present or stay focused on the process. Thinking about the past draws your attention to previously, lost targets, trophies, glory, etc. Unless you are in the present you can't shoot the target that is about to appear when you call "pull".
- h. Feeling intimidated or inferior because of the beliefs I have constructed around the ability of others.

Cohn has an eight-step plan for maximising composure; Firstly, discard your expectations. Enjoy the game. Remember it is a sport and there are lost of benefits to be achieved even if you don't win. By this I do not mean disregard your goals. Your goals and expectations are two different things. Secondly, Stop mind reading. Don't think about what others think about you. Focus on your goals rather than other people's expectations. Remember your competitors want you to fail so they can win. Thirdly, strive for success. Have a success-driven mindset that allows you to set positive, growth orientated goals. Next, reinforce a positive self-image. View yourself as a composed athlete and visualise yourself performing with composure. Fifthly, disregard your preconceived ideas about your abilities. Next, do not compare your skills with others. Achieve by focusing on the strategy for the competition, focus on the process and let the product look after itself. Seventh, let go of judgements. Trust and let go. Finally, prepare coping strategies for dealing with mistakes and errors. One strategy is to look at how you think about your performance. Remember that it is a sport and that there will always be another competition.

Riverina Ramblings

The adventures of a couple of ordinary blokes in the Eastern Riverina

"Pee Wee is on the phone for you" says the Golden Child with a giggle that Pee Wee seems to illicit from all females between the age of eight or eighty, I actually thought it was because of his funny shaped head but this was on the phone; strange that.

"How about going up to the mountains for a shot on Sunday, Mt Bogong is on" says the Yard Boy.

"Yep, I am up, I'll check with El Presidento as well, but that sounds terrific" says I

"Right, I'll meet you up there as Jane and I are going up anyway, and I will throw the gun in" (actually this means picking up the girly thing, whilst wearing white gloves, carefully loading it into its huge plastic case, and then making sure that all the spare parts that will (probably) be needed are packed in the campaign bag.

It is enormously painful for me to admit, but the form slump is over and the "Yard Boy" has been going alright. A half choke and some pink crackers have led to a forth place in the State Single Barrel, then he was leading the high gun into the Points before a lost target brought that to a halt. The boy was going all right. He cleaned up the high gun at Mt Bogong as well, it's nearly unbearable for those of us who have to put up with the strutting and unsolicited advice about our own foibles.

On that very topic he rang and wanted to go and have a beer after work the other night so he could relive the glory, but I decided to stay home and ended up playing Barbies with the Golden Child, at least she doesn't brag about how well dressed they are or whether they are standing right.

Whilst up in the mountains, Miss Kayla Grassi who would most probably be in her very early teens even felt the wrath of a fired up Pee Wee. Kayla up the front, in the handicap vs Pee Wee off 19 meters. It had been suggested that it might be nice if "Yardy" let her in for a win in this event as it is just a little club shoot and would give Kayla (who goes all right anyway) a real sense of achievement.

Not to be, Pee Wee crushed her ambitions with as little thought as smashing a bug. Shame on you Pee Wee. Jane (who obviously doesn't mind the shape of his head) was sitting with me in the gallery watching this shameful display, she just hung her head.

Brian couldn't even watch and was out the back with Jim West sorting through the rule book, checking on Pee Wee's 19 meter mark? Someone has made a blue I reckon, as he was on 21 or 22 mts last time I saw him shoot handicap and when I publicly and vocally accused him of cheating, He whips his book out and there it is A grade, 19 mtrs. A, grade for goodness sake. This bloke has been shooting AA for twenty years and here it is just prior to the State titles in A grade.

Far be it for me to accuse anyone of underhand behaviour, but I couldn't help but wonder what he had to pay the handicapper?

Mt Bogong, this has to be one of the most beautiful places to shoot clay birds in the nation. Great People, superb day. It doesn't get much better than this, even if you have to have a spell during your round for the dairyman to move his cows past.

Cheers
Keep Knock'n Chips off 'em

It's Your Call

No. 24

By
Bill McCarthy

You are refereeing a squad wherein a shooter fails to fire at a target. You move towards the shooter and two of the other squad members raise their hands and loudly announce "I heard a click!" (Quite a common occurrence).

The shooter opens his gun. What do you rule?

IT'S YOUR CALL

If you ruled "Lost Target" you would be quite correct.

GRTS 14 is quite explicit in outlining the procedure to be adopted for an apparent misfire. Moreover, Rule 1.10 (c) does not give a Referee an option if a competitor's gun is opened before the Referee examines it. In nearly every incident of this nature where a "click" is heard it will be an allowable malfunction. However, this may not be the case and on no account is the shooter to open his gun under any circumstances until and unless the Referee has gone through proper procedure. The well intentioned other shooters should play no part in determining the cause of the apparent misfire.

Here again, it can be a matter of equity and of maintaining a standard. If a Referee restores a target incorrectly for a shooter, he must be mindful that a different referee (who is abiding by the rules) may treat another shooter in the same grade differently in another squad.

Rules are not made to penalise. They are there merely and simply to create equity of the competition. Every shooter has a right to be treated the same as his contemporaries and by abiding by the rules without "shortcuts" we are fulfilling that right.

State Ball Trap Final at Echuca

Location: On the Murray River which forms the border between Victoria and New South Wales

In fine, cool, clear conditions, with just a gentle breeze, seven squads of shooters turned up at Echuca Clay Target Club, on the fifth Sunday in September, to compete for places in the 100 target Victorian State Ball Trap Final. With Echuca only able to supply two Ball Trap layouts, an early start was crucial, and it was very pleasing to see shooting start by the early time of 10.30am. With competitors shooting two rounds of twenty five then resting, before their last 50 targets, the shoot ran smoothly without shooters waiting for long periods before being able to participate.

Peter Mills OA & AA Ball Trap

Jim Shepherd OA & AA Mini DB

The State team's event was won by the North East Zone, with four Echuca members and one Yarrawonga member in the team, Terry Walls, Steve Atkins, Steve Calleja, Craig Scott & Peter Sing, with a winning total score of 429/500.

Surprisingly for Ball Trap, and the second event, a 50 target State Mini Double Barrel Championship, there was no requirement for any shoot off's as the scores decided all places.

Peter Mills a HMAS Cerberus Club member, led the way taking out the Overall and AA grade 1st places with a commendable score of 95/100, five targets lost out of 100 in the very tough discipline of Ball Trap, with enough breeze to move an odd target is very good shooting indeed. AA grade 2nd was local member Steve Atkins on a 91/100 score, A grade 1st was Terry Walls (Yarrawonga), on a 93/100, 2nd was Neill Cracknell (Maryborough) with 92/100 score, B grade 1st was Martin Collumb (International Gun Club) 85/100, B 2nd Craig Scott (Echuca) on 84/100, C 1st was Nathan Harris (Bendigo) with 78/100 and 2nd in C grade was Ian Phillips (Echuca) with a 77/100 score.

Event Two, a 50 target Victorian State Mini Double Barrel Championship, and Jim Shepherd, a Maryborough member, led the way dropping only one target, to collect the Overall Sash and 1st in AA grade, a 49/50 score on a day when the breeze had increased throughout the shoot, to the point it was moving the smaller, lighter, mini targets around quite a bit, is really good shooting, well shot Jim. 2nd in AA was S Atkins one target less 48/50, A grade 1st G Hargreaves also 48/50, 2nd in A was Geoff Ervin on 47/50 score, B grade 1st was S Lindberg 43/50, 2nd in B N Harris 42/50, C grade 1st was T Lindberg with a score of 40/50.

A big shoot day for Echuca Club with 150 targets thrown per shooter, yet running so smoothly that even presentations were all over by an early time, pleasing all those who competed on the day.

MIXED TARGETS AT MATHOURA

Location: 768 km south-west of Sydney in the Riverina Region of NSW

Friday night the 28th of September 07 was a relapse into winter, with a strong chilly breeze, making clay target shooting difficult for all the competitors that arrived at the Mathoura Gun Club to test their skills in the Victorian North East Zone night mixed target Championship.

Even with the quality of the shooters present, full scores were not on the agenda, except for one Deniliquin shooter Tim Maher who managed to hit all ten targets of the first event, a double barrel cash divide, well shot Tim! Warrick Kelvy, Murray Roberts, Roger Kerslake, Peter Akermans and Ian Phillips all sharing second place money on one target lost, a 9/10 score.

The NEZ 40 target Night Mixed Target Championship was out of a total of 60 points, and the closest with a score of 51/60 was Tim Maher, again proving to all others that he was the shooter to beat, once again well shot Tim, obviously heading straight back to A grade in the near future, collecting the Overall sash and first in B grade. A grade was taken out by Warrick Kelvy with a score of 48/60, and the same as the previous month, not a C grade entry, which is strange as the club itself has numerous C grade members!

Event three was a 5 Pair Double Rise cash divide and Echuca member, Ian Phillips collected 1st place with a 9/10 score, a member of the Euroa Gun Club, Laurie Fitzpatrick picked up 2nd place cash with a 8/10 score on the board.

Apart from the cold conditions, shooters were well looked after, with a warm fire in the clubhouse, and one outside, and plenty of food and drink on offer, everyone in attendance declared the shoot was very enjoyable.

Tasmanian Skeet Carnival at Hobart Gun Club

Location: Southern Midlands of Tasmania

The Tasmanian Clay Target Association Inc held its annual Skeet Carnival at Hobart Gun Club at Shene Road Mangalore on the weekend of the 29th and 30th September 2007. Conditions were quite windy with frequent scuds of heavy rain, making the competition very difficult, however there were patches of sun as well, an average turn up saw 31 shooters compete over the weekend. Numbers were down due to the retirement of a couple of older shooters and the fact that skeet shooter numbers are declining in most areas.

Some very good competition was seen again from Chris Rockliff, with wins in the Don Taylor Memorial Championship and the State 100 target Skeet Championship, Chris also won the overall High Gun for the weekend with a very creditable 190/200. This is Chris' 7th overall skeet carnival win.

Jim Briggs of Hobart knocked up an excellent 46/50 in skeet doubles in poor conditions, with good shooting also from John Foster, who banged out a 50/50 with the 20 gauge.

Scores were markedly higher in the 20 gauge event, showing the true worth of that longer shot string.

Two mainland competitors also made their way to Hobart, with Locky Irons getting good wins for A grade in the Don Taylor Memorial Championship and State Skeet Championship, along with A grade in the High Gun awards.

Veteran Peter Rockliff, Junior Isaac Tasker and Lady competitor Katrina McLaren also cleaned the pools in their various categories, with Katrina knocking over the A grade in the 20 gauge event.

All in all a very good weekends shooting was enjoyed by all shooters from all over the state.

Full details in shoot results section.

Gemfields hosts 93 shooters

**Located 35kms west of Emerald
which is 2½ hours inland of
Rockhampton**

The Gemfields Gun Club held their annual two day competition on August 18 and 19 2007. What a blast! How organized were we? I would like to make a special mention to Alan Grimshaw, Stephen Vale and Colin Jones for the extra effort they put in to get our ground to look as good as they did.

We are all aware that without help from the sponsors we would not have as successful a

weekend as we would like. So I would like to take this opportunity to thank Ian's Engineering & Welding Works, Coolamon Mining (Jim & Jenny Elliott), George & Ian Cross, Robert Cross and Candy Brennan, 4x4 Fabrications TJM, Baker Dolzan Industries (BDI), Bundaberg Rum, Goodyear Australia, Lenards Chicken Emerald, Michael Maguire & Company and Bettercorp for their invaluable support of our club.

Saturday morning saw 93 shooters nominate with an extra 4 turn up to shoot on Sunday. The weather was not as kind as we would have liked with cool mornings both days, Saturday was fine, but Sunday saw clouds gather and the heavens opened in time for the handicap event which prevented anyone from shooting a possible 30/30.

Once again we were fed like royalty by Karen Grimshaw and her team of helpers. Without the dedication of these ladies and gentlemen we probably would have ended up with baked beans on toast instead of the sumptuous three course meal on Saturday evening. Karen would you please pass on our thanks to those who helped?

An extra special mention must go to Rowan Woodrow, Wow what a great job he has done in creating the program that we used in the office. Veroniks Forsythe, Alan Grimshaw and Andrea Jones believe that the office ran more smoothly than ever because of this fantastic programme. Ian

Mylrea, Zac Grimshaw and those who helped out at the bar, saw that we did not go thirsty. Most of us can thank you guys, but there was a few sore heads who may not have felt the same way in the earlier hours of the day.

Congratulations to all those who shot well enough to win prizes and commiserations to those who didn't. Just remember that there is always next time.

See you around the traps.

LANDMARK NARROMINE 100

Location: Situated near the centre of New South Wales and forms the heart of the rich Macquarie Valley

We couldn't ask for a better day for the Landmark 100 which was held on Saturday 22nd September. Brilliant sunshine and a slight intermittent breeze made the conditions near perfect for shooting the 100 target Double Barrel Handicap event. Once again many shooters traveled to our fair town from far and wide in the hopes of taking home the \$1,000 Overall 1st prize. After a 15 target eye opener they were into the first quarter, competition was close with 4 competing in the shoot off for the quarter's prizes. Peter Fitzalan narrowly defeated Adam Piddington. In the second quarter again four competed in the shoot off, Cliff Overton narrowly defeating Craig Woods.

Finally the possible 25 was achieved in the third quarter and then again in the fourth. In the shoot off for the third quarter between Kyle Walton and Peter Jones, the tally was tied, but Kyle won on points score. This was repeated in the fourth with Cliff Overton narrowly defeating Peter Fitzalan.

Narromine Clay Target Club would like to thank our sponsors, as the event would not be possible without their support; Landmark, Elders Ltd, NM Owen Pty Ltd, Namoi Cotton, Inland Petroleum, Luke Cross Engineering & Rigging, Frank Cross Tyres, Edgerton Nursery,

DAY/NIGHT SHOOT AT KEMPSEY

Location: Situated right in the heart of the Mid North Coast of NSW

Saturday 15th September was a perfect spring day for doing anything outside in the sunshine, especially shooting. So to say we had a perfect day was no understatement. The day began with a 25 Target Double Barrel from 15 meters, with 18 shooters vying for a share of the cash.

There were no AA grade shooters, but the results for the other grades are as follows; A grade S Bailey & K Sanders 25/25, B Neill & S Saul 24/25; B grade S Kelly, J Gosling & B Mitchell 24/25; C grade Teegan McCloy, J Burke & R Duck 23/25.

Bill Neill (High Gun)

B Mitchell

Ken Saunders

Glen Baker

The second event was the 50 Target Double Barrel Handicap Cedar Town Championship sponsored by Col Britton who unfortunately was unable to make it to the shoot. He was missed by one and all but his support was appreciated. The winners were decided after a shoot off which is always very exciting, they were 1st B Mitchell 51/53, 2nd D Piper 50/53, 3rd K Saunders 47/51.

We had afternoon tea throughout the afternoon and the ladies (Robyn Baker, Kerry Poiwick and Meg Gosling) prepared some great treats yet again. I always go home from a Kempsey shoot a kilo or two heavier than when I arrived. Then after the day shoot we were given a wonderful BBQ for dinner as we waited for nightfall the start of the night shoot.

To kill more time and amuse the impatient shooters we had a box shoot starting at 20m and going back a metre each time we hit our targets. Ten shooters started and when we were back 30m there were

Lesley & Jenny Baker giving shooters a hard time

only two shooters left, Steve Saul, A grade hit his target but Lesley Langer, C grade, was unable to hold her nerve to push him back a further metre. Steve took home the cash, but we all had some really good fun.

Prior to the commencement of the evening shoot we remembered a regular Kempsey shooter who passed away early in September. Terry Craggs was a keen competitor and took some beating on his day. He was always friendly and well liked and will be sadly missed around the traps.

Nightfall took effect and the spotlights came into operation when we started a 10 target eye opener event. Then straight into the 50 Target Double Barrel 15m Night Club championship. Those fluro targets were heading out into the darkness, some never to be seen again. Glen Baker has been saving himself and not doing much in comp, though regularly helping with smooth running of the events. This

May family watching the night shoot

Dick Piper & Ted Baker

Saturday night was his night to shine. He hit all 50 targets and easily took out the AA grade. There was some fine shooting taking place that night. The results for the night shoot were; AA grade G Baker 50/50, A grade K Saunders 47/50, B Neill 46/50, B grade J Gosling & T Baker 42/50, C grade R McCloy 43/50, L Langer 41/50.

Bill Neill A grade 147/150 took out the High Gun for the shoot and he was a worthy winner shooting consistently all day. Well done Bill.

Jenny and Lesley Baker worked all afternoon and into the night to record the results. Great job ladies. Thank you one and all for helping ensure we had another great day shooting.

The Hindmarsh Shire held a DTL coaching day at the Jeparit Gun Club on October the 14th. The day was funded as a part of the Drought Recovery Program, with generous sponsorship from GB Corsivia and Wimmera Outdoors.

Clays, cartridges and lunch were all provided free of charge. Thirty shooters attended, ranging from novice to experienced and junior to veteran. The weather was warm and the flies more than friendly.

The coaching was taken by Nathan Cassells (Australian shooter and former World Junior Champion), Jim Shepherd (ACTA Coach) and Glenn Woodhatch (State Coaching Co-ordinator), who all travelled from Bendigo for the day.

Shooters were coached on a variety of aspects, including safety and technique.

Junior members of the Warracknabeal Trap & Skeet Club, who also make up the Warracknabeal Secondary College shooting team, were invited to attend. The team recently came second in the Winchester-VCTA Schoolpersons' Championship. They will compete in the November VCTA state carnival against Deniliquin High School and the two top New Zealand schools. The boys picked up some valuable tips which will help them in the upcoming competition.

A 214 Break decides Double Barrel Event at Melbourne Gun Club

On Saturday the 15th September, Paul Haslam and Frank Santoro entered a shoot-off to decide the winner of O/A and AA in a 100 target Double Barrel event. Both Paul and Frank had shot the possible 100 to qualify for the shoot-off.

The interest was evident with the number of spectators increasing as their scores approached 200. When both shooters reached the 200 break without a result the contest reverted to Points Score.

At 214 Frank Santoro pulled a second barrel leaving Paul Haslam the winner of O/A and AA and both shooters with a 214 Double Barrel break.

It was the first 200 break for both Paul and Frank.

2 DAY SKEET BONANZA

On Saturday 13th and Sunday 14th of October the Cecil Park Clay Target Club held its 2 day annual skeet shoot. Saturday morning presented with windy conditions which made the setting up of the targets a little difficult to say the least, but with the help of Michael Maloney, John Cunningham and Mark Newman we were able to have the targets through the hoops and traveling the required distances.

Eight squads nominated for the shoot and the first three squads were on the layouts for the John Guberina sponsored, fifty target championship at just a few minutes after 10am.

The results for the first event are as follows:-0/A Gil Farish 68/68, AA 1st Julian Lucchitti 63/64, AA2nd Adrian Lucchitti, A 1st Vince Gatt 67/68, A 2nd Ben Buhagiar 66/68, B 1st Robert Clifton 57/58, B 2nd Carina Cavallaro, 53/55 C 1st Neal Guy 46/50, C 2nd Don Badewitz.

The second event was sponsored by Colin Sim and this was the fifty target handicap. After a fairly lengthy shoot-off that had to be completed under lights the results are:- First place, Michael Maloney, 2nd Leo Pezzano 3rd Carina Cavallaro and 4th place went to Adrian Lucchitti.

Sunday morning greeted us with much better conditions with a bright clear morning and just a hint of a breeze. With the same aforementioned people again helping to set the targets we were under way with event three at around 10am.

Event 3 was the Ross Dawson Memorial Championship and for those of us who remember Rosco would be an honour to win this event. Seb and Carina Cavallaro from Cavallaro Building P/L sponsored the event and the results are:-

O/A Colin Sim 83/83, AA 1st John Guberina 82/83, AA 2nd Adrian Lucchitti 63/63, A 1st Reg Clarke 49/50, A 2nd Sim-Hee Neoh 58/58, B 1st Wayne Petersen 55/56, B 2nd Carina Cavallaro 49/50, C 1st Don Badewitz 46/50, C 2nd Peter Dent 43/50.

The fourth and final event was a fifty target championship which was sponsored by the hard working team of Michael and Marina Maloney from M&M Transport. The results for event 4 are:-O/A Adrian Lucchitti 62/62, AA 1st Peter Vella 61/62, AA 2nd Tony Vallelonga 60/61, A 1st Colin Sim 77/79, A 2nd John Cunningham 76/79, B 1st John Harris 49/50, B 2nd Wayne Petersen 44/50.

The overall High Gun winners are:-O/All High Gun Adrian Lucchitti 198/200, AA High Gun Gil Farish 197/200,

A High Gun Ben Buhagiar 201/208, B High Gun Carina Cavallaro 196/200 (sensational), C High Gun Peter Dent 175/200

Ladies High Gun Carina Cavallaro 196/200 (again, sensational), Junior High Gun Lucas Statz-Cowell 147/200

On behalf of the Cecil Park CTC I would like to thank the following sponsors for their generosity.

John Guberina, Colin Sim, Seb & Carina Cavallaro Building Pty Ltd

and Mike & Marina Maloney, M & M Transport. Also Adrian and Julian Lucchitti, Ben Buhagiar and Mark Newman.

To our hard working father and son team Barry and Lucas that presented the grounds looking as good as they did and for keeping the traps topped up. Thank you.

Thanks to Steph and Marina for the great job in the office and thanks to Frank Auditore for his continued computer work in the office.

It was a little disappointing to have only eight squads of shooters turn up to such a great shoot, there was around \$7000.00 worth cash and prizes on offer to be won. In particular to the local skeeties that did not attend, you really did miss out on a great weekend of skeet shooting.

We will be changing the date for this shoot next year with a view of attracting shooters from Queensland. To all who attended I trust that you had an enjoyable weekend and hope to see you and all your mates next year.

Good health to all....Ben Buhagiar

BUDGE FINAL AT MORWELL

**Location: In the heart of West Gippsland Morwell,
148 km east of Melbourne**

The Budge Shield has been contested by all of the local Gippsland clubs for the past 46 years

with records going all the way back to 1961 – the Budge Shield that year was won by the now disbanded Sale club.

The early years were dominated by the Korumburra club and in the last 10 years Foster & Morwell have been the main winners.

The format has changed several times and is now a 25tgt Handicap event with the best 5 scores from each club to count and this encourages clubs to get as many shooters to attend as possible which will give them more scores to choose from. Each Gippsland club holds a round sometime during the year and the final is held at Morwell Gun Club in September.

Forty-one shooters from all over Gippsland gathered at the Morwell Gun Club on the 15th September for the final of the Budge Shield team's event.

The day started with a 5 target handicap points eye opener and there were only 4 shooters that had red ink at the end of this event (with each grade having a possible), AA went to C Murphy, A to J Attard, B to K Newman & C to F Mannuzza.

The Budge Shield saw only one possible shot, that of Lynne Curtis (25 mtrs) 25/25, 2nd was T Malone (24 mtrs) 24/25 and there were 7 shooters on 23/25 after a short shoot off 3rd was taken out by one of the Gippsland only women and Morwell club vice president Brooke Mc Millan (17 mtrs) 34/35 with J Attard (22 mtrs) taking out the back marker with a score of 23/25.

The daily team's event was won by Morwell on 119/125 and the overall Budge Shield was won by Morwell.

The series High Gun was won by Bairnsdale shooter Lynne Curtis (25mtrs), 2nd was W Parks (25 mtrs) & 3rd was T Malone (24mtrs).

Morwell GC Secretary G McMillan, president Chris Murphy pictured with Karen Sangster (Budge Shield Secretary) overall winners of the Budge Shield for 2007

This was great shooting from all of these back marker shooters.

The 2nd event for the day was a 60t Double Barrel Championship shot over 3 traps with only 3 competitors shooting the possible.

After a shoot off that finally went to points AA shooter P Mills 125/125 was the overall winner and 2nd in AA went to young junior from Foster F Finken 125/125. A grade was taken out by T Malone with a perfect 60/60 and 2nd was B Stokes 65/66, 1st in B grade was none other than N(Magpie) Rowley 67/71 and 2nd went to G Dinsdale 66/71, 1st in C grade was J Griffin 48/60 and 2nd F Mannuzza 47/60.

The Morwell Gun Club receives great sponsorship from Bob Jane T-Mart Traralgon and this shoot was no exception with D Corke from Bob Jane making available 4 graded High Guns for this shoot, these went to AA L Curtis 88/90, A T Malone 87/90, B A Bird 81/90 & C F Mannuzza 75/90.

AUSTRALASIAN POLICE AND SERVICES CHAMPIONSHIP

Majura Park Gun Club recently hosted the Australasian Police and Services Championships. Willo, Matty, Buck and other club members worked hard behind the scenes to provide an excellent shoot. The conditions were extremely windy and sometimes overcast, presenting a challenge to all shooters. So much so that personally, it was hard to accept a prize knowing how many targets were blown into the path of the shot by accident. As a first timer to Majura Park, the hospitality extended by Majura Park club members was excellent. If you want a challenge, good shooting and excellent hospitality, visit Majura Park. Thank You

NEWCASTLE LAKE MACQUARIE

Open Day declared the most successful ever

Definition of “Awesome” – Saturday the 15th September 2007. This was the day Newcastle Lake Macquarie Clay Target Club held its annual open day.

The great weather – a fine and warm 24 degree day with little wind, made for perfect conditions for shooting.

Originally established to increase the profile of the sport, and to encourage other shooters to visit our club, the open day is now seen as a must do event on many Novocastrians calendars. Due to the success of last years open day where 174 attended, members of the club expected a big day and they weren't disappointed.

Anyone aged 12 and upwards was eligible to try their hand at shooting and members bought their own registered firearms, totaling 52, for participants to use.

Visitors came from all around the Hunter region including Lake Macquarie, Newcastle, Maitland and others traveled from as far as the Central Coast and even Sydney.

At 10am the first of the participants filled out the required forms, paid \$2 for 5 targets and was guided to one of 5 layouts. Each layout had a dedicated team of club members fulfilling the roles of coordinators and instructors. Once participants were on the layout and given all the necessary safety instructions, tutorials followed.

Slower incoming targets were seen as bold as ever against the bright blue sky, to ensure everyone could have the best possible chance of hitting them. Those that got the bug brought more than one ticket, some going back 5 and 6 times. A total of 887 tickets were sold to

323 registered visitors. Once they mastered the incoming targets, or simply wanted more of a challenge, the clays were set at “away”.

It was a fantastic atmosphere where Mum, Dad and the kids all had a go and could see what a great family sport shooting is. Just as exciting was the number of teenagers and young adults attending.

Like all clubs we know the importance of introducing younger members to the sport.

At 5pm our last visitors left, enthusiastic about having had such a great day and enjoying the warm hospitality that Newcastle Lake Macquarie CTC is famous for.

To cap off such a successful open day, 54 people enjoyed shooting so much, they applied for a temporary permit.

I would like to thank club members and their non member families for their valued assistance. Obviously the success of the day was due to their commitment to the event and the club. Based on the outcome of this year's open day, we expect next year to be even bigger and better.

QLD Northern Zone Trap Carnival

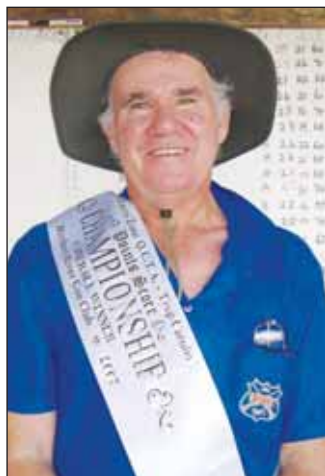

Location: 1km west of Ingham. Ingham is located 110 kilometres north of Townsville

The Herbert River Gun Club was the host for this year's Queensland Northern Zone Trap Carnival with 58 shooters coming from the Herbert River Club, Townsville, Burdekin, Normanton, Cairns, Cooktown, Atherton, Mt Isa, Pt Denison (Bowen) and Pioneer (Mackay) to try and take out at least one of the sashes up for grabs. The weather was typical North Queensland weather with the sun shining bright and a light breeze blowing.

President Wayne Reeves started the shoot by wishing everyone luck and the first Overall winner was fox Jeff Taylor after winning the shoot off with one AA grader and three other A graders.

The Single Barrel was next up on the program. There wasn't a possible to be seen in this event but five 24's hit the tracks to see if they could take the sash and after a 23 target shoot off, Barry Bosworth was the Overall winner.

A very surprised Noel Benson was the Overall winner of the Points Score Championship after shooting one of three 75/75's. This event also determined the winner of the Interclub Team match which was contested by 8 teams this year and the Normanton Club were the winners consisting of Wayne Reeves, Diane Reeves, Dean Reeves, Ted Matthews & Nimmo Bruce with 344/375.

Noel Benson Points Score Champion

After these events were finalised the scores were tallied for the Northern Zone team. The open team consisted of Barry Bosworth, Bruce Murphy, Gavin Whiteside, Ray Collinson, Noel Benson & Jar Smaniotto. After shooting for the team scores the Northern Zone Trap Champion was awarded to Bruce Murphy after he shot a perfect 75/75 after going into the team with a 123/125.

The Women's team was, Diane Reeves, Carol Betteridge & Kristin Williams and the Veteran

Interclub Team Match - Normanton

team saw Noel Beal, Nimmo Bruce & Mick McGill take to the tracks.

The final event for Saturday was the Northern Zone Handicap Championship. First place went to Gavin Whiteside from Kristin Williams and Peter Ward.

After a lovely tea of roast pork which had been on the spit all day, capably looked after by Mark Kirk and his band of helpers the Herbert River Gun Club held the Northern Zone Night Points Score Championship with Wayne Read a very happy winner after a one target shoot off.

Sunday dawned a little overcast and a tad more breezy than the day before and the scores reflected this in the Single Barrel section of the 45 target Medley Championship. Dean Reeves didn't have any problems shooting an impressive 74/75 to take the Overall sash.

The traps were set for the Double Rise and after the competition was complete it was an A grader, Neil Sinclair and a B grader, Barry Edwards tied with the highest score of 25/30. After the 10pr shoot off Neil was the Overall winner.

The weekend was all over and after all scores were added there weren't any shoot offs required to sort the High Gun winners. Overall was taken out by Barry Bosworth with 242/255. Bruce Murphy held on to take out AA grade with Gavin Whiteside shooting 231/255 for the A grade prize. Joe Sebastiani was the B grade winner with 221/255 and after taking out most of the C grade prizes, Arthur Hobbs was the High Gun winner as well.

Carol Betteridge took out the Women's High Gun with 224/255. Jarvis Faulkner shooting at his first ever competition took out the Junior prize and Nimmo Bruce shoot 225/255 to take home the Veteran's sash.

It was great to see the Overall prizes were shared by 7 shooters in 7 events proving how close the competition was. Thanks to all who helped out, before and during the carnival which made for a great weekend.

Hope to see everyone again next year out in The Curry where the competition will be just as hot.

Sash Winners: Back Barry Bosworth, Bruce Murphy, Wayne Read, Jeff Taylor, Neil Sinclair, Dean Reeves. Front Nimmo Bruce, Jarvis Faulkner, Gavin Whiteside, Carol Betteridge
