Evolution

In 1866 target shooting was just getting started around the world. The inventor of this game, Charles Portlock, is the one person all of today's shooters can thank for this exciting sport.

These glass balls were much harder to break than the "most" clay targets of today. Some will say that today, certain brands of clay targets are as hard to break as the original glass balls. That's not the case when it comes to **White Flyer Targets**.

If you want to see your scores improve, ask your club to throw the world's best, **White Flyer Targets**. Manufacturing the world's finest target for over 100 years, White Flyer continues to evolve into the most innovative manufacturer of targets worldwide. **White Flyer Targets** help shooters win championships and break record scores. Our targets undergo a minimum of 27 quality control steps that keep **White Flyer Targets** consistent in weight, composition and dimensions.

Used recently at the following major championships with new records set:

NSWCTA Single Barrel Championship 2009 – 169/169

NSWCTA Champion of Champions 2009 – 350/350

NSWCTA Handicap 2010 – 100/100

ACTA National Double Barrel Championship 2011 – 900/900

More and more clubs are switching to **White Flyer Targets** as their preferred target. Try them and see what all the talk is about and watch your scores improve.

National President's Notes

The Executive and sub-committees have met recently, and I was re-elected as your President.

I consider this to be a great privilege and I will carry out the duties of President to the best of my ability.

During the meetings many exciting proposals have been decided upon or are now undergoing due diligence. I cannot enlighten members on those proposals that have not yet been finalised but there are some which I can outline to you. Many of the decisions will bring input and expertise to our Association from outside of our normal state based executive structure. Having this expertise available can only be beneficial to the Association.

The structure of the Board has been reviewed. The Board, formerly composed of the President, five executive members and the power to second one, will now comprise the President and four executive members with the power to second two members with expertise in specific fields which we are lacking. The current situation shows us lacking in Legal and Accounting expertise and it is our intention to advertise in the CTSN for two suitably qualified persons prepared to join the board on a volunteer basis with expenses paid as we do the Executive.

The ACTA has set up an ISSF working group of Chairman Darryl Maguire (Local State Member), Michael McCormack (Local Federal Member), Wayne Geale (Mayor of Wagga Wagga), Kay Hull (ACTA Patron), Russell Mark (ISSF expertise) and Don Johnson (Executive member, Chairman of Grounds, and engineering expertise). The group's task is to suggest design and source funding for a complete ISSF facility on the National Grounds. The Executives' only involvement will be ultimately "ticking off" on the completed proposal and funding arrangements.

The Executive have created a new class of membership with non-voting rights for "Supporting Associations". The ASSA (Australian Skeet Shooters Association) is the first organisation to be accepted as a "Supporting Association". The ASSA is an incorporated body with elected officials and membership of it is dependent on being a member of the ACTA. Their aim is to promote skeet shooting in Australia. The ASSA has offered to help the ACTA with such things as recording Annual Long Breaks, Grand Slams, and other Hall of Fame award scores. They have an excellent website dedicated to the discipline and this will be linked to the Association's. The ACTA see this as a positive move and look forward to future involvement of the ASSA within our sport.

Regarding websites it is interesting to note that the Gold Coast club and the NZCTA (New Zealand Clay Target Association) have both had websites featuring an open forum in the past. Both organisations have removed the forum from their website. SSAA (Sporting Shooters Association of Australia) has also made a decision not to have a forum on their site nor link to any site that has a forum. This would be a condition of sites linked to the ACTA also.

I have previously indicated that following a complaint from a member we have had an ADC (Anti Discrimination Commission) conciliation meeting and subsequent agreement signed under the powers of the ADC. The Executive have finalised the new membership categories as required by this agreement, and they will take affect from the 2012 membership year. A review of subscription fees in light of the changes is under consideration (the first in two years) which takes into consideration the changes we had to make to the categories. Following our legal advice it was obvious we had little choice in much of the outcomes. The agreement signed is confidential and all that can be made public is that the agreement was acceptable to both parties.

The agreement is enforceable in a court and any breach of confidentiality is considered contempt of court.

It has been decided that we will not be hosting the 2012 ICTSF (International Clay Target Shooting Federation) World Skeet Championships. This decision came about after the ICTSF General Assembly decided that it must be shot using the English rules, we became aware that England was not funding their teams to the event, and the feeling at the informal skeet meeting was that there was already another organisation in the World conducting an event that was generally accepted to be the World Skeet Championship. The ICTSF has been advised accordingly. Since our decision NZCTA has advised the ICTSF that that they will not be offering to host either Skeet or Sporting ICTSF World Championships in the foreseeable future, and although committed to funding teams to Australia if we had hosted the event, they will not be funding teams to these events when conducted elsewhere. Both Australia and New Zealand remain totally committed to the ICTSF DTL World Championship, the event the ICTSF was originally founded to administer.

The long awaited Mackintosh reunion is now being planned for the 2012 Trap Nationals, this being the 75th Anniversary. It is proposed there will be a dinner on the Saturday night following the last qualifying event and a breakfast for all past members on Sunday after which time the Teams

match will be shot. A special 75th Anniversary badge will be struck for all who enter the qualifying events. The event is being organised by Mark McInnes on behalf of the ACTA and it is envisaged to include mementos for past team members, entertainment and a large memorabilia display.

The ACTA is extending the right to compete on ACTA grounds for the Sporting Discipline to members of other bodies who shoot a sporting/simulated field discipline. This is not a reciprocal right as it is up to the other Associations to grant that to us but we believe this is a step towards that aim. SSAA, F&GA (Field & Game Australia) and F&GFA (Field and Game Federation of Australia) members can now compete on our grounds at all levels in the Sporting discipline. This has been approved by our insurer and all members of the other associations need to do is sign the visitors book. Only ACTA members are able to qualify for State and National teams. We hope this will lift numbers at Sporting events especially at club level, and address the concerns raised by some members recently in the magazine.

The Rules committee has removed the rolling percentage calculation from the handicapping process. It was believed that any benefit was far outweighed by the extra workload imposed on those doing the cards, and the number of cards with errors was unacceptable. We now revert to the previous calculation simply based on the last 200 targets.

Nationals dates for 2012: Trap 25 Mar-1 Apr. Skeet 20-26 May. ISSF 16-21 Jan. Sporting 25 & 26 Aug

A decision has been made to bring the Trap Nationals scheduled to be held in Perth in 2014 forward to 2013. This decision was made as the NZCTA are conducting the ICTSF World DTL Championships in 2014 and it would be prudent to have our Nationals on the East coast that year, saving members having to travel to Perth and New Zealand in the same period.

The ACTA has agreed to begin a new Trans-Tasman competition starting in 2012 with the NZCTA-ISSF Nationals. The competition, in the spirit of the Glenn Cup, will be conducted in Australia in odd years and New Zealand in even years. There will be 3 person Olympic Trap team funded the same as Glenn Cup teams currently are, selected annually on the ISSF Nationals and the Australia Cup Final. This is only possible thanks to our Team Sponsor Casella Wines and I thank them for their support of this match. We are also looking at other possibilities for ISSF shooters and international travel opportunities outside of the AISL (Australian International Shooting limited) umbrella.

Many other initiatives are being costed and will be finalised at a Board meeting in August prior to executive approval. A busy meeting schedule was completed this year and we are confident the majority will benefit from the decisions made.

Until next month

Robert Nugent

Executive Officer's Report

At the ISSF, Trap and Skeet National Championships held this year, one of the extremely positive aspects was the performance of junior shooters, both male and female. Their performance, whilst not only good for the future standard of Clay Target shooting in Australia, is good for the growth of our sport by the encouragement and support it gives to other young shooters. The ACTA has recently completed a Youth Training camp, which covered ISSF and

was held at Cecil Park and will shortly conduct a Junior Training camp at the National Grounds at Wagga Wagga. These camps are for shooters who have shown ability through their performances, and provide them with training on all of the aspects needed to consistently produce good results. Training includes psychological preparation, ideas on fitness as well as shooting techniques. All subjects are designed to produce a better shooter who is able to identify any problems with their own technique and to give them the best chance to shoot well.

In a previous magazine the President mentioned that the ACTA was considering a new method of member registration. This issue received more replies or comments, that I am aware of, than any other issue. None of the responses were positive. Many responses from Clubs indicated that it would cause more problems and work than it would solve. As a result we have gone back to the drawing boards. The aim is to design a more cost effective system which picks up more of the members who are late in renewing or failing to renew because they have lost contact and interest. As we all know, when you have been away from an activity for a few weeks it is easier to not attend and find excuses than to show up. Many Clubs identified that this was an opportunity for the Club to follow up with members which would not occur if the ACTA was the responsible party for renewal of ACTA membership. It would also be simpler for members to make all payments at once. We are more than happy to hear any suggestions to improve the system if you feel there are benefits to be had.

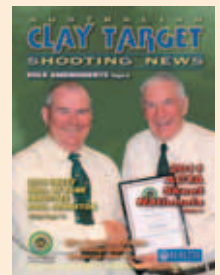

This week sees the arrival of the new portable Shower and Toilet Block which will be located towards the northern end of the National grounds and connected to the services (water and power) in that area. This will provide facilities away from the clubhouse area closer to the people using the layouts from 10 to 18 and those camping down in that area.

The President has provided information on a number of issues decided at the last National Executive meeting and as final decisions are made on a number of other issues we will let shooters know. Hopefully these decisions will encourage more shooters to join our sport and to enjoy the competition at all levels in all disciplines.

2011 SKEET NATIONALS

From 15th to the 21st of May, 148 shooters made their way to the National Shooting Ground in Wagga to compete in the 2011 National Skeet Championships. With the exception of some rather cold and foggy mornings, Wagga provided almost perfect skeet conditions for the six national and two pre-national events. Of the total number of shooters, there were 14 female competitors, 31 veterans, 14 juniors, 3 sub-juniors and an impressive dozen shooters from New Zealand. Each grade also had a good number of participants, with 36 AA Grade, 32 A Grade, 54 B Grade and 26 C Grade shooters.

This year, the carnival borrowed from the American tradition of shooting 100 targets straight. While there was much debate about the pros and cons of such a change, it did result in prompt completion of the daily events. The overall results did not seem to be affected by the different approach, with 24 possibles shot across the six main events and the emergence of some exceptional shooting.

Pre-National Events

Event 1: ACTA 28 Gauge Championship (50 targets)

The first event on Sunday morning was the 28 gauge competition. It

Thomas Rhue,
28 Gauge Championship

was won by Thomas Rhue, a sub-junior from Caboolture Clay Target Club with 65/65. Thomas shot off against more experienced shooters in the likes of Mauro Conti and Shane O'Brien to secure the win. Expect to see more great things from this impressive youngster in the years to come.

Grade Placings: AA Grade – 1st: Mauro Conti Cecil Park 63/64, 2nd: Shane O'Brien Eastern Goldfields 57/58; A Grade – 1st: Ewen Pirie NZ 49/50, 2nd: Eddy Elder Melbourne 61/64; B Grade – 1st: Mike Corbett Werribee 53/55, 2nd: Andrew Daff Foster 52/55; C Grade – 1st: John O'Sullivan Bairnsdale 45/50, 2nd: John Tan Cecil Park 49/56.

Event 2: ACTA 410 Bore Championship (50 targets)

This year's 410 event was won by Steve Vaccaro from Bairnsdale Clay Target Club with the only

Steve Vaccaro,
410 Bore Championship

perfect score of 50/50. Steve has gone from strength to strength recently and from the moment he stepped onto station 1, he never looked like he would miss a target. He was however, a little disappointed when he remembered that the 410 does not count towards the Overall High Gun, again bringing to light the question of whether the smaller gauges should be included as official National events. Apparently once a high enough percentage of shooters participate in the smaller gauge championships, they will be incorporated into the National program.

Grade Placings: AA Grade – 1st: Mal Briggs Melbourne 48/50, 2nd: Peter Vella Bathurst 47/50; A Grade – 1st: Laurie Chelepy Rockhampton 46/50, 2nd: Justin Hayden Melbourne 42/50; B Grade – 1st: Mike Corbett Werribee 45/50,

Blake Slater,
Champion of Champions

2nd: Andrew Daff Foster 43/50; C Grade – 1st: George Pinner Burnie 38/50, 2nd: Adam Bozier Bundaberg 38/50.

National Events

Event 1: 5th National Skeet Champion of Champions (100 targets)

Three perfect scores were achieved in the Champion of Champions (50 targets in 20 gauge, 50 targets in 12 gauge) – Blake Slater, Steve Vaccaro and John Pope. This event mandates the shooting of doubles at stations 3, 4 & 5 for the shoot-off, with all three missing a target in only the second pair. However after two more pairs it was Blake Slater from Melbourne Gun Club who won the event with 107/108. This was a phenomenal effort by Blake who had shot 20 gauge throughout the entire event.

Event 2: 13th National 20 Gauge Skeet Championship (100 targets)

This year's 20 gauge saw five experienced shooters in the likes of Paul Johnston, Brendon Pearson, Kelvin Gutsell, Leigh Roberts and Benn Baker hit 99 targets before proceeding to the shoot off. Leigh was the first to

fall, missing a low 4 in the first round. It looked like it would all be over on the next station when, believe it or not, Paul, Brendon and Kelvin all missed the low 5. Benn stepped onto the station and only needed to hit the low to beat the four AA shooters and win the championship. The pressure was on and, unfortunately, he missed the high target and was out of the shoot off. After several sighs of relief from the other shooters and a round later, it was Paul Johnston from Melbourne Gun Club who emerged victorious with 141/143, holding off Brendon to take the Silver Australia Badge.

State Shoulder to Shoulder Team Shoot

The interstate rivalry saw mixed results. New South Wales won the Open event with an exceptionally strong team consisting of Julian Lucchitti 48/50, Peter Vella 50/50, Colin Sim 48/50, Adrian Lucchitti 48/50 and Alberto Muoio 48/50. They won by three targets over the Victorians. In the Juniors,

however, Victoria was the winner over New South Wales after applying a long-run tie-breaker. Christian Lagos 24/25, Matthew Prentice 25/25 and Corey Rutter 23/25 all shot well for the Victorian team. In the Veterans, it was New South Wales to again take the honours, with Paul Kouroupis 24/25, Frank Marcellino 23/25 and Bernard Evans 22/25 fending off the Queensland team by one target. The Queenslanders did have some success though, with Lorraine Hughes 25/25, Veronika Forsythe 19/25 and Paulette Walker 23/25 beating the Victorian women by a target.

Open – 1st: New South Wales 242/250, 2nd: Victoria 239/250, 3rd: Western Australia 235/250, 4th: South Australia 234/250 & Queensland 234/250.

Juniors – 1st: Victoria (countback) 72/75, 2nd: New South Wales 72/75, 3rd: Queensland 66/75 & Tasmania 66/75.

Veterans – 1st: New South Wales 69/75, 2nd: Queensland 68/75, 3rd: Western Australia 66/75, 4th: Victoria 65/75, 5th: South Australia 62/75.

Womens – 1st: Queensland 67/75, 2nd: Victoria 66/72, 3rd: New South Wales 63/75.

As usual the interstate teams match was followed by the official opening ceremony where the National President, Mr Robert Nugent welcomed all the shooters and their families and thanked the various local dignitaries for their attendance. The Best Dressed Award once again went to Queensland and after the mayor of Wagga fired the opening shot the competition resumed.

Event 3: 12th National Skeet Handicap (50 targets)

The 12th National Skeet Handicap saw 69 of the 139 participants make the shoot-offs. Of these, there were 11 AA Grade, 13 A Grade, 29 B Grade and 16 C Grade shooters. Seven rounds of the shoot-off were completed before failing light caused a postponement until the following morning, leaving only Chris Jenkins and John Pope to sleep on it. Early in the eighth round Chris surrendered his last freebie leaving both shooters on the wood and under the pump, however it was John Pope who finally surrendered on a low 6 leaving Christopher Jenkins, a junior B Grade shooter,

Chris Jenkins,
Skeet Handicap

Leigh Roberts,
Commonwealth Skeet Championship

from Hobart Gun Club the overall winner on 188/194. As Christopher had shot an auspicious 50/50 in the qualifying targets to begin his journey, surely it will not be long now until this young man progresses up the ranks into the higher grades.

Final Placings: 1st: Christopher Jenkins Hobart 188/194, 2nd: John Pope Wangaratta 191/194, 3rd: Christian Lagos Melbourne 159/166, 4th: Hugh Fairfield-Smith Wagga 157/164, 5th: Mike Corbett Werribee 158/165, 6th: Kelvin Gutsell NZ 167/168, 7th: Damien Pereira NZ 166/168, 8th: Ross Porter Busselton 143/154, 9th: Neal Dimmick Gold Coast 136/139, 10th: Thomas Jenkins Hobart 132/139. Section Winners: Juniors – Christopher Jenkins Hobart; Sub-Juniors – Daniel Wear NSWGC; Veterans – Hugh Fairfield-Smith Wagga; Womens – Sarah Bennett Dubbo.

Event 4: 2011 Commonwealth Skeet Championship (100 targets)

No stranger to the podium, Leigh Roberts from Bendigo Clay Target Club won the 2011 Commonwealth Championship with 123/123. There were three perfect scores achieved to enter the shoot-off – Leigh, Julian Lucchitti and Martin Perry. While it was a fantastic effort by each shooter, only two shooters remained to walk onto station eight and only one came off victorious.

Grade Placings: AA Grade – 1st: Martin Perry West Australian 122/123, 2nd: Julian Lucchitti NSWGC 104/105, 3rd: John Guberina NSWGC 129/130; A Grade – 1st: Frank Cooper Brisbane 132/133, 2nd: Dwayne Taylor NSWGC 131/133, 3rd: Ray Wendt West Australian 166/188;

B Grade – 1st: Jeff Munro NZ 99/100, 2nd: Matthew Prentice Frankston 112/114, 3rd: Joshua Bell Cecil Park 111/114; C Grade – 1st: Timothy Jenkins Hobart 91/100, 2nd: Paul Slater Frankston 93/105, 3rd: Anthony Annecchini NSWGC 92/105. Section Winners: Juniors – Hamish Bell NZ 152/154; Sub-Juniors – Thomas Rhue Caboolture 94/100; Veterans – Ray Wendt West Australian 110/111; Womens – Jacqueline Durham Melbourne 103/106.

Australia / New Zealand Postal Challenge

The teams for the Australia / New Zealand Postal Challenge are selected from events 3 and 4. Those selected took to the layout on the bitterly cold Friday morning to shoot 50 targets, with the registered results to be compared to New Zealand's equivalent event in November. After shooting-off with Nigel Hughes, it was Julian Lucchitti from the NSWGC who performed exceptionally well to win the tri-colour sash as the Open Team High Gun Winner.

Open Team: Leigh Roberts, Steve Vaccaro, Julian Lucchitti, Nigel Hughes, Mal Briggs, Mauro Conti, John Guberina, David O'Sullivan, Peter Vella, Shane Bennett, Blake Slater and Barry Moss. Open High Gun – Julian Lucchitti 50/50.

Junior Team: Corey Rutter, Christopher Jenkins, Nicholas Brown, Joshua Bell, Christopher Barber and Matthew Prentice. Junior High Gun – Corey Rutter 50/50.

Veterans Team: Neal Dimmick, Ray Wendt, Len Edwards, Laurie Chelepy, Martin Perry and Max Oakley. Veterans High Gun – Laurie Chelepy 50/50.

Event 5: 42nd National Skeet Championship (100 targets)

The 42nd National Skeet Championship was won by Shane Bennett from Dubbo who shot 137/137. While this is Shane's first National Title and Silver Australia Badge, his performance this week suggests that it will not be his last. Shane shot consistently well throughout the carnival, was the only non-AA Grade shooter to make the All Australian Team (although it is likely he will need to be re-graded in the near future), and will be an Australian representative on the Glenn Trophy Team that will travel to New Zealand later this year.

Grade Placings: AA Grade – 1st: David Da Silva NZ 100/100, 2nd: Tony Truss NZ 134/135, 3rd: Jamie Preyer-Fursdon NZ 133/135; A Grade – 1st: Len

Event 6: 25th National Skeet Doubles Championship (100 targets)

As with every other year, it all comes down to the doubles. While the weather remained impeccable, it was the only 12 gauge event that did not produce a perfect score this year. It did, however, sort out the boys from the men and have a significant impact on the overall leader board. The event itself was won by Craig O'Neill from Caboolture Clay Target Club with an outstanding 98/100. This is the first time that Craig has won the doubles event.

Overall Team Results

The following results for the team contests are taken from events 3, 4, 5 and 6.

5 Member Club Team

The 5 Man Club Team award, as usual, was fiercely contested with only a few targets separating the top clubs. It was the New South Wales Gun Club that emerged triumphant in the end, with five exceptional overall scores coming from Julian Lucchitti 343/350, Adrian Lucchitti 335/350, John Guberina 333/350, Colin Sim 334/350 and Alberto Muoio 333/350, giving an impressive grand total of 1678/1750.

2 Member Team

The 2 Person Open Team was won by two shooting greats – Leigh Roberts from Bendigo Clay Target Club scoring 344/350 and Paul Johnston from Melbourne Gun

Paul Johnston & Leigh Roberts,

Club who shot 335/350 (totalling 679/700). This is the fourth time that this pair has taken out the Adrian Cousens Perpetual Trophy.

2 Women Team

The 2 Women Team was won by Queensland ladies Lorraine Hughes from Caboolture Clay Target Club with 326/350 and Paulette Walker from Brisbane Gun Club with 319/350. It is the third time this pair has won the NSWCTA Perpetual Trophy, with their overall result of 645/700 being their highest combined result obtained to date.

Mixed Pairs Team

The C&J Burt Mixed Pairs Perpetual Trophy was awarded to Melbourne Gun Club shooters Jacqueline Durham 334/350 and Laurie Durham 331/350 (total 665/700). Interestingly, this is the third time that a father-daughter team has won the event as the late Barney Rooke and his daughter Maree put their names on this trophy twice in the early nineties.

All Australian Team

The All Australian Team is selected over the High Gun events. The 2011 team consists of Leigh Roberts (540/550), David O'Sullivan (536/550), Steve Vaccaro (535/550), Julian Lucchitti (535/550), Harry Bader (535/550), Peter Vella (533/550), Glenn Walker (531/550), Blake Slater (531/550), Paul Johnston (531/550) and Shane Bennett (531/550). Congratulations to all on the fantastic overall results.

High Guns Overall

Leigh Roberts from Bendigo Clay Target Club took away this year's Gold Australia Badge with an impressive 540/550. This is the third time that Leigh has won the prestigious Overall High Gun,

Leigh Roberts,

winning it back-to-back with the exact same final score in 2010. After Leigh made what appears to be his trademark succinct and modest thank you speech, the question left on everyone's lips was whether he would complete the hat trick – a feat yet to be achieved by any Australian Skeet shooter.

Graded High Guns

The AA High Gun was won by David O'Sullivan from Bairnsdale Clay Target Club with 536/550. David won by just a single target over fellow team mate Steve Vaccaro and NSWGC shooters Julian Lucchitti and Harry Bader. Shane Bennett from Dubbo Gun Club won the A Grade High Gun by five targets with 531/550. Shane shot exceptionally well all week in an effort to be re-graded into AA, missing in the end by only the slimmest of margins. The B Grade High Gun was won by Jeff Munro from Southland, New Zealand with an exceptional 530/550, nine targets clear of Joshua Bell from Cecil Park. In C Grade, it was Anthony Annettini from the New South Wales Gun Club who won the High Gun with 481/550. Anthony shot consistently throughout the carnival to win by thirteen targets over Timothy Jenkins from Hobart and John O'Sullivan from Bairnsdale. Anthony's enjoyment was further enhanced when he found out that Max Weston had kindly donated a further \$500 to be added to his winnings.

Sponsors & Acknowledgements
Once again, many thanks to the following sponsors, for without them the Nationals could not be such a success: Beretta Australia, Casella Wines, Coopers Tires, Bang On Target, and

all the trophy donors.

Thanks also to the various workers whose efforts ensured the smooth running and success of the carnival. These included the girls from the office, Sue and Maureen, Frank the computer whiz and his right hand woman Janine Kidd, George Pinner the handicapper, the trap mechanics Fred Rapley and “Josso” and all the trappers, Shoot Marshall Adrian Cousens, and Tournament Director Ron Traill.

It was also fantastic to see support for Skeet from the ACTA President Robert Nugent, who travelled down from Queensland for the duration of the carnival, making himself available to the rank and file members all week and chairing a Shooters Meeting on Wednesday night where he gained valuable insight into many relevant issues.

If you did not attend this year you missed a great week of Skeet so pencil in the third week of May for next year.

2011 SKEET Hall of Fame

On the Friday night of the 2011 Skeet Nationals, 79 enthusiasts attended the Hall of Fame dinner. The social night provided shooters and supporters with numerous laughs over a three-course meal while this year's awards were presented. It was great to see a diverse mix of shooters attend, with a particularly strong contingent from New Zealand. Thanks to all those who attended, presented and helped organise this fabulous evening.

AWARDS

2010 Long Runs

Three commemorative plaques are awarded each year to shooters who achieve the longest break in the 12 gauge, 20 gauge and doubles events. This year, the awards were presented to Paul Johnston from Melbourne Gun Club who shot 213 in the 12 gauge at the 2010 National Titles. In 20 gauge, Shane O'Brien from the Eastern Goldfields Gun Club shot 150 straight at the World Skeet Shooting Championships in San Antonio, Texas. Also at the World Shoot, Peter Vella from Bathurst shot a commendable 103 in the doubles. Congratulations to each of the shooters for these fantastic results.

Grand Slam

The Grand Slam is a formidable challenge for any Skeet shooter. It is awarded when a shooter obtains a 200 break in 12 gauge, 100 break in 20 gauge and 100 break in doubles during the course of his or her career. At the 2010 Skeet Nationals, Leigh Roberts shot 100 straight in doubles to meet his final criteria and was presented with a plaque

Left: Grand Slam winner, Leigh Roberts & Dave DiSilva, NZ Clay Target Council Member

Paul Johnston celebrates his induction into the Hall of Fame with family

at this year's Hall of Fame dinner. Leigh, as a highly skilled and experienced shooter, is only the fifth person to achieve the grand slam.

Adrian Cousens Medal

The Adrian Cousens Medal is awarded annually to the shooter who obtained the most Hall of Fame points from World, National and State Skeet events in the previous calendar year. Nominees for the 2010 medal were Leigh Roberts, Julian Lucchitti, David O'Sullivan, Paul Johnston and Brendan Pearson. While each of these shooters has achieved considerable wins both during 2010 and throughout their careers, it was Leigh Roberts from Bendigo Clay Target Club who was victorious on this occasion. This is the second time Leigh has won the medal in its four year history, indicating the exceptional quality of his shooting.

HALL OF FAME INDUCTEE

The 2011 dinner also saw Paul 'Johnno' Johnston receive the highest honour bestowed upon a Skeet shooter – induction into the Skeet Hall of Fame. Paul is the fourth shooter to be inducted and follows in the footsteps of NSW shooting great Reg Clarke and fellow Victorians Ken Lowry and Adrian Cousens.

To be considered for inclusion in the Hall of Fame, a shooter must have a minimum of 200 qualification points and have won at least three National Titles. Paul has had a long and distinguished shooting career, with highlights including four Australian National Titles (including the 1987 High Gun), four National Runners-Up, eight State Titles, and receiving the Grand Slam in 2010.

Paul has played a pivotal role in promoting Skeet throughout Australia. He helped to resurrect the Australian Skeet Shooters Association, of which he is the current President, is on the committee of the Melbourne Gun Club and assists with Victorian State Skeet events. Paul's achievements also transcend our borders, with one of his fondest Skeet memories coming from making the Australian team that travelled to the World Skeet Shooting Championships in the USA in 1990. Catching the international competition bug, Paul has participated at the World Shoot consecutively for nearly the past decade, and frequently travels across the Tasman to compete at the New Zealand Skeet Nationals where he has had great success winning three silver ferns.

Paul gave a heartfelt speech, thanking his wife Leonie and daughter Tayla for their continual support, and reminiscing through his Skeet career. At times, however, Paul's modesty took the better of him and it was left to Glenn Clarke, acting as host for the induction, to intervene. Glenn, much to the amusement of all in attendance,

Attwood-Law Skeet Championship

Each year the Wangaratta Clay Target Club holds the Attwood - Law skeet Championship event in recognition of two gentleman that have contributed so much to the sport of skeet shooting. Bill Attwood has sponsored many prize cups over the years for not only Wangaratta, but other clubs as well. Bill's particular focus is on promoting and recognition of this discipline for younger shooters. His generosity in this regard is well recognised amongst shooters across Australia. The late Kevin Law was a secretary and very keen skeet shooter at the club and worked tirelessly, not only for the Wangaratta Clay Target club, but also for the promotion of the sport more widely.

L to R: Back Reg Phefley, John Sutherland, Bill Attwood. Front Phil Smith, Fred Guyatt, Travis Tait, Peter Finn, Graham Hall, David Jackel

On Sunday 29 May, it was great to have Bill Attwood make the trip from Melbourne to present the trophies for his event here at Wangaratta. Bill is considered a legend in the skeet shooting fraternity and to have him here in Wangaratta was very special for our local club.

The 50 Target Bill Attwood Championship event was won by B grade shooter Peter Finn on 57/58 and 2nd by Fred Guyatt with 56/58. Local skeet enthusiast David Jackel took out AA grade on 45/50. C grade was well won by Graham Hall with a score of 47/50 and 2nd by John Sutherland on 45/50.

The next event 50 Target Kevin Law Memorial Championship was expertly won by David Jackel, shooting 49/50. David has recently had some bad back problems, but appears to be recovering well after a break in shooting for some months. Local enthusiast Phil Smith shot a perfect 50/50 to win B grade, an excellent display of skill. Fred Guyatt took out 2nd in B again on 49/50. Reg Phefley from Mt Beauty shot well to win C grade on 55/58 and 2nd by Graham Hall 58/62. Graham has only shot skeet twice before, so an excellent result from him.

The O/All Attwood - Law High Gun was won by Fred Guyatt 98/100. Best Junior was Travis Tait 88/100 and Veteran champ went to John Sutherland on 90/100.

Thanks to Margot and Kelly Robinson for doing such a wonderful job in the kitchen.

Adrian Cousens Medal finalists - Paul Johnston, Leigh Roberts, David O'Sullivan and Brendan Pearson. Julian Lucchitti was absent. Leigh Roberts was the recipient of this award

demanding Paul re-count more detail about those infamous moments that have contributed so richly to the sport - those red leather pants, that unwieldy hair cut and, yes, even that 'apricot' jacket. For it is truly moments like these that not only add colour to the sport, but that help to build the familial spirit of Skeet.

In all, a combination of past achievements, continual promotion and support for Skeet, and impending future success mean that Paul takes a worthy place in the ACTA Skeet Hall of Fame as one of the caretakers of Skeet Shooting in Australia.

Two days shooting at Sunshine Coast Clay Target Club

NEAR PERFECT CONDITIONS greeted the 15 squads of shooters at the Gold Coast Clay Target Club on Saturday and 15 squads on Sunday for the Sunshine Coast Clay Target 2- Day Shoot.

With many talented shooters from the Gold Coast, Bundaberg, Gympie, Toowoomba, Brisbane, Warwick, Ballandean, Texas Kingaroy, Goondiwindi, Central Burnett, Toogoolawah, Yamba, Coffs Harbour, Richmond River, Maryborough, Vic and Werribee you just knew the competition was going to be fierce and we were not disappointed. The conditions were ideal to kick the shoot off on Saturday morning with blue skies and a slight breeze.

The first event of the day was the 25 Target Double Barrel Sweepstakes and the results through the grades were: AA: 25/25 Grant Mason, Tony Ryder, Paul Pearce, Shane Weeden, Andrew Thatcher, Samuel Bylsma, Glen Kable, Neil Cracknell, Vince Vaina, Sam Cannizzaro; A: 25/25 Gavin Langridge, Scott Brereton, Sam Nucifora, Barry Wiseman, Joe Rapisarda, Chris Larsen; B: 25/25 Warren Lyons, Graham Barker, Nancy Davis, Rod Gardiner, Kev Kingbeck, Jared Day; C: 24/25 Wayne Perry, 22/25 Kevin Crandon, Ian House.

Event two of the day was the 50 Target Double Barrel Ray Wilson Memorial Championship, and once again, a Gold Coast shooter, Mike Swale was successful in taking the Overall in a great shoot off 283/283. Mike Swale is a member of the Gold Coast Clay Target Club and has been successfully competing in the sport for 34 years. The grade results through

Back row, L-R: K. Crandon, J. Hockings, G. Langridge, T. Tyder, M. Swale.
Front row, L-R: Bill McKechnie, Debbie Young, Samuel Bylsma

were Overall: Mike Swale 283/283; AA: 1st Tony Ryder 282/283 2nd Scott Trafford 110/111; A: 1st Gavin Langridge 64/65 2nd Don Portors 50/51; B: 1st John Hockings 53/54 2nd Craig Norman 52/54; C: 1st Christopher Pearce 47/50 2nd Erich Kratzer 42/50; Ladies: Leah Costanzo 47/50 Junior: Luke Langridge 49/50; Veteran: Rod Fett 50/50.

Event three was the 25 Target Double Barrel Continental and a few dark clouds appeared on the horizon to make the low target more exciting. The final results for day one in each grade were AA: 1st Paul Pearce 90/90 2nd Mike Swale 89/90; A : 1st Gavin Langridge 40/40 2nd Corey Bylsma 39/40; B: 1st Ray

Potter 31/31 2nd Rhett Trafford 30/31; C: 1st Christopher Pearce 24/27 2nd Erich Kratzer.

As the light dimmed and the shadows fall, the shooting was over for another day. The cook Vince Viana prepared the meal which was great, we all had too much to eat and the bar did a roaring trade. Then came the fun as we were entertained by our singing mate Buck Shot. When daylight broke some failed to rise to a magnificent brekkie of bacon and eggs.

Sunday and Day Two with all the shooters spirits up high. The weather was holding from the predicted showery rain to light overcast with a moderate breeze.

Event four: 30 Target Medley: AA: 1st Kim Neelson 100/100 2nd Neil Cracknell 99/100; A: 1st Luke Langridge 50/50 2nd Sam Nucifora 121/125; B: 1st Mark Edwards 72/75 2nd John Hockings 70/75; C: 1st Kevin Crandon 46/50 2nd Christopher Pearce 44/50; Ladies: Leah Costanzo 71/75; Junior: Luke Langridge 50/50; Veteran: Bill McKechnie 73/75.

Event five was the 50 Target Sunshine Coast Points Championship. Overall went to Wes Humphreys with a score of 162/162. A deserving winner, Wes, a Sunshine Coast shooter, has been active in the sport for 26 years. The results through the grades were: Overall: Wes Humphreys 162/162; AA: 1st Scott Trafford 161/162 2nd Shane Weeden 149/150; A: 1st Bill McKechnie 149/150 2nd George Hogarth 148/150; B: 1st Tony Scriven 146/150 2nd Mark Edwards 141/150; C: 1st Kevin Crandon 130/150 2nd Wayne Perry 124/150; Ladies: Leah Costanzo 144/150; Junior: Samuel Bylsma 142/150; Veteran: Bill McKechnie 149/150.

President Quinto Porfiri with Gavin Langridge A Gr High Gun

Last but not least was the final event of the day was the 15 Pair Double Rise and the results were: AA: 1st Paul Hill 29/30 2nd Mike Swale 37/40; A: 1st Gavin Langridge 27/30 2nd Gary Schneider 24/30; B: 1st Mark Edwards 24/30 2nd George Christensen 24/30; C: 1st Adam Bylsma 19/30 2nd Kevin Crandon 18/30.

What a great two days it was. Yes there was joy, laughter, tears, dummy spits and excuses but all in all we hope everyone had a great time. We could not have made the shoot so successful without the sponsors which we thank - Tackle World Kawana Waters, Beretta, IBS Pools, Toyota Material Handling, BT Equipment, Winchester Australia, Astral Pool and Federal Premium Ammunition.

Also what makes a great club is its great members who manned the score boards, filled the traps with the trap boys, help set-up and pack up. A special Thanks to the Gold Coast Clay Target Club for making their club grounds available to our club to run the shoot, with out this generous gesture the club would not be able to hold the shoot. A special Thanks to their members who gave there time, effort and support to the running of the shoot. You also can't have a great shoot with out a well run office and scoring and in this department both clubs combined to do an excellent job. SCCTC - Pygmy and Jill McAndrew and Dillan Noffke. GCCTC - Debbie Young and Shane Weeden. Thanks to the Shoot Marshall Mike Swale who showed his expertise in this field and kept the shoot flowing.

Thanks to our Patron Member for Caloundra Mark McArdle MP for supporting our shoot with a Junior Encouragement Trophy the Winner was Luke Langridge of the Brisbane Clay Target club. Lukes comments were, I have been shooting for eighteen months and achieved the level of "A" grade. The competition around South East Queensland is very high with the juniors and open and I love the challenge of shooting against my fellow shooters. I like the sport of clay target shooting as it is very enjoyable and you meet lots of great people.

Luke Langridge

Debbie Young, Ladies High Gun

With the shooting finished nice and early in the afternoon as planned so people could make there way home without having to rush, there was only one last official duty to complete and that was President Quinto Porfiri to hand out all the prizes from the events and

declare the High Gun Winners - Overall: Mike Swale 353/362, AA: Tony Ryder 352/362, A: Gavin Langridge 315/330, B: John Hockings 302/330, C: Kevin Crandon 277/330, Ladies: Debbie Young 288/330, Junior: Samuel Bylsma 308/330, Veteran: Bill McKechnie 311/330.

ANNUAL EASTER CARNIVAL

Mildura Clay Target Club, April 22-25

Thursday night, we had a welcome BBQ which was attended by some 80 shooters. Neil (Spoggie) and Ralph manned the BBQ while I manned Norms Bar and kept the refreshments up while chatting to the shooters and their company.

Friday morning was the start of the carnival with a 10 target E/O Cash Divide with 28 shooters shooting the possible.

Event 2 was the Trevor King 4WD Radiator and Cartridge sales 60 target Medley. Trevor was on hand to present the trophies and donated yabbies for a raffle which was a great success. Fish and salad was on the menu for the evening meal.

Saturday morning was cloudy with a sprinkle of rain which did not deter the shooters.

Event 4 was the Luggage International 50 target DB Championship, which was sponsored by Luggage International.

Event 5 was HESCO Engineering 25 target Points Championship that was sponsored by HESCO Engineering.

Saturday night in the club house it was steak, chicken schnitzels for dinner. The Back to Front draw was conducted. Thank you to Andrew Whitechurch, Ralph Mammone and Trevor King. It went over really well, with the eventual winner of the \$1000 cash prize, Peter Williams, a Mildura local.

Sunday Morning was a perfect autumn day with a max 23. Event 6 was the Mildura One Stop Wholesalers 25 target Handicap sponsored

High Gun Winners and Points Championship Winners

by One Stop Wholesalers. Event 8 was the Jim Vale Classic 1000 that was sponsored by Mr Jim Vale himself. Unfortunately Jim was unable to attend because he was laid up in bed with a chest infection. A get well card was signed

High Gun winners Inr Rupert Hunter, Vet Len Cook, Ladies Martina White

L-R OA Marc Crimmins, AA 1st Neil Cracknell, 1st A Charlie Galea, 1st B Maurice Smith, 1st C Ken Maynard

by all 83 shooters and was handed to Jim, who was overwhelmed with the thoughts and wishes. Thank you everybody. Mark Crimmins returned to defend his title, which he did so for the 4th year in a row. Well done Mark.

Dinner on Sunday night was a variety of roast meat and vegetables, prepared by Spoggi, Helen and Ian. The shooters were entertained for the evening by Geoff Evans on his keyboard.

Monday the ANZAC Day shoot didn't start until 1.30. At 12 noon the shooters assembled at the club house where the last post was sounded with a minute's silence to honour our fallen diggers. Event 9 was the Mildura Clay Target Club 30 target Points Graded Championship, sponsored by the club. Neil Cracknell had been in Mildura 2 weeks prior to Easter, for some practice which paid off resulting in Neil taking out the Points 2 years in a row.

Event 10 was the final event of the Annual Easter Carnival. It was the Corsivia/GB 30 target Single Barrel. It was contested by eleven squads to bring the Easter carnival to a close.

Not to be out done by his Sunday roast, Spoggi decided to cook Chinese for the 50 people who were still on the grounds. The Chinese was so good, it has been added to the menu for next year's Easter Carnival.

The club wishes to thank the following visitors from the destinations below: Beaufort, Ararat, Adelaide, Robinvale, Lilydale, Morwell, Frankston, Bendigo, Horsham, Ballarat, Warrnambool, Mount Gambier and the 22 other shooters from the S.E. Zone. The club would also like to thank the major sponsors being Mr. Jim Vale, Mr. Trevor King, Mr. John Dimasi, Hammertons Jewellers, Corsivia /GB, Mr. Peter Stizza and Mr. Mark Deller.

A big thank you to Len Cook, John Kelly and Peter Falkinder for their hard work in the office, Gary Pike as the Shoot Marshall, Spoggi Box who fed everybody all weekend from early morning till late at night. A special thanks to Helen and Ian Bull for all their help in the kitchen and around the grounds.

The 2011 carnival was a huge success and we hope to see you in 2012.

Good shooting to you all. See you around the traps.

Marc Crimmins, D/R Champion

Another Great Shoot at Bega

Something different to entertain and test the shooters was offered at the June, Bega Gun Club shoot. In a change from the usual competition, Phil and Pauline Body from RV Repairs in Eden, sponsored a one hundred target Continental Points Score Open Championship to add variety to the events offered at the Club. It obviously proved to be an attractive idea as thirty-two shooters from Canberra, Berridale and Bermagui joined the locals to make up the six squads for the day.

Bega turned on another brilliant day, with glorious sunshine soon taking away the cool of the early morning, to leave perfect conditions for shooting.

Two visits to the traps were needed to see the competition through, with fifty targets in round one and a further fifty on the second round.

At the end of the first round, Charlie Smith led AA Grade by one point, 142 from Simon Gloster on 141. In A Grade, Alf Niesar was showing the way with 141 for his first fifty, followed by Neville Teale on 134. B Grade saw Bob Walters leading with a score of 139 from Club President and event sponsor, Phil Body, who had collected 135 points. C Grade saw Mario Magrin running hot with a score of 132 to lead from birthday boy, Adam Campbell, on 126.

The usual glorious lunch was followed by the final round, with the

pressure on the leaders to maintain their initial efforts and the rest of the field trying to lift their game.

In AA Grade, Stuart Bennett improved on his first round performance to collect 144 of the 150 points on offer. This gave him the trophy from initial leader, Charlie Smith, 281 to 279. Three other shooters in AA shot totals in excess of 275, an indication of the high standard displayed on the day.

A Grade again demonstrated the consistency needed to win in this event with Alf Niesar maintaining his round one effort, producing a score of 136 for a total of 277. Runner up was Neville Teale who added a 136 to his 134 of the first round to collect the second prize with a total 270. In B Grade, Bob Walters continued his good form from the first round scoring the second highest total for round two with 143/150. He was closely followed by Phil Body who added a consistent 126/150 to his initial round of 135. In C Grade, Mario Magrin, who led well in the first round, came slightly unstuck, to allow Adam Campbell to

get through for the win. Adam scored a total of 244 to take first. In the only shoot-off for the day, Mario and Lindsay Campbell shot a further six targets to decide the C grade runner up. Mario finally collected second after Lindsay dropped his sixth bird.

High Gun for the day went to Bob Walters with his score of 282 and Alf Niesar collected the meat tray for the shoot raffle after the first clay got away from him. Raffle prize for next shoot will again be \$500.

The Club would like to thank Phil and Pauline for their sponsorship. No sporting club can exist without such support and RV Repairs, along with our many other supporters, ensures we can offer a great program for followers of our sport.

Next month we will shoot on Sunday 3rd July with two feature events being run. Round two of the Fimac Engineering Shield, sponsored by Shane Platts of Fimac and the Willmott Forest Inter Club Shield, sponsored by the Green family will be held along with a 50 target Points Score Continental. Hopefully we will see you there.

VCTA North East Zone Trap Carnival

ECHUCA CLAY TARGET CLUB committee were very pleased to see thirteen squads of shooters turn up at their grounds for the annual Victorian North East Zone Trap Carnival, on Sunday the 29th of May 2011. With 130 targets to shoot, the early start of 9.30am was going to help, but with well over 70 shooters to go through the program, it was still going to be a very big day for all. Fortunately Echuca is able to run at least six traps on these larger shoots, and that does ease the job of running the squads through, but even so, the last event, the Double Barrel Championship, shoot-off, was still concluded under lights.

All that aside, the shooters some who had travelled quite large distances to compete at this Carnival, could not have been more pleased with the conditions, a mild day, with no wind whatsoever, and bright orange fluoro targets to easily see against a slightly cloudy sky. An indication of how calm a day it was, as anyone could see, was by the missed targets that were on the ground, together, in no more than a 1 meter radius pile.

Mark Crevatin OA DR

Tim Maher OA PS

NEZ Double Rise Championship

A 15 pair, Victorian North East Zone Double Rise Championship was the first event, and taking out the Overall Winners Sash, and the 1st in AA Grade trophy with only one target lost was Hay NSW shooter, Mark Crevatin, recording a near perfect 29/30 score. Another member of the Hay club, Bill Iles, claimed 2nd in AA grade with an 28/30 result, Damien Hutchins a Frankston member shot a 26/30 to claim 1st in A grade and Arthur Willett with one target less collected the 2nd in A grade trophy on a 25/30 result. B grade 1st was taken out by Wangaratta shooter, Vic Tomasoni, on a 23/30, with Leslie-Shane Allen picking up 2nd in B with a 37/48 result. Benjamin Antonello claimed C grade 1st shooting an 18/30 and Matt Craven shot a 15/30 to collect C grade 2nd.

NEZ Points Score Championship

Event Two was a 25 target, Victorian North East Zone Points Score Championship, and after a fairly lengthy shoot off between a few shooters that managed to shoot a

full 75/75 score, Deniliquin member, Tim Maher, fended off all others to put his name on the Overall Winners Sash, and also collected the 1st in AA grade trophy with a magnificent result of 183/186. Echuca's Steve Traill dropped just one point more to have to settle for 2nd place in AA grade, scoring a 182/186. Ian Gebhardt another Echuca member, collected 1st in A grade with an impressive score of 126/129, Michele Rocca shot an 128/129 to take out 2nd in A grade, a higher score than 1st but not starting with a clean score of 75/75. Alexandra member Barry Pyke shot a 73/75 to take out 1st in B grade, and Leslie-Shane Allen recorded a 75/78 for his 2nd in B grade win. Ben Antonello shot a 72/75 and that gave him the 1st in C grade trophy, with Peter Watkins taking 2nd in C with an 80/90 result.

Tim Maher OA SB

NEZ Single Barrel Championship

Timothy Maher also starred in Event Three, a 25 target, Victorian North East Zone Single Barrel Championship, Tim, holding up the flag for Deniliquin, survived a shortish shoot off to record a clean score of 46/46, and that earned him the Overall Winners Sash and 1st in AA grade trophy, "good shooting Tim"! Mark Crevatin shot one less and that gave him 2nd in AA grade with a result of 45/46. Colbinabbin member Geoff Palmer secured A 1st with an 24/25, Ian Gebhardt 2nd in A with a 30/32 score, Mansfield's Ben Vogelzang shot a 23/25 giving him 1st in B grade, Bradley Rodger shot a 25/29 to earn 2nd in B, Echuca's Barry Rogers collected C 1st on a 20/25, and Benjamin Antonello 2nd in C with a 19/25 result.

NEZ Handicap

Twenty-five targets of Victorian North East Zone Handicap was the next event on the program, being Event Four. And once again, a reasonably short shoot off, ending with International Gun Club of SA member Martin Collumb dropping his 32nd target, and promising junior member of Mansfield Clay Target Club, Bailey Vogelzang, shooting his 32nd and it was all over, with Bailey, who shot from the 17 metre mark, collecting the Handicap 1st place Sash and \$150 cash, with a well shot 32/32 score. Martin taking out 2nd placing cash with a 31/32, Bendigo member Robert Ross shot a 29/30 and that gave him 3rd place

Bailey Vogelzang 1st Handicap

Stephen Atkins OA DB

cash, and Euroa shooter, Peter Grant, collected 4th place cash with his 25/26 score result.

NEZ Double Barrel Championship

In Event Five, the 25 target Victorian North East Zone Double Barrel Championship, with 24 shooters all shooting the possible, it took Echuca member, Stephen Atkins, 123 targets in total to see them all off, Steve shooting a 123/123 some of which was shot in the night under lights was the last man standing, and he really did deserve the Overall Winners Sash, and 1st in AA grade trophy, for his excellent effort. Allan Ford one less on a 122/123 collected AA grade

2nd, Arthur Willett shot an 82/83 to collect A grade 1st, and Alan Cole picked up 2nd in A with a 62/63 score. B grade 1st went to Leslie Shane Allen on 63/64, B 2nd to Logan W e m y s s 41/42, Ben Antonello was C grade 1st on a 24/25, and

Peter Keck shot a 23/25 to take out C grade 2nd.

High Guns

A score of 180 was the total of the days program, and you had to be as near to that as possible to be in the running for the Overall High Gun Award, and Mark Crevatin only lost 6 points for the entire shoot, so his 174/180 score gave him the honour of accepting the Overall Winners Sash for 2011. Congratulations and good shooting Mark! The Veterans' Overall High Gun was won

by Hay NSW member, Bill Isles. Bill shot a 167/180 to claim his win. The Ladies Overall High Gun was won by Wangaratta member Kayla Grassi, Kayla shot a 160/180 for her win, James Willett, a Wangaratta member shot a 167/180 score which earned him the Junior Overall High Gun.

Zone Teams

The Zone teams are as follows, Victorian North East Zone Team. Tim Maher 125, Steve Traill 124, Daryl Hunt 123, Steve Atkins 122, Robert Ross 121. Emergency's Alan Cole 121, Anthony Rohrlach 120, Peter Beaman 120. Junior Zone Team Kayla Grassi 116, Ben Antonello 115, Bailey Vogelzang 113. With Brayden Keck on 103 as Emergency. the Veteran Zone Team Ian Gebhardt 120, Ron Sutherland 119, John King 116. Emergency Barry Pyke 116.

A very successful, big day of competition clay target shooting, hopefully enjoyed by all, and with all the travellers that arrived to make it such a good day, and the local shooters, the North East Zone Committee want to thank them, and all others that helped out on the day to make the shoot run so well.

A big thank you especially, to the ladies that run the kitchen all day to keep everyone fed and watered.

And also a very grateful thank you to Spartan Global, for their sponsorship of White Flyer targets, and trophy's for the Points Score Championship.

JOHN – THE GIANT KILLER

On Saturday, June 4, Bendigo Clay Target Club conducted the Keith Daniel Memorial 50 target Skeet Championship and a 50 target ACTA Sporting Championship.

The Skeet Championship was conducted in 2 visits of 25. Arguably Australia's best skeet shot, Leigh Roberts was 100 to 1 on to win the Championship. Second favourite at even money was Scott Nelson, all others were considered outsiders. Scott has just returned to shooting and again is making his presence felt in the skeet arena.

The first round saw Scott with a 25, Leigh could only card a 24. The scene was set. Unnoticed was a first round 25 by B grade shooter John Bale. Round 2, a 24 to Scott followed by a 25 to Leigh. Talk centred on the expected Overall shoot off between our best! Would you believe their shoot turned into a shoot-off for A Grade – John Bale completed another perfect round to eclipse all – well done John – you certainly deserve the title of "Giant Killer."

I don't know the real effect this had on Leigh, but his 49/50 in the Sporting, 4 targets clear of 2nd place Peter Hall certainly left no doubt that he is an outstanding shotgunner.

ISSF SHOOTING

Rankings

This month we are going to have a look at the current ranking of the top Australian ISSF shooters.

In the following tables are listed the top ten in the men's and women's trap and the top five in the other disciplines as of 6 June 2011. In the following not only the ranking is indicated but also the average of the shooters' five best over the last twelve months and the number of PQS scores shot by each shooter within the same

period. If readers want more detail we suggest that they consult the AISL website from where these figures were sourced. The figures maintained by AISL are "rolling" scores, that is, when a shooter posts a score the earliest score drops off and the averages are re-calculated. Therefore they are subject to continual change as accredited events are shot and the latest scores entered. By the time you read this, it is most likely that the AISL website figures will be different to those below.

BALL TRAP SHOT AT ECHUCA

Echuca Clay Target Club opened their Queens Birthday weekend shoot with a 25 target Ball Trap graded cash event, and although that is a fairly tough opener, local member Drew Healey went within one target of shooting a possible, ending on a 24/25 score. Drew picked up 1st in A grade cash, along with the knowledge that no other shooter managed to match his excellent result. Robert Nisbet collected 2nd in A cash with a 23/25 score, Ian Phillips shot a 23/25 score also, and that gave him 1st in B grade, with Warrick Kelvy one target further down taking out 2nd in B grade cash with his 22/25 result. All places were taken out by Echuca members.

Event Two was an 25 target, Single Barrel Championship, with all places decided without the need of any shoot off's, Overall and 1st in AA grade with a perfect 25/25 was W Kelvy, 2nd in AA on a 24/25 was D Healey, A grade 1st was taken by Ian Phillips on a 24/25 score, Colbinabbin member Laurie Gee shot a 23/25 to take out

2nd in A grade, B 1st was Geoff Ervin 23/25, B 2nd Andrew Post on a 20/25, C grade 1st Hugh Nihill who shot a 20/25, and Barry Rogers ended on an 18/25 and that gave him 2nd in C grade.

Event Three was a 20 target Double Barrel Championship, and that did need a shoot off as quiet a few shot a full score, it came down to two shooters doing battle, Drew Healey and Rob Nisbet, and finally Rob dropped his 74th target and when Drew made sure of his it was all over, with Drew collecting the Overall Winner's Sash and 1st in AA grade trophy, and Rob having to settle for 2nd in AA grade. A 1st was Peter Sing on 43/44, 2nd in A was Ron Traill with a 23/24 result, B 1st was Howard Hawking 18/20, B 2nd A Post 17/20, Hugh Nihill on an 19/21 collected C grade 1st after a one shot shoot off with Colbinabbin member, Allan Johns, who had to settle for 2nd place with his score of 18/21.

The Echuca Club Mug was the last event to shoot, and Warrick Kelvy made sure of that, taking it out with a well shot 17/17 result, and he received \$60.00 for that effort.

Sunday turned out to be a perfect day, mild and clear, with virtually no wind at all, and the bright fluoro targets made it easier for the shooters to achieve good scores, the shoot ending at the early time of 3.45pm.

Richmond River Gun Club News

A sense of "State of Origin" excitement existed during the shoot-off for overall High Gun at Richmond River Gun Club's two day shoot held on 21st and 22nd May 2011.

Brad Henshall from the Guyra Gun Club, NSW and Darryl Stevens from Warwick, Queensland both scored 266/275 over the two days of intense competition. A pro-NSW crowd watched anxiously as the pair shot a cross section of targets to determine the winner of the coveted sash. Brad held a 1 point lead after 5DB, 5SB and 5PS targets but with 5 more to shoot from 24 metres and 23 metres respectively the match was by no means over.

Unlike the result in the first "State of Origin" rugby league match held the following week, Queensland did not have the last laugh. The overall High Gun sash and trophy went to Brad with 296/305 while Darryl had to be content with AA Grade High Gun with a score of 295/305. Was this a sign of things to come.

Visitors from Warwick, Walcha, Treloar, Taree-Wingham, Tamworth, Singleton, Port Macquarie, Moree, Kempsey, Inverell, Guyra, Grafton, Gold Coast, Glen Innes, Coffs Harbour, Brewarrina, Ballandean and Brisbane joined 43 locals to ensure the most successful shoot in Richmond River's history. Shooting commenced at 9.30am on Saturday in almost perfect conditions with a 25 target graded cash divide warm up event with sixteen possibles recorded.

The money was shared in AA by Robert Clarke, Daryl Stevens, Geoff Fields, Brian Kneipp, George Costanzo, Kim Nealon Wayde Hawkins, Matt Colley and Daryl Passfield. Roy Warren, Tony Rogers, Terry Preston and Brett Farlow all shot 25/25 in A Grade with Jamie Beddoes, Rus Wesslink, and Rod Gardiner doing the same in B Grade. Chris Pearce and David Anderson shared the spoils in C Grade with 23/25.

Event 2, a 30T medley sponsored by member Peter McKenzie, saw a red 50 beside four names Kevin Bourke, Brad Henshall, Mark Formaggin and Robert Clarke. Robert took the overall prize with a perfect 100/100. Brad Henshall won AA 74/75 from Mark Formaggin 72/75 while A grade went to Kevin Bourke. Tony Rogers 123/125 was second in A grade after a 45 target

shoot off against Lionel Finlay and Rex Wilson. B Grade went to Jenny Haynes from Moree 49/50 from Barry Finch 69/75 defeating Geoff Pringle in a shoot off.

Eight shooters took to the tracks to shoot off for the 50T Double Barrel Championship. If it had not been for failing light, who knows how long the shoot off could have gone. A score of 111/111 by Tony Rogers gave him the Overall Championship Sash and Trophy. Geoff Fields 110/111 was 1st in AA from Robert Clarke 106/107. A Grade went to Brett Farlow with 51/52 from Kyle Green 53/54. Stewart Thompson 71/72 won B Grade from Charlie Power 77/78 and Junior Nicholas Tanner won C Grade with 47/50 from Jenny Wilson 44/50.

The welcoming smell of onion, sausages, eggs, tomato and onion was dampened by the steady rain when the competitors lined up for the second day but fortunately, by 9.00am when the first squads were called for the 30T Points Score event sponsored by Suffolks Outdoor Sports, it had decreased to a slight drizzle.

Brian Kneipp of Moree shot the only possible 90/90 in the event to win overall. Kim Nealon 92/93 won AA from Daryl Stevens 91/93. 89/90 by Terry Preston gave him A grade with Lionel Finlay 121/123 second after a shoot off with Roy Warren and Leah Costanzo. Stewart Thompson 90/96 defeated Rus Wesslink for second in B grade after Jamie Beddoes had clinched first prize with 85/90. Chris Pearce 82/90 won C grade from Junior Ben Pitman 81/90.

By the time the PRD Realty 30T Single Barrel commenced, although it was not raining it was very gloomy and overcast.

Greg Mengel and Daryl Stevens were the only shooters to score 30/30 and after a brief shoot off, Greg took the overall and Daryl AA. Brian

Theresa Montgomery 17M and Kevin Bourke 19M the only two with red number 30's beside their names. Theresa won the event with 43/43 from Kevin 42/43. Six shooters who had recorded 29/30 shot off for 3rd to 5th place with the money going to Jamie Beddoes 17M 34/35, Geoff Pringle 17M 33/35 and Joe Rapisarda 20M 32/33.

Kevin Bourke 263/275 won A Grade High Gun, Stewart Thompson 255/275 B Grade, and Chris Pearce 229/275 C Grade. Ladies High Gun went to Leah Costanzo and Veteran to Roy Warren.

Junior High Gun, Charlie Power, paid tribute to his parents, thanking them for driving him to the shoot and making it possible for him to pursue his passion for the sport. Charlie came to Lismore in B Grade but left in A Grade. Much more will be heard of this young man.

The committee and members of Richmond River Gun Club wish to sincerely thank the sponsors, and the shooters, particularly those who travelled, for their support as well as those who worked behind the scenes preparing the grounds, doing the bookwork, filling traps, cooking, cleaning up, and all the other things that have to be attended to during a shoot.

On July 16, the club will hold a 75T Skeet handicap commencing at 1.00pm. A 75T Medley "Champion of Champions" off 18 metres and 15 Pr Double Rise on Sunday 24th at 10.00am and Sunday 31st July, a 5th Sunday is sporting clays, commencing at 10.00am.

A fantastic weekend was had by all.

CAESAR GUERINI

Ancient Quality Latest Technology

Since the inception 11 years ago, Guerini has earned a prominent place in the shotgun world. They talked to many shooters who are very passionate about their sport and asked one simple question....What would your ultimate shotgun be like?

Their answers were taken seriously, making them their focal point and guideline through out the lengthy process of developing the trap and sporting gun series.

Guerini's shotguns were designed to exceed the expectations of the most discerning shooter one who knows quality and who demands superior performance. For this every Guerini is an easy gun to shoot well.

Every over and under line features three basic elements: a perfect mechanism manufactured from durable top quality

components, excellent ballistic performance and optimal weight distribution. Another must is a beautiful look with the utmost attention paid to every detail. Every shotgun then becomes a perfect example of "Italian style". Be distinctive – be a proud Caesar Guerini owner and exceed expectations.

BENDIGO CLAY TARGET CLUB Annual Queens Birthday Shoot

Bendigo Clay Target Club put out the invitation and 51 keen shooters attended the annual Queens Birthday Shoot in absolutely perfect conditions.

Although the numbers were down on previous years with us competing against the last real weekend available for duck and quail hunters before the end of the seasons and other clubs shoots programmed on the same day this years events were as competitive as any other year.

The first event a 25 Tgt Points Score required only 1 shoot off for final results with Pat Calandro showing the way.

The second event a 25 Tgt single barrel and Chris Brown managed the only possible to take overall, that's the way to do it Chris.

The third event a 25 Tgt Handicap also required a shoot off to determine the final placings, the only two possibles shot off for first and second placings with the win going to Benjamin Brown on his new handicap mark of 21 Metres. A further six shooters competed for the remaining 3 places and at 36 Tgts we had a result.

VCTA President Ron Trail and Vice President Mal Dyson with Handicap winner Benjamin Brown

The final event of the program was the 25 Tgt Double Barrel Championship, with 11 possibles in near perfect conditions it looked like it would be a long day. At 105 targets Malcolm Dyson missed and Arthur (Hector) Crawford shot his to claim the win, 105/105.

The day was enjoyed by all who attended, with no breakdowns and smooth running an early finish allowed travellers from Melbourne, Queensland and even a couple of Kiwis to get away at a very reasonable hour. Many thanks to all who attended making it a great shoot.

Wangaratta DTL Championship

On Saturday 18 June the Wangaratta Clay Target Club held a very successful shoot, under cloudy and cool conditions. Including the eye opener event, shooters had the opportunity to shoot at 110 consistently thrown targets throughout the day.

Some excellent results were returned, and the day ran very smoothly. The club handed out some very handy food hamper trophies to the various winners, which were greatly appreciated. The days events finished relatively early, allowing good light conditions for shooting and an early trip home for those shooters whom had travelled some distance to attend.

The clubs eye opener event was shared by 6 shooters. The 50 tgt Single Barrel C/Ship was taken out by A grader, Arthur Willett on 49/51 and 2nd by David Luelf returning a score of 47/50. Pat Calandro won AA grade on 47/50 with 2nd place by Daryl Hunt 50/54. Local enthusiast Tony Ruvolo, had a good day out and was in great form with a tally of 48/51, ahead of Andrew Calandro on 45/50. Hayden Smith shot 46/52 to win C and 2nd place by Josh Moore with 45/52.

Champion top shot, Brett Ford shot the top score of 149/150 to win AA and O/All Champ in the 50 tgt Points Score C/Ship, narrowly defeating another brilliant shooter and hard working committee member, Daryl Hunt on 148/150. Arthur Willett took out A grade on 147/150 and 2nd by Mansfield gent, David Luelf with 143/150. Once again, Tony Ruvolo was demonstrating his skills by winning B grade on 143/153 ahead of Anthony Calandro with 141/153. Josh Moore shot 131/150 taking out C and 2nd by Reg Carmody on 135/159. Reg has had a long break from shooting Down The Line as he normally shoots Field & Game and Sporting Clays disciplines. The break hasn't diminished his skills at all, and he also proved his arithmetic skills on the day when correcting the nomination additions of Brian Reid.

Overall High Gun went to Arthur Willett 205/210. Best Junior shot was James Willett 190/210 and Veterans trophy was once again won by Jim Kelly on 182/210.

L-R: Josh Moore, Tony Ruvolo, Hayden Smith, Daryl Hunt, Reg Carmody, James Willett, Arthur Willett

2011 STATE TRAP CARNIVAL

The NSW Clay Target Association's State Trap Carnival is being held over the October long weekend.

We have included a nomination form in this edition of the CTSN, please note the changes from last year's nomination form;

If you would like to be squadded with your friends, you will need to fill in the section supplied on the nomination form. You will also need to send all nomination forms in together. Please only allow for squads of 5.

Juniors are subsidized by the Sport and Recreation Junior Development Program and NSW Clay Target Association, this is to help our juniors get the competition experience they will need to be a competitive shooter.

Please make sure you fill in all relevant areas of the form, this will make processing your nomination form much easier for administration staff.

If you have a special circumstance's for example husband and wife can't shoot together due to one of them needing to be with the children, there is a special place for you to list this. So please use this section if it applies to you.

If you are paying by Direct Deposit into the NSWCTA account, please don't forget to use your name as the reference and make sure you send your nomination form to the State office so it can still be processed. You can fax, email or post once your payment has been made.

We would like to thank our sponsors that have agreed to come on board to help make this Carnival a winning success. They are Spartan Global, Eley, Horsley Park Gun Shop, Camilleri Custom Stocks, Tamworth Firearms, Clay Target Co, Casella Wines & Falcon.

RELAXATION RESPONSE

Over the past three months the theme for these articles has been stress. We have explored the definition of stress, and emotional and problem management as ways of understanding how stress affects us.

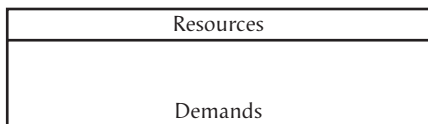

As humans, all of us experience stress. No-one is immune from it. When our resources are greater than our demands, (picture 1) then we are fine and in control of most things that will confront us.

As our demands become greater and the resources are stretched then we become strained but we are still able to cope and function. (picture 2)

However, when our demands are greater than our resources (picture 3), we become stressed and if the imbalance grows then we will eventually snap.

So, how do we deal with the stressors in our life. Ignoring them won't help. Nor will avoiding the cause as this will only put off the inevitable. The best way is to deal with the demands and eliminate the problems, if possible. For athletes, the competition itself may be the greatest cause of stress.

Herbert Benson from Harvard University Medical School developed a process called the "Relaxation Response", which is a physical state of deep rest that changes the physical and emotional responses to stress . . . and the opposite of the fight or flight response."

In past articles I have written about the fight or flight response as a way of dealing with fear and anxiety. Listed below are the differences between the fight/flight response and Benson's Relaxation response.

Qualities of the Fight or Flight Response	Qualities of the Relaxation Response
Increased heart rate	Decreased heart rate
Increased blood pressure	Decreased blood pressure
Increased respiratory rate	Diminished respiratory rate
Higher pulse rate	Lower pulse rate
Increased oxygen consumption	Decreased oxygen consumption
Increased blood lactate	Decreased blood lactate
Increased muscle tension	Decreased muscle tension
Rapid production of cortisol	Reduction of cortisol
Production of noradrenaline	Reduction of noradrenaline
Unconsciously elicited	Consciously elicited
Stress inducing	Stress releasing

 Involuntary
 External stimulus
 Surprise, unpredicted, stimulus
 Unplanned
 Active internal dialog
 Narrowing or focusing of attention
 Sensory
 Physical activity
 Physical movement
 From non-movement towards movement
 Unlearned
 Elicited by loud noise
 Builds unhappiness
 Increases rate of aging
 Helps the individual survive and evolve
 Most excitation of Consciousness
 Ready for most effort
 Repeated elicitation may lead to use of narcotics and drugs
 Experience of being at odds with environment
 Attitude of resistance

Eyes shut
 Voluntary
 Internal stimulus
 Daily routine or habit as stimulus
 Planned
 Quiet, silent internal dialog
 Expansion of attention
 Senses transcended

 Elicited by subtle sound then silence
 Builds happiness
 Decreases rate of aging
 Helps the individual progress and evolve
 Least excitation of consciousness
 Least effort
 Repeated elicitation diminishes need to use drugs
 Experience of being at one with environment
 Attitude of acceptance

The Relaxation Response is a simple practice that once learned takes 10 to 20 minutes a day and can help relieve stress and tension. Learning and putting into practice such techniques can significantly improve your mental, emotional and physical health. This technique was developed by Herbert Benson, M.D. at Harvard Medical School, and is taken from his bestselling book "The Relaxation Response".

To learn this technique, set aside 10 or 20 minutes each day for a week and try it.

1. Sit quietly in a comfortable position.
2. Allow your eyes to close.
3. Think about each muscle, beginning at your feet and progressing up to your face. Deeply relax all your muscles. Keep them relaxed.
4. Breathe through your nose. Become aware of your breathing. As you breathe out, say the word, "ONE", silently to yourself. For example, breathe IN ... OUT, ONE "IN. OUT,"ONE", etc. Breathe easily and naturally.
5. Continue for 10 to 20 minutes. You may open your eyes to check the time, but do not use an alarm.
 When you finish, sit quietly for several minutes, at first with your eyes closed and later with your eyes opened.
 Do not stand up for a few minutes.
6. Do not worry about whether you are successful in achieving a deep level of relaxation.
 Maintain a passive attitude and permit relaxation to occur at its own pace. When distracting thoughts occur, try to ignore them by not dwelling upon them and return to repeating "ONE." "With practice, the response should come with little effort. Practice the technique once or twice daily, but not within two hours of a meal, since the digestive processes seem to interfere with the elicitation of the Relaxation Response.

- The Relaxation Response, Herbert Benson, M.D.

Canberra International May Medley Shoot

Canberra Inter held its mid-year Medley Shoot on the fifth Sunday in May.

Nine four man teams took part in the event with shooters from Cooma, Majura Park, Canberra, Bermagui (three teams) and Morwell. Participants shot 25 DTL, Trench, Skeet and Sporting with a possible team score of 400. Perfect weather for shooting 17 degrees, L/V winds with occasional light cloud.

When the dust settled the "Majura Park" Team: Willow Cameron, Matt Webster, Andy Vacarro and Alister Scott, had won the event with a score of 335/400. A Canberra scratch team: Rodney Kneipp, Bill Warriner, Andrew Paddison and Ian Latter came second with a score of 327/400.

High Gun was won by Willow Cameron with a score of 88/100. (Willow's name is on the trophy so many times as High Gun, I think we may have to re-name it the Willow Cameron Medley Trophy).

Our thanks go to all the Discipline Coordinators. Without their help this event would not be possible. Also to Jennifer Betar, who stepped in at short notice and provided us a great lunch of spiced pumpkin soup plus

roast beef and pork, plus snacks throughout the day. Finally a special thank you to John Kearns in the office who quietly beavers away on the computer to provide the information to conduct the shoot plus keeps us out of trouble financially.

NEZ Double Rise Shot at Mathoura

Friday night, May 27th, saw four squads of shooters turn up at the Mathoura Gun Club to battle for a win in the 15 pair, Victorian North East Zone, Night Double Rise Championship. A good roll-up on a perfect night for clay target shooting, being mild and completely calm.

Leigh Knight OA DR

Although conditions were good, not one shooter could bag all thirty targets, but Bendigo member Leigh Knight led the field losing just four targets to clinch the Overall Winner's Sash, and 1st in A grade trophy with his 26/30 result.

Mathoura member Matt Vesty put his stamp on the C grade 1st trophy with a very good 24/30 score.

Unfortunately there were no B grade shooters in attendance.

Event One was a ten target Points Score cash divide, with just one possible score of 30/30, and that was Tim Maher from Deniliquin, Leigh Knight with one point lost claimed 2nd place cash scoring a 29/30 result.

Event Three was an 15 target Double Barrel cash divide, with five shooters claiming a full score of 15/15, and all sharing 1st place cash, Tim Maher, Leigh Knight, and Mathoura members, Roger Kerslake, Matt Vesty and junior shooter, Luke Hams.

Mathoura does have a bonus for junior shooters, being High Gun Awards for the best scores, this is in the form of packets of cartridges, and was sponsored by a Mathoura member, Graham Hall, and the Committee wish to thank Graham for that. 1st place went to Luke Hams with a score of 55/75, 2nd place was claimed by Thomas McCluskey 49/75, and third place went to Adam Scott who shot a 39/75. Well done boys,

A very enjoyable night of clay target shooting, good weather, good targets, and an early finish to assist the travellers on their journey home

Guyra Gun Club Skeet Houses

With the assistance of funding from the Department of Sport and Recreation, and the generosity of Guyra Gun

Club members who provided their muscle and skills, two skeet houses have been replaced at the picturesque Guyra grounds in northern NSW.

Armidale Precast Systems was the company that fabricated the concrete structures, upgrading the old weatherboard skeet houses that have stood resplendent in their yellow paint, since 1970.

Skeet remains popular at the Guyra club, amongst a small group of enthusiasts dedicated to the discipline. The skeet houses complement the six trap DTL set-up, The Trench layout and the sporting clays event that is organized for October.

The Squire reports from West Wyalong

The clay target traps had been set to suit the conditions and all was in readiness as the first event was called shortly after 10:00am on the Sunday of the monthly shoot at the West Wyalong Clay Target Club.

In attendance at the shoot was Kate Schiller from Booroowa who had recently finished second in the Women's National Double Rise and third in the Women's National Single Barrel Championships held at Wagga.

Also at the shoot were Matt Schiller who was the Junior Macintosh Team High Gun and Matty Patmore who qualified for the Open Macintosh Team at the National Championships.

It was also very good to see Doug Murray back at the traps as he had been through a difficult time for a few months.

The shoot commenced with a 25 Target Cash Divide Handicap and during the event the wind sprang up pushing targets very high at times and making shooting difficult.

Kate Schiller collected the major money 22/25 in the 15-19 metreage group from Don Smith 21/25. Mitchell Kneebone and Kelvin Maxwell, who figured prominently in all events, each got a small dividend with 20/25. There were three 25 metre in the 20-25 metreage group and with the changed wind conditions they were struggling allowing Bill Powell to win 23/25 although Dozer Collins and Matty Patmore both collected cash with 21/25.

Chris Patterson of G and G Duncan Fuel Injection Repairs had put up \$600 for a 50 Target Handicap Event and with the strong, blustery winds and occasional scuds of rain it looked like it would be the front markers who were most likely to be amongst the winners.

Sure enough, after 50 targets it was Club President, Kelvin Maxwell, who was all smiles as he collected the \$300 first prize money with 47/50. As a farmer, Kelvin reckons he is always paying money out to Patto, so he is going to use his prize money to buy a beer and drink it in front of him.

The conditions made sure there were no shoot offs so Adrian Hodges 45/50 collected \$200 for second and Matt Schiller doing a great job from 25 metres picked up \$100 with 44/50.

With a grey and maroon sash up for grabs the 50 Target Central Zone Handicap was fiercely contested despite the unfavourable conditions.

Kelvin Maxwell was unstoppable on the day shooting off 17 metres and a score of 45/50 gave him the Central Zone Championship sash.

From the look on the handicapper's face there is no doubt it will be some time before Kelvin wins another handicap event.

Young Matt Schiller shooting very well in the conditions was second 44/50 and Mitchell Kneebone after a short shoot off was third 46/53.

To cap a great day Kelvin Maxwell was High Gun 113/125.

Besides shaking his own hand and patting himself on the back Club President, Kelvin Maxwell thanked Patto for his sponsorship and wished all shooters a safe journey home.

Central Zone Trench

Cool overcast conditions greeted the two squads of shooters who competed in the 100 Target Central Zone Trench Shoot held at West Wyalong Clay Target Club on the last Sunday in May.

Trench shooting is probably the most testing of the shotgun shooting disciplines with targets being released at higher speeds and more difficult angles in comparison to other events.

After the first two rounds the scoreboard indicated that Trent Jamieson

would be hard to beat 43/50 with James Zammit 40/50 second, followed by John Lawrence and Clive Foster 38/50.

After the 100 targets had been shot the five shooters qualifying for the final 25 targets were: Trent Jamieson 84/100, John Lawrence 82/100, James Zammit 80/100, Clive Foster 75/100 and John Finn 74/100.

When the last target was shot it was Trent Jamieson 103/125 who received congratulations from fellow shooters for his fine effort in claiming the Central Zone grey and maroon championship sash.

John Lawrence claimed A Grade 82/100, John Finn 74/100 won B Grade and James Turner 59/100 was the C Grade winner.

The Zone Team chosen to shoot in the New South Wales state championship in August is Trent Jamieson, John Lawrence and James Zammit.

Dozer Collins congratulating the winner Trent Jamieson

ECHUCA COLLEGE BOYS ON TARGET

Three squads of Echuca College year nine, boy students visited the Echuca Clay Target Club on two occasions in June, primarily to experience the sport of clay target shooting. On both occasions, after a speech on gun safety, and handling, they were given the opportunity to shoot at ten targets using a single barrel only.

To the surprise of most of the students, almost all who had never handled a shotgun before this clinic, there is much more involved than roughly pointing the barrel of the gun in the general direction of the target and pulling the trigger. And after a lot of explaining from the volunteer coaches from the Clubs committee, mainly on hand, eye, co-ordination and body stance, almost all of the students started to actually hit some targets. To the delight of the club members, visit one saw a couple of eights and a seven and several sixes shot out of a possible ten.

June the 14th, and visit two saw some more good results, with four boys all ending on an excellent 13/20 score, Adam Scott (Moama), Jake O'Mara (Torrumbarry), Shaun Haffenden (Echuca) and Kade Saunders

(Echuca), as usual in a shoot off for Students, the club makes it the best of five targets to make it fairer for the learners, and Adam Scott who did not shoot the second round as good as his first, really put on a display in the shoot off, hitting all five targets to make him the Overall Winner on an end score of 18/25, well shot, Adam Scott. Jake and Shaun managed to down three, with Kade hitting another two targets.

Teachers Chris Sanders and Leah Thompson both tried their ability at the sport, and both shot extremely well, with Chris top scoring with a 15/20 result and Leah having only one visit still managed a very good result of 7/10.

All these scores are excellent considering that the targets were shot at in single barrel mode only, and almost all of the Students were inexperienced at Clay target shooting. The Club committee wish to thank all those involved in this clinic, the teachers, the Echuca College, and especially the volunteers, without their help clinics like these could not eventuate.
