Evolution

In 1866 target shooting was just getting started around the world. The inventor of this game, Charles Portlock, is the one person all of today's shooters can thank for this exciting sport.

These glass balls were much harder to break the "most" clay targets of today. Some will say that today, certain brands of clay targets are as hard to break as the original glass balls. That's not the case when it comes to **White Flyer Targets**.

If you want to see your scores improve, ask your club to throw the world's best, **White Flyer Targets**. Manufacturing the world's finest target for over 100 years, White Flyer continues to evolve into the most innovative manufacturer of targets worldwide. **White Flyer Targets** help shooters win championships and break record scores. Our targets undergo a minimum of 27 quality control steps that keep **White Flyer Targets** consistent in weight, composition and dimensions.

Used recently at the following major championships with new records set:

NSWCTA Single Barrel Championship 2009 – 169/169

NSWCTA Champion of Champions 2009 – 350/350

NSWCTA Handicap 2010 – 100/100

ACTA National Double Barrel Championship 2011 – 900/900

More and more clubs are switching to **White Flyer Targets** as their preferred target. Try them and see what all the talk is about and watch your scores improve.

National President's Notes

The DTL Nationals were conducted with some of the best weather ever seen at the National Grounds. Congratulations to all winners, especially the DB winner Tony "A" (Arvanitakis) with 900-900, a new record for the Double Barrel at the Nationals. Full report pages 3 - 11.

There were many positives at this years Nats and we hope the upward trend in numbers continues next year. Shooting the Double Barrel off in daylight did not hold up the shoot and the results speak for themselves. The support from Sponsors was excellent and the trade area included a stand from Coopers Tires who have now committed to next year. There was also some negatives, and I feel the membership needs to know of one of these in particular. The

decision by a minority of unelected members to effectively "ambush" the shooters' BBQ resulted in the clubhouse being fairly empty whilst their "Official" meeting was on. The result was that when the Riding for the Disabled volunteers received the Gold Coin donations from the BBQ they were left with an almost empty building to thank, I accepted their thanks on your behalf. The Caterer who had provided the free BBQ was left with few customers in the bar and we also lost our opportunity to thank them appropriately during the night.

I apologized to both the volunteers from the Riding for the Disabled and the Caterer for this unplanned interruption to what had started as a social evening for the shooters, provided free by the Caterer and benefiting the Riding for the Disabled. It is obvious to me that the organizers (whoever they be) did not give any thought to how their actions would affect others.

Nationals do not run without workers and I extend the members' thanks to all those that contributed their services leading up to and during the event, but would like to make special mention of two of your Executive. Peter Haley is the first. Peter helped the girls run the National office for almost 4 months prior to this event. This was done on a volunteer basis, and Peter and the office staff are to be complimented on the way they administered the association whilst without an Executive Officer. Ron Traill is the second. Ron receives no benefits from working at the Nationals, and he is there every morning from daylight, setting traps, until finish, which was at 10-30pm on one night.

This is the reason these men are your Vice Presidents - always available when needed by your association. I extend my thanks to them both.

The sponsors for this event and their associated trade sites are a much appreciated part of the Nationals. It is very expensive to pack up for over a week, leave your business and come and support our event with both sponsorship and a trade display. I thank you all for your support.

The ACTA providing free emergency gun repairs with Ian McGeoch is a service we always need and I thank Ian for coming once again. Joe Camilleri and Daryl Stevens the two stockmakers present and Jeff Lowndes the massuer also provide excellent service to our shooters and our thanks goes to them. The Coffee Man and the Ice Cream Man all help make the event more enjoyable.

The Skeet Nationals are next on the program. We will be giving skeet shooters the opportunity to discuss the proposed ICTSF World Skeet at the informal skeet shooters meeting, where we will take all comments on board before making a final decision on our future involvement. Please be aware this meeting is a forum to discuss skeet related issues and we will be concentrating on that.

The digitization project for the CTSN is progressing well and many have assisted by providing missing copies. Update is elsewhere in this magazine.

Following a complaint from a member we are now party to an Anti-Discrimination claim. A meeting set down by the Commission initially fell during the Nationals but was postponed on the day by the Commission until the 19th of April. By the time you read this we will know the full effects this claim will have on the way we define our membership categories and subsequently the way we conduct competitions.

The full executive are meeting in early June over three days. Hundreds of items will fill the sub-committee agendas prior to the full executive meeting on the Saturday.

For most executive members this means five days away from home for no recompense. I hope our efforts benefit the Association and the time given freely by your executive does not go unnoticed.

Until next month,

Robert Nugent

Executive Officer's Report

After 8 weeks and my first Trap Nationals, the job of Executive Officer is just as exciting and rewarding as it appeared to be in the first few weeks. The Trap Nationals, while not necessarily the most important to all shooters (as I am sure the Skeet shooters would say) definitely does have the most shooters and visitors and ran extremely well. The atmosphere was good without losing any of the competitiveness and shooters appeared to enjoy themselves. It

was amazing to see the camping areas filled with many family groups enjoying the gathering, as well as meeting other shooters they had not seen for 12 months. With shooters on all 18 layouts the National Grounds were a hive of activity. As you can read in the results on page 3 of the Newsletter, there was some excellent shooting and it was wonderful to see so many good performances from the junior shooters, both male and female. Whilst many of us "more mature people" will be around to help the sport for a while yet, it is good to see so many

enthusiastic and talented younger shooters. To me, one highlight of clay target shooting over other sports, is to see shooters of all ages, shooting alongside each other and being able to compete in different grades, age groups and gender groups at the same time. Very few sports allow such diverse groups to compete against each other simultaneously and I believe this is something we should be using to help promote our sport.

Whilst there were many good and positive comments, there was also some criticism. In most cases this disappeared when an explanation was given as to why things happen in a particular way. As I have been on a steep learning curve myself, I have had to ask many questions to develop an understanding of the sport and its operation and administration.

To assist with this I will be explaining in future editions of the CTSN, some of the issues raised to ensure all members receive the same correct information. In the next edition of our Newsletter I will provide an explanation of the way prize money for the Nationals is calculated and the reasoning behind the method. On any issues, members are reminded that the way to have an input is to raise their concerns, firstly at their club, then have it taken to their Zone and State Meetings, for it to be finally raised with the National Executive by your State representative. On many occasions in the past this has not occurred.

An unpleasant experience I encountered was to hear a number of rumours, which had no truth to them and where members had not made any attempt to check their veracity. Quite often all that is needed is to ask a question to find out the truth.

The general atmosphere during the Championships was extremely friendly, very much like a family getting together on a special occasion and I look forward to meeting many more members in the future.

I now await the Skeet Nationals to see the return of some shooters I have already met and to meet others who were not at the Trap Nationals and to find out all about "skeeties".

Chris Gibson

2011 National Trap Championships

The 2011 National Trap Championships were recently held at the National grounds in Wagga Wagga from the 2nd to the 9th of April. Once again the perfect weather allowed the final event, the Mackintosh Team shoots to be completed on the Saturday, before the forecast rain on Saturday evening. A side benefit of the recent rains was the opportunity to see the layouts in perfect condition. Numbers were very good with above average competitors for all events.

The results of the State Teams Shoulder to Shoulder and the Champion of Champions competition highlighted the good shooting to come. A couple of the highlights of the week were the new National Championship record of 900 out of 900 in the Double Barrel won by Tony Arvanitakis, an event in which 4 shooters beat the previous record, and back to back wins for Lisa Hawker as Women's National Champion of Champions.

The Carnival was officially opened

by the new co-patron Kay Hull who also fired the first shot, successfully, to great applause.

Robert Nugent, National President, welcomed Kay Hull and in praising her ongoing support for the siting of the National grounds in Wagga Wagga and support for the ongoing development announced her appointment. He then introduced the other official guests, Federal Member Riverina Michael McCormack, State Member for Wagga Wagga Daryl Maguire and the Mayor of Wagga Wagga Wayne Geale. All of the guests indicated their support for the ACTA and its benefit to the region.

The guests then judged the Best Dressed State team and awarded West Australia the first prize.

In the Open State Team Shoulder to Shoulder match, Victoria with a points decision were the winners, 123/125 - 368/375. Team members were Robert Viney, Roger Duthie, Glen Hayden, Nathan McDonnell and Brett Ford.

The Women's section was won by Queensland. Team members were Viv Moore, Ronnie Forsythe and Zara Powell with a winning score of 75/75 - 217/225.

The Junior Team from New South Wales with a score of 75/75 - 223/225 took out the honours. Making up this team were; James Willett, Nick Brown and Ethan Brindley.

In the Veterans section South Australia shot 74/75 - 221/225 to win. Members of the team were Michele Giannone, Jim Humphris and Bob Andrews.

See additional State Team photos on pages 9 - 11.

BOB SCOTT - PIPER **National Championships**

Seventy-two year old Robert (Bob) Scott has been leading the ACTA State teams onto the shooting ground at the Opening Ceremony of the National Championships for 11 years.

He began playing the bagpipes in 1952 at the age of 12.

Bob is the Pipe Major of the Wagga and District Pipe Band and was one of the original members that started the band in 1958 and has been a member since then.

From 1958 he has attended competitions, local shows, eisteddfods, weddings and funerals.

From the ACTA, thank-you Bob.

2011 ACTA TRAP NATIONALS ACKNOWLEDGEMENTS

The ACTA would like to thank all of our sponsors: Major Sponsors, Beretta & Casella Wines for their continued support along with event sponsors, Highland Sports, Perazzi, Winchester, Horsley Park Gun Shop, Eley, White Flyer (Spartan Global) and Cooper Tires for their contribution to the Trap Nationals. The support of these valuable sponsors is very much appreciated by the ACTA and the shooters.

I would also like to thank Bruce Rickard for the support of Canterbury International for his attendance and maintenance of the voice release on the ground for the Nationals. Also Ian McGeogh for providing his gunsmith services and Joe Camelleri and Daryl Stevens for providing stock making and repair services for the Championships.

Many thanks to all of the office staff particularly Janenne Kidd, Glenn Woodhatch & Jim Shepherd for their assistance at the windows and assisting with the computer program run by Frank Auditore. Handicapper Ray Peatling and his assistants Neil Morrison and Malcolm Dyson. A huge thanks to Shoot Marshal Adrian Cousens and his assistant Ron Traill, and to Gary Hayden who quickly fulfilled the role of Tournament Director, after only recently becoming a member of the National Executive. To Fred

Rapley for his tireless work over the ten day period, and to David Jocelyn for his long and heavy workload. Also a big thank you to the Trappers who did a great job.

A particular big thank-you goes to the ladies from the National Office, Maureen Ryan, Judy Ferry, Sue Vesperman and Jenny Robinson who worked tirelessly, including weekends, helping both in and out of the nomination office.

The Championships would not have run in such a professional manner without the input and foresight of Frank Auditore. Frank spent many days leading into the event, assisting the ACTA in getting the pre-squadding set up. With his Shootmaster program Frank was able to supply squad and shoot time details which made shooters very aware of where they were shooting during the Championships. Frank also spent many late nights during the carnival re-working squads to allow shooters who nominated at the Nationals to fit within the rotation and to supply them with their squad details.

Congratulations also to the National Executive on the way the Championships were set up and executed.

Finally, thank you to the traders who provided their services at the event. It was great to see a carnival atmosphere and friendly people. Many thanks also to the coffee man, icecream man and our caterer and hospitality contractors, the Uranquinty Hotel, who provided food and drinks over the carnival. David and Jo also provided the shooters with a BBQ on Wednesday evening. The ACTA National Executive appreciate every contribution right through to the scorers and referees who gave up their time as volunteers to ensure a successful Trap Nationals.

ISSF SHOOTING

Minimum Qualification Scores (MQS)

As outlined in the last issue of CTSN, your Board directed that a regular column be established in this magazine to, over time, address the various issues that our elite shooters have to contend with. It is hoped that this column will also provide useful information not just to ISSF shooters but to the wider audience of DTL, American skeet and sporting shooters and thus enhance the understanding of the elite portion of this wonderful sport of clay target shooting. Last issue we said we would examine what is an MQS.

QUESTION: What is the MQS and what is its relevance to the High Performance squad?

ANSWER: Since 1988, the Olympic Qualification System of the Shooting Sport is based on two fundamentals: the Olympic Quota Places, and the Minimum Qualification Scores (MQS).

Each shooter, to be eligible to take part in the Olympic Games needs an Olympic Quota Place, and must have obtained a Minimum Qualification Score at least once during his/her shooting career.

The MQS (Minimum Qualification Score) is a minimum score that a shooter must have recorded at least once during his/her shooting career, in order to become eligible to take part in the Olympic Games.

The Minimum Qualification Scores for each shooting event are designated by the ISSF. A look at the scores listed below will clearly show that these scores are very low and unlikely to gain selection in a team. However they are established to ensure those athletes from countries considered unlikely to qualify for the Games have an opportunity to be represented, should they receive a wild card entry; thus ensuring that there is a "minimum standard" to the competition.

MQS for Shotgun are Trap Men - 112, Double Trap Men - 118, Skeet Men - 114, Trap Women - 58, Skeet Women - 60.

The personal MQS scores of each shooter are recorded through ISSF supervised shooting events and each athlete willing to participate in the Olympic Games must record it before heading to the Games.

As an example, the MQS score for the Men's Trap event has been set to 112 points scored in one round of 125 shots. A shooter willing to participate in the Games must have scored

at least 112 points during an ISSF supervised competition at least once in the set time-frame.

Now to Quota places; given the limited number of qualification slots available for shooting sport at Olympic Games the qualification system for our sport is based on Quota Places.

A Quota Place is a qualification ticket to enter the Games, awarded by the ISSF to those shooters who reach the best results during designated ISSF Olympic Qualification competitions such as World Cups, World Championships or Continental Championships.

Quota Places are country-related: the shooter wins a quota place, which is then owned by his/her country. Each country is free to decide how to use the Quota Places won by its shooters. Therefore, the shooter who secures a Quota is not automatically qualified for the Games, as the final decision is to be taken by his/her national team. As an example, the Quota Place won by Shooter X could be used by the country holding the quota to enter Shooter Y in the Games.

Each Olympic cycle, the International Olympic Committee (IOC) assigns a certain number of Quota Places to the ISSF, which then distribute them to nations through designated qualification competitions. This is currently set to 390 Quota Places which were awarded to the ISSF at the 2008 Olympic Games in Beijing, which were then re-distributed to 103 different countries. 390 Quota Places will also be distributed for the 2012 Olympic Games in London.

Good shooting!

Mathoura shoots Zone Points Score

A Victorian North East Zone, Night, Points Score Championship was the main drawcard on Friday the 25th March for the Mathoura Gun Club, and it certainly did draw the shooters, with five full squads attending. A good night for shooting, with a light breeze, enough to keep all mosquitos away, but not enough to worry the targets, perhaps a little cool, although a fire outside the clubhouse was a welcome spot for everyone to thaw out.

Rob Collicoat OA PS

Deniliquin members Rob & Ned Collicoat were the only two who shot a full score of 30/30 in the 10 target Points Score Cash Divide opener, with Roger Kerslake dropping just one point to collect 2nd place cash with his 29/30 result.

The 25 target Points Score main event was next, and although no one could

master a full score, Rob Collicoat, led everyone else with a magnificent 74/75 result that earned him the Overall Winners Sash, and the 1st in A grade trophy, local member Bill Simpson collected B Grade 1st with a score of 63/75, and again a local member, (junior) Luke Hams, took care of C Grade with an excellent 66/75 result.

Shooters had travelled from Numurkah, Deniliquin, Cohuna, Walmer, and Echuca/Moama for the night shoot, and everyone shot the last event, which was a 15 target graded cash Double Barrel, and five A or AA Grade shooters shot all 15 targets to share their A grade cash returns, being Graham Hall (Walmer), R Collicoat, Tim Maher, Bruce Cook all Deniliquin members, and Drew Healey (Echuca). B Grade saw B Simpson and Numurkah member Trevor Harbor both shoot 13/15 to share their cash return, and C Grade shooters Jessica Backman (Cohuna), and Connor Morden (Walmer) matched the B grade score of 13/15 to share the C grade cash.

During the presentations all shooters commented on the very enjoyable evening's competition, and they were heartily thanked for travelling in such good numbers to make the shoot a good result for the Mathoura Gun Club. A big thank you too, to the ladies for the hot food and drink supplied throughout the evening.

Sponsorship – What does it mean to the shooter, the association and the sponsor?

The Australian Clay Target Association has received many questions regarding sponsorship provided to the association and the cost of those benefits. As President I believe it is timely to give an explain as to how sponsorship packages are tailored to suit particular companies involved and how they vary to suit sponsors needs.

Packages are agreed between the sponsor and the association for terms of up to five years. An example of this is the Beretta sponsorship package signed in 2006 for a five year period. This package provided the association with 15 double rise traps, 16 skeet traps (and associated control boxes), 10 shotguns for prizes at the National Championships and one shotgun for the world DTL Championship that was held in 2006. This package has now expired with the equipment remaining the property of the association. Another example is the recently signed five year package with Perazzi which includes flexibility to be revised annually on parts of the sponsorship package, with an emphasis on junior development. Sponsorship packages may include various benefits to the sponsor, this being normal business practice to make the association more attractive to the sponsor. These may include, (but are not always limited to) the association providing free advertising, nominations, trade sites, and other benefits such as "Hall of Fame dinner" tickets, all of which have a financial cost to the association. Other benefits may include naming rights and the erection of signage as supplied by the sponsor, which is at their cost and does not have a financial cost to the association.

Some sponsorship packages are tailored to suit sponsors that cannot make a long term commitment, with Coopers Tires being an example of this. This sponsorship was a one year package (now extended to two), being a cash payment in exchange for signage benefits, advertising, naming rights, free nominations and "Hall of Fame dinner" tickets.

Coopers Tires being a non-industry sponsor the arrangements were tailored to better suit Coopers Tires to keep them as a sponsor into the future. The association is currently developing a sponsorship package with differing levels of both commitment and benefits and hopes to have these available later this year for interested sponsors.

In relation to the acquittal of sponsorship, the association's current policy is that the sponsor is "sponsoring the association as a whole" and the donated product value is deducted from the amount calculated for prize money - using the formulas that were developed and used in 2008 and 2009 by the ACTA Executive.

This means that the sponsor's donation assists the whole membership - as opposed to a single winner (as would be the case if a shotgun was the prize, with the association having to bear the costs associated with servicing the sponsor package).

This practice exposes the sponsor to the whole of our membership not just the winner of a National Title. The whole association should therefore receive some benefit. Some sponsorship, as example Coopers Tires is also spread over more than one discipline at the sponsor's request.

Some sponsor packages are prepared by our legal firm, Landers and Rogers and include indemnity clauses for both the association and the sponsor and may further include clauses relating to confidentiality. I thank those sponsors who have waived this provision to allow the association to provide the above information to our membership. These arrangements are clearly between the sponsor and the association - not any particular winner of any particular event.

I hope this clarifies the type of arrangements the association enters into on behalf of its members.

Letter to the Editor

Dear Sir/Madam

I have just recently finished attending & working at the DTL National Championship in Wagga & would like to congratulate the President & Executive for running a great shoot. The weather was terrific which certainly helped & the shooting was fantastic, especially Tony A (Arvanitakis) winning the double barrel 900/900 & Mark "Rusty" Drain from Tamworth who has only been shooting a few years, winning the points with 561/561.

The only sour note to the carnival was a flyer (reproduced below) which was put under nearly everyone's windscreen wiper. This flyer had a few points to raise, including committee expenses of \$63,551 in 2010. I was really amazed at the audacity of the people behind this flyer, who remain nameless, as they didn't even have the courage to put their names to the flyer (and yes, I have a good idea who you all are!!!).

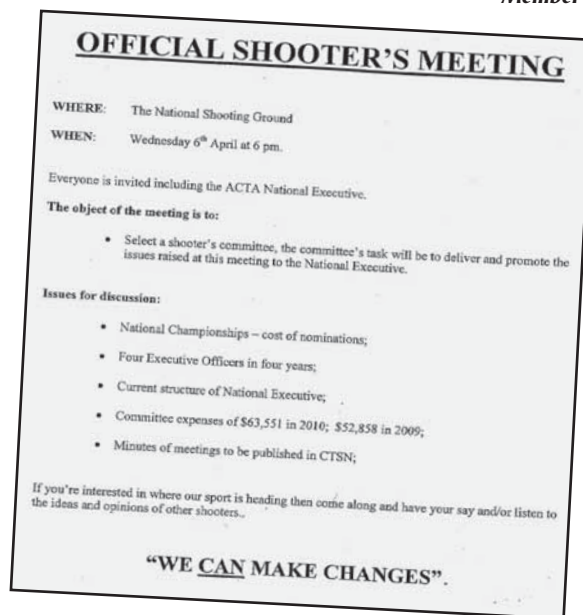

I may not always agree with everything the executive does but it **REALLY** annoys the hell out of me when these faceless people, most of whom have never been on club committees, let alone State or National committees, think they have the right to criticise the men & women, who, week in week out, put hours & hours of work into improving our sport, as **UNPAID** volunteers. Do they think the executive should volunteer all the work **AND** pay all their own expenses?

These faceless minority need to actually get a life, get back to just enjoying shooting, get in & help around the clubs, rather than constantly meeting behind the toilets & plotting how to try & destroy our sport.

If the above advice does not appeal, then get yourself kitted out in white & take up lawn bowls, go & stuff their sport, but leave ours' alone.

If you have a grievance, send it through the correct channels, or better still, catch up with one of our hard working executives & have a talk with them. Quite often they will be able to give you the answer or information you seek.

Maryborough Gun Club hosts 2011 VCTA Sporting Clays Championship

In almost perfect weather conditions for shooting, the Victorian Sporting Clays Championship got underway on time at 10am on March 26.

Shooter numbers were somewhat disappointing but we still managed twelve squads.

This was probably not such a bad result, considering that we were competing against two other large sporting shoots run by other sporting shooter codes.

The event was entirely sponsored by Bruce Burns (Corsivia GB) and the Maryborough Gun Club wishes to thank him for his continued support and generosity.

place. In A grade the win went to Rod Walton from Bendigo with a score of 87/100, Phillip Stowe came in 2nd and John Lester, also from the Bendigo club 3rd.

B grade was won by Jim Shepherd 77/100, Peter Finn from Shepparton took out second place and Ashley McKnight came 3rd. C grade went to Brian Hehir with a score of 58/100, 2nd place was taken home by Stephen Foster and 3rd place went to local junior Darcy Watts.

Bryan Rafferty won the Veterans 75/100, Renae Birgan won the Ladies with a score of 80/100 and Adam Shale from Wangaratta took out the Junior section with a score of 75/100.

The Victorian State Sporting team for the shoulder to shoulder match at the ACTA Sporting Nationals is Jeffrey Zammit, Rod Walton and Craig Macpherson.

Since many of Maryborough's sporting traps have been mobilised, the setting up time for 5 stand sporting events has been greatly reduced, however like many clubs, striving to provide three interesting, varied and challenging layouts still meant a great deal of time for the few members who were able to assist. Consequently a great amount of the Friday prior to the shoot was spent setting up the grounds. Our thanks to Phil Stowe, one of our regular visitors who gave his time on Friday to assist in the set-up and who stayed overnight to act as nightwatchman.

Shooting over three layouts, all shooters shot 25 targets on each. For the fourth and final 25 targets, competitors shot a split round over two layouts. Two singles off each of the 5 stations on the first ground and then a final single target and one pair of targets off each of the five stations on the second ground.

The day ran very smoothly and finished early enough for presentations to be over and shooters on their way home by 5.30pm.

The overall winner with a score of 90/100 was Jeffrey Zammit. After a short shoot-off for second place in AA Craig Macpherson was the winner with Colin Macpherson taking out 3rd

2011 Skeet Carnival

TAMWORTH CLAY TARGET CLUB

Tamworth Clay Target Club held its Annual Skeet Carnival over three days on 18th to 20th March 2011 at the Loomberah facility.

The Northern Zone Skeet Championship was run in conjunction with the carnival as was the NSWCTA Skeet Championship.

The program was changed a little this year in that what used to be a 50 target 20 gauge cash divide and a 25 pair doubles cash divide have been changed into championships to make the program a bit more attractive.

The Lucky Number Shoot-offs and the Club Teams were run again this year and distributed another \$550 among shooters who may not have been successful in the events.

It was the best equipped shoot the club has ever held with all four skeet layouts now having modern large capacity automatic traps.

They are located in high and low trap houses which have recently been refurbished with external access stairs for much safer access to the traps for servicing and restocking. Until now, the access to the high houses was via internal ladders which were very dangerous and totally unsuitable for stocking the traps with targets.

The running of the shoot proved to be so much easier and efficient with the new and improved facilities.

These stairs are the result of the club being successful in obtaining a Ministerial Advisory Committee on Shooting Clubs (MACOSC) grant with support from our local member Peter Draper and the Shooters and Fishers Party.

John Englert and Maggs Engineering did a magnificent job of fabricating and installing the stairs with some help from club members.

During the shoot, The Hon Bob Brown MLC, the leader of the Shooters and Fishers Party officially opened the completed project.

A total of 64 shooters competed for the six 50 target events including the Northern Zone Championship and the NSW Clay Target Association Championship. The attendance was on a par with the 2010 carnival.

The shoot finished in good time on the three days thanks to Shoot Marshal Ben Buhagiar.

Shooters attended from South East Queensland, Sydney Metropolitan, Dubbo, Newcastle and Hunter regions as well as local and north west shooters.

The Northern Zone Championship was won by Alberto Muoio from Cecil Park Clay Target Club and the NSW State Champion is Paul Kouroupis from NSW Gun Club. Both Alberto and Paul are regular supporters of the annual carnival and have been attending for many years. Paul was also the popular winner of the Veteran High Gun.

The much sought after Geoffrey Walters Memorial Trophy was won by Nick Aird from Brisbane Gun Club with 196/200. Nick has also won this trophy on previous occasions.

The Ladies Committee led by Sandra Holmes served absolutely delicious meals and snacks over the three days.

The Hon Robert Brown MLC and President Mark Drain officially opening the four sets of new stairs to the high houses which were financed by a MACOSC grant

The carnival would not have the success that it was without the generous support of the sponsors: Tamworth Firearms G Brothers Mercedes Benz Mona Vale CTP Auto Components GCM Lighting & Electrical BCE Car Transport Bob Jane T-Marts Weatherall Engineering.

It is only with the generous support of these sponsors that such a well attended and successful carnival can be achieved.

Full results of the carnival were published in the April issue of CTSN.

Norman John Dale (Lost Bird)

30.9.1929 to 23.3.2011

Norm first joined Maryborough Clay Target Club (Qld) in 1986, when he retired and moved from Kingaroy to Hervey Bay.

Many shooters will remember Lost Bird's column in the CTSN, "Maryborough Tid-Bits", which contained anecdotes and jokes from around the traps and was printed from the mid 1980s to the early 2000s. Norm gained much pleasure from visiting other clubs, talking to shooters and jotting down notes and results for his monthly contribution to the journal.

Unfortunately in 2006 ill health forced Norm to cease his beloved sport and on the 23rd of March 2011 his battle was over. Norm has now caught up with his mates Harry Walker and Darryl King and will be busy spinning yarns again.

The members of Maryborough Clay Target Club extend their deepest sympathy to Norm's wife Doris, their children and grandchildren.

Southern Zone Sporting Clays

**Championship winner,
Michael Munro**

Canberra Inter was the venue for the Southern Zone Sporting Clays Championship (also included the SZ Sporting Clays Team Selection) which was held on the 4th Sunday of March. Coordinator Rodney Kneipp had set up two fresh ranges and, while not overly difficult, presented the shooters with a wide range of targets include Battue, Rabbit and Middis.

Again the weather was kind to us with L/V winds, occasional cloud cover and a pleasant 21 degrees.

Five and a half squads attended with visitors from Sydney area, Cooma, and Ardlethan. Again it was good to see some new faces from the club having a go at the discipline which we feel has great potential, as it incorporates the shooting skills of most of the other clay target shooting disciplines.

SKEET 19TH MARCH

Ron "Daniel Boone" Field shot his personal best scores to win the monthly handicap event from Justin Hayden, and no, Ron did not use his Kentucky .45 rifle to achieve those scores.

Skeet shooters are reminded that due to the two day trap carnival, the May monthly comp will be held on the 2nd Saturday, 14th and not the 3rd Saturday as usual.

blustery scuds from the south and in general, scores crashed. John Duyker of Tyagarah CTC making a return to clay target shooting after a long absence was the exception with a perfect 75/75 in A Grade. Rick Spencer was 2nd in A with 71/75.

In AA, Wayde Hawkins needed one 2nd barrel scoring 74/75 beating Kevin Harding 73/75 narrowly.

Grafton CTC Secretary and faithful Richmond River supporter Rus Wesslink shot all his targets but needed four seconds on his way to 71/75 clearly winning B Grade from Geoff Pringle 67/75.

MONTHLY TRAP 27TH MARCH

Dark and gloomy skies with showers forecast did not deter the thirty three shooters who attended to contest the three events to be decided at Lismore on Sunday 27th March.

As usual, the first event was preceded by the Jan Harding Memorial 5 complimentary Points Score targets held progressively over five months. Twelve scores of 15/15 were posted but after the first three months, the event is still anyone's, with only one shooter with 45/45 so far but a host of 44/45's on the board.

Nine possibles were shot in the 25T Double Barrel Cash Divide event.

Ray Turner, Rod Moody and Phil Westbury in AA; Roy Warren, Peter McKenzie, Terry Preston and Rick Spencer in A: Rus Wesslink and Geoff Pringle in B Grade all collected cash. Luke Barnes and Jeanette Wilson shared the money in C Grade with 22/25.

The weather deteriorated with dark grey clouds bringing showery

Jeanette Wilson 65/75

collected again in C Grade from Mick Allott 64/75.

The Gold Coast's Joe Rapisarda proved himself somewhat of a handicap specialist at Richmond River winning the event of the day 50T Handicap. From the twenty metre mark, Joe posted 49/50 (25, 24). Ian McDonald was second with 47/50 (24, 23) from 25 metres and the club's youngest member, Junior Ben Pitman was third with 46/50 (24, 22) after a shoot-off with Jamie Beddoes and visitor from Coffs Harbour, Craig Norman.

John Duyker took home the High Gun mug after he and Ian McDonald both totalled 143/150 for the day and had to endure a gruelling toss.

Rus Wesslink collected his first engraved tankard as Intermediate High Gun with 140/150.

Preparations are well underway for the club's annual Two Day Shoot to be held on Saturday 21st and Sunday 22nd May. For details, see our ad in last month's edition of CTSN or check out the website www.northernriversgunclubs.com.

Shoot well but most of all enjoy yourself and be kind to others.

NIGHT TRAP 8TH APRIL

Twenty shooters lined up for the final night shoot for the year and followed a 25DB E/O with a 50 T Point-Score competition and most found the conditions difficult.

David Bodley won the event with 145/150 from Don Johnson 139/50 and Jamie Beddoes 137/50.

Night shoots, which are suspended during winter because of the usual foggy conditions that roll across the flat in front of the traps, will resume in September.

PHOTO COMPETITION NO. 3

Clubs/members can send Photo's (Digital only) to the CTSN email address. If space permits we will publish the best of these. A will be selected every 3 months with the winner's photo being published in the CTSN with an article & receive a camera for their Club.

ment in the magazine for a shoot event (to be used in the next 12 months)

* Each photo will need to be less than 6 months old.

* The photo will need to be picture-ready for publication in the magazine (no touch-ups required).

* Must be of Clay Target shooting or related to a shooting event.

NEW SOUTH WALES CLAY TARGET ASSOCIATION

Central Zone Report

The Australian Clay Target Assoc held their National Trap Championships at Wagga throughout the first week of April. Weather conditions were close to perfect throughout the week, with more than 500 shooters from across Australia and New Zealand in attendance. A small band of shooters (approx 15) from the New South Wales Clay Target Association's Central Zone attended and again put in some very strong performances.

Matt Patmore representing NSW

Matt Patmore, from the West Wyalong Gun Club, performed consistently throughout the programs main events and earned a place in the Open Mackintosh Team. This is a squad of 25 shooters who have performed to the highest standard and positions within the team are highly competitive with only the best shooters taking a place. Matt was also a member of the NSW Open Team. This team is comprised of the top 5 shooters from the NSWCTA Trap Championships (held Oct 2010). Matt was also recognised for having achieved trap shooting's 'Grand Slam' – shooting 400 consecutive Double Barrel targets in an event, 50 targets off 25 metre Handicap & 25 pair Double Rise targets.

Fellow West Wyalong club member, Clive Foster, narrowly missed out on a place in the Open Mackintosh Team. Clive's shooting throughout the Double Barrel, Single Barrel & Points Score events saw him in a position to shoot off for the final places in the team. Unfortunately, work commitments prevented Clive from taking his place in this final qualifying shoot off.

Luke Ellison from Parkes Gun Club put in an extraordinary performance in the National Double Barrel Championship event. Luke shot a fantastic 647 targets to come sixth out of the 521 shooters to take part in the event. This was Luke's longest continuous break of consecutive targets and was a great achievement. Luke certainly had a number of shooters wondering 'where the hell did he come from' – those from the Central Zone already knew what Luke was capable of and were not surprised by this performance.

Matt Schiller (Boorowa Gun Club) also put in a good performance during the Championships. In the Double Barrel event, Matt shot a very respectable 483 targets. This was Matt's best single event break by 218 targets. Matt's performances throughout the qualifying events, saw him take up a position in the 5 member Junior Mackintosh International Team. The Mackintosh Teams (Open, Ladies, Juniors & Veterans) shoot an additional 100 target Points Score event with a possible score of 300/300. Matt was the only shooter to shoot this possible score within the Mackintosh shoot and was named 'High Gun' for the Junior Team.

Matt Patmore and Matt Schiller were amongst the 21 shooters to receive their Mackintosh Team 100 Break Badges. This is a terrific outcome and demonstrates great shooting.

Luke Ellison and Matt Schiller partnered up for the National Deauville Doubles Championship. The pair put in a very consistent performance and narrowly missed out on a place on the podium by coming

Matt Schiller with Fil Petriella representing sponsors Perazzi Australia

a respectable 4th out of the 122 pairs to compete.

Sixteen year old, Kate Schiller – also of Boorowa Gun Club, also had a great week and put in some terrific performances. Kate was a member of the NSW Ladies Team. This team was also determined at last years NSW State Trap Carnival and is comprised of three lady shooters. Kate was honoured to be representing her State. During the National Championships, Kate managed to place 2nd in the Ladies National Double Rise Championship and 3rd in the Ladies National Single Barrel Championship. Her best performance came in the Junior National Single Barrel Championship. In this, Kate managed a score of 97/100. Three other junior shooters managed the same score and the four shooters set out to shoot off in order to determine the outright winner. A further 23 targets were shot with Kate coming up trumps with a score of 120/123. This was a popular win with onlookers and saw Kate receive 'The Michael Diamond Perpetual Trophy' for her efforts.

Kate Schiller with the Michael Diamond Perpetual Trophy

Kylie Hibbert from the Cowra Gun Club had also started the week off well. Kylie although new to shooting, enjoyed success and managed to secure 2nd place in C Grade for the National Champion of Champions event.

Well done shooters, we look forward to continued success in the future.

The NSWCTA Central Zone is a small zone, both in numbers and geography, but certainly holds it's own in the standard of shooters. The Zone is made up of the following clubs – Bathurst, Boorowa, Canowindra, Condobolin, Cowra, Grenfell, Orange, Parkes & West Wyalong. These clubs all welcome new shooters and are happy to help with introduction to the sport. Shooters are from all walks of life and persons aged 12+ can enjoy this family orientated sport, so please contact your local club or the New South Wales Clay Target Assoc to learn more.

DIGITAL ARCHIVING

We have received a great response to our call for back issues to be forwarded for scanning and this month I can report that thanks to Adrian Cousens and Murray Gruer our list of missing issues has been greatly reduced.

Thank you also to the many people who responded, but unfortunately held only copies that we had already acquired.

The issues now missing are:

1947: Sept, Oct, Nov, Dec

1948: Jan/Feb, Mar, Apr, May, June, July, Sept, Oct, Nov, Dec

1949: Jan/Feb

1958: April (the one we have is too damaged)

CORRECTION

In my last report, even though I had in my possession the 1947 editions of the Newsletter, I made the mistake of nominating October 1947 as the first publication month. September was in fact, as you can see in the photograph below, the date of our first issue.

My apologies for this mistake and thank you to the many members who were quickly able to advise by either phone or email that I had nominated the incorrect starting date. It was interesting to realise just how many members actually had this knowledge.

You may be wondering why we are still seeking copies of issues that we already have, for example the 1947 issues. The reason is that the copies we hold are bound into a book and to scan them for digital archiving would mean pulling apart and consequently destroying the original book. This is something we will only do as a last resort.

Southern Zone Trap Carnival

19th-20th March New South Wales Gun Club

Saturday 19th March started off well, with the sun shining and the grounds looking impeccable. Shooters began trickling in at around 9am, and were treated to a breakfast of bacon and egg rolls, along with "Uncle" Joe Chiappetta's famous cappuccinos.

The first event of the day was a 50-target Single Barrel shoot, with a 5-target free eye-opener. Shooting got underway at the scheduled start time of 10am, after the carnival was opened by Fred Rapley, president of the Southern Zone. The event went smoothly until about 11.30am; one shooter was heard saying, "hope it doesn't rain," which soon after marked the end of sunny weather until 7pm Sunday night that night, the weather report indicated that the club had received 120mm of rain. With the rain pouring incessantly, shooting accuracy was (ironically) shot to pieces, with the only possible coming from the very last squad, thanks to Greg Coleman.

*Greg Coleman OA
SB and DB*

Event 2 was the Southern Zone's Double Barrel. With everybody getting thoroughly washed out, and some shooters actually ducking under the clubhouse shelters halfway through their rounds, we ended up with 3 possibles. After a short shoot-off, Greg Coleman was once again victorious. Kudos to

Greg for a flawless performance in poor conditions. Shooting finished at 6.15pm, and a great night was held by the shooters staying and camping at the club, with special thanks going to Barry Skinner's Bose iPod loading dock dooverwhacky, although the shooters didn't take too kindly to a round of Michael Buble's "Raindrops Keep Falling On My Head". Thanks for that gem, Baz

The 120mm of rain dumped on the ground was helped on Sunday by another 70mm, but with only a few minor electrical glitches throughout the shoot, it showed that the machines were taking the weather a bit better than a few of the shooters after a perfect round the day before, Coleman didn't show up until the rain stopped that night, the sly bugger.

Sunday's first event was the Southern Zone 50-target Points Score. With lunch on the way, the scores of the event were tallied up, and the winner was Gemma Dunn, a 16-year-old Ladies Junior from Cecil Park,

Gemma Dunn OA PS

who shot an amazing 147/150. Gemma was overjoyed with the well-deserved win, and it's been quite a while since one of the Ladies clinched an Open Zone title, although I'm sure it won't be her last. Shoot-offs for the minor placings were needed for this event as well.

Loz Lloyd HC winner

The last event of the carnival was the Southern Zone Handicap. At the end, there were 2 shooters on 48/50, and 5 hitting a 47, and so off to the traps they went for the shoot-off. After just 10 targets, a winner was found in Loz Lloyd, another from the Ladies division. Congratulations to Loz, and while I think Gemma

and Loz got their days mixed up (Ladies' Day is usually at the racetrack), we've checked the records and this is the first time that 2 ladies have won Open events at a Zone Carnival. Once again, well done to the Ladies, not in the least for making a few blokes consider wearing skirts! But hey, if it works, why not, eh Rodney?

All in all, the weather aside it was great shooting by everyone, with a wonderful atmosphere throughout the two days; even with all the rain soaking our shooters, there were still plenty of smiles and not one bad comment was heard by anyone. Thank you to all the shooters and their families for coming out to make a good weekend great.

To the NSW Gun Club, who hosted the shoot, there are many people to thank, of course. To Frank Auditore and Silas in the office, it was run just like clockwork. To Bob, our resident barbecue Master Chef, who provided a wonderful feed, great job. To Joe Chiappetta for manning the Vittoria Coffee machine, and making over 400 cappuccinos! Poor bugger was all frothed out after 2 days. To Col Harris for being a trusty gopher and doing anything that was asked of him, you did brilliant. To the bar staff, well done! To Arty's boys Aron and Shannon for keeping the traps filled up and churning through targets smoothly, great job. To Hugh McMaster, our president, for being in charge of a committee with a passion

for shooting, and turning the club into what it is today. To Arty and Neale for shoot-marshalling, it's not always easy to run over 100 shooters on just 4 traps, but you did the job well enough with a few shooters lending a hand. To Fred and Mary Rapley, for taking the time to come up and take control of the team selection for the shooters progressing to the State Carnival, thank you very much. To those shooters who qualified for the first Zone Teams, big congratulations. To the other shooters in the teams, well done, and be sure to make us proud at the State titles!

Golden Ibis Trophy & Dennis Hunt Memorial Cup

We didn't know if this year's event would take place, due to storm damage to the club and traps during December. Then we had the flood, which made it impossible to get the ball rolling to get the club fixed. Early February, many hands helped get the club in shape, so the great event, the Golden Ibis could take place. Many thanks go to all who helped make this possible.

A glorious sun filled sky and luscious green grounds, greeted Shooters at Warren on Saturday the 12th of March for the Golden Ibis shoot 2011. A total of 80 shooters contested the weekend for the magnificent array of trophies plus cash returns, we saw many great results. Winners came from far and wide with a total of 24 clubs being represented.

This year's event was highly contested with three shooters closing in on the ultimate prize. The last event of the weekend, the President's Point score sorted it out, with only one shooter coming away with the glory. Wayne Hawkins, was our overall Golden Ibis High Gun winner and also recipient of the Denis Hunt Memorial Cup for its 2nd year, shooting a wonderful 367/375 targets for the weekend.

The first event being 30 targets Double Barrel Cash Divide started the weekend. The cash was shared fairly evenly in each grade with no shooter scooping the pool in their respective grade.

The second event was the 30 Mixed Targets off 18m. The overall winner was Warren junior shooter Jason Owen shooting a 98/100 winning in a well fought shoot off. Jason was recipient of a Bar Fridge and lovely sash.

Nathan & Sean Soulsby and Don Williamson

Remaining winners of the event: AA Grade 1st Glenn Harvey 96/100, AA Grade 2nd Wayne Hawkins 93/100, A Grade 1st Button Powell 94/100, A Grade 2nd Aaron Turner 91/100, B Grade 1st Craig Dixon 92/100, B Grade 2nd Nathan Soulsby 86/100, C Grade 1st Lain Vallett 59/75, C Grade 2nd James Elias 57/75.

The third event was the 30 Target

OA HG Winner Wayne Hawkins with Don (President) and Mrs Ruth Hunt

On to event four the 30 Target Double Barrel Championships, 30 targets greeted each shooter with a smile, though saying "catch me if you can". At the finish there were 14 possibles shot to enter into the shoot off. Many a shot faltered and only 6 shooters made it to the second wave. Button Powell was victorious shooting 152/152. For his effort Button won a lovely Wine Cooler and sash.

Remaining winners of the event: AA Grade 1st Matthew Schiller 156/157, AA Rob Thompson 155/157, A Grade 1st Aaron Turner 58/59, A Grade 2nd Bruce Cosgrove 32/33, B Grade 1st Craig Dixon 37/38, B Grade 2nd Daryl Weal 30/31, C Grade 1st Matthew Elias 30/31, C Grade 2nd James Elias, Ladies

Helen Overton 45/47, Veteran Kevin Heywood 33/34, Junior Jason Owen 105/106.

Saturday night the lovely Ladies in the kitchen prepared a beautiful roast dinner for all to enjoy. The bar was the place to be, for some old time yarns and laughs, and a great night was had by all.

Sunday morning - another beautiful day at Warren Gun club. We had a lazy 9am start to the days shooting, and commence with the fifth event, the 30 Target Points Score Championship. Local Warren shooter Sid Kinsey shot the only possible 90/90, to take out the event, and be the recipient of a bar fridge and sash.

Remaining winners of the event: AA Grade 1st Wayne Hawkins 122/123, AA Grade 2nd Button Powell 121/123, A Grade 1st Kate Schiller 101/102, A Grade 2nd Garry Jones 98/102, B Grade 1st Scott Walton 85/90, B Grade 2nd Brenton Kelly 84/90, C Grade 1st Lain Vallett 73/90, C Grade 2nd Adam Barnett 65/90, Ladies Clare Kesby 97/90, Veteran Peter Fitzalan 88/90, Junior Jason Owen 106/108.

Event Six the Lower Macquarie Handicap. 30 Targets from the shooters respective handicap mark. Only one possible was shot, by upcoming junior shooter Dean Jeffery. Dean was recipient of \$400 and a sash. Dean had

Lower Macquarie Single Barrel Championship and a great win to Coonamble shooter Glenn Harvey. Glenn contested the shoot off with six other shooters, but was the only one to prevail with a straight 50/50. Glenn was recipient of a Bar Fridge and sash.

Remaining winners of the event: AA Grade 1st Mark Ticehurst 49/50, AA Grade 2nd Rob Agnew 35/36, A Grade 1st Kate Schiller 33/34, A Grade 2nd David O'Brien 29/30, B Grade 1st Nigel Clark 29/30, B Grade 2nd Andrew Tucker 29/32, C Grade 1st Matthew Elias 24/31, C Grade 2nd Adam Barnett 23/31, Ladies Clare Kesby 24/30, Veteran Peter Fitzalan 30/31, Junior Matthew Schiller 29/30.

OA HG winner, Wayde Hawkins

been re-graded just prior to the handicap event, and this was the first time he had shot off the 19meters. Dean, then added an extra 1 metre due to his impressive win in the handicap event. Well done Dean.

Remaining winners of the event: 2nd Matthew Schiller 47/48, 3rd Alan Patten 46/48, 4th Craig Dixon 42/44, 5th Ross Morris 37/39.

Event Seven and the last chance to make the winners circle. The Presidential Trophy, 30 targets off 18 meters. Coming into this event, there were three shooters who were closely contesting for the overall High Gun. Wayde Hawkins held out to win event 7 with 90/90.

Remaining winners of the event: AA Grade 1st Bryan Manns 212/213, AA Grade 2nd Glenn Harvey 211/213, A Grade 1st Dean Jeffery 89/90, A Grade 2nd Kate Schiller 88/90, B Grade 1st Brenton Kelly 84/91, B Grade 2nd Nigel Clark 83/91, C Grade 1st Matthew Clark 70/90, C Grade 2nd Adam Barnett 60/90.

The last event normally sorts out the winners of the weekend, and all were relieved that there were no shoot offs for the High Guns. This certainly

allowed the shoot and the trophy presentations to finish early and allow travelers plenty of daylight to travel the long roads home.

Overall High Gun winners this year were awarded LCD TV's with inbuilt DVD players and a sash. The Overall High Gun winner received the beautifully crafted 1oz Golden Ibis and the new inaugural Dennis Hunt Memorial Cup. We thank Kord Keogh who makes the Ibis trophy each year, and thanks also to the Hunt family for supporting our great shoot. The High Gun winners for 2011 were: Overall Wayde Hawkins 367/375 Cobar Clay Target Club NSW, AA Grade Glenn Harvey 366/375 Coonamble Clay Target Club NSW, A Grade Kate Schiller 360/375 Boolowa Gun Club NSW, B Grade Dean Jeffery 333/375

Hermidale Gun Club NSW, C Grade Craig Dixon 333/375 Mt Bogong Clay Target Club VIC, Junior Jason Owen 365/375 Warren Gun Club NSW, Ladies Helen Overton 331/375 Brewarrina Gun Club NSW, Veteran Peter Fitzalan 360/375 Dubbo Gun Club NSW.

Many thanks must go to the small but hard working people who put in many hours preparing for this weekend. The Ladies for the lovely meals and your beautiful smiles all day, well done. To all the Warren shooters who helped make the grounds spectacular, and a great weekend, thank you.

Our sponsors also are to be congratulated and thanked. Your contributions certainly go a long way to making this event happen. Thank you one and all, Macquarie Toyota, IGA Supermarket, Namoi Cotton, Firearms Safety and Training, Warren Service Club RSL, Menzies Pumps, Royal Hotel, Gary, Jenny and Nicholas Wrigley, National Australia Bank, Peter Kay Gunsmith, B & D Brouff Earthmoving, Rocla, WRL Engineering, Spar Supermarket, Frank Cross, Three Rivers Machinery, Riverside Store, Warren Motor Inn, Robey and Hutchinson, Western Farm Machinery, NM Owen Pty Ltd, Macquarie Valley Motor Inn, Cossy's Transport and Chesterfields Warren.

OA HG Winners, Glenn Harvey, Peter Fitzalan, Jason Owen, Wayde Hawkins, Kate Schiller, Dean Jeffery, Craig Dixon

A big thank you also to all the shooters who travelled to Warren and enjoyed our weekends shoot, it is always a pleasure to have you in our company.

All round a great weekend, good fun, great companionship and heaps of laughs. We look forward to seeing you all at the 2012 Golden Ibis Trophy and Denis Hunt Memorial Cup.

DOUBLE RISE at Cecil Park Clay Target Club

On the 16th January, 21 shooters in very hot & humid conditions (well by Sydney standards anyway) competed in the day's event. George Dominello and Paul Micallef arrived first on the day and helped me set the targets for the Double Rise competition. Many thanks guys the targets were great!

The Double Rise competition was a nice social day at CPCTC with the weather turning on the steamy conditions. The comp started a little later than expected due to shooters arriving late. 2 layouts were used with 25 pair being shot on each layout; Arty Del Ben was the top shot for the day with an excellent score of 48/50 then backing it up with another 48/50 giving him a total of 96/100 to be the O/A winner for the day. The rest of the results are as follows:

50 Pr D/R: OA: Arty Del Ben 96/100; AA: 1st Matt Patmore 94/100, 2nd Con Plessas 89/100, 3rd George Poullos 85/100; A: 1st Joe Camilleri 93/100, 2nd Paul Farrugia 88/100, 3rd Neale Guy 84/100; B: 1st Brian Camilleri 81/100, 2nd Paul Micallef 78/100, 3rd Nicholas Chemuel 74/100; C: 1st Christian Chemuel 69/100, 2nd Josef Kovacs 56/100, 3rd Kathy Chetcuti 52/100.

Congratulations to Kathy on her first win and for helping Alyce in the office.

Thank you to Elton Chetcuti for helping find a home for that amber coloured liquid at the end of the day and all the other things you helped with sorry mate, after all that funny coloured liquid I've kinda forgotten wot they wasz....(just joking) and thanks to Shelly for helping me type all these reports).

Canberra International Clay Target Club

NEW SHOOTER SUNDAY

Canberra International's New Shooter Sunday is held on the 1st Sunday of the month and has been running for about nine months. This program, in addition to recruiting new members, has generally raised the profile of clay target shooting in the Canberra area and resulted in many requests for Corporate type shooting events.

Above: April – New Shooter Sunday Afternoon Group

Left: Mini Comp Winner (wearing honorary sash) receiving trophy from President Garry Betar

April New Shooter Sunday saw the day fully booked with six male teachers from

Radford College in the morning and a group of six friends for the afternoon session (five ladies and one lucky gentleman). Two shooters in the morning tied for high gun with a score of 9/12. However, one

lady shooter in the afternoon was a clear winner for the day with 10/12, shooting the last two targets (simultaneous pair) very convincingly. Again, it is very pleasing to see more ladies trying their hand at clay target shooting.

State Night Tower Shot at Mathoura

Friday the 22nd of April saw four squads of shooters turn up at the Mathoura Gun Club, most, eager to compete in the main event, which was a 30 Target, Victorian State Night Single Barrel Tower Championship.

A reasonably tough event shot under lights, with the targets travelling to the eighty metre mark, and only one shot per target. Graham Hall a Walmer member, shot very well to be the only shooter able to down all 30 targets, which earned him the Overall Winners Sash, and the 1st in A Grade trophy. The other two grades were also finalised without the need for a shoot off, with Bendigo member, Peter Finn, shooting a 28/30 which earned him 1st place in B Grade, and again, a Walmer member, and a Junior shooter, Brayden Melotte, who for a C Grade Junior, shot a brilliant score of 27/30 to earn himself 1st place in C Grade.

The first event was a ten target Tower Double Barrel Cash

Divide, and Deniliquin member, Tim Maher, the only ten out of ten shooter, earning himself \$20.00 and the 1st place honour, four shooters shared the 2nd place cash, being Colin Finn (Bendigo), Laurie Fitzpatrick (Euroa), Graham Hall, and Brayden Melotte, all shooting a 9/10 score and all picking up \$5.00 for their effort.

Graham Hall OA Tower SB with Harry O'Connor

Event three was the last event, being a 15 target Trap Double Barrel Cash Divide, and Euroa member, Laurie Fitzpatrick, was the only shooter able to successfully down all 15 targets, giving him 1st place honours and \$22.00 for his effort. Three others shared 2nd place cash, they being, Sterl Wrigley (Bendigo), Graham Hall, and Chris Dalrymple (Mathoura), all receiving \$4.00 each for shooting a 14/15 score.

A perfect night for clay target shooting, being calm and quite mild, and with a fire inside the clubhouse, and another on the outside, no one felt the cold. Being Good Friday night, the Club's committee was surprised, and very grateful for the good roll up, especially with numerous shooters travelling quite large distances.

Australian Mackintosh Team, 1985

SUNDAY APRIL 14 33rd National Double Barrel Championship

Entry 417, 53 up on 1980 in Perth. The wind still gusted from the east, so conditions were not easy. Possibles numbered 52, but soon there were only four shooters left, Hank Theunissen and Arthur Turner from New South Wales, Richard Allen and Andrew Kinnear from Victoria. Richard Allen dropped out at 186, Andrew Kinnear at 218. At 225 targets Hank Theunissen and Arthur Turner refilled their pockets with more shells. It didn't go much longer however, Hank shot his 235th, Arthur missed, and we had a result.

For his win Hank received the J.M. Wilson Perpetual Cup, an Annie Oakley Commemorative Rifle donated by Winchester Australia, the Royal Blue Sash, the A.C.T.A. Silver Australia Badge, and the Perazzi Trophy, sponsored by Evans & Balfour.

Arthur Turner, Cobar, N.S.W., topped AA Grade, winning the A.C.T.A. Gold medal and a dinner set. "A" grade was won by Dick Burton, Geraldton, W.A., "B" grade, Bruce Webb, Morwell, Vic., and "C" grade, C. Hayward, Terranora, Queensland.

Charley Holley from Kojonup, W.A., topped the Veterans Division with his 46/50.

The 5th Australian Women's Double Barrel Championship was run in conjunction with the open event.

After missing her very first target, Faye Taylor from Kerang, Victoria, shot the rest to win outright with 49/50. In a shoot-off for second and third, Gaye Shipp, W.A. Gun Club, was successful from June Roach, Bunbury, W.A.

For her win Faye received the June Gawith Perpetual Trophy, and a 17-piece coffee set donated by Katanning Clay Target Club, the Royal Blue Sash, and the A.C.T.A. Silver Australia Badge.

Also shot in conjunction with the open Double Barrel was the 5th Australian Junior Double Barrel Championships.

MONDAY APRIL 15 31st Australian Single Barrel Championship

Still the wind blew from the east, but skies were clear. Entries at 336 were again up on 1980. No possibles at the end of the day, but seven 49s shot off for the title. In no time at all just three were left, Pud Burgess, Denis Lymn, and Rex Varley. Denis missed the tenth shoot-off target, Rex the thirteenth, leaving Pud the winner of the W. Rainbird Cup, a Colour T.V. kindly donated by Phillips Electrical Industries, the Royal Blue sash, the A.C.T.A. Silver Australia Badge, and the Perazzi Trophy, sponsored by Evans & Balfour.

Grade winners received Bar Fridges, again donated by Phillips. In "AA" grade Rex Varley won with 61/63, the "A" grade winner was John Eddy 56/58, "B" grade Bruce Webb, and "C" grade Anthony Woods.

Shirley Hocking from Geraldton, W.A. topped the Ladies division with 43/50, Ken Cross, Gemfields, Queensland, the Veterans, and Junior division winner was Rohan Penn, Echuca, Victoria with 46/50. Rohan received a Beretta Royalight Gun Case, courtesy Winchester Australia.

Inverell RSM Clay Target Club

Ball Trap and Continental Championships

Inverell RSM Clay Target Club Northern Zone Continental Championship Carnival was held on the 19th & 20th March, 2011. Saturday dawned with an overcast sky. Upon squadding the 52 shooters that had come to shoot for the NSW Ball Trap Championship, competition got underway with the 50 target Northern Zone Ball Trap Championship. Competition was hotly contested with Kim Nealon from Richmond River taking out the overall championship with a 48/50.

Next on the agenda was the 40 target Northern Zone Continental Mixed Championship. Unfortunately the weather had a change with a shower of rain making the clays harder to see. Overall Champion for this event was Inverell shooter, Jimmy Roberts with a score of 58/60.

The 25 target Northern Zone Continental Single Barrel Championship was shot with competitors from Brewarrina, Richmond River, Inverell, Guyra, Moree, Walcha lining up. The winner of this event with the much coveted perfect score of 25/25 was Hayden Johnson from the Brewarrina club.

Last event of the day was the 25 target Northern Zone Continental Points Score Championship. After some great shooting, Inverell's new club president, Matt Colley was the eventual winner with a score of 129/132.

Full results for the day are as follows:

50T NORTHERN ZONE BALL TRAP CHAMPIONSHIP: O/A Kim Nealon 48/50, AA 1st Geoff Field 41/50, A 1st Murray Johnson 59/62, 2nd Helen Overton 58/62, B 1st Justin Turner 46/51, 2nd Dave Newberry 47/53, C 1st Phillip Anderson 46/51, 2nd Jeff Richardson 45/51.

Sunday arrived with the sun trying to shine through albeit through some heavy cloud. Shooters lined up at 8.30 for another day of fine shooting. The much anticipated NSW Ball Trap Championship was as great an event as anticipated. Kim Nealon of Richmond River

Left: Kim Nealon NSW State & NZ B/T Champion with Inverell RSM President Matthew Colley

came out the victor with a score of 49/50. Congratulations, Kim.

The 25 target Northern Zone Double Barrel Continental Championship

was the next event to be shot. This was won by Peter Holmes from Tamworth with perfect score of 60/60. Fine shooting, Peter.

Glen Anderson, had to drag himself away from the busy office duties to take out the overall champion of the 15 pair Northern Zone Double Rise Championship with a score of 28/30 from Helen Overton from Brewarrina with a 37/40.

The Northern Zone 20 Target Deauville Doubles championship was won by the formidable pairing of Inverell shooters Matt Colley and Glen Anderson with a 83/83 after a long, long, long shoot off against Helen Overton and Peter Holmes.

Full results for the day were as follows:

The High Guns for the weekend were: O/A Peter Boland Camel Hill 201/215, AA Jimmy Roberts Inverell 199/215, A John Reid Guyra 196/215, B Garry O'Brien Inverell 192/215, C Mark Macdonald Inverell 182/215, Veterans Geoff Baxter Guyra 193/215, Ladies Helen Overton Brewarrina, Junior John McManus Inverell 139/215.

Without the hard working club members, this weekend would not have been the success it was. Thank you must go to Norm Macdonald, Alan West and Adam Woodbury for the ground and club house preparation. A huge thank you to Glen Anderson and helpers for the amazing job done in the office over the two days. Thanks to the many wives and shooters who provided afternoon tea both days. Thank you also to the men of the McIntyre Lions Club for the wonderful job catering for the shoot.

Finally, thank you must be given to Bruce Rickard from Canterbury Voice release for the loan of a full set of brand new ball trap speakers, stands and the coin token box. Mike Owens from Canterbury Trap International for the upgrade to the consol, programming and loan of the equipment. Thank you also to Steve Whitehead from Autotrench Australia for the loan of the unit, bunker, trailer, delivery and pick up that enabled the titles to go ahead. The unit and its smooth function was an integral part to the shoot and to deal with the above people has been a pleasure.

Psychological Skills for Shooting

Still Stressed Out!

I don't know what happened last month, but the article that appeared in the CTSN should have been titled: Stressed out.

This month I want to explore aspects of stress management, such as problem management and emotion management a little further. These strategies can be employed by athletes or they can be used as part of the coaches repertoire of skills for helping the athlete or the team deal with stress.

What is problem management? Before I answer this question, there is an assumption that it is the problem, or skill deficiency, that is causing the athlete stress. According to Raedeke & Burton, problem management is a proactive approach that reduces stress through competitive engineering, personal engineering, problem solving, and use of mental plans.

The first aspect of problem management is competitive engineering. This involves the athlete experiencing stress because they are uncertain about being successful in important competitions. Competitive engineering means that you can reduce the stress by changing the situation. When I researching this topic I thought: many of us become stressed about shooting at state carnivals or the nationals, but how can we reduce the stress by changing the situation? We cannot change the program or when or where we are shooting, but we can change our thinking. This is the basic principle of cognitive-behavioural therapy: "It is not the things in life that affect us, but how we think of them."

How can uncertainty cause us stress? For the shooter, there can be several factors that cause uncertainty when we are competing. External factors would include concerns regarding ammunition type or speed, choke selection, changing light conditions on cloudy days, wind, background, brand of targets and traps. There is very little you can do about some of these external factors: wind, changing light and backgrounds are variables that may not be able to be changed but you can always choose not to compete. Internal factors that create uncertainty involve us not staying in the present. If we dwell on the past, either past experiences, past performances of ourselves, or others, either good or bad. When we focus on the past we develop judgements: judgements about our performances, our ability, our self worth. These judgements interfere with our ability to focus on the present (the task at hand) and we then develop self-doubt. This self-doubt causes our muscles to tense up and we then fail. Uncertainty can also occur when we focus on the future. Future focus leads to anxiety. Anxiety is a worry or fear about an impending event. The problem with fear is that the things we are afraid of may never happen. What anxiety does is also to again attack our ability and develop self-doubt.

Where possible, it is important that to achieve we need to limit both the internal and external factors that lead to uncertainty.

Removing excessive importance of the event is another effective way to reduce stress. There are two types of rewards for our effort. Intrinsic

and extrinsic: intrinsic rewards relate to the inner gains that motivate us to perform well. Intrinsic rewards relate to feeling good about your performance, achieving personal bests, being satisfied that you played well or played with technical perfection. These rewards are related to process motivation, that is, competing because you enjoy competing. Extrinsic rewards, on the other hand, relate to product motivation, and are focused on prize money, trophies, praise, etc. Product motivation can also be responsible for poor sportsmanship, cheating and bullying behaviour because the athlete believes that "the ends (prize) justify the means (process used to achieve them)".

The factors that allow us to place too much importance are:

- parents or coaches offering money or gifts to athletes who win,
- trying to impress parents, coaches, selectors.
- the need for recognition.
- the need for approval from significant others.
- external recognition such as media,

The way to reduce stress for excessive importance is to focus on the process and let the product look after itself. If you shoot because you like shooting, then with effective coaching, good gun fit, etc, you should be able to perform well and with consistent improvement success will occur.

Personal engineering also involves increasing our personal control by keying goals to the process rather than the product. It is also important that we appraise demanding situations positively, and view them as a challenge. By doing so we will see problems as surmountable because you believe that you have the skills and capabilities to attain your goals. Developing and helping athletes maintain confidence in their capabilities, can be achieved if technical, physical and mental skills are adequate to cope with the demands of the competition. Making sure that athletes are mentally tough: that is they are confident, composed, competent, committed, in control, competitive, courageous and consistent. Personal engineering also involves lifestyle management: making sure you sleep well, eat a nutritious diet, stay hydrated and manage time effectively. Lifestyle management also involves consuming alcohol in moderation and quitting smoking completely.

The final aspects of personal engineering involve developing appropriate problem solving skills and developing effective mental plans. Problem solving skills will assist us to have optimum technical skills and with the support of the coach, problems should be identified and resolved through appropriate remediation. Mental plans are important because they offer a conceptual framework for evaluating our performance and making new goals to either remedy problems or move our game to the next level.

Next month I review the emotional management aspects of dealing with stress.

Last month I mentioned again, the Arrowlasershot. At a shoot last week I was asked by a shooter if I had it with me and in about the same time it took to put it together it became apparent that his gun was shooting too flat and with a slight modification to the pitch, he was shooting much better. Glen Walker, renowned skeet shooter, and supplier of shooting accessory products such as Hidespecs, contacted me when the CTSN arrived, letting me know that he supplies and sells Laser shots.

and Grade sashes the next two scheduled events where shortened so it was able to finish the day at a reasonable time. The shooters responded amicably and the committee is gratefully appreciated to all those involved.

Event two was a 15 target single barrel and with two squads in the shoot off it was quickly narrowed down to two after 10 targets and with a change of trap it was soon all over with Terry Walls on 26/26 followed by his "partner in crime" Casey Fletcher on 25/26, Tony Plum took out "A" Grade on 21/22 and second was Dallas Ball on 16/17, "B" Grade went to Thomas Allan 14/15 and second to Lyndon Piasiri on 19/21, "C" Grade was won by Rebecca Kirley on 15/16 over Logan Wymess 14/16.

Event three was a 15 target Double Barrel which saw 6 squads in the shoot off which was narrowed down after 40 targets to one squad on dusk, the lights came on and a great shoot off involved over a further 25 targets with only one to retire, the next round was

Patrick Calandro congratulating Steve Atkins (O/A D/B)

The first event was a 50 target Points Score event which was won outright by Mark Crimmins on 149/150, and after a shoot off second in "AA" went to Steve Atkins on 160/162, "A" Grade was won by Neil Hayden on 146/150, followed by Tony Bradshaw on 150/156, "B" Grade went to Vince Vigliaturo on 143/150 and second to Vilya Vogelzang, "C" Grade was won by Rebecca Kirley on 133/150 and second to Robin Algie on 132/150.

At the conclusion of the first event it was recognised by the committee that the day would run short and with 20 cases of shells and all events sponsored with Overall

L-R: Enzo, Pierina, Andrew and Patrick (Calandro family)

costly for all as only one prevailed being Steve Atkins with a score of 93/93 as Warwick Kely and David Cox both missed their 13th target in the round, after a further shoot off Warwick was to receive second place, "A" Grade went to Tony Plum on 67/68 with second to Lloyd Anderson on 37/38, "B" Grade was won by Lyndon Piasiri on 62/63 and second to Kevin Kirley on 34/35, "C" Grade went to Jack Kirley on 14/15 and after a shoot off second went to Bailey Vogelzang on 28/30.

During the presentations there wasn't a dry eye in the crowd as Steve Atkins spoke on Tony and then presented his Overall sash to Tony's sister Pierina.

Overall High Gun was won by Terry Walls on 178/180, Ladies High Gun went to Emma Cox on 169/180, Junior High Gun was Thomas Allan on 166/180 and after a shoot off with Jim Kelly the Veteran High Gun went to our worn out President in Ron Sutherland on 167/189.

It was a fantastic day enjoyed by all with a blemish of a trap breakdown or two, many thanks go out to the understanding shooters and to those who helped the club get through such a big day, a big thank-you to the ladies and helpers in the kitchen for a superb luncheon and afternoon tea with all the trimmings which made the social aspect come alive, thanks to Max Gribben our shoot marshal for keeping the day flowing and to my fellow members for the hard work they put in prior and during the day and finally to the Calandro family, thank-you for your sponsorship and support.

FOUR EVENTS AT SARINA

The Sarina Clay Target Club enjoyed a good turn out on Sunday the 10th of April, with both club members and new shooters Alex, Tony, Lee and Jade taking advantage of the long overdue fine weather.

Tony, Lee and Jade striking an interest in the Club after attending the Mackay Sporting Expo last month. Clear skies and a moderate south easterly afforded enjoyable yet challenging shooting at times with occasional lofting targets. The day was made up of 4 events, 30 target Double Barrel, 20 target Single Barrel, 20 target Points Score and 30 target Double Rise for a total possible score of 160.

AA 1st W Humphreys 120, 2nd T Coco 115, AGr 1st R Ohlsen & S Dolan tied on 116, B & C 1st N Munro 106, 2nd K Green 104.

Wangaratta Clay Target Club

Phil Smith Wins Zone Skeet Championship

The Wangaratta Clay Target Club held the annual V.C.T.A North East Zone Skeet Championship on Sunday 27 March. Although numbers were down somewhat on previous zone shoots, the standard of competition was high. The day was perfect for skeet shooting and everyone enjoyed a relaxed and enjoyable day's activities at the excellent facilities provided by the club. Thanks go to the Robinson family for staffing the kitchen.

The club's first event was a 50 tgt. Championship and this was taken out by local skeet enthusiast Phil Smith with a score of 70/73 and 2nd in B grade by Burnie Evans on 69/73. Trevor Bussell shot 44/50 winning C grade and 2nd place by club president Albert Colin with 40/50.

The last event was a 25 pair Skeet Doubles Championship and club Publicity Officer, Brian Reid shot 45/52 to win this event. Melbourne visitor Mario Marino took 2nd place in B with a score of 44/52. Trevor Bussell shot well again winning C grade on 37/50, again defeating Albert Colin on 35/50.

Overall High Gun was taken out by Phil Smith 89/100. Junior by Will Robinson and Veterans by Alex Loubey.

Perfect conditions for DTL

The April DTL Championship was shot on Saturday 16 April. Perfect autumn weather provided an ideal day's trap shooting, where competitors could enjoy the excellent amenities provided by the club. As usual, the days events were shot over the clubs three grounds. Thanks to Graeme Coyle, our ground curator, the grass and overall tidiness of the grounds have never looked better. Shooters appreciate consistency of targets thrown and the Wangaratta club certainly provided this on each ground. Kath and her friendly team of helpers from The Vine Hotel provided nice hot and cold food throughout the day which was appreciated by all.

Only 4 possibles were recorded for the 10 tgt Single barrel eye opener,

L-R: Trevor Bussell, Phil Smith, Brian Reid, Mario Marino. Front Will Robinson

and as a result, the dividends would have gone a long way to financing these shooters nominations for the days events.

The 20 Tgt Single barrel C/Ship event was taken out by AA grader Pat Calandro with a perfect score of 20/20 and 2nd place by Bruce Henshall shooting 19/20. Glen Coolahan won A grade on 19/21 and 2nd by Kayla Grassi with 21/23. B grader & veteran Dave Harley earned success with a tally of 18/20, just ahead of another veteran top shot, Bryant Cooper on 18/21. Yarrowonga enthusiast Neville Wilks shot well to win C grade with 17/22, defeating local shooter Josh Moore on 17/23. Neville is a potential skeet champion, having returned a score of around 23/25 in his first try at this discipline. Neville's expert coach at the time stated that this was one of the best scores he has seen returned by a shooter for his first try at Skeet.

The 30 Tgt H/Cap event was won by Junior top shot Kayla Grassi with a great score of 29/30, 2nd place by Pat Calandro with 29/31 and 3rd was taken out by Enio Cavedon on 31/34. Well done to all three.

Last event, a 20 Tgt Points Score C/Ship was well won by local AA grade shooter Keith Willett with a perfect tally of 72/72. Keith has not shot for some time, but after a few adjustments to the stock of his gun, he was soon back in top form. Ben Vogelzang took out 2nd place on 69/72. Darren Saunders won A grade with 58/60 and 2nd place by Glen Coolahan with 57/60. First in B was achieved by Enio Cavedon on 62/63 and 2nd place by Dave Harley with 60/63. Jack Latimer returned a very good result of 54/60 winning C grade, ahead of Neville Wilks on 51/60.

Overall High Gun was awarded to Ben Vogelzang 148/156, Juniors to Kayla Grassi 105/120 and Veterans to Enio Cavedon 111/120.

Colac vs MCC Inaugural Shield

The Colac Gun Club played host to the inaugural Colac vs Melbourne Cricket Club (MCC) shield event on Sunday March 13. The weather was perfect and both clubs had strong representation in an effort to win a custom made "Cricket Bat" trophy supplied by the MCC.

The event was held in conjunction with the annual "Cow Cockies Cup" which consisted of two events, a 50 target DB and 50 target P/S. The MCC also sponsored a team event open to any 5 member team with \$500 worth of Beretta goodies up for grabs to the winning team.

The first event was the 50 target DB Cow Cockies Cup and saw N Telford take out overall with 77/77. Other results were: AA grade 1st N Telford 77/77, 2nd G Hose 62/63. A grade 1st S Rundell 63/63, 2nd W Preston 62/63. B grade 1st Cam Mitchell 50/50, 2nd P Presani 49/50. C grade 1st S Harrison 46/50, 2nd D Watts 45/50.

Second event was the 50 target Points Score Cow Cockies Cup with Dave Neilson taking AA and overall with 150/150, 2nd AA grade R Mark 209/210. A grade 1st W Calaby 149/150, 2nd D Fenn 147/150. B grade 1st A Breen 141/150, 2nd N Duncombe 139/150. C grade 1st P Neale 130/150, 2nd A Stinchcombe 124/150.

High Guns for the day were: O/A D Neilson 199/200, Veterans

*Above: Colac Shield winning team: L.Presani, Wayne Calaby, J Farnes, Sarah Holt and D Fenn with Russell Mark
Right: David Neilson OA winner*

W Calaby 198/200, Ladies Sarah Holt 193/200 and Juniors D Fenn 193/200.

Once the shooting had completed the top team in the MCC Sponsored teams event consisted of S Clifford, N Telford, D Neilson, G Hose, W Calaby who collectively shot an impressive 983/1000.

Results were also tallied to find the top 5 shooters from the MCC and from Colac to see who had won the shield. The final results showed Colac on top with a combined score of 970/1000, with the MCC not far behind on 964/1000.

The winning team members for Colac were W Calaby 198/200, D Fenn 193/200, L Presani 194/200, S Holt 193/200, J Farnes 192/200. A fantastic result by both clubs.

The Cricket Bat trophy was presented to the winning Colac team members who were also awarded individual MCC beer glasses. A huge thank you to everyone at Colac Gun Club for making this such a wonderful day for the travelling MCC members. The afternoon tea is amongst the best in the business and the ladies in the kitchen were kindly thanked for their hard work. The Cricket Bat will now take pride of place in the Colac Club rooms and the MCC will return again next year in an effort to win it back. The Melbourne Cricket Club looks forward to a long and continued association with Colac.

Team event winners: Nathan Telford, Gerard Hose, David Neilson, Sam Clifford and Wayne Calaby with Russell Mark

Ian Jackson Memorial at Toogoolawah

Hot and humid conditions greeted shooters on 27 February 2011 at Toogoolawah for February Competition.

A fantastic day was had by all those who attended with competitors travelling from Toowoomba, Caboolture, Gold Coast, Brisbane and surrounding areas. Sponsors for the day were Toogoolawah Clay Target Club and Simone Jackson formerly of Toogoolawah and a current Toogoolawah Member.

There were two events for the day, event one was a 75 target Medley consisting of 25 targets double barrel, 25 targets double barrel points and 25 targets single barrel points in 3 visits to the trap and Event two was the Ian Jackson Memorial Shoot consisting of 25 targets double barrel continental. Ian was a member of Toogoolawah Clay Target Club who passed away in February 2010.
