DTL400

\$5,990
inc. GST

The DTL400 is designed specifically for the rigorous use of commercial trap shooting grounds.

With its 400 target capacity, instant release and pin-point accuracy, the DTL400 is an excellent choice for DTL trap shooting. Powered by a 240 volt or 12-volt battery the commercial-grade motor mated to a gearbox using steel gears will provide decades of dependable service. The DTL400 uses heavy-duty corrosion free components throughout the entire machine such as the stainless steel top plate, drop and target launch plates.

Utilizing the DuraClutch™, electro-mechanical controls, and quick-change aircraft-grade aluminum throwing arm, the DTL400 is very simple to operate. The unrivaled Atlas 5-year warranty and a lifetime warranty on the DuraClutch™ and electrical system provide peace-of-mind for club owners and grounds keepers.

National President's Notes

Congratulations to our recent Commonwealth Games team on their performance in New Delhi. The conditions were very oppressive which highlights the standard of the performance of our team. Further congratulations to our medal winners:

Trap. Men Pairs, Michael DIAMOND and Adam VELLA, GOLD. Trap. Women Pairs, Laetisha SCANLAN and Stacy ROIALL, GOLD. Trap Men, Michael, DIAMOND SILVER.

The Association has dealt with three members of the Association for various offences involving unsportsman like behavior. These cases were dealt with by an independent Judiciary headed by former Federal MP Kay Hull. The cases resulted in suspended sentences, and suspensions. This is not a pleasant task for the Association and one we can do without, however the Association will take action where deemed appropriate in order to protect the integrity of the sport.

Membership is now open for 2011, I would encourage all members to join up prior to the due date and "bring a friend" along and get them involved in the sport in 2011. The secretaries pack has been sent and should be in your mailbox soon with the latest details regarding membership. There is clarification of the requirements of membership in regard to the National Association. There is also clarification of the reciprocal rights with SSAA & Field and Game. That is "reciprocal rights only exist at National level to allow shooters from these three organisations to shoot at the SSAA and Field and Game National Championships and at the ACTA Sporting Clays Nationals". There is no other reciprocal rights.

The Association is very conscious of the need to promote the Association and the sport through various opportunities such as field days, small machinery displays, the "Beretta Girl Day" Shot show and many other types of promotional opportunities.

The Promotions committee have commissioned the purchase of various promotional items such as keys rings, fridge magnets, water bottles, pens and a number of banners promoting all States as well as the National Body. These items are available to States, Clubs, Zones who wish to promote their organisation.

Forty each of these items will be shipped to each State in the near future to show the items first hand. Should your Club, Zone, State wish to place an order you will need to contact staff at the National Office.

On behalf of the National Executive I would like to take the opportunity to wish you a merry Christmas and happy new year.

Robert Nugent

of the
National
Executive and the
Staff of the National
Office I would like to

Executive Officer's Report

It appears a number of shooters particularly those with medical conditions have expressed concern that the ACTA are introducing drug testing at the Nationals. The ACTA has a duty to protect Australia's sporting integrity through the elimination of doping and have no control as to where the ASADA may test its members.

The Australian Sports Anti-Doping Authority (ASADA) is a government statutory authority that is Australia's driving force for pure performance in sport. It is the organisation with prime responsibility for implementation of the World Anti-Doping Code (the Code) in Australia. ASADA can attend any event to take samples from shooters. Those on medication can check their medication is not on the banned list on the website www.asada.gov.au or contact 1300 27232. If you are taking medications you can apply for a therapeutic Use Exemption by contacting the above number. **Do not stop taking any medication without consulting your Doctor.**

There are a number of projects being worked on currently including the updating of the ACTA Data base, something well overdue. In this restructure of the data base we will be building in a plastic card facility which will enable all handicap card information to be retained on our data base and on the card.

There will be a great deal of other useful information which needs to be collated to enable the Association to prepare funding submissions. There will need to be administrative changes over the next few years to enable this Association to be recognised as a legitimate National Organisation and as such attract funding. Our Sport caters for, male and female participation, competing against each other in many disciplines. A strong Junior (and growing) membership, not only at club level but through the work of many clubs and States in Schools.

Our sport caters for an aging population and remains one of few sports you can participate in from a young age to a mature age. Our sport contains many people from a diverse background including those from non English speaking backgrounds. We have numerous people competing who have a disability (and that is not just missing targets). In fact the Wangaratta Club is providing a great service for the disabled including those with Acquired Brain Injury.

Our members do a great deal of special things in the community and deserve to be recognised for their work. By capturing this information we hope to be able to further support their efforts to grow the sport by focusing on the positive contribution we have to the community.

Tony Turner

EXECUTIVE OFFICER

An exciting opportunity to lead a growing not for profit organisation.

The Australian Clay Target Association is seeking to appoint a new Executive Officer to lead the organisation. The Association has a healthy membership base of 13,000 and a staff of five and is financially strong and stable.

The Association has an ongoing commitment to grow the sport of shooting and enhance its profile throughout Australia. The new Executive Officer will work with a volunteer board of directors to realise this vision.

Applications are called from candidates who can demonstrate strong management, financial and marketing skills. Excellent communication skills, together with an ability to plan strategically are essential. A sound knowledge of and passion for shooting is desirable.

A competitive salary package will be negotiated with the successful candidate.

Applications close Friday 14th January 2011.

For further information about this position an application package can be downloaded from the ACTA website: www.claytarget.com.au or by contacting our National Office on Ph 02 6938 2121.

New South Wales Clay Target Assoc. – Central Zone

The Central Zone of the New South Wales Clay Target Assoc had a very strong representation at the recent NSW State Trap Carnival, held at Wagga over the October long weekend. Shooters from the zone were able to take home a number of State Titles and Grade prizes, this was an enormous achievement considering the Central Zone has the least members of all the NSW Zones.

Matt Patmore (West Wyalong Clay Target Club) shot impressively over the weekend and featured in a number of shoot-offs throughout the Carnival. In the 50 Target Double Barrel event, Matt was involved in a lengthy shoot-off which commenced on Saturday afternoon and did not finalise till the following Sunday afternoon. Matt shot an extraordinary 642/643 to take out 1st in AA Grade. Matt and Michael Mitton (Grenfell Gun Club) were amongst the shooters to shoot the possible of 150/150 in the Points Score event. Matt was successful in this shoot off to take the Overall State Title, with Michael awarded the 1st in AA Grade. Matt's excellent shooting over the weekend saw him take out the AA Grade High Gun for the Carnival.

Matt Schiller (Grenfell Gun Club) gained two Junior State Titles over the weekend. He was the Junior section winner of the Champion of Champions title and also the Double Rise.

Kate Schiller (Grenfell Gun Club), who is only 15 years old, earned herself the Ladies State Title in the Champion of Champions event.

Dave Player (Orange Clay Target Club) gained 3rd place in B Grade in the Double Rise event.

Bob Alston (Orange Clay Target Club) was also successful over the Carnival. He took out 1st B Grade in the Double Barrel event, as well as 1st B Grade and Veterans section winner in the Single Barrel.

Peter Haley (Bathurst Gun Club) took away 1st prize in B Grade for the Points Score event. A significant achievement considering his involvement in the management of the Carnival.

NSWCTA CZ winners include John Finn President of NSWCTA CZ, Peter Haley, Michael Mitton, Matt Patmore, Matt & Kate Schiller (in front) absent is Dave Player & Bob Alston

The Central Zones Open Team, consisting of Matt Schiller, Matt Patmore, Michael Mitton, Steve Schiller (Grenfell Gun Club) and Clive Foster (West Wyalong Clay Target Club) had a strong performance and were Runners up in the Teams Shoot.

Matt Patmore and Michael Mitton qualified into the NSW State Open Team. This is a 15 man squad which is made up of those shooters who shot the highest total scores over the Double Barrel, Single Barrel and Points Score events. This squad then shoot a further 50 targets Points Score event to determine NSW State Representative Team of 5 shooters for the Australian Clay Target Assoc Trap Nationals (to be held in Wagga in April 2011). Matt Patmore continued his good form to qualify as number 2 shooter for this NSW State Open Team.

Kate Schiller qualified into the 6 member NSW Ladies Team. These ladies shoot a 25 target Points Score event to determine the 3 member squad which will represent NSW at the National Carnival. Kate performed very strongly in this event and earned the title of Ladies Team High Gun and will also go on the represent NSW in the State Ladies Team.

The Central Zone consists of clubs in Bathurst, Boorowa, Canowindra, Condobolin, Cowra, Grenfell, Orange, Parkes and West Wyalong.

Clarification of Rule 2.04(h) and Rule 2.01(h) 2008 Rule Book

Just to clarify Rule 2.04(h), "... an official may disregard **ANY** score **OBVIOUSLY NOT** indicative of the shooter's ability". This may indeed include more than one score, and the key words in applying this rule are "**OBVIOUSLY NOT**".

There also seems to be some confusion with the 200 targets rule-off and the substitution of bad double barrel scores. For the information of our members, Rule 2.01(h) states "After 200 targets regrade the shooter if necessary. **ANY BAD** scores entered on the **DB** column will be wiped off & transposed for any **GOOD** scores from the other events column (of equal target amounts **IF POSSIBLE**) i.e., Continental & single barrel".

To explain the application of this rule, after 200 **DB** targets has been ruled off by the shoot secretary or handicapper, he/she will then check for **BAD DB** scores (which can be multiple) that can be substituted for **GOOD** scores from the Cont/SB column. Also, per Rule 2.04(h), disregard any score obviously not indicative of the shooter's ability. Wherever possible, substitute **BAD FOR GOOD** scores of equal amounts "**IF POSSIBLE**", but e.g., a bad 25 target DB score can be substituted for a good 50 target score, or conversely, a bad 50 target DB score can be transposed for a good 25 target score from the other events column.

Now having carried out the substitutions and/or deletions, there may indeed be a different total from the original 200, e.g. 170/175, e.g. 219/250. The percentage is then calculated at this point and not before, to obtain the "200 target percentage" for the purpose of calculating the ongoing rolling percentage and subsequent grading.

I hope this will help our members with any problems they have had in the past with these two rules. Please do not hesitate to contact me with any other issues or clarifications you are concerned with so that I can address them with you personally or through this medium.

Coaching Updates for 2011

As of the 1st January 2011 all new and current coaches will be required to pay a fee for their coaching cards issued by AISL.

For current coaches please check the Sports Accreditation online website (<https://sao.ausport.gov.au>) to ensure your details are up to date.

All States, Zones or Clubs conducting courses will need to add the new coach ID card fee of \$25.00 to the total cost of the course. This will need to be posted to the ACTA upon completion of each course along with all necessary papers for processing.

Those coaches who are renewing their coaching accreditation, must return their coaching record card signed by an authorised person with their \$10.00 fee to the ACTA National Office for renewal.

The pricing will be as follows:

Renewal of Expired Card	\$10.00
New Coach Card	\$25.00
Reissue lost or incorrect name	\$10.00

The National Coach is a member of the AISL Committee charged with the responsibility of developing the elite course which will take the place of the Level 3. Further details on progress in the near future.

V.C.T.A. South East Zone Teams Event – Round 4

Round 4 was shot at Werribee, without the usual helpful "Werribee Breeze". One hundred and eight shooters contested this round, providing 19 teams and 4 Junior teams. After a slightly late start thanks to the traffic problem that is the Monash Freeway.

Event one the Handicap saw a shoot off between Jack Wallace, Ryan Ball and Chris Brown, this went a dozen targets before Ryan stood alone 37/ 37 from Jack 36/37 and Chris 33/34 third. The Back Marker was Tony Psalia 39/40 and Bill Norling 23/25 collected the Junior Front Marker.

After the Handicap the teams section had two teams on 114 the home club's team One and Melbourne Red, these two well

ahead of the rest of the pack. In the Juniors it was Melbourne Gold three targets up on Mornington.

Event two the Double Barrel had 19 possibles posted and after a quick fifty there were only four. By the time they reached the 115 mark, there were only two, Lynne Curtis and Mark Crimmins. Another hundred down the track saw Mark take overall with 215/215 leaving Lynne first in AA 214/215, second in AA was Wayne Parks; A grade: M Mifsud 55/56, Wally K 46/47; B: B McMillan 43/44, R Ball 44/47; C E Treadwell 25/25, C Mitchell 24/25. The OA HG went to Ryan Ball 50/50, the Ladies HG went to Sharon Lenanne 46/50; the graded Junior HG A: J Lenanne 47/50; B: R Ball 50/50; C: B Norling 45/50.

The winning team was Melbourne Red 231/250; G Aston, Wally K, J Wallace, T White and R Ball. The winning Junior team was Melbourne Gold 92/100; G Aston and J Wallace. The next round is the final at the Carnival.

Zone Secretary, Chris Carrol

From the National Coaching Director

From the 27th to the 30th of September the ACTA held the National Junior Development Camp at the National Grounds in Wagga. As I said in the last CTSN we intended to invite active coaches to the National Junior Development Camps. Along with the 18 successful young athletes we invited Graham Gosling and Fred Schmetzer to attend. The idea behind including experienced and active coaches in the training camp was to allow them to experience firsthand not only the coaching technique we use and the first class guest speakers we invite along but to also understand the standard we require the States to reach in their coaching programs before they recommend athletes for selection to the National Camps.

During the four days both Graham and Fred spoke about the direction they need to go to bring NSW State Juniors up in a selection system from Zone through to State coaching camps. They have presented a proposal already in regard to a system which the next State meeting will address and hopefully adopt. The result of inviting these men along has already made progress for the future for young shooters in NSW. I want to personally thank them along with Fred Rapley for all their help and input during the camp. Congratulations to Eddie Elder, a skeetie who shot his first 100 straight in trap and who now likes trap better than skeet? Again we invited Rob Anderson along to run through a training session in regard to the fitness required to perform at the elite level of our sport. The members of the camp always look forward to Rob's sessions with great enthusiasm. Without any question the qualifications Rob holds as a fitness instructor with a diploma in sport, level 1 coach in gymnastics, specialist in sports injury, Australian representative and coach in martial arts and a very accomplished clay target shooter in his spare time. Coupled together Rob understands the required fitness levels, training routine and technique for athletes who are clay target shooters to achieve their goals. I recommend any shooter looking to improve their shooting strength to have a word with Rob. Michael Kruger Davis again gave his time to come along and speak to the group about the psychology side of shooting and the self discipline required to become an elite athlete.

Also at the Junior Development Camp we held the first ever 18 to 23 year old high performance squad. The forming of this squad by the ACTA gives the juniors a pathway from 14 years old through to 23 year olds, this is an incredible opportunity for any young shooter who is determined and works hard. They can spend 9 years involved with the ACTA squad and gain a strong foundation for their shooting career. To our invited guests and to all the members of the squad thank you for contributing to one of the most successful camps we have held.

PHOTO COMPETITION

Clubs/members can send Photo's (Digital only) to the CTSN email address. If space permits we will publish the best of these.

A picture will be selected every 3 months with the winner's photo being published in the CTSN with an article & receive a camera for their Club.

The overall winner will receive a full page gloss colour advertisement in the magazine for a shoot event (to be used in the next 12 months)

- * Each photo will need to be less than 6 months old.
- * The photo will need to be picture-ready for publication in the magazine (no touch-ups required).
- * Must be of Clay Target shooting or related to a shooting event.

The NSW State Trap Carnival was held the day after the camp finished and most of the juniors stayed on to compete in this event. The camp was run in regard to leading into the Trap Carnival. We are very happy with the success that members of the training squad achieved. Matt Hayden on the Junior High Gun, Emma Cox, Meagan Boast and John Duryea in the Double Barrel, Leigh Stokes great shooting in the Handicap, Kate Shiller, Matt Shiller and John Duryea in the Champion of Champions, Matt Shiller Double Rise, To all the members who made the teams well done.

At the NSW Trap Carnival the juniors and Sub Juniors totalled 61 = 20 % of the shooters?

Congratulations to members of the squad who have preformed exceptionally well since the camp. Adam Shale who has made the ACTA Junior 5 Stand Team to New Zealand and won the Junior SSAA 5 Stand National Title. Also Angus Leighton of Tasmania on not missing a target for the day and winning all the events at his club in Tassie, well shot. And James Willett, a young shooter I have had a little bit to do with, with his outstanding performance at the NSW State Trap Carnival on winning or placing in 7 events, included in these Overall High Gun in A Grade and Sub Junior. James won enough Red sashes to make a bed cover. Hope we see you in the National Development Squad one day, great 4 days work James.

We have a number of Young shooters out there that have great potential, let's make sure we give them the opportunity.

New South Wales Clay Target Association 2010 STATE TRAP CARNIVAL

The NSWCTA State Carnival was held on the October long weekend. With over 300 pre-nominations, it was sure to be a great weekend.

The Champion of Champions got underway at noon on Friday, with fine weather and just enough of a breeze to make it interesting. Congratulations to Phil Grainger on his OA win with the only possible shot.

Phil Grainger, Nathan McDonnell

Saturday morning started with the official opening ceremony which saw some very special moments.

To meet Don Scowcroft with his wife, Barbara and to induct Don into the Hall of Fame was an absolute pleasure. Don's records were certainly an impressive read. Here are just a few of his achievements: 8 National Runner ups 7 State Titles, 10 Mackintosh Teams and was the first shooter to shoot 50 off 27 yards. The State is proud to congratulate Don on his induction.

Don & Barbara Scowcroft & Paul Watchorn

Then we moved on to the award of Life Membership to Lynne Teale. Lynne's dedication to clay target shooting and particularly the NSW

Noel Edlington, Lynne Teale & MP Robert Brown

State Assoc over the past 14 years was recognised and applauded. Congratulations Lynne.

We then moved on to the presentation of a new trophy for the Ladies High Gun. This was donated by the Hawkins family in memory of their parents Ern and Verl Hawkins who are both Life Members of NSW. The State would like to thank the family for this generous gift.

Marc Crimmins

Bryan Manns

With team photos taken and the official duties over, the day got under way with the Double Rise. Congratulations to Marc Crimmins on his win with 58/60.

The Double Barrel was shot and with 12 squads of possibles, by 6.00pm we were down to 2 squads in the shoot off to return Sunday morning. And so it went until we had a winner. Well done to Bryan Manns for his 643/643, a fine effort.

Sunday started with the Zone Teams. Well done to the following teams: Open Western Zone, Ladies Western Zone, Junior Northern Zone, Veterans Riverina Zone

On with the Single Barrel and after a shoot off, we saw the trophy go to Justin

Schiller family 3 generations of shooters

Justin Hitchens

Matthew Patmore

Hitchens with 71/71 from Tasmania. Well done Justin.

Then came the Points Score, which saw the runner up from the Double Barrel turn the tables and came up trumps with a fine win to Mat Patmore 268/268. Well done Mat.

Monday started at 8.30am with the Handicap and no one could have foreseen the excellent

John Sleightholme & Tom Turner Jnr

Craig Fitzgerald

Tony Arvanitakis

Bryan Manns

shooting that was about to take place. After a terrific shoot off we saw Tom Turner Jnr win and set a NSW State record shooting 100 targets from 25 meters. Well done Tom.

Now, with only the teams and High Guns, to finalise, a very good carnival was coming to an end.

Congratulations to Craig Fitzgerald on taking the Carnival High Gun with 381/390.

High praise to all those who shot well enough to make a NSW State team.

I would like to thank all those involved the NSW State Executive and their partners, Frank Auditore, the trappers and all the volunteers who assisted in making the carnival a great success.

A special thanks to the following sponsors for their continued support Casella Wines, Spartan Global, Tamworth Firearms, Eley, Camilleri Custom Stocks, Horsley Park Gun Shop, Clay Target Co and Wagga Fishing World.

We would also like to thank the Urquinty Hotel for their great job of keeping the masses fed and watered. We are very happy to accept their offer of sponsorship to be directed towards Juniors.

Here are some interesting stats from the carnival Shooters in attendance 307

Broken down by states was NSW 222, VIC 53, QLD 6, SA 5, WA 4, TAS 6, ACT 11

Veterans 31, Ladies 42, Juniors 61. Grades: AA 141, A 82, B 52, C 23

It is extremely encouraging to the state to see that a third of the numbers is from Ladies and Junior competitors.

Megan Grassi, Meagan Boast & Kayla Grassi

The state looks forward to continuing to make this carnival a worthy and enjoyable October long weekend.

CANTERBURY TRAPS REACH MILESTONE

Canterbury Trap Intl out of New Zealand first released its brand of Trapmaster Doubles/Singles trap & Crusader Singles trap in 2000. Since that date these traps have matched customers requirements to such an extent that the 100th Australian Club has just recently placed an order for one of their machines and in total more than 500 Canterbury traps have been sold in the Australia/Pacific region.

Canterbury are exceptionally proud of their continued focus on Innovation and Versatility and clubs in the North Eastern region of Australia have recently been exposed to the latest machine, that caters to the needs of the Olympic Bunker shooters. This Auto Trench trap is ideal for small clubs and is the first truly new trap concept to be released world-wide since auto-loading was developed.

Congratulations to the Carnarvon Gun Club, WA, on being the 100th Australian Club to order a Canterbury Trap.

SERVICE CLINICS 2011

Once again, Canterbury Trap Intl is looking to assist any club with a Canterbury trap, to properly service their Trapmaster, by inviting them to attend a free Trap Service Clinic during the 2011 Australian Trap Championships in Wagga.

Russell Smart from New Zealand will be in attendance for several days of this shoot and will be conducting service clinics for those clubs that wish to attend. Clinics typically take around 45 minutes and cover the basics of setting your trap properly for doubles and singles and servicing the trap.

If your club has a new trap mechanic who has not attended one of these service clinics in the past or you have other members who want to brush up on their knowledge, then please contact Canterbury Trap Intl at your earliest convenience to register your interest or talk to the local Canterbury Sales Agent. Spots fill fast, so don't leave this to the last or you may miss out.

WANGARATTA CLAY TARGET CLUB DTL

AUGUST

The Wangaratta Clay Target Club attracted 56 competitors to its August Down The Line shoot on Saturday 21st. Shooters from across the state attended the club's North Wangaratta facility to participate in three championship events, including the ever popular Continental discipline. It was very satisfying to observe a good mix of both ladies, men and kids engaging in our sport and are always welcomed at Wangaratta to shoot the various disciplines on offer. Once again, many thanks go to Sue Ford and her team of helpers in the kitchen who worked constantly throughout the day.

*L-R Back: Alex McGregor, Reg Phefley, Peter Cavedon, Patrick Calandro, Daryl Hunt, David Bienvenu, Anthony Kirley, Lewis McCrum.
Front: Kye Cavedon, David Wilson, David Kirley (holding meat tray), Trevor Hicks*

Cold and overcast conditions prevailed during the day. The Eye opener resulted in 12 shooters sharing a cash payout in the 10 tgt points score eye event. The next event, a 20 tgt points score c/ship was won by AA grade competitor Anthony Kirley with a perfect result of 78/78 and 2nd by David Bienvenu on 59/60. Teenage girl top shot Kayla Grassi performed flawlessly resulting with 60/60 to win A grade and 2nd by David Wilson with 73/75. David Kirley shot another perfect score of 60/60 to take out B grade defeating Don Collihole on 58/60. Peter Cavedon won C grade on 56/60 and 2nd by another lady shooter Michelle Rawlings with 56/63 which was a good result considering that she was distracted by office duties during the day.

The next event was a 20 tgt Double Barrel Championship which saw local AA grader Daryl Hunt on 101/101 and 2nd was Pat Calandro on 100/101. First in A was David Wilson on 31/32 and 2nd by Junior shooter Lewis McCrum with 29/30. Reg Phefley shot well once again to win B grade with 32/33 and 2nd by Dallas Ball on 30/31. Peter Cavedon once again won his grade on 26/27 with a probable grade change inevitable in the near future and 2nd place going to Steve Collihole with 19/20.

The final event was a 25 tgt Continental Championship which resulted in Daryl Hunt winning overall and 1st in AA grade with 30/30 after a short shoot off with Trevor Hicks on 28/29. Lewis McCrum was too hard to beat in A grade with 29/30 and 2nd Lou Rech shooting 24/25. Alex McGregor took out B grade with another great result of 36/36 proving that mature age is definitely no barrier in this sport and 2nd by Ryan Ball close behind with 35/36. C grade was again won by Peter Cavedon with 24/25 and 2nd place by Peter Wilkins on 19/25.

High Guns were awarded to Overall Trevor

Hicks 131/135, Junior Lewis McCrum 127/135, Veterans Don Collihole 127/135 and Ladies Vilya Vogelzang 123/135.

SEPTEMBER

Wangaratta was kept on its toes at their September DTL Championship shoot held on Saturday 18th. A larger than normal group of keen DTL competitors arrived, 67 in total. The 50 tgt Double Barrel Championship was one of the main drawcards on offer for the day and did not commence until late in the afternoon. The club managed to finish off the day perhaps a bit later than usual, but the majority of shooters stayed on to shoot the last event under reduced light conditions.

It was very pleasing to record a sizeable entry of juniors and ladies on the day with lots of competitors travelling long distances to enjoy the excellent facilities on offer at the club, including good consistent targets, clear and uncluttered background, great trophies and a good choice of food on offer thanks to Sue and Joanne Ford and Leonie Brown.

The 20 tgt points score c/ship was won by AA grade shooter Roger Esplin with 81/81 and 2nd by Ben Vogelzang on 68/69. James Willett took out 1st in A with 78/81 and 2nd by Peter Collicoat with 66/69. David Harley won 1st in B grade shooting 59/60 and 2nd by Dave's good friend Reg Phefley with 58/60. Both Dave and Reg are long term supporters of our club and also shoot well the other disciplines that the club offers. First in C was taken out by Kevin

Kirley on 57/63 and 2nd by Neville Wilkes with 54/63.

Event 3 was the annual 20 tgt double barrel Bob Barron Memorial Handicap. Bob was a hard working committee member for many years and his contributions as groundsman and maintaining the large club house are well remembered by most shooters today. Bob was famous for his long second barrel expertise and his fondness for handicap shooting. Ben Vogelzang took out 1st in this prestigious event shooting 36/37, 2nd place by Ben's wife Vilya on 35/37 and 3rd by David Cox with 29/30.

The final event was a 50 tgt double barrel c/ship and our current groundsman and club house cleaner Graeme Coyle shot a perfect 55/55 to win O/All Champ and 2nd in B grade was Benalla gent Max Gribben close behind on 49/50. First in A grade was won by James Willett shooting 54/55 and 2nd by Richard McCrum with 50/51. Kevin Kirley shot well with a tally of 49/50 winning C grade and 2nd by Reid Knuckey on 47/50.

Overall High Gun for the days events went to Richard McCrum on 159/160, Veterans to Reg Phefley on 149/160, Ladies to Wendy Parker on 150/160 and Juniors to James Willett shooting an excellent 157/160.

News from Echuca

Sharpshooters from Echuca College

Year ten Echuca College Students had three visits to the Echuca Clay Target Club's shooting complex on the 5th, 8th, and 12th of October 2010, to try their skills at the sport of clay target shooting. Luckily the three days of shooting were free of rain, and under the careful and expert coaching of members of the club the students, both boys and girls, ended up shooting some very respectable scores.

It is always a boost for the coaches, after spending time explaining the correct procedures of handling the 12 gauge shotguns, to see the students start scoring some broken targets, and what a difference to the student's attention once they realise they can actually achieve at this sport. Using low recoil cartridges combined with heavy, high quality shotguns, recoil or kick just was not a problem, the only problem being some of the lighter framed boys or girls have a little trouble holding up the firearms.

T Pocklington OA boy

shot a 22/30 score, Tom Pocklington (Womboota NSW), Brody Burke (Echuca), and Luke Dinon (Mathoura NSW), so a shoot off was needed, and each boy shot at two targets, with Tom the only one to hit both. Tom Pocklington after shooting at twenty targets of down the line, and twelve targets of skeet finally put his hand up to receive the honour of being the Overall Winner on a score of 24/32, and receiving an certificate of excellence from the Club's president Mr Ron Traill.

Madeline McClusky, an Echuca lass, although missing one visit to the club, shot an excellent 10/20 score to easily win the Overall Winners certificate for the best girl shooter, well shot Madeline. Teacher, David Pearson, was goaded into having a couple of shots, and with all the students thinking he would most likely miss through not having shot, he soon put that to rest, smashing his two targets with ease, well shot David, and the club committee thank you for encouraging the school and the students to take an interest in the sport of clay target shooting. A big

thank you too, to all the club members, who so cheerfully donated their time, and experience, to assist at these school shooting clinics. Especially, thank you to club member, Mr Ian Phillips, for his sponsorship toward these clinics.

Ray Peatling High Gun at Pre-State Day

Three events of fifty targets attracted nine full squads of competitors to the Echuca Clay Target Club for their October the 10th shoot. Double Rise was the first event, a 25 Pair Pre-State Double Rise Championship, and with Overall and Grade Sashes, also 1st and 2nd trophies in four grades to win, the competition was fierce. Although the day was fairly warm with a clear sky, there were two things to make it difficult for the shooters; a fairly brisk breeze was moving the targets considerably, and a dark green crop as a background for the emerging black targets made it very hard for the shooters to see them leave the traps. That entirely aside, there were some excellent scores recorded, due to the quality of the shooters who travelled to attend at Echuca on the day.

Ray Peatling OA High Gun OA DR

Cohuna member, and also the State Handicapper, Ray Peatling, shot a 49/50 in the Double Rise Championship, and no other shooter could match his superb score to attempt to rob him of his well deserved Overall Winners Sash and 1st in AA grade trophy, well shot Ray! Echuca member, Steve Atkins, almost did match Ray, just dropping one more target, to end up with a 48/50 score, collecting the 2nd in AA grade trophy. An interesting shoot-off was done with junior, Ethan Brindley, a Corowa member, and Num/Shepp member, Alan Cole, both A grade shooters, and both going to their 90th target shot at before Alan dropped his, giving Ethan A grade 1st with a 75/90 score, Alan taking out A grade 2nd on 74/90. Ethan has not yet enjoyed his 16th birthday, well shot young Ethan!

A 50 Target Pre-State Points Score Championship was next on the agenda, and Echuca member, Ian Phillips, was the only shooter able to hit all 50 targets single barrel, earning him the Overall Winners Sash and 1st in A grade with his magnificent 150/150 result. Again Ethan Brindley, after a very short shoot off for 2nd in A grade, came out victorious, with an excellent 155/159 result.

Double Barrel shooting was the last event, with a 50 Target Pre State Double Barrel Championship on offer, and although there were two squads of shooters with a full score lining up for the shoot off, two stayer's were still shooting at target number 225, after both had shot that target, and with the sky clouding up to reduce light, and the time approaching 5.30pm they decided to toss a coin for the eventual win, the way that Ray Peatling and Wayne Dunbar, an Hay registered member, were smoking their targets they may possibly have doubled the end result. Wayne won the toss, collecting the Overall Winners Sash and 1st in AA Grade trophy with his recorded 225/225 score. Although Ray matched that score, and received no accolades, he made up for that by outshooting all others over the whole program, to pick up the High Gun Sash with only a 4 point loss for the entire day, winning the Sash on a 246/250 score. Congratulations Ray Peatling!

Full results are as follows DR: B 1st, A Calandro 39/50, B 2nd P Sing 38/50, C 1st M McPherson 30/50, C 2nd L Wooley 29/50. 44th Annual Eastern States Gum Tree Championships

The 44th Annual Eastern States Gum Tree Championships were held on the Boggabri Gunnedah Gun Club's Bulga Road complex over the October long weekend with a total of 180 shooters taking part over the two days competition.

The Bulga complex is the club's permanent home now with the deeds to the land now in the clubs name. Much work has been accomplished on the new grounds and while there is still a lot to be done many visitors commented on the achievements that have already been met and with the lush greenery and many campers scattered around the grounds it was a very pleasing sight for visitors when they crested the rise leading to the shooting ranges to look down over these very picturesque grounds.

Sponsors for the shoot were:- Cessnock Arms & Ammo, Tamworth Fire Arms, Spartan Global, Gunnedah Maize Mill, Pete Brien Roofing & Plumbing, Gunnedah Outdoor & Camping, The Sainsbury Family, Bill & Maureen Williams and Allen Devine. As always the club is very grateful to all of our sponsors and thank them most sincerely.

The draw for free nominations for the 2011 Gum Tree (all shooters who pre nominate go into this draw) was won by Garry Kachel. The raffle was won by Wayne Watts. The Spartan Global gun draw, (all shooters who shot the full competition went into this draw) was won by Glendon Watterson who is one of our club's hard workers and who is great to be able to reward him in this way.

Saturday night saw about 40 people enjoy a two course meal. The club has put dinner on on Saturday night for a few years now and it is very well patronised by those who are camping on their own or have accommodation away from the complex. The club president, Allen Devine is very grateful to visiting shooters Jack Barker and Bruce Smith (Singleton) for their invaluable assistance, and young visitor Jack Smith who stepped in and trapped for us when a malfunction occurred and we had to revert to a manual trap. Locals Steve Tydd, Mick Northey and Pete Brien were also invaluable with their assistance to keep things moving as were Trevor Watson and Bruce Hosie. Robyn Hattam, Joan Selway and the Watterson Family kept the office and associated workings ticking over smoothly. Zel Timmins and Brenda

Rankmore again assisted Kay in the kitchen. Neither of these ladies have any connection to the club at all and their help is invaluable.

The results for the weekend shoot are as follows

Leonora Clay Target Club

Pauline Johnson Honoured with Life Membership

L EONORA CLAY TARGET CLUB hosted its annual Home of the Gold Nugget Shoot over the weekend. The event was attended by Seventy-nine enthusiastic shooters for the 2 1/2 day carnival, who travelled from as far as Qld and South Australia as well as a strong contingent from all over Western Australia. The club has been functional for 47 years and is proud to be the longest surviving sporting Club in Leonora.

Pauline & Neale Johnson

The highlight of the presentations on Sunday evening was the Life Membership bestowed to Pauline Johnson. Pauline and her husband Neale, who is retiring from the Presidency, have been the backbone of the Club for many years. They are moving to Esperance but will continue a strong association with the Club. We wish Neale and Pauline all the best. They will be sincerely missed.

Thanks must go to all the hard workers behind the scenes because without them the shoot would not be possible. These include the ladies in the kitchen who did a fabulous job supplying dinners, lunches and breakfasts as well as morning and afternoon teas over the weekend as well as a succulent meal on the Friday evening. We can't forget the BBQ cooks either as they did a magnificent job too. The Office Staff ensured they kept the shoot running smoothly along with the Shoot Marshall who did a wonderful job. The traps were meticulously maintained prior and during the shoot by the trap mechanics thanks guys another good job done. We must make mention of the scoreboard which was kept up to date during and after events. Comments were made at how neat the board was written up. Well done to our board scorer! The targets were excellent, and the weather could not have been better with sunny skies and no wind, except on Sunday afternoon when a minor dust storm came through. Thanks must go to the staff who supplied the

refreshments over the weekend. The shooters enjoyed and appreciated this facility as well as all the meals. Thanks too, to all the guys who prepared the grounds and made sure power and water was available for the campers. There was 33 caravans, plus tents, plus car top campers. Thanks to the Cherry Picker who brought his machinery out so that aerial photos of the Gun Club, campers and surrounds could be taken.

Unfortunately on Saturday the power company disconnected the power from 8am – 2pm, but having advised the local town folk on Friday, the committee were able to organise two large generators, kindly loaned by Mel & Dean from WA Rental Solutions. Thanks must go to them for “saving the bacon” so to speak. Being modern generators they produced very little sound, which was appreciated by the campers and shooters. The committee did a wonderful job coping under the circumstances.

Thanks too must go to our wonderful sponsors for their generous support and these are listed below. The members of the club truly appreciated the altruistic nature in which they came forth to sponsor our two and half day carnival.

Over the weekend we saw some very good shooting with excellent scores and as a result there were many large breaks with Tim Blakeney only 3 targets down for the weekend, including his shoot off scores. A break of 400 plus. A tremendous effort Tim and well done.

Other shooters to shoot breaks were Richard Hope, Brian Warrener and Thomas Vodden with their very first 25: Erik Snyman achieved his 50; 75 and 100 break whilst Jeremy Larcombe shot a 75 break. Michael Simunovich 100: Darryn Cutting, Jim Hurst and Richard Whitely all shot breaks of 150 each. Bruce Starling shot a 200 whilst Chevy Johnson and John Farrell shot breaks of 250 each. Lastly Royce Normington shot a break of 300. Well done guys. It certainly shows that conditions were excellent, particularly as these breaks were quite sizeable indeed.

The Overall High Gun was keenly contested with Martin Miles, Glen O'Brien, Tim Blakeney and Gary Kelly all with an original score of 278/290. A shoot off commenced with Gary Kelly eventually winning it after a marathon shoot off with 478/478. Well done Gary! AA High Gun went to Tim Blakeney: A Grade High Gun to Glen O'Brien: B Grade High Gun to Giovanni Quaranta with 257/290 and C Grade High Gun to Michelle Boase with a score of 259/290. Veterans High Gun was shot off between John Farrell and Phil Mules with Phil taking it away from John by 1 point being 300/315: Ladies High Gun was won by Deanne Blake with 241/290 and the Junior High Gun was won by Jeremy Larcombe with 260/290.

State Title at Ararat

Ararat Clay Target Club held the 75 tgt State Champion of Champions shoot on the 4th of September. The numbers were down because of the shocking weather conditions in the area over the last month or so. The club members tried to clear a few walking tracks to the Clubhouse and both traps, but found the water was beating them, we even tried to put an old door over the small gutter to help shooters get to the second trap.

The shoot started about 12.45 with the Eye Opener shot in reasonable conditions and 2 possibles coming in and 5 on 29. Now the big one started with the first squad just getting started when the sky opened up, the squad was called off the tracks for about ten minutes, they dried down then back into it with the first 50 out of the way and more rain on the way, time out for a great afternoon tea supplied by our ladies. The final 25 tgt Points was started with a few shooters waiting on the results of the last squad to come in, but the winner was in the last squad. Morwell AA grade shooter Andrew Brady came in with 122/125 to win the title from local shooter Bill Harris 120/125. A grade went to Graeme Menhenett from Sebastopol with a score of 125/135 from Gary Hargreaves of Ararat 124/135. B grade went to Megan Wallis of Serviceton with a score of 109/125, Melbourne shooter Gavin Horrigan was second after a shoot off with a score of 123/135. C Grade went to Shayne Wallis of Servic-

eton with a score of 106/125. Ash Jorgenson of Callawadda took out second with a score of 101/125.

High Gun for the day was Andrew Brady with a score of 152/155 and the Off the Fence was won by Megan Wallis. Our special thanks to John Robinson from Ararat Motor Group for their Sponsorship.

CASELLA Golden Wines Open Shoot

GRIFFITH GUN CLUB 3RD, 4TH AND 5TH SEPTEMBER 2010

SATURDAY MORNING greeted the organisers and shooters as anything but bright and shiny. Wet, cold and windy was to be the order of the day and the weekend.

The first event, The Lokaway Safes 25T PS started at 8.30 am on the dot as the little dynamo/general Sue Pim (our favourite Shoot Marshal) began cracking her whip. Only a handful of shooters shot the 25 points clean as the rain continued in waves varying from an annoying drizzle to bursts of solid heavy rain.

Having not even completed a full round of shoot off Jamie Elliott was the last man standing with a perfect score of 108/108; overcoming Glen Kable 105/108. Aaron Turner managed to take A grade with 89/90 outlasting Rupert Hunter 88/90. B grade was won Geoff Monson 75/75 from Enio Cavedon 72/75 and C grade saw Chris Barber with 102/105 take his first scalp of the weekend prevailing from Greg Cray 101/105. The Veterans section was won by Griffiths own Terry Merriman with 68/75. Wendy Barton took the Ladies 77/78 and Geoff Aston claimed the Juniors 72/75.

At the commencement of the SH Shooting 25T SB event conditions were still very challenging added to which, the water logged ground was now becoming boggy. Again, only a handful of Red scores graced the board. After a quick shoot off William Woodward 38/38 was declared the overall winner and became the proud new owner of a Sabatti U/O Shotgun. Marc Crimmins 37/38 claimed AA grade from Robert Anderson 31/32. Darryl Reed took the A grade Trophy on 25/25 from Leigh Stokes

24/25. Geoff Monson continued his winning ways taking B grade with 32/33 from Griffith's Anthony Mancini 31/33. Chris Barber shot 22/25 and claimed a second victory over Clemento Scribani - Rossi with 21/25. Kate Schiller 22/25 was the best of the ladies. Brian Smith 22/25 took his

first win of the weekend and Hay's Johny Dureya claimed the Junior prize with a score of 24/25.

The final event of the day was the Beretta Australia 25t Double Barrel. The rain began to ease but sadly, the wind had replaced the rain and the conditions remained challenging. The lack of rain had obviously brightened the spirits of the shooters and as all the possible assembled in front of the clubhouse, referees and scorers took squads in every direction to begin what should have been a long shoot-off. However, the wind began to pick up and the rain returned. With shooters dropping out quickly, we were soon down to a single squad of six. Colin Dunn, Marc Crimmins, Jamie Elliot, Glen Kable, Brian Manns and Clayton Anderson all headed out to trap four in front of the clubhouse's jam-packed undercover area. In what was now very strong winds and driving rain, Hay Gun Club member Clayton Anderson prevailed over Jamie Elliott 145/146 and Marc Crimmins 137/138. Jared Turner 76/76 was the A grade winner from Lorenzo Scribani - Rossi 73/74. Griffith member Anthony Mancini claimed B grade 46/46 from Hay's Junior Samuel Barnes. In grade, Ben Challen 30/31 was victorious over Daniel Casella 29/31. Brian Smith claimed a second Veterans title with a score of 26/27. Kayla Grassi outlasted the rest of the ladies to win on 53/54 and Kate Schiller was the best of the Juniors on 39/40.

Final Six Shooters in the Beretta Australia 25 T Double Barrel

With the Double Barrel concluding without the need to shoot under lights, shooters and their partners started celebrating early as the fantastic Yellow Tail Wine began to flow. Dinner, as always, was a magnificent spread of veal, chicken, potatoes, rice, salads, oysters and prawns all washed down with MORE of Casella's famous Yellow Tail wines. The cards came out, the stories started but most importantly there was not a frown to be seen anywhere. Once again

a massive THANK YOU goes to our sponsors whose support enables us to put on this FREE to all shooters.

Sunday morning came and the rain had seemed to have left with only an occasional shower coming through from time to time. That said, the wind was ever present and quite cold. The 30T Blaser Handicap event sponsored by Mialls Gun Shop kicked off the day's proceedings and proved too big a task for many of the competitors as only fifteen odd shooters managed to break the full 30 targets. Another short shoot-off saw Junior and C grader Chris Barber as the last man standing. Having shot 47/47 he became the very stoked and proud new owner of a Blaser U/O Shotgun. Jason Davis 47/48 took second from Vince Gratt 46/48 (Chris' Ammo Supplier) with Griffith shooter Fillipo Garofalo 45/47 taking fourth place from David Price 43/44 in fifth place.

Event 5 was the Horsely Park Gun Shop 45T Medley. It proved to be a challenging way to finish the weekend. Despite the fact that the conditions were now the best they had been all weekend, once again very few possible were posted.

After several 'batches' of 15 targets Phillip Headon from the Hay Gun Club was victorious with a perfect score of 150/150 over second place winner Alan Beband with 146/150. Third place went to the ever present Marc Crimmins with 99/100.

AA grade was won by William Woodward 124/125 in front of Jamie Elliot 122/125. A grade was won by Ben Brown 97/100 from Wayne Smith 95/100. In B grade, Neil Hunter with 71/75 claimed first place from local shooter Scott Beaumont 94/100. Chris barber finished his weekend strongly with another win on a score of 69/75 in front of Tim Rennie 66/75.

Jamie Elliot OA High Gun Winner with Pres Alf Gugliemino, Jamie also won OA Points Score with New Lokaway Safe

Junior High Gun Johny Dureya

Ladies High Gun Tracey Barton

Leeton shooter Angelo Paonne 73/75 won the Veteran's section, Wendy Barton took the Ladies prize and Darcy Checuti claimed the Juniors on 75/75. Although the final event did not yield many possibles, it did decide many of the High Guns.

The Casella Wines OA High Gun Winner was Jamie Elliot 225/230. The GA & JG Young AA Grade High Gun winner was Glen Kable 224/230. The Victorian Alps Wine Co. A Grade High Gun winner was Lloyd Anderson 217/230. The Amcor Ltd B Grade High Gun was Geoff Monson 220/230. The Tarac Technologies C Grade High Gun was Chris Barber 216/230. The Gori Aust Veterans High Gun was

Tony Alvaro 204/230. The Costa Enterprises Junior High Gun was Johny Dureya 217/230. The EACOM Technologies Ladies High Gun was Tracey Barton.

Despite the rain and miserable conditions that plagued the shooters over the course of the weekend, most people left on Sunday afternoon with a smile on their face. The shoot ran exceptionally smoothly due to the excellent work of shoot marshal Sue Pimm and the wonderful staff in the office Led by Frank Auditore; without these people we could never hope to put the large

numbers of shooters through on only eight traps. Thanks must also go to the sponsors whose continued support makes the whole shoot possible. We hope that wherever possible shooters support the businesses that support our sport. We hope that all who attended enjoyed themselves and return next year when we will do it all over again.

Kempsey Clay Target Club

90TH ANNIVERSARY

The word had gotten around. The folks from Kempsey were planning a birthday party. It was planned that shooters from near and far would contest an anniversary that few could hope to achieve.

Our ever energetic club President decided on nothing but the best prizes. Awesome hand made Trophies from the great Macleay Valley timber. The stage was set for a great day.

The cake says it all. It even tasted great!

Trophies hand made by Ted Baker

The Kempsey Clay Target Club has a long and very proud History. The inaugural shoot was held at Warwick Racecourse and was held on the 18th of June 1920 and the club has been operating continuously since that date.

The club survived the Great Depression but was put into recess by the Second World War as ammunition was virtually unobtainable.

The Jenkins family in period dress. Jason also used a side by side for the duration of the shoot

Interestingly the club operated from the days of live pigeons and has transgressed through all levels of trap technology as well as gaming that was apparently an integral part of the sport. Initial club membership fees were TEN SHILLINGS!

With such a wonderful and unique history in place it was decided to have a celebration in the best possible manner. A Ninety Target event to celebrate the 90th birthday. Thirty targets each of double barrel, single barrel and Points Score. This was to be followed by a Night Shoot that ensured there were plenty of targets for the enthusiasts present.

Many retired shooters and surviving families were contacted and invited to attend and it was delightful to see a fantastic turnout of spectators from the ranks of former shooters and their families.

A large contingent of Newcastle shooters arrived bright and early dressed in clothing representative of shooters from days gone by. The Jenkins clan (children and all) were magnificently dressed out for the occasion and certainly added a flair of reality to the event.

Graham Gosling appeared to have been doing research on a Swiss web site when he came up with his period clothing and this certainly added flavour to the day. Jason Jenkins elected to use a magnificent Side by Side for the duration of the day and another shooter used an Over and Under, a Semi Automatic A5 and a Side by Side for each stage of the ninety target event.

Our tireless catering ladies put their best foot forward and produced fantastic food all day long.

With great pride we hosted dignitaries as notable as Deputy Opposition Leader and local member Andrew Stoner and local Council representative Councillor Saul.

Andrew Stoner, in front of a crowd of a hundred shooters and spectators, opened the celebrations with a stirring speech regarding the respectability of our great sport and his personal admiration for the tenacity of the club to have survived many negative events including the strict gun laws introduced last century.

He then proceeded to assist in the cutting our Birthday Cake which was magnificent cake with an effigy of the first known photo of our great clubs early members. Again many thanks to the Jenkins family for their very generous donation of this beautiful cake.

Now on with the shooting. As was expected we had a wonderful role up and our Presidents foresight fortunately saw an extension added to the score board otherwise we would have been using our fingers and toes.

MP Andrew Stoner and Councillor Saul with Ted Baker

Nine squads of shooters took the field. The weather gods were very kind as rain was predicted and fell on the days before and after the shoot.

With so many shooters present the competition was very keen. K. McBean set the pace early and was not beaten at the end of the ninety targets and had the honour taking overall with a score of 155/160 to defeat J. Cunningham 154/160 in a short shoot off.

This left J Cunningham with the excellent consolation prize of first in AA grade. R McLean was the narrow winner of A grade narrowly defeating A McWhirter by a point.

The ever present Billy Neil took out B grade by a point from J Howell and C grade was taken by N Davidson with an

K McBean the very proud winner 90 Target Anniversary Trophy

excellent 136/150 this earned him a place in B grade.

As befitting any birthday party there were a lot of juniors present and following the Kempsey Clubs continuous support and encouragement, a designated juniors prize was won by Emily Saul who posted a great 136/150 (to once again finish just one point behind her father).

The ladies winner for the event was Margaret Bourke with a 126/150.

The Veterans was won by V Tomasoni after a short period of confusion

where a very gracious Dick Piper returned the trophy after a clerical error. Well done Dick and its always good to see a gentleman in action.

The trophies as previously stated were one of a kind, wooden effigy's of clay targets and are sure to be highly prized by the recipients.

The big competition was over and now the fun began. A walk up event only being contested by non Over and Under guns was conducted with Graham Gosling defeating Steven McMahon for a substantial cash prize.

This was followed by the attention grabbing exhibition of the old original clay Pigeon thrower that was conducted by Glenn Baker. Boy was that interesting.

As we waited for darkness to fall we were treated to a magnificent roast beef meal. Phil Ryder's cattle sure do taste good and he prepared the meat to perfection in the spit cooker that he kindly donated the use of. The catering ladies did a fine job on the condiments and it was noted that more then one or two shooters and spectators made their way back for seconds!

With most of us getting ready for a siesta (or maybe a nights sleep) the Tall Timbers night shoot commenced. This consisted of a 10 target eye opener and a fifty Target Double barrel event.

Most shooters stayed on for the event and a near upset occurred when Margaret Bourke lost the last target of her fifty to show a clear winner with Graham Gosling taking out the event and in so doing also claiming High Gun overall. Very well done Graham and I'm sure Margaret has learned from her mistakes and will be waiting next time round.

Phil Ryder also featured in the night shoot with a respectful 45/50 to take out C grade.

I would like to thank the many sponsors of the event but the list is long and varied with sponsorship from as far away as Tamworth and Dr Creighton and I could not do as good a job as President Ted Baker did during the event.

Overall it was the best possible birthday for a grand old club that I hope to be associated with for a long time to come.

PORT DENISON GUN CLUB

Annual Qld Northern Zone Trap Carnival

The weekend of 25th & 26th September saw a large number of shooters arriving at the Port Denison Gun Club for the Annual Qld Northern Zone Trap Carnival. Seventy shooters in total turned out from most zones, including Northern, Central, South East, Western and a few from out of state. With only 2 traps and such a large number of shooters, the organisers were worried that Saturday's program may not get completed before night fall.

On the program first was the 25 target Northern Zone Double Barrel Championship. There was 7 possibles shot. The overall winner was Ray Collinson from Burdekin with 40/40.

Wayne Reeves the Northern Zone president and shoot marshal for the shoot took out first in AA Grade and Tony Caruso second. A Grade saw local member Gavin Whiteside take first from Diane Reeves. John Fordyce shot 28/30 to take the B Grade from another Bowen shooter in Peter Ballarino. Megan Wilkins was too strong in C Grade taking first with Cameron Cislowski second.

Next up was the 25 target Northern Zone Single Barrel Championship. There were no possibles shot so the 24's headed to the tracks for the shoot off for the Overall and minor placings. Tony Coco from Sarina was the Overall winner after a 1 target shot off. Shawn Ryan took AA Grade with Bruce Murphy from Townsville second. Andrew Bowater claimed first in A Grade with Gavin Whiteside having the longest shoot off before claiming second. Geoff Dalton did it the easy way taking B Grade outright and Tony LaSpina took second. Townsville junior Ben Beazley impressed all, shooting 22/25 to take C Grade from fellow junior Anthony Ballarino.

The afternoon was progressing well and the next event on was the 25 target Northern Zone Points Score Championship. Shawn Ryan showed everyone how it was done with the only possible 75/75 taking the Overall. AA Grade saw Bruce Murphy taking first from Wayne Reeves. No shoot off was required here. The A Grade shoot off was only 5 targets long with Gavin Whiteside

successful and Burdekin member Lui Populin was happy enough with second. John Fordyce was the B Grade winner from Geoff Dalton who was having a good weekend. Ben Beazley showed that the single barrel wasn't a fluke taking C Grade from Megan Wilkins.

A team event was also contested over the Points Score and the winners here by only 3 points was the team from Normanton consisting of Wayne & Diane Reeves, Shawn & Cherie Ryan and Mick McGill.

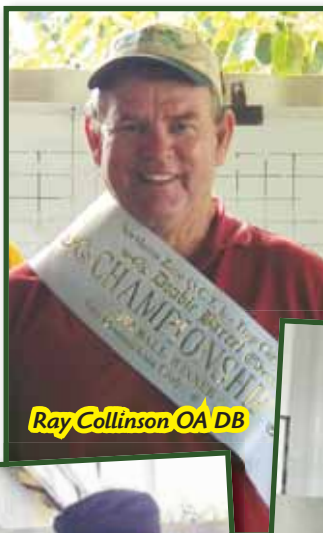

The Northern Zone team is usually shot at this point

but it was decided to hold it over until the Sunday to make sure the Handicap got finished in daylight. There were only two shooters with 24/25 and after the shoot off Gavin Whiteside showed the way taking first from Keith Green. Bill Gall was the only 23/25 giving him third.

Shooting all finished and the celebrations and commiserations began with plenty of amber liquid consumed and a wonderful meal put up by the ladies of the Port Denison Gun Club.

Sunday dawned a little brighter than the day before but it didn't last too long. First up was the 45 target Northern Zone Medley Championship. There were only

two shooters who got close to the possible with 74/75. After the shoot off, Wayne Reeves took the Overall sash. Ray Collinson claimed first in AA Grade without a shoot off as did second place getter Scott Wallis. Townsville member Rob Hunter was the shooter keeping Wayne honest for overall but had to settle for first in A Grade. Peter Mackey the new Townsville president was happy to take out second. Allan Love claimed first in B Grade outright leaving 3 shooters having to shoot off for second with Geoff Dalton being successful. A surprised Gwen Kent took C Grade from Cameron Cislowski.

Annual Golden Grain Shoot

Coonamble held its annual Golden Grain Shoot proudly sponsored by Geronimo Farm Equipment at Walgett on 16 & 17 October 2010, with a downpour of over 4 inches on Friday everything was a bit touch and go but the Gods smiled on us and the sun came out over both days.

Qld Northern Zone Trap Carnival

Continued from page 20

Last event on the program was the 15 pair Northern Zone Double Rise Championship. Joseph Rossato from Burdekin was saving himself to the end claiming Overall with his score of 37/40. Wayne Reeves claimed first in AA Grade from Shawn Ryan. Gavin Whiteside had a blinder of a weekend finishing up with a first in A Grade here. Robert Niven was second. Peter Ballarino, the shooter who always wants 5 sighters in the Double Rise, shot a score of 23/30 to take out B Grade. Geoff Dalton finished the weekend strong taking second. Stephen Goss shot well in C Grade to take first from Anthony Ballarino.

The weekend was over and all that was left to do was tally the scores to see who got the High Guns. Overall was down to the wire with a shoot off required between AA Grade shooter Wayne Reeves and A Grade shooter Gavin Whiteside. Wayne was victorious giving the A Grade High Gun to Gavin. AA Grade went to Bruce Murphy. B Grade was no surprise to hear Geoff Dalton was the winner. Stephen Goss snuck home in the C Grade. The Ladies went to Diane Reeves with the Juniors going to Ben Beazley and Veterans to Lui Populin.

The Northern Zone Open team members are, Shawn Ryan, Gavin Whiteside, Bruce Murphy, Wayne Reeves, Robert Niven and Wayne Cislowski. After the team shot the Northern Zone Champion was also announced with Shawn the winner.

The Ladies team members are, Diane Reeves, Carol Betteridge & Cherie Ryan. The Juniors are, Ben Beazley, Anthony Ballarino & Jack Saville. The Veterans team consists of Lui Populin, Niel Sinclair and Doug Killick.

Everyone enjoyed their weekend and the club was presented wonderfully with plenty of campers availing themselves of all the club had to offer. Thanks to the wonderful helpers, the ladies in the kitchen, the bar staff, grounds people, shoot marshals, office staff and those who help fill the traps and kept the shoot running so smoothly, without all this effort the shoot would not have run so successfully. We hope to see you again in 2011 at the Herbert River Gun Club in Ingham on the long weekend in June.

A few shooters were flooded in and could not attend but overall it was a great weekend and we received some new shooters from Queensland to Sydney as well as the surrounding towns.

Everybody was impressed with the Overall High Gun prize of a Laptop coming from the Computer Den in Coonamble, other prizes consisted of Wii's, Fuel Cards, Gun cases and much much more.

Inaugural two day simulated field shoot

After a rain event the previous weekend which had put 7% into the ACT's dams we were a bit nervous when the weather forecast on the Thursday before our inaugural two day shoot predicted rain. Thankfully it was a return to form by the bureau and a high pressure system camped over NSW for the entire weekend bringing beautiful sunshine days albeit a bit windy.

We'd done the prep, purchasing new Bowman traps, servicing older traps and the sponsors, led by Fyshwick Firearms and Shooters Wholesale Warehouse had come through with a great list of prizes totalling in excess of \$3,000.

Saturday dawned with a beautiful crisp blue sky day (bloody weather bureau) and the shooters from ACTA, F&G Federation, SSAA and F&GA rolled in ready to shoot according to their times, the pre-noms was proving to be a real stress reducer for the noms office and finally after months of preparation it was on!

Two ranges had been with set with one in the open ground incorporating many of our fixed traps, the other mainly in the forested section of our grounds, nothing really was beyond 40 metres, and it sounds easy doesn't it? But Bill Warriner and the ground setter had apparently been at their devious best with the scores reflecting that shooters were shooting scores in the middle to bottom of their grades and nobody able to truly dominate the courses. In particular the final station on the "A" range, which was two pairs about 35 meters out in front of the shooter travelling down a gentle incline, brought a lot undone. I tried it myself and didn't hit it until Darren Redman convinced me to shoot a foot and a half in the old speak under the target. Only one 25 was shot on the weekend and that was by Frank Tagliapietra from Griffith, there were several 24s though.

Day 1 finished with Gavin Moulding from Bermagui and Adrian Emery from Griffith tied on 88 off the gun for the Day 1 High Gun, this was a scenario to be repeated a couple of times for the weekend. In the end Gavin took the shoot off by 1 target, the difference being a simultaneous pair thrown from our ISSF trench layout. After shooting had completed and the

presentation was over, shooters settled down to a few brews and telling lies about the ones that had gotten away through the day. At around 6 o'clock the professional chef in the kitchen Kira and her crew started dishing up the venison stew and the rabbit stew. By all accounts it was a great meal.

Sunday was also another beautiful day (the bureau had reviewed their forecast to 1% chance of rain. Thanks for that fellas). After an earlier and slightly slower start shooters were all out on the ranges by 9:00 and back into it.

Day 2 finished with Frank Tagliapietra

85 shooters attended each day, Griffith and Bermagui clubs each had two and a half squads in attendance. To all those who attended, thank you very much. A special thanks to Rod Picker and the boys from Goulburn F&G who brought with them traps to act as spares for ours.

To our sponsors Shooters Wholesale Warehouse,

Fyshwick Firearms, Highland Sports, NIOA Trading, XTEK and Winchester thank you for your generosity and support of this shoot and the club.

Lastly to all our Committee and club members, led by Bill Warriner, John Taylor and Nelson Cox, who put in the time

setting up and preparing for the shoot, running the shoot on the two days, donating the use of batteries and chargers, tidying up, running the office, controlling parking and those myriad other jobs; thank you.

In the end it was a pretty good shoot from the club's point of view and by all accounts, the shooters were happy with us but we hope to bring you an even better shoot next year.

Day 1 100tgt Graded Handicap: High Gun: Gavin Moulding 88 OTG, AA: Adrian Emery 91, Frank Tagliapietra 87, Doug Osborne 85; A: Peter Jacka 93, Ed Abbey 91 (count back), Paul MacIntosh 91 (count back); B: Rodger Beaton 109, Nev Brady 96 (count back), Rowen Venables 96 (count back); C: Lincoln Green 107, Mark Lazarro 96, Aaron Fitzpatrick 94; Vets: Graham Rouse 96, Warren Brown 86, Colin Harris 82; Ladies: Jan Jacka 83, Jan Redman 80, Emma Stockley 78; Juniors: Hayden Willey 79; Sub-Juniors: Mitchell Webster 93.

Day 2 100tgt Graded: High Gun: Frank Tagliapietra 89 OTG; AA: Adrian Emery 88 (shoot off), Gavin Moulding 88 (shoot off), Rodney Picker 80; A: Darren Redman 83, Greg Allan 81, Peter Richards 80; B: Brent Suprain 71, Leroy Rosetto 69 (Shoot off), Nev Brady 69 (shoot off); C: Bob Tetley 62, Lincoln Green 61, Mark Lazarro 57; Vets: Warren Brown 68 (shoot off), Bill Warriner 68 (shoot off), Colin Harris 67; Ladies: Jan Jacka 62, Jan Redman 49, Barbie Magrin 40; Juniors: Hayden Willey 62, Tom Roche 58, Matt Scott 44; Sub-Juniors: Mitchell Webster 57.

High Guns across the two days Overall Gavin Moulding 175 (Shoot off); AA: Adrian Emery 175 (Shoot off); A: Greg Allan 161 (shoot off); B: Rodger Beaton 156; C: Lincoln Green 132; Vets: Warren Brown 142; Ladies: Jan Jacka 125; Juniors: Hayden Willey 121; Sub-Juniors: Mitchell Webster 122.

taking the overall by one target on 89. Gavin and Adrian tied again one target back but this time Adrian prevailed and again it was the pair off the trench layout which separated them.

The overall High Gun required another shoot off before Gavin turned the tables on Adrian relegating him to the AA High Gun. The A grade High Gun was Greg Allan after a shoot off with Darren Redman. A full listing of all the results is at the end of the article.

The presentations commenced with Bruce Brown of Shooters Wholesale Warehouse presenting the Club with a brand new Miroku Model 10 Grade 1 Sporter on behalf of Highland Sports, SWW and Fyshwick Firearms. This donation was made in order to help the club conduct new shooters days and is greatly appreciated by the committee and members.

Proceedings ended with the presentation to the winner of the lucky door prize was Robert Small receiving his prize, a cased ATA 120/U gauge, by the CEO of XTEK Robert Sykes

Now to the important stuff. No shoot can be a success without the shooters who take the time and effort to travel and attend, hopefully enjoying what we have on offer. In all about

Gold Coast Trap Carnival

The attendances at the night shoots leading up to the weekend of our August Trap Carnival were a sign of good things to come. The evenings were cool and calm as visiting shooters and campers began to roll in.

Competition began on Wednesday night when the 50T State Night Single Barrel Championship was contested. Winning with the only possible of the competition was Kevin Thompson with a perfect 50/50. Shooting off for AA grade were Shane Fitch and Justin Hitchens, Shane just getting in by a nose with 48/51 to Justin's 47/51. Gavin Langridge and Jake Tomkins took out 1st and 2nd in A grade shooting 48 & 45 respectively. Liam Booker won B grade with 44/50 with Sam Nucifora in 2nd place shooting 50/60, and C grade was won by Ian House 40/51 followed by Darren Mann 39/51. Congratulations to Kevin, the new Queensland Night Single Barrel Champion.

Shane Fitch

Everyone re-grouped on the Friday night with 70 shooters arriving to contest both State and Commonwealth Night Double Rise championships, a cool night but without a breath of wind. Local Col Witt could not be beaten taking the State championship sash with 52/60, although Clayton Cusack was breathing down his neck eventually winning AA grade with 49/60. Right behind Clayton in 2nd place was Robert Clarke shooting 54/60. Tom 'Tight Chokes' Graham was the A grade winner with 42/50 with Paul Lunin in 2nd place 40/50. In B grade Harold Batson and Brian Hodgins battled it out, Harold sneaking ahead with 49/60 over Brian's 47/60. Allan Jaynes took 1st in C grade with 35/50 closely followed by Darren The Mann 34/50.

Congratulations to Frankie Robinson who came a long way from home to take the Commonwealth Night Double Rise championship sash shooting an excellent 46/50. David Caccioppoli was 1st in AA with 43/50 while adopted Gold Coast member Neil Cracknell was too close for comfort in 2nd place shooting 42/50. 1st in A grade was Paul Lunin 40/50 with Phillip Craig in 2nd with 38/50. Michael Fletcher won B grade with a very impressive 41/50 while Harold Batson took 2nd with 39/40, and C graders Alan Jaynes and Ian House shot 38/60 and 35/60 respectively. All competitors were treated to a warm supper compliments of Top Cut Foods and we would like to thank all shooters who braved the cool evenings to shoot the night championships with us.

A sensational sunny Saturday morning saw the opening of the August

Trap Carnival and it was terrific to catch up with visitors who arrived from far and wide. By 8.30 kick-off 139 shooters had nominated to shoot the comp, beginning with the 30 target medley. This event was sponsored by Total Fleet Imaging, our dashing committee member Darren Bennett who is responsible for the professional signage which adorns our club. Starting with a bang Shane Fitch jumped right in shooting a perfect 100/100 to take home the TFI sash after a shoot off with Scott Trafford from the Sunshine Coast and Lance Cazaly. Scott was content with 1st in AA on 98/100 while Lance took 1st in A with 97/100. 2nd in AA was Ross McFadyen and 2nd in A was Tony Plum, both shooting a very respectable 74/75. Craig Norman won 1st place in B grade shooting 72/75 while 2nd was won by Bob McNamara 71/75, and Charlie Power was 1st in C grade with 47/50 just ahead of local gal MaryAnne Smith shooting 46/50.

The 50T continental points championship was sponsored by club favourite Vince Vaina and Top Cut Foods. Vince presented the championship sash to Robert Clarke who romped home with 149/150 – great score Robert. 1st in AA and too close for comfort was George Barton, just one target behind on 148/150, while shoot marshal supreme Mike Swale took 2nd in AA with 165/168. A graders Phillip Craig and Bill Weedon shot off with Phillip sneaking ahead to take 1st place with 163/165, Bill finishing with 160/165. Charlie 'Powerhouse' Power featured in C grade again winning with 139/150 over Diane Deland, also good shooting to take 2nd with 137/150.

Last event on Saturday was the hotly contested Baumann Cup, 25T double barrel championship sponsored by Stratco and our extremely overworked committee member Terry Morony. Gold Coasters Tony O'Leary and Colin Witt battled it out in a night shoot off with Tony going the distance to take the championship with a brilliant 136/136. Col took 1st in AA with 135/136, followed by Roma's Ant Nugent 2nd in AA 111/112 and Georgie Scaf 3rd with 86/87. A grade placegetters were Terry Morony 1st 55/56, Gordon Watson 2nd 51/52 and Tom Graham 33/34. B grade winners were Harold Batson 1st 34/34, Bob Bond 2nd 29/30 and Brian Willis 3rd 27/28. C grade 1st MaryAnne Smith 32/34, Charlie Power 2nd 31/34 and Luke Langridge 3rd 23/25. In addition to third places Stratco generously awarded section prizes for this event: Kaye Rehbein won the Ladies with a perfect 25/25, Charlie Power took the Juniors with 24/25 and Paul Deland took the Veterans prize with 36/36. Congratulations to all winners.

With shoot offs underway under lights and dinner being served, we were in for a great night of feasting and entertainment. Vince and Top Cut Foods provided us, as always, with a fabulous banquet and we were entertained with music, dancing and our raucous raffle. What a treat to be entertained by one of our favourite shooters, Ed Geshke, a world class performer who blew us away with his beautiful ballads. Thank you to all who helped to make this night a success and to those who donated the generous prizes for our raffle. Great job Vince.

Sunday morning and just for a change more perfect weather conditions. Everyone was itching to get into the first event, 25T points championship generously sponsored by Greg Smith from Teledata Alarms & Communications. David Caccioppoli opened with a huge performance winning the championship sash with 204/204. Nipping at his heels was Malcolm Collins who shot 203/204 to take 1st in AA grade, with Bernie Scanlan shooting 87/90 to take 2nd. Good shooting by Keith Simpson from Toowoomba saw him take 1st in A grade with 78/78, while Monte Klinger was close behind in 2nd place with 77/78. 1st in B grade was Gold Coast club historian Terry McCullagh 77/78 while Wal Rae took 2nd with 76/78, and 1st in C grade (just for a change) was Charlie Power 71/75 with Luke Langridge 2nd on 68/75.

Event 5 was the 25T single barrel championship proudly sponsored by Phil Sorby and Go Camping Nerang who really helped to dress up our trophy table. Still in form from his Commonwealth win, Frankie Robinson added another sash to his collection shooting a perfect 50/50. Making him work for it in the shoot off though Col Witt was close behind and only one down, taking 1st in AA with 49/50 and 2nd in AA was Condamine's Clayton Cusack shooting 27/28. 1st in A grade Mark Joass shot 35/35, closely followed by Allen Cole in 2nd place with 34/35 while in B grade Kay Hunt shot 24/25 to take 1st place from Wal Rae in 2nd 24/26. Darren Mann took the C grade prize with 22/25 from Charlie Power 2nd with 21/25.

Winding up the carnival was the 25Pr double rise championship, sponsored by generous George Scaf and G&N Gun Supplies. With an opportunity to get his own back, Col Witt took the championship with 74/80 after a shoot off with Tony O'Leary settling for 1st in AA with 73/80. George Scaf came in 2nd in AA with 63/70. In A grade Tony Plum came in 1st shooting 51/60 with Terry Morony in 2nd 50/60, and B graders Peter Rado and Scott Brereton came 1st & 2nd shooting 40/50 & 38/50 respectively. 1st in C grade was Luke Langridge 37/50 with Darren Mann 2nd 33/50.

Only the High Guns to be decided and it was hats off to Colin Witt who took the big prize overall High Gun with 365/375 and the beautiful black sash. Great shooting Col! Overall High Gun is sponsored by Gael & Col Witt so he has generously donated this trophy back to be shot at an event early next year. AA grade High Gun went to Kevin Thompson 412/425, A grade to happy camper Phillip Craig 357/375, B grade Harold Batson 345/375 and C grade High Gun winner was Luke Langridge 319/375. Section High Guns: Ladies Debbie Young 341/375, Junior Charlie Power 324/375 & Veterans Paul Deland 347/375. Ladies & Veterans High Guns were sponsored by MaryAnne Smith, Meca Business Systems who donated sashes and some very generous prizes. Junior highgun was sponsored by Steve Laffey, a great supporter of junior shooters.

Continuing the rivalry between the Gold Coast and Roma Clay Target Clubs, the hard fought battle for the Kilima Shield was sadly lost by

the host club this year. We would like to say this was due to underhanded tactics on the part of the visiting Roma team, however try as we might we could not make a case against them and concede they won fair and square. Well done to the Roma team who took home the shield and left the humiliated Gold Coast team to display their wooden spoon. We have just two words: Next Year....

Members of the Roma club certainly had the last word in a big way. As a gesture of the good will that exists between the clubs, the Gold Coast was presented with a fabulous Honour Board on behalf of the Roma club members. This beautiful board now takes pride of place in the club house and is a reminder of the generosity of the Roma members and of the long-standing friendship between the clubs. Thank you Roma, you have certainly outdone yourselves and we are extremely grateful for this beautiful gift.

The best part of an annual shoot like this is catching up with all those who travel so far just to be part of our August Carnival. Our visitors make this event the most enjoyable shoot on the calendar for our club

Gold Coast's New Honour Board

and it's always so nice to see the campers and competitors rolling in to share the weekend with us. Thank you to our great committee members who put so much effort into this shoot, and to all our wonderful members who pitch in and lend a hand with all those tedious but necessary tasks. Thanks especially to Shane in the office, Mike as shoot marshal, Bob, Tom and all those who served behind the bar, Mark and Terry and all the Top Cut workers and kitchen staff, Terry, Vince, Alan, Brian, Bill – absolutely everyone that helped out. Thank you of course to all our generous sponsors. Our presentation table was an absolute picture and without your continued support we would not be able to host shoots like this. And a big thank you to all the shooters and visitors who came along – we hope to see you all again next year.

RICHMOND RIVER CLUB NEWS

SKEET

Roy Warren won the 75 target skeet handicap held at Richmond River Gun Club on Saturday 18th September, 2010 from Graeme Turner who was entitled to consider himself a bit unlucky. Graeme shot the first two rounds cleanly and it was not until High 5 in the last round that a couple eluded him after a trap malfunction which no doubt broke his rhythm and concentration.

Skeet shoots are held on the 3rd Saturday of the month commencing at 1.00pm.

DOWN THE LINE

Ray Turner of the Tyagarah Clay Target Club shot a perfect 150/150 to win the Club's

Ray Turner, Continental Champion and HG

Continental Championship on 26th September after attending a two day clinic conducted by the legendary Bill Iles the previous weekend.

Thirty three shooters dealt with continental targets all day with the first 25 a double barrel cash divide.

Ray Turner, Phillip Westbury, Mark Formaggini, Greg Mengel and Lou Hearne all shot 25/25 in AA grade as did Scott Brereton in B Grade. Other cash winners in the first stage were Steve Murray (A) 23/25; Peter McKenzie and Geoff Pringle who shared 2nd in B Grade with 24/25; Phil Consalvo 22/25 and Warren Beddoes 21/25 in C Grade.

The balance of the targets were shot as a medley 25 DB, 25SB and 25PS. Whether it was the minor changes to grip and stance made during the coaching or just a welcome return to top form, Ray Turner only used a second barrel to shoot a chip when he could find one big enough to see, adding yet another championship medal and High Gun Tankard to his ever growing collection.

AA Grade was won by Phil Westbury with 146/150 from Ian McDonald, 145/150.

Steve Murray (137/150) took home the medal and cash for A Grade from Ray White 134/150 Junior Dylan Mengel who also attended the coaching clinic shot a 145/150 including a 75/75 in the Points Score stage to take B grade and Intermediate High Gun from Mike Sullivan 143/150.

Phillip Consalvo shot consistently all day winning C Grade with 130/150 from new member Luke Barnes, whose 68/75 in the points score stage was a good effort considering he had never seen continental targets before.

Deauville Doubles will be the feature at the club's Christmas shoot to be held on 28th November, at 10 am. Partners are drawn

for this event with AA and A graders being paired with B and C graders. All events will be shot from 16 metres, visitors are most welcome and a fun day is assured.

For further information about Richmond River Gun Club or the other club's in the northern rivers region see www.northernriversgunclubs.com

Honorary Membership for Peter Holmes

Treloar's monthly shoot was held on October 10 in very windy conditions with a good attendance of members and visitors, making for a lively atmosphere. In recognition of the solid support given to this new club by experienced veteran, Peter Holmes from Tamworth, Honorary Membership for 2011 was conferred which Peter humbly accepted.

Regrettably Tony Ryder from Grafton, who camped for the shoot, was unable to compete due to a 24 hour bug. His partner Nancy Davis competed and Nancy's sister from Gunnedah. Before departing on Monday, both Tony and Nancy enjoyed a couple of good practice rounds.

Results; Event 1 25 Tgt DB cash divide AA Peter Holmes 24/25; A Sam Gall 24/25; B: Rex Whitten & Cathy Riley 21/25; C: James Mann & Jason Hattam 22/25. Rates and Conditions

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$11.00 — 0-60 words

\$22.00 — 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

- (a) the person is a licensed firearm dealer, or
- (b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

(a) the licence or permit number of the seller,

(b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.

Queensland Clay Target Association

STATE ISSF CARNIVAL

The Brisbane Gun Club hosted this year's State ISSF Carnival from 9th to 11th July. Mild, sunny days were especially ordered for the carnival and the grounds were picture perfect.

The State Double Trap Championships were the first event on Friday and 19 shooters arrived to shoot the 75 pair event followed by the 25 pair final. David White from Treloar Gun Club romped in to take first overall with 140/200, winning the State sash and Queensland silver badge. Bundaberg shooter Jamie McIntyre was second overall with 119/200 and Roma's Richard Morrison took third overall with 113/200. Local Brisbane member Daryl Stevens won first place in B grade with 81/150, followed by Bill Allan from Dalby with 79/150 in second place. First place in C grade was won by Gold Coaster Mike Swale with 86/150 and second was Bruce Powell from Springsure on 81/150. Mike also won the Masters section while the Women's winner was newcomer Viv Moore from Surat shooting 55/150.

The beautiful weather continued into Saturday when the State Olympic Trap Championship and State Olympic Skeet Championship events began. Six shooters nominated for the skeet with only 5 remaining to shoot the final. Brisbane club member Paul Adams took out first overall with a score of 186/225. Paul won the Queensland silver badge and State sash. Second overall was Cherie Ryan from Normanton Gun Club with a score of 180/225, followed by Gold Coast member Paul Siede taking third overall with 157/225. Brisbane's Mark Kempnich was first in B grade shooting 130/200 while Jonathan Ng also from Brisbane won C grade with 134/200.

The State Olympic Trap Championship attracted 39 competitors with the event and final being completed on Sunday. A strong performance by Dan Johnson from Warwick Clay Target Club saw him win first overall with 188/225, taking the State sash and Queensland silver badge. Hard on his heels was Kevin Perkins from Maryborough shooting 187/225 to take second overall, with Greg Newey, also from Warwick on 184/225 to win third overall.

Brisbane's ISSF Captain Scott Dobeli finished strongly winning A grade with 159/200, followed by Mike Swale, second in A grade with

157/200. Steve Whitehead from Gympie shot an excellent 161/200 to win first in B grade, while Mahipal Shekhawat from the Gold Coast won second place in B grade with 156/200. Brisbane's Alex Smith took first in C grade shooting 150/200, closely followed by Clayton Cusack from Condamine with 147/200 to take second place in C. Jennine Gerrard from Warwick was the best lady on the day, her score of 146/200 winning the Women's section. Kevin Perkins took out the Masters with 166/200 and local Sam Lynch won the Junior section shooting 142/200.

Congratulations to all the shooters who qualified for the Queensland postal teams. Double Trap Open team: Mike Swale (Gold Coast) 22/50, Jamie McIntyre (Bundaberg) 25/50, Bruce Powell (Springsure) 21/50, Frank Robinson (Central Burnett) 28/50, Bill Allan (Dalby) 25/50 & Richard Morrison (Roma) 29/50. Olympic Skeet Open team: Cherie Ryan (Normanton) 40/50, Paul Adams (Brisbane) 45/50, Mark Kempnich (Brisbane) 35/50, Paul Siede (Gold Coast) 37/50, Jonathan Ng (Brisbane) 35/50. Olympic Trap Open team: Scott Dobeli (Brisbane) 31/50, Kevin Perkins (Maryborough) 45/50, Mahipal Shekhawat (Gold Coast) 40/50, Greg Newey (Warwick) 41/50, Fernando Cilli (Brisbane) 40/50 & Rob Dean (Gold Coast) 39/50. Olympic Trap Women's team: Diane Reeves (Normanton) 14/25, Jennine Gerrard (Warwick) 20/25, Betty Fawcett (Toowoomba) 13/25 & Viv Moore (Surat) 19/25.

As usual the hard-working Brisbane committee and club members had the grounds and layouts looking terrific. Thanks especially to ISSF discipline captains Scott Dobeli and Rohanna Abberton who made sure the shooters were presented with excellent targets and the visitors well catered for. South East Zone Councillors John Mack and Dennis Harwood pitched in to ensure the shoot ran smoothly and thanks also to Zone Secretary Jim Edmonds who ran the office, enlisting the help of Normanton members Diane Reeves and Cherie Ryan who did a fantastic job. Frankie Robinson

generously provided his 'AA grade' mandarins for all to share, which was very much appreciated. It was great to see so many trap shooters there to participate, boosting numbers and giving the Olympic disciplines a go and we look forward to seeing them again at the next ISSF carnival. Congratulations again to all the winners and our thanks to all who contributed their time and effort to the ISSF State Carnival.

JAMES KYLE MEMORIAL SHOOT (The Joker)

On Sunday the 4th of July Majura Park Gun Club held the annual James Kyle Memorial shoot. The event consisted of a 100 target Points Score with \$1000 dollars cash, a sash and a perpetual trophy as a prize for Overall.

On a pleasant Canberra winters day the numbers were good with little or no wind. The event comprised of 10 squads totaling 56 shooters. Through the grades the only shoot off required was for second place in A grade. This was heavily contested between Terry Cooper and Daimian Burt which Terry prevailed.

When the office staff turned their attention to confirm the tally of all the scores it was Willo Cameron who came out on top with a score of 295/300. Noting the tough competition, Willo has gone back to back in winning this event which is a fantastic achievement. Thanks to the travelers.

Willo Cameron receiving the sash & cash & "Joker" trophy from Clem & Eileen Kyle

The results follow OA Willo Cameron 295/300; AA grade 1st Matt Patmore 294/300, 2nd Nick Xenos 293/300; A grade Wayne Smith 292/300, 2nd Terry Cooper 357/369; B grade 1st Brian Frost 284/300, 2nd Terry Senior; C grade 1st Leslie Burchell 272/300, 2nd Kerry White 266/300; Ladies Trina Watchorn 286/300; Veterans Gary Rootes 287/300; Junior Ben Shingles 271/300.

James was a highly respected and valued member of Majura Park Gun club. He was tragically taken from us far too prematurely and we celebrate his life by honouring him with this annual event. James is forever part of Majura Park Gun club and certainly marks his presence on trap 1. *RIP James.*

EDDIE TOOMEY

18TH DEC 1938 - 27TH AUGUST 2010

It is with much sadness that we report the recent passing of Eddie Toomey

Eddie was a life member of the Geraldton Clay Target Club and a very well known and liked shooter throughout Western Australia and indeed at many a club throughout Australia.

Eddie loved his chosen sport of Clay Target Shooting. His F 250, fully equipped with everything including the kitchen sink, would turn up at a carnival and you could be assured that a humorous time was in store. While Eddie was always a very competitive shot his love of the sport and the people in the sport seemed more important to him than the competition.

Eddie was also a consummate bushman. His knowledge of the Western Australian Outback was incredible. To travel to a shoot with Eddie was always a learning experience, he knew of all of the water holes and railway dams throughout the outback and on many an occasion he would lead us to an oasis in the desert that was not on any map.

Eddie will be missed, by his family who were all very close to him and also by his extended family in the sport, I am sure there isn't a person who came across him and doesn't have a fond memory of Lucky Eddie.

The Squire reports from West Wyalong

Despite the beautiful spring weather there was a smaller than usual group of shooters who turned out for the West Wyalong Clay Target Club's September shoot with only three squads taking advantage of the ideal conditions.

Michael Fyfe, James Turner, Narelle Ambrose, Adrian Hodges, Chris Patterson, Ben Fairman, Don Turner, Clive Foster, Kate and Matt Schiller all started their day well by shooting the perfect score in the 10 Target Eye Opener.

Fifty Targets Single Barrel is a real test of shooting skill and anyone who can score a possible is almost certain to win and that was what Clive Foster managed to do taking out the Overall winning position with 50/50. Regular visitor, Matt Schiller won AA Grade 45/50 and Michael Fyfe was the A Grade winner 47/50. Forbes member, Adrian Hodges was B Grade winner 45/50 and there were no C Grade shooters present.

In the prevailing conditions a long shoot off looked likely to decide the winner of the 50 Target Double Barrel and Michael Fyfe shot 75/75 to be the Overall winner and gain his 75 Badge – well done Michael. Matt Schiller shot 74/75 and won AA Grade. Keeping it in the family, Kate Schiller claimed A Grade with her score of 48/50. Adrian Hodges, as always shooting very consistently, won B grade with a score of 48/50.

The final event was a 25 Target Handicap and Matt Schiller completed a good day winning the event with 35/35 from Narelle Ambrose also shooting well with 34/35.

Clive Foster was High Gun on the day with 131/135.

A small shoot, but a good shoot.

Tough Conditions at Tambo

The Tambo Clay Target Club's Annual Two Day Shoot was held on Saturday 18th and Sunday 19th September 2010 under very trying conditions. The cold and wet conditions hampered attendee numbers but definitely not spirits, as shooters waded in ankle deep water to participate in the weekend's events.

A special thanks to the generous sponsors who provided a great display of trophies and helped stage this successful shoot Gillespie Grazing Company, Royal Carrangarra Hotel, Western Rural Traders, Adrian & Maxine Johnson, 3 Rivers Helicopters, NAB Agribusiness, Tambo Foodworks, Fanny Mae's, Tambo Teddies and John Maxwell.

Thanks to Hazel, Bill & Theresa Rogers for the wonderful job in the kitchen throughout the weekend, also thanks to all members and other helpers for their contribution.

And last, but not least, thank you to the shooters who travelled. Without your support the event would not have been the success it was, or as memorable. Maybe next year we'll have better conditions!!

Event One was the 50 Target Gillespie Grazing Co Double Barrel Championship and the Overall Winner was Peter Brandt from the Rockhampton Clay Target Club with the only possible for the event 50/50.

OA DB winner Peter Brandt with Club Members John Doyle & Marlene Jarvis

Event Two was the 30 Target Western Rural Single Barrel Championship and the Overall Winner was Todd Holmes from the Clermont Clay Target Club with the only possible for the event 30/30.

Other results were as follows: 1st AA grade: Deserie Baynes 28/30, 2nd AA grade: Steve Baynes 28/30, 1st A grade: Phil Doring 29/30, 2nd A grade: Danny Allan 28/30, 1st B grade: Ben Marion 33/37, 2nd B grade: Matthew Marks 32/37, 1st C grade: Marlene Jarvis 27/31, 2nd C grade: Michael Doyle 26/31.

Event Three was the 30 Target Carrangarra Hotel DB Continental Championship and the Overall Winner was South Australian visitor Deserie Baynes with a score of 71/71.

Other results were as follows: 1st AA grade: Peter Brandt 57/58, 2nd AA grade: Frank Robinson 36/37, 1st A grade: Danny Allan 70/71, 2nd A grade: Peter Watts 29/31, 1st B grade: Murray Allan 36/37, 2nd B grade: Christine Adams 35/37, 1st C grade: Michael Doyle 27/30, 2nd C grade: Tammy Marks 30/34.

Event Four was the 30 Target AP & TM Johnson DB Points Score Championship. This event also incorporated the James Gall Memorial. The Overall Winner was Danny Allan of the Blackall Clay Target Club with a score of 88/90.

Other results were as follows: 1st AA grade: Lil Brandt 86/90, 2nd AA grade: Deserie Baynes 85/90, 1st A grade: Beth Zillman 81/90, 2nd A grade: Phil Doring 80/90, 1st

Psychological Skills for Shooting

GOALS FOR THE NEW YEAR

As I write this article the Murrumbidgee River has broken its banks at my place and it is possible that by tomorrow evening I will either have to evacuate or stay put until the floodwaters recede. If I evacuate, I'll make sure I take my gun so I can go to some shoots somewhere and if I stay, now that the flood waters are flowing through my red gum forest country, I intend to try a new sporting target: set the trap practically horizontal, load the target upside down and skip it across the water. It should make for an interesting presentation of the target and should look great when hit.

Because it is the start of the new-year and to follow on from last month's article, I have repeated an article about goals and new-year's resolutions.

Last New Year's day I was invited to talk on ABC Statewide Radio about new years resolutions; or more importantly why, they are so hard to keep. Whilst researching what I might say, it became apparent that new-year's resolutions are nothing more than goals we are setting for ourselves, in the hope that we will perform better or improve at something.

Why are new-year's resolutions so hard to keep? Basically, because of following:

Firstly, new-year's resolutions are made without giving thought to the importance of goal setting. I will explore goals and goal setting later in this article.

Secondly, new years resolutions usually focus on giving something up. Because people see their resolution as having a loss, they will be less inclined to make it happen, and they will be less concerned about relapsing. For example, if you have a resolution that states: I will give up cakes and chocolates, then you will feel resentful when you go to the next shoot and everyone else is enjoying a great afternoon tea. If on the other hand, you reframe your resolution to read: I will lose some weight and be healthier, you will be more likely to succeed because the resolution has a built in 'gain', and therefore you might limit what cakes and chocolates you eat or do a bit more exercise.

Thirdly, there are rarely any inbuilt rewards. If you want your resolutions to succeed then you should earn something for your achievements.

Because most people are reading this January, it seemed a good opportunity to revisit goal setting; just to make sure those who wish to, are on track.

The basic rules for goal setting are:

1. You must like your goals.
2. Your goals must bring to life some aspect of your vision. Your vision is the picture of yourself that you are striving for - what you want to be. Your goals need to make your vision real.
3. There needs to be a connection between this goal and other goals. If goals are too widespread then they will be too difficult to achieve.

TRADE PRACTICES ACT

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. The A.C.T.A. reserves the right to refuse any advertisement without stating the reason.

4. You should be able to express your personal potential through achieving your goal. Goals should be more than just winning: they should connect you with some particular quality within yourself.
5. The goal should help you gain recognition.
6. The goal is unique, innovative and creative so that life is more than just hard work.
7. You need to be committed to making it happen.
8. It must be fun.

The next most important aspect of goal setting is to keep them SMART: specific, measurable, achievable, realistic and in a time frame. These five features will ensure that the goals you set are appropriate and have the best opportunity for success.

How do you go about setting goals? This is the goal setting exercise that I use when teaching others about goals:

Take 4 sheets of paper.

On the top of the first page write LIFETIME and under the following headings: career, sport, finance, relationships, health, education, etc. Make the goals long term, make them big and be adventurous. Write three or four for each heading.

Turn over the page and do not look at it again.

On the top of the second page write FIVE YEAR GOALS and set specific, intermediate goals under the same headings. What do you want to achieve within the next five years.

Turn over the page and do not look at it again.

On the top of the third page write YEARLY GOALS and set specific, intermediate goals under the same headings. What do you want to achieve this year.

Turn over the page and do not look at it again.

On the top of the page write MONTHLY GOALS and set things to achieve now, under the same headings. Remember from last month that these specific monthly goals can be process goals focusing on how you are shooting.

The secret is; is what you're doing this month, at your local club shoot helping you achieve your lifetime goals? Will it help you achieve your yearly goals? Will your yearly goals help you achieve your lifetime goals?

Next day, revisit the lists of goals on the pages (starting with monthly and going to lifetime) and pick three goals for each heading and prioritise them, A, B and C. For each of the A's workout what action steps are needed to happen to achieve your goals. For the B's choose one thing you need to do to achieve the next step and for the C's look at what you are doing and what you need to change, if anything.

The other important aspect of goal setting is to look at what your base skills are and what you need to do to improve. In shooting there are a range of physical, technical and mental skills that need to be applied and developed if you are to perform well. Physical skills might involve weight loss, muscle development, stamina building, perseverance, hydration, etc. Technical skills might involve feet placement, gun hold, seeing the target before you move, etc, and mental skills involve the relaxation, concentration, goal setting, visualization, arousal control, etc.

So, as we go into the new-year, it may be timely to do a skills audit: what physical, technical and mental skills do I already have? What skills do I need to improve on? What strategies do I need to learn to establish these skills? Once you know what you need to improve on or learn: set some goals to achieve the results.

I have put together all the articles that I have written for the CTSN on CD as word files. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy please send cheque or money order to me at the address below.

Don Scowcroft – Hall of Fame 2010

At this years State Trap Carnival NSWCTA Executive Members had the pleasure of meeting our 2010 Hall of Fame inductee Don Scowcroft and his wife Barbara. It was a delight to meet someone so dedicated to our sport. Don's records were certainly an impressive read. Here are just a few of his achievements: 8 National Runner ups, 7 State Titles, 10 Mackintosh Teams and was the first shooter to shoot 50 off 27 yards. The State is proud to congratulate Don on his induction.

Lynne Teale – Life Member

For over thirty years Lynne has shown an outstanding commitment to Clay Target Shooting. In 1979 the Bega Gun Club was formed. Bega is small rural town located on the Far South Coast of New South Wales. Her husband Neville, was a foundation member, but almost immediately Lynne recognized that her talents were not to be found out on the tracks attempting to break clay targets but in her organizing skills, assisting to run the events and to follow the required paper trail and plan for future growth in the sport.

Lynne's involvement in our sport at local and zone level has been varied and widespread, however her significant contribution has been to the organization of the NSWCTA.

*Lynne Teale, NSWCTA
Life Membership*

Lynne served on the NSWCTA executive from 1996 to 2010. Between 2000-2006 Lynne served as State President & Public Officer of the NSW Clay Target Association Inc. Throughout this period our Association developed and implemented programs and policies, such as:

- * developing a State Plan,
- * providing an effective pathway for the New South Wales Delegates and the Australian Clay Target Association to gain skills through participation in NSW Sport & Rec training courses,
- * driven the development of training programs to increase the participation of juniors,
- * increased our corporate sponsorship involvement, gained NSW S & R grant monies,
- * generated positive media coverage of our sport,
- * Since 2002 Lynne participated with the NSW Police Ministers Firearm Licensing Advisory Council to review Legislation,
- * Provide supervision and training for our office staff,
- * As a result of diligent scrutiny of the affairs of the association protected the association from fraud and misappropriation.

Lynne's dedication to mission statement of the NSWCTA makes her a worthy recipient of Life Membership.

CANBERRA INTERNATIONAL FIVE STAND

Canberra shot their September Five Stand in near perfect spring weather - 21 degrees, sky clear, winds L&V. The range was fairly conventional with rabbits, springers and overhead targets in addition to the more standard skeet targets. Shooters handled the targets well except for one overhead which had a tendency to die fairly quickly and brought quite a few shooters undone.

Scores were: Event 1 Overall & A grade Bill Warriner 46/50; B grade Ian Latter 42/50; C grade Marg Warriner 34/50. Event 2 Overall & A grade Andrew Paddison 45/50; B grade Steve Balogh 42/50.

Our thanks go to those who helped set up and take down the range plus Terry Forest who kept us fed and watered for the day.

ZZ SYDNEY AUSTRALIA

National ZZ Title

25th & 26th September 2010

Bendigo Clay Target Club, Vic.

After a long 9 hour trip down from Sydney with the ZZ trailer in tow, Neale Guy, Horst (George Crazy Horse) & Vince took the automatic ZZ traps to Bendigo CTC for the National ZZ titles.

Saturday 25th started off quietly due to the AFL Grand Final being held on the same day it was still good as we took most of the morning to set up, thank you to the 9 shooters that came along to have a small comp & shoot some practice. I'd like to thank Lee Fitzgerald, John Tannous, Mick Tannous & Peter Determinis for helping with the cleanup of the targets to be ready for Sunday morning, thanks guys.

Sunday 26th after practice we had 33 shooters on the board, 31 going into the Calcutta, 26 taking up the Super Sweeps. Our auctioneer for the Calcutta was Norm Basile who did a great job making the Calcutta exciting and raising over \$2600 on the shooters. It was a beautiful day everybody who attended had a good time, with the targets being shot from 27m for the National Title and the fence being set at 21m.

Due to a slight breeze the targets weren't fast but tricky.

1st Sweeps: (10/10) * Competitors in the Super Sweeps as well.

Results for Sunday as follows: 1st Sweeps (10/10) Nathan Harris, Brenton Irons*, John Tannous*, Mick Tannous* & Craig Fitzgerald*, Danny Ryan & Darren Watts. **2nd Sweeps** (10/10) Nathan Harris, Anthony Pannetta*, Frank Vella*, Alan Bebed*, Marc Crimmins*, John Tannous*, Craig Fitzgerald*, Danny Ryan, Glen Phillipson & Brenton Irons*. **3rd Sweeps** (10/10) Nathan Harris, Anthony Pannetta*, Alan Bebed*, Marc Crimmins*, John Tannous*, Craig Fitzgerald*, Danny Ryan, Glen Phillipson. **4th Sweeps** (10/10) Anthony Pannetta*, Bobby Lambevski*, Marc Crimmins* & Craig Fitzgerald*.

OA Nat ZZ winner C Fitzgerald

O/A National ZZ Champion was Craig Fitzgerald *25/25. In practice Craig struggled, it looked like he would be lucky to get a sweep let alone O/A, he did not even bet on

himself in the Super Sweep but brother Lee had faith in him and took it up to get lucky, good come back Craig, well shot. O/A 2nd place Anthony Pannetta* & Brenton Irons* 24/25.

Thank you to Neale Guy's parents for putting us up & being only 5 mins from the club it was great, thank you. I'd also like to thank Glen Woodhatch (President of Bendigo Clay Target Club) and his wife Jan for opening the canteen on Saturday & Sunday, the food was terrific along with all their wonderful hospitality, also Rodd Flower for his organising and support over the weekend. Thank you also to all the other helpers packing up.

A special thanks to all that attended.

Till next time,

Vince & Shelly

WILKAWATT GUN CLUB

34th Anniversary Shoot

Wilkawatt came alive on the weekend of the 11th and 12th of September when the Gun Club held their 34th Anniversary shoot. GREAT WEEKEND AT BUSSELTON

The weather playing a huge part, during the week the conditions up to Thursday were atrocious but for the 80 shooters that came from far and wide were greeted with the best two days that they could ask for, very little wind and warm sunshine the shooting grounds were picture postcard green.

Busselton was greeted by shooters from all over the state. As pre shoot presentations were commencing it was noted that shooting royalty had graced the Busselton club with Mr Lynne Curtis making an appearance. Two special awards were handed out before the start of the shoot due to the grounds last year being flooded before the shoot, Gala Queen Denise Page & Boyup Brook Princess Sarah Robertson both received the their flotation ring and pink Wellington rubber boots.

Sponsors for the two shoot were: Trade Hire, David Fox, Blackwood Tanks, Martyn King, Matt Cook Transport, Kevin & Tracy Dickens, Amblin Caravan Park, Beretta Australia, Process Pipework Design,

Busselton Rural Supplies, Dulux Paints, Mar Evans, Christ Fitzgerald, Neil & Linda Yates, Murray Tucker, Terry & Rita Germain & A&S Lawn Supplies.

Many thanks to our loyal sponsors of our two day shoot; shooters greatly appreciated the prices of shells and cash, great job well done.

Ironman Shoot at Echuca

A 60 TARGET IRONMAN CHAMPIONSHIP was the main event for the Echuca Clay Target Club's September 2010 shoot. This Iron man event, with a mixed bag of shooting disciplines, all of ten targets, with the total points possible to score being 80, and although none of the five full squads of competitors achieved this maximum score on this mild and thankfully dry day, scores were high considering the difficult event that it was.

Two shooters managed an excellent score of 75/80, Deniliquin's, Jack Collicoat, and Echuca member Craig Fitzgerald, both lining up to shoot another two targets of each discipline to decide an Overall Winner, shooting firstly, Skeet, then Double Barrel, Single Barrel, Points Score, Handicap, and finally Double Rise, and after adding the score points, young Jack Collicoat got to wear the Ironman Sash finishing on an 92/100, also taking out 1st in AA grade. Congratulations go to Jack, well done! Craig shooting one point less picked up 2nd place in AA grade on a 91/100 result.

Event Two was a 20 target Handicap, and after a short 5 target shoot off, the three place settings were all decided. Echuca's David Cox taking 1st place honours, and trophy reward, David shooting an unbeaten 25/25 score. Deniliquin member Ned Collicoat in 2nd place with a 24/25 score, and Echuca, represented by Kurt Northausen, received 3rd place with a result of 20/21.

A 20 target Double Barrel Championship was next on the agenda being Event Three, and although there was 7 shooters all on a possible 20/20 score, the shoot off soon lowered that to three con-

tenders, then Rob Viney an Echuca member dropped his 65th target and it was down to two Echuca members, Steve Atkins and Ian Phillips. Finally after both had shot their 85th target, they thought a flip of a coin was more appropriate as they were holding up the last event. Luck held out for Steve, and not for Ian, naming Steve the Overall Winner and 1st place getter in AA grade on his score of 85/85. Ian putting his name to 1st in A grade on his 85/85 score, Rob Viney claiming 2nd in AA grade with his 64/65 result.

Finally the fourth and final event, a 10 target Club Mug shot as a graded handicap and then moving back on the handicap marks until an eventual winner is found. That eventual winner turned out to be Echuca's, young shooter, Kurt Northausen, beating everyone else, and picking up a nice \$75.00 prize for doing just that. Well shot Kurt!

Full results are as follows, Ironman. A 1st D Cox 74/80, A 2nd R Northausen 72/80, B 1st P Sing 67/80, B 2nd A Calandro 63/80, C 1st K Northausen 64/80, C 2nd V Molluso 55/80. Double Barrel A 2nd R Northausen 30/31, B 1st A Calandro 23/24, B 2nd P Sing 18/20, C 1st K Northausen 19/20, C 2nd V Molluso 17/20.

MARK MORGAN MEMORIAL SHOOT

Cessnock Clay Target Club

Think about it ... what do you get most excited about when you are on your way to a Clay Target competition? Hoping to win your grade, or even High Gun, or just the meat raffle? Maybe catching up with your mates, or enjoying one the fabulous meals that the kitchen ladies always provide. It's a day away, doing one of your favourite things in the great outdoors (no matter what the weather).

At this year's Mark Morgan Memorial DTL Competition, we all probably started out with those thoughts in mind. In the end, our own personal agendas were forgotten as we became witnesses to our sport at its best; 2 amazing competitors shooting off for High Gun, with every single person there hoping for the best for both of them.

The weather was beautiful, sunny and warm, with a slight breeze. The field of competitors was excellent 9 squads of keen and talented shooters. The High Gun prize was great; a Bruno 22 and a custom hunting knife. The food was delicious, as always. And the traps, for the most part, were working perfectly. This was the 15th year of the 100 target double barrel event, and the big turnout of competitors was a sign of respect for Mark Morgan's memory, and deep affection for his parents, Keith ("Milo") and Janice, both long time supporters of the club.

First in AA was won by Tom Turner, with 97, 2nd to Frank Seve with 96, and 3rd to Harry Phillip, with 96. A Grade was won by Cesar Diaz, with 95, 2nd to Kerry Miller, with 95, and 3rd to Lionel Finlay, with 93. B Grade was won by Michael Harris, with 97, 2nd to Reece Whipps, with 95, and 3rd to Frank Searle, with 92. C Grade was won by Darren Whipps, with 93, 2nd to Taylah Turner, with 93, and 3rd to Rob Carmichael, with 92.

In this event, High Gun is determined by an unusual handicapping calculation, which helps even the odds across the Grades. This gave us 5 shooters with a score over 100: Michael Harris & Reece Whipps (from B grade), and Darren Whipps, Taylah Turner, and Rob Carmichael (from C grade). So down we went to the layout for a shootout.

The field of competitors narrowed fairly quickly down to two extraordinary competitors. Taylah Turner is the charming daughter of Tom and Sarah-Jane Turner, and a very talented shooter. She is also just 15 years old. Taylah fits a bit of shooting in when she's not studying for her Year 10 exams, or playing soccer, or enjoying her jazz ballet classes. Watching her compete is a lesson in composure and focus. I have never seen anyone her age bring their mind so completely to the moment of the shot.

The Proud Winner Darren Whipps holds his trophy and new gun, with Brett and Milo Morgan congratulating his excellent effort

Darren Whipps (who is also quite charming!) has managed to develop his shooting skills from a wheelchair. Darren had an accident on his trail bike 8 years ago, which has left him with limited mobility below the waist. Not long after that, he took up the sport of clay target shooting, having been around the sport for years; his father, Brian Whipps, and brother Reese are both excellent shooters. Darren

has shown himself to be a keen competitor in the past, having won big at the Scone competition in 2009. And yet he always manages to pull off the unassuming air of someone who has just come along to have a nice day out on the range. That's rubbing it in!

Needless to say, the shoot-off went for ages. You could be forgiven for thinking you were watching 2 AA grade shooters taking it down to the wire. Yet, when it was over, Taylah was first over to Darren to shake his hand and congratulate him. They were both then surrounded by their adoring fans. To use a hackneyed phrase – I think we all felt like winners.

Congratulations to all, and thanks as always to our sponsor, Arms and Ammo, and especially to the Morgan family, for continuing to host this most memorable of memorials.

Southern Gun Club

The weather was fine with a mild breeze for inaugural Dunn Family Side by Side shoot event at the Southern Gun Club. This event has a huge tradition in America and remembers the time in history when wild turkeys were shot in September in America's Wild West. The Dunn family sponsored this event with over \$1000.00 worth of Wild Turkey products. Each winner of a grade and ladies, vets and juniors, then went into a shoot off for the title of Head Turkey. What an enjoyable and heart stopping event it was.

Results for the 25 Tgt Double Barrel Side by Side shoot sponsored by the Dunn Family follow: AA 1st Tim Dunn 24/26, 2nd Luke Higgins 23/26; A 1st Dwayne Schubert 23/25, 2nd Rod Schubert 21/25; B 1st David Keen 23/25, 2nd Ray Leak 21/25; C 1st Rod Umback 19/25, 2nd Leon Scott 16/25; Ladies 1st Di Humberstone 16/25; Vets 1st Barry Arnott 16/25; Juniors 1st Ryan Morgan 20/25; Head Turkey: David Keen 29/31.

Winner of the Morry Jaeger Shield was a 5 man team from Southern Gun Club: Jeff Higgins, Rod Schubert, Luke Higgins, David Keen and Alex Dunn with a total of 122/125. Southern Gun Club also came second with team members Ryan Morgan (Jnr), Graham Morgan, Kevin Morgan, Wayne Reilly and Di Humberstone 105/125.

Results for event 2 25 Tgt Double Barrel graded A B & C shot in conjunction with the Morry Jaeger Perpetual Trophy Team Shield: A grade 1st J Higgins 34/34, 2nd R Schubert 34/34; B grade 1st D Keen 26/27, 2nd A Dunn 44/48; C grade 1st K Morgan 24/25, 2nd S Keen 25/27.

Event 3 was the 15 pair Southern Gun Club Double Rise Championship graded A B & C : OA and 1st in A grade: Tim Dunn 23/30; 2nd A grade Rod Schubert 22/30; B grade 1st G Morgan 23/30, 2nd David Keen 17/20; C grade 1st Stan Keen 16/20, 2nd Jim Wellsmore 15/20;

The John Stuart Reilly Memorial High Gun Trophy was won by Tim Dunn 70/80.

Another wonderful day was had by all at the Southern Gun Club, with 45 shooters and just as many visitors. The weather was good and the atmosphere fantastic. We would like to thank the Dunn family for their wonderful support and to Peter Dunn in particular for organising the event. There were some outstanding efforts. The team from Southern Gun Club gave an excellent performance to win the shoot for the Morry Jaeger Perpetual Shield.

There will be a come and try day on 16 October at 10.30am with a sausage sizzle lunch. Also on the 16th October the AGM will be held at 9.30am.

Corporate Day at Canberra International

In late October, Canberra International hosted a Corporate Day for members of the Civil Contractors Federation who were holding their Annual National Four Day Conference in Canberra.

Committee member Terry Graham (left) presenting club badge memento to High Gun winner Gary Rogers

Three hundred members attended the conference with attendees trying a variety of activities on their free day. Eighteen elected to try a half day clay target shooting experience with Canberra. After a variety of practice targets, participants shot a 12 target mini comp which included Incomer, Skeet and Rabbit targets. High Gun for the morning went to Gary Rogers principle of Coast Wide Civil of Wollongong.

Wangaratta Receives State Government Grant

The Wangaratta Clay Target Club was the beneficiary of a Vic. State Govt. Minor Facilities Grant recently. The club applied for funding earlier this year in conjunction with the Rural City of Wangaratta, who were very proactive and fully supportive of our project from the beginning.

The proceeds of the grant, issued by the Vic Govt Dept of Planning & Community Development and presented to the club on 21 October

by Labor member for Northern Victoria Kaye Darveniza will be used entirely to establish a permanent state of the art 5 Stand Sporting Clays layout at the club.

In total, over \$41,000 was funded. This amount included the grant from the Labor State Govt., and Wangaratta Rural City's contribution of \$3,000. The total cost of the project has been calculated at just over \$57,000 and the balance will be made up with a cash contribution from the clubs funds and in kind voluntary support and labour from members and volunteers.

L - R: Ron Traill, Kaye Darveniza MP, Graeme Boyd, Lachlan Earnshaw Labor candidate Murray Valley & Kayla Grassi.

The club hopes to get this major new improvement project under way shortly. The establishment of a permanent multi trap facility to cater for the increased demand in sporting clays shooting will now be available in the N.E. Vic. region. This will result in much less work for our volunteers by not having to set up and put away various traps and the associated infrastructure to provide this discipline for our members.

Combined with the clubs existing portable 5 stand traps on the other two grounds this will now enable the Wangaratta Club to cater for more significant events, for eg Zone & State carnivals. The club also looks forward to much greater participation, particularly on a regional level, in 5 Stand shooting as a result of this generous grant.

Caboolture Annual Skeet Carnival

Rhue & Harry Bader*

Caboolture Clay Target Club held its 3rd Annual Carnival on Saturday and Sunday 7th and 8th August 2010 but the preparation for the shoot started weeks earlier.

The previous day saw a number of committee members from all disciplines working hard to ensure the grounds and facilities were at their best. Frank Cooper painted the front of the skeet towers and, with it being windy Frank finished the day wearing as much paint as he applied to the skeet towers – fortunately he does not use those same glasses to shoot! Katrina O'Neill, Margaret Denton, Helen Rhue and Sherrill Cooper were baking cakes while Frank Cooper volunteered to be the chef for the weekend assisted by Fay Mills.

The club was recently lucky enough to be awarded a significant grant to develop the grounds and facilities including a 3rd skeet layout, 4th DTL, permanent 5 stand but until that work is completed, an early 8.00am start had to be scheduled as high numbers were expected to attend and it was going to have to be a very efficiently run shoot to accommodate all of the shooters over the current two skeet layouts.

The prize table looked fabulous thanks to the very generous sponsorship from Beretta, Winchester, Coffee Club, HiDef Spex, Frank & Sherrill Cooper, Dining Out Brisbane Magazine, Pine Rivers Lock and Gun and Gold Coast Shooting Supplies.

Saturday morning started bright and sunny to greet the 40 shooters and campers ready for a full two days of shooting of the 250 target program.

The eye opening 25 target cash divide saw 11 perfect rounds and was a good indication of the high level of shooting and excellently presented targets that were typical of the whole weekend.

The second event of the day and the main event of the carnival was the 100 Target Skeet

Championship which was sponsored by Dining Out Magazine Brisbane and Gold Coast Shooting Supplies. This event saw 43 perfect rounds of 25 being shot with Craig O'Neill and Alan Mills being the two shooters who managed to string 4 x 25s together to shoot that often elusive 100 straight. The 100 straight was a first for Alan Mills and he never stopped smiling all weekend and is apparently still talking about it but on the day, experience won out in the end, with Craig O'Neill taking the overall prize. A number of people shot 99/100 including Harry Bader, Glenn Walker, Neil Dimmick and our own very promising 13 year old junior Thomas Rhue who shot a personal best of 99/100. Such was the standard of the day that B grade Thomas, even with 99/100, was 2nd in B grade.

Saturday finished with a lot of people happy with their shooting and telling tales at the bar. There 6 people who finished the Saturday only 1 target down and it was anyone's guess who would win the coveted Overall High Gun.

Sunday and day two also dawned to perfect shooting conditions with another eye opening 25 target cash divide event and another 5 perfect rounds including C Grade Rob Drews shooting his first 25 and subsequently losing his hat to the zealous shooters wanting to celebrate by shooting it.

The 50 target handicap event was generously sponsored by Beretta and Winchester. This event saw another 16 perfect rounds being shot and 21 shooters lined up for the first of three shoot off rounds. The final round saw 3 shooters battling it out being Lorraine Hughes, Nick Aird and Thomas Rhue but all eyes were on the great performance of Thomas who followed up his 99/100 in the main event with a 50 straight in the handicap to finish on 111/118 and second place to Lorraine Hughes on 117/118.

The doubles event was the final event of the carnival and really is the event to separate the 'men from the boys'. Dave Dundon, Mark Fanning and Harry Bader shot 50/50 to

see them go head to head in one of the best double shoot offs on stations 3, 4 and 5 seen at a local carnival with the victory going to Dave Dundon with a perfect 86/86.

Thanks for the sponsorship of Frank and Sherrill Cooper a new inter-club challenge event was introduced and the perpetual trophy was hotly fought over with a lot of strategic planning going into teams with the format being extra 'points' awarded for lower grade shooters according to the handicap system to encourage a broad range of entrants. There were 7 club teams that entered in total with the winners being a Caboolture Team consisting of Craig O'Neill, Nigel Hughes and Thomas Rhue with a total score of 294/300. A very popular event and one that will be hotly fought over again next year.

Nick Aird was hotly defending his overall High Gun win for the previous two years but was this year beaten by Dave Dundon on a very respectable score of 246/250. Harry Bader and Craig O'Neill shot off for AA High Gun with Harry Bader making his trip from Sydney worthwhile emerging the winner with 258/264. A grade was won by Mathew Rhue with some great shooting on 242/250, all of this done while being responsible for keeping the traps running smoothly and presenting perfect targets. B grade was no surprise going to Allan Mills with an great performance on 236/250 and C grade going to Brad Mensforth in his first ever skeet competition. The ladies result was decided after a shoot off between the great competitors of Margaret Denton and Lorraine Hughes with Lorraine emerging the winner. The Junior High Gun was no surprise with Thomas Rhue's amazing performance and the veteran winner was Max Barton on 238/250 who has regained great form with his change to a release trigger.

The day ended with a large number of shooters leaving the grounds with their arms full of prizes and a lot of praise for a great event definitely a 'must attend' event for all serious skeet shooters in 2011.

STATE EVENT SHOT AT MATHOURA

A fifty target, Victorian State Night Continental Points Score Championship, was the main event on Friday night the 24th of September at the Mathoura Gun Club Inc. A much more difficult event would be hard to find, and yet Drew Healy from the

Echuca club managed to lose only five points out of a possible 150. Shooting a 145/150 under lights secured Drew the Overall Winners Sash, and 1st place in (A) grade, as no other shooter in attendance could match or beat his excellent score. Well shot Drew! Congratulations.

Drew Healy OA Cont PS

Harry (Snow) O'Connor congratulating Peter McClusky 1st C

Two Mathoura members took out the other two grades, (1st places), B grade 1st went to Trevor Berryman shooting a 90/150, and up and rapidly improving, relatively new member, Peter McClusky, easily collected 1st place in C grade with an impressive score of 129/150. Good shooting Peter and

I think you can wave goodbye to C grade very soon.

An absolutely perfect night for clay target shooting, mild with no wind at all, and with good lights, the white targets although on Continental were very clear to see giving every competitor a reasonable chance in this difficult discipline. With 50 targets each to shoot in the main event, to keep the nights shoot to a reasonable time frame, the club ran only one other event, a ten target Double Barrel Continental cash divide. Deniliquin member Tim Maher was the only shooter to lose only one target picking up the bulk of the cash with his 9/10 result, four other shooters all shared the remaining cash, all shooting an 8/10 score. Laurie Fitzpatrick (Euroa), John Berryman (Echuca), Drew Healy (Echuca) and Brayden Melotte, a very young new member at Mathoura.

With a fire to warm up by, and plenty of hot food and drink on offer, every shooter in attendance thoroughly enjoyed the nights shooting competition.

ECHUCA CLAY TARGET CLUB Luke Hams Outshoots All

For two days on the 10th & 14th of September, year nine Echuca College students tried their hand at the sport of clay target shooting. Arriving at the Echuca Clay Target Club together with their teachers, Chris Sanders and Adam Brady, who also tried out their hand eye coordination necessary in the sport, the students were welcomed by the club's committee then instructed on the main safety aspects of the sport.

Splitting the students into squads they then, with a lot of coaching from the club's members, shot ten targets single barrel on both days. And a credit, due to the coach's perseverance, there was not a student registering an empty scoresheet, one student recovering from a broken arm and not able to handle the recoil from the 12 gauge shotgun actually ended up shooting a 4 score after being equipped with a 20 gauge lighter shotgun supplied by club member Barry Rogers. Thanks Barry, and congratulations Dylan Taylor for persevering even though you were feeling uncomfortable.

At the end of day two's shooting there was two shooters on a score of 16/20, Mathoura student Luke Hams, and teacher Chris Sanders, and that meant a shoot off between teacher and student, although Luke had a head start as he is a registered shooter at the Mathoura Gun Club. The shoot off procedure is the best of five targets, and although Chris tried valiantly, Luke's shooting experience held him in good stead shooting another four targets to be declared the Overall Winner and

receiving a High Gun Award from club President Ron Trill for his excellent 20/25 result. Teacher Chris Sanders taking out 2nd place overall on his good score of 18/25 well shot Chris! Lockington lad Brad Watson also must be congratulated for his 12/20 score that earned him 3rd place overall.

It was very obvious that the students really enjoyed their introduction to the sport of clay target shooting, listening to their coaches, and endeavouring to do their best, and the club's committee welcomes their interest in the sport, and thanks the teachers and school for getting involved.

Skeet and 5 Stand Sporting Clays Championships

WANGARATTA CLAY TARGET CLUB

SKEET: Back L-R Phil Smith & John Sutherland, Middle Alison Farish, David Jackel, Alex Reid, Mario Marino, Front Monique, Sophie Colin, Albert Colin

September Skeet Championship

David Jackel once again proved too hard to beat on Sunday September 26 at the Wangaratta Clay Target Club Skeet Championship shoot. Missing only one target out of the 100 tgt event was a great effort, especially considering that he was suffering from back pain on the day.

The weather was perfect for skeet shooting and the club decided to use fluoro orange dome clay targets, which resulted in good visibility, standing out nicely against the blue sky background. Several shooters that normally compete here were away in the USA shooting skeet at a major event there, which kept our numbers down on the day. However, Mario Marino from Melbourne, turned up as usual and is a welcome, regular long term visitor to the Wangaratta venue.

Local skeet devotee, Phil Smith shot very well to take out 1st in B grade shooting 95/100 with his Miroku 20 gauge gun and 2nd by Mario Marino on 92/100. John Sutherland from Mt Beauty won C grade again shooting off against club president Albert Colin with a tally of 88/106, with Colin finishing on 90/109. Junior shooter Alex Reid, 12 years, missed out by only one target to join the C graders in the shoot off well done Alex. Age is definitely a great advantage with speed as Alex was able to blast away targets, especially on stations 1 & 2 high house, low house stations 6 & 7 and those 'trick shots' on station 8 with incredible speed.

Many thanks to Margot and Kelly Robinson for their untiring efforts in the club canteen and Ern Williams in maintaining the shooters handicap books.

Seymour Brilliant Again!!

Sunday 10 October saw Marty Seymour, one of the best 5 Stand Sporting clay shooters in the district, take out the championship event at the Wangaratta Clay Target Club. Seymour shot 90/100 over the two grounds set up by the club, which included many difficult targets which were set by Brett Jory and his helpers.

Perfect weather allowed for a terrific day's shooting of this discipline, which has now become a regular fixture at the Wangaratta Clay Target Club due to its widespread popularity amongst trap shooters. Many competitors travel long distances to enjoy the targets on offer here, as Sporting Clays events are not provided by all ACTA registered clubs in the state. The facilities, infrastructure and welcoming atmosphere at the club are enjoyed by many and further developments, particularly in this discipline may be forthcoming.

Local champ and driving force behind 5 stand shooting here, AA grade Brett Jory narrowly missed out on a shoot off with Seymour, returning

5 STAND SPORTING: L-R Adam Shale, Christian McGauran, Helen Devlin, Marty Seymour, Bob Pigram, Terry Pigram, Brett Jory & Emma, Paul Reynolds

another great score of 89/100. Junior shooter, Adam Shale shot extremely well also with 86/100 on the scoreboard winning 1st in A grade, defeating Christian McGauran on 83/100. Local Down The Line expert, Terry Pigram won 1st in B grade with 81/100 and 2nd by Club Treasurer Paul Reynolds on 80/100. Terry's father, Bob Pigram surprised everyone by shooting 53/100 to win C grade and Helen Devlin from Albury took out 2nd in C with 55/110. Bob had a sash cupboard constructed years ago which will now proudly house his first sash – top effort Bob!
