# WORLD DTL IRELAND 2008

**Congratulations to the shooters who competed in the 8th DTL World Championships in Ireland!**

After many months of anticipation the time had finally come where a group of Australian shooters presented themselves at the Esker Gun Club for the pre-world and World DTL Championships.

The first pre World event had only 62 competitors, by the third day this number had increased to 142. Tuesday had 131 competitors, Wednesday's 100 DTL event had 319 competitors.

2007 they had a very wet summer and 2008 was no exception with localised flooding in many areas and also close to the club in Banagher. In fact the target fallout area was wet enough to see the splash when targets hit the ground. During the competition weather was a mixed bag of sun (in small doses), rain, cloud with windy periods, not conducive to great scores.

The dinner was well attended and well catered, though some did not make it due to the shooting not finishing till just after 8.30 pm. The representatives from South Africa gave a preview of what to expect for the 2010 World DTL to be held in Cape Town. This was very informative and should be an event not to miss. Total organisation came through loud and clear.

It was evident that a natural rivalry developed between countries as the event progressed and certainly not free of the occasional political hot potato.

*Mr & Mrs Baker*

*Glenn Barton*

Due to the layout of the grounds, weather and sheds on some layouts (for shooting in), spectator participation was not easily achievable. The sheds were noisy to shoot in, but a blessing when it was pouring with rain.

Customs were efficient in Ireland and I heard of no problems in that regard. Some airlines caused some dramas for some shooters, though I personally had not one drama. I know that on the return a couple of shooters guns turned up 2 weeks later.

Flynns Pub in downtown Banagher was adopted by most Aussies with a large amount of other nationalities for after shoot drinks and good honest meals. The Irish stew was to die for.

Sue Pim, ACTA Finance & Operations Manager was contracted by Ireland to perform the Shoot Marshall duties. Due to assistance being required in the office Sue switched hats and became part of the engine room. Many thanks to Sue for her hard work.

Shooting results were fantastic. The Australian Junior Team won their section with score 1755, the team comprised of Glenn Barton; Tom Holt; Anthony Rullo.

# NSWCTA State Trap Carnival

Neal Gay welcoming shooters and opening the carnival.

Roger Duthie  
NSW Double Barrel winner 749/749

Friday gave just a hint of what was going to happen this weekend, with a lovely Wagga spring day to get us under way five shooters managed to come in only one point down in the Champion of Champions, it then took two brackets of shoot off targets for Kevin Thompson to take the first Red sash of the weekend – obviously the run in Ireland had done him no harm. The official opening, Zone Teams presentations and Champion of Champions presentation were well attended, however it was disappointing to see so few stay for the NSWCTA AGM and open forum – I took that to mean that there are not too many dramas in Clay Target shooting in NSW, hope I'm right.

Saturday dawned bright and thankfully stayed that way, the teams matches decided by points rather than targets showed what was to come. Next up was the Hall of Fame Induction of Wendy Barton, the first Lady to be inducted and a source of inspiration to many of our lady shooters – again congratulations Wendy. In near perfect

Kevin Thompson (Newcastle Lake Macquarie CTC) winner of the Champion of Champions with Mr Daryl Maguire MLA Member for Wagga Wagga

shooting weather the Single Barrel was under way, an incredible nineteen possibles testament to the targets and traps provided for us, it took another 80 targets for them to fall away and leave Arty Del-Ben with the second Red Sash, a new record of 130/130 for the NSW single barrel and still clean on targets for the weekend. With the double barrel under way and the weather holding fine (against predictions) it was not surprising to see ninety possibles chalked up and after another 75 targets it was great to see 32 shooters break to come back on Sunday morning.

Against all predictions Sunday's weather was a repeat of Saturday, but after only fifty targets we were down to eleven in the double barrel shoot off, so the Points event got underway while the boys continued the double barrel. As the rest of the field were near completion of the Points Score event, it was decided to suspend the shoot off at 400 so that the eight involved could shoot the Points Score (it was preferred not to shoot in conjunction as one missed target could cost two events and team selection!). Again 18 shooters managed the possible and again it took 80 shoot off targets to sort them out – Geoff Faulkes found that it was easy to beat Arty Del-Ben, he needs the second barrel after 130 targets!

Champion of Champions sash winners: Garry Rootes (Veterans), Samantha Peck (Womens) Kevin Thompson (Overall), Russell McCloy (Juniors), Jason Owen (Sub Juniors)

Noel Edlington presenting Arty Del Ben with 1st in the Points Score. Arty also won the Single Barrel and was NSW state champion

As the rest of us began the Handicap, those eight still remaining resumed the Double Barrel shoot off, unfortunately for Arty he missed on the third target leaving him an incredible long break of 737 over the four events. Again the Double Barrel shoot off was suspended so that those that were left could compete in the Handicap – they were on 500 and five remained. As Nathan McDonnell was still in the shoot off but also shot the possible in the Handicap it was decided to resume on Monday

The Handicap again produced 18 possibles with a good mix of meterage groups from 17 back to 25 metres, with Tony Arvanitakas taking the sash with 76/76 from 23mtrs.

Monday again dawned perfectly but our luck was running out, as the last five resumed the double barrel shoot off a breeze began to stir, by the fourth bracket it began to tell, Ross Liersch let the 590th go, not long after Robbie Thompson missed number 656, and as the weather worsened it wasn't long before Nathan McDonnell took AA 2nd with 711/712 and Marcello Casella AA 1st with 748/749 that left Roger Duthie standing on 749/749 to take the sash and a new record for the NSW Double Barrel.

The Double Rise Championship went to Phil Grainger with the lone 49/50 – an incredible score in the now blustery conditions. Carnival High Gun went to Craig Fitzgerald after a shoot off with Gary Rootes both finishing the events only 10 points down! The weekend concluded with the Postal teams events, places were hotly contested with only 3 down shooting off for positions on the team, however the weather making good scores difficult during the teams shoot. With many records broken this weekend, it is a testament to our National Ground, but don't forget – Records are made to be broken – see you there in 2009.

# TASMANIAN GUN CLUB

## Sunday 12th October 2008

**Location 2 kilometers south of Evandale on the South Esk river 5 minutes from Western Junction Launceston Airport**

Again, the monthly club shoot was very successful, shooters came from all parts of Tasmania, with a total of 41 shooters competing and again some excellent scores were shot.

Conditions were very good, a nice sunny spring day, however, the gusty wind always manages to keep people on their toes.

The two standout scores were Bernie Smith and Shane Yates with a perfect 100/100 in the Double Barrel event which required a shoot off to decide the winner. Bernie Smith eventually won with a score of 127/127.

A good score was posted by Grant Ellis to win A grade with a 99/100, missing only one target, his second target for the day. An excellent effort to hang on for the eventual win.

Adam Flockhart from Oatlands was close on his heels in A grade with a 98 out of 100 to take second place.

The B and C grade winners also needed excellent scores to win. Rob Youl of Evandale posted a 97 out of 100 for a B grade win and Tony Palmer posted a 96 out of 100 for his C grade win. All excellent efforts.

The double rise event is always a difficult event with Overall and AA grade being won by Tim Bryan of Parkham with 44 from 50 targets. This was made a little more difficult as the wind became more gusty as the day progressed.

100 Target Double Barrel Northern Midlands Championship Overall & AA grade Bernie Smith 127/127, second AA grade Shane Yates 126/127, A grade Grant Ellis 99/100, second A grade Adam Flockhart 98/100, B grade Rob Youl 97/100, second B Grade Brian Bailey 96/100, C grade Tony Palmer 96/100, second C grade Nigel Fish 83/100.

25 Pair Northern Midlands Double Rise Championship Overall & AA grade Tim Bryan 44/50, A grade Adam Flockhart 43/50, B grade Nathan Ward 43/50, C grade Tony Palmer 33/50.

## SEPTEMBER SUNDAY TRAP AT CECIL PARK

The day was fine, although fairly windy, but still we had an attendance of 43 shooters rolling up to CPCTC grounds for the event.

Joe Camilleri (our resident Stock Maker) shot very well under the conditions as the competition was good. If someone would like to ask Joe the secret of his success on the day we

heard he was trialing a new adjustable 'windy' stock.

Arty Del Ben was second on the day, a good effort and a BIG THANK YOU for shoot marshalling the day's shoot.

A special THANK YOU to the major volunteers; Spiro Tourgelis, Louis Galea, Paul Micallef (Noisy) and Michael Bajada (when he's not stirring the pot).

On behalf of CPCTC we would like to wish everyone a very Merry Christmas and a Happy New Year.

Hope to see you all at our 2day Boxing Day Shoot.

# BERETTA GIRL ACTION 2

A perfect 28 degree day and the promise of an exciting experience drew 420 women out of their comfort zone to the Melbourne Gun Club to Beretta Girl Action 2, along with 600 odd partners and family bringing the total number of people on the ground to over 1,000!

The concept of a day of shooting dedicated to first time (not club registered) female shooters drew a lot of scepticism when it was first floated early in 2007. How wrong they were! The intention of the event was to try to change the perception that shooting was a macho, male dominated sport and show the fairer sex that they could try clay target shooting in a friendly, safe environment and possibly decide that they may wish to get more involved with the sport and join a club.

It was also an opportunity to raise funds for the McGrath Foundation for it's continued work in the fight against breast cancer.

To that end BGA utilized only female instructors in a one on one situation so the women would feel more relaxed and comfortable.

The inaugural BGA day in 2007 attracted 350 women and exceeded all expectations. For BGA2 to attract even more participants sends a clear message that female are prepared to try something new and we should put more focus on this group of society that makes up 50% of the population when seeking new members to our sport.

The ACTA / VCTA, Field and Game Australia and the SSAA set up booths on the grounds to assist with the many enquiries regarding joining clubs or just to provide additional info.

As well as the shooting side of it the partners and kids that came with the women also had to be entertained. There was a jumping castle, face painting and balloon twisting for the kids and a Laser Shot game for the big kids.

Three teams of female celebrities including Olympians Kirstie Marshall, Catherine Arlove, Louise Dobson, Claire Mitchell-Taverner and media

# October 12th 2008 – Melbourne Gun Club

personalities Nicole Bland, Megan Flamer and Georgia Main battled out the BGA Trophy with the media team emerging victorious.

Logistically such a huge day requires time and dedication to organise, coordinate and keep on track, but with the help of everyone involved the day went like clockwork.

Beretta Australia would sincerely like to thank Olympic and Commonwealth Games gold medallist Russell Mark and Olympian and Commonwealth Games gold medallist Lauryn Mark for their continued support and assistance in hosting the event and Olympic bronze medallist and Commonwealth Games gold medallist Adam Vella and multiple National Sporting Clays Champion John Younger for their roles as ambassadors for the day.

Very special thanks must go to the all female instructors who provided the very best environment and tuition that the women could ever wish for. Without you the concept would not work as well!

To the Melbourne Gun Club for turning out such a fantastic venue and club members to assist with supervising, parking, filling traps and anything else that needed doing. Your support of BGA and women in shooting is paramount to the success of the event.

To the staff of Beretta Australia and their families a huge thank you for your invaluable contribution and participation.

Finally thanks to our partners in BGA who all share our vision to change the perception of shooting and encourage more women to get into shooting – the ACTA, VCTA, Field and Game Australia, SSAA (Vic), SSAA (National), NAB, Guns and Game magazine, Corporate Shooting Stars, Cocoa-Le-Art, Cassella Wines and the Melbourne Gun Club.

## WANGARATTA SKEET SHOOT

**Location: In Victoria, and lies 235 kilometres north east of Melbourne and 647km south of Sydney**

The October Skeet shoot was held on Sunday 19th October and although the numbers were down a little good competition and some great scores resulted on what was a very warm and breezy day at the clubs North Wangaratta range. Both skeet grounds were in full use catering for both local and visiting competitors. Skeet shooting requires high levels of concentration, skill and correct body and foot position to master.

Local shooter Kudri Demaj certainly mastered all this on Sunday to win overall and 1st in A grade with the excellent result of 97/100 and 2nd in A grade by Phil. Smith shooting superbly with his 20 gauge gun returning a score of 96/100. 1st in AA grade was won by Benalla shooter and master of the sport Gil Farish on 96/100, Gil having just returned from skeet shooting in the USA where he had several successes. First in B grade was won by Ivan Carey shooting a tremendous 102/108 defeating Swan Hill competitor Geoff Charleson on 101/108. John Sutherland won 1st in C grade with 91/100 and 2nd in C grade by Bryce Robinson on 87/100.

Please contact Club Acting Secretary Brian Reid on 03 5721 7799 for more information about clay target shooting at the Wangaratta Clay Target Club.

A warm welcome awaits all.

# MATHOURA SHOOT NIGHT HANDICAP

Location: 768 km south-west of Sydney in the Riverina Region of NSW

A (Bill) Simpson 1st Handicap

The night before the AFL Grand Final and Mathoura Gun Club's September program included two Handicap events. A perfect night for clay target shooting, mild and calm, yet the attendance was down to three full squads, not a good roll up, but possibly affected by some shooters travelling to the footy the next day and not wanting a late night. Certainly those that arrived enjoyed the evening, and virtually all shot the entire four event program.

Only three competitors were able to shoot all ten targets in the first event, a 10 target Handicap Cash divide, Peter Lindberg, Laurie Fitzpatrick, and Rob Collicoat, all sharing first place

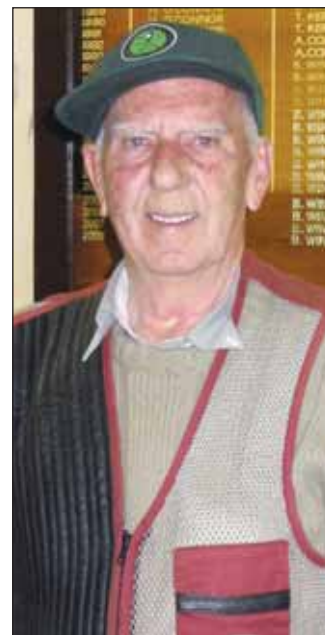

cash with their 10/10 score.

Event Two, a 25 target Handicap, with no one able to clean score, and only two shooters on one target down, A (Bill) Simpson (Mathoura) on 17 meters, and Jack Collicoat (Deniliquin) shooting off the 21 metre mark, their shoot off only lasted one target with Jack dropping his first giving Bill the Overall Winners Sash and 1st place trophy with his 25/26 score, Jack taking 2nd place with 24/26, and Echuca member, A Grainger, collecting 3rd place trophy shooting off 15 meters and scoring an 23/25.

Event Three, was a 15 target Points Score shot off the common mark with three placing's available, 1st, 2nd & 3rd, and again no one with a clean score, but there were four shooters only one point down, A Grainger, Murray Roberts, Rob Collicoat, and Jack Collicoat, all on a 44/45 score. On the first shoot off target A Grainger and Rob Collicoat used a second barrel leaving them to continue on for 3rd place, and Murray & Jack to continue for 1st & 2nd. Unfortunately Jack had to use a second barrel to hit his 6th target giving Murray 1st place with his 62/63 score. Jack taking out 2nd on a 61/63, and Rob needing only three shoot off targets to secure his 3rd placing with a score of 52/54. This event puts paid to the theory that you need young eyes and reflexes for this sport, as Murray, as a 70 year old, saw them all off.

Event Four, a 10 target Double Barrel Cash Divide, with two shooters sharing 1st place cash, both shooting a 10/10 score, Laurie Fitzpatrick and Rob Collicoat. Overall for the program the scores were far from excellent, but the night shooting even under good lights does test a lot of shooters, and usually scores are never as good as in daylight.

With only three squads competing and four events to shoot, the night ended early with all competition over, and the presentations completed all by 11.00pm. The nights raffle held by the ladies was won by Peter Lindberg.

# Psychological Skills for Shooting

by Michael Kruger-Davis

## HYPNOSIS FOR SPORT

Over the past few months I have examined the use of hypnosis in sport and it's usefulness for keeping athletes focused in the here and now. I had been thinking of doing this series about hypnosis for some time, but wasn't sure if it would have interested readers. However, from the feedback that I have received, there appears to be a great deal of interest.

Last month's article detailed a basic relaxation script: this is an important aspect of self-hypnosis and the value of relaxation cannot be overstated. The following is a simple guided imagery script that describes a walk along a beach. You may wish to play some relaxation music in the background or you may wish to change this scene to some pleasurable experience from your past.

1. *And in a moment I'm going to show you how you can go even more deeply relaxed . . . Just continue breathing slowly and regularly, like waves washing in and out on the shore (5).*
2. *Just picture those waves (5), and hear them too, as they wash in . . . and out . . . as you breathe in . . . and out . . . in . . . and out . . . in . . . and out . . .*
3. *And you are walking along this beautiful beach in the warm sun . . . with a cool breeze fanning your body (5).*
4. *And you can smell the salt air (5), feel the firm, wet sand under your feet (5) and hear the cry of the seagulls overhead (5)*
5. *And in the distance across the blue sea you are watching yachts . . . with their many coloured spinnakers . . . the blue, the green, the yellow, the red (5).*
6. *And everything is so peaceful and calm (5) and you are so relaxed in mind and body that you just wish to sit and enjoy this relaxed calm (10).*
7. *De hypnotizing script if not progressing to the ego strengthening script.*

*(Dehypnotising script: In a few moments I'm going to count backwards from 20 to 1. As I do you will gradually return to your normal state feeling . . . losing numbness, heaviness, or any other unusual feeling . . . your mind will return to it's normal alert contact with the outside world . . . On the count of 3 your eyes will begin to open . . . on the count of 1 your eyes will be wide open and you will feel GOOD . . . calm, relaxed, and confident. Ready now . . . 20, 19, 18, etc . . . 3, 2, 1. Feel good now calm and alert.)*

One of the important aspects of hypnosis, meditation, visualization, guided imagery or mental rehearsal is that affirmations can be added to the scripts which can therefore be designed to boost the athlete's confidence, composure, or focus. In books, these scripts are often referred to as "ego strengthening scripts" The word ego means one's conception of self in relation to the environment in which one functions as a personal and social being. Milne argues that weakness of the ego signifies that the self-concept is ill-defined or otherwise clearly deficient in ways which the person might recognize quite well, with some introspection: for example, you may lack confidence or put yourself down in some situations. Sometimes it might be due to allowing negative past judgements to cloud your thinking by dwelling on the past and not focusing on the here and now. Such feelings can be due to longstanding habits of making negative

statements and forming negative self-images. Because these become habitual they can occur without conscious awareness.

Effective treatments consist of reversing the process by having the individual giving him- or herself the opposite kind of statements and images, while deeply relaxed, regularly, every day. The aim is to cancel and replace the imprinted negative thoughts with ones which are highly positive and enhance self-feelings.

Many of the commercial packages that look at improving self-confidence, composure, competence, etc, use this principle by getting the reader to give themselves positive affirmations whilst doing relaxation techniques.

According to Wikipedia, an affirmation is defined as "a declaration that something is true". It also has various meanings within the domains of personal development, psychology, healthcare and prayer. The word can refer to several things, but for our purposes it will refer to techniques designed to enhance one's outlook through a positive mental attitude and positive beliefs. Affirmations can fit in with the approach you are currently taking: for example, if you are trying to boost your level of confidence then appropriate affirmations might be:

1. "I choose to knock out my doubts before they attack my confidence."
2. "I will commit to keeping and maintaining thoughts that will enhance my confidence."
3. "Mistakes are just that - I choose to remain confident after mistakes."

Affirmations can be included that will build upon all of the components of mental toughness: competition, confidence, composure, courage, commitment, control and consistency. My search on the internet showed thousands of sites where you could download this information but there was always a cost. So the following is an ego-strengthening (affirming) exercise that can be included as part of a relaxation or self-hypnosis exercise.

Next month I will continue this theme by including a basic ego-strengthening exercise and a sport specific "inner game" ego strengthening script. In the meantime, it is recommended that each day you practise the basic relaxation exercise. It is also recommended that the basic relaxation technique is practised when possible followed by the guided imagery script listed in this article.

# GUM TREE 2008

## *Boggabri Gunnedah*

Location Gunnedah is situated in the heart of the Namoi Valley, New South Wales

*Eastern States Gum Tree winner  
Keith Cameron Quirindi*

The Boggabri Gunnedah Gun Club held their first shoot at the new grounds near Lake Keepit on the Bulga Road over the long weekend. The site nestles in a natural basin with old growth bush land of gum and pine trees surrounding the hilled edges.

The grounds were in peak condition and soon filled with campers and competitors.

130 shooters fired off on Saturday morning in fine clear conditions and returned good scores in the Vic Eather Memorial Shield.

At midday Robert Brown MLC Shooters Party, Adam Marshall Gunnedah Shire Mayor, Colleen Fuller Deputy Shire Mayor and Jo Staughton Club Patron were in attendance to open the Vic Eather Stan McMaster Gum Tree field. Robert removed the curtain and exposed the plaque commemorating the founders of the Gum Tree in New South Wales. Vic and Stan were the first to introduce this style of shooting to the Eastern States after their visit to the Cherrytree in Western Australia. That was 41 years ago. Jo Staughton and Robert planted trees each side of the plaque to complete the ceremony.

Sunday, fine and clear after a shower late Saturday afternoon. Competitors were competing for the Eastern States Gum Tree for the 42nd time. Good results were returned off the 14 stations positioned in natural setting close to the club house.

Layout 1 Station 3

The course is motor chair friendly and easy walking. The grounds are well grassed and amenities have hot showers. The club house was moved from the Kibah site and is comfortably set under two large gum trees where the scoreboard and both layouts end. The kitchen is a self contained transportable unit which served the competitors well over the two days, with a hearty dinner on Saturday night.

The 14 layouts test the shooters skills. The rabbit caused lots of interest and broken hearts. Other stations are the tower, two trap style stations with clays fired along, over, on report and across the gully. There is a challenge to all who nominate.

The Club will still shoot DTL at Hunt Road in Gunnedah for the near future with plans to shoot monthly at the Bulga site also. To confirm our program while we have the 2 sites contact Allen (Murphy) Devine Club President 0267424494. The Bulga Site boasts proximity to the Lake Keepit State Park where family accommodation and leisure activities such as water skiing, fishing, sailing and gliding are available. This complex will combine beautifully with our Bulga Range for families. Keeping everyone happy.

## VALE

### GEORGE CAMPBELL

28th July 1920 to 18th April 2008

Sadly on 18th April the Boorowa Gun Club lost one of it's most popular and most valued members. After surviving a triple by-pass 35 years ago George became a member of the Boorowa Gun Club and

served as treasurer for the next 25 years until failing health forced him to retire from the club, but George still kept a keen interest in the club and it's members and would also lend his support at any time. His greatest joy was to come to the club after a meet and sit around with the young ones and tell them a yarn about the ones that got away.

George loved the sport of clay target shooting and won many trophies from Boorowa to Broken Hill and made many friends along the way.

George introduced his three sons and his grandson to the sport and they are accomplished shooters.

To the joy of the members of the club he returned to shooting and won the double rise championship in 2005. It was our great honour to bestow on George Life membership of the Boorowa Gun Club.

We are forever grateful for his contribution to the club. He will be sadly missed by his loving family and all the members and committee of the Boorowa Gun Club. The club will honour him with a 50T P/S Championship on ANZAC day 2009.

### ARCH MCINTYRE

Arch McIntyre a former member of Millicent Gun Club passed away on Monday 13 October 2008. While Arch has not been a registered member for about ten years due to deteriorating health, we believe his passing should not go unnoticed. Arch was the backbone of clay target shooting in the Millicent district over a long period of time. The McIntyre family very generously permitted our club to operate on their land without cost for over thirty years. Arch held many office positions throughout, the years, acting as secretary, president and club delegate. He was inducted as a life member of our club in recognition of his efforts and for what he stood for in the shooting community.

# West Wyalong Clay Target Club

It was a smaller than usual group of shooters who attended the shoot at the West Wyalong Clay Target Club on the last Sunday in September.

The day began early with 50 targets from the Trench layout and Matty Patmore from Yass continued his usual form to tie with Denis Coaker with 38/50 in difficult light conditions to share the cash.

Dozer Collins, one of the local hot shots, finished second 34/50 with Jason Owens and Wayne Ambrose equal third.

With the small field of shooters there was time to spare so the traps were set up for a round of Double Trap. The top shooters quickly adjusted to this event with Matty Patmore first, Denis Coaker second and Dozer Collins third.

A few more shooters trickled in for the barbecue and the afternoon Down the Line program which began with a 10 target Double Barrel Continental eye opener.

Wayne Ambrose, Clive Foster, Dozer Collins and the evergreen Bert Boyd were the locals who featured amongst the nine possibles shot in this event.

The first major event was a 25 target Double Barrel Continental Cash Divide and once again local shooters, Wayne Ambrose, Clive Foster and Bert Boyd were amongst the money winners while Denis Coaker, Les Irvin, Warren Schaeffer and Matty Patmore also earned some cash.

Bert Boyd was having a great day and walked away with overall 32/32 in the 25 target Single Barrel Continental event. Grenfell's Mick Mitton won AA grade 31/32. Les Irvin won A grade 24/25, B grade went to Michael Fyfe 21/25 and Narelle Ambrose was the C grade winner 17/25.

Matty Patmore scored the only possible in the 25 target Points Score Continental to win overall 75/75. Clive Foster claimed AA grade 74/75 and Graham Duncan in his first outing with his new Miruko won A grade 74/75. Michael Fyfe confirmed his B grade status winning with 69/75 and Narelle Ambrose continues to shoot well to take out C grade 62/75.

Wayne Ambrose also shooting very well scored the perfect 25/25 to be first in the 25 target Handicap but it took a prolonged shoot off to decide the other placegetters. Eventually Mick Mitton dropped a target which relegated him to third while a relieved Jason Owens claimed second place with 61/63. Jason Owens who travelled from Narromine for the shoot was declared High Gun on the day.

Although down on numbers it was a varied and challenging program and those in attendance agreed it had been a very enjoyable day.

# Good Scores at Echuca Pre-State Shoot

Location On the Murray River which forms the border  
between Victoria and New South Wales

Echuca members really shot well at the Echuca Clay Target Club's October 12th pre State Carnival shoot, taking out four of the five top honours for the day. On offer was Overall Sashes in the four Championships, and an Overall High Gun Sash.

The possible score for the High Gun was 165 and no one could match Echuca member, Rob Viney's excellent score of only four points down on the day. Rob proudly accepted the Overall High Gun Sash with his 161/165 score.

The Overall Winners Sash and trophy in event one, the Points Score Championship, was collected by Echuca member, Craig Fitzgerald, with a score of 102/102, Bendigo member Peter Akkermans pushing Craig to that score but unfortunately dropping a point, ending the shoot off.

Peter Akkermans was more determined in Event Two, the Single barrel Championship, collecting the Overall Sash and Trophy

Craig Fitzgerald OA PS

after a shoot off with local member Steve Traill, Steve dropping his 53rd target giving Peter the win with his 53/53 score.

Echuca shooter Steve Atkins shot better than all others in the last two championships, beating Travis Gull from Sebastopol in the Double Barrel, with Travis dropping his 156th target, giving Steve the Overall win on a 156/156 score, and Steve's 47/50 in the Double Rise

Championship could not be matched by any other shooter, ensuring another Overall Win to Steve.

Perfect weather, good grounds, and an excellent program, yet only six squads arrived to compete on the day, which did disappoint the committee. Six squads on an ordinary shoot day is good, but for a Pre State Titles shoot with 17 Sashes and more expensive trophy's on offer it did

disappoint a little, with slightly less than forty shooters present, perhaps a result of the economic times at the moment!

Full results for the day are as follows Event One A 25 target Points Score Championship OA & AA 1st C Fitzgerald 102/102, AA 2nd P Akkermans 101/102, A grade 1st Kyle Bateman Bendigo 71/75, A 2nd Rhys Hendrickson Maryborough 70/75, B 1st Gerard Peatling Cohuna 71/75, B 2nd Freddie Siciliano Swan Hill 69/75, C 1st Nicholas McKnight Maryborough 64/75, C 2nd Barry Rogers Echuca 60/75.

# Indigenous Shooters Perform Well

**Location On the Murray River which forms the border between Victoria and New South Wales**

Two squads of local indigenous men decided to take up the invitation of the Echuca Clay Target Club to try their hand at clay target shooting. The group organised by Uncle Col Walker and Mr George Calleja, arrived at the club on Friday the 17th of October keen to see what the sport is all about. Almost all of the Echuca club's committee were on hand to assist the newcomers in trying their skills.

*Uncle Col Walker, Kevin Johnson, OA HG and George Calleja*

After an explanation of the strict safety measures the sporting body insists on to the men, they were each issued with a suitable firearm and placed at the trap shooting layouts. Ranked as one of Australia's top shots, club coach, Mr Steve Atkins, followed across the layout giving individual coaching to every shooter. And it proved to be excellent coaching, as each and every person hit some targets and most ended up with scores that would be envied by most new shooters.

Each shooter was given ten targets to shoot at in single barrel format initially, then a barbeque dinner was supplied to all, after that break, another ten targets were supplied for everyone to test their skill on, and some of the twenty target totals were very good, with the "High Gun" award going to Kevin Johnson, ending up with an excellent 17/20 score! Well shot Kevin! Alex Johnson came in 2nd with a 16/20, and Rod Young 3rd with his score of 15/20. Scores like these are in the top bracket for beginners and is testament to the fact that everyone paid attention to Steve's very intensive coaching.

The general consensus from every shooter was that he absolutely enjoyed the evening, and most had no idea firearms could be used

so enjoyably in the sport of clay target shooting. Virtually every shooter got into the sense of competition, and that is probably the reason for so many good scores eventuating.

Club President, Mr Ron Traill, thanked everyone for attending, the committee men that helped to make the shoot a success, and especially the Indigenous men who came to see and test what the sport has to offer.

# DAY/NIGHT AT KEMPSEY

## September 2008

Abby McMahon Junior High Gun

had a slightly insane rabbit hop across from one trap to another, but as this was down the line shooting and not a sporting event, the rabbit still lives. The first event was the 25 Target Double Barrel where the results were as follows 25 Target Double Barrel 15m Cash Prize AA grade G Gosling, M McDonnell 25/25, A grade S McMahon, P Deland 25/25, R Jenkins, B. Neill, 24/25, B grade J Howell 24/25, D Piper, J Piper 23/25, C grade P Leicht 23/25, L Langer 22/25; D Deland 21/25.

The shoot started at 1pm with 24 shooters separated into 5 squads, vying for a share of the cash on offer. The conditions were excellent, sun shining, hardly any breeze and a fantastic spring day in progress. We even

The second event was a 50 Target Double Barrel Handicap which was sponsored by Dr Col Creighton. The medal which was awarded for first place went to Graham Gosling from Newcastle. He was very happy with his success considering he had to maintain his nerves to overcome some very strong opposition in the shootout for final placings. The results were 50 Target Double Barrel Handicap Cedar Town Championship 1st G Gosling 61/61, 2nd K Saunders 60/62, 3rd B Neill 51/53.

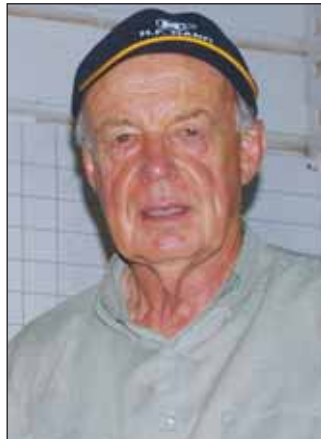

The final event for the day's program was the 25 Target Single Barrel competition which was well shot by shooters across all four grades. We always expect the top grade shooters to do well but when a C Grader gets scores which would have been competitive in any grade, you know the shooter is shooting well. The results were 25 Target

The evening was very mild as the sun set. Our senses were heightened by the aroma of the BBQ which had been baking on the Webber for a few hours. The ladies had already plied us with a fantastic afternoon tea, but no one turned down the offer of a baked dinner. Kerry Powick, Robyn Baker and Meg Gosling made sure no one went back out to the traps for the night shoot with any pangs of hunger. Thanks ladies yet again, the great food took my mind off my average shooting for another few weeks.

The sun finally set and it was a glorious evening under flood lights. It was very mild and not a jumper was seen. In the distance we could see lightening flashing, so the four remaining squads took to the traps for the 10 Target Eye Opener before the main evening event. The results were 10 Target Double Barrel 15m Cash Prize AA grade G Gosling 10/10, M McDonnell 7/10, A grade P Deland, B Neill 10/10, S McMahon, S Saul 9/10, B grade J Piper 10/10, J Gosling 9/10, D Piper 8/10, C grade P Leicht, P Brenton 9/10, A McMahon, D Deland, A May 6/10.

The final event of the evening was the 50 Target Double Barrel Night Club Championship event which was won by S McMahon 50/50. He definitely must have been eating his carrots to see and hit everyone of those targets in the dark skies. The other results were AA grade G Gosling 47/50, M McDonnell 43/50, A grade S Saul 48/50, K Saunders 45/50, B grade D Piper 47/50, J Piper 43/50, C grade P Leicht 44/50, P Brenton 42/50.

Not surprisingly Graham Gosling 155/160 won the High Gun medal for

Peter Brenton with his proud wife

the day and night shoot. His mates from Newcastle were very pleased for him but concerned about the drive home together and fitting his "big head and inflated ego" in the car. Graham being a humble winner promised not to gloat too much. Seriously, well shot Graham and come back with Jason Jenkins next time and show him how it is done.

So ended another Day/Night shoot at Kempsey Clay Target Club, with Jenny and Lesley Baker our recorders, relieved the program was over before the storm hit. Thank you one and all and we look forward to seeing you at our next competition on the 3rd Saturday of the month at 1pm.

A good night's shooting too

# THANKS FROM GUYRA

As one of seventeen Guyra Gun Club members who attended Goondiwindi Gun Club's 2008 two day shoot over the weekend of 13th and 14th September, I speak for all our attending members in registering a big thank you to President Garry and his hard working team for an excellent shoot and continuing hospitality to us and all others.

Guyra Gun Club's association with Goondiwindi Gun Club goes back a long time with an example of one Guyra member attending thirteen annual shoots in a row.

Four years ago we unfortunately lost a Guyra member Ben Hiscox with heart failure during the Goondiwindi open shoot. Ben is missed by us all and we fondly remember his enthusiastic approach to shooting and his keen sense of humour and unconditional loyalty. I reckon he monitors our performances!

The support and compassion to Ben's family and friends and to the attending Guyra shooters was extraordinary as shown by Goondiwindi Gun Club, the O'Shea family and many others.

Without mentioning names, I thank you all.

This will not be forgotten and as a result THE HISCOX MEMORIAL SHIELD is competed for at The Goondiwindi open shoot with five man teams made up of members from one club competing over fifty targets, double barrel. To Guyra shooters, this is an understandably fairly emotionally charged event.

The attendance of shooters to the '08 Goondiwindi shoot is the bottom line that all is good!

Not only was the Programme a ripper, good targets, good food(thanks ladies) a great shoot off of 200 plus under lights, but most importantly a great atmosphere that would make many other clubs envious.

Well done Goondiwindi and a message to other clubs "WHAT GOES AROUND ..... COMES AROUND!!"

On Behalf of visiting Guyra member this year and past ones all the best Gundi and well done!! We will be back in 2009.

# QCTA 2008 ISSF JUNIOR PATHWAY COACHING DAY

*5th September - Brisbane Gun Club*

*Graeme Boyd with Queensland Juniors*

The 2008 Junior Development Clinic was held at Brisbane Gun Club on Friday 5th December 2008. The QCTA was fortunate to have Mr Graeme Boyd share his knowledge and ISSF expertise with the 6 juniors from as far north as Cairns and south to Ballandean.

Kelly Coogan, Georgia Costanzo, Tom Auger, Ben Mitchell, Sam Lynch, and Tom Costanzo participated in practical and theoretical coaching, spending plenty of time on the layouts, gaining valuable knowledge in gun hold, eye hold, target acquisition, and training techniques physical and mental. The kids had the opportunity to view video footage of themselves in action on the tracks, focusing on gun mount, feet, head and body positioning and shooting technique, allowing for self analysis, comparison and discussion.

Winchester Australia generously donated all cartridges used on the day, proving their valuable contribution and commitment to the Australian Shooting and Junior Development scene, thank you Winchester and Mr Greg Mitchell.

The team at Brisbane Gun Club, particularly Tom and Thelma Meadows, Frank Petsch and Darby Munroe worked tirelessly all day to ensure everything ran perfectly for the participants, solving issues involved with electricity and getting power to the ISSF layout, thank you BGC.

All of the participants must be commended on their discipline, efforts and enthusiasm. The kids all worked very hard and thoroughly enjoyed coming together as a squad, not only to learn from Mr Boyd, but to learn from each other.

*Tom Costanzo*

*Ben Mitchell*

*Graeme Boyd working with Tom Auger*

A sincere thank you goes to the ACTA and AISL for making funding available and allowing us the opportunity to bring these kids together with Mr Boyd to realise their strengths and potential in ISSF shooting.

VETERANS team comprised of John Kent, John Howell, Robert Fitzalan & 1st reserve Joe Marshall. It was rather pleasing to see these gentleman travelling to & fro the layouts unaided & without walking sticks or frames. JUNIOR Tom Clarke, Willy Saunders, David Douglas with Russell McCloy as first reserve.

The Tamworth Clay Target Club wishes to express its appreciation to the sponsors' generosity, the efficiency of the kitchen & office staff, the competitor representation especially the travellers, club officials, trophy organisers, northern zone assistance & also to the constant hard work from the much valued trappers. The grounds were a fine display of the effects of recent rain coupled with the maintenance dedication from our efficient caretaker all compounded to the pristine outlook. Regrettably one noticeable absentee was the state handicapper Mr Daryl Pasfield whose experienced office services could have been put to good use over the 2 days. Unfortunately a last minute withdrawal from a broken promise whereby he informed us that he was going dancing instead which in hindsight was the wiser choice considering the high scores from the top achievers & the dancing probably would have been the best option to help tidy up his lane footwork!!!

## Full weekend of competition attracts champion shooters to Wangaratta

**Location: In Victoria, Australia and lies 235 kilometres north east of the capital city of Melbourne and 647km south of Sydney, New South Wales**

Wangaratta Clay Target Club held a full weekend of competitive shooting over Saturday 18th and Sunday 19th October at their North Wangaratta Range. The weekend's activities catered for both Down The Line and Skeet shooters alike, with many shooters travelling long distances to attend our popular club, famous for its facilities, friendliness and an unobstructed, clear background giving shooters an ideal layout to compete in.

The Down the Line shoot held on Saturday attracted over 35 competitors, under very warm conditions. Event 1, a 10tgt. Continental eye opener saw 12 shooters share the purse. Event 2 a 20tgt. Continental Championship was won by local Champion AA grade shooter Daryl Hunt with a perfect score of 54/54. Angelo Grassi took out 2nd in AA grade with another great result of 51/52. Dave Harley shot well to win 1st place in A grade with a score of 53/54 and 2nd in A grade by Lou Rech on 29/30. First place in B grade was won by Vic. Tomasoni on 35/36 with 2nd place taken by Greg. Ganning shooting 25/26. Barry Ellis shot well to win 1st in C grade on 20/22 and 2nd in C by our hard working ground keeper Bob Barron with 19/22, well done Bob.

Event 3 a 20tgt. Point score championship was won by local Keith Willett, a very consistent AA grader with an excellent result of 162/162 after a long shoot off with veteran shooter A grader Dave Harley on 161/162. 2nd in AA grade was taken out by Tim Peacock shooting 83/84. Another superb Veteran shooter Reg. Phefley won 2nd place in A grade finishing on 77/78. Kayla Grassi shot very well returning a score of 65/66 winning over B grade shooter Darren Saunders on 78/81. Unfortunately Kayla's older sister Megan Grassi had to retire early in the day as she wasn't well, otherwise I am sure she would also have finished in the "winners circle". First in C grade was won by Barry Ellis on 57/60 and 2nd place in B by Ted Quick on 54/60.

The last event was a 50tgt. double barrel championship sponsored by Wangaratta Audiology and was won once again by Keith Willett finishing on 129/129 and 2nd in AA by Daryl Hunt shooting 128/129. Watching from the fence the skills of these two fine shots shooting off against each other confirms the level of skill, stamina and discipline necessary to get to AA grade, any up and coming competitors could learn lots from observing these two masters of their sport. Phil. Wotjioyez shot well to win 1st in A grade with 63/64 and 1st in B grade was won by Brian Joy on 64/65 defeating Greg. Ganning on 61/62. Greg has now earned his 50 break badge, well done Greg. C grade shooter Barry Ellis once again shot well to win in his grade on 55/57 and 2nd in C by Ted Quick on 54/57.

The High Gun winners were Overall, Angelo Grassi 160/160, Veteran Dave Harley 159/160 and Junior Jaidon Parker 134/140.

# TOP SHOTS AT DENILIQUIN

The day was bright and sunny with a light breeze all day so the 35 shooters that attended had perfect conditions to shoot.

With the two main events of the day being fifty targets each the calibre of shooters was very impressive (average) for down town Deni. Some of our well known shooters like Jon Whittakers, Tony Bradshaw, Lee Barr Fitzgerald, Brian Doyle, Mark Crevatin, Diarne Doyle, Steve Traill, Craig Fitzgerald to name a few. Even the national coach Bill Iles attended along with the rest of us, but as you will see in the results some of us mere mortals had a win.

Event 1 15 tgt point's e/o c/d AA Jon Whittakers, P Lindberg, J Collicoat, C Fitzgerald (only grab all day) 45/45, A Tony Bradshaw 45/45, B Ron Cugley 44/45, C Bill Cormack 43/45.

Event 2 was the main event of the day with a fifty target point's event in honor of Brian Cormack a member of our club that was obviously well liked by the attendance and the Great Spirit in the way this event was shot. To get your name on this memorial shield is an honor as last years winner Brian Doyle will testify to 50 tgt p/s Brian Cormack Memorial Championship O/A AA Jack Collicoat 149/150, AA 2nd Mark Crevatin 148/150, A 1st Alan Cole 148/156, A 2nd Len Johnson 147/156 (High gun one week, 1st loser next), B 1st Ron Cugley 141/150, B 2nd Ian Gebhardt 139/150, C 1st Bill Cormack 120/150, C 2nd Tom Beames 108/150.

Event 3 50 tgt Double Barrel championship O/A A Tony Bradshaw 84/84, A 2nd Diarne Doyle 72/73, AA 1st Jon Whittakers 83/84, AA 2nd Mark Crevatin 113/113, B 1st Ian Gebhardt 47/50, B 2nd Ron Cugley 46/50, C 1st Bill Cormack 42/50, C 2nd Tom Beames 32/50.

Event 4 Harbor Transport Mug. Now as you know this is the money event with not a bad role up the reward to win this would be well over \$150.00. As the president of the club I don't even know the amount you win the secretary says you have to win to know. (I guess I never will.)

The eventual winner who shot the 10 plus another 10 in the shoot off was the all new and a lot slimmer Wok Kely the diet is

obviously working Wok but we all agree you can't spend all that cash on lettuce its your shout next time.

High Gun for the day was Jack Collicoat 266/270 after a shoot off with Mark Crevatin.

The club would like to thank everyone that helped all day and the Cormack family for the support and as we all know with out sponsors we don't have a club.

Two months ago I wrote about our caretaker Slim who had passed away. This month I have the job to let everyone know of one of our members Shorty Decker who has passed away. I don't think you can say enough about Shorty, he was a great bloke with a great attitude. Quietly spoken but always achieving, he will be sadly missed around the club by all. His silence will be missed by his absence.

The Zone would like to thank the major sponsor, Bruce Burns of GB Corsivia, for his generous support. The new Corsivia Australian Trap targets were used exclusively over the program and performed to perfection.

First event was a 25 target NWZ Handicap won by Lisa Hawker 31/31, with Graham Menhennet 2nd, Tony Plum 3rd, Craig Kelly 4th and Kevin Yates 5th. The Hawker's are keeping this event in the family as Wayne was the winner in 2007 and Lisa in 2006.

The eventual winner being Len Cook from Beaufort GC, 149/149, 2nd Colin Dunn (Callawadda Stawell) who was heard to utter an expletive between his first and second barrels, consequently missing his 149th target. # TRAPSHOOTING CHAMPIONS

## Past and Present

### BREAK RECORDS

Throughout our history the champions of our sport have strived to better the performances of those who have come before them. Break records are a great example of the continual quest to improve on the performances of the past.

The advent of better ammunition and guns has greatly aided today's champions. There has also been a dramatic rise in the number of competitors at the major championships thus improving the champions of today's chances of establishing big breaks.

For these reasons, break records are a great way of tracking the improvements in our sport but not necessarily a fair method of comparing the champions of the past and present.

We are presently researching "Break Records" for trapshooting. At this point in time we believe that the following are the records for each state. In the future we are planning to research the zone, club and event records as well.

The blank spaces in the chart indicate that at this time we don't know of the record.

If you have any information that may be able to assist us please give me a call on 02 6792 4712 any evening.

**Mark McInnes**

# RICHMOND RIVER NEWS

Location 776km's north of Sydney between the rainforest and the sea

A continental 100 Target championship event, sponsored by Kevin Harding, was conducted at the Wyrallah Road facility of the Richmond River Gun Club on Sunday 28th September in good conditions but for some reason scoring was not as good as expected and attendances down a little with 29 shooters taking part.

There wasn't much red on the board after the first fifty targets, Kevin Harding being the only one with 50/50. Roy Warren 24/25, Bill McKechnie 23/25, Peter Brown 23/25 and Dickie Bennett 24/24 were not far behind.

The variable breeze that picked up as shooters commenced the third stage started making the targets duck and dive, particularly the low ones, and there was many a groan as the dreaded lost target call was heard more frequently.

Graeme "Dickie" Bennett put another 24/25 on the board for a total score of 97 out of a possible 100 to win the Championship High Gun as well as A Grade, narrowly from Kevin Harding 96, with Bill McKechnie Gold Coast and Ian McDonald Yamba just a point away with 95/100.

The fiercest competition of the day however was in B Grade with Maurie Westbury, Rebecca Vary and Mike Sullivan all on 94 after the 100 targets. Each of them had shot 25/25 stage possible at some point and the resulting shoot off looked like taking some time.

Unfortunately for Rebecca her 10th extra target was a dreaded low right hander that brought about her downfall. Mike Sullivan lasted just one more when he suffered the same fate leaving veteran Maurie celebrating when he smoked his 11th to sew up B Grade as well as the Intermediate High Gun trophy. Terry Milgate won C grade with 90/100 from Les Wheeler 89/100.

## NIGHT SHOOTS RESUME

Monthly night shoots returned to Richmond River Gun Club on

Shoot sponsor, Kev Harding presents Dickie Bennett with trophy for High Gun

12th September although members must have forgotten to read their newsletters or got used to the winter layoff as only 11 turned up to shoot. It was a relaxed casual 75T double barrel event and the scores were nothing to write home about.

Club Secretary, Peter Brown AA had the best score of the evening with 68/75, Phil Westbury A won with 65/75, with Scott Brereton and Mike Sullivan tying in B grade with 65/75 also. Shoot offs are usually not held at night shoots because of our noise curfew so a count back system is used best score over last 25 targets and Scott was declared winner of B grade, Sean Copper easily won C grade with 66/75 from David Anderson 63/75. There is a rumour around that Sean is nocturnal because he usually only appears at the night shoots and seems to perform better in night time conditions than daylight.

October's night shoot however was a bit different. Perhaps it was the daylight saving. Twenty four shooters competed in four six man squads and every minute of allowable time was used to complete the 25T DB eye opener shot in daylight and then the 50T DB event under lights.

# 5 Stand Sporting Wangaratta CTC

Wangaratta Clay Target Club held a 5 stand Sporting Clay Championship at their North Wangaratta Grounds on Saturday 4 October. This 100 tgt. event attracted 36 competitors on a warm and ideal day. The Wangaratta Club holds a few of these events each year which provides an opportunity for Field & Game shooters along with ACTA members to pit their skills against each other in what is a different discipline that some ACTA shooters have not had

a lot of exposure to. The increased degree of difficulty of Sporting Clay shooting makes for a fun filled and challenging day and it is fortunate that the Wangaratta Club can offer this type of shooting on special days.

The 100 tgt event was won by AA shooter Marty Seymour finishing on a great score of 87/100, with 2nd place in AA taken out by Brett Jory on 83/100. First in A grade was won by Craig Dixon on 86/100 and 2nd place by Brian North shooting 80/100. B grade was

won by Travis Wright with 72/100 and 2nd in B by young shooter Matt LePoidevin shooting 71/100. 1st place in C grade was won by Brett Morrison with 79/100 and 2nd in C by Felix Gamze with 75/100.

Best Junior shooter was Matt LePoidevin, Top lady shooter was taken out by Trina Adams and Veteran shooter Reg Carmody won his category.

A big thanks to Brett Jory and his able team of helpers in setting up for the day.

A warm welcome awaits all experienced and novice shooters alike at the Wangaratta Clay Target Club. Please contact Acting Club Secretary Brian Reid on 5721 7799 for more details about coming shoots or learning more about becoming involved in this great sport.

Dickie Bennett lines up for a target

Leanne Copeland, Warren Baxter and Greg Smith enjoyed their first night shoot and although they took a little time to adjust to the conditions, displayed enough form to suggest it won't be long before they are very competitive.

Mike Sullivan and Rebecca Vary shot the best scores of the night with 49/50 25/24 and could not be separated. A shoot off was not possible so they did the right thing agreed to share the bottle of Yellowtail Merlot which was the prize for B grade with the cook Jaco.

Peter Brown won AA as usual with 48/50, Richard Vary A with 47/50 and visiting Grafton Junior Jake Davis C grade with 46/50.

Night shoots are held at Richmond River Gun Club on the 2nd Friday of each month from September to April and if numbers continue to grow, lighting will need to be improved on a second layout.

Bill McKechnie Gold Coast A grade runner up receives his prize

There are some important shoots coming up in the northern rivers area in the near future Jacaranda Classic at Grafton, Ken Gibbon Memorial (hosted by Tyagarah at the Richmond River ground).
