National President's Notes

Your National President is currently taking a well earned break. Robert and Donna are riding their trusty Beemas "somewhere in the outback" and we wish them a great holiday. They both certainly deserve it as the contribution this couple make to clay target shooting is little short of extraordinary.

Following on from Robert's last National President's Notes the issue of the National Coaching Director has not been fully settled as the matter is subject to legal challenge. The issue was referred by the previous NCD's lawyers for arbitration to Fair Work Australia but hopefully resolution with an outcome that is fair to all parties will be achieved shortly. The Board and the Executive will be carefully considering all options with respect to the future of the NCD position including possible outside funding.

A Memorandum of Understanding has been negotiated with AISL. Your executive approved a version of the document at the June meeting but AISL subsequently requested some minor changes. At this stage we are awaiting advice as to whether the AISL Board has signed off on the revised document. Once that has occurred, the agreement will have formal effect. The MOU will formally delineate the respective responsibilities of both organisations. Of particular importance is the interface with respect to the development of shooters through the ranks and into the elite level within the AISL high performance squad. The document will be included in a future edition of CTSN for the information of members. Members will note that the MOU will be due for review by both ACTA and AISL in 12 months from the time of acceptance by both parties and then on a biennial basis from then on. Comments from members as usual will be most welcome.

Some applications to fill the two Board positions and also a sub-committee position have been received and the Executive will be considering those in due course. However the positions are still open as advertised on page 3 and I urge all those interested to apply. On behalf of ACTA I thank those who are showing such interest in the future of our sport.

As many are aware the ISSF Nationals in January 2012 will be held for the first time at Newcastle following a successful application by the club. For quite a few years the ISSF nationals have been restricted to one of three venues, Sydney, Brisbane and Perth, and it is great to see an extra one made available. Many shooters cannot afford either the time or expense to attend a national championship when it occurs interstate or far from their club. However with one more club now able to host this prestigious event more local shooters will have the opportunity at least once every four years to shoot alongside the country's best without having to travel long distances. Details of the program and application forms appear elsewhere in this edition of CTSN.

As we move toward the end of the year may I remind club secretaries that membership renewals are now due. Please check the new rates and membership categories and if there is any confusion please do not hesitate to check with the ACTA office.

Robert will be back next month as usual so I would like to take this opportunity to wish all members a happy and safe festive season.

Robert Fox
Vice-President

Executive Officer's Report

This edition see's us moving quickly towards the end of 2011. All of the National Championships have been completed for the year with some excellent results. There is no doubt that the National Grounds provide a great opportunity for good scores. Despite the problems with weather, the grounds are in excellent condition. This is largely due to the work put in by Dave Jocelyn, the grounds man. We continue to improve

the grounds and are currently receiving quotes for the provision of additional powered camping sites. This will increase the availability of facilities on the grounds and will have new showers and toilets in place towards the western end of the layouts ready for next year's events. For next year's Nationals we have enclosed containers made to safely allow fires to be used in the camping area. These fire containers will be available to be used in a number of the areas near the camping sites. This will, however mean stricter enforcement of the no open fire policy. It should be remembered that on some occasions state fire restrictions can impact on this policy. It is hoped that these and other changes will lead to increased participation at the Nationals and improve things for the people who attend. You are reminded that next year's Trap Nationals will also host the Mackintosh reunion on the 75th year since they began. Details of the reunion will be advised separately.

We recently received tenders for the renewal of the Insurance Policies for the ACTA and its members. By the time you are reading this the new policies will be available on the web site as well as a copy of the certificate of currency. We are currently conducting tenders for the provision of targets for the National Grounds. This tender provides for exclusive use of the contract targets on the National Grounds and, more particularly, for use in the National Championships conducted here. The targets currently being used have received positive comments from all shooters this year however it is only fair that we trial the alternatives and try to obtain the best prices for shooters at the Nationals and on the National Grounds. The assessment will be based on a combination of price and performance.

It is interesting to see that the young winner of the High Gun and Overall winner of the Handicap event at the Griffith Casella Golden Wine Open Shoot, James Willett, was introduced to Clay Target shooting through a promotional display held at the Henty Field day two years ago. A further example of why we need to be proactive in finding new members for our clubs and Association.

Perfect skeet score at Wangaratta

Perfect weather conditions provided for ideal visibility for the skeet shoot held at the Wangaratta Clay Target Club's September Championship event, held on Sunday 25th. The club ran a 100 target Championship which proved popular for the enthusiasts on the day. Thanks go to Margot and Kelly Robinson for their untiring efforts once again in preparing all the nice food in the clubs canteen.

David Jackel shot the only perfect score for the day of 100/100 to take out the overall champion sash and first in AA grade. For anyone to have the skill and concentration levels to attain a perfect 100/100 in skeet demonstrates a mastery of the sport. Visiting shooter, Bryan Anderson took out A grade with 84/100 and generously donated his prize to one of the junior shooters there. B grade winner, Dennis Savage shot an excellent score of 95/100, ahead of local Phil Smith winning 2nd on another great result of 98/104. Junior shooter Alex Reid won his first sash in C grade, with his personal best result of 91/100. The smile on

L-R Alex Reid, Phil Smith, Dennis Savage, Keith Robinson, David Jackel, Bryan Anderson

Alex's face was still evident some hours after the shoot was over well done! Veteran skeet shooter, Keith Robinson shot 90/100 to win C grade. Keith is a real all rounder that can perform well in all three disciplines that the club provides.

The club's next skeet shoot will be held on Sunday, 16th October starting at noon, with another 100 tgt Championship on the program.

Sub-Committee Members Wanted!

The Executive of the Australian Clay Target Association held its annual meeting last June. As a result of elections I was fortunate to be elected as the Chair of the "Promotions and Development" sub-committee.

To further the aims of the association I am seeking to co-opt two members of the ACTA to the sub-committee, which have expertise or specialise in the areas of marketing, promotion and / or sport development.

These two members will work closely with the other members of the sub-committee to develop a plan to take the association forward and promote our sport to not only prospective members but also current financial members.

This is a unique opportunity to work with the ACTA in the development of our sport. Meetings will be by telephone or email with in-person meetings only as required. There is no honorarium however any committee costs will be met by the association.

Any person that is interested is asked to email, the Chair of the Promotions and Development sub-committee, Allan Vilcins at vilcins@skymesh.com.au with personal details and experience. All nominations will be considered by the ACTA.

If you are aware of anyone that may be interested in this opportunity to assist the association, whether they are members or not, please forward this article to them. I thank you for your time in relation to this important issue,

Allan Vilcins

ACTA SPORTING CLAYS NATIONALS

With an almost full field of shooters and in perfect weather conditions the ACTA Sporting Nationals got underway at 8 am as scheduled. Under the watchful eyes of both Dave Coleman, Shoot Marshall and Don Power, Tournament Director, everything ran smoothly over the entire weekend.

Dave had set the traps up to provide a great range of targets and apart from the inevitable small mishap with one trap at the start of day one, there were no other trap problems for the remainder of the tournament.

Dave, Don and the small band of workers from the Wagga Gun Club are to be congratulated for the enormous effort they put in, not only over the weekend but for the amount of work leading up to the National Championships.

Praise must also go to Janenne Kidd who took on the task of pre-squadding and then worked tirelessly in the office over the weekend. Thank you also to those who assisted Janenne in the office. Mention must be made of ACTA Vice President Ron Traill, who did not shoot, but managed to assist where he could as well as helping with the presentations each day. A big well done to all those who helped make this shoot such a success.

Over the weekend a total of 109 shooters competed, 43 from New South Wales, 8 from Queensland, 4 from South Australian, 48 from Victoria and 3 from Western Australia.

After a great roast meal and a few light refreshments, 30 shooters tried their hand at 20 pair Deauville Doubles under lights. The winners collecting a well deserved purse for their efforts.

PORT MACQUARIE CLAY TARGET CLUB

August 6 & 7

A Great Weekend of Shooting

Port Macquarie Clay Target Club was bathed in sunshine on Saturday 6th August for the start of our two day shoot. We had nine squads ready to shoot at the start of proceedings with shooters visiting from our surrounding clubs of Kempsey, Taree Wingham and Coffs Harbour along with shooters from Sydney, Newcastle, Richmond River and Grafton Clay Target Clubs. It was really pleasing to see the support from shooters from far and wide. Many brought their caravans to enjoy a weekend away, doing what all shooters love to do shoot.

We went out for the first event, the 30 Target Points Score 15m sponsored by SJ & CM Wallis and the results were: Overall: Stephen Saul 90/90, AA Grade: Kim Nealon 88/90, Robert Clarke 87/90, A Grade: Libby Clarke 83/90, Bill Jones 82/90, B Grade Gary Brown 89/90, John Smith 92/96, C Grade: Julian Booth 76/90, Bob Bennett 70/90.

OA HG Steve Saul with Mick Wilkins

The second event was the 30 Target Handicap 15m Sponsored by Clay Target Australia and Members of Port Macquarie CTC. The results of the second event were: 1st: Rus Wesslink 31/32, 2nd: Tom Knowles 30/32, 3rd: Julian Booth 42/44, 4th: Peter Caldwell 42/45, 5th: Barry Pharo 41/45.

The final event on Saturday was the 15 Pair Double Rise sponsored by Redpoint. As if some of the

competitors, including myself, weren't disappointed enough? Yes those lovely little pairs flew into the air, we were back at 18 or 20 meters and by the time you got the timing right you were

together over a meal and a drink or two.

Sunday was a whole new day. We had a few shooters who didn't return and a couple of new competitors who arrived on the Sunday. We were all having fun in the sun breaking a lot more targets than we missed. Some people were even breaking every target they saw, especially in the first 50 targets. Unfortunately there were 100 targets to break, and it got harder to stay clean as the day went on.

We shot the Hastings 100 Target Double Barrel sponsored by Hawkins SP in four groups of twenty five. This was a big event to get through on any given day, however, it was made a little easier for the mature competitors and those not as fit as they used to be, by doing the event in four walks; thank goodness. The quality of the shooting was extremely high with Tony Ryder 100/100, showing us all the easy way to win; just don't drop a target and you have overall in the bag. Great shooting Tony!

running out of targets. Having said that, there were some of the shooters who were right on queue and made it look so easy. The results were as follows: Overall: Stephen Saul 27/30, AA Grade: Hank McInnes 34/40, Kim Nealon 33/40, A Grade: Barry Cameron 24/30, Libby Clarke 22/30, B Grade: Gary Brown 25/30, Craig Norman 24/30, C Grade: Julian Booth 17/30, Stuart Cameron 11/30.

After a big day of shooting a number of us got spruced up and went out to enjoy a meal together at a local club. Weekend shoots are not just the shooting; it's also the socialising, bragging, commiserating and a great chance to spend some enjoyable time

Barellan Clay Target Club Open Day

Barellan Clay Target Club conducted their annual Open Day on Sunday 11th of September 2011 at 10.30am in windy & showery conditions. The day is an excellent opportunity to enable unlicensed shooters the opportunity to come along and try the sport of Clay Target Shooting.

Mr Allan Bound, Barellan Club Coach, and ably assisted by Mr Charlie Strike from Wagga Wagga instructed in safe gun handling and coached on shooting clay targets. 15 people participated in the session, and came from all around our area including Murrumbidgee, Arden as well as Barellan.

Mick Wilkins with HG winners AA Kim Nealon, A Gary Brown, B Rus Wesslink, C Julian Booth

The results for the 100 Target Double Barrel, sponsored by Hawkins SP were: Overall: Tony Ryder 100/100, AA Grade: Kim Nealon 99/100, Steve Wallis 98/100, A Grade: Gary Joass 97/100, Stephen Saul 98/100, B Grade: Tom Knowles 96/100, Nancy Davis 95/100, C Grade: Tom Arndel 97/100, Julian Booth 96/100.

The only thing left to do after such a great day shooting was to award the High Guns for each grade. The winners were: Overall: Stephen Saul 241/250 sponsored by

Julian Booth 210/250, Junior High Gun: Emily Saul sponsored by Col Creighton,

Ladies High Gun: Nancy Davis and sponsored by Michael & Lesley Langer.

Veterans High Gun: Bill Jones sponsored by Mick & Megan Wilkins.

After all the accolades the competitors started to dissipate and head homewards. Many were talking about the great weekend of shooting and planning to put this weekend shoot into their calendar for next year. Hope you will consider coming too as we would love to shoot beside you. You're always welcome at Port Macquarie Clay Target Club.

It was pleasing to see 4 ladies and many juniors participating, which Barellan has strongly encouraged over the years.

A break at about noon was taken for a barbeque lunch and many took the opportunity to ask the coaches questions.

3 of the above shooters stayed for the afternoon shoot and all thoroughly enjoyed themselves, with some good scores being posted. Dean Foy from Barellan posted the best score of the novices that stayed for the afternoon shoot and took out the encouragement award donated by Fyshwick Firearms

The Barellan Clay Target Club would like to sincerely thank Allan, Charlie, and Fyshwick Firearms for their tremendous contribution and to everyone who helped out in any way to make this a very successful day. Our ladies committee were again popular with the barbeque and later with afternoon tea. Some shooters say they only come for the afternoon tea.

VCTA – WINCHESTER

SCHOOL STUDENTS CHAMPIONSHIP FINAL

Bendigo Clay Target Club again hosted a successful final for this years VCTA-Winchester School Students Championship and once again Bendigo turned on perfect weather conditions.

This is the 20th year that Winchester has been associated with this event, which sees some 800 secondary students across Victoria compete to win the privilege to shoot in the final. As in the past, some excellent scores were achieved over the two rounds of the 30 target single barrel event.

Thanks must go to Winchester Australia for their continued support and to the Bendigo Clay Target Club and their loyal band of workers who set up the grounds and ensured that the day ran without a hitch. We should also thank the VCTA Executive members who assisted and to the many shooters and parents who freely gave their time to not only provide transport for the students, but who also made themselves available to help out where needed during the day.

The overall winner with a final score of 34/35 was Jack Wallace from Lilydale High who won the event after a shoot-off with Senior Boys winner Matt Woods. Matt from the Upper Yarra Secondary College finished with a score of 32/35. Second place in the Senior Boys went

Goulburn

By Paul Edwards

"Privett wins by a point"

Last Sunday 14th August the weather gods shone bright on our little club house and months of rain and gale force winds gave way to a pleasant bright day without a breath of wind. This is a strange thing for our local and traveling shooters, as for months now, every time a shoot was scheduled it was just expected that you needed your beanie, scarf and snow gear just to walk from the car to the club house. Almost perfect clay target shooting conditions produced an eerie feel to the day's events and some fantastic scores were posted.

The only event for the day was a 100 target Points Score Championship which means a missed target will see you out of contention from the start. With 300 points on offer and the loss of 3 points every time your concentration lapses, 26 shooters very fast became just a few top runners. The old timers all say that the points score event sorts the men from the boys, just 1 or 2 dropped targets can mean daylight between the trophy and being last.

Consistency is the key and the 2 most consistent shooters over the last 6 months again floated to the top. Neil Privett & Leon Cuzner are not new to holding a championship trophy

with both having completed their apprenticeships over a lot of years practicing the small things that make the difference. At the end of the day just 1 point separated them, a split second lapse in concentration, just a couple of inches to the left or right and a second barrel was needed. Neil with 289/300 was the victor this time and has the trophy to take home and keep, this gives him the bragging rights for years to come.

In other grades our favorite Canberra traveller George Kazolis came home strong in the last 2 rounds, dead on target with perfect scores to finish the day with 284/300 to take out "A" Grade. Noel Watchorn from Yass club shot consistently throughout the day to finish with 287/300 and take the honors in "B" grade. After having some minor adjustments made to his stock in recent weeks that have made a massive difference, Paul Edwards was very happy to take out "C" grade

making a comeback after a long time away from the sport with 269/300.

Goulburn Clay Target Club will spend the next couple of months gearing up for its annual major event on November 13, with shooters travelling from all over the state to compete for loads of prizes, trophies and cash. A warm welcome is extended to all past and present members especially those that may not have been brave enough to embrace the colder months and may need the practice. Remember practice shoots are held on the third Tuesday of every month at 6pm and the next competition days are 11th September and 9th October, these will be the last opportunities to get your eye in before the big event. For further information Leon Cuzner can be contacted on 0428 382 995.

Ball Trap Excitement at Bega Gun Club

The Bega Gun Club celebrated the completion of its Ball Trap layout with the contesting of the Gail and Alf Niesar sponsored 100 Target Ball Trap Open Championship, held on Sunday 7th August. After cold and rain for Saturday, a fine sunny morning greeted the six squads of shooters who turned up to take part in this first trial of the new trap. Shooters from Bombala, Berridale, Bermagui and Batemans Bay added to the locals to provide some very competitive shooting as they competed for the sashes and trophies on hand.

For the uninitiated, Ball Trap is similar to Continental, in that the targets are thrown at varying heights and angles but at significantly faster speeds than Continental. All shooters went to the trap four times to shoot in twenty-five target lots.

Round one of the day saw some outstanding shooting across all grades. Sponsor, Alf indicated he was not going to give up the winners sash without a fight by shooting a clean 25/25 to be the only clear round. Adam Campbell in C grade put together a fine 22/25 to be up in the top performers.

Round two followed a similar pattern to round one, with many shooters dropping only one or two targets. Alf did it again, with another 25/25 to put himself in a great position to win his own sash. Some of us forgot how quickly the targets were moving and made sure there were many clays to pick up at the end of the day.

Round three continued the trend of great shooting from some and not so great from others. Alf, as we were coming to expect, collected all his targets to have a fine total of

75/75 for the first three visits to the trap. Great shooting, and the subject of much friendly ribbing by his fellow shooters.

Everyone went to the final round with all grades closely contested. At target seventeen of the final twenty-five, Alf finally missed one, much to the dismay of all present, who were hoping for the clean sweep. That being the only target he missed for the day, indicated the high standard of his

efforts over 100 very demanding targets. In A Grade, Ray Welch shot 95/100 to win from Stuart Bennett on 94/100, another fantastic effort from two very accomplished shooters. B Grade went to Bob Walters after a short shoot-off with Shane Platts, Bob winning 91/103 to Shane's 90/103. In C Grade, Adam Campbell maintained his consistency over the day to win with a score of 85/100. Mario Magrin collected second after a shoot off with a total of 86/103.

High Gun went to a very deserving Alf with 99/100 whilst Craig Field took the meat tray instead of the cash in the shoot raffle. Brody Walters received the Club's Junior encouragement award.

All present expressed their enjoyment of the day's event ensuring the inclusion of more ball trap shoots in 2012.

Next months shoot will be on Sunday

4th September with round three of the 25 Target HCP Fimac Engineering Shield and the 75TGT Southern Zone Champion of Champions Championship. Practice from 9am with competition to commence at 10.00am.

Other Club News

Member, Charlie Smith attended Illawarra Gun Club recently and flew the flag for our Club with great success. Charlie shot 25/25 in the cash divide, won the 50 target double barrel overall as well as being runner up in the points score and single barrel events. His efforts for

the day enabled him to also collect the overall AA Grade High Gun for the day. Great to see our members travelling away and doing well.

After Sundays event, the Annual General meeting was held. Elected unopposed were President Phil Body, Vice Presidents Stuart Bennett and Shane Platts, Secretary Lynne Teale, Treasurer Gail Niesar, Handicap Officers Phil Body and Lynne Teale, Shoot Marshalls Charlie Smith and Adam Campbell, Club Delegate Lynne Teale, Publicity John Walker.

CANTERBURY TRAP INTL & AUTO TRENCH AUSTRALIA

The new Auto Trench trap machine from Canterbury has hit the USA with a bang! With assistance from the NRA (National Rifle Association) three A-T machines are now in place in USA clubs. One of these is built into a trailer along the lines of the unit seen across the Australian east coast clubs over the past 12 months.

Brandy Hobbs, a member of

Australian Auto Trench launch at Kingaroy CTC Queensland

the USA Olympic trench team, now has one located at her home club to assist in her goal of Olympic success. She is of the opinion that it is the best training aid she has ever used and her testimonial is on our web page for all to see. Please visit www.canterburytrap.co.nz to read these testimonials, look for product reviews on the menu bar.

To view the mobile A-T machine, which is a real work of art, visit the news section on the menu bar. One can't help but be impressed with the detail that the Americans are prepared to put into a trailer!

In Australia, the mobile A-T machine has been delivered to many clubs for trial and Surat club have taken the lead in purchasing a machine and are installing it now.

Geoff and Viv Moore, recognized the potential for the development of not only their skills, but others in Central Queensland. It's possible that Rod Woodrow, widely recognised as Queensland's premier coach, is soon to hold coaching clinics at Surat and we're sure that Surat will advertise any upcoming opportunity to train with Rod. Hopefully we would also see young Jar Smaniotto

involved, and if anyone has seen him in action, then you don't need any explanation as to his skill. It is gratifying to see a small, Central Queensland club with the vision needed to include ISSF in their training of our young (and not so young) competitors.

Clubs that may have an interest in the machine should note that Inverell Clay Target Club, recently borrowed the mobile bunker to conduct the NSW ball trap championships. This was made possible by Steve Whitehead, from Auto-trench Australia delivering the mobile bunker to Inverell. During the event, some comment was made that the targets from the auto-trench were harder than from the other traps. Investigation revealed that the "other" traps were in fact throwing illegal targets and the club made immediate changes to correct this situation. Inverell now throw completely legal ball trap targets, but without the auto-trench, this error could have remained undetected.

To see the results of these titles, refer to our website for confirmation from the club itself.

All auto-trench machines come with the ball trap function as standard, however additional speakers are required to enjoy this event. All other features; practice, single target selection, 9 programme selection, left, right and straightaway target selection from any of the nine programmes comes standard in the latest incarnation of the machine. To sum up, you get a full trench layout (condensed into one very simple to use machine) ball trap, practice mode, one or multi-person use, as standard features. This machine is simple to operate and with minimal training you basically load the machine, press some buttons at the consol located at the shooting station (press the wrong button - no problem, simply deselect everything and start again), then shoot till the hopper runs out of targets. Simply reload the hopper and continue.

So, how does it compare in cost to a full Trench layout??

Depending on the brand of traps you purchase plus the cost of the bunker and installation, a full layout will cost from \$130,000 - \$200,000.00. The Auto Trench could cost you less than \$40,000.00. However, the versatility of the Auto Trench surpasses anything that a full Trench layout can provide and as it delivers Ball trap at the touch of a button, you get two different disciplines in the one machine.

Canterbury Trap has a demonstration Auto Trench available to a club for a period of up to 6 months if they wish to install it and use it seriously. The only cost to the club will be installation, insurance and possibly transport to get the unit to the club. If your club is interested in this offer, then please contact either Steve Whitehead at Auto trench Australia or contact Canterbury direct.

*Yours in shooting,
Mike Owens, Bruce Rickard,
Russel Smart and Steve Whitehead.*

Annual Skeet Carnival

High winds greeted the shooters to the first day of the Caboolture Clay Target Club Annual Skeet Carnival and the official opening of the new (3rd) skeet layout. The \$3,220 prize table was heavily laden with a variety of prizes and donations of ammunition in addition to donated prize money.

As the hopeful and eager shooters lined up at the nominations office with their nomination forms for two person teams, three person club team and sweep stakes the wind appeared to increase further blowing over cartridge bins, wheelie bins and steeling a variety of baseball caps!

All shooters were advised that shooting a 25/25 on the new skeet layout would give them an entry into a draw to win back their nomination fee for the weekend, but the high winds ensured that no one achieved a perfect round in the first 25 target eye opener event.

The ever-hopeful skeet shooters appeared undaunted by the challenge of shooting in such high winds and so with cartridge bins weighted down with rocks, baseball caps duly tightened and small children firmly secured the first three squads filed out to address the 100 target annual skeet championship event. Both Lorraine Hughes and Glenn

Caboolture Bteam inter club winning team

Walker were able to achieve a perfect 25/25 on the new skeet layout but were unable to follow it up with a further perfect round. At the half-way point only Nigel Hughes had achieved an elusive 50/50.

The skeet contingent then took a break for lunch and swapped stories of targets shot in self-defence, low 8's skimming just overhead and much laughter over shoot officials trying to set any targets. Lunch of home cooked butter chicken curry, lasagne and home baking was deliberated upon slowly while people hoped that the high winds would ease a little.

After shooting the final 50 of the 100 target event, Nigel Hughes emerged the victor with a 95/100. AA and A grade were fought for in a short doubles shoot off between

Lorraine Hughes and Shane Bennet and Mathew Rhue and Laurie Rodden. Paul Bozier won B grade outright closely followed by Brad Mensforth. Jim Rodden had a very successful weekend starting with his C Grade win with 86/100 followed by a loyal Caboolture Club supporter Rob Wilkie with 79/100. The overall winner was sponsored with a great prize by Glenn Walker and the grade winners taking away a combined \$500 plus

ancillary prizes.

Due to smooth running over the three layouts the day looked set to finish earlier than planned and so a fun Deauville Doubles event was suggested. Each of the 14 participating shooters paid a \$5 to brave the continued high winds. Shooters wanting to choose a shooting partner had to then pay a premium price with Nigel Hughes fetching the highest bid from Laurie Chelepy which turned out to be a wise buy. 7 shooters each lined up on stations 3 and stations 5 to commence shooting their pairs. After 6 pairs, only 3 sets of shooters remained and their ammunition quota was reduced to 3 shells between them per pair of targets. After a further 6 pairs, only the teams of Nigel Hughes/Laurie Chelepy and Frank Cooper/Lorraine Hughes remained with their ammunition

allowance reduced to one shell each per pair of targets. A further 6 pairs of targets saw both sets of shooters on the same score and so a "miss and out" round was commenced with saw a jubilant Laurie Chelepy and Nigel Hughes emerge the victors and walk away to the bar with their pot of cash!

Day two commenced (with much relief) to the absence of high winds. A beautiful Queensland day, with bright sunshine and light winds greeted a few additional shooters for day two.

Chris Larsen

Despite the renowned great Caboolture targets, only two shooters were able to achieve a perfect 25 in the first event. Fortunately both of those 25 were on the new layout and so the names of Craig O'Neill and Chris Larsen were added to the draw to win back their nomination fees.

The inaugural "super handicap" was next and much deliberation was undertaken over the merits of gaining more "lives" by shooting a small gauge versus the effect

Nigel Hughes 100t winner

of the score shot on overall and grade high gun places. With final choices made and no-one brave enough to the shoot the .410g, the results of the 50 target qualifying rounds event saw 10 hardy shooters line up for the shoot off.

With the generosity of a new/returning skeet shooter, Kevin Aitchison, donated a \$75 spot prize for the shooter who hits the rogue black target placed in the stack of flouro orange targets. The crowd sat outside in the perfect Qld sunshine to eat their lunch and watch the squad of 10 shooters dwindle to five by station 7 of the first round. On station 7, Mark Fanning's eyes widened a little when he saw that rogue black target emerge and a round of applause from everyone as he successfully smoked the target. The second shoot off round saw four shooters commence being Craig O'Neill (20 gauge), Mark Fanning (28 gauge), Jaco Pieterse

(12 gauge) and Laurie Chelepy (20 gauge). The second round was completed by Craig O'Neill and Jaco Pieterse with high one in the third round being Craig's downfall to see a very nervous Jaco, in his first ever skeet competition, emerge as the winner and sash bearing of the 2011 handicap event. This event was enthusiastically supported and will be definite in next year's calendar and Skeet Captain Nigel Hughes is determined to have a shotgun as the winner's prize next

year so mark this event in your calendar!

With the start of the final "love it or hate it" doubles event, there were only 2 targets separating the top 7 shooters. Only Laurie Chelepy was able to achieve the elusive 50/50 doubles to emerge the overall winner and Craig O'Neill with a great 49/50 winning AA Grade. A shoot off between Dubbo shooter Shane Bennet (on his way to the Qld State Titles in Townsville) and Glenn Walker saw Shane as the victor for AA grade 2nd with a score of 61/66. Paulette Walker continued her ever improving great form and recent move to A grade with a doubles win with 46/50 with Frank Cooper 2nd with a score of 61/66 after a shoot off with Mathew Rhue. Tracey Ashton won B grade on 42/50 closely followed by Sarah Bennet with 41/50. C Grade was won by Fay Mills with John Reynolds 2nd.

After the final shoot offs were complete, an army of helpers descended on the layouts to tidy up and pack away at the end of a great carnival.

With so many prizes and large number of sponsors the prize giving was the real highlight of the weekend, with heartfelt acknowledgements by Nigel Hughes to all of the sponsors and numerous helpers involved in making the shoot such a success, including those working in the background who are often overlooked. A special announce-

Tracey trying to be quiet

ment was then made that Frank Cooper, Mark Fanning and Brad Mensforth have agreed to sponsor and accompany Caboolture junior and current National 28 gauge champion Thomas Rhue to attend the New Zealand Skeet Nationals by providing his flights, accommodation, ammunition, entry fees and to chaperone him during the whole of the shoot. Their amazing generosity and support for our great sport is overwhelming and there was more than one person with a tear in their eye at the look of total surprise and joy on Thomas's face. Thomas Rhue's sportsmanship, talent and hard work at every shoot is an inspiration to everyone and not least his very proud parents, Mathew and Helen. Thank you to Frank, Mark and Brad for your generosity, it is people and gestures such as this which make our sport a pleasure to be involved in.

Sponsors included Billabong Off-Road, a first time and major sponsor of the event who not only provided a major prize but also supplied two off-road vehicles for display. Bob Katter's Australian Party, also a new sponsor to the event, provided 3 cases of shells in addition to prizes provided by Winchester, Fay & Allan Mills, Glenn Walker, Coffee Club, Dining Out Magazine, Pine Rivers Lock & Gun and Ray Trade Distributors. A HUGE thank you to each and every one of you.

The prize giving commenced with a draw by Frank Cooper, who was instrumental in the

building of the new skeet layout, to find the winner of the 'refunded nominations' for shooting 25/25 on the new layout. There were a large number of compliments for Frank's painstaking and exacting work with several people commenting on the "perfect layout". Lorraine Hughes emerged the winner and after some jovial requests to check that there were other peoples name in the draw, Lorraine took away her refunded nominations of \$110.

Next came the hotly contested team shoots. Commencing with the Frank & Sherrill Cooper Perpetual Trophy for the three person club team which is scored over 100 targets plus any handicap allowance to entice lower grade shooters into the teams. An effective strategy when a tie break was announced between the Caboolture A Team consisting of all C Grade shooters of Fay Mills, Theo

Chef Fay Mills

Pieterse and Jaco Pieterse and the mixed grade Caboolture B Team of Frank Cooper, Mathew Rhue and Thomas Rhue. A count back was applied with Caboolture B team

being the victor to have their names engraved on the trophy (the second consecutive year for Thomas Rhue).

The two man team was won outright by a jubilant Shane Bennett and Nigel Hughes with a score of 459/500.

The section winners were next with Thomas Rhue being the Junior High Gun with 203/250, Lorraine Hughes for Ladies High Gun with 222/250 and Neil Dimmick for Veterans with 221/250. AA Grade Glenn Walker 233/250, A Grade Mathew Rhue 230/250, B Grade Tracey Ashton 215/150 and C Grade Jim Rodden 206/250.

The biggest accolade of the weekend, and the one all skeet shooters strive for, is the overall High Gun. The winner of the Caboolture Clay Target Club 2011 Skeet Champion goes to Rockhampton's Laurie Chelepy with a score of 235/250. Laurie, with arms laden full of prizes, thanked everyone for a great fun weekend, with the usual outstanding Caboolture Club hospitality and he was thrilled to have won after having shot in some of the toughest conditions he has ever experienced on the Saturday.

Caboolture Clay Target Club continues to grow in stature and reputation and it is with events such as this that they must surely be one of if not THE fastest growing club in Australia and their 2 day skeet is quickly becoming one of THE must attend shoots of the year! We hope to see even more of you in 2012.

Successful Southern Zone Champion of Champions Shoot

Thirty-five shooters took to the traps at Bega for the third round of the Fimac Shield and the Southern Zone Champion of Champions shoot on Sunday 4th September. Cool, cloudy conditions with a light breeze provided almost perfect conditions for shooting and the scores on the day indicated how much the shooters appreciated the weather and the grounds. Works on drainage and the grounds by members have the place looking a picture.

The Fimac Engineering Shield, sponsored by Shane Platts began the day's proceedings. Twenty-five targets shot on handicap provided some excellent results. B Grader, Bob Walters shot a clear round to take the prize 25/25. Son, Brody Walters, who finished with 24/25 competed in a shoot off with Ray Kearns, John Siede, Ray Hedger and James Ewart to decide second and third. As

the shooters dropped out one by one, C Grader, Brody kept going until finally dropping a target to place third to Ray Hedger; Ray shooting 29/30 to Brody's 28/30.

The Southern Zone Champion of Champions Championship there's a mouthful, is shot in three lots of twenty five targets. Round one is twenty-five double barrel, followed by twenty five single barrel and finished off with twenty five points score. Shooters overall showed great consistency with Stuart Shipton carrying off the trophy, with a

score of 120/125. In AA Grade, Wayne Smith continued his consistent results with a score of 119/125 taking first from Chris Rowland who shot 137/145 in a shoot off with Ray Welch for second place.

A Grade was also a closely run race with Phil Craig scoring 118/125 to pip Alf Niesar, 116/125 for the first prize. Bob Walters continued his consistent shooting to take out B Grade, 119/125 from Phil Body on 118/125. In C Grade, the ever popular Mario Magrin shot 114/125, to take the trophy from Lindsay Campbell, 107/125.

went to Bob Walters with an outstanding score of 144/150.

Shane Platts displayed his great generosity and support for the Club in the shoot raffle. For the forgetful, the shoot raffle consists of a single, a double, another single, a double and a final single.

Shane creamed the first four targets in effortless fashion, but ever thoughtful of the treasurer's blood pressure, he missed the last one!! So no money and Tracy collected the meat tray. Prize for next month thus remains at \$500 for the person who can get the five.

The Club shoots twice in October with the first event on Sunday October 2nd, featuring 30 targets single barrel, 30 targets double barrel and 40 targets Points Score. Practice from 9.00 with competition to start at 10.00.

State Night Double Rise at Mathoura

A25 pair, Victorian State, Night, Double Rise Championship event, coupled with two other fifteen target events was enough to attract four full squads of shooters to the August 2011 shoot, at the Mathoura Gun Club, for their monthly Friday night competition.

The pleasing number of shooters from a wide range of clubs including Bendigo, Darwin, Cohuna, Deniliquin, Euroa, Echuca, and Mathoura, were straight into the main event, which was event one, the State Night Double Rise Championship, and this

Leigh Knight OA DR

was no easy challenge, shooting at fifty targets literally in single barrel mode, under lights. Bendigo member, Leigh Knight was the easy Overall Winner, dropping only eight targets to finish a very creditable 42/50. Leigh also collected the A grade trophy for posting his excellent result. Once again Mathoura had a shoot with no B Grade shooters present, which strangely has happened several times throughout the year. C grade 1st was decided with a shoot off between Mathoura's, Harry O'Connor, James Hogan a Cohuna member, and Karl

Schroeter a Darwin member, shot over a five pair final, Karl came out the winner, dropping just four of his ten shoot off targets, ending on a score of 44/60.

Event two, was a fifteen target, Single Barrel, graded Cash Divide, with Leigh Knight putting his hand out for the A grade cash after shooting a 14/15, and Karl Schroeter having a good run at Mathoura, shot a 13/15, which earned him the C grade cash. There was a special prize section for a group of bird's only shooters that attended on the night, and that was won by Ricky Keirl who shot a very good score of 13/15.

The last event was a fifteen target Points Score, and Euroa member Laurie Fitzpatrick shooting well under lights as usual, was the only shooter able to post a full score of 45/45, and that earned him the Overall Win, and 1st in A grade trophy, Karl Schroeter maintaining his good performance on the night, shot a 39/45, and that was good enough to earn him the 1st in C grade prize. Once again there was a special prize set up for the bird's only group who attended, and that once again, was won by Ricky Keirl who shot an excellent 42/45 score.

Even though there were eighty targets on the night's program for each competitor to shoot at, the night ran so smoothly that everything was all over, including the presentations, by the very early time of 10.30pm.

Annual Two Day Shoot

Callide Dawson Clay Target Club Inc held their annual two day shoot on the 3rd & 4th of September 2011. Unstable weather conditions produced rain across the Callide Valley in the lead up to the shoot.

A great roll up of fifty six shooters ensured plenty of competition. Shooters travelled from Rockhampton, Gladstone, Bundaberg, Hamilton, Werribee, Illawarra, Blackall, Wandoan, Herbert River, Chinchilla, Central Burnett, Springsure, Dysart, Maryborough and of course Callide Dawson clubs.

The weekend's shooting commenced with practice on Friday afternoon. Saturday dawned calm but by the time the first shot was fired winds were gusty from the South East but had abated by days end.

Fifteen possibles were posted over the whole program, numerous shoot offs took place. The best break was Dan Collins in the double barrel with a score of 60/60 who also kept it all together and won the handicap with a 30/30 from 21 metres. It was Neil Berry who shot very consistently to win the Overall High Gun with a score of 304/320. The new shooters in the club experienced their first two day shoot with Shane McGovern showing the way with a new gun taking out C grade High Gun on 266/300 and being promoted to B grade. This year saw several juniors in the competition and young Brad Graving winning his first shoot off. It is a great encouragement to see these young people participating in our sport.

At the cessation of shooting most descended upon the bar for a well earned refreshment. Saturday night everyone was treated to a very tasty camp oven roast dinner, prepared and overseen by our wonderful kitchen volunteers.

Life member Reg Woodward attended in the afternoon and joined in on the fun catching up with shooting mates from days past. The club extends it's thanks to those who assisted in any way with the provision of food, we are truly spoilt in this area.

A Calcutta draw and auction was ably conducted by Charmaine and Lumpy, this provided a few laughs and a bit of cash changing hands as local auctioneer John Shepherd put pressure on the bidders and shooters. A few drinks and yarns were shared around the new bar Stan and Ron constructed with Nockie delivering a few well rehearsed jokes to everyone's amusement.

Sunday dawned fine, cool and clear presenting ideal shooting conditions, campers were treated to another hot breakfast ably cooked by Brett Gravo and his band of helpers assisting. This team fires up early and can be relied on to deliver an excellent breakfast.

Shooting re-commenced at 9am when shooters faced the 50 target point's event, conditions were near perfect but perfect scores did not eventuate. The handicap saw first place with the only possible for Sunday's events, first and second both clear winners in the event. Seven people shot off for places from third to fifth. Good weather, fine food, great targets, plenty of refreshments I'm confident all attending had a good time.

Craig Fitzgerald Echuca Ironman

The main event on Sunday the 11th of September at the Echuca Clay Target Club was an S.J. Edwards Concreting, 60 target "Ironman", graded Championship. And although that was enough to attract six full squads of competitors, they were certainly going to have a tough time of scoring well in weather that was decidedly anti clay target shooting. Freezing cold and with gusty wind that could not decide which way it wanted to blow, the only good bit of the weather was that it did not rain.

Double and Single barrel, Points Score and Handicap, Ball Trap and Double Rise was what the event comprised of, with an end score of eighty, and although under the conditions no shooter could manage a full score, there were three that ended on a score of 72/80. Cosgrove member Russell Felmingham, Echuca's Emma Cox and Craig Fitzgerald, going out to shoot off centre lanes, they were to shoot two of all disciplines including one pair, and at the end of that, Craig stood tall, shooting clean, to end on a winning score of 88/96, congratulations Ironman, Craig Fitzgerald! Emma Cox certainly gave Craig a run for the money, dropping only two points in the shoot off to claim 2nd in AA grade with her well shot 86/96 score.

Ian Gebhardt Handicap 1st

Handicap was next, and after everyone shot at twenty targets, Echuca member, Ian Gebhardt, was the only shooter that downed all targets, putting his hand out for the \$80.00 that was the 1st place cash trophy, Ian ending up with a well shot 20/20 score. Emma Cox once again not able to claim 1st place, but still shooting that well that her 23/25 score earned her the \$40.00 that was the 2nd place reward, and Colbinabin member Laurie Gee, having lost the shoot off with Emma, claimed the 3rd place cash which was \$15.00, with his 22/25 score.

Event three was a 20 target Double Barrel Championship, and by this time the shooters were starting to master the weather conditions, ending up with a full squad of six to commence a shoot off,

it soon got down to four, then eventually it was between Castlemaine member Charlie Burns and Echuca shooter Geoff Viney, Geoff dropped his 72nd target and when Charlie shot his it was all over, with Charlie Burns taking the Overall Winner's Sash, and 1st place in A grade, with his unbeaten 72/72 score. Geoff Viney taking out, 1st place in AA grade on a 71/72 result.

Charlie Burns OA DB CS

Event four was the Echuca Club Mug, and after a few actually shot the first ten targets, it was when they started moving back on the meter marks that the weather took control, and there was only one shooter that could handle the conditions, and that was Echuca member, Steve Traill. Steve collecting a very healthy \$120.00 cash prize for his well shot effort.

On such a cold, windy, miserable day, a big thank you must be paid to Dot Roberts, for supplying the hot food and drink to all, and also a thank you to the sponsor of the "Ironman" event, "S.J. Edwards concreting" for their generous support.

TWO DAY BIRTHDAY SHOOT *The Silver City Championships*

The weekend of the 10th and 11th September 2011 was the Broken Hill Gun Club's birthday shoot weekend, the Silver City Championships and was a chance for shooters to get their name on one of the most historical winner's board in Australia. Their name will go up next to those of Russell Mark, Michael Diamond, Ross Walsh and the World Champ Darryn Nicholls.

With a roll up of only 32 shooters spread from over 9 different gun clubs and an excellent display of sashes and trophies, it wasn't a bad turn up but the weather was not kind, it was cold overcast and windy and I think reflected in the scores, it wasn't good clay target shooting weather

The first event was the 25Tgt Silver City Handicap, sponsored by BR & C Agents. First after a short shoot off was Brad Loughton 35/36, 2nd was lady shooter Fiona Dobbins 34/36, 3rd Craig Lawrence 26/28 and 4th Stephen Thompson.

The second event was the 25Tgt Silver City Points Score Championship, sponsored by Nicholls & Sons printers. Overall and first AA grade, again after a short shoot off, was Darren Nicholls 111/111, 2nd AA David Lemmich, who would go on to push the top shots, Darren and Ross over the weekend. First A grade was Wayne Channing 83/87, 2nd A Peter Minhard 80/87, first in B grade was the old garden gnome, Barry Foley 67/75, 2nd Bruno Mantesso 66/75. Now for the big one first in C grade was young Jared Nicholls, who absolutely cleaned up for the weekend with a great effort for only his third shoot ever, he shot 64/75, 2nd Sissy Thompson 61/75, Veterans was the Bull 82/87 and Ladies Fiona Dobbins.

The third event was the 25Tgt Silver City Double Barrel Championship, sponsored by Attards Transport. Overall and 1st AA grade was the Bull who clean up Ross Walsh in a shot off, the Bull shot 52/52, 2nd Ross Walsh 51/52. First in A grade was Peter Minhard 31/32, 2nd Brad Loughton 30/32. First in B grade was Peter Smith 24/25 with Chris Lawrie 32/34. First C grade was Jared Nicholls 21/26, 2nd John Ward 20/26. Veterans Wayne Channing 27/29 and Ladies Fiona Dobbins 22/25.

The High Gun winner for Saturday was Ross Walsh 146/150, Ross gets his name on the silver city championship board again, well done Ross.

The fourth and last event for Saturday was the 25Tgt Silver City Championships, sponsored by 7 day spares. Finally Ross Walsh got on the board with overall and 1st AA grade with 47/48 after a shoot off with young man Mountain Arron Zupanic 46/48. First A grade Stephen Thompson 39/41, 2nd Peter Minhard 25/27. First B grade Eric McCullough 22/25, 2nd Peter Smith 21/25. Jared got tipped this time for C grade, first C grade was John Ward 20/25, 2nd Jared Nicholls 18/25. Veterans Mervyn Starr 23/26 and Ladies Fiona Dobbins 24/27.

The first event for Sunday was the 50Tgt Silver City Double Barrel Championships, sponsored by Globe Timber. Overall and 1st AA was Ross Walsh 74/74, 2nd Kym Firth 73/74, first A grade was Wayne Channing 54/55, 2nd A Fiona Dobbins 49/50. First in B grade was Brian Hoare 49/50, 2nd Grant Bollen 48/50. With a great score of 46/50 to take first in C grade was Jared Nicholls, 2nd was John Ward 36/50. I don't think you will be in C grade for too long Jared, well shot. Veterans was John Lemmich 75/78 and Ladies Sissy Thompson 45/50.

The last event for the weekend was the 50Tgt Silver City Points Score Championships, sponsored by the Sturt Club boys. Overall and 1st AA with a perfect score was Darren Nicholls 150/150, 2nd AA Ross Walsh one point down 149/150. First in A grade was Peter Minhard 151/156, 2nd Brad Loughton 148/156. First in B grade Sissy Thompson 135/150, 2nd Brian Hoare 131/150. First in C grade, again, Jared Nicholls 127/150, 2nd John Ward 117/150. Veterans was Mervyn Starr 139/150.

High Gun winners for the weekend, Overall High Gun Ross Walsh 345/350, to bet Darren by only one shot, AA High Gun Darren Nicholls 344/350, good shooting both of you. A grade High Gun was Peter Minhard 331/350, B grade High Gun was Eric McCullough 298/350 and Sissy Thompson just tipped out Jared to get the C grade High Gun 301/350. Veteran High Gun Mervyn Starr 323/350 and the Ladies High Gun sponsored by Norm Butler went to Fiona Dobbins 326/350. Oh, nearly forgot the Junior High, it went to young Jared 294/350, really well shot Jared.

It was good to see so many visiting shooters, I'm sure they all had a good time. We were still lacking the local shooter, so any locals who haven't been out for a while please dust of the old shotty and come and have a go at our next shoot. Thanks to all the workers and the hard working ladies in the kitchen who cooked for us all weekend, well done. now just on another matter, I have heard that old Brissel hound, Dennis Buynr has been a bit scared to turn up the last couple of shoots as he doesn't want to get cleaned up by young Jared in C grade, I hope this is not true Brissel, hope your feeling well. Also, did any one receive the BDT papers or their clay target magazines last week, I heard there was a young lad who was out collecting them all, well shot Jared.

Psychological Skills for Shooting

MORE MENTAL TOUGHNESS

In every competition there is always a winner. However, even those who do not get to the number one position, can still reach a personal best, outperform a usual adversary or just improve.

So what is the secret of winning? Well, if this was an easy question to answer, I'd either be the best or I'd be rich. So the answer has to be qualified with what attributes do you need to be a winner?

Firstly, you need to be mentally tough. That is you need to have the following skills and attributes

a. **Competitive.** Being competitive and being in the competition are what counts. Whilst it's good to win, the process of being competitive means that if others want to win then they have to work hard at it.

b. **Confident.** Being confident, means that you see yourself as the favourite, every time you walk out onto the tracks. This doesn't mean that you see yourself winning overall, but it may mean you see yourself winning your grade or section.

Being confident means that you never fall victim to self-defeating thoughts; to be confident you need a can do attitude, a belief that you can handle anything that comes along. If you do have thoughts whilst you're competing that chip away at your confidence: then acknowledge the thought (Thank you, mind) and then go back to focusing on the process.

c. **Control.** To be a successful athlete you need to be able to control your emotions and behaviour; that is, focus on what you can control and don't allow the things that are beyond your control affect you. To be mentally tough you need to be able to maintain poise, concentration and emotional pressure under the greatest of pressures and challenging situations. If you have a thought or feeling that you feel cannot control, acknowledge it and say to yourself: It is only a thought. Will I be better off thinking like this? If the answer is no then change your thinking.

d. **Committed.** Mentally tough athletes focus their time and energy on their goals and dreams. Have a vision and set realistic goals to achieve your vision. Be self-directed and motivated towards both the process and the outcomes of your goals and dreams. Goals are great and there is a need for all of us to have set goals on where we would like to be, however, once you have set your goals then you need to commit to an action plan that will help you achieve your goal. Too often, I am approached by people who say: I have set my goals but I can't seem to reach them. When we explore their goal setting it is noticeable that they left out the next and most vital step: committing to a workable plan to achieve these goals.

e. **Composure.** To be mentally tough you need to be able to stay focused and deal with adversity. Missing a target isn't the worst thing that can ever happen. But if you dwell on it and get angry with yourself then you are changing the focus of your attention

and you will miss again and again. Composure is also about staying in the here and now. Being mindful of what is happening to you whilst you are shooting and staying focused on the process.

f. **Courage.** Mentally tough athletes need to take risks. Peak performers only win because they're prepared to lose. If you stay with your comfort level you may never get to experience what happens when you are truly "in the zone." If you take a risk and it fails then don't get angry: identify that you have learnt something and be aware not to make that mistake again.

g. **Consistency.** Mentally tough athletes possess an inner strength. They are mindful of what is happening around them, what their bodies are doing and feeling. Winners often play their best when they are feeling their worst, because they can and do focus on their bodies rather than the outcome of the competition.

Secondly, and tied in with mental toughness is mindfulness. You have to be mindful of what is happening to you. Being aware of how you are feeling, what you are seeing, hearing, smelling and touching. Shooters have a distinct advantage because we hear, see, smell, touch, feel hot and cold, balance and have to be aware of our body in relation to others, to be able to shoot well. All of these senses need to come into play to be able to perform well. These mindfulness cues are essential and integral in bring you back to the here and now when your mind wanders in the past (makes judgments) of the future (develops fear). Mindfulness keeps you in the present.

Finally, stay focused on the process. To be a winner you need to be task-orientated not goal- or ego-orientated. Even though we see a lot of winners that look goal orientated, the truth is they are doing all the mental skills in a subconscious way. They do not realize that they are doing all the right things. But for the majority of us, we need to stay in tune with what we are doing and if we stay focused on the process then the product (score, trophy, etc) will look after itself.

A SPECIAL THANK YOU

New South Wales Clay Target Association would like to give Daryl Pasfield a very special THANK YOU for all his marvelous work over the years as the State Handicapper. Your work and dedication was very appreciated by all in our sport.

2012 BLUE BOOK

For the 2012 Blue Book we have given it a facelift and have made a few slight changes.

There will be no more staples or glue holding it together (we all know how difficult it was to hold these books open on a page). We have opted for the stylish and practical spiral binding that many other states are using. Team this with a new front cover design and we have a wonderful new looking shoot program for our state.

With these upgrades we have also had to increase the cost, they will now retail for \$5 per book.

Keep an eye out in your clubs emails for your order form.

Bobby Lendon Memorial Handicap

CASTLEMAINE CLAY TARGET CLUB

Castlemaine's September shoot consisted of the 50 target Commonwealth Continental Double Barrel Championship and 25 target Bobby Lendon Memorial Handicap.

The club was honoured to hold the Bobby Lendon Memorial Handicap. As Bob was a long standing member of the club – 29 years. Throughout this period Bob held the position of President and Vice President for over 15 years and through the guidance of Bob the club became well known throughout Australia, due his tireless work and promotion of the sport and the club. In many ways throughout this time Bob gave much of his time to promoting junior shooters thus allowing for 5 local shooters being selected to attend the national coaching team and move on to represent Australia at international level. Bob enabled the club to become progressive in leading the way to set the grounds in a very competitive manner thus allowing for all shooters to be able to complete on a modern shooting layout.

Without the guidance of Bob the club would not be as productive as it has become within the world of clay target shooting. Bob was always a person that could see a future in the sport and the benefits it had to offer. Bob's guidance will be sadly missed by all that new him.

The Squire reports from West Wyalong

Numbers were less than expected on Saturday afternoon for the West Wyalong Clay Targets Club's end of month shoot which comprised afternoon and night events and a full day of side by side shooting with the Doug Lindsay 50 Target Side by Side championship on Sunday.

Four visitors from Bermagui used the club's camping facilities and were on hand to assist with the setting up of a challenging 5 Stand range for the evening and night program.

Shooting commenced with 25 Targets 5 Stand at 4.00pm with a further 50 targets once it became dark.

Following a filling barbecue and some nice "Rocky Road" supplied by Narelle Ambrose shooters returned to the 5 Stand to try their skills under lights.

It soon became obvious that shooting 5 Stand under lights is very difficult and this situation was reflected in the scores.

A few shooters elected to use their side by side shotguns as practice for the following day and Wayne Ambrose was the best of these shooting 52/75. Graham Duncan getting use to his newly acquired Greener shot 47/75 and Allan Schirmer scored 42/74. In the under and over section, Clive Foster scored 63/75, Dozer

Collins 53/75 and Narelle Ambrose 38/75.

Sunday was bright and clear and shooters arrived from Narromine, Yass and Young and everyone was really pleased to see Frank Ashton back at the traps after a long absence.

The first event was 50 Targets Side by Side 5 Stand and the scores were considerably better than the previous evening.

In a highlight of the morning Phil Craig using a "Blue Rock" Greener shot 25/25 in the second round to be the Overall winner with a total of 45/50. Matt Schiller 37/50 and looking unusual with a side by side won C grade with Adrian Hodges 37/50 also using a "Blue Rock" Greener being the B Grade winner. Chris Everrit 38/75 won A Grade.

The second event was 25 Targets Side by Side Points Score and Jason Anderson using a very battered old snake gun took out C Grade 63/75. Graham Duncan loves side by side shooting and he won B grade 70/75. Graham Jamieson using the gun of the day, a Purdey won A Grade 68/75 and Matt Schiller having a rapid promotion shot 68/75 to win AA Grade.

The feature event of the weekend was the

P Craig A grade and High Gun

Doug Lindsay 50 Target Side by Side Championship and Doug had supplied an impressive array of sashes to be distributed to all grade winners.

In general scores were down on previous years and in an unusual situation no shoot offs were required to determine the winners in each grade so it was a very happy Frank Ashton who won the Veteran's sash 43/50.

A noted side by side shooter from Narromine, Denis Coaker 46/50 using a Holland and Holland won B grade. Phil Craig showed he had down the line shooting skills to match his 5 Stand ability when he won A Grade 46/50. Matt Schiller 47/50 was the AA Grade winner and the Overall winner was Graham Jamieson who shot 48/50.

The High Gun was awarded to a shooter using a side by side in all events and Phil Craig left no doubt who would receive the sash with his total of 158/175.

Robert Lindsay was on hand to present the sashes on behalf of his father who had sponsored the event.

Two Day Annual Trap Carnival

Inverell Clay Target Club held their annual 2 day trap carnival on the weekend of the 20th & 21st August. In excess of 40 shooters arrived for the first day of competition with around 50 shooters appearing for the final day.

Conditions were challenging for all, with an extremely strong head wind shifting the already hard to see targets. The first event which was the New England Toyota 25T Handicap championship was won by John Mulligan from Moree with a score of 33/34. The placing's were as follows: 2nd John Lisle Walcha 32/34, 3rd Guy Mephram Inverell 29/31, 4th Matt Colley Inverell 24/26, John Kent Inverell 40/42.

The second event of the day was the Norco Rural 25T Points Score Championship. Murray Johnson from Brewarrina club attained the sash with a fine score of 74/75. A very deserved 2nd placing in C grade went to one of Inverell Club's newest shooters, Hamish Backus with a 64/75. Well done, Hamish.

The last event on the card was the Pioneer Hi-Bred 50T MacIntyre District Championship.

By this time conditions had really started to deteriorate with the wind really whipping up. Overall was won by Dave Edmonds of Guyra with an 87/87. A wonderful score considering the conditions. Luke Kirkby from Moree took out AA grade with an 86/87 with local Inverell shooter Paul Turner taking out the A grade with a 52/54. B grade was won by Craig Norman from Coffs Harbour with a 47/50 and local Guy Mephram had luck in C grade with a 46/50 which turned out to be Guy's last event in C grade.

Sunday arrived slightly overcast but warm. The wind was still present, making shooting a challenge.

The first event was the Retravision 30T Mixed Medley Championship. Overall in this event was taken out by Kim Nealon from Richmond River with a perfect 50/50. Great shooting Kim. AA was won by Robert Clarke of Port Macquarie with 98/100. Local Inverell man, Tyson Kennedy won the A grade with a 74/75 a great result after a 9 month break from the sport. Craig Norman from Coffs Harbour took out the B grade event with a score of 47/50 and in C grade Gary "Nitro" Emerson from Inverell won the C grade with a 43/50.

Second event for the day was the Beaurepaires 50T Double Barrel Grand Classic Championship. Overall in this event was won by our very own shoot secretary, Glen Anderson with a 124/125. Clyde Mitchell from Moree took out AA with a 120/125. First in A grade was Guyra shooter, Jamie Poole with a 98/100. The

B grade event was taken out by the newcomer to B grade, Inverell shooter Guy Mephram with a 95/100. Local shooter Mark Macdonald won the C grade event with 85/100.

The last event for the weekend was the Elders Single Barrel Championship with Overall winner being John Reid from Guyra with a 25/25. Kim Nealon from Richmond River again featured taking out AA grade with a 27/28. Bruce Smith won A grade with a 24/25. Local shooter Garry O'Brien shot well to win B grade with 23/25 and Mark Macdonald also from Inverell winning C grade with 21/25.

Many thanks must go to out shoot secretary Glen Anderson and handicapper Tony Turner for their tireless efforts all weekend. Thanks also to the wonderful catering team, who worked extremely hard keeping the hunger at bay.

Event sponsors Beaurepaires, Retravision, Elders, Tamworth Firearms, New England Toyota, Pioneer Seeds and the Inverell RSM Club. Without your assistance, events like these would not be a success.

Our mighty trap boys, Stratton, Wacey, Lockie and Glen, thank you for a mammoth effort. Thank you to our ever-present raffle seller, Lance Kent. Last but certainly not least, thank you to Allan Weste, Norm Macdonald and Adam Woodbury for the wonderful job done on the grounds.

Until next time we meet, keep your eyes on the target!

Inaugural Sporting Weekend

Inverell RSM Clay Target Club held their inaugural sporting weekend at the beautiful Copeton Dam. Unfortunately for the shooters, the weather wasn't so beautiful at times.

The first event was the 50 target side x side sporting. The overall winner in this event was Inverell shooter, David Pischke with a 46/50. Second prize went to another Inverell shooter, Gary "Nitro" Emerson with a 43/50. Inverell shooter Craig Hayes took out third place with a 57/68 making it a hat trick for the local club. Fourth place went to Robbie Drew with a 56/68 and Peter Boland of Camel Hill made 5th place with a 40/50. Great achievements by all considering the layout of the targets.

Saturday arrived with heavy rain and cold weather, making the challenging targets even more so.

The seemingly simple "Drop Bear" and "How

did I miss that? - Ferret" were elusive enough without the driving rain. Overall for the day was taken out by Jim Johnson with a 94/100. First in AA was Matt Duncan with 86/100 followed by Peter Black 95/112 and Bill Hodges 94/112 taking out 2nd and 3rd. A grade was

won by Paul Moloney with a 97/124 closely followed by David Saunders 96/124 and Mark Macdonald with an 87/112. B Grade was taken out by Bruce Firth with a score of 79/112. Ian "Spud" Burey shot a 77/112 to take out 2nd placing from Jason Parkes with a 69/100.

Phil Watson won C grade with a 61/100 from Michael Quinlan 60/100. Inverell shooter, Norm Macdonald took out 3rd placing with a 59/100.

Sunday morning came around with a heavy fog, only to clear to a beautiful sunny day. Shooters had a spring in their step as they stepped out to test themselves again. Again, Jim Johnson took out the overall position with a 95/100. Matt Duncan 90/100, Rod McCloy 88/100 and Charlie Butler 85/100 took out the 3 placings in AA grade. A grade was won by Jamie Hayes with a 102/112, 2nd was Ross Henzell, 101/112 and 3rd place went to Fred McCloy with a 86/100. The three placings in B grade were John Bailey 82/100, Spud Burey 87/112 and up and coming young Inverell shooter Taran Partridge with an 84/112. Well done, Taran. C grade was taken out by Phil Watson with a 80/100, 2nd was Paul Tonniges 77/100 and 3rd place went to Robbie Drews 75/100.

Overall High Gun for the weekend was Jim Johnson 189/200. AA grade was Matt Duncan 176/200. A grade was Ross Henzell 168/200. B grade was Ian "Spud" Burey, 148/200. C grade was Phil Watson 141/200. Ladies High Gun was taken out by Ellen Smith with a 99/200. Junior High Gun was Justin Thompson with 144/200 and Veterans High Gun was won by Ron Black.

Four encouragement awards were given out over the weekend. The winners of these were Inverell shooter, Hamish Backus, AA grade. A grade was given to Athol Page, B grade to Vic Stiller and C grade to Kristy Harris. Well done to you all!

A huge thank you must go to Glen Anderson. Glen put an amazing amount of thought, time and effort into planning this weekend. His clever planning of the targets made them both a challenge and an enormous amount of fun. Good on you Glen! To all the other club members who helped with the setting up, running and packing up, a HUGE thankyou. Without members like our club has, these events would not be possible. Norm Macdonald camped out at the site, making sure all was tended to. Thanks so much, Norm. Thank you to the Committee of Copeton State Park for allowing this event to be held there.

To our tireless caterers, John, Jenny and Terry, thank you all for the wonderful job you did. The catering was wonderful, as usual. Thank you also to the clubs who lent us traps. Last but of course not least, thank you to our sponsors and sash sponsors, Chesterfield, McNeills Hire, Max Doogood at Sapphire City Firearms and Disposals, John Sleightholme from Tamworth Firearms, KCL Daycare, Matt Colley and of course "That Bloody Rabbit".

This weekend will be held again next year bigger and better with the Northern Zone Sporting Championship being held as well. See you on the beautiful Copeton foreshores.

Successful Trap Shoot at Wangaratta

The Wangaratta Clay Target Club is recognised as one of the best and friendliest clubs in regional Victoria. The club provides shooters state of the art facilities, great food from our kitchen and a welcoming atmosphere second to none. The club was rewarded for its efforts on Saturday 17th September by the excellent attendance of over 50 shooters, including a couple of visiting Queensland members.

The day commenced with fine and warm weather conditions, however increasing cloud resulted in changed light conditions later in the afternoon. The clubs use of orange fluoro targets resulted in good visibility for this situation. The two events on offer ran flawlessly, as a result of all the effort put in to the success of the day by a group of dedicated local club members.

*L-R: Standing: Megan Grassi, James Willett, Dave Harley, Tony Ruvolo, Ian Erbacher, Keith Willett, Reg Walker, David Luelf, Ben Antonello, Hayden Smith, Laurie Fitzpatrick, Arthur Willett and Bob Pigram
Kneeling: Josh Moore, Michael Ward, Darren Saunders, Reg Carmody*

The 10 Tgt eye opener paid a generous dividend to the six shooters who were able to shoot the possible. Our first championship event was the 30 target Claude Dean Memorial single barrel shoot. Mansfield top shot, David Luelf took out Overall winner with a perfect result of 38/38 and 2nd in A grade by Laurie Fitzpatrick with 31/32. AA grader, Keith Willett shot very well to win AA with 37/38, defeating Arthur Willett on 35/36. Bob Pigram used his new gun to almost perfection winning B grade on 29/30, 2nd place was taken out by Tony Ruvolo with 32/35. Reg Carmody shot an impressive tally of 28/30 winning C grade, ahead of Hayden Smith on 26/30 winning 2nd place.

The final event for the day was a 50 target Continental Championship which resulted in Michael Ward taking out Overall Champ with

the incredibly good result of 51/51 and 2nd in AA grade by local shooter Daryl Hunt with another very impressive score of 52/53. Darren Saunders won A grade on 50/51 and 2nd place was taken out by David Luelf with 58/60. B grade winner was Reg Walker shooting 48/50 ahead of Ben Antonello on 51/54. Local committee member and regular helper at the club, Josh Moore shot 47/50 to win C grade and 2nd by Ian Erbacher with 45/52.

Echuca Schools Year 9 Champion – James Hogan

Echuca College year nine boy students had two visits to Echuca Clay Target Club, one week apart in September, to learn gun safety, and use, and then to test their skill at shooting clay targets. The students shot at ten targets in single barrel mode on each occasion, under the watchful eye of the volunteer coaches, who tried to make accomplished shooters of their protégés in a very short time.

James Hogan

With three full squads of boys shooting, there was always going to be one or more that found it naturally easy to adapt to the sport, and Gunbower resident, James Hogan, had no trouble leading his fellow students, shooting a seven in the first round, then topping that up with an excellent nine in the second round, to finish on an unbeaten sixteen/ twenty score. That earned him the Overall Winners Certificate and a round of applause from his fellow Students, and a handshake of congratulations from the club President, Ron Traill.

Tongala resident Jordan Mulholland managed to shoot a total of fourteen and that gave him the honour of being the second place getter, with virtually all who attended shooting a score of some number, which was pleasing for the coaches, realising that the boys were actually listening to their advice. And, after initially being concerned about the handling of a firearm, and the possibility of severe recoil, the Students minds were soon put to rest that there was not the slightest problem in either case, and then they soon started to enjoy the sport, especially as soon as they hit their very first target.

The Echuca club wishes to thank the Students for their good behaviour, the Echuca College, and teacher, Chris Sanders, (who ended up shooting a very good 15/20 score), for taking an interest in clay target shooting, and organising the Students to attend the clinic.

TOBY HAWKE MEMORIAL

Proceeds to Can-Assist Charity

In August Parkes Gun Club conducted their annual Toby Hawke Memorial shoot with all proceeds going to the local branch of Can-assist.

Toby was a local farmer, town rep cricketer, keen clay target shooter and tireless worker for the club. Toby was taken by cancer well before his time and is missed within the club and the wider community.

Toby took on many roles within the club, trap maintenance being his main job. It is this aspect of his work that a parallel to this year's winner of the coveted trophy is drawn, local farmer and tireless worker, specialising in trap maintenance, Steve Fryer.

Toby loved Tower shooting so each year a Tower event is included in the program. The shoot was conducted in overcast and gloomy conditions, but after the dry break the district had been experiencing no one was complaining, although the relatively low scores reflected the poor conditions.

Adele Hawke and the Hawke family donated a perpetual trophy

and each along with lifelong friend, Eric Miles, donated prizes for the event.

Results: 25t Double Tower:
1st Luke Ellison 25/25, 2nd Peter Barber 24/25 +13/12, 3rd David Wilson 24/25 +12/13.

30t Toby Memorial Handicap: 1st Steve Fryer 27/30, 2nd David Wilson 26/30, 3rd Adrian Hodges 25/30+10/10.
