Evolution

In 1866 target shooting was just getting started around the world. The inventor of this game, Charles Portlock, is the one person all of today's shooters can thank for this exciting sport.

These glass balls were much harder to break than the "most" clay targets of today. Some will say that today, certain brands of clay targets are as hard to break as the original glass balls. That's not the case when it comes to **White Flyer Targets**.

If you want to see your scores improve, ask your club to throw the world's best, **White Flyer Targets**. Manufacturing the world's finest target for over 100 years, White Flyer continues to evolve into the most innovative manufacturer of targets worldwide. **White Flyer Targets** help shooters win championships and break record scores. Our targets undergo a minimum of 27 quality control steps that keep **White Flyer Targets** consistent in weight, composition and dimensions.

Used recently at the following major championships with new records set:

- 2008 National Trap Championships (2 standing records broken)
- 2008 NSW State Trap Championships (2 standing records broken)
- 2008 VIC State Trap Championship (record broken)
- 2008 WA State Trap Championships

More and more clubs are switching to **White Flyer Targets** as their preferred target. Try them and see what all the talk is about and watch your scores improve.

National President's Notes

Currently our 2009 membership figures show a very slight increase over previous years, which in these tight economic times is a great achievement by our clubs in retaining members. With our 2010 membership fees now published I would like to stress to our members how important it is to pay your renewal on time as your membership provides you as a member insurance cover whilst enjoying your sport. Similar to your car registration which provides you with third party insurance I doubt any of us would consider driving our vehicles without paying our registration first. Insurance is a necessity of life be it house or health insurance and members coming to our clubs jeopardise our clubs insurance by exploiting our friendship and familiarisation with one another by not providing proof of their current membership.

Your executive have approved that all 2010 championship entries will be by pre-nominations only, allowing our championships to be run as a National Championship! This will minimise cash handling during the event, allow prize money to be calculated on each event etc. Nominations will close four weeks prior to the event allowing our National Office time to process entries and mail back notification of your squad number. For our 2009 National Trap Championships held in Roma this year 484 (75%) of the competitors pre-nominated when numbers grew on the day to 648 your executive made changes to the programme to accommodate these entries which in turn angered those who had pre-nominated. Numbers have been capped at 540 entries which will be conducted on 15 competition layouts, with three new layouts currently being built to provide practice. Four layouts will have permanent floodlighting to allow events to be finalised each day. Please show your support for these new changes by pre-nominating as early as possible.

It appears from viewing Websites and talking with member Clubs that there is a growing number of successful Opens days being conducted with clubs being overwhelmed with people wishing to try Clay Target Shooting. This news is very encouraging to members of the shooting fraternity and great to see the sport forging forward.

With the weather improving over the last few weeks (unfortunately not much rain) Clubs are experiencing improved numbers at events. It is also worthy of note that many State Championship events have been conducted of late whilst there are many others approaching.

The Updated WEB site has also been a hit with over 6000 visits in one week in September. You will note subtle changes including a vibrant home page and newly added merchandise. The range of merchandise is extensive and very affordable. We have a number of "Specials" on run out stock and a new range of clothing available. The Web is being developed to provide members with information and "what's on" including editions of the CTSN. The development of the WEB site in an ongoing process and one we will continue to build on. We will shortly have a range of clothing available for all of the National Championships in 2010. You will be able to order on line and wear your new gear to the Championships. This will enable us to better meet the needs of the purchaser.

The ACTA has just renewed its insurance with Pollard Insurance after an exhaustive "Expression of Interest" process. Pollards have provided excellent service through Account Executive Turgay Youldas who has looked after the interests of the ACTA and our members and we look forward to continuing to build on the relationship in the future.

The National Ground has also taken some steps forward with new facilities to be unveiled in the next CTSN with photo's of the improvements. Seating has been ordered and the BBQ area and children's play area prepared for the first stage of development. Three Practice traps are currently being made and will be established on the land of neighbour Rod Brown for use at the Nationals. Rod has kindly given permission for these traps to stay permanently on his land for use at the Nationals at this stage.

Planning is well underway for all of the 2010 National Championships in 2010 with the ISSF Olympic Discipline to be conducted at the Brisbane Gun Club, Trap Nationals, Skeet Nationals and Sporting Clays to be held at the National Ground. The details of all of these programs will be in CTSN editions in the future. ISSF and TRAP are however available NOW on our WEB site

Along with the Nationals planning is underway for the Mackintosh reunion which will recognise all of the Mackintosh Team member's right up until the 2010 Nationals. Further details will be forthcoming from Historian Mark McInnes and the Hall of Fame committee. There are some new and innovative idea's being put forward for consideration at the event.

The National Junior camp has also been conducted in late September including a full day at the Griffith Gun Club where Marcello Casella arranged for a day of ISSF shooting as part of the camp. Graeme Boyd will provide a report in the next edition of the CTSN.

Chairman of the finance committee Dennis Harwood attended a budget meeting in Wagga in late September. The new budget will be developed by the Finance committee before being presented to the Management committee meeting prior to being sent to the National Executive members. All committee's were given the opportunity to nominated projects and projected expenditure prior to the meeting for consideration. Whilst it appears the World economy is on the improve the ACTA are proceeding with caution into 2010.

National Coaching Director's Report

On the 10th of September I attended a Coaches Committee Meeting in Melbourne organised by AISL to finalise and approve the new coaching system which has been restructured by AISL members over the last couple of years.

The coaching system, approved by members and accepted by AISL and the Sports Commission, covers the Club Coach and Competition Coach. I will be meeting the ACTA coaching committee to put in place this new coaching accreditation system.

The ACTA in conjunction with the State Associations will be holding coaching seminars in each state to bring new and existing coaches up to date with this coaching system. We will also need to look at the re-accreditation of non-current coaches.

A number of changes have been made to the way our National Junior training camps will be conducted. The new selection system used to become a member of a National Camp will lead to a higher standard of junior shooters attending. Participants will be given the opportunity not only to experience specialised coaching but will also be instructed by a number of highly skilled guest speakers covering a wide range of topics. This will be of great benefit to them not only for shooting clay targets but also in dealing with the media, sponsors, other competitors and everyday problems both on and off the shooting tracks.

From these camps we will select the juniors who show the desire, determination and discipline required to make champions. For these junior shooters we will develop an ISSF pathway through the ACTA and on to the AISL junior program.

I mentioned in an earlier CTSN article that each State has been sent a proposal for selecting a junior team to represent their State at the

New Zealand Trap Nationals. This again will require clubs and individuals to become involved by finding sponsors and organising the team. With little acknowledgement your reward will be in knowing that you helped contribute to a shooter staying in and enjoying our sport. What could be more rewarding than one of your junior shooters winning a National Title or representing Australia.

The Cecil Park Clay Target Club has introduced a Junior Development Program and members of the club have been conducting coaching days for their junior shooters. They have also attracted great sponsorships to make these days possible. Graham Gosling and the NSW Northern Zone are preparing for another junior training camp over 3 days.

The Victorian Schools student State finals have again been a great success involving hundreds of competitors over the program. Wagga club has schools regularly attending the National ground and enjoying clay target shooting. These coaching clinics and the involvement with the school programs are so important in helping our sport survive. There are clubs and people trying very hard to encourage juniors into our sport and give them the opportunity to enjoy clay target shooting. I can report that more is starting to happen in this area than in the last few years. Every club needs to start a program for not only juniors but for all sections of the public.

I know there are many more clubs and members out there contributing, but we need to promote clay target shooting as a great sport and advertise this by inviting the media etc to competition and coaching days. Now, more than ever, we need to show the public the great sport we are involved in.

GRAEME BOYD

100 Target Skeet Event at Wangaratta won by Mal Briggs

Wangaratta Clay Target Club held another successful Skeet shoot on Sunday 30 August 2009, with 26 shooters competing on a cold but fine day. Skeet shooting attracts a very dedicated group of clay target shooters, in some cases individuals travelling to the USA to compete in their major events. The sport of skeet shooting originated in the USA and is now shot in many countries, and was originally developed to replicate wing shooting, especially in the off season when keen bird shooters could brush up on their skills to ready themselves for the open season when game was available.

The Wangaratta Clay Target Club has two skeet grounds and is well respected by avid skeet shooters far and wide for the high standard of targets presented and the quality trophies and friendly atmosphere at the club. The Rural City of Wangaratta is very fortunate to have this facility in the area providing top class clay target shooting to local and visiting shooters alike, due to the enthusiastic and dedicated support from the local members.

The 100 target championship was well won by Australia wide and Internationally recognised top skeet champion Mal Briggs from Melbourne shooting a perfect 100/100 taking out overall winner with 2nd place in AA grade by equally recognised Benalla skeet champ Gil Farish on 97/100. Reg Coombes, a veteran shooter visiting from Goroke with his coach, wife Lesley, shot superbly to win first place in A grade with a great score of 98/100 and 2nd by Melbourne skeet expert Locky

Irons with a score of 98/104. Local shooter and club treasurer Paul Reynolds once again proved too hard to beat by winning B grade shooting 96/100 and Melbourne shooter Mario Marino took out 2nd on 95/100. Mount Beauty shooter and veteran John Sutherland shot very well to win C grade on 98/110 just defeating hard working committee member Albert Colin with 96/109.

Thanks to Julie and daughter Sophie Colin for running the kitchen, providing lots of nice, hot food and smiling faces to go with it.

The Wangaratta Clay Target Club celebrates its 90th birthday celebration over the weekend of 17 and 18 October with lots of shooting and good times promised. Please contact Brian Reid ph 03 5721 7799 for more information.

199 OUT OF 200 EQUALS 500

Even without a calculator everyone knows those maths are not correct but they were for clay target shooter Mike Sullivan at Richmond River Gun Club's "Super Sunday" Shoot on 23rd August, 2009 when a score of 199 points out of a possible 200 earned him the \$500.00 prize for the best score overall.

Mike Sullivan Overall winner

Clay target shooters from Brisbane, Coffs Harbour, Cobar, Gold Coast, Grafton, Taree-Wingham, Tyagarah, Warwick and Yamba as well as locals turned out for the annual "Super Shoot" where points are added to the off-gun score according to grade to give everyone a chance at the overall prize. Scoring was generally good with a number of section possibles recorded and it was not until the last shot was fired that the winners were determined.

Mike shot brilliantly all day dropping only one point by pulling a second barrel in the first stage of the points score section. Tony Ryder of Grafton was the only other competitor to break all his targets but needed to use

the second barrel twice in the last section. Tony won AA grade from Wayde Hawkins. Taree-Wingham's John Webster won A grade from Richmond River's Phil Westbury after a shoot off lasting a further fifty targets. Scott Brereton was first in B grade with a brilliant 75/75 possible in the last stage to snatch victory from Steve Murray.

Junior Dylan Mengel and David Anderson shot an extra ten targets before Dylan was declared the winner of the \$200.00 first prize for C grade.

Scott Brereton and Steve Murray 1st and 2nd B

John Webster and Phil Westbury 1st and 2nd A

Redcliffe City Clay Target Club Inc's Annual Shoot was held at the club grounds at Clontarf on Sunday 13/9/09. A total of 43 shooters competed for a range of trophies and sashes. All grades were represented, including a Ladies contingent.

We had competitors from Kingaroy, Sunshine Coast, Brisbane, Toogoolawah, Warwick, Gympie, Chincilla & Gold Coast. Our High gun Lady, Rebecca Vary 170/200, of the day hails from Richmond River NSW.

A tasty light lunch was included in the nomination fee and we would like to acknowledge that this was again served in an efficient and friendly manner with assistance from a good club friend but non member, our President's wife, Yvonne Fowles. Thanks also to Kim Zeller (also not a member, but partner to a member) for her stellar effort in running the office. All the members who supported the shoot in any way are also thanked for their work.

The club also wishes to thank all our sponsors for their generous support and acknowledges that without this local support our Annual Shoot would not have been as successful as it was. Our sponsors this year were Pine Rivers Lock and Gun, SNS Painters, Cleaver Firearms, Charlie Bell, Barry Wiseman, Ric Cleminson, Gwen Colley & Grant Paviour.

2 Day Carnival at Port Macquarie

Location 400ks North of Sydney on the Mid North Coast

The Port Macquarie Clay Target Club held their sixth annual 2 day carnival on the weekend of the 1st and 2nd of August. The weather was perfect over the weekend for clay target shooting with light winds clear blue skies and warm temperatures.

The club had over \$5,500 worth of cash, shells and medals spread over five events and at the close of nominations there were fifty five competitors on the Saturday and fifty three on the Sunday.

ACTA clubs represented were Cecil Park, Cessnock, Grafton, Kempsey, New South Wales, Taree-Wingham, Richmond River, Newcastle Lake Macquarie, Narrabri, Camel Hill, Boggabri Gunnedah, West Wyalong, Orange, Warren and of course Port Macquarie.

100T DB Winner Arty Del-Ben with sponsor Bob Ellison

On Sunday there was only one event which was the Hastings 100 a 100 target double barrel competition shot off the common mark of 15 metres with four walks of 25 targets. The event was sponsored by D.C. Pearson Chartered Accountants and Bob Ellison.

Following the last squad there were two shooters who shot the possible with Arty Del-Ben and Gary Carlyon both finishing 100/100. It was decided that they would shoot at another 100 targets double barrel and if still tied they would go to points score.

After only five targets Gary let one go through to the keeper while Arty Del-Ben

finished with the overall Championship Medal and cash with a score of 105/105.

The other results were AA grade 1st Gary Carylton 104/105, 2nd Matty Patmore 99/100 and in A grade 1st Michael Flanagan 129/131, 2nd Paul Deland 128/131, B grade 1st John Wild 97/100, 2nd Scott Bennett 98/102, C grade 1st Margaret Burke 89/100, 2nd Diane Deland 89/101.

In conjunction with this event this was the third year running of the Team Challenge between the members of New South Wales Gun Club and Port Macquarie Clay Target Club. Both clubs nominated a five member team and their scores were added with NSW members Rod Van Beek, Bill Van Beek, Arty Del-Ben, Bob Ellison and Mark McInnes victorious with 485/500. A special thank you to Denis and Rosalie Pearson for sponsoring the Cup presented to the winners of the Team Challenge.

The second day the club had four championship events, 10 squads, two trap changes and only two layouts but due to a great effort by the shot marshals, trappers and helpers all was completed well within daylight hours.

The first event was the SJ and CM Wallis Plumbing 25 target points score shot off 15 metres. Once the scores were tallied four shooters, Arty Del-Ben, Mark McInnes, Henry Phillip and Mick Flanagan all finished with 74/75 and were required to go to trap one for a shoot off to get the overall, first and second place in AA grade.

Mark McInnes came out on top with 174/174 to take the overall first place and the Championship Medal and cash.

First in AA grade went to Henry Phillip 171/174, 2nd Arty Del-Ben 137/138 and in A grade 1st Jamie Griffiths 83/84, 2nd John Webster 80/84. The B grade winner was Scott Bennett 72/75, 2nd Andrew McWhirter 75/81 and in C grade 1st Margaret Burke 71/75 and Ben Tyson 57/75.

The second event was 25 targets Handicap sponsored by Hawkins

15pr DR winner Kim Nealon with sponsor Brad Hooper

25T Hcp winner Murray Riley with sponsors Brett McKinnon and Craig Hawkins

OA HG Winner Brett McKinnon with Club President Mick Wilkins

Graded HG winners L-R AA Arty Del-Ben, A M Flanagan, B S Bennett, C T Wild

SP Project Management Services. With a cash pool of \$1200 and first place \$500 all shooters were out to shoot the possible.

After all squads were finished there was only one possible on the board and that went to twelve year old junior C grade shooter Murray Riley from Boggabri Gunnedah. You could only say Murray was pretty impressed to pick up this much cash and a Championship Medal in his first year of clay target shooting.

Four shooters put together 24's and they were required to go out for a shoot off. At the end second place went to Scott Bennett 27/28, Brett McKinnon third 26/28, Mike Sullivan picked up fourth 25/27 and fifth went to Rus Wesslink 24/26.

The third event for the day was the Leicht's Tyre & Auto 25 target double barrel continental. As with the previous events a shoot off was required for the overall result. Kim Nealon, Mark McInnes, Gary Carylton, Brett

McKinnon and Hank MacInnes went to trap one to shoot off for overall as well as the first and second in AA.

After another forty nine targets Mark McInnes 74/74 took his second overall first place as well as the Championship Medal for the day.

The AA was won by Hank

MacInnes 73/74, 2nd Brett McKinnon 69/70 and in A grade 1st Steve Saul 24/25, 2nd Jamie Griffiths 33/35. The B grade winner was John Wild 24/25, 2nd Jake Davis 33/35 and C grade 1st Murray Riley 21/25, 2nd Tom Wild 20/25.

Last event for the day was the Port Batteries 15 pair double rise sponsored by Brad Hooper. As we all know the results in this event can and would effect the outcome of the High Gun awards at the end of competition.

The overall winner was Kim Nealon 37/40 after a shoot off with Brett McKinnon and he took the Championship Medal and the cash prize.

First in AA grade Brett McKinnon 34/40, 2nd Matt Patmore 26/30 and in A grade 1st Bob Alston 25/30, 2nd Paul Deland 31/40. In B grade Bob Ellison 1st 25/30, 2nd Peter Leicht 35/50 and in C grade winner was Margaret Burke 20/30 and Ben Tyson 18/20.

At the end of the day the last item was to work out the High Gun winners from the two days. The overall High Gun was Brett McKinnon with 247/255, sponsored by Winchester Australia.

Graded High Guns were sponsored by Watson Caravans Port Macquarie. The AA grade winner was Arty Del-Ben 243/255, A grade went to Mick Flanagan 241/255, B grade was taken out by Scott Bennett 231/255 and C grade went to Tom Wild 200/255.

The Veteran High Gun sponsored by the Orchid Pot Company was won by Bill Van Beek 232/255, Junior's sponsored by Tamworth Firearms was won by Billy Griffiths 231/255 and the Ladies sponsored by Megan Wilkins was won by Margaret Burke 220/255.

A two day carnival can only run efficiently with good office organisation. Special thanks to our secretary Megan Wilkins, assistant shoot secretary Lesley Langer and treasurer Allana Stevens. Thanks to Wendy Minter, Ken & Andrew McWhirter, Dick Piper and our two trappers Aaron May and Thomas Arndel.

The committee would also like to thank Sasha and Brett McKinnon for donating the seafood tray which was raffled on Saturday and also boys from CUB for the assistance with the other raffles.

A special thanks to sponsors. Without them we would not be able to put up cash, shells and prizes that were on offer over the two days. To all the people who helped in any way whether it was setting up on the Friday or giving assistance over the weekend thank you.

See you in Port in 2010. Mick Wilkins

The cost of the 2010 Blue Book has increased to \$4.00 each. This is due to rising costs; however, this price includes postage. If your Club's mailing address has changed recently, please make sure you contact the State Office to change your postal details; it would be unfortunate to send your orders to the wrong address. Psychological Skills for Shooting

by Michael Kruger-Davis

CHOKING AGAIN!

This article is a reprint of one that appeared several years ago. Choking is a question that is raised on a regular basis by shooters who contact me at shoots or at home. Because we all choke at some stage, it seemed a good idea to give this subject another run, with some additional points about performing under pressure that I have gleaned since originally writing this article.

Choker. It is an ugly label that we don't like to hearing. When we miss a target in a shoot off or miss the last target in qualifying then we are either labelled a choker by others or we call ourselves a choker. So, what is choking and how can we avoid it?

Choking, according to Mack and Casstevens, in *Mind Gym*, is a normal human reaction, a physiological response to a perceived psychological threat. I have previously written that "fear is a mental response to a perceived danger or threat. It's a primitive response that allows us to fight or flee from a threat. The fight/flight response was necessary when as cavemen we wandered the jungle and had the threat of sabre-toothed tigers lurking behind every bush. We had to develop a system that allowed us to either stay and fight or get the hell out of there. The threats have now gone but as modern man we have retained the fight/flight response when the majority of our fears are not life threatening at all.

So what are we scared of when we are competing. As I have written previously, we are scared of our ability to carry out tasks that we have practised. This fear is manifested as self doubt and produces anxiety. This anxiety then tenses up our muscles and we are unable to carry out the tasks we need to do in order to be successful.

There is a third element to the fight/flight response and that is to freeze. Sometimes we are better off to just stop, and try and look inconspicuous, rather than to take flight or fight. For shooters freezing can have devastating effects. The obvious is that when we are in a fearful situation and we freeze, we are unable to pull the trigger. However, freezing on the trigger is only a symptom of a bigger problem, which is losing fluidity in our muscles. Because we are scared, we develop self-doubt, this leads to our muscles tensing up and we lose the ability to move the way we should. The result is a poorly executed shot and in most cases a missed target. It must be remembered that all of this happens from our subconscious mind, so we are not actually thinking of it at the time. Being scared, tense, doubtful all lead to a state of anxiety.

Anxiety makes us feel uncomfortable and when we feel this way we become stressed. With stress there is a change in the way we are breathing and under this stress we become internally self-conscious instead of being externally task-conscious. So what do we need to do to perform under pressure? We need to breathe and focus. When we become anxious our breathing patterns change and without realising it we may even hold our breath. This has the effect of taking the focus away from what we are doing in the here and now - we lose sight of the present.

So if we are anxious, stressed and tense, how do we relax the muscles and clear the mind? By breathing; oxygen is energy. Oxygen also allows us to focus the process of what we are doing; which keeps us focused in the present. Staying in the present keeps our orientation of time in the right place: we can avoid thinking about the past (making judgments about past performances, other competitors, etc),

and about the future (worrying about what might or might not happen). When we hold our breath, we are creating pressure and a nervous feeling. Athletes then choke because they become nervous about being nervous; worrying about being anxious.

Because the pattern of breathing affects the pattern of your performance, then when you are under stress, deep breathing will help bring your mind and body back to the present. This simple technique of focusing on your breathing and taking a couple of deep breaths will help learn to be comfortable with the uncomfortable.

Throughout our lives as competition shooters there are going to be times when we will feel uncomfortable, anxious, stressed, fearful and scared. To be able to help reduce these feelings and refocus on the task at hand we need to learn to breathe properly and learn to use breathing as part of the desensitisation process. In providing therapy for people suffering from anxiety and panic attacks, one successful method is systematic desensitisation. Basically this means teaching the client how to breathe and relax when they are in their normal life so that they can focus on their breathing and relaxation skills when they are stressed. Athletes should be doing the same thing. We should all be practising our breathing and relaxation when we are in the queue at the bank, post office or shopping centre. Rather than get angry or frustrated, we should use this valuable time to practise those skills that we will need when we are out on the tracks and we start to feel anxious or uncomfortable. When we can effectively focus on our breathing outside the competition we will be able to draw on the skill when needed in the competition when we are already starting to feel nervous.

Recently at a shoot, I was approached by a shooter, who thanked me for the articles, that explored hypnosis. He stated that he found the scripts useful in helping him relax and stay focused outside the competition. When he became tense during the competition he could concentrate on his breathing and redirect his focus back to the task at hand. By focusing on the process (breathing & shooting), he was able to let the product (his score) look after itself. He was surprised and pleased that his scores had improved greatly.

According to Mack & Casstevens, choking is nothing more than paying attention to your own physiology when you should be focusing on the target. At those times when we all get anxious and nervous, we need to learn to be comfortable with being uncomfortable. Use your breathing to focus your energy and let your breathing centre your mind and body in the present where it needs to be.

KEMPSEY - WILLIAM SAUL MEMORIAL

Location Situated right in the heart of the
Mid North Coast of NSW

Kempsey Clay Target Club was bathed in sunshine on Saturday 15th August. We had five squads ready to shoot at the start of proceedings with shooters visiting from our surrounding clubs of Port Macquarie, Taree Wingham and Coffs Harbour along with Phil and Tom Green from Bombala Gun Club. It was really pleasing to see the support from shooters on holidays. We love to catch up with old friends travelling through or even make new friends too. It's all fun, whoever we may shoot with.

We went out for the first event, the 25 Target Point Score 15m Cash Prize and the results were AA Grade H MacInnes 75/75, P Green 73/75, K Miller 71/75, A Grade S Saul 67/75, C Crighton 57/75, B Grade B Neill 73/75, K Saunders 70/75, J Burke 69/75, C Grade P Brenton 66/75; B Tyson 62/75, M Burke 60/75.

The second event was the 75 Target Double Barrel 15m WILLIAM SAUL MEMORIAL SHOOT. This shoot is a regular event on our calendar and commemorates the life of one of our past members. Steve Saul, who is the son of William and Emily, Williams's

Peter Brenton C grade winner of
William Saul Memorial

Emily Saul with her Dad, Steve Saul,
A grade winner, William Saul Memorial

granddaughter, are both very good shooters at Kempsey Clay Target. Steve shoots A Grade and Emily who has only been shooting a year or so, is now in B Grade. Undoubtedly, William Saul would be very proud of them both following in his footsteps. Steve even shot so well that he took home first prize in A Grade in his own families shoot. Well done Steve. The results of the second event were Overall S McMahon 80/80, AA Grade 1st H MacInnes 79/80, 2nd S Wallis 76/77, A Grade 1st S Saul 71/75, 2nd C Crighton 66/75, B Grade 1st B Pharo 71/75, 2nd D Piper 77/82, C Grade 1st P Brenton 69/75, 2nd A McMahon 67/75.

The High Gun for the day went to Hank MacInnes 150/150. Yes he had a perfect score and may I say the smile on his face said it all. He seemed quite chuffed to say the least. He had every right to do so. I would have been doing cartwheels if I were him, however he appeared calm and collected, just the same as when he is shooting. I still marvel at anyone having a clean event, let alone a perfect score for the program. Well done Hank! You deserve the accolades.

We all had a great day and are looking forward to our next shoot. Daylight saving is just around the corner and we will be able to shoot longer into the afternoon. Won't that be great? Keep shooting, wherever you may be and see you round the traps.

Come and Try Day at Tamworth

Location Halfway between Sydney and Brisbane

On Saturday August 22nd Tamworth Clay Target Club held an open "Come and Try Day" at the Tamworth Club grounds. Many weeks preparation went into planning and setting up in anticipation, of something totally new not seen before by the club and its members.

The flyers & Brochures placed around town and also at local business houses, were well supported and many thanks to NBN television for the free advertising and air time to play the adverts on TV during prime time at night in the 2 weeks prior to the event.

Helen Overton and student

The local radio station FM 92.9 ran a competition on the radio for the 5 days prior to the "Come and Try Day" where 1 of the local radio announcers came out to try his hand at clay target shooting a few weeks before, and some sound recordings were made of him calling and shooting at a target. When the listeners heard the sound on the radio they called in and the club gave away 25 X 10 target passes for free to come along for the day. It should be mentioned that 18 of the 25 passes

were won by ladies or juniors, which was great to see.

In the original planning for the "Come and Try Day" the day was set up to cater for Ladies only time from 10am until midday, and then a General public time for the rest of the day. With the ladies well looked after by Helen Overton who made the trip over from Brewarrina to help out, along with Clive Barton and local lady shooters, Emily Anderson and Cherie Hunter, along with a huge number of local club members.

Emily Anderson & Morgan Englert

Not sure of what to expect on the day we set up a safety talk to explain gun safety and handing and stamped everyone's hand with a stamp to make sure all had done the talk, another stamp was then done when the appropriate paperwork was filled out. Once they had the 2 different stamps on their hand/wrist they were open to buy tickets at \$5.00 per 5 shots and unleash the shooter within.

The members set up 4 varied traps 1st trap being an easy incoming target to get them hitting something and then 2nd layout a straight fixed trap target, 3rd small oscillation target and then 2 normal traps.

To see ladies at 10.30am who had never fired a shot or held a Gun before back at the windows buying \$40-\$50 tickets at a time was

Emily Anderson helping a junior

enough to put a smile on anyone's face. With no pressure from outside influences they thrived under the guidance of the instructors. All shooters were then assessed as to their talent and forwarded on to a trap that then suited their ability.

By midday the ladies had enough confidence to carry on shooting alongside the men as it was time for the men to begin their time.

The line up waiting for midday to come around was a bit daunting. But rarely did we have anyone waiting more than 5-10 minutes for a shot. With the numbers involved, shooting continued through until around 5.30pm in the afternoon and upon counting we had in excess of 155 people through the gate to experience clay target shooting for the first time. All people were made to feel welcome and many of the members stayed back and had a few drinks and bar-b-que tea as the day was discussed and some idea of what we had achieved as a club had sunk in.

Over 3000 shotgun cartridges used for the day, the canteen staff had not stopped for 7 hrs, catering for the hordes of people, and an overwhelming showing by the club and its members. Over 40 club and ACTA memberships forms were handed out on the day, which are now already filtering back through as members to date and around 8-10 already signed.

A special mention to Tamworth Firearms for their support and help with ammunition for the day, also to Helen Overton for all her help on the day, travelling a long way to help out and hopefully entice the new people into the sport both young and old and women and men. And all the members and friends who made the "Come and Try Day" everything that it turned out to be.

Treloar Kookaburra Classic

Location Tambar Springs North West New South Wales

The Kookaburra Classic, the inaugural Open Shoot of the newly formed Treloar Clay Target Club south of Gunnedah, was held on Sunday, 13 September 2009. As the kookaburra is the bird emblem of NSW and Treloar has an abundance of kookaburras, the kookaburra was chosen as the Club's emblem.

Shooters, their wives and families turned out for the four event program of 100 targets. President, Noel Edlington, warmly welcomed the visitors from 7.30 am, many of whom had travelled long distances. They included President of Moree Club, Stuart Boydell, Bob Blake, Rules Supervisor, State Executive from The Rock, Peter Haley, Delegate to the ACTA from Wallerawang, Peter Holmes, President of Tamworth Club, Mike Sullivan, President of Northern Rivers Club and Barry Cameron, President of Grafton Club.

Some excellent shooting under gusting wind conditions made for a day of keen competition. Peter Holmes Tamworth and Peter Haley Bathurst contested a shoot off for the Overall High Gun in which Peter Holmes triumphed. Ever reliable and competitive John Sleightholme Tamworth won the AA High Gun. Following his tussle for Overall High Gun, Peter Hayley won the A High Gun.

Cherie Hunter Tamworth put in her usual consistent effort to take out the B High Gun. A new shooter and Treloar Club member, Neal Davison, in his first major competition won the C High Gun. Congratulations to all the "high gunners"!

New clay target shooter Neal Davison was very happy to receive his sash and trophy as "C" High Gun from President Noel Edlington

Since its inception 12 months ago Treloar Clay Target Club has introduced over 20 new registrations to the ACTA. It is gratifying to see some of these new shooters winning trophies.

The Club attracted sponsorship from local families and Gunnedah and Quirindi businesses which contributed to the overall success of "THE CLASSIC".

Keeping the visitors well energised with food and beverages were the CWA ladies from Tambar Springs who excelled in their undertaking. The Club is grateful to everyone involved and is looking forward to a very bright future.

All roads led to Wilkawatt when the Gun Club held its 2 day Anniversary shoot on the 12th and 13th of September. Richmond River upgrade opened with a BANG!

The recently completed facility upgrade at the Richmond River Gun Club's Wyrallah Road range was officially opened on Sunday 30th August by the Honorable Thomas George MP, State Member for Lismore in conjunction with Ms. Carmel Cook representing Janelle Saffin, Member for Page who was unable to be present. After cutting the obligatory ribbon. Mr George was then escorted to the layout by Club President Mike Sullivan and fired an opening shot.

The opening was also attended by representatives of the four local government areas in the Richmond River area- Mayor Jenny Dowell of Lismore, Mayor Colin Sullivan of Richmond Valley, Mayor Phil Silver of Ballina Shire Council and Councillor Ernie Bennett of Kyogle Shire.

Work commenced on the upgrade in August 2008 after the club was successful in obtaining a grant of \$9000.00 through the NSW Department of Sport and Recreation under the capital assistance program, and a further \$14,960.00 from the Australian Government through the Department of Infrastructure, Transport, Regional Development and Local Government. The amount of the grants was matched by the club from its own financial resources and in addition,

there were donations from the CMCA (Casino Village) and other persons of cash, materials and professional services to the value of \$7807.00.

Twenty one members and one non member performed a total of 1262 hours of voluntary labour over ninety different days. Some may have only provided an hour or two but it all helped. That labour was allowed at \$20.00 per hour for the purposes of "in kind" contribution and at that rate amounted to \$25,124.00, making the total value or cost of the upgrade \$85,930.80.

One Traphouse was demolished and replaced to accommodate a new Canterbury trapmaster. Concrete paths were constructed to improve access to the shooting layouts, particularly wheelchair access. In all 27 cubic metres of concrete were poured.

Toilet facilities were improved to provide better disabled access and a skeet layout was constructed, integrated with an existing Trap layout. A second new Canterbury Trapmaster was installed in that existing layout.

The trap in the skeet high house is mounted on a moveable carriage

Doug Lindsay Side by Side Championship

West Wyalong Clay Target Club

Location right on the crossroads of the Newell and Mid Western Highways, close to the centre of NSW

Proof that the popularity of side by side shooting is rapidly improving was evident when six squads of shooters arrived for the Doug Lindsay Side by Side Championship at West Wyalong Clay Target Club in late August. Shooters from as far a field as Bermagui, Narromine and Dubbo as well as many other far flung areas were in attendance.

The well planned day began with 50 Target Sporting Clays and as usual Jeff Brettschneider, using a Greener, took up his customary position as number one shooter in number one squad.

Shooters were enjoying the fine, mild conditions but none more than Graham Duncan using his lightweight, 100 year old Cogswell and Harrison, who with 44/50 was the Overall and A grade winner.

Peter Rae shot 41/50 to be first in AA grade followed by John Sidoti 40/50 who came second, regular visitor, Laurie Redfern was second in A grade, Neil Radford, one of the Bermagui visitors, was using a 1899 Charles Boswell to share B grade 41/50 with Adrian Hodges, who used one of his Greeners, Bert Boyd borrowed someone's snake gun and used it well to win C grade.

The main event was of course, the Doug Lindsay Side by Side Championship and as shooters swapped stories and looked at historic guns, squads one and two were called to trap layouts.

Phil Craig did not make the trek from Bermagui for nothing and he returned the only possible 50/50 to be declared the Overall winner and claimed the red and black sash. Luke Ellison from Forbes 48/50 was the AA grade winner closely followed by Wayne Ambrose using his

newly purchased Greener to win A grade 47/50. Previous winner, Dubbo shooter, John Sidoti cleaned up B grade 48/50. Mark Payne shot well to be C grade winner 45/50 and Jeff Brettschneider shot consistently all day to win the Veterans sash 40/50.

Laurie Redfern was rewarded with the red, white and black sash for High Gun 172/185.

A truly remarkable shoot enjoyed by everyone in attendance.

Thanks to Graham Duncan who assisted with this report

which is locked in place with a system of cantilever arms designed and constructed by club President Mike Sullivan.

In giving details of the project to the crowd present at the opening, Project Officer Geoff Jacobsen said "We would never have been able to come up with that money if it had not been for the generous sponsorship and support we received from Geoff and Sue Pringle, Richard and Rebecca Vary of Vary Organic Farms, Kevin Harding, Andrew Pirlo, Peter Brown, Lance and Diane Bienne of Doors Plus, Chris Doust of Suffolks Sports Store, Scott Brereton of Casino Tyre Professionals, and Mike and Letta Sullivan.

When we were unable to get access to money we had set aside for the project in a mortgage trust fund, those people sponsored shoots and provided financial support without which we could not have continued to operate."

At the conclusion of the opening ceremony, an exhibition of clay target shooting was given by a squad that truly demonstrates that the sport is family friendly and not age or gender biased.

Phil Consalvo shoots from a wheelchair, Roy Shepherd, at 81, is the club's oldest member in both age and length of membership. Rebecca Vary is a young woman and mother of two beautiful daughters. Fifteen year old Dylan Mengel and his father Greg completed the squad.

Kim Nealon, Wayde Hawkins and Ray Turner put on a display of double rise shooting in very difficult and windy conditions.

Unfortunately, Murphys Law prevailed when the planned skeet exhibition could not be held due to some sort of electrical malfunction in the complex electrical system that controls the recently installed equipment. The crowd compensated themselves by partaking of a sumptuous morning tea and a number availed themselves of an opportunity to try clay target shooting for the very first time, some with impressive results.

Club members will be busy over the next couple of months preparing for the two day open trap carnival postponed due to flooding in May to the 21st and 22nd November.

Further information about the Richmond River Gun Club or its activities may be found at www.northernriversgunclubs.com or from Secretary, Peter Brown on 66218008.

Jack Colliccoat wins VCTA-Winchester School Students Championship Final

The cream of Victoria's trap shooting school students gathered at Bendigo on the 7th September to determine our best overall school student. This honour went to Jack Colliccoat with a great display of single barrel shooting scoring 29/30.

The Bendigo Clay Target Club grounds were in tip top condition following recent rains and the hard work of Jan Woodhatch, Peter "Unreal" Akkermans and Darren "Are you going out tonight" Hansford. The day ran without a hitch and the sponsorship of Winchester (Australia) and the Victorian Clay Target Association were very much appreciated by all those in attendance.

As has been the case in the past, Jan, Margaret, Darren and Peter were virtually run off their feet in the canteen keeping food up to the hungry competitors and supporters. Hot chips were very much in demand with in excess of 20 kilograms being eaten.

Junior Development Day at Barellan CTC

Location 51km south of Weethalle and 578km west of Sydney

Sunday 13th September started off an ideal day for shooting. Mother nature can sure fool us shooters. The winds came up, gusting to near gale force at times, creating a lot of dust, BUT this did nothing to deter the 15 or so juniors who turned up at the above club to participate in the annual junior coaching day. For such a small community as Barellan, who are still ravaged by drought, it was an excellent roll up. The Barellan Clay Target Club is one of the few clubs in NSW that run this type of annual Junior Day.

The coaching was undertaken by members of the Riverina Zone coaching team led by the ever popular Chris Levitzke. Guess whose "girly gun" broke down? The juniors were of all ages and included one girl [who was not disgraced amongst the boys] and all from farming backgrounds. Most had seen their Dads shoot ferals and pests on their farms or had done it themselves. As always SAFETY was paramount and at no time did these juniors cause us any concern.

Chris started the day off with a basic gun fit and then they shot five targets set in the straight away position, before moving across the lanes 1 to 5. Experienced shooters accompanied the juniors throughout this course, and gave pointers.

Eight of these juniors stayed on after a succulent B-B-Q and took part in the afternoon shoot, the Barellan CTC monthly shoot. A magnificent trophy, standing over 8 inches (200mm) tall was donated by

Ken Whytecross Barellan Secretary, Darcy McDermott winner of the Fyshwick Firearms trophy & Barellan President Les Irvine

Bevan Brown of Fyshwick Firearms for the best junior from these shooters in the main event of the day. This was won in grand style by young Darcy McDermott with a score of 17/20.

Other results will appear in CTSN results. The Barellan CTC would like to take this opportunity to thank all those who helped make this day the huge success that it was, especially Mr Chris Levitzke and Mr Bevan Brown for his kind donations and sponsorship.

Ironman Championship at Echuca

Ten targets each, of Ball Trap, Double Barrel, Single Barrel, Handicap, Skeet, and finally, Double Rise, was the program for the Ironman Championship event shot at the Echuca Clay Target Club on September the 13th.

Craig Fitzgerald OA Ironman

for 2009, and also taking out 1st place in AA grade, 2nd in AA grade was L Knight on a 66/72 score.

A twenty target Handicap was the next event and once again three shooters to shoot off, all having shot all twenty targets. After just two targets Colbinabbin member, Laurie Gee, shooting from the 19 metre mark was the only clean score, earning him first place on a 22/22, Deniliquin shooter Ron Glenn from the 21 metre mark survived a try by Craig Fitzgerald for 2nd place ending on a score of 24/25, and Craig, shooting off the back mark of 25 metres, collected 3rd place with a very creditable 23/25 score.

Event three, a 20 target Double Barrel Championship, and it almost appeared as though the five full squads in attendance had shot a clean score, finally thinning down after the shoot off had been going for some time, and eventually, a battle between Deniliquin's, Ron Glenn, and Echuca's, Lee Fitzgerald. Ron missed his 105th target, Lee shot his and it was all over, Lee collecting the Overall Winners Sash and 1st in AA

Lee Fitzgerald Et son OA DB

A fairly tough 60 target event and even though the weather was almost perfect for shooting, just the faintest of breezes, no one could account for all sixty targets. But two Bendigo members and one Echuca member managed to hit all but four targets each, resulting in those three having to shoot at two targets of each discipline in a shoot off. Leigh Knight, Tony Moroni, and local Craig Fitzgerald, all tried their best, but Craig was good enough to only drop one target in the shoot off, ending up on a score of 67/72, which proved unbeatable and gave Craig the honour of being the Overall Ironman Champion

Laurie Gee Hcp 1st

grade trophy with his excellent 105/105 score, another local, Steve Atkins, taking out 2nd in AA with a score of 94/95, Ron Glenn taking 1st in A grade with his 104/105, 2nd in A was Jeff Lowndes Grafton 68/69, B 1st Peter Sing Echuca 19/20, B 2nd David Polsen Castlemaine 17/20, C grade 1st was Kim Moroni Bendigo 19/20, and C 2nd was local member Barry Rogers, 19/20.

Full results for the Ironman:

A grade 1st R Glenn 54/60, A 2nd Ron Traill Echuca 53/60, B 1st P Sing 50/60, C 1st Leanne Harbor Numurkah 42/60, C 2nd was Bert Knight Bendigo with a score of 41/60.

Utilising four trap layouts, and with the shoot running smoothly all day, the presentations were all over by the respectable time of 5.30pm, allowing all travellers time to drive home in daylight after shooting a big program of 100 plus targets.

Tim Maher wins all at Mathoura

Three events at the August shoot at Mathoura Gun Club, and Deniliquin member, Tim Maher, won all three, although it was with a share in the first event which was a cash divide. Tim has been at the top of his game recently, and Friday night he proved to everybody in the four full squads in attendance, just how well he is shooting, by sharing a win in the 10 target Continental Double Barrel cash divide, being the only full score in the 25 target Continental Double Barrel, giving him the Overall Winners Sash and 1st in A grade trophy, and shooting the winning score of 41/45 in the 15 target Continental Points Score event.

Tim Maher

Three Echuca members, all B grader's, David Cox, Chris Thompson, and Drew Healy, all shot a 24/25 in the Double Barrel event, and although Chris dropped out early, David kept Drew at bay until Drew dropped out at 39/41, giving David Cox the B grade 1st with his 40/41 score. David was also the shooter with a 10/10 score, sharing with Tim Maher in the Cash Divide first event. Local member, Luke Hams, a relatively new member of the ACTA, and a junior, only thirteen years old, shot very well to achieve an 18/25 score in this Double Barrel event, and that score gave him a first in C grade win. Well shot Luke. Congratulations!

Drew Healy shot a 40/45 in the Points Score and that earned him second place, and Deniliquin member, Bruce Cook, shot a 39/45 score and that earned him third place in that event.

A very enjoyable night of clay target shooting, and the threatening rain held off to the finish of the last event. And even with a good roll up of shooters, the presentations were all over before 11pm.

KUDRI DEMAJ ON TARGET AT WANGARATTA'S SPORTING CLAYS

Location In Victoria, 235 kilometres north east of Melbourne and 647km south of Sydney

Local clay target shooter shot brilliantly to win overall champion and 1st in A grade with the remarkable result of 62/75 at the Wangaratta Clay Target Clubs September 5 Stand Sporting Clays Championship held on Saturday 12 at its North Wangaratta range. Unfortunately, due to accidentally leaving his safety catch on, he forfeited two targets, which probably would have resulted in his total tally being two more targets. Another local proponent of this very skilful style of shooting, Daryl Hunt, finished 2nd in A grade on 53/75. Albury top shot and Australian Clay Target Assocn National Coaching Director, Graeme Boyd, won 1st in AA grade with another high score of 61/75 with 2nd won by Yarrawonga Field & Game expert Trevor Beach shooting 58/78. Wodonga lady Katrina Adams who shoots Skeet, Field & Game and Sporting Clays competitions shot well once again to win 1st in B grade with the excellent score of 55/75 and 2nd in B by hard working Club Treasurer Paul Reynolds on 50/75. Darren Saunders took out 1st in C grade on 48/75, narrowly defeating local Veteran shooter Keith Robinson on 47/75.

The ladies High Gun trophy went to Trina Adams, Junior High Gun to Nathan Hooper 44/75 and Veterans to Keith Robinson.

Considering an early moderate wind combined with some difficult "long shots", the results achieved amongst the 34 shooters was of a high standard. It was pleasing to see several juniors attending and also a few side by side guns used in the competition. The trophies handed out were of the usual high standards of the Wangaratta Clay Target Club and the whole day was enjoyed in a happy, relaxed and professional atmosphere. Thanks also go to Brett Jory, Daryl Hunt and their helpers in setting up and removing all the traps necessary for this particular discipline and

Back Graeme Boyd, Darren Saunders, Kudri Demaj, Middle Lane Rowe, Trina Adams, Kneeling Nathan Hooper, Rod Hooper, Bryce Hooper

to Colleen Carmody and Lane Rowe for running the kitchen during the day.

A reminder that the club will be holding its 90th Birthday two day shoot over the weekend of 17 & 18 October commencing at 11.00am with Down The Line shooting on the Saturday and Skeet on the Sunday.

Canberra International – Medley Shoot

Six squads shot Canberra's August 100 Target Medley shoot 25 DTL, Trench, Skeet and Simulated Field. Four person self selected teams shot for a total team score of

HG Willow Cameron

400 targets plus an individual Overall High Gun. Bitterly cold gusting winds straight off the snow made shooting both uncomfortable and difficult and probably kept both the number of shooters down and the scores a little below normal.

Again Bermagui were in prominence with three squads and it was great to see some of the Bermi lady shooters out scoring their male counter parts in some sections.

Our congratulations go to Willow Cameron who high gunned with a fine 89/100 in adverse conditions.

First Mountain Men Willow Cameron, Ian Latter, Doug Alcock, Bill Warriner 327, Second Bermagui Mark Gschwend, John Sankey, Adam Shields, Brian Taylor 304.

Our thanks go to Terry Forest who ran the Canteen and provided three delicious roasts.

Plus the Discipline Coordinators and others who pitched in to make it a fun day.

JAMES KYLE

Majura Park Gun Club Canberra

It is with great sadness that members of Majura Park Gun Club in Canberra bid farewell to James on 19th March 2009, following his battle with cancer. He was just 32 years of age. What can we say about "The Big Fella"? No doubt James is now making the Big Guy upstairs laugh as much as we did with his weekly jokes. Whilst James was not a world beater, he was one of those guys that every sporting and social club likes to have around. It did not matter whether he was shooting well or like a busted axxx, he still had a smile on his face and came back the next week to try again, and of course tell some more jokes. Personally, I remember the time he beat Dave Crane to win a handicap event. At the time, Dave was on 23.5 metres and a win would have seen him go back to 24. James, of course, had other ideas and ended up getting the .5 of a metre himself.

As much as we can be sad about his loss, we can also be grateful that he was a part of our club. James loved his shooting and before he passed away he asked if it was possible for his ashes to be scattered over the ground at Majura Park. This was done with club members and his family on 5th July 2009.

GRAHAM CHARLES CALLANDER

On 28th August 2009, Graham passed away at the age of 64 years at his home in Christchurch.

Graham was never a clay target shooter, but his legacy to this sport will live on indefinitely as he was the developer of the Canterbury voice release system, which is now an integral part of almost every gun club's equipment – worldwide.

Graham's forte was "power electronics" at the old DSIR and through a twist of fate this lead to him working on a rudimentary voice release project almost 20 years ago. Over several years this product was further refined, until it was eventually released internationally in 1999. As technology advanced, so did the product and Graham went on to develop a full range of wireless voice release systems to keep up with the market.

From Graham's original development, his systems are now used in DTL, US Trap, Nordic Trap, Skeet, 5 Stand, FITASC, Olympic and Helice.

He was also involved in developments of the Canterbury trap machines and was very proud of the latest development from this stable – the Auto Trench. To date, Canterbury voice release products have been sold into at least 20 countries, so Graham's contribution was of some significance to the New Zealand economy overall – not just shooting.

Graham will be remembered as an unique individual with an extraordinarily high intellect and a wide range of interests. He will be missed by his many friends in shooting circles, from all around the world and our condolences go out to his family.

ANNUAL TWO DAY SHOOT AT CALLIDE DAWSON CLAY TARGET CLUB

Location 120 Km west of Gladstone, 160 km South West of Rockhampton Central Queensland

The Callide Dawson Clay Target Club Inc held their annual two day shoot on the 5th & 6th of September 2009. Cloudy skies greeted us on Friday as preparations were made for the carnival.

Fathers day and the cloudy weather possibly kept a few people away on the weekend but a great turn out sixty nine shooters nominated for the program on Saturday morning.

Shooters came from as far a field as Coonamble, Sebastopol, Central Burnett, Springsure, Gladstone, Rockhampton, Bundaberg, Clermont, Blackwater, Maryborough, Kingaroy, Gold Coast, Dysart, Wandoan, Chinchilla & Gympie and of course Callide Dawson clubs.

The weekend's shooting commenced with a few taking the opportunity to practice on Friday afternoon. Saturday dawned cloudy and warm with some threat of a shower that never eventuated.

Results were mostly contained to the actual events with several shoot offs taking place, fourteen possibles were posted over the whole 210 target program.

Bruce Powell, Overall winner of State Mixed Targets Championship

Bruce Powell and Ryan Olive shot off for overall in Event 4 30 target double barrel, this saw poor light stop proceedings on Saturday arvo. The shoot off recommenced on Sunday morning with Ryan taking the sash after a few targets with a score of 141/141.

Saturday night everyone was treated to a camp

oven roast dinner, prepared and served by our wonderful volunteers (wives) including Evelyn, Carl, Simon, Ron and Andre Weihmer. Thanks to those who assisted in any way with the provision of food, we are truly spoilt in this area. A few drinks and yarns were shared around the bar and campfire after dinner most chose an early night to prepare for Sundays competition.

David Holden receiving the Junior High Gun perpetual trophy from life member Reg Woodward

Sunday dawned fine, cool and clear presenting ideal shooting conditions, campers were treated to another hot breakfast ably cooked by Brett Gravo and his merry band of offspring assisting who can be relied on to deliver the best breakfast possible.

Shooting re-commenced at 9am when shooters faced the 50 target points event, conditions became windy which did not deter the majority from posting some good scores with two possibles from Todd Holmes and Tracey Harker. A short shoot off saw Todd the overall winner on 153/153. This event also saw Ron Holden pick up B Grade with a score of 145/150 (50 kills) the cash handicap was won by Allan Ford from Sabastopol Gun Club with a 29/30 from 21 meters.

Full details can be reviewed in the results section of the magazine.

The club wishes to acknowledge the generosity and dedication of members, their families, visitors, trappers, catering ladies & gents along with our generous sponsors all who contributed in many and varied ways to make the shoot a success it was. A special thanks to those newer members who assisted on Friday and the weekend.

The club also acknowledges the following generous sponsors, Andersons Auto City Biloela, Active Motorcycles, A&J Auto One, Barnes Landscaping, Beaufort Biloela, Bettafield Piggeries,

Perazzi Central Victorian Ball Trap Classic

FINAL ROUND – MARYBOROUGH GUN CLUB

The Perazzi Central Victorian Ball Trap Classic was initially inspired by an idea of St Arnaud Gun Club President John McVitty. As early as 2007, with ball trap already established at St Arnaud, John who is a very dedicated ball trap competitor was trying to promote the discipline. He spoke to a number of central Victorian clubs about the possibility of a round robin team event. Bendigo and Maryborough already had ball trap layouts and the Castlemaine Gun Club were building one. After further talks in 2008 Rodd Flower from the Bendigo Club managed to secure a sponsorship arrangement with Perazzi Australia.

The event is open to any ACTA registered club able to field a team of 3 shooters over the four rounds.

Team Achievement Award winners, Loddon District Police Trap Club members, Glenn and Jan Woodhatch and Peter Beaman

Final round Bendigo team, Craig Lanyon, Darren Hansford and Ward Wende

Clubs may enter as many shooters as they wish, with the top three scores to count at any round. Each club conducting a round provides medals for the winning team on that day and all team and individual scores are tallied at the completion of the four rounds.

We would like to thank Fil Petriella and Steve Haberman of Perazzi Australia who have generously provided for the event – a perpetual trophy plate, an overall winning team prize to the value of \$500 and a Perazzi Gun Case valued at over \$380 to the individual high gun winner. Perazzi Australia also provided a perpetual plate as an achievement award for team participation.

The first round of the competition took place at Castlemaine in February, followed by Bendigo in April, St Arnaud in August and the final round was held at Maryborough on September 13th.

In the first year of the competition, each of the four hosting clubs managed a significant gain in shooter numbers for their ball trap round. Five clubs fielded teams in each of the four rounds and over 70 individual competitors from 15 clubs shot for the individual awards.

The organising committee hopes that the number of competitors will grow substantially over the next few years as the event becomes

Darren Hansford, OA & A gr Ball Trap

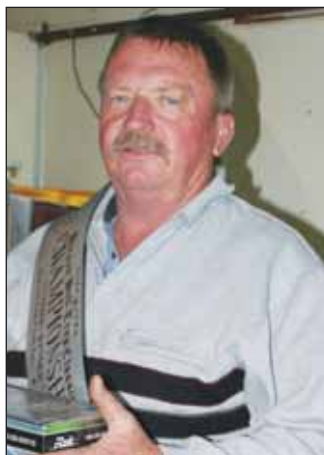

Rodd Flower, AA gr Ball Trap

Joanne Boyer, C gr Double Barrel

Nathan Harris, B gr Double Barrel

Peter Beaman, B gr Ball Trap

Rhys Hendrickson, C gr Ball Trap

more established and better known on the shooting calendar. We take this opportunity to challenge other clubs to field teams and participate in this unique event.

The overall and A grade winner of the 50 target ball trap final at Maryborough was Darren Hansford with a score of 45/50, second place in A grade was won by Ashley McKnight (Maryborough). AA Grade went to Rodd Flower with Ricky Mckinnon (Castlemaine) 2nd. In B grade Peter Beaman from the Loddon District Police Trap Club was 1st and Ward Wende came in second. Rhys Hendrickson (Maryborough) took out 1st place in C grade with Kurt Watts (Castlemaine) 2nd.

Darren Watts, OA Double Barrel

The winning team for the final round at Maryborough was Bendigo, however Bendigo team members Darren Hansford, Craig Lanyon and Ward Wende were unable to catch Maryborough, who by one point, became the inaugural overall winning team.

The Perazzi participation award went to the Loddon District Police Trap Club and Bryan Rafferty (Maryborough) won the Perazzi individual high gun award and took home the magnificent Perazzi Gun case.

Maryborough Gun Club also ran 2 other events on the same day. The 50 target double barrel was won by Darren Watts 84/84,

with Peter Akkermans (Bendigo) taking out 2nd place in AA. A grade was won by Mark Stuchbree with Darren Hansford 2nd. B grade Nathan Harris, 2nd Neil Blackmore. C grade Joanne Boyer, 2nd Don Robinson.

The third event for the day, a 25 target five stand sporting clays, was won by Rodd Flower with a score of 23/25, with Darren Watts finishing 2nd in AA. First A grade was Bryan Rafferty with Nathan Harris 2nd. Bruce Billings was first in B grade and Ross Dunstan 2nd and in C grade Jesse Gaunt won from Mark Stuchbree.

The High Gun over the day was won by Rodd Flower with a score of 114/125.

The Mackay Sarina Clay Target Club club had it's most successful two day shoot since moving into Sarina district from Eton, nine squads enjoyed the excellent weather with a bit of wind to push the targets around enough to bring back the skill of shooting and in the clubs favour of short shoot off's. Inaugural Night Sporting Clays

WEST WYALONG CLAY TARGET CLUB

Location On the crossroads of the Newell and Mid Western Highways, close to the centre of NSW

A leading politician once said that life was not meant to be easy and that was certainly the case for the inaugural 75 Target Sporting Clays Night Shoot held at the West Wyalong Clay Target Club on the fifth Saturday of August.

The lights were excellent and the trap layout was great but the strong gusty wind had the targets dipping and diving all over the sky.

A well attended working bee had taken place during the afternoon and club members set a challenging course and laid concrete on the down the line layout in readiness for the Open shoot to be held in September.

As twilight approached, Dozer fired up the Barbie and soon had everyone munching on sausages and rissoles as the four squads of shooters waited for full dark.

The conditions remained unsettled and this was reflected in the scores as the first squad of shooters trudged back to the clubhouse. John Wason was pleased with his 17/25 but everyone else was pretty glum.

The wind dropped for the second 25 targets and scores improved but as the night wore on the wind, along with some rain returned.

Dozer Collins shot very well with his score of 59/75 and he was the overall winner, Graham Duncan was pretty happy too, as he was second with 56/75, Bruce Dent won A grade 53/75 and Mitch Brown with 56/75 was the B grade winner. The night shoot attracted quite a few new faces with shooters travelling over from Parkes and Greg Buckley won C grade 53/75 from Wade Canny 49/75.

Scott Minty and Nick Price two young blokes from Weethalle really enjoyed their first shoot.

Although very successful we can look forward to further night shoots it did finish quite late and in future night shoots there will probably be a twilight start before the meal to make things easier for the travellers.

Special thanks to everyone, who at the end of the shoot, helped pack everything away in record time a good effort.

In other news Clive Foster had a big win at Bathurst recently. Shooting against many of the Sydney hotshots, Clive was the High Gun on the day.

Narelle Ambrose had a big day at Griffith recently. Shooting against a strong field, Narelle won the Lady's championship and gained her 50 badge.

The Squire

ISU GRAND PRIX

Sydney CTC and Marconi CTC

The Sydney CTC and Marconi CTC held its first ISU Grand Prix event on Sunday 5 July and 24 shooters lined up for the contest in perfect weather. The assignment was 100 targets and after some very good shooting,

Alex Vassilimis, Frank Minici, Tony Cantali, Tong Shang, Nidal Asmar and Danny Di Pietro lined up for the Single Barrel final. When the smoke cleared, Nidal Asmar and Tong Shang were level on 111. After a short break, they went into a shoot off. Nidal dropped his 6th target leaving Tong to shoot his target for victory which he did in fine style! Well, you could have given him the winning lottery ticket he wouldn't have taken it. He wanted this victory and did so against

some top competition. Well done Tong. It shouldn't be his last victory with his shotgun that has a rib which resembles the Glebe Island Bridge. He assures us that he has an Engineers Certificate for it.

Many thanks must go to Express Cartridges and Casella Wines for their help in making the shoot a success and a very special thank you to Shane Samuels for his exceptional running of the shot.

Full results as follows Overall Tong Shang 111+6, 2nd Overall Nidal Asmar 111+5, 1st A grade D Di Pietro 93/100, 2nd A grade T Cantali 88/100, 1st B grade R Rossi 85/100, 2nd B grade L Cassar 84/100, 1st C grade G Scott 75/100+ 1, 2nd C grade H Iida 75/100.

NORTHERN ZONE TRAP CARNIVAL

Inverell RSM Clay Target Club

Location Northern NSW
2 hours North of Tamworth

Finally it had arrived! The weekend of weekends in a long time for our club saw visitors from far and wide converge on Inverell to compete in the 2009 Northern Zone Trap Carnival. A lot of planning, working bees and speculation had been rewarded with perfect weather and a great roll-up of shooters and their entourage of whom started to arrive on Thursday. Friday was a chance to settle in and provide some retail therapy for those that needed it and also fire off a few rounds at the distinctive and some times elusive orange round discs, to get a feel for the place and get their eye in for competition on Saturday.

Expectations and excitement seemed to be about as 108 shooters bought in for their chance at the Titles and Prizes on offer. Competition started at 9am with a 50 mixed target Event (25 Double Barrell/25 Point score) and at the end everyone was treated to a possible answer to a long time mystery, the identity to the infamous Burglar! "The Pink Panther" with "C" Grader Paul (Animal) Turner finishing equal first with 5 other shooters on a score of 99/100. This result caused a flurry for score books by some visiting Handicappers but after close scrutiny and much surprise they found that everything

was true and correct (but Paul didn't see the "C" around his name anymore for the weekend). The day was a successful one for everybody involved, despite a few hiccups with some machinery. A couple of cowboy reps the names of which we won't mention, but they may have rode in on their Mustangs, were in the last squad and with fading light decided to finish their round and gave a great display of getting shots away in the dark, somehow I think they have had some kind of experience at it before.

Saturday's results were 50 Target Macintyre C'Ship O/All Henry Philip 149/150, 1st AA Tony Ryder 222/225, 2nd AA Kevin Thompson 219/225, 1st A Geoffrey Hunter 147/150, 2nd A Matt Colley 144/150, 1st B Nathan Walters 141/150, 2nd B Peter Poile 140/150, 1st C Paul Turner 99/100, 2nd C Elena Clark 88/100.

Enter Sunday, another great day and 98 shooters, with some trying to repeat or improve on Saturday's results and others that were unable to make it Saturday jumping into the mix. Everyone was getting around pretty alert and with their heads held high, it indicated that no one needed to replenish to much fluid of the Amber variety nor did they try to drown their sorrows so all was good. Proceedings got underway again 8.30am with another 125 targets for the day to be shot and again competition and standards were high.

Sunday's Results as follows 25 Target H/Cap Northern Zone C'Ship 1st Mick Wilkins 59/59, 2nd Robert Clarke 58/59, 3rd Shannon O'Brien 56/57, 4th Geoff Baxter 51/52, 5th Stewart Boydell 50/51.

It all comes to an end but not before giving thanks to all Sponsors, Competitors, Visitors, our neighbouring clubs Moree and Glen Innes for helping us out with gear on Sunday we were very grateful. All of the people who worked their Butts off in the Kitchen, on the

Range and in the office for these are the people who can make or break the weekend. A special thanks must go to a "rough looking bloke" with red hair who sat and ran the show all weekend copping heaps but showing great patients trying to be obliging to all requests, without him the event wouldn't have been as successful. Thanks Glen!

We hope everyone that joined us on our Range enjoyed it as we did and we hope that you can drop in again and crack a few clays if you are poking around this way some time in the future, all are most welcome.

John Gemmill wins Bob Barron Memorial

Wangaratta Clay Target Club held a successful Down the Line competition on Saturday 19 September. A large group of 55 enthusiastic shooters competed on a lovely fine and sunny day of sport, with several travelling long distance to shoot at one of the most popular clubs in Victoria. The local clay target club will be celebrating its 90th birthday over the weekend of October 17 & 18 this year and expects a very large attendance on what should be a full weekend of celebration of both Down The Line and Skeet shooting.

The first event of our September shoot was a 10 tgt points score eye opener which was divided by 17 possibles. Our second event, a 20 tgt points score c/ship was won by AA grade Lavington junior shooter Jaidon Parker after a long shoot off with local Daryl Hunt. The final score was 126/126 for Jaidon and Daryl one off on 125/126. Jaidon travels to the various shoots across the country with his mum Wendy Parker, who also competes regularly and is a very consistent fine shot herself. Bob Pigram shot 105/108 to take out 1st in A, defeating Ben Vogelzang with 81/84, B grade was won by Roy Ellis shooting 61/63 and 2nd by local keen shooter Terry Alexander on 60/63, Vilya Vogelzang shot 57/63 to win 1st in C grade and 2nd was won by Steven Collihole on 56/63. Event 3, the Bob Barron Memorial 20 tgt h/cap with prizes generously donated by the Barron family was well won by John Gemmill on 52/52 with 2nd by Terry Alexander shooting 51/52 Brett Ford took out 3rd place with 37/38. This is the first time that this event has been shot as a memorial shoot, as Bob unfortunately passed away earlier this year. Bob was a great stalwart and life member of the Wangaratta Clay Target Club and spent an enormous amount of time as the clubs

groundkeeper and club house cleaner amongst other voluntary duties.

The last event was a 50 tgt Double barrel C/Ship, with prizes generously donated by Wangaratta Audiology. Overall winner was AA grade Phil Matthews after a gruelling shoot off finishing with 135/136, with Daryl Hunt coming in 2nd on 135/136. First place in A was well won by David Pearce on 85/86 and 2nd by Peter Collicoat shooting 93/94, Don Collihole took out B grade on 60/61 defeating Roy Ellis on 49/50, Jacob Matthews won C grade on 48/50 and Scott Rennick 2nd place with 48/52.

The o/all High Gun was won by Phil Matthews on 158/160, Veterans High Gun by Stan Collins on 155/160, Junior High Gun by Jaidon Parker with 152/160 and Ladies by Kayla Grassi with 147/160.

his 6th & 7th targets the shooter next to him, Geoff Hunter was laughing so hard he dumped a full target in response.

When the dust had settled and the gun smoke cleared 1 shooter was left standing alone with the red on the scoreboard, Local A Grade Shooter Craig Mearns was the only 75/75 for the night, with Rob Clarke & Stewart Bowden shooting 74 and George Barton, Mark Drain & Col Barton finishing with 73 all in AA grade, Sam Gall &

The traps were set up with 2 light towers per trap and the targets were nothing short of spectacular, with comments from many that they were amongst the best night targets many had seen.

Shooting got underway at 6.30pm Friday night, with 7 squads ready to do battle for the cash divide and also the \$2500 on offer for anyone that could shoot the program clean. The week prior to the shoot many locals had commented on how they would love to take the \$2500 dollars off Sponsor "Geoff Hunter Painting's" hands, none more than Local Olympian and now avid DTL shooter George Barton, unfortunately when George pulled a second barrel on

Button Powell rounded out A grade with 74 and 72 respectively, Gary O'Brien 69, Steve Bryant 66 and Cherie Hunter with 65 were the B grade placegetters and C grade was taken out by Doug McKinnon with 70 followed by Shannon O'Brien 68 and Darren McPhie on 62.

Saturday morning shooting got underway at 8.45 with 14 squads taking part in Saturday's events. Event 2, the first event for Saturday was 30 TGT Deiselcare Champion of Champions off 18 Mtrs and this proved a tough task for even the best of the shooters with 7 shooters on 49/50 the shoot-off lasted another 60 targets to see

Tamworth September regular Kevin Thompson with the first sash of the weekend with 149/150, Daryl Steven was 1st in AA with 148/150 and Mick Northey from Narrabri 2nd with 71/75, A grade was Button Powell 72/75 with Trevor Higgins 2nd with 70/75, B grade went to Wal Rae with 48/50 followed by Cesar Diaz on 47/50, C grade went to Shannon O'Brien in what proved to be a fruitful weekend for the young Inverell shooter with a 47/50 and youngest competitor of the weekend Murray Riley from Gunnedah took 2nd with a 46/50.

Event 3 was the 30 TGT Coates Hire Single Barrel Championship, only 2 possibles out of 14 squads with Alan Jones 35/35 taking the victory in this event over Kevin Thompson 1st AA with 34/35, the 11 shooters with 29 had to fight out the minor places, with Mick Northey 2nd in AA with 36/37, Craig Mearns took A grade with 35/36 followed by Mike Sullivan from Lismore with 34/36, Cherie Hunter from Tamworth took 1st in B grade with 29/30, followed by Wal Rae with a 28/30, Shannon O'Brien took out C grade with 29/30 ahead of Margaret Burke on 26/30.

Event 4 was The Tamworth Paint Centre 30 TGT Double Barrel Championship with 18 possibles shot, as the shooters dropped out 2 shooters Kevin Thompson and Mark McInnes putting on an excellent display of shooting, 1 shooter being fit and healthy and the other shooter still suffering the effects of one those lovely lurgies that had him in bed for 6 days prior, but they both shot an excellent long shoot-off with Thommo holding out to take the win with 274/274, and Mark taking out AA with 273/274 and Daryl Stevens taking 2nd in AA with 92/93, Robert Fulwood Hosking took out A Grade 66/67

ahead of Sam Gall 57/58, B grade went to Cesar Diaz on 55/57 with Cherie Hunter on 50/52, C grade was the battle of the ladies with Margaret Burke winning with 31/33 and Charlotte Piper on 30/33 taking 2nd.

With the shooting finished early an additional Continental cash divide was run.

And also the shooters lotto that the club runs monthly at the trap shoots. Long story made short buy as many tickets as you like \$1 a ticket, 3 tickets drawn = 3 shooters, must shoot 25 Target continental off handicap to win jackpotted scratchy tickets. Gary O'Brien only shooter to shoot 25 took home \$183.00 worth of assorted scratchies

Event 5 The Leicht's Tyre & Auto NSW Night Point Score Championship. The lights were set and 4 layouts were ablaze, the shooting was hot under that many lights and run through smoothly with 2 Locals Peter Holmes & Geoff Hunter topping the scoresheets when everything was tallied up. Both needing the help of 2 second barrels to post 148/150's. There was 2 shoot-offs required with the first for Overall and 1st AA and second for 2nd A grade. The shoot-off was much anticipated and for those watching on it would be the most thrilling 2 targets they have ever seen. Peter Homes claiming the Red sash with 154/156 ahead of Geoff Hunter with 153/156 settling for 1st in AA grade and Kevin Thompson 2nd with 146/150, A grade was taken out by John Piper his 145/150 not requiring him to do any more, Sam Gall also part of the huge 2 target shoot-off took out 2nd in A grade with 150/156, Paul Jackson took 1st in B grade with a 141/150 ahead of Cherie Hunter on 136/150 and C grade was Andrew Mulliga1st on 139/150 and Shannon O'Brien 138/150.

Sunday dawned and some took up where they left off shooting the night before, and some with sore heads from the night before but not deterred they soldiered on in true style, hoping that the first event being point score they would only need 1 barrel to minimise the pain in the head from the night before.

Event 6 Tamworth Clay Target Club Point score Championship was the order of the day and everyone got down to business, once again when the dust had settled 7 shooters had red ink on the board and the shoot-off began. With the first trap sorting out a fair few, only George (ishouldabeendoinDTLyearsago) Barton & Geoff (iwishididntstopfor20yrs) Hunter made it onto the second trap and looked to settle in to a decent shoot-off until a second barrel jumped out from nowhere on Geoff's 97th target, George claiming the sash and

Joe Marshall in Handicap shoot off

overall on 291/291 and Geoff settling for 1st in AA on 290/291, AA grade 2nd place went to Peter Holmes with 161/162. A grade as the night before was John Piper leading the way on 98/99 ahead of Craig Mearns on 101/102, B grade was taken out by John Burke on 88/90 from Cherie Hunter on 86/90 and rounding out the results C grade went to Duncan McPhie with an impressive 87/90 ahead of the man who was always there about in C grade Shannon O'Brien on 86/90.

Event 7 Tamworth Firearms 30 TGT Handicap Championship got underway with 3 fairly handy shooters proving a cut above the rest with Button Powell, Jeff Nash and Kim Nealon the only possibles. Kim Nealon proved he has what it takes notching up a win overall and also gaining his 25M handicap mark, ahead of Button Powell on 34/35, Jeff Nash 33/35, and then the long shoot-offs for 4th and 5th took place with Stewart Bowden taking 4th place on 74/75 and Shannon O'Brien on 73/75 taking 5th place home.

Event 8 The Tamworth Paint Centre 25 pair Double Rise Championship was the final event for the program and proved a great way of sorting out the high guns with 4 shooters within 2 points going into the double rise it made for interesting watching. Local hotshot John Sleightholme proved his lack of shooting has not stopped his love of Double rise with a 47/50 and then 9/10 in the shoot-off enough to scrape home in overall top spot ahead of Robert Fulwood Hosking who ended on 54/60 after the shoot-off to take 1st in A grade, George Barton took 1st in AA with 46/50 ahead of Darryl Stevens 64/70 who shot off with Cliff Overton for 2nd in AA, A grade saw Robert Fulwood Hosking 54/60, ahead of Jeff Nash on 46/50, B grade also needed a shoot-off to sort the places out and Cesar Diaz 48/60 got the better of Noel Edlington 46/60 and Shannon O'Brien capped off a great weekend in C grade taking out the grade with 40/50 with Duncan McPhie a close second with 47/60 after another shoot-off.

The High Guns were about the only thing all weekend that didn't need a shoot-off to determine a winner. The Graham Wilson Junior High Gun was won by Port Macquarie's Tom Clark on 368/430. The Bank of Queensland veterans High Gun was won by Paul Deland on 401/430. The Beretta Australia Ladies High Gun was won by Helen Overton on 389/430, C Grade High gun was won by Shannon O'Brien on 398/430, B grade High Gun was won by Cesar Diaz with 388/430, A grade was taken out by Robert Fulwood Hosking with a score of 407/430, The Abraham Lincoln Motel AA Grade High Gun went to George Barton with 414/430 and Overall High Gun Sponsored by "The Clay Target Company" earning himself a new custom made Shooters jacket amongst the other trophies for his efforts was Kevin Thompson from Newcastle with a score of 415/430.

A thoroughly enjoyable weekend was had by all with good company and great targets to make those who travelled for the weekend's events worth the trip. The Tamworth club thanks those who travelled far and wide to make the weekend a success and we look forward to seeing you all bigger and better next year.

Good shooting to you all, Zee Fazoli

**Location at the southern tip of the Great Barrier Reef

Bundaberg Clay Target Club held its annual shoot on Sunday the 2nd August with 59 shooters vying for cash & cartridges in variable wind conditions. An excellent roll up of shooters travelled from Sunshine Coast, Gladstone, Rockhampton, Maryborough, Gympie, Tarawera Pistol & Gun Club, Callide Dawson, Mackay & Sarina, Central Burnett and Bundaberg. It was pleasing to see a good roll up of our shooters attend. The day progressed really well with no interruptions or breakdowns. It is always good to finish the day reasonably early letting the travelling shooters get on the road before dark.

Get the Facts Straight

It has been brought to the attention of the Echuca Clay Target Club Committee that there are some competitors and visitors to the Echuca Club who have been misinformed regarding the improvements that have been carried out at the Club. The Echuca Clay Target Club believes a small group, or perhaps an individual, have circulated rumours to the effect that these improvements are the direct result of financial contributions made to the Club by the Victorian Clay Target Association. This is definitely not the case and the Echuca Clay Target Club Committee would like to make it known that all improvements undertaken at the Club have been totally funded by the Club and the work involved in these improvements are the result of their hard working members and volunteers.

GERALDTON CLAY TARGET CLUB

Location 450 kms north of Perth

August the 1st saw Geraldton Clay Target Club Members, local businesses and supportive public come together to raise funds for the Holland Street School, for children with special needs.

The weather turned on the perfect afternoon, unlike the previous year when shooters had been challenged with wet and windy conditions.

This was the fifth year Holland Street has been selected as the beneficiary. The event has grown into a great partnership with Staff and parents of the School, who not only have teams competing, but also help with the afternoon teas and cooking the free Sausage Sizzle Lunch and finishing off with a Barbeque tea for competitors and spectators.

Team MSK Front Row Sasha Jones, Langley Thurkle, Alex Thurkle. Back Row Terry Thurle Coach, Charles Thurkle, Sam Royce and Michael Boschetti Sponsor

Club Captain Ian Grant, President Rod Bailey

A record 245 shooters (49 squads) of all levels, from first timers to more experienced came to compete in the event. All these squads on 7 layouts with 2 visits shooting single barrel a big event by anyone's measure, this blitzed last year's record of 38 Squads

The Club members from Geraldton donated not only their time and expertise in coaching, but also the 9500 shells needed to run it.

Teams are made up of juniors, males, ladies and a mix of all the above, with some teams competing for their 10th time.

Surprisingly the juniors again proved too strong for the rest of the field with Team MSK shooting 107/150. This team comprised of Charles, Alex and Langley Thurkle, Sam Royce and Sasha Jones, winning the event for the second year in a row, and sponsored by local identity Michael Boschetti.

Junior, Charles Thurkle backed up his win in the teams event by winning the Junior Boys High Gun with a single barrel score 26/30.

The Men's High Gun was won by Bruce Ley 28/30, Ladies High Gun as won by Olivia Jones (another junior) with 25/30, Junior Ladies Sophie Moustaka 12/30.

L to Right Michelle Jackson, Deb Patterson, Melissa Simpson, Nerene Teakle and Andrea O'Loughlin

Prizes were awarded for the best dressed team and assorted other novelties.

We then came to the most important part of the day when President Rod Bailey presented a Cheque for \$12,000 to some very grateful students from Holland Street to help build a new play ground.

A special thanks goes to local businesses, Patience Bulk Haulage, Iluka Resources, Auslec, Bridgestone Tyres, Midwest Fire Protection, Aussie Sheds, Latitude Pearls and Travel Managers (Chris Dobson) Barlo Firearms, Stuarts Menswear and Kleenheat Gas whom without their support the event would not be possible.

Event Coordinator Ian Grant said it was a great day and shows what can be achieved when shooters band together to help those less fortunate, and it promotes Clay Target Shooting as a safe and responsible sport to the general public, helping to break down some of the misconceptions held by some members of the community.

With the official events completed, there was time for an "Off the Box Event" this provided a lot of laughs for the audience and participants. Saturday evening, after a good days shooting there was roast dinner available followed by the NRL on the "Big Screen" those who weren't into the football enjoyed an evening of socialising. By all accounts a good evening was had by all.

MIXED BAG AT ECHUCA

The Victorian State Ball Trap Final provided 100 targets for shooters to try out their skills at Echuca Clay Target Club's August 30 meeting, and as well there were two Continental events and a Handicap as well, for shooters to have either a very big day, or to choose to shoot whatever they felt comfortable with.

A very difficult array of events on offer, with Ball Trap probably classed as the most difficult discipline there is, and also Continental

shooting, and Handicap, rating high in the tough list, making this a day to really test any shooters ability. With a total of 160 targets on offer it was always going to cut it fine to finish the days shooting in daylight, especially with a late 11 am start, but with good organising from the office staff, and two Ball Trap layouts available, the last shoot off, thankfully, finished just before dark.

Missing only three targets out of the hundred in the State Ball Trap event, Brett Dunstan out-shot all others to claim the Overall Winner's Sash, and AA grade 1st trophy with his excellent score of 97/100. Well shot Brett, congratulations!

Echuca member, Steve Atkins, survived an eleven target shoot

off in the 20 Target Continental Points Score event, to take out the Overall Winner, and 1st in AA grade trophy with a 92/93 score.

The 20 target Continental Double Barrel event had the longest shoot off for the day, and eventually David Watts, a Maryborough member, won out with a clean score of 58/58, collecting the Overall Winners Sash and AA grade 1st trophy.

The Handicap, a 20 target event, was also won by David Watts, after a 24 target shoot off with two Echuca members, Craig Fitzgerald dropping his 44th target to take out 2nd place with a 41/44 score, and Barry Rogers missing his 35th target giving him 3rd place with a score of 33/35. David Watts, achieving 1st place position with his final score a very creditable 42/44.

The high winning scores are a reflection of the quality of the shooters who made up the six full squads that attended, on a day that was good for shooting weatherwise, a little cool, but virtually no wind to move targets around.

Full results for the shoot are as follows.

100 target State Ball Trap Final OA & AA 1st Brett Dunstan 97/100, AA 2nd Rod Flower Bendigo 94/100, A 1st Rob Viney Echuca 95/100, A 2nd Wayne Harris Ararat 92/100, B 1st Nathan Harris Bendigo 94/100, B 2nd Geoff Palmer Colbinabbin 83/100, C 1st David Long, 81/100.

20 target Points Score Continental OA & AA 1st S Atkins Echuca 92/93, AA 2nd B Morris Hay 89/93, A 1st Ron Traill Echuca 58/60, A 2nd A McKnight Maryborough 55/60, no B grade entries, C 1st B Rogers Echuca 42/60.
