NATIONAL PRESIDENT'S NOTES

John Mack

Upon registering your 2009 membership each member will receive together with their shooters card the new 2009 rule book. The re-formatted book is much thicker than our previous book the reason being you will find all rules pertaining to each discipline in their separate section. This has meant duplicating several of the rulings so they are found more readily when required.

Please take the time to read through your discipline to have an understanding of our associations codes of safety and etiquette and our rules of competition, as a member you have agreed to abide by them.

On behalf of the National executive I would like to thank Mr. Jim Shepherd for his pro-bono work on a well produced rule book.

2008 Victorian State ISSF Carnival

Melbourne Gun Club November 21-23

The 2008 ISSF Carnival was again held at the Melbourne Gun Club from November 21-23 in what can only be described as some of the worst conditions we have experienced for the Carnival.

Over 50mm of rain fell in the area from Saturday morning till Sunday morning, combined with some high winds and even hail kept the scores in the Trap and Skeet reasonably low. The open fire was lit in the club rooms and soon became the most popular spot for shooters to gather, specially those who were drenched from head to toe.

Despite the weather entries were up on the last couple of years which is a very pleasing sign. A good number of interstate visitors plus a

few from overseas had made the trip to Melbourne. Apart from the weather I hope all enjoyed the weekend.

75 PAIR STATE DOUBLE TRAP

Held on Friday the 21st of November we had 13 entrants for the State Double Trap Championship. Conditions were overcast but otherwise good.

After the 3 rounds Russell Mark had shot 3 rounds of 46 to record a 138 and have a 2 target lead from Nick Kirley on 136. Marc Crimmins was next into the final on 133 followed by Craig Trembath on 129. Junior Josh Collard rounded off the 6 for the final on 109.

A score of 44 in the final was enough for Russell to secure yet another State Sash finishing with 182/200.

Junior winner for the event was Nick Kirley with 136/150

Overall Russell Mark 182/200, AA grade 1st Nick Kirley 136/150, AA grade 2nd Craig Trembath 129/150, A grade 1st Marc Crimmins 133/150,

National Office Update

I hope all our members have had a joyful and relaxing Christmas and New Year break. Although this will be our second issue of CTSN for 2009 I thought it was timely to let you all know what we've been up to here in the National office. At present there are four of us - myself, Maureen Ryan and Kaz Butts who all work full time, and Sue Vesperman who works part time. As you are all aware we have been without a CEO since August and that has created a lot of extra work, not just for us, but also for the Executive, at what is arguably our busiest time of year. Interviews are currently being conducted for the CEO's role and we look forward to welcoming our new boss in the very near future!

It is gratifying to see how many Clubs have been and are being pro-active in getting their 2009 memberships in early and Maureen Ryan has been wading through all these with no more than a 2 day turn-around and mostly only one day, although we did hold some back for a short time so we could include a copy of the reprinted rule book. Another part of Maureen's role is to action the Handicap and Grade change forms and these are done the day they are received. Our database is only as good as the information you send in, so if you are aware that the grades shown on your handicap label are incorrect, please check with your club secretary and get him or her to send Maureen the correct form and it will be actioned straight away. Maureen also compiles all the information for the monthly magazine and this keeps her very busy for the best part of two weeks a month.

Sue Vesperman has been equally busy collating the coaching records for each state in readiness for the new coaching programme which will be implemented this year. This has been a long and drawn out process to research and put together an AISL approved programme that will take coaching within the ACTA to a new level. Geoff Faulkes, chair of coaching on the Executive, along with his hard working team are to be congratulated on their efforts to date. Sue also collates all referees and referees examiners and keeps the records

up to date to ensure all remain current. Sue is also the cheery voice you usually hear when you ring the office.

Kaz Butts is currently putting all the final touches on the Trap Nationals and all the myriad things that need to be organised behind the scenes to ensure you all have an enjoyable carnival in Roma. In fact, we have been working since October on this event, along with the OD, Skeet and Sporting Nationals. Kaz also has the job of organising the two Hall of Fame evenings and to all of you that attended the 2008 events I am sure you will agree that they are a night not to miss. Kaz, with Sue V's assistance also puts together the Junior Development camps for Bill and Geoff and these take up a lot of time, but when you can see the results that our Junior shooters achieve, it is worth every bit of effort that we put in.

From my point of view, most of my time since starting with the Association in March of 2008 has been taken up with the finances. The 2008 audit will be completed during February and the report will be made available at the AGM to be held in Roma on Sunday, March 29. The 2009 budget was finalised in early December and was a collective effort between myself and Board members and is a comprehensive and responsible budget. I have also been involved in the planning of the Championships with Kaz and it has been a real eye opener for me to see everything that is required to be done before the events even start - I have to say being Shoot Marshall is a lot easier!

We have all been involved with the development, construction and training for the new website which we hope to launch very soon, and we hope you enjoy using it. It is much more user friendly than the last one and we will be able to keep the results and other information right up to date for you. For those Clubs that wish to add their Google map it is not too late. Just follow the instructions that were sent out with the Secretary's pack in November.

We look forward to continuing our efforts in 2009 and beyond, and despite what you may hear to the contrary, we are all still here and doing what is necessary to keep the wheels turning on your behalf and although we have been short staffed for six months we have been determined to maintain a high level of service.

I would like to take this opportunity to extend an invitation to all of you for any time that you may be in Wagga, to drop in for a coffee, say hi and check out your National office.

Good shooting, Sue Pim

2008 CHRISTMAS SKEET AT CECIL PARK

Cecil Park Clay Target Club held their Christmas Skeet Shoot on Saturday 13th of December. The weather was overcast and windy but otherwise fine and all shooters shot well. The day itself was excellent and very enjoyable with a total of 27 Shooters including a few that hadn't shot for quite awhile.

Shoot marshal for the day was Michael Maloney who we would like to say a huge thank you to as he did a great job!

The 50tgt handicap event was proudly sponsored by R&S Danube Small Goods, who donated the delicious Christmas hams & Casella Wines, who donated the bottles of wine to wash the ham down! Thank you!

2008 INAUGURAL SACTA SPORTING CLAYS CARNIVAL

Inaugural SACTA State Sporting Clays Team. Rear (L - R) Wayne Channing, Garry Read, Daniel Johns, Anthony Demaria, Brian Thomas, Trevor Thomas, Rodney Hindmarsh, Allan Jones, John Smith, Michael Winen. Front (L - R) Rob Low, Allan Vilcins, Steve Baynes, John Torresen, Deserie Baynes.

History was made on Saturday 8 November when Steve Baynes was the inaugural winner of the South Australian State Sporting Clays Championship.

ACTA members from both the northern areas of South Australia and Adelaide attended the one day carnival conducted at the Port Pirie Gun Club. The venue was prepared superbly with the course being set out to test the shooters that attended.

Sponsors of the Carnival, "Marsh Insurance" and "The Trophy House" provided exceptional prizes that were as sought after as the perpetual "State Sporting Clays" trophy.

Seventy-five targets, with a slight to moderate breeze during the day made for interesting competition. Steve Baynes led from the start to take

the trophy from fast finishing competitors, John Torresen and Allan Vilcins. These three members will travel to Victoria next year to represent South Australia at the National Championships as the inaugural South Australian Representative Team. The State Executive and shooters wish them well.

The State Open Team consists of 15 members who each were presented by Rob Low from Marsh Insurance with their State hat and shirt. Rob himself made the Open Team and was the winner of 'B' Grade. Presentation to Rob was made by the SACTA President, Allan Vilcins.

SACTA also made a special presentation to the Port Pirie Gun Club to mark the importance of this event. A presentation plaque presented by the SACTA President to the Club will be proudly displayed commemorating the commencement of the Sporting Clays Championship. A special presentation was also made to the Shoot Marshall, Neville Wehrmann, who gave up his competition day to work the program box, ensuring fair and equitable competition for all. Others presented were the President of the Port Pirie Gun Club - Brian Thomas,

Secretary of the Port Pirie Gun Club - Rodney Hindmarsh, Port Pirie member - Jake Wehrmann, SACTA Secretary - Deserie Baynes and Rob Low - representing the Sponsors. It is without these workers and sponsors that the carnival would not have been the success it was.

The results of the day were: Overall - Steve Baynes 66/75. 1st AA Grade - John Torresen, 2nd Wayne Channing. A Grade 1st - , 2nd. B Grade 1st - , 2nd C Grade 1st Allan Vilcins - 2nd Michael Winen. Junior Trophy - Jake Wehrmann, Ladies - Deserie Baynes, Veterans - .

The South Australian Clay Target Association thanks everyone involved in getting the Sporting Clays Championship up and running and look forward to it being contested in 2009.

OPEN DAY AT KEMPSEY

Open Day with some young shooters and Kempsey Members Coaching

Location Situated right in the heart of the Mid North Coast of NSW

Saturday 25th October Kempsey Clay Targets Club held its Open Day. This program allowed new and interested shooters a safe and supportive opportunity to try this challenging sport. No gun or licence was required for the day, just a willingness to try and hit a moving target. Individual coaching was provided for each person and the club was well supported with visiting shooters who drove up from Newcastle/Lake Macquarie to assist us with the day's proceedings, and lend us additional traps to throw incoming targets for the new shooters.

Thank you to everyone involved for giving up your time and lending your gun and helping with a very successful day. Graham Gosling, Renae, Jason & Darren Jenkins, Gary Morgan, Ross Maclean, John Piper and Michael Ling from Newcastle/Lake Macquarie Clay Target Club not only worked all day but they then had to drive 3.5 hours home that night. Ted, Robyn, Jenny & Glen Baker, Meg & Jack Gosling, Ken Saunders, Bill Neil, Phil Ryder, Steve & Abby McMahon, Steve & Emily Saul, Peter Brenton, Kerry Powick and Lesley Langer, Kempsey Clay Target Club members, also had a big day working with the new shooters. Well done team!

We had over 125 people turn up throughout the day to have a look, support family members or try shooting. Forty Six new shooters were introduced and tried the sport of clay target shooting and were instructed by both Kempsey and Newcastle/Lake Macquarie members. For those who didn't want to try shooting a sausage sizzle was put on by our catering team (Robyn Baker, Meg Gosling & Kerry Powick) and there were plenty of refreshments to revive those standing out in the glorious sunshine on the Mid North Coast and helping the beginners to hit and break targets.

The new shooters were so excited when they shot their first target it was infectious. Each person was given safety information after registering with our gun licence assessor Glen Baker. Young people who were 12 or over and in the care of their parents or legal guardian were often our keenest participants with only their parent's purse strings being the limit on how long or how often they were prepared to keep shooting. Many people came back for more than one session

and the following weekend the numbers of shooters at our regular practice swelled and a separate trap had to be opened for new shooters to have lessons and give them the opportunity to try Clay Target Shooting.

It was a fantastic and exhausting day meeting and working with so many enthusiastic potential sports men and women and we hope to see many of them joining our ranks at the traps in 2009. For those who missed out on the open day this year don't worry you can always come out to the range 9km west along the Armidale Road from Kempsey on the 1st Saturday of the month at 2pm for our practice and introduce yourself, or come and watch a competition on the 3rd Saturday of the month at 12pm. We will be advertising another Open Day latter in 2009 so look out for the information. Alternatively you can always contact our President Ted Baker on 6562 6773 or Lesley Baker our Secretary/Treasure on 6562 6126 and they will give you any information you may need. Don't be shy as you may be missing out on one of the safest, most rewarding sports that anyone, no matter what age, sex or level of physical fitness, can enjoy and be competitive in. Hope to meet you soon, I'm just one of the many Clay Target Shooters with a smile on my face having a great time, come and join us some time soon.

Queensland Take Back Teams Match at Ballandean Annual

Location: 20km South of Stanthorpe on the New England Highway south west of Brisbane

Ballandean Clay Target Club held its 2 day Annual on the weekend of 18/19 October with near perfect shooting conditions attracting some 110 shooters from across Queensland and New South Wales.

Stanthorpe Rural 1000 winner Kim Nealon receives \$1000 from Stanthorpe Rural CRT's Todd Wiltshire

Ladies High Gun winner Viv Moore with Ballandean President George Costanzo

The Ballandean Annual continues to grow in strength, and the recent change in date did not deter shooters, most commenting that the change was for the better given the warmer weather and longer days. The Stanthorpe Rural 1000, a grade meterage event with a prize pool of \$1850 and the Calcutta held in conjunction with the event continues to entice shooters and punters alike with the winning syndicate this year taking home over \$2500. Eleven shooters shot the possible with Kim Nealon holding off the competition to take out the Stanthorpe Rural 1000 and go home \$1000 richer. Our auctioneer for the Calcutta evening David Watts from Moree was not only a fantastic auctioneer, but managed to pick up 2nd place, proving he is as good with his shotgun as he is with his mouth.

Queensland stalwart Daryl Stevens won the Overall High Gun proving consistency is the recipe for success. Other stand out performers for the weekend included Brian Kneipp from Moree picking up AA High Gun, as well as winning the Double Barrel after a lengthy shoot off with Ray Turner from Tyagarah, and the Double Rise. At the end of the weekend both men were equal for the Overall High Gun with a shoot off deciding the eventual winner.

The Ballandean Teams Match QLD v NSW draws similar interest and passion to that of the Rugby League State of Origin, with the top twelve scores from each state from the Points Score event qualifying for the match. With the teams decided the teams, and Queensland going in as favourites, the teams hit the tracks for the 20t Points Score. The Queensland team of Rod Fett, Sam Cannizzaro, Ray Mascadri, Col Witt, Grant Coy, Keith Simpson, Alex Dallas, Rob Dean, Mitchell Ford, Daryl Stevens, Scott Trafford, Ian Fowles were the winners much to the delight of the strong Queensland crowd. It was not to be a clean sweep, with the NSW Team of Dimity Boydell, Jenny Haynes and Helen Finch taking the Ladies crown.

Students hit the target at Ararat

Location in the foothills of the Grampians, 203 kilometres north-west of Melbourne

Students from Lake Bolac College, Marian College, Beaufort Secondary College, Mortlake Secondary College and Derrinallum College attended the annual 'Down the Line' clay target shoot at the Ararat Clay Target Club.

Gary Hargreaves from Ararat Gun Club centre with Lake Bolac students Lillian Hamilton (left) and Richard Joyce

The shoot attracted around 50 competitors, ranging from students competing in four divisions to a parent/teacher shoot, which attracted 12 participants in two squads.

Students competing in the four divisions, junior girls, junior boys, senior girls and senior boys, received medallions for finishing in the top three on the day.

The school shield, which was donated by Beaufort Clay Target Club, was presented by Lenny Cook to the winning school, Beaufort Secondary College.

Event Organiser Kim Dridan from Lake Bolac College said the day was all about having a go. "It was great to see instructors helping on the day, getting out there and showing the students how it's done," Ms Dridan said.

Beaufort Secondary College's Mark Bates

After hearing of other school shoots across the region, Ms Dridan decided to organise an event to be hosted at the Ararat Clay Target Club.

Following the huge success of this year's event, Ms Dridan hoped the shoot would be held again next year.

Lake Bolac College students have attended the Ararat Clay Target complex every Monday for the last eight weeks to practice for the event. The school was extremely grateful for the support of the Ararat Clay Target Club, in particular Gary Hargreaves and Gary Grant, who made practice sessions possible.

Ms Dridan also thanked Gorst Rural Supplies, the Lake Bolac supermarket and milk bar, Safeway Ararat and Baker's Delight for their support in making the event a reality.

Mathoura shooters defy the rain

Location 768 km south-west of Sydney in the Riverina Region of NSW

Zone Tower

A Victorian North East Zone Night Points Score Tower Championship was the main event for the November shoot at Mathoura Gun club, and no one thought it would have had to be shot out in the rain. For normal trap shooting rain can be a nuisance, but for tower shooting, looking up into the rain for the target is definitely not an advantage, and possibly explains the poor scores shot by every shooter in attendance. The rain started in earnest at about 5pm and continued throughout the shoot, keeping some shooters away, and resulting in a lower attendance than usual, although those that did brave the elements did enjoy the four program meeting, of course, getting wet in the process.

Murray Roberts OA NEZ Tower points

Leigh Knight 1st 15 tgt Cont

67 points out of 75 were the best scores in Event Three, the Points Score Tower Championship, and just 2 shooters managed that, Murray Roberts and Leigh Knight, a Bendigo Member, were the two, and it only took four targets in the shoot off to decide a winner, Leigh used a second barrel on his fourth target and it was all over, with Murray taking out the Overall winners Sash and 1st in A grade with a 79/87 score, Club president Roger Kerslake picked up B Grade 1st with his 62/75 score, and after a 1 target shoot off between John and Trevor Berryman for C grade 1st, John took the honours with a 56/78 score.

Event One, was a 10 target Double Barrel Cash Divide, and three shooters managed a 9/10 score to share the cash J Berryman, L Knight, and R Kerslake.

Event Two a 10 target Double Barrel Tower Cash Divide, and Graham Hall and Roger Kerslake were the only two able to shoot a clean score of 10/10, and they both shared the cash available.

Event Four was a Trap 15 target double barrel continental, and 1st and 2nd places had to be decided with a shoot off between John Berryman and Leigh Knight both having shot 13/15, they were serious, and it went on until John dropped his tenth shoot off target, giving Leigh 1st place honours with an 23/25 score, John picking up 2nd place with his 22/25, and R Kerslake taking out 3rd with an 11/15 score.

A very enjoyable night of clay target shooting marred only by the rain, but luckily a mild night, with no one cold at all, and plenty of hot food and drink supplied by the ladies, and a reasonable early finish of 10.45pm, not one complaint was heard.

Xmas at Mathoura Gun Club

Friday night the 12th of December and once again, as with the previous shoot, rain falling, at the Mathoura Gun Club, for the annual Christmas shoot. It's just a pity that all this rain did not eventuate when the farmers desperately needed it. Being very widespread the rain probably kept some shooters from attending, although the four squads of competitors that did, was a reasonable roll up, and most had family members along as well to enjoy the atmosphere, and the very acceptable evening meal supplied by the ladies committee. With four events on offer for the nights shooting, two of those were shot in light rainy conditions, and then it cleared up for the final two, making it not as wet, or as miserable, as it could have been.

To make it a little more difficult to achieve a good score the trap was set a little faster than normal, and that surely done that, with not one possible shot throughout the evening, even with several AA grade shooters in attendance. The main event was the 25 target Double Barrel Club Championship shot as event four, and to become the Club Champion the shooter must be a member of the Mathoura club. Laurie Fitzpatrick was unbeatable with his 22/25 score and although Laurie is registered as a Euroa member, he is also a member of the Mathoura Club, congratulations Laurie and well shot! As well as receiving the Overall Club Champion sash, Laurie also

150 TARGET STATE ISSF SKEET

A total of 8 shooters had entered the skeet, which is a little disappointing but considering the weather conditions on Saturday morning a few could be excused for staying in bed!!!

Keith Ferguson made his intentions clear from round 1 starting with a 24 in the wind and rain and held a 3 target lead on the first day from Anthony Sottasanti shooting a 69/75.

After the 6 rounds Keith lead into the final on 136/150 closely followed by Anthony Sottasanti on 135. David Cunningham after a break from ISSF Skeet was next on 132. International visitor Ricky Teh qualified next from Zita Dettori from Sydney on 122. Promising young junior shooter Eddie Elder completed the final 6 with 121 respectively happy to beat older brother Rob!!!

collected the A grade 1st trophy for his endeavour. John Berryman Mathoura collected B grade 1st on a 20/25 score, and R Weatherall Euroa picked up C grade 1st with a score of 18/25.

All the juniors that have been attending the shoots at Mathoura over the last twelve months for coaching and tuition on the sport, were this night actually squadded up with the other shooters, and had their first competition shoot. In the 1st event, an 10 target Single Barrel competition, Tim Maher Deniliquin took out 1st place with an 8/10 score, and Nicholas Allan one of the new Juniors survived a three way shoot off for 2nd place, beating Laurie Fitzpatrick, and Rob Colliccoat to take out 2nd place on a score of 8/12, Rob picking up 3rd on an 8/13. Certainly this would be a highlight for this young junior shooter. Well done Nick. And from money gratefully donated, Engraved Medals had been purchased, and were presented to all the juniors who have been attending the club, making this Christmas shoot a memorable occasion for them. Their names are Nicholas and Josh Allan, Luke Hams, Joshua and Kaitlin Fitzpatrick, also, Thomas, Sarah, and Rebecca McCluskey.

Event Two, was an 10 target Points Score, and Mathoura member Trevor Berryman picked up first place with an unbeatable 27/30 score, and after only two targets were used in a shoot off for 2nd and 3rd, Rob Colliccoat Deniliquin picked up 2nd with his 32/36 score and Tim Maher 3rd with an 29/36 result.

Lastly, event three, a 10 target Double Barrel competition, and Laurie Fitzpatrick, having an excellent night out, survived an one target shoot off to take out 1st place with his 10/11 score, 2nd place went to Club President, Roger Kerslake on a 9/11 score, and 3rd place went to R Colliccoat on a 14/16.

With food used very acceptably as trophies and an evening meal to enjoy, the shoot, although wet at times, was really enjoyed by all who attended. At the presentations, thanks were given to the ladies committee for their excellent effort, and to all shooters who did not let the wet night put them off, and did attend.

Murray Roberts

Keith Ferguson saved the best for last, shooting the only 25 of the competition in the Final to walk away with his first State Championship.

Zita Dettori won the ladies with 122 and Eddie Elder the juniors with 121, Overall Keith Ferguson 161/175, AA grade 1st Anthony Sottasanti 135/150, AA grade 2nd David Cunningham 132/150, A grade 1st Zita Dettori A grade 2nd Ricky Teh, B grade 1st Rob Elder 118/150, C grade 1st Eddy Elder 121/150, C grade 2nd Mikhail Teh 64/150, Junior Eddy Elder 121/150, Lady Zita Dettori 122/150.

Open State Shoulder To Shoulder Team Keith Ferguson, Anthony Sottasanti, David Cunningham.

150 TARGET STATE ISSF TRAP

66 shooters entered the event and braved the icy cold conditions on Saturday morning. Scores were up and down all day and a bit of luck was involved in the draw of what weather conditions you got just ask the 2 unlucky squads who were caught in the hail storm.

The scoreboard on day 1 looked a sorry sight with only 2 clean rounds of 25. At the end of the day it was junior Nick Kirley borrowing Daniel Allams gun after his broke down leading the way with 71/75 to hold a 2 target lead on Danny DiPietro and Nidal Asmar.

Daniel Allam was overheard in the car park saying Nick had used all the good shots up that his gun could handle which was the reason he shot a 15 in his 3rd round!!!

In the ladies it was Catherine Skinner who had gone out to a good lead on day 1 with a 63/75 followed by Simone Tigani and Michelle Beecham ready to pounce.

After the 150 Targets Adam Vella had made up a lot of ground to lead into the final on 138/150. Daniel Di Pietro and Nidal Asmar were close on his heels with 137. Nick Kirley with his own gun back was on 135, Todd Malone on 134 and Sydney shooter Frank Minici on 133 rounded off the final.

A score of 22 in the final was more than good enough for Adam Vella to defend his title from last year and win the 2008 State ISSF Trap title.

The ladies event was a tough battle with Michelle Beecham coming home strong to lead on 125 from Catherine Skinner and Simone Tigani on 124. Stef Tigani qualified next on 123 with Stacy Roiall 120 and Laetisha Scanlan 115 ensuring an exciting finish. After the Final it was Michelle who held on to win the 2008 State ISSF Trap ladies title.

Nick Kirley won his 2nd Juniors event for the weekend with 135/150

Overall Adam Vella 160/175, AA grade 1st Craig Henwood 131/150, AA grade 2nd Andrew Brady 131/150, A grade 1st Daniel DiPietro 137/150 + 2, A grade 2nd Nidal Asmar 137/150 + 1, B grade 1st Ross Liersch 126/150, B grade 2nd Catherine Skinner 124/150, C grade 1st Nathan Kotlarewski 124/150, C grade 2nd Michael Coles 120/150, Junior Nick Kirley 135/150, Junior 2nd Milad Nasr 130/150 + 1, Ladies Michelle Beecham 143/175, Ladies 2nd Catherine Skinner 141/175.

Ladies State Shoulder to Shoulder Team Michelle Beecham, Catherine Skinner, Simone Tigani.

Junior State Shoulder to Shoulder Team Nick Kirley, Nathan Kotlarewski, Daniel Cauchi.

So ended another State ISSF Carnival at Melbourne Gun Club. Apart from the weather all ran smoothly with plenty of workers to help ensure squad sheets and shooters were all on the ranges when they should be. Congratulations to all winners and to those who have made the State Teams we know you will do us proud at the ISSF Nationals in Sydney in January.

Next years ISSF Carnival will again be held at Melbourne Gun Club November 27-29. Hope to see you there. Hopefully we can put on some better weather than for you!!!!

FINAL EVENT FOR 2008 AT RICHMOND RIVER

Roy Shepherd, Rhonda Jacobsen, Mike Sullivan,
Tom Mahoney, Rebecca Vary and Dave Conduit

Location 776km's north of Sydney between the rainforest
and the sea

Either the prospects of winning a ham, a chicken or a fruit cake or the fact that this was the last monthly competition for 2008 brought fifty one clay target shooters to Richmond River Gun Club's Christmas shoot held on 23rd November.

All events were shot from sixteen metres and in the very windy conditions that prevailed during the morning most found the elusive orange discs harder to hit than they would have liked. Roger Obst (A Grade) of Ballandean was the only one to score the coveted 25 out of 25 in the double barrel stage of the mixed target first event although a host of others managed 24 in all grades.

Phil Westbury A, Andrew Pirlo A, Mike Sullivan B, Ray White A and Harold Batson B all shot 24 out of 25, the best score, in the single barrel stage, and were left scratching their heads and wondering what might have been.

Mixed target events are almost always won or lost in the point-score stage with lost targets costing three points and this day was no exception. With the wind easing a little, Ian McDonald AA and Henning Beth A did not need the second barrel to break all 25 targets, both recording the perfect score of 75/75. Scott Smith (A) pulled one second for 74/75 as did Les Wheeler C.

Les Wheeler

Others to break all 25 targets though with more use of the second barrel were Mark Formaggin, Ray Turner and Jim Cornwell AA 71/75, Ray White A 70/75 and Peter McKenzie C 67/75.

After all scores were tallied, Ian McDonald was declared the overall winner with a score of 120/125, Mark Formaggin won AA with 116/125, Phil Westbury 119/125 won A Grade, Mike Sullivan (116/125) B Grade and Les Wheeler with the second best score of the day 119/125 won C grade by the proverbial country mile.

Mark Formaggin, Andrew Pirlo, Brett Farlow and David Hogan after a shoot off
tussle in the Deauville Doubles

The names of all the AA and A graders were placed in one "hat" and the B and C graders in another for the draw for partners in the 15 pair Deauville Doubles second event. Ray Turner and Geoff Jacobsen were the only team to shoot 15/15 to win the ham. The shoot off necessary to determine 2nd and 3rd saw Andrew Pirlo Brett Farlow, Rebecca Vary Roger Obst and Mark Formaggin Dr. David Hogan start on 15 metres and finish on 24 before Rebecca and Roger secured 2nd with Mark and David 3rd.

Competitions resume at Richmond River Gun Club's Lismore range after the Christmas-New Year break with a 75 target night shoot on 9th January and the first 100 target day event for 2009 on Sunday 25th January.

ARROW LASER SHOT REVISITED

You will notice in this issue of the CTSN an advertisement for Arrow Laser Shot, and you may remember that I wrote about this product in the June edition. I have reprinted some of the previous article because I feel this product is a worthwhile tool for a coach, stock maker or anyone who wants to practice their gun mount.

Back when I was started high school, I remember learning about "scientific method". Basically scientific method meant that you worked out a question you want to answer (hypothesis), and develop an experiment to find out if your answer was right or wrong. At the time it didn't mean much, but over the years it has stayed with me, primarily because of my work, and I now find that I often use this principle where possible when confronted with a problem. The main benefit is that I do not have to waste time and effort with the more traditional trial and error approach.

I recently bought a new gun and I decided that in order to get it set up right I would use the "scientific method". I am a regular reader of "Clay Shooting" so when I saw an ad for "Laser Arrow Shot" I thought that this was what I need to help set the gun up right. The ad stated that the *Arrow Laser Shot* can smooth and perfect your gun mount, improve your gun swing, check your point of impact and gun fit.

The product sounded perfect; just what I needed. I checked the website www.arrowlasershot.com and filled in an order. I personally haven't had much experience with purchasing over the internet, but I was suitably impressed when after a few hours there were emails notifying me that my order had been received, then dispatched. Within a week I was the proud owner of the *Arrow Laser Shot*.

So when my new gun arrived, I was able to use the *Arrow Laser Shot* to help me set up the new gun. First I put together my old 682 and checked the point of impact of both barrels using the *Arrow Laser Shot*, knowing that this was what I was after. I then used the *Arrow Laser Shot* to check the point of impact on my new gun. (What was interesting was that I didn't need to make any adjustments at all: both were pointing in the exact same place) Just to make sure I wasn't getting a false positive reading and therefore making an assumption that everything was correct even though it was wrong (a type 1 error), I tried it with a gun that I knew didn't fit me, and it was clearly pointing in a different place. I then patterned each gun on just to substantiate the results from the *Arrow Laser Shot*. I was surprised and fortunate in that I didn't have to make any adjustments to my gun and I have shot very well with it since, but even if I did need to make some adjustments the instructions that came with the *Arrow Laser Shot* were very explicit and easy to follow. The other use for the *Arrow Laser Shot* is that I can use it every day for ten minutes to dry mount my gun. It shows me instantly if the gun is mounted correctly and I can put it down and start again.

When the *Arrow Laser Shot* arrived I ran into a shooting friend at the post office and showed him what I had bought. He had problems hitting anything with the top barrel, so he came out home and we looked at where the gun was pointing. What it showed was that the first barrel was flat and that the top barrel was actually lower: not what you want for a gun to shoot DTL targets. Naturally, our first thought was to raise the comb but this didn't help, so we changed the pitch of the gun and got it to a point where it was pointing above the mark for the first barrel and flat for the second barrel. The following weekend you could see dramatic changes in his scores and the way the targets were hit.

I have been using the *Arrow Laser Shot* during coaching sessions and take it with me to shoots because I am often get asked by shooters if they can check the point of impact of their guns. I'm sure I could have set up my gun by trying and changing, trying and changing, but the *Arrow Laser Shot* took most of the guesswork out of the process. Because I have confidence in the process that I adopted, I now have confidence in the gun, which is more important. Most of us are competent shooters; where we fall down in competitions is that we are not as confident in our ability, guns, shells, etc as we should be, or we are not as composed in the competition as we should be.

I don't want to sound too gushy about the *Arrow Laser Shot*, but it lived up to all promises and made the task of fitting my gun so much easier. It would be an invaluable tool for a stock fitter, coach or gun retailer because it can let the customer know instantly if the gun they are interested in is at all close to fitting, and if not what they need to do to make it fit. For me I will use to perfect my gun mount, and use it in coaching to help others feel they can use their gun confidently.

Since writing that article several things have happened. Firstly, My experience with ordering and receiving my *Arrow Laser Shot* gave me the courage to order a new digital camera over the internet; however, four weeks later and all I have received is couple of emails telling me that the I have ordered the camera. Secondly, I have had to put the *Arrow Laser Shot* into my shoot bag (with plenty of batteries) because I am often asked at shoots if I have it with me and "can I use it to see if my guns pointing where it should be". Next, I have been able to use the *Arrow Laser Shot* on a regular basis to perfect gun mount. Because of the laser you get immediate feedback showing you are either on target or have to make adjustments. Finally, I have used the *Arrow Laser Shot* on those days after I have not shot well, to reassure myself that it wasn't the gun but some other factor such as the wind, the light, etc.

I have put together all the articles that I have written for the CTSN on CD as word files. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy please send cheque or money order to me at the address below.

KYABRAM COLLEGE ON TARGET

Location Kyabram 768 km south-west of Sydney in the Riverina Region of NSW. Echuca On the Murray River which forms the border between Victoria and New South Wales

Some Kyabram Secondary College, year 7 and 8 Students, travelled to the Echuca Clay Target Club on Tuesday the 2nd of December, to test their hand eye co-ordination at the sport of clay target shooting. Split into two squads, and shooting over two trap layouts that were set with straight away targets, the boys were systematically moved after shooting groups of five, to different positions on the firing lanes, giving them angled and non angled targets to aim for.

Ryan Chessum OA Winner , Greg Norris coaching

Shooting single barrel format only, the resulting scores achieved by the Students were excellent, with Ryan Chessum, a Tongala lad, achieving the Overall High Gun score of 19/25, and Jason King, a Tatura boy, taking out 2nd place overall with a very respectable 17/25 score. Numerous 15's and 13's were also shot, and all students achieved multiple hits on their scoresheet, which is a very good result as some had never shot before.

Jason King OA 2nd, John Pola coaching

Thanks must be given to the Kyabram Secondary College, and Teachers, and also to the Students for taking an interest in the sport, and also the Echuca Club members John Pola, Greg Norris, Murray Roberts, and also to Mathoura Gun Club member, Mr Roger Kerslake, for helping to run this Shooting Clinic.

The Students were obviously very pleased with their results, and thoroughly enjoyed their short participation in the sport of clay target shooting. Certainly their behaviour was excellent, and the scores they achieved are testimony to the fact they did listen to what the coaches were telling them.

Scrubby Creek beats the flood

Location In the south-west Queensland

After having one metre of water through the traps, shed and grounds and a lot of flood damage to the grounds, the traps were stripped and cleaned, sheds washed out and holes filled in. So, it was back to normal for our Two Day Shoot. A big thanks to all the members for helping and Brad and Kevin getting the traps back to normal. All our shooters were happy as Brad still had the angles and speed. Great to see a lot of new faces who travelled from SA, VIC, NSW, NT and all parts of QLD. We had 120 shooters with great shooting conditions, and clays and traps were perfect. As usual, the biggest grade was C Grade. Bring back 11m and give them a chance to win the Handicap.

What a great pick up for Dave Turner (Spear-chucker), who was the calcutta buyer and another very loyal Scrubby supporter. Dexter ran 2nd after a very long shoot off and from 25m at Scrubby – this was shooting at its best!

MICHAELS ELECTRONICS 20 TG POINTS IN GULLY Overall Grant McPherson, AA/A Leigh Knight, B John Fea, C Mark Cain.

Our retired grazier from Yepoon rested up with no stress or worry and won the last event by 1 point.

HIGH GUN LADIES won by Viv Moore, one of QLD's top Ladies' shooters. She won by 1 point, beating a lot of the AA men shooters.

JUNIOR HIGH GUN won by Andrew Moore, keeping it in the family. What did husband Geoff do for the weekend?! C GRADE won by Richard Tindall, who shot very well over both days. B GRADE won by young Zach Grimshaw. We all know what Zach won last year. He came back and really showed us! Dad and Mum would be proud. A GRADE won by James Gall, after a long shoot off for Overall High Gun, and very consistent shooting for the weekend. AA GRADE won by Alex Dallas, the favourite for the High Gun. Had to take AA as he couldn't handle the pressure! What a great sportsman Alex is for Clay Target shooting. OVERALL HIGH GUN won by Shawn Ryan. With consistent shooting over 2 days, a big time shoot off, previous high gun winner, a loyal Scrubby supporter and a very proud father-to-be, it was a great win.

LOW GUN won by Andy Picone. Andy there are some great big-name shooters on that seat, including National and State Champions, so keep trying.

I'd like to thank all of our sponsors, as without your support we would not survive and thanks to all of the travelling shooters. Our hard working members are getting fewer each year, so a big thankyou to all especially to the ladies for their great smoko and meals, and the office staff, as a few of our usual helpers were tied up. All considered, the weekend went very smoothly.

Please come and join us for the Western Zone Shoot in July 2009. It will be a great weekend under the stars.

It was great, and agreed by a lot of shooters, to see our C Grade being our biggest grade. Wouldn't it be nice if one of them could win one event for the weekend? Bring back the 11 metres, so they have a chance as well in the Handicap and forget about shooting 600 straight off 15 metres!

Wayne Parks is all smiles

Sunday 23rd November was the fourth round of the Frankston Australian Challenge. Contrary to the weather report Frankston Australian turned on some beautiful weather for the last Challenge event for 2008. Wayne Parks shot a perfect 150/150 in the 90 target mixed bird event, to take home the \$1,000 jackpot for shooting the possible.

The Challenge event has been run for the past seven years (four times a year) and this is only the second time the possible has been shot to take out the \$1,000 jackpot. The Club would like to thank our very generous sponsor TyrePlus Glen Waverley (Dexter Barnes) for supporting this event during 2008 and we look forward to your support in 2009.

Wayne Parks is presented \$1,000 cash by the club President Paul Calvi.

Club Shoot at Kempsey CTC

Location Situated right in the heart of the Mid North Coast of NSW

Saturday 18th October was an absolutely beautiful day at Kempsey Clay Target Club. We began the shoot at 11am with shooters travelling from various clubs to compete. The first event was a 25 Target Double Barrel from 15 metres, with five squads shooting for a share of the cash. The results were as follows AA Grade B Jones, S Wallis, 25/25, P Baker, D Pasfield, G Baker 24/25, A Grade S Saul 25/25, S McMahon, J Unger, J. Webster 24/25, B Grade K Miller, J Howell 25/25, B Cameron 24/25, C Grade M Carter 22/25, P Brenton, L Langer, E. Saul 21/25.

The second event was the Champion of Champions Sponsored by Denis Pearson (25t Double Barrel 15m; 25t Single Barrel 15m; 25t Point Score 15m; 10 Pr. Double Rise 15m). Denis owns and runs a very successful accounting firm based in Sydney which services clients all around NSW. Unfortunately his work commitments kept him away from this weekend and I know he was very disappointed. Denis' sponsorship is appreciated by all competitors and especially by Kempsey Clay Target club. He is a keen member of the Kempsey Clay Target Club and we are very proud to have his support. We were disappointed that Denis could not make the shoot or presentation but those who have caught up with him will undoubtedly thank him

Steve Wallis Overall Ch/Ch, High Gun

personally. All shooters on the day came away with a prize regardless of where you ended up on the score board. Thank you Denis for your continued support and we look forward to an even bigger and better event next year. The results for the Denis Pearson Champion of Champions were Overall Steve Wallis 137/145, AA Grade 1st D Pasfield 135/145, 2nd B Jones 134/145, A Grade 1st S. Saul 136/145, 2nd J Webster 133/145, B Grade 1st K Miller 131/145, 2nd J Gosling 140/157, C Grade 1st L Langer 130/169, 2nd P Brenton 129/169. High Gun Steve Wallis 162/170.

There had to be a shoot off for second place in B Grade between Jack Gosling and Ken McWhirter, and for first and second place in C Grade between Lesley Langer and Peter Brenton. All four of us, yes I was there, went to the traps to shoot two of each discipline. 2 Double Barrel, 2 Single Barrel, 2 Point Score and 2 Double Rise. After the first round we lost Ken McWhirter to a dropped target and Jack left with 2nd place in B Grade. Well done Jack.

Peter and I had to shoot again as I managed to break the same targets as Peter. We even broke both targets in the Double Rise. Unfortunately for Peter the tension mounted at the wrong time for him as he dropped a whole target in the point score and fortunately for me, I didn't. The Double Rise targets didn't matter as I didn't have to break one to win. Talk about excitement and pressure all at the one time. How do those really good shooters go on for over 100 targets to win, I just can't imagine. We had to shoot at an extra 24 targets to get a result, almost unheard of for C Graders. I can't say it was

really fun getting those extra targets for free but I can say that it is really special to get your first ribbon and at your home club. How lucky was I? In the company of so many good shooters that day, I was chuffed to say the least. I can now see why shooters really want to win ribbon events, that sash is something. Thanks Dennis for providing that opportunity to all winners.

There were four up and coming Juniors competing and Billy Griffiths took out the Junior High Gun. Well done Billy. The Ladies High Gun went to Lesley Langer, yes that's me again. It was difficult to wipe that smile off my face that evening.

Lunch and afternoon tea were supplied by our wonderful ladies (Robyn Baker, Kerry Poiwick and Meg Gosling) and all shooters enjoyed the delicacies on offer. Thanks ladies.

Jenny and Lesley Baker worked all afternoon keeping tabs on the results, and it is always good to see how the competitors are faring throughout a shoot. Great job yet again ladies. Thank you also to Ted Baker for all his work as usual, the grounds looked a picture of perfection. We look forward to

seeing everyone at our next shoot on Saturday 17th November 2008. It is the Baker Memorial shoot starting at 1pm. Come and have a great afternoon shooting and socialising.

YOUR RULES

ATTENTION CLUB SECRETARIES AND HANDICAPPERS

CLARIFICATION OF RULE 2.04(h) and RULE 2.01(h) 2008 Rule Book

Just to clarify Rule 2.04(h), "... an official may disregard ANY score **OBVIOUSLY** NOT indicative of the shooter's ability". This may indeed include more than one score, and the key words in applying this rule are "**OBVIOUSLY** NOT".

There also seems to be some confusion with the 200 targets rule-off and the substitution of bad double barrel scores. For the information of our members, Rule 2.01(h) states "After 200 targets regrade the shooter if necessary. ANY BAD scores entered on the DB column will be wiped off & transposed for any GOOD scores from the other events column (of equal target amounts IF POSSIBLE) i.e., Continental & single barrel".

To explain the application of this rule, after 200 DB targets has been ruled off by the shoot secretary or handicapper, he/she will then check for BAD DB scores (which can be multiple) that can be substituted for GOOD scores from the Cont/SB column. Also, per Rule 2.04(h), disregard any score obviously not indicative of the shooter's ability. Wherever possible, substitute BAD FOR GOOD scores of equal amounts "IF POSSIBLE", but e.g., a bad 25 target DB score can be substituted for a good 50 target score, or conversely, a bad 50 target DB score can be transposed for a good 25 target score from the other events column.

Now having carried out the substitutions and/or deletions, there

may indeed be a different total from the original 200, e.g. 170/175, e.g. 219/250. The percentage is then calculated at this point and not before, to obtain the "200 target percentage" for the purpose of calculating the ongoing rolling percentage and subsequent grading.

I hope this will help our members with any problems they have had in the past with these two rules. Please do not hesitate to contact me with any other issues or clarifications you are concerned with so that I can address them with you personally or through this medium.

CLARIFICATION RULE 2.03

It has become apparent, given the significant number of enquiries I have received, that applying the rules for inward movement relating to handicap marks, in some cases, is not being applied correctly.

For your information,

Rule 2.03 INWARD MOVEMENT, states;

- (a) A one (1) metre inward movement may apply if a shooter's recorded percentage is less than 87% for 5 consecutive groups of 100 targets.
- (b) When downgrading occurs (e.g. A to B) a shooter's handicap will return to the minimum meterage for that grade providing no earned meterage above the minimum has applied under the handicapping formula.
- (c) A competitor may apply through the State Handicapper for Inward movement due to proven physical disability.

Rule 2.03 (b) is causing the most confusion. Therefore to assist, I have prepared 3 examples of how it is to be interpreted.

EXAMPLE 1: a AA 21 metre shooter, NOT having earned meterage whilst on this mark, is downgraded to A grade, will return to A19 metres, provided the shooter had not earned meterage when on 19 metres previously. This principle applies to an A 19 shooter returning to B 17, or a B17 shooter returning to C15.

EXAMPLE 2: a AA 23 metre shooter downgraded to A grade, will remain A 23 metres, due to having earned meterage beyond the 21 metre mark. An inward 1 metre movement would only apply pursuant to Rule 2.03 (a), (c) where applicable

EXAMPLE 3: a A19 metre shooter is downgraded to B grade. However, this shooter had earned meterage previously as a B Grader to 18 1/2 metres. This shooter would be downgraded B 18 1/2 metres.

It should also be noted, a shooter earns meterage not withstanding a Handicap win did not apply, through Rules 2.02 (c), (d) & (e).

I trust this information may clarify and be of assistance to those unsure of the rule application activity.

I invite you to contact me or your Zone Handicapper if you are seeking further assistance with this or any of our Rules.

CORRECTION

The following is the correct final paragraph of the Your Say letter published in the Jan 2009 issue.

To all the shooters who gave me feedback on my first proposal in CTSN Jan 2008 Page 16, thank you. After a major rethink, I believe changes were necessary to make this proposal better, fairer and above all a major incentive for shooters to return to handicap shooting. After all, handicap is the ONLY event in the book where shooters of all abilities can compete against each other on an equal footing

Northern Zone Coaching

Shooters Make Annual Pilgrimage for "Boydie's Secret Tips"

Location Approx. 1500 km north of Brisbane

Picturesque Townsville Gun Club played host to this year's Northern Zone Coaching Weekend on the 15th and 16th November. "Super Coach" Graeme Boyd (Assistant National Coaching Director) from Albury, New South Wales made his annual trek northwards to impart some of his knowledge, teach new techniques and introduce shooters to disciplines that they have never tried. 28 shooters (including 7 juniors) attended from Northern and Central Zone clubs and had the opportunity to shoot Down the Line, Skeet and ISSF Trap under the watchful eye of Graeme.

Saturday morning began with registration and an introduction from Graeme. Focussing on DTL first, the participants were then split into two groups; AA and A grade shooters and B and C grade shooters. While the AA and A graders took to the tracks with Boydie for a shot that was captured on video, the B and C graders patterned their guns and had them checked for correct fit with The Gulf Grey, Northern Zone President Wayne Reeves. The groups swapped over, and then we had the opportunity to watch ourselves shoot and see and understand the things Graeme had identified as faults in our technique, such as gun hold (and focal point), foot position, hand placement on the fore-end, the level of your elbow to allow or restrict rotation, the timing of your shot and how long you give yourself to focus before beginning your routine.

Graeme distributed very comprehensive handouts to everyone which included information about concentration, visual skills, visualisation, timing the shot, the sight picture, shooting methods, some tips about Double Rise, patterns and chokes, the timing of the squad, physical warm-up suggestions, pre-competition routines, nutrition and hydration and using your centre bead. General discussion and a question and answer session took place before lunch, in which Graeme illustrated some of the points he had been making with diagrams.

The Lefties went out to the tracks with Wayne and everyone else had an opportunity to make some changes and put into practice what they had learnt with Graeme looking on. Local shooter Errol Reeves and Mount Isa visitor Mick McGill took to the Skeet layout with a few interested shooters and imparted some technical advice for the first-timers, and the Trench was opened up for those looking for a bit more of a challenge. That evening time was made for a more informal discussion and question and answer session with Graeme.

Sunday morning belonged solely to the seven Juniors while the Townsville club ran their monthly competition. The Juniors shot some Trench and DTL and other shooters had an opportunity to grab Graeme before he left that afternoon. Everyone who attended the weekend took something of value away with them, whether it was something new, or something that they were reminded of it was definitely a worthwhile learning experience.

Because Graeme had to teach himself and learn from the mistakes that he made he is in a position to pass on what he has learnt, and it definitely saves us a lot of time. A couple of the key points from the weekend were to ensure that you have a natural and comfortable (and uncomplicated) shooting style (so that you can easily do the same thing each time in your routine) and to pay attention to the target – don't just watch it until it breaks, take note of how it breaks because even though you have hit it, it might be a warning signal that an old habit is creeping in and the next one might not break at all.

Next year's Northern Zone Coaching Weekend will be held in Bosworth Country at the Herbert River Gun Club on the 29th and 30th of August 2009. Mark your diary for this annual pilgrimage.

CHRISTMAS SHOOT AT ECHUCA

Location On the Murray River which forms the border between Victoria and New South Wales

A good roll up of nine squads of shooters arrived at the Echuca Clay Target Club, plus, in most cases their families too, making for an excellent day of competition, and eating and more eating, with a lavish afternoon tea, and a roast evening meal complete with sweets and drinks supplied by the ladies committee. Catering for at least eighty people with food to spare, Dot Roberts, Heather Bradley, Helen Atkins, Joanne Kerr, and helpers, put together magnificent spreads that were thoroughly enjoyed by everyone in attendance. A very big thank you, girls!

In competition, apart from mostly novelty events throughout the day, the main and more serious event was the Champion of Champions, and to be the Echuca Champion of Champions, the shooter has to have won a Championship at Echuca at some time in the current year. Echuca member Rob Viney has been extremely unlucky in the past three years, as he has outshot all others, but failed to collect the tartan sash by being ineligible, again this year he qualified for the shoot off, alongside Jack and Rob Collicoat both Deniliquin members, and again outshot all contenders, but this year he was eligible, and proudly accepted the Overall Champion of Champions tartan sash, and Overall in AA grade place with an excellent 67/70 score. Congratulations finally, Rob. Jack Collicoat was first in AA grade with a 66/70 score, and Rob Collicoat picked up 2nd in AA with his 65/70 result.

With four events on offer for the day, all with four grades and four places possible, the amount of hams, and puddings, and biscuits, handed out for trophies was huge, with almost every shooter in attendance managing to receive a trophy. Shot under difficult shooting conditions, with a very strong south wind lifting targets high in the air, the scores throughout the day were actually very good, proving that although it was only a Christmas shoot, every competitor was really trying their best.

Full results are as follows Event One Champion of Champions OA & AA R Viney 67/70, AA grade 1st J Collicoat 66/70, 2nd R Collicoat 65/70, 3rd T Maher 34/35, 4th C Robb 34/35, A grade 1st K Bruns, 2nd Alain Gobbo, 3rd M Roberts, 4th G Norris, B grade 1st G Ervin, 2nd F Gobbo, 3rd N Harris, 4th A Johns, C grade 1st V Molluso, 2nd N Collicoat, 3rd G Calleja, 4th B Rogers.

Rob Viney C of C being congratulated by club president Ron Traill

SKEET POSTAL CHALLENGE

The 2008 Skeet Postal Challenge was completed when New Zealand held their Nationals in November 2008.

The honours were evenly spread with Australia taking out the Open event 486 to 473 and also the Veterans event by a slim 2 point margin 234 to 232.

It was pleasing to see that after a break of some years New Zealand was able to field a Ladies team who managed to beat our

girls by one point. New Zealand's Junior team had the best of our boys by 11 points with a 228 to 217 score.

This event is keenly contested between Australia and New Zealand's skeet shooters with the first leg being shot at the ACTA skeet nationals in May each year with New Zealand following in the November.

Congratulations to those shooters who not only qualified for the event but also to those who were part of the winning teams. Good luck for 2009.

Best achievement in shooting New Zealand Double Barrel Championship.

As an 11 year old Arty shot 119 straight, to win the club Handicap at Marconi Gun Club, beating his father, Zeff. His first win was at Crookwell Gun Club in 1972, when he beat Barry Kable, for the very prestigious point score mini handicap.

5 best shots he has shot alongside Bill Iles, Warren Charlton, Arthur Turner (when he was younger), Michael Diamond, and the fifth is a toss of the coin between Glen Castellaro, Stephen Atkins and Clint Eastwood.

Other sports outside shooting Keen trout fisherman, and as a kid, he played soccer for Wakehurst under 11's and was a goal keeper, they never won a game and their worst defeat was 26 – NIL.

Memorable events Tried to catch a cricket ball in his mouth and failed (lucky they were bad to begin with), and resulted in extraction of all upper fangs.

Was a gun fruit picker as an adolescent, having a huge advantage over his fellow pickers, as he could hang by his nose, and pick with both hands!

He grew up in French's Forrest, and I have been informed by a reliable source that that is exactly what he got caught doing to a young female classmate at school, adding one more suspension, for a grand total of 14. He had also got caught smoking with Michael Hutchence at school.

Only bloke I knew who needed gumboots on to get through the shag-pile carpet in a certain motel room.

Both his mother and father were keen trap shooters.

At age 13, Arty managed to get mud in the barrels of his dad's Browning under and over, and thought the best way to get it was to blast it out, turns out it wasn't the best way of removing mud!

Baker Memorial at Kempsey

15th November 2008

Saturday 15th November was an interesting day at Kempsey Clay Target Club for the Baker Memorial Shoot. It was stormy, with torrential rain but it fined up as the day progressed, thank heavens. The first event was a 10 Target Double Barrel eye opener from 15 metres, with five squads shooting for a share of the cash. If you didn't break every target then you didn't have a hope of taking home any of the prize money. One target down and you were out of the race. The results were as follows, 10 Target Double Barrel AA Grade B Jones, G Gosling, P Baker, G Baker, 10/10, A Grade S McMahon, J Jenkins, P Deland, M McDonnell 10/10, B Grade J Gosling, R Jenkins, V Tomasoni 10/10, C Grade P Leicht, B Pharo, J Griffiths, P Ryder 10/10.

The second event was the Club Championship 50 Target Double Barrel which

required a number of shoot offs to get final results and places sorted out. Graham Gosling's 50/50 was unequalled giving him the High Gun for the event and well deserved it was too. Glen Baker and Phil Baker both finished with 49/50 and it only took one more Target to sort out 1st and 2nd place in AA Grade. In A Grade however Brad Baker and Steve McMahon had to shoot another 20 targets to sort out the places. The pressure was on as the targets flew and the young Baker Boys in both grades knew how to manage their nerves better on the day to take 1st place. In B Grade John Howell's 50/50 ensured 1st place but Bill Neil had to withstand the pressure from the father and son combination of Vic and Martin Tomasini. They had a further 17 targets before Bill held 2nd place. C Grade was decided during the event with Peter Leicht in 1st spot and Lesley Langer in 2nd place. C Grade had 15 shooters and was very competitive. Tom Phillips had his first competition and took out the Junior High Gun as well as being graded straight into B Grade. Well done Tom!

was the 20 pair from 20 meters. There were some interesting teams of father and son/daughter, husbands and wives, cousins and just good mates. Peter Smith and Bill Jones

shot 19/20 pair for 1st place, then in 2nd place were Glen and Phil Baker with 18/20, closely followed by three teams all on 17/20. These were last year's winners, Jack and Graham Gosling, up against Renae Jenkins and Jenny Baker and the final pair of Aaron May and Lesley Langer. The experienced father and son team took 3rd place from the all girl team and the junior male and old girl team. It was fun while it lasted and the best shooters on the day took home the winnings.

Afternoon tea was prepared by our wonderful ladies (Robyn Baker, Kerry Poiwick and Meg Gosling). These ladies had slaved over a hot stove to bring delicacies to the shooters, who in turn devoured them with gusto.

Our recorders kept track of some close results and ensured that the program flowed smoothly as per usual. With seven squads starting the day and all wanting to shoot in

the Deauville Doubles, Jenny and Lesley Baker guaranteed shooters were ready to shoot in their required events.

One of our very supportive shooters, Phil Ryder who owns Gladstone Butchery again brought delight to the winners of each grade and the raffle winner as he donated trays of his tender meats to the club. Thanks Phil for your continued support of our club and the members are most impressed with the quality of your meat.

It was another fun day at the Kempsey Clay Target Club and we are looking forward to our Christmas Shoot and Presentation and the start of another competition calendar in 2009. Merry Christmas and a Happy New Year to one and all from Kempsey CTC. We hope to see you at one of our shoots in the future.

West Wyalong Clay Target Club

Conditions were windy and cloudy as the five squads of shooters gathered for the West Wyalong Clay Target Club's Christmas shoot.

Following the usual barbeque lunch local shooters were all smiles as Clive Foster, Len Lord and Jason Anderson collected a share of the 10 target Points Score Eye Opener with perfect scores.

Russell Brown had done a great job of painting some of the targets different colours and those shooters lucky enough to break one of these targets, which came from traps randomly during the shoot, ended up with some Christmas cheer in the form of a stubby, a Christmas cake or free nominations to the next event.

Clive Foster was in his usual top form shooting 25/25 to be the AA grade winner in the 25 target Continental Single Barrel. Les Irvin from Barellan won A grade with 24/25, J Irvin won B grade 21/25 and Russ Brown won C grade 21/25.

Clive Foster, Kevin Chiaverini and Dozer Collins shared AA grade in the 25 target Continental Double Barrel with 25/25. It seems that possibles were the order of the day with Wayne Ambrose, Graham Duncan, N Privett and Ben Fairman sharing A grade. Michael Fyfe and Laurie Redfern shared B grade also with possibles and Russell

Brown and Narelle Ambrose won C grade with 25/25. Good shooting all round considering the windy conditions.

The 25 target Continental Points Score proved to be much more difficult and only Kevin Chiaverini shot 75/75 to win AA grade, Clive Foster was second with 71/75. N Privett won A grade with 73/75 from Jeff Nash 71/75, B grade was won by Laurie Redfern 70/75 from A Hodges 68/75, Russell Brown was the C grade winner 63/75 from Narelle Ambrose 62/75.

In the 15 target Crazy Points event shooters scored three points for a hit target and further points for shooting chips off the broken target. Wayne Ambrose thought he had it won when he returned to the clubhouse with 46 points but he had to be content with second when Jeff Nash finished with 56 points.

The 20 target Flush is great fun and Mitch Brown and Michael Fyfe outfumbled all the others to score 15/20.

The West Wyalong Clay Target Club would like to remind shooters of the 100 target Hangover Trench on Boxing Day and to wish all a Merry Christmas and a Happy New Year.

Trapshooting Champions – Past and Present

The Best of the Century

Trapshooting has a heritage of more than 100 years in Australia, in fact we have been able to trace trapshooting back to 1850 in Sydney. Although very little is known of the period prior to 1900, there is quite a lot of information from 1900 onwards.

Prior to 1900 trapshooting was organised by individual clubs and hotels. From 1900 onwards the sport also had associations to assist. First of all there was the Gun Clubs Association that was involved in live bird shooting and then there was the ACP TSA which later evolved into the ACTA that organised clay target shooting.

The two Associations co existed for a period of approximately 20 years from the mid 1930's to the late 1950's when live bird shooting was banned and the GCA ceased to exist.

Prior to 1930 there was very few clay target competitions held, although clays were being imported into Australia as early as 1905 and the GCA was organising clay events as early as 1910.

Live bird shooting was banned in Australia progressively with Victoria being the last state to ban live bird events in 1958.

So to identify the best trap shooters of the last century we need to

look at shooters from both associations. The following is the list of the 5 best in each 20 year period throughout the century.

1901 – 1920:	1921 – 1940:	1941 – 1960:
Donald Mackintosh*	Jack Sutherland	Fred Burns

World Champion - *

I am presently researching the champions of 1901 – 1940 and would welcome help from anyone who can assist me. I need information and photographs if possible of all of the people listed above so that I can prepare profiles for the Hall of Fame.

If you, like me are interested in our history, call me on 02 6792 4712 any evening.

Australian Clay Target Shooting News Volume 13 No 12, December 1978

A proud moment for Australia and the Australian Shooting Association. For the first time ever in individual matches in World Championships, the Australian flag was raised during the presentations at Seoul Korea recently. The occasion was the Olympic Trench match, in which top Australian Trench competitor Jim Ellis won a bronze medal. The match was won by Valduvi of Spain with Besangi of Italy 2nd.

Ellis scored 195 to tie for 3rd place with R Voss of U.S.A. and former World Champion M Carrega of France. The shoot off score board told the story where Ellis finished far too strongly to record his personal best ever result and Australia's first ever individual medal.

Terry Rumbel finished one target behind Ellis on 194 and filled sixth place. Rumbel had only six weeks earlier, won a bronze medal in the Commonwealth Games in Canada.

Clay target shooters are now ranked at the top of competitive shooting in Australia a great effort when one considers that it all started as recently as 1973 when the World Moving Target Championships were held in Melbourne.

VALE

GEORGE W BURNET MEMBER 1021

It is with much regret that I inform members of the passing of "Gentleman" George at the age of 83 and a member for at least 40 years. George was much loved and respected by the Clay Target community for his wisdom, passion and dedication to the sport he dearly loved, not only here but throughout South Australia. His wit and willingness to relate his lifelong experiences will always remain in the memory of those who knew him. Rest well old friend, you will never be forgotten.

NOEL ROGERS

Noel Rogers died on 24 November 2008 and his funeral mass was held on 1 December 2008 at Bedgerabong NSW. Noel was a long standing member of Forbes Clay Target Club and a very frequent shooter at West Wyalong Clay Target Club.

He also held charity shoots, mainly for the Flying Doctor Service, on his own property, Kenworth, always very successful shoots.

Upon retirement Noel and his wife Ros moved to Coffs Harbour, then onto Regents Park Queensland.

Noel's body was brought back to be buried at Bedgerabong, near Forbes. A Scots piper and the very large guard of honour paid tribute to a very fine man and club member. Noel is survived by his wife Ros, sons Jamie and Ian, daughter Margaret and four grandchildren.

SKEET AT TAS. GUN CLUB

The Tasmanian Clay Target Association Inc held its annual Skeet Carnival at Tasmanian Gun Club on the weekend of the 29th and 30th November 2008.

Conditions on the first day were quite windy with frequent scuds of moderate rain making the competition very difficult. The second day saw an improvement in the weather, but the wind still persisted and there was drizzle rather than the heavier rain of the first day. The intermittent patches of sun were welcomed, the club house was pretty well packed all weekend with our kitchen ladies doing a good trade.

A reasonable attendance of 37 shooters competed over the weekend, numbers were up thanks to the contingent of mainland shooters who always support our carnival, especially when it is held at Evandale which is close to Launceston and the airport.

There were some very good scores shot with Stephen Webb of Burnie winning the prestigious High Gun award with an aggregate score of 195/200, this resulted in him being presented with a coveted silver Tassie Badge. Stephen's only event win for the weekend was in the Skeet Doubles, which is probably the hardest Skeet discipline, with an excellent score of 56/58.

The Don Taylor memorial Championship held on Saturday was won by Lockie Irons of Victoria with a solid 62 out of 62.

The scores were also high in the 20 gauge event, showing the true worth of that longer shot string. Veteran shooter Peter Rockliff of Sassafras shot an excellent 58 out of 59 to win overall and A grade after a shoot off with Nick Brown of Sassafras, Fab Francione and Tracy Ashton, two more of our mainland visitors.

The 20 gauge event has become very popular and is sponsored annually by Mr George Pinner of Carrick.

The Skeet Handicap was won by Anthony Psaila, a mainland visitor, with father and son, Marcus and Sam Archer of Cressy battling out the second and third places of this event.

The Tasmanian Skeet Championship was won by Nick Brown after a shoot off with Katrina McLaren of Launceston, both shooting an excellent event score of 98 out of 100.

Katrina always manages to shoot excellent scores and has represented Tasmania at our National Championships for the past few years, coming second for the overall High Gun award for the weekend with 194 out of 200.

All in all a very good weekend's shooting was enjoyed by shooters from all over the state.

Cecil Park CTC Skeet Carnival

Cecil Park CTC held it's annual skeet carnival on the 24th, 25th and 26th of October 2008.

Event one was sponsored by Peter and Joanne Vella of Earmould Aust and was a 50 target doubles championship. The results are as follows O/all Nick Aird, AA+A 1st Colin Sim, 2nd Dennis Savage, B+C 1st Carina Cavallaro 2nd John Harris.

The doubles event was not to be included in the carnival High Gun.

Saturday morning we were greeted with fine weather although a little overcast and after all nominations were taken we had eight squads of shooters for event two which was the John Guberina sponsored fifty target championship. There were three possibles shot and after the shoot-offs were conducted the results are O/all Peter Vella, AA 1st Nick Aird, AA 2nd Mark Newman, A 1st Nasseem Malouf, A 2nd Scott Wright, B 1st Shane Bennett, B 2nd Jessie Sheather, C 1st Dave Forsyth, B 2nd Jason Starkey.

Event three was the fifty target skeet handicap and this event was sponsored by Colin Sim. After the conclusion of the fifty target qualification by the eight squads, we had an incredible number of six squads to shoot off for the placing, after round after round of shoot-offs, the results for the handicap are 1st Nasseem Malouf 2nd

Carina Cavallaro (boy did she ever keep Nasseem honest) 3rd Colin Sim (trying to win his money back) 4th Jason Starkey and 5th was David Cunningham. Congratulations to David Cunningham this was his first competition and not only did he earn a place in the handicap but also shot his first ever straight twenty five, (he also happens to be my nephew but I'm trying not to be biased, much).

Sunday morning and weather wise was about the same as the previous day and so on to event four. This event is a favourite for the local boys as it is the Ross Dawson

C 1st Jason Starkey, C 2nd all the way from the snow country Nancy Badewitz.

The fifth and last event was the Casella Wines and Boss Hogg sponsored Fifty Target Championship. For the first time in the High Gun events no possible was recorded but there was a whole bunch of forty nines and so again shoot-offs were conducted to determine the placings. O/all, Julian Lucchitti, AA 1st Nick Aird, AA 2nd Ian Stewart. A 1st Alberto Muoio, A 2nd Tony Vallelonga, B 1st Shane Bennett, B 2nd Jeff Martin, C 1st Peter Mc William, C 2nd Laurance Archer.

The overall and graded High Gun winners are Overall and all the way from Queensland was Nick Aird 199/200, AA grade High Gun was Julian Lucchitti 197/200, A grade High Gun was Nasseem Malouf 198/200 (back shooting at his best), B grade High Gun a keen traveller from Dubbo Shane Bennett 194/200, C grade High Gun winner was Dave Forsyth 180/200.

A great job was done in the office by Heather with a bit of help from Shane and Mark. The young trappers, Nicholas and Emerson were sensational considering this was their first go at trapping.

All the sashes were proudly sponsored by Mark Newman and I and on behalf of all the shooters I sincerely thank all the other sponsors for their generosity.

We will be changing the date of our skeet shoot next year so keep a look out in the CTSN for the adverts.

In conclusion I would like to add that the sponsors may take a dim view of the fact that such a rich shoot can draw only eight squads so if you all want this shoot to remain as great as it is I urge all skeet shooters to support it.

**Ben Buhagiar
Shoot Marshall**

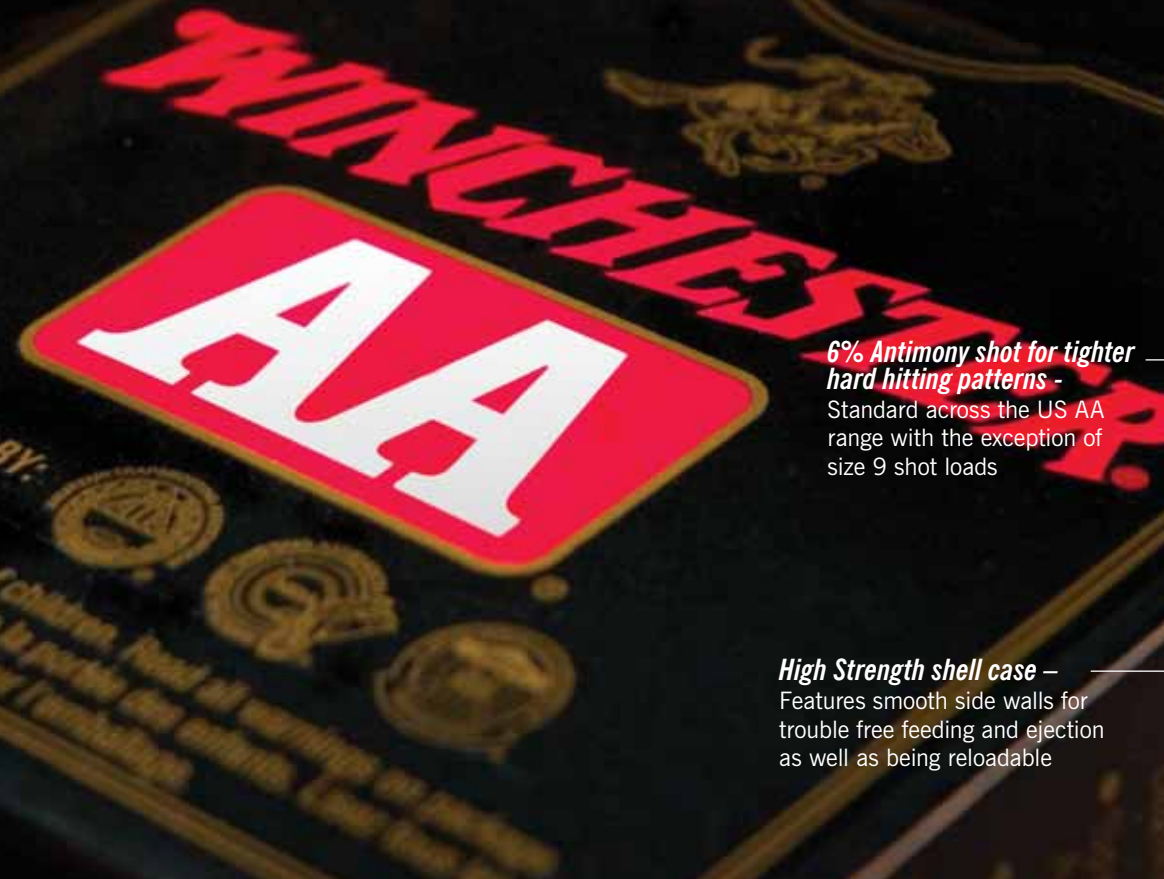

Memorial Fifty Target Championship and any one that knew Rosco would indeed be honored to win this event. The event was sponsored by Zeb and Carina Cavallaro from Cavallaro Building P/L. There were five possible shot and the eventual results are O/all A very proud and happy Adrian Lucchitti, AA 1st Nick Aird, AA 2nd Peter Vella, A 1st Wayne Petersen, A 2nd Nasseem Malouf, B 1st John Harris, B 2nd Ken McWhirter,
