Evolution

In 1866 target shooting was just getting started around the world. The inventor of this game, Charles Portlock, is the one person all of today's shooters can thank for this exciting sport.

These glass balls were much harder to break the "most" clay targets of today. Some will say that today, certain brands of clay targets are as hard to break as the original glass balls. That's not the case when it comes to **White Flyer Targets**.

If you want to see your scores improve, ask your club to throw the world's best, **White Flyer Targets**. Manufacturing the world's finest target for over 100 years, White Flyer continues to evolve into the most innovative manufacturer of targets worldwide. **White Flyer Targets** help shooters win championships and break record scores. Our targets undergo a minimum of 27 quality control steps that keep **White Flyer Targets** consistent in weight, composition and dimensions.

Used recently at the following major championships with new records set:

NSWCTA Single Barrel Championship 2009 – 169/169

NSWCTA Champion of Champions 2009 – 350/350

NSWCTA Handicap 2010 – 100/100

ACTA National Double Barrel Championship 2011 – 900/900

More and more clubs are switching to **White Flyer Targets** as their preferred target. Try them and see what all the talk is about and watch your scores improve.

Australian Clay Target Association Inc.

PRESIDENT'S ANNUAL REPORT 2011

It gives me great pleasure on behalf of the Executive, as the President of the Australian Clay Target Association (ACTA) to report on the Association affairs for the 12 month period ending the 31st December 2011.

Membership for the period slightly decreased from 13,040 to 12,848. Full memberships and the junior category saw the greatest reduction with Veterans again increasing in numbers. This is the first year in some time that we have had a decrease in membership, and we believe that the natural disasters so widely felt throughout Australia during the period would be a major contributor to this decline.

The Executive has ensured the Association is insured as comprehensively and economically as possible. Tenders for our Insurance needs were called during the period and the firm Pollards acting as brokers, have sourced our insurances from the Australis Group -Lloyds of London as underwriters.

The Association traded well during the year showing a profit of \$298,767 up from \$281,167 last year. Whilst revenue was slightly down, many expenses were managed below last year's and this helped increase our surplus.

Development continues at the National Ground, funded by these surpluses. Construction of new grandstand type seating, a second ablution block and 24 more powered sites began in the period and will be completed for the 2012 Nationals. Provision of extra water, gas and sewerage mains was part of this development. Much of this work completed is very expensive, but being mostly underground is not very noticeable. The ACTA have now completed an infrastructure program encompassing power, water, sewerage and a gas upgrade in just under 2 years at a cost of over \$240,000.

The purchase of the National Ground freehold from Wagga Wagga Council was finally documented in August and four monthly payments to the council were made during the period.

The Olympic Discipline Nationals were conducted with a good attendance and our thanks goes to the WAGC and WACTA for providing the facilities and running the event.

The National Trap Championships were conducted at the National Ground with a total attendance of 2410 over the 5 main events. This figure was up from 2226 the year prior. Some great scores were shot and the DB winner Tony Arvanitakis set a new record of 900/900 for the Double Barrel Championship. Congratulations Tony.

The National Skeet Championships were held at the National Grounds with 149 Shooters attending, exactly the same as last year. An informal meeting was held at the event allowing the Executive members present the opportunity to gain some interesting and valuable insight into how skeet shooters would like to see their discipline develop into the future. Some decisions have already been made by the Executive in regard to matters raised at this meeting and we are certain these will be seen by Skeet shooters as beneficial and in line with the sentiments expressed at the meeting.

The National Sporting Championships were conducted by the Wagga Gun Club on the Association's behalf at the National Grounds. The attendance of 109 was a great result after only 78 attending the year prior. Our thanks go to the Wagga Gun Club for working so closely with us during this event.

The ACTA funded a team to attend the ICTSF World English Sporting Championships in Paeroa, New Zealand. The team performed well with Renae Birgan being the outstanding performer winning the Ladies section overall. Congratulations Renae. Our teams also placed well with Gold for the "Super Vets" of Bryan Rafferty, Max Kavanagh and Peter Sutherland.

Silver was awarded to our Open team of Anthony Panetta, Craig Macpherson, John Younger, Sox Pilipasidis, and Peter Hall. Silver was also awarded to our Ladies team of Renae Birgan, Gaye Shale, and Trina Adams.

Congratulations also go to the ACTA Skeet Team of Leigh Roberts, Shane Bennett, Len Edwards, David O'Sullivan and Steve Vaccaro who attended the NZCTA Skeet Nationals in November and came home with the Glenn Trophy.

Probably the major highlight internationally was the win by Michael Diamond in the ISSF World Cup Final. Michael continues to be competitive wherever he travels and helps keep our sport in the media limelight.

The National office has been very stable over the period. The appointment of Mr. Chris Gibson as Executive Officer on the 21st of February followed the resignation of Mr. Tony Turner in November of 2010, restoring our administration capability. The current office staff of Maureen Ryan, Judy Ferry, Sue Vesperman and Jenny Robinson along with our Groundsman Dave Jocelyn have all contributed greatly to the efficient administration of the Association. We have now employed a trainee, Wayne Sloan to assist Dave on the grounds as the facility continues to grow. The trainee is employed through a group scheme and began work in late 2011.

To all our staff at the office and the grounds, your efforts have been greatly appreciated.

The Executive changes during the year saw Mr Bob Blake replace Mr. Peter Haley from NSW. Peter was a Vice President of the Association and spent a great deal of time at Wagga Wagga, both as Chairman of the Grounds Committee and standing in at the office during the period we had no Executive Officer. Peter resigned due to personal reasons and was sadly missed.

Mr. Brian Bailey Tas. was replaced by a former Executive member Mr. Allan Kenny. Brian had run the ACTA Coaching camps for some time and with his wife Heather, had provided organization, food and support for our young shooters. Brian will be missed in this capacity.

Brian Muirson filled the vacancy made upon the retirement of Mr. John Mack, Qld. I thank John for his time as an executive member and particularly his three years as President. I can assure all that you have no idea what a term as President is like until you have tried it.

Mr. Dennis Harwood Qld, retired and at the end of December had not yet been replaced. (This position was filled by Geoff Moore in Feb 2012) Dennis was a long serving member of the executive and Chairman of Finance for many years. Our thanks to Dennis for his efforts over a long period of time.

The Board, in a new initiative seconded a non-executive person to the board. We welcomed Mr. Neil Haydon in late 2011 and look forward to working with him as part of the Board. Neil has expertise in the legal field and the Board is still looking to fill a position with a person skilled in finance.

The CTSN continues to be a major expense to the membership but is constantly improving. The digitization project is nearing completion and will become a valuable asset of the Association for many years to come.

The coaching scene has been very quiet at a National level. We are in the midst of a legal claim involving our past Coaching Director, and lots of initiatives and programs have been on hold whilst this is sorted out. Due to the delicate nature of the proceedings I am not at liberty to elaborate.

The Association also saw a claim from a member against us in the Anti-Discrimination Commission. This resulted in the new categories of membership we introduced from 1st January 2012, with the consent of the commission. Significant flow-on effects to clubs and states are yet to be seen but will be inevitable.

These two issues above have taken a tremendous amount of association time and effort away from what we should be concentrating on. It is extremely disappointing to be now dealing with matters once common to big business but relatively unheard of in sport.

The Australian International Shooting Limited (AISL) held their AGM and many changes were made to their constitution, supported by ACTA. It is hoped these changes will signal to AISL that the affiliates are not happy with many of their policies regarding selection, training and funding, and change is required.

Association sponsors have again provided exceptional support, and to all Sponsors we extend our sincere thanks. New sponsorship provided by Casella Wines allowed the ACTA to select an Olympic Trap team during the period to compete overseas for the first time in many years under our own banner. (The team comprising Brett Dunstan, Daniel Di Pietro and Frank Minici travelled to New Zealand early this year and successfully competed for the inaugural Jack Sutherland (Calrossie) - Jim McKenzie Trophy, provided by the Sutherland family and Casella Wines). Our thanks to both Casella Wines and the Sutherland Family, for providing the support to make this annual team event possible.

I take this opportunity to thank my fellow Executive members, Board members and Committee chairs for their support, time and effort they have given so freely over the last twelve months. The Vice Presidents, Mr. Ron Traill and Mr. Rob Fox are tireless workers, and deserve special thanks.

The Associations greatest asset remains its people, at all levels within our organization. From the club member who mows the grass before the shoot to the Club President who spends his Sunday fixing the broken water pipe, and all between, we have really great people at all levels, and a little appreciation of their voluntary effort does not go astray. My thanks to you all.

This year the Association should be able to look forward to a prosperous year ahead knowing we are in a strong and safe financial position, with a growing asset base. We have a reasonably stable membership and are fully insured to protect our members and our assets. A comprehensive budget was completed and it is expected to closely reflect our next annual result.

Thank you.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF AUSTRALIAN CLAY TARGET ASSOCIATION INC.

Scope

The concise financial report and the directors' responsibility

I conducted an independent audit in order to express an opinion to the members of the association. My audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

I performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Incorporated Associations Act 1981 (Victoria), including compliance with Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the association's financial position, and of their performance as represented by the results of their operations and cash flows.

I formed my audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report; and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the directors.

While I considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of my procedures, my audit was not designed to provide assurance on internal controls.

Independence

In conducting my audit, I followed the applicable independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In my opinion, the concise financial report of Australian Clay Target Association Inc. is in accordance with:

- (a) the Incorporated Associations Act 1981 (Victoria), including:
- (i) giving a true and fair view of the association's financial position as at 31 December 2011 and of their performance for the year ended on that date; and
 - (ii) complying with Accounting Standards in Australia; and
- (b) other mandatory professional reporting requirements in Australia.

Executive Officer's Report

The closing date for articles, results and club news for the next CTSN will be the 14th of March. This has been caused by the Trap Nationals and production staff being involved with this event. Ensure you get your copy in early to have your information in the May edition of the CTSN.

The dates for this year's Junior Development Camps are now on the web site as well as

the application forms. The dates coincide with school holidays in some states to allow shooters to attend without impacting on school time. The ACTA provides accommodation as well as meals and coaching. This is an opportunity for young shooters to develop their shooting and also to get an understanding of good training routines. The first course will be located in Wagga Wagga at the National Grounds and will concentrate on DTL, although techniques will be appropriate to other disciplines. Later Camps may use other disciplines, including ISSF to develop skills. The camps will be restricted in the number of people able to attend and attendee's will be selected on current grades and previous experience.

At this year's Trap Nationals Winchester is providing shooters, nominated in the Champion of Champions event, the opportunity to shoot Winchester ammunition. All shooters nominated for the event will receive a coupon from the events office which will entitle them to collect a box of AA shells from the Winchester display. Competitors can use the shells in the event if they wish. This is an innovative approach by a sponsor, to ensure all shooters in the event receive some benefit if only small.

Following the request to support clubs affected by the floods the following donations were received. A number of other clubs have also provided support direct to clubs to assist them recover from the effect of the floods.

MARCONI Christmas Shoot Great Success

Proudly sponsored by Red Lea

Firstly our committee would like to thank all the supporting shooters, members and families who helped make our Christmas shoot as successful as it was on the 18th of December 2011, a good way to finish off the year.

Manual Gomes

The day started off with amazing weather, perfect for the day and fortunate to our luck, 13 squads of happy shooters plus family and friends who joined us for lunch and for a fun day.

With many giveaways, prizes, raffles, BBQ lunch and flash targets; the day was bound to be good, and so it started with a cheerful Christmas spirit.

First event was the 50 target Points Score with no possibles on the board, Nick Xenos was the events best with a respectable score of 149/150 which took out 1st in AA, followed by Dino Loucas with 151/153.

A grade was won by a long time member of Sydney and a great supporter of Marconi CTC Gary Kennerson with 147/150 with the runner up Joe Camilleri our local stock maker with 145/150.

B grade was taken out by Chris Briotelis with a 141/150, and second was won by our hard working President Peter Philpott with 150/162.

C grade was won by Lino Pinheiro with a score of 132/150 and was followed closely by our club clown Steve Barros with a score of 134/153.

In between the events there were roughly 80 flash targets thrown randomly with each shooter receiving a bottle of wine for hitting it.

The raffle in-between rounds was sold, and a total of 30 chickens were raffled as prizes thank you Red Lea Chickens.

The second event was 50 targets Double Barrel with lots of red on the board, still being supported by beautiful weather throughout the day alongside with smiles all around and a great atmosphere.

AA grade was won by a popular shooter Dino Loucas with 81/81 followed by a travelling

Gary Kennerson

Marconi's Jnr Vice President Terry Alho

Steve Barros

shooter from Cowra Gun Club Gary Evans with a score of 80/81.

A grade was taken out by a Marconi member Manuel Gomes with a score of 50/50, followed by Marconi's apprentice Alex Nohra with a score of 58/59.

B grade was won by another Marconi member Joey Yarrak with a score of 50/50, and followed closely by Chris Briotelis with a 48/50.

C grade was won by Mr. Marino's with 48/50 followed by an all time C grader and friend Vince Mercuri with a high score of 46/50.

Finally, on behalf of the committee this shoot wouldn't be as successful and complete without its continuous support from all the shooters so a very very big thank you goes out to all the shooters and families who joined not only on the Christmas shoot but throughout the year.

To the ladies in the kitchen Fulvia and Michela, without you ladies all our mouths would go hungry, not only on the big competitions but club comps too, a shoot wouldn't be a shoot without any food. Also a special mention to the wives, mums and grandmothers who created a few dishes and brought them out to the club. Thank you.

To our Paolo a long time fossil committee member, a personal thank you for your continuous BBQ turning skills and noisy remarks and hard hard work for the foundations of the club. Thank you

To our trapper Maurice, your hard work doesn't go un-noticed, on time, in between events filling up the machine and cleaning well done. Thank you

To our office lady Pam, we all understand how stressed you get with all the paper work and books in the office, and this is much appreciated. Thank you

To our Treasurer Sharon, not enough gratitude and thank you's will ever be enough to even coincide how much work and organisation you do, the hard work definitely does get noticed and as a result you put together one of the most amazing Christmas shoots that has come past in a long time. Thank you.

To our big man, the president Peter, we thank you for all your nerves and patience. Your constant efforts of keeping the grounds running and in good order are appreciated more than you think. We all notice how much you love your best friend the lawnmower and it doesn't pass under anyone's eye how neat and beautiful the grounds look. Your shoot marshalling is fair and consistent, and your attitude and hard

2012 Sapphire Open Shoot Dugald Mactaggart Memorial Shoot

Eighty-three shooters from eighteen clubs Coff's Harbour, Frederickton, Grafton, Guyra, Hermidale, Inverell, Kempsey, Mendooran, Moree, Newcastle-Lake Macquarie, Richmond River, Singleton, Tamworth, Toowoomba, Treloar, Walcha and Warwick, enjoyed two days of beautiful sunshine and fierce competition at Glen Innes Clay Target Club's Sapphire Open Shoot on the 4th & 5th February in memory of Dugald Mactaggart who was a member, sponsor and patron of the club for many years before he passed away late last year. His two sons, David and John, intend to continue the ties with the club. Sadly, another member and past president, Monty Klingner, also passed away only two days before this shoot. A minute's silence was held, followed by a gun salute, fired by James Klingner, David and John Mactaggart.

They had come to get a respite from the rain and to win at least one of the 10 sapphires on offer. Lots of cash and other prizes were also up for grabs.

R-L James Klingner and John and David Mactaggart firing a salute for their father

The shoot-offs several times lasted much longer than the initial event. Saturday's 50 target double barrel event demanded 202 targets before it was finalised and Sunday's Sapphire event kept going to 185 targets. The first event alone saw 20 shooters hit all the targets! The second day's first event had 28 shooters do the same!

A big thank you to Loma and her willing band of helpers for catering for the weekend. Thanks to Neil, Paul, Helen, Nicole and Tracey for running the office and all the members that help get ready for the shoot during the weeks and days before hand and on the two days of the shoot and a thankyou to the visitors who helped out in any way. Thank you also to the trappers who worked tirelessly keeping the clays up to the shooters.

GOULBURN CLAY TARGET CLUB

SUNDAY NOVEMBER 13 2011

Alan Cramp & Clem Rowe Memorial Shoot LOCAL SHOOTER SHINES

On Sunday 13th November 2011 the cream of NSW and Australia's Down The Line Trap Shooters descended on Goulburn to pit themselves against the best of the best. Goulburn Clay Target Club's annual Alan Cramp & Clem Rowe memorial shoot has grown in popularity over the last few years and with almost 100 shooters in attendance it appears this event is firmly planted on the calendar of the who's who of Australia's clay target shooters. Shooters traveled from near and far with some coming from as far afield as West Wyalong, Bega and the North Coast.

Sunday's preparation had started months before, and the finishing touches were finalised in the late hours on Saturday night. Most serious contenders were out and about bright and early Sunday morning, with nominations starting to roll in around 7am so the many shooters could prepare themselves mentally for the long day ahead. Shooting then commenced at 8.30am which didn't cease until the last of the many shoot

offs just before 6pm. Almost every event and every grade required a shoot off to decide the final winner, with the day's main events just a prelude to the hot action that followed in the shoot offs. A couple of the shoot offs taking more than 200 targets without a miss to find a winner. Almost 11000 targets were used on the day and over 15000

Graded HGun Winners L-R Matt Patmore, Frazer Roberts, Robert Southwell and Clinton Woods (missing is B Grade Trevor Courtts)

shots fired, that's a lot of lead!

Local Shooter Fraser Roberts again showed why he is a past national champion taking out the overall High Gun honors by just 1 point, shooting every target presented to him with the need to use his second barrel just once in the points score event. This outcome reflects Fraser's natural ability, when he revealed that there was no practice or preparation for the event and in fact has not fired a shot in almost 2 years. This forced retirement is due to shoulder damage caused from the years of recoil and punishment from the heavy double barrel shotguns used. This constant barrage to the shoulder has resulted in a calcified shoulder joint which causes severe pain for days after shooting. "My shoulder swells up and glows bright red after a day of shooting, I'll be in pain for a week", Fraser said of his shoulder injury.

Also in the spot light was a trio that travelled long hours through the night from Boorowa. Father, son and daughter team Steve, Matt & Katie Schiller are no strangers to the winner's podium and all three featured heavily in the shoot offs at the end of the day. Brother and sister at one point were pitted against each other and this time Matt was the victor however this is not always the case. Full results to follow.

Six raffles were given as prizes along with all sorts of goodies from fish finders, bench rests, gun cases, ammunition boxes, spot lights, fishing reels and ammunition. In total more than \$6000 worth of prizes went to the grade and event winners in each category. The Goulburn Clay Target Club would like to thank Josh Lambert from Fish N Shoot (Tackle World) for his ongoing support and sponsorship, this great gesture certainly helps to maintain and sustain a good local club that would otherwise struggle.

Return to Shooting after Floods

Daryl Stevens (second right) and Peter McDougall (right) sporting the mud boots

It has been a long twelve months, but the weekend of the 28th and 29th January 2012, saw Condamine Gun Club return to shooting!! Club Members, were determined to make the weekend a success, after last years event being called off due to the floods, and this year's event in jeopardy due to up to 12 inches of rain falling in the area the week before the shoot. With the amazing support of 81 shooters, the Club's wish was granted and a successful weekend was held despite the less than ideal weather conditions. Shooters went to extraordinary lengths to drive around flooded parts of the state to attend the shoot. Shooters from Moree, who normally take about 3 hours to reach us, had an extended journey of 6 hours due to diversions and road closures.

The rain held off on Saturday and donning mud boots shooters commenced the program. The first event the Rexel 30T Medley was taken out by Daryl Stevens (AA) (96/100). The second event for the day, the Condamine Kitchens 25T Points Championship "Chair Event" was won by Rodney Woodrow (AA) (81/81). The final event for Saturday, was the CRC Electrical 50T "Condamine Bell" Double Barrel Championship which was hotly contested and finally won by Terry Rogers (AA) (120/121). Dean Cusack took home the "Kiwi Trophy" awarded to the best local shooter for this event.

Sunday brought gusty winds and made shooting more challenging. The first event for the day the Village Green Gift Shoppe (Highfields) 30T Continental was also won by Rodney Woodrow (AA) (44/44), after another shoot-off. The second event for the Sunday, the Haymans 30T "Condamine Bell" Single Barrel Championship was won by Condamine Club member Alex Dallas (AA) (32/32). The final event for the weekend, the T&W Earthmoving 20 Pair Double Rise event was won by local shooter, Peter McDougall (AA) (37/40).

The Overall High Gun (sponsored by Black Toyota) was awarded to Alex Dallas (271/285). The AA grade High Gun (sponsored by Charolais Cattle Company) was taken home by Brett Pile (268/285); A grade High Gun (sponsored by Hub Real Estate) by John Dolling (281/301); B grade High Gun (sponsored by Hastings Deering (Aust) Ltd) by Mark Davis (262/285) and C grade High Gun (sponsored by Millard

Tyre Centre) by Jeff Mitchell (231/285). Ladies High Gun (sponsored by Kerwick's Earthworks) went to Kylie Green and Imelda Shillock. Veterans High Gun (sponsored by Miles Wholesale Meats and Smallgoods) was awarded to Bill McKechnie (251/285) and Junior High Gun (sponsored by Murilla Country Services) went to Daniel Andrews (253/285).

After twelve months of rebuilding it was wonderful to see the shooting layouts being put to use again. Club members felt humbled by the support from shooters from so many other clubs, considering the weather conditions and forecasts for the weekend. Club President Geoff Colson, said "The support from shooters and sponsors has been amazing and it is great to be back shooting".

The club received a Floodfight Back Grant from the QLD Government, which has enabled all of the ground redevelopment to occur as well as replacing two traps which were destroyed during the flooding. The Gun Club is also in a process of flood proofing, with help of a grant from Xstrata, which enabled the purchase of a container, which

has been raised about a metre above flood level, to ensure traps and equipment can hopefully be out of the way, should a flood event occur again in the future.

The Condamine Gun Club Members are looking forward to a year of shooting rather than cleaning, building and repairing. Thanks again to everyone for your support over the past twelve months and during our annual shoot. Happy Shooting!!

Goulburn Southern Zone Mixed Target Championship

Fraser & Dave Battle It Out
Weeks of rain and then as if ordered, the sun shone brightly just for the few hours needed to decide the Southern Zone mixed target Championship held on Sunday 12th February. With Shooters again traveling from near and far however it was the local shooters that relished in the glorious conditions.

Dave Price

The two preliminary events saw hot competition with 14 perfect scores on the leader board and many others with just 1 or 2 slip ups. Although the usual suspects were all in the thick of things early

Fraser Roberts

in the day, the afternoon's main event soon weeded out those that were just off the boil. With perfect scores being posted all day it was no surprise that a shoot off was required to decide the eventual winners. Fraser Roberts came out the clear winner of the Mixed Target Championship event and has the sash and trophy to add to his growing collection. Overall High Gun and the eventual "AA" grade winner after a shoot off was Dave Price, with a narrow victory over Fraser and Leon Cuzner.

Other shooters to shine were Cooper

Mooney taking out "A" grade and Chris Weeks saving his best till last was the "B" grade winner by a narrow margin with 1 target separating himself and Joe Mooney.

With warmer weather and plenty of daylight after work the Goulburn Clay Target runs practice shoots every third Tuesday of the month. For all inquiries Leon Cuzner can be contacted on 0428 382 995.

Australia Day – Bendigo Had It All

Left: Senator Bridgette McKenzie and Glenn Woodhatch, Bendigo GC President with Lisa Hawker, Overall PS winner. Lisa also won the Ladies High Gun and the Overall High Gun

Handicap winners: L-R – Luke Torney, Robin Algie, Ben Vogelzang, Emma Cox and Daniel Dempsey

PS grade winners – Darren Knight, Peter Beaman and Geoff Hogan

An excellent turn out of shooters, fantastic trophies, fine weather, no hold ups, great shooting by juniors, a visit from a State Senator and a girl showing the boys how to shoot. What more could a clay target club ask for?

102 shooters chose to shoot at Bendigo as their way of celebrating Australia Day and they were not disappointed. With the great array of trophies presented on the day, competition was intense from the very first shot, and it stayed that

way right throughout the day.

Event 1, the 25 target Points Score saw 5 shooters return the necessary 75/75 to go into the shootoff. Arthur "Hector" Crawford allowed his 21st target to slip away thereby leaving a very

jubilant Lisa Hawker with the Overall title on 138/138. Peter "Grumpy" Beaman (who worked tirelessly in the Office all day as our Handicapper) collected A grade on 75/78 (oops 1st target), Darren Knight won B with 73/75 and Geoff Hogan C on 89/96.

Event 2, the "Australia Day" Handicap offering \$500 cash for the winner, with a further \$750 to be divided between the placegetters obviously placed significant tension on the competitors as only 2 managed to shoot 25/25. After 4 targets, Ben

Vogelzang was penalised a metre, but on the positive side was \$500 better off. Second place to Robin Algie 28/29. 12 shooters had shot a 24/25 in qualification, so it was down to business to sort 3rd to 5th placing's. Luke Torney with 51/52 collected 3rd, Emma Cox 50/52 4th and 5th to Daniel Dempsey on 42/44.

On to the 3rd event of the day, the GB Corsivia Single Barrel Championship. Only 4 shooters managed to return a perfect 25/25 and after 6 targets in the shoot off, Victorian State Handicapper, Ray (Chainsaw) Peatling had added the overall sash and prize to his trophy cabinet. A grade was won by junior, Nathan Zechner on 30/31, B to Jack Flintoff 30/36 and the C grade winner was Laura Woolley with 22/25. A great effort by our up and coming junior shooters to collect A, B and C grades. Our future looks great.

So, to the final event of the day, the 25 target Double Barrel with 5 .223 centrefire rifles as prizes for Overall and each of the 4 grades. 19 competitors returned 25/25 and went full of confidence into the shoot off. A score of 107/107 gave Ben Vogelzang his second major win of the day. Robert

Watching the shoot-off

"Solo" Godfrey was the AA winner with 106/107. Matthew Downes held out to win A grade with 46/47, Bailey Vogelzang was not going to be upstaged by Dad and took out B grade with 38/39. A score of 29/30 gave Jacqueline Wemyss C grade.

A shoot off between Lisa Hawker and Peter Beaman was necessary to decide the High Gun. Peter pulled a 2nd on, yes, his 1st target. Lisa remained unruffled and added the High Gun sash and trophy to her Points Score spoils. The Junior High Gun was

won by James Willett on 141/150, the Veterans by Terry Foster with 131/150 and Lisa Hawker took home the Ladies scoring 146/150.

The Bendigo Club thanks all who attended for making it such a great day – to their very valued sponsors GB Corsivia, Danny Clapp "The Good Guys" and A & L Guns we cannot thank you enough.

Letter to the Editor

President & Executive Committee of ACTA

Wishing all a great reunion of all members of Mackintosh teams during the special dinner and breakfast during the 2012 National competition, a time full of past memories. I wish I was there but ill health prevents my attending but all in thought. The first Nationals Ron and I attended was in 1966 at Bankstown, my last in Wagga in 2000, then being so near to home, I went to Roma in 2009, only missing three in those years. Looking forward to hearing reports and reading results in the magazine of Nationals 2012.

Down the line shooting returns to Kingston

47 years on, Down the Line shoots again at Kingston. 1st January 1965 was the Last time Down the Line was shot at Kingston, until Saturday 21st January 2012, The old Gun Club (Lacedepe Bay) was on the out skirts of Kingston alongside the Miara Creek in between the Creek and the new Council Depot work shop. At the Last shoot in 1965 it was shot over 2 days 31st December 1964-1st January 1965 with the attendance of 50 people over the 2 days. The winner of the shoot was Keith Mules of SAGC with a score of 108/108 (now he resides in Kingston. The Kingston SE Clay Target Club is now located out on the West Range Road. The Club

started off as shooting Field & Game as time went on we included Skeet and now we have included Down the Line (Trap).

Great job done by Members of the Kingston Clay Target Club to achieve so much in 7 years, there was support from Business' local and afar, Kingston Community school and club members. Firstly Colin Dicker for levelling the grounds and digging the hole for the trap house, all of the Students that were involved in the Door Steps Programme at the Kingston Community School that built the Trap House and set up & poured the concrete lanes, Holmic & HF Dickers & Sons for the donation for most of the concrete and transport, Blade Runner Turf of Millicent for the turf in front of the lanes Kingston Landmark for Timber, Boral Masonry for half price Besser blocks for building trap house, and members Kevin Mules, Steve

The weather was hot and windy and we had 53 shooters turn up for the inaugural DTL (trap) 100tgt Mixed event with a

few hiccups at the beginning everything started to go well,

First 25tgt D/B was shot with a few red marks on the board, after we shot the first 25tgt we asked our State President Allan Vilcins to open the lay out with acting President Kevin Mules. Then Steve Zadow & Kevin Mules had the official first opening shot. We then shot 25 Single Barrel some close scores started to come in all grades,

The time was soon getting away from us and a few more hiccups came along we then changed the programme and shot 15tgt Points Score, more good scores came in and it was close between 1st & 2nd in all grades and then the club dropped the last leg of the mixed event. So altogether we shot at 65tgts for the day, but what a great day.

Hope to see all shooters again that turned up to make the day a success & come back again and everyone else is welcomed. Thank you.

The Squire reports from West Wyalong

After a round trip of 850 kilometres to pick them up and a lot of hard work by a few blokes but particularly Clive Foster and John Wason and the new skeet traps were fitted and the targets were flying true and in readiness for the West Wyalong Clay Target Club's first event of the new year.

It is a number of years since the West Wyalong Clay Target Club had an organised Skeet Shoot and three squads of shooters were on hand to christen the new traps.

As skeet is so new to the club, shooters had some trouble settling in and the wind did not help at all.

Mick Munro, who is a AA Grade Field and Game shooter and West Wyalong club member showed his skills and was the winner of the 50 Target event scoring 47/50. Dozer Collins showed his versatility coming in second with a score of 43/50. Dozer is the sort of bloke who can shoot anything, small bore, Down the Line, Trench, Sporting Clays, rabbits and now Skeet just give him a gun and a pocket full of shells and he will return a competitive score.

Matt Schiller, who also knows how to handle different disciplines, was third 40/50.

By the time 12.30pm had rolled around numbers had swelled somewhat for the Central Zone Continental Carnival the West Wyalong Clay Target Club was hosting. There was a fine array of shooters present with visitors from Canowindra, Young, Parkes, Orange, Booroowa and Yass as well as a host of local shooters.

It appeared as though some good scores would be posted during the program when 14 of the 25 shooters shot 10/10 in the Double Barrel Continental Eye Opener.

The 25 Target Points Score Continental took a shoot off to decide the winner with Trent Jamieson 84/84 taking out Overall from Matt Schiller 83/84 who was the AA Grade winner. Regular visitor to West Wyalong, Alan Drogemuller 73/75 won A Grade and Dennis Smith from Young won B Grade shooting a fine 75/75.

Mick Munro still adjusting to Down the Line shooting scored 63/75 to take C Grade. Jeff Nash 73/75 was the Veteran winner.

Trent Jamieson 37/38 also proved too good in the 25 Target Single Barrel Continental event once again winning the Overall position. G Serafin 33/35 won AA Grade with Ray Schiller 28/30 the A Grade winner. Dennis Smith 19/25 won B Grade and Mick Munro 34/37 and starting to hit his straps won C Grade.

Veterans, Jeff Nash and David Wilson shared first 20/25.

The final event for the day was 50 Targets Double Barrel Continental and although high scores were anticipated they did not eventuate. John Lawrence 86/86 won the Overall position from Dozer Collins 85/86 who placed first in AA Grade. David Wilson 52/54 was having a good day and won A Grade from Mitch Browne 51/54 who has not been seen around the traps for some time. Dennis Smith 47/53 won his third event of the day in B Grade with John Wason 46/53 losing the shoot off to take second position. Mick Munro 49/50 completed a clean sweep for the day in C Grade and is unlikely to remain in that grade for much longer. Another Field and Game shooter and club member, Steve Smith 36/50 was runner up to Mick in C Grade. Veteran, Ray Schiller 46/50 was the winner of his section.

Trent Jamieson had a huge smile on his face when he was announced as the High Gun for the day's events.

Five Stand Comes to Bega

First squad of 5 stand at Bega Gun Club

After a longish period of planning, getting the gear together and a lot of work from our fearless president and club members, Bega Gun Club held its first Five-stand event last Sunday. In conjunction with the first round of the Fimac Shield for 2012, and with strong support from our colleagues from Bermagui, two twenty-five target rounds were shot.

47 shooters from around the district braved the sudden summer temperatures and brisk breeze to tackle this, for Bega, new discipline. Mingling with a few experienced shooters, the many first timers had a most entertaining introduction to the event. Some of us are still looking for some of the targets, that we're sure, were thrown.

Round one began with President Phil explaining the process and demonstrating the layout and how it all worked. The fun then began in earnest. AA Grade went to Stuart Bennett on 23/30 from Kevin Hurt 22/30. A Grade was taken out by Phil Craig with Marke Raabe picking up second after a shoot off 29/35. B Grade went to Ray Hedger who collected 21/25 to runner up, Colin Brownlie's 19/25. C Grade was won by Stephen Martini with a score of 20/35 from Alf Niesar 19/35. And everyone had a fantastic time.

High Gun and Fimac Handicap Shield round one winner, John Seide

For some light relief, the second event was a 25 target single barrel. Phil Craig took out AA Grade with a 23/26 after a quick shoot off with Phil Body who scored 22/26. In A Grade, Alf Niesar was successful with a score of 23/25 from Kevin Hurt 20/25. B Grade saw the best score of the day, when John Siede plucked 24 of his allocated 25 targets to win from Zip Summerell 21/25. C Grade went to Colin O'Brien with a score of 22/25 with John Walker collecting second in a shoot off 21/27 from Peter Johnston 21/27.

After the second event frivolity, event

three was back to the five stand for a second try. Stuart Bennett again proved successful with 19/25 from Kevin Hurt 17/25. Marke Raabe and Phil Craig swapped positions for the second try, Marke winning 19/25 to Phil's 17/25. B Grade had a change of personnel, with John Siede shooting 19/35 to Craig Field's 18/25. In C Grade, Mick Diss and Alf Niesar were enjoying themselves so much, they carried on a while, till Alf came out victorious with a score of 25/45 to Mick's 23/45. And so Bega's first attempt at Five stand came to an end, with the majority keen to have another go later in the year.

Final event for the day was the first round of the Fimac Engineering sponsored Fimac Shield. Last year's winner, veteran John Siede continued on his winning way with a first round win, shooting a score of 22/25 in some of the windiest conditions seen at Bega for some time. Peter Johnston and Craig Field spent a short time sorting out second and third, with Pete being successful 22/27 to Craig's 21/27. Once again, our thanks to Fimac principal, Shane Platts, for his ongoing support.

High Gun for the day went to John Siede with a very good

score on the day of 82/100. Ladies overall went to Michelle Craig 57/100, with Robyn Perkins, 43/100, second. The shoot raffle was won by Robyn Perkins who is enjoying one of the famous Kydd's Butchery meat trays whilst the treasurer keeps the prize money. Should the prize not go off before the July shoot, three draws will be had to try and give away the cash.

The Club would like to extend their thanks to all those visitors and club members alike who helped make this special day a success. No names – I'm sure to miss someone.

KEVIN CHARLES MORGAN

4.11.1937 - 9.11.1911

The Southern Gun Club and all shooters were saddened to hear of the sudden death of Kevin on a fishing trip whilst staying at his shack at Wellington, on the banks of the River Murray.

Kevin was a police officer for 39 years and a sergeant for his last 17 years of service before he retired at 60 years of age.

Kevin and his wife Marj lived at Ironbank and this community will sadly miss Kevin's major contribution to community life. Kevin was the driving force behind the formation of the CFS where he served as captain for 17 years. Other Ironbank sporting influences were the cricket club where he served a term as president, founder and player for the table tennis club and committee person for the Ironbank football club where people from all walks of life gathered to give Kevin a fitting send off.

Twelve years ago Kevin organised the inaugural local Neighbourhood Watch and was still an active co-ordinator. The Blackwood Lions club also benefited from Kevin's 2 year term as president.

Kevin was also a member of the Firearms Collectors' Club, Police gun club, Monarto rifle club, and committee member of the Southern gun club.

In a fitting tribute to Kevin a guard of honour was formed by the Ironbank community clubs that Kevin was involved with and a volley fire organised as his coffin left the Ironbank oval.

Kevin will be fondly remembered by all shooters and the Ironbank community groups who have lost a well respected tireless worker.

Our condolences are sent to Kevin's widow Marj and families.

NEIL JOHN MORRISON

28.8.1948 - 23.1.2012

The only thing in life that Neil Morrison was more passionate about than shooting was his wife Val.

Since 1997, when he joined the Castlemaine Gun Club, until his tragic death in January 2012 at the age of 63, Neil John Morrison's driving motivation was to advance the sport of clay target shooting, with Val always at his side.

He had a 'larger-than-life' presence at every shoot he attended, whether competing, or in the office carrying out his role as the VCTA North-West Zone Handicapper. Whenever his booming laugh was heard, people knew 'Neil's here.'

Always a 'giver' and a 'do-er' Neil gave his time and his skills willingly and tirelessly to help build up the Castlemaine Club and encourage the attendance of many competitors. Projects that he drove included the building of the second DTL layout at Castlemaine and the installation of a ball-trap layout.

During his five years as President of the Club, attendances of eight to 10 squads to the monthly Saturday shoot were not unusual.

Neil was also passionately committed to the sport's administration, serving as the Club delegate to the North-West Zone and then taking on the role of Zone Delegate to the VCTA- a position which he held for four terms.

At major Zone, State and National competitions, Neil was always willing to help, often being found working in the office to help bring about a smoothly run event.

There are many shooters who owe their participation in clay target

shooting to the encouragement of Neil John Morrison, including his brother Alan, sister Joy, and brother-in-law Paul.

He will be sadly missed.

Neil tasted the sport approximately 26 years ago, for a short time. Then 16 years ago he got the taste again. That combined with the love of travel & the love of his beautiful wife, Val, in the passenger seat they would travel near & far. As a part of our committee and a fair stint as President & Handicapper, Neil was instrumental in works around the club. Also introducing new members to the club, his brother, sister, brother in law, step daughter and nephews. Neil will be missed around the traps.

LEIGH WILLIAM KNIGHT

6.11.1957 - 3.12.2011

Clay target shooters throughout Australia were shocked and saddened to learn of the tragic death of Leigh "Wally Gator" Knight on the 3rd December 2011. Leigh was travelling home after an evening shooting ducks on the rice when he was involved in a motor vehicle accident, less than 2 kilometres from his home. Leigh was 53 years old.

It is fair to say Leigh was one of the most credentialed shooters not to have won a National title, this possibly due to the fact he was in a duck swamp during the time the Nationals were being shot. He was known throughout Australia, particularly in western New South Wales, southern Queensland, inland South Australia and the Northern Territory. He was most at home camped on a river bank, fishing or hunting and often with his father, Bert, and mother, Barb.

Leigh began trap shooting at the age of 12 when he was attending the White Hills Technical School in Bendigo. The very first year he attended the North East Zone School shoot at Shepparton he won the Overall. The 2nd year he had to settle for 2nd, but back again the following year he again won. This encouraged him to join the Bendigo Clay Target Club and take up competitive trap shooting. Over the years he competed, the number wins he would achieve would virtually be too numerous to count. At any shoot he attended, his very easy going nature and his readiness to help, would win him many friends and admirers. Testimony to this was the fact in excess of 300 shooters and friends from all over Australia attended his funeral.

Psychological Skills for Shooting

PARADIGM SHIFT

Paradigm is an interesting word. It is pronounced "para-dime" and is defined as "the set of assumptions, concepts, values and practices that constitute a way of viewing reality." Interesting word, an even more interesting definition, given that no two people are able

to view the world in the same way. Marriages, friendships, relationships, etc appear to breakdown all the time: what is happening is that we are unable to recognize the other person's point of view or their perception of the issue, problem or solution. Relationships breakdown when paradigms clash. Michael McQueen in his book *"The New Rules of Engagement"* demonstrates this by citing an email, which contained a radio communication transcript between a US Naval ship and Canadian authorities off the coast of Newfoundland in October, 1995.

US Ship: Please divert your course 0.5 degree to the south to avoid collision.

Coastguard: We recommend you divert your course 15 degrees south to avoid a collision.

US Ship: This is the Captain of a US Navy Ship. I say again, divert YOUR course.

Coastguard: No. I say again. You divert YOUR course.

US Ship: THIS IS THE AIRCRAFT CARRIER USS CORAL SEA. WE ARE A LARGE WARSHIP OF THE US NAVY. DIVERT YOUR COURSE NOW!

Coastguard: This is a lighthouse. It's your call.

And with one sentence everything changes: this is a paradigm shift.

However, in relationships or in society in general, it is difficult to get the other person or side to see the other side of the story or other points of view. As shooters we are up against this all the time. Elements of the coalition for gun control are hardly likely to see the other side of the story. The spate of drive by shootings in Sydney, most likely organized crime related, lumps licensed and law abiding gun owners in the same bucket as those committing the crimes. The anti-gun lobby does understand the difference between sporting shooters, target shooters and criminals. They probably even take pride in our shooting athletes that win medals in the Olympics. But like the Captain of the ship, they cannot see the lighthouse, which is in this case, is that most people can behave responsibly with firearms and that problems with firearms are to do criminal behaviour or mental health problems.

For shooters and the anti-gun lobby, Is a paradigm shift possible? I'm not sure I actually know the answer to that question. I do know that it won't come as a "light-bulb" type revelation that occurred for the captain of the ship, but with a carefully thought out plan of what type of change is needed, I'm sure it is possible.

Firstly, we need to understand what happens when we try to change someone's opinion. We all have set ideas, but these can fit into three boxes: area of acceptance, the zone of uncertainty and the area of rejection.

accept and then move their opinion ever so slightly into the area of uncertainty and give them credible options to accept this move. Therefore we are not shifting them far, but just expanding what they likely to accept. If we jump straight into the Area of Rejection then they will be unlikely to move their opinion because the shift in their thinking will be too great.

This is exactly what Hitler did before the WWII to get the people off Germany to support him. He did not come straight out and tell his followers about the "Final Solution". This would have been too much for any society to accept and would have been rejected and he would most likely have been overthrown. Instead he adopted a propaganda campaign starting with what people accepted and then moving them from acceptance into the zone uncertainty, step by step until the there was little they would reject.

Area of Acceptance	Zone of Uncertainty	Area of Rejection
--------------------	---------------------	-------------------

He did this by asking: Should all Germans have jobs? They answered yes. So the people were not surprised or concerned when he made policies that would exclude immigrants from getting jobs. By asking other questions, for example: Should German banks be run by Jewish businesses? He then made policies to shut down the Jewish banking system. And so on he continued making policies excluding Jews, gypsies, disabled, homosexuals, etc, so that Germans could be better off.

This is a very simplistic account of what happened, but over time he was able to change the way of thinking for most of the society to accept his the policies he shared with the people. Each move was small and calculated to be close to what was already accepted.

Secondly, we need to reframe the negative connotations used by the anti-gun lobby into things that are at least neutral or best positive. When we talk with the media we should refer to guns as firearms not weapons. We need to make listeners or readers realize that for our sport our firearms are necessary: just as you can't play golf without a set of golf clubs, you cannot shoot without a firearm.

Thirdly, we should be willing to acknowledge that society believes we, as shooters, can be trusted: we have a license and we can carry and use a firearm. It is not possible for the members of the anti-gun lobby to so easily prove that they are trusted by society.

I cringe when I hear or read there has been another incident involving firearms. Recently, the Sydney tabloid press, during the debate over criminal gangs and drive-by shootings, made a big story about the fact that Bathurst had the highest proportion of registered guns per head of population in NSW. Why were they doing this? They wanted to highlight the danger of the guns in the community. The story was picked up by the radio networks, but became obvious that they the people of rural NSW understood the story was a beat up because:

- the drive by shooting were occurring in western Sydney,
- those doing the shooting were criminals and not likely licensed or using registered firearms,
- firearm crime statistics for Bathurst did not exist.

We need to be mindful that not everyone believes what we believe, however to protect our sport and our right to participate we need to see a paradigm shift in the non-believers.

Hot Conditions for Skeet suits Jackel

The day was hot, however this didn't deter local Skeet top shot, David Jackel from winning the Overall Champions title at the Wangaratta Clay Target Clubs January Skeet shoot. David returned a score of 95/100 to win the sash for the event.

Shooting in full sun on a hot day has a real effect on concentration and energy levels, however Jackel was able to overcome these uncomfortable conditions and win over the other 20 shooters on the day. Just behind David was P Akkermans from Bendigo with another top score of 94/100 winning A grade with 2nd place going to Bernie Evans 102/110 after a shoot off with Phil Smith. Dennis Savage, another top skeet shooter, won B grade with a score of 94/100, defeating Alan Kidd on 90/100 for 2nd place. Veteran all rounder, Keith Robinson shot well to win C grade with a tally of 88/100 and 2nd was won by Junior shooter, Will Robinson on 70/100.

The High Gun trophies went to David Jackel, O/All Champion. Will Robinson won the Juniors award and Jim Brown won the encouragement award prize for his efforts.

Mick Ward takes out Medley Championship
Wangaratta Clay Target Club welcomed 40 keen Down The Line shooters on Saturday, 18th February to compete for the 100 tgt. Medley championship event. The weather conditions were kind to all competitors, a clear and very warm day with no wind.

The event consisted of a mix of Points Score, Single & Double Barrel and Continental target shooting events. The combination of these different disciplines gave shooters the opportunity to test their skills over different types of trap shooting events.

The entire day ran smoothly, with a number of visiting shooters congratulating the club on the way the shoot was conducted. The club is now fully equipped to offer three types of clay shooting, including Skeet, DTL and 5 Stand Sporting in an efficient and top class venue. A big thanks must go to all the committee members and club members that volunteer much of their time to make the Wangaratta facility one of the best and friendliest clubs around.

The 10 tgt Points score eye opener was divided amongst 6 competitors. Mick Ward shot a tremendous score of 149/150 to win Overall and AA grade champ with 2nd place split between Casey Fletcher and Ben Vogelzang both on 178/180. Mansfield top shot David Luelf took out A grade with a score of 144/150, ahead of Colin Wemyss on 140/150. B grade was well won by Mick Ilickson shooting 141/150 with Peter Watkins taking out 2nd with a tally of 136/150. A score of 112/150 achieved a win in C grade for Mark Young with 2nd place by Jamieson Stewart on 110/150.

Junior shooter, Hayden Smith was also awarded a trophy for winning the 2011 DTL Junior overall champion. This prestigious award is presented annually and Hayden can feel very proud of his achievement.

At the conclusion of the day, the O/All High Gun was awarded to Mick Ward 167/169, Junior Champ. to Tom Allen 173/180 and Veteran Champ. David Luelf 173/180.

2 day Skeet & Calcutta

The hot conditions didn't deter the dedicated skeet shooters from converging on the grounds of the Albury Wodonga Clay Target club for the annual January 2 day skeet shoot and calcutta with eleven squads taking part over the two days.

Victorian clubs were well represented as were Sydney, Wagga, Canberra, Corowa, Bega and Cooma clubs.

The hungry and thirsty shooters were well catered for by the efficient girls in the canteen, Christine and her daughter Emily, they were flat out all day and didn't miss a beat, well done girls.

The competition started with a 50 target skeet doubles event with David O'Sullivan taking out overall and AA with a brilliant 49/50 and that fine Wangaratta shooter David Jackel taking second with 48/50, A grade winner was Fred Guyatt 53/56 and second in A P Shuttleworth 51/56, B grade was taken out by our now retired ex secretary Ross Carter on 47/50 with second in B going to Mike Corbett from Werribee on 46/50, C grade went to a newcomer to skeet in Kirk Stone with an excellent 43/50 from A Kidd on 41/50.

The 100 target Elks Hunting and Fishing skeet championship was next on the programme and we are extremely grateful to Col and his boys for their continuing support of this event and the club

generally, Col is always willing to help the club both for skeet and DTL, so shooters please support the business that supports your sport.

An Interesting thing happened while I was refereeing No. 3 squad comprising of visiting shooters from Sydney and Melbourne, apparently there was quite a number of flash targets left in the hoppers from our Christmas shoot held some weeks earlier and during the course of the first bracket of 50 targets Paul Kouroupis from Sydney incredibly shot no less than eleven flash target while the other four shooters (all from Melbourne) did not get a single one between them, at presentation the club duly presented Paul with two long neck bottles of beer for his feat.

Matthew Prentice and David Jackel both recorded 99 to shoot off for overall with Paul Johnston, Michael Buttigieg and David O'Sullivan shooting off for second in AA grade with 98's, David Jackel missed on station one to give the junior Matthew Prentice overall and "A" with David getting 1st AA, and Dave O'Sullivan winning the shoot off for second in AA.

That super lady shooter Jacqui Durham fought off up and coming junior James Willett (both of whom shot 97) to take out 2nd in A with 101/104. B grade 1st went to Justin Hayden 94/100 and second was shared between Ross Carter and Dennis Savage on 93/100.

C grade was taken out by Phillip (spud) Wojtowycz 90/100 with second going to our hard working secretary Anthony Metry 86/100. Best Lady J Durham 97/100, Best Junior M Prentice 99/100, Veterans was shared between J Pethybridge, C Strike & R Petts.

Following the days events' was the fantastic DINNER of roast beef, roast lamb, venison and wild duck, it doesn't get any better than that, thanks to President Gerry for the expert cooking in the webbers.

By 10.00am Sunday we had another 55 shooters ready and eager to tackle the Ian McGeoch 100 target skeet Championship the day was quite warm but there was a nice breeze to temper things down a bit. At the end of the event Michael Buttigieg from Melbourne had shot the only possible with Barry Moss also from Melbourne very close with 99/100.

A shoot off for A grade between James Willet and Eddie Elder (both juniors) both with 97/100 saw Eddie the eventual winner with 106/109 and James 2nd in A on 105/109.

RICHMOND RIVER CLUB NEWS

The first six weeks of 2012 have been hectic for members of the Richmond River Gun Club with lots of shooting both at home and away.

Competition shooting began with night Trap on 13th January when 16 shooters took part in a 75 target medley marred by intermittent drizzly rain. Phil Westbury won AA with 114/125 from Ian Essery. Jamie Beddoes was successful in A Grade with Mick Allott 1st and David Bodley 2nd in B Grade. C grade went to Justin Hayden from Sean Copper.

Graeme Turner won the monthly Skeet 75T Handicap on 20th January with rounds of 23, 25 and 25 off gun. Warren Beddoes was 2nd and Tom Irvine 3rd. Some members choose to shoot their 3rd round with side by side guns and on this occasion Warren Beddoes picked up his first "Side by Side" badge with a 20/25 in that round.

A 50T Single Barrel Championship sponsored by Don Johnson and Terry Preston was the event of the day at the monthly DTL shoot on Sunday, 22nd January with 36 members and visitors taking part.

In the 25T DB C/D warm up event, Kim Nealon, Mark Formaggin, Steve Kilfoyle, Terry Preston and Kevin Harding in AA and Jeff Lowndes, Roy Warren, Dean Short, John Lucas, Scott Brereton and Harold Batson in A Grade all shot 25/25. David

Bodley and Don Johnson shared the money in B Grade with 24/25.

Terry Milgate (23) won C Grade with Grafton Junior James Smith 2nd with 21. This set the scene for what was to be a head to head battle between these two for the rest of the day.

Kim Nealon shot the only 25/25 on his way to winning the 50T Single Barrel championship but opened the door for a number of those who had recorded 24/25 when three escaped during his second round. Only Rod Moody was up to the challenge but Kim prevailed in the resulting shoot off to take the championship badge, medal and prize with Rod having to content himself with AA. Second in AA went to Ian McDonald.

Popular Grafton shooter Jeff Lowndes won A Grade with 46/50 from Roy Warren 45/50. B Grade went to Luke Barnes 42/50 and David Bodley 41/50 was second.

James Smith (43/50) turned the tables on Terry Milgate (42/50) in C Grade.

The final event, a 25T Continental, saw a few more red numbers when Ian McDonald,

Sponsor Don Johnson and Rod Moody, AA SB winner

Steve Kilfoyle, Mark Formaggin, Phillip Westbury and Kev Harding shooting possibles. Phil Westbury won the shoot off from Mark Formaggin.

Roy Warren defeated Jamie Beddoes after a brief shoot off in A Grade after both had recorded 24/25 and a similar situation occurred in B Grade with David Bodley being successful over Ian Sullivan.

James Smith (23/25) ended his day out with another win over Terry Milgate (21/25) in C Grade and went home with a grin from ear to ear and more cartridges than he came with after he also collected the junior High Gun prize donated by Geoff Pringle.

Preparations are now underway for our annual two day shoot to be held in May. Full details will appear in the next issue of CTSN. Full details of Richmond River Gun Club's programme can be viewed at www.northernriversgunclubs.com

OLYMPIC TRAP SHOT AT ECHUCA

Five squads of shooters arrived at the Echuca Clay Target Club on Sunday the 12th of February to compete in a fairly diverse program, including a 25 target Olympic Trap cash divide, a Continental Double Barrel Championship, a Double Rise Championship, and a Club Mug Handicap event. All this to be shot on a day of perfect weather conditions, with mid range 20s, and a gentle breeze to keep the insects away. Also using black targets, with a light coloured background, was always going to ensure good scores, and the shooters

responded with some excellent results.

The Continental was hotly contested and finally, Bendigo member Daniel Dempsey had to shoot his 106th target to claim the Overall Winners Sash and receive 1st place in AA Grade, he was pushed that far by Colbinabbin member Charlie Burns, Charlie dropped his 106th target giving him 2nd place in AA Grade. Craig Fitzgerald an Echuca member was the only shooter able to down all 40 targets in the 20 Pair Double Rise Championship and that score of 40/40 earned him the Overall Winners Sash and 1st place in AA Grade. Bendigo member, Emma Cox, dropped only one target, and that 39/40 earned her the 2nd in AA Grade trophy.

The Olympic Trap Cash Divide ended up being an all Echuca affair, with AA cash collected by Craig Fitzgerald, A grade Rob Viney, B grade Steve Traill, and C Grade cash collected by Ian Phillips, all members of the Echuca club. The Club Mug cash of a healthy \$90.00 was won by Steve Atkins because he outstayed all other contenders.

Other results are as follows: 25 target Continental DB Championship, A 1st G Fletcher 27/28, A 2nd A Patten 24/25, B 1st G Ervin 24/25, B 2nd D Faulkner 22/25, C 1st H Nihill 21/26, C 2nd B Keck 20/26. 20 Pair Double Rise Championship, A 1st G Fletcher 32/40, B 1st P Keck 29/40, B 2nd G Ervin 24/40, C 1st B Keck 22/40, C 2nd N Calandro 13/40.

NSWCTA Riverina Zone Sporting Clays

BOYDY HAS STILL GOT IT

Albury-Wodonga CTC continued to enhance its reputation as one of the better Clubs to shoot at in Southern NSW when it hosted the recent Riverina Zone Sporting Clays Championship and Team eliminations on Sunday the 29th of January.

Sporting Clays continues to be one of the fastest growing disciplines of Clay Target shooting covered by the ACTA, something that a few more Clubs might like to look at, if they are struggling with attendance numbers and wish to remain viable into the future. This type of shooting seems to appeal to a wider cross section than the traditional DTL and Skeet shooting that many of us started to compete in.

I digress, back to the days shooting as it went. There were 60 odd shooters who entered, all with high hopes of winning a prize or making the "Zone Team" ensuring that a fierce but friendly competitive atmosphere prevailed throughout the day.

After the first full round the board revealed that the course setters had done an excellent job, with the front runners only posting in the mid twenties' and anyone with a score of 18 or more feeling not too bad about themselves. At the halfway mark some of the usual suspects were going OK, with Peter Munro, Graeme Boyd, Barry Hall, arguing over the lollies with young guns James Willett, Mathew Allitt and Adam Shale.

As happens occasionally, Murphy had a say in the day (what can go wrong will go wrong at the most inappropriate time) with a couple of minor trap issues that were resolved by the hard working members of Albury-Wodonga CTC using replacement traps. Although there were some slight variations in targets as the day wore on, it was generally accepted that the results were still as they would have been, and the day still finished early enough for everyone to make it home in reasonable time. A great effort guys, all good, I reckon the "Zone" owes you a carton of cold ones.

The Overall winner for the day with a score that told everyone present

that he still does "have it" was Graeme Boyd on 87/100 second "AA" was Simon Hore after a shoot off with 90/110. Top junior shooter James Willett came first in "A" Grade on 80/100 from Vic Bowman on 79/100.

The main man in "B" Grade was Darren Saunderson 72/100 followed by Bryan "Bocky"

Bockman with a 71/100. Mitchell "Froggy" Kneebone shot 72/100 to take out "C" Grade (I reckon we should swab you) from Michael Metry on 67/100.

The best Junior on the day was Adam Shale with an outstanding score of 81/100. The top lady shot on the day was Helen Devlin on 66/100. Top of "The Super Dogs" (Veterans) was Alec Ceccato with a 75/100 besting "Max" Kavanagh by a couple.

After the dust had settled the Riverina Zone Open Team was made up of Barry Hall, Mathew Allitt, and James Willett. The Veterans Team is Alec Ceccato, Max Kavanagh and Tom Harris. The full Juniors and Ladies squads are yet to be advised.

Overall it was a tremendous success, where all the credit must go to Gerry, Anthony, "Ruddy", Bob, Michael, Nick, Bryan, Terry, Porky and all the team from Albury-Wodonga for hosting and running the event. Also a big thank you to the hard working ladies, Judy in the office Christine and Emily in the canteen.

Thanks to the generous sponsor Poolside Albury-Wodonga.

OA winner Graeme Boyd

ZZ SYDNEY AUSTRALIA Cecil Park Clay Target Club

New layout

**OA winner
Sam Rehayem
& 2nd Luke Cassa**

The first ZZ for the 2012 year - January 29. The new machines were set up for the first time & new layout at Cecil Park.

We had 18 competitors, 16 on full comp. The Handicap system was used for the first time, loose 1 metre per sweep stack win. The comp got on the way as vision was hard due to bad light, scores were low and the traps are live at all times when shooting 5 a time you may have up to 3

times the same bird, therefore you never know which bird comes out next. Young Junior, Carter Matthews took out the first Sweep 9/10. Second sweep Elton Chectuti, Joseph, Louis Galea, Rami, 8/10. Third sweep Luke Cassar 8/10. Last sweep Brant Woodward, Sam Rehayem. With a four way shoot off between Brant Woodward, Sam Rehayem, Luke Cassar, Carter Matthews on 19/25. O/All winner Sam Rehayem, 2nd Luke Cassar, 3rd Carter Matthews, 4th Brant Woodward. Also it was nice to see Tong Shang visiting from China, a new face on the scene. Brant Woodward from Kiwi Land. All in all it was a good day. I would like to thank Louis Galea with help setting up and packing up and Carter Matthews, as well, Neale Guy for taking care of the scoring and sweeps and all who helped with the refereeing for the day.

John Sleightholme shoots a perfect score at Treloar

The Treloar Club Shoot on Sunday, 12 February presented good shooting conditions despite being very hot and humid.

A clean score of 125/125 for the day was achieved by John Sleightholme from Tamworth. With his casual, good humoured manner, John seems to put these scores together effortlessly!

Robert and Libby Clarke from Port Macquarie Club made a special effort to attend. Robert was hot on the heels of John with a score of 124/125.

Treloar Club member, Sam Gall and Gary Carlyon (Taree Club) came in with a creditable 121/125 in AA Grade.

In A Grade, Joe Marshall (Tamworth), scored 120/125. Also A Grade accomplished lady shooter, Libby Clarke, always high on the score board, on Sunday equaled Treloar Club President Noel Edlington with a score of 116/125.

First time visitor to Treloar, Hugh Faris from Narrabri, was the B Grade winner on 117 with another Narrabri shooter, Justin Mann who tallied 116.

It was a pleasure to welcome Gerald McInnes and his grandson David from Narrabri to the club. Gerald's prowess is rubbing off on David who was promoted from B Grade to A Grade.

Another first time visitor, John Lyell from Walcha Club, received a warm welcome as did Grahame Armour from Guyra Club, who is becoming a regular.

Good to see Treloar Club member Vern Scanlon move into A Grade with his score of 110/125. Congratulations Vern, his regular attendance has paid off.

Shooting for the first time with a brand new gun, Justin Wall from Tamworth achieved 110/125. With this effort, we suspect Justin won't be long in C Grade. Another C Grader, Brad Mills (Treloar) continues to climb the score board shooting 90/125.

The party enjoyed a barbeque lunch cooked by Joe, prepared by Lois and served by Piri.

All in all a great day's shooting at a steadily growing popular club.
