NATIONAL PRESIDENT'S NOTES

John Mack

The ACTA National Executive continues to work on behalf of the membership with negotiations currently underway to increase the number of benefits to affiliated Clubs and shooter's, this includes the level of insurance coverage available through our insurers as well as a revised program for National Championships.

A five year plan is being developed for the National ground to ensure we have a world class facility to conduct the National Championships and potentially World Championship events.

The CTSN as we know it is under review, with submissions due this month on changes to the format of the magazine. We are also continuing to work with our sponsors to secure Medium & Long term relationships which will give us the security to implement some new development initiatives in the future.

On behalf of the Board and the members of the ACTA congratulations to the National Skeet team selected to represent Australia and the ACTA at Doveridge in England. Congratulation to: Eddy and Robert Elder, Mike Voke, Laurie Chelepy, Lorraine and Nigel Hughes, Benn Baker, Jackie Durham, Mal Briggs, Neal Dimmick, Laurie Sceresini, Margaret Denton, Hayden Mountjoy & Blake Slater. We hope you enjoy the experience.

I am sure all members will represent the Association with pride & distinction. We also have a National Skeet team travelling to New Zealand in November for the Glenn Trophy matches, this being a traditional rivalry common between our two nations. There will be more information on this team prior to their departure.

The National Trap Team will travel New Zealand in February for the Glenn Cup whilst we will also be represented at the World Down the Line Championships in South Africa in March 2010. The picturesque Valley Gun Club, Capetown South Africa is the venue with souvenirs already available on the South African Clay Target website. It is a very busy time for representative teams in the next eight months and we wish them all the best in these events. There are numerous State titles in each State coming up, we wish the States and the shooters the best of weather and luck for their events.

From the Executive Officer - Tony Turner

There has been a great deal of activity on the administration front over the past month. We have been busy with meetings with our insurers and also in planning promotions and awareness campaigns for the future as well as working on the implementation of the strategies set by the National executive at the meeting in June.

We have been invited to contribute to the Beretta Girl Action day as we have in the past and will attend the promotion on the 4th of October at the Melbourne Gun Club. We will unveil our new promotional material and assist Beretta in promoting the sport of Clay Target Shooting.

This edition contains the first of the Sub Committee reports from the National Executive. There will be a series of these reports to inform members of the direction the Association is taking. We are currently preparing a submission to host the Skeet World Championships in 2012. We are confident after the successful running of the 2007 World DTL Championships the Skeet Championships would also prove to be a winner for our sport.

The Bendigo CTC is conducting the National Sporting Clays Championships on the 8th of August with a large crowd expected to attend the picturesque ground and premier tourist region for the event. Further down the Road on the Great Ocean Road the Warrnambool Club will host the Commonwealth titles in September. Make sure you get your entries in to these events and support your sport as well as visiting some of the great sights along the southern coast line.

Following a revision of our Insurance with our insurer (and Sponsor) Pollards in relation to the number of members who have joined after the required date of the 1st of January in any Year. It is also a requirement under our constitution that members have until that date to join or become unfinancial which means they cannot be afforded membership status.

The advice below was received from our insurers regarding membership & Insurance:

Australian Clay Target Association Inc, provides state associations, executive, district associations, individual members, clubs, voluntary workers and authorised visitors with ten million (\$10,000,000) dollar Public Liability Insurance Coverage. The policy covers members against injury to individuals and coverage to third parties for property damage arising out of Clay Target Shooting. Cover provided under the ACTA policy is provided to all registered and fully paid up

members of the ACTA or visitor (Temporary Members) whilst shooting on an approved and registered club/association/ venue or taking part in an approved club activity or sanctioned event.

The ACTA Public Liability also covers clubs conducting clay target shooting and/or activities on venue and away from the registered club venue.

Any activity away from the registered club venue must be conducted to ACTA regulations and Safety rules and the club should undertake a Risk Analysis of the venue and activity. The club must advise ACTA of the activity/events and the venue arrangements so this information can be kept on

file and noted with the insurers to ensure nothing falls through the cracks.

The policy does not cover members if they are shooting on a venue not recognised by the ACTA or club as an approved venue or engaged in an activity not approved by the club or the Association.

To ensure compliance and coverage by the Public Liability Policy **clubs must ensure all Shooters' shooting or undertaking any activities on or on behalf of the Insured or on their venue are current registered & paid up members of ACTA or a Temporary member.**

Finance Chairman's Letter to Members

At our recent executive meeting held 26-28 June 2009, the finance committee put forward a number of recommendations to the Full Executive in relation to the financial position and requirements of the Association.

To date we have spent considerable amounts of money on the National grounds although much is not really visible as we have replaced the trap houses and the concrete tracks & pads to the trap and skeet fields, with the addition of four new trap layouts to the western end of the grounds. As stated previously, these improvements do not jump out at us as the old structures were in place. We have laid bitumen to the entrance road and the loop around the camping area. This has helped reduce dust from vehicles traffic.

Our next major expenditure is the power upgrade of \$160,000.00 and again this will not be visible but is extremely necessary if we are to develop our grounds. Currently we are at our limit, when holding our trap carnival and could see some layouts with the loss of power. Another substantial cost is the \$100,000.00 deposit to the Wagga Wagga City Council for the ground purchase. We have to meet the survey cost and fence the new boundary as part of the agreement, as well as make annual repayments and pay the rates. The committee has also approved the construction of a children's play area and the building of a BBQ for all shooters to use.

On other matters financial I would urge clubs to advise members that annual membership fees can be paid from the first of November 2009 and that all membership subscriptions must be paid before the end of January 2010.

This is very important as our insurance cover is not valid if we are not financial. This applies to all shooters. This could have major ramifications to those involved particularly the club officials should an accident occur. I would urge all shooters to pay their membership fees on time so that we all have insurance and enjoy our sport.

Insurance cover is a large component of the benefits offered to shooters through your membership. This included, Public Liability, cover for volunteers, Directors and Officers Insurance, Personal Accident Insurance, Loss of Income, Travel insurance for National teams etc. A full and detailed brochure is being arranged for distribution when the renewal of Insurance is due.

The National Executive approved the annual subscriptions to rise from \$90.00 to \$110.00 per full member with the percentage increase to be passed on to all other categories of membership.

This increase is to catch up with the general increases in the last five years and to provide all of the benefits detailed above for the benefit of all shooters.

2009 Skeet Nationals

A total of 168 shooters from all around Australia and New Zealand came to the National Shooting Ground in Wagga during the third week of May to renew old friendships and enjoy the annual National Skeet Carnival. The Skeet Carnival has traditionally been held at the end of November to obtain the advantages that daylight saving, warmer weather and almost fourteen hours of "shootable" light allows. This usually ensures daily shoot-off completions and often allows additional social activities such as outside BBQs and novelty events to be conducted while the office prepares presentations.

However it was felt that the trade-off of moving to May to join the National Sporting Clays Tournament might not only increase entrant numbers but that some shooters may prefer the cooler weather. Unfortunately after only one year together, the Sporting Clays event has moved away to other times and venues and a return to November for our Skeet Carnival seems unlikely as New Zealand immediately moved their National Skeet Championships to fill the hole we left in the shooting calendar.

Fortunately, all the changes made to daily procedures this year, necessitated by the shorter days, were well received by the shooters and the shoot ran smoothly, happily and on time all week. Earlier starting times, fixed squadding and rolling wave rotation all ensured both punctual starts and smoother squad changeovers. On Handicap day, where one third of the field usually makes the shoot-off, another innovation was borrowed from the World Skeet Shoot. The practice ground was converted to a Shoot-off venue and every shooter that qualified within their handicap allowance proceeded directly there, was squadded upon arrival and either completed their first shoot-off round or was eliminated.

Although almost a whole week of variable windy weather does not provide the most pleasant shooting conditions, it was probably a blessing in disguise as it ensured completion of each event on the scheduled day. Apart from the Handicap, of the other seven events contested, only one produced multiple possibilities, due to a somewhat calmer day and thus a short but entertaining shoot-off. Of the other six events, three were won outright with the only possibilities and the other three were won outright without needing a perfect score.

However if we continue to conduct the Carnival in May where we only have about ten hours of usable daylight, eventually a combination of favourable weather and good attendance will make the finalisation of shoot-offs in daylight extremely difficult and

International Team High Gun winner Nigel Hughes with Ron Traill

require us to follow the example of the Trap Nationals and finish up at night under lights. Therefore, prior to next years Skeet Carnival we hope to have several grounds with adequate lighting available.

The departure of the Sporting Clays event allowed us to resume the Pre-National Small Gauge events that were so well received in past years. This year we conducted the two events on Sunday 17 May.

ACTA 28 GAUGE SKEET CHAMPIONSHIP

A total of 62 competitors lined up to shoot this delightful little gun and at the end of qualifying, one of our keenest exponents of small gauge shooting, Peter Vella of the Bathurst Gun Club, was the very happy winner with the only perfect 50/50. Several 49s then proceeded to shoot for the runner-up spot and determine the minor placings. A large crowd of spectators enjoyed a very entertaining shoot-off that changed from singles to doubles mid round by mutual agreement and was eventually won with some great shooting by Julian Lucchitti.

Grade placings: AA Grade 1st Julian Lucchitti NSWGC 75/76; 2nd Clarke Pirie NZ 74/76; A Grade 1st "Locky" Irons Melbourne 49/50; 2nd Max Oakley FAGC 54/56; B Grade 1st Mike Corbett Werribee 49/50; 2nd Terry Marsden Geraldton 48/50; C Grade 1st George Pinner Burnie 44/50; 2nd Peter Iley Collie 37/50.

ACTA 410 BORE SKEET CHAMPIONSHIP

After 61 shooters had finished qualifying with the extremely daunting but much loved "Idiot Stick", it was one of the absolute stalwarts of small gauge shooting in this country, Peter Vosper of Peel & Districts Gun Club in WA, who emerged victorious with the only 49/50. Several AA graders just missed putting Peter to the test by recording 48s and when they proceeded out to determine the

other placings, even the card players took a break and came out to enjoy the entertainment that this unpredictable little gun usually provides. Much to the delight of the spectators, the shoot-off again changed from singles to doubles mid round, with David Dundon eventually succumbing at a pair on station five.

Grade placings: AA Grade 1st Adrian Cousens Bairnsdale 68/70; 2nd David Dundon Gold Coast 66/70; A Grade 1st Nigel Hughes Caboolture 47/50; 2nd "Locky" Irons Melbourne 46/50; B Grade 1st Jeff Munro NZ 56/61; 2nd Sim-Hee Neoh SAGC 55/61; C Grade 1st Peter McWilliams Griffith 43/50; 2nd George Pinner Burnie 34/51.

3RD NATIONAL SKEET CHAMPION OF CHAMPIONS

Monday morning saw the start of the Main Events and the High Guns when 114 competitors lined up for the Champions of Champions. Unfortunately the manageable breezes encountered the previous day for the Small Gauge events stiffened considerably making the shooting conditions quite challenging. The nett result was that at the end of qualifying a very happy Thomas Dent from NSWGC found himself to be the overall winner with the only 100/100. A combined shoot-off of 99s later established Martin Perry as Runner up with 109/110.

Grade placings: AA Grade 1st Nick Aird Gold Coast 101/102; 2nd Dougal Simson Mount Gambier 99/102; 3rd Julian Lucchitti NSWGC 110/112; A Grade 1st Martin Perry WAGC 101/102; 2nd Bronte Evans International 100/102; 3rd Nigel Hughes Caboolture 97/100; B Grade 1st Bert Deacon Bega 95/100; 2nd Jeff Munro NZ 97/104, 3rd Matthew Prentice Wonthaggi 96/104; C Grade 1st David Douglas Newcastle 91/100; 2nd Anthony Annechini Newcastle 87/100; 3rd Andrew McManus Moree 86/100. Section winners: Juniors Blake Slater FAGC 103/106; Sub Juniors Eddy Elder Melbourne 97/100; Veterans Bert Deacon Bega 95/100; Womens Lorraine Hughes Caboolture 92/100.

11TH NATIONAL 20 GAUGE SKEET CHAMPIONSHIP

Tuesday provided more wind and quite tricky shooting conditions, somewhat similar to the previous day. So it was no surprise when, after 119 competitors finished qualifying for the 20 gauge event, a similar result was attained. Adrian Cousens from Bairnsdale found himself alone with the only perfect 100/100.

Another combined 99s shoot-off established Blake Slater as official runner up with a score

National Champion of Champions winner Thomas Dent

of 138/139. Interestingly our ACTA historian, Mark McInnes noted later that Adrian now joins the great Doug Smith as the only five time winners of any ACTA individual Trap or Skeet event (Doug won the Double Barrel five times) and then added that this feat is even more significant as Adrian has only entered the event five times.

Grade placings: AA Grade 1st Blake Slater FAGC 110/111; 2nd Lindsay Rogers NZ 109/111; 3rd David O'Sullivan Bairnsdale 103/105; A Grade 1st Wayne Petersen Cecil Park 99/100; 2nd "Locky" Irons Melbourne 98/100; 3rd John Doyle Top End 98/100; B Grade 1st Mike Corbett Werribee 100/104; 2nd Jeff Munro NZ 99/104; 3rd Justin Hayden Melbourne 95/100; C Grade 1st Geoff Bryant Roma 91/100; 2nd Luke Mason Toowoomba 90/102; 3rd Andrew Mc Manus Moree 89/102. Section winners: Juniors Blake Slater FAGC 99/100; Sub Juniors Luke Mason Toowoomba 89/100; Veterans John Doyle Top End 98/100; Womens Lorraine Hughes Caboolture 96/100.

OFFICIAL OPENING DAY

Wednesday morning started out with a change of agenda when the official photographer was held up. Thus the State Shoulder to Shoulder Teams Match was conducted first and then the team photos were taken. This proved to be such a popular and practical change that it is hoped to become the standard format in future years.

Following this the official opening ceremony was conducted. This included the march past of the State Teams and the speeches and awards by the various dignitaries in attendance, including the long serving local member, Kay Hull MP who worked so tirelessly with the ACTA on the National Ground project. After the Team results had been announced and the badges and awards were presented, the A&M Denton trophy for the best presented team was presented to NSW and the Wagga mayor, Mr Kerry Pascoe fired the opening shot, breaking the target on his first attempt and declared the Nationals officially open.

10TH NATIONAL SKEET HANDICAP

In theory a handicap event should give all contestants an equal chance of winning. This year's event was straight out of the text book and reads like a fairy tale. For a start the wind eased up and provided a fairly level playing field. From a total of 154 shooters, 56 appeared at the shoot-off arena. Of these, only 20 survived to enter the third round. At 100 only 9 remained. With the completion of the fifth round we were down to 4 and the last of the "scratch shooters" Nicky Aird, had finally succumbed at 114. During the sixth round it got very interesting. "Locky" Irons adjourned to the bar at 133, leaving just 3 shooters.

Now at this point Mike Voke from WA (A1 and 50/50) had been "on the wood" for several rounds, so he was very relieved when two targets later, Jeff Munro from New Zealand (B2 and 49/50) gave up his last "free one" and even more so three targets later when Corey Rutter from Melbourne (C5 and 48/50) decided to play fair and surrendered his last "get out of jail free card". Thus when they walked across to Station 6 it was anybody's game and you could almost feel the tension as all three shooters finished off the round without incident.

So when the 15 year old boy from Lang-warren, who had never seen a clay target

National Coaching Director's Report

On Friday the 26th of June I attended the ACTA Executive meeting at Wagga.

Here I met with the Executive Coaching Committee and Mr Nick Sullivan from AISL. As I mentioned in the July Clay Target News, both the ACTA and AISL need to work much closer together to achieve our joint goals. I believe that both the ACTA and AISL recognise the urgency of setting up a coaching pathway for our shooters, with special attention to up-and-coming junior shooters. We must not only encourage these shooters to be members of training camps etc, but we must also give them the chance of having a rewarding future within our sport. From the positive response at the meeting, I believe we are all trying to achieve the same result. At least we know where each of us stands. For the future of our sport in international competition, hard decisions have to be made. Work has to start as quickly as possible to set up a larger and stronger system, that is Australia wide and that will benefit our athletes wherever they reside.

I realise a lot of ACTA members have no interest in the ISSF side of our sport but even from what little exposure we receive from the Olympic and Commonwealth Games, Clay Target Shooting is recognised by most of the general public as a legitimate sport. We should not feel like hiding from the public because we own a firearm. I remember very clearly coming home from overseas or after winning at a major shoot and deliberately steering clear of publicity. Shooters were not the flavour of the month, due mainly to a couple of very unfortunate incidents involving firearms. The more we expose our sport to the public the stronger we will grow. Without question, unless we encourage new and junior shooters into our sport with varied

and greater opportunities, ACTA clay target shooting will be made up of older and older shooters. And then what happens???

The Executive has agreed to go ahead and print the "Introduction to Clay Target Shooting" booklet. This will be of great benefit to club coaches and new shooters. We hope to have this off the printing press in the next few months.

On the 10th, 11th and 12th of July, I went to the Warren Clay Target Club in the Western Zone of NSW and conducted a coaching clinic for junior shooters. We worked with the Far West Academy of Sport. This camp was very successful; we not only involved junior shooters and zone coaches, but also had the opportunity to work with Academy personnel and to use their excellent facilities. Junior shooters and all others involved in this camp left with a greater understanding of our sport. With the input and resources from the Far West Academy I know that the junior shooters in the Western Zone of NSW will grow stronger each year. We have a great opportunity to help junior shooters through working with these types of organisations. I know of clubs and zones that have been for many years, working with Sports Academy's with similar great success. There are a lot of opportunities out there that we need to find and use to help our sport grow.

In the next month we will have a coaching system that can be introduced to bring our existing and new coaches up to date. We need to ensure our coaching process not only satisfies our coaches and the ACTA, but also the Sports Commission.

COMMONWEALTH SKEET CHAMPIONSHIP

On Thursday morning the previous day's weather continued. Breezy but workable if you paid attention. From a field of 156 we obtained 4 possibles and by station 3 in the 2nd round of the shoot-off, Leigh Roberts from Bendigo had prevailed over Nigel Hughes from Caboolture to become the 2009 Commonwealth Skeet Champion with a score of 135/135.

Friday morning started out with the Australia versus New Zealand Postal Teams Match. The teams were selected from the previous two day's scores.

Open Team: Nigel Hughes, Gil Farish, Adrian Cousens, Nick Aird, Julian Lucchitti, Mike Voke, Leigh Roberts, Hayden Mountjoy, David Dundon, Craig O'Neil, Adrian Lucchitti and Paul Johnston. Team High Gun: Nigel Hughes 58/58

Veterans Team: John Guberina, Ray Wendt, Neil Dimmick, John Doyle, Frank Marcellino and Reg Petts. Team High Gun: Neil Dimmick 64/64.

All team scores are recorded and sent to the NZCTA who will announce the winners of the match after their teams have shot at their Nationals in November. Fortunately the wind did not really start to get up until this match was almost completed and therefore we have realistic chance of being successful this year.

40TH NATIONAL 12 GAUGE SKEET CHAMPIONSHIP

Following the completion of the Teams Match we moved straight into what must surely be the "Blue Riband" event of the week. This is the Big One! The one everyone would like to win. Unfortunately by the time we got the event under way the wind had returned with a vengeance and provided yet another "skinner". After all 156 nominations had finished qualifying, Martin Perry from the Western Australian Gun Club, claimed the National Skeet Championship with the only 99/100 on the scoreboard.

Yet another combined grades shoot-off had to be held to establish who was the official runner up so that valuable Hall of Fame points are not forfeited. It is hoped that before next year's Carnival the official placings format can be changed to Overall Winner and Overall Second before moving into grade placings. On this occasion Nigel Hughes finished runner up on 150/152.

Grade placings: AA Grade 1st Glen Walker Brisbane 108/110; 2nd Leigh Roberts Bendigo 107/110; 3rd Laurie Scerescini Toowoomba 98/101; A Grade 1st Nigel Hughes Caboolture 106/108; 2nd Benn Baker SAGC 105/108; 3rd Blue Freeman NZ 96/100; B Grade 1st Steve Vaccaro FAGC 98/102; 2nd David Pope Wangaratta 97/102; 3rd Anthony Davis Busselton 95/100; C Grade 1st Luke Mason Toowoomba 92/100; 2nd Corey Rutter FAGC 93/103; 3rd David Douglas Newcastle 92/103. Section winners: Juniors Blake Slater FAGC 97/100; Sub Juniors Luke Mason Toowoomba 92/100; Veterans Neal Dimmick Gold Coast 95/100; Ladies Margaret Denton Toowoomba 94/100.

23RD NATIONAL SKEET DOUBLES CHAMPIONSHIP

On the last day the wind did something no-one thought possible, it got worse! However the show must go on and most

National Skeet Doubles Champion Glenn Walker with Paul Johnson

shooters accepted their inevitable fate with dignity and it was heartening to hear competitors actually applauding whenever anyone managed to break a particularly difficult pair. Under these extremely trying conditions and after all 115 entrants had done their best, it was Glenn Walker from Brisbane who put in a superb performance to win the event outright with the only 95/100

Grade placings: AA Grade 1st Mal Briggs Melbourne 94/100; 2nd Clarke Pirie NZ 95/102; 3rd Blake Slater FAGC 94/102; A Grade 1st Benn Baker SAGC 92/100; 2nd Blue Freeman NZ 89/100; 3rd Bronte Evans International 88/100; B Grade 1st Matthew Prentice Wonthaggi 90/104; 2nd David Douglas Newcastle 89/104; 3rd Richard Mathers Wagga 88/104; C Grade 1st Daryl Moss FAGC 85/100; 2nd Geoff Bryant Roma 84/102; 3rd Corey Rutter FAGC 83/102. Section winners: Juniors Blake Slater FAGC 93/100; Sub Juniors Matthew Prentice Wonthaggi 86/100; Veterans Reg Petts Albury 88/104; Womens Tracey Ashton Brisbane 82/100.

After completion of the individual events it was time to tally up the team results.

5 MAN CLUB TEAMS

Conceived in 1983 at the first Skeet Nationals this event is always fiercely contested and is a matter of great club pride to be able to claim the title of Premier Skeet Club in the country. For many years Melbourne Gun Club had a hold on it like the New York Yacht Club and the America's Cup. Eventually several other clubs broke that hold but this year it has returned to Melbourne. The winning team members were Brendan Pearson 333/350, "Locky" Irons 314/350, Mal Briggs 337/350,

Five Man Club Team Winner Melbourne GC, Paul Johnson, Locky Irons, Mal Briggs, Fab Francione & Brendan Pearson

Fab Francione 327/350 and Paul Johnson 328/350 giving a combined total of 1639/1750.

2 MAN OPEN TEAMS

Again conceived in 1983 for the first Skeet Nationals, the idea for this event was borrowed from New Zealand where they had shot for a pair of silver plates for many years. Another fiercely contested event, the names inscribed on this trophy read like a who's who of Skeet Shooting and Australia's most accomplished Trap shooter even appears on it several times. This year a couple of dark horses slipped under the radar and stole it away from several of the more fancied teams. David O'Sullivan and Adrian Cousens claimed the event with a combined score of 662/700.

Two Man Open Team winners David O'Sullivan & Adrian Cousens

Two Lady Open Team winners Lorraine Hughes & Paulette Walker

2 LADY OPEN TEAMS

Queensland ladies appear on this trophy regularly and this year was no exception with Lorraine Hughes from Caboolture and Paulette Walker from Brisbane combining to produce a winning total of 607/700. The two ladies received the NSWCTA Perpetual Trophy and Gold ACTA Medals.

MIXED PAIRS OPEN TEAM

The C & J Burt Mixed Pair Perpetual Trophy and the ACTA Gold Medals were presented to the winning team for this event. They were the husband and wife team of Lorraine and Nigel Hughes of Caboolture in Queensland who managed a combined score of 650/700.

ALL AUSTRALIAN TEAM

The All-Australian Team was again selected over the High Gun and this year the team comprised of Adrian Cousens, Malcolm Briggs,

Nigel Hughes, Blake Slater, Glenn Walker, Brendan Pearson, Laurie Scresini, Peter Vella, David Dundon and Gil Farish.

OVERSEAS TEAMS

Teams were selected at this year's Nationals for overseas trips to the English Skeet World Championships in the UK in August and to New Zealand for the Glenn Trophy Match in November. Practicality does not always allow the highest qualifiers to participate in these trips, so details of these teams and their results will appear in later issues of the CTSN.

HIGH GUNS

Graded High Guns: AA Grade Malcolm Briggs Melbourne 531/550; A Grade Nigel Hughes Caboolture 531/550; B Grade Jeff Munro NZ 511/550 and C Grade David Douglas Newcastle 488/550.

Sub Junior High Gun: Eddy Elder, Melbourne Gun Club, 490/550.

Junior High Gun: Blake Slater, Frankston Australian GC 530/550.

Womens High Gun: Lorraine Hughes, Caboolture Clay Target Club 500/550.

Veteran High Gun: Ray Wendt, Peel & District Gun Club, 507/550.

OVERALL HIGH GUN

The Gold Australia Badge that accompanies the Overall High Gun is probably the most sought after prize in ACTA Skeet shooting. Adrian Cousens from Bairnsdale came out of a six year retirement and borrowed a gun to win an unprecedented eighth overall ACTA National High Gun with a score of 533/550. After updating the ACTA historical records,

Grade HG winners C grade David Douglas, B grade Jeff Munro, A grade Nigel Hughes & AA grade Mal Briggs

VET HG Ray Wendt, LAD HG Lorraine Hughes, JNR HG Blake Slater, Sub JNR HG Eddy Elder

Mark McInnes reported that by winning his 20th Silver Australia Badge, Adrian now moves into equal second place alongside Newton Thomas on the ACTA All Time winners list for Trap and Skeet. Newton has 19 Trap badges and 1 Skeet badge, Adrian has 18 Skeet badges and 2 Trap badges, but the outright leader is still Doug Smith with 21 Trap badges.

Minsk and San Marino ISSF World Cups

The ISSF National Shotgun team left for the Minsk World Cup in Belarus on June 1st, it was a long flight as usual.

Arrival, customs and visa issue went seamlessly upon arrival in Minsk, assisted by the organizing committee. As we travelled from the airport to the hotel we were all very impressed with how clean the place was.

The next day we were up early and ready to hit the range for our short term training camp, upon arrival we were amazed, it is one of the nicest ranges that we have ever been to with a beautiful back ground and a lovely indoor/outdoor restaurant. We headed for the practice range. We managed one round before Valeriy pulled us all off the range and broke the bad news to us that we had to move hotels; the organizing committee had misquoted the hotel price by almost a hundred Euros a room a night. We had 20 minutes to pack our bags. We arrived at hotel Orbita. Yes, this was not the Crown Plaza.

We hit the range again the next few days for practice, the weather was great with occasional rain in the afternoon. Then competition rolled round for Skeet, the weather had taken a turn and it was cold, very windy and raining. The conditions were tough; several shooters struggled to even get a shot at the high house on doubles as they needed to chase the low and the high had already plummeted into the ground. This was Keith's first world cup and he shot consistently. Both he and George shot well under the turbulent conditions.

Next team members to arrive were Russell Mark and Nick Kirley.

As Double Trap competition rolled around the weather was great. Russell wasn't looking very well. He opened with a 43, Nick right behind on 42, next Russell went out and shot a perfect round of 50. It was beautiful. But as the day went on Russell it became evident that he was not feeling well, which did not help in his last round. He was sick for the rest of the time in Minsk. So we sent him to San Marino, where

San Marino Team

he was sent to hospital and put into isolation away from the other shooters.

Trap was next, Stacy Roiall was close to the final with Suzy Balogh finishing 11th, a few of targets out of the final.

It ranged from 8 degrees and rain one hour to 28 degrees and sun the next. The locals say that the weather for 4 months of the year is known as "four seasons in one day."

Adam Vella and Michael Diamond shot competition in very difficult conditions. It was rainy and windy.

Michael Diamond shot 73 on the first day and 50 on the second day. After the final he finished 2nd and qualified for the ISSF World Cup Final which will be in Beijing at the end of October 2009.

The conditions were not too bad at the San Marino Skeet World Cup unlike the cold of Minsk. All shooters found that the shooting range in San Marino is not an easy range and it was expected that overall result would not be so high. In the final were two shooters with 118 targets.

Our skeet shooters couldn't perform well enough to reach the final with perhaps Keith Ferguson having the extra pressure of his first trip. The Skeet houses were interesting...

Adding to Russell's problems was the imminent death of his father and friend, Brian; arrangements were made to fly him home urgently but as we know the tyranny of the distance was against him being there with Brian during those final moments, however there is no doubt Brian would have been happy and proud his son was doing what they both loved.

Double Trap junior shooter Nick Kirley shot 136 targets with a last round of 44. He finished 15th and we know that in the not too distant future he will demonstrate that he is one to challenge.

Next turn was for the Trap shooters. Again the weather was not so good for shooting, especially on the second day of competition - windy, overcast and targets were not really correctly setup. They were fast on the first day and little bit slow on day two which is why the overall results were not so high in the trap men's event.

But of course it is not excuse, conditions were the same for all shooters.

Our trap girls had average results, Stacy Roiall 65 targets (16th place) and Suzy Balogh 64 targets (17th place), which was not good enough to be in the final with a chance to fight for the medals.

Adam Vella showed more self-confidence in shooting and as a result with his 116 targets he became 10th which augers well for the World Championship.

Michael Diamond again shot a good result of 121 targets (one more PQS, his 5th PQS since Olympic Games), but finished 5th after the final.

We look forward to the next challenge and thank the Australian Sports Commission and Australian International Shooting Limited for their support.

The Title Defenders of the 2007 World Championships of Nicosia are running for a second title. It's not going to be easy: they will face Olympic Champions, World Cup winners and new, young, strong shooters.

The first "shooters to beat" at the 2009 ISSF Shotgun World Championships of Maribor will be the title defenders, those who won on the ranges of the 2007 World Championships of Cyprus. All of them all still shooting, and they will almost certainly try to defend their titles in Nicosia. Maribor's challenge is coming closer; let's meet the title defenders!

Trap Men Michael Diamond AUS, Double Trap Men Francesco D'Aniello ITA, Skeet Men Georgios Achilleos CYP, Trap Women Yingzi Liu CHN, Skeet Women Christine Brinker GER.

TRAP MEN: DIAMOND, KOSTELECKY AND PELLIELO ARE IN THE GAME

Michael Diamond of Australia, the winner of the 2007 World Championship in the Trap Men event, has been one of the protagonists of the 2009 ISSF World Cup season, and he has shot his last finals at the San Marino World Cup this year. He will probably face the 2008 Olympic Silver medallist Giovanni Pellielo, who is said to be ready for this year's World Championships. "I just changed my shotgun, but I got used to it quickly. Now I am looking forward, positively to the next competitions..." Said Pellielo, right after winning the World Cup Stage in Minsk. Meeting them in Maribor, the 2008 Olympic Champion David Kostelecky of Czech Republic, Silver medallist at this year's ISSF World Cup in San Marino, will look for his first World Championship title. The Czech Champion said to be ready, and will probably be one of the strongest shooters to beat on the ranges of Maribor.

DOUBLE TRAP MEN: D'ANIELLO FACES MANY OPPONENTS

The 2007 Double Trap winner and Beijing Olympic Silver medallist, Francesco D'Aniello of Italy, has shot well during this year's World Cup Series, and he will try to peak in time for the World

Championships "The World Championships is my next goal!" he said in Minsk, this year. He will have to face strong competitors. First of all Beijing's Olympic Champion, Walton Eller of the USA, and then the record setter Hu Binyuan of China (who established a new 196-target records in Minsk) and the keen Indian shooter Ronjan Sodhi, second at this year's World Cup in Minsk with a consistent score of 194 hits.

TRAP WOMEN: IS LIU YINGZI PEAKING FOR THE CHAMPIONSHIPS?

The 28-year old Chinese shooter Liu Yingzi, the 2007 World Champion, showed to be ready to run for a second title at this year's ISSF World Cup in Minsk, where she won her first World Cup Gold medal shooting under the rain. Is she peaking for the World Championship? What is sure is that strong competitors are in front of her. The Olympic Champion of Beijing, Satu Makela-Nummela of Finland, did not reach her best results through this year's World Cup Series, but she has proven more than once to be able to shoot great performances. At the same time, the young Olympic Silver and Bronze medallists of Beijing, the Slovakian shooters Zuzana Stefecekova and the American Corey Cogdell could peak in time for the World Championships of Maribor, trying to gain a spot on the most important podium of the year.

SKEET WOMEN: OLYMPIC MEDALLISTS FACE TO FACE

The Skeet Women title defender is the German shooter Christine Brinker, Olympic Bronze medallist of the 2008 Olympic Games of Beijing. On the road to the 2009 ISSF World Championships of Maribor, she is facing strong opponents. First of all, Beijing's Olympic Champion Chiara Cainero of Italy, who won the last World Cup in San Marino overtaking Brinker. The American shooter Kimberly Rodhe, Silver medallist of the last Olympic Games, will also be a difficult opponent to beat for Brinker. Rodhe finished on ISSF World Cup podiums more than once, this year, and she will surely look for a spot on Maribor's medal standings. Coming in next, three different shooters, Wei Ning of China, Danka Bartekova of Slovakia and Svetlana Demina of Russia, won an ISSF World Cup Gold medal this year, presenting themselves as three of the strongest 2009 shooters.

SKEET MEN: GEORGIOS ACHILLEOS IS BACK IN THE LEAD

Reigning Skeet Men Champion, the Cypriot shooter Georgios Achilleos, is back in the lead. Following the disappointment of the Olympic Games, where he walked into the match as the number one in the world then missing the podium, he seems now to be back in his best shape. The Cypriot shooter came back on the highest step of an ISSF podium at the World Cup in San Marino "It's great to be back on top. But now I am looking forward, we have a busy year with the Mediterranean Games, the Europeans and the World Championships... I will try my best!" He said in San Marino.

He will face the three Olympic medallists of Beijing, three shooters he has been meeting many times in finals within the last four years. The Olympic Champion, USA's Vincent Hancock, Beijing's Silver, Norway's Tore Brovold, and the Olympic Bronze, France's Anthony Terras. All three strong are competitors who finished on several ISSF podiums since the 2008 ISSF World Cup Final of Minsk. They all will try to grab Achilleo's title in Maribor, where we are probably going to witness a breathtaking Skeet Men Final.

QCTA STATE TRAP CARNIVAL

Townsville, 2-4 May '09

Location approx 1500 km north of Brisbane

If the Townsville Gun Club had suffered adversely due to the floods in North Queensland, there was no evidence of it when shooters arrived on the first weekend in May. The grounds looked gloriously green and the layouts beautifully groomed with campers already nestled in among the trees. We were in for a weekend of sunny days and perfect conditions.

Richard Morrison Points Champion

to finish the job with Glen Hayden from Noorat taking the silver Queensland badge, sash and the coveted Ossie & Doug Smith badge and trophy. Glen's impressive 235/235 outlasted Colin Witt who took 1st in AA grade with 234/235. Other firsts went to Robert Hunter of Townsville, 1st in C with 49/50, Barry Harker of Bundaberg, 1st in B with 50/50, and Tony Caruso, 1st in A grade with 112/113. Good shooting also by Cherie Ryan of Normanton who took the Ladies with 78/79, top Junior Andrew Clarke from Callide-Dawson on 51/53, and Vic Hyde from Rockhampton on 50/50 who won the Veterans High Gun.

Another fine day and Sunday morning saw some hot competition among the AA graders in the State Single Barrel Championship. Ken

The 25T point score was the first event on the ticket with 227 shooters competing. Ryan Olive from Rockhampton took overall with 186/186 after an epic shoot off with Burdekin's Tony Caruso, who won 1st in A grade with 185/186. The Rockhampton club also had winners in the Ladies and Veterans sections with Lil Brandt 86/90 and Vic Hyde 79/81 taking respective prizes. Cody Driscoll from Roma took out the Juniors with an impressive 77/78.

As a testament to the beautiful conditions, 36 shooters shot the possible in the 50T Double Barrel Championship. Six finalists returned the following morning

AA Grade SB 2nd D Robb, 1st Wayne Reeves, 3rd A Del Ben

Stevens from the Sunshine Coast took the title with 71/71. Hot on his heels were Normanton's Wayne Reeves, 1st in AA with 70/71, David Robb 2nd in AA with 77/78 and Arty Del Ben from NSW Gun Club on 76/78. The Herbert River club also produced some fine shots with Daniel Collins taking the A grade prize on 49/50 and Joe Sebastiani 1st in B with 56/60. Ian Young from Port Denison was 1st in C grade with 43/50. Andrew Clarke kept up his good form to take the Juniors, with Ronnie Forsythe from Roma as top lady shooting 47/52 and Jeff Nash from Orange with 48/50 to win the Veterans.

Teams from all four Zones competed in the Open section of the Zone Shoulder to Shoulder Teams Event, with the South East Zone claiming victory. Team members were Jumbo Brown, Daryl Stevens, Colin Witt, Ken Stevens, Don Portors and Paul Moore. The Western Zone took both the Ladies and Veterans team sections with Veronika Forsythe, Beth Zillman and Viv Moore the successful Ladies team members, and Geoff Bryant, Jack Scott and Eddie Mills coming out on top for the Vets. The Central Zone Junior team were also successful with Andrew Clarke, William Polsen and Klay Parkinson shooting for their Zone.

The final day of shooting opened with the Double Rise event with shooters arriving to shoot 25 pairs in near perfect conditions. Defending champion John Maxwell shot 48/50 to take first in AA, but handed the cup to Arty Del-Ben from NSW Gun Club who took the title with an impressive 49/50. A Grade was won by Anthony Nugent from Roma with 47/50, B Grade winner was Matthew Carty from Townsville

Glen Hayden Double Barrel Champion

Ken Stevens Single Barrel Champion

The final event was the 50 target State Point Score Championship with 224 shooters competing. The only possible for the day was shot by Richard Morrison from Roma who walked away with the State silver badge, sash and his name on the Castlemaine Trophy. Mike Swale and Arty Del-Ben shot off for the AA grade prizes with one point down on 149/150, with Mike coming out on top with a final score of 161/162 for 1st in AA. Burdekin club shooters took both 1st and 2nd in A grade with Tony Caruso on 149/150 and Wayne Cislowski taking second after a shoot off with 187/189. Dave Guy from Charters Towers was 1st in B grade with 142/150 and Peter Ballarino from Port Denison won C grade with 142/150. The Ladies championship was won by Cherie Ryan from Normanton with 145/150, Callide Dawson's William Polsen took the Junior title with 139/150 and Vic Hyde is the 2009 Point Score Veterans champion with 143/150.

The Paw Paw Team Challenge has become a popular part of our State Carnivals and is run in conjunction with the Point Score Championship. Shooters may elect to shoot in as many teams as they like, provided the six –person teams submitted include both a B grade and a C grade shooter. All proceeds go to charity with the winning team nominating their preferred charity. The winning team with a combined points score of 858 consisted of John Maxwell, Paul Anderson, Linda McGregor, Emily Anderson, Ryan Olive and Bruce Powell. Team members will appear on the Paw Paw perpetual shield presented by our Madame Paw Paw Julie Allan, who works tirelessly to promote the highly successful Paw Paw club and is responsible for raising thousands of dollars each year for the Royal Flying Doctor Service and other charities. This is a fun way to promote our sport and raise funds, with 'penalties' for our lost targets going to good causes and community charities.

Grade High Guns for the weekend went to Bruce Powell from Springsure taking AA grade with 366/375, Ant Nugent from Roma took A grade with 359/375, Townsville's Matthew Carty shot 349/375 for the B grade High Gun, and C grade was won by Peter Ballarino from Port Denison with 329/375. The AB Long Two Person Team Trophy was well earned by the visitors with Arty Del-Ben and Mark McInnes shooting a combined 726/750. Section High Guns went to Cherie Ryan for Ladies, Cody Driscoll for Junior and Vic Hyde won the Veterans High Gun. The title of 2009 Queensland Champion went to Ray Collinson from Burdekin Gun Club with an impressive 420/425.

The gold Queensland badge, sash, RACQ GIO perpetual trophy and cash went to Arty Del-Ben who was the Overall High Gun winner for the carnival with a brilliant score of 372/375. Great shooting Arty.

Congratulations to shooters who qualified for our State representative teams to compete at the Nationals in Wagga in 2010 Open team Ray Collinson, Bruce Powell, John Maxwell, Wayne Reeves and Robbie Caban, with Richard Morrison as 1st reserve. A huge thank you to Townsville Gun Club President Tom Comerford and to Noel Beale and the rest of the committee and members for their hard work and generous hospitality. The grounds were a picture and the facilities excellent, as usual. Also to the tireless Shoot Marshals Wayne and Dean Reeves and Chris Wilson. Thank you also to Carol Betteridge and her hard-working office team including Annette Vassalini and Maria Bosworth, scoreboard writer Bruce Murphy, human calculators Ray Collinson and Dave O'Donnell on scorecards, and Kylie Lee for pitching in anywhere and everywhere. All photos also compliments of Carol. The carnival ran like clockwork over the three days thanks to the highly experienced Northern Zone team of workers, all of whom made for a very enjoyable shoot. Thanks also to the visitors who travelled so far to attend our carnival, and for all the shooters who competed. We hope to see you again next year.

A big thank you is extended to the great job from Ann in the office and Col and volunteers for setting up and keeping

the traps working well. It was great to see our juniors and other members packing up the traps, picking up clays etc with enthusiasm well done. This weekend has been the best shoot for many years and hopefully our new site will attract even bigger numbers.

Maryborough & District Gun Club 31st Central Victorian Grand Prix

Bruce Burns from GB Corsivia with
Craig Kelly Single Barrel Champion

Steve Atkins & Steve Haberman,
joint winners, Overall and AA, of the Grand Prix

Steve Haberman – S & H Shooting with Nathan
Cassells, 2nd AA Grand Prix

On Saturday June 27th the Maryborough & District Gun Club held its 31st Annual Central Victorian Grand Prix. This is the major shoot that the club conducts for the year and is one of the largest, longest running and most prestigious competitions on the Victorian Clay Target Shooting calendar.

Shooters came from all over Victoria and interstate to compete for prizes that totalled in excess of \$8,000. The day's events got underway at 9.00am with 143 competitors in attendance, shooting in almost perfect

weather conditions and without the fog that had persisted earlier in the week and that had delayed the start in many other years. Shooters acknowledged the work put in by club members in preparing the grounds and traps and securing the sponsorship needed to enable an event of this calibre to run.

The Grand Prix was supported by two other events – a 25 Target Single Barrel Championship, sponsored by Doran Earth Moving and a 25 Target Points Score Championship, sponsored by Lang Mechanical.

The overall winner of the Single Barrel Championship was Craig Kelly, from the Central Wimmera Clay Target Club, Horsham, with a score of 38/38. 2nd in AA went to Craig Fitzgerald of Echuca. A Grade was taken out by Matthew Cocks 35/36 and 2nd place went to Ben Vogelzang. The B Grade winner was Leigh Stokes 25/25 with Ben Brown running into 2nd place. In C Grade Terry Baulch won with a score of 23/25 from Leo Hatziggannis.

In the major event, the 31st Central Victorian Double Barrel Grand Prix 45 shooters shot the possible and it looked like we were in for a long shoot-off. The event

James West, 1st A GP

Tracey Barton, 2nd A GP

Neil Vagg, 1st B GP

Terry Baulch, 1st C GP

Mark Ralston, 2nd C GP

Sam Cutlerand, 2nd B GP

was finally shared by two shooters. After shooting 158 targets Steve Haberman, Geelong and Steve Atkins, Echuca, decided to share both the Overall prize and 1st in AA grade. This was a great result for the club as it eliminated the possibility of a long and expensive shoot-off, and the time saving helped the club get through the programme. The major overall prize for the Grand Prix was a Sabatti centre fire rifle valued at \$1200 while 1st place in each of the grades was a Marlin 17HMR rifle. An Armed Model 6 Air rifle was the trophy for 2nd prize in each grade and 500 premium GB Priors shotshells were given out as the trophy for 3rd place.

The Club would like to thank the major sponsors for this event – S & H Shooting, GB-Corsivia and A & L Guns. The Grand Prix could not have been run without their generous support.

AA Grade 2nd was won by Nathan Cassells 155/156, and 3rd place in AA went to Roger Duthie. In A Grade James West took out first place on 119/120, Tracey Barton came second and Gary Hargraves was 3rd. B Grade was won by Neil Vagg 156/157, 2nd place went to Sam Cutler and 3rd place to Paul West. In C Grade Terry Baulch 30/31 was the winner, 2nd place went to Mark Ralston and Barry Rogers took away 3rd.

The third and final event, the 25 target Points Score Championship, was won overall by Wayne Hawker of Bordertown SA with a score of 153/153. Second place in AA went to Steve Atkins. In A Grade Robert Jorgensen 116/117 was first with James Bucholz 2nd. B Grade went to Kamahl Britton 75/75 from Randall Vitkus and first place in C Grade was taken out by James Gaunt 72/75 (the only Maryborough member to be in the winners circle) with Leo Hatziggannis in 3rd place.

High Guns: Overall – Steve Atkins 125/125, AA – Steve Habberman/Marc Crimmins 124, A – Robert Jorgensen 122, B – Kamahl Britton 121, C – James Gaunt 113, Veterans – Terry Foster 120, Ladies – Tracy Barton 119, Junior – James Bucholz 121. These were sponsored by Ian McMillan and Rod Brown.

At presentation time the club raffle was drawn and won by a local Jeff Shanahan. The lucky number draws were won by Robert Collicoat and Mary Watts.

Many thanks to the wonderful ladies in our kitchen who provided such excellent fare over the entire day.

Once again, thanks to our sponsors and congratulations to all our winners, we hope to see you again next year for an even bigger and better 32nd Annual Central Victorian Grand Prix.

Psychological Skills for Shooting

by Michael Kruger-Davis

ARE YOU PAYING ATTENTION?

I am often asked by shooters, "How can I learn to concentrate better?" This is an interesting question because it implies that we can learn how to concentrate, and assumes that concentration is something tangible and concrete. Herein lies the problem: concentration is part of a process: it is something that you must do in order to achieve some goal or product. It is not a product in itself.

So what is the process that involves concentration?

Jeffrey Bond, Sport Psychologist with the Australian Institute of Sport states that concentration is a term often used by coaches and athletes but appears to be little understood. Bond continues by explaining that Nideffer (a renowned US sports Psychologist) has developed an applied theory of concentration, which should be considered by all athletes and coaches. To understand this theory it is necessary to realise that for each of us an optimal level of arousal will coincide with efficient use of attentional capacities; this is referred to as our ideal performing state (IPS). At this IPS, we efficiently match the attentional demands of the situation with use of appropriate type of concentration. When we are not at our ideal performing state it is because the types of attentional focus becomes inefficient and mismatched with the situational demands. Nideffer believes that we all have an individual *concentration style*, which means that we have characteristic ways of using our attentional capabilities. Nideffer describes concentration as being either broad or narrow. An analogy here is like a torch with a variable beam: broad type of concentration is when the beam is broad and wide and narrow type, is when the beam is focused on a small point. Bond continues by saying that Nideffer also sees influences on concentration as either external or internal. We can now measure our concentration style in each of these types of concentration:

1. **Broad - External:** awareness of everything that is going on around - seeing, hearing, feeling. Necessary for good court/field vision. Probably more critical in team sports than individual
2. **Narrow - External:** Ability to concentrate in a focused way, to focus on the one thing, to narrow onto the relevant aspects of a task. Very useful in target skills and as a way of blocking distractions.
3. **Broad - Internal:** Need to analyse, organise and plan. The ability to mix it with what is going on and draw some logical conclusions. Being able to deal with a large number of ideas at the one time.
4. **Narrow - Internal:** Ability to focus on a single thought or idea and stay with it. Needed to enhance awareness of aspects of body reactions to stress (tight muscles, too high heart rate, etc) Usually indicates extreme dedication and capacity to follow instructions, to stick to a performance plan.

Effective concentration allows athletes to apply appropriate attention to the internal and external cues. According to Perry, an athlete that who can focus, or pay attention, on the task at hand and avoid distractions enjoys the greatest possibility of success.

In doing some research for this article it became difficult to differentiate concentration from "focus" or "attention", and it appears that psychologists have struggled for hundreds of years to come up with a common understanding and definition. Bruce Abernethy, from the University of Queensland, has identified three major uses of the term attention;

Firstly, attention as alertness, including concerns with the development and both short- and long-term maintenance of optimal sensitivity and readiness to respond. As an athlete your alertness and readiness depends upon your emotional state: basically being either

too relaxed or too anxious. Anxiety tends to restrict your attentional span, that is, narrowing the focus, which may lead to missing important cues that would have contributed to a successful performance. Anxiety also has the effect of shifting you from the automatic and subconscious, to the controlled and conscious processing, which would lead to the phenomenon called choking. Also the anxious state makes the task involve more effort which will increase fatigue and increase the likelihood of developing self doubt because you will be over analyzing every shot and movement, and in the process tighten up your muscles, so that you are unable to perform to your ideal state.

Secondly, attention as a limited capacity or resource. For the shooter, this means the ability to have a broad focus whilst you are waiting to shoot and being able to shift your attention to a narrow focus when it is your turn to shoot. It would be impossible to maintain a narrow focus throughout a whole round of 25 targets. There is no need as this would be very ineffective and would lead to a severe headache among other things.

Finally, attention as selectivity. By this I mean that that some information is selected as important and some stimuli are ignored because they are irrelevant. Effective selective attention begins with an understanding of how to differentiate between distractions and the relevant cues.

Abernethy describes the concept of selective attention by using the metaphor of a searchlight and describes three common errors: If the searchlight beam is too broad, then you are failing to focus all attention on the limited essential elements for success. If the searchlight beam is pointed in the wrong direction, then you are being distracted from relevant information by irrelevant information. Finally, if the searchlight beam is too narrow, then the athlete is unable to move from one stimulus to another rapidly enough.

So if we look at attention, focus or concentration, what should we know and what should we do to use it to maximize success. Be aware that attention involves being alert, being able to shift and being selective. You need to know when to have a narrow focus or a broad focus and when to focus on external stimuli or internal stimuli. You should be attending to the process of what you are doing and not the product you wish to achieve. And finally, you should stay focused and attend to the present. The past will only allow judgments to cloud your thinking and focusing on the future will lead to anxiety.

The Editor. CTSN.

Dear Sir,

Now the dust has settled and we have all had time to consider the Trap Nationals we would like to thank a few very exceptional and charitable people and put our hands up for some mistakes we made along the way. We have tried hard to thank everybody by letter who assisted in any way, but these two companies stand out from the crowd, and we felt deserved special mention.

Firstly the event could not have been run without traps and voice release. For an event as prestigious as the National Titles there is a requirement that all machinery has to be identical, and of course rightly so. Without the terrific support from Canterbury Traps and Voice Release it would have been impossible for a club of our size to provide the \$250,000 of target throwing equipment required to run this event.

This was the first Nationals run exclusively on Canterbury Traps and CVR and after a few teething problems on machines that had only been unpacked the week prior, the equipment handled record numbers and provided new record scores. The company also provided the technical staff to look after the equipment for the duration. What else could you ask for. Thanks Bruce, Mike and Russell.

Secondly we would extend a great thank you to George Scaf from Gold Coast Shooting Supplies. We all love to hate and hate to love George but you just have to. He selflessly stood in the ammunition tent all week providing the service to the shooters and at the conclusion of the event handed the entire profit to the host club. George is a real life Santa, and yes we do love you George.

The event was of course preceded by the pre-nats run by the QCTA and the host club. It is here that we made a mistake, I say we meaning me of course. The formula used on the cash divide events whilst in accordance with percentages paid by ACTA generally (who don't conduct cash divides at their pre-nats) was however not within the range prescribed under the rule for cash divide payouts. We recognise this as being incorrect and unacceptable, apologise to all the winners in the two cash divides, who should have received their adjustment cheques by now.

We hope that all who attended had a good time, thank you for your attendance, and hope that the Association has prospered financially from the event.

*Regards Robert Nugent.

Top Shooting at Barcaldine

Glorious western weather and well presented targets contributed to outstanding performances and personal bests by many shooters at the Barcaldine 2 day, 14-15 March, 86 shooters, including visitors from all Queensland zones rallied to contest the six event program. The office staff were kept hopping with break badge requests and red chalk on the board 46 possibles were recorded for the weekend.

Shawn Ryan & Trevor Meaney got off to a flying start, both scoring straight possibles in the first 3 events. Trevor came out tops in A grade winning both the Double Barrel & Continental. Shawn's endurance in shoot offs earned him overall wins in the same two events and a 250T break badge.

Meanwhile, Bruce Powell was stockpiling points with 4 possibles in a row. A short shoot off won him the Single Barrel Championship.

Event 5 the 30 T Points Score was won by Barcaldine's once a year shooter Willie Chandler with no shoot off necessary. Roxy Meaney shot brilliantly in C grade to be narrowly beaten by Clermont's sprightly veteran, Barry Nasser. Another resolute veteran from Mt Isa Mick McGill was consistent all weekend, claiming the A grade High Gun.

Thank you to Sportsmania Emerald the major sponsor for the shoot. The attractive line up of rifles and Leatherman for the 30 T Handicap were an inspirational drawcard for shooters. Michael Fuller's win in the Handicap secured him a CZ 223 rifle & scope and edged him over the line to successfully take the Overall High Gun.

Catering for the weekend was cheerfully covered by the crew from Barcaldine Aged Care Inc, working to establish an aged care facility in the town. This partnership was a winner for both our organisation. Thanks for coming on board.

The next competition shoot at Barcy is our 100 Target Double Barrel on Saturday 22 August at 9.00am.

ZZ's at Cecil Park

Cecil Park's First Competition - May 23

Our 1st competition winner
Dave Perri

Saturday the 23rd May was a cold wet miserable way to start the practice day off for the first ZZ competition to be held on CPCTC grounds, but thank the heavens the clouds parted Sunday morning for an interesting and fun day ahead.

With approximately 150 ZZ targets thrown for practice on Saturday it was a very hard day to shoot as ZZ helice targets are tricky at the best of times, but with the wind and rain you've got to be good or have 'Lady luck' on your side. It just adds to the fun!!!

Sunday got underway with shooters wanting to shoot practice up until 1pm.

Competition started at 1.30pm with 18 shooters putting their names on the board with \$710 up for grabs in the sweepstakes and \$180 for overall.

The 1st competition at CPCTC started with a 25 ZZ helice target championship with a SASH and CASH for Overall including four overlapping cash sweepstakes.

No one shot the first ten targets straight so the 1st lot of sweeps of \$170 was divided between Frank Minici, Luke Cassar, Henry Yin, Vince Gatt and Dave Perri who all shot 9/10.

Second sweeps of \$180 was taken out solely by Dave Perri shooting 10/10.

Third sweeps of \$180 was divided by Eugene Kavanagh and Dave Perri both shooting 10/10.

Fourth and final sweeps of \$180 was taken out solely by Paul Farrugia with 10/10.

Overall of \$180 for the day went to Dave Perri shooting 22/25 who took home the first ZZ Sydney Australia black tartan sash, congratulations Dave.

The Jackpot of \$90 carries over to the next competition to the lucky shooter or shooters to shoot the possible.

It was great to see new shooters come and have a go at this relatively new discipline to NSW, most of whom surprised themselves on how well they shot! I have heard the girls are just as good at ZZ shooting as the guys, so lookout boys!

A lot of good ZZ shooters have stemmed from Victoria which has been the home of ZZ for the last 30 years, but now the excitement of shooting the ZZ discipline is spreading!

Thank you to all the shooters that participated on the day we hope

to see again on 27th June for the next competition. We'd also like to say a special thank you to Neale Guy and Rami Teffaha for refereeing, Louis Galea for running the program and his all round support.

June 27 Competition

Saturday 27th June, ZZ day/night event saw 21 shooters attend the competition.

It was a 25tgt event with 4 overlapping sweepstakes starting at approximately 4pm with the overcast and bleak Sydney weather forcing us to turn the lights on early for the shooters.

Kathy & Neil enjoying the BBQ

With \$740 up for grabs in the sweepstakes and Overall taking another \$180 home as well as the beautiful Black Tartan sash with gold inlay.

Shooting got underway with the first sweepstakes 1-10 of \$190 being taken out with the only 10/10 going to Vince Gatt, Second sweepstakes from 6-15 with another clean sweep of \$190 by Vince Gatt, Third sweepstakes from 11-20 of \$180 was divided by 4 shooters, Luke Cassar, Frank Avacado, Tong Shang and Vince Gatt with 8/10 taking \$45 each, Fourth sweepstakes with \$180 going to Elton Chetcuti with a 9/10, Overall with \$180 went to Vince Gatt on 21/25.

O/A winner Vince Gatt

Unfortunately the \$90 + \$85 Total \$175

Jackpot from the first & second competitions didn't go off. Next competition which is on the 26th July 2009 at CPCTC this will be added to extra jackpots taken on the day.

A BIG thank you to all the shooters who participated and helped on the day and we hope to see you again on the 26th July at CPCTC for the next ZZ competition.

We would also like to say a special thank you to Louis Galea, Dave Johnson for helping set up, Neale Guy, Joseph Camilleri for refereeing, and Darcy Chetcuti for running the program. Thanks to those for helping pack up Louis Galea, Joe Camilleri (Stock maker), Elton & Darcy Chetcuti, Tong Shang, also a thank you to Kathy Chetcuti, Frank Avocado, Leonardo Pezzano and all other helpers for running the BBQ with all profits donated to the Junior Development Program. Meat was kindly donated by Austral Butchery (Mick and Maria Marciano) which was organized by Frank Avocado (Mr Baulk).

See you at the next ZZ shoot on Saturday the 18th July 2009, see add on website for more details.

PAUL PRITCHARD MEMORIAL SHOOT

Kempsey Clay Target Club

Paul Pritchard was a wonderful, supportive member of Kempsey Clay Target Club. He passed away last year and is sadly missed; however, his wife Kay was keen to continue his sponsorship with the club by having a memorial shoot on June 20th in his honour. Paul was a very successful and well respected shooter during his life, and this particular Saturday in June showed how many shooters still have so much respect for his memory. The weather was foul, it rained in torrents and it was extremely cold. Rain splashed up off the barrel of the guns and into our faces but it was worth every minute of discomfort just to be shooting in Paul's memory.

Our first event was the 50 Target Double Barrel Club Championship which was shot in two walks. Shooting in wet weather gear could have been a problem for some, however, the scores were very impressive with shoot offs required to sort out the final positions in three out of the four grades. The results were as follows:-

Event 1 50 Target Double Barrel 15m CLUB CHAMPIONSHIP Overall S McMahon 61/61, AA Grade H MacInnes 49/50, B Jones 68/70, A Grade P Deland 60/61, K Miller 49/50, B Grade P Leicht 60/62, J Griffiths 59/62, C Grade A McMahon 43/50, P Brenton 42/50.

Our next event was Paul Pritchard's Memorial Shoot. Point Score is one of those events which tend to sort shooters out. Kerry Millar

broke every target with his first shot and was unlucky to pull a second barrel on one target, though 149/150 is pretty good shooting in my eyes. Understandably Kerry took out overall and with his 49/50 in the first event he had High Gun for the day sewn up and won Paul Pritchard's personal, timber boxed cleaning set. Yes I was jealous; however, he deserved the wonderful prize. I am sure he will treasure it and use it with Paul in mind.

(Once they were carefully packaged back in their boxes). The support and sponsorship from Kay Pritchard and also Rex Wilson was appreciated greatly by shooters and the Kempsey Clay Target Club. The day proved to be a great success, despite the weather and we all look forward to next years shoot.

WEST WYALONG HOSTS CENTRAL ZONE CHAMPION OF CHAMPIONS

Location right on the crossroads of the Newell and Mid Western Highways, close to the centre of NSW

There was a smaller than expected group in attendance at the Central Zone Champion of Champions shoot hosted by the West Wyalong Clay Target Club on the last Sunday in June.

Perhaps the overcast and cold day put some shooters off but the quality of competition was still high.

The day got underway with a 10 Target Eye Opener and Adrian Hodges, Dozer Collins, Clive Foster and Matty Patmore all had their eye in and scored possibles.

The 25 Target Double Barrel Cash Divide event saw Dozer Collins and Clive Foster sharing AA Grade prize money with scores of 25/25, Wayne Ambrose and Ben Fairman also shot 25/25 to win A Grade, Adrian Hodges and Narelle Ambrose scored 24/25 and won B Grade while Russell Brown and David Hodge also scored 24/25 to share the C Grade prize pool.

The Central Zone Champion of Champions shot in three visits to the trap for 25 targets double barrel, 25 single barrel and 25 points is a highly regraded event by all shooters and competition is always fierce.

At the half way mark in the event the shooters paused for the barbecue lunch cooked up by Kelvin Maxwell and Narelle Ambrose. This gave them a chance to check the scoreboard and to everyone's surprise there had been no possibles scored and this situation remained the case for the remainder of the competition.

Matty Patmore and Clive Foster were equal when all the scores were tallied and were called to shoot off to decide the Champion.

The spectators were treated to a fine display of shooting by these two top shooters but eventually Matty Patmore dropped a target to make Clive Foster the Central Zone Champion of Champions for 2009 with 145/150, Matty Patmore won AA Grade 144/150 and Ben Fairman topped A Grade 108/125, David Hodge was the B Grade winner 110/125 and K Hunt won C grade 95/125.

President Kelvin Maxwell with Clive Foster

With time remaining it was decided to put on a 20 Pair Double Rise Cash Divide and Matty Patmore got the AA Grade cash with 39/40 while A Grade shooters Wayne Ambrose and Ben Fairman shared the money with 30/40, David Hodge continued to shoot consistently winning B Grade 28/40 and John Wason using his newly acquired Browning shot 27/40 to take out C Grade.

High Gun on the day was Clive Foster 155/160.

The Hodge kids did a great job cleaning up everything in sight and kept things very tidy well done guys.

Just a reminder to side by side shooters that the West Wyalong Clay Target Club's Doug Lindsay Side by Side Championship will be held on the fourth Sunday in August.

BRIAN MARK

Brian Mark was amongst the legends of the clay target shooting fraternity. He traveled widely around Victorian and Australian shooting grounds, often shooting, but always entertaining! He passed away on 19th June, 2009 at Werribee after a battle with cancer, aged 78 years.

He was always happy to tell a joke or two and was preferred MC at Calcutta Nights and Awards ceremonies. The father of Geoff, David and Russell, he left a legacy within the clay target community that will take a long time to eclipse. He was Foundation Life Member of Werribee International Shooting Complex Incorporated and was coach and mentor to a number of current shooters. A member of a number of Gun Clubs over his lifetime including Geelong, Sebastopol, Victorian and Werribee, and was always willing to help referee and score the squads. He was a frequent visitor to the famous Mildura Easter Shoots and enjoyed entertaining the large crowds, often well into the night. He began shooting in his teens and competed until late last year when illness prevented him from being competitive. He won over one thousand Championships in his lifetime and was regarded as a true sportsman within the shooting circles of Australia. His ashes will be spread at his campsite near Pooncarie by his family.

BRIAN MARK

Shooters all over Australia will be saddened to read of the recent passing of one of it's best known and most respected members.

Brian Mark died in Melbourne on Friday June 19 after a long but courageous battle with a tumour.

At his well-attended funeral the always jovial Brian was remembered as the greatest story teller and MC of all time, always with a friendly smile and "did you hear the one about"?

Even if you had heard it before it was twice as funny when Brian told it.

Brian must also be remembered in the upper echelon of brilliant shooters like Olympians Terry Rumbel, Peter Wray and ICI pro Don Scowcroft who did not win an open Australian national down-the-line title but Brian was close on many occasions.

Who could forget the joy on Brian's face when his youngest son Russell won the national barrel title in 1980 and then Geoff winning national single barrel in 1983 or the proud TV interviews when Russell won gold at the Atlanta Olympics, classic and memorable moments in the history of competitive shooting in this nation.

Brian Mark started his shooting career in Melbourne in the 1950's, first at live pigeons,

progressing to clay targets, competing every week against the nucleus of the ACTA Hall of Fame members like Newton Thomas, Fred Burns and Jack McCraith and 1956 Olympians Clem Mudford and John Bryant.

Brian worked for Winchester in the glory days of the 1970's and 1980's in the tough battle against IMI-Eley for domestic market supremacy and his magnificent contribution and innovative programs as head of advertising and promotion was second to none in the Australian sporting goods industry.

His personal contribution to coaching, particularly in Victoria at inter-school competitions in the Wimmera and Western Districts must also be commended.

Brian is survived by his three sons David, Geoff and Russell and faithful partner of the past decade Pauline.

One of a kind, the mould is broken, sadly there will never be another personality in our sport like Marksie.

LUKE MITCHELL

16/1/1980-24/5/2009

It is with great regret that Majura Park Gun Club reports that one of our newer members, Luke Mitchell, passed away early in the morning on 24 May 2009.

Luke went to the assistance of a stranger being assaulted outside a nightclub in Melbourne, and was later tracked down by three assailants who stabbed him several times and he died some time later in the operating theatre. His death made headlines across Australia.

Luke was born 16 January 1980, in Ulladulla, where he lived with his family until he was about 13, after which the family moved to the Canberra region, and established a garden nursery in Queanbeyan. He went to St Edmund's College where he is described as a student with moral integrity who was a friend to everyone who was lucky enough to know him. At 17 he became a chef apprentice at The Park Royal and more recently, Luke and his brother Shane ran a successful building business, Ultra Seal Construction, operating both in Canberra and in Melbourne. As can be expected, he was a treasured member of his extended family, and was the godfather to many of his nieces and nephews. He has family throughout NSW, ACT and VIC, including Griffith and Canberra.

Luke's competitive shooting career unfortunately only spanned a couple of years, but during that time he showed that he had the skill and tenacity to become a great shot. In the 2008 Australia Day shoot at Canberra International, he won several events in C grade, and placed second in another. As a result, he was progressed to B grade, and in April 2008 he joined some 100 shooters

contesting Canberra Inter's Golden Trout. When the dust settled after the two day event, Luke was left standing as the B grade high gun – an excellent achievement from someone with only a couple of months in the grade. He also attended many club shoots around NSW and VIC, and on one memorable occasion, bought raffle tickets in Illawarra for both himself and his inseparable companion, Bella, the brindle staffy. Naturally, Bella won, and when Fred Rapley read out the results, he commented that if he had a dog he wanted it to be like Bella. Bella's good nature reflected that of her owner, and Luke donated Bella's prize to be raffled again.

However, as good a shot as Luke was, he is more likely to be remembered for being a good mate to many shooters, both at Majura Park, Canberra Inter and across NSW. He was one of those people who were everyone's best mate, and people were attracted to his good nature and openness. Although difficult, don't remember Luke for how he died, but rather as the man he was. On that night he demonstrated to the rest of Australia what his family and friends already knew – that he was too good a man to stand by to see someone suffer without giving a hand. That is how he should be remembered, not as a victim of cowards.

Our thoughts are with his family, especially his parents John and Carol, his stepmother Wendy and his partner, Zarli Kew. Majura Park is planning a memorial event for Luke, in consultation with his family, and further details will be provided through the CTSN when the event is finalised. We hope you will join us and remember Luke.

BEN MARJORAM

2/12/1937-6/7/2009

Ben Marjoram was a well known clay target shooters throughout the Northern Rivers and Northern Tablelands of New South Wales. He began shooting clay targets about 15 years ago and although he never reached above B grade his passion for shooting clays was enthusiastic each and every time he attended a shoot. In his early years he shot black powder.

Ben had little or no formal education having to leave school at the age of 12. He put up his age to work in the Lithgow Small Arms Factory where he worked in the steel hardening section and this is obviously where he gained his love of guns and steel.

He joined the NSW Railways where he first worked as a Porter. He then became a fireman on the Steam Locos, later to become a Driver on the Diesel locomotives driving goods trains around Cootamundra, Lithgow and Moree. He drove the XPT and he occasionally drove the Indian Pacific into and out of Sydney.

With his limited education he turned to books for his thirst of knowledge and was extremely well-informed on almost any subject through this reading.

Ben was an avid 're-loader' and spent much of

his days in his den reloading cartridges. He also loved working with steel and some of his special projects can be seen at any of the Northern Rivers Gun Clubs.

Ben did not enjoy the best of health for the past number of years but he tried never to let his ill health interfere with his love of clay target shooting. His death although sudden was still unexpected.

Annual Citrus Country Shoot Central Burnett Gun Club

Location 390 km north-west of Brisbane and 124 m above sea-level

Saturday 20th June was a beautiful winter's day, not a movement in the air, while 59 shooters waited patiently for the printer to produce the squad sheets. Finally we were away and 23 shooters shared a few coins in the first event of 25T D/B Sweepstakes. Barbara Cox who is a little youthfully challenged, deserved her loud ovation being the only B grader to have a full house.

The overall winner of the 50T Double Barrel Top CAT Trophy was down to Ryan Olive and Alex Dallas. Ryan never put a foot wrong, being the winner with a score of 163/163. Father Andrew Olive managed to get himself into A grade after this event. Brian Muirson and young David Holden did well for A & C grades respectively.

Clayton Cusack gave Ryan Olive a good run in the 30T Medley, Ryan Olive winning overall with a score of 175/175, Malcolm Zipf, Julie Allan, and David Holden taking A, B & C grades respectively.

Sunday morning was overcast with misty rain, you know, one of those mornings you expect to see a dinosaur or a pink elephant come out of the mist. Thankfully it cleared for the 30T Handicap, Malcolm Zipf, Clayton Cusack and Graham Rudd came in first, second and third.

In event 5 overall in the 30T Points Score went to Ryan Olive who pipped Irvine Wynyard by one point, A grade Peter Brandt scored 110/111 to beat local Frank Robinson. Two more of our local members did well. B grade John Burns and junior Gerrard Haigh C grade, who has just returned to shooting after a broken arm. In conjunction with this event we have the Mark Shelley Memorial Shield, Team of 5, the winners being Ryan Olive, Lil Brandt, Peter Brandt, Andrew Olive and Iain Campbell 423/450.

Overall for the last event of the day, 15pr Double Rise was won by Frank Robinson 37/40.

The presentations finished with the High gun winners being sashed and then all our much appreciated visitors went home and all was very, very quiet.
