NATIONAL PRESIDENT'S NOTES

John Mack

Thank you to all of those who travelled to Doveridge, England to represent the ACTA as part of our National Skeet team. The World Skeet Championships were conducted from the 6th – 9th of August. The team as a whole performed well and we had a number of standout results.

The Australian Junior Team won their section closing out a 1 target victory against England, an outstanding result as most of the team was made up of shooters on their first trip representing Australia. We also finished 3rd in the Senior team event 12 targets behind home team winner England. The Veteran Team was runner up in their division again behind the host team England. Our ladies gave a great account of themselves to finish runner up again to England by 9 targets. Seems as though our Juniors are the only sporting team who can beat England at anything at the moment.

*To see all of the individual and teams scores go to:
http://www.cpsa.co.uk/userfiles/file/WESK_Scores.pdf*

Congratulations to Eddy Elder who also won the B-Grade event with a score of 195 to edge out his nearest rival by the solitary 1 target, congratulations Eddy on a great victory. Laurie Chelepy, shot a 199, 24, 3 to finish 3rd in AA whilst Nigel Hughes finished joint 4th in AA. Blake Slater also achieved the same result in A with a joint 4th placing

The ACTA applied for and won the right to host the 2012 World Skeet Championships and will be working hard over the next two years in all areas to ensure as host of the event we meet and exceed expectations. This will require the States and Clubs supporting us to ensure the games are an attractive proposition to not only the rest of the World but also to our own members who will be able to shoot at the elite level in their own back yard.

Whilst this is a huge bonus and something to aim at, we have more pressing work to complete. The National ground and services on the ground are already being planned for and implemented.

From the Executive Officer - Tony Turner

An observation from my dealings with clubs, Zones & States along with the ACTA as an organisation. **We need to continue to promote our sport as a sport.** It appears the community still have a phobia or at the least misconceptions about shooting. Our sport is about sport, about being able to hit a moving target. The target is not alive, the target is under strict control, so are our participants. We have the strictest rules in Australia regarding the act of shooting and participating using a gun.

We do not have the incidence of injury as do other sports, why then do we not promote our clubs, zones, states and the ACTA as providing the opportunity to participate in the safest sport around. I would urge clubs from throughout Australia to provide for the Media in your town or area the results and stories about your sport. Provide them with not just results but with worthwhile stories about the club, their commitment to the community, their work with young people, disabled, disadvantaged, elderly, female. There are many angles

Our sport covers the full gambit of the community. We know that from within, it is time to let the community know. We all have facilities which can promote the sport. Have an open day, not only for shooting but for spectators to look at what your club provides in the community. Put on a sausage sizzle, contact the media, invite them out and donate something to a charity. I am sure you may already do some of these things, however let's do it more often to promote the sport. Now is the time to continue to build the profile of the sport, look at the positives it brings and be proud and passionate about the sport. If you have stories published or aired through television let us know.

An update on the National Ground, 1500 tree's planted, new barriers

set to be planted, the masterplan for the ground is being drafted by the grounds committee. The lights on layouts 5,6,7,8, are ready to be stood.

We have a dam on the ground which we will have de silted to allow us to store more water for use in the dryer periods of the year. The newly purchased area has a windmill which we will investigate to determine if we can still pump from there. The ground is a picture after more rain in the Region, we hope the rain continues and breaks the drought which has plagued the area for over 7 years.

Our National Junior camp is to be conducted from Monday the 28th September to Thursday the 1st October. The process of selection has changed with 26 nominations and only 18 positions available. The competition for positions is increasing which will ensure we gain the maximum benefit for participants and the program. National Director of Coaching Graeme Boyd has designed a program which will teach, instruct and identify areas which the participants can improve in and along with the coaching staff provide the feedback and guidance for this to occur. We have established one day for ISSF shooting at Griffith courtesy of Marcello Casella and the Griffith club. We hope shooting ISSF will be a major component of the program in the future. Our aim is to provide the opportunity available to reach the pinnacle of the sport, that is the Olympics and Commonwealth games. As with any peak organisation the opportunities at the National level are limited. I see the States role in this structure as vital to the success of the National plan, we need to have States providing camps feeding into the National system, with shooters coming from the clubs via Zones to ensure there is a structured pathway which is easily identifiable to parents and the shooters as well as coaches.

Promotions Committee Report

The ACTA is considering introducing a "Life member" category, not to be confused with life Registration which is awarded by the National Body. This form of membership would allow the member to join as a life member and not have to pay yearly subscription again. They would also receive a Badge and other benefits. Obviously there would be a substantial initial investment however this is a way of supporting the ACTA and getting the benefits in the long term. A detailed application form should be available very soon.

2010 will bring some "new" ideas including a slogan to promote the Sport. The promotions and development committee are investigating new and innovative options for membership. Does your club offer the opportunity for members to sign up for multiple years? Many registered clubs provide the opportunity to join for up to three years which attracts the same price however it saves time joining yearly.

What about signing to be a "member for life"? That is, sign an agreement to stay a member and authorise the club to take the yearly subscription from the members credit card or direct debit on the anniversary of the due date. One thing clubs find hard is to

"chase up" membership. Most members would appreciate the opportunity to have it deducted yearly therefore not having to worry about coming in at a particular time. Should the member for what ever reason decide to end their membership they can do so by resigning from the club and revoking the approval. These plans could be introduced effectively and immediately to help your members.

On the promotions side of things we will be attending the third Beretta Girl Action Day, a great initiative from Beretta Australia, if you are in Melbourne on the first week-end in October come along and enjoy a great day out. We will be represented there by John Mack and Robert Fox. Following the Beretta Girl Action day we will be meeting with Beretta Australia to further cement what is a very successful partnership. Looking further down the track it is our understanding that the next SSAA Shot Show is to be held in Sydney next May. We intend to again combine with AISL to present a joint stand but details regarding venue and other issues remain unclear at this stage.

The committee is looking at ways of upgrading our CTSN Magazine but this may take some time so don't expect changes any time soon. The cost implications of an upgraded magazine are quite major so caution is the name of the game!

We have also had meetings with sponsors and potential sponsors to ensure next year is bigger and better than this year. We are already looking at ways we can improve the presentation of all of the 2010 National events.

Sponsorship proposals and different tiers of sponsorship are being developed to assist us in being consistent and accountable to our sponsors. Sponsors do not donate money, this is a business and we need to provide value. Mind you any donations are gratefully accepted.

We will be looking towards Sponsorship in the following area's: National Ground sponsorship, Overall Trap, Skeet, Sporting Clays sponsors. National teams and travel sponsors. Hall of Fame Evening's etc.

New South Wales State Skeet Carnival

On Friday 14 August 2009 all the fun started, we had people coming from all over NSW and also from other States. The weather was perfect for shooting on Friday and Saturday, with the showers coming in on Sunday. You can usually tell a good shoot!

No complaints about the targets, no trap break downs, great weather (for the first two days and then it was a bit ordinary), affordable noms, a good return of money back to shooters, 92 shooters with a good mix of the grades, good catering and four state titles up for grabs.

This was the NSWCTA Skeet carnival held at the National Shooting Ground in Wagga over three days in August, and the scene was set for some excellent shooting by all who attended. Several members of the NSWCTA executive: President Paul Watchorn along with Les Aberley, Peter Haley, Fred Rapley, Bob Blake and Michael Kruger-Davis, rolled up their sleeves and got in to run the shoot. Sponsorship was secured from Gunsmoke in Bathurst, Safari Firearms, Winchester, Max Kavanagh and Glenn Walker from Hydedspecs, who generously donated a set of these fantastic shooting glasses.

Whilst it was expected that Frank Auditore would run the office and the shoot via his brilliant shoot program, this was not to happen. So this shoot was run the old way: by hand. Whilst it might have been a little slower when nominating and squad sheets had to be hand written, once the first wave was out shooting the job got easier and there were no hiccups from then on.

Event 2 winner Stephen Bell with Les Aberley

There were several other people who need to be mentioned because their input made the shoot the success it was: Kathleen Dawe, our State Secretary, had never experienced a state carnival before, so this was a good initiation before the state trap carnival in October. Trina Watchorn and Sandra Haley worked flat out processing the squad sheets, getting the scores entered on the board and preparing the shoot-off sheets. Ken Douglas also needs a mention because he stepped in and did a range of 'gopher' jobs, those little jobs that take time and cause great concern if they are not done.

A tireless job, that is an absolute necessity, was performed by Elaine Reed and her daughter Donna, who kept the shooters well fed with a range of fair and even some home-made cakes and muffins.

I would be surprised if anyone didn't enjoy the shoot and I would be even more surprised to learn that this was the sum total of skeet shooters in the state. So let's get behind this carnival for next year, if you are a skeet shooter come along, and if you're worried about

competing at a state carnival because you feel you're not good enough: don't worry. There is a chance that you could take home a handicap prize or a B or C grade medal and a prize. The biggest gain will be that because you have experience in a bigger shoot, you will be able to perform better when you're back at your home club. If you're mainly

a trap or sporting shooter, then you are also most welcome: the cross discipline training will improve your shooting and you may take home a prize. It happened this year. If you have any ideas on how the NSWCTA can promote the skeet carnival better, then drop the Association a line: we would value your ideas.

So in beautiful weather, the shoot got off to a good start, and it wasn't long before there were some scores on the board, several in red. A full list of the results follow.

PROPOSED CHANGES TO THE CURRENT HANDICAP FORMULA

Below are the proposed changes to the current handicap formula. The proposed changes are for a number of reasons. Firstly our shooters are asking the rules committee to divorce handicaps from common mark. The new proposal has done this with the exception of AA grade which will have a minimum mark.

The next problem we have been asked to address is the current front mark of 15 metres. Currently C grade shooters cannot go forward of 15 metres, but are shooting less than 87% to remain in C Grade. This is the percentage we allow all other shooters to move forward of their handicap mark. Under the new proposal, shooting less than 90% would enable all non competitive shooters to move forward.

It is proposed that the introduction of the amended Handicap formula will make handicap shooting more competitive, enjoyable and will lead to an increase in handicap events at all levels.

If you would like to have an input into any of the proposed changes you would please direct these through your club and zone delegates to your State Association?

Ron Traill
Chairman, ACTA Rules Committee

PRESIDENTIAL MEDALS

JAMES (JIM) SHEPHERD

Jim has been heavily involved in all aspects of clay target shooting within Australia for more than 30 years. During this time Jim has met with success as a competitor, but more importantly has contributed countless hours to the betterment of our sport in many administrative roles.

Jim began his shooting with the Maryborough Clay Target Club (Victoria) in the early 1970's and to this day, is still as enthusiastic as ever in ensuring Maryborough has a prime role in Zone, State and National activities.

His work behind the scene for our sport is unsurpassed. He has produced the Clay Target Shooting News for at least 14 years and during this time we have seen many improvements in the quality of the newsletter.

Such is Jim's commitment to helping our sport as a consultant and sponsor, Jim has assisted the Association with the production of our Rule Book, our Score Card and many, many other print requirements.

As a Rules Supervisor, perhaps Jim's most passionate position, he has put in many hours discussing, arguing and researching the rules of our sport. He does not restrict his interest to one discipline. It should be noted that our Rule Book has been divided into specific sections for Trap, Skeet and Sporting. This very time consuming task was undertaken by Jim.

In his role as a Level 3 Coach, Jim has conducted many successful coaching clinics all over Victoria and will continue to do so.

Not only does Jim have a passion to see shooters succeed, but he also conducts Rules Seminars and Secretary/Club Official workshops so club officials can also achieve in their roles.

His contribution to the public of Maryborough and District as a Firearms Safety Instructor is immeasurable. Jim has been conducting the shooters' licence classes/tests since their inception in 1988. As these examinations are held monthly, it is testament to Jim's desire to help all shooters.

It is difficult to list all Jim's contributions to the sport in this brief article but he certainly is a very worthy of the Presidential Medal awarded to him earlier this year.

Congratulations Jim.

RODNEY WOODROW

Rodney Woodrow began shooting at the Wandoan Gun Club as a registered shooter in 1985 and has been instrumental in the running and growing of this club.

Rodney has held the positions of Club Secretary, Club President, Club Treasurer, Western Zone President, Level 1 & Level 2 Coach & Western Zone Coach.

Rodney is unselfish in his efforts to improve the standard of clay target shooting for individuals. He has travelled extensively across Queensland to assist clubs and shooters, always at his own expense. His workshops have benefited shooters from all standards and grades, from novice to experienced shooters and many of his students will attest to the success of his methods.. A popular and extremely well respected person, as a coach Rodney is professional, thorough and approachable and his presentations are always very well attended. Rodney has consistently refused payment or reimbursement of any kind for his services and continues to make himself available to assist in any and many capacities on a voluntary basis.

It is difficult to list all Rodney's contributions to the sport in this brief article but he certainly is a very worthy of the Presidential Medal awarded to him earlier this year.

Congratulations Rodney.

DTL at Wangaratta Clay Target Club

The Wangaratta Clay Target Club held its August Down The Line shoot on Saturday 15 August attracting 36 competitors. The weather was perfect for the days events, with the orange fluoro targets standing out well against the blue sky. Although the numbers were down a little on average, a very pleasant days shooting resulted finishing a little earlier than normal. An 'off the fence' event was held at the conclusion of the main program which always ensures a few laughs and good natured banter amongst the shooters, a great way to end the day in a relaxed environment.

Event 1 a 10 tgt Points Score eye opener was divided amongst 8 possibles. The 2nd event a 20 Tgt Points Score Ch/Ship was taken out by AA grade shooter Brett Ford with 69/69 and 2nd in AA by Phil Matthews with 62/63, first in A grade was won by local member Lou Rech on 68/69 defeating junior champ Kayla Grassi on 64/66, Vic Tomasoni from Smoko shot well again to win 1st in B grade with 57/60 and 2nd place by Wodonga shooter Harry Stolpe on 56/60, C grade was won by Steve Collihole with 52/60 and 2nd by Eugene Tomasoni shooting 47/60.

Event 3 a 20 Tgt Double Barrel Ch/Ship was well won by local top shot Angelo Grassi shooting 84/84 and 2nd in AA by Pat Calandro on 68/69, Shaun Mc Gauran took out 1st in A grade with 83/84 and 2nd by Tim Peacock shooting 64/65, junior shooter Ethan Brindley won 1st in B grade shooting 28/29, Ethan will go a long way in clay target shooting, already able to beat some of the adult shooters, Greg Ganning won 2nd in B with a score of 26/27, Tony Ruvolo shot 19/20 to win 1st in C grade and 2nd was won by Steve Collihole with 18/20.

The last event, a 25 Tgt Continental Ch/Ship saw Brett Ford once again take out another event shooting a perfect score of 48/48, well

done Brett, 2nd in AA was won by Phil Matthews with a score of 47/48, Shaun McGauran again proved too hard to beat by Tim Peacock, winning A grade with 30/31 with Tim once again relegated to 2nd with a result of 28/29, Roy Ellis won B grade shooting 24/25 and 2nd by local veteran Keith Robinson finishing with a good result of 33/35, Lavington lady shooter Wendy Parker shot very well to win C grade with a score of 25/29 ahead of another keen lady trap shooter Michelle Rawlings on a final score of 24/29.

The veterans High Gun was won by Vic Tomasoni on 127/135, the Junior High Gun by Jaidon Parker with 129/135, the Overall High Gun trophy went to Brett Ford with the top result of 134/135 and the Ladies High Gun was won by junior Kayla Grassi with a result of 127/135.

The Wangaratta Clay Target Club will be celebrating its 90th birthday over the weekend on Sat 17th and Sunday 18th of October and expects a large group of competitors to attend this milestone event. LITTLE RIVER GAME RANCH CHAMPIONSHIPS

Location Little River is a town in Victoria, Australia, 51 km south-west from Melbourne's central business district

On Saturday the 1st of August 2009 the Little River Game Ranch conducted its first multi discipline sponsored Championship shoot. The day consisted of three DTL events, one Skeet and one ZZ event. As the club is a relatively new A.C.T.A. venue, it was of some importance to members to put on a big day of shooting with thousands of dollars of trophies as an introduction to our club for other A.C.T.A. members across the country. Thanks to our much appreciated sponsors, the day was a huge success. Previously to this event we only hosted one DTL layout but as we knew we needed at least one more layout to run the day, we had to come up with a plan. As it worked out we were able to purchase a brand new hopper fed trap just weeks before the event and thanks to a lot of hard work by the club President Mr Eric Bullmore the 2nd trap layout was constructed and the trap machine installed just in time for the shoot.

Steve Haberman OA DB Champion & Marc Crimmins

As the day commenced at 12 on the dot it was great to see just on 50 shooters roll in the gate. Some travelling from as far as 300 kms away. With a cool winter's day and a strong easterly breeze, the hot food and fire place was popular for many in between events.

Event 1 was a five target Points Score Eye Opener with 16 shooters

doubling their money with a clean score. Event 2 was the Kaliba Optics 20 Target Points Score Championship sponsored Steve Haberman Shooting. Five shooters were good enough to shoot the possible being Ben Brown, Billy Preston, Randell Victers, Tony Dintale and Steve Haberman. After a great shoot off between Steve and Tony that nearly lasted 50 targets, Steve was victorious taking out overall, all winners and place getters in this event received Kaliba Shooting Glasses as prizes.

Event 3 being the blue ribbon event for the day. Shooting for a gun in each grade was the Gray's Tyre Service Brooklyn, 40 target Double Barrel Championship. Even with some rough windy conditions in this event, the banded White Flyer targets flew superbly and smoked up beautifully which told the story on the scoreboard with 14 possibles being posted. After 100 targets it was down to Tony Faranda and Steve Haberman battling it out for overall. At target 137, Tony let one land and Habey was the winner. Steve received a 15 shot lever action .22 rifle for overall plus a deluxe sash. Tony Faranda won A grade and won a .177 armed air rifle and so did Lyndon Piastrri for B grade and Vinnie Basil for C grade.

Event 4 was the Kemen cartridges Skeet handicap sponsored by Spartan Global. Being a handicap event it gave the hard core trap shooters a good chance to get into the winners circle. Junior shooter Josh Collard took out the overall with the perfect 25, not bad for his first Skeet comp. Three shooters split 2nd and 3rd place.

Mean while over at the ZZ layout, shooters lined up all day long to give this exciting by difficult discipline a go. In the main event which was a mixed meterage cash event, Andrew Cox, Josh Collard and Marc Crimmins split the overall purse.

Last but not least we had a DTL High Gun shoot off. Ben Brown and Steve Haberman shooting a clean score over the program. Ben also achieving his first 100 break over the day. After a couple of rounds Habey was once again the winner capping off a great day.

Many thanks to all our sponsors and all that attended, making it a great day, our next shoot will be on A.F.L. Grand Final Day. Hope to see you there.

ACTA Sporting Nationals BENDIGO, VICTORIA

After learning that the ACTA 5 Stand Sporting Nationals for 2009 were not going to be run at the National Grounds in Wagga Wagga, Bendigo and Maryborough Clay Target Clubs, as a joint venture, decided to apply for the opportunity to host the Nationals at the Bendigo range.

Both clubs run very successful club sporting days but individually did not have sufficient equipment or traps to put together a full two day, four layout competition. The ACTA accepted the proposal and a joint committee was established to organise the August event.

It was decided that each club would be responsible for two of the four layouts, and the committee set about organising clay targets, mobile towers, portable fencing, portable toilets, additional traps, sponsorship and to work out office and ground staff. Detailed plans were also drawn up to decide what target (type, colour and trajectory) would be thrown on each ground, nothing was left to chance.

At 7.30 am on the Friday before the Championships, but with a

great amount of work already done to ensure that traps and

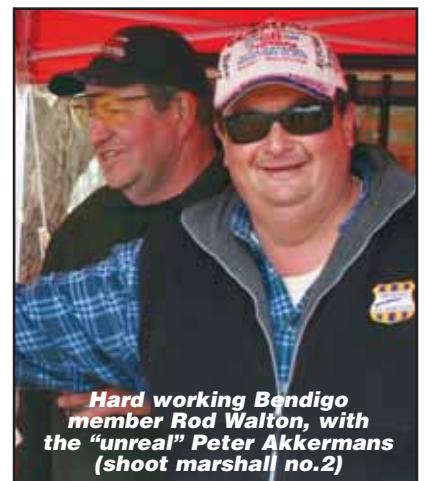

equipment were ready to perform, the

Maryborough Gun Club members started loading the 9 sporting traps and cages onto trailers for the trip of some 90 km to Bendigo. On arrival the grounds looked magnificent, Bendigo members had erected the protective portable fencing to separate layouts and some traps were already in place. You may think that with all the planning everything would come together quickly, however nothing goes exactly to plan and some changes had to be made to make grounds work. By 4.30 pm that day the workers were exhausted but satisfied and ready for an early start next day.

It was disappointing to learn that the Victorian Field & Game Assoc. had decided to run a so-called "5 Stand National Sporting Championship" on the same day at Shepparton, which is only about 80 km away. Without doubt this had some impact on numbers.

Loading the traps at Maryborough for the trip to Bendigo

Hard working Bendigo member Rod Walton, with the "unreal" Peter Akkermans (shoot marshal no.2)

On Saturday morning when it was time to uncover and load the traps the temperature was minus 3 degrees but the day quickly warmed up and the competition got underway at the scheduled time and ran like clockwork. The success of the Nationals is testament to the cooperation and to the amount of work carried out by both clubs. Each of the four grounds were uniquely different, with 5 traps per layout and carrying a range of standard and exotic targets. The layouts had both soft and hard targets and catered well to all shooting grades. After the first day the average scores across all grades verified that the grounds had the correct mix of targets. An analysis of the average percentages were: AA grade 84%, A grade 74%, B grade 64% and C grade 60%. Many favourable comments on the running of the competition and quality of targets were received.

Craig Macpherson, winner of the ACTA Sporting Clays Championship and also National Sporting Clays Champion

Day one, the outright and overall winner of the 100 target ACTA Sporting Clays Championship was Craig Macpherson from Ballarat F & G with a great score of 93/100. AA grade went to Sox Pilipasidis (Noorat) on 90/100, A grade was won by Nathan Harris (Bendigo) who also took out the Juniors, Brendon Pearson (Melbourne) won B grade and Peter Tate (Maryborough) was first in C grade. The Ladies section was won by Angela Marris (Geelong F & G) and the Veterans went to Stanley Archard (Cohuna).

Day two started off with yet another frost but the

temperature remained cold for most of the day. By now the Queensland contingent, who were camping on the ground, had abandoned their shorts and were now even sleeping in their recently bought tracky dacks. The clubhouse heater proved to be a popular gathering point and (No.2) Peter Akkermans seemed to need more time in the kitchen for coffee breaks than the day before.

It was great to see our Tasmanian visitor and Executive member George Pinner attend the shoot, even after he shot at one of the targets a bit late and managed to cut a release wire in half. Despite this small hold up the competition finished early and even the shoot-offs were over by 4.30 pm.

The overall winner of the 100 target Commonwealth Sporting Clays Championship was Anthony Panetta from Geelong with a score of 107/115, after a shoot-off with Brenton Irons (Geelong SSAA) who took out AA Grade 115/125. Noel Lillis from the Gold Coast G C won A Grade. B Grade went to Daniel Lillis (Gold Coast G C) who also won the Junior section, with Len Martin taking out C Grade. Veterans again went to Stanley Archard, and Angela Marris won the Ladies.

The National Sporting Clays Champion was determined

over events 1 and 2 and Craig Macpherson, who proved to be unbeatable, took out the royal blue sash with an excellent score of 185/200. First in AA Grade was Sox Pilipasidis, Brenton Irons was

Nathan Harris, 1st A Gr ACTA Sporting Clays Championship and Overall Jnr National Sporting Clays

second and Anthony Panetta 3rd. A Grade went to Andrew Tink, second place was taken out by Noel Lillis and Nathan Harris was 3rd. In B Grade Daniel Lillis took first place from Brendon Pearson and Stanley Archard third. Peter Tate won C Grade, Len Martin finished second with Ross Dunstan third.

Nothing changed in the Ladies, Veterans and Junior sections, with Angela Marris winning the Ladies, Nathan Harris the Junior and Stanley Archard Veterans.

The State Sporting Clays Teams event was won by Victoria. Team members were Nathan Harris, Leigh Roberts and Phillip Stowe with a combined score of 502/600. The same shooters, all Bendigo members, also took out the Club Teams event.

The committee would like to thank our generous sponsors. Bruce Burns of Corsivia-GB for the Corsivia targets that performed so admirably over the weekend and for his assistance in supplying the commemorative caps that each shooter was presented with. Coates Hire for the travel tower and for providing the wonderful BBQ breakfast. Brian Heffer of Ibis Target Products for his assistance and for the supply of spare traps. Steve Haberman of SH Shooting for donating the Armed Air Rifle for the raffle. Without these sponsors the championships could not possibly have been so successful.

We would also like to thank the many shooters who travelled from local and interstate to attend, especially the team members from Western Australia, South Australia, Queensland and New South Wales. Sporting Clays now seems to have established its place under the ACTA umbrella. This discipline is growing fast and more and more clubs are running 5 stand sporting. Sporting clays is now clearly on the National shooting calendar.

Psychological Skills for Shooting

by Michael Kruger-Davis

ATTENDING

Last month's article explored the notion of attending and how concentration is really being able to focus your attention on the job at hand and not be distracted by either internal or external variables. I concluded last month by describing the three main errors associated with attending as described by Abernethy. Using the metaphor of a searchlight, Abernethy, describes the concept of selective attention and explains the three common errors associated with selective attention: If the searchlight beam is too broad, then you are failing to focus all attention on the limited essential elements for success. If the searchlight beam is pointed in the wrong direction, then you are being distracted from relevant information by irrelevant information. Finally, if the searchlight beam is too narrow, then the athlete is unable to move from one stimulus to another rapidly enough.

In this article, I will explore these three errors more fully.

Imagine the shooter who after the possible, stands in front of the scoreboard and looks at the other scores, especially those in red, to see who he or she will be shooting off against. As the shooter is going through the list, he/she is making a mental note of their ability, what have been the results of previous shoot-offs, etc. The shooter may have also spent time looking at the trophy display, and sees him or herself with a particular trophy or sash. As the shooter moves out on to the layout, he/she notices the crowd, the flag that is now showing the wind has picked up and the people about half a kilometer away in front of the layout.

It is likely that this shooter will miss. This is because although he/she is concentrating on relevant clues there is also a lot of attention being given to irrelevant clues: especially the scoreboard, which will then cloud the task at hand, which is seeing and shooting the target. For this shooter, the searchlight is too broad. Being too broad allows the shooter to focus on either the past (making judgments about previous shooters and previous results) or the future (worrying about hitting the target so you can win that prize).

Shooting, and this can be any discipline: DTL, Trench, skeet or sporting, provides us with an excellent example of the second error. Because of grade or handicap, most of us know what our ideal performance level is so when we are shooting we often compare how we are going with how we usually perform. For example, a AA trap shooter should get 25/25, but if his/her skeet grade is B, then a score of 22 or 23/25 might be expected, or a B grader in trench, a score of 19/25 or 20/25 might be expected. This is similar to the par in golf: "par" is the artificial score that each golfer is trying to achieve or get close to.

Focusing on the "expected" score, takes the shooters concentration away from shooting the target. The goal for every shooter should be to hit the target they have just called for. If, however the shooter is focusing on the whole round, he/she has increased the effort need because attention now has to be given to the target and the process of shooting it for the whole round. To maintain concentration for such a length of time will be tiring and risky. It is now that the shooter is making the second error. The searchlight is now focused in the wrong direction. The single target is the focus not the whole round. Focusing on the whole round also takes our attention away from the present. The one target is the present task, but is we think of twenty five targets we can drift back to thinking about the past

(previous targets we missed or previous targets from this station, or we can project our thinking and attention to the future and start thinking about what our total score might be. Thinking about the future will lead to anxiety and will probably cause us to miss because our attention is now focused on the wrong target.

The final error involves being unable to divide your attention among stimuli that needs to be processed concurrently. This is a difficulty for novices, especially in complex ball sports such as rugby, where there is a need to have a high capacity for attention coupled with an ability to switch the focus of attention often. It is often thought that if you are under pressure then by narrowing your focus, you will perform better. This is not always the case and can lead to choking, because you become unaware of the other aspects that are important in the game. This narrowing of focus can also lead to fatigue and self-doubt, which in turn limit the body to move efficiently or the mind to consider taking risks.

There are several external and internal distractions that limit our ability to attend effectively. External distractions include noise or lack of it, gamesmanship, weather and playing conditions and visual distraction. There are ways to turn off these distractions, Perry states that before the 1988 Olympics in Seoul, the hockey teams practiced on fields that had loudspeakers around them playing Korean drums throughout the practice and announcements constantly in English and Korean. The internal distractions such as fears, worry, thoughts etc are much harder to have mastery over. According to Perry, in reality there is no distraction until we recognize it internally. Even though our perceptual field (vision, hearing, touch and smell) receives the information doesn't about the external environment doesn't mean that the information is perceived and processed. Shooters must distinguish distraction from valuable performance cues, then use this information to enhance self-efficacy, self-confidence and performance strategy. If you are unprepared for the competition: and this can involve physical, technical or mental skills, then you may become preoccupied with the distraction, rather than the task, and this will lead to choking.

TOUGH CONDITIONS AT MOREE FOR ZONE CARNIVAL

**Location: Moree Clay Target Club, Northwest NSW,
5hrs Brisbane, 7hrs Sydney**

The Moree Clay Target Club held its annual 2 Day Winter Carnival on the 4th/5th July, incorporating the NSWZCTA carnival. 112 shooters merged onto the grounds to compete for top honours in 6 events over the weekend. Shooters travelled from Cessnock, Echuca, Orange, Tamworth, Brisbane, Springsure, Wandoan and all areas of the NSW Western Zone. The grounds looked fantastic due to the hard work of club members, with all facilities in A1 condition. Six Canterbury traps were used and even with a slight breeze the targets looked great. With selection for the zone team up for grabs, eligible shooters took to the layouts with great concentration. The Moree Club were pleased with the roll up of shooters and would like to thank all those who made the effort to attend and make the weekend a great success.

The first event for the weekend was a 25tgt DB cash divide eye opener, there was 13 possibles in AA grade, 2 in A grade, 3 shooters shared the B grade money, with 4 sharing the cash in C grade.

Event 2 was the 50tgt Single Barrel, Moree Club and Western Zone Championship sponsored by National 4x4 Tyres. Moree's Clyde Mitchell was the only red on the board taking home the championship sash. The only shoot off for the event was for 2nd in AA grade and Australian shooter Alex Dallas took the honours, even with a sore back (some say it was not his back but a carrot somewhere it should not have been).

OA Clyde Mitchell 50/50, AA Grade Jumbo Brown 49/50, 2nd Alex Dallas 66/68, A Grade Jason Owen 47/50, 2nd William Powell 47/51,

Event 3 was the Namoi Cotton 50tgt Double Barrel Zone Championship. 3 squads of shooters returned to the traps for the shootoff for overall and only after 27 targets Cobar's James Mann won it with a 77/77, AA Grade Darryl Stevens 76/77, 2nd Andrew Moore 69/70, A Grade Brenton Long 76/77, 2nd Viv Moore 64/65, B Grade Jarrod Turner 77/80, 2nd Dave Schultz 76/80, C Grade David Quirk 49/50, 2nd Gerald McInnes 46/50, Ladies Helen Overton 58/59, Juniors Andrew Moore 50/50, Veterans John Kent 54/57.

Event 4 saw some go for the pillows and blankets as the rest braved the cold and lined up for the Nufarm Aust 30tgt Night Single Barrel Championship. Well done Darryl Stevens, standing around the fire before hand he was telling us how easy night shooting was. If only he got another 22 targets he could have won. However, Tottenhams Neville Owen took home the bacon. Overall was Neville Owen 39/40, AA Grade Peter Holmes 38/40, 2nd Clyde Mitchell 29/31, A Grade William Powell 32/36, 2nd Jason Owen 31/36, B Grade Julie Allan 28/30, Jarrod Turner 28/32, C Grade David Quirk 26/30, Tracey Boon 22/30, Ladies Julie Allan 28/30, Juniors Jason Owen 27/30, Veterans John Kent 38/35.

The final event for the weekend was the prestigious Frank O'Neil 50tgt Fixed Graded Meterage Trophy, sponsored by Lowreys Small Motors and Andrew McManus Engineering. After a very short visit back to the layouts for the shootoff Moree's Paul Tattam won with a 53/53. It was great to see Paul win this event, as he was an instigator of the starting of this trophy, 2nd place went to Bryan Manns 52/53, 3rd Geoff Moore 52/53, 4th place went to Robert Thompson 56/58 and Surat's Viv Moore kept the ladies in the honours with a 5th place 55/58.

The e-Chem Australia High Guns went to Overall Robert Thompson, Cobar, 321/325, AA Grade Bryan Manns, Cobar, 317/325, A Grade Viv Moore, Surat, 310/325, B Grade David Watts, Moree, 302/325, C Grade David Quirk, Moree, 217/325, Ladies Viv Moore 310/325, Juniors Jarrod Turner, Cobar, 301/325, Veterans Peter Fitzalan, Dubbo, 296/325.

Congratulations to all those who were successful in taking home prizes.

No one went hungry over the weekend, thanks to Michael and Susan Brown for their fantastic efforts. A very big thank you must go to Rodney Woodrow, Julie Allan and Viv Moore for running the computer programme for the shoot. If your club is in need of a good programme to run your shoot, contact Rodney Woodrow at the Wandoan gun club. Thanks to Moree club members who helped to make the shoot a success, and also thanks to sponsors for your donations. Lastly, to the shooters for attending our club and we hope you enjoyed yourselves and we will see you back here soon.

See you on the Traps, Dave Watts

Kempsey Awards Jack Gosling Life Membership

Location Situated right in the heart of the Mid North Coast of NSW

It was a beautiful midwinter's day at Kempsey for our July shoot. We had six squads ready to take to the traps at midday however, we opened proceedings by acknowledging one of our long time dedicated club members, Mr Jack Gosling. Jack was turning 80 later that week and Kempsey CTC decided to recognise the dedication and support Jack has given to our club over many decades. Ted Baker,

Jack Gosling, Life Member at Kempsey

the club President spoke of Jack's history with the club prior to awarding Jack with Life Membership of Kempsey Clay Target Club. Jack and his family were extremely proud of this prestigious award and all the shooters shared in Jack's celebration. The "Baker Boys" even brought out the original old trap, a Damo, that Jack had competed with early in his career, however, it did not get used this particular Saturday, it was only out in honour of Jack.

get dropped and places could be easily decided. Our top grade shooters hardly missed in such great conditions. It was only a second barrel or two that reduced their points and determined the final placings. Even our B and C Grade winners, had to shoot very well to be taking home a prizes. The results for the 50 Target Point Score 15m Club Championship were Overall M Flanagan, 149/150, AA Grade 1st B McKinnon 147/150, 2nd D Pasfield 144/150, A Grade 1st J Griffiths 147/150, 2nd R McLean 145/150, B Grade 1st B Neill 139/150, 2nd B Ellison 136/150, C Grade 1st M Burke 127/150, 2nd B Pharo 126/150.

We went out for the first event, the 10 Target Double Barrel Cash Divide Eye Opener and the results were AA Grade G Gosling, B McKinnon & K Miller 10/10, A Grade R McLean, J Piper, B Griffiths, M Flanagan & J Griffiths 10/10, B Grade J Burke, D Piper 10/10, B Ellison, M Wilkins & D Lomas 9/10, C Grade L Langer & K Gosling 9/10, D Deland & B Pharo 8/10.

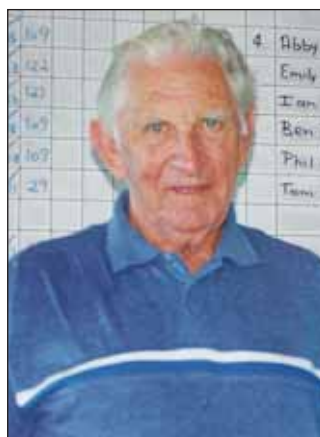

Our second event was the 50 Target Point Score Club Championship. This was shot in two walks. Being point score, it only took a target or two to

Brett McKinnon AA grade Club Championship winner

Jamie Griffiths A grade Club Championship winner

Bill Neill B grade Club Championship winner

Margaret Burke C grade Club Championship winner

The final event for the day was the 15 Pair Double Rise. This is always good fun even if a lot of birds get away. It's an ideal way to clean the gun barrels out and to try to shoot quickly and accurately. Not always an easy task. When you do finally hear the call of 'one/one' it's such a buzz. I usually get so excited about my small success that I then proceed to miss my next pair that I call for. Ultimately, it's just good fun, and isn't that why we all shoot?

The final results for the 15 Pair Double Rise 15m Cash Prize were AA Grade G Gosling 25/30, B McKinnon & K. Miller 19/30, A Grade M Flanagan 26/30, J Griffiths 25/30, R McLean & J Piper 24/30, B Grade I Howe, 20/30, K McWhirter & B Neill 19/30, C Grade M Burke 21/30 & L Langer 19/30, B Tyson 18/30.

High Gun Michael Flanagan 185/190.

We all had a great day and are looking forward to our next shoot.

THE YORKSHIRE TROPHY BACK TO THE FUTURE!

The highly successful Yorkshire Trophy, conducted by the NSW Gun Club in recent years, is to undergo an extensive change of format. The Trophy, which has been ostensibly a novelty competition in Australia in recent years, is to be expanded, not by the introduction of new disciplines but by returning to the original format for which The Yorkshire Trophy was intended at its conception at The NSW Gun Club in 1983.

The Trophy was originally commissioned in 1937 as a preliminary shoot prior to the opening of the English game shooting season each year. To maintain the history, and to be true to the original concept, the competition is again to be over those disciplines depicted in relief on each of the six sides of the magnificent silver trophy itself. The novelty disciplines will remain as a second event and continue to form an integral part of the overall competition.

To enable the Yorkshire Trophy to be successfully conducted in its new format, the competition will be held at both the Newcastle Lake Macquarie Clay Target Club and the NSW Gun Club. The new disciplines will be held at the NLMCT Club with the novelty section to continue at the NSW Gun Club.

The disciplines to be introduced, and to be contested at the NLMCTC, will be contested as a one day event based on 125 targets in the following configuration: 25 Targets Trench, 25 Targets Skeet, 25 Targets Trap (Continental Point Score), 50 Targets Double Rise Pairs

The conditions for this section of the competition are the one gun must be used for all disciplines and no choke changes are permitted

The competition will now be a bi-annual event. Competitors may elect to compete in either or both events and silver medallions and

prizes will be awarded for both competitions at both venues.

Bob Ellison, who originally donated the Yorkshire Trophy for competition in Australia, will continue to sponsor the event. He will supply the sterling silver medallions which will be engraved and presented to all winners at the conclusion of each shoot at both venues. He will also generously contribute \$500 to the overall prize pool.

The Yorkshire Trophy, having been re-invented, will without doubt return this competition to its rightful position on the Australian Shooting calendar. The competition will restore the history originally intended as well as to guarantee not only two most enjoyable events, but also injecting the Yorkshire Trophy in Australia with the prestige it rightfully deserves.

Australia Cup 3 at Melbourne Gun Club

Over the weekend July 24-26 the Melbourne Gun Club in Lilydale, Victoria played host to the 3rd leg of Australia Cup Series held for the ISSF disciplines. Entry numbers were at an all time high and some fantastic shooting was the result.

DOUBLE TRAP

Double Trap was held on Friday 24th with 18 entrants nominated. Weather started fine and sunny with not a breath of wind for the first round and Tim Kneale from the Isle of Man took full advantage of this posting a clean 50/50 in his first round and basically said catch me if you're good enough from there. His next two rounds of 47 and 44 saw him lead into the final on an excellent score of 141/150.

Double Trap Gold Tim Kneale (Isle of Man), Silver Russell Mark (Vic), Bronze Craig Trembath (Vic)

Next to qualify to Tim was Craig Trembath on 132, Russell Mark 130, Nick Kirley 129, Tom Turner 128, Josh Collard 121.

Final Results for Double Trap 1st Tim Kneale 141 + 46, 2nd Russell Mark 130 + 45, 3rd Craig Trembath 132 + 42, 4th Nick Kirley 129 + 43, 5th Tom Turner 128 + 40, 6th Josh Collard 120 + 33

LADIES TRAP

Saturday dawned overcast and breezy, with wind gusts and changing light making conditions tough for the girls competing in the Ladies Trap event. 14 competitors lined up to compete for this event which

Womens Trap Gold Tracey Barton (Vic), Silver Michelle Beecham (Vic), Bronze Emma Eagles (NSW)

ended up a very close affair. Tracey Barton who has only just recently taken up ISSF Trap under the watchful eye of new coach Steve Trembath lead into the final on 64/75. Emma Eagles was next to qualify with 61, Michelle Beecham on 60, Stacy Roiall 59, Suzy Balogh 58 & Teegan McCloy 58

Final Results for Ladies Trap 1st Tracey Barton 64 + 17 + 1, 2nd Michelle Beecham 60 + 21 + 0, 3rd Emma Eagles 61 + 19, 4th Stacy Roiall 59 + 12, 5th Suzy Balogh 58 + 13, 6th Teegan McCloy 58 + 11.

LADIES SKEET

Also shot on Saturday the Ladies Skeet event although only having 3 competitors became a tight tussle right to the end between Laura Coles, Lauryn Mark and Zita Dettori. Only 1 target split the 3 of them going into the final. With Laura Coles shooting a great 23 in the final to win. 1st Laura Coles 64 + 23, 2nd Lauryn Mark 63 + 21, 3rd Zita Dettori 64 + 19.

Skeet Women Gold Laura Coles (WA), Silver Lauryn Mark (Vic), Bronze Zita Dettori (NSW)

MENS TRAP

Due to the large amount of entries and only having 2 layouts to get through all the shooters only 2 rounds were shot on Day 1 for the Men with the remaining 75 + final being shot on Day 2. Adam Vella made his statement right from the word go shooting the first 50 straight in some pretty tough conditions to give himself a 4 target lead. Sunday the weather was much more favourable to the shooters with good light and just a gentle breeze saw some much higher scores posted.

RICHMOND RIVER GUN CLUB NEWS

WAYDE HAWKINS RICHMOND RIVER GUN CLUB CHAMPION OF CHAMPIONS FOR 2009

The red pen didn't get much of a work out on Sunday 26th July at Richmond River Gun Club when eight squads turned out to shoot a 25 target points score cash divide warm up event and then a 75 target medley off 18 metres for the Champion of Champions trophy.

Rick Spencer, Ted Schneider and Kim Nealon were the only ones with red numbers beside their names on the scoreboard having achieved the possible 25/25 in the double barrel stage of the event of the day.

Wayde Hawkins, 2008 National Champion of Champions, was the overall winner with a total of 121 out of a possible 125.

Mark Formaggin (143/150) won AA grade from Kim Nealon (142/150) after a shoot off.

Rick Spencer was successful in A grade with 118/125, Ted Schneider 2nd with 116/125.

B Grade saw the fat end of the prize go to Henning Beth of the Tyagarah Club (116/125). Rebecca Vary (138/150) outpointed Geoff Pringle (136/150) after a shoot off for second.

Phillip Consalvo (98/125) overcame a disappointed single barrel stage with a solid performance in the final 25 targets (points score) to wrest

RICHMOND RIVER'S PRESIDENT, MIKE SULLIVAN WINS JAN HARDING MEMORIAL SHIELD

Location 776km's north of Sydney between the rainforest and the sea

Mike Sullivan and Don Johnson

A gusting west-south west wind made scoring difficult for most of the 37 competitors at Richmond River Gun Club's monthly shoot held on 28th June while there were some impressive performances from others.

Four events were contested as well as the finalisation of the Jan Harding Memorial Shield which was won by President Mike Sullivan from Don Johnson. Neither had dropped a target over the five rounds of the progressive event but one managed to elude Don during the shoot-off.

Possibles were shot in the 25 target double barrel cash divide by Kim Nealon and Ray Turner in AA Grade, Peter Brown in A Grade and Steve Murray in B Grade, Nancy Davis Grafton CTC won the money in C grade with a creditable 24/25 understood to be a personal best.

Kim Nealon did not dirty the second barrel winning the 25 target Points Score with a perfect 75/75 from Ray Turner 73/75, winners in other grades were Jeff Lowndes 71/75 from Tom Harris of Tumut CTC 69/75 in A Grade, Steve Murray 73/78 from Geoff Pringle 72/78 B Grade and Ian Sullivan 65/75 from Don Johnson 64/75 in C Grade.

The best score shot in the event of the day a 50 Target Continental was achieved by A Grader John Lucas with a 49/50. Ray Turner 76/78

Steve Murray B Grade winner in 25T DB and 25T PS

Nancy Davis of Grafton CTC winner C grade 25T DB Cash Divide

enjoyed some personal satisfaction over Kim Nealon 75/78 in this event after a shoot off of an additional 28 targets to win AA grade.

Other prize winners included Phil Westbury 2nd in A grade with 70/73 after shoot off, Terry Preston 46/50 won B grade from Steve Murray 41/50, and Jake Davis 45/50 took out C grade from Bruce Copper 48/57.

Official opening of Facility upgrade planned for 30th August 2009.

Last month's CTSN made readers aware that Richmond River Gun Club had recently completed a major facility upgrade. The official opening is planned for 30th August a 5th Sunday but is subject to confirmation that representatives of both State and Federal Governments can be in attendance.

The committee is still working out the details of the program but an official ceremony at ten am followed by shooting events is the likely format.

Skeet, trap and perhaps five stand designed to showcase our activities rather than provide fierce competition will be conducted and costs will be kept to a minimum.

The success or otherwise of the opening is extremely important as a public relations exercise in relation to clay target shooting in this region. It affords an opportunity to showcase our activities and promote clay target shooting generally. The event is likely to attract significant media attention so a strong attendance of members and supporters is vital.

SEBASTOPOL GUN CLUB

On Sunday July 19 Sebastopol Gun Club held its monthly clay target competition. The weather on the day was cool and blustery throughout the event. The competition attracted 24 shooters from across the district.

The first event of the day was a 45 target mixed target championship event, shooters shot at 15 targets double barrel, 15 single barrel and 15 point score Neil Hayden was announced the overall and A grade winner with a score of 72/75 second in A grade went to Rhys Hirth 120/125 after a shoot off, in AA grade William Woodward won with a score of 79/85 from Ricky McKinnon second shooting 77/85, first in B grade was Alen Breen shooting

104/115, from Matt Taylor who shot 103/115, in C grade Ricky Bailey won with a score of 69/75 from Rodger Pyle 51/75.

The second event of the day was 25 target ball trap championship Murray Schaper managed to claim overall and B grade winner with a score 24/25, second in B grade was Neil Hayden shooting 22/25, in AA and A grade Wayne Calaby and Ricky McKinnon shared the win with a score of 20/25, C grade was won by Gregg Parry with a score of 27/32 from Rhys Hirth 26/32.

The club would like to congratulate all the winners and place getters, and thank all competitors for a fantastic days competition. The next competition is on Sunday August 16.

RAY "BLUE" BAYLEY

17/04/1934 – 28/06/2009

It is with great sadness that we say goodbye to our mate Ray "Blue" Bayley (alias Bronzewing to the shooting family and all those who read his article in the Yass Tribune with interest each month).

Blue was instrumental in re-forming the Yass Clay Target Club in the mid 90's and held positions as President, Secretary and PR Rep in the club for over 12 years. Blue was always a welcoming face at the club for new arrivals and willing to share his knowledge from shooting to fishing and all things mechanical.

His ability to spin a good yarn over a few ales is something we will all miss.

We have lost a very valuable member of our club, a fair dinkum bloke and a "bloody" good mate.

To his family we send them our deepest sympathy.

Farewell Blue from all at the Yass Clay Target Club.

NEIL GEORGE ROUSE

13/08/1933-30/06/2009

Neil Rouse was a keen clay target shooter as well as being an enthusiastic fisherman. Initially Neil joined the Bega Club when he moved to the Far South Coast from Morwell in Victoria some

20 years ago. Neil was also a foundation member of the Bermagui Field & Game Club in 1987. When Neil was not involved in target shooting he was out in his tinny catching fish. Neil was a hard working Club Member for both the Bega Gun Club and the Bermagui Field & Game Club. Neil always actively participated in the setting up of the range and the running of any day he attended.

Even when Neil's health began to fail he was still always willing to lend a hand at club level, this being the nature of the man. So much so that 40 uniformed Gun Club Members formed a remarkable Guard of Honour at his final farewell. Neil's absence will be noticed around the South Coast traps and wharves for quite some time. Farewell Neil.

ALAN PEARSON

12/07/1931-05/06/2009

It is with the greatest sympathy that the Broken Hill Gun Club announces the passing of one of its most esteemed members, Mr Alan Pearson

Alan has been a valued member of the club for the last 29 years and was not only a keen competitor and tireless worker around the club but a true friend to all who knew him. The BHGC committee and members offer their condolences to his family as Alan will be sadly missed by all who knew him.

Shooting at West Wyalong in the wind and rain

Location right on the crossroads of the Newell and
Mid Western Highways, close to the centre of NSW

The weather turned colder and it started to rain later during the day during the West Wyalong Clay Target Club's July shoot.

It was a slow start to the day as the shooters arrived in dribs and drabs for the 50 Target Sporting Clay Event. They were hard to coax away from the roaring fire bucket and hot coffee to line up at the challenging layout.

Luke Ellis from Parkes, shooting in shirtsleeves, mastered the course shooting 44/50 to be the winner of the first event, Matt Patmore and Clive Foster had good first rounds but fell away in the second stanza, Matt Patmore finished in equal second place with Allan Schirmer, who was using a Greener side by side, with a score of 41/50.

Light rain began to fall as shooters brushed crumbs from their whiskers after the barbecue and headed out for the 10 Target Point Score Eye Opener. Only two shooters, Clive Foster and Graham Fairman shot the maximum 30/30 to share the prize money.

Heavier rain began to fall when shooters moved out of the clubhouse for the 25 Target Point Score event. In the conditions 75/75 was going to be a good score and that is what Clive Foster

was able to achieve to win AA Grade. Luke Ellison, still in his shirt sleeves shot 72/75 to fill second position, Mitch Brown, climbing up the grade ladder to A Grade continues to show he will be a force in the future, dropped one point 74/75 to win his grade from Laurie Redfern 72/75, Doug Murray, after passing his home cured olives around for taste testing, went out and shot 53/75 to win B Grade, Mark Payne was too good in C grade 71/75 to win from John Wason 66/75 whose shooting has improved since he took delivery of an A Grade Browning.

Heavy rain began to fall as shooters donned their wet weather gear and filed out for the 25 Target Double Barrel Event. Matty Patmore mastered the conditions to win overall 70/70 after a shoot off with Pico Fyfe 69/70 who won AA Grade, Dan Rogers also featured in the shoot off with 66/67 to place second in AA grade, Mitch Brown continued his good form to win A Grade 49/50 from Alan Bound 47/50, Adrian Hodge proved to be too good in B Grade 47/50 winning from Andrew Connellan 35/50, Mark Payne must be due for an upgrade shortly especially since he won C grade 47/50 from field and game shooter Robert Mutton 46/50.

Even heavier rain fell and Luke Ellis was still in shirt sleeves for the 15 Pair Double Rise. Clive Foster and Matty Patmore showed their skill when they shared AA Grade 29/30, A Grade was also shared when Laurie Redfern and Bert Boyd each shot 24/30, Mark Payne won C grade 21/30 from Robert Mutton 18/30.

At the conclusion of the event Luke Ellison decided to have a few targets practice – still in shirtsleeves.

Thank you to those hardy souls who helped set up the layout in the cold and who stayed back to dismantle everything in the rain and a big thank you to Ann Fairman who helped out in the canteen.

5 STAND SPORTING CLAYS

Wangaratta Clay Target Club

Location in Victoria, Australia and lies 235 kilometres north east of Melbourne and 647km south of Sydney, NSW

L-R Brett Morrison, Iain Towers, Bill Eagle, Brett Jory, Trevor Beach, Gaye Shale, Kneeling Matt Le Poidevin, Adam Shale

Over 30 keen shooters turned up to compete at the Wangaratta Clay Target Clubs 5 Stand Sporting Clays Championship last Saturday 11 July. The club turned on some terrific targets, some a little easier than others, to test the skills of the keen shooters. The day commenced with overcast skies and some wind, but the conditions were basically good, although cold, with the orange coloured targets standing out well against the grey sky. Thanks go to the volunteers led by Brett Jory in setting up the various traps necessary for this demanding discipline and also to Colleen Carmody and Layne Rowe for running the kitchen so smoothly. Running Sporting Clay shoots at the club offers another alternative to shooters other than Down The Line and Skeet shooting, attracting many Field

& Game shooters to the Wangaratta Club for a great days shooting. It was great to see a couple of shooters from the Gold Coast arriving, although I am sure they would have had a bit of adjusting to do in coming to terms with our winter weather.

The 75 target event was expertly won by AA grade shooter Trevor Beach visiting from Yarrawonga shooting a brilliant score of 68/75, Trevor is great to watch, showing his masterly skills with a shotgun. Local Sporting Clays champ. Brett Jory took out 2nd in AA after a shoot off on 65/84. Bill Eagle from Shepparton once again shot very well to win first in A grade with 63/75 and 2nd place by Wangaratta skeet shooter Brett Morrison with a result of 61/75. Top lady shooter Gaye Shale proved too good to beat in B grade with the excellent result of 57/75 and 2nd by Matt Le Poidevin, another very consistent shot, on 53/75. Iain Towers shot well to win C grade with 51/75 and 2nd place by Andrew Rawles on 44/75.

Ladies High Gun was won by Gaye Shale and her son Adam took out Junior High Gun with 52/75. Gaye's children are very keen shooters, having learnt lots of skills from their Mum over the years.

For details on future events or just coming out to the North Wangaratta range for a practice, contact Brian Reid on 03 5721-7799.

V.C.T.A SOUTH EAST ZONE PREMIER TEAMS - ROUNDS 3 AND 4

ROUND 3 - MORWELL

Another impressive rollup to round three of this years team series, with 125 shooters attending, this included 14 Ladies 10 Juniors and 22 teams, most of whom had travelled some distance to the Morwell Gun Club. The clubs three trap layout looked and worked well, with the starting time of 10 am.

Handicap winner N Pedulla

OA DB A Brady

HG F Santoro

Ladies HG & B grade winner M Carton

The wind was not a factor but the overcast skies had the lens swappers in a dither.

There were only four possibles in the first event the Handicap and after seventeen targets in the shoot off, Nick Pedulla 67/67 outlasted James Heyblom 66/67 with B Brown 38/39 third, the Back Markers shot off with 24's and Charlie Galea was the winner with 41/42, Junior Front Marker was C Harrington 23/25.

The High Gun was a shoot off with the only two possibles, between Frank Santoro and James Heyblom with Frank the winner scoring 54/54. The Ladies High Gun was a clear win to a very happy Michell Carton 47/50.

Junior High Guns with some very good scores went to A Grade G Austin 49/50, B grade L Stokes 48/50 and C grade D Snell 44/50.

In the Double Barrel section of the teams event Cerberus #1 came in only one point down, but the day went to Werribee #2 (237/250), D Neilson, C Brown, B Brown, N Pedula & R Pistone.

The Junior Team was Mornington 96/100, D Cleary & J Lennane.

Another very busy day, thanks to all the home club workers, the office staff and every one who helped to make it all work so well.

ROUND 4 - WONTHAGGI

Wonthaggi Gun Club was the host for the last of the home and away matches for the season, its close proximity to the ocean makes it very vulnerable to a bit of a breeze from time to time, not to mention force twelve gales, but this day was almost as good as it gets. An early start was essential and proceedings got underway just after 9 am.

Simon Howd Handicap winner

Neil Rundle OA winner

Winning Team Morwell

Grade winners L-R C B & A all Juniors

In the Handicap there were three possibles Meagan Boast, Frank Santoro and one of the hard working staff from the office on the day, Simon Howd. Frank (25/26) missed his first in the shoot off and Megan (29/30) her fifth, Simon (30/30) hit his fifth for the win. The Back Markers shoot off lasted a little longer and was won by Alan De Bend (25M) with 49/52 from Mark Bravin (22M) who let Alan in on one to many occasions.

At the half way point of the teams section Morwell A had a four point lead on Melbourne Blue, Werribee 1 and Werribee 2. In the juniors Foster was three point up on Mornington.

In the Double Barrel there were five full squads in the shoot off, after the first twenty five the group was down to fourteen, a further

Frank Santoro High Gun

Megan Boast Ladies High Gun

twenty five there were seven. With the total now at one hundred only three remained, S Aston, N Rundle and J Lennane. It was all over after another eighteen with Neil 118/118 taking Overall from Joel 117/118 1st in A, 2nd was S Aston, AA went to P Drennan 83/84, 2nd was T Malone 80/81, B grade was won by B Brown 61/62 from C Nelson 49/50 and C grade was won by E Bell 37/38 from S Lennane 25/26.

The High Gun was won by Frank Santoro 54/54 from the only other 50/50 Simon Howd.

Ladies High Gun was Megan Boast 49/50 and Megan also collected the Junior A grade H/G, with B grade going to D McLeod 46/50 and C grade to J Lay 42/50.

After the Double Barrel the teams section was very tight, the two Werribee teams carded exactly the same score to finish with 235/250 but were pipped at the post by Morwell with 236/250 represented by B Stokes, G McMillan, D Rhodes, C Murphy and D Corke. Frankston had put in an impressive one down in the Double Barrel but had given away to big a start and ended on 234/250 in fourth position.

The juniors were also close with Mornington, represented by J Lennane and D Cleary 90/100 from Foster 89/100.

The Carnival and final round will be at Frankston Australian on Saturday 10th October, at this stage Werribee has a very nice lead of thirteen points and the juniors section is already sown up by Mornington who can not be beaten.

Dear your say,

In response to the executive officer's column in the May journal asking for ideas to increase participation. I once again put forward the proposal that to encourage lower grade shooters to remain and participate in the sport. There should be a Rule regarding the distribution of prize money funded by nominations at all levels National, state, zone, district and club.

It is a very simple system that would have each grade with it's own prize pool according to the number of nominations in each grade by which they are competing at their own level.

At this point in time it seems that Rafferty's rules are being used starting with National and state titles where there is to my knowledge no published formula to distribute prize money. Clubs are also making up their own rules to distribute prize money.

The main revenue stream for all clubs is the amount of targets used, the more targets thrown by the club the more revenue.

The bulk of the A.C.T.A membership revenue comes from the rank and file members A, B and C grades not from the top 200 members who pick up most of the prize money.

To encourage members to stay with our sport there must be equity and incentives that was why the graded system was introduced but it is now being abused.

Townsville Gun Club Skeet Promotion - 16th August

Location 1500 km north of Brisbane

Townsville Gun Club has been proactive in wanting to promote skeet shooting in the area.

When a distinguished member of the community offered silver bullion coins to encourage the sport of skeet shooting, our committee accepted the offer and scheduled this event into the program each year.

The 75 target event is run on handicap with cash divide for overall and 1st place in each grade, plus one large silver coin valued at \$180.00 for overall and three smaller coins for grade winners valued at \$80.00 each.

The conditions in Townsville were warm at 30°, with cloud drifting over causing a change of light conditions, making some of the high house targets very hard to see. This might explain why the scores were down a little on the expected norm for some of these experienced shooters.

After the 75 targets had been shot, there was no need for shoot off's as the four winners in each grade were clear.

75 Target Skeet Promotion, prize money plus a Silver Bullion Coin each. Overall Doug Killick from Charters Towers 71/75, A grade Errol Reeves from Townsville 69/75, B grade Wayne Read from Townsville 68/75, C grade Des Barber from Townsville 66/75.

Full results for the day can be found in the results section.

Queensland Western Zone Trap Carnival

Location South West Queensland

The Western Zone Carnival was held at Scrubby Creek Gun Club way out west for those who have never been there, where the yellow belly are plentiful, dust and burrs and kangaroos are even more plentiful and targets were fantastic! (you have no idea unless you were there).

The weekend started with 25 Target Double Barrel Championship, this soon became a battle of the western guys with Geoff Seawright, Windorah, and Ben Haig, Cunnamulla, with Geoff winning 66/66. This gave everyone a taste of what the weekend was to bring. The next event 25 Single Barrel WZ Championship was good for some when visitors Alex Dallas, Rolston, and Brian Kneipp, Moree, were left to contest this event with Alex winning 29/29, shoot offs were kept to a minimum. This was a good start for Alex being one of our Daddy Day Care Fathers looking after Dusty for the weekend. Good to see Dad's bringing their boys and results show it does not affect their shooting with Alex winning AA High Gun and Dean Cusack who had Mitchell for the weekend winning A Grade High Gun.

Our last event for Saturday was 50 Target Continental WZ

Championship with the event being shot off Sunday morning, so it was early to bed for a few with the winner being Clayton Cusack, Condamine, 58/58.

Saturday night dinner was held in true Scrubby style, with a two course meal being served, the weather was a bit cool but the great heating supplied kept everyone warm and happy.

With the shoot off complete event 4 30 Target Handicap WZ Championship was soon underway. This event saw three possible shot Rod Woodrow, Wandoan, Ben Haig, Cunnamulla and Geoff Moore, Surat. This was a much watched shoot off with Geoff 1st, 43/43, Ben 2nd 42/43 and Rod 3rd 34/35. Laurie Sheahan, Roma, and Ken Giltrow, Moonie, took out 4th and 5th place on 29/30 respectively; we are still wondering how Laurie was going to shoot 30 with no ammo in his gun, talk about trying to avoid a shoot off and a metre. 25 Target Points WZ Championship saw the Central Zoners trying to sneak some more silk with Robbie Caban, Springsure, and Rod

Woodrow, Wandoan, both shooting a 73/75. Rod held on to the Western Zone silk to win with a 79/81. The 15PR Double Rise WZ Championship was the next event which saw our newly elected Western Zone President Richard (Kivi) Morrison showing everyone how it is done winning with a convincing 29/30.

The Team events were also shot throughout the weekend and the results were Open Team Geoff Moore, Rod Woodrow, Ben Haig, Clayton Cusack, Julie Allan, Cody Driscoll, Reserve Nicholas Reynolds, Ladies Team Julie Allan, Veronika Forsythe, Viv Moore, Reserve Beth Zillman, Veterans Team Geoff Byrant, Bob Byrant, Graham

All States ZZ Teams at Cecil Park

ZZ Sydney Australia's 3rd Competition was held on 18th July 2009 at Cecil Park Clay Target Club, Sydney the weather was a perfect day with the temperature 22 deg C There was 22 shooters attending with lots of onlookers

The first All States ZZ Teams Trophy was held on Saturday with 22 shooters attending the 3rd ZZ Sydney Australia 25 bird competition at CPCTC. After losing a few regular ZZ shooters to the Ardlethan annual 'Tin Can' shoot, not to name anyone Frank Avocado, Leo Pezzano, Steve Bell but we gained a few new ones regardless.

Thank you to the Victorian ZZ shooters, Dave Neilsen, Allan Bebend, Nino Pedulla and Marc Crimmins, who flew up to compete in the 5 man teams event borrowing a fellow NSW Greg Coleman to make up their team. It was a huge effort but worth it as the boys took the All States ZZ Teams Trophy home with them and I hear it is now

on display in Werribee Gun Club's cabinet awaiting the photo. Congratulations guys we'll look forward to trying to bring it back to NSW next year! The challenge also goes out to all the other states to put a team of 5 together as well. Who knows where it will end up next year?

After all the formalities we were in for an exciting day as shooting got underway. Over the first 10 birds the sequence was shot 3 birds straight then reset all machines, then shoot another 2 birds before leaving the shooting station. This sequence threw some of the shooters but didn't take long for all to find their mark. Due to the time restrictions of the Victorian boys return flights to Melbourne, the sequence was changed for the last 15 birds, which was now shot 5 birds straight without resetting. This made for an exciting finish to the day with Daniel Allam taking out O/A, Matty Pattmore taking 2nd O/A shooting the next 28 birds straight including the shoot off!, then 3rd was Paul Farrugia.

Also acknowledgement must go to retiring Western Zone President Bill Allan and Secretary/Treasurer Elaine Seawright who have done a fantastic job for the time they held those positions. Bathurst's 'Jack Duggan' Handicap

Location Bathurst is located on the banks of the Macquarie River in the Central Tablelands Region of New South Wales

Bathurst's 'Jack Duggan' 25T Handicap turned out to be an exciting event, at the BGC Trap shoot on July 5th, at Mt Panorama. Shooters travelled from Cowra, Orange, Port Macquarie & the NSWGC to compete in the three events on the program & were greeted with a very cold top of the mornin'.

The Handicap event, kindly supported by Jack Duggan's Irish Pub George St Bathurst, was eventually won by Brad Coles after four shooters, all from Bathurst, scored 24 out of the 25 targets. Andrew Allan, Grady Evans, Peter Haley & Brad Coles were involved in a shoot-off, which was necessary to determine the winner. Andrew & Brad both shot an extra 22 targets, before Andrew missed his next target.

Brad was the lucky recipient of a meal voucher for Ma Duggan's Kitchen from Jack Duggan's Irish Pub. We encourage all club members to 'shoot down' to the restaurant as well & sample the tasty Irish & Australian meals on offer & to show their appreciation for this local businesses' generosity.

Placings 1st B Coles B Grade, 2nd A Allan C Grade, 3rd G Evans A Grade.

Overall High Gun for the day went to Wayne Sharp from Orange, with a score of 123/130. Wayne is an AA Grade shooter & he shot well all day & won the 50T Medley event outright & without dropping a target. Cowra shooter, John Finn, finished second in AA,

Tragic Fire Destroys Clubhouse at Korumburra Gun Club

Location On the South Gippsland Highway 120 kilometres kilometres south-east of Melbourne

Victorian South Eastern Zone Club Korumburra lost its clubhouse on Saturday 25th July in a fire deliberately lit in a destructive spree which saw a young local man allegedly try to start a number of fires in the area around the club. The young man was arrested and charged and bailed pending further action. The fire was started in the early evening and quickly took hold of the forty year old club house. The fire brigade arrived on the scene quickly but too late to save anything. A number of trophies, shields and a lot of club memorabilia as well as equipment were destroyed in the blaze.

Club President, Arthur Bird said that while the clubhouse was

completely destroyed the blaze did not reach the trap houses or a couple of store sheds that housed a large supply of targets and microphones etc. Arthur said that the heat of the fire melted a plastic water tank and wheelie bins near the clubhouse. He also said that the clubhouse was insured and the committee would be working with the insurance company to rebuild the clubhouse as soon as possible but it is feared that the insurance money will not cover all costs in the rebuilding. Some fundraising activities may be planned in the future.

At an emergency club meeting last week it was decided to take up the kind offer from Morwell club to allow Korumburra to use their grounds for the next shoot and maybe more depending on the progress of the rebuilding program. It was ironic that the club had conducted a successful shoot earlier in the day and shooters had left the scenic club thinking that they would all be back in a month's time.

In a final word, Arthur said that Korumburra was a small but strong club and would rebuild from the ashes bigger and stronger than ever.

If you would like to offer assistance to the club in its time of need please contact President, Arthur Bird on 03 56 231 796

Thank you, Keith Lewry

Victorian School Students Championships

SOUTH EAST ZONE

Thursday the 6th of August at the Frankston Australian C.T.C. saw 171 students from 25 schools contest this annual event, under overcast skies, plenty of wind, but thankfully no rain.

Using 4 D.T.L. layouts each student had one sighter target, then two rounds of ten targets Single Barrel. With a 10am start the thirty five squads proceeded through the first ten targets with only one shooter clean and that was Leigh Stokes.

Leigh Stokes OA winner with Lynne Curtis

After a quick bite to eat for lunch, it was back into it, for the remaining half and this time there were no 10's, and only a few 9's, one of which was Leigh Stokes, giving him a total of 19/20 and the Overall win.

The students contest four groups, fifteen and over and under fifteen, both Boys and Girls.

NORTH EAST ZONE

A foggy start greeted all 157 Student competitors who arrived for the Victorian North East Zone "School Students shoot" held at the Echuca Clay Target Club on Thursday the 13th of August. Unless the fog is an absolute pea souper, it usually provides a good background for the black targets thrown, and in this case, did! Slightly better Student numbers, up on last year, was a promising sign that more schools are becoming involved in this sport of clay target shooting, and that is certainly appreciated by everyone involved in the sport.

Apart from the fog, the weather was quiet mild, and with almost no breeze at all, certainly made for good shooting conditions for all competitors. With two visits of ten targets each, for senior girls and boys, and

junior girls and boys, plus school teams, to organise from the office, the members were kept busy for the entire shoot.

Several shoot off's were required to finalize all winning positions, some requiring more than one round after ending up equal again, shoot off's being the best of five targets, to make it fairer for the young shooters. The girls showed their superiority, some shooting 18/20 scores against the boys 17/20 scores, and with the pressure of so many Students shooting, and using only single barrel, those scores were excellent.

With her eyes set on the top prize, the Overall High Gun Sash, Emma Cox tried her best, and after outscoring Kim Moroni in the double shoot off needed to separate the two girls, she collected the coveted Sash, all due to her excellent shooting, well shot Emma and Notre Dame College, the school Emma attends in Shepparton must be very proud of

Junior Boys

Thanks must also be given to the ladies who kept the Students, and a large contingent of parents and spectators, supplied all day with a big variety of hot and cold food and drink.
