Evolution

In 1866 target shooting was just getting started around the world. The inventor of this game, Charles Portlock, is the one person all of today's shooters can thank for this exciting sport.

These glass balls were much harder to break the "most" clay targets of today. Some will say that today, certain brands of clay targets are as hard to break as the original glass balls. That's not the case when it comes to White Flyer Targets.

If you want to see your scores improve, ask your club to throw the world's best, White Flyer Targets.

Manufacturing the world's finest target for over 100 years, White Flyer continues to evolve into the most innovative manufacturer of targets worldwide.

White Flyer Targets help shooters win championships and break record scores. Our targets undergo a minimum of 27 quality control steps that keep White Flyer Targets consistent in weight, composition and dimensons.

Used recently at the following major championships with new records set:

- 2008 National Trap Championships
 (2 standing records broken)
- 2008 NSW State Trap Championships (2 standing records broken)
- 2008 VIC State Trap Championship (record broken)
- 2008 WA State Trap Championships

More and more clubs are switching to White Flyer Targets as their preferred target. Try them and see what all the talk is about and watch your scores improve.

Trapshooting Champions - Past and

During the National Executive meeting held last June, the Championships and Finance Committees reviewed the profit and loss statements for all National Championships. The main aim is to ensure a profitable outcome for the Association. The increase in fees has no bearing on whether the championship is being conducted on the National Grounds at Wagga Wagga or elsewhere.

Pre-nomination forms for Trap and Skeet are available on both our website and in the CTSN. Persons nominating prior to the advertised closing dates will be entitled to a reduced nomination fee.

To date we have received 215 pre-nominations and 190 bookings for camping sites for this year's Trap Nationals which indicates we will have a successful championship. The Roma Clay Target Club is busy finishing extensions to their existing clubhouse, which will have dining facilities to seat 250 people. Incorporated in this new facility will be the Queensland Hall of Fame building where memorabilia will be on permanent display. During the National Championships the Queensland Hall of Fame building will be officially opened on Saturday March 28, and Queensland's first nominees will be inducted into the Queensland Hall of Fame, this will be a night to remember, so be quick and order your ticket with State administrator Debbie Young.

Likewise the ACTA Hall of Fame dinner will be held on the following Tuesday night March 31, 2009. This prestigious annual event is always sold out so be sure to make your bookings through our National office.

CONTENTS

I look forward to meeting you all in Roma, until then, good shooting.

National Office Update

As I write this article, the Olympic Discipline Nationals in conjunction with the Oceania competition are in full swing at Cecil Park. There have been record numbers in attendance and Claire and Paul Watts have been sending the results through as they happen which allows us to post them on the website for your information. This will be something that will happen with all our National Championships from now on.

We have had extra assistance in the office through Drew Maywald who has come down from the Gold Coast to act as interim EO. Drew will remain with us until the new EO is appointed and manage the hand-over process. By the time this magazine reaches you the EO will have been appointed and an announcement will be posted on the website.

There has been a change to our office hours. The phones will now be manned until 5pm on Fridays instead of the previous 3pm. All the other days remain the same – 9am to 5pm.

The kitchen project in the club rooms on the National ground has been completed and we would like to congratulate Wagga Gun Club for making a great job of it. It certainly is a fine facility and will make catering for the shoots a lot easier. The next project to be undertaken on the grounds is permanent lighting for three traps and this is due to commence shortly.

We are receiving a lot of calls from shooters advising us that their grades and handicaps are incorrect on their new labels. If this happens to you, please contact your Club secretary and have them fill out a Handicap and Grade Change form and send it in to Maureen. This is the only way we can amend our database. The easiest way to reduce these incidents is for the Club secretaries to fill out the Handicap and Grade Change form at the same time as the annual registration renewal and send both forms in together. This would give us the most recent and up to date information for each shooter. Please don't hesitate to contact us for more information about this should you need to. It is really important that our database is up to date and we do need your help to make this happen. Club secretaries please contact Maureen Ryan via email on membership@claytarget.com.au

Some Clubs may have noticed a change to their name on the statements and invoices we are sending out. As part of an internal audit we have updated these names from the Certificates of Incorporation that we hold on file. If yours is not correct please send us your updated Certificate and we will amend our records accordingly. This also applies to any changes of Office Bearers. If you don't let us know we can't maintain accurate records.

Sue Vesperman is working really hard on the new website and we have the framework in place now. It is just a matter of loading all the information into the site before we can launch it. This is a huge task, but it is progressing really well. We will keep you updated.

The planning for Roma is also well under way. I am receiving plenty of pre-nomination forms. We have updated the pre-nom forms to include a day time phone number in case I have to contact you with regard to squadding. For those of you that may be using an earlier version please add a phone number. Also, let me know when you send them in whether you want to shoot with a particular person or group of people and I will certainly try and accommodate your requests wherever possible. If you haven't sent in your pre-nom there is a form in this issue so don't be shy – send it in!

There is also a pre-nomination for the Skeet Nationals and information regarding the selection for the inaugural Skeet World Championship to be held in England in August. Again, check it out and send your nominations in.

Good shooting, Sue Pim

CLUB MAPS

We have started to enter information onto our new web site. One of the key features will allow users to click on individual clubs and obtain information about each club, office holders, club address etc. One of the features will also include a google map of how to get to individual clubs. Instructions on how to get your club google map on the ACTA web site were sent out to all club secretaries with the Secretary handbooks in November 2008.

If you have not returned those details to Aaron Williamson at Lumis (aaron@lumis.com.au) please do so. Once the new web site is up and running there will be a cost to have your club's map put on the ACTA site. For more details please contact Sue Vesperman at the ACTA office on 02 6931 0122 or email admin@claytarget.com.au

Due to the number of site bookings received for the Trap Nationals it has become necessary to allocate site positions to campers. All campers that have booked their campsites for the National Trap Championships held at Roma in March will be able to confirm their site by going to webite www.claytarget.com.au and click on Roma Camp Sites where you will find your name allocated to a site number and a site map which can be downloaded. For those without internet access please phone Terrie Busiko on Ph 0427 577 737 to confirm your booking. If your name is not shown on these maps you also will need to contact Terrie. With over 190 sites pre-booked expectations are for a successful championship.

Australia Day at Bendigo

Robert Hosking, 1st A Gr PS

Bill Jorgensen, 1st B Gr PS

The Bendigo Clay Target Club's Australia Day shoot commenced in 1975, the year colour television was introduced.

Bruce Santon was of the belief the "coloured tele's" would be a drawcard to shooters, and if he was proven right, the recently relocated club would receive much needed funds. When 229 shooters turned up to compete for the 5 TV's on offer, Bruce's idea had well and truly paid off.

To purchase the TV's, Bruce had prevailed on the generosity of 5 club members to loan the club the necessary funds. With a clear profit of \$3,500, they were paid back immediately and the Bendigo Club now had a substantial bank balance. Bruce had gambled on 100 shooters as the break even mark.

Bendigo only had 2 traps, and to ensure that there would be no holdups on the day, the Maryborough Club sent 1 of their "Damo" traps on standby. The day ran without a hitch, and the foundation was laid well and truly for the "Bendigo Australia Day Shoot".

The following year, Bendigo joined with Cohuna and Echuca Gun Clubs and established the "Northern & Central Victoria Circuit Shoot". Cohuna shot Saturday, Echuca, Sunday and Bendigo on the Monday. The circuit shoot ran for a number of years before being disbanded

ANNUAL PRESENTATION DINNER AT PORT MACQUARIE

Location: Greater Port Macquarie is located midway between Sydney and Brisbane on the North Coast of NSW

Recently the Port Macquarie Clay Target Club held their annual presentation dinner at the Port Macquarie Golf Club. The night is a way members can get together in a relaxed situation and hear the winners of the Club Championships and High Guns for 2008 and as well as appreciation awards to the people who helped the club have another successful year.

President Mick Wilkins with Life Member Wendy Minter

The first presentation was the 2008 Club Championship winners and the overall winner was Bill Jones, the AA grade was won by Robert Clark, A grade winner was Ken McWhirter, B grade was won by Andrew McWhirter and in C grade Bob Bennett took the honours.

The next presentation was the 2008 High Guns and the overall winner was Andrew McWhirter, AA grade was won by Steve Wallis, the A grade winner was Ken McWhirter. B grade was won by Mick Wilkins and the C

grade was Diane Deland with the Veterans being won by Bill Jones.

Following this there was an appreciation award presented to Bill Jones for all the assistance he has given in coaching not only this year but over a the many years he has been a member of our club. Bill has helped not only our members but also members of our

neighbouring clubs with gun set up, stance and technique at our practice days during the week.

The next was the presenting of appreciation gifts to Allana Stevens our treasurer, Wendy Minter, the club's head scorer and to Megan Wilkins our secretary. These ladies do not participate in the sport but do a large amount of work to which our members are most appreciative of.

The last presentation on the night was made by club president, Mick Wilkins who had the honour to install Life Membership to Wendy Minter for all the assistance she has given the club since first attending a competition day.

Finally the club would like to thank the management and staff of the Port Macquarie Golf Club for allowing us to use their facilities and Brad and Michelle Launt of the Caddy Shack Café for the fine catering.

The following Sunday the Port Macquarie Clay Target Club held their annual Christmas shoot at their grounds within the Hastings Regional Shooting Complex.

This competition day is where the shooters get a chance to try some variance in events away from the usual down the line shooting they are use to. The prizes are in line with what can be used over the festive season.

Once nominations were completed there were six squads set to contest the four events set down by the committee. ACTA clubs represented were Taree-Wingham, Kempsey and of course Port.

The first event was 20 targets odds and evens starting at 11 metres going out to 19 metres and from 20 metres coming in to 12 metres. AA grade 1st Hank MacInnes 20/20, 2nd Mike Height 37/39, A grade 1st Paul Deland 20/20, 2nd Steve Saul 19/20. B grade 1st Mick Wilkins 19/20, 2nd Kerry Miller 18/20. C grade 1st Billy Griffiths 18/20, 2nd Graeme Jones 18/21.

The next three events were all shot off 16 metres with any shoot offs required to get results to start at 17 metres and move back another metre after every five targets.

The next event was 25 targets double barrel and in AA grade 1st Bill Jones, 2nd M Height 37/39. A grade 1st Michael McDonnell 25/25, 2nd Bob Ellison 24/25. B grade 1st K Miller 25/25, 2nd Bill Neill 24/25. C grade 1st Barry Pharo 24/26, 2nd Lesley Langer 23/26.

The third event was 25 targets Points Score with AA grade 1st M Height 25/25, 2nd Daryl Pasfield 72/75. A grade 1st S Saul 73/75, 2nd Ken Saunders 71/75. B grade 1st K Miller 72/78, 2nd M Wilkins 70/78. C grade 1st Jamie Griffiths 66/75, 2nd Bob Marchment 64/75.

The final event for the day was 25 targets continental and again AA 1st M Height 25/25, 2nd D Pasfield 42/43. A grade 1st D Deland 25/25, 2nd John Webster 26/27. B grade 1st K Miller 25/25, 2nd M Wilkins 25/25. C grade 1st B Marchment 23/25, 2nd J Griffiths 22/26.

It was noted that at the end of the AA shoot off the shooters were still hitting the continental targets off the 20 metre mark.

The overall High Gun for the day went to Taree-Wingham member Mike Height 143/145 and the Low Gun winner was Libby Clarke.

ANYONE CAN TARGET SYDNEY 2009 WORLD MASTERS GAMES

Registrations are open for the Sydney 2009 World Masters Games, October's seventh edition of the world's largest multi-sport event at which everyday people have extraordinary experiences.

Running 10-18 October, the Sydney 2009 World Masters Games are open to everyone rather than just elite competitors. To enter the Games people need only meet their favourite sport's minimum age, which in the case of shooting is just 30 years. All about being fit, fun and forever young, this year's Games are set to attract more than double the number of competitors of the Olympics.

Of the 28 Sydney 2009 World Masters Games sports competitions, 12 of them will take place at Sydney 2000 Olympic Games venues. Shooting is one of the designated dozen, with the superb Sydney International Shooting Centre in Cecil Park staging the small bore and air rifle, pistol and, of course, clay target disciplines.

After two official practice days (10-11 October) to help the local, national and international competitors become accustomed to the Cecil Park facility, the Sydney 2009 World Masters Games clay target shooting competition will run 12-18 October and comprise seven events - 100 targets single barrel, 100 targets double barrel, 100 targets points double barrel, 100 targets American skeet, 125 targets ISSF skeet and final, 125 targets ISSF skeet and final, 75 pair ISSF double trap and final and 125 targets ISSF trap and final

At the Sydney 2009 World Masters Games, competitors will go for gold against their peers. In the clay target shooting competition, there will be five age categories (30-39, 40-49, 50-59, 60-69 and 70+) for men and women in the single barrel, double barrel, points double barrel and American skeet events, with two age groups (30-49 and 50+) for both genders in the three ISSF events. The competitor's age on 31 December will determine their category.

To register online for the Sydney 2009 World Masters Games or simply to find out more information, visit the Games website at www.2009worldmasters.com. Competitor registrations are open until 31 July, with the clay target competitor registration fee of \$275 also including, among other things, free Games-time public transport on the city's extensive network of trains, buses and ferries and a seat at the Games Opening Ceremony.

New Year's Day 2009 at Kerang

A fine but some what windy day saw Kerang Gun Club host its major event for the year, the annual New Years Day shoot, and what a day it was with three 30 target events, a major raffle of a swing and slide, tool box and a CZ.22 rifle/scope package for a door prize. It was a day not to be missed.

Rifle/scope door prize winner, Ron Traill

A total of 64 shooters travelling from as far away as Yarrawonga, Griffith, Bordertown and all points in between, contested the three events.

Although the weather was fine, the wind certainly made the targets hop around somewhat, surely testing the mettle of all competitors. The competition was brisk and after a number of shoot offs the results were Event 1 30 target Point Score Championship AA First Craig Kelly 0/A 103/105, second Wayne Hawker 93/93, A first Jim Absalom 85/90, second Lisa Hawker 84/90, B first Ian Gebhart 102/115, second Kevin Yates 84/90, C first Joe Borg 79/90, second Barry Rogers 77/90, Lady Lisa Hawker 84/90, Junior James Peatling 103/113, Veteran Ian Gebhart 88/90.

KEMPSEY CLAY TARGET CLUB

Club Shoot - Saturday 20th December 2008

Location Situated right in the heart of the Mid North Coast of NSW

Kempsey CTC held their Christmas Shoot on Saturday 20th December 2008. We had eight squads turn up hoping to take home hams, chickens, wine and other prizes. No one went home empty handed after the completion of the shoot. Regular shooters from our neighbouring clubs of Port Macquarie and Wingham supported us once again but we also had shooters on holidays on the North Coast as well as shooters from Clay Target Clubs such as Grafton, Coffs Harbour and the Sydney area. It was great to share and enjoy the day together shooting and planning on Christmas festivities.

The program for the day was a hundred target event which was shot in four walks. The shooting started with 50 Target Double Barrel, shot in two walks, then 25 Target Point Score and concluding with a 25 Target Single Barrel, all from 16m. As usual the camaraderie between the shooters helped to make the day all the more enjoyable. This may be one of the major reasons why so many shooters keep travelling from club to club. It's not all about winning prizes, medals and sashes, it's also about participating and enjoying the sport and having fun with others, appreciating their company. Christmas shoots help to remind us of the things we treasure when being with other like minded people.

The final results for the 50 Target Double Barrel, 25 Target PS, 25 Target SB 16m were AA Grade B Jones 142/150, R Clarke 141/150, P Baker 139/150, D Pasfield 138/150, A Grade S Saul 139/150, K Saunders 132/150, P Deland 131/150, T Clarke 130/150, B Grade J Howell 140/150, K Miller 137/150, B Cameron 134/150, M Wilkins 131/150, C Grade P Leicht 118/150, P Ryder 117/150, B Griffiths 114/150, L Langer 112/150.

High Gun for the day was won by Brad Hooper 143/150, a keen shooter and sponsor of Kempsey CTC. As per usual we had a wonderful afternoon tea with a Christmas theme which was again organized by our fantastic ladies who support their family and friends who shot. Thank you once again to Robyn Baker, Meg Gosling, Kerry Powick and Marilyn Saunders our catering team. They had another great year feeding the hungry competitors.

Shooters departed after the shoot to freshen up before our Christmas Dinner and presentation. Our large group of shooters, family and friends all enjoyed a great meal and a few drinks together before the presentations of the club trophies for the 2008 High Gun for each grade. The AA Grade was won by Phillip Baker, A Grade by Ken Saunders, B Grade to Jack Gosling and C Grade was won by Peter

Crowd at Christmas Shoot

Kempsey CTC celebrated another successful and enjoyable year of shooting. The Club would like to thank all the shooters, our sponsors (Kay Pritchard, Denis Pearson, Saul Family, Col Crighton, Baker Family Macleay Valley Butchery and Century Batteries), the elected committee members and their families, who have supported us throughout 2008. Special thanks to our recorders, Lesley and Jenny Baker, for their continual work throughout the year once again.

We are looking forward to the coming year and planning a great 2009. Hope you can join us on the third Saturday in the month for a competition or on the first Saturday of the month for a practice. You will always be welcome at Kempsey Clay Target Club, so come and have a great time at the traps with us.

All the best to you for 2009.

Psychological Skills for Shooting

by Michael Kruger-Davis

THE NEED TO ACHIEVE

One of the most complex issues with sports psychology and performance in general is: how do we create and sustain motivation? Over the years there has been a change in the way psychology has viewed human motivation. The following is a brief and sketchy history of the area of motivation taken from *The Sports Psych Handbook*.

Motivation was first examined by Norman Triplett, a psychologist at Indiana University in 1887, when he noticed that cyclists rode faster in pairs than when they were alone. Triplett's motivation discovery was referred to as social facilitation, but this was not utilized for over half a century. In the early 1900s psychologists took a deterministic view of motivation. Psychoanalysis argued that motivation was a product of subconscious instincts of sex and aggression. Freud, especially argued that our behaviour was shaped by our instincts. Next, Hull believed that motivation was a function of our basic physiological needs, such as hunger, thirst and fatigue. Finally, Skinner, put forth a stimulus-response theory, known as behaviourism, claiming that all behaviour is controlled by external reinforcements. All of these theories: instinct, drive and reinforcement argue that motivation is not up to the individual but rather is to either the products of genetics or the environment.

In the 1960s there was a change of thinking about what motivated athletes. Cognitive sports psychology argued that motivation was based on conscious and controllable thoughts: motivation was therefore a decision that each athlete can make.

So, armed with this brief history of motivation, what can we make of it. Whilst we all have traits that will affect our behaviour, and we all have primitive instincts that subconsciously direct the way we act, and we all respond to punishment and reinforcement, we still have to make some decisions for ourselves.

There are several characteristics that influence potential. Firstly, the motivation to engage in physical tasks can be regulated by "locus of causality". Eliot (2005) writes, when participation in sport is inherently pleasurable, when effort is based on the enjoyment of competition, excitement, or the desire to learn and improve are said to have *intrinsic* motivation. On the other hand when, sport involvement is steered by trophies, ribbons, salaries or scholarships, or the approval of others, athletes are extrinsically motivated. Internal and external rewards can improve motivation; they can also affect one another." There needs to be a mixture of both internal and external needs. We all need to have a sense of purpose and be personally satisfied with our performance over time. Having this meaningful sense of purpose will get us through when we are having a bad run.

The second characteristic is self-efficacy. Eliot argues the reasons athletes want to compete depend on the contrast between internal and external rewards as well as the athlete's preperformance assessment. That is, if an athlete believes can be successful, he or she is more likely to participate. This construct is usually referred to as self confidence or self-efficacy. Eliot continues by stating that high self-efficacy is a judgement about one's capacity to perform a particular task at an elevated level, with certainty and repeatedly over time. It is these three factors that distinguish achievers from non-achievers, because from a motivational point of view, those athletes with higher self-efficacy tend to try harder, persist longer, choose greater challengers, experience effort more positively, and feel less anxious. Self-efficacy should not be confused with self-esteem. Self-esteem pertains to a person's generalized feeling of worth, whereas self efficacy concerns specific skills, abilities or opportunities.

The next characteristic is goal orientation. Achievement goal theory

suggests that two major goal perspec-tives operate in an achievement context such as sport: a task ori-nentation and an ego orientation. Put simply, a task orientation implies that one participates in an activity for its own intrinsic properties. The enjoyment of the game, the way we feel when we smoke the target, or catch a great wave, or sink a tricky putt. There is a great inner sense of satis-faction when we do well or when we have achieved a personal best. Ego orientation (or outcome goal orientation) on the other hand has participants striving to demonstrate superior ability com-pared to everyone else or avoiding the demonstration of incompe-tence. Both these orientations are within all of us. The good way to deal with goal orientation during the competition is to focus on the process and let the product look after itself.

The fourth characteristic involves performance feedback and interpretation. Attributions address the causes of expectancy beliefs and successes and failures affect continuing motivation. Eliot outlines that three characteristics underlie attributions. The first characteristic is the locus of causality (perceiving an outcome to have resulted from either an internal or external factor). An internal factor would involve effort or injury whilst an external factor might be equipment such as your gun or ammunition, or a particular gun club or layout. The second characteristic is stability (perceiving the likelihood of the same outcome recurring). A stable factor would be your technical skills, abilities, physical skills and mental skills. An example of an unstable factor would be the weather or luck. The final characteristic of attributions is locus of control (the perception of whether an outcome can be manipulated.) Controllable factors might include your game plan, your pre game meal, whilst an uncontrollable factor might include the referee's calls or opponent's mistakes.

The final characteristic involves high performance consciousness, flow or what is commonly referred to as being in "the zone". Being in the zone involves effortless movement, transformation of time, clarity of vision, distortion of objects, loss of sense of self, etc. Eliot argues that flow or being in the zone should be goal because it will enhance and sustain motivation. He outlines the following to maximize the chances of achieving flow:

- 1. Balance challenges with skills.
- Perform in the present (leave past judgement and future fears alone).
- 3. Concentrate of a small, specific target.
- 4. Concentrate of what is controllable.
- 5. Eliminate in-game evaluation and self-judgement.
- 6. Enjoy the rhythm and feel of the performance.
- 7. Have fun.

Now that we have a basic understanding of the psychological conceptualization of motivation, next month we will look at how to put these principles to work.

Rich River Classic shot at Echuca

What used to be a 2 day Boxing Day carnival has been very successfully altered to a one day December the 27th Classic shoot, at the Echuca Clay Target Club! With numerous, and generous, local sponsorship aiding the club to offer shooters better trophies than would otherwise be the case, the club is very grateful to those sponsors for their contribution.

Ron Traill being presented the A grade High Gun by Peter Sing Club Secretary

Arthur Bird B grade High Gun

Michelle Preston C grade High Gun

With steady rain overnight it looked like it would be a wet shoot, but thankfully by the 9.30 start time, all rain had ceased, just leaving black clouds moving around with the slight breeze, making some targets very difficult to see. The day's program was good enough to attract fourteen full squads of shooters, 84 competitors in total, which for the 2nd day after Christmas day was a pleasing roll up of shooters, some from as far as Western Australia.

Running six trap layouts and keeping the shooters backed up, the whole shoot ran exceptionally well, and even with one hundred targets, and shoot-offs to get through, all events were finished, and

even presentations over, by the early time of 6.00pm, due in no small way, to the reliability of the Gemini traps used, and to the four trapper boys & girls keeping the auto traps full, and cleaning up the empty cartridge shells. Congratulations also to the entire office staff for maintaining the smooth flow of the program.

Cerberus member, Peter Mills, was the man local member Stephen Atkins pursued in the shoot off in event one, the 25 target Points Score Championship, but Steve could not outlast Peter who collected the Overall Sash and 1st in AA grade with a very good score of 126/126, Steve picking up 2nd in AA grade with his 123/126 score.

Echuca member, Craig Fitzgerald, was the Overall Winner in event two, the 25 target Single Barrel Championship, beating Central Wimmera member Craig Kelly in the ten targets shoot off, Craig also picked up1st in AA grade with his 35/35 score. Craig Kelly taking out 2nd place in AA grade with his score of 34/35.

Western Australia Gun Club member, Daniel Debattista, survived a one target shoot off to take out 1st place in the 25tgt Classic Handicap. Daniel shot a 26/26 score off the 19 meter mark for his win against Rob Pistone, who shot off 22 meters to run 2nd with his 25/26 score.

Craig Kelly and Travis Gull were the eventual survivors in the shoot off for Overall in event four, the 25tgt Classic Double Barrel

Daniel Debattista 1st Handicap

Craig Kelly, having a magnificent day out, also winning the Overall High Gun Sash with a score of 146/150. Graded High Gun winners were, Junior High Gun, won by Deniliquin member Jack Collicoat, with a 141/150 score. C Grade High Gun, Werribee member, Michelle Preston on 127/150. B Grade High Gun, Arthur Bird, on a score of 139/150. And finally, A Grade High Gun winner, club president, Ron Traill, with a 145/150 score.

Although the day was hot and humid, thankfully the rain held off, and all shooters thanked Echuca Clay Target Club for putting on a very well run, and enjoyable day of tough competition, with excellent trophies to

attempt to win. The ladies too must be thanked for their effort in the kitchen, keeping food and drink up to all who attended.

RICHMOND RIVER NEWS

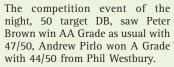

Location: 776km's north of Sydney between the rainforest and the sea

Shooting resumed for 2009 at the Richmond River Gun Club, Lismore, on Friday 9th January when fifteen members and one visitor took part in a 75 target double barrel twilight/night shoot.

The twenty target eye opener was shot in reasonable daylight although the scores would indicate that our regulars did not

return from the Christmasnew year break bright eyed and clear headed. Not one 25/25 was recorded although Mike Sullivan, Peter Brown and Andrew Pirlo did manage 24/25.

Shooting was suspended and a light meal taken during that period of the evening when there was not enough natural light and the flood lights were not sufficiently effective. Phil Consalvo and Ted Schneider made sure no one went hungry with some nice salads and rolls in the absence of our regular Friday night cook for which everyone was grateful, then it was back to business.

Graeme Yates (45/50) won narrowly from Mike Sullivan (44/50) in B Grade with Maurie Westbury and Scott Brereton just one target further behind.

The fiercest competition of the evening was in C grade with all shooters in that grade being chances after the first 25 targets. Despite the smart money being with Sean "Nocturnal" Copper it was Don Johnson and Peter McKenzie that eventually shook off the others and share first place with 43/50. Shoot off's are not held at night shoots due to the noise curfew and although Don won the toss, because he doesn't drink red, Peter ended up with the prize.

Shooters who normally attend Richmond River's Annual two day shoot are advised to watch for our advertisement in the next issues of CTSN since this year it is to be held in May and not April. Good prizes as a result of some generous sponsorship offers and a significant facility upgrade over the last six months should make it an event not to be missed.

N.S.W.G.C. Side xySide Gold Sovereign Championship

It was the time of the year when all the frustrated side x side shooters congregate to attempt to win sponsor John Newton's genuine 1879 gold sovereign, or one of the many other great prizes up for grabs. Each year the prizes selected by Hugh McMaster seem to grow in significance and desirably. With a \$1000 cash award for overall and \$500 for each grade, together with trophies of engraved pewter tankards and sashes, the incentives for participating in this event are substantial.

The day before the event the usual mew of Dave Morgan, Hugh McMaster, Peter Romeo, John Newton, John Diamond and Andrew Shacklock turned up to plan out the various disciplines and trap layouts hoping to emulate the successes of the previous two Gold

John Newton and sponsors from Stockade, Terrey Hills, Tere Alexeeff, Tony Garland

Sovereign Comps. Saturday morning was a little disappointing weather wise with occasional showers and strong winds adding a wild card aspect to the proceedings. The event was programmed to commence at 10.00 but by 8.30am many shooters had shown up, some camping overnight on the Club grounds, to participate in a pre-shoot breakfast and to inspect the collection of 44 magnificent side x side shotguns put on display inside the clubhouse. Most of the great gunmakers were represented including Purdeys, Boss, Westley

Richards, Churchill, Guinard, Cogswell & Harrison, Lancaster, Rodda Greener etc. Two cased pairs of exceptional English shotguns received extra attention. A little horsetrading transpired between several exhibitors. During the display, club armourer, Terry Dawson was casting his discerning eyes over the many entrants in the "Best Original" and "Best Restored" gun competitions.

When Carolyn Dowling opened the office for nominations we were delighted to note that we had 13 squads (64 shooters)

High Guns for the day Overall Wayne Hawker 144/150, Lady Lisa Hawker 134/150, Junior James Peatling 141/160, Veteran Ian Gebhart 140/150.

Included in our shooters as well as the open competitors there were six juniors, six ladies and twelve veterans.

With shooting over it was time for the presentations, raffle draw and door prize result. In the raffle first prize of a ute tool box went to a very happy Russell Barnes, second prize a safe to Joan Green, third prize the hamper to Anne Pratt and the last prize, a towel pack to Ray Canny.

Next was the rifle/scope door prize, eligible to all shooters who shot the three events and stayed for presentation. As you can imagine there was much anticipation from the crowd as the winning ticket was drawn, with the lucky competitor being Echuca club Stalwart Ron Traill. All in all it was a great day's competition enjoyed by everyone.

As you all realise these shoots don't just happen by themselves, with a vast amount of work going on prior to and during the day by a dedicated band of helpers. So just briefly we will name but a few, Frank our President, MC and court jester, Phyllis our tireless secretary, Steve and Danny the office boys, Stan, shoot marshal, canteen Vicki, Lee, Jess and Paul, Mick on raffle, with Dave, Kenny and Jason scoring, refereeing and filling the traps.

And last but not least I would like to thank our very generous sponsors for their on going support to our club, for without their help our premier shoot would not happen, Brett Dunstan, Arnoldt & Greenwood, Kerang Valley Resort, Autopro Kerang, Kerang Betta Electricals, Kerang Tourist & Caravan Park, Kerang Sports & Entertainment Venue, McNeil & Saunders, Swan Hill Fishing & Shooting, Frank James, Darren Pay, Stan & Marion Kerr, Jason Hein, Heather Dunstan, Murrabit Family Day Care, Mathers Transport, Phyllis Epps.

TASMANIAN GUN CLUB

Saturday 14 December 2008

Location 2 kilometers south of Evandale on the South Esk River 5 minutes from Western Junction (Launceston) Airport

Another successful shoot despite the very inclement weather, again shooters came from all parts of Tasmania, a total of 32 shooters competing this month with some good scores being shot.

There were three stand out scores, Tony Westcombe with a 47/50 and junior Nick Bowman with a 46/50 in Skeet to win B and C grades respectively, a very good effort by both shooters in gusty and wet conditions, Bernie Smith with 145/150 in the Points Score was also a good effort.

Sophie Bowman of Flinders Island shot well to win the C grade section in the Club Points Score Championship, Sophie has shot several perfect scores in practice and looks set to become one of our better women shooters.

Results were 50 Target Skeet event OA & B grade Tony west-combe 47/50, C grade Nick Bowman 46/50.

50 Target Points Score Club Championship OA & AA grade Bernie Smith 145/150, A grade Darrel Height 138/150, B grade Robbie Elmer 120/150, C grade Sophie Bowman 118/150.

eager to participate. After the remnants of Theo's breakfasts were cleared away it was time for a notable signal of commencement. Tony Garland and Tere, great club supporters and proprietors of the Stockade Gun Shop in Terrey Hills, fired off an antique ships cannon. The massive roar and subsequent explosion 100metres down the range certainly woke up the competitors as well as the local wildlife all witnessed by half the firemen and women in Sydney.

The first event was 50 sporting targets Dave Morgan always sets up an interesting layout. Some shooters completed the round with near perfect scores despite the strong winds.

After lunch was 25 D.T.L. and 25 Continental Points Score which was earlier thought to be a stumbling block for some of the Sporting Clays shooters. As it turned out this event proved to be the downfall of many D.T.L shooters. With 3 points per target and a howling westerly, reputations were either won or lost.

When the final target had been shot at Frank Searle from Newcastle emerged as the outright winner squashing the fallacy that sporting shooters couldn't win this event. Frank left the Club with \$1000, a gold sovereign, sash and his name on the impressive Side x Side

Trophy. The award for the "Best Original Gun", went to Peter Camilleri from South Yarra for his outstanding 1900 Westley Richards boxlock. John Newton's exceptional William Ford boxlock ejector won the award for the "Best Restored Gun" Both awards were antique gold pocket watches donated by Bill Staughton and Andrew Shacklock.

Tere Alexeeff won the Ladies prize after shooting like Annie Oakley all day, and looking great in a period costume.

The most awaited prize was the Lucky Door prize, a Cherles Crawford side x side hammer gun donated by Gun Dealer Robert Whalan of Oberon and restored by John Mialls of Melbourne. (Total value around \$3000). Every shooter who participated was entered for the draw but had to be present at the awards ceremony to be eligible. The drums rolled as Robert Whalan drew the winning ticket. The drum roll turned to moans as the lucky winner was declared as a very deserving (his words) and shocked Andrew Shacklock who stated that he had always hoped to own a side x side shotgun someday!!

A great day was had and a great many shooters vowed to return next year. N.S.W.G.C. thanks everyone involved for making the Gold Sovereign Competition a very prestigious event.

Dear Your Say

Thankyou to you and your staff for the wonderful spread in the last magazine regarding Kempsey CTC. The cover page was a real source of pride when I saw it. I cannot describe the feeling but it was very special indeed. You cannot imagine how many more shooters come to our club after long absences now that they see it so often in your magazine. I went back through my reports since I took over the publicity role and we were getting 18 to 20 shooters each shoot in 2007. Now we are regularly getting 45 to 50 shooters each shoot and many old friends are catching up with mates and competing once more at our club. It is only through your magazine's continual support of us that this has been possible.

Thank you all once again.

Starting Time

Each day's event shall commence at 8.30am.

Shooters who fail to appear in time for their squad may forfeit their nomination and will be re-squadded towards the end of the event. A \$5 re-squad fee shall apply. Should a shooter being late for his squad then elect to withdraw from the event, he may not be eligible for any refund of nominations paid.

Cartridges

For all events, excluding the Grand Australian Handicap, load size for all National Title events is limited to 28gr struck measure shot size not larger than No.6. For the Grand Australian Handicap load size is limited to 32gr struck measure shot size not larger than No.6.

Cartridges of the competitor's choice, including re-loads, may be used in all National Championships. Cartridges will be available for purchase at the National Championships. Random checks may be carried out.

Target and Traps

Targets through the program are to be as determined by the Championships Sub-Committee. All targets thrown remain the property of the organisers. All throwing equipment will be electronically operated.

Classification

It is the responsibility of the competitor to see that their entry is correctly classified - an indication can be obtained from the daily scoreboard or their Shooter ID Card. This applies to trap grades, Womens, Juniors, Sub-Junior and Veterans divisions.

Contestants are reminded that re-grading and re-handicapping will be carried out on a daily basis, where required by the rules.

Major Sponsors

The Association gratefully acknowledges the generous support received from sponsors.

Practice

Practice, subject to trap availability, will be available throughout the championships.

Shoot-offs, Continuation of Events

Where more than one squad participates in a shoot-off, they may commence shooting together on different traps providing management deems that situation equitable.

Where necessary, shootoffs will be conducted under lights until a winner has been determined or until such time as the Tournament Director decides. In such a case, the competition will recommence where it left off on the following day.

Nominations - All Events

All championship nominations (excluding Deauville Doubles) include a contribution to the discipline fund.

Note: Reduced Nominations shall apply to Juniors and partners only, they being wives or husbands, whose nomination must be lodged at the same time as family member paying full nomination fees.

Authority

This program shall control the 2009 Australian Trap Championships. The shooting rules of the Australian Clay Target Association will govern all points not otherwise provided for.

The Association's Executive Committee, reserves the right to, at its discretion at any time prior to the commencement of any event on the 2009 National Trap Championships program, to change or modify the program in any way.

Gambling is not permitted on events staged by the Australian Clay Target Association.

Services and Facilities

Catering:

Arrangements have been made for meal services to be available with an extensive but practical menu.

Trade Displays:

Commercial organisations have supported the tournament by establishing displays of products connected with the shooting sports. These displays will be located in an area specifically designated for trade exhibits. Competitors and visitors to the ground are encouraged to support these trade displays as, in this way, exhibitors can be encouraged to maintain their support for clay target shooting.

Parkina:

Ample parking is available for the cars of competitors and visitors. The parking area will be clearly marked. Please do not park in any area marked as being reserved, as freedom of movement is required at all times - Please co-operate.

Souvenirs:

In addition to a variety of souvenirs which will be offered by commercial supporters of clay target shooting, the Australian Clay Target Association will merchandise a souvenir 2009 National Championships badge.

CLASSIFIEDS

RATES AND CONDITIONS

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pumpaction or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$11.00 - 0-60 words

22.00 - 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

> Payment must accompany advertisement. NSW Members and Dealers

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

(a) the person is a licensed firearm dealer, or

(b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

- (a) the licence or permit number of the seller,
- (b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.

CONDITIONS OF ENTRY – NATIONAL TRAP CHAMPIONSHIPS

- 1. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.
 - Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.
- 2. Squads of 6 to shoot 50 targets/75 targets in brackets of 25, one visit only to the traps. Squads of 6 to shoot 100 targets in brackets of 50, two visits to the traps. National Handicap event to be 5 (five) person squads, 5 (five) targets per lane.
- Shooters will be squadded as per ACTA rules and regulations and any interpretation of this will be the responsibility of the Tournament Director.
- 4. Each shooter is to take enough cartridges to shoot at 50 targets/75 targets. A time limit of two minutes will be imposed for the changeover for each 25 targets. Should the two-minute time limit be exceeded then a penalty of the LOSS OF ONE TARGET may be incurred.
- 5. Shooters who fail to appear in time for their squad may forfeit their nomination and will be re-squadded towards the end of the event.
- 6. Should a shooter being late for his squad then elect to withdraw from the event he may not be eligible for any refund of nominations paid.
- 7. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
- 8. Any competitor may be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfil their obligation to do so. Failure to either referee or score may incur a penalty of the LOSS OF ONE TARGET in the next event. Should a following event not be programmed then the penalty of the LOSS OF ONE TARGET may be incurred in the event concerned.
- 9. Shooters will be drawn from each day's last round squads to referee and score the first round of the following day, being ready to officiate at the advertised starting time. Shooters who fail to fulfil their responsibility may be penalised one target. While replacement referee and scorers are permissible, the penalty of a loss of one target for they're failing to officiate shall be made against the officially designated person.
- Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised FIVE (5)
 TARGETS.
- 11. All disputes must be in writing together with \$20 deposit, which is refundable subject to the appeal being upheld.
- 12. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
- 13. Optional sweep/purse nominations shall be noted on a separate form from shooting nominations and are not refundable.
- 14. Optional sweep/purse prizes will be available for collection on the following day of each event with the exception of the final day. All payments must be signed for and proof of identification given if requested.
- 15. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall chose in which team they may be selected. They cannot compete in both Open and Section teams.
- 16. Any eligible competitor paying nominations is entitled to receive awards in the Open section, Womens, Juniors or Veterans section, however the overall winner cannot take any grade and section prize.
- 17. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals trophies and/or cash are awarded, irrespective of nomination paid.
- 18. Nominations will close daily at 11.00am or at the discretion of the Tournament Director.
- 19. Anyone participating in the practice of card playing at the National Championships is expected to be considerate of the requirements of others, and the presence and behaviour of the card players must not cause inconvenience or disturbance. Tournament Director to adjudicate.
- 20. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final.
- 21. An acceptable standard of dress is required for all competitors, Tournament Director to adjudicate.
- 22. Reduced Nominations shall apply to Juniors and Sub-Juniors. Also partners' entering into the same event whose nomination is lodged at the same time as a member paying full nomination fees. Shooters paying reduced Noms are eligible for Overall, Grade and section prizes.
- 23. All Competitors must comply with Firearms Licensing Laws in their State of residence and in the State hosting the National Trap Championships.
- 24. Payment of the nomination fee only entitles the shooter to enter the event. Changes to the program including the number of targets shot will not be eligible to any refund.

2010 World DTL Invitation

21st January 2009

To: John Mack, President,

Clay Target Shooting Association of

Australia

World DTL Trap Championship – South Africa 12th to 21st March 2010

For those shooters who attended the team dinner at the last World DTL Championship which was held in Banagher, Ireland, you may recall the comments I made regarding the next event, scheduled for March 2010 in Cape Town, South Africa.

For the benefit of those National Team shooters who did not attend the team dinner and naturally also for the hundreds of shooters who were not even in Ireland for that Championship event, I would like to pass on some exciting information about the World DTL Trap Championship to be held in South Africa.

At the tip of the African continent, Cape Town has become recognized as being one of the top tourist cities in the world, ranked alongside Rio de Janeiro, Sydney, Singapore, San Francisco and many other similar cities which enjoy glorious beaches close to beautiful mountains. Cape Town has become a cosmopolitan city, since large numbers of European and British based people have invested in property overlooking the Atlantic Ocean, for, what to them, has been small money.

The Valley Gun Club is situated a scant 30 km from the city of Cape Town, close to the towns of Paarl and Stellenbosch, which lie in the heart of the South African winelands and are surrounded by world class beauty. The club is arguably the Country's premier Clay Target Club with over 200 members, who enjoy all disciplines of Clay busting, including the Olympic disciplines.

Whilst I am passionate about the Cape, the winelands, and the Mountains and Valleys, as the President of the Clay Target Shooting Association of South Africa I should be better qualified to promote the shoot rather than the

tourist attractions, so let me say that the Valley Gun Club management, main committee and all of the subcommittees which have been formed have been hard at work for over a year already, to ensure that they present a shoot by which all future shoots will be judged. A more dedicated team of professional people will be hard to find anywhere on the globe. At least three of their senior management team attended both of the last two DTL World Championships - in Wagga Wagga 2006 and Banagher 2008 - in order to observe what to do, or not to do.

All the ranges will be in place; a total of 12 for the shoot, plus two as permanent practice ranges which will be open during shooting for those who wish to simply calm nerves with a quick 10 shots before their event. All traphouses are equipped with new traps and the supplier will be on hand with replacement machines in the unlikely event of any breakdown.

Ammunition will be on sale at the range, both from the club, which is a licenced "dealer" and from normal traders who will have their facilities in a "tent town" for vendors. A secure facility for gun storage will be available at the range for peace of mind for all shooters when they leave the range at the end of each day's shooting. The shoot program is in the final stages of completion and should be on the website during March 2009. Please visit www.ctsasa.co.za which will provide you with a link to the Valley Gun Club and the World DTL Championships. The shoot program will include the South African Trap Championships in both ATA single barrel, and DTL, providing good practice for the World DTL Championship. There will also be a number of side "fun" events to keep all

Perhaps the most compelling reason for you to very seriously consider pressing the "entry" button on the website, is the cost factor. At the time of writing, the Australian dollar and the New Zealand dollar are each worth around 6 to 7 of our South African Rands. Simply stated, this equates, for

shooters happy.

example, to a beer costing, in a good restaurant, about R12, or in your terms, about A\$ 1,80. A really good meal in a great, world class restaurant, at about R200 a head, equates to about A\$25 – A\$30. The value for money proposition for our foreign visitors is absolutely awesome.

Accommodation in high standard Bed and Breakfast type establishments should cost around R300 per person per night, or \$42. Naturally, for the well heeled, Superior International level 5 Star hotels are also available in Cape Town at (to us!) staggering prices! The Cape Town Waterfront known as the "V & A" Waterfront after Victoria and Albert - is the model from which all International Waterfront developments have been based. It contains dozens of good restaurants, shopping malls and hotels and is a great place from which to chill out in an internationally recognized tourist haven.

Most importantly for families, the levels of crime are nowhere near what some grossly overstated bad press has given South Africa. We do have crime here, as does every major city in the world. Wherever I have travelled, I have had friends or work colleagues warn me to stay away from certain areas. Cape Town and environs is no different, as is the rest of South Africa. We offer the opportunity for a fantastic holiday for shooters and their families and would urge those shooters who are considering the trip, to bring your wives, partners and children. You will have a holiday of a lifetime at remarkably affordable costs.

If you have any questions at all, please use the facilities provided by the internet and make contact either directly to Valley Gun Club, or to The Clay Target Shooting Association of South Africa.

We look forward to seeing you and your families in the Cape in March 2010. Don't delay - book your flights NOW!

Yours in shooting Malcolm McClelland President

Remarkable Man – *JOE WRIGHT*

For the past 2 years I have travelled frequently to St Arnaud to visit my 95 year old father in Coates Hostel, a Nursing Home. Unfortunately Dad had a fall on our farm near St Arnaud and put a small crack in his hip bone and has not been able to get around easily. My mother moved to a small unit in St Arnaud so that she could be near Dad.

During my visits to the Nursing Home I have got to know many of the residents as they spend the greater part of their day in the large lounge/activities room. One of the residents is Joe Wright. Joe is a very happy person with a passion for crosswords, and on meeting him you cannot but notice he has no left arm.

On a recent visit, my mother said to me, "Bet you didn't know Joe was a Champion shot in his day?" Mum then produced the local newspaper which carried a column entitled "50 Years Ago." This particular article referred to Joe and his inclusion in the 1958 Mackintosh Team.

I was aware that a photograph of this particular team was included in George Biggs's book, "The History of the Australian Clay Target Association."

On my next visit, I took a copy of the book with me and showed Joe the picture. He was thrilled. He then informed me that he had originally had the photograph, but he had lost it in a house fire, along with all his trophies and shooting memorabilia. With the help of Jim Shepherd I was able to organise a copy of the photograph, frame it and give it to Joe along with a copy of the book. The photograph now hangs in pride of place in his room.

As I have a copy of each Clay Target Shooting News from the original, I was able to find the results of the 1958 National Championships and the report on each event. The following entry from the May Edition of 1958 is well worth repeating and is testimony to Joe's effort -

"A remarkable performance during the recent Association shoot at East Burwood was put up by the St. Arnaud (Victoria) shooter, Joe Wright. Wright is a brilliant all round marksman. Just prior to shooting in the Association fixture, Wright had spent a week shooting in the Victorian Oueen's Prize rifle shooting meeting at Williamstown (V). He came straight from .303 to the 12 gauge at East Burwood, and went within 1 point of tieing with Newton Thomas and Andy Tie in the National Doublebarrel Championship. In this event Wright had only to stop his final target with the

Joe Wright

first barrel to be in the tie shoot, but after being slightly baulked he broke it with his second and thus dropped one below the tieists. Wrights effort with the .303 and the 12 gauge is all the more remarkable when it is noted that his left hand has been smashed (a result of being caught between the buffers of two railway trucks) and he merely rests the gun on the end of his left wrist.'

When you read the results report of the event and note the shooters who finished in front of Joe, you also realise what a great effort it was. The winner of the event was Newton Thomas on 239/240, second was Andy Tie on 238/240, third Sperry Marshall on 193/195 and then Joe on 207/210. Also of note is that this particular Mackintosh team went on to win with a score of 2876/3000.

Joe was born in 1920 at St Arnaud and grew up on the family farm at St Arnaud East. Along with his 2 brothers and 4 sisters he attended school at St Arnaud East before leaving to work on the farm.

In 1938 Joe joined the local Militia putting his age up so that his younger brothers could also enlist. The local group was the 17th Machine Gun Regiment and Joe quickly adapted to "army life" and thus began his love for shooting. Joe found his "eye" was pretty good and he shot whenever ammunition was available.

> Joe laughs when he recalls being sent to camp at Broadmeadows, Melbourne to continue his training and being asleep one night when the Artillery Unit began live firing in the middle of the night. At this time the Army still had a large number of mounted units and as the live firing commenced the horses broke their tethers and took off in all directions causing a huge problem for their handlers. Joe added that as his unit was then mechanised he was not required for the resultant lengthy roundup, all he had to do was roll over and go back to sleep.

Joe was transferred to the 26th Machine Gun Regiment located in

1958 Mackintosh Team. Circled is Joe Wright

BATHURST GUN CLUB

Location: Bathurst is located on the banks of the Macquarie River in the Central Tablelands Region of New South Wales

The final trap event of the year was very well supported at Bathurst Gun Club, held on the 7th of December. Thirty shooters turned up to compete in the three events & it was great, that more of our own club members participated. The club committee was particularly pleased to see more family members in attendance & to have them joining in on the festive occasion & enjoying the atmosphere, as well as the Xmas afternoon tea!

Flash targets (supplied by Vince Gatt from Cecil Park) were hidden over three traps, in the course of the day's events. Those shooters successful in hitting a flash target were then able to select their own

prize from the gift table on display, at the end of their round. Eighteen prizes, including a picnic set, glass-beer/wine sets, toiletry packs (donated by Forbutts Pharmacy Bathurst), Xmas cakes/biscuits donated by club members, were won during the day. Thanks to all our supporters for making this 'novelty' on the program possible. It certainly added some incentive for our shooters!

Overall High Gun was Orange shooter, Glenn Mc Allister, with a score of 145/145. Another Orange shooter, Jeff Nash also shot excellent scores over the day & was Glenn's partner in the Deauville Doubles. The pair won with a score of 20/20. Second place in the Doubles event was shared by three pairs, with a score of 19/20. They were; Allan Clarke & John White, Ian Stewart & Graham Lanser & Charlie Bonanno & Kevin Elias. Well done to all pairs.

The 50T Double Barrel Championship event was won by Bathurst shooter, Warren Woods. Warren, Glenn & Jeff all shot 50/50. However Warren, who has not long returned to the sport, was the eventual winner. Warren was presented with his prizemoney & a gift

voucher (kindly donated by the Continental Restaurant Bathurst), by club president, Les Aberley & Vice President, Clive Coles (Santa!).

The club thanks all those members who contributed to the effective running of the shoot & to all our supporters, over the last twelve months. We are certainly looking forward to the New Year. 2009 will see our 2 day shoot on February 7th-8th, the Central Zone Trap Carnival & Skeet Championships, in July/August and the upgrade/improvements to the clubhouse & grounds nearer to completion, with the awarding of the State Government Safe Shooting Grant. We are also excited by the mix of our new club members, which shows some very promising shooters starting to appear and the possibility of some new junior members, joining our club.

St Arnaud with their Headquarters in Warracknabeal. Joe began training in earnest with Enfield .303's and the Vickers Machine Gun. He enjoyed shooting the .303 very much and subsequently joined the St Arnaud Rifle Club and began to shoot competitively.

When the Second World War broke out in 1939, Joe was immediately called to camp at Warracknabeal in October of that year. It was during the particular camp that he had his left hand and forearm crushed between 2 railway trucks and was immediately taken to Melbourne to have his arm amputated but ended up losing his hand.

As Joe's injury healed he commenced to shoot again, resting the forend of the rifle across his left forearm. His injury prevented him from active service; however, he remained in the Army where he met his wife. Estelle.

Joe continued to shoot with the St Arnaud Rifle Club and began to compete successfully in the Queens Prize Rifle Match at Williamstown.

He and Estelle purchased their own farm at Traynors Lagoon and Joe transferred to the Trayors Lagoon Rifle Club. This rifle club had a particularly strong group of members and they won many team competitions throughout Victoria, including the then prestigious Bendigo Association team event.

In 1957 Joe broadened his shooting disciplines taking up clay target shooting, with the then newly reformed St Arnaud Gun Club. The original St Arnaud Gun Club had gone into recess in 1955 after live bird shooting had become illegal. Joe purchased a Browning over/under from Evans & Balfour in Melbourne for 120 pounds (\$240.00) after finding his A5 Browning to be unreliable on the trap. It was only some 12 months later that he competed at the 1958 Nationals and very nearly took out the "Blue Ribbon Event."

Unfortunately in 1959 Joe and Estelle lost everything when fire destroyed their home. Among the items destroyed were all Joe's shooting trophies and his shooting memorabilia. After this devastating loss, Joe found it hard to continue all his shooting, but he did recommence rifle shooting. He states that the fact ex military rifles were only 2 pound helped in this decision.

Joe was club champion on many occasions and his ability as a coach was known through rifle shooting in Victoria. He thoroughly enjoyed his shooting, no matter what the discipline. Making many great friends throughout shooting and on trips to Melbourne, Joe never missed the opportunity to drop in on Donald Mackintosh for a yarn and a few tips. Joe says he is a little sorry that shooting has not continued in his family, but has no regrets. Joe has 2 sons, a daughter, 5 grandchildren and a great-grandson.

Not a bad effort for a guy that only ever attended the "Nationals" once!!!!!!!!!

Mini Carnival, January 2009

Location: 2 kilometers south of Evandale on the South Esk River - 5 minutes from Western Junction (Launceston) Airport

Again shooters came from all parts of Tasmania, a total of 54 shooters assembling at the club for a very successful and enjoyable day.

Several excellent scores were posted in the double barrel, Grant Ellis with 102 to win AA grade and Dennis Whiteley with 106 to win A grade.

Bernie Smith's 30/30 made him the clear winner in the single barrel event.

The stand out shooter for the day was Tim Bryan who won the overall high gun award dropping only 6 points to score an overall 174/180.

Tim won a free nomination into the Tasmanian Clay Target Association double barrel championship held as the main event at the state carnival held at the Tasmanian Gun Clubs Grounds over the four days 23rd to 26th January.

Taipan Shield 2008

The Taipan Shield is a postal team competition for our Women shooters. Each team comprises 5 ladies who must shoot 25 Double Barrel scored in Points in the event of a tie. There has to be a minimum of three teams entered for a competition to be held. In 2007 we only had two teams entered so the Shield was not awarded.

This year we are delighted to announce that not only was there enough teams for a competition but that there were six teams entered. The teams were from Tumut CTC, Spring Bay CTC, Hobart GC, Werribee Victorian CTC, Melbourne GC and Bothwell GC.

The victorious team was Tumut with a score of 120/125 followed closely by Spring Bay 119/125 and Hobart 110/125.

Congratulations to Elizabeth Barton, Tracey Barton, Wendy Barton, Melissa Crane and Chrissy Nyveld who formed the winning team from Tumut. Each of the women will receive a personalized engraved badge for their efforts

Nominations for this event have to be in to the National office by October 31 each year with the actual event to be shot in November or December.

Each team comprises 5 Women club members registered with the ACTA. Where clubs have insufficient Women members to field a team, a maximum of 2 women from a neighbouring Club can combine to form a team entry. The most ever entered is 7 and that was in 2006.

Thank you to the teams that did nominate for the 2008 competition and we look forward to receiving even more entries for 2009.

Good shooting!

Michael Diamond 2008 – A Review

Even though Michael Diamond started 2008 as World Champion after his world record breaking 148/150 at Nicosia Cyprus late in 2007, it was a relatively slow start to the year for him. He started 2008 with two second placings and a third at the ISSF Nationals in the heat and wind of Perth.

The next event for Michael should have been the pre Olympic World Cup in Beijing; however he unfortunately missed the only two available flights to the Chinese capital (one due to a protest at the Chinese Embassy and one due to a

road accident on the Newcastle Freeway).

When asked about the new green flash targets used during qualifying at the pre Olympic World Cup, Michael said, "I always say if it is round and it flies I will shoot it. It is not going to be a problem, we have seen every kind of target over the years, and as long as they break it is OK for me. We are all going to shoot at the same targets at the Olympics aren't we?"

The next stop on the calendar for Michael, was the second World Cup of the year in May at Kerrville Texas USA. This time Michael arrived several days earlier and went on to easily win this event as the competition succumbed to the pressure in the final, where Michael equaled his own world record score of 148/150 again demonstrating the formidable combination of Diamond, Perazzi (Italy) and Fiocchi (Italy). (Some of you may recall that Michael shot a 149/150 to win the Olympic Gold Medal at Atlanta in 1996 – this does not count as a world record as the Olympic Games are not an Open event).

Michael prefers to arrive at each event just in time to acclimatize and practice, then compete and head home as soon as possible. He rarely goes sightseeing or anything like that, preferring to focus solely on the event.

In July Michael headed to Suhl in Germany for a final shoot out before a short break in preparation for the Olympic Games. He once again won this event with a brilliant score of 147/150, but showing that he is his own task master commented, "If only I had shot one more target in qualifying I could have equaled the world record". No wonder he has collected 17 World Cup Titles as well as 4 World Championships and two Olympic Gold Medals.

With August came the Beijing Olympics and all the hype about the weather and air quality. Michael put these distractions behind him and made the final of this hotly contested event,unfortunately the thrilling final was not broadcast in Australia and most of us resorted to scanning radios and the internet to find out what was happening during the final, Unfortunately Michael missed his last target. "I knew where it was going and just jumped over it" he said later. He was then forced into a shoot off for the Bronze which he missed out on to Athens Gold Medalist Alexi Alipov.

Final event for Michael for 2008 was the World Cup Final, the invitation only finale to the World Cup Season, which was held in September, Minsk, Belaruse. In freezing conditions and wearing every stitch of clothing that he had with him Michael hung on in the final until the last target, taking the silver Medal behind lifelong foe Giovanni Pellielo.

While many of us would dream of achieving two World Cup Gold Medals, a World Cup Final Silver Medal, fourth place at the Olympic Games, two silver and a bronze medals at the Nationals in one year, for Michael it is was less than perfection and he is determined to do better in 2009.

You can keep track of Michael and the whole Australian Shooting Team via www.issf.tv includes up to the minute results and finals shown live.

"COME & TRY DAY" Moree CTC

Saturday 1st November

Location: On the New South Wales and Queensland border

Once again the come and try day was a success. Many community members and the Golden Grain Cotton Festival Princess entrants attended the club grounds to try out clay target shooting. All were shown a video outlining the safety aspects of the sport, and were then taken out to a trap for a more practical session. Each person was given instruction in safe handling of a shot gun and the correct way to mount the gun to the shoulder and point in the general direction of an expected target. It was then that each participant had a shot at their first targets. On the whole most shooters got at least one target broken, whilst others were natural shots, hardly missing.

Paul Tattam took most attendees throughout the day to the traps and was supported by many regular club members. Every one who had a go took away a positive attitude to this part of the shooting game.

Many commented that they had enjoyed the experience and would consider joining the club in the future.

Once again the Princesses were most welcome participants. All the girls that took part took away a positive outlook, saying that the experience was generally a lot better than they were expecting and had enjoyed the chance to try something completely different. Club members commented that once again the young ladies were a pleasure to have had visit the club.

Wangaratta Clay Target Club Xmas shoot attracts large crowd

Location: In Victoria and lies 235 kilometres north east of the capital city of Melbourne and 647km south of Sydney, New South Wales

Jenny Jackel receiving gift from Rob. Steel

The Wangaratta Clay Target Club held its annual Xmas shoot on Sat. 20 December and attracted a huge following of 88 shooters who had the opportunity to take home a ham or turkey as trophies on a superb warm and windless day at the clubs North Wangaratta grounds. Getting the approximate 17 squads through 5 events was a bit of a challenge for the efficient office staff and ground volunteers, not to forget the sterling effort of the young ladies in the canteen who once again provided plenty of food and cold drinks to all present. The day finished off with a bar-b-q and drinks which gave everyone there a chance to socialise and chat about the days events and their own successes. Event 1, a

Sheddon and 2nd by Christian McGauran.

Event 2 was a 15 tgt. double barrel H/Cap and was ably won by Mick. Illickson, 2nd place by Christian McGauran 3rd by Brian Joy, 4th place by Sam Pulvirenti and 5th by Geoff Peacock. It was also satisfying to see local shooter Michelle Rawlings and others blast away a coloured target to win a bottle of plonk

Event 3 a 15 tgt. Points Score in AA grade was won by two much recognised champions of the sport, 1st Tim Peacock and 2nd place by Steve Atkins,1st place in A grade was won by David Wilson and 2nd in A by D. Sutherland, local young competitor Jamie Norton shot well again to win 1st in B grade and 2nd place by Graeme Coyle who is another very consistent great shot, C grade was taken out by Rob Johnson and 2nd by avid lady shooter and excellent shot gunner Wendy Parker.

A pair of handsome retriever pups enjoy the day

Wendy Parker

Event 4 a 15 tgt. double barrel C/Ship shot off 18 metres was won by AA grade Steve Atkins and 2nd by Tim Peacock (a reversal of results in the 3rd event), A grade was won by B Morris and 2nd in A by Laurie Fitzpatrick, I am not sure what choke Laurie uses in his gun but the targets converted into a satisfying puff of smoke when he shot them. B grade was taken out by Matt. Elford and 2nd in B by Jamie Norton, Jamie and his family will be eating turkeys and hams for the next six months! C grade was won by M Sheddon and 2nd in C by Tony Ruyolo, shared with A Reginato.

The last event for the day was a 10 pair novelty skeet doubles shoot which was taken out in AA grade by Daryl Hunt and 2nd in AA by David Jackel, if Daryl continues his success in skeet the way that he has been shooting them lately he may become a convert even if he jokingly thinks he is too young for this very demanding discipline! A grade was won by Wendy Parker's son Jaidon who normally shoots Down The Line and 2nd in A by Tony Penny, B grade was won by Laurie Weston and 2nd in B by Trevor Bussell shared with Bryce Robinson, C grade was taken out by promising skeet enthusiast Brett Morrison (proof for Daryl that young people shoot skeet also) and 2nd place in C by Warren White. Barry Duncan Memorial at West Wyalong CTC

Location: Right on the crossroads of the Newell and Mid Western Highways, close to the centre of NSW

There were plenty of blokes who must have been tired of the missus and kids and were keen for some noisy male bonding at West Wyalong Clay Targets Club's Barry Duncan Memorial Hangover shoot on Boxing Day.

Despite tales of stuffed turkeys, legs of ham and plenty of Christmas refreshments there was only a couple of shooters who flinched when the first shots were fired in the 10 Target Eye Opener.

Although quite hot, it turned out to be a great day and Georgina Duncan supported by her sons, Bradley and Michael were at the shoot.

No doubt the highlight, of the day was the shoot off to decide the overall winner between popular Yass shooter, Matty Patmore and local shooter, Graham Duncan, Barry's cousin.

Graham on winning the hotly contested shoot off said "we were like brothers," and was obviously elated at his great effort.

The main event for the day was a medley comprising 25 Targets Double Barrel, 25 Targets Single Barrel, 25 Targets Points Score and 25 Targets from Handicap marks.

Shooters were keeping a close eye on the scoreboard as the progressive scores went up and it became obvious that Graham Duncan was only one point down in the Points Score and when Matty Patmore shot a remarkable 25/25 from 25 metres in the Handicap to tie the score it was "game on".

Kelvin Maxwell, Club President, in making the presentations

thanked everyone for their attendance and pointed out that Barry Duncan had been an inaugural member of the West Wyalong Clay Target Club and had always attended the Hangover shoot.

Georgina made the presentation to Graham Duncan for his overall win shooting a total score of 175/180. Graham was also High Gun on the day shooting 157/160.

The winner in AA Grade was Matty Patmore 173/180 with Griffith shooter Luke Kirby second 142/150. Picolo Fyfe, who shoots very

consistently won A grade146/150 from the hard working Wayne Ambrose. Dave Ackland, a visitor from Warrnambool in Victoria В 140/150 from Doug Murray 139/150. Andrew Connellan capped off a fine first year in clay shooting winning C grade 134/150 from Narelle Ambrose. Narelle not only struck it to the blokes in shooting she did a great job in the canteen thank you Narelle.

INAUGURAL CABOOLTURE IRON MAN

Location: 45 minutes north of Brisbane's CBD

Fifty-nine shooters formed 12 squads to participate in the first ever Caboolture Clay Target Iron Man Competition held on Sunday 30th November at the Caboolture Clay Target Club at Uhlman Rd Burpengary. Participants travelled from the Sunshine Coast, Gold Coast, and Toowoomba to make this a very well attended event.

This unique event required all shooters to shoot 50 targets in each of the 3 clay target shooting disciplines of Skeet, Down the line and Sporting 5 stand.

This 'fun day' was a light hearted event where all participants could enjoy laughing at themselves and each other as they showed that while we were pretty good at one discipline there was plenty of room for improvement in other. There was certainly plenty of laughter around the traps throughout the day.

Hot conditions and occasional gusty wind added to a very testing set of targets on the sporting field which resulted in a wide range of scores being recorded and some new swear words being invented.

A great lunch was provided and the whole event ran smoothly thanks to the organisation and presence of the clubs committee members.

The event was scored using the Lewis system which divided the shooters into 4 divisions and the results were as follows:

Division 4 2nd Clinton Helwig, 1st Andy Sawers, Division 3 2nd Steve Clarke 1st Daryl Helwig, Division 2 2nd Allan Mills, 1st Peter

Shuttleworth, Division 1 2nd Matthew Rhue, 1st Kerrod Kay.

The overall winner for the day who shot remarkably well across all 3 disciplines was Paul Adams who shot a very impressive 135 from 150 to take the event.

The 2009 Iron Man competition is scheduled for the last Sunday of November so please try and come along for next years event which promises to be just as entertaining.

Michael McNabb

trained at the Silverdale Rifle Range.

Junior Olympic Trap Champion

At 12 years of age most boys are kicking footballs or riding bikes but one Sydneysider was already on the local rifle range honing his skills as a top marksman.

Fast forward five years and 17-year-old Michael McNabb is now the Junior Olympic Trap Champion shooter after representing Australia in clay target at the Australian Youth Olympic Festival (AYOF) in January 2009.

His winning results: Trap - Men (Round 2 - 50

Targets) 1st (113) and Trap - Men (Final) 1st (113+19 = 132). Michael was introduced to shooting by his father who regularly

"Dad was a really keen rifle shooter," he said. "I went along with him to Silverdale Rifle Range and saw the clay target shooting. I was excited by the moving target aspect."

Michael immediately began training and competing in the sport.

"Holding a gun as a 12-year-old didn't scare me," he said. "I was used to being around guns because my Dad was involved in the sport. I was also drilled about the safety requirements."

"My first competition was at the Silverdale Rifle Range where I competed in the Five Standard Shooting Competition.

"Using a borrowed gun, shooting jacket and ammunition with a tea towel taped to my shoulder to lessen the recoil (kick), I won the junior competition," Michael said.

Michael has since been selected for state and national teams and prior to the AYOF won a bronze medal at Commonwealth Youth Games in India. "I went to the Commonwealth Youth Games in Pune and was over the moon to win a bronze medal."

Michael was one of ten young Aussie shooters selected to wear the green and gold in the sport of shooting at the AYOF.

AYOF athletes get to compete at the Sydney Olympic venues where their role models won 58 medals in 2000 and finished fourth on the overall medal tally.

Speaking prior to the event he said "I am really happy to be selected for the AYOF, this is one of my goals and I can now tick this off the list. The goal there is to win a medal."

He identified other Australian shooters and New Zealand as his main rivals. For Michael though, it's not just about the sport, but about the Festival experience as a whole.

"It's great," he said. "I went to India for the Commonwealth Youth

games in October (last year) as well. You meet a lot of new people, it's great fun".

"Long term I hope to make the Commonwealth Games team and then the Olympics."

1550 athletes from 23 countries contested 17 sports at the AYOF. Some of these athletes will go on to the first ever Youth Olympic Games staged by the IOC in Singapore in 2010, others will take the next step to the London Olympics in 2012, others will experience the thrill of a lifetime.

HISTORY OF THE AYOF

The Australian Youth Olympic Festival (AYOF) was initiated by the Australian Olympic Committee (AOC) following the success of the Sydney 2000 Olympic Games. The Festival was first held in Sydney in January 2001, and has been held bi-annually ever since.

Every Festival has grown from the previous in terms of athletes, sports and competing nations. Where possible the Olympic venues from 2000 are utilised.

Like the Olympic Games athletes live in villages, undergo drug testing and there is an Opening Ceremony which features an athletes' parade, raising of the Olympic flag and lighting of the Festival flame

The AOC is contributed \$4.6 million in funding the 2009 AYOF, up from \$3.3 million in 2007.

The AYOF's mission is to discover future Olympic Champions, provide them with an environment reminiscent of an Olympic Games and promote the Olympic ideals of fair play, honesty and pride in your country.

A staggering 76 athletes from the AYOF alumni represented Australia at the 2008 Olympic Games in Beijing. Between them they won 23 medals, 5 gold, 7 silver and 11 bronze and if they were a country, would have finished 15th on the medal tally.

Matthew Mitcham, Anna Meares, Sally McLellan, Jared Tallent, Emma Snowsill, Eamon Sullivan, Cate Campbell, Melissa Wu and Jessicah Schipper have all competed at a past Festival.

It is anticipated many athletes from the 2009 Festival will go on and wear the green and gold at the London 2012 Olympics and beyond. In addition the Australian Youth Olympic Festival provides a great opportunity for spectators to 'See tomorrow's Olympians today.

BALL TRAP SHOT AT ECHUCA

Location: on the Murray River which forms the border between Victoria and New South Wales

A 25 target Ball Trap Championship was one of the four events on the program at Echuca Clay Target Club's January 2009 shoot, a program good enough to attract seven squads of competitors, which was very pleasing for the committee, especially being in a holiday period. The weather could not have been better for the event, 33 degrees, calm, and a clear blue sky, certainly a recipe for some very good scores throughout the day.

The first event was the Ball Trap and the unpredictable fast targets were too good for any shooter to shoot the lot, but a group of competitors lined up for a shoot off all one target down, all boasting a 24/25 score. Club member Steve Traill only had to survive fourteen targets to clear the field and take the Overall Winners Sash and 1st in A grade on a score of 38/39. Another club member Stephen Atkins was the 2nd last shooter left dropping his 38th target to give him 1st in AA grade on a 37/39.

A 20 target Points Score graded trophy competition was Event Two, and S Atkins did not let any get away this time taking out 1st in AA grade with a full score of 60/60, Echuca member Warrick Kelvy lost one point, but that was still good enough to give him 1st in A grade with his 59/60 score, W Preston, a Werribee shooter, shot a very good score for a B grade competitor, hitting all targets with his first barrel to achieve a possible 60/60 score, taking out 1st in B grade, and possibly on the rise through the grades very shortly! A Corowa shooter, E Brindley, shot a 54/60 score, and that was good enough to give him 1st in C grade.

John Berryman, a Mathoura club member, shooting off the seventeen

John Berryman Hcp 1st

meter mark, was the man no one could beat in event three, a 20 target Handicap, John held off Warrick Kelvy in the shoot off until Warrick dropped his 43rd target, John made sure of his, and that gave him the first place trophy for his 43/43 score. John will now shoot off the 18 metre mark in Handicap, thanks to his excellent performance.

An extended shoot off transpired in the last event, a 20 target Double Barrel Championship, and S Atkins ended up leader of the group, taking out the Overall Winner Sash and 1st in AA grade with a score of 120/120, Craig Fitzgerald another Echuca member dropped his 120th target which gave him 2nd in AA grade. Warrick Kelvy who for the last few months has had a run of outs, has obviously hit his good form again, dropping out in this event, but only after

Steve Traill OA Ball Trap

missing his 105th target, which gave him once again, 1st in A grade, well shot Warrick!

Full results for the shoot are as follows.

Event One 25 target Ball Trap Championship, OA & 1st in A grade S Traill 38/39, 2nd in A T Walls 27/30, 1st in AA S Atkins 37/39, 2nd in AA C Fitzgerald 27/29, 1st in B W Kelvy 28/30, 2nd in B R Traill 24/26, 1st in C P Falkinder 27/29, 2nd in C M Preston 23/25.

Event Two 20 target Points Score, AA 1st S Atkins 60/60, AA 2nd C Fitzgerald 59/60, A 1st W Kelvy 59/60, A 2nd James Peatling 58/60, B 1st W Preston 60/60, B 2nd J Berryman 59/60, C 1st E Brindley 54/60, C 2nd T Beams 50/60.

Event Three 20 target Handicap 1st J Berryman 43/43, 2nd W Kelvy 42/43, 3rd G Walls 23/24.

Event Four 20 target Double Barrel Championship OA & AA 1st S Atkins 120/120, AA 2nd C Fitzgerald 119/120, A 1st W Kelvy 104/105, A 2nd R Traill 57/58, B 1st C Thompson 29/30, B 2nd J Berryman 25/26, C 1st M Preston 19/20, C 2nd E Brindley 25/27.

Yarra Valley Olympic Trap Classic

On the weekend of January 10th and 11th 2009, Melbourne Gun Club hosted the Yarra Valley Olympic Trap Classic, which was proudly sponsored by Atech Electric (Wes Asmar) and Lokaway Safes (Brett Dunstan) and was shot in fine and sunny conditions.

The event was 200 Targets Olympic Trap with 100 Tgts shot each day. 8 squads had entered the event ensuring some tough competition over the 2 days. The event was privileged to have 2 very special international guests shoot the event in 1992 Olympic gold Medallist from China Shan Barnes (nee Zhang) and 2002 and 2006 Commonwealth Games Gold Medallist from Great Britain Charlotte Kerwood.

Day One and the man who made his intention clear right from the start was Russell Mark after having a break from Olympic Trap for the last couple of years came out like the Russell of old to record a 95/100 and be overnight leader by 1 target from Nino Pedulla. A number of other shooters were in the hunt on 92 and 91.

In the ladies Catherine Skinner had shot fantastic 4 rounds to be right up there and giving most of the men a hurry up on 91/100 which included a fine round of 25 amongst it. Right on her heels though was 2008 Olympian Stacy Roiall with Charlotte Kerwood, Stef Tigani and Anna Shedrina not too far behind.

The Junior event saw Nick Kirley shooting some solid rounds to gain a reasonable lead over Milad Nasr from Sydney but Milad had a look of determination to make up some ground on Nick on day 2.

Day Two and Russell had kept up his good form from the previous day coming in with a 94 to put him outright leader by 4 targets over Craig Henwood on 185. Nick Kirley and Nino Pedulla were next to enter the final on 182 and a shoot off between 3 shooters for

Englands Charlotte Kerwood with her #1 fan Melbourne Gun Club committee member Jim Hutchinson

the last 2 spots between Danny DiPietro, Nidal Asmar and Milad Nasr on 181 saw Danny and Nidal rounding off the Final.

A round of 22 in the final was more then enough for Russell to win the Overall prize of \$500 cash.

In the ladies event Stacy Roiall had shot a good 2nd day to lead into the final on 179/200. Catherine Skinner was next into the final on 176, Charlotte Kerwood 175, Stef Tigani on 171, Anna Shedrina 169 and Lauryn Mark making the transition from

ISSF Skeet to Trap recording a 167 to qualify for the final, just nudging out Simone Tigani in a shot off for the last spot by the smallest of pieces.

A fantastic final from Catherine Skinner saw her catch and overtake Stacy Roiall to be the winner of the ladies event with 196/225. Stacy managed to hold on for 2nd place with 193/200

The junior prize was won by Nick Kirley on

Location: Midway between Melbourne and Adelaide in the South East of South Australia

The Mount Gambier Gun Club held their Annual 2 day Supershoot over the 10-11th January. Prizes totaling over \$10,000.00 were presented to the winners. Competition was very fierce as the top shooters came from Victoria, NSW, Northern Territory & SA.

Each event was shot with top marksmanship resulting in shoot offs in all grades. Perfect scores were shot in a lot of the events, with the shoot offs using considerable high amounts of targets.

In the Earmold Medley, Gavin Height shot a perfect 75/75 winning his A grade & Andrew Aldersley C 25/25.

The Corsivia GB Points Score was hotly contested with Chris Jorgensen winning AA grade with a score of 131/132 after a shoot off from Max Medhurst 129/132.

Brittany Sinclair a Junior won A grade after a shoot off, a top score 99/102 against W Lindner 98/102.

Trapshooting Champions - Past and Present

The first of the "greats" was Donald Mackintosh, he was born in Rockbank, near Melbourne in 1866 and learnt to shoot at a very young age. By the time that he was six years old he was regularly shooting game with a muzzle loader and black powder.

He wasn't a very big lad and struggled with the gun but he persevered and became an exceptional wing shot by his early teenage years. He commenced trapshooting at 16 years of age at Bacchus Marsh and enjoyed success virtually from the start.

He developed his trapshooting skills and joined the Melbourne gun club at 23 years of age, it only took him six months to reach the maximum 30 yard handicap and from that time on he never shot from a handicap of less.

By 1890 he was dominating trapshooting at Melbourne and travelled extensively throughout Australia to participate in the major shoots of the day. He practiced extensively and generally participated in live bird shoots at least 3 days a week.

Although trapshooting now dominated his life he still loved hunting and spent as much time as possible shooting game, particularly quail, snipe and duck.

In 1896, he decided that he would travel to Europe to participate in the major trap shoots and to test himself against the best shots in the world. He met with a lot of success and ended up staying there for more than a year.

Donald returned home in 1897 and got married. However he had got a taste of the excitement that was in trapshooting in Europe, so he decided to return to Europe in 1900 and then competed and lived there for the next 9 years.

During this period he travelled extensively and competed in all the major trap shoots of the time. The events were held in Paris, London, Monte Carlo, Florence, Milan, Genoa, Rome, Venice, Turin, Naples, Brussels, Ostend, Aix les bains, Spa, Namur, Lyons, Vichy, Bordeaux, Madrid, Vienna, Budapest, Moscow and St Petersburg.

The grandest of all the venues was Monte Carlo, where the shooters were attended by up to 40 staff and prize money would regularly exceed \$1,000 or \$100,000 in today's terms. The betting at these shoots was huge with bets often exceeding \$1000.

Donald was very successful and won many of the major championships of the time. His list of wins includes major championships won in England, France, Italy, Belgium, Monte Carlo and Spain. He attended the 1900 Paris Olympics and won the trapshooting event, he was posthumously awarded an Olympic gold

By 1903, he was the undisputed world champion, a position he maintained until he retired from international competition in 1908.

He was now 42 years old and he wanted to go back to Australia, he left Europe in September 1908 and returned home.

He had been preparing himself for life after shooting for some time and had spent a lot of time learning all the necessary skills to enable him to establish a business importing and dealing in guns.

So when he arrived back in Australia he established a gun shop in Melbourne. He dealt in all types of firearms but had a real passion for guns made by Purdy, Greener, Cashmore and Boswell. His favourite gun was a James Purdy hammer gun.

Although he continued to compete in trapshooting events over the next 40 years, he spent most of his time on his business and promoting the sport.

He was one of the first trap shooters in Australia to recognise the potential of clay targets and is believed to be the first person in

Australia to achieve a 100 break on clays; he did this in an exhibition shoot in Rockbank in 1928 and was awarded a gold medal in recognition.

In the early 1930's in conjunction with "Calrossie" Horrie James and others he founded the ACPTSA which was to become the ACTA. In recognition of his unique contribution to our sport he was appointed patron of the ACTA, he held this position from 1936 to 1951.

He maintained a passion for international competition and was responsible for establishing what we now know as the "Mackintosh" event. He donated a trophy for the event and worked tirelessly to ensure its success.

Throughout his later years he maintained a close association with the sport and advised

Donald Mackintosh from CTSN Oct 88

the association on many occasions. He was well known and respected by everyone associated with the sport.

Donald Mackintosh died in September 1951 at Essendon; he was 84 years of age.
