NATIONAL PRESIDENT'S NOTES

John Mack

Congratulations to all our overseas competitors!!!!!!

Beijing Olympics 2008

How proud we were of our members competing at the Beijing Olympics, no medals were brought home but making two finals and a shoot off for a Bronze Medal were brilliant performances. With very little media coverage of our sport, shooting fanatics spent their days glued to the internet it was the only place to see how our members were performing!!!

Ireland World down the line Championships 2008

August was also the month for the World DTL Championships held in Ireland and with representative teams in all sections, again there were some brilliant performances.

ACTA Board Member Lynne Curtis was placed 3rd overall, with our Open Team placed 3rd overall. Our juniors were also exceptional with Glen Barton becoming the World Junior Champion and Anthony Rullo taking a Bronze Medal in 3rd place overall, with our Junior Team taking 1st place overall. ACTA Board member Geoff Faulkes was placed 3rd in Veterans, with our Veterans team placed 2nd overall. Our Ladies Team was also placed 3rd overall. Look out for the full article with all the results in the next months CTSN.

Beretta Girl Action Day

The second Beretta Girl Action Day is being held on the 12th October 2008 at the Melbourne Gun Club and if last year's event was anything to go by it will be a huge success, the A.C.T.A. will be actively involved in promoting our sport alongside other National shooting organisations such as Field & Game and the S.S.A.A.

The National Executive have approved that all Pre-Nominations received for the 2009 National Trap championships will be Pre-Squadded.

Any person wishing to compete at these championships is urged to pre-nominate as numbers will be limited and that shooters nominating on the day cannot be guaranteed entry into the event. Any person who has pre-nominated and is unable to attend will be given a full refund if notice is given prior to the day's competition.

It should also be noted that payment of the nomination fee only entitles the nominee to enter the event. Changes by management to the program including the number of targets shot will not incur any refund.

National Executive

FROM THE CEO

It is with some sadness I write my final "From the CEO" column, as I prepare to leave the ACTA and return to Sydney.

It's been a tremendous year, and I've enjoyed meeting so many members at the various National Championships, both in Wagga and around Australia. It was great also to visit some clubs for State Events too, including Townsville and Echuca and to man the Shot Expo Stand with the enthusiastic crew from Marconi Gun Club. Beretta Girl Action Day was unforgettable – congratulations again to Luca, Greg, Gina, Russell, Lauryn and all the Beretta workers and volunteers. I'm sure BGA11 at the Melbourne Gun Club this month will be even better!

At the Secretariat there have been some changes during the year, with new staff including Sue Pim (who is currently running the DTL World Championships in Ireland) who has come on board as Finance and Operations Manager, and Kaz Butts who is now working full time for the National Office. Both Sue and Kaz bring a wealth of knowledge of your sport, and its administration. Some original faces remain on the team including Maureen Ryan as Membership Officer and CTSN co-ordinator, with Sue Vesperman manning the Reception Desk and David Jocelyn continuing as the Grounds Curator. I would like to thank the staff for their support, and ask you, the members, to recognise their dedication and the effort that they put in on your behalf.

We've made sure that your Association now complies with statutory and financial reporting obligations, and put in place some of the building blocks for future sustainability.

Getting to know ACTA's stakeholders and build relationships was one of the key tasks I was given in October 2007. Our communication channels have opened with our neighbours at the National Grounds, AISL, and a range of other shooting bodies. I've worked hard to let the local community and politicians know just what \$ benefit clay target shooting brings to their city and region each year, and your Executive now have some exciting options to consider for the future as a result of rebuilding the relationship with Wagga City Council.

Our media presence has grown, but it is only the tip of the iceberg. I'd once again like to thank Alex Smith from Channel 9 Brisbane for his assistance, and for his persistence in trying to get a comprehensive media strategy underway.

With the assistance of my staff I've tried hard to present an atmosphere at both the ACTA office and its various events that is both welcoming and enjoyable. I know the team at ACTA HQ will do everything they can to make sure that continues!

To President John Mack, and the National Executive members who have provided assistance and advice over the past year – it was very much appreciated.

Finally, I wish all of you the best to reach your potential in your sport, whether it be as a recreational shooter, or at club, state, national or international level. But most of all PLEASE ENJOY IT!!!

Tallawalla CTC Hosts Queensland Central Zone Skeet

Location 836 km from Brisbane and 190 km from Rockhampton

Qld Central Zone Skeet was held at Tallawalla Clay Target Club on 26th and 27th of July

Bruce Powell arrived in style in his helicopter and this may be of interest to a lot of the shooters around the country. Blake Geary a new junior shooter was excited to be able to get up close to Bruce's chopper as he arrived Saturday morning in time for the shoot.

Bruce Powell and Brian Muirson

A good weekend was had by all in difficult light conditions for some with sunny clear skies becoming partly cloudy. The grounds were a lush green from all the rain and in top conditions. The President of the Central Zone Brian Muirson thanked the major sponsor West-farmers Curragh Mining for the \$1000.00 cash prizes. Rod Bridges then with Brian's help distributed the prizes to the shooters.

A very big thank you to all those who put in a big effort to make the shoot successful and worked in the kitchen, bar, office, referees, scorers and the members filling the trap bins and keeping us all shooting. Thank you one and all and a big thank you to Rod at Curragh once again.

GROUNDS COMMITTEE REPORT

This is the first of what will be regular reports to the membership from the committee now responsible for the development of your National Ground. I want to say from the outset that although many are negative towards the grounds as they exist and some to the idea of a National Ground in total, as long as it is ACTA policy to have the grounds we will give 100% to ensure its development and success.

The committee consists of Robert Nugent Chairman, Ron Traill, Peter Haley, Daryl Pasfield, David Howe, Dennis Harwood. Others may be seconded as required.

The committee members were elected in June of this year. The first task has been to review the safety templates in place. A shortfall had previously been found on our southern boundary and the previous executive had already began negotiations with council to extend our lease over the required area. This negotiation is ongoing but in the interim council has provided an overfiring rights agreement over the property.

We found a shortfall in the templates on traps 14 & 15 and immediately made arrangements to meet with the neighbour Mr. Rod Brown. A very cordial and enlightening meeting was held at the National Office between Nat Pres John Mack, Mr Brown, his son and myself. An overfiring right was agreed to and has since been signed by Mr. Brown.

We also found a shortfall on the eastern boundary. Overfiring rights have now been granted by the Wagga Pistol Club. Whilst as far as we can ascertain we are now totally legal as far as templates go, it is to be remembered that firing rights are granted at the leisure of the grantee and can be removed at any time. Therefore we will be continually looking at options to further secure the safety template area.

The committee has now moved to reviewing existing infrastructure on the grounds. We believe the most critical area that needs immediate improvement is the power supply. To this end we have budgeted \$40,000 to upgrade the existing 63amp supply to 200amp upgrade requires new transformer, switchboard and the installation of CT metering, as well as some further distribution work on the grounds. We have two of three quotes requested and hopefully the upgrade will be completed this year.

Power on the Gaza Strip may need to be supplied with a generator long term as distance is a problem, and it is only used twice a year. I would like to get landscaping to the stage where over the gully is affectionately known as the Gaza strip because it is exactly the opposite, like calling a redhead blue.

We were approached by Wagga Club with an offer to contribute towards the installation

of lighting on three layouts, and upgrade the kitchen in the old clubhouse. The committee felt these were worthy projects, especially the lights, and have agreed to contribute half the cost of both projects with Wagga to complete installation.

The committee has instigated a new working relationship with the Wagga club which we hope will give them more ownership as the "Host Club" and intend to work closely with them in the future to better progress development. We commend them on their offer to contribute to the cost of assets at the National ground.

Wagga club can apply for State govt funding towards ground development whereas the ACTA can not (as far as we know at the moment). We will be working closely with the Wagga club to source any available funding, and agreed that if it is available on a 50% basis we will contribute the half to match the govt funding.

Changes made to the relationship between the host club and the ACTA will now free up the grounds staff to put more effort into ground development and landscaping.

None of the committee members are in the Wagga area, and we believe the National Office is exactly that and shouldn't have daily input at the grounds, so we felt it necessary to have someone on the ground. To this end we have seconded Arthur Turner who will oversee day to day work at the grounds by ACTA staff. We thank Arthur for his kind offer to assist. This year's budget also includes an amount for new landscaping. This work may not be too obvious in the short term as much is needed in the way of underground water reticulation before we start planting madly.

Comparison is being arranged between cost of our own bore water and that of town water supply. Water restrictions have hampered progress on landscaping to date, and it appears from information supplied by Wagga Club that the bore may be able to sustain 6 fully grassed layouts.

I have heard many reports of offers made to the association to assist the progress at the grounds, which were never taken up. I don't know whether there is substance in these reports or not. If anybody can help in any way, let me know.

I would like to ask any members wishing to have any input, advice or offers of assistance, to contact me, preferably by email. bakaroma@hwy54.com.au

I am especially keen to co-opt someone willing to chase funding and sponsorship for the grounds eg backs of scorers chairs, layouts, BBQ areas, shade covers, tree plantings, earthworks, tradesite buildings, gardens etc the list is never-ending.

*Until next time,
Robert Nugent*

SUCCESSFUL 2-DAY SHOOT AT ROCKHAMPTON

Location: On the Tropic of Capricorn Qld.

One hundred and seventeen shooters from all parts of the State travelled to Rockhampton for the Annual Two Day Shoot on the Queens Birthday long weekend in June. The grounds once again were prepared to a high standard by the resident caretaker Les Gordon and his helpers. With perfect Queensland weather and shooting conditions the weekend got off to a fine start. Vic Hyde had the traps set right and the targets were sitting like dinner plates.

The generous support from our sponsors saw a great display of trophies and a \$2,000 handicap purse. As every Club would know sponsorship is the key to staging a successful event and special thanks goes to the following sponsors: Thomas & Coffey, Casella Wines, Cambridge Hotel Motel, Campco's Great Outdoors Centre, Grange Contracting, Westco Truck Sales, Rural Press Ltd, Clay Targets Australia and Kenna's Chartered Accountants. We would be amiss if we did not mention the efforts of Geoff Beck, Mark Warnock and Jane Gordon who attended to kitchen duties over the weekend. They worked tirelessly to keep smokes and lunches flowing throughout the weekend. Also a big thank you to all who lent a hand on the weekend, your help was very much appreciated.

Last but not least thank you to the travelling shooters, without your support the shoot would not have been the success it was. Be sure to put this event on your agenda next year.

Two Days at Townsville Gun Club

North Queensland turned on its sunshine for the first day of shooting after a week of drizzling rain which had freshened up the grounds. But little did we know the gremlin trap monster must have come in with the rain, it was a bit hectic for a while until Tom chased out the monster, a hammer was the tool of choice, rushed out to one trap.

Shooters traveled from Mount Isa, Mackay, Cook Town, Normanton, Dalby and Emerald. Ten squads + 1 late comer started the first day's proceedings.

Event 1 1.00pm 25T DB Trophy sponsored by Clay Targets Australia. Only one possible in AA Brett Williams 25/25 with Ray Collinson 43/44 the victor of a shoot off for second. In A grade we had three possible scores which resulted in a shoot off, Geoff Archer 30/30, Jeff Taylor 29/30, the remaining shoot offs were over very quickly B grade Dee Colls 25/26, Tony La Spina 24/26. C grade Chris Allan 27/28, Ralph Escriva 26/28, Best Lady Diane Reeves 24/25, Best Junior M. Venter 23/25 and best Veteran Peter Ward 26/27.

Event 2 25T Points Score Trophy sponsored by Pump n Power. The traps had settled down and all was running smoothly. With only one possible score from visiting Normanton shooter Diane Reeves well done. AA grade Dean Reeves 73/75, Ray Collinson 72/75. A grade Diane Reeves 75/75, Noel Benson 74/75. B grade Dee Colls 74/75, Pio Bonato 71/75. C grade Jim Kitsas 67/75, Ralph Escriva 65/75. Best

Junior M Venter 72/75, best Lady Celeste Allan 64/75, best Veteran Peter Ward 72/75.

Event 3 25T Single Barrel Trophy sponsored by Ian Carty Transport. This event sorts them out in Townsville particularly as the shadows had started to move in on the lay-outs, as you can see by the short shoot offs. AA grade Bruce Murphy 27/27, Brett Williams 26/27. A grade Andrew Bowater 24/25, Peter Mackey 28/31. B grade Matthew Carty 33/36, Pio Bonato 32/36. C grade Steve Vale 21/25, Joe Collins 20/25. Best Junior M Venter 19/25, best Lady Diane Reeves 21/25, best Veteran Tony Laspina 21/25.

The shadows were getting very long now as we had a chance to relax with refreshments and a wonderful BBQ dinner before the start of the Northern Zone Night Championship. It is now that I wish to thank the ladies in the kitchen for their fantastic effort in supporting all of us with an excellent meal.

As we have only two layouts for night shooting and 42 shooters (7 squads) I had the shooters on their feet as soon as the dessert was finished.

Day 2 Attendance 68 9.00am start Event 5 50T DB Trophy Sponsored by Winchester Aust. With special thanks to Greg Mitchell for his attendance and presentation of trophies +1 from the first day must have been ecstatic about being in a squad with other shooters so excited that he shot the lot winning this event outright.

With the only possible gone, the battle had to take place with all the 49/50 scores Ray Collinson and Bruce Murphy from AA and nine in A grade plus B and C grade shoot offs. The first squads started shooting ten on each layout as they moved on placings in B and C grade were quickly resolved but the battle was still taking place out front with Bruce and Ray. The A

graders had reduced enough to join them on one layout now shooting 25 at a time and just as the organizers were making plans to set them up on the fourth layout so the rest of the program could continue we had a result as follows: AA (+1) Errol Reeves 50/50, Ray Collinson 109/110, A Noel Benson 97/98, Bruce Bowater 96/98, B Brendon Bullick 52/54, Matthew Carty 51/54, C Peter Ballarino 45/50, Len Carty 48/54, Best ladies Diane Reeves and Dee Colls 47/50, Best Junior M Venter 46/50, Best Veteran Peter Ward 49/50.

Event 6 25T Cash Handicap for 1,2,3. Again we only had one possible in this event from a junior Daniel Edwards 25/25 at 15m, so that effort cleaned up the biggest envelope of cash. Now we had 21 shooters to shoot off for 2nd and 3rd, we lined them up in Indian file 15m back to 21m and set them off, shooters slowly dropped off until the winners, father Doug Edwards shot 41/42 for 2nd at 19m when a tough old veteran Joe Collins dropped a target 40/42 at 15m, Joe had walked up and down the lanes an extra 17 times after a big weekend of shooting, it was a very courageous effort.

Psychological Skills for Shooting

by Michael Kruger-Davis

HYPNOSIS FOR SPORT

Last month I examined the use of hypnosis in sport. This month I want to take a more detailed look at what happens when we are hypnotized. As a psychologist, I see hypnosis as a valuable tool for helping athletes enhance performance, deal with injury, and stay mentally tough.

Basically, for the athlete, hypnosis can be divided into two areas: self-hypnosis and hypnosis induced by a professional (psychologist, doctor or dentist). Both follow a four-phase approach for using hypnosis in sport.

The preparation phase involves preparing a person by finding out about their attitudes to hypnosis and what they expect of the process. This phase is very important because the misconceptions, doubts and myths regarding hypnosis have to be dispelled, so that athlete will feel comfortable and trusting because they understand the true nature of hypnosis. If the athlete has fears, anxieties or apprehensions about the process, then this will negatively affect the outcomes and limit the benefits of the process. It is in the preparatory phase that the hypnotherapist will do some suggestibility tests and exercises. These exercises are designed to see how suggestible the athlete will be and train the athlete to listen and follow the instructions of the hypnotherapist.

The second phase is the induction phase. There are a variety of induction techniques: eye-fixation or focused concentration, for example. There is a similarity between the methods used for inducing hypnosis and those used for relaxation.

In the third phase, according to Winter & Martin, is the performance phase. In this phase the person is sufficiently relaxed that he or she is in a state of hypnosis. The person will still be aware of the sounds and noises outside the room: actually their concentration is much more focused, so the noises will sound clearer and louder. For the athlete, he or she is now in a stage of mind that the person is more likely to respond to suggestions such as "You can see your goals more and more clearly". The suggestions for athletes usually involve ego strengthening which focus on them feeling more confident, competent, composed and fearless. (Regular readers of this column will remember that these are the qualities of mental toughness). Where possible the suggestions should be positive and personally relevant to the athlete. For those people who use hypnosis for weight loss, or to quit smoking, for example; the suggestions involve getting the person to experience some change in feelings, attitudes, thoughts and reactions. It is essential that the suggestions in hypnosis are positive and ego-strengthening and not aversive and negative. Several years ago, I had a client who went to a hypnotherapist for treatment to give up smoking. The hypnotherapist (who was not a registered psychologist) gave the client suggestions that "he would feel bad about himself every time he had a cigarette." These suggestions meant that every time my client had a cigarette he would feel angry, depressed and guilty. After several months, his parents contacted me because the client, a young man in his twenties, was depressed and suicidal. It was necessary to re-induce a hypnotic state and to alter the suggestions so that the client did not feel bad about

himself, each time he had a cigarette. Coupled with strengthening his ego, I gave him suggestions that reduced his need to smoke. After only two sessions he was back to normal with respect to his attitude to life and after several months he gave up smoking because he no longer had a need to smoke.

The final phase is the re-alerting phase. This is the debriefing phase where the client is asked how they felt about the experience. It is usual that most people are surprised that they did not fall asleep and that they could still hear things. This is the time that questions can be answered.

According to Winter & Martin, the value of hypnosis, over many other techniques used in sport psychology is that it can be used to change stored ideas, memories or feeling more quickly and effectively than just talking about them.

Usually before I commence hypnosis with any of my clients, I give them a relaxation exercise to do as home work for a week or so before the hypnotherapy sessions begin.

The following technique is derived from hatha yoga and consists of allowing one muscle group to rest after another from the head down to the feet if sitting and the feet up to the head if lying down – whilst allaying the process to an awareness of one's breath.

Begin by taking three deep breathes as you make yourself comfortable by placing your feet flat on the floor and your hands easily in your lap.

Gently let your eyes close and continue to take deep slow breathes. Listen for a moment to the sounds you can hear outside the room, then further inside to awareness of your physical position and the contact you make with the chair. Take a deeper breath, hold it for the count of four, then let it go very slowly, maybe to the count of eight. Then as you continue to breathe normally, pay attention to the muscles around your face: your forehead, your eyes, the muscles around your eyes, your cheeks, your mouth, your jaw, your neck and imagine any tension draining away through your shoulders, your arms, wrists, hands, thumbs and fingers.

Notice that your chest is relaxed, your back, your stomach, waist and pelvis. Pay attention to your thighs, stay with any tension you may find and then over the next out breath, imagine it draining away through your knees, through your calves, through your ankles, through your feet and into the floor; leaving you calm, relaxed and alert. Remain in this state for a few minutes before stretching and opening your eyes.

If you include mental rehearsal in your mental training program, doing it immediately after a relaxation session will make it more effective. The benefit of this relaxation exercise is to be mindful of your body in the here and now: if you can do that at rest then you will also be able to do it out on the tracks. And by staying in the present you will be able to focus on the target more successfully.

ECHUCA JUNIOR SHOOTER BEATS ALL

On a miserable, cold, wet, blowy Sunday at the Echuca Clay Target Club's July shoot, Rhys Eeles, a junior member, having just been raised to A grade status proved to all he was at least that good, by beating off all other contenders in the shoot-off in the Double Barrel Championship. Russell Felmingham an AA grade shooter was Rhys's last opponent and he dropped his 77th target giving Rhys the Overall Sash and 1st in A grade trophy with an excellent score of 77/77. Congratulations Rhys!

Rhys Eeles OA D/B

Warwick Kelvy OA Mixed Target

Further results of the third event, the Double Barrel, are 2nd in A grade was Geoff Viney 41/42, AA 1st R Felmingham 76/77, AA 2nd Rob Viney 22/23, B grade 1st John Berryman 35/36, John just returning to the sport after a long break of at least ten years, showing everyone that he has not forgotten how it's done! 2nd in B was Alan Johns 18/20, C grade 1st was David Shepherd 33/34 and 2nd in C with a score of 19/20 was Jarad Felmingham.

Event 1 a 20 target Graded Cash Points Score, and sharing AA cash, all on a score of 59/60, was Rob Viney, Anthony Rullo, and Russell Felmingham. A grade cash was broken up to 1st Ron Traill on 58/60, and Geoff Viney, Bud Morris, and Sarah Holt all on a 56/60 score, and all sharing 2nd place cash. B grade was shared between Rhys Eeles and Alan Johns both on 53/60, and C grade was split between John Berryman and David Shepherd, both with a 50/60 score.

Event 2, a 40 tgt Mixed Target Championship, and after a reasonably short shoot-off Echuca member, Warwick Kelvy, proved himself unbeatable taking out the Overall Sash and 1st in A grade with an impressive 82/88 score, Tony Robb just behind him with a 79/88 score picking up 2nd in A grade. AA

grade 1st was Steve Traill 70/74, AA 2nd David Robb 67/74, B grade 1st was Alan Johns on 52/60, B 2nd Rhys Eeles 51/60, being Rhys's last event as B grade, and C grade 1st was picked up by John Berryman with a 47/60 score, also John's last event as C grade. And lastly C grade 2nd was collected by D Shepherd with a score of 43/60.

With such a poor day for shooting, so overcast that the available light was very low, making the targets extremely difficult to see, the resulting scores from the five full squads attending were excellent. After the presentations were over, President, Ron Traill, thanked all shooters for braving the poor weather conditions and making the effort to attend.

Day 2 Sunday 18th May started again with beautiful sunshine and the Miroku shotgun appearing on the Trophies table, generating plenty of talk amongst the 109 competitors and their guests. First off for the day was a 10t eye DB Eye Opener, just to get everybody's eyes accustomed once again to the background and conditions then it was straight into the 50t Miroku Challenge Handicap sponsored by Highland Sports and Roy Alexander & Sons.

This immediately saw the equality of shooting with just two people J Gilbert A Grade and C Alexander C Grade having the only two possibles of the Event. At the 25t mark there was plenty of red chalk on the board and therefore any one's game, but in the end Christine Alexander 54/54 won the shoot off from J Gilbert 53/54 3rd D Knight 58/59, 4th M Waite, 5th R Voden 56/58,

The day progressed well with no interruptions or breakdowns after a short delay in event 1. Dick Snow Memorial

Dick Snow was a former member of the Bundaberg Clay Target Club. Dick passed away on the 20th July 2007 aged 82. He was survived by daughter Lorraine and son in law Karl and two grandsons. Dick loved his shooting and a quote from Warren Charlton via Stafford Smith was Dick was the prettiest Skeet shooter he had ever seen. Meaning he shot skeet very well with very little effort. Very pretty to watch, a true gentleman of the sport. Dick is solely missed by the Bundaberg Clay Target Club and all who knew him.

Barry Harker is the inaugural winner of the Dick Snow Memorial Skeet Handicap which was held on the 6th July 2008.

Novelty Clay Field Shoot at Cessnock

Location: 151 kilometres north of Sydney

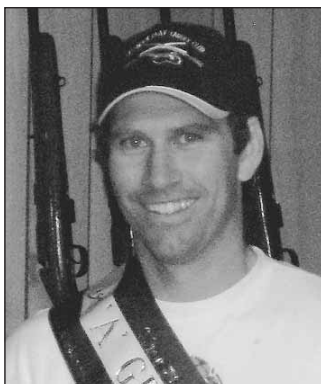

A very white morning greeted shooters at Cessnock Clay Target Club for the 2 day Novelty Clay Field Shoot on the 12th of July. It was a cold and frosty, but welcome sight, as we had endured a wind that blew dogs off chains and would have made conditions down right impossible to set a field let alone shoot. So while some were commenting on the cold there were others who knew that a frost was a very welcome sight.

So day 1 kicked off at 9am, Cessnock time that is (see Paul O'Neill), and the keen competitors had their choice of two 25 target layouts to start on and helped spread the field out over the Cessnock layout. Whilst my squad was not the last but towards the tail end we found that the squads were moving through the layouts rather quickly and with no machine breakdowns some of the squads that were ultra keen were finished their 100 targets and enjoying afternoon tea while our squad had a quick bite to eat and back into the throughs.

Once the days shooting had come to a close the scoreboard was updated and a few shoot off were required to decide overall winner and 2nd and 3rd place in B and C grade. This was decided by shooting across 5 of the 14 layouts and with the sun setting we had our Overall winner and grades in B grade decided. Stephen Payne was the Overall winner for Saturday with 105/119. This result also decided

Stephen Payne AA overall

Paul O'Neill A grade overall

Guy Munro B grade overall

Keith Roser C grade overall

Overall winner Andrew Garvie

the AA grade results with Andrew Garvie first with 103/119 and Tom Turner second with 102/119 and Josh Sweeney third with 84/100. A grade saw B Clifton first with 101/119 followed by local Paul O'Neill with 84/100 then Alan Jones third with 82/100. B grade saw Darrel Austin the winner with 73/100 followed by Clive Barton with 87/119 and I Hosking third with 85/119. C grade was taken out by I Roser with 74/100 followed by the ever youthful Dick Chapman with 81/119 and Kevin (I have a Kelpie to carry my ammo and chips) Cant in third place. It has to be said that Kiev's dog was quite a sight walking obediently beside his owner with a pack of chips delicately held between his teeth across the course and then the next with a box of ammo for something different. Just need to teach him the difference between a Coke and beer and how to use the washing machine and that dog's future is set.

Amy Buys Ladies overall

But I digress, as the next morning the clean crisp chill was still in the air, lucky for some I think as Saturday nights are always a great time at the Club, and the Gary Hopkins Memorial kicked off at 9.30am. With changes to the layout by moving stands and slight angle changes at the machines the course was just as challenging and for those who shot it the day before they had no local knowledge advantage over a few new comers for the day. Again we had no major delays and all squads moved through the 100 targets over two 25 target layouts at what ever pace they felt comfortable with. The weather again stayed perfect for the rest of the day and around 2.30pm the shoot offs commenced.

Again A, B and C grade required shoot offs to decide second and third positions but Overall winner for Sunday was Michael Ling with 90/100. AA grade again saw Andrew Garvie first with 89/100 followed this time by Stephen Payne with 87/100 and the bloke from Cobar, Ben Machul third with 86/100. A grade again saw some familiar names back in the winners circle with Paul O'Neill first on

Zone Ball Trap Shot at Echuca

Location: On the Murray River which forms the border between Victoria and New South Wales

A bitterly cold, ten degree day with occasional showers and a freezing, lazy breeze, were the conditions that shooters faced at the Echuca Clay Target Club on Sunday the 10th of August. Surprisingly, on such a day, an excellent roll up of seven full squads of competitors arrived to do battle for the honour of winning the prestige, Victorian North East Zone Ball Trap Championship. 50 targets of this very difficult discipline, shot over two layouts, ending with the last opponent, Anthony Rullo, dropping out of the shoot off, allowing Echuca member, Craig Fitzgerald, to collect the Overall Sash, and 1st in AA grade trophy, with an excellent score, considering the conditions, of 65/69.

Russell Felmingham, a Cosgrove member, was the shooter no one could defeat in the second event, a 20 target Points Score Championship. In difficult light conditions, Russell shook off his last opponent, T Gull, on only the 3rd shoot off target, taking out the Overall Sash and 1st in AA grade trophy with a very good score, only one point down of 68/69.

The only possible score shot in event three, a 20 target Single Barrel Championship, was shot by a Bendigo member, Nathan Harris, outshooting all others to collect his Overall Sash, and first in B grade trophy, on a perfect 20/20 score. Well shot Nathan, a good result for a B grade shooter, and one that I am sure will definitely attract the attention of Handicappers' in the future.

Event four, a 20 target Double Barrel Championship, was made a little more difficult being shot off the 18 metre mark, however after Rob Collicoat, a Deniliquin member, dropped his 30th target in the shoot off, and Echuca member Steve Atkins shot his it was all over. Steve Atkins, taking out the Overall Sash, and first in AA grade, with his perfect score of 30/30.

With Overall and grade Sashes on every event, and 1st and 2nd trophies to be won, again on every event, a warm clubhouse, with plenty of hot food and drink on offer, all shooters had plenty to compete for, and also to enjoy pleasant surroundings.

The shoot and all presentations were over shortly after 5.00pm, a good result with the number of shooters and events shot on the day.

A 100tgt Trophy Event was held on Sunday 20th July 2008. The weather was cool and fine with 38 shooters in attendance.

The 100tgt Trophy Event (50DB, 50SB) started off fresh in the morning and everyone was bright eyed and chirpy, ready for a great day of shooting.

The day got off to a top start with 8 shooters shooting the 50 in the Double Barrel and another 6 shooting 49. Only 1 shooter came out with a 49 in the Single Barrel and another 2 close behind on 48. Gary Rootes was not successful on the day as he picked the 2 wrong guns out of his golf bag for the event.

Mathoura Shoots 2 Championships

Location: 768 km south-west of Sydney in the Riverina Region of NSW

Mathoura Gun Club hosted four full squads of shooters for their July shoot, all keen to succeed in either or both of the 25 target Championships on offer for the nights competition. A good attendance really, for a winters night in July, and with the impending rain on the way, it was reasonably mild, with only a bit of breeze.

The first event was a 25 target Double Barrel Night Continental Championship, a fairly difficult discipline in the night, and only two shooters could account for the entire 25 targets, Deniliquin member Tim Maher, and Bendigo member Leigh Knight, and Leigh succeeded in acquiring the overall sash when Tim dropped his 32nd target. A grade 1st and the Overall Sash was Leigh's with a 32/32 score, B grade 1st went to club President, Roger Kerslake with a 21/25 score, and C grade 1st was collected by a Deniliquin member, Tom Beames, with a score of 18/25.

The next event was a 25 Target, Victorian, North East Zone, Single Barrel Night Tower Championship, and having an excellent night out, Roger Kerslake was the only shooter able to sort out all 25 targets, taking the Overall Sash and 1st in B grade trophy with a perfect score of 25/25, well shot Roger, congratulations. Leigh Knight put his hand up for A grade 1st with a score of 22/25, and after a four way

shoot off between Gary Armstrong (Mathoura), Tim Maher (Deniliquin), Bill Daley (Bendigo), and Rob Colliccoat (Deniliquin) lasting only four targets, Rob saw all others off, and collected the C grade trophy with his score of 22/29.

With a fire inside and outside the clubhouse to keep warm, and plenty of hot food and drink supplied by the ladies, all shooters thoroughly enjoyed the night, and the finish time was reasonable at 11.30pm.

The day closed with S O'Brien and C Gilbert shooting off for the sash of the 100t Traditional

Skeet High Gun also sponsored by Olin Winchester Australia, with Shane O'Brien winning the sash.

Everyone was informed at the presentations to be early at the grounds as kickoff time for the Sunday would be at 9.00am due to huge thunderstorms and very bad weather expected early afternoon.

Sunday came and the black ominous sky was indicative of the expected weather conditions. So therefore the 100t Newton Thomas Skeet was started with fewer numbers due to the weather forecast. Phil House took out the Overall with a 97/100 after a shoot off with M Ponta who took out A Grade with 97/100 AA Grade saw M

The Overall High Gun saw a shoot off between S O'Brien & P Vosper with Shane O'Brien the victor. Colin Gilbert took A Grade, A House B Grade & Ladies and K Wakeling C Grade, which was also his first sash as a new shooter into the sport.

Congratulations to all and thank you to our very valuable sponsors, ladies in the kitchen over the weekend, Mike & office staff and everyone who helped over the weekend to make it another successful Carnival. Let's keep the Skeet momentum going and introduce more people into shooting Skeet.

VCTA South East Zone Premier Teams

Round three of the Premier Teams event was held at the Melbourne Gun Club with the conditions good, the grounds looking a picture and the club members busting a gut to make the day a success and they achieved that objective easily.

One hundred and sixteen shooters, of which 11 where juniors, providing 17 teams, all of which created a great amount of atmosphere and enthusiasm.

The first event was 25 target Handicap and this produced four possibles, Peter Fraser Mark Bravin, Frank Finken and Nathan McDonnell. Frank stalled on the first shoot off target, but did manage to collect the Back Markers, Mark shot his fifth, which both Peter and Nathan missed, they then went another 28 before Peter put one down, handing Nathan second prize.

In the teams section, which is really what all this fuss is about, the leaders where Foster with 118 from Melbourne 2 and Mornington 2 both on 116.

The Double Barrel was next with twenty two possibles and it took some time to get down to the O/A which was won by Paul Drennan from Hacta Crawford and Chris Murphy with A grader Colin Widdows close behind. All the grades bar C Megan Boast and Callum Houghton being decided by the Overall shoot off.

The teams section was a draw between Frankston /Australian and

Winning Team Frankston

Morwell and after the shoot off of five of each Handicap and Double Barrel it was a win to the boys from Frankston, consisting of D Galea, C Galea, L Mirabella, P Calvi & L Curtis, by the narrowest of margins 283 to 282.

NARRABRI CTC

Continued from page 61

The last event for the weekend was 30tgt Double Barrel Cash Divide off 16 mtrs.

AA money was split four ways. Local, Mike Northey, Frank Auditore Cecil Park, Helen Overton Brewarrina and Mark McInnes Narrabri sharing the spoils with 29/30 A Grade was split three ways, Sid Kinsey Warren, Stuart Boydell Moree and Wayne Dunbar Hay with 29/30. B Grade money went to the second possible shot for the weekend going to Graeme Leys Narrabri with 30/30. The second place money was split by Mathew Wilson Tamworth and Hayden Johnson Moree with 29/30. C Grade money was split by local man Troy Holman and Guy Goode from Coonabarabran 25/30.

The Overall High Gun with an excellent score of 272/280 went to Wayne Dunbar from Hay, congratulations and hope to see him here next year. AA Grade High Gun went to a good supporter and Australian representative Helen Overton Brewarrina who will be competing in the ladies team in Ireland in August with a score of 262/280 (good luck Helen). A Grade went to a Junior, Robert Fulwood-Hosking with 265/280, (good shooting Rob). B Grade went to local Graeme Leys Narrabri with 254/280, (well done Graeme). C Grade was won by local Troy Holman his first High Gun sash with 227/280, (congratulations Troy). The Ladies High Gun went to Cherie Hunter also her first with a good score of 225/280 (good on you Cherie). Junior High Gun

was won by Hayden Johnson Moree with 248/280, (not sure if first or not, but well done Hayden). The Veterans High Gun went to local Hugh Faris with 253/280 (not bad for an old fella).

Only two possibles were shot over the whole weekend, the first in the first event and the second in the last event, I guess the conditions (cloudy/windy and dull along with fluro targets) took its toll.

Special thanks goes to our sponsors Elders Limited, Faber Engineering, Ivanhoe Droughtmaster Stud, southern Cross Motel, Tamworth Firearms, Landmark, Claas-NVI, Pursehouse Rural, Federal Cartridges, M&S Davies Wholesale, Barden Pumps, Namoi Valley Tyres, who without their sponsorship the shoot would not be the success it was.

Thanks goes to Frank Auditore who came up to show us his computer programme to record the shoot, it went off very well. He took away a few trophies as well.

Thanks go to Cath and Trevor who worked hard behind the desk to run the shoot. Also the ladies and Cath's family who worked tirelessly in the kitchen (thanks again).

A very special thanks goes to Keith Moses and family who travelled from Gunnedah to cook a camp oven meal for lunch, roast lamb, baked vegies etc on Sunday (bloody beautiful). Thanks to the people who donated the lambs and Mike Northey who boned and rolled them for the cooks. Also Gary Porter who slaved over the barbie the whole weekend (thanks Gary). Thanks go to all members who gave their time to make the shoot the success it was.

See you all next year.

Annual 2 Day Carnival at Port Macquarie

**Location: 400 Ks north of Sydney
on the mid north coast**

The Port Macquarie Clay Target Club held their annual two day carnival on the weekend of 2nd and 3rd of August. Compared to some previous years the weather was fine with just slight winds in the morning which abated as the days progressed.

The club had \$5,000 worth of prizes spread over five events and at the close of nominations there were forty two competitors on Saturday and forty six on Sunday.

ACTA clubs represented were Cecil Park, Cessnock, Grafton, Kempsey, Illawarra, New South Wales, Tamworth, Taree-Wingham, Richmond River, Normanton, Rockhampton, Newcastle, Yass, Narrabri and of course Port Macquarie.

On Saturday there was one event which was the Hastings 100 a 100 target double barrel competition shot off the common mark of 15 metres with 4 walks of 25 targets. The event was sponsored by D.C. Pearson Chartered Accountants and Clay Targets Australia.

Hastings "100" 100 tgt D/B. Sponsor Denis Pearson with John Sleightholme O/A winner

Following the last squad there was a three way tie for overall with Arty Del-Ben, John Maxwell and John Sleightholme all finishing one target down on 99/100. It was decided they would shoot at another 100 targets double barrel and if still tied it would then go to Points Score.

After another fourteen targets Del-Ben let one go and then it was out of Maxwell and Sleightholme. This took fifty one more targets with John Sleightholme finishing with the overall Championship Medal and cash with a score of 164/165.

The other results were AA grade 1st John Maxwell 163/165, 2nd Arty Del-Ben 112/114, and in A grade 1st Tony Ryder 98/100, 2nd Hank MacInnes 94/100, B grade

1st Andrew McWhirter 96/100, 2nd Robert Fitzalan 93/100, C grade 1st Peter Brenton 86/100, 2nd junior Jake Davis 72/100. Congratulations to Andrew McWhirter for achieving his fifty target break badge in this event.

In conjunction with this event this was the second running of the Team Challenge between the members of New South Wales and Port Macquarie Clay Target Club. Both clubs nominated a three member team and their scores were added with NSW members Arty Del-Ben, Bob Ellison and Denis Pearson victorious with 278/300. A special thanks to Denis and Rosalie Pearson for sponsoring the Cup presented to the winners of the Team Challenge.

On the second day the first event was the SJ and CM Wallis Plumbing 25 target Points Score shot off 15 metres. Once the scores were tallied two shooters Arty Del-Ben and Brad Hooper 74/75 were required to go to trap one for a shoot off to get the overall first place.

Before this could happen the trap was reloaded with Olympic flash targets kindly supplied by the sponsors Steve and Cheryl Wallis for all shoot off's in this event. It did not take long to get a result with Brad Hooper taking the Championship Medal and cash with a score of 80/81.

SJ & CM Wallis Plumbers 25 tgt S/B. Steve Wallis sponsor, with Brad Hooper O/A winner

First in AA grade went to Arty Del-Ben 33/35, 2nd Bill Jones 72/75 and in A grade 1st Paul Deland 71/75, 2nd John Webster 80/87. The B grade winner was Andrew McWhirter 69/75, 2nd Mike Sullivan 68/75 and in C grade 1st Barry Pharo 62/75 and 2nd Peter Brenton 61/78.

The one event every shooter likes to win is the handicap which was next. This was a 25 target event and was jointly sponsored by club members Bob Ellison and Stan and Allana Stevens. This event paid back to fifth place with Winchester shot shells.

After the smoke had settled there was one person smiling and that was Paul Deland off

19 metres who shot 24/25 to take the Championship Medal and first place. A three way shot off was needed for second down to fourth place with Scott Wallis second 30/33, Rick Hooper third 29/33 and John Webster 24/27. Fifth place was decided by a nine way shoot off and Hank MacInnes took the last prize 33/36.

The last event for the day was the Port Batteries 15 pair double rise thanks to the sponsorship of Brad Hooper. As we all know the results in this event can and would affect the outcome of the High Gun awards at the end of competition.

The Overall winner was Mark McInnes 33/40 after a shoot off with John Sleightholme and he took the Championship Medal and first prize. First in AA grade Sleighty 32/40, 2nd John Maxwell 24/30 and in A grade 1st Barry Kable 33/40, 2nd Tony Ryder 41/50. In B grade junior shooter Tom Clarke 1st 21/30, 2nd Andrew McWhirter 20/30 and in C grade winner was Peter Brenton 1st 17/30 and 2nd Tom Mahony 20/40.

At the end of the last item was to work the High Gun winners from the two days. The overall High Gun was Arty Del-Ben with

VALE

PAUL PRITCHARD

1947-2008

It is with great deal of sadness that the local members of the ACTA and the shooting fraternity have been informed of the passing of Paul Pritchard a dedicated member and sponsor of the Kempsey Clay Target Club Macleay Classic. Paul was generous in his sponsorship and did it with a great deal of pride and pleasure. The event has become one of the yearly events to attend and will continue on, dedicated in his memory.

Paul refused to give in to his condition that he lived with and fought for the last 11 years. It became extremely hard for him towards the end but he never gave up he had Kay, his wife and soul mate drive him to the different clubs where he still performed to his handicap and gave the "younger ones" a go for their money. Paul spent a lot of time encouraging juniors to get involved and was always ready to give advice. He also gave them a lot of help and encouragement and always listened and was supportive.

Paul had many wins, but he was heard by friends to say, more than once that his greatest win was meeting and marrying his wife Kay she has been his soul mate in life, shooting and fly fishing. Paul chased his passion for these sports to many places including Norfolk Island, New Zealand, Tasmania and all over NSW and interstate. He enjoyed camping when he was fly fishing, and went to great lengths to involve Kay in all these activities mainly because she ran a very good camp. He loved a roaring camp fire and port, and apparently the more he drank the bigger and better the tall tales were the later the night was.

Paul's was extremely proud of his son Victor who has given so much help to Kay and Paul over the last few years. Victor has been a strong shoulder for Paul and Kay to lean on, and Paul often commented on Victor's support through everything.

We can be sure that Paul will be will be organising some shooting and fishing squads up stairs and he can undoubtedly be heard to say "Trust me" the boss will approve.

Farewell Paul, from all who have had the pleasure in knowing you. We all plan to be "Squaded" with you once again at the traps beyond.

JOHN ELLIS AND TREVOR RESCHKE

John Ellis and Trevor Reschke were both talented clay target shooters who contributed their time and talents over a number of years to benefit their sport.

John and Trevor were both zone coaches in the S.A. and National Coaching schemes. Their work and support in their areas with coaching shooters of all ages made a real difference.

Our sport is poorer for their deaths. They will be missed by all who knew them.

Dear Your Say

My articles published in our magazine over the past years (It's your Call by Bill McCarthy) are coming to a close. I am most appreciative of the many telephone calls I received for rules interpretations over that period and for information provided on unusual situations experienced by shooters over the period. Each week I received many calls on a variety of subjects. However, the most prevalent question and or complaint was in relation to compulsory downgrading.

There is a formal process established by our executive committee through which rule changes are made. Compulsory downgrading has just been formally discussed in accordance with these procedures and your Executive has had no alternative other than accept the verdict of your state Rules Supervisors who attended the meeting. Because of the number of concerns expressed to me, I have wondered if you, the shooter, have taken the time to address your concerns on the matter through your respective Rules Supervisors. In fact, I am aware that 2 states (there may be others) are in favour of returning to the previous system.

Because of the inordinate number of concerns expressed to me, I believe that the direct opinion of the shooters should be sought through some sort of pole or plebiscite. This could be done with a simple yes/no segment on the annual registration form. Then and only then, will we be able to determine the correct feelings of shooters on this matter. I believe the concerns being expressed are serious enough to justify these measures.

Similarly, I have noted great concern expressed by shooters in relation to the rule changes effective on 1 August, especially in regard to Rule 2.01(i) which now allows AA Grade shooters to be downgraded to B and C grades. Is this really what the shooters have indicated?

An explanation given to me was that the existing Rule 2.01(i) was at variance with existing Rules. Ok, but what about other Rules which relate to safety etc. eg It is no longer a requirement for a shooter to notify the Referee if and when he is using a trigger release gun, Who took this rule out and on what authority? Yet again we seem to have modified our malfunctions rule to exclude (by omission) cartridges. These rules, plus many others that have been notified to the Executive, have not been addressed in the same manner as our latest effort.

One can only assume that we, the shooters have not made our feelings felt through the proper channels and that we have shown a very obvious disinterest in communicating our real thoughts to the Executive bodies concerned.

Yours Faithfully Bill McCarthy 16284

Dear Your Say
Optimistic Member

Before expressing my view and asking a couple of questions that incidentally I believe a number of members would have been asking themselves recently. Initially I must say that I am optimistic about the future our sport being still available for us to enjoy in the next five to ten years. My main reasons for this

will be determined by three possible scenarios in no particular order.

1. The case of not if but when a major injury is sustained to a participant through poor safety standards through the lack of precautionary measures being taken.
2. The withdrawal of government support and this not isolated to their financial support.
3. Self destruction of our own association from within the membership base from the top level to the grassroots level of our sport.

Now for my view:

My view as to why our clubs and sport nationally will always be restricted from achieving their optimum goals is a personal one and my prime reasons are, I myself have never become involved in clubs other than a fully paid up member is, there is always far too much politics and personality conflict. I enjoy my shooting far too much to become involved in this conflict and not only see it as a wasted emotion but have very little patience with all of the above and until I see a change in this behavior, it would be best that I maintained my current status. I do hope that I could become more actively involved in the future not just particularly at club level with our sport.

Now for my questions:

My questions are for the National Executive:-

Is it true as stated previously in the July magazine that Skeet rules are sometimes changed to comply with NSSA Rules when it comes to safety and the reputation of our sport in Australia? Should these rules not take into account firstly what is reflective and best for our own backyard in the first instance with regards to safety?

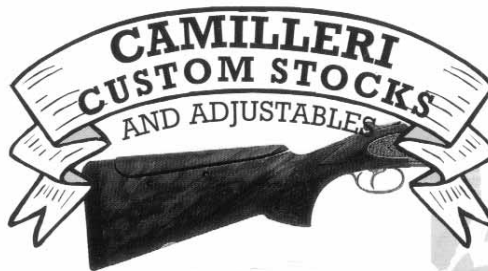

What is the process outside the national executive that is followed prior to making changes to the rules? For example are State Associations and or delegates communicated with seeking their advice or views prior to changes being implemented?

From a membership point of view what is process that is in place at an association level that dictates whether a member's letter is published or not other than as a result of the volume the national office may receive?

In conclusion I wish to advise that this is my first ever letter written to the Association and in no way should it be taken personally by any individual, club or our national association as my reasons for writing is that instead on continuing to wonder about what the answers might be or assume or listen to innuendo I thought it best to have my say by expressing my views and seek the correct answers to my questions from the national body elected in charge.

Yours Sincerely

Kevin Jarick. Member Number: 31546

Mike Sullivan Wins Champion of Champions

RICHMOND RIVER GUN CLUB

Location: 776km's north of Sydney
between the rainforest and the sea

On a chilly and overcast day when most of the 37 competitors found scoring difficult, Richmond River Gun Club President Mike Sullivan missed only one target in seventy five winning the prestigious "Champion of Champions" event comfortably. In recording 122 points out of a possible 125 Mike missed only one target in the double barrel stage, and pulled two seconds in the Points Score.

Yamba shooter Ian McDonald looked like being the one to beat after shooting the lot in the warm up event, 25/25 in the Double Barrel stage and 25/25 Single Barrel. Macca had no explanation for allowing a couple to escape during the Points Score stage.

Earlier in the day, in the warm up event (25T Points Score eye opener) only three AA grade shooters Peter Brown and

Kevin Harding of Richmond River Club and Ian McDonald of Yamba broke all 25 targets. Peter and Kevin each dropped a point by needing to use the second barrel once only scoring 74/75 while Ian scored 73/75 pulling two seconds.

Possible scores of 25/25 in the DB stage of the event of the day were shot by Mark Formaggin, Ian McDonald and Scott Brereton and

The fierce father-daughter rivalry between Richard and Rebecca Vary continued with Richard (At least I won't hear about it all the way home) scraping home by one point this time.

Junior shooter, Jake Davis of Grafton, who won Junior High Gun at last months shoot, returned to the winners circle outshooting many older and more experienced competitors.

VCTA SOUTH EAST ZONE SCHOOL CHAMPIONSHIP

Location: 42 kilometres south of Melbourne

Frankston Australian CTC was the venue for this year's event on Thursday 7th August the numbers were down on last year with 135 students nominated. For the first time in many years it was a fine sunny day, there was a little breeze but nothing to be a major problem.

Overall Nathan Kotlarewski

With five in a squad and the first ten targets of a twenty target S/B event the initial wave, shooting over four lay outs was up and running just after 10am.

We did not have to wait long for the first 10 of the day when Leigh Stokes number one shooter in squad one came in clean. He was followed by Justin D'Angelo, Nathan Kotlarewski, Dylan Swan and Megan Boast.

After a short break for some lunch the second half got under way. This visit didn't produce any clean rounds however ten

shooters scored nine's and in Nathan Kotlarewski's case that was enough for a nineteen and the Overall.

The shoot off for the Senior Boys was contested with scores of eighteen, by Leigh Stokes, Justin D'Angelo, Dylan Swan and Scott Dennis, best of five and after the first five Leigh was the only clean score giving him first, Justin and Scott had dropped one each so they did battle again, with the same result, out they went for a third try, this time Justin succeeded giving him second and Scott third.

Senior Boys

Senior Girls

Senior Girls was a clear win to Megan Boast with an eighteen from Kim Speechly thirteen and Gracie Cartright eleven.

Joel Lennane with an eighteen had Junior Boys on his own a couple of targets away with a sixteen was Callum Houghton. There was a shoot off for third with Billy Huitema, Dale White and Ryan Clancy, with the winner being Clancy.

In the Junior Girls there were only two starters with Alex Watson and Indi Gladman finishing in that order.

In the teams section there was a draw between Lavalla Catholic College and Gippsland Grammar #3 with the shoot off going to Lavalla by one target. Winning team members Leigh Stokes, Nick Sartori, Reece Storie and Jake Wills.

The Zone would like to thank Winchester rep Daniel Johnson for his and his company's support, the Frankston Australian Club for the use of the venue and for the generous donation of the targets for the day, Barry Webbly for his I can fix anything efforts, all the zone shooters and parents who helped doing all the things that have to be done to make a shoot like this function and be successful.
